SECTION 1. Chapter 2-92 of the Municipal Code of Chicago is hereby amended by adding a new Section 2-92-525, as follows:

2-92-525 Contracts -- Bid Incentive To Encourage MBE And WBE Utilization.

(a) For purposes of this section, the following definitions shall apply:

"Bid incentive" means an amount deducted, for bid evaluation purposes only, from the contract base bid in order to calculate the bid price to be used to evaluate the bid on a competitively bid contract.

"Contract base bid" means the total dollar amount a contractor bids on a contract without factoring any bid incentive or percentage reductions to the bid amount.

(b) (1) For any contract advertised after the effective date of this section, if such contract has no stated MBE or WBE participation goals, and where not otherwise prohibited by federal, state or local law, the chief procurement officer shall allocate to any qualified bidder the following bid incentive for utilization of: (i) MBE or WBE subcontractors in the performance of the contract, or (ii) MBE or WBE firms other than as a subcontractor during the performance of the contract:

| MBE Or WBE Participation As A Percentage Of The Estimated Contract Dollar Amount | Bid Incentive (as percentage of the contract base bid) |
|---|---|
| 5% | 0.75% |
| 10% | 1.00% |
| 15% | 1.25% |
| 20% | 1.50% |
| 25% | 1.75% |
| 30% | 2.00% |

(2) For a bidder to qualify for an incentive under subsection (b)(1)(i) of this section, the MBE or WBE subcontractors that the bidder utilizes need not be certified in the area of specialty in which they are performing on the contract if: (i) such MBE or WBE subcontractors are certified in at least one area of specialty; and (ii) the bidder has entered into a written mentor-protege agreement approved by the chief procurement officer with such MBE or WBE subcontractors to develop their capacity in becoming self-sufficient, competitive and profitable business enterprises.

(3) For a bidder to qualify for an incentive under subsection (b)(1)(ii) of this section, the MBE or WBE firms that the bidder utilizes shall be certified by the City of Chicago or Cook County in the area of specialty in which they are used during the performance of the contract.

(4) The chief procurement officer may determine not to allocate a bid preference under this section, under the following conditions:

(i) an emergency exists;

(ii) for cooperative purchasing or cooperative construction contracts; or

(iii) the chief procurement officer otherwise concludes that the allocation of a bid preference is not in the city's best interest.

(5) For all contracts advertised after the effective date of this section, the chief procurement officer shall include the bid preference provision consistent with this section in all such advertising.

(c) The contractor shall maintain adequate records necessary to monitor compliance with this section and shall submit such reports as required by the chief procurement officer. Full access to the contractor's, subcontractors' and firms', if used during the performance of the contract, records shall be granted to the chief procurement officer, the commissioner of the supervising department, the inspector general, or any duly authorized representative thereof. The contractor, subcontractors and firms shall maintain all relevant records for a minimum of seven years after final acceptance of the work.

(d) Upon completion of the work, any contractor that has failed to retain the percentage of MBE or WBE subcontractors for which a bid incentive was taken into consideration in awarding of a contract shall be fined an amount equal to three times the amount of the bid incentive allocated, unless the contractor can demonstrate that due to circumstances beyond the contractor's control, the contractor for good cause was unable to retain the percentage of MBE or WBE subcontractors throughout the duration of the contract period.

(e) The chief procurement officer is authorized to adopt rules enabling the effective administration and enforcement of this section.

(f) This section shall not apply to any contract to the extent that the requirements imposed by this section are inconsistent with procedures or standards required by any law or regulation of the United States or the State of Illinois to the extent such inconsistency is not permitted under law or the home rule powers of the city.

SECTION 2. This ordinance shall take effect 10 days after passage and publication.

2-92-617 Competitive Bidding Contracts With Multiple Vendors.

(a) For purposes of this section, the term "eligible contracts" means contracts for goods or services that are: (1) adapted to award by competitive bidding pursuant to 65 ILCS 5/8-10-3; and (2) structured as requirements contracts, in which the quantities that will be ordered by the City depend upon the City's needs at the time of the order. A report of all emergency contracts awarded by the chief procurement officer pursuant to this section will be placed on file each quarter with the city council committee on the budget and government operations.

(Sub)Exhibits 1 and 2 referred to in this Forty-Seventh Amending Agreement to Administrative Services Agreement with SomerCor 504, Inc. read as follows:

*(Sub)Exhibit 1.*
(To Forty-Seventh Amending Agreement To Administrative Services Agreement With SomerCor 504, Inc.)

*City Of Chicago Department Of Planning And Development*
*Small Business Improvement Fund (SBIF)*
*For [_____] Zones Program Rules.*

Effective As Of [Insert Date]

The City of Chicago's Small Business Improvement Fund is a TIF program which will reimburse building owners or tenants, as applicable, for eligible investments which preserve building stock, improve neighborhood appearance or economic value, and enable businesses to stay in the neighborhood, remain competitive, or even expand within the TIF District.

Funding:

-- Grants only, in the form of reimbursement, to the person or legal entity who incurred the costs of the eligible improvements.

-- Each Property shall be eligible to receive the Maximum Program Assistance no more than every three years. "Property" shall mean: (1) a building regardless of whether it has multiple addresses or permanent index numbers ("PINS"); and/or (2) contiguous parcels under Common Ownership, regardless of whether they have multiple addresses or PINS. A building or multiple parcels under Common Ownership shall mean having an ownership interest by the same person or legal entity of 7.5 percent or more.

-- Applicants whose eligibility is established by the Net Worth Requirements under the Eligible Applicant requirements are entitled to funding in the following manner:

a. up to seventy-five percent (75%) of eligible costs if the Applicant demonstrates a net worth less than $2,500,000.

b. up to fifty percent (50%) of eligible costs if the Applicant demonstrates a net worth equal to or greater than $2,500,000, but less than $4,500,000.

c. up to twenty-five percent (25%) of eligible costs if the Applicant demonstrates a net worth equal to or greater than $4,500,000.

-- Applicants whose eligibility is established by the Annual Sales Requirement under the Eligible Applicant requirements are entitled to funding in the following manner:

a. up to seventy-five percent (75%) of eligible costs if the Applicant demonstrates annual sales totaling less than $3,000,000.

b. up to fifty percent (50%) of eligible costs if the Applicant demonstrates annual sales totaling equal to or greater than $3,000,000, but less than $4,000,000.

c. up to twenty-five percent (25%) of eligible costs if the Applicant demonstrates annual sales totaling equal to or greater than $4,000,000.

-- The Maximum Program Assistance shall be (i) less than or equal to Two Hundred Fifty Thousand Dollars ($250,000) maximum assistance per commercial Property occupied by a single owner or tenant; or (ii) less than or equal to Two Hundred Fifty Thousand Dollars ($250,000) maximum assistance per commercial Property occupied by multiple owners or tenants, provided that no individual Applicant shall receive assistance greater than One Hundred Twenty-five Thousand Dollars ($125,000). Applicants may receive one or more grants up to the Maximum Program Assistance. Any Property in a [_____] Zone that has received assistance through either a standard SBIF Grant or a [_____] Zone Grant within the last three years will have these funds deducted from the new Maximum Program Assistance amount. Once an Applicant has received the Maximum Program Assistance, the Applicant shall not be eligible to reapply for another Program grant for the same Property until three years from the date on which it receives final payment for the preceding Program grant(s), provided it has met DPD's guidelines and procedures regarding reapplication. Applicants who have received a Program grant for one Property shall not be excluded from applying for Program grants for another Property.

-- If demand for funds exceeds the amount of available funds, Applicants with eligible projects will be selected by lottery; a waiting-list will be created, if needed. Any waiting-list created as a result of a lottery shall expire upon the earlier of either two (2) years after the date of its creation or the termination of the [_____] Zones Program. Any applicants placed on the waiting-list shall remain on the list until the waiting-list expires, they receive a grant, withdraw from the waiting-list, or are otherwise determined to no longer be eligible under the Program to receive a grant. If the initial funding allocation is not fully utilized and no lottery needed, applications received after the initial deadline will be reviewed and processed on a first-come, first-serve basis.

-- If a lottery is required, only projects that meet four (4) or more of the commercial redevelopment priorities (defined and established under the "Eligible Applicants" section below) of the SBIF for [_____] Zones Program will be included in such a lottery. DPD shall have sole discretion to determine if a proposed project meets these criteria. Applications that do not demonstrate that they will meet four (4) or more of the commercial redevelopment priorities but would otherwise be eligible under the standard SBIF program rules will be referred to this program as funding permits.

- The maximum grant any Property would be eligible to receive under the Program shall be reduced dollar for dollar by (i) any Direct City Financial Assistance from any other program for the Property within (3) years before the date of the application, (ii) any Direct City Financial Assistance currently being received for such Property, or (iii) any Direct City Financial Assistance that the City has agreed to provide to such Property at any time in the future pursuant to a written contract (except for "gap" financing for the Project that is disclosed at the time the Application is first filed). "Direct City Financial Assistance" shall mean financial assistance directly provided by the City, but shall not include any funds received pursuant to a contract for goods and services, a Delegate Agency Grant Agreement, a Cook County tax incentive, or the "TIF Works" Program.

- All applicants for commercial properties who are approved for a grant of $25,000 or greater shall be required to make at least one exterior improvement using at least ten percent (10%) of the maximum amount of their approved grant, including but not limited to, facade repair, windows and doors, awnings, and any other exterior improvements eligible under the Program; provided that, at DPD's sole discretion such requirement may be waived if the applicant can demonstrate to DPD's satisfaction that no exterior improvements are needed because improvements have been recently completed or the exterior features of the building have been well-maintained.

- When DPD has determined that the demand for SBIF for [_____] Zones has been fully utilized, or when defined [_____] Zones geography expires, any unallocated SBIF for [_____] Zones funds can be reallocated to fund the SBIF program in the corresponding TIF Area that operates under the SBIF Program's standard rules.

Eligible Applicants:

- Property owners that have an ownership interest in a commercial business, located on the property to be improved.

- Property owners or ownership entities who lease space to eligible third-party commercial tenants.

- Commercial tenants that have a leasehold interest in the property they would like to improve pursuant to a lease agreement with the property owner and have express prior property owner approval to make specific improvements. The property owner's eligibility will not be a requirement for the Tenant's eligibility.

- Qualified building owners who seek to attract eligible new commercial tenants to vacant space.

-- Businesses which are not eligible include, but may not be limited to: fast-food chain restaurants; national chain businesses (as defined by DPD); branch banks; employment agencies; currency exchanges, pay day loan stores; pawn shops; astrology, palm-reading; liquor stores, bars; adult bookstores, massage parlors; hotels or motels; track waging facilities; trailer-storage yards; and junk yards, or any uses similar to those listed.

-- Priority will be given to commercial projects that meet critical redevelopment priorities, as defined by DPD. These are:

(i) have a positive, catalytic impact on a commercial corridor;

(ii) provide goods or services where those goods or services are lacking;

(iii) support a new or expanding small business;

(iv) have the potential to leverage other resources (private, state, federal);

(v) show a clear path to financial closing and construction start;

(vi) commit to hiring from local neighborhoods; and

(vii) are economically viable and sustainable.

-- Religious organizations that operate an industrial or commercial business may be eligible for a Program grant provided that an authorized officer signs an affidavit stating that (a) the room or space that the SBIF funds will be used to acquire, improve or rehabilitate is not its primary place of worship; (b) SBIF funds will be used only for those portions of the acquisition, improvement or rehabilitation of the premises that are attributable to business activities described in its application; and (c) if in the future it uses the premise for inherently religious activities it will reimburse the City for the present value of the improvements, in an amount not to exceed the grant of SBIF funds.

Vacant Property:

Funding for vacant properties will require a minimum sixty percent (60%) lease-up by square footage of the entire property and one hundred percent (100%) lease-up of the ground floor space with a qualified tenant, prior to funding.

Eligible Costs:

Any TIF-eligible improvement which permits a building owner to attract new commercial tenants, allows an eligible business owner to maintain or expand operations, or contributes to the improved appearance and viability of a property may be funded by the Program. This includes, at DPD's discretion, funding for the rehabilitation, remodeling or renovation of improvements including, but not limited to, the following:

-- roof and facade;

-- signs or awnings which are permanently affixed to the building;

-- alterations or structures needed for ADA compliance (e.g., railings or ramps);

-- HVAC and other mechanical systems;

-- plumbing and electrical work;

-- certain beautification efforts located in the public way;

-- certain environmental remediation measures; and

-- the purchase of adjacent land parcels for purposes of expansion or parking;

-- the cost of an energy audit that recommends measures to improve the energy efficiency of a building may be included as a rehabilitation cost to the extent that:

(a) the building renovations undertaken pursuant to such recommendation promote energy efficiency and resource conservation (e.g., the installation of low-flow plumbing fixtures or energy-efficient HVAC systems, the use of building materials made with a high degree of recycled content or renewable or non-toxic substances); and

(b) the cost of the energy audit does not exceed 10 percent of the project budget.

-- permanent interior renovations, including fixtures.

The following items are not eligible for reimbursement, and therefore will not be counted toward total project cost (this is not an exhaustive list):

-- new construction;

-- minor repairs or improvements such as painting or cleaning;

-- equipment-related expenses;

-- planters surrounding or affixed to buildings;

-- perimeter security fencing;

-- work on the interior of residential units; and

-- work, in DPD's sole determination, that is not consistent with the goals of this Program or the redevelopment priorities of the relevant TIF area, including, projects that do not conform with the uses and goals defined in the governing Redevelopment Plan for the relevant TIF area.

