The Park District and the City are sometimes referred to herein as the "Parties."

RECITALS

A. The City is a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, and as such may exercise any power and perform any function pertaining to its government and affairs.

B. The Park District is a unit of local government under Article VII, Section 1 of the 1970 Constitution of the State of Illinois, and as such, has the authority to exercise control over and supervise the operation of parks within the corporate limits of the City.

C. The Park District seeks payment or reimbursement of funds it intends to expend or has expended for the construction of a new five-station automated batting cage at the south end of Humboldt Park (the "**Project**"), an approximately 206 acre park located at 1400 North Sacramento Avenue and legally described in **Exhibit A** (the "**Property**").

D. The Park District owns the Property and the Property lies wholly within the boundaries of the Division/Homan Redevelopment Project Area (as hereinafter defined).

E. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 *et seq.*, as amended from time to time (the "**Act**"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects.

F. In accordance with the provisions of the Act, pursuant to ordinances adopted on June 27, 2001, and published in the Journal of Proceedings of the City Council of the City of Chicago, Illinois (the "Journal") for such date at pages 61712 through 61834, the City Council of the City: (i) approved a redevelopment plan and project (the "Division/Homan Plan") for a portion of the City known as the "Division/Homan Redevelopment Project Area", (ii) designated the Division/Homan Redevelopment Project Area as a redevelopment project area under the Act and, (iii) adopted tax increment financing for the Division/Homan Redevelopment Project Area.

G. Under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("**Increment**") may be used to pay all or a

portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs. (Increment collected from the Division/Homan Redevelopment Project Area shall be known as the "**Division/Homan Redevelopment Project Area Increment**").

H. The Park District is a taxing district under the Act.

I. DPD wishes to make available to the Park District a portion of the Division/Homan Redevelopment Project Area Increment in an amount not to exceed a total of $325,000 (the "**TIF Assistance**"), subject to Section 2.6, for the purpose of funding the Project (the "**TIF-Funded Improvements**") in the Division/Homan Redevelopment Project Area to the extent and in the manner provided in the Agreement (as hereinafter defined).

J. The Division/Homan Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Project, within the boundaries of the Division/Homan Redevelopment Project Area.

K. [intentionally omitted]

L. In accordance with the Act, the TIF-Funded Improvements shall include such of the Park District's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Division/Homan Plan, and the City has found that the TIF-Funded Improvements consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act.

M. The City and the Park District wish to enter into this Agreement whereby the Park District shall undertake the Project and the City shall reimburse the Park District for the TIF-Funded Improvements made pursuant to the Project.

N. On ____date____, the City Council adopted an ordinance published in the Journal for said date, (the "**Authorizing Ordinance**"), among other things, authorizing the execution of this Agreement.

O. On ___date___, the Park District's Board of Commissioners passed an ordinance expressing its desire to accept TIF Assistance from the City for the Project and authorizing the execution of this Agreement (the "**Park District Ordinance**").

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

TERMS AND CONDITIONS

SECTION 1. THE PROJECT.

1.1. No later than eighteen (18) months from the Closing Date, or later as the Commissioner of DPD (the "Commissioner") may agree in writing, the Park District shall let one

or more contracts for the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.2. The plans and specifications for the Project (the "Plans and Specifications") shall at a minimum meet or shall have met the general requirements set forth in Exhibit B hereof and comply with plans and specifications which the Park District will have provided to, and be approved by, DPD prior to the disbursement of the TIF Assistance. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.3. The Park District shall also provide the City with copies of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied, and operated as a public park.

1.4. The Park District shall include a certification of compliance with the requirements of Sections 1.1, 1.2, and 1.3 hereof with the request for the TIF Assistance hereunder at the time the Project is completed and prior to any disbursement of the TIF Assistance. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

SECTION 2. FUNDING

2.1. The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this **Section 2** and such other conditions contained in this Agreement, disburse the TIF Assistance to the Park District.

2.2. The City shall establish a special account within Division/Homan Redevelopment Project Area Special Tax Allocation Fund; such special account shall be known as the "**Humboldt Park – Batting Cage Account**." Disbursement of TIF Assistance funds will be subject to the availability of Division/Homan Increment in the Humboldt Park Account, subject to all restrictions on and obligations of the City contained in all Division/Homan Ordinances, or relating to the Division/Homan Redevelopment Project Area Increment and all agreements and other documents entered into by the City pursuant thereto.

2.3. Within 15 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than 90 days after the execution of this Agreement (the **"Satisfaction Period"**), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for City's disbursement of the TIF Assistance to the Park District:

2.3.1. the Park District has satisfactory title to the Property, which may be evidenced by an acceptable title insurance policy, subject only to those title exceptions acceptable to the City and the Park District; and

2.3.2. the Park District has satisfied the conditions stated in this **Section 2.3** within the Satisfaction Period. If the Park District is unable to satisfy said conditions, either Party may terminate this Agreement by providing written notice to the other Party.

2.3.4. The Park District may request payment from the City by submitting a Request for Reimbursement in the form of **Exhibit D** hereto ("**Request for Reimbursement**") be processed and executed periodically, but in no event more frequently than quarterly. The City shall not execute and approve Requests for Reimbursement in the aggregate in excess of the actual costs of the Project that are TIF-Funded Improvements, and in no event in an amount greater than the TIF Assistance. Prior to each execution of a Request for Reimbursement by the City, the Park District shall submit documentation regarding the applicable expenditures to HED. Delivery by the Park District to the City of any request for execution by the City of a Request for Reimbursement hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Request for Reimbursement, that:

2.4.1. the total amount of the request for the Request for Reimbursement represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

2.4.2. all amounts shown as previous payments on the current request for a Request for Reimbursement have been paid to the parties entitled to such payment;

2.4.3 the Park District has approved all work and materials for the current request for a Request for Reimbursement, and such work and materials conform to the Plans and Specifications; and

2.4.4. the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2.5. The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in **Section 2.4** are true and correct, and any execution and approval of a Request for Reimbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2.6. The current estimated cost of the entire Project is $656,360, with $325,000 in TIF Assistance. The Park District has delivered to the Commissioner a budget for the Project attached as **Exhibit C**. The Park District certifies that it has identified sources of funds, including the TIF Assistance, sufficient to complete its budgeted portion of the Project. The Park District agrees that the City will reimburse the Park District with the TIF Assistance for the costs of the Project and that all costs of completing the Project over the TIF Assistance shall be the sole responsibility of the Park District. If the Park District at any point learns upon reasonable duty of inquiry that it does not have sufficient funds to complete the Project, the

Park District shall so notify the City immediately in writing and cease all work on the Project until the City and the Park District agree on how to proceed; the Park District may narrow the scope of the Project (the "**Revised Project**") as agreed to by the City prior to the restart of any work in order to complete the Revised Project with the approved funds or TIF Assistance. The City has the right, at its election, to withhold and refuse all reimbursement in the event that the Park District fails to so notify the City and/or the Park District and the City fail to reach agreement on a Revised Project as described above.

2.7. **Exhibit C** contains a preliminary list of capital improvements, equipment costs, general construction costs, and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the TIF Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Division/Homan Plan. Prior to the expenditure of TIF Assistance funds on the Project, the Commissioner, based upon the Project budget, may make such modifications to **Exhibit C** as he or she wishes in his or her discretion to account for all of the TIF Assistance funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of TIF Assistance funds, subject to the terms of this Agreement.

2.8. The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the TIF Assistance are subject in every respect to the availability of funds as described in and limited by this **Section 2**. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the TIF Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.9. If the aggregate cost of the Project is less than the amount of the TIF Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the TIF Assistance contemplated by this Agreement and the amount of the TIF Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

SECTION 3. TERM.

The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Division/Homan Redevelopment Project Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

SECTION 4. ENVIRONMENTAL MATTERS.

4.1. It shall be the responsibility of the Park District, at its sole cost and expense,(a) to investigate and determine the soil and environmental condition of the Property, including obtaining phase I and, if applicable, phase II environmental audits for the Property and (b) to determine if any environmental remediation is necessary with respect to the Property or the Project, and any such work that the Park District determines is required shall be performed at its sole cost and expense as the parties understand and agree that the City's financial obligation shall be limited to an amount not to exceed the TIF Assistance which is provided solely for the items set forth on Exhibit C. The City makes no covenant, representation, or warranty as to the environmental condition of the Property or the suitability of the Property as a park or for any use whatsoever.

4.2. The Park District agrees to carefully inspect the Property prior to commencement of any activity related to the Project to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Park District shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the Property. The Park District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Park District.

SECTION 5. INSURANCE.

5.1. The Park District shall provide and maintain at the Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement.

5.1.1. Workers Compensation and Employers Liability. Workers Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than $100,000 each accident or illness.

5.1.2. Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than $1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work.

5.1.3. Automobile Liability (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Park District shall provide or cause to be provided, Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage.

5.1.4. Professional Liability. When any architects, engineers or professional consultants perform work in connection with this Agreement, the Park District

shall cause to be provided, Professional Liability Insurance covering acts, errors, or omissions shall be maintained with limits of not less than $1,000,000.

5.1.5. Self Insurance. To the extent permitted by applicable Law, the Park District may self insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self insure for any such insurance requirements, the Park District must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self insurance program must comply with at least such insurance requirements as stipulated above.

5.2. The Park District will furnish the City at the address stated in **Section 8.13**, original Certificates of Insurance evidencing the required coverage to be in force on the Closing Date, and renewal Certificates of Insurance, promptly as any requisite insurance is renewed. The Park District shall submit evidence of insurance on the City's Insurance Certificate Form or equivalent prior to the Closing Date. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

5.3. The Park District shall advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance shall not relieve the Park District of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or this Agreement may be terminated.

5.4. The required insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

5.5. Any and all deductibles or self insured retentions on referenced insurance coverages shall be borne by the Park District and its contractors.

5.6. The Park District agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

5.7. The Park District expressly understands and agrees that any coverage and limits furnished by the Park District shall in no way limit the Park District's liabilities and responsibilities specified by this Agreement or by law.

5.8. The Park District expressly understands and agrees that any insurance or self insurance programs maintained by the City shall not contribute with insurance provided by the Park District under this Agreement.

5.9. The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

5.10. The Park District shall require all subcontractors to provide the insurance required herein and insurance customarily required by the Park District or the Park District may provide the coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Park District unless otherwise specified herein. In all contracts relating to the Project, the Park District agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

5.11. The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 6. INDEMNITY / NO PERSONAL LIABILITY.

6.1. The Park District agrees to indemnify and hold the City, its officers and employees, harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses, including, without limitation, reasonable attorney's fees and court costs suffered or incurred by the City arising from or in connection with (i) the Park District's failure to comply with any of the terms, covenants and conditions contained in this Agreement; or (ii) the Park District's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project. The defense and indemnification obligations in this **Section 6.1** shall survive any termination or expiration of this Agreement.

6.2. No elected or appointed official or member or employee or agent of the City or the Park District shall be individually or personally liable in connection with this Agreement.

SECTION 7. DEFAULT.

7.1. If the Park District, without the City's written consent, fails to complete the Project within 36 months after the date of execution of this Agreement, then the City may terminate this Agreement by providing written notice to the Park District.

7.2. In the event the Park District fails to perform, keep or observe any of its covenants, conditions, promises, agreements or obligations under this Agreement not identified in **Section 7.1** and such default is not cured as described in **Section 7.3** hereof, the City may terminate this Agreement.

7.3. Prior to termination, the City shall give its notice of intent to terminate 30 days prior to termination at the address specified in **Section 8.13** hereof, and shall state the nature of the default. In the event Park District does not cure such default within the 30-day notice period, such termination shall become effective at the end of such period; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Park District shall not be deemed to have committed such default and no termination shall occur if the Park District has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

7.4. The City may, in any court of competent jurisdiction, by any proceeding at law or in equity, secure the specific performance of the agreements contained herein, or may be awarded damages for failure of performance, or both.

RE: Amending Agreement To Administrative Services Agreement (the "Agreement")

Ladies and Gentlemen:

We have acted as counsel for SomerCor 504, Inc., an Illinois not-for-profit corporation ("SomerCor"), in connection with the execution and delivery of the Agreement by and between SomerCor and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). SomerCor has requested that this opinion be furnished to the City.

In so acting as counsel for SomerCor we have examined:

(i) an executed original of the Agreement;

(ii) the Articles of Incorporation, including all amendments thereto, of SomerCor as furnished and certified by the Secretary of State of the State of Illinois (the "Articles");

(iii) the Bylaws of SomerCor, as certified by the Secretary of SomerCor as of the date hereof (the "Bylaws"); and

(iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of SomerCor (the "Certificate of Good Standing").

The Articles, Bylaws and Certificate of Good Standing are referred to collectively as the "Organization Documents".

In our capacity as counsel, we have also examined such other documents or instruments as we have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

We have assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than SomerCor which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by us. We have also assumed that all documents submitted to us as originals are authentic and that all documents submitted to us as photostatic or certified copies conform to the original documents.

We have further assumed (i) that factual matters set forth in SomerCor's representations and warranties in the Agreement are true and accurate in all respects; (ii) that the conduct of the parties to the Agreement complies with any requirement of good faith, fair dealing and conscionability; and (iii) that there has not been any mutual mistake of fact, fraud, duress or undue influence.

We express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state; (iii) any matters pertaining or related to the Employee Retirement Income Security Act of 1974 and any rules and regulations thereunder; (iv) any matters pertaining or relating to the taxation laws of the United States of America, the State of Illinois or any other state; and (v) any matters pertaining or relating to the criminal, quasi-criminal or civil forfeiture laws of the United States of America, the State of Illinois or any other state. Additionally, this opinion is limited to the matters set forth herein. No opinion may be inferred or implied beyond the matters expressly contained herein. We shall have no continuing obligations to inform you of changes in law or fact subsequent to the date hereof or of facts of which we become aware after the date hereof.

Based upon and subject to the assumptions and qualifications herein stated, it is our opinion that:

1. Based solely on our review of the Organization Documents, SomerCor is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, SomerCor has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.

2. Based solely on our review of the Organization Documents, the Agreement has been duly executed and delivered on behalf of SomerCor and constitutes a legal, valid and binding obligation of SomerCor, enforceable against SomerCor in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.

3. To our knowledge, there is no action, suit or proceeding at law or in equity pending, nor to our knowledge threatened, against or affecting SomerCor, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of SomerCor to perform under the Agreement or any of its business or properties or financial or other conditions.

4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.

5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:

A. a violation or breach of (i) the Articles of Incorporation of SomerCor, (ii) the Bylaws of SomerCor, (iii) to our knowledge, any provision of any contract or other instrument to which SomerCor is bound, or (iv) to our knowledge, any order, writ, injunction, decree, statute, rule or regulation binding on SomerCor, or

B. to our knowledge, a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of SomerCor pursuant to any agreement or other instrument to which SomerCor is a party or by which SomerCor is bound.

6. To our knowledge, no action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

In basing the opinions or other matters set forth in this letter, the words "our knowledge" signify that, in the course of representation of SomerCor, no facts have come to our attention that would give us actual (and not implied or constructive) knowledge or actual (and not implied or constructive) notice that any such opinions or other matters are not accurate. Except as other expressly stated in this opinion, we have undertaken no investigation nor verification of such opinions and matters. Further, the words "our knowledge" and similar language used in this opinion are intended to be limited to only the actual knowledge of the attorneys within our firm who have been directly involved in representing SomerCor, namely _____.

The foregoing opinions are furnished exclusively for your benefit and may be relied upon by you in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without express written consent from the undersigned, which may be granted or denied in the undersigned's sole discretion.

Very truly yours,

WHEREAS, The Cook County Board of Commissioners has enacted the Real Property Assessment Classification Ordinance, as amended (the "Classification Ordinance"), which establishes the Class L property tax classification to encourage the preservation and rehabilitation of certain historically and architecturally significant buildings, which will enhance the general character of real estate in the county and contribute to the economic well-being of the county by increasing the level of economic activity, increasing employment opportunities and contributing to the long-term growth of the real property tax base; and

WHEREAS, The Owner proposes to rehabilitate the Building thereby preserving the historic building, increasing employment opportunities in the area and contributing to the long-term growth of the real property tax base (the "Project"); and

WHEREAS, It is anticipated that the Project may require a transfer of a beneficial interest in the Owner to one or more entities who will receive an allocation of federal historic rehabilitation tax credits ("Tax Credit Investors"); and

WHEREAS, The Owner anticipates using the Building for commercial purposes after the Project is completed (the "Use"); and

WHEREAS, The Owner has applied to the Office of the Assessor of Cook County, Illinois (the "Assessor"), for designation of the Project Real Estate as a Class L classification eligible for certain real estate tax incentives pursuant to the Classification Ordinance; and

WHEREAS, Pursuant to the Classification Ordinance, the Class L classification is available to real estate which is to be used for commercial or industrial purposes and which (1) is a landmark (as defined in the Classification Ordinance); and (2) has undergone Substantial Rehabilitation (as defined in the Classification Ordinance), which constitutes an investment by the Owner of at least 50 percent of the building's full market value as determined by the Assessor in the assessment year prior to the commencement

WHEREAS, The Classification Ordinance requires that, in connection with the filing of a Class L eligibility application with the Assessor, an applicant must obtain from the unit of local government in which the real estate is located, an ordinance or resolution which expressly states that the local government: 1) has determined that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the property; 2) supports and consents to the granting of the incentive; and 3) has reviewed and accepted its Preservation Commission's (as defined in the Classification Ordinance) written recommendation of the project for the Class L incentive, specifying the project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; and

WHEREAS, On January 5, 2017, the Landmarks Commission issued a written recommendation of the Project to the City Council recommending that the Project be approved by the Assessor for the Class L incentive, a copy of which is attached hereto as Exhibit 2 and hereby made a part hereof; and

WHEREAS, The Project Real Estate has been occupied and used for the 24-month period prior to the filing of the Class L eligibility application with the Assessor, making the Class L incentive applicable to the Building only; and

WHEREAS, The Department of Planning and Development of the City ("DPD") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class L designation, and has recommended to the City Council that the City expressly determine by ordinance that: 1) the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate; 2) the City supports and consents to the granting of the Class L incentive; and 3) the City has reviewed and accepted the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, and specifying that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate.

