Addendum B

Policy on Meetings via Electronic Means

**Procedures Regarding Meetings and Conferencing via Electronic Means**

The Illinois Open Meetings Act as amended requires that all public meetings be held at specified times and places which are convenient and open to the public. It also requires that a quorum of members of a public body must be physically present at the location of an open meeting. According to the Act as amended, however, in some cases if an open meeting of a public body is held simultaneously at one of its offices, and one or more other locations in a public building, which may include other of its offices through an interactive video conference, and the public body provides public notice and public access as required under the Act for all locations, then members physically present in those locations all count towards determining a quorum. Included in the exceptions to the single open meeting location requirement are local workforce innovation areas with jurisdiction over a specific geographic area of more than 4,500 square miles [5 ILCS 120/7(d)], as long as they adopt specific procedural rules.

The Board believes it is in the best interest of its members, systems, and customers that the fullest participation and attendance in all meetings be achieved whenever possible. Furthermore, it recognizes that the use of electronic, audio or video conferencing for meeting attendance and voting requirements is permissible so long as the meeting is conducted in accordance with the Open Meetings Act. The Board in all of its regular and special, standing committee, and ad hoc committee meetings complies with and intends to comply with the provisions of the Open Meetings Act, as amended.

Therefore, the Board hereby adopts this policy, to be used when needed, to make use of the capabilities for conferencing by electronic means or any other type of audio or video conferencing for its meetings *or* any of the standing committee and ad hoc committee meetings as set forth and adopted according to the following rules as applicable:

A. All pertinent provisions of the Open Meetings Act must be complied with, including specifically the proper notice of any regular or special meeting, the proper record keeping or minutes of each meeting, the appropriate agenda preparation for each meeting, which in addition shall be posted along with the notice of the meeting; and, in particular, any use of closed sessions shall be in compliance with the provisions of the Act.

B. That sufficient security and identification procedures are employed, either at the outset of any meeting or at any time during the meeting as appropriate, to ensure that any and all members attending for discussion or voting purposes are in fact authorized members with the right to speak and vote.

C. Pursuant to the Open Meetings Act, the requirement in 5 ILCS 120/7(a) that a quorum of members of the Board must be physically present at the location of the meeting shall NOT apply because 5 ILCS 120/7(d) of the Act specifically excepts local workforce innovation areas of the specified size from such requirements, and authorizes them to permit attendance by other means in accordance with procedural rules such as those contained herein. Specifically, Board and committee members may attend by video and/or audio conferencing or by other electronic means for quorum and voting purposes in accordance with these provisions.

D. All Board and committee members attending meetings by electronic conferencing shall be entitled to vote as if they were personally and physically present at the meeting site so long as a quorum is, in total, present and accounted for, but their votes shall be recorded by the Secretary as done by electronic attendance.

E. A Board or committee member who attends a meeting by electronic, video or audio conference must provide notice to the recording Secretary at least 24 hours prior to the meeting unless such advance notice is impracticable.

F. A member may attend a Board or committee meeting through electronic/video/audio conferencing if, in the opinion of the member, his or her physical presence at the meeting is unable to be obtained or is inconvenient for any reason including, but not limited to reasons such as personal schedule or time conflicts, inclement weather, length of required travel time, the high cost of such travel, or vehicle, fuel or time involved.

G. As soon as it becomes apparent to the Secretary that a meeting will include electronic/audio/video conferencing, all subsequent notices of the meeting shall indicate that one or more members will or may be attending by such means. In the event that the notice of the meeting has already been disseminated and posted, a follow-up notice indicating the above shall be placed as soon as possible. In the event any news media have filed the annual request for notice of meetings, they shall receive an updated notice in the same manner as given to all members of the Board and its committees.

H. The meeting minutes shall include, but need not be limited to: i) the date, time and place of the meeting; ii) the members who were either present or absent from the meeting and whether those members in attendance were physically present or present by audio conference, video conference or by other electronic means; and iii) a summary of discussion on all matters proposed, deliberated, or decided, and iv) a record of any votes taken.

I. The location of the meeting included on the notice shall be equipped with a suitable transmission system (e.g., a speakerphone) in order that the public audience, the members in attendance and any staff in attendance will be able to hear any input, vote or discussion of the conference and that the member attending by electronic means shall have a similar capability of hearing and participating in such input, vote or discussion.

J. As the Board or its committees begin each new matter of business, the chair will check with all remote location(s) where members are to ensure that each such connection is active and not muted.

K. When a motion is made, and seconded, and discussion regarding the motion begins, the chair will check that the connection with remote location(s) where members are present is active and not muted. Prior to closing discussion and taking any vote, the chair will ask all remote location(s) where member(s) is(are) present whether there are any additional comments, questions, or information to be added to the discussion.

L. All decisions will be made using majority rule except when a higher vote is required.

There will be no muting of any connections with remote location(s) where members are present at any time. There will be no sidebar discussions.

M. No later than 48 hours before a scheduled meeting of the Board or its committees, each system will advise the Open Meetings Act designee regarding all of the documents that have been posted for any such meeting, and any and all locations where the documents have been posted.

N. The procedures outlined above shall also apply to each Board and its committee members.

Section 4. Regular Meetings/ Notices. A regular annual meeting of the Board shall be held as determined by the Co-Chairs of the Board. The Co-Chairs shall determine the time and location of the other regular or scheduled meetings necessary to perform the duties of the Board.

Section 7. Notice. Notice of any Special meeting of the Board shall be given at least two days prior to such meeting by written notice delivered personally or sent by mail, facsimile transmission or e-mail transmission to each Director at his or her address, facsimile number or e- mail address, as applicable, as shown by the records of the Corporation. If written notice is given personally or by mail, such notice shall be deemed to be delivered when deposited in the United States mail or delivery service in a sealed envelope so addressed, with postage or delivery charge thereon prepaid. Notice of any special meeting of the Board may be waived in writing signed by the person or persons entitled to the notice either before or after the time of the meeting. The attendance of a Director at any meeting shall constitute a waiver of notice of such meeting, except when a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board need be specified in the notice or waiver of notice of such meeting, unless specifically required by law or by these By-laws.

Section 10. Public Statements. Section 11. Authority. The authority of the Board may be exercised without a meeting if consent in writing, setting forth the action taken, is signed by all the Directors entitled to vote with respect to the subject matter thereof. Such consent shall have the same force and effect as a unanimous vote of the Board.

Section 12. Compensation. Directors shall not receive any compensation for their services as Directors; however, the Board may authorize reimbursement of reasonable expenses incurred in the performance of their duties. Nothing herein shall be construed to preclude a Director from serving the Corporation in any other capacity and receiving reasonable compensation therefor.

