Invocation.

Father Richard Klajbor, Pastor of Holy Innocents Church, opened the meeting with prayer.

At this point in the proceedings, Alderman Balcer moved to *Suspend the Rules Temporarily* to permit all in attendance in the City Council Chambers to join in the Pledge of Allegiance to the Flag of the United States of America. The motion *Prevailed*.

Thereupon, the members of the City Council and its assembled guests rose and recited the Pledge.

REGULAR ORDER OF BUSINESS RESUMED.

**REPORTS AND COMMUNICATIONS
FROM CITY OFFICERS.**

Rules Suspended -- CONGRATULATIONS EXTENDED TO MR. DANNY NEWMAN FOR CONTRIBUTIONS TO THE ARTS IN CHICAGO.

The Honorable Richard M. Daley, Mayor, presented the following communication:

OFFICE OF THE MAYOR
CITY OF CHICAGO

November 1, 2000.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I transmit herewith a congratulatory resolution for Danny Newman.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RICHARD M. DALEY,
Mayor.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, Danny Newman is the performing arts promoter extraordinaire and has been the public relations counsel for the Lyric Opera of Chicago since its inception in 1954; and

WHEREAS, In a career spanning sixty-seven years, Mr. Newman has represented every branch of show business and all of the arts disciplines; and

WHEREAS, Mr. Newman was the striking arm of the Ford Foundation's Division of the Humanities and the Arts on its creation of The Theater Communications Group from 1961 through 1981; and

WHEREAS, Mr. Newman counseled producers all over Canada, and also in Australia, England, New Zealand, Scotland, Finland, Holland, Israel, the Philippines, China and South Africa; and

WHEREAS, Mr. Newman initiated major subscription drives for the Lyric Opera in the 1950s, which assured the Lyric's survival and led to the creation of one of the world's largest committed audiences for opera; and

WHEREAS, Mr. Newman holds the highest honor in American music, The American Symphony Orchestra League's Gold Baton; the first Sidney R. Yates Advocacy Award and the Arts Management Career Service Award; and

WHEREAS, Mr. Newman's remarkable book, *Subscribe Now*, is the best-selling arts-management book in history, and is in its tenth printing and in use in thirty-one countries, providing guidance to arts trustees, administrators and marketers; and

WHEREAS, In addition to his years of service to the Lyric Opera, Mr. Newman has handled projects for the Goodman Theater, Steppenwolf Theatre, Joffrey Ballet, Northlight Theater, Ravinia Festival, Music of the Baroque, and many other local cultural institutions; and

WHEREAS, Now, at the age of eighty-one, Mr. Newman is about to undertake two major new projects: an oral history of the Lyric Opera, which he will produce with broadcaster Norman Pellegrini; and a book offering highlights from Mr. Newman's career in the 1930s, 1940s and 1950s, including previously untold stories about such luminaries as opera stars Maria Callas and Tito Gobbi, actor Charlton Heston, broadcaster Mike Wallace and cowboy star Roy Rogers; and

WHEREAS, Danny Newman is truly a cultural treasure of the City of Chicago, whose boundless energy and determination have contributed to our city's international reputation as a center of the performing arts; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this first day of November, 2000, do hereby express our most sincere gratitude to Mr. Danny Newman for his many contributions to our city, and we wish him continued success in his newest endeavors; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to Mr. Danny Newman as a token of our gratitude and admiration.

On motion of Alderman Burke, seconded by Aldermen Natarus and Stone, the foregoing proposed resolution was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schuler, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

At this point in the proceedings, The Honorable Richard M. Daley, Mayor, rose and extended gratitude to Mr. Danny Newman for his stellar service to the city's cultural institutions and expressed admiration for his dedicated advocacy of Chicago's performing arts. Declaring Mr. Newman a "true Chicagoan", Mayor Daley invited him to the Mayor's rostrum where he presented Mr. Newman with a parchment copy of the

congratulatory resolution.

Rules Suspended -- CONGRATULATIONS EXTENDED TO
MS. LINDA GREENE, MR. EUGENE BURKE AND
MS. JOAN POMARANC ON RECEIPT OF
STUDS TERKEL HUMANITIES
SERVICE AWARD.

The Honorable Richard M. Daley, Mayor, presented the following communication:

OFFICE OF THE MAYOR
CITY OF CHICAGO

November 1, 2000.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I transmit herewith a resolution congratulating winners of the Studs Terkel Humanities Service Award.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RICHARD M. DALEY,
Mayor.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, On August 30, 2000, Mayor Richard M. Daley nominated Linda Greene, Eugene Burke and Joan Pomaranc, three outstanding Chicagoans, for the Studs Terkel Humanities Service Award, an honor which the Illinois Humanities Council bestows on Illinoisans who distinguish themselves by promoting greater understanding of, appreciation for, and involvement in the humanities at the individual and community level; and

WHEREAS, The Illinois Humanities Council chose all three of the Mayor's nominees to receive this prestigious award; and

WHEREAS, The Illinois Humanities Council recognized Linda Greene, the branch manager of the Hiram Kelly Branch of the Chicago Public Library, for her work in promoting literature, especially African-American literature, in the Englewood neighborhood's eleven area schools and through book discussion groups at the Hiram Kelly Branch Library; and

WHEREAS, The Illinois Humanities Council recognized Eugene Burke, the bookmobile coordinator for the Chicago Public Library, for developing a successful weekday program of bookmobile service to senior citizens, immigrants, and physically and developmentally challenged children and adults, and for promoting library services to other populations who have difficulty visiting a neighborhood public library; and

WHEREAS, The Illinois Humanities Council recognized Joan Pomaranc, the program director at the American Institute of Architects, for her commitment to saving Chicago's landmarks and conducting the architectural and historic research, photographic cataloging and architectural surveys necessary to record and preserve the city's architectural history; and

WHEREAS, Each in his or her own unique way, Linda Greene, Eugene Burke and Joan Pomaranc championed the arts and letters in their respective communities and worked tireless to improve the quality of civic life for all Chicagoans; and

WHEREAS, Like Studs Terkel, who was constantly astonished by the extraordinary dreams of ordinary people, the citizens of Chicago stand in awe of Linda Greene's, Eugene Burke's and Joan Pomaranc's boundless energy, exceptional creativity, and endless capacity for hard work in developing programs that preserve our cultural heritage, maintain our connection to what is past, and remind us of the vital role that the humanities play in broadening our intellectual horizons and enriching our lives on a daily basis; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this first day of November, 2000, do hereby applaud Linda Greene, Eugene Burke and Joan Pomaranc for their selfless and sustained efforts

to encourage public knowledge, understanding and appreciation of the arts and humanities; and

Be It Further Resolved, That suitable copies of this resolution be presented to Linda Greene, Eugene Burke and Joan Pomaranc as a token of our esteem.

On motion of Alderman Burke, seconded by Alderman Stone, the foregoing proposed resolution was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

At this point in the proceedings, The Honorable Richard M. Daley, Mayor, rose and extended congratulations to Ms. Linda Greene, Mr. Eugene Burke and Ms. Joan Pomaranc on their receipt of the Studs Terkel Humanities Service Award. Recalling Ms. Greene's diligence in the promotion of literature in the Englewood neighborhood, Mr. Burke's success with the bookmobile program and Ms. Pomaranc's commitment to saving Chicago landmarks, Mayor Daley observed that individual citizens do, in fact, make a difference. Mayor Daley then invited Ms. Linda Greene, Mr. Eugene Burke and Ms. Joan Pomaranc to the Mayor's rostrum where he presented each with a parchment copy of the congratulatory resolution.

Rules Suspended -- GRATITUDE EXTENDED TO CHICAGO POLICE
OFFICERS MARVIN RANDOLPH, KATINA CRUMP,
QUENTIN HANKS AND ROBERT WILLIAMS
FOR HEROIC ACTION.

The Honorable Richard M. Daley, Mayor, presented the following communication:

OFFICE OF THE MAYOR
CITY OF CHICAGO

November 1, 2000.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I transmit herewith a congratulatory resolution for Chicago Police Officers.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RICHARD M. DALEY,
Mayor.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, In the predawn hours of October 9, 2000, Chicago Police Officers Marvin Randolph, Star Number 9663, and Katina Crump, Star Number 10550, while on patrol, smelled acrid smoke and observed enormous flames coming from an apartment building in the 5700 block of South Wabash Avenue; and

WHEREAS, Officers Randolph and Crump immediately called for assistance and in a matter of seconds were joined by Officers Quentin Hanks, Star Number 18446, and Robert Williams, Star Number 10050; and

WHEREAS, Without regard to their personal safety, these brave and devoted officers raced into the burning building and ran from apartment to apartment, pounding on doors to alert the sleeping residents. The officers escorted all the tenants, including seven children and one blind adult, safely out of the building; and

WHEREAS, Thanks to the quick thinking and selfless response of these officers, no lives were lost in the fire and no one suffered any serious injury; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this first day of November, 2000, do hereby express our admiration and gratitude to Chicago Police Officers Marvin Randolph, Star Number 9663, Katina Crump, Star Number 10550, Quentin Hanks, Star Number 18446, and Robert Williams, Star Number 10050, for their heroic action in service to Chicago's residents; and

Be It Further Resolved, That suitable copies of this resolution be presented to Officers Randolph, Crump, Hanks and Williams as a token of our esteem and good wishes; and

Be It Further Resolved, That suitable copies of this resolution be forwarded to the Chicago Police Department for placement in the personnel records of the named officers.

On motion of Alderman Burke, the foregoing proposed resolution was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

At this point in the proceedings, The Honorable Richard M. Daley, Mayor, rose and on behalf of the people of Chicago, expressed gratitude and appreciation to Police Officer Marvin Randolph, Police Officer Katina Crump, Police Officer Quentin Hanks and Police Officer Robert Williams for their life-saving rescue. Too often the pace of modern urban life obscures the heroic deeds of our uniformed services, Mayor Daley observed, deeds which are, in fact, indicative of the dedicated professionalism that is the hallmark of our police and fire departments. Mayor Daley then extended his personal thanks to Police Officer Marvin Randolph, Police Officer Katina Crump, Police Officer Quentin Hanks and Police Officer Robert Williams and invited the

officers to the Mayor's rostrum where he presented each with a parchment copy of the congratulatory resolution.

Rules Suspended -- MEMBERS OF CHICAGO FIRE DEPARTMENT
HONORED FOR HEROISM.

The Honorable Richard M. Daley, Mayor, presented the following communication:

OFFICE OF THE MAYOR
CITY OF CHICAGO

November 1, 2000.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I transmit herewith a congratulatory resolution for Chicago Fire Fighters.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RICHARD M. DALEY,
Mayor.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, On the afternoon of September 25, 2000, at 5:11 P.M., Chicago Fire Department Engines 125 and 68, Truck 53 and Battalion 8 were dispatched to 2155 North Naragansett Avenue, the scene of a reported structure fire; and

WHEREAS, Responding quickly to the fire, first-arriving companies encountered a one and one-half story frame single-family residence with heavy smoke and flames emanating from a second floor window and, it was soon discovered, a heavy volume of fire on the second floor; and

WHEREAS, When they arrived on the scene, Battalion Chief Mark Nielsen of the 8th Battalion, and members of Engine 125 and Truck 53, were informed by people in front of the residence that a baby was missing and possibly still inside in an upstairs bedroom; and

WHEREAS, As Chief Nielsen directed operations, Lieutenant/EMT Bernard O'Donnell of Engine 125 ordered a "quick water" attack, which deploys the engine's deck-mounted turret gun for a burst of water into the fire in order to gain early headway as fire fighters prepare to enter a building; and

WHEREAS, Fire Fighter/EMT James Kahler and Fire Fighter/Paramedic Paul Phalin then stretched a hose line into the first floor and then to the second floor and, simultaneously, Fire Fighter/EMT Julio Munoz secured Engine 125's supply line to a nearby fire hydrant while Engineer Dan Ruano spotted the engine, regulated hose pressures and worked the turret gun on the fire; and

WHEREAS, Truck 53 Lieutenant/EMT Edward Doherty and Fire Fighters Aaron Finley and Fredrick Schaft comprised the primary search and rescue team, and preceded Engine 125 into the building and up the narrow stairs of the second floor into the smoke-filled hallway; and

WHEREAS, Initially blocked by flame, the team received assistance from Truck 53 Fire Fighters Ernesto Rivera and Mark Pallister, who vented the roof and upstairs windows, and from Engine 125's pipeman Fire Fighter/Paramedic Paul Phalin, who directed bursts of water into flames above their heads, causing the heat and smoke to abate slightly, thus enabling Fire Fighter Schaft and lieutenant Doherty to enter two bedrooms; and

WHEREAS, While searching a room that was filled with pitch-black smoke, Fire Fighter Schaft tipped over a playpen, causing a one-year old baby to roll directly into his arms; and

WHEREAS, Within moments, Lieutenant Doherty lead Fire Fighter Schaft, with the baby in his arms, from the room into the stairwell, where they slid down the stairs on their backs in order to exit the building as quickly as possible; and

WHEREAS, Once outside, Fire Fighter/EMT Munoz administered first aid and oxygen to the baby girl, who was then transported by ambulance to Our Lady of Resurrection Hospital, and later transferred to Loyola University Medical Center

Burn Unit, where she continued to be treated for smoke inhalation and burns until she was discharged from the hospital on October 17, 2000; and

WHEREAS, The heroic actions of the officers and members of Engine 125 and Truck 53 saved the life of a baby girl who otherwise would have perished in the fire; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this first day of November, 2000, do hereby honor Lieutenant/EMT Bernard O'Donnell, Engineer Dan Ruano, Fire Fighter/EMT Julio Munoz, Fire Fighter/EMT James Kahler and Fire Fighter/Paramedic Paul Phalin of Engine 125; and Lieutenant/EMT Edward Doherty and Fire Fighters Fredrick Schaft, Aaron Finley, Ernesto Rivera and Mark Pallister of Truck 53; for their heroism and bravery in fighting the fire at 2155 North Narragansett Avenue, and in saving the life of a baby girl who was trapped in that fire; and

Be It Further Resolved, That suitable copies of this resolution be presented to the honored officers and members of the Chicago Fire Department, and placed in their personnel records, as a token of our esteem and gratitude.

On motion of Alderman Burke, seconded by Alderman Doherty, the foregoing proposed resolution was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

At this point in the proceedings, The Honorable Richard M. Daley, Mayor, rose and on behalf of the people of Chicago, expressed gratitude and appreciation to Lieutenant/EMT Edward Doherty, Lieutenant/EMT Bernard O'Donnell, Engineer Dan Ruano, Fire Fighter/EMT James Kahler, Fire Fighter/EMT Julio Munoz, Fire Fighter/Paramedic Paul Phalin, Fire Fighter Aaron Finley, Fire Fighter Mark Pallister, Fire Fighter Ernesto Rivera, and Fire Fighter Fredrick Schaft for their heroic, life-saving rescue. Lauding the honorees for their personal courage and teamwork, Mayor Daley declared them representative of the selfless dedication to duty that guides the members of our uniformed services. Mayor Daley then extended his personal thanks

to Lieutenant/EMT Edward Doherty, Lieutenant/EMT Bernard O'Donnell, Engineer Dan Ruano, Fire Fighter/EMT James Kahler, Fire Fighter/EMT Julio Munoz, Fire Fighter/Paramedic Paul Phalin, Fire Fighter Aaron Finley, Fire Fighter Mark Pallister, Fire Fighter Ernesto Rivera, and Fire Fighter Fredrick Schaft and invited them to the Mayor's rostrum where he presented each with a parchment copy of the congratulatory resolution.

Rules Suspended -- CONDOLENCES EXTENDED TO FAMILIES OF
SAILORS KILLED IN ATTACK UPON UNITED STATES
NAVY DESTROYER U.S.S. COLE.

Alderman Burke moved to *Suspend the Rules Temporarily* for the purpose of going out of the regular order of business for the immediate consideration of and action upon a proposed resolution presented by The Honorable Richard M. Daley, Mayor, and Aldermen Burke and Balcer. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, Seventeen American sailors were tragically killed in a suicide bombing attack upon the United States Navy Destroyer U.S.S. Cole in the Yemeni port of Aden on October 12, 2000; and

WHEREAS, The warship was bombed while refueling when a small boat approached the ship and exploded, ripping a forty-foot hole in its steel hull; and

WHEREAS, The terrorist attack stunned the world and caught in its angry and terrifying grasp the innocent lives of outstanding young military personnel who were on orders to make the refueling stop to help improve relations with the country; and

WHEREAS, The victims of the tragic terrorist attack were: Electronics Technician 1st Class Richard Costelow, Morrisville, Pennsylvania; Signalman Seaman Recruit Cherone Louis Gunn, Rex, Georgia; Seaman James Rodrick McDaniels, Norfolk, Virginia; Seaman Recruit Lakiba Nicole Palmer, San Diego; Operations Specialist 2nd Class Timothy Lamont Saunders, Ringgold, Virginia; Ensign Andrew Triplett, Macon, Mississippi; Seaman Apprentice Craig Bryan Wibberley, Williamsport, Maryland; Hull Maintenance Technician 3rd Class Kenneth Eugene Clodfelter, Mechanicsville, Virginia; Mess Management Specialist Seaman Lakeina Monique Francis, Woodleaf, North Carolina; Information Systems Technician Seaman

Timothy Lee Gauna, Rice, Texas; Engineman 2nd Class Marc Ian Nieto, Fon du Lac, Wisconsin; Electronics Warfare Technician 3rd Class Ronald Scott Owens, Vero Beach, Florida; Engineman Fireman Joshua Langdon Parlett, Churchville, Maryland; Fireman Apprentice Patrick Howard Roy, Keddysville, Maryland; Electronics Warfare Technician 2nd Class Kevin Shawn Rux, Portland, North Dakota; Mess Management Specialist 3rd Class Ronchester Managa Santiago, Kingsville, Texas; and Fireman Gary Graham Swenchonis, Jr., Rockport, Texas; and

WHEREAS, The people of the City of Chicago wish to express our profound sadness and outstretch a gentle hand of compassion to the families of the sailors killed in the attack; now, therefore,

Be It Resolved, That we, the Mayor and members of the Chicago City Council, do hereby extend our deep respect and heart-felt condolences to the families of the seventeen sailors lost aboard the U.S.S. Cole and join with them in mourning the loss of these brave sons and daughters of our country; and

Be It Further Resolved, That suitable copies of this resolution be presented to William Cohen, the United States Secretary of Defense.

On motion of Alderman Burke, seconded by Alderman Balcer, the foregoing proposed resolution was *Adopted* by a rising vote.

REPORTS OF COMMITTEES.

COMMITTEE ON FINANCE.

ILLINOIS GENERAL ASSEMBLY AND UNITED STATES
CONGRESS URGED TO DEVELOP PENSION PLAN
FOR PROFESSIONAL BOXERS.

The Committee on Finance submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration a resolution calling upon the State of Illinois General Assembly and the United States Congress to develop a plan to provide a pension for professional boxers, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed resolution transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

of Illinois General Assembly and the United States Congress to develop a plan to provide a pension for the professional boxer; and

Be It Further Resolved, That a suitable copy of this resolution be presented to former United States Lightweight Champion Johnny Lira as representative of the many retired boxers who reside in the City of Chicago.

AUTHORIZATION FOR ESTABLISHMENT OF CITY OF CHICAGO
SINGLE-FAMILY MORTGAGE CREDIT CERTIFICATE
PROGRAM, SERIES 2000.

The Committee on Finance submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an ordinance authorizing the establishment of the City of Chicago Single-Family Mortgage Credit Certificate Program, Series 2000, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

On motion of Alderman Burke, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, All persons who earn a living should be able to look forward to retiring with dignity and possess a modicum of security in their final years; and

WHEREAS, The Retired Boxer's Foundation has stated that, because there is no pension plan, many professional boxers shift from their glorious careers in the ring to a humiliating retirement on the streets. Many suffer from pugilistic dementia (the medical term for being 'punch drunk'), alcoholism, drug addiction, financial problems and homelessness; and

WHEREAS, Out of all other professional spectator sports, it is only boxing that does not provide a pension plan for its athletes; and

WHEREAS, The National Association of State Attorneys General has recommended steps that need to be taken in order to provide professional boxers with pensions; and

WHEREAS, The City of Los Angeles and the State of California have an "up and running" pension plan for their retired boxers; and

WHEREAS, Chicago, once called the Boxing Capitol of the World, and the State of Illinois should be taking the lead in the call for a unified pension plan for boxers, yet no serious plans for its creation have been discussed by either the state's boxing commission or its legislature; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this first day of November, 2000, do hereby call on the State

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, There exists within the borders of the City of Chicago (the "City") a recognized need for decent, safe, sanitary and well structured and maintained housing which persons of moderate income can afford; and

WHEREAS, The United States government has authorized the several states and their political subdivisions to issue mortgage credit certificates (the "Certificates") pursuant to Section 25 of the Internal Revenue Code of 1986, as amended (the "Code"), which entitle qualifying individuals to a credit against their individual federal income tax, in lieu of qualified mortgage bonds as defined in Section 143(a) of the Code ("Qualified Mortgage Bonds"); and

WHEREAS, The City is a home rule unit under the provisions of Section 6 of Article VII of the 1970 Constitution of the State of Illinois, and constitutes a constitutional home rule city within the meaning of Section 146(d)(3)(C) of the Code; and in furtherance of its home rule powers, the City hereby finds and determines that it is necessary and desirable and will provide for and promote the public health, safety and welfare of the citizens of the City to establish and implement a qualified mortgage credit certificate program and to issue Certificates; and

WHEREAS, To provide for the issuance of the Certificates it is necessary for the City to authorize the issuance of a form of mortgage credit certificate election of the City as more particularly described in Section 6 hereof (the "Election") and to approve and ratify the publication of a public notice relative to the issuance of the Certificates; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Recitals. The above recitals are incorporated herein and made a part hereof by reference.

SECTION 2. Declaration Of Public Purpose. It is hereby determined that the purpose of this ordinance is to take steps designed to reduce the cost of financing for the acquisition, rehabilitation or improvement of principal residence housing located in the City, and to provide decent, safe and sanitary housing for qualifying persons of moderate income. It is further hereby determined that such principal residence ownership, rehabilitation and improvement will provide for and promote the public health, safety, morals and welfare; maintain and foster the increase of industrial and commercial activity and economic development; and preserve and increase the ad valorem tax base of the City and its environs. The foregoing are hereby declared and determined to be public purposes and functions pertaining to the government and affairs of the City.

SECTION 3. Establishment Of Qualified Mortgage Certificate Program.

(a) There is hereby established and implemented a qualified mortgage credit certificate program under Section 25 of the Code to be known as the City of Chicago Single-Family Mortgage Credit Certificate Program, Series 2000 (the "Program") for the purpose of issuing Certificates. The Certificates shall be issued to taxpayers qualified to receive Certificates ("Borrowers") pursuant to Section 25 of the Code and the Treasury Regulations promulgated thereunder (the "Program Regulations") in connection with the acquisition, rehabilitation or improvement of each Borrower's principal residence housing within the incorporated area of the City (the "Program Area").

(b) The Certificates shall carry (1) a certificate credit rate (as defined in the Program Regulations) which certificate credit rate shall be not less than ten percent (10%) nor more than fifty percent (50%) and (2) a certified indebtedness amount (as defined in Section 25(b) of the Code and in the Program Regulations) specified in each Certificate. The Commissioner of Housing (the "Commissioner") shall establish the actual certificate credit rate from time to time, provided that the certificate credit rate shall not be less than ten percent (10%) nor greater than fifty percent (50%).

(c) The City hereby elects not to issue Qualified Mortgage Bonds in a principal amount not to exceed Ten Million Dollars (\$10,000,000) that are otherwise authorized to be issued by the City during calendar year 2000 pursuant to Sections 103, 143(a) and 146 of the Code and the Treasury Regulations promulgated thereunder (the "Unissued Bonds"). The amount of Unissued Bonds shall be specified in the Election.

(d) There is hereby allocated to the Unissued Bonds an amount of the City's unused "volume cap" (as defined in Section 146 of the Code) for the calendar year 1999 or 2000 (to be determined by the Chief Financial Officer at the time the Election is filed) not exceeding Ten Million Dollars (\$10,000,000) and as shall be

specified in the Election (the "Unused Cap").

(e) The Commissioner is directed to file timely, or to cause the timely filing of, all reports as are or may be required by Section 25 of the Code and the Program Regulations in connection with the Program.

(f) The Certificates authorized herein shall be provided in the manner, amounts and time frames as are required by the Program Regulations in connection with owner-financed residences within the Program Area.

SECTION 4. Aggregate Limit Of Certificates. The total proceeds of the Certificates (as defined in the Program Regulations) shall not exceed twenty-five percent (25%) of the principal amount of Unissued Bonds specified in the Election. Total proceeds shall be determined as provided in the Program Regulations.

SECTION 5. Certificates. For the purpose of lowering borrowing costs for Borrowers, there is hereby authorized to be issued, executed and delivered pursuant to this ordinance, Certificates, the total proceeds of which shall be limited as provided in Section 4 hereof. The Certificates shall be designated "City of Chicago, Single-Family Mortgage Credit Certificates, Series 2000". The Certificates shall be executed by the manual or facsimile signature of the Mayor and the City Clerk of the City, and the seal of the City or a facsimile thereof shall be affixed thereto or printed thereon. The Certificates shall be countersigned by the manual signature of the Commissioner or his designee in writing.

The form of the Certificates shall be that prescribed by the Internal Revenue Service. If no form is prescribed or if such form is not readily available, the Certificates shall be issued in the form prepared by the City. The Certificates shall contain the information required by the Program Regulations and such other information as the Commissioner may deem necessary.

SECTION 6. Mortgage Credit Certificate Election. The Election in substantially the form attached hereto as Exhibit A is hereby approved in all respects. The principal amount of Unissued Bonds shall be Ten Million Dollars (\$10,000,000) or such lesser amount as is set forth in the Election as executed by the Mayor, his execution thereof to constitute conclusive evidence of this Council's approval of such lesser amount. The Mayor is hereby authorized to execute, deliver and file the Election on behalf of the City in substantially the form set forth in Exhibit A, with such changes therein as shall be approved by the Mayor, his execution thereof to constitute conclusive evidence of the approval of such changes.

SECTION 7. Public Notice. The publication by the Commissioner of a public notice in a newspaper of general circulation in the City in conformity with the

provisions of the Code and the Program Regulations is hereby ratified and approved.

SECTION 8. Program Restrictions. Except as permitted by the Program Regulations:

(i) no Certificates shall be issued with regard to any residence financed in whole or in part through the proceeds of Qualified Mortgage Bonds or Qualified Veterans Mortgage Bonds (as defined in Section 143(b) of the Code), (ii) the Program shall not be limited to indebtedness incurred from particular lenders, (iii) Certificates shall not be transferable and (iv) no block of Certificates may be allocated for use in connection with a particular development unless the developer shall certify that the price of each residence is no higher than it would be without the use of the Certificate.

SECTION 9. Administration Of Program. The City, acting through the Commissioner, shall administer the Program. Subject to the approval of the Corporation Counsel, the Commissioner is authorized to execute lender participation agreements ("Lender Participation Agreements") in substantially the form attached hereto as Exhibit B, and other agreements, certificates and documents as may be required for the Program and the Certificates to comply with Section 25 of the Code and the Program Regulations. The Commissioner may permit each lender identified in the respective Lender Participation Agreement to charge and collect from an applicant a Program fee (the "Program Fee") of not less than Two Hundred Dollars (\$200) and not more than Three Hundred Dollars (\$300) in connection with each Certificate. Of the Program Fee, up to One Hundred Dollars (\$100) may be retained by the Lender (or, at the option of such lender, such amount may be waived) and Two Hundred Dollars (\$200) shall be remitted to the City by the lender upon the issuance of the Certificate. The Program Fee shall be in addition to reasonable and customary fees which may be charged by a Lender in connection with a mortgage loan. All Program Fees received by the City are hereby appropriated to pay the costs of implementing and administering the Program including, but not limited to, the costs of training participating lenders, purchasing equipment, printing materials, marketing and other customer service activities.

SECTION 10. City Employee Participation. Current and former employees of the City (other than those persons described in the next succeeding sentence) who meet the eligibility requirements of a Borrower under the Program shall not be subject to the restrictions of Section 2-156-110 of the Municipal Code of Chicago (the "Municipal Code"), but only as that section pertains to the participation of said employees as Borrowers under the Program. The following current employees of the City, and the following former employees of the City, for a one (1) year period after termination of their employment by the City, shall be subject to the restrictions of Section 2-156-110 of the Municipal Code, as that section pertains to the

participation of said employees as Borrowers under the Program: any employee who, during his/her tenure of employment by the City (i) exercises or has exercised any contract management authority with respect to the Program, (ii) is or was in a position to participate in a decision-making process with respect to the Program, or (iii) gains or has gained confidential information with regard to the Program. Any current or former employee of the City described in the immediately preceding sentence, who, through fraud or misrepresentation, obtains a Certificate under the Program, shall be subject to legal sanction by the City to recover any loss suffered by the City as occasioned by such fraud or misrepresentation, or any benefit received by such current or former employee as a result of such fraud or misrepresentation. Any such employee of the City shall also, in such circumstances, be subject to termination of his/her employment by the City.

SECTION 11. Approval Of Further Actions. From and after the execution and delivery of the documents hereby approved, the proper officials, agents and employees of the City are hereby authorized and empowered to do all such acts and things and to execute and file all such documents as may be necessary to carry out and comply with the provisions of said documents as executed, and to further the purposes and intent of this ordinance, including the preambles hereto. All acts and doings of the officials which are in conformity with the purposes and intent of this ordinance and in furtherance of the issuance of the Certificates and the establishment of the Program are hereby in all respects approved and confirmed. The City reserves the right to make a further election in 2000 not to issue Qualified Mortgage Bonds in order to issue additional Certificates.

SECTION 12. Ordinances And Resolutions. To the extent that any ordinance, resolution, rule, order or provisions of the Municipal Code, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to impair the validity of this ordinance or the instruments, documents or agreements authorized hereby; provided further that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for any violation of any provision of the Municipal Code. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the provisions of this ordinance.

SECTION 13. Effective Date. This ordinance shall be effective upon its passage.

this Journal.]

Exhibits "A" referred to in this ordinance reads as follows:

Exhibit A.
(To Ordinance)

Mortgage Credit Certificate Election.

City Of Chicago.

I, the undersigned, Mayor of the City of Chicago (the "City"), hereby certify that this Mortgage Credit Certificate Election is executed and delivered for and on behalf of the City in connection with its Single-Family Mortgage Credit Certificate Program, Series 2000 (the "Program") as described in the ordinance establishing the Program and election to issue its Single-Family Mortgage Credit Certificates, Series 2000 (the "Certificates"). This Mortgage Credit Certificate Election is made, executed and filed pursuant to Section 1.25-4T(c) of the Income Tax Regulations (the "Regulations") promulgated under Section 25 of the Internal Revenue Code of 1986, as amended (the "Code").

I hereby further certify that:

1. The issuer of the Certificates is:

City of Chicago
City Hall, Room 501
121 North LaSalle Street
Chicago, Illinois 60602
T.I.N: 36-6005820
2. The City's total available allocation to issue qualified mortgage bonds and mortgage credit certificates in this calendar year is \$_____ consisting of a designated portion of [1999] [2000] unused private activity bond volume cap (the "Unused Cap").
3. As a constitutional home rule city in Illinois with a population of [_____] persons, derived from the United States Census Bureau Release in [_____] (the "Census"), the City is subject to a volume cap of \$_____ for calendar year [1999] [2000] pursuant to Section 146 of the Code.

4. On May 4, 2000, the City has issued its Collateralized Single-Family Mortgage Revenue Bonds, Series 2000 in an aggregate principal amount of Seventy-two Million One Hundred Sixty-five Thousand Dollars (\$72,165,000) (the "Series 2000 Mortgage Revenue Bonds"). Except for the Series 2000 Mortgage Revenue Bonds, the City has not issued any qualified mortgage bonds or qualified mortgage credit certificates pursuant to the Unused Cap or surrendered any authority to any other issuers to issue any qualified mortgage bonds or qualified mortgage credit certificates pursuant to the Unused Cap. The City has not made any other election regarding the use of the Unused Cap.
5. Pursuant to the Program and the Unused Cap, the City hereby elects to issue Certificates with Total Proceeds (as defined in Section 1.25-IT(b)(10) of the Regulations) not exceeding \$_____ and elects not to issue Qualified Mortgage Bonds in an amount equal to \$_____.
6. The Program will expire on December 31, 2002.
7. Attached hereto is the certification, required by Section 1.25-4T(d) of the Regulations, that the Program meets the requirements of Section 146 of the Code and the Regulations.

This Mortgage Credit Certificate Election is executed for and on behalf of the City pursuant to an ordinance establishing its Single-Family Mortgage Credit Certificate Program, Series 2000.

Certification Of Mayor Of City.

The undersigned, Mayor of the City of Chicago (the "Issuer"), hereby certifies as follows:

1. The Issuer is, and was on _____, 2000, a home rule unit of government within the meaning of Article VII, Section 6 of the Constitution of the State of Illinois.
2. The population of the Issuer for [1999] [2000] as determined by the Census issued by the United States Bureau of Census in [1996][1999] (being the most recent census estimate released by the United States Bureau of Census before January 1, 1999 and January 1, 2000, respectively), was at least [two million eight hundred thirteen thousand eight hundred nineteen (2,813,819) for 1999 and two million eight hundred two thousand seventy-nine (2,802,079) for 2000].
3. The Issuer has not agreed to any different allocation of its volume cap for the calendar year [1999][2000] (the "Volume Cap") as described in Section 146 of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations promulgated thereunder (the "Regulations"), from that afforded to it as a constitutional home rule city described in Section 146(d)(3) of the Code.
4. The Issuer's Volume Cap for [1999][2000], determined as provided in Section 146 of the Code and the Regulations on the basis of its population as set forth in paragraph 2 above, is \$_____ and \$_____, respectively. Of the \$_____ in volume cap available to the Issuer in [1999][2000], the Issuer has heretofore issued \$_____ aggregate face amount of private activity bonds under Section 146 of the Code and the Issuer ceded no volume cap to other State agencies. The Issuer's [1999][2000] Volume Cap has not been reduced by any other amounts referred to in Section 146(m) of the Code (relating to the non-qualified amount of any bonds) or in Section 146(n) of the Code (relating to mortgage credit certificates). Accordingly, the excess of the Issuer's [1999][2000] Volume Cap over the sum of (a) the aggregate amount of private activity bonds issued by the Issuer and (b) the amount of volume cap surrendered to other issuers during [1999][2000], which amounts were subject to and required an allocation of the Issuer's Volume Cap, is \$_____ with respect to 1999 and \$_____ with respect to 2000 (the "Unused Cap").

5. In reliance on the affidavit of the Issuer's Chief Financial Officer attached hereto as (Sub)Exhibit A, during the calendar year 2000 the Issuer has not issued any qualified mortgage bonds (except as described on (Sub)Exhibit A) or mortgage credit certificates or elected not to issue any qualified mortgage bonds (other than as provided in Section 6 below), which issuance or election would have required an allocation of any portion of the Unused Cap under Section 146 of the Code.
6. On _____, 2000, the Issuer elected not to issue \$_____ of qualified mortgage bonds included in the Unused Cap in order to issue mortgage credit certificates pursuant to the Program (as defined in such election). The aggregate principal amount of the qualified mortgage bonds which the Issuer is electing not to issue on this date does not exceed the Unused Cap. Accordingly, based on the facts and circumstances as of this date, the election not to issue qualified mortgage bonds in the amount of \$_____ meets the requirements of Section 146 of the Code and the Regulations.

In Witness Whereof, The undersigned has set his signature this ____ day of _____, 2000.

City Of Chicago

Single-Family Mortgage Credit Certificate Program,

Series 2000.

Lender Participation Agreement.

This lender participation agreement (this "Agreement") made and entered into on this ____ day of _____, 2000, by and between the City of Chicago (the "City") acting through its Department of Housing ("D.O.H.") and _____ (the "Lender") having its principal place of business at _____.

Witnesseth:

Whereas, The Internal Revenue Code of 1986, as amended (the "Code"), provides for the creation of a mortgage credit certificate program to assist qualified individuals to acquire, rehabilitate and/or improve new and existing single-family using (comprised of one (1) to four (4) living units) by providing qualified homebuyers with a Mortgage Credit Certificate ("M.C.C."); and

Whereas, By an ordinance adopted _____, 2000 (the "Ordinance"), the City has established its Single-Family Mortgage Credit Certificate Program, Series 2000 (the "M.C.C. Program"); and

Whereas, The Lender wishes to participate in the M.C.C. Program;

Now, Therefore, In consideration of the foregoing, the parties hereto agree as follows:

1. The Lender acknowledges that it has received from D.O.H. a copy of the M.C.C. Program Administration Procedures attached hereto (the "Program Description") and has reviewed the Program Description.

2. The Lender has been presented with and has reviewed the requirements under the Code for a potential homebuyer to qualify for the M.C.C. Program. The Lender certifies that its policies and procedures for underwriting a mortgage loan for owner-occupied single-family residences (containing one (1) to four (4) living units) are not in conflict with the requirements of the M.C.C. Program, the Code or the Treasury Regulations promulgated thereunder (the "Regulations").
3. The Lender is duly organized and validly existing and in good standing under the laws of the state of its organization, is in good standing and authorized to do business in the State of Illinois and has the power and authority to execute, deliver and perform its duties under this Agreement. The Lender agrees that, so long as this Agreement is in effect, it will continuously maintain its existence and remain in good standing and qualified to do business under the laws of the state of its organization and qualified to do business in the State of Illinois.
4. The Lender has obtained all approvals necessary to execute, deliver and perform its duties under this Agreement. The execution and delivery hereof and performance by the Lender hereunder do not and shall not result in a breach of any terms, conditions or provisions of any legal restriction, agreement or instrument to which the Lender is a party.
5. The Lender will not take any action or permit to be taken any action which is within its control which would impair the M.C.C. Program or any M.C.C.
6. The Lender shall make available to potential homebuyers information about the M.C.C. Program in conjunction with information concerning the Lender's mortgage loan programs.
7. The Lender agrees to receive and process applications from potential homebuyers for M.C.C.s under the M.C.C. Program (the "Applicants"). The Lender will process each application and determine the Applicant's eligibility for the M.C.C. Program. The Lender will not refuse to review any completed application and will not reject an application for reasons other than those permitted herein. All applications shall be reviewed and either approved or rejected by the Lender on a "first come, first served" basis unless otherwise directed by D.O.H. pursuant to Section 17 of this Agreement.
8. The Lender agrees to obtain from each Applicant an Applicant Affidavit (the "Applicant Affidavit") evidencing compliance with the Code and the Regulations. The Lender agrees to conduct such investigation(s) as necessary to certify that each Applicant has satisfied all requirements of

the M.C.C. Program, the Code and the Regulations. Any misrepresentation contained in an Applicant Affidavit shall be grounds for the rejection of an M.C.C.

9. The Lender acknowledges that certain information is required to be provided to the Internal Revenue Service (the "IRS") pursuant to Section 1.25-4T and Section 1.25-8T of the Regulations. Information necessary to comply with these reporting requirements is determined, in part, from each Applicant and records maintained by the Lender. The Lender agrees to file with the IRS on or before January 31 of each year (or such other date as may be set forth in the Regulations) a report in compliance with Section 1.25-8T of the Regulations. In addition, the Lender hereby agrees to collect and deliver to D.O.H., not later than the fifteenth (15th) day of each April, July, October and January while this Agreement is in effect, all information within the control of the Lender which is required to comply with the reporting requirements of the Regulations. The Lender hereby agrees, further, to comply with all data and record retention and all reporting requirements applicable to the M.C.C. Program which are required by the Code, the Regulations and the Program Description. The Lender shall keep all such records during the period each M.C.C. is in effect and for a period of two (2) years thereafter.
10. The Lender hereby agrees to provide the City with each original Application Affidavit and a copy of each mortgage loan application in connection with the M.C.C. Program.
11. The Lender agrees that the City and the City representatives have the right to examine and inspect, during normal business hours, all books and records in Lender's possession relating to any M.C.C. and the M.C.C. Program.
12. The Lender may charge an Applicant a reasonable and customary fee as would be charged to a potential borrower applying for mortgages other than in connection with an M.C.C.. The Lender shall also charge an Applicant a fee (the "Program Fee") of not less than Two Hundred Dollars (\$200) and not more than Three Hundred Dollars (\$300) for processing each application of an M.C.C.. Of the Program Fee, not more than One Hundred Dollars (\$100) is due at the time of application and shall be retained by the Lender. All or part of the Lender's portion of the Program Fee may be waived by the Lender. The Two Hundred Dollar (\$200) balance shall be remitted to D.O.H. prior to the issuance of an M.C.C. in the form of a lender's check, title company check, money order or cashier's check payable to the "City of Chicago Department of Housing". The Lender represents that, taking into account all the facts and circumstances, the

portion of the Program Fee payable to the Lender is reasonably necessary to cover the administrative costs, including profit, of the Lender in connection with its acting as a party hereunder.

13. The Lender hereby agrees that it will immediately forward to D.O.H. all information which the Lender receives during the term of each M.C.C. which information indicates that a misrepresentation was made in applying for an M.C.C. or which may affect the continued eligibility of an Applicant for an M.C.C.. Any misrepresentation in the Application or in the Applicant Affidavit shall result in revocation of an M.C.C.
14. In the case of each Applicant, the Lender will comply with all applicable federal, state and local laws, ordinances and regulations with respect to equal opportunity and nondiscrimination and, in so doing, will not arbitrarily vary the terms of an M.C.C. or the application procedures therefor or refuse to review or approve an M.C.C. because of race, color, religion, national origin, disability, ancestry, age (provided the applicant has legal capacity to enter into a contract), sex, sexual orientation, marital status, parental status, military discharge status or source of income or the fact that all or part of the Applicant's income derives from any public assistance program or the fact that the Applicant has in good faith exercised any right under the Federal Consumer Protection Act.
15. The Lender covenants to comply in all respects with provisions of Section 25 of the Code, the Regulations, the Ordinance and the Program Description.
16. The Lender agrees that in connection with the issuance of M.C.C.s, the Lender shall use all documents provided by D.O.H. as necessary to evidence compliance with the Code, the Regulations, the Ordinance and the Program Description. The Lender agrees it will execute and deliver to D.O.H. a certificate in a form satisfactory to the City evidencing the Lender's compliance with the Code, the Regulations, the Ordinance and the Program Description.
17. The Lender acknowledges that D.O.H. may, in its discretion, amend certain provisions of the Program Description, including, but not limited to, (a) modifying the Certificate Credit Rate (as defined in the Code) and (b) further restricting the types and/or locations of residences for which M.C.C.s are issued, in accordance with the goals of the Program. The Lender will abide by such changes upon receipt of notice from D.O.H.

18. The Lender agrees that it shall be an "event of default" hereunder if any of the following occurs: (a) failure by the Lender to observe or perform in any material respect any covenant, condition or agreement contained herein; (b) the filing or acquiescence by the Lender in the filing of any bankruptcy proceedings in a court of competent jurisdiction; (c) failure by the Lender to pay the City, when due, the portion of the Program Fee to be paid by the Lender; or (d) a determination that any representation or warranty by the Lender in this Agreement shall have been false in any material respect when made.
19. Upon an event of default, the City may immediately terminate any rights, duties and obligations of the Lender hereunder and/or take whatever other action at law or in equity which the City deems necessary to enforce performance and observance of any duties, obligations, agreements or covenants of the Lender hereunder.
20. This Agreement shall remain in full force and effect until the earlier of termination by the City or December 31, 2002, unless extended in writing by the parties. In addition to the remedies set forth in the preceding paragraph, the Lender or the City may terminate this Agreement, without cause, upon sixty (60) days written notice to the other party. Notwithstanding any such termination, the Lender shall continue to file any and all reports required to be filed by it with the City or the I.R.S. and to maintain all records required to be maintained by it pursuant to Section 25 of the Code and the Regulations for such time as an M.C.C. remains in effect with respect to any mortgage loan made by the Lender. No amendment to this Agreement shall be effective unless in writing and signed by both parties hereto.
21. This Agreement shall be governed by the internal laws of the State of Illinois without regards to its conflict of law principles.

This Agreement is entered into as of the day and year written above.

AUTHORIZATION FOR RATIFICATION OF LOAN AGREEMENT WITH
KEN-OAK ASSOCIATES I AND KEN-OAK ASSOCIATES II FOR
REHABILITATION OF PROPERTY AT 1236 -- 1238
EAST 46TH STREET AND 4500 -- 4506 SOUTH
DREXEL BOULEVARD.

The Committee on Finance submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an ordinance authorizing the ratification of loan agreements to Ken-Oaks Associates I and Ken-Oaks II, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Alderman Edward M. Burke abstained from voting pursuant to Rule 14 of the City Council's Rules of Order and Procedure.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 48.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

Alderman Burke invoked Rule 14 of the City Council's Rules of Order and Procedure, disclosing that he had represented parties to this ordinance in previous and unrelated matters.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City"), a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, has found that there exists within the City a serious shortage of decent, safe and sanitary rental housing available to persons of low- and moderate-income; and

WHEREAS, The City has determined that the continuance of a shortage of affordable rental housing is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, As of 1987, the Government of the United States, pursuant to authority granted it in Section 17 of the United States Housing Act of 1937, as amended, had created the Rental Rehabilitation Program in Section 301 of the

Housing and Urban Rural Recovery Act of 1983, which program, among other things, provided for federal grants through the United States Department of Housing and Urban Development ("H.U.D.") to local governments to help finance rehabilitation of privately owned residential structures that were devoted primarily to rental use and that contained dwelling units that were declared eligible for rent subsidy programs so as to increase their accessibility to low- and moderate-income persons, and H.U.D. had allocated certain Rental Rehabilitation Program grant funds to the City, and the City's Rental Rehabilitation Program grant funds were administered by the City's Department of Housing ("D.O.H."); and

WHEREAS, As of 1987, the City had programmed certain Year XII Community Development Block Grant funds for its Multi-Unit Rehabilitation Assistance Program (the "MULTI-Program"), wherein low interest rehabilitation loans were made available to owners of rental properties containing five (5) or more dwelling units in low- and moderate-income areas, and the MULTI-Program was administered by D.O.H.; and

WHEREAS, On January 16, 1987, the City Council of the City adopted an ordinance published consecutively at pages 38705 through 38707 of the Journal of the Proceedings of the City Council for such date (the "Prior Ordinance") which, among other things, authorized D.O.H. to make loans funded in part with Rental Rehabilitation Program funds and in part with MULTI-Program funds to: (i) Kenwood-Oakland I Community Organization, an Illinois not-for-profit corporation ("KOCO I"), in the amount of Seven Hundred Thousand Dollars (\$700,000) for the rehabilitation of a property located at 1236 -- 1238 East 46th Street and containing fifteen (15) dwelling units and nine (9) commercial units (the "46th Street Property"), and (ii) Kenwood-Oakland II Community Organization, an Illinois not-for-profit corporation ("KOCO II"), in the amount of Nine Hundred Thousand Dollars (\$900,000) for the rehabilitation of a property located at 4500 -- 4506 South Drexel Boulevard and containing twenty-six (26) dwelling units (the "Drexel Property"); and

WHEREAS, At the time of or immediately following the passage of the prior ordinance, the 46th Street Property was not owned by KOCO I but in fact was owned by Ken-Oak Associates I, an Illinois limited partnership, which later changed its name to Ken-Oak Associates I Limited Partnership, and whose sole general partner originally was Ken-Oak Corporation, an Illinois business corporation that later dissolved and was replaced by Investment Management Corporation, an Illinois not-for-profit corporation, and whose sole limited partner is Chicago Equity Fund 1986, an Illinois general partnership, whose managing partner is Chicago Equity Fund, Inc., an Illinois not-for-profit corporation; and

WHEREAS, At the time of or immediately following the passage of the prior ordinance, the Drexel Property was not owned by KOCO II but in fact was owned by Ken-Oak Associates II, an Illinois limited partnership, which later changed its name

to Ken-Oak Associates II Limited Partnership, and whose sole general partner originally was Ken-Oak Corporation, an Illinois business corporation that later dissolved and was replaced by Investment Management Corporation, an Illinois not-for-profit corporation, and whose sole limited partner is Chicago Equity Fund 1986, an Illinois general partnership, whose managing partner is Chicago Equity Fund, Inc., an Illinois not-for-profit corporation; and

WHEREAS, On February 11, 1987, D.O.H. entered into a loan agreement with Ken-Oak Associates I in the amount of Six Hundred Sixty-two Thousand Four Hundred Ninety-one Dollars (\$662,491) for the purpose of rehabilitating the 46th Street Property, which loan is still extant and which purportedly was made pursuant to the prior ordinance; and

WHEREAS, On February 11, 1987, D.O.H. also entered into a loan agreement with Ken-Oak Associates II in the amount of Seven Hundred Seventy-two Thousand Ninety-six Dollars (\$772,096) for the purpose of rehabilitating the Drexel Property, which loan is still extant and which purportedly was made pursuant to the prior ordinance; and

WHEREAS, The prior ordinance had authorized the making of loans to KOCO I and KOCO II and not to Ken-Oak Associates I or Ken-Oak Associates II; and

WHEREAS, It is therefore necessary to ratify the making of the loans to Ken-Oak Associates I and Ken-Oak Associates II; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. The making of the loans to Ken-Oak Associates I and Ken-Oak Associates II on February 11, 1987 is hereby ratified and affirmed.

SECTION 3. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 4. This ordinance shall be effective as of the date of its passage.

AUTHORIZATION FOR CORPORATION COUNSEL TO ENTER INTO
AND EXECUTE SETTLEMENT AGREEMENT REGARDING CASE
OF SCOTT V. CITY OF CHICAGO, ET AL.

The Committee on Finance submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an order authorizing the Corporation Counsel to enter into and execute a settlement order for the case of *Scott v. City of Chicago, et al.*, 99 L 6846, in the amount of \$225,000, having had the same under advisement, begs leave to report and recommend that Your Honorable Body Pass the proposed order transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed order transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said order as passed:

Ordered, That the Corporation Counsel is hereby authorized and directed to enter into and execute a settlement agreement in the following matter: *Scott v. City of Chicago, et al.*, 99 L 6846, in the amount of \$225,000.

APPROVAL OF CLASS L TAX INCENTIVE CLASSIFICATION FOR
PROPERTY AT 29 EAST MADISON STREET PURSUANT TO
COOK COUNTY REAL PROPERTY ASSESSMENT
CLASSIFICATION ORDINANCE.

The Committee on Finance submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an ordinance approving a Class L tax incentive classification for the property located at 29 East Madison Street pursuant to the Cook County Real Property Assessment Classification Ordinance, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, On May 6, 1997, the Cook County Board of Commissioners adopted an ordinance amending the Real Property Assessment Classification Ordinance, as amended (the "Classification Ordinance"), thereby finding and declaring that the creation of the Class L property tax classification to encourage the preservation and rehabilitation of historically and architecturally significant commercial and industrial buildings will enhance the general character of real estate in the county and contribute to the economic well-being of the county by increasing the level of economic activity, increasing employment opportunities and contributing to the long-term growth of the real property tax base; and

WHEREAS, 29 East Madison L.L.C., an Illinois limited liability company, is the owner of the historic building known as the Heyworth Building which is located at 29 East Madison Street in Chicago, Illinois, as more precisely described on Exhibit 1 attached hereto and hereby made a part hereof (the land and improvements thereon being herein referred to as the "Project Real Estate"); and

WHEREAS, On August 30, 2000, an ordinance was introduced to the City Council of the City (the "City Council") to designate the Heyworth Building as a Chicago landmark pursuant to the criteria established in Section 2-120-580 of the Municipal Code of Chicago, and such designation as a Chicago landmark meets the definition of landmark pursuant to Section 1 of the Classification Ordinance; and

WHEREAS, The Developer proposes to rehabilitate the Heyworth Building for continued use as a commercial office building (the "Project") thereby preserving the historic building, increasing employment opportunities in the area and contributing to the long-term growth of the real property tax base; and

WHEREAS, The Developer has applied to the Office of the Assessor of Cook County, Illinois (the "Assessor") for designation of the Project Real Estate as a Class L classification eligible for certain real estate tax incentives pursuant to the Classification Ordinance; and

WHEREAS, Pursuant to the Classification Ordinance, the Class L classification is available to real estate which is to be used for commercial or industrial purposes and which (1) is a landmark (as defined in Section 1 of the Classification Ordinance); and (2) has undergone substantial rehabilitation (as defined in Section 1 of the Classification Ordinance), which constitutes an investment by the owner of at least fifty percent (50%) of the building's full market value as determined by the Assessor in the assessment year prior to the commencement of the substantial rehabilitation; and the Class L incentive shall apply to the building only, except that if the entire building has been vacant and unused for at least twenty-four (24) continuous months prior to the filing of the eligibility application with the Assessor, the land upon which the building is situated shall be eligible for the incentive; and

WHEREAS, Section 2 of the Classification Ordinance requires that, in connection with the filing of Class L eligibility application with the Assessor, an applicant must obtain from the unit of local government in which the real estate is located, an ordinance or resolution expressly stating that the local government: 1) has determined that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the property; 2) supports and consents to the granting of the incentive; and 3) has reviewed and accepted its Preservation Commission's (as defined in Section 1 of the Classification Ordinance) written recommendation of the project for the Class L incentive, specifying the project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration and Reconstruction of Historic Properties; and

WHEREAS, The City is a certified local government as defined in Section 1 of the Classification Ordinance and has established the City of Chicago Commission on Chicago Landmarks (the "Landmarks Commission"), and such Landmarks Commission is a preservation commission as defined in Section 1 of the Classification Ordinance; and

WHEREAS, On July 12, 2000, the Landmarks Commission issued a written recommendation of the Project to the City Council recommending that the Project be approved by the Assessor for the Class L incentive, a copy of which is attached hereto as Exhibit 2 and hereby made a part hereof; and

WHEREAS, The Heyworth Building shall have been occupied and used for the twenty-four (24) month period prior to the filing of the Class L eligibility application with the Assessor, making the Class L incentive applicable to the building only; and

WHEREAS, The Department of Planning and Development of the City ("D.P.D.") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class L designation, and hereby recommends to City Council that the City expressly determines by ordinance that: 1) the incentive provided by Class L is necessary for the substantial rehabilitation of the Project Real Estate; 2) the City supports and consents to the granting of the incentive; and 3) the City has reviewed and accepted the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration and Reconstruction of Historic Properties; and

WHEREAS, The Developer has agreed to comply with the City's requirements described in Exhibit 3 hereto with respect to the Heyworth Building; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the incentive provided by Class L is necessary for the substantial rehabilitation of the Project Real Estate.

SECTION 3. The City hereby expressly supports and consents to the granting of the Class L incentive.

SECTION 4. Upon review by the City Council, the City hereby accepts the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration and Reconstruction of Historic Properties, a copy of which is attached hereto as Exhibit 2 and made a part hereof.

SECTION 5. The Commissioner of D.P.D. (the "Commissioner"), or a designee of the Commissioner, is hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Developer with the Assessor for Class L designation of the Project Real Estate.

SECTION 6. The Commissioner, or a designee of the Commissioner, is hereby authorized to enter into and execute such instruments, and perform any and all acts as shall be necessary or advisable in connection with the Heyworth Building which do not substantially modify the terms described in Exhibit 3 hereto.

SECTION 7. This ordinance shall be effective from and after its passage.

Commission On Chicago Landmarks

August 2, 2000

*Recommendation To The City Council That
A Class L Real Estate Tax Reduction Be Approved For
The Heyworth Building,
29 East Madison Street.*

To the Mayor and Members of the City Council of the City of Chicago:

Pursuant to the Cook County Real Property Classification Ordinance, as amended (the "County Ordinance"), and the requirements of the County Ordinance governing the Class L real estate tax incentive (the "Class L") for property owners who substantially rehabilitate real property which is located within Cook County, has been specifically designated a landmark by a local government, and is used for industrial or commercial purposes, the Commission on Chicago Landmarks (the "Commission") has reviewed a Class L application for the proposed rehabilitation of the Heyworth Building, 29 East Madison Street, a commercial office building (the "Project").

The Commission has previously recommended to the City Council that the Heyworth Building meets the criteria for individual designation as a Chicago Landmark.

The Commission on Chicago Landmarks Hereby:

1. finds, based on the Project Narrative, restoration work required for the Class L Property Tax Incentive, and Project budget, incorporated herein and attached hereto as (Sub)Exhibits A, B and C, respectively, and subject to the review of architectural plans for the Project, that the proposed rehabilitation of the building meets or exceeds the Secretary of the Interior's Standards for the Rehabilitation of Historic Buildings; and

2. finds, conditioned upon a final determination by the City Council to designate the building as a Chicago landmark, that the Project meets the eligibility criteria for the Class L incentive specified in the County Ordinance; and
3. recommends, conditioned upon a final determination by the City Council to designate the building as a Chicago landmark, that the Project be approved for the Class L incentive.

The above recommendation was passed unanimously.

(Signed) David Mosena
Vice Chairman

Dated: August 2, 2000

Additional Requirements.

1. Ground-Floor Tenants. The Developer will use its best efforts to ensure that new ground-floor tenants are consistent with the City's goals and objectives for the Central Loop to promote unique dining and retail establishments. Prior to completion of the Project, the Developer agrees not to lease to any prospective ground-floor tenants which may fall in any of the following categories of prohibited uses: currency exchanges; auto accessory stores; employment agencies; laundries and launderettes; plumbing showroom and shops; second-hand stores and rummage shops; pawn shops; tattoo parlors; astrology, card-reading, palm-reading or fortune telling in any form; pay day loan stores; and inter-track wagering facilities; and except as modified below, fast food restaurants, which are defined as restaurants where customers order and are served food at a counter in packages prepared to be taken out of the premises or to a counter to be consumed. For fast food restaurants to be allowed, the Developer must submit plans for the review and approval of the Commissioner, whose approval will not be unreasonably withheld, provided that the tenant space build-out and signage reflect high quality materials, finishes, craftsmanship, and furniture, and a design unique to the location.

2. Added Work. The Developer will use its best efforts to include the restoration of the ground-floor storefronts as part of the Developer's future improvements of the Heyworth Building.

3. Madison Street Entrance. In the event that historic tax credits are used as part of the Project, the Developer will include the reconstruction of the original Madison Street lobby entrance as part of the Project, and such reconstruction will be subject to the approval of the Commissioner and will be performed to the satisfaction of the Landmarks Commission pursuant to the requirements of the Classification Ordinance.

APPROVAL OF CLASS L TAX INCENTIVE CLASSIFICATION FOR

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, On May 6, 1997, the Cook County Board of Commissioners adopted an ordinance amending the Real Property Assessment Classification Ordinance, as amended (the "Classification Ordinance"), thereby finding and declaring that the creation of the Class L property tax classification to encourage the preservation and rehabilitation of historically and architecturally significant commercial and industrial buildings will enhance the general character of real estate in the county and contribute to the economic well-being of the county by increasing the level of economic activity, increasing employment opportunities and contributing to the long-term growth of the real property tax base; and

WHEREAS, Wacker GP, Inc., a Delaware corporation (the "Developer"), and Marex Properties Limited, a Canadian corporation, which are affiliated corporations, are the owners of the beneficial interest (respectively, sixty percent (60%) and forty percent (40%)) of a certain Illinois land trust which holds legal title to the historic building known as the 35 East Wacker Building which is located at 35 East Wacker Drive in Chicago, Illinois, as more precisely described on Exhibit 1 attached hereto and hereby made a part hereof (the land and improvements thereon being herein referred to as the "Project Real Estate"); and

WHEREAS, On February 9, 1994, the City Council of the City (the "City Council") passed an ordinance designating the 35 East Wacker Building as a Chicago landmark pursuant to the criteria established in Section 2-120-580 of the Municipal Code of Chicago, and such designation as a Chicago landmark meets the definition of landmark pursuant to Section 1 of the Classification Ordinance; and

WHEREAS, The Developer proposes to rehabilitate the 35 East Wacker Building for continued use as a commercial office building (the "Project") thereby preserving the historic building, increasing employment opportunities in the area and contributing to the long-term growth of the real property tax base; and

WHEREAS, The Developer has applied to the Office of the Assessor of Cook County, Illinois (the "Assessor") for designation of the Project Real Estate as a Class L classification eligible for certain real estate tax incentives pursuant to the Classification Ordinance; and

WHEREAS, Pursuant to the Classification Ordinance, the Class L classification is available to real estate which is to be used for commercial or industrial purposes and which (1) is a landmark (as defined in Section 1 of the Classification Ordinance); and (2) has undergone substantial rehabilitation (as defined in Section 1 of the Classification Ordinance), which constitutes an investment by the owner of at least fifty percent (50%) of the building's full market value as determined by the Assessor in the assessment year prior to the commencement of the substantial rehabilitation; and the Class L incentive shall apply to the building only, except that if the entire building has been vacant and unused for at least twenty-four (24) continuous months prior to the filing of the eligibility application with the Assessor, the land upon which the building is situated shall be eligible for the incentive; and

WHEREAS, Section 2 of the Classification Ordinance requires that, in connection with the filing of Class L eligibility application with the Assessor, an applicant must obtain from the unit of local government in which the real estate is located, an ordinance or resolution expressly stating that the local government: 1) has determined that the incentive provided by Class L is necessary for the substantial rehabilitation of the property; 2) supports and consents to the granting of the incentive; and 3) has reviewed and accepted its Preservation Commission's (as defined in Section 1 of the Classification Ordinance) written recommendation of the project for the Class L incentive, specifying the project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration and Reconstruction of Historic Properties; and

WHEREAS, The City is a certified local government as defined in Section 1 of the Classification Ordinance and has established the City of Chicago Commission on Chicago Landmarks (the "Landmarks Commission"), and such Landmarks Commission is a preservation commission as defined in Section 1 of the Classification Ordinance; and

WHEREAS, On July 12, 2000, the Landmarks Commission issued a written recommendation of the Project to the City Council recommending that the Project be approved by the Assessor for the Class L incentive, a copy of which is attached hereto as Exhibit 2 and hereby made a part hereof; and

WHEREAS, The 35 East Wacker Building shall have been occupied and used for the twenty-four (24) month period prior to the filing of the Class L eligibility application with the Assessor, making the Class L incentive applicable to the building only; and

WHEREAS, The Department of Planning and Development of the City ("D.P.D.") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class L designation, and hereby recommends to City Council that the City expressly determine by ordinance that: 1) the incentive provided by Class L is necessary for the substantial rehabilitation of the Project Real Estate; 2) the City supports and consents to the granting of the incentive; and 3) the City has reviewed and accepted the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration and Reconstruction of Historic Properties; and

WHEREAS, The Developer has agreed to comply with the City's requirements described in Exhibit 3 hereto with respect to the 35 East Wacker Building; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the incentive provided by Class L is necessary for the substantial rehabilitation of the Project Real Estate.

SECTION 3. The City hereby expressly supports and consents to the granting of the Class L incentive.

SECTION 4. Upon review by the City Council, the City hereby accepts the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration and Reconstruction of Historic Properties, a copy of which is attached hereto as Exhibit 2 and made a part hereof.

SECTION 5. The Commissioner of D.P.D. (the "Commissioner"), or a designee of the Commissioner, is hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Developer with the Assessor for Class L designation of the Project Real Estate.

SECTION 6. The Commissioner, or a designee of the Commissioner, is hereby authorized to enter into and execute such instruments, and perform any and all acts as shall be necessary or advisable in connection with the 35 East Wacker Building which do not substantially modify the terms described in Exhibit 3 hereto.

SECTION 7. This ordinance shall be effective from and after its passage.

Commission On Chicago Landmarks

July 12, 2000

*Recommendation To The City Council That
A Class L Real Estate Tax Reduction Be Approved For
The 35 East Wacker Building,
35 East Wacker Drive.*

To the Mayor and Members of the City Council of the City of Chicago:

Pursuant to the Cook County Real Property Classification Ordinance, as amended (the "County Ordinance"), and the requirements of the County Ordinance governing the Class L real estate tax incentive (the "Class L" incentive) for property owners who substantially rehabilitate real property which is located within Cook County, has been specifically designated a landmark by a local government, and is used for industrial or commercial purposes, the Commission on Chicago Landmarks (the "Commission") has reviewed a Class L application for the proposed rehabilitation of the 35 East Wacker Building, 35 East Wacker Drive, a commercial office building (the "Project").

The 35 East Wacker Drive Building was individually designated on February 9, 1994, by the City Council as a Chicago landmark.

The Commission On Chicago Landmarks Hereby:

1. finds, based on the Project Narrative, scope of required restoration work, and budget, incorporated herein and attached hereto as (Sub)Exhibits A, B and C, respectively, and subject to the review of architectural plans for the Project, that the proposed rehabilitation of the building meets or exceeds the Secretary of the Interior's Standards for the Rehabilitation of Historic Buildings; and

2. finds that the Project meets the eligibility criteria for the Class L incentive specified in the County Ordinance; and
3. recommends that the Project be approved for the Class L incentive.

The above recommendation was passed unanimously.

(Signed) David Mosena
Vice Chairman

Dated: July 12, 2000.

Project Narrative.

The 35 East Wacker Drive Building is a forty (40) story office building with over six hundred twenty-eight thousand (628,000) square feet of office and retail space. The project will include a major upgrade and renovation of the building systems, including the elevator, heating/cooling, electrical, plumbing, and life safety systems, as well as the renovation and reconfiguration of the upper-story corridors and service core. Work will also be undertaken on the historic ground-floor lobby. The terra-cotta exterior cladding, including that of the distinctive tower and main dome, will be repaired, and the modern ground-floor storefront windows will be replaced

with new windows based on their original design.

*Restoration Work Required For The
Class L Property Tax Incentive.*

General:

All work shall be done in accordance with the following:

- The City of Chicago's building permit review procedures and the Landmarks Ordinance, and subject to the review and approval of the Commission on Chicago Landmarks.
- The Secretary of the Interior's Standards for Rehabilitation of Historic Buildings (rev. 1990)(the "Standards") and the Guidelines for Alterations to Historic Buildings and New Construction, adopted by the Commission on Chicago Landmarks on March 4, 1992.
- Historic photographs, architectural drawings, and any other available archival documentation of the building, to be investigated and assembled by the property owner.
- The Chicago Downtown Lighting Master Plan (the "Lighting Plan"), prepared in 1997.

For all work to be completed as part of this (sub)exhibit, the Landmarks Division may require for review and approval, as appropriate, material samples, paint colors and finishers, shop drawings, specifications, mock-ups, test patches and control samples.

Required Work:

- Terra-Cotta Cladding. An exterior conditions report shall be completed and submitted for review and approval prior to beginning any exterior masonry work. The report shall identify any areas of masonry deterioration, failures such as at lintels, floors and corners, and the condition of the backup anchoring system, as well as, any prior incompatible repairs. The report shall in particular address the condition of the terra-cotta dome and floors thirty-seven (37) to forty (40), as well as, that on the lower floors of the building. The recommendations shall form the basis for the facade work to be undertaken on the building. The final scope of work as well as, all methods of repair or replacement shall be submitted for review and approval.
- Storefronts. The non-original ground-floor storefronts shall be replaced with new storefronts based on the historic design. Architectural drawings and shop drawings for the new storefronts shall be submitted for review and approval.
- Signs, Awnings And Canopies. All signs, awnings, and canopies shall be subject to review and approval.
- Building Lobby. Original decorative features in the lobby shall be repaired and restored, in accordance with the Standards. Any changes to the lobby shall protect its historic character and be subject to review and approval.

Additional Requirements.

1. The Developer will enter into a covenant with the City, prior to the completion of the Project, for the purposes of protecting the historic ground floor lobby and requiring any future changes thereto, during the life of the building, to be approved by the Landmarks Commission and such approval shall not be unreasonably withheld.
2. The Developer will ensure that the existing exterior lighting system of historic lanterns, corner clock, and architectural accent lighting on the domes and upper portions of the building is well maintained and operated for the duration of the Class L incentive.
3. The Developer will remove the existing non-historic awning at the Wabash Street building entrance at the expiration of the lease of the current tenant (which is estimated to be in 2005) and will repair the portion of the entrance affected by the existing awning as necessary. The City acknowledges that the removal of the existing awning will necessitate replacement signage at the location of the existing awning or elsewhere on the building for future tenants and will work with the Developer to address these signage needs, subject to the Landmarks Commission's standards and guidelines.

4. The Developer agrees not to lease any ground-floor space, prior to the completion of the Project, to tenants which may fall in any of the following categories of prohibited uses: fast food restaurants (defined as restaurants where most customers order and are served their food at a counter in packages prepared to leave the premises, or able to be taken to a counter to be consumed); currency exchanges; auto accessory stores; employment agencies; laundries and launderettes; plumbing showroom and shops; second-hand stores and rummage shops; pawn shops; tattoo parlors; astrology, card-reading, palm-reading or fortune telling in any form; pay day loan stores; and inter-track wagering facilities.

5. In the event that historic tax credits are used as part of the Project, the City may, at its discretion, require the Developer to include additional restoration work for a scope of work equal to at least forty percent (40%) of the value of the tax credits as part of the Project and such additional restoration work, including its scope, will be subject to the approval of the Commissioner and will be performed to the satisfaction of the Landmarks Commission pursuant to the requirements of the Classification Ordinance.

6. The Developers target date for Project completion is June 2004. The Developer acknowledges that the City will certify completion of the Project no earlier than June 1, 2004.

DECLARATION OF INTENT FOR ISSUANCE OF INDUSTRIAL
DEVELOPMENT REVENUE BONDS ON BEHALF OF
ELSTON BLOCK COMPANY FOR ACQUISITION,
CONSTRUCTION AND EQUIPPING OF
PROPERTY AT 2221 SOUTH
LOOMIS STREET.

The Committee on Finance submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an ordinance evidencing the City's intent to issue industrial revenue bonds on behalf of Elston

Block Company in an amount not to exceed \$5,000,000, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Alderman Edward M. Burke abstained from voting pursuant to Rule 14 of the City Council's Rules of Order and Procedure.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 48.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

Alderman Burke invoked Rule 14 of the City Council's Rules of Order and Procedure, disclosing that he had represented parties to this ordinance in previous and unrelated matters.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City") is a duly constituted and existing municipality within the meaning of Section 1, Article VII of the 1970 Constitution of the State of Illinois and, as such, may legislate matters which pertain to its local governmental affairs; and

WHEREAS, As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, the City is authorized and empowered to issue industrial development revenue bonds for the purpose of financing costs associated with projects located within the City, and such financing constitutes a public purpose pursuant to Section 1(a), Article VIII of the 1970 Constitution of the State of Illinois; and

WHEREAS, The City's Department of Planning and Development has as one of its primary purposes the creation of additional employment opportunities in the City through the attraction and expansion of economic development activity in the City; and

WHEREAS, Elston Block Company, an Illinois corporation (the "Borrower"), has proposed a certain economic development project consisting of the acquisition and construction of land and a building together with machinery and equipment to be used as a facility for a dry block manufacturing plant with equipment, which facility will be owned and operated by the Borrower and which will be located on real property located at 2221 South Loomis Street in the City (the "Project"); and

WHEREAS, The Borrower has requested that the City issue industrial development revenue bonds in an amount not to exceed Five Million Dollars (\$5,000,000) (the "Bonds") for the purpose of financing all or a portion of the Project costs; and

WHEREAS, It is intended that this ordinance shall constitute a declaration of intent to reimburse certain eligible expenditures for the Project made prior to the issuance of the Bonds from the proceeds of the Bonds (if and when issued) within the meaning of Treasury Regulations Section 1.150-2 and Section 1.103-8(a)(5); now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are incorporated herein and made a part hereof.

SECTION 2. The City intends to issue the Bonds and lend the proceeds thereof to the Borrower or an entity related to the Borrower for the purpose of financing the Project. The total principal amount of Bonds which the City intends to issue for the Project will not exceed Five Million Dollars (\$5,000,000).

SECTION 3. Certain costs will be incurred by the Borrower in connection with the Project prior to the issuance of the Bonds. The City reasonably expects to reimburse such costs with proceeds of the Bonds.

SECTION 4. The costs to be reimbursed will be paid from funds of the Borrower which have been allocated to other purposes.

SECTION 5. This ordinance is consistent with the budgetary and financial circumstances of the City. No funds from sources other than the Bonds are, or are reasonably expected to be, reserved, allocated on a long-term basis or otherwise set aside by the City for the Project for costs to be paid from the proceeds of the Bonds.

SECTION 6. This ordinance constitutes a declaration of official intent under Treasury Regulations Sections 1.150-2 and 1.103-8(a)(5).

SECTION 7. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 8. This ordinance shall be effective as of the date of its passage.

AUTHORIZATION OF AMENDED REDEVELOPMENT PLAN FOR
MIDWAY INDUSTRIAL CORRIDOR REDEVELOPMENT
PROJECT AREA.

The Committee on Finance submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an ordinance authorizing the amendment of the Midway Industrial Corridor Tax Increment Financing Redevelopment Area, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, On February 16, 2000, the City Council of the City of Chicago, Illinois (the "City") adopted ordinances pursuant to the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq, as amended (the "Act"), which approved a redevelopment plan and project (the "Original Plan") for the Midway Industrial Corridor Redevelopment Project Area (the "Area"), designated the Area as a redevelopment project area under the Act, and adopted tax increment allocation financing for the Area under the Act; and

WHEREAS, It is desirable and in the best interest of the citizens of the City for the City to amend the Original Plan (the Original Plan as amended being referred to hereinafter as the "Amended Plan") to exclude certain residential parcels from the Land Acquisition Map attached as Exhibit G-1 to the Original Plan and from the list of parcels to be acquired attached as Exhibit G-2 to the Original Plan; and

WHEREAS, The changes in the Amended Plan do not require further public hearing pursuant to Section 5/11-74.4-5(c) of the Act; and

WHEREAS, The Mayor and the City Council of the City (the "Corporate Authorities") have reviewed the Amended Plan and such other matters or studies as the Corporate Authorities have deemed necessary or appropriate; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Recitals. The above recitals are incorporated herein and made a part hereof.

SECTION 2. Amended Plan. The Amended Plan is attached as Exhibit A hereto and incorporated herein.

SECTION 3. Approval Of The Amended Plan. The City hereby approves the Amended Plan pursuant to Section 5/11-74.4-4(a) of the Act.

SECTION 4. Invalidity Of Any Section. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this ordinance.

The Midway Industrial Corridor

Tax Increment Financing

Redevelopment Plan And Project.

October 11, 1999.

Revised January 7, 2000.

Revised August 17, 2000.

Forward.

The proposed Midway Industrial Corridor Redevelopment Plan and Project Area is part of an overall effort to facilitate redevelopment in the vicinity of Midway Airport. Recent transportation investments by the public sector for Midway Airport, the Adlai Stevenson Expressway and the C.T.A.'s extension of the Orange Line have or will help to revitalize this portion of the City. However, these investments are not directed toward improvement of properties along commercial corridors or within industrial sites. The City is proposing to establish several tax increment financing districts to help facilitate private redevelopment efforts that can build upon the public investment in the transportation network and revitalize important commercial and industrial sites located in the southwestern portion of the City.

Attached hereto is a map indicating the six (6) tax increment financing districts that together will help to revitalize properties in the vicinity of Midway Airport. The location of the proposed Midway Industrial Corridor Redevelopment Project Area and its relation to the other five (5) districts is also indicated. Criteria for establishing a tax increment financing district, land-use and zoning patterns and the goals of the City were used to determine the final configuration of the six (6) districts. However, the overall goal is to establish all six (6) districts so that revitalized commercial and industrial sites can provide growth for the City and employment and business opportunities for the residents of the City of Chicago.

Section I.

Introduction And Executive Summary.

