Section 4.1. Security for the Funding Loan. To secure the payment of the Funding Loan and the Governmental Lender Note, to declare the terms and conditions on which the Funding Loan and the Governmental Lender Note are secured, and in consideration of the premises and of the funding of the Funding Loan by the Funding Lender, the Governmental Lender by these presents does grant, bargain, sell, remise, release, convey, assign, transfer, mortgage, hypothecate, pledge, set over and confirm to the Funding Lender (except as limited herein), a lien on and security interest in the following described property (excepting, however, in each case, the Unassigned Rights) (said property, rights and privileges being herein collectively called, the "**Security**"):

(a) All right, title and interest of the Governmental Lender in, to and under the Borrower Loan Agreement and the Borrower Note, including, without limitation, all rents, revenues and receipts derived by the Governmental Lender from the Borrower relating to the Project and including, without limitation, all Pledged Revenues, Borrower Loan Payments and Additional Borrower Payments derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Borrower Loan Agreement; provided that the pledge and assignment made under this Funding Loan Agreement shall not impair or diminish the obligations of the Governmental Lender under the provisions of the Borrower Loan Agreement;

(b) All right, title and interest of the Governmental Lender in, to and under, together with all rights, remedies, privileges and options pertaining to, the Funding Loan Documents, and all other payments, revenues and receipts derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Funding Loan Documents;

(c) Any and all moneys and investments from time to time on deposit in, or forming a part of, all funds and accounts created and held under this Funding Loan Agreement and any amounts held at any time in the Remaining Funding Loan Proceeds Account and the Remaining Funding Loan Proceeds Account Earnings Subaccount, any Negative Arbitrage Deposit and any other amounts held under the Contingency Draw-Down Agreement, subject to the provisions of this Funding Loan Agreement permitting the application thereof for the purposes and on the terms and conditions set forth herein; and

(d) Any and all other real or personal property of every kind and nature or description, which may from time to time hereafter, by delivery or by writing of any kind, be subjected to the lien of this Funding Loan Agreement as additional security by the Governmental Lender or anyone on its part or with its consent, or which pursuant to any of the provisions hereof or of the Borrower Loan Agreement may come into the possession or control of the Funding Lender or a receiver appointed pursuant to this Funding Loan Agreement; and the

Funding Lender is hereby authorized to receive any and all such property as and for additional security for the Funding Loan and the Governmental Lender Note and to hold and apply all such property subject to the terms hereof.

The pledge and assignment of and the security interest granted in the Security pursuant to this Section 4.1 for the payment of the principal of, premium, if any, and interest on the Governmental Lender Note, in accordance with its terms and provisions, and for the payment of all other amounts due hereunder, shall attach and be valid and binding from and after the time of the delivery of the Governmental Lender Note by the Governmental Lender. The Security so pledged and then or thereafter received by the Funding Lender shall immediately be subject to the lien of such pledge and security interest without any physical delivery or recording thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Governmental Lender irrespective of whether such parties have notice thereof.

Section 4.2. Delivery of Security. To provide security for the payment of the Funding Loan and the Governmental Lender Note, the Governmental Lender has pledged and assigned to secure payment of the Funding Loan and the Governmental Lender Note its right, title and interest in the Security to the Funding Lender. In connection with such pledge, assignment, transfer and conveyance, the Governmental Lender shall deliver to the Funding Lender the following documents or instruments promptly following their execution and, to the extent applicable, their recording or filing:

(a) The Borrower Note endorsed without recourse to the Funding Lender by the Governmental Lender;

(b) The originally executed Borrower Loan Agreement and Regulatory Agreement;

(c) The originally executed Security Instrument and all other Borrower Loan Documents existing at the time of delivery of the Borrower Note and an assignment for security of the Security Instrument from the Governmental Lender to the Funding Lender, in recordable form;

(e) Uniform Commercial Code financing statements giving notice of the pledge by the Governmental Lender of the Security pledged under this Funding Loan Agreement.

The Governmental Lender shall deliver and deposit with the Funding Lender such additional documents, financing statements, and instruments as the Funding Lender may reasonably require from time to time for the better perfecting and assuring to the Funding Lender of its lien and security interest in and to the Security including, at the request of the Funding Lender, any amounts held under the Contingency Draw-Down Agreement, at the expense of the Borrower.

ARTICLE V
LIMITED LIABILITY

Section 5.1. Source of Payment of Governmental Lender Note and Other Obligations; Disclaimer of General Liability. The Governmental Lender Note, together with premium, if any, and interest thereon, are special, limited obligations of the Governmental Lender, payable solely from the security pledged hereunder. The Governmental Lender Note is not a general obligation of the Governmental Lender or a charge against its general credit or the general credit taxing powers of the State, the Governmental Lender, or any other political subdivision thereof, and shall never give rise to any pecuniary liability of the Governmental Lender, and neither the Governmental Lender, the State nor any other political subdivision thereof shall be liable for the payments of principal of and, premium, if any, and interest on the Governmental Lender Note, and the Governmental Lender Note is payable from no other source, but are special, limited obligations of the Governmental Lender, payable solely out of the security pledged hereunder and receipts of the Governmental Lender derived pursuant to this Funding Loan Agreement. No holder of the Governmental Lender Note or any interest therein has the right to compel any exercise of the taxing power of the State, the Governmental Lender or any other political subdivision thereof to pay the Governmental Lender Note or the interest or premium, if any, thereon.

Section 5.2. Exempt from Individual Liability. No recourse shall be had for the payment of the principal of, premium, if any, or the interest on the Governmental Lender Note or for any claim based thereon or any obligation, covenant or agreement in this Funding Loan Agreement against any official, officer, agent, employee or independent contractor of the Governmental Lender or any person executing the Governmental Lender Note in his or her personal capacity. No covenant, stipulation, promise, agreement or obligation contained in the Governmental Lender Note, this Funding Loan Agreement or any other document executed in connection herewith shall be deemed to be the covenant, stipulation, promise, agreement or obligation of any present or future official, officer, agent or employee of the Governmental Lender in his or her individual capacity and neither any official of the Governmental Lender nor any officers executing the Governmental Lender Note shall be liable personally on the Governmental Lender Note or under this Funding Loan Agreement or be subject to any personal liability or accountability by reason of the execution and delivery of the Governmental Lender Note or the execution of this Funding Loan Agreement.

ARTICLE VI
CLOSING CONDITIONS; APPLICATION OF FUNDS

Section 6.1. Conditions Precedent to Closing. Closing of the Funding Loan on the Closing Date shall be conditioned upon satisfaction or waiver by the Funding Lender in its sole discretion of each of the conditions precedent to closing set forth in this Funding Loan Agreement, including but not limited to the following:

(a) Receipt by the Funding Lender of the original Governmental Lender Note;

(b) Receipt by the Funding Lender of the original executed Borrower Note, endorsed to the Funding Lender by the Governmental Lender;

(g) Receipt by the Funding Lender of a Tax Counsel Approving Opinion;

(h) Receipt by the Funding Lender of an Opinion of Counsel from Tax Counsel to the effect that the Governmental Lender Note is exempt from registration under the Securities Act, and this Funding Loan Agreement is exempt from qualification under the Trust Indenture Act of 1939, as amended;

(i) Delivery of an opinion of counsel to the Borrower addressed to the Governmental Lender and the Funding Lender to the effect that the Borrower Loan Documents and the Regulatory Agreement are valid and binding obligations of the Borrower, enforceable against the Borrower in accordance with their terms, subject to such exceptions and qualifications as are acceptable to the Governmental Lender and the Funding Lender; and

(j) Receipt by the Funding Lender of any other documents or opinions that the Funding Lender or Tax Counsel may reasonably require.

ARTICLE VII
FUNDS AND ACCOUNTS

Section 7.1. Authorization to Create Funds and Accounts. No funds or accounts shall be established in connection with the Funding Loan at the time of closing and origination of the Funding Loan. The Funding Lender and the Servicer, if any, and any designee of the Funding Lender or the Servicer, are authorized to establish and create from time to time such other funds and accounts or subaccounts as may be necessary for the deposit of moneys (including, without limitation, insurance proceeds and/or condemnation awards), if any, received by the Governmental Lender, the Funding Lender or the Servicer pursuant to the terms hereof or any of the other Funding Loan Documents and not immediately transferred or disbursed pursuant to the terms of the Funding Loan Documents and/or the Borrower Loan Documents.

Section 7.2. Investment of Funds. Amounts held in any funds or accounts created under this Funding Loan Agreement shall be invested by the Funding Lender, the Servicer or the designee of the Funding Lender or Servicer, as applicable, in Permitted Investments at the direction of the Borrower, subject in all cases to the restrictions of Section 8.7 hereof and of the Tax Compliance Agreement.

ARTICLE VIII
REPRESENTATIONS AND COVENANTS

Section 8.1. General Representations. The Governmental Lender makes the following representations as the basis for the undertakings on its part herein contained:

(a) The Governmental Lender is a municipality and home rule unit of local government duly organized and validly existing under the Constitution and laws of the State. The Governmental Lender has power and lawful authority to adopt the Ordinance, to execute and deliver the Funding Loan Documents to which it is a party (the "Governmental Lender Documents"), to execute and deliver the Governmental Lender Note and receive the proceeds of the Funding Loan, to apply the proceeds of the Funding Loan to make the Borrower Loan, to assign the revenues derived and to be derived by the Governmental Lender from the Borrower Loan to the Funding Lender, and to perform and observe the provisions of the Governmental Lender Documents and the Governmental Lender Note on its part to be performed and observed.

(b) The City Council of the Governmental Lender has approved the Ordinance and the Ordinance has not been amended, modified or rescinded and is in full force and effect as of the date hereof.

(c) The Governmental Lender has duly authorized the execution and delivery of each of the Funding Loan Agreement and the Governmental Lender Note and the performance of the obligations of the Governmental Lender thereunder.

(d) The Governmental Lender makes no representation or warranty, express or implied, that the proceeds of the Funding Loan will be sufficient to finance the acquisition, construction and equipping of the Project or that the Project will be adequate or sufficient for the Borrower's intended purposes.

(e) The revenues and receipts to be derived from the Borrower Loan Agreement, the Borrower Note and this Funding Loan Agreement have not been pledged previously by the Governmental Lender to secure any of its notes or bonds other than the repayment of the Funding Loan.

