REPORTS AND COMMUNICATIONS FROM CITY OFFICERS.

Rules Suspended -- CONGRATULATIONS EXTENDED TO SAINT SABINA PARISH ON 100TH ANNIVERSARY.

[R2016-551]

The Honorable Rahm Emanuel, Mayor, presented the following communication:

OFFICE OF THE MAYOR
CITY OF CHICAGO

July 20, 2016.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I transmit herewith, together with Alderman David Moore, a congratulatory resolution concerning Saint Sabina Parish.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RAHM EMANUEL,
Mayor.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed.*

The following is said proposed resolution:

WHEREAS, Saint Sabina Church, located at 1210 West 78th Place, is a proud Chicago institution, whose values, energy, and spirit are woven into the fabric of our great City; and

WHEREAS, The members of this chamber wish to join in the celebration of Saint Sabina Church's 100th anniversary, a significant milestone that took place on July 9, 2016; and

WHEREAS, The Saint Sabina community first celebrated mass together on July 9, 1916, in a storefront on South Racine Avenue; and

WHEREAS, Despite the difficulties imposed by the Great Depression, in 1931 Saint Sabina parish took on the formidable task of constructing its grand Upper Church and through the perseverance and hard work, which characterize the community, succeeded. On Sunday, June 18, 1933, Cardinal George Mundelein dedicated Saint Sabina's beautiful new church; and

WHEREAS, Saint Sabina parish has a long history of strengthening its surrounding community, supporting not only its spiritual needs, but also its cultural, social, educational, and economic needs through events like the St. Patrick's Day Parade, and institutions like Saint Sabina's Community Center, now called the ARK, which provides after-school programs, sports leagues, and civic events; and

WHEREAS, Saint Sabina has been the home to important spiritual and community leaders, including Father Michael Pfleger, who since appointment in 1981 has been recognized nationally for his vigorous opposition to alcohol and tobacco billboards, narcotics, guns, racism, and music that glorifies violence and degrades women; and

WHEREAS, Today, Saint Sabina is a church that serves the spiritual, cultural, and social needs of its community, breaking down the walls of race and denomination so that all feel welcome; and

WHEREAS, The Faith Community of Saint Sabina profoundly impacts its community by continuing to work for peace, civil rights, and social justice, efforts which improve the quality of life not just for its own community, but extend to benefit all people in the City of Chicago; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 20th day of July 2016, do hereby honor and salute Saint Sabina Church on the 100th anniversary of its founding; and

Be It Further Resolved, That a suitable copy of this resolution be presented to the Reverend Doctor Michael Pfleger of Saint Sabina Church as a token of our esteem and good wishes.

On motion of Alderman Burke, seconded by Aldermen D. Moore, Moreno, Dowell, Sawyer, Harris, Thompson, Curtis, Cochran, Solis, Burnett, Austin and Mitts, the foregoing proposed resolution was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 48.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

At this point in the proceedings, the Honorable Rahm Emanuel, Mayor, rose and on behalf of the people of Chicago, extended congratulations to Pastor Michael Pfleger and the Saint Sabina parish community on the 100th anniversary of the church's founding. Reflecting on richly interwoven history of Saint Sabina Church and the City of Chicago, Mayor Emanuel spoke of the enduring spirit of the church as a voice for social justice and it's far reaching influence beyond the community it serves. Reverend Doctor Michael Pfleger has served as pastor of Saint Sabina Church since 1981, Mayor Emanuel observed, and his leadership and resolve have helped break down barriers, overcome injustice and open the doors of opportunity for many Chicagoans. We are a better city because of Father Pfleger, the Mayor continued, and his inspiration and vision challenges each of us to aspire towards our better angels. Reflecting on a recent meeting with Father Pfleger to discuss the City's summer jobs program which has reached a record 30,000 participants this year, Mayor Emanuel recalled Father Pfleger's insistence that we not rest on such laurels but rather focus our attention on creating year-round job programs in communities across Chicago. Providing positive alternatives and opportunities for attaining a better quality of life for our citizens is essential to our city's future, the Mayor noted, and a debt of gratitude is owed to Father Pfleger for his leadership and example and to the Saint Sabina parish community for its proud legacy and commitment to social justice. Mayor Emanuel then invited Reverend Doctor Michael Pfleger to the Mayor's rostrum where he presented him with a parchment copy of the congratulatory resolution.

WHEREAS, This past February 2016, Angalia Bianca was driving home and witnessed three men with guns firing into a crowd. Instead of leaving the scene, and ignoring the

great danger to herself, she parked her car, jumped out and ran to a 15-year-old boy who had been shot and applied enough pressure to the bullet wound in his artery to save his life; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 20th day of July 2016, do hereby honor Angalia Bianca for her steadfast commitment to preventing violence and saving lives in the City of Chicago and throughout the world; and

REPRESENTATIONS

Section 2.1 Representations of Issuer. The City represents and warrants as follows:

(a) The City is a municipality and home rule unit of government duly organized and validly existing under the Constitution and laws of the State. The City is authorized to execute and deliver this Agreement and to carry out its obligations hereunder.

(b) It is the City's understanding, based upon certain representations of the Borrower, that the issuance and sale of the Series 2016A Note and the loaning of the proceeds of the Series 2016A Note to the Borrower (which proceeds, along with certain other moneys, will be applied for the benefit of the Borrower) is to provide all or a portion of the moneys required to finance costs of the Project and pay costs relating to the issuance of the Series 2016A Note.

(c) To provide funds to loan to the Borrower for the purposes described in (b) above, the City has authorized its Note in the aggregate principal amount set forth herein to be issued upon the terms set forth in this Agreement, under the provisions of which the City's interest in the payments of principal, premium, if any, interest and other revenues hereunder (other than Unassigned Rights) are pledged and assigned to the Purchaser as security for the payment of the principal of, premium, if any, and interest on the Series 2016A Note. The City covenants that it has not and will not pledge or assign its interest in this Agreement, or the revenue and receipts derived pursuant to this Agreement, excepting Unassigned Rights, other than to the Purchaser under this Agreement to secure the Series 2016A Note.

(d) To the knowledge of the undersigned representatives of the City, neither the execution and delivery of the Series 2016A Note or this Agreement, the consummation of the transactions contemplated hereby, nor the fulfillment of or compliance with the terms, conditions or provisions of the Series 2016A Note or this Agreement conflict with or result in a material breach of any of the terms, conditions or provisions of any agreement, instrument, judgment, order, or decree to which the City is now a party or by which it is bound, or constitute a material default under any of the foregoing.

Section 2.2 Representations of Borrower. The Borrower represents and warrants as follows:

(a) The Borrower is a limited partnership duly organized under the laws of the State, is in good standing and duly authorized to conduct its business in this State, is duly

authorized and has full power under all applicable laws and its organizational documents to execute and deliver the Borrower Documents.

(b) The execution and delivery of the Borrower Documents on the Borrower's part have been duly authorized by all necessary corporate action, and neither the Borrower's execution and delivery of the Borrower Documents, the Borrower's consummation of the transactions contemplated on its part thereby, nor the Borrower's fulfillment of or compliance with the terms and conditions thereof, conflicts with or results in a material breach of the partnership agreement of the Borrower or any material agreement or instrument to which the Borrower is now a party or by which it is bound (except for any such breaches for which the Borrower has obtained a waiver or a required consent), or constitutes a material default (or would constitute a material default with due notice or the passage of time or both) under any of the foregoing.

(c) No litigation, proceedings or investigations are pending (for which service of process or notice has been received) or, to the knowledge of the Borrower, threatened against the Borrower seeking to restrain, enjoin or in any way limit the approval or issuance and delivery of the Borrower Documents or which would in any manner challenge or adversely affect the corporate existence or powers of the Borrower to enter into and carry out the transactions described in or contemplated by or the execution, delivery, validity or performance by the Borrower of the Borrower Documents. In addition, no litigation, proceedings or investigations are pending (for which service of process or notice has been received) or, to the knowledge of the Borrower, threatened in writing against the Borrower, except litigation, proceedings or investigations involving claims for which the probable ultimate recoveries and the estimated costs and expenses of defense, in the opinion of management of the Borrower (i) will be entirely within the applicable insurance policy limits (subject to applicable deductibles) or are not in excess of the total of the available assets held under applicable self-insurance programs or (ii) will not have a material adverse effect on the operations or condition, financial or otherwise, of the Borrower.

(d) No Event of Default or event or condition which, but for the lapse of time or the giving of notice, or both, would constitute an Event of Default has occurred and is continuing.

Section 2.3 Representations of Purchaser. The Purchaser represents, warrants and acknowledges as follows:

(a) In purchasing the Series 2016A Note, it is not relying on any representations of the City with respect to the financial quality of the Series 2016A Note. The Purchaser is relying solely on statements and representations of the Borrower and on its own knowledge and investigation of the facts and circumstances relating to the purchase of the Series 2016A Note and hereby waives any claims that it may have against the City with respect to the financial quality of the Series 2016A Note arising out of any action the City has taken or should have taken in the authorization, issuance or sale of the Series 2016A Note or with respect to any statement or representation made by the City in connection with the sale of the Series 2016A Note. Insofar as the financial quality of the Series

2016A Note is dependent solely on the ability of the Borrower to make all payments as and when due under this Agreement, the Purchaser acknowledges and agrees that it has evaluated the creditworthiness of the Borrower and has determined that, as a consequence of that evaluation, in the absence of the Series 2016A Note, the Purchaser would nevertheless be willing to finance costs of the Project through a commercial loan to the Borrower on substantially the same terms and conditions (other than the interest rate on the Series 2016A Note) as set forth in this Agreement.

(b) It intends to treat the purchase of the Series 2016A Note as a commercial loan to the Borrower. The Purchaser also represents and warrants that its business is that of a commercial bank, and as such it is an "accredited investor" within the meaning ascribed to that term under Regulation D, Section 501 through 506 of the Securities Act of 1933, as amended. In connection with its business, the Purchaser holds an extensive portfolio of investments, including tax-exempt obligations similar to the Series 2016A Note, and commercial loans, as well as other types of loans. The Purchaser has knowledge and experience in financial and business matters, including evaluating and purchasing tax-exempt obligations similar to the Series 2016A Note, and is capable of evaluating the merits and risks of making the loan hereunder and purchasing the Series 2016A Note.

(c) The Purchaser has had access to all information relative to the business of the Borrower that it has required in order to purchase the Series 2016A Note and make the loan hereunder.

(d) The City and the Borrower have made available during the course of the transaction and prior to the purchase of the Series 2016A Note, to the Purchaser, the opportunity to ask questions and receive answers from such parties concerning the terms and conditions of the Series 2016A Note offering and to obtain any additional information relative to the financial data and business of such parties, to the extent that such parties possess such information or can acquire it without unreasonable effort or expense.

(e) The Purchaser understands that the Series 2016A Note has not been registered under the Securities Act of 1933, as amended, and that such registration is not legally required. The Purchaser represents that it is purchasing the Series 2016A Note for investment for its own account and not with the present view of transferring the Series 2016A Note or any portion of it in such a manner that would require registration under the Securities Act of 1933, as amended. The Purchaser agrees not to sell or transfer the Series 2016A Note except in compliance with any applicable federal or state securities laws. The Purchaser is not acting in the capacity of a broker dealer or municipal securities underwriter in connection with its purchase of the Series 2016A Note.

(f) The Series 2016A Note may be transferred only in whole, in a single transaction whereby all right, title and interest in and to the Series 2016A Note is transferred to a single transferee and only with the prior written consent of the City and prior written notice to the Borrower. The City agrees not to withhold its consent unreasonably, when provided with reasonable evidence of the following:

(i) that the transferee has been provided copies of the Borrower Documents, all as currently then in effect;

(ii) that the Purchaser's rights under the applicable Borrower Documents have been assigned to the transferee as security for the Series 2016A Note;

(iii) that the transferee has certified as to the representations contained in this Section 2.3 to the City and the Borrower;

(iv) that the transferee has assumed and undertaken all obligations of the Purchaser under this Agreement;

(v) that the transferee has provided a "sophisticated investor" letter to the City and the Borrower, in a form substantially similar to the form attached to this Agreement as **Exhibit D**; and

(vi) that the transferee has been provided copies of any opinions of counsel previously delivered to the Purchaser.

(g) The Purchaser would have purchased the Series 2016A Note regardless of whether or not any other bond of any other Governmental Authority were purchased or issued to finance costs of the Project. The interest rate for the Series 2016A Note was determined independently from the interest rate for any other bond of any other Governmental Authority issued to finance or refinance the Project.

Provisions for expenses shall be deemed to have been made upon arrangements reasonably satisfactory to the City for the provision of expenses being agreed upon by the City and the party requesting such execution.

ARTICLE IV

REPAYMENT

Section 4.1 Loan Repayment. Principal, Premium and Interest. As repayment of the loan made from the City to the Borrower hereunder, the Borrower agrees to pay directly to the Purchaser (as the assignee of the City) amounts sufficient to pay the principal of, premium, if any or interest on the Series 2016A Note on each day on which any payment of principal of, premium, if any or interest on the Series 2016A Note shall become due (whether on an interest payment date, at maturity, or upon redemption or acceleration or otherwise). Such amounts shall be paid in immediately available funds on or before 11:00 a.m. (local time at the principal office of the Purchaser). If the Borrower defaults in any payment required by this Section, the Borrower will pay interest (to the extent allowed by law) on such amount until paid at the rate provided for in Section 3.3 hereof.

The loan repayment obligation of the Borrower hereunder shall be evidenced by the Borrower Note which shall be executed by the Borrower in the form set forth in **Exhibit E** hereto.

Section 4.2 Prepayments. The Borrower may prepay to the Purchaser all or any part of the amounts payable under Section 4.1 at any time that the Series 2016A Note shall be subject to optional redemption, solely as provided in this Agreement and the Series 2016A Note, and at a prepayment price equal to the corresponding redemption price of the Series 2016A Note. A prepayment shall not relieve the Borrower of its obligations under this Agreement until the Series 2016A Note has been paid in full or provision for the payment of the Series 2016A Note in full has been made in accordance with this Agreement. In the event of a mandatory redemption of the Series 2016A Note, the Borrower agrees to prepay all amounts necessary for such redemption. Partial prepayments of the loan made to the Borrower hereunder shall reduce the monthly principal installments hereunder in such manner as shall be agreed upon by the Borrower and the Purchaser, or in the absence of such agreement, in inverse order of their due date.

Section 4.3 Obligations of Borrower Unconditional. As security for the payment of the Series 2016A Note, the City, pursuant to Section 7.2 hereof, assigns and pledges to the Purchaser all right, title and interest of the City in and to (i) this Agreement, including the right to receive payments hereunder and thereunder (except its Unassigned Rights) and (ii) the Borrower Note, including the right to receive payments thereunder, and hereby directs the Borrower to make said payments directly to the Purchaser. The Borrower herewith assents to such assignment and pledge and will make payments directly to the Purchaser without defense or set-off by reason of any dispute between the Borrower and the City or Purchaser, and hereby agrees that its obligation to make payments hereunder and to perform its other agreements contained herein are absolute and unconditional. Until the principal of and interest on the Series 2016A Note shall have been fully paid or provision for the payment of the Series 2016A Note made in accordance herewith, the Borrower (a) will not suspend or discontinue any payments provided for in this Agreement, (b) will perform all its other duties and responsibilities called for by this Agreement, and (c) will not terminate for any cause including any acts or circumstances that may constitute failure of consideration, destruction of or damage to the Project, commercial frustration of purpose, any change in the laws of the United States or of the State or any political subdivision of either or any failure of the City to perform any of its agreements, whether express or implied, or any duty, liability or obligation arising from or connected with this Agreement.

Section 4.4 Subordination. Repayment of the Series 2016A Note, the Mortgage and the other documents evidencing or securing repayment of the Series 2016A Note shall be subject and subordinate in all respects to the rights of the holders of the Series 2013 Note and to all terms, covenants, conditions and liens of the documents affecting the Series 2013 Note. Payment of the indebtedness evidenced by the Series 2016A Note is and shall be subject and subordinate in all respects, including in respect of the right to payment, to the prior payment in full of all amounts due and payable in respect of the Series 2013 Note. The owners of Series 2016A Note expressly subject and subordinate all of their right, title and interest in and to the Series 2016A Note in all respects to the payment in full of the Series 2013 Note and the liens of

the security instruments securing the Series 2013 Note. By accepting the Series 2016A Note, the holders of the Series 2016A Note agree to execute such further instruments confirming the subordination set forth herein.

Section 4.5 Additional Expenses. The Borrower will also pay within 30 days after receipt of a bill therefor, (i) all reasonable expenses of the City in connection with and as provided in this Agreement, such expenses to be paid directly to the City or as otherwise directed in writing by the City; and (ii) all other reasonable fees and expenses incurred in connection with the issuance of the Series 2016A Note. The Borrower shall pay a one-time (i) issuance fee of 150 basis points of the aggregate original principal amount of the Series 2016A Note to the City and (ii) legal reserve fee of 10 basis points of the aggregate original principal amount of the Series 2016A Note to the City, in each case, prior to or contemporaneously with the issuance of the Series 2016A Note.

ARTICLE V

BORROWER COVENANTS

Section 5.1 Recording and Maintenance of Liens; Financing Statements.

(a) The Borrower will, at its own expense, take all necessary action to maintain and preserve the liens and security interest of this Agreement so long as any principal, premium, if any, or interest on the Series 2016A Note remains unpaid.

(b) The Borrower will, promptly after the execution and delivery of this Agreement and thereafter from time to time, cause a financing statement in respect of this Agreement to be filed, registered and recorded in such manner and in such places as may be required by law in order to publish notice of and fully to perfect and protect the lien and security interest herein granted to the Purchaser to the rights, if any, of the City assigned hereunder, and from time to time will perform or cause to be performed any other act as provided by law and will execute or cause to be executed any and all continuation statements and further instruments necessary for such publication, perfection and protection. Except to the extent it is exempt therefrom, the Borrower will pay or cause to be paid all filing, registration and recording fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment of such instruments of further assurance, and all Federal or State fees and other similar fees, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of the Borrower Documents and such instruments of further assurance.

(c) The City shall have no responsibility for the preparation, filing or recording of any instrument, document or financing statement or for the maintenance of any security interest intended to be perfected thereby. Following an appropriate review and approval, the City will execute such instruments provided to it by the Borrower as may be reasonably necessary in connection with such filing or recording.

Section 5.2 Borrower's Obligation with Respect to Exclusion of Interest Paid on the Series 2016A Note. The Borrower will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Series 2016A Note) if taking or omitting to take such action would cause the interest on the Series 2016A Note to be included in the gross income of the recipients thereof for federal income tax purposes. Toward that end, the Borrower covenants that it will comply with all provisions of the Tax Certificate and Land Use Restriction Agreement applicable to it. This provision shall control in case of conflict or ambiguity with any other provision of this Agreement.

Section 5.3 Maintenance of Existence; Dissolution; Disposition of Assets; Merger or Consolidation. The Borrower agrees that as long as the Series 2016A Note is outstanding, it will maintain its existence, will not dissolve, liquidate or otherwise dispose of all or substantially all of its assets, and will not consolidate with or merge into another corporation or entity or permit one or more other corporations or entities to consolidate with or merge into it.

Section 5.4 Project Construction. (a) The Borrower shall cause the Project to be acquired, constructed and equipped in accordance with this Section.

(b) Moneys deposited with Title Company pursuant to Section 3.1 of this Agreement shall be held in the Project Fund and disbursed in accordance with the Escrow Agreement.

(c) The completion of the Project shall be evidenced to the Purchaser by a certificate (the "**Completion Certificate**") substantially in the form of **Exhibit C** hereto, signed by an Authorized Borrower Representative. It shall be the duty of the Borrower to cause the Completion Certificate to be furnished to the Purchaser and the City within 60 days after either the Project shall have been completed or the Borrower shall have determined that the Project will not be completed. Any moneys held in the Project Fund after the completion of the Project shall at the direction of the Borrower be used with respect thereto for one or more of the following purposes:

(i) for the payment, in accordance with the provisions of this Agreement, of any Qualified Cost with respect to the Project not theretofore paid; or

(ii) for the payment of all or part of the redemption price of the Series 2016A Note at the earliest redemption date or dates on which the Series 2016A Note may be redeemed without the payment of a premium or, at the option of the Borrower, at an earlier redemption date or dates.

