Pursuant to the City's home rule powers, as provided by Article VII, Section 6 of the 1970 Illinois Constitution, any proceeding under the provisions of the Local Improvement Act, 65 ILCS 5/9-2-1, et seq. and the Special Assessment Supplemental Bond and Procedures Act, 50 ILCS 460/1, et seq., may be initiated and may proceed in accordance with the following:

(a) Notwithstanding 65 ILCS 5/9-2-9, ~~as amended,~~ the following provisions shall apply to the proceeding:

"The proposed local improvement may consist of the acquisition of the necessary interests in real property and the construction of any public improvement or any

combination of public improvements, including, but not limited to, streets, storm sewers, water mains, sanitary sewers, sidewalks, walkways, bike paths, parks, landscaping, recreation areas, lighting improvements, signage improvements, vehicular parking improvements, any additional improvements necessary to provide access to the public improvements and all necessary appurtenances, in a local contiguous area pursuant to a single special assessment project, provided that in assessing each lot, block, tract and parcel of property, the commissioner so assessing shall take into consideration whether each lot, block, tract or parcel is benefitted by all or only some of the improvements combined into the single special assessment project. For purposes hereof, a local contiguous area shall be defined as an area in which all of the lots, blocks, tracts or parcels located within the boundaries thereof will be benefitted by one or more of the proposed improvements. The fact that more than one improvement is being constructed as part of a single special assessment project shall not be grounds for an objection by an assessee to the special assessment proceeding in court".

For purposes of special assessment proceedings undertaken by the City, the term "local contiguous area", as used in this subsection and in the Local Improvement Act, shall include an area in which one or more portions thereof are connected to the other portion or portions thereof by the full width of, or half the width of, a dedicated right-of-way, provided said right-of-way will be improved as part of the special assessment.

(a-5) For purposes of special assessment proceedings undertaken by the City, the term "contiguous property", as used in the Local Improvement Act, shall include an area in which one or more portions thereof are connected to the other portion or portions thereof by the full width of, or half the width of, a dedicated right-of-way, provided said right-of-way will be improved as part of the special assessment.

(b) Notwithstanding 65 ILCS 5/9-2-62, ~~as amended,~~ the following provisions shall apply to the proceeding:

"No special assessment or special tax shall be levied for any local improvement until the City, or another unit of local government pursuant to an intergovernmental agreement between the City and said other unit of local government, has obtained, or has entered into a binding contractual agreement to obtain, an appropriate permanent interest in the land necessary therefor, as determined by the City. An appropriate permanent interest in the land necessary for a local improvement shall include, but shall not be limited to, fee title, a permanent easement, an easement which converts to fee title after the passage of a specific period of time, a dedication, a limited dedication of air rights at a specific height above ground level, or any combination thereof".

(c) Notwithstanding 50 ILCS 460/55, ~~as amended,~~ the following provisions shall apply to the proceeding:

"In the event that the county clerk does not agree to mail such bills, or in the event that the City declines to request the county clerk to mail said bills, the City still may bill the annual amount due as of January 2nd in two even installments to become due

on or about the due dates for the real estate tax bills issued by the county clerk during the year in which such January 2nd date occurs, thus deferring to later dates in said year the obligation to pay the assessment installment".

(d) The following provisions shall apply to special assessment proceedings undertaken by the City, as a substitute for and in lieu of the provisions of 65 ILCS 5/9-2-139:

"The estimate of cost of the improvement, and the ordinance providing for the prescribed assessment, may provide that a certain sum, not to exceed six percent (6%) of the amount of the assessment, shall be applied toward the payment of the specified and other costs of making, levying and collecting the assessment, and may also provide an item setting forth a reserve for deficiency in interest not to exceed six percent (6%) of the amount of the assessment. The foregoing limitation shall not apply to the costs of engineering, inspection and testing connected with any local improvement, but these costs, in their entirety, may be included in the estimate of cost of the improvement to be defrayed by the special assessment".

~~(d)~~(e) In addition, the City Council may on a case by case basis, provide for further amendments to the application of other provisions of the Local Improvement Act, 65 ILCS 5/9-2-1, et seq. and the Special Assessment Supplemental Bond and Procedures Act, 50 ILCS 460/1, et seq., to City proceedings that are necessary in order to facilitate a specific special assessment project. Any such further amendments shall be specifically set forth in the ordinance authorizing the specific special assessment project.

In the event of a conflict between the language of the Local Improvement Act, 65 ILCS 5/9-2-1, et seq. and/or the Special Assessment Supplemental Bond and Procedures Act, 50 ILCS 460/1, et seq. with the foregoing, the foregoing provisions shall prevail.

SECTION 2. This ordinance shall take effect upon passage and approval.

Whereas, To induce certain redevelopment pursuant to the Act, the City Council adopted the following ordinances on January 12, 2000, published at pages 22395 through 22522 of the *Journal of the Proceedings of the City Council of the City of Chicago* (the "*Journal*") for said date, as amended by ordinances adopted by the City Council on May 17, 2000 (published at pages 31610 through 31705 of the *Journal* for said date): "Authorization for Approval of Tax Increment Redevelopment Plan for the Western Avenue North Redevelopment Project Area"; "Designation of Western Avenue North Redevelopment Project Area as a Tax Increment Financing District"; and

Whereas, The Board is a taxing district under the Act; and

Whereas, The Western Avenue North Redevelopment Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Amundsen Project, within the boundaries of the Western Avenue North Area; and

Whereas, In accordance with the Act, the Amundsen TIF-Funded Improvements shall include such of the Board's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Western Avenue North Redevelopment Plan, and the City has found that the Amundsen TIF-Funded Improvements consist of the cost of the Board's capital improvements for the Amundsen Facility that are necessary and directly result from the redevelopment project constituting the Amundsen Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-03(u) of the Act.

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Article One:

Incorporation Of Recitals.

The recitals set forth above are incorporated herein by reference and made a part hereof.

Article Two:

The Amundsen Project.

1. The plans and specifications for the Project shall at a minimum meet the general requirements for the Facility as set forth in (Sub)Exhibit 1 hereof and shall be provided to the City by the Board prior to the disbursement of City Funds relating to the Project. The Board shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and. procedures of the Board, all as may be in effect or as amended from time to time, pertaining to or affecting the Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

2. In all contracts relating to the Project, the Board agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

Article Three:

Funding.

1. Upon completion of the Project, the Board shall provide the Department with a Requisition Form, in the form of (Sub)Exhibit 2 hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as (Sub)Exhibit 3 hereto; (ii) evidence of the expenditures upon

TIF-Funded Improvements for which the Board seeks reimbursement; and (iii) all other documentation described in (Sub)Exhibit 2. Requisition for reimbursement of TIF-Funded Improvements out of the City Funds shall be made not more than four times per year (or as otherwise permitted by the Department). The City shall disburse the City Funds to the Board within 45 days after the City's approval of a Requisition Form.. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Project, to the extent that such costs are TIF-Funded Improvements.

2. The current estimate of the cost of the Project is approximately $795,750. The Board has delivered to the Commissioner of the Department (the "Commissioner"), and the Commissioner hereby approves, a detailed project budget for the Project, attached hereto and incorporated herein as (Sub)Exhibit 3. The Board certifies that it has identified sources of funds (including the City Funds) sufficient to complete the Project. The Board agrees that the City will only contribute the City Funds to the Project and that all costs of completing the Project over the City Funds shall be the sole responsibility of the Board. If the Board at any point does not have sufficient funds to complete the Project, the Board shall so notify the City in writing, and the Board may narrow the scope of the Project as agreed with the City in order to construct the Facility with the available funds.

3. Attached as (Sub)Exhibit 4 and incorporated herein is a preliminary list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of City Funds ("Amundsen TIF-Funded Improvements" or "TIF-Funded Improvements"); and to the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Western Avenue North Redevelopment Plan. Prior to the expenditure of City Funds on the Project, the Commissioner, based upon the detailed project budget, shall make such modifications to (Sub)Exhibit 4 as he or she wishes in his or her discretion to account for all of the City Funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act; (ii) qualify as eligible costs under the Western Avenue North Redevelopment Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of City Funds, subject to the terms of this Agreement.

4. If the aggregate cost of the Project is less than the amount of the City Funds contemplated by this Agreement, the Board shall have no claim to the difference between the amount of the City Funds contemplated by this Agreement and the amount of the City Funds actually paid by the City to the Board and expended by the Board on the Project.

5. If requested by the City, the Board shall provide to the City quarterly reports on the progress of the Project and reasonable access to its books and records relating to the Project.

6. During the term hereof the Board shall not sell, transfer, convey, lease or otherwise dispose (or cause or permit the sale, transfer, conveyance, lease or other disposal) of all or any portion of (a) the Amundsen Property or any interest therein, or (b) the Amundsen Facility or any interest therein (each a "Transfer"), or otherwise effect or consent to a Transfer, without the prior written consent of the City. The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the provision of the City Funds hereunder pursuant to the Act.

Article Four:

Term.

The term of the Agreement shall commence on the date of its execution and shall expire on the date on which the Western Avenue North Redevelopment Area is no longer in effect (through and including December 31, 2024).

Article Five:

Indemnity; Default.

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreement directly related to this Agreement, and may suspend disbursement of the City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such

default within 30 days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within 30 days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Exhibit 1 referred to in this ordinance reads as follows:

Exhibit 1.
(To Ordinance)

Intergovernmental Agreement With Board Of Education Of Chicago For Rehabilitation Of Hope College Preparatory High School.

This Intergovernmental Agreement regarding Hope College Preparatory High School (this "Agreement") is made and entered into as of the ____ day of _____, 2016 (the "Agreement Date") by and between the City of Chicago (the "City"), a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, by and through its Department of Planning and Development (the "Department"), and the Board of Education of the City of Chicago (the "Board"), a body corporate and politic, organized under and existing pursuant to Article 34 of the School Code of the State of Illinois.

Recitals.

Whereas, Pursuant to the provisions of an act to authorize the creation of public building commissions and to define their rights, powers and duties under the Public Building Commission Act (50 ILCS 20/1, et seq.), the City Council of the City (the "City Council") created the Public Building Commission of Chicago (the "Commission") to facilitate the acquisition and construction of public buildings and facilities; and

Whereas, The Board operates a school known as Hope College Preparatory High School (the "School") located at 5515 South Lowe Avenue, Chicago, Illinois 60621 (the "Property"); and

Whereas, The Board desires to rehabilitate the School and related improvements (the "Facility"), including the construction of new playgrounds, on the Property to serve the School (the rehabilitation of the Facility shall be referred to herein as the "Project"); and

Whereas, The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended from time to time (the "Act"), to finance projects that eradicate blight conditions through the use of tax increment allocation financing for redevelopment projects; and

Whereas, To induce certain redevelopment pursuant to the Act, the City Council adopted the ordinances on March 29, 2002 (as published in the *Journal of the Proceedings of the City Council of the City of Chicago* (the "*Journal*") for such date at pages 85676 to 85904), as amended by ordinances adopted by the City Council on November 13, 2013 (published at pages 63293 through 63297 of the *Journal* for said date) and on May 28, 2014 (published at pages 80952 through 80955 of the *Journal* for said date): approving and adopting a tax increment financing redevelopment project and plan for the 47th/Halsted Redevelopment Project Area; designating the 47th/Halsted Redevelopment Project Area as a tax increment financing district; and adopting tax increment financing for the 47th/Halsted Redevelopment Project Area (the aforesaid ordinances are

collectively referred to herein as the "47th/Halsted TIF Ordinances", the redevelopment plan approved by the 47th/Halsted TIF Ordinances is referred to herein as the "47th/Halsted Redevelopment Plan" and the redevelopment project area created by the 47th/Halsted TIF Ordinances, as amended, is referred to herein as the "47th/Halsted Redevelopment Area"); and

Whereas, All of the Property lies wholly within the boundaries of the 47th/Halsted Redevelopment Area; and

Whereas, Under 65 ILCS 5/11-74.4-3(q)(7), such ad valorem taxes which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment") may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs (Increment collected from the 47th/Halsted Redevelopment Area shall be known as the "47th/Halsted Increment"); and

Whereas, The Board is a taxing district under the Act; and

Whereas, The 47th/Halsted Redevelopment Plan contemplates that tax increment financing assistance would be provided for public improvements within the boundaries of the 47th/Halsted Redevelopment Area; and

Whereas, The City desires to allocate and use a portion of the 47th/Halsted Increment in an amount not to exceed $287,000 (the "City Funds") for the Project; and

Whereas, In accordance with the Act, the TIF-Funded Improvements (as defined in Article Three, Section 3 hereof) are and shall be such of the Board's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the 47th/Halsted Redevelopment Plan, and the City hereby finds that the TIF-Funded Improvements consist of the cost of the Board's capital improvements for the Facility that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-03(u) of the Act; now, therefore,

In consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Article One:

Incorporation Of Recitals.

The recitals set forth above are incorporated herein by reference and made a part hereof.

Article Two:

The Project.

1. The School, the Facility and the Project are described in (Sub)Exhibit A hereto. The plans and specifications for the Project shall be provided to the City by the Board and approved by the City in the City's discretion. The Board shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

2. In all contracts relating to the Project, the Board agrees to require the contractor (including the Commission, if applicable) to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

Article Three:

Funding.

1. (a) On a quarterly basis (or as otherwise agreed to by the Department), the Board shall provide the Department with a Requisition Form, in the form of (Sub)Exhibit E hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as (Sub)Exhibit G hereto; (ii) evidence of the expenditures upon TIF-Funded Improvements which the Board has incurred; and (iii) all other documentation described in (Sub)Exhibit E. The City shall review and, in the City's discretion, approve each Requisition Form and make the applicable requested and approved disbursement of City Funds, subject to the availability thereof. The availability of the City Funds is subject to the City's compliance with all applicable requirements regarding the use of such funds and the timing of such use. No City Funds shall be disbursed with respect to the Project until the Board has evidenced to the City in writing to the City's satisfaction that the Board owns or otherwise controls the Property, or has the right to enter the Property and undertake such activities as the Board deems necessary prior to owning or otherwise controlling the Property. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Project, to the extent that such costs are TIF-Funded Improvements.

(b) Delivery by the Board to the Department of a Requisition Form hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such Requisition Form, that:

(i) the total amount of the City Funds disbursed in the previously made Disbursement (if any) represents the actual amount paid to the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(ii) all amounts shown as previous payments on the current Requisition Form have been paid to the parties entitled to such payment;

(iii) the Board has approved all work and materials for the current Requisition Form, and such work and materials conform to the plans and specifications for the Project; and

(iv) the Board is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto.

The City shall have the right, in its discretion, to require the Board to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any approval of a Requisition Form by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Board.

(c) [Intentionally omitted.]

(d) [Intentionally omitted.]

(e) (i) The Board's right to receive payments hereunder shall be subordinate to all prior obligations of the City to be paid from 47th/Halsted Increment.

(ii) The City, subject to the terms of this subsection 1 (e)(ii), may, until the earlier to occur of (1) the expiration of the term of this Agreement or (2) the date that the City has paid directly or the Board has been reimbursed in the full amount of the City Funds under this Agreement, exclude up to 90 percent of the Increment generated from the construction value of a new assisted development project and pledge that Increment to a developer on a basis superior to that of the Board. For purposes of this subsection, "a new assisted development project" shall not include any development project that is or will be exempt from the payment of ad valorem property taxes. Further, for purposes of this subsection, "Increment generated from the construction value of a new assisted development project" shall be the amount of Increment generated by the equalized assessed value ("EAV") of such affected parcels over and above the EAV of such affected parcels for the year immediately preceding the year in which the new assisted development project commences (the "Base Year"). Except for the foregoing, the Board shall retain its initial lien status relative to 47th/Halsted Increment.

In the event that the City elects to avail itself of the provisions of this subsection, it shall, at least seven days prior to executing a binding commitment pledging the Increment described above, certify, in a letter to the Board, the affected parcels and the EAV thereof for the Base Year.

(f) [Intentionally omitted.]

(g) The availability of City Funds is subject to: (i) the City's annual retention of 47th/Halsted Increment in an amount necessary for the payment of expenses incurred by the City in the administration of the 47th/Halsted Redevelopment Area; and (ii) the City's compliance with all applicable requirements regarding the use of such funds and the timing of such use.

(h) The Board shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the 47th/Halsted Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements ("Bonds"); provided, however, that any such amendments shall not have a material adverse effect on the Board or the Project. The Board shall, at the Board's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto. The City may, in its sole discretion, use all or a portion of the proceeds of such Bonds if issued to pay for all or a portion of the TIF-Funded Improvements.

2. The current estimate of the cost of the Project is $287,000. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Project, attached hereto and incorporated herein as (Sub)Exhibit G. The Board certifies that it has identified sources of funds (including the City Funds) sufficient to complete the Project. The Board agrees that the City will only contribute the City Funds to the Project and that all costs of completing the Project over the City Funds shall be the sole responsibility of the Board. If the Board at any point does not have sufficient funds to complete the Project, the Board shall so notify the City in writing, and the Board may narrow the scope of the Project as agreed with the City in order to construct the Facility with the available funds.

3. Attached as (Sub)Exhibit H and incorporated herein is a preliminary list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of City Funds ("TIF-Funded Improvements"); and to the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the 47th/Halsted Redevelopment Plan. Prior to the expenditure of City Funds on the Project, the Commissioner, based upon the detailed project budget, shall make such modifications to

(Sub)Exhibit H as he or she wishes in his or her discretion to account for all of the City Funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the 47th/Halsted Redevelopment Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of City Funds, subject to the terms of this Agreement.

4. If the aggregate cost of the Project is less than the amount of the City Funds contemplated by this Agreement, the Board shall have no claim to the difference between the amount of the City Funds contemplated by this Agreement and the amount of the City Funds actually paid by the City to the Board and expended by the Board on the Project.

5. If requested by the City, the Board shall provide to the City quarterly reports on the progress of the Project and reasonable access to its books and records relating to the Project.

6. [Intentionally omitted.]

7. During the term hereof the Board shall not sell, transfer, convey or otherwise dispose of all or any portion of the Facility and/or the Property or any interest therein to a party other than the City (a "Transfer"), or otherwise effect or consent to a Transfer to a party other than the City, without the prior written consent of the City. The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the grant of the City Funds hereunder pursuant to the Act.

Article Four:

Term.

The term of the Agreement shall commence as of the Agreement Date and shall expire on the date on which the 47th/Halsted Redevelopment Area is no longer in effect (through and including December 31, 2026).

Article Five:

Indemnity; Default.

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all agreements directly related to this Agreement, and may suspend disbursement of the City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within 30 days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within 30 days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

19.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (such Owners and all other preceding classes of persons and entities, collectively the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

19.2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

SECTION 20. SHAKMAN ACCORD.

20.1 The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

20.2 The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

20.3 The Developer will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

20.4 In the event of any communication to the Developer by a City employee or City official in violation of Section 32.2 above, or advocating a violation of Section 32.3 above, the Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

SECTION 21. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH CITY.

Failure by the Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer shall at all times comply with Section 2-154-020 of the Municipal Code.

17. **RATIFICATION**. Except as provided in this First Amendment, the terms of the Original Agreement are hereby ratified and confirmed and the parties agree that the provisions contained therein are in full force and effect, as amended hereby, as of the date hereof. Any reference to the "Agreement" shall mean the Original Agreement, as modified by this First Amendment.

18. **CONFLICT**. In case of a conflict between the terms and conditions of the Original Agreement and this First Amendment, the terms and conditions of this First Amendment shall govern and control.

19. **COUNTERPARTS**. This First Amendment may be executed in two or more counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this First Amendment effective as of the day and year first set forth above.

COUNT I

Code Violations – Civil Penalties

7. The City realleges and incorporates paragraphs 1 through 6 as paragraph 7 of Count I.

8. The Municipal Code of Chicago provides that an owner or any person in management or control of any building or premises with violations of the "building provisions, electrical and fire regulations and minimum standards of living and working conditions" set forth in the Code "shall be punished by a fine of not less than $200.00 and not more than $500.00, and each day such violations shall continue shall constitute a separate and distinct offense for which a fine as herein provided shall be imposed." Municipal Code of Chicago §§ 13-12-010, 13-12-040 (2011).

9. The Municipal Code of Chicago further provides: "'Owner' means any person who alone, jointly or severally with others: [s]hall have legal title to any premises, or dwelling units, with or without accompanying actual possession thereof; or [s]hall have charge, care of, control, of any premises, dwelling or dwelling unit as owner or agent of the owner, or an executor, administrator, trustee, or guardian of the estate of the owner. 'Owner' [also] includes the owner, his agent for the purpose of managing, controlling or collecting rents, any other person managing or controlling a building or premises or any part thereof and any person entitled to the control or direction of the management or disposition of a building or premises or of any part thereof." Municipal Code of Chicago § 13-4-010 (2011) (internal numbering omitted). The Code also provides that: "'Person' means any natural individual, firm, trust, partnership, association, joint venture, corporation or other legal entity, in his or its own capacity or as administrator, conservator, guardian, executor, trustee, receiver or other representative appointed by the court. Whenever the word 'person' is used in any section of this code prescribing a penalty, fine, or cost recovery action as applied to partnerships, associations or joint ventures, the word shall include the members thereof, and as applied to corporations shall include the officers, agents or employees thereof who intentionally, recklessly or negligently cause or allow any violation of the section." Municipal Code of Chicago § 1-4-090(e) (2011).

10. The City seeks the maximum fine of $4,500.00 against each defendant who is an owner for each day said defendant(s) maintained the building on the subject property with such violations or allowed the subject property to remain with such violations.

WHEREFORE, the City requests that this Court enter an order:

A. Assessing civil penalties against each defendant who is an owner for each day from the date such violation was initially found to the date such violation was brought into compliance, said penalty calculated in accordance with Section 13-12-040 of the Municipal Code of Chicago; and

B. Granting any other relief that this Court deems appropriate.

COUNT II

Failure to Meet Minimum Code Requirements - Injunctive Relief

11. The City realleges and incorporates paragraphs 1 through 6 as paragraph 11 of Count II.

12. All buildings in the City of Chicago must meet the minimum requirements for electrical, plumbing, heating and ventilation, and general building systems. Municipal Code of Chicago §13-196-010 (2011).

13. The subject property fails to meet the minimum requirements of the Municipal Code as described in the preceding paragraphs.

14. The Injunction Statute for Building and Zoning Violations provides, in pertinent part, that:

> In case any building or structure, including fixtures, is constructed . . . or maintained, or any building or structure, including fixtures, or land, is used in violation of an ordinance or ordinances . . . the proper local authorities of the municipality . . . in addition to other remedies, may institute any appropriate action or proceeding . . . (4) to restrain, correct or abate the violation.

65 ILCS 5/11-13-15 (West 2010); *see also* Municipal Code of Chicago § 13-12-070 (2011) (City may obtain an injunction requiring compliance with the provisions of the Building Code).

15. Preliminary and permanent injunctive relief is necessary to abate the conduct of those defendants who own, control, or otherwise manage the subject property in violation of the requirements of the Municipal Code of Chicago.

16. Moreover, the failure of the defendants who own, control, or otherwise manage the subject property to maintain the subject property according to the minimum requirements of the Municipal Code of Chicago constitutes an ongoing injury to the public health, safety and welfare, for which there is no adequate remedy at law. *See* Municipal Code of Chicago § 13-12-010 (2011) ("In interpreting and applying said provisions of this code, such provisions shall in every instance be held to be the minimum requirements adopted for the protection and promotion of the public health, safety and welfare"). The entry of civil penalties alone against these defendants cannot adequately abate this public nuisance.

17. Where a statute or ordinance authorizes injunctive relief, a municipality need only show that the statute or ordinance was violated to obtain injunctive relief. *See Allied Waste Transp.*, 334 Ill. App. 3d at 228-29; *Krisjon*, 246 Ill. App. 3d at 959; *Piotrowski*, 215 Ill. App. 3d at 834-35.

WHEREFORE, the City requests that this Court enter an order:

A. Granting preliminary and permanent injunctive relief requiring the defendants who own, control, or otherwise manage the subject property to abate all violations of the Municipal Code of Chicago; and

B. Granting any other relief that this Court deems appropriate.

COUNT III

Unsafe Property Provisions – Equitable Relief

18. The City realleges and incorporates paragraphs 1 through 6 as paragraph 18 of Count III.

19. The Unsafe Property Statute provides, in pertinent part, that:

> The corporate authorities of each municipality may demolish, repair, or enclose or cause the demolition, repair or enclosure of dangerous and unsafe buildings or uncompleted and abandoned buildings within the territory of the municipality. . . .

65 ILCS 5/11-31-1(a) (West 2010).

20. The Unsafe Buildings Ordinance also authorizes the City of Chicago to seek a court order authorizing the demolition, repair or enclosure of "any building . . . found in a dangerous and unsafe condition or uncompleted and abandoned" within the city limits of Chicago. Municipal Code of Chicago § 13-12-130 (2011).

21. The defendants have violated, and continue to violate, the Unsafe Property Statute and Unsafe Buildings Ordinance by allowing the subject property to remain in a dangerous and unsafe condition posing a danger to the public health, safety, and welfare.

22. The levying of a fine is not an adequate remedy for the unsafe conditions at the subject property.

23. Where a statute or ordinance authorizes injunctive relief, a municipality need only show that the statute or ordinance was violated to obtain such relief. *See Village of Riverdale v. Allied Waste Transp., Inc.*, 334 Ill. App. 3d 224, 228-29 (1st Dist. 2002); *City of Chicago v. Krisjon Constr. Co.*, 246 Ill. App. 3d 950, 959 (1st Dist. 1993); *City of Chicago v. Piotrowski*, 215 Ill. App. 3d 829, 834-35 (1st Dist. 1991).

WHEREFORE, the City requests that this Court enter an order:

A. Requiring the defendants to repair, enclose, clean-up, or demolish the building(s) on the subject property with proper permits issued by the City of Chicago;

B. Alternatively, appointing a receiver to correct the conditions alleged in the Complaint with full powers of receivership, including the right to issue and sell receivers certificates in accordance with Section 5/11-31-2 of Chapter 65 of the Illinois Compiled Statutes, as amended;

C. Alternatively, authorizing the City of Chicago to repair, enclose, clean-up, or demolish the building(s) on the subject property pursuant to 65 ILCS 5/11-31-1(a) and Municipal Code of Chicago § 13-12-130, and assessing the costs of such activity as a judgment against the defendants, and as a lien against the subject property;

D. Permitting foreclosure of any City of Chicago liens entered against the subject property in this proceeding, pursuant to Section 5/11-31-1(c) of Chapter 65 of the Illinois Compiled Statutes, as amended;

E. Awarding to the City court costs, attorney's fees, and other costs related to the enforcement of Section 5/11-31-1(a) of Chapter 65 of the Illinois Compiled Statutes, as amended, against the defendants; and

F. Granting any other relief that this Court deems appropriate.

COUNT IV

Improperly Maintained Building or Structure – Injunctive Relief

24. The City realleges and incorporates paragraphs 1 through 6 as paragraph 24 of Count IV.

25. Section 13-12-145(a) of the Building Nuisance Abatement Ordinance declares a building a nuisance subject to abatement if it is:

> a building or structure found to be vacant and open after the effective date of an order to secure and enclose issued by a court of competent jurisdiction or the department of administrative hearings within the previous 12 months, unless stayed by a court of competent jurisdiction; (2) a building or structure that contains any violation of a health, fire, electrical, plumbing, building or zoning provision of this code which is imminently dangerous and hazardous; (3) a building or structure for which the costs of the repairs necessary to bring the building or structure into compliance with applicable laws would exceed the market value of the building or structure after the repairs would have been made, or when the owner cannot show that it has readily available and sufficient assets to make such repairs or where such repairs otherwise are economically infeasible; or (4) a building or structure where an owner has failed to correct the code violation(s) that form the basis of an adverse order or judgment involving that building or structure, issued by a court of competent jurisdiction or a hearing officer of the department of administrative hearings, within 60 days of entry, unless such adverse order or judgment has been stayed by a court of competent jurisdiction.

See Municipal Code of Chicago § 13-12-145(a) (2011).

26. The building or structure on the subject property is a nuisance as defined by the Building Nuisance Abatement Ordinance in that the building or structure contains violations of health, fire, electrical, plumbing, building and/or zoning provisions of the Municipal Code which are imminently dangerous and hazardous, and, further, that the owner(s) cannot show that he/she/they/it has readily available and sufficient assets to make all necessary repairs.

27. Section 13-12-145(c) authorizes the Corporation Counsel to bring an action in a court of competent jurisdiction to abate a public nuisance as defined in that section. *See* Municipal Code of Chicago § 13-12-145(c) (2011).

