Section 2.

2.1. The City shall, subject to the Authority's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the TIF Assistance to the Authority.

2.2. The City shall establish a special account within the Calumet/Cermak Redevelopment Project Area Special Tax Allocation Fund; such special account shall be known as the "East 21st Street and South Prairie Avenue Park Account". Disbursement of TIF Assistance funds will be subject to the availability of Calumet/Cermak Increment, subject to all restrictions on and obligations of the City contained in all Calumet/Cermak Ordinances, or relating to the Calumet/Cermak Increment and all agreements and other documents entered into by the City pursuant thereto.

2.3. Within 15 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner of DPD (the "Commissioner"), but in no event later than 90 days after the execution of this Agreement (the "Satisfaction Period"), the Authority must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for City's disbursement of the TIF Assistance to the Authority:

2.3.1. the Authority has satisfactory title to the Site, which may be evidenced by an acceptable title insurance policy, subject only to those title exceptions acceptable to the City and the Authority; and

2.3.2. the Authority has satisfied the conditions stated in this Section 2.3 within the Satisfaction Period. If the Authority is unable to satisfy said conditions, either Party may terminate this Agreement by providing written notice to the other Party.

2.4. The Authority may request payment from the City by submitting a Request for Disbursement in the form of (Sub)Exhibit D hereto ("Request for Disbursement") be processed and executed upon completion of the Project as determined in the City's sole discretion. The City shall not approve the Request for Disbursement in the aggregate in excess of the actual costs of the Project that are TIF-Funded Improvements (as defined in Section 2.7), and in no event in an amount greater than the TIF Assistance. Prior to the approval of the Request for Disbursement by the City, the Authority shall submit documentation regarding the applicable expenditures to DPD Delivery by the Authority to the City of the Request for Disbursement hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of the Request for Disbursement, that:

2.4.1. the total amount of the Request for Disbursement represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

2.4.2. all amounts shown as previous payments on the Request for Disbursement have been paid to the parties entitled to such payment;

2.4.3. the Authority has approved all work and materials for the Request for Disbursement, and such work and materials conform to the Plans and Specifications; and

2.4.4. the Authority is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Authority as related thereto.

2.5. The City shall have the right, in its discretion, to require the Authority to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.4 are true and correct, and the approval of the Request for Disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Authority.

2.6. The current estimated cost of the entire Project (including acquisition of the Site) is $7,000,000, with $2,000,000 in TIF Assistance for construction of the Park. The Authority has delivered to the Commissioner a budget for the Project attached as (Sub)Exhibit C. The Authority certifies that it has identified sources of funds, including the TIF Assistance, sufficient to complete its budgeted portion of the Project. The Authority agrees that the City will reimburse the Authority with the TI F Assistance for the costs of the Project and that all costs of completing the Project over the TIF Assistance shall be the sole responsibility of the Authority. If the Authority at any point learns upon reasonable duty of inquiry that it does not have sufficient funds to complete the Project, the Authority shall so notify the City immediately in writing and cease all work on the Project until the City and the Authority agree on how to proceed; the Authority may narrow the scope of the Project (the "Revised Project") as agreed to by the City prior to the restart of any work in order to complete the Revised Project with the approved funds or TIF Assistance. The City has the right, at its election, to withhold and refuse all reimbursement in the event that the Authority fails to so notify the City and/or the Authority and the City fail to reach agreement on a Revised Project as described above.

2.7. (Sub)Exhibit C contains a preliminary list of capital improvements, equipment costs, general construction costs, and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the TIF Assistance

("TIF-Funded Improvements"). To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Authority acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of TIF Assistance funds on the Project, the Commissioner, based upon the Project budget, may make such modifications to (Sub)Exhibit C as he or she wishes in his or her discretion to account for all of the TIF Assistance funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of TIF Assistance funds, subject to the terms of this Agreement.

2.8. The Authority hereby acknowledges and agrees that the City's obligations hereunder with respect to the TIF Assistance are subject in every respect to the availability of funds as described in and limited by this Section 2. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the TIF Assistance, then the City will notify the Authority in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which, sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.9. If the aggregate cost of the Project is less than the amount of the TIF Assistance contemplated by this Agreement, the Authority shall have no claim to the difference between the amount of the TIF Assistance contemplated by this Agreement and the amount of the TIF Assistance actually paid by the City to the Authority and expended by the Authority on the Project.

Section 3.

Term.

The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Calumet/Cermak Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

Section 4.

Environmental Matters.

4.1. It shall be the responsibility of the Authority to investigate and determine the soil and environmental condition of the Site, including obtaining Phase I and, if applicable, Phase II

environmental audits for the Site and (b) to determine if any environmental remediation beyond that contemplated (Sub)Exhibits B and C hereto is necessary with respect to the Site or the Project, and any such work that the Authority determines is required shall be performed. The parties understand and agree that the City's financial obligation shall be limited to an amount not to exceed the TIF Assistance which is provided solely for the items set forth on (Sub)Exhibit C. The Authority shall ensure that the environmental condition of the Site is suitable as a public park upon completion of the Project.

4.2. The Authority agrees to carefully inspect the Site prior to commencement of any activity related to the Project to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Authority shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the Site. The Authority agrees to keep the Site free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Authority.

Section 5.

Insurance.

5.1. The Authority shall provide and maintain at the Authority's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement.

5.1.1. Workers' Compensation And Employer's Liability. Workers' Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employer's Liability coverage with limits of not less than $100,000 each accident or illness.

5.1.2. Commercial General Liability (Primary And Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than $1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: all premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the work.

5.1.3. Automobile Liability (Primary And Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Authority shall provide or cause to be provided, Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage.

5.1.4. Professional Liability. When any architects, engineers or professional consultants perform work in connection with this Agreement, the Authority shall cause to be provided, Professional Liability Insurance covering acts, errors, or omissions shall be maintained with limits of not less than $1,000,000.

5.1.5. Self-Insurance. To the extent permitted by applicable Law, the Authority may self-insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Authority does self insure for any such insurance requirements, the Authority must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self-insurance program must comply with at least such insurance requirements as stipulated above.

5.2. The Authority will furnish the City at the address stated in Section 8.13, original Certificates of Insurance evidencing the required coverage to be in force on the Closing Date, and renewal Certificates of Insurance, promptly as any requisite insurance is renewed. The Authority shall submit evidence of insurance on the City's Insurance Certificate Form or equivalent prior to the Closing Date. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

5.3. The Authority shall advise all insurers of the provisions of this Agreement regarding insurance. Nonconforming insurance shall not relieve the Authority of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or this Agreement may be terminated.

5.4. The required insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

5.5. Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by the Authority and its contractors.

5.6. The Authority agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

5.7. The Authority expressly understands and agrees that any coverage and limits furnished by the Authority shall in no way limit the Authority's liabilities and responsibilities specified by this Agreement or by law.

5.8. The Authority expressly understands and agrees that any insurance or self-insurance programs maintained by the City shall not contribute with insurance provided by the Authority under this Agreement.

5.9. The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

5.10. The Authority shall require all subcontractors to provide the insurance required herein and insurance customarily required by the Authority or the Authority may provide the coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Authority unless otherwise specified herein. In all contracts relating to the Project, the Authority agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

5.11. The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

Section 6.

Indemnity/No Personal Liability.

6.1. The Authority agrees to indemnify and hold the City, its officers and employees, harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses, including, without limitation, reasonable attorney's fees and court costs suffered or incurred by the City arising from or in connection with (i) the Authority's failure to comply with any of the terms, covenants and conditions contained in this Agreement; or (ii) the Authority's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project. The defense and indemnification obligations in this Section 6.1 shall survive any termination or expiration of this Agreement.

6.2. No elected or appointed official or member or employee or agent of the City or the Authority shall be individually or personally liable in connection with this Agreement.

Section 7.

Default.

7.1. If the Authority, without the City's written consent, fails to complete the Project by December 31, 2018, then the City may terminate this Agreement by providing written notice to the Authority.

7.2. In the event the Authority fails to perform, keep or observe any of its covenants, conditions, promises, agreements or obligations under this Agreement not identified in Section 7.1 and such default is not cured as described in Section 7.3 hereof, the City may terminate this Agreement.

7.3. Prior to termination the City shall give its notice of intent to terminate 30 days prior to termination at the address specified in Section 8.13 hereof, and shall state the nature of the default. In the event Authority does not cure such default within the 30-day notice period, such termination shall become effective at the end of such period; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Authority shall not be deemed to have committed such default and no termination shall occur if the Authority has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

7.4. The City may, in any court of competent jurisdiction, by any proceeding at law or in equity, secure the specific performance of the agreements contained herein, or may be awarded damages for failure of performance, or both.

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Article One:

Incorporation Of Recitals.

The recitals set forth above are incorporated herein by reference and made a part hereof.

Article Two:

The Project.

1. The School, the Facility and the Project are described in (Sub)Exhibit A hereto. The plans and specifications for the Project shall be provided to the City by the Board and approved by the City in the City's discretion. The Board shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

2. In all contracts relating to the Project, the Board agrees to require the contractor (including the Commission, if applicable) to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

Article Three:

Funding.

1. (a) On a quarterly basis (or as otherwise agreed to by the Department), the Board shall provide the Department with a Requisition Form, in the form of (Sub)Exhibit E hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as (Sub)Exhibit G hereto; (ii) evidence of the expenditures upon TIF-Funded Improvements which the Board has incurred; and (iii) all other documentation described in (Sub)Exhibit E. The City shall review and, in the City's discretion, approve each Requisition Form and make the applicable requested and approved disbursement of City Funds, subject to the availability

thereof. The availability of the City Funds is subject to the City's compliance with all applicable requirements regarding the use of such funds and the timing of such use. No City Funds shall be disbursed with respect to the Project until the Board has evidenced to the City in writing to the City's satisfaction that the Board owns or otherwise controls the Property, or has the right to enter the Property and undertake such activities as the Board deems necessary prior to owning or otherwise controlling the Property. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Project, to the extent that such costs are TIF-Funded Improvements.

(b) Delivery by the Board to the Department of a Requisition Form hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such Requisition Form, that:

(i) the total amount of the City Funds disbursed in the previously made Disbursement (if any) represents the actual amount paid to the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(ii) all amounts shown as previous payments on the current Requisition Form have been paid to the parties entitled to such payment;

(iii) the Board has approved all work and materials for the current Requisition Form, and such work and materials conform to the plans and specifications for the Project; and

(iv) the Board is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto.

The City shall have the right, in its discretion, to require the Board to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any approval of a Requisition Form by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Board.

(c) [Intentionally omitted.]

(d) [Intentionally omitted.]

(e) (i) [Intentionally omitted.]

(ii) The City may, until the earlier to occur of (1) the expiration of the Term of this Agreement or (2) the date that the City has paid directly or the Board has been reimbursed

in the full amount of the City Funds under this Agreement, exclude up to 90 percent of the Increment generated from the construction value of a new assisted development project and pledge that Increment to a developer on a basis superior to that of the Board. For purposes of this subsection, "a new assisted development project" shall not include any development project that is or will be exempt from the payment of ad valorem property taxes. Further, for purposes of this subsection, "Increment generated from the construction value of a new assisted development project" shall be the amount of Increment generated by the equalized assessed value ("EAV") of such affected parcels over and above the EAV of such affected parcels for the year immediately preceding the year in which the new assisted development project commences (the "Base Year"). Except for the foregoing, the Board shall retain its initial lien status relative to the Increment. In the event that the City elects to avail itself of the provisions of this subsection, it shall, at least seven days prior to executing a binding commitment pledging the Increment described above, certify, in a letter to the Board, the affected parcels and the EAV thereof for the Base Year.

(f) [Intentionally omitted.]

(g) The availability of City Funds is subject to: (i) the City's annual retention of Increment in an amount necessary for the payment of expenses incurred by the City in the administration of the Redevelopment Area; and (ii) the City's compliance with all applicable requirements regarding the use of such funds and the timing of such use.

(h) The Board shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements ("Bonds"); provided, however, that any such amendments shall not have a material adverse effect on the Board or the Project. The Board shall, at the Board's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto. The City may, in its sole discretion, use all or a portion of the proceeds of such Bonds if issued to pay for all or a portion of the TIF-Funded Improvements.

2. The current estimate of the cost of the Project is $287,000. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Project, attached hereto and incorporated herein as (Sub)Exhibit G. The Board certifies that it has identified sources of funds (including the City Funds) sufficient to complete the Project. The Board agrees that the City will only contribute the City Funds to the Project and that all costs of completing the Project over the City Funds shall be the sole responsibility of the Board. If the Board at any point does not have sufficient funds to complete the Project, the Board shall so notify the City in writing, and the Board may narrow the scope of the Project as agreed with the City in order to construct the Facility with the available funds.