(d) The Borrower covenants and agrees that it will cause all of the moneys in the Project Fund (including any earnings on investment of such moneys) to be disbursed for Qualified Costs. The Borrower further covenants that no more than two percent (2%) of the par amount of the Series 2016A Note will be disbursed for payment of issuance costs within the meaning of Section 147(g) of the Code.

(e) In the event the money in the Project Fund available for payment of the costs of the Project shall not be sufficient to make such payment in full, the Borrower agrees to

pay directly, or to deposit moneys in the Project Fund for the payment of, such costs of completing the Project as may be in excess of the moneys available therefor in the Project Fund. THE CITY DOES NOT MAKE ANY WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, THAT THE MONEYS WHICH WILL BE DEPOSITED INTO THE PROJECT FUND, AND WHICH UNDER THE PROVISIONS OF THIS AGREEMENT WILL BE AVAILABLE FOR PAYMENT OF THE COSTS OF THE PROJECT, WILL BE SUFFICIENT TO PAY ALL OF THE COSTS WHICH WILL BE INCURRED IN CONNECTION THEREWITH. The Borrower agrees that if, after exhaustion of the moneys in the Project Fund, the Borrower should pay, or deposit monies in the Project Fund for the payment of, any portion of the costs of the Project pursuant to the provisions of this Section, it shall not be entitled to any reimbursement therefor from the City or Purchaser, nor shall they be entitled to any diminution of the amounts payable under Section 4.1 hereof.

(g) All moneys in the Project Fund shall be invested or reinvested by the Purchaser, at the direction of the Authority Borrower Representative, as provided in the Tax Certificate and to the extent permitted by law, in Qualified Investments. Any such investment may be purchased at the offering or market price thereof at the time of such purchase. Any such investment shall mature on or prior to the date or dates on which such funds are anticipated to be needed under the Agreement. Any profit realized therefrom shall be credited to such moneys and any net losses resulting from such investment shall be paid by the Borrower.

Section 5.5 Operation, Sale, Lease or Sublease of the Project. The Borrower will not make any material change in its use of the Project unless the Purchaser and the City receive an Opinion of Bond Counsel to the effect that such change will not impair the exclusion of interest on the Series 2016A Note from the gross income of holders of the Series 2016A Note for federal income tax purposes.

Upon any conveyance or transfer (whether by sale, exchange, gift or assignment or other disposition) of the Borrower's interest in the Project to the extent permitted hereunder, the Borrower will obtain, or cause there to be obtained, the agreement of the receiving party to comply with the provisions of this Section, regardless of whether such receiving party assumes the obligations of the Borrower under this Agreement generally, and will provide the City and the Purchaser with an Opinion of Bond Counsel to the effect that the conveyance or transfer will not adversely affect the exclusion of the interest on the Series 2016A Note from the Federal gross income of the owners thereof.

Section 5.6 No Warranty by the City. THE BORROWER RECOGNIZES THAT THE CITY HAS NOT MADE AN INSPECTION OF THE PROJECT OR OF ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, AND THE CITY MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED OR OTHERWISE, WITH RESPECT TO THE SAME OR THE LOCATION, USE, DESCRIPTION, DESIGN, MERCHANTABILITY, CONDITION, WORKMANSHIP, OR FITNESS, SUITABILITY OR USE FOR ANY PARTICULAR PURPOSE, CONDITION OR DURABILITY THEREOF. THE BORROWER FURTHER RECOGNIZES THAT THE CITY HAS NO TITLE INTEREST TO ANY PART OF THE PROJECT AND THAT THE CITY MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND AS TO THE BORROWER'S TITLE THERETO OR OWNERSHIP THEREOF OR OTHERWISE, IT BEING AGREED THAT ALL RISKS INCIDENT THERETO ARE TO BE BORNE BY THE BORROWER. IN

THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE IN THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER PATENT OR LATENT, THE CITY SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO. THE PROVISIONS OF THIS SECTION HAVE BEEN NEGOTIATED AND ARE INTENDED TO BE A COMPLETE EXCLUSION AND NEGATION OF ANY WARRANTIES OR REPRESENTATIONS BY THE CITY, EXPRESS OR IMPLIED, WITH RESPECT TO THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER ARISING PURSUANT TO THE UNIFORM COMMERCIAL CODE OF THE STATE OF ILLINOIS OR ANOTHER LAW NOW OR HEREAFTER IN EFFECT OR OTHERWISE.

Section 5.7 Compliance with Laws. The Borrower shall, through the term of this Agreement and at no expense to the City, promptly comply or cause compliance with all applicable laws, ordinances, orders, rules, regulations and requirements of duly constituted public authorities which may be applicable to the Project or to the repair and alteration thereof, or to the use or manner of use of the Project, including, but not limited to, the Americans with Disabilities Act, Illinois Accessibility Code, all Federal, State and local environmental, health and safety laws, rules, regulations and orders applicable to or pertaining to the Project, Federal Worker Adjustment and Retraining Notification Act and Illinois Prevailing Wage Act.

Section 5.8 Issuer's and Purchaser's Right of Access to the Project. The Borrower agrees that during the term of this Agreement the City, the Purchaser, and their duly authorized agents shall have the right, but shall be under no duty or obligation to exercise this right, during regular business hours, with reasonable notice, to enter upon the premises and examine and inspect the Project, subject to such limitations, restrictions and requirements as the Borrower may reasonably prescribe.

Section 5.9 Maintenance and Repair; Insurance. The Borrower will maintain the Project in a safe and sound operating condition, making from time to time all needed material repairs thereto, and shall maintain reasonable amounts of insurance coverage with respect to the Project and shall pay all costs of such maintenance, repair and insurance.

Section 5.10 Rebate Fund. (a) The Borrower will cause to be created a special fund to be known as the "**Series 2016A Rebate Fund**," which shall thereafter be continuously held, invested, expended and accounted for in accordance with this Agreement and the Tax Certificate. Capitalized terms used in this Section which are not otherwise defined herein shall have the meanings specified in the Tax Certificate. Moneys in the Series 2016A Rebate Fund shall be free and clear of the lien of this Agreement and shall not be considered moneys held for the benefit of the owners of the Series 2016A Note. Except as provided in the Regulations, moneys in the Series 2016A Rebate Fund (including earnings and deposits therein) shall be held in trust for payment to the United States as required by the Regulations.

In addition to the amounts provided in this Agreement, the Borrower hereby agrees to deposit in the Series 2016A Rebate Fund for payment to the United States any amount which under the Regulations must be deposited in the Series 2016A Rebate Fund for payment to the United States with respect to the Series 2016A Note.

(b) The Borrower agrees to pay rebate in accordance with Section 148(f) of the Code and the regulations promulgated thereunder.

The Borrower and the Purchaser shall maintain a record of any investments of gross proceeds of the Series 2016A Note (within the meaning of Section 148(f) of the Code) held by the Purchaser, including without limitation investments of amounts held in the Project Fund. This record with respect to obligations in which gross proceeds of the Series 2016A Note are invested will include their date of purchase, purchase price, coupon rate and period, and the amount and date of receipt of payments of principal, premium and interest and of sale, redemption and retirement proceeds with respect thereto.

The Borrower shall obtain and keep such records of the computations made pursuant to this Section as are required under Section 148(f) of the Code. Notwithstanding the foregoing, the Borrower shall keep such records at least until three years following the final payment or maturity of the Series 2016A Note.

ARTICLE VI

NO RECOURSE TO ISSUER; INDEMNIFICATION

Section 6.1 No Recourse to Issuer. The obligations of the City under this Agreement are limited obligations of the City, payable solely out of the revenues and income derived from the Borrower under this Agreement and as otherwise provided under this Agreement and the Ordinance. The obligations of the City hereunder shall not be deemed to constitute an indebtedness or an obligation of the City, the State of Illinois or any political subdivision thereof within the purview of any constitutional limitation or statutory provision, or a charge against the credit or general taxing powers, if any, of any of them. No recourse shall be had for the payment of the principal of, redemption premium, if any, and interest on the Series 2016A Note or for any claim based thereon or upon any obligation, covenant or agreement contained in this Agreement against any past, present or future official, officer or employee of the City, as such, either directly or through the City or any successor, under any rule of law, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability is hereby expressly waived and released as a condition of and consideration for the execution of this Agreement and the issuance of the Series 2016A Note.

Section 6.2 Indemnification. The Borrower will pay, and will protect, indemnify and save the City harmless from and against, any and all liabilities, losses, damages, costs and expenses (including reasonable attorneys' fees and expenses of the City), causes of action, suits, claims, demands and judgments of whatsoever kind and nature (including those arising or resulting from any injury to or death of any person or damage to property) arising out of the following, to the extent permitted by law:

(i) the design, construction and installation of the Project;

(ii) the use of the Project by the Borrower;

(iii) violation by the Borrower of any agreement, warranty, covenant or condition of this Agreement, the Land Use Restriction Agreement or the Borrower Documents;

(iv) violation by the Borrower of any other contract, agreement or restriction relating to the Project; and

(v) violation by the Borrower of any law, ordinance, regulation or court order affecting the Project or the ownership, occupancy or use thereof.

The City shall notify the Borrower in writing of any claim or action brought against the City in respect of which indemnity may be sought against the Borrower, setting forth the particulars of such claim or action, and the Borrower will assume the defense thereof, including the employment of counsel, and the payment of all reasonable expenses. The City, at its sole discretion, may employ separate counsel in any such action and participate in the defense thereof. The fees and expenses of such separate counsel so incurred shall be at the expense of the Borrower without regard to any authorization of such employment by the Borrower.

Section 6.3 Default by Issuer — Limited Liability. Notwithstanding any provision or obligation to the contrary hereinbefore set forth, no provision of this Agreement shall be construed so as to give rise to a pecuniary liability of the City or to give rise to a charge upon the general credit of the City, the liability of the City hereunder shall be limited to its interest in the Project, this Agreement, and all other Borrower Documents and collateral and the lien of any judgment shall be restricted thereto. In the performance of the agreements of the City herein contained, any obligation it may incur for the payment of money shall not be a debt of the City, nor shall the City be liable on any obligation so incurred. The City does not assume general liability for the repayment of the Series 2016A Note or for the costs, fees, penalties, taxes, interest, omissions, charges, insurance or any other payments recited herein, and shall be obligated to pay the same only out of the amounts payable by the Borrower hereunder. The City shall not be required to do any act whatsoever or exercise any diligence whatsoever to mitigate the damages to the Borrower if a default shall occur hereunder.

ARTICLE VII

ASSIGNMENT

Section 7.1 Assignment by Borrower. The rights of the Borrower under this Agreement may be assigned to, and the obligations of the Borrower assumed by, another party in whole or in part, but only with the prior written consent of the Purchaser and the City. No such assignment will be made, however, unless the Borrower causes there to be delivered to the Purchaser and the City an Opinion of Bond Counsel to the effect that such assignment will not cause interest on the Series 2016A Note to be includable in the gross income of the owners thereof for federal income tax purposes.

Section 7.2 Security Interest; Assignment by Issuer. The City hereby assigns and grants to the Purchaser a security interest in any and all of the City's right, title and interest in

and to (a) all amounts payable by the Borrower to it hereunder and under the Borrower Note and all rights to enforce the same, excluding only the Unassigned Rights, and (b) all funds and accounts created or held by any party pursuant to this Agreement. The City will not sell, assign or otherwise dispose of its rights under or interest in this Agreement or the Borrower Note, nor create or permit to exist any lien, encumbrance or other security interest in or on such rights or interest, except as set forth above.

ARTICLE VIII

DEFAULTS AND REMEDIES

Section 8.1 Events of Default. An "Event of Default" is any of the following:

(a) There is a failure to make due and punctual payment of any interest on the Series 2016A Note when due.

(b) There is a failure to make due and punctual payment of principal of the Series 2016A Note when due, at maturity, upon acceleration or redemption or otherwise.

(c) The City fails to perform any of its agreements in this Agreement or the Series 2016A Note (except a failure that results in an Event of Default under clause (a) or (b) above, the performance of which is material to the Purchaser), and the failure continues after the notice and for the period specified in this Section.

(d) The Borrower fails to perform any of its agreements in this Agreement (except a failure that results in an Event of Default under clause (a) or (b) of this Section), and the failure continues after the notice and for the period specified in this Section.

(e) The Borrower pursuant to or within the meaning of any Bankruptcy Law (as defined below) (1) commences a voluntary case, (2) consents to the entry of an order for relief against it in an involuntary case, (3) consents to the appointment of a Custodian (as defined below) for the Borrower, or any substantial part of its property or (4) makes a general assignment for the benefit of its creditors.

(f) A court of competent jurisdiction enters an order or decree under any Bankruptcy Law that (1) is for relief against the Borrower in an involuntary case, (2) appoints a Custodian (as defined below) for the Borrower or any substantial part of its, his or her property or (3) orders the winding up or liquidation of the Borrower, and the decree or order remains unstayed and in effect for 90 days.

(g) An Event of Default occurs and is continuing under any of the Borrower Documents after the expiration of any applicable cure period.

"**Bankruptcy Law**" means Title 11 of the United States Code or any similar Federal or state law for the relief of debtors. "**Custodian**" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A default under clause (c) or (d) of this Section is not an Event of Default until the Purchaser gives the City and the Borrower a notice specifying the default, demanding that it be remedied and stating that the notice is a "**Notice of Default**," and the City or the Borrower does not cure the default within 90 days after receipt of the notice, or within such longer period as the Purchaser shall agree.

Section 8.2 Acceleration. If any Event of Default occurs and is continuing, the Purchaser by notice to the City and the Borrower (except for an Event of Default under clause (e) or (f) of the foregoing Section, for which a declaration can be made without any notice), may declare the principal of and accrued interest on the Series 2016A Note to be due and payable immediately, and such principal and interest shall thereupon become and be immediately due and payable. Any such declaration shall also apply to the Borrower Note. The Purchaser may rescind an acceleration and its consequences if all existing Events of Default have been cured or waived, if the rescission would not conflict with any judgment or decree. Any such rescission shall also apply to the Borrower Note.

Section 8.3 Other Remedies. If an Event of Default occurs and is continuing, the Purchaser may pursue any available remedy by proceeding at law or in equity to collect the principal of or interest on the Series 2016A Note or to enforce the performance of any provision of the Series 2016A Note, this Agreement or the Borrower Note against the Borrower.

A delay or omission by the Purchaser in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default.

Section 8.4 Waiver of Past Defaults. The Purchaser by notice to the Borrower, with a copy to the City, may waive an existing Event of Default and its consequences. When an Event of Default is waived, it is cured and stops continuing, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent to it.

Section 8.5 Purchaser May File Proofs of Claim. The Purchaser may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Purchaser allowed in any judicial proceedings relative to the Borrower, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the holders in any election of a trustee in bankruptcy or other person performing similar functions.

Section 8.6 Attorneys' Fees and Expenses. If the Borrower should default under any provision of this Agreement and the City or Purchaser employ attorneys or incur other expenses for the collection of the payments due under this Agreement, the Borrower will on demand pay to the City or the Purchaser, as the case may be the reasonable fees of such attorneys and such other reasonable expenses so incurred by the City or the Purchaser, as the case may be.

Section 8.7 No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or the Purchaser is intended to be exclusive of any other available remedy or remedies but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement, now or hereafter existing, at law or in equity or by statute. No delay or omission to exercise any right or power and accruing upon any Event of Default

hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

Section 8.8 Remedies Subject to Subordination Agreements. Notwithstanding any other provisions herein to the contrary, the exercise of remedies hereunder by the Purchaser shall in all events be subject to the provisions of any subordination or security documents relating to the Series 2013 Note, during such time as the Series 2013 Note is outstanding.

Section 8.9 Investor Limited Partner Cure Rights. Notwithstanding anything to the contrary contained in this Agreement or the Borrower Documents, any Event of Default arising under this Agreement or any Borrower Document may be cured by the Investor Limited Partner, its agent or their affiliates or designees on behalf of the Borrower, and such cure shall be accepted by the City and the Purchaser on the same terms as if made by the Borrower itself.

ARTICLE IX

Section 9.3 Binding Effect. This Agreement shall inure to the benefit of and shall be binding upon the City, the Borrower, the Purchaser and their respective successors and assigns.

Section 9.4 Severability. If any provision of this Agreement shall be determined to be unenforceable at any time, such determination shall not affect any other provision of this Agreement or the enforceability of that provision at any other time.

Section 9.5 Amendments. After the issuance of the Series 2016A Note, this Agreement may not be effectively amended or terminated without the written consent of the parties hereto; provided, however, that the Purchaser and the Borrower may, without the consent

of, or notice to, the City enter into an amendment to this Agreement, for any one or more of the following purposes: (a) to cure an ambiguity, formal defect or omission in this Agreement; (b) to elaborate on or modify any provisions relating to disbursement of the proceeds of the Series 2016A Note, so long as there is delivered to the City by the Borrower an Opinion of Bond Counsel with respect to any such addition, deletion, amendment, modification or alteration to the effect that such change does not adversely affect the exclusion of interest on the Series 2016A Note from the federal gross income of the owners thereof; (c) to add to the covenants and agreements of the Borrower contained in this Agreement other covenants and agreements thereafter to be observed by the Borrower for the protection of the Purchaser; (d) to provide that the Series 2016A Note may be secured by additional collateral; (f) to amend the notice provisions of this Agreement (other than notices to the City); and (f) to make any other change which does not, in the Opinion of Bond Counsel, have a material adverse effect upon the interests of the City.

Section 9.7 Captions; References to Sections. The captions in this Agreement are for convenience only and do not define or limit the scope or intent of any provisions or Sections of this Agreement. References to Articles and Sections are to the Articles and Sections of this Agreement, unless the context otherwise requires.

Section 9.8 Complete Agreement/Non-Reliance. This Agreement represents the entire agreement between the City, the Purchaser and the Borrower with respect to its subject matter. The parties have not relied on any representations other than set forth herein or in the Borrower Documents as an inducement to enter into this Agreement.

Section 9.9 Terms of this Agreement; Discharge. This Agreement shall be in full force and effect from the date hereof, and shall continue in effect until the payment in full of all principal of, premium, if any, and interest on the Series 2016A Note; all fees, charges, indemnities and expenses of the City and Purchaser have been fully paid or provision made for such payment (the payment of which fees, charges, indemnities and expenses shall be evidenced by a written certification of the Borrower that it has fully paid or provided for all such fees, charges, indemnities and expenses), and all other amounts due hereunder have been duly paid or provision made for such payment. The principal of, premium, if any, and interest on the Series 2016A Note may be deemed paid in full in advance of the actual payment thereof if an irrevocable escrow is funded for such purpose in form and substance satisfactory to the Purchaser. All representations, certifications and covenants by the Borrower as to the indemnification of various parties and the payment of fees and expenses of the City as described in Sections 3.11 and 4.4 hereof, and all matters affecting the tax exempt status of the Series 2016A Note shall survive the termination of this Agreement.

Upon the termination of this Agreement as aforesaid, all amounts on deposit in any funds or accounts created hereunder shall be paid in the following order: (a) to the Purchaser, to the extent any amounts remain owing to the Purchaser hereunder, and shall be credited against any indebtedness evidenced by the Series 2016A Note or other Borrower Documents (b) to the City, to the extent any amounts remain owing to the City hereunder, and (c) to the Borrower.

Section 9.10 Payments/Actions Due on Non-Business Days. If any date for the payment of principal or purchase price of, premium, if any, or interest on the Series 2016A Note, or the taking of any other action required or permitted to be taken hereunder, is not a Business Day, then such payment shall be due, or such action shall or may be taken, as the case may be, on the first Business Day thereafter.