28. Civil penalties alone are an inadequate remedy for the conditions that exist at the subject property.

WHEREFORE, the City requests that this Court enter an order:

A. Finding the building to be a nuisance under Sections 13-12-145(a) of the Municipal Code of Chicago;

B. Assigning or forfeiting the defendants' rights, title and interest in the subject property to the City of Chicago or a third party designated by the City;

C. Permitting the foreclosure in this proceeding of any liens of the City of Chicago levied against the subject property in this case;

D. Awarding the City of Chicago the court costs, attorney's fees and other costs related to enforcement of Section 13-12-145(c) against the Defendants; and

E. Granting any other relief that this Court deems appropriate.

COUNT V

Improperly Maintained Building or Structure - Civil Penalties

29. The City realleges and incorporates paragraphs 24 through 28 as paragraph 29 of Count V.

30. Section 13-12-145(e) of the Municipal Code of Chicago provides that an owner; the owner's agent who manages, controls, or collects rents on the building or structure; the holder of a mortgage lien with a right to possession; or any person in management or control of any building or structure that is found to be a public nuisance violates that section and shall be fined not less than $200.00 per day, nor more than $1,000.00 per day for each day the nuisance has existed until the nuisance is abated. Municipal Code of Chicago §13-12-145(e) (2011).

31. The City seeks the maximum fine for each day the Defendants who own, manage, control, collect rent, or who hold a mortgage lien with right to possession on the subject property fail to abate the public nuisance at the property.

WHEREFORE, the City requests that this Court enter an order:

A. Assessing civil penalties against any Defendant who owns, manages, controls, collects rents, or holds a mortgage lien with right to possession on the subject property in the maximum amount per day from the date that the nuisance existed until the date the public nuisance is abated; and

B. Granting any other relief that this Court deems appropriate.

RE: CDOT Streetscape - Project Taj Plaza – 6411 N. Rockwell Avenue, Chicago, Illinois – Account# 57345 – INVOICE #299577

Dear Commissioner Scheinfeld,

I represent Devon NJ, LLC on matters related to the redevelopment agreement by and between the City of Chicago and ASAT, Inc. as recorded June 5, 2007 (the "RDA") governing the development and use of the property now owned by my client located at 6411 N. Rockwell Avenue in the City of Chicago (the "Property"), specifically, the amending of the RDA.

As part of the amendment of the RDA, the city of Chicago, specifically, Alderman Silverstien has asked that your department complete the streetscape services along Rockwell at my client's expense. While this arrangement is acceptable to my client, the estimated cost of the project is $230,000.00 (See attached invoice) and is typically due in advance of any work beginning. I have been in contact with Greg Janes from the city's law department and Michael Volini from CDOT on this matter and my client would like to proceed with the project as follows: a $100,000.00, non-refundable payment to be paid to the Department of Finance on behalf of the Chicago Department of Transportation within seven (7) days of your department's acceptance of this proposal and the remaining balance of $130,000.00 to be paid to the Department of Finance on behalf of the Chicago Department of Transportation upon refinance or sale of the Property, provided however, in the event my client fails to refinance or sell the Property within three (3) months of this writing, payment of the remaining $130,000.00 shall be due and payable immediately. In the event my client fails to pay the $130,000.00 balance within three (3) months of this writing the initial $100,000.00 payment shall be forfeited to CDOT.

Additionally, my client will fully cooperate with CDOT in securing lien rights against the Property to secure payment of the $130,000.00 balance. My client hereby acknowledges that CDOT will not begin work on the streetscape project until the entire $230,000.00 has been paid to CDOT.

It is also understood that the $230,000.00 price for the project is only an estimate and that my client will be refunded the difference between the $230,000.00 and the final actual cost of the project.

I hope this arrangement is acceptable to the Department of Transportation and look forward to your response. Thank you in advance for your consideration on this matter. Please contact me with any questions at 312-750-1166.

Very truly yours,

Thomas R. Raines

Section 2.9 - Use of Premises in Compliance with Law.

(a) Airline shall not use or occupy the Premises, or permit the Premises to be used or occupied, or do or permit anything to be done in or on the Premises, in whole or in part, in a manner which would in any way violate any certificate of occupancy affecting the Premises, or make void or voidable any insurance then in force with respect thereto, or which may make it impossible to obtain fire or other insurance thereon required to be furnished by Airline under this Lease, or which will constitute a public or private nuisance, or which will disrupt the safe, efficient, and normal operations of the Airport.

(b) Airline shall not use or occupy the Premises, or permit the Premises to be used or occupied, in whole or in part, in a manner which may violate, and Airline shall at all times comply with, any and all present and future, ordinary and extraordinary, foreseen and unforeseen, laws, statutes, rules, regulations, codes, directives, ordinances, or requirements of any federal, state, or municipal governments or of any other governmental, public, or quasi-public authorities now existing or hereafter created (collectively, "**Laws**"), to the extent such governments or authorities have jurisdiction over the Premises, or the Airport, whether or not the City also is liable for compliance.

(c) Airline may, in good faith (and whenever necessary, in the name of, but without expense to, the City), contest the validity of any such Laws and, pending the determination of such contest, may postpone compliance therewith, except that Airline shall not so postpone compliance therewith as to subject the City to the risk of any fine or penalty, loss of any permit or license, adverse impact on the Airport or Airport operations, or prosecution for a crime, or to cause the Premises or any part thereof to be condemned or to be foreclosed upon.

Section 2.10 - Commencement of Operations. Airline shall take possession of the Premises promptly upon the full execution and delivery of this Lease by Airline and the City, and shall thereafter pursue the planning, construction, and completion of the Airline Improvements with all commercially reasonable diligence. Airline's use and occupancy of the Premises, and all of Airline's activities thereon, shall be and remain subject to all of the terms and provisions of this Lease, except that Airline shall not be obligated to commence paying Base Rent until the Commencement Date.

Section 2.11 - Restrictions on Airline. Except as may otherwise be expressly provided in this Lease, Airline may not, without the prior written consent of the City in each instance, which consent may be granted or withheld by the City in its sole and absolute discretion:

(i) Place, construct, or maintain in, on, or about the Premises any advertisement media, including, without limitation, searchlights, flashing lights, loudspeakers, phonographs, televisions, radios, antennas, or other similar media or device;

(ii) Solicit business or distribute handbills or other advertising or promotional materials in, on, or about the Premises, or other buildings and structures in the area of the Airport;

(iii) Use or permit any portion of the Premises to be used as living or sleeping quarters or any purpose other than the Permitted Use;

(iv) Sell, distribute, display, or offer for sale any items not associated with air transportation business, unless expressly permitted pursuant to an agreement with the Airport;

(v) Do or permit to be done anything in connection with Airline's occupancy or advertising which, in the City's reasonable judgment, may reflect unfavorably on the City or the Airport, or may confuse or mislead the public as to any apparent partnership or similar relationship between the City and Airline. Airline shall not have or acquire any property right or interest in the name "Chicago O'Hare International Airport" or any variation thereof;

(vi) Except as expressly provided to the contrary in this Lease, conduct any auction, fire, bankruptcy, distress, clearance, or going-out-of-business sale on the Premises or post any sign or advertisement regarding such activity in or about the Premises;

(vii) Use or permit the Premises to be used in any manner or permit anything to be brought into or kept therein which would (a) violate the certificate of occupancy for the Premises, (b) cause structural injury to any part of the Premises, (c) impair or interfere with the proper operation and maintenance of the Airport, or (d) violate any of Airline's other obligations under this Lease or the Airport Use Agreement; or

(viii) Permit a work of visual art, as defined in 17 U.S.C. § 107, to be installed in the Premises. In addition, any request by Airline to the City to grant its written consent to such installation shall be accompanied by a written waiver, in a form acceptable to the City, of the artist's rights under the Visual Artists Rights Act of 1990, Pub. L. 101-650.

ARTICLE 3
TERM

Section 3.1 - Term of Lease. The term of this Lease shall be for the Term. This Lease shall become effective on the Effective Date and shall continue through the Expiration Date, unless sooner terminated or extended in accordance with the terms and provisions hereof. Promptly following the determination thereof, the City and Airline shall enter into the Confirmation in substantially the form attached as *Exhibit G* hereto.

Section 3.2 - Operation of Premises after Term. In the event of continued occupancy by Airline of all or a portion of the Premises after expiration or termination of this Lease with the City's consent, such occupancy shall constitute a month-to-month lease on the same terms and conditions as this Lease and the Rent payable by Airline for such continued occupancy shall be at the same rate of the Rent last payable, on a per diem basis, during the last Lease Year falling within the Term; provided, however, in the event that the City notifies Airline in writing at any time following such expiration or termination of this Lease that Airline is required to vacate and surrender the Premises to the City and Airline fails to do so within thirty (30) days following such notice, Airline shall thereupon commence paying Rent for the Premises at 150% of the annual rate of the aggregate Rent last payable, on a per diem basis, during the period immediately preceding such notice from the City, which rate shall increase to 200% of the annual rate of the aggregate Rent last payable, on a per diem basis, during the period immediately preceding such notice from the City if such failure continues for sixty (60) days following such notice. Except as expressly provided to the contrary hereunder, no occupancy by Airline after the expiration or other termination of this Lease shall be construed to extend the Term. In addition, in the event that the City notifies Airline in writing to vacate and surrender the Premises to the City as aforesaid and Airline fails to do so within thirty (30) days following such notice, Airline shall be liable for any and all damages,

consequential as well as direct, sustained by the City by reason of Airline's continued occupancy from and after the expiration of such 30-day period.

Section 3.3 - Return of the Premises. At the termination or expiration of this Lease, Airline shall vacate, surrender, and return the Premises (inclusive of the Airline Improvements constructed thereon) to the City in good condition and repair, subject to ordinary wear and tear and damages due to casualty – in the event the lease is terminated as a result of casualty damage as provided in Section 7.4(c), and Airline shall remove all personal property, trade fixtures, and equipment, if any, of Airline (but excluding the Airline Improvements, or any portion(s) thereof, unless otherwise directed by the City) from the Premises prior to the date of termination. Airline shall repair any and all damage to the Premises caused by Airline's removal of the personal property, trade fixtures, and equipment, if any. All such removal and repair required of Airline pursuant to this Section 3.3 shall be at Airline's sole cost and expense. If Airline fails to remove any items required to be removed by Airline hereunder or fails to repair any resulting damage prior to or within ten (10) days after termination of this Lease, then the City may (but shall not be obligated to) remove said items, and repair any resulting damage, and Airline shall pay the cost of any such removal and repair, together with interest thereon at the Default Rate from and after the date such costs were incurred until receipt of full payment therefor. Airline shall also furnish to the City (as to the existing Airline Improvements if not previously delivered to the City), and the City shall have the right to use (subject to all limitations set forth in any agreement between Airline and the architect or other design professional that prepared the plans and specification), a full set of the "as-built" plans and specifications for all Airline Improvements, and all final reports prepared by or for Airline on the environmental or physical condition of the Premises. Airline shall perform any removal required by the City in accordance with all Environmental Laws (as defined in Article 14 hereof) and otherwise in accordance with Article 14 hereof.

ARTICLE 4
RENT AND FEES

Section 4.1 - Place of Payment. Airline shall pay Base Rent and all other amounts owed to the City under this Lease, all without set-off, deduction, credit, or discount, except as expressly otherwise provided in this Lease, in lawful money of the United States, to the City at the Department of Finance, 333 South State Street, Room 420, Chicago, Illinois 60604, or to such other place or person as the City may direct Airline by written notice. Payment of Rent is independent of every other covenant and obligation in this Lease. The City shall not be obligated to bill Airline for Base Rent. Payment by Airline to the City of compensation pursuant to this Lease shall not be considered to be a tax and shall be in addition to and exclusive of all license fees, rentals, taxes, or franchise fees which Airline may now or in the future be obligated to pay to the City, including, without limitation, under the Airport Use Agreement, any other lease, or any other agreement with the City.

Section 4.2 - Base Rent. Base Rent for the Premises shall be payable commencing on the Commencement Date and thereafter during the Term in accordance with the terms and provisions of *Exhibit A* attached hereto and made a part hereof. Base Rent shall be payable in monthly installments in advance equal to one twelfth (1/12th) of the applicable yearly amount, commencing on the Commencement Date and on the first day of each and every calendar month of the Term thereafter; provided, however, if the Commencement Date is not the first day of any calendar month or the Expiration Date is not the last day of any calendar month, the monthly installment of Base Rent for such month shall be adjusted ratably (based on the number of days of such month within the Term). The Commencement Date shall be established and set forth in the Confirmation to be executed by the parties pursuant to Subsection 3.1 hereof.

Section 4.3 - Impositions. Airline shall pay all Impositions, which may be assessed against any legal or equitable interest of Airline in or to, or otherwise relating to, this Lease, Airline's leasehold interest hereunder, the Airline Improvements, or against the trade fixtures, equipment, installations, improvements, inventory, and personal property of Airline from time to time on or before the same shall become delinquent, and the City shall have no liability or responsibility in connection therewith. Airline may in good faith and with due diligence contest the amount or validity of Impositions by appropriate legal proceedings, so long as such Impositions are paid when due and there is no risk of sale or forfeiture of the Premises or any improvements thereon or any interest therein to satisfy such Imposition. Airline shall furnish the City, within ten (10) days after the date when any Imposition would become delinquent, receipts of the appropriate taxing or other authority, or other evidence reasonably satisfactory to the City, evidencing the payment of the Impositions.

Section 4.4 - Utilities. As part of the Airline Improvements to be constructed hereunder by or at the direction of Airline, Airline shall be solely responsible to cause utility lines and connections to be brought to the Premises. Airline shall be further responsible for connecting, at its sole cost and expense, the Premises to the available utility lines and connections and to obtain from the applicable utility service providers utilities for all required services; provided, however, Airline may not enter into any agreement with any other municipality or local government to provide utility services without notice to, and approval by, the City of the conditions for furnishing such utility service. Airline shall promptly pay for all utility services directly to the appropriate utility companies. The City does not warrant that any utility services will be free from interruptions caused by war, insurrection, civil commotion, riots, acts of God, Government action, repairs, renewals, improvements, alterations, strikes, lockouts, picketing, whether legal or illegal, accidents, inability to obtain fuel or supplies, or any other causes. Any such interruption of utility service shall never be deemed an eviction or disturbance of Airline's use and possession of the Premises or any part thereof, or render the City liable to Airline for damages, or relieve Airline from the performance of Airline's obligations under this Lease.

Section 4.5 - Other Charges. Airline covenants and agrees that the Rent specified in this Article 4 shall be absolutely net to the City, except as expressly provided in this Lease, to the end that this Lease shall yield net to the City the entire Rent, and so that all costs, fees, interest, charges, maintenance and operating expenses, utility charges, water rates, electricity charges, gas charges, and Impositions (as hereinafter defined) levied, assessed upon, or related to the Premises, or any part thereof, or the use or occupancy thereof, or upon any buildings or improvements at any time situated thereon, or levied or assessed upon the leasehold interest created hereby, during the Term, shall be the sole responsibility of Airline and shall be due and payable by Airline from time to time as and when due. Notwithstanding the foregoing, it is specifically understood and agreed that there shall be no "double counting" of any obligations of Airline as described in this Section 4.5.

Section 4.6 - Interest on Overdue Amounts. Rent and any additional rent or other charges not paid when due shall bear interest at the Default Rate from the due date until paid; provided, however, that interest on overdue Impositions or insurance premiums or other additional rent not payable to the City shall not accrue unless and until the City has expended such amounts following Airline's failure to pay them.

ARTICLE 5
CONSTRUCTION, MAINTENANCE AND REPAIR

Section 5.1 - City Obligations. The City shall not be required to perform any work or construct any improvements, furnish any services or facilities, perform any maintenance, or make any repairs or alterations or environmental remediation or clean-up in or to the Premises throughout the Term hereof.

(a) WITHOUT LIMITATION OF THE FOREGOING, THE CITY MAKES NO WARRANTY OF ANY TYPE WHATSOEVER, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION OF THE PREMISES OR THAT THE PREMISES SHALL BE SUITABLE FOR AIRLINE'S PURPOSES OR NEEDS OR FOR THE PERMITTED USE.

Section 5.2 - Americans With Disabilities Act. Airline shall cause the Airline Improvements to be constructed by or at the direction of Airline to comply with Title III of the provisions of the Americans with Disabilities Act of 1990, as hereafter amended from time to time, and regulations promulgated thereunder, whether or not such obligation is also imposed upon the owner of the Premises, and the other provisions of Subsection 6.1(f) of this Lease. Such modifications and improvements shall be made pursuant to the provisions of Section 5.3 hereof.

Section 5.3 - Construction of Airline Improvements. Airline covenants and agrees and it is an express condition of this Lease that Airline shall, with due diligence and at Airline's sole cost and expense, commence, pursue, and complete the construction within the Premises of the Airline Improvements, all in accordance with this Section 5.3, Section 5.8 hereof, and other terms and provisions of this Lease.

(a) Airline may not commence construction of the Airline Improvements in the Premises without the City's prior written approval of the Airline Improvement Plans relating thereto, which approval shall not be unreasonably withheld, conditioned, or delayed, and receipt of all necessary City, County, and other governmental approvals, licenses, and permits in connection therewith.

(b) Following approval of its Airline Improvement Plans hereunder, and subject to compliance with the other terms and provisions hereof, Airline shall notify the City in advance of the date on which Airline will commence construction of its Airline Improvements in the Premises and its proposed construction schedule with respect thereto.

(c) Prior to commencement of construction (and to the extent required), Airline will procure the approval of the final Airline Improvement Plans by any and all federal, state, municipal, and other governmental authorities, offices, and departments having jurisdiction of the Premises, including, without limitation, the FAA and DOJ. The City will cooperate (at no additional cost or expense to the City) with Airline in procuring such approval, provided that the City shall have given reasonably prior approval to such final Airline Improvement Plans.

(d) Neither the approval by the City of the Airline Improvement Plans, nor any other action taken by the City with respect thereto under the provisions of this Lease, shall constitute an opinion or representation by the City as to the sufficiency of said Airline Improvement Plans, or any other design standards as the City shall have in effect from time to time, compliance with any Laws, or any ability of Airline to receive any permits from any department or agency of the City or other jurisdictions, nor impose any present or future liability or responsibility upon the City. Approval shall not constitute approval of the City or its departments or agencies for any construction, extension, or renovation of any public utilities or public ways which may be necessary to service the Premises. In any case where more than one standard, code, regulation, or requirement applies to construction or the Airline Improvement Plans, the strictest shall control.

(e) Prior to the execution of any contracts for construction, engineering, or architectural services, Airline shall furnish to the City the names of the person or entity whom Airline desires to employ. Such architect, engineer, and contractor shall be licensed in the discipline being contracted for, experienced in design and construction of improvements comparable to those for which its

services are being required by Airline, and airport-related work, not be listed on any local, state, or federal non-responsible bidders' list, and not be debarred by the City or under any state or federal statute, regulation, or proceeding. Upon s written request by the City, Airline shall deliver to the City copies of its contracts with the design architect and engineer and the general contractor.

(f) Airline shall cause its contractor to secure a performance and payment bonds from an issuer of adequate financial strength.

(g) Airline and City shall agree on the total costs for such Airline Improvements itemizing all costs of design and construction following Airline Improvement Substantial Completion. Airline shall demonstrate with appropriate documentation to the reasonable satisfaction of the City each of the costs associated with the design and construction of any and all improvements. The parties shall than utilize this agreed upon amount for purposes of the amortization schedule in *Exhibit D* and for the buyout rights of the City contemplated in Section 15.

(h) Once commenced, Airline shall diligently prosecute construction, and Airline shall substantially complete the Airline Improvements within three years of the Effective Date of this Lease. For purposes of the Airline Improvements, "**Airline Improvement Substantial Completion**" shall mean the completion, in accordance with the Airline Improvement Plans and applicable Laws, of all Airline Improvements, other than minor punch list items, and shall include issuance of a certificate of substantial completion by the architect and engineer in a customary form reasonably required by the City. If any work does not comply with the provisions of this Lease, the City may, by notice to Airline require that Airline stop the work and take steps necessary to cause corrections to be made.

(i) Airline shall pay all costs of the construction incurred by Airline as and when due, and shall require all contractors to deliver sworn statements of persons furnishing materials and labor before any payment is made and waivers of lien for all work for which payment is made, in order to prevent attachment of mechanic's liens or other liens by reason of work, labor, services, or materials furnished with respect to the Premises.

(j) During the course of construction, Airline, at its sole cost and expense, will carry or cause to be carried, the insurance required to be carried pursuant to Article 7.

(k) During the course of the construction, the City, and its designated employees or agents on behalf of the Department of Aviation with responsibilities relating to the Premises, may enter upon and inspect the Premises for the purpose of verifying that the Airline Improvements are proceeding in accordance with the requirements of the Lease. With respect to any such entry and inspection on behalf of the Department of Aviation, persons requiring entry shall present proper identification to Airline. No right of review or inspection shall make the City responsible for work not completed in accordance with the Airport Improvement Plans or applicable Laws. Airline shall provide to the City upon request Airline Improvement Plans, shop drawings, and specifications relating to such construction.

(l) Without limiting any other requirements of the FAA, the City shall install such general obstruction or warning lights on the exterior of the Premises (collectively, the "**Exterior Lights**") as may then be required to conform to FAA standards or to conform to standards prescribed by the City and any other governmental agency having jurisdiction over the Premises as of the date of Airline Improvement Substantial Completion. Airline shall thereafter be responsible for maintaining, operating, repairing, and replacing any such Exterior Lights during the Term hereof, and shall be further responsible for installing any additional or replacement obstruction or warning lights on the exterior of the Premises as may thereafter be required to conform to FAA standards or to conform to standards prescribed by the

City and any other governmental agency having jurisdiction over the Premises which are first enacted or which first become effective after the date of Airline Improvement Substantial Completion.

(m) Any work performed at the direction of Airline, even though performed by Contractors, shall be the responsibility of Airline. During any construction by Airline, Airline shall be solely responsible for the support, maintenance, safety, and protection of the facilities of the City resulting from such construction activities, and for the safety and protection of all persons or employees and of all property therein. All work shall be performed in accordance with (and all Airline Improvements, when completed, shall comply with) the Airline Improvement Plans and other documents submitted to and approved by the City, with such design standards as the City shall have in effect from time to time, Airport and construction conditions in effect at the time of construction, and any other applicable federal, state, or local Laws, and with the project requirements set forth in Article 6 and Article 8 hereof. Airline shall also comply with the additional requirements set forth in *Exhibit C* attached hereto. In the case of any conflict between the terms of *Exhibit C* attached hereto and the terms of this Section 5.3, the stricter provisions shall control. Once work is completed, Airline shall furnish "as built" plans and specifications for the Airline Improvements to the City.

Section 5.4 - **Maintenance and Repair.** Airline shall, at all times during the Term hereof, at its sole cost and expense, operate and keep the interior and the exterior of the Premises in good condition and repair, in a safe, secure, clean and sanitary condition, and in full compliance with any and all applicable Laws and such rules, regulations and standards as the City shall maintain in effect from time to time.-

Any interior signs installed by Airline on the Premises shall be limited to the purpose of identifying Airline (including, without limitation, the trade names, trademarks, logos, and brand names), and not for any third party advertising. The number, general type, size, design, and location of such signs, and any modifications or replacements thereof, shall be subject to the prior written approval of the City in each instance, which approval shall not be unreasonably withheld or delayed so long as such signage complies with applicable Laws and applicable Airport signage standards, and is otherwise consistent with the appearance and architectural integrity of the Premises. Signage shall be approved separately or as part of the Airline Improvement Plans. No roof signs are permitted. All signage shall comply with such design standards and Terminal development guidelines as the City shall have in effect from time to time.

Section 5.6 - **Covenant Against Liens.** No party, including Airline, shall have any right to file any liens against the Premises, the Airport, or any other property of the City, and Airline shall keep the Premises and the Airline Improvements free and clear of liens or claims of liens in any way arising out of the construction, improvement, or use thereof by Airline. Airline shall promptly take such steps as are necessary to release any claim for lien or attempted claim for lien from the Premises arising out of the construction, improvement, or use thereof by Airline. Airline shall not be deemed to be in default hereunder in the event any lien shall attach or shall exist which is prohibited by or which is contrary to or in violation of the provisions of this Lease, (a) if such lien shall arise as a matter of law, but the amount of said lien be not yet due and payable, or (b) if any such lien shall arise and Airline shall continuously, diligently, and in good faith contest the same, or the validity thereof, by appropriate legal proceedings which shall operate to prevent the foreclosure of any such lien, provided that Airline shall give advance written notification to the City that it is the intent of Airline to contest the validity or collection thereof and Airline shall also comply with the further following provisions of this Section 5.6. In the event Airline contests any such lien, Airline shall give a satisfactory indemnity to the City or deposit with the City a letter of credit, cash, or security reasonably satisfactory to the City in an amount equal to the amount of the claim or lien, plus such interest and penalties, court costs, or other charges as the City, any fee mortgagee, or title insurer may reasonably estimate to be payable by Airline at the conclusion of such

litigation or is required to provide insurance over any potential lien. In the event such letter of credit, cash or securities shall be so deposited, the same shall be held until such claim or other imposition shall have been released and discharged and shall thereupon be returned to Airline, less any amounts expended by the City to procure such release or discharge, or any loss, cost, damage, reasonable attorneys' fees or expense incurred by the City by virtue of the contest of such lien.

Section 5.7 - **Ownership of Airline Improvements.** The Airline shall be deemed to own Airline Improvements to be hereafter constructed and shall have exclusive right to the L Stinger gates during the Term, including the extended terms. Upon expiration or termination of this Lease, the City shall be deemed to own all such Airline Improvements, and the same shall be deemed immediately transferred and conveyed to the City.

Section 5.8 - **Alterations.** Airline shall have the right from time to time after the completion of the initial Airline Improvements in accordance with the provisions of Section 5.3 hereof, and at Airline's sole cost and expense, to make alterations and changes ("**Alterations**") in or to the Premises (except as hereinafter provided), provided Airline shall not then be in default in the performance of any of Airline's covenants or agreements in this Lease; and further provided that Substantial Alterations may be made only with the written consent of the City, which consent shall not be unreasonably withheld or delayed. "**Substantial Alterations**" means any Alterations (i) to infrastructure improvements, (ii) to the structure of the Premises or any portion thereof, iii) which would cost more than ten percent (10%) of the replacement cost of the Airline Improvements, or (iv) which would affect the exterior appearance or foot print of the Airline Improvements. The provisions of Section 5.3 shall apply to and shall be complied with by Airline as a condition to the performance of any Substantial Alteration. Furthermore, all Alterations and Substantial Alterations shall be subject to the following:

(a) No Alteration or Substantial Alteration of any kind shall be made without the written consent of the City (which consent shall not be unreasonably withheld) which would (i) change the general design, use, or character of the Premises, (ii) reduce or impair, to any material extent, the value, rentability, or usefulness of the Premises, or constitute waste, or (iii) give to any owner, lessee, or occupant of any other property or to any other person or corporation any easement, right-of-way, or any other right over the Premises, or (iv) violate the terms of the Airport Use Agreement.

(b) Any Alteration or Substantial Alteration shall be made with reasonable dispatch and in a good and workmanlike manner and in compliance with all applicable permits and authorizations and building and zoning Laws and with all other Laws, and in accordance with the orders, rules, and regulations of the National Board of Fire Underwriters or any other body or bodies hereafter exercising similar functions. If any work does not comply with the provisions of this Lease, the City may, by notice to Airline, require that Airline stop the work and take steps necessary to cause corrections to be made.

(c) After completion of Airline Improvements and as part of any Substantial Alteration, Airline shall not demolish the Airline Improvements or any portion thereof without the prior written consent of the City.