3. Attached as (Sub)Exhibit H and incorporated herein is a preliminary list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of City Funds ("TIF-Funded Improvements"); and to the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Redevelopment Plan. Prior to the expenditure of City Funds on the Project, the Commissioner, based upon the detailed project budget, shall make such modifications to (Sub)Exhibit H as he or she wishes in his or her discretion to account for all of the City Funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Redevelopment Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of City Funds, subject to the terms of this Agreement.

4. If the aggregate cost of the Project is less than the amount of the City Funds contemplated by this Agreement, the Board shall have no claim to the difference between the amount of the City Funds contemplated by this Agreement and the amount of the City Funds actually paid by the City to the Board and expended by the Board on the Project.

5. If requested by the City, the Board shall provide to the City quarterly reports on the progress of the Project and reasonable access to its books and records relating to the Project.

6. [Intentionally omitted.]

7. During the Term hereof the Board shall not sell, transfer, convey or otherwise dispose of all or any portion of the Facility and/or the Property or any interest therein to a party other than the City (a "Transfer"), or otherwise effect or consent to a Transfer to a party other than the City, without the prior written consent of the City. The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the grant of the City Funds hereunder pursuant to the Act.

Article Four:

Term.

The Term of the Agreement shall commence as of the Agreement Date and shall expire on the date on which the Redevelopment Area is no longer in effect (through and including December 31, 2024).

Article Five:

Indemnity; Default.

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all agreements directly related to this Agreement, and may suspend disbursement of the City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within 30 days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure

such default within 30 days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Form Of Counsel's Opinion.

City of Chicago
Department of Planning and Development

RE: Amending Agreement to Administrative Services Agreement (the "Agreement")

Ladies and Gentlemen:

I have acted as counsel for SomerCor 504, Inc., an Illinois not-for-profit corporation ("SomerCor"), in connection with the execution and delivery of the Agreement by and between SomerCor and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). SomerCor has requested that this opinion be furnished to the City.

In so acting as counsel for SomerCor, I have examined:

(i) an executed original of the Agreement;

(ii) the Articles of Incorporation, including all amendments thereto, of SomerCor as furnished and certified by the Secretary of State of the State of Illinois;

(iii) the Bylaws of SomerCor, as certified by the Secretary of SomerCor as of the date hereof; and

(iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of SomerCor.

In my capacity as counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than SomerCor which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. SomerCor is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, SomerCor has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.

2. The Agreement has been duly executed and delivered on behalf of SomerCor, and constitutes a legal, valid and binding obligation of SomerCor, enforceable against SomerCor in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.

3. There is no action, suit or proceeding at law or in equity pending, nor to my knowledge threatened, against or affecting SomerCor, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of SomerCor to perform under the Agreement or any of its business or properties or financial or other conditions.

4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.

5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:

A. a violation or breach of (i) the Articles of Incorporation of SomerCor, (ii) the Bylaws of SomerCor, (iii) any provision of any contract or other instrument to which SomerCor is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on SomerCor, or

B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of SomerCor pursuant to any agreement or other instrument to which SomerCor is a party or by which SomerCor is bound.

6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

Action Deferred -- AMENDMENT OF TITLE 3 OF MUNICIPAL CODE BY ADDING NEW CHAPTER 3-49 AND MODIFYING CHAPTER 4-64 CONCERNING TAX ON TOBACCO PRODUCTS AND ASSOCIATED TOBACCO-RELATED REGULATIONS.

[SO2016-105]

The Committee on Finance submitted the following report which was, on motion of Aldermen Hairston, Sadlowski Garza, Ervin, Sposato and Reilly, *Deferred* and ordered published:

CHICAGO, February 10, 2016.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration a substitute ordinance concerning the authority to amend Title 3 and Chapter 4-64 of the Municipal Code of Chicago concerning a tax on non-cigarette tobacco products and associated tobacco-related regulations, having had the same under advisement, begs leave to report and recommend that Your Honorable Body pass the proposed substitute ordinance transmitted herewith.

This recommendation was concurred in by a roll call vote of the members of the committee, with Aldermen Dowell (3), Hairston (5), O'Shea (19), Cochran (20), Zalewski (23), Mitts (37), Sposato (38), Reilly (42), and Tunney (44) voting "No".

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

The following is said ordinance transmitted with the foregoing committee report:

WHEREAS, The City of Chicago is a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs, a category that includes the authority to legislate for the protection of the public health; and

WHEREAS, The enactment of ordinances and regulations designed to discourage the use of tobacco plainly meets this criterion; and

WHEREAS, The 18 to 20-year-old age range is a critical time for new smokers. Adolescents are more vulnerable than older adults to nicotine addiction, which can harm brain development, and nine out of ten adult smokers start before age 21. Raising the legal age would put tobacco products on par with alcohol and protect young adults from developing a dangerous lifelong habit; and

WHEREAS, Based on numerous studies, it is clear that high tobacco prices reduce tobacco consumption, both among youth users, who are especially price-sensitive, and among adults. A 10 percent increase in cigarette prices reduces demand among adult smokers by an average of four percent, and youth smokers are two-to-three times more price-sensitive than adults. High prices reduce the prevalence of tobacco use, the probability of trying tobacco for the first time, the average number of cigarettes consumed per smoker, the initiation of daily

smoking, and the initiation of daily heavy smoking. Moreover, reductions in the prevalence of smoking lead indirectly to even greater reductions by minimizing peer and parental influences, and by helping addicted smokers successfully quit; and

WHEREAS, The City of Chicago taxes cigarettes and e-cigarettes, but does not tax other tobacco products that are harmful to health, including little cigars, large cigars, smoking tobacco and smokeless tobacco; and

WHEREAS, As cigarette prices have increased, smokers, particularly youth, have migrated to cheaper tobacco products. Little cigars, for example, appear virtually identical to cigarettes and cost substantially less. Large cigars and smokeless tobacco are also less expensive alternatives. Despite well-documented risks, smokers of all ages -- especially youth and young adults in low-income urban areas -- erroneously perceive cigars as less harmful than cigarettes; and

WHEREAS, The use of coupons, multi-package discounts, and other price-reduction instruments, all of which are widely available in Chicago, reduce retail prices for tobacco products, even when a tax is in place to increase the price. In a 2011 study of smokers attempting to quit conducted in New York City, 25 percent reported using a coupon or other discount on their last purchase, saving an average $1.25 per package of cigarettes. Discounts entice consumers, including price-sensitive youth, to purchase deadly and highly addictive products; and

WHEREAS, This body has therefore determined that establishing price floors for tobacco products would help address the persistent availability of low-priced cigarettes and tobacco products in Chicago. Specifically, this body finds that the following price floors are reasonable and appropriate:

-- An appropriate price floor for a package of cigarettes is $11.50, which approximates the total amount of the typical wholesale price per package, plus the combined city, county, state, and federal taxes. This floor corresponds to approximately $0.58 per cigarette. This minimum should prevent discounting and preserve the public health positive deterrent effect of a strong tax.

-- An appropriate price floor for a package of little cigars equals the price floor of a package of cigarettes. These products have a similar size, shape, appearance, and carry a similar degree of health risk.

-- An appropriate price floor for a cigar weighing at least four pounds per thousand is $1.74 per cigar. Cigars, like other combustible tobacco products, carry a health risk similar to cigarettes. Commonly, a cigar contains approximately three times the weight of tobacco found in a cigarette. The appropriate price floor is therefore derived by multiplying the price floor of a single cigarette by three.

-- An appropriate price floor of smoking tobacco is $11.50 per 0.65 ounce pouch, or $17.70 per ounce. A package of cigarettes contains the same quantity of tobacco as approximately 0.65 ounces of smoking tobacco. Therefore, the price floor for 0.65 ounces of smoking tobacco should be the same as a package of cigarettes.

-- An appropriate price floor for smokeless tobacco is $4.00 per ounce. Smokeless tobacco products come in various forms and prices. This price floor is based on a low-price form of smokeless tobacco, moist snuff, a 1.2 ounce can of which is roughly equivalent to a package of cigarettes in terms of tobacco quantity. To make the price floor of smokeless tobacco equal to that of combustible tobacco, the floor would be set at $11.50 for a 1.2 ounce can, or $9.58 per ounce. However, although no form of tobacco use is safe, research suggests that smokeless tobacco is associated with lower mortality rates than combustible products. Thus, a lower price floor is appropriate; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

to procure, install, operate and maintain the equipment necessary for the System (the installation, operation, maintenance of the equipment, displaying advertising on, repairing, replacing, dismantling and removing Bicycle Stations necessary for the System by the Bicycle Sharing Provider pursuant to the Bicycle Sharing Agreement shall be known herein as the "Project"); and

Whereas, The Bicycle Sharing Provider is licensed to use the System Marks in operating the System and related systems, including the Evanston System, subject to all restrictions and quality control provisions exercised by the City; and

Whereas, It is anticipated that Evanston will also enter into an agreement substantially similar to Bicycle Sharing Agreement (the "Evanston Bicycle Sharing Agreement") with the Bicycle Sharing Provider, for the Bicycle Sharing Provider to operate and maintain the equipment necessary for a bike sharing system in the City of Evanston, including all or most of the same service metrics as in the Bicycle Sharing Agreement (the "Evanston System", and collectively with the System, the "Entire System") (the installation, operation, maintenance of the equipment, displaying advertising on, repairing, replacing, dismantling and removing Evanston Bicycle Stations necessary for the System by the Bicycle Sharing Provider pursuant to the Evanston Bicycle Sharing Agreement shall be known herein as the "Evanston Project", and collectively with the Project, the "Entire Project"); and

Whereas, The Entire System shall benefit the Parties' residents, businesses and visitors by improving the environment and increasing the amenities of the Parties by providing an additional convenient transportation option; and

Whereas, The Evanston Project shall require that the Bicycle Sharing Provider install, operate and maintain certain necessary equipment (bicycles and related equipment known as "Bicycle Stations") on and at specific locations on and at property owned (or otherwise legally controlled) by Evanston (such property shall be known as "Evanston Property", such Bicycle Stations shall be known as "Evanston Bicycle Stations", and such locations shall be known as "Evanston Bicycle Station Locations"); and

Whereas, The Entire Project shall therefore require that Evanston grant (or cause to be granted to): (1) the Bicycle Sharing Provider and its contractor(s) and subcontractors (the Bicycle Sharing Provider, its contractors and subcontractor shall be known collectively as the "Contractors") and the Advertising Provider, appropriate rights of entry and access to the Evanston Bicycle Station Locations for purposes of installing, operating, maintaining, displaying advertising on, repairing, replacing, dismantling and removing the Evanston Bicycle Stations; and (2) members of the public (the "Member") appropriate rights of entry and access to the Evanston Bicycle Station Locations for purposes of using the Evanston Bicycle Stations and the System;

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Terms And Conditions.

Article One.

Incorporation Of Recitals; Definitions.

The recitals set forth above are incorporated herein by reference and made a part hereof. Any capitalized term used, but otherwise not defined, herein shall have the same meaning as ascribed to it in the Bicycle Sharing Agreement.

Article Two.

The Bicycle Sharing Agreement, The Village Bicycle Stations And The Village Bicycle Station Locations.

1. Evanston hereby acknowledges and agrees to comply with (i) all applicable terms and conditions of the Bicycle Sharing Agreement and (ii) the City's exercise of the control over the quality of the goods and services offered under the System Marks through its license with Motivate, all of which will be no more onerous than that which the City exercises over the System, all as directed by the City. Evanston acknowledges that City is the owner of the System Marks and that Evanston has no ownership interest in the System Marks.

2. Evanston shall not act or fail to act in such a manner as to cause the City or the Bicycle Sharing Provider to violate or be in default under the Bicycle Sharing Agreement.

3. Evanston, prior to entering into the Evanston Bicycle Sharing Agreement, shall furnish the City with a copy for the City's review and approval.

4. Evanston will determine potential Evanston Bicycle Station Locations (the "Potential Evanston Bicycle Station Locations"). Evanston shall use as its basis for the proper siting of the Bicycle Station Locations such factors as reservation of sites for future projects, aesthetics, crowd and traffic control, general safety and visibility, landscaping issues, and other factors which may affect the mission of the Evanston. The Illinois State Historic Preservation Officer (SHPO) shall be given the opportunity to review all Potential Evanston Bicycle Station Locations to ensure that they meet the Secretary of Interior's standard for rehabilitation and guidelines for rehabilitating historic buildings as contained in 36 CFR 67 and concur in a finding of no adverse effect pursuant to 36 CFR 800.

5. In addition to the Evanston Bicycle Stations funded from the proceeds of the Evanston Pass-Through Grant, Evanston may install additional Bicycle Stations funded by other sources. Such Bicycle Stations shall be considered Evanston Bicycle Stations, a part of the Evanston System and therefore a part of the Entire System, and subject to all of the terms and conditions of this Intergovernmental Agreement.

