The following is said proposed resolution:

WHEREAS, On the afternoon of August 26, 2013, 9th District Police Officers Timothy S. McCollom (Star Number 17397) and Robert M. Przybylowski (Star Number 3881) responded to a call from a woman regarding a violation of an order of protection; and

WHEREAS, The woman informed Officers McCollom and Przybylowski that the ex-boyfriend had threatened to kill her if he ever saw her with another man; and

WHEREAS, The woman went on to tell the officers that earlier, while she was out shopping with her children and a male friend, the ex-boyfriend had approached their vehicle and tried to open one of the doors. The friend had managed to drive them away safely, but one of the children had noticed that the ex-boyfriend was armed with a knife; and

WHEREAS, Officers McCollom and Przybylowski asked the woman for additional information to assist their investigation, and she walked to the back door of the house to retrieve a document; and

WHEREAS, Before the woman reached the door, the ex-boyfriend suddenly appeared and began viciously attacking her with a butcher knife; and

WHEREAS, As the officers rushed to protect the injured woman, the assailant stood and confronted them, brandishing the now-bloody knife; and

WHEREAS, Maintaining his composure in the face of this rapidly escalating and extremely dangerous situation, Officer McCollom, who had preceded his partner into the gangway, drew and fired his weapon, fatally wounding the assailant and ending the threat; and

WHEREAS, Officers McCollom and Przybylowski then immediately called for medical assistance, and the woman was taken to the hospital in good condition, where she received treatment for multiple stab wounds; and

WHEREAS, The efforts of Officers McCollom and Przybylowski most certainly saved the woman's life; now, therefore,

WHEREAS, The three women and a child suffering from athsma, along with a firefighter who injured his hand, were taken to hospitals for treatment in the aftermath of this conflagration, and all are expected to recover completely; and

(ii) In furtherance of the foregoing provisions, but without limiting their generality, the Trust will agree: (1) through its officers, to make such further specific covenants, certifications and representations as shall be truthful, and assurances as may be necessary or advisable; (2) to comply with all representations, covenants and assurances contained in certificates or agreements as may be prepared by counsel approving the tax-exempt Obligations; (3) to consult with such counsel and to comply with such advice as may be given; (4) to file such forms, statements and supporting documents as may be required and in a timely manner; and (5) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the Trust in such compliance".

The City acknowledges that the ECMs shall be owned by the CIT pursuant to the ESA. Therefore, the ESCOs by virtue of their GEPCs with the CIT shall have certain of the incidents and burdens of such ownership, including rights of access to the buildings where the ECMs are located for purposes of installation, maintenance, removal and replacement. Such access shall be granted only upon reasonable notice and in compliance with all security and other regulations of the applicable public buildings, as set forth in the ESA. The City shall not own the ECMs simply by virtue of them being installed in City buildings.

SECTION 4. The Loan Agreement is hereby approved subject to the following parameters: (a) the aggregate principal amount of the loan thereunder shall not exceed $30,000,000; (b) the term of the loan thereunder shall not exceed 25 years; and (c) the highest interest rate on the loan thereunder shall not exceed 5.00 percent per annum.

SECTION 5. The Loan Agreement is not an obligation of the City, but is payable from moneys received by the CIT under and pursuant to the ESAs. The Loan Agreement shall not be deemed to constitute an indebtedness or a loan against the general taxing powers or credit of the City, within the meaning of any constitutional or statutory provision. The lenders under the Loan Agreement shall not have the right to compel any exercise of the taxing power of the City, the State of Illinois or any political subdivision thereof to pay the principal of or interest on any loan under the Loan Agreement.

SECTION 6. The Mayor, the Chief Financial Officer, the City Comptroller, the City Treasurer, the City Clerk, any Deputy Clerk, the Commissioner of 2FM (or his designee) (each, an "Authorized Officer") are each authorized to execute and deliver on behalf of the City such other documents, agreements and certificates and to do such other things consistent with the terms of this ordinance as such officers and employees shall deem necessary or appropriate in order to effectuate the intent and purposes of this ordinance, and any such actions heretofore taken by an Authorized Officer in accordance with the provisions hereof are hereby ratified and approved.

To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago (the "Municipal Code"), or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to render voidable at the option of the City any document, instrument or agreement authorized hereunder or to impair the validity of this ordinance or the instruments authorized by this ordinance; provided further that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for any violation of any provision of the Municipal Code.

SECTION 8. This ordinance shall be in full force and effect immediately upon its passage and approval.

(a) This Agreement shall be in effect for the Term, unless terminated earlier in accordance with the provisions hereof. The Provider agrees to undertake the Installation Work in accordance with the Installation Schedule.

(b) At the end of the original Term, the Parties may, upon mutual agreement in writing, elect to extend the Term for one (1) period of up to five (5) years.

Section 2.2 Substantial Completion; Interim Completion

(a) The Provider will commence the Installation Work within thirty (30) days after the date of this Agreement and will achieve Substantial Completion of the Project no later than the Substantial Completion Date; provided, however, the Provider may achieve Interim Completion for a particular ECM(s) in advance of the Substantial Completion Date. When the Provider determines that it has achieved Substantial Completion or Interim Completion of the entire Project or a particular ECM, as the case may be, the Provider will provide written notice of Substantial Completion or Interim Completion and a Punch List to the Customer. If the Customer does not concur that the Installation Work has achieved Interim or Substantial Completion and/or that the Punch List is not complete or correct, then the Customer shall notify the Provider within thirty (30) days of any discrepancies. To the extent the Provider does not dispute the discrepancies raised by the Customer, the Provider shall (i) promptly and diligently correct the Work to conform to the description of the Work set forth herein, and resubmit the certificate of Interim or Substantial Completion to the Customer, and (ii) promptly complete all items on the Punch List. If the Provider disagrees with the discrepancies raised by the Customer, the Provider shall notify the Customer of a dispute and such dispute shall be resolved in accordance with paragraph (b) below. If the Customer does not deliver written notice to the Provider within thirty (30) days of receiving the certificate of Interim or Substantial Completion and the Punch List, the Customer will be deemed to have agreed to, signed and returned the certificate of Interim or Substantial Completion and the Punch List.

(b) Any disputes concerning the Interim or Substantial Completion of the Work will be resolved by submitting the issue to an Independent Engineer. The Independent Engineer shall be authorized to make determinations and bind the Parties on issues related solely to interpretations or adequacy of the Plans and Specifications or the execution and/or completion of the Installation Work embodied in the Plans and Specifications as it relates to the determination of Interim or Substantial Completion. The Independent Engineer shall not have the authority to render determinations regarding delay claims, payment disputes or other contract disputes that do not involve or arise out of the content of the Plans and Specifications and/or the quality of the execution of the Installation Work. All disputes beyond the authority of the Independent Engineer shall be resolved pursuant to Article XII herein. The determination of the Independent Engineer with respect to Interim or Substantial Completion will be final and binding upon the Parties. The Provider and the Customer shall share equally the costs or fees for such firm in connection with such dispute resolution process.

Section 2.3 Fair Market Value Purchase Option.

(a) Provided that no Default by Customer has occurred and is continuing, at the end of the Term the Customer shall have the option upon written notice to the Provider at least sixty (60) Days prior to the end of the Term and payment of all amounts then due in respect of Savings pursuant to Section 8.1 to purchase the ECMs at their Fair Market Value.

(b) The Parties shall consult for the purpose of determining the Fair Market Value of the ECMs and any values agreed upon in writing between the Parties shall be binding. If the Parties fail to agree upon any such value within thirty (30) days of the commencement of such consultation, the Provider shall then appoint an independent appraiser (reasonably acceptable to the Customer) to determine the applicable value, and such determination by the independent appraiser shall be set forth in a written opinion delivered to the Parties within thirty (30) days after such appointment and shall be binding on the Parties in the absence of fraud or manifest error. The independent appraiser shall make any such determination acting reasonably and in good faith and utilizing the definition of Fair Market Value, including all assumptions. The Customer agrees to pay the costs and expenses of any such determination and appraisal.

(c) Notwithstanding the foregoing, the Customer shall have a period of five (5) days after agreement by the Parties on the Fair Market Value, or receipt by the Customer of the determination of the independent appraiser, as the case may be, to confirm or retract its decision to exercise the purchase option under this Section 2.3.

(d) Upon the payment of the purchase price of the ECMs and all other amounts due and payable under this Agreement, the Provider shall transfer to the Customer ownership of the ECMs, the related Plans and Specifications, any related manufacturer warranties and its interest in the Facilities (free and clear of any liens, claims, security interests or other encumbrances) promptly upon payment by the Customer of such purchase price.

Section 2.4 Disposition of the ECMs by the Provider. At the end of the Term if the Customer does not elect to purchase the ECMs pursuant to Section 2.3, the Provider may, at its sole option, either (i) subject to the Provider's compliance with the other terms and conditions of this Agreement, surrender possession and transfer ownership of all or a portion of the ECMs to the Customer or (ii) at its own expense and upon the Provider providing evidence reasonably satisfactory to the Customer of the Provider's ability to pay such expense, remove all or a portion of the ECMs within a period of one hundred eighty (180) Days from the last Day of the Term and

leave the Facilities, return the Facilities to their original condition, except for ordinary wear and tear, and leave the Facilities in neat and clean order. If the Provider fails or is unable to provide to the Customer such evidence of its ability to pay such expense, the Provider shall be deemed to have surrendered possession and transferred ownership of the ECMs to the Customer (and, in the event of such surrender, the Provider shall, within ten (10) Business Days of the surrender occurring deliver to the Customer such documents evidencing the transfer of title as are reasonably acceptable to the Customer). If the Provider determines to surrender possession of the ECMs, the Provider will transfer to the Customer ownership of such ECMs, the related Plans and Specifications, any related manufacturer warranties and its interest in the Facilities (free and clear of any liens, claims, security interests or other encumbrances). If the Provider determines to remove all or a portion of the ECMs and fails to remove them within the agreed upon period, the Customer shall have the right, at its option, to remove the ECMs to a public warehouse or other storage location or dispose of them, and restore the Facilities to their original condition, except for ordinary wear and tear, at the Provider's reasonable cost.

ARTICLE III SERVICES AND RELATED OBLIGATIONS

Section 3.1 Subcontractors; Project Manager.

(a) The Provider shall perform and execute the provisions of this Agreement as an independent contractor and shall not be a partner, agent or employee of the Customer. The Provider shall have the right to have any of the Services performed by Subcontractors pursuant to written subcontracts between the Provider and such Subcontractors. No contractual relationship shall exist between the Customer and any Subcontractor with respect to the Installation Work to be performed hereunder. No Subcontractor is intended to be or shall be deemed a third-party beneficiary of this Agreement, unless otherwise expressly stated herein with respect to limitations of liability. The Provider shall be responsible to the Customer for acts and omissions of the Subcontractors, their agents and employees, and any other persons performing portions of the Services on behalf of the Provider, to the same extent as the acts or omissions of the Provider hereunder.

(b) Pursuant to [CIT/PBC Agreement], the Provider has retained the Commission as its construction and program manager for the Project and the Services and, in such capacity, the Commission has the authority to act on behalf of the Provider in connection therewith.

Section 3.2 Installation Schedule. The Provider shall submit a revised Installation Schedule when the Provider's planned construction sequence is changed or when Project changes are made that affect the Installation Schedule. Any changes to the Installation Schedule which would extend the Substantial Completion Date beyond one hundred eighty (180) Days past the originally scheduled Substantial Completion Date shall be subject to review by the Customer.

Section 3.3 Supervision and Performance of the Services; Safety.

(a) The Provider shall supervise, perform, and direct the Services using the professional skill, care, and attention reasonably required for projects similar to the Project. The Provider shall be solely responsible for and have control over means, methods, techniques, sequences, and procedures and for coordinating all portions of the Installation Work. The Provider will, at all times, act in the best interest of the Customer.

(b) Notwithstanding any other provision herein, the Provider shall directly or through Subcontractors design, engineer, procure, construct, commission and test the Project in a good workmanlike and quality manner, with all reasonable care, skill and diligence. The Customer shall have reasonable opportunity to review the Plans and Specifications prior to the performance of Installation Work. The purpose of the Customer's review shall be to ascertain the compatibility of the Provider's design with existing facility systems and, based on the Customer's knowledge and experience in the operation of the facilities, advise the Provider regarding the impact of proposed ECMs on operating costs. The Provider shall at all times remain wholly responsible and liable for the design of the Project.

(c) The Provider shall be responsible for maintaining and supervising reasonable safety precautions and programs in connection with the performance of the Services. The Provider shall take reasonable precautions for safety of, and shall provide reasonable and appropriate protection to prevent damage, injury or loss to (1) employees performing the Services and other persons who may be affected thereby; (2) the Installation Work and materials and equipment to be incorporated in the Project; and (3) other property at the Facilities or adjacent thereto.

(d) The Provider must employ only competent and efficient workers and whenever, in the opinion of the Customer, any such worker is careless, incompetent, violates safety or security rules, obstructs the progress of the work or services to be performed under this Agreement, acts contrary to instructions or acts improperly, or fails to follow the safety requirements of this Agreement, the Provider must, upon request of the Customer, discharge or otherwise remove such worker from the work or services to be performed under this Agreement and must not use such worker again, except with the written consent of the Customer. The Provider must not permit any person to work upon the work or services to be performed under this Agreement or enter into any buildings connected therewith who is under the influence of intoxicating liquors or controlled substances.

Section 3.4 Use of Facilities. The Provider shall confine its operations to the portions of the Facilities identified in the Documents or otherwise approved by the Customer, and shall not unreasonably encumber the portions of the Facilities used for the Installation Work with materials, equipment, or similar items. The Provider and all Subcontractors shall use only such entrances to the Facilities as are designated by the Customer. During occupied hours, the Provider shall limit construction operations to methods and procedures that do not adversely and unduly affect the environment of occupied spaces within the Facilities, including but not limited to creating noise, odors, air pollution, ambient discomfort, or poor lighting. The Provider is responsible for conducting the Services in such a manner as to minimize debris left in the Facilities or public way and shall provide clean-up as required by the Customer. Whenever the Customer determines any type of operation constitutes a nuisance, the Provider will immediately proceed to conduct its operations in an approved manner. Upon completion of work activities, the Provider must remove all materials, tools and machinery and restore the site to the same general condition that existed prior to the commencement of its operations. While on Customer premises, the Provider will not store any equipment, tools or materials without prior written authorization from the Customer. The Customer will not be responsible for or liable to pay the Provider for any loss of equipment, tools, or materials stored in unsecured areas without proper authorization. The Provider shall promptly report to the Customer any death, lost time injury, or property damage to the Customer's property that occurs on the Facilities or as part of the Provider's operation of the Project on the Facilities. The Customer may at any time require additional provisions if such are deemed necessary for public safety or convenience.

Section 3.5 Permits and Approvals. Except for those permits and fees that are specified in the Documents as the responsibility of the Customer, the Provider shall secure and pay for necessary, licenses, building permits, approvals, assessments and charges required for the proper execution and completion of the Installation Work.

Section 3.6 Commissioning; Testing. The Provider shall conduct a thorough and systematic performance test of each ECM in accordance with Exhibit A, and demonstrate that all ECMs comply with the requirements of the Documents. The Provider shall correct or adjust all deficiencies in operation of the ECMs identified during the course of the tests described in this Section.

Section 3.7 Concealed Conditions; Hazardous Materials.

(a) The Provider shall immediately notify the Customer if it encounters Concealed Conditions at the Facilities prior to significantly disturbing the same. If such Concealed Conditions cause an increase in the Provider's cost of, or time required for, performance of any part of the Installation Work, the Provider and the Customer shall agree, by Change Order, on how to proceed and any adjustment to the Installation Schedule and the Savings Percentage related thereto.

(b) The Provider is responsible for all Hazardous Materials that it or its Subcontractors or suppliers bring to or use at the Facilities ("Provider's Hazardous Materials"). The Customer will be responsible for all other Hazardous Materials present or occurring on the Facilities ("Customer's Hazardous Materials"). The Customer will advise the Provider of any risk of exposure to the Customer's Hazardous Materials prior to any Installation Work. The Provider may temporarily interrupt the Installation Work and will promptly inform the Customer if it reasonably believes there is undue risk of exposure to Customer's Hazardous Materials. The Provider will cooperate with the Customer to determine when it and others under its control may safely resume interrupted Installation Work. The Provider will be entitled to a change in the Installation Schedule and the Savings Percentage in connection with such interruption.

Section 3.8 Operation and Maintenance of Project. The Provider shall operate and maintain the ECMs in accordance with accepted industry practices for the purposes for which the ECMs were designed. The Provider shall retain the sole right to specify operating policies and procedures related to the Project and, subject to thirty (30) days' prior written notice to, and consultation with, the Customer, may modify such policies and procedures from time to time.

Section 3.9 Provider Improvements. The Provider may, at any time during the Term and at its cost, change or modify the ECMs or implement additional ECMs for the purpose of generating incremental Savings and/or optimizing the performance of its ECMs; provided, however, that no such change, modification or implementation of additional ECMs shall occur without at least thirty (30) days' prior written notice to, and consultation with, the Customer.

The Provider must, or cause its Subcontractor to, then promptly reimburse the Customer for any amounts the Customer has paid the Provider due to the overcharges and, depending on the facts, also some or all of the cost of the audit, as follows: If the audit has revealed overcharges to the Customer representing less than 5% of the total value, based on the contract prices, of the goods, work, or services provided in the audited period, then the Provider must reimburse the Customer for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the Customer conducts; if, however, the audit has revealed overcharges to the Customer representing 5% or more of the total value, based on the contract prices, of the goods, work, or services provided in the audited period, then Provider must, or cause its Subcontractor to, reimburse the Customer for the full cost of the audit and of each subsequent audit. The Provider and the Customer will each be responsible for half of the fees of the Independent Engineer.

(b) Non-Savings Disputes. The Parties commit to first attempt to settle any Non-Savings Dispute through direct discussions of the Parties' management representatives within ten (10) Days after receipt of initial written notification of such Dispute. If within ten (10) Days the Parties have not succeeded in negotiating a resolution of the Dispute, such Dispute will be submitted to senior officers of the Parties, to attempt further in good faith to negotiate a resolution of the Dispute. Section 12.2 Continuation of Work. Notwithstanding any Dispute that the Provider may have undertaken or be involved with, whether pursuant to this Article XII or otherwise, and regardless of the basis thereof or grounds therefor, including, but not limited to Disputes based on or related to any Change Order, the Provider agrees that it will, for so long as this Agreement has not been terminated, diligently perform the Services in accordance with the terms of this Agreement. Any failure by the Provider to perform the Services in accordance with the terms of this Agreement shall give the Customer the immediate right to terminate its participation in any dispute resolution process under this Article XII and exercise its remedies pursuant to Article XI.

ARTICLE XVI
REQUIRED CITY
TERMS

Section 16.1 Prompt Payment to Subcontractors.

(a) Incorporation of Prompt Payment Language in Subcontracts. The Provider must state the requirements of this Section in all Subcontracts and purchase orders. If the Provider fails to incorporate these provisions in all Subcontracts and purchase orders, the provisions of this Section are deemed to be incorporated in all Subcontracts and purchase orders. The Provider and the Subcontractors have a continuing obligation to make prompt payment to their respective Subcontractors. Compliance with this obligation is a condition of the Provider's participation and that of its Subcontractors on this Agreement.

(b) Payment to Subcontractors Within Fourteen Days. The Provider must make payment to its Subcontractors within fourteen (14) Days of receipt of payment from the Customer for each invoice, but only if the Subcontractor has satisfactorily provided goods or services or completed its work or services in accordance with this Agreement and provided the Provider with all of the documents and information required of the Provider. The Provider may delay or postpone payment to a Subcontractor when the Subcontractor's work or materials do not comply with the requirements of this Agreement, the Provider is acting in good faith, and not in retaliation for a Subcontractor exercising legal or contractual rights.

(c) Reporting Failures to Promptly Pay, (i) The Customer posts payments to prime contractors on the web at:

http://webapps.cityofchicago.org/VCSerchWeb/org/cityofchicago/vcserch/controller/payments/begin.do?agencyId=city.

(i) If the Provider, without reasonable cause, fails to make any payment to its Subcontractors and material suppliers within fourteen (14) Days after receipt of payment under this Agreement, the Provider shall pay to its Subcontractors and material suppliers, in addition to the payment due them, interest in the amount of 2% per month, calculated from the expiration of the 14-Day period until fully paid.

(ii) In the event that the Provider fails to make payment to a Subcontractor within the 14-Day period required above, the Subcontractor may notify the Customer by submitting a report form that may be downloaded from the DPS website at:

http://www.cityofchicago.org/content/dam/city/depts/dps/ContractAdministration/Standa r dFormsAgreements/Failure_to_Promtly_Pay_Fillable_Form_3_2013 .pdf

The report will require the Subcontractor to affirm that (a) its invoice to the Provider was included in the payment request submitted by the Provider to the Customer and (b) the Subcontractor has not, at the time of the report, received payment from the Provider for that invoice. The report must reference the payment (voucher) number posted on-line by the Customer in the notice of the payment to the Provider. Subcontractors are hereby reminded that per Chapters 1-21, "False Statements," and 1-22, "False Claims," of the Municipal Code of Chicago, making false statements or claims to the Customer are violations of law and subject to a range of penalties including fines and debarment.

Section 16.2 Whistleblower Protection. The Provider shall not take any retaliatory action against any Subcontractor for reporting non-payment pursuant to this Section 16.2. Any such retaliatory action is an event of default under this Agreement and is subject to the remedies set forth herein, including termination. In addition to those remedies, any retaliatory action by the Provider may result in the Provider being deemed non-responsible for future Customer contracts or, if, in the sole judgment of the Customer, such retaliatory action is egregious, the City may initiate debarment proceedings against the contractor. Any such debarment shall be for a period of not less than one year.

Section 16.3 Liquidated Damages for Failure to Promptly Pay. Much of the Customer's economic vitality derives from the success of its small businesses. The failure by contractors to pay their subcontractors in a timely manner, therefore, is clearly detrimental to the Customer. Inasmuch as the actual damages to the Customer due to such failure are uncertain in amount and difficult to prove, the Provider and the Customer agree that the Customer may assess liquidated damages against contractors who fail to meet their prompt payment requirements. Such liquidated damages shall be assessed to compensate the Customer for any and all damage incurred due to the failure of the contractor to promptly pay its subcontractors, and does not constitute a penalty. Any and all such liquidated damages collected by the Customer shall be used to improve the administration and outreach efforts of the Customer's Small Business Program.

Section 16.4 Action by the Customer. Upon receipt of a report of a failure to pay, the Customer will issue notice to the Provider and provide the Provider with an opportunity to demonstrate reasonable cause for failing to make payment within applicable period set forth in this Agreement. The Customer shall determine whether any cause for nonpayment provided by Provider is reasonable. In the event that the Provider fails to demonstrate reasonable cause for failure to make payment, the City shall notify the Provider that it will assess liquidated damages. Any such liquidated damages will be assessed according to the following schedule:

First Unexcused Report:	$50
Second Unexcused Report:	$ 100
Third Unexcused Report:	$250
Fourth Unexcused Report:	$500

Section 16.5 Business Enterprises Owned by People With Disabilities (BEPD). It is the policy of the Customer that businesses certified as a business enterprise owned by people with disabilities ("BEPD") in accordance with MCC Section 2-92-337 el seq., Regulations Governing Certification of BEPDs, and all other regulations promulgated under the aforementioned sections of the MCC; shall have the full and fair opportunities to participate fully in the performance of this Agreement. The Provider shall not discriminate against any person or business on the basis of disability, and shall take affirmative actions to ensure BEPDs shall have full and fair opportunities to compete for and perform subcontracts for supplies or services. Failure to carry out the commitments and policies set forth herein shall constitute a material breach of this Agreement and may result in the termination of this Agreement or such remedy as the Customer deems appropriate.

Section 16.6 Wages.