Design Requirements For Facade Work:

In order to receive funding, projects must conform to the minimum design requirements defined below. In addition, projects will be encouraged to meet the other design goals in the City of Chicago Design Guidelines. Applicants are strongly advised to consult with the SBIF Administrator on design requirements and guidelines before drawing up plans for work. Work which is potentially damaging to the building, such as use of incorrect tuckpointing materials, will not be reimbursed. Plans must be submitted to the SBIF Administrator for design approval prior to beginning construction, or the project will be automatically disqualified.

Minimum Design Requirements For Facade Work:

-- Original wall materials such as brick, stone and terra cotta must be repaired and maintained. Imitation materials (e.g. concrete masonry units (CMU), dry-vit and other imitation stucco) must all be avoided.

-- When individual pieces of brick, stone or terra cotta are beyond repair, they must be replaced to match the originals in terms of size, color, finish and texture.

-- Decorative features such as cast iron piers, terra cotta masonry, pressed metal ornaments, and cast stone must be repaired and maintained.

-- Signs should be constructed out of durable high quality materials and be consistent with the character of the commercial corridor.

Compliance:

-- Checks will be performed on all applicants prior to funding to insure that they are not indebted to the City and that they are in compliance with child support laws.

-- Each applicant will fully complete an Economic Disclosure Affidavit on behalf of each entity with ties to the project outline in the SBIF application.

-- Grantees will be required to sign an affidavit certifying that they will not relocate out of the TIF district or sell the business or property within a three (3) year period following disbursement of funds under the Program. This will be monitored.

-- In cases of SBIF reimbursement for land purchase, proof of land ownership will be required before reimbursement may be made.

Time Limits:

Each stage of the program has a time limit by which it must be completed. Applicants who do not complete each stage within that limit will be disqualified:

-- Applicant supplies any missing information to complete their application: twenty (20) days.

-- Plans, bids, and specs, are obtained, debts are cured: one hundred twenty (120) days.

-- Applicant provides evidence to the satisfaction of DPD within one hundred and twenty (120) days following the date of the commitment letter that it has sufficient funds to complete the approved project. Such evidence may include, but is not limited to, a letter of interest or commitment from a financial institution for a loan or line of credit or financial statements that demonstrate that the applicant currently has sufficient equity to complete the project.

-- Construction is completed or land is purchased: twelve (12) months.

(To Forty-Seventh Amending Agreement To Administrative Services Agreement With SomerCor 504, Inc.)

*Form Of Counsel's Opinion.*

_____, 2016

City of Chicago
Department of Planning and Development

RE: Amending Agreement To Administrative Services Agreement (the "Agreement")

Ladies and Gentlemen:

I have acted as counsel for SomerCor 504, Inc., an Illinois not-for-profit corporation ("SomerCor"), in connection with the execution and delivery of the Agreement by and between SomerCor and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). SomerCor has requested that this opinion be furnished to the City.

In so acting as counsel for SomerCor, I have examined:

(i) an executed original of the Agreement;

(ii) the Articles of Incorporation, including all amendments thereto, of SomerCor as furnished and certified by the Secretary of State of the State of Illinois;

(iii) the Bylaws of SomerCor, as certified by the Secretary of SomerCor as of the date hereof; and

(iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of SomerCor.

In my capacity as counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than SomerCor which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. SomerCor is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, SomerCor has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by the Agreement.

2. The Agreement has been duly executed and delivered on behalf of SomerCor, and constitutes a legal, valid and binding obligation of SomerCor, enforceable against SomerCor in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.

3. There is no action, suit or proceeding at law or in equity pending, nor to my knowledge threatened, against or affecting SomerCor, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of SomerCor to perform under the Agreement or any of its business or properties or financial or other conditions.

4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.

5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:

A. a violation or breach of (i) the Articles of Incorporation of SomerCor, (ii) the Bylaws of SomerCor, (iii) any provision of any contract or other instrument to which SomerCor is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on SomerCor, or

B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of SomerCor pursuant to any agreement or other instrument to which SomerCor is a party or by which SomerCor is bound.

6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

_____

**SECTION 1. INCORPORATION OF RECITALS.**

The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

**SECTION 2. PURCHASE PRICE / EARNEST MONEY / PERFORMANCE DEPOSIT.**

2.1 Purchase Price. Subject to the terms, covenants and conditions of this Agreement, the City agrees to sell the City Land to the Developer, and the Developer agrees to purchase the City Land from the City, for Twenty-Eight Thousand Dollars ($28,000) (the "Purchase Price") to be paid by certified check or cashier's check of immediately available funds, on the Closing Date (defined in Section 3).

2.2 Earnest Money. The Developer has deposited with the City a good faith deposit in the amount of Two Thousand Eight Hundred Dollars ($2,800) (the "Earnest Money"), which shall be applied to the Purchase Price at Closing.

2.3 Performance Deposit. The Developer has deposited with the City Two Thousand Eight Hundred Dollars ($2,800), as security for the performance of the Developer's obligations under this Agreement ("Performance Deposit"). Upon the Developer's receipt of the Certificate of Completion (as defined in Section 12), the Developer shall submit a request for a return of the Performance Deposit, and the City shall return the Performance Deposit within ninety (90) days of receiving such request.

**SECTION 3. CLOSING.**

The closing of this Agreement between the City and the Developer, and the closing of the conveyance of the City Land from the City to the Developer (together, the "Closing", which occurs on the "Closing Date"), shall take place at the downtown offices of Greater Illinois Title Company, 120 North LaSalle Street, Suite 900, Chicago IL 60602, or such other title company as may be selected by the Developer (the "Title Company"). In no event shall the Closing occur (1) until and unless the conditions precedent set forth in Section 8 are all satisfied, unless the Department, in its sole and absolute discretion, waives one or more of such conditions; and (2) any later than November 30, 2016 (the "Outside Closing Date"), unless, at the Developer's

request, the Department, in its sole and absolute discretion, extends the Outside Closing Date. The Developer shall pay to record this Agreement and any other documents incident to Closing.

**SECTION 4. CONVEYANCE OF TITLE.**

4.1 Form of Deed. At the Closing, the City shall convey the City Land to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and, without limiting the quitclaim nature of the Deed, to the following:

a. standard exceptions in an ALTA title insurance policy, if applicable;
b. general real estate taxes and any special assessments or other taxes;
c. all easements, encroachments, covenants and restrictions of record and not shown of record;
d. such other title defects that may exist; and
e. any and all exceptions caused by the acts of the Developer or its agents.

4.2 Recording Costs. The Developer shall pay to record the Deed and any other documents incident to the conveyance of the City Land to the Developer.

4.3 Escrow. If the Developer requires conveyance through escrow, the Developer shall pay all escrow fees.

Not less than fourteen (14) days before the anticipated Closing Date, the Developer shall order a current title commitment for the City Land issued by the Title Company. The Developer shall pay the cost of, and shall be responsible for, obtaining on the Closing Date, any title insurance, extended coverage and any endorsements it deems necessary. The City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer documents typically required by the Title Company and typically provided by the City (but expressly excluding, however, "gap" undertakings, title indemnities and similar liabilities) at or prior to the Closing. The Developer shall deliver to the City a copy of the owner's policy of title insurance that it obtains with respect to the City Land.

5.2 Survey. The Developer will be responsible for obtaining, at Developer's expense, a survey for the City Land.

5.3 Real Estate Taxes. The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate taxes or tax liens on the City Land prior to the Closing Date, to the extent such taxes or tax liens can be waived or released through the submission of an abatement letter to the Cook County Treasurer, a motion to vacate a tax sale, or a petition for exemption. If, after using such reasonable efforts, the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the City Land is encumbered with any other exceptions that would adversely affect the use and insurability of the City Land for the development of the Project, the Developer shall

have the option to do one of the following: (1) accept title to the City Land subject to the exceptions, without reduction in the Purchase Price; or (2) terminate this Agreement by delivery of written notice to the City, in which event the City will return the Performance Deposit to the Developer and this Agreement shall be null and void, and except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to all exceptions that were not waived or released. In addition, after the Closing Date, the City agrees to cooperate with the Developer and execute such documents as reasonably may be necessary to cause the Assessor's Office and/or Board of Review to change the real estate tax status of the City Land.

**SECTION 6. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.**

The Developer shall apply for all necessary building permits and other approvals, including, without limitation, zoning approval (collectively, the "Governmental Approvals") necessary to construct the Project, prior to the Closing Date, unless the Department, in its sole and absolute discretion, agrees to waive such requirement, and shall pursue such permits and approvals in good faith and with all due diligence.

**SECTION 7. PROJECT BUDGET AND PROOF OF FINANCING.**

The total budget for the Project is currently estimated to be Two Million Seven Hundred Thirty Thousand Seven Hundred and 00/100 Dollars ($2,730,700) (the "Preliminary Project Budget"). Not less than fourteen (14) days prior to the Closing Date, the Developer shall submit to the Department for approval: (1) a final budget for the Project which is for an amount not more than five percent (5%) less than the Preliminary Project Budget (the "Final Project Budget"); and (2) evidence of funds adequate to construct the Project, as shall be acceptable to the Department, in its sole and absolute discretion (the "Proof of Financing"). The City retains the right to approve any increase of more than ten percent (10%) in the Final Project Budget.

**SECTION 8. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.**

The obligations of the City to "close" this Agreement and convey the City Land are contingent upon the Developer's satisfaction of the obligations set forth in Section 8.A. through Section 8.O. no later than thirty (30) days prior to the Closing Date, or by such other date as may be specified, unless waived or extended in writing by the Commissioner of the Department ("Commissioner"), in the Commissioner's sole and absolute discretion:

A. Legal Opinion. The Developer shall have delivered to the City a legal opinion stating, in part, that the Developer has been duly organized and that the Developer is duly authorized to enter into this Agreement. Such opinion shall be in a form and substance reasonably acceptable to the City's Corporation Counsel.

B. Due Diligence. The Developer shall have delivered to the City due diligence searches in Developer's name (UCC, State and federal tax liens, pending litigation and judgments in Cook County and the U.S. District Court for the Northern District of Illinois, and bankruptcy) showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the City's Corporation Counsel. Litigation searches must be provided with the Developer named as the plaintiff and with the Developer named as defendant.

C. Organization and Authority Documents. The Developer shall have delivered to the City articles of organization, including all amendments thereto, of the Developer, as furnished and certified by the Secretary of State of the State of Illinois; a Certificate of Good Standing dated no more than thirty (30) days prior to the Closing Date, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of the Developer; and operating agreement, resolutions and such other organizational documents as the City may reasonably request.

D. Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in this Agreement shall be true and correct.

E. Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as of the Closing Date.

F. Final Governmental Approvals. The Project triggers the requirements of the ARO. As a result, the Developer shall provide evidence: (1) that the City's Department of Buildings is prepared to issue all necessary building permits for the Project; and (2) that the Developer has received all other Governmental Approvals necessary to construct the Project.

G. Budget and Proof of Financing. The City shall have approved the Developer's Final Project Budget and Proof of Financing.

H. Simultaneous Loan Closing. The Developer shall close the financing necessary for the construction of the Project in advance of, or simultaneously with, the Closing.

I. Insurance. The Developer shall provide evidence of insurance reasonably acceptable to the City. The City shall be named as an additional insured on any liability insurance policies ($1M per occurrence and $2M aggregate) and as a loss payee (subject to the rights of any permitted mortgagee) on any property insurance policies from the Closing Date through the date the City issues the Certificate of Completion. With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

J. Subordination Agreement. Prior to recording any mortgage approved pursuant to Section 8.G., the Developer shall, at the City's request, deliver to the City a subordination agreement in which the construction lender agrees to subordinate the lien of its

mortgage to the covenants running with the land, or such other subordination assurance as the Corporation Counsel shall deem acceptable (such agreement or assurance, a "Subordination Agreement").

K. MBE/WBE and Local Hiring Compliance Plan. The Developer and the Developer's general contractor and all major subcontractors shall meet with staff from the Department regarding compliance with the MBE/WBE and other requirements set forth in Section 22, and at least fourteen (14) days prior to the Closing Date, the City shall have approved the Developer's compliance plan in accordance with Section 22.4.

L. Reconveyance Deed. Prior to the conveyance of the City Land to the Developer, the Developer shall deliver to the City a special warranty deed for the City Land in recordable form naming the City as grantee ("Reconveyance Deed"), for possible recording in accordance with Section 18.3 below.

M. ARO. The Developer shall have paid the City the ARO in-lieu fee in the amount of Fifty Thousand Dollars ($50,000).

N. Title to Developer Parcel. At the Closing, Developer shall deliver to the City documentation evidencing that Developer is in title to the Developer Parcel.

O. Developer, Affiliates and Successor Entities Not in Default. The Developer, and any entity controlled, managed or owned (in whole or in part) by Art Gurevich and/or Marko Boldun, including, but not limited to Construction Trades Associates, Inc. (an Illinois corporation), King Drive Development, LLC (an Illinois limited liability company), and any successor entities, must not be in default of any redevelopment agreement(s) or other agreement(s) between the City and such entity.