Any officer elected or appointed by the Board may be removed by the Board whenever in its judgment the best interests of the Corporation would be served thereby.

Section 5. Chief Executive Officer. The Chief Executive Officer shall be appointed jointly by the Mayor of the City of Chicago and the President of the Cook County Board and shall be the principal executive officer of the Corporation. Subject to the direction and control of the Board, he or she shall be in charge of the business and affairs of the Corporation; he or she shall see that the resolutions and directives of the Board are carried into effect except in those instances in which that responsibility is assigned to some other person by the Board; and, in general, he or she shall discharge all duties incident to the office of Chief Executive Officer and such other duties as may be prescribed by the Board, as appropriate, to represent the interests of the Corporation. Except in those instances in which the authority to execute is expressly delegated to another officer or agent of the Corporation or a different mode of execution is expressly prescribed by the Board or these By-laws, he or she may execute for the Corporation any contracts, deeds, mortgages, bonds, or other instruments that the Board has authorized to be executed, and he or she may accomplish such execution either individually or with the secretary or any other officer thereunto authorized by the Board, according to the requirements of the form of the instrument.

ARTICLE VII

Section 1. GENERAL. There shall be two (2) standing committees, which shall be, the Finance Committee and the Audit Committee, (collectively, the "Standing Committees"). Unless otherwise specified herein, the Co-Chairs or their designee shall appoint the members of each Standing Committee. Unless otherwise provided herein, members of the Standing Committees shall primarily be members of the Board of Directors. In addition, an individual who is not a member of the Board of Directors may be appointed to a non-standing committee if the individual possesses skills or experience that would further the objectives of the Advisory Committee.

In the case of each Standing Committee, a majority of the voting members of the committee shall constitute a quorum, and a majority vote of said quorum shall be sufficient for the transaction of all business. Unless otherwise provided herein, there shall be no quorum requirement for the Advisory Committees.

In addition, there shall be commissions, advisory bodies or special committees as the Co-Chairs shall appoint.

Section 2. FINANCE COMMITTEE. The Co-Chairs shall appoint a Finance Committee of 3 to 5 members, including the Treasurer. A majority of the members of the Finance Committee shall also be members of the Board of Directors. The Treasurer shall serve as Committee Chair. The Finance Committee will meet no less than quarterly with the Chief Executive Officer and the chief financial officer of the Corporation (the "CFO") to review the Corporation's financial position, discussing related events and matters of policy. The Committee Chair will chair all meetings and collaborate with the CFO in establishing agenda items and setting meeting direction. The Finance Committee shall report to the Board of Directors.

Section 3. AUDIT COMMITTEE. The Co-Chairs shall appoint an Audit Committee of at least three members of the Board of Directors, including the Committee Chair. Each member of the Audit Committee shall be independent and free from any material personal, familial, financial or employment relationship with the Corporation, other than as a member of the Board of Directors. No member of the Audit Committee shall receive directly or indirectly any compensation from the Corporation, including fees as a consultant or legal or financial advisor. No member of the Audit Committee shall be an employee of the Corporation or the Corporation's independent auditor.

All members of the Audit Committee shall have a basic understanding of finance and accounting and be able to read and understand fundamental financial statements or, develop such understanding and become able to read and understand fundamental financial statements within a reasonable period of time after appointment to the Audit Committee. At least one member of the Audit Committee shall have accounting or related financial management expertise.

The primary purpose of the Audit Committee is to assist the Corporation's Board of Directors in fulfilling its financial reporting oversight responsibilities. In order to fulfill this purpose, the Committee shall (1) monitor the quality and integrity of the Corporation's financial statements and accounting policies; (2) monitor the reliability and integrity of the Corporation's systems of internal accounting and financial controls; (3) monitor the Corporation's compliance with legal, ethical, and regulatory requirements; (4) recommend appointment or discharge of the

Corporation's independent auditors to the Board of Directors, and monitor the qualifications, independence and performance of the independent auditors.

The Audit Committee shall have the authority to conduct any investigation it deems in its sole discretion appropriate to fulfill its responsibilities and shall have direct access to the Corporation's independent auditors, the Corporation's chief financial officer, and any other employee, Board member or Officer of the Corporation. The Audit Committee shall have the ability to retain, at the Corporation's expense, special legal, accounting or other consultants or experts it deems necessary in the performance of its duties.

The Audit Committee shall oversee the Corporation's annual independent audit, shall meet annually with the Corporation's independent auditors to review their audit report and shall report the Audit Committee's conclusions to the Board of Directors.

Section 4. Commissions, Task Forces, or Advisory Committees. Additional commissions, task forces, or advisory committees not having and exercising the authority of the Board in the Corporation may be designated or created by the Board and shall consist of such persons as the Board designates. A commission, task force, or advisory committee may or may not have Directors as members, as the Board determines. The commission, task force, or advisory committee may not act on behalf of the Corporation or bind it to any actions but may make recommendations to the Board or to the officers of the Corporation.

Section 5. Term of Office. Each member of a committee, advisory board, task force, or commission shall continue as such until the next annual meeting of the Board of the Corporation and until his or her successor is appointed, unless the committee, advisory board, task force, or commission shall be sooner terminated, or unless such member be removed from such committee, advisory board, task force, or commission by the Board, or unless such member shall cease to qualify as a member thereof.

Section 6. Chair. Each standing committee, advisory committee, task force, or commission shall have an appointed chair or co-chairs.

(g) Amend, alter, repeal or take any action inconsistent with any resolution or action of the Board of Directors when the resolution or action of the Board of Directors provides by its terms that it shall not be amended, altered or repealed by action of a committee.

## ARTICLE VIII

## CONFLICTS OF INTEREST

A Director may not (1) advocate for or vote on a matter under consideration by the Board (A) regarding the provision of services by such Director (or by an entity that such Director represents); or (B) that would provide direct financial benefit to such Director or the immediate family of such Director; or (2) engage in any other activity determined by the Chief Elected Officials of Cook County and Chicago or the Board to constitute a conflict of interest as specified in the State plan, as defined in the WIOA. It is the responsibility of each Director to immediately advise the Co-Chairs regarding any such conflict or potential conflict. If the Co-Chairs are unavailable, or if the conflict is discovered during a meeting, the Director must report the conflict to the Co-Chairs or other officer then available. Failure to report such conflict may result in removal from the Board.

Subject to the foregoing, if a transaction is fair to the Corporation at the time it is authorized, approved, or ratified, the fact that a Director of the Corporation is directly or indirectly a party to the transaction is not grounds for invalidating the transaction. In a proceeding contesting the validity of a transaction described in this Article, the person asserting validity has the burden of proving fairness unless the material facts of the transaction and the Director's interest or relationship were disclosed or known to the Board of Directors and the Board or committee authorized, approved, or ratified the transaction by the affirmative votes of a majority of disinterested Directors entitled to vote even though the disinterested Directors were less than a quorum.

