[R2011-25]

The Honorable Richard M. Daley, Mayor, presented the following communication:

COMMUNICATIONS, ETC.

110165

OFFICE OF THE MAYOR
CITY OF CHICAGO

January 13, 2011.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I transmit herewith a congratulatory resolution concerning Ambulance Commander Sheila Gara and Fire Paramedic Christopher Hunter of the Chicago Fire Department, and their exemplary conduct during the events of October 23, 2010.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RICHARD M. DALEY,
Mayor.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, On the afternoon of October 23, 2010, Companies of the 2nd District and EMS Field Division North of the Chicago Fire Department responded to a report of an injury involving a knife on the 4600 block of North Wolcott Avenue; and

WHEREAS, Ambulance Commander Sheila Gara and Fire Paramedic Christopher Hunter of Ambulance 40 responded quickly to the call. As they approached the address, they encountered a gruesome scene -- an elderly man, his clothes crimson with blood, was standing unsteadily on the sidewalk, clutching a large kitchen knife; and

WHEREAS, Ambulance Commander Gara immediately called the Office of Emergency Management and Communications to request police help in dealing with this presumed offender; and

WHEREAS, Waiting for police assistance, Commander Gara and Paramedic Hunter tried to assess the scene while maintaining a safe distance. However, the situation before them

suddenly took a nightmarish, surreal turn as the man, crying out and speaking incoherently, began to stab himself deeply in the chest and stomach; and

WHEREAS, Blood began to fountain from the man as another stroke of the knife caused a slicing wound to his neck, laterally across the trachea; and

WHEREAS, Attempts to calm down and assist the man were futile, for he was highly agitated and incoherent, making threatening gestures towards the ambulance personnel with the sharp blade; and

WHEREAS, Suddenly, overcome by his grievous wounds, the man collapsed, and Commander Gara and Paramedic Hunter rushed forward and, with help from Engine 110, managed to take the knife from the man and place him onto a stretcher; and

WHEREAS, Even after the victim was on the stretcher, he continued to thrash violently and resist treatment. The first responders' task was made even more difficult by the fact that the man and stretcher were drenched with potentially infectious blood and that now, with every exhalation, the man was spraying a mist of blood into the air; and

WHEREAS, Despite these harrowing and dangerous conditions, Commander Gara and Paramedic Hunter did not flinch, but applied desperately needed measures to stanch the bleeding and stabilize the patient; and

WHEREAS, As the ambulance departed for Illinois Masonic Emergency Medical Center, Commander Gara and Paramedic Hunter continued their focused, determined efforts enroute, not ceasing until the man was transferred for care by hospital surgeons; and

WHEREAS, The exceptional professionalism, poise and skills shown by Ambulance Commander Sheila Gara and Fire Paramedic Christopher Hunter were the key to keeping the wounded man alive and successfully resolving a very dangerous incident; and

WHEREAS, Thanks to the devotion to duty of these members of the Fire Department, a deeply disturbed man was given a rare second chance at life; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 13th day of January 2011, do hereby honor Ambulance Commander Sheila Gara and Fire Paramedic Christopher Hunter of the Chicago Fire Department's Ambulance 40 for their skilled medical rescue of a victim in desperate peril; and

Be It Further Resolved, That suitable copies of this resolution be presented to these members of the Chicago Fire Department, and placed on permanent record in their personnel files, as a token of our appreciation and esteem.

After calling the City Council's attention to the presence in the commissioners' gallery of the families of Ambulance Commander Sheila Gara and Fire Paramedic Christopher Hunter, President Tempore Zaiewski invited the honorees to the Mayor's rostrum where he expressed his personal thanks and presented each with a parchment copy of the congratulatory resolution.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are incorporated by reference as if fully set forth herein.

SECTION 2. Subject to the approval of the Corporation Counsel as to form and legality, the Acting Commissioner of DCD ("Commissioner") or his or her delegate is hereby authorized to execute and deliver the Agreement with the CTA in substantially the form attached hereto as Exhibit A, with such changes therein as the Commissioner may approve, provided that such changes do not amend any essential terms of the Agreement (execution of the Agreement by the Commissioner or his or her delegate constituting conclusive evidence of such approval), and to enter into and execute all such other agreements and instruments and to perform any and all acts as shall be necessary or advisable in connection with the implementation of the Agreement.

SECTION 4. This ordinance shall be in full force and effect from and after the date of its passage and approval.

Exhibit "A" referred to in this ordinance reads as follows:

*Exhibit "A".
(To Ordinance)*

*Intergovernmental Agreement
Between
The City Of Chicago
And
Chicago Transit Authority.*

This intergovernmental agreement (the "Agreement") is entered into as of _____ (the "Closing Date") by and between the City of Chicago, a municipal corporation (the "City"), acting through its Department of Community Development ("DCD"), and the Chicago Transit Authority ("CTA"), an Illinois municipal corporation duly organized and existing under the laws of the State of Illinois.

Whereas, The City is a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

Whereas, The City is authorized, under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects; and

Whereas, In accordance with the provisions of the Act, and pursuant to three ordinances adopted on July 21, 1999 and published at pages 8099 -- 8210 of the *Journal of the Proceedings of the City Council of the City of Chicago* (the "*Journal*") of such date (with an amending ordinance adopted on February 16, 2000 to correct an erroneous plat of survey designation number, which ordinance was published at pages 25569 -- 25571 of the *Journal*), the City Council of the City: (i) approved a certain redevelopment plan and project (the "Plan") for the 24th/Michigan Redevelopment Project Area (the "Area") within the City; (ii) designated the Area as a redevelopment project area; and (iii) adopted tax increment allocation financing (the "TIF Adoption Ordinance") for the Area; and

Whereas, Under the Act and the TIF Adoption Ordinance, certain ad valorem taxes are allocated and, when collected, are paid to the Treasurer of the City for deposit by the Treasurer into the 24th/Michigan TIF Fund established to pay redevelopment project costs incurred in the Area, which taxes may be used to pay all or a portion of the costs of construction of public improvements within the Area that are incurred or that are to be incurred in furtherance of the objectives of the Plan, to the extent the municipality by written agreement accepts and approves such costs; and

Whereas, Pursuant to the Plan, certain TIF-funded City programs and redevelopment agreements have been established by the City Council of the City as of the Closing Date, which programs and agreements pledge portions of the 24th/Michigan TIF Fund (collectively, the "Prior Obligations"); and

Whereas, The CTA proposes to undertake the rehabilitation of a portion of its Cermak/Chinatown rapid transit station on the Red Line, including, among other things, a new auxiliary entrance/exit at Archer Avenue, new entry plaza at Cermak Boulevard, reinforced protective bollards, raised planters around the station house, landscaping, sidewalks and bus turnaround pavement with ADA-compliant ramps, ornamental fencing, bike racks, exterior lighting, updated ADA-compliant street signage, and security cameras (the "Project"), which project is located within the Area, is described in more detail in (Sub)Exhibit A, incorporated and attached hereto, and is anticipated to cost approximately \$13,100,000; and

Whereas, The City and the CTA have agreed that the City will pay not more than \$600,000 toward the CTA's costs of the Project (the "City Contribution") from Available Incremental Taxes (as defined below) or from any other source of funds available to and selected by the City; and

Whereas, The Project is the type of public improvement that is contemplated by the Plan, and therefore the costs of the Project qualify as redevelopment project costs under the Plan; and

Whereas, The City and the CTA wish to enter into this Agreement; and

Whereas, The City and the CTA have authority to enter into this Agreement pursuant to the Intergovernmental Cooperation Act, 5 ILCS 220/1, et seq.; and

Whereas, On _____, the City Council adopted an ordinance (the "Authorizing Ordinance") authorizing the execution of this Agreement; and

Whereas, On November 10, 2010, the Chicago Transit Board passed an ordinance (the "CTA Ordinance") authorizing the execution of this Agreement;

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

Section 1.

Recitals.

The foregoing recitals are hereby incorporated into this Agreement by reference.

Section 2.

[Intentionally omitted]

Section 3.

The Project.

(a) The parties acknowledge that the Project began in 2009 and that the remainder of the Project shall be completed not later than December 1, 2011.

(b) The CTA shall provide the City any plans and specifications pertaining to the Project that the City may reasonably request from time to time during the Term of this Agreement, and shall notify DCD of any significant changes to said plans.

(c) The CTA hereby certifies that the Project has to date and shall continue to comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders as may be in effect at the time of the Project's completion.

(d) The CTA hereby certifies to the City that the City Contribution, together with available CTA funds, shall be sufficient to complete the Project. In recognition of the fact that the City will pay the City Contribution as one or more reimbursement payments after the Project's costs are first incurred and paid for by the CTA, the CTA hereby certifies to the City that it has funds in amounts sufficient to pay for the Project's costs.

Section 4.

Financing.

(a) CTA funds shall be used to pay the Project's costs.

(b) City Funds (as defined below) shall be used only to reimburse the CTA for its costs of TIF-Eligible Improvements that constitute Redevelopment Project Costs, contingent upon receipt by the City of documentation satisfactory in form and substance to DCD evidencing such costs. "TIF-Eligible Improvements" means those improvements of the Project which (i) qualify as Redevelopment Project Costs, (ii) are eligible costs under the Plan, and (iii) the City has agreed to pay for out of the City Funds, subject to the terms of this Agreement. "Redevelopment Project Costs" means redevelopment project costs as defined in Section 5/11-74.4-3(q) of the Act that are included in the budget set forth in the Plan or otherwise referenced in the Plan. The City agrees that (Sub)Exhibit A hereto represents certain TIF-Eligible Improvements for the Project and sets forth, by approximate line item amounts, the minimum amount of TIF-Eligible Improvements the CTA plans to expend for the Project. The CTA may implement changes to the Project that cause variations in the line item amounts shown on (Sub)Exhibit A, provided that all the changes qualify as TIF-Eligible Improvements.

(c) Subject to the terms and conditions of this Agreement, the City shall pay to the CTA an amount not to exceed \$600,000 in City funds from Available Incremental Taxes ("City Funds") to pay all or any portion of the City Contribution. If the actual costs of the Project total less than \$600,000, then the maximum the City shall be liable for under this Agreement is 100 percent of those Project costs that constitute TIF-Eligible Improvements. If the actual costs of the Project exceed \$600,000, then the CTA shall be solely responsible for such excess costs.

(d) "Available Incremental Taxes" means such ad valorem taxes which, pursuant to the TIF Adoption Ordinance and Section 5/11-74.4-8(b) of the Act, are allocated to and when collected are paid to the Treasurer of the City of Chicago for deposit by the Treasurer into the 24th/Michigan TIF Fund established to pay Redevelopment Project Costs and obligations incurred in the payment thereof, and which are not encumbered or pledged for the payment of Prior Obligations.

(e) The City warrants that it has available and has segregated on the books of the City an amount of City Funds sufficient to make the City Contribution, and covenants that the City Funds will not be used for any purpose other than the City Contributions during the Term of this Agreement.

(f) The City Funds being provided hereunder are being granted on a conditional basis, subject to the CTA's compliance with the provisions of this Agreement.

(g) Only those expenditures made by CTA with respect to the Project prior to the Closing Date hereof, evidenced by documentation satisfactory to DCD and approved by DCD as satisfying costs covered in the budget for the Project, shall be considered as previously contributed CTA funds ("Prior Expenditures") (Sub)Exhibit D hereto sets forth the prior expenditures approved by DCD as of the date hereof as Prior Expenditures.

Section 5.

Payment.

(a) The City agrees to pay the City Contribution to the CTA in one payment of City Funds as set forth in subsection (d) below. The CTA shall request the payment of the City Funds on a properly completed Requisition Form in the form set forth on (Sub)Exhibit C hereto ("Reimbursement Request"), which the CTA may file with the City at any time following the completion of the Project. Prior to or simultaneous with the delivery of the Reimbursement Request to the City, the CTA shall submit documentation substantiating its applicable expenditures (including TIF-Eligible Improvements) to DCD.

(b) Delivery by the CTA to DCD of the Reimbursement Request hereunder shall, in addition to the items expressly set forth therein, constitute a certification to the City, as of the date of the Reimbursement Request, that:

(i) the total amount of the Reimbursement Request represents the actual amount already expended by the CTA for its own work or paid by the CTA to the general contractor(s), subcontractors or other parties who have performed work on or otherwise provided goods or services in connection with the Project;

(ii) the CTA has approved all work and materials for the Reimbursement Request; and

(iii) the work that is the subject of the Reimbursement Request was performed in accordance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders at the time of its completion.

(c) Upon presentation of the Reimbursement Request from the CTA, the City shall review it and its supplemental documentation for, among other things, evidence that the CTA incurred and paid TIF-Eligible Expenditures in an amount that equals or exceeds the amount of City Funds agreed to herein, and shall inform the CTA of any questions or comments about same as soon as practicable.

(d) Once the Reimbursement Request is approved by the City, the City, by check or wire transfer, shall pay the entire City Contribution amount not later than 60 days thereafter.

Section 6.

Term.

The term of this Agreement ("Term") shall commence on the Closing Date and shall expire on December 31, 2011 or on the date of termination of this Agreement according to its terms, whichever occurs first.

Section 7.

Environmental Matters; Safety; Inspection.

