Blighting Report And Representative Photos.

Introduction

Michigan Cermak Indiana, LLC and all affiliated development entities (collectively, the "Developer"), is proposing to construct a new 466 room full service hotel, branded as a Hilton and approximately 51,000 square feet of commercial/retail. The proposed site (the "Project Site") consists of an approximately 0.86-acre site located at 111 East Cermak Road, Chicago, Illinois (the "City").

The circumstances are very unique in this case because the Project Site is part of the Michigan and Cermak Redevelopment Project area as designated under the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et. seq.) (the "TIF Act"). Additionally, the state legislature as well as the City Council of Chicago affirmed that this Redevelopment Project Area is still blighted by extending it from 23-years to 35-years. While the Class 7b ordinance does not prescribe the method for demonstrating blight, the TIF Act provides well-established criteria for blight that provide support and guidance in this case.

The purpose of this report is to document and summarize the conditions of the Project Site and other factors that support a finding by the Village that the Project Site, as it currently exists, is blighted.

Criteria Used for Current Blighting Analysis

We have used a combination of the vacant land blighting criteria and the improved parcel blighting criteria, as defined by the TIF Act to make a finding of blight. Parcel 17-27-102-022-0000 is currently an improved parcel. Parcels 17-27-102-001-0000, 17-27-102-013-0000 and 17-27-102-024-0000 are currently vacant parcels (collectively the "Project Site").

The Project Site was declared to be blighted by the original TIF ordinances of the City and recently confirmed by the current TIF Legislation. We are, however, showing the current blighting conditions on the site such that the City, by its recommending ordinance, may affirm this finding for purposes of meeting the Cook County Class 7b criteria.

VACANT LAND CRITERIA

(This Section applies to parcels 17-27-102-001-0000, 17-27-102-013-0000, and 17-27-102-024-0000.)

In order to constitute a "blighted area" under the vacant land blighting criteria of the TIF Act, and confirm that the site is blighted as of today's date one (1) of the following seven (7) factors must be present.

Factor 1.

If the area is vacant (e.g. property without industrial, commercial, and residential buildings which has not been used for commercial or agricultural purposes within 5 years prior to the designation of the project area), a finding may be made that the area is impaired by a combination of two or more of the six following sub-factors:

a. Obsolete platting of vacant land that results in parcels of limited or narrow size or configurations of parcels of irregular size or shape that would be difficult to develop on a planned basis and in a manner compatible with contemporary standards and requirements, or platting that failed to create rights-of-ways for streets or alleys or that created inadequate rights-of-way widths for streets, alleys, or other public rights-of-way or that omitted easements for public utilities.

b. Diversity of ownership of parcels of vacant land sufficient in number to retard or impede the ability to assemble the land for development.

c. Tax and special assessment delinquencies exist or the property has been the subject of tax sales under the Property Tax Code within the last 5 years.

d. Deterioration of structures or site improvements in neighboring areas adjacent to the vacant land.

e. The Area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

f. The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated.

Factor 2

The area consists of one or more unused quarries, mines, or strip mine ponds.

Factor 3

The area consists of unused rail yards, rail tracks, or railroad right-of-way.

Factor 4

The area prior to its designation is subject to chronic flooding that adversely impacts on real property in the area which is included in or (is) in proximity to any improvement on real property which has been in existence for at least 5 years and which substantially contributes to such flooding.

Factor 5

The area consists of an unused or illegal disposal site, containing earth, stone, building debris or similar material, which was removed from construction, demolition, excavation or dredge sites.

Factor 6

The area is not less than 50 nor more than 100 acres, and 75% of which is vacant, notwithstanding the fact that such area has been used for commercial agricultural purposes within 5 years prior to the designation of the redevelopment project area, and which area meets at least one of the factors itemized in the TIF Act, and the area has been designated as a town or village center by ordinance or comprehensive plan adopted prior to January 1, 1982, and the area has not been developed for that purpose.

Factor 7

The area qualified as a blighted improved area immediately prior to becoming vacant.

Findings from the Eligibility Survey and Analysis under the TIF Act

Using the blighting factors listed in the TIF Act as a guide, the Project Site was analyzed to determine whether and the extent to which any of the factors are present. Under the TIF Act, property is evaluated on a tax parcel basis. In this case, the Project Site consists of three tax parcels, identified as Parcels 17-27-102-001-0000, 17-27-102-013-0000, and 17-27-102-024-0000 (the "Vacant Parcels"). Surveys and analyses of the Project Site included a physical inspection of the Project Site and a review of the draft A.L.T.A./A.C.S.M. Land Title Survey.

Vacant Blighted Area

Using the TIF Act blighting criteria as a reference and guide, an analysis of the Project Site under the vacant blighted area criteria rendered the following results:

VACANT LAND FACTOR 1 – Combination of Two Sub-Factors

In order to find the presence of Vacant Land Factor 1, the TIF Act would require the presence of a combination of two or more of the following sub-factors: (a) obsolete platting of the vacant land; (b) diversity of ownership of such land; (c) tax and special assessment delinquencies on such land; (d) deterioration of structures or site improvements in neighboring area adjacent to the vacant land; (e) existence of remediation costs incurred due to Illinois Environmental Protection Agency or United States Environmental Protection Agency standards; and (f) the decline of the equalized assessed value of the property for 3 of the last 5 calendar year prior to the year in which the redevelopment project area was designated. Each of these sub-factors as it relates to the Project Site is discussed below.

A. Obsolete Platting

In order to find this sub-factor present under the TIF Act, the vacant parcels in their current configuration must exhibit irregular sizes and shapes that will make it difficult to develop the redevelopment project area in a manner that is compatible with contemporary standards and requirements.

The American Institute of Real Estate Appraisers (the "Appraisal Institute") defines obsolescence as follows: "One of the causes of depreciation. An impairment of desirability and usefulness caused by new inventions, current changes in design, improved processes for production, or external factors that make a property less desirable and valuable for a continued use; may be either functional or external [economical]."

Conclusion for Obsolete Platting – Not Present

B. **Analysis of Diversity of Ownership**
All parcels are currently owned by one entity.

Conclusion for Diversity of Ownership – Not Present

C. **Analysis of Tax and Special Assessment Delinquencies Exist**

All taxes and assessments are currently up to date with respect to payment.

Conclusion for Tax and Special Assessment Delinquencies – Not Present

D. **Analysis of Deterioration of structures or site improvements in neighboring areas**

The area surrounding the Vacant Parcels are surrounded by severely deteriorated and vacant buildings to the south and severely deteriorated buildings to the east. The buildings to the south are severely deteriorated as evidence by severely cracking tuck-pointing and exterior bricks, broken and boarded up windows, boarded up entrance doors, garbage strewn all of the sidewalks, overgrown weeds around the base of the building, severely cracking concrete façade of the building, graffiti on the sides of the building, rusted and broken utility pipes, broken and cracked foundational slab, and broken lighting all around the structure. The buildings to the east exhibits severely cracked exterior bricks, a severely cracked parking lot with rubble and other building materials in the broken areas of the pavement, a severely rusted and dented fence, severely rusted entrance doors, and garbage strewn about the property.

Conclusion for Deterioration of Structures in Neighboring Areas – Present

E. **Analysis of Illinois Environmental Protection Agency Remediation Costs Incurred – Historical Environmental Investigations and Remediation Activities Conducted by Historic Owners in the Surrounding Area**

Although the Phase I environmental report has noted some anomalies in the ground that appear to be former gasoline tanks, there is not sufficient data to conclude that this factor is present at this time.

Conclusion – Not Present

F. **The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years**

Overall Conclusion for Vacant Land Blighting Factor 1 – Present.

VACANT LAND FACTOR 2 – Unused Quarries or Mines

This factor analyzes whether the Project Site consists of one or more unused quarries, mines, or strip mine ponds.

Analysis
There are no quarries, mines, or strip mine ponds present.

Conclusion for Vacant Land Blighting Factor 2 - Not Present

VACANT LAND CRITERIA 3 – Unused Rail

This factor analyzes whether the Vacant Parcels consists of unused rail yards, rail tracks, or railroad right-of-way.

Analysis
Insufficient information exists as to whether the Vacant Parcels were used for rail purposes. As discussed below, building debris exists on the Vacant Parcels, but the physical inspection did not reveal the presence of former rail improvements, and none are identified on the Survey.

Conclusion for Vacant Land Blighting Factor 3 – Not Present

VACANT LAND FACTOR 4 – Chronic Flooding

This factor analyzes whether the Vacant Parcels are subject to chronic flooding that adversely impacts real property in the area which is included in or (is) in proximity to any improvement on real property which has been in existence for at least 5 years and which substantially contributes to such flooding.

Conclusion for Vacant Land Blighting Factor 4 – Not Present

VACANT LAND FACTOR 5 – Unused Disposal Site

This factor analyzes whether the Vacant Parcels consist of an unused or illegal disposal site, as defined by the TIF Act, containing earth, stone, building debris or similar material, which were removed from construction, demolition, excavation or dredge sites.

Analysis

The Vacant Parcels consist of vacant land that has various building materials throughout the site. This site consists of a former paved lot that is broken and cracked all throughout, with sections of the pavement missing. As such, the site contains piles of broken asphalt evenly distributed throughout, gravel, earth and other types of wood strewn throughout the site, old broken concrete light pylons, metal light poles that are broken, large foundational concrete slabs, metal slabs, old unused concrete foundational concrete is on the site, unused bricks are buried in places in the soil and concrete dividing barriers are dumped on the site.

Conclusion for Vacant Land Building Factor 5 – Present

VACANT LAND FACTOR 6 – Vacancy

This factor analyzes whether the area is not less than 50 nor more than 100 acres, and 75% of which is vacant, notwithstanding the fact that such area has been used for commercial agricultural purposed within 5 years prior to the designation of the redevelopment project area, and which area meets at least one of the factors itemized in the TIF Act, and the area has been designated as a town or village center by ordinance or comprehensive plan adopted prior to January 1, 1982, and the area has not been developed for that purpose.

Conclusion – Not Present

VACANT LAND FACTOR 7 – Former Improved Blighted Area

This factor analyzes whether the area qualified as a blighted improved area immediately prior to becoming vacant.

Analysis

The City declared this as a blighted site via the adoption of the original designation ordinances for the establishment Michigan and Cermak Redevelopment Project Area. The original eligibility report finds this as a blighted area under the definition of the TIF Act.

Conclusion – Present

Analysis

The Vacant Parcels are currently within a TIF District, that qualified as a blighted area, as adopted by the Chicago City Council. Moreover, if the Project Site were to be studied today for designation as a vacant blighted area under the TIF Act, it would qualify as a blighted area in its current condition. The Project Site exhibits three (3) of the seven (7) factors. Therefore, it is our conclusion this area is a blighted area and meets the definition of blight as defined in the 7b ordinance.

CRITERIA USED FOR IMPROVED PARCEL BLIGHTING ANALYSIS

(This section applies to Parcel 17-27-102-002-0000.)

Parcel 17-27-102-002-0000 (the "Improved Parcel") currently consists of old industrial/warehousing buildings. We are evaluating the Improved Parcel under the objective standard of the improved land blighting criteria under the TIF Act. Although the blight analysis under the 7(b) standards is not restricted to the criteria set forth in the TIF Act, it is important to note that the Site would qualify as a "blighted area" under the TIF Act standards in its current condition, which is a qualifying consideration under the ordinance.

In order to constitute a "blighted area" under the improved land blighting criteria of the Act, five (5) of the following thirteen (13) factors must be present:

1. Dilapidation
2. Obsolescence
3. Deterioration
4. Presence of structures below minimum code standards
5. Illegal use of individual structures
6. Excessive vacancies
7. Lack of ventilation, light, or sanitary facilities
8. Inadequate utilities
9. Excessive land coverage and overcrowding of structures and community facilities
10. Deleterious land-use or layout
11. Environmental clean-up
12. Lack of community planning
13. The total equalized assessed value of the proposed redevelopment project area has declined 3 of the last 5 years.

As noted further below, we have found 8 of these factors to be present.

1. **Dilapidation**

Dilapidation refers to an advanced state of disrepair of buildings or improvements or the neglect of necessary repair, suffering the building or improvements to fall into a state of decay. Dilapidation as a factor, then, should be based upon the documented presence and reasonable distribution of buildings and improvements that are in an advanced state of disrepair. Reasonable and defensible criteria should be developed to be used in determining the comparative quality of all buildings and improvements in the proposed project area, including a specific showing of those found in an advanced state of disrepair.

Building components examined were of two types:

Basic Structural – Includes the basic elements of a building: foundation walls, load bearing walls and columns, floor structure, roof and roof structure.

Structural Components – Includes normal additions to structures such as porches and steps, window and window units, doors and door units, chimneys, and gutters and downspouts

Conclusion – Not Present

2. **Obsolescence**

Obsolete buildings are characterized by conditions indicating that they are not readily adaptable for modern uses. In this case, the buildings are evaluated based on modern industry standards.

Obsolescence can be broken into the following two categories.

Functional Obsolescence

Functional obsolescence occurs when buildings can no longer perform their intended function in an efficient manner. For example, buildings are obsolete when they contain characteristics or deficiencies which limit the use and marketability of such buildings. In manufacturing for example, buildings may become obsolete over time due to changes in manufacturing methods or changes in industry standards.

Economic Obsolescence

Economic obsolescence occurs when the values of buildings decline due to market conditions, vacancies, neighborhood decline, property location within a community, or other factors which affect the economic value of buildings. These factors are generally beyond the owners' control.

Site improvements, including sewer and water lines, public utility lines (i.e., gas, electric and telephone), parking areas, sidewalks, curbs and gutters, and lighting may also evidence obsolescence in terms of their relationship to contemporary development standards for such improvements.

Conclusion – Present

Economic Obsolescence - The building on the site is completely vacant and unused. The location of the Improved Parcel as an industrial building site is outdated and limited by the traffic congestion along Michigan and McCormick Place to the east. Properties in this area have suffered from property value decline over the past few years due to the stagnant economy and the lack of investment in this area. The Project Site is not configured to be an effective industrial site due to its geometry, poor ingress/egress, and outdated building standards. Therefore, it is not easily adaptable for continued use of this type, which is evidenced by the vacancy.

Functional Obsolescence – Vehicular ingress/egress to the site is from Cermak and is very narrow. Additionally, the close proximity of the building to Michigan Avenue and adjacent buildings prevents appropriate ingress/egress onto the main thoroughfare. These conditions significantly impair reuse of the building for manufacturing/warehousing purposes based on today's standards.

As a result, the economic value of these current buildings has significantly declined as they exist in their current state over their original use. Therefore, the Project Site demonstrates both functional and economic obsolescence .

3. Deterioration

Deterioration refers to any physical deficiencies or disrepair in buildings or site improvements requiring treatment or repair. This would include buildings with major defects in the secondary building components (e.g., doors, windows, porches, gutters and downspouts, fascia materials, etc.), and major defects in primary building components (e.g., foundations, frames, roofs, etc.).

The condition of roadways, alleys, curbs gutters, sidewalks, off-street parking and surface areas may also evidence deterioration, as well as surface cracking, crumbling, potholes, depressions, loose paving materials, weeds/grasses protruding through the concrete and asphalt surfaces, and conditions of general property maintenance.

Conclusion – Present

The Project Site contains a good deal of deterioration as evidenced by the following:

- Cracked curbs along the perimeter of the property
- Severely cracked sidewalk along the front of the property
- The masonry in between the bricks is severely cracked and missing in places
- The metal framing along the loading dock doors on the southeast portion of the building are severely rusted, coating (paint) is severely weathered and missing, and they are dented and bent in places
- Windows are broken and boarded up in many places, including the whole first floor.
- There is graffiti on the walls of the building
- The gates to the fence are severely rusted and dented.
- The access ways as well as the parking lots are severely cracked and have significant potholes.

- The doors on the front portion of the building have severely chipped paint and are in a state of disrepair.
- Portions of the walls exhibit water damage
- Sections of bricks along the back portion of the building are severely cracked and exhibit significant efflorescence

As a result of all these conditions, we have concluded that the Parcel 002 exhibits deterioration.

4. Presence of structures below minimum code standards

This includes all structures which do not meet the standards of zoning, subdivision, building, housing, property maintenance, fire, or other governmental codes applicable to the property. The principal purposes of such codes are to require building to be constructed in such a way as to sustain the safety of certain loads expected from these types of occupancy, to be safe for occupancy against fire and similar hazards, and to establish minimum standards essential for safe and sanitary habitation. Structures below minimum code standards are characterized by defects or deficiencies, which threaten the health and safety of its inhabitants.

Conclusion – Not Present

5. Illegal Use of Individual Structures

This factor applies to the use of structures in violation of applicable national, state, or local laws, and not to legal, nonconforming uses. Some examples of such illegal use include the conduct of any illegal vice activities such as drug manufacture or dealing and prostitution sale, or uses in violation of national, state, or local environmental and occupational safety and health regulations.

Conclusion – Not Present

6. Excessive Vacancies

This refers to the presence of buildings or sites which are unoccupied or underutilized and which represent an adverse influence on the area because of the frequency, extent, or duration of such vacancies. It includes properties which evidence no apparent effort directed toward their occupancy, utilization and vacancies within buildings.

Conclusion – Present

The building on the Improved Parcel is completely vacant and unused.

Therefore, this building exhibits excessive vacancies.

7. Lack of ventilation, light, or sanitary facilities

This refers to substandard conditions which adversely affect the health and welfare of building occupants, (e.g., residents, employees, or visitors.)

Conclusion – Present

From our observations various windows are boarded up, various windows are broken, the electric utilities at the back (north side) of the building are in a severe state of disrepair, and the HVAC on the top of the building appear to be severely rusted and not in a operable state. The building has no plumbing and the gas is off. Most of the electrical wiring has been removed. This building is not inhabitable without substantial rehabilitation.

8. Inadequate utilities

This refers to deficiencies in the capacity or condition of all overhead and underground utilities including, but not limited to, storm drainage, water supply, electrical power, telephone, sanitary sewers, gas, and electricity. Inadequate utilities include those which are:

1. of sufficient capacity to serve the uses in the redevelopment project and surrounding areas,

2. deteriorated, antiquated, obsolete, or in disrepair, or

3. lacking.

Conclusion – Present

According to Citywide data, the underground utilities, particularly the water mains and sewer lines, have reached the end of their 100-year useful service lives. Additionally, other additions and replacements are needed to the water mains and sewer lines due to insufficient size to comply with modern capacity requirements. Relative to the building, it is completely vacant and lack the utilities necessary for human habitation. It lacks the appropriate water, sanitary and HVAC for the building to be occupiable.

9. Excessive land coverage and overcrowding of structures and community facilities

This refers to the over-intensive use of property and the crowding of buildings and accessory facilities to the site. Problem conditions include buildings either improperly situated on the parcel or located on parcels of inadequate size and shape in relation to present-day standards of development for health and safety, and multiple buildings on a single parcel.

Conclusion – Present

The building is situated on the southern end of the site with a very small parking field to the north. The building comes up to the eastern and western edges of the site right up to the sidewalks and to the south it is connected to the adjacent building. Additionally, the cars or trucks turning in parking area can't make the turn easily due to the close proximity of the building and fence-line to the sidewalk and to the adjacent rights of way. Due to the excessive site coverage that leads to the improper ingress/egress, it is clearly not up to modern day standards. Therefore, we find this factor to be present.

10. Deleterious Land-Use or Layout

This includes evidence of incompatible land-use relating to the mix of building types, improper platting, inadequate street system, parcels of irregular size or shape, or improper layout of the buildings.

Conclusion – Present

This former industrial building, now vacant, is laid out on the site in a manner that is not consistent with current planning principles. It has very poor ingress and egress to the site due to its close proximity to Michigan to the west and Cermak to the north. The building shares a structural wall with the building to the south and there is no room inbetween the buildings for access or anything else. The building to the south directly adjacent to parcel 002 is boarded up and vacant as well. The size and layout of the building on the site overcrowds the site and provides for very limited reuses of the current building.

Therefore, we find that this site evidences deleterious land use or lay-out.

11. Environmental clean-up

This refers to the remediation costs incurred for, or studies conducted by an independent consultant recognized as having expertise in environmental remediation, has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or Federal Law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

Conclusion – Not Present

12. Lack of community planning

This indicates the area as a whole was developed without the benefit or guidance of overall community planning. Most of the properties within the study area were originally platted and developed on a parcel-by-parcel and building-by-building basis with little evidence of coordination and planning among building and activities. The lack of community planning at the time of the original development is one of several factors which have contributed to the problem conditions previously cited.

Conclusion – Present

Although the development of an industrial facility and related parking along Michigan Avenue may have coincided with the community planning in a previous era, the total area lacks coordination with the entertainment and convention uses to the east and the planned Motor Row entertainment district. The proximity of the building to Michigan and Cermak does not allow for adequate traffic flow for former use, industrial. Additionally, this building is directly south of a residential neighborhood. These types of heavy industrial uses lack overall coordination with a largely commercial, entertainment and residential neighborhood.

13. The total equalized assessed value of the proposed redevelopment area has declined 3 of the last 5 years

The total equalized assessed value of the proposed redevelopment project area has declined for three of the last five calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate that is less than the balance of the municipality for three of the last five calendar years for which information is available or is increasing at an annual rate less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for three of the last five calendar years prior to the year in which the redevelopment project area is designated.

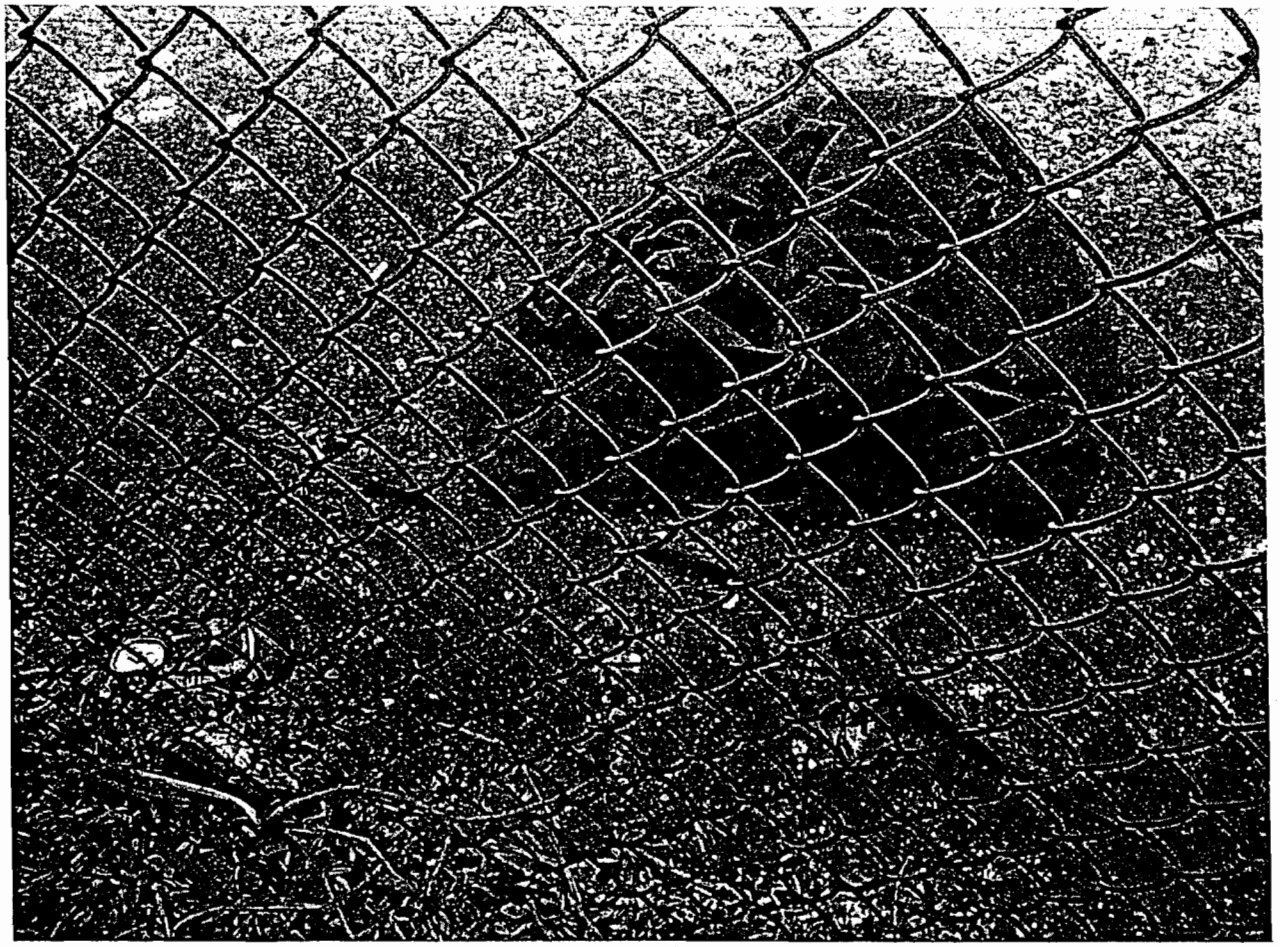
Summary of Findings

We have concluded that the Project Site is blighted under the improve land standard under the TIF Act as it exhibits 8 of 13 factors. The most frequent conditions were:

- Deterioration
- Obsolescence
- Excessive Vacancies
- Lack of Ventilation, Light and Sanitary Facilities
- Inadequate Utilities

- Excessive Land Coverage
- Deleterious Land Use
- Lack of Community Planning

Unless corrected, these conditions will persist and continue to delay future economic development on the Project Site.



CONCLUSION

The Project Site has been declared blighted by the Chicago City Council, pursuant to the TIF Act and reaffirmed by State Legislature upon the authorization to extend this Redevelopment Project Area to 35-years. Despite this designation, the Project Site remains vacant and undeveloped. Although the blight analysis under the 7b ordinance is not restricted to the criteria set forth under the TIF Act, the Project Site would qualify as a "blighted area" under the TIF Act standards in its current condition. Therefore, it is our conclusion that a finding a blight can be made by City Council as well as by Cook County under the criteria for qualification under the 7b ordinance.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. Conditioned upon the adoption by the City Council of the City of the Blight Designation Ordinance, the City hereby determines that:

A. the Project Site is a blighted area;

SECTION 6. The City hereby determines that the Project meets eligibility factor (4) under Section 74-65(a) of the Classification Ordinance in that certification of the Project for Class 7(b) designation will materially assist development, redevelopment or rehabilitation of the area and the Project would not go forward without the full incentive offered under Class 7(b).

SECTION 7. The City hereby determines that the Project meets eligibility factor (5) under Section 74-65(a) of the Classification Ordinance in that certification of the Project for Class 7(b) designation is reasonably expected to ultimately result in an increase in real property tax revenue and employment opportunities within the area.

SECTION 8. The City hereby expressly determines that eligibility factors (1) through (5) under Section 74-65(a) of the Classification Ordinance are present for the Project, and hereby expressly supports and consents to the Class 7(b) application of the Applicant to the Assessor for Class 7(b) designation of the Project and the Project Site.

SECTION 9. The Commissioner of DPD (the "Commissioner"), or a designee of the Commissioner, are each hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Applicant with the Assessor for Class 7(b) designation of the Project.

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or the Deputy City Clerk is authorized to attest, one or more quitclaim deeds conveying the Property to the Developer. Without limiting the quitclaim nature of such deed, such conveyance shall be subject to (i) standard exceptions in an ALTA insurance policy; (ii) general real estate taxes and any special assessments or other taxes; (iii) easements, encroachments, covenants, restrictions and liens of record and not shown of record; (iv) such other title defects as may exist; and (v) any and all exceptions caused by acts of the Grantee or its agents.

Such conveyance also shall be subject to the following conditions and covenants, in substantially the form set forth below, which are part of the consideration for the Property and which are to be taken and construed as running with the land and binding on the Developer and its successors and assigns:

First: Grantee must perform, or cause to be performed, the following work on the Property (all such work, the "Site Work"):

(i) demolition of all existing improvements located on the Property, including, but not limited to all structures, footers, foundations, utility lines, underground tanks (if any) and paving, while leaving the Property in a lien-free and environmental condition that complies with all federal, state and municipal laws, codes and ordinances;

(ii) grading the Property, as necessary, and filling all excavations with clean-engineered, either on-site or off-site import fill material suitable for backfill, extending to the perimeter of the Property and to applicable off-site appurtenances located

immediately adjacent to the Property in accordance with engineering, grading, and utility plans and geotechnical report, and removing from the site any excess fill, rock and/or debris.

(iii) compacting all Property fill (other than building pad) to 90 percent of the maximum dry density as determined by ASTM-D-1556 modified proctor for cohesive fill and 85 percent relative density for granular fill;

(iv) providing the building pad area within 1/10 inch of the planned finished pad elevation, compacted to 95 percent of the maximum dry density as determined by ASTM-D-1556 modified proctor for cohesive fill and 85 percent relative density for granular fill, and certified by a licensed engineer as suitable for construction of a single story slab on-grade building, utilizing conventional spread footers at standard depths;

The Site Work must commence not later than September 30, 2016, and must be completed not later than March 31, 2017, unless the Commissioner of the City's Department of Planning and Development or any successor department thereto (the "Commissioner") extends, in writing, such commencement and/or completion dates.

Second: Following completion of the Site Work, the Property must be used by a fast food restaurant operating on the Property; provided, however, if the lease for the Property between Grantee and its initial tenant (i.e., Wendy's) terminates, this covenant numbered Second shall be suspended one time for a period of six months, commencing on the date of such lease termination, in order to give the Grantee an opportunity to enter into a new lease. Upon the completion of such six month period, the Property must be used by a fast food restaurant operating on the Property. The Commissioner may in his/her sole discretion release the covenant set forth in this covenant Second.

Third: The City of Chicago (the "City") makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and Grantee agrees to accept the Property in its "as is", "where is" and "with all faults" condition.

Fourth: Grantee shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof.

Fifth: Grantee hereby waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Property prior to the date of this deed, including, without limitation, liabilities arising under CERCLA. Grantee hereby acknowledges that, in purchasing the Property, Grantee is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. If, after the date of this deed, the structural, physical and environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be Grantee's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use.

Sixth: Grantee agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Site Work:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420, et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority-and Women-Owned Business Enterprise Construction Program, Section 2-92-650, et seq., Municipal Code of Chicago (the "Construction Program", and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this covenant Sixth, during the course of construction of the Site Work, at least 26 percent of the aggregate hard construction costs shall be expended for contract participation by minority owned businesses and at least 6 percent of the aggregate hard construction costs shall be expended for contract participation by women owned businesses.

(b) For purposes of this covenant Sixth only:

(i) Grantee (and any party to whom a contract is let by Grantee in connection with the Site Work) shall be deemed a "contractor" and this Deed (and any contract let by Grantee in connection with the Site Work) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, Grantee's MBE/WBE commitment may be achieved in part by Grantee's status as an MBE or WBE (but only to the extent of any actual work performed on the Site Work by Grantee) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Site Work by the MBE or WBE); by Grantee utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Site Work by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Site Work to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Site Work from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Grantee's MBE/WBE commitment as described in this covenant Sixth. In accordance with Section 2-92-730, Municipal Code of Chicago, Grantee shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) Grantee shall deliver quarterly reports to the City's monitoring staff describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Grantee or the general contractor to work on the Site Work, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Site Work, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Grantee's compliance with this MBE/WBE commitment. Grantee shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Site Work for at least five (5) years after completion of the Site Work, and the City's monitoring staff shall have access to all such records maintained by Grantee, on prior notice of at least five (5) business days, to allow the City to review Grantee's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Site Work.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, Grantee shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of Grantee's MBE/WBE commitment as described in this covenant Sixth shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) During the construction of the Site Work, Grantee shall submit all documentation required by this covenant Sixth to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Site Work via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Grantee is not complying with its obligations under this covenant Sixth, shall, upon the delivery of written notice to Grantee, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Deed, the City may: (w) issue a written demand to Grantee to halt construction of the Site Work or (x) seek any other remedies against Grantee available at law or in equity.

Seventh: Grantee agrees, and shall contractually obligate each Employer to agree, that during the construction of the Site Work, Grantee and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent); provided, however, that doing so does not violate a collective bargaining agreement of Grantee or an Employer and that in addition to complying with this percentage, Grantee and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(a) Grantee and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(b) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(c) Grantee and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of Site Work. Grantee and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(d) Grantee and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that Grantee or Employer hired the employee should be written in after the employee's name.

(e) Grantee and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. Grantee and the Employers shall maintain all relevant personnel data and records for a period of at least three years after the date of the City's "Certificate of Completion", which Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenant numbered First.

(f) At the direction of the Department, Grantee and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(g) Good faith efforts on the part of Grantee and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this covenant Seventh concerning the worker hours performed by actual Chicago residents.

(h) If the City determines that Grantee or an Employer failed to ensure the fulfillment of the requirements of this covenant Seventh concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this covenant Seventh. The parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs as set forth in an Owner's Sworn Statement acceptable to the Department in its sole discretion shall be surrendered by Grantee and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement.

Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Grantee and/or the other Employers or employees to prosecution.

(i) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246", or other affirmative action required for equal opportunity under the provisions of this Deed.

(j) Grantee shall cause or require the provisions of this covenant Seventh to be included in all construction contracts and subcontracts related to the construction of the Site Work.

Eighth: Following the commencement of retail food sales at a restaurant developed on the Property, the Grantee shall submit a request for a return of the Performance Deposit (in the amount of Eight Thousand Two Hundred Fifty Dollars ($8,250)), and the City shall return the Performance Deposit within 90 days of receiving such request.

Ninth: The Grantee must supply a clarification to the existing Phase I Environmental Site Assessment Report specifying that the "Subject Property" of the report includes the Permanent Index Number and legal description of the Property (conveyed pursuant to this deed). The Developer must conduct a Phase II Environmental Site Assessment on the Property to assess soil and soil gas for the constituent lists specified in 35 Illinois Administrative Code Section 740, Appendix A, including vapor migration and indoor inhalation issues. The City's Department of Fleet and Facility Management ("DFFM") shall have the right to review and approve the Scope of Work for the assessment before it is performed, and shall reserve the right to require additional assessments depending on the results of the initial assessment. If contaminants are identified in exceedance of the standards of 35 Illinois Administrative Code Section 742.3025, the contaminants must be properly removed or remediated before redevelopment and occupancy. The City must be named in a reliance letter for all assessment reports produced concerning the Property. If Underground Storage Tanks (USTs) are discovered on the Property during development, the Grantee must remove the USTs and close any leaking underground storage tank incidents in accordance with Illinois Office of the State Fire Marshal and Illinois Environmental Protection Agency requirements before occupancy. Upon the completion of the requirements in this covenant, the Grantee shall request a review and inspection by DFFM. DFFM shall provide the Grantee with either a certificate of release of this covenant, or a written statement indicating how the Grantee has failed to complete the covenant requirements, and what measures or acts are necessary, in the sole reasonable opinion of DFFM, for the Grantee to take or perform in order to obtain the certificate of release of this covenant numbered Ninth.

The covenant numbered First shall terminate on the date of the City's Certificate of Completion. The covenant numbered Second shall terminate on June 30, 2026. The covenants numbered Sixth and Seventh shall terminate on the date the City issues a letter stating that the Grantee has satisfied the requirements of such covenants (either by complying with such covenants or paying any amounts owed to the City as a result of noncompliance). The covenant numbered Eighth shall terminate on the date the City returns the Performance Deposit to the Grantee. The covenant numbered Ninth shall terminate on the date DFFM issues its certificate of release.

The covenants numbered Third, Fourth and Fifth shall have no limitation as to time.