SECTION 3. The City hereby expressly supports and consents to the granting of the Class L incentive. The City's support and consent to the grant of certification for the Class L incentive for the Project Real Estate is expressly conditioned upon the substantial completion of the Project as proposed by the Owner and approved by the City, both upon completion of the Substantial Rehabilitation of the Project Real Estate and during the term of the Class L incentive.

SECTION 4. The Project is anticipated to be completed by September 30, 2019. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner (together with the Commissioner, an "Authorized Officer") shall have discretion to extend the construction completion date by issuing a written extension letter in response to a written request from the Owner. To the extent that the Project Real Estate is not rehabilitated, used or maintained during the term of the Class L incentive in a manner which is substantially consistent with the approved Project or Use, as determined by the Authorized Officer, the Authorized Officer is hereby authorized to take such steps as may be necessary and appropriate to withdraw the City's support and consent to the Class L incentive, which may cause the Class L certification to be terminated or revoked.

SECTION 5. The City has reviewed and hereby accepts the Landmarks Commission's written recommendation of the Project for the Class L incentive, which specifies the Project budget and proposed scope of the work, and which specifies that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties, a copy of which is attached hereto as Exhibit 2 and made a part hereof.

SECTION 6. The Authorized Officer is hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Owner with the Assessor for Class L designation of the Project Real Estate.

SECTION 7. The Authorized Officer is hereby authorized to enter into and execute such instruments and agreements, and perform any and all acts as shall be necessary or advisable in connection with the Project which reflect the terms described in Exhibit 2 hereto, or such other terms and conditions as may be imposed or approved in connection with the Project by the Authorized Officer.

SECTION 8. The Authorized Officer is hereby authorized to approve minor changes in the scope of work and budget delineated on (Sub)Exhibits A and B to Exhibit 2 hereof, provided that changes in the Building conditions warrant such changes and will not change the suitability of the Project Real Estate for the Use (all as determined in the sole discretion of the Authorized Officer). Changes to the Project budget delineated on (Sub)Exhibit A to Exhibit 2 shall not require prior City approval provided that the Project is

substantially completed in accordance with the scope of work defined in (Sub)Exhibit B to Exhibit 2 and achieves the minimum investment required for Class L eligibility.

SECTION 9. Upon request by the Owner for a final determination of the eligibility of the Project Real Estate for the Class L incentive by the Landmarks Commission pursuant to the Classification Ordinance upon completion of the Substantial Rehabilitation of the Project Real Estate, the Authorized Officer shall verify that the work performed substantially conforms to the Project approved by the City and that the Project Real Estate is eligible for the Class L incentive (the "Final Determination").

SECTION 10. Any conveyance of a fee simple interest in all or a portion of the Project Real Estate by the Owner before the Final Determination shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void. Any renewed support and consent of the City for the Class L incentive contemplated in connection with the Project undertaken by a successor in interest to the Owner of the Project Real Estate prior to the Final Determination shall require additional approval by the Authorized Officer in his or her discretion. In addition, any change prior to the Final Determination in the direct owners in excess of 7.5 percent of the Owner or who constitute the direct or indirect controlling parties of the Owner, as determined by the Corporation Counsel (an "Ownership Change"), shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void, unless such Ownership Change is approved by the Authorized Officer in his or her discretion. This Section 10 shall not apply to the transfer of a beneficial interest in the Owner to Tax Credit Investors with respect to the Project, or to the transfer of a leasehold interest in the Project Real Estate to a master tenant entity owned in whole or in part by one or more Tax Credit Investors, provided that such transfers do not involve a change to the direct or indirect controlling parties of the Owner.

SECTION 11. No permit fee waiver(s) pursuant to Section 2-120-815 of the Municipal Code of Chicago from the City related to the Project Real Estate shall be granted to the Owner during the rehabilitation of the Project and prior to the expiration of the Class L incentive related to the Project Real Estate.

SECTION 12. To the extent that any ordinance, resolution, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 13. This ordinance shall be effective from and after its passage and approval.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. PURCHASE PRICE / EARNEST MONEY / PERFORMANCE DEPOSIT.

2.1 Purchase Price. Subject to the terms, covenants and conditions of this Agreement, the City agrees to sell the Property to the Developer, and the Developer agrees to purchase the Property from the City, for Eighty Thousand ($80,000) per Lot, for a total of Seven Hundred Twenty Thousand Dollars ($720,000) (such $720,000, the "Purchase Price"), subject to a credit for the Earnest Money (defined in Section 2.C. below) previously paid by the Developer to the City, which Purchase Price the Developer will pay to the City on the Closing Date (as defined in Section 3) by cashier's check or certified check of immediately available funds. Except as specifically provided herein to the contrary, the Developer shall pay all escrow fees and other title insurance fees and closing costs.

2.2 Earnest Money. The Developer shall deposit with the City, not later than forty-five days following the Ordinance Date, a good faith deposit in the amount of Thirty-Six Thousand Dollars ($36,000) (the "Earnest Money"), which shall be applied to the Purchase Price at Closing.

2.3 Performance Deposit. At, or prior to, the Closing (as defined in Section 3), the Developer shall deposit with the City a performance deposit, in the amount of Thirty-Six Thousand Dollars ($36,000), as security for the performance of the Developer's obligations under this Agreement ("Performance Deposit"), which amount the City will retain until the City issues a Certificate of Completion (as defined in Section 12). The City will pay no interest to the Developer on the Performance Deposit. Upon the Developer's receipt of the Certificate of Completion, the Developer shall submit a request for a return of the Performance Deposit, and the City shall return the Performance Deposit within ninety (90) days of receiving such request.

SECTION 3. CLOSING.

The closing of this Agreement and the transfer of the Property from the City to the Developer (the "Closing", which occurs on the "Closing Date") shall take place at the downtown offices of Greater Illinois Title Company, 120 North LaSalle Street, Chicago, Illinois 60602 or such other reputable title company as may be selected by the Developer (the "Title Company"). In no event shall the Closing occur (1) until and unless the conditions precedent set forth in Section 8 are all satisfied, unless the Department, in its sole discretion, waives one or more of such conditions; and (2) any later than September 29, 2017 (the "Outside Closing Date"), unless, at the Developer's request, the Department, in its sole discretion, extends the Outside Closing Date. At the Closing, the City shall deliver to the Developer (a) the Deed (as defined below); (b) all necessary state, county and municipal real estate transfer declarations; and (c) possession of the Property.

SECTION 4. CONVEYANCE OF TITLE.

4.1 Form of Deed. The City shall convey the Property to the Developer by one or more quitclaim deeds (each, a "Deed"), subject to the terms of this Agreement and, without limiting the quitclaim nature of the Deed, to the following:

a. standard exceptions in an ALTA title insurance policy;
b. general real estate taxes and any special assessments or other taxes;
c. all easements, encroachments, covenants and restrictions of record and not shown of record;
d. such other title defects that may exist; and
e. any and all exceptions caused by the acts of the Developer or its agents.

4.2 Recording Costs. The Developer shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the Property to the Developer.

4.3 Escrow. If the Developer requires conveyance through escrow, the Developer shall pay all escrow fees.

SECTION 5. TITLE, SURVEY AND REAL ESTATE TAXES.

5.1 Title Commitment and Insurance. Not less than 30 days before the anticipated Closing Date, the Developer shall order a current title commitment for the Property issued by the Title Company. The Developer shall pay the cost of, and shall be responsible for, obtaining on the Closing Date, any title insurance, extended coverage and any endorsements it deems necessary. The City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer documents typically required by the Title Company and typically provided by the City (but expressly excluding, however, "gap" undertakings, title indemnities and similar liabilities) at or prior to the Closing. At the Closing, the Developer shall deliver to the City a copy of the owner's policy of title insurance that it obtains with respect to the Property.

5.2 Survey. The Developer will be responsible for obtaining, at Developer's expense, a survey for the Property.

5.3 Real Estate Taxes. The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate taxes or tax liens on the Property prior to the Closing Date, to the extent such taxes or tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer, a motion to vacate a tax sale, or a petition for exemption. If, after using such reasonable efforts, the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the Property is encumbered with any other exceptions that would adversely affect the use and insurability of the Property for the development of the Project, the Developer shall have the option to do one of the following: (1) accept title to the Property subject to the exceptions, without reduction in the Purchase Price; or (2) terminate this Agreement by delivery of written notice to the City, in which event this Agreement shall be null and void, the City shall return the Earnest Money and Performance Deposit to the Developer, and except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to all exceptions.

SECTION 6. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall apply for and obtain all necessary building permits and zoning approvals necessary for the construction of the Project (collectively, the "Governmental Approvals"), prior to the Closing Date, unless the Department, in its sole discretion, agrees to waive such requirement.

SECTION 7. PROJECT BUDGET AND PROOF OF FINANCING.

The total budget for the Project is currently estimated to be Four Million One Hundred Thousand Dollars ($4,100,000) (the "Preliminary Project Budget"). Not less than fourteen (14) days prior to the Closing Date, the Developer shall submit to the Department for approval: (1) a final budget for the Project which is materially consistent with the Preliminary Project Budget ("the Final Project Budget"); and (2) evidence of funds adequate to construct the Project, as shall be acceptable to the Department, in its sole discretion (the "Proof of Financing").

SECTION 8. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon each of the following being satisfied at least fourteen (14) days prior to the Closing Date, or by such other date as may be specified, unless waived or extended in writing by the Commissioner of the Department (the "Commissioner"):

8.1 Final Governmental Approvals. Developer shall have delivered to the City evidence of its receipt of all Governmental Approvals.

8.2 Budget and Proof of Financing. The City shall have approved the Developer's Final Project Budget and Proof of Financing.

8.3 Simultaneous Loan Closing. On the date of the Closing, the Developer shall simultaneously close the financing necessary for the acquisition of the Property and the construction of the Project, and be in a position to immediately commence construction of the Project.

8.4 Insurance. The Developer shall provide evidence of insurance reasonably acceptable to the City. Prior to the issuance of the Certificate of Completion, the City shall be named as an additional insured on any liability insurance policies ($1M per occurrence and $2M aggregate) and as a loss payee (subject to the rights of any permitted mortgagee) on any property insurance policies from the Closing Date through the date the City issues the Certificate of Completion. With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

8.5 Legal Opinion. The Developer shall have delivered to the City a legal opinion stating, in part, that the Developer has been duly organized and that the Developer is duly

authorized to enter into this Agreement. Such opinion shall be in a form and substance reasonably acceptable to the City's Corporation Counsel.

8.6 Due Diligence. The Developer shall have delivered to the City due diligence searches in Developer's name (UCC, State and federal tax lien, pending litigation and judgments in Cook County and the U.S. District Court for the Northern District of Illinois, and bankruptcy) showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the City's Corporation Counsel. Litigation searches must be provided with the Developer named as the plaintiff and with the Developer named as defendant.

8.7 Organization and Authority Documents, and Financials. The Developer shall have delivered to the City certified articles of organization, including all amendments thereto, of the Developer, as furnished and certified by the Secretary of State of the State of Illinois; a Certificate of Good Standing dated no more than thirty (30) days prior to the Closing Date, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of the Developer; and operating agreement, resolutions and such other organizational documents as the City may reasonably request. The Developer shall have delivered to the City the equity and financial statements for the most recent three (3) years for the Developer and each entity with an ownership interest in the Project.

8.8 Subordination Agreement. On the Closing Date, and prior to recording any mortgage approved pursuant to Section 8.2, the Developer shall, at the City's request, deliver to the City a subordination agreement substantially in the form attached hereto as Exhibit C attached hereto, or such other subordination assurance as the Corporation Counsel shall deem acceptable (each, a "Subordination Agreement"), in which the construction lender agrees to subordinate the lien of its mortgage to the covenants running with the land.

8.9 MBE/WBE and Local Hiring Compliance Plan. The Developer and the Developer's general contractor and all major subcontractors shall meet with staff from the Department regarding compliance with the MBE/WBE and other requirements set forth in Section 22, and at least seven (7) days prior to the Closing Date, the City shall have approved the Developer's compliance plan in accordance with Section 22.4.

8.10 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in this Agreement shall be true and correct.

8.11 Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as of the Closing Date.

8.12 Reconveyance Deed. Prior to the conveyance of the Property to the Developer, the Developer shall deliver to the City a special warranty deed for each of the Lots that constitute the Property in recordable form naming the City as grantee ("Reconveyance Deed"), for possible recording in accordance with Section 18.3.d. below, if applicable.

8.13 Phase I ESA. The Developer must obtain a Phase I ESA for the Property, which must include a reliance letter naming the City as an authorized user and must be dated not more

than 180 days prior to the Closing Date.

8.14 Right to Terminate. If any of the conditions in this Section 8 have not been satisfied to the City's reasonable satisfaction within the time period provided for herein, the City may, at its option, terminate this Agreement by delivery of written notice to the Developer at any time after the expiration of the applicable time period, and this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder, and further provided that the City shall retain the Earnest Money and Performance Deposit. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 9. SITE PLANS AND ARCHITECTURAL DRAWINGS.

9.1 Site Plans. The Developer shall construct the Project on the Property in accordance with the site plan, specifications and architectural drawings prepared by Fitzgerald Associates Architects, 912 W. Lake Street, Chicago, Illinois 60607, which have been approved by the Department and which are attached hereto as Exhibit D (collectively, the "Working Drawings and Specifications"). No material deviation from the Working Drawings and Specifications may be made without the Department's prior written approval. If the Developer submits and the Department approves revised design development drawings and specifications after the date of this Agreement, the term "Working Drawings and Specifications" as used herein shall refer to the revised design development drawings and specifications upon the Department's written approval of the same.

9.2 Relocation of Utilities, Curb Cuts and Driveways. To the extent necessary to complete the Project, the Developer shall be solely responsible for and shall pay all costs in regard to: (1) the relocation, installation or construction of public or private utilities located on the Property; (2) the relocation, installation and construction of any curb cuts and driveways; (3) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with the Developer's redevelopment; (4) the removal of existing pipes, utility equipment or building foundations located on the Property; and (5) the termination of existing water or other services. Any streetscaping, including any paving of sidewalks, landscaping and lighting provided by the Developer, as part of the Project, must be approved by the City.

9.3 Inspection by the City. For the period commencing on the Closing Date and continuing through the date the City issues the Certificate of Completion, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

9.4 Barricades and Signs. Upon the City's request, the Developer agrees to erect such signs as the City may reasonably require identifying the Property as a City redevelopment project. The Developer may erect signs of its own incorporating such approved identification information upon the execution of this Agreement. Prior to the commencement of any construction activity requiring barricades, the Developer shall install a construction barricade of

a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. The City shall have the right to approve all barricades, the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, and all signage, which approval shall not be unreasonably withheld or delayed.

SECTION 10. LIMITED APPLICABILITY.

The approval of any Working Drawings and Specifications by the Department's Bureau of Housing is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings, any other Department Bureau (such as, but not limited to, the Department's Bureau of Zoning), or any other City department; nor does the approval by the Department pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property. The approval given by the Department shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 11. COMMENCEMENT AND COMPLETION OF PROJECT.

Subject to the receipt of all Governmental Approvals, the Developer shall commence construction of the Project no later September 29, 2017 (the "Outside Construction Commencement Date"; the date on which construction commences, the "Construction Commencement Date"), and shall complete the Project, as reasonably determined by the Department and evidenced by a "Certificate of Completion," no later than July 31, 2019 (the "Outside Construction Completion Date").

The Commissioner shall have discretion to extend the Outside Construction Commencement Date and the Outside Construction Completion Date for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction of the Project. The Project shall be constructed in accordance with all applicable Laws.

SECTION 12. CERTIFICATE OF COMPLETION.

Upon the completion of the Project, the Developer shall request from the City a Certificate of Completion (the "Certificate of Completion"). Within forty-five (45) days thereof, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole reasonable opinion of the Department, for the Developer to take or perform in order to obtain the Certificate of Completion. If the Department requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of certain of the covenants in this Agreement and the Deed (but excluding those on-going covenants as referenced in Section 17) with respect to the Developer's obligations to construct the Project.

SECTION 13. RESTRICTIONS ON USE.

The Developer, for itself and its successors and assigns, agrees as follows:

13.1 The Developer shall construct the Project in accordance with the Working Drawings and Specifications, this Agreement and all applicable Laws.

