Noting the important services provided by the City Clerk's Office, Mayor Emanuel spoke of the new responsibility of the office in administering the Municipal ID program. "Chicago is a welcoming city with open arms and open heart", the Mayor declared, and the Municipal ID program helps ensure that immigrants and refugees have access to vital services as they assimilate to their new home. Expressing his support for and confidence in Ms. Valencia as she assumes the responsibilities of City Clerk, Mayor Emanuel noted that her parents must truly feel pride, or in Yiddish "naches", in the success of their daughter.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit Ms. Valencia the privilege of the floor so that she could address the body. The motion *Prevailed.*

Thanking the members of the City Council for their support, City Clerk Valencia declared her dedication to administering the responsibilities of her office in a manner that will aspire to the highest level of quality. Noting the political disharmony in our nation's capital which dominates the headlines, City Clerk Valencia disclosed her continued inspiration from Mayor Emanuel and the members of the City Council who have achieved success through collaboration. City Clerk Valencia then thanked Mayor Emanuel for his confidence in her and for the opportunity to lead the City Clerk's Office into a new era where all Chicagoans are assured that the services provided by her office would always remain easily accessible. Expressing gratitude to Illinois Supreme Court Justice Anne M. Burke for administering her oath of office, City Clerk Valencia declared Justice Burke a trailblazer who has set an example for women in public office. Noting that her success is shared with her loving family, City Clerk Valencia conveyed her heartfelt appreciation to her parents, Joseph and Debra Valencia, for their sacrifice and unwavering support and her husband, Reyahd Kazmi, for his faith, support and love and for always encouraging her to "be my best". Urging all Chicagoans to become more engaged and to work together with government on improving City services for all residents, City Clerk Valencia expressed her eagerness to work with and listen to the ideas of the next generation of leaders, prompting each to "find your passion, work hard, seek mentorship and don't let anyone tell you anything is impossible".

On motion of Alderman Burke, seconded by Aldermen Harris, Thompson, D. Moore, O'Shea, Solis, Maldonado, Burnett, Ervin, Laurino, Cappleman and J. Moore, the foregoing proposed resolution was *Adopted* by a rising vote.

At this point in the proceedings, the Honorable Rahm Emanuel, Mayor, speaking on behalf of the City of Chicago, thanked His Eminence Blase Joseph Cupich for his leadership and congratulated him on his recent elevation to the rank of Cardinal Priest. The first appointment of an archbishop in the United States and the first elevation of an archbishop to the rank of Cardinal Priest granted by His Holiness Pope Francis were to His Eminence Blase Joseph Cupich, the Mayor noted, and are a testament to his voice, his character and the humanity the Cardinal brings to spreading love and passion not only to those of the Catholic faith, but to all people. Cardinal Cupich is an outspoken advocate on behalf of immigrants in Chicago, the Mayor noted, helping families fully join into the communities they now call home. Successfully building bridges across racial, religious and cultural lines, Cardinal Cupich has also assisted our Police Department in some of Chicago's most troubled communities in bridging that divide as well, the Mayor noted. In just two short years since his arrival in Chicago, Cardinal Cupich has helped foster a more welcoming Chicago community where, the Mayor observed, there are no strangers among us and everyone a part of our family. Although tutored at a young age about the Jeffersonian principle of separation of church and state, Mayor Emanuel stated that whether speaking from the pulpit or the podium, when ideas and visions align, we will get there faster together.

Mayor Emanuel then invited His Eminence Blase Joseph Cupich to the Mayor's rostrum where he presented him with a briefcase imprinted with the symbol of the Catholic Church.

Speaking from the Mayor's rostrum, His Eminence Blase Joseph Cupich thanked the City Council and assembled guests for their warm reception. Reciting an excerpt from the prayer of St. Francis of Assisi, "Lord, make me an instrument of Your peace, where there is hatred, let me sow love", Cardinal Cupich observed that in these words is a prayer and a promise that is answered throughout the Archdiocese and Chicagoland each day by thousands of people. Some of them are in attendance today, the Cardinal noted, and they represent school leaders from Pilsen, Chinatown, Brownsville, who teach peace and tolerance to our City's children, social service workers in women's shelters, domestic violence programs and immigration services who help comfort and heal those who live in fear, neighbors who volunteer their time to care for veterans and for those with disabilities, and mentors to at risk youth who help illuminate a path of hope. Adding to these efforts are the parishes, schools and offices that collect and distribute food and clothing and provide shelter throughout the year, the Cardinal continued, and as a result of their charitable work "bring peace and sow love". These citizens add an important layer to the social capital provided by those charged with public safety, the Cardinal stated, and their actions are bolstered by our civic leaders who dedicate their lives promoting the common good. Calling for leadership, cooperation and support by Mayor Emanuel and the members of the City Council, His Eminence asserted that together we can take bold steps "to help rebuild our families, to reach out to the frightened and marginalized [and] to rid our neighborhoods of the despair that fertilizes the fields of those who would sow hatred". As he reflected on his arrival in Chicago two years ago, Cardinal Cupich recalled how he was told by his staff that one of Chicago's mottos is "I Will", which the Cardinal understood to be a call to the "hearty and the hardworking to rebuild at a time when our city was all but destroyed by a fire". Today we

face a different type of fire that is ravaging our city and our neighborhoods, the Cardinal observed, and once again it is our neighbors who are in need of assistance. To answer this call those in positions of leadership must step forward and work together to rebuild Chicagoans' hopes and bolster their spirits, the Cardinal stated, so that when violence becomes a terrible way of life, families and neighborhoods will know by our words and actions that they are not on their own and that we are with them. Cardinal Cupich then called upon the Mayor and members of the City Council to collectively embrace the "I Will" motto and make it the motto of our city's leadership so that a message can be sent to all Chicagoans that "We Will" remain undaunted and fearless and face these challenges together. Thanking the many people who have voiced their support and expressing gratitude to Mayor Emanuel and the members of the City Council for their invitation to speak to this distinguished legislative body today, Cardinal Cupich declared his encouragement in knowing that "I am among friends who are ready to be instruments of peace, partners in dialogue, and leaders who seek the good of all". The Cardinal then concluded his remarks stating that "you can "count on my friendship in return . . . That is my prayer and that is my promise."

The obligation of the City to make payments on the Refunding Note shall be a direct and general obligation of the City for the payment of which (as to principal, interest and any other payments, if any, as appropriate) the City pledges its full faith and credit. The Refunding Note shall be payable (as to principal, interest and any other payments, if any, as appropriate) from any monies, revenues, receipts, income, assets or funds of the City legally available for such purpose, including, but not limited to, the proceeds of the sale of all or any portion of the property.

The City shall appropriate, or otherwise provide, amounts sufficient to pay the principal of and interest on the Refunding Note and any other amounts payable thereunder or in connection therewith to the payment of which the City has pledged its full faith and credit for the years such amounts are due, and the City hereby covenants to take timely action as required by law to carry out the provisions of this section, but, if for any such year, it fails to do so when otherwise required, this ordinance shall constitute a continuing appropriation of such amounts without any further action of the part of the City Council.

The seal of the City shall be affixed to or a facsimile thereof printed on the Refunding Note, and the Refunding Note shall be signed by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of the City Clerk, and in case any officer whose signature shall appear on the Refunding Note shall cease to be such officer before the delivery of the Refunding Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The Refunding Note shall have thereon a certificate of authentication duly executed by the Registrar, as authenticating agent of the City for the Refunding Note, and showing the date of authentication. The Refunding Note shall not be valid or obligatory for any purpose nor be entitled to any security or benefit under this ordinance unless and until such certificate of authentication shall have been duly executed by the Registrar by manual signature, and such certificate of authentication shall be conclusive evidence that the Refunding Note has been authenticated and delivered under this ordinance.

The City shall cause books (the "Register") for the registration and for the transfer of the Refunding Note (to the extent that such transfer is permitted under the Refunding Loan Agreement) as provided in this ordinance to be kept at the principal office of the Registrar, which is hereby constituted and appointed the Registrar of the City for the Refunding Note. The City is authorized to prepare, and the Registrar shall keep custody

of, multiple Refunding Note blanks executed by the City for use in the transfer of the Refunding Note.

Upon surrender for a transfer of the Refunding Note authorized under the Refunding Loan Agreement at the principal office of the Registrar, duly endorsed by, or accompanied by (i) a written instrument or instruments of transfer in form satisfactory to the Registrar, (ii) an investment representation in form satisfactory to the City and duly executed by the registered owner or his attorney duly authorized in writing, (iii) the written consent of the City evidenced by the signature of the Registrar (or his or her designee) on the instrument of transfer, as and to the extent required under the Refunding Loan Agreement, and (iv) any deliveries required under the Refunding Loan Agreement, the City shall execute and the Registrar shall authenticate, date and deliver in the name of any such authorized transferee or transferees a new fully registered Refunding Note of the same maturity, of authorized denomination, for the authorized principal amount of the Note less previous retirements. The execution by the City of a fully registered Refunding Note shall constitute full and due authorization of the Refunding Note and the Registrar shall thereby be authorized to authenticate, date and deliver the Refunding Note. The Registrar shall not be required to transfer or exchange the Refunding Note during the period beginning at the close of business on the 15th day of the month immediately prior to the maturity date of the Refunding Note nor to transfer or exchange the Refunding Note after notice calling the Refunding Note for prepayment has been made, nor during a period of five days next preceding mailing of a notice of prepayment of principal of the Refunding Note. No beneficial interest in the Refunding Note shall be assigned, except in accordance with the procedures for transferring the Refunding Note as described above.

The person in whose name the Refunding Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of and interest, if any, on the Refunding Note shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Refunding Note to the extent of the sum or sums so paid.

The City or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge, if any, that may be imposed by a governmental authority other than the City in connection with any transfer of the Refunding Note.

The provisions of this ordinance shall constitute a contract between the City and the registered owner of the Refunding Note. All covenants relating to the Refunding Note are enforceable by the registered owner of the Refunding Note".

SECTION 3. Except as amended by this ordinance, the Revenue Ordinance shall remain in full force and effect. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago (the "Municipal Code"), or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision of this ordinance shall be held

invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to render voidable at the option of the City any document, instrument or agreement authorized hereunder or to impair the validity of this ordinance or the instruments authorized by this ordinance or to impair the rights of the owners of the Refunding Note to receive payment of the principal of or interest on the Refunding Note or to impair the security for the Refunding Note; provided further that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for any violation of any provision of the Municipal Code.

SECTION 4. This ordinance shall be published by the City Clerk, by causing to be printed in special pamphlet form at least five copies hereof, which copies are to be made available in her office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this ordinance.

SECTION 5. This ordinance shall be in full force and effect from and after its adoption, approval by the Mayor and publication as provided herein.

The Developer shall meet with DPD at the request of DPD to discuss the Requisition Form(s) previously delivered.

(d) All required Annual Compliance Reports have been submitted as required by this Agreement. The Developer will be required to provide the Annual Compliance Report throughout the "Monitoring and Compliance Period," which is defined as beginning on the date of the issuance of the Certificate of Completion and extends ten years from the issuance of the Certificate of Completion.

4.05. Treatment Of Prior Expenditures And Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by the Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by Developer pursuant to Section 4.01 hereof.

(b) City Fee. Annually, the City may allocate an amount not to exceed ten percent (10%) of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

(c) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written

consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed $5,000 or $20,000 in the aggregate, may be made without the prior written consent of DPD.

4.06. Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07. Certification Of Project Costs. Prior to the certification of Project Costs by the City, the Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by the Developer to DPD of any request for execution for a Certification of Project Costs shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the request for such Certification is for TIF-Funded Improvements that represent the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the request for such Certificate of Expenditure have been paid to the parties entitled to such payment (or have been incurred by the Developer);

(c) the Developer has approved all work and materials for the request for such Certificate of Expenditure and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and Developer is in compliance with all applicable covenants contained herein;

(e) the Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) The Project Is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the Available Project Funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. The Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, provide the City with evidence of sufficient sources of funds that will place the Project In Balance.

The City shall have the right, in its discretion, to require the Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and the execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer. In addition, the Developer shall have satisfied all other preconditions for execution of a Certificate of Expenditure, including but not limited to requirements set forth in the TIF Ordinances and/or this Agreement.

4.08. Conditional Grant. Payments of the City Funds being provided hereunder are being provided on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being terminated and/or reimbursed as provided in Section 15.02 hereof.

4.09. Order Of Spending Of Project Funds. All Developer Equity and/or Lender Financing will be spent first, and City Funds will be provided as described in Section 4.03.

Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer and any other parties required by this Section 5.14 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Section 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an Event of Default under this Agreement.

6.02. Construction Contract. Prior to the execution thereof, the Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for DPD's prior review. Within ten (10) business days after execution of such contract by the Developer, the General Contractor and any other parties thereto, the Developer shall deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

(a) Upon (i) satisfaction of the conditions set forth in Sections 7.01(c) hereof, and (ii) the Developer's written request, DPD shall issue to the Developer a Certificate of Completion in recordable form certifying that all obligations to complete the Project have been fulfilled by the Developer in accordance with the terms of this Agreement.

(b) DPD shall respond to the Developer's written request for a Certificate of Completion within forty-five (45) days by issuing either a Certificate of Completion or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate of Completion. The Developer may resubmit a written request for a Certificate of Completion upon completion of such measures. The failure by DPD to respond within forty-five (45) days shall not be deemed approval of the Developer's request for the Certificate of Completion.

(c) The Developer acknowledges that the City will not issue a Certificate of Completion until all of the following conditions have been met:

(i) the Developer has given the City written notification that construction of the Project, including all of TIF-Funded Improvements, has been completed in accordance with the terms of this Agreement;

(ii) the Developer has provided evidence acceptable to DPD that the total cost to complete the Project is equal to, or in excess of, $3,363,825 (the "Certified Final Project Cost"). As described in Section 4.03(b)(iii), the City Funds will be reduced on a dollar for dollar basis if the Certified Final Project Cost is less than $3,363,825;

(iii) the Developer has provided a Certificate of Occupancy or other evidence acceptable to DPD that the Developer has completed the Project in compliance with the Plans and Specifications and all building permit requirements;

(iv) the Developer has provided evidence acceptable to DPD that the Project met or exceeded MBE/WBE, Prevailing Wage, and City Residency requirements, including receiving a letter from DPD's Compliance and Monitoring division stating that the Developer is in complete compliance with all City Requirements (MBE/WBE, City Residency, and Prevailing Wage), as provided in this Agreement;

(v) the Developer has provided evidence acceptable to DPD that the Developer has incurred TIF-eligible costs in an amount equal to, or greater than, the total maximum amount of City Funds for the Project ($450,000); and

(vi) the Developer has provided a copy of a fully-executed lease with The Buona Companies LLC, with a term extending, at a minimum, for the entire Monitoring and Compliance Period;

(vii) the Developer has provided evidence acceptable to DPD that The Buona Companies LLC, has obtained all required business licenses, is open for business, and has employed a minimum of thirteen (13) FTEs; and

(viii) there exists neither an Event of Default that is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

7.02. Effect Of Issuance Of Certificate Of Completion; Continuing Obligations. The Certificate of Completion relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate of Completion, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate of Completion shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.01(i), 8.01(k), 8.02, 8.06, 8.19 and 8.21 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate of Completion; provided, that upon the issuance of a Certificate of Completion, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate of Completion shall be binding only upon the Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of the Developer's rights under this Agreement and assume the Developer's liabilities hereunder.

7.03. Failure To Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available

pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer.

7.04. Notice Of Expiration Of Term Of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

Section 8.

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, the Developer shall acquire and shall maintain good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon) free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that Developer is contesting in good faith pursuant to Section 8.15 hereof);

(e) the Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting the Developer which would impair its ability to perform under this Agreement;

(h) the Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer or the Property is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of the Developer since the date of the Developer's most recent Financial Statements;

(j) prior to or after the issuance of a Certificate of Completion, the Developer shall not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; provided, however, no written consent or notice shall be needed when admitting new equity investors or when equity investors exit; (2) except as provided in Section 8.05(a), assign, sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto); (3) enter into any transaction outside the ordinary course of the Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (5) enter into any transaction that would cause a material and detrimental change to the Developer's financial condition.

(k) the Developer has not incurred, and, prior to the issuance of a Certificate of Completion, shall not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens and/or liens bonded by the Developer or insured by the Title Company; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget;

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code;

(m) neither the Developer nor any affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and

the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate", when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise; and

(n) Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons, and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract (as defined below) is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later of (i) May 16, 2011, or (ii) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default

entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and

(B) neither party is married; and

(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(E) two of the following four conditions exist for the partners:

1. The partners have been residing together for at least 12 months.

2. The partners have common or joint ownership of a residence.

3. The partners have at least two of the following arrangements:

a. joint ownership of a motor vehicle;

b. a joint credit account;

c. a joint checking account;

d. a lease for a residence identifying both domestic partners as tenants.

4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

8.02. Covenant To Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, Developer's receipt of all required building permits and governmental approvals, the Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Ordinance, the Scope Drawings, Plans and Specifications, the Project Budget and all amendments thereto, and all Laws applicable to the Project, the Property and/or Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate of Completion with respect thereto.

8.03. Redevelopment Plan. The Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan, which is hereby incorporated by reference into this Agreement.

8.04. Use Of City Funds. City Funds disbursed to the Developer shall be used by Developer solely to pay for (or to reimburse the Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

(a) Limitations On Sale Or Transfer. Prior to the third anniversary of the issuance of the Certificate of Completion, the Developer may not sell or otherwise directly or indirectly transfer the Property, or any part thereof, including any building constructed as part of the Project. For the period after the third anniversary and prior to the tenth anniversary of the issuance of the Certificate of Completion, the Developer may not sell or otherwise directly or indirectly transfer the Property, or any part thereof, including any buildings constructed as part of the Project, without the City's approval, except to a wholly-owned entity of the Developer. City approval is predicated on the new ownership entity's ability to demonstrate the financial capacity, together with the experience, needed to effectively operate and manage a restaurant/retail development and that entity agreeing to assume all surviving responsibilities and covenants applicable to the Developer under this Agreement.

(b) Capital Event. In the instance of a Capital Event, the Developer shall pay to the City 50% of the Sale Proceeds in excess of the amount required to achieve an Unleveraged Internal Rate of Return of 9% on the Project. However, if the Developer realizes a higher Unleveraged Internal Rate of Return solely as a result of offering a personal guarantee and/or separate, unrelated collateral in refinancing the Project, and provided evidence thereof to the City, then this Capital Event provision will not apply.

(c) Tri-Annual Recapture. The Developer shall pay to the City 50% of the cumulative tri-annual Distributable Cash Flow, for such three-year period that is in excess of the amount required to achieve an Unleveraged Internal Rate of Return of 9% on the Project. However, if the Developer realizes a higher Unleveraged Internal Rate of Return solely as a result of offering a personal guarantee and/or separate, unrelated collateral in refinancing the Project, and provided evidence thereof to the City, then this Tri-Annual Recapture provision will not apply.

(d) Maximum Recapture Amount. The amount of the TIF Recapture for the Capital Event and Tri-Annual Recapture will be capped at the amount of the City Funds paid to the Developer, plus an additional eleven percent (11%).

(e) As used in this subsection, the following terms shall have the following meanings:

(i) "Amortization" shall mean those certain amortization amounts for the Project as set forth in the audited annual Financial Statements.

(ii) "Capital Event" shall mean the sale, transfer or refinancing of the Project or any part thereof.

(iii) "Debt Service" shall mean those certain debt service amounts for the Project as set forth in the audited annual Financial Statements.

(iv) "Depreciation" shall mean those certain depreciation amounts for the Project as set forth in the audited annual Financial Statements.

(v) "Distributable Cash Flow" shall be computed using the following formula: Net Operating Income less Lender Required Reserves plus Amortization plus Depreciation.

(v) "Income Taxes" shall mean those certain income tax amounts for the Project as set forth in the audited annual Financial Statements.

(vi) "Net Operating Income" shall be computed using the following formula: Project Revenues minus Operating Expenses of the Project.

(vii) "Operating Expenses of the Project" shall mean those certain operating expenses set forth in the audited annual Financial Statements including Debt Service and any Lender required reserves, but excluding any reserves arising in connection with a Capital Event, Income Taxes, Depreciation and Amortization.

(viii) "Project Revenues" shall mean those certain revenues for the Project as set forth in the audited annual Financial Statements.

(ix) "Sales Proceeds" shall mean proceeds of such sale net of outstanding Lender Financing based on the final executed settlement statement prepared in connection with such sale.

(x) "Unleveraged Internal Rate of Return" shall be computed using the following formula: Distributable Cash Flow/Equity.

(f) Any TIF Recapture Amount received by the City shall be deposited into a separate account within the TIF Fund and shall be used for Redevelopment Project Costs.

(g) Any TIF Recapture Amount due and owing to the City pursuant to Section 8.05(c) shall be paid by the Developer on or before March 1 in conjunction with the filing of the Annual Compliance Report. Any TIF Recapture Amount due and owing to the City pursuant to Section 8.05(b) due the occurrence of a Capital Event shall be paid by the Developer on the closing date of such Capital Event.

(h) This Section 8.05 shall be in effect until there is a Capital Event in which Developer is no longer in control of the entire Project. With respect to a Capital Event of less than the entire Project, such successor shall not have any obligations or liabilities under this Section 8.05. The Developer, however, shall continue to have obligations under this Section 8.05 with respect to the portion of the Project that was not subject to the Capital Event.

8.06 Jobs, Operation And Occupancy Covenants.

(a) Job Creation And Retention; Operating Covenant; Occupancy Covenant.

The Developer shall continuously operate through the Ten Year Anniversary, a "Buona Beef restaurant or such other commercial business acceptable to DPD, as permitted pursuant to the Redevelopment Plan and this Agreement (the "Operating Covenant").