6. Evanston shall provide, or cause to be provided, to the City and Contractors the relevant information and documentation (including documentation evidencing Evanston's ownership or control of Evanston Property) regarding the Potential Evanston Bicycle Station Locations, the Evanston Bicycle Station Locations, and, to the extent necessary, the applicable Evanston Property(ies) necessary for purposes of installing, operating, maintaining, displaying advertising on, repairing, replacing, dismantling and removing Evanston Bicycle Stations. Evanston shall provide any and all permits to install said Evanston Bicycle Stations at no cost to the Contractors.

7. Evanston hereby grants to the City, the City's agents and employees, Contractors and the Advertising Provider a right of entry to Evanston Bicycle Station Locations and, to the extent necessary, the applicable Evanston Property(ies) for purposes of (i) installing, operating, maintaining, displaying advertising on, repairing, replacing, dismantling and removing the Evanston Bicycle Stations and (ii) inspection of compliance with quality standards that the City enforces with the System. Five days prior to the installation of such Evanston Bicycle Station, the Bicycle Sharing Provider shall provide written notice to Evanston's representative identified in Article Nineteen of its intention to install Evanston Bicycle Stations and its associated infrastructure, subject to Evanston's approval, which may include the necessity of opening secured areas, providing locates and conducting before and after installation walkthroughs to determine damage and restoration if needed.

Evanston hereby also grants to the members a right of entry to the Evanston Bicycle Station Locations and, to the extent necessary, the applicable Evanston Property(ies), for the purpose of using Evanston Bicycle Stations and the Evanston System. The terms and conditions of the rights of entry described in this paragraph 7 shall be coterminous with the Bicycle Sharing Agreement, as may be amended from time to time, only upon agreement of the parties hereto. Further, the Contractors shall keep, or cause to be kept, the Evanston Stations in a clean, well-maintained condition, and shall not use Evanston Property for any purpose other than those related to this Agreement, including but not limited to parking vehicles, storage or equipment or debris for longer than necessary to complete necessary construction and maintenance tasks.

8. (b) Stolen Or Missing Bicycles. Except as provided in the Evanston Bicycle Sharing Agreement, Evanston will be responsible for costs associated with stolen or missing bicycles (the "Costs of Missing Bicycles") in proportion to the number of bicycles in the Evanston System as compared to the number of bicycles in the Entire System. Solely for the purpose of illustration, and not of limitation, if the number of bicycles in the Evanston System is 10, and the number of bicycles in the Entire System is 100, the Evanston would be responsible for 10 percent of the Costs of Missing Bicycles in the Entire System; provided, however, the Evanston's share of the Costs of Missing Bicycles shall not exceed any maximum amount of such cost stated in the Evanston Bicycle Sharing Agreement. Costs in excess of such maximum shall be the responsibility of the Bicycle Sharing Provider, and not of the City.

(c) Damage To Stations. Except as provided in the Evanston Bicycle Sharing Agreement, Evanston will be responsible for all costs associated with damage to Evanston Bicycle Stations, no matter the source of the damage.

10. The authorizations granted in or pursuant to this Intergovernmental Agreement (including but not limited to the right of entry and license referenced in Section 6 above) shall be nonexclusive and nothing contained in this Intergovernmental Agreement shall be construed to limit, alter, or waive the right of Evanston to authorize persons other than the City, the Contractors and Advertising Provider to access and use the Evanston Property for any purpose, other than the operation of a bicycle sharing program.

11. At the conclusion of the Project, Evanston shall cause the Contractor to remove, or cause to be removed, any and all infrastructure, improvements, fixtures, signage or markings associated with the Project unless otherwise requested by the City. All removals from Evanston property must be within 90 days of the conclusion of this Intergovernmental Agreement, or if the Project has been terminated by the City with their vendors due to any reason, including bankruptcy, impracticability, impossibility, abandonment or any other reason for early conclusion of this Project, within 90 days of termination.

12. Evanston agrees that the following elements of the Entire System shall be determined by the City, in its sole discretion: pricing, hours of operation, seasons of operation, emergency system shut down, software and technology upgrades, branding, colors, logo, the number and types of specialty bikes, and all advertising and promotional materials (in print or electronic form) incorporating the System Marks. WHEREAS, Pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the real estate on which grantee's primary residence is located, including the adjacent side yard if any; and (2) require that the parcel be improved with landscaped open space within six months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The foregoing recitals are hereby adopted as the findings of the City Council.

SECTION 2. The sale of the City Property to the Developer in the amount of One and no/100 Dollars ($1.00) is hereby approved. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed (or quitclaim deeds) conveying the City Property to the Developer. The quitclaim deed shall include the following covenants running with the City Property, or language substantially similar and acceptable to the Corporation Counsel:

First: The conveyance of the City Property is subject to the covenants and restrictions set forth in the quitclaim deed and the Agreement.

Second: Developer may convey the City Property to Developer's affiliate, Sinai Community Institute ("SCI"), or the Department, in its sole discretion, may approve conveyance to another controlled affiliate of Developer, and SCI (or such other controlled affiliate) shall be bound by the terms of the quitclaim deed and the Agreement. The Developer and SCI (or such other controlled affiliate) may collectively be referred to as the "Developer Parties".

Third: The Developer Parties shall commence construction no later than 30 days after the City's conveyance of the City Property to the Developer, and construction shall be completed no later than 12 months after said conveyance. The Department, in its sole discretion, may extend the construction commencement and completion dates.

Fourth: The City Property must be used as a child development center operated by Gads Hill Center (or alternatively for (i) use by the Sinai Community Institute for social services including, workforce development, case management, Women, Infant and Child (WIC) nutrition, Affordable Care Act enrollment, seniors and persons with disabilities protective services, subsequent pregnancy, parenting and early childhood development, and after school programs; (ii) use by the Sinai Urban Health Institute for community focused research and intervention programs for eliminating health disparities including health education, community health needs assessment and health surveys, health disparities research and publication, program evaluation, public health education, and consulting services; and (iii) Sinai Health System administrative services). The Department, in its sole discretion, may approve alternative uses and/or operators of the City Property other than those described in the prior sentence.

Fifth: The Developer Parties may not directly or indirectly sell, transfer, or otherwise dispose of the City Property or any part thereof or any interest therein without the prior written consent of the Department, which consent shall be in the Department's sole discretion. If the City Property is sold, other than to a controlled affiliate of the Developer, the Developer Parties will share fifty percent (50%) of the net profits with the City, calculated pursuant to a formula to be determined in the City's sole discretion.

Sixth: Commencing one year after the City's issuance of the Certificate of Completion for Milestone Number 2, as that term is described in the Agreement, and annually thereafter, the Developer Parties shall submit to the Department documentation evidencing the Developer Parties' payment of real estate taxes, if any, owed on the City Property, and

the Developer's application for an exemption from real property taxes, if applicable. Said documentation must be submitted to the Department within 30 days following the completion of each applicable one-year period.

Seventh: The Developer Parties must supply an up-to-date Phase I Environmental Site Assessment Report, with the City named in a reliance letter. The Developer Parties must determine if underground storage tanks ("USTs") are present on the City Property. If USTs are present, the Developer Parties must remove the USTs and close any leaking underground storage tank incidents in accordance with Illinois Office of the State Fire Marshall and Illinois Environmental Protection Agency ("IEPA") requirements. The Developer must conduct a Phase II Environmental Site Assessment to assess soil and groundwater for the constituent lists specified in 35 III. Adm. Code 740, Appendix A, including vapor migration and indoor inhalation issues. If contaminants are identified in exceedance of IEPA's Tiered Approach to Corrective Action Objectives ("TACO") Tier 1 residential criteria, the Developer must enter the site into the Site Remediation Program administered by the IEPA and receive a Comprehensive Residential No Further Remediation letter. The Developer must complete a hazardous materials survey of the building and abate any hazardous materials if necessary for redevelopment and occupancy.

The covenants numbered Second through Sixth shall terminate 20 years following the issuance of the Certificate of Completion for Milestone Number 2.

Upon the completion of the requirements in the Seventh covenant, the Developer Parties shall request a review and inspection by the City's Department of Fleet and Facility Management. The Department of Fleet and Facility Management shall provide the Developer Parties with either a certificate of release of the Seventh covenant, or a written statement indicating how the Developer Parties have failed to complete the Seventh covenant requirements, and what measures or acts are necessary, in the sole reasonable opinion of the Department of Fleet and Facility Management, for the Developer Parties to take or perform in order to obtain the certificate of release of the Seventh covenant. The Seventh covenant shall terminate upon the issuance of said certificate of release.

If the Developer Parties violate, breach or fail to comply with any of the above covenants First through Seventh, the City may re-enter and take possession of the City Property, terminate the estate conveyed to the Developer Parties, and revest title to the City Property in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by the Agreement. If title to the City Property revests to the City pursuant to the Right of Reverter, the Developer Parties shall be responsible for all real estate taxes and assessments which accrued during the period the City Property was owned by the Developer Parties and shall cause the release of all liens and encumbrances placed on the City Property (except those permitted by the Agreement) during the period of time the City Property was owned by the Developer Parties. The Developer Parties will cooperate with the City to ensure that if the reconveyance deed for the City Property, such reconveyance deed being a condition of conveyance of the City Property by the City, is recorded, such recording is effective for purposes of transferring title to the City Property

to the City, subject only to those exceptions that (i) were on title as to the date and time that the City conveyed the City Property to the Developer Parties, (ii) utility easements, and (iii) any mortgage authorized by the Agreement on the City Property.

With respect to the Developer's violation, breach or failure to comply with the covenant numbered Fourth, the City may elect not to exercise its Right of Reverter and instead require the Developer Parties to pay the City, within 90 days of the default, an amount equal to the fair market value of the City Property at the time of the default; provided that the determination of such fair market value shall exclude the value of all improvements made to the City Property by the Developer Parties subsequent to the conveyance of the City Property to the Developer. The fair market value shall be based on an appraisal ordered by the City at the Developer Parties' cost. Upon such payment of the fair market value of the City Property, these covenants shall terminate.

SECTION 3. The City's transfer of title to the City Property to the Developer must close on or before 90 days from the publication of this ordinance (the "Outside Closing Date"), unless the Department, in its sole discretion, extends such Outside Closing Date. In the event that the closing has not occurred by the Outside Closing Date through no fault of the City, the Department may cancel the sale upon written notice to the Developer.

SECTION 4. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 5. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 6. This ordinance shall take effect immediately upon its passage and approval.

(c) The University is in full compliance with all requirements of the PD relating to construction of Phase II.

(d) The City's Monitoring and Compliance Unit has verified in writing that the University is in full compliance with all City requirements set forth in Section 23.2 (City Resident Construction Worker Employment Requirement) and Section 23.3 (MBE/WBE Commitment) with respect to the Project.

(e) There exists neither an Event of Default nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

14.4 Within forty-five (45) days after receipt of a written request by the University for a Certificate of Completion, the City shall provide the University with either the Certificate of Completion or a written statement indicating in adequate detail how the University has failed to complete the applicable Phase in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the University to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the University shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the University's obligations to construct the applicable Phase. The Certificate of Completion shall not, however, constitute evidence that the University has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction. Nor shall the Certificate of Completion release the University from its obligation to comply with the other terms, covenants and conditions of this Agreement, except to the extent otherwise provided by this Agreement.

SECTION 15. RESTRICTIONS ON USE.

The University and UCCS, for themselves and their respective successors and assigns, covenant and agree as follows:

15.1 Compliance with Redevelopment Plan. The University and UCCS shall use the Property in compliance with the Redevelopment Plan.

15.2 Permitted Use.

(a) Primary Permitted Use. The University shall use the Property for the Primary Permitted Use for the Compliance Period, except as provided in subsections (b) and (c) below.

(b) Excusable Default. If, during the Compliance Period, the University ceases using the Property for the Primary Permitted Use due to circumstances beyond its reasonable control ("Excusable Default"), and is not otherwise in default under a material provision of this Agreement, the University may elect to (i) use the Property for one or more Alternative Permitted Uses (with the ability to alternate between Alternative Permitted Uses at the University's discretion) without payment to the City and (ii) use the Property for an Unrestricted Use upon payment to the City of the Unrestricted Use Fee. If the Property is used for an Alternative Permitted Use, the University shall provide an annual report to DPD throughout the Compliance Period demonstrating compliance of such programming with the definition of Alternative Permitted Use. In both cases, the University must provide evidence reasonably satisfactory to DPD of the existence of the Excusable Default. The University may also, following any election to use the Property for one or more Alternative Permitted Uses, elect to use the Property for an Unrestricted Use upon payment to the City of the Intentional Default Use Fee. The Parties agree that the following circumstances constitute Excusable Defaults:

(i) the loss or withdrawal of the school's charter;

(ii) a Material Reduction in public (federal, state and local) funding per pupil; or

(iii) legislative, regulatory, policy or other similar changes that materially and adversely reduce the autonomy currently afforded to charter schools or that otherwise have a material and adverse impact on charter schools.