13.2 The Developer shall not, in violation of applicable law, discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof, except as permitted by applicable law.

13.3 The Developer shall use the Property for the Project, and for no other purpose without the prior written consent of the Commissioner.

SECTION 14. PROHIBITION AGAINST TRANSFER OF PROPERTY.

Prior to the City's issuance of the Certificate of Completion, as provided herein, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion: (a) directly or indirectly sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or all or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) or any interest therein or the Developer's controlling interests therein (including, without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that the Department may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers, members or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. In the event of a proposed sale, transfer, conveyance, lease or other disposition of all or any portion of the Property, the Developer shall provide the City copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed purchaser, transferee or assignee, as applicable, regarding this Agreement and such other information as the City may reasonably request. The proposed purchaser, transferee or assignee must be qualified to do business with the City (including but not limited to anti-scofflaw requirement). The provisions of this Section 14 shall not prohibit the Developer from contracting to sell or from selling a home constructed pursuant to this Agreement in the ordinary course of development

SECTION 15. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without the Department's prior written consent, which consent shall not be unreasonably withheld, hindered or delayed, engage in any financing or other transaction which creates a financial encumbrance or lien on the Property, except for the purposes of obtaining: (a) funds necessary

to acquire the Property; (b) funds related to the Proof of Financing or otherwise necessary to construct the Project in substantial accordance with the Final Project Budget; and (c) after construction, funds necessary to own, maintain and operate the Property and the Project in accordance with the requirements of this Agreement. After the issuance of the Certificate of Completion, no City consent shall be required for any type of financing or other transaction which creates a financial encumbrance or lien on the Property.

SECTION 16. MORTGAGEES NOT OBLIGATED TO CONSTRUCT

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 17 and, at Closing, at the City's request, shall execute a Subordination Agreement (as defined in Section 8.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party (that is not also a mortgagee), such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 17.

SECTION 17. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), Section 14 (Prohibition Against Transfer of Property) and Section 15 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitations set forth in Section 16 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 11, Section 13.1, Section 13.3, Section 14 and Section 15 shall terminate upon the issuance of the Certificate of Completion. The covenants contained in Section 13.2 shall remain in effect without limitation as to time.

SECTION 18. PERFORMANCE AND BREACH.

18.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

18.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including but not limited to, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, material shortages, and unusually severe weather or delays of contractors or subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests it in writing of the City within thirty (30) days after the beginning of any such delay.

18.3 Breach.

a. Generally. Subject to Section 18.2, If the Developer defaults in performing its obligations under this Agreement, the City shall deliver written notice of such default, after which the Developer shall have a 45-day cure period to remedy such default. If the default is not capable of being cured within the 45-day period, then provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 45-day period, and thereafter diligently prosecutes such cure through to completion, then the 45-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

No notice or cure period shall apply to a failure to close by the respective dates as set forth in Section 3 herein, as such dates may have been extended by the Commissioner, in his sole and absolute discretion. Unless the failure to close is due to circumstances described in Section 18.2 above or caused by a breach by the City under the terms of this Agreement, such failure shall constitute an immediate "Event of Default". Failure to close by any of the dates set forth in Section 3 shall entitle the City to terminate this Agreement.

b. Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" after written notice from the City (if required):

1. The Developer fails to perform any obligation of the Developer under this Agreement; which default is not cured pursuant to Section 18.3.a.; or

2. The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct, which default is not cured pursuant to Section 18.3.a.; or

3. A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or

4. Except as excused by Section 18.2 above, the Developer abandons or substantially suspends the construction work (no notice or cure period shall apply); or

5. Unless being contested in good faith by the Developer, the Developer fails to timely pay real estate taxes or assessments

affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property, which default is not cured pursuant to Section 18.3.a.; or

6. The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement (no notice or cure period shall apply); or

7. The Developer's financial condition or operations adversely change to such an extent that would materially and adversely affect the Developer's ability to complete the Project, which default is not cured pursuant to Section 18.3.a.; or

8. The Developer fails to perform, keep or observe any of the other covenants, promises, agreements, or obligations under this Agreement, including but not limited to, the covenants set forth in Sections 13 and 17 herein, or any other written agreement entered into with the City with respect to this Project, which default is not cured pursuant to Section 18.3.a.; or

9. Failure to close by the Outside Closing Date, unless the Department in its sole discretion extends the Outside Closing Date in accordance with Section 3 of this Agreement; or

10. Failure to commence or complete construction in accordance with the timeframes set forth in Section 11 of this Agreement.

c. Prior to Conveyance. Prior to Closing, if an Event of Default occurs and is continuing, and the default is not cured in the time period provided herein, the City may terminate this Agreement, retain the Earnest Money, and institute any action or proceeding at law or in equity against the Developer.

d. After Conveyance. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in this Section 18.3, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of each Lot of the Property on which a foundation has not been poured, terminate the estate conveyed to the Developer, and record the Reconveyance Deed for the purpose of revesting title to such Lots in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the reconveyed Lot(s) was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Lot(s) during the period of time the Lot(s) was owned by the Developer. The Developer will cooperate with the City to ensure that if the

City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Lot(s) to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Property to the Developer.

The City's Right of Reverter shall terminate on the date the City issues the Certificate of Completion; provided, however, that the City shall not have a Right of Reverter with respect to any Lot on which a home has been constructed in accordance with this Agreement and conveyed to a bona fide purchaser.

e. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

18.4 No Remedies Against Housing Units or Purchasers. Notwithstanding anything in this Section 18 or otherwise, the City shall have no rights or remedies against a bona fide purchaser of a home developed pursuant to this Agreement, or against such home, after the sale of such home to a bona fide purchaser. By operation of this Section 18.4, each such home shall be released from the encumbrance of this Agreement at the time of such unit's sale to a bona fide purchaser.

SECTION 19. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

SECTION 20. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) (collectively "Losses") suffered or incurred by the City arising from or in connection with: (1) an Event of Default that has occurred; (2) the failure of the Developer or any of Developer's contractors, subcontractors or agents to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (3) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (4) any actions, including but not limited to, conducting environmental tests on the Property as set forth in Section 21 herein, resulting from any activity undertaken by the Developer on the Property prior

to or after the conveyance of said Property to the Developer by the City; provided, however, the Developer shall have no obligation to indemnify the City for Losses to the extent such Losses are caused by the City or its agents. This indemnification shall survive any termination of this Agreement (regardless of the reason for such termination).

SECTION 21. ENVIRONMENTAL MATTERS.

21.1 Definitions. For purposes of this Section 21, the following terms shall have the following meanings:

"Draft NFR Letter" means a draft comprehensive residential "No Further Remediation" Letter issued by the IEPA for the Property, or applicable portions thereof, based on TACO Tier I residential remediation objectives, as amended or supplemented from time to time. The Draft NFR Letter shall state that the Property meets TACO Tier 1 remediation objectives for residential properties and the construction worker exposure route as set forth in 35 Ill. Adm. Code Part 742, as amended or supplemented from time to time, but may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA.

"Environmental Laws" means any and all Laws relating to the regulation and protection of human health, safety, the environment and natural resources now or hereafter in effect, as amended or supplemented from time to time, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq., the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 et seq., the Hazardous Materials Transportation Act, 49 U.S.C. § 5101 et seq., the Federal Water Pollution Control Act, 33 U.S.C. § 1251 et seq., the Clean Air Act, 42 U.S.C. § 7401 et seq., the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq., the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. § 136 et seq., the Occupational Safety and Health Act, 29 U.S.C. § 651 et seq., any and all regulations promulgated under such Laws, and all analogous state and local counterparts or equivalents of such Laws, including, without limitation, the Illinois Environmental Protection Act, 415 ILCS 5/1 et seq., and the common law, including, without limitation, trespass and nuisance.

"Environmental Remediation Work" means all investigation, sampling, monitoring, testing, removal, response, disposal, storage, remediation, treatment and other activities necessary to obtain a Final NFR Letter for the Property in accordance with the terms and conditions of the Draft NFR Letter for the Property, the SRP Documents, all requirements of the IEPA and all applicable Laws, including, without limitation, all applicable Environmental Laws.

"Hazardous Substances" means any toxic substance, hazardous substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws, or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, petroleum (including crude oil or any fraction thereof), any radioactive material or by-product material, polychlorinated biphenyls and asbestos in any form or condition.

"SRP Documents" means all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the Site Investigation

and Remediation Objectives Report, the Remedial Action Plan, and the Remedial Action Completion Report and any and all related correspondence, data and other information prepared by either party pursuant to Section 21.

"TACO" means the Tiered Approach to Corrective Action Objectives codified at 35 Ill. Adm. Code Part 742 et seq.

21.2 "As Is" Sale. THE CITY MAKES NO COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY. THE DEVELOPER AGREES TO ACCEPT THE PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS ITS SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM AT ITS EXPENSE ANY ENVIRONMENTAL REMEDIATION WORK AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

21.3 Right of Entry. Pursuant to the Developer's request, the City previously granted the Developer the right, at its sole cost and expense, to enter the Property pursuant one or more right of entry agreements to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property. The Developer acknowledges that it is satisfied with the condition of the Property. The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property.

21.4 Environmental Remediation.

If the Phase I ESA identifies any recognized environmental conditions in connection with all or any portion of the Property, then the Developer must obtain a Phase II Environmental Site Assessment ("Phase II ESA") for the Property, or the applicable portion thereof, which must include a reliance letter naming the City as an authorized user.

If the Phase II ESA identifies contamination above residential remediation objectives as determined by Title 35 of the Illinois Administrative Code Part 742, then the Developer must

enroll the Property, or the applicable portion thereof, in the SRP and the Developer must acquire the draft NFR Letter from IEPA prior to closing.

If the Developer is required to enroll the Property, any portion thereof, in the SRP, then the Developer shall undertake all Environmental Remediation Work that may be needed, promptly after the Closing in order to obtain a Final Comprehensive Residential No Further Remediation Letter, and shall obtain such Final Comprehensive Residential No Further Remediation Letter. The contractors selected by the Developer, and the terms of the contract must be approved by the City, which approval shall not be unreasonably withheld, prior to the commencement of any Environmental Remediation Work on the Property. The Developer shall be solely responsible for all site preparation costs, including, but not limited to, the removal of pre-existing building foundations, soil exceeding residential remediation objectives as determined by Title 35 of the Illinois Administrative Code Part 742, and demolition debris, and the removal, disposal, storage, remediation, removal or treatment of Hazardous Substances from the Property.

The City, acting through its Department of Fleet and Facility Management, and any successor department thereto ("DFFM") shall have the right to review and approve the Draft NFR Letter, if a Draft NFR is required. The Developer must acquire the draft NFR Letter from IEPA prior to closing.

After DFFM approves and IEPA issues the Draft NFR Letter, the Developer covenants and agrees to complete all Environmental Remediation Work necessary to obtain (as applicable) a Final Comprehensive Residential No Further Remediation Letter from the IEPA approving the use of the Property or any applicable portion thereof for the Project, based on the Draft NFR Letter ("Final NFR Letter"). The Final NFR Letter may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the Comprehensive Site Investigation and Remediation Objectives Report, the Remedial Action Plan, and the Remedial Action Completion Report (collectively, the "SRP Documents") and any changes thereto. The Developer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. The Developer shall bear sole responsibility for all aspects of the Environmental Remediation Work and any other investigative and cleanup costs associated with the Property. The Developer shall promptly transmit to the City copies of all SRP Documents prepared or received after the date hereof, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Environmental Remediation Work.

The Developer acknowledges and agrees that the City will not issue a Certificate of Completion for the Project until the IEPA has issued, and the City has approved, and the Developer has recorded with the County of Cook Recorder of Deeds, a Final NFR Letter for the

Property or any applicable portion thereof, if a Final NFR Letter was required by the terms of this Agreement.

The Developer further acknowledges and agrees that the City will not issue a certificate of occupancy for the Property or any portion thereof until the IEPA has issued, and the City has approved, and the Developer has recorded with the County of Cook Recorder of Deeds, a Final NFR Letter for the Property or any portion thereof, if a Final NFR Letter was required for the Property or such portion thereof by the terms of this Agreement.

The Developer must abide by the terms and conditions of the Final NFR Letter.

21.5 Release and Indemnification. The Developer, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "Developer Parties"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees, from and against any and all Losses which the Developer ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other Property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, however, the foregoing release shall not apply to the extent such Losses are proximately caused by the gross negligence or willful misconduct of the City following the Closing Date. Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the City and its officers, agents and employees harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately preceding sentence for the City's gross negligence or willful misconduct following the Closing Date.

21.6 Release Runs with the Property. The covenant of release in Section 21.5 above shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the

date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or Developer Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, the Developer and any of the Developer Parties shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 21.5 contains a full, complete and final release of all such claims, except as provided in such section for the City's gross negligence or willful misconduct following the Closing Date.

21.7 Survival. This Section 21 shall survive the Closing Date or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

22.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 22.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 22.1 shall be a basis for the City to pursue remedies under the provisions of Section 18.

22.2 City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(a) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(b) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(c) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(d) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(e) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(f) At the direction of the Department, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(g) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents.

(h) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 22.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 18.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Final Project Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(i) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(j) The Developer shall cause or require the provisions of this Section 22.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

22.3 Developer's MBE/WBE Commitment. Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 22.3, during the course of construction of the Project, at least 26% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 6% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 22.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 22.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 22.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

22.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with the Department monitoring staff regarding compliance with all Section 22 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 22, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 22 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements, if applicable; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 22, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 23. REPRESENTATIONS AND WARRANTIES.

23.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

a. The Developer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of the Developer has the authority to do so.

b. All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

c. The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

d. To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise

to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations hereunder; or (b) materially affect the operation or financial condition of the Developer.

e. To the best of the Developer's knowledge, the Project will not violate: (a) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (b) any building permit, restriction of record or other agreement affecting the Property.

23.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein, and the person signing this Agreement on behalf of the City has the authority to do so.

23.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 23 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

SECTION 24. PROVISIONS NOT MERGED WITH DEED.

The provisions of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the provisions of this Agreement.

SECTION 25. HEADINGS.

The headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending, or affecting in any way the express terms and provisions thereof.

SECTION 26. ENTIRE AGREEMENT.

This Agreement constitutes the entire agreement between the parties and supersedes and replaces completely any prior agreements between the parties with respect to the subject matter hereof. This Agreement may not be modified or amended in any manner other than by supplemental written agreement executed by the parties.

SECTION 27. SEVERABILITY.

If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof is held invalid, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

SECTION 28. NOTICES.

SECTION 31. RECORDATION OF AGREEMENT.

SECTION 32. OTHER ACTS

The parties agree to perform such other acts and to execute, acknowledge and deliver such other instruments, documents and materials as may be reasonably necessary to consummate the transactions contemplated by this Agreement.

SECTION 33. BUSINESS RELATIONSHIPS.

The Developer acknowledges (1) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as described in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 34. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule,

regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 35. PROHIBITION ON CERTAIN CONTRIBUTIONS – MAYORAL EXECUTIVE ORDER NO. 2011-4.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other

Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (1) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

1. they are each other's sole domestic partner, responsible for each other's common welfare; and
2. neither party is married; and
3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and
4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
5. two of the following four conditions exist for the partners:
    a. The partners have been residing together for at least 12 months.
    b. The partners have common or joint ownership of a residence.
    c. The partners have at least two of the following arrangements:
        i. joint ownership of a motor vehicle;
        ii. a joint credit account;
        iii. a joint checking account;
        iv. a lease for a residence identifying both domestic partners as tenants.
    d. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 36. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 37. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

SECTION 38. 2014 CITY HIRING PLAN.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

(iii) The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are

the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to the Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City Department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by the OIG.

SECTION 39. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

SECTION 40. DATE OF PERFORMANCE. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

SECTION 41. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to its choice of laws principles.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

(To Ordinance)

Agreement For Sale And Redevelopment Of Land.

This AGREEMENT FOR THE SALE AND REDEVELOPMENT OF LAND, as may be amended from time to time ("Agreement"), is made on or as of the _____ day of _____, 20__ (the "Effective Date"), by and between the CITY OF CHICAGO, an Illinois municipal corporation and home rule unit of government ("City"), acting by and through its Department of Planning and Development (together with any successor department thereto, the "Department"), having its principal offices at City Hall, 121 North LaSalle Street, Chicago, Illinois 60602, and _____, an Illinois limited liability company ("Developer"), located at _____, Chicago, Illinois 606__.

