(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor); by subcontracting or causing the General Contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Initial Construction and each Phase of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of

all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after issuance of the certificate of completion for Initial Construction and each Phase of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) Business Days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

23.4 Pre-Construction Conference and Post-Closing Compliance Requirements. The Developer and the Developer's General Contractor and all major subcontractors shall meet with DPD monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements (if applicable); (c) monthly utilization report; (d) authorization for payroll agent; (e) certified payroll; and (f) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the General Contractor (if applicable), or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 24. REPRESENTATIONS AND WARRANTIES.

24.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer represents, warrants and covenants as follows:

(a) The Developer is an Illinois 501(c)(3) not-for-profit corporation duly organized, validly existing, and in good standing under the laws of the State of Illinois, with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statement submitted to the City by the Developer are true, accurate and complete.

(c) The Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement. The Developer's execution, delivery and performance of this Agreement, and all instruments and agreements contemplated hereby, has been duly authorized by all necessary action, and do not and will not violate the Developer's articles of incorporation or bylaws (as amended and supplemented), or any applicable Laws, nor will such execution, delivery and performance, upon the giving of notice or lapse of time or both, result in a breach or violation of, or constitute a default under, or require any consent under, any other agreement, instrument or document to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer, or the Property is now or may become bound.

(d) No action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer or any party affiliated with the Developer, by or before any court, governmental commission, board, bureau or any other administrative agency, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) The Developer is now and for the term of the Agreement shall remain solvent and able to pay their debts as they mature.

(f) The Developer shall procure and maintain all Governmental Approvals necessary to construct, complete and operate the Project.

(g) The Developer is not in default in any material respect with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer is bound.

(h) The Project will not violate: (i) any applicable Laws, including, without limitation, any zoning and building codes and Environmental Laws; or (ii) any building permit, restriction of record or other agreement affecting the Property.

(i) The Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with this Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into this Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City.

(j) None of the Developer, or any Affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform their obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule

powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

24.3 Survival of Representations and Warranties. Each of the Parties agrees that all warranties, representations, covenants and agreements contained in this Section 24 and elsewhere in this Agreement are true, accurate and complete as of the Effective Date and shall survive the Effective Date.

addresses to which subsequent notices, demands or communications shall be given. The refusal to accept delivery by any party or the inability to deliver any communication because of a changed address of which no notice has been given in accordance with this Section 25 shall constitute delivery.

SECTION 26. BUSINESS RELATIONSHIPS.

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 27. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

27.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (such Owners and all other preceding classes of persons and entities, collectively the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

27.2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

27.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c)

bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

27.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

27.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 27 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

27.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

27.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;
(B) joint credit account;
(C) a joint checking account;
(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

SECTION 28. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code.

SECTION 29. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code, the Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, any violation of the Waste Sections by the Developer, its General Contractor or any subcontractor, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner of DPD. Such breach and default entitles the City to all remedies under this Agreement, at law or in equity. This section does not limit the duty of the Developer, the General Contractor and any subcontractors to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

SECTION 30. SHAKMAN.

30.1 The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit

the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

30.2 The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow their own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

30.3 The Developer will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

30.4 In the event of any communication to the Developer by a City employee or City official in violation of Section 30.2 above, or advocating a violation of Section 30.3 above, the Developer, as applicable, will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

SECTION 31. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by the Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer shall at all times comply with Section 2-154-020 of the Municipal Code.

SECTION 32. MISCELLANEOUS.

The following general provisions govern this Agreement:

32.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

32.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

32.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

32.4 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

32.5 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

32.6 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

32.7 Force Majeure. None of the City, the Developer, nor any successor in interest to any of them shall be considered in breach of or in default of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

32.8 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

32.9 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

32.10 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

32.11 Limitation of Liability. No member, official, officer, director, trustee or employee of the City or the Developer shall be personally liable in the event of any default or breach under this Agreement or for any amount which may become due to any other party under the terms of this Agreement.

32.12 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

32.13 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

32.14 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

32.15 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

32.16 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each Party agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

Section 2.

Defined Terms.

A. The definition of "Project" (or alternatively, "Improvements"), as stated in the Recitals of the Agreement, is amended and restated to read as follows:

"Three (3) condominium buildings consisting of a total of eighteen (18) units and six (6) single-family homes constructed on the Property by the Developer".

"One condominium unit sold to unit buyers at an affordable sales price not to exceed the sum of $197,900.00. The parties agree that the Developer has satisfied its obligations under this Agreement with respect to this Affordable Unit. In lieu of providing a second Affordable Unit, the Developer shall make a $50,000 contribution to the City's Affordable Housing Opportunity Fund. This $50,000 contribution must be paid prior to the issuance of the first building permit for development of the Remaining Property".

Section 3.

Limited Applicability.

Section 7 (Limited Applicability) is amended and restated to read as follows:

"The approval of any Drawings by the Department's Bureau of Housing is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings, any other Department Bureau (such as, but not limited to, the Department's Bureau of Zoning), or any other City department; nor does the approval by the Department pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property. The approval given by the Department shall be only for the benefit of the Developer and any lienholder authorized by this Agreement".

Section 4.

Section 8 (Commencement And Completion of Improvements) is amended and restated to read as follows:

The Developer shall promptly notify the City when construction has begun".

Section 5.

City Hiring Plan.

The Agreement is amended to include Section 29 (City Hiring Plan), which reads as follows:

"(i) The City is subject to the June 16, 2014 'City of Chicago Hiring Plan' (as amended, the '2014 City Hiring Plan') entered in *Shakman v. Democratic Organization of Cook County*, Case Number 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(iii) Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the 'OIG'), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by the OIG".

Section 6.

Business Relationships.

The Agreement is amended to include Section 30 (Business Relationships), which reads as follows:

"The Developer acknowledges: (1) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a 'Business Relationship' (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby".

Section 7.

Patriot Act Certification.

The Agreement is amended to include Section 31 (Patriot Act Certification), which reads as follows:

"The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in the above paragraph, an 'Affiliate' shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise".

Section 8.

Prohibition On Certain Contributions -- Mayoral Executive Order No. 2011-4.

The Agreement is amended to include Section 32 (Prohibition On Certain Contributions -- Mayoral Executive Order Number 2011-4), which reads as follows:

"Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ('Owners'), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ('Contractors'), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ('Subowners') and spouses and domestic partners of such Subowners (Developer and all the other preceding classes of persons and entities are together, the 'Identified Parties'), shall not make a contribution of any amount to the Mayor of the City of Chicago (the 'Mayor') or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee. Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 2011-4.

Developer agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order Number 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order Number 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. PURCHASE PRICE, EARNEST MONEY AND PERFORMANCE DEPOSIT.

Subject to the terms, covenants and conditions of this Agreement, the City agrees to sell the Property to the Developer, and the Developer agrees to purchase the Property from the City, for its appraised market value of One Hundred Twenty One Thousand Two Hundred and No/100 Dollars ($121,200.00) ("Purchase Price"), on the Closing Date (defined in Section 3 of this Agreement). All other closing costs, including all title charges, shall be borne by Developer.

Developer shall tender before the Closing an Earnest Money Deposit to the City in the amount of Six Thousand Dollars ($6,000.00). The amount of the Earnest Money Deposit shall be deducted from the amount due to the City at the time of Closing. Developer shall tender at or before the Closing a Performance Deposit to the City also in the amount of Six Thousand Dollars ($6,000.00) as security for the performance of its obligations under this Agreement, which the City will retain until the City issues a Certificate of Completion (as defined in Section 12 of this Agreement).

SECTION 3. CLOSING.

The closing of the transfer of the Property from the City to the Developer ("Closing") shall take place at the downtown offices of Chicago Title Insurance Company, 10 S. LaSalle Street, Chicago, Illinois, (the "Title Company"), or such other reputable title company as may be selected by the Developer, on such date as the parties mutually agree upon in writing (the "Closing Date"); provided, however, in no event shall the Closing occur (1) until and unless the conditions precedent set forth in Section 8 are all satisfied, unless DPD, in its sole discretion, waives such conditions; and (2) any later than **June 1, 2015**, (the "Outside Closing Date"), unless DPD, in its sole discretion, extends the Outside Closing Date. At the Closing, the City shall deliver to the Developer (a) the Deed (as defined below); (b) all necessary state, county and municipal real estate transfer declarations; and (c) possession of the Property.

SECTION 4. CONVEYANCE OF TITLE.

4.1 Form of Deed. The City shall convey the Property to the Developer by quitclaim deed (the "Deed"), subject to the terms of this Agreement and the following ("Permitted Exceptions"):

5.1 Title Commitment and Insurance. Not less than 30 days before the anticipated Closing Date, (the "Actual Closing Date") the Developer shall order a current title commitment for the Property issued by the Title Company. The Developer shall pay the cost of, and shall be responsible for, obtaining on the Closing Date, any title insurance, extended coverage and any

endorsements it deems necessary. The City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer documents typically required by the Title Company and typically provided by the City (but expressly excluding, however, "gap" undertakings, title indemnities and similar liabilities) at or prior to the Closing. At the Closing, the Developer shall deliver to the City a copy of the owner's policy of title insurance that it obtains with respect to the Property.

5.2 Survey. The Developer will be responsible for obtaining, at Developer's expense, a survey for the Property, (the "Survey").