P. Right to Terminate. If any of the conditions in this Section 8 have not been satisfied to the City's reasonable satisfaction within the time period provided for herein, the City may, at its option, terminate this Agreement after (a) delivery of written notice to the Developer at any time after the expiration of the applicable time period, stating the condition or conditions that have not been fulfilled, and (b) providing the Developer with forty-five (45) days to fulfill those conditions. If, after receiving notice and an opportunity to cure as described in the preceding sentence, the Developer still has not fulfilled the applicable conditions to the City's reasonable satisfaction, this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

**SECTION 9. SITE PLANS AND ARCHITECTURAL DRAWINGS.**

9.1 Site Plans. The Developer shall construct the Project on the Property in accordance with the site plan, specifications and architectural drawings prepared by AP Architects LLC, 3300 Dundee Road, Suite N1, Northbrook, Illinois 60063, which have been

approved by the Department and which are attached hereto as Exhibit D (collectively, the "Working Drawings and Specifications"). No material deviation from the Working Drawings and Specifications may be made without the Department's prior written approval. If the Developer submits and the Department approves revised design development drawings and specifications after the date of this Agreement, the term "Working Drawings and Specifications" as used herein shall refer to the revised design development drawings and specifications upon the Department's written approval of the same. Notwithstanding the foregoing, if after the date of this Agreement the City Council approves a planned development ordinance governing the Property, and as part of the process of approving such ordinance the Department approves the drawings attached to same, the term "Working Drawings and Specifications" as used herein shall refer to the revised site plan, specifications and architectural drawings, as applicable, attached to such planned development ordinance.

9.2 Relocation of Utilities, Curb Cuts and Driveways. To the extent necessary to complete the Project, the Developer shall be solely responsible for and shall pay all costs in regard to: (1) the relocation, installation or construction of public or private utilities located on the Property; (2) the relocation, installation and construction of any curb cuts and driveways; (3) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with the Developer's redevelopment; (4) the removal of existing pipes, utility equipment or building foundations located on the Property; and (5) the termination of existing water or other services. Any streetscaping, including any paving of sidewalks, landscaping and lighting provided by the Developer, as part of the Project, must be approved by the City in accordance with standard City procedures for such work.

9.3 Inspection by the City. For the period commencing on the Closing Date and continuing through the date the City issues the Certificate of Completion, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

9.4 Barricades and Signs. Upon the City's request, the Developer agrees to erect such signs as the City may reasonably require identifying the Property as a City redevelopment project. The Developer may erect signs of its own incorporating such approved identification information upon the execution of this Agreement. Prior to the commencement of any construction activity requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. The City shall have the right to approve all barricades, the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, and all signage, which approval shall not be unreasonably withheld or delayed.

**SECTION 10. LIMITED APPLICABILITY.**

The approval of any Working Drawings and Specifications by the Department's Bureau of Housing is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings, any other Department bureau (such as, but not limited to, the Department's Bureau of Zoning), or any other City department; nor does the approval by the Department pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property. The approval given by the Department shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

**SECTION 11. COMMENCEMENT AND COMPLETION OF PROJECT.**

Subject to the receipt of all necessary Governmental Approvals, the Developer shall commence construction of the Project no later than ten (10) days following the Closing Date and shall complete the Project, as reasonably determined by the Department and evidenced by a Certificate of Completion, no later than eighteen (18) months following the Closing Date.

The Commissioner shall have discretion to extend the Project construction commencement and completion dates for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction of the Project.

The Project shall be constructed in accordance with all applicable Laws.

**SECTION 12. CERTIFICATE OF COMPLETION.**

Upon the completion of the Project the Developer shall request from the City a certificate of completion (the "Certificate of Completion"). Within forty-five (45) days thereof, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole reasonable opinion of the Department, for the Developer to take or perform in order to obtain the Certificate of Completion. If the Department requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of certain of the covenants in this Agreement and the Deed (but excluding those on-going covenants as referenced in Section 17) with respect to the Developer's obligations to construct the Project.

**SECTION 13. RESTRICTIONS ON USE.**

The Developer, for itself and its successors and assigns, agrees as follows:

13.1 The Developer shall construct the Project in accordance with the Working Drawings and Specifications, this Agreement and all applicable Laws.

13.2 The Developer shall not, in violation of applicable law, discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof, except as permitted by applicable law.

13.3 The Developer shall satisfy its affordable housing obligation under the ARO by paying the in-lieu fee, such fee equal to Fifty Thousand and 00/100 Dollars ($50,000) and due prior to the issuance of any building permits for the Project.

**SECTION 14. TRANSFER OF PROPERTY; TRANSFER OF INTERESTS IN DEVELOPER.**

Prior to the City's issuance of the Certificate of Completion, as provided herein, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion: (a) merge, liquidate or consolidate; (b) directly or indirectly sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or the Property; (c) enter into any transaction outside the ordinary course of business that would materially and adversely affect the ability of the Developer to complete the Project; (d) assume or guarantee the obligations of any other person or entity that would materially and adversely affect the ability of the Developer to complete the Project, (e) enter into a transaction that would cause a material and detrimental change to the Developer's condition or (f) directly or indirectly assign this Agreement; provided, however, the Department's consent shall not be required for the sale of Townhouses to bona fide purchasers. The Developer acknowledges and agrees that the Department may withhold its consent under (a) through (f) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers, members or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. In the event of a proposed sale, transfer, conveyance, lease or other disposition of all or any portion of the Property, the Developer shall provide the City copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed purchaser, transferee or assignee, as applicable, regarding this Agreement and such other information as the City may reasonably request. The proposed purchaser, transferee or assignee must be qualified to do business with the City (including but not limited to anti-scofflaw requirement).

**SECTION 15. LIMITATION UPON ENCUMBRANCE OF PROPERTY.**

Prior to the issuance of the Certificate of Completion, the Developer shall not, without the Department's prior written consent, which consent shall be in the Department's sole and absolute discretion, engage in any financing or other transaction which creates a financial encumbrance or lien on the Property, except for the purposes of obtaining: (a) funds necessary

to acquire the Property; (b) funds related to the Proof of Financing or otherwise necessary to construct the Project in substantial accordance with the Final Project Budget; and (c) after construction, funds necessary to own, maintain and operate the Property and the Project in accordance with the requirements of this Agreement. After the issuance of the Certificate of Completion, no City consent shall be required for any type of financing or other transaction which creates a financial encumbrance or lien on the Property.

**SECTION 16. MORTGAGEES NOT OBLIGATED TO CONSTRUCT**

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate or nominee of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 17, and at the Closing shall execute a Subordination Agreement as provided in Section 8. If any such mortgagee, affiliate or nominee succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party (that is not also a mortgagee, its affiliate or nominee), such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 17.

**SECTION 17. COVENANTS RUNNING WITH THE LAND.**

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), and Section 14 (Transfer of Property; Transfer of Interests in Developer) and Section 15 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitations set forth in Section 16 above as to any permitted mortgagee, affiliate or nominee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 11, and Section 13.1 shall terminate upon the issuance of the Certificate of Completion. The covenants contained in Section 13.2 shall remain in effect without limitation as to time. The covenants contained in Section 13.3 shall terminate upon the City's receipt from the Developer of the in-lieu fee. The covenants contained in Section 14 shall terminate on the date the City issues the Certificate of Completion, unless terminated in writing at an earlier date in the sole and absolute discretion of the Commissioner. The covenants contained in Section 15 shall terminate on the date the City issues the Certificate of Completion. All terminations referenced in this Section 17 shall occur as and when set forth herein and shall not require additional City action such as issuance of a release or further authorization by City Council.

**SECTION 18. PERFORMANCE AND BREACH.**

18.1 Time of the Essence. Time is of the essence in each party's performance of their respective obligations under this Agreement.

18.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including but not limited to, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, material shortages, and unusually severe weather or delays of contractors or subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests it in writing of the City within thirty (30) days after the beginning of any such delay.

18.3 Breach

a. Generally. Except as set forth in Section 18.3.b., if the Developer defaults in performing its obligations under this Agreement, the City shall deliver written notice of such default, after which the Developer shall have a 45-day cure period to remedy such default. If the default is not capable of being cured within the 45-day period, then provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 45-day period, and thereafter diligently prosecutes such cure through to completion, then the 45-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

No notice or cure period shall apply to a failure to close by the respective dates as set forth in Section 3 herein, as such dates may have been extended by the Commissioner, in his sole and absolute discretion. Unless the failure to close is due to circumstances described in Section 18.2. above or caused by a breach by the City under the terms of this Agreement, such failure shall constitute an immediate "Event of Default". Failure to close by any of the dates set forth in Section 3 shall entitle the City to terminate this Agreement.

b. Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" after written notice from the City (if required):

1. The Developer fails to perform any obligation of the Developer under this Agreement, which default is not cured pursuant to Section 18.3.a.; or

2. The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct, which default is not cured pursuant to Section 18.3.a.; or

3. A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or

4. Except as excused by Section 18.2 above, the Developer abandons or substantially suspends the construction work for a period of time greater than 60 days (no notice or cure period shall apply); or

5. Unless being contested in good faith by the Developer, the Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property, which default is not cured pursuant to Section 18.3(a); or

6. The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement (no notice or cure period shall apply); or

7. The Developer's financial condition or operations adversely change to such an extent that would materially and adversely affect the Developer's ability to complete the Project, which default is not cured pursuant to Section 18.3.a.; or

8. The Developer fails to perform, keep or observe any of the other covenants, promises, agreements, or obligations under this Agreement, including but not limited to, the covenants set forth in Sections 13 and 17 herein, or any other written agreement entered into with the City with respect to this Project, which default is not cured pursuant to Section 18.3.a.; or

9. Failure to close by the Outside Closing Date, as such date may be extended by the Department in its sole and absolute discretion in accordance with Section 3 of this Agreement (no notice or cure period shall apply); or

10. Failure to commence or complete construction in accordance with the timeframes set forth in Section 11 of this Agreement.

c. Prior to Conveyance. Prior to the Closing, if an Event of Default occurs and is continuing, and the default is not cured in the time period provided herein, the City may terminate this Agreement, and institute any action or proceeding at law or in equity against the Developer.

d. After Conveyance. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in this Section 18.3, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity. If there is an

Event of Default for failure to complete the Project in accordance with the timeframe set forth in Section 11, then the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, revest title to the Property in the City and record the Reconveyance Deed (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If title to the Property revests in the City pursuant to the Right of Reverter, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property (except those permitted by Section 15) during the period of time the Property was owned by the Developer. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions that (i) were on title as of the date and time that the City conveyed the Property to the Developer and (ii) utility easements.

Notwithstanding the foregoing to the contrary, prior to the City's exercise of its Right of Reverter, the City shall provide written notice to the Developer of its intent to exercise its Right of Reverter. The City shall grant the Developer an additional period of time such that the Developer has a total of ninety (90) days (from the date of the initial notice of default) to cure the applicable Event of Default, and, if the default is not capable of being cured within such 90-day period, and provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 90-day period, and thereafter diligently prosecutes such cure through to completion, then the 90-day period shall be extended for the length of time that is reasonably necessary to cure the default.

The City's Right of Reverter shall terminate on the date the City issues the Certificate of Completion.

e. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

**SECTION 19. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.**

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

**SECTION 20. INDEMNIFICATION.**

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) (collectively "Losses") suffered or incurred by the City arising from or in connection with: (1) an Event of Default that has occurred; (2) the failure of the Developer or any of Developer's contractors, subcontractors or agents to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (3) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (4) any actions, including but not limited to, conducting environmental tests on the Property as set forth in Section 21 herein, resulting from any activity undertaken by the Developer on the Property prior to or after the conveyance of said Property to the Developer by the City; provided, however, the Developer shall have no obligation to indemnify the City for Losses to the extent such Losses are caused by the City or its agents. This indemnification shall survive any termination of this Agreement (regardless of the reason for such termination).

**SECTION 21. ENVIRONMENTAL MATTERS.**

21.1 "AS IS" SALE. THE CITY MAKES NO COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY. THE DEVELOPER AGREES TO ACCEPT THE PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY

UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS ITS SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM AT ITS EXPENSE ANY ENVIRONMENTAL REMEDIATION WORK (AS DEFINED BELOW) AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE. "Environmental Remediation Work" shall mean all investigation, sampling, monitoring, testing, reporting, removal (including, excavation, transportation and disposal), response, storage, remediation, treatment and other activities necessary for the performance of the Project, all in accordance with all requirements of IEPA, and all applicable Laws, including, without limitation, all applicable Environmental Laws. "Environmental Laws" means any and all Laws relating to the regulation and protection of human health, safety, the environment and natural resources now or hereafter in effect, as amended or supplemented from time to time, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq., the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 et seq., the Hazardous Materials Transportation Act, 49 U.S.C. § 5101 et seq., the Federal Water Pollution Control Act, 33 U.S.C. § 1251 et seq., the Clean Air Act, 42 U.S.C. § 7401 et seq., the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq., the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. § 136 et seq., the Occupational Safety and Health Act, 29 U.S.C. § 651 et seq., any and all regulations promulgated under such Laws, and all analogous state and local counterparts or equivalents of such Laws, including, without limitation, the Illinois Environmental Protection Act, 415 ILCS 5/1 et seq., and the common law, including, without limitation, trespass and nuisance.