RECITALS

WHEREAS, pursuant to ordinances adopted by the City Council of the City (the "City Council") on March 27, 2002, and published in the Journal of the Proceedings of the City Council (the "Journal") of such date: (i) a certain redevelopment plan and project ("Plan") for the 47th / King Drive Tax Increment Financing Redevelopment Project Area ("Area"), was approved pursuant to the Illinois Tax Increment Allocation Redevelopment Act, as amended (65 ILCS 5/11-74.4-1 et seq.) (the "Act"); (ii) the Area was designated as a redevelopment project area pursuant to the Act; and (iii) tax increment financing was adopted pursuant to the Act as a means of financing certain Area redevelopment project costs (as defined in the Act) incurred pursuant to the Plan; and

WHEREAS, the Plan and the use of tax increment financing provide a mechanism to support new growth through leveraging private investment, and helping to finance land acquisition, demolition, remediation, site preparation and infrastructure for new development in the Area; and

WHEREAS, the Developer desires to purchase from the City the vacant parcels of real property legally described in Exhibit A attached hereto (collectively, the "Property") (the parcels the comprise the Property shall be referred to singularly as a "Parcel" or collectively as the "Parcels"), for the purchase price of each such Parcel as set forth in Exhibit A; and

WHEREAS, the Developer, subject to the terms of this Agreement, shall construct _____ (___) [insert quantity] homes (each, a "Home"), on the Property (the "Project"), as further described in Exhibit B attached hereto as herein provided; and

WHEREAS, if the Developer develops the Property with a "residential housing project," as that term is defined in Section 2-45-115 of the Municipal Code of the City (the "Affordable Requirements Ordinance"), the Developer and the Project shall be obligated to comply with the Affordable Requirements Ordinance, which imposes certain affordability requirements; and

WHEREAS, the Property is located in the Area, and

WHEREAS, the proposed use of the Property for the Project is consistent with the Plan; and

WHEREAS, the City Council, pursuant to an ordinance (the "Third Ward – Parade of Homes Ordinance") adopted on _____, 20__, and published at pages _____ through _____ in the Journal of such date, authorized the sale of the Property to the Developer, subject to the execution, delivery and recording of this Agreement, and in consideration of the Developer's fulfillment of its obligations under this Agreement, including the obligation to complete the Project.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. PURCHASE PRICE / EARNEST MONEY / PERFORMANCE DEPOSIT.

2.1 Purchase Price. Subject to the terms, covenants and conditions of this Agreement, the City agrees to sell the Parcels to the Developer, and the Developer agrees to purchase the Parcels from the City, upon and subject to the terms of this Agreement, for the purchase price of each Parcel as set forth in Exhibit A (each such amount, a "Purchase Price"), which Purchase Price the Developer will pay to the City, by cashier's check or certified check of immediately available funds, at the time the City conveys each Parcel to the Developer. Except as specifically provided herein to the contrary, the Developer shall pay all escrow fees and other title insurance fees and closing costs.

2.2 Earnest Money. [Intentionally omitted.]

2.3 Performance Deposit. [Intentionally omitted.]

SECTION 3. CLOSING.

The closing of this Agreement, the transfer of the Parcel identified in Exhibit A as the "Parade Lot", and the transfer of up to four (4) Link Lots, from the City to the Developer (the "Initial Closing", which occurs on the "Initial Closing Date") shall take place at the downtown offices of Greater Illinois Title Company, 120 North LaSalle Street, Chicago, Illinois 60602, or such other reputable title company as may be selected by the Developer (the "Title Company"). In no event shall the Initial Closing occur (I) until and unless the conditions precedent set forth in Section 8 are all satisfied, unless the Department, in its sole discretion, waives one or more of such conditions; and (2) any later than April 28, 2017 (the "Outside Initial Closing Date"), unless, at the Developer's request, the Department, in its sole discretion, extends the Outside Initial Closing Date. Each subsequent closing of the transfer of one (I) or more Link Lots (as defined below) to the Developer shall occur at a "Closing," which shall take place at the Title Company, on a "Closing Date," subject to the Developer's satisfaction of the conditions precedent set forth in Section 8, other than Sections 8.5, 8.6, 8.7 and 8.9. At each Closing, the City shall deliver to the Developer (a) the Deed (as defined below) for the applicable Parcel(s); (b) all necessary state, county and municipal real estate transfer declarations; (c) possession of the applicable Parcel(s); and (d) an ALTA statement.

For purposes of this Agreement, "Link Lot" means a Parcel or such portion of a Parcel on which only one (1) single-family home could be built, without regard as to the type of housing (e.g., townhome) that the Developer actually plans to develop on such property, and excluding the Parade Lot. For example, an approximately 20'-25' wide Parcel or portion of a Parcel would be considered one (1) Link Lot, while an approximately 50' wide Parcel would be considered two (2) Link Lots.

SECTION 4. CONVEYANCE OF TITLE.

4.1 Form of Deed. The City shall convey each Parcel to the Developer by one or more quitclaim deeds (each, a "Deed"), subject to the terms of this Agreement and, without limiting the quitclaim nature of the Deed, to the following:

a. the Plan for the Area, as such Plan may be amended from time to time, until the Plan (as may be amended) expires;
b. the standard exceptions in an ALTA title insurance policy;
c. general real estate taxes and any special assessments or other taxes;
d. all easements, encroachments, covenants and restrictions of record and not shown of record;
e. such other title defects as may exist; and
f. any and all exceptions caused by the acts of the Developer or its agents.

4.2 Recording Costs. The Developer shall pay to record the Deeds, this Agreement, and any other documents incident to the conveyance of the Property to the Developer.

4.3 Escrow Fees. If the Developer requires conveyance through escrow, the Developer shall pay all escrow fees.

4.4 Phased Conveyances. At the Initial Closing, the City shall convey the Parade Lot and up to four (4) Link Lots requested by the Developer (subject to the Developer's satisfaction of the conditions set forth in this Agreement, including in Section 8). The Developer may purchase one (1) additional Link Lot for each Link Lot to which the Developer currently is in title and for which the Developer has a fully-executed sales contract with a proposed purchaser who has proof of committed financing. The City will not convey any additional Link Lots to the Developer during such period as the Developer has title to four (4) or more Link Lots for which the Developer does not have fully-executed sales contracts with purchasers who have proof of committed financing (the "Sales Limit Restriction"). To the extent practicable, the Developer will request Link Lots that form a "cluster" in order to create market confidence. Each conveyance of one (1) or more Link Lots constitutes a "Phase." The Commissioner may, in his sole and absolute discretion, elect to waive the Sales Limit Restriction.

4.5 Affordability. If the Developer develops the Property with a "residential housing project," as that term is defined in Section 2-45-115 of the Municipal Code of the City (the "Affordable Requirements Ordinance"), the Developer and the Project shall be obligated to comply with the Affordable Requirements Ordinance, which imposes certain affordability requirements.

SECTION 5. TITLE, SURVEY AND REAL ESTATE TAXES.

5.1 Title Commitment and Insurance. Not less than 30 days before the Initial Closing and each subsequent Closing, the Developer shall order a current title commitment, for the Parcels to be conveyed, issued by the Title Company. The Developer shall pay the cost of, and shall be responsible for, obtaining on each Closing Date, any title insurance, extended coverage and any endorsements it deems necessary. The City agrees to provide the Title Company with a

completed ALTA owner's statement, and other transfer documents typically required by the Title Company and typically provided by the City (but expressly excluding, however, "gap" undertakings, title indemnities and similar liabilities) at or prior to the Closing. The Developer shall promptly deliver to the City a copy of the owner's policy of title insurance that it obtains with respect to the applicable Parcels.

5.2 Survey. The Developer will be responsible for obtaining, at Developer's expense, a survey for the Property.

5.3 Real Estate Taxes. The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate taxes tax liens on the Parcels to be conveyed prior to the Closing Date for such Parcels, to the extent such taxes or tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer, a motion to vacate a tax sale, or a petition for exemption. If, after using such reasonable efforts, the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the Property is encumbered with any other exceptions that would adversely affect the use and insurability of the Property for the development of the Project, the Developer shall have the option to do one of the following: (1) accept title to the Parcels subject to the exceptions, without reduction in the Purchase Price; or (2) terminate this Agreement with respect to such Parcels by delivery of written notice to the City, in which event this Agreement shall be null and void with respect to such Parcels, and except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder with respect to those Parcels. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title to the Parcels subject to all exceptions.

SECTION 6. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall apply for and obtain all necessary building permits and zoning approvals necessary for the construction of the Project on the Parcels to be conveyed (collectively, the "Governmental Approvals"), prior to the Closing Date for such Parcels, unless the Department, in its sole discretion, agrees to waive such requirement.

SECTION 7. PROJECT BUDGET AND PROOF OF FINANCING.

The total budget for the Project is currently estimated to be _____ Dollars ($_____) (the "Preliminary Project Budget"). Not less than fourteen (14) days prior to the Initial Closing Date, the Developer shall submit to the Department for approval: (1) a final budget for the Project which is materially consistent with the Preliminary Project Budget ("the Final Project Budget"); and (2) evidence of funds adequate to construct the Project, as shall be acceptable to the Department, in its sole discretion (the "Proof of Financing").

SECTION 8. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon each of the following being satisfied at least fourteen (14) days prior to each Closing Date, or by such other date as may be specified, unless waived or extended in writing by the Commissioner of the

Department (the "Commissioner"), provided, however, that the closing submittals identified in Sections 8.5, 8.6, 8.7 and 8.9 shall apply only to the Initial Closing (i.e., the first closing that includes the Parade Lot):

8.1 Final Governmental Approvals. Developer shall have delivered to the City evidence of its receipt of all Governmental Approvals for the Parcels to be conveyed.

8.2 Budget and Proof of Financing. The City shall have approved the Developer's Final Project Budget and Proof of Financing.

8.3 Simultaneous Loan Closing. On each Closing Date, the Developer shall simultaneously close the financing necessary for the acquisition of the Parcels and the construction of the Homes on those Parcels, and be in a position to immediately commence construction of the Project on those Parcels.

8.4 Insurance. With respect to each Parcel, the Developer shall provide evidence of insurance reasonably acceptable to the City. Prior to the issuance of a Certificate of Completion for a Parcel, the City shall be named as an additional insured on any liability insurance policies ($1M per occurrence and $2M aggregate) and as a loss payee (subject to the rights of any permitted mortgagee) on any property insurance policies from the Closing Date for such Parcel through the date the City issues a Certificate of Completion for such Parcel. With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

8.5 Legal Opinion. The Developer shall have delivered to the City a legal opinion stating, in part, that the Developer has been duly organized and that the Developer is duly authorized to enter into this Agreement. Such opinion shall be in a form and substance reasonably acceptable to the City's Corporation Counsel.

8.6 Due Diligence. The Developer shall have delivered to the City due diligence searches in the Developer's name (UCC, State and federal tax lien, pending litigation and judgments in Cook County and the U.S. District Court for the Northern District of Illinois, and bankruptcy) showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the City's Corporation Counsel. Litigation searches must be provided with the Developer named as the plaintiff and with the Developer named as defendant.

8.7 Organization and Authority Documents, and Financials. The Developer shall have delivered to the City certified articles of organization, including all amendments thereto, of the Developer, as furnished and certified by the Secretary of State of the State of Illinois; a Certificate of Good Standing dated no more than thirty (30) days prior to the Initial Closing Date, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of the Developer; and operating agreement, resolutions and such other organizational documents as the City may reasonably request.

8.8 Subordination Agreement. On each Closing Date, and prior to recording any mortgage approved pursuant to Section 8.2, the Developer shall, at the City's request, deliver to the City a subordination agreement substantially in the form attached hereto as Exhibit C

attached hereto, or such other subordination assurance as the Corporation Counsel shall deem acceptable (each, a "Subordination Agreement"), in which the construction lender agrees to subordinate the lien of its mortgage on the Parcel(s) to be conveyed to the covenants running with the land.

8.9 MBE/WBE and Local Hiring Compliance Plan. The Developer and the Developer's general contractor, if any, and all major subcontractors shall meet with staff from the Department regarding compliance with the MBE/WBE and other requirements set forth in Section 22, and at least seven (7) days prior to the Closing Date, the City shall have approved the Developer's compliance plan in accordance with Section 22.4.

8.10 Representations and Warranties. On the Initial Closing Date and continuing through the last Closing Date, each of the representations and warranties of the Developer in this Agreement shall be true and correct.

8.11 Other Obligations. On each Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as of such Closing Date.

8.12 Reconveyance Deed. Prior to the conveyance of the Parade Lot and of any Phase to the Developer, the Developer shall deliver to the City a special warranty deed for the Parade Lot and for each of the Parcels that constitute such Phase in recordable form naming the City as grantee ("Reconveyance Deed"), for possible recording in accordance with Section 18.3.d. below, if applicable.

8.13 Phase I ESA. If required by the City, the Developer shall obtain a Phase I ESA for the Property, which must include a reliance letter naming the City as an authorized user and must be dated not more than 180 days prior to the Closing of the conveyance of the Parcel(s) identified in such Phase I ESA. The Developer or their environmental consultant must obtain a Right of Entry agreement with the City of Chicago before conducting the Phase I ESA. If the Phase I ESA identifies any recognized environmental conditions associated with the Property, the Developer must comply with the applicable requirements of Section 21 prior to closing.

8.14 Right to Terminate. If any of the conditions in this Section 8 have not been satisfied to the City's reasonable satisfaction within the time period provided for herein, the City may, at its option, terminate this Agreement by delivery of written notice to the Developer at any time after the expiration of the applicable time period, and this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 9. SITE PLANS AND ARCHITECTURAL DRAWINGS.

9.1 Site Plans. The Developer shall construct the Home on the Parade Lot in accordance with the site plan, specifications and architectural drawings prepared by _____, Chicago, Illinois 606__, which have been approved by the

Department and which are attached hereto as Exhibit D (collectively, the "Working Drawings and Specifications"). No material deviation from the Working Drawings and Specifications may be made without the Department's prior written approval. Not later than ninety (90) days following the Execution Date, the Developer shall submit for the Department's approval design development drawings and specifications for a Home for potential purchasers with physical or other disabilities. If the Developer submits and the Department approves revised design development drawings and specifications (including the design for a home for persons with disabilities and the revised design development drawings and specifications for Homes to be constructed on a Link Lot after the date of this Agreement, the term "Working Drawings and Specifications" as used herein shall refer to the revised design development drawings and specifications upon the Department's written approval of the same.

9.2 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs in regard to: (1) the relocation, installation or construction of public or private utilities located on the Property; (2) the relocation, installation and construction of any curb cuts and driveways; (3) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with the Developer's redevelopment; (4) the removal of existing pipes, utility equipment or building foundations located on the Property; and (5) the termination of existing water or other services. Any streetscaping, including any paving of sidewalks, landscaping and lighting provided by the Developer, as part of the Project, must be approved by the City.

9.3 Inspection by the City. For the period commencing on the Initial Closing Date and continuing through the date on which the City has issued an aggregate number of Certificates of Completion equal to the total number of Homes to be constructed by the Developer, as set forth in Exhibit B (the Certificate of Completion for the last Home required to be constructed, hereinafter referred to as the "Last Certificate of Completion"), any duly authorized representative of the City shall have access to the Property (other than Parcels that have been sold to a homebuyer and for which a Certificate of Completion has been issued) at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

9.4 Barricades and Signs. Upon the City's request, the Developer agrees to erect such signs as the City may reasonably require identifying the Property as a City redevelopment project. The Developer may erect signs of its own incorporating such approved identification information upon the execution of this Agreement. Prior to the commencement of any construction activity requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. The City shall have the right to approve all barricades, the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, and all signage, which approval shall not be unreasonably withheld or delayed.

SECTION 10. LIMITED APPLICABILITY.

The approval of any Working Drawings and Specifications by the Department's Bureau of Housing is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings, any other Department Bureau (such as, but not limited to, the Department's Bureau of Zoning), or any other City department; nor does the approval by the Department pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property. The approval given by the Department shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 11. COMMENCEMENT AND COMPLETION OF PROJECT.

Subject to the receipt of all Governmental Approvals, the Developer shall commence construction of the Project no later April 28, 2017 (the "Outside Construction Commencement Date"), and shall complete the Project, as reasonably determined by the Department and evidenced by the City's issuance of the Last Certificate of Completion, no later than July 31, 2019 (the "Outside Construction Completion Date").

The Commissioner shall have discretion to extend the Outside Construction Commencement Date and the Outside Construction Completion Date for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction of the Project. The Project shall be constructed in accordance with all applicable Laws.

The Developer shall not have any right to acquire any Parcel after February 1, 2019 (i.e., the Closing of the conveyance of Parcel from the City to the Developer must have occurred prior to such date) (the "Outside Conveyance Date"), and any Parcel not conveyed by the City to the Developer by the Outside Conveyance Date shall be automatically released from this Agreement without further action by the parties. The Commissioner shall have the right, in his sole and absolute discretion to extend the Outside Conveyance Date with respect to any Parcels.

SECTION 12. CERTIFICATE OF COMPLETION.

Upon the completion of each Home, the Developer shall request from the City a Certificate of Completion (the "Certificate of Completion"). Within forty-five (45) days thereof, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Home in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole reasonable opinion of the Department, for the Developer to take or perform in order to obtain the Certificate of Completion. If the Department requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of certain of the covenants in this Agreement and the Deed (but excluding those on-going covenants as referenced in Section 17) with respect to the Developer's obligations to construct a Home on the applicable Parcel.

SECTION 13. RESTRICTIONS ON USE.

The Developer, for itself and its successors and assigns, agrees as follows:

13.1 The Developer shall construct the Project in accordance with the Working Drawings and Specifications, this Agreement and all applicable Laws.

13.2 The Developer shall not, in violation of applicable law, discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof, except as permitted by applicable law.

13.3 The Developer shall use the Property for the Project, and for no other purpose without the prior written consent of the Commissioner.