A. Area Location.

The Midway Industrial Corridor Redevelopment Project Area (hereafter referred to as the "Area") is located on the southwest side of the City of Chicago ("City") approximately twelve (12) miles southwest of the central business district. A location map indicating the general location of the Area is attached hereto.

The Area covers approximately three hundred eighty-four (384) acres and three hundred seventy-eight (378) parcels, and includes seventy-five (75) full and partial city blocks. The boundary of the Area generally parallels two (2) Belt Railway of Chicago railroad rights-of-way. The railroad rights-of-way form a north/south and east/west spine that bisects industrial properties located between the Stevenson Expressway (I-55) on the north to Midway Airport on the south. The boundaries of

the Area are shown on (Sub)Exhibit A, Boundary Map of T.I.F. Area included in Attachment Two of the Appendix.

B. Existing Conditions.

The Area consists primarily of older industrial properties located along the railroad corridors noted above and several pockets of existing residential uses located in the extreme northern portion of the Area. A small number of commercial uses on Archer Avenue between Keating Avenue and Kolmar Avenue are also included in the Area. (see (Sub)Exhibit B, Existing Land-Use Assessment Map included in Attachment Two of the Appendix). Many structures in the Area are in need of repair, as documented in the Eligibility Study included as Attachment One of the Appendix.

In the northern portion of the Area, a pocket of residential uses between 43rd and 44th Streets has also been included in the Area. This residential pocket has been included in the Area because of its close proximity to several deleterious industrial uses located within the core of industrial uses that form the majority of the Area. The deleterious industrial uses have negatively impacted the viability of this residential pocket. The close proximity to the deleterious industrial uses has also severely affected the character of this residential area. Much of this residential pocket is surrounded on two (2) sides by industrial uses and some residential uses in the northern portion of the Area are surrounded on all sides by industrial uses.

These residential areas exhibit numerous conservation area factors resulting from the proximity to and impact from the industrial uses that surround them.

Zoning classifications in the Area are predominately industrial. There are also several small pockets of commercial zoning designations along Archer and Cicero Avenues and a pocket of residential zoning in the northern and western portions of the Area. Zoning classifications are shown on (Sub)Exhibit D, Generalized Existing Zoning Map included in Attachment Two of the Appendix. Seventy-eight percent (78%) of the buildings in the Area are thirty-five (35) years of age or older. Declining conditions are evidenced by deterioration and depreciation of maintenance of the public infrastructure (principally streets and sidewalks) and deterioration of private properties. Deleterious land uses exist in several locations exerting negative visual and environmental influences on the overall area and adjoining properties. In some locations, (particularly along Cicero Avenue) the blighting factors present a negative image of the Area.

The Area is characterized by the following conditions:

- the predominance seventy-eight percent (78%) of structures that are thirty-five (35) years of age or older;
- obsolescence (seventy-five percent (75%) of buildings or structures);
- deterioration (fifty-eight percent (58%) of structures or site improvements); and
- depreciation of physical maintenance (eighty-nine percent (89%) of structures or site improvements).

Other blighting factors found to a minor extent are discussed in the Eligibility Study included as Attachment One of the Appendix.

C. Business And Industry Trends.

The age of many buildings and the lack of contemporary commercial or industrial building sites and buildings have contributed to a gradual decline of the Area. Approximately two hundred ninety-eight thousand (298,000) square feet of vacant floor space was observed in the Area. Approximately two hundred one thousand (201,000) square feet of this vacant floor space is associated with industrial buildings, three thousand four hundred (3,400) square feet is associated with commercial buildings and approximately ninety-three thousand six hundred (93,600) square feet is associated with buildings that are part of property acquisition activities related to Midway Airport expansion. Along portions of Cicero Avenue and other portions of the Area, vacant lots exist that were once occupied by residential or commercial structures. In other portions of the Area, buildings exhibit signs of depreciation of maintenance and deterioration. In many instances, the lack of maintenance and deterioration is fostered by obsolescence and excessive land coverage that prevent contemporary parking and site development standards.

Efforts by public entities to check decline in the Area have met with limited success. The majority of these efforts have been directed toward on-going maintenance of public streets and improvements in the Area and public improvements associated with Midway Airport, the Stevenson Expressway and the C.T.A.. These efforts have not been directed to eliminating the factors that qualify the Area as a redevelopment area. Despite these public efforts, improved industrial and commercial sites in the Area are gradually becoming obsolete and underutilized. The presence of numerous vacant lots, vacant buildings and buildings in need of repair and maintenance is evidence that the public efforts to date have not been

effective. Portions of the Area will become blighted and lose the ability to generate jobs and tax revenue if these conditions are not reversed.

D. Redevelopment Plan Purpose.

Tax increment financing ("T.I.F.") is permitted by the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended (the "Act"). The Act sets forth the requirements and procedures for establishing a redevelopment project area and a redevelopment plan. This Midway Industrial Corridor Tax Increment Financing Redevelopment Plan and Project (hereafter referred to as the "Plan") documents the qualifications of the Area as a blighted area and as a conservation area under the Act. The purpose of this Plan is to correct Area problems and attract new private development. This Plan identifies the activities, sources of funds and procedures to implement tax increment financing pursuant to the Act.

E. Plan Objectives And Strategies.

An overall strategy to retain viable businesses, recruit new businesses, and check the loss of jobs from the City is at the heart of the redevelopment efforts. The City has chosen to utilize tax increment financing to revive the limited commercial properties, industrial sites and vacant land that make up the Area.

This Plan represents an opportunity for the City to implement a program that can achieve citywide goals and objectives, as well as some that are specifically directed at the Area. These goals and objectives include:

- support the tax base of the Area;
- retain the employment base and provide new employment opportunities in the Area;
- expand the tax base through reuse and rehabilitation of commercial and industrial properties;
- develop new commercial and industrial buildings on underutilized and vacant properties in the Area;
- capitalize on the Area's proximity to Midway Airport and the public investment currently underway at Midway Airport, along the Stevenson Expressway and C.T.A. immediately outside of the Area;

- establish a program of phased public improvements to help retain business and industries and promote the Area as a place to do business;
- improve the image of the City that is conveyed to metropolitan airport users and visitors arriving and departing from Midway Airport;
- eliminate the conditions that qualify the Area as a conservation area and a blighted area; and
- property assembly as indicated herein to facilitate new development.

This Plan creates a mechanism to revitalize the Area by improvement of the physical environment and infrastructure and through the orderly transition of residential, commercial and industrial uses to new or expanded uses in the future. The City proposes to use T.I.F. to address needs in the Area and induce the investment of private capital.

In implementing this Plan, the City is acting to facilitate the revitalization of the entire Area. The limited commercial properties of the Area should be maintained as a series of commercial sites that provide services to the industry of the Area, surrounding residential neighborhoods and the major public facilities located near the Area. Industrial uses will be encouraged to take advantage of underutilized sites in the Area and new industrial tenants will be sought for vacant sites. In some instances, transformation of underutilized sites from existing uses to productive industrial or commercial operations will be encouraged. This Plan is intended to build on the City's previous actions to stabilize commercial and industrial land uses, support industrial expansion and attract new industry to the Area. The City recognizes that blighting influences will continue to weaken the Area and that the entire Area may become blighted if the decline is not reversed. This Plan is also intended to build upon the Area's proximity to Midway Airport and the Stevenson Expressway by providing opportunities to attract commercial and industrial uses that can benefit from airport and highway proximity.

F. Redevelopment Plan And Project Activities And Costs.

The projects anticipated for the Area may include, but are not limited to:

- property assembly;
- street, alley and sidewalk reconstruction;

- transportation improvements (including improvements to viaduct and at grade rail crossings);
- utility work;
- property rehabilitation and improvements to various existing properties including streetscape improvements;
- private developer assistance;
- site clean-up and preparation;
- marketing and promotion;
- environmental remediation; and
- planning studies.

The anticipated activities and associated costs are shown on Table Three, Estimated Redevelopment Project Costs. The total estimated cost for the activities listed in Table Three is Sixty-five Million Dollars (\$65,000,000).

G. Summary And Conclusions.

This Plan summarizes the analyses and findings of the consultant's work, which, unless otherwise noted, is the responsibility of PGAV-Urban Consulting ("Consultant"). The City is entitled to rely on the findings and conclusions of this Plan in designating the Area as a redevelopment project area under the Act (defined herein). The Consultant has prepared this Plan and the related Eligibility Study with the understanding that the City would rely: 1) on the findings and conclusions of the Plan and the related Eligibility Study in proceeding with the designation of the Area and the adoption and implementation of the Plan, and 2) on the fact that the Consultant compiled the necessary information so that the Plan and the related Eligibility Study will comply with the Act.

The study and survey of the Area indicates that the requirements necessary to designate the improved portion of the Area as a conservation area and the vacant land in the Area as a blighted area are present. Therefore, the Area is qualified under the terms of the definitions in the Act. This Plan and the supporting documentation contained in the Eligibility Study (included herein as Attachment One of the Appendix) indicate that the Area on the whole has not been subject to growth and development through investment by private enterprise, and would not

reasonably be anticipated to be developed without the adoption of the Plan.

Section II.

Legal Description And Project Boundary.

The boundaries of the Area include only those contiguous parcels of real property and improvements substantially benefitted by the activities to be undertaken as a part of the Plan. Since the boundaries of the Area include nearly three hundred eight-four (384) acres of land, the statutory minimum of one and five-tenths (1.5) acres is exceeded.

The boundaries of the Area are shown on (Sub)Exhibit A, Boundary Map of T.I.F. Area included in Attachment Two of the Appendix and the boundaries are described in the legal description of the Area included as Attachment Three of the Appendix. A listing of the permanent index numbers and the 1998 equalized assessed value for all properties in the Area are provided as 1998 Estimated E.A.V. by Tax Parcel included as Attachment Four of the Appendix.

Section III.

Statutory Basis For Tax Increment Financing.

A. Introduction.

In January, 1977, T.I.F. was made possible by the Illinois General Assembly through passage of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended (the "Act"). The Act provides a means for municipalities, after the approval of a redevelopment plan and project, to redevelop blighted, conservation or industrial park conservation areas and to finance eligible "redevelopment project costs" with incremental property tax revenues. "Incremental property tax" or "incremental property taxes" are derived from the increase in the current E.A.V. of real property within the redevelopment project area over and above the "certified initial E.A.V." of such real property. Any increase in E.A.V. is then multiplied by the current tax rate, which results in incremental property taxes. A decline in current E.A.V. does not result in a negative incremental property tax.

To finance redevelopment project costs, a municipality may issue obligations secured by incremental property taxes to be generated within the project area. In addition, a municipality may pledge towards payment of such obligations any part or any combination of the following:

- (a) net revenues of all or part of any redevelopment project;
- (b) taxes levied and collected on any or all property in the municipality;
- (c) the full faith and credit of the municipality;
- (d) a mortgage on part or all of the redevelopment project; or
- (e) any other taxes or anticipated receipts that the municipality may lawfully pledge.

Tax increment financing does not generate tax revenues by increasing tax rates. It generates revenues by allowing the municipality to capture, for a prescribed period, the new revenues produced by the enhanced valuation of properties resulting from the municipality's redevelopment program, various redevelopment projects, and the reassessment of properties. Under T.I.F., all taxing districts continue to receive property taxes levied on the initial valuation of properties within the redevelopment project area. Additionally, taxing districts can receive distributions of excess incremental property taxes when annual incremental property taxes received exceed principal and interest obligations for that year and redevelopment project costs necessary to implement the Plan have been paid. Taxing districts also benefit from the increased property tax base after redevelopment project costs and obligations are paid.

As used herein and in the Act, the term "redevelopment project" ("project") means any public and private development project in furtherance of the objectives of a redevelopment plan. The term "area" means an area designated by the municipality, which is not less in the aggregate than one and one half (1 ½) acres and in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as an industrial park conservation area or a blighted area or a conservation area, or a combination of both blighted area and conservation area. The term "plan" means the comprehensive program of the municipality for development or redevelopment intended by the payment of redevelopment project costs to reduce or eliminate those conditions the existence of which qualified the redevelopment project area for utilization of tax increment financing, and thereby to enhance the tax base of the taxing districts which extend into the redevelopment project area.

Redevelopment that occurs in a designated redevelopment project area will increase the E.A.V. of the property and, thus, generate increased real property tax revenues. This increase or "increment" can be used to finance "redevelopment project costs" such as land acquisition, site clearance, building rehabilitation, interest subsidy, construction of public infrastructure, et cetera. as permitted by the Act.

The Illinois General Assembly made various findings in adopting the Act:

1. that there exists in many municipalities within the State blighted and conservation areas; and
2. that the eradication of blighted areas and the treatment and improvement of conservation areas by redevelopment projects are essential to the public interest and welfare.

These findings were made on the basis that the presence of blight, or conditions which lead to blight, are detrimental to the safety, health, welfare and morals of the public.

To ensure that the exercise of these powers is proper and in the public interest, the Act specifies certain requirements that must be met before a municipality can proceed with implementing a redevelopment plan. One of these requirements is that the municipality must demonstrate that a redevelopment project area qualifies for designation. With certain exceptions, an area must qualify generally either as:

- a blighted area (both "improved" and "vacant" or a combination of both); or
- a conservation area; or
- a combination of both blighted areas and conservation areas within the definitions for each set forth in the Act.

The Act currently does not offer detailed definitions of the blighting factors used to qualify areas. The definitions set forth in the Illinois Department of Revenue's "Definitions and Explanations of Blight and Conservation Factors (1988)" were used in this regard in preparing this Plan.

B. The Redevelopment Plan And Project For The Midway Industrial Corridor Tax Increment Financing Redevelopment Project Area.

As evidenced herein, the Area as a whole has not been subject to growth and development through private investment. Furthermore, it is not reasonable to expect that the Area as a whole will be redeveloped without the use of T.I.F.

This Plan has been formulated in accordance with the provisions of the Act and is intended to guide improvements and activities within the Area in order to stimulate private investment in the Area. The goal of the City, through implementation of this Plan, is that the entire Area be revitalized on a comprehensive and planned basis to ensure that private investment in rehabilitation and new development:

1. occurs on a coordinated rather than piecemeal basis to ensure that land-use, access and circulation, parking, public services and urban design are functionally integrated and meet present-day principles and standards; and
2. occurs on a reasonable, comprehensive and integrated basis to ensure that the blighting factors are eliminated; and
3. accomplishes objectives within a reasonable and defined period so that the Area may contribute productively to the economic vitality of the City.

This Plan sets forth the overall Project which are those public and private activities to be undertaken to accomplish the City's above-stated goal. During implementation of the Project, the City may, from time to time: (i) undertake or cause to be undertaken public improvements and activities; and (ii) enter into redevelopment agreements with private entities or public entities to construct, rehabilitate, renovate or restore private or public improvements on one (1) or several parcels (collectively referred to as "Redevelopment Projects").

This Plan specifically describes the Area and summarizes the factors which qualify the Area as a "conservation area" and the vacant portion of the Area as a "blighted area" as defined in the Act. (See the Eligibility Study included as Attachment One of the Appendix).

Successful implementation of this Plan requires that the City utilize incremental property taxes and other resources in accordance with the Act to stimulate the comprehensive and coordinated development of the Area. Only through the utilization of tax increment financing will the Area develop on a comprehensive and coordinated basis, thereby reducing or eliminating the conditions which have

precluded development of the Area by the private sector.

The use of incremental property taxes will permit the City to direct, implement and coordinate public improvements and activities to stimulate private investment within the Area. These improvements, activities and investments will benefit the City, its residents, and all taxing districts having jurisdiction over the Area. These anticipated benefits include:

- An increased property tax base arising from new commercial and industrial development and the rehabilitation of existing buildings.
- An increased sales tax base resulting from new and existing development.
- An increase in construction, commercial, industrial and other full-time employment opportunities for residents of the City.
- The construction of an improved system of roadways, utilities and other infrastructure which better serves existing businesses and industries and accommodates desired new development.

Section IV.

Redevelopment Goals And Objectives.

Information regarding the needs of the Area and proposals for the future was obtained from the City of Chicago, various neighborhood groups, comments expressed at neighborhood meetings and field investigations by the Consultant.

The Area boundaries have been established to maximize the development tools created by the Act and to address Area problems and needs. To address these needs, various goals and objectives have been established for the Area as noted in this section.

A. General Goals For Midway Industrial Corridor Redevelopment Area.

Listed below are the general goals adopted by the City for redevelopment of the Area. These goals provide the overall focus and direction of this Plan:

1. Improve the quality of life in the City by revitalizing the Area. This can be accomplished through creation of secure, functional, attractive, marketable and competitive business environments.
2. Stabilize and enhance the real estate and sales tax base of the City and other taxing districts.
3. Retain sound and viable businesses and industries within the Area.
4. Attract new business and industrial development within the Area.
5. Improve the appearance of the commercial and industrial properties of the Area through: building facade renovation/restoration; removal of signage clutter; restoration of deteriorated signage; and public and private improvements that will have a positive visual.
6. Create new job opportunities within the Area.
7. Employ residents from within the Area as well as adjacent neighborhoods and redevelopment project areas.

B. Redevelopment Objectives.

Listed below are the redevelopment objectives that will guide planning decisions regarding redevelopment within the Area:

1. Reduce or eliminate those conditions that qualify the improved portion of the Area as a "conservation area" and the vacant land of the Area as a "blighted area". These conditions are described in detail in the Eligibility Study (see Attachment One of the Appendix).
2. Encourage attractive buildings, rights-of-way and open spaces.
3. Provide public improvements and facilities in relationship to projected demand.
4. Facilitate business retention, rehabilitation and new development.
5. Assist in the establishment of job training, job readiness and "welfare to work" programs to provide residents from within, and surrounding the Area with the skills necessary to secure jobs.

6. Provide opportunities for women-owned and minority-owned businesses to share in the process and benefits of redevelopment of the Area.
7. Maximize the existing transportation network of the Area and ensure that the Area is served by a street system and public transportation facilities that provide safe and convenient access.

C. Development And Design Objectives.

Listed below are specific development and design objectives which will assist the City in directing and coordinating public and private improvement and investment throughout the Area.

The guidelines are intended to help attract desirable new businesses, foster a coordinated development pattern and create an attractive and quality image and identity for the Area.

1. Land-Use.

- Integrate new development with existing businesses throughout the Area.
- Facilitate rehabilitation of commercial and industrial uses.
- Recognize the need for institutional, parks, green space and residential uses to a limited extent given the Area's current boundaries and existing land-use and zoning patterns.
- Promote shared parking.
- Provide for uses associated with Midway Airport in locations that do not infringe on surrounding residential neighborhoods.

2. Building And Site Development.

- Repair and rehabilitate commercial and industrial buildings in poor condition.
- Reuse vacant buildings in serviceable condition for new business, commercial or industrial uses.

- Encourage secure parking, service and support facilities that can be shared by multiple businesses and industrial uses.
- Encourage consistent decorative elements around the perimeter of industrial sites and commercial buildings.
- Encourage screening around parking and maintenance facilities associated with airport activity.

3. Transportation And Infrastructure.

- Provide safe and convenient access to the Area for trucks, autos and public transportation.
- Improve streets, street lighting, curbs, sidewalks and traffic signalization.
- Promote developments that take advantage of access to the City's mass transit network.
- Provide well-defined, safe pedestrian connections within the Area, and between the Area and nearby destinations.
- Upgrade the Cicero Avenue corridor.
- Improve or repair substandard viaducts and upgrade at-grade rail intersections where possible.

4. Urban Design.

- Establish a streetscape system to coordinate the use of light fixtures, sidewalks, paving materials, landscaping, street furniture and signage within the Area.
- Promote high-quality architectural design throughout the Area.
- Replace signage that is deteriorated and unattractive.
- Preserve buildings with historic and architectural value.
- Clear, clean and maintain vacant land.

- Use vacant lots for permanent, attractive open space or off-street parking.
- Eliminate illegal dumping, abandoned vehicles, overgrown weeds and graffiti.

5. Landscaping And Open Space.

Provide landscaped buffer areas around commercial and industrial portions of the Area.

- Encourage landscaped setbacks.
- Promote the use of landscaping and fencing to screen dumpsters, waste collection areas, loading areas, service areas and the perimeter of parking lots.
- Ensure that landscaping and design materials comply with the City of Chicago Landscape Ordinance.
- Promote the development of shared open spaces within the Area, including courtyards, outdoor eating areas, recreational areas, et cetera.
- Ensure that all open spaces are designed, landscaped and lighted to achieve a high level of security.

Section V.

Basis For Eligibility Of The Area And Findings.

A. Introduction.

Attachment One of the Appendix (the "Eligibility Study") contains a comprehensive report that documents all factors required by the Act to make a determination that the area is eligible under the Act. A brief synopsis of this Eligibility Study is included in this section.

To designate a redevelopment project area, according to the requirements of the Act, a municipality must find that there exist conditions which cause such project area to be classified as a blighted area, conservation area, combination of blighted and conservation areas, or an industrial park conservation area. The criteria and the individual factors that were utilized in conducting the evaluation of the physical conditions in the Area are outlined under the individual headings that follow.

B. Area Background Information.

1. Location And Size Of Area.

The Area is located twelve (12) miles southwest of downtown Chicago. The northern limits of the Area follow the Stevenson Expressway (I-55) east of the Cicero Avenue overpass. South of the Stevenson Expressway, the boundary generally parallels two (2) Belt Railway of Chicago rights-of-way. The railroad rights-of-way form a north/south and east/west axis that bisects industrial properties located between the Stevenson Expressway (I-55) on the north to Midway Airport on the south.

The boundaries of the Area are described in the Legal Description included as Attachment Three of the Appendix and are geographically shown on (Sub)Exhibit A, Boundary Map of T.I.F. Area, included in Attachment Two of the Appendix. Existing land uses are identified on (Sub)Exhibit B, Existing Land-Use Assessment Map, included in Attachment Two of the Appendix.

2. Description Of Current Conditions.

The Area consists of seventy-five (75) (full and partial) city blocks, one hundred thirty-four (134) buildings and three hundred seventy-eight (378) parcels covering approximately three hundred eighty-four (384) acres. The land-use breakdown of the Area's acreage is as follows:

Land-Use	Percentage Of Gross Land Area	Percentage Of Net Land Area ¹
Residential	1.7	2.2
Commercial	2.1	2.8

¹ Net land area exclusive of public rights-of-way.

Land-Use	Percentage Of Gross Land Area	Percentage Of Net Land Area ¹
Industrial	60.9	78.3
Institutional and Related	4.0	5.2
Vacant/Undeveloped	9.0	11.5
Public Right-of-Way	22.3	NA

Much of the improved Area is in need of redevelopment, rehabilitation and revitalization and is characterized by the three (3) conservation area factors that exist to a major extent (listed below) as well as seven (7) factors that exist to a minor extent (presented later in this Plan):

Obsolescence.

Seventy-five percent (75%) of buildings or parcels exhibited evidence of obsolescence. Obsolescence identified in the Area includes: structures containing vacant space, structures with design and space layouts that are no longer suitable for their current use, parcels of limited and narrow size and configuration and obsolete site improvements including limited provisions for on-site parking.

Deterioration.

Fifty-eight percent (58%) of buildings or site improvements exhibited evidence of deterioration. Examples of deterioration found to exist in the Area included buildings with major defects in the secondary building components. These conditions included: damaged doors and broken windows, porches in need of repair due to deteriorated wood or concrete surfaces, gutters and downspouts missing or in need of replacement, deteriorated fascia materials, cracked foundations or masonry construction materials, roofs in need of replacement or building frames in need of realignment.

¹ Net land area exclusive of public rights-of-way.

Depreciation Of Physical Maintenance.

Depreciation of physical maintenance was identified on eighty-nine percent (89%) of buildings and site improvements in the Area. Examples observed in the Area include: unpainted or unfinished surfaces, peeling paint, loose or missing materials, cracks in masonry construction, broken windows, loose gutters and downspouts, and damaged building areas still in disrepair. Trash and debris was also observed on several sites and several parking lots and paved areas exhibited cracks and potholes in need of repair.

The Area on the whole has not been subject to growth and development through investment by private enterprise on a level consistent with other sections of the City and would not reasonably be anticipated to be developed without the adoption of this Plan. Age and the requirements of contemporary commercial and industrial tenants have caused portions of the Area and its building stock to become obsolete and may result in further disinvestment in the Area.

Along portions of Cicero, Keating, and Kilpatrick Avenues and 43rd and 54th Streets, numerous vacant lots exist where once viable commercial or residential structures stood. In other sections of the Area, industrial uses are vacant and underutilized. In the northern portion of the Area, several sites contain deleterious land uses that exhibit depreciation of physical maintenance, deterioration, lack of community planning and obsolescence that impact negatively on surrounding residential areas. Several structures associated with fixed base operators and rental car facilities at Midway Airport exhibit various blighting characteristics. Finally, public streets, sidewalks, curbs, viaducts and at-grade rail crossings are in need of repair or up-grade.

The City is currently developing this Plan in an attempt to attract new growth and development. The City and others have begun to implement major public improvements immediately outside of the Area. These improvements include: a new terminal facility at Midway Airport, improvements to the Stevenson Expressway, a new parking facility to serve Midway Airport and extension by C.T.A. of the Orange Line from the loop to Midway Airport which includes several commuter rail stations near the Area. However, these improvements do not address Area-wide concerns that relate to the factors that cause the Area to qualify as a redevelopment area.

The City and the State of Illinois ("State") have designated a portion (thirty-six and five-tenths percent (36.5%) of the gross land area) of this section of the community as Enterprise Zone 2. (See (Sub)Exhibit F, Enterprise Zone Map included in Attachment Two of the Appendix). The Enterprise Zone designation only covers a portion of the extreme northern and eastern sections of the Area. The remaining portion of the Area can not benefit from the Enterprise Zone

program or the major public improvements outside of the Area.

From 1993 through 1998, the Equalized Assessed Value (E.A.V.) of Lake Township, the township that includes the Midway Industrial Corridor Redevelopment Project Area, increased from Three Billion One Hundred Million Dollars (\$3,100,000,000) to Four Billion Dollars (\$4,000,000,000) according to Cook County records. This represents a gain of Nine Hundred Million Dollars (\$900,000,000) (annual average of five and eight-tenths percent (5.8%)) during this six (6) year period. In 1993 the E.A.V. of the Area was Thirty-nine Million Five Hundred Thousand Dollars (\$39,500,000). In 1998, the E.A.V. of the Area was Forty-eight Million Seven Hundred Thousand Dollars (\$48,700,000).

This represents an average annual growth rate of approximately four and seven-tenths percent (4.7%) during the six (6) year period between 1993 and 1998. Therefore, the Area has experienced an E.A.V. growth rate approximately twenty-three and four-tenths percent (23.4%) less than the overall E.A.V. growth rate experienced in Lake Township during this same period. In addition, a significant amount of the growth that has occurred in the Area occurred in the reassessment year of 1997. Between 1997 and 1998, the E.A.V. of the Area declined from Forty-nine Million Dollars (\$49,000,000) to Forty-eight Million Seven Hundred Thousand Dollars (\$48,700,000). Between 1996 and 1997 the E.A.V. of the Area grew by ten and one-tenth percent (10.1%). Prior to 1997, the growth rate of the Area was much lower. Between 1995 and 1996 the E.A.V. of the Area only grew by approximately One Million Eighty Thousand Dollars (\$1,080,000) or two and five-tenths percent (2.5%). Between 1994 and 1995 the E.A.V. of the Area grew by approximately One Hundred Thousand Dollars (\$100,000) or a minimal zero and two-tenths percent (0.2%). Further, approximately nine and five-tenths percent (9.5%) of the properties in the Area are delinquent in the payment of 1997 real estate taxes and sixty-nine (69) building code violations have been issued on buildings since July 1, 1994.

Since July 1, 1994, two (2) building permits for major new buildings and five (5) permits for major rehabilitation projects have been issued in the Area by the City. The two (2) permits associated with new buildings were issued for construction of a new commercial structure and a new residential structure. The five (5) permits associated with major rehabilitation projects were issued for an addition to and existing industrial site (three (3) permits), interior renovations to a motel, and interior renovations to an Area high school. Approximately seventy-eight percent (78%) of the one hundred thirty-four (134) buildings in the Area are or exceed thirty-five (35) years of age.

There is approximately two hundred ninety-eight thousand (298,000) square feet of vacant commercial and industrial floor space in the Area. A significant portion of the vacant floor space in the Area is located in buildings that are obsolete in terms of contemporary business requirements and building layout.

As part of the documentation of existing conditions in the Area a separate analysis was performed that looked at development opportunities in the Area. According to information provided by the Goodman Williams Group, a Chicago based real estate research group, several development opportunities exist in the Area that could take advantage of the access to I-55, the proximity to Midway Airport and the large, skilled labor force in the proximity of the Area. The largest and most prominent sites are located in the extreme northern portion of the Area along Cicero Avenue and the Belt Railway of Chicago right-of-way. However, many of these sites are currently underutilized or in need of revitalization. The limiting development factors on these potential development sites are poor access, the presence of marginal industrial and commercial uses, the presence of obsolete site layouts and obsolete structures, potential environmental contamination and the necessity to assemble multiple parcels to create developable sites. These conditions have contributed to the decline of adjacent properties and further hinder the appearance of the Area as a gateway to City.

C. Existing Land-Use And Zoning Characteristics.

A tabulation of existing land-use by category is shown below:

Table One.

Tabulation Of Existing Land-Use.

Land-Use	Land Area Gross Acres	Percentage Of Gross Land Area	Percentage Of Net Land Area ¹
Residential	6.5	1.7	2.2
Commercial	8.2	2.1	2.8
Industrial	233.9	60.9	78.3
Institutional and Related	15.5	4.0	5.2

Note:

¹ Net land area exclusive of public rights-of-way.

Land-Use	Land Area Gross Acres	Percentage Of Gross Land Area	Percentage Of Net Land Area ¹
Vacant/Undeveloped	34.5	9.0	11.5
Subtotal -- Net Area	298.6	77.7	100.0
Public Right-of-Way	<u>85.6</u>	<u>22.3</u>	<u>NA</u>
Total:	384.2	100.0	NA

The major industrial uses that flank the two (2) railroads that serve as the central axis of the Area are a mix of light industrial (office/warehouse and warehouse) and manufacturing uses. In addition, several scrap yards and junkyards are located in the Area. Two (2) of these yards are located in the extreme northern portion of the Area adjacent to the Stevenson Expressway. These two (2) yards exhibit deleterious and deteriorated conditions that have negatively impacted several blocks of residential uses adjacent to these uses. As indicated in Table One, sixty and nine-tenths percent (60.9%) of the gross land area (seventy-eight and three-tenths percent (78.3%) of the net land area) is industrial.

The residential pocket located in the northern portion of the Area is adjacent to industrial uses and several residential uses are surrounded by industrial uses and isolated from surrounding residential neighborhoods. Approximately one and seven-tenths percent (1.7%) of the gross land area (two and two-tenths percent (2.2%) of the net land area) is residential. The Area contains fifty (50) single-family structures and two (2) multi-family structures. No mixed-use buildings (buildings with first (1st) floor commercial uses and second (2nd) floor residential uses) are located in the Area.

Commercial uses are concentrated along Archer Avenue adjacent to one of the rail lines that bisect the Area near Archer Avenue. One (1) institutional use (Archer Park) is located in the eastern portion of the Area.

Note:

¹ Net land area exclusive of public rights-of-way.

The land-use survey and map focus on the use at street level. It should be recognized, however, that a number of the multi-story buildings (generally along Archer Avenue) are mixed-use structures. The upper floors of these buildings are often multi-family use, constructed so that the business owner could both live above his shop and maximize the rental income potential of the building. In the majority of these instances, upper floors experience high rates of occupancy even if the first (1st) floor commercial space is vacant. The focus on ground floor uses is not intended to minimize the importance of the second (2nd) or third (3rd) floor uses. Maximum use and occupancy of these mixed-use buildings should be encouraged.

The majority of property within the Area is zoned in industrial categories. (See (Sub)Exhibit D, Generalized Existing Zoning Map included in Attachment Two of the Appendix). Along the boundaries of the Area, residential uses are in close proximity to industries and businesses. The boundary separating residential and commercial/industrial uses is often a local street or alley.

D. Investigation And Analysis Of Conservation Area And Blighted Area Factors.

In determining whether the proposed Area meets the eligibility requirements of the Act, various methods of research were utilized in addition to the field surveys. The data includes information assembled from the sources below:

1. Contacts with local individuals knowledgeable of Area conditions and history, age of buildings and site improvements, methods of construction, real estate records and related items.
2. Aerial photographs, Sidwell block sheets, et cetera were utilized.
3. Inspection and research as to the condition of local buildings, streets, utilities, et cetera.
4. On-site field inspection of the proposed Area conditions by experienced property inspectors of the Consultant and others as previously noted. Personnel of the Consultant are trained in techniques and procedures to determine conditions of local properties, utilities, streets, et cetera and determine eligibility of designated areas for tax increment financing.
5. Use of accepted definitions and guidelines to determine area eligibility as established by the Illinois Department of Revenue manual in conducting eligibility compliance review for State of Illinois Tax Increment Finance Areas in 1988.

6. Adherence to basic findings of need as established by the Illinois General Assembly in establishing the Act. These are:
 - a. In many Illinois municipalities areas that are conservation or blighted areas, within the meaning of the Act.
 - b. The eradication of blighted areas and the treatment of conservation areas by redevelopment projects are essential to the public interest.
 - c. These findings are made on the basis that the presence of blight, or conditions which lead to blight, is detrimental to the safety, health, welfare and morals of the public.

In making the determination of eligibility, it is not required that each and every property or building in the Area qualify. It is the Area as a whole that is determined eligible.

The Act currently sets forth fourteen (14) separate factors that are to be used to determine if an area qualifies as a "conservation area". In addition, two (2) thresholds must be met. For an area to qualify as a conservation area fifty percent (50%) or more of the structures in the area must have an age of thirty-five (35) years or more and a combination of three (3) or more of the fourteen (14) factors must be found to exist such that although the area is not yet a blighted area, it is detrimental to the public safety, health, morals or welfare and may become a blighted area. For vacant areas to be declared as a "blighted area" additional criteria and factors must be met.

The Act currently does not define the blight terms, but the Consultant has utilized the definitions for these terms as established by the Illinois Department of Revenue in their 1988 Compliance Manual. The Eligibility Study included in the Appendix defines all of the terms and the methodology employed by the Consultant in arriving at the conclusions as to eligibility.

Conservation Area: A combination of three (3) or more of the following factors must exist for an area to qualify as a conservation area under the Act:

1. Dilapidation.
2. Obsolescence.
3. Deterioration.

4. Illegal use of individual structures.
5. Presence of structures below minimum code standards.
6. Abandonment.
7. Excessive vacancies.
8. Overcrowding of structures and community facilities.
9. Lack of ventilation, light or sanitary facilities.
10. Inadequate utilities.
11. Excessive land coverage.
12. Deleterious land-use or layout.
13. Depreciation of physical maintenance.
14. Lack of community planning.

Table Two, Conservation Area Factors Matrix, provided as follows, tabulates the condition of all improved properties in the approximately three hundred eighty-four (384) acre, seventy-five (75) full and partial block Area. Table Two documents the conditions of improved portions of the Area. This Table indicates that three (3) conservation area factors associated with improved land are present to a meaningful extent and generally distributed throughout the Area.

Blighted Area: The following are various provisions that permit vacant areas to qualify as blighted:

1. combination of two (2) or more of the following factors:
 - i. obsolete platting of the vacant land,
 - ii. diversity of ownership of such land,
 - iii. tax and special assessment delinquencies on such land,
 - iv. flooding on all or part of such vacant land,

- v. deterioration of structures or site improvements in neighboring areas adjacent to the vacant land, or
- 2. the area immediately prior to becoming vacant qualified as a blighted improved area, or
- 3. the area consists of an unused quarry or unused quarries, or
- 4. the area consists of unused rail yards, rail tracks or railroad rights-of-way, or
- 5. the area, prior to its designation, is subject to chronic flooding which adversely impacts on real property in the area and such flooding is substantially caused by one (1) or more improvements within or in proximity to the area which improvements have been in existence for at least five (5) years, or
- 6. the area consists of an unused disposal site, containing earth, stone, building debris or similar material which were removed from construction, demolition, excavation or dredge sites, or
- 7. the area is not less than fifty (50) nor more than one hundred (100) acres and seventy-five percent (75%) of which is vacant, notwithstanding the fact that such area has been used for commercial agricultural purposes within five (5) years prior to the designation of a redevelopment project area and which area meets at least one (1) of the factors itemized herein, and the area has been designated as a town or village center by ordinance or comprehensive plan adopted prior to January 1, 1982, and the area has not been developed for that designated purpose.

Approximately twenty-seven and six-tenths (27.6) acres or seven and two-tenths percent (7.2%) of the gross land area (nine and three-tenths percent (9.3%) of the net land area) within the Area was identified as blighted. It is evident from historic plats and photos that buildings once existed on some of these sites and demolition of these structures has occurred over time. The majority of the demolished structures are associated with property acquisitions related to Midway Airport improvement activities. Since July 1, 1994, seventeen (17) structures have been demolished according to permit data provided by the City. In addition, several of the sites identified as blighted have been vacant for more than five (5) years, are under multiple ownership, are adjacent to deteriorated structures or are vacant railroad right-of-way. Given the deteriorated condition of existing structures in the vicinity of the vacant land and the presence of other factors necessary to qualify as blighted

property under the Act on the vacant land, the vacant portions of the Area qualify as a blighted area.

Further discussion of the relevant eligibility considerations for the vacant areas is included in the Eligibility Study included as Attachment One of the Appendix. The vacant parcels are illustrated on (Sub)Exhibit B, Existing Land-Use Assessment Map included in Attachment Two of the Appendix and summarized in the discussion below.

E. Summary Of Findings/Area Qualification.

It was determined in the investigation and analysis of conditions in the Area that the improved portions of the Area qualify as a "conservation area and the vacant portions of the Area qualify as a "blighted area" under the Act. The qualifying factors that were determined to exist in the improved area and vacant area are summarized later in this section. The Plan includes measures designed to reduce or eliminate the deficiencies that cause the Area to qualify consistent with the strategy of the City in other redevelopment project areas.

Vacant industrial buildings, vacant commercial storefronts and vacant land are further evidence of declining conditions in the Area, lack of private investment and little interest in the Area by the private market. There is in excess of two hundred ninety-eight thousand (298,000) square feet of vacant floor space and approximately thirty-four and five-tenths (34.5) acres of vacant land. Many of these properties appear to have been available for more than twelve (12) months.

The City and the State have designated a portion (thirty-six and five-tenths percent (36.5%)) of the Area as State of Illinois Enterprise Number Zone 2 as a further response to deteriorating conditions in the Area. This designation also recognizes the significant needs of the Area and reinforces the need for public financial incentives to attract private investment. (See (Sub)Exhibit F, Enterprise Zone Map included in Attachment Two of the Appendix).

The conclusion of the Consultant is that the number, degree and distribution of eligibility factors as documented in this report warrant the designation of the Area as a conservation area and as a blighted area as set forth in the Act. The summary tables contained on the following pages highlight the factors found to exist in the Area that cause it to qualify. This evaluation was made on the basis that the factors must be present to an extent that would lead reasonable persons to conclude that public intervention is necessary. Secondly, the distribution of conservation area and blighted area eligibility factors throughout the Area must be reasonable so that a good area is not arbitrarily found to qualify as a conservation or blighted area simply because of proximity to an area that exhibits blighting factors.

In addition to the presence of multiple conservation area and blighted area factors as listed on the following pages, E.A.V. growth below that of surrounding areas of the City in recent years, the presence of vacant floor space and vacant land indicates that the Area on the whole has not been subject to growth and development as a result of investment by private enterprise and will not be developed without action by the City. These have been previously documented. All properties within the Area will benefit from the T.I.F. program.

1. Improved Land Statutory Factors.

Eligibility Factor ¹	Existing In Area
Age ²	78% of buildings are or exceed 35 Years of Age.
1. Dilapidation	Not Present
2. Obsolescence	Major Extent
3. Deterioration	Major Extent
4. Illegal use of individual structures	Minor Extent
5. Presence of structures below minimum code standards	Minor Extent
6. Abandonment	Not Present
7. Excessive vacancies	Minor Extent
8. Overcrowding of structures and community facilities	Not Present
9. Lack of ventilation, light or sanitary facilities	Minor Extent

Notes:

1 Only three (3) factors are required by the Act for eligibility. Eleven (11) factors are present in the Area. Three (3) factors were found to exist to a major extent and eight (8) were found to exist to a minor extent.

2 Age is not a factor for designation but rather a threshold that must be met before an area can qualify as a conservation area.

Eligibility Factor ¹	Existing In Area

3. Area consists of unused quarry or quarries;	_____
or	
4. Area consists of unused rail yards, rail tracks or railroad right-of-way; (Present)	Yes
or	
5. Area prior to designation is subject to chronic flooding caused by improvements;	_____
or	
6. Area consists of unused disposal site containing earth, stone, building debris, et cetera;	_____
or	
7. Area is not less than fifty (50) nor more than one hundred (100) acres and seventy-five percent (75%) is vacant;	_____

Note:

Area qualifies per statutory requirements. Only one (1) factor is required by the Act.

The analysis presented above is based upon data assembled by the Consultant. The conclusions presented in this report are those of the Consultant. The local governing body should review this report. The study and survey of the Area indicate that requirements necessary for designation of the improved portion of the Area as a "conservation area" and the vacant portion of the Area as a "blighted area" are present. If satisfied with the summary of findings contained herein, the governing body may adopt a resolution making a finding of a conservation area for the improved portion of the Area and a finding of a blighted area for the vacant portion

of the Area. Therefore, the Area is qualified as both a conservation area and vacant blighted area to be designated as a redevelopment project area and eligible for Tax Increment Financing under the Act (see full text of Attachment One, Eligibility Study included in the Appendix).

Section VI.

Redevelopment Plan And Project.

A. Introduction.

This section presents the Plan and Project for the Area. Pursuant to the Act, when the finding is made that an area qualifies as a conservation, blighted, combination of conservation and blighted areas, or industrial park conservation area, a redevelopment plan must be prepared. A redevelopment plan is defined in the Act at 65 ILCS 5/11-74.4-3(n) as:

the comprehensive program of the municipality for development or redevelopment intended by the payment of redevelopment project costs to reduce or eliminate those conditions the existence of which qualified the redevelopment project area as a "blighted area" or "conservation area" or combination thereof or "industrial park conservation area," and thereby to enhance the tax bases of the taxing districts which extend into the redevelopment project area.

B. Generalized Land-Use Plan.

The generalized land-use plan for the Area is presented on (Sub)Exhibit C, Generalized Land-Use Plan included in Attachment Two of the Appendix.

The generalized land-use plan for the Area will be in effect upon adoption of this Plan. This land-use plan is a generalized plan in that it outlines land-use categories and even alternative land uses that apply to each block in the Area. Existing land uses that are not consistent with these categories may be permitted to exist. However, T.I.F. assistance will only be provided for those properties in conformity with this generalized land-use plan.

In the industrial sections of the Area, improvements to infrastructure and new industrial developments on vacant land is proposed. In several locations transformation from residential and industrial land-use to commercial or renewed industrial uses is anticipated. The limited commercial properties of the Area

should be revitalized through improvement of the existing streetscape and infrastructure. Redevelopment of small-scale individual properties with the primary focus being a series of planned commercial retail/service areas is anticipated in the commercial sections of the Area. In addition, provisions for other uses, including residential, open space, public and institutional uses are included where appropriate.

The generalized land-use plan is focused on maintaining and enhancing sound and viable existing businesses, and promoting new business development at selected locations. The generalized land-use plan outlines areas for use as commercial business and industrial opportunities that will enhance existing development and promote new development within the Area. The generalized land-use plan designates seven (7) land-use categories within the Area:

- i. Residential.
- ii. Residential/Commercial/Industrial/Public.
- iii. Public/Institutional.
- iv. Commercial.
- v. Industrial.
- vi. Industrial/Commercial.
- vii. Transportation.

These seven (7) categories, and their location on (Sub)Exhibit C, Generalized Land-Use Plan included as Attachment Two of the Appendix, were developed from several factors: existing land-use, the existing underlying zoning district and the land-use anticipated in the future. It is not the intent of the generalized land-use plan to eliminate non-conforming uses in this Area. The intent is to prohibit the expansion of these uses and allow the commercial and industrial nature of the Area to remain intact. In some instances, transformation from residential use to commercial or industrial use may be desirable. It should be clearly noted that existing uses should remain until such time that they are no longer viable for their current use.

The following discussions identify general areas and the land uses that are anticipated to be applied in these areas. The proposed land uses for all land within the Area is identified on (Sub)Exhibit C, Generalized Land-Use Plan included as Attachment Two of the Appendix:

Cicero/Stevenson.

The area east of Cicero Avenue north of 44th Street is currently a mixture of industrial and residential uses. Industrial uses are predominant in the northern portion of this subarea with residential uses predominant in the southern portion of this subarea. Several large scrap yards and junkyards are located in this subarea as well as many vacant lots. The presence of the junk and scrap yards and the deleterious nature of their operations has begun to degrade the viability of the residential uses in this subarea. The intent of the Generalized Land-Use Plan in this subarea is to provide for the revitalization of this highly visible gateway to the Midway Industrial Corridor through transformation of the existing uses to new commercial or industrial uses that take advantage of the proximity to the Stevenson Expressway and Midway Airport.

Midway Airport Environs.

The southern portion of the Area is dominated by ancillary facilities (parking areas, rental car facilities, fixed-base operators) associated with the Airport. The Generalized Land-Use Plan calls for the continued use of this subarea for ancillary facilities associated with Midway Airport.

Archer Avenue.

Archer Avenue contains numerous commercial uses that serve the residents of the surrounding neighborhoods. The Generalized Land-Use Plan identifies the property adjacent to this major transportation route as commercial. Redevelopment in the form of renewed streetscapes that augment small-scale contemporary commercial development is anticipated.

C. Redevelopment Projects.

To achieve the objectives proposed in the Plan, a number of projects and activities will need to be undertaken. An essential element of the Plan is a combination of private projects, public projects and infrastructure improvements. All redevelopment project activities shall be subject to the provisions of the City's ordinances and applicable codes as may be in existence and may be amended from time to time. Projects and activities necessary to implement the Plan may include the following:

1. Private Redevelopment Projects:

Rehabilitation of existing properties including adaptive reuse of certain existing buildings built for one use but proposed for another use (so long as such rehabilitation can comply with applicable City codes and the Generalized Land-Use Plan contained herein). New construction or reconstruction of private buildings at various locations as permitted by the Plan.

2. Public Redevelopment Projects:

Public projects and support activities will be used to induce and complement private investment. These may include, but are not limited to: street improvements; public building rehabilitation; land assembly and site preparation; street work; transportation improvement programs and facilities; public utilities (water, sanitary and storm sewer facilities); environmental clean-up; park improvements; school improvements; landscaping; traffic signalization; promotional and improvement programs; signage and lighting, as well as other programs as may be provided by the City and permitted by the Act.

3. Property Assembly:

Property assembly in accordance with this Plan may be undertaken by the private sector. Additionally, the City may encourage the preservation of buildings that are structurally sound and compatible with the overall redevelopment of the Area.

To meet the goals and objectives of the Plan, the City may acquire and assemble property throughout the Area. Land assemblage by the City may be by purchase, exchange, donation, lease, eminent domain or through the Tax Reactivation Program and may be for the purposes of (a) sale, lease or conveyance to private developers, or (b) sale, lease, conveyance or dedication for the construction of public improvements or facilities. Furthermore, the City may require written redevelopment agreements with developers before acquiring any properties. As appropriate, the City may devote acquired property to temporary uses until such property is scheduled for disposition and development. (Sub)Exhibit G-1, Land Acquisition Map located in Attachment Two of the Appendix, indicates the parcels to be acquired for clearance and redevelopment in the Project Area. (Sub)Exhibit G-2, Parcels To Be Acquired By City also included in Attachment Two of the Appendix portrays the acquisition properties in

more detail. Parcels of land may be acquired for the purposes of land assembly for future redevelopment. Site preparation may include demolition of existing improvements and environmental remediation, where appropriate.

In connection with the City exercising its power to acquire real property not currently identified on (Sub)Exhibit G-1, Land Acquisition Map located in Attachment Two of the Appendix, including the exercise of the power of eminent domain, under the Act in implementing the Plan, the City will follow its customary procedures of having each such acquisition recommended by the Community Development Commission (or any successor commission) and authorized by the City Council of the City. Acquisition of such real property as may be authorized by the City Council does not constitute a change in the nature of the Plan.

The City may demolish improvements, remove and grade soils and prepare sites with soils and materials suitable for new construction. Acquisition, clearance and demolition will, to the greatest extent possible, be timed to coincide with redevelopment activities so that tax-producing redevelopment closely follows site clearance.

The City may (a) acquire any historic structure (whether a designated City or State landmark or on, or eligible for, nomination to the National Register of Historic Places); (b) demolish any non-historic feature of such structure; and (c) incorporate any historic structure or historic feature into a development on the subject property or adjoining property.

For properties described on (Sub)Exhibit G-1, Land Acquisition Map located in Attachment Two of the Appendix, the acquisition of occupied properties by the City shall commence within four (4) years from the date of the publication of the ordinance approving the Plan. Acquisition shall be deemed to have commenced with the sending of an offer letter. After expiration of this four (4) year period, the City may acquire such property pursuant to the Plan under the Act according to its customary procedures described above.

Relocation assistance may be provided in order to facilitate redevelopment of portions of the Redevelopment Project Area and to meet the other City objectives. Businesses or households legally occupying properties to be acquired by the City may be provided with relocation advisory and/or financial assistance as determined by the City.

The estimated costs associated with the eligible redevelopment projects are presented in Table Three, Estimated Redevelopment Project Costs shown on the next page. These are projects that are necessary to carry out the capital improvements covering portions of the Midway Industrial Corridor Redevelopment Area and to address the additional needs identified in preparing this Plan. This estimate includes reasonable or necessary costs incurred or estimated to be incurred in the implementation of this Plan. Some of the costs listed in Table Three, Estimated Redevelopment Project Costs will become eligible costs under the Act pursuant to an amendment to the Act which will become effective November 1, 1999. In no instance, however, shall such additions or adjustments result in any increase in the total redevelopment costs without further amendment to this Redevelopment Plan.

Table Three.

Estimated Redevelopment Project Costs.

Activity	Cost ¹
1. Planning, Legal, Professional Services, Administrative	\$ 3,000,000
2. Property Assembly; Site Clearance, Clean-Up; Site Preparation and Environmental Remediation	12,000,000

¹ Further descriptions of costs are provided in Section VII of this Plan. Certain costs contained in this table will be eligible costs as of November 1, 1999 pursuant to an amendment to the Act.

In addition to the above stated costs, each issue of bonds issued to finance a phase of the project may include an amount of proceeds sufficient to pay customary and reasonable charges associated with the issuance of such obligations, including interest. Adjustments to the estimated line item costs above are expected and may be made by the City without amendment to the Plan. Each individual project cost will be re-evaluated in light of projected private development and resulting incremental tax revenues as it is considered for public financing under the provisions of the Act. The totals of line items set forth above are an upper estimate of expenditures. Adjustments may be made in line items within the total and may be made without amendment to the Plan. The City may incur Redevelopment Project Costs which are paid for from the funds of the City other than incremental taxes, and the City may then be reimbursed for such costs from incremental taxes. In no instance, however, shall such additions or adjustments result in any increase in the total redevelopment costs without further amendment to this Redevelopment Plan.

Activity	Cost ¹
3. Rehabilitation Costs and New Construction	\$23,500,000
4. Public Works or Improvements	9,000,000
5. Job Training, Welfare to Work and Day Care	6,500,000
6. Taxing Districts' Capital Costs	2,000,000
7. Relocation Costs	3,000,000
8. Interest Subsidy	<u>6,000,000</u>
TOTAL REDEVELOPMENT PROJECT COSTS:	\$65,000,000

The City proposes to achieve its redevelopment goals and objectives for the Area through the use of public financing techniques including, but not limited to tax increment financing. The City also reserves the right to undertake additional activities and improvements authorized under the Act.

¹ Further descriptions of costs are provided in Section VII of this Plan. Certain costs contained in this table will be eligible costs as of November 1, 1999 pursuant to an amendment to the Act.

In addition to the above stated costs, each issue of bonds issued to finance a phase of the project may include an amount of proceeds sufficient to pay customary and reasonable charges associated with the issuance of such obligations, including interest. Adjustments to the estimated line item costs above are expected and may be made by the City without amendment to the Plan. Each individual project cost will be re-evaluated in light of projected private development and resulting incremental tax revenues as it is considered for public financing under the provisions of the Act. The totals of line items set forth above are an upper estimate of expenditures. Adjustments may be made in line items within the total and may be made without amendment to the Plan. The City may incur Redevelopment Project Costs which are paid for from the funds of the City other than incremental taxes, and the City may then be reimbursed for such costs from incremental taxes. In no instance, however, shall such additions or adjustments result in any increase in the total redevelopment costs without further amendment to this Redevelopment Plan.

The City may enter into redevelopment agreements or intergovernmental agreements with private entities or public entities to construct, rehabilitate, renovate or restore private or public improvements on one or several parcels (collectively referred to as Redevelopment Projects). Redevelopment agreements may contain terms and provisions that are more specific than the general principles set forth in this Plan and which may include affordable housing requirements.

D. Assessment Of Financial Impact On Taxing Districts.

In 1994, the Act was amended to require an assessment of any financial impact of the redevelopment project area on, or any increased demand for services from, any taxing district affected by the redevelopment plan and a description of any program to address such financial impacts or increased demand. The City intends to monitor development in the Area and with the cooperation of the other affected taxing districts will attempt to ensure that any increased needs are addressed in connection with any particular development.

The following major taxing districts presently levy taxes against properties located within the Area:

Cook County. The County has principal responsibility for the protection of persons and property, the provision of public health services and the maintenance of County highways.

Cook County Forest Preserve District. The Forest Preserve District is responsible for acquisition, restoration and management of lands for the purpose of protecting and preserving open space in the City and County for the education, pleasure and recreation of the public.

Metropolitan Water Reclamation District Of Greater Chicago. This district provides the main trunk lines for the collection of wastewater from cities, villages and towns, and for the treatment and disposal thereof.

Chicago Community College District 508. This district is a unit of the State of Illinois' system of public community colleges, whose objective is to meet the educational needs of residents of the City and other students seeking higher education programs and services.

Board Of Education Of The City Of Chicago. General responsibilities of the Board of Education include the provision, maintenance and operations of educational facilities and the provision of educational services for kindergarten through twelfth grade. No public schools are located within the Area. Chicago

Public Schools located near the Area are shown on (Sub)Exhibit A, Boundary Map of T.I.F. Area included as Attachment Two of the Appendix.

Chicago Park District. The Park District is responsible for the provision, maintenance and operation of park and recreational facilities throughout the City and for the provision of recreation programs. Archer Park is located in the Area. This park, as well as other parks near the Area are located on (Sub)Exhibit A, Boundary Map of T.I.F. Area included in Attachment Two of the Appendix.

Chicago School Finance Authority. The Authority was created in 1975 to exercise oversight and control over the financial affairs of the Board of Education.

City Of Chicago. The City is responsible for the provision of a wide range of municipal services, including: police and fire protection; capital improvements and maintenance; water supply and distribution; sanitation service; building, housing and zoning codes, et cetera.

City Of Chicago Library Fund. The Chicago Library District operates and maintains seventy-nine (79) libraries throughout the City of Chicago. Several branches are located near the Area that provide library services for residents of the Area and adjacent neighborhoods.

The extent of the land-use changes discussed previously is not likely to result in significant new service demands on the City and other taxing districts. In addition, in some other locations existing residential uses may be replaced by new or expanded commercial uses and therefore will have an offsetting effect.

The City finds that the financial impact on taxing districts of the City implementing the Plan and establishing the Area is not significant and that the Plan and Area will not result in significant increased demand for facilities or services from any taxing district. The replacement of vacant and underutilized properties with new development may cause some increased demand for services and/or capital improvements. These services are provided by the Metropolitan Water Reclamation District (M.W.R.D.) and the City (fire and police protection as well as sanitary collection, recycling, et cetera). It is not anticipated that the demand for increased services and facilities will be significant because nearly all of the Area is currently developed or was developed at one time and is currently receiving services via the existing infrastructure. Any increase in demand can be adequately handled by existing facilities of the M.W.R.D.. Likewise, services and facilities of the City of Chicago are adequate to handle any increased demand that may occur.

The major goals of this Plan are to: revitalize and restore existing business areas; assemble tracts of land for new private business development; accomplish the planned program of public improvements; achieve new business in-fill development wherever possible and address the needs identified herein which cause the Area to qualify for T.I.F. under the Act. Existing built-up areas are proposed to be revitalized and stabilized. Revitalization is not anticipated to result in a need for new facilities or expanded services from area taxing bodies.

The costs presented in Table Three -- Estimated Redevelopment Project Costs, have included a limited portion of costs associated with capital improvement projects for Area taxing jurisdictions. The City will monitor the progress of the Plan and its future impacts on all local taxing bodies. In the event significant adverse impacts are identified that increase demand for facilities or services in the future, the City will consider utilizing tax increment proceeds or other revenues, to the extent they are available to assist in addressing needs that are in conformance with this Plan.

The Area represents a very small portion (approximately zero and fourteen hundredths percent (0.14%)) of the total tax base of the City. In recent years, E.A.V. in the Area has not been growing at a rate consistent with that of adjacent areas as previously noted. Hence, the taxing bodies will benefit from a program designed to stabilize the tax base in the Area, check the declining tax revenues that are the result of deterioration in the Area and attract new growth and development in the future.

E. Prior Efforts.

A description has been previously given regarding the prior public improvement and activities initiated by the City and others that are designed to improve selected areas within or near the Area. Each of these prior efforts involved area residents, elected officials, businesses and neighborhood groups. In addition, as part of the process of preparing this Plan several community meetings were held and elicited comments and input from those residing in or doing business in the Area.

Each of the efforts outlined previously were directed at specific major public improvements in the Area. However, broader efforts that address Area-wide issues are needed:

- eliminate blighting factors;
- redevelop abandoned sites;

- improve transportation services, including provision of or improvement to centralized parking areas, and incorporation of vehicular traffic and safety measures;
- initiate employment training programs so as to better prepare the labor force in the Area for employment opportunities;
- undertake physical improvements to improve the appearance, image and marketability of the Area; and
- encourage other proposals that can create long-term economic life and stability.

Section VII.

Statutory Compliance And Implementation Strategy.

The development and follow through of an implementation strategy is an essential element in achieving the success of this Plan. In order to maximize program efficiency and to take advantage of current developer interest in the Area, and with full consideration of available funds, a phased implementation strategy will be employed.

A combination of private investments and projects and public improvements and projects is an essential element of the Plan. In order to achieve this end, the City may enter into agreements with public entities or private developers, where deemed appropriate by the City, to facilitate public or private projects. The City may also contract with others to accomplish certain public projects and activities as contained in this Plan.

Costs that may be incurred by the City in implementing this Plan may include, without limitation, project costs and expenses that may be eligible under the Act, as amended from time to time, including those costs that are necessary and related or incidental to those listed below as currently permitted by the Act. Some of the costs listed below will become eligible costs under the Act pursuant to an amendment to the Act which will become effective November 1, 1999:

1. Costs of studies, surveys, development of plans and specifications, implementation and administration of the Plan including but not limited to staff and professional service costs for architectural, engineering, legal, marketing, financial, planning or other services.

2. Property assembly costs, including but not limited to acquisition of land and other property, real or personal or rights or interests therein, demolition of buildings, site preparation, site improvements that serve as an engineered barrier addressing ground level or below ground environmental contamination, including, but not limited to parking lots and other concrete or asphalt barriers, and the clearing and grading of land.
3. Costs of rehabilitation, reconstruction or repair or remodeling of existing public or private buildings, fixtures, and leasehold improvements.
4. The cost of replacing an existing public building if pursuant to the implementation of a redevelopment project the existing public building is to be demolished to use the site for private investment or devoted to a different use requiring private investment and the cost of construction of public works or improvements.
5. Cost of job training and retraining projects including the costs of "welfare to work" programs implemented by businesses located within the redevelopment project area.
6. Financing costs, including but not limited to all necessary and incidental expenses related to the issuance of obligations and which may include payment of interest on any obligations issued thereunder including interest accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for not exceeding thirty-six (36) months thereafter and including reasonable reserves related thereto.
7. To the extent the City by written agreement accepts and approves the same, all or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred (consistent with statutory requirements) within the taxing district in furtherance of the objectives of the Plan and Project.
8. Relocation costs to the extent that a municipality determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or state law.
9. Payments in lieu of taxes.

10. Costs of job training, retraining, advanced vocational education or career education, including but not limited to courses in occupational, semi-technical or technical fields leading directly to employment, incurred by one or more taxing districts, provided that such costs: (i) are related to the establishment and maintenance of additional job training, advanced vocational education or career education programs for persons employed or to be employed by employers located in a Redevelopment Project Area; (ii) when incurred by a taxing district or taxing districts other than the municipality, are set forth in a written agreement by or among the municipality and the taxing district or taxing districts, which agreement describes the program to be undertaken, including but not limited to the number of employees to be trained, a description of the training and services to be provided, the number and type of positions available or to be available, itemized costs of the program and sources of funds to pay for the same, and the term of the agreement. Such costs include, specifically, the payment by community college districts of costs pursuant to Sections 3-37, 3-38, 3-40 and 3-40.1 of the Public Community College Act (as defined in the Act) and by school districts of costs pursuant to Sections 10-22.20a and 10-23.3a of the School Code (as defined in the Act).
11. Interest costs incurred by a redeveloper related to the construction, renovation or rehabilitation of a redevelopment project provided that:
 - (A) such costs are to be paid directly from the special tax allocation fund established pursuant to the Act; and
 - (B) such payments in any one (1) year may not exceed thirty percent (30%) of the annual interest costs incurred by the redeveloper with regard to the redevelopment project during that year;
 - (C) if there are not sufficient funds available in the special tax allocation fund to make the payment pursuant to this paragraph (11) then the amounts so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund;
 - (D) the total of such interest payments paid pursuant to this Act may not exceed thirty percent (30%) of the total: (i) cost paid or incurred by the redeveloper for the redevelopment project plus (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by a municipality pursuant to this Act; and

- (E) the thirty percent (30%) limitation in (B) and (D) above may be increased to up to seventy-five percent (75%) of the interest cost incurred by a redeveloper for the financing of rehabilitated or new housing for low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act.
- 12. An elementary, secondary or unit school district's increased costs attributable to assisted housing units as provided in the Act.
- 13. Up to fifty percent (50%) of the cost of construction, renovation and/or rehabilitation of all low- and very low-income housing units (for ownership or rental) as defined in Section 3 of the Illinois Affordable Housing Act. If the units are part of a residential redevelopment project that includes units not affordable to low- and very low-income households, only the low- and very low-income units shall be eligible for this benefit under the Act.
- 14. The cost of day care services for children of employees from low-income families working for businesses located within the redevelopment project area and all or a portion of the cost of operation of day care centers established by redevelopment project area businesses to serve employees from low-income families working in businesses located in the redevelopment project area. For the purposes of this paragraph, "low-income families" means families whose annual income does not exceed eighty percent (80%) of the City, county or regional median income as determined from time to time by the United States Department of Housing and Urban Development.

A. Most Recent Equalized Assessed Valuation.

The purpose of identifying the most recent equalized assessed valuation (E.A.V.) of the Area is to provide an estimate of the initial E.A.V. which the Cook County Clerk will certify for the purpose of annually calculating the incremental E.A.V. and incremental property taxes of the Area. The 1998 E.A.V. of all taxable parcels in the Area is approximately Forty-eight Million Seven Hundred Thousand Dollars (\$48,700,000). This total E.A.V. amount, by permanent index number, is summarized in 1998 Estimated E.A.V. by Tax Parcel included as Attachment Four of the Appendix. The E.A.V. is subject to verification by the Cook County Clerk. After verification, the final figure shall be certified by the Cook County Clerk, and shall become the Certified Initial E.A.V. from which all incremental property taxes in the Area will be calculated by Cook County. If the 1998 E.A.V. shall become available prior to the date of the adoption of the Plan by the City Council, the City

may update the Plan by replacing the 1997 E.A.V. with the 1998 E.A.V. without further City Council action.

B. Redevelopment Valuation.

Contingent on the adoption of this Plan, it is anticipated that several major private developments and/or improvements may occur within the Area. The private redevelopment investment and anticipated growth that will result from redevelopment and rehabilitation activity in this Area is expected to increase the equalized assessed valuation to approximately Sixty-two Million Dollars (\$62,000,000) to Sixty-seven Million Dollars (\$67,000,000). This is based, in part, upon an assumption that the vacant buildings and vacant land in the Area will be improved and increase in assessed value. These actions will stabilize values in the remainder of the area and further stimulate rehabilitation and expansion of existing viable businesses. It is estimated that, by the year 2023, the total E.A.V. of all property in the Area will be from approximately One Hundred Forty-five Million Dollars (\$145,000,000) to One Hundred Eighty Million Dollars (\$180,000,000).

C. Sources Of Funds.

The primary source of funds to pay for Redevelopment Project Costs associated with implementing the Plan shall be funds collected pursuant to tax increment allocation financing to be adopted by the City in connection with the Plan. Under such financing, tax increment revenue resulting from increases in the E.A.V. of property in the Area shall be allocated to a special fund each year (the "Special Tax Allocation Fund"). The assets of the Special Tax Allocation Fund shall be used to pay Redevelopment Project Costs and retire any obligations incurred to finance Redevelopment Project Costs.

In order to expedite the implementation of the Plan and construction of the public improvements and projects, the City of Chicago, pursuant to the authority granted to it under the Act, may issue bonds or other obligations to pay for the eligible redevelopment project costs. These obligations may be secured by future revenues to be collected and allocated to the Special Tax Allocation Fund. The City may incur Redevelopment Project Costs which are paid for from funds of the City other than incremental taxes, and the City may then be reimbursed for such costs from incremental taxes.

If available, revenues from other economic development funding sources, public or private, will be utilized. These may include City, state and federal programs, local retail sales tax, applicable revenues from any adjoining tax increment financing areas, and land disposition proceeds from the sale of land in the Area, as well as

other revenues. The final decision concerning redistribution of yearly tax increment revenues may be made a part of a bond ordinance.

In the future, the Area may be contiguous to, or be separated only by a public right-of-way from, other redevelopment project areas created under the Act. The City may utilize net incremental property taxes received from the Area to pay eligible redevelopment project costs, or obligations issued to pay such costs, in other contiguous redevelopment project areas, or those separated only by a public right-of-way, and vice versa. The amount of revenue from the Area made available to support such contiguous redevelopment project areas or areas separated only by a public right-of-way, when added to all amounts used to pay eligible Redevelopment Project Costs within the Area, shall not at any time exceed the total Redevelopment Project Costs described in this Plan.

The Area may become contiguous to, or be separated only by a public right-of-way from, redevelopment project areas created under the Industrial Jobs Recovery Law (65 ILCS 5/11-74.61-1, et seq., as amended). If the City finds that the goals, objectives and financial success of such contiguous redevelopment project areas or those separated only by a public right-of-way are interdependent with those of the Area, the City may determine that it is in the best interests of the City and in furtherance of the purposes of the Plan that net revenues from the Area be made available to support any such redevelopment project areas, and vice versa. The City therefore proposes to utilize net incremental revenues received from the Area to pay eligible Redevelopment Project Costs (which are eligible under the Industrial Jobs Recovery Law referred to above) in any such areas, and vice versa. Such revenues may be transferred or loaned between the Area and such areas. The amount of revenue from the Area so made available, when added to all amounts used to pay eligible redevelopment project costs within the Area or other areas as described in the preceding paragraph, shall not at any time exceed the total Redevelopment Project Costs described in Table Three of this Plan.

D. Nature And Term Of Obligation.

Without excluding other methods of City or private financing, a major source of funding will be those deposits made into the Special Tax Allocation Fund of monies received from the taxes on the increased value (above the initial equalized assessed value) of real property in the Area. These monies may be used to repay private or public sources for the expenditure of funds made as Redevelopment Project Costs for applicable public or private redevelopment activities noted above, or may be used to amortize T.I.F. Revenue obligations, issued pursuant to this Plan, for a term not to exceed twenty (20) years bearing an annual interest rate as permitted by law.

Revenues received in excess of one hundred percent (100%) of funds necessary for the payment of principal and interest on the bonds and not needed for other redevelopment project costs or early bond retirements may be declared as surplus and become available for distribution annually to the taxing bodies to the extent that this distribution of surplus does not impair the financial viability of the project or the bonds. One (1) or more bond issues may be sold at any time in order to implement this Plan.

E. Completion Of Redevelopment Project And Plan.

The redevelopment project shall be completed, and all obligations issued to finance redevelopment costs shall be retired no later than December 31 of the year in which the payment to the City Treasurer as provided in the Act is to be made with respect to ad valorem taxes levied in the twenty-third (23rd) calendar year following the year in which the ordinance approving this redevelopment project area is adopted (by December 31, 2024).

F. Commitment To Fair Employment Practices, Affirmative Action Plan And Affordable Housing.

The City is committed to and will affirmatively implement the following principles in redevelopment agreements with respect to this Plan:

1. The assurance of equal opportunity in all personnel and employment actions, including, but not limited to: hiring, training, transfer, promotion, discipline, fringe benefits, salary, employment working conditions, termination, et cetera, without regard to race, color, religion, sex, age, handicapped status, national origin, creed or ancestry.
2. Redevelopers will meet City of Chicago standards for participation of Minority Business Enterprises and Woman Business Enterprises and the City Resident Construction Worker Employment Requirement as required in redevelopment agreements; provided, however, that some or all of these requirements may be waived or reduced for developers who are participating in one (1) of the City's small business improvement programs.
3. This commitment to affirmative action will ensure that all members of the protected groups are sought out to compete for all job openings and promotional opportunities.

4. The City requires that developers who receive T.I.F. assistance for market rate housing set aside twenty percent (20%) of the units to meet affordability criteria established by the City's Department of Housing. Generally, this means the affordable for-sale units should be priced at a level that is affordable to persons earning no more than one hundred twenty percent (120%) of the S.M.S.A. median income, and affordable rental units should be affordable to persons earning no more than eighty percent (80%) of the S.M.S.A. median income.

In order to implement these principles, the City shall require and promote equal employment practices and affirmative action on the part of itself and its contractors and vendors. In particular, parties engaged by the City shall be required to agree to the principles set forth in this section.

G. Housing Impact And Related Matters.

Because the Area includes residential units whose occupants may be displaced as a result of the Plan, information regarding the potential impact on such residents and residential units is being provided in this Plan. Included in this Plan are (Sub)Exhibit G-1, Land Acquisition Map and (Sub)Exhibit C, Generalized Land-Use Plan included as Attachment Two of the Appendix, which indicate that parcels of real property on which there are buildings containing residential units that may be removed and that, to the extent those units are inhabited, the residents thereof will be displaced. The number and type of residential buildings in the Area potentially affected by this Plan were identified during the building condition and land-use survey conducted as part of the eligibility analysis for the Area. A good faith estimate and determination of the number of residential units within each such building, whether such residential units were inhabited and whether the inhabitants were low-income or very low-income households were based on a number of research and analytical tools including, where appropriate, physical building surveys, data received from building owners and managers and data bases maintained by the City's Department of Planning and Development, Cook County tax assessment records and census data.

The Area contains fifty (50) single-family residential buildings and two (2) multi-family buildings containing a total of twelve (12) residential units. All of the sixty-two (62) residential units in the Area are inhabited. No mixed-use buildings (buildings with first (1st) floor commercial uses and second (2nd) floor residential uses) are located in the Area.

Any buildings containing residential units that may be removed and any displacement of residents of inhabited units projected herein are expressly intended to be within the contemplation of the comprehensive program intended or sought to be implemented pursuant to this Plan. To the extent that any such removal or displacement will affect households of low-income and very low-income persons, there shall be provided affordable housing and relocation assistance not less than that which would be provided under the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the regulations thereunder, including the eligibility criteria. Affordable housing may either be existing or newly constructed housing and the City shall make a good faith effort to ensure that the affordable housing is located in or near the Area. For the purposes hereof, "low-income households", "very low-income households", and "affordable households" shall have the meanings set forth in the Illinois Affordable Housing Act.

Based on the acquisition map designated in the Plan as (Sub)Exhibit G-1, Land Acquisition Map located in Attachment Two of the Appendix, there are two (2) occupied single-family residential units that, if the Plan is implemented in that regard, would result in the buildings being removed. One (1) unit is located north of 43rd Street and the other is located north of 44th Street along Cicero Avenue. According to data taken from the 1990 U.S. Census, one (1) inhabited single-family household that would be removed is estimated to be occupied by a family classified as very low-income and one (1) is estimated to be occupied by a family classified as low-income. No multi-family residential units are identified for acquisition.

Based on the land-use map included herein as (Sub)Exhibit C, Generalized Land-Use Plan included as Attachment Two of the Appendix, when compared to (Sub)Exhibit B, Existing Land-Use Assessment Map, also included in Attachment Two of the Appendix, there are certain parcels of property currently containing residential uses and units that, if the Plan is implemented in that regard, would result in such buildings being removed. The property associated with the two (2) multi-family buildings (a total of twelve (12) occupied units) located in the area is identified as a land-use other than residential on (Sub)Exhibit C, Generalized Land-Use Plan included as Attachment Two of the Appendix and therefore would be removed. Four (4) of the twelve (12) inhabited multi-family households that would be removed are estimated to be occupied by families classified as low-income. Two (2) of the twelve (12) inhabited multi-family households that would be removed are estimated to be occupied by families classified as very low-income. Therefore, six (6) of the twelve (12) inhabited multi-family households that would be removed are estimated to be occupied by families classified as low- and very low-income. In addition, the property associated with forty-nine (49) occupied single-family residential units located in the northern portion of the Area between Cicero Avenue on the west, the Stevenson Expressway (I-55) on the north, the Belt Line Rail Road on the east and 44th and 45th Streets on the south is identified as a land-use other than residential on (Sub)Exhibit C, Generalized Land-Use Plan included as

Attachment Two of the Appendix and therefore would be removed if the Plan is implemented in the manner proposed. The property associated with one (1) single-family unit in the southern portion of the Area is identified as residential on (Sub)Exhibit C, Generalized Land-Use Plan included as Attachment Two of the Appendix and therefore would not be removed. According to data taken from the 1990 United States Census, sixteen (16) of the forty-nine (49) inhabited single-family households are estimated to be occupied by families classified as low-income and twelve (12) of the forty-nine (49) inhabited single-family households are estimated to be occupied by families classified as very low-income. Therefore, twenty-eight (28) of the forty-nine (49) inhabited single-family households that would be affected by a change in land-use are estimated to be occupied by families classified as low- and very low-income.

It should be noted that the properties identified as being within an area designated as a land-use other than residential are not being proposed for acquisition (except for the two (2) single-family residential units discussed above and identified on (Sub)Exhibit G-1). The documentation of the presence of these properties is not intended to indicate their removal. The purpose is to document the types of units and the number of low- and very low-income residents that may be displaced if this Plan is implemented as indicated on the Generalized Land-Use Plan.

(Sub)Exhibit G-2, Parcels To Be Acquired By City included in Attachment Two of the Appendix and Attachment Four of the Appendix, 1998 Estimated E.A.V. by Tax Parcel, contain references to reflect the parcels containing buildings and units of residential housing that are impacted by the discussion presented in the previous paragraphs.

H. Amending The Redevelopment Plan.

This Plan may be amended in accordance with the provisions of the Act.