If Grantee fails to comply with any of the foregoing covenants and conditions, the City may exercise any and all remedies available to it at law or in equity, including the right to re-enter and take possession of the Property, terminate the estate conveyed to Grantee, record the Grantee's reconveyance deed, and revest title to the Property in the City, and such right, title and interest of Grantee in and to the Property shall revert to the City; provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way: (i) the lien of any mortgage authorized by the Department; or (ii) any lease to a fast food restaurant in effect at the time of such reversion, provided that the lessee has been approved by the Department. If title to the Property revests in the City pursuant to the Right of Reverter, the Grantee shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Grantee, and shall cause the release of all liens or encumbrances placed on the Property (except those permitted by the Department) during the period of time the Property was owned by the Grantee. The Grantee will cooperate with the City to ensure that if the City records the reconveyance deed, such recording is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Property to the Grantee and utility easements. Notwithstanding the foregoing, with respect to the Grantee's violation, breach or failure to comply with the covenant numbered Sixth or Seventh, the City may elect not to exercise its Right of Reverter and instead require the Grantee to pay the City money damages, within 90 days of the default, in an amount determined by the City in accordance with covenant Sixth and/or Seventh, as applicable.

SECTION 3. The Commissioner and the Managing Deputy Commissioner of the Department are each authorized to execute any ancillary closing documents on behalf of the City.

SECTION 4. The transfer of title of the Property from the City to the Developer must close on or before the date that is 60 days following the date on which this ordinance is published in the *Journal* (the "Outside Closing Date"), unless the Commissioner in his sole discretion extends the Outside Closing Date. This ordinance shall be null and void with respect to any portion of the Property that has not yet been transferred to the Developer by the Outside Closing Date, as may be extended.

SECTION 5. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 6. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

SECTION 7. This ordinance shall take effect upon its passage and approval.

WHEREAS, Pursuant to an ordinance (the "Ordinance") adopted by the City Council (the "City Council") of the City of Chicago (the "City") on February 5, 2014, and published at pages 74094 through 74098 in the *Journal of the Proceedings of the City Council of the City of Chicago* ("*Journal*") of such date, 625 West Division LLC (the "Developer"), whose offices are located at 1477 NW Everett Street, Portland, Oregon 97209, purchased a vacant parcel of property (the "Former City Property") from the City to use in perpetuity as landscaped open space for the benefit of certain property adjacent to the Former City Parcel (the "Adjacent Property") owned by the Developer and located at 625 West Division Street, Chicago, Illinois; and

WHEREAS, The Former City Property and the Adjacent Property (collectively, the "Project Site") are located in Planned Development Number 1018 established pursuant to ordinance adopted by the City Council on June 28, 2006, and published in the *Journal* for such date at pages 79865 through 79881, as amended ("PD 1018"); and

WHEREAS, Pursuant to PD 1018, the Developer has constructed a mixed-use building, with 240 rental units, approximately 8,000 square feet of retail use and the landscaped open space (the "Project") on the Project Site; and

WHEREAS, The Project is a "residential housing project" within the meaning of Section 2-45-110 of the Municipal Code (the "2007 ARO") and Section 2-45-115 of the Municipal Code (the "2015 ARO"); and

WHEREAS, Pursuant to the 2007 ARO and the 2015 ARO, the City requires any developer of a "residential housing project" receiving land from the City ("Acquisition Assistance"), financial assistance or certain types of zoning approval to satisfy certain affordable housing obligations; and

WHEREAS, The sale of the Former City Property by the City to the Developer constituted Acquisition Assistance; and

WHEREAS, Because the 2015 ARO was not in effect at the time of the adoption of the Ordinance by the City Council, the Ordinance made the 2007 ARO applicable to the sale of the Former City Property by the City to the Developer; and

WHEREAS, Pursuant to the Ordinance, the Developer entered into that certain Affordable Housing Covenant and Lien (ARO-Rental Project), dated as of March 31, 2014, in favor of the City (the "Affordable Housing Covenant"), which Affordable Housing Covenant was recorded on April 15, 2014, as Document Number 1410522091 against the Project Site with the Recorder of Deeds of Cook County, Illinois; and

WHEREAS, The Affordable Housing Covenant requires the Developer to construct and maintain twenty-four (24) rental units in the Project (collectively, the "ARO Units") for occupancy by households whose adjusted annual income does not exceed sixty percent (60%) of the Chicago-area median income; and

WHEREAS, At the request of the Developer, the Chicago Housing Authority, an Illinois municipal corporation (the "CHA"), has agreed to provide Section 8 Project-Based Voucher Housing Assistance Payments to the Developer to subsidize the rents of the ARO Units pursuant to a Section 8 Housing Assistance Payments Contract (as hereafter amended or renewed, the "HAP Contract") to be entered into by the CHA and the Developer; and

WHEREAS, In order to support the CHA's goal of expanding opportunities for low-income families to rent quality housing in the private market, the 2015 ARO authorizes developers to lease affordable units to the CHA at any price consistent with applicable federal regulations (the "HAP Contract Rent") for subsequent lease to income-eligible persons or families at affordable prices through CHA programs; and

WHEREAS, The HAP Contract would allow the Developer to collect rental assistance payments from the CHA for the difference between the HAP Contract Rent for the ARO Units and the affordable rent; and

WHEREAS, The HAP Contract, though not a lease between the Developer and the CHA, is a long-term commitment from the CHA to subsidize rental payments in the Project and is consistent with the 2015 ARO's goal of collaborating with the CHA and other providers of housing assistance to rent ARO Units to Section 8 voucher holders and other recipients of housing assistance; and

WHEREAS, The 2007 ARO, unlike the 2015 ARO, does not expressly contemplate the use of ARO units for CHA programs, nor does it expressly permit developers to accept HAP Contract Rents for affordable units under long-term contracts with the CHA; and

WHEREAS, In order to enable the Developer to enter into the HAP Contract with the CHA with respect to the ARO Units, the Developer has requested that the City amend the Ordinance to expressly permit the Developer to comply with the 2015 ARO and to accept housing assistance payments from the CHA for the ARO Units pursuant to the HAP Contract (the "HAP Modifications"); and

WHEREAS, The City is willing to amend the Ordinance to approve the application of the 2015 ARO to the Project and to authorize the HAP Modifications; and

Third Amendment To Redevelopment Agreement With Claretian Associates, Inc. Associated With Construction Of Homes Under New Homes For Chicago Program.

This Third Amendment to Redevelopment Agreement ("Third Amendment"), dated as of _____, 2016, is made by and between the City of Chicago, an Illinois municipal corporation, having its offices at City Hall, 121 North LaSalle Street, Chicago, Illinois 60602 ("City"), acting by and through its Department of Planning and Development ("DPD"), as successor to the Department of Housing and Claretian Associates, Inc., an Illinois not-for-profit corporation, having its principal office at 9108 South Brandon Avenue, Chicago, Illinois 60617 ("Developer"). Capitalized terms not otherwise defined herein shall have the meaning given in the Current RDA (as defined below).

Recitals.

Whereas, The City, as a home rule unit under the 1970 Constitution of the State of Illinois, has the authority to promote the health, safety and welfare of its inhabitants, to prevent the spread of blight and to encourage private development in order to enhance the local tax base and create employment, and to enter into contractual agreements with third parties for the purpose of achieving the aforesaid purposes; and

Whereas, Pursuant to ordinance adopted by the City Council of the City (the "City Council") on January 10, 2001 and published in the *Journal of the Proceedings of the City Council of the City of Chicago* (the "*Journal*") for such date at pages 50400 -- 50406, the City Council has previously approved the participation of and the conveyance of certain City-owned parcels to Claretian Associates, Inc., an Illinois not-for-profit corporation (the "Developer"), for the construction of homes under the City's New Homes for Chicago Program (the "New Homes Program"); and

Whereas, Pursuant to such ordinance and the New Homes Program, the City and the Developer have entered into that certain "Redevelopment Agreement, New Homes For Chicago Program, Claretian Associates, Inc." ("Redevelopment Agreement"), dated as of July 9, 2002, and recorded in the Recorder's Office of Cook County, Illinois (the "Recorder's Office") on July 24, 2002, as Document Number 0020808096, as amended by that certain "First Amendment to Redevelopment Agreement" ("First Amendment"), dated December 4, 2003, and recorded in the Recorder's Office on December 5, 2003, as Document Number 0333931058 (the Redevelopment Agreement, as amended by the First Amendment, the "First Amended Redevelopment Agreement"); and

Whereas, Pursuant to ordinance adopted on April 26, 2006, and published in the *Journal* for such date at pages 75201 -- 75212, the City and the Developer have entered into that certain "Second Amendment to Redevelopment Agreement" ("Second Amendment"), dated as of January 23, 2007 and recorded in the Recorder's Office on January 29, 2007, as Document Number 0702933169 (the First Amended Redevelopment Agreement, as amended by the Second Amendment, the "Current RDA"); and

Whereas, Pursuant to a release dated May 2, 2016, and recorded in the Recorder's Office on May 3, 2016, as Document Number 1612416017, the City has previously released various City-owned parcels from the Current RDA because the deadline by which such parcels could be conveyed to the Developer had expired; and

Whereas, Pursuant to ordinance adopted on _____, 2016 and published in the *Journa*l for such date at pages _____ - _____, the City and the Developer have entered into this Third Amendment, for the purposes of: (i) releasing from the Current RDA Parcel 1 identified in (Sub)Exhibit 1 to this Third Amendment (the "9130 South Burley Parcel"); (ii) allowing the Developer to convert the unfinished single-family home on the two lots that comprise Parcel 2 identified in (Sub)Exhibit 1 (collectively, the "9230 South Brandon Parcel") to an affordable rental two-flat residential building (as further described below); and (iii) allowing the Developer to convert the unfinished single-family home on the Private Parcel (9128 South Burley Avenue) identified in (Sub)Exhibit 2 to this Third Amendment to an affordable rental two-flat residential building (as further described below). It is anticipated that the Developer will combine the 9130 South Burley Parcel with the Private Parcel for the purpose of developing the two-flat residential building;

Now, Therefore, In consideration of the above recitals and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Section 1.

Incorporation Of Recitals.

The recitals set forth above constitute an integral part of this Third Amendment and are incorporated herein by this reference as if fully set forth herein.

Section 2.

Conflict.

In the event of a conflict between the terms of the Current RDA and the terms of this Third Amendment, the terms of this Third Amendment shall govern and control.

Section 3.

Construction Of The Project.

The Developer shall convert the unfinished single-family home on the 9230 South Brandon Parcel to an affordable rental two-flat residential building. The Developer shall also convert the unfinished single-family home on the Private Parcel to an affordable, rental two-flat residential building.

Each two-flat residential building shall be developed in accordance with plans and specifications to be reviewed and approved by DPD. The approval of any working drawings and specifications by the Department's Bureau of Housing is for the purpose of this Third Amendment only and does not constitute the approval required by the City's Department of Buildings, any other Department Bureau (such as, but not limited to, the Department's Bureau of Zoning), or any other City department; nor does the approval by the Department pursuant to this Third Amendment constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the 9130 South Burley Parcel, 9230 South Brandon Parcel or the Private Parcel, as applicable. The approval given by the Department shall be only for the benefit of the Developer and any lienholder authorized by this Third Amendment.

The Developer shall complete the construction of each two-flat residential building, as evidenced by the City's issuance of a Certificate of Occupancy ("COO") and DPD's issuance of Construction Close Out Letter ("CCO Letter") and a "Compliance Letter", within one year from the date of the publication of the ordinance that authorized the City's execution of this Third Amendment (i.e., one year from _____, 2016), unless the Commissioner of DPD, in his sole discretion, extends such outside completion date.

Section 4.

Affordability.

(a) Each unit in the two-flat buildings to be developed on the 9230 Brandon Parcel and on the Private Parcel, for a period of seven years following the later of the date of the COO, CCO Letter and Compliance Letter, for the respective building, shall not be rented except to (a) to a household whose household income, adjusted for family size, does not exceed one hundred percent (100%) of the Chicago Primary Metropolitan Statistical Area Median Income ("AMI"), as published by the United States Department of Housing and Urban Development ("HUD") and (b) at a rent that does not exceed the maximum affordable rent, adjusted for household size and utilities, at one hundred percent (100%) AMI, for the applicable year as published by HUD.

(b) For a period of seven years from the first date any unit is leased, the Developer must submit an Annual Owner Certification (AOC) documentation to the Department of Planning and Development's Compliance Division by October 31 of each year, including:

(i) The rent roll (which includes tenant's name, current lease period and household composition data);

(ii) Annual Owner's Certification (using the Department's then current form, and including information on number of bedrooms and square footage);

(iii) Completed Tenant Income Certification (TIC) form with required documentation for every unit (do not need to have new forms unless there is a new tenant, or someone has been added to the lease of the current tenant);

(iv) Copy of lease agreement for every unit;

(v) Contact information for the management company; and

(vi) Copy of the original signed Affordable Housing Profile (using the form attached to this Third Amendment as (Sub)Exhibit 3).

(c) If the Developer fails to comply with the affordability requirements set forth in this Section 4, then:

(i) If such noncompliance relates to the two-flat to be developed on the 9230 South Brandon Parcel, then the Developer shall pay the City as damages, and not as a penalty, a dollar amount equal to the appraised fair market value of the 9230 Brandon Parcel at the time the City conveyed such parcel to the Developer, which dollar amount the parties agree is Ten Thousand Dollars ($10,000). If such noncompliance relates to the two-flat to be developed on the 9130 South Burley Parcel and the Private Parcel, then the Developer shall pay the City as damages, and not as a penalty, a dollar amount equal to the appraised fair market value of the 9130 South Burley Parcel at the time the City conveyed such parcel to the Developer, which dollar amount the parties agree is Five Thousand Dollars ($5,000);

(ii) In addition to any other available remedy, the City may seek an injunction or other equitable relief in court to stop any violation of this section and to recover any funds improperly obtained from any rental of a required affordable unit in violation of this section, plus costs and interest at the rate prescribed by law from the date a violation occurred;

(iii) The City may seek such other remedies and use other enforcement powers, as allowed by law. The remedies and enforcement powers established in this section are cumulative, and the City may exercise them in any order.

(iv) Any fines or penalties imposed by the city for a violation of this section, and any fees collected under this section, shall be deposited into the Affordable Housing Opportunity Fund, unless required to be deposited into another fund pursuant to federal or state law, and shall be used and disbursed in accordance with Section 2-25-115(G) of the City's Affordable Housing Ordinance.

Section 5.

Release.

(a) The Current RDA, as amended by this Third Amendment, other than Section 4 of this Third Amendment, shall be automatically released from the 9230 South Brandon Parcel and from the Private Parcel, on the later of the date of the COO, the CCO Letter and the Compliance Letter, for the 9230 South Brandon Parcel and the Private Parcel, respectively, without further action of the parties.

(b) The City and the Developer hereby release the 9130 South Burley Parcel from the Current RDA and this Third Amendment. It is anticipated that the Developer will combine the 9130 South Burley Parcel with the Private Parcel for the purpose of developing a two-flat residential building on the Private Parcel, which development is subject to applicable zoning.

Section 6.

Subsidies.

Notwithstanding anything in the Current RDA to the contrary, the Developer and the City agree that the City shall not provide any subsidies to the Developer with respect to the two-flat buildings to be developed on the 9130 South Burley Parcel, 9230 South Brandon Parcel and the Private Parcel.

Section 7.

Prohibition On Certain Contributions -- Mayoral Executive Order Number 2011-4.

Section 13 of the Second Amendment is deleted in its entirety and the following is substituted for it:

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Third Amendment) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Subowners") and spouses and domestic partners of such Subowners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Third Amendment by Developer, (2) while this Third Amendment or any Other Contract is executor, (3) during the term of this Third Amendment or any Other Contract between Developer and the City, or (4) during any period while an extension of this Third Amendment or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Third Amendment, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 2011-4.

Developer agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order Number 2011-4 constitutes a breach and default under this Third Amendment, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole and absolute discretion, elects to grant such an

opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Third Amendment, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order Number 2011-4 prior to the closing of this Third Amendment, the City may elect to decline to close the transaction contemplated by this Third Amendment.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is: (1) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

1. they are each other's sole domestic partner, responsible for each other's common welfare; and

2. neither party is married; and

3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and

4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

5. two of the following four conditions exist for the partners:

    a. The partners have been residing together for at least 12 months.

    b. The partners have common or joint ownership of a residence.

    c. The partners have at least two of the following arrangements:

i. joint ownership of a motor vehicle;

ii. a joint credit account;

iii. a joint checking account;

iv. a lease for a residence identifying both domestic partners as tenants.

d. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Section 8.

Failure To Maintain Eligibility To Do Business With The City.

Failure by the Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Third Amendment and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

Section 9.

Inspector General And Legislative Inspector General.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

Section 10.

2014 City Hiring Plan.

The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case Number 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Third Amendment are employees or subcontractors of Developer, not employees of the City of Chicago. This Third Amendment is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Third Amendment, or offer employment to any individual to provide services under this Third Amendment, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Third Amendment, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

In the event of any communication to Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City Department utilizing services provided under this Third Amendment. Developer will also cooperate with any inquiries by the OIG.

Section 11.

Counterparts.

This Third Amendment may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

In Witness Whereof, The parties hereto have executed or caused this Third Amendment to be executed as of the date first written above.

THIS INTERGOVERNMENTAL AGREEMENT (the "IGA") is made and entered into effective on the _____day of _____, 2016, ("**Commencement Date**") by and between the **CITY OF CHICAGO,** an Illinois Municipal Corporation and Home Rule Unit of Government (hereinafter referred to as "**Landlord**" or "**City**") and **THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS,** a body corporate and politic of the State of Illinois (hereinafter referred to as "**Tenant**" or "**University**").

RECITALS

WHEREAS, the City is the owner of the real property commonly known as 845 West Wilson Avenue, Chicago, Cook County, Illinois, which is improved with a building ("Building") used as the Uptown Neighborhood Health Clinic; and

WHEREAS, the University wishes to provide HIV primary care services at the Uptown Neighborhood Health Clinic as a delegate agency on behalf of the City's Department of Public Health and the City has an interest in the University operating the clinic; and

WHEREAS, Landlord has agreed to lease to Tenant, and Tenant has agreed to lease from Landlord, approximately 1,500 square feet of clinical and general medical and administrative office space on the second floor of the Building.

NOW THEREFORE, in consideration of the covenants, terms, and conditions set forth herein, the parties agree and covenant as follows:

SECTION 1. GRANT

1.1 Grant. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

> Approximately 1,500 square feet of clinical space on the second floor of the Building, located on that certain parcel of real estate more commonly known as 845 West Wilson Avenue, Chicago, Illinois, PINs 14-17-221-001 through -004, -013 through -015, and -034 (the **"Premises"**), as further depicted on **Exhibit A** attached hereto.

SECTION 2. TERM

2.1 Term. The term of this IGA (the **"Term"**) shall begin on the Commencement Date and shall end on December 31, 2022, unless sooner terminated as set forth in this IGA.

SECTION 3. RENT, TAXES, AND UTILITIES

3.1 Rent. Tenant shall pay base rent for the Premises in the amount of One Dollar ($1.00) for the entire Term, with the receipt and sufficiency of said sum hereby acknowledged by both parties. The term "Rent" as used herein means the base rent of $1.00 plus all other payments due under this IGA of any kind or nature.

3.2 Taxes. Tenant acknowledges that Premises are exempt from leasehold, real estate, and other property taxes. Tenant shall pay when due any leasehold, real estate, and other property taxes assessed or levied on the Premises where attributable to Tenant's use of the Premises, if and only to the extent required by applicable law. Tenant shall pay such amounts and Tenant shall provide Landlord with proof of such payment within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for satisfaction of leasehold, real estate, and other property taxes assessed or levied on the Premises on account of Tenant's use for at least one year after Tenant vacates the Premises. Tenant's failure to pay any such taxes shall constitute a default under this IGA. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or tax levied against the Premises based upon University's status as a public body corporate and politic of the State of Illinois or any other exemption, claim or defense. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this IGA. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this IGA.

3.3 Operating Costs. Tenant shall reimburse Landlord's Operating Costs for the Premises as delineated pursuant to Section 3.3.a below beginning on the Commencement Date as reimbursement for Landlord's costs to operate the Building and the Premises.

a. Calculation of Operating Costs. Tenant shall pay for Operating Costs (as hereinafter defined) incurred by Landlord with regards to Tenant's "Proportionate Use" of the Building. This Proportionate Use shall be based on the square footage leased by Tenant divided by the Building's total square footage. The Building's total square footage is approximately 38,123 square feet and Tenant's leasehold is approximately 1,500 square feet, which comprises 3.93% of the Building's total square footage. "Operating Costs" shall be based on Tenant's 3.93% Proportionate Use. Operating Costs shall include (i) all utilities (including, but not limited to gas, electricity, and water), (ii) security services for the Building (not the Premises), (iii) landscaping and snow removal, (iv) common area maintenance and maintenance of the building envelope, roof, and structural components, (v) maintenance of electrical, plumbing, and HVAC systems, and (vi) Tenant's allocable share of other costs incurred by Landlord in operating and maintaining the Building (excluding (a) any capital repairs or improvements that may be required, (b) repairs required by casualty, or (c) costs that are specific and isolated to other tenants' space within the Building). Tenant shall separately contract for custodial services and other communication services at the Premises. For 2016, Tenant's Operating

Costs are estimated to be, and Tenant shall initially pay, $306.94 per month (subject to subsequent accounting and adjustment which may serve to increase or decrease these estimated Operating Costs for 2016 and/or subsequent years).

b. Reimbursement Procedure. Each calendar year and as soon as Landlord can secure data for the prior year's operating costs, Landlord shall provide Tenant with the estimate the annual estimated Operating Costs for such year. Tenant shall pay to Landlord, one-twelfth (1/12) of such amount in equal monthly installments, on the first day of each month during such year following billing by Landlord. Once full data becomes available, Landlord shall provide Tenant with the actual Operating Costs for the previous year and a statement with reasonable supporting documentation as to whether Tenant has underpaid or overpaid said Operating Costs. In the event Tenant's payments during the previous calendar year are less than the actual Operating Costs due from Tenant, such underpayment shall be included in Tenant's subsequent monthly installment(s) of Operating Costs spread out for the remainder of the year, or, if said underpayment shall have been made in the last year of the Term, Tenant shall refund said underpayment to Landlord within thirty (30) days. If Tenant's installments during the previous calendar year are more than the actual Operating Costs due from Tenant, Landlord shall credit said amount against Tenant's subsequent monthly installment(s) of Operating Costs for the remainder of the year, or, if said overpayment shall have been made in the last year of the Term, Landlord shall refund said overpayment to Tenant within thirty (30) days.

Operating Costs shall be paid to Landlord at the Department of Finance, Warrants for Collection, City Hall, 121 North LaSalle, Room 107, Chicago, Illinois 60602 or at such place as Landlord may from time to time, hereby designate in writing to Tenant. Landlord shall invoice Tenant for such Operating Costs on a monthly basis. In the event that Tenant does not receive such invoice from Landlord, Tenant shall contact Landlord. Landlord's failure to invoice Tenant for Operating Costs or other expenses does not constitute a waiver of any such charges.

3.4 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of the Rent or any amounts due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of Rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment or to pursue any other remedies available to Landlord.

SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS, ADDITIONS, AND SURRENDER

4.1 Satisfaction with Condition. Tenant agrees that Tenant has inspected the Premises and all related areas and grounds and that Tenant is satisfied with the physical condition thereof and accepts the Premises in its "As-Is" condition.

4.2 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the Rent and upon observing and keeping the covenants, agreements, and conditions of this IGA on its part to be kept, observed, and performed, shall lawfully occupy and enjoy the Premises (subject to the provisions of this IGA) during the Term without hindrance or molestation by Landlord.

4.3 Tenant's Duty to Maintain Premises. Tenant shall, at Tenant's expense, keep the Premises in a condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. If Tenant shall refuse or neglect to make needed repairs within fifteen (15) days after written notice thereof sent by Landlord, unless such repair cannot be remedied within fifteen (15) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will, within thirty (30) business days of demand, reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this IGA by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that, except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of the Premises.

4.4 Maintenance of the Building. Landlord shall take reasonable and reasonably prompt efforts to maintain the Building and all of its structural elements and mechanical systems (including the Building envelope, roof, HVAC, plumbing, and electrical systems) in condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. Tenant shall notify Landlord regarding any issues with maintenance of the Building.

4.5 Use of the Premises. Tenant shall use the Premises only as an HIV clinic. Tenant shall not use the Premises in a manner that would violate any laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments (collectively – the "Laws") which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the Laws and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises.

4.6 Alterations, Additions and Improvements. Tenant may not make alterations, additions, or improvements to the Premises without the prior written approval of the Commissioner of the Department of Fleet and Facility Management. All alterations, additions, and improvements shall be in full compliance with the applicable Laws. Landlord shall not be obligated to pay for any alterations, additions, or improvements to the Premises.

SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS

5.1 Assignment and Sublease. Tenant shall not assign this IGA in whole or in part, or sublet or license the Premises or any part thereof, without Landlord's prior written consent.

5.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of Landlord in and to the Premises, nor shall the interest or estate of Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Any claim to, or lien upon, the Premises arising from any act or omission of Tenant shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

5.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and all sums so paid by Landlord shall become immediately due and payable by Tenant, with interest from the date of payment at the rate set at 12% per annum provided that such rate shall not be deemed usurious by any Federal, State, or Local law.

SECTION 6. INSURANCE AND LIABILITY

6.1 Self-Insurance. Tenant shall secure insurance coverages for each of the insurance requirements as incorporated herein under this Section 6 or Tenant may self-insure for the same types and amounts.

6.2 Insurance. Tenant shall procure and maintain at all times, at Tenant's own expense, or cause to be maintained at the expense of service providers, as applicable, at all times during the Term, the insurance coverages and requirements specified below, insuring all operations related to the IGA. The kind and amounts of insurance required are as follows:

(a) Worker's Compensation and Employer's Liability. Workers Compensation as prescribed by applicable law, covering all employees who are to provide a service under

this IGA, and Employer's Liability Insurance with limits of not less than $500,000 each accident, illness or disease.

(b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than $3,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago shall be named as a contracting party under the University's self-insurance program for purposes of this Section 6.2 only. The contracting party coverage shall not have any language under the policy such as, but not limited to, Tenant's sole negligence or the contracting party's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the IGA, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage.

(d) Medical Professional Liability. Medical Professional Liability coverage with limits of not less than $5,000,000 including prior acts coverage, such instances covering Tenant against any claim made against Tenant arising out of a medical incident involving the rendering of or a failure to render professional services, whether caused by an error, omission or act of the Tenant, of any person employed or contracted by Tenant for whose actions or omissions Tenant is legally liable. The policy shall have an extended reporting period of two (2) years. When policies are renewed or replaced the policy retroactive date must coincide with or precede the start of work. Upon City's request, Tenant shall provide City with copies of the professional licenses and/or certificates for each of the professionals performing services in the Premises.

Landlord shall not be responsible for any loss or damage personal property (including, but not limited to materials, equipment, tools and supplies), owned, rented or used by Tenant.

6.3 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this IGA, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the IGA. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in this IGA have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the IGA. The failure of Landlord to obtain certificates or other insurance

evidence from Tenant shall not be deemed to be a waiver by Landlord. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the IGA and the Landlord retains the right to terminate or suspend the IGA until proper evidence of insurance is provided.

The Tenant shall provide for 30 days prior written notice to be given to the Landlord in the event coverage is substantially changed, cancelled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

Tenant hereby agrees that its insurers, and/or Tenant's self-insurance program, shall waive any right of subrogation which any insurer of Tenant may acquire against the Landlord by virtue of the payment of any loss under the insurance. Upon request by Landlord, Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified in this IGA or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the Landlord shall not contribute with insurance provided by Tenant.

The required insurance coverages and limits to be carried shall not be reduced by any limitations expressed in this IGA.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord to the extent of Landlord's loss.

The Tenant must require all contractors or subcontractors to provide the insurance required herein, or Tenant may provide the coverages for contractors or subcontractors. All contractors and subcontractors are subject to the same insurance requirements of Tenant unless otherwise specified in this IGA. Tenant must ensure that Landlord is an additional insured on an Endorsement CG-2010 of the insurance required from contractors and subcontractors.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of IGA.

6.4 Liability. It is understood and agreed that neither party to this IGA shall be legally liable for any negligence or wrongful act either of omission or commission chargeable to the other unless such liability is imposed by law and that this IGA shall not be construed as seeking either to enlarge or diminish any obligation or duty owed by one party against the other or against third parties. Tenant shall be responsible for all loss or damage to business property (including but not limited to materials, equipment, tools and supplies), owned or rented, by Tenant.

SECTION 7. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

7.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago), either direct or indirect, in the Premises. No such official, employee, or member shall participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this IGA.

7.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including, but not limited to, section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

SECTION 8. ADDITIONAL RESPONSIBILITIES OF TENANT

8.1 Custodial Services. Tenant shall provide and pay for custodial services and shall be responsible for keeping the Premises clean and free of debris. Tenant shall provide and pay for any exterminator service whenever such services are reasonably necessary.

8.2 Scavenger/Dumpster Services. Tenant shall provide and pay for scavenger/ dumpster services for the Premises.

Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances, unless approved as part of an alteration, addition, or improvement under this IGA. Tenant shall assume all responsibility for any repairs to the Premises necessitated by the negligence, vandalism, or misuse of the Premises or equipment therein by Tenant's employees, invitees, agents, contractors or clients where Tenant's clients are in the Premises and/or Building to receive services provided by the Tenant.

8.7 Hazardous Substances. Tenant shall not use or store any Hazardous Substances (defined below) on the Premises, except those routinely found in a medical clinic. Tenant shall promptly notify the Landlord if Tenant discovers any Hazardous Substances on the Premises. Tenant shall dispose of all medical wastes at Tenant's cost and in accordance with any applicable Laws. As used in this IGA, the term "Hazardous Substances" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, polychlorinated biphenyls (PCBs), crude oil, any fraction thereof, or refined petroleum products such as oil, gasoline, or other petroleum-based fuels, lead paint, asbestos or asbestos-containing materials, urea formaldehyde, any radioactive material or by-product material, radon and mold. "Environmental Laws" shall mean any and all Laws, permits and other requirements or guidelines of governmental authorities applicable to the Premises and relating to the regulation and protection of human health, safety, the environment, natural resources or to any Hazardous Substances, including without limitation, any Laws requiring the filing of reports and notices relating to Hazardous Substances.

8.8 Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a material breach of the terms of this IGA. Tenant understands that this IGA shall in no way act as a substitute for any other permitting or approvals that may be required to undertake any activities on the Premises.

8.9 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's employees, clients, invitees, contractors, and any other person entering the Premises.

9.11 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month beginning on January 1, 2023 and the Rent shall be at the same rate as set forth in Section 3.1 of this IGA. During such holding over all other provisions of this IGA shall remain in full force and effect.

9.12 Damage or Destruction. Neither party to this IGA, nor any of their respective affiliates, employees, or agents shall be required to make any referrals to the other in connection with this IGA. The parties shall and intend to comply with all applicable laws including but not limited to 42 C.F.R. §1001.952(w).

Each reference in this Lease to any of the fundamental Lease provisions contained in Section 1(a) shall be construed to incorporate all of the terms provided for under such provisions, and such provisions shall be read in conjunction with all other provisions of this Lease applicable thereto. If there is any conflict between any of the fundamental Lease provisions set forth in Section 1(a) and any other provisions of the Lease, the latter shall control.

(c) Exhibits. The following drawings and special provisions are attached hereto as exhibits and hereby made a part of this Lease:

Exhibit A.	Floor Plan of Leased Premises
Exhibit B.	Improvements
Exhibit C.	Rules and Regulations
Exhibit D.	Intentionally Deleted
Exhibit E.	Tenant Information Sheet
Exhibit F.	Move-In and Move-Out Rules and Regulations
Exhibit G.	Certificate of Commencement
Exhibit H.	Disclosures and Affirmations

2. Premises.

(a) Leased Premises. Landlord hereby leases to Tenant, and Tenant hereby rents from Landlord, in its as-is condition, subject to completion of the work set forth in Exhibit B the Leased Premises as specified in Section 1(a)1 located in the building specified in Section 1(a)2 (the "Building") and more fully described on the floor plan attached hereto as Exhibit A and made a part hereof. The Leased Premises shall consist of approximately the square footage of rentable floor space as specified in Section 1(a)3, and has been measured in accordance with the provisions of ANSI/BOMA Z65.1-1996, Standard Method for Measuring Floor Area in Office Buildings.

(b) Tenant's Proportionate Shares. Tenant's proportionate shares of certain expenses hereinafter made payable to Landlord as additional rent is specified in Sections 1(a)5(i) and 1(a)5(ii). Said computation is based upon the ratios of the Rentable Area of Leased Premises to the Total Building Rentable Area and the Rentable Area of Leased Premises to the Total Office Rentable Area. The Proportionate Shares shall be modified during the Lease Term in the event that the Total Building Rentable Area or the Total Office Rentable Area in the Building is modified.

3. Term.

(a) Lease Term. The term of this Lease (sometimes herein called the "Lease Term") shall begin as of the date possession of the Leased Premises is delivered to Tenant by Landlord with the "Landlord's Work" (as defined in Exhibit B attached hereto) having been substantially completed ("Lease Commencement Date"). Subject to sooner termination as herein provided, the Lease Term shall expire at the end of the period specified in Section 1(a)7 unless adjusted as described below ("Expiration Date"). After the Lease Commencement Date, Landlord shall deliver to Tenant a Certificate of Commencement in the form attached hereto as Exhibit G and made a part hereof, which certificate Tenant shall promptly execute and return to Landlord. Tenant's failure to execute and deliver the Certificate of Commencement shall not affect the Lease Commencement Date or the Expiration Date. The first "Lease Year" shall be the twelve (12) month period which commences on the Lease Commencement Date, provided, however, if the Lease Commencement Date is not on the first day of a calendar month, the first Lease Year shall commence on the Lease Commencement Date and shall expire on the last day of the twelve (12) month period which commences on the first day of the first full calendar month after the Lease Commencement Date. Each subsequent Lease Year shall be the twelve (12) month period commencing on the annual anniversary of the first day of the first full calendar month of the first Lease Year. The Leased Premises shall be deemed to have been substantially completed when the work and materials to be provided pursuant to Exhibit B [except for items of work and adjustment of equipment and fixtures that can be completed after the Leased Premises are occupied without causing substantial interference with Tenant's use of the Leased Premises (i.e., the "punch list" items)] have been completed, as reasonably determined by Landlord.

(b) Inability to Deliver Possession. If Landlord should be unable to deliver possession of the Leased Premises on the Anticipated Commencement Date because (i) on the Anticipated Commencement Date a prior tenant or occupant is holding over or retaining possession of the Leased Premises, or (ii) repairs, improvements, or decoration of the Leased Premises or the Building are not completed, or (iii) of any other reason, then Landlord shall not be subject to any liability for failure to give possession on the Anticipated Commencement Date. Under any of the aforesaid circumstances, the rent covenanted to be paid herein shall not commence and the Lease Commencement Date shall not occur until possession of the Leased Premises is tendered to the Tenant. No such failure to give possession of the Leased Premises to Tenant on the Anticipated Commencement Date shall in any other respect operate to affect the validity of this Lease or the obligations of the Tenant hereunder, nor shall the same be construed to modify the Lease Term, which in all events shall be the number of years and months set forth in Section 1(a)7; provided, however, that if Landlord shall not have tendered possession of the Leased Premises to Tenant within three (3) months after the Anticipated Commencement Date, then Landlord or Tenant may terminate this Lease by written notice to the other. In such event, Landlord shall refund any security deposit and advance rental payment theretofore paid by Tenant, and the parties shall thereupon be relieved of any and all liability hereunder. If permission is given to the Tenant to enter into possession of the Leased Premises prior to the Lease Commencement Date, Tenant covenants and agrees that such occupancy shall be deemed to be under all the terms, covenants, and conditions of the provisions of this Lease.