(a) To the maximum extent permitted by applicable Laws, Airline shall defend, indemnify, and save the City and each and every official, agent, contractor, employee, officer, trustee, consultant, advisor, and representative of the City, and their respective representatives, successors, and

assigns (each, an "**Indemnified Party**", and, collectively, the "**Indemnified Parties**"), harmless from and against any and all liabilities, suits, judgments, settlements, obligations, fines, liens, damages, penalties, claims, costs, charges, and expenses, including, without limitation, engineers', architects', and attorneys' fees, court costs and disbursements, which may be imposed upon or incurred by or asserted against any Indemnified Party by reason of any of the following acts or omissions of Airline or Airline's officers, agents, employees, contractors, sublessees, guests, invitees, or licensees (collectively, the "**Airline Parties**") occurring during or after (but attributable to a period of time falling within) the Term:

(i) any demolition, razing, or construction of the Airline Improvements, any Alterations or Substantial Alterations, or any other work or thing done in, on, or about the Premises or the Airport, or any portion of any of the foregoing, or easement areas, including any claim that such work constitutes "public works";

(ii) any use, non-use, possession, occupation, alteration, repair, condition, operation, maintenance, or management of the Premises or any portion of any of the foregoing, or any easement areas, to the extent attributable to any act or omission of Airline or any of the Airline Parties;

(iii) any act or failure to act on the part of Airline or any of the Airline Parties;

(iv) any accident, injury (including death), or damage to any person or property occurring in, on, or about the Premises, except to the extent caused by the gross negligence or willful misconduct of the Indemnified Parties;

(v) any failure to perform or comply with any of the covenants, agreements, terms, or conditions contained in this Lease on Airline's part to be performed or complied with (other than the payment of money);

(vi) any lien or claim which may be alleged to have arisen against or on the Premises, or any lien or claim which may be alleged to have arisen out of this Lease and created or permitted to be created by Airline against any assets of the City, or any liability which may be asserted against the City with respect thereto; and

(vii) any action or proceedings brought against the City or the Premises, or any part thereof, by virtue of any violation or alleged violation by Airline or the Premises of any Laws.

(b) Any Indemnified Party shall utilize the following procedure in enforcing any and all claims for indemnification against Airline.

(i) If any claim, action, or proceeding is made or brought against any Indemnified Party against which it is indemnified under Section 7.1(a) hereof, then, the Indemnified Party shall give notice hereunder to Airline promptly after obtaining written notice of any claim as to which recovery may be sought against it or him. If such indemnity shall arise from the claim of a third party, Airline may elect to assume the defense of any such claim and any litigation resulting from such claim at its own

expense; provided, however, that failure by Airline to notify the Indemnified Party of its election to defend any such claim or action by a third party within thirty (30) days after notice thereof shall have been received by Airline shall be deemed a waiver by Airline of its right to defend such claim or action. Any notice given pursuant to this Subsection 7.1(b) shall contain a detailed statement of the nature and basis of the claim, the identity of the claimant, the demand and relief sought or requested by the claimant, and shall be accompanied by copies of all materials in possession of the Indemnified Party which reasonably relate to such claim. Subject to the foregoing provisions of this Subsection 7.1(b), the right to indemnification hereunder shall not be affected by any failure of the Indemnified Party to give such notice or related materials or delay by them in giving such notice or related materials unless, and then only to the extent that, the rights and remedies of Airline shall have been prejudiced as a result of the failure to give, or delay in giving, such notice or related materials.

(ii) If Airline shall assume the defense of an Indemnified Party with respect to such claim or litigation, its obligations hereunder as to such claim or litigation shall include taking all steps necessary in the defense or settlement of such claim or litigation against the Indemnified Party and holding the Indemnified Party harmless from and against any and all damages caused by or arising out of any settlement approved as provided herein, or any judgment in connection with such claim or litigation. Any counsel employed by Airline to represent the City's interest shall be subject to the City's prior approval, not to be unreasonably withheld, conditioned, or delayed. Approval shall not be required with respect to counsel employed by insurance companies providing required coverages under this Lease. Notwithstanding any provision in this Section 7.1 to the contrary, in the event that Airline assumes the defense of such claim or litigation, Airline shall notify the Indemnified Party and the City of all such defenses it proposes to assert and the City may determine, in its sole discretion, whether any of the defenses may be deemed not to be in the best interests of the Airport. If the City determines that any such defense is not in the Airport's best interests: (a) Airline shall not pursue the objectionable defense but shall be obligated to pursue in accordance with this Section 7.1 the remaining defenses to the claim or litigation; and (b) if a judgment or settlement is entered against or made on behalf of the Indemnified Party, Airline shall not have any obligation to indemnify the Indemnified Party under this Section 7.1 for the amount of such judgment or settlement provided that such objectionable defense would have been successful. Airline shall not, in the defense of such claim or litigation, consent to the entry of any judgment (other than a judgment of dismissal on the merits without costs) except with the written consent of the Indemnified Party (which consent shall not be unreasonably withheld) or enter into any settlement (except with the written consent of the Indemnified Party, which shall not be unreasonably withheld) which does not include as an unconditional term thereof the giving by the claimant or the plaintiff to the Indemnified Party, a release from all liability in respect of such claim or litigation. Anything in this Section 7.1 to the contrary notwithstanding, the Indemnified Party may,

with counsel of its choice and at its expense, participate in the defense of any such claim or litigation.

(iii) If Airline shall not assume the defense of any such claim by a third party or litigation after receipt of notice from the Indemnified Party, the Indemnified Party may defend against such claim or litigation in such manner as it deems appropriate, and unless Airline shall, at its option, provide a bond to, or deposit with the Indemnified Party, a sum equivalent to the total amount demanded in such claim or litigation plus the Indemnified Party's reasonable estimate of the costs of defending the same, the Indemnified Party may settle such claim or litigation on such terms as it may reasonably deem appropriate, and Airline shall promptly reimburse the Indemnified Party for the amount of such settlement and for all damage incurred by it in connection with the defense against or settlement of such claim or litigation. If Airline shall provide such bond or deposit, the Indemnified Party shall not settle any such claim or litigation without the written consent of the Airline, which shall not be unreasonably withheld.

(iv) Airline shall promptly reimburse the Indemnified Party for the amount of any judgment rendered and for all damages, costs, reasonable fees, and expenses incurred or suffered by it in connection with the defense against such claim or litigation, except to the extent such damages or judgment is determined to result from the grossly negligent acts or omissions of the Indemnified Party.

(c) Except as otherwise provided by applicable Law, the City shall not be liable to Airline or any of the Airline Parties for any injury to, or death of, any of them or of any other person or for any damage to any of Airline's or any Airline Party's property or loss of revenue, caused by any third person in the maintenance, construction, or operation of facilities at the Airport or the Premises, or caused by any third person using the Airport or the Premises, or caused by any third person navigating any aircraft on or over the Airport or the Premises, nor, to the extent permitted by Law, shall the City have any liability whatsoever to Airline or any Airline Parties for any damage, destruction, injury, loss, or claim of any kind arising out of the use by any of the aforementioned of any parking lot located either on or off the Airport. The City shall not be liable to Airline or any Airline Parties for damage to property of Airline or such Airline Parties, or any loss of revenues to Airline or such Airline Parties, resulting from the City's acts or omissions in the maintenance and operation of the Airport or the Premises or failure to operate the Airport or the Premises.

(d) The obligations of Airline under this Section 7.1 shall survive the expiration or termination of this Lease, and shall not be affected in any way by the amount of or the absence in any case of covering insurance, or by the failure or refusal of any insurance carrier to perform any obligation on its part under insurance policies affecting the Premises or any part thereof.

(e) The City's officials, commissioners, agents, representatives, contractors, and employees shall, to the extent permitted by Law, have absolutely no personal liability with respect to any provision of this Lease or any obligation or liability arising from this Lease or in connection with this Lease or the Premises in the event of a breach or default by the City of any of its obligations hereunder. Airline's officers, directors, employees, agents, representatives, and contractors shall, to the extent permitted by Law, have absolutely no personal liability with respect to any provision of this Lease or any

obligation or liability arising from this Lease or in connection with this Lease or the Premises in the event of a breach or default by Airline of any of its obligations hereunder.

(f) Notwithstanding any other provision of this Lease to the contrary, to the maximum extent permitted by Law, Airline hereby waives any and every claim for recovery from the City and the Indemnified Parties for any and all loss or damage to the Premises or to the contents thereof, which loss or damage is covered by valid and collectable physical damage insurance policies maintained by Airline or any Airline Parties or which would have been recoverable if the insurance required hereunder had been maintained by Airline or any Airline Parties, to the extent that such loss or damage is recoverable, or would have been recoverable, as applicable, under said insurance policies. As this waiver will preclude the assignment of any such claim by subrogation (or otherwise) to an insurance company (or any other person), Airline agrees to give each insurance company which has issued, or in the future may issue, its policies of physical damage insurance, written notice of the terms of this waiver, and to have said insurance policies properly endorsed, if necessary, to prevent the invalidation of insurance coverage by reason of said waiver. Airline shall require any member, subtenant or assignee to include similar waivers of subrogation in favor of the City.

(a) The Airline and its Contractors will furnish the City, Department of Aviation, Real Estate and Finance Division, O'Hare International Airport, 10510 West Zemke Road, Chicago, Illinois 60666, original certificates of insurances and all applicable endorsements evidencing the required coverage to be in force on the date of this Lease, and renewal certificates of insurance and endorsements, or such similar evidence, if coverages have an expiration or renewal date occurring during the Term. The Airline and its Contractors must submit evidence of insurance on an insurance certificate and submit all applicable endorsements upon execution of this Lease. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements of the agreement. The failure of the City to obtain certificates or other insurance evidence from Airline and Contractors must not be deemed to be a waiver by the City of any requirements for the Airline and Contractors to obtain and maintain the specified coverages. Airline and its Contractors must advise all insurers of the provisions of this Lease relating to required insurance coverages. Non-conforming insurance must not relieve the Airline and its Contractors of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Lease, and the City retains the right to stop work or terminate this Lease as provided in Article 10 until proper evidence of insurance is provided.

(b) If Airline and its Contractors fail to obtain or maintain any of the insurance policies under this Lease or to pay any premium in whole or in part when due, the City may (without waiving or releasing any obligation or default by Airline and its Contractors hereunder), upon five (5) days' written notice to Airline and its Contractors and Airline's and its Contractor's failure to submit satisfactory evidence thereof to the City within such 5-day period, obtain and maintain such insurance

policies and take any other action which the City deems reasonable and any costs incurred by the City in obtaining and maintaining such policies, including reasonable attorneys' fees, court costs, and expenses, shall be reimbursed by Airline upon demand by the City.

(c) The Airline and its Contractors must provide for thirty (30) days' prior written notice to be given to the City in the event coverage is substantially changed or canceled.

(d) The Airline and its Contractors must require all subcontractors to provide the insurance required herein. All subcontractors are subject to the same insurance requirements of Airline and Contractors unless otherwise specified in the Lease. Airline and its Contractors must ensure that the City is an additional insured on insurance required from subcontractors.

(e) Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Airline.

(f) The Airline and its Contractors hereby grants to the City a waiver of any right of subrogation which any insurer of said Airline and its Contractors may acquire against the City by virtue of the payment of any loss under such insurance. Airline and its Contractors agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer(s).

(g) The coverages and limits furnished by Airline and its Contractors in no way limit Airline's or its Contractors' liabilities and responsibilities specified within this Lease or by applicable Law.

(h) Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by the Airline and its Contractors under this Lease.

(i) The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law and obligations regarding indemnification and duty to defend are independent from, and not limited by, the required insurance herein.

(j) If Airline and its Contractors are a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

(k) If Airline and its Contractors or their respective subcontractors desire additional coverage, the party desiring the additional coverages is responsible for the acquisition and cost.

(l) If the Airline and its Contractors maintain higher limits than the minimums shown above, the City requires and shall be entitled to coverage for the higher limits maintained by the Airline and its Contractors. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

(m) The City (through its Risk Management Department) maintains the right to modify, delete, alter, or change these requirements upon reasonable prior written notice to Airline to the extent that the City determines, in its reasonable discretion, that such modification, deletion, alteration, or change is reasonably necessary,

(n) The insurance required by this Lease, at the option of Airline, may be effected by blanket or umbrella policies issued to Airline, provided that the policies otherwise comply with the provisions of this Lease and allocate to this Lease the specified coverage, without possibility of reduction or coinsurance.

Section 7.4 - Damage and Destruction By Casualty. In the event of damage to, or destruction of, any Airline Improvements, Alterations, or other Airline work, or of the fixtures and equipment within the Premises (collectively, the "**Airline Work Items**"), by fire or other casualty, Airline shall promptly, at its expense, repair, restore, or rebuild such Airline Work Items to the condition existing prior to the happening of such fire or other casualty (any such activity being a "**Airline Restoration**"). Rent shall not be reduced or abated during the period of such Airline Restoration even if the Premises is not tenantable and the Airline Work Items are not usable, and Airline may not terminate this Lease, except as expressly provided in Subsection 7.4(d) below.

(a) Before Airline commences or causes such Airline Restoration, Airline shall, in connection therewith, comply with the requirements of Article 5 hereof. The City may waive (but shall not be obligated to do so) any requirements of Article 5 after taking into consideration the degree of damage or destruction and Airline Restoration.

(b) Provided that the insurer does not deny liability as to the insureds, and provided Airline is not then in default hereunder, all sums arising by reason of loss under the property insurance required in Subsection 7.2(a)(v) shall be available to Airline for the work. All proceeds shall be payable to the City which may disburse proceeds through an escrow on satisfaction of conditions established by the City (which may include retention requirements, waivers of lien and sworn statements, architect's certificates, and other evidence of satisfactory completion and payment for work) or payable directly to Airline or Contractors, at the City's option. Airline shall deposit with the City any excess cost of the Restoration over the amount held by the City as proceeds of the insurance within thirty (30) days from the date of the determination of the cost of the Airline Restoration; but in no event later than commencement of work. At all times the undisbursed balance remaining in the hands of the City shall be at least sufficient to pay for the cost of completion of the work free and clear of liens; any deficiency shall be paid to the City by Airline. Airline shall diligently pursue the repair or rebuilding of the Airline Work Items (but in any event within the time period in which Airline was required to complete the Airline Improvements under Section 5.3). If Airline does not repair or rebuild the Airline Work Items or proceed diligently to repair or restore the Airline Work Items and fails to cure or correct any such default after notice and expiration of applicable cure periods hereunder, or there are insurance proceeds remaining after repair or rebuilding, all insurance proceeds shall belong to and be payable to the City, and Airline shall assign all such proceeds to the City.

(c) In case of damage or destruction of all or any material portion of the Premises which occurs during the last twelve (12) months of the Term, either Airline or the City shall have the option of terminating this Lease as of the date of such damage or destruction by notice in writing given to the other party within thirty (30) days after the occurrence of such damage or destruction. In such event, the City shall be entitled to the proceeds of any Airline insurance covering any part of the Premises on account of such damage or destruction (excluding any insurance coverage for the Airline's fixtures and equipment Work Items), and Airline shall assign all such insurance proceeds to the City.

ARTICLE 8
AIRPORT MATTERS

Section 8.1 - Airport Conditions. The following covenants, agreements, and restrictions shall apply to Airline's use and occupancy of the Premises, which covenants, agreements and restrictions shall run with the land, for the benefit of the City and its successors and assigns in the ownership and operation of the Airport:

(a) Airline shall neither construct nor permit to stand on the Premises any building, structure, poles, trees, or other object, whether natural or otherwise, exceeding any existing or planned FAR Part 77 surfaces of the Airport, or which would otherwise materially or adversely interfere with the use and operation of the Airport.

(b) Airline shall file a notice consistent with the requirements of FAR Part 77 (FAA Form 7460-1) prior to constructing any facility, structure, or item on the Premises.

(c) City reserves unto itself, its successors and assigns, for the use and benefit of the public, a right of flight for passage of aircraft in the airspace above the surface of the Premises. This public right shall include the right to cause in said airspace any noise inherent in the operation of any aircraft used for navigation or flight through the airspace or landing at, taking off from, or operation on the Airport.

(d) Airline's use of the Premises shall be compatible with noise levels associated with the operation of the Airport, and the City reserves such interest or right as may be necessary to ensure that the Premises will be used only for such purposes.

(e) Airline shall not use or permit any activity which could create a potential for attracting birds or other wildlife which may pose a hazard to aircraft operations at the Airport.

Section 8.2 - Other Legal Requirements. Airline shall comply, and shall cause its contractors to comply, with all applicable federal, state, and local Laws, without limitation, those promulgated by the FAA, which shall include, but not be limited to, the following:

(a) Nothing herein contained shall be construed to grant or authorize the granting of an exclusive right to conduct any business, and the City reserves the right to grant to others the privileges and right of conducting any or all activities at the Airport.

(b) This Lease involves the use of or access to space on, over or under real property acquired or improved in connection with the Airport, and therefore involves activity which serves the public. Airline, for itself, its personal representatives, successors in interest, and assigns, as part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that: (i) no person on the grounds of race, creed, color, religion, age, sex, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities; (ii) that no person on the grounds of race, creed, color, religion, age, sex, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the construction of improvements on, over, or under such land and the furnishing of services thereon; and (iii) that Airline shall use the Premises in compliance with all other requirements imposed by or pursuant to regulations of the U.S. Department of Transportation.

(c) If, and only to the extent that, Airline is then furnishing services in the United States, Airline agrees to furnish such services in compliance with Federal Law and on a fair and not unjustly discriminatory basis to all users thereof, and to charge fair, reasonable, and not unjustly

discriminatory prices for each unit of service; provided, that Airline may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions.

Section 8.3 - **Airport Agreements.** Airline's use and occupancy of the Premises shall be and remain subject to (a) the provisions of any existing or future agreements between the City and the United States government, FAA, or other governmental authority relative to the operation or maintenance of the Airport, the execution of which has been or will be required as a condition precedent to the granting of federal or other governmental funds, including, without limitation, grant agreements, (b) relevant provisions of the Airport Use Agreement (except as it relates to the Airline's ability to utilize the land and gates as provided herein), and (c) relevant provisions of any use agreement heretofore or hereafter executed by the City with airlines operating at the Airport (except as it relates to the Airline's ability to utilize the land and gates as provided herein), and any ordinance or indenture, or both, authorizing bond anticipation notes adopted by the City Council of the City authorizing the issuance of notes, bonds, or other obligations for the Airport and securing such obligations by a pledge of revenues or net revenues of the Airport and any ordinance or indenture supplemental thereto. Upon request, the City shall provide Airline with copies of any such ordinances or indentures which so impact Airline or this Lease. Airline further agrees that it shall not cause the City to violate any assurances made by the City to the federal government in connection with the granting of such federal funds.

Section 8.4 - **Airport Security Act.** This Lease is expressly subject to the Airport Security Act, the provisions of which are hereby incorporated by reference. In the event that Airline, any of the Airline Parties, or any of their respective employees, agents, contractors, subcontractors, suppliers of materials, or providers of services, in the performance of this Lease, has: (i) unescorted access to secured areas located on or at the Airport; or (ii) capability to allow others to have unescorted access to such secured areas, Airline shall be subject to, and further shall conduct with respect to the Airline Parties and any of their respective employees, agents, contractors, subcontractors, suppliers of materials, or providers of services and the respective employees of each, such employment investigations, including criminal history record checks, as the City, the TSA, or the FAA, or any successor entities thereto, may deem necessary. Further, in the event of any threat to civil aviation, as defined in the Airport Security Act, Airline shall promptly report any information in accordance with those regulations promulgated by the Secretary of the United States Department of Transportation and by the City.

Section 8.5 - **Regulating the Airport; Airport Operation.** The City reserves the right to regulate, police, and further develop, improve, reconstruct, modify, or otherwise alter the Airport in the City's sole discretion. The City reserves the right, but shall not be obligated to Airline, to maintain and keep in repair the landing area of the Airport and all publicly owned facilities of the Airport. The City shall not have any obligation to continue to operate the Airport or any part as an airport for passenger or freight air transportation or at any particular level of operation and may at any time limit or discontinue use of the Airport or any means of access to or within the Airport in whole or part. To the extent the City's exercise of such rights materially impact Airline's ability to use the Premises for the Permitted Use, Airline may terminate this lease and the City will be required to reimburse Airline for the unamortized costs provided in Section 15.19.

Section 8.6 - **Rules and Regulations.** Airline shall observe and obey all rules and regulations governing the conduct and operation of the Airport promulgated from time to time by City, county, state, or federal authorities and, in particular, Airline agrees at all times to comply with any master security plan and procedures for the Airport as may be established by City from time to time. In emergency cases, City shall deliver to Airline such emergency rules and regulations as promptly as practical. Upon request, City shall provide Airline with copies of City's current Airport rules and regulations applicable to Airline. Except in cases of emergency, subsequent rules and regulations promulgated by City shall be applicable to Airline fifteen (15) days after notice of the adoption thereof.

Section 8.7 - Annexation. Airline may not request, petition for, or enter into any agreement to annex the Premises to any municipality other than the City of Chicago.

ARTICLE 9
[INTENTIONALLY OMITTED]

ARTICLE 10
DEFAULT AND TERMINATION

Section 10.1 - Event of Default. The occurrence of any of the following shall constitute an "**Event of Default**" hereunder:

(a) The failure by Airline to pay any Rent or other sums payable hereunder, including, without limitation, any Impositions, as required under this Lease when due, and the failure to cure same within ten (10) days after the giving of written notice thereof to Airline;

(b) The failure by Airline on or after the Effective Date of this Lease to perform any representation, warranty, covenant, agreement, or final court order applicable to the Premises required to be performed by Airline under this Lease (other than as covered or described elsewhere in this Section 10.1) and the failure of Airline to remedy such default within a period of thirty (30) days after written notice to Airline, or such additional time as may be reasonably necessary to remedy such default so long as Airline is at all times diligently and expeditiously proceeding to cure such default and in fact cures such default within a reasonable time, but in any event, such additional time shall not extend more than ninety (90) days after the initial written notice to Airline; provided, however, that such additional time beyond thirty (30) days shall not apply to a default that creates an imminent danger to persons or property or that materially or adversely affects the City's interest in the Premises or the Airport, or if the failure or default by Airline is one for which the City (or any official, employee or other agent) may be subject to fine or imprisonment.

(c) If Airline shall suffer or permit any lien or encumbrance to attach to the Premises or the leasehold interest of Airline and Airline shall not discharge said lien or encumbrance within thirty (30) days following written notice thereof, or within ten (10) days prior to any sale or disposition or forfeiture pursuant to such execution, whichever date shall first occur, subject to the provisions of Section 5.6 hereof;

(d) If Airline shall fail to carry all required insurance under this Lease and such failure continues for (i) thirty (30) days after written notice by the City to Airline, so long as the City receives at least thirty (30) days' written notice from the insurer of any change, cancellation or non-renewal thereof as provided in Subsection 7.3(c) hereof, or (ii) ten (10) days after written notice by the City to Airline, in the event that the City receives less than thirty (30) days' written notice from the insurer of any change, cancellation or non-renewal thereof;

(e) Any material misrepresentation (including by omission) made by Airline in this Lease or by Airline or any Person having more than a seven and one-half percent (7.5%) direct or indirect ownership interest in Airline in any affidavit, certification, disclosure, or representation made by Airline or any such Person relied upon by the City in execution of this Lease or in approving any request by Airline submitted to the City in accordance with this Lease;

(f) Failure to comply with an order of a court of competent jurisdiction or proper order of a governmental agency relating to this Lease within the required time period.

(g) The default of Airline under any lease agreement, indemnity agreement, or other agreement Airline may presently have or may enter into with the City during the Term of this Lease which involves criminal, fraudulent, or deceitful acts, and failure to cure said default within any applicable cure period (if any cure period is available). Airline agrees that in case of an Event of Default under this Lease for similar causes, the City also may declare a default under any such other agreements;

(h) Any material permit of Airline allowing it to do business in the City or the County has been revoked and is not reinstated within ten (10) days following such revocation;

(i) The filing by Airline of a voluntary petition in bankruptcy occurring on or after the date of this Lease, or if after the date hereof any involuntary petition in bankruptcy shall be filed against Airline under any federal or state bankruptcy or insolvency act and shall not have been dismissed within sixty (60) days from the filing thereof;

(j) On or after the date of this Lease, the admission, in writing, by Airline of its inability to meet its debts generally as they mature;

(k) The taking by a court of competent jurisdiction for a period of sixty (60) days of all or substantially all of Airline's assets pursuant to proceedings brought under the provisions of any federal reorganization act on or after the date of this Lease when possession is not restored to Airline within sixty (60) days after such taking;

(l) The appointment of a receiver on or after the date of this Lease of all or substantially all of Airline's assets and Airline's failure to vacate such appointment within sixty (60) days thereafter; or

(m) The assignment by Airline on or after the date of this Lease of all or substantially all its assets for the benefit of its creditors.

Section 10.2 - Remedies. If the City so elects, with or without notice or demand, if an Event of Default occurs, the City may exercise any one or more of the following described remedies, in addition to all other rights and remedies provided elsewhere herein or at law or in equity:

(a) The City may terminate this Lease and the Term created hereby, in which event the City may forthwith repossess the Premises and be entitled to recover forthwith as damages: (i) all of the Rent accrued and unpaid for the period up to and including such termination date; (ii) any other sums for which Airline is liable or in respect of which Airline has agreed to indemnify the City under any provisions of this Lease which may be then due and owing; (iii) an amount equal to twelve (12) months of the total Rent then payable hereunder by Airline at the time of such termination (it being acknowledged and agreed by Airline and the City that, in the event of a termination of this Lease following an Airline default hereunder, the City will suffer damages in an amount which, due to the special and unique nature of the transaction contemplated by this Lease and the special and unique nature of the negotiations which preceded this Lease, will be impractical or extremely difficult to determine, and such amount represents a reasonable estimate of the damages which the City will sustain in the event of a termination of this Lease following an Airline default hereunder), provided, however, if the City enters into an agreement for the Premises with a new Airline (a "**New Lease**"), the amount payable under this Clause (iii) shall in no event exceed the amount of Rent that would otherwise be due and payable by Airline for the period commencing on the date of termination of this Lease and continuing through and including the date on which rent commences under such New Lease; and (iv) any damages in addition thereto, including reasonable attorneys' fees and court costs, which the City sustains as a result of the breach of any of the

covenants of this Lease other than for the payment of Rent. The parties agree that for curable events of default such as 10.1(a), (d),(e) or (h) they will work together to remedy and cure such events of default in order to avoid a termination, even if such timeframes exceed the applicable cure periods provided herein. If the Airline indicates or notifies the City it has no intention on curing such defaults, then the City may proceed with the remedies provided hereunder, including termination.

(b) The City may terminate Airline's right of possession and may repossess the Premises by taking peaceful possession or otherwise as provided in this Section 10.2 without terminating this Lease or releasing Airline, in whole or in part, from Airline's obligation to pay Rent hereunder for the full Term. Upon and after entry into possession without termination of this Lease, the City may relet the Premises or any part thereof for the account of Airline, for such rent, for such time, and upon such terms as shall be satisfactory to the City, and the City shall not be required to accept any airline offered by Airline nor to observe any instructions given by Airline about such reletting. For the purpose of such reletting, the City is authorized to make any reasonably necessary repairs, alterations or additions in or to the Premises. If the Premises are relet and a sufficient sum shall not be realized from such reletting after paying all of the costs and expenses of such repairs, changes, alterations, and additions and the other expenses of such reletting and of the collection of the rent accruing therefrom to equal or exceed the Rent provided for in this Lease for the balance of its Term, Airline shall satisfy and pay such deficiency upon demand therefor;

(c) The right to specific performance, an injunction, or other appropriate remedy;

(d) The right to money damages, including special and consequential damages;

(e) The right to deem Airline non-responsible in future procurements by the City;

(f) In case of a default described in Subsection 10.1(b) relating to Airline's obligations under Article 5 (including, without limitation, with respect to the Airline Improvements under Section 5.3 or any Alterations under Section 5.8), the right to take over construction of work, at Airline's cost. Without limiting any other rights of the City, in the event the City takes over the work, the City shall be entitled to exercise all rights under the collateral assignments and other security granted to or available to City under this Lease, and sureties thereunder shall remain liable to the City upon such other security, and the proceeds thereof shall become the property of the City;

(g) The right to draw under the Security Deposit or the Letter of Credit, as the case may be, and to use the proceeds thereof to pay or reimburse the City for performance of Airline's obligations or compensate the City for any damages owed to the City by Airline. The City agrees that, with respect to any Event of Default hereunder which can be cured to completion by the payment of money, the City shall, before exercising any of its other rights and remedies under this Section 10.2, but without prejudice to any such other rights and remedies, and without limiting Airline's obligation to replenish the same, first draw upon or attempt to draw upon the Security Deposit or the Letter of Credit, as the case may be, and apply the proceeds of such draw towards the cure of such monetary Event of Default; and

(h) The right (but not the obligation) to cure any Event of Default hereunder, and if the City so elects, any and all costs and expenses incurred by the City in curing such default shall be deemed additional Rent hereunder, and shall be paid by Airline to the City within thirty (30) days following the City's invoice therefor, and if not paid within such 30-day period, shall bear interest at the Default Rate.