Section 9.11 Non-recourse. Notwithstanding anything to the contrary in this Agreement or any of the Borrower Documents, upon payment in full of the Series 2013 Note and release of the liens of the security instruments securing the Series 2013 Note, the indebtedness evidenced by this Agreement shall then be a non-recourse obligation of the Borrower, and in the Event of Default hereunder, the City and Purchaser's sole source of repayment of amounts due hereunder or under any of the Borrower Documents shall then be limited to City and Purchaser's rights with respect to the collateral pledged and assigned under the Mortgage. Further, upon payment in full of the Series 2013 Note and release of the liens of the security instruments securing the Series 2013 Note, the City and Purchaser waive any and all right to seek or demand any personal deficiency judgment against Borrower or any of its partners. Until payment in full of the Series 2013 Note and release of the liens of the security instruments securing the Series 2013 Note, the indebtedness evidenced by this Agreement shall be a recourse obligation of the Borrower.

Section 9.12 Counterparts. This Agreement may be signed in several counterparts. Each will be an original, but all of them together constitute the same instrument.

REPRESENTATIONS

Section 2.1 Representations of Issuer. The City represents and warrants as follows:

(a) The City is a municipality and home rule unit of government duly organized and validly existing under the Constitution and laws of the State. The City is authorized to execute and deliver this Agreement and to carry out its obligations hereunder.

(b) It is the City's understanding, based upon certain representations of the Borrower, that the issuance and sale of the Series 2016B Note and the loaning of the proceeds of the Series 2016B Note to the Borrower (which proceeds, along with certain other moneys, will be applied for the benefit of the Borrower) is to provide all or a portion of the moneys required to finance costs of the Project and pay costs relating to the issuance of the Series 2016B Note.

(c) To provide funds to loan to the Borrower for the purposes described in (b) above, the City has authorized its Note in the aggregate principal amount set forth herein to be issued upon the terms set forth in this Agreement, under the provisions of which the City's interest in the payments of principal, premium, if any, interest and other revenues hereunder (other than Unassigned Rights) are pledged and assigned to the Purchaser as security for the payment of the principal of, premium, if any, and interest on the Series 2016B Note. The City covenants that it has not and will not pledge or assign its interest in this Agreement, or the revenue and receipts derived pursuant to this Agreement, excepting Unassigned Rights, other than to the Purchaser under this Agreement to secure the Series 2016B Note.

(d) To the knowledge of the undersigned representatives of the City, neither the execution and delivery of the Series 2016B Note or this Agreement, the consummation of the transactions contemplated hereby, nor the fulfillment of or compliance with the terms, conditions or provisions of the Series 2016B Note or this Agreement conflict with or result in a material breach of any of the terms, conditions or provisions of any agreement, instrument, judgment, order, or decree to which the City is now a party or by which it is bound, or constitute a material default under any of the foregoing.

Section 2.2 Representations of Borrower. The Borrower represents and warrants as follows:

(a) The Borrower is a limited partnership duly organized under the laws of the State, is in good standing and duly authorized to conduct its business in this State, is duly authorized and has full power under all applicable laws and its organizational documents to execute and deliver the Borrower Documents.

(b) The execution and delivery of the Borrower Documents on the Borrower's part have been duly authorized by all necessary corporate action, and neither the Borrower's execution and delivery of the Borrower Documents, the Borrower's consummation of the transactions contemplated on its part thereby, nor the Borrower's fulfillment of or compliance with the terms and conditions thereof, conflicts with or results in a material breach of the partnership agreement of the Borrower or any material agreement or instrument to which the Borrower is now a party or by which it is bound (except for any such breaches for which the Borrower has obtained a waiver or a required consent), or constitutes a material default (or would constitute a material default with due notice or the passage of time or both) under any of the foregoing.

(c) No litigation, proceedings or investigations are pending (for which service of process or notice has been received) or, to the knowledge of the Borrower, threatened against the Borrower seeking to restrain, enjoin or in any way limit the approval or issuance and delivery of the Borrower Documents or which would in any manner challenge or adversely affect the corporate existence or powers of the Borrower to enter into and carry out the transactions described in or contemplated by or the execution, delivery, validity or performance by the Borrower of the Borrower Documents. In addition, no litigation, proceedings or investigations are pending (for which service of process or notice has been received) or, to the knowledge of the Borrower, threatened in writing against the Borrower, except litigation, proceedings or investigations involving claims for which the probable ultimate recoveries and the estimated costs and expenses of defense, in the opinion of management of the Borrower (i) will be entirely within the applicable insurance policy limits (subject to applicable deductibles) or are not in excess of the total of the available assets held under applicable self-insurance programs or (ii) will not have a material adverse effect on the operations or condition, financial or otherwise, of the Borrower.

(d) No Event of Default or event or condition which, but for the lapse of time or the giving of notice, or both, would constitute an Event of Default has occurred and is continuing.

Section 2.3 Representations of Purchaser. The Purchaser represents, warrants and acknowledges as follows:

(a) In purchasing the Series 2016B Note, it is not relying on any representations of the City with respect to the financial quality of the Series 2016B Note. The Purchaser is relying solely on statements and representations of the Borrower and on its own knowledge and investigation of the facts and circumstances relating to the purchase of the Series 2016B Note and hereby waives any claims that it may have against the City with respect to the financial quality of the Series 2016B Note arising out of any action the City has taken or should have taken in the authorization, issuance or sale of the Series 2016B

Note or with respect to any statement or representation made by the City in connection with the sale of the Series 2016B Note. Insofar as the financial quality of the Series 2016B Note is dependent solely on the ability of the Borrower to make all payments as and when due under this Agreement, the Purchaser acknowledges and agrees that it has evaluated the creditworthiness of the Borrower and has determined that, as a consequence of that evaluation, in the absence of the Series 2016B Note, the Purchaser would nevertheless be willing to finance costs of the Project through a commercial loan to the Borrower on substantially the same terms and conditions (other than the interest rate on the Series 2016B Note) as set forth in this Agreement.

(b) It intends to treat the purchase of the Series 2016B Note as a commercial loan to the Borrower. The Purchaser also represents and warrants that its business is that of a commercial bank, and as such it is an "accredited investor" within the meaning ascribed to that term under Regulation D, Section 501 through 506 of the Securities Act of 1933, as amended. In connection with its business, the Purchaser holds an extensive portfolio of investments, including tax-exempt obligations similar to the Series 2016B Note, and commercial loans, as well as other types of loans. The Purchaser has knowledge and experience in financial and business matters, including evaluating and purchasing tax-exempt obligations similar to the Series 2016B Note, and is capable of evaluating the merits and risks of making the loan hereunder and purchasing the Series 2016B Note.

(c) The Purchaser has had access to all information relative to the business of the Borrower that it has required in order to purchase the Series 2016B Note and make the loan hereunder.

(d) The City and the Borrower have made available during the course of the transaction and prior to the purchase of the Series 2016B Note, to the Purchaser, the opportunity to ask questions and receive answers from such parties concerning the terms and conditions of the Series 2016B Note offering and to obtain any additional information relative to the financial data and business of such parties, to the extent that such parties possess such information or can acquire it without unreasonable effort or expense.

(e) The Purchaser understands that the Series 2016B Note has not been registered under the Securities Act of 1933, as amended, and that such registration is not legally required. The Purchaser represents that it is purchasing the Series 2016B Note for investment for its own account and not with the present view of transferring the Series 2016B Note or any portion of it in such a manner that would require registration under the Securities Act of 1933, as amended. The Purchaser agrees not to sell or transfer the Series 2016B Note except in compliance with any applicable federal or state securities laws. The Purchaser is not acting in the capacity of a broker dealer or municipal securities underwriter in connection with its purchase of the Series 2016B Note.

(f) The Series 2016B Note may be transferred only in whole, in a single transaction whereby all right, title and interest in and to the Series 2016B Note is transferred to a single transferee and only with the prior written consent of the City and

prior written notice to the Borrower. The City agrees not to withhold its consent unreasonably, when provided with reasonable evidence of the following:

(i) that the transferee has been provided copies of the Borrower Documents, all as currently then in effect;

(ii) that the Purchaser's rights under the applicable Borrower Documents have been assigned to the transferee as security for the Series 2016B Note;

(iii) that the transferee has certified as to the representations contained in this Section 2.3 to the City and the Borrower;

(iv) that the transferee has assumed and undertaken all obligations of the Purchaser under this Agreement, including the obligation to make Advances as provided herein;

(v) that the transferee has provided a "sophisticated investor" letter to the City and the Borrower, in a form substantially similar to the form attached to this Agreement as **Exhibit D**; and

(vi) that the transferee has been provided copies of any opinions of counsel previously delivered to the Purchaser.

Provided, however, such prior written consent of the City shall not be required if the Series 2016B Note is being transferred to an Eligible Transferee and the requirements under provisions (f)(i) to (vi) above have been satisfied.

(g) The Purchaser would have purchased the Series 2016B Note regardless of whether or not any other bond of any other Governmental Authority were purchased or issued to finance costs of the Project. The interest rate for the Series 2016B Note was determined independently from the interest rate for any other bond of any other Governmental Authority issued to finance or refinance the Project.

ARTICLE III

The Note is subject to optional redemption at the written direction of the Borrower upon at least 15 days written notice by the Borrower to the Purchaser in whole or in part on any date at the redemption price of 100% of the then unpaid principal amount of the Series 2016B Note, plus accrued interest, if any, to the redemption date. The Note called for redemption shall be paid at the applicable redemption price by payment directly from the Borrower to the Purchaser.

Section 3.5 Mutilated, Lost, Stolen or Destroyed Note. If the Series 2016B Note is mutilated, lost, stolen or destroyed, the City shall issue a replacement Note in the then outstanding principal amount of the Series 2016B Note. The City may charge the Borrower for its reasonable expenses in this connection.

Section 3.6 Payment of Note. The City will promptly pay the principal of and interest on the Series 2016B Note on the dates and in the manner provided in the Series 2016B Note, but solely and only from payments to be made by the Borrower hereunder, it being agreed and understood that the Series 2016B Note and interest thereon shall be a limited obligation of the City which are not in any way a general obligation of the City nor payable in any manner from funds of the City raised by taxation.

Section 3.7 Further Assurances. The City will execute and deliver such further instruments, and do such further acts, as the Purchaser may reasonably require for the better assuring, assigning and confirming to the Purchaser the amounts assigned hereunder for the payment of the Series 2016B Note.

Section 3.8 Tax Exemption. Subject to the limitations on its liability as stated herein and to the extent permitted by law, the City covenants and agrees that it has not knowingly engaged and will not knowingly engage in any activities, and that it has not knowingly taken and will not knowingly take any action, which might result in any interest on the Series 2016B Note becoming includable in the gross income of the owners thereof for purposes of Federal income taxation.

Section 3.9 Performance of Covenants; Issuer. The City covenants that it will faithfully perform on its part at all times any and all covenants, undertakings, stipulations and provisions contained in this Agreement, in any and every Note executed, authenticated and delivered hereunder and in all of its proceedings pertaining thereto; *provided, however*, that except for the matters set forth in any documents hereof relating to payment of the Series 2016B Note, the City shall not be obligated to take any action or execute any instrument pursuant to any provision hereof until it shall have been requested to do so by the Borrower or by Purchaser, or shall have received the instrument to be executed and at the option of the City shall have received from the party requesting such action or execution assurance satisfactory to the City that the City shall be reimbursed for its reasonable expenses, including legal counsel fees, financial advisor fees, and other expenses, reasonably incurred or to be incurred by the City in connection with the Series 2016B Note. The City covenants that it is duly authorized under the Constitution, the laws of the State, and the Ordinance authorizing the issuance of the Series 2016B Note and the execution of this Agreement, to grant the security interest herein provided, to assign and pledge this Agreement (except as otherwise provided herein) and the Borrower Note and to assign and pledge the amounts hereby assigned and pledged in the manner and to the extent

herein set forth, that all action on its part for the issuance of the Series 2016B Note and the execution and delivery of this Agreement has been duly and effectively taken, and that the Series 2016B Note in the hands of the owners thereof is and will be a valid and enforceable obligation of the City according to the terms thereof and hereof. Anything contained in this Agreement to the contrary notwithstanding, it is hereby understood that none of the covenants of the City contained in this Agreement are intended to create a general or primary obligation of the City.

Section 3.10 Fees, Charges and Expenses of the City. The City shall be entitled to payment and reimbursement for all advances, reasonable fees of legal counsel and financial advisor, and other expenses reasonably made or incurred by the City in connection with the Series 2016B Note.

Section 3.11 Provisions for Payment of Expenses. The City shall not be obligated to execute any documents or take any other action under or pursuant to this Agreement or any other document in connection with the Series 2016B Note unless and until provision for the payment of expenses of the City, including reasonable fees of legal counsel and financial advisor, and other expenses reasonably made or incurred by the City in connection with the Series 2016B Note shall have been made. Provisions for expenses shall be deemed to have been made upon arrangements reasonably satisfactory to the City for the provision of expenses being agreed upon by the City and the party requesting such execution.

ARTICLE IV

REPAYMENT

Section 4.1 Loan Repayment. Principal, Premium and Interest. Each Advance under the Series 2016B Note pursuant to Section 3.1 hereof from time to time hereof shall constitute the loan of such proceeds by the City to the Borrower. As repayment of the loan made from the City to the Borrower hereunder, the Borrower agrees to pay directly to the Purchaser (as the assignee of the City) amounts sufficient to pay the principal of, premium, if any or interest on the Series 2016B Note on each day on which any payment of principal of, premium, if any or interest on the Series 2016B Note shall become due (whether on an interest payment date, at maturity, or upon redemption or acceleration or otherwise). Such amounts shall be paid in immediately available funds on or before 11:00 a.m. (local time at the principal office of the Purchaser). If the Borrower defaults in any payment required by this Section, the Borrower will pay interest (to the extent allowed by law) on such amount until paid at the rate provided for in Section 3.3 hereof.

The loan repayment obligation of the Borrower hereunder shall be evidenced by the Borrower Note which shall be executed by the Borrower in the form set forth in **Exhibit E** hereto.

Section 4.2 Prepayments. The Borrower may prepay to the Purchaser all or any part of the amounts payable under Section 4.1 at any time that the Series 2016B Note shall be subject to optional redemption, solely as provided in this Agreement and the Series 2016B Note, and at a prepayment price equal to the corresponding redemption price of the Series 2016B Note. A prepayment shall not relieve the Borrower of its obligations under this Agreement until the

Series 2016B Note has been paid in full or provision for the payment of the Series 2016B Note in full has been made in accordance with this Agreement. In the event of a mandatory redemption of the Series 2016B Note, the Borrower agrees to prepay all amounts necessary for such redemption. Partial prepayments of the loan made to the Borrower hereunder shall reduce the monthly principal installments hereunder in such manner as shall be agreed upon by the Borrower and the Purchaser, or in the absence of such agreement, in inverse order of their due date.

Section 4.3 Obligations of Borrower Unconditional. As security for the payment of the Series 2016B Note, the City, pursuant to Section 7.2 hereof, assigns and pledges to the Purchaser all right, title and interest of the City in and to (i) this Agreement, including the right to receive payments hereunder and thereunder (except its Unassigned Rights) and (ii) the Borrower Note, including the right to receive payments thereunder, and hereby directs the Borrower to make said payments directly to the Purchaser. The Borrower herewith assents to such assignment and pledge and will make payments directly to the Purchaser without defense or set-off by reason of any dispute between the Borrower and the City or Purchaser, and hereby agrees that its obligation to make payments hereunder and to perform its other agreements contained herein are absolute and unconditional. Until the principal of and interest on the Series 2016B Note shall have been fully paid or provision for the payment of the Series 2016B Note made in accordance herewith, the Borrower (a) will not suspend or discontinue any payments provided for in this Agreement, (b) will perform all its other duties and responsibilities called for by this Agreement, and (c) will not terminate for any cause including any acts or circumstances that may constitute failure of consideration, destruction of or damage to the Project, commercial frustration of purpose, any change in the laws of the United States or of the State or any political subdivision of either or any failure of the City to perform any of its agreements, whether express or implied, or any duty, liability or obligation arising from or connected with this Agreement.

Section 4.4 Subordination. Repayment of the Series 2016B Note, the Mortgage and the other documents evidencing or securing repayment of the Series 2016B Note shall be subject and subordinate in all respects to the rights of the holders of the Series 2013 Note and to all terms, covenants, conditions and liens of the documents affecting the Series 2013 Note. Payment of the indebtedness evidenced by the Series 2016B Note is and shall be subject and subordinate in all respects, including in respect of the right to payment, to the prior payment in full of all amounts due and payable in respect of the Series 2013 Note. The owners of Series 2016B Note expressly subject and subordinate all of their right, title and interest in and to the Series 2016B Note in all respects to the payment in full of the Series 2013 Note and the liens of the security instruments securing the Series 2013 Note. By accepting the Series 2016B Note, the holders of the Series 2016B Note agree to execute such further instruments confirming the subordination set forth herein.

Section 4.5 Additional Expenses. The Borrower will also pay within 30 days after receipt of a bill therefor, (i) all reasonable expenses of the City in connection with and as provided in this Agreement, such expenses to be paid directly to the City or as otherwise directed in writing by the City; and (ii) all other reasonable fees and expenses incurred in connection with the issuance of the Series 2016B Note. The Borrower shall pay a one-time (i) issuance fee of 150 basis points of the aggregate original principal amount of the Series 2016B Note to the City and (ii) legal reserve fee of 10 basis points of the aggregate original principal amount of the

Series 2016B Note to the City, in each case, prior to or contemporaneously with the issuance of the Series 2016B Note.

ARTICLE V

BORROWER COVENANTS

Section 5.1 Recording and Maintenance of Liens; Financing Statements.

(a) The Borrower will, at its own expense, take all necessary action to maintain and preserve the liens and security interest of this Agreement so long as any principal, premium, if any, or interest on the Series 2016B Note remains unpaid.

(b) The Borrower will, promptly after the execution and delivery of this Agreement and thereafter from time to time, cause a financing statement in respect of this Agreement to be filed, registered and recorded in such manner and in such places as may be required by law in order to publish notice of and fully to perfect and protect the lien and security interest herein granted to the Purchaser to the rights, if any, of the City assigned hereunder, and from time to time will perform or cause to be performed any other act as provided by law and will execute or cause to be executed any and all continuation statements and further instruments necessary for such publication, perfection and protection. Except to the extent it is exempt therefrom, the Borrower will pay or cause to be paid all filing, registration and recording fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment of such instruments of further assurance, and all Federal or State fees and other similar fees, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of the Borrower Documents and such instruments of further assurance.

(c) The City shall have no responsibility for the preparation, filing or recording of any instrument, document or financing statement or for the maintenance of any security interest intended to be perfected thereby. Following an appropriate review and approval, the City will execute such instruments provided to it by the Borrower as may be reasonably necessary in connection with such filing or recording.

Section 5.2 Borrower's Obligation with Respect to Exclusion of Interest Paid on the Series 2016B Note. The Borrower will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Series 2016B Note) if taking or omitting to take such action would cause the interest on the Series 2016B Note to be included in the gross income of the recipients thereof for federal income tax purposes. Toward that end, the Borrower covenants that it will comply with all provisions of the Tax Certificate and Land Use Restriction Agreement applicable to it. This provision shall control in case of conflict or ambiguity with any other provision of this Agreement.

Section 5.3 Maintenance of Existence; Dissolution; Disposition of Assets; Merger or Consolidation. The Borrower agrees that as long as the Series 2016B Note is outstanding, it will

maintain its existence, will not dissolve, liquidate or otherwise dispose of all or substantially all of its assets, and will not consolidate with or merge into another corporation or entity or permit one or more other corporations or entities to consolidate with or merge into it.

Section 5.4 Project Construction. (a) The Borrower shall cause the Project to be acquired, constructed and equipped in accordance with this Section.

(b) Moneys deposited with Title Company pursuant to Section 3.1 of this Agreement shall be held in the Project Fund and disbursed in accordance with the Escrow Agreement.

(c) The completion of the Project shall be evidenced to the Purchaser by a certificate (the "**Completion Certificate**") substantially in the form of **Exhibit C** hereto, signed by an Authorized Borrower Representative. It shall be the duty of the Borrower to cause the Completion Certificate to be furnished to the Purchaser and the City within 60 days after either the Project shall have been completed or the Borrower shall have determined that the Project will not be completed. Any moneys held in the Project Fund after the completion of the Project shall at the direction of the Borrower be used with respect thereto for one or more of the following purposes:

(i) for the payment, in accordance with the provisions of this Agreement, of any Qualified Cost with respect to the Project not theretofore paid; or

(ii) for the payment of all or part of the redemption price of the Series 2016B Note at the earliest redemption date or dates on which the Series 2016B Note may be redeemed without the payment of a premium or, at the option of the Borrower, at an earlier redemption date or dates.