(a) Living Wage Ordinance. MCC Sect. 2-92-610 provides for a living wage for certain categories of workers employed in the performance of contracts with the Customer , specifically non-Customer employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers, and clerical workers ("Covered Employees"). Accordingly, pursuant to MCC Sect. 2-92-610 and regulations promulgated thereunder:

(i) if (1) the Provider has 25 or more full-time employees, and (2) if at any time during the performance of this Agreement the Provider and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards or any number of other full-time Covered Employees, then the Provider's obligation to pay, and to assure payment of, the Base Wage (as defined herein) will begin at any time during Term when the conditions set forth in (1) and (2) above are met, and will continue thereafter until the end of the Term.

(ii) As of July 1, 2013 the Base Wage is $11.78. The current rate can be found on the Department of Procurement Services' website. Each July 1st the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four (4) as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four (4) divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, the Provider and all Subcontractors must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for work or services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then the Provider must pay the prevailing wage rates.

(iii) The Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. The Provider agrees to provide the Customer with documentation acceptable to the Chief Procurement Officer of the Customer (the "CPO") demonstrating that all Covered Employees, whether employed by the Provider or by a Subcontractor, have been paid the Base Wage, upon the Customer's request for such documentation. The Customer may independently audit the Provider and/or Subcontractors to verify compliance herewith.

(iv) Failure to comply with the requirements of this Section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a Customer contract or subcontract for up to three years.

(v) Not-for-Profit Corporations: If the Provider is a corporation having Federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions above do not apply.

(b) Prevailing Wage Rates. This Agreement calls for the construction of a "public work" within the meaning of Illinois Prevailing Wage Act, 820 ILCS 130/.01 et seq. (the "Act"): the Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current "prevailing rate of wages" (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Illinois Department of Labor (the "Department") publishes the prevailing wage rates on its website at http://www.state.il.us/agency/idol/rates/rates.HTM. The Department revises the prevailing wage rates and the Provider and its Subcontractors have an obligation to check the Department's web site for revisions to prevailing wage rates. For information regarding current prevailing wage rates, please refer to the Department's website. All contractors and subcontractors rendering services under this Agreement must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties.

As a condition of making payment to the Provider, the Customer may require the Provider to submit an affidavit to the effect that not less than the prevailing hourly wage rate is being paid to laborers, mechanics, and other workmen employed on this Agreement in accordance with Illinois or federal law, as applicable.

(c) Multi-Project Labor Agreement. The Customer has entered into the Multi-Project Labor Agreement (the "PLA") with various trades regarding projects involving construction, demolition, maintenance, rehabilitation, and/or renovation work, as described in the PLA, a copy of which may be found on the City's website at:

http://wwwxityofchicago.org/dam/city/depts/dps/RulesRegulations/Multi-ProjectLaborAgreement-PLAandSignatoryUnions.pdf.

To the extent that this contract involves a project that is subject to the PLA, the Provider acknowledges familiarity with the requirements of the PLA and its applicability to any work under this Agreement, and shall comply in all respects with the PLA.

Section 16.7 Business Relationships With Elected Officials. Pursuant to MCC Section 2-156-030(b), it is illegal for any elected official, or any person acting at the direction of such official, to contact either orally or in writing any other Customer official or employee with respect to any matter involving any person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve (12) months. In addition, no elected official may participate in any discussion in any City Council committee hearing or in any City Council meeting or vote on any matter involving the person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months. Violation of MCC Sect. 2-156-030 by any elected official with respect to this Agreement will be grounds for termination of this Agreement. The term financial interest is defined as set forth in MCC Chapter 2-156.

Section 16.8 MCC 1-23 and 720 ILCS 5/33E Bribery. Debts, and Debarment Certification.

(a) The Provider or each joint venture partner, if applicable, warrants that the Provider or each joint venture partner, its agents, employees, officers and any Subcontractors (a) have not been engaged in or been convicted of bribery or attempted bribery of a public officer or employee of the Customer, the State of Illinois, any agency of the federal government or any state or local government in the United States or engaged in or been convicted of bid-rigging or bid-rotation activities as defined in this section as required by the Illinois Criminal Code; (b) do not owe any debts to the State of Illinois, in accordance with 65 ILCS 5/11-42.1-1 and (c) are not presently debarred or suspended; Certification Regarding Environmental Compliance; Certification Regarding Ethics and Inspector General; and Certification Regarding Court-Ordered Child Support Compliance.

(b) The Provider, in performing under this Agreement shall comply with MCC Section 2-92-320, as follows:

(i) No person or business entity shall be awarded a contract or sub-contract if that person or business entity: (a) has been convicted of bribery or attempting to bribe a public officer or employee of the Customer, the State of Illinois, or any agency of the federal government or of any state or local government in the United States, in that officers or employee's official capacity; or (b) has been convicted of agreement or collusion among bidders or prospective bidders in restraint of freedom of competition by agreement to bid a fixed price, or otherwise; or (c) has made an admission of guilt of such conduct described in (a) or (b) above which is a matter of record but has not been prosecuted for such conduct.

(ii) For purposes of this section, where an official, agent or employee of a business entity has committed any offense under this section on behalf of such an entity and pursuant to the direction or authorization of a responsible official thereof, the business entity will be chargeable with the conduct.

(iii) One business entity will be chargeable with the conduct of an affiliated agency. Ineligibility under this section will continue for three (3) years following such conviction or admission. The period of ineligibility may be reduced, suspended, or waived by the CPO under certain specific circumstances. Reference is made to MCC Section 2-92-320 for a definition of affiliated agency, and a detailed description of the conditions which would permit the CPO to reduce, suspend, or waive the period of ineligibility.

Section 16.9 Federal Terrorist (No-Business) List. The Provider warrants and represents that neither the Provider nor an Affiliate, as defined below, appears on the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List, or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment.

For purposes of this Section 16.9, "Affiliate" means a person or entity which directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with the Provider. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity, either acting individually or acting jointly or in concert with others, whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

Section 16.10 Inspector General and Legislative Inspector General. It is the duty of any bidder, proposer or the Provider, all Subcontractors, every applicant for certification of eligibility for a Customer contract or program, and all officers, directors, agents, partners and employees of any bidder, proposer, the Provider, all Subcontractors or such applicant to cooperate with the Inspector General or the Legislative Inspector General in any investigation or hearing, if applicable, undertaken pursuant to MCC Chapter 2-56 or 2-55, respectively. The Provider understands and will abide by all provisions of MCC Chapter 2-56 and 2-55. All Subcontracts must inform Subcontractors of this provision and require understanding and compliance with them.

Section 16.11 Governmental Ethics Ordinance 2-156. The Provider must comply with MCC Chapter 2-156, Governmental Ethics, including but not limited to MCC Section 2-156-120 pursuant to which no payment, gratuity or offer of employment will be made in connection with any Customer contract, by or on behalf of a Subcontractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a Subcontract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of this this Section will be voidable as to the City.

Section 16.12 Restrictions on Business Dealings.

(a) Conflicts of Interest. The Provider covenants that it presently has no interest and will not acquire any interest, direct or indirect, in any enterprise which would conflict in any manner or degree with the performance of the work, services or goods to be provided hereunder. The Provider further covenants that in its performance of this Agreement no person having any such interest shall be employed. If the Customer determines that the Provider does have such a conflict of interest, the Customer will notify the Provider in writing, stating the basis for its determination. The Provider will thereafter have 30 days in which to respond with reasons why the Provider believes a conflict of interest does not exist. If the Provider does not respond or if the Customer still reasonably determines a conflict of interest to exist, the Provider must terminate its interest in the other enterprise.

(b) Prohibition on Certain Contributions, Mayoral Executive Order 2011-4. Neither the Provider or any person or entity who directly or indirectly has an ownership or beneficial interest in the Provider of more than 7.5% ("Owners"), spouses and domestic partners of such Owners, Provider's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5% ("Sub-owners") and spouses and domestic partners of such Sub-owners (Provider and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee during (i) the bid or other solicitation process for this Agreement or Other Contract, including while this Contract or Other Contract is executory, (ii) the term of this Agreement or any Other Contract between City and Provider, and/or (iii) any period in which an extension of this Agreement or Other Contract with the Customer is being sought or negotiated. The Provider represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the Customer approached the Provider or the date the Provider approached the Customer, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

The Provider shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's

political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the Customer to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If the Provider violates this provision or Mayoral Executive Order No. 2011-4 prior to award of this Agreement resulting from this specification, the CPO may reject the Provider's bid.

For purposes of this provision:

"Other Contract" means any agreement entered into between the Provider and the Customer that is (i) formed under the authority of MCC Chapter 2-92; (ii) for the purchase, sale or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved and/or authorized by the City Council.

"Contribution" means a "political contribution" as defined in MCC Chapter 2-156, as amended.

"Political fundraising committee" means a "political fundraising committee" as defined in MCC Chapter 2-156, as amended.

Section 16.13 Debts Owed to the City; Anti-Scofflaw, MCC Sect. 2-92-380. Pursuant to MCC Section 2-92-380 and in addition to any other rights and remedies (including set-off) available to the Customer under this Agreement or permitted at law or in equity, the Customer will be entitled to set off a portion of the contract price or compensation due under the Agreement, in an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and the amount of any debt owed by the Provider to the Customer. For purposes of this Section, outstanding parking violation complaint means a parking ticket, notice of parking violation, or parking violation complaint on which no payment has been made or appearance filed in the Circuit Court of Cook County within the time specified on the complaint, and debt means a specified sum of money owed to the Customer for which the period granted for payment has expired. However no such debt(s) or outstanding parking violation complaint(s)will be offset from the contract price or compensation due under this Agreement if one or more of the following conditions are met:

(i) The Provider has entered into an agreement with the Department of Revenue, or other appropriate Customer department, for the payment of all outstanding parking violation complaints and debts owed to the Customer and the Provider is in compliance with such agreement; or

(ii) The Provider is contesting liability for or the amount of the debt in a pending administrative or judicial proceeding; or the contracting party has filed a petition in bankruptcy and the debts owed the Customer are dischargeable in bankruptcy.

Section 16.14 Shakman Accord.

(a) The Customer is subject to the May 31,2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the Customer from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) The Provider is aware that the Customer's policy prohibits Customer employees from directing any individual to apply for a position with the Provider, either as an employee or as a Subcontractor, and from directing the Provider to hire an individual as an employee or as a Subcontractor. Accordingly, the Provider must follow its own hiring and contracting procedures, without being influenced by Customer employees. Any and all personnel provided by the Provider under this Agreement are employees or Subcontractors of the Provider, not employees of the Customer. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the Customer and any personnel provided by the Provider.

(c) The Provider will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to the Provider by a Customer employee or Customer official in violation of paragraph (b) above, or advocating a violation of paragraph (c) above, the Provider will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the Customer's Office of the Inspector General, and also to the head of the relevant Customer Department utilizing services provided under this Agreement. The Provider will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

Section 16.15 No Waste Disposal in Public Way MCC 11-4-1600(E). The Provider warrants and represents that it, and to the best of its knowledge, its Subcontractors have not violated and are not in violation of the following sections of the MCC (collectively, the "Waste Sections"):

§7-28-390 Dumping on public way;
§7-28-440 Dumping on real estate without permit;
§11-4-1410 Disposal in waters prohibited;
§11-4-1420 Ballast tank, bilge tank or other discharge;
§11-4-1450 Gas manufacturing residue;

§11-4-1500 Treatment and disposal of solid or liquid;
§11-4-1530 Compliance with rules and regulations required;
§11-4-1550 Operational requirements; and
§11-4-1560 Screening requirements.

During the period while this Agreement is executory, the Provider's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Contract, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the CPO. Such breach and default entitles the Customer to all remedies under this Agreement, at law or in equity.

This Section does not limit the Provider's and its Subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the Customer as grounds for the termination of this Agreement, and may further affect the Provider's eligibility for future contract awards.

Section 16.16 Duty to Report Corrupt or Unlawful Activity. It is the duty of the Provider to report to the Inspector General of the Customer, directly and without undue delay, any and all information concerning conduct which it knows or should reasonably know to involve corrupt or other unlawful activity by its employees or the employees of any of its Subcontractors, in connection with the performance of its work hereunder, or by any person dealing with the Customer which concerns the person's dealings with the Customer. COMMODITIES AND WORK SERVICES MBE & WBE SPECIAL CONDITIONS

ARTICLE 1 SPECIAL CONDITIONS REGARDING MINORITY BUSINESS ENTERPRISE COMMITMENT AND WOMEN BUSINESS ENTERPRISE COMMITMENT FOR COMMODITIES OR SERVICES

1.1. Policy and Terms

It is the policy of the City of Chicago that Local Businesses certified as Minority Owned Business Enterprises (MBE) and Women Owned Business Enterprises (WBE), in accordance with Section 2-92-420 et seq. of the Municipal Code of Chicago and the Regulations Governing Certification of Minority and Women Owned Businesses and all other Regulations promulgated under the aforementioned sections of the Municipal Code, as certified MBEs and WBEs certified by Cook County, Illinois, shall have full and fair opportunities to participate fully in the performance of this contract. Therefore, the Contractor will not discriminate against any person or business on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income and will take affirmative actions to ensure that minority business enterprises and women business enterprises have the maximum opportunity to compete for and perform subcontracts for the supply of services.

Pursuant to Section 2-92-420 et seq. of the Municipal Code of Chicago, the Chief Procurement Officer has established goals for the participation of MBEs and WBEs in the performance of City construction contracts. The current MBE and WBE participation goals are set forth in the Construction Contract Documents. Two separate goals have been established, one for MBE participation and one for WBE participation.

Accordingly, the Contractor commits to make Good Faith Efforts to expend the following percentages of the total contract price (which may include any and all modifications and amendments) for contract participation by MBEs and WBEs:

MBE Percentage	WBE Percentage
25%	5%

The contract may be filled by the Contractor's status as a MBE or WBE or by a joint venture with one or more MBEs or WBEs as prime contractor, to the extent of the MBE or WBE participation in such joint venture, or by subcontracting a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the performance of the contract from one or more MBEs or WBEs, or by the combined participation of MBE or WBE in any other aspect of the Contract in accordance with this Section. Only expenditures to a MBE or WBE that performs a commercially useful function in the work of the contract will be credited toward the goals. A MBE or WBE subcontractor will be considered to perform a commercially useful function when it is responsible for execution of a distinct element of work of the contract, and carries out its responsibilities by actually performing, managing and supervising the work involved.

Meeting MBE/WBE participation goals requires submitting these Special Conditions completed to the City of Chicago as does MBE and WBE participation. Bidders must submit a MBE or WBE Compliance Plan and Schedule C-1 for both MBE and WBE commitments submitted with the Contract Specific Terms.

As noted above, the Contractor may meet all or part of this commitment by contracting with MBEs or WBEs for the provision of goods or services described in or related to the performance of this contract. However, in addition to the payment of MBE/WBE participation, the Contractor may count portions of total dollars paid pursuant to the contract to MBE/WBE vendors that are not minority or women owned, in order to meet the goals, as follows: 1) the fair market value of equipment or materials leased by the Contractor from MBE or WBE suppliers (not including the Contractor or Contractor's affiliates) may be counted toward the goals in an amount equal to the fair market value of equipment or materials leased by the Contractor from MBE or WBE suppliers (not including the Contractor or Contractor's affiliates) may be counted toward the goals in an amount equal to the

Contractor to demonstrate the specific efforts undertaken by it to involve MBEs and WBEs directly in the performance of the Contract.

The Contractor also may meet all or part of the commitment through credits received pursuant to Section 2-92-535 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in private sector contracts.

Pursuant to 2-92-535, the prime contractor may apply be awarded an additional 0.333 percent credit, up to a maximum of a total of 5 percent additional credit, for every 1 percent of the value of a contract self performed by MBEs or WBEs, or certified entities, that have entered into a mentor agreement with the contractor. This up to 5% may be applied to the Contract Specific Goals or it may be in addition to the Contract Specific Goals.

L.2 Definitions.

"Area of Specialty" means the description of an MBE or WBE firm's business which has been determined by the Chief Procurement Officer to be most reflective of the MBE or WBE firm's claimed specialty or expertise. Each MBE/WBE letter of certification contains a description of the firm's Area of Specialty. This information is also contained in the Directory (defined below). Credit toward the Contract's MBE and WBE participation goals shall be limited to the participation of firms performing within their Area of Specialty.

NOTICE: The City of Chicago does not make any representation concerning the ability of any MBE/WBE to perform work within their Area of Specialty. It is the responsibility of all contractors to determine the capability and reliability of MBEs/WBEs to satisfactorily perform the work proposed.

"B.E.P.D." means an entity certified as a Business enterprise owned or operated by people with disabilities as defined in MCC Section 2-92-586.

"Bid" means a bid, proposal, or submittal, including a description of the services or work to be provided by the contractor in response to a bid solicitation, request for proposal, request for qualification, task order request issued in accordance with the Master Consulting Agreement, that is issued by the City.

"Bidder" means any person or business entity that submits a bid, proposal, qualification or submittal that seeks to enter into a contract with the City, and includes all partners, affiliates and joint ventures of such person or entity.

"Broker" means a person or entity that fulfills orders by purchasing or receiving supplies from a third party supplier rather than out of its own existing inventory and provides no commercially useful function other than acting as a conduit between his or her supplier and his or her customer.

"Chief Procurement Officer" or "CPO" means the chief procurement officer of the City of Chicago or his or her designee.

"Commercially Useful Function" means responsibility for the execution of a distinct element of the work of the contract, which is carried out by actually performing, managing, and supervising the work involved, evidencing the responsibilities and risks of a business owner such as negotiating the terms of subcontracts, taking on a financial risk commensurate with the contract or its subcontracts, responsibility for procuring the appropriate lines of credit and/or loans, or fulfilling responsibilities as a joint venture partner as described in the joint venture agreement.

"Contract Specific Goals" means the subcontracting goals for MBE and WBE participation established for a particular contract.

"Contractor" means any person or business entity that has entered into a contract with the City as described herein, and includes all partners, affiliates, and joint ventures of such person or entity.

"Direct Participation" the value of payments made to MBE or WBE firms for work that is performed in their Area of Specialty directly related to the performance of the subject matter of the Contract will count as Direct Participation toward the Contract Specific Goals.

"Directory" means the Directory of Certified "Minority Business Enterprises" and "Women Business Enterprises" maintained and published by the City of Chicago. The Directory identifies firms that have been certified as MBEs and WBEs, and includes both the date of their last certification and the area of specialty in which they have been certified. Contractors are responsible for verifying the current certification status of a proposed MBE and WBE firm.

"Good Faith Efforts" means actions undertaken by a Bidder or Contractor to achieve a Contract Specific Goal that the Procurement Officer, in his or her discretion has determined, by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the program's requirements.

"Indirect Participation" refers to the value of payments made to MBE or WBE firms for work that is done in such areas of specialty related to other aspects of the Contractor's business. Those indirect costs of such indirect MBE or WBE participation shall be credited more than once against a contractor's MBE or WBE commitments with respect to all government contracts held by that contractor.

"Joint venture" means an association of a MBE or WBE firm and one or more other firms to carry out a single, for-profit business enterprise, for which each joint venture partner contributes property, capital, efforts, skills and knowledge, and in which the MBE or WBE is responsible for a distinct, clearly defined portion of the work of the contract and whose share in the capital contribution, control, management, risks, and profits of the joint venture are commensurate with its ownership interest.

"Mentor-Protégé Agreement" means an agreement between a prime and MBE or WBE subcontractor pursuant to MCC 2-92-535, that is approved by the City of Chicago and complies with all requirements of MCC 2-92-535 and any rules and regulations promulgated by the Chief Procurement Officer.

"Minority Owned Business Enterprise" or "MBE" means a firm awarded certification as a minority owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a minority owned and controlled business by Cook County, Illinois.

"Municipal Code of Chicago" or "MCC" means the Municipal Code of the City of Chicago.

"Supplier" or "Distributor" refers to a company that owns, operates, or maintains a store, warehouse or other establishment in which materials, supplies, articles or equipment are bought, kept in stock and regularly sold or leased to the public in the usual course of business. A regular distributor or supplier is a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials or supplies required for performance of a contract are bought, kept in stock, and regularly sold to the public in the usual course of business. To be a regular distributor the firm must engage in, as its principal business and in its own name, the purchase and sale of the products in question. A regular distributor in such bulk items as steel, cement, gravel, stone, and petroleum products need not keep such products in stock if it owns or operates distribution equipment.

"Women Owned Business Enterprise" or "WBE" means a firm awarded certification as a women owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a women owned business by Cook County, Illinois.

1.3. Joint Ventures.

The formation of joint ventures to provide MBEs and WBEs with capacity and experience at the prime contracting level, and thereby meet Contract Specific Goals, in whole or in part, is encouraged. A joint venture may consist of any combination of MBEs, WBEs, and non-certified firms so long as one member is an MBE or WBE.

a. The joint venture may be eligible for credit towards the Contract Specific Goals only if:

i. The MBE or WBE joint venture partner's share in the capital contribution, control, management, risks and profits of the joint venture is equal to its ownership interest;

ii. The MBE or WBE joint venture partner is responsible for a distinct, clearly defined portion of the requirements of the contract for which it has risk,

i. Each joint venture partner executes the bid to the City, and

ii. The joint venture partners have entered into a written agreement specifying the terms and conditions of the relationship between the partners and their relationship and responsibilities to the contract, and all such terms and conditions are in accordance with the conditions set forth in items i, ii, and iii above in this Paragraph 3.

4) The Chief Procurement Officer shall evaluate the proposed joint venture agreement, the Schedule B submitted on behalf of the proposed joint venture, and all related documents to determine whether these requirements have been satisfied. The Chief Procurement Officer shall also consider the record of the joint venture partners on prior City of Chicago contracts. The decision of the Chief Procurement Officer regarding the eligibility of the joint venture for credit towards meeting the Contract Specific Goals, and the portion of those goals met by the joint venture, shall be final.

The joint venture may receive MBE or WBE credit for work performed by the MBE or WBE joint venture partner(s) equal to the value of work performed by the MBE or WBE with its own forces for a distinct, clearly defined portion of the work.

Additionally, if employees of the joint venture entity itself (as opposed to employees of the MBE or WBE partner) perform the work, then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in Section 6.

The Chief Procurement Officer may also count the dollar value of work subcontracted to other MBEs and WBEs. Work performed by the forces of a non-certified joint venture partner shall not be counted toward the Contract Specific Goals.

c. Schedule B: MBE/WBE Affidavit of Joint Venture

Where the bidder's Compliance Plan includes the participation of any MBE or WBE as a joint venture partner, the bidder must submit with its bid a Schedule B and the proposed joint venture agreement. These documents must both clearly evidence that the MBE or WBE joint venture partner(s) will be responsible for a clearly defined portion of the work to be performed, and that the MBE's or WBE's responsibilities and risks are proportionate to its ownership percentage. The proposed joint venture agreement must include specific details related to:

i. The partners' contributions of capital, personnel, and equipment and share of the costs of insurance and bonding;

ii. Work items to be performed by the MBE's or WBE's own forces and/or work to be performed by employees of the newly formed joint venture entity;

iii. Work items to be performed under the supervision of the MBE or WBE joint venture partner; and

iv. The MBE's or WBE's commitment of management, supervisory, and operative personnel to the performance of the contract.

NOTE: Vague, general descriptions of the responsibilities of the MBE or WBE joint venture partner do not provide any basis for awarding credit. For example, descriptions such as "participate in the budgeting process," "assist with hiring," or "work with managers to improve customer service" do not identify distinct, clearly defined portions of the work. Roles assigned should require activities that are performed on a regular, recurring basis rather than as needed. The roles must also be pertinent to the nature of the business for which credit is being sought. For instance, if the scope of work required by the City entails the delivery of goods or services to various sites as the City, stating that the MBE or WBE joint venture partner will be responsible for the performance of all routine maintenance and all repairs required to the vehicles used to deliver such goods or services is pertinent to the nature of the business for which credit is being sought.