The presence of a Director who is directly or indirectly a party to the transaction described in this Article or a Director who is otherwise not disinterested may be counted in determining whether a quorum is present but may not be counted when the Board of Directors or a committee then takes action on the transaction.

For purposes of this Article, a Director is "indirectly" a party to a transaction if the other party to the transaction is an entity in which the Director has a material financial interest or of which the Director is an officer, director, or general partner.

## ARTICLE IX

## CONTRACTS, CHECKS, DEPOSITS, AND FUNDS

Section 1. Contracts. The Board may authorize any officer or officers, agent or agents of the Corporation, in addition to the officers so authorized by these By-laws, to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation,

and such authority may be general or confined to specific instances.

Section 2. Checks and Drafts. All checks, drafts, or other orders for the payment of money, notes, or other evidences of indebtedness issued in the name of the Corporation shall be signed by such officer or officers, agent or agents of the Corporation and in such manner as shall from time to time be determined by resolution of the Board. In the absence of such determination by the Board, such instruments shall be signed by the Treasurer and countersigned by the Chief Executive Officer of the Corporation.

Section 3. Deposits. All funds of the Corporation shall be deposited from time to time to the credit of the Corporation in such banks, trust companies, or other depositories as the Board may select.

Section 4. Gifts. The Board may accept on behalf of the Corporation any grant, contribution, gift, bequest, or devise for the general purpose or for any special purpose of the Corporation, and may give receipts therefor.

Section 5. Loans. No officer or director shall be authorized to obtain loans on behalf of the Corporation without the approval of the Board.

ARTICLE X

BOOKS AND RECORDS

The Corporation shall keep correct and complete books and records of account. It shall also keep minutes of the proceedings of its Board and committees having any of the authority of the Board and shall keep at the registered or principal office a record giving the names and addresses of the directors entitled to vote. All books and records of the Corporation may be inspected by any Director, or his or her agent or attorney, for any proper purpose at any reasonable time.

ARTICLE XI

FISCAL YEAR

The fiscal year of the Corporation shall be the fiscal year beginning July 1 of each year and ending on June 30 of the following year.

ARTICLE XII

WAIVER OF NOTICE

Whenever any notice is required to be given under the Act, the Articles of Incorporation or these By-laws, a waiver thereof in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice. Attendance at any meeting shall constitute waiver of notice thereof unless the person at the meeting objects to the holding of the meeting because proper notice was not given.

ARTICLE XIII

INDEMNIFICATION

Section 1. Indemnification in Actions Other Than By or In the Right of The Corporation. The Corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Corporation) by reason of the fact that he or she is or was a director, officer, employee, or agent of the Corporation, or is or was serving at the request of the Corporation, as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit, or proceeding, if such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. Any indemnification provided pursuant to this Article shall be limited to indemnification permitted by the Act, the Articles of Incorporation and any other applicable law. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Corporation or, with respect to any criminal action or proceeding, that the person had reasonable cause to believe that his or her conduct was unlawful.

Section 2. Indemnification in Actions By or in the Right of the Corporation. The Corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee, or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, if such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation, provided that no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his or her duty to the Corporation, unless, and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper.

Section 3. Right to Payment of Expenses. To the extent that a Director, officer, employee, or agent of the Corporation has been successful, on the merits or otherwise, in the defense of any action, suit, or proceeding referred to in Sections I and 2 of this Article, or in defense of any claim, issue, or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

Section 4. Determination of Conduct. Any indemnification under Sections 1 and 2 of

this Article (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case, upon a determination that indemnification of the director, officer, employee, or agent is proper in the circumstances because he or she has met the applicable standard of conduct set forth in Sections 1 or 2 of this Article. Such determination shall be made (a) by the Board by a majority vote of a quorum consisting of directors who were not parties to such action, suit, or proceeding; or (b) if such a quorum is not obtainable, or even if obtainable, if a quorum of disinterested directors so directs, by independent legal counsel in a written opinion.

Section 5. Payment in Advance of Final Disposition. Expenses incurred in defending a civil or criminal action, suit, or proceeding may be paid by the Corporation in advance of the final disposition of such action, suit, or proceeding, as authorized by the Board in the specific case, upon receipt of an undertaking by or on behalf of the director, officer, employee, or agent to repay such amount, unless it shall ultimately be determined that he or she is entitled to be indemnified by the Corporation as authorized in this Article.

Section 6. Indemnification Not Exclusive. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of disinterested directors, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee, or agent, and shall inure to the benefit of the heirs, executors, and administrators of such a person.

Section 7. Insurance. The Corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of the Corporation, or who is or was serving at the request of the Corporation as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the Corporation would have the power to indemnify such person against such liability under the provisions of this Article.

Section 8. References to Corporation. For purposes of this Article, references to "the Corporation" shall include, in addition to the surviving corporation, any merging corporation (including any corporation having merged with a merging corporation) absorbed in a merger that, if its separate existence had continued, would have had the power and authority to indemnify its directors, officers, employees, or agents, so that any person who was a director, officer, employee, or agent of such merging corporation, or was serving at the request of such merging corporation as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, shall stand in the same position under the provisions of this Article with respect to the surviving corporation as such person would have with respect to such merging corporation if its separate existence had continued.

Section 9. Other References. For purposes of this Article, references to "other enterprises" shall include employee benefit plans; references to "fines" shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to "serving at the request of the Corporation" shall include any service as a director, officer, employee, or agent of the Corporation that imposes duties on or involves services by such director, officer, employee, or agent with respect to an employee benefit plan, its participants, or beneficiaries. A person who acted in good faith and in a manner he or she reasonably believed to be in the best interests of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interests of

the Corporation" as referred to in this Article.

**ARTICLE XIV**

**AMENDMENTS**

Except as provided otherwise below, the power to alter, amend, or repeal these By-laws or adopt new by-laws shall be vested in the Board. Such action may be taken by a majority of the directors in office entitled to vote. The by-laws may contain any provisions for the regulation and management of the affairs of the Corporation not inconsistent with law or the Articles of Incorporation. Notwithstanding any contrary provision of these Bylaws, at any time when the Corporation serves as fiscal agent, grant sub-recipient and administrative entity for LWIA 7, no provision of these Bylaws may be amended without the express written consent of both the Mayor of the City of Chicago and the President of Cook County.

**ARTICLE XVI**

Any such assets not so disposed of shall be disposed of by a Court of Competent Jurisdiction of the county in which the principal office of the Corporation is then located, exclusively for such purposes or to such governmental unit or units or to an organization or organizations, as said Court shall determine, which are organized and operated exclusively for such purposes.