(d) The Borrower covenants and agrees that it will cause all of the moneys in the Project Fund (including any earnings on investment of such moneys) to be disbursed for Qualified Costs. The Borrower further covenants that no more than two percent (2%) of the par amount of the Series 2016B Note will be disbursed for payment of issuance costs within the meaning of Section 147(g) of the Code.

(e) In the event the money in the Project Fund available for payment of the costs of the Project shall not be sufficient to make such payment in full, the Borrower agrees to pay directly, or to deposit moneys in the Project Fund for the payment of, such costs of completing the Project as may be in excess of the moneys available therefor in the Project Fund. THE CITY DOES NOT MAKE ANY WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, THAT THE MONEYS WHICH WILL BE DEPOSITED INTO THE PROJECT FUND, AND WHICH UNDER THE PROVISIONS OF THIS AGREEMENT WILL BE AVAILABLE FOR PAYMENT OF THE COSTS OF THE PROJECT, WILL BE SUFFICIENT TO PAY ALL OF THE COSTS WHICH WILL BE INCURRED IN CONNECTION THEREWITH. The Borrower agrees that if, after exhaustion of the moneys in the Project Fund, the Borrower should pay, or deposit monies in the Project Fund for the payment of, any portion of the costs of the Project pursuant to the provisions of this Section, it shall not be entitled to any reimbursement therefor from the City or Purchaser, nor shall they be entitled to any diminution of the amounts payable under Section 4.1 hereof.

(g) All moneys in the Project Fund shall be invested or reinvested by the Purchaser, at the direction of the Authority Borrower Representative, as provided in the Tax Certificate and to

the extent permitted by law, in Qualified Investments. Any such investment may be purchased at the offering or market price thereof at the time of such purchase. Any such investment shall mature on or prior to the date or dates on which such funds are anticipated to be needed under the Agreement. Any profit realized therefrom shall be credited to such moneys and any net losses resulting from such investment shall be paid by the Borrower.

Section 5.5 Operation, Sale, Lease or Sublease of the Project. The Borrower will not make any material change in its use of the Project unless the Purchaser and the City receive an Opinion of Bond Counsel to the effect that such change will not impair the exclusion of interest on the Series 2016B Note from the gross income of holders of the Series 2016B Note for federal income tax purposes.

Upon any conveyance or transfer (whether by sale, exchange, gift or assignment or other disposition) of the Borrower's interest in the Project to the extent permitted hereunder, the Borrower will obtain, or cause there to be obtained, the agreement of the receiving party to comply with the provisions of this Section, regardless of whether such receiving party assumes the obligations of the Borrower under this Agreement generally, and will provide the City and the Purchaser with an Opinion of Bond Counsel to the effect that the conveyance or transfer will not adversely affect the exclusion of the interest on the Series 2016B Note from the Federal gross income of the owners thereof.

Section 5.6 No Warranty by the City. THE BORROWER RECOGNIZES THAT THE CITY HAS NOT MADE AN INSPECTION OF THE PROJECT OR OF ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, AND THE CITY MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED OR OTHERWISE, WITH RESPECT TO THE SAME OR THE LOCATION, USE, DESCRIPTION, DESIGN, MERCHANTABILITY, CONDITION, WORKMANSHIP, OR FITNESS, SUITABILITY OR USE FOR ANY PARTICULAR PURPOSE, CONDITION OR DURABILITY THEREOF. THE BORROWER FURTHER RECOGNIZES THAT THE CITY HAS NO TITLE INTEREST TO ANY PART OF THE PROJECT AND THAT THE CITY MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND AS TO THE BORROWER'S TITLE THERETO OR OWNERSHIP THEREOF OR OTHERWISE, IT BEING AGREED THAT ALL RISKS INCIDENT THERETO ARE TO BE BORNE BY THE BORROWER. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE IN THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER PATENT OR LATENT, THE CITY SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO. THE PROVISIONS OF THIS SECTION HAVE BEEN NEGOTIATED AND ARE INTENDED TO BE A COMPLETE EXCLUSION AND NEGATION OF ANY WARRANTIES OR REPRESENTATIONS BY THE CITY, EXPRESS OR IMPLIED, WITH RESPECT TO THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER ARISING PURSUANT TO THE UNIFORM COMMERCIAL CODE OF THE STATE OF ILLINOIS OR ANOTHER LAW NOW OR HEREAFTER IN EFFECT OR OTHERWISE.

Section 5.7 Compliance with Laws. The Borrower shall, through the term of this Agreement and at no expense to the City, promptly comply or cause compliance with all applicable laws, ordinances, orders, rules, regulations and requirements of duly constituted

public authorities which may be applicable to the Project or to the repair and alteration thereof, or to the use or manner of use of the Project, including, but not limited to, the Americans with Disabilities Act, Illinois Accessibility Code, all Federal, State and local environmental, health and safety laws, rules, regulations and orders applicable to or pertaining to the Project, Federal Worker Adjustment and Retraining Notification Act and Illinois Prevailing Wage Act.

Section 5.8 Issuer's and Purchaser's Right of Access to the Project. The Borrower agrees that during the term of this Agreement the City, the Purchaser, and their duly authorized agents shall have the right, but shall be under no duty or obligation to exercise this right, during regular business hours, with reasonable notice, to enter upon the premises and examine and inspect the Project, subject to such limitations, restrictions and requirements as the Borrower may reasonably prescribe.

Section 5.9 Maintenance and Repair; Insurance. The Borrower will maintain the Project in a safe and sound operating condition, making from time to time all needed material repairs thereto, and shall maintain reasonable amounts of insurance coverage with respect to the Project and shall pay all costs of such maintenance, repair and insurance.

Section 5.10 Rebate Fund. (a) The Borrower will cause to be created a special fund to be known as the "**Series 2016B Rebate Fund**," which shall thereafter be continuously held, invested, expended and accounted for in accordance with this Agreement and the Tax Certificate. Capitalized terms used in this Section which are not otherwise defined herein shall have the meanings specified in the Tax Certificate. Moneys in the Series 2016B Rebate Fund shall be free and clear of the lien of this Agreement and shall not be considered moneys held for the benefit of the owners of the Series 2016B Note. Except as provided in the Regulations, moneys in the Series 2016B Rebate Fund (including earnings and deposits therein) shall be held in trust for payment to the United States as required by the Regulations.

In addition to the amounts provided in this Agreement, the Borrower hereby agrees to deposit in the Series 2016B Rebate Fund for payment to the United States any amount which under the Regulations must be deposited in the Series 2016B Rebate Fund for payment to the United States with respect to the Series 2016B Note.

(b) The Borrower agrees to pay rebate in accordance with Section 148(f) of the Code and the regulations promulgated thereunder.

The Borrower and the Purchaser shall maintain a record of any investments of gross proceeds of the Series 2016B Note (within the meaning of Section 148(f) of the Code) held by the Purchaser, including without limitation investments of amounts held in the Project Fund. This record with respect to obligations in which gross proceeds of the Series 2016B Note are invested will include their date of purchase, purchase price, coupon rate and period, and the amount and date of receipt of payments of principal, premium and interest and of sale, redemption and retirement proceeds with respect thereto.

The Borrower shall obtain and keep such records of the computations made pursuant to this Section as are required under Section 148(f) of the Code. Notwithstanding the foregoing,

the Borrower shall keep such records at least until three years following the final payment or maturity of the Series 2016B Note.

ARTICLE VI

NO RECOURSE TO ISSUER; INDEMNIFICATION

Section 6.1 No Recourse to Issuer. The obligations of the City under this Agreement are limited obligations of the City, payable solely out of the revenues and income derived from the Borrower under this Agreement and as otherwise provided under this Agreement and the Ordinance. The obligations of the City hereunder shall not be deemed to constitute an indebtedness or an obligation of the City, the State of Illinois or any political subdivision thereof within the purview of any constitutional limitation or statutory provision, or a charge against the credit or general taxing powers, if any, of any of them. No recourse shall be had for the payment of the principal of, redemption premium, if any, and interest on the Series 2016B Note or for any claim based thereon or upon any obligation, covenant or agreement contained in this Agreement against any past, present or future official, officer or employee of the City, as such, either directly or through the City or any successor, under any rule of law, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability is hereby expressly waived and released as a condition of and consideration for the execution of this Agreement and the issuance of the Series 2016B Note.

Section 6.2 Indemnification. The Borrower will pay, and will protect, indemnify and save the City harmless from and against, any and all liabilities, losses, damages, costs and expenses (including reasonable attorneys' fees and expenses of the City), causes of action, suits, claims, demands and judgments of whatsoever kind and nature (including those arising or resulting from any injury to or death of any person or damage to property) arising out of the following, to the extent permitted by law:

(i) the design, construction and installation of the Project;

(ii) the use of the Project by the Borrower;

(iii)violation by the Borrower of any agreement, warranty, covenant or condition of this Agreement, the Land Use Restriction Agreement or the Borrower Documents;

(iv)violation by the Borrower of any other contract, agreement or restriction relating to the Project; and

(v) violation by the Borrower of any law, ordinance, regulation or court order affecting the Project or the ownership, occupancy or use thereof.

The City shall notify the Borrower in writing of any claim or action brought against the City in respect of which indemnity may be sought against the Borrower, setting forth the particulars of such claim or action, and the Borrower will assume the defense thereof, including the employment of counsel, and the payment of all reasonable expenses. The City, at its sole discretion, may employ separate counsel in any such action and participate in the defense

thereof. The fees and expenses of such separate counsel so incurred shall be at the expense of the Borrower without regard to any authorization of such employment by the Borrower.

Section 6.3 Default by Issuer — Limited Liability. Notwithstanding any provision or obligation to the contrary hereinbefore set forth, no provision of this Agreement shall be construed so as to give rise to a pecuniary liability of the City or to give rise to a charge upon the general credit of the City, the liability of the City hereunder shall be limited to its interest in the Project, this Agreement, and all other Borrower Documents and collateral and the lien of any judgment shall be restricted thereto. In the performance of the agreements of the City herein contained, any obligation it may incur for the payment of money shall not be a debt of the City, nor shall the City be liable on any obligation so incurred. The City does not assume general liability for the repayment of the Series 2016B Note or for the costs, fees, penalties, taxes, interest, omissions, charges, insurance or any other payments recited herein, and shall be obligated to pay the same only out of the amounts payable by the Borrower hereunder. The City shall not be required to do any act whatsoever or exercise any diligence whatsoever to mitigate the damages to the Borrower if a default shall occur hereunder.

ARTICLE VII

ASSIGNMENT

Section 7.1 Assignment by Borrower. The rights of the Borrower under this Agreement may be assigned to, and the obligations of the Borrower assumed by, another party in whole or in part, but only with the prior written consent of the Purchaser and the City. No such assignment will be made, however, unless the Borrower causes there to be delivered to the Purchaser and the City an Opinion of Bond Counsel to the effect that such assignment will not cause interest on the Series 2016B Note to be includable in the gross income of the owners thereof for federal income tax purposes.

Section 7.2 Security Interest; Assignment by Issuer. The City hereby assigns and grants to the Purchaser a security interest in any and all of the City's right, title and interest in and to (a) all amounts payable by the Borrower to it hereunder and under the Borrower Note and all rights to enforce the same, excluding only the Unassigned Rights, and (b) all funds and accounts created or held by any party pursuant to this Agreement. The City will not sell, assign or otherwise dispose of its rights under or interest in this Agreement or the Borrower Note, nor create or permit to exist any lien, encumbrance or other security interest in or on such rights or interest, except as set forth above.

ARTICLE VIII

DEFAULTS AND REMEDIES

Section 8.1 Events of Default. An "Event of Default" is any of the following:

(a) There is a failure to make due and punctual payment of any interest on the Series 2016B Note when due.

(b) There is a failure to make due and punctual payment of principal of the Series 2016B Note when due, at maturity, upon acceleration or redemption or otherwise.

(c) The City fails to perform any of its agreements in this Agreement or the Series 2016B Note (except a failure that results in an Event of Default under clause (a) or (b) above, the performance of which is material to the Purchaser), and the failure continues after the notice and for the period specified in this Section.

(d) The Borrower fails to perform any of its agreements in this Agreement (except a failure that results in an Event of Default under clause (a) or (b) of this Section), and the failure continues after the notice and for the period specified in this Section.

(e) The Borrower pursuant to or within the meaning of any Bankruptcy Law (as defined below) (1) commences a voluntary case, (2) consents to the entry of an order for relief against it in an involuntary case, (3) consents to the appointment of a Custodian (as defined below) for the Borrower, or any substantial part of its property or (4) makes a general assignment for the benefit of its creditors.

(f) A court of competent jurisdiction enters an order or decree under any Bankruptcy Law that (1) is for relief against the Borrower in an involuntary case, (2) appoints a Custodian (as defined below) for the Borrower or any substantial part of its, his or her property or (3) orders the winding up or liquidation of the Borrower, and the decree or order remains unstayed and in effect for 90 days.

(g) An Event of Default occurs and is continuing under any of the Borrower Documents after the expiration of any applicable cure period.

"**Bankruptcy Law**" means Title 11 of the United States Code or any similar Federal or state law for the relief of debtors. "**Custodian**" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A default under clause (c) or (d) of this Section is not an Event of Default until the Purchaser gives the City and the Borrower a notice specifying the default, demanding that it be remedied and stating that the notice is a "**Notice of Default**," and the City or the Borrower does not cure the default within 90 days after receipt of the notice, or within such longer period as the Purchaser shall agree.

Section 8.2 Acceleration. If any Event of Default occurs and is continuing, the Purchaser by notice to the City and the Borrower (except for an Event of Default under clause (e) or (f) of the foregoing Section, for which a declaration can be made without any notice), may declare the principal of and accrued interest on the Series 2016B Note to be due and payable immediately, and such principal and interest shall thereupon become and be immediately due and payable. Any such declaration shall also apply to the Borrower Note. The Purchaser may rescind an acceleration and its consequences if all existing Events of Default have been cured or waived, if the rescission would not conflict with any judgment or decree. Any such rescission shall also apply to the Borrower Note.

Section 8.3 Other Remedies. If an Event of Default occurs and is continuing, the Purchaser may pursue any available remedy by proceeding at law or in equity to collect the principal of or interest on the Series 2016B Note or to enforce the performance of any provision of the Series 2016B Note, this Agreement or the Borrower Note against the Borrower.

A delay or omission by the Purchaser in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default.

Section 8.4 Waiver of Past Defaults. The Purchaser by notice to the Borrower, with a copy to the City, may waive an existing Event of Default and its consequences. When an Event of Default is waived, it is cured and stops continuing, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent to it.

Section 8.5 Purchaser May File Proofs of Claim. The Purchaser may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Purchaser allowed in any judicial proceedings relative to the Borrower, its creditors or its property and, unless prohibited by law or applicable regulations, may vote on behalf of the holders in any election of a trustee in bankruptcy or other person performing similar functions.

Section 8.6 Attorneys' Fees and Expenses. If the Borrower should default under any provision of this Agreement and the City or Purchaser employ attorneys or incur other expenses for the collection of the payments due under this Agreement, the Borrower will on demand pay to the City or the Purchaser, as the case may be the reasonable fees of such attorneys and such other reasonable expenses so incurred by the City or the Purchaser, as the case may be.

Section 8.7 No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or the Purchaser is intended to be exclusive of any other available remedy or remedies but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement, now or hereafter existing, at law or in equity or by statute. No delay or omission to exercise any right or power and accruing upon any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

Section 8.8 Remedies Subject to Subordination Agreements. Notwithstanding any other provisions herein to the contrary, the exercise of remedies hereunder by the Purchaser shall in all events be subject to the provisions of any subordination or security documents relating to the Series 2013 Note, during such time as the Series 2013 Note is outstanding.

Section 8.9 Investor Limited Partner Cure Rights. Notwithstanding anything to the contrary contained in this Agreement or the Borrower Documents, any Event of Default arising under this Agreement or any Borrower Document may be cured by the Investor Limited Partner, its agent or their affiliates or designees on behalf of the Borrower, and such cure shall be accepted by the City and the Purchaser on the same terms as if made by the Borrower itself.

ARTICLE IX

MISCELLANEOUS

Section 9.1 Notices.

(a) Any notice, request, direction, designation, consent, acknowledgment, certification, appointment, waiver or other communication required or permitted by this Agreement or the Series 2016B Note must be in writing except as expressly provided otherwise in this Agreement or the Series 2016B Note.

(b) Any notice or other communication shall be sufficiently given and deemed given when delivered by hand or mailed by first-class mail, postage prepaid, or delivered by national overnight courier, charges prepaid addressed using the appropriate Notice Information.

Section 9.2 Required Reporting to the City. The Purchaser shall keep, or cause to be kept, proper books of records and accounts in which complete and accurate entries shall be made of all funds and accounts established by or pursuant to this Agreement, which shall at all reasonable times be subject to the inspection by the City.

Section 9.3 Binding Effect. This Agreement shall inure to the benefit of and shall be binding upon the City, the Borrower, the Purchaser and their respective successors and assigns.

Section 9.8 Complete Agreement/Non-Reliance. This Agreement represents the entire agreement between the City, the Purchaser and the Borrower with respect to its subject matter. The parties have not relied on any representations other than set forth herein or in the Borrower Documents as an inducement to enter into this Agreement.

Section 9.9 Terms of this Agreement; Discharge. This Agreement shall be in full force and effect from the date hereof, and shall continue in effect until the payment in full of all principal of, premium, if any, and interest on the Series 2016B Note; all fees, charges, indemnities and expenses of the City and Purchaser have been fully paid or provision made for such payment (the payment of which fees, charges, indemnities and expenses shall be evidenced by a written certification of the Borrower that it has fully paid or provided for all such fees, charges, indemnities and expenses), and all other amounts due hereunder have been duly paid or provision made for such payment. Section 9.11 Non-recourse. Notwithstanding anything to the contrary in this Agreement or any of the Borrower Documents, upon payment in full of the Series 2013 Note and release of the liens of the security instruments securing the Series 2013 Note, the indebtedness evidenced by this Agreement shall then be a non-recourse obligation of the Borrower, and in the Event of Default hereunder, the City and Purchaser's sole source of repayment of amounts due

hereunder or under any of the Borrower Documents shall then be limited to City and Purchaser's rights with respect to the collateral pledged and assigned under the Mortgage. Further, upon payment in full of the Series 2013 Note and release of the liens of the security instruments securing the Series 2013 Note, the City and Purchaser waive any and all right to seek or demand any personal deficiency judgment against Borrower or any of its partners. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 10. CONSTRUCTION REQUIREMENTS.

10.1 Site Plans and Rental Space. The Developer shall rehabilitate the Project on the Property in accordance with the final design development drawings and specifications prepared by Landon Bone Baker Architects, 734 N. Milwaukee Avenue, Chicago, Illinois 60642, which have been approved by DPD and the index of which plans and the table of contents for the accompanying specifications are attached hereto as Exhibit C ("Working Drawings and Specifications"). No material deviation from the Working Drawings and Specifications may be made without the prior written approval of DPD. If the Developer submits and DPD approves revised design development drawings and specifications after the date of this Agreement, the term "Working Drawings and Specifications" as used herein shall refer to the revised design development drawings and specifications upon DPD's written approval of the same. The Developer may rent all or any portion of the first floor of the Building for retail (and no other) uses, provided, however, that the Developer may not, without the prior written approval of the Department, rent all or any portion of the first floor of the Building for a use identified in Exhibit E attached hereto.

10.2 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. DPD shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades and all signage, which approval shall not be unreasonably withheld or delayed. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the Property.

10.4 Survival. The provisions of this Section 10 shall survive the Closing.

SECTION 11. LIMITED APPLICABILITY.

The approval of any Working Drawings and Specifications by the Department's Bureau of Housing is for the purpose of this Agreement only and does not constitute the

approval required by the City's Department of Buildings, any other Department Bureau (such as, but not limited to, the Department's Bureau of Zoning), or any other City department; nor does the approval by the Department pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property. The approval given by the Department shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 12. COMMENCEMENT AND COMPLETION OF PROJECT.