3.A. Counting MBE/WBE Participation Toward the Contract Specific Goals

Refer to this section when preparing the MBE/WBE compliance plan and completing Schedule D-1 for guidance on what value of the participation by MBEs and WBEs will be counted toward the stated Contract Specific Goals. The "Percent Amount of Participation" depends on whether and with whom a MBE or WBE subcontracts out any portion of its work and other factors.

Firms that are certified as both MBE and WBE may only be listed on a bidder's compliance plan as either a MBE or a WBE to demonstrate compliance with the Contract Specific Goals. For example, a firm that is certified as both a MBE and a WBE may only be listed on the bidder's compliance plan under one of the categories, but not both. Only payments made to MBE and WBE firms that meet BOTH the Commercially Useful Function and Areas of Specialty requirements above will be counted toward the Contract Specific Goals.

a. Only expenditures to firms that perform a Commercially Useful Function (or other eligible item) may count toward the Contract Specific Goals.

i. The CPO will determine whether a firm is performing a commercially useful function by evaluating the amount of work subcontracted, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and the credit claimed for its performance of the work, industry practices, and other relevant factors.

ii. A MBE or WBE does not perform a commercially useful function if its participation is only required to receive payments in order to obtain the appearance of MBE or WBE participation. The CPO may examine similar commercial transactions, particularly those in which MBEs or WBEs do not participate, in determining whether non-MBE and non-WBE firms perform the same functions in the marketplace to make a determination.

iii. Indications that a subcontractor is not performing a commercially useful function include, but are not limited to, labor sharing and equipment sharing or leasing arrangements with the prime contractor or a list of non-subcontractors.

b. Only the value of the dollars paid to the MBE or WBE firm for work that it performs in its Area of Specialty or which is otherwise eligible counts toward the Contract Specific Goals.

c. For manufacturers, including regular dealers or professional services, if the MBE or WBE performs the work itself: 100% of the value of work actually performed by the MBE's or WBE's own forces shall be counted toward the Contract Specific Goals, excluding the cost of supplies and materials purchased or equipment leased by the MBE or WBE from third parties or second-tier subcontractors in order to perform its (sub)contract with its own forces (except supplies and equipment the MBE or WBE subcontractor purchases or leases from the prime contractor or its affiliate). 0% of the value of work at the project site that a MBE or WBE is obligated to, but does not perform, counts toward the Contract Specific Goals.

d. If the MBE or WBE is a manufacturer: 100% of expenditures to a MBE or WBE manufacturer for items needed for the Contract shall be counted toward the Contract Specific Goals. A manufacturer is a firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the bidder or contractor.

e. If the MBE or WBE is a distributor or supplier: 60% of expenditures for materials and supplies purchased from a MBE or WBE that is certified as a regular dealer or supplier shall be counted toward the Contract Specific Goals.

f. If the MBE or WBE is a broker:

i. Zero percent (0%) of expenditures paid to brokers will be counted toward the Contract Specific Goals.

ii. As defined above, Brokers provide no commercially useful function.

g. If the MBE or WBE is a supplier of the good or service (regular dealer/supplier):

i. A joint venture may count the portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the contract that the MBE or WBE performs with its own forces toward the Contract Specific Goals, or

ii. If employees of the distinct joint venture do not perform the work then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in the Schedule B.

iii. A joint venture may also count the dollar value of work subcontracted to other MBEs and WBEs.

h. If the MBE or WBE subcontracts out any of its work:

i. 100% of the value of the work subcontracted to other MBEs or WBEs performing work in its Area of Specialty may be counted toward the Contract Specific Goals.

ii. 60% of the value of work that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals (except as allowed by (1) above).

i. The fees or commissions charged for providing a bond or insurance, such as employment, test fees, consulting or management services or for providing bonds or insurance and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

j. The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the Bidder's trucks, or delivery services are not also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

k. The fees or commissions charged for providing any bonds or insurance, but not the cost of the premium itself, specifically required for the performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

1.5 Regulations Governing Reductions to or Waiver of MBE/WBE Goals

The following regulations set forth the standards to be used in determining whether or not a reduction or waiver of the MBE/WBE commitment goals of a particular contract is appropriate. If a Bidder determines that it is unable to meet the MBE and/or WBE Contract Specific Goals on a City of Chicago contract, a written request for the reduction or waiver of the commitment must be included in the Bid or proposal.

The written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the MBE/WBE goals addressed to the Bidder's letterhead, and must demonstrate that all required efforts as set forth in these documents were taken to secure eligible Minority and Women Business Enterprises to meet the commitments. The Chief Procurement Officer or designee shall determine whether the request for reduction or waiver will be granted.

A Bidder will be considered responsive to the terms and conditions of these Regulations if, at the time of Bid, it submits a waiver request and all supporting documentation that adequately addresses the conditions for waiver of MBE/WBE goals, including proof of notification to assist agencies except:

- Bidders responding to Request for Proposals (RFPs) who have been identified as short listed candidate and/or a prospective awardee will be given a designated time thereafter, but no more than

fourteen (14) calendar days to submit to the Department of Procurement Services complete documentation that adequately addresses the conditions for waiver described herein, and

- Bidders responding to Requests for Information and or Qualifications (RFI/RFQ) deemed by the Chief Procurement Officer or authorized designee to be the most responsive and responsible shall submit documentation that adequately addresses the conditions for waiver described herein during negotiations.

Failure to submit documentation sufficient to support the waiver request will cause the bid/proposal to be found non-responsive by the Chief Procurement Officer, and the bid/proposal will be rejected. In such cases the remedies to be taken by the Chief Procurement Officer, which at her discretion, may include, but are not limited to, failure of bid deposit, negotiations with the next lowest bidder, or re-advertising the bid/proposal. All bidders must submit all required documents at the time of bid opening to responsive contract award.

3.5.1. Direct / Indirect Participation

Each of the following elements must be pursued in order to determine whether or not such a reduction or waiver is appropriate.

a. The bidder has documented the unsuccessful solicitation for either subcontractors or joint venture partners of at least 50% (or at least two when there are more than eleven certified firms in the commodity area) of the appropriate certified MBE/WBE firms to perform any direct or indirect work identified or related to the advertised bid/proposal. Documentation must include, but is not necessarily limited to:

1. A detailed statement of efforts to identify and select portions of work identified in the bid solicitation for subcontracting to certified MBE/WBE firms.

2. A listing of all MBE/WBE firms contacted that includes:

   a. Name, address, telephone number and email of MBE/WBE firms solicited;

   b. Date and time of contact;

   c. Method of contact (written, telephone, transmittal of bid documents, email, etc.)

3. Copies of letters or any other evidence of mailing that substantiates outreach to MBE/WBE vendors that includes:

   a. Project identification and location;

   b. Classification/commodity of work items for which quotations were sought;

   c. Date, time and location for acceptance of subcontractor bid proposals;

   d. Detailed statement which summarizes direct negotiations with appropriate MBE/WBE firms for specific portions of the work and indicates why negotiations were unsuccessful;

   e. Affirmation that Good Faith Efforts have been demonstrated by:

      - choosing subcontracting opportunities likely to achieve MBE/WBE goals;

      - not imposing any limiting conditions which were not mandatory for all subcontractors;

- providing notice of subcontracting opportunities to M/WBE firms and assist agencies at least [five] business days in advance of the initial bid due date

OR

b Subcontractor participation will be deemed excessively costly when the MBE/WBE subcontractor proposal exceeds the average price quoted by more than a percentage permitted [(20%)]. In order to establish that a subcontractor's quote is excessively costly, the bidder must provide the following information:

1 A detailed statement of the work identified for MBE/WBE participation for which the bidder asserts the MBE/WBE quote(s) were excessively costly (in excess of [20% higher]).

a. A listing of all potential subcontractors contacted for a quotation on that work item;

b. Prices quoted for the subcontract in question by all such potential subcontractors for that work item.

2 Other documentation which demonstrates to the satisfaction of the Chief Procurement Officer that the MBE/WBE proposals are excessively costly, even though not in excess of 20% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:

a. The City's estimate for the work under the subcontract;

b. The bidder's own estimate for the work under the subcontract;

c. An average of the bona fide prices quoted for the subcontract;

d. Demonstrated increase in other contract costs as a result of subcontracting to the M/WBE or other firm.

1.5.2. Assist Agency Participation in Waiver/reduction requests

Every waiver and/or reduction request must include evidence that the bidder has provided timely notice of the need for subcontractors to an appropriate assist agency representative of the M/B/WBE business community. This notice must be given at least five (5) business days in advance of the initial bid due date.

The notice requirement of this Section will be satisfied if a bidder contacts at least one of the organizations on Attachment A to these Regulations when the prime contractor seeks a waiver or reduction in the utilization goals. Attachment B to these Regulations provides the letter format that a prime contractor may use. Proof of notification prior to bid submittal (e.g. certified mail receipt or facsimile transmittal receipt) will be required to be submitted with the bid for any bid/proposal to be deemed responsive. If deemed appropriate, the Contract Compliance Officer may contact the assist agency for verification of notification.

1.5.3 Impracticability

If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular contract, subject to competitive bidding prior to the bid solicitation for such contract, bid specifications shall include a statement of such revised standard.

The requirements set forth in these Regulations (this subsection 1.5, "Regulations Governing Reductions to or Waiver of MBE/WBE Goals") shall not apply where the Chief Procurement Officer determines prior to the bid solicitations that MBE/WBE subcontractor participation is impracticable.

This may occur when only one Chief Procurement Officer determines that lack of time, nature, or quality practices or standards not previously known by the Chief Procurement Officer, or such other extreme circumstances as may be deemed appropriate such a waiver is in the best interests of the City. This determination may be made in connection with a particular contract, whether before the contract is let for bid, during the bid or award process, before or during negotiation of the contract, or during the performance of the contract.

For all notifications required to be made by bidders, in situations where the Chief Procurement Officer has determined that waiver of the requirement documented telephone contact may be substituted for letter contact.

E. 6. Procedure to Determine Bid Compliance.

A bid may be rejected as non-responsive if it fails to submit one or more of the following with its bid: demonstrate its Good Faith Efforts to meet the Contract Specific Goals by enumerating out its MBEs and WBEs to perform work on the contract.

- An MBE/WBE compliance plan demonstrating how the bidder plans to meet the Contract Specific Goals, and/or
- A request for reduction or waiver of the Contract Specific Goals in accordance with Section 2-92-450 of the MCC.

Only compliance plans utilizing MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements will be counted toward the Contract Specific Goals.

The following Schedules and described documents constitute the bidder's MBE/WBE proposal, and must be submitted in accordance with the guidelines stated:

[1] Schedule C-1, Letter of Intent from MBE/WBE to Perform as Subcontractor, Supplier and/or Consultant.

The bidder must submit the appropriate Schedule C-1 with the bid for each MBE and WBE included on the Schedule D-1. Suppliers must submit the Schedule C-1 for Suppliers, first tier subcontractors must submit a Schedule C-1 for Subcontractors to the Prime Contractor and second or lower tier subcontractors must submit a Schedule C-1 for second tier Subcontractors. The City encourages subcontractors to utilize the electronic fillable format Schedule C-1, which is available at the Department of Procurement Services website, http://cityofchicago.org/forms. Each Schedule C-1 must be executed by each MBE and WBE and accurately detail the work to be performed by the MBE or WBE and the agreed upon rates/prices. Each Schedule C-1 must also include a separate sheet as an attachment on which the MBE or WBE fully describes its proposed scope of work, including a description of the commercially useful function being performed by the MBE or WBE in its Area of Specialty. If a facsimile copy of the Schedule C-1 has been submitted with the bid, an executed original Schedule C-1 must be submitted by the bidder for each MBE and WBE included on the Schedule D-1 within five business days after the date of the bid opening.

Failure to submit a completed Schedule C-1 in accordance with this section shall entitle the City to deem the bid/proposal non-responsive and therefore reject the bid/proposal.

[2] Letters of Certification.

A copy of each proposed MBE/WBE firm's current Letter of Certification from the City of Chicago or Cook County Illinois, must be submitted with the bid/proposal. All Letters of Certification issued by the City of Chicago and Cook County include a statement of the MBE/WBE firm's Area of Specialty. The MBE/WBE firm's scope of work, as detailed by their Schedule C-1, must conform to their stated Area of Specialty.

[3] Schedule B: Affidavit of Joint Venture and Joint Venture Agreements (if applicable).

If the bidder's MBE/WBE proposal includes the participation of a MBE/WBE as part of a joint venture or another (either as the bidder or as a subcontractor), the bidder must provide a copy of the joint venture agreement and a Schedule B along with all other requirements listed in Section 3.3, "Joint Ventures," above. In order to demonstrate the MBE/WBE partner's share in the ownership, control, management responsibilities, risks and profits of the joint venture, the proposed joint venture agreement must include specific details related to: (1) contributions of capital and equipment; (2) work responsibilities or other performance to be undertaken by the MBE/WBE; and (3) the commitment of management, supervisory and operative personnel employed by the MBE/WBE to be dedicated to the performance of the contract. The joint venture agreement must also clearly define each partner's authority to contractually obligate the joint venture and each partner's authority to expend joint venture funds (e.g., check signing authority).

[4] Schedule D-1, Required Schedules regarding MBE/WBE Utilization
Bidders must submit, together with the bid, a completed Schedule D-1 committing them to the utilization of each listed MBE/WBE firm. The City encourages Bidders to utilize the electronic fillable format Schedule D-1, which is available at the Department of Procurement Services website, http://cityofchicago.org/forms. Except in cases where the bidder has submitted a request for a complete waiver or reduction from the MBE/WBE commitment in accordance with Section 3.5 "Requests for Reductions to or Waiver of MBE/WBE Goals" herein, the bidder must commit to the expenditure of a specific dollar amount of participation by each MBE/WBE firm included on their Schedule D-1. The total dollar commitment to proposed MBEs must at least equal the MBE goal, and the total dollar commitment to proposed WBEs must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of the MBE and WBE goals as percentages of their total base bid or, in the case of Term Agreements, dependent upon requirements agreements and blanket agreements, as percentages of the total estimated usage. All commitments made by the bidder's Schedule D-1 must conform to those presented in the submitted Schedule C-1. If Schedule C-1 is submitted after the opening, the bidder may submit a revised Schedule D-1 (executed and notarized) to conform with the Schedules C-1. Bidders shall not be permitted to add MBEs or WBEs to their Schedule D-1 for the purpose of meeting the Contract Specific Goals, however, contractors are encouraged to add additional MBE/WBE vendors to their approved compliance plan during the performance of the contract where additional opportunities for participation are identified. Except in cases where substantial and documented justifications are provided, bidders will not be allowed to reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedules C-1 and D-1.

All commitments for joint venture agreements must be delineated in the Schedule D.

[5] Application for Approval of Mentor Protégé Agreements
Any applications for City approval of a Mentor Protégé agreement must be included with the bid. If the application is not approved, the bidder must show that it has made good faith efforts to meet the contract specific goals.

3.7. Reporting Requirements During the Term of the Contract

a. The Contractor will, not later than thirty (30) calendar days from the award of a contract by the City, execute formal contracts or purchase orders with the MBEs and WBEs included in their approved MBE/WBE Utilization Plan. These written agreements will be made available to the Chief Procurement Officer upon request.

b. The Contractor will be responsible for reporting payments to all subcontractors on a monthly basis in the form of an electronic report. Upon the first payment issued by the City of Chicago to the contractor for services performed, on the first day of each month and every month thereafter, email and/or fax audit notifications will be sent out to the Contractor with instructions to report payments that have been made in the prior month to each subcontractor. The

reporting of payments to all subcontractors must be entered into the Construction and Compliance Monitoring System (C2), or whatever reporting system is currently in place, on or before the fifteenth (15th) day of each month.

c Once the prime Contractor has reported payments made to each subcontractor, including zero dollar amount payments, the subcontractor will receive an email and or fax notification requesting them to log into the system and confirm payments received. All monthly confirmations must be reported on or before the 20th day of each month. Contractor and subcontractor reporting to the C2 system must be completed by the 25th of each month or payments may be withheld.

d All subcontract agreements between the contractor and MBE/WBE firms or any first tier non-construction firm and lower tier MBE/WBE firms must contain language requiring the MBE/WBE to respond to email and/or fax notifications from the City of Chicago requesting them to report payments received by the prime or the non-performing firm.

Access to the Construction and Compliance Monitoring System (C2), which is a web based reporting system, can be found at http://c2.cityofchicago.org.

e The Chief Procurement Officer or any party designated by the Chief Procurement Officer, shall have access to the contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the contractor's compliance with its commitment to MBE and WBE participation and the status of any MBE or WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the contractor's records by any officer or official of the City for any purpose.

f The Contractor shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs, retaining these records for a period of at least five years after project closeout. Full access to these records shall be granted to City, federal or state authorities or other authorized persons.

1.B. Changes to Compliance Plan

1.B.1. Permissible Basis for Change Required

No changes to the Compliance Plan or contractual MBE and WBE commitments or substitutions of MBE or WBE subcontractors may be made without the prior written approval of the Contract Compliance Officer. Unauthorized changes or substitutions, including performing the work designated for a subcontractor with the contractor's own forces, shall be a violation of these Special Conditions and a breach of the contract with the City, and may cause termination of the executed Contract for breach, and/or subject the bidder or contractor to contract remedies or other sanctions. The facts supporting the request for changes must not have been known nor reasonably could have been known by the parties prior to entering into the subcontract. Bid shopping is prohibited. The bidder or contractor must negotiate with the subcontractor to resolve the problem. If requested by either party, the Department of Procurement Services shall facilitate such a meeting. Where there has been a mistake or disagreement about the scope of work, the MBE or WBE can be substituted only where an agreement cannot be reached for a reasonable price for the correct scope of work.

Substitutions of a MBE or WBE subcontractor shall be permitted only on the following basis:

a) Unavailability after receipt of reasonable notice to proceed;

b) Failure of performance;

c) Financial incapacity;

d) Refusal by the subcontractor to honor the bid or proposal price or scope;

e) Mistake of fact or law about the elements of the scope of work of a solicitation where a reasonable price cannot be agreed;

f) Failure of the subcontractor to meet insurance, licensing or bonding requirements;

g) The subcontractor's withdrawal of its bid or proposal; or

h) Decertification of the subcontractor as a MBE or WBE (graduation from the MBE/WBE program does not constitute decertification);

i) Termination of a Mentor Protege Agreement.

8.8.2. Procedure for Requesting Approval

If it becomes necessary to substitute a MBE or WBE or otherwise change the Compliance Plan, the procedure will be as follows:

a) The bidder or contractor must notify the Contract Compliance Officer and Chief Procurement Officer in writing of the request to substitute a MBE or WBE or otherwise change the Compliance Plan. The request must state specific reasons for the substitution or change. A letter from the MBE or WBE to be substituted or affected by the change stating that it cannot perform on the contract or that it agrees with the change in its scope of work must be submitted with the request.

b) The City will approve or deny a request for substitution or other change within 30 business days of receipt of the written request.

c) Where the bidder or contractor has established the basis for the substitution to the satisfaction of the Chief Procurement Officer, it must make Good Faith Efforts to meet the Contract Specific Goal by substituting a MBE or WBE subcontractor. Documentation of a replacement MBE or WBE, or of Good Faith Efforts, must mirror the requirements in section 8.7 if the MBE or WBE Contract Specific Goal cannot be reached and Good Faith Efforts have been made, as determined by the Chief Procurement Officer, the bidder or contractor may substitute with a non MBE or non WBE.

d) If a bidder or contractor plans to hire a subcontractor for any scope of work that was not previously disclosed in the Compliance Plan, the bidder or contractor must obtain the approval of the Chief Procurement Officer to modify the Compliance Plan and must make Good Faith Efforts to ensure that MBEs or WBEs have a fair opportunity to bid on the new scope of work.

e) A new subcontract must be executed and submitted to the Contract Compliance Officer within five business days of the bidder's or contractor's receipt of City approval for the substitution or other change.

The City shall not be required to approve extra payment for escalated costs incurred by the contractor when a substitution of subcontractors becomes necessary to comply with MBE/WBE contract requirements.

8.9. Non-Compliance and Damages

Without limitation, the following shall constitute a material breach of this contract and entitle the City to declare a default, terminate the contract, and exercise those remedies provided for in the contract, at law or in equity: (1) failure to demonstrate Good Faith Efforts; and (2) disqualification as a MBE or WBE of the contractor or any joint venture partner, subcontractor or supplier if the status as an MBE or WBE was a factor in the award of the contract and such status was misrepresented by the contractor.

Payments due to the contractor may be withheld until corrective action is taken.

Pursuant to MCC 2-92-445 or 2-92-740, as applicable, remedies or sanctions may include a penalty in the amount of the discrepancy between the amount of the commitment in the Compliance Plan, as such amount may be amended through change orders or otherwise over the term of the contract, and the amounts paid to MBEs or WBEs, and disqualification from contracting or subcontracting on additional City contracts for up to three years. The consequences provided herein shall be in addition to any other criminal or civil liability to which such entities may be subject.

The Contractor shall have the right to protest the final determination of non-compliance and the imposition of any penalty by the Chief Procurement Officer pursuant to MCC 2-92-535 or 2-92-740, within 15 business days of the final determination.

7.10 Arbitration

a) In the event a contractor has not complied with the contracted M/B/WBE percentages in Schedule D, and/or documentation of M/B/WBEs shall entitle the affected M/B/WBE to recover from the contractor damages suffered by such entity as a result of being underutilized, provided, however, that this provision shall not apply to the extent such underutilization occurs pursuant to a waiver or substitution approved by the City. The Ordinance and contracts subject thereto provide that any disputes between the contractor and such affected M/B/WBE regarding damages shall be resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorney's fees, being recoverable by a prevailing M/B/WBE in accordance with these regulations. This provision is intended for the benefit of any M/B/WBE affected by underutilization and grants such entity specific third party beneficiary rights. Any rights conferred by this regulation are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, solicitation, or communications made by bidders to a contractor and a M/B/WBE.

b) An M/B/WBE desiring to arbitrate shall contact the contractor in writing to initiate the arbitration process. Except as otherwise agreed to in writing by the affected parties subject to the limitation contained in the last sentence of the previous paragraph(a), within ten (10) calendar days of the contractor receiving notification of the intent to arbitrate from the M/B/WBE the above described disputes shall be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association (AAA), a not-for-profit agency, with an office at 225 North Michigan Avenue, Suite 2527, Chicago, Illinois 60601-7601 [Phone: (312) 616-6560; Fax: (312) 819-0404]. All such arbitrations shall be initiated by the M/B/WBE filing a demand for arbitration with the AAA; shall be conducted by the AAA; and be held in Chicago, Illinois.

c) All arbitration fees are to be paid pro rata by the parties, however, that the arbitrator is authorized to award reasonable expenses, including attorney and arbitrator fees, as damages to a prevailing M/B/WBE.

d) The M/B/WBE must send the City a copy of the Demand for Arbitration within ten (10) calendar days after it is filed with the AAA. The M/B/WBE also must send the City a copy of the decision of the arbitrator within ten (10) calendar days of receiving such decision. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

7.11. Equal Employment Opportunity

Compliance with M/B/E and W/B/E requirements will not diminish or supplant equal employment opportunity and civil rights provisions as required by law.

The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work.

Subcontractors performing work for the Contractor must maintain limits of not less than $1,000,000 with the same terms herein.

2.1.3. Automobile Liability (Primary and Umbrella)

When any motor vehicles (owned, non-owned and hired) are used in connection with the work to be performed, the Contractor must provide Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, non-contributory basis.

7.3.5. Additional Requirements

The Contractor must furnish the City of Chicago Department of Procurement Services, City Hall, Room 806, 121 North LaSalle Street, Chicago, Illinois 60602, original Certificates of Insurance, or such similar evidence, to be in force on the Date of this Contract, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Contract. The Contractor must submit evidence of insurance on the City of Chicago insurance Certificate Form or its equivalent prior to contract award. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Contract have been fully met or that the insurance policies indicated on the certificate are in compliance with all Contract requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. The Contractor must advise all insurers of the Contract provisions regarding insurance. Non-conforming insurance does not relieve Contractor of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Contract, and the City retains the right to stop work until proper evidence of insurance is provided, or the Contract may be terminated.