(c) Acceptance of Leased Premises. Landlord shall deliver, and Tenant agrees to accept, possession of the Leased Premises in accordance with Exhibit B. Occupancy of the Leased Premises or any portion thereof by Tenant or anyone claiming through or under Tenant for the conduct of Tenant's or such other person's

business therein shall be conclusive evidence that Tenant and all parties claiming through or under Tenant (i) have accepted the Leased Premises or such portion (x) as suitable for the purpose for which the Leased Premises are leased hereunder, and (y) as complying with all requirements of Tenant with respect to the condition, order and repair thereof as required by the terms of this Lease, (ii) have accepted the common areas as being in good and satisfactory condition, and (iii) have waived any defects in the Leased Premises. Notwithstanding anything herein to the contrary, Landlord shall be responsible, at Landlord's sole cost and expense, for repair and maintenance of any hidden or latent defects in connection with Landlord's Work, provided Tenant notifies Landlord in writing of such defect within six (6) months of the Lease Commencement Date.

(d) Early Access. Tenant and its contractors shall be allowed access to the Leased Premises approximately fourteen (14) days prior to the Lease Commencement for the purpose of installing Tenant's communication and data equipment and associated wiring, and such installations shall not be considered the commencement of beneficial use of the Leased Premises by Tenant. Any and all installations and other related activity by Tenant or its contractors prior to the Commencement Date shall be coordinated with Landlord and its general contractor at least 48 hours in advance to insure that Tenant's work in and to the Premises does not interfere with the work being performed by Landlord and its contractors. Notwithstanding anything herein to the contrary, neither Tenant nor its agents shall have access to the Premises during such times specified by Landlord as times that Landlord or its general contractor reasonably determine are likely to cause delay or interference with the activities of or on behalf of Landlord in the Premises. All terms and conditions of this Lease, including, without limitation, the insurance, release and waiver of liability provisions hereof shall apply to and be effective during such period of occupancy by Tenant, except for Tenant's obligation to pay rent.

(e) Delay. If Landlord shall be delayed in completing the Landlord's Work as a result of (1) Tenant's failure to execute this Lease and/or select all finishes in connection with Landlord's Work by June 1 2016 or Tenant's failure to comply with any other requirements of this Lease, (2) Tenant's request for modifications to Exhibit A or the plans and specifications for Landlord's Work subsequent to the date such Exhibit A, plans and specifications are approved by Landlord, (3) Tenant's failure to pay when due any amount required pursuant to this Lease, (4) Tenant's request for long lead time materials, finishes or installations, (5) Tenant's failure to respond to requests for information from Landlord or its contractor within the reasonable time period indicated on such request [but never fewer than one (1) business day], or (6) the performance of any work, or the entry into the Leased Premises, by Tenant or any person or firm employed or retained by Tenant, then (i) such delay shall be a "Tenant Delay", and (ii) for purposes of determining the Lease Commencement Date, Landlord's Work shall be deemed to have been substantially complete as of the date that Landlord's Work would have been completed but for such Tenant Delay.

(f) Landlord's Right to Terminate. In the event Landlord elects to remodel or demolish the Building, Landlord shall have the right, upon nine (9) months prior written notice to Tenant (the "Termination Notice"), to terminate this Lease effective anytime on or after December 31, 2026. Landlord shall not send the Termination Notice before March 31, 2026.

(g) Tenant's Right to Terminate. Tenant shall have the right, at Tenant's sole option, to terminate this Lease after the last day of the 29th month of the Lease Term (the "Early Termination Date"). Such termination shall be effective only so long as (a) Tenant provides Landlord with written notice of termination on this Lease (the "Termination Notice") not later than nine (9) full months prior to the Early Termination Date (the "Termination Notice Date"), and (b) on or before the Termination Notice Date, Tenant pays to Landlord, in immediately available Federal funds, the "Termination Fee" (as hereinafter defined). As used herein, "Termination Fee" shall mean the sum of: (i) the product of (x) the monthly installment of Base Annual Rent and all Additional Rent that would be payable by Tenant for the entire calendar month in which the Early Termination Date occurs, multiplied by (y) two (2); and (ii) the then unamortized costs that were incurred by Landlord in connection with this Lease (collectively, the "Transaction Costs"), including, without limitation, the cost of designing, constructing and building the Leasehold Improvements, brokerage fees and commissions, attorneys' fees, and the value of any concessions that were granted to Tenant as part of the Lease. The Transaction Costs shall be amortized in equal monthly installments over the initial five (5) year, three (3) month term of this Lease. Payment of the Termination Fee shall be due fifty (50%) percent upon Tenant's written notice to Landlord and the remaining fifty (50%) percent thirty (30) days prior to the Early Termination Date. In the event Tenant shall exercise its option to terminate this Lease as aforesaid, Tenant shall surrender the Leased Premises to Landlord pursuant to the applicable provisions of this Lease on the Early Termination Date, and the parties shall thereupon be relieved of any further liability under this Lease. Notwithstanding the foregoing, at

Landlord's option, Tenant's exercise of the option to terminate shall become null and void in the event Tenant shall be in default under the Lease between the exercise of such option and the Early Termination Date.

(h) Option to Renew.

(i) Subject to the satisfaction of the conditions precedent set forth in Section (ii) below, Tenant shall have the one time right, at its option, to extend the term of this Lease for one (1) additional period of five (5) consecutive years, commencing on the first day after the expiration of the initial term. Such extension option shall be exercisable by Tenant giving written notice to Landlord of the exercise of such option at least nine (9) months, prior to the expiration of the then current term of this Lease; and, upon the exercise of such extension option, the expiration date of the term of this Lease shall automatically be extended accordingly. The initial base rent for such extension option period shall be 100% of the then current market rate. Landlord shall also provide Tenant with all concessions then being offered for renewal deals in the Washington, DC market area. Operating Expenses and Costs and Minimum Real Estate Taxes shall be updated with the then current base year. With respect to such extension option, in the event that (A) the Tenant shall fail to exercise the same strictly within the time period and in the manner set forth above, and/or (B) at the time hereinabove specified for the exercise of such option, all conditions precedent set forth in Section (ii) below shall not have been satisfied, then such extension option and any and all subsequent extension option that Tenant may otherwise have shall automatically expire and be absolutely void and of no force and effect. Should the Building be remeasured based on the then-current industry standards, prior to the extension option being exercised, Landlord reserves the right to make the necessary changes to Paragraphs 1(a)3 and 1(a)5 in this Lease.

(ii) The extension option granted to Tenant in Section (i) above shall be void and of no force and effect unless, at the time above specified for exercising such option, each and every one of the following conditions precedent shall have been fully satisfied: (A) This lease shall be in full force and effect; (B) Tenant shall be in possession of Leased Premises and shall be regularly conducting its normal operation therein; and (C) Tenant shall not be in default (beyond any applicable grace period granted in the Lease for curing the same) in the performance or observation of any of the terms; provisions, covenants and/or conditions of the Lease.

4. Permits. Tenant shall be responsible for obtaining all permits or licenses necessary for its lawful occupancy of the Leased Premises. This requirement shall not relieve Tenant of its liability for Minimum Annual Rent from the Lease Commencement Date in the event all of said permits have not been acquired prior thereto. Tenant shall provide Landlord with a copy of its Certificate of Occupancy within sixty (60) days of Landlord's delivery of possession.

5. Rent.

(a) Minimum Annual Rent.

(i) The Minimum Annual Rent reserved hereunder shall be as specified in Section 1(a)9 which shall be payable by Tenant to the Landlord at Landlord's address specified in Section 1(a)(20) above, or such other place as Landlord may designate, during each Lease Year of the Lease Term in equal monthly installments of Basic Monthly Rent each as specified in Section 1(a)9, due in advance, without notice or demand, and without set-off, deduction, recoupment or abatement of any kind, on the first day of each and every calendar month thereafter during the term, except that the first installment of Basic Monthly Rent shall be paid upon the execution hereof and shall be applied to the first installment of Basic Monthly Rent due hereunder (i.e., after the expiration of the Rent Abatement Period).

(ii) In the event that the Lease Term commences on a day other than the first day of a calendar month or ends on a day other than the last day of a calendar month, then the Basic Monthly Rent for such periods shall be computed on a per diem basis by dividing the Basic Monthly Rent by thirty (30). Rent shall be paid to Landlord (or its agent) as specified in Section 1(a)8, or to such other persons or at such other address as Landlord may designate from time to time.

(iii) Tenant represents that Tenant's budget office does not provide funding for January rent payments until the end of January of each year. Accordingly, notwithstanding anything to the contrary, so long as Tenant pays the Basic Monthly Rent and Additional Rent (as defined below) with respect to each January during the

Lease Term on the first day of the following February, then Tenant shall not be considered in default for failing to pay Basic Monthly Rent and/or Additional Rent on January 1st.

(b) Adjustments to Minimum Annual Rent. On the first day of the second Lease Year, and on the first day of each Lease Year thereafter during the Lease Term, the Minimum Annual Rent (then in effect) shall be increased in accordance with the provisions of Section 1(a)9 of this Lease.

(c) Additional Rent.

(i) General. Whenever it is provided by the terms of this Lease that Tenant is required to make any payment to Landlord other than of Minimum Annual Rent, such payment shall be deemed to be additional rent ("Additional Rent"). Unless otherwise expressly specified herein, Additional Rent shall be paid by Tenant with the installment of Basic Monthly Rent thereafter falling due, without notice or demand, and without set-off, deduction or abatement of any kind. As used herein, the "Operating Expenses" shall mean any and all expenses incurred by Landlord in connection with owning, managing, operating, maintaining, servicing, insuring and repairing the Building and the land hereunder and other related exterior appurtenances, including but not limited to: (1) wages and salaries of all employees engaged in the management, operation or maintenance of the Building, including taxes, insurance and benefits relating hereto; (2) all supplies, materials, equipment and tools used in the operation or maintenance of the Building; (3) cost of all maintenance and service agreements for the Building and the equipment therein, including but not limited to controlled access and energy management services, window cleaning, elevator maintenance, char and cleaning supplies; (4) cost of all insurance relating to the Building, including, without limitation, the cost of casualty, liability and rent loss insurance applicable to the Building and Landlord's personal property used in connection therewith; (5) general and special repairs and maintenance; (6) management fees; (7) legal, accounting, auditing and other professional fees; (8) the cost of any additional services not provided to the Building at the Lease Commencement Date of the Lease Term, but thereafter provided by Landlord in the prudent management of the Building including without limitation, the costs incurred to operate any shared conference facilities or other common area amenities; (9) reasonable reserves for replacements, repairs and contingencies; (10) intentionally deleted; (11) costs for utility services such as electricity, gas and/or oil, water and sewage, including the cost of heating and cooling the Building; (12) the cost of any capital improvements or alterations made to the Building after the Lease Commencement Date, that reduce other operating expenses, or which are required under any governmental law or regulation that was not applicable to the Building at the Lease Commencement Date, such cost to be amortized over such reasonable period as Landlord shall determine, together with interest on the unamortized balance at the rate paid by Landlord on funds borrowed for the purposes of constructing said capital improvements (or, in the event that Landlord elects not to borrow funds to construct such capital improvements, at the rate that the Landlord would have paid had it borrowed funds for the purpose of constructing said improvements); (13) transportation district fees, parking district fees, and the cost of other amenities required by law; (14) cost of Building office expenses, including telephone, rent, stationery and supplies; (15) costs of all elevator maintenance and operation; (16) cost of providing security; (17) cost of providing garbage and snow removal and pest control; (18) cost of decoration of common areas; (19) cost of landscaping; (20) costs and fees charged and/or assessed in connection with any business improvement district that is applicable to the Building. Notwithstanding anything in this Lease to the contrary, the preceding list is for definitional purposes only and shall not impose any obligation upon Landlord to incur such expenses or provide such services. Notwithstanding anything to the contrary herein, the cost of electricity, gas, water and sewer and char service for all calendar months during which the average percentage occupancy of the Building falls below one hundred percent (100%) shall be "grossed up" to amounts that approximate such costs as if the Building was one hundred percent (100%) occupied for those months. Notwithstanding the above, Operating Expenses shall not include the Operating Costs listed in the next paragraph below.

(iii) Operating Costs. Commencing on the anniversary of the Lease Commencement Date, and continuing throughout the Lease Term, Tenant shall pay to Landlord, as Additional Rent, its Proportionate Share of Total Office Rentable Area as set forth in Section 1(a)5(ii) of any increase in the Operating Costs incurred by

Landlord in the operation of the Building during any calendar year over the Minimum Operating Costs Amount specified in Section 1(a)14(ii). As used herein, the "Operating Costs" shall mean the cost of (1) char service, cleaning supplies and trash removal except to the extent such services are also provided to the retail tenants in the Building (and classified as Operating Expenses); (2) electricity, gas and/or oil for the Building (unless and to the extent shared by retail tenants and therefore classified as Operating Expenses); (3) elevator maintenance and operations except to the extent the elevators service the retail tenants in the Building (and therefore classified as Operating Expenses); and (4) certain of repairs and maintenance that benefit the rentable area of the office portion of the Building while providing no significant benefit to the rentable area of the retail portion of the Building. Notwithstanding anything in this Lease to the contrary, the preceding list is for definitional purposes only and shall not impose any obligation upon Landlord to incur such expenses or provide such services. Notwithstanding anything to the contrary herein, the cost of electricity, gas, water and sewer and char service for all calendar months during which the average percentage occupancy of the Building falls below one hundred percent (100%) shall be "grossed up" to amounts that approximate such costs as if the Building was one hundred percent (100%) occupied for those months.

Notwithstanding anything to the contrary contained herein, Operating Expenses and Operating Costs shall not include the following:

(1) Payments of principal or other finance charges made on any debt, or the amortization of funds borrowed by Landlord;

(2) Ground rent or other payments made under any ground lease or underlying lease (excepting amounts paid for Real Estate Taxes required thereunder);

(3) All other expenses incurred in connection with negotiations with tenants or prospective tenants, brokers, prospective purchasers or mortgagees of the Building including also any costs or expense incurred by Landlord in order to complete the Initial Improvements;

(4) Costs of painting, redecorating, or other services or work performed for the benefit of another tenant, prospective tenant or occupant (other than for common areas);

(6) Salaries, wages, or other compensation or benefits paid to employees above the grade level of property manager;

(8) Costs and expenses relating to administering the affairs of the ownership entity of Landlord which are unrelated to the maintenance, management or operation of the Building, including, but not limited to, maintaining Landlord's existence, either as a corporation, partnership or other entity;

(9) Costs of repairs, restoration, replacements or other work occasioned by (A) fire, windstorm or other casualty (whether such destruction be total or partial) and (B) the exercise by governmental authorities of the right of eminent domain (whether such taking be total or partial);

(12) All amounts which would otherwise be included in Operating Expenses and/or Operating Costs which are paid to any affiliate or subsidiary of Landlord, or any representative, employee or agent of same but only to the extent the costs of such services exceed the competitive rates for similar services of comparable quality rendered by persons or entities of similar skill, competence and experience.

(iv) Real Estate Taxes. Commencing on the anniversary of the Lease Commencement Date, Tenant shall pay to Landlord, as Additional Rent, its Proportionate Share as set forth in Section 1(a)5(i) of any increase in the Real Estate Taxes (as hereinafter defined) over the Minimum Real Estate Taxes specified in Section 1(a)15. The term "Real Estate Taxes" shall mean all taxes and assessments, general and special, ordinary and extraordinary, foreseen and unforeseen, now or hereafter assessed, levied or imposed upon the Building, and the land on which it is built, including, without limitation, vault fees and charges, arena taxes, front foot benefit charges and adequate public facility costs and assessments, together with (i) any tax, assessment, or other imposition in the nature of a real estate tax, (ii) any ad valorem tax on rent or any tax on income if imposed in lieu of or in addition to real estate taxes and assessments, and (iii) any taxes and assessments which may hereafter be substituted for real estate taxes, including by way of illustration only, any tax, assessment or other imposition (whether a business rental or other tax) now or hereafter levied upon Landlord for Tenant's use or occupancy of or conduct of business at the Leased Premises, or Tenant's improvements to or furniture, fixtures or equipment in the Leased Premises. In the event that Landlord elects to contest Real Estate Taxes, then reasonable expenses incurred by Landlord in obtaining or attempting to obtain a reduction of any Real Estate Taxes shall be added to and included in Real Estate Taxes. The Real Estate Taxes for any calendar year shall mean the Real Estate Taxes actually paid or due to be paid during such calendar year, whether such Real Estate Taxes relates to such calendar year or a fiscal year. Real Estate Taxes which are being contested by Landlord shall nevertheless be included for purposes of the computation of the liability of Tenant under this Section. Real Estate Taxes shall not include any federal, state or local tax or income or any inheritance, estate, succession, transfer, gift, franchise or corporation tax, nor shall real estate taxes include any interest or penalties. Landlord shall have no obligation to contest, object or litigate the levying or imposition of the Real Estate Taxes and may settle, compromise, consent to, waive, or otherwise determine in its discretion the Real Estate Taxes without consent or approval of Tenant.

(v) Landlord's Enforcement Costs. Additional Rent shall include any and all expenses incurred by Landlord, including reasonable attorneys' fees, for the collection of monies due from Tenant and the enforcement of Tenant's obligations under the provisions of this Lease. When Landlord, at Tenant's expense, performs an obligation of Tenant pursuant to the terms of this Lease, the costs and expenses (including overhead) incurred by Landlord in performance of such obligations shall be Additional Rent.

(d) Additional Rent Estimates and Adjustments.

(i) In order to provide for current monthly payments of Additional Rent, Landlord shall submit to Tenant before the beginning of each calendar year a written statement of Landlord's estimate of the amount of the increases described in Sections 5(c)(ii), 5(c)(iii) and 5(c)(iv) above, together with the amount of Tenant's Additional Rent which is estimated to result from such increases. Tenant shall pay each month one-twelfth (1/12th) of Tenant's Proportionate Shares [as described in Sections 1(a)5.(i) and (ii)] of Landlord's estimate of the increase in such year of (A) Operating Expenses over the Minimum Operating Expenses, (B) Operating Costs over the Minimum Operating Costs, and (C) Real Estate Taxes over the Minimum Real Estate Taxes. Landlord may revise its estimate of Operating Expenses, Operating Costs or Real Estate Taxes at any time during a calendar year by written notice to Tenant, setting forth such revised estimate and Tenant's Proportionate Shares of the estimated increases in Operating Expenses, Operating Costs and/or Real Estate Taxes. In such event, all monthly payments made by Tenant after such notice shall be in an amount calculated on the basis of such revised estimate. Tenant shall, in all cases, continue to make monthly payments of Operating Expenses, Operating Costs and Real Estate Taxes Based on the last estimate received from Landlord until it receives a revised or updated estimate.

(ii) If payment of Additional Rent begins on a date other than January 1st under this Lease, in order to provide for current payments of Additional Rent through December 31st of that partial calendar year, Landlord shall submit to Tenant a statement of Landlord's estimate of Tenant's Additional Rent for that partial year, stated in monthly increments, resulting from the charges described in Sections 5(c)(ii), 5(c)(iii) and 5(c)(iv) above. Tenant shall make the monthly incremental payments of estimated Additional Rent together with its installments of Basic Monthly Rent.

(iii) After the end of each calendar year, Landlord will as soon as reasonably practicable submit to Tenant a statement of the actual increases incurred in (a) Operating Expenses for the preceding calendar year over the Minimum Operating Expense Amount, (b) Operating Costs for the preceding calendar year over the Minimum Operating Costs Amount, and (c) Real Estate Taxes for the preceding calendar year over the Minimum Real Estate Taxes. Tenant shall pay Landlord the amounts indicated, if any, within thirty (30) days of Tenant's receipt of such statement. If the amounts paid by Tenant during the previous year exceeded Tenant's Proportionate Share of actual Operating Expenses, Operating Costs and/or Real Estate Taxes increases for the year, the excess shall be credited toward payment of the next installment of Basic Monthly Rent to be paid by Tenant after Tenant receives said statement from Landlord. If the amount paid by Tenant during the last calendar year of the Lease Term exceeds Tenant's Proportionate Share of actual Operating Expenses, Operating Costs and/or Real Estate Taxes increases for such year, Landlord shall pay Tenant the excess amount within thirty (30) days after Landlord's submission to Tenant of the aforesaid operating charge statement for such calendar year.

(iv) Within ten (10) days after receipt of Landlord's statement showing actual figures for the year, Tenant shall have the right to request a detailed statement of Operating Expenses and Operating Costs prepared by Landlord and copies of Real Estate Tax bills, which shall be supplied to Tenant within a reasonable time after Tenant's written request. No such request shall extend the time for payments as set forth in Section 5(c) or Section 5(d)(iii) above. Unless Tenant asserts specific error(s) and supports such errors, in writing, within fifteen (15) days after Landlord has complied with Tenant's request, Tenant shall waive the right to contest the statement of actual figures for the year submitted by Landlord. If it shall be determined that there is an error in Landlord's statement, Tenant shall be entitled to a credit for any overpayment. Any payment, refund or credit made pursuant to Section 5(c) or 5(d) shall be made without prejudice to any right of Tenant to dispute, or of Landlord to correct, any item(s) as billed pursuant to the provision hereof; provided, however, such right to correct or adjust rental payments shall terminate at the expiration of two (2) years after the date any payment shall have become due.

(e) Payment of Rent. In the event Minimum Annual Rent or Additional Rent is not paid when the same is due, a late charge equal to the greater of One Hundred Fifty Dollars ($150.00) or five percent (5%) of the delinquent amount shall be assessed as liquidated damages for the additional administrative charges incurred by Landlord as a result of such late payment. In addition, if any Minimum Annual Rent or Additional Rent is not paid within five (5) days after the same is due, Landlord may, at its option, charge interest thereon at fifteen percent (15%) per annum or the highest legal rate, whichever is lower ("Default Rate") from the due date until the date received by Landlord. No payment by Tenant or receipt by Landlord of lesser amounts of rent than those herein stipulated shall be deemed to be other than on account of the earliest unpaid stipulated rent. No endorsement or statement on any check or any letter accompanying any check or payment as rent shall be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such rent or pursue any other remedy provided in this Lease. If Landlord receives from Tenant (i) a bounced check, Tenant shall reimburse Landlord, as Additional Rent, for all costs incurred by Landlord in connection with such bounced check, and (ii) two or more returned or "bounced" checks in any twelve (12) month period, Landlord may require all future rent by cashier's or certified check.

(f) Survival of Rent Obligation. The obligation of Tenant with respect to the payment of outstanding Minimum Annual Rent or Additional Rent shall survive the termination of this Lease or assignment thereof.

6. Security Deposit. Tenant has deposited with Landlord simultaneously with the execution of this Lease, the amount stipulated in Section 1(a)13 as a deposit (the "Security Deposit") to secure the prompt performance of Tenant's obligations hereunder. The Security Deposit may be commingled with Landlord's general funds, if permitted by law. Landlord shall have the right, but shall not be obligated, to apply all or any portion of the Security Deposit to cure any default, in which event Tenant shall be obligated to deposit with Landlord the amount necessary to restore the Security Deposit to its original amount within five (5) days after written notice from Landlord. To the extent not forfeited or otherwise used as provided herein, and provided the Leased Premises are vacated in good condition, reasonable wear and tear excepted, as described in Section 15 of this Lease, the Security Deposit shall be returned, without interest, to Tenant within forty-five (45) days after the termination of this Lease.

Landlord shall deliver the Security Deposit to the purchaser or any assignee of Landlord's interest in the Leased Premises or the Building, whereupon Landlord shall be discharged from any further liability with respect to the Security Deposit. This provision shall apply also to any and all subsequent transferors of Landlord's interest in this

Lease. If Tenant fails to take possession of the Leased Premises as required by this Lease, the Security Deposit shall not be deemed liquidated damages and Landlord's use of the Security Deposit pursuant to this Section 6 shall not preclude Landlord from recovering from Tenant all additional damages incurred by Landlord.

7. Use of Leased Premises.

(a) Use. Tenant shall use and occupy the Leased Premises for the singular purpose specified in Section 1(a)(12) and for no other purpose whatsoever, and only in accordance with the uses permitted under applicable zoning and other municipal regulations. Tenant shall not use or permit the Leased Premises to be used for any other purpose or purposes without the prior written consent of Landlord, which consent may be granted or withheld in its sole and absolute discretion. Notwithstanding anything in this Lease to the contrary, in no event shall Tenant use or permit any party to use any portion of the Leased Premises for any of the following purposes: (i) training or instruction facility; (ii) classroom; (iii) data center; (iv) telemarketing or call center; (v) sales order center; or (vi) conference facility.

(b) Compliance. Tenant shall, at Tenant's sole expense, after Landlord has delivered the Leased Premises with all Improvements, as described below, having been substantially completed (i) comply with all laws, orders, ordinances, and regulations of federal, state, county and municipal authorities having jurisdiction over the Leased Premises, (ii) comply with any directive, order or citation made pursuant to law by any public officer requiring abatement of any nuisance or which imposes upon Landlord or Tenant any duty or obligation arising from Tenant's occupancy or use of the Leased Premises, or from conditions which have been created by or at the request or insistence of Tenant, or required by reason of a breach of any of Tenant's obligations hereunder or by or through other fault of Tenant ; (iii) comply with all insurance requirements applicable to the Leased Premises; and (iv) cause the Leased Premises to comply with the Americans With Disabilities Act of 1990, 42 U.S.C.12101 et seq., as amended from time to time (the "ADA") and all rules and regulations promulgated to further the purpose of the ADA. If Tenant receives notice of any such directive, order, citation or of any violation of any law, order, ordinance, regulation or any insurance requirement, Tenant shall promptly notify Landlord in writing of such alleged violation and furnish Landlord with a copy of such notice. Except as provided herein with respect to the Landlord's Work, in furtherance of the foregoing, and provided Tenant shall first have obtained Landlord's prior written consent in accordance with the provisions of Section 13 of the Lease (which Tenant agrees to promptly request), Tenant shall, at Tenant's sole cost and expense, make such changes, alterations, renovations or modifications to the Leased Premises in accordance with the provisions of Section 13 of the Lease (except for structural repairs) which are necessitated or required by any such law, ordinance, rule, regulation, directive or insurance requirement. Landlord, at its sole cost and expense (except to the extent properly included in Operating Expenses or Operating Costs), shall be responsible for correcting any violations of Title III of the Americans with Disabilities Act with respect to the Leased Premises and the Common Areas of the Building, provided that Landlord=s obligation with respect to the Leased Premises shall be limited to violations that arise out of the Landlord Work and/or condition of the Leased Premises prior to the installation of any furniture, equipment and other personal property of Tenant. Notwithstanding the foregoing, Landlord shall have the right to contest any alleged violation in good faith, including, without limitation, the right to apply for and obtain a waiver or deferment of compliance, the right to assert any and all defenses allowed by law and the right to appeal any decisions, judgments or rulings to the fullest extent permitted by law. Landlord, after the exhaustion of any and all rights to appeal or contest, will make all repairs, additions, alterations or improvements necessary to comply with the terms of any final order or judgment. Notwithstanding the foregoing, Tenant, not Landlord, shall be responsible for the correction of any violations that arise out of or in connection with any claims brought under any provision of the Americans with Disabilities Act other than Title III, the specific nature of Tenant's business in the Leased Premises (other than general office use), the acts or omissions of Tenant, its agents, employees or contractors, Tenant's arrangement of any furniture, equipment or other property in the Leased Premises, any repairs, alterations, additions or improvements performed by or on behalf of Tenant (other than the Landlord Work) and any design or configuration of the Leased Premises specifically requested by Tenant after being informed that such design or configuration may not be in strict compliance with the ADA.

(i) Legal. Tenant shall not use or permit the Leased Premises or any part thereof to be used in violation of any present or future applicable law, regulation or ordinance, or of the certificate of occupancy issued for the Building or the Leased Premises, and shall immediately discontinue any use of the Leased Premises which is declared by any governmental authority having jurisdiction to be in violation of law or said certificate of occupancy. Tenant will not use or permit the Leased Premises to be used for any purposes that interfere with the use

and enjoyment of the Building by Landlord or the other tenants, or which violate the requirements of any insurance company insuring the Building or its contents, or which, in Landlord's sole discretion, impair the reputation of the Building. Tenant shall refrain from and discontinue such use immediately upon receipt of written notice from Landlord.

(ii) Fire and Safety. Tenant shall not do, or permit anything to be done in the Leased Premises, or bring or keep anything therein, which will in any way increase the rate of fire insurance on the Building, or invalidate or conflict with fire insurance policies on the Building, fixtures or on property kept therein. Tenant agrees that any increases of fire insurance premiums on the Building or contents caused by the occupancy of Tenant and any expense or cost incurred in consequence of negligence or the willful action of Tenant, Tenant's employees, agents, servants, invitees, or licensees shall be deemed Additional Rent and paid as accrued.

(c) Environmental Protection. Tenant and Tenant's employees, contractors and agents shall not dispose of, generate, manufacture, store treat or use any oil, petroleum or chemical liquids or solids, liquid or gaseous products or any hazardous waste or hazardous substance including, without limitation, asbestos (hereinafter collectively referred to as "hazardous waste"), as those terms are used in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, or in any other federal, state or local law governing hazardous substances (hereinafter collectively referred to as the "Act"), as such laws may be amended from time to time at, upon, under or within the Leased Premises or the Building or the land on which it is built, or into the plumbing or sewer or water system servicing the Leased Premises or the Building, nor shall Tenant, its employees or agents cause or permit the discharge, spillage, uncontrolled loss, seepage or filtration of any hazardous waste at, upon, under or within the Leased Premises or the Building or the land or into the plumbing or sewer or water system servicing the same. Tenant shall comply in all respects with the requirements of the Act and related regulations, and shall notify Landlord immediately in the event of its discovery of any hazardous waste at, upon, under or within the Leased Premises or the Building or the land, or of any notice by a governmental authority or private party alleging that a disposal of hazardous waste on or near the Leased Premises may have occurred. Tenant further agrees to provide Landlord full and complete access to any documents or information in Tenant's possession or control relevant to the question of the generation, treatment, storage or disposal of hazardous waste on or near the Leased Premises.

(d) Indemnification. Tenant shall indemnify Landlord against all costs, expenses, liabilities, losses, damages, injunctions, suits, fines, penalties, claims, and demands, including, without limitation, diminution in the value of the land, the Leased Premises or the Building, damages for the loss or restriction on use of rentable or usable space or of any amenity of the land, the Leased Premises or the Building, damages arising from any adverse impact on marketing of space on the land or in the Leased Premises or the Building and reasonable attorneys' fees, arising out of Tenant's violation of or default in the covenants of this Section 7. The provisions of Sections 7(b) and (c) and this Section 7(d) shall survive the expiration of the Lease Term. This indemnification of Landlord by Tenant also shall include, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal, or restoration work required by any federal, state or local governmental agency or political subdivision because of hazardous waste present in the soil or ground water on or under the land or the Building. Without limiting the foregoing, if the presence of any hazardous waste on the land, the Leased Premises or the Building caused or permitted by Tenant results in any contamination of the land, the Leased Premises or the Building, Tenant shall promptly take all actions at its sole expense as are necessary to return the land, the Leased Premises and/or the Building to the condition existing prior to the introduction of any such hazardous waste to the land, the Leased Premises and/or the Building; provided that Landlord's written approval of such actions shall first be obtained, which approval shall not be unreasonably withheld so long as such actions would not potentially have any material adverse long-term or short-term effect on the land, the Leased Premises or the Building.

(e) Moving and Deliveries. No freight, furniture or other bulky matter of any description shall be received into the Building or carried in the elevators, except at times and by routes authorized by Landlord. Tenant shall give Landlord at least forty-eight (48) hours telephonic notice prior to moving any freight, furniture or other bulky material into or out of the Building. All moving of furniture, material and equipment shall be under the direct control and supervision of Landlord, who shall, however, not be responsible for any damage to or charges for moving same. Tenant shall promptly remove from the public areas within or adjacent to the Building any of Tenant's property delivered or deposited there, and shall be responsible for any damage to the Building or the Leased Premises caused by its moving and deliveries. Landlord may repair any such damage at Tenant's expense, and Tenant shall pay the cost therefor to Landlord upon demand as Additional Rent.

(f) Excessive Floor Load. Landlord shall have the right to prescribe the weight and method of installation and position of safes or other heavy fixtures or equipment. Tenant will not, without Landlord's prior written approval, install in the Leased Premises any fixtures, equipment or machinery that will place a load upon the floor exceeding the designed floor load capacity. Tenant shall be liable for all damage done to the Building by installing or removing a safe or any other article of Tenant's office equipment, or due to its being in the Leased Premises. Landlord shall repair any such damage at Tenant's expense, and Tenant shall pay the cost therefor to Landlord upon demand, as Additional Rent.

8. Taxes on Tenant's Property. Tenant shall be liable for, and shall pay at least ten (10) days before delinquency, all taxes levied against any personal property or trade fixtures placed by Tenant in or about the Leased Premises. If any such taxes on Tenant's personal property or trade fixtures are levied against Landlord or Landlord's property, or if the assessed value of the Leased Premises is increased by the inclusion therein of a value placed upon such personal property or trade fixtures of Tenant, and if Landlord, after written notice to Tenant, pays the taxes Based upon such increased assessments (which Landlord shall have the right to do regardless of the validity thereof, but under protest if requested by Tenant), Tenant shall upon demand repay to Landlord a sum equal to the taxes levied against Landlord or the portion of such taxes resulting from such increase in the assessment; provided that, in any such event, Tenant shall have the right, at Tenant's sole cost and expense, to bring suit to recover the amount of any such taxes so paid under protest, and any amount so recovered shall belong to Tenant.

9. Rules and Regulations. Tenant covenants on behalf of itself, its employees, agents, licensees and invitees to comply with the rules and regulations set forth in Exhibit C, which is attached hereto and made a part hereof (the "Rules and Regulations"). Landlord shall have the right, in its sole discretion, to make reasonable additions and amendments to the Rules and Regulations from time to time and Tenant covenants that Tenant, its employees, agents, licensees and invitees will comply with additions and amendments to the Rules and Regulations upon Landlord's provision to Tenant of a written copy of the same. Any default by Tenant, or any other party set forth above, of any of the provisions of the Rules and Regulations as set forth in Exhibit C, or as amended from time to time, shall be considered to be a default under the terms of this Lease (subject to the applicable notice and cure period provided in Section 19 below). Nothing contained in this Lease shall be construed to impose upon Landlord any duty or obligation to enforce the Rules and Regulations, or any amendments or additions thereto, against any other tenant. Landlord shall have no liability to Tenant or any other party for violations of the Rules and Regulations by any party whatsoever. If there is any inconsistency between this Lease and the Rules and Regulations, the Lease shall govern.

10. Utilities and Services.

(a) Building Standard Services and Utilities. Landlord shall furnish sufficient electric current for routine and normal requirements for lighting and typical office equipment and machinery, such as personal computers, small copiers and similar items, subject to the limitations of Section 10(d) and shall furnish water for lavatory and drinking purposes, lavatory supplies, and nightly cleaning and janitorial services Monday through Friday [exclusive of the Building Holidays specified in Section 1(a)17], all without additional cost to Tenant. Landlord further agrees to furnish heating and cooling during the appropriate seasons of the year, during the Standard Building Operating Hours and on the days set forth in Section 1(a)16, exclusive of the Building Holidays specified in Section 1(a)17, with holidays falling on Saturday observed both on said day and on the preceding Friday, and holidays falling on Sunday observed on the following Monday.

