REPORTS AND COMMUNICATIONS FROM CITY OFFICERS.

Rules Suspended -- CONGRATULATIONS EXTENDED TO CHICAGO CUBS ON WINNING 2016 WORLD SERIES.

[R2016-979]

The Honorable Rahm Emanuel, Mayor, presented the following communication:

OFFICE OF THE MAYOR
CITY OF CHICAGO

December 14, 2016.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I transmit herewith, together with Alderman Tunney, a congratulatory resolution concerning the Chicago Cubs.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RAHM EMANUEL,
Mayor.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed.*

The following is said proposed resolution:

WHEREAS, The members of this chamber wish to recognize the accomplishments of the 2016 Chicago Cubs baseball team, winners of Major League Baseball's National League Central Division, the National League Pennant and the World Series; and

WHEREAS, Winning the World Series is just the latest achievement in the long, storied history of the Chicago Cubs. The Cubs have now won four division titles, 11 National League Pennants and three World Series; and

WHEREAS, Established in 1876 as the Chicago White Stockings, later changing their name to the Chicago Colts, the Chicago Orphans and finally settling on the name Chicago Cubs in 1903, the Cubs are the oldest Major League Baseball team to have played its entire existence in a single city and have entertained countless baseball fans in Chicago and around the country; and

WHEREAS, Chicago Cubs fans enjoy what many consider the most venerated ballpark in the country, Wrigley Field. With its iconic ivy-covered outfield walls and old-fashioned scoreboard, the Friendly Confines is the most celebrated ballpark in the nation; and

WHEREAS, The 2016 Chicago Cubs season was the 145th of the Cubs franchise, the 141st in the National League and the 101st at Wrigley Field. The Cubs were managed by Joe Maddon in his second season as Cubs manager. With 103 victories, the Cubs had the best record in the major leagues, finishing 17.5 games ahead of the Central Division runner-up and long-time rival, the St. Louis Cardinals. It was the first season the Cubs had more than 100 wins since 1935 and marked the most victories the team has had since 1910; and

WHEREAS, In the playoffs, the mighty Cubs defeated two historic and highly regarded California franchises: the San Francisco Giants in the National League Division Series, three games to one; and the Los Angeles Dodgers in the National League Championship Series, four games to two. As a result, the Cubs won their first National League Pennant in 71 years and advanced to the World Series to play the American League Pennant winner, the Cleveland Indians; and

WHEREAS, The World Series began on October 25 in Cleveland, and the Chicago Cubs demonstrated why they are champions. When the going gets tough, the Cubs start winning. And win they did. Game Five at Wrigley Field was close, but the Cubs pulled out a 3 to 2 victory, sending the Series back to Cleveland, where the Cubs needed to win the final two games on the road. In Game Six, they prevailed 9 to 3. This set the stage for Game Seven; and

WHEREAS, On November 2, Game Seven pitted Cubs' pitching ace Kyle Hendricks, who had the lowest ERA (2.13) in Major League Baseball in 2016, against Cleveland's Corey Kluber, who had already won Game One and Game Four of the World Series. Game Seven lived up to expectations and more. The Cubs started the scoring quickly with a Dexter Fowler lead-off home run. By the end of six innings, the Cubs held a 6 to 3 lead. But in the bottom of the eighth, due in part to a two-run home run, the Indians tied the game. At the end of nine innings, the score was still tied 6 to 6. After a 17 minute rain delay, the 10th inning started, and the Cubs scored two runs on a double by Ben Zobrist

and a single by Miguel Montero. In the bottom of the 10th, Cleveland scored one run before the Cubs got the final out, winning the game 8 to 7. Baseball experts have declared Game Seven as one of the most dramatic in World Series history; and

WHEREAS, Ben Zobrist of the Cubs was named Most Valuable Player of the World Series on the strength of his play throughout the Series and his clutch 10th inning double in Game Seven, which drove in a run, giving the Cubs a 7 to 6 lead they never relinquished; and

WHEREAS, This historic 2016 season marked the Cubs' first appearance in the World Series since 1945, and their first World Series victory since 1908. Holy Cow, 2016 really was a remarkable season, to say the least; and

WHEREAS, The 2016 line-up for the Chicago Cubs was an impressive one. Led by an amazing pitching staff including Jake Arrieta, Aroldis Chapman, Carl Edwards, Jr., Justin Grimm, Jason Hammel, Kyle Hendricks, John Lackey, Jon Lester, Mike Montgomery, Hector Rondon, Pedro Strop and Travis Wood, the Cubs also enjoyed strong performances at the plate and in the field by Albert Almora, Jr., Javier Baez, Kris Bryant, Trevor Cahill, Chris Coghlan, Willson Contreras, Dexter Fowler, Jason Hayward, Munenori Kawasaki, Tommy La Stella, Miguel Montero, Anthony Rizzo, Davis Ross, Addison Russell, Kyle Schwarber, Matt Szczur, Jorge Soler, Joe Smith, Rob Zastryzny and Ben Zobrist; and

WHEREAS, All of Chicago is proud of the great accomplishments of the Chicago Cubs in 2016, and we wish them continuing greatness in future seasons; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 14th day of December 2016, do hereby congratulate owner, Tom Ricketts; President of Baseball Operations, Theo Epstein; President of Business Operations, Crane Kenney; and the Chicago Cubs players on a remarkable season that captivated baseball fans not only in Chicago but also around the globe; and

Be It Further Resolved, That a suitable copy of this resolution be presented to the Chicago Cubs organization as a token of our good wishes and congratulations.

On motion of Alderman Burke, seconded by Aldermen Hairston, Beale, Thompson, D. Moore, Solis, Maldonado, Burnett, Reboyras, Mell, Mitts, Sposato, O'Connor, Napolitano, Smith, Tunney, Arena, Cappleman, Osterman and J. Moore, the foregoing proposed resolution was *Adopted* by a viva voce vote.

At this point in the proceedings, the Honorable Rahm Emanuel, Mayor, rose and on behalf of the people of Chicago, extended congratulations to the players and coaches of the 2016 Chicago Cubs baseball team on winning the Major League Baseball National League Central Division Championship, the National League Pennant and the World Series. Mayor Emanuel also called attention to the presence in the Commissioners' gallery of Tom and Laura Ricketts, owners of the Chicago Cubs, and expressed his appreciation to the Ricketts' family for their remarkable vision, leadership and investment in the Cubs organization that culminated in bringing the World Series trophy back to Chicago. This culture of investing in the future by the Ricketts' family is not limited to the Chicago Cubs and Wrigley Field, the Mayor observed, but can also be seen in the many sporting events, activities and facilities they have sponsored in communities and neighborhoods throughout Chicago helping to contribute to the next generation of athletes and fans alike. Recounting the singular sense of excitement, enthusiasm and pride that echoed throughout Chicago and captivated baseball fans worldwide, Mayor Emanuel declared the Cubs "a team for the whole city" and the memories they evoked during their historic 2016 season will remain in the hearts of fans everywhere. Mayor Emanuel then invited Tom and Laura Ricketts to the Mayor's rostrum where he presented them with a parchment copy of the congratulatory resolution.

enforcement of any collateral security; (viii) any transfer of any Indebtedness or any evidence thereof; (ix) any order of application of any payments or credits upon Indebtedness; or (x) any election by the City under Section 1111(b)(2) of the United States Bankruptcy Code.

The Guarantor waives presentment, demand for payment, notice of dishonor or nonpayment, and protest of any instrument evidencing Indebtedness. The City shall not be required first to resort for payment of the Indebtedness to the Company or other persons or their properties, or first to enforce, realize upon or exhaust any collateral security for Indebtedness, before enforcing this guaranty. The Guarantor will not assert, plead or enforce against the City any defense of discharge in bankruptcy of the Company, statute of frauds, or unenforceability of the guaranty which may be available to the Company or any other person liable in respect of any Indebtedness, or any setoff available against the City to the Company or any such other person, whether or not on account of a related transaction.

Notice is hereby given that at 10:00 o'clock a.m., on the 26th day of October, 2016, in Room 201A, City Hall, 121 North LaSalle Street, Chicago, Illinois, a public hearing will be held by the Committee on Finance of the City Council of the City of Chicago to consider the creation of an area within the City of Chicago to be known and designated as Special Service Area Number 21-2016 (the "Area") and the authorization of the levy of a special annual services tax (the "Services Tax") within the Area. The Services Tax under consideration shall be authorized to be levied in tax years 2016 through and including 2030. The purpose of creating the Area shall be to provide special services within the Area, which may include, but not limited to: customer attraction, public way cleanliness, sustainability and public place enhancements, economic/business development, safety programs, and other activities to promote commercial and economic development, which shall be hereinafter referred to collectively as the "Special Services."

At the hearing there will be considered a Services Tax to be levied against the taxable property included within the Area for the provision of the Special Services and to extend the Annual sum of 0.450 percent of the equalized assessed value of taxable property within the Area. The Area shall consist of the territory described herein and incorporated herein as Exhibit 1. The approximate street location of said territory consists of both sides of Lincoln Avenue from Foster Avenue on the north to Montrose Avenue on the south, both sides of Lawrence Avenue from Virginia Avenue on the west to Leavitt Street on the east, both sides of Western Avenue from Argyle Street on the north to Montrose Avenue on the south, and the north side of Montrose Avenue from the North Branch Chicago River on the west to Leavitt Street on the east.

At the public hearing any interested person, including all persons owning taxable real property located within the proposed Area, affected by the creation of the Area and the levy of the Services Tax may file with the City Clerk of the City of Chicago written objections to and may be heard orally with respect to any issues embodied in the notice. The Committee on Finance of the City Council of the City of Chicago shall hear and determine all protests and objections at said hearing, and said hearing may be adjourned to another date without further notice other than a motion to be entered upon the minutes fixing the time and place it will reconvene.

If a petition signed by at least fifty-one percent (51%) of the electors residing within the boundaries of the proposed Area and by at least fifty-one percent (51%) of the landowners included within the boundaries of the proposed Area objecting to the creation of the Area and the levy of the Services Tax therein is filed with the City Clerk of the City of Chicago within sixty (60) days following the first appointment of the public hearing, the Area shall not be created and the Services Tax shall not be levied.

Notice is hereby given that at 10:00 o'clock a.m., on the 26th day of October, 2016, in Room 2016, City Hall, 121 North LaSalle Street, Chicago, Illinois, a public hearing will be held by the Commissioner of Finance of the City Council of the City of Chicago to consider the creation of an area within the City of Chicago to be known and designated as Special Service Area Number 72 (the "Area") and the authorization of the levy of a special annual services tax (the "Services Tax") within the Area. The Services Tax under consideration shall be authorized to be levied in tax years 2016 through and including 2025. The purpose of creating the Area shall be to provide special services within the Area, which may include, but are limited to: economic stimulation, public way aesthetics, sustainability and public place ambiance making, economic/business development, safety or patrols, and other activities to promote commercial and economic development, which will be hereinafter referred to collectively as the "Special Services."

At the hearing there will be considered a Services Tax to be levied against the taxable property included within the Area for the provision of the Special Services not to exceed the annual sum of 1.750 percent of the equalized assessed value of taxable property within the Area. The approximate street location of said territory consists of portions of both sides of West Chicago Avenue between Central Avenue on the west and Kedzie on the east, and along both sides of Cicero Avenue between Polk Street on the north and Ohio Street on the south.

At this public hearing any interested person, including all persons owning taxable real property located within the proposed Area, affected by the creation of the Area and the levy of the Services Tax may file with the City Clerk of the City of Chicago written objections to and may be heard orally with respect to any issues embodied in this notice. The Commission on Finance of the City Council of the City of Chicago shall hear and determine all protests and objections at said hearing, and said hearing may be adjourned to another date without further notice other than a motion to be entered upon the minutes fixing the time and place it will reconvene.

(the "Act"), on November 3, 2004: (1) approving a tax increment redevelopment project and plan for the 69th/Ashland Redevelopment Project Area (the "Area"); (2) designating the Area as a tax increment financing district; and (3) adopting tax increment allocation financing for the Area; and

WHEREAS, Pursuant to Section 8 of the Act, when redevelopment projects costs for a redevelopment project area, including without limitation all municipal obligations financing redevelopment project costs incurred under the Act, have been paid, all surplus funds then remaining in the special tax allocation fund for a redevelopment project area designated under the Act shall be distributed by being paid by the municipal treasurer to the State of Illinois Department of Revenue, the municipality and the county collector; first to the Department of Revenue and the municipality in direct proportion to the tax incremental revenue received from the State of Illinois and the municipality, but not to exceed the total incremental revenue received from the state or the municipality less any annual surplus distribution of incremental revenue previously made; with any remaining funds to be paid to the county collector who shall immediately thereafter pay said funds to the taxing districts in the redevelopment project area in the same manner and proportion as the most recent distribution by the county collector to the affected districts of real property taxes from real property in the redevelopment project area; and

WHEREAS, In accordance with the provisions of Section 8 of the Act, the City desires to dissolve the special tax allocation fund for the Area (the "Special Fund") and terminate the designation of the Area as a redevelopment project area as of December 31, 2016; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are incorporated herein and made a part hereof.