Contractor must furnish Certificates of Coverage of any or all insurance policies listing the City as an additional insured upon request by the Chief Procurement Officer. All Certificates of Insurance of Coverage must be signed, dated and reference the City contract number.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Contractor.

The Contractor agrees that insurers waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Contract or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Contractor under the Contract.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Contract or any limitation placed on the indemnity in this Contract given as a matter of law.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company and each of its members, if necessary, as insureds.

The Contractor must require all subcontractors to provide the insurance required herein, or Contractor may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Contract.

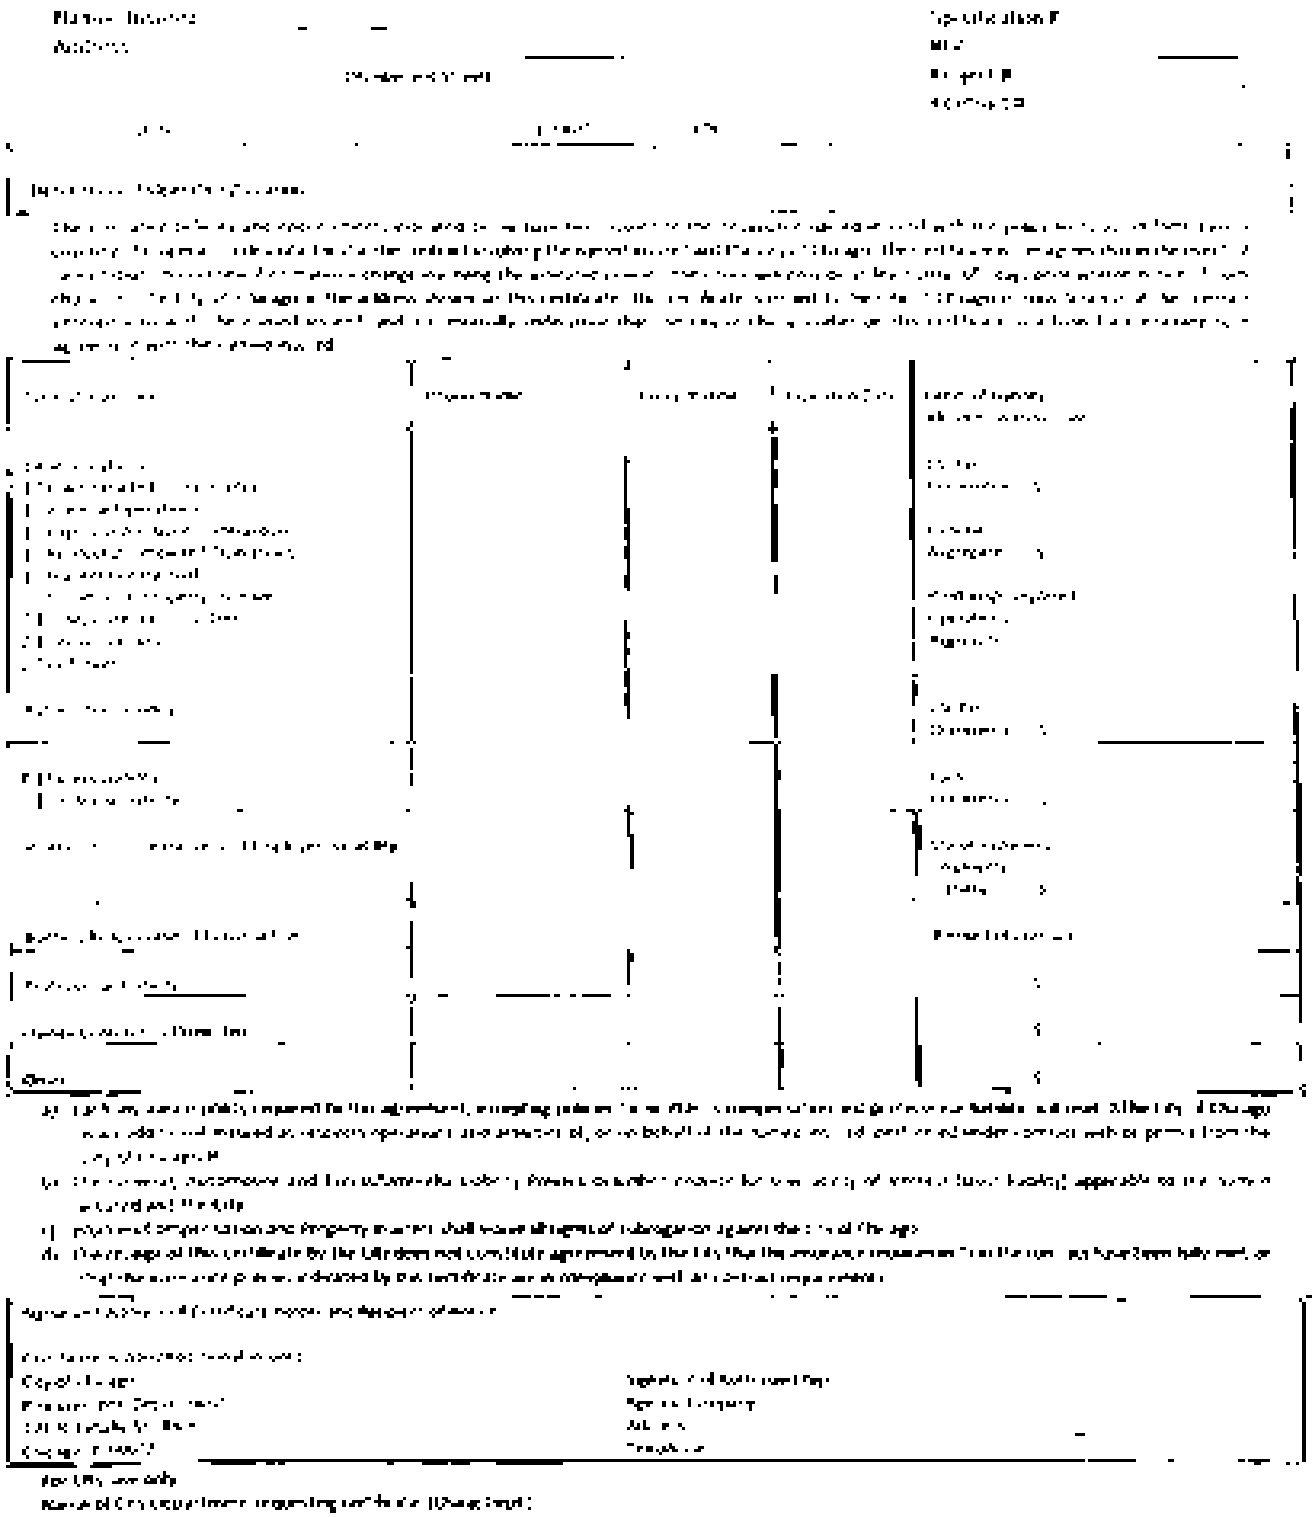

If Contractor or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Contract to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

(Sub-Exhibit 1 referred to in this Article 2 -- Insurance Requirements reads as follows:

(Subject code)

(c) [applicable to construction and property insurance] shall waive all rights of subrogation against the City of Chicago.

No later than 24 months from the Closing Date, or later as the Commissioner or Acting Commissioner of HED (the "Commissioner") may agree in writing, the Park District shall let one or more contracts for the construction and/or development of the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.2. The Project shall at a minimum meet or shall have met the general requirements set forth in the Project Description in Exhibit B hereof and comply with plans and specifications to be provided to and approved by HED prior to the commencement of the Project ("Plans and Specifications") in order for the Park District to qualify for the disbursement of Central West Increment funds. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.3. The Park District shall provide the City with copies, if any shall apply, of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied and operated as a public park.

1.4. The Park District shall include a certification of compliance with the requirements of Sections 1.1, 1.2, and 1.3 hereof with each request for Central West Increment funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

SECTION 2. FUNDING

2.1. The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this **Section 2** and such other conditions contained in this Agreement, disburse the TIF Assistance to the Park District.

2.2. The City shall establish a special account within the Central West Redevelopment Project Area Special Tax Allocation Fund; such special account is or shall be known as the "**Ellen Gates Starr Park Account**." Disbursement of TIF Assistance funds will be subject to the availability of Central West Increment in the Ellen Gates Starr Park Account, subject to all restrictions on and obligations of the City contained in all Central West

Ordinances, or relating to the Central West Increment and all agreements and other documents entered into by the City pursuant thereto.

2.3. Within 15 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than 90 days after the execution of this Agreement (the "**Satisfaction Period**"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for City's disbursement of the TIF Assistance to the Park District:

2.3.1. the Park District has satisfactory title to the Property, which may be evidenced by a valid lease agreement or an acceptable title insurance policy, subject only to those title exceptions acceptable to the City and the Park District;

2.3.2. [Intentionally Omitted – relating to title imperfections]; and

2.3.3. the Park District has satisfied the conditions stated in this **Section 2.3** within the Satisfaction Period. If the Park District is unable to satisfy said conditions, either Party may terminate this Agreement by providing written notice to the other Party.

2.4. The Park District may request that a certificate(s) of expenditure in the form of Exhibit C hereto ("Certificates of Expenditure") be processed and executed periodically. The City shall not execute Certificates of Expenditure in the aggregate in excess of the actual costs of the Project that are TIF-Funded Improvements. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to HED. Delivery by the Park District to HED of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

(a) the total amount of the request for the Certificate of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(b) all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;

(c) the Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications previously approved by HED; and

(d) the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2.5. The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.4 are true and correct, and any execution of a Certificate of Expenditure by the

City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2.6. The current estimate of the cost of the Project is $730,000. The Park District has delivered to the Commissioner a project budget for the Project attached as Exhibit D. The Park District certifies that it has identified sources of funds (including the Project Assistance) sufficient to complete its budgeted portion of the Project. The Park District agrees that the City will only contribute the Project Assistance to the Project and that all costs of completing the Project over the Project Assistance shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City in writing, and the Park District may narrow the scope of the Project (the "Revised Project") as agreed with the City in order to complete the Revised Project with the available funds.

2.7. Exhibit D contains a preliminary list of capital improvements and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the Project Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of Project Assistance on the Project, the Commissioner, based upon the project budget, may make such modifications to Exhibit D as he or she wishes in his or her discretion to account for all of the Project Assistance to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of Project Assistance, subject to the terms of this Agreement.

2.8. The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the Project Assistance are subject on every respect to the availability of funds as described in and limited by this Section 2.7 and Section 2.2. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Project Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.9. If the aggregate cost of the Project is less than the amount of the Project Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the Project Assistance contemplated by this Agreement and the amount of the Project Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

SECTION 3. TERM.

The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Central West Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

SECTION 4. ENVIRONMENTAL MATTERS.

4.1. The Chicago Park District shall, in its sole discretion, determine if any environmental remediation is necessary, and any such work that the Park District determines is necessary shall be performed using the Project Assistance funding provided herein or any applicable funding provided by the Park District. The City's financial obligation shall be limited to an amount not to exceed $730,000 with respect to the matters contained in this Agreement, including this Section 4. The City makes no covenant, representation or warranty as to the environmental condition of the Park or the suitability of the Park as a park or for any use whatsoever.

4.2. The Park District agrees to carefully inspect the Property prior to commencement of any remediation or development on the Property to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Park District shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the Property. The Park District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Park District.

4.3. The Park District or its contractor must obtain all necessary permits, and applicable insurance as described in Section 5 hereof.

SECTION 5. INSURANCE.

5.1. The Park District shall provide and maintain at the Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement.

(a) Workers Compensation and Employers Liability. Workers Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than $100,000 each accident or illness.

(b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than $1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work.

(c) Automobile Liability (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, The Park District shall provide or cause to be provided, Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage.

(d) Professional Liability. When any architects, engineers or professional consultants perform work in connection with this Agreement, The Park District shall cause to be provided, Professional Liability Insurance covering acts, errors, or omissions shall be maintained with limits of not less than $1,000,000.

(e) Self Insurance. To the extent permitted by applicable law, the Park District may self insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self insure for any such insurance requirements, the Park District must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self insurance program must comply with at least such insurance requirements as stipulated above.

5.2. The Park District will furnish the City at the address stated in Section 8.13, original Certificates of Insurance evidencing the required coverage to be in force on the Closing Date, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The Park District shall submit evidence of insurance on the City's Insurance Certificate Form or equivalent prior to the Closing Date. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

5.3. The Park District shall advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance shall not relieve the Park District of the obligation to provide insurance as specified herein. Non-fulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or this Agreement may be terminated.

5.4. The required insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

5.5. Any and all deductibles or self insured retentions on referenced insurance coverages shall be borne by the Park District and its contractors.

5.6. The Park District agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

5.7. The Park District expressly understands and agrees that any coverage and limits furnished by the Park District shall in no way limit the Park District's liabilities and responsibilities specified by this Agreement or by law.

5.8. The Park District expressly understands and agrees that any insurance or self insurance programs maintained by the City shall not contribute with insurance provided by the Park District under this Agreement.

5.9. The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

5.10. The Park District shall require all subcontractors to provide the insurance required herein and insurance customarily required by the Park District or the Park District may provide the required coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Park District unless otherwise specified herein. In all contracts relating to the Project, the Park District agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

5.11. The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 6. INDEMNITY / NO PERSONAL LIABILITY.

6.1. To the extent of liability of a municipal corporation, as such is precluded by the Local and Governmental Tort Immunity Act or the common law of the state of Illinois, the Park District agrees to indemnify and hold the City, its officers and employees, harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses, including, without limitation, reasonable attorney's fees and court costs suffered or incurred by the City arising from or in connection with (i) the Park District's failure to comply with any of the terms, covenants and conditions contained in this Agreement; or (ii) the Park District's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project. The defense and indemnification obligations in this Section 6.1 shall survive any termination or expiration of this Agreement.

6.2. No elected or appointed official or member or employee or agent of the City or the Park District shall be individually or personally liable in connection with this Agreement.

SECTION 7. DEFAULT.

7.1. If the Park District, without the City's written consent fails to complete the Project within 48 months after the date of execution of this Agreement, then the City may terminate this Agreement by providing written notice to the Park District.

7.2. In the event the Park District fails to perform, keep or observe any of its covenants, conditions, promises, agreements or obligations under this Agreement not identified in Section 7.1 and such default is not cured as described in Section 7.3 hereof, the City may terminate this Agreement.

7.3. Prior to termination, the City shall give its 30-day prior notice of intent to terminate at the address specified in Section 8.13 hereof, and shall state the nature of the default. In the event Park District does not cure such default within the 30-day notice period,

such termination shall become effective at the end of such period; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Park District shall not be deemed to have committed such default and no termination shall occur if the Park District has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

TERMS AND CONDITIONS.

SECTION 1. THE PROJECT.

1.1. No later than eighteen (18) months from the Closing Date, or later as the Commissioner of HED (the "Commissioner") may agree in writing, the Park District shall let one or more contracts for the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.2. The plans and specifications for the Project (the "Plans and Specifications") shall at a minimum meet or shall have met the general requirements set forth in Exhibit B hereof and comply with plans and specifications which the Park District will have provided to, and be approved by, HED prior to the disbursement of the TIF Assistance. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.3. The Park District shall also provide the City with copies of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied, and operated as a public park.

1.4. The Park District shall include a certification of compliance with the requirements of Sections 1.1.1.2, and 1.3 hereof with the request for the TIF Assistance hereunder at the time the Project is completed and prior to any disbursement of the TIF Assistance. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

SECTION 2. FUNDING.

2.1. The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the TIF Assistance to the Park District.

2.2. The City shall establish a special account within the Central West Redevelopment Project Area Special Tax Allocation Fund; such special account shall be known as the "West Haven Park—New Park Account." Disbursement of TIF Assistance funds will be subject to the availability of Central West Increment in the West Haven Park Account, subject to all restrictions on and obligations of the City contained in all Central West Ordinances, or relating to the Central West Increment and all agreements and other documents entered into by the City pursuant thereto.

2.3. Within 15 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than 90 days after the execution of this Agreement (the "Satisfaction Period"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for City's disbursement of the TIF Assistance to the Park District:

2.3.1. Intentionally Deleted; and

2.3.2 the Park District has satisfied the conditions stated in this Section 2.3 within the Satisfaction Period. If the Park District is unable to satisfy said conditions, either Party may terminate this Agreement by providing written notice to the other Party.

2.3.4. The Park District may request payment from the City by submitting a Certificate of Expenditure in the form of Exhibit D hereto ("Certification of Expenditure") be processed and executed periodically, but in no event more frequently than quarterly. The City shall not execute and approve Requisitions for Payment in the aggregate in excess of the actual costs of the Project that are TIF-Funded Improvements, and in no event in an amount greater than the TIF Assistance. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to HED. Delivery by the Park District to the City of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

2.4.1. the total amount of the request for the Certificate of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

2.4.2. all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;

2.4.3 the Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications; and

2.4.4. the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2.5. The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.4 are true and correct, and any execution and approval of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2.6. The current estimated cost of the entire Project is $3,050,000. The Park District has delivered to the Commissioner a budget for the Project attached as Exhibit C The Park District certifies that it has identified sources of funds, including the TIF Assistance, sufficient to complete its budgeted portion of the Project. The Park District agrees that the City will only contribute TIF Assistance to reimburse the Park District for the costs of the Project and that all costs of completing the Project over the TIF Assistance shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City in writing, and the Park District may narrow the scope of the Project (the "Revised Project") as agreed with the City in order to complete the Revised Project with the available funds.

2.7. Exhibit C contains a preliminary list of capital improvements, equipment costs, general construction costs, and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the TIF Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of TIF Assistance funds on the Project, the Commissioner, based upon the Project budget, may make such modifications to Exhibit C as he or she wishes in his or her discretion to account for all of the TIF Assistance funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of TIF Assistance funds, subject to the terms of this Agreement.

2.8. The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the TIF Assistance are subject in every respect to the availability of funds as described in and limited by this Section 2. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the TIF Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.9. If the aggregate cost of the Project is less than the amount of the TIF Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the TIF Assistance contemplated by this Agreement

and the amount of the TIF Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

SECTION 3. TERM.

The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Central West Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

SECTION 4. ENVIRONMENTAL MATTERS.

4.1. It shall be the responsibility of the Park District, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property, including obtaining phase I and, if applicable, phase II environmental audits for the Property and (b) to determine if any environmental remediation is necessary with respect to the Property or the Project, and any such work that the Park District determines is required shall be performed at its sole cost and expense as the parties understand and agree that the City's financial obligation shall be limited to an amount not to exceed the TIF Assistance which is provided solely for the items set forth on Exhibit C. The City makes no covenant, representation, or warranty as to the environmental condition of the Property or the suitability of the Property as a park or for any use whatsoever.

4.2. The Park District agrees to carefully inspect the Property prior to commencement of any activity related to the Project to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Park District shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the Property. The Park District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Park District.

SECTION 5. INSURANCE.

5.1. The Park District shall provide and maintain at the Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement.

Coverages shall include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work.

5.1.5. Self Insurance. To the extent permitted by applicable Law, the Park District may self insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self insure for any such insurance requirements, the Park District must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self insurance program must comply with at least such insurance requirements as stipulated above.

5.2. The Park District will furnish the City at the address stated in Section 8.13, original Certificates of Insurance evidencing the required coverage to be in force on the Closing Date, and renewal Certificates of Insurance, promptly as any requisite insurance is renewed. The Park District shall submit evidence of insurance on the City's Insurance Certificate Form or equivalent prior to the Closing Date. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

5.3. The Park District shall advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance shall not relieve the Park District of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or this Agreement may be terminated.

5.4. The required insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

5.5. Any and all deductibles or self insured retentions on referenced insurance coverages shall be borne by the Park District and its contractors.

5.6. The Park District agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

5.7. The Park District expressly understands and agrees that any coverage and limits furnished by the Park District shall in no way limit the Park District's liabilities and responsibilities specified by this Agreement or by law.

5.8. The Park District expressly understands and agrees that any insurance or self insurance programs maintained by the City shall not contribute with insurance provided by the Park District under this Agreement.

5.9. The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

5.10. The Park District shall require all subcontractors to provide the insurance required herein and insurance customarily required by the Park District or the Park District may provide the coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Park District unless otherwise specified herein. In all contracts relating to the Project, the Park District agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to

indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

5.11. The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 6. INDEMNITY / NO PERSONAL LIABILITY.

6.1. The Park District agrees to indemnify and hold the City, its officers and employees, harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses, including, without limitation, reasonable attorney's fees and court costs suffered or incurred by the City arising from or in connection with (i) the Park District's failure to comply with any of the terms, covenants and conditions contained in this Agreement; or (ii) the Park District's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project. The defense and indemnification obligations in this Section 6.1 shall survive any termination or expiration of this Agreement.

6.2. No elected or appointed official or member or employee or agent of the City or the Park District shall be individually or personally liable in connection with this Agreement.

SECTION 7. DEFAULT.

7.1. If the Park District, without the City's written consent, fails to complete the Project within 36 months after the date of execution of this Agreement, then the City may terminate this Agreement by providing written notice to the Park District.

In the event Park District does not cure such default within the 30-day notice period, such termination shall become effective at the end of such period; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Park District shall not be deemed to have committed such default and no termination shall occur if the Park District has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

WHEREAS, The City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The Cook County Board of Commissioners has enacted the Real Property Assessment Classification Ordinance, as amended (the "Classification Ordinance"), which establishes the Class L property tax classification to encourage the preservation and rehabilitation of certain historically and architecturally significant buildings, which will enhance the general character of real estate in the county and contribute to the economic well-being of the county by increasing the level of economic activity, increasing employment opportunities and contributing to the long-term growth of the real property tax base; and

WHEREAS, 333 Building Corporation, an Illinois corporation (the "Owner"), is the owner of a historic building (the "Building") located at 333 North Michigan Avenue in Chicago, Illinois, as more precisely described in Exhibit 1 attached hereto and hereby made a part hereof (the land and improvements thereon being herein referred to as the "Project Real Estate"); and

WHEREAS, The City Council of the City (the "City Council") adopted an ordinance on February 7, 1997 designating the Building as a Chicago landmark pursuant to the criteria then established in Section 2-120-580, et seq., of the Municipal Code of Chicago, and such designation as a Chicago landmark meets the definition of landmark pursuant to Section 1 of the Classification Ordinance; and

WHEREAS, The Owner proposes to rehabilitate the Building thereby preserving the historic building, increasing employment opportunities in the area and contributing to the long-term growth of the real property tax base (the "Project"); and

WHEREAS, It is anticipated that the Project may require a transfer of a beneficial interest in the Owner to one or more entities who will receive an allocation of federal historic rehabilitation tax credits ("Tax Credit Investors"); and

WHEREAS, The Building will continue to be used for commercial purposes after the Project is completed (the "Use"); and

WHEREAS, It is anticipated that the Owner will apply to the Office of the Assessor of Cook County, Illinois (the "Assessor"), for designation of the Project Real Estate as a Class L classification eligible for certain real estate tax incentives pursuant to the Classification Ordinance; and

WHEREAS, Pursuant to the Classification Ordinance, the Class L classification is available to real estate which is to be used for commercial or industrial purposes and which (1) is a Landmark (as defined in Section 1 of the Classification Ordinance); and (2) has undergone Substantial Rehabilitation (as defined in Section 1 of the Classification Ordinance), which constitutes an investment by the owner of at least 50 percent of the building's full market value as determined by the Assessor in the assessment year prior to the commencement of the Substantial Rehabilitation; and the Class L incentive shall apply to the building only, except that if the entire building has been vacant and unused for at least 24 continuous months prior to the filing of the eligibility application with the Assessor, the land upon which the building is situated shall be eligible for the incentive; and

WHEREAS, Section 2 of the Classification Ordinance requires that, in connection with the filing of a Class L eligibility application with the Assessor, an applicant must obtain from the unit of local government in which the real estate is located, an ordinance or resolution which expressly states that the local government: 1) has determined that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the property; 2) supports and consents to the granting of the incentive; and 3) has reviewed and accepted its Preservation Commission's (as defined in Section 1 of the Classification Ordinance) written recommendation of the project for the Class L incentive, specifying the project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; and

WHEREAS, The City is a Certified Local Government as defined in Section 1 of the Classification Ordinance and has established the City of Chicago Commission on Chicago Landmarks (the "Landmarks Commission"), and such Landmarks Commission is a Preservation Commission (as defined in Section 1 of the Classification Ordinance); and

WHEREAS, On November 7, 2013, the Landmarks Commission issued a written recommendation of the Project to the City Council, recommending that the Project be approved by the Assessor for the Class L incentive, a copy of which is attached hereto as Exhibit 2 and hereby made a part hereof; and

WHEREAS, The Project Real Estate shall have been occupied and used for the 24-month period prior to the filing of the Class L eligibility application with the Assessor, making the Class L incentive applicable to the Building only; and

WHEREAS, The City requires, and the Owner has agreed to perform or cause to be performed, certain work as part of the Project as more fully described in Exhibit 3 attached hereto and incorporated herein, in furtherance of the City's efforts to promote a sustainable development policy; and

WHEREAS, The Department of Housing and Economic Development of the City (the "HED") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class L designation, and hereby recommends to City Council that the City expressly determine by ordinance that: 1) the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate; 2) the City supports and consents to the granting of the incentive; and 3) the City has reviewed and accepted the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, and specifying that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate.