I. Conformity Of The Plan For The Area To Land Uses Approved By The Planning Commission Of The City.

This Plan and the Project described herein include the generalized land uses set forth on the Generalized Land-Use Plan, as approved by the Chicago Plan Commission prior to the adoption of the Plan by the City of Chicago.

Eligibility Study
Revision Number 1

Midway Industrial Corridor Tax Increment Financing
Redevelopment Plan And Project.

October 11, 1999
(Revised As Of January 7, 2000)

*I.**Introduction.*

P.G.A.V. Urban Consulting (the "Consultant") has been retained by the City of Chicago (the "City") to prepare a Tax Increment Financing Redevelopment Plan and Project for the proposed redevelopment project area known as the Midway Industrial Corridor Redevelopment Area (the "Area"). Prior to preparation of the Plan, the Consultant undertook various surveys and investigations of the Area to determine whether the Area, containing all or part of seventy-five (75) full or partial City blocks and approximately three hundred eighty-four (384) acres, qualifies for designation as a tax increment financing district, pursuant to the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended ("the Act"). This report summarizes the analyses and findings of the Consultant's work. This assignment is the responsibility of P.G.A.V. Urban Consulting who has prepared this Eligibility Study with the understanding that the City would rely: 1) on the findings and conclusions of this Eligibility Study in proceeding with the designation of the Area as a redevelopment project area under the Act, and 2) on the fact that P.G.A.V. Urban Consulting has obtained the necessary information to conclude that the Area can be designated as a redevelopment project area in compliance with the Act.

Following this introduction, Section II presents background information for the Area including the geographic location, description of current conditions and area data; Section III documents the building condition assessment and qualifications of the Area as a conservation area and as a vacant blighted area under the Act. Section IV, Summary and Conclusions, documents the findings of the Eligibility Study.

*II.**Background Information.**A. Location And Size Of Area.*

The Midway Industrial Corridor Redevelopment Project Area (hereafter referred to as the "Area") is located on the southwest side of the City of Chicago ("City"). The Area is approximately twelve (12) miles southwest of the central business district.

The Area covers approximately three hundred eighty-four (384) acres and includes seventy-five (75) (full and partial) city blocks. The Area is irregularly shaped. The boundary of the Area generally parallels two (2) Belt Railway of Chicago railroad rights-of-way. The railroad rights-of-way form a north/south and east/west spine that bisects industrial properties located between the Stevenson Expressway (I-55) on the north to Midway Airport on the south. The boundaries of the Area are shown on (Sub)Exhibit A, Boundary Map of T.I.F. Area included in Attachment Two of the Appendix.

B. Description Of Current Conditions.

The Area contains one hundred thirty-four (134) buildings and approximately three hundred seventy-eight (378) parcels covering approximately three hundred eighty-four (384) acres. Of the approximately three hundred eighty-four (384) acres in the Area, the land-use breakdown within the Area is as follows:

Land-Use	Percentage Of Gross Land Area	Percentage Of Net Land Area ¹
Residential	1.7	2.2
Commercial	2.1	2.8
Industrial	60.9	78.3
Institutional and Related	4.0	5.2
Vacant/Undeveloped	9.0	11.5
Public Right-of-Way	22.3	NA

Note:

¹ Net land area exclusive of public rights-of-way.

Much of the Area is in need of redevelopment, rehabilitation and revitalization and is characterized by:

- the predominance (seventy-eight percent (78%)) of structures that are thirty-five (35) years old or older;
- obsolescence (seventy-five percent (75%) of buildings or structures);
- deterioration (fifty-eight percent (58%) of structures or site improvements); and
- depreciation of physical maintenance (eighty-nine percent (89%) of structures or site improvements).

The Area on the whole has not been subject to growth and private investment and is not expected to do so without the adoption of the Plan. Age and the requirements of contemporary commercial and industrial tenants have caused portions of the Area and its building stock to become obsolete and may result in further private disinvestment in the Area.

Along portions of Cicero, Keating and Kilpatrick Avenues and 43rd and 54th Streets, numerous vacant lots exist where once viable commercial or residential structures stood. In other sections of the Area, industrial uses are vacant and underutilized. In the northern portion of the Area, several sites contain deleterious land uses that exhibit depreciation of physical maintenance, deterioration, lack of community planning and obsolescence that impact negatively on surrounding residential areas. Several structures associated with fixed-base operators at Midway Airport exhibit various blighting characteristics. Finally, public streets, sidewalks, curbs, viaducts and at-grade rail crossings are in need of repair or upgrade.

Along Archer Avenue there are numerous commercial uses that exhibit excessive land coverage and obsolete layouts that provide little off-street parking. In addition, in this commercial corridor, excessive signage, depreciation of maintenance on building facades and streetscapes in need of upgrade and improvement contribute to the declining visual character of the Area.

Efforts by the City to check decline have met with limited success. The City and the State of Illinois ("State") have included a portion of the Area in Enterprise Zone Number 2 (see (Sub)Exhibit F, Enterprise Zone Map located in Attachment Two of the Appendix). As noted on the map, this designation only covers a portion (approximately thirty-six and five-tenths percent (36.5%)) of the Area east of Cicero Avenue. However, these initiatives have not reversed decline in the Area. Additional areas along Cicero Avenue and Archer Avenue are still vacant and underutilized or

the buildings exhibit depreciation of maintenance. Streetscapes along the major streets of the Area are in need of upgrade and improvement. It is anticipated that in the future, the Enterprise Zone benefits and incentives in conjunction with components of this tax increment finance strategy, will greatly assist in addressing Area-wide problems.

From 1993 through 1998, the Equalized Assessed Value (E.A.V.) of Lake Township, the township that includes the Midway Industrial Corridor Redevelopment Project Area, increased from Three Billion One Hundred Million Dollars (\$3,100,000,000) to Four Billion Dollars (\$4,000,000,000) according to Cook County records. This represents a gain of Nine Hundred Million Dollars (\$900,000,000) (annual average of five and eight-tenths percent (5.8%)) during this six (6) year period. In 1993 the E.A.V. of the Area was Thirty-nine Million Five Hundred Thousand Dollars (\$39,500,000). In 1998, the E.A.V. of the Area was Forty-eight Million Seven Hundred Thousand Dollars (\$48,700,000).

This represents an average annual growth rate of approximately four and seven-tenths percent (4.7%) during the six (6) year period between 1993 and 1998. Therefore, the Area has experienced an E.A.V. growth rate approximately twenty-three and four-tenth percent (23.4%) less than the overall E.A.V. growth rate experienced in Lake Township during this same period. In addition, a significant amount of the growth that has occurred in the Area occurred in the reassessment year of 1997. Between 1997 and 1998, the E.A.V. of the Area declined from Forty-nine Million Dollars (\$49,000,000) to Forty-eight Million Seven Hundred Thousand Dollars (\$48,700,000). Between 1996 and 1997 the E.A.V. of the Area grew by ten and one-tenth percent (10.1%). Prior to 1997, the growth rate of the Area was much lower. Between 1995 and 1996 the E.A.V. of the Area only grew by approximately One Million Eighty Thousand Dollars (\$1,080,000) or two and five-tenths percent (2.5%). Between 1994 and 1995 the E.A.V. of the Area grew by approximately One Hundred Thousand Dollars (\$100,000) or a minimal zero and two-tenths percent (0.2%). Further, approximately nine and five-tenths percent (9.5%) of the properties in the Area are delinquent in the payment of 1997 real estate taxes and sixty-nine (69) building code violations have been issued on buildings since July 1, 1994.

Since July 1, 1994, two (2) building permits for major new buildings and five (5) permits for major rehabilitation projects have been issued in the Area by the City. The two (2) permits associated with new buildings were issued for construction of a new commercial structure and a new residential structure. The five (5) permits associated with major rehabilitation projects were issued for an addition to and existing industrial site (three (3) permits), interior renovations to a motel, and interior renovations to an Area high school. Approximately seventy-eight percent (78%) of the one hundred thirty-four (134) buildings in the Area are or exceed thirty-five (35) years of age.

Some buildings have been vacant for more than one (1) year and portions of the Area are vacant and have not generated private development interest for more than five (5) years. The amount of vacant land and approximately two hundred ninety-eight thousand (298,000) square feet of vacant floor area add significantly to the view that the Area may experience additional evidence of blight and that market acceptance of portions of the Area is not favorable.

It is clear from the study of this Area and documentation in this Eligibility Study (long-term vacancies, properties that are tax delinquent, absence of new private development occurring, E.A.V. growth of the Area below that of surrounding areas, et cetera) that private revitalization and redevelopment has not occurred to overcome the blighted conditions that currently exist. The Area is not reasonably expected to be developed without the aggressive efforts and leadership of the City, including the adoption of the Plan.

C. Area Data And Profile.

Public Transportation.

A description of the transportation network of the Area is provided to document access to the Area and the existing availability of public transportation to identify future potential needs of the Area. The frequent spacing of C.T.A. bus lines and direct connection service to C.T.A. train station locations provides all sections of the Area with reasonable commuter transit alternatives.

C.T.A. Bus And Transit Routes.

The Area is served by several C.T.A. bus routes. These routes include:

- North/South Routes:
 - Route 54B: Cicero Avenue
- East/West Routes:
 - Route 62/62H: Archer Avenue
 - Route 47: 47th Street
 - Route 55: 55th Street

Routes 54B (Cicero Avenue) and 55 (55th Street) connect with the C.T.A. Orange Line at the new Midway Station immediately south of the Area. Routes 54B (Cicero Avenue) connects with the Blue Line north of the Area and Routes 47 (47th Street) and 55 (55th Street) connect with the Red Line to the east. No Metra commuter stations are located in the Area.

Street System.

Region.

Access to the regional street system is primarily provided via the Adlai E. Stevenson Expressway (I-55) which is adjacent to the northern portion of the Area. In addition, Cicero Avenue (State Highway 50) passes through the Area in several locations.

Local.

47th Street, 55th Street and Archer Avenue are arterial class streets. Archer Avenue generally has one (1) or two (2) travel lanes in each direction and curbside parking lanes. 47th Street and 55th Street generally have one (1) travel lane in each direction and a curbside-parking lane. All of the arterial streets in the Area experience significant volumes of vehicular and truck traffic.

Internal Traffic Patterns And Parking.

The commercial corridors of the Area and traffic associated with Midway Airport generate the majority of the internal traffic within the Area. South of the Area, rental car return lots, taxi and limousine staging areas and travelers accessing Midway generate large volumes of traffic along Cicero Avenue and Archer Avenue.

Viaducts And Rail Crossings.

There are two (2) viaducts located in the Area, one (1) on Cicero Avenue immediately north of Midway Airport and one (1) on 47th Street east of Cicero Avenue in the extreme northeastern corner of the Area. At-grade rail crossings associated with the BRC and IHB Railroads are located at various locations in the Area. The at-grade crossings promote delays for Area traffic given that traffic flow is often interrupted by frequent rail activity. These interruptions are most common along the BRC rail line east of Cicero Avenue at Archer Avenue.

The major streets within the Area have peak-period parking restrictions, which can increase street capacity and improve efficiency. Parking in the Area is typically limited to off-street parking provided by individual businesses. The exception to this condition is the large parking lot located north of 55th Street west of Cicero Avenue. Midway Airport utilizes this lot for long-term parking.

The commercial sections of the Area located along Archer Avenue are in need of increased parking for patrons and employees. Individual businesses along these streets have narrow street frontage and some buildings that cover one hundred percent (100%) of the lot prevents any on-site parking. Parking in the industrial area in the northern portion of the Area is also limited and in some instances residents and employees of industrial uses must compete for off-site parking along local streets.

Pedestrian Traffic.

Pedestrian traffic is present along the major arterial streets in the Area although heavy concentrations are not common.

Low- And Very Low-Income Households.

Because the Area includes residential units whose occupants may be displaced, information regarding the potential impact on such residents and residential units is being provided. The number and type of residential buildings in the Area were identified during the building condition and land-use survey conducted as part of this eligibility analysis. A good faith estimate and determination of the number of residential units within each such building, whether such residential units were inhabited and whether the inhabitants were low-income or very low-income households were based on a number of research and analytical tools including, where appropriate, physical building surveys, data received from building owners and managers and data bases maintained by the City's Department of Planning and Development, Cook County tax assessment records and census data. For the purposes hereof, "low-income households" and "very low-income households" shall have the meanings set forth in the Illinois Affordable Housing Act.

The Area contains fifty (50) single-family residential buildings and two (2) multi-family buildings containing a total of twelve (12) residential units. All of the sixty-two (62) residential units in the Area are inhabited. No mixed-use buildings (buildings with first (1st) floor commercial uses and second (2nd) floor residential uses) are located in the Area.

According to data taken from the 1990 U.S. Census, sixteen (16) of the fifty (50) inhabited single-family households and four (4) of the twelve (12) inhabited multi-family households are estimated to be occupied by families classified as low-income. Twelve (12) of the fifty (50) inhabited single-family households and two (2) of the twelve (12) inhabited multi-family households are estimated to be occupied by families classified as very low-income according to data taken from the 1990 United States Census. Therefore, twenty-eight (28) of the fifty (50) inhabited single-family households and six (6) of the twelve (12) inhabited multi-family households are estimated to be occupied by families classified as low- and very low-income.

Attachment Four of the Appendix of the Plan, 1998 Estimated E.A.V. by Tax Parcel, contains references to reflect the parcels containing buildings and units of residential housing.

Area Decline.

During the past several decades declining conditions along Cicero Avenue, Knox Avenue, Archer Avenue, 43rd Street and residential sections of the Area have begun to appear. Along Cicero Avenue many vacant lots exist that once were occupied by commercial and residential buildings. Over the years piecemeal demolition of structures fronting Cicero Avenue has occurred. These and other declining conditions have resulted in a highly negative visual image of Cicero Avenue in the northern portion of the Area.

The most prominent example of these conditions is in the northern portion of the Area where there are several pockets of deleterious industrial uses. These industrial uses include scrap yards and junkyards that exhibit disorganized and obnoxious business operations that have contributed to deteriorated conditions and depreciation of maintenance on adjacent residential uses. These declining conditions also affect properties that front Cicero Avenue. Along Cicero Avenue several examples of underutilized vacant property are present. The deleterious industrial uses have fostered conditions that are highly disruptive to the character of the Area in the following ways:

- Traffic -- Heavy truck traffic from industrial uses is disruptive to the residential character of the area and is causing the deterioration of residential streets.
- Parking -- Employees of industrial uses utilize residential streets or streets not designed to accommodate parking.

- Noise -- Noise from industrial operations such as scrap yards, junkyards and trucking facilities can occur during hours that are disruptive to residents.
- Visual Character -- The scale of industrial buildings and the visual impact of unscreened and debris strewn yard areas detracts from the visual character of residential areas.
- Environment -- Given the nature of the operations environmental contamination is likely.

Along the commercial sections of Archer Avenue excessive land coverage, excessive signage, depreciation of maintenance on building facades and streetscapes in need of upgrade and maintenance has resulted in a negative visual image.

In the southern portion of the Area the effects of on-going Midway Airport operations and improvements, as well as other inherent conditions associated with any major airport, have resulted in a poor visual image and declining conditions along some adjacent street corridors. Vacant lots, unscreened parking lots and vacant buildings are present in areas adjacent to and operated by the Airport. It should be noted that some of the conditions associated with these properties are temporary and may be corrected as construction and final design is completed. However, privately held or operated property outside of these areas and within the Midway boundaries exhibits signs of decline.

Within the boundaries of Midway Airport several of the structures associated with on-airport fixed-base operators exhibit signs of depreciation of physical maintenance and deterioration. Many of these structures are over thirty-five (35) years of age.

The entire Area is in need of revitalization and improvement by private investment. Confidence in the Area can be revived through the City's implementation of this Plan which is intended to prompt investment of private sector capital through:

- provision of adequate off-street parking for employees and customers;
- strengthening and defining corridor edges that separate commercial and residential areas;
- eliminating blighting factors; and

- promoting businesses along revitalized streetscapes.

Obstacles to efficient business operations for Area businesses include:

- a need to improve transportation facilities and services;
- improvement of the streetscape along the major commercial corridors of the Area;
- elimination of blighted conditions; and
- a need to provide improved training programs for area employees.

The City proposes to use tax increment financing, as well as other economic development resources, when available, to address needs in the Area and induce the investment of private capital. The Area on the whole has not been subject to growth and development through investment by private enterprise and is not likely to do so without the adoption of the Plan. The public projects that are anticipated for the Area may include, but are not limited to:

- property assembly;
- street, alley and sidewalk reconstruction;
- transportation improvements (including improvements to viaduct and at grade rail crossings);
- utility work;
- property rehabilitation and improvements to various existing properties including streetscape improvements;
- private developer assistance;
- site clean-up and preparation;
- marketing and promotion;
- environmental remediation; and
- planning studies.

This Eligibility Study includes the documentation on the qualifications of the Area for designation as a redevelopment project area. The purpose of the Plan is to provide an instrument that can be used to guide the correction of Area problems that cause the Area to qualify; attract new growth to the Area; and stabilize existing development in the Area.

D. Existing Land-Use And Zoning Characteristics.

A tabulation of land area by land-use category is shown below:

Table One.

Tabulation Of Existing Land-Use.

Land-Use	Land Area Gross Acres	Percentage Of Gross Land Area	Percentage Of Net Land Area ¹
Residential	6.5	1.7	2.2
Commercial	8.2	2.1	2.8
Industrial	233.9	60.9	78.3
Institutional	15.5	4.0	5.2
Vacant/Undeveloped	34.5	9.0	11.5
Subtotal -- Net Area	298.6	77.7	100.0
Public Right-of-Way	85.6	22.3	NA
Total:	384.2	100.0	NA

Note:

¹ Net land area exclusive of public rights-of-way.

The existing land uses itemized in Table One are predominantly industrial in nature as sixty and nine-tenths percent (60.9%) of the gross land area (seventy-eight and three-tenths percent (78.3%) of the net land Area) is industrial. Vacant/Undeveloped land is also significant in the Area as nine and zero-tenths percent (9.0%) of the gross land area (eleven and five-tenths percent (11.5%) of the net Area) is vacant.

The residential pocket located in the northern portion of the Area is adjacent to industrial uses and several residential uses are surrounded by industrial uses and isolated from surrounding residential neighborhoods. Approximately one and seven-tenths percent (1.7%) of the gross land area (two and two-tenths percent (2.2%) of the net land area) is residential. The Area contains fifty (50) single-family structures and two (2) multi-family structures. No mixed-use buildings (buildings with first (1st) floor commercial uses and second (2nd) floor residential uses) are located in the Area. Along the boundaries of the Area adjacent residential uses are also in close proximity to commercial uses that front the major streets of the Area. The boundary separating residential, industrial and commercial uses is generally an alley or local street. These situations often create conflicts related to traffic generation, incompatible land uses and competition for on-street parking.

One (1) public park (Archer Park) is located in the Area. No public schools or other major institutional uses are located in the Area. Existing land uses are identified on (Sub)Exhibit B, Existing Land-Use Assessment Map included in Attachment Two of the Appendix.

The majority of property within the Area is zoned for light to medium industry. (see (Sub)Exhibit D, Generalized Existing Zoning Map included as Attachment Two of the Appendix). "Commercial" and "Business" zoning designations are present along Archer Avenue. Residentially zoned areas are predominately located in the northern portion of the Area and are associated with the residential pockets described previously and Archer Park.

III.

Qualification Of The Area.

A. Illinois Tax Increment Allocation Redevelopment Act.

The Act authorizes Illinois municipalities to redevelop locally designated deteriorated areas through tax increment financing. In order for an area to qualify as a tax increment financing district, it must first be designated as a blighted area,

a conservation area (or a combination of the two (2)) or an industrial park conservation area as defined in Section 5/11-74.4-3(a) of the Act:

“(a) ‘Blighted area’ means any improved or vacant area within the boundaries of a redevelopment project area located within the territorial limits of the municipality where, if improved, industrial, commercial and residential buildings or improvements, because of a combination of 5 or more of the following factors: age; dilapidation; obsolescence; deterioration; illegal use of individual structures; presence of structures below minimum code standards; excessive vacancies; overcrowding of structures and community facilities; lack of ventilation, light or sanitary facilities; inadequate utilities; excessive land coverage; deleterious land-use or layout; depreciation of physical maintenance; or lack of community planning, is detrimental to the public safety, health, morals or welfare, or if vacant, the sound growth of the taxing districts is impaired by, (1) a combination of 2 or more of the following factors: obsolete platting of the vacant land; diversity of ownership of such land; tax and special assessment delinquencies on such land; flooding on all or part of such vacant land; deterioration of structures or site improvements in neighboring areas adjacent to the vacant land, or (2) the area immediately prior to becoming vacant qualified as a blighted improved area, or (3) the area consists of an unused quarry or unused quarries, or (4) the area consists of unused railyards, rail tracks or railroad rights-of-way, or (5) the area, prior to its designation, is subject to chronic flooding which adversely impacts on real property in the area and such flooding is substantially caused by one or more improvements in or in proximity to the area which improvements have been in existence for at least 5 years, or (6) the area consists of an unused disposal site, containing earth, stone, building debris or similar material, which were removed from construction, demolition, excavation or dredge sites, or (7) the area is not less than 50 nor more than 100 acres and 75% of which is vacant, notwithstanding the fact that such area has been used for commercial agricultural purposes within 5 years prior to the designation of the redevelopment project area, and which area meets at least one of the factors itemized in provision (1) of this subsection (a), and the area has been designated as a town or village center by ordinance or comprehensive plan adopted prior to January 1, 1982, and the area has not been developed for that designated purpose.

(b) ‘Conservation area’ means any improved area within the boundaries of a redevelopment project area located within the territorial limits of the municipality in which 50% or more of the structures in the area have an age of 35 years or more. Such an area is not yet a blighted area but because of a combination of 3 or more of the following factors: dilapidation; obsolescence; deterioration; illegal use of individual structures; presence of structures below minimum code standards; abandonment: excessive vacancies: overcrowding of structures and community facilities; lack of ventilation, light or sanitary

facilities: inadequate utilities; excessive land coverage: deleterious land-use or layout; depreciation of physical maintenance; lack of community planning, is detrimental to the public safety, health, morals or welfare and such an area may become a blighted area.”

The Act also states at 65 ILCS 5/11-74.4-3(n) that:

“***. No redevelopment plan shall be adopted unless a municipality . . . finds that the redevelopment project area on the whole has not been subject to growth and development through investment by private enterprise, and would not reasonably be anticipated to be developed without the adoption of the redevelopment plan.”

Vacant areas may also qualify as blighted. In order for vacant land to qualify as blighted, it must first be found to be vacant. Vacant land as described in the statute is:

“any parcel or combination of parcels of real property without commercial, agricultural and residential buildings which has not been used for commercial agricultural purposes within five years prior to the designation of the redevelopment area unless the parcel is included in an industrial park conservation area or the parcel has been subdivided”. (65 ILCS 5/11-74.4-3(v)(1996 State Bar Edition), as amended.)

As vacant land, the property may qualify as blighted if the:

“sound growth of the taxing districts is impaired by (1) a combination of two or more of the following factors: obsolete platting of the vacant land; diversity of ownership of such land; tax and special assessment delinquencies on such vacant land; flooding on all or part of such land; deterioration of structures or site improvements in neighboring areas adjacent to the vacant land, or (2) the area immediately prior to becoming vacant qualified as a blighted improved area, or (3) the area consists of an unused quarry or unused quarries, or (4) the area consists of unused railyards, rail tracks or railroad rights-of-way, or (5) the area, prior to its designation, is subject to chronic flooding which adversely impacts on real property in the area and such flooding is substantially caused by one or more improvements in or in proximity to the area which improvements have been in existence for at least 5 years, or (6) the area consists of an unused disposal site, containing earth, stone, building debris or similar material which were removed from construction, demolition, excavation or dredge sites, or (7)

the area is not less than 50 nor more than 100 acres and 75% of which is vacant, notwithstanding the fact that such area has been used for commercial agricultural purposes within 5 years prior to the designation of the redevelopment project area and which area meets at least one of the factors itemized in provision (1) of this subsection (a), and the area has been designated as a town or village center by ordinance or comprehensive plan adopted prior to January 1, 1982, and the area has not been developed for that designated purpose." (65 ILCS 5/11-74.4-3(a)(1996 State Bar Edition), as amended.)

On the basis of these criteria, the Area is considered eligible and is qualified in two (2) ways. Approximately twenty-seven and six tenths (27.6) acres of vacant land in the Area qualifies as a blighted area. The remaining approximately three hundred fifty-six and six tenths (356.6) acres in the Area is referred to as the improved portion of the Area and qualifies as a conservation area within the requirements of the Act as documented below.

B. Survey, Analysis And Distribution Of Eligibility Factors.

Exterior surveys of observable conditions were conducted of all of the properties located within the Area. An analysis was made of each of the conservation area eligibility factors contained in the Act to determine their presence in the Area. This survey examined not only the condition and use of buildings but also included conditions of streets, sidewalks, curbs, gutters, lighting, vacant land, underutilized land, parking facilities, landscaping, fences and walls, and general maintenance. In addition, an analysis was conducted on existing site coverage, parking and land uses, and their relationship to the surrounding Area.

It was determined that the Area qualifies in two (2) ways. The Area qualifies as a conservation area consistent with provisions of the Act that apply to "improved" areas. Vacant or undeveloped land within the Area qualifies as a blighted area.

A building-by-building analysis of the seventy-five (75) blocks in the Area was conducted to identify the eligibility factors present in the Area (see Conservation Area Factors Matrix, Table Two, below and narrative regarding vacant areas contained in this section). Each of the factors relevant to making a finding of eligibility is present as stated in the tabulations.

C. Building Evaluation Procedure.

This section identifies how the properties within the Area were evaluated. During the field survey, all components of and improvements to the subject properties were examined to determine the presence and extent to which blighting factors existed in the Area. Field investigators by the staff of the Consultant included a registered architect and professional planners. They conducted research and inspections of the Area in order to ascertain the existence and prevalence of the various blighting factors described in the Act and Area needs. These inspectors have been trained in T.I.F. qualifications survey techniques and have extensive experience in similar undertakings.

The Consultant's staff was assisted by information obtained from various departments of the City of Chicago and Cook County. Based on these investigations and qualification requirements and the determination of needs and deficiencies in the Area the qualification and the boundary of the Area were determined.

D. Investigation And Analysis Of Eligibility Factors.

In determining whether the proposed Area meets the eligibility requirements of the Act, various methods of research were used in addition to the field surveys. The data include information assembled from the sources below:

1. Contacts with local individuals knowledgeable as to Area conditions and history, age of buildings and site improvements, methods of construction, review of real estate records and related items, and other information related to the Area was used. In addition, aerial photographs, Sidwell block sheets, et cetera.
2. Inspection and research as to the condition of local buildings, streets, utilities, et cetera.
3. On-site field inspection of the proposed Area conditions by experienced property inspectors of the Consultant and others as previously noted. Personnel of the Consultant are trained in techniques and procedures of determining conditions of properties, utilities, streets, et cetera and determination of eligibility of designated areas for tax increment financing.
4. Use of accepted definitions and guidelines to determine area eligibility as established by the Illinois Department of Revenue manual in conducting eligibility compliance review for State of Illinois Tax Increment Finance Areas in 1988.

5. Adherence to basic findings of need expressed in the Act:
 - i. There exists in many Illinois municipalities areas that are conservation or blighted areas, within the meaning of the Act.
 - ii. The eradication of blighted areas and the treatment of conservation areas by redevelopment projects are essential to the public interest.
 - iii. These findings are made on the basis that the presence of blight or conditions, which lead to blight, is detrimental to the safety, health, welfare and morals of the public.

E. Analysis Of Conditions In The Conservation/Improved Area.

In making the determination of eligibility, each and every property or building in the Area is not required to qualify. It is the Area as a whole that must be determined to be eligible.

The following analysis details conditions which cause the Area to qualify under the Act, as a conservation area and as a blighted area, per surveys and research undertaken by the Consultant at various times between January and June of 1999:

Age Of Structures -- Definition.

Age, although not one of the fourteen (14) blighting factors used to establish a conservation area under the Act, is used as a threshold that an area must meet in order to qualify. In order for an Area to qualify as a conservation area the Act requires that "50% or more of the structures in the area have an age of 35 years or more." In a conservation area, according to the Act, the determination must be made that the Area is, "not yet a blighted area", but because of the presence of certain factors, may become a blighted area.

Age presumes the existence of problems or limiting conditions resulting from normal and continuous use of structures and exposure to the elements over a period of many years. As a rule, older buildings typically exhibit more problems than buildings constructed in later years because of longer periods of active usage (wear and tear) and the impact of time, temperature and moisture. Additionally, older buildings tend not to be ideally suited for meeting modern-day space and development standards. These typical problematic conditions in older buildings can be the initial indicators that the factors used to qualify the Area may be present.

Summary Of Findings Regarding Age.

The Area contains a total of one hundred thirty-four (134) main¹ buildings, of which seventy-eight percent (78%), or one hundred five (105) buildings are thirty-five (35) years of age or older as determined by field surveys and local research.

Thus the Area meets the threshold requirement for a conservation area in that fifty percent (50%) or more of the structures in the Area exceed thirty-five (35) years of age.

1. Dilapidation -- Definition.

Dilapidation refers to an "advanced" state of disrepair of buildings or improvements, or the lack of necessary repairs, resulting in the building or improvement falling into a state of decay. Dilapidation as a factor is based upon the documented presence and reasonable distribution of buildings and improvements that are in an advanced state of disrepair. At a minimum, dilapidated buildings should be those with critical defects in primary structural components (roof bearing walls, floor structure and foundation), building systems (heating, ventilation, lighting and plumbing) and secondary structural components in such combination and extent that:

- a. major repair is required; or
- b. the defects are so serious and so extensive that the buildings must be removed.

Summary Of Findings Regarding Dilapidation.

The field investigation did not indicate evidence of this factor.

¹ Main buildings are defined as those buildings presently located on each parcel that were constructed to accommodate the principal land uses currently occupying the buildings (or prior uses in the case of buildings that are vacant). Accessory structures such as freestanding garages for single-family and or multi-family dwellings, storage sheds, communications towers, et cetera, are not included in the building counts. However, the condition of these structures was noted in considering the overall condition of the improvements on each parcel.

2. Obsolescence -- Definition.

An obsolete building or improvement is one that is becoming obsolete or going out of use -- not entirely disused, but gradually becoming so. Thus, obsolescence is the condition or process of falling into disuse.

Obsolescence, as a factor, is based upon the documented presence and reasonable distribution of buildings and other site improvements evidencing such obsolescence. Examples include:

- a. **Functional Obsolescence.** Structures are typically built for specific uses or purposes and their design, location, height and space arrangement are each intended for a specific occupancy at a given time. Buildings are obsolete when they contain characteristics or deficiencies that limit the use and marketability of such buildings. The characteristics may include loss in value to a property resulting from an inherent deficiency existing from poor design or layout, improper orientation of building on site, et cetera, which detracts from the overall usefulness or desirability of a property. Obsolescence in such buildings is typically difficult and expensive to correct.
- b. **Economic Obsolescence.** Economic obsolescence is normally a result of adverse conditions that cause some degree of market rejection, and hence, depreciation in market values. Typically, buildings classified as dilapidated and buildings that contain vacant space are characterized by problem conditions, which may not be economically curable, resulting in net rental losses and/or depreciation in market value.
- c. **Obsolete Platting.** Obsolete platting would include parcels of limited or narrow size and configuration or parcels of irregular size or shape that would be difficult to develop on a planned basis and in a manner compatible with contemporary standards and requirements. Plats that created inadequate right-of-way widths for streets, alleys and other public rights-of-way or which omitted easements for public utilities should also be considered obsolete.
- d. **Obsolete Site Improvements.** Site improvements, including sewer and water lines, public utility lines (gas, electric and telephone), roadways, parking areas, parking structures, sidewalks, curbs and gutters, lighting, et cetera, may also evidence obsolescence in terms of their relationship to contemporary development standards for such improvements. Factors of this obsolescence may include inadequate utility capacities, outdated designs, et cetera.

Summary Of Findings Regarding Obsolescence.

The field survey of main buildings and parcels in the Area found that certain buildings and parcels exhibit characteristics of obsolescence. Obsolete buildings or site improvements comprised seventy-five percent (75%) or one hundred one (101) of the one hundred thirty-four (134) buildings in the Area. Obsolete site improvements are also in evidence due to obsolete construction of streets. Narrow streets or driveways, irregular widths, poor or inadequate turning radii or sight lines and lack of paved surfaces on driveways and service areas exist in the Area.

In addition, several sections of public streets are classified as obsolete. In the northern portion of the Area several Area streets lack curbs and proper drainage improvements. Knox, Kilpatrick and Keating Avenues and 43rd and 44th Streets were built under the W.P.A. program of the 1930s. None of these streets were constructed with curbs or gutters and flooding problems exist due to the lack of these improvements.

3. Deterioration -- Definition.

Deterioration refers to physical deficiencies or disrepair in buildings or site improvements requiring treatment or repair. While deterioration may be evident in basically sound buildings (i.e., lack of painting, loose or missing materials or holes and cracks over limited areas), such deterioration can be corrected through normal maintenance. Such deterioration would not be sufficiently advanced to warrant classifying a building as being deteriorated or deteriorating within the purposes of the Act.

Deterioration, which is not easily correctable in the course of normal maintenance, may also be evident in buildings. Such buildings may be classified as deteriorating or in an advanced stage of deterioration, depending upon the degree or extent of defects. This would include buildings with major defects in the secondary building components (i.e., doors, windows, porches, gutters and downspouts, fascia materials, et cetera), and major defects in primary building components (i.e., foundations, frames, roofs, et cetera), respectively.

The conditions of roadways, alleys, curbs, gutters, sidewalks, off street parking and surface storage areas may also evidence deterioration; surface cracking, crumbling, potholes, depressions, loose paving materials, weeds protruding through the surface, et cetera.

Deterioration is the presence of structural and non-structural defects which are not correctable by normal maintenance efforts, but which require rehabilitation.

Summary Of Findings Regarding Deterioration.

Throughout the Area, deteriorating conditions were recorded on fifty-eight percent (58%) or seventy-eight (78) of the one hundred thirty-four (134) buildings in the Area. The exterior field survey of main buildings in the Area found structures with major defects in the secondary structural components, including windows, doors, gutters, downspouts, porches, chimneys, fascia materials, parapet walls, et cetera.

Several sections of 44th Street, 43rd Street, Knox Avenue, Kilpatrick Avenue and Keating Avenue exhibit signs of deterioration such as potholes, cracks in pavement surfaces and crumbling road surfaces.

4. Illegal Use Of Individual Structures -- Definition.

This factor applies to the use of structures in violation of applicable national, state or local laws, and not to legal, nonconforming uses. Examples of illegal uses may include, but not be limited to, the following:

- a. illegal home occupations;
- b. conduct of any illegal vice activities such as gambling or drug manufacture;
- c. uses not in conformance with local zoning codes and not previously grandfathered in as legal nonconforming uses;
- d. uses involving manufacture, sale, storage or use of dangerous explosives and firearms.

Summary Of Findings Regarding Illegal Use Of Individual Structures.

Illegal use of individual structures was observed in less than one percent (1%) or one (1) of the one hundred thirty-four (134) buildings in the Area.

5. Presence Of Structures Below Minimum Code Standards -- Definition.

Structures below minimum code standards include all structures that do not meet the standards of zoning, subdivision, State building laws and regulations. The principal purposes of such codes are to require buildings to be constructed

in such a way as to sustain safety of loads expected from various types of occupancy, to be safe for occupancy against fire and similar hazards, and/or establish minimum standards essential for safe and sanitary habitation. Structures below minimum code are characterized by defects or deficiencies that presume to threaten health and safety.

Summary Of Findings Regarding Presence Of Structures Below Minimum Code Standards.

Throughout the Area, structures below minimum code were recorded in eighteen percent (18%) or twenty-four (24) of the one hundred thirty-four (134) buildings in the Area. The exterior field survey of main buildings in the Area found structures not in conformance with local zoning codes and structures not safe for occupancy because of fire and similar hazards.

In the northern portion of the Area several properties along Keating Avenue and 43rd Street exhibited abandoned and wrecked vehicles. The vehicles appeared to be awaiting disposal by one (1) of the scrap yards in the Area. However, the abandoned vehicles were stored outside of the yard areas of the scrap yards along the right-of-way of Keating Avenue and 43rd Street. In addition, garbage and trash from drive-by dumping was observed in this portion of the Area. While these conditions do not reflect structures below minimum code standards, they do present conditions that are violations of various city codes related to health and site conditions.

6. Abandonment -- Definition.

This factor only applies to the "conservation area" designation. Abandonment usually refers to the relinquishing by the owner of all rights, title, claim and possession with intention of not reclaiming the property or resuming its ownership, possession or enjoyment. However, in some cases a determination of abandonment is appropriate if the occupant walks away without legally relinquishing title. For example, a structure not occupied for twelve (12) months should probably be characterized as abandoned.

Summary Of Findings Regarding Abandonment.

The field investigation did not indicate evidence of this factor.

7. Excessive Vacancies -- Definition.

Establishing the presence of this factor requires the identification, documentation and mapping of the presence of vacant buildings which are unoccupied or underutilized and which represent an adverse influence on the Area because of the frequency, extent or duration of such vacancies. It includes properties which evidence no apparent effort directed toward occupancy or utilization and partial vacancies.

Summary Of Findings Regarding Excessive Vacancies.

The field investigation indicates that eleven (11) buildings, eight percent (8%) of the total one hundred thirty-four (134) buildings, have buildings with excessive vacancy of floor space. There is in excess of two hundred ninety-eight thousand (298,000) square feet of vacant industrial and commercial floor space in the Area. In some instances this vacant floor space has not been utilized for extended time periods.

8. Overcrowding Of Structures And Community Facilities -- Definition.

Overcrowding of structures and community facilities refers to utilization of public or private buildings, facilities or properties beyond their reasonable or legally permitted capacity. Overcrowding is frequently found in buildings and improvements originally designed for a specific use and later converted to accommodate a more intensive use without adequate provision for minimum floor area requirements, privacy, ingress and egress, loading and services, capacity of building systems, et cetera.

Summary Of Findings Regarding Overcrowding Of Structures And Community Facilities:

The field investigation did not indicate evidence of this factor.

9. Lack Of Ventilation, Light Or Sanitary Facilities -- Definition.

Many older structures fail to provide adequate ventilation, light or sanitary facilities. This is also a characteristic often found in illegal or improper building conversions and in commercial buildings converted to residential usage. Lack of ventilation, light or sanitary facilities is presumed to adversely affect the health of

building occupants (i.e., residents, employees or visitors).

Typical requirements for ventilation, light and sanitary facilities include:

- a. adequate mechanical ventilation for air circulation in spaces/rooms without windows (i.e., bathrooms, dust, odor or smoke-producing activity areas);
- b. adequate natural light and ventilation by means of skylights or windows for interior rooms/spaces, and proper window sizes and amounts by room area to window area ratios;
- c. adequate sanitary facilities (i.e., garbage storage/enclosure, bathroom facilities, hot water and kitchen); and
- d. adequate ingress and egress to and from all rooms and units.

Summary Of Findings Regarding Lack Of Ventilation, Light or Sanitary Facilities.

The exterior field survey of main buildings in the Area found structures without adequate mechanical ventilation, natural light and proper window area ratios in the Area. Structures exhibiting a lack of ventilation, light or sanitary facilities were recorded in twelve percent (12%) or sixteen (16) of the one hundred thirty-four (134) main buildings.

10. Inadequate Utilities -- Definition.

Inadequate utilities refers to deficiencies in the capacity or condition of utilities which service a property or area, including, but not limited to, storm drainage, water supply, electrical power, sanitary sewers, gas and electricity.

Summary Of Findings Regarding Inadequate Utilities.

Keating Avenue, Knox Avenue, Kilpatrick Avenue, 43rd Street and 44th Street in the northern portion of the Area lack adequate curbs and gutters to handle storm water runoff. Comments from residents at community meetings indicated that storm water problems are present due to the lack of curbs and gutters along these streets.

11. Excessive Land Coverage -- Definition.

This factor may be documented by showing instances where building coverage is excessive. Excessive coverage refers to the over-intensive use of property and the crowding of buildings and accessory facilities onto a site. Problem conditions include buildings either improperly situated on the parcel or located on parcels of inadequate size and/or shape in relation to present-day standards of development for health and safety, and multiple buildings on a single parcel. The resulting inadequate conditions include such factors as insufficient provision for light and air, increased threat of fire due to close proximity to nearby buildings, lack of adequate or proper access to a public right-of-way, lack of required off-street parking, and inadequate provision for loading or service. Excessive land coverage has an adverse or blighting effect on nearby development as problems associated with lack of parking or loading areas impact adjoining properties.

Summary Of Findings Regarding Excessive Land Coverage.

Structures exhibiting one hundred percent (100%) lot coverage with party or firewalls separating one (1) structure from the next is a historical fact of high-density urban development. This situation is common throughout the Area.

Numerous commercial and industrial businesses are located in structures that cover one hundred percent (100%) (or nearly one hundred percent (100%)) of their respective lots. Other businesses are utilizing one hundred percent (100%) of their Lot for business operations. These conditions typically do not allow for off-street loading facilities for shipping operations or do not provide parking for patrons and employees. This has prompted overflow parking and truck traffic associated with normal business operations to utilize surrounding residential areas for parking and access.

In the Area, forty-four percent (44%) or fifty-nine (59) of the one hundred thirty-four (134) structures revealed some evidence of excessive land coverage.

12. Deleterious Land-Use Or Layout -- Definition.

Deleterious land uses include all instances of incompatible land-use relationships, buildings occupied by inappropriate mixed uses, or uses which may be considered noxious, offensive or environmentally unsuitable.

Summary Of Findings Regarding Deleterious Land-Use Or Layout.

As in many communities that have evolved over the years, industrial or commercial uses have merged with residential uses in the Area. It is not unusual to find pockets of isolated residential buildings within a predominantly industrial area. Although these areas may be excepted by virtue of age ("grandfather" clauses) as legal non-conforming uses, they are, nonetheless, incompatible land uses inasmuch as the predominant character of the Area is industrial. As noted previously, seventy-eight and three-tenths percent (78.3%) of the net acreage (exclusive of public rights-of-way) of the Area is used for industrial purposes. Some of these industrial uses are poorly organized and lack proper screening for outside storage areas. There are also several billboards scattered throughout the Area that are considered deleterious. The combination of limited on-site parking and unorganized and unscreened yard areas in close proximity to commercial and residential development not only contributes to decline but also causes conflicts in traffic, parking and environmental conditions. Eight percent (8%) or eleven (11) of the one hundred thirty-four (134) structures in the Area were considered to be deleterious uses.

This condition is extremely evident in the northern portion of the Area where residential uses are adjacent to several scrap yards and junkyards. These residential areas are being affected by their proximity to these deleterious uses. The presence of multiple vacant lots and declining conditions of some of the residential uses is an indication of the affect of the adjacent deleterious uses. Another scrap yard is located at 47th Street and Knox Avenue. This operation exhibits numerous deteriorated conditions that negatively impact adjacent uses,

13. Depreciation Of Physical Maintenance -- Definition.

This factor considers the effects of deferred maintenance and the lack of maintenance of buildings, improvements and grounds comprising the Area. Evidence to show the presence of this factor may include, but is not limited to, the following:

- a. Buildings: unpainted or unfinished surfaces; paint peeling; loose or missing materials; sagging or bowing walls, floors, roofs, and porches; cracks; broken windows; loose gutters and downspouts; loose or missing shingles; damaged building areas still in disrepair; et cetera. This information may be collected as part of the building condition surveys undertaken to document the existence of dilapidation and deterioration.

- b. Front Yards, Side Yards, Back Yards And Vacant Parcels: accumulation of trash and debris; broken sidewalks; lack of vegetation; lack of paving and dust control; potholes, standing water; fences in disrepair; lack of mowing and pruning of vegetation, et cetera.
- c. Public Or Private Utilities: utilities that are subject to interruption of service due to on-going maintenance problems such as leaks or breaks, power outages or shut-downs, or inadequate levels of service, et cetera.
- d. Streets, Alleys And Parking Areas: potholes; broken or crumbling surfaces; broken curbs and/or gutters; areas of loose or missing materials; standing water, et cetera.

Summary Of Findings Regarding Depreciation Of Physical Maintenance.

Depreciation of physical maintenance is widespread throughout the Area. A majority of the parcels in the Area exhibit characteristics that show a depreciation of physical maintenance. Of the one hundred thirty-four (134) main buildings in the Area, eighty-nine percent (89%) or one hundred nineteen (119) of the buildings are impacted by a depreciation of physical maintenance, based on the field surveys conducted. These are combined characteristics in building and site improvements.

Commercial and industrial yard areas in the Area also exhibit signs of depreciation of physical maintenance due to a lack of paving and dust control, standing water and debris storage. Graffiti was observed on several structures and site improvements in the area. Curbs, off-street parking areas and sidewalks throughout the Area exhibit signs of depreciation of physical maintenance due to broken or cracked surfaces and areas of loose or missing materials. Site fencing at several locations throughout the Area was in need of repair. Several sites in the southern portion of the Area near Kilpatrick Avenue and 54th Street exhibited depreciation of physical maintenance on site improvements and structures, overgrown weeds and trash and debris. Several wrecked and abandoned vehicles, discarded household furniture and household trash and debris were observed on vacant lots in the Area and along the right-of-way of Keating and 43rd Street. Finally, Keating Avenue, Kilpatrick Avenue, Knox Avenue, 43rd Street and 44th Street are in need of reconstruction due to deteriorating roadway conditions.

14. Lack Of Community Planning -- Definition.

This may be counted as a factor if the area developed prior to or without the benefit or guidance of a community plan. This means that no community plan

existed or it was considered inadequate, and/or was virtually ignored during the time of the Area's development. Indications of a lack of community planning include:

1. Streets in the industrial and commercial areas that are too narrow to accommodate truck movements.
2. Street intersections that do not conform to modern traffic engineering standards and practices.
3. One-way street systems that exist with little regard for overall systematic traffic planning.
4. Street parking existing on streets that are too narrow to accommodate two-way traffic and street parking.
5. Viaducts that are lower than minimum height requirements creating truck clearance problems.
6. Some larger tracts of land suffer from improper platting that has led to some parcels having awkward configuration and/or unusual dimensions for their use.
7. Some properties in the Area do not enjoy good access to public streets.
8. Some pockets of residential land-use and residential zoning exist that present incompatible relationships in areas with a heavy industrial environment.
9. Numerous commercial industrial properties exist that are too small to adequately accommodate appropriate off-street parking and loading requirements.
10. Trailer storage, container storage and other uses that exhibit outside storage are a highly negative image for the Area and are operating virtually uncontrolled with respect to how they are maintained.

Summary Of Findings Regarding Lack Of Community Planning.

The field investigation indicates that ten percent (10%) or thirteen (13) of the one hundred thirty-four (134) main buildings in the Area exhibit a lack of community planning.

In addition the streets located in the northern portion of the Area exhibit a lack of community planning in that they were poorly constructed and are utilized by both heavy truck traffic and traffic associated with residential uses. The cause of this condition is related to the existing land uses in the extreme northern portion of the Area. Several of the residential uses in the northern portion of the Area are completely surrounded by industrial uses and the remaining residential blocks in the northern portion of the Area are surrounded on two (2) sides by industrial uses. The proximity of these conflicting uses, the deleterious nature of some of the industrial uses and the expansion of some industrial uses over the years is a negative impact on the northern portion of the Area.

F. Analysis Of Undeveloped Or Vacant Property.

In order for vacant land to qualify as blighted, it must first be found to be vacant. Vacant land is:

“any parcel or combination of parcels of real property without commercial, agricultural and residential buildings which has not been used for commercial agricultural purposes within five years prior to the designation of the redevelopment area unless the parcel is included in an industrial park conservation area or the parcel has been subdivided” (65 ILCS 5/11-74.4-3(v), as amended).

As vacant land, the property may qualify as blighted if the “sound growth” of the taxing districts is impaired by (1) a combination of two (2) or more of the following factors: obsolete platting of the vacant land; diversity of ownership of such land; tax and special assessment delinquencies on such vacant land; flooding on all or part of such land; deterioration of structures or site improvements in neighboring areas adjacent to the vacant land, or (2) the area immediately prior to becoming vacant qualified as a blighted improved area, or (3) the area consists of an unused quarry or unused quarries, or (4) the area consists of unused rail yards, rail tracks or railroad rights-of-way, or (5) the area, prior to its designation, is subject to chronic flooding which adversely impacts on real property in the area and such flooding is substantially caused by one or more improvements in or in proximity to the area which improvements have been in existence for at least 5 years, or (6) the area consists of an unused disposal site, containing earth, stone, building debris or similar material which were removed from construction, demolition, excavation or dredge sites, or (7) the area is not less than 50 nor more than 100 acres and 75% of which is vacant, notwithstanding the fact that such area has been used for commercial agricultural purposes within 5 years prior to the designation of the redevelopment project area and which area meets at least one of the factors itemized in provision (1) of this subsection (a), and the area has been designated

as a town or village center by ordinance or comprehensive plan adopted prior to January 1, 1982, and the area has not been developed for that designated purpose". (65 ILCS 5/11-74.4-3(a), as amended).

Summary Of Findings Regarding Undeveloped Or Vacant Property.

Approximately twenty-seven and six-tenths (27.6) acres or nine and two-tenths percent (9.2%) of the net land area (exclusive of public rights-of-way) was identified as containing the necessary requirements to qualify as blighted under the act. It is evident from historic plats and photos that buildings once existed on some of these sites and demolition of these structures has occurred over time. Since July 1, 1994, seventeen (17) structures have been demolished according to permit data provided by the City. In addition, two (2) lots identified as vacant are delinquent in the payment of 1995 through 1997 taxes. Given the deteriorated condition of existing structures in the vicinity of the vacant land and the presence of the factors necessary to qualify as blighted property under the Act on the vacant land, the approximately twenty-seven and six-tenths (27.6) acres of vacant land qualifies as a blighted area.

The following discussion (paragraphs i -- vii below) identifies tracts of land of varied sizes totaling twenty-seven and six-tenths (27.6) acres of land. The majority of these tracts of land have been vacant for more than five (5) years.

The majority of the land identified as vacant is also obsolete in terms of current platting. The majority of vacant and unimproved land along Cicero Avenue and the southern portion of the Area are platted into lots with limited depths and widths. These lots were typically utilized for residential or commercial uses that provided little off-street parking. Given that numerous parties own these small lots, it would be difficult to consolidate enough of the vacant and improved land under single ownership to provide for the contemporary requirements of commercial development standards and zoning regulations. In addition, structures and site improvements in the proximity of these vacant lots were classified as deteriorated in the field investigation of the Area.

- i. Approximately one and five-tenths (1.5) acres is encompassed by two (2) tracts of land in the 4301 -- 4399 block of Cicero Avenue. These tracts have been vacant for more than five (5) years. Both tracts exhibit obsolete platting. The northern tract is divided into three (3) lots and three (3) parcel identification numbers (Parcel Identification Numbers). One (1) lot in the northern tract is delinquent in the payment of 1995 through 1997 taxes. The southern tract is divided into three (3) lots and five (5) Parcel Identification Numbers. The northern tract is under multiple ownership (two (2) owners) and a deteriorated structure is located between the two (2)

tracts on the same block and a scrap yard and junkyard exhibiting deteriorating conditions are located on the block immediately north of these tracts.

- ii. An approximately zero and five-tenths (0.5) acre tract of land exists in the 4300 -- 4398 block of Keating Avenue. This tract has been vacant for more than five (5) years. The tract exhibits obsolete platting and is divided into two (2) lots and three (3) Parcel Identification Numbers. The tract is under multiple ownership (two (2) owners) and deteriorated structure and site improvements are located to the west of this tract on Cicero Avenue and a scrap yard and junkyard exhibiting deteriorating conditions are located on the block immediately north of these tracts.
- iii. An approximately zero and six-tenths (0.6) acre tract of land exists in the 4301 -- 4399 block of Keating Avenue. This tract has been vacant for more than five (5) years. The tract exhibits obsolete platting and is divided into two (2) lots and (two (2) Parcel Identification Numbers. The tract is under multiple ownership (two (2) owners) and a scrap yard and junkyard exhibiting deteriorating conditions are located on the block immediately north of this tract.
- iv. An approximately twenty-two and five-tenths (22.5) acre tract exist in the 4384 and 4500 block of District Boulevard. This tract has been vacant for more than (5) five years. The tract exhibits obsolete platting and is divided into ten (10) Parcel Identification Numbers. The tract is under multiple ownership (four (4) owners) and a scrap yard and junkyard exhibiting deteriorating conditions are located west of this tract. Active rail lines are located north of and east of this tract and a portion of this tract is unused railroad right-of-way.
- v. An approximately zero and three-tenths (0.3) acre tract of land exists in the 5100 block of Knox Avenue. This tract has been vacant for more than (5) five years. The tract exhibits obsolete platting and is divided into three (3) lots and three (3) Parcel Identification Numbers. The tract is under multiple ownership (two (2) owners) and one (1) lot in this tract is delinquent in the payment of 1995 through 1997 taxes.
- vi. Approximately zero and eight-tenths (0.8) acres exist on two (2) tracts in the 4700 -- 4798 block of 54th Street. Several structures have been removed from these tracts within the last five (5) years. The tracts exhibit obsolete platting. The eastern tract is divided into twelve (12) lots and twelve (12) Parcel Identification Numbers and the western tract is divided into two (2) lots and two (2) Parcel Identification Numbers. A deteriorated structure and site improvement its located between the two (2) tracts on

this block and several deteriorated structures and site improvements are located on the block immediately to the south of these tracts.

- vii. An approximately one and four-tenths (1.4) acre tract of land exists in the 5300 block of Kilbourn Avenue. This tract has been vacant for more than (5) five years. The tract exhibits obsolete platting and is divided into two (2) lots and two (2) Parcel Identification Numbers. The parcel is under multiple ownership (two (2) owners). A deteriorated structure and site improvements are located on the block adjacent to this tract to the north.

Hence, the vacant portion of the Area exhibits obsolete platting, diversity of ownership, tax and assessment delinquencies consists of unused rail yards, rail tracks or railroad rights-of-way and deterioration of structures or site improvements in neighboring areas adjacent to the vacant land are present. Therefore, the vacant land qualifies as a blighted area under the Act.

G. Conclusion Of Investigation Of Eligibility Factors For The Redevelopment Project Area.

The Area is impacted by a number of eligibility factors. This analysis demonstrates that the improved portion of the Area qualifies as a conservation area and the vacant land qualifies as a blighted area as defined in the Act. As documented, this is due to conditions found to exist in the "improved" area and in the "vacant" area. The Plan includes measures designed to reduce or eliminate the deficiencies which cause the Area to qualify consistent with the strategy of the City of Chicago for revitalizing other designated redevelopment project areas and industrial corridors.

The loss of businesses from this Area, mirroring the experience of other large urban centers, further illustrates the trend line and deteriorating conditions of the neighborhood. Vacancies in various industrial and commercial properties and vacant land are further evidence of declining conditions in the Area, lack of private investment and little interest in the Area by the private market.

The City and the State of Illinois have also designated approximately thirty-six and five-tenths percent (36.5%) of the Area as State of Illinois Enterprise Zone Number 2. This designation is in their response to the deteriorating conditions in the Area, recognition of significant needs, and realization that financial incentives are required to contract private investment. However, this designation as well as the major improvements associated with Midway Airport, the Stevenson Expressway and C.T.A. commuter rail lines only benefit a small portion of the Area

and do not address Area-wide needs or the conditions that cause the Area to qualify as a redevelopment area.

IV.

Summary And Conclusion.

The conclusion of the Consultant is that the number, degree and distribution of conservation and blighting eligibility factors in the Area as documented in this Eligibility Study warrant the designation of the improved portion of the Area as a conservation area and the vacant portion of the Area as a blighted area as set forth in the Act. Specifically:

Below and on the next page are two (2) summary tables highlighting the factors found to exist in the Area which cause it to qualify as a conservation area and as a blighted area.

A. Conservation Area Statutory Factors.

Eligibility Factor ¹	Existing In Area
Age ²	78% Of Buildings Are Or Exceed 35 Years Of Age.
1. Dilapidation	Not Present
2. Obsolescence	Major Extent
3. Deterioration	Major Extent

Notes:

1 Only three (3) factors are required by the Act for eligibility. Eleven (11) factors are present in the Area. Three (3) factors were found to exist to a major extent and seven (7) were found to exist to a minor extent.

2 Age is not a factor for designation but rather a threshold that must be met before an area can qualify as a conservation area.

Eligibility Factor ¹	Existing In Area
Age ²	78% Of Buildings Are Or Exceed 35 Years Of Age.
4. Illegal use of individual structures	Minor Extent
5. Presence of structures below minimum code standards	Minor Extent
6. Abandonment	Not Present
7. Excessive vacancies	Minor Extent
8. Overcrowding of structures and community facilities	Not Present
9. Lack of ventilation, light or sanitary facilities	Minor Extent
10. Inadequate utilities	Minor Extent
11. ³ Excessive land coverage	Minor Extent
12. Deleterious land-use or layout	Minor Extent
13. Depreciation of physical maintenance	Major Extent
14. Lack of community planning	Minor Extent

Notes:

1 Only three (3) factors are required by the Act for eligibility. Eleven (11) factors are present in the Area. Three (3) factors were found to exist to a major extent and seven (7) were found to exist to a minor extent.

2 Age is not a factor for designation but rather a threshold that must be met before an area can qualify as a conservation area.

3 Associated with storm drainage along public streets.

B. Vacant/Unimproved Land-Statutory Factors.

Eligibility Factor	Existing In Vacant/ Unimproved Portion Of Area
1. Two or more of the following factors:	
i. Obsolete platting (Present)	
ii. Diversity of ownership (Present)	
iii. Tax and assessment delinquencies (Present)	Yes
iv. Flooding (Does not exist)	
v. Deterioration of structures or site improvements in neighboring areas adjacent to the vacant land (Present)	
or	
2. Area immediately prior to becoming vacant qualified as a blighted improved area;	_____
or	
3. Area consists of unused quarry or quarries;	_____
or	
4. Area consists of unused rail yards, rail tracks or railroad right-of-way; (Present)	Yes
or	
5. Area prior to designation is subject to chronic flooding caused by improvements;	_____
or	

Eligibility Factor	Existing In Vacant/ Unimproved Portion Of Area
6. Area consists of unused disposal site containing earth, stone, building debris, et cetera;	_____
or	
7. Area is not less than fifty (50) nor more than one hundred (100) acres and ,75%is vacant;	_____

Note:

Area qualifies per statutory requirements. Only one (1) factor is required by the Act.

While it may be concluded that the mere presence of the stated eligibility factors noted above may be sufficient to qualify the Area as a conservation area and a vacant blighted area, this evaluation was made on the basis that the factors must be present to an extent that would lead reasonable persons to conclude that public intervention is appropriate or necessary. Secondly, the distribution of conservation area and blighted area eligibility factors throughout the Area must be reasonable so that a basically good area is not arbitrarily found to be a conservation area or blighted area simply because of proximity to an area that exhibits blighting factors.

Research indicates that the Area on the whole has not been subject to growth and development as a result of investment by private enterprise and will not be developed without action by the City. These have been previously documented. All properties within the Area will benefit from the Plan. The conclusions presented in the Eligibility Study are those of the Consultant.

The analysis presented above is based upon data assembled by the Consultant. The study and survey of the Area indicate that requirements necessary for designation as a conservation area and a blighted area are present. Therefore, the Area qualifies in two (2) ways. A portion of the vacant land in the Area qualifies as a blighted area and the improved portion of the Area qualifies as a conservation area to be designated as a redevelopment project acre and eligible for Tax Increment Financing under the Act.

AUTHORIZATION FOR EXECUTION OF WATER SUPPLY
AGREEMENTS WITH VARIOUS MUNICIPAL ENTITIES.

The Committee on Finance submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an ordinance authorizing the Mayor to enter into various water supply agreements, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago, Illinois (the "City") possesses the power and authority to furnish water from the City's water mains to purchasers and others; and

WHEREAS, The City previously entered into contracts for the supply of water ("Prior Contracts") with the following municipal purchasers:

Village of Oak Lawn;

City of Blue Island;

Brookfield/North Riverside Water Commission;

Calumet City; and

Westchester/Broadview Joint Water Commission

(collectively, the "Purchasers"); and

WHEREAS, Certain of the Prior Contracts with the Purchasers have expired or are due to expire; and

WHEREAS, The City is willing to continue to supply water to the Purchasers and to enter into new contracts for the supply of water ("New Contracts") under the terms and conditions described in Exhibits A-1 through and including A-5; and

WHEREAS, The Corporation Counsel for the City has approved the New Contracts as to form and legality; and

WHEREAS, The municipal authorities of each Purchaser have approved the terms and conditions of the New Contracts; and

WHEREAS, The New Contract approved by the municipal authorities of the Westchester/Broadview Joint Water Commission described in Exhibit A-5 (the "Westchester/Broadview Contract") identifies the Village of Westchester and the Village of Broadview as Subsequent Purchasers (as defined therein); and

WHEREAS, The Westchester/Broadview Joint Water Commission desires to amend the Westchester/Broadview Contract to reflect Loyola University Medical Center and Madden Mental Health Center as additional Subsequent Purchasers, which under the terms of the Westchester/Broadview Contract requires the approval of the Commissioner of the Department of Water of the City (the "Commissioner") and the City Council of the City; and

WHEREAS, The Westchester/Broadview Joint Water Commission further desires to amend the Westchester/Broadview Contract to reflect the proper allocations from the State of Illinois of Lake Michigan water for the Village of Westchester, the Village of Broadview, Loyola University Medical Center and Madden Mental Health Center, which revised allocations are shown on Exhibit B; and

WHEREAS, The Commissioner has approved the aforementioned changes to the Westchester/Broadview Contract to reflect Loyola University Medical Center and Madden Mental Health Center as additional Subsequent Purchasers and to revise the allocations from the State of Illinois of Lake Michigan water; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. The Mayor is hereby authorized to execute, the City Clerk to attest, the Commissioner of Water to approve, and the City Comptroller to accept the file for record, the New Contracts for the supply of water between the City and each Purchaser in the forms attached hereto as Exhibits A-1 through and including A-4 and hereby made a part hereof.

SECTION 3. The Mayor is hereby authorized to execute, the City Clerk to attest, the Commissioner of Water to approve, and the City Comptroller to accept the file for record, the New Contract for the supply of water between the City and the Westchester/Broadview Joint Water Commission in the form attached hereto as Exhibit A-5, with such alterations as are required to reflect Loyola University Medical Center and Madden Mental Health Center as additional Subsequent Purchasers (as such term is defined in the Westchester/Broadview Contract), and to reflect the proper allocations from the State of Illinois of Lake Michigan water to Loyola University Medical Center, Madden Mental Health Center, the Village of Westchester and the Village of Broadview, as shown on Exhibit B hereto and hereby made a part hereof.

SECTION 4. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 5. This ordinance shall be effective as of the date of its passage.

Exhibits "A-1" through "A-5" and Exhibit "B" referred to in this ordinance read as follows:

*Exhibit "A-1".
(To Ordinance)*

Water Supply Agreement

Between

The City Of Chicago, Illinois

And

The Village Of Oak Lawn, Illinois.

This Agreement made and entered into this ____ day of _____ 2000 and executed in sextuplicate originals (each executed copy constituting an original) by and between the City of Chicago, Illinois, a municipal corporation organized and existing under and by virtue of the laws of the State of Illinois (hereinafter called the "City") and the Village of Oak Lawn (hereinafter called the "Purchaser") in Cook County, Illinois, located within the Metropolitan Water Reclamation District of Greater Chicago.

Recitals.

Whereas, The City and the Purchaser previously entered into an agreement for the furnishing of water from the City to the Purchaser for consumers supplied by the Purchaser's water system, which agreement is dated October 26, 1995 and has a term extending through October 26, 2000 (the "Existing Water Supply Agreement"); and

Whereas, The Purchaser intends to make certain improvements to its water system for the purpose of adding municipal customers including the Village of New Lenox, Illinois ("New Lenox"), the Village of Mokena, Illinois ("Mokena") and the Village of Frankfort, Illinois ("Frankfort"), which improvements shall be constructed, operated and maintained in accordance with that certain Agreement By and Between the City of Chicago, By and Through its Department of Water, and the Village of Oak Lawn,

Illinois, dated _____, 2000; and

Whereas, The City and the Purchaser desire to terminate the Existing Water Supply Agreement and concurrently therewith to enter into this agreement pursuant to which the City will furnish from the existing connection to the City's water main at the City limits, at the active location (as defined herein), and for emergency purposes only at the emergency location (as defined herein), a supply of water for consumers supplied by the Purchaser's water system;

Now, Therefore, In consideration of the above recitals which are made a contractual part of this Agreement and the mutual covenants and agreements hereinafter contained, the parties agree to the following:

A. Definitions.

The following terms as used in this Agreement shall have the meanings set forth below unless the context indicates a different meaning:

"Active Location" shall have the meaning set forth on (Sub)Exhibit A to this Agreement.

"Commissioner" shall mean the Commissioner of the Department of Water of the City.

"Emergency Location" shall have the meaning set forth on (Sub)Exhibit A to this Agreement.

"Facilities" shall mean the service mains, all reservoirs within the Purchaser's water system and all connections to other entities outside the limits of the Purchaser's water system, including any reservoirs on such entities' water systems.

"Revenues" shall mean the revenues derived from the operation of the Purchaser's water system, as stated in 65 ILCS 5/11-124.1.

"Service Main" or "Service Mains" shall mean the primary supply piping between the City's water system and the overflow tank at the Purchaser's reservoir, including the connection to the City's water system, the control valve and the meter vault.

"State" shall mean the State of Illinois, Department of Natural Resources, or any predecessor or successor to the Department of Natural Resources having authority over the allocation of Lake Michigan water.

"Subsequent Purchaser" shall mean water users outside of the Purchaser's corporate limits which are supplied water by the Purchaser pursuant to Section (B)(2).

B. Service To Be Furnished.

(1) The City agrees to furnish to the Purchaser, and the Purchaser agrees to purchase and take from the City under and in accordance with the terms of this Agreement, a supply of water through metered connection authorized by the Commissioner from the City's water main at the City limits, at the Active Location, and for emergency purposes only at the Emergency Location, to be used by the Purchaser in supplying water to (i) consumers located within the corporate limits of the Purchaser, (ii) the one (1) account located outside the corporate limits of the Purchaser (said account being the Kaiser Aluminum & Chemical Sales, Inc., facility at 9700 South Harlem Avenue, Bridgeview, Illinois) and (iii) the Subsequent Purchasers. All water usage is to be in accordance with the allocation of the State, as set forth on (Sub)Exhibit A.

(2) The Purchaser is authorized to supply Lake Michigan water obtained from the City to the following entities, all of which are located within the State, and which collectively are referred to herein as the "Existing Subsequent Purchasers": (i) the Village of Chicago Ridge ("Chicago Ridge"); (ii) one (1) account located outside the corporate limits of Chicago Ridge; (iii) the City of Palos Hills ("Palos Hills"); (iv) the Village of Palos Park ("Palos Park"); (v) the City of Country Club Hills ("Country Club Hills"); (vi) the Village of Matteson ("Matteson"); (vii) the City of Oak Forest ("Oak Forest"); (viii) thirty-one (31) accounts located outside the corporate limits of Oak Forest; (ix) the Village of Orland Park ("Orland Park"); (x) one thousand three hundred forty-five (1,345) accounts located outside the corporate limits of Orland Park; (xi) the Village of Olympia Fields ("Olympia Fields"); (xii) the Citizens Utilities Company servicing the Village of Orland Hills and a portion of Orland Park known as the Fernway Subdivision ("Citizens/Orland Hills/Fernway"); and (xiii) the Village of Tinley Park ("Tinley Park").

In addition, the Purchaser is authorized to supply Lake Michigan water obtained from the City to the following entities, all of which are located within the State, and which collectively are referred to herein as the "Future Subsequent Purchasers": (i) the Village of New Lenox ("New Lenox"), which has received an allocation of water from the State and which is estimated to begin receiving service from the Purchaser in April, 2001, (ii) the Village of Mokena ("Mokena") , provided, however, that the Purchaser's authorization to supply such account shall commence only at such time that the State has taken all necessary action to authorize an allocation of water to Mokena; and (iii) the Village of Frankfort ("Frankfort"), provided, however, that the Purchaser's authorization to supply such

account shall commence only at such time that the State has taken all necessary action to authorize an allocation of water to Frankfort. The Existing Subsequent Purchasers and the Future Subsequent Purchasers are collectively referred to herein as the "Subsequent Purchasers".

All water usage is to be in accordance with the allocations of the State. Any increase in the allocation to the Subsequent Purchasers shall be subject to the approval of the Commissioner. It is clearly understood by the Purchaser that this authorization is non-exclusive and in no way guarantees any rights to re-sell City water.

(3) The Purchaser shall not add any Subsequent Purchasers of water supplied by the City without the approval of the Commissioner and the Chicago City Council.

C. Quantity Of Water To Be Furnished.

(1) The quantities of water to be furnished are to be supplied to the Purchaser and the Subsequent Purchasers as set forth on (Sub)Exhibit A for the years indicated thereon. The individual consumers quantities of water are included in the allocation made to the Purchaser. These quantities of water are in accordance with the allocations made to the Purchaser and the Subsequent Purchasers by the State in Opinion and Order Number LMO 99-3, as amended from time to time. These quantities of water may be adjusted by the Commissioner if there are any future revisions of the allocation order by the State and shall be identified to this Agreement by written addenda.

(2) The water supplied and taken in accordance with this Agreement shall be withdrawn at a uniform rate during the twenty-four (24) hours of each day. The maximum hourly rate of withdrawal from the City's water main shall not exceed twice the annual average daily contracted amount. The City shall have the right to restrict the supply of water to the Purchaser in order to ensure an adequate water supply to all purchasers of City water for public health and fire protection. The Purchaser shall be responsible for any damage to the water system of the City or of any of its customers due to excessive surges caused by the malfunction or misuse of the Purchaser's water system, including, without limitation, fast-acting valves or booster station operation.

(3) The Purchaser shall install, or if previously installed, shall maintain a flow control system and a pressure recording system consisting of a manually operated flow control valve controlled by the City at a meter vault on existing water service connection to the City's water main at the Active location in order to regulate the flow of water as herein provided. When requested by the Commissioner, the

Purchaser shall provide the necessary equipment to transmit pressures, rates of flow and receiving reservoir elevations, and to convert the manually operated flow control valves to remotely controlled flow control valves. All devices necessary for the control and transmission of pressures and rates of flow of water furnished shall be provided and maintained by the Purchaser. The transmission of pressures and rates of flow readings shall be to a location designated by the City and the flow control valve shall be controlled by the City.

D. Standard Terms And Conditions.

I. General.

(1) This Agreement shall be in force and effect beginning on the date set forth above and ending on December 31, 2010; provided, however, that the City and the Purchaser may agree to renew this Agreement for three (3) successive like terms, not to exceed in the aggregate forty (40) years from the initial date of this Agreement. If either the City or the Purchaser shall desire to renew this Agreement, such party shall provide written notice thereof to the other party hereto by June 1 of the year on which the term expires. Amounts of water for average daily use shall be the amounts as allocated by the State. This Agreement shall be a continuing valid and binding obligation of the Purchaser payable from Revenues as hereinafter provided for the term and each separate renewal term thereof (each such renewal term to be treated as the term of a new agreement).

(2) The parties agree that the Existing Water Supply Agreement shall terminate upon the date of execution of this Agreement. Water supplied pursuant to the Existing Water Supply Agreement but not yet paid for as of the date of execution of this Agreement shall be paid for in accordance with the terms of this Agreement, and all rights and responsibilities of the parties with respect to such supply of water and such payment shall be as if that water had been supplied pursuant to this Agreement. No officer, official or agent of the City has the power to amend, modify or alter this Agreement or waive any of its conditions so as to bind the City by making any promise or representation not contained herein; provided, however, that the Commissioner may make modifications pursuant to paragraph D(7) herein.

(3) This Agreement shall not be assigned or transferred by either party.

(4) This Agreement shall be subject to cancellation in the event a court of competent jurisdiction restricts or limits, directly or indirectly, any of the City's rights to obtain, sell, contract for or distribute Lake Michigan water.

(5) The quantity of water supplied under this Agreement shall not exceed the amount of Lake Michigan water allocated annually by the State to the Purchaser and Subsequent Purchasers.

(6) The City shall not be responsible in damages for any interruption or failure to supply water and shall be saved and held harmless from all damage of any kind, nature and description that may arise as a result of making this Agreement and furnishing water hereunder.

(7) The Purchaser shall not permit any water furnished hereunder to be used to supply any party outside the corporate limits of the Purchaser, except as otherwise specifically provided herein, without the prior written consent of the Commissioner and the Chicago City Council. The Purchaser may, with the permission of the Commissioner, in an emergency, supply water to other City water users who have been previously authorized an emergency connection.

II. Reporting Requirement.

(8) At the end of each calendar year during the term of this Agreement and not later than March 31st of each year, the Purchaser agrees to submit to the Commissioner a written copy of the prevailing water rate schedule as applicable to its water customers. It shall include all rates and relevant information and the premise on which rates have been furnished.

(9) The Purchaser shall submit to the City by the tenth (10th) day of each month, a report showing the amount of water received the previous month from the City and the amount furnished to customers of the Purchaser.

(10) The Purchaser shall notify the City in writing and keep the City informed of the responsible individual in charge of operations of the Purchaser's water system.

III. Reservations.

(11) In the event of a default in payment of a water bill by the Purchaser, the City reserves the right to require the Purchaser to deposit, in advance, a sum equal to the estimated costs for water supply during a period of ninety (90) days at the prevailing metered rate.

(12) The City reserves the right to inspect, test and repair the water meters as required. All such repairs shall be charged to and paid by the Purchaser.

IV. Water Quality.

(13) The City shall supply the Purchaser with water of a quality commensurate with that furnished to its consumers within the City limits.

(14) The Purchaser shall receive its supply of water from the City by means of a method approved by the Commissioner. The City water system must be safeguarded by means of an air gap at the receiving reservoir. When the requirement for a receiving reservoir is waived to permit a direct connection for emergency use, a backflow preventer, approved by the Commissioner, must be installed.

(15) The Purchaser bears the responsibility for maintaining the water quality at any point beyond the control valve and within its distribution system. The City bears no degree of responsibility for the water quality at any point beyond the control valve.

(16) The Purchaser shall immediately notify the Commissioner of any emergency or condition that may affect the quality of water in either party's system.

(17) The City reserves the right to make inspections of those facilities which may affect the quality of the water supplied to the Purchaser and to perform required tests upon due notice to the Purchaser.

V. Equipment Operation.

(18) The Purchaser shall provide and maintain all Service Mains and valves and bear the costs for connecting said Service Mains to and severing them from the City's water system. The Purchaser shall also pay any and all costs incurred by or on behalf of the City in connection with extending the City's water system to the point of connection with the Purchaser's water system, if such extension is for the sole purpose of supplying water to the Purchaser's water system. Each Service Main shall be equipped with a valve located within the City limits and said valve shall be under the sole and complete control of the City. This valve shall mark the limit of the City's responsibility for maintenance of the piping system. The cost of maintaining or replacing the valve shall be the responsibility of the Purchaser.

(19) The Purchaser shall provide and maintain any and all devices expressly requested by the Commissioner for the purpose of controlling, measuring, transmitting and recording pressures, rates of flow, reservoir levels and other required operational information.