21.2 Release and Indemnification. The Developer, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "Developer Parties"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees, from and against any and all Losses which the Developer ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances (as defined below), or threatened release, emission or discharge of Hazardous Substances; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other Property; (iii) any violation of, compliance with, enforcement of or liability under any Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial,

removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, however, the foregoing release shall not apply to the extent such Losses are proximately caused by the gross negligence or willful misconduct of the City following the Closing Date. Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the City and its officers, agents and employees harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately preceding sentence for the City's gross negligence or willful misconduct following the Closing Date. "Hazardous Substances" means any toxic substance, hazardous substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws, or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, petroleum (including crude oil or any fraction thereof), any radioactive material or by-product material, polychlorinated biphenyls and asbestos in any form or condition.

21.3 Release Runs with the Property. The covenant of release in Section 21.2 above shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or Developer Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, the Developer and any of the Developer Parties shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 21.2 contains a full, complete and final release of all such claims, except as provided in such section for the City's gross negligence or willful misconduct following the Closing Date.

21.4 Survival. This Section 21 shall survive the Closing Date or any termination of this Agreement (regardless of the reason for such termination).

**SECTION 22. DEVELOPER'S EMPLOYMENT OBLIGATIONS.**

22.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 22.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 22.1 shall be a basis for the City to pursue remedies under the provisions of Section 18.

22.2 City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(a) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(b) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(c) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(d) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(e) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(f) At the direction of the Department, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(g) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents.

(h) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 22.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 18.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Final Project Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(i) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(j) The Developer shall cause or require the provisions of this Section 22.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

22.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the

Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 22.3, during the course of construction of the Project, at least 26% of the aggregate hard construction costs shall be expended for contract participation by minority owned businesses and at least 6% of the aggregate hard construction costs shall be expended for contract participation by women owned businesses.

(b) For purposes of this Section 22.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 22.3. In accordance with Section 2-92-730,

Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 22.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

22.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with the Department monitoring staff regarding compliance with all Section 22 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 22, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 22 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (c) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such

documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 22, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (w) issue a written demand to the Developer to halt construction of the Project, (x) withhold any further payment of any City funds to the Developer or the general contractor, or (y) seek any other remedies against the Developer available at law or in equity.

**SECTION 23. REPRESENTATIONS AND WARRANTIES.**

23.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement, as of the Closing Date, the following shall be true and correct in all respects:

a. The Developer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of the Developer has the authority to do so.

b. All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

c. The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

d. To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations hereunder; or (b) materially affect the operation or financial condition of the Developer.

e. To the best of the Developer's knowledge, the Project will not violate: (a) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (b) any building permit, restriction of record or other agreement affecting the Property.

23.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to

the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein, and the person signing this Agreement on behalf of the City has the authority to do so.

23.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 23 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

**SECTION 24. PROVISIONS NOT MERGED WITH DEED.**

The provisions of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the provisions of this Agreement.

**SECTION 25. HEADINGS.**

The headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending, or affecting in any way the express terms and provisions thereof.

**SECTION 26. ENTIRE AGREEMENT.**

This Agreement constitutes the entire agreement between the parties and supersedes and replaces completely any prior agreements between the parties with respect to the subject matter hereof. This Agreement may not be modified or amended in any manner other than by supplemental written agreement executed by the parties.

**SECTION 27. SEVERABILITY.**

If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof is held invalid, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

**SECTION 30. TERMINATION.**

In the event that the Closing has not occurred by the Outside Closing Date, or any extensions thereof in the Department's sole and absolute discretion or notice and cure period, then the City may terminate this Agreement upon written notice to the Developer.

**SECTION 31. OTHER ACTS**

The parties agree to perform such other acts and to execute, acknowledge and deliver such other instruments, documents and materials as may be reasonably necessary to consummate the transactions contemplated by this Agreement.

**SECTION 32. BUSINESS RELATIONSHIPS.**

The Developer acknowledges (1) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as described in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

**SECTION 33. PATRIOT ACT CERTIFICATION.**

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any

persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

**SECTION 34. PROHIBITION ON CERTAIN CONTRIBUTIONS – MAYORAL EXECUTIVE ORDER NO. 2011-4.**

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole and absolute discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (1) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

1. they are each other's sole domestic partner, responsible for each other's common welfare; and
2. neither party is married; and
3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and
4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
5. two of the following four conditions exist for the partners:
    a. The partners have been residing together for at least 12 months.
    b. The partners have common or joint ownership of a residence.
    c. The partners have at least two of the following arrangements:
        i. joint ownership of a motor vehicle;
        ii. a joint credit account;
        iii. a joint checking account;
        iv. a lease for a residence identifying both domestic partners as tenants.
    d. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

**SECTION 35. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.**

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

**SECTION 36. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.**

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

**SECTION 37. 2014 CITY HIRING PLAN.**

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(iii) Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the

support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by the OIG.

**SECTION 38. COUNTERPARTS.**

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

**IN WITNESS WHEREOF**, the parties have caused this Agreement to be executed on or as of the date first above written.

**Section 1.** **The Property**. The "**Property**" as referred to in this Agreement consists of the real property legally described on Exhibit A attached hereto, which is improved with a surface parking lot.

**Section 2.** **Purchase Price**. The purchase price for the Property is Three Million Six Hundred Ninety Thousand Dollars ($3,690,000) (the "**Purchase Price**").

**Section 3.** **Earnest Money; Default**.

(a) Buyer has delivered a security deposit in the amount of Three Hundred Sixty Nine Thousand Dollars ($369,000) to Seller (the "**Earnest Money**"). Except as otherwise provided under this Agreement, the Earnest Money shall be non-refundable and shall be applied to the Purchase Price at the Closing (as defined below). The Seller shall not pay interest on the Earnest Money.

(b) With respect to a default prior to the Closing (as defined below): If either party shall default in any of their respective obligations under this Agreement, the defaulting party shall have thirty (30) days after written notice from the non-defaulting party to cure such default, or such longer period as shall be reasonably necessary to cure such default, provided the defaulting party promptly commences such cure and thereafter diligently pursues such cure to completion, but in no event longer than an additional thirty (30) day period. If the default is not cured by the end of such cure period, the non-defaulting party may terminate this Agreement. In the case of any material default by Buyer, the Earnest Money shall be promptly forfeited to Seller as Seller's sole and exclusive remedy. In the case of any material default by Seller, Buyer's sole and exclusive remedy is termination of this Agreement and return of the Earnest Money to Buyer.

**Section 4.** **Closing**. The closing of the conveyance of the Property from the Seller to the Buyer (the "**Closing**") shall occur on a date and at a time reasonably determined by the Seller and Buyer within thirty (30) days following the later of (i) the publication of the ordinance authorizing the Seller's sale of the Property to the Buyer, or (ii) the satisfaction of the closing conditions in Section 10, in accordance with the timeframe set forth in Section 10 (the date on which the Closing occurs, the "**Closing Date**"). The Closing shall occur at the downtown offices of [----------] (the "**Title Company**"). All closing, recording, escrow and title costs and fees shall be paid by Buyer.

**Section 5.** **Payments at Closing**. The Buyer shall pay the balance of the Purchase Price to the Seller at the Closing, by one or more cashier's checks or certified checks made payable to "City of Chicago", in the total amount of Three Million Three Hundred Twenty One Thousand Dollars ($3,321,000).

**Section 6.** **Prorations and Real Estate Taxes**. The Property currently is exempt from real estate taxes. There shall be no prorations of real estate taxes or liens. Following the Closing, the Buyer shall take such actions as are necessary to put the Property on the tax rolls, or apply with the Board of Review for Cook County for an exemption from real estate property taxes, as applicable, including issuing a notification of the sale with the new tax address to the Cook County Assessor's Office.

**Section 7.** **Transfer Taxes**. The transaction contemplated by this Agreement is exempt from transfer taxes as a transfer from a governmental body.

**Section 8.** **Deed and Closing Documents**.

(a) At the Closing, Seller shall execute and deliver to Buyer, or cause to be executed and delivered to Buyer, a recordable quit claim deed (the "**Deed**"). The Deed shall contain the covenants running with the land described in Sections 15, 16, and 17 of this Agreement.

(b) Seller agrees to provide the Title Company with a completed ALTA owner's statement. Seller will not provide any "gap" undertakings or similar title indemnities and similar liabilities. At or prior to the Closing, Buyer shall deliver all documents and instruments, each executed and acknowledged (where appropriate) by Buyer, which Seller may reasonably determine are necessary to evidence the authority of Buyer to enter into and perform this Agreement. In addition, the Buyer, and any entity with an interest in Buyer that is required to submit an Economic Disclosure Statement and Affidavit ("**EDS**"), shall each provide an EDS (or a recertification to an EDS previously accepted by the Seller) executed and notarized on the Closing Date, and acceptable to the Seller. As a condition to Closing, the Buyer must be qualified to do business with the City (including but not limited to satisfaction of all anti-scofflaw requirements).

**Section 9.** **As-Is Sale**.

(a) Seller shall grant Buyer a right of entry, in the City's customary form and subject to Seller's receipt from Buyer of required documentation (e.g., evidence of insurance and an Economic Disclosure Statement and Affidavit that is current as of the date of the right of entry), in order to Buyer to perform or cause to be performed any structural, physical and environmental inspections of the Property as Buyer deems necessary; provided, however, Seller shall have the right to review and approve the scope of work for any environmental testing.

(b) Subject to the Seller having granted Buyer a right of entry, Buyer acknowledges that it has had adequate opportunity to inspect and evaluate the structural, physical and environmental condition and risks of the Property and accepts the risk that any inspection may not disclose all material matters affecting the Property. Notwithstanding anything to the contrary contained in this Agreement, it is expressly understood and agreed that Buyer is buying the Property in its "as is" and "where is" condition as of the time of the Closing, and with all faults

and defects, latent or otherwise, and that Seller has not made and does not make any covenant, representation or warranty, express or implied, of any kind, or give any indemnification of any kind to Buyer, with respect to the physical, structural or environmental condition or value of the Property, its compliance with any statute, ordinance or regulation, or its habitability, suitability, merchantability or fitness for any purpose whatsoever. Buyer acknowledges that it is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the Seller or its agents or employees with respect thereto. Buyer agrees that it is Buyer's sole responsibility and obligation to perform any work and take such other action as is necessary to put the Property in a condition which is suitable for its intended use.

(c) Buyer acknowledges that Seller is not liable for, or bound in any manner by, any express or implied warranties, guarantees, promises, statements, inducements, representations or information pertaining to the Property made or furnished by any real estate agent, broker, employee, or other person representing or purporting to represent the Seller, including, without limitation, with respect to the physical condition, size, zoning, income potential, expenses or operation thereof, the uses that can be made of the same or in any manner or thing with respect thereof.

(d) Buyer, on behalf of itself and its successors and assigns, and their respective officers, directors, employees, members, managers, agents and representatives (collectively, "**Buyer Parties**"), expressly releases, renounces and waives any claims or causes of action it may have against Seller, its officials, agents and employees, under any existing or future theory of law (federal, state or local, or by common law), whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing, based upon, arising out of or in any way connected with, directly or indirectly, the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of hazardous or toxic materials, substances, wastes or other environmentally regulated substances, or other contaminants or pollutants in, on, under or about the Property, and shall undertake and discharge all liabilities (including, without limitation, claims arising under CERCLA) of the Seller arising from any structural, physical or environmental condition that existed on the Property prior to the Closing.

**Section 10. Conditions to Closing**. The obligation of the Seller to close on the conveyance of the Property to the Buyer is contingent upon the satisfaction of each of the following items:

(a) The Buyer shall provide the Seller with a Phase I Environmental Assessment ("**Phase I**") of the Property conducted in conformance with ASTM E 1527-13 within 180 days prior to the Closing Date. The City's Department of Fleet and Facility Management (together with any successor department thereto, "**DFFM**") shall have the right to review and approve the sufficiency of the Phase I report for the Property. Upon DFFM's request, the Buyer shall perform additional tests for the purpose of determining whether any environmental or health risks would be associated with the development of the Property, including, without limitation, updated or expanding the Phase I report(s) and performing initial or additional Environmental Site Assessment(s) (collectively, the "**Reports**"). The environmental consultant must provide a reliance letter naming the City of Chicago as an authorized user of the Reports.

(b) After the Phase I has been prepared, the Buyer shall perform a Comprehensive Site Investigation ("**CSI**") in accordance with the requirements of Section 740.420 of Title 35 of the Illinois Administrative Code ("**IAC**") to ascertain the presence of any environmental impacts at the site that may affect the development of the Property as a school, open space, or urban garden, including but not limited to any Recognized Environmental Conditions that were identified in the Phase I. Regardless of the findings of the Phase I, the CSI must include sampling for, at a minimum, all compounds on the Target Compound List of Section 740.APPENDIX A, 35 IAC. DFFM shall have the right to review, modify, and approve the scope of work for the CSI before it is conducted. The Buyer shall prepare and submit to DFFM a *Site Investigation Report – Comprehensive Site Investigation* in accordance with the requirements of Section 740.425, 35 IAC.