SECTION 3. The City hereby expressly supports and consents to the granting of the Class L incentive. The City's support and consent to the grant of certification for the Class L incentive for the Project Real Estate is expressly conditioned upon the substantial completion of the Project as proposed by the Owner and approved by the City, both upon

completion of the Substantial Rehabilitation of the Project Real Estate and during the term of the Class L incentive.

SECTION 4. The Project is anticipated to be completed by June, 2015. The Commissioner of HED (the "Commissioner") or a designee of the Commissioner (together with the Commissioner, an "Authorized Officer") shall have discretion to extend the construction completion date by issuing a written extension letter in response to a written request from the Owner. To the extent that the Project Real Estate is not rehabilitated, used or maintained during the term of the Class L incentive in a manner which is substantially consistent with the approved Project or Use, as determined by the Authorized Officer, the Authorized Officer is hereby authorized to take such steps as may be necessary and appropriate to withdraw the City's support and consent to the Class L incentive, which may cause the Class L certification to be terminated or revoked.

SECTION 5. The City has reviewed and hereby accepts the Landmarks Commission's written recommendation of the Project for the Class L incentive, which specifies the Project budget and proposed scope of the work, and which specifies that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties, a copy of which is attached hereto as Exhibit 2 and made a part hereof.

SECTION 6. The Authorized Officer is hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Owner with the Assessor for Class L designation of the Project Real Estate.

SECTION 7. The Authorized Officer is hereby authorized to enter into and execute such instruments and agreements, and perform any and all acts as shall be necessary or advisable in connection with the Project which reflect the terms described in Exhibit 3 hereto, or such other terms and conditions as may be imposed or approved in connection with the Project by the Authorized Officer.

SECTION 8. The Authorized Officer is hereby authorized to approve minor changes in the scope of work delineated on (Sub)Exhibit B to Exhibit 2 hereof, provided that changes in the Building conditions warrant such changes and will not change the suitability of the Project Real Estate for the Use (all as determined in the sole discretion of the Authorized Officer). Changes to the Project budget delineated on (Sub)Exhibit A to Exhibit 2 shall not require approval provided that the Project is substantially completed in accordance with the scope of work defined in (Sub)Exhibit B to Exhibit 2 and achieves the minimum investment required for Class L eligibility.

SECTION 9. Upon request by the Owner for a final determination of the eligibility of the Project Real Estate for the Class L incentive by the Landmarks Commission pursuant to the Classification Ordinance upon completion of the Substantial Rehabilitation of the Project Real Estate, the Authorized Officer shall verify that the work performed substantially conforms to

the Project approved by the City and that the Project Real Estate is eligible for the Class L incentive (the "Final Determination").

SECTION 10. Any conveyance of all or a portion of the Project Real Estate by the Owner before the Final Determination shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void. Any renewed support and consent of the City for the Class L incentive contemplated in connection with the Project undertaken by a successor in interest to the Owner of the Project Real Estate prior to the Final Determination shall require additional authorization by the City Council. Any change prior to the Final Determination in the direct owners in excess of 7.5 percent of the Owner or who constitute the direct or indirect controlling parties of the Owner, as determined by the Corporation Counsel (an "Ownership Change"), shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void, unless such Ownership Change is approved by the Authorized Officer in his or her discretion. This Section 10 shall not apply to the transfer of a beneficial interest in the Owner to Tax Credit Investors with respect to the Project, or to the transfer of a leasehold interest in the Project Real Estate to a master tenant entity owned in whole or in part by one or more Tax Credit Investors, provided that such transfers do not involve a change to the direct or indirect controlling parties of the Owner.

SECTION 11. No permit fee waiver(s) pursuant to Section 2-120-815 of the Municipal Code of Chicago from the City related to the Project Real Estate shall be granted to the Owner during the rehabilitation of the Project and prior to the expiration of the Class L incentive related to the Project Real Estate.

SECTION 12. To the extent that any ordinance, resolution, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 13. This ordinance shall be effective from and after its passage and approval.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are incorporated herein and made a part hereof.

SECTION 2. The Developer is hereby designated as the developer for the Project pursuant to Section 5/11-74.4-4 of the Act.

SECTION 3. The Commissioner of HED (the "Commissioner") or a designee of the Commissioner are each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver: (a) a redevelopment agreement between the Developer and the City in substantially the form attached hereto as Exhibit B and made a part hereof (the "Redevelopment Agreement") and (b) such other supporting documents as may be necessary to carry out and comply with the provisions of the Redevelopment Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Redevelopment Agreement.

SECTION 4. Notes of the City in an aggregate principal amount of up to $11,321,242 (the "Maximum TIF Assistance") shall be issued for the payment of a portion of the eligible redevelopment project costs (as such term is defined under the Act) included within the Project (such costs shall be known herein and in the Redevelopment Agreement as "TIF-Funded Improvements") and shall be designated as follows: "City of Chicago Tax Increment Allocation Revenue Note (1525 HP LLC Redevelopment Project), Tax-Exempt Series 20__A", in the maximum aggregate principal amount of $8,490,931 ("City Note A"); and "City of Chicago Tax Increment Allocation Revenue Note (1525 HP LLC Redevelopment Project), Taxable Series 20__B", in the maximum aggregate principal amount of the Maximum TIF Assistance less the maximum aggregate principal amount of City Note A, as further set forth in the Redevelopment Agreement ("City Note B"). City Notes A and B shall be substantially in the forms attached to the Redevelopment Agreement as (Sub)Exhibits L and M, respectively, and made a part hereof, with such additions or modifications as shall be determined to be necessary by the Authorized Officer (the person duly appointed and serving as the Chief Financial Officer of the City, or if no such person has been appointed, then the City Comptroller, being each referred to herein as an "Authorized Officer") of the City, at the time of issuance to reflect the purpose of the issue. The City Notes shall be dated the date of delivery thereof, and shall also bear the date of authentication, shall be in fully registered form, shall be in the denomination of the outstanding principal amount thereof and shall become due and payable as provided therein. The proceeds of the City Notes are hereby appropriated for the purposes set forth in this Section 4.

Each City Note shall mature as described in the Redevelopment Agreement, and shall bear interest at a fixed interest rate to be determined based on a formula at the time of issuance as described in the Redevelopment Agreement, until the principal amount of each City Note is paid or until maturity, with the exact rate to be determined by the Authorized Officer, computed on the basis of a 360-day year of twelve 30-day months.

The principal of and interest on the City Notes shall be paid by check, draft or wire transfer of funds by the Authorized Officer of the City, as registrar and paying agent (the "Registrar"), payable in lawful money of the United States of America to the persons in whose names the City Notes are registered at the close of business on the payment date, in any event no later than at the close of business on the 15th day of the month immediately after the applicable payment date; provided, that the final installment of the principal and accrued but unpaid interest of the City Notes shall be payable in lawful money of the United States of America at the principal office of the Registrar or as otherwise directed by the City on or before the maturity date.

The seal of the City shall be affixed to or a facsimile thereof printed on the City Notes, and the City Notes shall be signed by the manual or facsimile signature of the Mayor of the City and attested by the manual or facsimile signature of the City Clerk or any Deputy Clerk of the City, and in case any officer whose signature shall appear on the City Notes shall cease to be such officer before the delivery of the City Notes, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The City Notes shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Registrar, as authenticating agent of the City for the City Notes, and showing the date of authentication. The City Notes shall not be valid or obligatory for any purpose or be entitled to any security or benefit under this ordinance unless and until such certificate of authentication shall have been duly executed by the Registrar by manual signature, and such certificate of authentication upon the City Notes shall be conclusive evidence that the City Notes have been authenticated and delivered under this ordinance.

SECTION 5. The City shall cause books (the "Register") for the registration and for the transfer of the City Notes (to the extent such transfer is permitted under the Redevelopment Agreement) as provided in this ordinance to be kept at the principal office of the Registrar, which is hereby constituted and appointed the Registrar of the City for the City Notes. The City is authorized to prepare, and the Registrar shall keep custody of, multiple City Note blanks executed by the City for use in the transfer of the City Notes.

Upon surrender for a transfer of a City Note authorized under the Redevelopment Agreement at the principal office of the Registrar, duly endorsed by, or accompanied by (i) a written instrument or instruments of transfer in form satisfactory to the Registrar, (ii) an investment representation in form satisfactory to the City and duly executed by the registered owner or his attorney duly authorized in writing, (iii) the written consent of the City evidenced by the signature of the Authorized Officer (or his or her designee) and the Commissioner on the instrument of transfer, and (iv) any deliveries required under the Redevelopment Agreement, the City shall execute and the Registrar shall authenticate, date and deliver in the name of any such authorized transferee or transferees a new fully registered City Note

of the same maturity, of authorized denomination, for the authorized principal amount of the City Note less previous retirements. The execution by the City of a fully registered City Note shall constitute full and due authorization of the City Note and the Registrar shall thereby be authorized to authenticate, date and deliver the City Note. The Registrar shall not be required to transfer or exchange a City Note during the period beginning at the close of business on the 15th day of the month immediately prior to the maturity date of the City Note nor to transfer or exchange a City Note after notice calling a City Note for prepayment has been made, nor during a period of five business days next preceding mailing of a notice of prepayment of principal of a City Note. No beneficial interests in a City Note shall be assigned, except in accordance with the procedures for transferring a City Note described above.

The person in whose name each City Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of a City Note shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon the City Notes to the extent of the sum or sums so paid.

No service charge shall be made for any transfer of the City Notes, but the City or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer of the City Notes.

SECTION 6. Subject to the limitations set forth herein, the Authorized Officer is authorized to determine the terms of the City Notes and to issue the City Notes on such terms as the Authorized Officer may deem to be in the best interest of the City. The principal of the City Notes shall be subject to prepayment as provided in the form of City Notes attached to the Redevelopment Agreement as Exhibits L and M. As directed by the Authorized Officer, the Registrar shall proceed with prepayment without further notice or direction from the City.

SECTION 7. Pursuant to the TIF Ordinance, the City has created or will create the 51st/Lake Park Redevelopment Project Area Special Tax Allocation Fund (the "Fund"). The Authorized Officer is hereby directed to maintain the Fund as a segregated interest-bearing account, separate and apart from the General Fund or any other fund of the City, with a bank that is insured by the Federal Deposit Insurance Corporation or its successor. Pursuant to the TIF Ordinance, all Incremental Taxes received by the City for the Area are to be deposited into the Fund.

There is hereby created within the Fund a special subaccount to be known as the "1525 HP LLC Note Account" (the "Note Account") and such other subaccount(s) for the payment of Redevelopment Project Costs, as set forth in the Redevelopment Agreement (collectively with the Note Account, the "51st and Lake Park TIF Accounts"). The City shall designate and deposit into the Note Account the Available Incremental Taxes (as defined in the Redevelopment Agreement). The City hereby assigns, pledges and dedicates the Note Account, together with all amounts on deposit therein, to the payment of the principal of and

interest, if any, on City Note A and City Note B when due under the terms of the Redevelopment Agreement and in accordance with the debt service schedules attached to the City Notes. Upon deposit, the monies on deposit in the Note Account may be invested as hereinafter provided. Interest and income on any such investment shall be deposited in the Note Account. All monies on deposit in the Note Account shall be used to pay the principal of and interest on City Note A and City Note B, at maturity or upon payment or redemption prior to maturity, in accordance with the terms of such note, which payments from the Note Account are hereby authorized and appropriated by the City. Upon payment of all amounts due under City Note A and City Note B and the Redevelopment Agreement in accordance with their terms, the amounts on deposit in the Note Account, as applicable, shall be deposited in the Fund of the City and the Note Account shall be closed.

Notwithstanding any of the foregoing, payments on the City Note A and City Note B will be subject to the availability of Incremental Taxes in the Note Account.

City Note B shall be subordinate to other obligations described in the Redevelopment Agreement, and shall be payable from Available Incremental Taxes available after the payment of debt service on City Note A.

SECTION 8. The City Notes are special limited obligations of the City. City Note A and City Note B are payable solely from Available Incremental Taxes, and shall be a valid claim of the registered owners thereof only against said sources. The City Notes shall not be deemed to constitute an indebtedness or a loan against the general taxing powers or credit of the City, within the meaning of any constitutional or statutory provision. The registered owner(s) of the City Notes shall not have the right to compel any exercise of the taxing power of the City, the State of Illinois or any political subdivision thereof to pay the principal of or interest on the City Notes.

SECTION 9. Monies on deposit in the Fund or the 51st and Lake Park TIF Accounts, as the case may be, may be invested as allowed under Section 2-32-520 of the Municipal Code of the City of Chicago (the "Municipal Code"). Each such investment of Note Account monies shall mature on a date prior to the date on which said amounts are needed to pay the principal of or interest on the City Notes.

SECTION 10. Pursuant to the Redevelopment Agreement, the Developer shall complete the Project. The eligible redevelopment project costs of the Project constituting TIF-Funded Improvements in an amount not to exceed the Maximum TIF Assistance, when evidenced by Certificates of Expenditure, in the amounts and manner set forth in the Redevelopment Agreement, shall be deemed to be a disbursement of the proceeds of the City Notes. Upon issuance, the City Notes shall have in the aggregate an initial principal balance equal to the Developer's prior expenditures for TIF-Funded Improvements in an amount not to exceed the Maximum TIF Assistance, as evidenced by Certificates of Expenditures delivered in accordance with the Redevelopment Agreement, and subject to the reductions described in the Redevelopment Agreement. After issuance, the principal amount outstanding under the

City Notes shall be the initial principal balance of the City Notes, minus any principal amount and interest paid on the City Notes and other reductions in principal as provided in the Redevelopment Agreement.

SECTION 11. The Mayor, the Authorized Officer, the City Clerk or any Deputy Clerk, the Commissioner (or his or her designee) and the other officers of the City are authorized to execute and deliver on behalf of the City such other documents, agreements and certificates and to do such other things consistent with the terms of this ordinance as such officers and employees shall deem necessary or appropriate in order to effectuate the intent and purposes of this ordinance.

SECTION 12. The Registrar shall maintain a list of the names and address of the registered owners from time to time of the City Notes and upon any transfer shall add the name and address of the new registered owner and eliminate the name and address of the transferor.

SECTION 13. The provisions of this ordinance shall constitute a contract between the City and the registered owners of the City Notes. All covenants relating to the City Notes are enforceable by the registered owners of the City Notes.

SECTION 14. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 15. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 16. This ordinance shall be in full force and effect immediately upon its passage and approval.

(f) The Developer acknowledges and agrees that the City's obligation to pay any amount due under City Note B, once issued, is contingent upon satisfaction of all applicable terms and conditions of this Agreement, including without limitation, compliance with the covenants in Section 8 (Covenants/Representations/ Warranties of the Developer). Further, any and all amounts not due and payable due to noncompliance with the Occupancy Covenant or the Jobs Covenant that subsequently become due and payable because such noncompliance was cured (all as set forth in Section 8.06(c)(ii) hereof) shall be paid at the time the final payment is due under City Note B, but only if such noncompliance of the Occupancy Covenant or the Jobs Covenant has been cured in accordance with Section 8.06(c)(ii) and there is no Event of Default under the Agreement at the time of the final payment of City Note B.

4.06. Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07. Preconditions of Execution of Certificate of Expenditure. Prior to the execution of a Certificate of Expenditure by the City, the Developer shall submit documentation regarding the applicable expenditures to HED, which shall be satisfactory to HED in its sole discretion. Delivery by the Developer to HED of any request for execution of a Certificate of Expenditure shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the request for such Certificate of Expenditure is for TIF-Funded Improvements that represent the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the request for such Certificate of Expenditure have been paid to the parties entitled to such payment (or have been incurred by the Developer);

(c) the Developer has approved all work and materials for the request for such Certificate of Expenditure and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and Developer is in compliance with all applicable covenants contained herein;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the Available Project Funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. The Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, provide the City with evidence of sufficient sources of funds that will place the Project In Balance.

The City shall have the right, in its discretion, to require the Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and the execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer. In addition, the Developer shall have satisfied all other preconditions for execution of a Certificate of Expenditure, including but not limited to requirements set forth in the TIF Ordinances and/or this Agreement.

4.08. Conditional Grant. Payments on the City Notes being provided hereunder are being provided on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being terminated and/or reimbursed as provided in Section 15.02 hereof.

In addition, the Developer shall be responsible for paying the costs of nationally recognized bond counsel that are incurred as of the date of execution and delivery of this Agreement, together with the additional costs related to those services provided at the time of issuance of the City Notes.

SECTION 7. COMPLETION OF CONSTRUCTION

7.01. Certificate of Completion of Construction.

(a) Upon (i) satisfaction of the conditions set forth in Section 7.01(c) hereof, and (ii) the Developer's written request (which shall include the Certified Final Project Cost), HED shall issue to the Developer a Certificate of Completion in recordable form certifying that all obligations to complete the Project have been fulfilled by the Developer in accordance with the terms of this Agreement.

(b) HED shall respond to the Developer's written request for a Certificate of Completion within thirty (30) days by issuing either a Certificate of Completion or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate of Completion. The Developer may resubmit a written request for a Certificate of Completion upon completion of such measures.

(c) The Developer acknowledges that the City will not issue a Certificate of Completion until all of the following conditions have been met:

(i) the Developer has given the City written notification that construction of the Project, including all of TIF-Funded Improvements, has been completed and has provided the City with a certified amount of (1) final total Project costs (the "Certified Final Project Cost");

(ii) the Developer has provided HED with evidence acceptable to HED showing that the Developer has completed the Project in compliance with the Plans and Specifications, the Planned Development and all building permit requirements, including without limitation, receipt of all required certificate(s) of occupancy for the commercial and residential components of the Project;

(vi) the Developer has provided documentation acceptable to HED showing the Green Initiatives set forth in Exhibit F have been completed and that the Developer has applied for LEED Certification. If there is a lack of approval of the Developer's LEED submission, and such lack of approval (A) is the sole requirement not met for issuance of the Certificate of Completion by HED pursuant to this Agreement, and (B) has not resulted in any reduction of funds in order to complete the Project in accordance with the scope of work approved by the City in accordance with Sections 3.02 and 3.04 hereof, then HED, may, but shall not be obligated to, in the HED Commissioner's sole discretion, issue the Certificate of Completion; and

7.02. Effect of Issuance of Certificate of Completion; Continuing Obligations. The Certificate of Completion relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate of Completion, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate of Completion shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.01(j), 8.01(k), 8.02, 8.06, 8.19, 8.21 and 8.25 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate of Completion; provided, that upon the issuance of a Certificate of Completion, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate of Completion shall be binding only upon the Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of the Developer's rights under this Agreement and assume the Developer's liabilities hereunder.

7.03. Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status of the City Note A.

7.04. Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, HED shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

(h) the Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer or the Property is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of the Developer since the date of the Developer's most recent Financial Statements;

(j) prior to the issuance of a Certificate of Completion, the Developer shall not do any of the following without the prior written consent of HED and after the issuance of the Certificate of Completion the Developer shall not do any of the following without the prior written notice to HED: (1) be a party to any merger, liquidation or consolidation; provided, however, no written consent or notice shall be needed when admitting new equity investors or when equity investors exit; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto); provided, however, no written consent or notice shall be needed for leases in the ordinary course of business of the Residential Units or Retail Space for operation of the Project (including cell tower or data line leases); and provided, further, that no lease shall include any provision impairing the right of the parties thereto to appeal property taxes associated therewith; (3) enter into any transaction outside the ordinary course of the Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; (5) enter into any transaction that would cause a material and detrimental change to the Developer's financial condition; or (6) cease to operate the Project with an anchor grocery or retail store.

(k) the Developer has not incurred, and, prior to the issuance of a Certificate of Completion, shall not, without the prior written consent of the Commissioner of HED, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens and/or liens bonded by the Developer or insured by the Title Company; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget;

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code;

(m) Neither the Developer nor any affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable City, state, federal or international law, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate" when used to indicate a relationship with a specified person or entity means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise; and

(n) Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor"), or to his political fundraising committee, or other execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract (as defined below) is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, under

any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

(b) On an annual basis beginning with the one year anniversary of the issuance of the Certificate of Completion and upon the happening of any Capital Event, the Developer agrees to pay and remit to the City a portion of Net Operating Income and/or Sale Proceeds, as the case may be, in accordance with this Section 8.05(b) as more fully illustrated by way of example in Exhibit T hereto. (iv) "Developer Subordinated Equity" shall mean $3,750,000 of the total Developer Equity.

(v) "Debt Service" shall mean those certain debt service amounts for the Project as set forth in the audited annual Financial Statements.

(vi) "Income Taxes" shall mean those certain income tax amounts for the Project as set forth in the audited annual Financial Statements.

(vii) "Investor Equity" shall mean Equity minus Developer Subordinated Equity.

(viii) "Net Operating Income" shall be computed using the following formula: Project Revenues minus Operating Expenses of the Project.

(ix) "Operating Expenses of the Project" shall mean those certain operating expenses set forth in the audited annual Financial Statements including Debt Service and any Lender required reserves, but excluding any reserves arising in connection with a Capital Event, Income Taxes, Depreciation and Amortization.

(x) "Project Revenues" shall mean those certain revenues for the Project as set forth in the audited annual Financial Statements.

(xi) "Sales Proceeds" shall mean proceeds of such sale net of outstanding Lender Financing based on the final executed settlement statement prepared in connection with such sale.

(d) Any TIF Recapture Amount received by the City shall be deposited into a separate account within the TIF Fund and shall be used for Redevelopment Project Costs; provided, however, such amounts shall not be used directly or indirectly for repayment of the City Notes.

(e) Any TIF Recapture Amount due and owing to the City annually pursuant to Section 8.05(b) shall be paid by the Developer on or before [April 1] in conjunction with the filing of the Annual Compliance Report; provided, however, that in no event shall any such TIF Recapture Amount be paid to the City any later than any concurrent payment which is to be made on a pari passu basis to the Developer. Any TIF Recapture Amount due and owing to the City pursuant to Section 8.05(a) or Section 8.05(b) due the occurrence of a Capital Event shall be paid by the Developer on the closing date of such Capital Event.

(f) This Section 8.05 shall be in effect until the earlier of (1) a Capital Event in which Developer is no longer in control of the entire Project, or (2) all amounts in Section 8.05(b) paragraphs one through five are paid to the City in accordance with this Section. With respect to Capital Event of less than the entire Project, such successor shall not have any obligations or liabilities under this Section 8.05; provided the Developer shall continue to have obligations under this Section 8.05 with respect to the portion of the Project that was not subject to the Capital Event.