Section 10.3 - Other Provisions.

(a) If the City exercises the remedies provided for in Subsection 10.2(a) or Subsection 10.2(b) above, Airline shall surrender possession and vacate the Premises or appropriate portion thereof immediately and deliver possession thereof to the City, and Airline hereby grants to the City full and free license to enter into and upon the Premises in such event and take complete and peaceful possession of the Premises, to expel or remove Airline and any other occupants and to remove any and all property therefrom without being deemed in any manner guilty of trespass, eviction, forcible entry and detainer, or conversion of property and without relinquishing the City's right to rent or any other right given to the City hereunder or by operation of law.

(b) All property removed from the Premises by the City pursuant to any provisions of this Lease or by law may be handled, removed, or stored in a commercial warehouse or otherwise by the City at the sole risk, cost, and expense of Airline, and the City shall in no event be responsible for the value, preservation, or safekeeping thereof. Airline shall pay the City, upon demand, any and all expenses incurred by the City in connection with such removal and storage charges against such property so long as the same shall be in the City's possession or under the City's control. All property not removed from the Premises or retaken from storage by Airline within thirty (30) days after the end of the Term or termination of Airline's possession by virtue of Section 10.2, however terminated, shall, if the City so elects, be conclusively deemed to have been forever abandoned by Airline, in which case such property may be sold or otherwise disposed of by City without further accounting to Airline.

(c) Airline shall pay all of the City's costs, charges, and expenses, including court costs and reasonable attorneys' fees, incurred in successfully enforcing Airline's obligations under this Lease.

(d) No waiver by the City of default of any of the terms, covenants, or conditions hereof to be performed, kept, and observed by Airline shall be construed to be or act as a waiver of any subsequent default of any of such terms, covenants, and conditions. The acceptance of Rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Airline, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts except an express written waiver, shall not be construed as a waiver of any right hereby given the City, or as an election not to proceed under the provisions of this Lease. The rights and remedies hereunder are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another, except where rights and remedies are specifically limited as set forth elsewhere in this Lease.

Section 10.4 - Further Right to Terminate. If the City's exercise of its remedies pursuant to Section 10.2 shall be stayed by order of any court having jurisdiction over any proceeding described above, or by federal or state statute, or if the trustee appointed in any such proceeding, Airline or Airline as debtor-in-possession shall fail to assume Airline's obligations under this Lease within the period prescribed therefor by law or within one hundred twenty (120) days after entry of the order for relief or as may be allowed by the court, or if said trustee, Airline or Airline as debtor-in-possession shall fail to provide adequate protection of the City's right, title, and interest in and to the Premises or adequate assurance of the complete and continuous future performance of Airline's obligations under this Lease as provided in Section 10.5 below, then the City, to the extent permitted by law or by leave of the court having jurisdiction over such proceeding, and after the expiration of any such stay, shall have the right, at its election, to terminate this Lease on five (5) days' written notice to Airline, Airline as debtor-in-possession or said trustee, and upon the expiration of said 5-day period, this Lease shall cease and expire as aforesaid, and Airline, Airline as debtor-in-possession or said trustee, as the case may be, shall immediately quit and surrender the Premises as aforesaid.

Section 10.5 - Adequate Protection. If an order for relief is entered or if a stay of proceeding or other acts becomes effective in favor of Airline or Airline's interest in this Lease, in any proceeding which is commenced by or against Airline under the present or any future applicable federal Bankruptcy Code or any other present or future applicable federal, state, or other Law, the City shall be entitled to invoke any and all rights and remedies available to it under such Bankruptcy Code, Law or this Lease, including, without limitation, such rights and remedies as may be necessary to adequately protect the City's right, title, and interest in and to the Premises, or any part thereof, or adequately assure the complete and continuous future performance of Airline's obligations under this Lease. Adequate protection of the City's right, title, and interest in and to the Premises, and adequate assurance of the complete and continuous future performance of Airline's obligations under this Lease shall include, without limitation, the following requirements:

(a) that Airline shall duly and timely comply with all of its obligations under this Lease, including, but not limited to, the payment of Rent in accordance with the terms of this Lease;

(b) that Airline shall continue to use the Premises for the Permitted Use in the manner required by this Lease;

(c) that the City shall be permitted to supervise the performance of Airline's obligations under this Lease;

(d) that Airline shall hire such security personnel as may be necessary to insure the adequate protection and security of the Premises; and

(e) that if Airline's trustee, Airline, or Airline as debtor-in-possession assumes this Lease and proposes to assign the same (pursuant to Title 11 U.S.C. 365, as the same may be amended) to any person or entity who shall have made a bona fide offer to accept an assignment of this Lease on terms acceptable to the trustee, Airline, or Airline as debtor-in-possession, then notice of such proposed assignment, setting forth: (i) the name and address of such person or entity; (ii) all of the terms and conditions of such offer; and (iii) the adequate assurance to be provided the City to assure such person's or such entity's future performance under the Lease, including, without limitation, the assurances referred to in Title 11 U.S.C. 365(b)-(d) (as they may be amended), shall be given to the City by the trustee, Airline, or Airline as debtor-in-possession no later than twenty (20) days after receipt by the trustee, Airline, or Airline as debtor-in-possession of such offer, but in any event no later than thirty (30) days prior to the date that the trustee, Airline, or Airline as debtor-in-possession shall make application to a court of competent jurisdiction for authority and approval to enter into such assignment and assumption, and the City shall thereupon have the prior right and option, to be exercised by notice to the trustee, Airline, or Airline as debtor-in-possession prior to the effective date of such proposed assignment, to accept an assignment of this Lease upon the same terms and conditions and for the same consideration, if any, as the bona fide offer made by such person or entity, less any brokerage commissions and other expenses which may be payable out of the consideration to be paid by such person or entity for the assignment of this Lease. No guaranty from a guarantor shall be extinguished, modified, or prohibited in case Airline becomes the subject of or seeks relief under any federal or state bankruptcy or insolvency laws, and Airline shall not take a position to the contrary.

Section 10.6 - Force Majeure Delay. No party shall be deemed to be in default in the performance of any obligation created under or pursuant to this Lease, other than an obligation requiring the payment of a sum of money (which shall not be subject to Force Majeure Delay), if and as long as non-performance of such obligation shall be directly caused by Force Majeure Delay, and the time limit for such performance shall be extended for a period equal to the period of any such Force Majeure Delay (except and to the extent this Lease provides for a limit or restriction on Force Majeure Delay). However,

if in an emergency situation non-performance is due to a Force Majeure Delay which does not affect a self-help remedy which may be otherwise exercised by City under Section 11.2 for such non-performance, then notwithstanding such Force Majeure Delay, the City shall still be entitled to such remedy with respect to those obligations to have been performed by Airline which are the subject of Force Majeure Delay. When it becomes aware of Force Majeure Delay, the party experiencing Force Majeure Delay shall notify the other party in writing of the existence and nature of any Force Majeure Delay within a reasonable time after the onset of any such Force Majeure Delay. The party experiencing Force Majeure Delay shall, (i) from time to time upon the written request of the other party, keep such other party fully informed, in writing, of all further developments concerning such Force Majeure Delay, and (ii) use commercially reasonable efforts to mitigate and eliminate the impact of such Force Majeure Delay.

ARTICLE 11
SPECIAL RIGHTS OF THE CITY

Section 11.1 - City's Reserved Rights. All rights not expressly granted to Airline herein are reserved by the City, including, without limitation, the following rights (which may be exercised by the City's officers, employees, agents, licensees, contractors, or designees):

(a) rights to air or space above the top level of the Premises. Upon notice to Airline, to install and maintain signs on the Premises (other than the Airline Improvements);

(b) to enter the Premises and perform tests and other activities as described in Section 14.4, Section 14.5, and Section 14.6;

(c) to decorate, remodel, repair, alter, or otherwise prepare the Premises for reoccupancy at any time after Airline vacates or abandons the Premises;

(d) to maintain, replace, repair, alter, construct, or reconstruct existing and future utility, mechanical, electrical, and other systems, or portions thereof, on the Premises, including, without limitation, systems for the supply of heat, water, gas, fuel, and electricity, and for the furnishing of sprinkler, sewerage, drainage, and telephone service, including all related lines, pipes, mains, wires, conduits, and equipment. If the City is performing any such activity on the Premises, the City shall provide reasonable advance notice to Airline. In the exercise of such rights, the City shall not unreasonably interfere with the business conducted by Airline in the Premises, and the City shall restore the Premises to their condition immediately prior to the exercise of such rights;

(e) to exercise such other rights as may be granted the City elsewhere in this Lease;

(f) upon the giving of reasonable notice, Airline shall allow the City, and its officials, officers, agents, employees, and contractors, reasonable access to the Premises for the purpose of examining the same to ascertain if Airline is performing its obligations under the Lease, and for conducting tests and inspections for any other reason deemed reasonably necessary by the City under the Lease;

All such rights in this Section 11.1 shall be exercisable without notice (except as expressly provided in this Section 11.1) and (so long as such rights are exercised in accordance with the conditions set forth above, if any, for exercise of such rights) without liability to Airline for damage or injury to property, person, or business, and without effecting an eviction or disturbance of Airline's use or possession or giving rise to any claim for setoff or abatement of Rent or affecting any of Airline's obligations under this Lease. Notices under this Section 11.1 may be given verbally in an emergency or

where entry does not materially affect Airline's use and occupancy. Reasonable notice shall in no event require more than twenty-four (24) hours' notice.

Section 11.2 - City's Right to Perform Airline's Obligation. In an emergency situation or upon occurrence of an Event of Default, the City may (but shall not be obligated so to do), and without waiving or releasing Airline from any obligation of Airline hereunder, make any payment or perform any other act which Airline is obligated to make or perform under this Lease in such manner and to such extent as the City may deem desirable; and in so doing the City shall also have the right to enter upon the Premises for any purpose reasonably necessary in connection therewith and to pay or incur any other necessary and incidental costs and expenses, including reasonable attorneys' fees. All sums so paid and all liabilities so incurred by the City, together with interest thereon at the Default Rate, shall be deemed additional rent hereunder and shall be payable to the City upon demand as additional rent (provided, however, that no interest shall accrue on such sums if so incurred due to an emergency situation, and not as a result of an Event of Default by Airline hereunder, so long as Airline pays such sums to the City within thirty (30) days following the City's written invoice therefor). The City shall use reasonable efforts to give prior notice (which may be oral) of its performance, if reasonably feasible under the circumstances. The performance of any such obligation by the City shall not constitute a waiver of Airline's default in failing to perform the same. Inaction of the City shall never be considered as a waiver of any right accruing to it pursuant to this Lease. The City, in making any payment hereby authorized: (a) relating to Impositions, may do so according to any bill, statement, or estimate, without inquiry into the validity of any such Impositions or claims thereof; (b) for the discharge, compromise, or settlement of any lien, may do so without inquiry as to the validity or amount of any claim for lien which may be asserted; or (c) in connection with the completion of construction of improvements to the Premises or the repair, maintenance, or reconstruction of the Premises or the payment of operating costs thereof; may do so in such amounts and to such persons as the City reasonably may deem appropriate. Nothing contained herein shall be construed to require the City to advance monies for any purpose. The City shall not in any event be liable for inconvenience, annoyance, disturbance, loss of business, or other damage of Airline or any other occupant of the Premises or any part thereof, by reason of making repairs or the performance of any work on the Premises or on account of bringing materials, supplies, and equipment into or through the Premises during the course thereof in connection with City's actions under this Section 11.2, and the obligations of Airline under this Lease shall not thereby be affected in any manner.

ARTICLE 12
CONDEMNATION

Section 12.1 - Procedure. In the event that at any time during the term of this lease, all or a portion of the premises, or all access thereto, or airline's entire leasehold interest in all or a portion of the premises pursuant to this lease, is taken or damaged by the exercise of power of eminent domain by any condemning authority ("Condemnation Proceedings"), then (whether or not this lease terminates by operation of law upon the exercise of such power), the share of any award resulting to the city or airline for the taking of their respective interests in and to the premises or damages resulting to their respective interests by reason of the exercise of such power of eminent domain, shall be separately determined by the court having jurisdiction, not by the jury, and separate judgments with respect to such damages to the city and airline, respectively, and to each of their respective interests, shall thereafter be made and entered. The city and airline shall make such requests and petitions to the court as are consistent with the foregoing procedure.

Section 12.2 - Total Taking. In the event that: (a) all of the premises are sought to be taken by the exercise of the power of eminent domain; or (b) under the threat of condemnation, all of the premises are conveyed to a condemning authority pursuant to an agreement between the city, airline, and such

condemning authority; or (c) a portion of the premises are taken by eminent domain or conveyed as aforesaid under threat of condemnation and the remainder of the premises are not capable of being restored to a condition as may be reasonably required to fulfill the intent and purpose of this Lease; or (d) all of the premises are taken by the exercise of the power of eminent domain for occupancy by a condemning authority for a temporary period and such temporary period extends beyond the date of the termination of this lease; this Lease shall terminate effective upon the date that the condemning authority legally acquires the right of possession to the premises. In the event of termination of this Lease as aforesaid, base rent, impositions, and any other sum or sums of money and other charge whatsoever provided in this Lease to be paid by airline shall be paid by airline up to the date of such termination. The amount of compensation and damages resulting to the city and airline and respectively and to their respective interests in and to the premises and in and to and in connection with this Lease in the event of termination of this lease as aforesaid shall be determined in accordance with the provisions of section 12.1 hereof.

Section 12.3 - Partial Taking. In the event that less than the entire Premises and access thereto or Airline's leasehold interest in less than the entire Premises and access thereto is taken permanently by the exercise of the power of eminent domain, and if the remainder of the Premises are capable of being restored to a condition reasonably required to fulfill the intent and purpose of this Lease, then in such event, this Lease shall not terminate but shall remain in full force and effect and Airline shall continue to perform and observe all of the obligations of Airline hereunder, including the obligations to pay Base Rent and Impositions as provided herein, and shall restore the Premises to a condition required to fulfill the interest and purpose of this Lease. However, effective as of the date the condemning authority legally acquires the right of possession to such portion of the Premises so taken and continuing thereafter during the remainder of the Term, Base Rent payable by Airline during the remainder of the Term of this Lease shall be adjusted solely by reducing the area of the Premises used in calculating Base Rent by that portion of the land area of the Premises used in calculating Base Rent which was taken by Condemnation Proceedings. The value of the Airline's interest shall not include any money to pay Base Rent in the future (and any such amount allocated to Airline shall be paid to the City).

In the event of such a partial taking, the City shall first be paid that portion of the award which represents the value of its interest in and to the Premises as may have been taken as a result of such partial taking. Next, Airline shall first be paid an amount of any award in trust sufficient to undertake the complete restoration of the Premises as may be necessary as a result of such partial taking. The City shall be entitled to receive and retain any balance remaining of such award made as a result of such partial taking. If the proceeds are insufficient to complete restoration of the Premises, Airline shall nevertheless perform such restoration at its cost, in accordance with the provisions of Article 5 of this Lease.

Section 12.4 - Temporary Takings. If the temporary use of the whole or any part of the Premises shall be taken by Condemnation Proceedings as hereinabove referred to for a period which does not extend beyond the Term of this Lease, this Lease shall not terminate by reason thereof and Airline shall continue to pay in full the Rent, Impositions, and other charges herein provided to be paid or assumed or reimbursed by Airline, and, except only to the extent that Airline is prevented from so doing by reason of any order of the condemning authority, Airline shall continue to perform and observe all of the covenants, conditions, and obligations hereof which are herein provided to be observed or performed by Airline, all to the same extent and with the same force and effect as if such temporary use or taking had not occurred. Any award for such temporary taking, whether paid or by way of damages, rent, or otherwise shall be received, held and disbursed in the manner following:

(a) An amount equal to the sum of (x) the Base Rent for the entire period of such temporary use or taking shall be deposited with an escrow trustee acceptable to the City and shall be from

time to time applied to the payment of Base Rent and Impositions as the same from time to time become due and payable;

(b) The amount jointly agreed upon by the City and Airline as the estimated amount required to be expended upon the termination of such temporary use or occupancy to restore the Premises and Improvements as nearly as may be reasonably possible to the condition in which same was immediately prior to such taking, shall be reserved and shall be used and available for use for such purposes (and if no agreement is reached, then the City may deduct and retain an amount reasonably estimated by the City); and

(c) The remainder shall be paid over to and become the property of Airline; however, the amount of any Rent or other charges then owing by Airline to the City under the provisions of this Lease, together with all unpaid Impositions, and the amount so deducted shall be paid to or upon the order of the City.

Section 12.5 - Taking Upon Possession. The Premises or any part thereof shall be deemed to be taken by Condemnation Proceedings within the meaning of the foregoing provisions upon the transfer of possession thereof to the condemning authority; provided, however, any valuation of the City's or Airline's interests shall be as of the date of the filing of Condemnation Proceedings.

Section 12.6 - No Restriction. Nothing in this Lease or the existence of this Lease shall be construed to restrict or in anyway interfere with the exercise of eminent domain by the County or the City.

Section 12.7 - Taking of Airline's Entire Leasehold Interest. In the event of a taking of Airline's entire leasehold interest hereunder, whether or not there is a taking of the underlying fee interest, the value of such leasehold interest shall be the difference between the fair cash rental value of the Premises as improved and the Rent reserved under this Lease, and including payment of Impositions, discounted for the present value at the Discount Rate.

ARTICLE 13
SUBLEASE AND ASSIGNMENT OF PREMISES

Section 13.1 - General. Except as otherwise set forth in this Article 13, Airline shall not, without the prior written consent of the City in each instance: (a) assign, transfer, mortgage, pledge, hypothecate, or encumber, or subject to or permit to exist upon or be subjected to any lien or charge, this Lease or any interest under it (including any sublease or easement); (b) allow to exist or occur any transfer of or lien upon the Premises, this Lease, or Airline's interest herein by operation of law; (c) sublet the Premises or any part thereof; or (d) permit the use or occupancy of the Premises or any part thereof for any purpose not provided for herein or by anyone other than Airline. The requirements of this Article 13 shall apply to any transaction or series of transactions that shall have the same effect as any of the aforementioned occurrences, and in no event shall this Lease be assigned or assignable by voluntary or involuntary bankruptcy proceedings or otherwise, and in no event shall this Lease or any rights or privileges hereunder be an asset of Airline under any bankruptcy, insolvency or reorganization proceedings. The City may withhold its consent to any of the acts described in Clauses (a) through (d) above in its sole and absolute discretion; provided, however, the City's consent shall not be required in order for Airline to sublease this Lease to a Related Party (as defined in Section 13.2 hereof) in the air transportation business (i.e. Envoy) on the terms set forth in said Section 13.2. Airline shall not grant a leasehold mortgage without the City's prior written consent, which consent may be withheld or conditioned in the City's sole and absolute discretion. Except as otherwise set forth in this Article 13, the City's right to consent under this Article 13 applies to any assignment of this Lease, or to any sublease or

transfer of any interest in this Lease or any subleased Premises. Notwithstanding the foregoing, in no event shall Airline sublease the Premises, or any portion thereof, to any entity other than a commercial airline.

Section 13.2 - Notice and Consent. The term "**Related Party**" means: a Person controlling, controlled by, or under common control of, , the original named Airline under this Lease, or which acquires all of the assets of the original Airline, or which results from a merger or consolidation with the original Airline. As used in the term "Related Party", "control" means ownership of the (a) managing partner interests in a partnership, (b) managing member interests in a limited liability company, or (c) more than fifty percent (50%) of the voting stock in a corporation. Airline shall notify the City in writing ("**Notice of Subletting or Assignment**") of the proposed commencement date of the assignment or subletting, and shall include the name and address of the proposed subtenant or assignee, a true and complete copy of the proposed sublease or assignment, and all related documents, and a financial statement of the subtenant or assignee (except in the case of a Related Party), disclosures and information required under Section 6.1 and Section 6.2 hereof, as applicable to its form of business organization, and such other information as may be reasonably required by the City. Airline may not assign its right, title and interest under this Lease prior to Substantial Completion of all of the Airline Improvements. Following approval by the City of any sublease or assignment, Airline shall deliver the final form of sublease or instrument of assignment to the City no later than thirty (30) days prior to the proposed commencement of such sublease or assignment.

Section 13.3 - Effect of Consent. Consent by the City to any assignment or sublease shall not operate to relieve, release, or discharge the Airline making such assignment or sublease of or from any obligations, whether past, present, or future, under this Lease, and such Airline shall continue fully liable hereunder except to the extent, if any, expressly provided for in such consent. Upon any such permitted assignment, the term "Airline" as used in this Lease shall refer to the assignee holding the leasehold estate under this Lease (except as otherwise specifically provided herein), provided that the assignor Airline shall remain jointly and severally liable for the obligations of Airline under this Lease. Consent by the City in any one instance shall not be deemed to be a consent to or relieve Airline from obtaining the City's consent to any subsequent assignment or subletting. Consent by the City shall be conditioned upon agreement by the subtenant or subtenants or assignees to comply with and be bound by all of terms, covenants, conditions, provisions, and agreements of this Lease to the extent of the space sublet or assigned, and an agreement that the City shall have the right, but not the obligation, to enforce the terms and provisions of any such assignment or sublease affecting the City's interests and Airline shall deliver to the City within thirty (30) days after execution, an executed copy of each such sublease or assignment containing an agreement of compliance by each such subtenant and assignee. Airline shall pay all of the City's costs, charges, and expenses, including reasonable attorney's fees, incurred in connection with any assignment or sublease requested or made by Airline.

Section 13.4 - Transfer by the City. The City shall have the right, at any time and at its sole option, to sell, transfer, or otherwise convey its right, title, and interest in and to this Lease and/or all or any portion of the Premises, other than to a commercial airline, an affiliate of either a commercial airline, or a direct competitor of any commercial airline, and in the event of any such sale, transfer, or conveyance by the City, the same shall operate to release the City from any future obligations and any future liability for or under any of the covenants or conditions, express or implied, herein contained in favor of Airline, and in such event, and with respect to such obligations, covenants, and conditions, Airline agrees to look solely to the successor in interest of the City in and to this Lease. This Lease shall not be affected by any such sale, conveyance or transfer.

Section 14.2 - Airline's Obligations with Respect to Environmental Matters.

During the Term: (i) Airline shall at its own cost comply with all applicable Environmental Laws; (ii) Airline shall not handle, generate, manufacture, process, treat, store, use, re-use, refine, recycle, reclaim, blend or burn for energy recovery, incinerate, accumulate speculatively, transport, transfer, dispose of, or abandon Contaminants, Wastes, or Hazardous Materials or authorize any of such activities on the Premises, including installation of any USTs, except as otherwise permitted in Subsection 14.2 hereof, and in any case without prior written disclosure to the City (other than for Hazardous Materials expressly permitted under Subsection 14.2 hereof); (iii) Airline shall not take any action that would subject the Premises to permit requirements under RCRA or any other Environmental Laws for storage, treatment, or disposal of Contaminants, Wastes, or Hazardous Materials; (iv) Airline shall not dispose of Contaminants, Wastes, or Hazardous Materials in dumpsters provided by the City for Airline's disposal of ordinary refuse; (v) Airline shall not discharge Contaminants, Wastes, or Hazardous Materials into drains or sewers except in compliance with applicable Environmental Law; (vi) Airline shall not cause or allow the Release of any Contaminants, Wastes, or Hazardous Materials on, to or from the Premises except in compliance with applicable Environmental Law; (vii) Airline shall at its own cost arrange for the lawful transportation and off-site disposal at a properly permitted facility of all Contaminants, Wastes, or Hazardous Materials that it generates or Releases; (viii) Airline keep such records and obtain such permits as may be required for Airline's activities under Environmental Laws; and (ix) Airline shall comply with any applicable Airport stormwater pollution prevention plan and spill prevention control and countermeasures plan in effect from time to time.

Notwithstanding the foregoing, Airline may possess, use, store and transport on the Premises such Contaminants, Wastes, or Hazardous Materials as Airline uses in the ordinary course of its business, including without limitation Jet A fuel. Airline may also use and dispose of on the Premises those Contaminants, Wastes, or Hazardous Materials cleaning products normally and customarily used in maintaining and cleaning the Premises, as part of the Permitted Use so long as Airline's use, storage, disposal, and transportation of such Contaminants, Wastes, or Hazardous Materials complies in all respects with all applicable Environmental Laws. Airline may also conduct such handling, storage, and disposal on the Premises of any Contaminants, Wastes, or Hazardous Materials which Airline may lawfully transport in the ordinary course of its business operations; provided, however, that all such handling, storage, disposal, and transportation on the Premises shall comply in all respects with applicable Environmental Laws. Said procedures and equipment shall comply with the applicable Laws and standards of the federal, state, and local governmental bodies having jurisdiction over said fuel and fuel dispensing procedures, equipment, or facilities.

Section 14.3 - Copies of Notices. During the Term, Airline shall promptly provide the City with copies of all summons, citations, directives, information inquiries or requests, notices of potential responsibility, notices of violation or deficiency, orders or decrees, Claims, complaints, investigations, judgments, letters, notices of environmental liens or Response actions in progress, , actual or threatened, from the United States Environmental Protection Agency, Occupational Safety and Health Administration, Illinois Environmental Protection Agency or other federal, state, or local agency or authority, or any other entity or individual, concerning (i) any Release of a Contaminant, Waste, or Hazardous Material on, to, or from the Premises, (ii) the imposition of any lien on the Premises, or (iii) any alleged violation of or responsibility under Environmental Laws related to Airline's operations on the Premises.

Section 14.4 - Tests and Reports. Airline shall advise the City in writing of any Release of a Contaminant, Waste, or Hazardous Material on, to, or from the Premises, or of the discovery of the existence of any Contaminant, Waste, or Hazardous Material on the Premises in violation of, or requiring Response under, any applicable Environmental Laws, as soon as Airline first obtains knowledge thereof, including a full description of the nature and extent of the Contaminant, Waste, or Hazardous Material and all relevant circumstances. In addition, Airline shall perform or cause to be performed a Phase I environmental assessment or other comparable environmental inspection of the Premises (the "**Final Environmental Report**"), at any time during the 120-day period prior to the scheduled Expiration Date hereof (or the anticipated termination hereof, if different), which Final Environmental Report shall be performed at Airline's sole cost and expense. In the event that the Final Environmental Report shows any recognized environmental conditions or otherwise indicates the presence or suspected presence of any Contaminants, Wastes, or Hazardous Materials in, on, or under the Premises, to the extent caused by Airline, and its respective officers, agents, employees, contractors, sub-tenants, sub-lessees, guests, invitees, or licensees, Airline shall in such event also be required to remove and remediate any such recognized environmental conditions or other Contaminants, Wastes, or Hazardous Materials, as the case may be, required to be removed or remediated by, and in a manner otherwise consistent with, applicable Environmental Laws, and to perform any required restoration of the Premises in connection therewith, all in accordance with the terms and provisions of this Lease and applicable Environmental Laws. In the event that Airline fails to submit such Final Environmental Report to the City or commence performance of any required remediation work, as the case may be, within thirty (30) days prior to the scheduled Expiration Date hereof (or the anticipated termination hereof, if different), the City shall have the right and option (but not the obligation) to perform or cause to be performed such Final Environmental Report or such required remediation work, as the case may be, at Airline's sole cost and expense, in which event Airline shall, in addition to its other obligations hereunder, reimburse the City for all costs and expenses of such Final Environmental Report or such required remediation work as the case may be, within thirty (30) days following the City's written invoice therefor. Notwithstanding anything to the contrary herein, Airline's remediation, removal and clean-up obligations hereunder shall be limited to the applicable cleanup standard(s) allowed under Environmental Laws for sites consistent with the use of, and compatible with the current zoning of, the Premises (and, unless otherwise required by applicable Environmental Laws, Airline shall not be required to meet any more stringent standards applicable to residential or agricultural uses).

Section 14.5 - Access and Inspection. The City shall have upon reasonable advance written notice, access to the Premises and to those records of Airline which are not otherwise confidential, proprietary or protected by applicable privilege, relating to Contaminants, Wastes, or Hazardous Materials used by Airline on the Premises for the purpose of ascertaining the nature of the activities being conducted thereon and to determine the type, kind, and quantity of all products, materials, and substances brought onto the Premises or made or produced thereon. The City shall have the right to enter the Premises upon reasonable prior written notice, except in an emergency, and conduct appropriate inspections or tests in order to determine Airline's compliance with Environmental Laws; provided, the

City shall use reasonable efforts to minimize any disruption of Airline's business created thereby, and shall be responsible for promptly repairing any damages to the Premises to the extent caused by the City or the City's contractor in performing such inspections or tests. The City and its agents and representatives shall have the right to take samples, including, without limitation, (a) soil, water, and groundwater samples, in quantity sufficient for scientific analysis of all materials and substances present on the Premises, and (b) samples of products, materials or substances brought onto or made or produced on the Premises by Airline or an occupant claiming by, through or under Airline or otherwise present on the Premises.