Subject to the receipt of all applicable government approvals, the Developer shall commence construction of the Project no later than ten (10) days after the Closing Date, and shall complete the Project (as reasonably evidenced by the issuance of the Certificate of Completion) no later than May 15, 2018. The Commissioner shall have discretion to extend any of the construction commencement and completion dates for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction of the Project. The Developer shall construct the Project in accordance with the Working Drawings and Specifications, and all Laws and covenants and restrictions of record.

SECTION 13. CERTIFICATE OF COMPLETION.

Upon the later of (a) the Developer's completing the Project in accordance with this Agreement and (b) the Developer's obtaining and recording the Final NFR Letter, the Developer shall request from the City a certificate of completion ("Certificate of Completion"). Within forty-five (45) days after receipt of a written request by the Developer for a Certificate of Completion, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction.

SECTION 14. RESTRICTIONS ON USE.

The Developer agrees that it:

14.1 Shall devote the Property solely to the Project.

14.2 Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military status, or source of income in the use or occupancy of the Property or any part thereof or the Project or any part thereof, except as otherwise provided in the RDA Ordinance with respect to "military status."

14.3 The Developer shall comply with all land use restrictions, institutional controls and other terms and conditions contained in the Final NFR Letter for the Property.

14.4 The Developer shall comply with the affordable housing requirements set forth in that certain Donation Tax Credit Regulatory Agreement to be entered into between the City, DTC Sponsor and Developer on the Effective Date, which are the only City affordable housing requirements applicable to the Project.

SECTION 15. PROHIBITION AGAINST SALE OR TRANSFER OF PROPERTY OR CERTAIN CHANGES IN CORPORATE STRUCTURE.

15.1 Prior to the issuance of the Certificate of Completion for the Project, as provided herein, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the Property or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust) except (i) transfers by foreclosure or deed in lieu of foreclosure or UCC sale of BMO Harris Bank, N.A. ("BMO"), any permanent lender (if other than BMO) or the DTC Sponsor's security interests in the Property or the ownership interests in the Developer granted as security for the loans made by BMO (either directly as the construction/permanent lender or as collateral assignee of the potentially forthcoming loan of certain Affordable Housing Program funds provided through the Federal Home Loan Bank of Chicago), the permanent lender and DTC Sponsor, if such transferee or assignee is not prohibited from doing business with the City and has provided to the City such disclosures as DPD may reasonably require; and (ii) the Developer may lease the Affordable Units in the ordinary course of business; or (b) directly or indirectly assign this Agreement. With respect to any proposed sale, transfer or disposition, the Developer shall provide the City copies of any and all sales contracts, legal descriptions, descriptions of intended use of the parcels to be sold, proposed use of Property and other documentation as the City may reasonably require. The Developer acknowledges and agrees that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, investor member/special investor member, manager, co-manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the Certificate of Completion to anyone other than another principal party, without the prior written consent of DPD, which consent shall be

in DPD's sole discretion. Notwithstanding the foregoing, the transfer of the interests of Developer's investor member ("Investor Member") or special investor member ("Special Investor Member") in the Developer shall not require the prior consent of the City and shall not constitute an Event of Default under this Agreement. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer. The provisions of this Section 15 shall not prohibit the Developer from transferring or conveying the Property to an Illinois land trust of which the Developer is the sole beneficiary.

15.2 Prior the issuance of the Certificate of Completion, the Developer shall not, without the City's prior written consent, which shall be in the City's sole discretion: (i) merge, liquidate or consolidate, (ii) permit the direct or indirect transfer any ownership interests in the Developer (except as permitted in Section 15.1 above), (iii) enter into any transaction outside the ordinary course of business, (iv) assume or guarantee the obligations of any other person or entity, or (v) enter into a transaction that, in the City's sole determination, would cause a material and detrimental change to the Developer's condition.

SECTION 16. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property, except for (i) any mortgage approved pursuant to Section 9.2, (ii) any encumbrances set forth in Schedule B of the owner's title insurance policy issued by the Title Company to the Developer in connection with its acquisition of the Property, as the effective date of such policy may be amended via endorsement hereafter, provided such encumbrances have been approved by the City, and (iii) any lien or encumbrance which Developer has timely contested and/or for which it has posted adequate surety acceptable to the Title Company.

SECTION 17. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder or any other permitted successor by foreclosure or deed in lieu of foreclosure) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18 and shall, following the recording any mortgage approved pursuant to Section 9.2, execute and record a Subordination Agreement (as defined in Section 9.7), if required by Corporation Counsel. If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party, such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 18, however, the Project completion date set forth in Section 12 shall be reasonably adjusted by the City to take into account the foreclosure process.

SECTION 18. COVENANTS RUNNING WITH THE LAND.

The parties agree that the covenants provided in Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Sale or Transfer of Property), Section 16 (Limitation Upon Encumbrance of Property) and Section 22.3 (Environmental Conditions) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 12, Section 15 and Section 16 shall terminate upon the issuance of the Certificate of Completion. The covenants contained in Section 14.1 shall remain in effect until the earlier of (a) the date that is thirty (30) years following the Closing Date and (b) the date on which the DTC Regulatory Agreement terminates. The covenants contained in Section 14.2 shall remain in effect without limitation as to time.

SECTION 19. PERFORMANCE AND BREACH.

19.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer within thirty (30) days after the beginning of any such delay submits to the Commissioner a written request for an extension.

19.3 Cure. If Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Section 19.4(c), (e) and (g); provided, however, that prior to exercising any remedies after a default under Section 19.4(c), (e), or (g) occurs, the City agrees to provide the BMO and Riverside Midwest Fund I LLC ("Riverside"), each at the applicable addresses set forth Section 25, notice of such default and BMO and Riverside shall have the cure rights contained in Section 19.4.

19.4 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement and Affidavit, or another document) that is not true and correct.

(b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing.

(c) The Developer fails to complete the Project in accordance with the time line outlined in Section 12 above unless DPD, in its sole discretion, extends the timeline, or the Developer abandons or substantially suspends construction of the Project for a period of a thirty (30) consecutive days, but not more than forty-five (45) days in any one (1) year period.

(d) The Developer fails to timely pay real estate taxes or assessments affecting the Property or any part thereof when due, or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property unless bonded or insured over.

(e) Except as otherwise permitted pursuant to Sections 15 and 16 hereof, the Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement.

(f) There is a material and adverse change in the Developer's financial condition or operations, which change, in the City's reasonable opinion, affects the ability of the Developer to meet its obligations under this Agreement.

(g) The City fails to convey title to the Property to the DTC by the Outside Closing Date, unless DPD, in its sole discretion, extends the Outside Closing Date.

(h) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project and such failure continues beyond the expiration of any applicable cure periods.

In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in the termination of this Agreement, the City shall send notice of such intended exercise to the parties identified in Section 25 and such Developer's lenders and the investor member(s) in Developer, including the Investor Member and Special Investor Member and their successors and assigns, shall have the right (but not the obligation) to

cure such an Event of Default within thirty (30) days after the expiration of the cure period, if any, granted to the Developer. If the default is not capable of being cured within the thirty (30) day period, then provided Developer's lenders and the investor member(s) in Developer have commenced to cure the default and is diligently proceeding to cure the default within the thirty day period, and thereafter diligently prosecutes such cure through to completion, and funding for the Project continues unabated, then the thirty day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance. The City agrees to accept any lender's and/or the Borrower's Investor Member's cure of any such default to the same extent as if it were performed by the Developer.

19.5 Prior to Closing. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, institute any action or proceeding at law or in equity against the Developer.

19.6 After Closing. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 19.3 or Section 19.4 above, the City shall have all remedies under law and equity, including specific performance, but excluding the right of reverter.

SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 21. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor or other agent, entity or individual acting under the control or at the request of the Developer (collectively, "Agent") to pay contractors,

subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination). Notwithstanding anything contained in this Section 21 to the contrary, a mortgagee permitted under Section 9.2 that obtains title to the Property by foreclosure or deed in lieu of foreclosure shall not be obligated to indemnify the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property existing prior to the date on which said mortgagee obtained title to the Property.

SECTION 22. INSPECTION; CONDITION OF PROPERTY AT CLOSING.

22.1 For purposes of this Agreement, the following terms shall have the following meanings:

"Affiliate(s)" when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any person or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

"Developer Parties" means the Developer, the Developer's Affiliates, the Sponsor's Affiliates, and the respective officers, directors, trustees, employees, agents, successors and assigns of the Developer and the Developer Affiliates.

"Draft NFR Letter" means a draft focused "No Further Remediation" Letter issued by the IEPA for the Property, or applicable portions thereof, based on TACO Tier I residential remediation objectives, as amended or supplemented from time to time. The contaminants of concern associated with the Draft NFR Letter shall include volatile organic compounds, polynuclear aromatic hydrocarbons and Resource Conservation and Recovery Act 8 metals. The Draft NFR Letter shall state that the Property meets TACO Tier 1 remediation objectives for residential properties and the construction worker exposure route as set forth in 35 Ill. Adm. Code Part 742, as amended or supplemented from time to time, but may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA.

"Environmental Documents" means all reports, surveys, field data, correspondence and analytical results prepared by or for the Developer (or otherwise obtained by the Developer) regarding the condition of the Property or any portion thereof, including, without limitation, the SRP Documents, and the July 22, 2015 Phase I Environmental Site Assessment (ESA), the updated April 14, 2016 Phase I ESA, and the December 31, 2015 Limited Site Investigation performed by Terracon Consultants, Inc.

"Environmental Laws" means any and all Laws relating to the regulation and protection of human health, safety, the environment and natural resources now or hereafter in effect, as amended or supplemented from time to time, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq., the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 et seq., the Hazardous Materials Transportation Act, 49 U.S.C. § 5101 et seq., the Federal Water Pollution Control Act, 33 U.S.C. § 1251 et seq., the Clean Air Act, 42 U.S.C. § 7401 et seq., the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq., the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. § 136 et seq., the Occupational Safety and Health Act, 29 U.S.C. § 651 et seq., any and all regulations promulgated under such Laws, and all analogous state and local counterparts or equivalents of such Laws, including, without limitation, the Illinois Environmental Protection Act, 415 ILCS 5/1 et seq., and the common law, including, without limitation, trespass and nuisance.

"Final NFR Letter" means a final focused "No Further Remediation" letter issued by the IEPA approving the use of the Property for the construction, development and operation of the Project in accordance with the site plan approved by the City and the terms and conditions of the SRP Documents, as amended or supplemented from time to time. The contaminants of concern associated with the Final NFR Letter shall include volatile organic compounds, polynuclear aromatic hydrocarbons and Resource Conservation and Recovery Act 8 metals. The Final NFR Letter shall state that the Property meets TACO Tier 1 remediation objectives for residential properties and the construction worker exposure route as set forth in 35 Ill. Adm. Code Part 742, as amended or supplemented from time to time, but may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA.

"Hazardous Substances" means any toxic substance, hazardous substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws, or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, petroleum (including crude oil or any fraction thereof), any radioactive material or by-product material, polychlorinated biphenyls and asbestos in any form or condition.

"Remediation Work" means all investigation, sampling, monitoring, testing, removal, response, disposal, storage, remediation, treatment and other activities necessary to obtain a Final NFR Letter for the Property in accordance with the terms and conditions of the Draft NFR Letter for the Property, the SRP Documents, all requirements of the IEPA and all applicable Laws, including, without limitation, all applicable Environmental Laws.

"SRP" means the IEPA's Site Remediation Program as set forth in Title XVII of the Illinois Environmental Protection Act, 415 ILCS 5/58 et seq., and the regulations promulgated thereunder.

"SRP Documents" means all documents submitted to the IEPA under the SRP program, as amended or supplemented from time to time, including, without limitation, the Focused Site Investigation and Remediation Objectives Report, the Remedial Action Plan, and the Remedial Action Completion Report and any and all related correspondence, data and other information prepared by either party pursuant to Section 22.

"TACO" means the Tiered Approach to Corrective Action Objectives codified at 35 Ill. Adm. Code Part 742 et seq.

22.2 "As Is" Sale. The Developer acknowledges and agrees that it has had, or will have had, prior to the Closing Date, adequate opportunity to inspect the Property. The Developer agrees to accept the Property in its "as is," "where is" and "with all faults" condition on the Closing Date without any covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever. The Developer's obligation to purchase the Property is conditioned upon the Developer being satisfied with the condition of the Property for the construction, development and operation of the Project. If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the Property, the condition of title to the Property, the terms imposed upon the Developer in connection with any required governmental approvals, or the Environmental Remediation requirements described in Section 22.3, or for any other reason, the Developer may terminate this Agreement by written notice to the City any time prior to the Closing Date, whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither Party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 22.2, the Developer shall be deemed satisfied with the condition of the Property. The Developer hereby acknowledges that, in purchasing the Property, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer agrees that it is the Developer's sole responsibility and obligation to perform any remedial activities and take such other action as is necessary to put the Property in a condition which is suitable for its intended use.

22.3 Environmental Remediation. The Developer shall undertake the following activities and meet the following requirements in connection with the Project:

(a) Prior to rehabilitation of the Building, the Developer must obtain a hazardous materials survey and develop an abatement plan, and its final Working Drawings and Specifications must be consistent with such abatement plan. Lead-based paint and asbestos abatement must be completed in accordance with all local, state and federal regulations and, as required, the Developer must develop and either implement or cause to be implemented Operations and Maintenance Plans for any regulated materials to be left in place.

(b) The Developer shall enroll the Property in the SRP and undertake all remediation work that may be needed on the Property after the Closing in order to obtain a focused residential Final No Further Remediation Letter ("Final NFR Letter"), and record such Final NFR Letter.

(c) The Developer shall be solely responsible for all site preparation, SRP and environmental oversight costs, including, but not limited to, report preparation, IEPA fees, remediation oversight, the removal of soil, pre-existing building foundations, soil exceeding the IEPA's Tiered Approach to Cleanup Objectives for the proposed uses of the Property, and demolition debris, the removal, disposal, storage, remediation, removal or treatment of Hazardous Substance from the Property, and the construction of any engineered barriers required to obtain the Final NFR Letter.

(d) The City, acting through 2FM, shall have the right to review in advance all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the Focused Site Investigation and Remediation Objectives Report, the Remedial Action Plan, and the Remedial Action Completion Report (collectively, the "SRP Documents"), the Draft No Further Remediation Letter (the "Draft NFR Letter"), the Final NFR Letter and any changes thereto. If the Final NFR Letter is materially consistent with the Draft NFR Letter (as approved by the City as provided herein) and no new environmental conditions were discovered on the Property during construction of the Project, then the Final NFR Letter shall be presumed reasonably satisfactory to the City.

(e) After 2FM approves the Draft NFR Letter, the Developer covenants and agrees to complete all investigation, removal, response, disposal, remediation and other activities ("Remediation Work") necessary to obtain (as applicable) a Final NFR Letter from the IEPA approving the use of the Property for the Project, based on the Draft NFR Letter. The Final NFR Letter may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA.

(f) The Developer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. The Developer shall bear sole responsibility for all aspects of the Remediation Work and any other investigative and cleanup costs associated with the Property. The Developer shall promptly transmit to the City copies of all SRP Documents prepared or received after the date hereof, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Remediation Work.

(g) The Developer acknowledges and agrees that the City will not issue a Certificate of Completion for the Project and the City may prohibit occupancy in the Building until the IEPA has issued, and the City has approved, a Final NFR Letter for the Property.

(h) The Developer must abide by the terms and conditions of the Final NFR Letter, including but not limited to the maintenance of all preventative, engineering and institutional controls.

22.4 Release and Indemnification. The Developer, on behalf of itself and the other Developer Parties, or anyone claiming by, through, or under the Developer Parties, hereby releases, relinquishes and forever discharges the City from and against any and all Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other property, unless the Hazardous Substances migrate from property owned by the City to the Property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any Losses arising under CERCLA, and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, the Developer shall defend, indemnify, and hold the City harmless from and against any and all Losses which may be made or asserted by any third parties arising out of or in any way connected with, directly or indirectly, any of the Released Claims.

22.5 Release Runs with the Land. The covenant of release in Section 22.4 shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing,

occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer each acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Sponsor (for reconveyance to the Developer) for payment of the Cash Purchase Price. It is expressly agreed and understood by and among the Developer and the City that, should any future obligation of the Developer, or any of the Developer Parties, arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, neither Developer, nor any of the Developer Parties, will assert that those obligations must be satisfied in whole or in part by the City because Section 22.4 contains a full, complete and final release of all such claims.

22.6 Survival. This Section 22 shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) The Developer and any Employer shall not discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection

with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the rehabilitation of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19, subject to Section 19.3.

23.2 City Resident Employment Requirement.

(a) With respect to the Project, the Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DPD, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DPD, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Final Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago

residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. With respect to the Project, the Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 26% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 6% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DPD.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

23.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Prior to commencement of construction, the Developer and the Developer's general contractor and all major subcontractors shall meet with DPD monitoring staff regarding compliance with all Section 23 requirements. The City and Developer acknowledge that such meeting has occurred. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, BMO and Riverside, each at the addresses set forth in Section 25, be deemed an Event of Default, provided that notice and cure will be provided for any such Event of Default pursuant to Section 19.4. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 24. REPRESENTATIONS AND WARRANTIES.

24.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

(a) The Developer is a limited liability company duly organized under the laws of the State of Illinois and validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and

redevelop the Property, and that the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under the Developer's operating agreement or any agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

(d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) To the best of the Developer's knowledge, the Project, if completed in accordance with the Plans, will not violate: (i) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (ii) any building permit, restriction of record or other agreement affecting the Property.

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

24.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 24 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

The refusal to accept delivery by any party or the inability to deliver any communication because of a changed address of which no notice has been given in accordance with this Section 25 shall constitute delivery.

SECTION 26. BUSINESS RELATIONSHIPS.

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as described in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 27. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that the Developer, and any Affiliate (as defined below) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry

and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section 27, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 28. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 2011-4.

28.1 The Developer agrees that it, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

28.2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

28.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

28.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive

Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

28.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

28.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

28.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;
(B) joint credit account;
(C) a joint checking account;
(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 29. MISCELLANEOUS.

The following general provisions govern this Agreement:

29.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

29.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

29.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

29.4 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties

hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefitted by such term.

29.5 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

29.6 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to its choice of laws principles.

29.8 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

29.9 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

29.10 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

29.11 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

SECTION 30. COMPLIANCE WITH "SHAKMAN" ACCORD PROVISIONS

30.1 The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

30.2 The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

30.3 The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

30.4 In the event of any communication to the Developer by a City employee or City official in violation of Section 30.2 above, or advocating a violation of Section 30.3 above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City Department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by the OIG.

SECTION 31. COMPLIANCE WITH "WASTE" PROVISIONS.

Any duly authorized representative of the City shall have access to the Property and to the real property on which the Addition Work is performed at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, the "Waste Sections"). Developer's violation of the Waste Sections (including, but not limited to, Sections 7-28-390 Dumping on public way; 7-28-440 Dumping on real estate without permit; 11-4-1410 Disposal in waters prohibited; 11-4-1420 Ballast tank, bilge tank or other discharge; 11-4-1450 Gas manufacturing residue; 11-4-1500 Treatment and disposal of solid or liquid waste; 11-4-1530 Compliance with rules and regulations required; 11-4-1550 Operational requirements; and 11-4-1560 Screening requirements), whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement

and entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit Developer, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

SECTION 32. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by the Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago prior to receipt of the Certificate of Completion shall be grounds for termination of the Agreement and the transactions contemplated thereby. The Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 33. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

Witnesseth:

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Section 2-92-335 of the Municipal Code of Chicago is hereby amended by deleting the language stricken and inserting the language underscored, as follows:

2-92-335 Contracts -- Apprentice Utilization.

(a) For purposes of this section ~~only~~ the following definitions apply:

"Apprentice" means any person who ~~is:~~ (1) is sponsored into an apprenticeship training program by a contractor that is authorized by a union to sponsor apprentices; and (2) has graduated from a Chicago Public Schools high school or is enrolled in, or has graduated from, a construction technology training program administered by the City Colleges of Chicago. The union's apprenticeship training program must be registered with the United States Department of Labor, or approved or recognized by the State of Illinois.