The Developer shall maintain 100% occupancy of the Project as a "Buona Beef restaurant, or such other commercial business acceptable to DPD for each Reporting Period (the "Minimum Occupancy"). The Developer shall deliver an occupancy progress report certifying compliance with the requirement (the "Occupancy Report") to maintain a Minimum Occupancy (the "Occupancy Covenant") for the Reporting Period, such request to be submitted each year, through the Term of the Agreement. The Developer hereby covenants and agrees to maintain Minimum Occupancy through the Term of the Agreement.

Additionally, not less than thirteen (13) Full-Time Equivalent Employee jobs shall be created by the Developer or an affiliate of the Developer to operate and maintain the Project on or before the issuance of the applicable Certificate of Completion and such number of jobs shall be maintained during the Term of the Agreement (the "Jobs Covenant").

Following the issuance of the Certificate of Completion until the Term of the Agreement, the Developer shall submit to DPD certified Jobs Certificates (in substantially the form set forth in (Sub)Exhibit I hereto) disclosing compliance with the Jobs Covenant to DPD. These Jobs Certificates shall be submitted to DPD with the Annual Compliance Report regarding compliance with the Jobs Covenant for the Reporting Period. The Jobs Certificate shall

include employee identifiers and titles for FTEs employed at the Project as of the end of the prior 12-month reporting period and documentation sufficient to support, to DPD's satisfaction, each position as either newly created or maintained.

(b) Non-Curable Covenant Defaults. There shall be no cure period for a default under the Operating Covenant or Occupancy Covenant, nor if the Occupancy Report or the Jobs Certificate is not submitted with the Annual Compliance Report.

(c) Jobs Covenant Default And Cure Period. If the Developer defaults under the Jobs Covenant described in Section 8.06(a) above, an Event of Default shall not be declared with respect to such default if the Developer, upon irrevocable written notice (the "Extension Notice") accompanying the Annual Compliance Report, elects to extend the Monitoring and Compliance Period by one year to the eleventh (11^{th}) anniversary of the date the Certificate of Completion is issued. The one-year period during which the Extension Notice is given shall be the only cure period allowed for a default by Developer of the Jobs Covenant as described in this paragraph; no other notice or cure periods shall apply thereto and if such default is not cured within such one-year period then an Event of Default shall exist without notice or opportunity to cure. No City Funds shall be paid to the Developer for any year that it is in default under the Jobs Covenant. If the Developer has not delivered a permitted Extension Notice then any default by the Developer under the Jobs Covenant shall constitute an Event of Default without notice or opportunity to cure. The Developer shall be entitled to deliver only one Extension Notice. If the Developer has delivered an Extension Notice, then any subsequent default by the Developer of the Jobs Covenant as described in this paragraph shall constitute an Event of Default without notice or opportunity to cure.

(d) The covenants set forth in this Section 8.06 shall run with the land and be binding upon any transferee for the Term of the Agreement.

8.07. Employment Opportunity; Progress Reports. The Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City monthly. If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8.08. Employment Profile. The Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09. Prevailing Wage. The Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to

such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict Of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure Of Interest. The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. The Developer shall obtain and provide to DPD Financial Statements for Developer's fiscal year ended 2013 and each December 31 thereafter for the Term of the Agreement.

8.14 Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges, (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right To Contest. The Developer has the right, before any delinquency occurs: to contest or object in good faith to the amount or validity of any Non-Governmental Charge by

appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15): or at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance With Laws.

(a) Representation. To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be, as and when required, in compliance with all Laws pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

(b) Covenant. The Developer covenants that the Property and the Project will be operated and managed in compliance with all Laws. Upon the City's request, the Developer shall provide evidence to the City of its compliance with this covenant.

8.18 Recording And Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment Of Governmental Charges. The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable,

and which create, may create, a lien upon the Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right To Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option, The Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or the Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

(c) Real Estate Taxes.

(i) Acknowledgment Of Minimum Assessed Value. The Developer agrees that, for the purpose of this Agreement, the total minimum assessed value of the Property ("Minimum Assessed Value") is $192,268.

(ii) Real Estate Tax Exemption. With respect to the Property or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Monitoring and Compliance Period, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect.

(iii) No Reduction In Real Estate Taxes. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Monitoring and Compliance Period, directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Property or the Project below the amount of the Minimum Assessed Value.

(iv) No Objections. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer, shall object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Underassessment Complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term "Underassessment Complaint" as used in this Agreement shall mean any complaint seeking to increase the assessed value of the Property up to (but not above) the Minimum Assessed Value.

(v) Covenants Running With The Land. The parties agree that the restrictions contained in this Section 8.19(c) are covenants running with the land and this Agreement shall be recorded by the Developer as a memorandum thereof, at the Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property from and after the Closing Date shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the Developer, its successors or assigns, may waive and terminate the Developer's covenants and agreements set forth in this Section 8.19(c).

8.20 Survival Of Covenants. All warranties, representations, covenants and agreements of Developer contained in. this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate of Completion) shall be in effect throughout the Term of the Agreement.

8.21 Annual Compliance Report. The Developer shall provide to DPD an Annual Compliance Report consisting of (a) an Affidavit from the Developer itemizing all ongoing requirements including references to all the relevant Sections of this Agreement, and (b) sufficient documentation and certifications, to the satisfaction of DPD, to evidence that all

on going requirements have been satisfied during the preceding reporting period (which DPD shall have the right, but not the obligation, to audit compliance with to determine the sufficiency of such Annual Compliance Report). The Annual Compliance Report shall be submitted each year on March 1 after the end of the calendar year to which the Annual Compliance report relates (each such calendar year being a "Reporting Period"). Failure by the Developer to submit the Annual Compliance Report shall constitute an Event of Default under Section 15.01 hereof, without notice or opportunity to cure pursuant to Section 15.03 hereof. The covenants contained in this Section 8.21 shall run with the land and be binding upon any transferee for the Term of the Agreement.

8.22 Inspector General. It is the duty of the Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of the Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.23 Job Readiness Program. Not less than thirty (30) days prior to the Closing Date, the Developer shall meet with Workforce Solutions (DPD workforce division) regarding compliance with all Section 8.23 requirements. During this meeting, the Developer will work with DPD to create an Employment Plan for its employees at the Project, listing future job openings, titles, descriptions, qualifications and such other information as DPD may request ("Employment Plan") attached hereto as (Sub)Exhibit L-1. The Employment Plan may include recruitment, training, placement and reporting requirements, the sufficiency of which DPD shall approve as a precondition to the Closing. The Developer hereby covenants and agrees to work with the City, and to use best efforts to have the retail and commercial tenants work with the City, to maximize the recruitment and interviewing of qualified City of Chicago candidates.

This Section 8.23 covenant shall be deemed satisfied with respect to using best efforts to have the retail and commercial tenants work with the City upon Developer's inclusion of a job readiness covenant in each retail and commercial tenant lease executed on or after the Closing Date substantially in the form attached hereto as (Sub)Exhibit L-2.

8.24 FOIA And Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1, et seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City under Section 8.21, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential". If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1, et seq., as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act.

Section 9.

Covenants/Representations/Warranties Of City.

9.01. General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02. Survival Of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

Section 10.

Developer's Employment Obligations.

10.01. Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010, et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101, et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate of the Developer, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02. City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by Actual Residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual Residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph. The City, has determined that the Developer failed to fully comply with the requirement of this section and must make a payment to the City in the amount of $15,452.25.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246", or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420, et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650, et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in (Sub)Exhibit F-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

At least 24 percent by MBEs.

At least four percent by WBEs.

For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the construction of the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

For purposes of Sections 15.01(j) hereof, a person with a material interest in Developer shall be one owning in excess often (10%) of Developer's membership interests.

15.02. Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, discontinue payment of the City Funds, place a lien on the Project in the amount of City Funds paid, and/or seek reimbursement of any City Funds paid to the Developer. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the terms and conditions contained herein. Upon the occurrence of an Event of Default under Section 8.06, Developer shall be obligated to repay to the City all City Funds previously paid to the Developer.

15.04. Right To Cure By Lender. In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in termination of this Agreement and all related agreements,

or the suspension, cancellation or reduction of the amount of City Funds to be paid hereunder, the City shall prior to exercising such right or remedy, send notice of such intended exercise to the Lender and the Lender shall have the right (but not the obligation), unless otherwise provided in this Agreement, to cure such Event of Default as follows:

(a) if the Event of Default is a monetary default, the Lender may cure such default within 45 days after the later of: (i) the expiration of the cure period, if any, granted to the Developer with respect to such monetary default; or (ii) receipt by the Lender of such notice from the City; and

(c) Notwithstanding the provisions of Section 15.03(b) hereof, if such non-monetary default is an Event of Default set forth in Section 15.01(e), (f), (g), (h), (i) or (j) hereof or Event of Default by the Developer of a nature so as not reasonably being capable of being cured within such 60 day period (each such default being a "Personal Developer Default"), the Lender shall provide written notice to the City within 45 days of receipt of notice of such Personal Developer Default stating that it shall cure such Personal Developer Default by the assignment of all of the Developer's rights and interests in this Agreement to the Lender or any other party agreed to in writing by both the Lender and the City. Upon receipt by the City of such notice from the Lender, the cure period shall be extended for such reasonable period of time as may be necessary to complete such assignment and assumption of Developer's rights hereunder.

Section 16.

Mortgaging Of The Project.

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on (Sub)Exhibit E hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages". Any mortgage or deed of trust that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage". Any New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage". It is hereby agreed by and between the City and Developer as follows:

In the event that a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of

foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.14 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

In the event that any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.14 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of Developer which accrued prior to the time such party succeeded to the interest of Developer under this Agreement, in which case Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

Prior to the issuance by the City to Developer of a Certificate of Completion pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

18.01. Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement the Redevelopment Plan without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to (A) cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%), (B) reduce by more than 5,000 the number of square feet required pursuant to Section 7.01 (c)(iii). 18.03. Limitation Of Liability. No member, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04. Further Assurances. Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05. Waiver. Waiver by the City or Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06. Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07. Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.09. Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.10. Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, such ordinance(s) shall prevail and control.

18.11. Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.12. Form Of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.13. Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate of Completion or otherwise administering this Agreement for the City.

18.14. Assignment. 18.15. Binding Effect. This Agreement shall be binding upon Developer, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of Developer, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.16. Force Majeure. Neither the City nor Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other acts of nature beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. Among other things, the 2011 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

(c) The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to the Developer by a City employee or City official in violation of Section 12.07(ii) above, or advocating a violation of Section 12.07(iii) above, the Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Opinion Of Developer's Counsel.

[To be retyped on Developer's Counsel's letterhead]

_____, _____.

City of Chicago
121 North LaSalle Street
Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an [Illinois] _____ (the "Developer"), in connection with the construction of certain facilities at _____, Chicago, Illinois 606__ located in the _____ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) _____ Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by Developer and the City];

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined:

(a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) Bylaws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's [Articles of Incorporation or Bylaws] [describe any formation documents if Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. (Sub)Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on (Sub)Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and non-assessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

[Note: include a reference to the laws of the state of incorporation/organization of Developer, if other than Illinois.]

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

_____

SECTION 2. Section 2-92-336 of the Municipal Code of Chicago is hereby amended by inserting the language underscored and by deleting the language struck through, as follows:

2-92-336 Contracts -- Ex-Offender Apprentice Utilization.

(Omitted text is not affected by this ordinance.)

(b)(1) For any construction project advertised after the effective date of this section having an estimated contract value of $100,000.00 or more, and where not otherwise prohibited by federal, state or local law, the chief procurement officer shall allocate to any qualified bidder the following bid incentive for utilization of apprentices in performance of the total labor hours performed under the contract.

~~(2) The Chief Procurement Officer is authorized to limit or preclude the use of apprentices for a particular contract if she determines, following consultation with the Commissioner of Family and Support Services, that the nature of the underlying offense raises concerns of suitability for that contract.~~

Total Labor Hours Performed By Apprentices	Bid Incentive
5 to 10%	1/2% of the contract base bid
11 to 15%	1% of the contract base bid

The bid incentive shall be calculated and applied in accordance with subsection ~~(c)(2)~~ (b)(3). The bid incentive does not affect the contract price and is used only to calculate an amount to be used in evaluating the bid.

For all construction projects advertised after the effective date of this section, the chief procurement officer shall include the bid incentive provision in all such advertisements, unless the limitation or preclusion of subsection (b)(2) applies.

(2) The Chief Procurement Officer is authorized to limit or preclude the use of apprentices for a particular contract if she determines, following consultation with the

Commissioner of Family and Support Services, that the nature of the underlying offense raises concerns of suitability for that contract.

(3) As part of the contract close-out procedure, if the chief procurement officer determines that the contractor has successfully met its apprentice utilization goals, the chief procurement officer shall issue an earned credit certificate that evidences the amount of earned credits allocated to the contractor. The contractor may apply the earned credits as the bid incentive for any future construction project contract bid of equal or greater dollar value.

The earned credit certificate is valid for three years from the date of issuance and shall not be applied towards any future contract bid after the expiration of that period.

The contractor may apply the earned credit certificate on multiple future construction project contract bids during the three-year period in which the certificate is valid, but may only receive one bid incentive for bid evaluation purposes on one construction project contract award. If the contractor applies the earned credit certificate on multiple construction project bids and is the lowest responsive and responsible bidder on more than one construction project bid, the earned credit certificate shall be applied to the construction project first to be advertised by DPS, or if multiple construction project bids were advertised on the same date, the earned credit certificate shall be applied only to the construction project with the greatest dollar value.

(dc) The contractor shall maintain accurate and detailed books and records necessary to monitor compliance with this section and shall submit such reports as required by the chief procurement officer, or the commissioner of the supervising department.

Full access to the contractor's and subcontractors' records shall be granted to the chief procurement officer, the commissioner of the supervising department, or any duly authorized representative thereof. The contractor and subcontractors shall maintain all relevant records for at least three years after final acceptance of the work.

(ed) The chief procurement officer is authorized to adopt, promulgate and enforce rules pertaining to the administration and enforcement of this section.

SECTION 3. This ordinance shall take effect upon passage and approval.

SECTION 1. The foregoing recitals are hereby adopted as the findings of the City Council.

SECTION 2. The City Council hereby approves the sale of the Property to Grantee for the amount of Four Hundred Fifty Thousand Dollars ($450,000) (i.e., the Purchase Price). This approval is expressly conditioned upon the City and Grantee entering into a joint order escrow agreement substantially in the form attached hereto as Exhibit B and made a part hereof (the "Joint Order Escrow Agreement"). Three Hundred Fifty Thousand Dollars ($350,000) of the Purchase Price shall be deposited into the escrow account established pursuant to and in accordance with the Joint Order Escrow Agreement. The Commissioner of the Department ("Commissioner") or a designee of the Commissioner is each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver the Joint Order Escrow Agreement, and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of the Joint Order Escrow Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Joint Order Escrow Agreement. The Commissioner or a designee of the Commissioner is each hereby authorized to consent to the assignment of the Joint Order Escrow Agreement from Grantee to Subsequent Purchaser, upon the conveyance of the Property from Grantee to Subsequent Purchaser, and to negotiate, execute and deliver such assignment, and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of such assignment.

SECTION 3. The Mayor or his proxy is authorized to execute, and the City Clerk or the Deputy City Clerk is authorized to attest, one or more quitclaim deeds conveying the Property to Grantee. Without limiting the quitclaim nature of such deed, such conveyance shall be subject to (i) standard exceptions in an ALTA insurance policy; (ii) general real estate taxes and any special assessments or other taxes; (iii) easements, encroachments, covenants, restrictions and liens of record and not shown of record; (iv) such other title defects as may exist; and (v) any and all exceptions caused by acts of Grantee or its agents.

Such conveyance also shall be subject to the following conditions and covenants, in substantially the form set forth below, which are a part of the consideration for the Property and which are to be taken and construed as running with the land and binding on Grantee and its successors and assigns:

First: Grantee must perform, or cause to be performed, the following work on the Property (all such work, the "Environmental Remediation Work"):

(i) excavation, transport and disposal of approximately 30 inches (or a depth as determined by a third-party geotechnical engineer) of unsuitable material below expected final grade;

(ii) cement stabilize bottom of undercut;

(iii) install geofabric at bottom of excavation;

(iv) fill undercut with approximately 30 inches stone compacted or material and depth as determined by a third-party geotechnical engineer). All backfill material must meet

the Illinois Environmental Protection Agency Tiered Approach to Corrective Objectives Tier I residential criteria or a letter provided from the quarry stating the material is virgin material;

(v) install an engineered barrier in the form of a concrete or asphalt cap of at least 4 inches plus compactible fill (in lieu of asphalt and stone) (the "Engineered Barrier");

(vi) install a class "A" vapor barrier below pavement;

(vii) landscape undercuts to 36" below expected final grade; and

(viii) related environmental and geotechnical testing work.

Any soils removed from the Property must be transported to, and disposed of at, a properly permitted landfill in accordance with all applicable laws.

All Environmental Remediation Work must be performed in accordance of Section 13-32-125 of the Municipal Code of Chicago (Construction Site Cleanliness). If unearthing of soils results in noticeable petroleum odors or conditions detrimental to health as determined by the City (Section 7-28-060 of Municipal Code) then the odors must be neutralized and the soils properly tarped or contained to ensure emanation is kept to a minimum.

Grantee must provide, or cause its third-party environmental consultant to provide, a written report to the City (the "Completion Report") that summarizes all of the Environmental Remediation Work performed at the Property. At a minimum, the report must include a summary of field activities, photographs, vapor barrier specifications, manifests, field logs, load tickets, clean backfill documentation and analytical data.

The Environmental Remediation Work must commence not later than six months following the date of the deed and must be completed, as evidenced by the City's issuance of a certificate of completion, release or similar instrument (each, a "Certificate of Completion"), not later than 18 months following the date of the deed, unless the Commissioner of the Department or any successor department thereto extends, in writing, such commencement and/or completion dates.

Second: Grantee, and its successors and assigns, hereby waive and release, holds harmless and indemnify the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property and any adjacent property owned by Grantee or owned by any entity that succeeds to the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Property prior to the date of this deed, including, without limitation, liabilities arising under CERCLA. Grantee hereby acknowledges that, in purchasing the Property, Grantee is relying solely upon its

own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. If, after the date of this deed, the structural, physical and environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be Grantee's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use. Furthermore, Grantee, and its successors and assigns, hereby waive the right to receive the benefits of or to invoke the protection afforded by all maritime statutory limitations of liability, including the Limitation of Vessel Owner's Liability Act, 48 U.S.C. § 183, *et seq.*, that could act to diminish their liability for any harm or damage arising from their performance of the Environmental Remediation Work or for any claims or other costs arising from or occasioned by their operations on any waterways, including the Chicago River. This provision is not intended to avoid or waive federal jurisdiction under the applicable admiralty laws.

Third: The Property must be developed with an industrial surface parking lot within twelve months from the date of this deed and such use as an industrial surface parking lot must be maintained in perpetuity. Grantee shall not construct, develop or erect any buildings or other structures (other than an industrial surface parking lot) on the Property. Grantee shall not apply for any zoning changes or a planned development that is inconsistent with the use restriction set forth in this covenant Third.

Fourth: Grantee, and its successors and assigns, must maintain the integrity of the Engineered Barrier at all times. Grantee must establish and abide by a construction work health and safety plan that will assure that construction workers are protected when any work takes place on the Property.

Fifth: Grantee, and its successors and assigns, must maintain insurance in accordance with the following:

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this deed have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements of this Covenant Fourth. The failure of the City of Chicago to obtain certificates or other insurance evidence from Grantee is not a waiver by the City of any requirements for Grantee to obtain and maintain the specified coverages. Grantee shall advise all insurers of the deed provisions regarding insurance. Non-conforming insurance does not relieve Grantee of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this covenant Fifth, and the City of Chicago retains the right to stop work and/or pursue all available remedies in law and in equity until proper evidence of insurance is provided.

The insurance must provide for 30 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed. Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Grantee and contractors. Grantee hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives. The coverages and limits furnished by Grantee in no way limit Grantee's liabilities and responsibilities specified within this deed or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by Grantee pursuant to this deed. The required

insurance to be carried is not limited by any limitations expressed in the indemnification language in this deed or any limitation placed on the indemnity in this deed given as a matter of law. If Grantee is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured. Grantee must require its contractors and subcontractors to provide the insurance required herein, or Grantee may provide the coverages for contractors and subcontractors. All contractors and subcontractors are subject to the same insurance requirements as Grantee. If Grantee, any contractor or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

Sixth: The City of Chicago makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and Grantee accepts the Property in its "as is", "where is" and "with all faults" condition.

Seventh: Grantee, and its successors and assigns, shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof.

Eighth: The Property may not be conveyed without the prior written consent of the City, which consent will not be unreasonably withheld or delayed; provided, however, notwithstanding anything set forth above to the contrary, the Grantee, SRCI LLC or any subsequent owner may convey the Property to any third party purchaser without the City's prior written consent provided said third party purchaser has a minimum net worth of at least Ten Million Dollars ($10,000,000) ("Minimum Net Worth") and is not prohibited from doing business with the City. Further, provided, said Minimum Net Worth amount shall increase by three percent (3%) per year commencing January 1, 2018.

The covenant numbered First shall terminate on the date of the City's issuance of a Certificate of Completion. The covenants numbered Second, Third, Fourth, Sixth, Seventh and Eighth shall have no limitation as to time. The covenant numbered Fifth shall terminate two years following the date of the City's Certificate of Completion.

If Grantee fails to comply with any of the foregoing covenants and conditions, the City may exercise any and all remedies available to it at law or in equity, including the right to re-enter and take possession of the Property, terminate the estate conveyed to Grantee, record Grantee's reconveyance deed, and revest title to the Property in the City, and such right, title and interest of Grantee in and to the Property shall revert to the City; provided, however, the City's right of reverter shall be limited by, and shall not defeat, render invalid, or limit in any way the lien of any mortgage encumbering the Property. If title to the Property revests in the City pursuant to the right of reverter, Grantee shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by Grantee. Grantee will cooperate with the City to ensure that if the

City records the reconveyance deed, such recording is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Property to Grantee and utility easements. The City's right of reverter shall terminate upon the City's issuance of the Certification of Completion. The City will issue a Certification of Completion upon its receipt, review and approval of the Completion Report, which approval shall not be unreasonably withheld.