Section 14.6 - Obligation to Respond.

(a) If the presence of Contaminants, Wastes, or Hazardous Materials at the Premises gives rise to a Claim under any Environmental Law, Airline shall promptly, without cost or expense to the City (except as expressly provided to the contrary in Subsection 14.6(c) hereof), take, to the extent required under and in compliance with applicable Environmental Laws, all applicable action in Response, except as otherwise provided in this Section 14.6. Without limiting the foregoing, if at any time any Contaminant, Waste, or Hazardous Material is discovered to exist on the Premises in violation of or requiring clean-up under any Environmental Law and resulting from Airline's operations and those of its respective officers, agents, employees, contractors, sub-tenants, sub-lessees, guests, invitees, or licensees , (and except as set forth in Subsection 14.6(c) below), then:

(i) Airline shall promptly, without cost or expense to the City (and based on a scope of work and timetable first reviewed and approved by the City), Respond to and dispose of the Contaminant, Waste, or Hazardous Material to the extent required under and in compliance with all applicable Environmental Laws and solely under Airline's name and provide the City with satisfactory evidence thereof; and

(ii) before performing the work, provide the City with a cost estimate, and if such costs exceed three million dollars (3,000,000.00) and requested by the City, provide to the City within ten (10) days of the City's request (or earlier time period prescribed by the City in case of emergency) a letter of credit, financial security, or other written assurance evidencing to the City's reasonable satisfaction that all necessary funds are readily available to pay the costs and expenses of the actions required by subsection (i) above and to discharge any assessments or liens established against the Premises as a result of the presence of the Contaminant, Waste, or Hazardous Material on the Premises. As soon as practicable after completion of such remedial actions (but not more than thirty (30) days after completion), Airline shall deliver to the City a written confirmation that all required remedial action as stated above has been taken and successfully completed in compliance with all Environmental Laws, and that there is no remaining contamination on the Premises in violation of any Environmental Law, with respect to any such Contaminant, Waste, or Hazardous Material.

(b) The City may, but shall never be obligated to, upon not less than twenty (20) days' prior notice to Airline (or such shorter time period prescribed by the City in case of emergency) and Airline's failure to cure within such time period, Respond to or to cause the Response to the Contaminant, Waste, or Hazardous Material if Airline fails to promptly commence such Response following discovery and thereafter diligently pursue the same as may be required in Subsection 14.6(a) hereof.

(c) Notwithstanding anything in this Article 14 to the contrary, it is acknowledged and agreed that, except to the extent caused by or arising from the acts or omissions of Airline, or any of its respective officers, agents, employees, contractors, guests, invitees, or licensees, neither Airline, nor any

of its respective officers, agents, employees, contractors, guests, invitees, or licensees, shall have any liability or responsibility for (nor shall Airline be required under Section 14.7 below to indemnify, defend, or hold harmless any Indemnified Party for): (i) any Pre-Existing Condition; (ii) any Release of Contaminants, Wastes, or Hazardous Materials by any third party or properties adjacent to or in the vicinity of the Premises which affect the Premises or otherwise require a Response with respect to the Premises; or (iii) any Release of Contaminants, Wastes, or Hazardous Materials on the Premises to the extent caused by or otherwise attributable to the acts or omissions of the City or its officials, officers, agents, employees, or contractors. To the extent required by applicable Environmental Laws, the City shall Respond to, and shall be entitled to access the Premises at any time or times upon reasonable prior notice (which may be oral) to Airline to Respond to, any Contaminants, Wastes, or Hazardous Materials arising under Clauses (i) or (iii) above (such actions arising under Clauses (i) or (iii) above being referred to herein as "**City Response Actions**"); provided, the City shall use reasonable efforts to minimize any disruption of Airline's business in connection with such Response Actions, and shall be responsible for promptly repairing any damages to the Premises to the extent caused by the City or the City's contractor in performing such Response Actions.

Section 14.7 - Environmental Indemnification. To the maximum extent permitted by applicable Laws, and except as otherwise provided herein or to the extent arising from the gross negligence or willful misconduct of any of the Indemnified Parties, Airline hereby indemnifies and agrees to defend and hold each Indemnified Party harmless from and against and, if and to the extent paid, reimburse such parties upon demand made in accordance with this Article 14 for, any and all Environmental Damages, including, without limitation, any and all Claims made, or response costs incurred, in connection with the Premises. Such indemnity shall not apply to a particular Indemnified Party to the extent that such indemnity is void under applicable Law. Airline's obligations under this Article 14 shall survive the termination or expiration of this Lease, and shall not be affected in any way by the amount of or the absence in any case of covering insurance or by the failure or refusal of any insurance carrier to perform any obligation on its part under insurance policies affecting the Premises or any part thereof. This indemnification under this Section 14.7 shall be the sole and exclusive indemnification available to the Indemnified Parties for environmental matters under this Lease.

Section 14.8 - Other Rights. If any conflict exists between the provisions of this Lease and the provisions of any other agreement between the City and Airline relating to access to the Premises, Claims, or Environmental Damages, the stricter provision shall control. Nothing in this Lease shall limit or impair any rights or remedies of the City against Airline or any other person under any other agreement, any Environmental Law or otherwise at law or in equity, including, without limitation, any rights of contribution or indemnification. Rights under this Article 14 granted to the City shall be exercisable by the City's officers, employees, agents, licensees, contractors, and designees.

Section 14.9 - Disposal of Materials, Construction or Demolition Debris, Soil and Waste.

Without limiting other provisions of this Article 14 or any other provisions of this Lease, Airline shall be responsible for the proper disposal of all materials, Construction or Demolition Debris, soil, and other waste generated by the business operations of Airline, and its respective officers, agents, employees, contractors, guests, invitees, or licensees, including, but not limited to, the construction of capital improvements, or any activities as set forth in Section 14.6 hereof, all in accordance with Environmental Laws. Airline shall identify to the City any disposal site or transfer station for materials, debris, soil, or other waste of which Airline is disposing, prior to its disposal, and shall complete and execute any form required by the City identifying such site or station. Airline shall not use or allow to be used for disposal or transfer any site or station not properly licensed. Any substitution, for whatever reason, shall be at Airline's cost. Airline shall pay the cost to remove waste to a properly licensed site or station.

Airline shall notify the City of any community meetings, media involvement, or media coverage related to the loading, hauling, or disposal of materials, Construction or Demolition Debris, soil, and other wastes under this Lease in which Airline is asked to participate.

Non-compliance with the terms and conditions of this Article 14 may affect Airline's eligibility for future contracts or leases.

Airline shall haul materials, including, but not limited to, fuel of any nature, any Construction or Demolition Debris, soil, and other wastes in vehicles and containers complying with all applicable Environmental Laws.

Section 14.10 - Miscellaneous Records. Airline must show evidence to the City of, and keep current throughout the Term of this Lease, to the extent related to Airline's operations on the Premises, all permits of any kind and insurance certificates required by federal, state, City, or other local governmental body or agency pursuant to any Environmental Law; copies of all load tickets, manifests, bills of lading, scale tickets, and other pertinent documents, including copies of all permits and licenses for the proposed transfer station or landfill; vehicle maintenance records; safety and accident reports; and records, reports, plans, and permits required by IEPA or OSHA. All such records and accounts shall be subject to review by the City and shall be made available to the City within ten (10) days following written request of the Commissioner, or other shorter reasonable period requested by the Commissioner. The City's review of any such records and accounts shall in no way serve to limit Airline's obligations or liability under the terms and conditions of this Lease or any Environmental Law.

Section 14.11- No Liability of the City.

The City shall have no liability to Airline (except as expressly provided in this Lease), or any permitted subtenant or occupant of the Premises or any portion thereof, or any of their respective members, employees, agents, partners, shareholders, officers, directors, contractors, licensees, or invitees, or other Persons whom Airline has permitted entry or with whom Airline has entered into a contract or understanding (oral or written) to use or occupy the Premises, as a result of Contaminants, Wastes, or Hazardous Materials now or hereafter located on the Premises; provided, the City shall be required to Respond to any City Response Actions to the extent provided under Subsection 14.6(c) hereof.

THE CITY MAKES NO REPRESENTATION OR WARRANTY AS TO THE ENVIRONMENTAL CONDITION OF THE PREMISES. EXCEPT FOR CITY RESPONSE ACTIONS REQUIRED UNDER SUBSECTION 14.6(c) HEREOF AND THE CITY'S LIABILITY TO THE EXTENT ARISING IN CONNECTION THEREWITH, AIRLINE HEREBY WAIVES ANY AND ALL CLAIMS AGAINST THE CITY, ITS OFFICIALS, OFFICERS, EMPLOYEES, CONTRACTORS, AND AGENTS WHICH MAY CURRENTLY EXIST OR WHICH MAY ARISE IN THE FUTURE BY CONTRACT, AT COMMON LAW, IN EQUITY, OR UNDER STATUTE, NOW OR THEN CURRENTLY IN EFFECT, AND WHICH RELATE TO ENVIRONMENTAL CONDITIONS ON, UNDER OR NEAR THE PREMISES.

Section 14.12 - No Waiver. Except as otherwise set forth or provided in this Article 14 or elsewhere in this Lease, nothing contained in this Article 14 is intended to limit or waive any common law or statutory rights of the City or Airline for liability to third parties for damage to property or injury to persons resulting from or arising in connection with Contaminants, Wastes, or Hazardous Materials located on the Premises.

Section 15.2 - Severability. If any provision of this Lease shall be held or deemed to be, or shall in fact be, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or of any Law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstances, or rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever. The invalidity of any one or more phrases, sentences, clauses, or sections contained in this Lease shall not affect the remaining portions of this Lease or any part thereof.

Section 15.3 - General Interpretation. Any headings of this Lease are for convenience of reference only and do not define or limit the provisions thereof. In this Lease, unless the context otherwise requires, the terms "hereby", "herein", "hereof", "hereto", "hereunder", and any similar terms used in this manner refer to this Lease. All Section references, unless otherwise expressly indicated, are to sections in this Lease. Words importing gender shall be deemed and construed to include correlative words of other genders. Words importing the singular number shall include the plural and vice versa, unless the context otherwise indicates. Any references to any exhibit or document shall be deemed to include all supplements and/or amendments to any such exhibits or documents. All references to any person or entity shall be deemed to include any person or entity succeeding to the rights, duties, and obligations of such persons or entities in accordance with this Lease.

Section 15.4 - Successors and Assigns. All of the covenants, stipulations, and agreements herein contained shall run with the land and shall inure to the benefit of and be binding upon the successors and assigns of the parties hereto.

Section 15.5 - Choice of Law and Jurisdiction. This Lease, the interpretation hereof, and any disputes arising hereunder or in connection herewith shall be governed by, construed in accordance with, and enforced in accordance with the Laws of the State of Illinois. Each of the City and Airline hereby submit to local jurisdiction in the County of Cook, State of Illinois and/or in the United States District Court for the Northern District of Illinois (herein, the "**Applicable Jurisdiction**"), and each party (a) agrees that any action by Airline against the City or the City against Airline, as the case may be, shall be instituted in the Applicable Jurisdiction, (b) agrees that courts located in the Applicable Jurisdiction shall have (i) personal jurisdiction over Airline for any action brought by the City against Airline, and (ii) personal jurisdiction over the City for any action brought by Airline against the City, and (c) waives any objection such party may have, whether pursuant to applicable Law or otherwise, to the jurisdiction of courts located in the Applicable Jurisdiction over this Lease and any disputes arising hereunder or in connection herewith.

Section 15.6 - Counterparts. This Lease has been executed in several counterparts, each of which shall be an original, and all collectively but one instrument.

Section 15.7 - Submission to Jurisdiction; Subpoena. Airline hereby irrevocably submits to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Lease. Service of process on the City may be made, either by U.S. registered or certified mail addressed as provided for in Section 15.1 of this Lease, or by personal delivery on the Commissioner. Service of process on Airline may be made either by U.S. registered or certified mail, addressed as provided for in Section 15.1 of this Lease, or by delivery to Airline's registered agent for service of process in the State of Illinois. If Airline is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any documents which may be in its possession by reason of this Lease,

Airline shall immediately give notice to the City's Corporation Counsel. The City may contest such process by any means available to it before such records or documents are submitted to a court or other third party; provided, however, that Airline shall not be obligated to withhold such delivery beyond that time as may be ordered by the court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

Section 15.8 - No Partnership, Joint Venture or Third Party Benefit. By entering into this Lease, the City shall in no way be deemed a partner or joint venturer with Airline, nor shall any term or provision hereof be construed in any way to grant, convey, or create any rights or interests to any person or entity not a party to this Lease.

Section 15.9 - No Brokers. The City and Airline each represents and warrants to the other that it has dealt with no broker, finder, or agent with respect to this Lease or the Premises, and each agrees to indemnify, defend, and hold harmless the other party hereto from any commissions or finder's fees which any entity or person claiming through or by the actions of said indemnifying party may assert is due as a result of the execution of this Lease or the demise of the Premises to Airline.

Section 15.10 - City's Approval; Commissioner Authority. Whenever the City's approval or consent is required under this Lease, the approval or consent shall not be unreasonably withheld, except to the extent otherwise expressly provided herein. Wherever this Lease provides that an act is to be taken or performed or approval or consent given by the City, such act may be taken or performed or approval or consent may be given by the Commissioner without further action by the City Council of Chicago, as long as such act, approval, or consent does not result in either: (1) an extension of the Term; (2) a reduction in the Rent as provided hereunder; or (3) an expansion of the Premises.

Section 15.11 - Incorporation of Exhibits. *Exhibits A* through *G* attached hereto are incorporated herein as if set forth fully at each reference to any Exhibit herein.

Section 15.12 - Limitation of Liability. Airline (and any person claiming by or through Airline) shall look solely to legally available Airport discretionary funds from time to time for enforcement of any liability of the City under this Lease, and not any other funds or assets of the City whatsoever. Notwithstanding anything in this Lease to the contrary, in no event shall the City be required to pay any amount on account of a breach or default (or alleged breach or default) hereunder in any twelve (12) month period which is greater than the aggregate of the Base Rent amounts received by the City during such period from Airline.

Section 15.13 - Time of the Essence. Time is of the essence with respect to Airline's obligations under this Lease.

Section 15.14 - Publicity. Airline shall not issue publicity news releases or grant press interviews or otherwise publicly disseminate any information regarding this Lease or the Airline's operations at the Premises without the prior written consent of the City in each instance.

Section 15.15 - Entire Agreement. This Lease constitutes the entire agreement of the parties as to the subject matter of this Lease, and may not be modified or supplemented except by a written instrument signed by the party against whom enforcement of the change is sought. The City has made no representation or warranties to, or agreements with, Airline which are not set forth in this Lease.

Section 15.16 - Exercise by the City of Governmental Functions. Nothing contained in this Lease shall (a) impair the right of the City in the exercise of its governmental functions as it relates to the Airport, the Premises, including, without limitation, the right to require Airline to pay any tax or

inspection fees or to produce necessary permits or licenses, or (b) be deemed to be the grant of any franchise, license, permit, or consent to Airline to operate motor coaches, buses, taxicabs, or other vehicles carrying passengers or property for hire or other consideration over the public ways to and from the Airport.

Section 15.17 - Sustainability. The City has developed The Sustainable Airport Manual ("SAM®") which provides guidance as to preferred sustainable practices at the Airport. At all times during the Term (as the same may be extended hereunder), Airline shall use its commercially reasonable efforts to implement commercially reasonable "sustainable best practices" in the design, construction, maintenance, and operation of the Premises. In furtherance of the foregoing, Airline agrees to use commercially reasonable efforts to employ environmentally preferable processes, products, and materials which do one or more of the following: (i) contain recycled material, are bio-based, are non-threatening to species, or have other positive environmental attributes; (ii) minimize the consumption of resources, energy, or water; (iii) prevent the creation of solid waste, air pollution, or water pollution; and/or (iv) promote the use of non-toxic substances and avoid toxic materials or processes, including with regard to Airline's selection and use of janitorial cleaning products and equipment. Airline will use its commercially reasonable efforts to conduct, as and when appropriate, a review of products, processes, and materials to be utilized in the Premises, and Airline will use its commercially reasonable efforts to implement the City's above requests by continuing to assess additional processes, products, and materials on an ongoing basis. Airline is also encouraged to implement a recycling program.

Section 15.18 - Security Cameras and the Airport Camera System. Airline shall comply with any and all security camera and security camera system initiatives, policies, programs, procedures, requirements, capital projects, and payment/funding obligations as may be agreed to from time to time by the City and airlines operating at the Airport (collectively, the "**Security Camera Requirements**") to the extent that such Security Camera Requirements are applicable to the Premises.

Section 15.19 - City Termination Options.

(a) Subject to the terms and provisions of this Section 15.19, the City shall have and is hereby granted the right and option to terminate this Lease at any time during the Term with respect to the entirety of the Premises in the event that (a) Airline ceases using the Airline Improvements within the Premises for a period of ninety (90) consecutive days or more (the "**Abandonment Termination Option**"), (b) the City elects to demolish the Airline Improvements in connection with a redevelopment plan for the Terminals and/or the Airport to which Airline has therefore consented or agreed (the "**Redevelopment Termination Option**"), or (c) the City elects, in its sole and absolute discretion, that it is necessary or desirable to terminate this Lease for any reason other than in connection with the City's exercise of the Abandonment Termination Option or the Redevelopment Termination Option (the "**Elective Termination Option**"). The Abandonment Termination Option, the Redevelopment Termination Option, or the Elective Termination Option, as the case may be, shall be exercised by the City, if at all, as follows:

(i) The City shall deliver binding written notice to Airline of the City's exercise of such Abandonment Termination Option, Redevelopment Termination Option, or Elective Termination Option, as the case may be (in each case, the "**City's Termination Notice**") no later than ninety (90) days prior to the proposed effective termination date.

(ii) In connection with the City's exercise of either the Redevelopment Termination Option or Elective Termination Option only (and specifically excluding the Abandonment Termination Option), as the case may be, the City shall reimburse Airline for the then-unamortized costs incurred by Airline in connection with the design, planning, and construction

of the Airline Improvements (which costs, as approved by the City as hereinabove provided, shall be amortized over a period of twenty-five (25) years using an interest rate of seven percent (7%) per annum) as detailed in Exhibit I (the "**Termination Reimbursement**"), which Termination Reimbursement shall be made by the City to Airline within ninety (90) days following the later of (A) the effective date of such termination, or (B) the date on which Airline has submitted all required documentation to the City establishing and confirming such costs. It is specifically acknowledged, understood, and agreed that there shall be no Termination Reimbursement due or payable to Airline in connection with the City's exercise of the Abandonment Termination Option.

(iii) In addition to the foregoing, in connection with the City's exercise of the Elective Termination Option only (and specifically excluding the Redevelopment Termination Option and the Abandonment Termination Option), Airline shall in such event thereafter have and retain a Right of First Refusal with respect to the Premises pursuant to, and in accordance with, the terms and provisions of Section 15.21 of this Lease.

(b) In the event of the City's exercise of the Abandonment Termination Option, the Redevelopment Termination Option, or the Elective Termination Option, as the case may be, and provided that Airline elects not to exercise its Right of First Refusal in the event of the City's exercise of the Elective Terminal Option, , (i) Airline shall deliver the Premises to the City on or before the effective termination date set forth in the City's Termination Notice in accordance with the terms and conditions of this Lease, the same as if such effective termination date were the original Expiration Date of this Lease with respect to the Premises, and (ii) the City and Airline shall, at the request of either party hereof, execute and deliver to the other party hereto a lease termination agreement setting forth the terms of such Abandonment Termination Option, Redevelopment Termination Option, or Elective Termination Option, as the case may be, as soon as reasonably practicable following delivery of the applicable City's Termination Notice, but in any event prior to the effective termination date set forth in the City's Termination Notice.

Section 15.20 - Extension Options.

(a) Subject to the terms and provisions of this Section 15.20, including, specifically and without limitation, the City's rights under Subsection 15.20(f) hereof, Airline shall have and is hereby granted two (2) options (each, an "**Extension Option**", and collectively, the "**Extension Options**") to extend the Term of this Lease with respect to the entirety of the Premises then demised hereunder, the first such option (the "**First Extension Option**") being for an additional period of five (5) years commencing immediately upon expiration of the initial Term (the "**First Extended Term**"), and the second such option (the "**Second Extension Option**") being for an additional period of five (5) years commencing immediately upon expiration of the First Extended Term (the "**Second Extended Term**"). The First Extension Option shall be exercised by Airline, if at all, by giving written notice (the "**First Extension Notice**") to the City on or before, but not later than, the last day of the one hundred sixty-eighth (168th) full calendar month following the Commencement Date (the "**First Extension Option Exercise Deadline**"), and the Second Extension Option shall be exercised by Airline, if at all, by giving written notice (the "**Second Extension Notice**") to the City on or before, but not later than, the last day of the two hundred twenty-eighth (228th) full calendar month following the Commencement Date (the "**Second Extension Option Exercise Deadline**"). Airline's exercise of the Second Extension Option shall be subject to and conditioned upon Airline's exercise of the First Extension Option, as provided hereunder. In the event that Airline fails to deliver the First Extension Notice to the City by the First Extension Option Exercise Deadline, Airline shall be deemed to have irrevocably waived the First Extension Option, and the same shall be null, void, and of no further force or effect, and in the event that Airline fails to deliver the Second Extension Notice to the City by the Second Extension Option Exercise Deadline, Airline shall be deemed to have irrevocably waived the Second Extension Option, and the same

shall be null, void, and of no further force or effect (time being of the essence in the delivery of each of the First Extension Notice and the Second Extension Notice hereunder).

(b) Each of the First Extended Term and the Second Extended Term shall be on the same terms, covenants, and conditions of this Lease, excluding the provisions of this Section 15.20 (except with respect to the First Extended Term for which this Section 15.20 shall continue to apply with respect to Airline's right to exercise the Second Extension Option hereunder), and except that Base Rent during the First Extended Term and the Second Extended Term, as the case may be, shall be adjusted as described in paragraph (c) below. Airline shall have no further rights to extend this Lease beyond the Second Extended Term.

(c)I The Base Rent during the First Extended Term shall automatically be increased by 5% over the Base Rent during the Term. The Base Rent during the Second Extended Term shall automatically be increased by an additional 5% of the Base Rent during the First Extended Term..

(d) The Extension Options are personal to Airline and may not be exercised by or for the benefit of, nor shall such Extension Options extend to, any assignee, subtenant, or any other party. It shall be a condition of Airline's right to exercise either such Extension Option that (i) neither this Lease, nor Airline's right to possession hereunder, shall have previously been terminated, (ii) there is then no Event of Default by Airline under any of the terms, covenants, or conditions of this Lease at the time that Airline delivers Airline's First Extension Notice or Second Extension Notice, as the case may be, or upon the commencement of the First Extended Term or the Second Extended Term, as the case may be, (iii) Airline has not assigned this Lease, in whole or in part, or sublet all or any portion of the Premises, at the time that Airline delivers Airline's First Extension Notice or Second Extension Notice, as the case may be, or upon the commencement of the First Extended Term or the Second Extended Term, as the case may be, and (iv) Airline is then leasing and occupying the entirety of the Premises for the Permitted Use at the time that Airline delivers Airline's First Extension Notice or Second Extension Notice, as the case may be, and upon the commencement of the First Extended Term or the Second Extended Term, as the case may be.

(e) Notwithstanding anything in this Section 15.20 to the contrary, the City shall have the right and option, to be exercised upon delivery of written notice to Airline within ninety (90) days following the City's receipt of Airline's First Extension Notice or Second Extension Notice, as the case may be, to reject Airline's exercise of the First Extension Option or the Second Extension Option, as the case may be, in which event (i) Airline's exercise of the First Extension Option or the Second Extension Option, as the case may be, shall be deemed null, void, and of no force or effect, (ii) this Lease shall thereupon terminate upon the expiration of the initial Term or the First Extended Term, as the case may be (unless sooner terminated in accordance with the other terms and provisions hereof), (iii) the City shall reimburse Airline for the then-unamortized costs incurred by Airline in connection with the design, planning, and construction of the Airline Improvements (which costs, as approved by the City as hereinabove provided, shall be amortized over a period of twenty-five (25) years using an interest rate of seven percent (7%) per annum), which Termination Reimbursement shall be made by the City to Airline within ninety (90) days following the later of (A) the expiration of the initial Term or the First Extended Term, as the case may be, or (B) the date on which Airline has submitted all required documentation to the City establishing and confirming such costs, and (iv) Airline shall in such event thereafter have and retain a Right of First Refusal with respect to the Premises pursuant to, and in accordance with, the terms and provisions of Section 15.21 of this Lease.

(f) Notwithstanding anything in this Section 15.20 to the contrary, if Airline chooses not to exercise the First Extension Option or the Second Extension Option, as the case may be, (i) this Lease shall thereupon terminate upon the expiration of the initial Term or the First Extended Term, as the

case may be (unless sooner terminated in accordance with the other terms and provisions hereof), and (ii) the City shall reimburse Airline for the then-unamortized costs incurred by Airline in connection with the design, planning, and construction of the Airline Improvements (which costs, as approved by the City as hereinabove provided, shall be amortized over a period of twenty-five (25) years using an interest rate of seven percent (7%) per annum), which Termination Reimbursement shall be made by the City to Airline within ninety (90) days following the later of (A) the expiration of the initial Term or the First Extended Term, as the case may be, or (B) the date on which Airline has submitted all required documentation to the City establishing and confirming such costs.

Section 15.21 - Right of First Refusal. Subject to the terms and provisions of this Section 15.21, solely in the event that either (i) the City has theretofore exercised the Elective Termination Option as provided under Section 15.19 hereof, or (ii) the City has theretofore rejected Airline's exercise of the First Extension Option or the Second Extension Option, as the case may be, and this Lease has theretofore expired as a result thereof (the "**ROFR Conditions**"), then Airline shall have a right of first refusal (the "**Right of First Refusal**") on the Premises in accordance with the terms and provisions hereinafter set forth.

(a) Subject to the foregoing, if, at any time following the occurrence of either of the ROFR Conditions, the City is prepared to enter into a lease or license for the Premises or the Airline Improvements then existing thereon with a prospective third party tenant ("**Third Party Tenant**"), or if the City has established uniform or prevailing terms and standards upon which the City would be willing to lease or license the Premises to third parties, including Airline, for the Permitted Use or other Airport uses, the City shall give Airline written notice thereof (a "**ROFR Notice**"), which ROFR Notice shall identify the Premises, specify the date on which the Premises will be made available to the Third Party Tenant for occupancy (the "**Availability Date**"), and set forth the rentals and other economic terms applicable thereto, including the terms to utilize the gates on a preferential basis. If Airline elects to exercise its Right of First Refusal hereunder, Airline shall deliver written notice to the City of Airline's unconditional exercise of its Right of First Refusal to so lease or license the Premises, but in no event later than, thirty (30) days following the date of such ROFR Notice ("**Airline's ROFR Exercise Notice**"). In the event that Airline fails to deliver Airline's ROFR Exercise Notice to the City within such 30-day period, Airline shall be deemed to have irrevocably waived its Right of First Refusal hereunder with respect to the Premises, and Airline's Right of First Refusal shall thereafter be deemed null, void, and of no further force or effect, time being of the essence with respect to the delivery of Airline's ROFR Exercise Notice hereunder.

(b) In the event that Airline validly exercises its Right of First Refusal hereunder, the City and Airline shall incorporate the Premises and gates located thereon into the then existing use agreement at O'Hare providing I use of the gates on the Premises on a preferential use basis, together with such other terms and provisions as may be contained therein.

(c) The Right of First Refusal is personal to Airline and may not be exercised by or for the benefit of, nor shall such Right of First Refusal extend to, any assignee, subtenant, or any other party. It shall be a condition of Airline's right to exercise the Right of First Refusal that (i) neither this Lease, nor Airline's right to possession hereunder, shall have previously been terminated, (ii) there is then no Event of Default by Airline under any of the terms, covenants, or conditions of this Lease at the time that Airline delivers Airline's ROFR Notice or upon the commencement date of the lease or license agreement applicable thereto, as the case may be, (iii) Airline has not assigned this Lease, in whole or in part, or sublet all or any portion of the Premises, at the time that Airline delivers Airline's ROFR Notice or upon the commencement date of the lease or license agreement applicable thereto, as the case may be, and (iv) Airline is then leasing and occupying the entirety of the Premises for the Permitted Use at the time that Airline delivers Airline's ROFR Notice or upon the commencement date of the lease or license

agreement applicable thereto, as the case may be.