(b) Overtime Services. Should Tenant require heating and cooling services beyond the hours stipulated in Section 10(a), Landlord will furnish such additional service at the then-prevailing hourly rate, as established by Landlord from time to time, provided that Tenant gives Landlord no less than twenty-four (24) business hours advance written notice of the need therefor.

(c) Interruption of Service. In no event shall Landlord be liable to Tenant for any interruption or failure in the supply of any utilities to the Leased Premises and the Building. Landlord reserves the right to interrupt service of the heat, plumbing, air conditioning, cooling, electric, and sewer and water systems, when necessary, by reason of accident, or of repairs, alterations or improvements which in the judgment of Landlord are desirable or necessary to be made, until such repairs, alterations or improvements shall have been completed (Landlord shall use commercially reasonable efforts to notify Tenant in advance of any such planned interruptions); and Landlord shall have no responsibility or liability for failure to supply heat, plumbing, air conditioning, cooling, electric, and sewer and

water service, or other service or act for the benefit of Tenant, when prevented from so doing by strikes, accidents or by any other causes beyond Landlord's reasonable control, or by orders or regulations of any federal, state, county, or municipal authority, or by any failure to receive suitable fuel supply, or inability despite exercise of reasonable diligence to obtain the regularly-used fuel or other suitable substitute; and Tenant agrees that Tenant shall have no claim for damages nor shall there be any abatement of Minimum Annual Rent in the event that any of said systems or service shall be discontinued or shall fail to function for any reason. If any public utility supplying any utility to the Building, or any law, order or regulation of any federal, state county or municipal authority requires that Landlord or Tenant must reduce or maintain a certain level of consumption of electricity or any other utility or interior temperature for the Leased Premises or the Building, which affects the normal business hours or the provision of any utility the Leased Premises or the Building, Landlord and Tenant shall each adhere to and abide by such requirement without any reduction in rent or in any of Tenant's other obligations hereunder. Despite the foregoing, in the event that as a result of Landlord's negligence or intentional misconduct (i) the services to be provided by Landlord under this Lease shall not be furnished for more than five (5) consecutive business days, and (ii) Tenant, in its reasonable business judgment, determines that it is unable to use and occupy the Leased Premises (or any part thereof) as a result thereof, then the Minimum Annual Rent Tenant is obligated to pay hereunder shall abate with respect to that part of the Leased Premises which Tenant does not use and occupy, commencing as of the day such interruption in services and/or utilities began until the date on which such services and/or utilities are restored, unless the failure to furnish such services and utilities is caused by Tenant's acts or omissions.

(d) Excessive Electrical Usage.

(i) Tenant will not install or operate in the Leased Premises any heavy duty electrical equipment, over occupancy, or machinery, without obtaining the prior written consent of Landlord. Landlord may require, as a condition of its consent to the installation of such equipment or machinery, payment by Tenant, as Additional Rent, for such excess consumption of electricity as may be occasioned by the operation of said equipment, over occupancy, or machinery. Landlord may make periodic inspections of the Leased Premises at reasonable times to determine that Tenant's electrically operated equipment and machinery complies with the provisions of this Section and Section 10(e).

(ii) If Landlord reasonably determines that Tenant's electrical consumption in the Leased Premises is excessive, then Landlord shall have the right to require that one or more separate meters or submeters be installed to record the consumption or use of electricity, or to cause a reputable independent electrical engineer to survey and determine the quantity of electricity consumed by such excessive use. The cost of any such survey or meters and of installation, maintenance and repair thereof shall be paid by Tenant. Tenant agrees to pay Landlord (or the utility company, if direct service is provided by the utility company), promptly upon demand therefor, for all such electricity consumption as shown by said meters, or a flat monthly charge determined by the survey, as applicable, at the rates charged for such service by the local public utility company. If Tenant's cost of electricity based on meter readings is to be paid to Landlord, Tenant shall pay a service charge related thereto (not to exceed five percent (5%) of such cost).

(e) Excessive Heat Generation. Landlord shall not be liable for its failure to maintain comfortable atmospheric conditions in all or any portion of the Leased Premises, due to heat generated by any equipment or machinery installed by Tenant (with or without Landlord's consent) that exceeds generally-accepted engineering design practices for normal office purposes. If Tenant desires additional cooling to offset excessive heat generated by such equipment or machinery, Tenant shall pay for auxiliary cooling equipment and its operating costs, including without limitation electricity, gas, oil and water, or for excess electrical consumption by the existing cooling system, as appropriate.

(f) Security. In the event that Landlord, in the exercise of its sole and absolute discretion, elects to undertake any security measures, such security measures: (i) shall be for the protection of the Building only, and (ii) shall not be relied upon by Tenant to protect Tenant, its property, its employees and/or their property.

11. Landlord's Right of Entry. Landlord, its agents, employees and contractors shall have the right to enter the Leased Premises at all times, upon reasonable prior notice to Tenant (except in the event of an emergency or in connection with Section 11(b) below, in which event no notice shall be required) (a) to make inspections or to make repairs to Leased Premises or other premises as Landlord may deem necessary; (b) to perform nightly cleaning

of the Leased Premises; (c) to exhibit the Leased Premises to prospective tenants; and (d) for any purpose whatsoever relating to the safety, protection or preservation of the Building. Landlord shall use reasonable efforts to minimize interference to Tenant's business when making repairs, but Landlord shall not be required to perform the repairs at any time other than during normal working hours. Landlord shall have the right to enter the Leased Premises to install energy savings devices, including, without limitation, installing energy efficient/motion censored light switches.

12. Maintenance and Repairs.

(a) Landlord Responsibilities. Landlord shall make structural repairs to the Leased Premises necessary for safety and tenantability, and shall maintain in good condition and repair the common areas and all Building equipment serving the Leased Premises, and the cost of all such repairs or maintenance shall be included in Basic Operating Charges unless necessitated by the act or omission of Tenant, its agents, employees, licensees, invitees or contractors, in which event Tenant shall pay such cost to Landlord, as Additional Rent, promptly upon demand. Tenant agrees to report immediately in writing to Landlord any defective condition in or about the Leased Premises known to Tenant which Landlord is required to repair, and a failure to so report shall make Tenant liable to Landlord for any expense, damage or liability resulting from the failure to report such defects. Tenant waives the right to make repairs at Landlord's expense under any law, statute or ordinance now or hereafter in effect. Landlord reserves the right at any time and from time to time, as often as Landlord deems desirable, without the same constituting an actual or constructive eviction and without incurring any liability to Tenant or otherwise affecting Tenant's obligations under this Lease, to make changes, alterations, additions, improvements, repairs, relocations or replacements in or to the Building and the fixtures and equipment thereof. Landlord shall use reasonable efforts not to disturb Tenant's business operations when making repairs to the Leased Premises or the Building. Nothing contained herein shall be deemed to relieve Tenant of any duty, obligation or liability with respect to making any repair, replacement or improvement or complying with any law, order or requirement of any government or other authority and nothing contained herein shall be deemed or construed to impose upon Landlord any obligation, responsibility or liability whatsoever, for the care, supervision or repair of the Building, or any part thereof, other than as expressly provided in this Lease.

(b) Tenant Responsibilities. Tenant will keep the Leased Premises and the fixtures and equipment therein in good order and in a clean, safe and sanitary condition, will take good care thereof and will suffer no waste or damage thereto. At the expiration or other termination of the Lease Term, Tenant will surrender the Leased Premises broom clean and in the same order and condition in which they were on the Lease Commencement Date, ordinary wear and tear excepted. All repairs and maintenance required to be performed by Tenant shall be made or performed immediately upon the occurrence of the necessity therefor, and shall be made or performed in a first class manner, using first class materials, by a contractor approved by Landlord and bonded unless waived by Landlord, and shall be made or performed in accordance with (i) all laws and all applicable governmental codes and requirements, and (ii) insurance requirements. Maintenance and repair of equipment such as kitchen fixtures, auxiliary air-conditioning equipment, private bathroom fixtures and any other type of special equipment, together with related plumbing or electrical services, whether installed by Tenant or by Landlord on behalf of Tenant, shall be the sole responsibility of Tenant, and Landlord shall have no obligation in connection therewith. If Tenant refuses or neglects to promptly commence and complete repairs or maintenance necessary to satisfy the provisions of this Section, the Landlord may, but shall not be required to, make and complete said repairs or maintenance and Tenant shall pay the cost therefor (including overhead) to Landlord upon demand, as Additional Rent.

(c) ADA Notification. Within ten (10) days after receipt, Tenant shall advise Landlord in writing, and provide copies of (as applicable) any notices alleging violation of the ADA relating to any portion of the Building or of the Leased Premises, any claims made or threatened in writing regarding noncompliance with the ADA and relating to any portion of the Building or of the Leased Premises, or any governmental or regulatory actions or investigations instituted or threatened regarding noncompliance with the ADA and relating to any portion of the Building or of the Leased Premises.

13. Alterations or Improvements by Tenant.

(a) Tenant shall not make any alterations, additions, or improvements, structural or otherwise (collectively, "Alterations") in the Leased Premises, without the prior written consent of Landlord. **Tenant acknowledges that the Building, in some areas, contains non-friable asbestos containing materials and**

therefore particular care and specialized procedures must be taken during any alterations, decorations, additions or improvements to the Leased Premises to insure that any asbestos containing materials not be disturbed. Tenant shall not install any equipment of any nature whatsoever which may affect the insurance rating of the Building, or which may necessitate any changes, replacements or additions to the water system, plumbing system, heating system, air-conditioning system or the electrical system of the Leased Premises, without the prior written consent of Landlord. Tenant shall pay all costs to make such changes, replacements or additions. Any approved Alterations shall be made by licensed and bonded contractors and mechanics approved by Landlord, in accordance with (i) the applicable laws and ordinances of any public authority having jurisdiction over the Building, (ii) the building code and zoning regulations of any such authority, and (iii) any rules and regulations established from time to time by the Underwriters Association of the local area. Prior to commencing construction of any approved Alteration, Tenant shall obtain any necessary building permits and shall deliver copies of such permits to Landlord. Landlord, in Landlord's sole discretion, may require as a condition precedent to the commencement of construction of any Alteration that Tenant: (I) furnish evidence to Landlord that Tenant and Tenant's contractors carry insurance as specified in Sections 27(a)(i) and 27(a)(iii) hereof and such additional insurance as Landlord may reasonably require, and (II) deliver partial and final lien waivers and releases from any general contractor and any subcontractors performing work. All Alterations shall be performed in a good and workmanlike manner using only new and first-class quality furnishings, fixtures, equipment and materials to assure that the Leased Premises is constructed and maintained in a first-class, modern and attractive condition. All Alterations shall be performed without interference with the work or business operations of Landlord or of the other tenants of the Building. Tenant and Tenant's contractors shall be responsible for the transportation, safe-keeping and storage of materials and equipment used in the performance of Alterations and for the removal of waste and debris resulting from the performance of Alterations (it being agreed that prior to removal, all such materials, equipment, waste and debris shall be stored safely by Tenant within the Leased Premises). Tenant will defend, indemnify and hold Landlord harmless from and against any and all expenses, liens, claims or damages, including attorneys' fees, for injury to person or property which may or might arise, directly or indirectly, by reason of the making of any Alterations. If any Alteration is effected without the prior written consent of Landlord, Landlord may remove or correct the same and Tenant shall be liable for any and all expenses of this work. All rights given to Landlord herein shall be in addition to any other right or remedy of Landlord contained in this Lease. Tenant hereby agrees that all Alterations made in, to, or on the Leased Premises shall, unless otherwise provided by written agreement, be the property of Landlord and shall remain upon and be surrendered with the Leased Premises on the Expiration Date or other termination of this Lease. At Landlord's request, any or all Alterations to the Leased Premises made during the Lease Term shall be removed by Tenant at its sole cost, and the Leased Premises shall be restored to their original condition by the Expiration Date, ordinary wear and tear excepted. Should Tenant fail to remove the same, Landlord may cause the same to be removed at Tenant's expense and Tenant hereby agrees to reimburse Landlord for the cost of such removal together with any and all damages which Landlord may suffer and sustain by reason of the failure of Tenant to remove the same.

(b) Low Voltage Cabling.

(i) The provisions of this Section 13(b) shall apply only to any new low-voltage control voice, data, video, audio, and other low-voltage control transport system cabling and/or cable bundles installed by Tenant after the date of this Lease in or serving the Leased Premises. The provisions of this Section 13(b) shall not apply to any such cabling and/or cable bundles in or serving the Leased Premises and installed prior to the date of this Lease.

(ii) All low-voltage control voice, data, video, audio, and other low-voltage control transport system cabling and/or cable bundles installed by Tenant in or serving the Leased Premises shall be (i) plenum rated and/or have a composition makeup suited for its environmental use in accordance with NFPA 70/National Electrical Code; (ii) labeled every three (3) meters with the Tenant's name and origination and destination points; (iii) installed in accordance with all EIA/TIA standards and the National Electric Code; and (iv) installed and routed in accordance with a routing plan showing "as built" or "as installed" configurations of cable pathways, outlet identification numbers, locations of all wall, ceiling and floor penetrations, riser cable routing and conduit routing if applicable, and such other information as Landlord may request. The routing plan shall be available to Landlord and its Agents at the Building upon request.

(iii) Notwithstanding any provision of this Lease to the contrary, Landlord, at the expiration or earlier termination of the term of this Lease, may elect to require Tenant to remove all or any part of the voice, data,

video, audio, and other low-voltage control transport system cabling and/or cable bundles installed by Landlord or Tenant in connection with the Tenant Work or any subsequent Alterations made by in or to the Leased Premises and to repair any damage caused by the removal of such cabling, wiring and/or conduit. Removal of any such cabling, wiring and/or conduit and repair of the Leased Premises shall be at Tenant's sole cost and expense, and Tenant agrees, at Landlord's election, (i) to remove all such cabling, wiring and/or conduit and repair any damage caused by said removal, or (ii) pay Landlord, as additional rent, for all costs incurred by Landlord to undertake such removal and repairs.

14. Common Areas.

(a) Common Areas Defined. In this Lease, "common areas" means all areas, facilities and improvements provided, from time to time, in the Building for the mutual convenience and use of tenants or other occupants of the Building, their respective agents, employees, and invitees and shall include, if provided, but shall not be limited to, the lobbies and hallways, the public restrooms, the parking areas and facilities, access roads, driveways, retaining walls, sidewalks, walkways, landscaped areas, and exterior lighting facilities.

(b) Landlord's Control. Landlord shall, as between Landlord and Tenant, at all times during the term of the Lease have the sole and exclusive control, management and direction of the common areas, and may at any time and from time to time during the term exclude and restrain any person from use or occupancy thereof, excepting, however, Tenant and other tenants of Landlord and bona fide invitees of either who make use of said areas in accordance with the rules and regulations established by Landlord from time to time with respect thereto. The rights of Tenant in and to the common areas shall at all times be subject to the rights of others to use the same in common with Tenant, and it shall be the duty of Tenant to keep all of said areas free and clear of any obstructions created or permitted by Tenant or resulting from Tenant's operation. Landlord may at any time and from time to time close all or any portion of the common areas to make repairs or changes or to such extent as may, in the opinion of Landlord, be necessary to prevent a dedication thereof or the accrual of any rights to any person or to the public therein, to close temporarily any or all portions of the said areas to discourage noncustomer parking, and to do and perform such other acts in and to said areas as, in the exercise of good business judgment, Landlord shall determine to be advisable with a view to the improvement of the convenience and use thereof by tenants, their employees, agents, and invitees.

(c) Changes and Additions. Landlord reserves the right at any time and from time to time, as often as Landlord deems desirable, without the same constituting an actual or constructive eviction and without incurring any liability to Tenant or otherwise affecting Tenant's obligations under this Lease, to make changes, alterations, additions, improvements, repairs, relocations or replacements in or to the Building and the fixtures and equipment thereof, as well as in or to the street entrances, halls, passages, stairways and other common facilities thereof, and to change the name by which the Building is commonly known and/or the Building's address. Landlord reserves the right from time to time to install, use, maintain, repair and replace pipes, ducts, conduits, wires and appurtenant meters and equipment for service to other parts of the Building, above the ceiling surfaces, below the floor surfaces, within the walls and in the central core areas, and to relocate any pipes, ducts, conduits, wires and appurtenant meters and equipment included in the Leased Premises which are located in the Leased Premises or located elsewhere outside the Leased Premises, and to expand and/or build additional stories on the Building. Prior to Landlord entering the Leased Premises, Landlord shall provide reasonable prior notice to Tenant (except in the event of an emergency) in accordance with Section 11 of this Lease. Nothing contained herein shall be deemed to relieve Tenant of any duty, obligation or liability with respect to making any repair, replacement or improvement or complying with any law, order or requirement of any government or other authority and nothing contained herein shall be deemed or construed to impose upon Landlord any obligation, responsibility or liability whatsoever, for the care, supervision or repair of the building, or any part thereof, other than expressly provided in this Lease. Notwithstanding the foregoing, in the exercise of any of Landlord's rights granted pursuant to this Section 14(c), Landlord agrees to use commercially reasonable efforts to minimize interference with Tenant's business operations.

15. Surrender and Inspection.

(a) Surrender. Upon the Expiration Date or other termination of the term of this Lease, Tenant shall quit and surrender the Leased Premises to the Landlord in as good order and condition as when received, ordinary wear and tear excepted, and Tenant shall remove all of its property from the Leased Premises by the

Expiration Date or other termination of this Lease. Tenant's obligation to observe or perform this covenant shall survive the expiration or other termination of this Lease.

(b) Inspection. Tenant shall have the right to be present at time of final inspection of the Leased Premises to determine if any damages were done thereto. The notice of Tenant's desire to be present at the final inspection of the Leased Premises shall be given at least fifteen (15) days prior to the date of moving. Upon receipt of such notice, Landlord shall notify Tenant of time and date when the Leased Premises are to be inspected. The inspection shall occur within five (5) days before or five (5) days after Tenant's date of moving, said inspection date to be designated by Landlord. Tenant shall be deemed to have been advised of its rights under this Section by execution of this Lease.

(c) Fixtures and Personal Property Remaining. If Tenant does not remove Tenant's furniture, equipment, machinery, trade fixtures, floor coverings and all other items of personal property of every kind and description from the Leased Premises prior to the Expiration Date, then Tenant shall be conclusively presumed to have conveyed the same to Landlord under this Lease as a bill of sale without further payment or credit by Landlord to Tenant.

16. Tenant Holding Over. In the event that Tenant, without the consent of Landlord, shall hold over the expiration of the term hereby created, then Tenant shall become a Tenant of sufferance only, at a monthly rent which is 150% of the Basic Monthly Rent applicable to the last month of the Lease Term, and otherwise subject to the terms, covenants and conditions herein specified. Tenant expressly agrees to hold Landlord harmless from all loss and damages, direct and consequential, which Landlord may suffer in defense of claims by other parties against Landlord arising out of the holding over by Tenant, including, without limitation, any attorneys' fees, which may be incurred by Landlord in defense of such claims. Acceptance of rent by Landlord subsequent to the expiration of the Lease Term shall not constitute consent to any holding over. Landlord shall have the right to apply all payment received after the expiration date of this Lease toward payment for use and occupancy of the Leased Premises subsequent to the expiration of the Lease Term and toward any other sums owed by Tenant to Landlord. Landlord, at its option, may forthwith re-enter and take possession of the Leased Premises without process, or by any legal process in force.

17. Covenant Against Assignment and Subletting.

(a) Consent. Tenant will not sublet the Leased Premises or any part thereof or transfer possession or occupancy thereof to any person, firm or corporation, or transfer or assign this Lease, without the prior written consent of Landlord, which consent shall be granted or withheld by Landlord in the exercise of its sole and absolute discretion. Despite the foregoing, Landlord's consent to a proposed assignment of this Lease or proposed subletting of the entire Leased Premises shall not be unreasonably withheld, conditioned, or delayed, provided, however, that it shall not be unreasonable for Landlord to withhold its consent on the basis that (i) the proposed assignee's or subtenant's net worth and/or net income is unacceptable to Landlord, or (ii) the proposed assignee or subtenant is a party by whom any suit or action could be defended on the ground of sovereign immunity, or (iii) the proposed assignee's or subtenant's proposed use of the Leased Premises is not in keeping with a first class office building, or (iv) the proposed assignee or subtenant is a tenant or occupant of the Building. Tenant shall not encumber the Lease or any interest therein nor grant any franchise, concession license or permit arrangement with respect to the Leased Premises or any portion thereof. No subletting or assignment hereof shall be affected by operation of law or in any other manner unless with the prior written consent of Landlord, which consent shall be granted or withheld by Landlord in the exercise of its sole and absolute discretion. A sale, transfer, assignment or other conveyance of a general partnership or joint venture, or a transfer of more than a twenty percent (20%) stock interest, if Tenant is a corporation, or a transfer of more than a twenty percent (20%) membership interest in Tenant if Tenant is a limited liability company, shall be an assignment for purposes hereof. Tenant shall not modify, extend or amend a sublease previously consented to by Landlord without obtaining Landlord's consent thereto.

(b) Assignment. In the event Tenant desires to assign this Lease, Tenant shall give to Landlord written notice of Tenant's desire to do so, which notice shall be accompanied by the "Required Information" (as hereinafter defined). Within thirty (30) days of receipt of said notice and the Required Information, Landlord shall have the right to terminate this Lease on a date to be agreed upon by Landlord and Tenant. If Landlord exercises its right terminate this Lease, Tenant agrees that Landlord shall have access to the Leased Premises thirty (30) days prior to

the effective termination date for remodeling or redecorating purposes, or to show the Leased Premises to prospective tenants.

(c) Subletting. In the event Tenant desires to sublet all or any part of the Leased Premises, Tenant shall give to Landlord written notice of Tenant's desire to do so, which notice shall be accompanied by the Required Information. Within thirty (30) days of receipt of said notice and Required Information, Landlord shall have the right (i) to terminate this Lease on a date to be agreed upon by Landlord and Tenant; or (ii) with Tenant's consent, to terminate this Lease and to enter into a new lease with Tenant for that portion of the Leased Premises Tenant desires to retain, upon terms to be mutually agreed upon; or (iii) to sublease from Tenant at the same rental rate then being paid by Tenant and subsequently to relet that portion of the Leased Premises. If Landlord exercises its right to terminate this Lease or to sublet a portion of the Leased Premises, Tenant agrees that Landlord shall have access to all of or such portion of the Leased Premises thirty (30) days prior to the effective termination or sublease commencement date for remodeling or redecorating purposes, or to show the same to prospective tenants.

(d) Required Information. If Tenant should desire to assign this Lease or sublet the Leased Premises (or any part thereof), Tenant shall give Landlord written notice no later than thirty (30) days in advance of the proposed effective date of such proposed assignment or sublease, which notice shall specify the following information (such information shall be collectively referred to as the "Required Information"): (i) the name, current address and business of the proposed assignee or sublessee, (ii) the amount and location of the space within the Leased Premises proposed to be so subleased, (iii) the proposed effective date and duration of the assignment or subletting, and (iv) the proposed rent and other consideration to be paid to Tenant by such assignee or sublessee. Such notice shall be accompanied by a certified check payable to Landlord in the amount of Five Hundred and 00/100 Dollars ($500.00) to reimburse Landlord for its administrative costs in processing Tenant's request. Tenant also shall promptly supply Landlord with financial statements and other information as Landlord may reasonably request to evaluate the proposed assignment or sublease.

(e) Fees; Documents. Tenant agrees to reimburse Landlord for reasonable legal fees incurred by Landlord in connection with any proposed assignment or subletting (not to exceed $2,000.00 on any one occasion). Tenant shall deliver to Landlord copies of all documents executed in connection with any proposed assignment or subletting, which documents shall be in form and substance reasonably satisfactory to Landlord and which documents, (i) in the case of permitted assignment, shall require such assignee to assume performance of all terms of this Lease on Tenant's part to be performed, and (ii) in the case of permitted subletting shall require such sublessee to comply with all terms of this Lease on Tenant's part to be performed. No acceptance by Landlord of any Basic Monthly Rent or any other sum of money from any assignee, sublessee or other category of transferee shall be deemed to constitute Landlord's consent to any assignment, sublease, or transfer.

(f) No Release. Any attempted assignment or sublease by Tenant in violation of the terms and provisions of this Section 17 shall be void and shall constitute a material breach of this Lease. In the event Landlord consents to any assignment or sublease on one occasion, such consent shall not affect Tenant's obligation to comply with the provisions of Section 17 of this Lease with respect to any future assignment or sublease.

(g) Tenant Liability. In the event of any subletting of all or any portion of the Leased Premises or assignment of this Lease by Tenant, with or without Landlord's consent, Tenant shall remain primarily liable to Landlord for the payment of the rent stipulated herein and for the performance of all other covenants and conditions contained herein. At the time Tenant requests Landlord's consent to an assignment of this Lease, Tenant may submit a written request to Landlord to release Tenant from liability under this Lease as of the date of the assignment, and Landlord shall respond to such request, which approval to release Tenant from liability shall be granted or withheld in Landlord's sole and absolute discretion.

(h) Additional Consideration. Landlord shall be entitled to any and all consideration received by Tenant in the aggregate from any assignment of the Lease and/or any subletting of the Leased Premises over and above the rent and charges due to Landlord from Tenant under the terms of this Lease.

18. Intentionally Deleted.

19. Default. Each of the following shall be deemed a default by Tenant and a breach of this Lease:

(a) A failure by Tenant to pay when due Minimum Annual Rent or Additional Rent herein reserved, which failure is not cured within five (5) days after written notice to Tenant;

(b) A failure by Tenant in the performance of any other term, covenant, agreement or condition of this Lease on the part of Tenant to be performed which continues for ten (10) days after written notice from Landlord, provided, however, if such failure cannot reasonably be cured prior to the expiration of such ten (10) day period, Tenant shall not be deemed in default if it commences to cure such failure prior to the expiration of such ten (10) day period and diligently prosecutes such cure to completion;

(c) Intentionally deleted;

(d) An assignment or encumbrance of Tenant's interest in this Lease or the Leased Premises or a subletting of any part of the Leased Premises in violation of Section 17;

(e) Intentionally deleted;

(f) Intentionally deleted;

(g) Tenant's causing or permitting the Leased Premises to be vacant, or an abandonment of the Leased Premises by Tenant;

(h) Any material misrepresentation by Tenant to Landlord in connection with the negotiation or execution of this Lease;

(i) A default by Tenant under any other lease or sublease for any other space in the Building, which has resulted in the termination of said lease; and

(j) Tenant's admission in writing of its inability to pay its debts when due or that it is insolvent.

Notwithstanding anything to the contrary in Section 19(a) above, Landlord shall not be required to give Tenant more than one (1) such notice in any twelve (12) month period. Notwithstanding anything to the contrary in Section 19(b) above, Landlord shall not be required to give Tenant more than one (1) such notice relating to the same type of default in any twelve (12) month period.

20. Landlord's Rights Upon Tenant's Default. Upon default by Tenant of any of the terms or covenants of this Lease, Landlord shall be entitled to remedy such default as follows:

(a) Right to Cure. Landlord shall have the right, immediately or at any time thereafter, without further notice to Tenant (unless otherwise provided herein), to enter the Leased Premises, without terminating this Lease or being guilty of trespass, and do any and all acts as Landlord may deem necessary, proper or convenient to cure such default, for the account and at the expense of Tenant, any notice to quit or notice of Landlord's intention to re-enter being hereby expressly waived, and Tenant agrees to pay to Landlord as Additional Rent all damage and/or expense incurred by Landlord in so doing, including interest at the Default Rate, from the due date until the date payment is received by Landlord.

(b) Re-Entry. Landlord shall have the right to enter upon and take possession of the Leased Premises without terminating this Lease, in accordance with applicable laws, and remove Tenant, any occupant and any property therefrom, without being guilty of trespass and without relinquishing any right of Landlord against Tenant, and, if Landlord elects, relet the Leased Premises on such terms as Landlord deems advisable.

(c) Termination. Landlord shall have the right to terminate this Lease and Tenant's right to possession of the Leased Premises and take possession of the Leased Premises and remove Tenant, any occupant and any property therefrom, in accordance with applicable laws, without being guilty of trespass and without relinquishing any rights of Landlord against Tenant, any notice to quit, or notice of Landlord's intention to re-enter being hereby expressly waived. Landlord shall be entitled to recover damages from Tenant in an amount equal to the amount herein covenanted to be paid as Minimum Annual Rent during the remainder of the Lease Term, said Minimum Annual Rent and Additional Rent for the full term then remaining having been fully accelerated at the option of Landlord, together with (i) all expenses of any proceedings (including, but not limited to, legal expenses and reasonable attorneys' fees) which may be necessary in order for Landlord to recover possession of the Leased Premises, (ii) the expenses of the re-renting of the Leased Premises (including, but not limited to, any commissions paid to any real estate agent, advertising expense and the costs of such alterations, repairs, replacements and decoration or re-decoration as Landlord, in its sole judgment, considers advisable and necessary for the purpose of re-renting the Leased Premises), and (iii) interest computed at the Default Rate from the due date until paid; provided, however, that there shall be credited against the amount of such damages all amounts received by Landlord from such re-renting of the Leased Premises and such amounts shall be refunded to Tenant. Landlord shall in no event be liable in any way whatsoever for failure to re-rent the Leased Premises or, in the event that the Leased Premises are re-rented, for failure to collect the rent thereof under such re-renting. No act or thing done by Landlord shall be deemed to be an acceptance of a surrender of the Leased Premises, unless Landlord shall execute a written agreement of surrender with Tenant. Tenant's liability hereunder shall not be terminated by the execution of a new lease of the Leased Premises by Landlord. In the event Landlord does not exercise its option to accelerate the payment of Minimum Annual Rent and Additional Rent as provided hereinabove, then Tenant agrees to pay to Landlord, upon demand, the amount of damages herein provided after the amount of such damages for any month shall have been ascertained; provided, however, that any expenses incurred by Landlord shall be deemed to be a part of the damages for the month in which they were incurred. Separate actions may be maintained each month or at other times by Landlord against Tenant to recover the damages then due, without waiting until the end of the term of this Lease to determine the aggregate amount of such damages. Tenant hereby expressly waives any and all rights of redemption granted by or under any present or future laws in the event of Tenant being evicted or being dispossessed for any cause, or in the event of Landlord obtaining possession of the Leased Premises by reason of the violation by Tenant of any of the covenants and conditions of this Lease.

(d) Distress. Upon any default by Tenant in the payment of Minimum Annual Rent or Additional Rent, Landlord shall have the right, upon written notice to Tenant, fifteen (15) days after payment of such sum was due, to institute an action of distress therefor, and, upon distress, in Landlord's discretion, this tenancy shall terminate. In the event of such termination, the provisions of Section 20(c) shall be applicable.

(e) Intentionally deleted.

(f) Landlord's Remedies Cumulative. All rights and remedies of Landlord herein enumerated shall be cumulative, and none shall exclude any other right or remedy allowed by law. For the purposes of any suit brought or Based hereon, this Lease shall be construed to be a divisible contract, to the end that successive actions may be maintained on this Lease as successive periodic sums mature hereunder.

(g) Attorneys' Fees. In the event that Landlord incurs any fees or expenses to interpret or enforce the provisions of this Lease, including, without limitation, attorneys' fees and litigation costs, then Tenant shall pay to Landlord such fees and expenses on demand as Additional Rent.

(h) Mitigation of Damages.

(i) Both Landlord and Tenant shall each use commercially reasonable efforts to mitigate any damages resulting from a default of the other party under this Lease.

(ii) Landlord's obligation to mitigate damages after a default by Tenant under this Lease shall be satisfied in full if Landlord undertakes to lease the Leased Premises to another tenant (a "Substitute Tenant") in accordance with the following criteria: (a) Landlord shall have no obligation to solicit or entertain negotiations with any other prospective tenants for the Leased Premises until Landlord obtains full and complete possession of the Leased Premises including, without limitation, the final and unappealable legal right to relet the Leased Premises free

of any claim of Tenant; (b) Landlord shall not be obligated to offer the Leased Premises to a prospective tenant when other premises in the Building suitable for that prospective tenant's use are (or soon will be) available; (c) Landlord shall not be obligated to lease the Leased Premises to a Substitute Tenant for a rental less than the current fair market rental then prevailing for similar office uses in comparable buildings in the same market area as the Building, nor shall Landlord be obligated to enter into a new lease under other terms and conditions that are unacceptable to Landlord under Landlord's then current leasing policies for comparable space in the Building; (d) Landlord shall not be obligated to enter into a lease with any proposed tenant whose use would: (1) violate any restriction, covenant or requirement contained in the lease of another tenant of the Building; (2) adversely affect the reputation of the Building; or (3) be incompatible with the operation of the Building as a first class building; (e) Landlord shall not be obligated to enter into a lease with any proposed Substitute Tenant which does not have, in Landlord's reasonable opinion, sufficient financial resources or operating experience to operate the Leased Premises in a first class manner; (f) Landlord shall not be required to expend any amount of money to alter, remodel or otherwise make the Leased Premises suitable for use by a proposed Substitute Tenant unless: (1) Tenant pays any such sum to Landlord in advance of Landlord's execution of a substitute lease with such tenant (which payment shall not be in lieu of any damages or other sums to which Landlord may be entitled as a result of Tenant's default under this Lease); or (2) Landlord, in Landlord's sole discretion, determines that any such expenditure is financially justified in connection with entering into any such substitute lease.

(iii) Upon compliance with the above criteria regarding the releasing of the Leased Premises after a default by Tenant, Landlord shall be deemed to have fully satisfied Landlord's obligation to mitigate damages under this Lease and under any law or judicial ruling in effect on the date of this Lease or at the time of Tenant's default, and Tenant waives and releases, to the fullest extent legally permissible, any right to assert in any action by Landlord to enforce the terms of this Lease, any defense, counterclaim, or rights of setoff or recoupment respecting the mitigation of damages by Landlord, unless and to the extent Landlord maliciously or in bad faith fails to act in accordance with the requirements of this Section 20(h).

(iv) Tenant's right to seek damages from Landlord as a result of a default by Landlord under the Lease shall be conditioned on Tenant taking all actions reasonably required, under the circumstances, to minimize any loss or damage to Tenant's property or business, or to any of Tenant's officers, employees, agents, invitees, or other third parties that may be caused by any such default of Landlord.

21. Lender Requirements.

(a) Subordination. Tenant agrees that this Lease is subject and subordinate to any and all ground or underlying leases and to the lien of any first mortgages or deeds of trust now on or which at any time may be made a lien upon the Building, or any part thereof, and to all advances, renewals, modifications, consolidations, replacements and extensions made or hereafter to be made upon the security thereof. This subordination provision shall be self-operative and no further instrument of subordination shall be required. Tenant agrees to execute and deliver, upon request, such further instrument or instruments confirming this subordination as shall be desired by Landlord or by any mortgagee or proposed mortgagee or by any ground lessor. Tenant further agrees that, at the option of the holder of any first mortgage or of the trustee under any first deed of trust, this Lease may be made superior to said first mortgage or first deed of trust by the insertion therein of a declaration that this Lease is superior thereto. At the option of any landlord under any ground or underlying lease to which the Lease is now or may hereafter become subject or subordinate, Tenant agrees that neither the cancellation nor termination of such ground or underlying lease shall by operation of law or otherwise, result in cancellation or termination of this Lease or the obligations of Tenant hereunder and Tenant covenants and agrees to attorn to such landlord or to any successor to Landlord's interest in such ground or underlying lease, and, in that event, this Lease shall continue as a direct lease between Tenant and such landlord or its successor; and, in any case, such landlord or successor under such ground or underlying lease shall not be bound by any prepayment on the part of Tenant of any rent for more than one (1) month in advance, so that rent shall be payable under this Lease in accordance with its terms, from the date of the termination of the ground or underlying lease, as if such prepayment had not been made; and provided, further, not be bound by this Lease or any amendment or modification of this Lease unless prior to the termination of such ground or underlying lease, a copy of this Lease or amendment or modification thereof, as the case may be, shall have been delivered to such landlord or successor by Tenant.