SECTION 4. The transfer of title of the Property from the City to Grantee must close on or before June 30, 2017 (the "Outside Closing Date"), unless the Commissioner in his sole discretion extends the Outside Closing Date.

SECTION 5. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 6. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

SECTION 7. This ordinance shall take effect upon its passage and approval.

Grantee may be reimbursed from the Escrow Fund for: (i) "Geotechnical Costs"; (ii) "Incremental Costs"; and (iii) environmental consultant expenses, reporting costs and project management costs to the extent incurred as a result of the Environmental Remediation Work, without any mark-up by the Grantee.

For purposes of this Agreement:

"Environmental Laws" means any and all Laws relating to the regulation and protection of human health, safety, the environment and natural resources now or hereafter in effect, as amended or supplemented from time to time, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601, et seq., the Resource Conservation and Recovery Act, 42 U.S.C. § 6901, et seq., the Hazardous Materials Transportation Act, 49 U.S.C. § 5101, et seq., the Federal Water Pollution Control Act, 33 U.S.C. § 1251, et seq., the Clean Air Act, 42 U.S.C. § 7401, et seq., the Toxic Substances Control Act, 15 U.S.C. § 2601, et seq., the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. § 136, et seq., the Occupational Safety and Health Act, 29 U.S.C. § 651, et seq., any and all regulations promulgated under such Laws, and all analogous state and local counterparts or equivalents of such Laws, including, without limitation, the Illinois Environmental Protection Act, 415 ILCS 5/1, et seq., and the common law, including, without limitation, trespass and nuisance.

"Geotechnical Costs" means Grantee's actual costs for the Geotechnical Work, identified in a contract and verified by actual receipts, with no markup by Grantee.

"Geotechnical Work" means (i) undercut of approximately 30 inches of unsuitable material below expected final grade as determined by a third-party geotechnical engineer; (ii) cement stabilize bottom of undercut; (iii) install geofabric at bottom of excavation; (iv) fill undercut with approximately 30 inches stone (compacted) or depth and materials as determined by a third-party geotechnical engineer; (v) install an engineered barrier in the form of a concrete cap of at least 4 inches plus compactible fill; (vi) install a class "A" vapor barrier below pavement; and landscape undercuts to 36 inches below expected final grade.

"Hazardous Substances" means any toxic substance, hazardous substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws, or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, petroleum

(including crude oil or any fraction thereof), any radioactive material or by-product material, polychlorinated biphenyls and asbestos in any form or condition.

"Incremental costs" refers to the difference in costs, if any, between (i) the removal (including, excavation, transportation and disposal), storage, remediation and treatment costs for Special Waste and/or Hazardous Substances (as defined below) that Grantee incurs and (ii) the costs for performing similar work had the Property not contained Special Waste and/or Hazardous Substances. Such costs must be based on Grantee's actual costs, identified in a contract and verified by actual receipts, with no markup by Grantee for these costs. For example, if the cost for disposing of the Special Waste and/or Hazardous Substances on the Property was $10 and the cost of disposing of the same quantity of material from the Property had it not been Special and/or Hazardous Substances was $8, then the incremental costs for the disposal of such material is $2. "Incremental Costs" specifically excludes any costs relating to investigation, sampling, monitoring and testing related to disposal of potential or actual Special Waste and/or Hazardous Substances and future testing related to environmental remediation approved by city, state or federal environmental agencies.

"Special Waste" shall have the meaning set forth in 415 Illinois Compiled Statutes 5/3.475.

2.3 Performance Deposit. [INTENTIONALLY OMITTED]

SECTION 3. CLOSING.

The closing of the transfer of the City Property to the Developer (the "Closing") shall take place at the downtown offices of _____ (the "Title Company") within fourteen (14) days after the Developer has satisfied all conditions precedent set forth in Section 8 hereof, unless the Department, in its sole discretion, waives such conditions (the "Closing Date"); provided, however, in no event shall the Closing Date occur any later than June 30, 2017 (the "Outside Closing Date"), unless at the Developer's request, the Department, in its sole discretion, extends such Outside Closing Date. On or before the Closing Date, the City shall deliver to the Title Company the Deed (as defined below); (b) all necessary state, county and municipal real estate transfer declarations, an ALTA statement; and (c) possession of the City Property.

SECTION 4. CONVEYANCE OF TITLE.

4.1 Form of Deed. The City shall convey the City Property to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and, without limiting the quitclaim nature of the Deed, to the following:

(a) the Plan for the Area;
(b) the standard exceptions in an ALTA title insurance policy;

(c) general real estate taxes and any special assessments or other taxes;

(d) all easements, encroachments, covenants and restrictions of record and not shown of record;

4.3 Escrow. If the Developer requires conveyance through escrow, the Developer shall pay all escrow fees.

4.4 Reconveyance Deed. On the Closing Date, the Developer shall execute and deliver a Reconveyance Deed (as defined in Section 8.12) to the City to be held in trust. The Developer acknowledges and agrees that the City shall have the right to record the Reconveyance Deed and revest title to the City Property and all improvements thereon in the City in accordance with Section 18 hereof.

SECTION 5. TITLE, SURVEY AND REAL ESTATE TAXES.

5.1 Title Insurance. Not less than fourteen (14) days before the anticipated Closing Date, the Developer shall obtain a commitment for an owner's policy of title insurance for the City Property issued by the Title Company. The Developer shall be solely responsible for and shall pay all costs associated with updating the title commitment (including all search, continuation and later-date fees), and obtaining a title insurance policy and such endorsements as it deems necessary or that the Corporation Counsel shall request, including, but not limited to, an owner's comprehensive endorsement and satisfactory endorsements regarding contiguity, location, access, and survey. The City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer documents typically required by the Title Company and typically provided by the City (but expressly excluding "gap" undertakings, title indemnities and similar liabilities) at or prior to the Closing. At the Closing, the Developer shall deliver to the City a copy of the owner's policy of title insurance that it obtains with respect to the City Property.

5.2 Survey. The Developer shall obtain, at the Developer's expense, a plat of survey of the City Property, acceptable in form and content to the City and the Title Company, prepared by a surveyor registered in the State of Illinois, certified to the City and the Title Company, and indicating whether the City Property is in a flood hazard area as identified by the United States Federal Emergency Management Agency ("Survey"), and deliver a copy of the Survey to the City not less than fourteen (14) days before the Closing

5.3 Correction of Title. The City shall have no obligation to cure title defects; provided, however, if there are exceptions for general real estate taxes due or unpaid prior to the Closing Date with respect to the City Property or liens for such unpaid property taxes, the City shall ask the County to void the unpaid taxes as provided in Section 21-100 of the Property Tax Code, 35 ILCS 200/21-100, or file an application for a Certificate of Error with the Cook County Assessor, or tax injunction suit or petition to vacate a tax sale in the Circuit Court of Cook County. If, after taking the foregoing actions, the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the City Property is encumbered with any other exceptions that would adversely affect the use and insurability of the City Property for the development of the Project, the Developer shall have the option to (a) accept title to the City Property subject to the exceptions, without reduction in the Purchase Price; or (b) terminate this Agreement by delivery of written notice to the City, in which event this Agreement shall be null and void, and except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer does not elect to terminate this Agreement as aforesaid, then the Developer shall be deemed to have accepted title subject to all exceptions.

SECTION 6. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall apply for and obtain all necessary building permits and other approvals, including, without limitation, zoning approval (collectively, the "Governmental Approvals") necessary for the Project, prior to the Closing Date, unless the Department, in its sole discretion, agrees to waive such requirement.

SECTION 7. PROJECT BUDGET AND PROOF OF FINANCING.

The total budget for the Project is currently estimated to be $2,397,087 (the "Preliminary Project Budget"). The Developer hereby certifies to the City that the Preliminary Project Budget attached hereto as **Exhibit B** is true, correct and complete in all material respects. Not less than fourteen (14) days prior to the Closing Date, the Developer shall submit to the Department for approval: (a) a final budget for the Project which is materially consistent with the Preliminary Project Budget (the "Final Project Budget"); and (2) evidence of funds adequate to construct the Project, as shall be acceptable to the Department in its sole discretion (the "Proof of Financing"). The Proof of Financing shall include binding commitment letters from the Developer's construction lenders, if any, and evidence of the Developer's ability to make an equity contribution in the amount of any gap in financing.

SECTION 8. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon each of the following conditions being satisfied at least fourteen (14) days prior to the Closing Date, or by such other date as may be specified below, unless waived or extended in writing by the Department in its sole discretion:

8.1 Final Governmental Approvals. The Developer shall have delivered to the City evidence of its receipt of all Governmental Approvals necessary to construct the Project.

8.2 Budget and Proof of Financing. The Developer shall have submitted to the Department, and the Department shall have approved, the Developer's Final Project Budget and Proof of Financing in accordance with the provisions of Section 7 hereof.

8.3 Simultaneous Loan Closing. On the Closing Date, the Developer shall simultaneously close all financing approved pursuant to Section 7 necessary for the construction of the Project, and be in a position to immediately commence construction of the Project.

8.4 Insurance. The Developer shall have delivered to the Department evidence of insurance reasonably acceptable to the City for the City Property. The City shall be named as an additional insured on all liability insurance policies and as a loss payee (subject to the prior rights of any approved first mortgagee) on all property insurance policies from the Closing Date through the date the City issues the final Certificate of Completion. With respect to property insurance, the City will accept either a 2003 ACORD 28 form, or a 2006 ACORD 28 form with a policy endorsement showing the City as a loss payee. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the policy showing the City as an additional insured.

8.5 Legal Opinion. The Developer shall have delivered to the Department a legal opinion stating, in part, that the Developer has been duly organized and that the Developer is duly authorized to enter into this Agreement. 8.7 Organization and Authority Documents. The Developer shall have delivered to the City certified articles of organization, including all amendments thereto, of the Developer, as furnished and certified by the Secretary of State of the State of Illinois; a Certificate of Good Standing dated no more than thirty (30) days prior to the Closing Date, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of the Developer; the Developer's operating agreement; resolutions authorizing the Developer to execute and deliver this Agreement and any other documents required to complete the transaction contemplated by

this Agreement and to perform its obligations under this Agreement; and such other organizational documents as the City may reasonably request.

8.8 Subordination Agreement. The Developer shall have delivered to the Department a subordination agreement in a form reasonably acceptable to the Corporation Counsel (the "Subordination Agreement"), in which the construction lender agrees to subordinate the lien of its mortgage to the covenants running with the land. The Subordination Agreement shall be recorded prior to any mortgage approved pursuant to Section 7.

8.9 MBE/WBE and Local Hiring Compliance Plan. The Developer and the Developer's general contractor and all major subcontractors shall have met with staff from the Department regarding compliance with the MBE/WBE, city residency hiring, and other requirements set forth in Section 22, and the Department shall have approved the Developer's compliance plan in accordance with Section 22.4.

8.14 Title. On the Closing Date, the Developer shall have delivered to the Department a copy of the pro forma title insurance policy for the City Property, certified by the Title Company, showing the Developer as the named insured. 8.15 Survey. The Developer shall have delivered to the Department a copy of the Survey.

8.16 Economic Disclosure Statement. The Developer shall have delivered to the Corporation Counsel an Economic Disclosure Statement in the City's then current form, dated as of the Closing Date.

If any of the conditions in this Section 8 have not been satisfied to the Department's reasonable satisfaction within the time periods provided for herein, or waived by the Department, the Department may, at its option, terminate this Agreement after (a) delivery of written notice to the Developer at any time after the expiration of the applicable time period, stating the condition or conditions that have not been fulfilled, and (b) providing the Developer with forty-five (45) days

to fulfill those conditions. If, after receiving notice and an opportunity to cure as described in the preceding sentence, the Developer still has not fulfilled the applicable conditions to the City's reasonable satisfaction, this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the Department in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 9. CONSTRUCTION REQUIREMENTS.

9.1 Plans. The Developer shall construct the Project on the City Property materially in accordance with the final plans and specifications prepared by Hanna Architects, Inc., 180 W. Washington Street, Suite 600, Chicago, Illinois 60602, dated May 14, 2015. which have been approved by the Department and which are attached hereto as **Exhibit C** (collectively, the "Plans"). If the Developer submits and the Department approves revised plans and specifications after the date of this Agreement, the term "Plans" as used herein shall refer to the revised plans and specifications upon the Department's written approval of the same. No material deviation from the Plans may be made without the prior written approval of the Department. The Plans shall at all times conform to all applicable Laws

9.2 Relocation of Utilities, Curb Cuts and Driveways. To the extent necessary to complete the Project, the Developer shall be solely responsible for and shall pay all costs in regard to: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

9.3 City's Right to Inspect Property. For the period commencing on the Closing Date and continuing through the date the City issues the final Certificate of Completion, any authorized representative of the City shall have access to the relevant portions of the Project and the City Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, the Waste Sections (as defined in Section 29) of the Municipal Code of Chicago (collectively, "Laws").

9.4 Barricades and Signs. Upon the City's request, the Developer agrees to erect and maintain such signs as the City may reasonably require identifying the site as a City redevelopment project. The Developer may erect signs of its own incorporating such approved identification information upon the execution of this Agreement. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding the Developer, the City Property and the Project in the City's promotional literature and communications. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. The City shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades and all signage. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the City Property.

9.5 Employment Opportunity; Progress Reports. The Developer covenants and agrees to abide by, and contractually obligate and cause the general contractor and each subcontractor to abide by the terms set forth in Section 22.2 (City Resident Construction Worker Employment Requirement) and Section 22.3 (MBE/WBE Commitment) of this Agreement. The Developer shall deliver to the Department written progress reports detailing compliance with such requirements on a quarterly basis. If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to Department which shall outline, to Department's satisfaction, the manner in which the Developer shall correct any shortfall.

SECTION 10. LIMITED APPLICABILITY.

Any approval given by Department pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings, any other Department bureau (such as, but not limited to, the Department's Bureau of Zoning), or any other City department; nor does the approval by the Department pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the City Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the City Property or any part thereof.

SECTION 11. COMMENCEMENT AND COMPLETION OF PROJECT.

Subject to the receipt of all necessary Governmental Approvals, the Developer shall commence construction of the Project no later than three (3) months after the Closing Date, and shall complete the Project (as evidenced by a final Certificate of Completion) no later than twenty-four (24) months after the construction commencement date; provided, however, the Department, in its sole discretion, may extend the construction commencement and completion dates for good cause shown but in no event more than five (5) years after the adoption of the ordinance for the Project. The Developer shall give written notice to the City within five (5) days after it commences construction of the Project. The Project shall be constructed in accordance with this Agreement, the Working Drawings and Specifications, the Final Project Budget, and all applicable Laws and covenants and restrictions of record.

SECTION 12. CERTIFICATE OF COMPLETION.

12.1 Prior to the sale of each Home and the Side Yard, the Developer shall deliver to the Department a notice of closing ("Notice of Closing") in substantially the form attached hereto as **Exhibit D**. In the case of the Homes, the Notice of Closing must include a Certificate of Substantial Completion from the project architect in substantially the form attached hereto as **Exhibit E**. Within forty-five (45) days after receipt of a Notice of Closing and the accompanying Certificate of Substantial Completion, the Department shall determine whether the Developer has satisfied the requirements set forth in Section 12.2, and shall thereafter deliver to the Developer either a Certificate of Completion for the Home or Side Yard, as applicable ("Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the Home or Side Yard, as applicable, in compliance with this Agreement or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the Department, for the Developer to take or perform in order to obtain the Certificate of Completion. If the Department requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response.

12.2 A Certificate of Completion will not be issued for any Home or the Side Yard until the following requirements have been satisfied:

(a) The Home is substantially complete (i.e., complete except for punch list items) and constructed in accordance with this Agreement, and the Developer has received a Certificate of Occupancy or other evidence acceptable to the Department that the Home is in full compliance with all building permit requirements.

(b) With respect to each Home, the Developer has obtained a Final NFR Letter covering the City Property to be conveyed.

(c) With respect to the Side Yard, the Developer has obtained a Final NFR Letter covering City Parcel 2 and the Private Parcel.

(d) The Department's Monitoring and Compliance Unit has verified in writing that the Developer is in full compliance with all City requirements set forth in Section 22.2 (City Resident Construction Worker Employment Requirement) and Section 22.3 (MBE/WBE Commitment) with respect to the Project.

(e) There exists neither an Event of Default nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Home and remediate the City Property. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Home and the remediation of the City Property, and shall not serve as any "guaranty" as to the quality of the construction or remediation. Nor shall the Certificate of Completion release the Developer from its obligation to comply with the other terms, covenants and conditions of this Agreement, except to the extent otherwise provided by this Agreement.

SECTION 13. RESTRICTIONS ON USE.

The Developer, for itself and its successors and assigns, agrees as follows:

13.1 The Developer shall construct the Project in accordance with the Plans, this Agreement and all applicable Laws.

13.2 The Developer shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the City Property or any part thereof, except as permitted by applicable law.

13.3 The Developer shall devote the City Property to a use consistent with the Plan.

13.4 The Developer shall comply with all land use restrictions, institutional controls and other terms and conditions contained in the Final NFR Letter for the City Property.

The Developer, for itself and its successors and assigns, acknowledges and agrees that the development and use restrictions set forth in this Section 13 constitute material, bargained-for consideration for the City and are intended to further the public policies set forth in the Plan.

SECTION 14. PROHIBITION AGAINST TRANSFER OF CITY PROPERTY.

14.1 Restriction on Transfer Prior to Issuance of Certificate of Completion. Prior to the issuance of the final Certificate of Completion for the Project, as provided herein, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion: (a) directly or indirectly sell, transfer, convey, lease or otherwise dispose of the City Property or the Project or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the final Certificate of Completion for the Project to anyone other than another principal party, without the prior written consent of the Department, which consent shall be in the Department's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer. The provisions of this Section 14 shall not prohibit the Developer from contracting to sell or from selling individual Homes or the Side Yard in the ordinary course of development, provided the Developer has received a Certificate of Completion in accordance with Section 12. The Developer acknowledges and agrees that the Department may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers, members or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. In the event of a proposed sale, transfer, conveyance, lease or other disposition of all or any portion of the City Property, the Developer shall deliver to the City copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed purchaser, transferee or assignee, as applicable, regarding this Agreement and such other information as the City may reasonably request. The proposed purchaser, transferee or assignee must be qualified to do business with the City (including but not limited to the City's anti-scofflaw requirement).

14.2 Limits on Developer Actions Prior to Issuance of Final Certificate of Completion. Prior to the issuance of the final Certificate of Completion for the Project, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion: (a) be a party to any merger, liquidation or consolidation; (b) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets; (c) enter into any transaction outside the ordinary course of Developer's business that would materially adversely affect the ability of the Developer to complete the Project; (d) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (e) enter into any transaction that would cause a material and detrimental change to Developer's financial condition.

SECTION 15. LIMITATION UPON ENCUMBRANCE OF CITY PROPERTY.

Prior to the issuance of the final Certificate of Completion for the Project, the Developer shall not, without the Department's prior written consent, which shall be in the Department's sole discretion, engage in any financing or other transaction which would create an encumbrance or

lien on the City Property, except for the construction financing approved pursuant to Section 7 hereof.

SECTION 16. MORTGAGEES NOT OBLIGATED TO CONSTRUCT

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 17 and, at the Closing, shall execute a Subordination Agreement (as defined in Section 8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the City Property (or any portion thereof) prior to the issuance of the final Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the City Property (or any portion thereof) to another party (that is not also a mortgagee), such transferee shall be obligated to complete the Project (or such portion of the Project located on the land so transferred), and shall also be bound by the other covenants running with the land specified in Section 17.

SECTION 17. COVENANTS RUNNING WITH THE LAND.

The Developer agrees, and the Deed shall so expressly provide, that the covenants, agreements, releases and other terms and provisions contained in Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), Section 14 (Prohibition Against Transfer of City Property), Section 15 (Limitation Upon Encumbrance of City Property), and Section 21.5 (Release for Environmental Conditions) touch and concern and shall be appurtenant to and shall run with the City Property. Such covenants, agreements, releases and other terms and provisions shall be binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 16 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. Such covenants, agreements, releases and other terms and provisions shall terminate as follows: Section 11, Section 13.1, and Section 14 upon the issuance of the final Certificate of Completion for the Project; Section 13.2 and Section 21.5 with no limitation as to time; Section 13.3 upon the expiration of the Plan, as such expiration may be amended from time to time in accordance with and pursuant to applicable law; and Section 13.4 in accordance with the terms of the Final NFR Letter.

SECTION 18. PERFORMANCE AND BREACH.

18.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

18.2 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any other agreement entered into with the City with respect to this Project; or

(b) the making or furnishing by the Developer of any warranty, representation, statement or certification to the City (whether in this Agreement, an

Economic Disclosure Statement, or another document) which is untrue or misleading in any material respect; or

(c) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the City Property, or the making or any attempt to make any levy, seizure or attachment thereof; or

(d) the entry of any judgment or order against the Developer which is related to the City Property and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution; or

(e) the commencement of any proceedings in bankruptcy by or against the Developer for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing, for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings; or

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof; or

(g) the occurrence of an event of default under any mortgage lien affecting the City Property, which default is not cured within any applicable cure period; or

(h) the dissolution of the Developer; or

(i) a change in the Developer's financial condition or operations that would materially and adversely affect the Developer's ability to complete the Project.

18.3 Cure. Except as provided in Section 32.7 (Force Majeure), if the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have forty-five (45) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the City Project) (the "Cure Period"). If the Developer does not cure such default within the Cure Period, then the City shall have available all remedies set forth in this Agreement. Notwithstanding the foregoing or any other provision of this Agreement to the contrary.