The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate taxes or tax liens on the Property prior to the Closing Date, to the extent such taxes or tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer, a motion to vacate a tax sale or a petition for exemption. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the Property is encumbered with any other exceptions other than those enumerated in Section 4.1 hereof or disclosed by the Survey ("Unpermitted Exceptions"), the Developer shall have the option to do one of the following: (1) accept title to the Property subject to the Unpermitted Exceptions, which shall then become Permitted Exceptions; or (2) terminate this Agreement by delivery of written notice to the City, in which event this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder, except that the City shall immediately return the Earnest Money and Performance Deposit. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to the Unpermitted Exceptions in addition to the Permitted Exceptions. The Developer shall also be responsible for all taxes accruing after the Closing Date.

SECTION 8. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon each of the following being satisfied at least seven (7) days prior to the Closing Date, or by such other date as may be specified:

8.1 Final Governmental Approvals. Developer shall have delivered to the City all evidence of any of its applications for the Governmental Approvals necessary to construct the Project, submitted to the City no later than twelve months from the Actual Closing Date.

8.2 Budget and Proof of Financing. The City shall have approved the Developer's Budget and Proof of Financing.

8.3 Simultaneous Loan Closing. On the date of the Closing, the Developer shall simultaneously close the financing necessary, if any, for the acquisition and construction of the project, and be in a position to immediately commence construction of the Project.

8.4 Insurance. The Developer shall provide evidence of insurance reasonably acceptable to the City. Prior to the issuance of the Certificate of Completion, the City shall be named as an additional insured on any liability insurance policies and as a loss payee (subject to the rights of any permitted mortgagee) on any property insurance policies from the Closing Date through the date the City issues the Certificate of Completion (as defined in Section 12). With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

8.5 Legal Opinion. The Developer shall have delivered to the City a legal opinion stating, in part, that the Developer has been duly organized and that the Developer is duly authorized to enter into this Agreement. Such opinion shall be in a form and substance reasonably acceptable to the City's Corporation Counsel.

8.6 Due Diligence. The Developer shall have delivered to the City due diligence searches in its name (UCC, State and federal tax liens, pending litigation and judgments in Cook County and the U.S. District Court for the Northern District of Illinois, and bankruptcy) showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the City's Corporation Counsel.

8.7 Organization and Authority Documents. The Developer shall have delivered to the City the certified articles of organization, including all amendments thereto, of the Developer, as furnished and certified by the Secretary of State of the State of Illinois; and any other documents required to complete the transaction contemplated by this Agreement and to perform its obligations under this Agreement; a Certificate of Good Standing dated no more than thirty (30) days prior to the Actual Closing Date, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of the Developer; and operating agreement, resolutions and such other organizational documents as the City may reasonably request.

8.8 Subordination Agreement. Prior to recording any financing instrument which is secured by the Property, which shall have been approved pursuant to Section 8.2, the Developer shall, at the City's request, deliver to the City a subordination agreement from the mortgagee stating that the rights of the mortgagee are subject to the rights of the City as set forth in this agreement and as the City's Corporation Counsel shall deem acceptable (the "Subordination Agreement").

8.9 MBE/WBE and Local Hiring Compliance Plan.

(a) At least fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with staff from the DPD's monitoring section regarding compliance with the MBE/WBE and local hiring requirements set forth in this Agreement pursuant to Section 22 below. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under Section 22 below, the sufficiency of which shall be approved by the City's monitoring staff.

(b) DPD shall also have approved the Developer's compliance plan in accordance with Section 22.

8.10 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in this Agreement shall be true and correct.

8.11 Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as of the Closing Date.

8.12 Right to Terminate. If any of the conditions in this Section 8 have not been satisfied to the City's reasonable satisfaction within the time period provided for herein, the City may, at its option, terminate this Agreement by delivery of written notice to the Developer at any time after the expiration of the applicable time period, and this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 9. SITE PLANS AND ARCHITECTURAL DRAWINGS.

9.1 Site Plans. The Developer shall construct the Project on the Property in accordance with the site plan specifications and architectural drawings, as revised, prepared by Intergrated Architects, dated 4/11/13which have been approved by DPD as of the date hereof and which are incorporated herein by reference ("Specifications and Drawings"). No material deviation from the Drawings and Specifications may be made without full review, consideration and prior written approval by DPD, which will not be unreasonably withheld. If the Developer submits and DPD approves revised design development specifications and drawings after the date of this Agreement, the term "Specifications and Drawings" as used herein shall refer to the revised design development specifications and drawings upon DPD's written approval of same.

9.2 Relocation of Utilities, Curb Cuts and Driveways. To the extent necessary to complete the Project, the Developer shall be solely responsible for and shall pay all costs in regard to: (1) the relocation, installation or construction of public or private utilities located on the Property; (2) relocation, installation and construction of any new curb cuts and driveways; (3) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with the Developer's redevelopment; (4) the removal of existing pipes, utility equipment or building foundations located on the Property; and (5) the termination of existing

water or other services. Any streetscaping, including any paving of sidewalks, landscaping and lighting provided by the Developer, as part of the Project, must be approved by the City.

9.3 Inspection by the City. For the period commencing on the Closing Date and continuing through the date the City issues the Certificate of Completion, any duly authorized representative of the City shall, upon two (2) business days prior written notice to the Developer, have access to the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws"); provided, however, that the City or its inspector or architect does not unreasonably interfere with the Developer's activities on the Property.

9.4 Barricades and Signs. Upon the City's request, the Developer agrees to erect such signs as the City may reasonably require identifying the Property as a City redevelopment project; provided, however, that the Developer shall not be required to incur more than $1,500 in costs for such signage. The Developer may erect signs of its own incorporating such approved identification information upon the execution of this Agreement. Prior to the commencement of any construction activity requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. The City shall have the right to approve all barricades, the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, and all signage, which approval shall not be unreasonably withheld or delayed.

SECTION 10. LIMITED APPLICABILITY.

DPD's approval of the Drawings and Specifications is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings ("DOB") or any other City department; nor does the approval by DPD pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property. The approval given by DPD shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 11. COMMENCEMENT AND COMPLETION OF PROJECT.

Subject to the receipt of all necessary government approvals, the Developer shall commence construction of the Project no later than twelve months after the Actual Closing Date and shall complete the Project (as evidenced by the Developer's written request for a Certificate of Completion for the Project) no later than eighteen months after commencing construction. Notwithstanding the foregoing commencement and completion dates, DPD shall, upon Developer's request, extend such construction commencement and completion dates by up to six (6) months and may, in DPD's sole discretion, grant additional extensions. The Project shall be constructed substantially in accordance with the Drawings and specifications and in accordance with all applicable laws, regulations and codes.

SECTION 12. CERTIFICATE OF COMPLETION.

Upon the completion of the Project, the Developer shall request from the City a Certificate of Completion (the "Certificate of Completion"). Within forty-five (45) days thereof, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole reasonable opinion of DPD, for the Developer to take or perform in order to obtain the Certificate of Completion. If DPD requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of certain of the covenants in this Agreement and the Deed (but excluding those on-going covenants as referenced in Section 17) with respect to the Developer's obligations to construct the Project.

SECTION 13. RESTRICTIONS ON USE.

The Developer agrees that:

13.1 It shall devote all portions of the Property to uses that comply with the Redevelopment Plan until the date the Redevelopment Plan expires.

13.2 The Developer shall devote a portion of the Property (the "Parking Property"), as legally described in **Exhibit C** attached hereto and made a part hereof, for Project parking use in perpetuity.

13.3 The Developer further agrees that the City reserves the right to record the Deed of Reconveyance and revest title to the Property and improvements thereon in the City in the event the Developer fails to utilize the Property solely for the Project; further this right of reverter and re-entry in favor of the City shall terminate forty (40) years from the date of the Deed; and

13.4 The Developer shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof.

SECTION 14. PROHIBITION AGAINST TRANSFER OF PROPERTY.

Prior to the issuance of the Certificate of Completion for the Project, as provided herein, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion, (1) directly or indirectly sell or convey the Property or any part thereof or any interest therein, or the Developer's controlling interests therein; or (2) directly or indirectly assign this Agreement. In the event of a proposed sale, the City shall be provided copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the City may reasonably request. The proposed buyer must be qualified to do business with the City (including but not limited to anti-scofflaw requirement). Notwithstanding the foregoing, the Developer shall be

permitted to encumber the Property in accordance with the terms of Section 15 hereof. After the issuance of the Certificate of Completion, no City consent shall be required for any type of transfer of the Property, provided that the transferee assumes in writing the continuing obligations of the Developer under Sections 13 and 17 of this Agreement.

SECTION 15. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which creates a financial encumbrance or lien on the Property, except for the purposes of obtaining: (a) funds necessary to acquire the Property; (b) funds necessary to construct the Project in substantial accordance with the Budget; (c) after construction, funds necessary to own, maintain and operate the Property and the Project in accordance with the requirements of this Agreement; and (d) any refinancing of the loans specified herein. After the issuance of the Certificate of Completion, no City consent shall be required for any type of financing or other transaction which creates a financial encumbrance or lien on the Property.

SECTION 16. MORTGAGEES NOT OBLIGATED TO CONSTRUCT

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 17 and, at Closing, shall execute a Subordination Agreement (as defined in Section 8.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party (that is not also a mortgagee), such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 17.