(c) Intentional Default. If, during the Compliance Period, the University ceases using the Property for the Primary Permitted Use for reasons that are not beyond its reasonable control (an "Intentional Default"), the University may use the Property for an Intentional Default Use upon payment to the City of the Intentional Default Use Fee.

15.3 Athletic Field Open To Public. During the Compliance Period, or until the University pays the Unrestricted Use Fee or Intentional Default Use Fee, the athletic field south of the school building in the Phase II area, as depicted on the Phasing Plan, shall be open to the public during daylight hours on week days, weekends, school breaks, and school holidays when it is not being used for school activities or functions. The University and/or UCCS shall meet with the alderman of the ward and community members to discuss public access to the Phase II open space as described in Section 14.2(c), and shall post notice of the hours the field is open to the public. The foregoing provision is not intended to

be, and shall not be construed as, a dedication of the Property or any portion thereof by the University or UCCS for public use. After Closing, the University and UCCS reserve the right to post notice and close public access to the Property periodically as necessary or desirable to prevent the establishment of prescriptive rights or other rights of the public and/or third parties to the Property. UCCS may establish reasonable rules and regulations regarding use of the athletic field by the public.

15.4 Final NFR Letter. The University and UCCS shall comply with all land use restrictions, institutional controls and other terms and conditions contained in the Final NFR Letter for the Property.

15.5 Non-Discrimination. The University and UCCS shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or the Project or any part thereof.

The University and UCCS, for themselves and their respective successors and assigns, acknowledge and agree that the development and use restrictions set forth in this Section 15 constitute material, bargained-for consideration for the City and are intended to further the public policies set forth in the Redevelopment Plan. The City acknowledges and agrees that all restrictions on the use of the Project and Property under Sections 15.2 and 15.3, and all restrictions on the sale of the Property under Section 16, terminate at the end of the Compliance Period or the earlier payment of a fee in lieu of compliance as permitted hereunder.

SECTION 16. PROHIBITION AGAINST SALE OR TRANSFER OF PROPERTY.

16.1 During the Compliance Period, the University and UCCS may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell, transfer, convey, lease or otherwise dispose of all or any portion of the Property or the Project or any interest therein; or (b) directly or indirectly assign this Agreement (other than to a lender for collateral assignment purposes as permitted under Section 17). The University acknowledges and agrees that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the University fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. Notwithstanding the preceding provisions of this Section 16.1, the following transactions shall not require DPD's consent: lease or sub-lease of the Property or the Project or any part thereof to UCCS or any other Affiliate or CPS-approved charter school that operates a Primary Permitted Use, Alternative Permitted Use, Intentional Default Use (provided the Intentional Default Use Fee is paid to the City), or Unrestricted Use (provided the Unrestricted Use Fee is paid to the City).

16.2 If, during the Compliance Period, the University sells, conveys, transfers, exchanges or otherwise disposes of all or any part of the Property or the Project without DPD's consent where such consent is required by Section 16.1, on the closing date of such disposition, the University shall make a payment to the City in an amount equal to fifty percent (50%) of either the purchase price (in the case of an arms-length transaction) or the appraised value at the time of the disposition (in the case of a related party transaction),

minus (a) any reasonable and customary closing costs and expenses, and (b) the actual costs incurred by the University in constructing the Project (the "Prohibited Sale Fee"). The University shall prepare and submit to DPD, for DPD's approval, at least fifteen (15) days before the scheduled date of the closing, a written statement identifying the portion of the Property or the Project that is being sold and the estimated Prohibited Sale Fee for such portion.

SECTION 17. MORTGAGES AND OTHER LIENS.

17.1 Limitation Upon Encumbrance Of Project Site. Prior to the issuance of the Phase I Completion Certificate, the University and UCCS may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property, except for the Lender Financing, if any, approved pursuant to Section 9, which shall be limited to funds necessary to construct the Project.

17.2 Mortgagees Not Obligated To Construct. Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18 and, at the Closing, shall execute a subordination agreement in accordance with Section 10.3. If any such mortgagee or its affiliate succeeds to the University's interest in the Property (or any portion thereof) prior to the issuance of the Phase II Completion Certificate, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property (or any portion thereof) to another party, such transferee shall be obligated to complete the Project (or such portion of the Project located on the land so transferred) or pay the Phase II Construction Default Fee, and shall also be bound by the other covenants running with the land specified in Section 18.

SECTION 18. COVENANTS RUNNING WITH THE LAND.

The Parties agree, and the Deed shall so expressly provide, that the covenants, agreements, releases and other terms and provisions contained in Section 13 (Commencement and Completion of Project), Section 15 (Restrictions on Use), Section 16 (Prohibition Against Sale or Transfer of Property), Section 17 (Limitation Upon Encumbrance of Property), and Section 22.4 (Release and Indemnification), touch and concern and shall be appurtenant to and shall run with the Property. Such covenants, agreements, releases and other terms and provisions shall be binding on the University and UCCS and their respective successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. Such covenants, agreements, releases and other terms and provisions shall terminate as follows:

Section	Covenant	Termination
§13.1	Completion of Phase I	Upon issuance of Phase I Completion Certificate
§13.2	Completion of Phase II	Upon (1) issuance of Phase II Completion Certificate, or (2) payment of Phase II

		Construction Default Fee
§15.1	Redevelopment Plan Compliance	Upon expiration of Redevelopment Plan
§15.2(a)	Primary Permitted Use	Upon (1) expiration of Compliance Period, or (2) payment of Unrestricted Use Fee or Intentional Default Use Fee, or (3) in the event of an Excusable Default, upon commencement of an Alternative Permitted Use
§15.2(b)	Alternative Permitted Use	Upon (1) expiration of Compliance Period, or (2) payment of Intentional Default Use Fee
§15.2(c)	Intentional Default Use	Upon expiration of Compliance Period
§15.3	Athletic Field Open to Public	Upon (1) expiration of Compliance Period, or (2) payment of Unrestricted Use Fee or Intentional Default Use Fee
§15.4	NFR Requirements	In accordance with terms of Final NFR Letter
§15.5	Non-Discrimination	No limitation as to time
§16	Sale/Transfer Prohibition	Upon (1) expiration of Compliance Period, or (2) payment of Prohibited Sale Fee
§17	Limitation on Encumbrances	Upon issuance of Phase I Completion Certificate
§23.4	Environmental Release	No limitation as to time

SECTION 19. PERFORMANCE AND BREACH.

19.1 Time Of The Essence. Time is of the essence in the University's and UCCS' performance of their obligations under this Agreement.

19.2 Event Of Default. The occurrence of any one or more of the following events or occurrences shall constitute an "Event of Default" under this Agreement:

(a) the failure of the University or UCCS to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the University under this Agreement;

(b) the making or furnishing by the University or UCCS of any warranty, representation, statement, certification, schedule or report to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) which is untrue or misleading in any material respect;

(c) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, or the making or any attempt to make any levy, seizure or attachment thereof;

(d) the entry of any judgment or order against the University or UCCS which is related to the Property and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution; or

(e) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period.

19.3 Cure. If either the University or UCCS defaults in the performance of its obligations under this Agreement, the University and UCCS, or either one, shall have thirty (30) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the University and UCCS, or either one, promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk of damage to the improvements comprising the Project or injury to persons using the Project). Notwithstanding the foregoing or any other provision of this Agreement to the contrary, there shall be no notice requirement or cure period with respect to Events of Default described in Section 16 (Prohibition Against Transfer of Property).

19.4 Default Prior To The Issuance Of Phase I Certificate. If an Event of Default occurs prior to the issuance of the Phase I Certificate, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and pursue and secure any available remedy against the University or UCCS, or both, in any court of competent jurisdiction by any action or proceeding at law or in equity, including, but not limited to, damages, injunctive relief, the specific performance of the agreements contained herein, and the right to revest title to the Property in the City pursuant to the Reconveyance Deed, provided, however, that the recording of the Reconveyance Deed shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement.

19.5 Default After Issuance Of Phase I Certificate. If an Event of Default occurs after the issuance of the Phase I Certificate, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and pursue and secure any available remedy against the University or UCCS, or both, in any court of competent jurisdiction by any action or proceeding at law or in equity, including, but not limited to, damages, injunctive relief and the specific performance of the agreements contained herein. The City's right to record and revest title in the City pursuant to the Reconveyance Deed is specifically limited to the following Events of Default and no others, and then only after notice and opportunity to cure is afforded to the University as provided in Section 19.3, and the recording of the Reconveyance Deed shall not defeat, render invalid, or limit in any way the lien of any mortgage authorized by this Agreement:

(a) The University fails to pay the Phase II Construction Default Fee to the City if required by Section 13.2;

(b) The University fails to pay the Unrestricted Use Fee to the City if required by Section 15.2(b); or

(c) The University fails to pay the Intentional Default Use Fee to the City if required by Section 15.2(c); or

(d) The University fails to pay the Prohibited Sale Fee to the City if required by Section 16.2.

If the Reconveyance Deed is recorded by the City, the University shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the University, and the University shall cause the release of all unpermitted liens or encumbrances placed on the Property during the period of time the Property was owned by the University. The University will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City.

19.6 Resale Of The Property. Upon the reconveyance of the Property to the City as provided in Section 19.5, the City may complete the Project at its own cost (if the Project has not been completed) or convey the Property to a qualified and financially responsible party reasonably acceptable to the first mortgagee (if any), who (at its own cost) shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DPD (if the Project has not been completed), and otherwise comply with the covenants that run with the land as specified in Section 18.

19.7 Disposition Of Resale Proceeds. If the City sells the Property as provided for in Section 19.6, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) the fair market value of the Property as if it were vacant, which fair market value shall be calculated at the time of sale; and

(b) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and

(c) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

(d) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the University; and

(e) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(f) any other amounts owed to the City by the University.

The University shall be entitled to receive any remaining proceeds.

SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The University and UCCS each represent and warrant (for themselves and not for each other) that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the University, UCCS, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official, director, officer, trustee or employee of the City, the University or UCCS shall be personally liable in the event of any default under or breach of this Agreement or for any amount which may become due with respect to any commitment or obligation under the terms of this Agreement.

SECTION 21. INDEMNIFICATION.

The University and UCCS agree to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees and agents (individually, an "Indemnitee," and collectively the "Indemnitees") harmless from and against any and all Losses in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto, that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating to or arising out of: (a) the failure of the University or UCCS to comply with any of the terms, covenants and conditions applicable to the University or UCCS and contained within this Agreement; (b) the failure of the University or UCCS or any Agent of the University or UCCS to pay contractors, subcontractors or material suppliers undisputed amounts owed in connection with the construction and management of the Project; (c) the existence of any material misrepresentation or omission in this Agreement or any other document related to this Agreement that is the result of information supplied or omitted by the University or UCCS or any Agent or Affiliate of the University or UCCS; (d) the University's or UCCS' failure to cure any material misrepresentation in this Agreement or any other document relating hereto; and (e) any activity undertaken by the University or UCCS or any Agent or Affiliate of the University or UCCS on the Property prior to or after the Closing. Notwithstanding the foregoing, no Indemnitee, shall be indemnified for claims to the extent arising out of such Indemnitee's breach of this Agreement or negligence. This indemnification shall survive the Closing and any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. ENVIRONMENTAL MATTERS.

22.1 "AS IS" SALE. THE UNIVERSITY ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY (AND ANY IMPROVEMENTS THEREON). THE UNIVERSITY AGREES TO ACCEPT THE PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE UNIVERSITY ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN

INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE UNIVERSITY AGREES THAT IT IS THE UNIVERSITY'S SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM ANY ENVIRONMENTAL REMEDIATION WORK AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

22.2 Right Of Entry. The University hereby represents and warrants to the City that it has or will perform a Phase I environmental site assessment of the Property in accordance with the requirements of the ASTM E 1527-05 standard and other environmental studies sufficient to conclude that the Project may be completed and operated in accordance with all Environmental Laws and this Agreement. The University agrees to deliver to the City copies of all Environmental Documents. The obligation of the University to purchase the Property is conditioned upon the University being satisfied with the condition of the Property for the construction, development and operation of the Project. The City shall grant the University the right, at its sole cost and expense, to enter the Property to perform the Phase I and any other surveys, environmental assessments, soil tests and other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property. If the University determines that it is not satisfied, in its sole and absolute discretion, with the condition of the Property, it may terminate this Agreement by written notice to the City any time prior to the Closing Date, whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither Party shall have any further right, duty or obligation hereunder. If the University elects not to terminate this Agreement pursuant to this Section 22.2, the University shall be deemed satisfied with the condition of the Property.