(a) there shall be no notice requirement and no Cure Period with respect to Events of Default described in Section 3 (with respect to Outside Closing Date); and

(b) there shall be no notice requirement and no Cure Period with respect to Events of Default described in Section 11 (Commencement and Completion of Project), Section 14 (Prohibition Against Transfer of City Property) Section 15 (Limitation Upon Encumbrance of City Property), and Section 27.5 (Prohibition on Certain Contributions Pursuant to Mayoral Executive Order No. 2011-4).

18.4 Prior to Conveyance. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 18.3, the City may terminate this Agreement and institute any action or proceeding at law or in equity against the Developer.

18.5 After Conveyance. If an Event of Default occurs after the Closing but prior to the issuance of the final Certificate of Completion, and the default is not cured in the time period provided for in Section 18.3, the City shall have the right, in its sole and absolute discretion, to terminate this Agreement and pursue and secure any available remedy against the Developer in any court of competent jurisdiction by any action or proceeding at law or in equity, including, but not limited to, damages, injunctive relief, the specific performance of the agreements contained herein, and the right to re-enter and take possession of the City Property, terminate the estate conveyed to the Developer, and record the Reconveyance Deed for the purpose of revesting title to the City Property in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the City records the Reconveyance Deed, the Developer shall be responsible for all real estate taxes and assessments which accrued during the Developer's period of ownership, and shall cause the release of all liens or encumbrances placed on the City Property during the Developer's period of ownership. The Developer agrees to cooperate with the City to ensure that the Reconveyance Deed is effective for purposes of transferring title to the City Property to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the City Property to the Developer. Notwithstanding anything contained herein to the contrary, the City's Right of Reverter shall terminate on the date on which the City issues the final Certificate of Completion.

18.6 Resale of the City Property. Upon the revesting in the City of title to the City Property as provided in Section 18.5, the City may complete the Project or convey the City Property, subject to any mortgage lien authorized by this Agreement, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to the Department, and otherwise comply with the covenants that run with the land as specified in Section 17.

18.7 Disposition of Resale Proceeds. If the City sells the City Property as provided for in Section 18.6, the net proceeds from the sale, after payment of all amounts owed under any mortgage lien authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the City Property (less any income derived by the City from the City Property in connection with such management); and

(b) all unpaid taxes, assessments, and water and sewer charges assessed against the City Property; and

(c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the City Property.

18.8 Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

SECTION 19. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the City Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

SECTION 20. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) (collectively "Losses") suffered or incurred by the City arising from or in connection with: (a) an Event of Default under this Agreement; (b) the failure of the Developer or its agents or affiliates to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (c) any misrepresentation or omission made by the Developer or its agents or affiliates relating to this Agreement; and (d) any activity undertaken by the Developer or its agents or affiliates on the City Property or relating to this Agreement prior to or after the Closing, including but not limited to, conducting environmental tests; provided, however, the Developer shall have no obligation to indemnify the City for Losses to the extent such Losses are caused by the City or its agents. "TACO" means the Tiered Approach to Corrective Action Objectives codified at 35 Ill. Adm. Code Part 742 et seq.

21.2 "AS IS" SALE. THE CITY MAKES NO COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE CITY PROPERTY OR THE SUITABILITY OF THE CITY PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE CITY PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE CITY PROPERTY. THE DEVELOPER AGREES TO ACCEPT THE CITY PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT,

REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE CITY PROPERTY OR THE SUITABILITY OF THE CITY PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS ITS SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM AT ITS EXPENSE ANY ENVIRONMENTAL REMEDIATION WORK (AS DEFINED ABOVE) AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE CITY PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

21.3 Environmental Due Diligence. The Developer represents and warrants to the City that it has performed a Phase I and other environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement. The City's Department of Fleet and Facilities Management ("2FM") shall have the right to review and approve the sufficiency of the Phase I and any Phase II or other follow-up reports. Upon 2FM's request, the Developer shall perform additional studies and tests for the purpose of determining whether any environmental or health risks would be associated with the development of the Project, including, without limitation, updating or expanding the Phase I and performing initial or additional Phase II testing.

21.4 Environmental Remediation.

(a) The Developer acknowledges and agrees that the environmental assessment of the City Property disclosed the presence of contaminants exceeding residential remediation objectives on the City Property. Prior to Closing, the Developer shall enroll the City Property and the Private Parcel (or the applicable portions thereof) in the IEPA's SRP Program and take all necessary and proper steps to obtain a Draft NFR Letter for such property. The Developer acknowledges and agrees that it may not close and commence construction on the City Property until the IEPA issues, and 2FM approves, a Draft NFR Letter for the City Property and the Private Parcel.

(b) After 2FM approves the Draft NFR Letter for the City Property and the Private Parcel, the Developer covenants and agrees to complete the Remediation Work and diligently pursue the Final NFR Letter for the City Property and the Private Parcel using all reasonable means. The City shall have the right to review in advance and approve all SRP Documents and any changes thereto, and the Developer's estimate of the cost to perform the Remediation Work. The Developer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. The Developer shall bear sole responsibility for all aspects of the Remediation Work. The Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies. The Developer acknowledges and agrees that the City will not issue a Certificate of Completion for any Home or the Side Yard until the IEPA has issued, and the City has approved, a Final NFR Letter for the property to be conveyed, which approval shall not be unreasonably withheld.

21.5 Release and Indemnification. The Developer, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "Developer Parties"), hereby releases, relinquishes and forever discharges the Indemnitees from and against any and all Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the City Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the City Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the City Property or the migration of Hazardous Substances from or to other property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the City Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the Indemnitees harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims.

21.6 Release Runs with the City Property. The covenant of release in Section 21.5 above shall run with the City Property, and shall be binding upon all successors and assigns of the Developer with respect to the City Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the City Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the City Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer arise or be alleged to arise in connection with any environmental, soil or other condition of the City Property, the Developer shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 21.5 contains a full, complete and final release of all such claims.

21.7 Survival. This Section 21 shall survive the Closing Date or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

22.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the City Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 22.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the City Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 22.1 shall be a basis for the City to pursue remedies under the provisions of Section 18.

22.2 City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours

performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(a) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(b) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(c) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(d) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(e) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(f) At the direction of the Department, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(g) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents.

(h) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of

demonstrable employment to Chicagoans to the degree stipulated in this Section 22.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 18, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Final Project Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(i) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(j) The Developer shall cause or require the provisions of this Section 22.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

22.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 22.3, during the course of construction of the Project, at least 26% of the aggregate hard construction costs, as set forth in **Exhibit F** (the "MBE/WBE Budget") shall be expended for contract participation by minority-owned businesses and at least 6% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 22.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned

business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 22.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 22.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

22.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with the Department monitoring staff regarding compliance with all Section 22 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 22, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 22 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 22, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (w) issue a written demand to the Developer to halt construction of the Project, (x) withhold any further payment of any City funds to the Developer or the general contractor, or (y) seek any other remedies against the Developer available at law or in equity.

SECTION 23. REPRESENTATIONS AND WARRANTIES.

23.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

(a) The Developer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the City Property, and the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the City Property is bound.

(d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which

could give rise to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations hereunder; or (b) materially affect the operation or financial condition of the Developer.

(e) To the best of the Developer's knowledge, the Project will not violate: (a) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (b) any building permit, restriction of record or other agreement affecting the City Property.

23.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein, and the person signing this Agreement on behalf of the City has the authority to do so.

23.3. Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 23 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

SECTION 25. BUSINESS RELATIONSHIPS.

The Developer acknowledges (1) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as described in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 26. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be

deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 27. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

27.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between the Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

27.2 The Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

27.3 The Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

27.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

27.5 The Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

27.6 If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

27.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;
(B) joint credit account;
(C) a joint checking account;
(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

SECTION 28. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

SECTION 29. COMPLIANCE WITH WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code, the Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, any violation of the Waste Sections by the Developer, its general contractor or any subcontractor, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner of the Department. Such breach and default entitles the City to all remedies under this Agreement, at law or in equity. This Section does not limit the duty of the Developer, the general contractor and any subcontractors to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

SECTION 30. 2014 CITY HIRING PLAN.

30.1 The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

30.2 The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

30.3 The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are

the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

30.4 In the event of any communication to the Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City Department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by the OIG.

SECTION 31. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 32. MISCELLANEOUS.

The following general provisions govern this Agreement:

32.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

32.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

32.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

32.4 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

32.5 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

32.6 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

32.7 Force Majeure. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of contractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

32.8 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

32.9 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

32.10 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

32.11 Limitation of Liability. No member, official, officer, director, trustee or employee of the City or the Developer shall be personally liable in the event of any default or breach under this Agreement or for any amount which may become due to either party under the terms of this Agreement.

32.12 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

32.13 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

32.14 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

32.15 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

32.16 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each Party agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

SECTION 4. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 5. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 6. This ordinance shall take effect immediately upon its passage and approval.

The Developer shall at its expense record, or cause the Title Company to record, this Agreement and any other documents incident to RDA Closing.

3.2 Property Closing. The closing of the transfer of the Property from the City to the Developer (the "Property Closing", which occurs on the "Property Closing Date") shall take place at the downtown offices of the Title Company. In no event shall the Property Closing occur (1) until and unless the conditions precedent set forth in Section 8.2 are all satisfied, unless the Department, in its sole discretion, waives one or more of such conditions; and (2) September 1, 2017 (the "Outside Property Closing Date"), unless, at the Developer's request, the Department, in its sole discretion, extends the Outside Property Closing Date. At the Property Closing, the City shall deliver to the Developer (a) the Deeds (as defined below); (b) all necessary state, county and municipal real estate transfer declarations; and (c) possession of the Property.

SECTION 4. CONVEYANCE OF TITLE.

4.1 Form of Deed. The City shall convey the Property to the Developer by quitclaim deeds with respect to each of Parcel 1 and Parcel 2 (each a "Deed" and collectively "Deeds"), subject to the terms of this Agreement and, without limiting the quitclaim nature of the Deeds, to the following:

b. standard exceptions in an ALTA title insurance policy;
c. general real estate taxes and any special assessments or other taxes;
d. all easements, encroachments, covenants and restrictions of record and not shown of record (including but not limited to the easement granted to the Du Page Water Commission in Circuit Court of Cook County case number 86 L 50985, and as legally described in the City's Agreed Final Judgment Order of January 14, 1999, and recorded on that date as document number 99044906 with the Cook County Recorder of Deeds) ;

4.3 Escrow. The Property Closing shall be closed pursuant to a so called "New York style" closing and money escrow with the Title Company, at Developer's sole cost and expense; provided, however, that the City shall only provide those transfer documents typically provided by the City to the Title Company (but expressly excluding any "gap" undertakings, title indemnities (except as allowed in Section 5.3 below) and similar liabilities).

If, after using such reasonable efforts, the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the Property is encumbered with any other exceptions that would adversely affect the use and insurability of the Property for the development of the Project, the Developer shall have the option to do one of the following: (1) accept title to the Property subject to the exceptions, with a credit against the Purchase Price for those tax liens that the City has not cleared, and that the City, in its sole discretion, has determined cannot be cleared by (a), (b) or (c) above; provided, however, the Developer shall not be entitled to a credit for those tax liens for which the City provides a title indemnity in a form sufficient to obtain an endorsement from the Title Company insuring over such tax liens; or (2) terminate this Agreement by delivery of written notice to the City, in which event this Agreement shall be null and void, and except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to all exceptions.

SECTION 6. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall apply for and obtain all necessary building permits and other approvals, including, without limitation, zoning approval (collectively, the "Governmental Approvals") necessary for one (1) of the Phase 1 Building(s) (the "Initial Phase I Building"), prior to the Property Closing Date, unless the Department, in its sole discretion, agrees to waive such requirement.

SECTION 7. PROJECT BUDGET AND PROOF OF FINANCING.

The total budget for the Project is currently estimated to be Forty-Two Million Five Hundred Twenty-Two Thousand Three Hundred Sixty-Four and No/100 Dollars ($42,522,364) comprised of the Industrial Phase I Project budget, Industrial Phase II Project budget and Retail Phase Project budget

(collectively, the "Preliminary Project Budget"). Not less than fourteen (14) days prior to the Property Closing Date, the Developer shall submit to the Department for approval: (1) a final budget ("Final Initial Project Budget") for the acquisition of the Property and the development of Phase I Building(s) ("Initial Project"); and (2) evidence of funds adequate to construct the Initial Project, as shall be acceptable to the Department (the "Initial Project Proof of Financing") and the Department agrees that the Initial Project Proof of Financing for the Initial Project will be deemed satisfied where evidence exists of available funds, including financing that will close on the Property Closing Date and grants that have been received prior to the Property Closing Date, in a dollar amount of at least one hundred percent (100%) of the Final Initial Project Budget.

SECTION 8. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

If, after receiving notice and an opportunity to cure as described in the preceding sentence, the Developer still has not fulfilled the applicable conditions to the City's reasonable satisfaction, this Agreement shall be null and void and the Earnest Money shall be returned to Developer and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

H. Earnest Money. The Developer shall have delivered to the City the Earnest Money.

8.2. Property Closing. The obligations of the City to close on the conveyance of the Property to the Developer are contingent upon each of the following items in Section 8.2.A. through Section 8.2.L. being satisfied at least fourteen (14) days prior to the Property Closing Date, or by such other date as may be specified, unless waived or extended in writing by the Commissioner, in the Commissioner's sole and absolute discretion:

On the Property Closing Date, and prior to recording any mortgage approved pursuant to Section 8.2.C, the Developer shall, at the City's request, deliver to the City a subordination agreement substantially in the form attached hereto as **Exhibit E** attached hereto (the "Subordination Agreement"), in which the construction lender agrees to subordinate the lien of its mortgage to the covenants running with the land.

23, and at least fourteen (14) days prior to the Property Closing Date, and the City shall have approved the Developer's compliance plan in accordance with Section 23.4.

H. Phase I Environmental Reports. The Developer shall have delivered Phase I Environmental Site Assessment Reports ("Phase I ESAs", as further defined in Section 21.1) for Parcel 1 and Parcel 2, dated within 180 days prior to the Property Closing, and at least fourteen (14) days prior to the Property Closing Date, the City shall have approved such Phase I ESAs.

M. Right to Terminate. If any of the conditions in this Section 8.2 have not been satisfied to the City's reasonable satisfaction within the time period provided for herein, the City may, at its option, terminate this Agreement after (a) delivery of written notice to the Developer at any time after the expiration of the applicable time period, stating the condition or conditions that have not been fulfilled, and (b) providing the Developer with forty-five (45) days to fulfill those conditions (in which event the Property Closing Date shall be extended for such forty-five (45) days). If, after receiving notice and an opportunity to cure as described in the preceding sentence, the Developer still has not fulfilled the applicable conditions to the City's reasonable satisfaction, this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right. Notwithstanding anything to the contrary herein, in the event the City has not provided the necessary approvals and consents set forth in Sections 8.2.A., B., G., H. and I., above, through no fault of Developer, Developer may terminate this Agreement, this Agreement shall be null and void, and except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder and the Earnest Money shall be returned to Developer.

SECTION 9. SITE PLANS AND ARCHITECTURAL DRAWINGS.

9.1 Site Plans. The Developer shall construct the Project on the Property in accordance with the site plans and bulk tables for the PDs, which have been approved by the Department and which are attached hereto as **Exhibit F** (collectively, the "Working Drawings and Specifications"). No material deviation from the Working Drawings and Specifications may be made without the prior written approval of the Department's Bureau of Zoning ("Zoning") and the prior written approval of the Department's Bureau of Economic Development ("Economic Development"). If the Developer submits and Zoning and Economic Development approve revised design development drawings and specifications after the date of this Agreement, the term "Working Drawings and Specifications" as used herein shall refer to the

revised design development drawings and specifications upon Zoning and Economic Development's written approval of the same. Notwithstanding the foregoing, the City and Developer hereby acknowledge and agree that the Developer shall develop the Property consistent with Agreement, it being understood that the square footages set forth in the twelfth Recital above are minimum square footages and the square footages of the Phase I Building(s), Phase II Building and Retail Building(s) may exceed those minimum square footages consistent with the maximum floor area ratio as set forth in the PDs.

9.2 Relocation of Utilities, Curb Cuts and Driveways. To the extent necessary to complete the Project, the Developer shall be solely responsible for and shall pay all costs in regard to: (1) the relocation, installation or construction of public or private utilities located on the Property; (2) the relocation, installation and construction of any curb cuts and driveways; (3) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with the Developer's redevelopment; (4) the removal of existing pipes, utility equipment or building foundations located on the Property; and (5) the termination of existing water or other services. The Developer may erect signs of its own incorporating such approved identification information upon the execution of this Agreement. Prior to the commencement of any construction activity requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. The City shall have the right to approve all barricades, the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, and all signage.

SECTION 10. LIMITED APPLICABILITY.

The approval of any Working Drawings and Specifications by the Department's Bureau of Economic Development is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings, any other Department bureau (such as, but not limited to Zoning), or any other City department; nor does the approval by the Department pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property. The approval given by the Department shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 11. COMMENCEMENT AND COMPLETION OF PROJECT.

The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project or any applicable Phase of the Project, and shall not serve as any "guaranty" as to the quality of the construction of the Project or any applicable Phase of the Project.

SECTION 13. RESTRICTIONS ON USE.

The Developer, for itself and its successors and assigns, agrees as follows:

13.1 The Developer shall construct the Project in accordance with the Working Plans and Specifications, this Agreement and all applicable Laws.

13.4 The Developer shall devote the Property to a use consistent with the Plan.

13.5 Within one hundred eighty (180) days after the issuance of the Certificate of Completion with respect to a particular Phase, the Developer shall satisfy the City's Sustainable Policy with respect to such Phase.

SECTION 14. PROHIBITION AGAINST TRANSFER OF PROPERTY.

14.1 For purposes of this Section 14, the following terms shall have the meanings set forth below:

Profit: Net Sale Proceeds minus the Purchase Price minus those certain pre-development costs set forth in the Final Initial Project Budget as eligible for deduction under this Section 14. If only a portion of the Property is sold, then Profit means a pro rata portion of the Purchase Price. Such pro rata portion of the Purchase Price is based on the square footage of the portion of the Property sold to the total square footage of the Property.

Project Cost: The cost of the Project's construction (or portion of the Project, as calculated on a pro rata basis) as evidenced by the dollar amount of the general contractor's sworn statement. At the end of construction, Developer shall submit to the Department the general contractor's sworn statement.

Commencement of Project Construction: When the Developer has satisfied all the following conditions: (i) obtained all permits necessary for one (1) of the Phase I Building(s); (ii) begun a continuous program of physical on-site construction; (iii) has obtained financing, equity or a combination of financing and equity sufficient to fund the construction of the Project; and (iv) has entered into a written contract with a general contractor for the construction of the Project that requires the Project to be completed in accordance with the time frames set forth in this Agreement, as such time frames may be amended pursuant to and in accordance with this Agreement.

14.2 Restriction on Phase Transfer Prior to Issuance of the Certificate of Completion for the Applicable Phase. Prior to the City's issuance of the Certificate of Completion for the applicable Phase, as provided herein, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion: (a) directly or indirectly sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or all or any portion of such Phase (including but not limited to any fixtures or equipment now or hereafter attached thereto) or any interest therein or the Developer's controlling interests therein (including, without limitation, a transfer by assignment of any beneficial interest under a land trust), except for sales, transfers, conveyances, leases or other dispositions to an Occupant; or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that the Department may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, lessee, transferee or assignee (or such entity's principal officers,

members or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, lessee, transferee or assignee. In the event of a proposed sale, transfer, conveyance, lease or other disposition of all or any portion of such Phase, the Developer shall provide the City copies of any and all sales contracts, leases, legal descriptions, descriptions of intended use, certifications from the proposed purchaser, lessee, transferee or assignee, as applicable, regarding this Agreement and such other information as the City may reasonably request. The proposed purchaser, lessee, transferee or assignee must be qualified to do business with the City (including but not limited to anti-scofflaw requirement).

14.3 Transfer of Property Prior to Construction Commencement. If the Developer sells the Property prior to the Construction Commencement Date to a purchaser that is not an Occupant, the Developer shall pay to the City (by cashier's check or certified check), unless the City in its sole and absolute discretion otherwise agrees, as follows: a dollar amount equal to one hundred percent (100%) of the Profit.

14.4 Transfer of Phase After Construction Commencement but Prior to the Issuance of the Certificate of Completion for the Applicable Phase. If the Developer sells all or any portion of a Phase to a purchaser that is not an Occupant after the Construction Commencement Date but prior to the issuance of the Certificate of Completion for such Phase, the Developer shall pay to the City (by cashier's check or certified check), unless the City in its sole and absolute discretion otherwise agrees, as follows: a dollar amount equal to one hundred percent (100%) of the Profit less Project Cost.

14.5 Restriction on Phase Transfer Within Five (5) Years Following the Issuance of Certificate of Completion for the Applicable Phase. Prior to the date that is five (5) years and one (1) day after the issuance of the Certificate of Completion for the applicable Phase, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion: (a) directly or indirectly sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or all or any portion of such Phase (including but not limited to any fixtures or equipment now or hereafter attached thereto) or any interest therein or the Developer's controlling interests therein (including, without limitation, a transfer by assignment of any beneficial interest under a land trust) to a purchaser that is not: (1) an Occupant; (2) a publicly traded Real Estate Investment Trust ("REIT"); (3) a commercial real estate investor that is qualified to do business with the City (including but not limited to anti-scofflaw requirement) with no less than $100 million in assets; or (4) an Affiliate of Developer; or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that the Department may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, lessee, transferee or assignee (or such entity's principal officers, members or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, lessee, transferee or assignee. In the event of a proposed sale, transfer, conveyance, lease or other disposition of all or any portion of the Phase, the Developer shall provide the City copies of any and all leases, sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed purchaser, lessee, transferee or assignee, as applicable, regarding this Agreement and such other information as the City may reasonably request. The proposed purchaser, lessee, transferee or assignee must be qualified to do business with the City (including but not limited to anti-scofflaw requirement).

Commencing five (5) years and one (1) day after the date on which the City issues the Certificate of Completion for the applicable Phase, no City consent shall be required for any transfer of such Phase or portion thereof.