SECTION 17. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), Section 14 (Prohibition Against Transfer of Property) and Section 15 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitations set forth in Section 16 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 11, Section 14 and Section 15 shall terminate upon the issuance of the Certificate of Completion. The covenant contained in Section 13.1 shall terminate when the Redevelopment Plan expires. The covenant contained in Section 13.2 shall remain in effect in perpetuity. The covenant and right to record the Reconveyance Deed contained in Section 13.3, the City's right of reverter and reentry shall terminate forty (40) years from the date of the Deed. The covenants contained in Section 13.4 shall remain in effect without limitation as to time.

SECTION 18. PERFORMANCE AND BREACH.

18.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

18.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including but not limited to, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, material shortages, and unusually severe weather or delays of contractors or subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests it in writing of the City within twenty (20) days after the beginning of any such delay.

18.3 Breach.

a. Generally. Subject to Section 18.2., if the Developer defaults in performing its obligations under this Agreement, the City shall deliver written notice of such default, after which the Developer shall have a 60-day cure period to remedy such default. If the default is not capable of being cured within the 60-day period, then provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 60-day period, and thereafter diligently prosecutes such cure through to completion, then the 60-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

No notice or cure period shall apply to a failure to close by the respective dates as set forth in Section 3 herein. Unless the failure to close is due to circumstances described in Section 18.2. above or caused by a breach by the City under the terms of this Agreement, such failure shall constitute an immediate "Event of Default". Failure to close by the dates set forth in Section 3 shall entitle the City to terminate this Agreement.

b. Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" after written notice from the City (if required):

1. The Developer materially fails to perform any obligation of the Developer under this Agreement; which default is not cured pursuant to Section 18.3(a); or

2. The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not materially true and correct, which default is not cured pursuant to Section 18.3(a); or

3. A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing, which is not vacated, stayed or set aside within ninety (90) days after filing; or

4. Except as excused by Section 18.2 above, the Developer abandons or substantially suspends the construction work, which default is not cured pursuant to Section 18.3(a); or

5. The Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property, which default is not cured pursuant to Section 18.3(a); or

6. The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement (no notice or cure period shall apply); or

7. The Developer's financial condition or operations adversely change to such an extent that would materially affect the Developer's ability to complete the Project which default is not cured pursuant to Section 18.3(a); or

8. The Developer fails to perform, keep or observe any of the other covenants, promises, agreements, or obligations under this Agreement, including but not limited to, the covenants set forth in Sections 13 and 17 herein, or any other written agreement entered into with the City with respect to this Project, which default is not cured pursuant to Section 18.3(a); or

9. Failure to close by the Outside Closing Date, unless DPD, in its sole discretion, extends the Outside Closing Date; and

c. Prior to Conveyance. Prior to Closing, if an Event of Default occurs and is continuing, and the default is not cured in the time period provided in herein, the City may terminate this Agreement, and institute any action or proceeding at law or in equity against the Developer.

d. After Conveyance. After Closing, if an Event of Default occurs and is continuing, beyond the applicable cure period under Section 18.3(a) above, if any, the City, may terminate this Agreement and exercise any and all remedies available to the City at law or in equity, including but not limited to, the right to record the Deed of Reconveyance, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and revest title to the Property in the City (the "Right of Reverter"); provided, however, that the revesting of title

in the City shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. Notwithstanding the foregoing to the contrary, prior to its exercise of its Right of Reverter, the City shall provide written notice to the Developer of its intent to exercise its Right of Reverter, and the Developer shall have an additional ninety (90) days to cure the applicable Event of Default.

e. Resale of the Property. Upon the revesting in the City of title to the Property as provided in Section 18.3(d), the City shall employ its best efforts to convey the Property (subject to first mortgage liens permitted under this Section) to a qualified and financially responsible party (as solely determined by the City) who shall assume the obligation of completing the construction of the Project or such other improvements as shall be satisfactory to the City and complying with the covenants that run with the land, as specified in Section 17.

f. Disposition of Resale Proceeds. If the City sells the Property, the net proceeds from the sale, after payment of all amounts owed under any mortgage lien or recapture provision in a grant of funds authorized by this Agreement in order of priority, shall be utilized to reimburse the City for:

1. unreimbursed costs and expenses incurred by the City in connection with the Property, including but not limited to, salaries of personnel in connection with the recapture, management and resale of the Property; and

2. all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

3. any payments made (including reasonable attorneys' fees) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

4. any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

5. the fair market value of the land comprising the Property (without any Project or partially constructed Project thereon) as of such sale; and

6. any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the Property.

g. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any

way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

SECTION 19. CONFLICT OF INTEREST; CITY'S AND DEVELOPER'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement. It is expressly understood and agreed to by and between the parties hereto, anything herein to the contrary notwithstanding, that no individual member of the Developer, its officers, members of its board of directors, officials, agents, representatives or employees shall be personally liable for any of the Developer's obligations or any undertaking or covenant of the Developer contained in this Agreement.

SECTION 20. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs)(collectively "Losses") suffered or incurred by the City arising from or in connection with: (1) an Event of Default that has occurred; (2) the failure of the Developer or any contractor to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (3) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (4) any actions, including but not limited to, conducting environmental tests on the Property as set forth in Section 21 herein, resulting from any activity undertaken by the Developer on the Property prior to or after the conveyance of said Property to the Developer by the City; provided, however, the Developer shall have no obligation to indemnify the City for Losses to the extent such losses are caused by the City or its agents. This indemnification shall survive any termination of this Agreement (regardless of the reason for such termination) for the life of the Redevelopment Area.

SECTION 21. ENVIRONMENTAL MATTERS.

The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the Property "as is".

It shall be the responsibility of the Developer, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property. Prior to the Closing, the Developer shall have the right to request a thirty (30) day right of entry for the purpose of conducting environmental tests on the Property. If such a request is made, the City shall grant

the Developer a right of entry for such purpose. The granting of the right of entry, however, shall be contingent upon the Developer obtaining all necessary permits and the following types and amounts of insurance: (1) commercial general liability insurance with a combined single limit of not less than $2,000,000.00 per occurrence for bodily injury, personal injury and property damage liability with the City named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the environmental testing on the Property; (2) automobile liability insurance with limits of not less than $2,000,000.00 per occurrence, combined single limit for bodily injury and property damage; and (3) worker's compensation and occupational disease insurance in statutory amounts covering all employees and agents who are to do any work on the Property. All insurance policies shall be from insurance companies authorized to do business in the State of Illinois, and shall remain in effect until completion of all activity on the Property. The City shall be named as an additional insured on all policies. The Developer shall deliver duplicate policies or certificates of insurance to the City prior to commencing any activity on the Property. The Developer expressly understands and agrees that any coverage and limits furnished by the Developer shall in no way limit the Developer's liabilities and responsibilities set forth in this Agreement.

The Developer agrees to carefully inspect the Property prior to the commencement of any activity on the Property to make sure that such activities shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Developer shall be solely responsible for the safety and protection of the public on and immediately adjacent to the Property during the performance of the Developer's inspection of the Property. The City reserves the right to inspect any work being done on the Property. The Developer's activities on the Property shall be limited to those reasonably necessary to perform the environmental testing. Upon completion of the environmental work, the Developer agrees to restore the Property to its original condition. The Developer shall keep the Property free from any and all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Developer, and agrees to indemnify and hold the City harmless against any such liens.

The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property. If prior to the Closing, the Developer's environmental consultant determines an environmental or soil condition exists on the Property to such an extent that the Developer determines that it is not satisfied, in its sole discretion, with the condition of the Property, the Developer may declare this Agreement null and void by giving written notice thereof to the City.

If after the Closing, the environmental condition of the Property is not in all respects entirely suitable for the use to which the Property is to be utilized, it shall be the sole responsibility and obligation of the Developer to take such action as is necessary to put the Property in a condition which is suitable for the intended use of the Property. The Developer agrees to waive, release and indemnify the City from any claims and liabilities relating to or arising from the environmental condition of the Property (including, without limitation, claims arising under CERCLA) and to undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Closing.

SECTION 22. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

22.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree that, with respect to the provision of services in connection with the construction of the Project on the Property, but not including construction on the Property, or occupation of the Property during the construction period:

a. Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

b. To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in, or owned in substantial part by persons residing in, the City.

c. The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

d. The Developer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

e. The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

f. Failure to comply with the employment obligations described in this Section 22 shall be a basis for the City to pursue remedies under the provisions of Section 18.

22.2 City Resident Employment Requirement.

a. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, it and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent of the total worker hours worked by persons on the construction of the Project shall be performed by actual residents of the City of Chicago); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

b. The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago.

c. "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

d. The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

e. Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD ("Commissioner") in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

f. The Developer and the Employers shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner, and the Superintendent of the Chicago Police Department, the Inspector General, or any

duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years from and after the issuance of the Certificate of Completion.

g. At the direction of DPD, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

h. Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

i. If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 18, the parties agree that 1/20 of 1 percent (.0005%) of the aggregate hard construction costs set forth in the Project Budget as applicable, shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

j. Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

k. The Developer shall cause or require the provisions of this Section 22.2 to be included in all construction contracts and subcontracts related to the construction the Project.