(a) The City makes no covenant, representation or warranty as to the environmental condition of the Project or the suitability of the Project for any public rapid transit use whatsoever.

(b) The CTA shall be solely responsible for the safety and protection of the public in connection with the Project.

(c) The City reserves the right to inspect the Project from time to time as it is being undertaken or after its completion.

Section 8.

Insurance.

(a) The CTA is self-insured. During the Term of this Agreement, the CTA shall provide and maintain, at the CTA's own expense, or cause to be provided, insurance or self-insurance equivalent to the coverages and requirements specified below concerning all operations related to this Agreement.

(b) Workers' Compensation And Employer's Liability.

Workers' Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employer's Liability coverage with limits of not less than \$100,000 each accident or illness.

(c) Commercial General Liability (Primary And Umbrella).

Commercial General Liability Insurance or equivalent self-insurance with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: all premises and operations, products/completed operations, explosion, collapse, underground separation of insureds, defense, and contractual liability. The City of Chicago will be considered an additional insured on a primary, noncontributory basis for any liability arising directly from the work. For those contracts already let or for work already performed prior to the Closing Date, the CTA shall recognize the City of Chicago as an additional insured on a primary noncontributory basis for any liability arising directly from such work.

(d) Automobile Liability (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the CTA shall provide self-insured Automobile Liability coverage with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage.

(e) Professional Liability.

When any architects, engineers or professional consultants engaged by the CTA perform work in connection with this Agreement, the CTA shall provide self-insured Professional Liability covering acts, errors, or omissions with limits of not less than \$1,000,000.

(f) Prior to the Closing Date, the CTA will furnish the City a letter of self-insurance evidencing the required coverage to be in force on the Closing Date. After the Closing Date, the CTA will furnish the City similar evidence if the coverages change from self-insurance to purchased insurance during the Term of this Agreement and prior to the completion of the Project. The receipt of any self-insurance does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the self-insurance is in compliance with all Agreement requirements.

(g) Nonconforming self-insurance shall not relieve the CTA of the obligation to provide or cause to be provided insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop the CTA's work until proper evidence of insurance is provided, or this Agreement may be terminated.

(h) The required general liability self-insurance shall provide for sixty (60) days prior written notice to be given to the City or the CTA in the event coverage is substantially changed, canceled, or non-renewed. The CTA shall promptly notify the City in the event the CTA receives any such notice.

(i) Any and all self-insured retentions on referenced insurance coverages shall be borne by the CTA and its contractors.

(j) The CTA shall waive its rights of subrogation against the City, its employees, elected officials, agents, or representatives.

(k) The CTA expressly understands and agrees that any coverage and limits furnished by the CTA shall in no way limit the CTA's liabilities and responsibilities specified by this Agreement or by law.

(l) The CTA expressly understands and agrees that any insurance or self-insurance programs maintained by the City shall not contribute with insurance provided by the CTA under this Agreement.

(m) The required self-insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

(n) The CTA shall require all contractors for the Project to provide the insurance required herein or the CTA may provide the coverages for contractors. All contractors shall be subject to the same insurance requirements as is the CTA unless otherwise specified herein. In all contracts relating to the Project that are let after the Closing Date, the CTA agrees to require the contractor to name the City as an additional insured on insurance coverages as provided

above and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

Section 9.

Employment Obligations.

9.01 Employment Opportunity.

CTA, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its general contractors, subcontractors or any Affiliate of the CTA operating in connection with the Project (collectively, with CTA, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to CTA and during the period of any other party's provision of services to CTA in connection with the construction of the Project, to the extent not in conflict with CTA's procurement requirements or applicable federal and state law:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010, et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time ("Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a nondiscriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) As required by 49 U.S.C. 5332 (which prohibits discrimination on the basis of race, color, creed, national origin, sex, or age, and prohibits discrimination in employment or

business opportunity), by Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000d, and by U.S. DOT regulations, "Nondiscrimination in Federally-Assisted Programs of the Department of Transportation -- Effectuation of Title VI of the Civil Rights Act", 49 CFR Part 21 at 21.7, the Employer ensures that it will comply with all requirements imposed by or issued pursuant to 49 U.S.C. 5332, 42 U.S.C. 2000d, and 49 CFR Part 21, so that no person in the United States, on the basis of race, color, national origin, creed, sex, or age will be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in any program or activity (particularly in the level and quality of transportation services and transportation-related benefits) for which the Employer receives Federal assistance awarded by the U.S. DOT or FTA.

(c) Each employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101, et seq., and any subsequent amendments and regulations promulgated thereto.

(d) Each employer, in order to demonstrate compliance with the Terms of this section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate undertaking any portion of the Project, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

9.02 Construction Worker Hours.

9.03

[intentionally omitted]

of CTA contract participation requirements for DBEs predicated on such federal requirements applicable to the Project as well as a listing of the DBE commitment for the Project. The CTA shall provide evidence to the City, in conjunction with its other reporting to the City with respect to compliance matters, that it is complying with federal requirements relating to the hiring of DBEs during the construction of the Project.

For purposes of this Section 9.04, "DBE(s)" shall mean disadvantaged business enterprises certified as such by the Illinois Universal Certification Program, of which CTA is a member, pursuant to the U.S. Department of Transportation regulations set forth at 49 CFR Part 26.

Section 10.

Indemnification.

Cermak-Chinatown Red Line Station Improvements:

CTA is investing American Reconstruction and Recovery Act funds to repair and make improvements to the Cermak-Chinatown Red Line Station. This station serves 1,225,046 rides per year (2009), and provides direct access between the Chinatown neighborhood and the Loop. It also serves as a transfer point for several bus lines, including the 21 (Cermak), the 24 (Wentworth) and the 62 (Archer).

Beyond replacing the escalator and making repairs required after a catastrophic accident at the station in 2008, the work will make the station accessible for people with disabilities. Work includes installation of an elevator, as well as a new station house, with the customer assistant booth and fare array ground level. This reconfiguration is necessary in order to provide full accessibility. A new auxiliary entrance will also be constructed at Archer Avenue. The entrance at Archer will be built first, so that the Cermak entrance can be closed during reconstruction. The auxiliary entrance at South Cermak will also remain open during construction of the North Cermak entrance. After the main station house work at Cermak is complete, the Archer entrance will remain open as an automated entrance and exit with fare-card activated gates.

Work to make the Cermak-Chinatown station accessible and add an entrance on Archer Avenue will be completed by January 2011. The total project budget is \$12.5 Million. An additional \$600,000 in Tax Increment Financing (TIF) funds from the City of Chicago will provide for enhancements at street level that reflect input from the Chinatown Chamber of Commerce and Alderman Solis 25th Ward staff.

Specific site improvements include new landscaping, ornamental fencing and raised planters around the station entrances at both Cermak and Archer, as well as reinforced protective bollards at the street curb on Cermak. It will also include new bike racks, security cameras, exterior lighting and updated ADA-compliant street signage at both locations. At the Archer entrance, a new entry plaza is to be installed, with public art installation provided by Chinatown Chamber of Commerce. At the Cermak entrance, new sidewalks and new pavement for the bus turnaround will be installed, including ADA-compliant ramps. The total estimated cost is \$730,669, of which \$600,000 would be covered with TIF funds.

E. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects.

F. In accordance with the provisions of the Act, and pursuant to ordinances adopted on February 16, 2000, and published in the *Journal of the Proceedings of the City Council of the City of Chicago* for said date at pages 24802 to 24917, the City Council: (i) approved and adopted a Tax Increment Redevelopment Project and Plan (the "Plan") for a portion of the City known as the Lawrence/Kedzie Redevelopment Project Area (the "Lawrence/Kedzie Redevelopment Area"); (ii) designated the Lawrence/Kedzie Redevelopment Area as a "redevelopment project area" and a Tax Increment Financing District; and (iii) adopted tax increment allocation financing for the Lawrence/Kedzie Redevelopment Area.

G. Under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes which, pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment"), may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs (Increment collected from the Lawrence/Kedzie Redevelopment Area shall be known as the "Lawrence/Kedzie Increment").

H. The Park District is a taxing district under the Act.

I. The Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Project, within the boundaries of the Lawrence/Kedzie Redevelopment Area.

L. The City and the Park District wish to enter into this Agreement whereby the City shall pay for or reimburse the Park District for the TIF-Funded Improvements.

M. On January __, 2011, the City Council adopted an ordinance published in the *Journal of the Proceedings of the City Council of the City of Chicago* for said date at pages _____ to _____, (the "Authorizing Ordinance"), authorizing, among other things, the execution of this Agreement.

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

Terms And Conditions.

Section 1.

The Project.

1.1

No later than __ months from the Closing Date, or later as the Commissioner of Zoning (the "Commissioner") may agree in writing, the Park District shall let one or more contracts for the construction of the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.2

The Plans and specifications for the Project (the "Plans and Specifications") shall at a minimum meet the general requirements set forth in (Sub)Exhibit B hereof and shall be provided to the City by the Park District prior to the disbursement of Lawrence/Kedzie Increment funds. No material deviation from the plans and specifications may be made without the prior written approval of the City. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.3

The Park District shall also provide the City with copies of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied and operated as a public park.

1.4

The Park District shall include a certification of compliance with the requirements of Sections 1.1, 1.2, and 1.3 hereof with each request for Lawrence/Kedzie Increment funds hereunder, and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

Section 2.

Funding.

2.1

The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the Lawrence/Kedzie Increment funds that are to be used for the Project (the "Project Funds") to the Park District. The Park District shall keep the Project Funds in a segregated account to be used only for the Project.

2.2

Within __ days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than __ days after the execution of this Agreement (the "Satisfaction Period"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for the City's disbursement of the Project Funds to the Park District:

2.2.1 The Park District has provided or has caused to be provided to the City:

- (a) copies of all easements and encumbrances of record;
- (b) two copies of a Class A plat survey in the most recently revised form of ALTA/ACSM land title survey, acceptable in form and content to the City prepared by a surveyor registered in the State of Illinois, certified to the Park District, and certifying as to whether the Property is in an area identified by the Federal Emergency Management Agency as having special flood hazards;
- (c) a copy of the most recent real estate tax bill with respect to the Property, to the extent available; and
- (d) a copy of the most recent water bill with respect to the Property, to the extent available.

2.2.2 If the Park District is unable to satisfy the conditions stated in this Section 2.2 within the Satisfaction Period, either Party may terminate this Agreement by providing written notice to the other Party.

2.3

The Park District may request that a certificate(s) of expenditure in the form of (Sub)Exhibit D hereto ("Certificates of Expenditure") be processed and executed quarterly. The City shall not execute Certificates of Expenditure in the aggregate in excess of the actual costs of the Project that are TIF-Funded Improvements. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to Zoning. Delivery by the Park District to Zoning of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

2.3.1 the total amount of the request for the Certificate of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

2.3.2 all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;

2.3.3 the Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications; and

2.3.4 the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2.4

The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.3 are true and correct, and any execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2.5

The total cost of the Project is estimated to be \$475,000. The Park District has delivered to the Commissioner a project budget for the Project attached as (Sub)Exhibit C. The Park District agrees that the City will not contribute Project Funds in excess of the current estimated cost of the Project, and that all costs of completing the Project over the Project funds shall be the sole responsibility of the Park District.

2.6

(Sub)Exhibit C contains a preliminary list of capital improvements, land assembly costs, relocation costs, financing costs, and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the Lawrence/Kedzie Increment funds (the "TIF-Funded Improvements"). To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of Lawrence/Kedzie Increment funds on the Project, the Commissioner, based upon the project budget, may make such modifications to (Sub)Exhibit C as he or she wishes in his or her discretion to account for all of the Lawrence/Kedzie Increment funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as

redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of Lawrence/Kedzie Increment funds, subject to the terms of this Agreement.

2.7

The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the Lawrence/Kedzie Increment funds are subject on every respect to the availability of funds as described in and limited by this Section 2.7 and Section 2.2. 2.8

If the aggregate cost of the Project is less than the amount of the Project Funds contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the Project Funds contemplated by this Agreement and the amount of the Project Funds actually paid by the City to the Park District and expended by the Park District on the Project.

Section 3.

Term.

The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Lawrence/Kedzie Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

5.3

The Park District shall require all subcontractors to provide the insurance required herein or the Park District may provide the coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Park District unless otherwise specified herein. In all contracts relating to the Project, the Park District agrees to require the contractor to name the City as an additional insured on insurance coverages and to require

Exhibits "A" and "B" referred to in this ordinance read as follows:

Exhibit "A".
(To Ordinance)

Intergovernmental Agreement
Between
The City Of Chicago
And
The Chicago Park District
Ping Tom Memorial Park.

This Agreement is made this 24th day of September, 2010 (the "Closing Date"), under authority granted by Article VII, Section 10 of the 1970 Constitution of the State of Illinois, by and between the City of Chicago (the "City"), an Illinois municipal corporation, by and through its Department of Zoning and Land Use Planning ("DZLUP"); and the Chicago Park District (the "Park District"), an Illinois municipal corporation. The Park District and the City are sometimes referred to herein as the "Parties".

Recitals.

A. The City is a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs.

B. The Park District is a unit of local government under Article VII, Section 1 of the 1970 Constitution of the State of Illinois and, as such, has the authority to exercise control over and supervise the operation of all parks within the corporate limits of the City.