SECTION 15. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion for the applicable Phase, the Developer shall not, without the Department's prior written consent, which consent shall not be unreasonably withheld, engage in any financing or other transaction which creates a financial encumbrance or lien on such Phase, except for financing provided by a Permitted Mortgagee, as defined below; provided, however, that any such financing or other transaction provided by a Permitted Mortgagee may not be secured by all or any portion of any Phase for which a Certificate of Completion has not issued unless the funding provided by such financing or other transaction is solely to be used to pay for costs arising from the construction of such Phase.

"Permitted Mortgagee" shall mean any lender that: (a) is in compliance with all applicable Laws; (b) is FDIC insured; (c) has at least $500 million is assets; and (d) is qualified to do business with the City (including but not limited to anti-scofflaw requirement).

SECTION 16. MORTGAGEES NOT OBLIGATED TO CONSTRUCT

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 17 and, at the Property Closing, at the City's request, shall execute a Subordination Agreement (as defined in Section 8.2.F). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the last Certificate of Completion, whether by foreclosure, deed in lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party (that is not also a mortgagee, its affiliate or nominee), such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 17.

SECTION 17. COVENANTS RUNNING WITH THE LAND

The parties agree, and the Deed with respect to a particular Phase shall so expressly provide, that the covenants provided in Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), and Section 14 (Prohibition Against Transfer of Property) and Section 15 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitations set forth in Section 16 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 11, and Section 13.1 shall terminate upon the issuance of the last Certificate of Completion. The covenants contained in Section 13.2 shall remain in effect without limitation as to time. The covenants contained in Section 14 shall terminate five years (5) years and one (1) day after the date the City issues the Certificate of Completion for the applicable Phase, unless terminated in writing at an earlier date in the sole discretion of the Commissioner. The covenant contained in Section 13.3 shall terminate upon the date the PD is dissolved. The covenant contained in Section 13.4 shall terminate upon the expiration of the Plan, as such expiration may be amended from time to time in accordance with and pursuant to applicable law. The covenant contained in Section 13.5 shall terminate when all Phases of the Project have satisfied the City's Sustainable Policy. The covenant contained in Section 15 shall terminate upon the issuance of the Certificate of Completion for the applicable Phase.

SECTION 18. PERFORMANCE AND BREACH.

18.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

18.2 Permitted Delays. The Developer shall not be considered in breach or default of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including but not limited to, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, material shortages, a twenty (20%) decline in the United States' equities markets, and unusually severe weather or delays of contractors or subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests it in writing of the City within thirty (30) days after the beginning of any such delay.

18.3 Breach.

a. Generally. Except as set forth in Section 18.3.b., if the Developer defaults in performing its obligations under this Agreement, the City shall deliver written notice of such default, after which the Developer shall have a 45-day cure period to remedy such default. If the default is not capable of being cured within the 45-day period, then provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 45-day period, and thereafter diligently prosecutes such cure through to completion, then the 45-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

   No notice or cure period shall apply to a failure to close by the respective dates as set forth in Section 3 herein. Unless the failure to close is due to circumstances described in Section 18.2 above or caused by a breach by the City under the terms of this Agreement, such failure shall constitute an immediate "Event of Default". Failure to close by the Outside RDA Closing Date, as may be extended by the City in its sole discretion, including any applicable cure period, shall entitle the City to terminate this Agreement and retain the Earnest Money which is the City's sole and exclusive remedy for such default.

b. Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" after written notice from the City (if required):

   1. The Developer fails to perform any obligation of the Developer under this Agreement, which default is not cured pursuant to Section 18.3.a.; or

   2. The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct, which default is not cured pursuant to Section 18.3.a.; or

6. The Developer fails to comply with the operating covenant set forth in Seetion 13.3 (no notiee or cure period shall apply); or

7. Unless being contested in good faith by the Developer, the Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property, which default is not cured pursuant to Section 18.3.a.; or

8. The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement (no notice or cure period shall apply); or

9. The Developer's financial condition or operations adversely ehange to such an extent that would materially and adversely affect the Developer's ability to complete the Project, which default is not cured pursuant to Section 18.3.a.; or

e. After the RDA Closing Date and Prior to Conveyance. After the RDA Closing Date and prior to the earlier to occur of: (i) the Property Closing Date; or (ii) Outside Closing Date, if an Event of Default occurs and is continuing, and the default is not cured in the time period provided herein, the City may terminate this Agreement, and the City's sole and exclusive remedy shall be to retain the Earnest Money as liquidated damages, it being understood that the City's actual damages

in the event of such default are difficult to ascertain and that such proceeds represent the parties' best current estimate of such damages. Except as provided by any applicable Law that has been violated by Developer and not otherwise cured by Developer, the City shall have no other remedy for any default by Developer.

d. After Conveyance. If an Event of Default occurs after the Property Closing but prior to the issuance of the last Certificate of Completion, and the default is not cured in the time period provided for in this Section 18.3, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, retaining all remaining funds in the Performance Deposit Escrow Account, the Jobs Escrow Account, and the Environmental Escrow Account and the right to re-enter and take possession of all Property for which a Certificate of Completion has not issued (such Property, the "Remaining Property") terminate the estate in the Remaining Property conveyed to the Developer, and record the Reconveyance Deed(s) for the purpose of revesting title to the Remaining Property in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed(s) is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Remaining Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Remaining Property during the period of time the Remaining Property was owned by the Developer. The Developer shall cooperate with the City to

ensure that if the City records the Reconveyance Deed(s), such recording is effective for purposes of transferring title to the Remaining Property to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Remaining Property to the Developer.

Notwithstanding anything contained herein to the contrary, the City's Right of Reverter for each applicable Phase shall terminate on the date on which the City issues the Certificate of Completion for each applicable Phase. Promptly after such date, the City shall deliver to Developer the Reconveyance Deed with respect to such Phase.

e. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

18.4. Developer Termination. Notwithstanding anything to the contrary herein, if the City is unable to convey title to the Property on or prior to the Outside Property Closing Date in accordance with the conditions set forth in Section 5 of this Agreement or the City has not provided the Governmental Approvals including approval of the PDs through no fault of Developer, Developer may, at Developer's option, and as its sole and exclusive remedy, terminate this Agreement by written notice forwarded to the City, in which event the Earnest Money shall be returned to Developer, or Developer may continue to respect and abide by the terms of the Agreement.

Notwithstanding the foregoing, Developer shall not terminate the Agreement pursuant to this Section 18.4 unless and until Developer has given the City written notice of the default, and the City has not cured the default within ten (10) days after written notice.

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for Developer to obtain and maintain the specified coverages. Code Part 742, as amended or supplemented from time to time, but may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA.

"Environmental Laws" means any and all Laws relating to the regulation and protection of human health, safety, the environment and natural resources now or hereafter in effect, as amended or supplemented from time to time, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq., the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 et seq., the Hazardous Materials Transportation Act, 49 U.S.C. § 5101 et seq., the Federal Water Pollution Control Act, 33 U.S.C. § 1251 et seq., the Clean Air Act, 42 U.S.C. § 7401 et seq., the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq., the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. § 136 et seq., the Occupational Safety and Health Act, 29 U.S.C. § 651 et seq., any and all regulations promulgated under such Laws, and all analogous state and local counterparts or equivalents of such Laws, including, without limitation, the Illinois Environmental Protection Act, 415 ILCS 5/1 et seq., and the common law, including, without limitation, trespass and nuisance.

"Environmental Remediation Work" shall mean all investigation, sampling, monitoring, testing, reporting, removal (including, excavation, transportation and disposal), response, storage, remediation, treatment and other activities necessary for the performance of the Project, all in accordance with all requirements of IEPA, and all applicable Laws, including, without limitation, all applicable Environmental Laws.

"Final Comprehensive NFR Letter" means a final comprehensive "No Further Remediation" letter issued by the IEPA approving the use of the Property for the construction, development and operation of the Project in accordance with the site plan approved by the City and the terms and conditions of the SRP Documents, as amended or supplemented from time to time. The Final Comprehensive NFR Letter shall state that Parcel 1, the Industrial Phase II of Parcel 2 or the Retail Phase of Parcel 2, as applicable, meets TACO remediation objectives for the appropriate use of the properties and the construction worker exposure route as set forth in 35 Ill. Adm. Code Part 742, as amended or supplemented from time to time, but may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA.

"Hazardous Substance" means any toxic substance, hazardous substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws, or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, petroleum (including crude oil or any fraction thereof), any radioactive material or by-product material, polychlorinated biphenyls and asbestos in any form or condition.

"Phase I ESA" means a Phase I Environmental Site Assessment for the Property in accordance with ASTM E-1527-13, which must include a reliance letter naming the City as an authorized user.

"TACO" means the Tiered Approach to Corrective Action Objectives codified at 35 Ill. Adm. Code Part 742 et seq.

"Indemnitees" shall mean the City, and its elected and appointed officials, employees, agents and affiliates.

"Losses" means any and all claims, demands, actions, suits, causes of action, legal or administrative proceedings, losses, damages, obligations, liabilities, executions, judgments, fines, penalties, assessments, liens, debts, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, investigation, cleanup, monitoring, remedial, removal and restoration costs, natural resource damages, property damages, and the reasonable fees and disbursements of counsel for Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnities shall be designated a party thereto).

21.2 "AS IS" SALE. THE CITY MAKES NO COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY. THE DEVELOPER AGREES TO ACCEPT THE PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS ITS SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM AT ITS EXPENSE ANY ENVIRONMENTAL REMEDIATION WORK AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

21.3 Right of Entry. Pursuant to the Developer's request, the City shall grant the Developer the right, at its sole cost and expense, to enter the Property pursuant to one or more right of entry agreements to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property. The Developer acknowledges that it is satisfied with the condition of the Property. The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property; provided, however, that such delivery shall not be deemed to be a representation or warranty as to the accuracy or completeness of any such report.

21.4 Environmental Studies. The Developer hereby represents and warrants to the City that, as of the Property Closing Date, the Developer has reviewed or conducted environmental studies sufficient to conclude in Developer's reasonable judgment that the Project may be constructed, completed and

operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Working Drawings and Specifications and all amendments thereto, and the Plan. The Developer represents and warrants that, as of the Property Closing Date, it shall deliver true and complete copies of all final environmental studies, reports, field data, correspondence with any environmental agency and similar documents prepared by or for the Developer (or otherwise obtained by the Developer) regarding the environmental condition of the Property (collectively, "Environmental Documents") as of the date hereof to the City.

Prior to the Property Closing, the Developer shall submit to the City a Phase I ESA for Parcel 1 and for Parcel 2 each completed within 180 days prior to the Property Closing Date and compliant with ASTM E1527-13. The City shall be an authorized user and be given permission from the Developer and Phase I ESA preparer to rely on the Phase 1 ESA. The City's Department of Fleet and Facility Management, and any successor department thereto ("DFFM"), shall have the right to review and approve the sufficiency of the Phase 1 ESA.

21.5 Environmental Remediation. The City has entered the Property into the SRP and received a Draft Comprehensive NFR Letter for Parcel 1 and a Draft Comprehensive NFR Letter for Parcel 2. The Final Comprehensive NFR Letters may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA. Developer will cooperate with City and provide specifications for engineered barriers to be constructed on the Property. The City will prepare and submit a Remedial Action Plan Addendum ("RAP Addendum") to the IEPA for each Parcel and obtain Revised Draft Comprehensive NFR Letters for each of Parcel 1, the Industrial Phase II of Parcel 2 and the Retail Phase of Parcel 2 based on the RAP Addendums for such Parcel.

The Developer covenants and agrees to complete all Environmental Remediation Work necessary to obtain a Final Comprehensive NFR Letter for each of Parcel 1, the Industrial Phase II of Parcel 2 and the Retail Phase of Parcel 2 of the Project approving the use of Parcel 1, the Industrial Phase II of Parcel 2 and the Retail Phase of Parcel 2 for the Project, based on the Revised Draft Comprehensive NFR Letters. If the Property contains a leaking underground storage tank ("LUST"), the LUST closeout must be included in the SRP. The Developer shall be solely responsible for all site preparation, SRP and environmental oversight costs, including, but not limited to, report preparation, IEPA fees, remediation oversight, the removal of soil, pre-existing building foundations, soil exceeding TACO for the proposed use of the Property, and demolition debris, the removal, disposal, storage, remediation, removal or treatment of Hazardous Substance from the Property, and the construction of any engineered barriers required to obtain the Final Comprehensive NFR Letters.

The City shall have the right to review in advance and approve (which shall not be unreasonably withheld) all documents submitted to the IEPA under the SRP or LUST (if applicable) Programs, as amended or supplemented from time to time, including, without limitation, the Remedial Action Completion Reports, and any changes thereto, and any revisions to the Comprehensive Site Investigation/Remediation Objectives Reports/Remedial Action Plans, (collectively, the "SRP Documents"). The Developer and City shall cooperate and consult with each other at all relevant times (and in all cases upon the Developer's or City's request) with respect to environmental matters. The Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received after the date hereof, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Environmental Remediation Work.

The Developer acknowledges and agrees that the City will not issue a Certificate of Completion for each applicable Phase of the Project or a Certificate of Occupancy for each applicable Phase of the Project until the IEPA has issued, and the City has approved (which approval shall not be unreasonably

withheld), a Final Comprehensive NFR Letter for each applicable Phase of the Project and has recorded it with the County of Cook. Developer shall thereafter use commercially reasonable efforts to comply and cause Occupants to comply with the terms of the Final Comprehensive NFR Letters.

21.6 Release and Indemnification. Except for the City's obligation to reimburse the Incremental Costs (as defined below) of the Environmental Remediation Work up to the Remediation Cap, the Developer, on behalf of itself and its officers, directors, employees, successors and assigns (collectively, "Developer Parties"), hereby releases, relinquishes and forever discharges the Indemnitees from and against any and all Losses with respect to the Property which the Developer or its officers, directors, employees, successors and assigns ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing, based upon, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any Release (as defined in CERCLA) or threatened Release of Hazardous Substances; (b) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims").

The Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the Indemnitees harmless from and against any and all Losses which may be incurred or asserted by any third parties (including, without limitation, any of the Developer's employees, agents, representatives, contractors, and invitees) arising out of or in any way connected with, directly or indirectly, any of the Released Claims; provided, however, the foregoing indemnity shall only apply to:

(i) third-party claims for personal injury, death, or loss or damage to property arising out of or connected with Developer's development of the Property, including, without limitation, exposure of employees or contractors to pre-existing contamination; and

(ii) third-party claims arising out of or connected with the failure of the Developer or its successors or assigns, or any of their contractors, representatives or agents, to comply with applicable environmental law or the terms and conditions of the Final Comprehensive NFR Letters for the Property; and

(iii) third-party claims of any purchasers, tenants, occupants, or users of the Property arising out of or connected with the use, occupation, or maintenance of the Property.

The foregoing indemnity shall not apply to any third-party claims for personal injury, death, or loss or damage to property arising out of or connected with the use or occupancy of the Property prior to Property Closing nor to any third-party claims for the existence of contamination before the Property Closing or off-site migration of pre-existing contamination, unless and to the extent that the Developer Parties, or any of their contractors, representatives or agents, negligently or intentionally exacerbate the off-site migration of any pre-existing condition and contamination.

21.7 Release Runs with the Property. The covenant of release in Section 21.6 above shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deeds. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or Developer Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, the Developer and any of the Developer Parties shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 21.6 contains a full, complete and final release of all such claims, except as provided in such section for the City's gross negligence or willful misconduct following the Property Closing Date.

21.8 Joint Order Environmental Remediation Escrow Agreement. On the Property Closing Date, the Developer, the City and the Title Company shall have executed a joint order escrow agreement, substantially in the form attached hereto as **Exhibit G** (the "Environmental Remediation Escrow Agreement"). The Developer shall deposit into the escrow account Six Hundred Fifty Thousand and No/100 Dollars ($650,000). The Developer acknowledges that the funds in the escrow account shall be used solely to reimburse the Developer to (a) remove any underground storage tanks on the Property, test and remediate any environmentally impacted soils associated with such underground storage tanks and report such activities to the IEPA, (b) design and install vapor intrusion barriers as part of the construction of any of the buildings developed on Parcel 2 and obtain Final Comprehensive NFR Letters for Parcel 2, and (c) pay consultants and other persons engaged by Developer in connection with removing the underground storage tanks or installing the vapor intrusion barriers, even if those costs exceed Six Hundred Fifty Thousand and No/100 Dollars ($650,000) ("Remediation Cap"). Any funds remaining in the joint order escrow account following the Escrowee's (as defined in the Environmental Remediation Escrow Agreement) final payment from the escrow account shall be paid to the City. The Developer shall pay all escrow fees.

21.9 Survival. This Section 21 shall survive the Property Closing Date or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. JOBS ESCROW ACCOUNT

22.1 For purposes of this Section 22, the following terms shall have the following meanings:

"Affiliate" shall be deemed to be a person or entity related to the Occupant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Occupant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

"Employee" means any Full-Time Employee or Part-Time Employee.

"Full-Time Equivalent Jobs" means the total number of jobs (filled by either Full-Time Equivalent Employees or Part-Time Equivalent Employees, as each is defined below) created by an Occupant.

"Full-Time Equivalent Employee" or "FTE" shall mean an employee of an Occupant or Affiliate who is employed in a Permanent Position at least thirty-five (35) hours per week at a Building, including persons employed or engaged by the Occupant or Affiliate in positions ancillary to the Occupant's operations at a Building including, without limitation, food service workers, security guards, cleaning personnel, or similar positions (collectively "Occupant Ancillary Positions") but excluding (a) truck drivers or consultants and (b) persons employed or engaged by by third parties in positions ancillary to the Occupant's operations at the Building including, without limitation, food service workers, security guards, cleaning personnel, or similar positions. Two PTEs (as hereinafter defined) shall be recognized as one FTE.

"Part-Time Equivalent Employee" or "PTE" shall mean an employee of an Occupant or Affiliate who is employed in a Permanent Position at least (15) hours per week at a Building, including Occupant Ancillary Positions but excluding (a) truck drivers or consultants. and (b) persons employed or engaged by third parties in positions ancillary to the Occupant's operations at a Building including, without limitation, food service workers, security guards, cleaning personnel, or similar positions. Two PTE shall be recognized as one FTE.

"Permanent Position" means a position that has no specified end date and is not advertised as having or defined by a pre-determined time period (i.e., not a seasonal or temporary position).

"Full-Time Equivalent Jobs Per Square Foot" means the Full-Time Equivalent Jobs divided by the square footage leased or purchased by an Occupant. The Full-Time Equivalent Jobs Per Square Foot shall receive a twenty-five (25%) weighting when calculating the amount of funds corresponding to the applicable Occupying Event.

"Average Job Wage" means (a) divided by (b), where (a) is the sum of the hourly wage (i.e., expressed as dollars per hour on a pretax basis and excluding benefits) paid to Full-Time Employees and Part-Time Employees as certified by the Occupant and (b) is the Full-Time Equivalent Jobs. The baseline Average Job Wage shall be Eleven and No/100 Dollars ($11.00) per hour ("Minimum Wage"). The Average Job Wage required to achieve the maximum rebate under the Industrial Escrow Release Lookup Table/Retail Escrow Release Lookup Table shall be Four and No/00 Dollars ($4.00) above Minimum Wage ("Maximum Wage"). However, to prevent a situation where a small number of highly compensated employees skew the Average Job Wage, each job that pays over the Maximum Wage shall be counted as if such job paid the Maximum Wage. For example, if an Occupant had twenty (20) employees, eighteen (18) of which were paid Twelve and No/100 Dollars ($12) per hour and two (2) of which were paid Thirty and No/100 Dollars ($30) per hour, the two (2) employees whose wage is Thirty and No/100 Dollars ($30) would be counted as if their wage were the Maximum Wage. The Average Job Wage shall receive a twenty-five percent (25%) weighting when calculating the amount of funds corresponding to the applicable Occupying Event.

"Qualifying Westside Zip Codes" shall mean the following United States' postal codes: 60608, 60612, 60622, 60623, 60624, 60644, 60650, and 60651. FTEs and PTEs from Qualifying Westside Zip Codes shall receive a fifty percent (50%) weighting when calculating the amount of funds corresponding to the applicable Occupying Event; provided, however that Occupant Ancillary Positions from Qualifying Westside Zip Codes shall only receive a twenty-five percent (25%) weighting when calculating the amount of funds corresponding to the applicable Occupying Event.

"Occupant" means one or more individuals or entities that lease or have purchased floor space within one or more of the Buildings as evidenced by a purchase and sale agreement, lease, deed or letter of intent, and as reasonably determined by the Department.

"Occupying Event" shall mean when the date upon which an Occupant is performing its day-to-day business operations in all or a portion of a developed Building of the Project.

22.2. Jobs Creation and Retention. The Developer and the City agree that for a period of no more than five (5) years following the Property Closing Date, the Developer may be reimbursed from the Jobs Escrow Account for Occupying Events. The Developer may submit to the Department on no more than a quarterly basis one (1) Occupier Employer Form (in substantially the form set forth in **Exhibit H** hereto) disclosing the (i) Full-Time Equivalent Jobs created at the Property by an Occupant, (ii) the Average Job Wage of such Full-Time Equivalent Jobs, and (iii) the percentage of Full-Time Equivalent Jobs that are taken by residents of Qualifying Westside Zip Codes. The Occupier Employer Form shall be used by the Department to calculate the amount of funds corresponding to the Occupying Event. This calculation shall be done in accordance with the Jobs Escrow Release Calculation Form (in substantially the form set forth in **Exhibit I**) and the Industrial Escrow Release Lookup Table/Retail Escrow Release Lookup Table/Escrow Release Lookup Table – Extraordinary Employment Incentive (in substantially the form set forth in **Exhibit J**).