22.3 Developer's MBE/WBE Commitment.

The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree that during the construction of the Project:

a. Consistent with the findings which support, as applicable, (a) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 seq., Municipal Code of Chicago (the "Procurement Program"), and (b) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 22.3., during the course of the Project, the following percentages of the MBE/WBE Budget, substantially in the City's standard form, shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs"): (1) At least 24% by MBEs; and (2) At least 4% by WBEs.

b. For purposes of this Section 22.3 only:

(a) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(b) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

c. Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (a) the MBE or WBE participation in such joint venture, or (b) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by

the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 22.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DPD.

d. The Developer shall deliver quarterly reports to the City's monitoring staff during construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with construction of the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least fifteen (15) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of construction of the Project.

e. Upon the disqualification of any MBE or WBE general contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (v), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

f. Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 22.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

g. Prior to the commencement of the Project, the Developer shall meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 22.3. The general contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 22.3., the sufficiency of which shall be approved by the City's monitoring staff. During the Project, as

applicable, the Developer shall submit the documentation required by this Section 22.3 to the City's monitoring staff, including the following: (a) MBE/WBE utilization plan and record; (b) subcontractor's activity report; (c) contractor's certification concerning labor standards and prevailing wage requirements (if applicable); (d) contractor letter of understanding; (e) monthly utilization report; (f) authorization for payroll agent; (g) certified payroll; (h) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (i) evidence of compliance with job creation requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 22.3, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any city funds to the Developer or the general contractor, or (3) seek any other remedies against the Developer available at law or in equity.

SECTION 23. REPRESENTATIONS AND WARRANTIES.

23.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

a. The Developer is an Illinois not-for-profit corporation, organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Property and the person signing this Agreement on behalf of the Developer has the authority to do so.

b. All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

c. The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

d. To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations

hereunder; or (b) materially affect the operation or financial condition of the Developer.

e. To the best of the Developer's knowledge, the Project will not violate: (a) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (b) any building permit, restriction of record or other agreement affecting the Property.

23.2 Representations and Warranties of the City. SECTION 35. BUSINESS RELATIONSHIPS.

The Developer acknowledges (1) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 36. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 37. PROHIBITION ON CERTAIN CONTRIBUTIONS-MAYORAL EXECUTIVE ORDER NO. 05-1.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) February 10, 2005, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (1) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

1. They are each other's sole domestic partner, responsible for each other's common welfare; and

2. neither party is married; and

3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and

4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

5. two of the following four conditions exist for the partners:
   a. The partners have been residing together for at least 12 months.

b. The partners have common or joint ownership of a residence.
c. The partners have at least two of the following arrangements:
   i. joint ownership of a motor vehicle;
   ii. a joint credit account;
   iii. a joint checking account;
   iv. a lease for a residence identifying both domestic partners as tenants.
d. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 38. COOPERATION WITH OFFICE OF COMPLIANCE.

In accordance with Chapter 2-26 of the Municipal Code, the Developer acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this Agreement, including, without limitation, making available to the Executive Director the department's premises, equipment, personnel, books, records and papers. The Developer agrees to abide by the provisions of Chapter 2-26.

SECTION 39. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 40. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

The kind and amounts of insurance required are as follows:

(a) Worker's Compensation And Employer's Liability. Workers Compensation as prescribed by applicable law, covering all employees who are to provide a service under

this Lease, and Employer's Liability Insurance with limits of not less than $500,000 each accident, illness or disease.

(b) Commercial General Liability (Primary And Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than $3,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago shall be named as an additional insured under the policy. Such additional insured coverage shall be provided on CG 20 10 or on a similar additional insured form acceptable to the City. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Tenant's sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance (Primary And Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

(d) Medical Professional Liability. Medical Professional Liability coverage with limits of not less than $5,000,000 including prior Acts coverage, such instances covering Tenant against any claim made against Tenant arising out of a medical incident involving the rendering of or a failure to render professional services or out of the performance of the services in Tenant's capacity toward the Landlord as professional consultant, whether caused by an error, omission or act of the Tenant, of any person employed by Tenant or any others for whose actions or omissions Tenant is legally liable. Tenant shall submit evidence of insurance prior to execution of the Lease. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in this Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Landlord to obtain certificates or

other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and the Landlord retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

The Tenant shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, cancelled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

Tenant hereby grants to the Landlord a waiver of any right of subrogation which any insurer of Tenant may acquire against the Landlord by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified in this Lease or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the Landlord shall not contribute with insurance provided by Tenant.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of Lease.

6.4 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court

costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease, or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of Tenant's contractors, respective officers, directors, agents, or employees. This section shall survive the expiration of this Lease and the expiration of any obligations owing to any party under this Lease.

SECTION 7. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

7.1 Conflict Of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises; nor shall any such official, employee, or member participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

SECTION 1. GRANT

1.1 Premises. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately 10,784 square feet on the first floor and basement of the Building located at 200 East 115th Street, Chicago, Illinois (the "Premises").

1.2 Tenant's Expansion Option. Tenant shall have the option to expand to any available and unoccupied space within the Building ("Expansion Space"). If Tenant chooses to exercise this option, Landlord and Tenant shall enter into a written amendment to this Lease confirming (a) the location and square footage of the Expansion Space, and (b) the date on which occupancy of the Expansion Space commences (the "Expansion Space Commencement Date"). The term of the demise of the Expansion Space shall commence on the Expansion Space Commencement Date and expire concurrently with the Term of this Lease, as extended or earlier terminated. The Expansion Space shall be subject to all the terms and conditions of this Lease, and all references in this Lease to the "Premises" shall be deemed to include and incorporate the Expansion Space. Tenant agrees to accept any Expansion Space in its then "as is" condition, and Landlord shall not be required to make any repairs or improvements to the Expansion Space. The Expansion Space shall be added as part of the Premises for all purposes, effective as of the Expansion Space Commencement Date. If Tenant becomes the sole occupant of the Building, the "Sole Occupancy Date" shall refer to the first day of the month following the vacation of all non-Tenant occupants.

SECTION 2. TERM

2.1 Term. The term of this Lease ("Term") shall commence on the date of execution of this Lease ("Commencement Date"), and shall terminate on December 31, 2026, unless sooner terminated as set forth in this Lease.

SECTION 3. RENT, TAXES, UTILITIES AND COMMON AREA MAINTENANCE

3.1 Rent. Tenant shall pay base rent for the Premises in the amount of:

One Dollar ($1.00) for the entire Term with the receipt and sufficiency of said sum hereby acknowledged by both parties.

The term "Rent" as used herein means the base rent of $1.00 plus all other payments due under this Lease of any kind or nature. Such other payments are sometimes referred to herein as "Additional Rent."

3.2 Utilities And Common Area Expenses.

(a) Utilities. Except as otherwise provided in Section 10 below, prior to the Sole Occupancy Date, Landlord shall be responsible for providing and paying for all utilities, including water, gas, electricity, heat, air conditioning, power, sewage, telephone and other communication services, trash removal, and all other services and utilities furnished to or for the benefit of the Building, unless the same are separately metered or supplied to the Premises, in which case Tenant shall pay such metered utility bills directly to the applicable utility company as the bills become due and payable. Tenant shall reimburse Landlord a proportionate share of such utility charges in accordance with Section 3.2(c) below, and such proportionate share shall be deemed Additional Rent hereunder.

(b) Common Areas. Except as otherwise provided in Section 10 below, prior to the Sole Occupancy Date, Landlord shall maintain in good repair, reasonable wear and tear and casualty excepted, the outer walls, roof, downspouts, gutters and basic structural elements and Common Areas (as hereinafter defined) of the Building and Property. Landlord shall make all necessary repairs to the HVAC, electrical, plumbing and other building systems providing service jointly to the Premises and other portions of the Building. With respect to the Common Areas, Landlord shall regularly mow any grass, remove weeds and perform general landscape maintenance; provide all necessary custodial and security services; provide and maintain required smoke detectors, fire extinguishers and carbon monoxide detectors; remove snow and ice from the parking lot and from all sidewalks abutting the Property; and maintain and repair the parking lot. The term "Common Areas" shall refer to all areas designed for common use or benefit within the Building and on the Property, including without limitation, landscaped and vacant areas, driveways, walks, curbs, parking areas (exclusive of any parking areas designated or to be designated by Landlord for the exclusive use of other tenants), halls, corridors, stairways and bathrooms. The Common Areas shall not include commercial areas intended for renting as the same shall exist from time to time. Tenant shall reimburse Landlord a proportionate share of such Common Area maintenance expenses in accordance with Section 3.2(c) below, and such proportionate share shall be deemed Additional Rent hereunder.

(c) Tenant's Proportionate Share Of Expenses. Tenant's proportionate share shall mean the number of rentable square feet in the Premises divided by the number of rentable square feet in the Building. The parties agree that Tenant's proportionate share as of the date hereof is 49%. If the rentable area of the Premises is changed by Tenant's leasing of additional space hereunder or for any other reason, Tenant's proportionate share shall be adjusted accordingly.

(d) Payment. As soon as reasonably possible after the end of each calendar year prior to the Sole Occupancy Date, Landlord shall furnish to Tenant a statement of the utility charges incurred by Landlord under Section 3.2(a) and the Common Area maintenances expenses incurred by Landlord under Section 3.2(b) (collectively, "Operating Costs") for the previous calendar year, including a statement of Tenant's share of such amount. Within thirty (30) days thereafter, Tenant shall pay to Landlord Tenant's share of Operating Costs. Tenant's share of Operating Costs for the years in which the Lease commences and terminates shall be prorated based upon the dates of commencement and termination of the Term. Payments for any partial calendar month shall be prorated.