This AGREEMENT ON FISCAL AGENT, GRANT SUB-RECIPIENT AND ADMINISTRATIVE ENTITY FOR LWIA 7 (this "Agreement"), dated and effective as of July 1, 2015, is made by and among the COUNTY OF COOK (the "County"), a body politic and corporate and home-rule unit of government under the Constitution and laws of the State of Illinois (the "State"), having its principal offices at 118 North Clark Street, Chicago, Illinois 60602, on behalf of the President of the County Board of Commissioners (the "Board President"), the CITY OF CHICAGO ("City"), an Illinois municipal corporation and home-rule unit of government under the Constitution and laws of the State, having its principal offices at 121 North LaSalle Street, Chicago, Illinois 60602, on behalf of the Mayor of the City (the "Mayor") and the CHICAGO COOK WORKFORCE PARTNERSHIP ("The Partnership"), an Illinois not-for-profit corporation established under the laws of the State, having it principal offices at 69 West Washington Street, Chicago, Illinois 60602.

**RECITALS**

**WHEREAS,** pursuant to Section 107 of the Workforce Innovation and Opportunity Act, Public Law 113-128, July 22, 2014, 128 Stat. 1425, and the regulations issued thereunder (as amended, supplemented, modified or replaced, collectively, the "WIOA"), the chief elected officials ("CEOs") within a local workforce innovation area ("LWIA") are authorized to designate a fiscal agent or a grant sub-recipient for purposes of administering WIOA funds within the LWIA; and

**WHEREAS**, State policy encourages CEOs to enter into an agreement with any such designated fiscal agent or grant sub-recipient to set forth the responsibilities of the fiscal agent and/or grant sub-recipient; and

**WHEREAS**, the Mayor and the Board President are the CEOs under WIOA with respect to LWIA Number 7 ("LWIA 7"), encompassing all of Cook County and the City (the "LWIA 7 CEOs"), where the Mayor is CEO with respect to the area contained within the City and the Board President is CEO with respect to the remaining area of the County; and

**WHEREAS**, pursuant to Section 107 of the WIOA, the Chicago Cook Workforce Innovation Board (the "Chicago Cook WIB") has been certified as the local workforce innovation board (the "LWIB") for LWIA 7; and

**WHEREAS**, pursuant to the Intergovernmental Agreement Between the Mayor and the Board President of the County as the LWIA 7 CEOs (the "CEO IGA"), the LWIA 7 CEOs have designated The Partnership as the fiscal agent and the grant sub-recipient for LWIA 7 and determined that The Partnership shall serve as the administrative entity for LWIA 7 and the Chicago Cook WIB; and

**WHEREAS**, the purpose of this Agreement is to set forth the roles and responsibilities of The Partnership; and

**NOW THEREFORE**, in consideration of the promises, covenants, terms and conditions set forth in this Agreement, the sufficiency of which are hereby acknowledged, the Board President, the Mayor and The Partnership agree as follows:

**SECTION 1. INCORPORATION OF RECITALS**

The above recitals are incorporated into this Agreement as if fully set forth herein.

**SECTION 2. TERM**

2.1 This Agreement shall commence effective July 1, 2015, subject to approval of this Agreement by the Cook County Board and the Chicago City Council. This Agreement shall remain in effect until the earlier of (1) the termination or repeal of the WIOA, (2) the dissolution of the reconfigured LWIA 7, (3) termination by any party in accordance with Section 12.4 of this Agreement or (4) June 30, 2018; provided, that, if any of (1)-(4) of this Section 2.1 shall occur, the parties agree to cooperate in the winding up of all issues related to this Agreement. Prior to the expiration of this Agreement due to the passage of time, the City, the County and the Partnership may agree to extend the term of this Agreement for up to two additional periods, each period not to exceed two years, so that the maximum term of this Agreement without additional approval of the Cook County Board and the Chicago City Council would be through June 30, 2022, subject to earlier termination according to this Section 2.1. Any extensions of this Agreement shall be in writing and shall, unless otherwise agreed by the parties, be executed not later than six months before the expiration of the then-current term of the Agreement.

**SECTION 3. DESIGNATION OF FISCAL AGENT, GRANT SUB-RECIPIENT AND ADMINISTRATIVE ENTITY; RETENTION OF LIABILITY.**

3.1 Under the authority granted by the WIOA and pursuant to the CEO Agreement, the LWIA 7 CEOs designate The Partnership as the fiscal agent and the grant sub-recipient for LWIA 7 to act on their behalf pursuant to the WIOA. This designation shall remain in full force and effect until the earlier to occur of (a) the LWIA 7 CEOs agree to change such designation pursuant to Section 3.2 of this Agreement or ( b) this Agreement or the CEO IGA are otherwise terminated in accordance with their respective terms. The parties, and in particular the LWIA 7 CEOs, understand and acknowledge that this designation does not relieve the LWIA 7 CEOs of their ultimate financial liability to the State for any misspent WIOA funds or disallowed costs under WIOA with respect to each LWIA 7 CEO's respective area and that the respective liability of the LWIA 7 CEOs for misspent funds or disallowed costs under WIOA shall be governed by the CEO IGA. The Partnership agrees that it shall enter into all necessary agreements with the State with respect to such funding and that all such grant provisions will be binding on The Partnership.

3.2 The LWIA 7 CEOs further have determined that The Partnership shall be the administrative entity for LWIA 7 and shall serve as the administrative agent for the Chicago Cook WIB, providing all necessary staffing and administrative support to the Chicago Cook WIB. The Partnership shall serve in such capacities at the pleasure of the LWIA 7 CEOs or until this Agreement or the CEO IGA are otherwise terminated in accordance with their respective terms.

3.3 Notwithstanding the foregoing Section 3.1 of this Agreement, The Partnership shall be liable for all improperly spent funds or disallowed costs under WIOA made as of the effective date of this Agreement and for so long as it serves as the fiscal agent or grant sub-recipient under the WIOA or for receives funding as the administrative entity for the Chicago Cook WIB and LWIA 7. This includes disallowed costs resulting from The Partnership's failure to apply or properly interpret WIOA requirements, negligence of The Partnership, and The

Partnership's failure to follow accepted standards of financial management or other failures to safeguard WIOA funds on behalf of the LWIA 7 CEOs. The Partnership shall include in all agreements or contracts with service providers (i.e delegate agencies) provisions that require the service provider to be liable for improperly spent funds and disallowed costs resulting from the service provider's failure to apply or properly interpret WIOA requirements, the service provider's negligence, the service provider's failure to follow accepted standards of financial management or other failures by the service provider to safeguard WIOA funds on behalf of the LWIA 7 CEOs.