13.4 The Developer shall comply with the Affordable Requirements Ordinance, to the extent applicable.

SECTION 14. PROHIBITION AGAINST TRANSFER OF PROPERTY.

14.1 Prior to the City's issuance of the Last Certificate of Completion, as provided herein, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion: (a) directly or indirectly sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or all or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) or any interest therein or the Developer's controlling interests therein (including, without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement; provided, however, subject to the requirements of Section 14.3, the Developer has the right to sell to a bona fide purchaser any Parcel for which a Certificate of Completion has been issued.

14.2 The Developer acknowledges and agrees that the Department may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers, members or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee.

14.3 In the event of a proposed sale, transfer, conveyance, lease or other disposition of all or any portion of the Property, the Developer shall provide the City copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed purchaser, transferee or assignee, as applicable, regarding this Agreement and such other information as the City may reasonably request. The proposed purchaser, transferee or assignee must be qualified to do business with the City (including but not limited to anti-scofflaw requirement).

SECTION 15. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Last Certificate of Completion, the Developer shall not, without the Department's prior written consent, which consent shall be in the City's sole and absolute discretion, engage in any financing or other transaction which creates a financial encumbrance or lien on the Property, except for the purposes of obtaining: (a) funds necessary to acquire the Property; (b) funds related to the Proof of Financing or otherwise necessary to construct the Project in substantial accordance with the Final Project Budget; and (c) after construction, funds necessary to own, maintain and operate the Property and the Project in accordance with the requirements of this Agreement. After the issuance of the Last Certificate of Completion, no City consent shall be required for any type of financing or other transaction which creates a financial encumbrance or lien on the Property.

SECTION 16. MORTGAGEES NOT OBLIGATED TO CONSTRUCT

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 17 and, at Closing, at the City's request, shall execute a Subordination Agreement (as defined in Section 8.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Last Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party (that is not also a mortgagee), such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 17.

SECTION 17. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), Section 14 (Prohibition Against Transfer of Property) and Section 15 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitations set forth in Section 16 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 11, Section 13.1, Section 13.3, Section 13.4, Section 14 and Section 15 shall terminate upon the issuance of the Last Certificate of Completion. The covenants contained in Section 13.2 shall remain in effect without limitation as to time.

SECTION 18. PERFORMANCE AND BREACH.

18.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

18.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including but not limited to, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, material shortages, and unusually severe weather or delays of contractors or subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within thirty (30) days after the beginning of any such delay.

18.3 Breach.

a. Generally. Subject to Section 18.2, If the Developer defaults in performing its obligations under this Agreement, the City shall deliver written notice of such default, after which the Developer shall have a 45-day cure period to remedy such default. If the default is not capable of being cured within the 45-day period, then provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 45-day period, and thereafter diligently prosecutes such cure through to completion, then the 45-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

   No notice or cure period shall apply to a failure to close by the respective dates as set forth in Section 3 herein, as such dates may have been extended by the Commissioner, in his sole and absolute discretion. Unless the failure to close is due to circumstances described in Section 18.2 above or caused by a breach by the City under the terms of this Agreement, such failure shall constitute an immediate "Event of Default". Failure to close by any of the dates set forth in Section 3 shall entitle the City to terminate this Agreement.

b. Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" after written notice from the City (if required):

   1. The Developer fails to perform any obligation of the Developer under this Agreement; which default is not cured pursuant to Section 18.3.a.; or

   2. The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct, which default is not cured pursuant to Section 18.3.a.; or

3. A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or

4. Except as excused by Section 18.2 above, the Developer abandons or substantially suspends the construction work (no notice or cure period shall apply); or

5. Unless being contested in good faith by the Developer, the Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property, which default is not cured pursuant to Section 18.3.a.; or

6. The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement (no notice or cure period shall apply); or

7. The Developer's financial condition or operations adversely change to such an extent that would materially and adversely affect the Developer's ability to complete the Project, which default is not cured pursuant to Section 18.3.a.; or

8. The Developer fails to perform, keep or observe any of the other covenants, promises, agreements, or obligations under this Agreement, including but not limited to, the covenants set forth in Sections 13 and 17 herein, or any other written agreement entered into with the City with respect to this Project, which default is not cured pursuant to Section 18.3.a.; or

9. Failure to close by the Outside Initial Closing Date, unless the Department in its sole discretion extends the Outside Initial Closing Date in accordance with Section 3 of this Agreement; or

10. Failure to commence or complete construction in accordance with the timeframes set forth in Section 11 of this Agreement.

c. Prior to Conveyance. Prior to the Initial Closing, if an Event of Default occurs and is continuing, and the default is not cured in the time period provided herein, the City may terminate this Agreement, and institute any action or proceeding at law or in equity against the Developer.

d. After Conveyance of the Parade Lot. If an Event of Default occurs after the Initial Closing but prior to the issuance of the Last Certificate of Completion, and the default is not cured in the time period provided for in this Section 18.3, the City may terminate this Agreement and exercise any and all remedies available to it at law or in

equity, including, without limitation: (i) the right to re-enter and take possession of each Parcel on which a foundation has not been poured, terminate the estate conveyed to the Developer, and record the Reconveyance Deed(s) for the purpose of revesting title to such Parcels in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement; and (ii) the right to direct the Developer to convey any Parcels for which a Certificate of Completion has not been issued to one or more developers selected by the City from those developers that were identified in the Third Ward – Parade of Homes Ordinance (each such developer, an "Alternate Developer"). If the Reconveyance Deed is recorded by the City, or a deed conveying the Parcels to an Alternate Developer is recorded, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the reconveyed Parcels were owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Parcels during the period of time the Parcels were owned by the Developer. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed(s), such recording is effective for purposes of transferring title to the Parcels to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Property to the Developer. In the event the City directs the Developer to convey to an Alternate Developer(s), the Developer will cooperate with the Alternate Developer to ensure that title to the applicable Parcels are conveyed to the Alternate Developer. The Developer shall not have any right under this Agreement to acquire any Parcels that have not been conveyed to the Developer as of the date of a termination of this Agreement, and such Parcels shall be released from this Agreement without any further action by the parties.

The City's Right of Reverter shall terminate on the date the City issues the Last Certificate of Completion; provided, however, that the City shall not have a Right of Reverter with respect to any Parcel on which a Home has been constructed in accordance with this Agreement and conveyed to a bona fide purchaser.

e. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

18.4 No Remedies Against Housing Units or Purchasers. Notwithstanding anything in this Section 18 or otherwise, the City shall have no rights or remedies against a bona fide purchaser of a Home developed pursuant to this Agreement, or against such home, after the sale of such Home to a bona fide purchaser. By operation of this Section 18.4, each such Home shall be released from the encumbrance of this Agreement at the time of such unit's sale to a bona fide purchaser.

18.5 Default by an Alternate Developer. In the event an Alternate Developer defaults under its Third Ward – Parade of Homes redevelopment agreement, and such agreement was authorized by the Third Ward – Parade of Homes Ordinance, the Developer agrees to

cooperate with the City, as requested, for the purpose of amending this Agreement to include parcels that have been or could have been conveyed by the City to such Alternate Developer.

SECTION 19. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

SECTION 20. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) (collectively "Losses") suffered or incurred by the City arising from or in connection with: (1) an Event of Default that has occurred; (2) the failure of the Developer or any of Developer's contractors, subcontractors or agents to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (3) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (4) any actions, including but not limited to, conducting environmental tests on the Property as set forth in Section 21 herein, resulting from any activity undertaken by the Developer on the Property prior to or after the conveyance of said Property to the Developer by the City; provided, however, the Developer shall have no obligation to indemnify the City for Losses to the extent such Losses are caused by the City or its agents. This indemnification shall survive any termination of this Agreement (regardless of the reason for such termination).

SECTION 21. ENVIRONMENTAL MATTERS.

21.1 Definitions. For purposes of this Section 21, the following terms shall have the following meanings:

"Draft NFR Letter" means a draft comprehensive residential "No Further Remediation" Letter issued by the IEPA for the Property, or applicable portions thereof, based on TACO Tier I residential remediation objectives, as amended or supplemented from time to time. The Draft NFR Letter shall state that the Property meets TACO Tier 1 remediation objectives for residential properties and the construction worker exposure route as set forth in 35 Ill. Adm. Code Part 742, as amended or supplemented from time to time, but may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA.

"Environmental Laws" means any and all Laws relating to the regulation and protection of human health, safety, the environment and natural resources now or hereafter in effect, as amended or supplemented from time to time, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq., the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 et seq., the Hazardous Materials Transportation Act, 49 U.S.C. § 5101 et seq., the Federal Water Pollution Control Act, 33 U.S.C. § 1251 et seq., the Clean Air Act, 42 U.S.C. § 7401 et seq., the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq., the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. § 136 et seq., the Occupational Safety and Health Act, 29 U.S.C. § 651 et seq., any and all regulations promulgated under such Laws, and all analogous state and local counterparts or equivalents of such Laws, including, without limitation, the Illinois Environmental Protection Act, 415 ILCS 5/1 et seq., and the common law, including, without limitation, trespass and nuisance.

"Environmental Remediation Work" means all investigation, sampling, monitoring, testing, removal, response, disposal, storage, remediation, treatment and other activities necessary to obtain a Final NFR Letter for the Property in accordance with the terms and conditions of the Draft NFR Letter for the Property, the SRP Documents, all requirements of the IEPA and all applicable Laws, including, without limitation, all applicable Environmental Laws.

"Hazardous Substances" means any toxic substance, hazardous substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws, or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, petroleum (including crude oil or any fraction thereof), any radioactive material or by-product material, polychlorinated biphenyls and asbestos in any form or condition.

"SRP Documents" means all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the Site Investigation and Remediation Objectives Report, the Remedial Action Plan, and the Remedial Action Completion Report and any and all related correspondence, data and other information prepared by either party pursuant to Section 21.

"TACO" means the Tiered Approach to Corrective Action Objectives codified at 35 Ill. Adm. Code Part 742 et seq.

21.2 "As Is" Sale. THE CITY MAKES NO COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY. THE DEVELOPER AGREES TO ACCEPT THE PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF

THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS ITS SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM AT ITS EXPENSE ANY ENVIRONMENTAL REMEDIATION WORK AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

21.3 Right of Entry. Pursuant to the Developer's request, the City previously granted the Developer the right, at its sole cost and expense, to enter the Property pursuant one or more right of entry agreements to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property. The Developer acknowledges that it is satisfied with the condition of the Property. The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property.

21.4 Environmental Remediation.

If the Phase I ESA identifies any recognized environmental conditions in connection with all or any portion of the Property, then the Developer must obtain a Phase II Environmental Site Assessment ("Phase II ESA") for the Property, or the applicable portion thereof, which must include a reliance letter naming the City as an authorized user. The Developer or their environmental consultant must obtain a Right of Entry agreement with the City of Chicago before conducting the Phase II ESA. The City must approve the scope of work for the Phase II ESA before it is conducted. The City considers elevated train tracks that are immediately adjacent to a Property to be a recognized environmental condition that must be investigated with a Phase II ESA.

The City's Department of Fleet and Facilities Management ("2FM") shall have the right to review and approve the sufficiency of the Phase I and any Phase II or other follow-up reports. Upon 2FM's request, the Developer shall perform additional studies and tests for the purpose of determining whether any environmental or health risks would be associated with the development of the Property, including, without limitation, updating or expanding the Phase I and performing initial or additional Phase II testing.

If the Phase II ESA identifies contamination above residential remediation objectives as determined by Title 35 of the Illinois Administrative Code Part 742, then the Developer must enroll the Property, or the applicable portion thereof, in the SRP, and the Developer must acquire the draft NFR Letter from the IEPA prior to any Closing that includes a Parcel for which a draft NFR is required.

If the Developer is required to enroll the Property, any portion thereof, in the SRP, then the Developer shall undertake all Environmental Remediation Work that may be needed, promptly after the Closing in order to obtain a Final Comprehensive Residential No Further

Remediation Letter, and shall obtain such Final Comprehensive Residential No Further Remediation Letter. The contractors selected by the Developer, and the terms of the contract must be approved by the City, which approval shall not be unreasonably withheld, prior to the commencement of any Environmental Remediation Work on the Property. The Developer shall be solely responsible for all site preparation costs, including, but not limited to, the removal of pre-existing building foundations, soil exceeding residential remediation objectives as determined by Title 35 of the Illinois Administrative Code Part 742, and demolition debris, and the removal, disposal, storage, remediation, removal or treatment of Hazardous Substances from the Property.

The City, acting through its Department of Fleet and Facility Management, and any successor department thereto ("DFFM") shall have the right to review and approve the Draft NFR Letter, if a Draft NFR is required. The Developer must acquire the draft NFR Letter from the IEPA prior to any Closing that includes a Parcel for which a draft NFR is required.

After DFFM approves and the IEPA issues the Draft NFR Letter, the Developer covenants and agrees to complete all Environmental Remediation Work necessary to obtain (as applicable) a Final Comprehensive Residential No Further Remediation Letter from the IEPA approving the use of the Property or any applicable portion thereof for the Project, based on the Draft NFR Letter ("Final NFR Letter"). The Final NFR Letter may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the Comprehensive Site Investigation and Remediation Objectives Report, the Remedial Action Plan, and the Remedial Action Completion Report (collectively, the "SRP Documents") and any changes thereto. The Developer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. The Developer shall bear sole responsibility for all aspects of the Environmental Remediation Work and any other investigative and cleanup costs associated with the Property. The Developer shall promptly transmit to the City copies of all SRP Documents prepared or received after the date hereof, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Environmental Remediation Work.

The Developer acknowledges and agrees that the City will not issue a Certificate of Completion for the Project until the IEPA has issued, and the City has approved, and the Developer has recorded with the Office of the Recorder of Deeds for Cook County, Illinois (the "Recorder's Office"), a Final NFR Letter for the Property or any applicable portion thereof, if a Final NFR Letter was required by the terms of this Agreement.

The Developer further acknowledges and agrees that the City will not issue a certificate of occupancy for the Property or any portion thereof until the IEPA has issued, and the City has approved, and the Developer has recorded with the Recorder's Office, a Final NFR Letter for the Property or any portion thereof, if a Final NFR Letter was required for the Property or such portion thereof by the terms of this Agreement.

The Developer must abide by the terms and conditions of the Final NFR Letter.

21.5 Release and Indemnification. The Developer, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "Developer Parties"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees, from and against any and all Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other Property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the City and its officers, agents and employees harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately preceding sentence for the City's gross negligence or willful misconduct following the Closing Date.

21.6 Release Runs with the Property. The covenant of release in Section 21.5 above shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or Developer Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, the Developer and any of the Developer Parties shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 21.5 contains a full, complete and final release of all such claims, except as provided in such section for the City's gross negligence or willful misconduct following the Closing Date.

21.7 Survival. This Section 21 shall survive the Closing Date or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

22.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project or occupation of the Property:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as may be amended from time to time, and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 22.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 22.1 shall be a basis for the City to pursue remedies under the provisions of Section 18.

22.2 City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(a) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(b) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(c) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(d) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(e) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized

(f) representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Last Certificate of Completion.

(g) At the direction of the Department, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 22.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 18.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Final Project Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 22.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

22.3 Developer's MBE/WBE Commitment. Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 22.3, during the course of construction of the Project, at least 26% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 6% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 22.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or

by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 22.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 22.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

22.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with the Department monitoring staff regarding compliance with all Section 22 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 22, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 22 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements, if applicable; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that

MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 22, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 23. REPRESENTATIONS AND WARRANTIES.

23.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

a. The Developer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of the Developer has the authority to do so.

b. All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

c. The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

d. To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations hereunder; or (b) materially affect the operation or financial condition of the Developer.

e. To the best of the Developer's knowledge, the Project will not violate: (a) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (b) any building permit, restriction of record or other agreement affecting the Property.

23.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein, and the person signing this Agreement on behalf of the City has the authority to do so.

23.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 23 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

SECTION 24. PROVISIONS NOT MERGED WITH DEED.

The provisions of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the provisions of this Agreement.

SECTION 25. HEADINGS.

The headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending, or affecting in any way the express terms and provisions thereof.

SECTION 26. ENTIRE AGREEMENT.

This Agreement constitutes the entire agreement between the parties and supersedes and replaces completely any prior agreements between the parties with respect to the subject matter hereof. This Agreement may not be modified or amended in any manner other than by supplemental written agreement executed by the parties.

SECTION 27. SEVERABILITY.

If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof is held invalid, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

SECTION 30. TERMINATION.

SECTION 31. RECORDATION OF AGREEMENT.

SECTION 32. OTHER ACTS

The parties agree to perform such other acts and to execute, acknowledge and deliver such other instruments, documents and materials as may be reasonably necessary to consummate the transactions contemplated by this Agreement.

SECTION 33. BUSINESS RELATIONSHIPS.