Within 30 days of verification of the date set forth in the Occupier Employer Form, the City shall direct the Title Company to pay the Developer from the Jobs Escrow Account a dollar amount corresponding to the applicable Occupying Event. The City shall use Industrial Escrow Release Lookup Table/Retail Escrow Release Lookup Table to determine the amount of funds to be released for each Occupying Event. In the event that any particular actual number falls between two (2) numbers of the Industrial Escrow Release Lookup Table/Retail Escrow Release Lookup Table, the corresponding amount of funds to be released from the Jobs Escrow Account shall be the lesser of the two numbers.

The Developer acknowledges and agrees that it may not transfer the payment from the Jobs Escrow Account to a third-party.

Any funds remaining in the Jobs Escrow Account five (5) years and one (1) day after the Property Closing Date, if any, shall be disbursed to the City.

SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the

Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 18.

23.2 City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(a) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(b) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(c) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the

construction of Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(d) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(e) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the last Certificate of Completion.

(f) At the direction of the Department, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(g) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(h) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 18.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Final Project Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(i) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(j) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 26% of the aggregate hard construction costs set forth in the budget attached hereto as **Exhibit K** (such budget, the "MBE/WBE Budget") shall be expended for contract participation by minority-owned businesses and at least 6% of the aggregate hard construction costs set forth in the MBE/WBE Budget shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

23.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Property Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with the Department monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (w) issue a written demand to the Developer to halt construction of the Project, (x) withhold any further payment of any City funds to the Developer or the general contractor, or (y) seek any other remedies against the Developer available at law or in equity.

SECTION 24. REPRESENTATIONS AND WARRANTIES.

24.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the

City that as of the date of this Agreement and as of the RDA Closing Date and as of the Property Closing Date the following shall be true and correct in all respects:

a. The Developer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware and the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of the Developer has the authority to do so.

b. All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

c. The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

d. To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations hereunder; or (b) materially affect the operation or financial condition of the Developer.

e. To the best of the Developer's knowledge, the Project will not violate: (a) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (b) any building permit, restriction of record or other agreement affecting the Property.

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein, and the person signing this Agreement on behalf of the City has the authority to do so.

24.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 23 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

SECTION 25. PROVISIONS NOT MERGED WITH DEED.

The provisions of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the provisions of this Agreement.

SECTION 26. HEADINGS.

The headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending, or affecting in any way the express terms and provisions thereof.

SECTION 27. ENTIRE AGREEMENT.

This Agreement constitutes the entire agreement between the parties and supersedes and replaces completely any prior agreements between the parties with respect to the subject matter hereof. This Agreement may not be modified or amended in any manner other than by supplemental written agreement executed by the parties.

SECTION 28. SEVERABILITY.

If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof is held invalid, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

.

SECTION 32. OTHER ACTS

The parties agree to perform such other acts and to execute, acknowledge and deliver such other instruments, documents and materials as may be reasonably necessary to consummate the transactions contemplated by this Agreement.

SECTION 33. BUSINESS RELATIONSHIPS.

The Developer acknowledges (1) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as described in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 34. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 35. PROHIBITION ON CERTAIN CONTRIBUTIONS – MAYORAL EXECUTIVE ORDER NO. 2011-4.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No.

2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (1) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

1. they are each other's sole domestic partner, responsible for each other's common welfare; and
2. neither party is married; and
3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and
4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
5. two of the following four conditions exist for the partners:
   a. The partners have been residing together for at least 12 months.
   b. The partners have common or joint ownership of a residence.
   c. The partners have at least two of the following arrangements:
      i. joint ownership of a motor vehicle;
      ii. a joint credit account;
      iii. a joint checking account;
      iv. a lease for a residence identifying both domestic partners as tenants.
   d. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 36. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement

and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 37. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

SECTION 38. 2014 CITY HIRING PLAN.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

(iii) The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to the Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City Department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by the OIG.

SECTION 39. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

SECTION 40. DATE OF PERFORMANCE. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

SECTION 41. GOVERNING LAW. This agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to its choice of laws principles.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

WHEREAS, the Tenant is planning to construct a new facility to provide these services, but until the new facility is complete, Tenant wishes to provide these services in the Garfield Center; and

WHEREAS, the Landlord has agreed to lease to Tenant, and Tenant has agreed to lease from Landlord, approximately 810 square feet of office space and 2,436 square feet of shelter space in the Garfield Center.

NOW THEREFORE, in consideration of the covenants, terms, and conditions set forth herein, the parties agree and covenant as follows:

SECTION 1. GRANT

1.1 Grant. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately 810 square feet of space located in room 201 on the second floor of the Garfield Center, Chicago, Illinois (the "Office Premises"), as further depicted on Exhibit A attached hereto; and

Approximately 2,436 square feet of space located in the auditorium on the first floor of the Garfield Center, Chicago, Illinois (the "Shelter Premises"), as further depicted on Exhibit B attached hereto.

The Office Premises and the Shelter Premises together shall be known as the "Premises."

SECTION 2. TERM

2.1 Term. The term of this Lease (the "Term") shall begin on the Commencement Date and shall end on December 31, 2019, unless sooner terminated as set forth in this Lease.

SECTION 3. RENT, TAXES, AND UTILITIES

3.1 Rent. Tenant shall pay base rent for the Premises in the amount of One Dollar ($1.00) for the entire Term, with the receipt and sufficiency of said sum hereby acknowledged by both parties. The term "Rent" as used herein means the base rent of $1.00 plus all other payments dues under this Lease of any kind or nature.

3.2 Taxes. Tenant acknowledges that Premises are exempt from leasehold, real estate, and other property taxes. Tenant shall pay when due any leasehold, real estate, and other property taxes assessed or levied on the Premises where attributable to Tenant's use of the Premises. Tenant shall pay such amounts and Tenant shall provide Landlord with proof of such payment within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for satisfaction of leasehold, real estate, and other property taxes assessed or levied on the Premises on account of Tenant's use for at least one year after Tenant vacates the Premises. Tenant's failure to pay any such taxes shall constitute a default under this Lease. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or tax levied against the Premises. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this Lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Lease.

3.3 Utilities. Tenant shall be responsible for reimbursing Landlord for its share of utilities and common area maintenance ("CAM") expenses with respect to the Office Premises. Utilities shall include gas, electricity, water and sewer, and all other utilities used in or supplied to the Office Premises. Landlord maintains utility accounts in its name for utility services provided to the Garfield Center, but Tenant is responsible for reimbursing Landlord for a pro-rated share of utility expenses based on the square footage that Tenant occupies for the Office Premises. Landlord also provides CAM to the Garfield Center and Tenant is responsible for reimbursing Landlord for a pro-rated share of CAM expenses. The utility and CAM reimbursements will be due to Landlord in monthly installments. Based on the rates for 2016, the annual reimbursement for utilities and CAM during the 2017 year will be $8,181.50 ($681.79 per month). The reimbursement for utilities and CAM will increase three percent (3%) each year. The reimbursement for the 2018 year will be $8,426.95 ($702.25 per month), and the reimbursement for the 2019 year will be $8,679.76 ($723.31 per month).

3.4 Utilities. Landlord shall supply gas, electricity, and water to the Premises, and Tenant shall reimburse Landlord for the Landlord-supplied utilities as detailed in Section 3.3 above. Tenant shall be responsible for supplying and paying for all telephone or other communication services to the Premises.

3.5 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of the Rent or any amounts due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of Rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment or to pursue any other remedies available to Landlord.

SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS, ADDITIONS, AND SURRENDER

4.1 Satisfaction with Condition. Tenant agrees that Tenant has inspected the Premises and all related areas and grounds and that Tenant is satisfied with the physical condition thereof and accepts the Premises in its "As-Is" condition.

4.2 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the Rent and upon observing and keeping the covenants, agreements, and conditions of this Lease on its part to be kept, observed, and performed, shall lawfully occupy and enjoy the Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord.

4.3 Tenant's Duty to Maintain Premises. Tenant shall, at Tenant's expense, keep the Premises in a condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. If Tenant shall refuse or neglect to make needed repairs within fifteen (15) days after written notice thereof sent by Landlord, unless such repair cannot be remedied within fifteen (15) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will, within thirty (30) business days of demand, reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this Lease by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that, except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of the Premises.

4.4 Use of the Premises. Tenant shall use the Office Premises only as office space in connection with the Tenant's obligations under the Grant Agreement. Tenant shall use the Shelter Premises only as a homeless shelter in connection with the Tenant's obligations under the Grant Agreement. Tenant shall not use the Premises in a manner that would violate any laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments (collectively – the "Laws") which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant further

covenants not to do or suffer any waste or damage, comply in all respects with the Laws and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant shall not use said Premises for political or religious activities.

Tenant shall also be required to adhere to the terms of the Grant Agreement and shall refrain from conducting any activities that are restricted pursuant to the Grant Agreement.

4.5 Alterations, Additions and Improvements. Tenant may not make any alterations, additions, or improvements to the Premises without the prior written approval of the Commissioner of the Department of Fleet and Facility Management. Any such alterations, additions, and improvements shall be in full compliance with the applicable Laws. Landlord shall not be obligated to pay for any alterations, additions, or improvements to the Premises.

SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS

5.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet or license the Premises or any part thereof, without Landlord's prior written consent.

5.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of Landlord in and to the Premises, nor shall the interest or estate of Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Any claim to, or lien upon, the Premises arising from any act or omission of Tenant shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

5.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and all sums so paid by Landlord shall become immediately due and payable by Tenant, with interest from the date of payment at the rate set at 12% per annum provided that such rate shall not be deemed usurious by any Federal, State, or Local law.

SECTION 6. INSURANCE AND INDEMNIFICATION

6.1 Insurance. Tenant shall procure and maintain at all times, at Tenant's own expense, during the Term, the insurance coverages and requirements specified below, insuring all operations related to the Lease. The kind and amounts of insurance required are as follows:

(a) Worker's Compensation and Employer's Liability. Workers Compensation as prescribed by applicable law, covering all employees who are to provide a service under this Lease, and Employer's Liability Insurance with limits of not less than $1,000,000 each accident, illness or disease.

(b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than $3,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago shall be named as an additional insured under the policy. Such additional insured coverage shall be provided on CG 20 10 or on a similar additional insured form acceptable to the City. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Tenant's sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than $2,000,000 per occurrence for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

The Tenant shall be responsible for all loss or damage personal property (including, but not limited to materials, equipment, tools and supplies), owned, rented or used by Tenant.

6.2 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the Lease. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in this Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and the Landlord retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

The Tenant shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, cancelled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

Tenant hereby grants to the Landlord a waiver of any right of subrogation which any insurer of Tenant may acquire against the Landlord by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified in this Lease or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the Landlord shall not contribute with insurance provided by Tenant.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of Lease.

6.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease or under the Grant Agreement, or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of Tenant's contractors, respective officers, directors, agents, or employees. This Section shall survive the expiration or termination of this Lease.

SECTION 7. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

7.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago), either direct or indirect, in the Premises. No such official, employee, or member shall participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

7.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including, but not limited to, section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

SECTION 8. ADDITIONAL RESPONSIBILITIES OF TENANT

8.1 Custodial Services. Tenant shall provide and pay for custodial services and shall be responsible for keeping the Premises clean and free of debris. Tenant shall provide and pay for any exterminator service whenever such services are reasonably necessary.

8.2 Security. Tenant is responsible for properly securing the Premises during the Term.

8.3 Maintenance of Premises. Tenant shall maintain the interior of the Premises, which includes, but is not limited to, painting, patching holes, and maintaining fixtures.

8.4 Grant Agreement. A default by Tenant under the Grant Agreement with DFSS, which is not cured after any required notice and/or cure period, shall constitute a default under this Lease.

8.5 Repairs for Tenant Negligence, Vandalism, or Misuse. Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances, unless approved as part of an alteration, addition, or improvement under this Lease. Tenant shall assume all responsibility for any repairs to the Premises necessitated by the negligence, vandalism, or misuse of the Premises or equipment therein by Tenant's employees, clients, invitees, agents, or contractors.

8.6 Accessibility. Tenant is responsible for ensuring that the Premises comply with all applicable Laws regarding accessibility standards for persons with disabilities or environmentally limited persons, including the following: the Americans with Disabilities Act of 1990, 42 U.S.C. § 12101 et seq., and the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities, the Architectural Barriers Act Pub. L, 90-480 (1968), and the Uniform Federal Accessibility Standards; and the Illinois Environmental Barriers Act, 410 ILCS 25/L et seq, and all regulations promulgated thereunder, see Illinois Administrative Code, Title 71, Chapter 1, Section 400.110. If the above standards are inconsistent, Tenant must assure that the Premises comply with the standard providing the greatest accessibility.

8.7 Hazardous Substances. Tenant shall not use or store any Hazardous Substances (defined below) on the Premises. Tenant shall promptly notify the Landlord if Tenant discovers any Hazardous Substances on the Premises. As used in this Lease, the term "Hazardous Substances" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, polychlorinated biphenyls (PCBs), crude oil, any fraction thereof, or refined petroleum products such as oil, gasoline, or other petroleum-based fuels, lead paint, asbestos or asbestos-containing materials, urea formaldehyde, any radioactive material or by-product material, radon and mold. "Environmental Laws" shall mean any and all Laws, permits and other requirements or guidelines of governmental authorities applicable to the Premises and relating to the regulation and protection of human health, safety, the environment, natural resources or to any Hazardous Substances, including without limitation, any Laws requiring the filing of reports and notices relating to Hazardous Substances.

8.8 Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a material breach of the terms of this Lease. Tenant understands that this Lease shall in no way act as a substitute for any other permitting or approvals that may be required to undertake any activities on the Premises.

8.9 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's employees, clients, invitees, contractors, and any other person entering the Premises.

8.10 Condition at Termination. Upon the termination of this Lease, Tenant shall surrender the Premises to the Landlord in the same or better condition to the condition of the Premises at the beginning of Tenant's occupancy of the Premises. Tenant shall remove all equipment and/or materials placed on the Premises by Tenant or anyone acting by or under Tenant. Said removal shall be without cost to Landlord.

8.11 No Alcoholic Beverages. Tenant agrees that alcoholic beverages shall not be sold, given away, or consumed on the Premises.

8.12 Illegal Activity. Tenant shall not perform or permit any practice that is illegal or injurious to the Premises or unreasonably disturbs other tenants.

8.13 Non-Discrimination. Tenant agrees that Tenant shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, immigration status, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Premises.

8.14 Economic Disclosure Statement Affidavit Updates. Throughout the Term, Tenant shall provide Landlord with any material updates to the information submitted in Tenant's Economic Disclosure Statement and Affidavit. Landlord may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Lease.

8.15 Parking. Tenant may use the parking lot connected to the Garfield Center on a first come, first served basis.

SECTION 10. TENANT DISCLOSURES AND AFFIRMATIONS

10.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with

respect to this Lease shall be grounds for termination of this Lease. Tenant hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this Lease.

10.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

10.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Lease by Tenant, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the Term of this Lease or any Other Contract, or (d) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached Tenant, or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to lease the Premises to Tenant or to terminate the Lease after execution.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) joint credit account;

(C) a joint checking account;

(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

10.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its Contractors and its subcontractors regarding the subject matter of this Lease ("Subcontractors"), have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under this Lease, at law or in equity. This section does not limit Tenant's, its general Contractors' and its Subcontractors' duty to comply with all applicable federal, state, county and municipal Laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

10.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

10.6 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Tenant and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Tenant represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Tenant will inform its Contractors and Subcontractors of this provision and require their compliance.

10.7 2014 Hiring Plan Prohibitions.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire any individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City or City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(iii) Tenant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Tenant by a City employee or City official in violation of paragraph (ii) above, or advocating a violation of paragraph (iii) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by OIG Hiring Oversight.

IN WITNESS WHEREOF, the parties have executed this Lease as of the date first written above.

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, conserves energy and maximizes the preservation of natural resources. This Planned Development will be in substantial compliance with the current City of Chicago Sustainable Development Policies, as set forth by DPD. 15. The permitted Floor Area Ratio (FAR) identified in the Bulk Regulations (Zoning Analysis) Table has been determined using a Net Site Area of forty-two thousand and seventy-one (42,071) square feet and a base FAR of five point five (5.5).

The Applicant acknowledges that the project has received a bonus FAR of zero point five (0.5), pursuant to Section 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is five point five (5.5). In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17.4-1003-B and C, of the Zoning Ordinance, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3, of the Zoning Ordinance.

The bonus payment will be split between three separate funds, as follows: 80 percent to the Neighborhoods Opportunity Fund, 10 percent to the Citywide Adopt-a-Landmark Fund and 10 percent to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

In this case, the Applicant will contribute the Local Impact portion of the bonus payment for the construction of a field house in Skinner Park (the "Project"). The Project is located within one mile of the Planned Development site, as required by Section 17-4-1005-C. The Applicant must make such payment, or the applicable portion thereof in the case of a phased development, prior to the issuance of the first building permit for the Planned Development or applicable phase thereof. The City must enter into an intergovernmental agreement regarding the manner in which the funds will be used.

16. The Applicant acknowledges and agrees that the rezoning of the Property from DX-3 Downtown Mixed-Use District to DX-5 Downtown Mixed-Use District, and then to this Residential Planned Development (P.D. _____), triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (hereinafter "Affordable Requirements Ordinance" or "ARO"). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii). The Property is located in a downtown district, within the meaning of the ARO, and

the project has a total of fifty-six (56) units. As a result, the Applicant's affordable housing obligation is six (6) affordable units (10 percent of 56 rounded up). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of Two-Hundred and Twenty-five Thousand Dollars ($225,000), if providing no units, per unit (Cash Payment), as set forth in the Affordable Housing Profile Form, attached hereto as Exhibit A. If the Applicant subsequently reduces (or increases) the number of housing units in the P.D., or elects to build a rental project instead, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the requirements or number of required Affordable Units without amending the P.D. Prior to the issuance of any building permits for any residential building in the P.D., including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the P.D., or the applicable portion thereof, and will constitute a lien against such property. Business Planned Development No. ____.

Planned Development Statements.

1. The area delineated herein as Planned Development Number _____ ("Planned Development") consists of approximately 27,698 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map

(the "Property"). 1056 West Lake LLC is the owner of a portion of the Property and the "Applicant" for this Planned Development pursuant to authorization from the owner of the remainder of the Property.

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance (the "Zoning Ordinance"), the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Chicago Department of Transportation ("CDOT") on behalf of the Applicant or its successors, assigns or grantees.

   Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans (defined below).

   Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Department of Planning and Development ("DPD") and CDOT. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of CDOT.

   All work proposed in the public way must be designed and constructed in accordance with CDOT Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by CDOT.

4. This Planned Development consists of these 15 Statements; a Bulk Regulations and Data Table and the following exhibits and plans attached hereto prepared by Solomon Cordwell Buenz and dated January 19, 2017, (the "Plans"): an Existing Zoning Map; an Existing Land-Use Map; a PD Boundary and Property Line Map; a Subarea Map: a Site/Landscape Plan; a Roof Plan; and Building Elevations (North, South, East and West). In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereof, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Business Planned Development: office; daycare; animal services; business equipment sales and service; business support services; urban farm (rooftop operation); communication service establishments; eating and drinking establishments (all, including taverns); entertainment and spectator sports (excluding inter-track wagering facilities); indoor special event including incidental liquor sales; financial services; food and beverage retail sales; medical service; personal service; general retail sales; participant sports and recreation (excluding outdoor); limited and artisan manufacturing, production and industrial services; co-located wireless communication facilities and incidental and accessory uses and accessory parking.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of DPD. Off-premises signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted floor area ratio (FAR) for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 27,698 square feet and a base FAR of 5.0.

   The Applicant acknowledges that the project has received a bonus FAR of 3.1, pursuant to Section 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 8.1. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17.4-1003-B and C, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3.

   The bonus payment will be split between three separate funds, as follows: 80 percent to the Neighborhoods Opportunity Fund, 10 percent to the Citywide Adopt-a-Landmark Fund and 10 percent to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

In this case, the Applicant will contribute the Local Impact portion of the bonus payment for construction of a public library (the "Project"). The Project is located within one mile of the Planned Development site, as required by Section 17-4-1005-C. The Applicant must make such payment, or the applicable portion thereof in the case of a phased development, prior to the issuance of the first building permit for the Planned Development or applicable phase thereof. The City must enter into an intergovernmental agreement regarding the manner in which the funds will be used.

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by DPD. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by DPD. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

12. 13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. (As Amended)
(Application No. 18881)
(Common Address: 57 -- 61 W. Erie St.)

[SO2016-4807]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, be amended by changing all the DX-5 Downtown Mixed-Use Distsict symbols and indications as shown on Map Number 1-F in the area bounded by:

West Erie Street; a line 200.20 feet east of and parallel to North Clark Street; the alley next south of and parallel to West Erie Street; and the alley next east of and parallel to North Clark Street,

to the designation of Residential Planned Development Number _____ which is hereby established in the area above described, subject to such use and bulk regulations as are set forth in the Plan of Development attached and made a part thereto and to no others.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Planned Development Statements.

1. The area delineated herein as Planned Development Number _____ ("Planned Development") consists of approximately 7,268 net square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property"). The applicant is LG Development Group LLC-61 West Erie Series.

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the applicant shall inure to the benefit of the applicant's

successors and assigns and, if different than the applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the applicant or its successors, assign or grantees.

   Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

   Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Department of Planning and Development. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

   All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This plan of development consists of 17 Statements: a Bulk Regulations Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; Site Plan; Building Elevations (North, South, East and West) dated January 19, 2017, and an Affordable Housing Profile Form, submitted herein. Full-sized copies of the Site Plan and Building Elevations are on file with the Department of Planning and Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses are allowed in the area delineated herein: residential and related accessory uses, and accessory parking.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 7,268 square feet.

9. The applicant acknowledges and agrees that the rezoning of the Property from DX-5 to a Residential Planned Development triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units, or with the Commissioner's approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii). The Property is located in a downtown district within the meaning of the ARO, and the project has a total of 10 units. As a result, the applicant's affordable housing obligation is 1 affordable unit (10 percent of 10). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of $175,000 per unit ("Cash Payment") as set forth in the Affordable Housing Profile Form attached hereto as Exhibit [___]. The applicant agrees that the affordable units must be affordable to households earning no more than 100 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the applicant subsequently reduces (or increases) the number of housing units in the Planned Development, or elects to build a rental project instead, the applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the requirements or number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments

thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 9, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

10. The maximum permitted floor area ratio (FAR) for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 7,268 square feet and a base FAR of 5.0.