(d) The terms and provisions of this Section 15.21 shall survive the expiration or earlier termination of this Lease for a period of one (1) year thereafter.

IN WITNESS WHEREOF, the City has caused this Lease to be executed on its behalf by the Commissioner of the Chicago Department of Aviation, pursuant to due authorization of the City Council, and Airline has caused this Lease to be executed on its behalf by its _____ and attested by its _____, all as of the day and year first above written.

Project Procedures.

1. Project Description.

Prior to performing any work for improvements to the Premises (a "Project"), Airline shall provide the Commissioner with a written description of the work to be performed, including drawings, plans, and specifications, the estimated cost to complete, and the proposed work schedule.

2. Airline Coordination With The City.

(a) Airline shall designate a "Project Manager" who shall manage and coordinate the work. The City shall direct all communications regarding the work to the Project Manager.

(b) The Commissioner shall designate a "Work Liaison" to represent the City in all matters relating to the performance of the work and to constitute the point of receipt for all submittal, unless expressly specified otherwise herein. In all provisions of this exhibit in which the City's written approval or consent is required, such approval or consent must be that of the Work Liaison, unless Airline is notified in writing by the Commissioner otherwise. Any approval or consent by the Work Liaison hereunder shall not create any liability on the City, in whole or in part, for the professional or technical accuracy of Airline's work. The Commissioner shall be the final arbiter of any decision to be made or consent or approval to be given under this exhibit. The Work Liaison shall further assist Airline in coordinating Airline's work with other projects and operations at the Airport and in Airline's contacts with any federal, state, or local government agencies.

3. Standard Of Performance.

Airline shall perform, or cause to be performed, all work on the Project with that degree of

skill, care and diligence normally exercised by professionals performing equivalent work in projects of a scope and magnitude comparable to the work hereunder.

Airline shall further perform, or cause to be performed, all work hereunder according to those standards for work at the Airport promulgated by CDA, FAA, and any other interested federal, state, or local governmental units, including, without limitation, any Airport Design and Construction Standards.

Airline shall further require its Contractors to perform all work required of them in accordance with the above standards and in a safe, efficient, good, and workmanlike manner. Airline shall require its Contractors to replace all damaged or defective work. Subject to the terms and conditions stated herein, Airline shall replace or correct such work not so corrected or replaced by any Contractor, or shall cause such work to be replaced or corrected by another Contractor, and thereafter shall prosecute, or shall assign its rights to so prosecute to the City upon reasonable request therefor, any and all claims it may have against Contractors for failure by Contractors to comply with the standards of performance imposed upon them in the contracts and hereunder.

In the event Airline or its Contractors fail to comply with the above-referenced standards, Airline shall perform again, or cause to be performed again, at its own expense, any and all work which is required to be re-performed as a direct or indirect result of such failure. Notwithstanding any review, approval, acceptance, or payment for any and all of the work by the City, Airline shall remain solely and exclusively responsible for the technical accuracy of all of the work, as defined herein and furnished under this Lease. This provision shall in no way be considered as limiting the rights of the City against Airline or its Contractors, either under this Lease, at law, or in equity.

4. Requirements For Work.

(a) Project Planning, Design, And Fabrication Phase:

Airline shall submit, or cause to be submitted, at 30 percent, 60 percent and 90 percent design proposed drawings, plans, and specifications for review and comment by the Work Liaison.

Airline to Provide Information:

Prior to the commencement of any work, and thereafter as often as reasonably required to provide the Work Liaison with current and complete information about the work. Airline shall submit to the Work Liaison initial and updated construction schedules (which shall be reviewed by the Work Liaison for their impact and relation to other projects or operations at the Airport) indicating the proposed and/or actual sequence of all work, and the estimated date of completion of the work under each of Airline's contracts.

(b) Installation, Construction, Start-Up, And Testing Phase:

(i) The Work Liaison shall have the right to monitor the work to assure that the Project is installed and constructed in conformity with the approved drawings, plans and specifications, and in accordance with the applicable standards therefor, to the extent that the monitoring does not interfere with the construction.

5. Performance And Payment Bonds.

Airline shall require each of its Contractors performing construction at or related to the Airport to post a performance and payment bond in the value of the construction work to be performed under its construction contract. Such bonds shall comply with the provisions of 30 ILCS 550/1, as amended, and Section 2-921-030 of the Chicago Municipal Code, Protection of FAA Facilities.

If trenching, jacking of pipe or casing, excavation for pavements or structures, site grading, and vehicular traffic over earth areas will occur over, around and under FAA facilities such as equipment houses, direct buried cables, and duct banks, all possible steps must be taken to ensure their integrity throughout the period of construction activity.

The Contractor shall notify the Commissioner at least seventy-two (72) hours prior to any excavation in the vicinity of FAA cables or ducts to arrange for a joint walking tour with cable location equipment to identify precisely such cables and locations in order to assure the preservation of their vital functions during construction.

6. Protection Of Utilities.

(a) The Contractor shall take suitable care to protect and prevent damage to all utilities from its operations on the Airport.

(b) When performing work adjacent to existing sewers, drains, water and gas lines, electric or telephone or telegraph conduits or cables, pole lines or poles, or other utility equipment or structures which are to remain in operation, the Contractor shall maintain such utility equipment and structures in place at its own expense and shall cooperate with the City department, utility company or other party owning or operating such utility equipment or structures in the maintenance thereof.

(c) The Contractor shall be responsible for and shall repair all damage to any such utility, equipment or structures caused by its acts, whether negligent or otherwise, or its omission to act, whether negligent or otherwise and shall leave such utility, equipment, or structures in as good condition as they were in prior to the commencement of its operations. However, it is hereby agreed that any such utility equipment or structures damages as a result of any act, or omission to act, of the Contractor may, at the option of the City department, utility company, or other party owning or operating such utility, equipment, or structures damaged, be repaired by such City department, utility company, or other party and in such event the cost of such repairs shall be borne by the Contractor.

7. General Conditions.

Airline shall conduct any work, or cause such work to be conducted by its Contractors, in accordance with those standards for construction operations at the Airport set forth in the City's "General Conditions" dated January 1, 1997, as may be revised, including, without limitation, Articles VI, XIV, XV and XIX.

This provision shall be construed as being solely for the benefit of the Commission and the City and shall not confer any rights hereunder for the benefit of the Contractor or its subcontractors. To ensure payment of lien claims, the Commission shall retain the amounts of the liens claimed by subcontractors

or suppliers from payments to the Contractor unless an appropriate waiver or mechanic's lien bond is provided or the liened funds are deposited with the Circuit Court of Cook County, Illinois in accordance with applicable Illinois legal requirements and the Contract Documents. Except as provided above, the Commission shall not make final payment to Contractor nor shall any part of the amounts retained for lien claims be paid until the Contractor shall have delivered to the Commission a complete release of all liens, financial obligations or claims from the Contractor, subcontractor, and other agents acting on its behalf in connection with the Work or arising out of the Work and an affidavit that so far as the Contractor has knowledge or information, releases all the labor and material for which a claim could be made or a lien could be filed. If any lien remains unsatisfied after all payments have been made, then the Contractor shall be required to refund to the Commission all moneys that the latter may be compelled to pay in discharging such lien, including all costs and reasonable attorney's fees. Any amounts so refunded shall be for the benefit of the City and credited to the Project Account.

7.5 Default by Contractor. In the event that the Contractor defaults in its obligations under the Contract, the Commission shall pursue all rights and remedies afforded to it pursuant to the terms of the Contract, at law or in equity. Upon request by the Authorized Library Representative, the Budget Director or the Corporation Counsel and approval by the Board, the Commission shall assign any of its rights and remedies for default by the Contractor to the City.

SECTION VIII
INDEMNITY AND INSURANCE

8.1 Indemnity. Each Contract awarded by the Commission for the Project shall require the Contractor to indemnify, save and hold harmless the Commission and the City, and their respective commissioners, officers, agents, employees and representatives, individually and collectively, from all claims, demands, actions and the like, made or instituted by third parties arising or alleged to arise out of the Work as a result of any act or omission of the Contractor or any of its subcontractors or any of their respective employees or agents.

8.2 Insurance. The Commission, as set forth in Section 3.1.14, shall require the Contractor to purchase and maintain during the implementation of the Site Work and/or the performance of the Work, the types and amounts of insurance as shall be specified by the Commission substantially in the form attached hereto as Exhibit E or as otherwise agreed to by the City's Risk Management Office. Prior to the commencement of Work on the Project, the Commission shall obtain from the Contractor certificates of insurance evidencing the required insurance and certifying the name and address of the Contractor, the description of work or services covered by such policies, the inception and expiration dates of the policies and the specific coverages to be provided. The City and the Commission shall be included as named insureds as their respective interests may appear on the Contractor's insurance policies. A copy of any and all such insurance certificates shall be provided by the Commission to the Authorized Library Representative and/or the Authorized 2FM Representative upon request. All such insurance shall be placed in financially responsible companies, satisfactory to the Commission and authorized under the insurance laws of the State of Illinois to do business in the State of Illinois. Upon issuance of the Notice of Substantial Completion as described in Section 10.4 hereof, the City shall be responsible for insuring the Sites including all improvements thereon.

SECTION IX
PAYMENT OF PROJECT COSTS

9.1 Cost of the Project. It is the intent of the parties that the cost of completing the Project shall not exceed the sums specified in the final Budget for the Project. All plans, specifications and estimates of costs shall be reviewed by the duly designated representatives of the parties. The fee for the Commission's services for the management and administration of the Project will be fixed as a lump sum within the Budget. The Commission's fee shall not exceed three percent (3%) of the estimated construction cost of the Project (excluding acquisition) and, after being fixed in the Undertaking Budget, will neither increase nor decrease. The City shall not pay or otherwise be liable for any costs of the Project, including but not limited to the Commission's legal fees, costs and expenses, if any.

9.2 [intentionally omitted]

9.3 Payment of Project Costs. The Commission shall provide the City with a cash flow for the Project upon request. The Commission shall prepare and provide to the Budget Director, on a quarterly basis in advance, the estimated amounts that will be required to pay the cost of the Project during the next succeeding ninety (90) days. Requests for payment shall include professional services, construction, administrative costs, contingency reserves and such other items as shall have been agreed by the parties ("Request for Payments"). Within thirty (30) days following receipt of a quarterly estimate and Request for Payment, the Budget Director shall deny or approve the Request for Payment and forward the approved Request for Payment to the Commission and CPLF at the address listed in Section 11.1 hereof, which payment shall consist of the estimated amounts required for payment of the costs of the Project during the next succeeding ninety (90) day period as such amounts may be adjusted from time to time by mutual agreement of the parties. The Commission will deposit such funds disbursed by CPLF in the Project Account to pay eligible costs of the Project, respectively, in accordance with the procedures specified in the Contract Documents for interim and final payments. Payments for professional services and other costs of the Project shall be on the basis of invoices approved by the Commission pursuant to its usual and customary payment procedures. In the event that such Request for Payment has not been paid to the Commission within thirty (30) days following the receipt of such Request for Payment, the Commission shall have the right to suspend its performance of this Agreement until payment is received.

9.4 Reallocation of Funds; Insufficient or Excess Funds. In consultation with the Authorized Library Representative and the Authorized 2FM Representative, the Commission may re-allocate any line item in the Budget of the Project to any other cost or activity of the Project so long as the overall Budget for the Project is not exceeded. In the event that the amounts paid to the Commission by CPLF for the Project pursuant to the Project Budget, respectively, shall be insufficient to complete the construction of the Project, the Commission

shall notify the Budget Director in writing and the parties shall agree in writing on any future action that may be appropriate. In no event shall the Commission be obligated to expend any funds for the Project in excess of the amounts provided by CPLF. Any balance remaining in the Project Account 90 days after the date of Final Completion for the Project shall be disbursed as directed by the Budget Director.

9.5 Value Engineering; Alternate Project Approaches. If the Commission determines during project planning, design, or construction that Value Engineering or an Alternate Project Approach is necessary to meet the Project Budget or Schedule, the Commission shall submit such Value Engineering Recommendations or Alternate Project Approaches to 2FM, the Library, and the Office of Budget and Management for approval prior to implementation.

9.6 Records; Audit. The Commission shall maintain records and accounts of all financial transactions relating to the implementation of the Project. The City shall have the right to inspect the books and records of the Commission pertaining to the Project at all reasonable times.

SECTION X
COMPLETION OF THE PROJECT

10.1 Standards for Site Work and Construction. The Commission shall require the Contractor to provide for the Project materials that are new and Work of good quality, free from faults or defects, and implement any Site Work that may be required consistent with the requirements for environmental remediation approved by the Commission in consultation with representatives of 2FM and the IEPA, and construct the Project in conformity with the Standard of Performance set forth in this Agreement and the requirements of the Contract and the Contract Documents. The Commission shall also require that the Contractor correct any deficient or defective work or materials in accordance with the procedures described in the Contract Documents or as prescribed by law. For a period of one (1) year commencing no earlier than the date of Final Acceptance, or such longer period as may be required to enforce any applicable special warranty in any of the various subcontracts to the Contract, by the

manufacturer or by law ("Contractor's Warranty"), the Commission shall assist the City by causing the Contractor to correct, repair or replace any such deficient or defective work or materials and any damage caused by such work and materials. Any equipment or material that is repaired or replaced will have the warranty period extended for a minimum period of one year from the date of the last repair or replacement if standard in the industry and consistent with the applicable warranty. Repairs or replacements that the Contractor makes under this provision must also include a manufacturer's warranty, if standard with the manufacturer, in addition to the Contractor's Warranty. In the event that the City requires the Commission's assistance to enforce the provisions of the Contract or the manufacturer's warranty, the Commission will cooperate with the City to enforce such Contract and cause the Contractor to correct any such deficient or defective Work or materials and any damage caused by such Work or materials.

10.2 Completion Requirements. The Commission shall require the Contractor to comply with the requirements of the Contract Documents with respect to the close-out of the Site Work and construction of the Project including, but not limited to, the completion of Punch List Work, the furnishing of material and equipment guarantees, warranties, operating and maintenance data, manuals and record and "as-built" drawings, shop drawings, waivers of lien, certified payrolls and such other documents as may be required to comply with the terms of the Contract. Upon Final Completion, the Commission will cause five (5) copies of the Certificate of Final Completion issued by the Architect of Record and all other relevant documents to be delivered to 2FM. Any liquidated damages that may be assessed by the Commission against a Contractor for non-performance or delay will be credited to the Project Account or otherwise disbursed as agreed by the Budget Director.

10.3 Inspections. All Work and materials constituting the Project shall be inspected by the Authorized Commission Representative, the Architect of Record, the Authorized 2FM Representative, the Authorized Library Representative, and any other personnel as designated by the City. The Commission shall notify the Authorized Library Representative and the

Authorized 2FM Representative when the Project has been scheduled for inspections to certify Substantial Completion and Final Completion. The Authorized Library Representative and the Authorized 2FM Representative shall have the right to attend any and all such inspections. The Commission will monitor completion of Punch List Work by the Contractor and update the Authorized Library Representative and the Authorized 2FM Representative on a periodic basis.

10.4 Notice of Substantial Completion. Upon issuance of the Certificate of Substantial Completion by the Architect of Record, the Commission shall deliver to the Authorized Library Representative and the Authorized 2FM Representative a copy of such certificate and the Certificate of Occupancy issued by the authority having jurisdiction. Upon delivery to the Authorized Library Representative and the Authorized 2FM Representative of such certificates along with the Notice substantially in the form attached hereto as Exhibit C1, the Library and 2FM shall use best efforts to review the Certificate within ten (10) business days from receipt of the Certificate and provide a written acceptance thereof. If, however, the Library and/or 2FM contest the Certificate of Substantial Completion, the Commission and 2FM and/or the Library agree to work together with all diligence to remedy any outstanding issues to the satisfaction of 2FM and/or the Library, at which point 2FM and/or the Library will accept the Project as Substantially Complete.

10.5 Transfer of Responsibility. Within five (5) business days following acceptance by 2FM of the documents as provided in Section 10.4 above, the City shall assume responsibility for the Project from that date forward including, without limitation, costs of operation and maintenance, electricity, gas, water, telecom and other utilities, security and personnel, and insurance to a level as determined to be appropriate by the City.

10.6 Certificate of Final Acceptance. Upon issuance of the Certificate of Final Completion by the Architect of Record, the Commission shall deliver to the Authorized Library Representative and the Authorized 2FM Representative a Certificate of Acceptance, substantially in the form attached hereto as Exhibit C2 along with a copy of the Certificate of

Final Completion issued by the Architect of Record and the final occupancy certifications by the authority having jurisdiction. The Certificate of Final Acceptance shall certify that each of the following have been completed and appropriate documentation delivered to the Library and 2FM: environmental reports; permits and licenses; shop drawings; "as-built" contract drawings; operation and maintenance manuals; training of 2FM and Library personnel; subcontractor/manufacturers warranties; QA/QC Certification of testing and start-up; commissioning (BAS, HVAC, etc.); and LEED Commissioning to USGBC. Upon delivery of such certificates by the Authorized Commission Representative to the Authorized Library Representative and the Authorized 2FM Representative, the Library and 2FM shall use best efforts to review the Certificates within (10) business days from receipt of the Certificates and provide a written acceptance thereof. If, however, the Library and/or 2FM contest the Certificates of Final Completion and Final Acceptance, the Commission and 2FM and/or the Library agree to work together with all diligence to remedy any outstanding issues to the satisfaction of 2FM and/or the Library, at which point the Commission shall submit revised Certificates of Final Completion and Final Acceptance to 2FM and the Library for review and final approval as described previously in this paragraph.

10.7 Final Payment to Contractor. Unless otherwise provided by the Contract, upon completion of all the Work required to be completed by the Contract Documents and issuance of a Certificate of Final Completion by the Architect of Record, the Commission shall process final payment to the Contractor in accordance with the procedures set forth in the Contract Documents.

To the extent that any of the foregoing does not qualify as a "work made for hire", the Architect hereby irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the Commission and the User Agency and their successors and assigns, all right, title, and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals thereof, and all other intangible, intellectual property embodied in or pertaining to the Work contracted for

Further, the Architect agrees that it will not restrict or otherwise interfere with the Commission's and/or the User Agency's future actions in authorizing the use, adaptation, revision, or modification or destruction of the Work, provided that the Architect is indemnified for any damages resulting from any such future re-use or adaptation of the Work as may be authorized by the Commission or by the User Agency, as applicable.

The failure of the Commission to obtain certificates or other insurance evidence from Contractor is not a waiver by the Commission of any requirements for the Contractor to obtain and maintain the specified coverages. The Contractor shall advise all insurers of the Contract provisions regarding insurance. Nonconforming insurance does not relieve Contractor of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Contract, and the Commission retains the right to stop work until proper evidence of insurance is provided, or the Contract may be terminated.

The Commission and/or City of Chicago reserve the right to obtain copies of insurance policies and records from the Contractor and/or its subcontractors at any time upon written request.

The Contractor agrees that insurers waive their rights of subrogation against the Public Building Commission, its employees, elected officials, agents, or representatives and the City of Chicago.

The coverage and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Contract or by law.

Any insurance or self-insurance programs maintained by the Commission and City of Chicago do not contribute with insurance provided by the Contractor under the Contract.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Contract or any limitation placed on the indemnity in this Contract given as a matter of law.

If contractor is a joint venture, the insurance policies must name the joint venture as a named insured.

The Contractor must require all subcontractors to provide the insurance required herein, or Contractor may provide the coverage for subcontractors. All subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Contract.

If Contractor or subcontractor desires additional coverage, the party desiring the additional coverage is responsible for the acquisition and cost.

The Public Building Commission maintains the rights to modify, delete, alter or change these requirements.

Stock Sold at or below Cost

10.a. Use of Author's material by the Author

26. See Paragraph 1. The Author may use portions of the material from the Work for training, professional development, funder relationship cultivation, and educational presentations, provided that these occasions do not in any way represent a sales opportunity for the Work or otherwise compete, or interfere with, or injure the sale of said Work. The Publisher agrees to comply with the Standard Terms and Conditions set forth in Exhibit 1 and as incorporated herein. Further, the Publisher must execute an Economic Disclosure Statement and Affidavit ("EDS") in the form attached to this Agreement as Exhibit 2 and as incorporated herein. Failure by the Contractor or any Controlling Person (defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code shall render this agreement voidable or subject to termination, at the option of the Chief Procurement Officer. Contractor agrees that Contractor's failure to maintain eligibility (or failure by Controlling Persons to maintain eligibility) to do business with the City in violation of Section 1-23-030 of the Municipal Code shall constitute an event of default.

Duty to Report Corrupt or Unlawful Activity

Pursuant to §2-156-018 of the Municipal Code, it is the duty of the Contractor to report to the Inspector General, directly and without undue delay, any and all information concerning conduct which it knows to involve corrupt activity. (i) no officer, agent or employee of the City is employed by Contractor or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics established under Chapter 2-156 of the Municipal Code.

(ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Contractor must comply with Chapter 2-156 of the Municipal Code. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Contractor is aware that City policy prohibits City employees from directing any individual to apply for a position with Contractor, either as an employee or as a subcontractor, and from directing Contractor to hire an individual as an employee or as a subcontractor. Accordingly, Contractor must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Contractor under this Agreement are employees or subcontractors of Contractor, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Contractor.

(iii) Contractor will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Contractor by a City employee or City official in violation of Section (ii) above, or advocating a violation of Section (iii) above, Contractor will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Agreement. Contractor will also cooperate with any inquiries by OIG Hiring Oversight related to the agreement.

(b) The parties agree that this agreement is solely for the benefit of the parties and nothing herein is intended to create any third party beneficiary rights for subcontractors or other third parties.

the eaves and the ridge of a gable, hip or gambrel roof. For the purpose of determining height in Subarea B Parcels 7 and 7A, grade is herein established as the curb level of the building entrance on upper East North Water Street plus or minus 6 feet in respect of design conditions. (For the purpose of determining height, building tops of other configurations may be considered to be the type described herein which most closely approximates the shape of the proposed design). However, in no case shall the "actual" height of a building exceed the "maximum height" by more than 65 feet.

11. The improvements on individual development sites shall be designed, constructed and maintained in accordance with the exhibits attached hereto and the following general design standards:

(a) Buildings along Lake Shore Drive shall be designed to minimize building mass directly facing the drive. The base along Lake Shore Drive of any such structure shall be limited to the height of Lake Shore Drive. The tower of such structures shall be set back a minimum of 40 feet from Lake Shore Drive although encroachments into such setback area for design reasons may be allowed by the Commissioner of Planning and Development as a minor change pursuant to Section 17-13-0611 of the Chicago Zoning Ordinance. This 40-foot setback area shall be heavily landscaped with trees and other greenery so as to be visible from the drive.

(b) Landscaping of buildings at terraces, rooftops, and balconies shall be provided wherever possible and appropriate. Buildings shall be designed with upper-level architectural features that are lit at night wherever possible. Mechanical equipment on rooftops shall be screened with quality materials, and made a feature of the building design, where appropriate. Notwithstanding any statement to the contrary, this planned development shall be subject to the provisions of Chapter 17-11 of the Chicago Zoning Ordinance governing landscaping and screening. In any instance where a provision of this planned development conflicts with landscape and screening provisions of the Chicago Zoning Ordinance, the Chicago Zoning Ordinance shall control. Nothing in this planned development is intended to waive the applicability of the landscape and screening provisions of the Chicago Zoning Ordinance.

(c) Buildings shall be setback from the property line, if necessary, to achieve a minimum of 12 feet, 6 inches (except the building column may be setback 10 feet, 0 inches in Subarea E-3 along Ogden Slip and the building located in Subarea B, Parcels 7 and 7A, may be located at the Property line along North New Street, North Park Drive, Upper East North Water Street and Lower East North Water Street and the building located in Subarea B, Parcel 8, may be located at the Property line along North New Street, North Park Drive, and East Illinois Street) in sidewalk width to accommodate street trees. No awnings, canopies, or other building projections shall be allowed that would interfere with street tree canopies except at entrances to hotels, residential entrances or movie theaters.

(d) Building designs that reflect divisions into base, middle, and top, that have setbacks, cornice lines, changes in plane or materials, articulated surfaces, or other methods of reducing the scale and mass are encouraged. Preferred building materials shall be stone, manufactured stone, brick, finished metal such as stainless steel, or articulated pre-cast concrete in combination with glass at the base. Exposed structural concrete, dryvit or other stucco-like material, or reflective glass shall not be allowed. Materials of upper stories shall be similar to those of the lower; however, the level of detailing may be simplified.

(e) Buildings shall be designed with clearly delineated signage bands. The quality and amount of signage shall be strictly controlled. The total square footage displayed on any building shall be limited to no more than six (6) times the street frontage on any given street. Preference shall be given to pin-mounted backlit signs with individual letters that are externally lit. Signs behind glass that are visible from the sidewalk shall count toward the permitted sign area. The area of a sign that consists of individual letters shall be measured by drawing a box around the letters. Graphic images which depict tenant logos or products or which may otherwise be construed as advertising shall count as signage in their entirety. Signage on awnings shall be allowed on the valance only, with a maximum of 5-inch high letters limited to tenant identification or logos only. No electronic moving message board signs shall be allowed. Rooftop signs shall be prohibited.

(f) No new surface parking lots, except interim lots approved by the Zoning Administrator, shall be allowed. No surface parking lot shall be allowed on the Parcel P21B ("Kraft") park site in Subarea F. The maximum effort shall be made to contain parking in below-ground structures. Above-grade parking structures shall be enclosed, fronted by habitable space, or otherwise designed so as to have a similar appearance to habitable spaces in terms of finish materials, the shape and scale of openings, and the screening of ramps, car lights and ceiling fixtures. Any parking structures facing the Chicago River must be fronted by habitable space or completely enclosed and well-articulated at all levels. The first floor of all structures facing Illinois Street, Grand Avenue, McClurg Court, Park Drive, or Columbus Drive shall maximize space with active uses such as retail, daycare, restaurants, et cetera. Parking structures shall also contain provisions for planting at the base, the roof, or at mid-height ledges.

(g) Loading docks shall be concealed from public view through screening or landscaping. Curb cuts for loading docks shall be minimized.

(h) The new roadway structure at upper level Illinois Street shall be finished in highly articulated stone, pre-cast concrete, or other quality material, with particular attention given to views of the structure from Columbus Drive. Terraced planting, pedestrian lighting, decorative railings, banners, and other features shall be used to create a major pedestrian amenity. A major water feature shall be installed at the intersection of upper-level Illinois Street and the

NBC Plaza. The underside of upper Illinois Street shall be appropriately lit, structural columns shall be covered, and other elements shall be added to create a safe, well-lit connection to Michigan Avenue.

(i) The completion of the riveredge esplanade shall be required of the developers of Parcels 14 and 16, and Parcel 18. Such public spaces shall be developed with the same quality and character of amenities as the existing esplanade adjacent to these areas. In addition, the developer of Parcel 18 shall be responsible for the development of pedestrian access to DuSable Park under Lake Shore Drive. Such access shall be well-lit, suitably paved, and finished so as to provide safe, attractive, and convenient access to the park from the river esplanade. All plans for pedestrian access to DuSable Park from Parcel 18 shall be subject to detailed review and approval by the Department of Planning and Development before the issuance of any superstructure Part II Approval letters.

(j) The developer of Parcel 19 shall develop the following public improvements indicated on Exhibit 6 Existing and Planned Open Spaces concurrently with the development of Parcel 19: a pedestrian walkway from East North Water Street to Ogden Slip and an extension of the Ogden Slip promenade to Lake Shore Drive. The pedestrian walkway from East North Water Street to Ogden Slip shall be developed with the same quality and character of amenities as the existing walkway from the River Esplanade to East North Water Street. The extension of the Ogden Slip promenade shall be developed with the same quality and character of amenities as the existing promenade adjacent to it. In the event that DuSable Park is developed before Parcel 19 is developed, the owner(s) of Parcel 19 shall construct and maintain a temporary pedestrian connection along the slip. These improvements shall consist of a paved (asphalt or better) pedestrian walkway, a minimum of 20 feet in width. Metal railings shall be installed along either side of the pedestrian walkway near the slip edge and on the side adjacent to Parcel 19. The design of these improvements shall be subject to the approval of the Commissioner of Planning and Development.