The Developer acknowledges (1) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as described in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 34. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 35. PROHIBITION ON CERTAIN CONTRIBUTIONS – MAYORAL EXECUTIVE ORDER NO. 2011-4.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (1) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

1. they are each other's sole domestic partner, responsible for each other's common welfare; and
2. neither party is married; and
3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and
4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
5. two of the following four conditions exist for the partners:
    a. The partners have been residing together for at least 12 months.
    b. The partners have common or joint ownership of a residence.
    c. The partners have at least two of the following arrangements:
        i. joint ownership of a motor vehicle;
        ii. a joint credit account;
        iii. a joint checking account;
        iv. a lease for a residence identifying both domestic partners as tenants.
    d. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 36. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 37. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

SECTION 38. 2014 CITY HIRING PLAN.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

(iii) The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to the Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to

the head of the relevant City Department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by the OIG.

SECTION 39. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

SECTION 40. DATE OF PERFORMANCE. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

SECTION 41. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to its choice of laws principles.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

RECITALS

WHEREAS, the City is the owner of the real property commonly known as 4314 South Cottage Grove Avenue, Chicago, Cook County, Illinois, which is improved with a two-story 56,687 square foot building ("Building") used as the Dr. Martin Luther King Community Service Center; and

WHEREAS, the term of the 2012 IGA and First Amendment expired on December 31, 2016, the University continues to occupy the Premises as a holdover tenant on a month to month basis pursuant to the provisions of the 2012 IGA and First Amendment, and the University wishes to continue its occupancy of room LL103 and the Lorraine Hansberry Room within the Building to operate a Resource Center for persons with autism and developmental delays and a Family Start Learning Center.

WHEREAS, Room LL103 and the Loraine Hansberry Room serve no present municipal use and City has agreed to permit the University's continued occupancy of this space pursuant to this IGA; and

NOW THEREFORE, in consideration of the covenants, terms, and conditions set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and the University mutually agree as follows:

SECTION 1. GRANT

1.1 Grant. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately 3,402 square feet of space within the Building, comprised of 1,298 square feet in LL103 and 2,104 square feet in the Lorraine Hansberry Room, located on that certain parcel of real estate more commonly known as 4314 South Cottage Grove Avenue, Chicago, Cook County, Illinois, PINs 20-03-406-001 through -004, -011, -012, -029 through -031, and -040 through -042 (the **"Premises"**), as further depicted on **Exhibit A** attached hereto.

SECTION 2. TERM

2.1 Term. The term of this IGA (the **"Term"**) shall begin on the Commencement Date and shall end on December 31, 2023, unless sooner terminated as set forth in this IGA.

SECTION 3. RENT, TAXES, AND UTILITIES

3.1 Rent. Tenant shall pay base rent for the Premises in the amount of One Dollar ($1.00) for the entire Term, with the receipt and sufficiency of said sum hereby acknowledged by both parties. The term "Rent" as used herein means the base rent of $1.00 plus all other payments due under this IGA of any kind or nature.

3.2 Taxes. Tenant acknowledges that Premises are exempt from leasehold, real estate, and other property taxes. Tenant shall pay when due any leasehold, real estate, and other property taxes assessed or levied on the Premises where attributable to Tenant's use of the Premises, if and only to the extent required by applicable law. Tenant shall pay such amounts and Tenant shall provide Landlord with proof of such payment within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for satisfaction of leasehold, real estate, and other property taxes assessed or levied on the Premises on account of Tenant's use for at least one year after Tenant vacates the Premises. Tenant's failure to pay any such taxes shall constitute a default under this IGA. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or tax levied against the Premises based upon University's status as a public body corporate and politic of the State of Illinois or any other exemption, claim or defense. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this IGA. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this IGA.

3.3 Operating Costs. Tenant shall reimburse Landlord's Operating Costs for the Premises as delineated pursuant to Section 3.3(a) below beginning on the Commencement Date as reimbursement for Landlord's costs to operate the Building and the Premises.

a. Calculation of Operating Costs. Tenant shall pay for Operating Costs (as hereinafter defined) incurred by Landlord with regards to Tenant's "Proportionate Use" of the Building. This Proportionate Use shall be based on the square footage leased by Tenant divided by the Building's total square footage. The Building's total square

footage is approximately 56,687 square feet and Tenant's leasehold is approximately 3,402 square feet, which comprises 6.00% of the Building's total square footage. "Operating Costs" shall be based on Tenant's 6.00% Proportionate Use. Operating Costs shall include (i) all utilities (including, but not limited to gas, electricity, and water), (ii) security services for the Building (not the Premises), (iii) landscaping and snow removal, (iv) common area maintenance and maintenance of the building envelope, roof, and structural components, (v) maintenance of electrical, plumbing, and HVAC systems, and (vi) Tenant's allocable share of other costs incurred by Landlord in operating and maintaining the Building (excluding (a) any capital repairs or improvements that may be required, (b) repairs required by casualty, or (c) costs that are specific and isolated to other tenants' space within the Building). Tenant shall separately contract for custodial services and other communication services at the Premises. For 2017, Tenant's Operating Costs are estimated to be, and Tenant shall initially pay, $1,007.23 per month. The estimated monthly Operating Costs are set forth in **Exhibit B** and are subject to a 3% annual escalation beginning on January 1, 2018. The Operating Costs shall be prorated on a per diem basis in the event that the Commencement Date is not the first day of the month.

b. Reimbursement Procedure. Tenant shall pay to Landlord the estimated monthly Operating Costs on the first day of each month during such year following billing by Landlord. Operating Costs shall be paid to Landlord at the Department of Finance, Warrants for Collection, City Hall, 121 North LaSalle, Room 107, Chicago, Illinois 60602 or at such place as Landlord may from time to time designate in writing to Tenant. Landlord shall invoice Tenant for such Operating Costs on a monthly basis. In the event that Tenant does not receive such invoice from Landlord, Tenant shall contact Landlord. Landlord's failure to invoice Tenant for Operating Costs or other expenses does not constitute a waiver of any such charges.

3.4 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of the Rent or any amounts due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of Rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment or to pursue any other remedies available to Landlord.

SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS, ADDITIONS, AND SURRENDER

4.1 Satisfaction with Condition. Tenant agrees that Tenant has inspected the Premises and all related areas and grounds and that Tenant is satisfied with the physical condition thereof and accepts the Premises in its "As-Is" condition.

4.2 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the Rent and upon observing and keeping the covenants, agreements, and conditions of

this IGA on its part to be kept, observed, and performed, shall lawfully occupy and enjoy the Premises (subject to the provisions of this IGA) during the Term without hindrance or molestation by Landlord.

4.3 Tenant's Duty to Maintain Premises. Tenant shall, at Tenant's expense, keep the Premises in a condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. If Tenant shall refuse or neglect to make needed repairs within fifteen (15) days after written notice thereof sent by Landlord, unless such repair cannot be remedied within fifteen (15) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will, within thirty (30) business days of demand, reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this IGA by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that, except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of the Premises.

4.4 Maintenance of the Building. Landlord shall take reasonable and reasonably prompt efforts to maintain the Building and all of its structural elements and mechanical systems (including the Building envelope, roof, HVAC, plumbing, and electrical systems) in condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. Tenant shall notify Landlord regarding any issues with maintenance of the Building.

4.5 Use of the Premises. Tenant shall use the Premises only as a Resource Center for persons with autism and developmental delays and a Family Start Learning Center. Tenant shall not use the Premises in a manner that would violate any laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments (collectively – the "Laws") which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the Laws and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises.

4.6 Alterations, Additions and Improvements. Tenant may not make alterations, additions, or improvements to the Premises without the prior written approval of the Commissioner of the Department of Fleet and Facility Management. All alterations, additions, and improvements shall be in full compliance with the applicable Laws. Landlord shall not be obligated to pay for any alterations, additions, or improvements to the Premises.

SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS

5.1 Assignment and Sublease. Tenant shall not assign this IGA in whole or in part, or sublet or license the Premises or any part thereof, without Landlord's prior written consent.

5.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of Landlord in and to the Premises, nor shall the interest or estate of Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Any claim to, or lien upon, the Premises arising from any act or omission of Tenant shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

5.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and all sums so paid by Landlord shall become immediately due and payable by Tenant, with interest from the date of payment at the rate set at 12% per annum provided that such rate shall not be deemed usurious by any Federal, State, or Local law.

SECTION 6. INSURANCE AND LIABILITY

6.1 Self-Insurance. Tenant shall secure insurance coverages for each of the insurance requirements as incorporated herein under this Section 6 or Tenant may self-insure for the same types and amounts.

6.2 Insurance. Tenant shall procure and maintain at all times, at Tenant's own expense, or cause to be maintained at the expense of service providers, as applicable, at all times during the Term, the insurance coverages and requirements specified below, insuring all operations related to the IGA. The kind and amounts of insurance required are as follows:

(a) Worker's Compensation and Employer's Liability. Workers Compensation as prescribed by applicable law, covering all employees who are to provide a service under this IGA, and Employer's Liability Insurance with limits of not less than $500,000 each accident, illness or disease.

(b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than $3,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense,

separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago shall be named as a contracting party under the University's self-insurance program for purposes of this Section 6.2 only. The contracting party coverage shall not have any language under the policy such as, but not limited to, Tenant's sole negligence or the contracting party's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the IGA, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage.

Landlord shall not be responsible for any loss or damage personal property (including, but not limited to materials, equipment, tools and supplies), owned, rented or used by Tenant.

6.3 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this IGA, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the IGA. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in this IGA have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the IGA. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the IGA and the Landlord retains the right to terminate or suspend the IGA until proper evidence of insurance is provided.

The Tenant shall provide for 30 days prior written notice to be given to the Landlord in the event coverage is substantially changed, cancelled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

Tenant hereby agrees that its insurers, and/or Tenant's self-insurance program, shall waive any right of subrogation which any insurer of Tenant may acquire against the Landlord by virtue of the payment of any loss under the insurance. Upon request by Landlord, Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified in this IGA or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the Landlord shall not contribute with insurance provided by Tenant.

The required insurance coverages and limits to be carried shall not be reduced by any limitations expressed in this IGA.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord to the extent of Landlord's loss.

The Tenant must require all contractors or subcontractors to provide the insurance required herein, or Tenant may provide the coverages for contractors or subcontractors. All contractors and subcontractors are subject to the same insurance requirements of Tenant unless otherwise specified in this IGA. Tenant must ensure that Landlord is an additional insured on an Endorsement CG-2010 of the insurance required from contractors and subcontractors.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of IGA.

6.4 Liability. It is understood and agreed that neither party to this IGA shall be legally liable for any negligence or wrongful act either of omission or commission chargeable to the other unless such liability is imposed by law and that this IGA shall not be construed as seeking either to enlarge or diminish any obligation or duty owed by one party against the other or against third parties. Tenant shall be responsible for all loss or damage to business property (including but not limited to materials, equipment, tools and supplies), owned or rented, by Tenant.

SECTION 7. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

7.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago), either direct or indirect, in the Premises. No such official, employee, or member shall participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this IGA.

7.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including, but not limited to, section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

SECTION 8. ADDITIONAL RESPONSIBILITIES OF TENANT

8.1 Custodial Services. Tenant shall provide and pay for custodial services and shall be responsible for keeping the Premises clean and free of debris. Tenant shall provide and pay for any exterminator service for the Premises whenever such services are reasonably necessary.

8.2 Security. Tenant is responsible for properly securing the Premises during the Term.

8.3 Maintenance of Premises. Tenant shall maintain the interior of the Premises, including any fixtures located within the Premises, such as sinks, toilets, and light fixtures.

8.4 Fire Protection. Tenant shall provide and maintain smoke detectors, carbon monoxide detectors, and fire extinguishers in the Premises at all times as required by applicable Laws.

8.5 Repairs for Tenant Negligence, Vandalism, or Misuse. Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances, unless approved as part of an alteration, addition, or improvement under this IGA. Tenant shall assume all responsibility for any repairs to the Premises necessitated by the negligence, vandalism, or misuse of the Premises or equipment therein by Tenant's employees, invitees, agents, contractors or clients where Tenant's clients are in the Premises and/or Building to receive services provided by the Tenant.

8.6 Hazardous Substances. Tenant shall not use or store any Hazardous Substances (defined below) on the Premises. Tenant shall promptly notify the Landlord if Tenant discovers any Hazardous Substances on the Premises. Tenant shall dispose of all medical wastes at Tenant's cost and in accordance with any applicable Laws. As used in this IGA, the term "Hazardous Substances" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, polychlorinated biphenyls (PCBs), crude oil, any fraction thereof, or refined petroleum products such as oil, gasoline, or other petroleum-based fuels, lead paint, asbestos or asbestos-containing materials, urea formaldehyde, any radioactive material or by-product material, radon and mold. "Environmental Laws" shall mean any and all Laws, permits and other requirements or guidelines of governmental authorities applicable to the

Premises and relating to the regulation and protection of human health, safety, the environment, natural resources or to any Hazardous Substances, including without limitation, any Laws requiring the filing of reports and notices relating to Hazardous Substances.

8.7 Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a material breach of the terms of this IGA. Tenant understands that this IGA shall in no way act as a substitute for any other permitting or approvals that may be required to undertake any activities on the Premises.

8.8 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's employees, clients, invitees, contractors, and any other person entering the Premises.

8.9 Condition at Termination. Upon the termination of this IGA, Tenant shall surrender the Premises to the Landlord in the same or better condition to the condition of the Premises at the beginning of Tenant's occupancy of the Premises. Tenant shall remove all equipment and/or materials placed on the Premises by Tenant or anyone acting by or under Tenant, and Tenant shall replace the door locks to the Premises. Said removal and lock replacement shall be without cost to Landlord.

8.10 No Alcoholic Beverages. Tenant agrees that alcoholic beverages shall not be sold, given away, or consumed on the Premises.

8.11 Illegal Aetivity. Tenant shall not perform or permit any practice that is illegal or injurious to the Premises or unreasonably disturbs other tenants.

8.12 Non-Discrimination. Tenant agrees that Tenant shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, immigration status, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Premises.

SECTION 9. MISCELLANEOUS

Upon written receipt of such notice, Tenant must cure such default within ten (10) business days. If Tenant does not cure such default within ten (10) business days, Landlord may cancel this IGA with five (5) days written notice.

9.15 No Brokers. The Department of Fleet and Facility Management, Office of Real Estate Management, does not use brokers, tenant representatives, or other finders. Tenant warrants to Landlord that no broker, landlord or tenant representative, or other finder (a) introduced Tenant to Landlord, (b) assisted Tenant in the negotiation of this IGA, or (c) dealt with Tenant on Tenant's behalf in connection with the Premises or this IGA. Under no circumstances shall Tenant make any payments due hereunder to any broker(s).

9.16 Access to Parking Lot. Tenant shall have non-exclusive access to the parking lot of the Building on a first-come first-served basis. Such use of the parking lot shall be subject to all rules in place, or hereinafter in place, governing the access to the rear parking lot.

9.17 Amendments. From time to time, the parties hereto may amend this IGA without City Council approval with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of this IGA, including, but not limited to, amendments to permit the expansion of Tenant's Premises and billing responsibility for telephone service if provided by the City. Provided, however, that such amendment(s) shall not serve to extend the Term hereof nor serve, in the sole opinion of the Landlord, to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this IGA and all other provisions of this IGA shall otherwise remain in full force and effect.

9.18 Availability of Funds. This IGA is subject to termination and cancellation without any penalty, accelerated payment, or other recoupment mechanism as provided herein in any fiscal year for which the Illinois General Assembly, the Board of Trustees of the University of

IN WITNESS WHEREOF, the parties have executed this IGA as of the date first written above.

WHEREAS, the term of the 2012 IGA and First Amendment expired on December 31, 2016, the University continues to occupy the Premises as a holdover tenant on a month to month basis pursuant to the provisions of the 2012 IGA and First Amendment, and the University wishes to continue its occupancy of room 202 located on the second floor and rooms L12, L13, L15, and L16 located in the basement of the Building to operate a Resource Center for persons with autism and developmental delays and a Family Start Learning Center; and

WHEREAS, Rooms 202, L12, L13, L15, and L16 serve no present municipal use and City has agreed to permit the University's continued occupancy of this space pursuant to this IGA; and

NOW THEREFORE, in consideration of the covenants, terms, and conditions set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and the University mutually agree as follows:

SECTION 1. GRANT

1.1 Grant. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately 5,048 square feet of space within the Building, comprised of 1,530 square feet in room 202 located on the second floor and 3,518 square feet in rooms L12, L13, L15, and L16 located in the basement, located on that certain parcel of real estate more commonly known as 10 South Kedzie Avenue, Chicago, Cook County, Illinois, PINs 16-14-203-012 / -013 / -014 / -032 / -033 / -034 (the **"Premises"**), as further depicted on **Exhibit A** attached hereto.

SECTION 2. TERM

2.1 Term. The term of this IGA (the **"Term"**) shall begin on the Commencement Date and shall end on December 31, 2023, unless sooner terminated as set forth in this IGA.

SECTION 3. RENT, TAXES, AND UTILITIES

3.1 Rent. Tenant shall pay base rent for the Premises in the amount of One Dollar ($1.00) for the entire Term, with the receipt and sufficiency of said sum hereby acknowledged by both parties. The term "Rent" as used herein means the base rent of $1.00 plus all other payments due under this IGA of any kind or nature.