3.3 Tenant's Assumption Of Responsibility For Utilities And Common Areas. From and after the Sole Occupancy Date through the expiration of the Term, Tenant shall assume full responsibility for providing and paying for all utilities and Common Area maintenance as delineated in Section 3.2 above. Landlord shall not have any responsibility for providing, delivering, or paying for any utilities or maintenance to the Building or the Property after the Sole Occupancy Date.

3.4 Taxes. In the event that real estate taxes or Leasehold taxes are ever assessed against the Building and/or Premises as a result of Tenant's tenancy, Tenant shall pay when due any such real estate or leasehold taxes assessed or levied on the Premises without reimbursement or other setoff from Landlord. Tenant acknowledges that real estate taxes or leasehold taxes are one (1) year in arrears in Cook County and that as a result Tenant will be responsible for satisfaction of all real estate or leasehold taxes assessed or levied on the subject Premises at least one year after Tenant vacates the Premises. Notwithstanding the foregoing, nothing contained herein shall preclude Tenant from contesting any charge or tax levied against the Premises. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this Lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Lease agreement.

3.5 Accord And Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of the rent or any amounts due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment to pursue any other remedies available to Landlord.

SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS AND ADDITIONS

4.1 Satisfaction With Condition. Tenant agrees that Tenant has inspected the Premises and all related areas and grounds and that Tenant is satisfied with the physical condition thereof and accepts the Premises in its "As-Is" condition.

4.2 Covenant Of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon observing and keeping the covenants, agreements and conditions of this Lease on its part to be kept, observed and performed, shall lawfully and quietly hold, occupy and enjoy the Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord or by any person or persons claiming under Landlord.

4.3 Duty To Maintain Premises And Right Of Access. Tenant shall, at Tenant's expense, keep the Premises in a condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. If Tenant shall refuse or neglect to make needed repairs within fifteen (15) days after written notice thereof sent by Landlord, unless such repair cannot be remedied within fifteen (15) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will, within thirty (30) business days of demand, reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this Lease by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that, except in the case of emergencies, Landlord shall first give notice to Tenant of its

desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of the Premises.

4.4 Use Of The Premises. Tenant shall only use the Premises as a Community Triage Center. Tenant shall not use the Premises in a manner that would violate any laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments (collectively, the "Laws") which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the Laws and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises.

4.5 Alterations And Additions. Tenant may make alterations, additions and improvements on the Premises, provided that any such alterations, additions and improvements shall be in full compliance with the applicable Law, permit requirements, and codes. In addition, Tenant will comply with all insurance requirements under this Lease. Tenant must obtain the prior written consent of the Commissioner of the Department of Fleet and Facility Management before commencing any alterations, additions and or improvements. Any additions and improvements to the Premises shall be without cost to Landlord and shall become property of Landlord at Lease termination without offset or other credit to Tenant. The Parties agree that in the event Tenant incurs material expenses in excess of $50,000 for such alterations, additions and improvements to the Premises or to remove or abate hazardous substances on the Premises, including but not limited to asbestos, the Landlord agrees to waive its right to terminate this Lease for a period of five (5) years from the date of completion of such alterations, additions, improvements or removal or abatement of hazardous substances. Notwithstanding the waiver of Landlord's termination right, Landlord shall have a right to terminate this Lease if Tenant completely vacates the Premises and does not notify Landlord of its intent to re-occupy said Premises in accordance with Section 9.10.

SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS

5.1 Assignment And Sublease. Tenant shall not assign this Lease in whole or in part, or sublet the Premises or any part thereof, without Landlord's prior written consent. No assignment or sublease by Tenant shall relieve Tenant of any obligation to be performed by Tenant under this Lease.

5.2 Tenant's Covenant Against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of Landlord in and to the Premises, nor shall the interest or estate of Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Any claim to, or lien upon, the Premises arising from any act or omission of Tenant shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

5.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material

furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and all sums so paid by Landlord shall become immediately due and payable by Tenant, with interest from the date of payment at the rate set at 12% per annum provided that such rate shall not be deemed usurious by any Federal, State, or Local law.

SECTION 6. INSURANCE AND INDEMNIFICATION

6.1 Self-Insurance. Tenant shall secure insurance coverages for each of the insurance requirements as incorporated herein under this Section 6 or Tenant may self-insure for the same types and amounts.

6.2 Insurance. If Tenant elects not to self-insure, Tenant shall procure and maintain, at Tenant's own expense (or at the expense of such service providers, as applicable), at all times during the Term, the insurance coverages and requirements specified below, insuring all operations related to the Lease. Tenant shall also require any service provider to procure and maintain the same type and amounts of insurance that is required of Tenant. The kind and amounts of insurance required are as follows:

(a) Worker's Compensation And Employer's Liability. Workers Compensation as prescribed by applicable law, covering all employees who are to provide a service under this Lease, and Employer's Liability Insurance with limits of not less than $500,000 each accident, illness or disease.

(b) Commercial General Liability (Primary And Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than $3,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago shall be named as an additional insured under the policy. Such additional insured coverage shall be provided on CG 20 10 or on a similar additional insured form acceptable to the City. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Tenant's sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance (Primary And Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

(d) Medical Professional Liability. Medical Professional Liability coverage with limits of not less than $5,000,000 including prior Acts coverage, such instances covering Tenant against any claim made against Tenant arising out of a medical incident involving the rendering of or a failure to render professional services or out of the performance of the services in Tenant's capacity toward the Landlord as professional consultant, whether caused by an error, omission or act of the Tenant, of any person employed by Tenant or any others for whose actions or omissions Tenant is legally liable. The policy shall have an extended reporting period of two (2) years. When policies are renewed or replaced the policy retroactive date must coincide with or precede the start of work.

The Tenant shall be responsible for all loss or damage personal property (including, but not limited to materials, equipment, tools and supplies), owned, rented or used by Tenant.

6.3 Other Terms Of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the Lease. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in this Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and the Landlord retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

The Tenant shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, cancelled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

Tenant hereby grants to the Landlord a waiver of any right of subrogation which any insurer of Tenant may acquire against the Landlord by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified in this Lease or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the Landlord shall not contribute with insurance provided by Tenant.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of Lease.

6.4 Tenant's Indemnification. NOW THEREFORE, in consideration of the covenants, terms and conditions set forth herein, the parties hereto agree and covenant as follows:

SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS AND ADDITIONS, SURRENDER.

4.1 Condition of Premises upon Delivery of Possession. Landlord covenants that the Premises shall, at the time of delivery of possession to Tenant:

(b) Contain no environmentally hazardous materials.

Landlord's duty under this Section of the Lease shall survive Tenant's acceptance of the Premises.

4.2 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements and conditions of this Lease on its part to be kept, observed and performed, shall lawfully and quietly hold, occupy and enjoy the Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord or by any person or persons claiming under Landlord.

4.3 Landlord's Duty to Maintain Premises and Right of Access. Unless otherwise provided in this Lease, Landlord shall, at Landlord's expense, keep the Premises in a condition of thorough repair and good order, and in compliance with all applicable provisions of the Municipal Code of the City of Chicago, including but not limited to those provisions in Title 13 ("Building and Construction"), Title 14 ("Electrical Equipment and Installation"), and Title 15 ("Fire Prevention"). If Landlord shall refuse or neglect to make needed repairs within ten (10) days after mailing of written notice thereof sent by Tenant, unless such repair cannot be remedied within ten (10) days, and Landlord shall have commenced and is diligently pursuing all necessary action to remedy such repair, Tenant is authorized to make such repairs and to deduct the cost thereof from rents accruing under this Lease or Tenant can immediately terminate this Lease by providing the Landlord with written notice of termination for cause sent by certified or registered mail to the address cited herein. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of Premises to prospective or actual purchasers, mortgagees, tenants, workmen, or contractors or as otherwise necessary in the operation or protection of the Premises.

4.4 Use of the Premises. Tenant shall use the Premises as the Gage Park Branch of the Chicago Public Library. Tenant shall not use the Premises in a manner that would violate any Laws. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises.

4.5 Alterations and Additions. Tenant shall have the right to make such alterations, additions and improvements on the Premises as it shall deem necessary. Provided, however, that any such alterations, additions and improvements shall be in full compliance with the applicable Laws and provided that Tenant has obtained the prior written consent of Landlord. Landlord shall not unreasonably withhold consent.

SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS.

5.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet the Premises or any part thereof without the written consent of Landlord in each instance. Landlord shall not unreasonably withhold consent.

5.2 Tenant's Covenant against Liens. Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Premises. All liens and encumbrances created by Tenant shall attach to Tenant's interest only.

SECTION 6. INSURANCE AND INDEMNIFICATION.

6.1 Insurance. Landlord shall procure and maintain at all times, at Landlord's own expense, during the Term, the insurance coverages and requirements specified below, insuring all operations related to the Lease. The kind and amounts of insurance required are as follows:

(a) Worker's Compensation and Employer's Liability. Workers Compensation as prescribed by applicable law, covering all employees who are to provide a service under this Lease, and Employer's Liability Insurance with limits of not less than $500,000 each accident, illness or disease.