22.3 Environmental Remediation.

(a) The City's Department of Fleet and Facilities Management ("2FM") shall have the right to review and approve the sufficiency of the Phase I and any Phase II or other follow-up reports. Upon 2FM's request, the University shall perform additional studies and tests for the purpose of determining whether any environmental or health risks would be associated with the development of the Project, including, without limitation, updating or expanding the Phase I and performing initial or additional Phase II testing. If the environmental reports for the Property disclose the presence of contaminants exceeding residential remediation objectives, the University shall enroll the Property (or the applicable portion thereof) in the IEPA's SRP Program and take all necessary and proper steps to obtain a Draft NFR Letter for the Property (or the applicable portion thereof), unless 2FM determines that it is not necessary to enroll the Property in the SRP. If the University enrolls (or is required to enroll) the Property in the SRP, the University acknowledges and agrees that it may not commence construction on the Property until the IEPA issues, and 2FM approves, a Draft NFR Letter for the Property.

(b) After 2FM approves the Draft NFR Letter for the City Property (to the extent required under subsection (a) above), the University covenants and agrees to complete the Remediation Work and diligently pursue the Final NFR Letter for the Property using all reasonable means. The City shall have the right to review in advance and approve all SRP Documents and any changes thereto, and the University's estimate of the cost to perform the Remediation Work. The University shall cooperate and consult with the City at all

relevant times (and in all cases upon the City's request) with respect to environmental matters. The University shall bear sole responsibility for all aspects of the Remediation Work. The University shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies. The University acknowledges and agrees that the City will not issue a Phase I Completion Certificate or a Certificate of Occupancy for the school building until the IEPA has issued, and the City has approved, a Final NFR Letter for the Property (to the extent required under (a) above), which approval shall not be unreasonably withheld.

(c) If the construction of Phase II of the Project will disrupt any engineered barriers, or otherwise violate any terms or conditions of the Final NFR Letter, then the University shall notify 2FM and the IEPA and work with both agencies to obtain a revised Final NFR Letter.

(d) The City will not issue a Phase II Completion Certificate or (to the extent applicable) a Certificate of Occupancy for Phase II until the IEPA has issued, and the City has approved, such revised Final NFR Letter.

22.4 Release And Indemnification. The University, on behalf of itself and the other University Parties, or anyone claiming by, through, or under the University Parties, hereby releases, relinquishes and forever discharges the City from and against any and all Losses which the University or any of the University Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other property, unless the Hazardous Substances migrate from property owned by the City to the Property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any Losses arising under CERCLA, and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, the University shall defend, indemnify, and hold the City harmless from and against any and all Losses which may be made or asserted by any third parties arising out of or in any way connected with, directly or indirectly, any of the Released Claims.

22.5 Release Runs With The Land. The covenant of release in Section 22.4 shall run with the Property, and shall be binding upon all successors and assigns of the University with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the University following the

date of the Deed. The University acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the University for the Purchase Price. It is expressly agreed and understood by and between the University and the City that, should any future obligation of the University, or any of the University Parties, arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, neither the University, nor any of the University Parties, will assert that those obligations must be satisfied in whole or in part by the City because Section 22.4 contains a full, complete and final release of all such claims.

22.6 Survival. This Section 22 shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

23.1 Employment Opportunity. The University agrees, and shall contractually obligate its various contractors, subcontractors and any Affiliate of the University operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the University nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code, as amended from time to time (the "Human Rights Ordinance"). The University and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The University and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the University and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the University and each Employer shall (i) present opportunities for training and employment of low and moderate income residents of the City, and (ii) provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The University and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101, et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The University, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The University and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

23.2 City Resident Employment Requirement.

(a) The University agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the University and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code (at least fifty percent); provided, however, that in addition to complying with this percentage, the University and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The University and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The University and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The University and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The University and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the University or Employer hired the employee should be written in after the employee's name.

(f) The University and the Employers shall provide full access to their employment records to the chief procurement officer, DPD, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The University and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Phase II Completion Certificate.

(g) At the direction of DPD, the University and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the University and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the University or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such noncompliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Lot 6 Budget (with respect to Phase I of the Project) and the Phase II Budget (with respect to Phase II of the Project) shall be surrendered by the University to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the University and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The University shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 University's MBE/WBE Commitment. The University agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 25% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 5% of the

aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The University (and any party to whom a contract is let by the University in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the University in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, the University's MBE/WBE commitment may be achieved in part by the University's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the University) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the University utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor); by subcontracting or causing the General Contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the University's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code, the University shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) The University shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the University or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the University's compliance with this MBE/WBE commitment. The University shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such

records maintained by the University, on prior notice of at least five (5) Business Days, to allow the City to review the University's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if the disqualified party misrepresented such status, the University shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of the University's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

23.4 Pre-Construction Conference And Post-Closing Compliance Requirements. Not less than seven (7) Business Days prior to the Closing Date, the University and the University's General Contractor and all major subcontractors shall meet with DPD monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the University shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the University shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements (if applicable); (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements (if any). Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the University is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the University, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the University to halt construction of the Project, (y) withhold any further payment of any City funds to the University or the General Contractor (if applicable), or (z) seek any other remedies against the University available at law or in equity.

SECTION 24. REPRESENTATIONS AND WARRANTIES.

24.1 Representations And Warranties Of The University. To induce the City to execute
this Agreement and perform its obligations hereunder, the University and UCCS, as applicable, each represent, warrant and covenant (for themselves and not for each other) as follows:

(a) The University is an Illinois not-for-profit corporation duly organized, validly existing, and in good standing under the laws of the State of Illinois, with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of the University has the authority to do so; and UCCS is an Illinois

The University's and UCCS' execution, delivery and performance of this Agreement, and all instruments and agreements contemplated hereby, have been duly authorized by all necessary action, and do not and will not violate the University's articles of incorporation or bylaws (as amended and supplemented), or any applicable Laws, nor will such execution, delivery and performance, upon the giving of notice or lapse of time or both, result in a breach or violation of, or constitute a default under, or require any consent under, any other agreement, instrument or document to which the University or UCCS, or any party affiliated with the University or UCCS, is a party or by which the University, UCCS or the Property is now or may become bound.

(d) No action, litigation, investigation or proceeding of any kind is pending or threatened against the University or UCCS or any party affiliated with the University or UCCS, by or before any court, governmental commission, board, bureau or any other administrative agency, and the University and UCCS know of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the University or UCCS to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the University or UCCS.

(e) The University and UCCS are now and for the term of the Agreement shall remain solvent and able to pay their debts as they mature.

(f) The University shall procure and maintain all Governmental Approvals necessary to construct, complete and operate the Project.

(h) The Project will not violate: (i) any applicable Laws, including, without limitation, any zoning and building codes and Environmental Laws; or (ii) any building permit, restriction of record or other agreement affecting the Property.

(i) The University and UCCS have not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with this Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into this Agreement or any City Contract with the University or UCCS in violation of Chapter 2-156-120 of the Municipal Code of the City.

(j) None of the University, UCCS or any Affiliate of the University or UCCS is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S.

Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

24.2 Representations and Warranties of the City. To induce the University and UCCS to execute this Agreement and perform their obligations hereunder, the City hereby represents and warrants to the University and UCCS that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

24.3 Survival of Representations and Warranties. Each of the Parties agrees that all warranties, representations, covenants and agreements contained in this Section 24 and elsewhere in this Agreement are true, accurate and complete as of the Effective Date and shall survive the Effective Date and shall be in effect until the expiration of the Compliance Period.

SECTION 26. BUSINESS RELATIONSHIPS.

The University and UCCS each acknowledge (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The University and UCCS (for themselves and not for each other) hereby represent and warrant that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 27. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

27.1 The University and UCCS agree that the University and UCCS, any person or entity who directly or indirectly has an ownership or beneficial interest in the University or UCCS of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the University's and UCCS' contractors (i.e., any person or entity in direct contractual privity with the University or UCCS regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (such Owners and all other preceding classes of persons and entities, collectively the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago or to his political fundraising committee (a) after execution of this Agreement by the University and UCCS, (b) while this

Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

27.2 The University and UCCS represent and warrant (for themselves and not for each other) that from the later of (a) May 16, 2011, or (b) the date the City approached the University and UCCS, or the date the University and UCCS approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

27.3 The University and UCCS agree that they shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

27.4 The University and UCCS agree that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

27.5 Notwithstanding anything to the contrary contained herein, the University and UCCS agree that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 27 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

27.6 If the University intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

27.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the University or UCCS is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;
(B) joint credit account;
(C) a joint checking account;
(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

SECTION 28. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code. The University and UCCS understand and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code.

SECTION 29. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code, the University and UCCS each warrant and represent (for themselves and not for each other) that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, any violation of the Waste Sections by the University, its General Contractor or any subcontractor, or UCCS, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner of DPD. Such breach and default entitles the City to all remedies under this Agreement, at law or in equity. This section does not limit the duty of the University, the General Contractor and any subcontractors and UCCS to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by

the City as grounds for the termination of this Agreement, and may further affect the University's or UCCS' eligibility for future contract awards.

SECTION 30. SHAKMAN.

30.1 The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

30.2 The University and UCCS are aware that City policy prohibits City employees from directing any individual to apply for a position with the University or UCCS, either as an employee or as a subcontractor, and from directing the University or UCCS to hire an individual as an employee or as a subcontractor. Accordingly, the University and UCCS must follow their own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the University and UCCS under this Agreement are employees or subcontractors of the University or UCCS, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the University or UCCS.

30.3 The University and UCCS will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity

that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

30.4 In the event of any communication to the University or UCCS by a City employee or City official in violation of Section 30.2 above, or advocating a violation of Section 30.3 above, the University or UCCS, as applicable, will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Agreement. The University and UCCS will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

SECTION 31. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by the University or UCCS or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated hereby. The University and UCCS shall at all times comply with Section 2-154-020 of the Municipal Code.

SECTION 32. MISCELLANEOUS.

The following general provisions govern this Agreement:

32.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

32.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

32.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

32.4 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

32.5 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

32.6 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

32.7 Force Majeure. None of the City, the University, UCCS nor any successor in interest to any of them shall be considered in breach of or in default of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

32.8 Form Of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

32.9 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

32.10 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

32.11 Limitation Of Liability. No member, official, officer, director, trustee or employee of the City, the University or UCCS shall be personally liable in the event of any default or breach under this Agreement or for any amount which may become due to any other party under the terms of this Agreement.

32.12 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

32.13 No Waiver. No waiver by the City with respect to any specific default by the University or UCCS shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the University or UCCS, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

32.14 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

32.15 Successors And Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

32.16 Venue And Consent To Jurisdiction. If there is a lawsuit under this Agreement, each Party agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

32.17 Joint And Several. The obligations of the University and UCCS hereunder are joint and several.

IN WITNESS WHEREOF, The parties have caused this Agreement to be executed on or as of the date first above written.

Base Sales Price For Homes.

A. Sections 5.5.B. (Sales Price) of the Agreement is amended and restated to read as follows:

"Developer affirmatively covenants that it shall sell and convey each Home to a Qualified Household for a base sales price (i.e., excluding any upgrades selected by the homebuyer) affordable to a buyer at one hundred percent (100%) of the median income for the Chicago primary metropolitan statistical area ('AMI'). Upon receipt of a written request from Developer, the Commissioner of Planning and Development shall have discretion to increase the base purchase price, for good cause shown by issuing a written notice to Developer".

B. Section 14.3 (Restrictions On Use) is amended and restated to read as follows:

"The Developer agrees that it shall develop and sell the Homes in accordance with the following provisions:

(a) The Developer shall sell each Home for a base sales price (i.e., excluding any

upgrades selected by the homebuyer) affordable to a buyer at one hundred percent (100%) of AMI, except as that price may be amended in accordance with Section 5.5.

(b) The Developer shall sell each Home to a Qualified Household.

(c) At the closing of each Home, the Developer shall require the homebuyer to execute a First Mortgage and a Second Mortgage.

The Developer acknowledges and agrees that the use and affordability restrictions set forth in this Section 14 constitute material, bargained-for consideration for the City, and that, but for such use and affordability restrictions, the City would not have agreed to convey the City Land to the Developer".

C. (Sub)Exhibit I (Base Prices) of the Agreement is deleted in its entirety.

Section 6.

City Hiring Plan.

The Agreement is amended to include Section 33 (City Hiring Plan), which reads as follows:

"(i) The City is subject to the June 16, 2014 'City of Chicago Hiring Plan' (as amended, the '2014 City Hiring Plan') entered in Shakman v. Democratic Organization of Cook County, Case Number 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(iii) Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment

to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the 'OIG'), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by the OIG".