WHEREAS, The City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The Cook County Board of Commissioners has enacted the Real Property Assessment Classification Ordinance, as amended (the "Classification Ordinance"), which establishes the Class L property tax classification to encourage the preservation and rehabilitation of certain historically and architecturally significant buildings, which will enhance the general character of real estate in the county and contribute to the economic well-being of the county by increasing the level of economic activity, increasing employment opportunities and contributing to the long-term growth of the real property tax base; and

WHEREAS, 900 Block I Owner LLC, a Delaware limited liability company (the "Owner"), is the Owner of historic buildings (the "Buildings") located at 912 -- 924 West Randolph Street, 151 -- 185 North Sangamon Street and 913 -- 925 West Lake Street in Chicago, Illinois, as more precisely described in Exhibit 1 attached hereto and hereby made a part hereof (the land and improvements thereon being herein referred to as the "Project Real Estate"); and

WHEREAS, On July 29, 2015, the City Council of the City (the "City Council") adopted an ordinance designating the area encompassing the Buildings, otherwise known as the Fulton-Randolph Market District, as a Chicago landmark pursuant to the criteria established in Section 2-120-580, et seq., of the Municipal Code of Chicago, which identifies the Buildings as contributing buildings within the Fulton-Randolph Market District, and such designation as a Chicago landmark meets the definition of landmark pursuant to the Classification Ordinance; and

WHEREAS, The Owner proposes to rehabilitate the Buildings thereby preserving the historic buildings, increasing employment opportunities in the area and contributing to the long-term growth of the real property tax base (the "Project"); and

WHEREAS, It is anticipated that the Project may require a transfer of a beneficial interest in the Owner to one or more entities who will receive an allocation of federal historic rehabilitation tax credits ("Tax Credit Investors"); and

WHEREAS, The Owner anticipates using the Buildings for commercial purposes after the Project is completed (the "Use"); and

WHEREAS, The Owner has applied to the Office of the Assessor of Cook County, Illinois (the "Assessor"), for designation of the Project Real Estate as a Class L classification eligible for certain real estate tax incentives pursuant to the Classification Ordinance; and

WHEREAS, Pursuant to the Classification Ordinance, the Class L classification is available to real estate which is to be used for commercial or industrial purposes and which (1) is a landmark (as defined in the Classification Ordinance); and (2) has undergone Substantial Rehabilitation (as defined in the Classification Ordinance), which constitutes an investment by the Owner of at least 50 percent of the Building's full market value as determined by the Assessor in the assessment year prior to the commencement of the Substantial Rehabilitation; and the Class L incentive shall apply to the Building only, except that if the entire building has been vacant and unused for at least 24 continuous months prior to the filing of the eligibility application with the Assessor, the land upon which the Building is situated shall be eligible for the incentive; and

WHEREAS, The Classification Ordinance requires that, in connection with the filing of a Class L eligibility application with the Assessor, an applicant must obtain from the unit of local government in which the real estate is located, an ordinance or resolution which expressly states that the local government: 1) has determined that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the property; 2) supports and consents to the granting of the incentive; and 3) has reviewed and accepted its Preservation Commission's (as defined in the Classification Ordinance) written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; and

WHEREAS, The City is a Certified Local Government as defined in the Classification Ordinance and has established the City of Chicago Commission on Chicago Landmarks (the "Landmarks Commission"), and such Landmarks Commission is a Preservation Commission (as defined in the Classification Ordinance); and

WHEREAS, On August 4, 2016, the Landmarks Commission issued a written recommendation of the Project to the City Council recommending that the Project be approved by the Assessor for the Class L incentive, a copy of which is attached hereto as Exhibit 2 and hereby made a part hereof; and

WHEREAS, The Project Real Estate has been occupied and used for the 24-month period prior to the filing of the Class L eligibility application with the Assessor, making the Class L incentive applicable to the Building only; and

WHEREAS, The Department of Planning and Development of the City ("DPD") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class L designation, and hereby recommends to City Council that the City expressly determine by ordinance that: 1) the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate; 2) the City supports and consents to the granting of the incentive; and 3) the City has reviewed and accepted the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, and specifying that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate.

SECTION 3. The City hereby expressly supports and consents to the granting of the Class L incentive. The City's support and consent to the grant of certification for the Class L incentive for the Project Real Estate is expressly conditioned upon the substantial completion of the Project as proposed by the Owner and approved by the City, both upon completion of the Substantial Rehabilitation of the Project Real Estate and during the term of the Class L incentive.

SECTION 4. The Project is anticipated to be completed by December 31, 2017. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner (together with the Commissioner, an "Authorized Officer") shall have discretion to extend the construction completion date by issuing a written extension letter in response to a written request from the Owner. To the extent that the Project Real Estate is not rehabilitated, used or maintained during the term of the Class L incentive in a manner which is substantially consistent with the approved Project or Use, as determined by the Authorized Officer, the Authorized Officer is hereby authorized to take such steps as may be necessary and appropriate to withdraw the City's support and consent to the Class L incentive, which may cause the Class L certification to be terminated or revoked.

SECTION 5. The City has reviewed and hereby accepts the Landmarks Commission's written recommendation of the Project for the Class L incentive, which specifies the Project budget and proposed scope of the work, and which specifies that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties, a copy of which is attached hereto as Exhibit 2 and made a part hereof.

SECTION 6. The Authorized Officer is hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Owner with the Assessor for Class L designation of the Project Real Estate.

SECTION 7. The Authorized Officer is hereby authorized to enter into and execute such instruments and agreements, and perform any and all acts as shall be necessary or advisable in connection with the Project which reflect the terms described in Exhibit 2 hereto, or such other terms and conditions as may be imposed or approved in connection with the Project by the Authorized Officer.

SECTION 8. The Authorized Officer is hereby authorized to approve minor changes in the scope of work and budget delineated on (Sub)Exhibits A and B to Exhibit 2 hereof, provided that changes in the Building conditions warrant such changes and will not change the suitability of the Project Real Estate for the Use (all as determined in the sole discretion of the Authorized Officer). Changes to the Project budget delineated on (Sub)Exhibit A to Exhibit 2 shall not require prior City approval provided that the Project is substantially completed in accordance with the scope of work defined in (Sub)Exhibit B to Exhibit 2 and achieves the minimum investment required for Class L eligibility.

SECTION 9. Upon request by the Owner for a final determination of the eligibility of the Project Real Estate for the Class L incentive by the Landmarks Commission pursuant to the Classification Ordinance upon completion of the Substantial Rehabilitation of the Project Real Estate, the Authorized Officer shall verify that the work performed substantially conforms to the Project approved by the City and that the Project Real Estate is eligible for the Class L incentive (the "Final Determination").

SECTION 10. Any conveyance of a fee simple interest in all or a portion of the Project Real Estate by the Owner before the Final Determination shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void. Any renewed support and consent of the City for the Class L incentive contemplated in connection with the Project undertaken by a successor in interest to the Owner of the Project Real Estate prior to the Final Determination shall require additional approval by the Authorized Officer in his or her discretion. In addition, any change prior to the Final Determination in the direct owners in excess of 7.5 percent of the Owner or who constitute the direct or indirect controlling parties of the Owner, as determined by the Corporation Counsel (an "Ownership Change"), shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void, unless such Ownership Change is approved by the Authorized Officer in his or her discretion. This Section 10 shall not apply to the transfer of a beneficial interest in the Owner to Tax Credit Investors with respect to the Project, or to the transfer of a leasehold interest in the Project Real Estate to a master tenant entity owned in whole or in part by one or more Tax Credit Investors, provided that such transfers do not involve a change to the direct or indirect controlling parties of the Owner.

SECTION 11. No permit fee waiver(s) pursuant to Section 2-120-815 of the Municipal Code of Chicago from the City related to the Project Real Estate shall be granted to the Owner during the rehabilitation of the Project and prior to the expiration of the Class L incentive related to the Project Real Estate.

SECTION 12. To the extent that any ordinance, resolution, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 13. This ordinance shall be effective from and after its passage and approval.

WHEREAS, No alternative proposals have been received by the deadline indicated in the aforesaid notice; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The City Council hereby approves the sale of the Property to the Developer for the amount of One Hundred Ninety-one Thousand Dollars ($191,000).

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or the Deputy City Clerk is authorized to attest, one or more quitclaim deeds conveying the Property to the Developer. Without limiting the quitclaim nature of such deed, such conveyance shall be subject to (i) standard exceptions in an ALTA insurance policy; (ii) general real estate taxes and any special assessments or other taxes; (iii) easements, encroachments, covenants, restrictions and liens of record and not shown of record; (iv) such other title defects as may exist; and (v) any and all exceptions caused by acts of the Grantee or its agents.

Such conveyance also shall be subject to the following conditions and covenants, in substantially the form set forth below, which are part of the consideration for the Property and which are to be taken and construed as running with the land and binding on the Developer and its successors and assigns:

First: The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and Grantee agrees to accept the Property in its "as is", "where is" and "with all faults" condition.

Second: The Grantee shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof.

Third: The Grantee hereby waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Property prior to the date of this deed, including, without limitation, liabilities arising under CERCLA. The Grantee hereby acknowledges that, in purchasing the Property, Grantee is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. If, after the date of this deed, the structural, physical and environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be the Grantee's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use.

Fourth: Environmental Matters.

(a) If, in the opinion of the City's Department of Fleet and Facility Management ("DFFM"), based upon the Phase II Environmental Site Assessment reports provided by Grantee prior to closing, an environmental condition exists on the Property of any exceedance of Illinois Environmental Protection Agency's ("IEPA") Tiered Approach to Corrective Action Objectives ("TACO") Section 742.305 criteria, contaminant source and free product determination, the Grantee covenants and agrees to complete, within 180 days of the date of this deed, all investigation, removal, response, disposal, remediation, confirmation sampling and other activities ("Remediation Work") necessary to remediate such exceedances.

(b) The Grantee shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. The Grantee shall promptly transmit to the City copies of all final environmental studies, reports, field data, confirmation samples, correspondence with any environmental agency and similar

documents prepared by or for the Grantee (or otherwise obtained by the Grantee) regarding the environmental condition of the Property, prepared or received after the date hereof, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Remediation Work.

(c) The Grantee shall bear sole responsibility for all costs of the Remediation Work and the costs of any other investigative and cleanup costs associated with the Property.

(d) Upon the completion of the Remediation Work, the Grantee shall request from DFFM a Certificate of Compliance (the "Certificate of Compliance"). Within 45 days thereof, DFFM shall provide the Grantee with either the Certificate of Compliance or a written statement indicating in adequate detail how the Grantee has failed to complete the Project in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole reasonable opinion of DFFM, for the Grantee to take or perform in order to obtain the Certificate of Compliance. The Certificate of Compliance shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of this covenant with respect to the Grantee's obligation to complete the Remediation Work.

(e) If the Grantee fails to timely complete the Remediation Work, or obtain a Certificate of Compliance in connection with development of the Project, the City shall deliver written notice of such default, after which the Grantee shall have a 45-day cure period to remedy such default. If the default is not capable of being cured within the 45-day period, then provided the Grantee has commenced to cure the default and is diligently proceeding to cure the default within the 45-day period, and thereafter diligently prosecutes such cure through to completion, then the 45-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default.

SECTION 3. The closing of the conveyance of the Property from the City to the Developer shall be subject to such conditions as the Department shall determine, including, but not limited to, the following:

(a) The Grantee shall provide the City with a Phase I Environmental Site Assessment ("Phase I") of the Property completed within 180 days prior to the closing date and conducted in conformance with ASTM E 1527-13. DFFM shall have the right to review and approve the sufficiency of the Phase I report for the Property.

(b) Upon the request of DFFM, the Grantee shall perform additional tests for the purpose of determining whether any environmental or health risks would be associated with the development of the Project on the Property, including, without limitation, updating or expanding the Phase I report(s) and performing initial or additional Environmental Site Assessment(s) (collectively, the "Reports"). The environmental

consultant must provide a reliance letter naming the City of Chicago as an authorized user of the Reports.

(c) The Grantee shall provide the City with a Phase II Environmental Site Assessment. DFFM shall have the right to review and approve to the sampling plan and results, and any site investigation reports prepared in connection therewith.

SECTION 4. The Commissioner and the Managing Deputy Commissioner of the Department are each authorized to execute any ancillary closing documents on behalf of the City.

SECTION 5. The transfer of title of the Property from the City to the Developer must close on or before the date that is 60 days following the date on which this ordinance is published in the *Journal* (the "Outside Closing Date"), unless the Commissioner in his sole discretion extends the Outside Closing Date. This ordinance shall be null and void with respect to any portion of the Property that has not yet been transferred to the Developer by the Outside Closing Date, as may be extended.

SECTION 6. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 7. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

WHEREAS, the appraised fair market value of the Property is One Million Five Hundred Thirty Thousand Dollars ($1,530,000); and

WHEREAS, as a condition to the City's conveying the Property to the Developer, the Developer must obtain a Phase I Environmental Site Assessment for the Property in accordance with ASTM E-1527-13 ("Phase I ESA"), which must include a reliance letter naming the City as an authorized user; and

WHEREAS, if the Phase I ESA identifies any recognized environmental conditions in connection with the Property, then the Developer must obtain a Phase II Environmental Site Assessment ("Phase II ESA"), which must include a reliance letter naming the City as an authorized user; and

WHEREAS, if the Phase II ESA identifies contamination above residential remediation objectives as determined by Title 35 of the Illinois Administrative Code Part 742, then the Developer must enroll the Property in the Illinois Environmental Protection Agency (the "IEPA") Site Remediation Program as set forth in Title XVII of the Illinois Environmental Protection Act, 415 ILCS 5/58 *et seq.*, and the regulations promulgated thereunder (the "SRP"), and, following the City's conveyance of the Property to the Developer, the Developer must obtain a comprehensive residential Final No Further Remediation Letter; and

WHEREAS, the City Council, pursuant to an ordinance adopted on _____, 20__ (the "Ordinance Date"), and published at pages _____ through _____ in the Journal of the Proceedings of the City Council of such date, authorized the sale of the Property to the Developer for One Dollar ($1.00), subject to the execution, delivery and recording of this Agreement, and in consideration of the Developer's fulfillment of its obligations under this Agreement, including the obligations (i) to undertake and complete a cosmetic renovation of the Building (the "Project"), and (ii) to operate a day care center on the Property, each as further described in Exhibit B attached hereto.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. PURCHASE PRICE / EARNEST MONEY / PERFORMANCE DEPOSIT.

2.1 Purchase Price. Subject to the terms, covenants and conditions of this Agreement, the City agrees to sell the Property to the Developer, and the Developer agrees to purchase the Property from the City, for One Dollar ($1.00) (the "Purchase Price") to be paid by cashier's check or certified check, to be paid on the Closing Date (defined in Section 3).

2.2 Earnest Money. [Intentionally omitted.]

2.3 Performance Deposit. [Intentionally omitted.]

SECTION 3. CLOSING.

The closing of this Agreement and the closing of the transfer of the Property from the City to the Developer (together, the "Closing", which occurs on the "Closing Date") shall take place concurrently, and at the downtown offices of Greater Illinois Title Company, 120 North LaSalle Street, Chicago, Illinois 60602, or such other reputable title company as may be selected by the Developer (the "Title Company"). In no event shall the Closing occur (1) until and unless the conditions precedent set forth in Section 8 are all satisfied, unless the Department, in its sole discretion, waives one or more of such conditions; and (2) any later than ninety (90) days following the Ordinance Date (i.e., _____, 20__) (the "Outside Closing Date"), unless, at the Developer's request, the Department, in its sole discretion, extends the Outside Closing Date. At the Closing, the City shall deliver to the Developer (a) the Deed (as defined below); (b) all necessary state, county and municipal real estate transfer declarations; and (c) possession of the Property.

SECTION 4. CONVEYANCE OF TITLE.

4.1 Form of Deed. The City shall convey the Property to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and, without limiting the quitclaim nature of the Deed, to the following:

a. standard exceptions in an ALTA title insurance policy;
b. general real estate taxes and any special assessments or other taxes;
c. all easements, encroachments, covenants and restrictions of record and not shown of record;
d. such other title defects that may exist; and
e. any and all exceptions caused by the acts of the Developer or its agents.

4.2 Recording Costs. The Developer shall at its expense record, or cause the Title Company to record, the Deed, this Agreement, and any other documents incident to the conveyance of the Property to the Developer.

4.3 Escrow. If the Developer requires conveyance through escrow, the Developer shall pay all escrow fees.

SECTION 5. TITLE, SURVEY AND REAL ESTATE TAXES.