The applicant acknowledges that the project has received a bonus FAR of 1.0, pursuant to Section 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 6.0. In exchange for the bonus FAR, the applicant is required to make a corresponding payment, pursuant to Sections 17-4- 1003-B and C, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3. The bonus payment will be split between three separate funds, as follows; 80 percent to the Neighborhoods Opportunity Fund, 10 percent to the Citywide Adopt-a-Landmark Fund and 10 percent to the Local Impact Fund.

In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

In this case, the applicant will contribute the Local Impact portion of the bonus payment for construction of the Erie Park/Riverwalk lighting project (the "Project"). The Project is located within one mile of the Planned Development site, as required by Section 17-4-1005-C. The applicant must make such payment, or the applicable portion thereof in the case of a phased development, prior to the issuance of the first

building permit for the Planned Development or applicable phase thereof. The City must enter into an intergovernmental agreement regarding the manner in which the funds will be used.

11. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

12. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

13. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

14. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.

15. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

16. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The applicant proposes to comply with the City of Chicago Sustainability Development policy by providing a 50 percent green roof (1,693 square feet) and Green Globe Certification.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to the DX-5.

The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance (the "Zoning Ordinance"), the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Chicago Department of Transportation ("CDOT") on behalf of the Applicant or its successors, assigns or grantees.

   Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

   Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Department of Planning and Development ("DPD") and CDOT. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of CDOT.

   All work proposed in the public way must be designed and constructed in accordance with CDOT Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by CDOT.

4. This plan of development consists of these 16 Statements; a Bulk Regulations and Data Table and the following exhibits and plans attached hereto prepared by Hartshorne Plunkard Architects and dated January 19, 2017 (the "Plans"): an Existing Land-Use Map; an Existing Zoning Map; a Property and Planned Development Boundary Map; a Planned Development Subarea Map; a Site Plan; a Landscape Plan; Building Elevations (Subarea A -- North, South, East and West and Subarea B -- North and West and South and East) and a Green Roof Plan. In any

instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereof, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Residential-Business Planned Development: dwelling units located above the ground floor; animal services (excluding overnight kennels or boarding); eating and drinking establishments; financial services (excluding payday/title loans, pawnshops and drive throughs); food and beverage retail sales; office; personal service; general retail sales; accessory parking and non-accessory parking (up to 45 percent pursuant to Section 17-10-0503) and related, incidental and accessory uses.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of DPD. Off-premises signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 68,707 square feet.

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by DPD. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by DPD. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.

13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall achieve building certification and provide a 50 percent net green roof equivalent to an actual total of 24,169 square feet for Subarea A and 2,292 square feet for Subarea B.

15. The Applicant acknowledges and agrees that the rezoning of the Property from the C1-1 Neighborhood Commercial District and C3-1 Commercial, Manufacturing and Employment District to the DX-5 Downtown Mixed-Use District, and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units, or with the Commissioner's approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a "Downtown District" within the meaning of the ARO, and the project has a total of 314 units. As a result, the Applicant's affordable housing obligation is 31 affordable units (10 percent of 314 rounded up/down), 8 of which are Required Units (25 percent of 31.4, rounded up/down). Applicant has agreed to satisfy its affordable housing obligation by providing 31 affordable units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit [ ]. The Applicant agrees that the affordable units must be affordable to

households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, or elects to build a for-sale project instead, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the requirements and number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a zoning map amendment to rezone the Property to the DX-5 Downtown Mixed-Use District.

to those of a Business Planned Development.

SECTION 3. This ordinance shall be in force and effect from and after its passage and publication.

Plan of Development Statements attached to this ordinance read as follows:

Business Planned Development No. _____.

Planned Development Statements.

1. The area delineated herein as Planned Development Number TBD ("Planned Development") consists of approximately 22,965 square feet of property which is

depicted on the attached Planned Development Boundary and Property Line Map ("Property"). Partners and Bond LLC is the "Applicant" for this Planned Development pursuant to authorization from the Property owners.

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance (the "Zoning Ordinance"), the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Chicago Department of Transportation ("CDOT") on behalf of the Applicant or its successors, assigns or grantees.

   Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

   Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Department of Planning and Development ("DPD") and CDOT. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of CDOT.

   All work proposed in the public way must be designed and constructed in accordance with CDOT Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by CDOT.

4. This plan of development consists of these 15 Statements; a Bulk Regulations and Data Table and the following exhibits and plans attached hereto prepared by GREC Architects and dated January 19, 2017 (the "Plans"): an Existing Land-Use Map; an Existing Zoning Map; a Planned Development Boundary and Property Line Map; a Site/Landscape Plan; a Roof Plan; and Building Elevations (North, South, East and West). In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all

requirements thereof, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Business Planned Development: retail sales, general; office; lodge or private club; school; co-located wireless communication facilities; day care; postal service; public safety services; animal services; artist work or sales space; business equipment sales and service; business support services; urban farm (rooftop operation); communication service establishments; eating and drinking establishments (all, including tavern); entertainment and spectator sports (excluding inter-track wagering facility); financial services (excluding pawn shops and pay day loan stores); food and beverage retail sales (provided liquor sales shall only be an accessory use); medical service; personal service; repair or laundry service, consumer; children's play center; auto supply/accessory sales; car wash or cleaning service; motor vehicle repair shop (not including body work, painting or commercial vehicle repairs); and related, incidental and accessory uses and accessory parking.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of DPD. Off-premises signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The Applicant acknowledges that the project has received a bonus FAR of 4.5, pursuant to Section 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 11.5. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17.4-1003-B and C, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3.

   The bonus payment will be split between three separate funds, as follows: 80 percent to the Neighborhoods Opportunity Fund, 10 percent to the Citywide Adopt-a-Landmark Fund and 10 percent to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of

the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

In this case, the Applicant will contribute one half (½) of the Local Impact portion of the bonus payment for construction of a field house located at Skinner Park and one half (½) of the Local Impact portion of the bonus payment for construction of a public library (the "Projects"). The Projects are located within one mile of the Planned Development site, as required by Section 17-4-1005-C. The Applicant must make such payment, or the applicable portion thereof in the case of a phased development, prior to the issuance of the first building permit for the Planned Development or applicable phase thereof. The City must enter into an intergovernmental agreement regarding the manner in which the funds will be used.

to those of a Residential Planned Development and a corresponding use district which is hereby established in the area above described.

SECTION 3. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements attached to this ordinance read as follows:

Residential Planned Development No. _____.

Planned Development Statements.

1. The area delineated herein as Residential Planned Development Number _____ ("Planned Development") consists of approximately 11,375 square feet of property

which is depicted on the attached Planned Development Boundary and Property Line Map ("Property") and is owned or controlled by the applicant, Torikago LLC.

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the applicant shall inure to the benefit of the applicant's successors and assigns and, if different than the applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400.

3. All applicable official reviews, approvals or permits are required to be obtained by the applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the applicant or its successors, assigns or grantees.

   Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Planned Development.

   Ingress or egress shall be pursuant to the Planned Development and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

   All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This plan of development consists of 17 Statements; a Bulk Regulations Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; Ground Floor Site Plan; Landscape Plan; a Green Roof Plan; and, Building Elevations (North, South, East and West) prepared by Northworks and dated January 19, 2017, submitted herein. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a

conflict between the terms of this Planned Development ordinance and the Chicago Zoning Ordinance, this Planned Development shall control.

5. The following uses are permitted in the area delineated herein as a Planned Development: multi-family dwelling units including below the second floor, accessory parking, and accessory uses.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Chicago Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted floor area ratio (FAR) for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 11,375 square feet and a base FAR of 5.0. The applicant acknowledges that the project has received a bonus FAR of 1.0, pursuant to Section 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 6.0. In exchange for the bonus FAR, the applicant is required to make a corresponding payment, pursuant to Sections 17.4-1003-B and C, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3.

   The bonus payment will be split between three separate funds, as follows: 80 percent to the Neighborhoods Opportunity Fund, 10 percent to the Citywide Adopt-A-Landmark Fund and 10 percent to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

   Usage of Local Impact Fund: In this case, the applicant will contribute the Local Impact portion of the bonus payment for construction of the Skinner Park Fieldhouse (the "Project"). The Project is located within one mile of the Planned Development

site, as required by Section 17-4-1005-C. The applicant must make such payment, or the applicable portion thereof in the case of a phased development, prior to the issuance of the first building permit for the Planned Development or applicable phase thereof. The City must enter into an intergovernmental agreement regarding the manner in which the funds will be used.

9. Upon review and determination, Part II Review, pursuant to Section 17-13-0610, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines, including Section 17-13-0800. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

12. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125, or any other provision of the Municipal Code of Chicago.

13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A, by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.

14. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

15. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, conserves energy and maximizes the preservation of natural resources. At the time of a hearing before the Chicago Plan Commission, all developments must be in substantial compliance with the current

City of Chicago Sustainable Development Policy set forth by the Department of Planning and Development. The Planned Development shall include a 2,171 square foot green roof (50 percent of 4,271 square foot roof area) and will achieve either LEED or Green Globe building certification.

16. The applicant acknowledges and agrees that the rezoning of the Property from DX-3 to DR-5, and then to this Planned Development ("P.D."), triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's ("DPD") approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii). The Property is located in a downtown district, within the meaning of the ARO, and the project has a total of 22 units. As a result, the applicant's affordable housing obligation is two affordable units (10 percent of 22 rounded down). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of $225,000 if providing no units per unit (Cash Payment), as set forth in the Affordable Housing Profile Form attached hereto as Exhibit A. If the applicant subsequently reduces (or increases) the number of housing units in the P.D., or elects to build a rental project instead, the applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the requirements or number of required Affordable Units without amending the P.D. Prior to the issuance of any building permits for any residential building in the P.D., including, without limitation, excavation or foundation permits, the applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the affordable housing agreement will be recorded against the P.D., or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the P.D.

17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to DX-5.

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all

requirements thereof, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Residential-Business Planned Development: artist work or sales space; dry cleaner; eating and drinking establishments; food and beverage retail sales (provided any sale of liquor shall be accessory only); business support services; financial services (except drive-through facilities, payday/title secured loan stores and pawn shops); general retail sales; offices; personal services (including, without limitation, yoga and fitness studios); multi-family dwelling units above the ground floor; children's play center, and accessory parking.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of DPD. Off-premises signs are prohibited within the boundary of the Planned Development.

8. The maximum permitted Floor Area Ratio ("FAR") for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 22,145 square feet.

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by DPD. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. 11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.

13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain building certification and provide a 50 percent net green roof equivalent to an actual total of 8,166 square feet.

15. The Applicant acknowledges and agrees that the rezoning of the Property from the B3-2 Community Shopping District to the B3-5 Community Shopping District, and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units, or with the Commissioner's approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or off-site. If the developer elects to provide affordable, units off-site, the off-site affordable units must be located within a two mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a "higher income area" within the meaning of the ARO, and the project has a total of 134 units. As a result, the Applicant's affordable housing obligation is 13 affordable units (10 percent of 134 rounded down), three of which are Required Units (25 percent of 13, rounded down). Applicant has agreed to satisfy its affordable housing obligation by providing 13 affordable units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit [_____]. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The

Commissioner of DPD may enforce remedies for any breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a zoning map amendment to rezone the Property to the B3-5 Community Shopping District.

4. This plan of development consists of 16 Statements; a Bulk Regulations and Data Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary, Property Line; the following plans (prepared by FitzGerald Associates Architects, PC and dated December 15, 2016): Site Plan; Roof Plan and Building Elevations (East, West, North and South). In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. 5. 9. Pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed, upon review and determination, by DPD. The fee, as determined by the staff of DPD at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

10. The Site and Landscape plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by DPD. Any interim reviews associated with Site Plan Review or Part II Reviews, are conditional until final Part II Approval.

12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.

13. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

14. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, conserves energy and maximizes the preservation of natural resources. The project will include the provision of a 50 percent green roof (4,989 square feet) and will achieve Green Globes certification.

15. The applicant acknowledges and agrees that the rezoning of the Property from an RT4 Residential Two-Flat, Townhouse and Multi-Unit Zoning District to a B3-5 Community Shopping Zoning District, and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site. The Property is located in a "low-moderate income area" within the meaning of the ARO, and the project has a total of 92 elderly housing units. As a result, the applicant's affordable housing obligation is nine affordable units (10 percent of 92 rounded down), two of which are

Required Units (25 percent of 92, rounded down). Applicant has agreed to satisfy its affordable housing obligation by providing two affordable units in the rental building to be constructed in the Planned Development and making a cash payment to the Affordable Housing Opportunity Fund in the amount of $50,000 per unit ("Cash Payment") for the remaining seven units or providing seven affordable units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit A. The applicant agrees that the affordable rental units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a zoning map amendment to rezone the Property to RT4 Residential Two-Flat, Townhouse and Multi-Unit District.

Residential-Business Planned Development No. 1169, As Amended.

Plan Of Development Statements.

1. The area delineated herein as a Residential-Business Planned Development Number 1169, as amended (the "Planned Development") consists of approximately 3,063,969 square feet of Net Site Area (approximately 70.34 acres) of property (the "Property"), together with certain portions of existing rights-of-way, as depicted on the Planned Development Boundary and Property Line Map, as referenced in Statement Number 4(a). The Property is owned or controlled by Lake Meadows Associates, an Illinois limited partnership (the "Applicant"). The Planned Development is divided into subareas (each, a "subarea," and collectively, the "subareas"), as indicated on the Subarea Map, as referenced in Statement Number 4(a). The purpose of this amendment to the Planned Development amendment is to secure approval of an 18-space accessory, interim parking lot in Subarea B1.

2. All applicable official reviews, approvals or permits are required to be obtained by the Applicant. These Planned Development Statements do not obligate the City of Chicago ("City") to establish any public rights-of-way, accept or maintain any open space, detention or site buffer areas, construct any public improvements, or finance the construction of any improvements. Any dedication, opening or vacation of streets, alleys or easements or adjustments of rights-of-way or consolidation or re-subdivision of parcels shall require a separate submittal on behalf of the Applicant and approval by the Commissioner of the Department of Transportation ("CDOT") and the City Council of the City of Chicago (the "City Council"). Any required City Council approvals must be obtained prior to issuance of any Part II Approval. Applicant shall have the right to seek approval in phases for any or all of the foregoing approvals. In connection with planning for any Subarea, adjustments in the location, width and configuration of the rights-of-way illustrated on the Rights-of-Way Adjustment Map, as referenced in Statement Number 4(a), may be approved by the Zoning Administrator of the Department of Planning and Development (the "Department") as a minor change to this Planned Development, provided such adjustments (a) do not result in a change in the character of this Planned Development in accordance with the requirements of Section 17-13-0611 of the

Chicago Zoning Ordinance, (b) are set forth in a plat of subdivision, dedication, opening or vacation, or comparable plat or instrument, as applicable, that has been submitted by Applicant for approval by CDOT, the Department at the time of request for such adjustments (and approved by CDOT and the City Council prior to the issuance of any Part II Approval), and (c) shall not be deemed to confer any additional bulk, density or other development.

3. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant and its successors, assigns and grantees. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors, assigns and grantees (including any condominium or homeowners' association which may presently exist or hereafter be formed). References in this Planned Development to "Applicant" shall mean and include as, applicable the Applicant's successors, assigns and grantees. The requirements of Section 17-8-0400 of the Chicago Zoning Ordinance shall apply to the Property. The Subareas (and, if subsequently designated on any Final Subarea Plan, any subparcels designated thereon), shall be deemed specifically delineated subareas and subparcels for purposes of Section 17-8-0400 of the Chicago Zoning Ordinance, provided, however, that for so long as Lake Meadows Associates ("LMA") owns or controls any part of the Property, any application to the City for any such changes or modifications (administrative, legislative or otherwise) must in all cases be authorized by the LMA or its express designee. Where portions of the improvements located on the Property have been or are hereafter submitted to the Illinois Condominium Property Act or any similar common interest community statute, or made subject to a private declaration governing a homeowners association, the term "owner" shall be deemed to refer solely to the condominium association, common interest community or homeowners association of such owners of such portions of the improvements and not to the individual unit owners therein. Nothing herein shall prohibit or in any way restrict the alienation, sale or any other transfer (a "Transfer") of all or any portion of the Property or any rights, interests or obligations therein by the Applicant or any owner. Any party making application shall have the burden of establishing to the reasonable satisfaction of the Department that the consent of LMA (or its express designee) has been obtained, assigned or irrevocably waived. Upon any Transfer of all or any portion of the Property or the rights therein (other than a mortgage lien or security interest) and solely with respect to the portion of the Property so transferred, the term "Applicant" shall be deemed amended to apply solely to the transferee thereof (and its beneficiaries if such transferee is a land trust); provided, however, that the right of LMA (or its express designee) to authorize future amendments, modifications or other changes (administrative, legislative or otherwise) to this Planned Development shall not be deemed to be amended or transferred unless the Applicant assigns such rights to the transferee in writing or otherwise irrevocably waives such rights. Nothing in this Statement 2 shall be construed in derogation of Section 17-1-1003 of the Zoning Ordinance.

This Statement 10 describes the procedures and approvals that shall govern the review and approval by the Department and, when applicable, the review and approval of the Chicago Plan Commission or the City Council, or both the Chicago Plan Commission and the City Council, whenever the Applicant undertakes any development project on the Property.

(a) Final Subarea Plan.

At the time the first material development project in a given Subarea (or one or more Subareas) is undertaken, the Applicant shall file with the Department a final subarea plan which includes the information set forth below (the "Final Subarea Plan") for such Subarea(s) along with an application for Site Plan Review pursuant to Statement 10(b) hereof. Such filing requirements shall not apply to Subarea A1, which was approved as part of this Planned Development on June 30, 2010. Such filing requirements also shall not apply to Subarea A2 which is being approved as part of this amendment to the Planned Development. The Final Subarea Plan shall govern such first development project and, unless amended pursuant to this Statement 10(a), all subsequent development projects thereafter constructed in such Subarea.

The Final Subarea Plan Filing shall include the following:

(i) A dimensioned Subarea Plan including the following with respect to such Subarea (and any subparcels designated therein, if any):

1. all public rights-of-way that are proposed to be dedicated or opened, and all private rights-of-way;

2. dimensioned setback lines;

3. all off-street parking and service areas, both accessory and non-accessory;

4. all open space, site buffer, detention and recreational facilities;

5. sites for any schools, libraries, police stations or other public facilities, if any; and

6. dimensioned Green Roof Plans, as set forth in Statement 14.

(ii) A detailed, dimensioned Subarea site plan including:

1. all sidewalks (including the width of paved surfaces);

2. all roads, streets, alleys (all identified as public or private), including the right-of-way width, the width of paved surfaces, street intersection details, and all curb cuts;

3. dimensioned building sites, dimensioned setback lines, the proposed use of each building site, and indication of the maximum building height, FAR and residential unit count for each building site;

4. all off-street parking and service areas, both accessory and non-accessory; and

5. fully dimensioned parking plans, loading areas, and landscape plans (which landscaping may be planned and constructed in phases).

(iii) Preliminary engineering plans including the following:

1. sanitary and storm sewer lines and systems (identified as public or private);

2. water lines and water supply systems (identified as public or private); and

3. street lighting (identified as public or private) and lighting systems.

(iv) Illustrative Subarea building elevations and locations for all of the buildings to be constructed in such Subarea including the following:

1. Illustrative elevations for all buildings to be located within the applicable Subarea (including axonometric or 3-D exhibits), which buildings shall be consistent with the floor area ratio, building height, dwelling unit, setback and parking space requirements permitted or required in the applicable Subarea.

2. Although final elevations for the buildings to be constructed shall not be required at the Final Subarea Plan approval stage except for the building requesting site plan approval, the massing, the entrances, and maximum building heights and window design should be addressed, and depictions and explanations provided describing how the buildings to be constructed incorporate the pedestrian-orientation, urban design, building design and green design standards and guidelines set forth in Sections 17-8-0905, 17-8-0906, 17-8-0907 and 17-8-0908 of the Chicago Zoning Ordinance, respectively.

(v) For the Final Subarea Plan for Subarea D only, the information required under Statement 17(e).

The Final Subarea Plan shall be submitted and processed as an amendment to the Planned Development pursuant to Section 17-13-0602 through Section 17-13-0610 of the Chicago Zoning Ordinance. As such, the Final Subarea Plan shall be subject to the review and approval of the Department and such other bureaus, departments or agencies as the Commissioner deems appropriate;(which may include, but are not limited to, CDOT, the Department of Water Management ("DWM"), the Fire Department and the Mayor's Office on Persons with Disabilities ("MOPD") (as applicable, the "Affected City Departments"), the Chicago Plan Commission, the Zoning Committee and the City Council, as described in such Section 17-13-0602 through Section 17-13-0610. Each Final Subarea Plan submitted shall propose "sunset" requirements applicable to such Subarea for City Council approval and for the continued effectiveness of this Planned Development as to Subareas where the zoning of this Planned Development remains subject to lapse and voiding. A Final Subarea Plan must be approved prior to, or concurrently with, the approval of any Site Plans submitted and processed pursuant to Statement 10(b) below.