In addition, pedestrian access along Ogden Slip under Lake Shore Drive to DuSable Park shall be constructed concurrently with the construction of DuSable Park. The owner(s) of Parcel 19 shall be solely responsible for the cost of improvements underneath Lake Shore Drive, subject to approval of the State of Illinois to make such improvements. Such access shall be well-lit, suitably paved, and finished so as to provide safe, attractive, and convenient access to the park from the Ogden Slip promenade. However, if Parcel 19 should be developed before the construction of DuSable Park, then the owner(s) of Parcel 19 shall, at the time of application for superstructure Part II, place in escrow money equivalent to the cost of constructing such a connection, as determined by the Commissioner of the Department of Planning and Development, unless an agreement between the Developer of Parcel E.3 and the Chicago Park District as referenced in Statement Number 11(m) below provides otherwise.

All plans for these improvements shall be subject to detailed review and approval by the Department of Planning and Development before the issuance of any Part II Approval letters.

(k) All improvements to be constructed within this planned development for which Part II Approval letters are issued after the March 29, 2006, date of City Council approval of the amended planned development shall comply with the Department of Planning and Development Chicago Sustainable Development Policy in effect at the time of application for Part II Approval, and the owners shall use best and reasonable efforts to design, construct and maintain all buildings located within this planned development in a manner generally consistent with the Leadership in Energy and Environmental Design Green Building Rating System (LEED). A dog-run shall be located within or adjacent to Subparcel E.3. As a result of the architectural design of the tower to be constructed within Subparcel E.3, a green roof is not feasible. The development of the improvements on Parcel P21C contemplated by this planned development amendment shall be LEED certified and have a green roof of approximately 2,177 square feet and a rain water collection system as described in the attached Green Roof Plan.

(l) Pursuant to the Affordable Housing provision of the City of Chicago Zoning Ordinance, Title 17, Chapter 17-4-1004, et seq. ("Zoning Ordinance") Developer of Parcel E.3 has asked for an increase in the Floor Area Ratio of 3.00 FAR for the Property. The Developer of Parcel E.3 hereby acknowledges that according to Section 17-4-1004D of the Zoning Ordinance, the total floor area devoted to affordable housing units must equal at least 25 percent of the total increase in floor area allowed under the Affordable Housing Bonus or a cash payment must be made to the City of Chicago Affordable Housing Opportunity Fund based on the increase in allowable floor area multiplied by 80 percent of the median cost of land per buildable square foot. Based on Section 17-4-1004D, the Developer of Parcel E.3 has agreed to provide a cash payment to the City of Chicago Affordable Housing Opportunity Fund in the amount of $5,700,300.00. Prior to the issuance of permits, the Developer of Parcel E.3 will enter into an Affordable Housing Agreement with the Chicago Department of Planning and Development or provide a letter of credit or other security device in an amount equal to the cash contribution. The Developer of Parcel E.3 must comply with all of the applicable sections of the Affordable Housing Provision of the Zoning Ordinance which sections are hereby incorporated into this planned development. The Affordable Housing Agreement required by Section 17-4-1004-E9 is also incorporated into this planned development.

Pursuant to the Off-Site Park and Open Space Contributions provision of the City of Chicago Zoning Ordinance, Title 17, Chapter 17-4-1018, et seq., the

Developer of Parcel E.3 has asked for an increase in the Floor Area Ratio of 2.16 FAR for the Property. The Developer of Parcel E.3 hereby acknowledges that according to Section 17-4-1018-C of the Zoning Ordinance, a cash payment must be made to the City of Chicago based on the increase in allowable floor area multiplied by 80 percent of the median cost of land per buildable square foot. Based on Section 17-4-1018-C, the Developer of Parcel E.3 has agreed to provide a cash payment to the City of Chicago in the amount of $4,104,216.00. Prior to the issuance of permits, the Developer of Parcel E.3 will provide a letter of credit or other security device in an amount equal to the cash contribution. The Developer of Parcel E.3 must comply with all of the sections of the Off-Site Park and Open Space Contributions provisions of the Zoning Ordinance which sections are hereby incorporated into this planned development. The Off-Site Park and Open Space Contribution Agreement required by Section 17-4-1018-B3 is also incorporated into this planned development.

(m) The Developer of Parcel E.3, the City of Chicago, and the Chicago Park District shall enter into an agreement relating, in part, to the responsibility for the design, funding and construction phasing of DuSable Park, the pedestrian connections to DuSable Park and the Lakefront Trail.

(n) The improvements contemplated for DuSable Park (Subparcel E.1) must be substantially completed by the Developer of Parcel E.3 prior to the issuance of Certificate of Occupancy for any dwelling unit exceeding the three hundredth (300th) dwelling unit constructed with Subparcel E.3.

(o) The amendment of this planned development concerning development of Parcels P21B and P21C triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the Affordable Requirements Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). Further, the amendment of this planned development is subject to Section 17-4-1004-D of the Zoning Code, which also requires on-site affordable housing or payment of a fee in lieu of providing affordable housing for rezonings in DC, DX and DR districts that increase the base floor area ratio. If a planned development is subject to the requirements of both sections (2-45-110 and 17-4-1004-D), the developer may elect to satisfy the ARO requirements by complying with the affordable housing floor area bonus provided for in Section 17-4-1004. The owner of Parcels P21B and P21C has elected to comply with Section 17-4-1004. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the owner of Parcels P21B and P21C has requested an increase in the floor area ratio for the Property, as set forth in the bonus worksheet required

under Section 17-4-1003-D and attached hereto as an exhibit ("Bonus Worksheet"). In accordance with the formulas set forth in Section 17-4-1004-C and the Bonus Worksheet, the owner of Parcels P21B and P21C acknowledges and agrees that it must provide either a minimum of at least 21,680 square feet of floor area (the "Affordable Units") in the building receiving the affordable housing floor area bonus ("Eligible Building"), with an affordable unit mix comparable to the overall mix and approved by the Department of Planning and Development prior to issuance of the first building permit, or make a cash payment in lieu of providing affordable housing in the amount of $2,983,168 ("Cash Payment"), or $100,000 per unit ("Pro Rata Amount"). Prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, the owner of Parcels P21B and P21C must either make the required Cash Payment or provide a performance bond or other security in the amount of the Cash Payment ensuring construction of the Affordable Units. If the owner of Parcels P21B and P21C elects to construct the Affordable Units, it must also enter into an Affordable Housing Agreement with the City pursuant to Section 17-4-1004-E9 prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits. The terms of the Affordable Housing Agreement and any amendments thereto would be incorporated herein by this reference. The owner of Parcels P21B and P21C acknowledges and agrees that the Affordable Housing Agreement would be recorded against the Eligible Building and would constitute a lien against each Affordable Unit in an amount equal to the Pro Rata Amount. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time ofthe sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. In addition to the Affordable Housing Agreement, the owner of Parcels P21B and P21C acknowledges and agrees that, pursuant to Section 17-4-1003-D3, the Bonus Worksheet will serve as an official record of bonuses and amenities. The owner of Parcels P21B and P21C must comply with the applicable affordable housing standards and requirements set forth in Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in Section 17-4-1003-E, the Commissioner of the Department of Planning and Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the planned development.

12. Publicly dedicated improvements, including streets, sidewalks, transit and open space amenities shall be designed, constructed and maintained in accordance with the exhibits described in Statement 2 hereof and the "Cityfront Center Internal Design Standards: Section I", dated September 12, 1986.

13. The property owner(s) adjacent to the Chicago River shall develop a continuous pedestrian esplanade along the Chicago River's edge. Completion of the esplanade will occur as follows:

    (a) The east right-of-way line of McClurg Court to the west right-of-way line of Lake Shore Drive shall be improved concurrently with development of adjacent parcels south of East North Water Street (Parcels 14,16, and 18). In the event that DuSable Park is developed before Parcel 18 is developed, the owner(s) of Parcel 18 shall construct and maintain a temporary pedestrian connection along the river. These improvements shall consist of a paved (asphalt or better) pedestrian walkway, a minimum of 10 feet in width. Metal railings shall be installed along either side of the pedestrian walkway near the river's edge and on the side adjacent to the development parcel. The design of these improvements shall be subject to the approval of the Commissioner of Planning and Development; and

    (b) The west right-of-way line of Lake Shore Drive to DuSable Park shall be constructed concurrently with the construction of DuSable Park. The owner(s) of Parcel 18 shall be solely responsible for improvements underneath Lake Shore Drive, subject to approval of the State of Illinois to make such improvements. Such access shall be well lit, suitably paved, and finished so as to provide safe, attractive, and convenient access to the park from the river edge esplanade. However, if Parcel 18 should be developed before the construction of DuSable Park, then the owner(s) of Parcel 18 shall, at the time of application for superstructure Part II, place in escrow money equivalent to the cost of constructing such a connection, as determined by the Commissioner of the Department of Planning and Development, unless an agreement between the Developer of Parcel E.3 and the Chicago Park District as referenced in Statement Number 11(m) above provides otherwise.

14. The developer of Parcels P21B and P21C (the Kraft Parcel), shall substantially renovate the existing 70,000 square foot park on Parcel P21B in accordance with the Landscape Plan, the Landscape Sections, and the Landscape Plant list. Such renovation shall be commenced no later than three (3) months following issuance of the first occupancy permit for the residential building to be constructed on Parcel P21C as permitted by this planned development, and shall be completed no later than one (1) year thereafter. The park, as renovated, shall continue to be privately owned, maintained and subject to occasional partial closure for private use but, subject to the foregoing, shall remain accessible to the public during hours in which public parks are accessible to the public. The public shall have use of the dog-run indicated on the Landscape Plan subject to any regulations, if imposed, that conform to the protocols of the Chicago Park District for Dog Friendly Areas. The owner(s) of Parcels P21B and P21C (the Kraft Parcel) shall be responsible for the costs and performance of maintenance of the park in conformance with the Landscape Plan and the Open Space Plan. Nothing contained

herein shall preclude residents or other individuals from using the park for other private uses, provided that they obtain permission from the owner(s) of the Kraft Parcel and all necessary governmental approvals and permits.

15. Traffic studies completed by developers and the City of Chicago project significant peak hour traffic volume increases on Illinois Street and Grand Avenue in particular as a result of new development. Some excess roadway capacity is available to handle this increased traffic, but a number of geometric, signal timing and parking control measures are recommended in addition to active transportation management in the Illinois-Grand corridor. Accordingly, no Part II Submittal shall be approved without a firm agreement between the developer and the Chicago Department of Transportation regarding the timing and responsibility for any recommended traffic improvements described in Exhibit 8 hereof for streets adjoining the development site. Membership and participation in the Illinois-Grand Corridor Transportation Management Association shall also be required prior to the issuance of any Part II Development Approval.

16. Prior to the issuance by the Department of Planning and Development of a determination pursuant to Section 17-13-0610 of the Chicago Zoning Ordinance ("Part II Approval") for development or redevelopment of any development parcels within the planned development, other than alterations to existing buildings which do not increase their height or alter their footprint or construction in accordance with the Plans approved herein, a site plan for the proposed development, including parking areas, shall be submitted to the Zoning Administrator for approval. Review and approval of the site plan by the Zoning Administrator is intended to assure that specific development proposals conform with the general design standards in Statement 11 and to ensure coordination of public improvements described in Statements 12 through 15 at an early stage. No Part II Approval for work for which a site plan must be submitted to the Zoning Administrator shall be granted until the Site Plan has been approved by the Zoning Administrator. Further, all Part II Submittals shall be in compliance with the Chicago Landscape Ordinance. At least thirty (30) days prior to the filing of the Developer of Parcel E.3's request for Part II Approval for the construction of the superstructure upon Subparcel E.3, the Developer of Parcel E.3 Applicant shall submit a detailed Landscape Plan and Elevations for the Subparcel E.3 Property to the Department of Planning and Development for review and approval.

    Following approval of a site plan by the Zoning Administrator, the approved plan shall be kept on permanent file with the Department of Planning and Development and shall be deemed to be an integral part of this planned development. The approved site plan may be changed or modified pursuant to the minor change provisions of Section 17-13-0611 of the Chicago Zoning Ordinance. A site plan shall, at a minimum, provide the following information with respect to the proposed improvements:

    (1) the boundaries of the Property;

(2) the footprint of the improvements;

(3) location and dimensions of all loading berths;

(4) preliminary landscaping plan prepared by a landscape architect with final landscaping plan to be approved at Part II Stage;

(5) all pedestrian circulation routes;

(6) the location of any adjacent public improvements;

(7) a signage plan for any building where retail or theater uses would be present above the ground level;

(8) preliminary elevations of the improvements; and

(9) statistical information applicable to the Property limited to the following:

(a) floor area and floor area ratio;

(b) uses to be established;

(c) building heights; and

(d) all setbacks, required and provided.

A site plan shall include such other information as may be necessary to illustrate conformance with the applicable provisions of this planned development.

17. If any provision of this planned development amendment shall, to any extent, be invalid or unenforceable, the remainder of this planned development amendment shall not be affected thereby, and each provision of the planned development amendment shall be valid and enforceable to the fullest extent of the law.

18. The terms, conditions and exhibits of this Planned Development Ordinance or of an approved site plan may be modified administratively by the Zoning Administrator upon the request of the applicant and after a determination by the Zoning Administrator that such a modification is minor, appropriate and consistent with the nature of the improvements contemplated in the planned development and the purposes underlying the provisions hereof. Any such modification shall be deemed to be a minor change in the planned development as contemplated by Section 17-13-0611 of the Chicago Zoning Ordinance.

19. It is in the public interest to design, construct and maintain the project in a manner which promotes, enables, and maximizes universal access throughout the Property. Plans for all buildings and improvement on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

20. It is in the public interest to design, construct and maintain all buildings in a manner that promotes and maximizes the conservation of natural resources. All improvements to be constructed within this planned development for which Part II Approval letters are issued after the March 29, 2006, date of the City Council approval of the amended planned development shall comply with the Department of Planning and Development Chicago Sustainable Development Policy in effect at the time of application for Part II Approval. The owners of all such improvements shall use best and reasonable efforts to design, construct and maintain all buildings located within the planned development in a manner generally consistent with the Leadership in Energy and Environmental Design ("LEED") Green Building Rating System. Copies of these standards may be obtained from the Department of Planning and Development. The development of the improvements on Parcel P21C contemplated by this planned development amendment shall be LEED certified and have a green roof of approximately 2,177 square feet and a rain water collection system as described in the attached Green Roof Plan. The development of the improvements on Parcel P8 contemplated by this planned development amendment shall be LEED certified and have a Total Green Roof Area of approximately 13,482 square feet, including approximately 1,350 square feet of rooftop pool surface area, as described in the attached Green Roof Plan.

21. Unless substantial construction of the improvements contemplated within Subparcel E.3 has commenced within three years following adoption of Residential-Business Planned Development Number 368, as amended May 6, 2015, and unless completion is thereafter diligently pursued, then this planned development shall expire as it relates to Subparcel E.3 and the zoning of Subparcel E.3 of the planned development shall automatically revert to Residential-Business Planned Development Number 368, as amended on March 29, 2006. Unless substantial construction of the improvements contemplated within Parcels 7 and 7A has commenced within six years following adoption of Residential-Business Planned Development Number 368, as amended on June 6, 2012, and unless completion is thereafter diligently pursued, then this planned development shall expire as it relates to Parcels 7 and 7 A and the zoning of Parcels 7 and 7A of the planned development shall automatically revert to Residential-Business Planned Development Number 368, as amended on July 9, 2008. Unless substantial construction of the improvements contemplated within Parcels 21B and 21C (the Kraft Parcel) has commenced within three years following adoption of Residential-Business Planned Development Number 368, as amended on January 21, 2015, and unless completion is thereafter diligently pursued, then this planned

development shall expire as it relates to Parcels 21B and 21C (the Kraft Parcel) and the zoning of Parcels 21B and 21C (the Kraft Parcel) shall automatically revert to Residential-Business Planned Development Number 368, as amended on June 6, 2012. Unless substantial construction of the improvements contemplated within Subarea B Parcel 8 has commenced within six years following adoption of this planned development amendment, and unless completion is thereafter diligently pursued, then this planned development shall expire as it relates to Subarea B Parcel 8 and the zoning of Subarea B Parcel 8 of the planned development shall automatically revert to Residential-Business Planned Development Number 368, as amended on May 6, 2015.

Design Description

Containing a series of interconnected play areas for children of all ages and their families, the pocket park along E. Illinois Street will be an amenity for residents of the Streeterville neighborhood and for visitors. Conventional play equipment including swings and a slide will be coupled with opportunities for sensory play that engages children with the nature that surrounds the play area. Some areas will have topography to encourage different ways to play, while bleacher-style seating will provide a place for all to stop and rest or to gather groups together for more structured activities. Planting is integrated to provide seasonal interest and shade.

option, upon thirty (30) days' prior written notice to the Developer, terminate this Agreement at any time after the expiration of the applicable time period, in which event this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder; provided, however, that if within said thirty (30) day notice period the Developer satisfies said condition(s), then the termination notice shall be deemed to have been withdrawn. Any forbearance by DPD in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 11. CONSTRUCTION REQUIREMENTS.

11.1 Scope Drawings and Plans and Specifications. The Developer has delivered the Scope Drawings for the Project to DPD and DPD has approved the same. The Developer shall submit to DPD for approval the final Plans and Specifications prepared by the Architect for the Project in accordance with the Project Schedule. Any material changes to the Scope Drawings or Plans and Specifications for any portion of the Project shall be submitted to DPD as a Change Order pursuant to Section 11.2 hereof. The Scope Drawings and Plans and Specifications for the Project shall at all times conform to the Redevelopment Plan, the PD and all applicable Laws. The Developer shall submit all necessary documents to the City's Building Department, Department of Transportation and such other City departments or governmental authorities as may be necessary to acquire Governmental Approvals for the Project. The Developer shall construct the Project in accordance with the PD and the PD statements, as the same may be amended from time to time.

11.2 Change Orders. All Change Orders (and documentation identifying the source of funding therefor) relating to a material change to the Project must be submitted by the Developer to DPD for DPD's prior written approval, which approval shall not be unreasonably withheld, conditioned or delayed. As used in the preceding sentence, a "material change to the Project" means (a) an increase or reduction in the gross or net square footage of the facilities building by more than 5%; or (b) any changes to the Budget that, individually or in the aggregate, increase or decrease the Budget by more than 10%. The Developer shall not authorize or permit the performance of any work relating to any Change Order or the furnishing of materials in connection therewith prior to the receipt by the Developer of DPD's written approval (to the extent required in this section). DPD shall use reasonable efforts to respond to Change Orders after submission by Developer.

11.3 Performance and Payment Bonds. Prior to the commencement of construction of any portion of the Project involving work in the public way, if any, or work that constitutes a "public work" under applicable state law and is required to be bonded under such state law, the Developer shall require that the General Contractor be bonded for its performance and payment by sureties having an AA rating or better using a bond in a form acceptable to the City. The City shall be named as obligee or co-obligee on any such bonds.

11.4 Employment Opportunity; Progress Reports. The Developer covenants and agrees to abide by, and contractually obligate and cause the General Contractor and each subcontractor to abide by the terms set forth in Section 23.2 (City Resident Construction Worker Employment Requirement) and Section 23.3 (MBE/WBE Commitment) of this Agreement. The Developer shall deliver to the City written progress reports detailing compliance with such requirements on a quarterly basis. If any such reports indicate a shortfall in compliance, the

Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which the Developer shall correct any shortfall.

11.5 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other utility services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

11.6 City's Right to Inspect Property. For the period commencing on the Closing Date and continuing through the date the City issues the Certificate of Completion, any authorized representative of the City shall have access to the relevant portions of the Project and the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement, the PD, the Scope Drawings, the Plans and Specifications, the Budget, and all applicable Laws and covenants and restrictions of record.

11.7 Barricades and Signs. The Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require during the Project, identifying the site as a City redevelopment project. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding the Developer, the Property and the Project in the City's promotional literature and communications. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. DPD shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the Property.

11.8 Survival. The provisions of this Section 11 shall survive the Closing.

SECTION 12. LIMITED APPLICABILITY.

Any approval given by DPD pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department, nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the Property or any part thereof.

SECTION 13. COMMENCEMENT AND COMPLETION OF PROJECT.

Construction. The Developer shall commence construction of the Project no later than one hundred fifty (150) days from the Closing Date, and shall complete the Project (as evidenced by the issuance of the Certificate of Completion) no later than twenty four (24) months from the commencement of construction; provided, however, DPD, in its sole discretion,

may extend the construction commencement and completion dates by up to six (6) months each (or twelve (12) months in the aggregate). The Developer shall construct the Project in accordance with this Agreement, the PD, the Scope Drawings, the Plans and Specifications, the Budget, and all applicable Laws and covenants and restrictions of record.

SECTION 14. CERTIFICATE OF COMPLETION OF CONSTRUCTION.

14.1 Upon satisfaction of the requirements set forth in this Section 14 for the Project, and upon the Developer's written request, DPD shall issue to the Developer a certificate of completion ("Certificate of Completion") in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement.

14.2 A Certificate of Completion for the Project will not be issued until the following requirements have been satisfied:

(a) The Project has been fully constructed in accordance with this Agreement, and the Developer has received a Certificate of Occupancy or other evidence acceptable to DPD that the building constructed is in substantial compliance with all building permit requirements, as required by all applicable Laws.

(b) The Developer has met with the alderman of the ward and community members to discuss the process by which community members can use the community facilities for public uses to the extent provided for herein; or alternatively, has agreed with the alderman of the ward on its plan for the Community Programs.

(c) The Developer has obtained the Final NFR Letter for the Property.

(d) The Developer is in full compliance with all requirements of the PD relating to construction of the Project.

(e) The City's Monitoring and Compliance Unit has verified in writing that the Developer is in full compliance with all City requirements set forth in Section 23.2 (City Resident Construction Worker Employment Requirement) and Section 23.3 (MBE/WBE Commitment) with respect to the Project.

(f) There exists neither an Event of Default nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

14.3 Within forty-five (45) days after receipt of a written request by the Developer for a Certificate of Completion, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the

Developer's obligations to construct the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction. Nor shall the Certificate of Completion release the Developer from its obligation to comply with the other terms, covenants and conditions of this Agreement, except to the extent otherwise provided by this Agreement.

14.4 Commencing on the first anniversary of the issuance of the Certificate of Completion, and continuing on each such anniversary through the fifth anniversary of the issuance of the Certificate of Completion, the Developer shall submit to DPD annual affidavit value reports for the Community Programs for the five (5) year period from the issuance of the Certificate of Completion. The Developer is not required to spend any minimum amount on Community Programs in any one year, so long as the Developer invests $3,000,000 in Community Programs within the five (5) year period commencing on the date of issuance of the Certificate of Completion.

SECTION 15. RESTRICTIONS ON USE.

The Developer and its successors and assigns, covenant and agree as follows and in accordance with the PD:

15.1 Compliance with Redevelopment Plan. The Developer shall use the Property in compliance with the Redevelopment Plan until the earlier of expiration of the Redevelopment Plan by its terms or the grant by the City of an amendment to such compliance obligation..

15.2 Final NFR Letter. The Developer shall comply with all land use restrictions, institutional controls and other terms and conditions contained in the Final NFR Letter for the Property.

15.3 Non-Discrimination. The Developer shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or the Project or any part thereof.

The Developer, for itself and its successors and assigns, acknowledges and agrees that the development and use restrictions set forth in this Section 15 constitute material, bargained-for consideration for the City and are intended to further the public policies set forth in the Redevelopment Plan.

SECTION 16. PROHIBITION AGAINST SALE OR TRANSFER OF PROPERTY.

16.1 The Developer may not, prior to one (1) year after the date of issuance of the Certificate of Completion, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell, transfer, convey, lease or otherwise dispose of all or any portion of the Property or the Project or any interest therein (other than public utility easements, office or retail leases, vendor licenses, and license agreements with community organizations consistent with the anticipated use of the Project); or (b) directly or indirectly assign this Agreement (other than to a lender for collateral assignment purposes as permitted under Section 17) except that Developer may assign this Agreement, without the prior written

consent of DPD but with ten (10) days prior written notice to DPD, to an Affiliate. The Developer acknowledges and agrees that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee.

16.2 The Developer sells, conveys, transfers, exchanges or otherwise disposes of all or any part of the Property or the Project without DPD's consent where such consent is required by Section 16.1, on the closing date of such disposition, the Developer shall make a payment to the City in an amount equal to fifty percent (50%) of either the purchase price (in the case of an arms-length transaction) or the appraised value at the time of the disposition (in the case of a related party transaction), minus (a) any reasonable and customary closing costs and expenses, and (b) the actual costs incurred by the Developer in constructing the Project (the "Prohibited Sale Fee"). The Developer shall prepare and submit to DPD, for DPD's approval, at least fifteen (15) days before the scheduled date of the closing, a written statement identifying the portion of the Property or the Project that is being sold and the estimated Prohibited Sale Fee for such portion.

SECTION 17. MORTGAGES AND OTHER LIENS.

17.1 Limitation upon Encumbrance of Project Site. Prior to the issuance of the Certificate of Completion, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property, except for the Lender Financing, if any, approved pursuant to Section 9, which shall be limited to funds necessary to purchase the Property and construct the Project or, except for any funds necessary for Project operations, permanently finance the Project after construction.

17.2 Mortgagees Not Obligated to Construct. Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18 and, at the Closing, shall execute a subordination agreement in accordance with Section 10.3. If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property (or any portion thereof) prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property (or any portion thereof) to another party, such transferee shall be obligated to complete the Project (or such portion of the Project located on the land so transferred), and shall also be bound by the other covenants running with the land specified in Section 18.

SECTION 18. COVENANTS RUNNING WITH THE LAND.

The Parties agree, and the Deed shall so expressly provide, that the covenants, agreements, releases and other terms and provisions contained in Section 13 (Commencement and Completion of Project), Section 15 (Restrictions on Use), Section 16 (Prohibition Against Sale or Transfer of Property), Section 17 (Limitation Upon Encumbrance of Property), and Section 22.4 (Release and Indemnification), touch and concern and shall be appurtenant to and

shall run with the Property as provided in said Sections. Such covenants, agreements, releases and other terms and provisions shall be binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City.

SECTION 19. PERFORMANCE AND BREACH.

19.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Event of Default. The occurrence of any one or more of the following events or occurrences shall constitute an "Event of Default" under this Agreement:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement;

(b) the making or furnishing by the Developer of any warranty, representation, statement, certification, schedule or report to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) which is untrue or misleading in any material respect;

(c) the Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien (which mechanic's or materialmen's lien is not being contested and challenged by Developer and Developer, upon written request, provides notice to the City of such contest and the reason therefor), or any other lien or encumbrance unauthorized by this Agreement to attach to the Property which default is not cured pursuant to Section 19.3;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the entry of any judgment or order against the Developer which is related to the Property and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(f) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period; or.

(g) the Developer fails to submit to DPD annual affidavit value reports, as set forth in Section 14.4, for the Community Programs for any of the five (5) years from the date of issuance of the Certificate of Completion.

19.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have thirty (30) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default

provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk of damage to the improvements comprising the Project or injury to persons using the Project). Notwithstanding the foregoing or any other provision of this Agreement to the contrary, there shall be no notice requirement or cure period with respect to Events of Default described in Section 16 (Prohibition Against Transfer of Property).

19.4 Default Prior to the Issuance of Certificate of Completion. If an Event of Default occurs prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and pursue and secure any available remedy against the Developer in any court of competent jurisdiction by any action or proceeding at law or in equity, including, but not limited to, damages, injunctive relief, the specific performance of the agreements contained herein, and the right to revest title to the Property in the City pursuant to the Reconveyance Deed, provided, however, that the recording of the Reconveyance Deed shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement.

The City's right to record and revest title in the City pursuant to the Reconveyance Deed expires on the Reverter Termination Date and prior to the Reverter Termination Date is limited to the Events of Default set forth in Section 19.2, and then only after notice and opportunity to cure is afforded to the Developer as provided in Section 19.3, and the recording of the Reconveyance Deed shall not defeat, render invalid, or limit in any way the lien of any mortgage authorized by this Agreement.

If the Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and the Developer shall cause the release of all unpermitted liens or encumbrances (excluding liens securing approved Lender Financing) placed on the Property during the period of time the Property was owned by the Developer. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City.