3.4 The Partnership shall maintain insurance covering improperly spent funds, disallowed costs or other amounts for which the City and County may be held liable or other losses or liabilities incurred by the Partnership as set forth in Exhibit D hereto. Further, The Partnership shall include in all agreements or contracts with service providers (i.e delegate agencies) provisions that require the service provider to maintain insurance as set forth in Exhibit E hereto .

3.5 In the event of any improperly spent funds, disallowed costs or other amounts for which the City or County may be held liable, The Partnership is obligated to reimburse the LWIA 7 CEOs for all such funds, costs or expenditures and The Partnership must repay these costs with non-Federal sources of funds. The LWIA 7 CEOs understand and expect that The Partnership will seek reimbursement from the service provider or other contractors (i.e. delegate agencies) by whom such funds, costs or expenditures were made and The Partnership shall assure that any such reimbursement from a service provider or contractor will be paid from non-Federal sources of funds.

3.6 As more fully set forth in Exhibit C, 9. Indemnification, The Partnership hereby agrees to indemnify, defend and hold harmless the City and the County and each of the LWIA 7 CEOs for any and all claims arising out of or related to the use of WIOA funds or any disallowed costs under the WIOA or other such claims related to the responsibilities of The Partnership under the WIOA or this Agreement.

3.7 Notwithstanding anything herein to the contrary, the parties acknowledge that The Partnership will not provide direct services under the WIOA without the express agreement of both the Board President and the Mayor; rather, The Partnership will administer the WIOA One-Stop System and will engage third-party vendors (i.e. delegate agencies) to provide direct services under the WIOA.

3.8 The obligations set forth in this Sections 3.3, 3.4, 3.5 and 3.6 of this Agreement shall survive this Agreement and any termination hereof.

## SECTION 4. CERTAIN RIGHTS OF LWIA 7 CEOS

4.1 Each of the LWIA 7 CEOs shall have authority to appoint certain members of The Partnership's Board of Directors in accordance with the Bylaws of The Partnership attached hereto as Exhibit A (the "Partnership Bylaws").

4.2 The LWIA 7 CEOs shall have sole authority to jointly appoint, or terminate, The Partnership's Chief Executive Officer pursuant to Section 7.7 of this Agreement.

4.3 The parties agree that The Partnership Bylaws shall not be amended without the prior written consent of the Mayor and the Board President, and such requirements shall be set forth in the Partnership Bylaws.

**SECTION 5. INITIAL AND OTHER FUNDING OF THE PARTNERSHIP.**

5.1 The parties agree to request that the Department of Commerce and Economic Opportunity reallocate any carry-over funds from the prior existing LWIAs to The Partnership.

5.2 The parties further understand and agree that any additional initial funding needed by The Partnership shall be secured independently by The Partnership.

5.3 The Partnership is encouraged to and agrees to seek other sources of funding for its operations from other public and private sources.

**SECTION 6. ADDITIONAL AUTHORITY AND RESPONSIBILITIES OF AGENT-RECIPIENT; ACCEPTANCE OF WIOA FUNDS; NO PROFIT**

6.1 The LWIA 7 CEOs hereby delegate to The Partnership the power and responsibility to enter into contracts, subcontracts, and other agreements, to receive, expend, and distribute funds, to develop and evaluate procedures for financial management, and to hire, organize, and train the staff needed to carry out their responsibilities.

6.2 The Partnership hereby agrees to accept on behalf of the LWIA 7 CEOs all grant funds associated with Title I of the WIOA from the State, and to enter into any and all agreements or other documents or certifications required by the State for receipt of such funds.

6.3 The Partnership agrees to disburse WIOA funds for allowable workforce development activities on behalf of the LWIA 7 CEOs at the direction of the Chicago Cook LWIB, as required by the WIOA, provided that the purpose for the disbursement is allowable, authorized and documented.

6.4 The Partnership acknowledges that no provision for profit is allowed and that any excess of revenue over its costs must be counted as "program income," and spent in compliance with WIOA program income requirements. The Partnership further acknowledges that interest earned on funds received under WIOA Title I must also be included in program income.

6.5 The Partnership shall serve as the administrative entity for LWIA 7 and the administrative agent for the Chicago Cook WIB and in such role shall provide all required staffing and other support for the full operations of the Chicago Cook WIB.

**SECTION 7. PERFORMANCE METRICS FOR THE PARTNERSHIP**

7.1 The Partnership shall achieve performance outcomes equal to or better than the annual targets in 12 key categories for each of the City and the remaining area of the County as set forth in Exhibit B to this Agreement (referred to herein as the "City Targets" and the "County Targets"). In order to facilitate computation of performance, The Partnership shall track each recipient of workforce services by home address and report on each of the required

performance measures for each of the City and the remaining area of the County based on such recipients' zip code. These reporting requirements are in addition to any reporting requirements that the Partnership is required to make to the Illinois Department of Commerce and Economic Opportunity ("DCEO"), which reporting is done for all of LWIA 7. The Partnership will provide reports with respect to the performance outcomes compared to the City Targets and the County Targets to the LWIA 7 CEOs under this Section 7.1, (a) when the annual performance information is certified by DCEO, and (b) within 30 days after the end of each program year (which reports described in clause (b) may be preliminary since they may not have been submitted to or certified by DCEO, if applicable); provided, however, that only the reports described in clause (a) shall be used to determine compliance with the performance targets for purposes of this Agreement.

7.2 The City Targets and County Targets will be adjusted annually as follows:

(a) By October 31, 2016, the City, the County and the Partnership shall agree on new City Targets and County Targets for the program year from July 1, 2016 through June 30, 2017. By **September 30** of each year beginning in 2017, the City, the County and the Partnership shall agree on new City Targets and County Targets for the current program year.

(b) If the City, the County and the Partnership are unable by **September 30** of a program year (or October 31, 2016 for the program year from July 1, 2016 through June 30, 2017) to agree on new City Targets and County Targets for the current program year, the new City Targets and County Targets for the current program year shall be based on the prior program year's City Targets and County Targets, with the target for each performance measure increased by the average of the amount by which actual performance for such measure exceeded, if applicable, the City Targets and County Targets in each of the prior two program years.

7.3 [intentionally omitted].

7.4 If there is a decline in the majority of performance measures for either of the City Target or the County Target, as applicable, or there is a decline of 10% or more any individual performance measure for either the City or the County, as applicable, it shall constitute a "Standard Triggering Event."

7.5 If there is a decline in 10 or more performance measures from the City Target or the County Target, as applicable, or there is a decline of 20% or more in any individual performance measure, it shall constitute a "Major Triggering Event".

7.6 If either the City or the County sees such a decline in its respective territory, which shall be the area of the City for the City and the remaining County area for the county, the party in whose territory either a Standard Triggering Event or a Major Triggering Event, as applicable, has occurred shall be referred to as the "Initiating Party."