The Buyer shall have until December 31, 2016 to satisfy the conditions to closing in this Section 10. If the Buyer does not satisfy the conditions within that period, the Seller may either (i) terminate this Agreement by delivery of written notice to the Buyer, in which event the Seller will return the Earnest Money to the Buyer and this Agreement shall be null and void, and neither party shall have any further right, duty or obligation hereunder, or (ii) Seller may extend such completion date for the conditions to closing for up to thirty (30) days.

**Section 11. Seller Representations and Warranties**. Seller represents and warrants to Buyer on the Effective Date, which representations and warranties shall be deemed to be remade as of the Closing and shall survive the Closing for a period of one (1) year, as follows:

(a) Seller is authorized to enter into this Agreement and consummate the transaction contemplated by this Agreement, and the person signing this Agreement on behalf of the Seller has the authority to do so.

(b) After the Effective Date, Seller shall not enter into any new leases, license agreements or other contracts with respect to the Property that will survive the Closing without the prior written consent of Buyer.

**Section 12. Buyer Representations and Warranties**. Buyer represents and warrants to the Seller on the Effective Date, which representations and warranties shall be deemed to be remade as of the Closing and shall survive the Closing for a period of one (1) year, as follows:

(a) Buyer is a corporation duly organized under the laws of the State of Illinois and validly existing and in good standing under the laws of the State of Illinois with full power and authority to execute, deliver and perform this Agreement. The person signing this Agreement on behalf of Buyer has the authority to do so.

(b) All certifications and statements contained in the EDS (or EDSs) last submitted to the Seller by Buyer (and any legal entity holding an interest in Buyer) are true, accurate and complete.

(c) Buyer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under Buyer's by-laws or operating agreement, as applicable, or any agreement to which Buyer, or any party affiliated with Buyer, is a party or by which Buyer or the Property is bound.

(d) To the best of Buyer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against Buyer, or any party affiliated with Buyer, and Buyer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of Buyer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of Buyer.

**Section 13. Possession; Condition of Property at Closing**. Seller agrees to surrender possession of the Property at the Closing. Notwithstanding anything to the contrary contained in this Agreement, Seller shall have no obligation in the event of casualty or other loss or destruction to restore the Property to its prior condition.

**Section 14. Title and Survey**. Buyer acknowledges that the Seller has obtained a commitment for an owner's policy of title insurance for the Property, Commitment No. 40018089, with an effective date of July 10, 2015, issued by Greater Illinois Title Company, showing the Seller in title to the Property (the "**Initial Commitment**"). Buyer has obtained and given the Seller a copy of an updated title commitment for an owner's policy of title insurance for the Property, Commitment No. [----], with an effective date of [----] (the "**Second Commitment**"). Buyer shall be solely responsible for and shall pay all costs associated with updating the Second Commitment or obtaining a new title commitment (including all search, continuation and later-date fees), and obtaining title insurance, extended coverage or any other endorsements it deems necessary (the "**Title Policy**"). Buyer shall be responsible for obtaining any utility letters or other documents needed to obtain extended coverage. Buyer shall also be responsible for obtaining any survey it deems necessary. Buyer shall deliver to Seller a copy of any survey and of any updated or new title commitment that Buyer obtains. Buyer agrees to accept title subject to all covenants, conditions and restrictions of record and not shown of record, including, without limitation, (a) all exceptions disclosed in the Initial Commitment, the Second Commitment, and any new or updated commitments, and (b) all matters that may be disclosed by survey; provided, however, if Buyer shall give the Seller written notice of any unacceptable exceptions, the Seller shall use reasonable efforts, but not be required to expend any funds, to obtain the waiver or release of any such exceptions. If, after using such reasonable efforts, the Seller is unable to obtain the waiver or release of any such exceptions or is unable to cause the Title Company to insure over such exceptions within ninety (90) days of notice from Buyer, the Buyer shall have the option to do one of the following: (1) accept title to the Property subject to the exceptions, without reduction in the Purchase Price; or (2) terminate this Agreement by delivery of written notice to the Seller, in which event the Seller will return the Earnest Money to the Buyer and this Agreement shall be null and void, and neither party shall have any further right, duty or obligation hereunder. If the Buyer elects not to terminate this Agreement as aforesaid, the Buyer agrees to accept title subject to all exceptions that were not waived or released.

**Section 15. Restrictions on Use.**

(a) Prior to the date that is ten (10) years following the Closing Date (the "**Restriction Period**"), the Buyer shall use and maintain the Property for a use related to the Buyer's school, unless an alternative use is approved in writing in the sole discretion of the Commissioner of the Department. This covenant shall terminate upon the expiration of the Restriction Period, unless terminated in writing at an earlier date in the sole discretion of the Commissioner of the Department.

(b) If Buyer violates the use restrictions in Section 17(a) above, the Seller shall deliver written notice of such default, after which the Buyer shall have a 45-day cure period to remedy such default. If the default is not capable of being cured within the 45-day period, then provided the Buyer has commenced to cure the default and is diligently proceeding to cure the default within the 45-day period, and thereafter diligently prosecutes such cure through to completion, then the 45-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the Seller may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, the right to buy back the Property at Ninety percent (90%) of the Purchase Price. The Buyer shall pay Seller's legal fees incurred in enforcing Buyer's obligations under this Section 15.

**Section 16. Development on the Property.**

(a) During the Restriction Period, the Buyer must deliver written notice to the City if Buyer intends to redevelop the Property and remove or improve any portion of the existing surface parking lot (the "**Project**"). Prior to the delivery of such notice and compliance with the conditions in this Section 16, the Buyer may not use the Property for anything other than a surface parking lot.

(b) Buyer shall provide DFFM with all applicable drawings, constructions plans, and environmental testing reports to demonstrate that the Property is suitable for the Project. DFFM shall have the right to review, modify, and approve any plans, including engineered barriers, planting beds, and imported fill soil, before construction of the Project. If, in the opinion of DFFM, an environmental condition exists on the Property that requires environmental remediation, including any exceedance of Illinois Environmental Protection Agency's ("**IEPA**") Tiered Approach to Corrective Action Objectives ("**TACO**") Tier 1 residential criteria, then the Buyer shall enroll the Property into the IEPA Site Remediation Program ("**SRP**") and take all necessary and proper steps to obtain a draft comprehensive residential No Further Remediation Letter ("**Draft Residential NFR Letter**").

(c) After DFFM approves the Draft Residential NFR Letter, the Buyer covenants and agrees to complete all investigation, removal, response, disposal, remediation and other activities ("**Remediation Work**") necessary to obtain (as applicable) a final comprehensive No Further Remediation Letter from the IEPA approving the use of the Property for residential use, based on the Draft Residential NFR Letter ("**Final Residential NFR Letter**"). The Final Residential NFR

Letter may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA. DFFM shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the Comprehensive Site Investigation and Remediation Objectives Report, the Remedial Action Plan, and the Remedial Action Completion Report (collectively, the "**SRP Documents**"), the Draft Residential NFR Letter and the Final Residential NFR Letter and any changes thereto.

(d) The Buyer shall cooperate and consult with the Seller at all relevant times (and in all cases upon the Seller's request) with respect to environmental matters. The Buyer shall promptly transmit to the Seller copies of all final environmental studies, reports, field data, correspondence with any environmental agency and similar documents prepared by or for the Buyer (or otherwise obtained by the Buyer) regarding the environmental condition of the Property, prepared or received after the date hereof, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Remediation Work.

(e) The Buyer shall bear sole responsibility for all costs of the Remediation Work necessary to obtain the Final Residential NFR Letter, and the costs of any other investigative and cleanup costs associated with the Property.

(f) All construction on the Property shall be in accordance with all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, the requirements of the Environmental Protection Act 415 ILCS 5/58.16 regarding the construction of schools.

(g) The Buyer shall complete the Project in accordance with the drawings and construction plans approved by DFFM. Upon the completion of the Project, which includes completion of the environmental requirements in this Section 16, the Buyer shall request from the Seller a Certificate of Compliance (the "**Certificate of Compliance**"). Within forty-five (45) days thereof, the Seller shall provide the Buyer with either the Certificate of Compliance or a written statement indicating in adequate detail how the Buyer has failed to complete the Project in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole reasonable opinion of DFFM, for the Buyer to take or perform in order to obtain the Certificate of Compliance. The Certificate of Compliance shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of this covenant with respect to the Buyer's obligation to complete the Remediation Work.

(h) If Buyer fails to deliver notice of the Project to the City pursuant to Section 16(a) above, complete the Remediation Work, or obtain a Certificate of Compliance in connection with development of the Project, the Seller shall deliver written notice of such default, after which the Buyer shall have a 45-day cure period to remedy such default. If the default is not capable of being cured within the 45-day period, then provided the Buyer has commenced to

cure the default and is diligently proceeding to cure the default within the 45-day period, and thereafter diligently prosecutes such cure through to completion, then the 45-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the Seller may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, the right to buy back the Property at Ninety percent (90%) of the Purchase Price, or extending the Restriction Period with respect to the Restriction on Transfer in Section 17 below. The Buyer shall pay Seller's legal fees incurred in enforcing Buyer's obligations under this Section 16.

(i) If the Restriction Period expires and the Buyer has not redeveloped the Property, the use of the Property shall remain restricted to a surface parking lot until the Buyer enrolls the site in the SRP and completes all investigation, removal, response, disposal, remediation and other activities necessary to obtain (as applicable) a final comprehensive No Further Remediation Letter from the IEPA approving the use of the Property for residential use.

**Section 17. Restriction on Transfer.**

(a) Prior to the expiration of the Restriction Period, the Buyer shall not directly or indirectly sell, transfer or otherwise dispose of the Property or any part thereof or any interest therein, or the Buyer's controlling interests therein, without the prior written consent of the Seller, which consent shall be in the Seller's sole and absolute discretion. This covenant shall terminate upon the expiration of the Restriction Period, unless terminated in writing at an earlier date in the sole discretion of the Commissioner of the Department.

(b) If the Buyer does directly or indirectly sell, transfer or otherwise dispose of the Property during the Restriction Period, the following terms will apply:

(i) "**Buyer Costs**" means all costs and expenses incurred by Buyer in connection with acquiring the Property and developing the Project, limited to professional fees (such as architectural, engineering, environmental and legal), title fees, development expenses, permit fees, financing and equity costs, interest expense, carry costs, insurance, property maintenance costs and property taxes, land acquisition costs and expenses (including the Purchase Price), hard and soft construction costs, environmental remediation costs and expenses and building commissioning costs.

(ii) "**Gross Resale Price**" means the gross price at which the Buyer offers to sell and a purchaser agrees to pay to purchase all or a portion of the Property, or the appraised market value of the Property, whichever is greater, without any set-offs or credits.

(iii) "**Proposed Property Sale**" means the Buyer's sale of all or a portion of the Property (i.e., the land, the air rights or both the land and air rights).

(iv) In the event of a Proposed Property Sale on or prior to the date that is five (5) years following the Closing Date, the following terms shall apply: If the Gross Resale Price is greater than the Buyer Costs, then the Buyer shall pay to the Seller, immediately following Buyer's sale of the Property, an amount equal to ninety percent (90%) of the difference between the Gross Resale Price and the Buyer Costs.

(v) In the event of a Proposed Property Sale on or between five (5) years and one (1) day following the Closing Date and the end of the Restriction Period, the following terms shall apply: If the Gross Resale Price is greater than the Buyer Costs, then the Buyer shall pay to the Seller, immediately following Buyer's sale of the Property, an amount equal to fifty percent (50%) of the difference between the Gross Resale Price and the Buyer Costs.

(vi) In the event of a Proposed Property Sale, Buyer shall provide the Seller copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the Seller may reasonably request. The proposed buyer must be qualified to do business with the City (including but not limited to anti-scofflaw requirement).

**Section 18. Covenants Running with the Land**. The parties agree, and the Deed shall so expressly provide, that the covenants provided in Sections 15, 16 and 17 will be covenants running with the land, binding on the Buyer and its successors and assigns to the fullest extent permitted by law and equity for the benefit and in favor of the Seller, and shall be enforceable by the Seller.

**Section 19. Brokerage Commissions**. Seller and Buyer represent and warrant to each other that, other than to CBRE, Inc., there are no real estate sales or brokerage commissions or like commissions that are or may be due in connection with this transaction. The fees of CBRE, Inc. shall be paid by Seller pursuant to a separate agreement. Each party shall indemnify, defend (with legal counsel reasonably acceptable to the other party) and hold harmless the other party for, from and against any claims by third parties made by or through the acts of such party, for real estate or brokerage commissions, or a finder's fee, in connection with the transactions provided herein, and all costs and expenses incurred by the other party in connection therewith including, but not limited to, reasonable attorneys' fees.

**Section 20. Days and Time**. Any reference in this Agreement to a "day" or "days" shall mean a calendar day or days, and not a business day or days, unless the provision expressly refers to a "business" day or day. In the event that a day or date or the last day of a period provided for or referred to in this Agreement shall fall on a Saturday, Sunday or legal holiday in the City of Chicago, then such day or date or the last day of such period shall be automatically extended to the next day which is not a Saturday, Sunday or legal holiday in the City of Chicago. If the term "business day" is used in this Agreement, such term means any day which is not a weekend or legal holiday in the City of Chicago.