Section 7.

Recording Costs.

Developer shall pay to record this First Amendment and other documents incidental thereto.

Section 8.

Full Force And Effect.

Except as amended hereby, the Agreement shall continue in full force and effect as the binding obligations of the City and Developer.

Section 9.

Counterparts.

This First Amendment may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

In Witness Whereof, The parties have caused this First Amendment to be executed on or as of the date first above written.

WHEREAS, Pursuant to ordinances adopted by the City Council of the City of Chicago ("City Council") on October 1, 2003 and published at pages 8260 through 8333 of the *Journal of the Proceedings of the City Council of the City of Chicago* ("*Journal*") for such date: (i) a certain redevelopment plan and project (the "Plan") for the Edgewater/Ashland Redevelopment Project Area (the "Area") was approved pursuant to the Illinois Tax Increment Allocation Redevelopment Act, as amended (65 ILCS 5/11-74.4-1, et seq.) The

commissioner shall send a written notice to the applicant of the findings which are the basis of the denial under this subsection and advise the applicant that the applicant may submit evidence that the issuance of the license will not have an adverse effect on the surrounding area within 20 days of the notice. The evidence may include, but is not limited to:

(i) a petition with the written support of a majority of the property owners within a radius of 500 feet from the boundaries of the premises for which a license is sought;

(ii) a traffic study or traffic management plan which sets forth methods to mitigate any potential adverse effect on traffic flow or parking in the surrounding area; or

(iii) a plan of operation to mitigate any of the adverse effects on the surrounding area which the commissioner found was a basis for a denial pursuant to this section.

If the applicant submits evidence that the issuance of the license will not have an adverse effect on the surrounding area within the 20-day period, the time for a final ruling on the application shall be extended until 35 days after the date the evidence was submitted.

(b) An industrial private event venue is only permitted in a building that has been in lawful existence for no less than 50 years prior to the effective date of this section and the total floor area of the building has not been expanded by more than 10% of the building's total floor area in existence on the effective date of this section.

SECTION 15. Section 17-10-0101-C of the Municipal Code of Chicago is hereby amended by adding the language underscored and by deleting the language struck through, as follows:

17-10-0101-C Change of Use (Nonresidential).

1. Unless otherwise expressly stated, when the use of property changes, off-street parking and loading facilities must be provided to serve nonresidential uses only when the number of parking or loading spaces required for the new nonresidential use exceeds the number of spaces required for the use that most recently occupied the building, based on the minimum parking standards of this Zoning Ordinance. In other words, "credit" is given to the most recent use of the property for the number of parking spaces that would be required now; a new nonresidential use is not required to "make up" the existing deficit.

2. If the building in which the change of use occurs has been in lawful existence for 50 or more years, additional parking and loading facilities must be provided only when the number of parking or loading spaces required for the new nonresidential use exceed by 25% or more the number of spaces that would have been required for the use that most recently occupied the building based on the minimum parking standards of this Zoning Ordinance. In such cases, additional parking and loading spaces must be provided only in the amount by which the number of parking or loading spaces required for the new nonresidential use exceed 125% of the number of spaces that would have been required for the use that most recently occupied the building (based on existing parking ratios).

(3) Notwithstanding any other provision of the code to the contrary, no credit for required off-street parking or loading space shall be given to any building, or any part thereof, in which the change is to a use as an industrial private event venue.

SECTION 16. Chapter 17-17 of the Municipal Code of Chicago is hereby amended by adding sections 17-17-0270.8 and 17-7-0276.5, by adding the language underscored and by deleting the language struck through, as follows:

to those of a Residential-Business Planned Development.

SECTION 3. This ordinance shall be in force and effect from and after its passage and approval.

Plan of Development Statements attached to this ordinance read as follows:

Residential-Business Planned Development No. _____.

Planned Development Statements.

1. The area delineated herein as Residential-Business Planned Development Number ____ (the "Planned Development") consists of a net site area of approximately 10,888 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map (the "Property"). The Property is owned by 1920 LLC, an Illinois limited liability company (the "Applicant").

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant, its successors and assigns. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, at the time applications for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, the Property shall be under single ownership or under single designated control. Single designated control for purposes of this Statement shall mean that any application to the City for any amendment to this Planned Development or any other modification or change thereto (administrative, legislative or otherwise) shall be made or authorized by all the owners of the Property and any ground lessees of the Property, subject however to the following exceptions and conditions: (a) any changes or modifications to this Planned Development applicable to or in a given subarea that is established in the event Applicant subdivides the Property need only be made or authorized by the owners and/or any ground lessees of such subarea provided there is no adverse effect (i.e., a diminution of development rights) on other subareas; and (b) where portions of the improvements located on the Property have been submitted to the Illinois Condominium Property Act, the term "owner" shall be deemed to refer solely to the condominium association of the owners of such portions of the improvements and not to the individual unit owners therein. Nothing herein shall prohibit or in any way restrict the alienation, sale or any other transfer of all or any portion of the Property or any rights, interests or obligations therein. Upon any alienation, sale or any other transfer of all or any portion of the Property or the rights therein (other than an assignment or transfer of rights pursuant to a mortgage or otherwise as collateral for any indebtedness) and solely with respect to the portion of the Property so transferred, the term "Applicant", "ground lessee" or "titleholder" shall be deemed amended to apply to the transferee thereof (and its beneficiaries if such transferee is a land trust) and the seller or transferor thereof (and its beneficiaries if such seller or transferor is a land trust) shall thereafter be released from any and all obligations or liability hereunder with respect to the portion of the Property so transferred.

3. All applicable official reviews, approvals or permits are required to be obtained by any owner of the Property, as applicable, or its successors, assigns or grantees, which require such reviews, approvals or permits. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a

separate submittal to the Department of Transportation on behalf of the applicable Property owner, its successors, assigns or grantees, seeking such action.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans, as defined below.

Ingress or egress shall be pursuant to the plans (as defined below) and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This plan of development consists of 15 Statements; a Bulk Regulations and Data Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; a Site Plan; a Landscape and Green Roof Plan; and Elevations (North, South, East and West), all prepared by Brininstool + Lynch Ltd. and dated January 21, 2016 (collectively, the "Plans"). In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. The following uses are permitted within the area delineated as Residential-Business Planned Development: dwelling units above the ground floor; animal services -- sales and grooming and veterinary; eating and drinking establishments; amusement arcades (accessory only to eating and drinking establishments); indoor participant sports and recreation; banks, currency exchange, credit union and ATM facilities; food and beverage retail sales uses; vacation rental; medical service; office; personal service uses; consumer repair or laundry services; general retail sales; wireless communications facilities; accessory and non-accessory parking (limited to two spaces for car sharing services); and incidental and related uses.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 10,888 square feet.

9. The Applicant acknowledges and agrees that the rezoning of the Property from B3-2 Community Shopping District and M1-1 Light Manufacturing/Business Park District to C1-5 Neighborhood Commercial District for construction of the Residential Project triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance must: (i) develop affordable housing units as part of the residential housing project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as Exhibit A-1, the Applicant has agreed to provide five affordable housing units in the Residential Project for households earning up to 60 percent of the Chicago Primary Metropolitan Statistical Area median income (the "Affordable Units"), or make a cash payment to the Affordable Housing Opportunity Fund in the amount of $100,000 per unit ("Cash Payment") or a combination of the forgoing. At the time of each Part II Review for the Residential Project, Applicant shall update and resubmit the Affordable Housing Profile Form to the Department for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Residential Project, the Department may adjust the requirements of this Statement 9 (i.e., number of Affordable Units and/or amount of Cash Payment) accordingly without amending this Planned Development. Prior to the issuance of a building permit for the Residential Project, the Applicant must either make the required Cash Payment, execute an Affordable Housing Agreement in substantially the form attached hereto as Exhibit A-2 in accordance with Section 2-45-110(i)(2) of the Affordable Housing Ordinance, or both if a combination of a Cash Payment and provision of Affordable Units is chosen. The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that, if applicable, the Affordable Housing Agreement will be recorded against the Property and will constitute a lien against each Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of any Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. Notwithstanding anything to the contrary contained in Section 17-4-1003-E, the Commissioner of Planning and Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the planned development ordinance.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

11. The Site Plans and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

13. Subject to the provisions of Statement Number 2 of this Planned Development, the terms and conditions of development under this Planned Development ordinance may be modified administratively pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. In order to provide for the orderly development of the Property, the Applicant shall be permitted to establish not more than three subareas within the Planned Development and to allocate development rights to such subareas upon delivery of notice of such subarea establishment to the Department of Planning and Development. The establishment of more than three subareas may only be accomplished by an administrative modification pursuant to Section 17-13-0611-A of the Zoning Ordinance.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all new buildings and improvements on the Property constructed after the date hereof shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities.

15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. In furtherance of this policy, improvements within the Planned Development shall include at least the following sustainable features: (A) 50 percent Green Roof and (B) Building Certification in accordance with City of Chicago's Sustainable Development Policy in effect as of the date of passage and publication.

15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Planned Development will be LEED certified (Leadership in Energy and Environmental Design) and include a green roof over at least 50 percent of the Net Roof Area; provided, however, that if any portion of this Planned Development receives tax increment financing, such portion shall be LEED certified and include a green roof over 100 percent of the Net Roof Area of that portion.

16. The Applicant acknowledges and agrees that the rezoning of the Property from Institutional Planned Development 138 and RM5 (Residential Multi-Unit District) to, first, the B3-5 (Community Shopping District), then back to Planned Development 138, for construction of this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the 2007 Affordable Requirements Ordinance or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project as affordable units ("Affordable Units") if the developer receives city land or zoning assistance, or 20 percent if the developer receives financial assistance, such as tax increment financing ("TIF"); (ii) pay a fee in lieu of the development of the Affordable Units; or (iii) any combination of (i) and (ii). The foregoing compliance options are referred to herein as Option (i), Option (ii), and Option (iii).

    In Subarea A, the Applicant intends to construct a total of 381 dwelling units and has filed an application for TIF for the project. If the Applicant receives TIF funds, the Subarea A project will require 77 Affordable Units (20 percent x 381 = 76.2, rounded up = 77) under Option (i), or an in lieu fee ("Cash Payment") in the amount of $7,700,000 (77 x $100,000) under Option (ii), or a combination under Option (iii). If the Applicant does not receive TIF funds, the Subarea A project will require 39 Affordable Units (10 percent x 381 = 38.1, rounded up = 39) under Option (i), or a Cash Payment in the amount of $3,900,000 (39 x $100,000) under Option (ii), or a combination under Option (iii). The Applicant has elected to comply with the ARO in Subarea A through a combination under Option (iii), as described below and in the Affordable Housing Profile Form for Subarea A attached hereto. First, the Applicant will provide 20 Affordable Units in Subarea A, regardless of whether the project receives TIF funds. If the Applicant receives TIF funds, 10 of the 20 Affordable Units will be affordable to households earning no more than 50 percent of the Chicago Primary Metropolitan Statistical Area Median Income ("AMI") and the other 10 will be affordable to households earning no more than 60 percent of AMI. If the project does not receive TIF funds, all 20 Affordable Units will be affordable to households earning no more than 60 percent of AMI. Second, the Applicant will satisfy its remaining ARO obligation by making a Cash Payment in the amount of $5,700,000 (77 required Affordable Units - 20 provided Affordable Units = 57 x $100,000) if the Applicant receives TIF funds, or $1,900,000 (39 required Affordable Units - 20 provided Affordable Units = 19 x $100,000) if it does not.

In Subarea B, the Applicant intends to construct a total of 250 dwelling units without any TIF or other financial assistance from the city, and has elected to comply with the ARO by making a Cash Payment in the amount of $2,500,000 (250 dwelling units x 10 percent = 25 required Affordable Units x $100,000 per unit), as set forth in the Affordable Housing Profile Form for Subarea B attached hereto.

At the time of each Part II Review for Subarea A or Subarea B, Applicant may update and resubmit the applicable Affordable Housing Profile Form to DPD for review and approval. If the Applicant subsequently reduces or increases the number of dwelling units in either subarea, DPD may adjust the requirements of this Statement 16 (i.e., number of required Affordable Units and/or amount of Cash Payment) accordingly without amending the Planned Development. Prior to the issuance of any building permits within Subarea A or Subarea B, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment. The Applicant intends to develop Subarea A and Subarea B as separate projects in phases, and the Cash Payment for each subarea shall be calculated separately and paid at the time building permits are sought for the applicable subarea. In the case of Subarea A, where the Applicant is providing Affordable Units, the Applicant must also execute and record an affordable housing agreement in accordance with Section 2-45-110(i)(2) of the Municipal Code prior to the issuance of any building permits for Subarea A. The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against Subarea A, or the applicable portions thereof, and will constitute a lien against such property. The commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

17. This Planned Development shall be governed by Section 17-13-0612 of the Municipal Code. Should this Planned Development ordinance lapse, the commissioner of DPD shall initiate a zoning map amendment to rezone the Property to the B3-5 (Community Shopping District).