7.7 If a Standard Triggering Event occurs with respect to either the City or the County, then the Initiating Party may, at the sole option of that party, and with the cooperation of the other party, may initiate any of the following:

(a) Request that The Partnership prepare plan to cure the applicable performance measure failure and present such plan to the City and the County within sixty (60) days of publication of the required performance outcome report. Such cure plan shall identify the performance measure failure(s), the cause(s) for any performance measure failure(s) and a clear turnaround plan, including deadlines, for correction of the applicable performance measure failures.

(b) The Initiating Party may remove any of the members of The Partnership's Board of Directors that were originally appointed by the Initiating Party and appoint new members thereto, all in accordance with the Partnership Bylaws.

(c) The Initiating Party may replace The Partnership Chief Executive Officer; *provided, that* the City and the County must agree on any replacement of the Chief Executive Officer and if they are unable to agree on such replacement within ninety (90) days of the Initiating Party exercising its rights as set forth in this subsection (c) of Section 7.7 of this Agreement and the Initiating Party has provided a minimum of three nominations as a replacement for each officer for which the Initiating Party has sought removal, then the Initiating Party may exercise its rights pursuant to Section 7.8.

7.8 If a Major Triggering Event occurs with respect to either the City or the County, or if a Standard Triggering Event occurs for the second consecutive year for the City or the County, then the Initiating Party may, at the sole option of that party, and with the cooperation of the other parties, initiate any of the remedies set forth in Sections 7.7(a)-(c) of this Agreement or any of the following:

(a) Inform DCEO that the LWIA 7 CEOs have decided to designate a new fiscal agent and grant sub-recipient. The parties shall use good faith efforts to develop a services transition plan so as to minimize disruptions of service delivery throughout LWIA 7, and to cooperate in the implementation of such plan. If the parties are unable to agree on a transition plan, or fail to implement the plan, then the Initiating Party may pursue the remedy set forth in Section 7.8(b) below.

(b) The Initiating Party may seek automatic designation from the Governor of the State (the "Governor") for an independent LWIA for the City or the remainder County, as applicable, under the WIOA effective as of July 1 immediately after exercising this remedy, it being understood that upon seeking such designation, the non-initiating party shall work with the Initiating Party to develop a transition plan that minimizes service disruptions and all parties would be required to cooperate fully in implementing such transition plan

**SECTION 8. REPRESENTATIONS, COVENANTS AND WARRANTIES OF THE PARTNERSHIP**

The Partnership hereby represents, covenants and warrants to the LWIA 7 CEOs as follows:

8.1 The Partnership shall comply with applicable Federal and State law, regulation and policy established for WIOA programs.

8.2 The Partnership shall comply with relevant circulars issued by the United States Office of Management and Budget applicable to WIOA, which include, but are not

limited to, 2 CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awardees* and 2 CFR Part 2900 *et seq.*

8.3 The Partnership shall identify and acquire an accounting system that will meet all the fund accounting and reporting requirements for WIOA grant programs.

8.4 The Partnership shall employ and train a sufficient number of qualified staff necessary to fulfill the duties of Agent-Recipient, subject to the limitations of the Annual Budget.

8.5 The Partnership shall identify and train an Illinois Workforce Development System ("IWDS") administrator who will administer the participant data management and reporting system.

8.6 The Partnership shall periodically review on at least an annual basis its operational policies and make recommendations to the LWIA 7 CEOs for the purpose of streamlining or improving administration of WIOA programs.

8.7 The Partnership shall establish and manage an appropriate system for the award and administration of WIOA grants and contracts, including monitoring of grants and contracts.

8.8 The Partnership shall enter into written grant agreements or contracts only as needed and when clear goals and obligations are established.

8.10 The Partnership shall take prompt and appropriate corrective action upon becoming aware of any evidence of a violation of the WIOA or State rules or policies related to WIOA.

8.11 The Partnership shall closely monitor all grant funds to ensure they are used to the maximum amount allowed under WIOA and to avoid any loss of funds allocated to LWIA 7.

8.12 The Partnership shall develop all required procedures for program planning, evaluation, and quality improvement systems on behalf of the LWIA 7 CEOs.

8.13 The Partnership shall develop a property control system that meets all Federal and State requirements and that provides for a full accounting of all property and equipment purchased with WIOA funds.

8.14 The Partnership shall remain an honest broker for service planning and resource allocation and its decisions shall be transparent and made in the best interest of workforce participants, employers and the overall service delivery system within LWIA 7.

8.15 The Partnership shall assure continuity in participant services during the initial period of transition to its responsibilities as the grant sub-recipient and fiscal agent under the WIOA for the newly reconfigured LWIA 7.

8.16 The Partnership shall not exclude any participant from program participation, deny any participant benefits, subject any participant to discrimination, or deny employment to any participant because of her or his actual or perceived race, color, religion, sex, sexual orientation, marital status, national origin, age, disability, or political affiliation or belief. Furthermore, the Partnership shall contractually require its service providers (i.e. delegate agencies) to comply with this Section 8.16.

8.17 The Partnership shall organize and execute its grant sub-recipient and fiscal agent responsibilities to assure the fair and equitable allocation of grant funds throughout all of LWIA 7. Planning and resource allocation decisions shall be based on current labor market information, the number unemployed, the population of the county, the number of plant closings and mass layoffs, and the unique needs of the communities throughout the LWIA 7. The Partnership will make these determinations transparently, keep the LWIA 7 CEOs and the Chicago Cook WIB informed about these planning and resource allocation decisions.

8.18 The Partnership shall provide the information set forth in this Section each month (unless otherwise specified below), within 30 days after the end of the calendar month to which the information pertains, to each of the LWIA 7 CEOs and the Chicago Cook WIB and shall meet, together or separately, with the LWIA 7 CEOs or their designees and with a representative of the Chicago Cook WIB on a regular basis to review these reports and address any questions or concerns, which meetings shall be held not less frequently than bi-monthly or such other frequency as the Partnership and each such party, individually, may agree:

(a) Reports and other documents that summarize the current financial conditions of all WIOA grants awarded to LWIA 7, including income, expenditures, fund balances, comparison to the Annual Budget and other financial metrics that the LWIA 7 CEOs and the Chicago Cook WIB may identify in conjunction with the execution of The Partnership's responsibilities under this Agreement together with an update on the planning and resource allocation decisions described in Section 8.17.

(b) Reports and other documents that summarize current program performance in LWIA 7 against the negotiated performance standards required under the WIOA, including whether LWIA 7 is meeting, exceeding or failing to meet each performance standard, together with (i) any documents or reports submitted by the Partnership to the LWIB or to DCEO, (ii) the information set forth in Exhibit F to this Agreement, and (iii) supplemental information on program performance requested by either of the LWIA 7 CEOs, which may include information requested by the Workforce, Housing & Community Development Committee of the Cook County Board or the Committee on Workforce Development and Audit of the Chicago City Council, based on their review of the reports provided to such committees by the LWIA 7 CEOs.