(b) Attornment. In the event any proceedings are brought for the foreclosure of, or in the event of exercise of the power of sale under, any deed of trust to secure debt given by Landlord and covering the Leased Premises, the party secured by any such deed of trust shall have the right to recognize this Lease and, in the event of any foreclosure sale under such deed of trust, this Lease shall continue in full force and effect at the option of the party secured by such deed of trust or the purchaser under any such foreclosure sale. If such party elects to recognize this Lease, then (x) Tenant shall attorn to the purchaser upon any such foreclosure or sale and recognize such purchaser as the owner and landlord under this Lease, and (y) such party, as Landlord: (i) shall recognize Tenant's rights to continue to occupy the Leased Premises and exercise and enjoy all of its rights to continue to occupy the Leased Premises and exercise and enjoy all of its rights hereunder, and so long as Tenant complies with the terms and provisions of this Lease; (ii) shall not be bound by payments of Minimum Annual Rent or Additional Rent more than one (1) month in advance of their due date; (iii) shall have no obligation for the return of any security deposit not actually received by such party; (iv) shall not be bound by any amendment or modification to the Lease to which such party has not consented in writing; (v) shall not be subject to any claim, defense or setoff which could be asserted against any predecessor Landlord; and (vi) shall have no liability for any default by any predecessor Landlord.

(c) Notice of Default. Tenant agrees to give any mortgagee(s) and/or trust deed holder(s), by certified or registered mail, postage prepaid, return receipt requested, a copy of any notice of any failure by Landlord to fulfill any of its obligations under this Lease, provided that prior to such notice Tenant has been notified in writing (by way of notice of assignment of rents and leases, or otherwise) of the addresses of such mortgagee(s) and/or trust deed holder(s). Tenant further agrees that the mortgagee(s) and/or trust deed holder(s) shall have such time as may be necessary to cure such failure as long as any mortgagee(s) and/or trust deed holder(s) has commenced and is diligently pursuing the remedies necessary to cure such failure (including, but not limited to, time to take possession and/or commence foreclosure proceedings, if necessary, to effect such cure). Notwithstanding anything herein to the contrary, so long as any mortgagee(s) and/or trust deed holder(s) has commenced and is diligently pursuing the remedies necessary to cure such failure (including, but not limited to, taking possession and/or commencing foreclosure proceedings, if necessary, to effect such cure), Tenant shall have no right to terminate this Lease as a result of any such failure by Landlord.

(d) Financing. In the event that any mortgage lender providing mortgage financing for the Building requires, as a condition of such financing, that modifications to this Lease be obtained, and provided that such modifications (i) are reasonable, (ii) do not adversely affect Tenant's use of the Leased Premises as herein permitted, and (iii) do not increase the rentals and other sums required to be paid by Tenant hereunder, then Landlord may submit to Tenant a written amendment to this Lease incorporating such required modifications, and, in the event Tenant does not execute and return to Landlord such written amendment within thirty (30) days after the same has been submitted to Tenant, then Landlord shall thereafter have the right, at its sole option, to terminate this Lease. Such option shall be exercisable by Landlord giving Tenant written notice of termination, immediately whereupon this Lease shall be terminated, and money or security therefor deposited by Tenant with Landlord shall be returned to Tenant, and both Landlord and Tenant shall thereupon be relieved from any and all further liability or obligation hereunder.

(e) Intentionally Deleted.

(f) Assignment of Rents. If, at any time and from time to time, Landlord assigns this Lease or the rents payable hereunder to the holder of any mortgage or deed of trust on the Leased Premises or the Building, or to any other party for the purpose of securing financing (the holder of any such mortgage and any other party such financing party are referred herein as the "Financing Party"), whether such assignment is conditional in nature or otherwise, the following provisions shall apply.

(i) Such assignment to the Financing Party shall not be deemed an assumption by the Financing Party of any obligations of Landlord hereunder unless such Financing Party shall, by written notice to Tenant, specifically otherwise elect.

(ii) Except as provided in (i) above, the Financing Party shall be treated as having assumed Landlord's obligations hereunder [subject to Sections 21(b) and 36 of this Lease,] only upon foreclosure of its mortgage or deed of trust (or voluntary conveyance by deed in lieu thereof) and the taking of possession of the Leased Premises from and after foreclosure.

(iii) Tenant hereby agrees to enter into such agreements or instruments as may, from time to time, be requested in confirmation of the foregoing.

22. Estoppel Certificates. Tenant agrees, at any time and from time to time, upon ten (10) business days prior written notice by Landlord, to execute, acknowledge and deliver to Landlord a written estoppel certificate (i) certifying that this Lease is unmodified and in full force and effect (or if there have been modifications, stating the nature of same), (ii) stating the Lease Commencement Date and the Expiration Date of the Lease Term, (iii) stating the amounts of Minimum Annual Rent and Additional Rent and the dates to which the Minimum Annual Rent and Additional Rent have been paid by Tenant, (iv) stating the amount of any Security Deposit, (v) stating whether or not to the best knowledge of Tenant, Landlord is in default in the performance of any covenant, agreement or condition contained in this Lease, and, if so, specifying each such default of which Tenant may have knowledge, (vi) stating that Tenant has no right to setoff and no defense against payment of the Minimum Annual Rent or Additional Rent, (vii) stating the address to which notices to Tenant should be sent, and (viii) certifying such other matters related to the status of this Lease as may be reasonably requested by Landlord. Any such certificate delivered pursuant hereto may be relied upon by an owner of the Building, any prospective purchaser of the Building, any mortgagee or prospective mortgagee of the Building or of Landlord's interest therein, or any prospective assignee of any such mortgage. Failure to deliver the aforesaid certificate within the ten (10) business days shall be conclusive upon Tenant for the benefit of Landlord and any successor to Landlord that this Lease is in full force and effect and has not been modified except as may be represented by the party requesting the certificate. Tenant shall be liable for any loss incurred by Landlord resulting from Tenant's failure to timely execute and deliver any estoppel certificate requested by Landlord, and shall reimburse Landlord for the amount of any such loss upon demand, as Additional Rent.

23. Damage by Fire or Other Casualty. If the Leased Premises shall be damaged by fire or other casualty:

(a) Except as otherwise provided in subparagraphs (b) and (d) hereof, Landlord, at Landlord's expense, shall promptly restore the Leased Premises, and Tenant, at Tenant's sole expense, shall promptly restore all leasehold improvements installed in the Leased Premises by Tenant or at Tenant's request and its own furniture, furnishings, trade fixtures and equipment. No penalty shall accrue for reasonable delay which may arise by reason of adjustment of insurance on the part of Landlord, or on account of labor problems, or any other cause beyond Landlord's reasonable control. If the damage or destruction is such as to make the Leased Premises or any substantial part thereof untenantable (in Landlord's reasonable judgment), and provided that such damage or destruction is not due in whole or part to the act or omission of Tenant or Tenant's agents, employees or invitees, the Minimum Annual Rent shall abate proportionately (Based on proportion of the number of square feet rendered untenantable to the total number of square feet of the Leased Premises), from the date of the damage or destruction until the date the Leased Premises has been restored by Landlord.

(b) If the Leased Premises are substantially damaged or are rendered substantially untenantable by fire or other casualty, or if Landlord's architect certifies that the Leased Premises cannot be repaired within ninety (90) working days of normal working hours, said period commencing with the start of the repair work, or if Landlord shall decide not to restore or repair the same, or if more than fifty percent (50%) of the rentable area of the Building is rendered untenantable (even if the Leased Premises is undamaged) or if Landlord shall decide to demolish the Building or not to rebuild it, then Landlord may, within ninety (90) days after such fire or other casualty, terminate this Lease by giving Tenant a notice in writing of such decision, and thereupon the term of this Lease shall expire by lapse of time upon the third day after such notice is given, and Tenant shall vacate the Leased Premises and surrender the same to Landlord. Upon the termination of this Lease under the conditions hereinbefore provided, Tenant's liability for Minimum Annual Rent and Additional Rent shall cease as of the day following the casualty.

(c) The proceeds payable under all casualty insurance policies maintained by Landlord on the Leased Premises shall belong to and be the property of Landlord, and Tenant shall not have any interest in such proceeds. Tenant agrees to look to Tenant's casualty insurance policies for the restoration and replacement of the leasehold improvements installed in the Leased Premises and Tenant's fixtures, equipment and furnishings in the Leased Premises.

(d) Notwithstanding anything to the contrary in this Section 23 or in any other provision of this Lease, any obligation (under this Lease or otherwise) of Landlord to restore all or any portion of the Leased Premises

shall be subject to Landlord's receipt of approval of the same by the mortgagee(s), if any, of Landlord (and any other approvals required by applicable laws), as well as receipt of such fire and other hazard insurance policy proceeds from the insurer or from any such mortgagee(s) as may have been assigned such proceeds; it being agreed that if Landlord has not received such approval(s) and proceeds within one hundred and eighty (180) days after any such casualty, then Landlord shall have the option to terminate this Lease, at any time thereafter, upon notice to Tenant.

(e) In the event the Leased Premises is damaged by fire or other casualty, such damage is not caused by Tenant or by its employees, contractors or agents and such damage is not repaired within two hundred seventy (270) days after the date of the damage, then Tenant shall have the right, exercisable upon written notice to Landlord within ten (10) days after the expiration of such two hundred seventy (270) day period, to terminate this Lease. In the event that Tenant timely delivers such notice of termination to Landlord, then, unless Landlord, within thirty (30) days after its receipt of such termination notice, delivers the Leased Premises to Tenant in substantially the same condition (excluding Tenant's fixtures, equipment and furnishings) that existed immediately prior to such damage, then this Lease shall terminate and the parties shall be relieved of all further liability hereunder. In the event Tenant fails to timely exercise such termination right, Tenant shall be deemed to have irrevocably waived its right to terminate this Lease on account of such damage.

24. Condemnation. In the event the whole or a substantial part of the Leased Premises or the Building shall be taken for any public or quasi-public purpose by any lawful power or authority by exercise of the right of appropriation, condemnation or eminent domain, or sold to said authority to prevent such taking (collectively referred to herein as a "taking"), Landlord shall have the right to terminate this Lease effective as of the date possession is required to be surrendered to said authority, and the Minimum Annual Rent and Additional Rent shall be apportioned as of the date. For purposes of this section, a substantial part of the Leased Premises or the Building shall be considered to have been taken if, in Landlord's opinion, the taking shall render it commercially undesirable for Landlord to permit this Lease to continue or to continue operating the Leased Premises or the Building. Tenant shall not assert any claim against Landlord or the taking authority for any compensation arising out of or related to such taking and Landlord shall be entitled to receive the entire amount of any award without deduction for any estate or interest of Tenant. If Landlord does not elect to terminate this Lease or if less than a substantial part of the Leased Premises shall be taken hereunder, the Minimum Annual Rent and Additional Rents shall be adjusted (Based on the ratio that the number of square feet of rentable area taken from the Leased Premises bears to the number of rentable square feet in the Leased Premises immediately prior to such taking) as of the date possession is required to be surrendered to said authority. Nothing contained in this section shall be deemed to give Landlord any interest in any award made to Tenant for the taking of personal property and fixtures belonging to Tenant, as long as such award is made in addition to and separately stated from any award made to Landlord for the Leased Premises or the Building. Landlord shall have no obligation to contest any taking.

25. Landlord's Reserved Rights. The Landlord reserves the following rights:

(a) To decorate, remodel, repair, alter or otherwise prepare the Leased Premises for reoccupancy during the last ninety (90) days of the Lease Term, if during or prior to that time Tenant vacates the Leased Premises; and

(b) To show the Leased Premises to prospective tenants or brokers during the last one hundred eighty (180) days of the term of this Lease; to show the Leased Premises to prospective purchasers at all reasonable times provided that prior notice is given to Tenant in each case and that Tenant's use and occupancy of the Leased Premises shall not be materially inconvenienced by any such action of Landlord; and to place and maintain a "FOR RENT" sign on the doors or in the windows of the Leased Premises during the last one hundred eighty (180) days of the term of this Lease.

26. Landlord and Tenant Liability.

(a) Landlord's Liability. All personal property of Tenant in the Leased Premises or in the Building shall be at the sole risk of Tenant. Landlord and its employees and agents shall not be liable for any damage thereto. Landlord, or its agents, shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, steam, gas, electricity, water, rain, or snow or leaks from any part of the Leased Premises or the Building, including the roof, or from the pipes, conduits, appliances or plumbing works, or from the roof, street or

subsurface or from any other place or by dampness or by any other cause of whatsoever nature, unless caused by or due to the gross negligence of Landlord, its agents, servants, or employees. All personal property and equipment located in the Leased Premises shall be at the risk of Tenant.

(b) Tenant's Liability. Tenant shall reimburse Landlord for all expense, damages or fines, incurred or suffered by Landlord by reason of any breach, violation or nonperformance by Tenant, or its agents, servants, or employees, of any covenant or provision of this Lease or the Rules and Regulations promulgated by Landlord hereunder from time to time, or by reason of damage to persons or property caused by moving property of or for Tenant in or out of the Building, or by the installation or removal of furniture or other property of or for Tenant, or by reason of or arising out of the carelessness, negligence or improper conduct of Tenant, or its agents, servants, employees, invitees or licensees in the use or occupancy of the Leased Premises.

(c) Indemnity. Except to the extent caused by Landlord's negligence or willful misconduct, Tenant shall indemnify Landlord and its agents and employees and save them harmless from and against any and all claims, actions, damages, liabilities and expense in connection with loss of life, personal injury and/or damage to property (i) arising from or out of any occurrence in, upon or at the Leased Premises, or (ii) arising from or out of the occupancy or use by Tenant of the Leased Premises or any part thereof, or (iii) occasioned wholly or in part by any act or omission of the Tenant, its agents, contractors, employees, servants, invitees or licensees, whether inside the Leased Premises or elsewhere in the Building. In the event that Landlord or its agents and employees shall, without fault on its or their part, be made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold the same harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid in connection with such litigation. Excluding any negligence or willful misconduct by Tenant, or its agents and employees, Landlord shall indemnify Tenant, its agents and employees and save them harmless from and against all claims, actions, damages, liabilities and expenses in connection with loss of life and/or personal injury occasioned wholly or in part by any negligence or willful misconduct of Landlord, its agents, employees, contractors, invitees or licensees.

(d) Criminal Acts of Third Parties. Landlord shall not be liable in any manner to Tenant, its agents, employees, licensees, invitees or contractors for any injury or damage to Tenant, Tenant's agents, employees, licensees, invitees, or contractors or their property caused by the criminal or intentional misconduct of third parties. All claims against Landlord for any such damage or injury are hereby expressly waived by Tenant, and Tenant hereby agrees to hold and indemnify Landlord from all such damages and the expense of defending all claims made by Tenant's agents, employees, licensees, invitees or contractors arising out of such acts.

27. Tenant's Insurance.

(a) Coverages. Tenant shall have issued, pay the premiums therefor, and maintain in full force and effect during the Lease Term:

(i) Commercial General Liability. A commercial general liability insurance policy or policies in which the Landlord (and such additional persons and/or entities as Landlord may request) and Tenant shall be the insured, protecting the Landlord (and such additional persons and/or entities as Landlord may request) and Tenant in the amount of (x) Two Million and 00/100 Dollars ($2,000,000.00) combined, single limit coverage for bodily injury or property damage, and (y) One Hundred Thousand and 00/100 Dollars ($100,000.00) fire legal liability coverage.

(ii) Property. A special causes of loss form property insurance policy (previously known as all-risk property insurance), including theft, vandalism and malicious mischief listing Tenant as an insured and listing Landlord (and such additional persons and/or entities as Landlord may request) as an additional insured, written at replacement cost value and with replacement cost endorsement, covering all leasehold improvements installed in the Leased Premises and all of Tenant's personal property in the Leased Premises (including, without limitation, inventory, trade fixtures, floor coverings, furniture and other property removable by Tenant under the provisions of this Lease);

(iii) Workers' Compensation. If and to the extent required by law, workers' compensation and employer's liability or similar insurance in form and amounts required by law; and

(iv) Additional Insurance. Such additional insurance as any mortgagee of the Building may reasonably require. Notwithstanding anything to the contrary, Landlord shall have the right to maintain any such additional insurance as reasonably required by any mortgagee of the Building and Tenant shall reimburse Landlord for the cost of such additional insurance within ten (10) business days of demand therefor.

(v) Self-Insurance. Notwithstanding the requirements of other sections of this Lease, Tenant shall have the right, at its sole election, to self-insure with respect to some or all of the required insurance coverage. In the event Tenant elects to self-insure, all amounts which Tenant pays or is required to pay and all loss or damages resulting from risks for which Tenant has elected to self-insure shall be subject to the waiver of subrogation provisions of this Lease and shall not limit Tenant's indemnification obligations set forth in this Lease. Notwithstanding anything to the contrary, Landlord shall have the right to maintain insurance on Landlord's Work and all improvements, fixtures, equipment and furnishings (excepting only Tenant's trade fixtures and equipment) located within the Leased Premises in an amount sufficient to restore (whether or not any such restoration is actually to occur) Landlord's Work and all such improvements, fixtures, equipment and furnishings (excepting only Tenant's trade fixtures and equipment) existing in the Leased Premises and Tenant shall reimburse Landlord for the cost of such property insurance within ten (10) business days of demand therefor.

(b) Policy Requirements. All such policies maintained by Tenant shall contain an endorsement that such policy shall remain in full force and effect notwithstanding that the insured has waived its right of action against any party prior to the occurrence of a loss. All insurance maintained by Tenant under this Lease shall be issued by insurance companies authorized to do business in the jurisdiction where the Building is located. Such companies shall have a policy holder rating of at least "A" and be assigned a financial size category of at least "Class XII" as rated in most recent edition of "Best's Key Rating Guide" for insurance companies. The insurance required of Tenant under Section 27(a)(i) hereof shall insure performance by Tenant of the indemnity provisions of Section 26 hereof and shall contain an assumed contractual liability endorsement that refers expressly to this Lease. All insurance maintained by Tenant under this Lease shall: (i) be written as primary policy coverage and non-contributing with respect to any coverage which Landlord may carry (it being understood and agreed that any insurance that Landlord may carry shall be excess insurance); (ii) name Landlord and any mortgagee of the Building as additional insureds, as their respective interests may appear (except with respect to property insurance or workers' compensation insurance), and (iii) contain an endorsement for cross liability and severability of interests. A certificate of all insurance maintained by Tenant showing it is in effect shall be deposited with Landlord at the commencement of the Lease Term, and renewal certificates shall be delivered to Landlord prior to the expiration date of any policy. Despite the foregoing, if, and for so long as, Tenant elects to self-insure with respect to all of the required insurance coverage, then this Section 27(b) shall not apply.

(c) No Limitation of Liability. Neither the issuance of any insurance policy required under this Lease nor the minimum limits specified herein shall be deemed to limit or restrict in any way Tenant's liability arising under or out of this Lease.

(d) Notice of Fire and Accident. Tenant shall give Landlord immediate notice in case of fire, theft, or accidents in the Leased Premises, and in case of fire, theft or accidents in the Building if involving Tenant, its agents, employees or invitees.

28. Waiver of Subrogation. Notwithstanding anything herein to the contrary, (i) Landlord and Tenant mutually covenant and agree that each party, in connection with insurance policies required to be furnished in accordance with the terms and conditions of this Lease, or in connection with insurance policies which they obtain insuring such insurable interest as Landlord or Tenant may have in its own properties, whether personal or real, shall expressly waive any right of subrogation on the part of the insurer against the Landlord (and any mortgagee requested by Landlord) or Tenant as the same may be applicable, which right to the extent not prohibited or violative of any such policy is hereby expressly waived, and (ii) Landlord and Tenant each mutually waive all right of recovery against each other, their agents, or employees for any loss, damage or injury of any nature whatsoever to property or person for which either party is required by this Lease to carry insurance.

29. No Liens Permitted; Discharged. Tenant will not permit to be created or to remain undischarged any lien, encumbrance or charge (arising out of any work done or materials or supplies furnished, or claimed to have been done or furnished, by any contractor, mechanic, laborer or materialman or any mortgage, conditional sale, security

agreement or chattel mortgage, or otherwise by or for Tenant) which might be or become a lien or encumbrance or charge upon the Building or any part thereof or the income therefrom. Tenant will not suffer any other matter or thing whereby the estate, rights and interests of Landlord in the Building or any part thereof might be impaired. If any lien, or notice of lien on account of an alleged debt of Tenant or any notice of contract by a party engaged by Tenant or Tenant's contractor to work on the Leased Premises shall be filed against the Building or any part thereof, Tenant, within ten (10) days after notice of the filing thereof, will cause the same to be discharged of record by payment, deposit, bond, order of a court of competent jurisdiction or otherwise. If Tenant shall fail to cause such lien or notice of lien to be discharged within the period aforesaid, then, in addition to any other right or remedy, Landlord may, but shall not be obligated to, discharge the same either by paying the amounts claimed to be due or by procuring the discharge of such lien by deposit or by bonding proceedings and in any such event Landlord shall be entitled, if Landlord so elects, to compel the prosecution of an action for the foreclosure of such lien by the lienor and to pay the amount of the judgment in favor of the lienor with interest, costs and allowances. Any amount so paid by Landlord and all costs and expenses, including attorneys' fees, incurred by Landlord in connection therewith, shall constitute Additional Rent payable by Tenant under this Lease and shall be paid by Tenant to Landlord on demand. Nothing herein contained shall obligate Tenant to pay or discharge any lien created by Landlord.

30. Signs and Advertisements. Landlord shall provide for Tenant, at Landlord's expense, a notice in the Building directory and a sign for the entrance door to the Leased Premises in the type and manner Landlord from time to time provides for tenants of the Building. No other sign, advertisement or notice shall be inscribed, painted, affixed or displayed in or about the Building by Tenant, except on the directories and doors of offices, and then only in such place and in such number, size, color and style as is approved by Landlord and provided by Landlord at Tenant's cost and expense. If any such sign, advertisement or notice is nevertheless exhibited, Landlord shall have the right to remove the same and Tenant shall be liable for any and all expenses incurred by Landlord for said removal. Landlord shall have the right to prohibit any advertisement of Tenant which in its opinion tends to impair the reputation of the Building or its desirability as a high-quality building for offices or for financial, legal, insurance and other institutions of like nature. Upon notice from Landlord, Tenant shall immediately refrain from and discontinue any such advertisement.

31. Notices. All notices to be given under this Lease shall be in writing, hand-delivered, sent by Federal Express, or mailed by United States Certified or Registered Mail, return receipt requested, postage prepaid. Notices should be delivered as follows:

(a) To the Landlord at the addresses specified in Section 1(a)(20).

(b) To the Tenant at the address specified in Sections 1(a)(18) and 1(a)(19).

Any such notice shall be deemed to be served on the date it is hand-delivered or delivered by Federal Express, or on the third day after the date on which it is deposited in the U.S. mails. Landlord and Tenant shall each have the right to change the person and/or address to which notices shall be delivered upon notice thereof to the other party sent pursuant to the provisions of this paragraph.

32. Time. Landlord and Tenant acknowledge that time is of the essence in the performance of any and all obligations, terms, and provisions of this Lease.

33. Postponement of Performance. In the event that either party hereto shall be delayed or hindered in or prevented from the performance of any act required hereunder by reason of strikes, labor troubles, inability to procure labor or materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, war, acts of God, fire or other casualty or other reason of a similar or dissimilar nature beyond the reasonable control of the party delayed in performing work or doing acts required under the terms of this Lease, then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay. The provisions of this paragraph shall not operate to excuse Tenant from the prompt payment of Minimum Annual Rent or Additional Rent and shall not operate to extend the term of this Lease. Delays or failures to perform resulting from lack of funds shall not be deemed delays beyond the reasonable control of a party.

34. Broker. Tenant represents and warrants to Landlord that it has not authorized any broker, agent or finder purporting to act on its behalf in respect to this Lease transaction except the Tenant's Broker specified in Section 1(a)(21), and Tenant hereby agrees to indemnify and hold harmless Landlord from and against any cost, expense, claims, liability or damage resulting from a breach of the representation and warranty herein contained. Landlord represents and warrants to Tenant that the Landlord's Broker as specified in Section 1(a)(21) is the only broker which it has authorized to act on its behalf in respect to this Lease transaction, and Landlord hereby agrees to indemnify and hold harmless Tenant from and against any cost, expense, claims, liability or damage resulting from a breach of the representation and warranty herein contained.

35. No Waiver. No provision of this Lease shall be deemed to have been waived by Landlord, unless such waiver be in writing signed by Landlord. No waiver by Landlord of any breach by Tenant of any of the terms, covenants, agreements, or conditions of this Lease, nor compromise or settlement thereof, shall be deemed to constitute a waiver of any succeeding breach thereof, or a waiver of any breach of any of the other terms, covenants, agreements, and conditions herein contained. No custom or practice which may occur or develop between the parties in connection with the terms of this Lease shall be construed to waive or lessen Landlord's right to insist upon strict performance of the terms of this Lease, without a written notice thereof from Landlord to Tenant. No employee of Landlord or of Landlord's agents shall have any authority to accept the keys of the Leased Premises prior to termination of the Lease, and the delivery of keys to any employee of Landlord or Landlord's agents shall not operate as a termination of the Lease or a surrender of the Leased Premises. The receipt by Landlord of any payment of Minimum Annual Rent or Additional Rent with knowledge of the breach of any covenant of this Lease shall not be deemed a waiver of such breach. The failure of Landlord to enforce any of the Rules and Regulations made a part of this Lease, or hereafter adopted, against Tenant or any other tenant in the Building shall not be deemed a waiver of any such Rules and Regulations.

36. Limitation of Landlord's Liability. In consideration of the benefits accruing hereunder, Tenant and all successors and assigns of Tenant covenant and agree that in the event of any actual or alleged failure, breach or default hereunder by Landlord: (a) the sole and exclusive remedy shall be against the interest of Landlord in the Building; (b) neither Landlord nor (if Landlord is a limited liability company) any member nor (if Landlord is a partnership) any partner of Landlord nor (if Landlord is a corporation) any shareholder of Landlord shall be personally liable with respect to any claim arising out of or related to this Lease; (c) no partner, member or shareholder of Landlord shall be sued or named as a party in any suit or action (except as may be necessary to secure jurisdiction of Landlord); (d) no service of process shall be made against any partner, member or shareholder of Landlord (except as may be necessary to secure jurisdiction of Landlord); (e) any judgment granted against any partner, member or shareholder of Landlord may be vacated and set aside at any time as if such judgment had never been granted; and (f) these covenants and agreements are enforceable both by Landlord and also by any partner, member or shareholder of Landlord. No other assets of Landlord shall be subject to levy, execution or other judicial process for the satisfaction of Tenant's claim.

37. Transfer of the Building. In the event of the sale or other transfer of Landlord's right, title and interest in the Leased Premises or the Building (except in the case of a sale-leaseback financing transaction in which Landlord is the lessee), Landlord shall transfer and assign to such purchaser or transferee all amounts of pre-paid Minimum Annual Rent, and Landlord thereupon and without further act by either party hereto shall be released from all liability and obligations hereunder derived from this Lease arising out of any act, occurrence or omission relating to the Leased Premises or this Lease occurring after the consummation of such sale or transfer. Tenant shall have no right to terminate this Lease nor to abate Minimum Annual Rent nor to deduct from, nor set-off, nor counterclaim against Minimum Annual Rent because of any sale or transfer (including, without limitation, any sale-leaseback) by Landlord or its successors or assigns. Upon any sale or other transfer as above provided (other than a sale-leaseback), or upon any assignment of Landlord's interest herein, it shall be deemed and construed conclusively, without further agreement between the parties, that the purchaser or other transferee or assignee has assumed and agreed to perform the obligations of Landlord thereafter accruing.

38. Relocation. Landlord reserves the right at any time prior to the commencement of the Lease Term, and upon thirty (30) days prior written notice to the Tenant if the Lease Term has commenced, to relocate Tenant to such other space, area, or floor within the Building as the Landlord may deem advisable or necessary, provided that such other space or area shall be of a similar nature and size to the Leased Premises described in Section 1(a) above. If Landlord relocates Tenant, then (i) Landlord shall build out the relocated premises so that it is substantially similar to

the Leased Premises, (ii) Landlord shall reimburse Tenant for (1) Tenant's reasonable, out-of-pocket moving expenses, and (2) reasonable, out-of-pocket costs incurred in changing addresses on Tenant's on-hand stationery, business cards, advertising, and other such items (not to exceed $1,500). If such a relocation is made hereunder, Tenant agrees to execute upon request of Landlord, an amendment to this Lease re-describing the Leased Premises, but all other terms, covenants and conditions of this Lease shall remain in full force and effect. Should Tenant refuse to permit Landlord to move Tenant to such new space, Landlord shall have the right to cancel and terminate this Lease by giving ten (10) days' prior written notice to Tenant.

39. **Waiver of Counterclaim and Trial by Jury. Landlord and Tenant waive their right to trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other (except for personal injury or property damage) on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use of or occupancy of the Leased Premises, and any emergency statutory or any other statutory remedy. Tenant shall not interpose any counterclaim or counterclaims or claims for set-off, recoupment or deduction of Minimum Annual Rent or Additional Rent in a summary proceeding for nonpayment of Minimum Annual Rent or Additional Rent or other action or summary proceeding Based on termination, holdover or other default in which Landlord seeks repossession of the Leased Premises from Tenant.**

40. Miscellaneous Provisions.

Disclosures And Affirmations.

1. Business Relationships.

Landlord acknowledges (A) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this lease, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to this lease shall be grounds for termination of this lease. Landlord hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this lease.

2. Patriot Act Certification.

Landlord represents and warrants that neither Landlord nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this section, an "Affiliate" shall be deemed to be a person or entity related to Landlord that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

3. Prohibition On Certain Contributions -- Mayoral Executive Order Number 2011-4.

Landlord agrees that Landlord, any person or entity who directly or indirectly has an ownership or beneficial interest in Landlord of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct

contractual privity with Landlord regarding the subject matter of this lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Subowners") and spouses and domestic partners of such Subowners (Landlord and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this lease by Landlord, (b) while this lease or any Other Contract (as hereinafter defined) is executory, (c) during the Term of this lease or any Other Contract, or (d) during any period while an extension of this lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Landlord represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached Landlord, or the date Landlord approached the City, as applicable, regarding the formulation of this lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 2011-4.

Notwithstanding anything to the contrary contained herein, Landlord agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order Number 2011-4 constitutes a breach and default under this lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order Number 2011-4 prior to the execution of this lease, the City may elect to decline to lease the Premises from Landlord or to terminate the lease after execution.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City of Chicago to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) joint credit account;

(C) a joint checking account;

(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

4. Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its Contractors and its subcontractors regarding the subject matter of this lease ("Subcontractors"), have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this lease is executory, Landlord's, any general Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this lease, constitutes a breach of and an event of default under this lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under this lease, at law or in equity. This section does not limit Landlord's, its general Contractors' and its Subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this lease. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this lease, and may further affect the Landlord's eligibility for future contract awards.

5. Failure To Maintain Eligibility To Do Business With City.

Failure by Landlord or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this lease and the transactions contemplated thereby. Landlord shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

6. Cooperation With Office Of Inspector General And Legislative Inspector General.

It is the duty of Landlord and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Landlord represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Landlord will inform its Contractors and Subcontractors of this provision and require their compliance.

7. 2014 Hiring Plan Prohibitions.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case Number 69 C 2145 (United States District Court for the Northern District of Illinois).

Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Landlord is aware that City policy prohibits City employees from directing any individual to apply for a position with Landlord, either as an employee or as a subcontractor, and from directing Landlord to hire any individual as an employee or as a subcontractor. Accordingly, Landlord must follow its own hiring and contracting procedures, without being influenced by City or City employees. Any and all personnel provided by Landlord under this lease are employees or Subcontractors of Landlord, not employees of the City. This lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Landlord.

(iii) Landlord will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this lease, or offer employment to any individual to provide services under this lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

Agreement.

1. The recitations set forth above constitute an integral part of this Amended and Restated Agreement and are hereby incorporated herein by reference with the same force and effect as if set forth herein as agreements of the parties and are made a part of this Amended and Restated Agreement.

2. Upon execution of this Amended and Restated Agreement by the Chief Executive Officer of the Authority, and consistent with the CPD's and Authority's policies concerning secondary employment (including CPD's Employee Resource E01-11), the City, through the Superintendent, will permit its off-duty, uniformed CPD sworn personnel to provide Services to the Authority.

3. Off-duty, uniformed CPD sworn personnel are authorized to wear their CPD uniforms while serving at Authority facilities, while providing Services to and under the direction of the Authority. Such off-duty, uniformed sworn personnel will be considered to be independent contractors at all times and will be issued federal IRS Form 1099 concerning earnings.

4. If an action, claim, suit, or grievance is brought against the City or any of its officers, agents, representatives or employees ("City Indemnitees") by reason of the Authority's employing of off-duty, uniformed CPD sworn personnel, or the Superintendent having granted such CPD sworn personnel permission to wear CPD uniforms while providing Services, to the extent permitted by law, the Authority will defend and indemnify the City Indemnitees from, for, and against, all suits, claims, grievances, damages, costs, expenses, judgments, and liabilities, including costs of defense and reasonable attorneys' fees. Such indemnity includes, but is not limited to:

a) a claim by any person that each of the City Indemnitees or CPD is any way responsible for the actions or inactions of off-duty, uniformed CPD sworn personnel providing Services to the Authority (including but not limited to any claim under the U.S. Constitution, federal or state laws, municipal ordinances, or common law); and

6. Notwithstanding the provisions of paragraph 4 above, the City may elect to provide its own defense, or to defend any of its officers, agents, representatives or employees, in case any claim is made as described in paragraph 4. While such election does not affect the Authority's obligation to indemnify the City Indemnitees, and any of its officers, agents, representatives or employees as provided in paragraph 4, nevertheless, if the City chooses to conduct its own defense, it must act diligently and in good faith to protect the Authority. The City is not entitled to settle any case, for which it intends to seek indemnification from the Authority without prior approval by the Authority, and, if appropriate, the Authority's insurer.

7. The Authority will maintain its existing insurance program and will provide Comprehensive General Liability (CGL) insurance in the amount of not less than $10,000,000 per occurrence for bodily injury, personal injury and property damage liability. The City and City Indemnitees will be named as additional insureds.

8. This Amended and Restated Agreement has no effect on the right of any off-duty, uniformed CPD sworn personnel to claim a right of representation or indemnification from the City as provided by applicable law or ordinance.

9. The City is not, under any circumstances, obligated to provide representation to the Authority or its members of the Board, officers, agents, representatives, or employees in any litigation that may arise out of the Authority's employment of off-duty, uniformed CPD sworn personnel, although, with the Authority's prior written consent, the City may elect to do so.