5.1 Title Commitment and Insurance. Not less than 30 days before the Closing Date, the Developer shall order a current title commitment for the Property issued by the Title Company. The Developer shall pay the cost of, and shall be responsible for, obtaining on the Closing Date, any title insurance, extended coverage and any endorsements it deems necessary. The City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer documents typically required by the Title Company and typically provided by the City (but expressly excluding, however, "gap" undertakings, title indemnities and similar

liabilities) at or prior to the Closing. Promptly following the Closing, the Developer shall deliver to the City a copy of the owner's policy of title insurance that it obtains with respect to the Property.

5.2 Survey. The Developer will be responsible for obtaining, at Developer's expense, any survey for the Property, as it deems necessary.

5.3 Real Estate Taxes. The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate taxes or tax liens on the Property prior to the Closing Date, to the extent such taxes or tax liens can be waived or released through the submission of an abatement letter to the Cook County Treasurer, a motion to vacate a tax sale, or a petition for exemption. If, after using such reasonable efforts, the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the Property is encumbered with any other exceptions that would adversely affect the use and insurability of the Property for the development of the Project, the Developer shall have the option to do one of the following: (1) accept title to the Property subject to the exceptions, without reduction in the Purchase Price; or (2) terminate this Agreement by delivery of written notice to the City, in which event this Agreement shall be null and void, and except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to all exceptions.

SECTION 6. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall apply for and obtain all necessary building permits and other approvals, including, without limitation, zoning approval (collectively, the "Governmental Approvals") necessary for the Project, prior to the Closing Date, unless the Department, in its sole discretion, agrees to waive such requirement.

SECTION 7. PROJECT BUDGET AND PROOF OF FINANCING.

The total budget for the Project is currently estimated to be Fifty-Two Thousand Three Hundred One and 00/100 Dollars ($52,301.00) (the "Preliminary Project Budget"). Not less than fourteen (14) days prior to the Closing Date, the Developer shall submit to the Department for approval: (1) a final budget for the Project which is materially consistent with the Preliminary Project Budget (the "Final Project Budget"); and (2) evidence of availability of one hundred percent (100%) of funds necessary to complete the Project, as shall be acceptable to the Department, in its sole discretion (the "Proof of Financing").

SECTION 8. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon each of the following being satisfied at least seven (7) days prior to the Closing Date, or by such other date as may be specified, unless waived or extended in writing by the Commissioner of the Department (the "Commissioner"):

8.1 Final Governmental Approvals. Developer shall have delivered to the City evidence of its receipt of all Governmental Approvals necessary to construct the Project.

8.2 Budget and Proof of Financing. The City shall have approved the Developer's Final Project Budget and Proof of Financing as described in Section 7.

8.3 Simultaneous Loan Closing. On the date of the Closing, the Developer shall simultaneously close the financing necessary for the acquisition and construction of the Project, and be in a position to immediately commence construction of the Project.

8.4 Insurance. The Developer shall provide evidence of insurance reasonably acceptable to the City. The City shall be named as an additional insured on any liability insurance policies ($1M per occurrence and $2M aggregate) and as a loss payee (subject to the rights of any permitted mortgagee) on any property insurance policies from the Closing Date through the date the City issues the Certificate of Completion (as defined in Section 12). With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

8.5 Legal Opinion. The Developer shall have delivered to the City a legal opinion stating, in part, that the Developer has been duly organized and that the Developer is duly authorized to enter into this Agreement. Such opinion shall be in a form and substance reasonably acceptable to the City's Corporation Counsel.

8.6 Due Diligence. The Developer shall have delivered to the City due diligence searches in Developer's name (UCC, State and federal tax lien, pending litigation and judgments in Cook County and the U.S. District Court for the Northern District of Illinois, and bankruptcy) showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the City's Corporation Counsel. Litigation searches must be provided with the Developer named as the plaintiff and with the Developer named as defendant.

8.7 Organization and Authority Documents. The Developer shall have delivered to the City: certified articles of incorporation, including all amendments thereto, of the Developer, as furnished and certified by the Secretary of State of the State of Illinois; a Certificate of Good Standing dated no more than thirty (30) days prior to the Closing Date, issued by the Secretary of State of the State of Illinois, as to the good standing of the Developer; and resolutions and such other organizational documents as the City may reasonably request.

8.8 Subordination Agreement. On the Closing Date, and prior to recording any mortgage approved pursuant to Section 8.2, the Developer shall, at the City's request, deliver to the City a subordination agreement substantially in the form attached hereto as Exhibit C attached hereto (the "Subordination Agreement"), in which the construction lender agrees to subordinate the lien of its mortgage to the covenants running with the land.

8.9 Compliance Meeting. [Intentionally omitted.]

8.10 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in this Agreement shall be true and correct.

8.11 Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as of the Closing Date.

8.12 Reconveyance Deed. Prior to the conveyance of the Property to the Developer, the Developer shall deliver to the City a special warranty deed for the Property in recordable form naming the City as grantee ("Reconveyance Deed"), for possible recording in accordance with Section 18.3.d. below.

8.13 Right to Terminate. If any of the conditions in this Section 8 have not been satisfied to the City's reasonable satisfaction within the time periods provided for herein, the City may, at its option, terminate this Agreement after (a) delivery of written notice to the Developer at any time after the expiration of the applicable time period, stating the condition or conditions that have not been fulfilled, and (b) providing the Developer with forty-five (45) days to fulfill those conditions. If, after receiving notice and an opportunity to cure as described in the preceding sentence, the Developer still has not fulfilled the applicable conditions to the City's reasonable satisfaction, this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 9. SITE PLANS AND ARCHITECTURAL DRAWINGS.

9.1 Site Plans. The Developer shall perform, or cause to be performed, the work set forth in Section A. of Exhibit B.

9.2 Relocation of Utilities, Curb Cuts and Driveways. To the extent necessary to complete the Project, the Developer shall be solely responsible for and shall pay all costs in regard to: (1) the relocation, installation or construction of public or private utilities located on the Property; (2) the relocation, installation and construction of any curb cuts and driveways; (3) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with the Project; (4) the removal of existing pipes, utility equipment or building foundations located on the Property; and (5) the termination of existing water or other services. Any streetscaping, including any paving of sidewalks, landscaping and lighting provided by the Developer, as part of the Project, must be approved by the City.

9.3 Inspection by the City. For the period commencing on the Closing Date and continuing through the date the City issues the Certificate of Completion, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules,

regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

9.4 Barricades and Signs. Upon the City's request, the Developer agrees to erect such signs as the City may reasonably require identifying the Property as a City redevelopment project. The Developer may erect signs of its own incorporating such approved identification information upon the execution of this Agreement. Prior to the commencement of any construction activity requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. The City shall have the right to approve all barricades, the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, and all signage.

SECTION 10. LIMITED APPLICABILITY.

The approval of the work set forth in Section A. of Exhibit B by the Department's Bureau of Economic Development is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings, any other Department bureau (such as, but not limited to, the Department's Bureau of Zoning), or any other City department; nor does the approval by the Department pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property. The approval given by the Department shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 11. COMMENCEMENT AND COMPLETION OF PROJECT.

Subject to the receipt of all necessary Governmental Approvals, the Developer shall commence the work set forth in Section A. of Exhibit B no later than thirty (30) days following the Closing Date (the "Outside Construction Commencement Date"), and shall complete such work, as reasonably determined by the Department and evidenced by a Certificate of Completion, no later than ninety (90) days following the Outside Construction Commencement Date (the "Outside Construction Completion Date"), and shall no later than six (6) months following the Closing Date obtain, and provide to the City a copy of, all permits and licenses required by the Illinois Department of Children and Family Services ("DCFS") to operate a childcare center in the Building (the "Outside Permit Date").

The Commissioner shall have discretion to extend the Outside Construction Commencement Date, the Outside Construction Completion Date and the Outside Permit Date for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction of the Project. The Project shall be constructed in accordance with all applicable Laws.

SECTION 12. CERTIFICATE OF COMPLETION.

Upon the later of (a) the City's issuance of a certificate of occupancy for the Building and (b) the issuance of all permits and licenses required by the Illinois Department of Children and Family Services to operate a childcare center on the Property, the Developer shall request from the City a certificate of completion (the "Certificate of Completion"). Within forty-five (45) days thereof, the City shall provide the Developer with either:

(i) the Certificate of Completion; or

(ii) a written statement indicating that the City will not provide the Certificate of Completion. Such written statement will identify whether: (x) the Developer has failed to complete the Project in compliance with this Agreement; (y) the Developer has failed to obtain a certificate of occupancy and all permits and licenses necessary to operate a daycare center at the Property, or (z) the Developer is otherwise in default. In addition, the written statement will identify what measures or acts are necessary, in the sole reasonable opinion of the Department, for the Developer to take or perform in order to obtain the Certificate of Completion.

If the Department requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of certain of the covenants in this Agreement and the Deed (but excluding those on-going covenants as referenced in Section 17) with respect to the Developer's obligations to construct the Project.

SECTION 13. RESTRICTIONS ON USE.

The Developer, for itself and its successors and assigns, agrees as follows:

13.1 The Developer shall construct the Project in accordance with Section A. of Exhibit B, this Agreement and all applicable Laws.

13.2 The Developer shall not, in violation of applicable law, discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof.

13.3 The Developer shall use the Property solely for a not-for-profit children's day care center, providing free or reduced-rate early learning and development services to children less than five (5) years of age, with a minimum annual enrollment of fifty (50) children, with at least fifty percent (50%) of the total annual enrollment from low-income families, as determined by the Poverty Guideline issued by the U.S. Department of Health and Human Services and published annually in the Federal Register, and for no other purpose, unless approved in writing by the Commissioner.

13.4 Commencing one (1) year after the City's issuance of the Certificate of Completion, and annually thereafter, the Developer shall submit to the Department: (a) an annual, notarized affidavit signed by the Developer's CEO/Executive Director and the Developer's Chairman of the Board certifying that at least fifty (50) children less than five (5) years of age were enrolled in that calendar year at the Property and certifying that at least fifty percent (50%) of the total annual enrollment were children from low-income families, as determined by the Poverty Guideline issued by the U.S. Department of Health and Human

Services and published annually in the Federal Register; (b) proof of all permits and licenses required by DCFS to operate a childcare center; and (c) documentation evidencing that property taxes have been paid or an application for tax exemption has been filed. Each affidavit and the property tax documentation must be submitted to the Department within thirty (30) days following the completion of each applicable one (1) year period.

SECTION 14. PROHIBITION AGAINST TRANSFER OF PROPERTY.

14.1 Restriction on Transfer Prior to Issuance of Certificate of Completion. Prior to the City's issuance of the Certificate of Completion, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion: (a) merge, liquidate or consolidate; (b) directly or indirectly sell, transfer, convey, lease (except for leases executed by the Developer in its ordinary course of business) or otherwise dispose of all or substantially all of its assets or all or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) or any interest therein or the Developer's controlling interests therein (including, without limitation, a transfer by assignment of any beneficial interest under a land trust); (c) directly or indirectly assign this Agreement; or (d) enter into any transaction outside the ordinary course of its business. The Developer acknowledges and agrees that the Department may withhold its consent under (a) through (d) above if, among other reasons, the proposed purchaser, transferee or assignee (or any of such entity's principal officers, members or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. In the event of a proposed sale, transfer, conveyance, lease or other disposition of all or any portion of the Property, the Developer shall provide the City copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed purchaser, transferee or assignee, as applicable, regarding this Agreement, and such other information as the City may reasonably request. The proposed purchaser, transferee or assignee must be qualified to do business with the City (including but not limited to the City's anti-scofflaw requirement). If the City consents to any of the transactions described in this Section 14.1, then the Developer shall pay the one hundred percent (100%) of the "Net Sales Proceeds" (as defined below).

"Net Sales Proceeds" equals:

(i) the greater of (a) the price at which the Developer sells, transfers, leases, conveys or otherwise disposes of the Property or the Developer's interest therein and (b) the fair market value of the Property, valued with improvements, as of a date not more than six (6) months prior to the transaction (i.e., merger, sale, lease, etc.) closing date, as determined by an appraiser selected by the City and paid for by the Developer,

minus

(ii) the sum of the Developer's closing costs and commissions, and the dollar amount of any existing mortgage that was approved by the Department in accordance with Sections 7 and 8.2.

14.2 Transfer of Property Within Twenty (20) Years Following the Date of the Certificate of Completion. During the period following the date of the Certificate of Completion and prior to the date that is twenty (20) years after the date of the Certificate of Completion, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion, directly or indirectly sell, transfer, convey, lease (except for leases executed by the Developer in its ordinary course of business) or otherwise dispose of all or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) or any interest therein or the Developer's controlling interests therein (including, without limitation, a transfer by assignment of any beneficial interest under a land trust). The Developer acknowledges and agrees that the Department may withhold its consent under this Section 14.2 if, among other reasons, the proposed purchaser, transferee or assignee (or any of such entity's principal officers, members or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. In the event of a proposed sale, transfer, conveyance, lease or other disposition of all or any portion of the Property, the Developer shall provide the City copies of any and all sales contracts, legal descriptions, descriptions of intended use, proposed operating agreement(s), certifications from the proposed purchaser, transferee or assignee, as applicable, regarding this Agreement and such other information as the City may reasonably request. The proposed purchaser, transferee or assignee must be qualified to do business with the City (including but not limited to anti-scofflaw requirement).

If the City consents to a sale, transfer, conveyance, lease or other disposition of the Property following the date of the Certificate of Completion, but prior to the date that is twenty (20) years after the date of the Certificate of Completion, such consent shall be conditioned upon the Developer's paying the City a percentage of the Net Sales Proceeds in accordance with the following chart:

Time elapsed from the date of the Certificate of Completion	Percentage of Net Sales Proceeds to be paid to the City_____
1. One (1) day through year five (5)	100%
2. Year six (6) through year ten (10)	75%
3. Year eleven (11) through year fifteen (15)	50%
4. Year sixteen (16) through year twenty (20)	25%
5. After twenty (20) years have elapsed	0%.

14.3 Transfer of Property More than Twenty (20) Years Following the Date of the Certificate of Completion. Upon the expiration of twenty (20) years following the date of the Certificate of Completion, the City's consent shall not be required for any sale, transfer, conveyance, lease or other disposition of all or any portion of the Property (including but not

limited to any fixtures or equipment now or hereafter attached thereto) or any interest therein or the Developer's controlling interests therein.

SECTION 15. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without the Department's prior written consent, engage in any financing or other transaction which creates a financial encumbrance or lien on the Property, except for the purposes of obtaining: (a) funds necessary to acquire the Property; (b) funds related to the Proof of Financing or otherwise necessary to construct the Project in substantial accordance with the Final Project Budget; and (c) after construction, funds necessary to own, maintain and operate the Property in accordance with the requirements of this Agreement. After the issuance of the Certificate of Completion, no City consent shall be required for any type of financing or other transaction which creates a financial encumbrance or lien on the Property.