THE GOVERNMENTAL LENDER MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE FUNDING LOAN OR THE BORROWER LOAN OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

Section 8.2. Further Assurances. The Governmental Lender will do, execute, acknowledge, when appropriate, and deliver from time to time at the request of the Funding Lender, to the extent permitted by the Ordinance, such further acts, instruments, financing statements and other documents as are necessary or desirable to better assure, transfer, pledge or assign to the Funding Lender or holders of interest in the Funding Loan, and grant a security interest unto the Funding Lender or holders of interests in the Funding Loan in and to the

Security and the other properties and revenues herein described and otherwise to carry out the intent and purpose of the Funding Loan Documents and the Funding Loan.

Section 8.3. Payment of Funding Loan Obligations. The Governmental Lender will pay or cause to be paid the principal of, prepayment premium, if any, and the interest on the Funding Loan as the same become due, but solely from the Security, as described in Section 5.1 of this Funding Loan Agreement.

Section 8.4. Funding Loan Agreement Performance. The Funding Lender, on behalf of the Governmental Lender and with the Written Consent of the Governmental Lender, may (but shall not be required or obligated) perform and observe any such agreement or covenant of the Governmental Lender under the Funding Loan Agreement, all to the end that the Governmental Lender's rights under the Borrower Loan Agreement may be unimpaired and free from default.

Section 8.5. Servicer. The Funding Lender may appoint a Servicer to service and administer the Governmental Loan and the Borrower Loan on behalf of the Funding Lender, including without limitation the fulfillment of rights and responsibilities granted by Governmental Lender to Funding Lender pursuant to Section 2.1 of the Borrower Loan Agreement; provided, however, that no appointment of a Servicer shall release the Funding Lender from ultimate responsibility for any obligation hereunder.

Section 8.6. Tax Covenants. The Governmental Lender covenants to and for the benefit of the Funding Lender and any other holders of an interest in the Governmental Lender Note that, notwithstanding any other provisions of this Funding Loan Agreement or of any other instrument, it will:

(i) At all times do and perform all acts and things permitted by law and this Funding Loan Agreement which are necessary or desirable in order to assure, and will not knowingly take any action which will adversely affect, the tax-exempt status of the Governmental Lender Note; and

(ii) Not use or knowingly permit the use of any proceeds of the Funding Loan or other funds of the Governmental Lender, directly or indirectly, in any manner, and will not take or permit to be taken any other action or actions, which would result in any of the Governmental Lender Note being treated as an obligation not described in Section 142(a)(7) of the Code by reason of the Governmental Lender Note or interest thereon not meeting the requirements of Section 142(d) of the Code;

In furtherance of the covenants in this Section 8.6, the Governmental Lender and the Borrower shall execute, deliver and comply with the provisions of the Tax Compliance Agreement, which are by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full, and by its acceptance of this Funding Loan Agreement the Funding Lender acknowledges receipt of the Tax Compliance Agreement and acknowledges its incorporation in this Funding Loan Agreement by this reference. The Funding Lender agrees it will invest funds held under this Funding Loan Agreement in Permitted Investments in accordance with the direction of the

Borrower and the terms of this Funding Loan Agreement and the Tax Compliance Agreement (this covenant shall extend throughout the term of the Funding Loan, to all funds and accounts created under or in connection with this Funding Loan Agreement and all moneys on deposit to the credit of any Fund or Account); provided that the Funding Lender shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows directions of the Borrower not inconsistent with the terms of this Funding Loan Agreement and the Tax Compliance Agreement or otherwise complies with the provisions of the Funding Loan Agreement relating to funds and accounts.

For purposes of this Section 8.6 the Governmental Lender's compliance shall be based solely on matters within the Governmental Lender's control and no acts, omissions or directions of the Borrower, the Funding Lender or any other Persons shall be attributed to the Governmental Lender.

In complying with the foregoing covenants, the Governmental Lender may rely from time to time on a Tax Counsel No Adverse Effect Opinion or other appropriate opinion of Tax Counsel.

Section 8.7. Performance by the Borrower. Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender and with the Written Consent of the Governmental Lender, may perform any such agreement or covenant if no Borrower Loan Agreement Default or Potential Default under the Borrower Loan Agreement exists.

Section 8.8. Repayment of Funding Loan. Subject to the provisions of Article V hereof, the Governmental Lender will duly and punctually repay, or cause to be repaid, but solely from the Security set forth in Article IV hereof, the Funding Loan, as evidenced by the Governmental Lender Note, as and when the same shall become due, all in accordance with the terms of the Governmental Lender Note and this Funding Loan Agreement.

Section 8.9. Borrower Loan Agreement Performance.

(a) The Servicer and the Funding Lender, on behalf of the Governmental Lender and with the Written Consent of the Governmental Lender, may (but shall not be required or obligated to) perform and observe any such agreement or covenant of the Governmental Lender under the Borrower Loan Agreement, all to the end that the Governmental Lender's rights under the Borrower Loan Agreement may be unimpaired and free from default.

(b) The Governmental Lender will promptly notify the Borrower, the Servicer and the Funding Lender in writing of the occurrence of any Borrower Loan Agreement Default, provided that the Governmental Lender has received written notice or otherwise has actual knowledge of such event; and further provided that the Governmental Lender shall have no liability to any person for its failure to provide any such notice so long as it has made a good faith effort to comply with such provisions.

(c) The Funding Lender will promptly notify the Borrower, the Servicer, if any, and the Governmental Lender in writing of the occurrence of any Event of Default or any Borrower Loan Agreement Default known to the Funding Lender.

Section 8.10. Maintenance of Records; Inspection of Records.

(a) The Funding Lender shall keep and maintain adequate records pertaining to the funds and accounts, if any, established hereunder, including all deposits to and disbursements from said funds and accounts and shall keep and maintain the registration books for the Funding Loan and interests therein. The Funding Lender shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal, interest and prepayment premium, if any, paid on the Funding Loan, subject to the inspection of the Borrower, the Governmental Lender, the Servicer and their representatives at all reasonable times and upon reasonable prior notice.

(b) The Governmental Lender will at any and all times, upon the reasonable request of the Servicer, the Borrower or the Funding Lender, afford and procure a reasonable opportunity by their respective representatives to inspect the books, records, reports and other papers of the Governmental Lender relating to the Project and the Funding Loan, if any, and to make copies thereof.

Section 8.11. Representations and Warranties of the Funding Lender. The Funding Lender hereby represents to the Governmental Lender and the Borrower that it is duly authorized to enter into and perform this Funding Loan Agreement, and has full authority to take such action as it may deem advisable with respect to all matters pertaining to this Funding Loan Agreement.

Section 8.12. Funding Lender Limitations. Notwithstanding anything herein or in the Borrower Loan Agreement to the contrary, prior to the advancement by the Funding Lender of all advances of loan funds hereunder (and, by virtue hereof, under the Borrower Loan Agreement and the Construction Funding Agreement), and only prior to such final advancement of all loan funds hereunder, no notice to or consent of the Funding Lender shall be required under any provision of this Funding Loan Agreement or the Borrower Loan Agreement nor shall the Funding Lender have any right to receive notice of, consent to, direct or control any actions, restrictions, rights, remedies, waivers or acceleration pursuant to any provision of this Funding Loan Agreement or the Borrower Loan Agreement during any time that (a) any Material Funding Lender Event shall have occurred and be continuing; or (b) the Funding Loan Agreement and the Construction Funding Agreement are not in effect and all obligations of the Governmental Lender and the Borrower, including payment obligations, pursuant to the Funding Loan Agreement, Governmental Lender Note, Borrower Loan Agreement and Borrower Note have been fully satisfied.

ARTICLE IX
DEFAULT; REMEDIES

Section 9.1. **Events of Default.** Any one or more of the following shall constitute an event of default (an "**Event of Default**") under this Funding Loan Agreement (whatever the

reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or Governmental body):

(a) A default in the payment of any interest upon the Governmental Lender Note when such interest becomes due and payable; or

(b) A default in the payment of principal of, or premium on, the Governmental Lender Note when such principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for mandatory prepayment or otherwise; or

(c) Subject to Section 8.7 hereof, default in the performance or breach of any material covenant or warranty of the Governmental Lender in this Funding Loan Agreement (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 30 days after there has been given written notice, as provided in Section 11.1 hereof, to the Governmental Lender and the Borrower by the Funding Lender or the Servicer, specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" under this Funding Loan Agreement; provided that, so long as the Governmental Lender has commenced to cure such failure to observe or perform within the thirty (30) day cure period and the subject matter of the default is not capable of cure within said thirty (30) day period and the Governmental Lender is diligently pursuing such cure to the Funding Lender's satisfaction, with the Funding Lender's Written Direction or Written Consent, then the Governmental Lender shall have an additional period of time as reasonably necessary (not to exceed 30 days unless extended in writing by the Funding Lender) within which to cure such default; or

(d) A default in the payment of any Additional Borrower Payments; or

(e) Any other "Default" or "Event of Default" under any of the other Funding Loan Documents (taking into account any applicable grace periods therein).

Section 9.2. Acceleration of Maturity; Rescission and Annulment.

(a) Subject to the provisions of Section 9.9 hereof, upon the occurrence of an Event of Default under Section 9.1 hereof, then and in every such case, the Funding Lender may declare the principal of the Funding Loan and the Governmental Lender Note and the interest accrued to be immediately due and payable, by notice to the Governmental Lender and the Borrower and upon any such declaration, all principal of and Prepayment Premium, if any, and interest on the Funding Loan and the Governmental Lender Note shall become immediately due and payable.

(b) At any time after a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Funding Lender may by Written Notice to the Governmental Lender, rescind and annul such declaration and its consequences if:

There has been deposited with the Funding Lender a sum sufficient to pay (1) all overdue installments of interest on the Governmental Lender Note, (2) the principal of and Prepayment Premium on the Governmental Lender Note that has become due

otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Governmental Lender Note, (3) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Governmental Lender Note, and (4) all sums paid or advanced by the Funding Lender and the reasonable compensation, expenses, disbursements and advances of the Funding Lender, its agents and counsel (but only to the extent not duplicative with subclauses (1) and (3) above); and

All Events of Default, other than the non-payment of the principal of the Government Lender Note which have become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 9.9 hereof.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

Notwithstanding the occurrence and continuation of an Event of Default, it is understood that the Funding Lender shall pursue no remedies against the Borrower or the Project if no Borrower Loan Agreement Default has occurred and is continuing. An Event of Default hereunder shall not in and of itself constitute a Borrower Loan Agreement Default or a default under any other Funding Loan Document.