19.5 Default After Issuance of Certificate of Completion. If an Event of Default occurs after the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and pursue and secure any available remedy against the Developer in any court of competent jurisdiction by any action or proceeding at law or in equity, including, but not limited to, damages, injunctive relief and the specific performance of the agreements contained herein.

19.6 Resale of the Property. Upon the reconveyance of the Property to the City as provided in this Section 19, the City may complete the Project at its own cost (if the Project has not been completed) or convey the Property to a qualified and financially responsible party reasonably acceptable to the first mortgagee (if any), who (at its own cost) shall assume the

obligation of completing the Project or such other improvements as shall be satisfactory to DPD (if the Project has not been completed), and otherwise comply with the covenants that run with the land as specified in Section 18.

19.7 Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 19.6, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) the fair market value of the Property as if it were vacant, which fair market value shall be calculated at the time of sale; and

(b) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any revenue derived by the City from the Property in connection with such management); and

(c) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

(d) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(e) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(f) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds.

19.8 Expiration of Agreement. Following the Reverter Termination Date, the only continuing obligations under this Agreement not separately provided for as covenants running with the Property by virtue of the Deed and recorded Final NFR Letter, are the obligations in Sections 3 and 14.4, which shall expire as set forth in said Sections.

SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official, director, officer, member, manager, trustee or employee of the City or the Developer shall be personally liable in the event of any default under or breach of this Agreement or for any amount which may become due with respect to any commitment or obligation under the terms of this Agreement.

SECTION 21. INDEMNIFICATION.

Except as otherwise provided herein, the Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees and agents (individually, an "Indemnitee," and collectively the "Indemnitees") harmless from and against any and all Losses in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto, that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating to or arising out of: (a) the failure of the Developer to comply with any of the terms, covenants and conditions applicable to the Developer and contained within this Agreement; (b) the failure of the Developer or any Agent of the Developer to pay contractors, subcontractors or material suppliers undisputed amounts owed in connection with the construction and management of the Project; (c) the existence of any material misrepresentation or omission in this Agreement or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Agent or Affiliate of the Developer; (d) the Developer's failure to cure any material misrepresentation in this Agreement or any other document relating hereto; and (e) any activity undertaken by the Developer or any Agent or Affiliate of the Developer on the Property prior to or after the Closing. Notwithstanding the foregoing, no Indemnitee, shall be indemnified for claims to the extent arising out of such Indemnitee's breach of this Agreement or negligence. This indemnification shall survive the Closing and any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. ENVIRONMENTAL MATTERS.

22.1 "As Is" Sale. The Developer acknowledges and agrees that it has had, or will have had, prior to the Closing Date, adequate opportunity to inspect the Property. Subject to City's performance of the City's Pre-Closing Work and as otherwise set forth herein, the Developer agrees to accept the Property in its "as is," "where is" and "with all faults" condition on the Closing Date without any covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever. The Developer's obligation to purchase the Property is conditioned upon the Developer being satisfied with the condition of the Property for the construction, development and operation of the Project. If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the Property, the condition of title to the Property, any obligations imposed upon the Developer to make infrastructure improvements as required under Section 11, the terms imposed upon the Developer in connection with any required Governmental Approvals, the Redevelopment Plan, or the Draft NFR Letter, or for any other reason, the Developer may terminate this Agreement by written notice to the City any time prior to the Closing Date, whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither Party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 22.1, the Developer shall be deemed satisfied with the condition of the Property. Except as provided in Section 22.2, the Developer hereby acknowledges that, in purchasing the Property, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. Subject to City's performance of the City's Pre-Closing Work, the Developer agrees that it is the Developer's sole responsibility and obligation to perform any remedial activities and take such

other action as is necessary to put the Property in a condition which is suitable for its intended use.

22.2 Pre-Closing Environmental Obligations. As a condition precedent to the Developer's obligation to purchase and close on the Property, the City covenants and agrees, at its sole cost and expense, to complete, to the Developer's reasonable satisfaction, the scope of work as described in **Exhibit G** attached hereto (the "City's Pre-Closing Work").

22.3 Post-Closing Environmental Obligations. The Developer covenants and agrees, at its sole cost and expense, to complete the scope of work as described in **Exhibit H** attached hereto (the "Developer's Post-Closing Work"). The Developer acknowledges and agrees that the City will not issue a Certificate of Completion for the Project until the IEPA has issued a Final NFR Letter for the Property.

22.4 Environmental Obligations. In connection with Section 22.2 and Section 22.3, the following shall apply:

(a) The Developer shall perform all Developer's Post-Closing Work and the City shall perform all City's Pre-Closing Work in compliance with all applicable law, including, Environmental Laws, and in a cost-effective and commercially reasonable manner.

(b) The Parties shall cooperate and consult with the other at all relevant times (and in all cases upon the request of the other) with respect to environmental matters, including, without limitation, any plans or proposals the Developer may have.

(c) Each Party and its representatives shall have the right to be present at the Property to observe the other Party's work,.

(d) Each Party shall keep the other informed at all times of the status of the City's Pre-Closing Work and the Developer's Post-Closing Work, as the case may be.

(e) The Developer and the City shall promptly transmit to the other copies of all documents and other written communications delivered to or received from the IEPA or other regulatory agencies with respect to the City's Pre-Closing Work and the Developer's Post-Closing Work or the Property.

(f) The Developer shall transmit to the City notice documentation evidencing completion of any engineered or institutional barriers required by the SRP Documents.

22.5 Environmental Release, Developer Indemnification and Environmental Escrow. The Parties covenant and agree to this limited release and Developer's indemnification relating specifically to the Pre-Existing Environmental Conditions and certain post-closing matters.

(a) Developer, on behalf of itself and the other Developer Parties, upon the issuance of the Final NFR Letter, hereby releases and forever discharges the City for: (i) any and all Pre-Existing Environmental Conditions; and (ii) the City's Pre-Closing Work, provided however, that

the City retains responsibility for any claims arising from its negligence relating to the City's Pre-Closing Work.

(b) Developer further shall defend, indemnify and hold the City harmless from and against any and all Losses which directly arise from: (i) any and all Pre-Existing Environmental Conditions; and (ii) Developer's Post-Closing Work, provided however, that the parties agree that to the extent the Environmental Insurance Policy (defined below) may apply to any Losses addressed herein, the parties shall look to the Environmental Insurance Policy and exhaust such limits therein, prior to otherwise tendering or pursuing an indemnity claim pursuant to this Section 22.5(b).

(c) City, upon the issuance of the Final NFR Letter, hereby releases and forever discharges the Developer for Developer's Post-Closing Work, provided however, that Developer complies with the Final NFR Letter, including necessary maintenance of its institutional controls, and that Developer retains responsibility for any claims arising from its negligence relating to the Developer's Post-Closing Work. On or before Closing, the Developer shall procure, with funding from the Joint Order Escrow described in Section 22.5(d), a pollution legal liability policy identifying Developer and the City as the "named insured", which policy shall be "claims made and reported", for a term of ten (10) years, with scope of coverage, policy limits and deductible (or self-insured retention) to be determined by Developer so long as the policy premium does not exceed One Hundred Thousand and no/100 Dollars ($100,000.00). The City via the Escrow Fund (defined below) shall be solely responsible for the costs of the policy premium and the Developer shall be solely responsible for any deductibles (or self-insured retention) resulting from claims initiated by Developer (collectively, "Environmental Insurance Policy").

(d) The parties shall establish a joint order escrow with the Title Company ("Joint Order Escrow") into which the City shall deposit at Closing, funds ("Escrow Fund") to allow the Developer to be reimbursed for the Incremental Cost (defined below) incurred if the Developer discovers Pre-Existing Environmental Conditions during Developer's Post-Closing Work and to reimburse Developer's cost of purchasing the Environmental Insurance Policy. The escrow fund amount shall be determined by the parties prior to Closing. The Developer shall pay all escrow fees. To the extent the parties cannot agree on the amount to be deposited as the Escrow Fund by Closing, Three Hundred Thousand and no/100 Dollars ($300,000.00) will be deposited into the Joint Order Escrow from the proceeds of the Closing (with up to One Hundred Thousand and no/100 Dollars ($100,000) allocated to reimbursement of the cost of the Environmental Insurance Policy, and the remainder for reimbursement of Incremental Costs described below).

(e) Developer may be reimbursed from the Escrow Fund for "Incremental Costs." "Incremental Costs" refers to the costs, if any, incurred by the Developer in addressing the following Pre-Existing Environmental Conditions during site preparation and construction, over and above the costs for performing similar work had such Pre-Existing Environmental Conditions not been present: (i) Pre-Existing Environmental Conditions that cannot be addressed on site through institutional controls or engineered barriers; (ii) Pre-Existing Environmental Conditions discovered by Developer which are determined by the Developer to threaten or potentially invalidate the Final NFR Letter; and (iii) Pre-Existing Environmental Conditions discovered by Developer which are determined by Developer or a government body with appropriate authority, as being required by applicable law, including but not limited to Environmental Laws.

(f) The Joint Order Escrow shall include coordination language ensuring that Developer and the City agree to the scope of work if Pre-Existing Environmental Conditions are encountered. The Developer will provide the City with documentation of Incremental Costs for reimbursement from the Joint Order Escrow based on the Developer's actual costs, identified in a contract and verified by actual receipts, with no markup by the Developer for these costs. The Joint Order Escrow shall remain in force until the City issues the Certificate of Completion after which any remainder in the Joint Order Escrow and any accrued interest shall be promptly disbursed to the City.

22.6 Release Runs with the Land. The covenant of release in Section 22.5 shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Parties acknowledge and agree that the foregoing covenant of release constitutes a material inducement to the Parties to enter into this Agreement, and that, but for such release, the Parties would not have agreed to convey, and accept the conveyance of, the Property for the Purchase Price.

22.7 Survival. This Section 22 shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any Affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall

(i) present opportunities for training and employment of low and moderate income residents of the City, and (ii) provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

23.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are

employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DPD, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DPD, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and certified payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs (as adjusted by exclusions approved by DPD, and as shown on the MBE/WBE Budget attached hereto as **Exhibit J**, in DPD's sole discretion) shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs (as adjusted by exclusions approved by DPD, and as shown on the MBE/WBE Budget attached hereto as **Exhibit J,** in DPD's sole discretion) shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor); by subcontracting or causing the General Contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) Business Days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

23.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than seven (7) Business Days prior to the Closing Date, the Developer and the Developer's General Contractor and all major subcontractors shall meet with DPD monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency

of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements (if applicable); (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements (if any). Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, if such Event of Default is not remedied in accordance with the cure provisions of Section 19.3, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the General Contractor (if applicable), or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 24. REPRESENTATIONS AND WARRANTIES.

24.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer represents, warrants and covenants as follows:

(a) The Developer is an Illinois limited liability company duly organized, validly existing, and in good standing under the laws of the State of Illinois, with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statement submitted to the City by the Developer are true, accurate and complete.

(c) The Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement. The Developer's execution, delivery and performance of this Agreement, and all instruments and agreements contemplated hereby, has been duly authorized by all necessary action, and do not and will not violate the Developer's articles of organization or bylaws (as amended and supplemented), or any applicable Laws, nor will such execution, delivery and performance, upon the giving of notice or lapse of time or both, result in a breach or violation of, or constitute a default under, or require any consent under, any other agreement, instrument or document to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer, or the Property is now or may become bound.

(d) No action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer or any party affiliated with the Developer, by or before any court, governmental commission, board, bureau or any other administrative agency, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) The Developer is now and for the term of the Agreement shall remain solvent and able to pay its debts as they mature.

(f) The Developer shall endeavor in good faith and with commercially reasonable diligence to procure and maintain all Governmental Approvals necessary to construct, complete and operate the Project in accordance with all applicable Laws.

(g) The Developer is not in default in any material respect with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer is bound.

(h) As of the date of Closing, the Project will not violate: (i) any applicable Laws, including, without limitation, any zoning and building codes and except to the extent identified in the SRP Documents and corrective action plan that the City has caused to be approved as part of the City's Pre-Closing Work and except for Pre-Existing Contamination not identified as part of the City's Pre-Closing Work, Environmental Laws; or (ii) any building permit, restriction of record or other agreement affecting the Property.

(i) The Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with this Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into this Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City.

(j) None of the Developer, or any Affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

24.3 Survival of Representations and Warranties. Each of the Parties agrees that all warranties, representations, covenants and agreements contained in this Section 24 and elsewhere in this Agreement are true, accurate and complete as of the Effective Date and shall survive the Effective Date pursuant to the terms, covenants and conditions of this Agreement.

SECTION 26. BUSINESS RELATIONSHIPS.

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee

with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 27. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

27.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (such Owners and all other preceding classes of persons and entities, collectively the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

27.2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

27.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to Bundle contributions to the Mayor or to his political fundraising committee that has not been returned to the contributor prior to the execution of this Agreement.

27.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

27.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 27 or violation of Mayoral Executive Order No. 2011-4

constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

27.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

27.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;
(B) joint credit account;

(C) a joint checking account;
(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

SECTION 28. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code.

SECTION 29. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code, the Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, any violation of the Waste Sections by the Developer, its General Contractor or any subcontractor, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner of DPD. Such breach and default entitles the City to all remedies under this Agreement, at law or in equity. This section does not limit the duty of the Developer, the General Contractor and any subcontractors to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

SECTION 30. SHAKMAN.

30.1 The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

30.2 The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow their own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the

Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

30.3 The Developer will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

30.4 In the event of any communication to the Developer by a City employee or City official in violation of Section 30.2 above, or advocating a violation of Section 30.3 above, the Developer, as applicable, will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

SECTION 31. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by the Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer shall at all times comply with Section 2-154-020 of the Municipal Code.

SECTION 32. MISCELLANEOUS.

The following general provisions govern this Agreement:

32.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

32.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

32.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

32.4 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

32.5 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

32.6 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

32.7 Force Majeure. None of the City, the Developer, nor any successor in interest to any of them shall be considered in breach of or in default of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

32.8 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

32.9 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

32.10 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

32.11 Limitation of Liability. No member, official, officer, director, trustee or employee of the City or the Developer shall be personally liable in the event of any default or breach under this Agreement or for any amount which may become due to any other party under the terms of this Agreement.

32.12 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

32.13 No Waiver. 14.2 A Certificate of Completion for the Initial Construction and each Phase of the Project will not be issued until the following requirements have been satisfied:

(a) The respective Phase of the Project has been fully constructed in accordance with this Agreement, and the Developer has received a Certificate of Occupancy or other evidence acceptable to DPD that the respective Phase is in full compliance with all building permit requirements, as applicable.

(b) The Developer has met with the alderman of the ward and community members to discuss the process by which community members can use of the community facilities and Community Programs for the uses to the extent provided for herein.

(c) The Developer has obtained the Final NFR Letter for the Initial Construction and Phases for the Property, as applicable.

(d) The Developer is in full compliance with all requirements of the PD relating to construction of the Initial Construction and Phases for the Project.

(e) The City's Monitoring and Compliance Unit has verified in writing that the Developer is in full compliance with all City requirements set forth in Section 23.2 (City Resident Construction Worker Employment Requirement) and Section 23.3 (MBE/WBE Commitment) with respect to the Initial Construction and Phases of the Project.

(f) There exists neither an Event of Default nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

14.3 Within forty-five (45) days after receipt of a written request by the Developer for a Certificate of Completion, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Initial Construction and Phases of the Project in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Initial Construction and Phases of the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Initial Construction and Phases of the Project, and shall not serve as any "guaranty" as to the quality of the construction. Nor shall the Certificate of Completion release the Developer from its obligation to comply with the other terms, covenants and conditions of this Agreement, except to the extent otherwise provided by this Agreement.

14.4 The Developer shall submit to DPD an annual affidavit value report, which such report shall reflect the community benefits details and amounts for each benefit provided for the Community Programs, as set forth in **Exhibit D** attached hereto, for a period of the ten (10) years from the Closing Date.

SECTION 15. RESTRICTIONS ON USE.

The Developer and its successors and assigns, covenant and agree as follows and in accordance with the PD:

15.1 Compliance with Redevelopment Plan. The Developer shall use the Property in compliance with the Redevelopment Plan.

15.2 Final NFR Letters. The Developer shall comply with all land use restrictions, institutional controls and other terms and conditions contained in the Final NFR Letters for the Property.

15.3 Non-Discrimination. The Developer shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or the Project or any part thereof.

The Developer, for itself and its successors and assigns, acknowledges and agrees that the development and use restrictions set forth in this Section 15 constitute material, bargained-for consideration for the City and are intended to further the public policies set forth in the Redevelopment Plan.

SECTION 16. PROHIBITION AGAINST SALE OR TRANSFER OF PROPERTY.

16.1 The Developer may not, prior to the date of issuance of the Certificate of Completion for **Phase 1**, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell, transfer, convey, lease or otherwise dispose of all or any portion of the Property or the Project or any interest therein; or (b) directly or indirectly assign this Agreement (other than to a lender for collateral assignment purposes as permitted under Section 17). The Developer acknowledges and agrees that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee.

16.2 If the Developer sells, conveys, transfers, exchanges or otherwise disposes of all or any part of the Property or the Project without DPD's consent where such consent is required by Section 16.1, on the closing date of such disposition, the Developer shall make a payment to the City in an amount equal to fifty percent (50%) of either the purchase price (in the case of an arms-length transaction) or the appraised value at the time of the disposition (in the case of a related party transaction), minus (a) any reasonable and customary closing costs and expenses, and (b) the actual costs incurred by the Developer in constructing the Project (the "Prohibited Sale Fee"). The Developer shall prepare and submit to DPD, for DPD's approval, at least fifteen (15) days before the scheduled date of the closing, a written statement identifying the portion of the Property or the Project that is being sold and the estimated Prohibited Sale Fee for such portion.

SECTION 17. MORTGAGES AND OTHER LIENS.

17.1 Limitation upon Encumbrance of Project Site. Prior to the issuance of the Certificate of Completion for **Phase 1 of the Project**, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property, except for the Lender Financing, if any, approved pursuant to Section 9, which shall be limited to funds necessary to construct the Project.

17.2 Mortgagees Not Obligated to Construct. Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18 and, at the Closing, shall execute a subordination agreement in accordance with Section 10.3. If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property (or any portion thereof) prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property (or any portion thereof) to another party, such transferee shall be obligated to complete the Project (or such portion of the Project located on the land so transferred), and shall also be bound by the other covenants running with the land specified in Section 18.

SECTION 18. COVENANTS RUNNING WITH THE LAND.

The Parties agree, and the Deed shall so expressly provide, that the covenants, agreements, releases and other terms and provisions contained in Section 13 (Commencement and Completion of Project), Section 15 (Restrictions on Use), Section 16 (Prohibition Against Sale or Transfer of Property), Section 17 (Limitation Upon Encumbrance of Property), and Section 22.5 (Release and Indemnification), touch and concern and shall be appurtenant to and shall run with the Property. Such covenants, agreements, releases and other terms and provisions shall be binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City.

SECTION 19. PERFORMANCE AND BREACH.

19.1 Time of the Essence. Time is of the essence in the Developer's performance of their obligations under this Agreement.

19.2 Event of Default. The occurrence of any one or more of the following events or occurrences shall constitute an "Event of Default" under this Agreement:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement;

(b) the making or furnishing by the Developer of any warranty, representation, statement, certification, schedule or report to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) which is untrue or misleading in any material respect;

(c) the Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien (which mechanic's or materialmen's lien is not being contested and challenged by Developer and Developer, upon written request, provides notice to the City of such contest and the reason therefor), or any other lien or encumbrance unauthorized by this Agreement to attach to the Property which default is not cured pursuant to Section 19.3; or

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the entry of any judgment or order against the Developer which is related to the Property and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution; or

(f) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period.

19.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have thirty (30) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk of damage to the improvements comprising the Project or injury to persons using the Project). Notwithstanding the foregoing or any other provision of this Agreement to the contrary, there shall be no notice requirement or cure period with respect to Events of Default described in Section 16 (Prohibition Against Transfer of Property).

19.4 Default Prior to the Issuance of Certificate of Completion **for Phase 1 of the Project**. If an Event of Default occurs prior to the issuance of the Certificate of Completion for **Phase 1** of the Project, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and pursue and secure any available remedy against the Developer in any court of competent jurisdiction by any action or proceeding at law or in equity, including, but not limited to, damages, injunctive relief, the specific performance of the agreements contained herein, and the right to revest title to the Property in the City pursuant to the Reconveyance Deed, provided, however, that the recording of the Reconveyance Deed shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement.

19.5 Default After Issuance of Certificate of Completion for **Phase 1 of the Project**. If an Event of Default occurs after the issuance of the Certificate of Completion for **Phase 1** of the Project, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and pursue and secure any available remedy against the Developer in any court of competent jurisdiction by any action or proceeding at law or in equity, including, but not limited to, damages, injunctive relief and the specific performance of the agreements contained herein.

If the Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and the Developer shall cause the release of all unpermitted liens or

encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City.

19.6 Resale of the Property. Upon the reconveyance of the Property to the City as provided in this Section 19, the City may complete the Project at its own cost (if the Project has not been completed) or convey the Property to a qualified and financially responsible party reasonably acceptable to the first mortgagee (if any), who (at its own cost) shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DPD (if the Project has not been completed), and otherwise comply with the covenants that run with the land as specified in Section 18.

19.7 Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 19.6, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) the fair market value of the Property as if it were vacant, which fair market value shall be calculated at the time of sale; and

(b) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and

(c) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

(d) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(e) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(f) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds.

SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official, director, officer, trustee or employee of the City, the Developer shall be personally liable in the event of any default under or breach of this Agreement or for

any amount which may become due with respect to any commitment or obligation under the terms of this Agreement.

SECTION 21. INDEMNIFICATION.

The Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees and agents (individually, an "Indemnitee," and collectively the "Indemnitees") harmless from and against any and all Losses in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto, that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating to or arising out of: (a) the failure of the Developer to comply with any of the terms, covenants and conditions applicable to the Developer and contained within this Agreement; (b) the failure of the Developer or any Agent of the Developer to pay contractors, subcontractors or material suppliers undisputed amounts owed in connection with the construction and management of the Project; (c) the existence of any material misrepresentation or omission in this Agreement or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Agent or Affiliate of the Developer; (d) the Developer's failure to cure any material misrepresentation in this Agreement or any other document relating hereto; and (e) any activity undertaken by the Developer or any Agent or Affiliate of the Developer on the Property prior to or after the Closing. Notwithstanding the foregoing, no Indemnitee, shall be indemnified for claims to the extent arising out of such Indemnitee's breach of this Agreement or negligence. This indemnification shall survive the Closing and any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. ENVIRONMENTAL MATTERS.

22.1 "As Is" Sale. The Developer acknowledges and agrees that it has had, or will have had, prior to the Closing Date, adequate opportunity to inspect the Property. Subject to City's performance of the City's Pre-Closing Work and as otherwise set forth herein, the Developer agrees to accept the Property in its "as is," "where is" and "with all faults" condition on the Closing Date without any covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever. The Developer's obligation to purchase the Property is conditioned upon the Developer being satisfied with the condition of the Property for the construction, development and operation of the Project. If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the Property, the condition of title to the Property, any obligations imposed upon the Developer to make infrastructure improvements as required under Section 11, the terms imposed upon the Developer in connection with any required Governmental Approvals, the Redevelopment Plan, or the Draft NFR Letter, or for any other reason, the Developer may terminate this Agreement by written notice to the City any time prior to the Closing Date, whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither Party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 22.1, the Developer shall be deemed satisfied with the condition of the Property. Except as provided in Section 22.2, the Developer hereby acknowledges that, in purchasing the Property, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. Subject to City's performance of the City's Pre-Closing Work, the Developer agrees that it is the Developer's sole responsibility and obligation to perform any remedial activities and take such other action as is necessary to put the Property in a condition which is suitable for its intended use.

a. The parties shall establish a joint order escrow with the Title Company ("Joint Order Escrow") into which the City shall deposit at Closing, funds ("Escrow Funds") to allow the Developer to be reimbursed for the Incremental Cost (defined below) incurred if the Developer discovers Pre-Existing Environmental Conditions during Developer's Post-Closing Work. The Escrow Funds amount shall be Five Hundred Thousand and no/100 Dollars ($500,000). The Developer shall pay all escrow fees.

b. Developer may be reimbursed from the Escrow Funds for "Incremental Costs." "Incremental Costs" refers to the costs, if any, incurred by the Developer in addressing the following Pre-Existing Environmental Conditions during site preparation and construction, over and above the costs for performing similar work had such Pre-Existing Environmental Conditions not been present: (i) Pre-Existing Environmental Conditions that cannot be addressed on site through institutional controls or engineered barriers; (ii) Pre-Existing Environmental Conditions discovered by Developer which are determined by the Developer to threaten or potentially invalidate the Final NFR Letter; and (iii) Pre-Existing Environmental Conditions discovered by Developer which are determined by Developer or a government body with appropriate authority, as being required by applicable law, including but not limited to Environmental Laws.

c. The Joint Order Escrow shall include coordination language ensuring that Developer and the City agree to the scope of work if Pre-Existing Environmental Conditions are encountered. The Developer will provide the City with documentation of Incremental Costs for reimbursement from the Joint Order Escrow based on the Developer's actual costs, identified in a contract and verified by actual receipts, with no markup by the Developer for these costs. The Joint Order Escrow shall remain in force for ten (10) years from the date the Joint Order Escrow is established with the deposit of the Escrow Funds with the title company, after which any remainder in the Joint Order Escrow and any accrued interest shall be promptly disbursed to the City.

22.2 Pre-Closing Environmental Obligations. As a condition precedent to the Developer's obligation to acquire the Property, the City, at its sole cost and expense, shall complete the limited scope of work as described in **Exhibit H** attached hereto (the "City's Pre-Closing Work").

22.3 Post-Closing Environmental Obligations. The Developer covenants and agrees, at its sole cost and expense, to complete the scope of work as described in **Exhibit I** attached hereto (the Developer's Post-Closing Work") the Developer acknowledges and agrees that the City will not issue a Certificate of Completion for the Initial Construction and a Phase of the Project until the IEPA has issued a Final NFR Letter for the Initial Construction and any Phase of the Project.

22.4 Environmental Obligations. In connection with Section 22.2 and Section 22.3, the following shall apply:

(a) The Developer shall perform all Developer's Post-Closing Work and the City shall perform all City's Pre-Closing Work in compliance with all applicable laws including Environmental Laws, and in a cost-effective and commercially reasonable manner.

(b) The Parties shall cooperate and consult with the other at all relevant times (and in all cases upon the request of theother) with respect to environmental matters, including, without limitation, any plans or proposals the Developer may have.

(c) Each Party and its representatives shall have the right to be present at the Property to observe the other Party's work.

(d) Each Party shall keep the other informed at all times of the status of the City's Pre-Closing and the Developer's Post-Closing Work, as the case may be.

(e) The Developer and the City shall promptly transmit to the other copies of all documents and other written communications delivered to or received from the IEPA or other regulatory agencies with respect to the City's Pre-Closing Work and the Developer's Post-Closing Work on the Property.

(f) The Developer shall transmit to the City documentation evidencing completion of construction of engineered or institutional barriers.

22.5 Release and Indemnification. The Developer, on behalf of itself and the other Developer Parties, or anyone claiming by, through, or under the Developer Parties, hereby releases, relinquishes and forever discharges the City from and against any and all Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other property, unless the Hazardous Substances migrate from property owned by the City to the Property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any Losses arising under CERCLA, and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, the Developer shall defend, indemnify, and hold the City harmless from and against any and all Losses which may be made or asserted by any third parties arising out of or in any way connected with, directly or indirectly, any of the Released Claims.

22.6 Release Runs with the Land. The covenant of release in Section 22.5 shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer for the

Purchase Price. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer, or any of the Developer Parties, arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, neither the Developer, nor any of the Developer Parties, will assert that those obligations must be satisfied in whole or in part by the City because Section 22.5 contains a full, complete and final release of all such claims.

22.7 Survival. This Section 22 shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any Affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall (i) present opportunities for training and employment of low and moderate income residents of the City, and (ii) provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

23.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Initial Construction and each Phase of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DPD in triplicate which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DPD, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. Such access shall be provided via the Developer's web based compliance tracking system. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion **for the Initial Construction and each Phase of the Project**.

(g) At the direction of DPD, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Phase 1 Budget (with respect to Phase I of the Project) and the Phase 2 Budget (with respect to Phase 2 of the Project) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree, that during the construction of the Initial Construction and each Phase of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs shall be expended for contract participation by

minority-owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.