SECTION 16. MORTGAGEES NOT OBLIGATED TO CONSTRUCT

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 17 and, at Closing, at the City's request, shall execute a Subordination Agreement (as defined in Section 8.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party (that is not also a mortgagee), such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 17.

SECTION 17. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), and Section 14 (Prohibition Against Transfer of Property) and Section 15 (Limitation Upon Encumbrance of Property) will be covenants running with the Property, binding on the Developer and its successors and assigns (subject to the limitations set forth in Section 16 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 11, and Section 13.1 shall terminate upon the City's issuance of the Certificate of Completion. The covenants contained in Section 13.2 and Section 21.5 shall remain in effect without limitation as to time. The covenants contained in Section 13.3, Section 13.4, Section 14 and Section 15 shall terminate twenty (20) years after the date on which the City issues the Certificate of Completion, unless terminated in writing at an earlier date in the sole discretion of the Commissioner.

SECTION 18. PERFORMANCE AND BREACH.

18.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

18.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including but not limited to, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, material shortages, and unusually severe weather or delays of contractors or subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests it in writing of the City within thirty (30) days after the beginning of any such delay.

18.3 Breach.

a. Generally. Except as provided in Section 18.3.b., if the Developer defaults in performing its obligations under this Agreement, the City shall deliver written notice of such default, after which the Developer shall have a 45-day cure period to remedy such default. If the default is not capable of being cured within the 45-day period, then provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 45-day period, and thereafter diligently prosecutes such cure through to completion, then the 45-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

b. Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" after written notice from the City (if required):

1. The Developer fails to perform any obligation of the Developer under this Agreement, which default is not cured pursuant to Section 18.3.a.; or

2. The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct, which default is not cured pursuant to Section 18.3.a.; or

3. A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within sixty (60) days after filing; or

4. Except as excused by Section 18.2 above, the Developer abandons or substantially suspends the construction work for a period of time greater than 60 days (no notice or cure period shall apply); or

5. The Developer fails to timely submit the documentation required by Section 13.4 (no notice or cure period shall apply); or

6. The Developer fails to comply with the operating covenant set forth in Section 13.3 (no notice or cure period shall apply); or

7. Unless being contested in good faith by the Developer, the Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property, which default is not cured pursuant to Section 18.3.a.; or

8. The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement (no notice or cure period shall apply); or

9. The Developer's financial condition or operations adversely change to such an extent that would materially and adversely affect the Developer's ability to complete the Project, which default is not cured pursuant to Section 18.3.a.; or

10. The Developer fails to perform, keep or observe any of the other covenants, promises, agreements, or obligations under this Agreement, including but not limited to, the covenants set forth in Sections 13 and 17 herein, or any other written agreement entered into with the City with respect to this Project, which default is not cured pursuant to Section 18.3.a.; or

11. Failure to close by the Outside Closing Date, unless the Department in its sole discretion extends the Outside Closing Date in accordance with Section 3 of this Agreement (no notice or cure period shall apply); or

12. Failure to commence or complete construction in accordance with the timeframes set forth in Section 11 of this Agreement; or

13. Failure to (a) timely apply to the Board of Review for Cook County, Illinois, for an exemption from real estate property taxes, or (b) timely pay real estate property taxes, which default is not cured pursuant to Section 18.3.a.

c. Prior to Conveyance. Prior to Closing, if an Event of Default occurs and is continuing, and the default is not cured in the time period provided herein, the City may

terminate this Agreement, and institute any action or proceeding at law or in equity against the Developer.

d. After Conveyance. If an Event of Default occurs after the Closing but prior to the date that is twenty (20) years after the date of the Certificate of Completion, and the default is not cured in the time period provided for in this Section 18.3, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and direct the Title Company to record the Reconveyance Deed for the purpose of revesting title to the Property in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the Title Company, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer will cooperate with the City and Title Company to ensure that if the Title Company records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Property to the Developer and except for any mortgage authorized by this Agreement.

Notwithstanding the foregoing to the contrary, prior to its exercise of its Right of Reverter, the City shall provide written notice to the Developer of its intent to exercise its Right of Reverter, and the Developer shall have an additional ninety (90) days to cure the applicable Event of Default.

Following the revesting in the City of title to the Property as provided in this Section 18.3.d., the City shall employ its best efforts to convey the Property (subject to all existing encumbrances) to a qualified and financially responsible party (reasonably acceptable to the first mortgagee) for the fair market value of the Property. Such purchaser is subject to the covenants that run with the Property, as specified in Section 17.

If the City sells the Property as provided for in this Section 18.3.d., the proceeds from the sale shall be utilized to reimburse the City for:

1. the fair market value of the Property, which fair market value shall equal the appraised fair market value of the Property as of a date not more than six (6) months prior to the sales date; and

2. costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property; and

3. all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

4. any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

5. any expenditures made or obligations incurred by the City with respect to construction or maintenance of the Project; and

6. any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds.

Notwithstanding anything contained herein to the contrary, the City's Right of Reverter shall terminate on the date that is twenty (20) years after the date on which the City issues the Certificate of Completion. Following the expiration of such 20-year period, the Developer may request in writing the return of the Reconveyance Deed, and the City shall return the Reconveyance Deed to the Developer promptly following its receipt of such request.

e. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

SECTION 19. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

SECTION 20. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) (collectively "Losses") suffered or incurred by the City arising from or in connection with: (1) an Event of Default that

has occurred; (2) the failure of the Developer or any of Developer's contractors, subcontractors or agents to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (3) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (4) any actions, including but not limited to, conducting environmental tests on the Property as set forth in Section 21 herein, resulting from any activity undertaken by the Developer on the Property prior to or after the conveyance of said Property to the Developer by the City; provided, however, the Developer shall have no obligation to indemnify the City for Losses (i) to the extent such Losses are caused by the City or its agents, or (ii) to the extent such Losses were not suffered or incurred by the City in connection with any of items (1) through (4) set forth in the first sentence of this Section 21 and arose after the City has re-acquired the Property from the Developer. This indemnification shall survive any termination of this Agreement (regardless of the reason for such termination).

SECTION 21. ENVIRONMENTAL MATTERS.

21.1 Definitions. For purposes of this Agreement, the following terms shall have the following meanings:

"Draft NFR Letter" means a draft comprehensive residential "No Further Remediation" Letter issued by the IEPA for the Property based on TACO residential remediation objectives, as amended or supplemented from time to time. The Draft NFR Letter shall state that the Property meets TACO remediation objectives for residential properties and the construction worker exposure route as set forth in 35 Ill. Adm. Code Part 742, as amended or supplemented from time to time, but may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA.

"Environmental Laws" means any and all Laws relating to the regulation and protection of human health, safety, the environment and natural resources now or hereafter in effect, as amended or supplemented from time to time, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 *et seq.*, the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 *et seq.*, the Hazardous Materials Transportation Act, 49 U.S.C. § 5101 *et seq.*, the Federal Water Pollution Control Act, 33 U.S.C. § 1251 *et seq.*, the Clean Air Act, 42 U.S.C. § 7401 *et seq.*, the Toxic Substances Control Act, 15 U.S.C. § 2601 *et seq.*, the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. § 136 *et seq.*, the Occupational Safety and Health Act, 29 U.S.C. § 651 *et seq.*, any and all regulations promulgated under such Laws, and all analogous state and local counterparts or equivalents of such Laws, including, without limitation, the Illinois Environmental Protection Act, 415 ILCS 5/1 *et seq.*, and the common law, including, without limitation, trespass and nuisance.

"Environmental Remediation Work" shall mean all investigation, sampling, monitoring, testing, reporting, removal (including, excavation, transportation and disposal), response, storage, remediation, treatment and other activities necessary for the performance of the Project, all in accordance with all requirements of the IEPA, and all applicable Laws, including, without limitation, all applicable Environmental Laws.

"Final NFR Letter" means a final comprehensive residential "No Further Remediation" letter issued by the IEPA approving the use of the Property for the construction, development and operation of the Project in accordance with Exhibit B and the terms and conditions of the SRP Documents, as amended or supplemented from time to time. The contaminants of concern associated with the Final NFR Letter shall include volatile organic compounds, polynuclear aromatic hydrocarbons and Resource Conservation and Recovery Act 8 metals. The Final NFR Letter shall state that the Property meets TACO Tier 1 remediation objectives for residential properties and the construction worker exposure route as set forth in 35 Ill. Adm. Code Part 742, as amended or supplemented from time to time, but may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA.

"Hazardous Substance" means any toxic substance, hazardous substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws, or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, petroleum (including crude oil or any fraction thereof), any radioactive material or by-product material, polychlorinated biphenyls and asbestos in any form or condition.

"TACO" means the Tiered Approach to Corrective Action Objectives codified at 35 Ill. Adm. Code Part 742 *et seq.*

21.2 "AS IS" Sale. THE CITY MAKES NO COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY. THE DEVELOPER AGREES TO ACCEPT THE PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS ITS SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM AT ITS EXPENSE ANY ENVIRONMENTAL REMEDIATION WORK (AS DEFINED BELOW) AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

21.3 Right of Entry. Pursuant to the Developer's request, the City previously granted the Developer the right, at its sole cost and expense, to enter the Property pursuant one or more right of entry agreements to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property. The Developer acknowledges that it is satisfied with the condition of the Property. The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property.

21.4 Environmental Remediation.

Prior to renovation of the Building, the Developer must obtain a hazardous materials survey and develop an abatement plan, if deemed necessary by the City, and the cosmetic renovation work on the Building must be consistent with such abatement plan. Lead-based paint and asbestos abatement must be completed in accordance with all local, state and federal regulations and, as required by the City, the Developer must develop and either implement or cause to be implemented an operations and maintenance plans for any regulated materials to be left in place.

The Developer must obtain a Phase I ESA, within 180 days prior to the Closing, which must include a reliance letter naming the City as an authorized user. If the Phase I ESA identifies any recognized environmental conditions in connection with the Property, then the Developer must obtain a Phase II ESA for the Property, which must include a reliance letter naming the City as an authorized user.

If the Phase II ESA identifies contamination above residential remediation objectives as determined by Title 35 of the Illinois Administrative Code Part 742, then the Developer must enroll the Property in the SRP.

If the Developer is required to enroll the Property in the SRP, then the Developer shall undertake all Environmental Remediation Work that may be needed on the Property promptly after the Closing in order to obtain a Final NFR Letter, and shall obtain such Final NFR Letter. The contractors selected by the Developer, and the terms of their contracts must be approved by the City, prior to the commencement of any Environmental Remediation Work on the Property. The Developer shall be solely responsible for all site preparation costs, including, but not limited to, the removal of pre-existing building foundations, soil exceeding residential remediation objectives as determined by Title 35 of the Illinois Administrative Code Part 742, and demolition debris, and the removal, disposal, storage, remediation, removal or treatment of all Hazardous Substances from the Property.

The City, acting through its Department of Fleet and Facility Management, and any successor department thereto ("DFFM") shall have the right to review and approve the Draft NFR Letter, if a Draft NFR is required.

After DFFM approves the Draft NFR Letter, the Developer covenants and agrees to complete all Environmental Remediation Work necessary to obtain (as applicable) a Final NFR Letter. The Final NFR Letter may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA. The

City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the Comprehensive Site Investigation and Remediation Objectives Report, the Remedial Action Plan, and the Remedial Action Completion Report (collectively, the "SRP Documents") and any changes thereto. The Developer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. The Developer shall bear sole responsibility for all aspects of the Environmental Remediation Work and any other investigative and cleanup costs associated with the Property. The Developer shall promptly transmit to the City copies of all SRP Documents prepared or received after the date hereof, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Environmental Remediation Work.

The Developer acknowledges and agrees that the City will not issue a Certificate of Completion for the Project or a certificate of occupancy for the Building until the IEPA has issued, and the City has approved, a Final NFR Letter for the Property, if a Final NFR Letter was required by the terms of this Agreement.

The Developer must abide by the terms and conditions of the Final NFR Letter, if a Final NFR Letter was required.

21.5 Release and Indemnification. The Developer, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "Developer Parties"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees, from and against any and all Losses which the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substance, or threatened release, emission or discharge of Hazardous Substance; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substance in, on, under or about the Property or the migration of Hazardous Substance from or to other property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, however, the foregoing release shall not apply to the extent such Losses are proximately caused by the gross negligence or willful misconduct of the City following the Closing Date. Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the City and its officers, agents and employees harmless from and against any and all Losses which may be made or

asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately preceding sentence for the City's gross negligence or willful misconduct following the Closing Date.

21.6 Release Runs with the Property. The covenant of release in Section 21.5 above shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or Developer Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, the Developer and any of the Developer Parties shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 21.5 contains a full, complete and final release of all such claims, except as provided in such section for the City's gross negligence or willful misconduct following the Closing Date.

21.7 Survival. This Section 21 shall survive the Closing Date or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

22.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 *et seq.* of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants

shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 *et seq.* (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 22.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 22.1 shall be a basis for the City to pursue remedies under the provisions of Section 18.

22.2 City Resident Employment Requirement. The Developer shall not be required to comply with Section 2-92-330 of the Municipal Code of Chicago (Contracts – Percentages of city and project area residents work hours – Enforcement) because the dollar value of the Project is less than the minimum dollar amount set forth in such section (i.e., $100,000).

22.3 MBE/WBE. Based, in part, on the dollar amount of anticipated construction costs for the Project (i.e., $38,800 of the preliminary Project Budget), the Department has determined that it would be impracticable to require the Developer to comply with (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 *et seq.* of the Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 *et seq.* of the Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"). As a result, compliance with the MBE/WBE Program shall not be required.

22.4 Pre-Construction Conference and Post-Closing Compliance Requirements. [Intentionally omitted.]

SECTION 23. REPRESENTATIONS AND WARRANTIES.

23.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

a. The Developer is a not-for-profit corporation duly organized, validly existing and in good standing under the laws of the State of Illinois, with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of the Developer has the authority to do so.

b. All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

c. The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

d. To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations hereunder; or (b) materially affect the operation or financial condition of the Developer.

e. To the best of the Developer's knowledge, the Project will not violate: (a) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (b) any building permit, restriction of record or other agreement affecting the Property.

23.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein, and the person signing this Agreement on behalf of the City has the authority to do so.

23.3 Survival of Representations and Warranties. Each party agrees that all of its representations and warranties set forth in this Section 23 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter,

except with respect to matters which have been disclosed in writing and approved by the other party.

SECTION 24. PROVISIONS NOT MERGED WITH DEED.

The provisions of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the provisions of this Agreement.

SECTION 25. HEADINGS.

The headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending, or affecting in any way the express terms and provisions thereof.

This Agreement may not be modified or amended in any manner other than by supplemental written agreement executed by the parties.

SECTION 27. SEVERABILITY.

If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof is held invalid, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

The parties agree to perform such other acts and to execute, acknowledge and deliver such other instruments, documents and materials as may be reasonably necessary to consummate the transactions contemplated by this Agreement.