10. The City is not liable to the Authority, or its members of the Board, officers, agents, representatives, or employees by reason of the Authority's employment of off-duty, uniformed CPD sworn personnel, it being solely within the discretion and responsibility of the Authority to select, direct, control and compensate such off-duty, uniformed CPD sworn personnel providing Services to the Authority.

11. No member of the Board, officers, employees or agents of the Authority, or officers, employees or agents of the City shall be held individually or personally liable in connection with this Amended and Restated Agreement or the Services provided under this Amended and Restated Agreement.

12. Either party has the right to terminate this Amended and Restated Agreement by giving the other party 60 calendar days prior written notice. When this Amended and Restated Agreement is terminated and on the effective date of the termination, the Superintendent's permission to allow off-duty sworn officers to wear CPD uniforms while rendering Services to the Authority ends. The Superintendent will notify its CPD sworn officers providing Services of that fact.

13. The provisions of paragraphs 4, 5, 6, 7, 8, 9 and 10 shall survive the termination of this Amended and Restated Agreement with respect to actions, claims, suits, or grievances that arose while this Amended and Restated Agreement was in effect.

14. Any notice required pursuant to the terms of this Amended and Restated Agreement shall be delivered to the respective parties at the following addresses:

The Board shall let the contracts for the construction of the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto. Upon the City's request, the Board shall provide evidence reasonably satisfactory to the City of such compliance.

3.6. Permits. At such time as the Board lets a contract or contracts for the Project, the Board, at the Board's expense, shall also provide the City with copies of all governmental licenses and permits required to develop and construct the Project and to use, occupy, operate and maintain the Project as a school from all appropriate governmental authorities, including, but not limited to, building permits, street and sidewalk closure permits, driveway permits and infrastructure permits and evidence that the School is appropriately zoned to be used, occupied and operated as a public facility.

The Drawings shall conform with the terms of this Agreement, and applicable federal, state and local laws, ordinances and regulations, including, without limitation, Illinois Prevailing Wage Act, the Chicago Human Rights Ordinance, EEO and affirmative action requirements, MBE/WBE participation, Chicago residency requirement, community hiring requirements, the Zoning Ordinance and the Landscape Ordinance of the Municipal Code of Chicago. (1990), the Americans with Disabilities Act of 1990, 42 U.S.C. 12101 et seq. (1990) and 47 U.S.C. 152, 221, 225 and 611 (1990), the Illinois Environmental Barriers Act, 410 ILCS 25/1 et seq. (1992), and the Illinois Accessibility Code, 71 Ill.Admin.Code ch. 1, such. B, sec. 400.100 et seq. (1988). No material deviation from the Drawings may be made without the prior written approval of the City which will not be unreasonably withheld.

3.8. Contractor's Insurance. In all contracts relating to the Project, the Board agrees to require its contractors to name the City as an additional insured on all insurance policies and to require its contractors to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses, including but not limited to attorney's fees, arising out of or resulting from the construction of the Project by its contractors or contractors' suppliers, employees or agents.

3.9. Inspection and Oversight. The Board agrees to carefully inspect the School prior to commencement of any activity on the School with regard to construction of the Project to

ensure that such activity with regard to the construction of the Project shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Board shall be solely responsible for the safety and protection of the public with regard to the construction of the Project. The City reserves the right, but shall have no obligation, to inspect the work being done on the School.

3.10. Title Commitment and Insurance. The Board shall be responsible for obtaining, at the Board's expense, any title commitment or title policy with respect to the School that it deems necessary.

3.12. Development Budget for the Project. The Board has prepared the budget describing the various hard and soft construction costs relating to the development of the Project set forth on Exhibit C (the "Preliminary Project Budget") which has been approved by the Department. Any cost decreases or increases in excess of five percent (5%) of the aggregate budget amount must be approved by the Department. The Board has prepared the preliminary schedule for the development and construction of the Project set forth in Exhibit D ("Schedule"), which has been approved by the Department. No material deviation from the Schedule shall be made without the prior approval of the Department, subject to the permitted delay provisions of Section 13.2 of this Agreement.

3.13. Reports. The Board shall provide the City with monthly reports on the progress of the Project and reasonable access to its books and records relating to the Project.

3.14. No Liens. The Board agrees to keep the School free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Board.

In addition, the Board shall deliver to the City copies of any manufacturer's or other warranties provided by material suppliers or from subcontractors, with the originals of such materials being delivered to the Board. The City shall disburse the City Funds within 90 days of Final Acceptance.

SECTION 5. LIMITED APPLICABILITY.

Approvals. The approval of the Drawings by the Department are for the purposes of this Agreement only and do not constitute the approval required by the City's Department of

Buildings, or any other City department; nor does the approval by the Department pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of the Project. The approval given by the Department shall be only for the benefit of the Board.

SECTION 6. COMMENCEMENT AND COMPLETION OF THE PROJECT.

Reserved.

SECTION 7. CERTIFICATE OF COMPLETION.

Certificate of Completion; Inspection. Upon completion of construction of the Project in accordance with the Drawings, the City, upon written request by the Board, shall furnish the Board with a certificate of completion ("Certificate") evidencing that Board has satisfactorily completed the Project. The Certificate shall not constitute evidence that the Board has complied with any applicable provisions of federal, state and local laws, ordinances and regulations with regard to the completion of the Project, nor shall it serve as any "guaranty" of the structural soundness or quality of the construction of any improvements in the Project.

Upon written request by the Board for the Certificate, the Department shall promptly undertake an inspection of the Project and thereafter provide Board either with the Certificate or a written statement indicating what measures or acts will be necessary, in the reasonable opinion of the City, for the Board to perform in order to obtain the Certificate. The Board shall promptly, but in all events within sixty (60) days, correct any such nonconformity or default, subject to permitted delays or such additional cure period as the Department may consent to, in its sole discretion. Upon compliance with the City's requirements, the Board shall resubmit a written request for a Certificate from the City.

SECTION 8. CONTINUING OBLIGATIONS OF THE BOARD AND THE SCHOOL.

Maintenance and Use. After the issuance of the Certificate by the City, the Board shall comply, and cause the School to comply, as applicable, with the covenants set forth in this Section 8, and the other provisions of this Agreement applicable to the continuing maintenance and use of the Project.

8.1. Maintenance of the Project.

On-Going Maintenance of the Project. The Board shall cause the School to: (a) maintain, repair and, if required, replace the resilient acrylic surfacing; (b) provide light bulb replacement for all light fixtures located at the Project; (c) provide trash pickup and disposal services at the Project; and (d) remove snow and arrange for the removal of leaves, litter, debris and other waste materials at the Project.

8.2. Use of the Project

(a) Generally. The Project shall be utilized as open space for use by the public for and on behalf of the City. The School shall not restrict access to the Project by the public during the hours of operation of the Project, as set forth below, and furthermore, shall not discriminate based upon race, color, religion, sex, national origin or ancestry, military status, sexual orientation, source of income, age, or handicap, in the use of the Project by the public. The hours of operation of the Project shall be during regular School hours and additional hours if the school is open late. The School shall post a sign at the School informing the public of the hours the Project is open. In addition, the Project may also be used by appointment by community groups and others on the weekends and when the School is not open with prior written approval from the School principal. All expenses associated with the use of the Project when the School is not open shall be at the cost of the School. The School shall not store any toxic or hazardous materials at the Project in a manner in violation of any applicable law. Other than set forth in the Drawings, no structures or improvements are to be constructed on the Project by the Board without the prior written approval of the Department, which shall not be unreasonably withheld.

(b) No Rights of Use for Private Purposes Conferred. This Agreement does not confer any special rights upon the Board or any other person or entity to use the Project for private parties or events. The use of alcohol in the Project by any person or entity is strictly prohibited.

(c) Notice to the City. The Board agrees to notify the City in writing of any injury to persons or property relating to the construction of the Project within seven (7) days of the date that the Board becomes aware of such injury, and in the instance of an emergency, to notify the City immediately by telephone and facsimile notice by contacting the Authorized Representative, Department of Planning and Development, City of Chicago, Room 1000, 121 N. LaSalle Street, Chicago, Illinois 60602, or such other person as the City shall designate to the Board in writing. Furthermore, the Board agrees to notify the City immediately in the method described in this paragraph in the event that it learns that the Project is being utilized by any of the public in violation of the open space requirement for the Project, including, without limitation, (a) any unauthorized events occurring at the Project, including, without limitation, private parties; or (b) the occurrence of any illegal activity at the Project. Notwithstanding anything to the contrary contained in this paragraph, the Board shall not be responsible for policing or providing any private security for the use of the Project. Failure to notify the City (as provided for herein) shall not give rise to a claim for damages by the City against the Board.

(d) Injury to Persons and Property; Insurance and Indemnity. The City acknowledges that the Board is self-insured up to $3,000,000 for general liability insurance; furthermore, the Board agrees to indemnify, defend and hold the City, its officers and employees, harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered

or incurred by the City (excepting that caused by the negligence or misconduct of the City) arising from or in connection with the Board's negligence in: (a) developing the Project, including, without limitation, the failure of the Board or any contractor to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; or (b) the failure of the Board to perform its obligations under this Agreement to maintain the Project for so long as the Board is the beneficial owner and controls the School and the School continues to operate as a Chicago Public School. This indemnification shall survive any termination of this Agreement.

(e) Permits. The Board shall apply for and maintain any and all governmental permits and approvals relating to the ongoing operation and maintenance of the Project.

SECTION 9. CITY'S POST-CERTIFICATE OBLIGATIONS.

After the issuance of the Certificate by the City, the City shall be obligated with regard to the following:

9.1. Insurance and Indemnity. The City acknowledges to the Board that it is self-insured and furthermore agrees to indemnify, defend and hold the Board harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses, including, without limitation, attorneys' fees and court costs suffered or incurred by the Board (excepting the contractor's liability or caused by the negligence or misconduct of Board) arising from or in connection with the use and operation of the Project. This indemnification shall survive any termination of this Agreement. Notwithstanding anything to the contrary, in the event that the City assigns its rights under this Agreement as provided for herein, the assignee shall be required to obtain and keep in force and effect a Comprehensive Commercial General Liability Insurance policy insuring against claims for personal injury, death or property damage occurring in, on or about the Project arising out of the ownership, maintenance, operation or use of the Project by the City or any of its employees in an amount not less than $3,000,000 per occurrence and $3,000,000 general aggregate. The Board shall be named as an additional insured on such policy as its interest may appear.

9.2. Utilities. The City shall be liable to provide utility service (e.g. electrical, water and sewer) to the Project.

9.3. Discretionary Maintenance By City. The City may elect, at the City's cost and expense, to install and remove holiday lighting and seasonal decor, to make the Project available for neighborhood festivals and street fairs, and to otherwise schedule events at and license the use of the Project for limited, short term purposes. In the event such short term uses are planned, the City shall give the School and the Board courtesy notice of such events.

SECTION 10. ENVIRONMENTAL MATTERS.

Environmental Responsibilities. It shall be the responsibility of the Board to investigate and determine the soil and environmental condition of the School. The City makes

no covenant, representation or warranty as to the environmental condition of the School or the suitability of the School as a Project or for any use whatsoever.

SECTION 11. RESERVED.

SECTION 12. TERM OF THE AGREEMENT.

Term: The term of the Agreement shall commence as of the date hereof and, unless otherwise terminated by the City in writing, shall continue for so long as the Board is the beneficial owner and controls the School and the School continues to operate as a Chicago Public School.

SECTION 13. PERFORMANCE, EVALUATION AND BREACH; REMEDIES.

13.1 Time of the Essence. Time is of the essence in the parties' performance of their obligations under this Agreement. Should any date fall on a weekend or holiday, the deadline for compliance shall not occur until the next regular business day.

13.2 Permitted Delays. The Board shall not be in breach of its obligation to construct the Project in the event of a delay in the performance of such obligations due to unforeseeable causes beyond the Board's control and without the Board's fault or negligence, including but not limited to, delays or halts in construction of the Project which are compelled by court order, acts of God, acts of the public enemy, acts of the United States government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, inability to obtain certain necessary materials and unusually severe weather or delays of subcontractors due to such cause. The time for the performance of the obligations shall be extended only for the period of the delay if the Board requests it in writing of the City within twenty (20) days after the beginning of any such delay.

13.3 Breach. Except as otherwise provided in this Agreement, in the event of a default by either party in the performance of its obligations under this Agreement, the defaulting party, upon written notice from the other, shall cure or remedy the default not later than sixty (60) days after receipt of such notice. If the default is not capable of being cured within the sixty (60) day period but the defaulting party has commenced action to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, then the sixty (60) day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the aggrieved party may institute such proceedings at law or in equity as may be necessary or desirable in its sole discretion to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

For purposes of this Agreement, the occurrence of any one or more of the following shall constitute an "event of default":

1. If either party fails to perform, keep or observe any of the material covenants, conditions, promises, agreements or obligations required under this Agreement; or

2. If either party makes or furnishes a warranty, representation, statement or certification to the other party which is not true and correct in any material respect; or

3. Subject to the permitted delays referenced above, the Board abandons or substantially suspends the construction of the Project, and such abandonment or suspension is not cured, ended, or remedied within sixty (60) days of the date the Board receives written demand by the City to cure such default; or

4. The Board suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Project; or

5. The Board fails to comply, or cause the School to comply, with the maintenance and other obligations regarding the Project described in Section 8; or

6. Either party fails to comply with the terms of any other written agreement entered into with the other party relating to the Project.

13.4 Waiver and Estoppel. Any delay by either party in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the delaying party of or limit such rights in any way. No waiver made by either party with respect to any specific default by the other party shall be construed, considered or treated as a waiver of the rights of the waiving party with respect to any other defaults of the other party.

13.5. Access to the School. So long as the City holds title to the School and throughout the Term of this Agreement, any duly authorized representative of the City shall have access to the Project at all reasonable times for the purpose of confirming the Board's compliance with its obligations under this Agreement.

13.6. City's Right to Inspect Records. The Board agrees that the City shall have the right and authority to review and audit, from time to time, the Board books and records solely relating to the Project, including, without limitation, general contractor's sworn statements, the contract with the General Contractor and subcontracts, purchase orders, waivers of lien, paid receipts and invoices. All such books, records and other documents shall be available at the offices of the Board for inspection, copying, audit and examination at all reasonable times by any duly authorized representative of the Department upon prior reasonable notice to the Board and at the Department's sole cost and expense.

13.7. Evaluation. Upon written request by the City, but not more frequently than once on an annual basis, the Board shall submit to the City a written report describing the maintenance of the Project and all costs attendant thereto. Thereafter, at the City's request, representatives of the City and of the Board shall meet and address any issues and concerns. Should the City reasonably determine, as a result of the review of the report and the site visit,

that the Board is not complying with the terms and provisions of this Agreement, the parties agree that: (i) the City shall deliver a notice of default as provided for in this Section and the Board shall thereafter have an opportunity to cure (as provided for in this Section 13); or (ii) in the alternative, the City, by written notice to the Board, may terminate this Agreement.

13.8. Enforcement and Remedies. The parties hereto shall have such remedies as may be available at law or in equity for a breach of this Agreement. Such equitable remedies shall include, without limitation, the right to bring a mandamus action and specific performance.

SECTION 14. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

Conflict of Interest: The Board warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is directly or indirectly interested. No agent, official, or employee of either party shall be personally liable to the other party or any successor in interest in the event of any default or breach by the defaulting party or for any amount which may become due to the other party or successor or on any obligation under the terms of this Agreement.

SECTION 15. BARRICADES, SIGNS AND PUBLIC RELATIONS.

Barricades, Signs, and Public Relations; City Approval. Prior to the commencement of any demolition or construction activity requiring barricades, the Board shall install a barricade of a type and appearance reasonably satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. The City shall retain the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades.

At the request of the City, the Board shall erect a sign of size and style approved by the Department in a conspicuous location at the Project during the construction of the Project, indicating that the undertaking of the Project is in accordance with City objectives. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding the Board and the Project in the City's promotional literature and communications. Until the expiration of the Term of the Agreement, the Department shall have the right to approve any changes in signage that are inconsistent with the original signage approved for the Project.

Project Description.
(See Architectural Drawing Attached)

This project at Nettelhorst Elementary School converts some of the school's paved area into new active spaces for the students. The overall project provides two active areas on the east and west sides of the school and an artificial turf field. The east and west active areas will have the existing surfaces removed, the aggregate base material stabilized, and HMA surfacing installed. Court markings (i.e. soccer, tennis, volleyball, basketball) will be added as determined by the school.

The artificial turf field will include removal of the pavement, installation of drainage infrastructure and concrete containment curbs, aggregate base material for field and storm water management, synthetic turf with field markings, and protective fencing. The proposed scope creates interesting active and passive spaces as well as useful and modern recreational opportunities for the entire community.

The invoice will further be prepared in such form and in such detail as the City may require and will be supported by all documents as may be reasonably requested by the City. The City will process properly

completed invoices for payment within 30 days of the receipt of acceptable invoices and any supporting documentation necessary for the City to verify the Services provided under this Agreement.

6.4 Funding

The source of funds for payments under this Agreement is Fund number 355, and any disbursements therefrom are subject to the availability of funds.

6.5 Non-Appropriation

If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for payments to be made under this Agreement, then the City will notify Home Run Inn in writing of that occurrence, and this Agreement will terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. Payments for Services completed to the date of notification will be made to Home Run Inn except that no payments will be made or due to Home Run Inn under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments under this Agreement.

SECTION 7. SPECIAL CONDITIONS

H. represents that if it conducts any business operations in Northern Ireland, in accordance with Section 2-92-580 of the Municipal Code of Chicago, the Home Run Inn must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act. 85-1390 (1988 Ill. Law S 3220);

I. acknowledges that, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached to this Agreement and incorporated by reference, no representation, statement or promise, oral or in writing, or of any kind whatsoever, by the City, its officials, agents, or employees, has induced the Home Run Inn to enter into this Agreement or has been relied upon by Home Run Inn including any with reference to: (1) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement; (2) the nature, quantity, quality or size of any materials, equipment, labor, and other facilities needed for the performance of this Agreement; (3) the general conditions which may in any way affect this Agreement or its performance; (4) the compensation provisions of the Agreement; or (5) any other matters, whether similar to or different from those referred to in (1) through (5) immediately above, affecting or having any connection with this Agreement, the negotiation of this Agreement, any discussions regarding this Agreement, the performance of this Agreement or those employed or connected or concerned with this Agreement;

K. acknowledges that it understands and agrees that all certifications, affidavits, or acknowledgments made under oath in connection with this Agreement are made under penalty of perjury, and, if false, are also cause for termination pursuant to Section 8.1 and 8.2 of this Agreement; and

L. warrants and represents that neither Home Run Inn nor any Affiliate of Home Run Inn appears on any of the following lists maintained by the

Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. "Affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise; and

7.3 Non-Liability of Public Employees. No member, official or employee of the City will be personally liable to Home Run Inn in the event of any default or breach by the City for any amount which may become due to the Home Run Inn, or on any obligation under the terms of this Agreement.

7.4 Right to Set-off.

A. In accordance with Chapter 2-92-380 of the Municipal Code of Chicago and in addition to any other rights and remedies (including any of set-off) available to the City of Chicago ("City") under this Agreement or permitted at law or in equity, the City is entitled to set off a portion of the contract, in an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and/or the amount of any debt owed by the contracting party to the City. For the purposes of this section, "outstanding parking violation complaint" means a parking ticket, notice of parking violation, or parking violation complaint on which no payment has been made or appearance filed in the Circuit Court of Cook County within the time specified sum of money owed to the City for which the period granted for payment has expired.

B. Notwithstanding the provisions of subsection (A) above, no such debt(s) or outstanding violation complaint(s) will be offset from the contract if one or more of the following conditions are met:

1. the contracting party has entered into an agreement with the Department of Revenue, or other appropriate City department, for the payment of all outstanding parking complaints and/or debts

owed to the City and the contracting party is in compliance with the agreement; or

2. the contracting party is contesting liability for or the amount of the debt in a pending administrative or judicial proceeding; or

3. the contracting party has filed a petition in bankruptcy and the debts owed the City are dischargeable in bankruptcy.

7.5 Business Relationships with Elected Officials. Pursuant to MCC Sect. 2-156-030(b), it is illegal for any elected official, or any person acting at the direction of such official, to contact either orally or in writing any other City official or employee with respect to any matter involving any person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months. In addition, no elected official may participate in any discussion in any City Council committee hearing or in any City Council meeting or vote on any matter involving the person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months.

Violation of MCC § 2-156-030 by any elected official with respect to this contract will be grounds for termination of this contract. The term financial interest is defined as set forth in MCC Chapter 2-156.

7.6 Minimum Wage, Mayoral Executive Order 2014-1

Mayoral Executive Order 2014-1 provides for a fair and adequate Minimum Wage to be paid to employees of City contractors and subcontractors performing work on City contracts.

If this contract was advertised on or after October 1, 2014, Contractor must comply with Mayoral Executive Order 2014-1 and any applicable regulations issued by the CPO. The Minimum Wage to be paid pursuant to the Order as of July 1, 2015 is **$13.00 per hour**. The Minimum Wage must be paid to:

All employees regularly performing work on City property or at a City jobsite.

All employees whose regular work entails performing a service for the City under a City contract.

Beginning on July 1, 2015, and every July 1 thereafter, the hourly wage specified by the Executive Order shall increase in proportion to the increase, if any, in the Consumer Price Index for All Urban Consumers most recently published by the Bureau of Labor Statistics of the United States Department of Labor. Any hourly wage increase shall be rounded up to the nearest multiple of $0.05. Such increase shall remain in effect until any subsequent adjustment is made. On or before June 1, 2015, and on or before every June 1 thereafter, the City shall make available to City Concessionaires a bulletin announcing the adjusted minimum hourly wages for the upcoming year.

The Minimum Wage is not required to be paid to employees whose work is performed in general support of contractors operations, does not directly relate to the services provided to the City under the contract, and is included in the contract price as overhead, unless that employee's regularly assigned work location is on City property or at a City jobsite. It is also not required to be paid by employers that are 501(c)(3) not-for-profits.

Except as further described, the Minimum Wage is also not required to be paid to categories of employees subject to subsection 4(a)(2), subsection 4(a)(3), subsection 4(d), subsection 4(e), or Section 6 of the Illinois Minimum Wage Law, 820 ILCS 105/1 et seq., in force as of the date of this Contract or as amended. Nevertheless, the Minimum Wage is required to be paid to those workers described in subsections 4(a)(2)(A) and 4(a)(2)(B) of the Illinois Minimum Wage Law.

Additionally, the Minimum Wage is not required to be paid to employees subject to a collective bargaining agreement that provides for different wages than those required by Mayoral Executive Order 2014-1, if that collective bargaining agreement was in force prior to October 1, 2014 or if that collective bargaining agreement clearly and specifically waives the requirements of the order.

If the payment a Base Wage pursuant to Municipal Code of Chicago Sect. 2-92-610 is required for work or services done under this Contract, and the Minimum Wage is higher than the Base Wage, then the Contractor must pay the Minimum Wage. Likewise, if the payment of a prevailing wage is required and the prevailing wage is higher than the Minimum Wage, then the Contractor must pay the prevailing wage.

Contractors are reminded that they must comply with Municipal Code Chapter 1-24 establishing a minimum wage.

7.7 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("**Covered Employees**"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(i) If Home Run Inn has 25 or more full-time employees, and
(ii) If at any time during the performance of this Agreement, Home Run Inn
and/or any subcontractor or any other entity that provides any portion of the Services (collectively "**Performing Parties**") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then
(iii) Home Run Inn must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "**Base Wage**") for all Services performed under this Agreement.

(b) Home Run Inn's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2015, the Base Wage is $12.13 per hour, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, the Home Run Inn and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then the Home Run Inn and all other Performing Parties must pay the prevailing wage rates.

(d) Home Run Inn must include provisions in all subcontracts requiring its subcontractors to pay the Base Wage to Covered Employees. Home Run Inn agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Home Run Inn or by a subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Home Run Inn and/or subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up
to 3 years.

(e) Not-for-Profit Corporations: If Home Run Inn is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

7.7 Prohibition on Certain Contributions – Mayoral Executive Order No. 11-4

Home Run Inn agrees that Home Run Inn, any person or entity who directly or indirectly

has an ownership or beneficial interest in Home Run Inn of more than 7.5 percent ("**Owners**"), spouses and domestic partners of such Owners, Home Run Inn's subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any subcontractor of more than 7.5 percent ("**Sub-owners**") and spouses and domestic partners of such Sub-owners (Home Run Inn and all the other preceding classes of persons and entities are together, the "**Identified Parties**"), shall not make a contribution of any amount to the Mayor of the City of Chicago ("**Mayor**") or to his political fundraising committee during (i) the bid or other solicitation process for this Agreement or Other Contract, including while this Agreement or Other Contract is executory, (ii) the term of this Agreement or any Other Contract between the Home Run Inn and the City, and/or (iii) any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Home Run Inn represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached Home Run Inn or the date Home Run Inn approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Home Run Inn agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Home Run Inn agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 11-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 11-4.

Home Run Inn agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 11-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Home Run Inn violates this provision or Mayoral Executive Order No. 11.4 prior to award of the Agreement resulting from this specification, the Chief Procurement Officer may reject Home Run Inn's bid.

For purposes of this provision:

"Other Contract" means any other agreement with the City of Chicago to which Home

Run Inn is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the city council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal code of Chicago, as amended."

7.8 Environmental Warranties and Representations

"In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Home Run Inn warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

7-28-390 Dumping on public way;
7-28-440 Dumping on real estate without permit;
11-4-1410 Disposal in waters prohibited;
11-4-1420 Ballast tank, bilge tank or other discharge;
11-4-1450 Gas manufacturing residue;
11-4-1500 Treatment and disposal of solid or liquid waste;
11-4-1530 Compliance with rules and regulations required;
11-4-1550 Operational requirements; and
11-4-1560 Screening requirements.

During the period while this Agreement is executory, Home Run Inn's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Home Run Inn's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Home Run Inn's eligibility for future contract awards.

7.9 Firms Owned or Operated by Individuals with Disabilities

The City encourages contractors to use Subcontractors that are firms owned or operated by individuals with disabilities, as defined by Section 2-92-586 of the Municipal Code of the City of Chicago, where not otherwise prohibited by federal or state law.

7.10 Ethics

(a) Home Run Inn warrants:

(i) no officer, agent or employee of the City is employed by Home Run Inn or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics established under Chapter 2-156 of the Municipal Code .

(ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Home Run Inn or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Home Run Inn must comply with Chapter 2-156 of the Municipal Code. Home Run Inn acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156, including any contract entered into with any person who has retained or employed a non-registered lobbyist in violation of Section 2-156-305 of the Municipal Code is voidable as to the City.

SECTION 8. DEFAULT, REMEDIES, TERMINATION

8.1 Events of Default Defined.

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Home Run Inn to the City.

B. The Home Run Inn's material failure to perform any of its obligations under this Agreement including the following:

1. Failure due to a reason or circumstances within the Home Run Inn's reasonable control to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;

2. Failure to perform the Services in a manner reasonably satisfactory to the Commissioner or the City or inability to perform the Services satisfactorily as a result of insolvency, filing for

bankruptcy or assignment for the benefit of creditors;

3. Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

4. Discontinuance of the Services for reasons within the Home Run Inn's reasonable control; and

5. Failure to comply with any other material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination.

6. Failure to comply with Section 3.11 in the performance of the Agreement.

7. Home Run Inn's repeated or continued violations of City ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for City laws and regulations.

C. Any change in ownership or control of Home Run Inn without the prior written approval of the City, which approval the City will not unreasonably withhold.

D. Home Run Inn's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. Home Run Inn acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other Agreements.

8.2 Remedies. The occurrence of any event of default which Home Run Inn has failed to cure, or to cause to be cured, within three (3) calendar days after receipt of notice given in accordance with the terms of this Agreement and specifying the event of default, or where, if such event of default cannot be reasonably cured within three (3) calendar days after notice, Home Run Inn has failed, in the sole opinion of the City, to commence and continue, or to cause to be commenced and continued, diligent efforts to cure, will permit the City to declare Home Run Inn in default. Whether to declare Home Run Inn in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the Commissioner to terminate the Agreement or pursue any other remedy or remedies, will be provided to Home Run Inn and such decision is final and effective upon Home Run Inn's receipt, as defined in this Agreement, of such notice. After giving of a default notice, the City may invoke any or all of the following remedies:

A. The right to take over and complete the Services required under this Agreement or any part of them as agent for and at the cost of Home Run

Inn, either directly or through others. Home Run Inn has, in that event, the right to offset from the cost the amount it would have cost the City under the terms and conditions of this Agreement, had Home Run Inn completed the Services. Upon the City's notification to Home Run Inn that it intends to invoke this remedy, any and all interest Home Run Inn may have in or under any agreements with subcontractors automatically vests in the City. In the case of any contract assigned and accepted by the City, Home Run Inn will remain liable to the subcontractor for any claim, suit or cause of action based on or the result of any error, omission, negligence, fraud, willful or intentionally tortious conduct or any other negligent or wrongful act or omission, or breach of contract by Home Run Inn, its officers, employees or agents arising prior to such assignment to the City, when such claim, suit or cause of action has not been discharged, disposed or otherwise resolved as of that date.

B. The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the City.

C. The right of specific performance, an injunction or any other appropriate equitable remedy.

D. The right to money damages.

E. The right to withhold all or any part of Home Run Inn's compensation under this Agreement.

F. The right to deem Home Run Inn non-responsible in future contracts to be awarded by the City.

G. The right to declare default on any other contract or agreement Home Run Inn may have with the City.

If the Commissioner considers it to be in the City's best interests, he may elect not to declare default or to terminate the Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits Home Run Inn to continue to provide the Services despite one or more events of default, Home Run Inn is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights.

The remedies under the terms of the Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the City deems expedient.

8.3 Early Termination. In addition to termination under Sections 8.1 and 8.2 of this Agreement, the City may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by advanced notice in writing from the City to Home Run Inn, or if sufficient funds have not been appropriated for the City to meet its obligations with respect to this Agreement or any of the Events. The City will give notice to Home Run Inn in accordance with the provisions of Section 10.8. The effective date of termination will be the date the notice is received by Home Run Inn or the date stated in the notice, whichever is later. If the City elects to terminate this Agreement in full, all Services to be provided under it must cease. In addition, Home Run Inn must deliver to the City all materials that may have been accumulated in performing this Agreement, whether completed or in the process, and any products purchased by Home Run Inn the costs of which had been previously reimbursed by the City to Home Run Inn, and such products will become the property of the City. Payment for the work performed before the effective date of such termination will be based upon an estimate of the Services actually performed by Home Run Inn to the date of the termination. Such estimate will be mutually agreed upon by the Commissioner, the City of Chicago and Home Run Inn. Such payment so made to Home Run Inn will be in full settlement for Services rendered under this Agreement.

Home Run Inn must include in its contracts with subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the City arising from termination of subcontracts after the early termination. Home Run Inn will not be entitled to make any early termination claims against the City resulting from any subcontractor's claims against Home Run Inn or the City to the extent inconsistent with this provision.

If the City's election to terminate this Agreement for default under Sections 8.1 and 8.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 8.3.

SECTION 9. ADDITIONAL CITY PROVISIONS

9.1 Inspector General. It is the duty of any bidder, proposer or contractor, all subcontractors, every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners and employees of any bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General or the Inspector General in any investigation or hearing, if applicable, undertaken pursuant to Chapters 2-55 or 2-56, respectively, of the Municipal Code. Home Run Inn understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code. All subcontracts must inform Subcontractors of the provision and require understanding and compliance with it.

9.2 Ineligibility to do Business with City.

Failure by the Contractor or any Controlling Person (defined in Section 1-23-010 of the

Municipal Code) thereof to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code shall render this Contract voidable or subject to termination, at the option of the Chief Procurement Officer. Contractor agrees that Contractor's failure to maintain eligibility (or failure by Controlling Persons to maintain eligibility) to do business with the City in violation of Section 1-23-030 of the Municipal Code shall constitute an event of default.

9.3 Duty to Report Corrupt or Unlawful Activity

Pursuant to §2-156-018 of the Municipal Code, it is the duty of Home Run Inn to report to the Inspector General, directly and without undue delay, any and all information concerning conduct which it knows to involve corrupt activity. "Corrupt Activity" means any conduct set forth in Subparagraph (a)(1), (2) or (3) of §1-23-020 of the Municipal Code. Knowing failure to make such a report will be an event of default under this Agreement. Reports may be made to the Inspector General's toll free hotline, 866-IG-TIPLINE (866-448-4754).

9.2 **SHAKMAN**

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Contractor is aware that City policy prohibits City employees from directing any individual to apply for a position with Contractor, either as an employee or as a subcontractor, and from directing Contractor to hire an individual as an employee or as a subcontractor. Accordingly, Contractor must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Contractor under this Agreement are employees or subcontractors of Contractor, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Contractor.

(iii) Contractor will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Contractor by a City employee or City official in violation of Section (ii) above, or advocating a violation of Section (iii) above, Contractor will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Agreement. Contractor will also cooperate with any inquiries by OIG Hiring Oversight related to the contract.

MBE/WBE Special Conditions And Schedules.

In addition to the commitment set forth on the following pages, Home Run Inn agrees to continue to work with DCASE to identify additional MBE/WBE participation opportunit

ARTICLE 1. SPECIAL CONDITIONS REGARDING MINORITY BUSINESS ENTERPRISE COMMITMENT AND WOMEN BUSINESS ENTERPRISE COMMITMENT FOR COMMODITIES OR SERVICES

1.1. Policy and Terms

It is the policy of the City of Chicago that Local Businesses certified as Minority Owned Business Enterprises (MBE) and Women Owned Business Enterprises (WBE) in accordance with Section 2-92-420 et seq. of the Municipal Code of Chicago and Regulations Governing Certification of Minority and Women-owned Businesses and all other Regulations promulgated under the aforementioned sections of the Municipal Code, as well as MBEs and WBEs certified by Cook County, Illinois, will have full and fair opportunities to participate fully in the performance of this contract. Therefore, the Contractor will not discriminate against any person or business on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status or source of income and will take affirmative action to ensure that women and minority businesses will have the maximum opportunity to compete for and perform subcontracts for supplies or services.

Pursuant to Section 2-92-430 of the Municipal Code of Chicago, the Chief Procurement Officer has established a goal of awarding not less than 25% of the annual dollar value of all non-construction contracts to certified MBEs and 5% of the annual dollar value of all non-construction contracts to certified WBEs.

Accordingly, the Contractor commits to make Good Faith Efforts to expend at least the following percentages of the total contract price (inclusive of any and all modifications and amendments), if awarded, for contract participation by MBEs and WBEs:

MBE Percentage	WBE Percentage
25%	5%

This commitment is met by the Contractor's status as a MBE or WBE, or by a joint venture with one or more MBEs or WBEs as prime contractor (to the extent of the MBE or WBE participation in such joint venture), or by subcontracting a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the performance of the contract from one or more MBEs or WBEs, or by the indirect participation of MBEs or WBEs in other aspects of the Contractor's business (but no dollar of such indirect MBE or WBE participation will be credited more than once against a Contractor's MBE or WBE commitment with respect to all government Contracts of such Contractor), or by any combination of the foregoing.

Note: MBE/WBE participation goals are separate and those businesses certified with the City of Chicago as both MBE and WBE may only be listed on a bidder's compliance plan as either a MBE or a WBE, but not both to demonstrate compliance with the Contract Specific Goals.