**Section 21.** **Time of Essence**. Time is of the essence of this Agreement and of each and every provision hereof.

**Section 22.** **Notices**. All notices and other communications provided for in this Agreement ("**Notices**") shall be in writing. A Notice may be given by a party to this Agreement or by a party's attorney. The "**Notice Addresses**" of the parties for purposes of this Agreement are the respective addresses set forth on the signature page of this Agreement. A Notice to a party shall be effective when delivered during normal business hours to such party's Notice Address by any means, including, without limitation, personal delivery by the party giving the Notice, delivery by United States regular, certified or registered mail, delivery by a commercial courier or delivery service or delivery by facsimile or other electronic transmission. If delivery of a Notice is refused, it shall be deemed to have been delivered at the time of such refusal of delivery. The party giving a Notice shall have the burden of establishing the fact and date of delivery or refusal of delivery of a Notice.

**Section 23.** **Entire Agreement; No Reliance**. This Agreement sets forth the entire agreement of the parties and supersedes all prior agreements and understandings of the parties. Each party acknowledges that it is executing this Agreement without relying on any statements, representations or warranties, either oral or written, that are not expressly set forth herein.

**Section 24.** **Assignability**. Buyer may not assign its rights under this Agreement without the consent of Seller, which consent may be given or withheld by Seller in its sole discretion.

**Section 25.** **Severability**. In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

**Section 26.** **Modifications and Amendments**. This Agreement may be modified or amended only by a written instrument signed by the party sought to be bound by such modification or amendment.

**Section 27.** **Counterparts; Electronic Signatures**. This Agreement and any modification or amendment to this Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same document. Receipt of an executed signature page to this Agreement or any modification or amendment of this Agreement by facsimile or other electronic transmission shall constitute effective delivery thereof.

**Section 28.** **Governing Law**. This Agreement shall be governed by the law of the State of Illinois, without regard to its choice of law principles.

**Section 29.** **City's Representatives Not Individually Liable**. No agent, official or employee of the City shall be personally liable to Buyer, or any successor in interest to Buyer, in the event of any default or breach by the City under the terms of this Agreement.

**Section 30.** **Conflict of Interest**. Buyer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in Buyer, this Agreement, the Property or the intended use of the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested.

**3.9 VARIOUS RIGHTS, CUMULATIVE, ETC.**

The Lessee agrees that the various rights and remedies of the Lessor contained in this Lease shall be construed as cumulative, and no one of them as exclusive of the other or exclusive of any rights or remedies allowed by law, and that the right given in this Lease to the Lessor to collect any monies or payments due under the terms of this Lease by any proceedings under this Lease or the right herein given the Lessor to enforce any of the terms and provisions of this Lease, shall not in any way affect the right of the Lessor to declare this Lease terminated and the term hereby created ended, as herein provided, upon the default of the Lessee, or failure of the Lessee to perform

**4.05 FAILURE OF LESSEE TO INSURE IMPROVEMENTS**

In the event the Lessee should at any time neglect, fail or refuse to insure or to keep insured the buildings and other improvements on said Demised Premises as above provided, then the Lessor at its election may procure or renew such insurance and the amount paid therefor shall be repaid by the Lessee to the Lessor with the rents next thereafter falling due under this Lease, together with interest thereon at the rate of two percent (2%) in excess of the prime rate charged by the principal bank in Chicago, Illinois, to its commercial borrowers as determined on the first date of a delinquency from the respective dates of any such payments.

**10.05 INDEMNIFICATION (ENVIRONMENTAL)**

A. In consideration of the execution and delivery of this Lease Agreement, the Lessee indemnifies, exonerates, and holds the Lessor and its Lessor Indemnitees free and harmless from and against any and all actions, causes of action, suits, losses, costs, liabilities and damages and expenses incurred in connection with any of these, including reasonable attorney's fees, costs and disbursements, incurred by the Lessor Indemnitees as a result of or arising out of or relating to (i) the imposition of any governmental lien for the recovery of environmental cleanup costs expended by reason of Lessee's activities, or (ii) any investigation, litigation, or proceeding related to any environmental response, audit, compliance, or other matter relating to the protection of the environment, or (iii) the release or threatened release by Lessee of any Hazardous Materials, or the presence of Hazardous Materials on or under the Demised Premises caused by the Lessee, or any property to which the Lessee has sent Hazardous Materials, (including any losses, liabilities, damages, injuries, costs, expenses, or claims asserted or arising under any Environmental Law), regardless of whether caused by or within the control of the Lessee, provided that, to the extent Lessor is strictly liable under any Environmental Laws, Lessee's obligation to Lessor under this indemnity shall be without regard to fault on the part of the Lessee with respect to the violation of law which results in liability to Lessor.

B. Lessee shall defend, indemnify, save and keep harmless the Lessor Indemnitees against any loss, damage, cost, lien or expense which they may suffer, incur or sustain or for which it may become liable, growing out of any injury to or death of persons or loss or damage to property which shall at any time during the term of this Lease be caused by or resulting from the migration of Hazardous Materials from the Demised Premises to adjacent properties caused by Lessee. In case any action, suit, proceeding or investigation shall be commenced against one or more of the Lessor Indemnitees growing out of any such loss, damage, cost or expense, the Lessee shall give immediate written notice of the same to the Lessor, and Lessee shall attend to the defense of the same and save and keep harmless the Indemnified Parties from all expense, attorney's fees, costs, disbursements and liabilities in any manner growing out of, pertaining to or connected therewith.

**10.06 ENVIRONMENTAL COVENANTS**

Lessee agrees to and covenants as follows:

A. Lessee covenants and agrees that, throughout the term of the Lease, all Hazardous Materials which may be used by any person for any purpose upon the Demised Premises shall be used or stored thereon only in a safe, approved manner, in accordance with all generally accepted industrial standards and all Environmental Laws.

B. Within 60 days after execution of the Lease, the Lessee shall prepare and submit a general statement to Lessor of its operations and maintenance program for any activities conducted on Demised Premises, describing its layout, process, method of inspections, reporting procedure, and maintenance of equipment, which shall be updated annually and submitted to Lessor on the anniversary date of the execution of the Lease.

C. Lessee agrees to conduct daily monitoring and to maintain a daily log book to ensure compliance with all Environmental Laws which may be inspected by Lessor at its option.

D. The Lessee shall notify Lessor in writing of any proposed significant renovation or improvement on or to the Demised Premises, which notice shall include any drawings, plans and specifications thereof, at least 30 days prior to beginning construction of any such renovation or improvement. For purposes of this subsection (D), renovation shall be deemed significant when the total cost exceeds $10,000.00.

E. The aforesaid representations and warranties shall survive the expiration or termination of the Lease.

**10.07 COVENANTS (ENVIRONMENTAL)**

Lessee shall cause the District, contractors, subcontractors, employees and agents to:

A. (1) Use and operate all of the Demised Premises in compliance with all applicable Environmental Laws, keep all material permits, approvals, certificates, and licenses in effect and remain in material compliance with them;

(2) Undertake reasonable and cost-effective measures to minimize any immediate environmental impact of any spill or leak of any Hazardous Materials;

B. Notify Lessor by telephone within two hours of the release of Hazardous Materials, including the extent to which the identity of the Hazardous Materials is known, the quantity thereof and the cause(s) of the release, and provide Lessor within 72 hours of the event, with copies of all written notices by Lessee that are reported to government regulators or received from the government regulators.

C. Provide such information that Lessor may reasonably request from time to time to determine compliance by the Lessee with this Article.

D. Lessee covenants and agrees to cooperate with Lessor in any inspection, assessment, monitoring or remediation instituted by Lessor during the Lease term and to allow prospective tenants or purchasers reasonable access to the Demised Premises one year prior to the expiration of the Lease.

**10.08 COMPLIANCE (ENVIRONMENTAL)**

The Lessee will exercise due diligence to comply with all applicable treaties, laws, rules, regulations, and orders of any government authority.

A. Capacitators, transformers, or other environmentally sensitive installations or improvements shall be removed at the end of the Lease at Lessor's election.

B. Lessor shall have the right, but is not required to cause an independent environmental consultant, chosen by the Lessor at its sole discretion, to inspect, assess and test the Demised Premises for the existence of any and all environmental conditions and any and all violations of Environmental Laws (Environmental Assessment). The scope, sequence and timing of the Environmental Assessment shall be at the sole discretion of Lessor.

C. If any Environmental Assessment reveals, or Lessor otherwise becomes aware of, the existence of any violation of any Environmental Laws caused by Lessee that either Lessee is unwilling to remediate or that Lessor is unwilling to accept, Lessee shall be in default under this Lease and Lessor shall have the right and option to terminate this Agreement and to declare it null and void.

D. Not less than one (1) year prior to the expiration of the Lease, Lessee shall have caused to be prepared and submitted to the Lessor a written report of a site assessment in scope, form and substance, and prepared by an independent, competent and qualified professional and engineer, registered in the State of Illinois, satisfactory to the Lessor, and dated not more than eighteen (18) months prior to the expiration of the Lease, showing that:

(1) The Demised Premises and any improvements thereon do not materially deviate from any requirements of the Environmental Laws, including any licenses, permits or certificates required thereunder;

(2) The Demised Premises property and any improvements thereon do not contain: (i) asbestos in any form; (ii) urea formaldehyde; (iii) items, articles, containers, or equipment

which contain fluid containing polychlorinated biphenyls (PCBs); or (iv) underground storage tanks which do not comply with Environmental Laws;

(3) The engineer has identified, and then describes, any Hazardous Materials utilized or maintained on the Demised Premises, the exposure to which is prohibited, limited, or regulated by any Environmental Laws;

(4) If any Hazardous Materials were utilized and maintained on the Demised Premises, the engineer has conducted and submitted a Phase II Environmental Assessment of the Demised Premises, which documents that the Demised Premises and improvements are free of contamination by Hazardous Materials;

(5) The engineer has identified and then describes, the subject matter of any past, existing, or threatened investigation, inquiry, or proceeding concerning environmental matters by any federal, state, county, regional or local authority, (the "Authorities"), and describes any submission by Lessee concerning said environmental matter which it intends to give, has been given or should be given with regard to the Demised Premises to the Authorities; and

(6) The engineer includes copies of the submissions made pursuant to the requirements of Title III of the Superfund Amendments and Reauthorization Act of 1986, (SARA) Section 11001 et seq. of Title 42 of the United States Code.

E. In the event Lessee should receive a Notice of Environmental Problem, Lessee shall promptly provide a copy to the Lessor, and in no event later than seventy-two (72) hours from Lessee's receipt or submission thereof. "Notice of Environmental Problem" shall mean any notice, letter, citation, order, warning, complaint, inquiry, claim, or demand that: (i) the Lessee has violated, or is about to violate, any Environmental Laws; (ii) there has been a release, or there is a threat of release, of Hazardous Materials, on the Demised Premises, or any improvements thereon; (iii) the Lessee will be liable, in whole or in part, for the costs of cleaning up, remediating, removing, or responding to a release of Hazardous Materials; or (iv) any part of the Demised Premises or any improvements thereon is subject to a lien in favor of any governmental entity for any liability, costs, or damages, under any Environmental Laws, arising from or costs incurred by such government entity in response to a release of a Hazardous Material.

**10.09 INSPECTION AND RIGHT OF INSPECTION (ENVIRONMENTAL)**

A. In the event Lessee receives a Notice of Environmental Problem as defined in Paragraph 10.8, Lessee shall, within ninety (90) days, submit to Lessor a written report in scope, form and substance, and prepared by an independent, competent and qualified, professional, registered engineer, satisfactory to the Lessor, showing that the engineer made all appropriate inquiry consistent with good commercial and customary practice, such that consistent with generally accepted engineering practice and procedure, indicating whether any evidence or indication came to light which would suggest there was a release of substances on the Demised Premises which could necessitate an environmental response action, and which describes the Demised Premises compliance with, or lack thereof, and with all applicable Environmental Laws or certificates required thereunder, and the Lessee's compliance with the representations and warranties previously set forth in this Lease. After review of the written report, Lessor may require Lessee to submit a written Phase II Environmental Assessment pursuant to provisions set forth in paragraph 10.09A.

B. Lessor hereby expressly reserves to itself, its agents, attorneys, employees, consultants, and contractors, an irrevocable license and authorization to enter upon and inspect the Leased Premises and improvements thereon, and perform such tests, including without limitation, subsurface testing, soils, and groundwater testing, and other tests which may physically invade the Demised Premises or improvements thereon, as the Lessor, in its sole discretion, determines is necessary to protect its interests.

**ARTICLE ELEVEN**

11.01 The Lessee agrees and understands that prior to the commencement of any new construction work, the Lessee must submit for the Lessor's Facility Connection Authorization review and approval its final construction plans and no work shall commence until said plans have been approved, by the Lessor in writing, and said plans shall be subject to any modifications, terms, and conditions required by the Lessor. Plans are not required by the Lessee to perform emergency repairs, routine minor repairs such as preventive maintenance repairs and repairs which are necessary for the safe condition and operation of the proposed suspended aerial bridge and for the recreation premises.

11.02 The Lessee agrees and understands that the Lessor has two intercepting sewers that run under the Addison Street (the Addison Street Siphon & Northside 8) and that the Lessee must submit its proposed plans for the Lessor's review and approval, pursuant to the Lessor's Facility Connection Authorization, prior to the

construction of the new trail segment beneath the bridge to assure that the proposed work does not impact on the Lessor's facilities and infrastructure at the subject location.