(20) The Purchaser shall provide the meters, vaults with sump pumps and related devices, adhering to City standard practices, for measuring the supply of water furnished. The meters provided have been, or must be delivered to the City meter shop for testing and picked up promptly after testing, all at the expense of the Purchaser prior to installation by the Purchaser. Plans, drawings and specifications for the equipment, piping and vault, or other protective structure have been, or must be, submitted to and approved by the Commissioner as a precondition to the issuance of an authorization for installing the meters and related devices. No substitute equipment shall be allowed without written approval of the Commissioner. The meter vault shall be located no farther than one hundred fifty (150) feet from the control valve unless the Commissioner consents to installation at a greater distance. The Purchaser is required to provide a tee and valve downstream of each meter installed in each meter vault. The tee and valve shall be of a size and in a location approved by the Commissioner. The tee and valve shall be a minimum of two (2) inches pipe size. The Purchaser is required to provide a one (1) inch pipe size pitometer test tap in the inlet pipe ahead of the header pipe in a location approved by the Commissioner.

(21) In the event that the Purchaser should desire to alter the meter installation, the piping configuration, the meter vault or any of the Facilities, all drawings, plans and specifications shall be submitted to the Commissioner prior to an application being made for an installation permit and prior to the start of any construction. Alteration of any of the Facilities shall include construction of new Facilities or changes or additions to existing Facilities. All drawings, plans and specifications shall include profiles showing United States Geological Survey elevations and shall be prepared by a professional engineer, licensed to practice in the State of Illinois, all equipment shall be of a manufacture and type approved by the City, and all work shall be performed by a plumbing contractor licensed and bonded in the State of Illinois.

(22) The City's representative shall regularly inspect the meters measuring the supply of water furnished and shall repair any meter or part of a meter which is known or suspected to be registering incorrectly. All such repairs shall be made by the City's representatives and the Purchaser shall pay for all repairs made. The Purchaser shall be responsible for replacing any meters which have been in service for a period longer than authorized or which are defective and not capable of being repaired. All such replacements shall be at the expense of the Purchaser.

(23) When it is determined that a water meter registered incorrectly, an estimate of the amount of water furnished through the faulty meter shall be prepared by the Commissioner for the purpose of billing the Purchaser. The estimate shall be based upon the average of twelve (12) preceding readings of the meter, exclusive of incorrect readings. When less than twelve (12) correct readings are available, fewer readings, including some obtained after the period of incorrect registration, may be used.

(24) The Purchaser shall assure that reservoirs of sufficient capacity are provided in its entire system including its own system and the entities served to store twice the annual daily average allocation of water to the Purchaser and the entities furnished water by the Purchaser's water system as authorized by the State Opinion and Order Number LMO 99-3, as amended from time to time, and any revisions to the allocations. All reservoirs provided by the Purchaser's water system shall be considered in meeting this requirement. The Purchaser's water system is to be operated to utilize the reservoirs in a manner to assure that water is withdrawn from the City's water system as uniformly as possible.

VI. Rates and Discounts.

(25) Charges for water furnished to the Purchaser shall be at such rate or rates as the City shall be legally authorized to charge, said rate or rates being fixed by City ordinance.

(26) The Purchaser shall be entitled to a discount for prompt payment of water bills similar to that allowed to metered customers inside the City.

(27) The Purchaser shall be charged a penalty for late payment of water bills similar to that charged to metered customers inside the City.

(28) Payments to be made by the Purchaser hereunder to the City for water furnished to the Purchaser shall be solely from Revenues. The Purchaser covenants and agrees to charge such rate or rates for the furnishing of water to its customers so that the Revenues shall at all times be sufficient to pay in full all amounts due to the City from the Purchaser hereunder.

VII. Notices.

(29) Unless otherwise specified, any notice, demand or request required hereunder shall be given in writing at the addresses set forth below, by any of

Water Supply Agreement

Between

The City Of Chicago, Illinois

And

The City Of Blue Island, Illinois.

This Agreement made and entered into this ____ day of _____, _____ and executed in sextuplicate originals (each executed copy constituting an original) by and between the City of Chicago, Illinois, a municipal corporation organized and existing under and by virtue of the laws of the State of Illinois (hereinafter called the "City") and the City of Blue Island (hereinafter called the "Purchaser") in Cook County, Illinois, located within the Metropolitan Water Reclamation District of Greater Chicago.

Recitals.

Whereas, The City and the Purchaser previously entered into an agreement for the furnishing from the City's water main at the City limits, at the active location (as defined below), and, if applicable, for emergency purposes only at the emergency location (as defined below), of a supply of water for consumers supplied by the Purchaser's water system; and

Whereas, The City and the Purchaser are desirous of and willing to enter into a new water supply Agreement pursuant to which the City will furnish from the existing connection to the City's water main at the City limits, at the active location, and if applicable, for emergency purposes only at the emergency location, a supply of water for consumers supplied by the Purchaser's water system;

Now, Therefore, In consideration of the above recitals which are made a contractual part of this Agreement and the mutual covenants and agreements hereinafter contained, the parties agree to the following:

A. Definitions.

The following terms as used in this Agreement shall have the meanings set forth below unless the context indicates a different meaning:

"Active Location" shall have the meaning set forth on (Sub)Exhibit A to this Agreement.

"Commissioner" shall mean the Commissioner of the Department of Water of the City.

"Emergency Location" shall have the meaning set forth on (Sub)Exhibit A to this Agreement.

"Facilities" shall mean the service mains, all reservoirs within the Purchaser's water system and all connections to other entities outside the limits of the Purchaser's water system, including any reservoirs on such entities' water systems.

"Revenues" shall mean the revenues derived from the operation of the Purchaser's water system, as stated in 65 ILCS 5/11-124.1.

"Service Main" or "Service Mains" shall mean the primary supply piping between the City's water system and the overflow tank at the Purchaser's reservoir, including the connection to the City's water system, the control valve and the meter vault.

"State" shall mean the State of Illinois, Department of Natural Resources, or any predecessor or successor to the Department of Natural Resources having authority over the allocation of Lake Michigan water.

"Subsequent Purchaser", if applicable, shall mean water users outside of the Purchaser's corporate limits which are supplied water by the Purchaser pursuant to Section (B)(2).

B. Service To Be Furnished.

(1) The City agrees to furnish to the Purchaser, and the Purchaser agrees to purchase and take from the City under and in accordance with the terms of this Agreement, a supply of water through metered connection authorized by the Commissioner from the City's water main at the City limits, at the Active Location, and for emergency purposes only at the Emergency Location, if applicable, to be used by the Purchaser in supplying water to consumers located

within the corporate limits of the Purchaser. All water usage is to be in accordance with the allocation of the State, as set forth on (Sub)Exhibit A.

(2) The Purchaser is authorized to supply Lake Michigan water obtained from the City to (not applicable) (collectively, the "Subsequent Purchasers", if applicable). All water usage is to be in accordance with the allocations of the State. Any increase in the allocation to the Subsequent Purchasers, if applicable, shall be subject to the approval of the Commissioner. It is clearly understood by the Purchase that this authorization is non-exclusive and in no way guarantees any rights to re-sell City water.

(3) The Purchaser shall not add any Subsequent Purchasers of water supplied by the City without the approval of the Commissioner and the Chicago City Council.

C. Quantity Of Water To Be Furnished.

(1) The quantities of water to be furnished are to be supplied to the Purchaser and the Subsequent Purchasers, if applicable, as set forth on (Sub)Exhibit A for the years indicated thereon. The individual consumers quantities of water are included in the allocation made to the Purchaser. These quantities of water are in accordance with the allocations made to the Purchaser and the Subsequent Purchasers, if applicable, by the State in Opinion and Order Number LMO 89-2, as amended from time to time. These quantities of water may be adjusted by the Commissioner if there are any future revisions of the allocation order by the State and shall be identified to this Agreement by written addenda.

(2) The water supplied and taken in accordance with this Agreement shall be withdrawn at a uniform rate during the twenty-four (24) hours of each day. The maximum hourly rate of withdrawal from the City's water main shall not exceed twice the annual average daily contracted amount. The City shall have the right to restrict the supply of water to the Purchaser in order to ensure an adequate water supply to all purchasers of City water for public health and fire protection. The Purchaser shall be responsible for any damage to the water system of the City or of any of its customers due to excessive surges caused by the malfunction or misuse of the Purchaser's water system, including, without limitation, fast-acting valves or booster station operation.

(3) The Purchaser shall install, or if previously installed, shall maintain a flow control system and a pressure recording system consisting of a manually operated flow control valve controlled by the City at a meter vault on existing water service connection to the City's water main at the Active Location in order to regulate the flow of water as herein provided. When requested by the Commissioner, the

Purchaser shall provide the necessary equipment to transmit pressures, rates of flow and receiving reservoir elevations, and to convert the manually operated flow control valves to remotely controlled flow control valves. All devices necessary for the control and transmission of pressures and rates of flow of water furnished shall be provided and maintained by the Purchaser. The transmission of pressures and rates of flow readings shall be to a location designated by the City and the flow control valve shall be controlled by the City.

D. Standard Terms And Conditions.

I. General.

(1) This Agreement shall be in force and effect for a period of ten (10) years, ending on December 31, 2008; provided, however, that the City and the Purchaser may agree to renew this Agreement for three (3) successive like terms, not to exceed in the aggregate forty (40) years from the initial date of this Agreement. If either the City or the Purchaser shall desire to renew this Agreement, such party shall provide written notice thereof to the other party hereto by June 1 of the year on which said ten (10) year term expires. Amounts of water for average daily use shall be the amounts as allocated by the State. This Agreement shall be a continuing valid and binding obligation of the Purchaser payable from Revenues as hereinafter provided for the term and each separate renewal term thereof (each such renewal term to be treated as the term of a new agreement).

(2) No officer, official or agent of the City has the power to amend, modify or alter this Agreement or waive any of its conditions so as to bind the City by making any promise or representation not contained herein; provided, however, that the Commissioner may make modifications pursuant to paragraph D(7) herein.

(3) This Agreement shall not be assigned or transferred by either party.

(4) This Agreement shall be subject to cancellation in the event a court of competent jurisdiction restricts or limits, directly or indirectly, any of the City's rights to obtain, sell, contract for or distribute Lake Michigan water.

(5) The quantity of water supplied under this Agreement shall not exceed the amount of Lake Michigan water allocated annually by the State to the Purchaser and Subsequent Purchasers.

(6) The City shall not be responsible in damages for any interruption or failure to supply water and shall be saved and held harmless from all damage of any kind, nature and description that may arise as a result of making this Agreement and furnishing water hereunder.

(7) The Purchaser shall not permit any water furnished hereunder to be used to supply any party outside the corporate limits of the Purchaser, except as otherwise specifically provided herein, without the prior written consent of the Commissioner and the Chicago City Council. The Purchaser may, with the permission of the Commissioner, in an emergency, supply water to other City water users who have been previously authorized an emergency connection.

II. Reporting Requirement.

(8) At the end of each calendar year during the term of this Agreement and not later than March 31st of each year, the Purchaser agrees to submit to the Commissioner a written copy of the prevailing water rate schedule as applicable to its water customers. It shall include all rates and relevant information and the premise on which rates have been furnished.

(9) The Purchaser shall submit to the City by the tenth (10th) day of each month, a report showing the amount of water received the previous month from the City and the amount furnished to customers of the Purchaser.

(10) The Purchaser shall notify the City in writing and keep the City informed of the responsible individual in charge of operations of the Purchaser's water system.

III. Reservations.

(11) In the event of a default in payment of a water bill by the Purchaser, the City reserves the right to require the Purchaser to deposit, in advance, a sum equal to the estimated costs for water supply during a period of ninety (90) days at the prevailing metered rate.

(12) The City reserves the right to inspect, test and repair the water meters as required. All such repairs shall be charged to and paid by the Purchaser.

IV. Water Quality.

(13) The City shall supply the Purchaser with water of a quality commensurate with that furnished to its consumers within the City limits.

(14) The Purchaser shall receive its supply of water from the City by means of a method approved by the Commissioner. The City water system must be safeguarded by means of an air gap at the receiving reservoir. When the requirement for a receiving reservoir is waived to permit a direct connection for emergency use, a backflow preventer, approved by the Commissioner, must be installed.

(15) The Purchaser bears the responsibility for maintaining the water quality at any point beyond the control valve and within its distribution system. The City bears no degree of responsibility for the water quality at any point beyond the control valve.

(16) The Purchaser shall immediately notify the Commissioner of any emergency or condition that may affect the quality of water in either party's system.

(17) The City reserves the right to make inspections of those facilities which may affect the quality of the water supplied to the Purchaser and to perform required tests upon due notice to the Purchaser.

V. Equipment Operation.

(18) The Purchaser shall provide and maintain all Service Mains and valves and bear the costs for connecting said Service Mains to and severing them from the City's water system. The Purchaser shall also pay any and all costs incurred by or on behalf of the City in connection with extending the City's water system to the point of connection with the Purchaser's water system, if such extension is for the sole purpose of supplying water to the Purchaser's water system. Each Service Main shall be equipped with a valve located within the City limits and said valve shall be under the sole and complete control of the City. This valve shall mark the limit of the City's responsibility for maintenance of the piping system. The cost of maintaining or replacing the valve shall be the responsibility of the Purchaser.

(19) The Purchaser shall provide and maintain any and all devices expressly requested by the Commissioner for the purpose of controlling, measuring, transmitting and recording pressures, rates of flow, reservoir levels and other required operational information.

(20) The Purchaser shall provide the meters, vaults with sump pumps and related devices, adhering to City standard practices, for measuring the supply of water furnished. The meters provided have been, or must be delivered to the City meter shop for testing and picked up promptly after testing, all at the expense of the Purchaser prior to installation by the Purchaser. Plans, drawings and specifications for the equipment, piping and vault, or other protective structure have been, or must be, submitted to and approved by the Commissioner as a precondition to the issuance of an authorization for installing the meters and related devices. No substitute equipment shall be allowed without written approval of the Commissioner. The meter vault shall be located no farther than one hundred fifty (150) feet from the control valve unless the Commissioner consents to installation at a greater distance. The Purchaser is required to provide a tee and valve downstream of each meter installed in each meter vault. The tee and valve shall be of a size and in a location approved by the Commissioner. The tee and valve shall be a minimum of two (2) inches pipe size. The Purchaser is required to provide a one (1) inch pipe size pitometer test tap in the inlet pipe ahead of the header pipe in a location approved by the Commissioner.

(21) In the event that the Purchaser should desire to alter the meter installation, the piping configuration, the meter vault or any of the Facilities, all drawings, plans and specifications shall be submitted to the Commissioner prior to an application being made for an installation permit and prior to the start of any construction. Alteration of any of the Facilities shall include construction of new Facilities or changes or additions to existing Facilities. All drawings, plans and specifications shall include profiles showing United States Geological Survey elevations and shall be prepared by a professional engineer, licensed to practice in the State of Illinois, all equipment shall be of a manufacture and type approved by the City, and all work shall be performed by a plumbing contractor licensed and bonded in the State of Illinois.

(22) The City's representative shall regularly inspect the meters measuring the supply of water furnished and shall repair any meter or part of a meter which is known or suspected to be registering incorrectly. All such repairs shall be made by the City's representatives and the Purchaser shall pay for all repairs made. The Purchaser shall be responsible for replacing any meters which have been in service for a period longer than authorized or which are defective and not capable of being repaired. All such replacements shall be at the expense of the Purchaser.

(23) When it is determined that a water meter registered incorrectly, an estimate of the amount of water furnished through the faulty meter shall be prepared by the Commissioner for the purpose of billing the Purchaser. The estimate shall be based upon the average of twelve (12) preceding readings of the

meter, exclusive of incorrect readings. When less than twelve (12) correct readings are available, fewer readings, including some obtained after the period of incorrect registration, may be used.

(24) The Purchaser shall assure that reservoirs of sufficient capacity are provided in its entire system including its own system and the entities served to store twice the annual daily average allocation of water to the Purchaser and the entities furnished water by the Purchaser's water system as authorized by the State Opinion and Order Number LMO 89-2, as amended from time to time, and any revisions to the allocations. All reservoirs provided by the Purchaser's water system shall be considered in meeting this requirement. The Purchaser's water system is to be operated to utilize the reservoirs in a manner to assure that water is withdrawn from the City's water system as uniformly as possible.

VI. Rates And Discounts.

(25) Charges for water furnished to the Purchaser shall be at such rate or rates as the City shall be legally authorized to charge, said rate or rates being fixed by City ordinance.

(26) The Purchaser shall be entitled to a discount for prompt payment of water bills similar to that allowed to metered customers inside the City.

(27) The Purchaser shall be charged a penalty for late payment of water bills similar to that charged to metered customers inside the City.

(28) Payments to be made by the Purchaser hereunder to the City for water furnished to the Purchaser shall be solely from Revenues. The Purchaser covenants and agrees to charge such rate or rates for the furnishing of water to its customers so that the Revenues shall at all times be sufficient to pay in full all amounts due to the City from the Purchaser hereunder.

VII. Notices.

(29) Unless otherwise specified, any notice, demand or request required hereunder shall be given in writing at the addresses set forth below, by any of the following means: (a) personal service; (b) electronic communications, such as facsimile; (c) overnight courier; or (d) registered or certified, first class mail, return receipt requested.

Water Supply Agreement

Between

The City Of Chicago, Illinois

And

The Brookfield/North Riverside Water Commission.

This agreement made and entered into this ____ day of _____, _____ and executed in sextuplicate originals (each executed copy constituting an original) by and between the City of Chicago, Illinois, a municipal corporation organized and existing under and by virtue of the laws of the State of Illinois (hereinafter called the "City"), and the Brookfield/North Riverside Water Commission, (hereinafter called the "Purchaser") in Cook County, Illinois, located within the Metropolitan Water Reclamation District of Greater Chicago.

Recitals.

Whereas, The City and the Purchaser previously entered into an agreement for the furnishing from the City's water main at the City limits, at the active location (as defined below), and, if applicable, for emergency purposes only at the emergency location (as defined below), of a supply of water for consumers supplies by the Purchaser's water system; and

Whereas, The City and the Purchaser are desirous of and willing to enter into a new water supply Agreement pursuant to which the City will furnish from the existing connection to the City's water main at the City limits, at the active location, and if applicable, for emergency purposes only at the emergency location, a supply of water for consumers supplied by the Purchaser's water system;

Now, Therefore, In consideration of the above Recitals which are made a contractual part of this Agreement and the mutual covenants and agreements hereinafter contained, the parties agree to the following:

A. Definitions.

The following terms as used in this Agreement shall have the meanings set forth below unless the context indicates a different meaning:

“Active Location” shall have the meaning set forth on (Sub)Exhibit A to this Agreement.

“Commissioner” shall mean the Commissioner of the Department of Water of the City.

“Emergency Location” shall have the meaning set forth on (Sub)Exhibit A to this Agreement, if applicable.

“Facilities” shall mean the service mains, all reservoirs within the Purchaser’s water system and all connections to other entities outside the limits of the Purchaser’s water system, including any reservoirs on such entities’ water systems.

“Revenues” shall mean the revenues derived from the operation of the Purchaser’s water system, as stated in 65 ILCS 5/11-124.1.

“Service Main” or “Service Mains” shall mean the primary supply piping between the City’s water system and the overflow tank at the Purchaser’s reservoir, including the connection to the City’s water system, the control valve and the meter vault.

“State” shall mean the State of Illinois, Department of Natural Resources, or any predecessor or successor to the Department of Natural Resources having authority over the allocation of Lake Michigan water.

“Subsequent Purchaser”, if applicable, shall mean water users outside of the Purchaser’s corporate limits which are supplied water by the Purchaser pursuant to Section (B)(2).

B. Service To Be Furnished.

(1) The City agrees to furnish to the Purchaser, and the Purchaser agrees to purchase and take from the City under and in accordance with the terms of this Agreement, a supply of water through metered connection authorized by the Commissioner from the City’s water main at the City limits, at the Active Location, and for emergency purposes only at the Emergency Location, if applicable, to be used by the Purchaser in supplying water to consumers located

within the current service area of the Purchaser. All water usage is to be in accordance with the allocation of the State, as set forth on (Sub)Exhibit A.

(2) The Purchaser is further authorized to supply Lake Michigan water obtained from the City to the Village of North Riverside, the Village of Brookfield, the Village of LaGrange Park and the Village of Lyons (collectively, the "Subsequent Purchasers", if applicable). All water usage is to be in accordance with the allocations of the State. Any increase in the allocation to the Subsequent Purchasers, if applicable, shall be subject to the approval of the Commissioner. It is clearly understood by the Purchaser that this authorization is non-exclusive and in no way guarantees any rights to re-sell City water.

(3) The Purchaser shall not add any Subsequent Purchasers of water supplied by the City without the approval of the Commissioner and the Chicago City Council.

C. Quantity Of Water To Be Furnished.

(1) The quantities of water to be furnished are to be supplied to the Purchaser and the Subsequent Purchasers, if applicable, as set forth on (Sub)Exhibit A for the years indicated thereon. The individual consumers' quantities of water are included in the allocation made to the Purchaser. These quantities of water are in accordance with the allocations made to the Purchaser and the Subsequent Purchasers, if applicable, by the State in Opinion and Order Number LMO 99-3, as amended from time to time. These quantities of water may be adjusted by the Commissioner if there are any future revisions of the allocation order by the State and shall be identified to this Agreement by written addenda.

(2) The water supplied and taken in accordance with this Agreement shall be withdrawn at a uniform rate during the twenty-four (24) hours of each day. The maximum hourly rate of withdrawal from the City's water main shall not exceed twice the annual average daily contracted amount. The City shall have the right to restrict the supply of water to the Purchaser in order to ensure an adequate water supply to all purchasers of City water for public health and fire protection. The Purchaser shall be responsible for any damage to the water system of the City or of any of its customers due to excessive surges caused by the malfunction or misuse of the Purchaser's water system, including, without limitation, fast-acting valves or booster station operation.

(3) The Purchaser shall install, or if previously installed, shall maintain a flow control system and a pressure recording system consisting of a manually operated flow control valve controlled by the City at a meter vault on existing water service connection to the City's water main at the City limits at the Active Location in

order to regulate the flow of water as herein provided. When requested by the Commissioner, the Purchaser shall provide the necessary equipment to transmit pressures, rates of flow and receiving reservoir elevations, and to convert the manually operated flow control valves to remotely controlled flow control valves. All devices necessary for the control and transmission of pressures and rates of flow of water furnished shall be provided and maintained by the Purchaser. The transmission of pressures and rates of flow readings shall be to a location designated by the City and the flow control valve shall be controlled by the City.

D. Standard Terms And Conditions.

I. General.

(1) This Agreement shall be in force and effect for a period of ten (10) years, ending on December 31, 20___; provided, however, that the City and the Purchaser may agree to renew this Agreement for three (3) successive like terms, not to exceed in the aggregate forty (40) years from the initial date of this Agreement. If either the City or the Purchaser shall desire to renew this Agreement, such party shall provide written notice thereof to the other party hereto by June 1 of the year on which said ten (10) year term expires. Amounts of water for average daily use shall be the amounts as allocated by the State. This Agreement shall be a continuing valid and binding obligation of the Purchaser payable from Revenues as hereinafter provided for the term and each separate renewal term thereof (each such renewal term to be treated as the term of a new agreement).

(2) No officer, official or agent of the City has the power to amend, modify or alter this Agreement or waive any of its conditions so as to bind the City by making any promise or representation not contained herein; provided, however, that the Commissioner may make modifications pursuant to paragraph D(7) herein.

(3) This Agreement shall not be assigned or transferred by either party.

(4) This Agreement shall be subject to cancellation in the event a court of competent jurisdiction restricts or limits, directly or indirectly, any of the City's rights to obtain, sell, contract for or distribute Lake Michigan water.

(5) The quantity of water supplied under this Agreement shall not exceed the amount of Lake Michigan water allocated annually by the State to the Purchaser and Subsequent Purchasers.

(6) The City shall not be responsible in damages for any interruption or failure to supply water and shall be saved and held harmless from all damage of any kind, nature and description that may arise as a result of making this Agreement and furnishing water hereunder.

(7) The Purchaser shall not permit any water furnished hereunder to be used to supply any party outside the service area of the Purchaser, except as otherwise specifically provided herein, without the prior written consent of the Commissioner and the Chicago City Council. The Purchaser may, with the permission of the Commissioner, in an emergency, supply water to other City water users who have been previously authorized an emergency connection.

II. Reporting Requirement.

(8) At the end of each calendar year during the term of this Agreement and not later than March 31st of each year, the Purchaser agrees to submit to the Commissioner a written copy of the prevailing water rate schedule as applicable to its water customers. It shall include all rates and relevant information and the premise on which rates have been furnished.

(9) The Purchaser shall submit to the City by the tenth (10th) day of each month, a report showing the amount of water received the previous month from the City and the amount furnished to customers of the Purchaser.

(10) The Purchaser shall notify the City in writing and keep the City informed of the responsible individual in charge of operations of the Purchaser's water system.

III. Reservations.

(11) In the event of a default in payment of a water bill by the Purchaser, the City reserves the right to require the Purchaser to deposit, in advance, a sum equal to the estimated costs for water supply during a period of ninety (90) days at the prevailing metered rate.

(12) The City reserves the right to inspect, test and repair the water meters as required. All such repairs shall be charged to and paid by the Purchaser.

IV. Water Quality.

(13) The City shall supply the Purchaser with water of a quality commensurate with that furnished to its consumers within the City limits.

(14) The Purchaser shall receive its supply of water from the City by means of a method approved by the Commissioner. The City water system must be safeguarded by means of an air gap at the receiving reservoir. When the requirement for a receiving reservoir is waived to permit a direct connection for emergency use, a backflow preventer, approved by the Commissioner, must be installed.

(15) The Purchaser bears the responsibility for maintaining the water quality at any point beyond the control valve and within its distribution system. The City bears no degree of responsibility for the water quality at any point beyond the control valve.

(16) The Purchaser shall immediately notify the Commissioner of any emergency or condition that may affect the quality of water in either party's system.

(17) The City reserves the right to make inspections of those facilities which may affect the quality of the water supplied to the Purchaser and to perform required tests upon due notice to the Purchaser.

V. Equipment Operation.

(18) The Purchaser shall provide and maintain all Service Mains and valves and bear the costs for connecting said Service Mains to and severing them from the City's water system. The Purchaser shall also pay any and all costs incurred by or on behalf of the City in connection with extending the City's water system to the point of connection with the Purchaser's water system, if such extension is for the sole purpose of supplying water to the Purchaser's water system. Each Service Main shall be equipped with a valve located within the City limits and said valve shall be under the sole and complete control of the City. This valve shall mark the limit of the City's responsibility for maintenance of the piping system. The cost of maintaining or replacing the valve shall be the responsibility of the Purchaser.

(19) The Purchaser shall provide and maintain any and all devices expressly requested by the Commissioner for the purpose of controlling, measuring, transmitting and recording pressures, rates of flow, reservoir levels and other required operational information.

(20) The Purchaser shall provide the meters, vaults with sump pumps and related devices, adhering to City standard practices, for measuring the supply of water furnished. The meters provided have been, or must be delivered to the City meter shop for testing and picked up promptly after testing, all at the expense of the Purchaser prior to installation by the Purchaser. Plans, drawings and specifications for the equipment, piping and vault, or other protective structure have been, or must be, submitted to and approved by the Commissioner as a precondition to the issuance of an authorization for installing the meters and related devices. No substitute equipment shall be allowed without written approval of the Commissioner. The meter vault shall be located no farther than one hundred fifty (150) feet from the control valve unless the Commissioner consents to installation at a greater distance. The Purchaser is required to provide a tee and valve downstream of each meter installed in each meter vault. The tee and valve shall be of a size and in a location approved by the Commissioner. The tee and valve shall be a minimum of two (2) inch pipe size. The Purchaser is required to provide a one (1) inch pipe size pitometer test tap in the inlet pipe ahead of the header pipe in a location approved by the Commissioner.

(21) In the event that the Purchaser should desire to alter the meter installation, the piping configuration, the meter vault or any of the Facilities, all drawings, plans and specifications shall be submitted to the Commissioner prior to an application being made for an installation permit and prior to the start of any construction. Alteration of any of the Facilities shall include construction of new Facilities or changes or additions to existing Facilities. All drawings, plans and specifications shall include profiles showing United States Geological Survey elevations and shall be prepared by a professional engineer, licensed to practice in the State of Illinois, all equipment shall be of a manufacture and type approved by the City, and all work shall be performed by a plumbing contractor licensed and bonded in the State of Illinois.

(22) The City's representative shall regularly inspect the meters measuring the supply of water furnished and shall repair any meter or part of a meter which is known or suspected to be registering incorrectly. All such repairs shall be made by the City's representatives and the Purchaser shall pay for all repairs made. The Purchaser shall be responsible for replacing any meters which have been in service for a period longer than authorized or which are defective and not capable of being repaired. All such replacements shall be at the expense of the Purchaser.

(23) When it is determined that a water meter registered incorrectly, an estimate of the amount of water furnished through the faulty meter shall be prepared by the Commissioner for the purpose of billing the Purchaser. The estimate shall be based upon the average of twelve (12) preceding readings of the meter, exclusive of incorrect readings. When less than twelve (12) correct readings are available, fewer readings, including some obtained after the period of incorrect registration, may be used.

(24) The Purchaser shall assure that reservoirs of sufficient capacity are provided in its entire system including its own system and the entities served to store twice the annual daily average allocation of water to the Purchaser and the entities furnished water by the Purchaser's water system as authorized by the State Opinion and Order Number LMO 99-3, as amended from time to time, and any revisions to the allocations. All reservoirs provided by the Purchaser's water system shall be considered in meeting this requirement. The Purchaser's water system is to be operated to utilize the reservoirs in a manner to assure that water is withdrawn from the City's water system as uniformly as possible.

VI. Rates And Discounts.

(25) Charges for water furnished to the Purchaser shall be at such rate or rates as the City shall be legally authorized to charge, said rate or rates being fixed by City ordinance.

(26) The Purchaser shall be entitled to a discount for prompt payment of water bills similar to that allowed to metered customers inside the City.

(27) The Purchaser shall be charged a penalty for late payment of water bills similar to that charged to metered customers inside the City.

(28) Payments to be made by the Purchaser hereunder to the City for water furnished to the Purchaser shall be solely from Revenues. The Purchaser covenants and agrees to charge such rate or rates for the furnishing of water to its customers so that the Revenues shall at all times be sufficient to pay in full all amounts due to the City from the Purchaser hereunder.

VII. Notices.

(29) Unless otherwise specified, any notice, demand or request required hereunder shall be given in writing at the addresses set forth below, by any of the following means: (a) personal service; (b) electronic communications, such as facsimile; (c) overnight courier; or (d) registered or certified, first class mail,

Water Supply Agreement

Between

The City Of Chicago, Illinois

And

Calumet City, Illinois.

This Agreement made and entered into this ____ day of _____, 2000 and executed in sextuplicate originals (each executed copy constituting an original) by and between the City of Chicago, Illinois, a municipal corporation organized and existing under and by virtue of the laws of the State of Illinois (hereinafter called the "City") and Calumet City, (hereinafter called the "Purchaser") in Cook County, Illinois, located within the Metropolitan Water Reclamation District of Greater Chicago.

Recitals.

Whereas, The City and the Purchaser previously entered into an agreement for the furnishing from the City's water main at the City limits, at the active location (as defined below), and, if applicable, for emergency purposes only at the emergency location (as defined below) of a supply of water for consumers supplied by the Purchaser's water system; and

Whereas, The City and the Purchaser are desirous of and willing to enter into a new water supply Agreement pursuant to which the City will furnish from the existing connection to the City's water main at the City limits, at the active location, and if applicable, for emergency purposes only at the emergency location, a supply of water for consumers supplied by the Purchaser's water system;

Now, Therefore, In consideration of the above Recitals which are made a contractual part of this Agreement and the mutual covenants and agreements hereinafter contained, the parties agree to the following:

A. Definitions.

The following terms as used in this Agreement shall have the meanings set forth below unless the context indicates a different meaning:

“Active Location” shall have the meaning set forth on (Sub)Exhibit A to this Agreement.

“Commissioner” shall mean the Commissioner of the Department of Water of the City.

“Emergency Location” shall have the meaning set forth on (Sub)Exhibit A to this Agreement.

“Facilities” shall mean the service mains, all reservoirs within the Purchaser’s water system and all connections to other entities outside the limits of the Purchaser’s water system, including any reservoirs on such entities’ water systems.

“Revenues” shall mean the revenues derived from the operation of the Purchaser’s water system, as stated in 65 ILCS 5/11-124.1.

“Service Main” or “Service Mains” shall mean the primary supply piping between the City’s water system and the overflow tank at the Purchaser’s reservoir, including the connection to the City’s water system, the control valve and the meter vault.

“State” shall mean the State of Illinois, Department of Natural Resources, or any predecessor or successor to the Department of Natural Resources having authority over the allocation of Lake Michigan water.

“Subsequent Purchaser”, if applicable, shall mean water users outside of the Purchaser’s corporate limits which are supplied water by the Purchaser pursuant to Section (B)(2).

B. Service To Be Furnished.

(1) The City agrees to furnish to the Purchaser, and the Purchaser agrees to purchase and take from the City under and in accordance with the terms of this Agreement, a supply of water through metered connection authorized by the Commissioner from the City’s water main at the City limits, at the Active Location, and for emergency purposes only at the Emergency Location, if applicable, to be used by the Purchaser in supplying water to consumers located

within the corporate limits of the Purchaser. The City acknowledges that the Purchaser may, according to its needs, purchase and take from the City less than the full amount of water permitted by the allocation of the State set forth on (Sub)Exhibit A. All water usage is to be in accordance with the allocation of the State, as set forth on (Sub)Exhibit A.

(2) The Purchaser is further authorized to supply Lake Michigan water obtained from the City to (not applicable) (collectively, the "Subsequent Purchasers", if applicable). All water usage is to be in accordance with the allocations of the State. Any increase in the allocation to the Subsequent Purchasers, if applicable, shall be subject to the approval of the Commissioner. It is clearly understood by the Purchase that this authorization is non-exclusive and in no way guarantees any rights to re-sell City water.

(3) The Purchaser shall not add any Subsequent Purchasers of water supplied by the City without the approval of the Commissioner and the Chicago City Council.

C. Quantity Of Water To Be Furnished.

(1) The quantities of water to be furnished are to be supplied to the Purchaser and the Subsequent Purchasers, if applicable, as set forth on (Sub)Exhibit A for the years indicated thereon. The individual consumer's quantities of water are included in the allocation made to the Purchaser. These quantities of water are in accordance with the allocations made to the Purchaser and the Subsequent Purchasers, if applicable, by the State in Opinion and Order Number LMO 99-3, as amended from time to time. These quantities of water may be adjusted by the Commissioner if there are any future revisions of the allocation order by the State and shall be identified to this Agreement by written addenda.

(2) The water supplied and taken in accordance with this Agreement shall be withdrawn at a uniform rate during the twenty-four (24) hours of each day. The maximum hourly rate of withdrawal from the City's water main shall not exceed twice the annual average daily contracted amount; provided that, notwithstanding the foregoing, upon prior notification by the Purchaser to the Commissioner, the maximum hourly rate of withdrawal from the City's water main may exceed twice the annual average daily contracted amount in the event of an emergency, subject to the availability to the City of such additional water supply. The City shall have the right to restrict the supply of water to the Purchaser in order to ensure an adequate water supply to all purchasers of City water for public health and fire protection. The Purchaser shall be responsible for any damage to the water system of the City or of any of its customers due to excessive surges caused by the malfunction or misuse of the Purchaser's water system, including, without

limitation, fast-acting valves or booster station operation.

(3) The Purchaser shall install, or if previously installed, shall maintain a flow control system and a pressure recording system consisting of a manually operated flow control valve controlled by the City at a meter vault on existing water service connection to the City's water main at the City limits at the Active Location in order to regulate the flow of water as herein provided. When requested by the Commissioner, the Purchaser shall provide the necessary equipment to transmit pressures, rates of flow and receiving reservoir elevations, and to convert the manually operated flow control valves to remotely controlled flow control valves. All devices necessary for the control and transmission of pressures and rates of flow of water furnished shall be provided and maintained by the Purchaser. The transmission of pressures and rates of flow readings shall be to a location designated by the City and the flow control valve shall be controlled by the City.

D. Standard Terms And Conditions.

I. General.

(1) This Agreement shall be in force and effect for a period of ten (10) years, ending on December 31, 20___; provided, however, that the City and the Purchaser may agree to renew this Agreement for three (3) successive like terms, not to exceed in the aggregate forty (40) years from the initial date of this Agreement, such party shall provide written notice thereof to the other party hereto by June 1 of the year on which said ten (10) year term expires. Amount of water for average daily use shall be the amounts as allocated by the State. This Agreement shall be a continuing valid and binding obligation of the Purchaser payable from Revenues as hereinafter provided for the term and each separate renewal term thereof (each such renewal term to be treated as the term of a new agreement).

(2) No officer, official or agent of the City has the power to amend, modify or alter this Agreement or waive any of its conditions so as to bind the City by making any promise or representation not contained herein; provided, however, that the Commissioner may make modifications pursuant to paragraph D(7) herein.

(3) This Agreement shall not be assigned or transferred by either party.

(4) This Agreement shall be subject to cancellation in the event a court of competent jurisdiction restricts or limits, directly or indirectly, any of the City's rights to obtain, sell, contract for or distribute Lake Michigan water.

(5) The quantity of water supplied under this Agreement shall not exceed the amount of Lake Michigan water allocated annually by the State to the Purchaser and Subsequent Purchasers, if applicable.

(6) The City shall not be responsible in damages for any interruption or failure to supply water and shall be saved and held harmless from all damage of any kind, nature and description that may arise as a result of making this Agreement and furnishing water hereunder.

(7) The Purchaser shall not permit any water furnished hereunder to be used to supply any party outside the corporate limits of the Purchaser, except as otherwise specifically provided herein, without the prior written consent of the Commissioner and the Chicago City Council. The Purchaser may, with the permission of the Commissioner, in an emergency, supply water to other City water users who have been previously authorized an emergency connection.

II. Reporting Requirement.

(8) At the end of each calendar year during the term of this Agreement and not later than March 31st of each year, the Purchaser agrees to submit to the Commissioner a written copy of the prevailing water rate schedule as applicable to its water customers. It shall include all rates and relevant information and the premise on which rates have been furnished.

(9) The Purchaser shall submit to the City by the tenth (10th) day of each month, a report showing the amount of water received the previous month from the City and the amount furnished to customers of the Purchaser.

(10) The Purchaser shall notify the City in writing and keep the City informed of the responsible individual in charge of operations of the Purchaser's water system.

III. Reservations.

(11) In the event of a default in payment of a water bill by the Purchaser, the City reserves the right to require the Purchaser to deposit, in advance, a sum equal to the estimated costs for water supply during a period of ninety (90) days at the prevailing metered rate.

(12) The City reserves the right to inspect, test and repair the water meters as required. All such repairs shall be charged to and paid by the Purchaser.

IV. Water Quality.

(13) The City shall supply the Purchaser with water of a quality commensurate with that furnished to its consumers within the City limits.

(14) The Purchaser shall receive its supply of water from the City by means of a method approved by the Commissioner. The City water system must be safeguarded by means of an air gap at the receiving reservoir. When the requirement for a receiving reservoir is waived to permit a direct connection for emergency use, a backflow preventer, approved by the Commissioner, must be installed.

(15) The Purchaser bears the responsibility for maintaining the water quality at any point beyond the control valve and within its distribution system. The City bears no degree of responsibility for the water quality at any point beyond the control valve.

(16) The Purchaser shall immediately notify the Commissioner of any emergency or condition that may affect the quality of water in either party's system.

(17) The City reserves the right to make inspections of those facilities which may affect the quality of the water supplied to the Purchaser and to perform required tests upon due notice to the Purchaser.

V. Equipment Operation.

(18) The Purchaser shall provide and maintain all Service Mains and valves and bear the costs for connecting said Service Mains to and severing them from the City's water system. The Purchaser shall also pay any and all costs incurred by or on behalf of the City in connection with extending the City's water system to the point of connection with the Purchaser's water system, if such extension is for the sole purpose of supplying water to the Purchaser's water system. Each Service Main shall be equipped with a valve located within the City limits and said valve shall be under the sole and complete control of the City. This valve shall mark the limit of the City's responsibility for maintenance of the piping system. The cost of maintaining or replacing the valve shall be the responsibility of the Purchaser.

(19) The Purchaser shall provide and maintain any and all devices expressly requested by the Commissioner for the purpose of controlling, measuring, transmitting and recording pressures, rates of flow, reservoir levels and other required operational information.

(20) The Purchaser shall provide the meters, vaults with sump pumps and related devices, adhering to City standard practices, for measuring the supply of water furnished. The meters provided have been, or must be delivered to the City meter shop for testing and picked up promptly after testing, all at the expense of the Purchaser prior to installation by the Purchaser. Plans, drawings and specifications for the equipment, piping and vault, or other protective structure have been, or must be, submitted to and approved by the Commissioner as a precondition to the issuance of an authorization for installing the meters and related devices. No substitute equipment shall be allowed without written approval of the Commissioner. The meter vault shall be located no farther than one hundred fifty (150) feet from the control valve unless the Commissioner consents to installation at a greater distance. The Purchaser is required to provide a tee and valve downstream of each meter installed in each meter vault. The tee and valve shall be of a size and in a location approved by the Commissioner. The tee and valve shall be a minimum of two (2) inches pipe size. The Purchaser is required to provide a one (1) inch pipe size pitometer test tap in the inlet pipe ahead of the header pipe in a location approved by the Commissioner.

(21) In the event that the Purchaser should desire to alter the meter installation, the piping configuration, the meter vault or any of the Facilities, all drawings, plans and specifications shall be submitted to the Commissioner prior to an application being made for an installation permit and prior to the start of any construction. Alteration of any of the Facilities shall include construction of new Facilities or changes or additions to existing Facilities. All drawings, plans and specifications shall include profiles showing United States Geological Survey elevations and shall be prepared by a professional engineer, licensed to practice in the State of Illinois, all equipment shall be of a manufacture and type approved by the City, and all work shall be performed by a plumbing contractor licensed and bonded in the State of Illinois.

(22) The City's representative shall regularly inspect the meters measuring the supply of water furnished and shall repair any meter or part of a meter which is known or suspected to be registering incorrectly. All such repairs shall be made by the City's representatives and the Purchaser shall pay for all repairs made. The Purchaser shall be responsible for replacing any meters which have been in service for a period longer than authorized or which are defective and not capable of being repaired. All such replacements shall be at the expense of the Purchaser.

(23) When it is determined that a water meter registered incorrectly, an estimate of the amount of water furnished through the faulty meter shall be prepared by the Commissioner for the purpose of billing the Purchaser. The estimate shall be based upon the average of twelve (12) preceding readings of the

meter, exclusive of incorrect readings. When less than twelve (12) correct readings are available, fewer readings, including some obtained after the period of incorrect registration, may be used.

(24) The Purchaser shall assure that reservoirs of sufficient capacity are provided in its entire system including its own system and the entities served to store twice the annual daily average allocation of water to the Purchaser and the entities furnished water by the Purchaser's water system as authorized by the State Opinion and Order Number LMO 99-3, as amended from time to time, and any revisions to the allocations. All reservoirs provided by the Purchaser's water system shall be considered in meeting this requirement. The Purchaser's water system is to be operated to utilize the reservoirs in a manner to assure that water is withdrawn from the City's water system as uniformly as possible.

VI. Rates And Discounts.

(25) Charges for water furnished to the Purchaser shall be at such rate or rates as the City shall be legally authorized to charge, said rate or rates being fixed by City ordinance.

(26) The Purchaser shall be entitled to a discount for prompt payment of water bills similar to that allowed to metered customers inside the City.

(27) The Purchaser shall be charged a penalty for late payment of water bills similar to that charged to metered customers inside the City.

(28) Payments to be made by the Purchaser hereunder to the City for water furnished to the Purchaser shall be solely from Revenues. The Purchaser covenants and agrees to charge such rate or rates for the furnishing of water to its customers so that the Revenues shall at all times be sufficient to pay in full all amounts due to the City from the Purchaser hereunder.

VII. Notices.

(29) Unless otherwise specified, any notice, demand or request required hereunder shall be given in writing at the addresses set forth below, by any of the following means: (a) personal service; (b) electronic communications, such as facsimile; (c) overnight courier; or (d) registered or certified, first class mail, return receipt requested.

Water Supply Agreement

Between

The City Of Chicago, Illinois

And

The Westchester/Broadview Joint Water Commission.

This Agreement made and entered into this ____ day of _____ 2000 and executed in sextuplicate originals (each executed copy constituting an original) by and between the City of Chicago, Illinois, a municipal corporation organized and existing under and by virtue of the laws of the State of Illinois (hereinafter called the "City") and the Westchester/Broadview Joint Water Commission (hereinafter called the "Purchaser"), in Cook County, Illinois, located within the Metropolitan Water Reclamation District of Greater Chicago.

Recitals.

Whereas, The City and the Purchaser previously entered into an agreement for the furnishing of water from the City's water main at the City limits, at the active location (as defined below), and, if applicable, for emergency purposes only at the emergency location (as defined below), of a supply of water for consumers supplied by the Purchaser's water system; and

Whereas, The City and the Purchaser are desirous of and willing to enter into a new water supply Agreement pursuant to which the City will furnish from the existing connection to the City's water main at the City limits, at the active location, and if applicable, for emergency purposes only at the emergency location, a supply of water for consumers supplied by the Purchaser's water system;

Now, Therefore, In consideration of the above recitals which are made a contractual part of this Agreement and the mutual covenants and agreements hereinafter contained, the parties agree to the following:

A. Definitions.

The following terms as used in this Agreement shall have the meanings set forth below unless the context indicates a different meaning:

“Active Location” shall have the meaning set forth on (Sub)Exhibit A to this Agreement.

“Commissioner” shall mean the Commissioner of the Department of Water of the City.

“Emergency Location” shall have the meaning set forth on (Sub)Exhibit A to this Agreement, if applicable.

“Facilities” shall mean the service mains, all reservoirs within the Purchaser’s water system and all connections to other entities outside the limits of the Purchaser’s water system, including any reservoirs on such entities’ water systems.

“Revenues” shall mean the revenues derived from the operation of the Purchaser’s water system, as stated in 65 ILCS 5/11-124.1.

“Service Main” or “Service Mains” shall mean the primary supply piping between the City’s water system and the overflow tank at the Purchaser’s reservoir, including the connection to the City’s water system, the control valve and the meter vault.

“State” shall mean the State of Illinois, Department of Natural Resources, or any predecessor or successor to the Department of Natural Resources having authority over the allocation of Lake Michigan water.

“Subsequent Purchaser”, if applicable, shall mean water users outside of the Purchaser’s corporate limits which are supplied water by the Purchaser pursuant to Section (B)(2).

B. Service To Be Furnished.

(1) The City agrees to furnish to the Purchaser, and the Purchaser agrees to purchase and take from the City under and in accordance with the terms of this Agreement, a supply of water through metered connection authorized by the Commissioner from the City’s water main at the City limits, at the Active Location, and for emergency purposes only at the Emergency Location, if applicable, to be used by the Purchaser in supplying water to consumers located

within the corporate limits of the Purchaser. All water usage is to be in accordance with the allocation of the State, as set forth on (Sub)Exhibit A.

(2) The Purchaser is further authorized to supply Lake Michigan water obtained from the City to the Village of Broadview and the Village of Westchester (collectively, the "Subsequent Purchasers"). All water usage is to be in accordance with the allocations of the State. Any increase in the allocation to the Subsequent Purchasers" shall be subject to the approval of the Commissioner. It is clearly understood by the Purchaser that this authorization is non-exclusive and in no way guarantees any rights to re-sell City water.

(3) The Purchaser shall not add any Subsequent Purchasers of water supplied by the City without the approval of the Commissioner and the Chicago City Council.

C. Quantity Of Water To Be Furnished.

(1) The quantities of water to be furnished are to be supplied to the Purchaser and the Subsequent Purchasers, if applicable, as set forth on (Sub)Exhibit A for the years indicated thereon. The individual consumers quantities of water are included in the allocation made to the Purchaser. These quantities of water are in accordance with the allocations made to the Purchaser and the Subsequent Purchasers, if applicable, by the State in Opinion and Order Number LMO 99-3, as amended from time to time. These quantities of water may be adjusted by the Commissioner if there are any future revisions of the allocation order by the State and shall be identified to this Agreement by written addenda.

(2) The water supplied and taken in accordance with this Agreement shall be withdrawn at a uniform rate during the twenty-four (24) hours of each day. The maximum hourly rate of withdrawal from the City's water main shall not exceed twice the annual average daily contracted amount. The City shall have the right to restrict the supply of water to the Purchaser in order to ensure an adequate water supply to all purchasers of City water for public health and fire protection. The Purchaser shall be responsible for any damage to the water system of the City or of any of its customers due to excessive surges caused by the malfunction or misuse of the Purchaser's water system, including, without limitation, fast-acting valves or booster station operation.

(3) The Purchaser shall install, or if previously installed, shall maintain a flow control system and a pressure recording system consisting of a manually operated flow control valve controlled by the City at a meter vault on existing water service connection to the City's water main at the City limits at the Active Location in order to regulate the flow of water as herein provided. When requested by the

Commissioner, the Purchaser shall provide the necessary equipment to transmit pressures, rates of flow and receiving reservoir elevations, and to convert the manually operated flow control valves to remotely controlled flow control valves. All devices necessary for the control and transmission of pressures and rates of flow of water furnished shall be provided and maintained by the Purchaser. The transmission of pressures and rates of flow readings shall be to a location designated by the City and the flow control valve shall be controlled by the City.

D. Standard Terms And Conditions.

I. General.

(1) This Agreement shall be in force and effect for a period of ten (10) years, ending on December 31, 20__; provided, however, that the City and the Purchaser may agree to renew this Agreement for three (3) successive like terms, not to exceed in the aggregate forty (40) years from the initial date of this Agreement. If either the City or the Purchaser shall desire to renew this agreement, such party shall provide written notice thereof to the other party hereto by June 1 of the year on which said ten (10) year term expires. Amounts of water for average daily use shall be the amounts as allocated by the State. This Agreement shall be a continuing valid and binding obligation of the Purchaser payable from Revenues as hereinafter provided for the term and each separate renewal term thereof (each such renewal term to be treated as the term of a new agreement).

(2) No officer, official or agent of the City has the power to amend, modify or alter this Agreement or waive any of its conditions so as to bind the City by making any promise or representation not contained herein; provided, however, that the Commissioner may make modifications pursuant to paragraph D(7) herein.

(3) This Agreement shall not be assigned or transferred by either party.

(4) This Agreement shall be subject to cancellation in the event a court of competent jurisdiction restricts or limits, directly or indirectly, any of the City's rights to obtain, sell, contract for or distribute Lake Michigan water.

(5) The quantity of water supplied under this Agreement shall not exceed the amount of Lake Michigan water allocated annually by the State to the Purchaser and Subsequent Purchasers, if applicable.

(6) The City shall not be responsible in damages for any interruption or failure to supply water and shall be saved and held harmless from all damage of any

kind, nature and description that may arise as a result of making this Agreement and furnishing water hereunder.

(7) The Purchaser shall not permit any water furnished hereunder to be used to supply any party outside the corporate limits of the Purchaser, except as otherwise specifically provided herein, without the prior written consent of the Commissioner and the Chicago City Council. The Purchaser may, with the permission of the Commissioner, in an emergency, supply water to other City water users who have been previously authorized an emergency connection.

II. Reporting Requirement.

(8) At the end of each calendar year during the term of this Agreement and not later than March 31st of each year, the Purchaser agrees to submit to the Commissioner a written copy of the prevailing water rate schedule as applicable to its water customers. It shall include all rates and relevant information and the premise on which rates have been furnished.

(9) The Purchaser shall submit to the City by the tenth (10th) day of each month, a report showing the amount of water received the previous month from the City and the amount furnished to customers of the Purchaser.

(10) The Purchaser shall notify the City in writing and keep the City informed of the responsible individual in charge of operations of the Purchaser's water system.

III. Reservations.

(11) In the event of a default in payment of a water bill by the Purchaser, the City reserves the right to require the Purchaser to deposit, in advance, a sum equal to the estimated costs for water supply during a period of ninety (90) days at the prevailing metered rate.

(12) The City reserves the right to inspect, test and repair the water meters as required. All such repairs shall be charged to and paid by the Purchaser.

IV. Water Quality.

(13) The City shall supply the Purchaser with water of a quality commensurate with that furnished to its consumers within the City limits.

(14) The Purchaser shall receive its supply of water from the City by means of a method approved by the Commissioner. The City water system must be safeguarded by means of an air gap at the receiving reservoir. When the requirement for a receiving reservoir is waived to permit a direct connection for emergency use, a backflow preventer, approved by the Commissioner, must be installed.

(15) The Purchaser bears the responsibility for maintaining the water quality at any point beyond the control valve and within its distribution system. The City bears no degree of responsibility for the water quality at any point beyond the control valve.

(16) The Purchaser shall immediately notify the Commissioner of any emergency or condition that may affect the quality of water in either party's system.

(17) The City reserves the right to make inspections of those facilities which may affect the quality of the water supplied to the Purchaser and to perform required tests upon due notice to the Purchaser.

V. Equipment Operation.

(18) The Purchaser shall provide and maintain all Service Mains and valves and bear the costs for connecting said Service Mains to and severing them from the City's water system. The Purchaser shall also pay any and all costs incurred by or on behalf of the City in connection with extending the City's water system to the point of connection with the Purchaser's water system, if such extension is for the sole purpose of supplying water to the Purchaser's water system. Each Service Main shall be equipped with a valve located within the City limits and said valve shall be under the sole and complete control of the City. This valve shall mark the limit of the City's responsibility for maintenance of the piping system. The cost of maintaining or replacing the valve shall be the responsibility of the Purchaser.

(19) The Purchaser shall provide and maintain any and all devices expressly requested by the Commissioner for the purpose of controlling, measuring, transmitting and recording pressures, rates of flow, reservoir levels and other required operational information.

(20) The Purchaser shall provide the meters, vaults with sump pumps and related devices, adhering to City standard practices, for measuring the supply of water furnished. The meters provided have been, or must be delivered to the City meter shop for testing and picked up promptly after testing, all at the

expense of the Purchaser prior to installation by the Purchaser. Plans, drawings and specifications for the equipment, piping and vault, or other protective structure have been, or must be, submitted to and approved by the Commissioner as a precondition to the issuance of an authorization for installing the meters and related devices. No substitute equipment shall be allowed without written approval of the Commissioner. The meter vault shall be located no farther than one hundred fifty (150) feet from the control valve unless the Commissioner consents to installation at a greater distance. The Purchaser is required to provide a tee and valve downstream of each meter installed in each meter vault. The tee and valve shall be of a size and in a location approved by the Commissioner. The tee and valve shall be a minimum of two (2) inches pipe size. The Purchaser is required to provide a one (1) inch pipe size pitometer test tap in the inlet pipe ahead of the header pipe in a location approved by the Commissioner.

(21) In the event that the Purchaser should desire to alter the meter installation, the piping configuration, the meter vault or any of the Facilities, all drawings, plans and specifications shall be submitted to the Commissioner prior to an application being made for an installation permit and prior to the start of any construction. Alteration of any of the Facilities shall include construction of new Facilities or changes or additions to existing Facilities. All drawings, plans and specifications shall include profiles showing United States Geological Survey elevations and shall be prepared by a professional engineer, licensed to practice in the State of Illinois, all equipment shall be of a manufacture and type approved by the City, and all work shall be performed by a plumbing contractor licensed and bonded in the State of Illinois.

(22) The City's representative shall regularly inspect the meters measuring the supply of water furnished and shall repair any meter or part of a meter which is known or suspected to be registering incorrectly. All such repairs shall be made by the City's representatives and the Purchaser shall pay for all repairs made. The Purchaser shall be responsible for replacing any meters which have been in service for a period longer than authorized or which are defective and not capable of being repaired. All such replacements shall be at the expense of the Purchaser.

(23) When it is determined that a water meter registered incorrectly, an estimate of the amount of water furnished through the faulty meter shall be prepared by the Commissioner for the purpose of billing the Purchaser. The estimate shall be based upon the average of twelve (12) preceding readings of the meter, exclusive of incorrect readings. When less than twelve (12) correct readings are available, fewer readings, including some obtained after the period of incorrect registration, may be used.

(24) The Purchaser shall assure that reservoirs of sufficient capacity are provided in its entire system including its own system and the entities served to store twice the annual daily average allocation of water to the Purchaser and the entities furnished water by the Purchaser's water system as authorized by the State Opinion and Order Number LMO 99-3, as amended from time to time, and any revisions to the allocations. All reservoirs provided by the Purchaser's water system shall be considered in meeting this requirement. The Purchaser's water system is to be operated to utilize the reservoirs in a manner to assure that water is withdrawn from the City's water system as uniformly as possible.

VI. Rates And Discounts.

(25) Charges for water furnished to the Purchaser shall be at such rate or rates as the City shall be legally authorized to charge, said rate or rates being fixed by City ordinance.

(26) The Purchaser shall be entitled to a discount for prompt payment of water bills similar to that allowed to metered customers inside the City.

(27) The Purchaser shall be charged a penalty for late payment of water bills similar to that charged to metered customers inside the City.

(28) Payments to be made by the Purchaser hereunder to the City for water furnished to the Purchaser shall be solely from Revenues. The Purchaser covenants and agrees to charge such rate or rates for the furnishing of water to its customers so that the Revenues shall at all times be sufficient to pay in full all amounts due to the City from the Purchaser hereunder.

VII. Notices.

AUTHORIZATION TO ENTER INTO INTERGOVERNMENTAL
AGREEMENT WITH VILLAGE OF OAK LAWN FOR
CONSTRUCTION OF WATER MAIN.

The Committee on Finance submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration an ordinance authorizing the Mayor to enter into an intergovernmental agreement with the Village of Oak Lawn for the construction of a water main, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City") is a municipal corporation, and a home rule unit of local government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois; and

WHEREAS, The City and the Village of Oak Lawn, Illinois ("Oak Lawn") are parties to that certain agreement dated October 26, 1995 entitled: "Water Supply Contract Between the City of Chicago, Illinois and the Village of Oak Lawn, Illinois" whereby the City supplies water to Oak Lawn for its own use and for resale to other municipalities, and such agreement is presently in full force and effect, and the parties plan to enter into a successor agreement (the "Water Supply Contract") after obtaining all required authorizations; and

WHEREAS, Under the Water Supply Contract, Oak Lawn will continue to supply water to various municipalities and seeks to add the Village of New Lenox, Illinois ("New Lenox"), the Village of Mokena, Illinois ("Mokena") and the Village of Frankfort, Illinois ("Frankfort") as additional municipal customers; and

WHEREAS, The City is willing to sell additional water to Oak Lawn under the Water Supply Contract for resale by Oak Lawn to New Lenox, Mokena and Frankfort provided that Oak Lawn expands and upgrades its water transmission system, and the State of Illinois approves water allocations to Mokena and Frankfort; and

WHEREAS, The City and Oak Lawn believe that construction of a new water transmission main is necessary to efficiently and economically deliver additional water supply to Oak Lawn; and

WHEREAS, The City and Oak Lawn have agreed to a plan of construction for the new water transmission main, with phase one going from the City's Southwest Pumping Station to the City limit at 87th Street, and phase two going from the City limit through the City of Hometown to Oak Lawn's pump station at 91st Street and Southwest Highway ("C. J. Reich Pumping Station"); and

WHEREAS, The City and Oak Lawn desire to enter into an intergovernmental agreement to state the allocation of responsibilities and other details involved in the construction, operation and maintenance of such additional water main capacity; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are incorporated by reference as if fully set forth herein.

SECTION 2. The Commissioner of the Department of Water (the "Commissioner") or a designee of the Commissioner are each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver an intergovernmental agreement with Oak Lawn substantially in the form attached hereto as Exhibit A and made a part hereof (the "Intergovernmental Agreement") and such other supporting documents and easements as may be necessary to carry out and comply with the Intergovernmental Agreement with such changes, deletions and insertions as shall be approved by the person(s) executing the Intergovernmental Agreement.

SECTION 3. Invalidity Of Any Section. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, then the invalidity or unenforceability of such provision will not affect any of the remaining provisions of this ordinance.

SECTION 4. Supersede. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 5. Effective Date. This ordinance shall be in full force and effect immediately upon its passage and approval.

Exhibit "A" referred to in this ordinance reads as follows:

Exhibit "A".

Agreement By And Between

*The City Of Chicago, By And Through
Its Department Of Water*

And

The Village Of Oak Lawn, Illinois.

This agreement (the "Agreement") is made and entered into this _____ day of _____, 2000, by and between the City of Chicago ("Chicago"), a municipal

corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, by and through its Department of Water (the "Department") and the Village of Oak Lawn, Illinois ("Oak Lawn").

Recitals.

Whereas, Chicago and Oak Lawn are parties to that certain agreement dated October 26, 1995 entitled: "Water Supply Contract Between the City of Chicago, Illinois and the Village of Oak Lawn, Illinois" (the "Water Supply Contract"), whereby Chicago supplies water to Oak Lawn for its own use and for resale to other municipalities, and the Water Supply Contract is in full force and effect as of the date of this Agreement; and

Whereas, Under the Water Supply Contract, Chicago supplies water to Oak Lawn through Chicago's water mains up to the Chicago city limit, and such mains are connected to Oak Lawn's water main system to carry the purchased water to Oak Lawn's water consumers and the additional municipalities which purchase water from Oak Lawn; and

Whereas, Oak Lawn presently seeks to add the Village of New Lenox, Illinois ("New Lenox"), the Village of Mokena, Illinois ("Mokena") and the Village of Frankfort, Illinois ("Frankfort") as additional municipal customers, and is also contemplating adding other additional municipal customers; and

Whereas, Chicago is willing to sell additional water to Oak Lawn under the Water Supply Contract for resale by Oak Lawn to New Lenox, Mokena and Frankfort provided that Oak Lawn expands and upgrades its water transmission system; and

Whereas, Both Chicago and Oak Lawn believe that construction of a new water transmission main and additional system improvements are required to efficiently and economically deliver the additional water supply to Oak Lawn for resale and delivery to the municipalities which currently purchase water from Oak Lawn, as well as New Lenox, Mokena, Frankfort and other possible new customers; and

Whereas, A preliminary review of the construction required for an additional water main indicates a two (2) phase construction program, with one (1) phase going from Chicago's Southwest Pumping Station to the Chicago city limit at 87th Street, and the second (2nd) phase going from the Chicago city limit through the City of Hometown ("Hometown"), to Oak Lawn's pump station at 91st Street and on Southwest Highway (C.J. Reich Pumping Station); and

Whereas, Chicago and Oak Lawn desire to enter into an agreement whereby each party will agree to the allocation of the responsibilities and other details involved

with construction, operation and maintenance of such additional water main capacity;

Now, Therefore, For and in consideration of the premises and of the covenants and agreements set forth herein, the parties hereto hereby agree as follows:

Article One.

Incorporation Of Recitals.

1.1 Recitals.

The recitals set forth above are incorporated in this Agreement by reference and made a part hereof.

Article Two.

Construction Program.

2.1 Project.

Oak Lawn agrees to construct a new water main starting with cutting a tee into the existing fifty-four (54) inch pipe at Chicago's Southwest Pumping Station. The tee connection will include a forty-eight (48) inch control valve (the "Control Valve") which will, upon completion of the Project, be the demarcation point of ownership and responsibility as referenced in the Water Supply Contract, Section D.V.18. The new water transmission main shall then run from the Control Valve to the Chicago city limits and thereafter through Hometown (the "Water Main"). The Water Main is to connect to Oak Lawn's water system and to Oak Lawn's pump station at 91st Street and Southwest Highway (C.J. Reich Pumping Station). The following activities are defined for purposes of this Agreement as "Construction": (i) work required to insert the tee connection and the Control Valve; (ii) original construction work starting at the Control Valve and within the Chicago city limits; (iii) original construction work from the Chicago city limits through Hometown, (iv) any related connections to the Oak Lawn water transmission system; and (v) any follow-up, repair construction work related to the Water Main, or interim maintenance work related to the Water Main. Oak Lawn shall be responsible for the Construction.

2.2 Department Approval Of Plans.

Before entering into any design and/or construction contracts, Oak Lawn will obtain the approval and consent from the Department concerning the designs, plans, routing of the Construction, construction timing, engineering specifications and design firm/contractor selections, and such approval and consent will be promptly decided, and will not be unreasonably withheld. Oak Lawn will obtain the approval and consent of Hometown for the Construction and any required easements from Hometown, and will provide evidence of such approvals, consents and easements to the Department. After approval and consent by the Department, Oak Lawn, at its sole expense, shall send a full and complete set of the approved designs, plans and engineering specifications to the Department and such full and complete set shall become (Sub)Exhibit A to this Agreement. Oak Lawn shall promptly send to the Department any subsequent change orders to the approved designs, plans and engineering specifications, which change orders shall become part of (Sub)Exhibit A.

2.3 New Construction.

(a) Subject to the terms and conditions of this Agreement, its ordinary and usual procurement practices, and its capital budget program, Oak Lawn will promptly enter into one (1) or more design and construction contracts with design firms and/or contractors experienced with water transmission system construction for the design, engineering and construction of the Construction.

(b) Oak Lawn's contracts with its contractors for the Construction shall include the following: (i) in the event that any of its contractors fail to execute the work in a timely fashion, Oak Lawn shall have the option, upon the expiration of no more than fourteen (14) days written notice to its contractors, to proceed to execute such work as may be deemed necessary and deduct the cost thereof from the compensation due the contractors under the applicable contract; (ii) once the Construction begins, its contractors shall continuously prosecute the Construction where practical and concurrently perform all reasonable restoration work; and (iii) all contractors shall provide Chicago with a copy of their respective liability insurance policy certificates and the name, address and phone number of the claims representative for the insurance company and the contractor.

(c) Prior to the commencement of Construction, Oak Lawn shall: (i) provide Chicago with evidence that it has appropriated the funds necessary to complete the Construction and the repair of any areas damaged by the Construction; (ii) notify all residents within a one (1) block perimeter of the Construction and provide information concerning the Construction along with the name, address and phone number of a contact person with whom inquiries can be made; (iii) cause a video

tape to be taken of all parkways, trees, sidewalks and driveways within and surrounding the Construction area; (iv) submit a detailed traffic control plan to the Department for its approval; and (v) provide Chicago with evidence that pre-Construction actions similar to items (i) through (iv) described in this subparagraph (c) have been taken for the Construction located in Hometown.

(d) Oak Lawn shall, at its sole cost and expense, provide and maintain any and all devices expressly requested by the Department for the purpose of controlling, measuring, transmitting and recording pressures, rates of flow, reservoir levels and other required operational information.

(e) All areas damaged during the Construction shall be restored to their original condition or better. Oak Lawn shall not release any retention funds to its contractors until such time that Chicago accepts the restoration work performed and all damage claims made against the contractors have been settled. Not less than twenty-one (21) days after notice from Oak Lawn that restoration has been completed, Chicago shall provide Oak Lawn with a punch list of restoration items not completed and damage claims not settled.

2.4 Coordination; Permits; As-Built Plans.

(a) The Construction shall be coordinated with Chicago's capital construction program, and be in compliance with all Chicago regulations and requirements governing new construction, including but not limited to construction bond requirements for work in the public way and any required performance and payment bonds. Prior to the commencement of Construction, Oak Lawn shall file with Chicago a copy of its contractors' performance and payment bonds in the full amount of the contract guaranteeing performance and payment of the Construction in accordance with the contract documents.

(b) Based upon the Department's approval, Chicago shall promptly issue all necessary permits for the Construction, and shall use its best efforts to waive and forego all fees, charges and costs in connection with such permits. At all times, Chicago shall use its best efforts to cooperate with Oak Lawn during the Construction. To the maximum extent possible, Chicago shall assist Oak Lawn in obtaining from such local, state and Federal agencies having jurisdiction over the Construction, such approvals, permits and permissions as are necessary for the Construction.

(c) At its sole expense, Oak Lawn shall provide Chicago with one (1) set of "as built" plans, drawings and specifications for the Construction.

2.5 Engineer On Site.

During the Construction, Chicago has the right to have a Chicago resident engineer on the site and to have oversight and approval of the Construction.

2.6 Engineer Off Site.

During the Construction of the Water Main outside of the Chicago city limits, Chicago does not have the right to have a Chicago resident engineer on the site. Chicago will have the right, however, to reasonable access to all Construction work sites outside of the Chicago city limits; all design, construction and supervisory personnel; and all plans, specifications and construction progress reports.

2.7 Insurance.

While this Agreement is in effect, Oak Lawn shall maintain insurance coverage consistent with the requirements of (Sub)Exhibit B, which is incorporated in this Agreement by reference and made a part hereof.

2.8 Standard And Extended Term Warranties.

To the maximum extent possible, Oak Lawn agrees to obtain both standard and (if offered) extended term warranties from each of its contractors and suppliers working on the Construction of the overall construction project. All standard term warranties shall be for a period of not less than one (1) year. Oak Lawn agrees to assign or include Chicago as a primary or third-party beneficiary of any such standard or extended term warranties. Any costs associated with obtaining standard or extended term warranties shall be the responsibility of Oak Lawn.

2.9 Title To The Construction Work.

All work-in-progress comprising the Construction and all completed Construction under this Agreement which is located down-stream from the Control Valve will be the sole property of Oak Lawn. Chicago shall own all existing water mains up-stream from the Control Valve. The Control Valve will be the property of Oak Lawn.

2.10 Easements.

This Agreement shall run with the land and shall be filed with the Cook County

Recorder's Office prior to the start of the Construction. Chicago hereby grants and Oak Lawn hereby accepts temporary and non-exclusive permanent easements granting permission and authority to Oak Lawn to install the Water Main. The temporary easement shall commence upon execution of this Agreement and shall be in effect until completion of the Construction. The temporary easement shall be revived during any period of construction, maintenance and repair of the Water Main and its appurtenances. The location of the temporary easement is described in (Sub)Exhibit C-1. The non-exclusive permanent easement shall commence upon execution of this Agreement and the location of such easement is described in (Sub)Exhibit C-2.

2.11 Maintenance.

After the completion of the Construction, Oak Lawn shall be responsible for all maintenance and repair of the Control Valve and the Water Main, and Oak Lawn agrees to diligently maintain the Control Valve and the Water Main. Oak Lawn shall repair any and all damage or subsidence caused by the Water Main. All areas damaged due to the performance of such repairs shall be restored to their original conditions or better. If Chicago discovers that repairs are needed to the Control Valve or the Water Main, Chicago will provide written notice to Oak Lawn of such needed repairs. After receiving such written notice, Chicago and Oak Lawn shall agree upon a schedule for such repairs. Notwithstanding the foregoing, Chicago has the right to make any and all emergency repairs to the Control Valve or to the portions of the Water Main in the Chicago city limits, and the determination as to whether a repair constitutes an "emergency repair" is in the sole discretion of Chicago. If Chicago performs any repairs on the Control Valve or the Water Main, Chicago shall send a bill within thirty (30) days to Oak Lawn for such repairs, and Oak Lawn shall pay such bill within thirty (30) days after receipt.

Article Three.

Payment Responsibilities.

3.1 Oak Lawn Costs.

Oak Lawn will have all cost and fee responsibilities for the overall project in each of the various project phases, and will be responsible for all payments to individuals and entities working on or in support of the Construction, and any other bills and fees directly or indirectly related to the Construction.

3.2 Water Supply Contract.

Nothing in this Agreement is intended to amend, cancel or supersede any provision in the Water Supply Contract, which remains in full force and effect in all particulars. Chicago expressly reserves all its rights under the Water Supply Contract or otherwise to shut down its water system for any reason.

Article Four.

Representations, Warranties And Covenants.

4.1 Authority For Agreement.

Execution of this Agreement by Chicago is authorized by an ordinance passed by the Chicago City Council on _____, 2000. Execution of this Agreement by Oak Lawn is authorized by a resolution approved by the President and Board of Trustees on _____, 2000. The parties represent and warrant to each other that they have the authority to enter into this Agreement and perform their respective obligations hereunder. No consent of any other judicial or administrative body, governmental authority, or other governmental body or agency, or other party to the execution, delivery and performance by either Chicago or Oak Lawn is required, and the consent of any creditor or investor whose consent is required will be promptly obtained. Neither the execution of this Agreement nor the consummation of the transactions contemplated hereby will: (i) result in a breach of or default under any agreement to which either Chicago or Oak Lawn is a party or is bound; or (ii) violate any restriction, court order, agreement or other legal obligation to which either Chicago or Oak Lawn is subject.

4.2 Brokerage.

Each party hereto represents and warrants to the other party that it has dealt with no brokers or finders in connection with the transactions contemplated in this Agreement.

4.3 Compliance With Laws.

Each party covenants with the other party to comply with all Federal, state and municipal laws, ordinances, rules and regulations affecting or relating to this Agreement.

Article Five.

Indemnification.

5.1 General Indemnity.

Oak Lawn agrees to indemnify, pay and hold Chicago, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnatee", and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including, without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating to or arising out of:

(a) this Agreement, or any other agreements, consents, approvals or other permissions given by any Indemnatee in connection therewith; and

(b) any design or construction work on the Construction, or any other phase of the overall construction project, including, but not limited to, Oak Lawn's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Construction; and

(c) repairs or replacement to the Water Main or the Control Valve due to defective or inadequate design, components, installation or workmanship, provided, however, that Chicago expressly reserves the right to inspect, test and repair any components within the scope of the Construction without in any way limiting or waiving any of its rights to obtain full indemnification under this Section 5.1; and

(d) the sale of water by Oak Lawn,

(individually an "indemnified liability" and collectively the "indemnified liabilities"); provided, however that Oak Lawn shall have no obligation to an Indemnatee arising from the gross negligence or willful misconduct of that Indemnatee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Oak Lawn shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 5.1 shall survive completion of the Construction and termination of this Agreement.

Article Six.

Dispute Resolution.

6.1 In General.

For purposes of this article: (a) the term "Dispute" shall mean any claim, cause of action (whether at law or in equity), or disagreement of any nature whatsoever ("Claim") arising from or in connection with this Agreement or any work or action hereunder including, without limitation, Claims for real and personal property damage, construction defects (whether patent or latent), bodily injury or wrongful death, non-disclosure, misrepresentation, fraud, monetary damages, rescission of any agreement, enforceability of this Agreement and/or specific performance.

6.2 Resolution Of Disputes.

Chicago and Oak Lawn hereby agree that the mediation and arbitration procedures described below, shall be the sole, exclusive and final means of resolving any Dispute between them and/or between their respective successors-in-interest.

(a) Mediation.

(i) The parties agree that they shall first attempt to mediate the Dispute. Either party may initiate mediation to resolve a Dispute through a written request to the other party. In no event shall initiation of mediation extend any applicable statute of limitation for the Claim or Dispute at issue.

(ii) The written request ("Mediation Request") shall include a description of the nature of the Dispute; and a proposal for the manner in which the Dispute may be resolved, including the facts supporting such proposal. The mediation shall be conducted by the American Arbitration Association ("AAA") located in Chicago, Illinois, pursuant to the mediation procedures adopted by the AAA or any successor thereto or any other entity offering mediation services acceptable to the parties. Within twenty (20) calendar days following the receipt by the applicable party of the Mediation Request, the parties shall select a mediator in accordance with the AAA rules and procedures. If the parties cannot agree on a mediator within the time frame provided herein, they agree that the AAA shall appoint a mediator. Within ten (10) calendar days following selection of the mediator, each party shall submit to the mediator a brief memorandum setting forth its position with respect to the issues involved in the Dispute ("Memorandum"). A party's Memorandum may not be disclosed by the mediator to the other party without the consent of the party submitting same. The mediation shall be commenced within

ten (10) calendar days following the submittal by each party of its Memorandum and shall be concluded within ten (10) calendar days following commencement of the mediation unless the parties mutually agree to an extension thereof. The mediation shall be held in Chicago, Illinois, or such other place as may be mutually acceptable to the parties. The parties shall each bear their own attorney and/or expert/consultant fees. All other expenses of the mediation, including required traveling and other expenses of the mediator, and expenses of any witnesses and costs of any expert advice, at the direct request of the mediator, shall be borne equally by the parties.