(b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than $1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago shall be named as an additional insured under the policy. Such additional insured coverage shall be provided on CG 20 10 or on a similar additional insured form acceptable to the City. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Landlord's sole negligence or the Additional Insured's vicarious liability. Landlord's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Landlord shall provide and maintain Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

(d) All Risk Property. All Risk Property Insurance coverage shall be maintained by the Landlord for full replacement value to protect against loss of, damage to or destruction of Leased Property.

The Landlord shall be responsible for all loss or damage personal property (including, but not limited to materials, equipment, tools and supplies), owned, rented or used by Landlord.

6.2 Other Terms of Insurance. Landlord will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Landlord shall submit evidence of insurance prior to execution of Lease. The receipt of any certificate does not constitute agreement by Tenant that the insurance requirements in this Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Tenant to obtain certificates or other insurance evidence from Landlord shall not be deemed to be a waiver by Tenant and Landlord shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Landlord of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and the Tenant retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

The Landlord shall provide for 60 days prior written notice to be given to the Tenant in the event coverage is substantially changed, cancelled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Landlord.

Landlord hereby grants to the City a waiver of any right of subrogation which any insurer of said Landlord may acquire against the City by virtue of the payment of any loss under the insurance. Landlord agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer(s).

Landlord expressly understands and agrees that any coverages and limits furnished by Landlord shall in no way limit the Landlord's liabilities and responsibilities specified in this Lease or by law.

Landlord expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the City shall not contribute with insurance provided by Landlord.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Landlord is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

If Landlord maintains higher limits than the minimums shown above, the City requires and shall be entitled to coverage for the higher limits maintained by Landlord. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of Lease.

6.3 Landlord's Indemnification. Landlord shall indemnify and hold Tenant harmless against all liabilities, judgment costs, damages, and expenses which may accrue against, be charged to, or be recovered from Tenant by reason of Landlord's negligent performance of or failure to perform any of its obligations under this Lease.

SECTION 7. DAMAGE OR DESTRUCTION.

7.1 Damage or Destruction. If the Premises are damaged or destroyed by fire or other casualty to such extent that Tenant cannot continue, occupy or conduct its normal business therein, or if the Premises do not meet all Municipal Building and Fire Code provisions and are therefore rendered untenantable, Tenant shall have the option to declare this Lease terminated as of the date of such damage or destruction by giving Landlord written notice to such effect. If Tenant exercises this option, the rent shall be apportioned as of the date of such damage or destruction and Landlord shall forthwith repay to Tenant all prepaid rent.

SECTION 8. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS.

8.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as directed in Chapter 2-156 of the Municipal Code of Chicago), either direct or indirect, in the Premises; nor shall any such official, employee, or member participate in making or in any way attempt to use his position to influence any City governmental decision or action with respect to this Lease.

8.2 Duty to Comply with Governmental. Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

SECTION 9. HOLDING OVER.

9.1 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning January 1, 2023 and the rent shall be at the same rate as set forth in Section 3.1 of this Lease.

SECTION 10. MISCELLANEOUS.

10.1 Notice. All notices, demands and requests which may be or are required to be given demanded or requested by either party to the other shall be in writing. All notices, demands and requests by Landlord to Tenant shall be delivered by national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid addressed to Tenant as follows:

10.9 Authorization to Execute Lease. The parties executing this Lease hereby represent and warrant that they are the duly authorized and acting representatives of Landlord and Tenant respectively.

10.10 Termination of Lease. Tenant shall have the right to terminate this Lease for convenience without penalty by providing Landlord with sixty (60) days prior written notice.

From time to time, the parties hereto may amend this Lease without City Council approval with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of this Lease. Provided, however, that such amendment(s) shall not serve to extend the Lease term hereof nor serve, in the sole opinion of Tenant, to otherwise materially alter the essential provisions contained herein. SECTION 13. LANDLORD DISCLOSURES AND AFFIRMATIONS.

13.1 Business Relationships. Landlord acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing,

any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Landlord hereby represents and warrants that no violation by Landlord of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

13.2 Patriot Act Certification. Landlord represents and warrants that neither Landlord nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Landlord that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

13.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Landlord agrees that Landlord, any person or entity who directly or indirectly has an ownership or beneficial interest in Landlord of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Landlord and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Lease by Landlord, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the Term of this Lease or any Other Contract, or (d) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Landlord represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached Landlord, or the date Landlord approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Landlord agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Lease or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to execute this Lease.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City of Chicago to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria: \

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) joint credit account;

(C) a joint checking account;

(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4. Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its Contractors and its subcontractors regarding the subject matter of this Lease ("Subcontractors"), have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Landlord's, any general Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under this Lease, at law or in equity. This section does not limit Landlord's, its general Contractors' and its Subcontractors' duty to comply with all applicable federal, state, county and municipal Laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Landlord's eligibility for future contract awards.

13.5 Failure to Maintain Eligibility to do Business with City. Failure by Landlord or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby, Landlord shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

13.6 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Landlord and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a Tenant contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Landlord represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Landlord will inform its Contractors and Subcontractors of this provision and include a provision requiring their compliance with such Chapters 2-55 and 2-56 in any written agreement between Landlord and its Contractors and Subcontractors.

13.7 2014 Hiring Plan Prohibitions.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Landlord is aware that City policy prohibits City employees from directing any individual to apply for a position with Landlord, either as an employee or as a subcontractor, and from directing Landlord to hire any individual as an employee or as a subcontractor. Accordingly, Landlord must follow its own hiring and contracting procedures, without being influenced by City or City employees. Any and all personnel provided by Landlord under this Lease are employees or subcontractors of Landlord, not employees of the City. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Landlord.

(iii) Landlord will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Landlord by a City employee or City official in violation of paragraph (ii) above, or advocating a violation of paragraph (iii) above, Landlord will, as soon as is reasonably practicable, report such communication to the Hiring Oversight

Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Landlord will also cooperate with any inquiries by OIG Hiring Oversight.

IN WITNESS WHEREOF, the parties have executed this Lease as of the day and year first above written.

14. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, conserves energy and maximizes the preservation of natural resources. At the time of a hearing before the Chicago Plan Commission, all developments must be in substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the Department of Planning and Development. The applicant shall provide open space in the form of a 12,150 square foot dog park, which will be open to the public during hours typical of the Chicago Park District Parks, but the dog park will be maintained and owned by the applicant or its successors. Applicant shall also provide a green roof consisting of 50 percent of the net roof area (approximately 8,050 square feet) and shall achieve LEED certification for the project.

15. The applicant acknowledges and agrees that the rezoning of the Property from DS-5 to DX-5, and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project as affordable units (the "Affordable Units"), or provide the Affordable Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Affordable Units; or (iii) any combination of (i) and (ii); provided, however, with one exception that doesn't apply here, residential housing projects with 20 or more units ("Larger Projects") must construct a minimum of 25 percent of the Affordable Units (the "Required Units") on-site or off-site (i.e., the developer may not pay a fee in lieu of the development of the Required Units). This Planned Development is located in a "downtown district" within the meaning of the ARO and is a Larger Project subject to the minimum construction

requirement. The applicant has agreed to satisfy its affordable housing obligation by providing the Required Units in the rental building to be constructed in the Planned Development, and paying a fee in lieu of the remaining 75 percent of the Affordable Units, as set forth in the Affordable Housing Profile Form attached hereto. The applicant agrees that the Affordable Units must be affordable to households earning no more than 60 percent of the Chicago-area median household income, as updated annually. If the applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the applicant must make the in-lieu payment and execute and record an affordable housing agreement in accordance with Section 2-45-115(K)(2) to secure the applicant's obligation to construct the Required Units. The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

The applicant further acknowledges and agrees that the project has received an affordable housing floor area bonus pursuant to Section 17-4-1004-B of the Zoning Ordinance, as set forth in the bonus worksheet attached hereto, and as a result is also subject to the requirements of Section 17-4-1004-C of the Zoning Ordinance (the "Bonus Formula Provision"). The Bonus Formula Provision requires the applicant to make a cash payment to the City of Chicago Affordable Housing Opportunity Fund in exchange for the bonus floor area. The cash payment is due before the issuance of any building permit for the building receiving the floor area bonus, and may be applied as a credit against the in-lieu fees due under the ARO.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to DX-5 (Downtown Mixed-Use District).