11.03 Lessee agrees and understand that on June 20, 2013, the Lessor and the Chicago Park District entered into a non-exclusive "50-YEAR ECOSYSTEM RESTORATION EASEMENT" as required for the construction, operation and maintenance of the Horner Park Section 206 Ecosystem Restoration Project and that the easement premises are adjacent to the leasehold premises and the right-of-way granted under this Lease Agreement. Any construction activities undertaken under the terms of this Lease should not disturb and/or interfere with the construction, operation and maintenance of the afore-referenced ecosystem restoration project, including but not limited to the reshaping of the riverbank, excavation of material and planting of native vegetation.

11.04 Lessee understand and agrees that it its sole responsibility to post on all the segment of the Lessor's land and water at the subject location, including the portion of the land or water which are not as part of the leasehold and right-of-way premises, any and all warning and emergency signs required by the law for the protection of the public.

11.05 The Lessee agrees and understands that prior to entering upon the leasehold premises and using the same for the purposes for which this Lease is granted, shall, at Lessee's sole cost and expense, obtain all permits, consents and licenses which may be required under any and all statutes, laws, ordinances and regulations of the United States of America, the State of Illinois, the county, and municipalities.

11.06 Within thirty (30) days from the effective date of this Lease, Lessee shall record this Lease Agreement with the Recorder of Deeds of the county in which the Leasehold Premises are situated and submit to the District evidence of such recordation within 30 days thereafter.

11.07 Unless otherwise provided herein, Lessee shall procure, at its own expense, a survey and legal description of the Leasehold Premises prepared and certified in writing by a Registered Illinois Land Surveyor, within one-hundred and twenty (120) days of the execution date hereof. Said survey and legal description shall be reasonably satisfactory to and approved by the Lessor's Director of Engineering in writing. Failure to timely procure and receive approval of said survey and legal description shall be grounds for immediate termination of this Lease. The Lessor reserves the right and Lessee concurs that Lessor shall insert said survey and legal description into this Lease Agreement as Exhibits A and B respectively.

11.08 All provisions of this Lease Agreement, including the benefits and burdens, shall run with the land.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. On behalf of the City of Chicago, as landlord, the Commissioner of the Department of Fleet and Facility Management is authorized to execute a lease amendment with Erie Family Health Center, Inc., as tenant, to permit an extension of the term through December 31, 2026 and the expansion of the leased premises from approximately 15,943 to 16,272 square feet for the property located at 2418 West Division Street; such lease amendment to be approved by the Commissioner of the Department of Public Health and approved as to form and legality by the Corporation Counsel in substantially the following form:

[Second Amendment to Lease Agreement immediately follows Section 2 of this ordinance.]

SECTION 2. This ordinance shall be effective from and after the date of its passage and approval.

Second Amendment to Lease Agreement referred to in this ordinance reads as follows:

*Second Amendment To Lease Agreement*
*With Erie Family Health Center, Inc.*

This Second Amendment to Lease (the "Second Amendment") is made and effective as of 2016 (the "Commencement Date") by and between City of Chicago, a municipal corporation and home rule unit of government (the "City" or "Landlord") and Erie Family Health Center, Inc., an Illinois not-for-profit corporation ("Tenant").

*Recitals.*

Whereas, On July 1, 2012, Landlord and Tenant executed Lease Number 20253 (the "Lease") governing Tenant's use of approximately 11,310 square feet of office and clinical space (the "Original Premises") located in the West Town Neighborhood Health Center at 2418 West Division Street, Chicago, Illinois for a Term through July 1, 2019; and

Whereas, On October 1, 2015, Landlord and Tenant executed the First Amendment to the Lease (the "First Amendment") which expanded the Original Premises to include an additional 4,633 square feet of space (the Original Premises and the expanded premises together, the "First Amended Premises"); and

Whereas, Tenant uses the First Amended Premises to provide health services consistent with Tenant's not-for-profit purposes and so as to lessen the burdens of government by providing such health care services; and

Whereas, Tenant has received a federal grant from the Health Resources and Service Administration (the "HRSA") to fund improvements to Tenant's clinic at 2418 West Division Street; and

Whereas, As part of the HRSA grant process, Landlord and Tenant wish to amend the Lease to expand the First Amended Premises, extend the Term of the Lease, and include certain provisions required by the HRSA.

Now, Therefore, In consideration of the above recitals, and mutual promises, covenants, rights and obligations herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Landlord and Tenant mutually agree as follows:

1. Recitals And Terms Of Art. The foregoing recitals are hereby incorporated into and made a part of this Second Amendment by this reference. All capitalized terms in this Second Amendment shall have the same meaning ascribed thereto in the Lease, unless otherwise provided herein.

2. Expansion Of First Amended Premises. The First Amended Premises are hereby expanded to include an additional 329 square feet of space (the "Expansion Premises"), which is adjacent to the First Amended Premises, as depicted on Exhibit A attached hereto. Tenant's total leasehold at 2418 West Division Street, including the First Amended Premises and the Expansion Premises, shall be 16,272 square feet (the "Revised Premises").

3. Condition Of Expansion Premises. Tenant shall accept the Expansion Premises in as-is condition without any improvements to be undertaken by the Landlord.

4. Use Of Expansion Premises. Tenant shall use the Expansion Premises only as clinical and office space for the delivery of health services consistent with Tenant's not-for-profit mission.

5. Term. The Term of the Lease is extended to December 31, 2026.

6. Alterations, Additions, And Improvements. Tenant has received HRSA grant funding to undertake certain alterations, addition, and improvements within the Revised Premises. Landlord acknowledges that such alterations, additions, and improvements are critical for Tenant's services. Tenant may make such alterations, additions, and improvements within the Revised Premises. Any such alterations, additions, and improvements shall be in full compliance with all applicable laws, permit requirements, and building codes. Tenant must obtain the prior written consent of the Commissioner of the Department of Fleet and Facility Management before commencing any alterations, additions, or improvements.

Landlord shall not unreasonably withhold, delay, or condition such consent. Any permanent alterations, additions and improvements to the Revised Premises shall be without cost to Landlord and shall become property of Landlord at termination of the Lease without offset or other credit to Tenant.

7. Proportionate Use. Tenant's Proportionate Use of the Building shall be increased to 74.49%. This Proportionate Use is based on the square footage of the Revised Premises (16,272) divided by the total square footage of 2418 West Division Street (21,846).

8. Operating Costs. Tenant's obligations for Operating Costs are revised as follows:

   a. Beginning on January 1, 2017, Tenant shall pay Landlord the amount of Six Thousand One Hundred Twenty-three and 04/100 Dollars ($6,123.04) per month in Operating Costs for use of the Revised Premises. This is based on Tenant's Proportionate Use of the actual 2015 Operating Costs for the Building, which is further detailed in Exhibit B attached hereto.

   b. Each subsequent year of the Term, the Operating Costs will increase by three percent (3%).

   c. Annual accounting adjustments will no longer be conducted.

   d. The revised schedule of Operating Costs is further detailed in Exhibit B.

9. Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month beginning on January 1, 2027, and Tenant will pay a ten percent (10%) increase in monthly Operating Costs. During such holding over all other provisions of the Lease shall remain in full force and effect.

10. Assignment. Tenant is prohibited from assigning the Lease or subleasing the Revised Premises.

11. Notice. Landlord will notify HRSA, at the address below, of any Tenant default under the provisions of the Lease:

    [HRSA notice address]

12. Opportunity To Cure. HRSA will have sixty (60) days to cure any default on the part of Tenant, and the Landlord will not exercise any remedies until after the 60 day cure period. HRSA may intervene on behalf of Tenant, or another recipient named by HRSA, to ensure the default is cured. Landlord shall accept performance, including payment, from HRSA's designee for Tenant as if such performance had been made by Tenant.

13. Replacement Of Tenant. HRSA shall have the right to designate a replacement for Tenant, subject to approval of the City Council of the City of Chicago, for the balance of the Term in the event of Tenant's default, termination of the HRSA grant, or vacation of the Revised Premises by Tenant.

14. Recording Of Lease. Landlord agrees to the recording of the Lease, including any amendments, in the land records of the jurisdiction where the property is situated.

15. Federal Interest. Landlord acknowledges there will be a federal interest in the Revised Premises as a result of the proposed improvements and Landlord agrees to the recording of a Notice of Federal Interest in the Revised Premises in the form attached hereto as Exhibit C.

16. Incorporation Into Lease Number 20253. This Second Amendment shall be incorporated into the Lease as executed by Landlord and Tenant on July 1, 2012. Unless otherwise expressly provided herein, all other provisions of the Lease shall remain in full force and effect and shall be applicable to this Second Amendment and to the Expansion Premises. Unless expressly provided herein, if there is a conflict between the terms and conditions of the Lease and the terms and conditions of the Second Amendment, the terms and conditions of this Second Amendment shall prevail.

17. Counterparts. This Second Amendment may be executed in multiple counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

In Witness Whereof, The parties have executed this Second Amendment to Lease as of the day and year first above written.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule municipality as described in Section 6(a) of Article VII of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, Recognizing its ethnic, racial and religious diversity, the City established a Welcoming City Ordinance to clarify the communications and enforcement relationship between the City and the federal government, and to establish procedures concerning immigration status and enforcement of federal civil immigration laws; and

WHEREAS, City officials have met with representatives of civic organizations to review the Welcoming City Ordinance and its impact on the community, and have collaboratively determined that certain sections of the Welcoming City Ordinance could better promote its purpose and intent; and

WHEREAS, The City determined that the assistance from a person, whether documented or not, who is a victim of, or a witness to, a crime is important to promoting the safety of all its residents; and

WHEREAS, The City found that the cooperation of its immigrant communities is essential to preventing and solving crimes, and maintaining public order, safety, and security in the entire City; and

WHEREAS, In order to protect and promote the health, safety and welfare of all of its residents, the City finds it appropriate to amend the Welcoming City Ordinance; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The foregoing recitals are adopted and are incorporated into and made a part of this ordinance.

SECTION 2. Section 2-173-005 of the Municipal Code of Chicago is hereby amended by inserting the underscored text, as follows:

2-173-005 Purpose And Intent.

The vitality of the City of Chicago (the "City"), one of the most ethnically, racially and religiously diverse cities in the world, where one-out-of-five of the City's residents is an immigrant, has been built on the strength of its immigrant communities. The City Council finds that the cooperation of all persons, both documented citizens and those without documentation status, is essential to achieve the City's goals of protecting life and property, preventing crime and resolving problems. The City Council further finds that assistance from a person, whether documented or not, who is a victim of, or a witness to, a crime is important to promoting the safety of all its residents. The cooperation of the City's immigrant communities is essential to prevent and solve crimes and maintain public order, safety and security in the entire City. Furthermore, immigrant community members, whether documented citizens or not, should be treated with respect and

dignity by all City employees and should not be subjected to physical abuse, threats or intimidation. One of the City's most important goals is to enhance the City's relationship with the immigrant communities.

Due to the City's limited resources; the complexity of immigration laws; the clear need to foster the trust of and cooperation from the public, including members of the immigrant communities; and to effectuate the City's goals, the City Council finds that there is a need to clarify the communications and enforcement relationship between the City and the federal government and to clarify what specific conduct by City employees is prohibited because such conduct significantly harms the City's relationship with immigrant communities. The purpose of this chapter is to establish the City's procedures concerning immigration status and enforcement of federal civil immigration laws and to identify conduct that City employees may not engage in when interacting with community members.

SECTION 3. Section 2-173-010 of the Municipal Code of Chicago is hereby amended by deleting the struck-through text and inserting the underscored text, as follows:

Agreement, constitutes the complete and exclusive statement of the terms and conditions of the Agreement between CMAP and the GOVERNMENTAL BODY and it supersedes all prior representations, understandings and communications. The invalidity in whole or in part of any term or condition of this Agreement shall not affect the validity of other terms or conditions.

b. CMAP's failure to insist in any one or more instances upon the performance of any terms or conditions of this Agreement shall not be construed as a waiver or relinquishment of CMAP's right to such performance by the GOVERNMENTAL BODY or to future performance of such terms or conditions and GOVERNMENTAL BODY's obligation in respect thereto shall continue in full force and effect. The GOVERNMENTAL BODY shall be responsible for having taken steps reasonably necessary to ascertain the nature and location of the work, and the general and local conditions that can affect the work or the cost thereof. Any failure by the GOVERNMENTAL BODY to do so will not relieve it from responsibility for successfully performing the work without additional expense to CMAP.

c. CMAP and the GOVERNMENTAL BODY assume no responsibility for any understanding or representations made by any of its officers, employees or agents prior to the execution of this Agreement, unless such understanding or representations by CMAP are expressly stated in this Agreement.

d. Changes: CMAP and the GOVERNMENTAL BODY may from time to time order work suspension or make any change in the general scope of this Agreement including, but not limited to changes, as applicable, in the drawings, specifications, delivery schedules or any other particular of the description, statement of work or provisions of this Agreement. If any such change causes an increase or decrease in the cost or time required for performance of any part of the work under this Agreement, the GOVERNMENTAL BODY shall promptly notify CMAP thereof and assert its claim for adjustment within thirty (30) days after the change is ordered. A written amendment will be prepared for Agreement between CMAP and the GOVERNMENTAL BODY for changes in scope, time and/or costs. No amendments are effective until there is a written Agreement that has been signed by both parties. No claim by the GOVERNMENTAL BODY for equitable adjustment hereunder shall be allowed if asserted after final payment under this Agreement.

e. Changes to any portion of this Agreement shall not be binding upon CMAP and the GOVERNMENTAL BODY except when specifically confirmed in writing by an authorized representative of CMAP and the GOVERNMENTAL BODY.

f. For its convenience, CMAP reserves the right to extend the Term of this agreement. Any changes to the Term of this Agreement shall not be binding until specifically confirmed in writing by authorized representatives of both parties.