(b) Site Plans. Site Plan Review shall be required for all projects undertaken in furtherance of the Planned Development and the Final Subarea Plan in accordance with the provisions hereof, excluding Site Plan review for the Subarea A1-1.4 project described in Statement Number 4(c)(i) which was approved as part of the Planned Development on June 30, 2010, the Subarea A2-1.1 project described in Statement Number 4(c)(ii) which is being approved as part of this Planned Development on March 16, 2016 and any Interim Site Plan Approval requests, as defined in Statement Number 10(g). No Site Plan approval shall be required for alterations to existing buildings that do not increase their height or alter their footprint and no Site Plan approval shall be required for demolition or site work. In addition to the data referenced below, the Applicant shall provide an exhibit showing lot sizes and boundaries for such project. The Applicant shall also provide a Site Data Table for such project containing, for each Subarea and subparcel, if any, the following:

i. the Gross Site Area;

ii. the Net Site Area;

iii. the square feet of floor area of each proposed building;

iv. the amount of FAR utilized out of the maximum FAR permitted in such Subarea;

v. the height of each building to be constructed and the maximum allowable height permitted under the Design Exhibits applicable to such Subarea;

vi. the number of dwelling units to be constructed and the maximum number of dwelling units permitted under Design Exhibits applicable to such Subarea;

vii. the front, rear and side setbacks for each building and the setbacks required under the Design Exhibits applicable to such Subarea;

viii. the site area attributable to all residential open space, if applicable; and

ix. the number of parking spaces to be provided and the minimum and maximum number of parking spaces required under the Subarea Use, Bulk and Data Table, as applicable.

Except to the extent previously depicted in (and unchanged from) the applicable Final Subarea Plan, the Applicant shall also provide site plan documents illustrating: all building location(s); curb cuts; sidewalks; parking and loading areas; landscaping, lighting and signs; fencing and outdoor storage areas; and waste storage and compacting facilities. A map of surrounding land uses and buildings for a distance of one block in all directions also must be provided. Final elevations must be provided for the proposed building(s). Building materials for the proposed building(s) must also be specified.

(c) Under Section 2-45-115(b) of the Municipal Code (the "ARO"), the City Council's approval of this Planned Development amendment does not constitute a "Rezoning of Property" as that term is defined in the ARO. Accordingly, the Applicant is subject to the provisions of Section 2-45-110 of the ARO. Pursuant to Section 2-45-110, the Applicant is obligated to either (i) establish at least ten percent (10%) of the residential dwelling units constructed after the date of such approval on the Property as affordable housing within the meaning of, and as governed by, the ARO or; (ii) in lieu of establishing such affordable housing, the Applicant may make payments in accordance with the requirements of Section 2-45-110(d)(1) of the ARO. As part of the Site Plan review and approval process for any application proposing the construction of a building containing residential dwelling units, the Applicant shall also provide, for the review and approval of the Department (or any successor department thereto), such information, documents and agreements as may be required under the ARO to assure that such required affordable housing units are provided and maintained or, in lieu thereof, that such payments are provided.

(d) The Site Data Table shall also incorporate a Chicago Builds Green Form/ Sustainable Features table showing the "green" features to be included in the proposed buildings. The Site Plan shall be subject to review and approval of the Department and such affected City departments as the Commissioner deems appropriate before issuance of any Part II Approval for the subject project. The Site Plan must be in substantial compliance with both the Planned Development and the applicable Final Subarea Plan.

(e) If, after City departmental review, the Commissioner determines that the Site Plan is in substantial compliance with both the Planned Development and the applicable Final Subarea Plan, and if any improvements contemplated by the Site Plan trigger or exceed any of the mandatory Planned Development thresholds set forth in Section 17-8-0500 of the Chicago Zoning Ordinance as applicable to the B3-5 zoning district, then the Site Plan must be reviewed by the Chicago Plan Commission, during a public meeting and shall not require review and approval by the City Council. The threshold for tall buildings under Section 17-8-0512-A of the Chicago Zoning Ordinance shall be 80 feet, irrespective of ground floor commercial space.

(f) If such mandatory thresholds are not triggered, met or exceeded, then no Chicago Plan Commission review shall be required, and if, after City departmental review and where applicable, Plan Commission review, the Commissioner determines that the Site Plan is otherwise in substantial compliance with both the Planned Development and the applicable Final Subarea Plan, the Site Plan shall then be approved by the Commissioner. If, after City departmental review, the Commissioner determines that the Site Plan is not in substantial compliance with both the Planned Development and the applicable Final Subarea Plan, the Commissioner shall advise the Applicant in writing of how the Site Plan does not substantially comply with the Planned Development and/or the Final Subarea Plan. In such case, the Applicant shall be given an opportunity to submit revised Site Plans. If the Commissioner finally determines that the Site Plans, as the same may be revised, are not in substantial compliance with the Planned Development and/or the Final Subarea Plan, the Applicant then shall be required to amend the Final Subarea Plan in accordance with the review and approval procedures in Section 17-13-0602 through Section 17-13-0610 of the Chicago Zoning Ordinance in order to obtain approval of such Site Plans. After approval of a Final Subarea Plan and/or Site Plan, such Final Subarea Plans and Site Plans may be changed or modified pursuant to the requirements of Statement Number 14 hereof, if applicable.

(g) The Applicant acknowledges that the City's approval of a Final Subarea Plan and/or Site Plan shall not be deemed to be an approval of a subdivision of the property. It shall be Applicant's responsibility to comply with the Illinois Plat Act, as and when required, and to obtain separate City Council approval of any required subdivision.

11. Approved Site Plans.

(a) On June 30, 2010, the Department approved the site plan for Subarea A1-Parcel 1.1.4, consisting of the drawings and materials set forth in Statement Number 4(c) hereof, as in substantial compliance with the approved Subarea A1 Final Subarea Plan. Additionally, the Subarea A1-Parcel 1.1.4 Site Plan represents the first project to be approved pursuant to the Subarea A1 Final Subarea Plan. No further City Council or Department approval of the Subarea A1 Final Subarea Plan shall be required for future projects submitted for Site Plan approval in Subarea A1; provided, however, that each such future project shall substantially comply with the approved A1 Final Subarea Plan.

(b) On March 15, 2016, the Department approved the site plan for Subarea A2-Parcel 1.1, consisting of the drawings and materials set forth in Statement Number 4(c)(ii) hereof, as in substantial compliance with the approved Subarea A2 Final Subarea Plan. Additionally, the Subarea A2-Parcel 1.1 Site Plan represents the first project to be approved pursuant to the Subarea A2 Final Subarea Plan. No further City Council or Department approval of the Subarea A2 Final Subarea Plan shall be required for future projects submitted for Site Plan approval in Subarea A2; provided, however, that each such future project shall substantially comply with the approved A2 Final Subarea Plan.

(c) On January 19, 2017, the Department approved an interim use consisting of a Site Plan, Tree Removal Plan and Landscape Plan, all prepared by the Applicant and dated January 19, 2017.

12. The improvements on the Property shall be designed, constructed and maintained in substantial compliance with the Design Exhibits attached hereto.

(a) Parkway and parking lot landscaping shall comply with the landscaping provisions of the Chicago Zoning Ordinance and Chicago Landscape Ordinance, unless specified otherwise in an approved Final Subarea Plan.

(b) The Property shall be designed and constructed in accordance with the City of Chicago Regulations for Sewer Construction and Stormwater Management and Stormwater Management Ordinance Manual, latest editions. Any amendment to the City's storm water management requirements which the City adopts thereafter shall apply to the Property or the development thereof.

(c) The Applicant, at the time of a project shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioner of the Department of Streets and Sanitation, the Commissioner of the Environment and the Commissioner of Buildings under Section 13-32-125 of the Municipal Code of the City of Chicago or any other provision of that Code.

13. (a) The Part II Review fee for permits and licenses to be issued for projects in the Planned Development shall be the greater of $0.50 per square foot for the total buildable floor area (i.e., the current rate under Section 17-13-0610 of the Chicago Zoning Ordinance) or the then applicable per square foot charge (or other then applicable charge) at the time of such Part II Review. Such fee shall be determined and assessed by the Department at the time of each and every Part II Review, shall be applicable to all projects, whether undertaken by the Applicant or another developer, shall be final and binding and must be paid to the Department prior to issuance of any Part II Approval.

(b) Following Part II Review and approval by the Commissioner, the Department shall keep such approved plans and elevations on permanent file and they shall be deemed to be an integral part of this Planned Development.

(c) The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promote and enable universal access throughout the Property in accordance with all laws.

(d) Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote accessibility in accordance with all laws.

(e) Any interim reviews associated with Site Plan Approvals or Part II Reviews, are conditional until final Part II Approval.

14. Subject to the other terms and conditions of these statements, including specifically, but without limitation, Statement 10's filing, review and approval requirements, the terms, conditions and exhibits of this Planned Development may be modified administratively by the Commissioner: (i) upon application and a determination by the Commissioner in accordance with the minor change provisions and standards of Section 17-13-0611 of the Chicago Zoning Ordinance (provided, however, that Section 17-13-0611-A.2 and A.3 shall be separately tested on a Subarea basis, without taking into account the Net Site Area of or dwelling units permitted in other Subareas or the Planned Development as a whole); and (ii) provided such modification, and the improvements contemplated thereby, are consistent with the character of the Planned Development and the applicable Final Subarea Plan. Any such modification shall be reviewed and approved through the minor change provisions of Section 17-13-0611 of the Chicago Zoning Ordinance.

15. The Applicant acknowledges that it is in the public interest to design, construct and renovate all buildings in a manner which provides healthier environments, reduces operating costs and conserves energy and resources. All development in any Subarea shall conform to the City of Chicago's "Sustainable Development Policy Matrix" in effect on the date of submittal of Site Plans pursuant to this Planned Development.

16. Open Space B2-2.1, as set forth in the Subarea Plan for Subarea B2, consists of 153,655 square feet (approximately 3.53 acres), and Open Space E-1.1, as set forth in the Subarea Plan for Subarea E, consists of 86,822 square feet (approximately 2.0 acres). Open Space B2-2.1 and Open Space E-1.1 shall be dedicated to the Chicago Park District ("CPD") and the parks and improvements thereon must be designed and constructed to CPD standards. Any conveyance of such open space to the CPD shall be subject to the approval of the CPD and a resolution or ordinance issued by the CPD Board of Commissioners must be provided to the Department to evidence such dedication, conveyance and acceptance.

17. (a) The Applicant shall have substantially completed installation, and made publicly available, either Open Space B2-2.1 (located in Subarea B2) or Open Space E-1.1 (located in Subarea E), no later than 12 months after the date that Part II approval has been issued for 2,354 or more new dwelling units (30 percent of total permitted units) since the date of adoption of this Planned Development. The date of completion as aforesaid shall be subject to a six month extension as necessary to accommodate the growing season.

(b) The Applicant shall have substantially completed installation, and made publicly available, either Open Space B2-2.1 (located in Subarea B2) or Open Space E-1.1 (located in Subarea E), whichever was not installed pursuant to Statement 17(a) above, no later than the date that is 12 months after the date that Part II Approval has been issued for 4,707 or more new dwelling units (60% of total permitted units) since the date of adoption of this Planned Development. The date of completion as aforesaid shall be subject to a six month extension as necessary to accommodate the growing season.

(c) The location, configuration and boundaries of Open Space A3-1.2 (consisting of 0.8 acres) and Open Space E-2.3 (consisting of 0.7 acres), as depicted in the applicable Design Exhibits, are preliminary. So long as the minimum amount of site area attributable to each such Open Space remains substantially as required above, the location, configuration and boundaries of each may be modified at the election of the Applicant, with the concurrence of the Department; provided, however, that each such Open Space, as its location, configuration or boundary may have been modified, shall be located wholly within its applicable Subarea or adjacent Subarea. Any such modifications shall be reflected in the applicable Site Plan approvals, when and as submitted for such approval. The Open Spaces described in this Statement 17(c) shall be clearly lit and signage shall be appropriately placed indicating the site is publicly accessible from sunrise to sunset. The Applicant shall be responsible for all development, management, maintenance repair and replacement costs associated with the such Open Spaces.

(d) The Applicant shall have substantially completed installation, and made publicly available:

(i) Open Space E-2.3 (consisting of 0.7 acres), located in Subarea E, not later than 24 months after issuance of Part II Approval for any buildings in Parcel 2.2 having in aggregate not less than 449,962 square feet (i.e., 30 percent of Parcel 2.2's floor area as specified in Subarea E's Use, Bulk and Data Table).

(ii) Open Space A3-1.2 (consisting of 0.8 acres), located in Subarea A3, not later than 24 months after issuance of Part II approval for buildings in Parcels 1.1, 1.3 and 1.4 having in aggregate not less than 421,379 square feet (i.e., 30 percent of the total combined floor area attributable to Parcels 1.1, 1.3 and 1.4, as specified in the Subarea A3's Use, Bulk and Data Table).

(iii) The dates of completion as aforesaid shall be subject to a six month extension as necessary to accommodate the growing season.

(e) Nothing in this Planned Development shall preclude the Applicant from seeking and obtaining Open Space Impact Fee Credits for any Qualifying Open Space pursuant to the Open Space Impact Fee Administrative Regulations and Procedures promulgated by the Commissioner pursuant to Section 16-18-110 of the Municipal Code of Chicago and the "Notice to Residential Developers Regarding New Open Space Impact Fees", last revised by the City on April 6, 1998, as either may be amended from time to time.

(f) As part of the Final Subarea Plan for Subarea D, the Applicant shall provide preliminary engineering drawings and such other information as the Department may reasonably require to evidence the design, elevations and plans for the construction of the public, pedestrian bridge and footpath (the "33rd Street Improvements") depicted in the Subarea D exhibits, including, without limitation, the CPD's approval of such designs, elevations and plans. The Applicant shall be obligated to substantially complete construction of the 33rd Street Improvements within 24 months of the issuance of Part II Approval for the third high-rise building in Subarea D. No Part II Approval for a fourth high-rise building in Subarea D shall be issued until construction of the 33rd Street Improvements has substantially commenced. If the Applicant, however, after 12 months of diligent and good faith efforts at the Applicant's own expense, certifies in writing to the Department that the Applicant has been unable to secure the real property interests, governmental approvals, and third party approvals and agreements necessary to construct the 33rd Street Improvements, then, in lieu of constructing such improvements, the Applicant may instead substantially commence construction of the open space required under Statement 17(a) (if it has not previously been constructed) or Statement 17(b) (if the open space required under Statement 17(a) has been previously constructed) within 24 months of the issuance of Part II approval for the third high-rise building in Subarea D. Upon such substantial commencement of construction (and assuming that the Applicant does not thereafter cease or abandon such construction efforts, but thereafter diligently constructs such open space), the Applicant shall be entitled to obtain Part II approval for the fourth high-rise building in Subarea D.

18. As of the original date of adoption of this Planned Development (i.e., June 30, 2010), the various portions of the Property (now defined as Subareas A1, A2, A3, B1, B2, B3, C, D and E) are improved with existing improvements and operated with existing uses. Subarea C is improved with, among other things, multiple townhouses, single-family homes and a condominium building containing dwelling units; and the owners, ground lessees and operators of Subarea C use said improvements and conduct other uses and operations within Subarea C (collectively, the "Subarea C Uses and Improvements"). The remaining, portions of the Property are improved with, among other things, multiple residential buildings containing nearly 2,000 residential dwelling units, multiple commercial and retail buildings and surface parking lots; and the owners and operators of these portions of the Property use said improvements and conduct other uses and operations within said portions of the Property (collectively, the "Lake Meadows Uses and Improvements"). (The Subarea C Uses and Improvements and the Lake Meadows Uses and Improvements may collectively be referred to herein as the "Existing Uses and Improvements"). Changes to the Existing Uses and Improvements shall be subject to the terms of this Planned Development.

19. The FAR and number of dwelling units attributable to buildings existing on the Property on the original date of this Planned Development (i.e., June 30, 2010) shall, until the demolition of any such buildings, continue to be included in the calculations of maximum FAR and dwelling units. If the FAR or number of dwelling units of an existing building located in a given Subarea is less than allowed in the Subarea, then new FAR and/or dwelling units, as the case may be, shall be allowed in such Subarea up to the applicable maximums. If the FAR or number of dwelling units of any existing building(s) in Subarea B1 is equal to or more than such Subarea's applicable maximums under this Planned Development, then no new FAR or dwelling units, as the case may be, may be constructed in such Subarea until sufficient FAR and dwelling units are removed so as to permit the construction of new dwelling within the limitations set forth in this Planned Development applicable to Subarea B1. Notwithstanding the foregoing, a maximum of 50 new dwelling units shall be permitted within that portion of Subarea B1 bounded by the northern boundary of Subarea B1 (Olivet Baptist Church); the north/south alley east of Dr. Martin Luther King, Jr. Drive; East 33rd Street; and Dr. Martin Luther King, Jr. Drive. A sufficient amount of FAR to accommodate such new dwelling units shall also be permitted.

20. (a) This Planned Development shall lapse and be null and void unless Substantial Construction (as defined below) has occurred in Subarea A1 and Subarea A2 within six (6) years of March 15, 2016 (as such date may be extended pursuant to Statement 20(d) below, the "Initial Expiration Date"). "Substantial Construction" shall mean and be evidenced by the (i) issuance of Part II Approvals; (ii) commencement of substantial construction; and (iii) the continued proceeding of such construction with reasonable diligence for not less than 50,000 gross square feet of improvements in Subarea A1 and 70,000 gross square feet of improvements in Subarea A2 (it being acknowledged that the Applicant has already completed 60,000 square feet of improvements in Subarea A2 as of the date hereof which improvements are

labeled as "existing" on the Subarea A2 Buildings exhibit). The Applicant shall supply the Department with such documents requested as may be reasonably necessary to evidence compliance with such Substantial Construction requirements (such requirement, the "Substantial Construction Requirements").

(b) If the Substantial Construction Requirements set forth in Statement Number 20(a) are not satisfied by the Initial Expiration Date, then this Planned Development shall thereafter lapse and become void and the zoning classification of the entire Property shall automatically revert to the B3-5 zoning classification in place immediately prior to the passage of this Planned Development.

(c) If the Substantial Construction Requirements set forth in Statement Number 20(a) are satisfied by the Initial Expiration Date, then (1) the zoning established pursuant to this Planned Development for Subarea A1 and Subarea A2 shall not thereafter be subject to expiration, but (2) the zoning established pursuant to this Planned Development as to the remaining Subareas shall thereafter lapse and become void and shall automatically revert to the B3-5 zoning classification in place immediately prior to the passage of this Planned Development unless the Applicant thereafter obtains City Council approval for a Final Subarea Plan for a third Subarea in accordance with Section 10(a) prior to the Initial Expiration Date.

(d) The Initial Expiration Date may be extended for up to one additional year if, before expiration, the Applicant makes written request for such an extension explaining the good cause for such an extension, the Commissioner determines that good cause for an extension has been shown, and the Commissioner issues a written extension letter.

3469 -- 3475 N. Clark St., Chicago, Illinois.

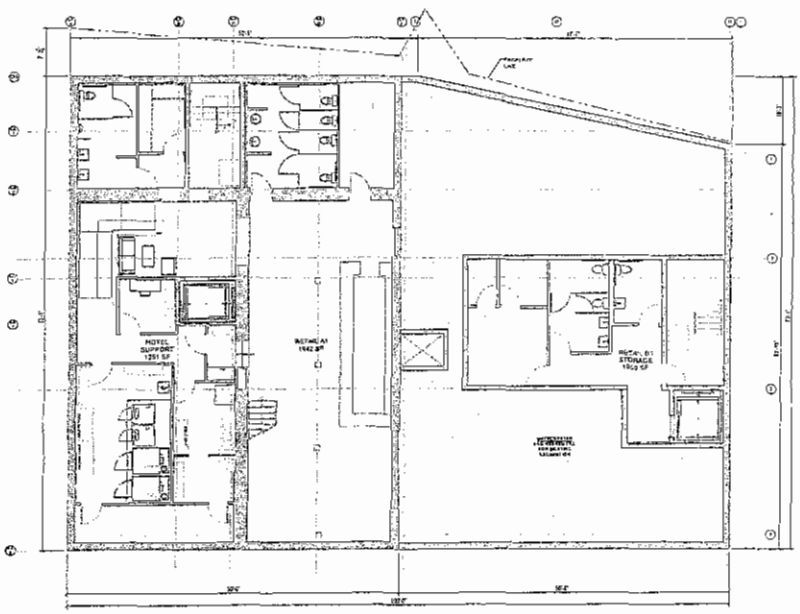

Proposed Zoning:	B3-5 Neighborhood Mixed-Use District
Lot Area:	7,391 square feet
Proposed Land Use:	The applicant is seeking to amend the previously approved Type 1 Rezoning, in order to correct a typographical error in the original Type 1 Application (Narrative). Toward that end, and correctly stated, the applicant is seeking a zoning change in order to permit the rehabilitation of the existing four-story building, and the erection of a new five-story addition -- on the adjacent vacant lots, in order to locate and establish a new hotel, with retail tenancy, at the subject property. The rehabilitation plan, for the existing (vacant) four-story building, calls for the build-out and location of a hotel lobby (1,762 square feet) and a single retail space (1,476 square feet) -- at grade level, and twenty-one (21) hotel rooms (units) -- above (Floors 2 through 4). The new five-story addition will contain a single retail space (2,336 square feet) and hotel vestibule (275 square feet) -- at grade level, and 32 hotel rooms -- above (Floors 2 through 5), for a total of 53 hotel rooms, at the site. As part of the plan, the applicant also intends to erect a roof deck, above the 4th Floor of the existing building and above the 5th Floor of the new addition, which will be available for use by guests of the hotel and the retail tenants. No on-site parking is required or intended for the proposed

	building, with new addition. The newly rehabbed building, with five-story addition, will measure 76 feet, 2 inches in height and be masonry and glass in construction. *Please note that there have been no changes to the architectural drawings (plans) submitted and approved, pursuant to the original Type 1 Zoning Map Reclassification.

The property runs 165.16 feet along Berteau Avenue and 242.5 feet along Ravenswood Avenue and has the address of 1770 West Berteau Avenue. The community knows this building as the Deagan Building. The land use in the immediate area of the proposed rezoning is light manufacturing and commercial to the north, a railway embankment to the west across Ravenswood Avenue, residential to the east across the alley, and an additional parking lot for a commercial building across Berteau Avenue to the south.

The following are the relevant bulk calculations for the proposed development:
