COMMITTEE ON WORKFORCE DEVELOPMENT AND AUDIT.

CALL ON GOVERNOR BRUCE RAUNER TO RENEW GOOD FAITH NEGOTIATIONS WITH STATE EMPLOYEES REPRESENTED BY AFSCME COUNCIL 31 AND OTHER UNIONS.

[R2017-121]

The Committee on Workforce Development and Audit submitted the following report:

CHICAGO, March 29, 2017.

To the President and Members of the City Council:

Your Committee on Workforce Development and Audit, to which was referred (February 22, 2017) a resolution calling for Governor Bruce Rauner to renew good faith negotiations with state employees represented by AFSCME Council 31 and other unions, begs leave to recommend that Your Honorable Body do *Adopt* said proposed resolution submitted herewith.

This recommendation was concurred in by all members of the committee present, with no dissenting votes.

Respectfully submitted,

(Signed) PATRICK J. O'CONNOR,
Chairman.

On motion of Alderman O'Connor, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 48.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, Thousands of State of Illinois employees reside in the City of Chicago and serve our communities in a myriad ways, including helping the jobless and families in need, protecting the environment, preventing child abuse, safeguarding public health, assisting individuals with disabilities, and much more; and

WHEREAS, Chicagoans rely on the wide array of services that state workers provide, particularly in some of our city's most impoverished communities which have already been impacted by Governor Bruce Rauner's refusal to work toward enactment of a state budget; and

WHEREAS, Illinois state employees have a voice on the job through their unions and for more than 40 years of collective bargaining, have always been able to reach contract settlements with governors of both political parties that were fair to employees and taxpayers without the disruption of services that would result from a strike; and

WHEREAS, Since January 2016, Governor Rauner has refused to negotiate with AFSCME Council 31, which represents some 38,000 state employees, holding hostage their collective bargaining agreement just as he is holding hostage the state budget, jeopardizing vital public services for millions of Chicago residents; and

WHEREAS, The governor has refused to meet again since then, even though the union repeatedly made clear its willingness to continue negotiating; and

WHEREAS, State employees recognize the challenges that the state's current budget difficulties pose and have clearly signaled a willingness to take those difficulties into account as reflected in the settlement framework recently put forth by AFSCME which would not represent any increased costs for the state; and

WHEREAS, Governor Rauner is now trying to impose his own terms on employees without any further negotiation with their union; and

WHEREAS, Imposition of the Governor's terms would weaken workers' rights and diminish the average state employee's income by thousands of dollars, which would in turn negatively impact the many Chicago neighborhoods where state employees reside; and

WHEREAS, The Governor's actions leave state employees few options but to accept those harmful terms or go out on strike; and

WHEREAS, Employees have done everything possible to avert a strike which they know would inflict hardships both on their own families and on the individuals and communities they serve; now, therefore,

Be It Resolved, That the Mayor and members of the City Council, gathered this day 22 of February 2017, do hereby call on Governor Bruce Rauner to renew negotiations with the thousands of state employees represented by AFSCME Council 31 and other unions with whom he has not yet reached settlements and work in good faith to reach agreements that are fair to all; and

Be It Further Resolved, That a copy of this resolution be sent to Governor Bruce Rauner and members of the Illinois General Assembly.

SECTION 3. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements attached to this ordinance read as follows:

Residential-Business Planned Development No. _____.

Planned Development Statements.

1. The area delineated herein as Residential-Business Planned Development Number _____ ("Planned Development") consists of approximately 30,245 square feet of property, which is depicted on the attached Planned Development Boundary and Property Line Map ("Property") and is owned by Palm Realty Company. The applicant, Broadway and Wilson LLC, is the contract purchaser of the Property.

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the applicant shall inure to the benefit of the applicant's successors and assigns and, if different than the applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance (the "Zoning Ordinance"), the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the applicant or its successors, assigns or grantees.