The improvements to be constructed on the Property will utilize the following series of FAR bonuses:

Description (list of all bonuses applied for and calculations)	FAR
Base FAR:	7.00
Affordable Housing:	1.75
Transit Station Improvements:	.90
Total FAR:	9.65

9. The applicant acknowledges and agrees that the rezoning of the Property from DX-7 Mixed-Use District to this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance" or "AHO"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). The applicant further acknowledges and agrees that the project has received an affordable housing floor area bonus pursuant to Section 17-4-1004-B of the Zoning Ordinance, as set forth in the bonus worksheet attached hereto as Exhibit A ("Bonus Worksheet"), and as a result is also subject to the requirements of the former Section 17-4-1004-D of the Zoning Code (the

"Density Bonus Provisions"). Like the ARO, the Density Bonus Provisions require on-site affordable housing or payment of a fee in lieu of providing affordable housing, but the formulas for calculating the number of required affordable units and the amount of the in-lieu payment are different from the formulas in the ARO. If a planned development is subject to both the ARO and the former Density Bonus Provisions, the applicant may elect to comply with either. In this case, the applicant has elected to comply with the Density Bonus Provisions. In accordance with the formulas set forth in the former Section 17-4-1004-C and the Bonus Worksheet, the Applicant acknowledges and agrees that it must provide a minimum of 27,810.25 square feet of affordable housing floor area (the "Affordable Units") in the building receiving the affordable housing floor area bonus ("Eligible Building"), with an affordable unit mix comparable to the overall mix and approved by DPD's density bonus project manager, or make a cash payment in lieu of providing Affordable Units in the amount of $1,957,841.60 ("Cash Payment"). Prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment or, if providing Affordable Units, enter into an affordable housing agreement with the City pursuant to the former Section 17-4-1004-E9 ("Affordable Housing Agreement"). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Eligible Building. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. In addition to the Affordable Housing Agreement, the applicant acknowledges and agrees that, pursuant to Section 17-4-1003-D3, the Bonus Worksheet will serve as an official record of bonuses and amenities. The applicant must comply with the applicable affordable housing standards and requirements set forth in the former Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in the former Section 17-4-1003-E, the Commissioner of DPD may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development. If this Planned Development does not receive City Council approval by July 13, 2016, the project will be subject to Section 2-45-115 of the Municipal Code (the "2015 ARO"). In such event, the applicant shall meet with the Department of Planning and Development to determine the application of the 2015 ARO to the project, and the 2015 ARO requirements will replace and supersede the affordability requirements set forth in this section.

10. In order to develop the proposed improvements in Subarea A, the applicant has contracted to acquire a portion of the unused floor area (for FAR purposes) and site area square footage (for MLA and FAR Bonus calculation purposes) from Subarea C (the "Development Rights"). The applicant shall establish those Development Rights (i) prior to Part II Approval for Subarea A and (ii) by delivery to DPD of an executed and recorded Development Rights Agreement ("Agreement"). Said Agreement shall confirm the amount of Development Rights acquired for the benefit of Subarea A. Said Development Rights shall be applicable solely to Subarea A in accordance with the

amounts shown on the Bulk Regulations and Data Table of this Planned Development. In no event shall such transfer of Development Rights cause the FAR or density limitations shown on the Bulk Regulations and Data Table to be exceeded. Delivery of the Agreement shall authorize DPD to initiate Part II Review for Subarea A pursuant to the parameters set forth in the Bulk Regulations and Data Table of this Planned Development. The items marked with an asterisk on the Bulk Regulations and Data Table (specifically, the reduction of FAR floor area allowable in Subarea C from 7.0 to 1.64, the increase of FAR floor area allowable in Subarea A from 14.94 to 19.56, and the transfer of site area square footage from Subarea C to Subarea A for MLA purposes to allow up to 500 dwelling units in Subarea A) do not become effective until the Applicant delivers to DPD an executed and recorded copy of Development Rights Agreement as stated hereinabove.

11. Pursuant to Section 17-4-1020 of the Zoning Ordinance, the applicant has requested an increase in the floor area ratio for the Property by contributing funds to the Chicago Transit Authority ("CTA") for improvements and repairs to public transit infrastructure located in proximity to its development project. In accordance with the formula set forth in Section 17-4-1020-C, the applicant acknowledges and agrees that it must make a cash payment to the CTA in the amount of $1,001,704.00. The applicant must provide evidence that such cash contribution has been paid by the applicant as a condition to issuance of any Part II Approvals. It is further acknowledged by the applicant that the CTA Board must approve of the final agreement between the applicant and the CTA, and if for any reason the CTA Board does not approve the final agreement, the applicant must revise the Planned Development's bonus structure.

12. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

13. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

14. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

15. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.

16. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

17. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The proposed Planned Development shall be in compliance with the Sustainable Development Policy by obtaining LEED certification and by providing a green roof of at least 50 percent of net roof area of the new buildings constructed in Subarea A containing a green roof of 10,606 square feet and shall meet the applicable storm water requirements of the Department of Planning and Development.

18. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to the DX-7 Downtown Mixed Use District.

Base FAR:	5.00
Adopt-a-Landmark:	1.00
Affordable Housing:	1.00
Transit Infrastructure:	1.00
Total FAR:	8.00

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Any interim reviews associated with site plan Review or Part II Reviews, are conditional until final Part II Approval.

11. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.

13. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

14. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, conserves energy and maximizes the preservation of natural resources. At the time of a hearing before the Chicago Plan Commission, all developments must be in substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the Department of Planning and Development. The applicant shall provide a green roof consisting of a minimum of 50 percent of the net roof area, or approximately 15,912 square feet and achieve building certification.

15. The applicant acknowledges and agrees that the rezoning of the Property from DX-3 and DX-5 to DX-5 for this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance" or "AHO"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units: or (iii) any combination of (i) and (ii). The applicant further acknowledges and agrees that the project is subject to the former Section 17-4-1004-D of the Zoning Code, which also requires on-site affordable housing or payment of a fee in lieu of providing affordable housing for rezonings in DC, DX and DR districts that increase the base floor area ratio. If a planned development is subject to the requirements of both sections (2-45-110 and the former 17-4-1004-D), the applicant may elect to satisfy the AHO requirements by complying with the affordable housing floor area bonus provided for in Section 17-4-1004. Applicant has elected to comply with Section 17-4-1004. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the applicant has requested an increase in the floor area ratio for the Property, as set forth in the bonus worksheet required under Section 17-4-1003-D and attached hereto as

Exhibit A ("Bonus Worksheet"). In accordance with the formulas set forth in the former Section 17-4-1004-C and the Bonus Worksheet, the applicant acknowledges and agrees that it must provide either a minimum of 10,585 square feet of floor area (the "Affordable Units") in the building receiving the affordable housing floor area bonus ("Eligible Building"), with an affordable unit mix comparable to the overall mix and approved by DPD's density bonus project manager prior to issuance of the first building permit, or make a cash payment in lieu of providing affordable housing in the amount of $745,184 ("Cash Payment"). Based on the foregoing, the applicant has proposed to provide ten (10) affordable on-site. Insofar as the square footage of such units is less than 10,585 square feet, applicant commits to make a cash payment for the remaining bonus FAR per the formula set forth in the 2007 Affordable Housing Profile Form (the "Profile Form") attached hereto as Exhibit B. Prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, the applicant must make the required Cash Payment and/ or execute and record an affordable housing agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Eligible Building and will constitute a lien against the Eligible Building. The applicant must comply with the applicable affordable housing standards and requirements set forth in the former Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in the former Section 17-4-1003-E, the Commissioner of the Department of Planning and Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development. If this Planned Development does not receive City Council approval by July 13, 2016, the project will be subject to Section 2-45-115 of the Municipal Code (the "2015 ARO"). In such event, the applicant shall meet with the Department of Planning and Development to determine the application of the 2015 ARO to the project, and the 2015 ARO requirements will replace and supersede the affordability requirements set forth in this section.

16. Pursuant to the Adopt-a-Landmark Bonus provisions of Section 17-4-1022 of the Zoning Ordinance, the applicant, DK Acquisitions LLC, has requested an increase in the floor area of the Property in exchange for the contribution of funds to benefit and support the preservation of Quinn Chapel at 2401 South Wabash Avenue ("Quinn Chapel") and the Second Presbyterian Church of Chicago at 1936 South Michigan Avenue ("Second Presbyterian") through substantial exterior renovation work. Quinn Chapel and Second Presbyterian are each referred to herein individually as a "Landmark Building" and collectively as the "Landmark Buildings". On March 3, 2016, the Commission on Chicago Landmarks (the "Commission") adopted a recommendation to the City Council to approve the renovation projects under the Adopt-a-Landmark Bonus program, and approved a Project Scope of Work and Budget for each Landmark Building, providing for the expenditure of a total of Seven Hundred Forty-five Thousand One Hundred Eighty-four and no/100 Dollars ($745,184.00) (the "Bonus Funds") on both Landmark Buildings, which corresponds to a floor area bonus of 1.0 over the net site area of

42,340 square feet. The Applicant shall deposit the Bonus Funds in escrow with an independent third party financial institution or title company prior to the issuance of any approvals pursuant to Section 17-13-0610 of the Chicago Municipal Code ("Part II"). Pursuant to Section 17-4-1022 of the Zoning Ordinance, the Commissioner of the Department of Planning and Development (the "Commissioner"), acting on behalf of the City and the Commission, is authorized and directed to enter into one or more agreements with the owners of the Landmark Buildings regarding the manner in which the Bonus Funds will be used. The agreements shall be in a form approved by the Corporation Counsel and shall be executed and submitted to the Department of Planning and Development prior to the issuance of any Part II Approvals. The Commissioner may approve minor modifications to the Project Scope of Work and Budget for each Landmark Building in accordance with the Commission's March 3, 2016 approval of the renovation projects.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to DX-5.

Any such modification shall be deemed to be a minor change in the Planned Development ordinance as contemplated by Section 17-13-0611 of the Chicago Zoning Ordinance.

17. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee as determined by the Department of Planning and Development staff at the time is final and binding on the applicant and must be paid to the Department of Planning and Development prior to the issuance of any Part II Approval.