Section 9.3. Additional Remedies; Funding Lender Enforcement.

(a) Upon the occurrence of an Event of Default, the Funding Lender may, subject to the provisions of this Section 9.3 and Section 9.9 hereof, proceed to protect and enforce its rights by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Funding Loan Agreement upon or remedy reserved to the Funding Lender is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Funding Lender hereunder or now or hereafter existing at law or in equity or by statute.

(b) Upon the occurrence and continuation of any Event of Default, the Funding Lender may proceed forthwith to protect and enforce its rights and this Funding Loan Agreement by such suits, actions or proceedings as the Funding Lender, in its sole discretion, shall deem expedient. Funding Lender shall have upon the occurrence and continuation of any Event of Default all rights, powers, and remedies with respect to the Security as are available under the Uniform Commercial Code applicable thereto or as are available under any other applicable law at the time in effect and, without limiting the generality of the foregoing, the Funding Lender may proceed at law or in equity or otherwise, to the extent permitted by applicable law:

(i) to take possession of the Security or any part thereof, with or without legal process, and to hold, service, administer and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited to) the sale of all or part of the Security;

(ii) to become mortgagee of record for the Borrower Loan including, without limitation, completing the assignment of the Security Instrument by the Governmental

Lender to the Funding Lender as anticipated by this Funding Loan Agreement, and recording the same in the real estate records of the jurisdiction in which the Project is located, without further act or consent of the Governmental Lender, and to service and administer the same for its own account;

(iii) to service and administer the Funding Loan as agent and on behalf of the Governmental Lender or otherwise, and, if applicable, to take such actions necessary to enforce the Borrower Loan Documents and the Funding Loan Documents on its own behalf, and to take such alternative courses of action, as it may deem appropriate; or

(iv) to take such steps to protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in the Governmental Lender Note, this Funding Loan Agreement or the other Funding Loan Documents, or the Borrower Loan Documents, or in and of the execution of any power herein granted, or for foreclosure hereunder, or for enforcement of any other appropriate legal or equitable remedy or otherwise as the Funding Lender may elect.

Whether or not an Event of Default has occurred, and except as provided in Section 9.15, the Funding Lender, in its sole discretion, shall have the sole right to waive or forbear any term, condition, covenant or agreement of the Security Instrument, the Borrower Loan Agreement, the Borrower Note or any other Borrower Loan Documents or Funding Loan Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax-exempt status of the interest on the Governmental Lender Note, and provided that the Governmental Lender may enforce specific performance with respect to the Unassigned Rights; provided, however, that any such forbearance by the Funding Lender in the exercise of its remedies under the Funding Loan Documents shall not be construed as a waiver by the Funding Lender of any Conditions to Conversion.

If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days after the Borrower and the Funding Lender receive Written Notice stating that a default under the Regulatory Agreement has occurred and specifying the nature of the default, the Funding Lender shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder.

If the Borrower defaults in the performance of its obligations under the Borrower Loan Agreement to make rebate payments, to comply with any applicable continuing disclosure requirements, or to make payments owed pursuant to Sections 2.5, 5.14 or 5.15 of the Borrower Loan Agreement for fees, expenses or indemnification, the Funding Lender shall have the right to exercise all its rights and remedies thereunder (subject to the last paragraph of Section 9.14 hereof).

Section 9.4. Application of Money Collected. Any money collected by the Funding Lender pursuant to this Article and any other sums then held by the Funding Lender as part of the Security, shall be applied in the following order, at the date or dates fixed by the Funding Lender:

(a) First: To the payment of any and all fees due the Governmental Lender, the Servicer or the Rebate Analyst under the Borrower Loan Documents;

(b) Second: To the payment of any and all amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loan;

(c) Third: To the payment of the whole amount of the Funding Loan, as evidenced by the Governmental Lender Note, then due and unpaid in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Governmental Lender Note) on overdue principal of, and Prepayment Premium and overdue installments of interest on the Governmental Lender Note; provided, however, that partial interests in any portion of the Governmental Lender Note shall be paid in such order of priority as may be prescribed by Written Direction of the Funding Lender in its sole and absolute discretion; and

(d) Fourth: The payment of the remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(e) If and to the extent this Section 9.4 conflicts with the provisions of the Servicing Agreement, the provisions of the Servicing Agreement shall control. Capitalized terms used in this Section 9.4 but not otherwise defined in this Funding Loan Agreement shall have the meanings given such terms in the Servicing Agreement.

Section 9.5. Remedies Vested in Funding Lender. All rights of action and claims under this Funding Loan Agreement or the Governmental Lender Note may be prosecuted and enforced by the Funding Lender without the possession of the Governmental Lender Note or the production thereof in any proceeding relating thereto.

Section 9.6. Restoration of Positions. If Funding Lender shall have instituted any proceeding to enforce any right or remedy under this Funding Loan Agreement and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Funding Lender, then and in every such case the Governmental Lender and the Funding Lender shall, subject to any determination in such proceeding, be restored to their former positions hereunder, and thereafter all rights and remedies of the Governmental Lender and the Funding Lender shall continue as though no such proceeding had been instituted.

Section 9.7. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Funding Lender is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 9.8. Delay or Omission Not Waiver. No delay or omission of the Funding Lender to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein.

Every right and remedy given by this Article or by law to the Funding Lender may be exercised from time to time, and as often as may be deemed expedient, by Funding Lender. No waiver of any default or Event of Default pursuant to Section 9.9 hereof shall extend to or shall affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

Section 9.9. Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by the Funding Lender, the Funding Lender may, subject to Section 9.6 hereof, by Written Notice to the Governmental Lender and the Borrower, waive any past default hereunder or under the Borrower Loan Agreement and its consequences except for default in obligations due the Governmental Lender pursuant to or under the Unassigned Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Funding Loan Agreement and the Borrower Loan Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 9.10. Remedies Under Borrower Loan Agreement or Borrower Note. As set forth in this Section 9.10 but subject to Section 9.9 hereof, the Funding Lender shall have the right, in its own name or on behalf of the Governmental Lender, to declare any default and exercise any remedies under the Borrower Loan Agreement or the Borrower Note, whether or not the Governmental Lender Note has been accelerated or declared due and payable by reason of an Event of Default.

Section 9.11. Waiver of Appraisement and Other Laws.

(a) To the extent permitted by law, the Governmental Lender will not at any time insist upon, plead, claim or take the benefit or advantage of, any appraisement, valuation, stay, extension or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The Governmental Lender, for itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Security marshaled upon any enforcement hereof.

(b) If any law now in effect prohibiting the waiver referred to in Section 9.11(a) shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section 9.11.

Section 9.12. Suits to Protect the Security. The Funding Lender shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect its interests in the Security and in the rents, issues, profits, revenues and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any Governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Funding Lender.

Section 9.13. Remedies Subject to Applicable Law. Section 2.1 Origination of Borrower Loan. In order to provide funds for the purposes provided herein, the Governmental Lender agrees that it will, in accordance with the Ordinance, enter into the Funding Loan Agreement and accept the Funding Loan from the Funding Lender. The proceeds of the Funding Loan shall be advanced by the Funding Lender to the Borrower in accordance with the terms of the Construction Funding Agreement and this Borrower Loan Agreement.

The Governmental Lender hereby appoints the Funding Lender as its agent with full authority and power to act on its behalf to disburse the Borrower Loan for the account of the Governmental Lender, to take certain actions and exercise certain remedies with respect to the Borrower Loan, and for the other purposes set forth in this Borrower Loan Agreement and to do all other acts necessary or incidental to the performance and execution thereof. This appointment is coupled with an interest and is irrevocable except as expressly set forth herein. Accordingly, references to the rights of the Funding Lender to take actions under this Borrower Loan Agreement shall refer to Funding Lender in its role as agent of the Governmental Lender. The Funding Lender may designate Servicer to fulfill the rights and responsibilities granted by Governmental Lender to Funding Lender pursuant to this Section 2.1; provided, however, that such designation shall not release or absolve Funding Lender from ultimate responsibility for fulfillment of such rights or responsibilities.

Section 2.2 Security for the Funding Loan.

(a) As security for the Funding Loan, the Governmental Lender has pledged and assigned the Security to the Funding Lender under and pursuant to the Funding Loan Agreement. All revenues and assets pledged and assigned thereby shall immediately be subject to the lien of such pledge without any physical delivery thereof or any further act, except in the case of the Borrower Note, which shall be delivered to the Funding Lender.

In the event and to the extent that the Servicer or the Funding Lender, pursuant to the terms hereof, shall determine at any time that there exists a deficiency in amounts previously owed but not paid with respect to deposits to such replacement reserve fund, such deficiency shall be immediately due and payable hereunder following Written Notice to the Borrower.

Section 2.8 Grant of Security Interest; Application of Funds. To the extent not inconsistent with the Security Instrument and as security for payment of the Borrower Payment Obligations and the performance by the Borrower of all other terms, conditions and provisions of the Borrower Loan Documents, the Borrower hereby pledges and assigns to the Funding Lender, and grants to the Funding Lender, a security interest in, all the Borrower's right, title and interest in and to all payments to or moneys held in the funds and accounts created and held by the Funding Lender or the Servicer for the Project. Upon the occurrence and during the continuance of an Event of Default hereunder, the Funding Lender and the Servicer shall apply or cause to be applied any sums held by the Funding Lender and the Servicer with respect to the Project in any manner and in any order determined by Funding Lender, in Funding Lender's sole and absolute discretion.

Section 2.9 Marshalling; Payments Set Aside. The Governmental Lender and Funding Lender shall be under no obligation to marshal any assets in favor of Borrower or any other Person or against or in payment of any or all of the proceeds. To the extent that Borrower makes a payment or payments or transfers any assets to the Governmental Lender or Funding Lender, or the Governmental Lender or Funding Lender enforces its liens, and such payment or payments or transfers, or the proceeds of such enforcement or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party in connection with any insolvency proceeding, or otherwise, then: (i) any and all obligations owed to the Governmental Lender or Funding Lender and any and all remedies available to the Governmental Lender or Funding Lender under the terms of the Borrower Loan Documents and the Funding Loan Documents or in law or equity against Borrower, Guarantor or Manager and/or any of their properties shall be automatically revived and reinstated to the extent (and only to the extent) of any recovery permitted under clause (ii) below; and (ii) the Governmental Lender and Funding Lender shall be entitled to recover (and shall be entitled to file a proof of claim to obtain such recovery in any applicable bankruptcy,

insolvency, receivership or fraudulent conveyance or fraudulent transfer proceeding) either: (x) the amount of payments or the value of the transfer or (y) if the transfer has been undone and the assets returned in whole or in part, the value of the consideration paid to or received by Borrower for the initial asset transfer, plus in each case any deferred interest from the date of the disgorgement to the date of distribution to the Governmental Lender or Funding Lender in any bankruptcy, insolvency, receivership or fraudulent conveyance or fraudulent transfer proceeding, and any costs and expenses due and owing, including, without limitation, any reasonable attorneys' fees incurred by the Governmental Lender or Funding Lender in connection with the exercise by the Governmental Lender or Funding Lender of its rights under this Section 2.9.

CONVERSION

Section 3.1 Conversion Date and Extension of Outside Conversion Date. Borrower shall satisfy each of the Conditions to Conversion and cause the Conversion Date to occur on or before the Outside Conversion Date (including the Extended Outside Conversion Date, if any), as further provided in the Construction Funding Agreement. The failure to satisfy each of the Conditions to Conversion on or before the Outside Conversion Date shall constitute an Event of Default under the Borrower Loan Documents.

Section 3.2 Notice from Funding Lender; Funding Lender's Calculation Final.

(a) Following satisfaction of all of the Conditions to Conversion, Funding Lender shall deliver Written Notice to Borrower and the Governmental Lender of: (i) the Conversion Date, (ii) the amount of the Permanent Period Amount, (iii) any required prepayment of the Borrower Note (as described below in Section 3.3) and (iv) any amendments to the amortization schedule, as applicable.

(b) Any prepayment in full or in part of the Borrower Loan required pursuant to Section 3.3(a) above shall be subject to a prepayment premium under certain circumstances as more particularly set forth in the Borrower Note.

Section 3.4 Release of Remaining Loan Proceeds. If and to the extent that the Permanent Period Amount is greater than the principal amount of the Borrower Loan which has previously been disbursed to Borrower, Funding Lender shall deliver Written Notice thereof to Borrower on or before the Conversion Date. Within ten (10) business days after delivery of such notice, but in no event later than the Outside Conversion Date, Funding Lender shall disburse Borrower Loan proceeds to Borrower so that the aggregate principal amount of the Borrower Loan disbursed equals the Permanent Period Amount. Any Borrower Loan proceeds previously disbursed to the Borrower in excess of the Permanent Period Amount shall be paid by Borrower to Funding Lender.

Section 3.5 No Amendment. Nothing contained in this Article III shall be construed to amend, modify, alter, change or supersede the terms and provisions of the Borrower Note, Security Instrument, the Construction Funding Agreement or any other Borrower Loan Document and, if there shall exist a conflict between the terms and provisions of this Article III and those of the Borrower Note, Security Instrument, the Construction Funding Agreement or other Borrower Loan Documents, then the terms and provisions of the Borrower Note, Security Instrument, the Construction Funding Agreement and other Borrower Loan Documents shall control, provided, however, that in the event of a conflict between the terms and provisions of this Article III and those of the Borrower's loan application with the Funding Lender, the terms and provisions of this Article III shall control.

Section 3.6 Determinations by Funding Lender. In any instance where the consent or approval of Funding Lender may be given or is required, or where any determination, judgment or decision is to be rendered by Funding Lender under this Article III, including in connection with the Construction Funding Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Funding Lender (or its designated representative), at its sole and exclusive option and in its sole and absolute discretion.

Subject to Section 4.2 hereof, the representations, warranties and agreements set forth in this Section 4.1 shall survive the making of the Borrower Loan, and shall remain in effect and true and correct in all material respects until the Borrower Loan and all other Borrower Payment Obligations have been repaid in full:

The sole business of the Borrower is the ownership, management and operation of the Project.

Section 4.1.2 Proceedings; Enforceability. Assuming due execution and delivery by the other parties thereto, the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party will constitute the legal, valid and binding agreements of the Borrower enforceable against the Borrower in accordance with their terms; except in each case as enforcement may be limited by bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles regardless of whether enforcement is sought in a proceeding at law or in equity and by public policy.

Section 4.1.3 No Conflicts. The execution and delivery of the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party, the consummation of the transactions herein and therein contemplated and the fulfillment of or compliance with the terms and conditions hereof and thereof, will not conflict with or constitute a violation or breach of or default (with due notice or the passage of time or both) under the Operating Agreement of the Borrower, or to the best knowledge of the Borrower and with respect to the Borrower, any applicable law or administrative rule or regulation, or any applicable court or administrative decree or order, or any mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the Borrower is a party or by which it or its properties are otherwise subject or bound, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Borrower, which conflict, violation, breach, default, lien, charge or encumbrance might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, or the financial condition, assets, properties or operations of the Borrower.

Section 4.1.4 Litigation; Adverse Facts. There is no Legal Action, nor is there a basis known to Borrower for any Legal Action, before or by any court or federal, state, municipal or other governmental authority, pending, or to the knowledge of the Borrower, after reasonable investigation, threatened, against or affecting the Borrower, the Manager [or the Guarantor], or their respective assets, properties or operations which, if determined adversely to the Borrower or its interests, would have a material adverse effect upon the consummation of the transactions contemplated by, or the validity of, the Borrower Loan Documents or the Funding Loan Documents, upon the ability of each of Borrower, Manager and Guarantor to perform their

respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or upon the financial condition, assets (including the Project), properties or operations of the Borrower, the Manager or the Guarantor. All tax returns (federal, state and local) required to be filed by or on behalf of the Borrower have been filed, and all taxes shown thereon to be due, including interest and penalties, except such, if any, as are being actively contested by the Borrower in good faith, have been paid or adequate reserves have been made for the payment thereof which reserves, if any, are reflected in the audited financial statements described therein. To the Borrower's knowledge, there are no delinquent real property taxes or assessments, including water and sewer charges, with respect to the Project, nor are there any claims for payment for work, labor or materials affecting the Project which are or may become a Lien prior to, or of equal priority with, the Liens created by the Borrower Loan Documents and the Funding Loan Documents.

Section 4.1.7 Survey. To the best knowledge of the Borrower, the survey for the Project delivered to the Governmental Lender and the Funding Lender does not fail to reflect any material matter affecting the Project or the title thereto.

As of the Closing Date, the Borrower has the ability to pay its debts as they become due.

Section 4.1.9 Full and Accurate Disclosure. To the best of the Borrower's knowledge, the Project is or will be served by water, sewer, sanitary sewer and storm drain facilities adequate to service it for its intended uses. All public utilities necessary or convenient to the full use and enjoyment of the Project are or will be located in the public right-of-way abutting the Project, and all such utilities are or will be connected so as to serve the Project without passing over other property absent a valid easement. All roads necessary for the use of the Project for its current purpose have been or will be completed and dedicated to public use and accepted by all Governmental Authorities. Except for Permitted Encumbrances, the Project does not share ingress and egress through an easement or private road or share on-site or off-site

recreational facilities and amenities that are not located on the Project and under the exclusive control of the Borrower, or where there is shared ingress and egress or amenities, there exists an easement or joint use and maintenance agreement under which (i) access to and use and enjoyment of the easement or private road and/or recreational facilities and amenities is perpetual, (ii) the number of parties sharing such easement and/or recreational facilities and amenities must be specified, (iii) the Borrower's responsibilities and share of expenses are specified, and (iv) the failure to pay any maintenance fee with respect to an easement will not result in a loss of usage of the easement.

Section 4.1.17 Not a Foreign Person. The Borrower is not a "foreign person" within the meaning of §1445(f)(3) of the Code.

Section 4.1.18 Separate Lots. Each parcel comprising the Land is a separate tax lot and is not a portion of any other tax lot that is not a part of the Land.

Section 4.1.19 Assessments. There are no pending or, to the Borrower's best knowledge, proposed special or other assessments for public improvements or otherwise affecting the Project, or any contemplated improvements to the Project that may result in such special or other assessments.

Section 4.1.20 Enforceability. The Borrower Loan Documents and the Funding Loan Documents are not subject to, and the Borrower has not asserted, any right of rescission, set-off, counterclaim or defense, including the defense of usury.

Section 4.1.21 Insurance. The Borrower has obtained the insurance required by this Borrower Loan Agreement, if applicable, and the Security Instrument and has delivered to the Servicer copies of insurance policies or certificates of insurance reflecting the insurance coverages, amounts and other requirements set forth in this Borrower Loan Agreement, if applicable, and the Security Instrument.

Section 4.1.22 Use of Property; Licenses. The Project will be used exclusively as a multifamily residential rental project and other appurtenant and related uses, which use is consistent with the zoning classification for the Project. All certifications, permits, licenses and approvals, including certificates of completion and occupancy permits required for the legal use or legal, nonconforming use, as applicable, occupancy and operation of the Project (collectively, the "Licenses") required at this time for the construction or rehabilitation, as appropriate, and equipping of the Project have been obtained. To the Borrower's knowledge, all Licenses obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Licenses required for the future use and occupancy of the Project and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course following the Completion Date. No Licenses will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure sale under the Security Instrument or deed in lieu of foreclosure thereunder. The Project does not violate any density or building setback requirements of the applicable zoning law except to the extent, if any, shown on the survey, no proceedings are, to the best of the Borrower's knowledge, pending or threatened that would result in a change of the zoning of the Project.

Section 4.1.23 Flood Zone. On the Closing Date, no structure within the Mortgaged Property lies or is located in an identifiable or designated Special Flood Hazard Area. Subsequent to the Closing Date, if the Mortgaged Property is determined to be in a Special Flood Hazard Area, Borrower will obtain appropriate flood insurance as required under the National Flood Insurance Act of 1968, Flood Disaster Protection Act of 1973, or the National Flood Insurance Reform Act of 1994 as amended or as required by the Servicer pursuant to its underwriting guidelines.