C. The Park District controls and operates Ping Tom Memorial Park, Park Number 481 (the "Park"), located at 300 West 19th Street, Chicago, Illinois and legally described in (Sub)Exhibit A (the "Property"), and has proposed to undertake certain improvements to the Park, such improvements being hereinafter referred to as the "Project".

D. In 2002, the Illinois Department of Natural Resources, the City, and the Park District contributed \$1.5 Million toward the expansion of the Park to add approximately five acres, for a park total of approximately 17 acres. With funding and in-kind support from the City, the United States Department of Housing and Urban Development, and the Army Corps of Engineers, among others, the Park District has developed the southern portion of the park and has begun remediation and development of the northern parcels. Work completed to date includes remediation and debris removal, shoreline revetment, installation of utilities, paths, park furniture, canopies, lighting, rubberized surfaces and landscaping.

E. The Park lies within the boundaries of the River South Redevelopment Area (as hereinafter defined).

F. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects.

G. In accordance with the provisions of the Act and pursuant to ordinances adopted on July 30, 1997, and published in the *Journal of the Proceedings of the City Council of the City of Chicago* for said date at pages 49089 -- 49206, the City Council: (i) approved and adopted a Tax Increment Redevelopment Project and Plan (the "Plan") for a portion of the City known as the "River South Redevelopment Project Area" (the "River South Redevelopment Area"); (ii) designated the River South Redevelopment Area as a "redevelopment project area" and a Tax Increment Financing District; and (iii) adopted tax increment allocation financing for the River South Redevelopment Area.

H. Under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment") may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs (Increment collected from the River South Redevelopment Area shall be known as the "River South Increment").

I. The Park District is a taxing district under the Act.

J. The Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Project, within, or adjacent to, the boundaries of the River South Redevelopment Area.

K. DZLUP wishes to make available to the Park District a portion of the River South Increment in an amount not to exceed \$12,000,000 (the "Project Assistance") for the purpose of funding the Project in the Park (the "TIF-Funded Improvements") to the extent and in the manner provided in the Agreement (as hereinafter defined).

L. In accordance with the Act, the TIF-Funded Improvements shall include such of the Park District's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Plan, and the City has found that the TIF-Funded Improvements consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act.

M. The City and the Park District wish to enter into this Agreement whereby the City shall pay for or reimburse the Park District for a portion of the TIF-Funded Improvements.

N. On March 12, 2010, the City Council adopted an ordinance published in the *Journal of the Proceedings of the City Council of the City of Chicago* for said date at pages 86157 -- 86183, (the "Authorizing Ordinance"), among other things, authorizing the execution of this Agreement.

O. On March 12, 2008 and September 9, 2009, Park District's Board of Commissioners adopted resolutions expressing its desire to cooperate with the City in the construction of the Project and authorizing the execution of this Agreement (the "Park District Ordinance").

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

Terms And Conditions.

The Project shall at a minimum meet the requirements set forth in the Project Description in (Sub)Exhibit B hereof and comply with plans and specifications to be provided to and approved by DZLUP prior to the commencement of the Project ("Plans and Specifications") in order for the Park District to qualify for the disbursement of River South Increment funds. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.3

At such time as the Park District lets a contract or contracts, the form(s) of which shall be determined solely by the Park District, for the Project, the Park District shall also provide the City with copies, if any shall apply, of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied and operated as a public park.

1.4

The Park District shall include a certification of compliance with the requirements of Sections 1.1, 1.2 and 1.3 hereof with each request for River South Increment funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

Section 2.

Funding.

2.1

The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the Project Assistance to the Park District. The Park District shall keep the Project Assistance in a segregated account to be used only for the Project.

2.2

Within 15 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than 30 days after the execution of this Agreement (the "Satisfaction Period"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for the City's disbursement of the Project Assistance to the Park District:

- (a) the Park District has satisfactory title to the Property (which may be evidenced by an acceptable title insurance policy), subject only to those title exceptions acceptable to the City and the Park District; and
- (b) the Park District has provided or has caused to be provided to the City:
 - (i) copies of all easements and encumbrances of record;
 - (ii) two copies of a Class A plat survey in the most recently revised form of ALTA/ACSM land title survey, acceptable in form and content to the City prepared by a surveyor registered in the State of Illinois, certified to the Park District, and certifying as to whether the Property is in an area identified by the Federal Emergency Management Agency as having special flood hazards;
 - (iii) a copy of the most recent real estate tax bill with respect to the Property, to the extent available; and
 - (iv) a copy of the most recent water bill with respect to the Property, to the extent available.
- (c) if the Park District is unable to satisfy the conditions stated in this Section 2.2 within the Satisfaction Period, either Party may terminate this Agreement by providing written notice to the other Party.

2.3

The Park District may request that a certificate(s) of expenditure in the form of (Sub)Exhibit C hereto ("Certificates of Expenditure") be processed and executed periodically. The City shall not execute Certificates of Expenditure in the aggregate in excess of the actual costs of the Project that are TIF-Funded Improvements. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to DZLUP. Delivery by the Park District to DZLUP of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

- (a) the total amount of the request for the Certificate of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;
- (b) all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;
- (c) the Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications previously approved by DZLUP; and
- (d) the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2.4

The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.3 are true and correct, and any execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2.5

The current estimate of the cost of the Project is \$12,000,000. The Park District has delivered to the Commissioner a project budget for the Project attached as (Sub)Exhibit D. The Park District certifies that it has identified sources of funds (including the Project Assistance) sufficient to complete the Project. The Park District agrees that the City will only contribute the Project Assistance to the Project and that all costs of completing the Project over the Project Assistance shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City in writing, and the Park District may narrow the scope of the Project (the "Revised Project") as agreed with the City in order to complete the Revised Project with the available funds.

2.6

(Sub)Exhibit D contains a preliminary list of capital improvements and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the Project Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the

Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of Project Assistance on the Project, the Commissioner, based upon the project budget, may make such modifications to (Sub)Exhibit D as he or she wishes in his or her discretion to account for all of the Project Assistance to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act; (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of Project Assistance, subject to the terms of this Agreement.

2.7

The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the Project Assistance are subject on every respect to the availability of funds as described in and limited by this Section 2.7 and Section 2.2. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Project Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.8

If the aggregate cost of the Project is less than the amount of the Project Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the Project Assistance contemplated by this Agreement and the amount of the Project Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

Section 3.

Term.

The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the River South Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

*Section 4.**Environmental Matters.**4.1*

The Chicago Park District shall, in its sole discretion, determine if any environmental remediation is necessary, and any such work that the Park District determines is necessary shall be performed using the Project Assistance funding provided herein. The City's financial obligation shall be limited to an amount not to exceed \$12,000,000 with respect to the matters contained in this Agreement, including this Section 4. The City makes no covenant, representation or warranty as to the environmental condition of the Park or the suitability of the Park as a park or for any use whatsoever.

4.2

The Park District agrees to carefully inspect the Park prior to commencement of any remediation or development on the Park to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Park District shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the Park. The Park District agrees to keep the Park free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Park District.

4.3

The Park District or its contractor must obtain all necessary permits, and applicable insurance as described in Section 5 hereof.

*Section 5.**Insurance.**5.1*

Coverages shall include the following: all premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the work.

To the extent permitted by law, the Park District may self-insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self-insure for the above insurance requirements, the Park District shall bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self-insurance program shall comply with at least the insurance requirements as stipulated above.

5.2

The Park District will furnish the City at the address stated in Section 8.13, original Certificates of Insurance evidencing the required coverage to be in force on the Closing Date, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The Park District shall submit evidence of insurance on the City's Insurance Certificate Form or equivalent prior to the Closing Date. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance

policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

5.3

The Park District shall advise all insurers of the provisions of this Agreement regarding insurance. Nonconforming insurance shall not relieve the Park District of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or this Agreement may be terminated.

5.4

The required insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

5.5

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by the Park District and its contractors.

5.6

The Park District agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

5.8

The Park District expressly understands and agrees that any insurance or self-insurance programs maintained by the City shall not contribute with insurance provided by the Park District under this Agreement.

5.9

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

5.10

The Park District shall require all subcontractors to provide the insurance required herein and any other insurance customarily required by the Park District or the Park District may provide the required coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Park District unless otherwise specified herein. In all contracts relating to the Project, the Park District agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

5.11

The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

*Section 6.**Indemnity/No Personal Liability.*

In the event Park District does not cure such default within the 30-day notice period, such termination shall become effective at the end of such period; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Park District shall not be deemed to have committed such default and no termination shall occur if the Park District has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Each Participant and other Governmental Unit that receives Noise Compatibility Projects shall enter into all agreements and assurances, including agreements

with and assurances to the City, shall execute any necessary certificates, records and other documents and shall take all other actions that may be necessary to obtain and maintain FAA approval for the use of the airport revenues as contemplated in this Appendix A. Neither the O'Hare Commission nor any Participant shall take or omit to take any action if such action or omission violates restrictions on the use of airport revenues. The City shall not be obligated in any year to pay or utilize any amounts in excess of available airport revenues to carry out the purposes of this Appendix A.

C. The determination of eligibility to participate in a Noise Compatibility Program or receive a Noise Compatibility Project is not to be construed as an admission or determination of negative impact by aircraft noise or of liability for damages or any other injury relating to aircraft noise on the part of the City or the O'Hare Commission.

D. In the event they are determined to be eligible for participation in a Noise Compatibility Program, property owners in the O'Hare Commission Area shall not be required to pay any portion of the cost of any Noise Compatibility Project. Upon approval by the City of Chicago and with the consent of the property owner, at its option, the City may acquire homes that are subject to very high levels of aircraft noise.

E. Noise Compatibility Projects outside the City of Chicago may be implemented through Participants and other Governmental Units located in the O'Hare Commission Area. A Governmental Unit may request that the City undertake a Noise Compatibility Project within such Governmental Unit's corporate boundaries. Noise Compatibility Projects within the boundaries of the City shall be implemented by the City. The City may enter into agreements in connection with the planning and implementation of proposed Noise Compatibility Projects in the O'Hare Commission Area. The City shall provide administrative support and professional and technical assistance to the O'Hare Commission, each Participant and all other Governmental Units located in the O'Hare Commission Area in connection with the operations of the O'Hare Commission and the planning and implementation of Noise Compatibility Projects. All procurement activities related to Noise Compatibility Projects shall be undertaken in accordance with applicable law.

F. The O'Hare Commission may receive grants from any source to be used for the purpose of discharging its duties and obligations in accordance with the provisions of this Appendix A, and also may make grants for such purposes. The O'Hare Commission may expend any such grants for purposes consistent with this Appendix A. The City and the O'Hare Commission shall each use its best efforts (including serving as the sponsor or applicant for federal grants) to obtain the maximum amount of federal funds in connection with any noise mitigation projects, so as to maximize the availability and impact of the City's financial contribution to noise mitigation projects in the O'Hare Commission Area.

G. The City shall install and maintain a permanent noise monitoring system (the "System") at and around O'Hare Airport. The purposes of the System include validation of the FAA-approved noise contour for O'Hare, assisting in determining the eligibility and priority of proposed Noise Compatibility Projects for schools, enhancing public understanding of noise issues, and monitoring trends in aircraft noise.

(1) The City may retain a third party vendor ("System Operator) selected by the City with the input of the O'Hare Commission to operate and maintain the System pursuant to an agreement between the City and the System Operator.

(2) At the request of the O'Hare Commission, the City may also retain and pay the cost of another third party vendor ("System Expert") to provide independent management oversight of the System. The System Expert shall be mutually selected by the City and the O'Hare Commission. The System Expert will be responsible for independently verifying data and system operation through the review of all inputs and operational aspects of the System. All reports prepared by the System Expert shall be provided directly to the City and the O'Hare Commission. The activities and duties of the System Expert shall be consistent in all respects with the applicable requirements of the FAA. If the Noise Commission requests the City to retain and pay for such a System Expert, the amount that the City is obligated to pay the System Expert shall not exceed \$150, 000 per year, adjusted annually for inflation.

(3) The System shall include a minimum of 33 monitoring sites in the O'Hare Commission Area, plus such number of additional permanent monitoring sites as may be agreed upon by the City and the O'Hare Commission.

(4) The correlated data collected by the System shall be made available by the City to the O'Hare Commission and any Participant that requests such data. The City shall provide reports to the O'Hare Commission and each Participant based on the data collected by the System.

(5) Neither the O'Hare Commission, nor any of its Participants, representatives, agents, employees, consultants or professional advisors shall use, or assist other persons in using, information generated by the System in violation of Section 3.A(5) of this Agreement.