SECTION 31. BUSINESS RELATIONSHIPS.

The Developer acknowledges (1) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as described in Section 2-156-080 of the Municipal

Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 32. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 33. PROHIBITION ON CERTAIN CONTRIBUTIONS – MAYORAL EXECUTIVE ORDER NO. 2011-4.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as

applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (1) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

1. they are each other's sole domestic partner, responsible for each other's common welfare; and
2. neither party is married; and
3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and

4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
5. two of the following four conditions exist for the partners:
   a. The partners have been residing together for at least 12 months.
   b. The partners have common or joint ownership of a residence.
   c. The partners have at least two of the following arrangements:
      i. joint ownership of a motor vehicle;
      ii. a joint credit account;
      iii. a joint checking account; and
      iv. a lease for a residence identifying both domestic partners as tenants.
   d. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 34. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 35. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

SECTION 36. 2014 CITY HIRING PLAN.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a

subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

(iii) The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to the Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, the Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by the OIG.

SECTION 37. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

SECTION 38. DATE OF PERFORMANCE. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

SECTION 39. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to its choice of laws principles.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

Failure of the Lender to deliver such notices or waivers shall in no instance alter the rights or remedies of the Lender under the Loan Documents.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are expressly incorporated in and made part of this ordinance as though fully set forth herein.

SECTION 2. The City Council of the City hereby approves the sale of the Property to the Grantee for the Purchase Price. With Zitella Management LLC.

THIS REAL ESTATE PURCHASE AND SALE AGREEMENT (this "**Agreement**") is entered into by and between **ZITELLA MANAGEMENT, LLC**, an Illinois limited liability company with a principal business address at 4970 North Harlem Avenue, Harwood Heights, Illinois 60706 ("**Buyer**"), and the **CITY OF CHICAGO**, a municipal corporation and home rule unit of government, having its principal offices at City Hall, 121 North LaSalle Street, Chicago, Illinois 60602 ("**City**"), acting by and through its Department of Planning and Development (together with any successor department thereto, the "**Department**"), on or as of _____, 2016 (the "**Effective Date**").

Section 1. **The Property**. The "**Property**" as referred to in this Agreement consists of the real property legally described on Exhibit A attached hereto, which is improved with a vacant one story building (the "**Building**"). The Buyer plans to develop a multi-unit residential project at the Property (the "**Project**").

Section 2. **Purchase Price**. The purchase price for the Property is One Hundred Fifty Thousand and No/100 Dollars ($150,000) (the "**Purchase Price**").

Section 3. **Earnest Money**. Buyer has delivered an earnest money deposit in the amount of Fifteen Thousand and No/100 Dollars ($15,000) to City (the "**Earnest Money**"). Except as otherwise provided under this Agreement, the Earnest Money shall be non-refundable and shall be applied to the Purchase Price at the Closing (as defined below). The City shall not pay interest on the Earnest Money.

Section 4. **Closing**. The closing of the conveyance of the Property from the City to the Buyer (the "**Closing**") shall occur on a date and at a time reasonably determined by the City and Buyer within thirty (30) days following the later of (i) the publication of the ordinance authorizing the City's sale of the Property to the Buyer, or (ii) the satisfaction of the closing conditions in Section 15, unless the Commissioner of the Department on behalf of City, in his sole discretion, extends such outside date (the date on which the Closing occurs, the "**Closing Date**"). The Closing shall occur at the downtown offices of Proper Title Company, 180 N. LaSalle Street, Suite 1920, Chicago, Illinois 60601 (the "**Title Company**"). All closing, recording, escrow and title costs and fees shall be paid by Buyer.

Section 5. **Default**. With respect to a default prior to the Closing: If either party shall default in any of their respective obligations under this Agreement, the defaulting party shall have thirty (30) days after written notice from the non-defaulting party to cure such default, or such longer period as shall be reasonably necessary to cure such default, provided the defaulting party promptly commences such cure and thereafter diligently pursues such cure to completion, but in no event longer than an additional thirty (30) day period. If the default is not cured by the end of such cure period, the non-defaulting party may terminate this Agreement. In the case of any material default by Buyer, the Earnest Money shall be promptly forfeited to City as City's sole and exclusive remedy. In the case of any material default by City, Buyer's sole and exclusive remedy is termination of this Agreement and return of the Earnest Money to Buyer.

Section 6. **Payments at Closing**. The Buyer shall wire transfer the balance of the Purchase Price to the Title Company at the Closing. The Buyer shall cause to be paid to the City, either directly to City or through the Title Company, by one or more cashier's checks or certified checks made payable to "City of Chicago", the balance of the Purchase Price in the total amount of One Hundred Thirty Five Thousand and No/100 Dollars ($135,000).

Section 7. **Prorations and Real Estate Taxes**. The Property currently is exempt from real estate taxes. There shall be no prorations of real estate taxes or liens. Following the Closing, the Buyer shall take such actions as are necessary to put the Property on the tax rolls, including issuing a notification of the sale with the new tax address to the Cook County Assessor's Office.

Section 8. **Transfer Taxes**. The transaction contemplated by this Agreement is exempt from transfer taxes as a transfer from a governmental body.

Section 9. **Deed and Closing Documents**.

(a) At the Closing, City shall execute and deliver to Buyer, or cause to be executed and delivered to Buyer, a recordable quit claim deed (the "**Deed**"). The Deed shall contain the covenants running with the land described in Sections 16, 17, and 18 of this Agreement.

(b) At the Closing, the City shall deliver to the Buyer all necessary state, county and municipal real estate transfer declarations (i.e. MyDec), and a full payment certificate from the water department showing a zero balance.

(c) The Closing shall be closed pursuant to a so called "New York style" closing and money escrow with the Title Company, at Buyer's sole cost and expense; provided, however, that the City shall only provide those transfer documents typically provided by the City to the Title Company (but expressly excluding any "gap" undertakings, title indemnities and similar liabilities).

(d) At or prior to the Closing, Buyer shall deliver all documents and instruments, each executed and acknowledged (where appropriate) by Buyer, which City may reasonably determine are necessary to evidence the authority of Buyer to enter into and perform this Agreement. In addition, the Buyer, and any entity with an interest in Buyer that is required to submit an Economic Disclosure Statement and Affidavit ("EDS"), shall each provide an EDS (or a recertification to an EDS previously accepted by the City) executed and notarized on the Closing Date, and acceptable to the City. The Buyer must be qualified to do business with the City (including but not limited to satisfaction of all anti-scofflaw requirements).

Section 10. **As-Is Sale**.

(a) City shall grant Buyer a right of entry, in the City's customary form and subject to City's receipt from Buyer of required documentation (e.g., evidence of insurance and an Economic Disclosure Statement and Affidavit that is current as of the date of the right of entry), in order for to Buyer to perform or cause to be performed any structural, physical and environmental inspections of the Property as Buyer deems necessary; provided, however, City shall have the right to review and approve the scope of work for any environmental testing, including a Phase I and Phase II.

(b) Subject to the City having granted Buyer a right of entry, Buyer acknowledges that it has had adequate opportunity to inspect and evaluate the structural, physical and environmental condition and risks of the Property and accepts the risk that any inspection may not disclose all material matters affecting the Property. Notwithstanding anything to the contrary contained in this Agreement, it is expressly understood and agreed that Buyer is buying the Property in its "as is" and "where is" condition as of the time of the Closing, and with all faults and defects, latent or otherwise, and that City has not made and does not make any covenant, representation or warranty, express or implied, of any kind, or give any indemnification of any kind to Buyer, with respect to the physical, structural or environmental condition or value of the Property, its compliance with any statute, ordinance or regulation, or its habitability, suitability, merchantability or fitness for any purpose whatsoever. Buyer acknowledges that it is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. Buyer agrees that it is Buyer's sole responsibility and obligation to perform any work and take such other action as is necessary to put the Property in a condition that is suitable for its intended use.

(c) Buyer acknowledges that City is not liable for, or bound in any manner by, any express or implied warranties, guarantees, promises, statements, inducements, representations or information pertaining to the Property made or furnished by any real estate agent, broker, employee, or other person representing or purporting to represent the City, including, without limitation, with respect to the physical condition, size, zoning, income potential, expenses or operation thereof, the uses that can be made of the same or in any manner or thing with respect thereof.

(d) Buyer, on behalf of itself and its successors and assigns, and their respective officers, directors, employees, members, managers, agents and representatives, expressly releases, renounces and waives any claims or causes of action it may have against City, its officials, agents and employees, under any existing or future theory of law (federal, state or local, or by common law), whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing, based upon, arising out of or in any way connected with, directly or indirectly, the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of hazardous or toxic materials, substances, wastes or other environmentally regulated substances, or other contaminants or pollutants in, on, under or about the Property, and shall undertake and discharge all liabilities (including, without limitation, claims arising under CERCLA) of the City arising from any structural, physical or environmental condition that existed on the Property prior to the Closing.

Section 11. City Representations and Warranties. City represents and warrants to Buyer on the Effective Date, which representations and warranties shall be deemed to be remade as of the Closing and shall survive the Closing for a period of one (1) year, as follows:

(a) City is authorized to enter into this Agreement and consummate the transaction contemplated by this Agreement, and the person signing this Agreement on behalf of the City has the authority to do so.

(b) After the Effective Date, City shall not enter into any new leases, license agreements or other contracts with respect to the Property that will survive the Closing without the prior written consent of Buyer, and to the City's actual knowledge, there are currently no leases, licenses, contracts or similar agreement affecting the Property which will not be terminated effective on or before the Closing Date.

When used in this Section, the term "to the City's actual knowledge" shall mean the actual knowledge of Robert Wolf and/or Stephen Stults.

Section 12. Buyer Representations and Warranties. Buyer represents and warrants to the City on the Effective Date, which representations and warranties shall be deemed to be remade as of the Closing and shall survive the Closing for a period of one (1) year, as follows:

(a) Buyer is a limited liability company duly organized under the laws of the State of Illinois and validly existing and in good standing under the laws of the State of Illinois with full power and authority to execute, deliver and perform this Agreement. The person signing this Agreement on behalf of Buyer has the authority to do so.

(b) All certifications and statements contained in the EDS (or EDSs) last submitted to the City by Buyer (and any legal entity holding an interest in Buyer) are true, accurate and complete.

(c) Buyer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under Buyer's by-laws or operating agreement, as applicable, or any agreement to which Buyer, or any party affiliated with Buyer, is a party or by which Buyer or the Property is bound.

(d) To the best of Buyer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against Buyer, or any party affiliated with Buyer, and Buyer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of Buyer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of Buyer.

Section 13. Possession; Condition of Property at Closing. City agrees to surrender possession of the Property at the Closing. Notwithstanding anything to the contrary contained in this Agreement, City shall have no obligation in the event of casualty or other loss or destruction to restore the Property to its prior condition.

Section 14. Title.

(a) Buyer has obtained, and given City a copy of, a current title commitment for the Property issued by the Title Company. The Buyer shall pay the cost of, and shall be responsible for, obtaining on the Closing Date, any title insurance, extended coverage and any endorsements it deems necessary. The City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer documents typically required by the Title Company and

typically provided by the City (but expressly excluding, however, "gap" undertakings, title indemnities and similar liabilities) at or prior to the Closing.

(b) The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate taxes or tax liens on the Property prior to the Closing Date, to the extent such taxes or tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer, a motion to vacate a tax sale, or a petition for exemption. If, after using such reasonable efforts, the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the Property is encumbered with any other exceptions that would adversely affect the use and insurability of the Property for the development of the Project, the Buyer shall have the option to do one of the following: (1) accept title to the Property subject to the exceptions, without reduction in the Purchase Price; or (2) terminate this Agreement by delivery of written notice to the City, in which event the City will return the Earnest Money to the Buyer and this Agreement shall be null and void, and except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Buyer elects not to terminate this Agreement as aforesaid, the Buyer agrees to accept title subject to all exceptions that were not waived or released.

Section 15. Conditions to Closing. The obligation of the City to close on the conveyance of the Property to the Buyer is contingent upon the satisfaction of each of the following items, unless waived in writing by the Commissioner of the Department, in the Commissioner's sole and absolute discretion. The Buyer shall have six (6) months from the passage of the ordinance authorizing the sale of the Property to satisfy the conditions to closing in this Section 15. If the Buyer does not satisfy the conditions within that period, the City may either (i) terminate this Agreement by delivery of written notice to the Buyer, in which event the City will return the Earnest Money to the Buyer and this Agreement shall be null and void, and neither party shall have any further right, duty or obligation hereunder, or (ii) City may extend such completion date for the conditions to closing in its sole discretion.

(a) Permits. The Buyer shall apply for and obtain all necessary building permits and other approvals necessary for the Project.

(b) Zoning. The Buyer shall re-zone the Property to RT-4.

(c) Financing. The Buyer shall submit to the Department for approval: (1) a final budget for the Project; and (2) evidence of funds adequate to construct the Project, as shall be acceptable to the Department, in its sole discretion.

(d) Drawings. The Buyer shall provide the City's Department of Fleet and Facility Management ("**DFFM**") with all applicable drawings, construction plans, and environmental testing reports to demonstrate that the Property is suitable for the Project. DFFM shall have the right to review, modify, and approve the sufficiency of the drawings, plans and reports for the development of the Project.

(e) Phase I. The Buyer shall provide the City with a Phase I Environmental Assessment ("**Phase I**") of the Property completed within 180 days prior to the Closing Date and

conducted in conformance with ASTM E 1527-13. DFFM shall have the right to review and approve the sufficiency of the Phase I report for the Property.

(f) Hazardous Materials Building Survey. The Buyer shall provide the City with a hazardous materials survey for the Building. DFFM shall have the right to review and approve the sufficiency of the hazardous materials survey for the Building.

(g) Additional Tests. Upon DFFM's request, the Buyer shall perform additional tests for the purpose of determining whether any environmental or health risks would be associated with the development of the Project on the Property, including, without limitation, updating or expanding the Phase I report(s) and performing initial or additional Environmental Site Assessment(s) (collectively, the "**Reports**"). The environmental consultant must provide a reliance letter naming the City of Chicago as an authorized user of the Reports.

(h) Phase II. If the Phase I identifies recognized environmental conditions, the Buyer shall perform a Phase II Environmental Assessment ("**Phase II**") including sampling sufficient to determine whether the Property needs to be included in the Site Remediation Program administered by the Illinois Environmental Protection Agency. DFFM shall have the right to review and approve to the sampling plan and results, and any site investigation reports prepared in connection therewith.

Section 16. Environmental Requirements.