The Project, including all Improvements, parking facilities, systems, fixtures, Equipment and landscaping, are or, after completion of the construction, rehabilitation and/or repairs, as appropriate, will be in good and habitable condition in all material respects and in good order and repair in all material respects (reasonable wear and tear excepted). The Borrower has not received notice from any insurance company or bonding company of any defect or inadequacy in the Project, or any part thereof, which would adversely affect its insurability or cause the imposition of extraordinary premiums or charges thereon or any termination of any policy of insurance or bond. The physical configuration of the Project is not in material violation of the ADA, if required under applicable law.

Section 4.1.25 Encroachments. All of the Improvements included in determining the appraised value of the Project will lie wholly within the boundaries and building restriction lines of the Project, and no improvement on an adjoining property encroaches upon the Project, and no easement or other encumbrance upon the Project encroaches upon any of the Improvements, so as to affect the value or marketability of the Project, except those insured against by the Title Insurance Policy or disclosed in the survey of the Project as approved by the Servicer.

Section 4.1.26 State Law Requirements. The Borrower hereby represents, covenants and agrees to comply with the provisions of all applicable State laws relating to the Borrower Loan, the Funding Loan and the Project.

The fair saleable value of the Borrower's assets is and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, be greater than the Borrower's probable liabilities, including the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. Unless prior Written Notice is given to the Funding Lender, the Borrower does not use and will not use any trade name, and has not done and will not do business under any name other than its actual name set forth herein. The principal place of business of the Borrower is its primary address for notices as set forth in Section 10.1 hereof, and the Borrower has no other place of business, other than the Project and such principal place of business.

Section 4.1.33 Subordinated Debt. There is no secured or unsecured indebtedness with respect to the Project or any residual interest therein, other than Permitted Encumbrances and the permitted secured indebtedness described in Section 6.7 hereof, except an unsecured deferred developer fee not to exceed the amount permitted by Funding Lender as determined on the Closing Date.

Section 4.1.34 Filing of Taxes. The Project, as designed, will conform in all material respects with all applicable zoning, planning, building and environmental laws, ordinances and regulations of governmental authorities having jurisdiction over the Project, including, but not limited to, the Americans with Disabilities Act of 1990 ("ADA"), to the extent required (as evidenced by an architect's certificate to such effect).

Section 4.1.39 Requirements of Code and Regulations. The Project satisfies all requirements of the Code and the Regulations applicable to the Project.

Section 4.1.40 Regulatory Agreement. The Project is, as of the date of origination of the Funding Loan, in compliance with all requirements of the Regulatory Agreement to the extent such requirements are applicable; and the Borrower intends to cause the residential units in the Project to be rented or available for rental on a basis which satisfies the requirements of the Regulatory Agreement, including all applicable requirements of the Code and the Regulations, and pursuant to leases which comply with all applicable laws.

(b) Manager has made all filings (including, without limitation, all required filings related to the use of fictitious business names) and is in good standing in the State and in each other jurisdiction in which the character of the property it owns or the nature of the business it transacts makes such filings necessary or where the failure to make such filings could have a material adverse effect on the business, operations, assets, condition (financial or otherwise) or prospects of Manager.

(c) Manager is duly authorized to do business in the State.

Except as set forth in the preceding two sentences, no additional governmental or regulatory actions, filings or registrations with respect to the Improvements, and no approvals, authorizations or consents of

any trustee or holder of any indebtedness or obligation of Borrower, are required for the due execution, delivery and performance by Borrower, or Manager of any of the Borrower Loan Documents or the Funding Loan Documents or the Related Documents executed by Borrower or Manager, as applicable. All required zoning approvals have been obtained, and the zoning of the Land for the Project is not conditional upon the happening of any further event.

Section 4.1.44 Concerning Guarantor. The Borrower Loan Documents and the Funding Loan Documents to which the Guarantor is a party or a signatory executed simultaneously with this Borrower Loan Agreement have been duly executed and delivered by the Guarantor and are legally valid and binding obligations of Guarantor, enforceable against the Guarantor in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity.

Such actions include disbursement of attorneys' fees, entry upon the Project to make repairs or take other action to protect the security of the Project, and payment, purchase, contest or compromise of any encumbrance, charge or lien which in the judgment of Funding Lender appears to be prior or superior to the Borrower Loan Documents or the Funding Loan Documents. The Funding Lender shall have no obligation to do any of the above. The Funding Lender may take any such action without notice to or demand upon the Borrower. No such action shall release the Borrower from any obligation under this Borrower Loan Agreement or any of the other Borrower Loan Documents or Funding Loan Documents. In the event (i) that the Security Instrument is foreclosed in whole or in part or that any Borrower Loan Document is put into the hands of an attorney for collection, suit, action or foreclosure, or (ii) of the foreclosure of any mortgage, deed of trust or deed to secure debt prior to or subsequent to the Security Instrument or any Borrower Loan Document in which proceeding the Funding Lender is made a party or (iii) of the bankruptcy of the Borrower or an assignment by the Borrower for the benefit of its creditors, the Borrower shall be chargeable with and agrees to pay all costs of collection and defense, including actual attorneys' fees in connection therewith and in

connection with any appellate proceeding or post-judgment action involved therein, which shall be due and payable together with all required service or use taxes.

Section 5.14 Expenses. The Borrower shall pay all reasonable expenses incurred by the Governmental Lender, the Funding Lender and the Servicer (except as provided in Section 9.1 hereof) in connection with the Borrower Loan and the Funding Loan, including reasonable fees and expenses of the Governmental Lender's, the Funding Lender's and the Servicer's attorneys, environmental, engineering and other consultants, and fees, charges or taxes for the recording or filing of Borrower Loan Documents and the Funding Loan Documents. The Borrower shall pay or cause to be paid all reasonable expenses of the Governmental Lender, the Funding Lender and the Servicer (except as provided in Section 9.1 hereof) in connection with the issuance or administration of the Borrower Loan and the Funding Loan, including audit costs, inspection fees, settlement of condemnation and casualty awards, and premiums for title insurance and endorsements thereto. The Borrower shall, upon request, promptly reimburse the Governmental Lender, the Funding Lender and the Servicer for all reasonable amounts expended, advanced or incurred by the Governmental Lender, the Funding Lender and the Servicer to collect the Borrower Note, or to enforce the rights of the Governmental Lender, the Funding Lender and the Servicer under this Borrower Loan Agreement or any other Borrower Loan Document, or to defend or assert the rights and claims of the Governmental Lender, the Funding Lender and the Servicer under the Borrower Loan Documents and the Funding Loan Documents arising out of an Event of Default or with respect to the Project (by litigation or other proceedings) arising out of an Event of Default, which amounts will include all court costs, attorneys' fees and expenses, fees of auditors and accountants, and investigation expenses as may be reasonably incurred by the Governmental Lender, the Funding Lender and the Servicer in connection with any such matters (whether or not litigation is instituted), together with interest at the Default Rate on each such amount from the Date of Disbursement until the date of reimbursement to the Governmental Lender, the Funding Lender and the Servicer, all of which shall constitute part of the Borrower Loan and the Funding Loan and shall be secured by the Borrower Loan Documents and the Funding Loan Documents. The obligations and liabilities of the Borrower under this Section 5.14 shall survive the Term of this Borrower Loan Agreement and the exercise by the Governmental Lender, the Funding Lender or the Servicer, as the case may be, of any of its rights or remedies under the Borrower Loan Documents and the Funding Loan Documents, including the acquisition of the Project by foreclosure or a conveyance in lieu of foreclosure. Notwithstanding the foregoing, the Borrower shall not be obligated to pay amounts incurred as a result of the gross negligence or willful misconduct of any other party, and any obligations of the Borrower to pay for environmental inspections or audits will be governed by Section 18(i) of the Security Instrument.

Section 5.15 Indemnity. In addition to its other obligations hereunder, and in addition to any and all rights of reimbursement, indemnification, subrogation and other rights of Governmental Lender or Funding Lender pursuant hereto and under law or equity, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, the Funding Lender, the Servicer, the Beneficiary Parties, Citigroup, Inc. and each of their respective officers, directors, employees, attorneys and agents (each an "Indemnified Party"), against any and all losses, damages, claims, actions, liabilities, reasonable costs and expenses of any nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement (to the extent that the

Borrower has consented to such settlement) and amounts paid to discharge judgments) (hereinafter, the "Liabilities") to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to:

(a) The Borrower Loan Documents and the Funding Loan Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the sale, transfer or resale of the Borrower Loan or the Funding Loan, except [as to any Indemnified Party other than the Governmental Lender] with respect to any Secondary Market Disclosure Document (other than any Borrower's obligations under Article IX);

(b) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Borrower Loan, the Funding Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, construction, installation or rehabilitation of, the Project or any part thereof;

(c) Any lien (other than a Permitted Encumbrance) or charge upon payments by the Borrower to the Governmental Lender or the Funding Lender hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and Other Charges imposed on the Governmental Lender or the Funding Lender in respect of any portion of the Project;

(d) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof during the period in which the Borrower is in possession or control of the Project;

(e) The enforcement of, or any action taken by the Governmental Lender or the Funding Lender related to remedies under, this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents;

(f) [Reserved];

(g) Any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower made in the course of Borrower applying for the Borrower Loan or the Funding Loan or contained in any of the Borrower Loan Documents or Funding Loan Documents to which the Borrower is a party;

(h) Any Determination of Taxability;

(i) Any breach (or alleged breach) by Borrower of any representation, warranty or covenant made in or pursuant to this Borrower Loan Agreement or in connection with any written or oral representation, presentation, report, appraisal or other information given or delivered by Borrower, Manager, Guarantor or their Affiliates to Governmental Lender, the Funding Lender, Servicer or any other Person in connection

with Borrower's application for the Borrower Loan and the Funding Loan (including, without limitation, any breach or alleged breach by Borrower of any agreement with respect to the provision of any substitute credit enhancement);

(j) any failure (or alleged failure) by Borrower, the Funding Lender or Governmental Lender to comply with applicable federal and state laws and regulations pertaining to the making of the Borrower Loan and the Funding Loan;

(k) the Project, or the condition, occupancy, use, possession, conduct or management of, or work done in or about, or from the planning, design, acquisition, installation, construction, equipping or rehabilitation of, the Project or any part thereof; or

(l) the use of the proceeds of the Borrower Loan and the Funding Loan,

except in the case of the foregoing indemnification of the Governmental Lender, the Funding Lender or the Servicer or any related Indemnified Party, to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party.