WHEREAS, The City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The Illinois Medical District (the "IMD") owns vacant land located at the 1400 block of South Ashland Avenue and described particularly on Exhibit A attached hereto (the "Project Site"); and

WHEREAS, Pursuant to ordinances adopted February 5, 1998 and published in the *Journal of the Proceedings of the City Council of the City of Chicago*, at pages 61204 -- 61411, the City designated the Western/Ogden Redevelopment Project Area (the "Area") as a redevelopment project area (the "Designation Ordinance") in accordance with the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., approved a Redevelopment Plan (the "Plan") for the Area, and adopted tax increment allocation financing for the Area; and

WHEREAS, The objectives of the Plan include strengthening the economic well-being of the Area by increasing taxable values, reducing blight, and providing necessary incentives to encourage business retention, rehabilitation and new development; and

WHEREAS, Pursuant to the Designation Ordinance, the City Council determined that the Area constituted a blighted area; and

WHEREAS, The Project Site is located within the Area; and

WHEREAS, Pursuant to an ordinance adopted December 23, 1982 and published in the *Journal of the Proceedings of the City Council of the City of Chicago*, at pages 14288 to 14291, amended most recently by ordinance adopted September 4, 2002 and published in the *Journal of the Proceedings of the City Council of the City of Chicago*, at pages 92163 -- 92166 (said ordinances and all amendments collectively referred to as the "Enterprise Zone Ordinance"), the City Council established "Enterprise Zone 1" in accordance with the Illinois Enterprise Zone Act, 20 ILCS 665/1, et seq., finding, among other things, that Enterprise Zone 1 is a depressed area; and

WHEREAS, The Project Site is located within Enterprise Zone 1; and

WHEREAS, The IMD has entered into a ground lease with Costco Wholesale Corporation ("Costco") whereby Costco intends to ground lease and occupy the Project Site, and construct a retail shopping center (the "Project"); and

WHEREAS, Costco intends to apply to the Office of the Assessor of Cook County, Illinois (the "Assessor") for designation of the Project Site as Class 7(b) classification eligible; and

WHEREAS, Section 74-65(b) of the Cook County Real Estate Classification Ordinance, as amended (the "Classification Ordinance"), provides that prior to filing an eligibility application with the Assessor, an applicant for Class 7(b) classification must obtain an ordinance or resolution from the municipality in which the real estate is located expressly stating that (a) the municipality has determined that eligibility factors (1) through (5) under Section 74-65(a) of the Classification Ordinance are present, and (b) the municipality supports and consents to the Class 7(b) application to the Assessor; and

WHEREAS, The Department of Community Development of the City of Chicago ("DCD") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class 7(b) designation, has determined it is consistent with the Plan, and hereby recommends to City Council that the City expressly determine by ordinance that (a) the required eligibility factors are present, and (b) the City supports and consents to the Class 7(b) application to the Assessor by Costco for the Project; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 3. The City hereby determines that the Project meets eligibility factor (2) under Section 74-65(a) of the Classification Ordinance in that real estate taxes in the area during the last six years have either declined, remained stagnant and/or potential real estate taxes are not being fully realized due to the depressed condition of the area.

SECTION 4. The City hereby determines that the Project meets eligibility factor (3) under Section 74-65(a) of the Classification Ordinance in that there is a reasonable expectation that the Project is viable and likely to go forward on a reasonably timely basis if granted Class 7(b) designation and will therefore result in the economic enhancement of the area.

SECTION 5. The City hereby determines that the Project meets eligibility factor (4) under Section 74-65(a) of the Classification Ordinance in that certification of the Project for Class 7(b) designation will materially assist development, redevelopment or rehabilitation of the area and the Project would not go forward without the full incentive offered under Class 7(b).

SECTION 6. The City hereby determines that the Project meets eligibility factor (5) under Section 74-65(a) of the Classification Ordinance in that certification of the Project for Class 7(b) designation is reasonably expected to ultimately result in an increase in real property tax revenue and employment opportunities within the area.

SECTION 7. The City hereby expressly determines that eligibility factors (1) through (5) under Section 74-65(a) of the Classification Ordinance are present for the Project, and hereby expressly supports and consents to the Class 7(b) application of Costco to the Assessor for Class 7(b) designation of the Project and the Project Site.

SECTION 8. The Commissioner of DCD (the "Commissioner"), or a designee of the Commissioner, are each hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by Costco with the Assessor for Class 7(b) designation of the Project.

Construction Requirements.

10.1 Site Plans.

The Developer shall construct the Project on the Property in accordance with the final design development drawings, landscape plan and specifications prepared by Daniel Weinbach & Partners, Ltd., 53 West Jackson Boulevard, Suite 250, Chicago, Illinois 60604, which have been approved by the Department and which are attached hereto as (Sub)Exhibit C ("Working Drawings, Landscape Plan and Specifications"). No material deviation from the Working Drawings, Landscape Plan and Specifications may be made without the prior written approval of the Department. If the Developer submits and the Department approves revised design development drawings and specifications after the date of this Agreement, the term "Working Drawings, Landscape Plan and Specifications" as used herein shall refer to the revised design development drawings, landscape plan and specifications upon the Department's written approval of the same.

10.2 Relocation Of Utilities, Curb Cuts And Driveways.

The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

10.3 City's Right To Inspect Property.

For the period commencing on the Closing Date and continuing through the date the City issues the Certificate of Completion, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

10.4 Barricades And Signs.

Promptly after the execution of this Agreement, the Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require identifying the

Property as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. The Department shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, which approval shall not be unreasonably withheld or delayed. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the Property.

10.5 Survival.

The provisions of this Section 10 shall survive the Closing.

Section 11.

Limited Applicability.

Any approval given by the Department pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department, nor does such Department approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the Property or any part thereof.

Section 12.

Commencement And Completion Of Project.

Subject to the receipt of all applicable government approvals, the Developer shall commence construction of the Project no later than March 25, 2011 and shall complete the Project (as determined by the Department) no later than September 1, 2011. The Commissioner of the Department shall have discretion to extend any of the construction commencement and completion dates by up to six (6) months each for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction of the Project. The Developer shall construct the Project in accordance with the Working Drawings Landscape Plan and Specifications, and all Laws and covenants and restrictions of record.

*Section 13.**Certificate Of Completion.*

The Developer shall request from the City a certificate of completion ("Certificate of Completion") upon the completion of the Project in accordance with this Agreement. Within forty-five (45) days after receipt of a written request by the Developer for a Certificate of Completion, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable, from and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction. Promptly following the recordation of the Certificate of Completion, the City shall return the Performance Deposit and Reconveyance Deed to the Developer.

*Section 14.**Restrictions On Use.*

The Developer agrees that it:

14.1

Shall devote the Property solely to the Project or a rail use.

14.2

Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Property or any part thereof or the Project or any part thereof.

Section 15.

Prohibition Against Sale Or Transfer Of Property.

Prior to the issuance of the Certificate of Completion for the Project, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the Property or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that the Department may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the Certificate of Completion to anyone other than another principal party, without the prior written consent of the Department, which consent shall be in the Department's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer. The provisions of this Section 15 shall not prohibit the Developer from transferring or conveying the Property to an Illinois land trust of which the Developer is the sole beneficiary.

Section 16.

Limitation Upon Encumbrance Of Property.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without the Department's prior written consent, which shall be in the Department's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property, except for any mortgage approved pursuant to Section 9.2.

Section 17.

Mortgagees Not Obligated To Construct.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in

Section 18 and shall, prior to recording any mortgage approved pursuant to Section 9.2, execute and record a Subordination Agreement (as defined in Section 9.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party, such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 18.

Section 18.

Covenants Running With The Land.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Sale or Transfer of Property) and Section 16 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by Law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 12, Section 15 and Section 16 shall terminate upon the issuance of the Certificate of Completion. The covenants contained in Section 14.1 shall remain in effect for so long as the Developer remains in title to the Property; provided, however, such covenants shall not terminate prior to the issuance of the Certificate of Completion. The covenants contained in Section 14.2 shall remain in effect without limitation as to time.

Section 19.

Performance And Breach.

19.1 Time Of The Essence.

Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Permitted Delays.

The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the

public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer, within twenty (20) days after the beginning of any such delay, submits to the Commissioner a written request for an extension.

19.3 Cure.

If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 19.4 (c), (e) and (g).

19.4 Event Of Default.

The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement and Affidavit, or another document) that is not true and correct.

(b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing.

(c) The Developer fails to complete the Project in accordance with the time line outlined in Section 12 above, or the Developer abandons or substantially suspends construction of the Project.

(d) The Developer fails to timely pay real estate taxes or assessments affecting the Property or any part thereof when due, or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property unless bonded or insured over.

(e) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement.

(f) There is a material and adverse change in the Developer's financial condition or operations.

(g) The Developer fails to close by the Outside Closing Date, unless the Department, in its sole discretion, extends the Outside Closing Date.

(h) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project.

19.5 Prior To Closing.

If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, institute any action or proceeding at law or in equity against the Developer, and retain the Earnest Money as liquidated damages.

19.6 After Closing.

If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, retain the Performance Deposit (which shall be applied against any money damages incurred by the City), and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and revest title to the Property in the City pursuant to the Reconveyance Deed (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer represents and warrants to the City that the City may revest title through the recording of the Reconveyance Deed without any prior approval from the Surface Transportation Board, the Illinois Commerce Commission, or any similar regulatory body having jurisdiction over the Developer's operations. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City.

19.7 Resale Of The Property.

Upon the revesting in the City of title to the Property as provided in Section 19.6, the City may complete the Project or convey the Property, subject to any first mortgage lien, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to the Department, and otherwise comply with the covenants that run with the land as specified in Section 18.

19.8 Disposition Of Resale Proceeds.

If the City sells the Property as provided for in Section 19.7, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

- (a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and
- (b) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and
- (c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and
- (d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and
- (e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the Property. In addition to, and without in any way limiting the City's rights under this Section 19, the City shall have the right to retain the Performance Deposit in the event of a default by the Developer.

Section 20.

Conflict Of Interest; City's Representatives Not Individually Liable.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

*Section 21.**Indemnification.*

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor or other agent, entity or individual acting under the control or at the request of the Developer ("Agent") to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

*Section 22.**Inspection; Condition Of Property At Closing.**22.1 "As Is" Sale.*

The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the property in its "as is", "where is" and "with all faults" condition.

22.2 Right-Of-Entry.

(a) The Developer's obligations hereunder are conditioned upon the Developer being satisfied with the condition of the Property for the construction, development and operation of the Project. Upon the Developer's request, the City shall grant the Developer the right, at its sole cost and expense, to enter the Property for a period of thirty (30) days (the "Inspection Period") pursuant to a Right-of-Entry Agreement in form and substance reasonably acceptable to the City to inspect the same, perform environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property.

(b) If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the Property, the Developer may terminate this Agreement by written notice to the City within thirty (30) days after the expiration of the Inspection Period, whereupon the

City shall return the Earnest Money and Performance Deposit to the Developer and this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 22.2, the Developer shall be deemed satisfied with the condition of the Property.

22.3 Indemnity.

The Developer hereby waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Property prior to the Closing including, without limitation, liabilities arising under CERCLA. The Developer hereby acknowledges that, in purchasing the Property, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Developer deems appropriate to evaluate fairly the structural, physical and environmental condition and risks of the Property. If, after the Closing, the structural, physical and environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use. The provisions of this Section 22.3 shall survive the Closing.

Section 23.

Developer's Employment Obligations.

23.1 Employment Opportunity.

The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010, et seq., of the Municipal Code of Chicago, as

amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a nondiscriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low- and moderate-income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101, et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

23.2 City Resident Employment Requirement.

(a) With respect to the Project, the Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by

actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of the Department, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans

to the degree stipulated in this Section 23.2. If such noncompliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of one percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246", or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment.

With respect to the Project, the Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420, et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650, et seq., Municipal Code of Chicago (the "Construction Program", and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 24 percent of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least four percent of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the *Directory of Certified Minority Business Enterprises* published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the *Directory of Certified Women Business Enterprises* published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff and to the alderman (aldermen) in whose ward(s) the Property is located during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

23.4 Pre-Construction Conference And Post-Closing Compliance Requirements.

Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with the Department monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

28.2

The Developer represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

[Section intentionally omitted]

*Section 4.**Closing.*

The initial closing of the transaction contemplated by this Agreement ("Closing") shall take place at the downtown offices of Greater Illinois Title Company, 120 North LaSalle Street, Chicago, Illinois 60602, or such other title company as may be selected by the Developer (the "Title Company"), within thirty (30) days after the Developer has satisfied all conditions precedent set forth in Section 9, unless DCD, in its sole discretion, waives such conditions, or on such date or at such other title company as the parties mutually agree upon in writing (the "Closing Date"); provided, however, in no event shall the initial Closing occur any later than the date that is one (1) year after the Ordinance Date (the "Outside Closing Date"), unless DCD, in its sole discretion, extends the Outside Closing Date by up to one (1) year for good cause shown by issuing a written extension letter. On or before the Closing Date, the City shall deliver to the Title Company the Deed, all necessary state, county and municipal real estate transfer tax declarations, and an ALTA statement. The initial Closing shall not include the conveyance of any Parcels, unless the conditions set forth in Section 5.3 have been satisfied.

*Section 5.**Conveyance Of Title.**5.1 Form Of Deed.*

The City shall convey each Parcel to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and, without limiting the quitclaim nature of the Deed, the following:

- a. the Redevelopment Plan for the Redevelopment Area;
- b. the standard exceptions in an ALTA title insurance policy;
- c. general real estate taxes and any special assessments or other taxes;
- d. all easements, encroachments, covenants and restrictions of record and not shown of record;
- e. such other title defects as may exist; and
- f. any and all exceptions caused by the acts of the Developer or its agents.

5.2 Recording Costs.

The Developer shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the City Land to the Developer.