8.06. Jobs, Operation and Occupancy Covenants

(a) *Job Creation and Retention; Operations Covenant; Occupancy Covenant.*

(i) The Developer (1) shall maintain, through the Ten Year Anniversary, an anchor grocery or retail store acceptable to HED, as permitted pursuant to the Redevelopment Plan, the Planned Development, if any, and this Agreement; (2) shall, through the Term of the Agreement, lease to tenants whose operations shall not include any Prohibited Uses as set forth in Exhibit P, without the consent of the Commissioner of HED; and (3) shall not, through the Term of the Agreement, include any restriction upon the use and operation of the Property and the Project in any contract of sale or deed (or similar instrument) of conveyance that is more restrictive or in conflict with the restrictions relating to Prohibited Uses. Wherever there is a conflict between the permitted uses of the Property and the Project, between this Agreement and the other controlling documents set forth above, the terms of this Agreement shall control (collectively, the "Operating Covenant").

(ii) The Developer shall maintain Minimum Occupancy for each Reporting Period. The Developer shall deliver an occupancy progress report certifying compliance with the requirement (the "Occupancy Report") to maintain a Minimum Occupancy (the "Occupancy Covenant") for the Reporting Period, such request to be submitted each year, through the Term of the Agreement. The Developer (i) shall cause the Property to be used as a retail shopping center, as permitted pursuant to the Redevelopment Plan, the Planned Development, if any, and this Agreement, and (ii) shall lease to tenants whose operations shall not include any Prohibited Uses as set forth in Exhibit M, without the consent of the Commissioner. Additionally, leases for Retail Space or Residential Units shall not include any restriction upon the use and operation of the Property and the Project in any contract of sale or deed (or similar instrument) of conveyance that is more restrictive or in conflict with the restrictions relating to Prohibited Uses. Notwithstanding the foregoing, the Developer may establish tenant exclusives on the use and operation

during the term of the related retail leases, including short-term post lease operating interruptions to accommodate only short-term office rental tenants (where short term is less than ninety days). Wherever there is a conflict between the permitted uses of the Property and the Project, between this Agreement and the other controlling documents set forth above, the terms of this Agreement shall control. The Developer hereby covenants and agrees to maintain Minimum Occupancy through the Term of the Agreement.

(iii) Additionally, not less than seven (7) Full-Time Equivalent Employee jobs shall be created by the Developer or an affiliate of the Developer to operate and maintain the residential component of the Project on or before the issuance of the Certificate of Completion and such number of jobs shall be maintained during the Term of the Agreement (the "Jobs Covenant").

(b) Following the issuance of the Certificate of Completion until the Term of the Agreement, the Developer shall submit to HED certified Jobs Certificates (in substantially the form set forth in Exhibit K hereto) disclosing compliance with the Jobs Covenant to HED. These Jobs Certificates shall be submitted to HED with the Annual Compliance Report regarding compliance with the Jobs Covenant for the Reporting Period. The Jobs Certificate shall include employee identifiers and titles for FTEs employed at the residential component of the Project as of the end of the prior 12-month reporting period and documentation sufficient to support, to HED's satisfaction, each position as either newly created or maintained.

(c) *Jobs and Occupancy Covenant Defaults and Cure Periods.*

(i) Non-Curable Covenant Default: There shall be no cure period for non-submission of, and no issuance or payment of City Note B, whichever is applicable, if the Occupancy Report or the Jobs Certificate is not submitted with the Annual Compliance Report.

(ii) Cure Periods

(1) *Occupancy Covenant*: If there is noncompliance with the Occupancy Covenant described in Section 8.06(a)(ii) hereof as documented in the Occupancy Report, an Event of Default shall not be declared with respect to such noncompliance for the first instance of reporting the noncompliance as part of the Developer's Annual Compliance Report submission. If the Annual Compliance Report submission in the next subsequent year also documents noncompliance with the Occupancy Covenant, then such noncompliance shall constitute an Event of Default for not meeting the Occupancy Covenant set forth in Section 8.06(a)(ii) hereof. Additionally, it shall be an Event of Default upon the third non-consecutive year reporting in an Annual Compliance Report of noncompliance with the Occupancy Covenant in Section 8.06(a)(ii). An Event of Default pursuant to this Section 8.06(c) shall be without notice or opportunity to cure and the City shall have such remedies as set forth in Section 15.02 hereof.

(2) *Jobs Covenant*: If there is noncompliance with the Jobs Covenant described in Section 8.06(a)(iii) hereof as documented in the Jobs

Certificate, an Event of Default shall not be declared with respect to such noncompliance for the first instance of reporting the noncompliance as part of the Developer's Annual Compliance Report submission. If the Annual Compliance Report submission in the next subsequent year also documents noncompliance with the Jobs Covenant, then such noncompliance shall constitute an Event of Default for not meeting the Jobs Covenant set forth in Section 8.06(a)(iii) hereof. Additionally, it shall be an Event of Default upon the third non-consecutive year reporting in an Annual Compliance Report of noncompliance with the Jobs Covenant in Section 8.06(a)(iii). An Event of Default pursuant to this Section 8.06(c) shall be without notice or opportunity to cure and the City shall have such remedies as set forth in Section 15.02 hereof.

(d) The covenants set forth in this Section 8.06 shall run with the land and be binding upon any transferee for the Term of the Agreement.

8.07. Employment Opportunity; Progress Reports. The Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City monthly. If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to HED which shall outline, to HED's satisfaction, the manner in which Developer shall correct any shortfall.

8.08. Employment Profile. The Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to HED, from time to time, statements of its employment profile upon HED's request.

8.09. Prevailing Wage. The Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10. Arms-Length Transactions. Unless HED has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon HED's request, prior to any such disbursement.

8.11. Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project,

the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

8.12. Disclosure of Interest. The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.13. Financial Statements. The Developer shall obtain and provide to HED Financial Statements for Developer's fiscal year ended 2012 and each December 31 thereafter for the Term of the Agreement. In addition, Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as HED may request.

8.14. Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15. Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to HED, within thirty (30) days of HED's request, official receipts from the appropriate entity, or other proof satisfactory to HED, evidencing payment of the Non-Governmental Charge in question.

(b) *Right to Contest*. The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at HED's sole option, to furnish a good and sufficient bond or other security satisfactory to HED in such form and amounts as HED shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16. Developer's Liabilities. The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay

any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify HED of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17. Compliance with Laws.

(a) *Representation.* To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be, as and when required, in compliance with all Laws pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

(b) *Covenant.* The Developer covenants that the Property and the Project will be operated and managed in compliance with all Laws. Upon the City's request, the Developer shall provide evidence to the City of its compliance with this covenant.

8.18. Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19. Real Estate Provisions.

(a) *Governmental Charges.*

(i) Payment of Governmental Charges. The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable, and which create, may create, a lien upon the Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to HED of Developer's intent to contest or object to a Governmental Charge and, unless, at HED's sole option,

(iv) The Developer shall demonstrate to HED's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(v) the Developer shall furnish a good and sufficient bond or other security satisfactory to HED or such form and amounts as HED shall require or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise HED thereof in writing, at which time HED may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in HED's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which HED deems advisable. All sums so paid by HED, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to HED by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited financial Statements at the Developer's own expense.

§ 20 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 9 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate of Completion) shall be in effect throughout the Term of the Agreement.

§ 21 Annual Compliance Report. The Developer shall provide to HED an Annual Compliance Report consisting of (a) an Affidavit from the Developer demonstrating all ongoing requirements including references to all the relevant Sections of this Agreement in the form set forth in Exhibit D hereto, and (b) sufficient documentation and certifications, to the satisfaction of HED, to evidence that all ongoing requirements have been satisfied during the preceding reporting period (which HED shall have the right, but not the obligation, to audit compliance with to determine the sufficiency of such Annual Compliance Report). The Annual Compliance Report shall be submitted each year on [April 1] after the end of the calendar year to which the Annual Compliance Report relates (each such calendar year being a "Reporting Period"). Failure by the Developer to submit the Annual Compliance Report shall constitute an Event of Default under Section 15.01 hereof, without notice or opportunity to cure pursuant to Section 15.03 hereof. The covenants contained in this Section 8.21 shall run with the land and be binding upon any successor to the Term of the Agreement.

§ 22 Inspector General. It is the duty of the Developer and the duty of any bidder, proposer, contractor, subcontractor and every applicant for certification of eligibility for a City contract or program, and all of the Developer's officers, directors, agents, partners, and

employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.23. LEED Certification. Developer covenants and agrees to obtain LEED certification for the Project and satisfy all green building requirements applicable to the Property set forth in Exhibit F hereto in accordance with the Planned Development.

8.24. Job Readiness Program. Not less than thirty (30) days prior to the Closing Date, the Developer shall meet with Workforce Solutions (HED workforce division) regarding compliance with all Section 8.24 requirements. During this meeting, the Developer will work with HED to create an Employment Plan for its employees at the Project, listing future job openings, titles, descriptions, qualifications and such other information as HED may request ("Employment Plan") attached hereto as Exhibit Q-1. The Employment Plan may include recruitment, training, placement and reporting requirements, the sufficiency of which HED shall approve as a precondition to the Closing. The Developer hereby covenants and agrees to work with the City, and to use best efforts to have the retail and commercial tenants work with the City, to maximize the recruitment and interviewing of qualified City of Chicago candidates.

This Section 8.24 covenant shall be deemed satisfied with respect to using best efforts to have the retail and commercial tenants work with the City upon Developer's inclusion of a job readiness covenant in each retail and commercial tenant lease substantially in the form attached hereto as Exhibit Q-2.

8.25. Affordable Housing Compliance. Developer agrees and covenants to the City that Developer shall (a) record the Affordable Housing Covenant and Lien set forth in Exhibit S hereto and incorporated by reference herein (the "Affordable Housing Covenant") prior to the issuance of the building permit for the construction of the Residential Units, and (b) comply with Section 2-45-110 of the Municipal Code until the thirtieth anniversary of the final lease commencement date, as further set forth in the Affordable Housing Covenant. Additionally, the information contained in the Affordable Housing Profile Form on file with HED, the form of which is set forth in Exhibit R hereto and incorporated herein, shall be updated as needed such that it conforms at all times with the information contained in the Affordable Housing Covenant. The Affordable Housing Compliance Requirements set forth in this Section 8.25 and Exhibit S shall survive the Term of the Agreement and shall run with the land and be binding upon any transferee.

8.26. Compliance with Multi-Project Labor Agreement. Developer shall cause the General Contractor to comply with that certain Settlement Agreement dated November 3, 2011, by and among the City, the Chicago Regional Council of Carpenters, the Metropolitan Pier and Exposition Authority, the Public Building Commission of the City, and the State, because the Project budget is in excess of $25,000,000, and, therefore, is subject to the provisions of that certain City Multi-Project Labor Agreement (the "MPLA") dated February 9, 2011, by and among the City and the labor organizations comprising the Chicago & Cook County Building & Construction Trades Council. The Developer shall cause the General Contractor to comply with the MPLA to the fullest extent legally permissible without violating other requirements applicable to the construction of the Project, including, without limitation, Sections 8.09, 10.02 and 10.03

hereof. At the direction of HED, affidavits and other supporting documentation shall be required of the Developer, the General Contractor and the subcontractors to verify or clarify compliance with the MPLA.

8.27. FOIA and Local Records Act Compliance.

(a) *FOIA.* The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) *Exempt Information.* Documents that the Developer submits to the City under Section 8.21, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then HED will evaluate whether such document may be withheld under the FOIA. HED, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) *Local Records Act.* The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act.

8.28. Survival of Covenants. All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate of Completion) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01. General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02. Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 11. EQUAL EMPLOYMENT OPPORTUNITY.

(a) Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees and shall contractually obligate its or their various contractors, subcontractors, or any Affiliate or Developer Agent operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(1) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160 Section 2-160-010 et seq. Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with respect to all job-related matters, including without limitation: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employer shall, if solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(2) To the greatest extent feasible each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area, and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in or owned in substantial part by persons residing in the City and preferably in the Redevelopment Area.

(3) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(4) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(5) Each Employer shall include the foregoing provisions of subparagraphs (1) through (4) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate of the Developer, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02. City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by Actual Residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual Residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of HED in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of HED, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of HED, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief

Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 24 percent by MBEs.
(2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the construction of the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in

connection with the Project) shall be deemed a "contract or construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Pursuant to Sections 2-92-440 and 2-92-730, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of the DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with the MBE/WBE commitment. Such reports shall include, inter alia, the names and business addresses of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or services supplied, the date and amount of such work, prepaid or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's

monitoring staff, including the following: (i) subcontractor's activity report, (ii) contractor certification concerning labor standards and prevailing wage requirements, (iii) contractor letter of understanding, (iv) monthly utilization report, (v) authorization for payroll agent, (vi) certified payroll, (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings, and (viii) evidence of compliance with pre-construction retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project; (2) withhold any further payment of any City Funds to Developer or the General Contractor; or (3) seek any other remedies against Developer available at law or in equity.

Developer shall submit evidence of insurance to the City on an insurance certificate form to the City's satisfaction prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for Developer to obtain and maintain the specified coverages. Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreements until proper evidence of insurance is provided.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Developer is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Developer must require Contractor and subcontractors to provide the insurance required herein, or Developer may provide the coverages for Contractor and subcontractors. The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements during the Term of the Agreement.

SECTION 13. INDEMNIFICATION

Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by Developer or any Affiliate of the Developer or any agents, employees, contractors or persons acting under the control or at the request of Developer or any Affiliate of Developer; or

(iv) Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01. Books and Records. Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer's expense. Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer with respect to the Project.

14.02. Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City shall have access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01. Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by Developer hereunder:

(a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement;

(b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with any person or entity if such failure may have a material adverse effect on Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens and/or liens bonded by the Developer or insured by the Title Company to the satisfaction of HED, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed within thirty (30) days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor);

(k) prior to the Ten Year Anniversary, the sale or transfer of a majority of the ownership interests of Developer without the prior written consent of the City; or

(l) The failure of Developer, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

For purposes of Sections 15.01(j) hereof, a person with a material interest in Developer shall be one owning in excess of ten (10%) of Developer's membership interests.

15.02. Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, not issue City Note B if such City Note has not yet been issued, discontinue payment on City Note B, place a lien on the Project in the amount of City Funds paid, and/or seek reimbursement of any City Note B payments. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the terms and conditions contained herein. Upon the occurrence of an Event of Default under Section 8.06, Developer shall be obligated to repay to the City all previously disbursed City Note B payments.

15.03. Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured; provided, further, that there shall be no cure period with respect to the filing of the Annual Compliance Report pursuant to Section 8.21 hereof and that the cure period for noncompliance with the Occupancy Covenant and the Jobs Covenant shall be as provided for in Section 8.06(c) hereof.

15.04. Right to Cure by Lender. In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in termination of this Agreement and all related agreements, or the suspension, cancellation or reduction of the amount of City Note B payments disbursed

hereunder, the City shall prior to exercising such right or remedy, send notice of such intended exercise to the Lender and the Lender shall have the right (but not the obligation) to cure such Event of Default as follows:

(a) if the Event of Default is a monetary default, the Lender may cure such default within [30] days after the later of: (i) the expiration of the cure period, if any, granted to the Developer with respect to such monetary default; or (ii) receipt by the Lender of such notice from the City; and

(b) if any Event of Default is of a non-monetary nature, the Lender shall have the right to cure such default within [30] days after the later of: (i) the expiration of the cure period, if any, granted to the Developer with respect to such non-monetary default; or (ii) receipt by the Lender of such notice from the City; and

(c) Notwithstanding the provisions of Section 15.03(b) hereof, if such non-monetary default is an Event of Default set forth in Section 15.01(e), (f), (g), (h), (i) or (j) hereof or Event of Default by the Developer of a nature so as not reasonably being capable of being cured within such [30] day period (each such default being a "Personal Developer Default"), the Lender shall provide written notice to the City within [30] days of receipt of notice of such Personal Developer Default stating that it shall cure such Personal Developer Default by the assignment of all of the Developer's rights and interests in this Agreement to the Lender or any other party agreed to in writing by both the Lender and the City. Upon receipt by the City of such notice from the Lender, the cure period shall be extended for such reasonable period of time as may be necessary to complete such assignment and assumption of Developer's rights hereunder; provided, however, that no payment of City Note B shall occur until such time as such Personal Developer Default is cured.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.14 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(c) In the event that any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Permitted Mortgage or a Construction Mortgage, whether by foreclosure or deed in lieu of foreclosure and any subsequent transfer by said mortgagee or its successor in interest to Developer for the purpose of causing the Agreement to remain in full force and effect, such mortgagee or its successor in interest to Developer shall be entitled to all of the rights and benefits hereunder, and shall be subject to all of the obligations and liabilities of Developer hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that such mortgagee accepts an assignment of Developer's interest in or to this Agreement, such party has no liability under this Agreement for any Event of Default of Developer which accrued prior to the time such party succeeded to the interest of Developer under this Agreement, or which cannot be cured by such party (collectively, "Developer Defaults"). However, if such mortgagee is either a Permitted Mortgagee or a Lending Mortgagee does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the Land.

(d) Prior to the issuance by the City to Developer of a Certificate of Completion pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any part thereof without the prior written consent of the Commissioner. (#1681)

SECTION 18. MISCELLANEOUS

18.01. Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement the Redevelopment Plan without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to (A) cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%), (B) reduce by more than 5,000 the number of square feet required pursuant to Section 7.01(c)(iii), (C) materially change the Property or character of the Project or any activities undertaken by Developer affecting the Property, the Project, or both, or (D) increase any time agreed for performance by Developer by more than ninety (90) days.

18.02. Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03. Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04. Further Assurances. Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05. Waiver. Waiver by the City or Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06. Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07. Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.09. Severability. Opinion Of Developer's Counsel.

[To Be Retyped On The Developer's Counsel's Letterhead]

_____, _____.

City of Chicago
121 North LaSalle Street
Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an [Delaware] _____ (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the _____ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) _____ Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer and the City of Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by the Developer and the City;]

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined:

(a) the original or certified, conformed or photostatic copies of the Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which the Developer is qualified to do business, (iii) Bylaws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if the Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of the Developer), the authenticity of documents submitted to us as originals and

conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. The Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's [Articles of Incorporation or Bylaws] [describe any formation documents if the Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer is a party or by which the Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer.

4. Each of the Documents to which the Developer is a party has been duly executed and delivered by a duly authorized officer of the Developer, and each such Document constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. (Sub)Exhibit A attached hereto (a) identifies each class of capital stock of the Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of the Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on (Sub)Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of the Developer. Each outstanding share of the capital stock of the Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against the Developer, nor is there now pending or threatened, any litigation, contested

claim or governmental proceeding by or against the Developer or affecting the Developer or its property, or seeking to restrain or enjoin the performance by the Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, the Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by the Developer or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of the Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by the Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, the Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

[Note: Include a reference to the laws of the state of incorporation/organization of Developer, if other than Illinois.]

This opinion is issued at the Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

_____

11.9 Licensing And Permits.

For any activity which the Foundation desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by the Foundation prior to using the Premises for such activity. 11.10 Full Liability.

The Foundation assumes full legal and financial responsibility and liability for any use of the Premises by the Foundation, the Foundation's staff, the Foundation's agents, the Foundation's invitees, the Foundation's contractors, and the Foundation clients entering the Premises or the Building.

11.11 Nondiscrimination.

The Foundation agrees that the Foundation shall not discriminate on the basis of race, color, sex, age, religion, disability, national origin, sexual orientation, marital status, parental status, military discharge status, immigration status, or source of income with respect to services provided by the Foundation on the Premises. The Foundation shall not use the Premises for any religious purposes.

11.12 Building Rules.

The Foundation shall comply with all reasonable rules and regulations in place on the Commencement Date or thereafter promulgated in writing by City for the Building.

11.13 City Use Paramount.

The Foundation affirms that the Building is actively used as the Martin Luther King Jr. Community Center. The Foundation acknowledges that the most important use of the Building is Martin Luther King Jr. Community Center. The Foundation shall refrain from undertaking any activities that interfere with City's use of the Building as determined solely by City. City reserves the right to terminate the Foundation's use of the Building and the Premises at any time in the event such use interferes with City's use of the Building.

11.14 Nonexclusive.

The Foundation acknowledges that City may pursue and execute similar Use Agreements with other parties and that the City may pursue other uses for any unused spaces with the Building including, but not limited to, the child care space immediately adjacent to the Premises. This Agreement in no way restricts City's use of the Building, any interest therein, or any improvements thereon, or City's use of the Premises in any manner not inconsistent with this Agreement. This Agreement is not intended to create or convey to the Foundation an interest in real property or a leasehold interest and may not be recorded without Licensor's prior written permission.

11.16 Economic Disclosure Statement And Affidavit ("EDS") Updates.

Throughout the Term and during any holding over periods, the Foundation shall provide City with any material updates to the information previously submitted in the Foundation's Economic Disclosure Statement and Affidavit ("EDS"). City may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Agreement.

11.17 Condition On Surrender.

Upon the termination or cancellation of this Agreement, the Foundation shall surrender the Premises to City in a comparable or better condition to the condition of the Premises at the beginning of the Foundation's occupancy. The Foundation shall remove the Foundation's personal property and equipment and shall repair any injury or damage to the Premises and/or Building resulting from such removal. If the Foundation does not remove the Foundation's furniture, machinery, trade fixtures and all other items of personal property, City may, at its option, remove the same and deliver them to any other place of business of the Foundation or warehouse the same. The Foundation shall pay the cost of such removal, including the repair for such removal, delivery and warehousing, to City on demand, or City may treat such property as being conveyed to City with this Agreement serving as a bill of sale, without further payment or credit by City to the Foundation.

11.18 No Profit.

Section 12.

Disclosures And Representations.

12.1 Business Relationships.

The Foundation acknowledges (A) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Foundation hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

12.2 Patriot Act Certification.

The Foundation represents and warrants that neither the Foundation nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Foundation that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Foundation, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any

manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition On Certain Contributions-Mayoral Executive Order No. 2011-4.

The Foundation agrees that the Foundation, any person or entity who directly or indirectly has an ownership or beneficial interest in the Foundation of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Foundation's contractors (i.e., any person or entity in direct contractual privity with the Foundation regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Subowners") and spouses and domestic partners of such Subowners (the Foundation and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by the Foundation, (ii) while this Agreement or any Other Contract is executory, (iii) during the Term of this Agreement or any Other Contract between the Foundation and City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order Number 2011-4.

The Foundation represents and warrants that from the date City approached the Foundation or the date the Foundation approached City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

The Foundation agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

The Foundation agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 2011-4.

Notwithstanding anything to the contrary contained herein, the Foundation agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order Number 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles City to all

remedies (including, without limitation, termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If the Foundation intentionally violates this provision or Mayoral Executive Order Number 2011-4 prior to the execution of this Agreement, City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fund-raising committee.

"Other Contract" means any other agreement with City of Chicago to which the Foundation is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by City Council of City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and

(B) neither party is married; and

(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(E) two of the following four conditions exist for the partners:

1. The partners have been residing together for at least 12 months.

2. The partners have common or joint ownership of a residence.

3. The partners have at least two of the following arrangements:

   a. joint ownership of a motor vehicle;

   b. a joint credit account;

c. a joint checking account;

d. a lease for a residence identifying both domestic partners as tenants.

4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, the Foundation warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, the Foundation's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the City's Department of Fleet and Facility Management. Such breach and default entitles City to all remedies under this Agreement, at law or in equity. This section does not limit the Foundation's, general contractor's and its subcontractor's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Noncompliance with these terms and conditions may be used by City as grounds for the termination of this Agreement, and may further affect the Foundation's eligibility for future contract awards.

12.5 Failure To Maintain Eligibility To Do Business With City.

Failure by the Foundation or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement and the transactions contemplated thereby. The Foundation shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation With Inspector General And Legislative Inspector General.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and

with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Foundation understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

12.7 Shakman Prohibitions.

(i) City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case Number 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and City Hiring Plan prohibit City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) The Foundation is aware that City policy prohibits City employees from directing any individual to apply for a position with the Foundation, either as an employee or as a subcontractor, and from directing the Foundation to hire an individual as an employee or as a subcontractor. Accordingly, the Foundation must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Foundation under this Agreement are employees or subcontractors of the Foundation, not employees of City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between City and any personnel provided by the Foundation.