Without limiting the foregoing, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, and each of its officers, officials, directors, employees, attorneys and agents ("City Indemnified Parties") against any Liability to which the City Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise and to the extent arising out of or based upon or in any way relating to any declaration of taxability of interest on the Funding Loan or allegations (or regulatory inquiry) that interest on the Funding Loan is taxable for federal income tax purposes, except to the extent such damages are caused by the gross negligence or willful misconduct of a City Indemnified Party.

Notwithstanding anything herein to the contrary, the Borrower's indemnification obligations to the parties specified in Section 9.1.4 hereof with respect to any securitization or Secondary Market Transaction described in Article IX hereof shall be limited to the indemnity set forth in Section 9.1.4 hereof. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party (which notice shall be timely given so as not to materially impair the Borrower's right to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement, which approval shall not be unreasonably withheld. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof; provided, however, the Governmental Lender shall have the absolute right to employ separate counsel at the expense of the Borrower. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if and only if in such Indemnified Party's good faith judgment (based on the advice of counsel) a conflict of interest exists or could

arise by reason of common representation, except that the Borrower shall always pay the reasonable fees and expenses of the Governmental Lender's separate counsel.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Borrower Loan Agreement or the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 5.15 if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless the Governmental Lender and the Funding Lender have consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

The rights of any persons to indemnity and the right to payment of fees and reimbursement of expenses hereunder shall survive the final payment or defeasance of the Borrower Loan and the Funding Loan and in the case of the Servicer, any resignation or removal. The provisions of this Section 5.15 shall survive the termination of this Borrower Loan Agreement.

Nothing in this Section 5.15 shall in any way limit the Borrower's indemnification and other payment obligations set forth in the Regulatory Agreement.

Section 5.16 No Warranty of Condition or Suitability by the Governmental Lender or Funding Lender. Neither the Governmental Lender nor the Funding Lender makes any warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Borrower's purposes or needs.

Section 5.17 Right of Access to the Project. The Borrower agrees that the Governmental Lender, the Funding Lender, the Servicer and the Construction Consultant, and their duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right, but no obligation at all reasonable times during business hours and upon reasonable notice, to enter onto the Land (a) to examine, test and inspect the Project without material interference or prejudice to the Borrower's operations and (b) to perform such work in and about the Project made necessary by reason of the Borrower's default under any of the provisions of this Borrower Loan Agreement. The Governmental Lender, the Funding Lender, the Servicer, and their duly authorized agents, attorneys, accountants and representatives shall also be permitted, without any obligation to do so, at all reasonable times and upon reasonable notice during business hours, to examine the books and records of the Borrower with respect to the Project.

Section 5.18 Notice of Default. The Borrower will provide the Governmental Lender, the Funding Lender and the Servicer as soon as possible, and in any event not later than five (5) Business Days after the occurrence of any Potential Default or Event of Default with a statement of an Authorized Representative of Borrower describing the details of such Potential Default or Event of Default and any curative action Borrower proposes to take.

Section 5.19 Covenant with Governmental Lender and Funding Lender. The Borrower agrees that this Borrower Loan Agreement is executed and delivered in part to induce the purchase by others of the Governmental Lender Note and, accordingly, all covenants and agreements of the Borrower contained in this Borrower Loan Agreement are hereby declared to

be for the benefit of the Governmental Lender, the Funding Lender and any lawful owner, holder or pledgee of the Borrower Note or the Governmental Lender Note from time to time.

Section 5.20 Obligation of the Borrower to Construct or Rehabilitate the Project. The Borrower shall proceed with reasonable dispatch to construct or rehabilitate, as appropriate, and equip the Project. If the proceeds of the Borrower Loan, together with the Other Borrower Moneys, available to be disbursed to the Borrower are not sufficient to pay the costs of such construction or rehabilitation, as appropriate, and equipping, the Borrower shall pay such additional costs from its own funds. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Funding Lender or the Servicer in respect of any such costs or to any diminution or abatement in the repayment of the Borrower Loan. The Governmental Lender and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed or if the proceeds of the Borrower Loan are insufficient to pay all costs of the Project. The Governmental Lender and the Funding Lender do not make any representation or warranty, either express or implied, that moneys, if any, which will be made available to the Borrower will be sufficient to complete the Project, and the Governmental Lender and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed.

Section 5.21 Maintenance of Insurance. Borrower will maintain the insurance required by the Security Instrument.

Section 5.22 Information; Statements and Reports. Borrower shall furnish or cause to be furnished to Governmental Lender and Funding Lender:

(a) Financial Statements; Rent Rolls. In the manner and to the extent required under the Security Instrument, such financial statements, expenses statements, rent rolls, reports and other financial documents and information as required by the Security Instrument and the other Borrower Loan Documents and Funding Loan Documents, in the form and within the time periods required therein;

(b) Manager. As soon as available and in any event within one hundred twenty (120) days after the end of each fiscal year of Manager, copies of the financial statements of Manager as of such date, prepared in substantially the form previously delivered to the Governmental Lender and Funding Lender and in a manner consistent therewith, or in such form (which may include a form prepared in accordance with GAAP) as Funding Lender may reasonably request;

(c) Leasing Reports. Prior to the Conversion Date, on a monthly basis (and in any event within fifteen (15) days after the end of each Calendar Month), a report of all efforts made by Borrower, if any, to lease all or any portion of the Project during such Calendar Month and on a cumulative basis since Project inception, which report shall be prepared and delivered by Borrower, shall be in form and substance satisfactory to Funding Lender, and shall, if requested by Funding Lender, be supported by copies of letters of intent, leases or occupancy agreements, as applicable;

(d) Audit Reports. Promptly upon receipt thereof, copies of all reports, if any, submitted to Borrower by independent public accountants in connection with each annual, interim or special audit of the financial statements of Borrower made by such accountants, including the comment letter submitted by such accountants to management in connection with their annual audit;

(e) Notices; Certificates or Communications. Immediately upon giving or receipt thereof, copies of any notices, certificates or other communications delivered at the Project or to Borrower or Manager naming Governmental Lender or Funding Lender as addressee or which could reasonably be deemed to affect the structural integrity of the Project or the ability of Borrower to perform its obligations under the Borrower Loan Documents and the Funding Loan Documents;

(f) Certification of Non-Foreign Status. Promptly upon request of Funding Lender from time to time, a Certification of Non-Foreign Status, executed on or after the date of such request by Funding Lender;

(g) Compliance Certificates. Together with each of the documents required pursuant to Section 5.22(a) hereof submitted by or on behalf of Borrower, a statement, in form and substance satisfactory to Funding Lender and certified by an Authorized Borrower Representative, to the effect that Borrower is in compliance with all covenants, terms and conditions applicable to Borrower, under or pursuant to the Borrower Loan Documents and the Funding Loan Documents and under or pursuant to any other Debt owing by Borrower to any Person, and disclosing any noncompliance therewith, and any Event of Default or Potential Default, and describing the status of Borrower's actions to correct such noncompliance, Event of Default or Potential Default, as applicable; and

(h) Other Items and Information. Such other information concerning the assets, business, financial condition, operations, property, prospects and results of operations of Borrower, Manager, Guarantor or the Project, as Funding Lender or Governmental Lender reasonably requests from time to time.

Section 5.23 Additional Notices. Borrower will, promptly after becoming aware thereof, give notice to Funding Lender and the Governmental Lender of:

(a) any Lien affecting the Project, or any part thereof, other than Liens expressly permitted under this Borrower Loan Agreement;

(b) any Legal Action which is instituted by or against Borrower, Manager or Guarantor, or any Legal Action which is threatened against Borrower, Manager or Guarantor which, in any case, if adversely determined, could have a material adverse effect upon the business, operations, properties, prospects, assets, management, ownership or condition (financial or otherwise) of Borrower, Manager, Guarantor or the Project;

(c) any Legal Action which constitutes an Event of Default or a Potential Default or a default under any other Contractual Obligation to which Borrower, Manager or Guarantor is a party or by or to which Borrower, Manager or Guarantor, or any of their

respective properties or assets, may be bound or subject, which default would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, Manager or Guarantor, as applicable;

(d) any default, alleged default or potential default on the part of Borrower under any of the CC&R's (together with a copy of each notice of default, alleged default or potential default received from any other party thereto);

(e) any notice of default, alleged default or potential default on the part of Borrower received from any tenant or occupant of the Project under or relating to its lease or occupancy agreement (together with a copy of any such notice), if, in the aggregate, notices from at least fifteen percent (15%) of the tenants at the Project have been received by Borrower with respect to, or alleging, the same default, alleged default or potential default;

(f) any change or contemplated change in (i) the location of Borrower's, or Manager's executive headquarters or principal place of business; (ii) the legal, trade, or fictitious business names used by Borrower or Manager; or (iii) the nature of the trade or business of Borrower; and

(g) any default, alleged default or potential default on the part of any general or limited partner (including, without limitation, Manager and the Equity Investor) under the Operating Agreement.

Section 5.24 Compliance with Other Agreements; Legal Requirements.

(a) Borrower shall timely perform and comply with, and shall cause Manager to timely perform and comply with the covenants, agreements, obligations and restrictions imposed on them under the Operating Agreement, and Borrower shall not do or permit to be done anything to impair any such party's rights or interests under any of the foregoing.

(b) Borrower will comply and, to the extent it is able, will require others to comply with, all Legal Requirements of all Governmental Authorities having jurisdiction over the Project or construction and/or rehabilitation of the Improvements, and will furnish Funding Lender with reports of any official searches for or notices of violation of any requirements established by such Governmental Authorities. Borrower will comply and, to the extent it is able, will require others to comply, with applicable CC&R's and all restrictive covenants and all obligations created by private contracts and leases which affect ownership, construction, rehabilitation, equipping, fixturing, use or operation of the Project, and all other agreements requiring a certain percentage of the Units to be rented to persons of low or moderate income. The Improvements, when completed, shall comply with all applicable building, zoning and other Legal Requirements, and will not violate any restrictions of record against the Project or the terms of any other lease of all or any portion of the Project. Funding Lender shall at all times have the right to audit, at Borrower's expense, Borrower's compliance with any agreement requiring a certain

percentage of the Units to be rented to persons of low or moderate income, and Borrower shall supply all such information with respect thereto as Funding Lender may request and otherwise cooperate with Funding Lender in any such audit. Without limiting the generality of the foregoing, Borrower shall properly obtain, comply with and keep in effect (and promptly deliver copies to Funding Lender of) all permits, licenses and approvals which are required to be obtained from Governmental Authorities in order to construct, occupy, operate, market and lease the Project.