5.3 Phased Conveyances.

Developer shall submit written requests to DCD for the City to convey to Developer up to four (4) Parcels at a time (each set of up to four (4) Parcels constitutes a "Phase"). The City will not convey a subsequent Phase until Developer has received a Partial Certificate of Completion (as defined in Section 13 below) for at least two (2) Homes from the immediately preceding Phase.

Before the City shall deliver Deeds to Developer for any Phase, and before any construction may commence on any Phase, DCD shall have reviewed and approved the following closing deliveries (fully executed and acknowledged, where applicable), each of which, unless waived in writing by DCD, shall be a condition precedent to the City's obligation to deliver Deeds for a particular Phase:

- (a) Developer's project budget (including hard and soft construction costs) for the applicable Phase, and a separate budget of only the hard construction costs. The Developer's compliance with the MBE/WBE requirements set forth in Section 23.2 will be measured for each Phase against such budget;
- (b) receipt by DCD of an affidavit from Developer attesting that Developer shall market the Homes constituting the Project to income eligible homebuyers in accordance with the Agreement, and that the sales prices for said Homes shall conform to the terms and provisions described in Section 5.4 of the Agreement, as further described in (Sub)Exhibit I attached hereto;
- (c) Evidence of Developer's financing (i.e., binding commitment letters from the Developer's lenders, if any, and evidence of the Developer's ability to make an equity contribution in the amount necessary to fill the gap between the Budget and any approved financing) for at least one (1) of the Homes to be constructed in the Phase of Parcels that Developer wants conveyed to it from the City;
- (d) the building permit received by the Developer with regard to the construction of the Home for which Developer submits its evidence of financing; and
- (e) Evidence of compliance (in the form of a letter issued by DCD's compliance staff) with Section 23.4.

If the conditions described in this Section 5.3 (a) and (b) are not achieved by Developer for the construction of the first Home of the Project within three (3) months of the execution date of the Agreement (except in the instance of the occurrence of any Permitted Delay described in Section 19.2 below), then the Agreement, at the option of the City, shall become null and void and the City shall be under no further obligation to Developer.

5.4 Sales Price For Conveyances From City To Developer.

Subject to all of the terms, covenants and conditions of the Agreement, the City shall convey each Parcel for the consideration of One and no/100 Dollars (\$1.00).

5.5 Conveyance Of Home From Developer To Homebuyer.

Developer acknowledges and affirms the goals of the City with regard to achieving the construction of affordable, new, high quality , owner-occupied or rental housing within the corporate boundaries of the City.

A. Qualified Household. Developer shall ensure that each homebuyer meets the income eligibility standards set forth in this Agreement (see eighth recital). Upon request, Developer shall provide DCD with two years of tax returns for each homebuyer approved by the Developer. Developer shall not convey any Parcel until the City has reviewed such tax returns and confirmed that the homebuyer is a Qualified Household. A potential homebuyer may be rejected because it does not meet such income eligibility standards.

B. Sales Price. Developer affirmatively covenants that it shall sell and convey each Home to a Qualified Household for a base price per model as outlined on (Sub)Exhibit I attached hereto, but said base price for a particular Home shall not exceed the sum of One Hundred Fifty-five Thousand Dollars (\$155,000). Upon receipt of a written request from Developer, the Commissioner of DCD shall have discretion to increase the base purchase price, for good cause shown by issuing a written notice to Developer. The parties further acknowledge that said base price may be slightly adjusted due to inflation or due to the construction by Developer of the housing unit in question with solid masonry exterior walls, upon the express agreement of the parties.

C. First And Second Mortgages. Developer shall advise each initial homebuyer that such homebuyer shall be required to execute and record at the time of the homebuyer's purchase of the Home (and the Developer shall attach as an exhibit to the homebuyer's sales contract):

(a) a first mortgage ("First Mortgage") in an amount equal to the price for which Developer sells the Home to the homebuyer, less any earnest money and rent previously paid by the homebuyer to Developer, plus certain closing credits as further set forth in the First Mortgage; and

(b) a forgivable second mortgage ("Second Mortgage") in an amount equal to the greater of (i) the difference between the fair market value of the improved Parcel at the time Developer sells the Home to the initial homebuyer and the price for which Developer sells the Home to the homebuyer or (ii) the sum of Developer's actual construction costs for the Home and the price Developer paid the City for the Parcel.

The First Mortgage and Second Mortgage shall otherwise be in the form of (Sub)Exhibits J and J-1, respectively, to this Agreement, and shall also include the homebuyer's covenant to use the Home as the homebuyer's principal residence, and shall secure all amounts described in this Agreement as being subject to recapture or repayment.

Developer acknowledges and agrees that for a period of three (3) years beginning on the execution date of the Second Mortgage for any applicable Home, Developer may not release such Second Mortgage without the City's prior written approval. Furthermore, Developer shall provide advance written notice to the City of any material revisions to the forms of First Mortgage and Second Mortgage set forth in (Sub)Exhibits J and J-1, respectively. Such material revisions are subject to the reasonable approval of the Department.

D. Warranties. At the closing for the conveyance of a Parcel from Developer to an initial homebuyer, Developer shall deliver to said homebuyer one or more warranties, in substantially the form attached hereto as (Sub)Exhibit K, covering the following home systems and having a duration of one year commencing with the Closing Date: HVAC, plumbing (interior and exterior) and electrical. Developer shall offer each homebuyer a whole house, one-year warranty at a reasonable price.

Section 6.

Title And Survey.

6.1

The Developer acknowledges that the City has delivered to the Developer a commitment for an owner's policy of title insurance for the City Land, Order Number 1301 004390928 with an effective date of August 21, 2008, issued by the Greater Illinois Title Company (the "Title Commitment"), showing the City in title to the City Land. The Developer shall be solely responsible for and shall pay all costs associated with updating the Title Commitment (including all search, continuation and later-date fees), and obtaining any title insurance, extended coverage or other endorsements it deems necessary. The Developer shall also be solely responsible for and shall pay all costs associated with obtaining any survey it deems necessary.

6.2

The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate tax liens on the Parcels prior to the Closing for the applicable Parcels, to the extent such tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer or a motion to vacate a tax sale. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over

such tax liens, or if the City Land is encumbered with any other exceptions that would adversely affect the use and insurability of the Parcels for the development of the Project, the Developer shall have the option to do one of the following: (a) accept title to the Parcel subject to the exceptions, without reduction in the Purchase Price; or (b) terminate this Agreement with respect to such Parcel by delivery of written notice to the City at least fourteen (14) business days prior to the Closing Date, in which event this Agreement shall be null and void with respect to such Parcel, and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder with respect to such Parcel. If the Developer elects not to terminate this Agreement with respect to such Parcel as aforesaid, the Developer agrees to accept title subject to all exceptions. The Developer shall be responsible for all taxes accruing after the Closing.

Section 7.

Building Permits And Other Governmental Approvals.

The Developer shall apply for all necessary building permits and other required permits and approvals for the construction of the Project no later than forty-five (45) business days after the City Council authorizes the sale of the City Land, unless DCD, in its sole discretion, extends such application date, and shall pursue such permits and approvals in good faith and with all due diligence.

Section 8.

Project Budget And Proof Of Financing.

[Section intentionally omitted]

Section 9.

Conditions To The City's Obligation To Close.

The obligations of the City under this Agreement are contingent upon the delivery or satisfaction of each of the following items at least fourteen (14) days prior to the Closing Date, unless another time period is specified below:

9.1 Final Governmental Approvals.

The Developer shall deliver to the City evidence of a permit to commence work on the Project.

9.2 Budget.

[Section intentionally omitted]

9.3 Simultaneous Loan Closing.

[Section intentionally omitted]

9.4 Insurance.

The Developer shall deliver to the City evidence of insurance reasonably acceptable to the City. The City shall be named as an additional insured on all liability insurance policies and as a loss payee (subject to the prior rights of any first mortgagee) on all property insurance policies from the Closing Date of each Parcel through the date the City issues the Partial Certificate of Completion (as defined in Section 13 below) for such Parcel. With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

9.5 Legal Opinion.

The Developer shall deliver to the City a legal opinion in a form acceptable to the City's Corporation Counsel.

9.6 Due Diligence.

The Developer shall deliver to the City due diligence searches in its name (UCC liens, state and federal tax liens, pending suits and judgments in Cook County and the U.S. District Court for the Northern District of Illinois, and bankruptcy), showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the Corporation Counsel.

9.7 Organization And Authority Documents.

The Developer shall deliver to the City the articles of incorporation, including all amendments thereto, of the Developer, as furnished and certified by the Illinois Secretary of State; the bylaws of the Developer, as certified by the corporate secretary of the Developer; resolutions authorizing the Developer to execute and deliver this Agreement and any other documents required to complete the transaction contemplated by this Agreement and to perform its obligations under this Agreement; a Certificate of Good Standing from

the Illinois Secretary of State dated no more than thirty (30) days prior to the Closing; a City residential real estate developer's license; and such other corporate authority and organizational documents as the City may reasonably request.

9.8 Subordination Agreement.

[Section intentionally omitted]

9.9 MBE/WBE Compliance Plan.

The Developer and the Developer's general contractor, if any, and all major subcontractors shall meet with staff from the Department regarding compliance with the MBE/WBE and other requirements set forth in Section 23, and at least seven (7) days prior to the Closing Date, the City shall have approved the Developer's compliance plan in accordance with Section 23.4.

9.10 Representations And Warranties.

On the Closing Date, each of the representations and warranties of the Developer in Section 24 and elsewhere in this Agreement shall be true and correct.

9.11 Other Obligations.

On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as and when required under this Agreement. If any of the conditions in this Section 9 have not been satisfied to the City's reasonable satisfaction within the time periods provided for herein, or waived in writing by DCD, in DCD's sole discretion, the City may, at its option, terminate this Agreement by delivery of written notice to the Developer at any time after the expiration of the applicable time period, in which event this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

Section 10.

Construction Requirements.

10.1 Site Plans.

The Developer shall construct the Project on the City Land in accordance with the final site plan and the one-story house and two-story house elevations attached hereto as

(Sub)Exhibit C, which have been approved by DCD and which are incorporated herein by reference (Collectively, the "Plans"). No material deviation from the Plans may be made without the prior written approval of DCD. If the Developer submits and DCD approves revised site plans or architectural drawings after the date of this Agreement, the term "Plans" as used herein shall refer to the revised site plans and architectural drawings upon DCD's written approval of the same.

10.2 Relocation Of Utilities, Curb Cuts And Driveways.

The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting. Notwithstanding anything contained herein to the contrary, in no event shall the Developer be required to pay for any costs that are not related solely to the Developer's construction of the Project. The preceding sentence shall not be construed as imposing on the City any obligation to provide financial assistance for the Project.

10.3 City's Right To Inspect City Land.

For the period commencing on the Closing Date and continuing through the date the City issues the last Partial Certificate of Completion, any duly authorized representative of the City shall have access to the City Land at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

10.4 Barricades And Signs.

Promptly after the execution of this Agreement, the Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require identifying the City Land as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades to the extent required by law. DCD shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, which approval shall not be unreasonably withheld or delayed.

*Section 11.**Limited Applicability.*

Any approval given by DCD pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Construction and Permits or any other City department; nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the City Land, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the City Land or any part thereof.

*Section 12.**Commencement And Completion Of Project.*

The Developer shall commence construction of the Project no later than the date that is one (1) year and three (3) months after the Ordinance Date and shall complete the Project (as evidenced by the issuance of the last Partial Certificate of Completion) no later than thirty-six (36) months following the date on which it commences construction, except as a result of a force majeure; provided, however, that if, for reasons outside the Developer's reasonable control, the Developer requires an extension, DCD, in its sole discretion, may extend the construction commencement and completion dates by up to one (1) year each (i.e., no more than two (2) years in the aggregate) for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction. The Developer shall construct the Project in accordance with the Plans and all Laws and covenants and restrictions of record.

*Section 13.**Certificate Of Completion.*

As each Home comprising the Project is substantially completed, the Developer shall deliver to the City a Request for a Parcel Certificate of Completion ("Request for Partial Certificate of Completion") in substantially the form attached hereto as (Sub)Exhibit F. The Request for Partial Certificate of Completion must include a copy of the building permit for the property, which evidences (on the reverse side of the permit) that the City's Department of Buildings has inspected and approved the following:

1. Footings (underground inspection);
2. Framing (rough-in inspection);
3. Plumbing (underground, rough-in and final inspections); and
4. Electrical (rough-in and final inspections).

Within fifteen (15) days after receipt of a Request for Partial Certificate of Completion, DCD shall deliver to the Developer either a Partial Certificate of Completion for the Home ("Partial Certificate of Completion") or a written statement indicating in adequate detail how the Developer's Request for Partial Certificate of Completion was deficient. The Developer shall have thirty (30) days to correct any deficiencies and resubmit a Request for Partial Certificate of Completion. The Partial Certificate of Completion shall be in recordable form, and shall, upon recording, release the property identified in the Partial Certificate of Completion from this Agreement and the applicable Deed. The Partial Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, nor shall it serve as any guaranty as to the quality of the construction.

Section 14.

Restrictions On Use.

The Developer agrees that it:

14.1

Shall devote the City Land to construct the Project and to a use that complies with the Redevelopment Plan until the Redevelopment Plan expires.

14.2

Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the City Land or the Project or any part thereof.