(a) If, in the opinion of DFFM based upon the Phase I and Phase II reports provided by Buyer prior to Closing, an environmental condition exists on the Property that requires environmental remediation, including any exceedance of Illinois Environmental Protection Agency's ("**IEPA**") Tiered Approach to Corrective Action Objectives ("**TACO**") Tier 1 residential criteria, then the Buyer shall enroll the Property into the IEPA Site Remediation Program ("**SRP**") and take all necessary and proper steps to obtain a draft comprehensive residential No Further Remediation Letter ("**Draft Residential NFR Letter**"). After DFFM approves the Draft Residential NFR Letter, the Buyer covenants and agrees to complete all investigation, removal, response, disposal, remediation and other activities ("**Remediation Work**") necessary to obtain (as applicable) a final comprehensive No Further Remediation Letter from the IEPA approving the use of the Property for residential use, based on the Draft Residential NFR Letter ("**Final Residential NFR Letter**"). The Final Residential NFR Letter may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA. DFFM shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the Comprehensive Site Investigation and Remediation Objectives Report, the Remedial Action Plan, and the Remedial Action Completion Report (collectively, the "**SRP Documents**"), the Draft Residential NFR Letter and the Final Residential NFR Letter and any changes thereto.

(b) If, in the opinion of DFFM based upon the hazardous materials survey provided by Buyer prior to Closing, an environmental condition exists in the Building that requires abatement, then Buyer shall implement an abatement plan, and Buyer's final plans, drawings and specifications for the Project must be consistent with such abatement plan. DFFM shall have the

right to review and approve the sufficiency of the abatement plan for the Building. After DFFM approves the abatement plan, the Buyer covenants and agrees to complete all investigation, removal, response, disposal, remediation and other activities ("**Abatement Work**") necessary to complete and comply with the abatement plan.

(c) The Buyer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. The Buyer shall promptly transmit to the City copies of all final environmental studies, reports, field data, correspondence with any environmental agency and similar documents prepared by or for the Buyer (or otherwise obtained by the Buyer) regarding the environmental condition of the Property, prepared or received after the date hereof, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Remediation Work or the Abatement Work.

(d) The Buyer shall bear sole responsibility for all costs of the Remediation Work necessary to obtain the Final Residential NFR Letter, the Abatement Work, and the costs of any other investigative and cleanup costs associated with the Property.

(e) The Buyer shall complete the Project in accordance with the drawings and construction plans approved by DFFM. Upon the completion of the Project, which includes completion of the environmental requirements in this Section 16, the Buyer shall request from DFFM a Certificate of Compliance (the "**Certificate of Compliance**"). Within forty-five (45) days thereof, DFFM shall provide the Buyer with either the Certificate of Compliance or a written statement indicating in adequate detail how the Buyer has failed to complete the Project in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole reasonable opinion of DFFM, for the Buyer to take or perform in order to obtain the Certificate of Compliance. The Certificate of Compliance shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of this covenant with respect to the Buyer's obligation to complete the Remediation Work and the Abatement Work. The Developer acknowledges and agrees that the City will not issue a certificate of occupancy for the Property until the IEPA has issued, and the City has approved, a Final Residential NFR Letter for the Property, if a Final NFR Letter was required for the Property by the terms of this Agreement.

(f) If Buyer fails to complete the Remediation Work, fails to complete the Abatement Work, or fails to obtain a Certificate of Compliance in connection with development of the Project, the City shall deliver written notice of such default, after which the Buyer shall have a 45-day cure period to remedy such default. If the default is not capable of being cured within the 45-day period, then provided the Buyer has commenced to cure the default and is diligently proceeding to cure the default within the 45-day period, and thereafter diligently prosecutes such cure through to completion, then the 45-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, the right to buy back the Property at Ninety percent (90%) of the Purchase Price. The Buyer shall pay City's legal fees incurred in enforcing Buyer's obligations under this Section 16.

Section 17. Transfer of Property.

(a) For purposes of this Section 17:

(i) "**Buyer Costs**" means all reasonable costs and expenses incurred and paid by Buyer in connection with acquiring the Property and developing the Project, limited to professional fees (such as architectural, engineering, environmental and legal), development expenses, permit fees, financing and equity costs, interest expense, carry costs, insurance, property maintenance costs and property taxes, land acquisition costs and expenses (including the Purchase Price), hard and soft construction costs, environmental remediation costs and expenses and building commissioning costs.

(ii) "**Gross Resale Price**" means the gross price at which the Buyer offers to sell and a purchaser agrees to pay to purchase all or a portion of the Property, or the appraised market value of the Property, whichever is greater, without any set-offs or credits.

(iii) "**Proposed Property Sale**" means the Buyer's sale of all or a portion of the Property (i.e., the land, the air rights or both the land and air rights) to a third party that occurs within five (5) years following the Closing Date, where less than Three Hundred Fifty Thousand Dollars ($350,000) in hard construction costs have been expended in connection with the Project. A Proposed Property Sale does not include the sale or transfer of the Property to an entity that is eligible to do business with the City and that is directly owned and controlled one hundred percent (100%) by Sam Zitella.

(b) In the event of a Proposed Property Sale: If the Gross Resale Price is greater than the Buyer Costs, then the Buyer shall pay to the City, immediately following Buyer's sale of the Property, an amount equal to ninety percent (90%) of the difference between the Gross Resale Price and the Buyer Costs.

(c) In the event of a Proposed Property Sale, Buyer shall provide the City copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the City may reasonably request. The proposed buyer must be qualified to do business with the City (including but not limited to anti-scofflaw requirement).

Section 18. Performance Milestones.

(a) Not later than twelve (12) months following the Closing Date, Buyer must commence construction of the Project, and provide notice thereof to the City. For purposes of this Section 18(a), "commence construction of the Project" means actual physical commencement of construction, including the removal of existing structures on the Property as required for the Project. A Final NFR letter is not necessary to commence construction.

(b) If Buyer defaults on Section 18(a) above, the City shall deliver written notice of such default, after which the Buyer shall have a 45-day cure period to remedy such default. If the default is not capable of being cured within the 45-day period, then provided the Buyer has commenced to cure the default and is diligently proceeding to cure the default within the 45-day

period, and thereafter diligently prosecutes such cure through to completion, then the 45-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, the right to buy back the Property at Ninety percent (90%) of the Purchase Price. The Buyer shall pay City's legal fees incurred in enforcing Buyer's obligations under this Section 18.

Section 19. Covenants Running with the Land. The parties agree, and the Deed shall so expressly provide, that the covenants provided in Sections 16, 17 and 18 will be covenants running with the land, binding on the Buyer and its successors and assigns to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City.

Section 20. Brokerage Commissions. City and Buyer represent and warrant to each other that, other than to JLL, there are no real estate sales or brokerage commissions or like commissions that are or may be due in connection with this transaction. The fees of JLL shall be paid by City pursuant to a separate agreement. Each party shall indemnify, defend (with legal counsel reasonably acceptable to the other party) and hold harmless the other party for, from and against any claims by third parties made by or through the acts of such party, for real estate or brokerage commissions, or a finder's fee, in connection with the transactions provided herein, and all costs and expenses incurred by the other party in connection therewith including, but not limited to, reasonable attorneys' fees.

Section 21. Days and Time. Any reference in this Agreement to a "day" or "days" shall mean a calendar day or days, and not a business day or days, unless the provision expressly refers to a "business" day or day. In the event that a day or date or the last day of a period provided for or referred to in this Agreement shall fall on a Saturday, Sunday or legal holiday in the City of Chicago, then such day or date or the last day of such period shall be automatically extended to the next day which is not a Saturday, Sunday or legal holiday in the City of Chicago. If the term "business day" is used in this Agreement, such term means any day which is not a weekend or legal holiday in the City of Chicago.

Section 22. Time of Essence. Time is of the essence of this Agreement and of each and every provision hereof.

Section 23. Notices. All notices and other communications provided for in this Agreement ("**Notices**") shall be in writing. A Notice may be given by a party to this Agreement or by a party's attorney. The "**Notice Addresses**" of the parties for purposes of this Agreement are the respective addresses set forth on the signature page of this Agreement. A Notice to a party shall be effective when delivered during normal business hours to such party's Notice Address by any means, including, without limitation, personal delivery by the party giving the Notice, delivery by United States regular, certified or registered mail, delivery by a commercial courier or delivery service or delivery by facsimile or other electronic transmission. If delivery of a Notice is refused, it shall be deemed to have been delivered at the time of such refusal of delivery. The party giving a Notice shall have the burden of establishing the fact and date of delivery or refusal of delivery of a Notice.

Section 24. **Entire Agreement; No Reliance**. This Agreement sets forth the entire agreement of the parties and supersedes all prior agreements and understandings of the parties. Each party acknowledges that it is executing this Agreement without relying on any statements, representations or warranties, either oral or written, that are not expressly set forth herein.

Section 25. **Assignability**. Buyer may not assign its rights under this Agreement without the consent of City, which consent may be given or withheld by City in its sole discretion.

Section 26. **Severability**. In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 27. **Modifications and Amendments**. This Agreement may be modified or amended only by a written instrument signed by the party sought to be bound by such modification or amendment.

Section 28. **Counterparts; Electronic Signatures**. This Agreement and any modification or amendment to this Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same document. Receipt of an executed signature page to this Agreement or any modification or amendment of this Agreement by facsimile or other electronic transmission shall constitute effective delivery thereof.

Section 29. **Governing Law**. This Agreement shall be governed by the law of the State of Illinois, without regard to its choice of law principles.

Section 30. **City's Representatives Not Individually Liable**. No agent, official or employee of the City shall be personally liable to Buyer, or any successor in interest to Buyer, in the event of any default or breach by the City under the terms of this Agreement.

Section 31. **Conflict of Interest**. Buyer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in Buyer, this Agreement, the Property or the intended use of the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested.

Section 30. **Business Relationships** Buyer acknowledges (1) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "**Business Relationship**" (as described in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b)

by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Buyer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

Section 31. Patriot Act Certification. Buyer represents and warrants that neither Buyer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "**Affiliate**" shall be deemed to be a person or entity related to Buyer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Buyer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

Section 32. Mayoral Executive Order 2011-4. Buyer acknowledges receipt of Mayoral Executive Order No. 2011-4 and agrees to comply with the terms of Mayoral Executive Order No. 2011-4.

Section 33. Failure to Maintain Eligibility to do Business with the City. Failure by Buyer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Buyer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

Section 34. Inspector General and Legislative Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, Buyer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. Buyer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

Section 35. 2014 City Hiring Plan.

(a) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "**2014 City Hiring Plan**") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Buyer is aware that City policy prohibits City employees from directing any individual to apply for a position with Buyer, either as an employee or as a subcontractor, and from directing Buyer to hire an individual as an employee or as a subcontractor. Accordingly, Buyer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Buyer under this Agreement are employees or subcontractors of Buyer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Buyer.

(c) Buyer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Buyer by a City employee or City official in violation of subparagraph (b) above, or advocating a violation of subparagraph (c) above, Buyer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "**OIG**"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Buyer will also cooperate with any inquiries by the OIG.

Section 36. No Merger. The terms of this Agreement shall not be merged with any deed conveying the Property, and the delivery of any such deed shall not be deemed to affect or impair the terms of this Agreement.

The Committee on Housing and Real Estate submitted the following report:

CHICAGO, December 14, 2016.

To the President and Members of the City Council:

Your Committee on Housing and Real Estate, for which a meeting was held on November 29, 2016, having had under consideration the ordinance introduced by Mayor Rahm Emanuel on October 5, 2016, this being the sale of City-owned properties in the Auburn Gresham and Woodlawn community areas under the Large Lot Program, begs leave to recommend that Your Honorable Body *Pass* the said ordinance transmitted herewith.

This recommendation was concurred in by a voice vote of all committee members present, with no dissenting votes.

Respectfully submitted,

(Signed) JOSEPH A. MOORE,
Chairman.

On motion of Alderman J. Moore, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule unit of government under Section 6(a), Article VII of the Constitution of the State of Illinois of 1970 and may exercise any power related to its local governmental affairs; and

WHEREAS, The City has acquired title to numerous parcels of vacant property located throughout the City of Chicago pursuant to its responsibility to protect the health, safety and welfare; and

WHEREAS, Many of the City-owned parcels are of minimal value, yet are costly for the City to clean-up and maintain; and

WHEREAS, By ordinance passed by the City Council of the City (the "City Council") on December 10, 2014, the City established the Large Lot Program (codified in Chapter 2-157 of the Municipal Code of Chicago; the "Large Lot Program Ordinance") for the disposition of certain City-owned, vacant parcels, in order to provide local residents greater control over land in their neighborhood and the opportunity to possibly profit from selling those parcels in the future as the areas in which the parcels are located revitalize; and

WHEREAS, It is the City's intention to dispose of those certain City-owned, vacant parcels (i.e., no structures), which are zoned residential, located in the Auburn Gresham and Woodlawn community areas, and identified in Exhibit A attached hereto (each, a "City Parcel", and collectively, the "City Parcels"); and

WHEREAS, Public notice advertising the proposed sale of the City Parcels located in the Auburn Gresham community area appeared in the *Chicago Sun-Times* on February 25, and March 3 and 10, 2016; and

WHEREAS, Public notice advertising the proposed sale of the City Parcel located in the Woodlawn community area appeared in the *Chicago Sun-Times* in October 2016; and

WHEREAS, The City's Department of Planning and Development (the "Department") has received applications relating to the disposition of the City Parcels; and

WHEREAS, The Department has evaluated the applications based on the criteria set forth in the Large Lot Program Ordinance; and

WHEREAS, By Resolution Number 16-093-21 adopted by the Plan Commission of the City (the "Plan Commission") on October 20, 2016, the Plan Commission recommended the sale of the City Parcels; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are expressly adopted herein as the legislative findings of the City Council and incorporated herein and made a part of this ordinance.

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, quitclaim deeds, each such deed conveying a City Parcel to the respective Qualifying Property Owner (as that term is defined in the Large Lot Program Ordinance) selected by the Department, or to a land trust of which the Qualified Property Owner is the sole beneficiary, or to an entity of which the Qualified Property Owner is the sole owner and the controlling party, for the purchase price of One and no/100 Dollars ($1.00) per City Parcel.

SECTION 3. Any deed conveying a City Parcel to a Qualifying Property Owner may contain such covenants as the Department reasonably deems necessary, including, but not limited to, covenants that require the Qualifying Property Owner for a period of five (5) years commencing on the date on which the City conveys title to such City Parcel to the Qualifying Property Owner (a) to remain in title to the City Parcel and (b) to maintain the City Parcel. The City shall have a right of reverter if the Qualifying Property Owner fails to comply with such covenants. The Department may require the Qualifying Property Owner to execute a reconveyance deed at the time the City conveys the City Parcel, for the purpose of facilitating the City's exercise of its right of reverter, if necessary.

SECTION 4. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 5. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

SECTION 6. This ordinance shall take effect immediately upon its passage and approval.

Exhibit "A" referred to in this ordinance reads as follows:

Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a nondiscriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101, et seq., and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Projects, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate undertaking any portion of the Projects, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

11.7

The paragraph and section headings contained herein are for convenience only and are not intended to limit, vary, define or expand the content thereof.