(iii) The Foundation will not condition, base, or knowingly prejudice or affect any term or term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to the Foundation by a City employee or City official in violation of Section 12.7 (ii) above, or advocating a violation of Section 12.7 (iii) above, the Foundation will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. The Foundation will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

In Witness Whereof, The parties have executed the Agreement as of the day and year first above written.

22. Disclosure Provisions.

22.1 Business Relationships.

Landlord acknowledges (a) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City of Chicago, or any person acting at the direction of such official, to contact, either orally or in writing, any other City of Chicago official or employee with respect to any matter involving any person with whom the elected City of Chicago official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or

to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Landlord hereby represents and warrants that no violation of Section 2-145-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

22.2 Patriot Act Certification.

Landlord represents and warrants that neither Landlord nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City of Chicago may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Landlord that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

22.3 Prohibition On Certain Contributions -- Mayoral Executive Order Number 2011-4.

Landlord agrees that Landlord, any person or entity who directly or indirectly has an ownership or beneficial interest in Landlord of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Subowners") and spouses and domestic partners of such Subowners (Landlord and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (a) after execution of this Agreement by Landlord, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order Number 2011-4.

Landlord represents and warrants that from the later of (a) May 16, 2011, or (b) the date the Tenant approached Landlord, or the date Landlord approached the Tenant, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 2011-4.

Notwithstanding anything to the contrary contained herein, Landlord agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Agreement or violation of Mayoral Executive Order Number 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the Tenant, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the Tenant to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order Number 2011-4 prior to the Closing, the Tenant may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fund-raising committee.

(b) "Other Contract" means any other agreement with the Tenant to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two (2) of the following four conditions exist for the partners:

1. The partners have been residing together for at least 12 months.

2. The partners have common or joint ownership of a residence.

3. The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) a joint credit account;

(C) a joint checking account;

(D) a lease for a residence identifying both domestic partners as Landlords.

4. Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

22.4 Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, Landlord's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this

Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the Tenant to all remedies under the Agreement, at law or in equity. This section does not limit Landlord's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Noncompliance with these terms and conditions may be used by the Tenant as grounds for the termination of this Agreement, and may further affect the Landlord's eligibility for future contract awards.

22.5 Failure To Maintain Eligibility To Do Business With City Of Chicago.

Failure by Landlord or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement and the transactions contemplated thereby. Landlord shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

22.6 Cooperation With Office Of Inspector General And Legislative Inspector General.

It is the duty of Landlord and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Landlord represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Landlord will inform its contractors and subcontractors of this provision and require their compliance.

22.7 Shakman Prohibitions.

(i) The Tenant is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case Number 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the Tenant from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Landlord is aware that Tenant policy prohibits Tenant employees from directing any individual to apply for a position with Landlord, either as an employee or as a subcontractor, and from directing Landlord to hire any individual as an employee or as a subcontractor. Accordingly, Landlord must follow its own hiring and contracting procedures, without being influenced by Tenant or Tenant employees. Any and all personnel provided by Landlord under this Sublease are employees or subcontractors of Landlord, not employees of the City of Chicago. This Sublease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the Tenant and any personnel provided by Landlord.

(iii) Landlord will not condition, base, or knowingly prejudice or affect any term or term or aspect to the employment of any personnel provided under this Sublease, or offer employment to any individual to provide services under this Sublease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Sublease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Landlord by a Tenant employee or Tenant official in violation of Section 22.7, or advocating a violation of Section 22.7, Landlord will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the Tenant's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant Tenant department utilizing services provided under this lease. Landlord will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

Park District represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform all contractors and subcontractors hired by Park District in connection with this Agreement of this provision in writing and require their compliance.

It is the duty of the Park District and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of Park District and any such bidder, proposer, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code. Park District represents that it understands and will abide by all provisions of Chapter 2-55 of the Municipal Code and that it will inform all contractors and subcontractors hired by Park District in connection with this Agreement of this provision in writing and require their compliance.

4.13 Failure by Park District or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Municipal Code will be grounds for termination of this Agreement and the transactions contemplated hereby.

4.14 Independent Contractor

(a) The Park District shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

(b) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the **"Shakman Accord"**) and June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(c) Park District is aware that City policy prohibits City employees from directing any individual to apply for a position with Park District, either as an employee or as a subcontractor, and from directing Park District to hire an individual as an employee or as a subcontractor. Accordingly, Park District must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Park District under this Agreement are employees or subcontractors of Park District, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Park District.

(d) Park District will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(e) In the event of any communication to Park District by a City employee or City official in violation of Section (c) above, or advocating a violation of Section (d) above, Park District will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight") and also to the head of HED. Park District will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

4.15 FOIA and Local Records Act Compliance

(a) FOIA. Park District acknowledges that the City is subject to the Illinois Freedom of Information Act, 5ILCS 140/1 et. seq., as amended (**"FOIA"**). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Park District receives a request from the City to produce records within the scope of FOIA, then Park District covenants to comply with such request within 48 hours of the date of such request. Failure by Park District to timely comply with such request will be a breach of this Agreement.

(b) Exempt Information. Documents that Park District submits to the City during the term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Park District to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Park District mark any such documents as "proprietary, privileged or confidential." IfPark District marks a document as "proprietary, privileged and confidential", then HED will evaluate whether such document may be withheld under the FOIA. HED, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Park District acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the **"Local Records Act"**). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Park District covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

SECTION 5. ENVIRONMENTAL MATTERS

5.1. It will be the responsibility of Park District to investigate and determine the soil and environmental condition of the Property, if deemed necessary, including obtaining phase I and, if applicable, phase II environmental audits for the Property. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any use whatsoever.

5.2. Park District agrees to carefully inspect the Property and all easements or other agreements recorded against the Property prior to commencement of any activity on the Property to ensure that such activity will not damage surrounding property, structures, utility lines or any subsurface lines or cables. Park District must be solely responsible for the safety and protection of the public on the portions of the Property affected by the Project, until the portion of the Project on each portion of the Property is completed. The City reserves the right to inspect the work being done on the Property. Park District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for Park District.

5.3. Prior to inspecting the Property, Park District or its subcontractors, if any, must obtain insurance in accordance with Section 6 below, all necessary permits and, if applicable, a right of entry.

SECTION 6. INSURANCE

6.1. Park District must provide and maintain at Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, as applicable, insuring all operations related to this Agreement.

INSURANCE TO BE PROVIDED

6.1.1. Workers Compensation and Employers Liability. Workers Compensation Insurance, as prescribed by applicable law, covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than $100,000 each accident or illness.

6.1.2. Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than $1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work or services.

Subcontractors performing work or services for Park District must maintain limits of not less than $1,000,000 with the same terms in this subsection.

6.1.3. Automobile Liability (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the services to be performed, Park District must provide or cause to be provided, Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage. The City is to be named as an additional insured on a primary, non-contributory basis.

6.1.4. Professional Liability. When any architects, engineers, or other professional consultants perform work in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained or caused to be maintained, with limits of not less than $1,000,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on the Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

6.1.5 Self Insurance. To the extent permitted by applicable law, the Park District may self insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self insure for any such insurance requirements, the Park District must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self insurance program must comply with at least such insurance requirements as stipulated above.

6.2. **ADDITIONAL REQUIREMENTS.** Park District must furnish the City of Chicago, Department of Housing and Economic Development, 121 N. LaSalle Street, Room 905, Chicago, Illinois 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Park District must submit evidence of insurance acceptable to the City prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Park District is not a waiver by the City of any requirements for Park District to obtain and maintain the specified coverages. Park District must advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance does not relieve Park District of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Park District.

Park District agrees that insurers waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Park District in no way limit Park District's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Park District under this Agreement.

The required insurance to be carried out is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

Park District must require all subcontractors to provide insurance required in this Agreement, or Park District may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Park District unless otherwise specified in this Agreement.

If Park District or its subcontractors desire additional coverages, the party desiring additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 7. INDEMNIFICATION

Park District will indemnify and defend the City, its officials, agents and employees (the "City Indemnitees") against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' and expert witnesses' fees and court costs) the City Indemnitees suffer or incur arising from or in connection with the actions or omissions of Park District and/or any contractors or subcontractors in implementing the Project, if any, or Park District's breach of this Agreement. This defense and indemnification obligation survives any termination or expiration of this Agreement.

SECTION 8. NO LIABILITY OF OFFICIALS

No elected or appointed official or member or employee or agent of the City will be charged personally by Park District or by an assignee or subcontractor, with any liability or expenses of defense or be held personally liable under any term or provision of this Agreement because of their execution or attempted execution or because of any breach hereof.

SECTION 9. DEFAULT AND REMEDIES

9.1. If Park District, without the City's written consent (which consent will not be unreasonably withheld, conditioned or delayed) defaults by failing to perform any of its obligations under this Agreement then the City may terminate this Agreement if such default is not cured as provided in Section 9.2 below.

9.2. Prior to termination, the City will give Park District 30 days' advance written notice of the City's intent to terminate stating the nature of the default. If Park District does not cure the default within the 30-day period, the termination will become effective at the end of the period. With respect to those defaults that are not capable of being cured within the 30-day period, Park District will not be deemed to be in default if it has begun to cure the default within the 30day period and thereafter diligently and continuously prosecutes the cure of the default until cured.

9.3. Either Party may, in any court of competent jurisdiction, by any proceeding at law or in equity, seek the specific performance of this Agreement, or damages for failure of performance, or both.

SECTION 10. NO BUSINESS RELATIONSHIPS WITH ELECTED OFFICIALS

10.1. Pursuant to Section 2-156-030(b) of the Code, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement will be grounds for termination of this Agreement. The term business relationship is defined in Section 2-156-080 of the Code.

10.2. Section 2-156-080 of the Code defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of $2,500 or more in a calendar year; provided, however, a

financial interest will not include: (i) any ownership through purchase at fair market value or inheritance of less than 1 percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" will not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

WHEREAS, The City of Chicago (the "City"), is a home rule unit of government under Article VII, Section 6(a) of the Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City is authorized under its home rule powers to regulate the use and development of land; and

WHEREAS, It is a reasonable condition of development approval to ensure that adequate open space and recreational facilities exist within the City; and

WHEREAS, On April 1, 1998, the City Council of the City (the "City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, The Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, Pursuant to the Open Space Ordinance, the Department of Finance ("DOF") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance), in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected; and

WHEREAS, The Department of Housing and Economic Development ("HED") has determined that the Fee-Paying Developments built in the Community Area listed on Exhibit A attached hereto have deepened the already significant deficit of open space in that Community Area, which deficit was documented in the comprehensive plan entitled "The CitySpace Plan", adopted by the Chicago Plan Commission on September 11, 1997 and adopted by the City Council on May 20, 1998 pursuant to an ordinance published at pages 69309 -- 69311 of the *Journal of the Proceedings of the City Council of the City of Chicago* (the "*Journal*") of the same date; and

WHEREAS, The City and Openlands desire to create school gardens at the above mentioned school (the "Project") for the benefit and use of the above mentioned school and the respective Community Area in which it is located; and

WHEREAS, The City desires to grant Openlands impact fee funds to pay for construction costs associated with building the garden at the Property; and

WHEREAS, HED desires to provide to Openlands Open Space Fees in an amount not to exceed $187,214 (the "Grant") for the Project; and to create open spaces and recreational facilities in the Community Area listed on Exhibit A; and

WHEREAS, The Open Space Ordinance requires that the Open Space Fees be used for open space acquisition and capital improvements, which provide a direct and material benefit to the new development from which the fees are collected; and

WHEREAS, The Open Space Ordinance requires that the Open Space Fees be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected; and

WHEREAS, HED has determined that the use of the Open Space Fees to fund the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected; and

WHEREAS, HED has determined that Open Space Fees to be used for the purposes set forth herein have come from the specific fund set up by DOF for the corresponding Community Area in which a Fee-Paying Development is located and from which the Open Space Fees were collected; and

WHEREAS, HED has recommended that the City Council approve the use of the Open Space Fees for the purposes set forth herein and on Exhibit A through this ordinance; and

WHEREAS, HED has recommended that the City Council make a finding that the expenditure of the Open Space Fees as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are expressly incorporated in and made part of this ordinance as though fully set forth herein.

SECTION 4. Open Space Fees in the amount on Exhibit A from the Community Area's Open Space Fees Funds are hereby appropriated for the purposes described herein.

SECTION 5. To the extent that any ordinance, resolution, rule, order or provision of the Code, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. SECTION 1. THE GRANT

1.1. Subject to the provisions set forth in this Agreement, the City will disburse the Grant to reimburse Grantee for all or part of the cost of completing the Project in accordance with the budget attached to this Agreement as Exhibit B (the "Budget"), which budget is hereby approved by HED, and only after Grantee has submitted Certificate(s) of Expenditure to HED (as defined below) along with such supporting documentation as the City may reasonably require.

1.2 Grantee may request that certificate(s) of expenditure substantially in the form attached hereto ("Certificates of Expenditure") as Exhibit E be processed and executed periodically. The City will not execute Certificates of Expenditure in the aggregate in excess of the actual cost of the Project. Prior to each execution of a Certificate of Expenditure by the City, Grantee must submit documentation regarding the applicable expenditures to HED. Delivery by Grantee to HED of any request for execution by the City of a Certificate of Expenditure hereunder will, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that,

(a) the total amount of the request for the Certificates of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(b) all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to parties entitled to such payment;

(c) Grantee has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Drawings (hereinafter defined); and

(d) Grantee is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Grantee as related thereto.

1.3. Grantee hereby acknowledges and agrees that the Grant must be used exclusively for the Project. If the Grant should exceed the costs of the Project, Grantee must repay to the City any such excess Grant funds received by Grantee.

1.4. Grantee is solely responsible for any fees, costs and expenses of the Project in excess of the amount of the Grant and will hold the City harmless from all such excess fees, costs and expenses. Notwithstanding anything to the contrary in this Agreement, in no event will the City or Grantee be responsible for any cost or expenses of the Project exceeding the Budget. In the event that either party believes that the Budget may not provide sufficient funds for the construction of the Project, such party must notify the other party and the parties must cooperate to modify the Project so that it can be completed in accordance with the Budget.

1.5. The source of funds for the City's obligations under this Agreement are the funds identified by CAPS Code: PS29 131 54 5029 2604. Grantee hereby acknowledges and agrees that the City's obligations hereunder are subject in every respect to the availability of funds as described in and limited by this Section 1.5. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Grant, then the City will notify Grantee in writing of that occurrence, and Grantee will have the right, but not the obligation to terminate this Agreement by written notice to the City.

B. **Construction Documents and Landscape Plan**. Grantee has developed the construction documents and a plan for the Project (the "Drawings") as shown on Exhibit C. No material deviation from the Drawings will be made without the prior written approval of HED, which approval will not be unreasonably withheld, conditioned or delayed. The approval of the Drawings by HED are for the purposes of this Agreement only and other than as set forth in the Drawings, no structures or improvements are to be constructed on the Property by Grantee without the prior written approval of HED, which approval will not be unreasonably withheld, conditioned or delayed and will not constitute the approval required by the City's Department of Buildings, or any other Department of the City.

C. **Schedule**. Grantee has prepared a preliminary schedule for the development and construction of the Project as set forth on Exhibit D (the "Schedule"). No material deviation from the Schedule will be made without the prior written approval of HED, which approval will not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, in no event will the approval of HED be required for any changes to the Schedule required because of the City's failure to approve and pay any Certificate of Expenditure, or required in connection with any force majeure event.

D. **Use**. The Project must be utilized as open space for use by the public for and on behalf of the City. This Agreement does not confer any special rights upon Grantee or any other person or entity to use the Project for private parties or events. The use of alcohol on the Property by any person or entity is strictly prohibited.

E. **Certification.** Grantee must submit a payment certification form as attached as Exhibit E prior to any Grant funds being released.

SECTION 3. TERM OF AGREEMENT

Term of Agreement. The term of this Agreement will commence as of the Closing Date and, unless otherwise terminated as provided in this Agreement, will expire on the second anniversary of the Closing Date. Notwithstanding the foregoing, if Grantee modifies the Schedule pursuant to Section 2(c) of this Agreement and such modification extends beyond the term, the term will be adjusted accordingly.

SECTION 4. COVENANTS AND REPRESENTATIONS

Upon the City's request, Grantee will provide evidence of such compliance satisfactory to the City.

4.3. Grantee agrees that provisions required to be inserted in this Agreement by laws, ordinances, rules, regulations or executive orders are deemed inserted whether or not they appear in this Agreement and that in no event will the failure to insert such provisions prevent the enforcement of this Agreement.

4.4. Grantee has full power and authority to enter into and perform its obligations under this Agreement, and the signing and delivery of this Agreement and the performance of its obligations under this Agreement have been duly authorized by all requisite corporate action.

4.5. Signing, delivery and performance by Grantee of this Agreement does not violate its bylaws, articles of incorporation, resolutions or any applicable provision of law, or constitute a material breach of, default under or require any consent under, any agreement, instrument or document, including any related to borrowing monies, to which Grantee is party or by which it is bound.

4.6. There are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Grantee that would materially impair its ability to perform under this Agreement.

4.7. Grantee is not in default on any loan or borrowing that may materially affect its ability to perform under this Agreement.

4.8. If the Grant, or a portion thereof, is used for construction, Grantee and all its contractors and subcontractors must meet labor standards and prevailing wage standards required by federal, state and City laws, regulations and ordinances.

4.9. Grantee must maintain and keep in force, at its sole cost and expense, at all times during the term of this Agreement, insurance in such amounts and of such type as set forth in Section 6 below.

4.10. Grantee must at all times perform its work in fulfilling its corporate mission with the utmost care, skill and diligence in accordance with the applicable standards currently recognized in the community.

4.11. Grantee is an Illinois not-for-profit corporation exempt from federal income taxation pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986; and has provided the City a copy of the Internal Revenue Service Determination Letter evidencing such exemption. Grantee must at all times during the term of this Agreement maintain such tax-exempt status.

4.12. Grantee must comply with all policies issued by the City relating to Illinois not-for-profit corporations and federal tax-exempt entities, as such policies may be modified, amended or supplemented from time to time.

4.13. The Parties agree that CPS will maintain the Project improvements on the Property in a condition and manner acceptable to the City.

4.14. It is the duty of Grantee and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of Grantee and any such bidder, proposer, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Grantee represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform all contractors and subcontractors hired by Grantee in connection with this Agreement of this provision in writing and require their compliance.

It is the duty of the Grantee and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of Grantee and any such bidder, proposer, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code. Grantee represents that it understands and will abide by all provisions of Chapter 2-55 of the Municipal Code and that it will inform all contractors and subcontractors hired by Grantee in connection with this Agreement of this provision in writing and require their compliance.

4.15 Failure by Grantee or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Municipal Code will be grounds for termination of this Agreement and the transactions contemplated hereby.

4.16 Independent Contractor

(a) The Grantee shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

(b) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(c) Grantee is aware that City policy prohibits City employees from directing any individual to apply for a position with Grantee, either as an employee or as a subcontractor, and from directing Grantee to hire an individual as an employee or as a subcontractor. Accordingly, Grantee must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Grantee under this Agreement are employees or subcontractors of Grantee, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Grantee.

(d) Grantee will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individuals political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(e) In the event of any communication to Grantee by a City employee or City official in violation of Section (c) above, or advocating a violation of Section (d) above, Grantee will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight") and also to the head of HED. Grantee will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

4.17 FOIA and Local Records Act Compliance

(a) FOIA. Grantee acknowledges that the City is subject to the Illinois Freedom of Information Act, 5ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Grantee receives a request from the City to produce records within the scope of FOIA, then Grantee covenants to comply with such request within 48 hours of the date of such request. Failure by Grantee to timely comply with such request will be a breach of this Agreement.

(b) Exempt Information. Documents that Grantee submits to the City during the term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Grantee to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Grantee mark any such documents as "proprietary, privileged or confidential." If Grantee marks a document as "proprietary, privileged and confidential", then HED will evaluate whether such document may be withheld under the FOIA. HED, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Grantee acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Grantee covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

SECTION 5. ENVIRONMENTAL MATTERS

5.1. It will be the responsibility of Grantee to investigate and determine the soil and environmental condition of the Property, if deemed necessary, including obtaining phase I and, if applicable, phase II environmental audits for the Property. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any use whatsoever.

5.2. Grantee agrees to carefully inspect the Property and all easements or other agreements recorded against the Property prior to commencement of any activity on the Property to ensure that such activity will not damage surrounding property, structures, utility lines or any subsurface lines or cables. Grantee must be solely responsible for the safety and protection of the public on the portions of the Property affected by the Project, until the portion of the Project on each portion of the Property is completed.. The City reserves the right to inspect the work being done on the Property. Grantee agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or forGrantee.

5.3. Prior to inspecting the Property, Grantee or its subcontractors, if any, must obtain insurance in accordance with Section 6 below, all necessary permits and, if applicable, a right of entry.

SECTION 6. INSURANCE

6.1. Grantee must provide and maintain at Grantee's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, as applicable, insuring all operations related to this Agreement.

INSURANCE TO BE PROVIDED

6.1.1. Workers Compensation and Employers Liability. Workers Compensation Insurance, as prescribed by applicable law, covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than $100,000 each accident or illness.

6.1.2. Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than $2,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work or services.

Subcontractors performing work or services for Grantee must maintain limits of not less than $1,000,000 with the same terms in this subsection.

6.1.3. Automobile Liability (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the services to be performed, Grantee must provide or cause to be provided, Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage. The City is to be named as an additional insured on a primary, non-contributory basis.

6.1.4. Professional Liability. When any architects, engineers, project managers, administrators or other professional consultants perform work in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained or caused to be maintained, with limits of not less than $1,000,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on the Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

6.1.5 Valuable Papers. When any designs, drawings, media, data, records, reports and other documents are produced or used under this Agreement, Valuable Papers Insurance must be maintained in an amount to insure against any loss whatsoever, and must have limits sufficient to pay for the re-creation and reconstruction of such records.

6.1.6 Contractors Pollution Liability. When any remediation work is performed which may cause a pollution exposure, Contractors Pollution Liability must be provided or cause to be provided, covering bodily injury, property damage and other losses caused by pollution conditions that arise from the contract scope of services with limits of not less than $1,000,000 per occurrence. A claims-made policy which is not renewed or replaced must have an extended reporting of two (2) years. The City is to be named as an additional insured on a primary, noncontributory basis.

6.2. **ADDITIONAL REQUIREMENTS.** Grantee must furnish the City of Chicago, Department of Housing and Economic Development, 121 N. LaSalle Street, Room 1101, Chicago, Illinois 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Grantee must submit evidence of insurance on the City's Insurance Certificate Form (copy attached as Exhibit F) or equivalent prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Grantee is not a waiver by the City of any requirements for Grantee to obtain and maintain the specified coverages. Grantee must advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance does not relieve Grantee of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Grantee.

Grantee agrees that insurers waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Grantee in no way limit Grantee's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Grantee under this Agreement.

The required insurance to be carried out is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Grantee is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Grantee must require all subcontractors to provide insurance required in this Agreement, or Grantee may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Grantee unless otherwise specified in this Agreement.

If Grantee or its subcontractors desire additional coverages, the party desiring additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 7. INDEMNIFICATION

Grantee will indemnify and defend the City, its officials, agents and employees (the "City Indemnitees") against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' and expert witnesses' fees and court costs) the City Indemnitees suffer or incur arising from or in connection with the actions or omissions of Grantee and/or any contractors or subcontractors in implementing the Project, if any, or Grantee's breach of this Agreement. This defense and indemnification obligation survives any termination or expiration of this Agreement.

SECTION 8. NO LIABILITY OF OFFICIALS

No elected or appointed official or member or employee or agent of the City will be charged personally by Grantee or by an assignee or subcontractor, with any liability or expenses of defense or be held personally liable under any term or provision of this Agreement because of their execution or attempted execution or because of any breach hereof.