As noted above, the Contractor may meet all or part of this commitment by contracting with MBEs or WBEs for the provision of goods or services not directly related to the performance of this Contract. However, in determining the manner of MBE/WBE participation, the Contractor will first consider involvement of MBEs/WBEs as joint venture partners, subcontractors, and suppliers of goods and services directly related to the performance of this Contract. In appropriate cases, the Chief Procurement Officer will require the Contractor to demonstrate the specific efforts undertaken by it to involve MBEs and WBEs directly in the performance of this Contract.

The Contractor also may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in private sector contracts.

Pursuant to 2-92-535, the prime contractor may apply be awarded an additional 0.333 percent credit, up to a maximum of a total of 5 percent additional credit, for every 1 percent of the value of a contract self-performed by MBEs or WBEs, or combination thereof, that have entered into a mentor agreement with the contractor. This up to 5% may be applied to the Contract Specific Goals, or it may be in addition to the Contract Specific Goals.

1.2. **Definitions**

"Area of Specialty" means the description of an MBE or WBE firm's business which has been determined by the Chief Procurement Officer to be most reflective of the MBE or WBE firm's claimed specialty or expertise. Each MBE/WBE letter of certification contains a description of the firm's Area of Specialty. This information is also contained in the Directory (defined below). Credit toward this Contract's MBE and WBE participation goals shall be limited to the participation of firms performing within their Area of Specialty.

> **NOTICE:** *The City of Chicago does not make any representation concerning the ability of any MBE/WBE to perform work within their Area of Specialty. It is the responsibility of all contractors to determine the capability and capacity of MBEs/WBEs to satisfactorily perform the work proposed.*

"B.E.P.D." means an entity certified as a Business enterprise owned or operated by people with disabilities as defined in MCC Section 2-92-586.

"Bid" means a bid, proposal, or submittal detailing a description of the services or work to be provided by the contractor in response to a bid solicitation, request for proposal, request for qualification of task order request (issued in accordance with the Master Consulting Agreement) that is issued by the City.

"Bidder" means any person or business entity that submits a bid, proposal, qualification or submittal that seeks to enter into a contract with the City, and includes all partners, affiliates and joint ventures of such person or entity.

"Broker" means a person or entity that fills orders by purchasing or receiving supplies from a third party supplier rather than out of its own existing inventory and provides no commercially useful function other than acting as a conduit between his or her supplier and his or her customer.

"Chief Procurement Officer" or "CPO" means the chief procurement officer of the City of Chicago or his or her designee.

"Commercially Useful Function" means responsibility for the execution of a distinct element of the work of the contract, which is carried out by actually performing, managing, and supervising the work involved, evidencing the responsibilities and risks of a business owner such as negotiating the terms of (sub)contracts, taking on a financial risk commensurate with the contract or its subcontract, responsibility for acquiring the appropriate lines of credit and/or loans, or fulfilling responsibilities as a joint venture partner as described in the joint venture agreement.

"Contract Specific Goals" means the subcontracting goals for MBE and WBE participation established for a particular contract.

"Contractor" means any person or business entity that has entered into a contract with the City as described herein, and includes all partners, affiliates, and joint ventures of such person or entity.

"Direct Participation" the value of payments made to MBE or WBE firms for work that is performed in their Area of Specialty directly related to the performance of the subject matter of the Contract will count as Direct Participation toward the Contract Specific Goals.

"Directory" means the Directory of Certified "Minority Business Enterprises" and "Women Business Enterprises" maintained and published by the City of Chicago. The Directory identifies firms that have been certified as MBEs and WBEs, and includes both the date of their last certification and the area of specialty in which they have been certified. Contractors are responsible for verifying the current certification status of all proposed MBE, and WBE firms.

"Good Faith Efforts" means actions undertaken by a bidder or contractor to achieve a Contract Specific Goal that the CPO or his or her designee has determined, by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the program's requirements.

"Indirect Participation" refers to the value of payments made to MBE or WBE firms for work that is done in their Area of Specialty related to other aspects of the Contractor's business. (Note: no dollar of such indirect MBE or WBE participation shall be credited more than once against a contractor's MBE or WBE commitment with respect to all government contracts held by that contractor.)

"Joint venture" means an association of a MBE or WBE firm and one or more other firms to carry out a single, for-profit business enterprise, for which each joint venture partner contributes property, capital, efforts, skills and knowledge, and in which the MBE or WBE is responsible for a distinct, clearly defined portion of the work of the contract and whose share in the capital contribution, control, management, risks, and profits of the joint venture are commensurate with its ownership interest.

"Mentor-Protégé Agreement" means an agreement between a prime and MBE or WBE subcontractor pursuant to MCC 2-92-535 that is approved by the City of Chicago and complies with all requirements of MCC 2-92-535 and any rules and regulations promulgated by the Chief Procurement Officer.

"Minority Owned Business Enterprise" or **"MBE"** means a firm awarded certification as a minority owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a minority owned and controlled business by Cook County, Illinois.

"Municipal Code of Chicago" or **"MCC"** means the Municipal Code of the City of Chicago.

"Supplier" or **"Distributor"** refers to a company that owns, operates, or maintains a store, warehouse or other establishment in which materials, supplies, articles or equipment are bought, kept in stock and regularly sold or leased to the public in the usual course of business. A regular distributor or supplier is a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials or supplies required for performance of a contract are bought, kept in stock, and regularly sold to the public in the usual course of business. To be a regular distributor the firm must engage in, as its principal business and in its own name, the purchase and sale of the products in question. A regular distributor in such bulk items as steel, cement, gravel, stone, and petroleum products need not keep such products in stock if it owns or operates distribution equipment.

"Women Owned Business Enterprise" or **"WBE"** means a firm awarded certification as a women owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a women owned business by Cook County, Illinois.

1.3. **Joint Ventures**

The formation of joint ventures to provide MBEs and WBEs with capacity and experience at the prime contracting level, and thereby meet Contract Specific Goals (in whole or in part) is encouraged. A joint venture may consist of any combination of MBEs, WBEs, and non-certified firms as long as one member is an MBE or WBE.

a. The joint venture may be eligible for credit towards the Contract Specific Goals only if:

i. The MBE or WBE joint venture partner's share in the capital contribution, control, management, risks and profits of the joint venture is equal to its ownership interest;

ii. The MBE or WBE joint venture partner is responsible for a distinct, clearly defined portion of the requirements of the contract for which it is at risk;

iii. Each joint venture partner executes the bid to the City; and

iv. The joint venture partners have entered into a written agreement specifying the terms and conditions of the relationship between the partners and their relationship and responsibilities to the contract, and all such terms and conditions are in accordance with the conditions set forth in Items i, ii, and iii above in this Paragraph a.

b. The Chief Procurement Officer shall evaluate the proposed joint venture agreement, the Schedule B submitted on behalf of the proposed joint venture, and all related documents to determine whether these requirements have been satisfied. The Chief Procurement Officer shall also consider the record of the joint venture partners on other City of Chicago contracts. The decision of the Chief Procurement Officer regarding the eligibility of the joint venture for credit towards meeting the Contract Specific Goals, and the portion of those goals met by the joint venture, shall be final.

The joint venture may receive MBE or WBE credit for work performed by the MBE or WBE joint venture partner(s) equal to the value of work performed by the MBE or WBE with its own forces for a distinct, clearly defined portion of the work.

Additionally, if employees of the joint venture entity itself (as opposed to employees of the MBE or WBE partner) perform the work, then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in Schedule B.

The Chief Procurement Officer may also count the dollar value of work subcontracted to other MBEs and WBEs. Work performed by the forces of a non-certified joint venture partner shall not be counted toward the Contract Specific Goals.

c. **Schedule B: MBE/WBE Affidavit of Joint Venture**

Where the bidder's Compliance Plan includes the participation of any MBE or WBE as a joint venture partner, the bidder must submit with its bid a Schedule B and the proposed joint venture agreement. These documents must both clearly evidence that the MBE or WBE joint venture partner(s) will be responsible for a clearly defined portion of the work to be performed, and that the MBE's or WBE's responsibilities and risks are proportionate to its ownership percentage. The proposed joint venture agreement must include specific details related to:

i. The parties' contributions of capital, personnel, and equipment and share of the costs of insurance and bonding;

ii. Work items to be performed by the MBE's or WBE's own forces and/or work to be performed by employees of the newly formed joint venture entity;

iii. Work items to be performed under the supervision of the MBE or WBE joint venture partner; and

iv. The MBE's or WBE's commitment of management, supervisory, and operative personnel to the performance of the contract.

NOTE: Vague, general descriptions of the responsibilities of the MBE or WBE joint venture partner do not provide any basis for awarding credit. For example, descriptions such as "participate in the budgeting process," "assist with hiring," or "work with managers to improve customer service" do not identify distinct, clearly defined portions of the work. Roles assigned should require activities that are performed on a regular, recurring basis rather than as needed. The roles must also be pertinent to the nature of the business for which credit is being sought. For instance, if the scope of work required by the City entails the delivery of goods or services to various sites in the City, stating that the MBE or WBE joint venture partner will be responsible for the performance of all routine maintenance and all repairs required to the vehicles used to deliver such goods or services is pertinent to the nature of the business for which credit is being sought.

1.4. **Counting MBE/WBE Participation Toward the Contract Specific Goals**
Refer to this section when preparing the MBE/WBE compliance plan and completing Schedule D-1 for guidance on what value of the participation by MBEs and WBEs will be counted toward the stated Contract Specific Goals. The "Percent Amount of Participation" depends on whether and with whom a MBE or WBE subcontracts out any portion of its work and other factors.

Firms that are certified as both MBE and WBE may only be listed on a bidder's compliance plan as either a MBE or a WBE to demonstrate compliance with the Contract Specific Goals. For example, a firm that is certified as both a MBE and a WBE may only be listed on the bidder's compliance plan under one of the categories, but not both. Only Payments made to MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements above will be counted toward the Contract Specific Goals.

a. Only expenditures to firms that perform a Commercially Useful Function as defined above may count toward the Contract Specific Goals.

   i. The CPO will determine whether a firm is performing a commercially useful function by evaluating the amount of work subcontracted, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and the credit claimed for its performance of the work, industry practices, and other relevant factors.

   ii. A MBE or WBE does not perform a commercially useful function if its participation is only required to receive payments in order to obtain the appearance of MBE or WBE participation. The CPO may examine similar commercial transactions, particularly those in which MBEs or WBEs do not participate, to determine whether non MBE and non WBE firms perform the same function in the marketplace to make a determination.

   iii. Indications that a subcontractor is not performing a commercially useful function include, but are not limited to, labor shifting and equipment sharing or leasing arrangements with the prime contractor or a first tier subcontractor.

b. Only the value of the dollars paid to the MBE or WBE firm for work that it performs in its Area of Specialty in which it is certified counts toward the Contract Specific Goals.

c. For maintenance, installation, repairs or inspection, or professional services, if the MBE or WBE performs the work itself: 100% of the value of work actually performed by the MBE's or WBE's own forces shall be counted toward the Contract Specific Goals, including the cost of supplies and materials purchased or equipment leased by the MBE or WBE from third parties or second tier subcontractors in order to perform its (sub)contract with its own forces (except supplies and equipment the MBE or WBE subcontractor purchases or leases from the prime contractor or its affiliate). 0% of the value of work at the project site that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals.

d. If the MBE or WBE is a manufacturer: 100% of expenditures to a MBE or WBE manufacturer for items needed for the Contract shall be counted toward the Contract Specific Goals. A manufacturer is a firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the bidder or contractor.

e. If the MBE or WBE is a distributor or supplier: 60% of expenditures for materials and supplies purchased from a MBE or WBE that is certified as a regular dealer or supplier shall be counted toward the Contract Specific Goals.

f. If the MBE or WBE is a broker:

   i. Zero percent (0%) of expenditures paid to brokers will be counted toward the Contract Specific Goals.

   ii. As defined above, Brokers provide no commercially useful function.

g. If the MBE or WBE is a member of the joint venture contractor/bidder:

   i. A joint venture may count the portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the contract that the MBE or WBE performs with its own forces toward the Contract Specific Goals; or

ii. If employees of this distinct joint venture entity perform the work then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in the Schedule B.

iii. A joint venture may also count the dollar value of work subcontracted to other MBEs and WBEs.

h. If the MBE or WBE subcontracts out any of its work:

i. 100% of the value of the work subcontracted to other MBEs or WBEs performing work in its Area of Specialty may be counted toward the Contract Specific Goals.

ii. 0% of the value of work that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals (except as allowed by (c) above).

iii. The fees or commissions charged for providing a bona fide service, such as professional, technical, consulting or managerial services or for providing bonds or insurance and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

iv. The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is not also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

v. The fees or commissions charged for providing any bonds or insurance, but not the cost of the premium itself, specifically required for the performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

1.5. **Regulations Governing Reductions to or Waiver of MBE/WBE Goals**

The following Regulations set forth the standards to be used in determining whether or not a reduction or waiver of the MBE/WBE commitment goals of a particular contract is appropriate. If a bidder determines that it is unable to meet the MBE and/or WBE Contract-Specific Goals on a City of Chicago contract, a written request for the reduction or waiver of the commitment must be included in the bid or proposal.

The written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the MBE/WBE percentages submitted on the bidder's letterhead, and must demonstrate that all required efforts as set forth in this document were taken to secure eligible Minority and Women Business Enterprises to meet the commitments. The Chief Procurement Officer or designee shall determine whether the request for the reduction or waiver will be granted.

A bidder will be considered responsive to the terms and conditions of these Regulations if, at the time of bid, it submits a waiver request and all supporting documentation that adequately addresses the conditions for waiver of MBE/WBE goals, including proof of notification to assist agencies except:

- Bidders responding to Request for Proposals (RFPs) who have been identified as a short listed candidate and/or a prospective awardee will be given a designated time allowance, but no more than fourteen (14) calendar days to submit to the Department of Procurement Services complete documentation that adequately addresses the conditions for waiver described herein; and
- Bidders responding to Request for Information and or Qualifications (RFI/RFQs) deemed by the Chief Procurement Officer or authorized designee to be the most responsive and responsible shall submit

documentation that adequately addresses the conditions for waiver described herein during negotiations.

Failure to submit documentation sufficient to support the waiver request will cause the bid/proposal to be found non-responsive by the Chief Procurement Officer, and the bid/proposal will be rejected. In such cases the remedies to be taken by the Chief Procurement Officer, in his or her discretion, may include, but are not limited to, forfeiture of bid deposit; negotiating with the next lowest bidder; or re-advertising the bid/proposal. All bidders must submit all required documents at the time of bid opening to expedite the contract award.

1.5.1. Direct / Indirect Participation
Each of the following elements must be present in order to determine whether or not such a reduction or waiver is appropriate.

a. The bidder has documented the unsuccessful solicitation for either subcontractors or joint venture partners of at least 50% (or at least five when there are more than eleven certified firms in the commodity area) of the appropriate certified MBE/WBE firms to perform any direct or indirect work identified or related to the advertised bid/proposal. Documentation must include but is not necessarily limited to:

1. A detailed statement of efforts to identify and select portions of work identified in the bid solicitation for subcontracting to certified MBE/WBE firms;

2. A listing of all MBE/WBE firms contacted that includes:

   - Name, address, telephone number and email of MBE/WBE firms solicited;
   - Date and time of contact;
   - Method of contact (written, telephone, transmittal of facsimile documents, email, etc.)

3. Copies of letters or any other evidence of mailing that substantiates outreach to MBE/WBE vendors that includes:

   - Project identification and location;
   - Classification/commodity of work items for which quotations were sought;
   - Date, item and location for acceptance of subcontractor bid proposals;
   - Detailed statement which summarizes direct negotiations with appropriate MBE/WBE firms for specific portions of the work and indicates why negotiations were unsuccessful;
   - Affirmation that Good Faith Efforts have been demonstrated by:
     - choosing subcontracting opportunities likely to achieve MBE/WBE goals;
     - not imposing any limiting conditions which were not mandatory for all subcontractors;
     - providing notice of subcontracting opportunities to M/WBE firms and assist agencies at least five (5) business days in advance of the initial bid due date.

OR

b. Subcontractor participation will be deemed excessively costly when the MBE/WBE subcontractor proposal exceeds the average price quoted by more than twenty percent (20%). In order to establish that a subcontractor's quote is excessively costly, the bidder must provide the following information:

1. A detailed statement of the work identified for MBE/WBE participation for which the bidder asserts the MBE/WBE quote(s) were excessively costly (in excess of 20% higher).
   - o A listing of all potential subcontractors contacted for a quotation on that work item;
   - o Prices quoted for the subcontract in question by all such potential subcontractors for that work item.
2. Other documentation which demonstrates to the satisfaction of the Chief Procurement Officer that the MBE/WBE proposals are excessively costly, even though not in excess of 20% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:
   - o The City's estimate for the work under a specific subcontract;
   - o The bidder's own estimate for the work under the subcontract;
   - o An average of the bona fide prices quoted for the subcontract;
   - o Demonstrated increase in other contract costs as a result of subcontracting to the M/WBE or other firm.

1.5.2. Assist Agency Participation in wavier/reduction requests

Every waiver and/or reduction request must include evidence that the bidder has provided timely notice of the need for subcontractors to an appropriate association/assist agency representative of the MBE/WBE business community. This notice must be given at least five (5) business days in advance of the initial bid due date.

The notice requirement of this Section will be satisfied if a bidder contacts at least one of the associations on Attachment A to these Regulations when the prime contractor seeks a waiver or reduction in the utilization goals. Attachment B to these Regulations provides the letter format that a prime contractor may use. Proof of notification prior to bid submittal (e.g. certified mail receipt or facsimile transmittal receipt) will be required to be submitted with the bid for any bid/proposal to be deemed responsive. If deemed appropriate, the Contract Compliance Officer may contact the assist agency for verification of notification.

1.5.3. Impracticability

If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular contract subject to competitive bidding prior to the bid solicitations for such contract, bid specifications shall include a statement of such revised standard.

The requirements set forth in these Regulations (this subsection 1.5 "Regulations Governing Reductions to or Waiver of MBE/WBE Goals") shall not apply where the Chief Procurement Officer determines prior to the bid solicitations that MBE/WBE subcontractor participation is impracticable.

This may occur whenever the Chief Procurement Officer determines that for reasons of time, need, industry practices or standards not previously known by the Chief Procurement Officer, or such other extreme circumstances as may be deemed appropriate, such a Waiver is in the best interests of the City. This determination may be made in connection with a particular contract, whether before the contract is let for bid, during the bid or award process, before or during negotiation of the contract, or during the performance of the contract.

For all notifications required to be made by bidders, in situations where the Chief Procurement Officer has determined that time is of the essence, documented telephone contact may be substituted for letter contact.

1.6. **Procedure to Determine Bid Compliance**

A bid may be rejected as non-responsive if it fails to submit one or more of the following with its bid demonstrating its Good Faith Efforts to meet the Contract Specific Goals by reaching out to MBEs and WBEs to perform work on the contract:

- An MBE/WBE compliance plan demonstrating how the bidder plans to meet the Contract Specific Goals; and/or
- A request for reduction or waiver of the Contract Specific Goals in accordance with Section 2-92-450 of the MCC.

Only compliance plans utilizing MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements will be counted toward the Contract Specific Goals.

The following Schedules and described documents constitute the bidder's MBE/WBE proposal, and must be submitted in accordance with the guidelines stated:

(1) Schedule C-1: Letter of Intent from MBE/WBE to Perform as Subcontractor, Supplier and/or Consultant.

The bidder must submit the appropriate Schedule C-1 with the bid for each MBE and WBE included on the Schedule D-1. Suppliers must submit the Schedule C-1 for Suppliers, first tier subcontractors must submit a Schedule C-1 for Subcontractors to the Prime Contractor and second or lower tier subcontractors must submit a Schedule C-1 for second tier Subcontractors. The City encourages subcontractors to utilize the electronic fillable format Schedule C-1, which is available at the Department of Procurement Services website, http://cityofchicago.org/forms. Each Schedule C-1 must be executed by each MBE and WBE and accurately detail the work to be performed by the MBE or WBE and the agreed upon rates/prices. Each Schedule C must also include a separate sheet as an attachment on which the MBE or WBE fully describes its proposed scope of work, including a description of the commercially useful function being performed by the MBE or WBE in its Area of Specialty. If a facsimile copy of the Schedule C-1 has been submitted with the bid, an executed original Schedule C-1 must be submitted by the bidder for each MBE and WBE included on the Schedule D-1 within five business days after the date of the bid opening.

Failure to submit a completed Schedule C-1 in accordance with this section shall entitle the City to deem the bid/proposal non-responsive and therefore reject the bid/proposal.

(2) Letters of Certification.

A copy of each proposed MBE/WBE firm's current Letter of Certification from the City of Chicago or Cook County Illinois must be submitted with the bid/proposal. All Letters of Certification issued by the City of Chicago and Cook County include a statement of the MBE/WBE firm's Area of Specialty. The MBE/WBE firm's scope of work, as detailed by their Schedule C-1, must conform to their stated Area of Specialty.

(3) Schedule B: Affidavit of Joint Venture, and Joint Venture Agreements (if applicable).

If the bidder's MBE/WBE proposal includes the participation of a MBE/WBE as joint venture on any tier (either as the bidder or as a subcontractor), the bidder must provide a copy of the joint venture agreement and a Schedule B along with all other requirements listed in Section 1.3, "Joint Ventures," above. In order to demonstrate the MBE/WBE partner's share in the ownership, control, management responsibilities, risks and profits of the joint venture, the proposed joint venture agreement must include specific details related to: (1) contributions of capital and equipment; (2) work responsibilities or other performance to be undertaken by the MBE/WBE; and (3) the commitment of management, supervisory and operative personnel

employed by the MBE/WBE to be dedicated to the performance of the contract. The joint venture agreement must also clearly define each partner's authority to contractually obligate the joint venture and each partner's authority to expend joint venture funds (e.g., check signing authority).

(4) **Schedule D-1: Required Schedules Regarding MBE/WBE Utilization**
Bidders must submit, together with the bid, a completed Schedule D-1 committing them to the utilization of each listed MBE/WBE firm. The City encourages bidders to utilize the electronic fillable format Schedule D-1, which is available at the Department of Procurement Services website, http://cityofchicago.org/forms. Except in cases where the bidder has submitted a request for a complete waiver of or variance from the MBE/WBE commitment in accordance with Section 1.5 "Regulations Governing Reductions to or Waiver of MBE/WBE Goals" herein, the bidder must commit to the expenditure of a specific dollar amount of participation by each MBE/WBE firm included on their Schedule D-1. The total dollar commitment to proposed MBEs must at least equal the MBE goal and the total dollar commitment to proposed WBEs must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of the MBE and WBE goals as percentages of their total base bids or in the case of Term Agreements, depends upon requirements agreements and blanket agreements, as percentages of the total estimated usage. All commitments made by the bidder's Schedule D-1 must conform to those presented in the submitted Schedule C-1. If Schedule C-1 is submitted after the opening, the bidder may submit a revised Schedule D-1 (executed and notarized to conform with the Schedules C-1). Bidders shall not be permitted to add MBEs or WBEs after bid opening to meet the Contract Specific Goals, however, contractors are encouraged to add additional MBE/WBE vendors to their approved compliance plan during the performance of the contract when additional opportunities for participation are identified. Except in cases where substantial and documented justification is provided, bidders will not be allowed to reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedules C-1 and D-1.

All commitments for joint venture agreements must be delineated in the Schedule B.

(5) **Application for Approval of Mentor Protégé Agreement**
Any applications for City approval of a Mentor Protégé agreement must be included with the bid. If the application is not approved, the bidder must show that it has made good faith efforts to meet the contract specific goals.

1.7. **Reporting Requirements During the Term of the Contract**

a. The Contractor will, not later than thirty (30) calendar days from the award of a contract by the City, execute formal contracts or purchase orders with the MBEs and WBEs included in their approved MBE/WBE Utilization Plan. These written agreements will be made available to the Chief Procurement Officer upon request.

b. The Contractor will be responsible for reporting payments to all subcontractors on a monthly basis in the form of an electronic report. Upon the first payment issued by the City of Chicago to the contractor for services performed, on the first day of each month and every month thereafter, email and or fax audit notifications will be sent out to the Contractor with instructions to report payments that have been made in the prior month to each subcontractor. The reporting of payments to all subcontractors must be entered into the Certification and Compliance Monitoring System (C2), or whatever reporting system is currently in place, on or before the fifteenth (15th) day of each month.

c. Once the prime Contractor has reported payments made to each subcontractor, including zero dollar amount payments, the subcontractor will receive an email and or fax notification requesting them to log into the system and confirm payments received. All monthly confirmations must be reported on or before the 20th day of each month. Contractor and

subcontractor reporting to the C2 system must be completed by the 25th of each month or payments may be withheld.

d. All subcontract agreements between the contractor and MBE/WBE firms or any first tier non-certified firm and lower tier MBE/WBE firms must contain language requiring the MBE/WBE to respond to email and/or fax notifications from the City of Chicago requiring them to report payments received for the prime or the non-certified firm.

Access to the Certification and Compliance Monitoring System (C2), which is a web based reporting system, can be found at: https://chicago.mwdbe.com

e. The Chief Procurement Officer or any party designated by the Chief Procurement Officer, shall have access to the contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the contractor's compliance with its commitment to MBE and WBE participation and the status of any MBE or WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the contractor's records by any officer or official of the City for any purpose.

f. The Contractor shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs, retaining these records for a period of at least five years after project closeout. Full access to these records shall be granted to City, federal or state authorities or other authorized persons.

1.8. **Changes to Compliance Plan**

1.8.1. Permissible Basis for Change Required

No changes to the Compliance Plan or contractual MBE and WBE commitments or substitution of MBE or WBE subcontractors may be made without the prior written approval of the Contract Compliance Officer. Unauthorized changes or substitutions, including performing the work designated for a subcontractor with the contractor's own forces, shall be a violation of these Special Conditions and a breach of the contract with the City, and may cause termination of the executed Contract for breach, and/or subject the bidder or contractor to contract remedies or other sanctions. The facts supporting the request for changes must not have been known nor reasonably could have been known by the parties prior to entering into the subcontract. Bid shopping is prohibited. The bidder or contractor must negotiate with the subcontractor to resolve the problem. If requested by either party, the Department of Procurement Services shall facilitate such a meeting. Where there has been a mistake or disagreement about the scope of work, the MBE or WBE can be substituted only where an agreement cannot be reached for a reasonable price for the correct scope of work.

Substitutions of a MBE or WBE subcontractor shall be permitted only on the following basis:

a) Unavailability after receipt of reasonable notice to proceed;

b) Failure of performance;

c) Financial incapacity;

d) Refusal by the subcontractor to honor the bid or proposal price or scope;

e) Mistake of fact or law about the elements of the scope of work of a solicitation where a reasonable price cannot be agreed;

f) Failure of the subcontractor to meet insurance, licensing or bonding requirements;

g) The subcontractor's withdrawal of its bid or proposal; or

h) De-certification of the subcontractor as a MBE or WBE (graduation from the MBE/WBE program does not constitute de-certification).

i) Termination of a Mentor Protégé Agreement.

1.8.2. Procedure for Requesting Approval
If it becomes necessary to substitute a MBE or WBE or otherwise change the Compliance Plan, the procedure will be as follows:

a) The bidder or contractor must notify the Contract Compliance Officer and Chief Procurement Officer in writing of the request to substitute a MBE or WBE or otherwise change the Compliance Plan. The request must state specific reasons for the substitution or change. A letter from the MBE or WBE to be substituted or affected by the change stating that it cannot perform on the contract or that it agrees with the change in its scope of work must be submitted with the request.

b) The City will approve or deny a request for substitution or other change within 15 business days of receipt of the written request.

c) Where the bidder or contractor has established the basis for the substitution to the satisfaction of the Chief Procurement Officer, it must make Good Faith Efforts to meet the Contract Specific Goal by substituting a MBE or WBE subcontractor. Documentation of a replacement MBE or WBE, or of Good Faith Efforts, must meet the requirements in section 5. If the MBE or WBE Contract Specific Goal cannot be reached and Good Faith Efforts have been made, as determined by the Chief Procurement Officer, the bidder or contractor may substitute with a non-MBE or non-WBE.

d) If a bidder or contractor plans to hire a subcontractor for any scope of work that was not previously disclosed in the Compliance Plan, the bidder or contractor must obtain the approval of the Chief Procurement Officer to modify the Compliance Plan and must make Good Faith Efforts to ensure that MBEs or WBEs have a fair opportunity to bid on the new scope of work.

e) A new subcontract must be executed and submitted to the Contract Compliance Officer within five business days of the bidder's or contractor's receipt of City approval for the substitution or other change.

The City shall not be required to approve extra payment for escalated costs incurred by the contractor when a substitution of subcontractors becomes necessary to comply with MBE/WBE contract requirements.

1.9. **Non-Compliance and Damages**
Without limitation, the following shall constitute a material breach of this contract and entitle the City to declare a default, terminate the contract, and exercise those remedies provided for in the contract, at law or in equity: (1) failure to demonstrate Good Faith Efforts; and (2) disqualification as a MBE or WBE of the contractor or any joint venture partner, subcontractor or supplier if its status as an MBE or WBE was a factor in the award of the contract and such status was misrepresented by the contractor.

Payments due to the contractor may be withheld until corrective action is taken.

Pursuant to MCC 2-92-445 or 2-92-740, as applicable, remedies or sanctions may include a penalty in the amount of the discrepancy between the amount of the commitment in the Compliance Plan, as such amount may be amended through change orders or otherwise over the term of the contract, and the amount paid to MBEs or WBEs, and disqualification from contracting or subcontracting on additional City contracts for up to three years. The consequences provided herein shall be in addition to any other criminal or civil liability to which such entities may be subject.

The contractor shall have the right to protest the final determination of non-compliance and the imposition of any penalty by the Chief Procurement Officer pursuant to MCC 2-92-445 or 2-92-740, within 15 business days of the final determination.

1.10. **Arbitration**

a) In the event a contractor has not complied with the contractual MBE/WBE percentages in its Schedule D, underutilization of MBEs/WBEs shall entitle the affected MBE/WBE to recover from the

contractor damages suffered by such entity as a result of being underutilized; provided, however, that this provision shall not apply to the extent such underutilization occurs pursuant to a waiver or substitution approved by the City. The Ordinance and contracts subject thereto provide that any disputes between the contractor and such affected MBEs/WBEs regarding damages shall be resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorney's fees, being recoverable by a prevailing MBE/WBE in accordance with these regulations. This provision is intended for the benefit of any MBE/WBE affected by underutilization and grants such entity specific third party beneficiary rights. Any rights conferred by this regulation are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, suborder, or communicated orally between a contractor and a MBE/WBE.

b) An MBE/WBE desiring to arbitrate shall contact the contractor in writing to initiate the arbitrative process. Except as otherwise agreed to in writing by the affected parties subject to the limitation contained in the last sentence of the previous paragraph, within ten (10) calendar days of the contractor receiving notification of the intent to arbitrate from the MBE/WBE the above-described disputes shall be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association (AAA), a not-for-profit agency, with an office at 225 North Michigan Avenue, Suite 2527, Chicago, Illinois 60601-7601 [Phone: (312) 616-6560; Fax: (312) 819-0404]. All such arbitrations shall be initiated by the MBE/WBE filing a demand for arbitration with the AAA; shall be conducted by the AAA; and held in Chicago, Illinois.

c) All arbitration fees are to be paid pro rata by the parties, however, that the arbitrator is authorized to award reasonable expenses, including attorney and arbitrator fees, as damages to a prevailing MBE/WBE.

d) The MBE/WBE must send the City a copy of the Demand for Arbitration within ten (10) calendar days after it is filed with the AAA. The MBE/WBE also must send the City a copy of the decision of the arbitrator within ten (10) calendar days of receiving such decision. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

1.11. **Equal Employment Opportunity**
Compliance with MBE and WBE requirements will not diminish or supplant equal employment opportunity and civil rights provisions as required by law.

Dear Mr. Khan:

Congratulations on your continued eligibility for Certification as a Minority Business Enterprise (MBE) by Cook County Government. This MBE Certification is valid until **December 29, 2016**.

As a condition of continued Certification, you must file a **"Re-Certification Affidavit"** within sixty (60) days prior to the date of annual expiration. Failure to file this Affidavit shall result in the termination of your Certification. You must notify Cook County Government's Office of Contract Compliance of any change in ownership or control or any other matters or facts affecting your firm's eligibility for Certification within **fifteen (15) business days** of such changes.

Cook County Government may commence action to remove your firm as a MBE vendor if you fail to notify us of any changes of facts affecting your firm's certification, or if your firm otherwise fails to cooperate with the County in any inquiry or investigation. Removal of status may also be commenced if your firm is found to be involved in bidding or contractual irregularities.

DEPARTMENT OF PROCUREMENT SERVICES
CITY OF CHICAGO

JUN 10 2013

Walker Harris
Harris Ice Company, Inc.
3927 West 5th Avenue
Chicago, IL 60624

Dear Mr. Wilson:

We are pleased to inform you that **Harris Ice Company, Inc.** has been recertified as a **Minority Business Enterprise ("MBE")** by the City of Chicago ("City"). This MBE certification is valid until **06/01/2018**; however your firms' certification must be re-validated annually. In the past the City has provided you with an annual letter confirming your certification; such letters will no longer be issued. As a consequence, we require you to be even more diligent in filing your **annual No-Change Affidavit** 60 days before your annual anniversary date.

It is now your responsibility to check the City's certification directory and verify your certification status. As a condition of continued certification during the five-year period stated above, you must file an annual No-Change Affidavit. Your firms' **annual No-Change Affidavit** is due by **06/01/2014, 06/01/2015, 06/01/2016, and 06/01/2017.** Please remember, you have an affirmative duty to file your No-Change Affidavit 60 days prior to the date of expiration. Failure to file your annual No-Change Affidavit may result in the suspension or rescission of your certification.

Your firms' five year certification will expire on **06/01/2018.** You have an affirmative duty to file for recertification 60 days prior to the date of the five year anniversary date. Therefore, you must file for recertification by **04/01/2018.**

It is important to note that you also have an ongoing affirmative duty to notify the City of any changes in ownership or control of your firm, or any other fact affecting your firms' eligibility for certification **within 10 days** of such change. These changes may include but are not limited to a change of address, change of business structure, change in ownership or ownership structure, change of business operations, gross receipts and or personal net worth that exceed the program threshold. Failure to provide the City with timely notice of such changes may result in the suspension or rescission of your certification. In addition, you may be liable for civil penalties under Chapter 1-22, "False Claims", of the *Municipal Code of Chicago.*

Please note -- you shall be deemed to have had your certification lapse and will be ineligible to participate as a **MBE** if you fail to:

- File your annual No-Change Affidavit within the required time period;
- Provide financial or other records requested pursuant to an audit within the required time period;
- Notify the City of any changes affecting your firms' certification within 10 days of such change; or
- File your recertification within the required time period.

Please be reminded of your contractual obligation to cooperate with the City with respect to any reviews, audits or investigation of its contracts and affirmative action programs. We strongly encourage you to assist us in maintaining the integrity of our programs by reporting instances or suspicions of fraud or abuse to the City's Inspector General at chicagoinspectorgeneral.org, or 866-IG-TIPLINE (866-448-4754).

Be advised that if you or your firm is found to be involved in certification, bidding and/or contractual fraud or abuse, the City will pursue decertification and debarment. In addition to any other penalty imposed by law, any person who knowingly obtains, or knowingly assists another in obtaining, a contract with the City by falsely representing the individual or entity, or the individual or entity assisted, is a minority-owned business or a woman-owned business, is guilty of a misdemeanor, punishable by incarceration in the county jail for a period not to exceed six months or a fine of not less than $5,000 and not more than $10,000 or both.