(iii) If any Dispute is not resolved through mediation, the mediator shall prepare a written statement ("Mediation Statement") setting forth the issues which the parties were not able to resolve, and the respective positions of the parties regarding such issues. The Mediation Statement shall be executed by both parties and shall be submitted by the mediator to the arbitrator as provided below. If the parties are unable to agree on the Mediation Statement within three (3) calendar days after it has been prepared by the mediator, each party shall, within five (5) calendar days after the Mediation Statement has been prepared by the Mediator, submit its own Mediation Statement to the mediator who will submit both Mediation Statements to the arbitrator as provided below. The Mediation Statement(s) shall be evidence to the arbitrator of compliance by the parties with the mediation requirements hereof. The mediation proceedings shall be privileged under the Illinois evidence code; however, the parties agree that the Mediation Statement(s) shall not be subject to any such privilege.

(b) Arbitration. If the parties are unable to resolve a Dispute through mediation as described above, the Dispute shall be submitted to binding arbitration by the AAA under the Commercial Arbitration Rules of the AAA. As a condition to commencement of the arbitration, the parties shall ensure that the mediator provides to the arbitrator a copy of the Mediation Statement(s).

The arbitrator shall have jurisdiction to address only the issues set forth in the Mediation Statement(s). Except as provided herein, the results of the arbitration shall be final and non-appealable upon both parties, and may be enforced by either party in a court of competent jurisdiction. A request for arbitration must be filed under the Commercial Arbitration Rules of the AAA no later than six (6) months after the date of the Mediation Statement(s). In the event the request for arbitration is not filed in accordance herewith within six (6) months after the date of the Mediation Statement(s), the parties agree that they waive the Dispute and any and all Claims relating to or arising from the Dispute. No notice, claim or communication between the parties, whether under any written limited warranty or otherwise shall stop the running of any statute of limitations. In addition to the Commercial Arbitration Rules of the AAA, the following additional rules shall govern the

arbitration: (i) the arbitration shall be conducted by a single arbitrator; (ii) unless the prior written consent of both parties is obtained, the parties to the arbitration shall be limited to Chicago and Oak Lawn and both parties agree not to attempt to include additional parties in the arbitration or consolidate the arbitration with any other arbitrations or legal proceedings; (iii) Oak Lawn shall post the initial fee for such arbitration although the arbitrator shall have the discretion to require reimbursement of the fee in connection with any award; (iv) the arbitrator shall follow the law of the State of Illinois; (v) any decision relating to the interpretation or application of the statute(s) of limitations shall be appealable under the rules of the AAA; and (vi) the arbitrator shall provide the parties with written findings of fact and law in support of each element of his/her award. The arbitrator shall also stay any arbitration proceedings unless the arbitrator has received a copy of the Mediation Statement(s) described above, confirming the parties' compliance with Section 6.2(a) hereof.

Article Seven.

Additional Provisions.

7.1 Notices.

All notices and any other communications under this Agreement will: (a) be in writing; (b) be sent by: (i) telecopier/fax machine, (ii) hand delivery, (iii) overnight courier delivery by a service which maintains records confirming the receipt of documents by the receiving party, or (iv) registered or certified United States Mail, return receipt requested; (c) be given at the following respective addresses:

7.2 Complete Agreement, Construction, Modification.

This Agreement, including any exhibits and the other agreements, documents and instruments referred to herein or contemplated hereby, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all previous negotiations, commitments and writings with respect to such subject matter, and may be modified only by a written instrument duly executed by each party.

7.3 Survival Of Agreements.

Except as otherwise contemplated by this Agreement, all covenants and agreements of the parties contained in this Agreement will survive the consummation of the transactions contemplated hereby.

7.4 Governing Law.

This Agreement will be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to the principles of conflicts of law thereof.

7.5 Amendments.

This Agreement may not be modified or amended except by an agreement in writing signed by the parties.

7.6 Parties In Interest/No Third Party Beneficiaries.

The terms and provisions of this Agreement shall be binding upon and inure to the benefit of, and be enforceable by, the respective successors and permitted assigns of the parties hereto. This Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right. Nothing contained in this Agreement, nor any act of Chicago or Oak Lawn, shall be deemed or construed by any of the parties hereto or by third persons, to create any relationship of third party beneficiary, principal, agent, limited or general partnership, joint venture, or any association or relationship involving Chicago or Oak Lawn.

7.7 Titles And Headings.

Titles and headings to sections herein are inserted for the convenience of reference only and are not intended to be a part of or to affect the meaning or interpretation of this Agreement.

7.8 Construction Of Words.

The use of the singular form of any word herein shall also include the plural, and vice versa. The use of the neuter form of any word herein shall also include the masculine and feminine forms, the masculine form shall include feminine and neuter, and the feminine form shall include masculine and neuter.

7.9 Exhibits.

Any exhibits to this Agreement will be construed to be an integral part of this Agreement to the same extent as if the same has been set forth verbatim herein.

7.10 Counterparts.

This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, with the same effect as if all parties had signed the same document. All such counterparts shall be deemed an original, shall be construed together and shall constitute one and the same instrument.

7.11 Waivers.

No party hereto shall be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by such party. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any of such parties' rights or of any obligations of any other party hereto as to any future transactions.

7.12 Further Assurances.

The parties shall perform such acts, execute and deliver such instruments and documents, and do all such other things as may be reasonably necessary to accomplish the transactions contemplated in this Agreement.

7.13 Severability.

If any provision of this Agreement, or the application thereof, to any person, place or circumstance, shall be held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement and such provisions as applied to other persons, places and circumstances shall remain in full force and

effect only if, after excluding the portion deemed to be unenforceable, the remaining terms shall provide for the consummation of the transactions contemplated hereby in substantially the same manner as originally set forth herein. In such event, the parties shall negotiate, in good faith, a substitute, valid and enforceable provision or agreement which most nearly affects the parties intent in entering into this Agreement.

7.14 Time.

Time is of the essence in the performance of this Agreement.

7.15 Equitable Relief.

In addition to any other available remedy provided for hereunder, at law or in equity, to the extent that a party fails to comply with the terms of this Agreement, the other party hereto shall be entitled to injunctive relief with respect thereto, without the necessity of posting a bond or other security, the damages for such breach hereby being acknowledged as unascertainable.

7.16 Venue And Consent To Jurisdiction.

If there is a lawsuit under this Agreement, each party hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

7.17 No Personal Liability.

No elected or appointed official or employee or agent of Chicago or Oak Lawn shall be individually or personally liable in connection with this Agreement.

7.18 Assignment.

This Agreement, or any portion thereof, shall not be assigned by either party without the express prior written consent of the other.

7.19 Consents.

Whenever the consent or approval of one or both parties to this Agreement is required hereunder, such consent or approval will not be unreasonably withheld.

Insurance.

While this Agreement is in effect, and during any period after the expiration or termination of this Agreement, if Oak Lawn is required to perform any additional work related to the Construction, Oak Lawn will: (i) maintain the insurance coverages listed below, (ii) require any of its contractors, subcontractors, or materialmen (individually and collectively defined for purposes of this (Sub)exhibit as a "Contractor") to maintain the insurance coverages listed below; and (iii) comply with and cause any Contractor to comply with the additional requirements listed below:

A. For Oak Lawn at any time during the term of this Agreement:

1) Workers' Compensation And Employer's Liability.

Workers' Compensation and Employer's Liability, as prescribed by applicable law covering all employees who are to provide a service under or in connection with this Agreement, and Employer's Liability coverage with limits of not less than One Hundred Thousand Dollars (\$100,000) each accident or illness.

2) Commercial Liability (Primary And Umbrella).

Commercial Liability Insurance or equivalent with limits of not less than One Million Dollars (\$1,000,000) per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: all premises and operations, products/completed operations, separation of insureds, defense and contractual liability (with no limitation endorsement). Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from or out of this Agreement.

3) Self-Insurance.

To the extent permitted by law, Oak Lawn may self-insure for the insurance requirements specified above, it being expressly understood

and agreed that, if Oak Lawn does self-insure for the above insurance requirements, Oak Lawn shall bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self insurance program shall comply with at least the insurance requirements as stipulated above.

B. For any Contractor during the time of any construction activity:

1) Workers' Compensation And Employer's Liability.

Workers' Compensation and Employer's Liability, as prescribed by applicable law covering all employees who are to provide a service under or in connection with this Agreement and Employers Liability coverage with limits of not less than Five Hundred Thousand Dollars (\$500,000) each accident or illness.

2) Commercial Liability (Primary And Umbrella).

Commercial Liability Insurance or equivalent with limits of not less than Two Million Dollars (\$2,000,000) per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: All premises and operations, products/completed operations (for a minimum of two (2) years following project completion), independent contractors, separation of insureds, defense, and contractual liability (with no limitation endorsement). Chicago and Oak Lawn are to be named as additional insureds on a primary, non-contributory basis for any liability arising directly or indirectly from the work.

3) Automobile Liability.

When any motor vehicles (owned, non-owned and hired) are used for work to be performed in connection with this Agreement, the Contractor shall provide or cause to be provided Automobile Liability Insurance with limits of not less than Two Million Dollars (\$2,000,000) per occurrence, for bodily injury and property damage. Chicago and Oak Lawn shall be named as additional insureds on a primary non-contributory basis.

4) All Risk Builders Risk.

When Contractor undertakes any construction, including improvements, betterments, and/or repairs, Contractor shall provide or cause to be

provided. All Risk Blanket Builder's Risk Insurance for materials, equipment, machinery and fixtures that are or will be part of the Construction. Chicago and Oak Lawn shall be named as additional insureds and loss payees for work related to Construction risks.

5) Professional Liability.

When any architects, engineers, construction managers or other professional consultants perform work in connection with this Agreement, Professional Liability insurance covering acts, errors or omissions, shall be maintained with limits of not less than One Million Dollars (\$1,000,000). Coverage shall include contractual liability. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work performed in connection with this Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

6) Valuable Papers.

When any plans, designs, drawings, specifications and documents are produced or used under this Agreement, Valuable Papers Insurance shall be maintained in an amount to insure against any loss whatsoever, and shall have limits sufficient to pay for the re-creation and reconstruction of such records.

C. Additional Requirements.

Oak Lawn and any Contractor will furnish the Commissioner, Department of Water, City of Chicago Commissioner's Office, 1000 East Ohio Street, Chicago, Illinois 60611, original certificates of insurance evidencing the required coverage to be in force on the date of this Agreement, and renewal certificates of insurance, or such similar evidence, of renewal, if the coverages have an expiration or renewal date occurring during the term of this Agreement shall be in effect.

Oak Lawn and any Contractor shall submit evidence of insurance on the City of Chicago Insurance Certificate of Coverage Form or equivalent prior to execution of Agreement.

The receipt of any certificate does not constitute agreement by Chicago that the insurance requirements of this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements of this

Agreement. The failure of Chicago to obtain certificates or other insurance evidence from Oak Lawn or any Contractor shall not be deemed to be a waiver by Chicago. Oak Lawn and any Contractor shall advise all insurers of provisions regarding insurance stated in this Agreement. Nonfulfillment of the insurance conditions may constitute violation of this Agreement and Chicago retains the right to exercise any remedy, including, but not limited to stopping all work, until proper evidence of insurance is provided.

The insurance shall provide for sixty (60) days prior written notice to be given to the City of Chicago in the event coverage is substantially changed, canceled or non-renewed. Oak Lawn and any Contractor expressly understand and agree that any coverages and limits furnished by Oak Lawn and any Contractor shall in no way limit Oak Lawn's and any Contractor's liabilities and responsibilities specified within this Agreement or as required by law.

Any Contractor shall require all of its subcontractors to provide the insurance required herein. Such Contractor may provide the coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Contractor unless otherwise specified herein.

Oak Lawn and any Contractor agree that all insurers shall waive their rights of subrogation against Chicago, its employees, elected officials, agents, or representatives.

The insurance required under Agreement Section 2.7 shall not be limited by any limitations expressed in the indemnification language stated in Agreement Section 5.1 or any limitation placed on the indemnity therein given as a matter of law.

Oak Lawn and any Contractor are responsible for meeting all of the insurance requirements under this Agreement. Oak Lawn and any Contractor expressly understand and agree that any insurance or self insurance programs maintained by the City of Chicago shall not apply or contribute with insurance provided by Oak Lawn or any Contractor under this Agreement.

Any and all deductibles or self-insured retentions on required insurance coverages shall be borne by Oak Lawn and any Contractor.

If Oak Lawn, or any Contractor, or any subcontractors desire additional coverages, Oak Lawn and any Contractor and each Subcontractor shall be responsible for the acquisition and cost of such additional protection.

The City of Chicago, Department of Finance, Risk Management Division, maintains the right to modify, delete, alter or change these requirements.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City"), a home rule unit of government under Section 5(a), Article VII of the 1970 Constitution of the State of Illinois, has heretofore found and does hereby find that there exists within the City a serious shortage of decent, safe and sanitary rental housing available to persons of low- and moderate-income; and

WHEREAS, The City has determined that the continuance of a shortage of affordable rental housing is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, The City of Chicago Mayor Richard M. Daley established in 1990 the Chicago Abandoned Properties Program (C.A.P.P.) to provide a means for acquiring dangerous abandoned buildings and transferring them to parties interested in restoring them and reusing the land; and

WHEREAS, The Chicago Vietnam Veterans and Family Assistance Program, Inc., an Illinois not-for-profit corporation, has acquired property under the Chicago Abandoned Properties Program (C.A.P.P.) namely 6318 -- 6320 South Greenwood Avenue, 6345 -- 6347 South Greenwood Avenue and purchased with United States Department of Veteran Affairs Funds, 7851 South Escanaba Avenue/2900 East 79th (a corner building) in Chicago, Illinois; and

WHEREAS, The military veterans in the City of Chicago have served our country in times of both war and peace and therefore deserve an opportunity to participate in property rehabilitation, job training, economic development and become subsequent residents of decent, safe and affordable housing; and

WHEREAS, The United States Department of Veterans Affairs has granted the Chicago Vietnam Veterans and Family Assistance Program, Inc. a grant to provide equity funds to acquire, rehab and lease properties for very low-income and homeless veterans in the amount of Seven Hundred Twenty-one Thousand Seven Hundred Thirty-five Dollars (\$721,735) (minus costs for acquisition of the Escanaba property and rehab current construction costs in progress for the above-mentioned Greenwood properties and the purchase of a van). (Letter attached: Exhibit A); and

WHEREAS, The City of Chicago through the Empowerment Zone Grant has approved for the Chicago Vietnam Veterans and Family Assistance Program, Inc, a grant in the amount of Three Hundred Sixteen Thousand Three Hundred Fifty Dollars (\$316,350) to provide a computer literacy and a building craft trades program to train veterans in housing rehabilitation which will involve the three (3) above-mentioned properties. (Letter attached, Exhibits B and C) Exhibits A, B and C attached hereto and made part hereof; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. Upon approval and availability of additional financing the following Commissioners of the City of Chicago shall grant permit and fee waivers for the following:

Fee Waivers.

Department Of Buildings.

Waiver of Plan Review, Permit and Inspection Fees:

A. Building Permit:

Zoning.

Construction/Architectural/Structural.

Internal Plumbing.

H.V.A.C.

Water for Construction.

Smoke Abatement.

B. Electrical Permit:

Service and Wiring.

C. Fencing.

D. Driveway Permit.

E. Landscape Approval fees (if any).

Department Of Sewers.

Waiver of Sewage Permit fees and Inspectional fees for the installation, repair and new sewer tap, if required.

1. Plan Review, Permit and Inspection fees.
2. Connection fees.

Department Of Water.

Waiver of Water Service Tapping fees (fees for the city tapping crew) and permit fees for the new water services for properties identified.

Plan Review, Permit and Inspection fees.

Tap Fees.

Demolition Fees for Existing Water Taps.

(Fees to purchase B-boxes and remote readouts are not waived.)

Department Of Transportation.

Street Opening and Patching fees.

Waiver of Street Opening, Parkway, Sidewalk Permit fees and other permit fees associated with street openings for the installation or repair of water services and sewer taps/repair services.

Department Of Plumbing.

Waiver of Plumbing Permit fees for the installation and repair of plumbing systems.

SECTION 3. In connection with having acquired city and federal funds to provide acquisition, construction rehab and a building craft trades training program for veterans with these properties, that any current building code violations will be corrected during the planned scope of construction rehab and skills trade training. This will be done with the cooperation and coordination of the city's Department of Buildings, Inspectional Services Division, without fees, fines or court fees being assessed during the scope of training and construction rehab in order to alleviate placing undue financial hardships on the program.

SECTION 4. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. Any section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 5. This ordinance shall be effective as of the date of its passage.

Be It Further Ordered, That the City Comptroller is authorized and directed to issue warrants, in conformity with the schedule herein set forth, to physicians, hospitals, nurses or other individuals, in settlement for hospital, medical and nursing services rendered to the injured members of the Police Department and/or Fire Department herein named, provided such members of the Police Department and/or Fire Department shall enter into an agreement in writing with the City of Chicago to the effect that, should it appear that any of said members of the Police Department and/or Fire Department have received any sum of money from the party whose negligence caused such injury, or have instituted proceedings against such party for the recovery of damage on account of such injury or medical expenses, then in that event the City shall be reimbursed by such member of the Police Department and/or Fire Department out of any sum that such member of the Police Department and/or Fire Department has received or may hereafter receive from such third party on account of such injury or medical expenses, not to exceed the expense in accordance with Opinion Number 1422 of the Corporation Counsel of said City, dated March 19, 1926. The payment of any of these bills shall not be construed as approval of any previous claims pending or future claims for expenses or benefits on account of any alleged injury to the individuals named. The total amount of such claims, as allowed, is set opposite the names of the injured members of the Police Department and/or Fire Department and warrants are to be drawn in favor of the proper claimants and charged to Account Number 100.9112.937:

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Section 10-36-353 of the Municipal Code of Chicago is hereby amended by deleting the language in brackets and inserting the language in italics, as follows:

10-36-353 Security Badges Nontransferable -- Access To Secured Area.

* * * * *

B. Any person who seeks to enter a secured area, or to remain in such area, shall at all times prominently display a security badge (which may also be referred to as an identification card) issued by the commissioner of aviation or an identification card approved by the Federal Aviation Administration. Such security

badge shall be displayed above the waist on a person's outermost garment. [Any person who fails to display the badge required herein shall be subject to the penalties as provided in Section 10-36-356 of the Municipal Code.] No person shall allow the use of any security badge required herein by anyone other than the person to whom the badge is issued. Persons who have access to the secured area can enter secured areas only at authorized portals and in such manner as designated by the commissioner. *In the case of an access controlled door to the secured area, each airport identification badge holder shall swipe and enter their personal identification number (P.I.N.) to gain access to the secured area while each Federal Aviation Administration approved identification card holder shall enter their air crew P.I.N. number.* [Any person to whom a security badge is issued shall immediately report to airport security the presence of any person not displaying proper identification in a secured area.] *Any person to whom a security badge is issued shall have the following duties:*

(i) verifying that any person requesting access to a secured area possesses a valid airport photo identification badge for that area;

(ii) denying access to a secured area to a person not possessing a valid airport photo identification badge;

(iii) questioning any person in a secured area who is not displaying an airport photo identification badge or who has an incorrect or invalid airport photo identification badge for the secured area, unless the person to whom the security badge has been issued reasonably fears for his personal safety; and

(iv) immediately reporting and describing to airport security or the Chicago Police any person not displaying an airport photo identification, or possessing an incorrect or invalid airport photo identification badge, or refusing upon request to allow an examination of their identification badge.

No person who enters a secured area shall allow any other person access to such area. Persons who are authorized to escort others into a secured area must at all times direct and control the movement of the person or persons being escorted while within the secured area.

Any person who fails to display the badge required herein or who fails to perform the duties imposed by this section shall be subject to the penalties provided in Section 10-36-3 56 of this code.

The commissioner shall have authority to promulgate rules and regulations necessary to implement this section.

The Committee on Aviation submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Aviation, having under consideration a communication from the Honorable Richard M. Daley, Mayor (which was referred on September 27, 2000) at the request of the Commissioner of Aviation, transmits an ordinance authorizing the execution of agreements with Schiller Park and other agencies concerning the South Airfield Drainage and Detention Basin at O'Hare Airport and begs leave to recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) PATRICK J. LEVAR,
Chairman.

On motion of Alderman Levar, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a duly constituted and existing municipality within the meaning of Section 1, Article VII of the 1970 Constitution of the State of Illinois ("Constitution") and is a home rule unit of local government under Section 6(a), Article VII of the Constitution; and

WHEREAS, The City owns and operates Chicago O'Hare International Airport ("Airport") and desires to construct a force main storm sewer ("Force Main") between the south airfield drainage and detention basin ("Lake O'Hare") at the Airport to the Tunnel and Reservoir Project ("T.A.R.P.") of the Metropolitan Water Reclamation District of Greater Chicago ("M.W.R.D."), as described on Exhibit A attached to this ordinance and incorporated herein by this reference; and

WHEREAS, In order to construct the Force Main, the City must acquire the rights to construct and maintain the Force Main on those portions of the proposed route which are not owned by the City, and in order to acquire such rights it is necessary that the City enter into certain agreements, permits, licenses, easements, consents

and other instruments ("Documents") with the owners of such property, including, without limitation, the Village of Schiller Park, the Illinois Department of Transportation, the Illinois State Toll Highway Authority, other State agencies, M.W.R.D., the Cook County Forest Preserve District, other local municipalities or agencies, the Soo Line Railroad Company, Wisconsin Central, Ltd. and other private parties who own property along the route of the Force Main; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are hereby incorporated in this ordinance by this reference as if fully set forth here.

SECTION 2. The Commissioner of the Department of Aviation ("Commissioner") is hereby authorized to negotiate and execute on behalf of the City such Documents as are necessary or desirable to acquire the rights to construct and maintain the Force Main between Lake O'Hare and the T.A.R.P. along the proposed route described in Exhibit A or with such changes in the proposed route as are approved by the Commissioner, so long as the actual route is located on property described in Exhibit A. Such Documents may contain such provisions as are customary in documents of the type to be executed by the Commissioner and as are acceptable to the Commissioner, including, without limitation, provisions requiring the City to indemnify and/or hold harmless the party granting to the City the rights to construct and maintain the Force Main.

SECTION 3. The Commissioner is hereby authorized to negotiate and execute on behalf of the City a Document and any and all collateral documents necessary to acquire not more than fifty thousand (50,000) square feet of the property located on Exhibit A and identified by Permanent Index Number 12-16-407-006 for a purchase price not in excess of Five Hundred Thousand Dollars (\$500,000) if the Commissioner determines that such acquisition is necessary for the construction or maintenance of the Force Main.

SECTION 4. The Commissioner of Aviation and such other City officials as may be appropriate are hereby authorized to execute such certificates and instruments and to undertake such actions as may be necessary or desirable to implement the objectives of this ordinance and enable the City to construct and maintain the Force Main.

SECTION 5. This ordinance shall be in full force and effect from and after the date of its passage and approval.

AUTHORIZATION FOR EXECUTION OF CONCESSION
LICENSE AGREEMENTS FOR OPERATIONS AT
CHICAGO MIDWAY AIRPORT.

The Committee on Aviation submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Aviation, having under consideration a communication from The Honorable Richard M. Daley, Mayor (which was referred on September 27, 2000) at the request of the Commissioner of Aviation, transmits an ordinance authorizing the execution of concession agreements for operations at Midway Airport and begs leave to recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) PATRICK J. LEVAR,
Chairman.

On motion of Alderman Levar, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City"), a home rule unit of local government pursuant to the 1970 Constitution of the State of Illinois, owns and operates an airport known as Chicago Midway Airport ("Airport") and possesses the power and authority to license premises and facilities and to grant other rights and privileges with respect thereto; and

WHEREAS, The City is configuring a new terminal and concourses at Midway; and

WHEREAS, The City has determined that certain portions of the Midway terminal and concourses be used for food and beverage facilities and retail facilities (collectively, "concessions") to serve the needs of Airport patrons and employees; and

WHEREAS, The City issued a request for proposals and a request for qualifications for concessions in the Midway terminal and concourses and received various responses thereto; and

WHEREAS, HBG Consulting, a sole proprietorship, doing business as Chatham Computers, has been selected to operate a business center in the food court triangle featuring the sale of business services and products under the terms set forth in the attached Exhibit A; and

WHEREAS, Potbelly Sandwich Works, L.L.C., an Illinois limited liability company, has been selected to operate a cafe in the food court triangle to sell food and beverages featuring deli sandwiches, salads, baked goods and breakfast items under the terms set forth in the attached Exhibit B; and

WHEREAS, The City and the above-named entities desire to enter into license agreements for the respective concessions; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are incorporated by reference as if fully set forth here.

SECTION 2. The Commissioner of Aviation is authorized to negotiate and the Mayor is authorized to execute, upon recommendation of the Commissioner of Aviation and the approval of the Corporation Counsel as to form and legality, concession license agreements with the above-named entities that are substantially

consistent with their respective term sheets attached to this ordinance as Exhibits A and B.

SECTION 3. The Commissioner of Aviation and such other City officials as may be required are hereby authorized to take such actions and execute such other documents as may be necessary or desirable to implement the intent of this ordinance.

SECTION 4. This ordinance will be in full force and effect from and after its passage and approval.

Exhibits "A" and "B" referred to in this ordinance read as follows:

Exhibit "A".

*Term Sheet For Concession License Agreement

Licensee will pay the City or a designated third party contractor a fee, estimated at zero and eight-tenths percent (0.8%) of gross revenues, for the use of a designated central receiving/distribution facility to which all deliveries will be made.

7. Security. For the first (1st) license year, the security is equal to Thirteen Thousand Nine Hundred Fifty Dollars (\$13,950). For each succeeding license year, the security must be equal to fifty percent (50%) of the total amount of the license fees paid to the City for the immediately preceding license year, excluding any fees paid for the marketing fund, food court area maintenance and central distribution facility. The security may be in the form of cash or letter of credit in a form acceptable to the City.
8. Sublicensing, Assignment or Transfer of Interest. Licensee must obtain Commissioner approval to sell, assign, convey, pledge, encumber or otherwise transfer all or any part of its rights or interests in or to the Agreement, the licensed space, the term, or otherwise to permit any third party to use the licensed space. Any transaction involving a transfer of all the ownership interest in Licensee is subject to the approval of the City Council; other transfers of ownership interests in the Licensee are subject to the Commissioner's approval.
9. D.B.E. Participation. One hundred percent (100%); HBG Consulting is a City-certified D.B.E./M.B.E.
10. Capital Investment. Licensee will invest a minimum of One Hundred Seventy-five and no/100 Dollars (\$175.00) per square foot for in line sites (concessions space other than kiosks), Forty Thousand Dollars (\$40,000) per kiosk (non-mobile, freestanding concession space).
11. Amortization. Licensee will amortize its improvement costs over three (3) years, straight-line.
12. Relocation and Termination Obligations. Licensee must relocate if required by the Commissioner. In that event, the City would give Licensee a credit against fees due for any unamortized portion of Licensees's improvement costs for the original locations but not including personal property and improvements moved to the new location.

If Licensee is required to make an investment during the license term that is not fully amortized on termination or expiration of the Agreement, then on termination or expiration of the Agreement other than on termination for default, the City will retain the improvements and pay or credit Licensee the unamortized portion of the improvement costs.

13. City Construction Obligations. None. City to deliver shell and core "as is" to Licensee.
14. Utilities. City to provide heating, ventilation and cooling of terminal common areas. Licensee to maintain utility lines and provide supplemental heating, cooling and exhaust facilities in licensed space and to bear cost of those utilities.
15. Pricing. Licensee will be required to value price its merchandise in accordance with standards generally reflective of "value prices" approved by the Commissioner, the nature and comparables of which will be described in the Agreement.
16. General Conditions. The Agreement may include provisions typically found in commercial concession licenses or leases of comparable duration, as well as provisions typically found in concession licenses of government-owned property (e.g., City ownership of improvements, the City as additional insured, indemnification of the City). In addition, the Agreement will be subject to compliance with all statutory and policy requirements for conducting operations at the Airport and for documenting compliance with those requirements.

d. Food Court Area Maintenance.

Licensee will pay a proportionate share of all food court common area maintenance expenses based on Licensee's pro rata share of food court gross revenues produced from the concession area located in the food

court. The fee will be no greater than three and zero-tenths percent (3.0%) of gross revenues.

7. Security: For the first license year, the security is equal to Forty-five Thousand Dollars (\$45,000). For each succeeding license year, the security must be equal to fifty percent (50%) of the total amount of the license fees paid to the City for the immediately preceding license year, excluding any fees paid for the marketing fund, food court area maintenance and central distribution facility. The security may be in the form of cash or letter of credit in a form acceptable to the City.
8. Sublicensing, Assignment or Transfer of Interest. Licensee must obtain Commissioner approval to sell, assign, convey, pledge, encumber or otherwise transfer all or any part of its rights or interests in or to the Agreement, the licensed space, the term, or otherwise to permit any third party to use the licensed space. Any transaction involving a transfer of all of the ownership interest in Licensee is subject to the approval of the City Council; other transfers of ownership interests in the Licensee are subject to the Commissioner's approval.
9. D.B.E. Participation. None.

10. Capital Investment. Licensee will invest a minimum of One Hundred Seventy-five and no/100 Dollars (\$175.00) per square foot for in-line sites (concessions space other than kiosks), Forty Thousand Dollars (\$40,000) per kiosk (non-mobile, freestanding concession space).
11. Amortization. Licensee will amortize its improvement costs over ten (10) years, straight-line.
12. Relocation and Termination Obligations. The Commissioner may require the Licensee to relocate when airport operations, in his sole reasonable judgement, requires it. Licensee will have the right to terminate the Agreement if the designated relocation area is not comparable in size, visibility and traffic.

In the event of relocation, the City would give Licensee a credit against fees due for any unamortized portion of Licensee's improvement costs for the original locations but not including personal property and improvements moved to the new location.

If Licensee is required to make an investment during the license term that is not fully amortized on termination or expiration of the Agreement, then on termination or expiration of the Agreement other than on termination for default, the City will retain the improvements and pay or credit Licensee the unamortized portion of the improvement costs.

13. City Construction Obligations. None. City to deliver shell and core "as is" to Licensee.
14. Utilities. City to provide heating, ventilation and cooling of terminal common areas. Licensee to maintain utility lines and provide supplemental heating, cooling and exhaust facilities in licensed space and to bear cost of those utilities.
15. Pricing. Licensee will be required to value price its merchandise in accordance with standards generally reflective of "value prices" approved by the Commissioner, the nature and comparables of which will be described in the Agreement.
16. General Conditions. The Agreement may include provisions typically found in commercial concession licenses or leases of comparable duration, as well as provisions typically found in concession licenses of government-owned property (e.g., City ownership of improvements, the City as additional insured, indemnification of the City). compliance with all statutory and policy requirements for conducting operations at the Airport and for documenting compliance with those requirements.

AUTHORIZATION FOR EXECUTION OF CONCESSION LICENSE
AGREEMENTS FOR OPERATIONS AT CHICAGO
O'HARE INTERNATIONAL AIRPORT.

The Committee on Aviation submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Aviation, having under consideration a communication from The Honorable Richard M. Daley, Mayor (which was referred on September 27, 2000) at the request of the Commissioner of Aviation, transmits herewith an ordinance authorizing the execution of concession agreements for operations at O'Hare Airport and begs leave to recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) PATRICK J. LEVAR,
Chairman.

On motion of Alderman Levar, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City"), a home rule unit of local government under the 1970 Constitution of the State of Illinois, owns and operates Chicago O'Hare International Airport ("O'Hare") and possesses the power and authority to license premises and facilities and to grant other rights and privileges with respect thereto; and

WHEREAS, The City has determined that certain portions of O'Hare will be used for food, beverage, retail, and service facilities (collectively, "concessions") to serve the needs of airport patrons and employees; and

WHEREAS, The City is expanding and reconfiguring its concessions program at O'Hare to provide concessions that are comparable with or superior to the variety and quality offered at airports in other major urban areas; and

WHEREAS, As part of that expansion and reconfiguration, the City is constructing a food and retail court in the apex between Concourses H and K in Terminal 3 at O'Hare ("Apex"); and

WHEREAS, The City issued a request for qualifications for concessions at O'Hare and received various responses thereto; and

WHEREAS, Airport ORD Joint Venture, doing business as O'Brien's Restaurant, a joint venture of Airport ORD, L.P., an Illinois limited partnership, and Camino Latino, Inc., an Illinois corporation, has been selected to operate a location in the Apex featuring grilled sandwiches under the terms set forth in the attached Exhibit A; and

WHEREAS, Airport Joint Venture, doing business as Landau, a joint venture of Hyman Airport, Inc., a Delaware corporation, and Rose Jennings, a sole proprietorship, has been selected to operate a retail store in the Apex featuring faux jewelry and accessories under the terms set forth in the attached Exhibit B; and

WHEREAS, The City and the above named entities desire to enter into license agreements for the respective concessions at O'Hare; and

WHEREAS, Laptop Lane Chicago, Inc., a Washington corporation, doing business as Laptop Lane ("Laptop Lane"), successfully operated under a short-term right of entry selling business services and products from two locations in Terminal I at O'Hare; and

WHEREAS, The City desires to enter into a longer term concession license agreement with Laptop Lane, to operate its concession at O'Hare under the terms set forth in the attached Exhibit C; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are incorporated by reference as if fully set forth here.

SECTION 2. The Commissioner of the Department of Aviation ("Commissioner of Aviation") is authorized to negotiate and the Mayor is authorized to execute, upon recommendation of the Commissioner of Aviation and the approval of the Corporation Counsel as to form and legality, concession license agreements with the above-named entities that are substantially consistent with their respective term sheets attached to this ordinance as Exhibits A through C.

SECTION 3. The Commissioner of Aviation and such other City officials as may be required are authorized to take such other actions and execute such other documents as may be necessary or desirable to implement the intent of this ordinance.

SECTION 4. This ordinance will be in full force and effect from and after its passage and approval.

Exhibits "A", "B" and "C" referred to in this ordinance read as follows:

Exhibit "A".

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The Annual Appropriation Ordinance for the year 2000 of the City of Chicago (the "City") contains estimates of revenues receivable as grants from agencies of the state and federal governments and public and private agencies; and

WHEREAS, In accordance with Section 8 of such Annual Appropriation Ordinance, the heads of various departments and agencies of the City have applied to agencies of the state and federal governments and public and private agencies for grants to the City for various purposes; and

WHEREAS, The amount of grant funds awarded to the City by these entities for specific grant programs has exceeded the amount of revenues estimated from those sources; and

WHEREAS, It is beneficial to the City to appropriate such additional revenues; and

WHEREAS, The City through its Mayor's Office of Workforce Development ("M.O.W.D.") has been awarded federal grant funds in the amount of Thirty-six Thousand Dollars (\$36,000) by the Illinois Department of Employment Security which shall be used to investigate the possibility of accessing the Training Resource Assistance and Coordination system ("T.R.A.C.") via the Internet to allow M.O.W.D. service providers to enter client data without a server or a dedicated line; and

WHEREAS, The City through M.O.W.D. has been awarded federal grant funds in the amount of Six Hundred Seventy-five Thousand Dollars (\$675,000) by the Illinois Department of Human Services which shall be used for system development and service delivery to the Food Stamp Employment and Training Population program; and

WHEREAS, The City through its Department of Cultural Affairs has been awarded state grant funds in the amount of One Million Dollars (\$1,000,000) by the Illinois Department of Commerce and Community Affairs ("D.C.C.A.") which shall pass through to Hostelling International -- American Youth Hostels and be used for marketing, promotions, furnishings, building improvements and bond interest for a new year-round hostel at 24 East Congress Parkway; and

WHEREAS, The City through its Department of Health has been awarded additional federal grant funds in the amount of Three Hundred Forty-eight Thousand Dollars (\$348,000) by the United States Department of Health and Human Services ("U.S. D.H.H.S.") which shall be used for the AIDS Prevention program; and

WHEREAS, The City through its Department of Health has been awarded additional federal grant funds in the amount of Two Hundred Eighty-four Thousand Dollars (\$284,000) by the U.S. D.H.H.S. which shall be used to purchase equipment and for the development and enhancement of public health infrastructure related to bioterrorism preparedness and response; and

WHEREAS, The City through its Department on Aging has been awarded additional federal grant funds in the amount of Twenty-one Thousand Dollars (\$21,000) by the Suburban Area Agency on Aging which shall be used to recruit, train and maintain a corps of volunteers to perform activities in recognizing fraud, waste and abuse in the Medicare and Medicaid systems; and

WHEREAS, The City through its Department of Human Services has been awarded additional federal grant funds in the amount of Two Million One Hundred Forty-three Thousand Dollars (\$2,143,000) by D.C.C.A. which shall be used for the Community Services Block Grant Programs; and

WHEREAS, The City through its Department of Human Services has been awarded additional federal grant funds in the amount of Fourteen Million Ninety-three Thousand Dollars (\$14,093,000) by U.S.D.H.H.S. which shall be used for the Head Start program; and

WHEREAS, The City through its Department of Police has been awarded federal grant funds in the amount of One Hundred Seventy-five Thousand Dollars (\$175,000) by the United States Department of Justice which shall be used for the COPS Value-Based Initiative; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The sum of Eighteen Million Seven Hundred Seventy-five Thousand Dollars (\$18,775,000) not previously appropriated, representing increased grant awards, has become available for appropriation for the year 2000.

SECTION 2. The sum of Eighteen Million Seven Hundred Seventy-five Thousand Dollars (\$18,775,000) not previously appropriated is hereby appropriated from Fund 925 -- Grant Funds for the year 2000, and the Annual Appropriation Ordinance for the year 2000, as amended, is hereby further amended by striking the words and figures and adding the words and figures indicated in the attached Exhibit A which is hereby made a part hereof.

SECTION 3. The Superintendent of Police is hereby authorized to enter into an agreement with the Police Executive Research Forum, subject to approval by the Corporation Counsel, as a sole source provider of services related to the COPS Value-Based Initiative for the contractual amount of One Hundred Sixty-five Thousand Dollars (\$165,000).

SECTION 4. To the extent that any current ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 5. This ordinance shall be in full force and effect upon its passage and approval.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City") is a home rule municipality as described in Section 6(a), Article VII of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, Pursuant to an ordinance adopted by the City Council on November 19, 1997 and published at pages 57762 -- 57771 of the Journal of the Proceedings of the City Council for such date, the City has entered into a Neighborhood Investment Fund Agreement (the "CSX Agreement") with CSX Intermodal, Inc. ("CSX"), pursuant to which the City has received funds from CSX (the "CSX Funds") which are to be used for eligible redevelopment project costs under the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq. ("Eligible

Costs") in the area bounded by South Racine Avenue on the east, South California Avenue on the west, West 55th Street and West Garfield Street on the north and West 64th Street on the south (the "T.I.F. Area"); and

WHEREAS, Under the CSX Agreement, the Department of Planning and Development of the City ("D.P.D.") is to administer the use of the CSX Funds; and

WHEREAS, D.P.D. desires to use up to Forty-two Thousand Ninety-eight Dollars (\$42,098) of the CSX Funds to make a grant (the "Grant") to the Englewood Rebuilders Organization, an Illinois not-for-profit organization ("Englewood Rebuilders"), to reimburse them for the rehabilitation of twenty-one (21) residential roofs within the T.I.F. Area; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. Subject to the approval of the Corporation Counsel, the Commissioner of D.P.D. is hereby authorized to negotiate, execute and deliver the Grant Agreement with the Englewood Rebuilders Organization and to enter into and execute all such other agreements and instruments, and to perform any and all acts as shall be necessary or advisable in connection with implementation of the Project.

SECTION 3. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the validity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 4. This ordinance shall be in full force and effect from and after the date of its passage.

AUTHORIZATION FOR TRANSFER OF YEAR 2000 FUNDS

COMMITTEE ON BUILDINGS.

AMENDMENT OF TITLE 13 OF MUNICIPAL CODE OF CHICAGO
CONCERNING SPRINKLER REQUIREMENTS FOR
NIGHTCLUBS AND RESTAURANTS.

The Committee on Buildings submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Buildings, having had under consideration a proposed ordinance (which was referred September 27, 2000) relating to sprinkler requirements, begs leave to recommend that Your Honorable Body do *Pass* the ordinance which is transmitted herewith.

This recommendation was concurred in by the committee members of the Committee on Buildings, with no dissenting votes.

This ordinance shall be in full force and effect from and after its passage and approval.

Respectfully,

(Signed) BERNARD L. STONE,
Chairman.

On motion of Alderman Stone, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Section 13-4-010 of the Municipal Code of the City of Chicago is hereby amended by inserting the language in italics, in proper alphabetical sequence, as follows:

* * * * *

"Nightclub" means a place of entertainment open at night usually serving food and beverages, and providing live or recorded entertainment. The term "nightclub" does not include a theater or museum, but otherwise is used in the building code without regard to the license classification or category of a business.

* * * * *

SECTION 2. Chapter 13-84 of the Municipal Code of the City of Chicago is hereby amended by inserting a new Section 13-84-331, as follows:

13-84-331 Special Requirement For Nightclubs And Restaurants.

Every newly constructed, reconstructed or substantially rehabilitated nightclub or restaurant with an occupancy of more than 100 persons and located in whole or in part more than four feet below street grade shall be equipped with an approved automatic sprinkler system. Every existing nightclub or restaurant with an occupancy of more than 100 persons and located in whole or in part more than four feet below street grade shall be equipped with an approved automatic sprinkler system within six months after the effective date of this section.

SECTION 3. This ordinance shall be in full force and effect from and after its passage and approval.

AMENDMENT OF TITLE 17, SECTION 5-17 OF MUNICIPAL CODE OF
CHICAGO (CHICAGO ZONING ORDINANCE) BY FURTHER
REGULATION OF CIGARETTE AND ALCOHOLIC
BEVERAGE ADVERTISEMENTS.

The Committee on Buildings submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Buildings, having had under consideration a proposed ordinance (which was referred September 27, 2000) relating to cigarette and alcoholic beverage advertisement, begs leave to recommend that Your Honorable Body do Pass the ordinance which is transmitted herewith.

This recommendation was concurred in by the committee members of the Committee on Buildings, with no dissenting votes.

This ordinance shall take effect upon its passage and approval. Provided, however, that no affected sign that was in place before the date of introduction of this ordinance need be removed pursuant to this ordinance for 180 days from the effective date of this ordinance. Provided further, that no replacement, alteration or substitution of an affected sign shall be permitted during said 180 day period.

Respectfully,

(Signed) BERNARD L. STONE,
Chairman.

On motion of Alderman Stone, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivò, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago has the power to legislate in order to protect the public's health, safety and welfare; and

WHEREAS, The City Council passed an ordinance on September 10, 1997, regulating the placement of certain signs, posters, placards or graphic displays advertising cigarettes or alcoholic beverages within the City of Chicago ("the Ordinance"); and

WHEREAS, The Ordinance, which added a new Section 5.17 to Title 17 of the Municipal Code of Chicago, was a reasonable and necessary measure for reducing illegal transactions and illegal consumption of cigarettes and alcoholic beverages by minors; and

WHEREAS, In order to protect legitimate business activities and to focus narrowly its efforts on those advertisements which most directly affect minors where they live, attend school, attend religious services and engage in recreational activities, the Ordinance contained a number of exceptions to its application; and

WHEREAS, In order to more effectively reduce illegal transactions and illegal consumption of cigarettes and alcoholic beverages by minors, it is a necessary, reasonable, and appropriate measure to further limit such exceptions, and to increase the penalties for violation; and

WHEREAS, An exception to application of this ordinance for signs that appear on premises licensed to sell cigarettes and alcoholic beverages on a retail basis is a reasonable and appropriate accommodation to licensed sellers and legitimate purchasers of cigarettes and alcoholic beverages, when such signs are limited in gross surface area and size; in light of the utility of such signs to inform adults of what is offered for sale, while not being unduly distracting to minors; and

WHEREAS, An exception to application of this ordinance for signs that appear at special events, and at sports arenas, is a reasonable and appropriate accommodation to licensed sellers and legitimate purchasers of cigarettes and alcoholic beverages, in light of the fact that minors' exposure to such signs at special events and sporting events is far more limited than the day-to-day exposure presented by signs in other locations; in light of the engrossing nature of such events which reduces the likelihood of distraction by advertisements; in light of the fact that minors' attendance at such events is typically subject to adult supervision; and in light of the fact that cigarettes and alcoholic beverages may be sold or consumed by adults at such events; and

WHEREAS, The restrictions contained in the following ordinance will not unduly burden legitimate business activities of persons licensed by the City of Chicago to sell cigarettes and alcoholic beverages on a retail basis; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Section 5.17 of Title 17 of the Municipal Code of Chicago is hereby amended by deleting the language in brackets and adding the language in italics, as follows:

5.17 Cigarette And Alcoholic Beverage Advertisements.

(a) [No person may place any sign, poster, placard or graphic display that advertises cigarettes or alcoholic beverages in a publicly visible location. In this section, "publicly visible location" includes outdoor billboards, sides of buildings, and freestanding signboards]. *No sign shall be allowed that advertises cigarettes or alcoholic beverages. For purposes of this section, the term "sign" shall have the meaning ascribed to it in section 3.2, and shall also include a sign located completely within an enclosed building, if such sign is intended to be viewed from the public way.*

This section shall not apply to:

[1. (A) With respect to cigarettes, the placement of signs, including advertisements, inside any premises used by a holder of a license required by chapter 4-64 of this code; or (B) With respect to alcoholic beverages, the placement of signs, including advertisements, inside any premises used by a holder of a license required by chapter 4-60 of this code; or (C) On commercial vehicles used for transporting cigarettes or alcoholic beverages;]

[2. (A) With respect to cigarettes, any sign that contains the name or slogan of the premises used by a holder of a license required by chapter 4-64 of this code that has been placed for the purpose of identifying such premises; or (B) With respect to alcoholic beverages, any sign that contains the name or slogan of the premises used by a holder of a license required by chapter 4-60 of this code that has been placed for the purpose of identifying such premises;]

1. (A) With respect to cigarettes, business signs that are located on the premises used by the holder of a license required by chapter 4-64 of this code if: (i) the gross surface area of all such signage in the aggregate is limited to two times the building frontage; and (ii) no individual sign exceeds 48 square feet of gross surface area;

(B) With respect to alcoholic beverages, business signs that are located on the premises used by the holder of a license required by chapter 4-60 of this code if: (i) the gross surface area of all such signage in the aggregate is limited to two times the building frontage; and (ii) no individual sign exceeds 48 square feet of gross surface area. For buildings fronting on more than one street, the sign area shall be calculated separately for each street;

[3. Any sign that contains a generic description of cigarettes or alcoholic beverages;]

[4. (A) With respect to cigarettes, any neon or electrically charged sign on premises used by a holder of a license required by chapter 4-64 of this code that is provided as part of a promotion of a particular brand of cigarettes; or (B) With respect to alcoholic beverages, any neon or electrically charged sign on premises used by a holder of a license required by chapter 4-60 of this code that is provided as part of a promotion of a particular brand of alcoholic beverage;]

[5. Any sign at a special event, as that term is defined in section 10-8-335 of this code;]

2. (A) With respect to cigarettes, any sign at a special event where cigarettes are legally offered for sale; or (B) With respect to alcoholic beverages, any sign at a special event where alcoholic beverages are legally offered for sale; or

[6. Any sign on a C.T.A vehicle;]

[7. Any sign on property owned, leased or operated by the Illinois Sports Facilities Authority;]

[8.]3. Any sign at Comiskey Park, Soldier Field, the United Center, or Wrigley Field[;]

[9. Any sign on property adjacent to an interstate highway; or]

[10. Any sign located in a C3 District (Commercial-Manufacturing), a C4 District (Motor Freight Terminal), or any M District (Manufacturing)].

(b) This section shall not be construed to permit any display that is otherwise restricted or prohibited by law.

(c) With regard to a building primarily used for production or wholesale distribution of cigarettes or alcoholic beverages, this section shall not apply to signs identifying the product produced or distributed therein.

(d) Nothing in this section shall be construed to apply to any communication that does not constitute commercial speech within the meaning of the First Amendment to the United States Constitution and Article I of the Illinois Constitution.

[(c)] (e) The penalty for violation of this section shall be [as set forth in section 11.13 of this Title.] *not less than \$500.00 nor more than \$1,500.00. Each day such a violation is permitted to exist after notification thereof shall constitute a separate offense.*

SECTION 2. This ordinance shall apply to all affected signs.

SECTION 3. This ordinance shall take effect upon its passage and approval. Provided, however, that no affected sign that was in place before the date of introduction of this ordinance need be removed pursuant to this ordinance for one hundred eighty (180) days from the effective date of this ordinance. Provided further, that no replacement, alteration or substitution of an affected sign shall be permitted during said one hundred eighty (180) day period.

SECTION 4. If any part, section, sentence, clause or application of this ordinance shall be adjudged invalid, void and of no effect for any reason, such decision shall not affect the validity of the remaining portions of this ordinance, or their application to other circumstances. If any part, section, sentence, clause or application of this ordinance shall be adjudged invalid, void and of no effect as applied to either cigarette or alcoholic beverage advertising only, such decision shall not affect the validity of the remaining portions of this ordinance, or their application to other circumstances.

SECTION 1. I hereby move to correct the Journal of the Proceedings of the regular City Council meeting held on Wednesday, July 19, 2000 to delete from the not recommended section "2338 West 31st Place -- Parking Prohibited At All Times, Disabled" and inserting "2338 West 21st Place -- Parking Prohibited At All Times, Disabled" on page 38652 on the fortieth line from the top.

SECTION 2. This ordinance shall be in effect upon passage and publication.

COMMITTEE ON HEALTH.

**GOVERNOR GEORGE RYAN AND ILLINOIS GENERAL ASSEMBLY
URGED TO INCREASE FUNDING FOR COMMUNITY AND
PRISON-BASED DRUG TREATMENT PROGRAMS.**

The Committee on Health submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Health met on Tuesday, October 10, 2000 to hear a resolution introduced by Alderman Michael Wojcik memorializing the State of Illinois to enact legislation requiring persons convicted of drug related offenses to complete a state-run drug rehabilitation program before receiving good time, begs leave to recommend that Your Honorable Body *Adopt* the proposed substitute resolution transmitted herewith.

The substitute resolution was adopted with no opposition.

Respectfully submitted,

(Signed) ED H. SMITH,
Chairman.

On motion of Alderman E. Smith, the said proposed substitute resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, Drug addiction causes crime, ruins families and neighborhoods, and leaves a path of destruction in its wake; and

WHEREAS, Human decency and compassion require that no person in jail who is addicted to drugs should go without treatment for their addiction; and

WHEREAS, Drug addicts who are convicted of a crime, but who fail to receive meaningful treatment for their addiction while in prison, continue to menace society following their release; and

WHEREAS, Recidivism rates decrease when drug-addicted criminals participate in drug treatment programs during their stay in prison; and

WHEREAS, The Department of Corrections currently cannot accommodate all of the requests it receives from drug-addicted criminals housed in Illinois jails who want to participate in prison-based drug treatment programs; and

WHEREAS, Increased state funding of community-based and prison-based drug treatment programs is essential to helping drug addicts break the vicious cycle of substance abuse which fuels their need to support their drug habit by returning to a life of crime after being released from prison; and

WHEREAS, Because every dollar invested in drug treatment generates a cost-savings of seven dollars, measured primarily in reduced crime rates, lower criminal justice costs, and fewer instances of hospitalization, it makes good economic sense for the State of Illinois to increase its funding of community-based and prison-based drug treatment programs; and

WHEREAS, On July 17, 2000, the Committee on Health of the City Council of the City of Chicago held hearings which revealed that drug-addicted prison inmates who might otherwise prefer to "sleep off their prison sentence" need an incentive to participate in prison-based drug treatment programs; and

WHEREAS, Statistics show that individuals who have been coerced into seeking treatment for their drug addiction fare as well across a variety of indicators, and, in some cases, even better, than individuals who voluntarily admit themselves into a drug treatment program; and

WHEREAS, Reason suggests that drug-addicted criminals will have an incentive to participate in a prison-based drug treatment program if Illinois state law is amended to make their eligibility for "time off for good behavior" contingent upon participation and successful completion of a drug treatment program; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago do hereby urge Governor Ryan and the Illinois General Assembly to increase funding for drug treatment programs at the community level as a deterrent to crime; and to increase funding for prison-based drug treatment programs to reduce recidivism, increase public safety, and give all drug addicts who want to rehabilitate themselves an opportunity to participate in a drug treatment program that will enable them to reach their full potential as human beings and lead more productive and crime-free lives; and

Be It Further Resolved, That we call upon the Illinois General Assembly to amend Illinois State law to make a drug-addicted criminal's eligibility for "time off for good behavior" contingent upon participation and successful completion of a drug treatment program provided through the Illinois Department of Corrections; and

Be It Further Resolved, That suitable copies of this resolution be presented to Governor George Ryan, Speaker of the House Michael J. Madigan, Illinois Senate President James "Pate" Philip, Illinois Senate Minority Leader Emil Jones, and Illinois House Minority Leader Lee A. Daniels.

COMMITTEE ON HISTORICAL LANDMARK PRESERVATION.

AMENDMENT OF PRIOR ORDINANCE WHICH ACCEPTED
BID FOR PURCHASE OF CITY OWNED PROPERTY AT
6331 -- 6343 NORTH MAPLEWOOD AVENUE AND
6330 -- 6342 NORTH CAMPBELL AVENUE.

The Committee on Housing and Real Estate submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Your Committee on Housing and Real Estate, to which was referred an ordinance by Alderman Stone amending a provision in an ordinance previously passed accepting the bid of Northside Mosque, Inc. to purchase 6331 -- 6343 North Maplewood Avenue and 6330 -- 6342 North Campbell Avenue, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a vote of the members of the committee present, with no dissenting votes.

Respectfully submitted,

(Signed) RAY SUAREZ,
Chairman.

On motion of Alderman Suarez, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. On October 14, 1992, the City of Chicago accepted the bid of Northside Mosque, Inc., 1017 West Roscoe Street, Chicago, Illinois 60657 to purchase the property commonly known as 6331 -- 6343 North Maplewood Avenue and 6330 -- 6342 North Campbell Avenue, as legally described on Exhibit A attached hereto.

A. As part of the acceptance of the bid of Northside Mosque, Inc., the ordinance of the City Council at that time contained a provision that read as follows:

The lower level of the garage and the open area to the south of the garage shall be used for public parking purposes for the general public. Cost to the general public for parking shall not exceed the current price charged at City Public Parking Lots. This agreement shall be enforced for a period of ten (10) years from the date of the deed.

B. The Quit Claim Deed from the City of Chicago to Northside Mosque, Inc. dated the 17th day of April, 1993 contained this provision.

C. The City of Chicago has found that this provision should not have been included within the deed to Northside Mosque, Inc.. Further, after review of the facts presented to the City Council, it has been determined that Northside Mosque, Inc. has never operated these areas of the garage as a public parking lot since being deeded the property in 1993.

D. The City of Chicago has determined that it is in the best interests of both the City of Chicago and Northside Mosque, Inc. to eliminate this restriction from the deed as it currently exists.

SECTION 2. The Mayor or his proxy is authorized to execute such documents as may otherwise be required to release the provision noted above from the Quit Claim Deed having conveyed the property to the purchaser.

SECTION 3. This ordinance shall be in effect from and after its passage.

Exhibit "A" referred to in this ordinance reads as follows:

*Exhibit "A".**Legal Description.*

Lots 9 to 12, both inclusive, Lots 31 to 34, both inclusive, Lot 13 (except the south 21 feet thereof) and Lot 30 (except the south 21 feet thereof), together with all that part of the north and south 16 foot vacated public alley lying east of and adjoining the east line of Lots 9 to 13, both inclusive, lying west of and adjoining the west line of Lots 30 to 34, both inclusive, lying north of and adjoining the north line of the south 21 feet of said Lot 13 produced east 16 feet and lying south of and adjoining the north line of said Lot 9 produced east 16 feet, all in Block 1 of Ellis and Morris Second Addition to North Edgewater, being a subdivision of the north half of the east half of the west half of the east half of the northeast quarter of Section 1, Township 40 North, Range 13 East of the Third Principal Meridian, in Cook County, Illinois (commonly known as 6330 -- 6342 North Campbell Avenue/6331 -- 6343 North Maplewood Avenue, Parking Site Number 46, Permanent Tax Numbers 13-01-205-033, 034, 035, 036, 037, 038, 039 and 040).

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City is the owner of the former Crown, Cork and Seal Company facilities and parking lots consisting of approximately eight and fifteen hundredths (8.15) acres located in the vicinity of West 31st Street and South Central Park Avenue, Chicago, Illinois (Permanent Index Numbers 16-35-200-001, 002 and 007; and 16-35-107-001 to 009, 040, 041, 042, 046, 047 and 048) (collectively, the "Property"), which were donated to the City in 1992; and

WHEREAS, MRC Polymers, Inc., an Illinois corporation, 1716 West Webster Avenue, 60614 (the "Developer"), has offered to pay the City fifty cents (\$.50) per square foot for the Property for the purpose of constructing two (2) plastics recycling facilities thereon; and

WHEREAS, The Department of Planning and Development ("D.P.D.") has reviewed the Developer's plans and has advertised for alternative proposals for the Property in the *Chicago Sun-Times* on August 25, 2000 and August 30, 2000; and

WHEREAS, No alternative proposals were received by the deadline indicated in the aforesaid notices, and D.P.D. has recommended that the Developer's proposal be approved by the City Council; and

WHEREAS, The City of Chicago (the "City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The foregoing recitals are hereby adopted as the findings of the City Council.

SECTION 2. The sale of the Property to the Developer in the amount of fifty cents (\$.50) per square foot (or approximately One Hundred Seventy-seven Thousand Five Hundred and no/100 Dollars (\$177,500.00) subject to final survey) is hereby approved. This approval is expressly conditioned upon the City entering into a redevelopment agreement with the Developer on terms agreeable to D.P.D. and the Corporation Counsel. The Commissioner of D.P.D. is authorized to execute such redevelopment agreement and all other documents as may be necessary to implement the sale and redevelopment of the Property, subject to the approval of the Corporation Counsel.

SECTION 3. The Mayor or his proxy is authorized to execute, and the City Clerk is authorized to attest, a quitclaim deed conveying the Property to the Developer, or to a land trust of which the Developer is the sole beneficiary, or to a business entity of which the Developer is the sole controlling party, subject to any covenants, conditions and restrictions set forth in the redevelopment agreement.

SECTION 4. This ordinance shall take effect immediately upon its passage.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Commissioner of the Department of General Services is authorized to execute on behalf of the City of Chicago, a lease with the Metropolitan Water Reclamation District of Greater Chicago, as Landlord, for approximately three and eighty-six hundredths (3.86) acres of vacant land located at Lots 50 and 52 of Sanitary District Trustees Subdivision commonly known as 4101 South Cicero Avenue, for use by the Department of Streets and Sanitation, as Tenant; such lease to be approved by the Commissioner of the Department of Streets and Sanitation and to be approved as to form and legality by the Corporation Counsel in substantially the following form:

[Lease Agreement immediately follows
Section 2 of this ordinance.]

SECTION 2. This ordinance shall be effective from and after the date of its passage.

Lease Agreement referred to in this ordinance reads as follows:

Lease Agreement.
(Governmental Form)

This Indenture, made this ____ day of _____, 2000, by and the Metropolitan Water Reclamation District of Greater Chicago, a municipal corporation organized and existing under the laws of the State of Illinois, with principal offices at 100 East Erie Street, Chicago, Illinois, 60611 (hereinafter designated the "Lessor"), and the City of Chicago, an Illinois municipal corporation, organized and existing under the laws of the State of Illinois, with principal offices at 121 North LaSalle Street, Chicago, Illinois, 60602 (hereinafter designated the "Lessee").

Witnesseth That:

Article One.

1.01 Demised Premises.

The Lessor for and in consideration of the rents hereinafter reserved and of the covenants and agreements hereinafter contained, does hereby demise and lease unto said Lessee three and eighty-six hundredths (3.86) acres of vacant real estate commonly known as 4101 South Cicero Avenue, Chicago, Cook County, Illinois, more particularly and legally described in Exhibit A which is attached hereto and made a part hereof and depicted in the plat of survey marked Exhibit B which is attached hereto and made a part hereof, for public or public recreation purposes, as more specifically described in Article Three, Paragraph 3.07 hereof, pursuant to 70 ILCS 2605/8 and 8c.

1.02 Term Of Lease.

The term of this lease is five (5) years, beginning on the first (1st) day of January, A.D., 2001, and ending on the thirty-first (31st) day of December 2005, unless said term shall be sooner ended under the provisions hereof.

Anything Contained In This Lease To The Contrary Notwithstanding, This Lease Is Terminable By Lessor In Accordance With Service Upon Lessee Of A One (1) Year Notice To Terminate After Determination By The Board Of Commissioners And General Superintendent Of Lessor That The Demised Premises (Or Part Thereof) Has

Become Essential To The Corporate Purposes Of The Lessor. In Such Event, Any Rent Due Shall Be Abated In Direct Proportion To The Area Recovered Hereunder As Compared To The Area Of The Original Leasehold.

1.03 Lease Executed By Lessor Without Warranties.

It is expressly covenanted and agreed by the parties hereto that the Lessor executes and delivers this lease without representation or warranties concerning Lessor's title to the premises and authority to execute this lease and building and zoning laws affecting the Demised Premises. The Lessee has examined the title to the premises and Lessor's authority to enter into this lease and is satisfied therewith. Lessee has further examined the building and zoning laws concerning the Demised Premises and is satisfied that it may construct such improvements as it deems necessary in connection with its proposed use of the Demised Premises of this lease and that said Lessee may use the Demised Premises in accordance with the uses provided for in Section 3.07 of this lease:

A. In the event on the date hereof or any time hereafter, the building and zoning laws do not permit the use set forth in Section 3.07 hereof or the construction set forth in Section 6.01 hereof, the Lessee agrees, at its own expense within one (1) year of the date of this lease, to take such action as may be necessary to obtain such zoning change and building permits or to obtain Lessor's approval of a different use or improvement which is permitted under the zoning laws/building codes;

B. The failure of the Lessee to obtain such zoning change as may be necessary and/or such building permit within one (1) year of the date of this lease, shall be cause for immediate cancellation of this lease, at the option of the Lessor, provided, however, in this event all rents due or coming due hereunder shall abate as of the date of the cancellation of this lease pursuant to this subsection.

1.04 Effect Of Condemnation Of Demised Premises.

It is expressly covenanted by the parties hereto that in the event of any condemnation of the Premises herein leased, of the Demised Premises herein granted, or any part thereof, the entire condemnation award shall be the sole property of the Lessor, except for the actual value of the improvements made by Lessee during this lease as of the date of the final judgment order in said condemnation proceedings; that Lessee shall be entitled only to a decrease in the rent reserved by percentage in relation to the whole tract to the part taken; and in the event the whole tract is taken or so much of the tract is taken as to prohibit the

operation or use of the Demised Premises by Lessee for the purpose set forth in Section 3.07 hereof on the portion remaining impracticable, the Lessee shall be entitled to the cancellation of this lease.

Article Two.

2.01 Rent And Additional Compensation.

The Lessee covenants and agrees, in consideration of the leasing of the Premises aforesaid, to pay to the Lessor as rent for the said Demised Premises:

A. Basic Annual Rental Payment: During the five (5) year period from January 1, 2001, through December 31, 2005, the annual rental shall be Eighteen Thousand Six Hundred Two and 05/100 Dollars (\$18,602.05) per annum, payable in annual installments each, to be due on the first (1st) day of every January during the term hereof with the first (1st) installment being due on the first (1st) day of January, 2001.

B. All annual rental payments required to be made by Lessee hereunder, shall be paid in one (1) installment(s), in advance, to be due on the first (1st) day of every January, during the Term of this lease, with the first (1st) installment being due on the first (1st) day of January, 2001.

C. Additional Compensation -- (Non-Rent):

~~Cash. In addition to the foregoing cash rent to be paid by Lessee to Lessor,~~
Lessee shall pay in cash to Lessor _____ percent (____%) of the gross revenues generated by Lessee's use of or activities on the Demised Premises.

On each anniversary of the effective date of this lease, Lessee shall furnish to Lessor an audited and certified statement of all items of income attributable to Lessee's use of the Demised Premises and simultaneously remit its check to Lessor in an amount equal to the aforesaid percentage multiplied by the audited and certified statement for that one (1) year period. All such audited and certified statements shall be subject to confirmation by Lessor. Lessee shall furnish all original books and records or certified copies thereof necessary to confirm such statements, upon reasonable demand by Lessor, at no cost to Lessor.

D. In addition, the Lessee shall pay all administrative and legal costs incurred by the Lessor in collecting any arrearage in rent, including but not limited to payment for legal work for the preparation of lawsuits and for the issuance of notices.

Article Three.

General Provisions.

3.01 Interest On Rent Not Paid When Due.

Lessee agrees that any and all installments of rent accruing under the provisions of this lease, which shall not be paid when due shall, subject to any applicable limitation imposed by State statute, bear interest at the rate of two percent (2%) per annum in excess of the prime rate charged by a principal bank in Chicago, Illinois, to its commercial borrowers as determined on the first (1st) date of a delinquency from the day when the same is or are payable by the terms of this lease, until the same shall be paid; provided if any installment or installments of said rent shall become due on a Sunday or legal holiday the same shall be paid without interest on the next succeeding regular business day.

3.02 Rent Reserved To Be Liens On All Buildings, Et Cetera, Erected On Demised Premises.

It is agreed by Lessee that the whole amount of rent reserved and agreed to be paid for the Demised Premises and each and every installment thereof shall be and is hereby declared to be a valid lien upon all buildings and other improvements on the Demised Premises or that may at any time be erected, placed or put on the Demised Premises by the Lessee and upon the interest of said Lessee in this lease and in the Demised Premises hereby leased.

3.03 Forcible Collection Of Rent By Lessor Not To Affect Release Of Obligations.

It is expressly understood and agreed that the forcible collections of the rent by any legal proceedings or otherwise by the Lessor or any other action taken by Lessor under any of the provisions hereof, except a specific termination or forfeiture of this lease, shall not be considered as releasing the Lessee from its obligation to pay the rent as herein provided by the entire period of this lease.

3.04 Waiver Of Right Of Counterclaim.

In the event Lessor commences any legal proceedings for nonpayment of rent, forcible detainer, or violation of any of the terms hereof, Lessee will not interpose any set-off of any nature or description in any such proceedings.

3.05 Rights Of Lessor To Re-Enter Demised Premises Upon Expiration Of Notice.

It is understood and agreed by and between the parties hereto that if the Lessee shall default in the payment of any of the rent herein provided for upon the day the same becomes due and payable, and such default shall continue for thirty (30) days after notice thereof in writing given by the Lessor or its agent or attorney to the Lessee in the manner hereinafter provided, or in case the Lessee shall default in or fail to perform and carry out any of the other covenants and conditions herein contained, and such default or failure shall continue for ninety (90) days after notice thereof and provided that Lessee has not initiated corrective action with respect to the default which is the subject of said notice within the initial thirty (30) days of said notice in writing given in like manner, then and in any and either of such events, it shall and may be lawful for the Lessor, at its election, at or after the expiration of said thirty (30) days or said ninety (90) days (as the case may be) after the giving of said notice to declare said term ended, either with or without process of law, to re-enter, to expel, remove and put out the Lessee or any other person or persons occupying the Demised Premises, using such force as may be necessary in so doing, and repossess and restore Lessor to its first (1st) and former estate, and to distrain for any rent that may be due thereon upon any of the property of the Lessee located on the Demised Premises, whether the same shall be exempt from execution and distress by law or not; and the Lessee, for itself and its assigns, in that case, hereby waives all legal right, which it now has or may have, to hold or retain any such property under any exemption laws now in force in this State or in any other way; meaning and intending hereby to give the Lessor, its successors and assigns, a valid lien upon any and all the goods, chattels or other property of the Lessee located on the Demised Premises as security for the payment of said rent in a manner aforesaid. And if at the same time said term shall be ended at such election of the Lessor, its successors or assigns, or in any other way, the Lessee for itself and its successors and assigns, hereby covenants and agrees to surrender and deliver up said Premises and property peaceably to the Lessor, its successors or assigns, immediately upon the termination of said term as aforesaid; and if the Lessee or the successors or assigns of the Lessee shall remain in possession of the same on the day after the termination of this lease, in any of the ways above named, it shall be deemed guilty of a forcible detainer of the Demised Premises under the statutes and shall be subject to all the conditions and provisions above named, and to eviction

and removal, forcible or otherwise, with or without process of law, as above stated.

3.06 Lessee To Pay Taxes, Assessments And Water Rates.

As a further consideration for granting this lease, the Lessee further covenants, promises and agrees to bear, pay and discharge (in addition to the rent specified) on or assessments and levies, general and special, ordinary and extraordinary, of any kind whatsoever, which may be taxed, charged, assessed, levied or imposed upon the Demised Premises or upon any and all of which may be assessed, levied or imposed upon the Demised Premises estate hereby created and upon the reversionary estate in said Demised Premises during the term of this lease. Provided, however, that Lessee shall not be responsible for any such charges or amounts taxed, charged, assessed, levied or imposed attributable to the use of the Demised Premises by Lessor, or other permittees or licensees of Lessor.

And it is further understood, covenanted and agreed by the parties hereto that all of said water rates, taxes, assessments and other impositions shall be paid by said Lessee before they shall respectively become delinquent, and in any case within adequate time to prevent any judgment, sale or forfeiture. In the event real estate taxes are levied or extended with respect to the Demised Premises on the basis of improved real estate, Lessee shall deposit a sum of money equal to one hundred ten percent (110%) of each year's taxes with Lessor during the term of this lease, to be held in reserve to secure payment of Lessee's real estate taxes. Any sums of monies in excess of the one hundred ten percent (110%) retainer held by Lessor in the reserve after the payment of the second (2nd) installment of the current years real estate taxes for the Demised Premises will be remitted to the Lessee. In the event Lessee fails to submit to the Lessor proof of payment of the real estate tax applicable to the Demised Premises property within sixty (60) days of the date said tax is due then Lessor shall, after reasonable written notice, apply the escrow funds to pay the unpaid real estate taxes and any penalties and interest due thereon without questioning or being accountable to Lessee for the correctness or legality of the same. If the amount of funds held by Lessor should not be sufficient to pay said taxes, Lessee shall remit to Lessor that additional amount necessary to pay said deficiency within thirty (30) days from the date written demand of same is made by Lessor to Lessee. Lessee's obligation to fund and maintain a balance on deposit equal to one hundred ten percent (110%) of the prior year's real estate taxes in the aforesaid reserve is a continuing obligation of Lessee during the term of this lease.

3.07 Use Of Demised Premises.

It is understood that the Demised Premises are to be used by said Lessee for the sole and exclusive purpose of a storage yard for street lights and other related

materials and for no other purpose whatsoever.

3.08 Prohibited Uses And Activities.

Lessee specifically agrees not to use the said Demised Premises or any part thereof, or suffer them to be used for tanneries, slaughter houses, rendering establishments, or for any use of similar character or for gambling in any form, or for the conducting thereon of any business which shall be unlawful. Lessee also specifically agrees that no alcoholic beverages of any kind shall be sold, given away or consumed with the knowledge and consent of Lessee on the Demised Premises unless this lease is for a term of more than twenty (20) years and then only with the prior written consent of Lessor's Board of Commissioners and the furnishing of dram shop insurance or other applicable insurance protection, with respect to such activities with policy limits, form and carrier approved by Lessor and naming Lessor, its Commissioners, officers, agents and employees as additional insiders, said insurance shall provide that said policy shall not be canceled without twenty (20) days advance written notice thereof, in addition to any insurance provided pursuant to paragraph 4.03 for which the Lessor is the named insured. Hunting and the manufacture, sale, distribution, discharges and unauthorized use of guns and firearms on the leasehold premises is expressly prohibited.

3.09 Lessee To Yield Up Demised Premises, Et Cetera, Upon Expiration Of Lease And Demolish Any Improvements If Notified By Lessor.

The Lessee agrees at the expiration of the term hereby created or the termination of this lease under the provisions hereof, to yield up said Demised Premises, together with any buildings or improvements which may be constructed or placed upon the Demised Premises, to the Lessor in as good condition as when said buildings or improvements were constructed or placed thereon, ordinary wear and tear excepted. Lessee agrees to remove any and all storage tanks from the Demised Premises, which Lessee, placed on the Demised Premises including aboveground and belowground storage tanks prior to the expiration of the lease. Lessee agrees to remove any and all asbestos contained on Demised Premises, and placed on the Demised Premises by Lessee or any third party during the term of this lease prior to the expiration of the lease, including but not limited to, asbestos contained in any fixtures, improvements or buildings located on the Demised Premises. One hundred twenty (120) days prior to the expiration of this lease, Lessor will determine which, if any, improvements constructed by Lessee during the term of this lease on the Demised Premises shall be demolished. Lessee will, upon receipt of ninety (90) days advance written notice, demolish at Lessee's sole cost and expense, the improvements identified by Lessor. Should Lessee fail to demolish the improvements after notice Lessor will have these improvements demolished and

Lessee will be required to pay all costs therefor. This requirement survives expiration or termination of this lease Agreement.

3.10 Failure Of Lessor To Insist On Provisions; No Waiver.

The Lessee covenants and agrees that if the Lessor shall one (1) or more times waive its right to insist upon prompt and satisfactory performance according to the terms of this lease of any of the obligations of the Lessee, no such waiver shall release the Lessee from its duty promptly and strictly to satisfy at all times after such waiver each and every obligation arising under the provisions of this lease, and especially any of such provisions with respect to which such waiver may previously have been made by the Lessor as aforesaid; and the Lessee covenants and agrees that if the Lessor shall for any length of time waive any right or rights accruing to Lessor under the provisions of this lease, such waiver shall be construed strictly in Lessors favor and shall not stop Lessor to insist upon any rights, subsequently accruing to it under this lease not in of the obligations under this lease, no waiver by the Lessor of its right to take advantage terms specifically waived; and the Lessee covenants and agrees that if Lessee violates any of such violation shall stop Lessor from insisting upon its strict rights in case of and as to any subsequent violation by the Lessee of the same or any other obligation; and the Lessee covenants and agrees that this provision of this lease shall apply especially (but not exclusively) to the right of the Lessor to require prompt payment of the rent in this lease and that neither acceptance by the Lessor of any payment of any other unpaid installment or installments of rent, nor any endorsement or statement on any check or letter accompanying any check or payment be deemed an accord and satisfaction and Lessor may accept such check or payment without prejudice to Lessors right to recover the balance of rent or pursue any other remedy provided in this lease.

3.11 Various Rights, Cumulative, Et Cetera.

The Lessee agrees that the various rights and remedies of the Lessor contained in this lease shall be construed as cumulative, and no one of them as exclusive of the other or exclusive of any rights or remedies allowed by law, and that the right given in this lease to the Lessor to collect any additional rent, monies or payments due under the terms of this lease by any proceedings under this lease or the right herein given the Lessor to enforce any of the terms and provisions of this lease, shall not in any way affect the right of the Lessor to declare this lease terminated and the term hereby created ended, as herein provided, upon the default of the Lessee, or failure of the Lessee to perform and carry out, all of the provisions in this lease provided to be performed and carried out by the Lessee.

3.12 Right To Mortgage Demised Premises.

A. The Lessee is hereby expressly given the right at any time and from time to time, to mortgage its interest in the Demised Premises by mortgage or trust deed, but any such mortgage or trust deed shall in no way create any lien or encumbrance on the fee of the Demised Premises and the interest of the Lessor therein and the interest of the Lessor in any improvements which may be placed on the Demised Premises by the Lessee; and it is further mutually covenanted and agreed that the mortgagee or trustee in any such mortgage or trust deed and the holder or owner of the indebtedness secured by said mortgage or trust deed shall not become personally liable upon the covenants in the lease unless and until it or its assignee(s) shall acquire the Demised Premises estate created by this lease. It is further covenanted and agreed that any mortgage or trust deed must be paid in full and a duly executed and recordable release thereof issued therefor prior to the expiration of the term of said Demised Premises.

B. Demised Premises Mortgagee -- Tax Escrow: If any Demised Premises Mortgagee while the holder of any Leasehold Mortgage with respect to the Demised Premises shall require Lessee to deposit with such Demised Premises Mortgagee the amounts necessary to pay the general real estate taxes and/or special assessments against the Demised Premises pursuant to paragraph 3.06 hereof, Lessee may make such deposits directly with said Mortgagee, provided, however, that such Demised Premises Mortgagee or Lessee shall notify Lessor of said requirement in advance of Lessee's making the first such deposit and Lessee or Lessee's Mortgagee documents to Lessor's satisfaction the fact of the establishment and annual maintenance of the required escrow deposits hereunder. In any event, where Lessee is required to deposit with the Demised Premises Mortgagee the amounts necessary to pay the general real estate taxes and/or special assessments, the same to be paid as and when the same become due and payable, and the Lessee shall cause to be delivered to Lessor the receipted bills or photostatic copies thereof showing such payment within thirty (30) days after such receipted bills shall have been received by Lessee.

3.13 Disclosure Of Lease To County Tax Assessor.

Within thirty (30) days from the effective date of this lease, Lessee shall deliver to the Assessor of the County in which the Demised Premises is situated a copy of this lease so that said Assessor can take such steps as he determines necessary to subject the interest of the Lessee to general real estate taxation.

3.14 No Nuisance Permitted.

The Lessee covenants and agrees not to maintain any nuisance on the Demised

Premises or permit any noxious odors to emanate from the Demised Premises which shall be in any manner injurious to or endanger the health, safety and comfort of the persons residing or being in the vicinity of the Demised Premises.

3.15 Demised Premises To Remain Clean And Sanitary.

The Lessee covenants and agrees to keep the Demised Premises in a clean and sanitary condition in accordance with all applicable laws, ordinances, statutes and regulations of the county, city, village, town or municipality (wherein the Demised Premises are located), the State of Illinois, the United States of America, and the Metropolitan Water Reclamation District of Greater Chicago.

3.16 Lessee Shall Abide By Law.

The Lessee covenants and agrees that it shall abide by any and all applicable laws, ordinances, statutes and regulations of the county, city, village, town or municipality (wherein the Demised Premises are located), the State of Illinois, the United States of America, and enforcement and regulatory agencies thereof and the Metropolitan Water Reclamation District of Greater Chicago which regulate or control the Demised Premises, the Lessee and/or Lessee's use of the Demised Premises.

Article Four.

4.01 Indemnification.

The Lessee for itself, its executors, administrators, successors and assigns agrees to and does hereby expressly assume all responsibility for and agrees to defend, indemnify, save and keep harmless the Lessor, its Commissioners, officers, agents, servants and employees against any claim (whether or not meritorious), loss, damage, cost or expense which the Lessor, its Commissioners, officers, agents, servants and employees may suffer, incur or sustain or for which it may become liable, growing out of any injury to or death of persons or loss or damage to property which shall at any time during the term of this lease be caused by or in connection with the use, occupancy or possession of the Demised Premises, and for any such loss, damage, cost or expense which shall at any time during the term of this lease be caused by or in the performance of any work or construction, installation, maintenance, removal or repair of any buildings or structures placed upon the Demised Premises, whether the same be caused by the negligence of Lessee, any

contractor employed by Lessee, or by the negligence of Lessor, its Commissioners, officers, agents, employees or contractors or as a penalty or claim for the sale or giving away of any intoxicating liquors on or about the Demised Premises, or the use of the Demised Premises for illegal or immoral purposes. In case any action, suit or suits shall be commenced against the Lessor growing out of any such claim, loss, damage, cost or expense, the Lessor may give written notice of the same to the Lessee, and thereafter the Lessee shall attend to the defense of the same and save and keep harmless the Lessor from all expense, counsel fees, costs, liabilities, disbursements, and executions in any manner growing out of, pertaining to or connected therewith. Lessee shall not be responsible for actions that result from the sole negligence of Lessor.

4.02 Bond.

~~The Lessee, prior to entering into possession, shall execute and lodge with the Lessor, its indemnity bond in the sum of Five Thousand and no/100 Dollars (\$5,000.00), conditioned upon the performance of each and every condition of this lease; such bond shall be in a form satisfactory to the Attorney for the Lessor. The furnishing of the bond required in this Article shall in no way limit or affect the liability of the Lessee or its insurance carrier under any other provision of this lease.~~

4.03 Indemnification Against Mechanics Lien.

The Lessee agrees to indemnify, save and keep harmless the Lessor of and from any claims for mechanics' liens by reason of any construction work, repairs, replacements or other work or for any improvements made to or placed upon the Demised Premises by or in behalf of Lessee or at Lessee's instance.

4.04 Insurance.

~~The Lessee, prior to entering upon the Demised Premises and using the same for the purpose for which this lease is granted, shall procure, maintain and keep in force at Lessee's expense, public liability property damage insurance in which the Lessor, its Commissioners, officers, agents and employees are a named insured and fire and extended coverage and all risk property insurance in which the Lessor is named as the Loss Payee. ("Claims Made" policies are unacceptable). Said insurance shall be from a company to be approved by the Lessor, having policies with limits of not less than:~~

~~Comprehensive General Liability~~

Combined Single Limit Bodily Injury Liability
Property Damage Liability
(Including Liability for Environmental
Contamination of Adjacent Properties)
in the amount of not less than Four Million and
no/100 Dollars (\$4,000,000.00) per occurrence

and

All Risk Property Insurance
(Including Coverage for Environmental
Contamination of Demised Premises)
in the amount of no less than Four Million and
no/100 Dollars (\$4,000,000.00) per occurrence
(Including Fire And Extended Coverage)
in an amount/not less than the replacement
cost of improvements located on the premises*

Prior to entering upon said Demised Premises, the Lessee shall furnish to the Lessor certificates of such insurance or other suitable evidence that such insurance coverage has been procured and is maintained in full force and effect. Upon Lessor's written request, Lessee shall provide Lessor with copies of the actual insurance policies within ten (10) days of Lessor's request for same. Such certificates and insurance policies shall clearly identify the Demised Premises and shall provide that no change, modification in or cancellation of any insurance shall become effective until the expiration of thirty (30) days after written notice thereof shall have been given by the insurance company to the Lessor. The provisions of this paragraph shall in no wise limit the liability of the Lessee as set forth in the provisions of 4.01 above.

4.05 Self-Insurer.

If Lessee is a self-insurer, Lessee, prior to entering upon said premises and using the same for the purposes for which this lease is granted, shall prepare and transmit to the Lessor an acknowledged statement that the Lessee is a self-insurer, and that

~~to State where applicable~~

it undertakes and promises to insure the Lessor, its Commissioners, officers, agents, servants and employees on account of risks and liabilities contemplated by the indemnity provisions of paragraph 4.03 above; and that such statement is issued in lieu of policies of insurance or certificates of insurance in which the Lessor, its Commissioners, officers, agents, servants and employees would be a named or additional insured, and that it has funds available to cover those liabilities in the respective amounts therefor, as set forth as follows:

Comprehensive General Liability
Combined Single Limit Bodily Injury Liability
Property Damage Liability
(Including Liability for Environmental
Contamination of Adjacent Properties)
in the amount of not less than Four Million and
no/100 Dollars (\$4,000,000.00) per occurrence

and

All Risk Property Insurance
(Including Coverage for Environmental
Contamination of Demised Premises)
in the amount of not less than Four Million and
no/100 Dollars (\$4,000,000.00) per occurrence
(Including Fire And Extended Coverage)
in an amount not less than the replacement
cost of improvements located on the premises*

This statement shall be signed by such officer or agent of the Lessee having sufficient knowledge of the fiscal structure and financial status of the Lessee to make such a statement on behalf of the Lessee and undertake to assume the financial risk on behalf of the Lessee and will be subject to the approval of the Lessor.

The provisions of this section shall in nowise limit the liability of the Lessee as set forth under the provisions of Section 4.01.

* Strike where applicable

4.06 Insurance On Improvements.

~~The Lessee shall keep any buildings and improvements erected, constructed or~~
placed on the Demised Premises fully insured to the replacement cost thereof
against loss by explosion, fire and/or windstorm or other casualty loss for their full
replacement cost at Lessee's own expense at all times during the term of this lease
by an insurance company or companies approved by the Lessor.

Lessor shall be a named insured on all of said insurance policies and a certificate
of insurance evidencing same shall be provided to Lessor and kept current at all
times throughout the term of this lease. All policies of insurance indemnifying
against such loss by explosion, fire and/or windstorm so insured shall be payable
to the Lessor, as additional security for the payment of rent and the performance by
the Lessee of the covenants herein; said policy or policies to be delivered to the
Lessor as soon as issued, provided, however, that in the event of loss to or
destruction of said buildings and other improvements, the insurance proceeds
received by the Lessor in excess of the amounts then due for rent and charges under
the provisions of this Lease shall be held in trust by the Lessor for the repair,
restoration or rebuilding of such damaged or destroyed buildings and other
improvements, and shall be disbursed therefor by said Lessor only on architect's
certificates after the Lessee has, at its own expense, without charge or lien upon
said buildings or other improvements, restored, rebuilt or repaired the same to an
extent that will enable the Lessor, with the insurance money remaining in its hands
after the payment of the rent and charges due it, to complete said buildings or other
improvements in as good condition as they were in before the said loss or damage
by explosion, fire and/or windstorm.

Nothing herein contained in this paragraph shall be construed as a prohibition
against the Lessee making further provision for insurance for the purpose of
protecting the interest or interests of any money lending institution covering such
interest or interests that said institution might have in the improvements placed
upon the land covered by this lease, providing that the Lessee shall pay the
~~additional premiums therefor.~~

4.07 Failure Of Lessee To Insure Improvements.

~~In the event the Lessee should at any time neglect, fail or refuse to insure or to~~
keep insured the buildings and other improvements on said Demised Premises as
above provided, then the Lessor at its election may procure or renew such insurance
and the amount paid therefor shall be repaid by the Lessee to the Lessor with the
rents next thereafter falling due under this lease, together with interest thereon,
subject to any applicable limitation imposed by State statute at the rate of two
~~percent (2%) in excess of the prime rate charged by the principal bank in Chicago,~~

~~Illinois, to its commercial borrowers as determined on the first (1st) date of a~~
~~payment from the respective dates of any such payments~~

4.08 Right Of Lessee To Recover Proceeds.

~~It is covenanted and agreed by and between the parties hereto that the Lessee~~
shall not be held responsible for the collection or non-collection of any of said
insurance money in any event but only for such insurance money as shall come into
its hands. The Lessee, however, shall have the right in the name of the Lessor to
sue for and recover any and all sums payable under any of said policies for losses
arising thereunder provided it shall indemnify and save harmless the Lessor from
any costs or attorney's fees in connection with any such proceeding to recover such
insurance money. However, all sums so recovered shall be paid to the Lessor to be
~~applied as herein provided.~~

4.09 Application Of Insurance Proceeds.

~~It is covenanted and agreed by and between the parties hereto that in case of~~
damage to the buildings and improvements to be erected, constructed or placed on
the Demised Premises, as aforesaid, or the destruction thereof (or loss or damage
to any buildings or other improvements thereafter standing upon the Demised
Premises) the Lessee shall repair, restore or rebuild the same within one (1) year
from such destruction or damage, and in such case the insurance money received
by the Lessor pursuant to the terms of this lease under said policies, after deducting
therefrom the reasonable charges of the Lessor for handling such insurance and all
costs and expenses of collecting the same, including attorney's fees, and all unpaid
and overdue rental payments shall be paid in whole or in part by the Lessor to the
contractor or contractors (employed by the Lessee) upon the delivery to the Chief
Engineer of the Lessor of certificates of the architects of the Lessee properly
endorsed by the Lessee and accompanied by waivers of lien and release for the cost
and expense of repairing, restoring or rebuilding said buildings or other
~~improvements as the work of repairing, restoring or rebuilding progresses.~~

4.10 Insurance Proceeds Deficiency.

~~It is understood and agreed between the parties hereto that in case the insurance~~
money collected by the Lessor shall not be sufficient to fully pay for the repair,
restoration or rebuilding of said buildings and other improvements as aforesaid,
then the Lessee shall be required to pay such sums of money, in addition to said
insurance money so collected by the Lessor as aforesaid as may be necessary to pay
~~for the repair, restoration or rebuilding of said buildings and other improvements;~~

~~it being understood, however, that the Lessor shall not be required to pay such insurance money so collected until the Chief Engineer of the Lessor is satisfied that such sum will complete the repair, restoration and rebuilding of said buildings and other improvements, free of mechanics' liens for labor or material, in which event such monies shall be paid by the Lessor to the contractor or contractors employed by the Lessee to complete the repair, restoration or rebuilding of said buildings and other improvements, upon delivery to the Chief Engineer of the Lessor of certificates of the architects of the Lessee properly endorsed by the Lessee accompanied by waiver of lien and release as the work of repairing, restoring or rebuilding of said buildings and other improvements shall progress. It is expressly understood that nothing herein shall prevent the Lessee from replacing any building or structure destroyed or damaged with other buildings or structures of different design and construction of at least equal value on any part of the Demised Premises.~~

4.11 Lessor Not Responsible For Restoration Of Improvements.

~~It is covenanted and agreed that the Lessor shall not be liable to contribute or pay any sum of money toward the restoration, repair or rebuilding of said buildings or other improvements. In the event of the termination of this lease by lapse of time, or by reason of any default by the Lessee in any of its payments, or a breach by the Lessee of any of the covenants and agreements of this lease before the repair, restoration, replacement or rebuilding of said buildings or other improvements shall be completed, as aforesaid, then in any of said cases the insurance money collected by the Lessor shall belong absolutely to the Lessor.~~

4.12 Excess Insurance Proceeds.

~~It is understood and agreed that after the work of any such repairs, restoration or rebuilding by the Lessee shall have been completed and paid for, any excess of insurance money then remaining on deposit with the Lessor shall belong to the Lessee and in that event, the Lessor shall pay to the Lessee the balance of said insurance money upon its written request. The provisions of this paragraph as well as those of paragraphs numbered 4.04 to 4.09, inclusive, shall apply whenever and so often as any buildings or other improvements erected and completed on the Demised Premises, under any of the provisions of this lease, shall have been damaged or destroyed by fire or windstorm.~~

Article Five.

5.01 General Engineering Reservations And Requirements.

A. The Lessor has heretofore executed various agreements with governmental agencies, public utility companies, private corporations and individuals for the installation of pipelines, duct lines, sewers, cables, electric transmission lines and other surface and subsurface structures, constructions and improvements. Pursuant to those agreements, the various grantees have installed and are operating their respective surface and underground plant facilities, which may lie within or otherwise affect the Demised Premises. Lessee shall, at its own initiative, inquire and satisfy itself as to the presence or absence of all such facilities on the Demised Premises, and waives all claims which it might otherwise have against Lessor on account of the presence of such facilities on the Demised Premises as same may affect Lessee's use and enjoyment of the Demised Premises.

B. The Lessee expressly agrees that within an area delineated by a line parallel with and two hundred fifty (250) feet distant from the top of the edge of the water of any waterway which traverses or is adjacent to the Demised Premises (Corporate Use Reserve Area) and all areas within the Demised Premises below the lowest elevation of development thereon as reflected in the Lessee's approved development plans for the Demised Premises, the Lessor and anyone acting under its authority shall have the right, without payment therefor, to construct, operate, maintain, repair, renew and relocate any and all pipe, sewer, structure, facility power and communications lines and appurtenances upon, under and across the Demised Premises. All such work shall be performed in such a manner so as to cause the least amount of interference with Lessee's use of the Demised Premises.

C. Lessee expressly understands and agrees that the Lessor may have installed various sewers, shafts, ducts, pipes and other facilities upon, over or beneath the Demised Premises. Lessor shall cooperate with Lessee to ascertain, identify and locate all of Lessors improvements, structures and constructions on the Demised Premises. Lessee covenants and agrees that at no time shall its use and occupancy of the Demised Premises damage or interfere with said facilities.

D. The Lessor reserves unto itself a perpetual right, privilege and authority to construct, maintain, operate, repair and reconstruct intercepting sewers (with its connecting sewers and appurtenances), and any other drains or structures constructed or operated in the furtherance of Lessor's corporate purpose upon, under and through Corporate Use Reserve Area and below the lowest elevation of Lessee's approved development plan for the Demised Premises. The Lessor shall also have the right, privilege and authority to enter upon and use such portions of said Demised Premises as may be necessary in the opinion of the Chief Engineer of

the Lessor, for the purpose of constructing, maintaining, operating, repairing and reconstructing intercepting sewers, connecting sewers, drains or other structures, appurtenances, parking areas and access drive which do not unreasonably interfere with Lessee's use of the Demised Premises.

It is further expressly understood and agreed by the Lessee that no buildings, materials or structures shall be placed or erected and no work of any character done on said Demised Premises so as to injure or damage in any way said intercepting sewer, connecting sewers, drains or other structures and appurtenances located at any time on the Demised Premises, or so as to interfere with the maintenance, operation or reasonable access thereto.

E. It is expressly understood and agreed that the Lessor shall not be liable to the Lessee for any loss, cost or expense which the Lessee shall sustain by reason of any damage at any time to its property caused by or growing out of the failure of the sewers, structures, or other equipment of the Lessor located on the Demised Premises, or by any other work which the Lessor may perform on the Demised Premises under the terms hereof, or adjacent to the Demised Premises.

F. The Lessee shall relocate or remove the improvements existing or constructed upon the Demised Premises, at no cost to the District in the following instances:

- (1) in the event that the Demised Premises are adjacent to any channel or waterway, and said channel or waterway is to be widened by the District or any other governmental agency; or
- (2) in the event that any agency of government, having jurisdiction over said channel or waterway, requires the relocation or removal of said improvements; or
- (3) in the event that said relocation or removal is required for the corporate purposes of the District.

Such relocation or removal shall be commenced within ninety (90) days after notice thereof in writing is served upon the Lessee and diligently prosecuted to the conclusion.

G. If any time in the future, any portions of the Demised Premises are required for the construction of highways and roadways, or adjuncts thereto, such as interchanges, ramps and access roads, as determined by the Chief Engineer of the Lessor, for the use of any other governmental agency engaged in the construction of highways and roadways, or adjuncts thereto, then in such event, it is understood and agreed by the parties hereto, that the Lessee shall surrender possession of such

part of the Demised Premises that may be so required. Lessee also agrees, at its own cost and expense, to remove all of its equipment, structures or other works from those portions of the Demised Premises so required, or reconstruct or relocate such of its installations so as to permit the use of the Demised Premises for the construction of highways and roadways or adjuncts thereto within sixty (60) days after notice shall have been given to the Lessee by said Chief Engineer.

H. The Lessor reserves to itself or to its assignees or permittees at any time during the term of this Lease, upon thirty (30) days written notice given by the Lessor to the Lessee, the right to construct, reconstruct, maintain and operate additional force mains, intercepting sewers, drains, outlets, pipe lines, pole lines and appurtenances thereto; and such other structures, buildings, apparatus and water control equipment as may be needed for the corporate purposes of the Lessor upon, under, and across the Demised Premises. Any such construction shall be located as determined by the Chief Engineer of the Lessor so as to cause, in his opinion, the least interference with any equipment, or improvements, that the Lessee may then have on the Demised Premises.

I. The Lessee agrees that if at any future date it desires to dispose of sewage, industrial wastes or other water-carried wastes from the Demised Premises, it will discharge the said sewage, industrial wastes or other water-carried wastes into an intercepting sewer owned by or tributary to the sewerage system of the Lessor. Lessee will make application and secure the necessary permit from the Metropolitan Water Reclamation District of Greater Chicago and all governmental and regulatory agencies having jurisdiction thereof before discharging any of the aforesaid sewage, industrial waste or other water-carried wastes into any intercepting sewers.

J. The Lessee also agrees to collect separately all roof water, surface runoff from grounds and roadways, and drainage water and to discharge the same directly into the Chicago Sanitary and Ship Channel all to be done in a manner acceptable to said Chief Engineer of the Lessor.

K. It is agreed by and between the parties hereto that the Lessee shall submit to the Chief Engineer of the Lessor for his approval, the general plans for handling the sewerage, grading and drainage of the Demised Premises; and for any roadways, water supply, telephone and electric service, if any, and of all improvements or any other construction to be erected thereon, before the commencement of any work thereon.

L. The Lessor reserves to itself the right of access to the Chicago Sanitary and Ship Channel as well as right of access to the Demised Premises for inspection by the Lessor and its duly accredited agents at all times, and for such surveys or any other purposes as the Chief Engineer of the Lessor may deem necessary.

5.02 Specific Engineering, Design And Operating Reservations And Restrictions (Clarification -- Not Limitation).

An access manhole is located on the Demised Premises as shown on (Sub)Exhibit B attached hereto. The Lessee must protect the (access manhole) structure and provide access to the Lessor for maintenance at all times.

Article Six.

Provisions For Building And Improvements.

6.01 Construction Requirement.

~~The Lessee agrees within _____ (____) year(s) from the date hereof to improve the Demised Premises by the construction thereon of the hereinafter called "improvements", free and clear of all mechanics' and materialman's liens, claims, charges or unpaid bills capable of being made liens and to design, construct, operate and maintain in full compliance with all applicable building and zoning laws of any agency having jurisdiction thereof.~~

6.02 Time Of Construction.

~~Construction of the improvements shall commence within five (5) years of the effective date of this lease. All of said buildings and improvements shall be completed within _____ (____) year(s) of the effective date of the lease. In the event said improvements are not completed or construction is not commenced as provided above, then the Lessor may at its option terminate this lease upon giving ninety (90) days notice, in writing, to the Lessee.~~

6.03 Improvements Revert To Lessor At Lease Termination Or Expiration.

It is expressly understood and agreed by and between the parties hereto that upon the termination of this lease by forfeiture, lapse of time or by reason of the failure by the Lessee to keep and perform the covenants, agreements or conditions herein contained, any buildings or other improvements erected, constructed or placed upon the Demised Premises during the term hereof shall become and be the absolute property of the Lessor and no compensation therefor shall be allowed or paid to the Lessee except as stated in Article 3.09. Lessee shall surrender same in good and proper condition, with all fixtures and appurtenances in place and in good working

order, ordinary wear and tear excepted. Lessee shall not commit waste during the term hereof or in the course of vacating same.

Article Seven.

7.01 Notices.

All notices herein provided for from the Lessor to the Lessee or Lessee to Lessor shall be personally served or mailed by United States registered or certified mail, return receipt requested, first class postage prepaid addressed to the Lessee at:

Commissioner
Department of Streets and
Sanitation
City of Chicago
121 North LaSalle Street, Room 700
Chicago, Illinois 60602

Asset Manager
Department of General
Services
30 North LaSalle Street,
Room 3700
Chicago, Illinois 60602

or to Lessor at:

Metropolitan Water Reclamation
District of Greater Chicago
100 East Erie Street
Chicago, Illinois 60611
Attention: General Superintendent

or any other address either party may designate in writing. Any notice so mailed by one (1) party hereto to the other shall be and is hereby declared to be sufficient notice for all the purposes of this lease and that a post office registry receipt showing the mailing of such notice and the date of such mailing shall be accepted in any court of record as competent prima facie evidence of those facts.

7.02 Right To Declare Lease Terminated.

It is understood and agreed by the Lessee that neither the right given in this lease to the Lessor to collect rent or such other compensation as may be due under the terms of this lease by sale nor any proceedings under this lease shall in any way affect the right of the Lessor to declare this lease terminated and the term hereby created ended as above provided, upon default of or failure by the Lessee to perform

and carry out any of the provisions of this lease, as herein provided, after notices as aforesaid. And the Lessee, for itself and its assigns, hereby waives its right to any notice from the Lessor of its election to declare this lease at an end under any of the provisions hereof or to any demand for the payment of rent or the possession of the Demised Premises, except as aforesaid.

7.03 Rights Of Lessor In Event Of Forfeiture Or Termination.

In the event of the termination of this lease by reason of forfeiture by the Lessee arising from a default by or failure of it to carry out and perform any of the covenants herein contained, the Lessor shall not be obligated to refund to the Lessee any sums of money paid by the Lessee to the Lessor as rentals under the terms of this Lease, and such sums of money shall be retained by the Lessor as liquidated damages, but this provision shall not operate to relieve the Lessee of its obligation to pay to the Lessor the balance of the rental then due the Lessor for the entire term of this lease.

7.04 Abandonment.

Lessee shall not without the prior written approval of Lessor abandon or vacate the Demised Premises or cease to operate its business thereon. Re-entry and repossession by Lessor following abandonment by Lessee shall not constitute a waiver of any rights of the Lessor and shall not be construed as a termination of the lease. Lessee shall remain liable for all its obligations under the lease. For purposes of this section, leasehold shall be deemed abandoned if Lessee ceases business on the Demised Premises for a period of twenty-eight (28) consecutive days or fails to secure the Demised Premises from unauthorized use or entry within sixty (60) days of its execution and delivery of this lease.

7.05 Terms Of Lease Binding On Successor And Assigns.

The parties hereto agree that all of the terms and conditions of this lease shall be binding upon and inure to the benefit of the parties hereto and their respective successors, lessees, sub-lessees and assigns; and whenever in this lease reference to either of the parties hereto is made, such reference shall be deemed to include, where applicable, also a reference to the successors, lessees, sub-lessees and assigns of such party; and all the conditions and covenants of this lease shall be construed as covenants running with the land during the term of this lease.

7.06 No Assignment Or Sublease.

It is agreed by and between the parties that the Lessee shall not sublet or assign any part of this lease to any other governmental agency, individual, partnership, joint venture, corporation, land trust or other entity without prior written consent of the Lessor.

Lessee shall notify Lessor in writing not less than sixty (60) days prior to any proposed sublease or assignment. Lessee shall identify the name and address of the proposed assignee/sublessee and deliver to Lessor original or certified copies of the proposed assignment, a recital of assignee's personal and financial ability to comply with all the terms and conditions of the lease and any other information or documentation requested by Lessor. Lessor shall not unreasonably withhold the consent to assignment or sublease.

It is agreed that reasonable grounds for withholding consent shall include but not be limited to the following:

- A. The proposed activity of the assignee/sublessee does not conform with the terms of this lease or policies established by the Lessor.
- B. The proposed assignee/sublessee does not have either substantial experience in the business provided for in the lease or the financial resources to comply with the requirements of the lease.
- C. There is an existing violation of or uncured default by Lessee with respect to the lease.
- D. The activity of the proposed assignee/sublessee would interfere with or disturb neighboring tenants or owners.

In addition to the payment of all cash rent or additional compensation otherwise herein required to be paid by or performed by the Lessee, Lessee will pay to the Lessor, as additional compensation hereunder in the event Lessee assigns this lease or sublets all or part of the Demised Premises, fifty percent (50%) of all value it receives from its assignee/sublessee for the use and occupancy of the Demised Premises as a result of the sublease or assignment in excess of the cash rent which Lessee is currently paying with respect to the subleased portion of the leasehold or the leasehold as a tract, if assigned. In the event any portion of the Demised Premises is sublet prior to obtaining the Lessor's written consent, the Lessor shall be entitled to recover from the Lessee one hundred percent (100%) of any sublease fees or rental collected by or on account of the Lessee for said sublease.

The value of additional services to be performed by the Lessee, sublessee or assignee shall not in any way be included in determining the foregoing fifty percent (50%) sum.

It is agreed that this lease shall not pass by operation of law to any trustee or receiver in bankruptcy or for the assignment for the benefit of creditors of the Lessee.

Any attempted sublease or assignment not in compliance with this section shall be void and without force and effect. Furthermore, Lessor shall be entitled to and shall recover one hundred percent (100%) of any unauthorized sublease fees or rentals collected by or on account of Lessee's actions despite any provisions to the contrary.

7.07 Non-Governmental Commercial Development Of All Or Part Of The Demised Premises.

In the event Lessee shall determine that there exists a nongovernmental person, firm, partnership, corporation or other entity which desires to develop all or a portion of the Demised Premises for a commercial, non-permitted and non-governmental purpose of Lessee hereunder, Lessee shall not assign or sublet the lease, but shall develop a good and sufficient legal description and plat of the proposed commercial development area within the leasehold premises, and upon written notice thereof to the Lessor, offer to surrender such segment of the demised premises to the Lessor. Upon acceptance of surrender of that segment of the demised premises, the Lessee's rent hereunder shall be abated proportionately and Lessor may thereafter offer such segment as available for commercial leasing in accordance with the commercial leasing provisions of the Lessors leasing statute and all applicable enactment's, practices and policies of Lessors Board of Commissioners relative thereto.

Article Eight.

Miscellaneous Provisions.

8.01 Lessee May Implead Lessor In Real Estate Litigation.

The Lessee may, after notice in writing to the Lessor, implead the Lessor as a party at any time during the term of this lease, in any litigation concerning the Demised Premises in which Lessor is a necessary party.

8.02 Lessee To Pay All Costs Of Enforcement.

The Lessee agrees to pay and discharge all costs and reasonable attorney's fees and expenses, which the Lessor shall incur in enforcing the covenants of this lease.

8.03 Headings Are For Convenience Of Parties.

All paragraph headings of this lease are inserted for purposes of reference and convenience of the parties only, and do not constitute operative provisions of the lease.

8.04 Compliance With Waterway Strategy Resolution.

To the extent that the Demised Premises embrace or abut a waterway regulated by Lessor or in which Lessor asserts property rights, Lessee shall to the extent applicable, comply with the Waterway Strategy Resolution and Implementation Criteria therefor, the River Edge Renaissance Program and the Revised Leasing Criteria for the North Shore Channel Right-of-Way lands of the Lessors Board of Commissioners in the execution of its development plan for the Demised Premises which abut any such waterway and Demised Premises which afford Lessee direct access thereto may be utilized by the Lessee for the purpose of waterborne commerce. However, the Lessee will be responsible for the construction and maintenance of any docking facility at its own cost and expense which is compatible with the Waterway Strategy Resolution to maintain the bank in an aesthetically pleasing condition. Permanent storage of bulk commodities, unsightly materials and/or debris on waterway side of the scenic berm or the docking area is prohibited.

It is the intent of the Lessor to maintain, where possible, a "natural" appearance to its properties by retaining existing vegetative cover. However, the Lessor recognizes that site development will sometimes necessitate the removal of existing vegetative cover. In those cases the Lessor will require the Lessee to re-establish vegetative cover in the same quantities and qualities as those removed. The re-established plant materials are to be considered as an addition to the landscaping required within the scenic easement.

Lessee will comply with all applicable local zoning and setback requirements. The Lessor reserves the right to traverse the Demised Premises to access the waterway, which abuts the Demised Premises.

The Lessors Board of Commissioners has heretofore adopted its Waterway Strategy Resolution relating to the development of leased waterways property. The Lessee shall implement the beautification plan described in the attached Exhibit C. Lessee shall comply with all applications of said Resolution in its use and development of the Demised Premises. Lessee's method of compliance therewith shall be approved by Lessor's Chief Engineer in writing.

8.05 Public Service Promotional Signage.

~~Lessee shall, during the term of this lease, at its sole cost and expense, construct, erect and maintain, at one (1) or more prominent locations on the leasehold premises, tastefully designed and constructed permanent signs which acknowledge the cooperation and support of the Lessor in connection with Lessee's use of the leasehold premises. The style, text and size of the sign(s) shall be approved in advance of erection thereof by the Chief of Maintenance and Operations of Lessor, and shall, at a minimum, state that:~~

~~"This Facility Is Provided In Part As A Community Service With the Cooperation And Support Of The Metropolitan Water Reclamation District Of Greater Chicago".~~

Article Nine.

Demised Premises With Existing Improvements.

9.01 Lessee Will Not Allow Waste To Improvements.

The Lessee will keep the leasehold improvements safe, clean and in good order, repair and condition which shall include all necessary replacement, repair and decorating. Lessee will not allow the improvements to become damaged or diminished in value, ordinary wear and tear excepted, by anyone or by any cause.

9.02 Condition Of Demised Premises And Improvements Not Warranted.

Lessee expressly acknowledges that the Lessor has made no representations, warranties express or implied, as to the adequacy, fitness or condition of Demised Premises or the improvements upon the Demised Premises for the purpose set forth in Article Three, Paragraph 3.07 hereof or for any other purpose or use express or implied by the Lessee. Lessee accepts the Demised Premises and the improvements thereon, if any, "as is" and "with all faults". Lessee acknowledges that it has

inspected the Demised Premises and has satisfied itself as to the adequacy, fitness and condition thereof.

9.03 Modification Of Improvements.

No modification of the leasehold improvements shall be made by Lessee without the prior written approval of the Lessor and compliance by Lessee with all other terms of this Agreement.

9.04 Notice.

It is further agreed that the notice as provided in Article One, paragraph 1.02 hereof shall not be given by the Lessor except pursuant to an order of the Board of Commissioners of said Lessor.

9.05 Plat Of Survey And Legal Description.

Lessee understands and agrees that in the event the legal description and plat attached hereto are not legally sufficient for acceptance for recordation of this lease by the Recorder of Deeds of the county in which the Demised Premises are located, Lessee shall procure, at its own expense, a plat of survey and legal description of the Demised Premises prepared and certified in writing by a Registered Illinois Land Surveyor, within twenty-one (21) days of the execution date hereof. Said plat of survey and legal description shall be reasonably satisfactory to and approved by the Lessor's Chief Engineer in writing. Failure to timely procure and receive approval of said plat of survey and legal description shall be grounds for immediate termination of this lease. The Lessor reserves the right and Lessee concurs that Lessor shall insert said legal description and plat of survey into this Lease Agreement as (Sub)Exhibits A and B, respectively, upon the approval thereof by District's Chief Engineer, without further affirmative act by either party hereto.

Article Ten.

General Environmental Provisions.

10.01 Definitions.

A. "Environmental Laws" shall mean all present and future statutes, regulations,

rules, ordinances, codes, licenses, permits, orders, approvals, plans, authorizations and similar items, of all government agencies, departments, commissions, boards, bureaus, or instrumentalities of the United States, state and political subdivisions thereof and all applicable judicial, administrative, and regulatory decrees, judgments, orders, notices or demands relating to industrial hygiene, and the protection of human health or safety from exposure to Hazardous Materials, or the protection of the environment in any respect, including without limitation:

- (1) all requirements, including, without limitation, those pertaining to notification, warning, reporting, licensing, permitting, investigation, and remediation of the presence, creation, manufacture, processing, use, management, distribution, transportation, treatment, storage, disposal, handling, or release of Hazardous Materials;
- (2) all requirements pertaining to the protection of employees or the public from exposure to Hazardous Materials or injuries or harm associated therewith; and
- (3) the Comprehensive Environmental Response, Compensation and Liability Act (Superfund or CERCLA) (42 U.S.C. Sec. 9601, et seq.), the Resource Conservation and Recovery Act (Solid Waste Disposal Act or RCRA)(42 U.S.C. Sec. 6901, et seq.), Clean Air Act (42 U.S.C. Sec. 7401, et seq.), the Federal Water Pollution Control Act (Clean Water Act) 33 U.S.C. Sec. 1251, et seq.), the Emergency Planning and Community Right-to-Know Act (42 U.S.C. Sec. 11001, et seq.), the Toxic Substances Control Act (15 U.S.C. Sec. 2601, et seq.), the National Environmental Policy Act (42 U.S.C. Sec. 4321, et seq.), the Rivers and Harbors Act of 1988 (33 U.S.C. Sec. 401, et seq.), the Endangered Species Act of 1973 (16 U.S.C. Sec. 1531, et seq.), the Safe Drinking Water Act (42 U.S.C. Sec. 300(f), et seq.), the Illinois Environmental Protection Act (415 ILCS 5/1, et seq.) and all rules, regulations and guidance documents promulgated or published thereunder, Occupational Safety and Health Act (29 U.S.C. Sec. 651, et seq.) and all similar state, local and municipal laws relating to public health, safety or the environment.

B. "Hazardous Materials" shall mean:

- (1) any and all asbestos, natural gas, synthetic gas, liquefied natural gas, gasoline, diesel fuel, petroleum, petroleum products, petroleum hydrocarbons, petroleum by-products, petroleum derivatives, crude oil and any fraction of it, polychlorinated biphenyls (P.C.B.s), trichloroethylene, ureaformaldehyde and radon gas;

- (2) any substance (whether solid, liquid or gaseous in nature), the presence of which (without regard to action level, concentration or quantity threshold) requires investigation or remediation under any federal, state or local statute, regulation, ordinance, order, action, policy or common law;
- (3) any substance (whether solid, liquid or gaseous in nature) which is toxic, explosive, corrosive, flammable, infectious, radioactive, carcinogenic, mutagenic, or otherwise hazardous or dangerous;
- (4) any substance (whether solid, liquid or gaseous in nature) the presence of which could cause or threaten to cause a nuisance upon the Demised Premises or to adjacent properties or pose or threaten to pose a hazardous threat to the health or safety of persons on or about such properties;
- (5) any substance (whether solid, liquid or gaseous in nature) the presence of which on adjacent properties could constitute trespass by or against Lessee or Lessor;
- (6) any materials, waste, chemicals and substances, whether solid, liquid or gaseous in nature, now or hereafter defined, listed, characterized or referred to in any Environmental Laws as "hazardous substances", "hazardous waste", "infectious waste", "medical waste", "extremely hazardous waste", "hazardous materials", "toxic chemicals", "toxic substances", "toxic waste", "toxic materials", "contaminants", "pollutants", "carcinogens", "reproductive toxicants", or any variant or similar designations;
- (7) any other substance (whether solid, liquid or gaseous in nature) which is now or hereafter regulated or controlled under any Environmental Laws (without regard to the action levels, concentrations or quantity thresholds specified herein); or
- (8) any result of the mixing or addition of any of the substances described in this Subsection B with or to other materials.

C. "Phase I Environmental Assessment" shall mean:

- (1) an assessment of the Demised Premises performed by an independent and duly qualified, licensed engineer or registered architect with experience and expertise in conducting environmental assessments of real estate, bedrock and groundwater of the type found on the Demised Premises, and said assessment shall include, but not necessarily be limited to a historical

review of the use (abuse) of the Demised Premises, a review of the utilization and maintenance of Hazardous Materials on the Demised Premises, review of the Demised Premises' permit and enforcement history (by review of regulatory agency records) a site reconnaissance and physical survey, inspection of Demised Premises, site interviews and site history evaluations, basic engineering analyses of the risks to human health and the environment of any areas of identified concerns, and preparation of a written report which discusses history, site land-use, apparent regulatory compliance or lack thereof and which includes historical summary, proximity to and location of U.S.T.s, L.U.S.T.s, T.S.D.F.s, C.E.R.C.L.A. site flood plain, maps, photograph log, references, conclusions and recommendations.

D. "Phase II Environmental Assessment" shall mean:

- (1) an assessment of the Demised Premises performed by an independent and duly qualified, licensed engineer with experience and expertise in conducting environmental assessments of real estate, bedrock and groundwater of the type found on the Demised Premises, and said assessment shall include, but not necessarily be limited to, extensive sampling of soils, ground-waters and structures, followed by laboratory analysis of these samples and interpretation of the results, and preparation, of a written report with boring Logs, photograph logs, maps, investigative procedures, results, conclusions and recommendations.

10.02 Manufacture, Use, Storage, Transfer Or Distribution Of Hazardous Materials Upon Or Within The Demised Premises.

Lessee, for itself, its successors and assigns, covenants that to the extent that any Hazardous Materials are manufactured, brought upon, placed, stored, transferred or distributed upon or within the Demised Premises by Lessee, or its subtenant or assigns, or any of their agents, servants, employees, contractors or subcontractors, same shall be done in strict compliance with all Environmental Laws.

Construction or installation of new or reconstruction of existing underground storage tanks and underground interconnecting conveyance facilities for any material or substance is not permitted without the advance written consent of the Chief Engineer of the District.

10.03 Use Of Demised Premises (Restrictions -- Environmental).

Lessee shall use the Demised Premises only for purposes expressly authorized by

Article 3.07 of this lease. Lessee will not do or permit any act that may impair the value of the Demised Premises or any part thereof or that could materially increase the dangers, or pose an unreasonable risk of harm, to the health or safety of persons to third parties (on or off the Demised Premises) arising from activities thereon, or that could cause or threaten to cause a public or private nuisance on the Demised Premises or use the Demised Premises in any manner (i) which could cause the Demised Premises to become a hazardous waste treatment, storage, or disposal facility within the meaning of, or otherwise bring the Demised Premises within the ambit of, the Resource Conservation and Recovery Act of 1976, Section 6901, et seq. of Title 42 of the United States Code, or any similar state law or local ordinance, (ii) so as to cause a release or threat of release of Hazardous Materials from the Demised Premises within the meaning of, or otherwise bring the Demised Premises within the ambit of, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, Section 9601, et seq., of Title 42 of the United States Code, or any similar state law or local ordinance or any other Environmental Law or (iii) so as to cause a discharge of pollutants or effluents into any water source or system, or the discharge into the air of any emissions, which would require a permit under the Federal Water Pollution Control Act, Section 1251 of Title 33 of the United States Code, or the Clean Air Act, Section 741 of Title 42 of the United States Code, or any similar state law or local ordinance.

10.04 Condition Of Demised Premises (Environmental).

A. In the event Lessee has been the prior occupant/tenant of the Demised Premises under a prior occupancy/use authorization, Lessee warrants and represents that to the best of Lessee's actual knowledge, during the period of such prior occupancy/use the Demised Premises and improvements thereon including all personal property, are free from contamination by any Hazardous Materials, that there has not been thereon a release, discharge, or emission of any Hazardous Materials during its occupancy of the Demised Premises as defined by any Environmental Laws, and that the Demised Premises does not contain, or is not affected by underground storage tanks, landfills, land disposal sites, or dumps. *(This provision is applicable only to tenants seeking a new lease for the same property.)

B. In the event of a release, emission, discharge or disposal of Hazardous Materials in, on, under or about the Demised Premises or the improvements thereon during the term of this lease except such release, emission, discharge or disposal by Lessor, its employees, or agents, Lessee will take all appropriate response action, including any removal and remedial action, either before or after the execution date of this lease.

10.05 Indemnification (Environmental).

A. In consideration of the execution and delivery of this Lease Agreement, the Lessee indemnifies, exonerates and holds the Lessor and its officers, officials, Commissioners, employees and agents ("Indemnified Parties") free and harmless from and against any and all actions, causes of action, suits, losses, costs, liabilities and damages and expenses incurred in connection with any of these (irrespective of whether any such Indemnified Party is a party to the action for which indemnification is here sought), including reasonable attorney's fees, costs and disbursements, incurred by the Indemnified Parties as a result of or arising out of or relating to (i) the imposition of any governmental lien for the recovery of environmental cleanup costs expended by reason of Lessee's activities, or (ii) any investigation, litigation or proceeding related to any environmental response, audit, compliance or other matter relating to the protection of the environment, or (iii) the release or threatened release by Lessee, its subsidiaries or its parent company, of any Hazardous Materials or the presence of Hazardous Materials on or under the Demised Premises, or any property to which the Lessee, its parent company or any of its subsidiaries has sent Hazardous Materials, (including any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Law), regardless of whether caused by or within the control of the Lessee, its parent company or its subsidiaries, provided that, to the extent Lessor is strictly liable under any Environmental Laws, Lessee's obligation to Lessor under this indemnity shall be without regard to fault on the part of the Lessee with respect to the violation of Law which results in liability to Lessor.

B. Lessee shall defend, indemnify, save and keep harmless the Indemnified Parties against any loss, damage, cost, lien or expense which they may suffer, incur or sustain or for which it may become liable, growing out of any injury to or death of persons or loss or damage to property which shall at any time during the term of this lease be caused by or resulting from the migration of Hazardous Materials from the Demised Premises to adjacent properties. In case any action, suit, proceeding or investigation shall be commenced against one (1) or more of the Indemnified Parties growing out of any such loss, damage, cost or expense, the Lessee shall give immediate written notice of the same to the Lessor, and Lessee shall attend to the defense of the same and save and keep harmless the Indemnified Parties from all expense, attorney's fees, costs, disbursements and liabilities in any manner growing out of, pertaining to or connected therewith.

C. Lessee shall be responsible for all costs for remediation of the Demised Property for contamination that migrates from adjacent property during the term of the Lease but Lessor may seek recovery from any responsible third party.

10.06 Demised Premises Restoration/Remediation Bond (Environmental).

On or before the commencement of the last three (3) year period of the leasehold term hereunder, Lessee shall submit a letter of intent to renew and within eighteen (18) months prior to expiration, execute the lease. If a lease is not executed prior to eighteen (18) months prior to expiration, Lessee shall lodge with the Lessor its Environmental Demised Premises Restoration/Remediation Bond in the penal sum of Ten Thousand and no/100 Dollars (\$10,000.00), secured either by cash, irrevocable letter of credit or a commercial bond with surety to secure Lessee's performance of and compliance with the provisions and intent of Article 10 of this lease. A cash payment securing the bond hereunder will be placed in an interest bearing account established by the Lessor specifically for this purpose. Any interest paid on account of said deposit shall be the property of and payable periodically to the Lessee. Such account shall be drawable only by Lessor upon its unilateral act. At no time shall the amount on deposit in said account be less than the penal sum of this Bond. Any commercial bond with surety shall be fully prepaid by the Lessee and documented as such at the time it is lodged with the Lessor. Said Bond shall be in a form approved by the Lessor and shall be maintained in full force and effect until such time as Lessee has demonstrated and documented to the reasonable satisfaction of Lessor (and Lessor has executed its written release thereof to the issuer), full compliance with all Environmental Laws, relating to Lessee's use or occupancy of the Demised Premises and its environmental restoration or remediation. This provision shall survive the termination/expiration of this Lease.

10.07 Environmental Covenants.

Lessee agrees to and covenants as follows:

A. It has no knowledge of any pending or threatened:

- (1) claims, complaints, notices or requests for information directed to Lessee with respect to any alleged violation of any Environmental Laws, or
- (2) complaints, notices or requests for information directed to Lessee regarding potential liability under any Environmental Law, relating to or arising from the Demised Premises.

B. Lessee covenants and agrees that, throughout the term of the lease, all Hazardous Materials which may be used by any person for any purpose upon the Demised Premises shall be used or stored thereon only in a safe, approved manner, in accordance with all generally accepted industrial standards and all Environmental Laws.

C. Lessee has been issued and is in compliance with all permits, certificates, approvals, licenses and other authorizations relating to environmental matters and necessary for its business, if any.

D. Lessee, to the best of its knowledge, is not a potentially responsible party with respect to any other facility receiving waste of the Lessee (whether or not from the Demised Premises) under C.E.R.C.L.A. or under any statute providing for financial responsibility of private parties for cleanup or other actions with respect to the release or threatened release of any Hazardous Materials.

E. None of the manufacturing or distribution facilities of Lessee is subject to any environmental lien. "Environmental Lien" means a lien in favor of any government entity for any liability under any law relating to the environment or costs incurred by such government entity in response to the release or threatened release of any substance into the environment.

F. Lessee will take all reasonable steps to prevent and has no knowledge of any conditions on the Demised Premises that is or was alleged by any government entity or third party to be in violation of any Environmental Laws. Lessee will take all reasonable steps to assure that there will be no spill, discharge, leaks, emission, injection, escape, dumping or release of any toxic or Hazardous Materials by any persons on the Demised Premises during the term of this lease.

G. Except as disclosed on Attachment D hereto, Lessee has not received from any government entity since 1980, any written complaint or written notice asserting potential liability, written request for information, or written request to investigate any site under the C.E.R.C.L.A. of 1980, as amended, or under any domestic state law comparable to C.E.R.C.L.A. or any foreign law comparable to C.E.R.C.L.A.

H. Lessee, to the best of its knowledge after due inquiry, since November 15, 1971, represents that there has not been any discharging, spilling, leaking, dumping or burying of hazardous substances, as defined in C.E.R.C.L.A., or disposal of hazardous wastes, as defined in R.C.R.A., or of any other pollutant or contaminant at the Demised Premises that is likely to form the basis for any written claim by any government entity seeking to impose liability for remedial action under C.E.R.C.L.A. or R.C.R.A.. *(This provision applicable only to occupants/tenants seeking a new lease for the same property).

I. During the term of this Lease, Lessee will not allow the installation of asbestos on the Demised Premises, or any item, article, container or electrical equipment, including but not limited to transformers, capacitors, circuit breakers, reclosers, voltage regulators, switches, electro-magnets and cable, containing P.C.B.s.

J. Within sixty (60) days after execution of the lease, the Lessee shall prepare and submit a general statement to Lessor of its operations and maintenance program for any activities conducted on Demised Premises, describing its layout, process, method of inspections, reporting procedure, and maintenance of equipment, which shall be updated annually and submitted to Lessor on the anniversary date of the execution of the lease.

K. Lessee agrees to conduct daily monitoring and to maintain a daily log book to ensure compliance with all Environmental laws which may be inspected by Lessor at its option.

L. The Lessee shall notify Lessor in writing of any proposed significant renovation or improvement on or to the Demised Premises, which notice shall include any drawings, plans and specifications thereof, at least thirty (30) days prior to beginning construction of any such renovation or improvement. For purposes of this Subsection (1), renovation shall be deemed significant when the total cost exceeds Ten Thousand and no/100 Dollars (\$10,000.00).

M. The aforesaid representations and warranties shall survive the expiration or termination of the Lease.

10.08 Default (Environmental).

The occurrence of any one (1) or more of the following events shall constitute default under this lease agreement, but said default shall not terminate the lease unless Lessor notifies Lessee of termination in writing:

A. The Demised Premises are listed or proposed for listing on the National Priorities List pursuant to Section 1.05 of the C.E.R.C.L.A., 42 U.S.C. Section 9605, on the C.E.R.C.L.I.S., or on any other similar state list of sites or facilities requiring environmental investigation or cleanup.

B. Lessee is determined to have liability for underground storage tanks, active or abandoned, including petroleum storage tanks, on or under the Demised Premises, including any release of Hazardous Materials therefrom, that, singly or in the aggregate, have or may reasonably be expected to have a material adverse effect on the financial condition, operations, assets or business, properties or prospects of Lessee.

C. Lessee is determined to have liability for polychlorinated biphenyls (PCBs) that require immediate remediation or cleanup or friable asbestos in such condition to cause or threaten to cause, a present health hazard at any property previously leased by Lessee that, singly or in the aggregate, has or may reasonably

be expected to have a material adverse effect on the financial condition, operations, assets, business, properties or prospects of Lessee.

D. Lessee is determined to have liability under any Environmental Laws for any condition that exists at, on or under any property previously leased by Lessee that, with the passage of time or the giving of notice, or both, gives rise to liability that, singly or in the aggregate, has or may reasonably be expected to have a material adverse effect on the financial condition, operations, assets or business properties or prospects of Lessee.

10.09 Additional Environmental Covenants.

Lessee shall cause each of its contractors, subcontractors, employees and agents to:

A. (1) Use and operate all of the Demised Premises in compliance with all applicable Environmental Laws, keep all material permits, approvals, certificates, and licenses in effect and remain in material compliance with them;

(2) undertake reasonable and cost-effective measures to minimize any immediate environmental impact of any spill or leak of any Hazardous Materials caused by Lessee or any person permitted to use the Demised Premises by Lessee or any third party during the term of the lease except Lessor; and

(3) provide notice to the Lessor of the operation of any on-site non-hazardous waste disposal facility. For purposes of this subsection (A)(3), the term "waste" means any discarded or abandoned material, and the term "disposal facility" means any facility in which wastes are placed for disposal or storage, in each case, for longer than three (3) months.

B. Notify Lessor by telephone within two (2) hours of Lessee's actual knowledge the release of Hazardous Materials, including the extent to which the identity of the Hazardous Materials is known, the quantity thereof and the cause(s) of the release, and provide Lessor within seventy-two (72) hours of the event, with copies of all written notices by Lessee, its parent and its subsidiaries that are reported to government regulators or received from the government regulators.

C. Provide such information that Lessor may reasonably request from time to time to determine compliance by the Lessee with this article.

D. Lessee covenants and agrees to cooperate with Lessor in any inspection, assessment, monitoring or remediation instituted by Lessor during the Lease term and to allow prospective tenants or purchasers reasonable access to the Demised Premises one (1) year prior to the expiration of the Lease.

10.10 Compliance (Environmental).

The Lessee will cause its parent company and each of its subsidiaries, if any, to exercise due diligence to comply with all applicable treaties, laws, rules, regulations and orders of any government authority.

A. Lessee shall conduct a Phase I Environmental Assessment, at its own expense, with respect to the Demised Premises every fifth (5th) anniversary of the execution of this lease and submit the written report to the Lessor within ninety (90) days after each fifth (5th) anniversary. After review of each Phase I Environmental Assessment, or at any other time, upon receipt of any information or report Lessor, at its sole discretion, may require Lessee, at Lessee's expense, to obtain a Phase II Environmental Assessment with respect to the Demised Premises. The written report of the Phase II Environmental Assessment shall be submitted to Lessor within one hundred twenty (120) days of Lessors request for same. If the Phase II Assessment discloses the presence of any Hazardous Materials contamination on the Demised Premises or adjacent property caused or permitted by Lessee during the term of the lease, Lessee shall take immediate action to remediate the contamination and to restore the Demised Premises to a clean and sanitary condition and to the extent required by any and all environmental laws. Lessor may require Lessee to obtain a Phase I and Phase II Environmental Assessment with respect to the Demised Premises at any other time if it has reasonable suspicion of the presence of Hazardous Material on the Demised Premises resulting from Lessee's activities.

B. If buildings exist on the premises on the date of this lease or subsequent thereto, Lessee agrees to implement its own building maintenance and operations program for asbestos inspections on an annual basis and to report its findings to Lessor annually on the anniversary date of the lease.

C. Capacitors transformers or other environmentally sensitive installations or improvements shall be removed at the end of the lease at Lessors election.

D. In addition to the Environmental Assessments required in paragraph A of this article, Lessor shall have the right, but is not required to cause an independent environmental consultant, chosen by the Lessor at its sole discretion, to inspect, assess and test the Demised Premises for the existence of any and all environmental conditions and any and all violations of Environmental Laws (Environmental

Assessment). The scope, sequence and timing of the Environmental Assessment shall be at the sole discretion of Lessor.

E. If any Environmental Assessment reveals, or Lessor otherwise becomes aware of, the existence of any violation of any Environmental Laws that either Lessee is unwilling to remediate or that Lessor is unwilling to accept, Lessor shall have the right and option to terminate this Agreement and to declare it null and void.

F. Not less than one (1) year prior to the expiration of the lease, Lessee shall have caused to be prepared and submitted to the Lessor a written report of a site assessment in scope, form and substance, and prepared by an independent, competent and qualified professional and engineer, registered in the State of Illinois, satisfactory to the Lessor, and dated not more than eighteen (18) months prior to the expiration of the lease, showing that:

- (1) the Demised Premises and any improvements thereon do not materially deviate from any requirements of the Environmental Laws, including any licenses, permits or certificates required thereunder;
- (2) the Demised Premises property and any improvements thereon do not contain: (i) asbestos in any form; (ii) urea formaldehyde; (iii) items, articles, containers or equipment which contain fluid containing polychlorinated biphenyls (PCBs); or (iv) underground storage tanks which do not comply with Environmental Laws;
- (3) the engineer has identified, and then describes, any Hazardous Materials utilized or maintained on the Demised Premises, the exposure to which is prohibited, limited or regulated by any Environmental Laws;
- (4) if any Hazardous Materials were utilized and maintained on the Demised Premises, the engineer has conducted and submitted a Phase II Environmental Assessment of the Demised Premises, which documents that the Demised Premises and improvements are free of contamination by Hazardous Materials;
- (5) the engineer has identified and then describes, the subject matter of any past, existing or threatened investigation, inquiry or proceeding concerning environmental matters by any federal, state, county, regional or local authority (the "Authorities"), and described any submission by Lessee concerning said environmental matter which it intends to give, has been given or should be given with regard to the Demised Premises to the Authorities; and

- (6) the engineer includes copies of the submissions made pursuant to the requirements of Title III of the Superfund Amendments and Reauthorization Act of 1986 (S.A.R.A.) Section 11001, et seq. of Title 42 of the United States Code.

G. In the event Lessee should receive a Notice of Environmental Problem, Lessee shall promptly provide a copy to the Lessor, and in no event later than seventy-two (72) hours from Lessee's and any tenant's receipt or submission thereof. "Notice of Environmental Problem" shall mean any notice, letter, citation, order, warning, complaint, inquiry, claim or demand that: (i) the Lessee has violated, or is about to violate, any Environmental Laws; (ii) there has been a release, or there is a threat of release, of Hazardous Materials, on the Demised Premises, or any improvements thereon; (iii) the Lessee will be liable, in whole or in part, for the costs of cleaning up, remediating, removing or responding to a release of Hazardous Materials; or (iv) any part of the Demised Premises or any improvements thereon is subject to a lien in favor of any governmental entity for any liability, costs or damages, under any Environmental Laws, arising from or costs incurred by such government entity in response to a release of a Hazardous Material.

10.11 Inspection And Right Of Inspection (Environmental).

A. In the event Lessee receives a Notice of Environmental Problem as defined in Paragraph 10.01, Lessee shall, within ninety (90) days, submit to Lessor a written report in scope, form and substance, and prepared by an independent, competent and qualified, professional, registered engineer, reasonably satisfactory to the Lessor, showing that the engineer made all appropriate inquiry consistent with good commercial and customary practice and consistent with generally accepted engineering practice and procedure, indicating whether any evidence or indication came to light which would suggest there was a release of substances on the Demised Premises which could necessitate an environmental response action, and which describes the Demised Premises compliance with, or lack thereof, and with all applicable environmental statutes, laws, ordinances, rules and regulations, including licenses, permits or certificates required thereunder, and the Lessee's compliance with the representations and warranties previously set forth in this lease. After review of the written report, upon reasonable basis therefor Lessor may require Lessee to submit a written Phase II Environmental Assessment pursuant to provisions set forth in paragraph 10.10A.

B. Lessor hereby expressly reserves to itself, its agents, attorneys, employees, consultants and contractors, an irrevocable license and authorization to enter upon and inspect the Leased Premises and improvements thereon, and perform such tests, including without limitation, subsurface testing, soils and groundwater

testing, and other tests which may physically invade the Demised Premises or improvements thereon, as the Lessor, in its sole discretion, determines is necessary to protect its interests.

In Witness Whereof, The Metropolitan Water Reclamation District of Greater Chicago has caused this instrument to be executed in triplicate by the Chairman of the Committee on Finance of its Board of Commissioners and attested by its Clerk, and its corporate seal to be hereunto affixed; and the Lessee has caused this instrument to be executed in triplicate by its Mayor and attested by its Clerk and its corporate seal to be hereunto affixed all the day and year first above written.

On March 21, 1985, the Board of Commissioners of The Metropolitan Sanitary District of Greater Chicago adopted an Order establishing Generic Criteria for Implementation of the Waterway Strategy Resolution in connection with the leasing or long-term permit occupancy of Sanitary District waterways lands. A copy of that Order, transmittal letter, and Waterway Strategy Resolution are attached. Also attached is a copy of Commissioner Troy's Ordinance prohibiting storage of solid materials in proximity to a waterways bank where there is risk that the materials will fall into the water.

Henceforth, these Criteria must be addressed and specifically provided for in connection with each Sanitary District waterways land lease and permit. Prospective bidders or permittees must be advised as early as possible in our dealings that these Criteria will be imposed as conditions of the occupancy of Sanitary District land.

Waterway Strategy Resolution R84-005.

Whereas, The Metropolitan Sanitary District of Greater Chicago is entrusted with and dedicated to the preservation of clean water; and

Whereas, The Metropolitan Sanitary District of Greater Chicago recognizes that dramatic improvements in water quality will occur in the inland waterway system upon completion of the initial phases of the Tunnel and Reservoir Plan in 1985; and

Whereas, The Metropolitan Sanitary District of Greater Chicago is the owner of more than seven thousand (7,000) acres of property adjacent to the inland waterway system; now, therefore,

Be It Resolved, By the Board of Commissioners of The Metropolitan Sanitary District of Greater Chicago:

Section 1. That henceforth all Metropolitan Sanitary District waterway property leases will encourage public open space, recreation and water edge accessibility in harmony with appropriately scaled industrial, commercial and residential development thus motivating an extension of the benefits of Chicago's magnificent lakefront throughout the inland waterway system.

Section 2. This resolution shall be effective immediately upon its passage.

Commissioner Troy's Ordinance.
(To Implementation Of Waterway
Strategy Resolution)

Whereas, The Metropolitan Sanitary District of Greater Chicago is empowered to prevent pollution of waterways within its jurisdiction;

Whereas, The Metropolitan Sanitary District of Greater Chicago is charged with the duty to study, investigate and from time to time determine ways and means for removing from the waters within such Sanitary District so far as practicable, all pollution, and to determine methods of abating pollution that is detrimental to public health or to animals, fish, or aquatic life, or detrimental to the practicable use of the waters for the purposes of recreation, industry or agriculture;

Whereas, In recent years, the introduction of debris into waterways under the jurisdiction of The Metropolitan Sanitary District of Greater Chicago from privately-owned lands adjacent to such waterways, has been experienced with increasing frequency; now, therefore,

Be It Ordained, By the Board of Commissioners of The Metropolitan Sanitary District of Greater Chicago.

Article I.

Section 1. That all persons, whether legal or natural, who own land adjacent to waterways under the jurisdiction of The Metropolitan Sanitary District of Greater Chicago shall maintain his property in such a way as to prevent any debris, garbage, wastes or other wastes as defined in Ch. 42, Ill. Rev. Stat., Sec. 326bb (1), from entering waterways under the jurisdiction of The Metropolitan Metropolitan Sanitary District of Greater Chicago.

Section 2. Failure of landowners for property adjacent to waterways under the jurisdiction of The Metropolitan Sanitary District of Greater Chicago to use, operate, or maintain their property as set forth in Section 1 herein, shall be deemed a violation of this ordinance.

Section 3. When in the opinion of the General Superintendent of The Metropolitan Sanitary District of Greater Chicago, the landowner of property has acted contrary to the terms of this ordinance, the General Superintendent shall, by conference, conciliation or persuasion, endeavor to the fullest extent possible to eliminate or remedy such violation.

If those efforts have been unsuccessful, the General Superintendent may order any person who causes or allows actions contrary to this ordinance to show cause before the Board of Commissioners of the Sanitary District why such actions should not be discontinued. A notice shall be served on the offending party, specifying the time and place of a hearing to be held by the Board of Commissioners regarding the violation, and directing the offending party to show cause before the Board why an order should not be made directing the discontinuance of such actions. The notice of the hearing shall be served personally or by Registered or Certified Mail at least ten (10) days before the hearing; service may be had on any agent or officer of a corporation or municipality.

The Board of Commissioners may, itself, conduct the hearing and take the evidence or may designate any of its members or any officer or employee of the District:

(a) to issue in the name of the Board, notices of hearings requesting the attendance and testimony of witnesses and the production of evidence relevant to any matter involved in any such hearings;

(b) to take the evidence; and

(c) to transmit a report of the evidence and hearing, including transcripts and other evidence, together with recommendations to the Board of Commissioners for action thereon.

At any public hearing, testimony taken before the Board or any person designated by it, must be under oath and recorded stenographically. The transcript so recorded, will be made available to any member of the public or any party to the hearing upon payment of the usual charges therefor.

After the Board has reviewed the evidence, it may issue an order to the party responsible for the action directing that within a specific time period, the discharge be discontinued unless adequate facilities or devices shall have been installed or existing adequate facilities or devices are properly operated to prevent actions contrary to the terms of this ordinance and any other such orders as the Board may deem necessary.

Article II.

Court Proceedings.

Section 1. Violation of order to be Considered Nuisance. A violation of an order of the Board of Commissioners shall be a considered a nuisance. If any person maintains or operates his property so as to be in violation of the order of the Board of Commissioners, the Sanitary District, acting through the General Superintendent, may commence an action or proceeding in the Circuit Court in and for the county in which the Sanitary District is located, or operates facilities, for the purpose of having the violation stopped either by mandamus or injunction.

Section 2. Penalties. Whoever fails to comply with any provisions of this ordinance or with an order of the Board of Commissioners issued in pursuant of this ordinance, shall be fined not less than One Hundred and no/100 Dollars (\$100.00), nor more than One Thousand and no/100 Dollars (\$1,000.00), for each offense. Each day's continuance of such failure is a separate offense. The penalties so imposed, plus reasonable attorney's fees, court costs and other expenses of litigation, are recoverable by the Sanitary District upon its suit, as debts are recoverable at law.

Section 3. Injunctive Relief. In addition to the penalties provided in the foregoing section, whenever a person violates any provision of this ordinance or fails to comply with any Order of the Board of Commissioners, the Sanitary District

acting through the General Superintendent may apply to the Circuit Court of Cook County for the issuance of an injunction restraining the person violating the Ordinance or failing to comply with the Board Order.

Article III.

Savings Clause.

If the provisions of any paragraph, section or article of this ordinance are declared unconstitutional or invalid by the final decision of any court of competent jurisdiction, the provisions of the remaining paragraphs, sections or articles shall continue in full force and effect.

Article IV.

Effective Date.

This comprehensive amendment shall take effect immediately upon passage by the Board of Commissioners.

Dated: This 7th day of February, 1985.

To the Honorable, the President and Members of
the Board of Commissioners of The Metropolitan
Sanitary District of Greater Chicago

Ladies and Gentlemen:

The General Superintendent reports that he is in receipt of a communication from the Attorney consisting of two (2) pages and attachment, concerning a request for Order approving Generic Criteria for Implementation of the Waterway Strategy Resolution of the Board of Commissioners of The Metropolitan Sanitary District of Greater Chicago with respect to Sanitary District Lands which Abut Waterways (a copy of which letter is attached hereto and made a part hereof).

The General Superintendent recommends passage of appropriate orders as requested in said letter.

Your Committee, having considered the matter, recommends passage of the following orders:

ORDERED: That the Generic Criteria for Implementation of the Waterway Strategy Resolution of the Board of Commissioners of The Metropolitan Sanitary District of Greater Chicago with respect to Sanitary District lands which abut waterways, as set forth in the attachment to the transmittal letter under this agenda item, be and the same is hereby authorized and approved; and it is further

ORDERED: That the attached letter be printed in full in the Record of Proceedings.

Respectfully submitted,

AGENDA SUMMARY: Request for Order Approving Generic Criteria for
Implementation of the Waterway Strategy Resolution
of the Board of Commissioners of The Metropolitan
Sanitary District of Greater Chicago with respect
to Sanitary District Lands which Abut Waterways.

Dear Sir:

Since the adoption of the Waterway Strategy Resolution by the Board of Commissioners of The Metropolitan Sanitary District of Greater Chicago on February 23, 1984, which Resolution established the policy whereby the Metropolitan Sanitary District dedicated a portion of its real estate adjacent to waterways to recreational and aesthetic interests which would be balanced with the desire to commercially rent and develop said lands, the Chief Engineer, under the direction of the General Superintendent, has been working to establish specific criteria for the uniform implementation of the Resolution with respect to all of the Sanitary District's waterways lands. This has proved to be a Herculean task.

At the meeting of the Board of Commissioners of The Metropolitan Sanitary District of Greater Chicago on February 21, 1985, authority was granted to the General Superintendent to develop site-specific criteria for addressing the Waterway Strategy Resolution with respect to three particular parcels of Sanitary District land on the Sanitary and Ship Canal due to the fact that overall criteria for all of the waterways had not yet been developed and the Chief Engineer advised against any long-term leasing activity until uniform procedures implementing the Board's policy as stated in the Waterway Strategy Resolution were prepared and presented to the Board of Commissioners for its approval. Under separate agenda items, we are presenting the matter of the request to commence statutory procedures for lease of those three specific parcels previously alluded to, addressing not only the usual matters relating to leasing but the site-specific Waterway Resolution implementing criteria for each parcel.

Transmittal Letter.
(To Implementation Of Waterway
Strategy Resolution)

Transmittal Letter For Board Meeting.
(Page 2 of 3)

Mr. Raymond R. Rimkus
General Superintendent

In the course of the development of the site-specific criteria for these parcels, the Chief Engineer reviewed the specific criteria for each parcel and distilled same into general criteria for implementation of the Waterway Strategy Resolution, which, it is felt, addresses most contingencies to be encountered in connection with leasing or other use of any site along the District's waterways. A copy of those general criteria is attached hereto. It is believed that the approval of these criteria by the Board of Commissioners will provide the general guidelines by which the General Superintendent may evaluate requests for the leasing of Sanitary District waterway lands and determine applicants' willingness to comply therewith so that when any specific parcel is considered for offer for leasing, all or some of these general criteria may be developed and applied as specific restrictions in connection with the proposed leasing of a parcel developed to address the Waterway Strategy Resolution.

Accordingly, it is respectfully requested that the General Superintendent recommend to the Board of Commissioners that it accept and approve the attached criteria as being adequate to provide general guidance in addressing the impact of the Waterway Strategy Resolution with respect to leasing or development of any parcel of Sanitary District waterways land. Henceforth, with respect to each specific leasing activity, site-specific criteria developed in conformity with these guidelines, will be established by staff and presented to the Board of Commissioners when approval to commence statutory leasing procedures is requested with respect to any specific parcel.

Transmittal Letter.
(To Implementation Of Waterway
Strategy Resolution)

Transmittal Letter For Board Meeting.
(Page 3 of 3)

It is the intent of the Sanitary District to have a well-maintained and attractive river edge on all of the property it owns adjacent to the inland waterway system. In order to accomplish this goal, the Sanitary District requires a 60-foot waterway edge easement to be included in its land leases. The lessee will be responsible for bank stabilization and the construction and maintenance of a landscaped visual screen.

The Sanitary District will allow a 20 percent plus or minus variation in the 60-foot scenic easement in order to allow for site development criteria, existing topography, existing vegetation, and the development of a "natural" river's edge.

The Sanitary District will allow its river edge property to be utilized by the lessee for the purpose of waterborne commerce. However, the lessee will be responsible for the construction and maintenance of a docking facility compatible with the visual intent of the scenic easement.

The Sanitary District will not allow the permanent storage of unsightly materials and/or debris within either the scenic easement or the docking area. In addition, the unscreened storage of material will not be allowed anywhere within the lease.

It is the intent of the Sanitary District to maintain, where possible, a "natural" appearance to its properties by retaining existing vegetative cover. However, the Sanitary District recognizes that site development will sometimes necessitate the removal of existing vegetative cover. In those cases the Sanitary District will require the lessee to reestablish vegetative cover in the same quantities and qualities as those removed. The reestablished plant materials are to be considered as an addition to the landscaping required within the scenic easement.

The Sanitary District, within its leasing procedures, requires that the lessee comply with local zoning and setback requirements. In addition, the Sanitary District will reserve the right to retain access across the leased parcel to obtain access to the water-edged lands.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Commissioner of the Department of General Services is authorized to execute on behalf of the City of Chicago, a lease with Kedzie Plaza I, L.L.C., as Landlord, for approximately eight thousand (8,000) square feet of ground floor office space located at 4770 South Kedzie Avenue for use by the Department of Revenue, Department of Buildings and the Department of Administrative Hearings, as Tenant; such lease to be approved by the Director of the Department of Revenue, the Commissioner of the Department of Buildings, the Director of the Department of Administrative Hearings, and to be approved as to form and legality by the Corporation Counsel in substantially the following form:

[Lease Agreement immediately follows
Section 2 of this ordinance.]

SECTION 2. This ordinance shall be effective from and after the date of its passage.

Lease Agreement referred to in this ordinance reads as follows:

Lease Agreement.

This lease is made and entered into this ____ day of _____ 2000, by and between Kedzie Plaza I, L.L.C. (hereinafter referred to as "Landlord") and the City of Chicago, an Illinois municipal corporation (hereinafter referred to as "Tenant").

Recitals.

Whereas, Landlord is the owner of the premises more commonly known as 4770 South Kedzie Avenue, Chicago, Cook County, Illinois; and

Whereas, Landlord has agreed to lease to Tenant, and Tenant has agreed to lease from Landlord approximately eight thousand (8,000) square feet of ground floor office space located at 4770 South Kedzie Avenue (Kedzie Plaza South) to be used by the Department of Revenue, Department of Administrative Hearings and Department of Buildings;

Now, Therefore, In consideration of the covenants, terms and conditions set forth herein, the parties hereto agree and covenant as follows:

Section 1.

Grant.

Landlord hereby leases to Tenant the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately eight thousand (8,000) square feet of ground floor office space located on that certain parcel of real estate more commonly known as 4770 South Kedzie Avenue, Chicago, Illinois (the "Premises").

Section 2.

Term.

The term of this lease ("Term") shall commence on April 1, 2001 or the date of occupancy of the entire Premises, whichever occurs later, ("Commencement Date"), and shall end on the last day of the eighty-fourth (84th) full month ("Seventh Lease Year") after the Commencement Date, unless sooner terminated as set forth in this lease.

"Lease Year" as used herein, means a period of twelve (12) consecutive months during the lease Term; the first lease year commencing on the Commencement Date, provided however, in the event such Commencement Date is other than the first day of the month, the first lease year shall commence on the first day of the month immediately following such Commencement Date.

Section 3.

Rent, Taxes And Utilities.

3.1 Rent.

Tenant shall pay base rent for the Premises in the amount of:

a) Twelve Thousand One Hundred Sixty-seven and no/100 Dollars (\$12,167.00) per month for the period beginning on the Commencement Date, with said monthly rental being prorated on a per diem basis if the initial term does not commence on the first day of the month and ending on the last day of the First Lease Year.

b) Twelve Thousand Five Hundred Thirty-two and no/100 Dollars (\$12,532.00) per month for the period beginning on the first day of the Second Lease Year and ending on the last day of the Second Lease Year.

c) Twelve Thousand Nine Hundred Seven and no/100 Dollars (\$12,907.00) per month for the period beginning on the first day of the Third Lease Year and ending on the last day of the Third Lease Year.

d) Thirteen Thousand Two Hundred Ninety-five and no/100 Dollars (\$13,295.00) per month for the period beginning on the first day of the Fourth Lease Year and ending on the last day of the Fourth Lease Year.

e) Thirteen Thousand Six Hundred Ninety-four and no/100 Dollars (\$13,694.00) per month for the period beginning on the first day of the Fifth Lease Year and ending on the last day of the Fifth Lease Year.

f) Fourteen Thousand One Hundred Five and no/100 Dollars (\$14,105.00) per month for the period beginning on the first day of the Sixth Lease Year and ending on the last day of the Sixth Lease Year.

g) Fourteen Thousand Five Hundred Twenty-eight and no/100 Dollars (\$14,528.00) per month for the period beginning on the first day of the Seventh Lease Year and ending on the last day of the Seventh Lease Year.

Rent shall be paid to Landlord at David Israel, Kedzie Plaza I, L.L.C., 540 Lake Cook Road, Suite Number 180, Deerfield, Illinois 60015 or at such place as Landlord may from time to time, hereby designate in writing to Tenant.

3.2 Taxes And Other Levies.

Landlord shall pay when due all real estate taxes, duties, assessments, sewer and water charges and other levies assessed against the Premises, except for those charges which this lease specifies that Tenant shall pay.