250 (Number of total units in development) X 10% = 25 (round up to nearest whole number) X $100,000 = $2,500,000 (Amount owed)

For Density Bonus projects, use the following formula to calculate payment owed:

_____ (Bonus Floor Area (sq ft)) x 80% x $_____ (median price per base FAR foot *(from table below)*) = $_____ (Amount owed)

Submarket (Table for use with the Density Bonus fees-in-lieu calculations)	**Median Land Price per Base FAR Foot**
Loop: Chicago River on north/west; Congress on south; Lake Shore Dr on east	$31
North: Division on north; Chicago River on south/west; Lake Shore Dr. on east	$43
South: Congress on north; Stevenson on south; Chicago River on west; Lake Shore Dr. on east	$22

   Notwithstanding the foregoing, the Department shall approve all signs substantially conforming to the Planned Development Signage Matrix. The Planned Development Signage Matrix is incorporated herein and is hereby approved as an integral part of this Planned Development, and development of the Property as contemplated herein.

   For the purposes of this Planned Development, any sign which identifies the name or sponsorship of any structure or designated area within the Property, or any sponsor of the professional team operating in the facility, shall be deemed an on-premises sign and may be located anywhere in the Planned Development.

   Nothing in this Planned Development or the Planned Development Signage Matrix shall be deemed to regulate or limit any other sign exempt from regulation under Section 17-12-0500 of the Chicago Zoning Ordinance, or incidental, temporary and special events signage.

   Solely as applied to the Property, this Planned Development and the Planned Development Signage Matrix shall supersede any provisions of Title 17 of the Chicago Municipal Code which are inconsistent or in conflict with or more restrictive than the Planned Development Signage Matrix, including, without limitation, video and dynamic display and other provisions of Chapter 17-12 of the Zoning Ordinance.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of approximately 174,240 square feet.

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

10. The site and landscape plans referenced in Statement 4, approved by this Planned Development, shall be deemed to be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Any revisions thereto shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines in effect at the time of such revisions. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

11. Any future expansion would be conducted through Site Plan approval, as follows:

    Prior to the Part II Approval (per Section 17-13-0610 of the Zoning Ordinance), the applicant shall submit a site plan, landscape plan and building elevations for the proposed project for review and approval by the Department of Planning and Development. Review and approval by the Department of Planning and Development is intended to assure that specific development components substantially conform with the Planned Development and to assist the City in monitoring ongoing development. Site Plan Approval Submittals (per Section 17-13-0800) need only include that portion of the Property for which approval is being sought by the applicant. The site plan provided shall include all dimensioned and planned street rights-of-way.

No Part II Approval for any portion of the Property shall be granted until Site Plan approval has been granted. Following approval by the Department of Planning and Development, the approved Site Plan Approval Submittals, supporting data and materials shall be made part of the main file and shall be deemed to be an integral part of the Planned Development.

After approval of the Site Plan, changes or modifications may be made pursuant to the provisions of Statement 13. In the event of any inconsistency between approved plans and the terms of the Planned Development, the terms of the Planned Development shall govern. Any Site Plan Approval Submittals shall, at a minimum, provide the following information:

-- fully-dimensioned site plan (including a footprint of the proposed improvements);

-- fully-dimensioned building elevations;

-- fully-dimensioned landscape plan(s); and,

-- statistical information applicable to the subject Property, including floor area, the applicable FAR, uses to be established, building heights and setbacks.

Site Plan Approval Submittals shall include all other information necessary to illustrate substantial conformance to the Planned Development.

12. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.

14. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

15. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. Applicant will construct the facility with a green roof, covering 25 percent of the Net Roof Area, and the project shall be designed, constructed and maintained to achieve LEED Certification (Version 3).

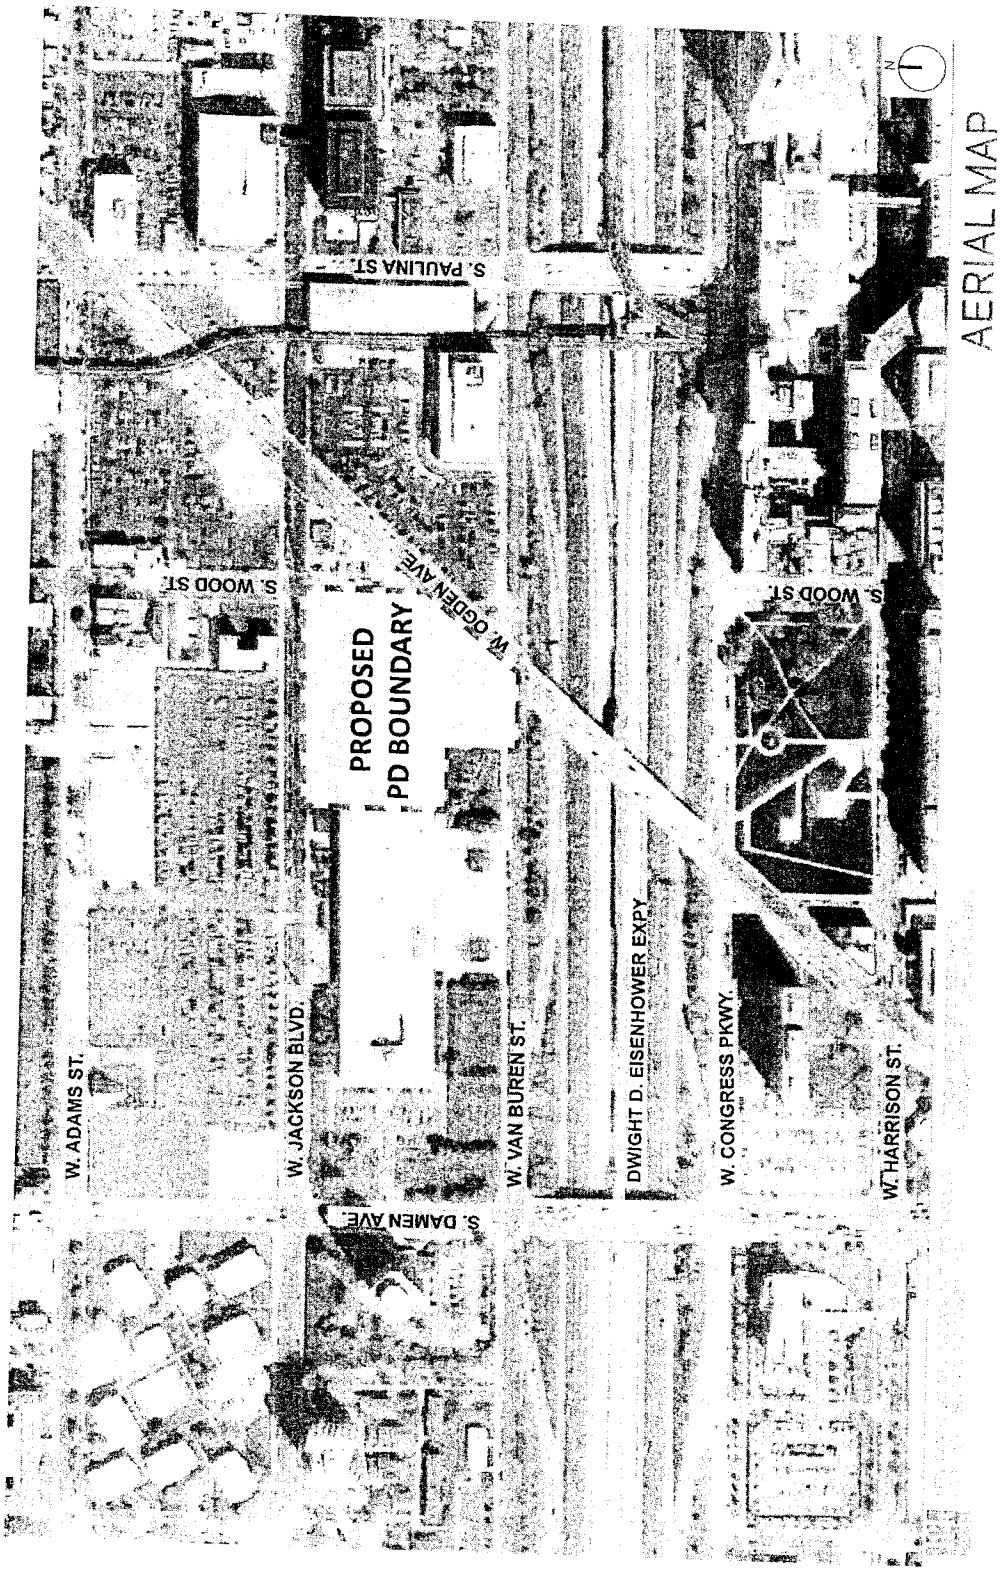

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to B3-3.

In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereof, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

8. The maximum permitted Floor Area Ratio ("FAR") for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a Net Site Area of 23,001 square feet and a FAR of 7.0.

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by DPD. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

10. The site and landscape plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. 12. 14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall seek LEED certification (or equivalent alternative certification, such as Energy Star) and provide a 50 percent net green roof equivalent to an actual total of approximately 2,382 square feet for the building in Subarea B.

15. The Applicant acknowledges and agrees that the rezoning of Subarea B from DX-5 Downtown Mixed-Use District to DX-7 Downtown Mixed-Use District for construction of this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as Exhibit [___], the Applicant has agreed to provide 23 affordable housing units in the Residential Project for households earning up to 60 percent of the Chicago Primary Metropolitan Statistical Area median income (the "Affordable Units"), or make a cash payment to the Affordable Housing Opportunity Fund in the amount of $100,000 per unit ("Cash Payment"). At the time of each Part II Review for the Residential Project, Applicant may update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Residential Project, DPD may adjust the requirements of this Statement 15 (i.e., number of Affordable Units and/or amount of Cash Payment) accordingly without amending the Planned Development. Prior to the issuance of any building permits including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment, or execute an Affordable Housing Agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Residential Project and will constitute a lien against each Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. The Commissioner of DPD may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a zoning map amendment to rezone the Property to the DX-7 Downtown Mixed-Use District.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, Pursuant to the procedures set forth in the Municipal Code of Chicago (the "Municipal Code"), Sections 2-120-630 through -690, the Commission on Chicago Landmarks (the "Commission") has determined that Marina City, located at 300 -- 352 North State Street and 301 -- 351 North Dearborn Street, Chicago, Illinois, legally described in Exhibit A attached hereto and incorporated herein, satisfies five criteria for landmark designation as set forth in Section 2-120-620 (1), (4), (5), (6) and (7) of the Municipal Code; and

WHEREAS, Marina City is an icon of Chicago urban planning. This "city within a city" was the first of its kind to layer residential, commercial, and entertainment uses into a dense high rise complex in the center city; and

WHEREAS, Marina City was the most ambitious and forward-thinking post-war urban renewal project in Chicago in an era defined by ambitious urban renewal projects; and

WHEREAS, Bertrand Goldberg's comprehensive vision for Marina City introduced new ideas about form and structure and novel solutions for living and working in an urban environment. Although Marina City remained an anomaly for decades, its success as a dense high-rise residential development anticipated the later transformation of downtown Chicago from a nine-to-five business district to a thriving and bustling residential and commercial community. The development's use of the Chicago River as an amenity was also years ahead of its time; and

WHEREAS, At the time of its construction, Marina City was the most ambitious and innovative real estate development in the city. The project was the first planned development project in Chicago, and the first and largest federally-insured downtown housing project in the country; and

WHEREAS, Marina City was the brainchild of William Lane McFetridge, president of the Building Service Employees International Union, and real estate developer Charles Swibel. McFetridge was one of the most influential labor leaders in the Midwest after World War II, and Swibel later rose to become head of the Chicago Housing Authority. Their idea to invest union funds into middle-income housing as a way to revitalize urban centers and create more jobs for members was a significant departure from other union-funded housing projects in the country, which were built to provide low-cost housing for members; and

WHEREAS, The residential towers, theater building, and office tower within the Marina City complex are all excellent and varied examples of the Expressionist style, a stylistic reaction against the rigidities of the International Style within the context of the modern movement in architecture during the second half of the twentieth century; and

WHEREAS, Marina City marks the first built-example of Bertrand Goldberg's use of the cylindrical form, which would become a hallmark of many of his subsequent designs. Goldberg's design for the residential towers, which featured the repeated use of curving, petal-like shapes around a central cylindrical core, was unlike any design ever built in Chicago, and the buildings remain among the most distinctive structures in the city; and