(c) Reports and documents that summarize known compliance issues or concerns along with an explanation of any out-of-compliance notices received for any

program for which the LWIA 7 CEOs or the Chicago Cook WIB retain ultimate responsibility.

(d) By June 30 of each year, a snapshot of the workforce development landscape in LWIA 7, including target industry employment levels and changes in employment levels, target industry earnings, overall employment rate and overall unemployment rate; provided that this requirement may be satisfied by delivering a copy of a report prepared for the LWIB or DCEO containing this information.

8.19 (a) The Partnership shall maintain independent finance and administration operation for the services provided under this Agreement.

(b) The Partnership shall prepare and retain reports and documents that summarize known compliance issues or concerns along with an explanation of any out-of-compliance notices received for any program for which the LWIA 7 CEOs or the Chicago Cook WIB retain ultimate responsibility.

(c) The Partnership will adopt, promulgate, maintain and enforce policy prohibiting its employees from describing or holding themselves out as employees of the City or the County.

(d) None of the County, The Partnership nor the City may directly supervise or directly manage any employee of any other party to this Agreement.

(e) None of the County, The Partnership nor the City may participate in the hiring, discharge, promotional or disciplinary procedures of any other party to this Agreement, with these exceptions: in any disciplinary proceeding, as an eyewitness to the conduct that is subject of the disciplinary proceeding; and as commentator on work performed/submitted by The Partnership's employees, to assist the other party in evaluation of the work.

(f) The Partnership may purchase or secure health benefits for Partnership employees through the County's health benefit program upon authorization by the County's Risk Management Department; the Partnership will be responsible to compensate/reimburse the County for such health benefits including but not limited to any administrative costs for the County administering such benefits to the Partnership.

8.20 (a) The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "2011 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2011 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) The Partnership is aware that City policy prohibits City employees from directing any individual to apply for a position with the Partnership, either as an employee or as a subcontractor, and from directing the Partnership to hire an individual as an employee or as a subcontractor. Accordingly, the Partnership must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Partnership under this Agreement are employees or subcontractors of the Partnership, not employees

of the City. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Partnership.

(c) In the event of any communication to the Partnership by a City employee or City official in violation of Section 8.20(b), or advocating a violation of Section 9(a) below, The Partnership will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the Mayor.

8.21 Additional Requirements. The Partnership hereby agrees to comply with all of the additional covenants set forth in Exhibit C to this Agreement.

8.22 General. The Partnership represents, warrants and covenants to the County and the City, as of the date of this Agreement, and throughout the term of this Agreement, that:

(a) The Partnership is an Illinois not-for-profit corporation, in good standing under the laws of the State.

(b) The Partnership has authority to execute and deliver this Agreement and to perform its obligations hereunder, and such execution, delivery and performance have been duly authorized by resolution of its Board of Directors approved on _____, 2016.

(c) The Partnership's execution, delivery and performance of its obligations under this Agreement does not conflict with any agreement or instrument by which The Partnerships bound and the practical effect of which would be to materially and adversely impair The Partnership's ability to perform its obligations hereunder.

8.23 Within 30 days of the receipt from the State by the Partnership of the notice of program year funding allocation, the Partnership shall forward to the LWIB (a) the proposed allocation of the funding for LWIA 7 between the City and the County areas outside of the City (the "Allocation"), and (b) a detailed description of the methodology used to prepare the proposed Allocation, including without limitation the formula and data sources for each factor used (collectively, the "Methodology").

Within fifteen (15) days of receipt of the proposed Allocation and Methodology from the Partnership, the LWIB shall make its recommendation of the Allocation and Methodology to the Mayor and the Board President. Within thirty (30) days of receipt of the Allocation recommendation, each of the Mayor and Board President shall either agree on the Methodology and the Allocation, or specify in writing any objections to the Methodology and the Allocation. Such objections shall be forwarded to the Co-Chairs of the LWIB. As soon thereafter as possible, representatives of the LWIB, Partnership, City and County shall meet to resolve the objection. In the event that the Mayor and the Board President do not provide written approval of the Methodology and the Allocation before the deadline for implementing the funding allocation for the next program year, then (x) the current program year's allocation of funding between the City and the County areas of LWIA 7 shall be used for one additional year, and (y) either the City or County may initiate any of the remedies described in Section 13.3 of the Intergovernmental Agreement between the County and the City, dated as of July 1, 2015 and shall, for purposes of such Section 13.3 be considered the "non-defaulting party."

8.24 Survival of Covenants. All warranties, representations, covenants and agreements of The Partnership contained in this Agreement shall be true, accurate and complete as of the date hereof, shall survive the execution, delivery and acceptance hereof by the parties hereto and shall be in effect throughout the term of the Agreement.

**SECTION 9. ADDITIONAL RESPONSIBILITIES OF THE PARTNERSHIP.**

12.4 Remedies. Upon the occurrence of an Event of Default, the non-defaulting party may terminate this Agreement and all related agreements. In addition, if the City or the County is the non-defaulting party, the City or the County may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy provided for hereunder or at law or in equity not otherwise expressly limited or precluded in this Agreement, including, without limitation, injunctive relief, and specific performance of the agreements contained herein, provided, however, that in no event shall either non-defaulting party's monetary damages ever exceed the actual costs and expenses incurred by such non-defaulting party in performing its obligations under this Agreement. 3. All applicable official reviews, approvals or permits are required to be obtained by the applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the applicant or its successors, assign or grantees. This plan of development consists of fifteen (15) Statements; a Bulk Regulations Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; a Site/Landscape Plan; a Ground Level Plan; a Green Roof Plan and Building Elevations submitted herein. Full-sized copies of the Site Plan, Landscape Plan and Building Elevations are on file with the Department of Planning and Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the

Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Business Planned Development: hotel, restaurants with incidental service of liquor and outdoor seating, retail uses and accessory uses.

8. The maximum permitted floor area ratio (FAR) for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 12,177 square feet and a base FAR of 5.0.

   The Developer acknowledges that the project has received a floor area bonus of 3.1 pursuant to Section 17-4-1000 of the Zoning Ordinance (the "Density Bonus Regulations"), as set forth in the bonus worksheet attached hereto as Exhibit [____]. With the bonus FAR, the total FAR for the Planned Development is 8.1. In exchange for the bonus FAR, the applicant is required to make a bonus payment in the amount of $875,769.84 (subject to adjustment as described further below). The bonus payment is calculated as follows:

   3.1 (bonus FAR) x 12,177 square feet (net site area) = 37,748.70 square feet (total bonus square feet) x $29.00/square feet (median cost of land as of 2016) x 0.80 = $875,769.84 (bonus payment as of 2016)

   The bonus payment is due in full prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be increased based on changes in median land values in accordance with Section 17-4-1003-C of the Density Bonus Regulations.