3.3 Utilities.

Tenant shall pay when due all charges for gas, electricity, light, heat and telephone or other communication service, and all other utility services used in or supplied to the Premises, except for those charges which this lease specifies that Landlord shall pay.

Section 4.

Condition And Enjoyment Of Premises, Alterations And Additions, Surrender.

4.1 Condition Of Premises Upon Delivery Of Possession.

Landlord covenants that the Premises shall, at the time of delivery of possession to Tenant:

(a) comply in all respects with all laws, ordinances, orders, rules, regulations and requirements of all federal, state and municipal governmental departments, ("Law") which may be applicable to the Premises or to the use or manner of use of the Premises;

(b) contain no environmentally hazardous materials.

Landlord's duty under this section of the lease shall survive Tenant's acceptance of the Premises.

4.2 Covenant Of Quiet Enjoyment.

Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements and conditions of this lease on its part to be kept, observed and performed, shall lawfully and quietly hold, occupy

and enjoy the Premises (subject to the provisions of this lease) during the Term without hindrance or molestation by Landlord or by any person or persons claiming under Landlord.

4.3 Landlord's Duty To Maintain Premises And Right Of Access.

Unless otherwise provided in this lease, Landlord shall, at Landlord's expense, keep the Premises in a condition of thorough repair and good order, and in compliance with all applicable provisions of the Municipal Code of Chicago, including but not limited to those provisions in Title 13 ("Building and Construction"), Title 14 ("Electrical Equipment and Installation"), Title 15 ("Fire Prevention") and all applicable provisions of the Landscape Ordinance of the City of Chicago. If Landlord shall refuse or neglect to make needed repairs within ten (10) days after written notice thereof sent by Tenant, unless such repair cannot be remedied by ten (10) days, and Landlord shall have commenced and is diligently pursuing all necessary action to remedy such repair, Tenant is authorized to make such repairs and to deduct the cost thereof from rents accruing under this lease, or immediately terminate this lease by providing the Landlord with written notice sent by certified or registered mail to the address cited herein. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of Premises to prospective or actual purchasers, mortgagees, tenants, workmen or contractors or as otherwise necessary in the operation or protection of the Premises.

4.4 Use Of The Premises.

Tenant shall not use the Premises in a manner that would violate any Law. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the laws, ordinances, orders, rules, regulations and requirements of all federal, state and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises, disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof.

4.5 Alterations And Additions.

Tenant shall have the right to make such alterations, additions and improvements on the Premises as it shall deem necessary, provided that any such alterations, additions and improvements shall be in full compliance with the applicable Law and

provided that Tenant has obtained the prior written consent of Landlord. Landlord shall not unreasonably withhold consent.

Section 5.

Assignment, Sublease And Liens.

5.1 Assignment And Sublease.

Tenant shall not assign, sublease, mortgage, encumber or otherwise transfer this lease in whole or in part, or sublet the Premises or any part thereof without the written consent of Landlord in each instance. Landlord shall not unreasonably withhold consent to any assignment of the lease or sublease of the Premises provided that (i) the assignee or sublessee will use the Premises for the Permitted Use and in a manner similar to that being used as of the date of this lease, (ii) no such assignment or sublease shall release Tenant from any liability under this lease and (iii) Tenant shall pay to Landlord the excess if any of (a) the rent and other amounts paid to Tenant by the assignee or sublessee under the assignment or sublease over the rent payable by Tenant to Landlord under this lease.

5.2 Tenant's Covenant Against Liens.

Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Premises. All liens and encumbrances created by Tenant shall attach to Tenant's interest only.

Section 6.

Insurance And Indemnification.

6.1 Insurance.

The Landlord shall procure and maintain at all times, at Landlord's own expense, during the Term of this lease, the insurance coverages and requirements specified below, insuring all operations related to the lease.

The kinds and amounts of insurance required are as follows:

- (a) Workers' Compensation And Employer's Liability Insurance.

Workers' Compensation and Employer's Liability Insurance, in accordance with the laws of the State of Illinois, or any other applicable jurisdiction, covering all employees and Employer's Liability coverage with limits of not less than One Hundred Thousand Dollars (\$100,000) each accident or illness.

- (b) Commercial Liability Insurance (Primary And Umbrella).

Commercial Liability Insurance or equivalent with limits of not less than One Million Dollars (\$1,000,000) per occurrence, for bodily injury, personal injury and property damage liability. Coverage extensions shall include the following: all premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents and representatives are to be named as additional insureds on a primary, non-contributory basis for any liability arising directly or indirectly from the lease.

- (c) Automobile Liability Insurance (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Landlord shall provide Comprehensive Automobile Liability Insurance with limits of not less than One Million Dollars (\$1,000,000) per occurrence, for bodily injury and property damage.

- (d) All Risk Property Insurance.

All risk property insurance coverage shall be maintained by the Landlord for full replacement value to protect against loss, damage to or destruction of property.

The Landlord shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Landlord.

6.2 Other Terms Of Insurance.

The Landlord will furnish the City of Chicago, Department of General Services, Bureau of Asset Management, 30 North LaSalle Street, Suite 3700, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this lease. The Landlord shall submit evidence on insurance prior to lease award. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all lease requirements. The failure of the City to obtain certificates or other insurance evidence from Landlord shall not be deemed to be a waiver by the City. The Landlord shall advise all insurers of the lease provisions regarding insurance. Non-conforming insurance shall not relieve Landlord of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the lease, and the City retains the right to terminate the lease until proper evidence of insurance is provided.

The insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any and all deductibles or self insured retentions on referenced insurance coverages shall be borne by Landlord.

The Landlord agrees that insurers shall waive their rights of subrogation against the City of Chicago its employees, elected officials, agents or representatives.

The Landlord expressly understands and agrees that any coverages and limits furnished by Landlord shall in no way limit the Landlord's liabilities and responsibilities specified within the lease documents or by law.

The Landlord expressly understands and agrees that any insurance or self insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Landlord under the lease.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago Risk Management Department maintains the right to reasonably modify, delete, alter or change these requirements.

6.3 Mutual Indemnification.

Landlord and Tenant shall indemnify and hold each other harmless against all liabilities, judgment costs, damages and expenses which may accrue against, be charged to, or be recovered from either party by reason of any negligent performance of or failure to perform any of their obligations under this lease.

Section 7.

Damage Or Destruction.

7.1 Damage Or Destruction.

If the Premises are damaged or destroyed by fire or other casualty to such extent that Tenant cannot continue, occupy or conduct its normal business therein, or if the Premises do not meet all Municipal Building and Fire Code provisions and are therefore rendered untenable, Tenant shall have the option to declare this lease terminated as of the date of such damage or destruction by giving Landlord written notice to such effect. If Tenant exercises this option, the rent shall be apportioned as of the date of such damage or destruction and Landlord shall forthwith repay to Tenant all prepaid rent.

Section 8.

Conflict Of Interest And Governmental Ethics.

8.1 Conflict Of Interest.

No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as directed in Chapter 2-156 of the Municipal Code of Chicago), either direct or indirect, in the Premises; or shall any such official, employee or member participate in making or in any way attempt to use his position to influence any City governmental decision or action with respect to this lease.

8.2 Duty To Comply With Governmental Ethics Ordinance.

Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics", including but not limited to Section 2-156-120, which states that no payment, gratuity or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract negotiated, entered into or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.

Section 9.

Holding Over.

9.1 Holding Over.

Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning the day after the last day of the Seventh Lease Year and the rent shall be at the same rate as set forth in Section 3.1(g) of this lease.

Section 10.

Miscellaneous.

10.1 Notice.

All notices, demands and requests which may be or are required to be given, demanded or requested by either party to the other shall be in writing. All notices, demands and requests by Landlord to Tenant shall be delivered by national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid addressed to Tenant as follows:

Asset Manager
Department of General Services
Bureau of Asset Management
30 North LaSalle Street, Suite 3700
Chicago, Illinois 60602

or at such other place as Tenant may from time to time designate by written notice to Landlord and to Tenant at the Premises. All notices, demands and requests by Tenant to Landlord shall be delivered by a national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid, addressed to Landlord as follows:

David Israel
Manager
Kedzie Plaza I, L.L.C.
540 Lake Cook Road, Suite Number 180
Deerfield, Illinois 60015

or at such other place as Landlord may from time to time designate by written notice to Tenant. Any notice, demand or request which shall be served upon Landlord by Tenant, or upon Tenant by Landlord, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

10.2 Partial Invalidity.

If any covenant, condition, provision, term or agreement of this lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this lease shall be valid and in force to the fullest extent permitted by Law.

10.3 Governing Law.

This lease shall be construed and be accordance with the laws of the State of Illinois.

10.4 Entire Agreement.

All preliminary and contemporaneous negotiations are merged into and incorporated in this lease. This lease contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

10.5 Captions And Section Numbers.

The captions and section numbers appearing in this lease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this lease nor in any way affect this lease.

10.6 Binding Effect Of Lease.

The covenants, agreements and obligations contained in this lease shall extend to, bind and inure to the benefit of the parties hereto and their legal representatives, heirs, successors and assigns.

10.7 Time Is Of The Essence.

Time is of the essence of this lease and of each and every provision hereof.

10.8 No Principal/Agent Or Partnership Relationship.

Nothing contained in this lease shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

10.9 Authorization To Execute Lease.

The parties executing this lease hereby represent and warrant that they are the duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this lease, it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

10.10 Termination Of Lease.

Tenant shall have the right to terminate this lease and Tenant's obligations hereunder by ninety (90) days prior written notice to Landlord delivered at any time after the last day of the Fourth Lease Year.

10.11 Force Majeure.

When a period of time is provided in this lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 Condemnation.

If the whole or any substantial part of the Premises are taken or condemned by any competent authority for any public use or purpose, or if any adjacent property or street shall be so condemned or improved in such a manner as to require the use of any part of the Premises, the Term of this lease shall, at the option of Landlord or the condemning authority, be terminated upon, and not before, the date when possession of the part so taken shall be required for such use or purpose, and Landlord shall be entitled to receive the entire award without apportionment with Tenant. Rent shall be apportioned as of the date of Tenant's vacating as the result of said termination.

Section 11.

Additional Responsibilities Of Landlord.

Landlord under this lease shall:

11.1

Provide hot and domestic water for the Premises.

11.2

Maintain plumbing in good operable condition.

11.3

Provide required fire extinguishers on the Premises.

11.4

Provide, at Landlord's expense, any and all janitorial service for maintenance of the exterior and interior of the Premises, including all structural, mechanical and electrical components. Janitorial service as used herein shall not be construed to mean cleaning, washing, or sweeping of any kind, or moving of furniture or replacing of light bulbs, et cetera, but shall refer strictly to service for the maintenance of the physical plant.

11.5

Provide air-conditioning to the Premises whenever air-conditioning shall be necessary and/or required for the comfortable occupancy of the Premises. Landlord shall maintain the plant and equipment in good operable condition, excluding damage caused by acts of vandalism from Tenant or any of its agents or clients.

11.6

Provide heat to the Premises whenever heat shall be necessary and/or required for the comfortable occupancy of the Premises. Landlord shall maintain the plant and equipment in good operable condition, excluding damage caused by acts of vandalism from Tenant or any of its agents or clients.

11.7

Allow the Tenant to place signage in the Kedzie Plaza South main sign and directional signage at the south entry/exit on Kedzie Avenue.

Section 12.

Additional Responsibilities Of Tenant.

Tenant under this lease shall:

12.1

Replace any broken plate glass of said Premises during term of lease which is not caused by negligence of Landlord.

12.2

Provide and pay for nightly custodial services which shall be construed as cleaning, washing, emptying wastepaper baskets, replacement of light bulbs or sweeping of any kind.

12.3

Upon the termination of this lease, Tenant shall surrender the Premises to the Landlord in a comparable condition to the condition of the Premises at the beginning of this lease, with normal wear and tear taken into consideration.

12.4

Tenant will allow Landlord to place upon Premises notices of rental signs not to exceed two (2) feet by two (2) feet in size.

12.5

Pay for monthly alarm service, if necessary.

12.6

Tenant, or any of its agents or employees, shall not perform or permit any practice that is injurious to the Premises or unreasonably disturbs other Tenants; is illegal; or increases the rate of insurance on the Premises.

12.7

Tenant shall keep out of Premises materials which cause a fire hazard or safety hazard and comply with reasonable requirements of Landlord's fire insurance carrier; not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances thereto; and maintain the smoke

detectors in the Premises in accordance with applicable Law.

12.8

Provide scavenger service, if necessary.

Section 13.

Additional Clauses.

13.1

Landlord shall provide and pay for prompt removal of snow and ice from sidewalks and parking lot which immediately abut the Demised Premises.

13.2

Tenant shall have access to adjacent parking lot for parking of vehicles.

City of Chicago employees shall park only in the second (2nd) and third (3rd) isles closest to 47th Street, leaving the spaces closest to the retail areas for customer parking.

13.3 Landlord's Buildout Obligation.

Landlord shall build out the Premises as set forth in the Scope of Work on the Drawings and Specifications consisting of pages prepared by Landlord (the "Buildout") based on the diagrammatic floor plan requirements provided by Tenant. A copy of each page of such Drawings and Specifications (including the itemized cost of the Buildout) has been initialed for identification and approved by the Landlord and the Tenant prior to execution of this lease.

13.4

The cost of the Buildout shall not exceed Five Hundred Sixty Thousand and no/100 Dollars (\$560,000.00) for all work ("Cap Amount"). If the cost of the Buildout including without limitation architectural, structural, mechanical,

electrical, carpeting, vinyl flooring, painting, doors, dumpsters, carpentry, signage, permit, H.V.A.C., lighting, plumbing and general contractor costs and fees, et cetera (collectively the "Buildout Cost"), exceeds the Cap Amount, due to changes to design or grade of materials caused by Tenant and Landlord, then the Landlord and Tenant shall promptly revise the scope of the Buildout so that the Buildout Cost does not exceed the Cap Amount.

13.5

Landlord agrees to pay Sixty Thousand and no/100 Dollars (\$60,000.00) ("Buildout Allowance") towards the Buildout Cost.

13.6

The Buildout Cost less the Buildout Allowance (Sixty Thousand and no/100 Dollars (\$60,000.00)) shall be amortized with interest at the rate of eight percent (8%) per annum over the first forty-eight (48) months of this lease and shall be paid by Tenant to Landlord as additional rent in equal monthly installments. A schedule of such payment installments of additional rent shall be given to Tenant by Landlord prior to commencement of this lease.

13.7

No material changes to design or grade of materials can be made without approval from Tenant.

13.8

Landlord to provide Tenant the signed construction contracts with the total Buildout Cost. Tenant shall have the right to appoint a representative to oversee and reasonably approve the Buildout and the Buildout Cost ("Tenant's Representative"). Tenant's Representative shall be an agent of the City of Chicago from its Department of General Services.

13.9

The Buildout must be substantially completed by Landlord within ninety (90) days from execution of this lease or permit approval, whichever occurs later. In the event that Landlord does not complete the Buildout within the specified time, this lease

is null and void. Notwithstanding the foregoing, delays in completing Landlord's work due to conditions of force majeure or due to Tenant's acts or omissions or due to change orders requested by Tenant, shall extend such ninety (90) day period by one (1) day for each day of such delay.

13.10

Tenant shall occupy the Premises within two (2) weeks from written notice to Tenant that the Buildout is substantially completed (mutually agreed by Landlord's and Tenant's Representative).

In Witness Whereof, The parties have executed this lease as of the day and year first above written.

The following is said ordinance as passed:

Be it Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of the Department of General Services is authorized to execute on behalf of the City of Chicago, a lease with S.B.Y. \ Wabash, L.L.C., as Landlord, for approximately nine thousand eight hundred fifty-eight (9,858) square feet of 4th floor office space, approximately six thousand four hundred seventy-four (6,474) square feet of 5th floor office space and approximately two hundred seventy-four (274) square feet of 1st floor storage space located at 1130 South Wabash Avenue, for use by the Department of Police \ Office of Professional Standards, as Tenant; such lease to be approved by the Superintendent of Police and to be approved as to form and legality by the Corporation Counsel in substantially the following form:

[Lease Agreement immediately follows
Section 2 of this ordinance.]

SECTION 2. This ordinance shall be effective from and after the date of its passage. Lease Agreement referred to in this ordinance reads as follows:

Lease Agreement.

This lease is made and entered into this ____ day of _____, 2000, by and between SBY Wabash, L.L.C., (hereinafter referred to as "Landlord") and the City of Chicago, an Illinois municipal corporation (hereinafter referred to as "Tenant").

Recitals.

Whereas, Landlord is the owner of the premises more commonly known as 1130 South Wabash Avenue, Chicago, Cook County, Illinois; and

Whereas, Landlord has agreed to lease to Tenant, and Tenant has agreed to lease from Landlord approximately nine thousand eight hundred fifty-eight (9,858) square feet of office space on the 4th floor, six thousand four hundred seventy-four (6,474) square feet of office space on the 5th floor for a total of sixteen thousand three hundred thirty-two (16,332) square feet of office space and approximately two hundred seventy-four (274) square feet of storage space on the 1st floor located at

1130 South Wabash Avenue to be used by the Department of Police, as its Office of Professional Standards.

Now, Therefore, In consideration of the covenants, terms and conditions set forth herein, the parties hereto agree and covenant as follows:

Section 1.

Grant.

Landlord hereby leases to Tenant the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately sixteen thousand three hundred thirty-two (16,332) square feet of office space on the 4th and 5th floors and approximately two hundred seventy-four (274) square feet of storage space on the 1st floor located on that certain parcel of real estate more commonly known as 1130 South Wabash Avenue, Chicago, Illinois (the "Premises").

Section 2.

Term.

The term of this lease ("Term") shall commence on August 1, 2000 ("Commencement Date"), and shall end on July 31, 2002 unless sooner terminated as set forth in this lease.

Section 3.

Rent, Taxes And Utilities.

3.1 Rent.

Tenant shall pay base rent for the Premises in the amount of:

a) Nineteen Thousand Seven Hundred Thirty-four and 75/100 Dollars (\$19,734.75) per month for the period beginning on the first day of August, 2000 and ending on the thirty-first day of July, 2002;

b) In addition to monthly rental, Landlord has agreed to lease to Tenant approximately two hundred seventy-four (274) square feet of storage space on the 1st floor for Three Hundred Fifty-five and no/100 Dollars (\$355.00) per month payable concurrently with the monthly rental of office space.

Rent shall be paid to Landlord at S B Yen Management Group, Inc., 1130 South Wabash Avenue, Suite 500, Chicago, Illinois 60605-2380 or at such place as Landlord may from time to time, hereby designate in writing to Tenant.

3.2 Taxes And Other Levies.

Landlord shall pay when due all real estate taxes, duties, assessments, gas, sewer and water charges and other levies assessed against the Premises, except for those charges which this lease specifies that Tenant shall pay.

3.3 Utilities.

Tenant shall pay when due all charges for electricity (including telephone and electricity for use of air-conditioning), light and all other utility services used in or supplied to the Premises, to be separately metered (Landlord shall incur the cost to separately meter such Premises), except for those charges which this lease specifies that Landlord shall pay.

Section 4.

Condition And Enjoyment Of Premises, Alterations And Additions, Surrender.

4.1 Condition Of Premises Upon Delivery Of Possession.

Landlord covenants that the Premises shall, at the time of delivery of possession to Tenant:

(a) Comply in all respects with all laws, ordinances, orders, rules, regulations and requirements of all federal, state and municipal governmental departments,

("Law") which may be applicable to the Premises or to the use or manner of use of the Premises; and

(b) Contain no environmentally hazardous materials.

Landlord's duty under this section of the lease shall survive Tenant's acceptance of the Premises.

4.2 Covenant Of Quiet Enjoyment.

Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements and conditions of this lease on its part to be kept, observed and performed, shall lawfully and quietly hold, occupy and enjoy the Premises (subject to the provisions of this lease) during the Term without hindrance or molestation by Landlord or by any person or persons claiming under Landlord.

4.3 Landlord's Duty To Maintain Premises And Right Of Access.

Unless otherwise provided in this lease, Landlord shall, at Landlord's expense, keep the Premises in a condition of thorough repair and good order, and in compliance with all applicable provisions of the Municipal Code of Chicago, including but not limited to those provisions in Title 13 ("Building and Construction"), Title 14 ("Electrical Equipment and Installation"), and Title 15 ("Fire Prevention") and all applicable provisions of the Landscape Ordinance of the City of Chicago. If Landlord shall refuse or neglect to make needed repairs within ten (10) days after written notice thereof sent by Tenant, unless such repair cannot be remedied by ten (10) days, and Landlord shall have commenced and is diligently pursuing all necessary action to remedy such repair, Tenant is authorized to make such repairs and shall be reimbursed by Landlord within thirty (30) days of receipt of such repairs. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of Premises to prospective or actual purchasers, mortgagees, tenants, workmen, or contractors or as otherwise necessary in the operation or protection of the Premises.

4.4 Use Of The Premises.

Tenant shall not use the Premises in a manner that would violate any Law. Tenant shall use and occupy the Premises for general office use and for no other purpose. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the laws, ordinances, orders, rules, regulations and requirements of all federal, state and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises, disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof.

4.5 Alterations And Additions.

Tenant shall have the right to make such non-structural alterations, additions and improvements on the Premises as it shall deem necessary, provided that any such alterations, additions and improvements shall be in full compliance with the applicable Law and provided that Tenant has obtained the prior written consent of Landlord. Landlord shall not unreasonably withhold consent.

Section 5.

Assignment, Sublease And Liens.

5.1 Assignment And Sublease.

Tenant shall not assign this lease in whole or in part, or sublet the Premises or any part thereof without the written consent of Landlord in each instance. Landlord shall not unreasonably withhold consent.

5.2 Tenant's Covenant Against Liens.

Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Premises. All liens and encumbrances created by Tenant shall attach to Tenant's interest only.

Section 6.

Insurance And Indemnification.

6.1 Insurance.

The Landlord shall procure and maintain at all times, at Landlord's own expense, during the term of this lease, the insurance coverages and requirements specified below, insuring all operations related to the lease.

The kinds and amounts of insurance required are as follows:

a) Workers' Compensation And Employer's Liability Insurance.

Workers' Compensation and Employer's Liability Insurance, in accordance with the laws of the State of Illinois, or any other applicable jurisdiction, covering all employees and Employer's Liability coverage with limits of not less than One Hundred Thousand Dollars (\$100,000) each accident or illness. This provision shall only apply if Landlord hires employees for work on the Premises.

b) Commercial Liability Insurance (Primary And Umbrella).

Commercial Liability Insurance or equivalent with limits of not less than One Million Dollars (\$1,000,000) per occurrence, for bodily injury, personal injury and property damage liability. Coverage extensions shall include the following: All premises and operations. The City of Chicago to be named as additional insured.

The Landlord shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Landlord.

6.2 Other Terms Of Insurance.

The Landlord will furnish the City of Chicago, Department of General Services, Bureau of Asset Management, Suite 3700, 30 North LaSalle Street, Chicago, Illinois 60602, Certificates of Insurance evidencing the required coverage to be in force on the date of this lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the

term of this lease. The Landlord shall submit evidence on insurance prior to lease award. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all lease requirements. The failure of the City to obtain certificates or other insurance evidence from Landlord shall not be deemed to be a waiver by the City.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements; as long as they do not exceed the requirements.

6.3 Landlord's And Tenant's Mutual Indemnification.

Landlord and Tenant shall indemnify each other and hold each other harmless against all liabilities, judgment costs, damages and expenses which may accrue against, be charged to, or be recovered from Tenant or Landlord by reason of Landlord's or Tenant's negligent performance of or failure to perform any of its obligations under this lease.

Self Insurance: To the extent permitted by law, Landlord may self insure for the insurance requirements specified above, it being expressly understood and agreed that if the Landlord does self insure for the above insurance requirements, the Landlord shall bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self insurance program shall comply with at least the insurance requirements as stipulated above. It is hereby agreed and understood that such policy is limited to bodily injury or property damage as is covered under Landlord's policy. It is further understood that such coverage shall bear certain exclusions, including but not limited to, personal property of Tenant, product liability, the willful or intentional acts of Tenant, its agent or employees and Landlord's negligence. Such insurance coverage shall not be construed to create any liability on the part of Landlord for the operations of Tenant. Except as covered and paid by Landlord's policy, Tenant is self-insured as to its property and liability obligations and all claims arising therefrom.

*Section 7.**Damage Or Destruction.***7.1 Untenantability:**

If any damage renders all or a substantial portion herein defined as more than twenty-five percent (25%) of the Premises or the building untenable, the Landlord may elect (A) to terminate this lease as of the date of the fire or casualty by notice to the Tenant within thirty (30) days after that date; or (B) to repair, restore or rehabilitate the building or the Premises at the Landlord's expense within one hundred eighty (180) days after the Landlord is able to take possession of the injured Premises and undertake preconstruction or repairs, in which latter event the lease shall not terminate but rent shall be abated on a per diem basis while the Premises are untenable. If the Landlord elects to repair, restore or rehabilitate the building or the Premises and does not substantially complete the work within said one hundred eighty (180) day period, either party can terminate this lease as of the date of the fire or casualty by notice to the other party not later than one hundred ninety (190) days after the Landlord is able to take possession of the injured Premises and undertake reconstruction or repairs. In the event of termination of the lease pursuant to this paragraph 7.1, rent shall be apportioned on a per diem basis and be paid to the date of the fire or casualty. Notwithstanding the provisions of this paragraph 7.1, in the event any such damage renders the Premises untenable and if the lease shall not be canceled and terminated by reason of such damage, then the rent shall abate during the period beginning with the date of such damage and ending with the date when the Premises are again rendered untenable. Such abatement shall be in an amount bearing the same ratio in the total amount of rent for such period as the untenable portion of the Premises from time to time bears to the entire Premises.

*Section 8.**Conflict Of Interest And Governmental Ethics.***8.1 Conflict Of Interest.**

No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises; nor shall any such official, employee or member participate in making or

in any way attempt to use his position to influence any City governmental decision or action with respect to this lease.

8.2 Duty To Comply With Governmental Ethics Ordinance.

Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to Section 2-156-120, which states that no payment, gratuity or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract negotiated, entered into or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.

Section 9.

Holding Over.

9.1 Holding Over.

Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning August 1, 2002 and the rent shall be at one and one half (1½) times the rate as set forth in Section 3.1(a) of this lease unless Landlord and Tenant are negotiating renewal of lease by September 1, 2001.

Section 10.

Miscellaneous.

10.1 Notice.

All notices, demands and requests which may be or are required to be given, demanded or requested by either party to the other shall be in writing. All notices, demands and requests by Landlord to Tenant shall be delivered by national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid addressed to Tenant as follows:

Asset Manager
Department of General Services
Bureau of Asset Management
30 North LaSalle Street, Suite 3700
Chicago, Illinois 60602

or at such other place as Tenant may from time to time designate by written notice to Landlord and to Tenant at the Premises. All notices, demands and requests by Tenant to Landlord shall be delivered by a national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid, addressed to Landlord as follows:

S B YEN Management
Attention: Thomas P. Hollowed
806 York Road
Hinsdale, Illinois 60521

and

S.B.Y. Wabash, L.L.C.
Attention: Su - Mei Yen
806 York Road
Hinsdale, Illinois 60521

or at such other place as Landlord may from time to time designate by written notice to Tenant. Any notice, demand or request which shall be served upon Landlord by Tenant, or upon Tenant by Landlord, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

10.2 Partial Invalidity.

If any covenant, condition, provision, term or agreement of this lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this lease shall be valid and in force to the fullest extent permitted by law.

10.3 Governing Law.

This lease shall be construed and be enforceable in accordance with the laws of the State of Illinois.

10.4 Entire Agreement.

All preliminary and contemporaneous negotiations are merged into and incorporated in this lease. This lease contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

10.5 Captions And Section Numbers.

The captions and section numbers appearing in this lease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this lease nor in any way affect this lease.

10.6 Binding Effect Of Lease.

The covenants, agreements and obligations contained in this lease shall extend to, bind and inure to the benefit of the parties hereto and their legal representatives, heirs, successors and assigns.

10.7 Time Is Of The Essence.

Time is of the essence of this lease and of each and every provision hereof.

10.8 No Principal/Agent Or Partnership Relationship.

Nothing contained in this lease shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

10.9 Authorization To Execute Lease.

The parties executing this lease hereby represent and warrant that they are the

duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this lease, it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

10.10 Termination Of Lease.

Tenant shall have the right to terminate this lease by providing Landlord with one hundred twenty (120) days prior written notice anytime after execution of this lease.

10.11 Force Majeure.

When a period of time is provided in this lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 Condemnation.

If the whole or any substantial part of the Premises are taken or condemned by any competent authority for any public use or purpose, or if any adjacent property or street shall be so condemned or improved in such a manner as to require the use of any part of the Premises, the term of this lease shall, at the option of Landlord or the condemning authority, be terminated upon, and not before, the date when possession of the part so taken shall be required for such use or purpose, and Landlord shall be entitled to receive the entire award without apportionment with Tenant. Rent shall be apportioned as of the date of Tenant's vacating as the result of said termination.

Section 11.

Additional Responsibilities Of Landlord.

Landlord under this lease shall:

11.1

Professionally spot paint the Premises and clean carpet where necessary after one (1) month from execution of this lease.

11.2

Provide and pay for hot and domestic water for the Premises.

11.3

Maintain plumbing in good operable condition.

11.4

Maintain two (2) fire extinguishers on the Premises within seventy-five (75) feet of Premises. Landlord will not be responsible for vandalized or stolen fire extinguishers.

11.5

Provide, at Landlord's expense, any and all janitorial service for maintenance of the exterior and interior of building, including all structural, mechanical and electrical components. Janitorial service as used herein shall not be construed to mean cleaning, washing, or sweeping of any kind, or moving of furniture or replacing of light bulbs, et cetera, but shall refer strictly to service for the maintenance of the physical plant.

11.6

Provide for air-conditioning to the Premises during normal business hours whenever air-conditioning shall be necessary and/or required for the comfortable occupancy of the Premises. Landlord shall maintain the plant and equipment in good operable condition, excluding damage caused by acts of vandalism from Tenant or any of its agents or clients.

11.7

Provide and pay for heat to the Premises during normal business hours whenever heat shall be necessary and/or required for the comfortable occupancy of the Premises. Landlord shall maintain the plant and equipment in good operable condition, excluding damage caused by acts of vandalism from Tenant or any of its agents or clients.

11.8

Provide and pay for nightly custodial services which shall be construed as cleaning, washing, emptying wastepaper baskets, replacement of light bulbs or sweeping of any kind; including service to be provided nightly, five (5) nights per week, Monday through Friday, excluding union holidays:

Nightly:

Empty and damp wipe all ash trays.

Empty and dust all waste receptacles.

Place waste in bags furnished by the Landlord and leave in a designated area.

Empty, clean and refill smoking urns as needed.

Sweep with treated cloths all composition tile flooring.

Monitor stairways for debris.

Wash, clean all water fountains and coolers, emptying waste water as necessary.

Clean lavatories As Follows:

Wash and dry all bowls, seats, urinals, washbasins and mirrors.

Wash and dry all metal work.

Empty paper towel and sanitary napkin disposal receptacles and remove to designated areas.

Insert toilet tissue, toweling and soap dispensers, material to be furnished by Landlord.

Sweep and wash floors.

Dust all sills, partitions and ledges.

Damp wipe interior of waste cans and dispensing units.

Wash interior of waste cans and sanitary disposal containers in lavatories.

Weekly:

Wash booth partitions in lavatories.

Sweep and dust stairways.

Sweep all floors in the mechanical, storage and disposal equipment rooms.

Mop all restroom floors.

Twice Weekly (Tuesday and Thursday):

Dust all areas within hand-high reach; this includes window sills, wall ledges, chairs, desks, tables, baseboards, file cabinets, radiators, pictures and all office furniture.

Three Times Weekly (Monday, Wednesday, Friday):

Vacuum all carpeted areas.

Monthly:

Scrub all restroom floors.

Wash tile walls in lavatories.

Wash all stairways.

Quarterly:

Wash and wax all composition tile flooring.

High dust all walls, ledges, pictures, anemostats and registers not reached in normal nightly cleaning.

Section 12.

Additional Responsibilities Of Tenant.

Tenant under this lease shall:

12.1

Tenant reserves the right to install an appropriate sign on the front exterior of the office provided that it complies with building management standards.

12.2

Upon the termination of this lease, Tenant shall surrender the Premises to the Landlord in a comparable condition to the condition of the Premises at the beginning of this lease, with normal wear and tear taken into consideration.

12.3

Tenant, or any of its agents or employees, shall not perform or permit any practice that is injurious to the Premises or unreasonably disturbs other Tenants; is illegal; or increases the rate of insurance on the Premises.

12.4

Tenant shall keep out of Premises materials which cause a fire hazard or safety hazard and comply with reasonable requirements of Landlord's fire insurance carrier; not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances thereto; and maintain the smoke detectors in the Premises in accordance with applicable Law.

Section 13.

Additional Clauses.

13.1

Landlord shall provide and pay for automatic elevator service at times in common with other Tenants.

13.2

Landlord shall provide and pay for exterminator service whenever Landlord determines it is necessary.

13.3

Landlord shall provide and pay for twenty-four (24) hour phone in entry system on main floor of building and maintain same.

13.4 Mechanics' Lien.

The Tenant shall not permit any Mechanics' or other liens to be filed against the Premises nor against the Landlord's leasehold interest in the Premises by reason of work, labor, services, or materials supplied or claimed to have been supplied to the Tenant or anyone holding the Premises under the Tenant. Such Mechanics' Lien shall at any time be filed against the Premises, the Tenant shall cause the same to be discharged of record, within thirty (30) days after the date of filing. If the Tenant shall fail to discharge such Mechanics' Lien with such period, then the Landlord may, but shall not be obligated to, procure its discharge by paying the amount claimed to be due. Any amount paid by the Landlord for discharged of the lien shall be deemed additional rent hereunder and be payable by the Tenant to the Landlord.

13.5 Certain Rights Reserved To The Landlord.

The Lessor reserves the following rights: (A) to change the name or street address of the building without notice or liability of the Landlord to the Tenant; (B) to install or maintain a sign or signs on the exterior of the building; (C) to have access for the Landlord and other Tenants of the building to any mail chutes located on the Premises according to the rules of the United States post office; (D) to designate all

sources furnishing sign painting and lettering, drinking water, towel and toilet supplies used on the Premises; (E) during the last ninety (90) days of the Term, or during any part thereof, if during or prior to that time the Tenant vacates the Premises. To decorate, repair, remodel, alter or otherwise prepare the Premises for reoccupancy; (F) to grant anyone the exclusive right to conduct any particular business or undertaking in the building; (G) to exhibit the Premises to others and to display "For Rent" signs on the Premises; (H) to take any and all measures, including inspections, repairs, alterations, additions, and improvements to the Premises or to the building, as may be necessary or desirable for the safety, protection or preservation to the Premises or the building or the Landlord's interest, or as may be necessary or desirable in the operation of the building. The Landlord may enter upon the Premises or may exercise any or all of the foregoing rights hereby reserved without being deemed guilty of an eviction or disturbance of the Tenants use or possession and without being liable in any manner to the Tenant.

13.6 Security.

Landlord has no obligation or responsibility whatsoever to provide or oversee security, security measures or security services for the Premises or the building; Landlord may, however, in its sole discretion, provide security or security measures or retain a security service for its Premises without expense to Tenant. Tenant (for itself, its employees and agents and any person claiming through Landlord) hereby releases Landlord and Landlord's employees, agents and managers (including, without limitation, S.B.Y. Wabash, L.L.C., and its agents and employees) from, and waives any and all claims for loss to person or property sustained by Landlord (or any employees or agents, or any person claiming through Tenant) or by any occupant of the building or the Premises or any part of either relating to, resulting from or in any way deriving from the provision, supervision, effectiveness, scope, insufficiency or absence of security or security services for or with respect to the Premises or building.

13.7 Certain Uses And Actions Expressly Prohibited.

Liquor. Without limiting the generality of the prohibited uses of the Premises, Tenant further covenants and agrees that Tenant will not use the Premises, nor permit same to be used for the manufacture, sale, barter or trade of intoxicating liquors or alcoholic beverages of any nature whatsoever, as the same shall be defined under the statutes of the United States or the State of Illinois, and upon a breach of this covenant, the Landlord may, at its option, terminate this lease, and upon the Landlord's election to do so and service upon Tenant of notice of such election, Tenant shall, forthwith within five (5) days from the date of the service of such notice, surrender the Premises to Landlord. Upon failure to surrender the

Premises within five (5) days, Tenant shall be guilty of forcible detainer thereof and the Landlord shall have the right to recover possession of Premises in an action of forcible detainer or detainer or otherwise.

13.8 Increased Insurance Risk.

It is understood and agreed that the Tenant will not use the Premises for any purpose, which will increase the premium cost of any policy of insurance now or hereafter carried on the building or covering its operation and the Tenant will pay to the Landlord as additional rent hereunder the amount of any increase in premium cost caused by the Tenant's use and occupancy of the demised Premises including the use permitted under the Terms hereof.

13.9 Rodents, Insects Or Animals.

Tenant shall do nothing which permits, contributes to or attracts rodents, insects, animals or infestation by any of same. Tenant shall take all action necessary to keep the Premises free of any rodent, insect or animal infestation or infiltration and shall do nothing which would cause such infestation of other areas of the building or property. Tenant shall be at all times in full compliance with all statutes, ordinances, Laws, codes, rules, regulations or the like bearing upon, governing or relating to food, cleanliness, health or the like. Tenant shall not be required to pay for extermination service and Premises.

13.10 Default Provision.

If the Tenant defaults in the payment of rent, and the Tenant does not cure the default within five (5) days after demand for payment of such rent, or if the Tenant defaults in the prompt and full performance of any other provisions of this lease, and the Tenant does not cure the default within twenty (20) days (forthwith if the default involves a hazardous condition) after written demand by the Landlord that the default be cured unless the default involves a hazardous condition which shall be cured forthwith upon the Landlords demand, or if the leasehold interest of the Tenant be levied upon under execution or be attached by process of Law, or if the Tenant makes an assignment for the benefit of creditors, or if a receiver be appointed for any property of the Tenant, or if the Tenant abandons the Premises, then and in any such event the Landlord may, if the Landlord so elects by not otherwise, and with notice of such election and with or without any demand whatsoever either forthwith terminate this lease and Tenants right to possession of the Premises or without terminating this lease, forthwith terminate the Tenants right to possession of the Premises.

If the Tenant abandons the Premises or otherwise entitles the Landlord so to elect, and Landlord elects to terminate the Tenants right to possession only, without terminating the lease, the Landlord may, at the Landlords option enter into the Premises, remove the Tenants signs and other evidences of tenancy, and take and hold possession provided, without such entry and possession terminating the lease or releasing the Tenant, in whole or in part, from the Tenants obligation to pay the rent hereunder for the full term, and in any such case the Tenant shall pay forthwith to the Landlord, if the Landlord so elects, a sum equal to the entire amount of the rent specified in Section 3 of this rider for the residue of the stated Term of up to any applicable termination date plus any other sums then due hereunder. Upon and after entry and possession without termination of the lease, the Landlord may, but need not, relet the Premises or any part thereof for the account of the Tenant to any person, firm or corporation other than the Tenant for such rent, for such time and upon such Terms as the Landlord in the Landlords sole discretion shall determine. In any such case, the Landlord may make repairs, alterations and additions in or to the Premises, and redecorate the same to the extent deemed by the Landlord necessary or desirable, and the Tenant shall, upon demand, pay the cost thereof, together with the Landlords expenses of the reletting. If the consideration collected by the Landlord upon any such reletting for the Tenant shall pay monthly the balance amount of the rent reserved in this lease, together with the costs of repairs, alterations, additions, redecorating and the Landlords expenses the Tenant shall pay monthly the balance amount of the rent reserved in this lease, together with the costs of repairs, alteration, additions, redecorating and the Landlords expense. The Tenant shall pay to the Landlord the amount of each monthly deficiency upon demand; and if the consideration so collected from any such reletting is equal to or more than sufficient to pay the full amount of the rent reserved herein, together with the costs and expenses of the Landlord, then the obligations of Tenant under this lease shall terminate.

Any and all property which may be removed from the Premises by the Landlord pursuant to the authority of the lease or of Law, to which the Tenant is or may be entitled, may be handled, removed or stored by the Lessor at the risk, cost or expense of the Tenant, and the Landlord shall in no event be responsible for the value, preservation or safekeeping thereof the Tenant shall pay to the Landlord, upon demand, any and all expenses incurred in such removal and all storage charges against such property so long as the same shall be in the Landlord possession or under the Landlord control. Any such property of the Tenant not taken from storage by the Tenant within ninety (90) days after the end of the Term, however terminated, shall be conclusively presumed to have been conveyed by the Tenant to the Landlord under this lease as a bill of sale without further payment of credit by the Landlord to the Tenant.

13.11 Repairs.

Subject to the provisions of Section 11 of this lease, the Tenant shall, at the Tenants own expense except for ordinary wear and tear or demised Premises, keep the Premises in good order, condition and repair during the Term, under the supervision and with the approval of the Landlord. If the Tenant does not make repairs promptly and adequately, the Landlord may, but need not make repairs and the Tenant shall pay promptly the cost thereof. At any time or times, the Landlord either voluntarily or pursuant to governmental requirement, may at the Landlords own expense, make repairs, alterations or improvements in or to the building, or any part thereof, including the Premises, and during operations, may close entrances, doors, corridors, elevators or other facilities, all without any liability to the Tenant by reason of interference, inconvenience or annoyance. The Landlord shall not be liable to the Tenant for any expense, injury, loss or damage resulting from work done in or upon, or the use of any adjacent or nearby building, land street or alley.

13.12 Right Of Mortgagee.

The rights of the Tenant under this lease are subordinate at all times to the lien of any mortgages now or hereafter placed against the Premises. At Landlord's request and provided Landlord is not in default, Tenant shall execute a document in recordable form confirming that this lease is subordinate to any mortgage. Tenant, at the option of any mortgagee, agrees (a) to attorn to such mortgagee in the event of a foreclosure sale or deed in lieu thereof, and (b) to execute such attornment, security, assignment or related agreements as Landlord's mortgagee may reasonably require provided Landlord, is not in default.

13.13 No Broker.

Tenant represents and warrants that it has had no dealings with any real estate Broker or Agent in connection with this lease except SBY Wabash, L.L.C., and it knows of no other Broker or Agent who might be entitled to a commission in connection with this lease. Tenant shall indemnify and hold harmless Landlord from any commissions claims brought in connection with execution of this lease arising out of any act of Tenant.

In Witness Whereof, The parties have executed this lease as of the day and year first above written.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of the Department of General Services is authorized to execute on behalf of the City of Chicago, a renewal of a lease from Herbert C. Harris, as Sole Beneficiary of Harris Trust and Savings Bank Trust, Trust Number 35736, dated October 31, 1973, as Landlord, for approximately seven thousand (7,000) square feet of office space on the second (2nd) floor located at 110 East 79th Street including private parking for approximately twenty-five (25) automobiles on the east side of the building, for use as the Chatham Avalon Mental Health Center by the Department of Health and to be approved as to form and legality by the Corporation Counsel in substantially the following form:

[Lease Agreement immediately follows
Section 2 of this ordinance.]

SECTION 2. This ordinance shall be effective from and after the date of its passage.

Lease Agreement referred to in this ordinance reads as follows:

Lease Agreement.

This lease is made and entered into this ____ day of _____, 2000, by and between Herbert C. Harris, as sole beneficiary of Harris Trust & Savings Bank Trust, dated October 31, 1973, and known as Trust Number 35736 (hereinafter referred to as "Landlord") and the City of Chicago, an Illinois municipal corporation (hereinafter referred to as "Tenant").

Recitals.

Whereas, Landlord is the owner of the premises more commonly known as 110 East 79th Street, Chicago, Cook County, Illinois; and

Whereas, Landlord has agreed to lease to Tenant, and Tenant has agreed to lease from Landlord approximately seven thousand two hundred (7,200) square feet of office space on the second (2nd) floor, and also private parking for approximately twenty-five (25) automobiles on the east side of the facility, located at 110 East 79th Street be used by the Department of Health as its Chatham Avalon Mental Health Center;

Now, Therefore, In consideration of the covenants, terms and conditions set forth herein, the parties hereto agree and covenant as follows:

Section 1.

Grant.

Landlord hereby leases to Tenant the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately seven thousand two hundred (7,200) square feet of office space located on the second (2nd) floor and private parking for approximately twenty-five (25) automobiles, located on that certain parcel of real estate more commonly known as 110 East 79th Street, Chicago, Illinois (the "Premises").

Section 2.

Term.

The term of this lease ("Term") shall commence on November 1, 2000, ("Commencement Date"), and shall end on October 31, 2003 unless sooner terminated as set forth in this lease.

Section 3.

Rent, Taxes And Utilities.

3.1 Rent.

Tenant shall pay base rent for the Premises in the amount of:

a) Nine Thousand Six Hundred and no/100 Dollars (\$9,600.00) per month for the period beginning on the first day of November, 2000 and ending on the thirty-first day of October, 2001;

b) Nine Thousand Seven Hundred Ninety-two and no/100 Dollars (\$9,792.00) per month for the period beginning on the first day of November, 2001 and ending on the thirty-first day of October, 2002;

c) Nine Thousand Nine Hundred Ninety and no/100 Dollars (\$9,990.00) per month for the period beginning on the first day of November, 2002 and ending on the thirty-first day of October, 2003.

Rent shall be paid to Landlord Dr. Herbert Harris, H & H Enterprises, Inc., 110 East 79th Street, Chicago, Illinois, 60619, or at such place as Landlord may from time to time, hereby designate in writing to Tenant.

3.2 Taxes And Other Levies.

Landlord shall pay when due all real estate taxes, duties, assessments, gas, heat, sewer and water charges and other levies assessed against the Premises, except for those charges which this lease specifies that Tenant shall pay.

3.3 Utilities.

Tenant shall pay when due all charges for electricity, light and telephone or other communication service, and all other utility services used in or supplied to the Premises, except for those charges which this lease specifies that Landlord shall pay.

Section 4.

*Condition And Enjoyment Of Premises,
Alterations And Additions, Surrender.*

4.1 Condition Of Premises Upon Delivery Of Possession.

Landlord covenants that the Premises shall, at the time of delivery of possession to Tenant:

a) comply in all respects with all laws, ordinances, orders, rules, regulations and requirements of all federal, state and municipal governmental departments, ("Law") which may be applicable to the Premises or to the use or manner of use of the Premises;

b) contain no environmentally hazardous materials.

Landlord shall have no obligation to Tenant for any condition or violation, as specified in paragraphs (a) and (b) of this Section 4 existing on the Premises at date of possession resulting from current Tenant's use and occupancy of the Premises; the current Tenant and the Tenant under this lease being the same.

Landlord's duty under this section of the lease shall survive Tenant's acceptance of the Premises.

4.2 Covenant Of Quiet Enjoyment.

Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements and conditions of this lease on its part to be kept, observed and performed, shall lawfully and quietly hold, occupy and enjoy the Premises (subject to the provisions of this lease) during the Term without hindrance or molestation by Landlord or by any person or persons claiming under Landlord.

4.3 Landlord's Duty To Maintain Premises And Right Of Access.

Unless otherwise provided in this lease, Landlord shall, at Landlord's expense, keep the Premises in a condition of thorough repair and good order, and in

compliance with all applicable provisions of the Municipal Code of Chicago, including but not limited to those provisions in Title 13 ("Building and Construction"), Title 14 ("Electrical Equipment and Installation") and Title 15 ("Fire Prevention"), Title 10 and Title 17 ("Landscape Ordinance"). If Landlord shall refuse or neglect to make needed repairs within ten (10) days after written notice thereof sent by Tenant, unless such repair cannot be remedied by ten (10) days and Landlord shall have commenced and is diligently pursuing all necessary action to remedy such repair. Tenant is authorized to make such repairs and to deduct the cost thereof from rents accruing under this lease. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of Premises to prospective or actual purchasers, mortgagees, tenants, workmen or contractors or as otherwise necessary in the operation or protection of the Premises.

4.4 Use Of The Premises.

Tenant shall not use the Premises in a manner that would violate any Law. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the laws, ordinances, orders, rules, regulations and requirements of all federal, state and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises, disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof.

4.5 Alterations And Additions.

Tenant shall have the right to make such alterations, additions and improvements on the Premises as it shall deem necessary, provided that any such alterations, additions and improvements shall be in full compliance with the applicable Law and provided that Tenant has obtained the prior written consent of Landlord. Landlord shall not unreasonably withhold consent.

Section 5.

Assignment, Sublease And Liens.

5.1 Assignment And Sublease.

Tenant shall not assign this lease in whole or in part, or sublet the Premises or any part thereof without the written consent of Landlord in each instance. Landlord shall not unreasonably withhold consent.

5.2 Tenant's Covenant Against Liens.

Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Premises. All liens and encumbrances created by Tenant shall attach to Tenant's interest only.

Section 6.

Insurance And Indemnification.

6.1 Insurance.

The Landlord shall procure and maintain at all times, at Landlord's own expense, during the term of this lease, the types of insurance specified below, with insurance companies authorized to do business in the State of Illinois.

The kinds and amounts of insurance required are as follows:

a) Workers' Compensation And Occupational Disease Insurance.

Workers' Compensation and Occupational Disease Insurance, in accordance with the laws of the State of Illinois, or any other applicable jurisdiction, covering all employees and Employer's Liability coverage with limits of not less than One Hundred Thousand Dollars (\$100,000) each accident or illness.

b) Commercial Liability Insurance (Primary And Umbrella).

Commercial Liability Insurance or equivalent with limits of not less than One Million Dollars (\$1,000,000) per occurrence, combined single limit, for bodily injury, personal injury and property damage liability. Coverage extensions shall include the following: all premises and operations, products/completed operations, broad for property, separation of insured and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents and representatives are to be named as additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the lease.

c) Automobile Liability Insurance (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Landlord shall provide Comprehensive Automobile Liability Insurance with limits of not less than One Million Dollars (\$1,000,000) per occurrence, combined single limit, for bodily injury and property damage.

d) All-Risk Property Insurance.

All-Risk Property Insurance coverage shall be maintained by the Landlord for full replacement value to protect against loss, damage to or destruction of property.

The Landlord shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by Landlord.

6.2 Other Terms Of Insurance.

The Landlord will furnish the City of Chicago, Department of General Services, Bureau of Real Estate Management, 30 North LaSalle Street -- Suite 3700, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring

during the term of this lease. The Landlord shall submit evidence of insurance on the City of Chicago Insurance Certificate of Coverage Form (copy attached) prior to lease award. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all lease requirements. The failure of the City to obtain certificates or other insurance evidence from Landlord shall not be deemed to be a waiver by the City. The Landlord shall advise all insurers of the lease provisions regarding insurance. Non-conforming insurance shall not relieve Landlord of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the lease, and the City retains the right to terminate the lease until proper evidence of insurance is provided.

The insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Landlord.

The Landlord agrees that insurers shall waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The Landlord expressly understands and agrees that any coverages and limits furnished by Landlord shall in no way limit the Landlord's liabilities and responsibilities specified within the lease documents or by law.

The Landlord expressly understands and agrees that any insurance or self insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Landlord under the lease.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

6.3 Landlord's Indemnification.

Landlord shall indemnify and hold Tenant harmless against all liabilities, judgment costs, damages and expenses which may accrue against, be charged to,

or be recovered from Tenant, by reason of Landlord's negligent performance of or failure to perform any of its obligations under this lease.

Section 7.

Damage Or Destruction.

7.1 Damage Or Destruction.

If the Premises shall be damaged or destroyed by fire or other casualty to such extent that Tenant cannot continue, occupy or conduct its normal business therein for a period of sixty (60) days, Tenant shall have the option to declare this lease terminated as of the date of such damage or destruction by giving Landlord written notice to such effect. If Tenant exercises this option, the rent shall be apportioned as of the date of such damage or destruction and Landlord shall forthwith repay to Tenant all prepaid rent.

Section 8.

Conflict Of Interest And Governmental Ethics.

8.1 Conflict Of Interest.

No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as directed in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises; nor shall any such official, employee or member participate in making or in any way attempt to use his position to influence any City governmental decision or action with respect to this lease.

8.2 Duty To Comply With Governmental Ethics Ordinance.

Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics", including but not limited to Section 2-156-120, which states that no payment, gratuity or offer of employment shall be made in

connection with any City of Chicago contract, as an inducement for the award of a contract or order. Any contract or lease negotiated, entered into or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.

Section 9.

Holding Over.

9.1 Holding Over.

Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning November 1, 2003 and the rent shall be at the same rate as set forth in Section 3.1(c) of this lease.

Section 10.

Miscellaneous.

10.1 Notice.

All notices, demands and requests which may be or are required to be given, demanded or requested by either party to the other shall be in writing. All notices, demands and requests by Landlord to Tenant shall be delivered by national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid addressed to Tenant as follows:

Asset Manager
Department of General Services
Bureau of Real Estate Management
30 North LaSalle Street, Suite 3700
Chicago, Illinois 60602

or at such other place as Tenant may from time to time designate by written notice to Landlord and to Tenant at the Premises. All notices, demands and requests by Tenant to Landlord shall be delivered by a national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid, addressed to Landlord as follows:

Dr. Herbert C. Harris
H & H Enterprises, Inc.
110 East 79th Street
Chicago, Illinois 60619

or at such other place as Landlord may from time to time designate by written notice to Tenant. Any notice, demand or request which shall be served upon Landlord by Tenant, or upon Tenant by Landlord, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed or deposited with courier.

10.2 Partial Invalidity.

If any covenant, condition, provision, term or agreement of this lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this lease shall be valid and in force to the fullest extent permitted by Law.

10.3 Governing Law.

This lease shall be construed and be enforceable in accordance with the laws of the State of Illinois.

10.4 Entire Agreement.

All preliminary and contemporaneous negotiations are merged into and incorporated in this lease. This lease contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

10.5 Captions And Section Numbers.

The captions and section numbers appearing in this lease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this lease nor in any way affect this lease.

10.6 Binding Effect Of Lease.

The covenants, agreements and obligations contained in this lease shall extend to, bind and inure to the benefit of the parties hereto and their legal representatives, heirs, successors and assigns.

10.7 Time Is Of The Essence.

Time is of the essence of this lease and of each and every provision hereof.

10.8 No Principal/Agent Or Partnership Relationship.

Nothing contained in this lease shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

10.9 Authorization To Execute Lease.

The parties executing this lease hereby represent and warrant that they are duly authorized and acting representatives of Landlord and Tenant, respectively, and that by their execution of this lease, it became the binding obligation of Landlord and Tenant, respectively, subject to no contingencies or conditions except as specifically provided herein.

10.10 Termination Of Lease.

Tenant shall have the right to terminate this lease by providing Landlord with sixty (60) days prior written notice after execution of this lease.

10.11 Force Majeure.

When a period of time is provided in this lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 Condemnation.

If the whole or any substantial part of the Premises are taken or condemned by any competent authority for any public use or purpose, or if any adjacent property or street shall be so condemned or improved in such a manner as to require the use of any part of the Premises, the term of this lease shall, at the option of Landlord or the condemning authority, be terminated upon, and not before, the date when possession of the part so taken shall be required for such use or purpose and Landlord shall be entitled to receive the entire award without apportionment with Tenant. Rent shall be apportioned as of the date of Tenant's vacating as the result of said termination.

Section 11.

Additional Responsibilities Of Landlord.

Landlord under this lease shall:

11.1

Complete the following repairs within sixty (60) days of execution of the lease:

- a) repair rubber tread on the entrance stairs to the second (2nd) floor;
- b) replace all non-operative fluorescent light bulbs;
- c) clean all blinds in the Premises;
- d) professionally paint the Premises;

- e) replace missing floor tiles with identical existing tiles in file room.

11.2

Provide and maintain smoke detectors in warehouse and office area.

11.3

Provide and pay for buffing and waxing of floors in the Demised Premises on a bi-annual basis.

11.4

Provide and pay for prompt removal of snow and ice from sidewalks and parking lot which immediately abut said demised Premises.

11.5

Provide and pay for washing of all outside windows on a reasonable basis.

11.6

Provide and pay for exterminator service whenever necessary, except where necessity is caused by Tenants direct negligent use of Premises.

11.7

Repair broken skylight panels whenever necessary.

11.8

Provide and pay for hot and domestic water in office area only.

11.9

Maintain plumbing in good operable condition.

11.10

Maintain roof in a watertight condition.

11.11

Maintain two (2) fire extinguishers on the Premises at all times. Landlord will not be responsible for vandalized or stolen fire extinguisher.

11.12

Provide, at Landlord's expense, any and all janitorial service for maintenance of the exterior and interior of building, including all structural, plumbing, mechanical and electrical components. Janitorial service as used herein shall not be construed to mean cleaning, washing or sweeping of any kind, or moving of furniture or replacing of light bulbs, et cetera, but shall refer strictly to service for the maintenance of the physical plant.

11.13

Provide air-conditioning to the office areas only on the Premises whenever air-conditioning shall be necessary and/or required for the comfortable occupancy of the Premises. Landlord shall maintain the plant and equipment in good operable condition, excluding damage caused by acts of vandalism from Tenant or any of its agents or clients.

11.14

Provide heat to the Premises whenever heat shall be necessary and/or required for the comfortable occupancy of the Premises. Landlord shall maintain the plant and equipment in good operable condition, excluding damage caused by acts of vandalism from Tenant or any of its agents or clients.

11.15

Pay for heating fuel costs for office area.

11.16

Comply with all Y2K requirements for all computer systems that effect the operation of the Premises.

Section 12.

Additional Responsibilities Of Tenant.

Tenant under this lease shall:

12.1

Replace any broken plate glass on second floor of said Premises during Term of lease which is not caused by negligence of Landlord.

12.2

Provide and pay for nightly custodial services which shall be construed as cleaning, washing, emptying wastepaper baskets, replacement of light bulbs or sweeping of any kind.

12.3

Tenant reserves the right to install an appropriate sign on the front exterior of the building provided that it complies with federal, state and municipal laws.

12.4

Upon the termination of this lease, Tenant shall surrender the Premises to the Landlord in a comparable condition to the condition of the Premises at the beginning of this lease, with normal wear and tear taken into consideration.

12.5

Tenant will allow Landlord to place upon Premises notices of rental signs not to exceed two (2) feet by two (2) feet in size.

12.6

Pay for monthly alarm service and maintenance of the system, if system is installed by Tenant.

12.7

Tenant, or any of its agents or employees, shall not perform or permit any practice that is injurious to the Premises or unreasonably disturbs other Tenants; is illegal; or increases the rate of insurance on the Premises.

12.8

Tenant shall keep out of Premises materials which cause a fire hazard or safety hazard and comply with reasonable requirements of Landlord's fire insurance carrier; not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances thereto; and maintain the smoke detectors in the Premises in accordance with applicable Law.

*Section 13.**Additional Clauses.*

13.1

The rights of the Tenant under this lease shall be and are subject and subordinate at all times to the lieu of any mortgage or mortgages now or hereafter in force against the building or the underlying leasehold estate, if any, and to all advances made or hereafter to be made upon the security thereof, and Tenant shall execute such further instruments subordinating this lease to the lien or liens or such mortgage or mortgages as shall be requested by Landlord.

13.2 Use Of Premises.

Tenant shall have use and occupy the Premises for office use as the Chatham Avalon Mental Health Center.

In Witness Whereof, The parties have executed this lease as of the day and year first above written.

Dumpsters/Roll Off Boxes On The Public Way.

10-28-799 Dumpsters/Roll Off Boxes On The Public Way.

(A) Definitions. For purposes of this section, the following terms shall have the following meanings:

- (1)(a) "Dumpster" shall mean any container used for the storage, collection, or removal of construction debris, demolition debris, or other discarded material but shall not include a refuse compactor or grease container, as defined in Section 10-28-791 of the code, and shall also not include the refuse containers described in Section 7-28-210 of the code.*
- (b) "Class A Dumpster" shall mean a dumpster with a capacity of 30 cubic yards or less.*
- (c) "Class B Dumpster" shall mean a dumpster with a capacity of greater than 30 cubic yards.*
- (2) "Graffiti" shall mean an inscription, drawing, mark or design that is painted, sprayed or otherwise placed on or in a dumpster without the consent of the provider.*
- (3) "Provider" shall mean the person who leases or otherwise provides a dumpster for temporary use at the location requested.*

(B) Permit Required. It shall be unlawful for any provider to place or maintain a dumpster on the public way unless such provider shall first obtain a dumpster permit. The department of transportation shall send by facsimile transmission a copy of the dumpster permit to the ward superintendent of the affected ward. A provider obtaining a valid dumpster permit pursuant to this section shall not be required to also obtain the permit required by Section 13-32-140 of the code for such dumpster.

(C) Application. An application for a dumpster permit shall be made to the commissioner of transportation by the provider. In addition to such other information as the commissioner may require, the applicant shall state:

- (1) *The name, address and telephone number of the provider of the dumpster(s).*
- (2) *The number of dumpster(s) intended to occupy the permitted location.*
- (3) *The class of the dumpster(s) to be provided.*
- (4) *The street address adjacent to where the dumpster(s) will be located.*
- (5) *The intended use of the dumpster(s).*
- (6) *The intended period of occupancy of the dumpster(s).*

During the term of the permit, in the event the permit holder seeks to provide a larger class of dumpster than specified in the dumpster permit, or extend the time of occupancy beyond the time specified in the dumpster permit, application must be made to the commissioner of transportation for an amendment to the permit, and the appropriate adjustment to the permit fee must be submitted. Any change to item (2), (4) or (5) above will require application for and issuance of a new dumpster permit. Provided, however, that if the change to item (4) is necessitated by the presence of a fire hydrant or other object preventing legal placement of the dumpster at the street address for which initial application is made, an amendment to the permit will be acceptable, for no additional fee.

(D) Insurance. No dumpster permit shall be issued until the applicant for such permit shall first have presented to the commissioner of transportation proof of insurance against any liability, loss or claim arising out of the issuance of dumpster permits, or out of the placement, presence, use, maintenance or removal of the dumpsters. Such insurance shall be issued by an insurer authorized to do business in Illinois, shall be in an amount no less than \$1,000,000.00 and shall name the city of Chicago, its officers, employees and agents as additional insured. The insurance policy shall provide for 30 days written notice to the commissioner of transportation prior to any lapse, cancellation or change in coverage. The insurance shall be maintained in effect at all times that the dumpster remains on the public way.

(E) Security. No dumpster permit shall be issued until the applicant for such permit shall first have provided to the commissioner of transportation a letter of credit in the amount of \$5,000.00 to ensure compliance with the provisions of this section and the permits issued thereunder, including payment of any costs, fees and fines and proper restoration of the public way upon removal of the dumpsters. The form of such letter of credit shall be set forth by regulation and shall be subject to the approval of the corporation counsel. The commissioner of transportation shall provide at least 30 days written notice to the permittee, specifying the conditions or

circumstances to be corrected, before drawing on a permittee's letter of credit.

(F) Upon good cause shown, the commissioner of transportation, in his or her discretion may require, instead of such insurance and letter of credit, any alternative form of indemnity, protection or security that he or she deems necessary to accomplish the above described purposes.

(G) Permit Fee. The permit fee for each dumpster permitted pursuant to this section shall be as follows:

- (1)(a) For the placement of each class A dumpster not to exceed three days, \$50.00.*
- (b) For the placement of each class B dumpster not to exceed three days, \$100.00.*
- (2)(a) For the placement of each class A dumpster exceeding three days, a monthly fee of \$100.00.*
- (b) For the placement of each class B dumpster exceeding three days, a monthly fee of \$200.00.*
- (3) The fee for placement of each dumpster within the Central Business District, as that area is delineated in Section 9-4-010 of the code, shall be twice the amount set forth in subsections (1) and (2) above.*
- (4) Fees for removal and replacement and/or disabling of parking meters provided for by Section 9-68-050 of the code, as applicable.*

(H) Dumpster Identification. It shall be the duty of the provider to paint or otherwise permanently affix on each dumpster: (1) the name and telephone number of the provider according to the following standards: the letters and numerals shall be a minimum of three inches in height, shall be clearly legible from a distance of 30 feet, and shall be painted or otherwise affixed on both long sides of the dumpster, 12 inches down from the top or lip, and 12 inches from the corner, and (2) a unique identification number for the dumpster.

(I) Location. No dumpster may be placed in any of the following locations:

- (1) *Within 40 feet of any bus stop.*
- (2) *On any arterial street between November 1 and April 1, if the department of transportation has provided notice of a Phase 3 snow emergency by facsimile transmission to the provider and has provided a 12-hour period from the time of transmission to remove such dumpster.*
- (3) *Within 10 feet of any parking space designated for persons with disabilities.*
- (4) *Within 10 feet of any pedestrian crosswalk.*
- (5) *Within 10 feet of any intersection.*
- (6) *Within 20 feet of any fire hydrant.*
- (7) *On any parkway or sidewalk, unless the dumpster provider demonstrates to the satisfaction of the commissioner of transportation that an alternative location is not feasible and that placement of the dumpster(s) on such parkway or sidewalk would not create a safety hazard, disrupt pedestrian or vehicular traffic, or damage public or private property.*

(J) Placement, Appearance And Maintenance Of Dumpster. It shall be the responsibility of the provider:

- (1) *Upon delivery, to place the dumpster immediately adjacent to the property identified by the street address stated on the permit application.*
- (2) *Upon delivery, to provide the dumpster free of graffiti.*
- (3) *Within three business days of receiving notification via facsimile transmission from the department of transportation, to remove graffiti from the dumpster(s) identified in the notification.*
- (4) *To maintain the dumpster free of gaps or holes so as to prevent the spillage of materials from the dumpster onto the public way.*
- (5) *To affix and maintain, on each of the four corners of the dumpster, high-intensity retro-reflective sheeting, or other retro-reflective or prismatic material or substance approved by the department of transportation, a*

minimum of three feet in length, and two inches in width along each side of the corner.

- (6) *When transporting or otherwise moving a dumpster, to ensure that no portion of the load is falling, sifting, blowing, dropping or in any way escaping from the dumpster. The provider shall use a tarpaulin or other appropriate cover to secure the top of a dumpster while in transit.*

(K) *Penalties.*

- (1) *Any person violating subsection (B) of this section shall be subject to a fine of not less than \$250.00 nor more than \$1,500.00 for each offense. Provided, however, that any person violating subsection (B) of this section within the Central Business District, as that area is delineated in Section 9-4-010 of the code, shall be subject to a fine of not less than \$500.00 nor more than \$3,000.00 for each offense.*
- (2) *Any person violating any provision other than subsection (B) of this section shall be subject to a fine of not less than \$50.00 nor more than \$1,000.00 for each offense. Provided, however, that any person violating any provision other than subsection (B) of this section within the Central Business District, as that area is delineated in Section 9-4-010 of the code, shall be subject to a fine of not less than \$100.00 nor more than \$2,000.00 for each offense.*
- (3) *Each day that a violation is permitted to exist shall constitute a separate offense. In addition, any dumpster in the public way not bearing the dumpster identification information required by subsection (H) of this section, not validly permitted, or not located immediately adjacent to the street address specified in the permit may be removed by the city, and all costs associated with such removal shall be borne by the provider of the dumpster. The owner of a dumpster, if different from a provider, shall be jointly and severally liable with the provider for any violation of this section.*

SECTION 2. Section 9-68-050 of the Municipal Code of Chicago is hereby amended by deleting the language in brackets and inserting the language in italics as follows:

9-68-050 Temporary *Disabling Or Removal Of* Parking Meters.

[The commissioner of transportation may order temporary removal of parking

meters during construction periods provided a permit for work in a public way has been issued. The permittee shall pay, fee of \$100.00 in advance for the removal and reinstallation of each parking meter. In addition,] *In the event that one or more parking meters must be temporarily removed or are otherwise rendered unusable in order to accommodate properly permitted work in or affecting the public way, the permittee shall pay a monthly surcharge per meter based upon the average revenue during the preceding year in that parking meter area. The surcharge imposed by this section shall not apply where the permittee is performing construction work pursuant to a contract with the city or other governmental entity. In addition, if removal of one or more meters is necessary for the permitted work to proceed, the commissioner of transportation may order temporary removal of the affected parking meters. The permittee shall pay a fee of \$100.00 in advance for the removal and reinstallation of each parking meter.*

SECTION 3. Section 13-32-140 of the Municipal Code of Chicago is hereby amended by inserting the language in italics, as follows:

13-32-140 Obstruction Of Streets And Sidewalks.

The obstruction of sidewalks, parkways, alleys and streets to accommodate work described in Section 13-32-010 shall require a separate permit issued by the commissioner of transportation subject to the requirements of this section. *Provided, however, that such permit shall not be required for a dumpster, as defined in Section 10-28-799(A) of the code, that is validly permitted pursuant to Section 10-28-799 of the code.*

* * * * *

SECTION 4. Following due passage and publication, subsection (H)(2) of new section 10-28-799 added by this ordinance shall take effect on July 1, 2001. Following due passage and publication, the remaining provisions of this ordinance shall take effect on January 1, 2001.

Respectfully submitted,

(Signed) THOMAS R. ALLEN,
Chairman.

On motion of Alderman Allen, the said proposed ordinances transmitted with the foregoing committee report were *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, Thomas, Coleman, Peterson, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Giles, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

Said ordinances, as passed, read as follows (the italic heading in each case not being a part of the ordinance):

Becovic Management.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to Becovic Management, upon the terms and subject to the conditions of this ordinance, to construct, install, maintain and use two (2) flower beds with wrought iron fence surrounding the flower beds for beautification purposes adjacent to its premises known as 4520 North Clarendon Avenue. Said flower beds shall measure as follows:

- 1) Twenty-seven (27) feet in length and six (6) in width.
- 2) Twenty-eight (28) feet in length and six (6) feet in width.
- 3) Wrought iron fence have a height of eighteen (18) inches for each flower bed.

There shall be six (6) feet of clear space for pedestrian movement at all times on city sidewalk.

Authority herein given and granted for a period of five (5) years from and after date of passage.

The location of said privilege shall be shown on print hereto attached, which by reference is hereby incorporated and made a part of this ordinance. Such privilege and the structures and appliances herein authorized shall be maintained and used in accordance with all applicable laws, including the ordinances of the City of Chicago, and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way in, over or adjacent to said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee shall pay to the City of Chicago as compensation for the privilege herein granted the sum of Zero and no/100 Dollars (\$0.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates its property, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further

renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago or the Director of Revenue at their discretion, at any time without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code.

SECTION 4. In the event of failure, neglect or refusal of grantee so to perform any of its obligations under this ordinance, the City may, at its option, either (a) perform such work and charge the cost thereof to said grantee, or (b) determine what the cost of said work shall be and bill the grantee for said cost, or combine the two (2) methods. Immediately upon receipt of notice of such cost, grantee shall pay the City such amount.

SECTION 5. Grantee shall be responsible and pay for the removal, relocation, alteration, repair, maintenance and restoration of City-owned structures or appliances located in or adjacent to the public way including pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other facilities and utilities, which are necessary or appropriate on account of grantee's use of the public way. The Commissioner of Streets and Sanitation is hereby authorized, in his or her discretion and from time to time during grantee's use and occupancy of the public way until the restoration of the public way, to determine the work which is or will be necessary or appropriate and the cost involved to perform such work. The Commissioner is authorized to collect a deposit prior to commencing any work and to charge grantee all actual costs for causing all such work to be performed. The decision of such Commissioner shall be final and binding. The grantee, upon receiving written notification from the Commissioner of Streets and Sanitation of the required deposit or the cost of such work, shall immediately pay or deposit such amount as directed by the Commissioner.

SECTION 6. The grantee shall furnish to the Department of Revenue, prior to issuance of the permit for this privilege, a Certificate of Insurance evidencing coverage in an amount not less than One Million and no/100 Dollars (\$1,000,000.00) Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage that may result from the granting of said privilege. The Certificate of Insurance shall name the City of Chicago and its agents and employees as Additional Insureds and shall also clearly indicate that the

privilege being granted by this ordinance is covered by insurance policy. Certificates renewing such insurance coverage must be furnished to the Department of Revenue no later than thirty (30) days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 7. The Permittee(s) shall indemnify, keep and save harmless the City of Chicago, its agents and employees against all claims, liabilities, judgments, costs, damages and other expenses which may in any way arise or accrue against, be charged to or recovered from the City, its agents or employees in consequence of the permission given by this ordinance, or any act or thing done or omitted or neglected to be done by the grantee, its agents or employees in and about the construction, reconstruction, maintenance, operation, use or removal of the authorized structures or appliances or the use, operation or restoration of the public way as herein required, including those arising from any personal injuries or deaths or damage or destruction of property.

SECTION 8. The permission and authority herein granted shall not be exercised unless and until a permit authorizing such shall have been issued by the Director of Revenue. Such permit shall be conditioned upon the faithful observance and performance of all of the conditions and provisions of this ordinance, including the obligations to indemnify, keep and save harmless the City of Chicago and to provide insurance coverage. Such permit shall not be issued unless and until grantee has filed with the City Clerk a written acceptance of the terms and conditions of this ordinance, and submitted to the Department of Revenue evidence of the required insurance coverage and the first year's compensation.

SECTION 9. The permission and authority granted by this ordinance shall not be assignable except upon the approval of the Director of Revenue after full disclosure.

SECTION 10. This ordinance shall take effect and be in force from and after its passage and approval.

Centrum Properties.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to Centrum Properties, upon the terms and subject to the conditions of this ordinance, to construct, install, maintain and use occupation of space under the public right-of-way adjacent to its premises known as 913 -- 949 West North Avenue. Said occupation of space shall be used for two (2) areaways located directly beneath the walkway. One of these areaways will be used by Commonwealth Edison for mechanical equipment and measure fifteen (15) feet in length and eleven (11) feet in width along North Sheffield Avenue. The other will be used for a water pump and meter along North Sheffield Avenue and measure sixteen (16) feet in length and eleven (11) feet in width. The top of these walkways will be at the sidewalk level and covered over by a metal grille for air intake and access purposes. Authority herein given and granted for a period of five (5) years from and after date of passage.

The location of said privilege shall be shown on print hereto attached, which by reference is hereby incorporated and made a part of this ordinance. Such privilege and the structures and appliances herein authorized shall be maintained and used in accordance with all applicable laws, including the ordinances of the City of Chicago, and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way in, over or adjacent to said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee shall pay to the City of Chicago as compensation for the privilege herein granted the sum of Six Hundred and no/100 Dollars (\$600.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates its property, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City

of Chicago or the Director of Revenue at their discretion, at any time without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code.

SECTION 4. In the event of failure, neglect or refusal of grantee so to perform any of its obligations under this ordinance, the City may, at its option, either (a) perform such work and charge the cost thereof to said grantee, or (b) determine what the cost of said work shall be and bill the grantee for said cost, or combine the two (2) methods. Immediately upon receipt of notice of such cost, grantee shall pay the City such amount.

SECTION 5. Grantee shall be responsible and pay for the removal, relocation, alteration, repair, maintenance and restoration of City-owned structures or appliances located in or adjacent to the public way including pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other facilities and utilities, which are necessary or appropriate on account of grantee's use of the public way. The Commissioner of Streets and Sanitation is hereby authorized, in his or her discretion and from time to time during grantee's use and occupancy of the public way until the restoration of the public way, to determine the work which is or will be necessary or appropriate and the cost involved to perform such work. The Commissioner is authorized to collect a deposit prior to commencing any work and to charge grantee all actual costs for causing all such work to be performed. The decision of such Commissioner shall be final and binding. The grantee, upon receiving written notification from the Commissioner of Streets and Sanitation of the required deposit or the cost of such work, shall immediately pay or deposit such amount as directed by the Commissioner.