"Bid incentive" means an amount deducted, for bid evaluation purposes only, from the contract base bid in order to calculate the bid price to be used to evaluate the bid on a competitively bid construction project.

"Construction project" means any project to be paid for by ~~the City's Department of Procurement Services~~ D.P.S., but which is not funded in whole or part by any federal ~~or state~~ funds, to construct, remodel or reconstruct any public works, public buildings, public structures, roadways, parkways, bridges, parking facilities or parks, or any portion of any of the same, belonging to the City within its geographical boundaries as they exist or shall exist in the future.

""Contract base bid" means the total dollar amount a contractor bids on a construction project without factoring any bid incentive or percentage reductions to the bid amount.

"Earned credit" means the amount of the bid incentive allocated to a contractor upon completion of a construction project in which the contractor met or exceeded his or her goals for the utilization of apprentices in performance of the total labor hours performed under the contract.

"Earned credit certificate" means a certificate issued by the chief procurement officer evidencing the amount of earned credit a contractor has been awarded.

"Labor hours" means the total hours of workers receiving an hourly wage who are directly employed at the work site. "Labor hours" shall include hours performed by workers employed by the contractor and all subcontractors working at the work site. "Labor hours" shall not include hours worked by non-working foremen, superintendents, owners and workers who are not subject to prevailing wage requirements.

(b) (1) For any construction project advertised after the effective date of this section ~~ordinance~~ having an estimated contract value of $100,000.00 or more, and where not otherwise prohibited by federal, state or local law, the chief procurement officer shall allocate to any qualified bidder the following bid incentive for utilization of apprentices in performance of the total labor hours performed under contract.

Total Labor Hours Performed By Apprentices	Bid Incentive
5 to 10%	½% of the contract base bid
11 to 15%	1% of the contract base bid

The bid incentive shall be calculated and applied in accordance with ~~the provisions of~~ subsection (b)(2). The bid incentive is used only to calculate an amount to be used in evaluating the bid. The bid incentive does not affect the contract price.

For all construction projects advertised after the effective date of this section ~~ordinance~~, the chief procurement officer shall include the bid incentive provision in all such advertisements.

(2) As part of the contract close-out procedure, if the chief procurement officer determines that the contractor has successfully met its ~~his or her~~ apprentice utilization goals, the chief procurement officer shall issue an earned credit certificate that evidences the amount of earned credits allocated to the contractor. The contractor may apply the earned credits as the bid incentive for any future construction project contract bid of equal or greater dollar value.

The earned credit certificate is valid for three years from the date of issuance and shall not be applied towards any future contract bid after the expiration of that period.

The contractor may apply the earned credit certificate on multiple future construction project contract bids during the three-year period in which the certificate is valid, but may only receive one bid incentive for bid evaluation purposes on one construction project contract award. If the contractor applies the earned credit certificate on multiple construction project bids and is the lowest responsive and responsible bidder on more than one construction project bid, the earned credit certificate shall be applied to the construction project first to be advertised by D.P.S. ~~the Department of Procurement Services~~, or if multiple construction project bids were advertised on the same date, the earned credit certificate shall be applied only to the construction project with the greatest dollar value.

(c) The contractor shall maintain accurate and detailed books and records necessary to monitor compliance with this section and shall submit such reports as required by the chief procurement officer, or the commissioner of the supervising department.

Full access to the contractor's and subcontractors' records shall be granted to the chief procurement officer, the commissioner of the supervising department, or any duly authorized representative thereof. The contractor and subcontractors shall maintain all relevant records for a period of at least three years after final acceptance of the work.

(d) The chief procurement officer is authorized to adopt, promulgate and enforce reasonable rules ~~and regulations~~ pertaining to the administration and enforcement of this section.

SECTION 2. This ordinance shall take effect following passage and approval.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Chapter 2-92 of the Municipal Code of Chicago is hereby amended by adding a new Section 2-92-407, as follows:

2-92-407 Contracts -- Bid Incentive For Utilization Of Veteran-Owned Subcontractors.

(a) For purposes of this section only, the following definitions shall apply:

"Construction project" means any project to be paid for by the city, but which is not funded in whole or part by any federal or state funds, to construct, remodel or reconstruct any public works, public buildings, public structures, roadways, parkways, bridges, parking facilities or parks, or any portion of any of the same, belonging to the city within its geographical boundaries as they exist or shall exist in the future.

"Prime contractor" means a person who is the primary contractor on a contract.

"Veteran-owned subcontractor" means a subcontractor that: (i) is a veteran-owned small local business, as the term is defined in Section 2-92-418; (ii) holds all appropriate city licenses; and (iii) is subject to applicable city taxes; provided that a veteran-owned subcontractor shall not include the prime contractor.

(b) (1) For any construction project advertised after the effective date of this section, the chief procurement officer shall allocate to any qualified bidder the following bid incentive for utilization of veteran-owned subcontractors in the performance of the contract.

Total Dollar Value Of Work Performed By Veteran-Owned Subcontractors As A Percentage Of The Total Contract Value	Bid Incentive
1 to 16%	0.5% of the contract base bid
17 to 32%	1% of the contract base bid
33 to 49%	1.5% of the contract base bid
50% or greater	2% of the contract base bid

If a veteran-owned subcontractor subcontracts part of the work to another contractor, only the value of work performed by the veteran-owned subcontractor's employees shall count towards the bid incentive, unless the sub-subcontractor is a veteran-owned subcontractor.

The bid incentive is used only to calculate an amount to be used in evaluating the bid to determine the low bidder, and it does not affect the contract price.

A contractor shall not be eligible to receive in one contract bid, the bid incentive allocated pursuant to this section and that allocated pursuant to Section 2-92-410.

(2) The chief procurement officer may determine not to allocate a bid incentive under this section, under the following conditions:

(i) an emergency exists;

(ii) for cooperative purchasing or cooperative construction contracts; or

(iii) the chief procurement officer otherwise concludes that the allocation of a bid incentive is not in the city's best interest.

(3) For all construction projects advertised after the effective date of this section, the chief procurement officer shall include the bid incentive provision consistent with this section in all such advertising.

(c) The prime contractor shall maintain records adequate to monitor compliance with this section and shall submit such reports as required by the chief procurement officer. Full access to the prime contractor's records shall be granted to the chief procurement officer, the commissioner of the supervising department, the inspector general, or any duly authorized representative thereof. The prime contractor and subcontractors shall maintain all relevant records for at least three years after the expiration of the contract.

(d) The chief procurement officer may require, at the time of submission of a bid or at any time during the term of the contract, that the bidder or veteran-owned subcontractor submit an affidavit and other supporting documents demonstrating that a subcontractor is a veteran-owned subcontractor.

(e) Upon completion of the work, any prime contractor that has failed to retain the percentage of veteran-owned subcontracts for which a bid incentive was taken into consideration in awarding of a contract shall be fined an amount equal to three times the amount of the bid incentive allocated, unless the prime contractor can demonstrate that due to circumstances beyond the prime contractor's control, the prime contractor for good cause was unable to retain the percentage of veteran-owned subcontractors throughout the duration of the contract period.

(f) The chief procurement officer is authorized to adopt, promulgate and enforce reasonable rules pertaining to the administration and enforcement of this section.

(g) The bid incentive established in this section may not be combined with any other procurement set-aside benefit for a veteran-owned business enterprise under the Code.

(h) This section shall not apply to any construction project to the extent that the requirements imposed by this section are inconsistent with procedures or standards required by any law or regulation of the United States or the State of Illinois to the extent such inconsistency is not permitted under law or the home-rule powers of the city.

SECTION 2. Section 2-92-418 of the Municipal Code of Chicago is hereby amended by deleting the language stricken and inserting the language underscored, as follows:

2-92-418 Contracts -- Bid Incentives For ~~Small Business Enterprise And Veteran-Owned Business Enterprise~~ Eligible Joint Ventures And Veteran-Owned Small Local Businesses.

(Omitted text is not affected by this ordinance.)

"Veteran-owned business enterprise" means an enterprise which: (1) is at least 51 percent owned by one or more veterans, or in the case of a publicly held corporation, at least 51 percent of all classes of the stock of which is owned by one or more veterans, whose management, policies, major decisions and daily business operations are independently managed and controlled by one or more veterans; or (2) has been certified by the State of Illinois as a qualified service-disabled veteran-owned small business or a qualified veteran-owned small business pursuant to 30 ILCS 500/45-57.

"Veteran-owned small local business" means a business that is both a veteran-owned business enterprise and a small local business enterprise as defined in Section 2-92-670.

(Omitted text is not affected by this ordinance.)

(b) (1) Unless otherwise prohibited by any federal, state or local law, for any contract advertised, or if not advertised awarded, after the effective date of this section, the chief procurement officer shall allocate a bid incentive of 5 percent of the contract base price to a qualified bidder when the qualified bidder is an eligible joint venture or veteran-owned small local business.

The bid incentive is used only to calculate an amount to be used in evaluating the bid to determine the low bidder, and it does not affect the contract price.

(2) The chief procurement officer may forego awarding the bid incentive under this section, under the following conditions:

(i) an emergency exists;

(ii) for cooperative purchasing or cooperative construction contracts;

(iii) where an eligible joint venture or veteran-owned small local business is determined by the chief procurement officer to be unqualified, unable, or ineligible to perform the contract; or

(iv) for any other factor the chief procurement officer deems to be in the city's best interest.

(3) For all contracts advertised after the effective date of this section, the chief procurement officer shall include the bid incentive provision consistent with this section in all such advertising.

(4) As a condition of being awarded the bid incentive, the eligible joint venture or veteran-owned small local business shall continue to meet the definition of an eligible joint venture or veteran-owned small local business during the term of the contract for which the bid incentive was awarded.

(c) The contractor shall maintain adequate records necessary to monitor compliance with this section and shall submit such reports as required by the chief procurement officer. Full access to the contractor's and subcontractors' records shall be granted to

the chief procurement officer, the commissioner of the supervising department, the inspector general, or any duly authorized representative thereof. The contractor and subcontractors shall maintain all relevant records for a minimum of seven years after final acceptance of the work.

(d) A bidder desiring to receive an incentive pursuant to this section shall include with its bid submission, an affidavit and other supporting documents demonstrating that the bidder satisfies all pertinent requirements as an eligible joint venture or veteran-owned small local business.

(e) Upon completion of the work, any eligible joint venture or veteran-owned small local business that receives a bid preference but that fails to meet the definition as an eligible joint venture or veteran-owned small local business during the term of the contract for which the bid incentive was awarded shall be fined in an amount equal to three times the amount of the bid incentive awarded.

(Omitted text is not affected by this ordinance.)

SECTION 3. This ordinance shall take effect following passage and publication.

SECTION 2. Subject to the City's receipt of written approval from the Federal Aviation Administration to sell the Property, the Mayor or his proxy is authorized to execute, and the City Clerk or the Deputy City Clerk is authorized to attest, one or more quitclaim deeds conveying the Property to the Developer. Without limiting the quitclaim nature of such deed, such conveyance shall be subject to (i) standard exceptions in an ALTA insurance policy; (ii) general real estate taxes and any special assessments or other taxes; (iii) easements, encroachments, covenants, restrictions and liens of record and not shown of record; (iv) such other title defects as may exist; and (v) any and all exceptions caused by acts of the Grantee or its agents.

Such conveyance also shall be subject to the following conditions and covenants, in substantially the form set forth below, which are part of the consideration for the Property and which are to be taken and construed as running with the land and binding on the Developer and its successors and assigns:

First: The City of Chicago (the "City") makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and Grantee agrees to accept the Property in its "as is", "where is" and "with all faults" condition.

Second: Grantee shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof.

Third: Grantee hereby waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Property prior to the date of this deed, including, without limitation, liabilities arising under CERCLA. Grantee hereby acknowledges that, in purchasing the Property, Grantee is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. If, after the date of this deed, the structural, physical and environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be Grantee's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use.

The covenants numbered first, second and third shall have no limitation as to time.

If Grantee fails to comply with any of the foregoing covenants and conditions, the City may exercise any and all remedies available to it at law or in equity.

SECTION 3. The Commissioner and the Managing Deputy Commissioner of CDA are each authorized to execute any ancillary closing documents on behalf of the City.

SECTION 4. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 5. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

WHEREAS, on April 1, 1998, the City Council of the City (the "City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, the Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, on _____, 2016, the City Council of the City adopted an ordinance published in the Journal for said date on pages _____-_____ thereof, among other things, finding that the Project would provide a direct and material benefit to the residents of the new developments originating the Open Space Fees and authorizing the Grant subject to certain terms and conditions; and

WHEREAS, under the terms and conditions hereof, the City agrees to make the Grant available to NeighborSpace; and

WHEREAS, the City and NeighborSpace have among their powers and authority the ability to contract with each other to perform the undertakings described herein;

RECITALS

WHEREAS, Landlord is the owner of the administrative and public hearing complex located at 400 West Superior Street / 740 North Sedgwick Street (the "Complex") which is comprised of approximately 130,007 square feet of office space; and

WHEREAS, Tenant requires office space for its operations, which generally involve administrative duties, and would like to relocate these operations into a publicly owned space; and

WHEREAS, the Illinois Intergovernmental Cooperation Act (5 ILCS 220 *et. seq.*) authorizes municipalities and other branches of government to collaborate jointly in the efficient and cost effective delivery of public services; and

SECTION 2. TERM

2.1 Term. The term of this Agreement ("Term") shall commence on the Effective Date and shall terminate on December 31, 2022, unless sooner terminated as set forth in this Agreement.

SECTION 3. RENT, OPERATING COSTS, TAXES, AND UTILITIES

3.1 Rent. Tenant shall pay Landlord for use of the Premises the amount of:

One Dollar ($1.00) for the entire Term with the receipt and sufficiency of said sum hereby acknowledged by both parties.

3.2 Operating Costs. Tenant shall reimburse a portion of Landlord's Operating Costs (as hereinafter defined) attributable to the Premises pursuant to Section 3.2(a) below. Such Operating Costs are only reimbursemeut for Landlord's costs required to operate the Complex and the Premises for public benefit. Such Operating Costs are neither rent nor profit for Landlord.

a. Calculation of Operating Costs. Tenant shall pay Landlord Operating Costs incurred by Landlord for Tenant's proportionate use of the Complex (the "Proportionate Use"). This Proportionate Use shall be based on the square footage of the Premises divided by the Complex's total square footage. The Complex's total square footage is approximately 130,007 square feet and the Premises square footage is approximately 2,600 square feet or 1.999% of the Complex's total square footage. The "Operating Costs" shall be based on Tenant's 1.999% Proportionate Use. Operating Costs shall include (i) all utilities (including, but not limited to gas, electricity, and water), (ii) security services, (iii) custodial services, (iv) mechanical supplies, service, and repairs, and (v) Tenant's allocable share of other costs incurred by City in operating the Complex (excluding any capital improvements that may be required). The estimated monthly Operating Costs are set forth in **Exhibit B** and are subject to a 3% annual escalation beginning on January 1, 2018. The Operating Costs shall be prorated on a per diem basis in the event that the Effective Date is not the first day of the month.

Operating Costs shall be paid to Landlord at the City of Chicago, Department of Finance, Warrants for Collection, City Hall, 121 North LaSalle Street, Room 107, Chicago, Illinois 60602 or at such place as City may from time to time designate in writing to Tenant. Landlord shall invoice Tenant for such Operating Costs on a monthly basis. In the event that Tenant does not receive such invoice from Landlord, Tenant shall contact Landlord to request such invoicing. Landlord's failure to invoice Tenant for Operating Costs or other expenses under this Agreement does not constitute a waiver of payment of any such charges.

3.3 Utilities. Landlord shall pay for gas, electricity, and water supplied to the Complex. Tenant shall pay when due all charges for any applicable telephone or other communication services provided to the Premises for Tenant's exclusive use.

3.4 Taxes. In the event that leasehold taxes are ever assessed against the Premises as a result of Tenant's use of the Premises, Tenant shall pay when due any leasehold taxes,

penalties, and interest assessed or levied on the Premises without reimbursement or other setoff from Landlord. Tenant acknowledges that leasehold taxes are one (1) year in arrears in Cook County and that, as a result, Tenant will be responsible for satisfaction of all leasehold taxes, penalties, and interest assessed or levied on the subject Premises at least one year after Tenant vacates the Premises. Notwithstanding the foregoing, nothing contained herein shall preclude Tenant from contesting any charge or tax levied against the Premises. The failure of Tenant to pay such taxes, interest, and penalties during the pendency of the contest shall not constitute a default under this Agreement. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Agreement, but payment may be a requirement for contesting such taxes.

3.5 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of Operating Costs or other costs due hereunder shall be deemed to be other than on account of the amount due. No endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment. Landlord may pursue any other remedies available to Landlord at law or equity.

SECTION 4. USE AND MAINTENANCE OF THE PREMISES

4.1 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying Operating Costs and upon observing and keeping the covenants, agreements, and conditions of this Agreement on its part to be kept, observed, and performed, Tenant shall lawfully and quietly hold, occupy, and enjoy the Premises (subject to the provisions of this Agreement) during the Term without hindrance or molestation by Landlord or by any person or persons claiming under Landlord.

4.2 Maintenance. Landlord shall take reasonable efforts to maintain the Complex and the Premises in a condition of good repair and good order. Tenant shall notify City with respect to any issues with maintenance of the Premises and/or the Complex. Tenant shall also notify Landlord regarding any issues with other contract services provided to the Premises and/or the Complex.

4.3 City's Right of Access. Landlord shall have the right of reasonable access to the Premises, upon reasonable prior written notice to Tenant, for the purpose of inspecting and making repairs to the Premises or for the benefit of the Complex. Landlord shall always have access to the Premises in the event of maintenance or security emergencies.

4.4 Use of the Premises. Tenant shall not use the Premises in a manner which would violate any law. Tenant further covenants not to damage any portion of the Premises and/or the Complex. Tenant shall comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises. Any activities on the Premises must be limited to use as non-commercial office space.

4.5 Alterations, Additions, or Improvements. Tenant may not make any alterations, additions, or improvements on the Premises without the prior written consent of the Commissioner of the Department of Fleet and Facility Management. Such consent shall not be unreasonably withheld, delayed or conditioned. Any such alterations, additions, or improvements shall be in full compliance with all applicable laws, zoning, permit requirements, and codes. Any alterations, additions, or improvements shall be undertaken at Tenant's sole cost. Any permanent alterations, additions, or improvements shall become property of Landlord at the termination of this Agreement with this Agreement acting as a bill of sale without further payment or credit by Landlord to Tenant. Neither this Agreement nor any subsequent consent pursuant to this section shall act as a substitute for any other permit obligations that may be required by Tenant to undertake any alterations, additions, or improvements to the Premises.

4.6 Access to Waiting Area. Tenant may use the open communal space (the "Waiting Area") located adjacent to the Premises as depicted on **Exhibit A** attached hereto and made a part hereof as a visitors waiting area. The Waiting Area shall not be included as Tenant's Proportionate Use for purposes of determining Tenant's Operating Costs pursuant to Section 3.2 hereinabove.

SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS

5.1 Assignment and Sublease. Tenant shall not assign this Agreement in whole or in part, or sublet the Premises or any part thereof.

5.2 Tenant's Covenant against Liens. Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Premises and/or the Complex. All liens and encumbrances created by Tenant shall attach to Tenant's interest only. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and all sums so paid by Landlord, with interest from the date of payment at the rate set at 12% per annum.

SECTION 6. INSURANCE AND INDEMNIFICATION

6.1 Insurance. Tenant shall procure and maintain at all times at Tenant's own expense, during the Term and during any holding over, the insurance coverages and requirements specified below, or a similar amount of self-insurance, insuring all operations related to the Agreement. Tenant may also elect to self-insure for such insurance coverages and requirements.