Section 5.25 Completion and Maintenance of Project. Borrower shall cause the construction or rehabilitation, as the case may be, of the Improvements, to be prosecuted with diligence and continuity and completed substantially in accordance with the Plans and Specifications, and in accordance with the Construction Funding Agreement, free and clear of any liens or claims for liens (but without prejudice to Borrower's rights of contest under Section 10.16 hereof) ("Completion") on or before the Completion Date. Borrower shall thereafter maintain the Project as a residential apartment complex in good order and condition, ordinary wear and tear excepted. A maintenance program shall be in place at all times to assure the continuation of first class maintenance.

Section 5.26 Fixtures. Borrower shall deliver to Funding Lender, on demand, any contracts, bills of sale, statements, receipted vouchers or agreements under which Borrower or any other Person claims title to any materials, fixtures or articles incorporated into the Improvements.

Section 5.27 Income from Project. Borrower shall first apply all Gross Income to Expenses of the Project, including all amounts then required to be paid under the Borrower Loan Documents and the Funding Loan Documents and the funding of all sums necessary to meet the Replacement Reserve Fund Requirement before using or applying such Gross Income for any other purpose. Prior to the Conversion Date, Borrower shall not make or permit any distributions or other payments of Net Operating Income to its partners, shareholders or members, as applicable, in each case, without the prior Written Consent of Funding Lender.

Section 5.28 Leases and Occupancy Agreements.

(a) Lease Approval.

(i) Borrower has submitted to Funding Lender, and Funding Lender has approved, Borrower's standard form of tenant lease (the "Tenant Lease Form") for use in the Project. Borrower shall not materially modify the Tenant Lease Form without Funding Lender's prior Written Consent in each instance, which consent shall not be unreasonably withheld or delayed. Borrower may enter into leases of space within the Improvements (and amendments to such leases) in the ordinary course of business with bona fide third party tenants without Funding Lender's prior Written Consent if:

(A) The Tenant Lease Form is a Permitted Lease, and is executed in the form attached as an exhibit to the Construction Funding Agreement without material modification;

(B) Borrower, acting in good faith following the exercise of due diligence, has determined that the tenant meets requirements imposed under any applicable CC&R and is financially capable of performing all of its obligations under the Tenant Lease Form; and

(C) The Tenant Lease Form conforms to the Rent Schedule attached as an exhibit to the Construction Funding Agreement and reflects an arm's-length transaction, subject to the requirement that the Borrower comply with any applicable CC&R.

(ii) If any Event of Default has occurred and is continuing, Funding Lender may make written demand on Borrower to submit all future leases for Funding Lender's approval prior to execution. Borrower shall comply with any such demand by Funding Lender.

(iii) No approval of any lease by Funding Lender shall be for any purpose other than to protect Funding Lender's security for the Borrower Loan and to preserve Funding Lender's rights under the Borrower Loan Documents and the Funding Loan Documents. No approval by Funding Lender shall result in a waiver of any default of Borrower. In no event shall any approval by Funding Lender of a lease be a representation of any kind with regard to the lease or its enforceability, or the financial capacity of any tenant or guarantor.

(b) Obligations. Borrower shall perform all obligations required to be performed by it as landlord under any lease affecting any part of the Project or any space within the Improvements.

(c) Leasing and Marketing Agreements. Except as may be contemplated in the Management Agreement with the Property Manager, Borrower shall not without the approval of Funding Lender enter into any leasing or marketing agreement and Funding Lender reserves the right to approve the qualifications of any marketing or leasing agent.

Section 5.29 Project Agreements and Licenses. To the extent not heretofore delivered to Funding Lender, Borrower will furnish to Funding Lender, as soon as available, true and correct copies of all Project Agreements and Licenses and the Plans and Specifications, together with assignments thereof to Funding Lender and consents to such assignments where required by Funding Lender, all in form and substance acceptable to Funding Lender. Neither Borrower nor Manager has assigned or granted, or will assign or grant, a security interest in any of the Project Agreements and Licenses, other than to Funding Lender.

Section 5.30 Payment of Debt Payments. In addition to its obligations under the Borrower Note, Borrower will (i) duly and punctually pay or cause to be paid all principal of and interest on any Debt of Borrower as and when the same become due on or before the due date; (ii) comply with and perform all conditions, terms and obligations of other instruments or agreements evidencing or securing such Debt; (iii) promptly inform Funding Lender of any default, or anticipated default, under any such note, agreement, instrument; and (iv) forward to Funding Lender a copy of any notice of default or notice of any event that might result in default

under any such note, agreement, instrument, including Liens encumbering the Project, or any portion thereof, which have been subordinated to the Security Instrument (regardless of whether or not permitted under this Borrower Loan Agreement).

Section 5.31 ERISA. Borrower will comply, and will cause each of its ERISA Affiliates to comply, in all respects with the provisions of ERISA.

Section 5.32 Patriot Act Compliance. Borrower shall use its good faith and commercially reasonable efforts to comply with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. Funding Lender shall have the right to audit Borrower's compliance with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. In the event that Borrower fails to comply with the Patriot Act or any such requirements of Governmental Authorities, then Funding Lender may, at its option, cause Borrower to comply therewith and any and all costs and expenses incurred by Funding Lender in connection therewith shall be secured by the Security Instrument and shall be immediately due and payable.

Borrower covenants that it shall comply with all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect. Without limiting the foregoing, Borrower shall not take any action, or permit any action to be taken, that would cause Borrower's representations and warranties in this Article V become untrue or inaccurate at any time during the term of the Funding Loan. Upon any Beneficiary Party's request from time to time during the term of the Funding Loan, Borrower shall certify in writing to such Beneficiary Party that Borrower's representations, warranties and obligations under Article V remain true and correct and have not been breached, and in addition, upon request of any Beneficiary Party, Borrower covenants to provide all information required to satisfy obligations under all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect, during the term of the Funding Loan. Borrower shall immediately notify the Funding Lender in writing of (a) Borrower's actual knowledge that any of such representations, warranties or covenants are no longer true and have been breached, (b) Borrower has a reasonable basis to believe that they may no longer be true and have been breached or (c) Borrower becomes the subject of an investigation by Governmental Authorities related to money laundering, anti-terrorism, trade embargos and economic sanctions. Borrower shall also reimburse Funding Lender for any expense incurred by Funding Lender in evaluating the effect of an investigation by Governmental Authorities on the Funding Loan and Funding Lender's interest in the collateral for the Funding Loan, in obtaining necessary license from Governmental Authorities as may be necessary for Funding Lender to enforce its rights under the Funding Loan Documents, and in complying with all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect applicable to Funding Lender as a result of the existence of such an event and for any penalties or fines imposed upon Funding Lender as a result thereof.

Section 5.33 Funds from Equity Investor. Borrower shall cause the Equity Investor to fund all installments of the Equity Contributions in the amounts and at the times subject and according to the terms of the Operating Agreement.

Section 5.34 Tax Covenants. The Borrower further represents, warrants and covenants as follows:

(a) General. The Borrower shall not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the exclusion of interest on the Governmental Lender Note from gross income (as defined in Section 61 of the Code), for federal income tax purposes and, if it should take or permit any such action, the Borrower will take all lawful actions that it can take to rescind such action promptly upon having knowledge thereof and that the Borrower will take such action or actions, including amendment of this Borrower Loan Agreement, the Security Instrument and the Regulatory Agreement, as may be necessary, in the opinion of Tax Counsel, to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service applicable to the Governmental Lender Note, the Funding Loan or affecting the Project. Capitalized terms used in this Section 5.34 shall have the respective meanings assigned to them in the Regulatory Agreement or, if not defined therein, in the Funding Loan Agreement. With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that, prior to the final maturity of the Governmental Lender Note, unless it has received and filed with the Governmental Lender and the Funding Lender a Tax Counsel No Adverse Effect Opinion (other than with respect to interest on any portion of the Governmental Lender Note for a period during which such portion of the Governmental Lender Note is held by a "substantial user" of any facility financed with the proceeds of the Governmental Lender Note or a "related person," as such terms are used in Section 147(a) of the Code), the Borrower will comply with this Section 5.34.

(b) Use of Proceeds. The use of the net proceeds of the Funding Loan at all times will satisfy the following requirements:

(i) Limitation on Net Proceeds. At least 95% of the net proceeds of the Funding Loan (within the meaning of the Code) actually expended shall be used to pay Qualified Project Costs that are costs of a "qualified residential rental project" (within the meaning of Sections 142(a)(7) and 142(d) of the Code) and property that is "functionally related and subordinate" thereto (within the meaning of Sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii) of the Regulations).

(ii) Limit on Costs of Funding. The proceeds of the Funding Loan will be expended for the purposes set forth in this Borrower Loan Agreement and in the Funding Loan Agreement and no portion thereof in excess of two percent of the proceeds of the Funding Loan, within the meaning of Section 147(g) of the Code, will be expended to pay Costs of Funding of the Funding Loan.

(iii) Prohibited Facilities. The Borrower shall not use or permit the use of any proceeds of the Funding Loan or any income from the investment thereof to provide any airplane, skybox, or other private luxury box, health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(iv) Limitation on Land. Less than 25 percent of the net proceeds of the Funding Loan actually expended will be used, directly or indirectly, for the acquisition of land or an interest therein, nor will any portion of the net proceeds of the Funding Loan be used, directly or indirectly, for the acquisition of land or an interest therein to be used for farming purposes.

(v) Limitation on Existing Facilities. No portion of the net proceeds of the Funding Loan will be used for the acquisition of any existing property or an interest therein unless (A) the first use of such property is pursuant to such acquisition or (B) the rehabilitation expenditures with respect to any building and the equipment therefor equal or exceed 15 percent of the cost of acquiring such building financed with the proceeds of the Funding Loan (with respect to structures other than buildings, this clause shall be applied by substituting 100 percent for 15 percent). For purposes of the preceding sentence, the term "rehabilitation expenditures" shall have the meaning set forth in Section 147(d)(3) of the Code.