14.3 Shall develop and sell the Homes in accordance with the following provisions:

(a) The Developer shall sell each Home for a base sales (i.e., excluding any upgrades selected by the homebuyer) price not to exceed One Hundred Fifty-five Thousand Dollars (\$155,000), except as that price may be amended in accordance with Section 5.5.

(b) The Developer shall sell each Home to a Qualified Household.

(c) At the Closing of each Home, the Developer shall require the homebuyer to execute a First Mortgage and a Second Mortgage.

The Developer acknowledges and agrees that the use and affordability restrictions set forth in this Section 14 constitute material, bargained-for consideration for the City, and that, but for such use and affordability restrictions, the City would not have agreed to convey the City Land to the Developer.

Section 15.

Prohibition Against Sale Or Transfer Of City Land.

Prior to the issuance of the last Partial Certificate of Completion for the Project, the Developer may not, without the prior written consent of DCD, which consent shall be in DCD's sole discretion, but shall not be unreasonably withheld: (a) directly or indirectly sell, transfer or otherwise dispose of the City Land or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that DCD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the last Partial Certificate of Completion to anyone other than another principal party, without the prior written consent of DCD, which consent shall be in DCD's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer. The provisions of this Section 15 shall not prohibit Developer from contracting to sell or from selling individual Homes in the ordinary course of development.

*Section 16.**Limitation Upon Encumbrance Of City Land.*

Prior to the issuance of the last Partial Certificate of Completion for the Project, the Developer shall not, without DCD's prior written consent, which shall be in DCD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the City Land, except for a construction mortgage securing a construction loan, the proceeds of which shall be used to construct a Home on the parcel encumbered by such mortgage.

*Section 17.**Mortgagees Not Obligated To Construct.*

[Section intentionally omitted]

*Section 18.**Covenants Running With The Land.*

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Transfer of City Land) and Section 16 (Limitation Upon Encumbrance of City Land) will be covenants running with the land, binding on the Developer and its successors and assigns to the fullest extent permitted by Law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Sections 12, 15 and 16 shall terminate upon the issuance of the last Partial Certificate of Completion for the Project. The covenants contained in Sections 14.1 and 14.2 shall terminate on the date the Redevelopment Plan expires (i.e., February 6, 2025). The covenants contained in Section 14.3 shall terminate upon the sale of the last Home, so long as the purchaser of each Home is a Qualified Household and has executed and recorded a First Mortgage and a Second Mortgage in accordance with Section 14.3.

*Section 19.**Performance And Breach.**19.1 Time Of The Essence.*

Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Permitted Delays.

The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

19.3 Cure.

If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default, provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 19.4(c) and (e), and no notice shall be required for a default under Section 19.4(g).

19.4 Event Of Default.

The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) that is not true and correct.

(b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing.

(c) Except as a result of a force majeure, the Developer fails to complete the Project in accordance with the time line outlined in Section 12 above, or the Developer abandons or substantially suspends construction of the Project.

(d) The Developer fails to pay real estate taxes or assessments affecting the City Land or any part thereof when due, or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the City Land unless bonded or insured over.

(e) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement.

(f) There is a material and adverse change in the Developer's financial condition or operations.

(g) The Developer fails to close by the Outside Closing Date, unless DCD, in its sole discretion, extends the Outside Closing Date.

(h) The Developer fails to construct the Homes or fails to convey the Homes in accordance with Section 14.

(i) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project.

19.5 Prior To Closing.

If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, and institute any action or proceeding at Law or in equity against the Developer.

19.6 After Closing.

If an Event of Default occurs after the Closing but prior to the issuance of the last Partial Certificate of Completion for the Project, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and exercise any and all remedies available to it at Law or in equity, including, without limitation, the right to re-enter and take possession of the City Land, terminate the estate conveyed to the Developer, and revert title to the City Land in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. Notwithstanding anything contained herein to the contrary express or implied, upon completion of the Project (as evidenced by a Certificate of Occupancy), the Right of Reverter shall automatically be null and void and of no further effect. The City agrees upon request to provide the Certificate of Completion, as provided for in Section 13 above, as further evidence of such completion.

19.7 Resale Of The City Land.

Upon the reversioning in the City of title to the City Land as provided in Section 19.6, the City may complete the Project or convey the City Land, subject to any first mortgage lien, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DCD, and otherwise comply with the covenants that run with the land as specified in Section 18.

19.8 Disposition Of Resale Proceeds.

If the City sells the City Land as provided for in Section 19.7, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the City Land (less any income derived by the City from the City Land in connection with such management); and

(b) all unpaid taxes, assessments, and water and sewer charges assessed against the City Land; and

(c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the City Land.

19.9 No Remedies Against Housing Units Or Purchasers.

Notwithstanding anything in this Section 19 or otherwise, the City shall have no rights or remedies against a purchaser of a Home unit, or against such Home, after the sale of such Home to such purchaser. By operation of this Section 19.9, each such Home shall be released from the encumbrance of this Agreement at the time of such Home's sale to a bona fide purchaser, provided that such purchaser has executed a First Mortgage and a Second Mortgage and that such mortgages have been recorded.

Section 20.

Conflict Of Interest; City's Representatives Not Individually Liable.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the City Land or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any

corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

Section 21.

Indemnification.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor or other agent, entity or individual acting under the control or at the request of the Developer ("Agent") to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the City Land prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

Section 22.

Inspection; Condition Of City Land At Closing.

22.1 "As Is" Sale.

The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the City Land or the suitability of the City Land for any purpose whatsoever, and the Developer agrees to accept the City Land in its "as is", "where is" and "with all faults" condition.

22.2 Right-Of-Entry.

The Developer's obligations hereunder are conditioned upon the Developer being satisfied with the condition of the City Land for the construction, development and operation of the Project and subject to the Developer's right to terminate this Agreement with respect to a particular Parcel pursuant to and in accordance with Section 6.2. Upon the Developer's request, the City shall grant the Developer the right, at its sole cost and expense, to enter the

City Land for a period of thirty (30) days (the "Inspection Period") pursuant to a Right-of-Entry Agreement in form and substance reasonably acceptable to the City to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the City Land.

If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the City Land, the Developer may terminate this Agreement by written notice to the City within thirty (30) days after the expiration of the Inspection Period, whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 22.2, the Developer shall be deemed satisfied with the condition of the City Land.

22.3 Indemnity.

The Developer hereby waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the City Land, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the City Land prior to the Closing, including, without limitation, liabilities arising under CERCLA. The Developer hereby acknowledges that, in purchasing the City Land, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Developer deems appropriate to evaluate fairly the structural, physical and environmental condition and risks of the City Land. If, after the Closing, the structural, physical and environmental condition of the City Land is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the City Land in a condition which is suitable for its intended use. The provisions of this Section 22.3 shall survive the Closing.

Section 23.

Developer's Employment Obligations.

23.1 Employment Opportunity.

The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the City Land (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010, et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a nondiscriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low-and moderate-income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101, et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the City Land, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

23.2 City Resident Employment Requirement.

[Intentionally omitted]

23.3 Developer's MBE/WBE Commitment.

The Developer agrees for itself and its successors and assigns, and , if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420, et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650, et seq., Municipal Code of Chicago (the "Construction Program", and collectively with the Procurement Program, the "MBE/WBE Program") and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 24 percent of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least four percent of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the *Directory of Certified Minority Business Enterprises* published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the *Directory of Certified Women Business Enterprises* published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

23.4 Pre-Construction Conference And Post-Closing Compliance Requirements.

Not less than fourteen (14) days prior to the City's conveyance of the Parcels for the first Phase, and also prior to the City's conveyance of Parcels for any subsequent Phase in which the Developer uses a general contractor that is different than in a preceding Phase, the Developer and the Developer's general contractor and all major subcontractors shall meet with DCD monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the City's conveying the Parcels for the applicable Phase. During the construction of each Phase of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning applicable labor standards; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. The payment of prevailing wages shall not be required. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at Law or in equity.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the City Land is bound.

(d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) To the best of the Developer's knowledge, the construction of the Homes and the development of the Project will not violate: (i) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (ii) any building permit, restriction of record or other agreement affecting the City Land.

The Developer hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

Section 27.

Patriot Act Certification.

Section 28.

Prohibition On Certain Contributions -- Mayoral Executive Order No. 05-1.

28.1

The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this

Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Subowners") and spouses and domestic partners of such Subowners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

28.2

The Developer represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Such breach and default entitles the City to all remedies

(including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

28.6

30.10 Severability.

If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

This Security Instrument combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

Uniform Covenants. Borrower and Lender covenant and agree as follows:

1. Payment Of Principal, Escrow Items, Appreciation In Value, Prepayment Charges And Late Charges.

Borrower shall pay when due the principal of the debt evidenced by the Note, any prepayment charges and late charges due under the Note and any Appreciation in Value. Borrower shall also pay funds for Escrow Items pursuant to Section 3 and pay, if due, the amount of Appreciation in Value due to Lender pursuant to Section 29. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer. Payments are deemed received by Lender when received at the location designated in the Note or at such other

location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application Of Payments Or Proceeds.

Unless applicable law provides otherwise, all payments received by Lender shall be applied in the following order of priority: (1) to any prepayment charges provided for under the Note; (2) amounts due under Section 3; (3) other amounts advanced by Lender under this Security Instrument; (4) principal due under the Note; (5) any late charges due under the Note, and (6) any Appreciation in Value due under Section 29 of this Security Instrument. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note. If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note. Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds For Escrow Items.

Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this

Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items". At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3. The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens.

Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3. Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's

opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4. Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan. In the event Borrower shall either fail or refuse to pay or cause to be paid, as the same shall become due and payable, any items (including, without limitation, all items specified in Section 3 of this Security Instrument and this Section 4) which Borrower is required to pay under this Security Instrument, then Lender may, in its discretion, make such payment or do or perform such act on behalf of the Borrower, or proceed to defend, enforce or protect Lender's rights and benefits under this Security Agreement. All such payments made by Lender and all costs and expenses incurred by Lender in performing such acts, including reasonable attorney's fees, shall be and shall become part of the Loan and secured by this Security Instrument.

5. Property Insurance.

Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage", and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower. If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of

disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment. All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2. If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy.

Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for the term of the Note, unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance And Protection Of The Property; Inspections.

Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration. Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application.

Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection Of Lender's Interest In The Property And Rights Under This Security Instrument.

If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position

in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9. Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. [This Section 10 deleted in its entirety]

11. Assignment Of Miscellaneous Proceeds; Forfeiture.

All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender. If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2. In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower. In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value

of the Property immediately before the partial taking, destruction, or loss in value, is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due. If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds. Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender. All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not A Waiver.

Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint And Several Liability; Co-Signers; Successors And Assigns Bound.

Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to

extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent. Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges.

Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law. If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices.

All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when delivered personally, mailed by first class mail, or when delivered to Borrower by a national overnight courier to Borrower's notice address. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any

notice to Lender shall be given by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules Of Construction.

This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy.

Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer Of The Property Or A Beneficial Interest In Borrower.

As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser. If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right To Reinstate After Acceleration.

If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before the sale of the Property pursuant to Section 22 this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale Of Note; Change Of Loan Servicer; Notice Of Grievance.

The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information Applicable Law requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser. Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which

must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances.

As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products). Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

Non-Uniform Covenants. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies.

Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration

under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

23. Release.

Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

24. Waiver Of Homestead.

In accordance with Illinois law, the Borrower hereby releases and waives all rights under and by virtue of the Illinois homestead exemption laws.

25. Placement Of Collateral Protection Insurance.

Unless Borrower provides Lender with evidence of the insurance coverage required by Borrower's agreement with Lender, Lender may purchase insurance at Borrower's expense to protect Lender's interests in Borrower's collateral. This insurance may, but need not, protect Borrower's interests. The coverage that Lender purchases may not pay any claim that Borrower makes or any claim that is made against Borrower in connection with the collateral. Borrower may later cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by Borrower's and Lender's agreement. If Lender purchases insurance for the collateral, Borrower will be responsible for the costs of that insurance, including interest and any other charges Lender may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to Borrower's total outstanding balance or obligation. The costs of the insurance may be more than the cost of insurance Borrower may be able to obtain on its own.

26. Purchase Money Mortgage.

This Security Instrument is a Purchase Money Mortgage given to secure a portion of the purchase price for the Property.

27. Right Of First Refusal.

Borrower covenants and agrees that in the event it shall desire to sell or convey the Property during the term of this Security Instrument, Borrower shall first offer the Property to Lender, or Lender's successor in interest, in the following manner:

Borrower shall serve notice in writing to Lender, or its successor in interest, by registered mail, return receipt requested. The notice shall indicate that Borrower has a bona fide written offer for the sale of the Property, the name and address of the person desiring to purchase the Property, and the sales price and other terms of the sale. The notice shall also contain an offer to sell the Property to Lender, or its successor in interest, upon the terms and conditions set forth in the bona fide offer.