18. The applicant acknowledges that it is in the public interest to design, construct and maintain the applicant's new projects in a manner that provides accessibility throughout the new project. WHEREAS, Hazel Amelia Cook married John L. Cook on December 24, 1938, at Bethany Evangelical Lutheran Church. They purchased a two-flat in West Ridge, and she has continued to live in West Ridge since that date. Together, they raised two children, Carol Ann and Linda Jean (Donald) Zaloudek; and

WHEREAS, Hazel Amelia Cook is a devoted mother, grandmother and cherished friend to many and richly deserves the warm and fond wishes of her family and friends as she marks her birthday celebration; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 13th day of April 2016, do hereby express our heartiest congratulations to

Hazel Amelia Cook in celebration of her 100th birthday and extend to her our very best and most sincere wishes for continued happiness and prosperity.

At this point in the proceedings, Alderman Burke moved to *Suspend the Rules Temporarily* for the purpose of going out of the regular order of business to permit the administration of the oath of office to the newly approved Superintendent of Police. The motion *Prevailed.*

The Honorable Rahm Emanuel, Mayor, invited Superintendent Eddie T. Johnson to the Mayor's rostrum where he administered a ceremonial oath of office to the newly approved Superintendent of Police. Mayor Emanuel then pinned the gold superintendent's star to the uniform of Superintendent Johnson.

Mayor Emanuel then extended congratulations to Eddie Johnson on his confirmation as Superintendent of the Chicago Police Department. A Chicago success story, Superintendent Johnson was raised in the Cabrini Green neighborhood and rose to the highest position in the Chicago Police Department, the Mayor observed, and throughout his career he has remained a man of character and integrity with a proud record of accomplishment and a lead by example management style that has garnered him the respect of community and religious leaders, law enforcement organizations and rank and file officers. Reflecting on the challenges facing the Police Department and the City of Chicago, Mayor Emanuel underscored the importance of a collaborative approach to successfully combat crime in our communities and the vital role of parents, principals, pastors and public officials in keeping our streets save. Noting the reforms and changes needed in the Police Department to restore the morale of officers and the confidence and trust of community residents, Mayor Emanuel observed that if we are to be the city we hope to be and effect the positive change in our communities that we hope to see, then we must not simply police our streets but rather restore peace on our streets and replace the sound of gunshots with the sound of laughter.

Speaking from the Mayor's rostrum, Police Superintendent Johnson expressed his appreciation to Mayor Rahm Emanuel and the members of the City Council on his appointment. Pledging his commitment to the members of the City Council, the officers of the Chicago Police Department and the people of Chicago, Superintendent Johnson vowed to work tirelessly to regain their trust and called on their support as he leads the efforts to end the violence on the streets of our city and set the course for a better Chicago.

And OTHERS:

Rules Suspended -- CALL ON UNITED STATES SENATE JUDICIARY COMMITTEE TO PROMPTLY SCHEDULE HEARING REGARDING NOMINATION OF JUDGE MERRICK GARLAND TO UNITED STATES SUPREME COURT.

[R2016-261]

A proposed resolution, presented by Aldermen J. Moore, Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Harris, Beale, Sadlowski Garza, Thompson, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman and Silverstein, reading as follows:

WHEREAS, The Constitution of the United States provides that the Senate shall provide advice and consent for appointments to the Supreme Court of the United States; and

WHEREAS, The Senate's constitutional duty to advise and consent on judicial nominees is one of its most important and solemn responsibilities; and

WHEREAS, The Senate has confirmed more than a dozen Supreme Court justices in presidential election years, including five in the last 100 years; and

WHEREAS The Senate has confirmed justices in presidential election years in which the executive and legislative branches of government were divided between two political parties, including Justice Anthony Kennedy's confirmation in 1988; and

WHEREAS, The Senate Judiciary Committee has never denied a Supreme Court nominee a hearing since it began holding public confirmation hearings; and

WHEREAS, If the Senate refuses to consider a Supreme Court nominee until after the next president is sworn into office, it will result in the longest Supreme Court vacancy caused by Senate inaction since the Civil War; and

WHEREAS, The Supreme Court serves an essential function resolving critical questions of law that affect our community, its economy, and its citizens; and

WHEREAS, The president has nominated Merrick Garland, chief judge of the United States Court of Appeals for the District of Columbia Circuit, who "has earned a track record of building consensus as a thoughtful, fair-minded judge who follows the law"; and

WHEREAS, Judge Garland is well qualified and has more judicial experience than any Supreme Court nominee in history; and

WHEREAS, Forcing the Supreme Court to function with only eight justices risks creating numerous instances in which the Court is evenly divided on the outcome of a case, preventing the court from resolving conflicting interpretations of the Constitution among different regions of the nation and thereby undermining the Supreme Court's role as the final arbiter of the law; and

WHEREAS, Every Supreme Court nominee who was not withdrawn by the president has received an up-or-down vote within 125 days of president's nomination announcement; and

WHEREAS, The Supreme Court vacancy caused by the death of Justice Antonin Scalia occurred on February 13, 2016, 269 days before the 2016 presidential election, and since 1975, the average number of days from nomination to confirmation vote for a Supreme Court nominee has been 70 days; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 13th day of April 2016, do hereby urge the Senate of the United States to perform its constitutional duty to provide advice and consent on the president's Supreme Court nominee by promptly scheduling a hearing in the Senate Judiciary Committee for Judge Merrick Garland; holding a confirmation vote on the Senate floor, with opportunity for debate on Judge Merrick Garland's nomination; and filling the vacancy on the Supreme Court without undue and unnecessary delay; and

Be It Further Resolved, That the City Clerk be directed to provide suitable copies of this resolution to Senators Richard Durbin and Mark Kirk as a sign of our concern for this important issue.

Alderman J. Moore moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the foregoing proposed resolution. The motion *Prevailed.*

UNFINISHED BUSINESS.

Failed To Pass -- APPROVAL OF PERMIT APPLICATION BY COMMISSION ON CHICAGO LANDMARKS FOR DEMOLITION OF NONCONTRIBUTING BUILDING AT 1938 W. AUGUSTA BLVD. IN EAST VILLAGE LANDMARK DISTRICT.

[Or2016-13]

On motion of Alderman Burke, the City Council took up for consideration the report of the

Committee on Zoning, Landmarks and Building Standards deferred and published in the *Journal of the Proceedings of the City Council of the City of Chicago* of March 16, 2016, pages 21284 and 21285 recommending that the City Council pass the proposed order for approval of a permit application for the demolition of a noncontributing building at 1938 West Augusta Boulevard in the East Village Landmark District printed on pages 21285 and 21286.

Alderman Burke moved to deny the demolition permit notwithstanding the recommendation of the committee. The motion *Prevailed* and the said proposed order *Failed To Pass* by a viva voce vote.

Said order, which failed to pass, reads as follows:

It Is Hereby Ordered by the City Council of the City of Chicago, That in accordance with Section 2-120-825 of the Municipal Code of Chicago, the recommendation of the Commission on Chicago Landmarks (the "Commission") for the approval of a permit application for demolition of the existing building (the "Building") located at 1938 West Augusta Boulevard, a noncontributing building in the East Village District, is accepted. The Comrnission's decision approving the proposed demolition of the Building is attached hereto as Exhibit A. Notwithstanding the foregoing, the permit applicant must pay the City of Chicago the applicable demolition permit fee and obtain from the Commissioner of the City's Department of Buildings a demolition permit prior to proceeding with any demolition.

This order shall be in full force and effect upon its passage and approval.

Exhibit "A" referred to in this order reads as follows:

Exhibit "A".

City Of Chicago
Commission On Chicago Landmarks
November 5, 2015.

Recommendation To The City Council To Approve
A Permit Application For Demolition Of A
Noncontributing Building In A Chicago Landmark District.

Whereas, Pursuant to Section 2-120-825 of the Municipal Code of Chicago governing review of permits for the demolition of 40 percent or more of any building or structure either designated as a "Chicago Landmark" or located in any district designated as a "Chicago Landmark", the Commission on Chicago Landmarks (the "Commission") has reviewed a permit application for the proposed demolition of:

a one- and two-story commercial building ("Building") located at 1938 West Augusta Boulevard within the East Village District, a Chicago Landmark (the "Landmark District")

; and

Whereas, The significant historical or architectural features identified in the ordinance designating the Landmark District are all exterior building elevations, including rooflines, visible from the public rights-of-way; and historic rear buildings that contribute to the historic character of the Landmark District, to include those at 1103 North Winchester Avenue and 1110 North Wolcott Avenue; now, therefore,

The Commission on Chicago Landmarks hereby:

1. Finds, in accordance with the criteria for review of permit applications established in Article III of the Commission's Rules and Regulations, that the Building is noncontributing to the character of the Landmark District;

2. Finds, in accordance with Section 2-120-770 of the Municipal Code of Chicago, that the demolition of the Building will not adversely affect any significant historical or architectural features of the Landmark District, and that the demolition is in accordance with the Secretary of the Interior's Standards for the Rehabilitation of Historic Buildings;

3. Approves the permit application for the demolition of the Building; and

4. Recommends, in accordance with Section 2-120-825, that the City Council of the City of Chicago accept the Commission's approval of the permit application for the demolition of the Building.

The above recommendation was passed unanimously 6-2.