   The bonus payment will be split between three separate funds, as follows: 80 percent or $700,615.87 to the Neighborhoods Opportunity Fund, 10 percent or $87,576.98 to the Citywide Adopt-a-Landmark Fund, and 10 percent or $87,576.98 to the Local Impact Fund. In lieu of paying the City directly, the Department may (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects, (b) direct developers to deposit a portion of the

funds with a landmark property owner to finance specific landmark restoration projects, or (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

It is currently anticipated that the Eighty-seven Thousand Five Hundred Seventy-six and 98/100 Dollars ($87,576.98) contribution to the Local Impact Fund (as such amount shall be adjusted in accordance with Section 17-4-1003-C at the time of building permit) will be utilized for a public library within one (1) mile of the Planned Development site. Any modification of the allocation of the Local Impact Fund contribution shall be subject to Section 17-4-1005-G but in no event shall such modification cause a delay in the issuance of a Part II Approval, building permit or certificate of occupancy for the planned development.

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

10. The Site and Landscape plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II Approval.

The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.

13. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

[R2016-762]

WHEREAS, The series of armed conflicts in which the United States has been engaged since World War II has resulted in 5.5 Million parents, spouses, siblings and friends

providing care for the wounded, ill or injured who have served our Nation, as documented by the 2014 Rand study commissioned by the Elizabeth Dole Foundation; and

WHEREAS, The daily tasks of these military and veteran caregivers can include bathing, feeding, dressing, and caring for the grievous injuries of wounded warriors, administering medications, providing emotional support, caring for the family and the home, and working outside the home to earn essential income; and

WHEREAS, Our Nation provides multi-faceted support to our wounded, ill and injured veterans and service members through public, private and philanthropic resources, but their caregivers receive little support or acknowledgement; and

WHEREAS, Most military and veteran caregivers consider the challenging work they do as simply carrying out their civic and patriotic duty, without realizing they are, in fact, caregivers, and do not identify themselves as such; and

WHEREAS, According to research, an alarming number of military and veteran caregivers are suffering numerous debilitating mental, physical and emotional effects as a result of the physical and emotional stress inherent in their caregiving duties; and

WHEREAS, The Elizabeth Dole Foundation has performed invaluable work to promote the needs of military and veteran caregivers, including designating cities that have pledged to assist in this noble effort as Hidden Heroes Cities; and

*Be It Resolved*, That we, the Mayor and the members of the City Council, assembled this fifth day of October 2016, pledge our support for the City of Chicago to become a Hidden Heroes City that will seek to identify its resident military and veteran caregivers, and will work to encourage employers and governmental and non-profit organizations to become aware of the challenges confronting military and veteran caregivers, and to create supportive environments and opportunities for assistance; and

*Be It Further Resolved*, That the City of Chicago, in partnership with the Elizabeth Dole Foundation's Hidden Heroes campaign, will plan an observance each May, during Military Appreciation Month, to honor and recognize Chicago's military and veteran caregivers; and

*CONGRATULATIONS EXTENDED TO JOANN TURNER ON CENTENNIAL BIRTHDAY CELEBRATION.*

[R2016-733]

WHEREAS, Almighty God, in His infinite wisdom and judgment continues to show favor by granting a long life to Mrs. JoAnn Turner, a beloved citizen, faithful woman of God and friend, who on the afternoon of Saturday, October 1, 2016 will be honored by family and friends at her 100th birthday celebration; and

WHEREAS, I, Alderman Michelle A. Harris, and on behalf of the residents of the 8th Ward and my fellow colleagues of the Chicago City Council have informed this august body of this significant birthday of Mrs. Turner; and

WHEREAS, History is considered by many to be a very fascinating subject. It is so much more than memorizing dates. It's also about learning and appreciating people who were born long ago. History is literally the story behind the life of each person, every trend, news headline, and major event that is happening right now; and

WHEREAS, On October 3, 1916, Mrs. JoAnn Turner was born in the City of Pittsburgh, Pennsylvania. One of three children born to Mr. Charles and Mrs. Velma McNeil (nee Sykes), she had two other siblings, sisters: Mrs. Nellie Wakefield-Brown and Ernestine Wakefield (deceased); and

WHEREAS, Educated in the Pittsburgh public school system, Mrs. Turner relocated to Chicago with her family in her later teens and attended Cortez Business College. After graduation, she became a faithful employee of the AARCO greeting card company, where she worked for many years as the office manager. Later, she became employed as a bookkeeper at the Illinois Central Hospital, formerly located in the Hyde Park community; and

WHEREAS, Today, Mrs. JoAnn Turner currently lives in an assisted living facility in Chicago's Bronzeville neighborhood. However, she formerly was an actively engaged resident of the 8th Ward for nearly 50 years. She is perhaps best known for her engaging personality, winning smile and the awesome ability to get things done to better her community. A faithful 50-plus year member of Vernon Park Church, Mrs. Turner was intrinsically involved, over the years, in church programs, activities and ministries. She also served as the longtime block club president of the 8900 block of Cornell and a staunch volunteer of the CAPS program; and

WHEREAS, Although somewhat physically slowed by the passage of time, both her spirit and mind remains sharp and agile. Mrs. Turner is an avid music lover and civic enthusiast who greatly enjoys watching game shows and interacting with fellow residents over coffee and meals at the facility. While she never formally taught school, she is intuitively an instructor -- about life, work and many other things -- to virtually everyone she meets. Now a widow -- her beloved husband, Melvin Herbert Turner, died in the late 1980s, after sweeping her off her feet during nearly 60 years earlier, during a date arranged by friends. Mrs. Turner and her late husband shared several attributes which made their long marital union a loving and successful one. They believed in being kind, generous souls, who enjoyed laughter and believed in living life well; and

WHEREAS, Mrs. Turner's favorite colors are lavender, green and yellow, and she was widely known and respected in the 8th Ward community for her beautiful flower gardens surrounding her home. In many ways, Mrs. Turner's life represents the essence of a true Chicagoan -- active, engaged and always willing to make life better for others; now, therefore,

*Be It Resolved*, That we, the Mayor and the members of the City Council of the City of Chicago, gathered here in assembly this fifth day of October 2016 A.D., do hereby express our most heartfelt congratulations and best wishes for a wonderful 100th centennial birthday celebration to Mrs. JoAnn Turner and extend to her family, friends, neighbors and church members our sincere happiness that she has achieved this great life milestone; and