   The net site area of this Planned Development anticipates the vacation of a public alley, which requires approval from the Department of Transportation and full City Council. If approval is not granted for the vacation, this Planned Development can be adjusted administratively, pursuant to Section 17-13-0611-A, to remove that portion of the net site area associated with the alley vacation and associated development rights that are otherwise included in the calculations contained in the Bulk Regulations Table of this Planned Development.

   Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans. Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Departments of Planning and Development, and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

   All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago.

Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This plan of development consists of 17 Statements; a Bulk Regulations Table; an Existing Zoning Map; an Existing Land-Use Map; a Site Plan; Ground Floor Plan; a Planned Development Boundary and Property Line Map; a Landscape Plan; a Green Roof Plan; and Building Elevations (North, South, East, and West) prepared by MX3 Architects, Inc. and dated March 16, 2017. Full-sized copies of the Site Plan and Building Elevations are on file with the Department of Planning and Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code (the "Building Code"), the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Residential-Business Planned Development: residential dwelling units, retail sales, general, restaurant, limited and general.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a net site area of 30,245 square feet.

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

10. The Site and Landscape plans shall be in substantial conformance with the City of Chicago Landscape Ordinance and any other corresponding regulations and guidelines, Section 17-13-0800. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

11. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to the second paragraph of Statement 3 of this Planned Development and the terms of Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.

13. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

14. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated for each improvement that is subject to the aforementioned policy and must provide documentation verifying compliance.

15. Pursuant to the Chicago Zoning Ordinance (Section 17-8-0911), planned developments are to give priority to the preservation and adaptive reuse of Chicago landmark buildings. The Planned Development is within the parameters of Uptown Square Historic District, which is a district designated as a Chicago landmark. Work to designated Chicago landmarks is subject to the review and approval of the Commission on Chicago Landmarks pursuant to the Chicago Landmarks Ordinance, Section 2-120-740.

16. The applicant acknowledges and agrees that the rezoning of the Property from a B3-2 Community Shopping District to a B3-5 Community Shopping District for construction of the Residential Project triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units, or with the Commissioner's approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least

25 percent of the Required Units on-site or off-site. The Property is located in a higher income area within the meaning of the ARO, and the project has a total of 197 units. As a result, the applicant's affordable housing obligation is 20 affordable units (10 percent of 197 rounded up), 5 of which are Required Units (25 percent of 20). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of $1,875,000 and providing 5 affordable units in the rental building to be constructed in the Planned Development as set forth in the Affordable Housing Profile Form attached hereto as Exhibit A. The applicant agrees that the affordable rental units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the applicant must make the required cash payment and execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this statement, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to B3-2 Community Shopping District.

The applicant acknowledges that the project has received a bonus FAR of 1.25, pursuant to Section 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 6.25. In exchange for the bonus FAR, the applicant is required to make a corresponding payment, pursuant to Sections 17-4-1003-B and C, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3.

The funds contributed pursuant to this Statement 8 shall be utilized as set forth in Section 17-4-1004 (Neighborhoods Opportunity Fund), 17-4-1005 (Local Impact Bonus) and 17-4-1006 (Citywide Adopt-a-Landmark) of the Zoning Ordinance. The applicant's obligations pursuant to this Statement 8 shall be fully satisfied upon payment of the amounts set forth herein (as modified pursuant to Section 17-4-1003-C). It is currently anticipated that the Eighty-eight Thousand Eight Hundred Ninety-three and 12/100 Dollars ($88,893.12) contribution to the Local Impact Fund (as such amount shall be adjusted in accordance with Section 17-4-1003-C at the time of building permit) will be utilized for the future development of a Chicago Park District open space site located at the southwest corner of North Milwaukee Avenue and West Erie Street. Any modification of the allocation of the Local Impact Fund contribution shall be subject to Section 17-4-1005-G but in no event shall such modification cause a delay in the issuance of a Part II Approval, building permit or certificate of occupancy for the Planned Development.

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

11. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

12. The terms and conditions, of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.

13. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner, which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

14. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, conserves energy and maximizes the preservation of natural resources. The applicant shall achieve at least basic LEED Certification under the Leadership in Energy and Environmental Design Green Building Rating System for all new construction within the Planned Development. The applicant shall install a green roof over 50 percent of the net roof with a total of 11,584 square feet.

15. The applicant acknowledges and agrees that the initial rezoning of the Property from M1-3 and RT4 to B3-5 and then to a Residential-Business Planned Development Number 1327 dated June, 22, 2016 for the construction of a 168-unit mixed-use development triggered the 2007 requirements of Section 2-45-110 of the Municipal Code (the "2007 ARO") and that this amendment to Residential-Business Planned Development Number 1327 triggers the 2015 requirements of Section 2-45-115 of the Municipal Code of Chicago (2015 ARO) with respect to the additional 20 units being added by this amendment. Pursuant to the 2007 ARO and the Affordable Housing Profile Form attached hereto as Exhibit A, the applicant agreed to provide two affordable housing units in the Residential Project for households earning up to 60 percent of the Chicago Primary Metropolitan Statistical Area median income (the "Affordable Units"), and make a cash payment to the Affordable Housing Opportunity Fund in the amount of $100,000 per unit ("Cash Payment") for 15 additional units.

    Pursuant to the 2015 ARO, any developer of a residential housing project within the meaning of the 2015 ARO must: (i) set aside 10 percent of the housing units in the residential housing project (Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. In accordance with the 2015 ARO and the Affordable Housing Profile Form attached hereto as Exhibit B, the applicant has

agreed to provide one additional affordable housing unit on-site in the Residential Project for households earning up to 60 percent of the Chicago Primary Metropolitan Statistical Area median income (the "Affordable Unit"), and make a Cash Payment to the Affordable Housing Opportunity Fund in the amount of $175,000 per unit ("Cash Payment") for one additional unit. The applicant agrees that the affordable units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the applicant subsequently reduces (or increases) the number of housing units in the Planned Development or elects to build a for-sale project instead, the applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the requirements and number of required Affordable Units without amending the Planned Development.

Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

16. The applicant or its successors and assigns, at their own cost, shall design and construct the open space improvements as depicted on the Landscape Plan (hereinafter the "Park"). Upon completion of the Park, the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors, shall be responsible to assure that the Park is maintained and managed for the purposes herein set forth, including assuring that the Park landscaping is well maintained and that the vegetation and plantings are kept in a healthy condition and that the Park facilities are clean, well lit, litter free and clear of snow (hardscape areas) and debris. The maintenance and management obligations contained herein shall continue for the life of this Planned Development.

    The Park shall be un-gated and access thereto open to the public free of charge with signage indicating that the Park is open to the public daily from 5:00 A.M. to 11:00 P.M. All improvements within the Park must be substantially completed prior to receipt of a final Certificate of Occupancy for improvements depicted in the site plan, provided that planting may be delayed, if consistent with good landscape practice, but not longer than one year following receipt of the occupancy certificate.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to a DX-5 (Downtown Mixed-Use District).

9. The applicant acknowledges and agrees that the rezoning of the Property Residential Planned Development Number 149 to an RM-5 Residential Multi-Unit District and then to this Planned Development triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units, or with the Commissioner's approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a "higher income area within the meaning of the ARO, and the project has a total of 19 new units for purposes of the ARO. As a result, the applicant's affordable housing obligation is two affordable units (10 percent of 19 rounded up), none of which are Required Units (as the total new units are less than 20). Applicant has agreed to satisfy its affordable housing obligation by providing two affordable rental units in residential housing project; or two affordable rental units in an off-site location (including in the existing buildings in the current Planned Development) approved by the Commissioner; or by making a cash payment to the Affordable Housing Opportunity Fund in the amount of $125,000 per unit ("Cash Payment"); or

by any combination as set forth in the Affordable Housing Profile Form. The applicant agrees that the affordable rental units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. The following is said ordinance as passed:

WHEREAS, Pursuant to the procedures set forth in the Municipal Code of Chicago (the "Municipal Code"), Sections 2-120-630 through -690, the Commission on Chicago Landmarks (the "Commission") has determined that the Essex Inn (the "Building"), located

at 800 South Michigan Avenue, Chicago, Illinois, legally described in Exhibit A attached hereto and incorporated herein, satisfies three (3) criteria for landmark designation as set forth in Section 2-120-620 (1), (4) and (5) of the Municipal Code; and

WHEREAS, The Building exemplifies the history of Michigan Avenue in the post-World War II era and the corresponding development of Lake Shore Drive and the Interstate network; and

WHEREAS, The Building is one of two glass-box International-style buildings in the Michigan Avenue Historic District; and

WHEREAS, The Building was designed by A. Epstein & Sons. The architecture and engineering firm was responsible for the design of both glass-box International-style structures in the Michigan Avenue Historic District. Founded in 1921, the firm was prolific but particularly noted for modernist designs; and

WHEREAS, The Building also meets the additional requirements for designation outlined in the Post-World War II Era Context Statement for the Historic Michigan Boulevard District adopted by the Commission on May 5, 2016; and

WHEREAS, Consistent with Section 2-120-630 of the Municipal Code, the Building has a significant historic, community, architectural, or aesthetic interest or value, the integrity of which is preserved in light of its location, design, setting, materials, workmanship, and ability to express such historic, community, architectural, or aesthetic interest or value; and

WHEREAS, On December 1, 2016, the Commission adopted a resolution recommending to the City Council of the City of Chicago (the "City Council") that the Building be designated a Chicago landmark; now, therefore,

Be It Ordained By The City Council Of The City Of Chicago:

SECTION 1. The above recitals are hereby adopted as the findings of the City Council.

SECTION 2. The Building is hereby designated a Chicago landmark in accordance with Section 2-120-700 of the Municipal Code.

SECTION 3. For purposes of Sections 2-120-740 and 2-120-770 of the Municipal Code governing permit review, the significant historical and architectural features of the Building are identified as:

a) All exterior elevations, including rooflines, of the Building.

b) The rooftop sign reading Essex Inn on the east elevation. The sign may be changed, though the size, proportion and open character of the existing sign should be maintained. This does not constitute approval of said changes which will still need to be reviewed by the Permit Review Committee of the Commission on

Chicago landmarks per 2-120-720 of the Municipal Code. And any changes must also comply with current zoning and building regulations.

c) The three-story parking structure located to the south of and attached to the hotel is not considered a significant feature for the purpose of this proposed landmark designation and may be demolished. The demolition of the parking structure would not adversely affect any significant historical or architectural feature of the Building or the Historic Michigan Boulevard District, and would be in accordance with the Secretary of the Interior's Standards for the Rehabilitation of Historic Buildings, as well as the criteria for review of permit applications established in Article III of the Commission's Rules and Regulations. The foregoing is not intended to limit the Commission's discretion to approve other changes.

SECTION 4. The Commission is hereby directed to create a suitable plaque appropriately identifying the Building as a Chicago landmark.

SECTION 5. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 6. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

TRIBUTE TO LATE PHILIP T. KALAYIL.

[R2017-258]

WHEREAS, Philip T. Kalayil, one of the pioneers of the Indian-American community died Monday, March 13, 2017 at the age of 86 years old. He was surrounded by his loving wife of 67 years, Annamma, his two sons, Tom and Sales, son-in-law to his late daughter Lisa, Tom, daughter Ann, along with their spouses and his grandchildren; and

WHEREAS, Philip's journey of achieving the American dream started when he left the shores of Kerala, India by ship in January 1956. After weeks of delays due to mishaps and multiple port stops, he finally arrived to Chicago in March of 1956. By traveling to America, it meant leaving behind two young sons and his young wife pregnant with their third child -- a daughter. But Philip believed in Mahatma Gandhi's words that "the future depends of what we do in the present". In order to build a better future, he had to make the sacrifice; and

WHEREAS, After completing his graduate degree in sociology, Philip's passion to help people allowed him to pursue a career in social work that began with Catholic Charities. Over the years, his hard work and dedication for serving the less fortunate caught the attention of many including the City of Chicago's Department of Human Services.