WHEREAS, In his design for Marina City, Bertrand Goldberg pioneered the use of concrete in high-rise construction. Goldberg had attempted to create a cylindrical design using steel framing before Marina City, and was disappointed in the limitations of the material. Using concrete allowed for a more efficient and cost-effective construction of the desired form. When they were completed, the residential towers at Marina City were the tallest reinforced concrete structures in the world; and

WHEREAS, Marina City showcases Goldberg's ability to create evocative large-scale architecture that also addressed the constraints of the site and budget, the functions of each component of the development, and the needs of the people who would live and work in the complex. The cylindrical shape of the residential towers was visually striking, but it also allowed for the highest ratio of floor area to exterior skin, reducing wind loads and stresses on the building, and shortening the length of supply and return runs for the utilities. The petal-shaped plans of the apartments were designed to maximize a feeling of expanding space within very modest square footage. The rounded shape and lead sheathing of the theater building were used to improve the acoustics of the interior, all while creating a form that is as distinctive as that of the towers; and

WHEREAS, The form, materials and siting of the individual buildings at Marina City were carefully designed so that the office, residential, entertainment and parking functions work together effectively as a whole; and

WHEREAS, Bertrand Goldberg, the designer of Marina City, is a significant architect in the history of Chicago architecture, combining both technical brilliance and humanistic values in ways exemplified by his architectural designs. Marina City was Goldberg's first large-scale commission, and brought international attention to his firm; and

WHEREAS, Bertrand Goldberg possessed an exceptional understanding of materials and new building and design technologies, but also believed that these physical aspects of architecture must serve humanity; he was also an urbanist, but one who often found inspiration from structures found in nature. The fusion of these qualities led to Goldberg's highly individual buildings found in Chicago and across the nation, and is most completely exemplified in the Marina City complex; and

WHEREAS, Bertrand Goldberg was one of the few Americans who studied at the Bauhaus, an influential avant-garde art and design school in Weimar-era Germany that flourished

between the two world wars. Goldberg credited his time at the Bauhaus for his interest in the human and social aspects of design and his interest in mass-produced and prefabricated structures; and

WHEREAS, In 1966, Bertrand Goldberg designed the Raymond M. Hilliard Center for the Chicago Housing Authority. This complex is regarded as one of the most socially successful public housing projects in the nation, attributed largely to Goldberg's design, which successfully balanced community amenities and the individual needs of residents; and

WHEREAS, Marina City was a bold response to the threat of suburbanization and disinvestment in Chicago's downtown in the decades following World War II. The complex served as a microcosm of urban life within five interconnected yet distinct structures, all contained within a single three-acre lot within the city's center; and

WHEREAS, The structures within the Marina City complex were designed to sustain one another to create what Goldberg called the "24-hour city". The residential towers provided the captive population needed to support the retail, office, and entertainment buildings, while these same spaces made living downtown feasible for the complex's residents; and

WHEREAS, Marina City remains an iconic presence in downtown Chicago nearly 50 years after its completion. The residential towers, with their distinctive shape and rhythmic pattern of curved concrete balconies, are the focal points of the complex. The complex's location along the Chicago River only serves to heighten the visual impact of the towers; and

WHEREAS, Marina City -- and the residential towers, in particular -- have been featured in television shows, films, advertisements, and album covers. As early as 1964, a *Chicago Tribune* article noted that Marina City had become a symbol for Chicago as a modern city, citing the use of its image in advertisements for everything from cars to cigarettes. This image of the buildings still resonates with many artists and designers, as well as the general public; and

WHEREAS, Consistent with Section 2-120-630 of the Municipal Code, Marina City has a significant historic, community, architectural, or aesthetic interest or value, the integrity of which is preserved in light of its location, design, setting, materials, workmanship, and ability to express such historic, community, architectural, or aesthetic interest or value; and

WHEREAS, On November 5, 2015, the Commission adopted a resolution recommending to the City Council of the City of Chicago (the "City Council") that Marina City be designated a Chicago landmark; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are hereby adopted as the findings of the City Council.

SECTION 2. Marina City is hereby designated a Chicago landmark in accordance with Section 2-120-700 of the Municipal Code.

SECTION 3. For purposes of Sections 2-120-740 and 2-120-770 of the Municipal Code governing permit review, the significant historical and architectural features of Marina City are identified as:

a. All exterior elevations, including rooflines, of Marina City's buildings, including the exterior of the concourse level and marina, visible from public rights-of-way and the Chicago River.

b. The driveways and open plaza areas between Marina City's buildings.

c. The one-story restaurant building located at the south east portion of Marina City and built in 1998 is not considered a significant feature for the purpose of this landmark designation. The glass-enclosed parking attendant structure at the south end of Marina City is not original to the plaza and is also not considered a significant feature for the purpose of this landmark designation.

SECTION 4. The Commission is hereby directed to create a suitable plaque appropriately identifying Marina City as a Chicago landmark.

SECTION 5. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 6. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 7. This ordinance shall take effect upon its passage and approval.

Exhibit "A" referred to in this ordinance reads as follows:

CALL FOR SURFACE TRANSPORTATION BOARD TO CONSIDER INTERESTS OF CHICAGO WHEN REVIEWING PROPOSED HOSTILE TAKEOVER OF NORFOLK SOUTHERN CORPORATION BY CANADIAN PACIFIC RAILWAY.

[R2016-134]

A proposed resolution, presented by Aldermen Lopez, Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Sadlowski Garza, Thompson, Cárdenas, Burke, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Reboyras, Santiago, Waguespack, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, Reilly, Smith, Arena, Cappleman, Osterman, J. Moore and Silverstein, reading as follows:

WHEREAS, The Canadian Pacific Railway has proposed an acquisition of the Norfolk Southern Corporation; and

WHEREAS, The Norfolk Southern Railway Company, a wholly owned operating subsidiary of Norfolk Southern Corporation, operates more rail yards and intermodal facilities in the City of Chicago than any other Class I freight railroad; and

WHEREAS, Norfolk Southern employs a diverse workforce among its more than 600 Chicago-based employees, including approximately 50 percent who are of a minority descent; and

WHEREAS, Norfolk Southern operates four major intermodal facilities in the City of Chicago located at 361 West 47th Street, 169 East 63rd Street, 2040 East 106th Street and 7540 South Western Avenue; and

WHEREAS, These four intermodal facilities provide a competitive edge to Chicago manufacturers and distributors, connecting Chicago businesses to more markets in the Northeast, Mid-Atlantic and Southeast than any other railroad; and

WHEREAS, Norfolk Southern has invested tens of millions of dollars into each facility in recent years to accommodate the growth of business, resulting in construction jobs for many Chicagoans; and

WHEREAS, The logistics savings to Chicago shippers from these four facilities generates billions of dollars of economic impact and millions of dollars of tax revenue to Chicago annually; and

WHEREAS, Norfolk Southern's other large rail yards within the City are located at 4016 South Ashland Avenue, 13227 South Torrence Avenue, and 2040 East 106th Street; and

WHEREAS, These rail yards provide critical service to rail shippers throughout the City, including the Stockyards and the Port of Chicago; and

WHEREAS, Amtrak's Pere Marquette, Wolverine, Blue Water, Capitol Limited, and Lake Shore Limited trains operate on Norfolk Southern in Chicago to get to and from Chicago Union Station; and

WHEREAS, Norfolk Southern's partnership with Amtrak has facilitated strong ridership growth for several years now resulting in more business travelers and tourists coming to Chicago; and

WHEREAS, Much of Metra Southwest Service operates on Norfolk Southern tracks, bringing commuters into Chicago for both work and leisure, resulting in additional tax dollars to the City; and

WHEREAS, Congress has provided the Surface Transportation Board with the power to disapprove mergers and acquisitions in the railroad industry; and

WHEREAS, U.S. Senator Richard Durbin and the entire Illinois Congressional delegation have requested the Surface Transportation Board to move carefully in their examination of the hostile proposal by Canadian Pacific Railway to acquire Norfolk Southern Corporation; and

WHEREAS, Chicago is effectively the western terminus for the Norfolk Southern Railway, and the Canadian Pacific Railway has minimal impact on Chicago's economy; and

WHEREAS, Norfolk Southern Railway has proven an effective partner with federal, state, and municipal agencies in the Chicago Region Environmental and Transportation Efficiency "CREATE" Program to reduce rail congestion within and through the City of Chicago; and

WHEREAS, Since the CREATE Program's inception more than a decade ago, Norfolk Southern has played an instrumental role planning, constructing, and paying for the private benefits of several CREATE projects, resulting in a substantial reduction of freight, Metra, and Amtrak delays in recent years; and

WHEREAS, Canadian Pacific Railway refuses to acknowledge the substantial benefits the CREATE Program has already delivered and will deliver as more projects are constructed; and

WHEREAS, Canadian Pacific believes the only way to generate new rail capacity is through the hostile takeover proposal of Norfolk Southern and not by working collaboratively with federal, state, and local public agencies to complete more of the CREATE Program; and

WHEREAS, The Chicago Transportation Coordination Office "CTCO", located at 1501 South Canal Street, was established by the railroads to better coordinate operational planning by appointing a senior transportation official from each respective company to be physically located in one building; and

WHEREAS, Canadian Pacific removed its senior transportation official from the CTCO and is the only Class I freight railroad not to participate in the CTCO; and

WHEREAS, The Chicago rail network is simply too complex and important for the nation's economy for any railroad to unilaterally decide it no longer needs to work collaboratively with public agencies and the rest of the railroad industry; and

WHEREAS, Norfolk Southern and Canadian Pacific interchange volumes through Chicago are too small to make a difference on congestion if a merger were to occur, accounting for approximately 1.5 percent of Chicago freight volumes; and

WHEREAS, Canadian Pacific and Norfolk Southern do not physically connect in Chicago leading to an even heavier reliance upon the Belt Railroad of Chicago and Indiana Harbor Belt, two already congested terminal railroads with several conflicts with commuter and passenger trains; and

WHEREAS, Any discussion of alternative gateways diverting freight trains should be carefully scrutinized as these few alternative gateways between Canadian Pacific and Norfolk Southern will add hundreds of additional miles for freight rail customers that can be used as alternative interchange points today; and

WHEREAS, Any attempt at a proxy fight where Canadian Pacific and its major shareholders actively move to unseat Norfolk Southern's Board of Directors and senior management will needlessly take away attention from CREATE, the CTCO, passenger and commuter rail collaboration, Chicago rail shippers and Norfolk Southern's ongoing capital investments within the City.

Now, Therefore, The City Council of the City of Chicago, in formal session, does hereby resolve, that the Surface Transportation Board keep the best interests of the economy and citizenry of the City of Chicago uppermost in mind in reviewing the hostile takeover of Norfolk Southern proposed by Canadian Pacific.

Burton Natarus, former alderman of 42nd Ward;

Patrick Levar, former alderman of 45th Ward;

Moore, Cochran, Zalewski, Solis, Burnett, Ervin, Reboyras, Sposato, Laurino, O'Connor, Reilly, Cappleman, Pawar and J. Moore, rose to express their respect, friendship and best wishes to Alderman Burns as he embarks on his new career in the private sector.

Addressing the City Council and assembled guests, the Honorable Rahm Emanuel, Mayor, then rose and expressed his appreciation to Alderman Burns for his dedicated service to the residents of the 4th Ward and the people of Chicago. Alderman Burns has always maintained

an incredible work ethic, the Mayor observed, and whether as a member of the Illinois House of Representatives or the Chicago City Council he has fought tirelessly on behalf of his constituents. A man of strong character, conviction and intellect, Alderman Burns was a leading advocate in the reform of the city's ethics and minimum wage policies, the Mayor noted, and he did so with diplomacy and fairness. During his tenure with the Chicago City Council Alderman Burns garnered the accolades of aldermanic colleagues and the confidence and friendship of those he worked with and for, the Mayor continued, and we wish him continued success on behalf of a proud and grateful city.

Alderman Burns next rose and conveyed his gratitude to Mayor Emanuel and the members of the City Council for their support and good wishes. Reflecting on his rewarding tenure as a member of the City Council, Alderman Burns spoke of the challenging yet rewarding nature of aldermanic service. Aldermen are often the first and only resource for many residents needing assistance, Alderman Burns noted, and the relentless schedule that accompanies this responsibility places a heavy burden not only on elected officials but also on family members and loved ones. Although aldermen are often pejoratively portrayed in the press, they are in reality Chicago's true heroes, Alderman Burns continued, and despite differing opinions and courses of action the members of the City Council have always been singular in their efforts to improve the quality of life for all Chicagoans. Alderman Burns again thanked the Mayor and members of the City Council for their recognition and friendship and declared his honor and privilege for having served as a member of this distinguished legislative body.