The kinds and amounts of insurance required are as follows:

a) Workers Compensation and Employers Liability Insurance. Workers Compensation and Employers Liability Insurance and Occupational Disease Insurance, as prescribed by applicable law, covering all Tenant's employees and Employer's Liability coverage with limits of not less than $500,000 for each accident or illness.

b) Commercial Liability Insurance. (Primary and Umbrella). Commercial Liability Insurance or equivalent with limits of not less than $2,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage extensions shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago, its employees, elected officials, agents, and representatives shall be named as an additional insured under the policy. Such additional insured coverage shall be provided on CG 20 10 or on a similar additional insured form acceptable to the City. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Tenant's sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

c) Professional/ Liability. When any professional consultants perform services in the Premises or in connection with Tenant's use of the Premises, Liability Insurance covering acts, errors or omissions related to such activities must be maintained with limits of not less than $1,000,000. Coverage must include contractual liability insurance. A claims-made policy which is not renewed or replaced must have an extended reporting period of 2 years. Tenant shall provide Landlord with copies of the professional licenses and/or certificates for each of the professional consultants performing services in the Premises or in connection with Tenant's use of the Premises.

d) Automobile Liability Insurance. (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, Tenant shall provide Comprehensive Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence, for bodily injury and property damage.

Tenant shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies) owned or rented by Tenant.

6.2 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term of this Agreement. If Tenant elects to self-insure for such insurance coverages and requirements, Tenant shall provide Landlord with evidence of such self-insurance. Tenant shall submit evidence on insurance prior to Agreement award. The receipt of any certificates does not constitute agreement by Landlord that the insurance requirements in the Agreement have been

fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of Landlord to obtain certificates or other insurance evidence from Tenant, or Tenant's failure to submit insurance coverage required under this Agreement, shall not be deemed to be a waiver by Landlord. Tenant shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and Landlord retains the right to terminate the Agreement until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to Landlord in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

Tenant agrees that its insurers shall waive their rights of subrogation against the City of Chicago its employees, elected officials, agents or representatives, which any insurer of Tenant may acquire against the Landlord by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit Tenant's liabilities and responsibilities specified within the Agreement documents or by law.

Tenant expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall not contribute with insurance provided by Tenant under the Agreement.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the right to modify, delete, alter or change these requirements at any time during the Term of this Agreement.

6.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord (its officers, agents, agencies, departments and employees) harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and

expenses (including reasonable attorney's fees, expenses, and court costs – collectively the "Claims"), whether such Claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations , or Tenant's negligent acts or failure to act under this Agreement, or resulting from the acts or failure to act of Tenant's contractors, invitees, agents, or employees or from any liability arising from access to the Premises or the Complex by any of Tenant's contractors, invitees, agents, or employees or any third parties seeking services from Tenant under this Agreement.

SECTION 7. DAMAGE OR DESTRUCTION

7.1 Damage or Destruction. If the Premises and/or the Complex are damaged or destroyed or sustain a casualty to such extent that Tenant cannot continue, occupy or conduct its normal business therein, or if, in Tenant or Landlord's opinion, the Premises and/or the Complex are rendered unusable, either Landlord or Tenant shall have the option to declare this Agreement terminated as of the date of such damage or destruction by giving the other party written notice of such exercise. If either party exercises this option, Tenant shall cease operations immediately and the Operating Costs, shall be apportioned as of the date of such damage or destruction. Landlord shall reimburse Tenant for any prepaid Operating Costs.

SECTION 8. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

8.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises. Nor shall any such official, employee, or member participate in making or in any way attempt to use her or his position to influence any governmental decision or action with respect to this Agreement.

8.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City of Chicago.

SECTION 9. HOLDING OVER

9.1 Holding Over. Any holding over (the "Holding Over") by Tenant shall be construed to be a tenancy from month to month beginning on January 1, 2023 and the costs will be the same as outlined in Section 3.1 and Section 3.2 of this Agreement. During any Holding Over, all other provisions of this Agreement shall remain in full force and effect.

10.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Agreement shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Agreement shall not be affected thereby, but

each covenant, condition, provision, term or agreement of this Agreement shall be valid and in force to the fullest extent permitted by law.

10.3 Governing Law. This Agreement shall be construed and be enforceable in accordance with the laws of the State of Illinois.

10.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Agreement. This Agreement contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

10.5 Captions and Section Numbers. The captions and section numbers appearing in this Agreement are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this Agreement nor in any way affect this Agreement.

10.6 Binding Effect of Agreement. The covenants, agreements, and obligations contained in this Agreement shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns.

10.7 Time is of the Essence. Time is of the essence of this Agreement and of each and every provision hereof.

10.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Agreement shall be deemed or construed by the parties hereto, nor by any third party, as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

10.9 Authorization to Execute Agreement. The parties executing this Agreement hereby represent and warrant that they are duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this Agreement, it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

10.10 Termination of Agreement. Landlord and Tenant shall have the right to terminate this Agreement for any reason by providing the other party with ninety (90) days prior written notice.

10.11 Force Majeure. When a period of time is provided in this Agreement for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 No Brokers. Tenant warrants to Landlord that no broker or finder (a) introduced Tenant to the Premises, (b) assisted Tenant in the negotiation of this Agreement, or (c) dealt with

Tenant on Tenant's behalf in connection with the Premises or this Agreement. Landlord warrants to Tenant that no broker or finder (a) introduced Landlord to Tenant, (b) assisted Landlord in the negotiation of this Agreement, or (c) dealt with Landlord on its behalf in connection with the Premises or this Agreement. Any and all payments due from Tenant to Landlord under this Agreement shall be paid directly to Landlord.

10.14 No Other Rights. The execution of this Agreement does not give Tenant any other right with respect to the Premises and/or the Complex. Any rights not expressly granted to Tenant through this Agreement are reserved exclusively to Landlord. 10.15 No Construction against Preparer. This Agreement shall not be interpreted in favor of either Landlord or Tenant. Landlord and Tenant acknowledge that both parties participated fully in the mutual drafting of this Agreement.

10.16 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the Landlord to all remedies under the Agreement, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the Landlord as grounds for the termination of this Agreement, and may further affect the Tenant's eligibility for future contract awards.

10.17 Amendments. From time to time, the parties hereto may administratively amend this Agreement with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of this Agreement, including, but not limited to, space expansion or reduction and space re-measurement. Such amendment(s) shall not serve to extend the Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this

Agreement and all other non-impacted provisions of this Agreement shall otherwise remain in full force and effect.

10.18 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original instrument and all of which together shall constitute one and the same instrument

If Tenant shall refuse or neglect to make needed repairs within thirty (30) days after written notice thereof sent by Landlord, unless such repair cannot be remedied by within (30) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will promptly and within thirty (30) business days of demand reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this Lease by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that except in the case of emergencies, Landlord shall first give notice to Tenant of Landlord's desire to enter the Premises and Landlord will schedule its entry so as to minimize any interference with Tenant's use of Premises.

4.3 Use of the Premises. Tenant covenants that Tenant shall use the Premises strictly as a driveway for ingress to Tenant's car wash located adjacent to the Premises at 3618 North Cicero Avenue. Tenant shall not use the Premises in a manner that would violate any Law. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises, disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof. The promotion and operation of the Premises shall not include direct or indirect participation or intervention in political campaigns on behalf of or in opposition to any candidate for public office. In addition, Tenant covenants that Tenant shall not use said Premises for any other political functions or for religious activities of any sort. The Activity contemplated under this Lease does not contemplate use of the Premises for parking and is limited to providing ingress to Tenant's adjacent carwash for vehicles driven by Tenant, Tenant's staff, or Tenant's clients. Tenant shall not operate the Premises for parking purposes or in a manner that would cause the Premises to be deemed a "Competing Parking Facility" under the Chicago Metered Parking System Agreement dated December 4, 2008, as amended on June 5, 2013, by and between the City of Chicago and Chicago Parking Meters, LLC.

4.4 Alterations and Additions. Tenant may not make any alterations, additions and/or improvements to the Premises without the prior written consent of Landlord's Commissioner of the Department of Fleet and Facility Management.

SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS

5.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet the Premises or any part thereof.

5.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of the Landlord in and to the Premises, nor shall the interest or estate of the Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant any claim to, or lien upon, the Premises arising from any act or omission of Tenant shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

5.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may, but is not obligated to, pay and satisfy same, and all sums so paid by Landlord, with interest from the date of payment at the rate set at 12% per annum.

SECTION 6. INSURANCE AND INDEMNIFICATION

6.1 Insurance. The Tenant shall procure and maintain at all times, at Tenant's own expense, during the Term of this Lease, the insurance coverages and requirements specified below, insuring all operations related to this Lease. The kinds and amounts of insurance required are as follows:

a) Workers Compensation and Employers Liability Insurance. Workers Compensation as prescribed by applicable law, covering all employees who have access to the Premises under this Lease, and Employer's Liability Insurance with limits of not less than $500,000 each accident, illness or disease.

b) Commercial Liability Insurance. (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than $2,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago, its employees, elected officials, agents, and representatives shall be named as additional insureds under the policy. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Tenant's sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than $2,000,000 per occurrence, for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

The Tenant shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Tenant.

6.2 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the Lease. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. The Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and Landlord retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

Tenant shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced Tenant insurance coverages shall be borne by Tenant.

Tenant hereby grants to Landlord a waiver of any right of subrogation which any insurer of Tenant may acquire against Landlord by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit Tenant's liabilities and responsibilities specified within this Lease or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by Landlord shall not contribute with insurance provided by Tenant.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of this Lease.

6.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of Tenant's contractors, respective officers, directors, agents, or employees. This Section shall survive the expiration or termination of this Lease.

SECTION 7. DAMAGE OR DESTRUCTION

7.1 Damage or Destruction. If the Premises are damaged, destroyed, or sustain a casualty to such extent that Tenant cannot continue, occupy or conduct its normal business therein, or if, in Landlord's opinion or Tenant's opinion, the Premises are rendered unusable, either Landlord or Tenant shall have the option to declare this Lease terminated as of the date of such damage or destruction by giving the other party five (5) days written notice to such effect.

SECTION 8. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

8.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises; nor shall any such official, employee, or member participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

8.2 Duty to Comply with Governmental Ethics Requirements. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract, as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

SECTION 9. HOLDING OVER

9.1 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning on October 1, 2021 and the rent shall be at 105% of the rate as set forth in Section 3.1(e) of this Lease. During such holding over all provisions of this Lease shall remain in full force and effect.

SECTION 10. MISCELLANEOUS

10.1 Notice. All notices, demands and requests which may be or are required to be given, demanded or requested by either party to the other shall be in writing. All notices, demands and requests by Tenant to Landlord shall be delivered by national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid addressed to Landlord as follows:

Chicago, Illinois 60602

or at such other place as Landlord may from time to time designate by written notice to Tenant. All notices, demands, and requests by Landlord to Tenant shall be delivered by a national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid, addressed to Tenant as follows:

Liquid NSB, LLC
Attn: James Suh

or at such other place as Tenant may from time to time designate by written notice to Landlord. Any notice, demand or request which shall be served upon Tenant by Landlord, or upon Landlord by Tenant, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

10.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

10.3 Governing Law. This Lease shall be construed and be enforceable in accordance with the laws of the State of Illinois.

10.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Lease. This Lease contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

10.5 Captions and Section Numbers. The captions and section numbers appearing in this Lease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this Lease nor in any way affect this Lease.

10.6 Binding Effect of Lease. The covenants, agreements, and obligations contained in this Lease shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns.

10.7 Time is of the Essence. Time is of the essence of this Lease and of each and every provision hereof.

10.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Lease shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

10.9 Authorization to Execute Lease. The parties executing this Lease hereby represent and warrant that they are duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this Lease, it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

10.10 Termination of Lease. Landlord and Tenant shall have the right to terminate this Lease for any reason without penalty by providing each other with 30 days prior written notice at any time after the Commencement Date.

10.11 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 Amendments. From time to time, the parties hereto may administratively amend this Lease with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of this Lease, including but not limited to the expansion or reduction of the Premises. Provided, however, that such Amendment(s) shall not serve to extend the Lease Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such Amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such Amendment(s) shall only take effect

upon execution by both parties. Upon execution, such Amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

10.13 No Other Rights. This Lease does not give the Tenant any other right with respect to the Premises, including, but not limited to, closure of streets, sidewalks, or other public thoroughfares. Any rights not specifically granted to Tenant by and through this document are reserved exclusively to Landlord. Execution of this Lease does not obligate the City in any manner and the City shall not undertake any additional duties or services including, but not limited to, custodial services, maintenance, security, or snow removal.

10.14 No Conflict with Metered Parking Concessions Agreement. No provisions of this Lease shall conflict with the Metered Parking Concessions Agreement entered into between Landlord and Chicago Parking Meters, L.L.C.

10.15 Municipal Marketing Efforts. The City shall have the right, at the City's sole discretion, but not the obligation, to install a digital advertising sign on the Premises as part of the City's municipal marketing efforts, subject to the separate approval of City Council.

10.16 Lease Construction. This Lease has been prepared by Landlord and reviewed and approved by Tenant. This Lease shall not be interpreted against either Landlord or Tenant because of the parties' mutual efforts to finalize this Lease.

SECTION 11. ADDITIONAL RESPONSIBILITIES OF TENANT

11.1 Snow Removal. Tenant shall provide and pay for prompt removal of snow and ice from the Premises and sidewalks that immediately abut the Premises. Tenant acknowledges that Landlord shall not have any responsibilities relative to snow or ice removal on the Premises and/or the sidewalks that immediately abut the Premises.

11.2 Debris and Weed Removal. Tenant agrees to clear debris and to remove weeds, so as not to let debris sit or accumulate on the property or to allow weeds to grow on the Premises or around the sidewalks abutting the Premises. Tenant acknowledges that Landlord shall not have any responsibilities relative to debris removal or weed removal on the Premises and/or the sidewalks that immediately abut the Premises.

11.3 No Tailgating. Tenant shall not permit tailgating on the Premises, or any other non-permitted activity.

11.4 No Reckless Driving. Tenant shall not permit reckless driving on the Premises.

11.5 No Alcohol or Illegal Drugs. Without exception, Tenant shall not permit the consumption of alcoholic beverages of any kind on the Premises. Tenant shall not permit the use of any illegal drugs of any nature on the Premises.

11.6 Satisfaction with Condition. Tenant agrees that Tenant has inspected the Premises and all related areas and grounds and that Tenant is satisfied with the physical condition thereof and accepts the Premises in its "As-Is" condition.

11.7 Illegal Activity. Tenant, or any of its agents or employees, shall not perform or permit any practice that is injurious to the Premises, is illegal, or increases the rate of insurance on the Premises.

11.8 Hazardous Materials. Tenant shall keep out and off of the Premises materials which cause a fire hazard or safety hazard and shall comply with reasonable requirements of Landlord's fire insurance carrier as may be requested from time to time. Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances thereto.

11.9 No Religious or Political Use. Tenant shall not allow the Premises to be used for any religious or political purposes as set forth in Section 4.3 and this Section 11.9.

11.10 No Fees. Tenant shall not charge a fee to any staff, or other invitee for use of, or access to, the Premises.

11.11 Required Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Landlord's Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a breach of the terms of this Lease. Tenant acknowledges that this Lease shall not act as a substitute for any permit that may be required.

11.12 Non-Discrimination. Tenant agrees that Tenant shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Premises or any part thereof.

11.13 Repairs for Tenant Negligence, Vandalism, or Misuse. Tenant shall assume all responsibility for any repairs to the Premises necessitated by the negligence, vandalism, or misuse of the Premises or equipment therein by Tenant's employees, invitees, agents, contractors or third parties. Tenant may perform such repairs with service providers suitable to Landlord and at Tenant's sole cost without further setoff or deduction from Landlord. In the event Tenant is unwilling or unable to perform said repairs, Landlord may perform such repairs subject to full reimbursement to Landlord by Tenant of all costs required for such repairs including, but not limited to, labor and material associated with such repairs.

11.14 No Other Rights. This Lease does not give Tenant any other right with respect to the Premises. Any rights not specifically granted to Tenant by and through this Lease are reserved exclusively to Landlord. Execution of this Lease does not obligate Landlord in any manner not specified in this Lease and Landlord shall not undertake any additional duties or services.

11.15 Security. Tenant shall be responsible for securing all vehicles placed on the Premises. Landlord shall have no security responsibilities or liability for any stolen vehicles, vandalized vehicles, vehicles damaged by wind, hail or other natural elements, stolen personal property, or any accidents on the Premises arising from the use of the Premises by any party.

11.16 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's staff, Tenant's agents, or Tenant's invitees, or any third parties entering the Premises.

11.17 Economic Disclosure Statement Affidavit ("EDS") Updates. Throughout the Term, Tenant shall provide Landlord with any material updates to the information previously submitted in Tenant's Economic Disclosure Statement and Affidavit ("EDS"). Landlord may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Lease.

SECTION 12. TENANT DISCLOSURES AND REPRESENTATIONS

12.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

12.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in

control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Lease by Tenant, (ii) while this Lease or any Other Contract is executory, (iii) during the Term of this Lease or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4

prior to the execution of this Lease, the City may elect to decline to lease the Premises to Tenant or to terminate the Lease after execution.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its

knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Planning and Development. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

12.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation with Inspector General and Legislative Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. Tenant understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

12.7 2014 Hiring Plan Prohibitions.

1. The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

2. Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire any individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by the City or City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

3. Tenant will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

4. In the event of any communication to Tenant by a City employee or City official in violation of paragraph 2 above, or advocating a violation of paragraph 3 above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by OIG Hiring Oversight.

IN WITNESS WHEREOF, the parties have executed this Lease as of the day and year first above written.

RECITALS

WHEREAS, Landlord is the owner of the property commonly known as The Center for Green Technology at 445 North Sacramento Boulevard, Chicago, Cook County, Illinois (PINs 16-12-113-023 and 16-12-114-021) (the "Building"); and

WHEREAS, Landlord has agreed to lease to Tenant, and Tenant has agreed to lease from Landlord, Units 201-A, 225, and 225-C of 445 North Sacramento Boulevard consisting of approximately 3,157 square feet to be used as office space.

NOW THEREFORE, in consideration of the covenants, terms and conditions set forth herein, the Parties hereto agree and covenant as follows:

SECTION 1. GRANT

Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

The term of this Lease ("Term") shall begin on the Commencement Date and shall end on December 31, 2019, unless sooner terminated as set forth in this Lease.

SECTION 3. RENT, TAXES AND UTILITIES

3.1 Rent. Tenant shall pay base rent for the Premises in the amount of:

(a) Four Thousand Seventy-Five and 16/100 Dollars ($4,075.16) per month for the period beginning on the first full month after the Commencement Date and ending on December 31, 2016.

(b) Four Thousand One Hundred Ninety-Seven and 42/100 Dollars ($4,197.42) per month for the period beginning on January 1, 2017 and ending on December 31, 2017.

(c) Four Thousand Three Hundred Twenty-Three and 34/100 Dollars ($4,323.34) per month for the period beginning on January 1, 2018 and ending on December 31, 2018.

(d) Four Thousand Four Hundred Fifty-Three and 04/100 Dollars ($4,453.04) per month for the period beginning on January 1, 2019 and ending on December 31, 2019.

3.2 Utilities and Common Area Maintenance. Tenant shall be responsible for reimbursing Landlord for its share of utilities and common area maintenance ("CAM") expenses. Utilities shall include gas, electricity, water and sewer, and all other utilities used in or supplied to the Premises. Landlord maintains utility accounts in its name for utility services provided to the Building, but Tenant is responsible for reimbursing Landlord for a pro-rated share of utility expenses based on the square footage that Tenant occupies in the Building. Landlord also provides CAM to the Building and Tenant is responsible for reimbursing Landlord for a pro-rated share of CAM expenses. The utility and CAM reimbursements will be due to Landlord in monthly installments in addition to the base monthly rent. Tenant acknowledges and agrees that 2016 utilities and CAM equal $2.90 per square foot on an annual basis, and that Tenant's pro-rated share equates to $9,166.05 per year ($763.84 per month) for the remainder of 2016. Tenant further acknowledges and agrees that, commencing January 1, 2017 and on January 1st of each subsequent year throughout the Term, the annual reimbursement for utilities and CAM will increase by three percent (3%), as shown on **Exhibit B** attached hereto an incorporated herein.