Your firms' name will be listed in the City's Directory of Minority and Women-Owned Business Enterprises in the specialty area(s) of:

NAICS Code:	
424990	**Ice Merchant Wholesalers**
312113	**Ice Manufacturing**

Your firms' participation on City contracts will be credited only toward Minority-Owned Business Enterprise goals in your area(s) of specialty. While your participation on City contracts is not limited to your area of specialty, credit toward goals will be given only for work that is self-performed and providing a commercially useful function that is done in the approved specialty category.

Thank you for your interest in the City's Minority-Owned Business Enterprise (MBE) Program.

Sincerely,

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago is a home-rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, Promoting the welfare of those who work within the City's borders plainly meets this criterion; and

WHEREAS, Employees in every industry occasionally require time away from the workplace to tend to their own health or the health of family members. Parents and guardians without paid sick days lose income and risk losing their jobs when a child is ill or needs medical care; and

WHEREAS, In Chicago, 43 percent of private sector workers receive no paid sick leave; and

WHEREAS, Paid sick leave has a positive effect on the health of not only employees and their family members, but also the health of fellow workers and the public at large. The most comprehensive national survey of U.S. restaurant workers found that two-thirds of restaurant waitstaff and cooks have come to work sick; and

WHEREAS, Parents who lack paid sick leave are more than twice as likely as parents who have paid sick leave to send a sick child to school or daycare, and five times more likely to take their child or a family member to a hospital emergency room because they were unable to take time off work during their regular work hours; and

WHEREAS, Paid sick leave reduces health care expenditures by promoting access to primary and preventive care. Nationally, providing all workers with paid sick leave would result in $1.1 Billion in annual savings in hospital emergency department costs; and

WHEREAS, Many employers recognize that a healthy workforce is more productive and that paid sick leave retains valued employees, and therefore already have such policies in place. Replacing workers can cost anywhere from 25 to 200 percent of an employee's annual compensation; and

WHEREAS, Nearly one in four American women report domestic violence by an intimate partner, nearly one in five women have been raped, and nearly one in six women have been stalked. Many workers, men and women, need time off to care for themselves after these incidents, or to find solutions, such as protective orders or new housing, to avoid or prevent further domestic or sexual violence. Without paid time off, victims are in grave danger of losing their jobs, which can be devastating when victims need economic security to ensure their own safety and that of their children; and

WHEREAS, Over 20 municipalities, including Jersey City, New York City, San Francisco, Seattle, and Portland have passed legislation requiring employers within their jurisdictions to provide paid sick leave; and

WHEREAS, At a time when the economy shows significant signs of improvement, it behooves this legislative body to require Chicago employers to implement paid sick leave policies to promote and protect the health and well-being of the working citizens of our City; and

WHEREAS, A cost model developed by the Civic Consulting Alliance found that the paid sick leave framework reflected in this ordinance would result in only a small, 0.7 percent to 1.5 percent increase in labor costs for most employers; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The foregoing recitals, as well as Section 2 of the report of Mayor Rahm Emanuel's Working Families Task Force, are hereby incorporated as the findings of the City Council.

1-24-045 Paid Sick Leave.

(a) General Provisions.

(1) Any Covered Employee who works at least 80 hours for an Employer within any 120-day period shall be eligible for Paid Sick Leave as provided under this section.

(2) Where a Covered Employee is engaged in an Occupation in which Gratuities have customarily and usually constituted part of the remuneration, his or her Employer shall pay at least the full Chicago minimum wage, as provided in Section 1-24-020, for Paid Sick Leave.

(3) Unless an applicable collective bargaining agreement provides otherwise, upon a Covered Employee's termination, resignation, retirement, or other separation from employment, his or her Employer is not required to provide financial or other reimbursement for unused Paid Sick Leave.

(b) Accrual Of Paid Sick Leave.

(1) Paid Sick Leave shall begin to accrue either on the 1st calendar day after the commencement of a Covered Employee's employment or on the effective date of this amendatory ordinance of 2016, whichever is later.

(2) For every 40 hours worked after a Covered Employee's Paid Sick Leave begins to accrue, he or she shall accrue one hour of Paid Sick Leave. Paid Sick Leave shall accrue only in hourly increments; there shall be no fractional accruals.

(3) A Covered Employee who is exempt from overtime requirements under this chapter shall be assumed to work 40 hours in each work week for purposes of Paid Sick Leave accrual, unless his or her normal work week is less than 40 hours, in which case Paid Sick Leave shall accrue based upon that normal work week.

(4) For each Covered Employee, there shall be a cap of 40 hours Paid Sick Leave accrued per 12-month period, unless his or her Employer sets a higher limit. The 12-month period for a Covered Employee shall be calculated from the date he or she began to accrue Paid Sick Leave.

(5) At the end of a Covered Employee's 12-month accrual period, he or she shall be allowed to carry over to the following 12-month period half of his or her unused accrued Paid Sick Leave, up to a maximum of 20 hours.

(6) If an Employer is subject to the Family and Medical Leave Act, each of the Employer's Covered Employees shall be allowed, at the end of his or her 12-month Paid Sick Leave accrual period, to carry over up to 40 hours of his or her unused accrued Paid Sick Leave, in addition to the carryover allowed under subsection 1-24-045(b)(5), to use exclusively for Family and Medical Leave Act eligible purposes.

(7) If an Employer has a policy that grants Covered Employees paid time off in an amount and a manner that meets the requirements for Paid Sick Leave under this section, the Employer is not required to provide additional paid leave. If such Employer's policy awards the full complement of paid time off immediately upon date of eligibility, rather than using an accrual model, the Employer must award each Covered Employee 40 hours paid time off within one calendar year of his or her date of eligibility.

(c) Use Of Paid Sick Leave.

(1) An Employer shall allow a Covered Employee to begin using Paid Sick Leave no later than on the 180th calendar day following the commencement of his or her employment. A Covered Employee is entitled to use no more than 40 hours of Paid Sick Leave per 12-month period, unless his or her Employer sets a higher limit. The 12-month period for a Covered Employee shall be calculated from the date he or she began to accrue Paid Sick Leave. If a Covered Employee carries over 40 hours of Family and Medical Leave Act leave pursuant to subsection 1-24-045(b)(6) and uses that leave, he or she is entitled to use no more than an additional 20 hours of accrued Paid Sick Leave in the same 12-month period, unless the Employer sets a higher limit. Within these limitations, Covered Employee shall be allowed to determine how much accrued Paid Sick Leave he or she needs to use, provided that his or her Employer may set a reasonable minimum increment requirement not to exceed four hours per day.

(2) A Covered Employee may use Paid Sick Leave when:

(A) he or she is ill or injured, or for the purpose of receiving medical care, treatment, diagnosis, or preventive medical care;

(B) a member of his or her family is ill or injured, or to care for a family member receiving medical care, treatment, diagnosis, or preventive medical care;

(C) he or she, or a member of his or her family, is the victim of domestic violence, as defined in Section 103 of the Illinois Domestic Violence Act of 1986, or a sex offense, as defined in Article 11 and Sections 12-7.3, 12-7.4, and 12-7.5 of the Illinois Criminal Code of 2012; or

(D) his or her place of business is closed by order of a public official due to a public health emergency, or he or she needs to care for a child whose school or place of care has been closed by order of a public official due to a public health emergency.

(3) An Employer shall not require, as a condition of a Covered Employee taking Paid Sick Leave, that he or she search for or find a replacement worker to cover the hours during which he or she is on Paid Sick Leave.

(4) If a Covered Employees's need for Paid Sick Leave is reasonably foreseeable, an Employer may require up to seven days' notice before leave is taken. If the need for Paid Sick Leave is not reasonably foreseeable, an Employer may require a Covered Employee to give notice as soon as is practicable on the day the Covered Employee intends to take Paid Sick Leave by notifying the Employer through via phone, e-mail, or text message. For purposes of this subsection, needs that are "reasonably foreseeable" include, but are not limited to, prescheduled appointments with health care providers for the Covered Employee or for a family member, and court dates in domestic violence cases. Any notice requirement imposed by an Employer pursuant to this subsection shall be waived in the

event a Covered Employee is unable to give notice because he or she is unconscious, or otherwise medically incapacitated.

(5) Where a Covered Employee is absent for more than three consecutive work days, his or her Employer may require certification that the use of Paid Sick Leave was authorized under subsection 1-24-045(c)(2). For time used pursuant to subsections 1-24-045(c)(2)(A) or (B), documentation signed by a licensed health care provider shall satisfy this requirement. An Employer shall not require that such documentation specify the nature of the Covered Employee's or the Covered Employee's family member's injury, illness, or condition, except as required by law. For Paid Sick Leave used pursuant to subsection 1-24-045(c)(2)(C), a police report, court document, a signed statement from an attorney, a member of the clergy, or a victim services advocate, or any other evidence that supports the Covered Employee's claim, including a written statement from him or her, or any other person who has knowledge of the circumstances, shall satisfy this requirement. The Covered Employee may choose which document to submit, and no more than one document shall be required if the Paid Sick Leave is related to the same incident of violence or the same perpetrator. The Employer shall not delay the commencement of Paid Sick Leave taken for one of the purposes in subsection 1-24-045(c)(2), nor delay payment of Wages, on the basis that the Employer has not yet received the required certification.

(6) Nothing in this section shall be construed to prohibit an Employer from taking disciplinary action, up to and including termination, against a Covered Employee who uses Paid Sick Leave for purposes other than those described in this subsection 1-24-045(c)(2).

(c) This Section 1-24-045 provides minimum Paid Sick Leave requirements; it shall not be construed to affect the applicability of any other law, regulation, requirement, policy, or standard that provides for greater Paid Sick Leave benefits.

1-24-050 Exclusions.

(Omitted text is not affected by this ordinance.)

(b) By any person subject to subsection 4(a)(3), subsection 4(d), subsection 4(e), Section 5, or Section 6 of the Minimum Wage Law, with the exception that persons subject to Section 5 of the Minimum Wage Law shall be entitled to all the rights provided under Section 1-24-045 of this chapter;

(Omitted text is not affected by this ordinance.)

1-24-060 Application To Collective Bargaining Agreements.

Nothing in this chapter shall be deemed to interfere with, impede, or in any way diminish the right of ~~e~~Employees to bargain collectively with their ~~e~~Employers through representatives of their own choosing in order to establish wages or other conditions of work in excess of the applicable minimum standards of the provisions of this chapter. The minimum wage requirements of this chapter may be waived in a bona fide collective bargaining agreement, but only if the waiver is set forth explicitly in such agreement in clear and unambiguous terms. to those of a Business-Residential-Institutional Planned Development Number 1167, as amended, which is hereby established in the area described above subject to such use and bulk regulations as are set forth in the Plan of Development attached hereto and to no others.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Business-Residential-Institutional Planned Development No. 1167, As Amended.

Plan Of Development Statements.

1. The area delineated herein as a Business-Residential-Institutional Planned Development Number 1167 (the "Planned Development") consists of approximately 6,017,640 square feet of net site area (approximately 138 acres) of property (the "Property"), together with certain portions of existing adjacent rights-of-way, as depicted on the attached Planned Development Boundary and Property Line Map. The Planned Development is divided into Subareas (each, a "Subarea", and collectively, the "Subareas") as indicated on the attached Subarea Map North Pullman 111th, Inc. is the owner of and, for purposes of this amendment to the Planned Development, the "Applicant" with respect to Subareas B, D, E, F, G, and H.

2. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. These Planned Development Statements do not obligate the City of Chicago ("City") to establish any public rights-of-way, accept or maintain any open space, detention or site buffer areas, construct any public improvements, or finance the construction of any improvements. Any dedication, opening or vacation of streets, alleys or easements or adjustments of rights-of-way or consolidation or resubdivision of parcels shall require a separate submittal on behalf of the Applicant or its successors, assignees or grantees and approval by the Commissioner of the Department of Transportation ("CDOT") and the City Council of the City of Chicago (the "City Council"). Any required City Council approvals must be obtained prior to issuance of any Part II Approval. Applicant shall have the right to seek approval in phases for any or all of the foregoing approvals. In connection with planning for any Subarea, adjustments in the location, width and configuration of the rights-of-way illustrated on the Rights-of-Way Adjustment Map may be approved by the Zoning Administrator as a minor change to this Planned Development, provided, such adjustments (a) do not result in a change in the character of this Planned Development in accordance with the requirements of Section 17-13-0611 of the Chicago Zoning Ordinance, (b) are set forth in a plat of subdivision, dedication, opening or vacation, or comparable plat or instrument, as

applicable, that has been submitted by Applicant (or its successors, assigns or grantors) for approval by CDOT, the Department and by the City Council at the time of request for such adjustments (and approved by CDOT and the City Council prior to the issuance of any Part II Approval), and (c) shall not be deemed to confer any additional bulk, density or other development rights.

3. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns (including any condominium or homeowners' association which may be formed). The requirements of Section 17-8-0400 of the Chicago Zoning Ordinance shall apply to the Property. The Subareas (and, if subsequently designated on any Final Subarea Plan, any subparcels designated thereon), shall be deemed specifically delineated subareas and subparcels for purposes of Section 17-8-0400 of the Chicago Zoning Ordinance, provided, however, that for so long as North Pullman 111th, Inc. or any affiliate thereof owns or controls any part of the Property, any application to the City for any such changes or modifications (administrative, legislative or otherwise) must in all cases be authorized by the Applicant (or Applicant's successor, assignee or grantee to such master developer ownership interest) or such affiliate. Where portions of the improvements located on the Property have been submitted to the Illinois Condominium Property Act, the term "owner" shall be deemed to refer solely to the condominium association of the owners of such portions of the improvements and not to the individual unit owners therein. Nothing herein shall prohibit or in any way restrict the alienation, sale or any other transfer of all or any portion of the Property or any rights, interests or obligations therein. The developer making application shall have the burden of establishing to the reasonable satisfaction of the Department that the Applicant's consent has been obtained or irrevocably waived. Upon any alienation, sale or any other transfer of all or any portion of the Property or the rights therein (other than a mortgage lien or security interest) and solely with respect to the portion of the Property so transferred, the term "Applicant" shall be deemed amended to apply solely to the transferee thereof (and its beneficiaries if such transferee is a land trust) and the seller or transferor thereof; provided, however, that North Pullman 111th, Inc.'s right to authorize changes or modifications to this Planned Development for so long as it owns or controls all or any portion of the Property shall not be deemed amended or transferred to apply to a transferee (or its beneficiaries as aforesaid) unless expressly assigned in a written instrument executed by the original Applicant hereunder. An agreement among different owners of the Property or a covenant binding upon owners of the Property may designate the parties authorized to apply for future amendments, modifications or other changes to this Planned Development and irrevocably waive the Applicant's consent right.

4. This Planned Development consists of these sixteen (16) statements; and the following "Design Exhibits" attached hereto: an Existing Zoning Map, a Planned Development Boundary and Property Line Map (three pages), a Subarea Map, an overall Site Plan, a final Subarea Plan and Site Plan (Phase 1) for Subarea B, Elevations -- Subarea B

The following Design Exhibits are incorporated by reference: Bulk Elevations -- North Woodlawn/Doty Avenues (Subarea G), Bulk Axonometrics (Subareas A, B, G), Plan of Development Bulk Regulation and Data Tables (including permitted uses) for each of Subareas A and C through H (seven pages), all prepared by PappageorgeHaymes Partners dated August 15, 2013; Design Guidelines for Subarea G, prepared by PappageorgeHaymes dated April 15, 2010; Plan of Development -- Bulk Regulations and Data Table Summary, prepared by PappageorgeHaymes dated August 15, 2013; Subarea C Site Plan, prepared by William McDonough Partners dated August 15, 2013; Project Legacy Landscape Plan (two pages), prepared by Norris Design dated August 15, 2013; and Building Elevations and Building Sections Sheet for Subarea C, both prepared by William McDonough Partners dated August 15, 2013.

Full-size copies of the Design Exhibits are on file with the Department.

The following administrative relief and site plan approval letters are hereby incorporated by reference and made part of this Planned Development (collectively, the "Administrative Approvals"): Administrative Relief request for Subarea A, Phase 1A to Jesse Dodson dated February 25, 2011; Administrative Relief request for Subarea A, Phase 1A to Jesse Dodson dated May 2, 2011; Administrative Relief Request and Site Plan Approval for Subarea A, Phase 1B to David Doig dated January 25, 2013; and Site Plan Approval for Phase 1B of Subarea A (South Outlot -- 10834 South Doty Avenue) to David Reifman dated July 25, 2014.

References in these Statements to the "Planned Development" shall be deemed to include the aforementioned Design Exhibits and Administrative Approvals. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance and satisfies the established criteria for approval as a Planned Development. In the case of any express conflict between the terms of this Planned Development, and the Chicago Zoning Ordinance, this Planned Development shall apply. Absent an express conflict, the terms of the Chicago Zoning Ordinance shall apply to reviews, determinations and approvals under these Statements and to improvements to the Property. In any instance where a provision of the Planned Development conflicts with the Chicago Building Code, the Building Code shall control.

5. The permitted uses, floor area ratio, building height, setback, parking, bicycle parking and off-street loading requirements for each Subarea are set forth in the applicable Plan of Development Bulk Regulations and Data Tables included in the Design Exhibits. For the purposes of calculations or measurements pertaining to the foregoing, the applicable definitions in the Chicago Zoning Ordinance shall apply.

6. Changes in the boundaries of Subareas shall require an amendment to these Statements in accordance with the review and approval procedures in Section 17-13-0602 through Section 17-13-0610 of the Chicago Zoning Ordinance.

7. On-premises signs and temporary signs such as construction and marketing signs shall be permitted within the Planned Development subject to the review and approval of the Department. Off-premises signs are prohibited within the boundary of the Planned Development.

8. For purposes of height measurement, the definitions in the Chicago Zoning Ordinance shall apply. The height of any building or improvement shall also be subject to height limitations established by the Federal Aviation Administration.

9. All ingress and egress shall be subject to the review and approval of CDOT and the Department. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of CDOT. All work proposed in the public way must be designed and constructed in accordance with the CDOT Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago, and must be designed in accordance with the CDOT Street and Site Plan Design Standards and follow the principles and practices of a Complete Streets design approach. Any dedication, opening, or vacation of public streets, alleys or easements or any adjustment of the public rights-of-way contained within a particular Part II submittal shall be approved by City Council prior to the issuance of any final Part II Approval. In connection with the Applicant's (or any developer's) submittal of any Site Plans in accordance with Statement 10 below, CDOT shall finally determine what means of ingress and egress are required, what public rights-of-way are required, and what public way improvements must be constructed as part of any project in any given Subarea (including any improvements required outside of such Subarea, but impacted or integrally related to such Subarea's project and the public improvements associated therewith). Applicant and its successors, assigns and grantees, at such parties' expense, agree to provide traffic impact studies, pay for the services of professional engineering services, and pay for the cost of third party construction inspection services to assist CDOT in its review and approval of Site Plan submissions (which approvals shall be a condition precedent to the Department's issuance of any applicable Part II Approval). CDOT must approve the applicable consultant, which shall report to CDOT. Recommended traffic and engineering measures shall be included in the design review process and implemented. A minimum of two percent (2%) of all parking spaces provided pursuant to this Planned Development shall be designated and designed for parking for the handicapped.

10. Final Subarea Plans were previously approved for Subarea A, as part of establishment of the original Planned Development, and for Subarea C, as part of the amendment to the Planned Development approved on September 11, 2013. Final Subarea Plans shall not be required for Subareas B, D, E, F, G, or H, but development of such subareas shall be subject to Site Plan Review, as set forth in this Statement 10.

Prior to the Part II Approval (per Section 17-13-0610 of the Zoning Ordinance), Site Plan Review shall be required for all projects undertaken in furtherance of the Planned Development and, as applicable, the Final Subarea Plan in accordance with Section 17-13-0800 of the Chicago Zoning Ordinance, excluding Site Plan review for (i) the project depicted in Subarea A, which was approved with the original Planned Development and by its related Administrative Approvals, (ii) the project depicted in Subarea C, which was approved as part of the amendment to the Planned Development approved on September 11, 2013, and (iii) the project depicted as Phase 1 of Subarea B, which is being approved as part of this amendment to the Planned Development. The future expansion of the industrial building in Subarea C shall require Site Plan Review and an Administrative Relief submission prior to a Part II Approval of the aforementioned expansion project. Review and approval by the Department of Planning and Development is intended to assure that specific development components substantially conform with the Planned Development, including the Plan of Development Bulk Regulations and Data Table and Design Guidelines applicable to such Subarea(s), and to assist the City in monitoring ongoing development. Subarea Site Plan Approval Submittals (per Section 17-13-0800) need only include that portion of the Property for which approval is being sought by the Applicant.

If not evidenced on the preliminary plat of subdivision submitted as part of the Final Subarea Plan for the project's subarea (if applicable), or the final approved subdivision plat (if applicable), the Applicant or developer of the subject project shall provide an exhibit showing lot sizes and boundaries for such project. In addition to the submittal requirements of Section 17-13-0802-B, the Applicant or developer shall also provide a Site Data Table for such project containing, for each Subarea and subparcel, if any, included in such project:

(1) the Gross Site Area;

(2) the Net Site Area;

(3) the square feet of floor area of each proposed building;

(4) the amount of FAR utilized out of the maximum FAR permitted in such Subarea;

(5) the height of each building to be constructed and the maximum allowable height permitted under the Design Exhibits applicable to such Subarea;

(6) the number of dwelling units to be constructed and the maximum number of dwelling units permitted under the Design Exhibits applicable to such Subarea;

(7) the front, rear and side setbacks for each building and the setbacks required under the Design Exhibits applicable to such Subarea;

(8) all Residential Open Space, if applicable;

(9) the number of parking spaces to be provided and the minimum and maximum number of parking spaces required under the Bulk Regulation Data Table Summary and Design Exhibits, as applicable; and

(10) final elevations; elevations must be provided for all of the proposed building facades and building specified.

The Site Data Table shall also incorporate a table showing the "green" features to be included in the proposed buildings. The Site Plan shall be subject to review and approval of the Department and such other bureaus, departments or agencies as the Zoning Administrator deems appropriate before issuance of any Part II Approval for the subject project. The Site Plan must be in substantial compliance with both the Planned Development and the approved Final Subarea Plan (if applicable). If, after City departmental review, the Zoning Administrator determines that the Site Plan is in substantial compliance with both the Planned Development and the applicable Final Subarea Plan, and if any improvements contemplated by the Site Plan exceed any of the mandatory Planned Development thresholds set forth in Section 17-8-0500 of the Chicago Zoning Ordinance (as applicable to improvements in a C2-3 District, e.g., the Site Plans include 60 dwelling units or more, or buildings 75 feet or more in height), then the Site Plan must then be reviewed by the Chicago Plan Commission, during a public meeting (for which placement on a Chicago Plan Commission Agenda, publication in accordance with Section 17-13-0107-B of the Chicago Zoning Ordinance, and posting in accordance with Section 17-13-0107-C of the Chicago Zoning Ordinance shall be required, but for which written notice pursuant to Section 17-13-0107-A of the Chicago Zoning Ordinance shall not be required) but shall not require review and approval by the City Council. If such mandatory thresholds are not met or exceeded, then no Chicago Plan Commission review shall be required, and if, after City departmental review, the Zoning Administrator determines that the Site Plan is otherwise in substantial compliance with both the Planned Development and the applicable Final Subarea Plan, the Site Plan shall then be approved by the Zoning Administrator. Without limiting the foregoing, the first development project within Subarea H may, in the Zoning Administrator's discretion, be presented to the Chicago Plan Commission during a public meeting (for which placement on a Chicago Plan Commission Agenda shall be required, but for which publication, posting and written notice pursuant to Sections 17-13-0107-A, -B, and -C of the Chicago Zoning Ordinance shall not be required) but shall not require review and approval by the City Council. If, after City departmental review, the Zoning Administrator shall determine that the Site Plan is not in substantial compliance with both the Planned Development and the approved Final Subarea Plan (if applicable), the Zoning Administrator shall advise the Applicant or developer in writing of why the Site Plan does not substantially comply with the Planned Development and/or the Final Subarea Plan (if applicable). In such case, the Applicant or developer shall be given an opportunity to submit revised Site Plans. If the Zoning Administrator finally determines that the Site Plans, as the same may be revised, are not in substantial compliance with the Planned Development and/or the Final Subarea Plan (if applicable), the Applicant or developer then shall be required to

amend this Planned Development and/or the Final Subarea Plan (if applicable) in accordance with the review and approval procedures in Section 17-13-0602 through Section 17-13-0610 of the Chicago Zoning Ordinance in order to obtain approval of such Site Plans. After approval of a Final Subarea Plan (if applicable) and/or Site Plan, such Final Subarea Plans and Site Plans may be changed or modified pursuant to the requirements of Section 13 hereof, if applicable.

11. The improvements on the Property shall be designed, constructed and maintained in substantial compliance with the Design Exhibits attached hereto.

(a) Parkway and parking lot landscaping shall comply with the landscaping provisions of the Chicago Zoning Ordinance and Chicago Landscape Ordinance, unless specified otherwise in an approved Final Subarea Plan.

(b) The Property shall be designed and constructed in accordance with the City of Chicago Regulations for Sewer Construction and Stormwater Management and Stormwater Management Ordinance Manual, latest editions. Any amendment to the City's storm water management requirements which the City adopts thereafter shall apply to the Property or the development thereof.

(c) It is the Applicant's intention to adaptively reuse the Brite Line building identified as "Existing Building" in Subarea D on the Site Plan; however, the Applicant reserves the right to demolish such building and to otherwise redevelop Subarea D in conformance with the applicable terms of this Planned Development in the event the Applicant determines that such adaptive reuse is not feasible or desirable.

(d) Within Subarea A, a Chicago Transit Authority bus turnaround in a location and of such size and configuration as mutually agreed upon by the Applicant, the Chicago Transit Authority and CDOT has been previously completed.

(e) Porches shall be features which are allowed to encroach into any required front yard setback in Subarea F, subject to Site Plan approval.

(f) Applicant acknowledges that the City will not maintain or bear the cost of maintaining any landscape or streetscape improvements on any medians to be constructed within the Planned Development. Prior to CDOT approval of engineering drawings for any median street to be constructed by the Applicant within the Planned Development, the Applicant must demonstrate to the satisfaction of CDOT that sufficient sustainable resources have been committed, and written agreements exist (which provide reasonable protection to the City and, among other things, shall name the City as intended beneficiary, shall grant the City enforcement rights, and shall include or extend indemnification and insurance provisions for the benefit of the City) to provide for the satisfactory maintenance of such medians, which agreements may provide for maintenance costs to be funded through a special service area or

special service district, the establishment of which is subject to separate City Council approval.

(g) Applicant, at the Applicant's expense, has previously reconstructed South Woodlawn Avenue from approximately East 107th Street to East 111th Street in accordance with the requirements of Statement 9.

(h) The Applicant and each developer of any portion of the Property at the time of a project shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioner of the Department of Streets and Sanitation, the Commissioner of the Environment and the Commissioner of Buildings under Section 13-32-125 of the Municipal Code of the City of Chicago or any other provision of that Code.

12. The Part II Review fee for permits and licenses to be issued for projects in the Planned Development shall be the greater of $0.50 per square foot for the total buildable floor area (i.e., the current rate under Section 17-13-0610 of the Chicago Zoning Ordinance) or the then applicable per square foot charge (or other then applicable charge) at the time of such Part II Review. Such fee shall be determined and assessed by the Department at the time of each and every Part II Review, shall be applicable to all projects, whether undertaken by the Applicant or another developer, shall be final and binding and must be paid to the Department prior to issuance of any Part II Approval. Following Part II Review and approval by the Zoning Administrator, the Department shall keep such approved plans and elevations on permanent file and they shall be deemed to be an integral part of this Planned Development. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility. Any interim reviews associated with Site Plan review or Part II Reviews, are conditional until final Part II Approval.

13. Subject to the other terms and conditions of these Statements, including specifically, but without limitation, Statement 10's filing, review and approval requirements, the terms, conditions and exhibits of this Planned Development may be modified administratively by the Zoning Administrator upon application and a determination by the Zoning Administrator in accordance with the minor change provisions and standards of Section 17-13-0611 of the Chicago Zoning Ordinance (provided, however, that Section 17-13-0611-A.2 and A.3 shall be separately tested on a Subarea basis, without taking into account the net site area of or dwelling units permitted in other subareas or the Planned Development as a whole) and that such modification, and the improvements contemplated thereby, are consistent with the Planned Development and the applicable Final Subarea Plan. Any such modification shall be reviewed and

approved through the minor change provisions of Section 17-13-0611 of the Chicago Zoning Ordinance.

14. The Applicant acknowledges that it is in the public interest to design, construct and renovate all buildings in a manner which provides healthier environments, reduces operating costs and conserves energy and resources. All development in any Subarea shall conform to the City of Chicago's "Sustainable Development Policy Matrix" in effect on the submittal of Site Plans pursuant to this Planned Development; provided, however, that the Zoning Administrator may approve alternative methods of satisfying the "Sustainable Development Policy Matrix". The Applicant has agreed to provide an infiltration trench/bioswale east of the proposed Phase 1 building within Subarea B to provide the equivalent storm water volume control as a 50 percent Green Roof for the proposed Phase 1 building and to exceed ASHRAE 90.1-2004 standards by 14 percent, in satisfaction of the City of Chicago's Sustainable Policy requirements.

15. Unless substantial construction of any new building, as proven by the issuance of building permits and the diligent completion of construction pursuit to such permits for Subarea B or Subarea H has commenced within six (6) years of this amendment to the Planned Development, this Planned Development shall expire upon the sixth anniversary date of the effective date of this amendment to the Planned Development. If this amendment to the Planned Development expires pursuant to the foregoing provision, this amendment to the Planned Development shall expire by separately introduced ordinance, if any, and in such event the zoning of the Property shall revert to Business-Residential-Institutional Planned Development Number 1167, as adopted by the Chicago City Council on September 11, 2013. Such reversion shall not render any building existing at the time to be nonconforming. The six-year period described above may be extended for up to one additional year if, before expiration, the Zoning Administrator determines that good cause for an extension is shown.

16. Any open space to be dedicated to the Chicago Park District ("CPD") must meet CPD standards and, where applicable, the park must be designed and constructed to those standards. Any conveyance of open space to the CPD shall be subject to the approval of the CPD and a resolution or ordinance issued by the CPD Board of Commissioners must be provided to the Department to evidence such dedication, conveyance and acceptance.

(111th Street Neighborhood Retail District)
Updated May 16, 2016

The Design Guidelines are development standards for buildings and public spaces to guide the design and development of any project within the 111th street neighborhood retail district of Pullman Park. The goal of the guidelines is to provide a framework to achieve a balance between individual expression of each structure and a harmonious connection to not only the community but the history of Pullman as well.

Orientation:

- Buildings located along 111th Street or within the general context of the site, will have their primary elevation oriented to face 111th Street. Buildings located on corners or parking entrances should have their primary elevations oriented to face both 111th Street and the adjacent street or entrance drive.

Massing:

- Buildings should be composed of simple volumes, primarily 1 to 2 story retail buildings, plus mid-rise (8 story) Senior Housing and/or Hotel buildings. 1 to 2 story retail occupancies will feature sloped roofs; Mid-rise buildings may be sloped and/or flat roofs.
- Retail buildings located along 111th street will be a minimum of 16' tall and a maximum of 30' tall measured from sidewalk grade to the midpoint of sloped roofs; excluding towers, cupolas and other decorative elements.

Roof massing:

- Sloped roofs with a minimum slope of 6:12
- Buildings may alternatively feature flat roofs with built up parapets.
- Roofs will be designed to screen and conceal all rooftop mounted mechanical equipment.

Lighting:

- Lighting will be designed to enhance the building design and storefront, compliment the architecture, and be sufficient for visibility and safety.
- Lighting should be stationary and non-animated.

FINAL FOR PUBLICATION

Masonry Openings:

- Window and door headers in masonry walls should be defined and articulated with stone, cast stone or special brick coursing such as soldier or double rowlock header bonds. Jack, segmental, semi-circular and multi-centered arches are encouraged. Window sills within walls should incorporate stone or precast sills.

Signage:

- All signage will be attached to the building or canopy, provided that up to three free-standing multi-tenant signs and up to three free-standing single-tenant signs may be established within Sub Area B. Types of permitted signs include:
  - Freestanding pin-mounted letterform
  - Freestanding internally illuminated signs (including so-called "lightbox" signs)

Awnings & Canopies:

- Awnings and canopies will be compatible in material and construction to the style and character of the building. The color of the awning or canopy should be compatible with the overall color scheme of the façade.
- Where feasible, awnings and canopies should be generally aligned with others nearby in order to maintain a sense of visual continuity.
- Awnings and canopies should be tailored to the opening of the building and positioned so that distinctive architectural features remain visible.

Type 1 Narrative Rezoning Analysis attached to this ordinance reads as follows:

17-13-0303-C(1) Narrative Zoning Analysis -- Substitute Narrative And Plans.

739 N. Ada St., Chicago, Illinois.

Proposed Zoning: B2-3 Neighborhood Mixed-Use District

Lot Area:	33,888 square feet (Total Lot Area)
Proposed Land Use:	The applicant is seeking to amend the zoning at the subject property in order to permit the conversion of the existing four-story (school) building into an all residential building and to permit the construction of a new four-story mixed-use building -- for a total of two buildings, at the subject site. There will be no physical expansion to the footprint of the existing school building. However, the plan does call for certain interior renovations, in order to convert the existing classrooms into (residential) dwelling units. Upon completion of such renovations, the building will contain a total of thirty-four (34) dwelling units -- between the first through fourth floors. There will also be a total of thirteen (13) parking spaces, located onsite -- which will be solely designated for use with the existing building. The existing (school) building is masonry in construction and measures approximately 63 feet, 4 inches in height. As part of the plan, the applicant also intends to erect a new five-story, mixed-use building, at the north end of the site -- which is currently vacant. The proposed new building will contain commercial-retail space -- at grade level, and twenty-four (24) dwelling units -- between the second through fifth floors. The new building will also contain interior parking for seventeen (17) vehicles, at grade level, in addition to seven (7) outdoor parking spaces, located at rear of the building -- for a total of twenty-four (24) onsite parking spaces, designated to and for the new building. The proposed new building will be masonry in construction and measure 57 feet, 10 inches in height.

At the time of each Part II Review for the Residential Project, applicant may update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval. If the applicant subsequently reduces the number of dwelling units in the Residential Project, DPD may adjust the requirements of this Statement 15 (i.e., number of Affordable Units) accordingly without amending the Planned Development. Prior to the issuance of any building permits for the Residential Project, including, without limitation, excavation or foundation permits, the applicant must execute an Affordable Housing Agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Residential Project and will constitute a lien against each Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. The Commissioner of DPD may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development. If this Planned Development does not receive City Council approval by July 13, 2016, the project will be subject to Section 2-45-115 of the Municipal Code (the "2015 ARO"). In such event, the applicant shall meet with the Department of Planning and Development to determine the application of the 2015 ARO to the project, and the 2015 ARO requirements will replace and supersede the affordability requirements set forth in this section.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to B2-3 Neighborhood Mixed-Use District.

The applicant agrees that the affordable rental units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income ("AMI"), as updated annually by the City of Chicago. Prior to the issuance of any building permits for any residential building in the Planned Development, including without limitation, excavation or foundation permits, the applicant must make the required Cash Payment and execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Zoning Administrator shall initiate a zoning map amendment to rezone the Property to B3-5 Community Shopping District.