2. **Compliance/Governing Law.** The terms of this Agreement shall be construed in accordance with the laws of the State of Illinois. Any obligations and services performed under this Agreement shall be performed in compliance with all applicable state and federal laws.

3. **Availability of Appropriation (30 ILCS 500/20-60).** This Agreement is contingent upon and subject to the availability of funds. CMAP, at its sole option, may terminate or suspend this Agreement, in whole or in part, without penalty or further payment being required, if the Illinois General Assembly, the state funding source, or the federal funding source fails to make an appropriation sufficient to pay such obligation, or if funds needed are insufficient for any reason. The GOVERNMENTAL BODY will be notified in writing of the failure of appropriation or of a reduction or decrease.

4. **Allowable Charges.** No expenditures or charges shall be included in the cost of the Project and no part of the money paid to CMAP shall be used for expenditures or charges that are: (i) contrary to provisions of this Agreement or the latest budget approved by a duly-authorized official of CMAP and the GOVERNMENTAL BODY; (ii) not directly for carrying out the Project; (iii) of a regular and continuing nature, except that of salaries and wages of appointed principal executives of CMAP who have not been appointed specifically for the purposes of directing the Project, who devote official time directly to the Project under specific assignments, and respecting whom adequate records of the time devoted to and services performed for the Project are maintained by CMAP may be considered as proper costs of the Project to the extent of the time thus devoted and recorded if they are otherwise in accordance with the

provisions hereof; or (iv) incurred without the consent of CMAP after written notice of the suspension or termination of any or all of CMAP's obligations under this Agreement.

5. **Audits.** The records and supportive documentation for all completed projects are subject to an on-site audit by CMAP and the GOVERNMENTAL BODY. CMAP and the GOVERNMENTAL BODY reserve the right to inspect and review, during normal working hours, the work papers of the independent auditor in support of their audit report.

6. **Access to Records.** CMAP and the GOVERNMENTAL BODY shall maintain, for a minimum of **three years** after the completion of the Agreement, adequate books, records and supporting documents related to the Agreement which shall be made available for review upon request. Failure to maintain the books, records and supporting documents required by this Section shall establish a presumption in favor of CMAP for the recovery of any funds paid by CMAP under the Agreement for which adequate books, records and supporting documentation are not available to support their purported disbursement. In addition:

   (1) If any litigation, claim or audit is started before the expiration of three-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.

   (2) Records for nonexpendable property acquired with federal funds shall be retained for three (3) years after its final disposition.

   The GOVERNMENTAL BODY and CMAP shall include in all subcontracts, if any, under this Agreement a provision that CMAP and the GOVERNMENTAL BODY will have full access to and the right to examine any pertinent books, documents, papers, and records of any such subcontractors involving transactions related to the subcontract for three (3) years from the final payment under that subcontract except that:

   (1) If any litigation, claim or audit is started before the expiration of the three-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.

   (3) Records for nonexpendable property acquired with federal funds shall be retained for three (3) years after its final disposition.

   The term "subcontract" as used in this clause excludes purchase orders not exceeding $2,500.

Procurement of products or services with any Agreement funds that are in excess of $100,000 will require CMAP to use the Invitation for Bid process or the Request for Proposal process. In the absence of formal codified procedures the procedures of CMAP will be used, provided that the procurement procedures conform to the provisions in Part 3 (K) below. CMAP may only procure products or services from one source with any Agreement funds if: (1) the products or services are available only from a single source; or (2) after solicitation of a number of sources, competition is determined inadequate.

   c. Records. CMAP and the GOVERNMENTAL BODY shall maintain records sufficient to detail the significant history of procurements. These records shall include, but are not necessarily

limited to: information pertinent to rationale for the method of procurement, selection of contract type, contractor selection or rejection, and basis for the cost or price.

8. **Equipment Inventory.** An inventory of non-expendable personal property having a useful life of more than two years and an acquisition cost of $500 or more is subject to periodic inspection by CMAP and the GOVERNMENTAL BODY.

9. **Method of Payment.** Project expenditures are paid directly from federal and/or state or GOVERNMENTAL BODY funds. Because CMAP is responsible for obtaining federal reimbursement for project expenditures, it is necessary that CMAP monitor all procedures and documents which will be used to claim and support project-related expenditures.

10. **Suspension.** If the GOVERNMENTAL BODY fails to comply with the special conditions and/or the general terms and conditions of this Agreement, CMAP may, after written notice to the GOVERNMENTAL BODY, suspend the Agreement, pending corrective action by the GOVERNMENTAL BODY. If corrective action has not been completed within sixty (60) calendar days after service of written notice of suspension, CMAP shall notify the GOVERNMENTAL BODY in writing that the Agreement has been terminated by reason of default in accordance with paragraph 11 hereof.

11. **Termination**.
    a. This Agreement may be terminated in whole or in part in writing by either party in the event of substantial failure (hereinafter termed "Termination by Default") by the other party to fulfill its obligations under this Agreement through no fault of the terminating party, provided that no such termination may be affected unless the other party is given (i) not less than seven (7) calendar days written notice (delivered by certified mail, return receipt requested) of intent to Termination by Default, and (ii) an opportunity for consultation with the terminating party prior to Termination by Default.

    b. This Agreement may be terminated in whole or in part in writing by CMAP for its convenience (hereinafter termed "Termination for Convenience"), provided that the GOVERNMENTAL BODY is given not less than seven (7) calendar days written notice (delivered by certified mail, return receipt requested) of intent to terminate.

    c. Upon notice of termination action pursuant to paragraphs (a) or (b) of this clause, CMAP shall (i) promptly discontinue all services affected (unless the notice directs otherwise) and (ii) deliver or otherwise make available to the GOVERNMENTAL BODY all data, drawings, specifications, reports, estimates, summaries and such other information and materials as may have been accumulated by CMAP in performing this Agreement, whether completed or in process.

12. **Remedies.** Except as may be otherwise provided in this Agreement, all claims, counterclaims, disputes and other matters in question between CMAP and the GOVERNMENTAL BODY arising out of or relating to this Agreement or the breach thereof will be decided by arbitration. If the parties hereto mutually agree, a request for remedy may be sought from a court of competent jurisdiction within the State of Illinois, County of Cook.

13. **Equal Employment Opportunity.** The GOVERNMENTAL BODY and CMAP will comply with Executive Order 11246 entitled "Equal Employment Opportunity," as amended by U.S. Department of Labor regulations (41 CFR Part 60) and the Illinois Human Rights Act or the Rules and Regulations of the Illinois Department of Human Rights. *Local Technical Assistance (LTA) Project Scope: Riverdale Multi-Modal Transportation Plan.*

**ATTACHMENT 1**
**Local Technical Assistance (LTA) Project Scope:**
**Riverdale Multi-Modal Transportation Plan**

The following is a proposed outline of steps to develop recommendations to improve multi-modal transportation in the Riverdale Community Area of Chicago as part of the Chicago Metropolitan Agency for Planning's (CMAP) Local Technical Assistance 2016 program.

## Project Background

CMAP will lead an effort with support from the City of Chicago (City), through its Department of Transportation (CDOT), to develop a multi-modal transportation plan for the Altgeld Gardens, Eden Green, Golden Gate, and Riverdale neighborhoods within the Riverdale Community Area of the City. This plan will develop recommendations for improving non-motorized access to existing transit services, recreation, and job opportunities while also implementing the Pedestrian First modal hierarchy outlined within the City's Complete Streets Design Guidelines.

These four neighborhoods face a number of unique access and connectivity challenges. The Riverdale Community Area is surrounded by physical barriers that limit connectivity to surrounding City neighborhoods and suburbs. In addition to physical barriers, the poor condition and incomplete network of sidewalks and bicycle paths make access to transit, jobs, and recreational destinations very difficult.

Truck traffic on designated truck routes create additional challenges for pedestrians and bicyclists. The lack of multi-modal transportation infrastructure is of particular concern in these neighborhoods. Approximately 50% of households do not have access to a car, 30% of residents commute to work via transit, and 10% commute via walking. An improved multi-modal transportation network will benefit commuters, reduce trip times, and reduce transportation costs for residents of the Riverdale Community Area as well as residents of the Village of Riverdale to the immediate south.

### Previous Plan Review

The plan will also build upon existing plans and initiatives, including:

- Chicago Housing Authority's Philip Murray Homes Master Plan
- Chicago Park District's Park Family Wellness Initiative
- 127th and 130th Street right-of-way design
- 119th Street Corridor Plan

### Steering Committee

CMAP recommends that this project should include a steering committee or similar oversight group comprised of representatives from community organizations in the Riverdale Community Area, the region's transportation agencies, local advocacy groups, officials from the Village of Riverdale, and representatives from relevant City departments and the 9th Ward Alderman's office.

**Deliverables**

The final deliverable of this project will be a multi-modal transportation plan that outlines bicycle, pedestrian, transit and transit access improvements that are needed within the study area to improve non-auto mobility. This plan should prioritize improvements and recommend an implementation strategy.

## Proposed Scope of Work

Expected project stages and activities are described below. Flexibility is provided to contractors in the specific format and contents of the deliverables that are produced. Contractors should clearly identify and fully describe their proposed deliverables in the proposal and should clearly tie these to the project activities described below.

1. ***Steering Committee.*** This project will include a steering committee comprised of representatives from community organizations in the Riverdale Community Area, the region's transportation agencies, local advocacy groups, officials from the Village of Riverdale, and representatives from relevant City departments and 9th Ward Alderman's office. While CDOT and CMAP will be primarily responsible for creation of the committee, contractors should propose a committee structure that will involve all of these groups in a meaningful and manageable way. Local and interagency buy-in is important in this project and contractors should expect that the steering committee will meet a minimum of six times over the course of the project.

2. ***Focused Outreach***. Contractors should include a plan for focused stakeholder engagement in their proposal. This should specify public engagement methods for neighborhood groups and community partners, the number of public events to be held during the project process, and methods of engagement. At a minimum there should be three public events scheduled during the process, including any public meetings or hearings during the adoption process. The proposal should feature a strong online presence, including a website with interactive elements, to give the public the ability to fully participate in the process without attending meetings in person. Contractors are encouraged to propose other innovative methods to reach the general public. CDOT and CMAP will suggest the appropriate neighborhood groups and organizations to engage.

3. ***Data Collection and Existing Conditions Analysis***. Contractors should describe their approach to data collection and analysis of existing conditions in the study area, including any/all datasets needed to perform this analysis.

4. ***Identification of Potential Improvements***. Contractors should describe their process to identify potential bicycle, pedestrian and transit improvements that are needed within the study area based on the analysis described above. Potential improvements could be

connections or extensions of the existing sidewalk or trail system, transit service adjustments, road diets and/or other recommendations that will improve mobility within and outside the study area.

5. ***Prioritization of Potentiol Improvements***. Contractors should provide a general description of their method to evaluate and prioritize the potential improvements. Sample criteria could include safety, access to jobs, access to public transit stations or routes, consistency with local plans, feasibility or ease of implementation, connectivity to the regional trail or transit system, cost-effectiveness, etc. Criteria may be qualitative, quantitative, or a combination of both. Contractors should discuss how they will involve the steering committee in the prioritization process and are encouraged to use innovative and interactive methods to ensure active participation and ultimate buy-in to the recommendations.

   Based on the prioritization process, a short list of near-term and mid-term improvements should be developed. The plan should specify the lead implementer for each improvement and confirm the interest of the identified agency/individual to fulfill that role. For each, contractors should provide rough cost estimates along with a potential funding sources and mechanisms. Contractors will be expected to identify which funding source is the best fit for each project and suggest the appropriate applicant if grant funds are sought. In their proposal, contractors should demonstrate familiarity with the different potential funding sources and discuss how they will match these to specific projects.

6. ***Final Study Preparation***. Contractors should describe their process for preparing the final document, which will include a list of highest-priority improvements (with lead implementers, cost estimates, and funding sources), and a series of next steps meant to implement the project.

7. ***Deliverable Review Standards***. Drafts of all deliverables should be provided to CDOT and CMAP with sufficient time for review. Formal deliverables (drafts of final products) should be provided to CDOT and CMAP at least two weeks before their release to the steering committee or the public and interim deliverables should be provided with at least one week for review. These review times should be built into the project schedule proposed by contractors.

8. ***Adoption***. The final plan should be endorsed by the steering committee through a formal vote. The plan may also be formally presented to the Chicago Plan Commission for adoption. Contractors should consider the endorsement and adoption process when developing their project schedule and scope.

9. *Implementation*. Following project completion, CMAP may, at its discretion, enter into a two-year contract with the selected contractor to assist with implementation activities. This will be small-scale assistance, totaling no more than $20,000 over the two-year period. Contractors should not include costs for implementation

## Approximate Timeline