For a period of thirty (30) days after the receipt of the notice, Lender, or its successor in interest, shall have the right to purchase the Property in accordance with the terms of the bona fide offer; provided, however, that Lender shall have the right to receive a credit toward the purchase price of the Property from Borrower in the amount of the outstanding principal balance due under the Note and any sums due under paragraph 29 below. If Lender, or its successor interest, fails to exercise the right to purchase set forth in this paragraph 28, Borrower may sell or convey the Property to the party making the bona fide offer, but only at the price and upon the terms specified in the notice; provided, however, that Lender shall not waive its rights under Section 18 or 29 of this Security Instrument by waiving its right of first refusal. In the event Lender timely notifies Borrower that it elects to purchase the Property on the terms provided in the notice set forth in the preceding paragraph, Lender and Borrower shall promptly, but no later than sixty (60) days after the date of notice from Lender to Borrower, execute such usual and customary documents as shall be required in order to consummate such transaction.

29. Transfer Of Property And Payment Of Appreciation In Value.

In the event that there is a transfer of the Property or any interest in the Property, as described in paragraph 18 above (including, without limitation, any foreclosure sale or transfer by deed in lieu of foreclosure), is refinanced, leased for a term of over three (3) years, or leased for any term with an option to purchase, or otherwise encumbered by Borrower, there shall be due and payable to Lender, in addition to the then unpaid principal balance, a share of "Appreciation in Value" of the Property (defined below).

a. The Appreciation in Value shall be computed as the difference between: (a) either (i) in the event of a sale of the Property or a refinance of the mortgage, the proceeds of any sale or of any new mortgage loan or leasehold income, net of customary and reasonable sales and closing costs, or (ii) in the event of a foreclosure, the then current appraised value of the Property, and (b) the appraised value of the Property as of the

date hereof, and excluding the cost of any capital improvements made to the Property by Borrower.

b. In addition, the entire, gross proceeds of any subordinate or junior mortgage loan actually paid by Borrower shall be deemed to be Appreciation in Value.

c. If any such sale, refinancing or encumbrancing shall occur within three (3) years from the date of the First Mortgage, all of such Appreciation in Value shall be payable to Lender.

d. After three (3) years from the date of the First Mortgage, Lender shall be entitled to fifty percent (50%) of the Appreciation in Value, if any.

e. Borrower and Lender agree that the appraised value of the Property as of the date hereof is \$_____.

30. Usury Savings Clause.

Notwithstanding any other provision herein, the aggregate interest rate charged hereunder or under the Note, including all charges, fees, payments of Appreciation in Value or other payments in connection herewith or therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate (as such term is defined below). It is the intention of Lender and Borrower to conform strictly to any applicable usury laws. Accordingly, if Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be canceled automatically and, if previously paid, shall at Lender's option be applied to the outstanding principal balance under the Note or be refunded to Borrower. As used in this paragraph, the term "Highest Lawful Rate" means the maximum lawful interest rate, if any, that at any time or from time to time may be contracted for, charged, or received under the laws applicable to Lender which are presently in effect or, to the extent allowed by law, under such applicable laws which may hereafter be in effect and which allow a higher maximum nonusurious interest rate than applicable laws now allow.

By Signing Below, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any Rider executed by Borrower and recorded with it.

This Security Instrument combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

Uniform Covenants. Borrower and Lender covenant and agree as follows:

1. Payment Of Principal, Escrow Items, Appreciation In Value, Prepayment Charges, And Late Charges.

Borrower shall pay when due the principal of the debt evidenced by the Note, any prepayment charges and late charges due under the Note and any Appreciation in Value. Borrower shall also pay funds for Escrow Items pursuant to Section 3 and pay, if due, the

amount of Appreciation in Value due to Lender pursuant to Section 29. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following, forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer. Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application Of Payments Or Proceeds.

Unless applicable law provides otherwise, all payments received by Lender shall be applied in the following order of priority: (1) to any prepayment charges provided for under the Note; (2) amounts due under Section 3; (3) other amounts advanced by Lender under this Security Instrument; (4) principal due under the Note; and (5) any late charges due under the Note. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note. If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note. Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds For Escrow Items.

Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items". At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3. The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens.

Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3. Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to

the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4. Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan. In the event Borrower shall either fail or refuse to pay or cause to be paid, as the same shall become due and payable, any items (including, without limitation, all items specified in Section 3 of this Security Instrument and this Section 4) which Borrower is required to pay under this Security Instrument, then Lender may, in its discretion, make such payment or do or perform such act on behalf of the Borrower, or proceed to defend, enforce or protect Lender's rights and benefits under this Security Agreement. All such payments made by Lender and all costs and expenses incurred by Lender in performing such acts, including reasonable attorney's fees, shall be and shall become part of the Loan and secured by this Security Instrument.

5. Property Insurance.

Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage", and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower. If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability

and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment. All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2. If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy.

Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for the term of the Note, unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance And Protection Of The Property; Inspections.

Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration. Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application.

Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection Of Lender's interest In The Property And Rights Under This Security Instrument.

If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a

lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9. Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10.

[This Section 10 deleted in its entirety]

11. Assignment of Miscellaneous Proceeds; Forfeiture.

All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender. If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2. In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the

excess, if any, paid to Borrower. In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower. In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due. If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds. Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender. All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not A Waiver.

Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint And Several Liability; Co-signers; Successors And Assigns Bound.

Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent. Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges.

Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law. If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices.

All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when delivered personally, mailed by first class

mail, or when delivered to Borrower by national overnight courier to Borrower's notice address. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules Of Construction.

This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy.

Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer Of The Property Or A Beneficial Interest In Borrower.

As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser. If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. If Lender

exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right To Reinstate After Acceleration.

If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to Section 22 this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale Of Note; Change Of Loan Servicer; Notice Of Grievance.

The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information Applicable Law requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless

otherwise provided by the Note purchaser. Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances.

As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products). Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

Non-Uniform Covenants. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies.

Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

23. Release.

Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

24. Waiver Of Homestead.

In accordance with Illinois law, the Borrower hereby releases and waives all rights under and by virtue of the Illinois homestead exemption laws.

25. Placement Of Collateral Protection Insurance.

Unless Borrower provides Lender with evidence of the insurance coverage required by Borrower's agreement with Lender, Lender may purchase insurance at Borrower's expense to protect Lender's interests in Borrower's collateral. This insurance may, but need not, protect Borrower's interests. The coverage that Lender purchases may not pay any claim that Borrower makes or any claim that is made against Borrower in connection with the collateral. Borrower may later cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by Borrower's and Lender's agreement. If Lender purchases insurance for the

collateral, Borrower will be responsible for the costs of that insurance, including interest and any other charges Lender may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to Borrower's total outstanding balance or obligation. The costs of the insurance may be more than the cost of insurance Borrower may be able to obtain on its own.

26. Right Of First Refusal.

Borrower covenants and agrees that in the event it shall desire to sell or convey the Property during the term of this Security Instrument, Borrower shall first offer the Property to Lender, or Lender's successor in interest, in the following manner:

Borrower shall serve notice in writing to Lender, or its successor in interest, by registered mail, return receipt requested. The notice shall indicate that Borrower has a bona fide written offer for the sale of the Property, the name and address of the person desiring to purchase the Property, and the sales price and other terms of the sale. The notice shall also contain an offer to sell the Property to Lender, or its successor in interest, upon the terms and conditions set forth in the bona fide offer.

For a period of thirty (30) days after the receipt of the notice, Lender, or its successor in interest, shall have the right to purchase the Property in accordance with the terms of the bona fide offer; provided, however, that Lender shall have the right to receive a credit toward the purchase price of the Property from Borrower in the amount of the outstanding principal balance due under the Note. If Lender, or its successor interest, fails to exercise the right to purchase set forth in this paragraph 28, Borrower may sell or convey the Property to the party making the bona fide offer, but only at the price and upon the terms specified in the notice; provided, however, that Lender shall not waive its rights under Section 18 of this Security Instrument by waiving its right of first refusal. In the event Lender timely notifies Borrower that it elects to purchase the Property on the terms provided in the notice set forth in the preceding paragraph, Lender and Borrower shall promptly, but no later than sixty (60) days after the date of notice from Lender to Borrower, execute such usual and customary documents as shall be required in order to consummate such transaction.

29. Usury Savings Clause.

Notwithstanding any other provision herein, the aggregate interest rate charged hereunder or under the Note, including all charges, fees, payments of Appreciation in Value or other payments in connection herewith or therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate (as such term is defined below). It is the intention of Lender and Borrower to conform strictly to any applicable usury laws. Accordingly, if Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any

such excess shall be canceled automatically and, if previously paid, shall at Lender's option be applied to the outstanding principal balance under the Note or be refunded to Borrower. As used in this paragraph, the term "Highest Lawful Rate" means the maximum lawful interest rate, if any, that at any time or from time to time may be contracted for, charged, or received under the laws applicable to Lender which are presently in effect or, to the extent allowed by law, under such applicable laws which may hereafter be in effect and which allow a higher maximum nonusurious interest rate than applicable laws now allow.

By Signing Below, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any Rider executed by Borrower and recorded with it.

In Witness Whereof, Borrower has signed and sealed this Security Instrument.

Prior to the issuance of the Certificate of Completion, as provided herein, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole discretion: (1) directly or indirectly sell or convey the Property or any part thereof or any interest therein, or the Developer's controlling interests therein; or (2) directly or indirectly assign this Agreement. In the event of a proposed sale, the City shall be provided copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the City may reasonably request. The proposed buyer must be qualified to do business with the City (including but not limited to anti-scofflaw requirement). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party (that is not also a mortgagee), such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 17.

Section 17.

Covenants Running With The Land.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), Section 14 (Prohibition Against Transfer of Property) and Section 15 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitations set forth in Section 16 above as to

any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 11, Section 14, (except for the continuing obligations of the Developer under Sections 13 and 17 herein) as assumed by any transferee, and Section 15 shall terminate upon the issuance of the Certificate of Completion. The covenants contained in Section 13.1 shall terminate upon the expiration of the Redevelopment Plan, as such expiration may be amended from time to time in accordance with and pursuant to applicable law. The covenants contained in Section 13.2 shall remain in effect without limitation as to time.

Section 18.

Performance And Breach.

18.1 Time Of The Essence.

Time is of the essence in the Developer's performance of its obligations under this Agreement.

18.2 Permitted Delays.

The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including but not limited to, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, material shortages, and unusually severe weather or delays of contractors or subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests it in writing of the City within thirty (30) days after the beginning of any such delay.

18.3 Breach.

a. Generally. Subject to Section 18.2, if the Developer defaults in performing its obligations under this Agreement, the City shall deliver written notice of such default, after which the Developer shall have a 45-day cure period to remedy such default. If the default is not capable of being cured within the 45-day period, then provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 45-day period, and thereafter diligently prosecutes such cure through to completion, then the 45-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

No notice or cure period shall apply to a failure to close by the respective dates as set forth in Section 3 herein. Unless the failure to close is due to circumstances described in Section 18.2 above or caused by a breach by the City under the terms of this Agreement, such failure shall constitute an immediate "Event of Default". Failure to close by the dates set forth in Section 3 shall entitle the City to terminate this Agreement.

b. Event Of Default. The occurrence of anyone or more of the following shall constitute an "Event of Default" after written notice from the City (if required):

1. The Developer fails to perform any obligation of the Developer under this Agreement; which default is not cured pursuant to Section 18.3.a; or
2. The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure, Form, or another document) which is not true and correct, which default is not cured pursuant to Section 18.3.a; or
3. A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or
4. Except as excused by Section 18.2 above, the Developer abandons or substantially suspends the construction work (no notice or cure period shall apply); or
5. The Developer fails to timely pay real estate taxes or assessments, affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property, which default is not cured pursuant to Section 18.3(a); or
6. The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement (no notice or cure period shall apply); or
7. The Developer's financial condition or operations adversely change to such an extent that would materially affect the Developer's ability to complete the Project which default is not cured pursuant to Section 18.3(a); or
8. The Developer fails to perform, keep or observe any of the other covenants, promises, agreements, or obligations under this Agreement, including but not limited to, the covenants set forth in Sections 13 and 17 herein, or any other written agreement entered into with the City with respect to this Project, which default is not cured pursuant to Section 18.3(a); or
9. Failure to close by the Outside Closing Date, unless the Department, in its sole discretion, extends the Outside Closing Date.

c. Prior To Conveyance. Prior to Closing, if an Event of Default occurs and is continuing, and the default is not cured in the time period provided in herein, the City may terminate this Agreement, retain the Earnest Money, and institute any action or proceeding at law or in equity against the Developer.

d. After Conveyance. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in this Section 18.3, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and revert title to the Property in the City pursuant to the Reconveyance Deed (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Property to the Developer.

If title to the Property reverts in the City pursuant to the Right of Reverter, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. Notwithstanding the foregoing to the contrary, prior to its exercise of its Right of Reverter, the City shall provide written notice to the Developer of its intent to exercise its Right of Reverter, and the Developer shall have an additional ninety (90) days to cure the applicable Event of Default.

The City's Right of Reverter shall terminate upon the City's issuance of the Certificate of Completion.

e. Waiver And Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

Section 19.

*Conflict Of interest; City's And Developer's
Representatives Not Individually Liable.*

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such

agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement. It is expressly understood and agreed to by and between the parties hereto, anything herein to the contrary notwithstanding, that no individual member of the Developer, its officers, members of its board of directors, officials, agents, representatives or employees shall be personally liable for any of the Developer's obligations or any undertaking or covenant of the Developer contained in this Agreement.