SECTION 6. The grantee shall furnish to the Department of Revenue, prior to issuance of the permit for this privilege, a Certificate of Insurance evidencing coverage in an amount not less than One Million and no/100 Dollars (\$1,000,000.00) Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage that may result from the granting of said privilege. The Certificate of Insurance shall name the City of Chicago and its agents and employees as Additional Insureds and shall also clearly indicate that the privilege being granted by this ordinance is covered by insurance policy. Certificates renewing such insurance coverage must be furnished to the Department of Revenue

no later than thirty (30) days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 7. The Permittee(s) shall indemnify, keep and save harmless the City of Chicago, its agents and employees against all claims, liabilities, judgments, costs, damages and other expenses which may in any way arise or accrue against, be charged to or recovered from the City, its agents or employees in consequence of the permission given by this ordinance, or any act or thing done or omitted or neglected to be done by the grantee, its agents or employees in and about the construction, reconstruction, maintenance, operation, use or removal of the authorized structures or appliances or the use, operation or restoration of the public way as herein required, including those arising from any personal injuries or deaths or damage or destruction of property.

SECTION 8. The permission and authority herein granted shall not be exercised unless and until a permit authorizing such shall have been issued by the Director of Revenue. Such permit shall be conditioned upon the faithful observance and performance of all of the conditions and provisions of this ordinance, including the obligations to indemnify, keep and save harmless the City of Chicago and to provide insurance coverage. Such permit shall not be issued unless and until grantee has filed with the City Clerk a written acceptance of the terms and conditions of this ordinance, and submitted to the Department of Revenue evidence of the required insurance coverage and the first year's compensation.

SECTION 9. The permission and authority granted by this ordinance shall not be assignable except upon the approval of the Director of Revenue after full disclosure.

SECTION 10. This ordinance shall take effect and be in force from and after its passage and approval.

Dantis, Inc.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to Dantis, Inc., upon the terms and subject to the conditions of this ordinance, to construct, install, maintain and use one (1) vault under the public right-of-way adjacent to its premises known as 612 South Clinton Street. Said vault shall measure twelve (12) feet in length, ten (10) feet in width and have a depth of twelve (12) feet. The vault will be a Commonwealth Edison access well for maintenance of Commonwealth Edison equipment. Authority herein given and granted for a period of five (5) years from and after date of passage.

The location of said privilege shall be shown on print hereto attached, which by reference is hereby incorporated and made a part of this ordinance. Such privilege and the structures and appliances herein authorized shall be maintained and used in accordance with all applicable laws, including the ordinances of the City of Chicago, and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way in, over or adjacent to said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee shall pay to the City of Chicago as compensation for the privilege herein granted the sum of Three Hundred and no/100 Dollars (\$300.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates its property, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago or the Director of Revenue at their discretion, at any time without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public

way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code.

SECTION 4. In the event of failure, neglect or refusal of grantee so to perform any of its obligations under this ordinance, the City may, at its option, either (a) perform such work and charge the cost thereof to said grantee, or (b) determine what the cost of said work shall be and bill the grantee for said cost, or combine the two (2) methods. Immediately upon receipt of notice of such cost, grantee shall pay the City such amount.

SECTION 5. Grantee shall be responsible and pay for the removal, relocation, alteration, repair, maintenance and restoration of City-owned structures or appliances located in or adjacent to the public way including pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other facilities and utilities, which are necessary or appropriate on account of grantee's use of the public way. The Commissioner of Streets and Sanitation is hereby authorized, in his or her discretion and from time to time during grantee's use and occupancy of the public way until the restoration of the public way, to determine the work which is or will be necessary or appropriate and the cost involved to perform such work. The Commissioner is authorized to collect a deposit prior to commencing any work and to charge grantee all actual costs for causing all such work to be performed. The decision of such Commissioner shall be final and binding. The grantee, upon receiving written notification from the Commissioner of Streets and Sanitation of the required deposit or the cost of such work, shall immediately pay or deposit such amount as directed by the Commissioner.

SECTION 6. The grantee shall furnish to the Department of Revenue, prior to issuance of the permit for this privilege, a Certificate of Insurance evidencing coverage in an amount not less than One Million and no/100 Dollars (\$1,000,000.00) Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage that may result from the granting of said privilege. The Certificate of Insurance shall name the City of Chicago and its agents and employees as Additional Insureds and shall also clearly indicate that the privilege being granted by this ordinance is covered by insurance policy. Certificates renewing such insurance coverage must be furnished to the Department of Revenue no later than thirty (30) days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 7. The Permittee(s) shall indemnify, keep and save harmless the City of Chicago, its agents and employees against all claims, liabilities, judgments, costs, damages and other expenses which may in any way arise or accrue against, be charged to or recovered from the City, its agents or employees in consequence of the permission given by this ordinance, or any act or thing done or omitted or neglected to be done by the grantee, its agents or employees in and about the construction, reconstruction, maintenance, operation, use or removal of the authorized structures or appliances or the use, operation or restoration of the public way as herein required, including those arising from any personal injuries or deaths or damage or destruction of property.

SECTION 8. The permission and authority herein granted shall not be exercised unless and until a permit authorizing such shall have been issued by the Director of Revenue. Such permit shall be conditioned upon the faithful observance and performance of all of the conditions and provisions of this ordinance, including the obligations to indemnify, keep and save harmless the City of Chicago and to provide insurance coverage. Such permit shall not be issued unless and until grantee has filed with the City Clerk a written acceptance of the terms and conditions of this ordinance, and submitted to the Department of Revenue evidence of the required insurance coverage and the first year's compensation.

SECTION 9. The permission and authority granted by this ordinance shall not be assignable except upon the approval of the Director of Revenue after full disclosure.

SECTION 10. This ordinance shall take effect and be in force from and after its passage and approval.

Kiosk shall be located on the walkway area of the staircase and shall measure three (3) feet, six (6) inches in length and three (3) feet, six (6) inches in width at a height of ten (10) feet, six (6) inches. A minimum of six (6) feet of clear and unobstructed space shall be maintained for pedestrian passage along Grand Avenue at all times as approved by the Department of Transportation. Authority herein given and granted for a period of five (5) years from and after date of passage.

The location of said privilege shall be shown on print hereto attached, which by reference is hereby incorporated and made a part of this ordinance. Such privilege and the structures and appliances herein authorized shall be maintained and used in accordance with all applicable laws, including the ordinances of the City of Chicago, and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way in, over or adjacent to said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee shall pay to the City of Chicago as compensation for the privilege herein granted the sum of Three Hundred and no/100 Dollars (\$300.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates its property, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago or the Director of Revenue at their discretion, at any time without the

consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code.

SECTION 4. In the event of failure, neglect or refusal of grantee so to perform any of its obligations under this ordinance, the City may, at its option, either (a) perform such work and charge the cost thereof to said grantee, or (b) determine what the cost of said work shall be and bill the grantee for said cost, or combine the two (2) methods. Immediately upon receipt of notice of such cost, grantee shall pay the City such amount.

SECTION 5. Grantee shall be responsible and pay for the removal, relocation, alteration, repair, maintenance and restoration of City-owned structures or appliances located in or adjacent to the public way including pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other facilities and utilities, which are necessary or appropriate on account of grantee's use of the public way. The Commissioner of Streets and Sanitation is hereby authorized, in his or her discretion and from time to time during grantee's use and occupancy of the public way until the restoration of the public way, to determine the work which is or will be necessary or appropriate and the cost involved to perform such work. The Commissioner is authorized to collect a deposit prior to commencing any work and to charge grantee all actual costs for causing all such work to be performed. The decision of such Commissioner shall be final and binding. The grantee, upon receiving written notification from the Commissioner of Streets and Sanitation of the required deposit or the cost of such work, shall immediately pay or deposit such amount as directed by the Commissioner.

SECTION 6. The grantee shall furnish to the Department of Revenue, prior to issuance of the permit for this privilege, a Certificate of Insurance evidencing coverage in an amount not less than One Million and no/100 Dollars (\$1,000,000.00) Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage that may result from the granting of said privilege. The Certificate of Insurance shall name the City of Chicago and its agents and employees as Additional Insureds and shall also clearly indicate that the privilege being granted by this ordinance is covered by insurance policy. Certificates renewing such insurance coverage must be furnished to the Department of Revenue

no later than thirty (30) days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 7. The Permittee(s) shall indemnify, keep and save harmless the City of Chicago, its agents and employees against all claims, liabilities, judgments, costs, damages and other expenses which may in any way arise or accrue against, be charged to or recovered from the City, its agents or employees in consequence of the permission given by this ordinance, or any act or thing done or omitted or neglected to be done by the grantee, its agents or employees in and about the construction, reconstruction, maintenance, operation, use or removal of the authorized structures or appliances or the use, operation or restoration of the public way as herein required, including those arising from any personal injuries or deaths or damage or destruction of property.

SECTION 8. The permission and authority herein granted shall not be exercised unless and until a permit authorizing such shall have been issued by the Director of Revenue. Such permit shall be conditioned upon the faithful observance and performance of all of the conditions and provisions of this ordinance, including the obligations to indemnify, keep and save harmless the City of Chicago and to provide insurance coverage. Such permit shall not be issued unless and until grantee has filed with the City Clerk a written acceptance of the terms and conditions of this ordinance, and submitted to the Department of Revenue evidence of the required insurance coverage and the first year's compensation.

SECTION 9. The permission and authority granted by this ordinance shall not be assignable except upon the approval of the Director of Revenue after full disclosure.

SECTION 10. This ordinance shall take effect and be in force from and after its passage and approval.

Kaput Kapot.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to Kaput Kapot, upon the terms and subject to the conditions of this ordinance, to maintain and use four (4) tables on the public right-of-way (sidewalk) during business hours on Saturday and Sunday from 12:00 P.M. to 6:00 P.M. adjacent to the premises known as 717 West Armitage Avenue. Said tables shall be used for patrons engaged in painting pottery and other arts and crafts endeavors when weather permits. Said tables shall measure two (2) feet by two (2) feet and will allow a minimum of six (6) feet of clear and unobstructed passage at all times. Authority herein given and granted for a period of five (5) years from and after date of passage.

The location of said privilege shall be shown on print hereto attached, which by reference is hereby incorporated and made a part of this ordinance. Such privilege and the structures and appliances herein authorized shall be maintained and used in accordance with all applicable laws, including the ordinances of the City of Chicago, and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way in, over or adjacent to said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee shall pay to the City of Chicago as compensation for the privilege herein granted the sum of Three Hundred and no/100 Dollars (\$300.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates its property, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago or the Director of Revenue at their discretion, at any time without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago,

shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code.

SECTION 4. In the event of failure, neglect or refusal of grantee so to perform any of its obligations under this ordinance, the City may, at its option, either (a) perform such work and charge the cost thereof to said grantee, or (b) determine what the cost of said work shall be and bill the grantee for said cost, or combine the two (2) methods. Immediately upon receipt of notice of such cost, grantee shall pay the City such amount.

SECTION 5. Grantee shall be responsible and pay for the removal, relocation, alteration, repair, maintenance and restoration of City-owned structures or appliances located in or adjacent to the public way including pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other facilities and utilities, which are necessary or appropriate on account of grantee's use of the public way. The Commissioner of Streets and Sanitation is hereby authorized, in his or her discretion and from time to time during grantee's use and occupancy of the public way until the restoration of the public way, to determine the work which is or will be necessary or appropriate and the cost involved to perform such work. The Commissioner is authorized to collect a deposit prior to commencing any work and to charge grantee all actual costs for causing all such work to be performed. The decision of such Commissioner shall be final and binding. The grantee, upon receiving written notification from the Commissioner of Streets and Sanitation of the required deposit or the cost of such work, shall immediately pay or deposit such amount as directed by the Commissioner.

SECTION 6. The grantee shall furnish to the Department of Revenue, prior to issuance of the permit for this privilege, a Certificate of Insurance evidencing coverage in an amount not less than One Million and no/100 Dollars (\$1,000,000.00) Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage that may result from the granting of said privilege. The Certificate of Insurance shall name the City of Chicago and its agents and employees as Additional Insureds and shall also clearly indicate that the privilege being granted by this ordinance is covered by insurance policy. Certificates renewing such insurance coverage must be furnished to the Department of Revenue no later than thirty (30) days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee

until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 7. The Permittee(s) shall indemnify, keep and save harmless the City of Chicago, its agents and employees against all claims, liabilities, judgments, costs, damages and other expenses which may in any way arise or accrue against, be charged to or recovered from the City, its agents or employees in consequence of the permission given by this ordinance, or any act or thing done or omitted or neglected to be done by the grantee, its agents or employees in and about the construction, reconstruction, maintenance, operation, use or removal of the authorized structures or appliances or the use, operation or restoration of the public way as herein required, including those arising from any personal injuries or deaths or damage or destruction of property.

SECTION 8. The permission and authority herein granted shall not be exercised unless and until a permit authorizing such shall have been issued by the Director of Revenue. Such permit shall be conditioned upon the faithful observance and performance of all of the conditions and provisions of this ordinance, including the obligations to indemnify, keep and save harmless the City of Chicago and to provide insurance coverage. Such permit shall not be issued unless and until grantee has filed with the City Clerk a written acceptance of the terms and conditions of this ordinance, and submitted to the Department of Revenue evidence of the required insurance coverage and the first year's compensation.

SECTION 9. The permission and authority granted by this ordinance shall not be assignable except upon the approval of the Director of Revenue after full disclosure.

SECTION 10. This ordinance shall take effect and be in force from and after its passage and approval.

(41 East 8th Street)

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to Legacy Development Group, upon the terms and subject to the conditions of this ordinance, to construct, install, maintain and use foundation caissons and nine (9) balconies on and over the public right-of-way adjacent to its premises known as 41 East 8th Street. Said caissons shall extend into the public way a maximum of seven (7) feet. Four (4) balconies shall measure fourteen (14) feet in length and five (5) feet, six (6) inches in width along South Wabash Avenue. Five (5) balconies shall measure twelve (12) feet in length and five (5) feet in width along East 8th Street. Authority herein given and granted for a period of five (5) years from and after date of passage.

The location of said privilege shall be shown on print hereto attached, which by reference is hereby incorporated and made a part of this ordinance. Such privilege and the structures and appliances herein authorized shall be maintained and used in accordance with all applicable laws, including the ordinances of the City of Chicago, and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way in, over or adjacent to said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee shall pay to the City of Chicago as compensation for the privilege herein granted the sum of Seven Hundred Fifty and no/100 Dollars (\$750.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates its property, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago or the Director of Revenue at their discretion, at any time without the

consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code.

SECTION 4. In the event of failure, neglect or refusal of grantee so to perform any of its obligations under this ordinance, the City may, at its option, either (a) perform such work and charge the cost thereof to said grantee, or (b) determine what the cost of said work shall be and bill the grantee for said cost, or combine the two (2) methods. Immediately upon receipt of notice of such cost, grantee shall pay the City such amount.

SECTION 5. Grantee shall be responsible and pay for the removal, relocation, alteration, repair, maintenance and restoration of City-owned structures or appliances located in or adjacent to the public way including pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other facilities and utilities, which are necessary or appropriate on account of grantee's use of the public way. The Commissioner of Streets and Sanitation is hereby authorized, in his or her discretion and from time to time during grantee's use and occupancy of the public way until the restoration of the public way, to determine the work which is or will be necessary or appropriate and the cost involved to perform such work. The Commissioner is authorized to collect a deposit prior to commencing any work and to charge grantee all actual costs for causing all such work to be performed. The decision of such Commissioner shall be final and binding. The grantee, upon receiving written notification from the Commissioner of Streets and Sanitation of the required deposit or the cost of such work, shall immediately pay or deposit such amount as directed by the Commissioner.

SECTION 6. The grantee shall furnish to the Department of Revenue, prior to issuance of the permit for this privilege, a Certificate of Insurance evidencing coverage in an amount not less than One Million and no/100 Dollars (\$1,000,000.00) Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage that may result from the granting of said privilege. The Certificate of Insurance shall name the City of Chicago and its agents and employees as Additional Insureds and shall also clearly indicate that the privilege being granted by this ordinance is covered by insurance policy. Certificates renewing such insurance coverage must be furnished to the Department of Revenue

no later than thirty (30) days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 7. The Permittee(s) shall indemnify, keep and save harmless the City of Chicago, its agents and employees against all claims, liabilities, judgments, costs, damages and other expenses which may in any way arise or accrue against, be charged to or recovered from the City, its agents or employees in consequence of the permission given by this ordinance, or any act or thing done or omitted or neglected to be done by the grantee, its agents or employees in and about the construction, reconstruction, maintenance, operation, use or removal of the authorized structures or appliances or the use, operation or restoration of the public way as herein required, including those arising from any personal injuries or deaths or damage or destruction of property.

SECTION 8. The permission and authority herein granted shall not be exercised unless and until a permit authorizing such shall have been issued by the Director of Revenue. Such permit shall be conditioned upon the faithful observance and performance of all of the conditions and provisions of this ordinance, including the obligations to indemnify, keep and save harmless the City of Chicago and to provide insurance coverage. Such permit shall not be issued unless and until grantee has filed with the City Clerk a written acceptance of the terms and conditions of this ordinance, and submitted to the Department of Revenue evidence of the required insurance coverage and the first year's compensation.

SECTION 9. The permission and authority granted by this ordinance shall not be assignable except upon the approval of the Director of Revenue after full disclosure.

The location of said privilege shall be shown on print hereto attached, which by reference is hereby incorporated and made a part of this ordinance. Such privilege and the structures and appliances herein authorized shall be maintained and used in accordance with all applicable laws, including the ordinances of the City of Chicago, and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way in, over or adjacent to said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee shall pay to the City of Chicago as compensation for the privilege herein granted the sum of Eighteen Thousand One Hundred Eighty-Three and no/100 Dollars (\$18,183.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates its property, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago or the Director of Revenue at their discretion, at any time without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code.

SECTION 4. In the event of failure, neglect or refusal of grantee so to perform any of its obligations under this ordinance, the City may, at its option, either (a) perform such work and charge the cost thereof to said grantee, or (b) determine what the cost of said work shall be and bill the grantee for said cost, or combine the two (2) methods. Immediately upon receipt of notice of such cost, grantee shall pay the City such amount.

SECTION 5. Grantee shall be responsible and pay for the removal, relocation, alteration, repair, maintenance and restoration of City-owned structures or appliances located in or adjacent to the public way including pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other facilities and utilities, which are necessary or appropriate on account of grantee's use of the public way. The Commissioner of Streets and Sanitation is hereby authorized, in his or her discretion and from time to time during grantee's use and occupancy of the public way until the restoration of the public way, to determine the work which is or will be necessary or appropriate and the cost involved to perform such work. The Commissioner is authorized to collect a deposit prior to commencing any work and to charge grantee all actual costs for causing all such work to be performed. The decision of such Commissioner shall be final and binding. The grantee, upon receiving written notification from the Commissioner of Streets and Sanitation of the required deposit or the cost of such work, shall immediately pay or deposit such amount as directed by the Commissioner.

SECTION 6. The grantee shall furnish to the Department of Revenue, prior to issuance of the permit for this privilege, a Certificate of Insurance evidencing coverage in an amount not less than One Million and no/100 Dollars (\$1,000,000.00) Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage that may result from the granting of said privilege. The Certificate of Insurance shall name the City of Chicago and its agents and employees as Additional Insureds and shall also clearly indicate that the privilege being granted by this ordinance is covered by insurance policy. Certificates renewing such insurance coverage must be furnished to the Department of Revenue no later than thirty (30) days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 7. The Permittee(s) shall indemnify, keep and save harmless the City of Chicago, its agents and employees against all claims, liabilities, judgments, costs, damages and other expenses which may in any way arise or accrue against, be charged to or recovered from the City, its agents or employees in consequence of the permission given by this ordinance, or any act or thing done or omitted or neglected to be done by the grantee, its agents or employees in and about the construction, reconstruction, maintenance, operation, use or removal of the authorized structures or appliances or the use, operation or restoration of the public way as herein required, including those arising from any personal injuries or deaths or damage or destruction of property.

SECTION 8. The permission and authority herein granted shall not be exercised unless and until a permit authorizing such shall have been issued by the Director of Revenue. Such permit shall be conditioned upon the faithful observance and performance of all of the conditions and provisions of this ordinance, including the obligations to indemnify, keep and save harmless the City of Chicago and to provide insurance coverage. Such permit shall not be issued unless and until grantee has filed with the City Clerk a written acceptance of the terms and conditions of this ordinance, and submitted to the Department of Revenue evidence of the required insurance coverage and the first year's compensation.

SECTION 9. The permission and authority granted by this ordinance shall not be assignable except upon the approval of the Director of Revenue after full disclosure.

SECTION 10. This ordinance shall take effect and be in force from and after its passage and approval.

Pastichie Properties, L.L.C.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to Pastichie Properties, L.L.C., upon the terms and subject to the conditions of this ordinance, to construct, install, maintain and use four (4) balconies projecting over the public right-of-way adjacent to its premises known as 3751 North Clark Street. Each balcony shall measure four (4) feet in length and eight (8) feet in width. Authority herein given and granted for a period of five (5) years from and after date of passage.

The location of said privilege shall be shown on print hereto attached, which by reference is hereby incorporated and made a part of this ordinance. Such privilege and the structures and appliances herein authorized shall be maintained and used in accordance with all applicable laws, including the ordinances of the City of Chicago, and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way in, over or adjacent to said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee shall pay to the City of Chicago as compensation for the privilege herein granted the sum of Two Hundred and no/100 Dollars (\$200.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates its property, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago or the Director of Revenue at their discretion, at any time without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public

way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code.

SECTION 4. In the event of failure, neglect or refusal of grantee so to perform any of its obligations under this ordinance, the City may, at its option, either (a) perform such work and charge the cost thereof to said grantee, or (b) determine what the cost of said work shall be and bill the grantee for said cost, or combine the two (2) methods. Immediately upon receipt of notice of such cost, grantee shall pay the City such amount.

SECTION 5. Grantee shall be responsible and pay for the removal, relocation, alteration, repair, maintenance and restoration of City-owned structures or appliances located in or adjacent to the public way including pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other facilities and utilities, which are necessary or appropriate on account of grantee's use of the public way. The Commissioner of Streets and Sanitation is hereby authorized, in his or her discretion and from time to time during grantee's use and occupancy of the public way until the restoration of the public way, to determine the work which is or will be necessary or appropriate and the cost involved to perform such work. The Commissioner is authorized to collect a deposit prior to commencing any work and to charge grantee all actual costs for causing all such work to be performed. The decision of such Commissioner shall be final and binding. The grantee, upon receiving written notification from the Commissioner of Streets and Sanitation of the required deposit or the cost of such work, shall immediately pay or deposit such amount as directed by the Commissioner.

SECTION 6. The grantee shall furnish to the Department of Revenue, prior to issuance of the permit for this privilege, a Certificate of Insurance evidencing coverage in an amount not less than One Million and no/100 Dollars (\$1,000,000.00) Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage that may result from the granting of said privilege. The Certificate of Insurance shall name the City of Chicago and its agents and employees as Additional Insureds and shall also clearly indicate that the privilege being granted by this ordinance is covered by insurance policy. Certificates renewing such insurance coverage must be furnished to the Department of Revenue no later than thirty (30) days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee

until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 7. The Permittee(s) shall indemnify, keep and save harmless the City of Chicago, its agents and employees against all claims, liabilities, judgments, costs, damages and other expenses which may in any way arise or accrue against, be charged to or recovered from the City, its agents or employees in consequence of the permission given by this ordinance, or any act or thing done or omitted or neglected to be done by the grantee, its agents or employees in and about the construction, reconstruction, maintenance, operation, use or removal of the authorized structures or appliances or the use, operation or restoration of the public way as herein required, including those arising from any personal injuries or deaths or damage or destruction of property.

SECTION 8. The permission and authority herein granted shall not be exercised unless and until a permit authorizing such shall have been issued by the Director of Revenue. Such permit shall be conditioned upon the faithful observance and performance of all of the conditions and provisions of this ordinance, including the obligations to indemnify, keep and save harmless the City of Chicago and to provide insurance coverage. Such permit shall not be issued unless and until grantee has filed with the City Clerk a written acceptance of the terms and conditions of this ordinance, and submitted to the Department of Revenue evidence of the required insurance coverage and the first year's compensation.

SECTION 9. The permission and authority granted by this ordinance shall not be assignable except upon the approval of the Director of Revenue after full disclosure.

SECTION 10. This ordinance shall take effect and be in force from and after its passage and approval.

Said bridge connections shall measure twenty (20) feet in length and twenty (20) feet in width for a total of one thousand sixteen hundred (1,600) square feet. Bridge shall begin seventeen (17) feet above grade level connecting a parking garage and residential condominium building. This ordinance is in effect only after approvals have been obtained from the Department of Planning and Development, Department of Transportation and the Department of Buildings has approved plans and registered approvals with the Department of Revenue. Authority herein given and granted for a period of five (5) years from and after passage of this ordinance.

The location of said privilege shall be shown on print hereto attached, which by reference is hereby incorporated and made a part of this ordinance. Such privilege and the structures and appliances herein authorized shall be maintained and used in accordance with all applicable laws, including the ordinances of the City of Chicago, and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way in, over or adjacent to said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee shall pay to the City of Chicago as compensation for the privilege herein granted the sum of One Thousand Thirty-six and no/100 Dollars (\$1,036.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates its property, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City

of Chicago or the Director of Revenue at their discretion, at any time without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code.

SECTION 4. In the event of failure, neglect or refusal of grantee so to perform any of its obligations under this ordinance, the City may, at its option, either (a) perform such work and charge the cost thereof to said grantee, or (b) determine what the cost of said work shall be and bill the grantee for said cost, or combine the two (2) methods. Immediately upon receipt of notice of such cost, grantee shall pay the City such amount.

SECTION 5. Grantee shall be responsible and pay for the removal, relocation, alteration, repair, maintenance and restoration of City-owned structures or appliances located in or adjacent to the public way including pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other facilities and utilities, which are necessary or appropriate on account of grantee's use of the public way. The Commissioner of Streets and Sanitation is hereby authorized, in his or her discretion and from time to time during grantee's use and occupancy of the public way until the restoration of the public way, to determine the work which is or will be necessary or appropriate and the cost involved to perform such work. The Commissioner is authorized to collect a deposit prior to commencing any work and to charge grantee all actual costs for causing all such work to be performed. The decision of such Commissioner shall be final and binding. The grantee, upon receiving written notification from the Commissioner of Streets and Sanitation of the required deposit or the cost of such work, shall immediately pay or deposit such amount as directed by the Commissioner.

SECTION 6. The grantee shall furnish to the Department of Revenue, prior to issuance of the permit for this privilege, a Certificate of Insurance evidencing coverage in an amount not less than One Million and no/100 Dollars (\$1,000,000.00) Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage that may result from the granting of said privilege. The Certificate of Insurance shall name the City of Chicago and its agents and employees as Additional Insureds and shall also clearly indicate that the privilege being granted by this ordinance is covered by insurance policy. Certificates renewing such insurance coverage must be furnished to the Department of Revenue

no later than thirty (30) days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 7. The Permittee(s) shall indemnify, keep and save harmless the City of Chicago, its agents and employees against all claims, liabilities, judgments, costs, damages and other expenses which may in any way arise or accrue against, be charged to or recovered from the City, its agents or employees in consequence of the permission given by this ordinance, or any act or thing done or omitted or neglected to be done by the grantee, its agents or employees in and about the construction, reconstruction, maintenance, operation, use or removal of the authorized structures or appliances or the use, operation or restoration of the public way as herein required, including those arising from any personal injuries or deaths or damage or destruction of property.

SECTION 8. The permission and authority herein granted shall not be exercised unless and until a permit authorizing such shall have been issued by the Director of Revenue. Such permit shall be conditioned upon the faithful observance and performance of all of the conditions and provisions of this ordinance, including the obligations to indemnify, keep and save harmless the City of Chicago and to provide insurance coverage. Such permit shall not be issued unless and until grantee has filed with the City Clerk a written acceptance of the terms and conditions of this ordinance, and submitted to the Department of Revenue evidence of the required insurance coverage and the first year's compensation.

Travelways Of Illinois, Inc.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to Travelways of Illinois, Inc., upon the terms and subject to the conditions of this ordinance, to maintain and use as now constructed a security fence spanning an unused grassy area once designated as a public alley between industrial properties adjacent to the premises known as 3907 -- 3927 South Halsted Street. Said existing fence was installed for security purposes measuring across a sixteen (16) foot parcel of land providing security for the existing industrial concerns in the immediate adjacent vicinity. This ordinance shall be in effect for a period of time prior to the recording of the deed pending the proposed industrial street vacation, not to exceed five (5) years. Authority herein given and granted for a period of five (5) years from and after date of passage.

The location of said privilege shall be shown on print hereto attached, which by reference is hereby incorporated and made a part of this ordinance. Such privilege and the structures and appliances herein authorized shall be maintained and used in accordance with all applicable laws, including the ordinances of the City of Chicago, and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way in, over or adjacent to said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee shall pay to the City of Chicago as compensation for the privilege herein granted the sum of Three Hundred and no/100 Dollars (\$300.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates its property, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago or the Director of Revenue at their discretion, at any time without the

consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code.

SECTION 4. In the event of failure, neglect or refusal of grantee so to perform any of its obligations under this ordinance, the City may, at its option, either (a) perform such work and charge the cost thereof to said grantee, or (b) determine what the cost of said work shall be and bill the grantee for said cost, or combine the two (2) methods. Immediately upon receipt of notice of such cost, grantee shall pay the City such amount.

SECTION 5. Grantee shall be responsible and pay for the removal, relocation, alteration, repair, maintenance and restoration of City-owned structures or appliances located in or adjacent to the public way including pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other facilities and utilities, which are necessary or appropriate on account of grantee's use of the public way. The Commissioner of Streets and Sanitation is hereby authorized, in his or her discretion and from time to time during grantee's use and occupancy of the public way until the restoration of the public way, to determine the work which is or will be necessary or appropriate and the cost involved to perform such work. The Commissioner is authorized to collect a deposit prior to commencing any work and to charge grantee all actual costs for causing all such work to be performed. The decision of such Commissioner shall be final and binding. The grantee, upon receiving written notification from the Commissioner of Streets and Sanitation of the required deposit or the cost of such work, shall immediately pay or deposit such amount as directed by the Commissioner.

SECTION 6. The grantee shall furnish to the Department of Revenue, prior to issuance of the permit for this privilege, a Certificate of Insurance evidencing coverage in an amount not less than One Million and no/100 Dollars (\$1,000,000.00) Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage that may result from the granting of said privilege. The Certificate of Insurance shall name the City of Chicago and its agents and employees as Additional Insureds and shall also clearly indicate that the privilege being granted by this ordinance is covered by insurance policy. Certificates renewing such insurance coverage must be furnished to the Department of Revenue

no later than thirty (30) days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 7. The Permittee(s) shall indemnify, keep and save harmless the City of Chicago, its agents and employees against all claims, liabilities, judgments, costs, damages and other expenses which may in any way arise or accrue against, be charged to or recovered from the City, its agents or employees in consequence of the permission given by this ordinance, or any act or thing done or omitted or neglected to be done by the grantee, its agents or employees in and about the construction, reconstruction, maintenance, operation, use or removal of the authorized structures or appliances or the use, operation or restoration of the public way as herein required, including those arising from any personal injuries or deaths or damage or destruction of property.

SECTION 8. The permission and authority herein granted shall not be exercised unless and until a permit authorizing such shall have been issued by the Director of Revenue. Such permit shall be conditioned upon the faithful observance and performance of all of the conditions and provisions of this ordinance, including the obligations to indemnify, keep and save harmless the City of Chicago and to provide insurance coverage. Such permit shall not be issued unless and until grantee has filed with the City Clerk a written acceptance of the terms and conditions of this ordinance, and submitted to the Department of Revenue evidence of the required insurance coverage and the first year's compensation.

SECTION 9. The permission and authority granted by this ordinance shall not be assignable except upon the approval of the Director of Revenue after full disclosure.

SECTION 10. This ordinance shall take effect and be in force from and after its passage and approval.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to 744 North Clark, L.L.C., upon the terms and subject to the conditions of this ordinance, to construct, maintain and use twenty (20) balconies over the public right-of-way as follows:

Clark Street.

sixteen (16) balconies at thirteen (13) feet in length and five (5) feet in width from the third (3rd) floor up to the tenth (10th) floor.

four (4) balconies at eight (8) feet in length and five feet in width at the tenth (10th) floor.

Authority herein given and granted for a period of five (5) years from and after date of passage.

The location of said privilege shall be shown on print hereto attached, which by reference is hereby incorporated and made a part of this ordinance. Such privilege and the structures and appliances herein authorized shall be maintained and used in accordance with all applicable laws, including the ordinances of the City of Chicago, and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way in, over or adjacent to said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee shall pay to the City of Chicago as compensation for the privilege herein granted the sum of One Thousand and no/100 Dollars (\$1000.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates its property, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago or the Director of Revenue at their discretion, at any time without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code.

SECTION 4. In the event of failure, neglect or refusal of grantee so to perform any of its obligations under this ordinance, the City may, at its option, either (a) perform such work and charge the cost thereof to said grantee, or (b) determine what the cost of said work shall be and bill the grantee for said cost, or combine the two (2) methods. Immediately upon receipt of notice of such cost, grantee shall pay the City such amount.

SECTION 5. Grantee shall be responsible and pay for the removal, relocation, alteration, repair, maintenance and restoration of City-owned structures or appliances located in or adjacent to the public way including pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other facilities and utilities, which are necessary or appropriate on account of grantee's use of the public way. The Commissioner of Streets and Sanitation is hereby authorized, in his or her discretion and from time to time during grantee's use and occupancy of the public way until the restoration of the public way, to determine the work which is or will be necessary or appropriate and the cost involved to perform such work. The Commissioner is authorized to collect a deposit prior to commencing any work and to charge grantee all actual costs for causing all such work to be performed. The decision of such Commissioner shall be final and binding. The grantee, upon receiving written notification from the Commissioner of Streets and Sanitation of the required deposit or the cost of such work, shall immediately pay or deposit such amount as directed by the Commissioner.

SECTION 6. The grantee shall furnish to the Department of Revenue, prior to issuance of the permit for this privilege, a Certificate of Insurance evidencing coverage in an amount not less than One and no/100 Dollars (\$1,000,000.00) Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage that may result from the granting of said privilege. The Certificate of Insurance shall name the City of Chicago and its agents and employees as Additional Insureds and shall also clearly indicate that the privilege being granted by this ordinance is covered by insurance policy. Certificates renewing such insurance coverage must be furnished to the Department of Revenue no later

than thirty (30) days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 7. The Permittee(s) shall indemnify, keep and save harmless the City of Chicago, its agents and employees against all claims, liabilities, judgments, costs, damages and other expenses which may in any way arise or accrue against, be charged to or recovered from the City, its agents or employees in consequence of the permission given by this ordinance, or any act or thing done or omitted or neglected to be done by the grantee, its agents or employees in and about the construction, reconstruction, maintenance, operation, use or removal of the authorized structures or appliances or the use, operation or restoration of the public way as herein required, including those arising from any personal injuries or deaths or damage or destruction of property.

SECTION 8. The permission and authority herein granted shall not be exercised unless and until a permit authorizing such shall have been issued by the Director of Revenue. Such permit shall be conditioned upon the faithful observance and performance of all of the conditions and provisions of this ordinance, including the obligations to indemnify, keep and save harmless the City of Chicago and to provide insurance coverage. Such permit shall not be issued unless and until grantee has filed with the City Clerk a written acceptance of the terms and conditions of this ordinance, and submitted to the Department of Revenue evidence of the required insurance coverage and the first year's compensation.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago or the Director of Revenue at their discretion, at any time without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code.

SECTION 4. In the event of failure, neglect or refusal of grantee so to perform any of its obligations under this ordinance, the City may, at its option, either (a) perform such work and charge the cost thereof to said grantee, or (b) determine what the cost of said work shall be and bill the grantee for said cost, or combine the two (2) methods. Immediately upon receipt of notice of such cost, grantee shall pay the City such amount.

SECTION 5. Grantee shall be responsible and pay for the removal, relocation, alteration, repair, maintenance and restoration of City-owned structures or appliances located in or adjacent to the public way including pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other facilities and utilities, which are necessary or appropriate on account of grantee's use of the public way. The Commissioner of Streets and Sanitation is hereby authorized, in his or her discretion and from time to time during grantee's use and occupancy of the public way until the restoration of the public way, to determine the work which is or will be necessary or appropriate and the cost involved to perform such work. The Commissioner is authorized to collect a deposit prior to commencing any work and to charge grantee all actual costs for causing all such work to be performed. The decision of such Commissioner shall be final and binding. The grantee, upon receiving written notification from the Commissioner of Streets and Sanitation of the required deposit or the cost of such work, shall immediately pay or deposit such amount as directed by the Commissioner.

SECTION 6. The grantee shall furnish to the Department of Revenue, prior to issuance of the permit for this privilege, a Certificate of Insurance evidencing coverage in an amount not less than One Million and no/100 Dollars (\$1,000,000.00) Combined Single Limit with said insurance covering all liability, both Public Liability and Property Damage that may result from the granting of said privilege. The Certificate of Insurance shall name the City of Chicago and its agents

and employees as Additional Insureds and shall also clearly indicate that the privilege being granted by this ordinance is covered by insurance policy. Certificates renewing such insurance coverage must be furnished to the Department of Revenue no later than thirty (30) days prior to the expiration of the policy. The aforementioned insurance coverage shall be maintained at all times by the grantee until the structures or appliances described in this ordinance are removed and the public way is restored as herein required.

SECTION 7. The Permittee(s) shall indemnify, keep and save harmless the City of Chicago, its agents and employees against all claims, liabilities, judgments, costs, damages and other expenses which may in any way arise or accrue against, be charged to or recovered from the City, its agents or employees in consequence of the permission given by this ordinance, or any act or thing done or omitted or neglected to be done by the grantee, its agents or employees in and about the construction, reconstruction, maintenance, operation, use or removal of the authorized structures or appliances or the use, operation or restoration of the public way as herein required, including those arising from any personal injuries or deaths or damage or destruction of property.

SECTION 8. The permission and authority herein granted shall not be exercised unless and until a permit authorizing such shall have been issued by the Director of Revenue. Such permit shall be conditioned upon the faithful observance and performance of all of the conditions and provisions of this ordinance, including the obligations to indemnify, keep and save harmless the City of Chicago and to provide insurance coverage. Such permit shall not be issued unless and until grantee has filed with the City Clerk a written acceptance of the terms and conditions of this ordinance, and submitted to the Department of Revenue evidence of the required insurance coverage and the first year's compensation.

SECTION 9. The permission and authority granted by this ordinance shall not be assignable except upon the approval of the Director of Revenue after full disclosure.

SECTION 10. This ordinance shall take effect and be in force from and after its passage and approval.

AUTHORIZATION FOR GRANTS OF PRIVILEGE
IN PUBLIC WAY FOR CANOPIES.

The Committee on Transportation and Public Way submitted the following report:

CHICAGO, October 27, 2000.

To the President and Members of the City Council:

Your Committee on Transportation and Public Way begs leave to recommend that Your Honorable Body *Pass* the proposed orders transmitted herewith (referred on September 27, 2000) to construct, maintain and use sundry canopies by various establishments.

This recommendation was concurred in unanimously by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) THOMAS R. ALLEN,
Chairman.

On motion of Alderman Allen, the said proposed orders transmitted with the foregoing committee report were *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Smith, Carothers, Wojcik, Suarez, Matlak, Mell, Austin, Colom, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Natarus, Daley, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

Said orders, as passed, read as follows (the italic heading in each case not being a part of the order):

Bed, Bath & Beyond: Canopy.

Ordered, That the Director of Revenue is hereby authorized to issue a permit to Bed, Bath & Beyond ("Permittee") to construct, maintain and use one (1) canopy over the public way attached to the structure located at 1800 North Clybourn Avenue for a period of three (3) years from and after July 30, 2000 in accordance with the ordinances of the City of Chicago and the plans and specifications filed with the Commissioner of Transportation and approved by the Commissioner of Buildings and the Division Marshall in charge of the Bureau of Fire Prevention. Said canopy shall not exceed twenty-two (22) feet in length and four (4) feet in width. The Permittee shall pay to the City of Chicago as compensation for the privilege the sum of Fifty and no/100 Dollars (\$50.00) per annum, in advance.

In the event the Permittee transfers title or vacates the premises, the permittee shall, nevertheless, remain liable to the City of Chicago for the annual compensation until the canopy is removed. The Permittee shall renew the privilege herein granted to the date of expiration. The Permittee shall protect, defend, indemnify and hold harmless, the City of Chicago, its officers, agents and employees against and from any expense, claim controversy, damage, personal injury, death, liability, judgment or obligation arising out of the construction, repair, replacement, cleaning, use, maintenance or operation of the canopy arising out of and including, the passive negligence of the City of Chicago.

The permit will be subject to amendment, modification or revocation by the Mayor of the City of Chicago and the Director of Revenue at their discretion without the consent of the Permittee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the Permittee shall remove the canopy without cost to the City of Chicago.

The privilege herein granted shall not be exercised until a permit shall have been issued by the Director of Revenue.

Future World: Canopy.

Ordered, That the Director of Revenue is hereby authorized to issue a permit to Future World ("Permittee") to construct, maintain and use one (1) canopy over the public way attached to the structure located at 1744 East 55th Street for a period of

three (3) years from and after the date of passage of this order in accordance with the ordinances of the City of Chicago and the plans and specifications filed with the Commissioner of Transportation and approved by the Commissioner of Buildings and the Division Marshall in charge of the Bureau of Fire Prevention. Said canopy shall not exceed four (4) feet in length and six (6) feet in width. The Permittee shall pay to the City of Chicago as compensation for the privilege the sum of Fifty and no/100 Dollars (\$50.00) per annum, in advance.

In the event the Permittee transfers title or vacates the premises, the permittee shall, nevertheless, remain liable to the City of Chicago for the annual compensation until the canopy is removed. The Permittee shall renew the privilege herein granted to the date of expiration. The Permittee shall protect, defend, indemnify and hold harmless, the City of Chicago, its officers, agents and employees against and from any expense, claim controversy, damage, personal injury, death, liability, judgment or obligation arising out of the construction, repair, replacement, cleaning, use, maintenance or operation of the canopy arising out of and including, the passive negligence of the City of Chicago.

The permit shall be subject to amendment, modification or revocation by the Mayor of the City of Chicago and the Director of Revenue at their discretion without the consent of the Permittee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the Permittee shall remove the canopy without cost to the City of Chicago.

The privilege herein granted shall not be exercised until a permit shall have been issued by the Director of Revenue.

The Goodman Theater: Canopy.

Ordered, That the Director of Revenue is hereby authorized to issue a permit to The Goodman Theater ("Permittee") to construct, maintain and use one (1) canopy over the public way attached to the structure located at 170 North Dearborn Street for a period of three (3) years from and after date of passage in accordance with the ordinances of the City of Chicago and the plans and specifications filed with the Commissioner of Transportation and approved by the Commissioner of Buildings and the Division Marshall in charge of the Bureau of Fire Prevention. Said canopy shall not exceed thirty-six (36) feet in length and eight (8) feet in width. The Permittee shall pay to the City of Chicago as compensation for the privilege the sum of Six Hundred Seventy-eight and no/100 Dollars (\$678.00) per annum, in advance.

In the event the Permittee transfers title or vacates the premises, the Permittee shall, nevertheless, remain liable to the City of Chicago for the annual compensation until the canopy is removed. The Permittee shall renew the privilege herein granted to the date of expiration. The Permittee shall protect, defend, indemnify and hold harmless, the City of Chicago, its officers, agents and employees against and from any expense, claim controversy, damage, personal injury, death, liability, judgment or obligation arising out of the construction, repair, replacement, cleaning, use, maintenance or operation of the canopy arising out of and including, the passive negligence of the City of Chicago.

The permit will be subject to amendment, modification or revocation by the Mayor of the City of Chicago and the Director of Revenue at their discretion without the consent of the Permittee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the Permittee shall remove the canopy without cost to the City of Chicago.

The privilege herein granted shall not be exercised until a permit shall have been issued by the Director of Revenue.

Memorial Funeral Home: Canopy.

Ordered, That the Director of Revenue is hereby authorized to issue a permit to Memorial Funeral Home ("Permittee") to construct, maintain and use one (1) canopy over the public way attached to the structure located at 3905 North Lincoln Avenue for a period of three (3) years from and after date of passage in accordance with the ordinances of the City of Chicago and the plans and specifications filed with the Commissioner of Transportation and approved by the Commissioner of Buildings and the Division Marshall in charge of the Bureau of Fire Prevention. Said canopy shall not exceed sixteen (16) feet in length and ten (10) feet in width. The Permittee shall pay to the City of Chicago as compensation for the privilege the sum of Fifty and no/100 Dollars (\$50.00) per annum, in advance.

In the event the Permittee transfers title or vacates the premises, the Permittee shall, nevertheless, remain liable to the City of Chicago for the annual compensation until the canopy is removed. The Permittee shall renew the privilege herein granted to the date of expiration. The Permittee shall protect, defend, indemnify and hold harmless, the City of Chicago, its officers, agents and employees against and from any expense, claim controversy, damage, personal injury, death, liability, judgment or obligation arising out of the construction, repair, replacement, cleaning, use,

maintenance or operation of the canopy arising out of and including, the passive negligence of the City of Chicago.

The permit shall be subject to amendment, modification or revocation by the Mayor of the City of Chicago and the Director of Revenue at their discretion without the consent of the Permittee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the Permittee shall remove the canopy without cost to the City of Chicago.

The privilege herein granted shall not be exercised until a permit shall have been issued by the Director of Revenue.

Stratford Lodge: Canopy.

Ordered, That the Director of Revenue is hereby authorized to issue a permit to Stratford Lodge ("Permittee") to construct, maintain and use one (1) canopy over the public way attached to the structure located at 940 West Gordon Terrace for a period of three (3) years from and after date of passage in accordance with the ordinances of the City of Chicago and the plans and specifications filed with the Commissioner of Transportation and approved by the Commissioner of Buildings and the Division Marshall in charge of the Bureau of Fire Prevention. Said canopy shall not exceed thirteen (13) feet in length and nine (9) feet in width. The Permittee shall pay to the City of Chicago as compensation for the privilege the sum of Fifty and no/100 Dollars (\$50.00) per annum, in advance.

In the event the Permittee transfers title or vacates the premises, the Permittee shall, nevertheless, remain liable to the City of Chicago for the annual compensation until the canopy is removed. The Permittee shall renew the privilege herein granted to the date of expiration. The Permittee shall protect, defend, indemnify and hold harmless, the City of Chicago, its officers, agents and employees against and from any expense, claim controversy, damage, personal injury, death, liability, judgment or obligation arising out of the construction, repair, replacement, cleaning, use, maintenance or operation of the canopy arising out of and including, the passive negligence of the City of Chicago.

The permit will be subject to amendment, modification or revocation by the Mayor of the City of Chicago and the Director of Revenue at their discretion without the consent of the Permittee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the Permittee shall remove the canopy without cost to the City of Chicago.

The privilege herein granted shall not be exercised until a permit shall have been issued by the Director of Revenue.

Torres Optical: Canopy.

Ordered, That the Director of Revenue is hereby authorized to issue a permit to Torres Optical ("Permittee") to construct, maintain and use one (1) canopy over the public way attached to the structure located at 3356 North Ashland Avenue for a period of three (3) years from and after July 7, 2000 in accordance with the ordinances of the City of Chicago and the plans and specifications filed with the Commissioner of Transportation and approved by the Commissioner of Buildings and the Division Marshall in charge of the Bureau of Fire Prevention. Said canopy shall not exceed eighteen (18) feet in length and three (3) feet in width. The Permittee shall pay to the City of Chicago as compensation for the privilege the sum of Fifty and no/100 Dollars (\$50.00) per annum, in advance.

In the event the Permittee transfers title or vacates the premises, the permittee shall, nevertheless, remain liable to the City of Chicago for the annual compensation until the canopy is removed. The Permittee shall renew the privilege herein granted to the date of expiration. The Permittee shall protect, defend, indemnify and hold harmless, the City of Chicago, its officers, agents and employees against and from any expense, claim controversy, damage, personal injury, death, liability, judgment or obligation arising out of the construction, repair, replacement, cleaning, use, maintenance or operation of the canopy arising out of and including, the passive negligence of the City of Chicago.

The permit shall be subject to amendment, modification or revocation by the Mayor of the City of Chicago and the Director of Revenue at their discretion without the consent of the Permittee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the Permittee shall remove the canopy without cost to the City of Chicago.

The privilege herein granted shall not be exercised until a permit shall have been issued by the Director of Revenue.

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of public alleys described in the following ordinance; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. All of the east/west 15 foot public alley lying south of the south line of Lots 1 to 4, both inclusive, lying north of the north line of Lot 5, lying west of a line drawn from the southeast corner of Lot 1 to the northeast corner of Lot 5 and lying east and easterly of a line drawn from the southwest corner of Lot 4 to the northwest corner of Lot 5 all in Block 3 in Uhlich and Muhlke's Addition to Chicago, being a subdivision of the east half of the northeast quarter (except the south half of the south half thereof) of Section 28, Township 39 North, Range 14, East of the Third Principal Meridian, in Cook County, Illinois; also, all of the north/south 10 foot public alley lying west of the west line of Lots 4 to 24, both inclusive, lying west and westerly of a line drawn from the southwest corner of Lot 4 to the northwest corner of Lot 5 all in Block 3 in Uhlich and Muhike's Addition to Chicago aforesaid, lying east of a line drawn from the point of intersection of the south line of West Cermak Road (formerly West 22nd Street), as widened, from South Michigan Avenue to South Archer Avenue by ordinance approved June 29, 1922 by the City Council of the City of Chicago; judgment rendered through condemnation proceedings in the County Court of Cook County, Illinois as General Number 48421, said south line being described in said condemnation as "a line fifty-four (54) feet south of the south line of West 22nd Street" (West 22nd Street now called West Cermak Road) and the west line of the north/south 10 foot public alley as dedicated in Block 3 in plat of Uhlich and Muhlke's Addition to Chicago aforesaid to the point of intersection of the westerly extension of the south line of Lot 24 in Block 3 in Uhlich and Muhlke's Addition to Chicago aforesaid and the west line of the north/south 10 foot public alley as dedicated in Block 3 in plat of Uhlich and Muhlke's Addition to Chicago aforesaid, lying south of said south line of West Cermak Road (formerly West 22nd Street), as widened, from South Michigan Avenue to South Archer Avenue by ordinance approved June 29, 1922 by the City Council of the City of Chicago; judgment rendered through condemnation proceedings in the County Court of Cook County, Illinois as General Number 48421, said south line being described in said condemnation as "a line fifty-four (54) feet south of the south line of West 22nd Street" (West 22nd Street now called West Cermak Road) and lying north of the westerly extension of the south line of Lot 24 in Block 3 in Uhlich and Muhlke's Addition to Chicago aforesaid; said public alleys herein vacated being further described as all of the public alleys in the area bounded by West Cermak Road, as widened, West 23rd Street, the east right-of-way line of the Metra Railroad and South Federal Street as shaded and indicated by the words "To Be Vacated" on the drawing hereto attached, which drawing for greater certainty, is hereby made a part of this ordinance, be and the same are hereby vacated and closed, inasmuch as the same are no longer required for public use and the public interest will be subserved by such vacations.

SECTION 2. The Public Building Commission of Chicago and Chicago Housing Authority shall rededicate or cause to be rededicated to the public and open up for public use as a street the following described property:

that part of vacated West 23rd Street lying east of the east line of South Federal Street and lying west of the west line of South State Street in the east half of northeast quarter of Section 28, Township 39 North, Range 14 East of the Third Principal Meridian, in Cook County, Illinois,

as shaded and indicated by the words "To Be Rededicated" on the aforesaid drawing.

SECTION 3. The vacations herein provided for are made upon the express condition that within one hundred eighty (180) days after the passage of this ordinance The Public Building Commission of Chicago and Chicago Housing Authority, shall deposit in the City Treasury of the City of Chicago a sum sufficient to defray the costs of constructing paving and curbs in and to the street to be rededicated. The precise amount of the sum so deposited shall be ascertained by the Commissioner of Transportation after such investigation as is requisite.

SECTION 4. The vacations herein provided for are made upon the express condition that within one hundred eighty (180) days after the passage of this ordinance, The Public Building Commission of Chicago and Chicago Housing Authority shall file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance, an attached drawing approved by the Superintendent of Maps and a plat duly executed and acknowledged by the appropriate owner, providing for the rededication of the property described in Section 2 hereof.

SECTION 5. This ordinance shall take effect and be in force from and after its passage.

VACATION OF PORTION OF INTERSECTION AT WEST
HAINES STREET, NORTH HICKORY AVENUE
AND NORTH NORTH BRANCH STREET.

The Committee on Transportation and Public Way submitted the following report:

CHICAGO, October 27, 2000.

To the President and Members of the City Council:

Your Committee on Transportation and Public Way begs leave to report and recommend that Your Honorable Body *Pass* an ordinance for the vacation of that part of the intersection formed by North Ogden Avenue, West Haines Street, North Hickory Avenue and North North Branch Street; said area to be vacated lying southwesterly of the southeasterly extension of the northeasterly line of North Hickory Avenue, lying southeasterly of the southwesterly extension of the southeasterly line of West Haines Street and lying northeasterly of the northwesterly extension of the northeasterly line of North North Branch Street together with that part of the viaduct easement lying within said area of the intersection to be vacated. This ordinance was referred to the committee on August 30, 2000.

This recommendation was concurred in unanimously by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) THOMAS R. ALLEN,
Chairman.

On motion of Alderman Allen, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Granato, Haithcock, Tillman, Hairston, Lyle, Beavers, Dixon, Beale, Pope, Balcer, Frias, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, DeVille, Munoz, Zalewski, Chandler, Solis, Ocasio, Burnett, E. Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule unit of local government pursuant to Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City has experienced a significant loss of industry and jobs in recent years, accompanied by a corresponding erosion of its tax base, due in part to industrial firms' inability to acquire additional property needed for their continued viability and growth; and

WHEREAS, Many industrial firms adjoin streets and alleys that are no longer required for public use and might more productively be used for plant expansion and modernization, employee parking, improved security, truck loading areas, or other industrial uses; and

WHEREAS, The City would benefit from the vacation of these streets and alleys by reducing City expenditures on maintenance, repair and replacement; by reducing fly-dumping, vandalism and other criminal activity; and by expanding the City's property tax base; and

WHEREAS, The City can strengthen established industrial areas and expand the City's job base by encouraging the growth and modernization of existing industrial facilities through the vacation of public streets and alleys for reduced compensation; and

WHEREAS, The properties at 947 to 977 North North Branch Street are owned by River Works, L.L.C.; and

WHEREAS, River Works, L.L.C. has a long term lease with Sarah Lee Corporation, employing three hundred (300) in its bakery operation, and Research and Development section; and

WHEREAS, River Works, L.L.C., proposes to use the portion of the street remnant to be vacated herein for the creation of additional manufacturing space, and visitor/employee parking and other such uses which are reasonably necessary therefor; and

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of public use and the public interest to be subserved is such as to warrant the vacation of part of public street described in the following ordinance; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. All that part of the street intersection formed by the southwesterly extension of the southeasterly line of West Haines Street, the southeasterly extension of the northeasterly line of North Hickory Avenue and the northwesterly extension of the northeasterly line of North North Branch Street, lying southwesterly of the southwesterly line of Lots 1 to 7, both inclusive, lying southeasterly of the southwesterly extension of the northwesterly line of Lot 1, lying northeasterly of the northwesterly extension of the most southwesterly line of Lot 7 (said northwesterly extension of the most southwesterly line of Lot 7 also being the northwesterly extension of the southwesterly line of Lots 8 to 13, both inclusive) all in Block 81 in Elston's Addition to Chicago, in Section 4 and Section 5, Township 39 North, Range 14, East of the Third Principal Meridian, in Cook County, Illinois, and lying southeasterly of the southeasterly line of the North Ogden Avenue viaduct easement as opened by judgment entered by the County Court of Cook County, Illinois, on June 13, 1921, in Docket Number 42162, being described as a line drawn from "a point in the northwesterly line of Haines Street 97.76 feet northeasterly of the northeasterly line of Hickory Street", currently named North Hickory Avenue "(measured along the northwesterly line of Haines Street)" to "a point in the southwesterly line of North Branch Street 28.78 feet southeasterly of the southeasterly line of Haines Street "(measured along the southwesterly line of North Branch Street)"; also, all that part of the North Ogden Avenue Viaduct Easement as opened by judgment entered by the County Court of Cook County, Illinois, on June 15, 1921, in Docket Number 42162, lying northwesterly of the southeasterly line of the aforesaid North Ogden Avenue Viaduct as opened, said southeasterly line being described as a line drawn from "a point in the northwesterly line of Haines Street 97.76 feet northeasterly of the northeasterly line of Hickory Street", currently named North Hickory Avenue "(measured along the northwesterly line of Haines Street)" to "a point in the southwesterly line of North Branch Street 28.78 feet southeasterly of the southeasterly line of Haines Street (measured along the southwesterly line of

North Branch Street)", lying southeasterly of the southwesterly extension of the northwesterly line of Lot 1 and lying northeasterly of the northwesterly extension of the most southwesterly line of Lot 7 (said northwesterly extension of the most southwesterly line of Lot 7 also being the northwesterly extension of the southwesterly line of Lots 8 to 13, both inclusive) all in Block 81 in Elston's Addition to Chicago aforesaid, said part of public street herein vacated being further described as that of part of the intersection including part of the North Ogden Avenue viaduct formed by the intersection of West Haines Street, North Hickory Avenue and North North Branch Street; as shaded and indicated by the words "To Be Vacated" on the drawing hereto attached, which drawing for greater certainty, is hereby made a part of this ordinance, be and the same is hereby vacated and closed, inasmuch as the same is no longer required for public use and the public interest will be subserved by such vacation.

SECTION 2. The City of Chicago hereby reserves for the benefit of the Metropolitan Water Reclamation District of Greater Chicago an easement to construct, reconstruct, repair, maintain and operate existing intercepting sewers and appurtenances thereto in all of part of public street as herein vacated, with the right of access to said facilities at all times. It is further provided that no buildings or other structures shall be erected on the said area herein reserved or other use made of said area, which in the judgment of the officials having control of the aforesaid facilities would interfere with construction, reconstruction, repair, maintenance and operation of said facilities, or the construction of additional facilities.

SECTION 3. The City of Chicago hereby reserves for the benefit of Commonwealth Edison and Ameritech Illinois, their successors or assigns, an easement to operate, maintain, construct, replace, and renew overhead poles, wires, and associated equipment and underground conduit, cables, and associated equipment for the transmission and distribution of electrical energy and telephonic and associated services under, over and along that part of the public street as herein vacated, with the right of ingress and egress.

SECTION 4. The Commissioner of Transportation is hereby authorized to accept, subject to the approval of the Corporation Counsel as to form and legality, and on behalf of the City of Chicago, the benefits of a covenant or similar instrument restricting the use of the public way vacated by this ordinance to the manufacturing (including production, processing, cleaning, servicing, testing and repair) of materials, goods or products only and for those structures and additional uses which are reasonably necessary to permit such manufacturing use including the

location of necessary facilities, storage, employee and customer parking, and similar other uses and facilities. Such covenant shall be enforceable in law or in equity and shall be deemed to provide for reconveyance of the property to the City upon substantial breach of the terms and conditions thereof. The benefits of such covenant shall be deemed in gross to the City of Chicago, its successors and assigns, and the burdens of such covenant shall run with and burden the public way vacated by this ordinance. The covenant may be released or abandoned by the City only upon approval of the City Council which may condition its approval upon the payment of such additional compensation which it deems to be equal to the benefits accruing because of the release or abandonment.

SECTION 5. The vacation herein provided for is made upon the express condition that within one hundred eighty (180) days after the passage of this ordinance, River Works, L.L.C. shall file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance, together with a restrictive covenant complying with Section 4 of this ordinance, approved by the Corporation Counsel, and an attached drawing approved by the Superintendent of Maps.

SECTION 6. This ordinance shall take effect and be in force from and after its passage.

WHEREAS, Reverend Dr. A. Lincoln James, Sr. celebrated his fifty-ninth anniversary in the ministry on July 25, 2000, and this is also the fourth quarter of his forty-sixth year as pastor of Greater Bethesda Baptist Church, which is commemorating its seventy-fifth year at 5301 South Michigan Avenue and its one hundred eighteenth anniversary of spiritual service in Chicago; and

WHEREAS, Reverend Dr. A. Lincoln James, Sr., born in Houston, Texas to the late Dr. S.H. James, Sr. and Tannie Etta James, received his Bachelor of Arts and Masters of Theology degrees from Virginia University and began his ministry in the historically renown First African Baptist Church in Richmond, Virginia in the year 1941, then served for eight years as leader of the congregation of the First Baptist Church of Suffolk, Virginia; and

WHEREAS, Upon his arrival, Reverend Dr. A. Lincoln James, Sr. found challenges abounding throughout the congregation of the Greater Bethesda Baptist Church

and racial and economic strife burdening the community that he had pledged to serve; and

WHEREAS, Under the force and power of Reverend Dr. A. Lincoln James, Sr., the congregation of Greater Bethesda Baptist Church has tripled to over one thousand active parishioners; and

WHEREAS, Reverend Dr. A. Lincoln James, Sr. has established a unique legacy of community service in Chicago, including the founding of Churches, United, Inc., consisting of over fifty churches working together under the auspices of the late Mayor Richard J. Daley and the Department of Human Resources to organize and implement competitive baseball and basketball leagues enjoyed by over five thousand young people; including also, the incorporation of the Community Building and Maintenance Corp., chartered to received deteriorated properties and rehabilitate them as viable residential structures providing affordable housing for hundreds of families throughout Chicago's south and west side; including further, the initiation of the ongoing Greater Bethesda Free Breakfast Program for the Homeless and the Saturday Free School, which, for over fifteen years, has raised the basic skills proficiency of thousands of children and adults, often enabling their first employability; and

WHEREAS, Reverend Dr. A. Lincoln James, Sr., inculcating his ministry with friendship, fellowship and spiritual growth, has been a positive force for dynamic community development and the individual advancement of a myriad of citizens in endeavors spanning the gamut of urban life for nearly a half century; and

WHEREAS, This Honorable Body has learned the enormity of the good works and dedicated public service spearheaded for the citizens of Chicago by Reverend Dr. A. Lincoln James, Sr. through his Alderman, The Honorable Arenda Troutman of the 20th Ward, who recognizes in him so rare a combination of character, intelligence and compassion that he merits tribute as an extraordinary role model and mentor, as well as a most distinguished minister and citizen; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of the Department of Transportation is hereby authorized and directed to allow honorary street-signs on South Michigan Avenue, from East 53rd Street to East 54th Street. The honorary signs shall designate that portion of South Michigan Avenue as "Reverend Dr. A. Lincoln James, Sr. Way" and November 12, 2000 shall be recognized as "Reverend Dr. A. Lincoln James, Sr. Day" in Chicago.

SECTION 2. This ordinance shall be in full force and effect from and after its date of passage and publication.

"Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, specifically, Article 7.3-4, 11.7A-1."; and

WHEREAS, The district maps show that the premises is located in an R4 General Residence District; and

WHEREAS, The Zoning Administrator, having fully reviewed all information and being fully advised of the premises, hereby makes the following findings of fact: the said use is located in an R4 General Residence District; that the subject site is improved with a two (2) story building containing an existing tavern; that on July 12, 1990, the City Council passed an ordinance requiring an exception for the approval of the change of license of an existing tavern located in a residence district; that the existing tavern is to be operated under a new license; that the majority of the tavern patrons come from the local neighborhood and that the continued operation of the tavern at this location is necessary for the public convenience; that the applicant, as the new licensee, proposes to operate the tavern in such a manner

to insure that the public health, safety and welfare will be adequately protected; and that the continued operation of the existing tavern will not cause substantial injury to the value of other property in the neighborhood; now, therefore,

Be It Resolved, That the application for an exception is approved for the change of licensee and continued operation of an existing tavern in a two (2) story building, on premises at 1057 North Wolcott Avenue, and that all applicable ordinances of the City of Chicago shall be complied with before a license is issued; and

Be It Further Resolved, That the granting of this exception shall run only with the applicant, Cherlyn Pilch, doing business as Happy Village, as licensee, and that a change of licensee shall terminate the exception granted herein; and

Be It Further Resolved, That the tavern in the subject building is, and shall continue to be, subject to all applicable provisions of Article 6 of the Chicago Zoning Ordinance.

AMENDMENT OF TITLE 17, SECTION 8.3-1 OF MUNICIPAL CODE OF

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, be and is hereby amended in Section 8.3-1 by inserting the language in italics, as follows:

8.3-1 Permitted Uses -- B1-1 To B1-5 Local Retail Districts.

- A. Uses permitted in the B1-1 To B1-5 Districts, inclusive, are subject to the following conditions:

- (1) Dwelling units and lodging rooms are not permitted below the second floor unless otherwise set forth or superseded hereinafter, and business uses are not permitted on any floor above the ground floor. (Amend. Coun. J. 7-10-61, p. 5239.)
- (2) All business establishments shall be retail or service establishments dealing directly with consumers. All goods produced on the premises shall be sold at retail on the premises where produced.
- (3) Business establishments are restricted to a maximum gross floor area of 6,250 square feet each, exclusive of any floor area devoted to off-street parking or loading facilities.
- (4) All business, servicing, or processing -- except for off-street parking or loading -- shall be conducted within completely enclosed buildings.
- (5) Establishments of the "drive in" type offering goods or services directly to customers waiting in parked motor vehicles are not permitted.
- (6) The sale of alcoholic liquor is not permitted in this district.

B. The following uses are permitted in the B1-1 to B1-5 Districts, inclusive:

- (1) Dwelling Units and Lodging Rooms.
- (2) Candy and Ice Cream Stores. (Amend. Coun. J. 7-13-95, p. 5141.)
- (3) Clothes Pressing Establishments.
- (4) Colleges and Universities, but not business colleges or trade schools.
- (4a) *Collectibles and Antique Shops.*
- (5) Drug Stores.
- (6) Dry Cleaning and Laundry Receiving Stations, processing to be done elsewhere.
- (7) Food Stores, grocery stores, meat markets, bakeries and delicatessens.

- (8) Hardware Stores. (Amend. Coun. J. 7-13-95, p. 5141.)
 - (9) Day Care Centers. (Amend. Coun. J. 6-16-61, p. 5133; 1-31-69, p. 4991, p. 2906.)
 - (10) Shoe and Hat Repair Stores.
 - (11) Signs, as regulated by Section 8.9.
 - (12) Temporary Buildings for Construction Purposes, for a period not to exceed the duration of such construction.
 - (13) Tailor Shops. (Amend. Coun. J. 7-13-95, p. 5141.)
 - (14) Accessory Uses.
 - (15) Earth Station Antenna -- not exceeding 8 feet (2.4 meters) in diameter.
 - (16) Community Homes located above the first floor, provided that the location of any proposed home which is to be occupied by five or more unrelated persons with disabilities is not less than 600 feet from the location of any existing Community Home which is occupied by five or more unrelated persons with disabilities. (Added Coun. J. 3-25-92, p. 14182.)
 - 17) Wireless Communications Facility only when located on a building of four or more stories and located not lower than 20 feet above curb level and not to exceed 15 feet above the highest point of the building, or when mounted on an existing structure other than a building used for residential purposes. (Added. Coun. J. 5-9-96, p. 22776.)
- C. The following use is allowed in the B1-2, B1-3, B1-4 and B1-5 Districts but not in the B1-1 District:
- Single Room Occupancy Buildings or Units.

SECTION 2. This ordinance shall be in full force and effect from and after its passage and due publication.

AMENDMENT OF TITLE 17 OF MUNICIPAL CODE OF CHICAGO
(CHICAGO ZONING ORDINANCE) BY RECLASSIFICATION
OF PARTICULAR AREAS.

(Committee Meeting Held October 31, 2000)

The Committee on Zoning submitted the following report:

CHICAGO, November 1, 2000.

To the President and Members of the City Council:

Reporting for your Committee on Zoning, for which a meeting was held on October 31, 2000, I beg leave to recommend that Your Honorable Body *Pass* various ordinances transmitted herewith for the purpose of reclassifying particular areas.

I beg leave to recommend the passage of four ordinances which were corrected and amended in their amended form. They are Application Numbers A-4373, A-4468, A-4472 and A-4462.

Please let the record reflect that I, William J. P. Banks, abstained from voting and recused myself on Application Number A-4487.

At this time, I move for passage of the ordinances transmitted herewith.

Again, please let the record reflect that I abstain from voting on Application Number A-4487 under the provisions of Rule 14 of the City Council's Rules of Order and Procedure.

Respectfully submitted,

(Signed) WILLIAM J. P. BANKS,
Chairman.

On motion of Alderman Banks, the said proposed ordinances and substitute ordinances transmitted with the foregoing committee report were *Passed* by yeas and nays as follows:

Presented By

THE HONORABLE RICHARD M. DALEY, MAYOR:

TRIBUTE TO LATE MRS. LUCILLE BEAVERS.

WHEREAS, The members of this chamber were deeply saddened to learn of the death at age eighty-one of Lucille Beavers, the wife of Alderman William Beavers; and

WHEREAS, After having been born in Atlanta, Georgia, Lucille Beavers spent most of her life in Chicago, attending both grammar school and high school in the city's public school system; and

WHEREAS, Lucille Beavers was married for sixteen years to Alderman William Beavers; and

WHEREAS, Her genuine love for people and diversity led Lucille Beavers to travel extensively, including visits to several European capitals and nearly a dozen vacations aboard cruise ships; and

WHEREAS, Always taking an active role in her community and local politics, Lucille Beavers was a familiar sight at aldermanic ward functions, often organizing ward meetings and assisting in political campaigns; and

WHEREAS, Lucille Beavers was an active member of the Cosmopolitan Community Church, the August Club and several bridge clubs; and

WHEREAS, Her love of life and impeccable style and grace endeared Lucille Beavers to her family, friends and all who knew her and enabled her to enrich their lives in ways they will never forget; and

WHEREAS, Lucille Beavers is survived by her husband, Alderman William Beavers; her son, Riccardo Williams; her stepdaughters, Darcel Beavers and Denise Brown; her stepson, David Beavers; her daughter-in-law, Pat Williams; her sister, Loretta Owens; two nieces; one great-nephew; and two great-nieces; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this first day of November, 2000, do hereby honor the life and memory of Lucille Beavers and extend our heartfelt condolences to our friend and colleague, Alderman William Beavers and her entire family; and

Be It Further Resolved, That suitable copy of this resolution be presented to the family of Lucille Beavers as a sign of our sympathy and good wishes.

TRIBUTE TO LATE MR. HAROLD CULLEN.

WHEREAS, It was with great sadness that members of this chamber learned of the death of Harold "Huck" Cullen, an outstanding citizen who devoted much of his life to community and public service; and

WHEREAS, Mr. Cullen made important contributions to the community in many ways, including as a member of the Hamburg Athletic Association, the Glenneagles Men's Club and the 11th Ward Democratic Organization; and

WHEREAS, His caring nature enabled Mr. Cullen to instill in others a feeling of importance and value; and

*RECOGNITION OF MR. HUGH THOMPSON FOR HEROIC
ACTIONS DURING VIETNAM WAR.*

WHEREAS, Hugh Thompson served in the United States Army as a helicopter pilot during the Vietnam War; and

WHEREAS, Hugh Thompson, while on a mission near My Lai in March, 1968 with his fellow crew members, Larry Colburn and Glenn Andreotta, recognized that American soldiers were beginning the slaughter of innocent Vietnamese peasants; and

WHEREAS, Thompson, Colburn and Andreotta took it upon themselves to step in that day to rescue ten unarmed civilians, including one child who was left for dead in a ditch with one hundred seventy dying women, old men and children; and

WHEREAS, Thompson's heroic actions led to a cease-fire of the actions in Quang Ngai Province, saving an estimated ten thousand lives in six villages in the province; and

WHEREAS, Thompson was later reprimanded as a disloyal military officer and subjected to attempts to discredit his actions; and

WHEREAS, Thompson held firm to his beliefs and was later recognized for his bravery and ethical conduct on the battlefield, receiving the Courts of Conscience Award from the Peace Abby, and later the Soldier's Medal, the highest award given by the United States Army for battlefield action other than with the enemy -- all chronicled in the book, *The Forgotten Hero of My Lai: The Hugh Thompson Story*; and

WHEREAS, On the eighth of November, 2000, he comes to Chicago to The John Marshall Law School to speak on "The Ethics of War"; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago gathered here this first day of November, 2000, A.D., do hereby join with Americans across the country who applaud Hugh Thompson's extraordinary courage, his concern and compassion, his true humanity under the most challenging of circumstances and for being a beacon of hope and inspiration for us all; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to Hugh Thompson.

**CONGRATULATIONS EXTENDED TO MR. WILLIAM F. NORKETT
ON RECEIPT OF SISTER ROSEMARY CONNELLY SERVICE
MEDALLION FROM MISERICORDIA HEART OF MERCY.**

WHEREAS, On Saturday, November 4, 2000, William F. Norkett will be honored by Misericordia Heart of Mercy as recipient of the Sister Rosemary Connelly Service Medallion; and

WHEREAS, Born on September 30, 1936 in Evanston, Illinois, Bill has lived his entire life in Chicago's Rogers Park neighborhood; and

WHEREAS, Bill attended Hardy Prep and Loyola Academy before going to college at John Carroll University in Cleveland, Ohio; and

WHEREAS, Upon graduating from college, Bill was commissioned as a second lieutenant in the United States Army; and

WHEREAS, Bill married his sweetheart, Barbara on August 1, 1959, and they have spent over forty happy years together. The couple has been blessed with four children, Mary Beth (nee Fox), Brian, Matthew and Katie (nee DiTeresa) and with ten grandchildren; and

WHEREAS, The Norkett's have lived in the same home on Lunt Avenue in west Rogers Park for over thirty years. Each of the Norkett children attended Convent of Sacred Heart Academy in Rogers Park, and Bill himself is a devoted member of Saint Jerome's Parish; and

WHEREAS, Bill has spent his entire adult life in public service, having worked with the Illinois Secretary of State's Office and with the Cook County Clerk of the Circuit Court before becoming an employee of the City of Chicago on January 5, 1959. He has served as ward superintendent for the Department of Streets and

Sanitation in the 49th Ward since 1971 and maintains that office as one of the best run in the entire City of Chicago; and

WHEREAS, Bill loves his job and his community, and his dedication even extends to his days off. He's a familiar sight to area residents during the weekends, which he often uses to drive the streets and alleys of the 49th Ward searching for any problems and any ways in which service might be improved; and

WHEREAS, Bill Norkett devotes much of his spare time to helping Misericordia Heart of Mercy with various events and efforts. He mans the corner of Devon and Western Avenues each April for Misericordia's Tag Days fundraising effort; his work before, during and after the Annual Fall Family Festival is vital to the success of that event, and along with several of his close friends, Bill uses vacation time in order to deliver food and presents to needy families during Misericordia's holiday program; and

WHEREAS, Bill is also known to regularly stop and offer assistance to those he sees in need on the street. His generosity knows no bounds, and he is one of the most beloved figures in all of Rogers Park; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled in meeting this first day of November, 2000, do hereby express our sincere appreciation and gratitude to William F. Norkett for all that he has done to make the City of Chicago a better place in which to live, and offer our congratulations on the occasion of his being honored by Misericordia Heart of Mercy as recipient of the Sister Mary Connelly Service Medallion for the year 2000; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to William F. Norkett.