Philip proudly served the residents of Chicago as the assistant director of emergency services until his retirement in 1992; and

WHEREAS, Though he came to the United States to pursue graduate work at Loyola University, Philip soon became involved in leadership activities at the Crossroads International Center organizing activities for international students. He also spent many volunteer hours building institutions in the India-American community. In the early 1970s, Philip was one of the founders of Asian Forum, a pan-Asian organization that looked at strengthening the Asian-American coalition of Chicago. Philip's work with Asian Forum's vision led to the birth of many of today's Asian-American and South Asian-American civic organizations. He was one of the founders of the Indo-American Democratic Organization in 1981, which is one of the oldest political organizations in Chicago. His biggest contribution to Asian-Americans in Chicago was the vision and commitment to bring together the Asian-American community in the political arena; and

WHEREAS, Philip instilled the principle of service to all four of his children. Whether it was civic engagement, feeding the less fortunate, providing a source of support, Tom, Sales, Lisa and Ann carry on their father's vision. His two son's, Tom and Sales continue to take on leadership roles in local and national politics as well as community based organizations. His late daughter Lisa helped introduced Indian culture to the masses in the 1970s through the arts. His youngest daughter, Dr. Ann Kalayil, who has most recently concluded her appointment as the regional administrator of the Great Lakes Region for the General Services Administration under President Barack Obama is also the co-founder of the South Asian American Policy & Research Institute, a think tank focused on South Asian civic engagement; and

WHEREAS, In 2002, Philip was quoted as saying "every community needs institutions to help them become anchored and integrated into American society". It was with the hope that these institutions would help Asian-Americans, Indian-Americans, or Malayalees that I spent over 52 years in this country in building and creating such institutions through civic activities. Service to community is important and I hope this is continued by the next generation. This sentiment is embodied in Rabindranath Tagore's quote "I slept and dreamt that life was joy. I awoke and saw that life was service. I acted and behold, service was joy"; now, therefore,

Be It Resolved, That we, the Mayor and members of the Chicago City Council, assembled this 29th day of March 2017, do hereby commemorate Philip T. Kalayil for his outstanding life and record of service and do hereby express our condolences to his family; and

WHEREAS, After the murderous terrorist attacks upon our country on September 11, 2001, Arab and Muslim-Americans experienced an unprecedented backlash of hate speech, violence and discrimination, resulting in homicides, arsons, assaults and batteries throughout the United States; and

WHEREAS, Certain political leaders in our nation have recently engaged in a new wave of discriminatory rhetoric, which unjustly defames Americans based upon their Muslim faith and their Arab ancestry; and

WHEREAS, This recent discriminatory rhetoric has led to a new wave of homicides, arsons, assaults and batteries against Arab- and Muslim-Americans (and those who resemble them), as well as other minorities in the United States, as documented by recent data from the FBI, the Southern Poverty Law Center, and the Zogby Polls; and

WHEREAS, The federal government recently has promulgated executive orders which impose travel bans and stepped up enforcement of federal immigration laws; and

WHEREAS, These executive orders, combined with recent political rhetoric, have led many in the Muslim and Arab communities, and other immigrant and minority communities, to express fears that future executive orders will be implemented that impose federal registration and even internment of persons based upon their religious beliefs and/or nationality, citing *Korematsu v. United States* (312 U.S. 214), a case in which the Supreme Court upheld a presidential executive order calling for the internment of 120,000 Japanese-American citizens and non-citizens during World War II; and

Be It Further Resolved, That we, the Mayor and the City Council of the City of Chicago, specifically condemns any governmental action that would unconstitutionally ban, register or intern any U.S. citizen or immigrant based upon their religion, ethnicity, or color of skin, including Arab- and Muslim-Americans; and

Be It Further Resolved, That suitable copies of this resolution be delivered to President Donald Trump, Speaker of the United States House of Representatives Paul Ryan, House Minority Leader Nancy Pelosi, Senate Majority Leader Mitch McConnell, Senate Minority Leader Chuck Schumer and members of the Illinois Congressional delegation.