Section 20.

Indemnification.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) (collectively "Losses") suffered or incurred by the City arising from or in connection with: (1) an Event of Default that has occurred; (2) the failure of the Developer or any contractor to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (3) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (4) any actions, including but not limited to, conducting environmental tests on the Property as set forth in Section 21 herein, resulting from any activity undertaken by the Developer on the Property prior to or after the conveyance of said Property to the Developer by the City; provided, however, the Developer shall have no obligation to indemnify the City for Losses to the extent such losses are caused by the City or its agents. This indemnification shall survive any termination of this Agreement (regardless of the reason for such termination).

Section 21.

Environmental Matters.

The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the Property "as is".

It shall be the responsibility of the Developer, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property. Prior to the date of Closing, Developer may enter the Property owned by the City for the purpose of conducting environmental tests on the Property to determine that the environmental condition of such Property is acceptable. The Developer's activities on such Property shall be limited to those reasonably necessary to perform the environmental testing. Upon completion of the work, the Developer shall restore the Property to its original condition. The Developer shall keep such Property free from any and all liens and encumbrances arising out of any work performed materials supplied or obligations incurred by or for the Developer, and agrees to indemnify and hold the City harmless against any such liens.

The Developer will deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property. If prior to the Closing, the Developer's environmental consultant determines an environmental or soil condition exists on the Property to such an extent that the Developer determines that it is not satisfied, in its sole discretion, with the condition of the Property, the Developer may declare this Agreement null and void by giving written notice thereof to the City, and the City shall promptly return the Earnest Money and Performance Deposit to the Developer.

If after the Closing, the environmental condition of the Property is not in all respects entirely suitable for the use to which the Property is to be utilized, it shall be the sole responsibility and obligation of the Developer to take such action as is necessary to put the Property in a waive, release and indemnify the City from any claims and liabilities relating to or arising from the environmental condition of the Property (including, without limitation, claims arising under CERCLA) and to undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Closing.

Section 22.

Developer's Employment Obligations.

22.1 Employment Opportunity.

The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

- (a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010, et seq. of the Municipal Code of Chicago, as

amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a nondiscriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low- and moderate- income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons in the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101, et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 22.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 22.1 shall be a basis for the City to pursue remedies under the provisions of Section 18.

22.2 City Resident Employment Requirement.

The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the

minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions:

(a) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(b) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(c) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(d) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(e) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(f) At the direction of the Department, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(g) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents.

(h) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above,

the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 22.2. If such noncompliance is not remedied in accordance with the breach and cure provisions of Section 18.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(i) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246", or other affirmative action required for equal opportunity under the provisions of this Agreement.

(j) The Developer shall cause or require the provisions of this Section 22.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

22.3 Developer's MBE/WBE Commitment.

The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420, et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program Section 2-92-650, et seq., Municipal Code of Chicago (the Construction Program", and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 22.3, during the course of construction of the Project, at least 24 percent of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least four percent of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 22.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the *Directory of Certified Minority Business Enterprises* published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the *Directory of Certified Women Business Enterprises* published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBEs or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing an MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 22.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

22.4 Pre-Construction Conference And Post-Closing Compliance Requirements.

Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with the Department monitoring staff regarding compliance with all Section 22 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 22, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 22 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 22, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

Section 23.

Representations And Warranties.

23.1 Representations And Warranties Of The Developer.

To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

c. The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

d. To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations hereunder; or (b) materially affect the operation or financial condition of the Developer.

e. To the best of the Developer's knowledge, the Project will not violate: (a) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (b) any building permit, restriction of record or other agreement affecting the Property.

13.2 Patriot Act Certification.

Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

13.3 Prohibition On Certain Contributions -- Mayoral Executive Order No. 05-1.

Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic

partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Subowners") and spouses and domestic partners of such Subowners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (i) after execution of this Agreement by Tenant, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 05-1.

Tenant agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fund-raising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4 Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this agreement is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this agreement, constitutes a breach of and an event of default under this agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the chief procurement officer. Such breach and default entitles the City to all remedies under the agreement, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this agreement. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this agreement, and may further affect the Tenant's eligibility for future contract awards.

13.5 Cooperation With Inspector General And Office Of Compliance.

In accordance with Chapter 2-26-110, et seq. of the Municipal Code, the Tenant acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Office of the Inspector General and the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this lease, including, without limitation, making available to the Inspector General and the Office of Compliance the department's premises, equipment, personnel, books, records and papers. The Tenant agrees to abide by the provisions of Chapter 2-26-110, et seq.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

CONGRATULATIONS EXTENDED TO FIRST IMMANUEL LUTHERAN CHURCH ON
RESTORATION PROJECT

[R2011-38]

WHEREAS, The First Immanuel Lutheran Church of Chicago is a historic Victorian-era

church located in the Near West Side which was founded in 1854. At this time, when Chicago was a growing city of 60,652 people, the founders of this congregation had escaped religious persecution in Germany. Over the years, the church has witnessed the city transform into the large metropolis that it has become, with a population of more than three million and many demographic changes. Presently, the church has been fortunate to plan for and fund extensive restorations and has received a generous contribution worthy of mention; and

WHEREAS, Its pipe organ project or "POP" campaign replaced an old seven-rank, 800-pipe Wurlitzer theatre organ with a new, 43-rank, 4,000-pipe Austin pipe organ. The Austin organ was a gift from the Winnetka Congregational Church and has an estimated installation cost of \$50,000. In turn, First Immanuel Lutheran Church of Chicago has donated its old organ to another Lutheran church in Chicago. Congregation member George Manning and George Miller, owner of Miller Organ Repair, Union Grove, Wisconsin, led the countless man hours of labor; and

WHEREAS, Its victorious installation east window or "View" gift restores the long lost 26-foot diameter eastern elevation rose window. The window will be known as the "Hoelter" gift, taking its name from the first two pastors of First Immanuel Lutheran and built by Mr. Kurt Hoelter in memory of his parents. The total cost of the gift is substantial and the church is continuing its fund-raising efforts to afford the costs of installing the window; and

WHEREAS, The Honorable Robert W. Fioretti, Alderman of the 2nd Ward, has apprised this august body of the efforts of the First Immanuel Lutheran Church of Chicago to restore its beautiful sanctuary, to recreate its rose window, to install a lovely new organ and of the tremendous amount of labor and generosity involved; now, therefore,

Be It Resolved, That we, the Mayor and the members of the City of Chicago City Council, gathered together this 13th day of January, do hereby honor First Immanuel Lutheran Church and its congregation and commend them for their hard work and success, and wish them the best in preserving the church and furthering their mission; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to First Immanuel Lutheran Church of Chicago.

COMMEMORATION OF 95TH ANNIVERSARY OF JACKSON BASCULE BRIDGE.

[R2011-39]

WHEREAS, The City of Chicago is a remarkable metropolis of many natural and manmade

wonders that has grown according to the heralded plans of our great engineers and architects as well as through the enterprise of those who are today unknown and yet unnamed in our history. Our city is recognized worldwide for its buildings, boulevards and bridges; and

WHEREAS, January 29, 2011, will mark the 95th anniversary of the trunnion bascule bridge spanning the Chicago River at West Jackson Boulevard. Opened in 1916, this \$425,000 project was the first downtown bridge to fully incorporate the aesthetic ideals of "The Plan of Chicago of 1909" and provided a span without supports causing obstructions in the river. Prior to the plan, utility was the primary consideration in bridge design. Following the plan, bridges were designed to be both beautiful and utilitarian; and

WHEREAS, Two key elements of bridge aesthetics during the early 20th century were the operator houses and the location of deck support. Operator houses were designed to be pleasing to the eye and decorated with ornament while the structural support of the bridge was below the deck; and

WHEREAS, The bridge was built under the supervision of the Sanitary District, City Engineers and the Chicago Plan Commission. Its structural design was executed by the Joseph E. Strauss Bascule Bridge Co., the superstructure was erected by the Strobel Steel Construction Co. and the substructure was built by the Great Lakes Dredge and Dock Co.. The steel came from the Mount Vernon Steel Co., Mount Vernon, Ohio. Its operator houses were designed by Edward H. Bennett, who had earlier co-authored "The Plan of Chicago of 1909" with Daniel H. Burnham. Aesthetic features added as much as 10 percent to the overall project cost; and

WHEREAS, In the early years of its service, this bridge was raised more than 2,500 times annually. It is estimated that over its lifetime it has been raised more than 60,000 times. At present, the bridge is raised about 50 times a year, primarily for the movement of sailboats in the spring and fall. With its proximity to Union Station, the bridge serves more than 23,000 pedestrians whereas only 9,000 vehicles cross its span each day. Due to its multifaceted importance, the city invested more than \$3 Million in a 1993 renovation of the bridge. Its history has been documented in many books, television programs, architectural and engineering journals and on websites such as www.chicagoloopbridges.com; and

WHEREAS, The Honorable Robert W. Fioretti, Alderman of the 2nd Ward, has apprised this august body of the 95th anniversary of the Jackson Boulevard Bascule Bridge; now, therefore,

Be It Resolved, That we, the Mayor and the members of the City of Chicago City Council, gathered together this 13th day of January 2011, do hereby recognize this achievement of engineering, aesthetics and endurance and do expect many more years of service from this bridge; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to the City of Chicago Department of Transportation Division of Engineering.

Rules Suspended -- **SUPPORT FOR MORATORIUM ON DEPORTATION OF UNDOCUMENTED IMMIGRANT PARENTS OF CHILDREN WITH UNITED STATES CITIZENSHIP.**

[R2011-18]

A proposed resolution, presented by Aldermen Burke, Solis, Moreno, Cárdenas, Murioz, Maldonado, Burnett, Reboyas, Suarez and Colón, reading as follows:

WHEREAS, More than five million children under the age of 18 have one or more undocumented parents in the United States. Thousands of these youths reside within this city's borders; and

WHEREAS, It is estimated that approximately 80 percent of these children are themselves United States citizens. The rest are either legal permanent residents or young people who were brought to this nation by a parent or guardian; and

WHEREAS, Many of these mixed-status families include one spouse who is a citizen or legal permanent resident. Thus, the deportation of an undocumented spouse threatens the very bonds of marriage and the covenant made between two people to raise children in love and commitment; and

WHEREAS, Their minor children will be a significant sector of the citizenry and workforce of this nation. However, merely through the accident of birth, they suffer a lack of equal access to education, health care and full participation in activities that prepare other young people for citizenship and work and, as such, is particularly detrimental to the commonwealth; and

WHEREAS, By all indications, undocumented parents of children who have citizenship or potential "Dream Act" status will not leave the United States voluntarily, thus perpetuating

a life of chronic legal jeopardy. However, in spite of the difficulties, these mixed status families have a much higher percentage of stable two person head of families than the national average; and

WHEREAS, The specter of U.S. citizen children being de facto deported with their undocumented parents, being raised in another country and then returning to this country to reclaim their rights as citizens without having had adequate educational opportunities, create a permanent underclass in this country; and

WHEREAS, It is incumbent upon this body to recognize the fundamental right to be raised with the love and support of a unified family without the chronic threat of deportation. Without this right, these five million young people will be denied the dignity and equal protection under the law afforded to their peers; and

WHEREAS, This nation has recognized the injustice of separating families and denying children the right to family through redressing the mistreatment of indigenous populations and in the institution of slavery through legislating measures to alleviate the consequences of these historical violations of basic human rights; and

WHEREAS, The right to family for citizen children is currently being litigated in the federal courts of the United States and is thus an unresolved issue; and

WHEREAS, The Congress of the United States has failed to find a solution to the status of 11 million undocumented persons. A solution is needed for the undocumented and their families due to the nation's permissive exploitation of undocumented labor for decades; and

WHEREAS, The Congressional Hispanic Caucus has petitioned the President of the United States to impose a moratorium on deportations that separate families until such time as the Congress is able to pass legislation that fixes the current immigration system; and

WHEREAS, The Department of Homeland Security has provided the President with a memorandum outlining his powers to alleviate the crisis faced by the five million children with undocumented parents through administrative action; and

WHEREAS, This body has debated this issue and has previously gone on record in support of a moratorium that prevents the separation of families; now, therefore,

Be It Resolved, That we, the Mayor and members of the City of Chicago City Council, gathered here this 13th day of January 2011 A.D., do hereby call for the President of the United States to use his executive powers to immediately stop the deportations of the parents of the estimated 5.1 million "citizen children" and Dream Act-eligible children in order to afford these children fundamental human rights and equal rights under the law; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to the Honorable Barack Obama, President of the United States.

Alderman Solis moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the foregoing proposed resolution. The motion *Prevailed*.

On motion of Alderman Solis, the foregoing proposed resolution was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Fioretti, Dowell, Newsome, Hairston, Lyle, Jackson, Harris, Beale, Pope, Balcer, Cárdenas, Olivo, Burke, Foulkes, Thomas, Lane, Rugai, Cochran, Brookins, Murioz, Zaiewski, Dixon, Solis, Maldonado, Burnett, Ervin, Graham, Reboyas, Suarez, Waguespack, Mell, Austin, Colón, Rice, Mitts, Cullerton, Laurino, O'Connor, Doherty, Reilly, Daley, Tunney, Shiller, Schuler, M. Smith, Moore, Stone -- 48.

Nays -- None.