3.2 Taxes. Tenant acknowledges that Premises are exempt from leasehold, real estate, and other property taxes. Tenant shall pay when due any leasehold, real estate, and other property taxes assessed or levied on the Premises where attributable to Tenant's use of the Premises, if and only to the extent required by applicable law. Tenant shall pay such amounts and Tenant shall provide Landlord with proof of such payment within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for satisfaction of leasehold, real estate, and other property taxes assessed or levied on the Premises on account of Tenant's use for at least one year after Tenant vacates the Premises. Tenant's failure to pay any such taxes shall constitute a default under this IGA. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or tax levied against the Premises based upon University's status as a public body corporate and politic of the State of Illinois or any other exemption, claim or defense. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this IGA. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this IGA.

3.3 Operating Costs. Tenant shall reimburse Landlord's Operating Costs for the Premises as delineated pursuant to Section 3.3(a) below beginning on the Commencement Date as reimbursement for Landlord's costs to operate the Building and the Premises.

a. Calculation of Operating Costs. Tenant shall pay for Operating Costs (as hereinafter defined) incurred by Landlord with regards to Tenant's "Proportionate Use" of the Building. This Proportionate Use shall be based on the square footage leased by

Tenant divided by the Building's total square footage. The Building's total square footage is approximately 62,660 square feet and Tenant's leasehold is approximately 5,048 square feet, which comprises 8.06% of the Building's total square footage. "Operating Costs" shall be based on Tenant's 8.06% Proportionate Use. Operating Costs shall include (i) all utilities (including, but not limited to gas, electricity, and water), (ii) security services for the Building (not the Premises), (iii) landscaping and snow removal, (iv) common area maintenance and maintenance of the building envelope, roof, and structural components, (v) maintenance of electrical, plumbing, and HVAC systems, and (vi) Tenant's allocable share of other costs incurred by Landlord in operating and maintaining the Building (excluding (a) any capital repairs or improvements that may be required, (b) repairs required by casualty, or (c) costs that are specific and isolated to other tenants' space within the Building). Tenant shall separately contract for custodial services and other communication services at the Premises. For 2017, Tenant's Operating Costs are estimated to be, and Tenant shall initially pay, $3,207.01 per month. The estimated monthly Operating Costs are set forth in **Exhibit B** and are subject to a 3% annual escalation beginning on January 1, 2018. The Operating Costs shall be prorated on a per diem basis in the event that the Commencement Date is not the first day of the month.

b. Reimbursement Procedure. Tenant shall pay to Landlord the estimated monthly Operating Costs on the first day of each month during such year following billing by Landlord. Operating Costs shall be paid to Landlord at the Department of Finance, Warrants for Collection, City Hall, 121 North LaSalle, Room 107, Chicago, Illinois 60602 or at such place as Landlord may from time to time designate in writing to Tenant. Landlord shall invoice Tenant for such Operating Costs on a monthly basis. In the event that Tenant does not receive such invoice from Landlord, Tenant shall contact Landlord. Landlord's failure to invoice Tenant for Operating Costs or other expenses does not constitute a waiver of any such charges.

3.4 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of the Rent or any amounts due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of Rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment or to pursue any other remedies available to Landlord.

SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS, ADDITIONS, AND SURRENDER

4.1 Satisfaction with Condition. Tenant agrees that Tenant has inspected the Premises and all related areas and grounds and that Tenant is satisfied with the physical condition thereof and accepts the Premises in its "As-Is" condition.

4.2 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the Rent and upon observing and keeping the covenants, agreements, and conditions of this IGA on its part to be kept, observed, and performed, shall lawfully occupy and enjoy the Premises (subject to the provisions of this IGA) during the Term without hindrance or molestation by Landlord.

4.3 Tenant's Duty to Maintain Premises. Tenant shall, at Tenant's expense, keep the Premises in a condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. If Tenant shall refuse or neglect to make needed repairs within fifteen (15) days after written notice thereof sent by Landlord, unless such repair cannot be remedied within fifteen (15) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will, within thirty (30) business days of demand, reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this IGA by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that, except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of the Premises.

4.4 Maintenance of the Building. Landlord shall take reasonable and reasonably prompt efforts to maintain the Building and all of its structural elements and mechanical systems (including the Building envelope, roof, HVAC, plumbing, and electrical systems) in condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. Tenant shall notify Landlord regarding any issues with maintenance of the Building.

4.5 Use of the Premises. Tenant shall use the Premises only as a Resource Center for persons with autism and developmental delays and a Family Start Learning Center. Tenant shall not use the Premises in a manner that would violate any laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments (collectively – the "Laws") which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the Laws and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises.

4.6 Alterations, Additions and Improvements. Tenant may not make alterations, additions, or improvements to the Premises without the prior written approval of the Commissioner of the Department of Fleet and Facility Management. All alterations, additions, and improvements shall be in full compliance with the applicable Laws. Landlord shall not be obligated to pay for any alterations, additions, or improvements to the Premises.

SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS

5.1 Assignment and Sublease. Tenant shall not assign this IGA in whole or in part, or sublet or license the Premises or any part thereof, without Landlord's prior written consent.

5.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of Landlord in and to the Premises, nor shall the interest or estate of Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Any claim to, or lien upon, the Premises arising from any act or omission of Tenant shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

5.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and all sums so paid by Landlord shall become immediately due and payable by Tenant, with interest from the date of payment at the rate set at 12% per annum provided that such rate shall not be deemed usurious by any Federal, State, or Local law.

SECTION 6. INSURANCE AND LIABILITY

6.1 Self-Insurance. Tenant shall secure insurance coverages for each of the insurance requirements as incorporated herein under this Section 6 or Tenant may self-insure for the same types and amounts.

6.2 Insurance. Tenant shall procure and maintain at all times, at Tenant's own expense, or cause to be maintained at the expense of service providers, as applicable, at all times during the Term, the insurance coverages and requirements specified below, insuring all operations related to the IGA. The kind and amounts of insurance required are as follows:

(a) Worker's Compensation and Employer's Liability. Workers Compensation as prescribed by applicable law, covering all employees who are to provide a service under

this IGA, and Employer's Liability Insurance with limits of not less than $500,000 each accident, illness or disease.

(b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than $3,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago shall be named as a contracting party under the University's self-insurance program for purposes of this Section 6.2 only. The contracting party coverage shall not have any language under the policy such as, but not limited to, Tenant's sole negligence or the contracting party's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the IGA, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage.

Landlord shall not be responsible for any loss or damage personal property (including, but not limited to materials, equipment, tools and supplies), owned, rented or used by Tenant.

6.3 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this IGA, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the IGA. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in this IGA have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the IGA. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the IGA and the Landlord retains the right to terminate or suspend the IGA until proper evidence of insurance is provided.

The Tenant shall provide for 30 days prior written notice to be given to the Landlord in the event coverage is substantially changed, cancelled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

Tenant hereby agrees that its insurers, and/or Tenant's self-insurance program, shall waive any right of subrogation which any insurer of Tenant may acquire against the Landlord by virtue of the payment of any loss under the insurance. Upon request by Landlord, Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified in this IGA or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the Landlord shall not contribute with insurance provided by Tenant.

The required insurance coverages and limits to be carried shall not be reduced by any limitations expressed in this IGA.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord to the extent of Landlord's loss.

The Tenant must require all contractors or subcontractors to provide the insurance required herein, or Tenant may provide the coverages for contractors or subcontractors. All contractors and subcontractors are subject to the same insurance requirements of Tenant unless otherwise specified in this IGA. Tenant must ensure that Landlord is an additional insured on an Endorsement CG-2010 of the insurance required from contractors and subcontractors.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of IGA.

6.4 Liability. It is understood and agreed that neither party to this IGA shall be legally liable for any negligence or wrongful act either of omission or commission chargeable to the other unless such liability is imposed by law and that this IGA shall not be construed as seeking either to enlarge or diminish any obligation or duty owed by one party against the other or against third parties. Tenant shall be responsible for all loss or damage to business property (including but not limited to materials, equipment, tools and supplies), owned or rented, by Tenant.

SECTION 7. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

7.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago), either direct or indirect, in the Premises. No such official, employee, or member shall participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this IGA.

7.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including, but not limited to, section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

SECTION 8. ADDITIONAL RESPONSIBILITIES OF TENANT

8.1 Custodial Services. Tenant shall provide and pay for custodial services and shall be responsible for keeping the Premises clean and free of debris. Tenant shall provide and pay for any exterminator service for the Premises whenever such services are reasonably necessary.

8.2 Security. Tenant is responsible for properly securing the Premises during the Term.

8.3 Maintenance of Premises. Tenant shall maintain the interior of the Premises, including any fixtures located within the Premises, such as sinks, toilets, and light fixtures.

8.4 Fire Protection. Tenant shall provide and maintain smoke detectors, carbon monoxide detectors, and fire extinguishers in the Premises at all times as required by applicable Laws.

8.5 Repairs for Tenant Negligence, Vandalism, or Misuse. Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances, unless approved as part of an alteration, addition, or improvement under this IGA. Tenant shall assume all responsibility for any repairs to the Premises necessitated by the negligence, vandalism, or misuse of the Premises or equipment therein by Tenant's employees, invitees, agents, contractors or clients where Tenant's clients are in the Premises and/or Building to receive services provided by the Tenant.

8.6 Hazardous Substances. Tenant shall not use or store any Hazardous Substances (defined below) on the Premises. Tenant shall promptly notify the Landlord if Tenant discovers any Hazardous Substances on the Premises. Tenant shall dispose of all medical wastes at Tenant's cost and in accordance with any applicable Laws. As used in this IGA, the term "Hazardous Substances" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, polychlorinated biphenyls (PCBs), crude oil, any fraction thereof, or refined petroleum products such as oil, gasoline, or other petroleum-based fuels, lead paint, asbestos or asbestos-containing materials, urea formaldehyde, any radioactive material or by-product material, radon and mold. "Environmental Laws" shall mean any and all Laws, permits and other requirements or guidelines of governmental authorities applicable to the Premises and relating to the regulation and protection of human health, safety, the environment, natural resources or to any Hazardous Substances, including without limitation, any Laws requiring the filing of reports and notices relating to Hazardous Substances.

8.7 Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a material breach of the terms of this lGA. Tenant understands that this IGA shall in no way act as a substitute for any other permitting or approvals that may be required to undertake any activities on the Premises.

8.8 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's employees, clients, invitees, contractors, and any other person entering the Premises.

8.9 Condition at Termination. Upon the termination of this IGA, Tenant shall surrender the Premises to the Landlord in the same or better condition to the condition of the Premises at the beginning of Tenant's occupancy of the Premises. Tenant shall remove all equipment and/or materials placed on the Premises by Tenant or anyone acting by or under Tenant, and Tenant shall replace the door locks to the Premises. Said removal and lock replacement shall be without cost to Landlord.

8.10 No Alcoholic Beverages. Tenant agrees that alcoholic beverages shall not be sold, given away, or consumed on the Premises.

8.11 Illegal Activity. Tenant shall not perform or permit any practice that is illegal or injurious to the Premises or unreasonably disturbs other tenants.

8.12 Non-Discrimination. Tenant agrees that Tenant shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, immigration status, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Premises.

SECTION 9. MISCELLANEOUS

9.14 Tenant Default. Tenant must adhere to all provisions of this IGA. Failure of Tenant to adhere to all provisions of this IGA will result in default. In the event of such default, Landlord will notify Tenant in writing as to the circumstances giving rise to such default. Upon written receipt of such notice, Tenant must cure such default within ten (10) business days. If Tenant does not cure such default within ten (10) business days, Landlord may cancel this IGA with five (5) days written notice.

Under no circumstances shall Tenant make any payments due hereunder to any broker(s).

Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this IGA and all other provisions of this IGA shall otherwise remain in full force and effect.

The Landlord shall submit evidence on insurance prior to the commencement of the Term. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the Lease have been fully met or that the insurance polices indicated on the certificate are in compliance with all Lease requirements. The failure of the City to obtain certificates or other insurance evidence from Landlord shall not be deemed to be a waiver by the City. Non-conforming insurance shall not relieve Landlord of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease.

The Insurance shall provide that should any of the applicable policies be canceled before the expiration date thereof, the issuing insurer will endeavor to mail 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed but failure to do so shall impose no obligation or liability of any kind upon the insurer, its agents or representatives.

The Landlord agrees that Landlord shall waive the right of subrogation against the City of Chicago.

The Landlord expressly understands and agrees that any coverages and limits furnished by Landlord shall in no way limit the Landlord's liabilities and responsibilities specified within the Lease documents or by law.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

6.3 Mutual Indemnification. The Parties shall indemnify and hold the other Party harmless against all liabilities, judgment costs, damages, and expenses they may suffer as a result of third party claims, demands, actions, suits, or judgments resulting from or arising out of a Party's negligent performance of or failure to perform any of its obligations under this Lease.

If Tenant or Landlord exercises this option, the rent shall be apportioned as of the date of such damage or destruction and Landlord shall forthwith repay to Tenant all prepaid rent. In any event, rent payable by Tenant under this Lease shall abate during the period the Premises are rendered untenantable by such damage or destruction in proportion to the number of square feet of floor space in the Premises that are untenantable as the result of such fire or other casualty.

SECTION 14. DISCLOSURES AND REPRESENTATIONS

14.1 Business Relationships. Landlord acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Landlord hereby represents and warrants that no violation by Landlord of Section 2-145-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

14.2 Patriot Act Certification. Landlord represents and warrants that neither Landlord nor, to the best of Landlord's knowledge, any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Landlord that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

14.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Landlord agrees that Landlord, any person or entity who directly or indirectly has an ownership or beneficial interest in Landlord of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Landlord and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the

"Mayor") or to his political fundraising committee (a) after execution of this Lease by Landlord, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Lease or any Other Contract, or (d) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Landlord represents and warrants that to the best of Landlord's knowledge from the later of (a) May 16, 2011, or (b) the date the City approached Landlord, or the date Landlord approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Landlord agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Lease or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Lease.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property;

or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

i. they are each other's sole domestic partner, responsible for each other's common welfare; and

ii. neither party is married; and

iii. the partners are not related by blood closer than would bar marriage in the State of Illinois; and

iv. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

v. two of the following four conditions exist for the partners:

1) The partners have been residing together for at least 12 months.
2) The partners have common or joint ownership of a residence.
3) The partners have at least two of the following arrangements:
   (A) joint ownership of a motor vehicle;
   (B) joint credit account;
   (C) a joint checking account;
   (D) a lease for a residence identifying both domestic partners as tenants.
4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

14.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its Contractors and its subcontractors regarding the subject matter of this Lease ("Subcontractors"), have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). This section does not limit Landlord's, its general Contractors' and its Subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Landlord's eligibility for future contract awards.

14.5 Failure to Maintain Eligibility to do Business with City. Failure by Landlord or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the

transactions contemplated thereby. Landlord shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

14.6 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Landlord and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Landlord represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Landlord will inform its Contractors and Subcontractors of this provision and include a provision requiring their compliance with such Chapters 2-55 and 2-56 in any written agreement between Landlord and its Contractors and Subcontractors.

14.7 2014 Hiring Plan Prohibitions.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Landlord is aware that City policy prohibits City employees from directing any individual to apply for a position with Landlord, either as an employee or as a subcontractor, and from directing Landlord to hire any individual as an employee or as a subcontractor. Accordingly, Landlord must follow its own hiring and contracting procedures, without being influenced by City or City employees. Any and all personnel provided by Landlord under this Lease are employees or subcontractors of Landlord, not employees of the City. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Landlord.

(iii) Landlord will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Landlord by a City employee or City official in violation of paragraph (ii) above, or advocating a violation of paragraph (iii) above, Landlord will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Landlord will also cooperate with any inquiries by OIG Hiring Oversight.

14.8 Economic Disclosure Statement Affidavit Updates. Landlord shall provide Tenant with any material updates to the information submitted in Landlord's Economic Disclosure Statement and Affidavit. Tenant may also request such updates from time to time. Tenant reserves the right to withhold rental payments under this Lease in the event Landlord fails to provide such updates.

Section 15. DEFAULT AND REMEDIES FOR DEFAULT

15.1 Tenant Events of Default. The occurrence of any of the following shall constitute an event of default by Tenant hereunder:

(1) Failure of Tenant to pay when due any installment of Rent hereunder or any other sum herein required to be paid by Tenant, and the continuance of such nonpayment for thirty (30) business days after such installment is due.

(2) Tenant's refusal to accept delivery of possession of the Premises, abandonment, vacation or misuse of the Premises by Tenant.

(3) Tenant's failure to perform any other covenant or condition of this Lease within thirty (30) business days after written notice and demand from Landlord.

15.2 Remedies of Landlord for Default by Tenant. Upon the occurrence of an event of default, Landlord shall have the right, then or at anytime thereafter, and while such event of default shall continue, and in addition to and not in lieu of any other remedies, relief or rights available to Landlord at law or equity or contained in this Lease, to do any of the following:

(1) Landlord by itself or its authorized agents may cure the default and charge Tenant for the costs of such cure, which charge shall be due and payable as Rent under this Lease immediately upon written notice to Tenant.

(2) Landlord may enforce every provision of the Lease in accordance with its terms including, but not limited to enforcement of the payment of Rent provisions by a suit or suits in equity or at law.

(3) Landlord may exercise its general lien on the leasehold estate.