17-13-0303-C(1) Narrative Zoning Analysis.

Proposed Zoning:	DS-3 Downtown Service District
Lot Area:	11,520 square feet
Proposed Land Use:	The subject property is improved with a two-story commercial building, containing one (1) retail/commercial unit at grade level and one (1) office/commercial unit above. The grade level unit currently contains an art gallery. The current zoning district (as amended by ordinance in 2004) does not allow an "art gallery" in the M2-3 District. As a result, the existing art gallery use is non-conforming. The applicant is attempting to bring the current art gallery use at the property into compliance with the Zoning Ordinance. There will be no expansion of the existing building in terms of density, building area or height. The existing commercial/businesses shall remain, including the existing art gallery.
(a) The Project's Floor Area Ratio (FAR):	1.7 FAR -- no change

	c. Side Yard(s):	0
	d. Rear Yard Open Space:	0

[SO2016-7342]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all the Business Planned Development Number 1333 symbols and indications as shown on Map Number 1-F in the area bounded by:

a line 108.96 feet north of West Huron Street; North Clark Street; West Huron Street; and the public alley next west of North Clark Street,

to the designation of Business Planned Development Number 1333, as amended, which is hereby established in the area above described, subject to such use and bulk regulations as are set forth in the Plan of Development herewith attached and made a part thereof and to no others.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Business Planned Development No. 1333,
As Amended.

Plan Of Development Statements.

1. The area delineated herein as Planned Development Number 1333, as amended (the "Planned Development") consists of approximately 11,985 square feet of

property which is depicted on the attached Planned Development Boundary and Property Line Map (the "Property"). AP 100 West Huron Property LLC is the authorized Applicant (the "Applicant") for this amendment which relates solely to Subarea A.

2. The requirements, obligations and conditions contained within this Planned Development as they relate to Subarea A shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, then to the owners of record title to all of the Property and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time any applications for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made shall be under single ownership or under single designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assigns, or grantees. Any dedication or vacation of streets or alleys, or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assigns or grantees.

   Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

   Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

   All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This plan of development consists of these seventeen (17) Statements; a Bulk Regulations and Data Table; an Existing Zoning Map; a Planned Development Boundary, Property Line and Subarea Map; a Site/Landscape Plan; a Green Roof Plan, Building Elevations, and FAR Bonus Diagram issued September 15, 2016 and dated November 17, 2016 prepared by Norr Architects; and the bonus worksheet required under Section 17-4-1003-D and attached hereto as an exhibit ("Bonus Worksheet"). Full-sized sets of the Site Plan/Landscape Plan and Building Elevations are on file with the Department of Planning and Development. In any

instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses shall be permitted within the area delineated herein as a Business Planned Development:

Subarea A:

Hotel, retail, office, financial services (excluding payday/title secure loan store and pawn shops), retail food sales, medical service, personal service, consumer repair or laundry service, restaurants (including the incidental sale of alcohol for on-premises consumption), roof-top deck (including the incidental sale of alcohol for on-premises consumption), wireless communication facilities, and accessory uses.

Subarea B:

Retail, office, financial services (excluding payday/title secure loan store and pawn shops), eating and drinking establishments, including taverns and live entertainment, entertainment establishments, retail food and beverage sales, medical service, personal service, consumer repair or laundry service and accessory uses.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the Property shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted Floor Area Ratio identified in the Bulk Regulations Table has been determined using a Net Site Area of 11,985.00 square feet and a base FAR of 7.0, and additional FAR for proposed FAR bonuses as follows:

Description	FAR
Base Floor Area Ratio:	7.00
Affordable Housing:	1.75
Upper Level Setback Bonus:	1.00
Neighborhoods Opportunity Bonus:	0.50
Total FAR:	10.25

9. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the Applicant has requested an increase in the floor area ratio for the Property, as set forth in the attached Bonus Worksheet. Any developer of a building receiving an affordable housing floor area bonus ("Eligible Building") must either provide on-site affordable housing units or make a cash payment to the City's Affordable Housing Opportunity Fund. The Applicant has elected to make a cash payment in lieu of providing on-site affordable housing units. In accordance with the formulas set forth in Section 17-4-1004-C and the Bonus Worksheet, the Applicant acknowledges and agrees that it must make a cash payment in the amount of $721,497.00 ("Cash Payment"). The Applicant must make the required Cash Payment before the issuance of building permits for the Eligible Building, including, without limitation, excavation or foundation permits, and must comply with all applicable affordable housing standards and requirements in Section 17-4-1004, the terms of which are incorporated herein by this reference.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by DPD. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by DPD. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

15. The Applicant acknowledges that it is in the public interest to design, construct, and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall provide a 50 percent net green roof over the net roof area, resulting in a green roof of approximately 4,139 square feet, and achieve Building Certification to comply with the City of Chicago's Sustainable Development Policy.

16. The Applicant acknowledges that the project has received a bonus FAR of 0.50 pursuant to Section 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 10.25. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17-4-1003-B and C, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3.

    The bonus payment will be split between three separate funds, as follows: 80 percent to the Neighborhoods Opportunity Fund, 10 percent to the Citywide Adopt-a-Landmark Fund and 10 percent to the Local Impact Fund. In lieu of paying the City directly, DPD may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

    In this case, DPD has directed the Applicant to contribute the Local Impact portion of the bonus payment to the City for construction of enhancements and improvements to the Lake Shore Park playground, located at 808 North Lake Shore Drive (the "Project"). The Project is located within one mile of the Planned Development site, as required by Section 17-4-1005-C. The Applicant must make such payment,

or the applicable portion thereof in the case of a phased development, prior to the issuance of the first building permit for the Planned Development or applicable phase thereof. The City and the Chicago Park District must enter into an intergovernmental agreement regarding the manner in which the funds will be used.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a zoning map amendment to rezone the Property to the DX-7 Downtown Mixed-Use District.

Type 1 Narrative Rezoning Analysis attached to this ordinance reads as follows:

Substitute Narrative Zoning Analysis.

Type 1 Zoning Map Amendment Application.

Applicant:	Thor 942 West Fulton LLC
Property Location:	942 -- 946 West Fulton Market
Proposed Zoning:	DX-3 Downtown Mixed-Use District
Lot Area:	4,889 square feet

Thor 942 West Fulton LLC is the "Applicant" for a Type 1 Zoning Map Amendment for the subject property located at 942 through 946 West Fulton Market from the C1-1 Neighborhood Commercial District to the DX-3 Downtown District. The Applicant proposes to rehabilitate and reuse an existing contributing building in the Fulton-Randolph Market Historic District by adding a single-story addition to the existing three-story building. The addition will be set back from the front building line, creating a fourth floor outdoor terrace.

The site is located in a block bounded generally by West Fulton Market to the south, North Sangamon Street to the east, North Morgan Street to the west, and a 10-foot public alley and commercial properties to the north. The site is located within the Kinzie Industrial Corridor and the Fulton-Randolph Market District. To the north of the subject property are properties zoned M2-3 and Business Planned Development 1282, to the south and east is C1-1 zoning, and to the west is C3-2 zoning.

The subject property consists of approximately 4,889 square feet and is currently occupied by an existing three-story building. The existing building is a contributing building in the Fulton-Randolph Market Historic District. The Applicant proposes to add a single-story addition to the existing three-story building. The addition will be masonry in construction and will be set back from the front building line, creating an outdoor terrace on the fourth floor. The building will primarily serve as office space with a ground floor retail component.

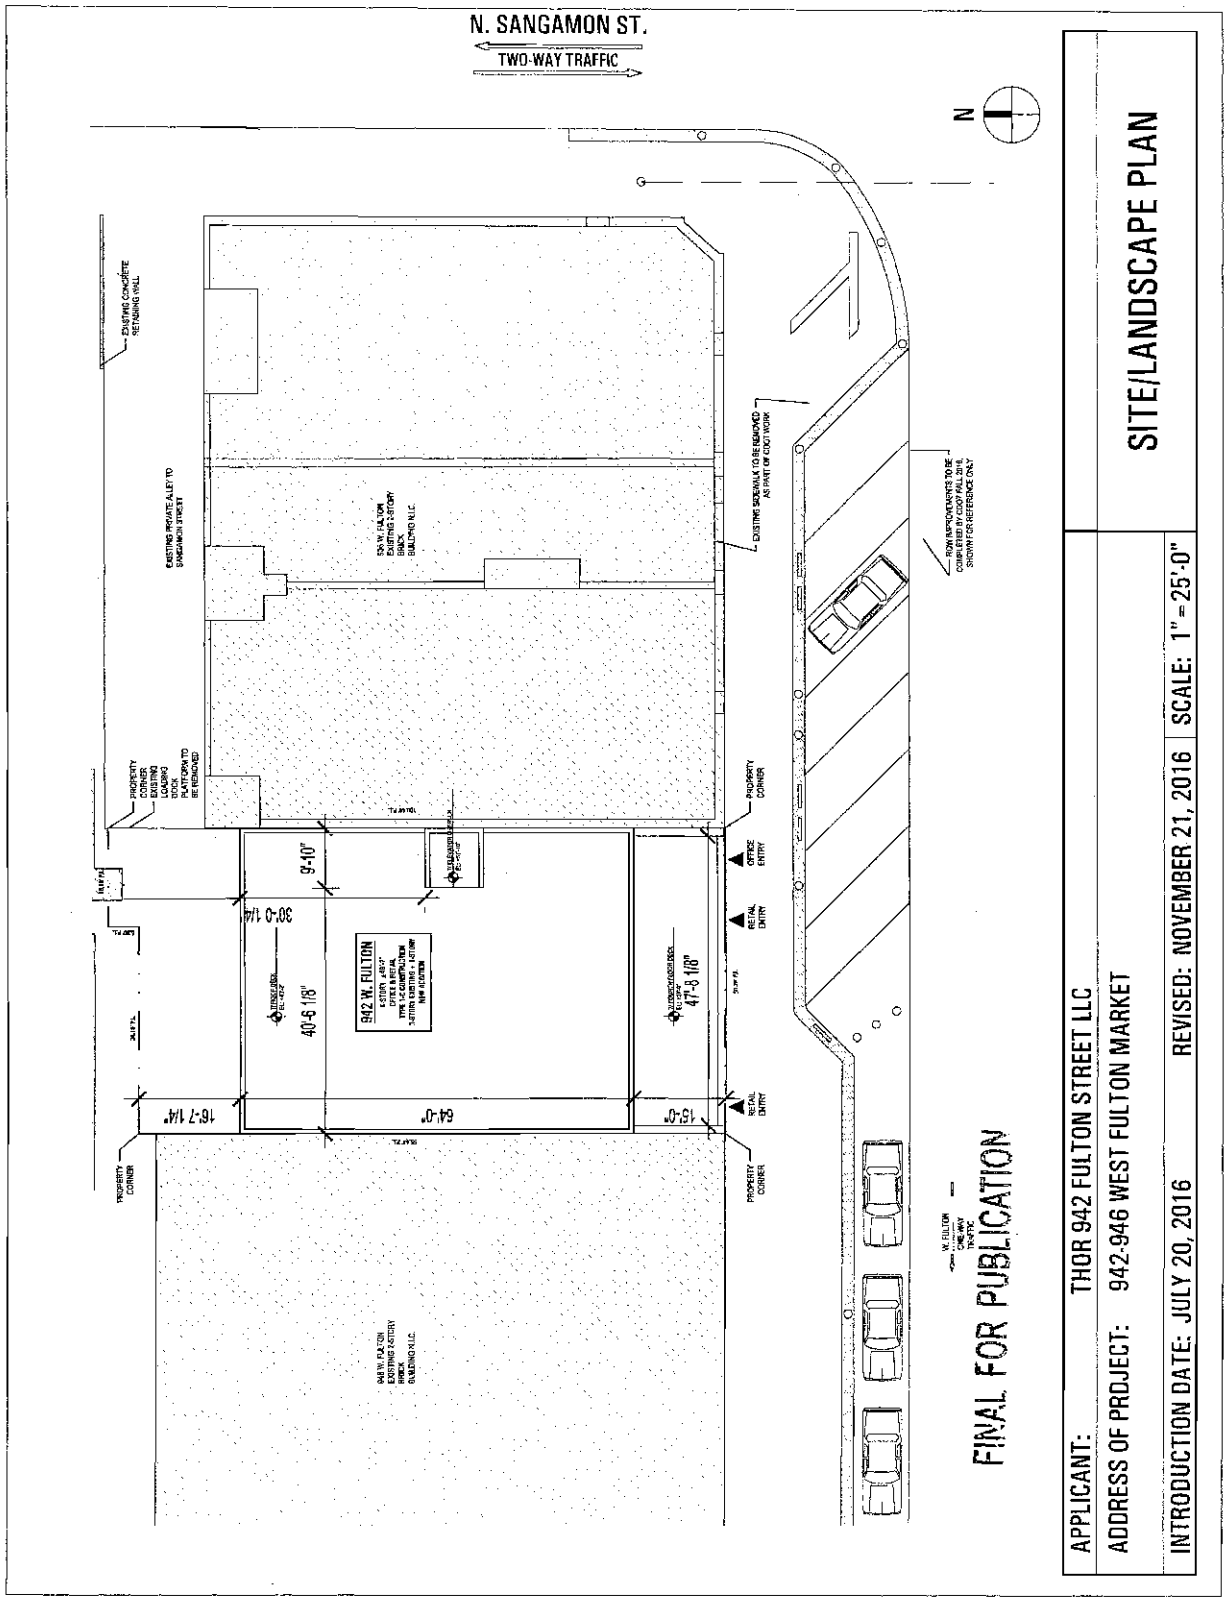

No off-street parking spaces are currently provided on-site and no new parking spaces are proposed. No additional off-street parking or loading spaces are required for rehabilitation or reuse of an existing "contributing building" within an official Chicago Landmark district, as is proposed here. Additionally, minimum off-street automobile parking ratios for non-residential uses may be reduced by up to 100 percent from the otherwise applicable standards for new construction or rehabilitation or reuse of existing structures located within 1,320 feet of a CTA station entrance. The subject property is under 500 feet from the Morgan Street CTA Station.

The applicant must make such payment, or the applicable portion thereof in the case of a phased development, prior to the issuance of the first building permit for the Planned Development or applicable phase thereof. The Landmark Owner shall enter into an agreement with the City and the Commission on Chicago Landmarks regarding the manner in which the funds will be used. The agreement must be in a form approved by the Corporation Counsel.

The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

10. 11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines, including Section 17-13-0800. Final landscape plan review and approval will be by the Department of Planning and Development. 13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.

14. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

15. The proposed Planned Development shall be in compliance with the Sustainable Development Policy, obtain Green Globe certification and provide green roof of at least 50 percent of Net Roof Area containing an actual square footage of 3,202.