SECTION 9. DEFAULT AND REMEDIES

9.1. If Grantee, without the City's written consent (which consent will not be unreasonably withheld, conditioned or delayed) defaults by failing to perform any of its obligations under this Agreement then the City may terminate this Agreement if such default is not cured as provided in Section 9.2 below. If the City so terminates this Agreement, Grantee must repay the City promptly any amounts received pursuant to this Agreement and not yet applied to the Project.

9.2. Prior to termination, the City will give Grantee 30 days' advance written notice of the City's intent to terminate stating the nature of the default. If Grantee does not cure the default within the 30-day period, the termination will become effective at the end of the period. With respect to those defaults that are not capable of being cured within the 30-day period, Grantee will not be deemed to be in default if it has begun to cure the default within the 30-day period and thereafter diligently and continuously prosecutes the cure of the default until cured.

9.3. Either Party may, in any court of competent jurisdiction, by any proceeding at law or in equity, seek the specific performance of this Agreement, or damages for failure of performance, or both.

SECTION 10. NO BUSINESS RELATIONSHIPS WITH ELECTED OFFICIALS

10.1. Pursuant to Section 2-156-030(b) of the Code, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement will be grounds for termination of this Agreement. The term business relationship is defined in Section 2-156-080 of the Code.

10.2. Section 2-156-080 of the Code defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of $2,500 or more in a calendar year; provided, however, a financial interest will not include: (i) any ownership through purchase at fair market value or inheritance of less than 1 percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" will not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

SECTION 11. GENERAL CONDITIONS

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the City and Grantee agree as follows:

SECTION 1. THE GRANT

1.1. Subject to the provisions set forth in this Agreement, the City will disburse the Grant to reimburse Grantee for all or part of the cost of completing the Project in accordance with the budget attached to this Agreement as Exhibit B (the "Budget"), which budget is hereby approved by HED, and only after Grantee has submitted Certificate(s) of Expenditure to HED (as defined below) along with such supporting documentation as the City may reasonably require.

1.2 Grantee may request that certificate(s) of expenditure substantially in the form attached hereto ("Certificates of Expenditure") as Exhibit E be processed and executed periodically. The City will not execute Certificates of Expenditure in the aggregate in excess of the actual cost of the Project. Prior to each execution of a Certificate of Expenditure by the City, Grantee must submit documentation regarding the applicable expenditures to HED. Delivery by Grantee to HED of any request for execution by the City of a Certificate of Expenditure hereunder will, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that,

(a) the total amount of the request for the Certificates of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(b) all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to parties entitled to such payment;

(c) Grantee has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Drawings (hereinafter defined); and

1.3. Grantee hereby acknowledges and agrees that the Grant must be used exclusively for the Project. If the Grant should exceed the costs of the Project, Grantee must repay to the City any such excess Grant funds received by Grantee.

1.4. Grantee is solely responsible for any fees, costs and expenses of the Project in excess of the amount of the Grant and will hold the City harmless from all such excess fees, costs and expenses. Notwithstanding anything to the contrary in this Agreement, in no event will the City or Grantee be responsible for any cost or expenses of the Project exceeding the Budget. In the event that either party believes that the Budget may not provide sufficient funds for the construction of the Project, such party must notify the other party and the parties must cooperate to modify the Project so that it can be completed in accordance with the Budget.

1.5. The source of funds for the City's obligations under this Agreement are the funds identified by CAPS Code: PS24 131 54 5024 2604. Grantee hereby acknowledges and agrees that the City's obligations hereunder are subject in every respect to the availability of funds as described in and limited by this Section 1.5. No material deviation from the Schedule will be made without the prior written approval of HED, which approval will not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, in no event will the approval of HED be required for any changes to the Schedule required because of the City's failure to approve and pay any Certificate of Expenditure, or required in connection with any force majeure event.

D. **Use**. The Project must be utilized as open space for use by the public for and on behalf of the City. This Agreement does not confer any special rights upon Grantee or any other person or entity to use the Project for private parties or events. 4.15 Failure by Grantee or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Municipal Code will be grounds for termination of this Agreement and the transactions contemplated hereby.

4.16 Independent Contractor

(a) The Grantee shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

(b) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the **"Shakman Accord"**) and June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(c) Grantee is aware that City policy prohibits City employees from directing any individual to apply for a position with Grantee, either as an employee or as a subcontractor, and from directing Grantee to hire an individual as an employee or as a subcontractor. Accordingly, Grantee must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Grantee under this Agreement are employees or subcontractors of Grantee, not employees of the City of Chicago. This Agreement is not intended to and does not

(e) In the event of any communication to Grantee by a City employee or City official in violation of Section (c) above, or advocating a violation of Section (d) above, Grantee will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight") and also to the head of HED. Grantee will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

4.17 FOIA and Local Records Act Compliance

(a) FOIA. Grantee acknowledges that the City is subject to the Illinois Freedom of Information Act, 5ILCS 140/1 et. seq., as amended (**"FOIA"**). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Grantee receives a request from the City to produce records within the scope of FOIA, then Grantee covenants to comply with such request within 48 hours of the date of such request. Failure by Grantee to timely comply with such request will be a breach of this Agreement.

(b) Exempt Information. Documents that Grantee submits to the City during he term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Grantee to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Grantee mark any such documents as "proprietary, privileged or confidential." If Grantee marks a document as "proprietary, privileged and confidential", then HED will evaluate whether such document may be withheld under the FOIA. HED, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Grantee covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

SECTION 5. ENVIRONMENTAL MATTERS

5.1. It will be the responsibility of Grantee to investigate and determine the soil and environmental condition of the Property, if deemed necessary, including obtaining phase I and, if applicable, phase II environmental audits for the Property. Grantee must be solely responsible for the safety and protection of the public on the portions of the Property affected by the Project, until the portion of the Project on each portion of the Property is completed.. The City reserves the right to inspect the work being done on the Property. Grantee agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or forGrantee.

6.1.3. Automobile Liability (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the services to be performed, Grantee must provide or cause to be provided, Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage. The City is to be named as an additional insured on a primary, non-contributory basis.

6.1.5 Valuable Papers. When any designs, drawings, media, data, records, reports and other documents are produced or used under this Agreement, Valuable Papers Insurance must be maintained in an amount to insure against any loss whatsoever, and must have limits sufficient to pay for the re-creation and reconstruction of such records.

Grantee must submit evidence of insurance on the City's Insurance Certificate Form (copy attached as Exhibit F) or equivalent prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Grantee is not a waiver by the City of any requirements for Grantee to obtain and maintain the specified coverages. Grantee must advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance does not relieve Grantee of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Grantee.

Grantee agrees that insurers waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Grantee in no way limit Grantee's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Grantee under this Agreement.

The required insurance to be carried out is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Grantee is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Grantee must require all subcontractors to provide insurance required in this Agreement, or Grantee may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Grantee unless otherwise specified in this Agreement.

If Grantee or its subcontractors desire additional coverages, the party desiring additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 7. INDEMNIFICATION

Grantee will indemnify and defend the City, its officials, agents and employees (the "City Indemnitees") against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' and expert witnesses' fees and court costs) the City Indemnitees suffer or incur arising from or in connection with the actions or omissions of Grantee and/or any contractors or subcontractors in implementing the Project, if any, or Grantee's breach of this Agreement. 9.1. If Grantee, without the City's written consent (which consent will not be unreasonably withheld, conditioned or delayed) defaults by failing to perform any of its obligations under this Agreement then the City may terminate this Agreement if such default is not cured as provided in Section 9.2 below. If the City so terminates this Agreement, Grantee must repay the City promptly any amounts received pursuant to this Agreement and not yet applied tothe Project.

the 30-day period, the termination will become effective at the end of the period. With respect to those defaults that are not capable of being cured within the 30-day period, Grantee will not be deemed to be in default if it has begun to cure the default within the 30-day period and thereafter diligently and continuously prosecutes the cure of the default until cured.

Non-conforming insurance does not relieve Grantees and contractor of the obligation to provide insurance as specified herein. Non-fulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided.

Grantees agree to make commercially reasonable efforts to obtain from its insurers, when and if available in the industry, a certificate providing that such coverage shall not be suspended, voided, canceled, non-renewed, or reduced in scope or limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

Any deductibles or self–insured retentions on referenced insurance coverages must be borne by Grantees and contractor.

The Grantees hereby agree and will cause their contractors to agree that insurers waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Grantees and contractor in no way limit the Grantees' and contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Grantees and contractor under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Grantees or contractor are a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Grantees must require the contractor to provide the insurance required herein. All contractors are subject to the same insurance requirements of Grantees unless otherwise specified in this Agreement.

The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

11. **Default.** The Grantees shall be in default hereunder in the event of a material breach by Grantee/s of any term or condition of this Agreement including, but not limited to, a representation or warranty, where Grantees have failed to cure such breach within sixty (60) days after written notice of breach is given to Grantees by City setting forth the nature of such breach. Failure of City to give written notice of breach to Grantees shall not be deemed to be a waiver of the City's right to assert such breach at a later time. If the default is not capable of being cured within the sixty (60) day period, then provided Grantees have commenced to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, and thereafter diligently prosecutes such cure through to completion, then the sixty (60) day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, termination of this Agreement and removal of the Overpass at the Grantees' sole expense.

12. **Compliance With Law.** The Grantees agree that the Easement Area and Overpass shall be used, and any alterations to the Overpass shall be constructed, installed, used, operated, inspected, maintained, repaired and replaced in complete compliance with all applicable laws, statutes and ordinances.

13. **Partial Invalidity.** If any clause, sentence or other portion of this Agreement shall become illegal, null or void for any reason, or shall be held by any court of competent jurisdiction to be so, the remaining portion hereof shall remain in full force and effect.

14. **Notices.** Any and all notices or other communications required or permitted pursuant hereto shall be in writing and shall be deemed to have been given if and when personally delivered or on the next following business day if transmitted by reputable overnight carrier. 20) **Miscellaneous.**

(a) The terms, benefits, and privileges set forth in this Agreement shall be deemed and taken to be covenants running with the Property and shall be binding upon the Grantees,

their successors and assigns having any interest in the Property.

(b) If any provision of this Agreement, or any paragraph, sentence, clause, phrase, or word or the application thereof is held invalid, illegal, null or void for any reason, or shall be held by any court of competent jurisdiction to be so, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law provided that this Agreement, in its entirety as so reconstituted, does not represent a material change to the rights or obligations of either of the Parties.

(c) In the event the time for performance hereunder falls on a Saturday, Sunday, or legal holiday, the actual time for performance shall be the next business day.

(d) This Agreement and the accompanying Plat shall be governed by, and construed in accordance with, the internal laws of the State of Illinois. (f) Each Party agrees that it will execute and deliver such other reasonable documents and take such other reasonable actions as may be reasonably requested by the other party to effectuate the purposes and intention of this Agreement.

21) **Business Relationships.**

The Grantees acknowledge (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Grantees hereby represent and warrant that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

22) **Patriot Act Certification.**

The Grantees represent and warrant that neither the Grantees nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule,

regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Grantees that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Grantees, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

23) **Prohibition on Certain Contributions Mayoral Executive Order 2011-4.**

Grantees agree that Grantees, any person or entity who directly or indirectly have an ownership or beneficial interest in Grantees of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Grantees' contractors (i.e., any person or entity in direct contractual privity with Grantees regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Grantees and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Grantees, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Grantees and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Grantees represent and warrant that from the later to occur of (a) May 16, 2011, and (b) the date the City approached the Grantees or the date the Grantees approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Grantees agree that they shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Grantees agree that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Grantees agree that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Grantees intentionally violate this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Grantees are a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

24) **Failure To Maintain Eligibility To Do Business With The City.**

Failure by Grantees or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Grantees shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

25) **Inspector General and Legislative Inspector General.**

It is the duty of every officer, employee, department, agency, contractor, subcontractor, Grantees and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Grantees understand and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

26) **Waste Ordinance Provisions.**

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Grantees warrant and represent that they, and to the best of their knowledge, their contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Amendment is executory, Grantees, any general contractors or any subcontractors violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit Grantees', general contractor=s and its subcontractor's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect Grantees' eligibility for future contract awards.

27) **Shakman Accord.**

(a) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Grantees are aware that City policy prohibits City employees from directing any individual to apply for a position with Grantees, either as an employee or as a subcontractor, and from directing Grantees to hire an individual as an employee or as a subcontractor. Accordingly, Grantees must follow their own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Grantees under this Agreement are employees or subcontractors of Grantees, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Grantees.

(c) Grantees will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Grantees by a City employee or City official in violation of Section 27 (ii) above, or advocating a violation of Section 27 (ii) above, Grantees will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Grantees will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

IN WITNESS WHEREOF, Grantees and City have caused this Agreement to be executed by their duly authorized officers, as of the day and year first written above.

Yeas -- Aldermen Moreno, Fioretti, Dowell, Burns, Hairston, Holmes, Harris, Beale, Pope, Balcer, Cárdenas, Quinn, Burke, Foulkes, Thompson, Thomas, Lane, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Chandler, Solis, Maldonado, Burnett, Ervin, Graham, Reboyras, Waguespack, Mell, Austin, Mitts, Cullerton, Laurino, P. O'Connor, M. O'Connor, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, Moore, Silverstein -- 45.

Nays -- Aldermen Sawyer, Colón, Sposato, Reilly -- 4.

Alderman Pope moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago is a home rule unit of government pursuant to Article VII, Section 6(a) of the Illinois Constitution; and

WHEREAS, Pursuant to its home rule authority, the City of Chicago may exercise any power and perform any function pertaining to its government and affairs, including promoting the health, safety, and welfare of its citizens; and

WHEREAS, Cigarette smoking has been linked to various cancers and lung diseases; and

WHEREAS, While many struggle with their nicotine and tobacco addiction, those seeking to quit their "habit" have sought several modes of treatment: medicine from their doctors, nicotine patches, and, in recent years, e-cigarettes; and

WHEREAS, E-cigarettes, which first entered the United States market in 2007, are electronic inhalers meant to simulate cigarette smoking. E-cigarettes use a heating element that vaporizes a liquid solution. Some e-cigarettes release nicotine, while some merely release flavored vapor. They are designed to mimic traditional smoking implements in their use and appearance; and

WHEREAS, Though e-cigarettes have been advertised as a "safe" alternative to smoking, they are not currently regulated by the United States Food and Drug Administration (FDA), leaving states and cities to adopt their own regulations; and

WHEREAS, Several states, including Illinois, have adopted legislation banning the sale of e-cigarettes to minors; and

WHEREAS, The Center for Disease Control and Prevention (CDC), in a report released on September 5, 2013, stated that 10 percent of high school students surveyed reported using e-cigarettes in 2012, up from 4.7 percent in 2011; and

WHEREAS, In the same study, the CDC reported that these same minors also admitted to smoking conventional cigarettes at the same time; and

WHEREAS, CDC Director Tom Frieden, M.D., MPH, has stated that the "increased use of e-cigarettes by teens is deeply troubling. Nicotine is a highly addictive drug. Many teens who start with e-cigarettes may be condemned to struggling with a lifelong addiction to nicotine and conventional cigarettes."; and

WHEREAS, According to Tim McAfee, M.D., MPH, the Director of the CDC Office on Smoking and Health, "it should be the goal of all to protect the health of our youth and to keep them from experimenting or using any tobacco product. These dramatic increases in usage suggest that developing strategies to prevent marketing, sales, and use of e-cigarettes among youth is critical."; and

WHEREAS, The City of Chicago finds that e-cigarettes, with their sweet flavored cartridges, represent a calculated attempt by manufacturers to entice children and young adults to purchase and use their devices, and constitute an indirect marketing campaign which targets youth; and

WHEREAS, The City of Chicago finds that the public health and safety of its citizens, particularly its children, is endangered by the lack of comprehensive regulation of e-cigarettes; and

WHEREAS, Regulation of the distribution, sale and use of e-cigarettes is a legitimate role of government relating to the welfare of its citizens; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

EXPRESSION OF SUPPORT TO IMPROVE CHICAGO'S RESPONSE TO HUMAN TRAFFICKING AND DECLARATION OF JANUARY 11, 2014 AS "HUMAN TRAFFICKING DAY" IN CHICAGO.

[R2014-16]

WHEREAS, Human trafficking is a form of modern day slavery where traffickers obtain labor, sexual exploitation, and/or debt bondage through force, fraud, or coercion; and

WHEREAS, According to the United Nations, human trafficking is a multi-billion dollar industry where traffickers profit from the exploitation of over 27 million people across the world; and

WHEREAS, The U.S. Department of State estimates that 14,500 to 17,500 people, primarily women and children, are trafficked into the United States; and

WHEREAS, According to an analysis of five years of data from the National Human Trafficking Resource Center, from December 7, 2007 to December 31, 2012, cases of human trafficking were reported in all 50 states and D.C.. More than 42 percent of sex trafficking cases referenced pimp-controlled prostitution and more than 27 percent of labor trafficking cases referenced domestic work; and

WHEREAS, A 2002 study estimates that on any given day in the Chicago metropolitan area, between 16,000 to 24,000 women and girls are engaged in prostitution. In a recent Chicago study, 53 percent of prostituted women said they had to give all their money to a pimp. Many said they couldn't leave prostitution because they were afraid of what their pimp would do to them; and

WHEREAS, A 2008 Chicago study of 100 women up to age 25 found their average age of entry into prostitution was 16. Girls this young are often exchanging sex for clothes, shelter, or food -- in order to survive. Many have run away from dysfunctional homes and are often in foster care; and

WHEREAS, For more than the past 10 years, Illinois and Cook County have been recognized as national leaders in the fight against human trafficking because of its survivor leadership, community organizing and legislative reforms as well as elected official engagement and support; and

WHEREAS, Human trafficking was criminalized in Illinois in 2006, and, under Cook County State's Attorney Anita Alvarez's leadership, a Human Trafficking unit was created to prosecute traffickers and a regional task force was convened to coordinate efforts; and

WHEREAS, Significant barriers exist to eradicate human trafficking in Chicago, including a lack of specialized services designed to address the unique needs of those impacted by prostitution and trafficking. Arrest and conviction data in Illinois and the City of Chicago illustrate that prostitutes have significantly higher rates of arrest than their pimps or customers; and

WHEREAS, National trends and best practices reveal that efforts to suppress the demand for commercial sexual exploitation and hold pimps and traffickers accountable are effective strategies to end human trafficking. A National Human Trafficking Awareness Day event will be held on January 11, 2014 from 2:00 P.M. to 4:00 P.M. at Overflow Coffee Bar on South State Street; now, therefore,

Be It Resolved, That we, the Mayor and members of the City of Chicago City Council, gathered together this 15th day of January 2014 A.D., resolve to work with local advocates, law enforcement partners, survivor leaders, and the community to improve Chicago's response to human trafficking and declare January 11, 2014 to be Human Trafficking Awareness Day; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to the Overflow Faith community.

DECLARATION OF JANUARY 2014 AS "STALKING AWARENESS MONTH" IN CHICAGO.

[R2014-17]

WHEREAS, One in six women and one in 19 men have been a victim of stalking at some point in their lifetime; and

WHEREAS, Women are disproportionately a target for the perpetration of this criminal activity, although anyone can be a victim regardless of age, sex, background, or gender identity. Many victims are stalked by ex-partners. Occasionally, the stalker may be an acquaintance or even a total stranger; and

WHEREAS, The perpetrators of this crime seek complete power and control over the subject of their harassment. It has been reported that 6.6 million people are stalked each year in the United States. More than half of female victims and more than a third of male victims were stalked before the age of 25; and

WHEREAS, Stalkers intimidate their victims through repeated unwanted contact, including harassment by phone calls, text messages, or e-mails. Cyberstalking is becoming more and more frequent as more than one quarter of stalking victims are reporting harassment through the internet or electronic monitoring; and

WHEREAS, Stalking victims can suffer anxiety, depression and insomnia. Some feel compelled to move or change jobs. This harassment can also escalate to sexual assault, physical abuse, or even homicide; and

WHEREAS, Much has been done to combat this insidious crime. In March of 2013, President Barack Obama signed the Violence Against Women Reauthorization Act that expanded protections for Native American, lesbian, gay, bisexual, and transgender victims of stalking, domestic violence, and sexual assault. This legislation now requires colleges to report crime statistics on stalking. The reauthorization continues to allow relief for immigrant victims, and increases those support and training programs that have proven effective in bringing offenders to justice; and

WHEREAS, It is imperative that this legislative body express its continued commitment to combat stalking and support for its victims through compassionate treatment and effective enforcement of anti-stalking laws; now, therefore,

Be It Resolved, That we, the Mayor and members of the City of Chicago City Council, gathered together on this 15th day of January 2014, do hereby declare January 2014 to be Stalking Awareness Month in Chicago and encourage the citizens of this City to recognize the warning signs of stalking, understand that stalking is a serious crime, and encourage those who may be victimized to speak out and ask for help; and

EXPRESSION OF SUPPORT FOR COMMUTATION OF REMAINING PORTION OF SENTENCE OF JESSE WEBSTER.

[R2014-45]

A resolution, presented by Aldermen Brookins, Moreno, Fioretti, Sawyer, Chandler and Burnett, reading as follows:

WHEREAS, Jesse Webster grew up in Chicago, part of an impoverished family of seven; and

WHEREAS, When Mr. Webster was 16 years old, he dropped out of the 9th grade to take a job in a car wash in order to help his step-father support the family; and

WHEREAS, A client of the car wash -- a drug dealer -- offered the youngster a job as his driver, and Mr. Webster accepted and eventually became a drug dealer on his own; and

WHEREAS, In 1995, Mr. Webster learned that law enforcement authorities were looking for him, and he turned himself in for questioning; and

WHEREAS, Mr. Webster was taken into custody, charged with three counts of drug conspiracy and attempting to possess illegal drugs for distribution, as well as two counts of filing false income tax returns; and

WHEREAS, The drug charges stemmed from a deal that was not consummated, a deal that was negotiated with a federal informant; and

WHEREAS, Rather than risk death by becoming a confidential informant against a dangerous gang with which he was not affiliated, Mr. Webster took his case to trial and was found guilty on the tax charges and on two of the drug trafficking charges; and

WHEREAS, Having no prior criminal convictions, Mr. Webster, who was then 28 years of age, was sentenced by Judge James B. Zagel to the mandatory "minimum" then applicable to his drug-related offenses: life imprisonment without the possibility of parole; and

WHEREAS, At the sentencing, Judge Zagel stated that he considered the sentence excessive, but that he had no legal alternative to the life sentence; and

WHEREAS, Mr. Webster is one of many first-time offenders sentenced to life without possibility of parole for a nonviolent offense; and

WHEREAS, Since the date of Mr. Webster's sentencing, the penalty for crimes similar to his has been greatly reduced, but that reduction is not retroactive to cases such as Mr. Webster's; and

WHEREAS, Mr. Webster has spent 18 years in prison for a first-time conviction of a non-violent crime, and acknowledges his culpability for his offenses. While incarcerated, he completed his GED and works as a tutor to other inmates; and

WHEREAS, In light of the subsequent changes in sentencing guidelines applicable to offenses similar to his, Mr. Webster has petitioned President Barack Obama to commute the remainder of his sentence; and

WHEREAS, Judge Zagel and both of Mr. Webster's prosecutors have filed written statements in support of Mr. Webster's petition for commutation of his sentence; and

WHEREAS, The sentence of life without possibility of parole, especially for a first and nonviolent offense, is characterized by some as a "slow death" sentence, because it offers the person convicted no incentive to rehabilitate himself and no real hope; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, do hereby express the support of the City Council for the commutation of the remaining portion of the sentence of Mr. Jesse Webster; and

Be It Further Resolved, That we do hereby memorialize President Barack Obama to commute Mr. Webster's sentence; and

Be It Further Resolved, That suitable copies of this resolution be presented to President Obama and to Mr. Webster, his family and his counsel.