(4) Landlord shall have the right to terminate the Tenant's right of possession of the Premises without terminating this Lease and, therefor, to reenter the Premises to assume and take possession of the whole or any part thereof, and to remove all persons or personal property by

direct or summary action, or in a different type of suit or proceeding, without being deemed liable of trespass or other actionable wrong by reason thereof, and without being liable for the damages therefor or in connection therewith, and, after demand made therefor, Tenant or anyone in possession claiming under Tenant shall be deemed guilty of unlawful detainer and subject to such summary judgment or other action as may be provided by law.

(5) Landlord, irrespective of the date on which its right of reentry shall have accrued or be exercised, shall have the right, whether for rent or possession or otherwise, to terminate this Lease and the tenancy hereby created. This right to terminate is exercisable by a written notice to Tenant, which written notice may be part of a notice of default previously delivered to Tenant, and, as such, may be conditioned upon Tenant's failure to cure the default and the event of default. The termination may be made effective as of the event of default, or thereafter, and, if not otherwise specified, will be deemed to be effective immediately. Upon such termination, Landlord shall be entitled to and may take immediate possession of the Premises as permitted by law.

If Landlord terminates this Lease as provided above, Landlord shall be entitled to recover from Tenant all damages and other sums which Landlord is entitled to recover under any provision of this Lease or at law or in equity or otherwise, including, but not limited to, all of the accrued Rent for the period up to and including such Termination Date, as well as all other additional sums payable by Tenant or for which Tenant is liable or in respect of which Tenant has agreed to indemnify Landlord under any of the provisions of this Lease which may be then owing and unpaid and all costs and expenses, including without limitation, court costs and reasonable attorneys' fees incurred by Landlord in the enforcement of its rights and remedies hereunder. In the alternative, Landlord shall have the right, at Landlords option, from time to time, to recover from Tenant, and Tenant shall remain liable for all Rent and other amounts due and owing under this Lease, plus (x) damages equal to all other sums which would have accrued under this Lease after the date of termination had it not been terminated, such damages to be due and payable as such sums would have become due, less (y) such amounts as Landlord may receive from reletting, if any, after first paying all costs of such reletting, including, without limitation, brokerage commissions and the costs of reasonable repairs, alterations, additions and redecorations, and the expenses of re-entry. The net amounts of rent from any re-letting collected remaining after such expenses shall operate only as an off-setting credit against the amount due hereafter with any excess or residue belonging to Landlord solely. Should the fair market rental value of the Premises after deduction of all anticipated expenses of reletting exceed the Rent provided to be paid by Tenant for the remainder of the Term, Landlord shall not be obligated to pay to Tenant any part of such excess but shall credit Tenant with any such excess against any other sums or damages for which Tenant may be liable to Landlord.

(6) Tenant shall reimburse and pay to Landlord all costs and expenses of Landlord in connection with Landlord's enforcement of its rights and remedies hereunder, including court costs and reasonable attorneys' fees.

(7) Tenant shall reimburse and pay to Landlord all unamortized costs and expenses of Landlord in connection with Landlord's preparation of the Premises for Tenant's occupancy including, but not limited to, the cost of Buildout.

(8) Landlord shall have the right to pursue any and all other rights and remedies available at law and in equity.

(9) Landlord shall use commercially reasonable efforts to mitigate the damages it suffers as a result of Tenant's default under this Lease.

15.3 Non-Waiver of Remedies.

A. It is expressly agreed that neither the taking of possession of the Premises nor the institution of any proceedings by way of unlawful detainer, ejection, dispossessory, eviction, quiet title, or otherwise, to secure possession of said Premises, nor the reentry by Landlord with the institution of such proceedings, nor the issuance of a writ of possession, nor the reletting or subletting of said Premises, shall operate to relieve Tenant of its obligations to pay Rent and other amounts due hereunder, or operate to terminate this Lease in whole or in part, nor of itself constitute an exercise of Landlord's option to do so, but only by the giving of the written notice specifically specifying termination shall such termination be effected.

B. Acts of maintenance or preservation or efforts to relet the Premises, or the appointment of a receiver upon the initiation of the Landlord to protect the Landlord's interest under this Lease, shall not constitute a termination of the Lease.

C. Waiver by Landlord of any default, breach or failure of Tenant under this Lease shall not be construed as a waiver of any subsequent or different default, breach or failure. In case of a breach by Tenant of any of the covenants or undertakings of Tenant, Landlord nevertheless may accept from Tenant any full or partial payments hereunder without in any way waiving Landlord's right to exercise the remedies hereinbefore provided for by reason of any other breach or lapse which was in existence at the time such payment or payments were accepted by Landlord. Following any default by Tenant, Landlord may apply any payment to any Rent then owing, or damages, cost and fees in the manner it chooses in its sole discretion.

D. The specific remedies to which Landlord may resort under the terms of this Lease are cumulative and are not intended to be exclusive of any other remedies or means of redress to which they may be lawfully entitled in case of any breach or threatened breach by either of them or of any provisions of this Lease.

15.4 Defaults by Landlord. If Landlord fails to perform any of Landlord's obligations under this Lease, which failure continues for more than thirty (30) days after Tenant's delivery of written notice to Landlord specifying such failure, or if such failure is of a nature to require more than thirty (30) days for remedy and continues beyond the time reasonably necessary to cure (and Landlord has not undertaken procedures to cure the failure within such thirty (30) day period and diligently pursued such efforts to complete such cure), Tenant may, in addition to any other remedy available at law or in equity, at its option, terminate this lease immediately and without penalty, or incur any expense necessary to perform the obligation of Landlord specified in such notice and invoice Landlord for the cost thereof.

IN WITNESS WHEREOF, the parties have executed this Lease as of the day and year first written above.

The following is said resolution as adopted:

WHEREAS, The City of Chicago remains committed to its status as a Sanctuary City, ensuring protection for immigrant communities, and upholding the principles of equality for all; and

WHEREAS, Military service has historically entitled servicemen to naturalization, however, according to the ACLU, many of these dedicated veterans and their families have been deported despite serving their country and a promise of U.S. citizenship; and

WHEREAS, In 2012, President Obama announced the Deferred Action for Childhood Arrivals (DACA) program, an immigration policy ensuring that the Department of Homeland Security (DHS) would not deport immigrants who were brought as children into the United States; have lived their lives here; were in school or had graduated, or served in the military; and have never committed any serious crimes; and

WHEREAS, More than a million undocumented immigrants qualified for DACA; and

WHEREAS, According to DHS, more than 740,000 people have enrolled in DACA, and are depending on the program to remain in the country; and

WHEREAS, In 2014, the DACA program was expanded to create Deferred Action for Parents of Americans and Lawful Permanent Residents (DAPA), ensuring that DHS would not deport undocumented immigrants who are parents of American citizens or lawful permanent residents, and meet certain other criteria, including continuous residence in the United States and a clean criminal record; and

WHEREAS, DAPA could help as many as four million people and was planned to be implemented in 2016; and

WHEREAS, Twenty-six states and lawmakers throughout the country are currently seeking to permanently block implementation of DAPA and repeal DACA, putting as many as five million immigrants at risk of deportation; and

WHEREAS, A repeal of DACA and a failure to implement DAPA would be costly to all Americans, particularly immigrants and refugees that have made the United States their home; now, therefore,

Be It Resolved, That we, the Mayor and the members of the City Council of the City of Chicago denounce the practice of deporting military veterans and Gold Star families and hereby announce our strong support of the DACA and DAPA program and strongly urge the Illinois General Assembly, United States Congress, and President to follow suit; and

Be It Further Resolved, That we, the Mayor and the members of the City Council of the City of Chicago affirm the Chicago's promise to protect rights of all residents regardless of immigration status, race, ethnicity, country of origin, sexual orientation and gender; and

Be It Further Resolved, That copies of this resolution be delivered to the Illinois General Assembly, each member of the U.S. Congressional delegation from Illinois, the Department of Homeland Security, and President Trump.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

WHEREAS, The vast majority of "liquor moratorium" areas set forth in Sections 4-60-022 and 4-60-023 of the Municipal Code are set out in specifically defined, limited-size increments; and

WHEREAS, There are in the Municipal Code three outliers to this common practice, whereby a moratorium area is defined with a single reference to all, or substantially all, of a bounded area that constituted a City ward at the time of the ordinance's passage (a "blanket moratorium"); and

WHEREAS, When a subsequent alderman is elected to one of these wards, he or she is confronted with a drastic choice not of their making; namely, that in order to amend a liquor moratorium ordinance in their ward, they would need to make most or all of their ward moratorium-free for a year; and

WHEREAS, The problem is compounded in that ward boundaries have changed as a result of the decennial census, and thus some of the area that was at one time limited to one ward is now partially located in others, so that a decision to lift a blanket moratorium will have effects on adjacent wards; and

WHEREAS, Under - and only under - these unusual circumstances, it is necessary and appropriate to allow, by this ordinance, a one-time limited exception to the requirements and restrictions of Section 4-60-021 of the Municipal Code, and allow incumbent aldermen to better address the needs of their communities by repealing a blanket moratorium and replacing it with a more customary, properly targeted set of moratoria, in one legislative action; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are incorporated into and made a part of this ordinance. Accordingly, Sections 2 and 3 of this ordinance shall only take effect if, at the time this ordinance passes: (1) the primary sponsor of this ordinance is an alderman whose ward has in place a blanket moratorium covering either tavern sales or package goods sales, and (2) the primary sponsor of the blanket moratorium was not the alderman of that ward when that blanket moratorium ordinance took effect, and (3) all other aldermen whose wards include territory that will be affected by repealing the blanket moratorium are co-sponsors on this ordinance.

SECTION 2. Section 4-60-022 of the Municipal Code of Chicago is hereby amended by deleting the language struck through, as follows:

4-60-022 Restrictions On Additional Licenses.

Subject to the provisions of subsection 4-60-021(c), no additional license shall be issued for the sale of alcoholic liquor, for consumption on the premises within the following areas:

(Omitted text is unaffected by this ordinance.)

~~(36) Beginning at the intersection of North Avenue and North Austin Avenue; thence west on North Avenue and following the city limit line to the DesPlaines River; thence northerly along the DesPlaines River and continuing to follow the city limit line to Lawrence Avenue; thence east on Lawrence Avenue to Cumberland Avenue; thence south on Cumberland Avenue and following the city limit line to the intersection of Irving Park Road and Ottawa Avenue; thence south on Ottawa Avenue to Forest Preserve Avenue; thence northeasterly on Forest Preserve Avenue to Oriole Avenue; thence south on Oriole Avenue to Grace Street; thence east on Grace Street to Oak Park Avenue; thence south on Oak Park Avenue to Addison Street; thence east on Addison Street to Natoma Avenue; thence south on Natoma Avenue to Roscoe Street; thence west on Roscoe Street to Normandy Avenue; thence south on Normandy Avenue to Belmont Avenue; thence east on Belmont Avenue to Monitor Avenue; thence south on Monitor Avenue to Diversey Avenue; thence west on Diversey Avenue to Austin Avenue; thence south on Austin Avenue to Schubert Avenue; thence east on Schubert Avenue to Mason Avenue; thence south on Mason Avenue to Wrightwood Avenue; thence west on Wrightwood Avenue to McVicker Avenue; thence south on McVicker Avenue to Fullerton Avenue; thence west on Fullerton Avenue to Narragansett Avenue; thence south on Narragansett Avenue to Cortland Street; thence east on Cortland Street to Merrimac Avenue; thence south on Merrimac Avenue to Bloomingdale Avenue; thence east on Bloomingdale Avenue to Austin Avenue; thence south on Austin Avenue to the place of beginning.~~

(Omitted text is unaffected by this ordinance.)

SECTION 3. Section 4-60-022 of the Municipal Code of Chicago is hereby amended by inserting the underscored language, as follows:

4-60-022 Restrictions On Additional Licenses.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

WHEREAS, Over the past several years, the decline in youth employment rates across all races has raised many concerns; and

WHEREAS, In 2016, the City of Chicago ("City") had a rate of only 58.2 percent of young adults employed, with the highest concentration of youth unemployment being in minority neighborhoods; and

WHEREAS, The City has the greatest racial disparity in young adult employment rates of any major city; and

WHEREAS, The City seeks to increase the employment of individuals aged 18 to 20 years; and

WHEREAS, The City currently restricts the employment of young adults aged 18-20 on liquor-licensed premises to certain limited positions; and

WHEREAS, The Illinois Liquor Control Act allows municipalities to permit young adults aged 18 to 20 to work as servers in full service restaurants and in accessory-use packaged licensed stores and many municipalities currently do so with positive results; and

WHEREAS, Amending Section 4-60-143 to allow young adults aged 18-20 to work in more capacities in certain liquor-licensed premises would allow more young adults to obtain gainful employment, decreasing the current young adult unemployment rate and racial disparity in young adult employment; now, therefore,

D. The Park District agrees to construct the Project on the Property in accordance with the architectural plans and specifications prepared by _____, dated _____ ("Plans and Specifications"), which have been approved by the City and which are incorporated herein by reference. No material deviation from the Plans and Specifications may be made without the prior written approval of the City.

E. In all contracts relating to the Project, the Park District agrees to require its contractors to name the City as an additional insured on all insurance policies and to require its contractors to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses, including but not limited to attorney's fees, arising out of or resulting from the construction for the Project by it contractors or contractors' suppliers, employees or agents.

B. Within 15 days after the execution of this Agreement (the "Closing Date") or such longer period of time as may be agreed to by the Commissioner of DPD (the "Commissioner"), but in no event later than 30 days after the execution of this Agreement (the "Satisfaction Period"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for the City's disbursement of the Project Assistance to the Park District:

(iii) copies of a Phase I environmental audit completed with respect to the Property. Based on the City's review thereof, the City may, in its sole discretion, require the completion of a Phase II environmental audit with respect to the Property prior to the Closing Date. The City reserves the right to terminate this Agreement if, in the City's

view, such audits reveal the existence of material environmental problems. Prior to the Closing Date, the Park District shall provide a letter from the environmental engineer(s) who completed such audit(s), authorizing the City to rely on such audits.

If the Park District is unable to satisfy these conditions within the Satisfaction Period, either party may terminate this Agreement by providing written notice to the other party.

C. The Park District shall provide the City with monthly reports on the progress of the Project and reasonable access to its books and records relating to the Project.

Section 4.

Environmental Matters.

A. It shall be the responsibility of the Park District, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property, including obtaining Phase I and, if applicable, Phase II environmental audits for the property. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property as a park or for any use whatsoever.

B. The Park District may request a right of entry from the property owner for the purpose of conducting environmental tests on the Property. Prior to exercising its rights under the right of entry, the Park District or its contractor must obtain all necessary permits.

Section 5.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The Park District shall require all subcontractors to provide the insurance required herein or the Park District may provide the coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Park District unless otherwise specified herein.

Based on the City's review thereof, the City may, in its sole discretion, require the completion of a Phase II environmental audit with respect to the Property prior to the Closing Date. The City reserves the right to terminate this Agreement if, in the City's view, such audits reveal the existence of material environmental problems. Prior to the Closing Date, the Park District shall provide a letter from the environmental engineer(s) who completed such audit(s), authorizing the City to rely on such audits.

The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property as a park or for any use whatsoever.

B. The Park District may request a right of entry from the property owner for the purpose of conducting environmental tests on the Property. Prior to exercising its rights under the right of entry, the Park District or its contractor must obtain all necessary permits.

Section 5.

Insurance.

The Park District shall provide and maintain at the Park District's own expense, or cause to be provided during the term of the Agreement, the insurance coverages and requirements specified below, insuring all operations related to the Agreement.

A. Insurance To Be Provided.

Coverages shall include the following: all premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the work.

Closing Date. The City reserves the right to terminate this Agreement if, in the City's view, such audits reveal the existence of material environmental problems. Prior to the Closing Date, the Park District shall provide a letter from the environmental engineer(s) who completed such audit(s), authorizing the City to rely on such audits.

If the Park District is unable to satisfy these conditions within the Satisfaction Period, either party may terminate this Agreement by providing written notice to the other party.

Section 4.

B. The Park District may request a right of entry from the property owner for the purpose of conducting environmental tests on the Property. Prior to exercising its rights under the right of entry, the Park District or its contractor must obtain all necessary permits.

Section 5.

Insurance.

The Park District shall provide and maintain at the Park District's own expense, or cause to be provided during the term of the Agreement, the insurance coverages and requirements specified below, insuring all operations related to the Agreement.

Coverages shall include the following: all premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the work.

3) Automobile Liability (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Park District shall provide or cause to be provided, Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence for bodily injury and property damage.

The Park District shall submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to Agreement award. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreements have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Agreement shall not be deemed to be a waiver by the City.

The Park District shall advise all insurers of the Agreement provisions regarding insurance. Nonconforming insurance shall not relieve the Park District of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by the Park District and contractors.

The Park District agrees that insurers shall waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The Park District expressly understands and agrees that any coverage and limits furnished by the Park District shall in no way limit the Park District's liabilities and responsibilities specified within the Agreement documents or by law.

The Park District expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall not contribute with insurance provided by the Park District under the Agreement.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The Park District shall require all subcontractors to provide the insurance required herein or the Park District may provide the coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Park District unless otherwise specified herein.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

Section 6.