16. The applicant acknowledges and agrees that the rezoning of the Property from DX-7 to this Planned Development (P.D.), triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher

income area or downtown district. The Property is located in a downtown district, within the meaning of the ARO, and the project has a total of 296 units. As a result, the applicant's affordable housing obligation is 30 affordable units (10 percent of 296 rounded up), 8 of which are Required Units (25 percent of 30, rounded up). Applicant has agreed to satisfy its affordable housing obligation by providing 30 affordable units in the rental building to be constructed in the Rental Building to be constructed in this Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit B. The applicant agrees that the affordable units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the applicant subsequently reduces (or increases) the number of housing units in the P.D., or elects to build a for-sale project instead, the applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the requirements and number of required Affordable Units without amending the P.D. Prior to the issuance of any building permits for any residential building in the P.D., including, without limitation, excavation or foundation permits, the applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the affordable housing agreement will be recorded against the P.D., or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 17, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the P.D.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to the DX-7 Downtown Mixed-Use District.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, Pursuant to the procedures set forth in the Municipal Code of Chicago (the "Municipal Code"), Sections 2-120-630 through -690, the Commission on Chicago Landmarks (the "Commission") has determined that Uptown Square District (the "District"), primarily the 4500 -- 4800 blocks of North Broadway, the 1200 block of West Gunnison Street, the 4700 to 4800 blocks of North Kenmore Avenue, the 900 to 1200 blocks of West Lawrence Avenue, the 1100 to 1200 blocks of West Leland Avenue, the 4800 block of North Magnolia Avenue, the 4300 to 4700 blocks of North Racine Avenue, the 4700 block of North Sheridan Road the 1000 to 1100 blocks of West Wilson Avenue, and the 4700 to 4800 blocks of North Winthrop Avenue, Chicago, Illinois, legally described in Exhibit A and Exhibit B, both attached hereto and incorporated herein, satisfies four (4) criteria for landmark designation as set forth in Section 2-120-620 (1), (4), (5) and (6) of the Municipal Code; and

WHEREAS, The District is one of the best-surviving examples of the type of large neighborhood commercial and entertainment districts that developed in Chicago in the early part of the 20th century. By the 1920s, there were about two dozen major business centers outside the Loop, including Madison-Pulaski on the West Side, 79th-Halsted and 47th-Ashland on the South Side, and Lincoln-Belmont-Ashland on the North Side. These outlying districts, usually located at major transportation transfer points, were appealing to businesses not only for their heavy pedestrian flow, but also because their commercial frontage was much cheaper than in downtown; and

WHEREAS, Buoyed by its many theaters, cabarets, and other entertainment facilities, the District was a particularly popular area. Attractions like the Riveria and Uptown Theaters, the Aragon Ballroom, and the Green Mill Gardens drew people from all over the city; and

WHEREAS, The strong retail character of the District dates to the establishment of Loren Miller & Co., a department store, in 1915 at 4722 North Broadway. Loren Miller, widely known as "The Father of Uptown", promoted the area dynamically and is credited with coining the area's moniker when he began using it in association with advertising for his store. Miller's *Up-Town Advertiser* was a free advertising circular that drew attention to the District; and

WHEREAS, The term "Uptown Square" was officially recognized by the City Council in 1930; and

WHEREAS, Only Chicago's downtown Loop rivaled Uptown Square for the number of theaters, dance halls, nightclubs and other amusements. Uptown Square was referred to as "the Loop's Little Brother". Among the famed musicians and artists whose names are connected to the District's theaters, hotels, and nightclubs are: Al Jolson, Sophie Tucker, Gloria Swanson, Joe E. Lewis, Charlie Chaplin, "Broncho Billy" Anderson, Frank Sinatra, Tommy Dorsey, and Benny Goodman; and

WHEREAS, The buildings in the District are distinguished for their exuberant architecture, which contributes to the District's strong architectural character; and

WHEREAS, Many of the structures were executed in a "fantasy" style of architecture, including Venetian Gothic Revival (Wilton Hotel), Spanish Baroque Revival (Aragon Ballroom, Uptown Theater, Leland Hotel and the Uptown Broadway Building), Art Deco (New Lawrence Hotel), and WPA Moderne (U.S. Post Office-Uptown); and

WHEREAS, Though widely varying in the historical sources of their design, the lavish use of ornament was a defining characteristic of commercial buildings of the first decades of the 20th century. These visually appealing, high-style designs were intended to bring attention to their uses and set the Uptown Square area apart from other commercial districts in the city; and

WHEREAS, The District is notable for the quantity, variety, and flamboyant nature of decorative terra cotta employed in its buildings. Chicago was the major center for the manufacture and production of terra cotta from the 1870s through the 1930s and, as a result, the material was used frequently throughout the city as a cladding material; and

WHEREAS, The terra cotta ornament used throughout the District is executed in various colors and finishes, ranging from red and buff matte finishes to multicolored enamel glazes. The buildings that best showcase the decorative characteristics of terra cotta are the Aragon Ballroom, the Uptown Bank Building, Uptown Broadway Building, and the Uptown Theater; and

WHEREAS, The District is distinguished by the prominence of the architects that designed many of its buildings, including Marshall & Fox, Rapp & Rapp, John Eberson, Huehl & Schmid, J.E.O. Pridmore, Alfred S. Alschuler and Huszagh & Hill; and

WHEREAS, The partnership of Benjamin Marshall and Charles Fox, architects of the McJunkin Building and the Uptown Bank Building, is acknowledged as one of the most important and influential architecture firms in Chicago during the early 20th century; and

WHEREAS, Marshall and Fox designed many of the city's prominent theaters, hotels, and apartment buildings, employing a Classical Revival style that brought elegance and luxury to these building types. Their major works include: the Blackstone Hotel (1910), Blackstone Theater (1911), South Shore Country Club (1914), the Drake Hotel (1919), 1550 North State Parkway (1918), and the Edgewater Beach Hotel (1923; demolished); and

WHEREAS, The District also includes two theaters -- the Riviera and the Uptown -- designed by George and Cornelius W. Rapp, whose designs virtually created the "movie palace" as a building type, giving them a national reputation as theater architects. Rapp & Rapp designed many theaters, including the Chicago Theater (1921, a designated Chicago landmark) and the Tivoli Theater (1921; demolished); and

WHEREAS, John Eberson is notable for creating the "atmospheric" theater-featuring interiors modeled on exotic, open-air courts, including ceilings decorated with stars and clouds to imitate night skies. Work includes the Spanish arcade design of the District's Aragon Ballroom and the Middle Eastern court of the Avalon Theater; and

WHEREAS, Architects Harris H. Huehl & Gustave Schmid are significant for their flamboyant design for the Medinah Temple in addition to designing private homes, apartment buildings, commercial structures, and small loft manufacturing buildings. The two buildings in the District that were designed by Huehl & Schmid (Clancy Building, 1904 and Sheridan Trust & Savings Bank, 1914) reflect the firm's growth and maturation during the early 20th century; and

WHEREAS, Well-known architect, J.E.O. Pridmore, designed the People's Church in the District and was a prolific designer of theaters, churches, schools, commercial buildings, and other major buildings throughout the United States; and

WHEREAS, Although not as well known, the firm of Ralph Huszagh and Boyd Hill had a significant impact on the architecture of the District, having worked on some of Uptown Square's most striking buildings including the Aragon Ballroom, the Wilton Hotel, the New Lawrence Hotel, and an addition to the Uptown Bank Building; and

WHEREAS, The number, seating capacity and quality of its entertainment venues, as well as the high caliber and often flamboyant styles of its commercial and residential

architecture, helped make Uptown one of the most popular entertainment, commercial, and residential areas in the city; and

WHEREAS, The buildings in the District have a strong architectural continuity in terms of scale, materials, and elaborateness of decorative detailing, despite being varied in height and architectural styles. The varied building heights reflect the variety of uses typical in commercial districts; and

WHEREAS, Together, the buildings of the District comprise one of the most architecturally unique and intact entertainment, commercial, and residential districts in the city; and

WHEREAS, Consistent with Section 2-120-630 of the Municipal Code, the District has a significant historic, community, architectural, or aesthetic interest or value, the integrity of which is preserved in light of its location, design, setting, materials, workmanship, and ability to express such historic, community, architectural, or aesthetic interest or value; and

WHEREAS, On October 6, 2016, the Commission adopted a resolution recommending to the City Council of the City of Chicago (the "City Council") that the District be designated a Chicago landmark; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are hereby adopted as the findings of the City Council.

SECTION 2. The District is hereby designated a Chicago landmark in accordance with Section 2-120-700 of the Municipal Code.

a. All exterior elevations, including rooflines, of the District buildings visible from the public right-of-way.

SECTION 4. The Commission is hereby directed to create a suitable plaque appropriately identifying the District as a Chicago landmark.

SECTION 5. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 6. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 7. This ordinance shall take effect upon its passage and approval.

Pursuant to Section 2-120-825 of the Municipal Code of Chicago governing review of permits for the demolition of 40 percent or more of any building or structure either designated as a "Chicago Landmark" or located in any district designated as a "Chicago Landmark", the Commission on Chicago Landmarks (the "Commission") has reviewed a permit application for the following proposed demolition:

demolition of the existing one-story commercial building ("Building") located at 1446 North Milwaukee Avenue within the Milwaukee Avenue District, a Chicago Landmark (the "Landmark District")

; and

Whereas, The significant historical or architectural features identified in the ordinance designating the Landmark District are all exterior elevations of the structures, including rooflines, located within the Landmark District; now, therefore,

The Commission on Chicago Landmarks Hereby:

1. Finds, in accordance with the criteria for review of permit applications established in Article III of the Commission's Rules and Regulations, that the Building is noncontributing to the character of the Landmark District; and that its demolition will not have an adverse effect on the character of the Landmark District;

2. Therefore finds, in accordance with Section 2-120-770 of the Municipal Code of Chicago, that the demolition of the Building will not adversely affect any significant historical or architectural features of the Landmark District, and that the demolition is in accordance with the Secretary of the Interior's Standards for the Rehabilitation of Historic Buildings;

3. Approves the permit application for the demolition of the Building; and

4. Recommends, in accordance with Section 2-120-825, that the City Council of the City of Chicago accept the Commission's approval of the permit application for the demolition of the Building.

The above recommendation was passed unanimously (8 -- 0).

Chair,
Commission on Chicago

WHEREAS, Ashland Restaurant LLC, Gino Battaglia, sole member and manager, filed on October 20, 2016, an application for an Administrative Adjustment pursuant to Article 17-13-1003-Z of the Chicago Zoning Ordinance for the approval of the change of licensee and operation of a restaurant with consumption of liquor in a two-story building, in an RS3 Residential Single-Unit (Detached House) District, on premises at 5600 North Ashland Avenue; and

WHEREAS, The decision of the Office of the Zoning Administrator rendered October 13, 2016 reads:

; and

WHEREAS, The district maps show that the premises is located in an RS3 Residential Single-Unit (Detached House) District.

WHEREAS, The Zoning Administrator, having fully reviewed all information and being fully advised of the premises, hereby makes the following findings of fact: the said use is located in an RS3 Residential Single-Unit (Detached House) District; that the subject site is improved with a two-story building containing an existing tavern; that on July 12, 1990, the City Council passed an ordinance requiring an exception for the approval of the change of license to a restaurant with consumption of liquor located in a residence district; that the existing tavern is to be operated under a new license as a restaurant with consumption of liquor; that the majority of the patrons come from the local neighborhood and that the operation of a restaurant with the consumption of liquor at this location is necessary for the public convenience; that the applicant, as the new licensee, proposes to operate the restaurant with consumption of liquor in such a manner to insure that the public health, safety and welfare will be adequately protected; and that the operation of the restaurant with consumption of liquor will not cause substantial injury to the value of other property in the neighborhood; now, therefore,

Be It Resolved, That the application for an Administrative Adjustment is approved for the change of licensee and operation of a restaurant with consumption of liquor in a two-story building, on premises at 5600 North Ashland Avenue, and that all applicable ordinances of the City of Chicago shall be complied with before a license is issued; and

Be It Further Resolved, That the granting of this Administrative Adjustment shall run only with the applicant, Ashland Restaurant LLC, Gino Battaglia, sole member and manager, as licensee, and that a change of licensed shall terminate the Administrative Adjustment granted herein; and

Be It Further Resolved, That the restaurant with the consumption of liquor in the subject building is, and shall continue to be, subject to all applicable provisions of Article 6 of the Zoning Ordinance.

History is literally the story behind the life of each person, every trend, news headline, and major event that is happening right now; and

WHEREAS, On November 20, 1916, Mrs. Elizabeth Mitchell was born in the city of Commerce, Georgia. One of three children born to her parents, she had two other siblings, both of whom are deceased; and

Mrs. Mitchell is also a dedicated woman of God who has been a faithful member of the city's legendary First Church of Deliverance for over 75 years, which she still attends every Sunday. Mrs. Mitchell has been intrinsically involved, over the years, in numerous church programs, activities and ministries, and is fondly recognized as the longest-serving member of the church's trustee board, now under the leadership of Reverend James Bryson; and

Selection may be based on four criteria: scholarship, leadership, service, and character. The National Honor Society may require some kind of service to school, the community, or other organizations. The time spent working on these projects contributes towards the monthly service hour requirement. The National Association of Secondary School Principals officially established the National Honor Society in 1921. Although many local and regional honor societies existed prior to 1921, no nationwide organization had been founded. Dr. Edward Rynearson's leadership constitutes the growth of the organization of the original Alpha Chapter at the Fifth Avenue School to more than 1,000 chapters by 1930. The new National Honor Society organization quickly developed into one of the country's leading educational groups equipped with a constitution, an emblem and motto, and a group of dedicated principals as coordinators; and

WHEREAS, The National Honor Society is an organization for high school students, such as Kern Rodrigues, who demonstrate remarkable scholarship, service, leadership and character. The NHS constitutions specified that members must have a cumulative scholastic average of 85, a grade point average of a 3.0 or a comparable level of achievement, although individual schools such as Lincoln-Way Central, raise the grade point average to a 3.5 minimum achievement level. A faculty council votes to approve or deny new members. Since the National Honor Society's beginning, there have been four main purposes that have guided chapters. They are: 1) to create enthusiasm for scholarship; 2) to stimulate a desire to render service; 3) to promote leadership; and 4) to develop character in the students of secondary schools; and

WHEREAS, The National Honor Society's motto is noblesse obligeies. Translated from the French language this means "nobility obligates" and according to the French Wiktionary, it has two meanings: 1) Whom ever claims to be noble must conduct himself nobly and 2) (Figuratively) One must act in a fashion that conforms with one's position and with the reputation that one has earned; and

WHEREAS, The leaders of this great city are cognizant of the importance of our youths and their education; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this 14th day of December 2016 A.D., do hereby offer our heartiest congratulations to Kern Ivor Rodrigues upon the occasion of his induction into the National Honor Society and extend to this very fine young citizen our best wishes for future prosperity and fulfillment; and