Landlord shall not be responsible for providing telephone and/or telecommunications services to the Premises, and Tenant shall be responsible for directly contracting with telephone and telecommunications providers. Tenant shall pay when due all telephone and other telecommunications charges to the Premises.

3.3 Taxes. Tenant acknowledges that Premises are exempt from leasehold, real estate, and other property taxes. Tenant shall pay when due any leasehold, real estate, and other property taxes assessed or levied on the Premises where attributable to Tenant's use of the Premises. Tenant shall pay such amounts and Tenant shall provide Landlord with proof of such

payment within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for satisfaction of leasehold, real estate, and other property taxes assessed or levied on the Premises on account of Tenant's use for at least one year after Tenant vacates the Premises. Tenant's failure to pay any such taxes shall constitute a default under this Lease. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or tax levied against the Premises. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this Lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Lease.

3.4 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of the rent or any amounts due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment or to pursue any other remedies available to Landlord.

SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, MAINTENANCE, USE, ALTERATIONS, AND PARKING

4.1 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements, and conditions of this Lease on its part to be kept, observed, and performed, shall lawfully enjoy the Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord.

4.2 Tenant's Duty to Maintain Premises. Tenant shall, at Tenant's expense, keep the Premises in a condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. If Tenant shall refuse or neglect to make needed repairs within thirty (30) days after written notice thereof sent by Landlord, unless such repair cannot be remedied by thirty (30) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will promptly and within thirty (30) business days of demand reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this Lease by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that, except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of the Premises.

4.3 Use of the Premises. The use of the Premises is restricted to general office uses (the "Use"). Tenant shall not use the Premises in a manner that would violate any law. Tenant further covenants not to do or suffer any waste or damage, and to comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant shall not cause disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof. Tenant shall not use said Premises for political or religious activities.

4.4 Alterations, Additions, and Improvements. Tenant may not make any alterations, additions, or improvements to the Premises without the prior written approval of the Commissioner of the Department of Fleet and Facility. Landlord shall not be obligated to pay for any alterations, additions, or improvements to the Premises.

4.5 Parking. Tenant shall have shared access to six (6) on-site parking spaces.

SECTION 5. ASSIGNMENT, SUBLEASE AND LIENS

5.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet or license the Premises or any part thereof.

5.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of Landlord in and to the Premises, nor shall the interest or estate of Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Any claim to, or lien upon, the Premises arising from any act or omission of Tenant shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

5.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay

and satisfy same, and all sums so paid by Landlord shall become immediately due and payable by Tenant, with interest from the date of payment at the rate set at 12% per annum provided that such rate shall not be deemed usurious by any Federal, State, or Local law.

SECTION 6. AGENTS, INSURANCE AND INDEMNIFICATION

6.1 Insurance. Tenant shall procure and maintain at all times, at Tenant's own expense (or at the expense of service providers, as applicable), at all times during the Term, the insurance coverages and requirements specified below, insuring all operations related to the Lease. Tenant shall also require any service provider to procure and maintain the same type and amounts of insurance that is required of Tenant. The kind and amounts of insurance required are as follows:

(a) Worker's Compensation and Employer's Liability. Workers Compensation as prescribed by applicable law, covering all employees, and Employer's Liability Insurance with limits of not less than $500,000 each accident, illness or disease.

(b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than $2,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago shall be named as an additional insured under the policy. Such additional insured coverage shall be provided on CG 20 10 or on a similar additional insured form acceptable to the City. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Tenant's sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than $2,000,000 per occurrence for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

The Tenant shall be responsible for all loss or damage personal property (including, but not limited to materials, equipment, tools and supplies), owned, rented or used by Tenant.

6.2 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term.

Tenant shall submit evidence of insurance prior to execution of the Lease. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in this Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and the Landlord retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

The Tenant shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, cancelled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced Tenant insurance coverages shall be borne by Tenant.

Tenant hereby grants to the Landlord a waiver of any right of subrogation which any insurer of Tenant may acquire against the Landlord by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified in this Lease or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the Landlord shall not contribute with insurance provided by Tenant.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of this Lease.

6.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of Tenant's contractors, respective officers, directors, agents, or employees. This Section shall survive the expiration or termination of this Lease.

SECTION 7. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

7.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises; nor shall any such official, employee, or member participate in making or in any way attempt to use his/her position to influence any governmental decision or action with respect to this Lease by the Landlord.

7.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract, as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to Landlord.

SECTION 8. HOLDING OVER

8.1 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning on January 1, 2020 and the rent shall be at 105% of the rate as set forth in Section 3.1(d) of this Lease. During such holding over all other provisions of this Lease shall remain in full force and effect.

SECTION 9. MISCELLANEOUS

9.1 Notice. All notices, demands and requests which may be or are required to be given, demanded or requested by either party to the other shall be in writing. All notices, demands and requests by Tenant to Landlord shall be delivered by national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid addressed to Landlord as follows:

Any notice, demand or request which shall be served upon Tenant by Landlord, or upon Landlord by Tenant, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

9.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

9.3 Governing Law. This Lease shall be construed and be enforceable in accordance with the laws of the State of Illinois.

9.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Lease. This Lease contains the entire agreement between the Parties and shall not be modified or amended in any manner except by an instrument in writing executed by the Parties hereto.

9.5 Captions and Section Numbers. The captions and section numbers appearing in this Lease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this Lease nor do they in any way affect this Lease.

9.6 Binding Effect of Lease. The covenants, agreements, and obligations contained in this Lease shall extend to, bind, and inure to the benefit of the Parties hereto and their legal representatives, heirs, successors, and assigns.

9.7 Time is of the Essence. Time is of the essence of this Lease and of each and every provision hereof.

9.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Lease shall be deemed or construed by the Parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the Parties hereto.

9.9 Authorization to Execute Lease. The Parties executing this Lease hereby represent and warrant that they are duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this Lease, it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

9.10 Termination of Lease. Landlord and Tenant shall have the right to terminate this Lease without penalty for any, or no, reason by providing each other with thirty (30) days prior written notice at any time after the Commencement Date.

9.11 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, acts of terrorism, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

9.12 Tenant Default. Tenant must adhere to all provisions of this Lease. Failure of Tenant to adhere to all provisions of this Lease will result in default. In the event of such default, Landlord will notify Tenant in writing as to the circumstances giving rise to such default. Upon written receipt of such notice, Tenant must cure such default within ten (10) business days. If Tenant does not cure such default within ten (10) business days, Landlord may cancel this Lease with five (5) days written notice.

9.13 Amendments. From time to time, the Parties hereto may administratively amend this Lease with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of this Lease, including but not limited to amendments to permit expansion or reduction of the Premises. Provided, however, that such Amendment(s) shall not serve to extend the Lease Term hereof nor shall such Amendment(s) serve to otherwise

materially alter the essential provisions contained herein. Such Amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such Amendment(s) shall only take effect upon execution by both Parties. Upon execution, such Amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

SECTION 10. ADDITIONAL RESPONSIBILITIES OF TENANT

10.3 Security. Tenant is responsible for properly securing the Premises during the Term.

10.4 No Alcoholic Beverages or Drugs. Tenant agrees that alcoholic beverages or illegal drugs of any kind or nature shall not be sold, given away, or consumed on the Premises.

10.5 Illegal Activity. Tenant, or any of its agents or employees, shall not perform or permit any practice that is injurious to the Premises, is illegal, or increases the rate of insurance on the Premises.

10.6 Hazardous Substances. Tenant shall not use or store any Hazardous Substances (defined below) on the Property. Tenant shall promptly notify the Landlord if Tenant discovers any Hazardous Substances on the Property. As used in this Lease, the term "Hazardous Substances" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, polychlorinated biphenyls (PCBs), crude oil, any fraction thereof, or refined petroleum products such as oil, gasoline, or other petroleum-based fuels, lead paint, asbestos or asbestos-containing materials, urea formaldehyde, any radioactive material or by-product material, radon and mold. 10.7 Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a material breach of the terms of this Lease. Tenant understands that this Lease shall in no way act as a substitute for any other permitting or approvals that may be required to undertake any activities on the Premises.

10.8 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's Agents, third parties, and any other person, persons, or entities entering the Premises.

10.9 Condition at Termination. Upon the termination of this Lease, Tenant shall surrender the Premises to the Landlord in the same or better condition to the condition of the Premises at the beginning of Tenant's occupancy of the Premises. Tenant shall remove all equipment and/or materials placed on the Premises by Tenant or anyone acting by or under Tenant. Said removal shall be without cost to Landlord.

10.13 No Other Rights. This Lease does not give Tenant any other right with respect to the Premises. Any rights not specifically granted to Tenant by and through this Lease are reserved exclusively to Landlord. Execution of this Lease does not obligate Landlord in any manner and Landlord shall not be responsible for undertaking any additional duties or services.

10.14 Non-Discrimination. Tenant agrees that Tenant shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, immigration status, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Premises or any part thereof.

10.15 Economic Disclosure Statement Affidavit ("EDS") Updates. Throughout the Term, Tenant shall provide Landlord with any material updates to the information previously submitted in Tenant's Economic Disclosure Statement and Affidavit ("EDS"). Landlord may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Lease.

SECTION 11. TENANT DISCLOSURES AND REPRESENTATIONS

Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

11.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

11.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to lease the Premises to Tenant or to terminate the Lease after execution.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and

(B) neither party is married; and

(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(E) two of the following four conditions exist for the partners:

1. The partners have been residing together for at least 12 months.
2. The partners have common or joint ownership of a residence.
3. The partners have at least two of the following arrangements:
   a. joint ownership of a motor vehicle;
   b. a joint credit account;
   c. a joint checking account;
   d. a lease for a residence identifying both domestic partners as tenants.
4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

11.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Planning and Development. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

11.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

11.6 Cooperation with Inspector General and Legislative Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. Tenant understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

11.7 2014 Hiring Plan Prohibitions.

1. The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

2. Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire any individual as an employee or as a subcontractor. Accordingly,

Tenant must follow its own hiring and contracting procedures, without being influenced by the City or City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

3. Tenant will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

4. In the event of any communication to Tenant by a City employee or City official in violation of paragraph 2 above, or advocating a violation of paragraph 3 above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by OIG Hiring Oversight.

WHEREAS, It is estimated that, in total, over 24,000 buildings and homes were damaged and, according to Ecuadorian President Rafael Correa, reconstruction efforts could cost close to $3 Billion; and

WHEREAS, The country has suffered at least 23 subsequent earthquakes and aftershocks of different magnitudes causing major complications in the recovery efforts; and

WHEREAS, Given this widespread devastation Ecuador fully meets the criteria of a country eligible for TPS; and

WHEREAS, According to the Pew Research Center, as of 2013, there were roughly 417,000 Ecuadorian-born individuals living in the United States as U.S. citizens, lawful permanent residents, and visa holders; and

WHEREAS, According to the Migration Policy Institute, as of 2014, there were approximately 431,000 Ecuadorian-born individuals living in the United States; and

WHEREAS, In May 2016, Ecuador's Minister of Foreign Affairs, Guillaume Long, formally requested TPS designation for Ecuador on account of significant pressure to do so by Ecuadorian nationals residing in the United States; and

WHEREAS, The United States has donated nearly $3 Million of humanitarian aid toward relief efforts; and

WHEREAS, Granting TPS to Ecuadorians living in the United States would further demonstrate the United States' support for Ecuador; and

WHEREAS, Many elected officials, such as U.S. Representative Luis V. Gutierrez, New York Senators Charles Schumer and Kirsten Gillibrand and New York City Mayor Bill de Blasio have called upon President Obama and Secretaries Jeh Johnson and John Kerry to designate Ecuador as a country whose nationals are eligible for TPS because of the extraordinary and temporary conditions that prevented Ecuadorians from returning safely to their homes; now, therefore,

Moore, Silverstein -- 48.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, Sealing is a process by which a former criminal offender can apply to have his or her record closed to most viewers, thereby removing one of the most significant barriers to employment; and

WHEREAS, An ex-offender can obtain record sealing through an adversarial process in court, whereby the candidate submits an application to a judge; and

WHEREAS, All affected parties, including the candidate, the State's Attorney, the State Police, the arresting agency, and the chief legal officer of the municipality effecting the arrest would receive notice of the application and would be permitted to oppose the record sealing; and

WHEREAS, The presiding judge then uses judicial discretion to decide if the record sealing is appropriate; and

WHEREAS, Record sealing would not preempt law enforcement from seeing all convictions and arrest records; and

WHEREAS, Certain employers, such as school boards, Department of Children and Family Services, private carrier companies that provide public transportation and financial institutions are still able to access sealed records; and

WHEREAS, Currently, state law limits record sealing to only about 15 Class 3 and 4 felony offenses; and

WHEREAS, Among those offenses not currently eligible for record sealing is misdemeanor public indecency, which disproportionately affects indigent and homeless whose actions should not preempt them from attempting to change their circumstances; and

WHEREAS, The Safer Foundation published a study in 2008 that illustrated the importance of re-entry services to limit the level of recidivism among ex-offenders; and

WHEREAS, According to the Illinois Sentencing Policy Advisory Council, 48 percent of those released from prison each year recidivate within three years of release and 19 percent will recidivate within one year of release; and

WHEREAS, Each recidivism event in Illinois costs $118,746, with a total five year cost of $16.7 Billion to the State; and

WHEREAS, Reducing recidivism rates can save the State hundreds of millions of dollars annually; and

WHEREAS, The Safer Foundation found that less than one in five ex-offenders returned to prison within three years of their release from prison after receiving a job opportunity; and

WHEREAS, After an offender has successfully served a sentence, the presumption should be that the offender has paid his or her "debt to society"; and

WHEREAS, A criminal record should not play a role in an ex-offender's everyday life, except where absolutely and clearly necessary to protect public safety; now, therefore,

Be It Resolved, That we, the Mayor and the members of the City Council of the City of Chicago, do hereby urge the Illinois General Assembly to pass meaningful record sealing reform to allow rehabilitated individuals the opportunity to move on from their past; and

Be It Further Resolved, That a suitable copy of this resolution be presented to Governor Bruce Rauner, Illinois Senate President John Cullerton, Illinois Senate Minority Leader Christine Radogno, Illinois Speaker of the House of Representatives Michael Madigan, Illinois House of Representatives Minority Leader Jim Durkin and the Chicago delegation of the Illinois State General Assembly.

WHEREAS, Gun violence and gang violence disproportionately impact underrepresented groups such as communities of color, the economically disadvantaged and other minority groups, preying upon vulnerable communities and youth who are denied access to education, employment and social services; and

WHEREAS, The fiscal crisis and budget impasse at the state level have led to cuts amounting in the tens of millions from important social services, which have in turn increased gang-related violence as at-risk youth are turned away from social services providers and employment opportunities; and

WHEREAS, The Crime Gun Intelligence Center has found that roughly 40 percent of guns used in crimes recovered in Chicago originate from points of sale in the State of Illinois; and

WHEREAS, Gun-related violence in the City of Chicago has increased dramatically over the past several years, with the south and west side neighborhoods being particularly affected; and

WHEREAS, It is widely acknowledged that the trauma of gun violence inflicts harm not only on victims, but also on their families and communities; and

WHEREAS, The long-term emotional and physical damage caused by gun-related violence is of such national consequence that prevention and treatment has been researched by the Center for Disease Control; and

WHEREAS, As of June 20, 2016, there were 1,771 shooting victims in Chicago since January 1, 2016, more than 250 of whom were shot and killed; and

WHEREAS, Twenty-seven shootings occurred in the neighborhood known as Back of the Yards between January and March of 2016, an increase of 107 percent over that time in 2015; and

WHEREAS, On June 15, 2016, one or more assault rifles were used to fire more than 40 rounds into a home on the 4300 block of South Marshfield Avenue, a three-flat building that is home to eight children; and

WHEREAS, On June 19, 2016, at approximately 1:30 P.M., Salvador Suarez was gunned down by an assault rifle outside the Holy Cross Church, located on the 4500 block of South Wood Street; and

WHEREAS, Alderman Raymond Lopez and Cook County Sheriff Tom Dart have joined with community groups as well as countless neighbors and community members to call for action and unity to address the ever-present and deadly threat of gang and gun violence; and

WHEREAS, The Chicago Police Department has acknowledged that the plague of gun-related and gang-related violence on our streets is a threat to public safety and law enforcement officers; and

WHEREAS, The Chicago Police Department has called for stronger state and federal gun laws; and

WHEREAS, According to the 2015 Annual Firearms Manufacturing and Exportation Report (AFMER), published yearly by the U.S. Department of Alcohol Tobacco and Firearms (ATF), 10,844,792 firearms were manufactured in total in 2013; and

WHEREAS, Per the above referenced report, an additional 5,539,539 firearms were imported to the United States, only 319 of which were for military use; and

WHEREAS, It is estimated, based on a report by the Congressional Research Service, that as of 2015, there were 357 million guns in the United States, roughly 40 million more guns than people; and

WHEREAS, Multiple national studies have shown that the majority of Americans support a ban on assault weapons; and

WHEREAS, Seven states currently have legislation banning assault weapons; and

WHEREAS, Numerous municipalities in Illinois, including Lincolnwood, Skokie, Evanston, Highland Park, North Chicago, Melrose Park, Riverdale, Dolton, Hazel Crest, Homewood, and Cook County have passed assault weapons bans; and

WHEREAS, The U.S. Supreme Court recently reinforced the legality of individual state laws that ban certain weapons, refusing to review appeals challenging such state law bans; now, therefore,

Be It Resolved, That the Mayor and the members of the Chicago City Council call for hearings before the Committee on Public Safety on how the City of Chicago and the State of Illinois intends to address the crisis that is gun-and-gang-related crime, including the illegal distribution and trafficking of weapons, in the City of Chicago and the traumatic effects it has on the people of Chicago; and

Be It Further Resolved, That hearings include testimony from affected communities and victims of gun violence, law enforcement, and experts and advocates in the fields of gun regulation and gang violence to consider the impact and consequences of gun-and-gang-related violence; and

Be It Further Resolved, That said hearings explore all constitutionally available avenues to limiting access to automatic and semi-automatic assault weapons; and

Be It Further Resolved, That the Mayor and members of the Chicago City Council stand in support of a state and federal ban on automatic and semi-automatic assault weapons and urge the passage of such legislation; and

Be It Further Resolved, That suitable copies of this resolution be sent to all members of the Illinois Congressional Delegation for consideration.

Exhibit "C".
(To Ordinance)

Release Of Restrictive Use Covenant.

City of Chicago, an Illinois municipal corporation ("City"), pursuant to a February 16, 2000 ordinance ("Vacation Ordinance") which ordinance was recorded on August 8, 2000 with the Office of the Cook County Recorder of Deeds as Document Number 00604708, and is attached hereto as (Sub)Exhibit A, and provided for an industrial program ("Industrial Program") alley vacation ("Vacation") of all of the east/west 10-foot public alley in the block bounded by West Randolph Street, West Washington Boulevard, North Aberdeen Street and North Carpenter Street ("Subject Property"), as legally described on (Sub)Exhibit B attached hereto.

The Vacation Ordinance provided that the Vacation of the Subject Property was conditioned upon a restrictive use covenant running with the land ("Restrictive Use Covenant"), that required the Subject Property "be used only for manufacturing (including production, processing, cleaning, servicing, testing and repair) of materials, goods or products only, and for those structures and additional uses which are reasonably necessary to permit such manufacturing use including the location of necessary facilities, storage, employee and customer parking, and other similar uses and facilities".

The Restrictive Use Covenant was recorded on August 8, 2000 with the Office of the Cook County Recorder of Deeds as Document Number 00604709 and is attached hereto as (Sub)Exhibit C.

Section 4 of the Vacation Ordinance sets forth that the Restrictive Use Covenant "may be released or abandoned by the City only upon approval of the City Council which may condition its approval upon the payment of such additional compensation which it deems to be equal to the benefits accruing because of the release or abandonment".

The City, upon due investigation and consideration, has determined that the public interest now warrants a release of the Restrictive Use Covenant reserved in Section 4 of the Vacation Ordinance for the payment of such additional compensation which it deems to be equal to the benefits accruing to the Developer because of such release of the Restrictive Use Covenant.

The City hereby releases the Restrictive Use Covenant from the Subject Property, as legally described on (Sub)Exhibit B, attached.