(vi) Accuracy of Information. The information furnished by the Borrower and used by the Governmental Lender in preparing its certifications with respect to Section 148 of the Code and the Borrower's information statement pursuant to Section 149(e) of the Code is accurate and complete as of the date of origination of the Funding Loan.

(vii) Limitation of Project Expenditures. The acquisition, construction and equipping of the Project were not commenced (within the meaning of Section 144(a) of the Code) prior to the 60th day preceding the adoption of the resolution of the Governmental Lender with respect to the Project on January 25, 2017, and no obligation for which reimbursement will be sought from proceeds of the Funding Loan relating to the acquisition, construction or equipping of the Project was paid or incurred prior to 60 days prior to such date, except for permissible "preliminary expenditures", which include architectural, engineering surveying, soil testing, reimbursement bond issuance and similar costs incurred prior to the commencement of construction, rehabilitation or acquisition of the Project, and which do not exceed 20% of the aggregate issue price of the Governmental Lender Note.

(viii) Qualified Costs. The Borrower hereby represents, covenants and warrants that the proceeds of the Funding Loan shall be used or deemed used exclusively to pay costs which are (A) capital expenditures (as defined in Section 1.150-1(b) of the Code's regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 147(d) of the Code and that

for the greatest number of buildings the proceeds of the Governmental Lender Note shall be deemed allocated on a pro rata basis to each building in the Project and the land on which it is located so that each building and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of the Governmental Lender Note for the purpose of complying with Section 42(h)(4)(B) of the Code; provided however, the foregoing representation, covenant and warranty is made for the benefit of the Borrower and its partners and neither the Funding Lender nor the Governmental Lender shall have any obligation to enforce this statement nor shall they incur any liability to any person, including without limitation, the Borrower, the partners of the Borrower, any other affiliate of the Borrower or the holders or payees of the Governmental Lender Note and the Borrower Note for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with this representation, covenant and warranty shall not constitute a default or event of default under this Borrower Loan Agreement or the Funding Loan Agreement.

(c) Limitation on Maturity. The average maturity of the Governmental Lender Note does not exceed 120 percent of the average reasonably expected economic life of the Project to be financed by the Funding Loan, weighted in proportion to the respective cost of each item comprising the property the cost of which has been or will be financed, directly or indirectly, with the Net Proceeds of the Funding Loan. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (A) the Closing Date for the Funding Loan or (B) the date on which such property is placed in service (or expected to be placed in service). In addition, land shall not be taken into account in determining the reasonably expected economic life of property.

(d) No Arbitrage. The Borrower shall not take any action or omit to take any action with respect to the Gross Proceeds of the Governmental Lender Note or of any amounts expected to be used to pay the principal thereof or the interest thereon which, if taken or omitted, respectively, would cause the Governmental Lender Note to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. Except as provided in the Funding Loan Agreement and this Borrower Loan Agreement, the Borrower shall not pledge or otherwise encumber, or permit the pledge or encumbrance of, any money, investment, or investment property as security for payment of any amounts due under this Borrower Loan Agreement or the Borrower Note relating to the Governmental Lender Note, shall not establish any segregated reserve or similar fund for such purpose and shall not prepay any such amounts in advance of the redemption date of an equal principal amount of the Governmental Lender Note, unless the Borrower has obtained in each case a Tax Counsel No Adverse Effect Opinion with respect to such action, a copy of which shall be provided to the Governmental Lender and the Funding Lender. The Borrower shall not, at any time prior to the final maturity of the Governmental Lender Note, invest or cause any Gross Proceeds to be invested in any investment (or to use Gross Proceeds to replace money so invested), if, as a result of such investment the Yield of all investments acquired with Gross Proceeds (or with money replaced thereby) on or prior to the date of such investment exceeds the Yield of the

Governmental Lender Note to the Maturity Date, except as permitted by Section 148 of the Code and Regulations thereunder or as provided in the Regulatory Agreement. The Borrower further covenants and agrees that it will comply with all applicable requirements of said Section 148 and the rules and Regulations thereunder relating to the Governmental Lender Note and the interest thereon, including the employment of a Rebate Analyst acceptable to the Governmental Lender and Funding Lender at all times from and after the Closing Date for the calculation of rebatable amounts to the United States Treasury Department. The Borrower agrees that it will cause the Rebate Analyst to calculate the rebatable amounts not later than forty-five days after the fifth anniversary of the Closing Date and each five years thereafter and not later than forty-five days after the final Computation Date and agrees that the Borrower will pay all costs associated therewith. The Borrower agrees to provide evidence of the employment of the Rebate Analyst satisfactory to the Governmental Lender and Funding Lender.

(e) No Federal Guarantee. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the Borrower shall not take or omit to take any action which would cause the Governmental Lender Note to be "federally guaranteed" within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(f) Representations. The Borrower has supplied or caused to be supplied to Tax Counsel all documents, instruments and written information requested by Tax Counsel, and all such documents, instruments and written information supplied by or on behalf of the Borrower at the request of Tax Counsel, which have been reasonably relied upon by Tax Counsel in rendering its opinion with respect to the exclusion from gross income of the interest on the Governmental Lender Note for federal income tax purposes, are true and correct in all material respects, do not contain any untrue statement of a material fact and do not omit to state any material fact necessary to be stated therein in order to make the information provided therein, in light of the circumstances under which such information was provided, not misleading, and the Borrower is not aware of any other pertinent information which Tax Counsel has not requested.

(g) Qualified Residential Rental Project. The Borrower hereby covenants and agrees that the Project will be operated as a "qualified residential rental project" within the meaning of Section 142(d) of the Code, on a continuous basis during the longer of the Qualified Project Period (as defined in the Regulatory Agreement) or any period during which any portion of the Governmental Lender Note remains outstanding, to the end that the interest on the Governmental Lender Note shall be excluded from gross income for federal income tax purposes. The Borrower hereby covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(h) Information Reporting Requirements. The Borrower will comply with the information reporting requirements of Section 149(e)(2) of the Code requiring certain information regarding the Governmental Lender Note to be filed with the Internal Revenue Service within prescribed time limits.

(i) Governmental Lender Note Not a Hedge Bond. The Borrower covenants and agrees that not more than 50% of the proceeds of the Governmental Lender Note will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more within the meaning of Section 149(l)(3)(A)(ii) of the Code, and the Borrower reasonably expects that at least 85% of the spendable proceeds of the Governmental Lender Note will be used to carry out the governmental purposes of the Governmental Lender Note within the three-year period beginning on the Closing Date.

(j) Termination of Restrictions. Although the parties hereto recognize that, subject to the provisions of the Regulatory Agreement, the provisions of this Borrower Loan Agreement shall terminate in accordance with Section 10.14 hereof, the parties hereto recognize that pursuant to the Regulatory Agreement, certain requirements, including the requirements incorporated by reference in this Section, may continue in effect beyond the term hereof.

(k) Public Approval. The Borrower covenants and agrees that the proceeds of the Governmental Lender Note will not be used in a manner that deviates in any substantial degree from the Project described in the written notice of a public hearing regarding the Governmental Lender Note.

(l) 40/60 Test Election. The Borrower and the Governmental Lender hereby elect to apply the requirements of Section 142(d)(1)(B) to the Project. The Borrower hereby represents, covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(m) Modification of Tax Covenants. Subsequent to the origination of the Funding Loan and prior to its payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Funding Loan Agreement), this Section 5.34 hereof may not be amended, changed, modified, altered or terminated except as permitted herein and by the Funding Loan Agreement and with the Written Consent of the Governmental Lender and the Funding Lender. Anything contained in this Borrower Loan Agreement or the Funding Loan Agreement to the contrary notwithstanding, the Governmental Lender, the Funding Lender and the Borrower hereby agree to amend this Borrower Loan Agreement and, if appropriate, the Funding Loan Agreement and the Regulatory Agreement, to the extent required, in the opinion of Tax Counsel, in order for interest on the Governmental Lender Note to remain excludable from gross income for federal income tax purposes. The party requesting such amendment, which may include the Funding Lender, shall notify the other parties to this Borrower Loan Agreement of the proposed amendment and send a copy of such requested amendment to Tax Counsel. After review of such proposed amendment, Tax Counsel shall render to the Funding Lender and the Governmental Lender an opinion as to the effect of such proposed amendment upon the includability of interest on the Governmental Lender Note in the gross income of the recipient thereof for federal income tax purposes. The Borrower shall pay all necessary fees and expenses incurred with respect to such amendment. The Borrower, the Governmental Lender and, where applicable, the Funding Lender per written instructions from the Governmental Lender shall execute, deliver and, if applicable, the Borrower shall file of record, any and all

documents and instruments, including without limitation, an amendment to the Regulatory Agreement, with a file-stamped copy to the Funding Lender, necessary to effectuate the intent of this Section 5.34, and the Borrower and the Governmental Lender hereby appoint the Funding Lender as their true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved by and upon instruction of Tax Counsel) if either the Borrower or the Governmental Lender defaults in the performance of its obligation under this Section 5.34; provided, however, that the Funding Lender shall take no action under this Section 5.34 without first notifying the Borrower or the Governmental Lender, as is applicable, of its intention to take such action and providing the Borrower or the Governmental Lender, as is applicable, a reasonable opportunity to comply with the requirements of this Section 5.34.

The Borrower irrevocably authorizes and directs the Funding Lender and any other agent designated by the Governmental Lender to make payment of such amounts from funds of the Borrower, if any, held by the Funding Lender, or any agent of the Governmental Lender or the Funding Lender. The Borrower further covenants and agrees that, pursuant to the requirements of Treasury Regulation Section 1.148-1(b), it (or any related person contemplated by such regulations) will not purchase interests in the Governmental Lender Note in an amount related to the amount of the Borrower Loan.

Section 5.35 Payment of Rebate.

(a) Arbitrage Rebate. The Borrower agrees to take all steps necessary to compute and pay any rebatable arbitrage relating to the Funding Loan or the Governmental Lender Note in accordance with Section 148(f) of the Code including:

(i) Delivery of Documents and Money on Computation Dates. The Borrower will deliver to the Servicer, within 55 days after each Computation Date:

(A) a statement, signed by the Borrower, stating the Rebate Amount as of such Computation Date;

(B) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90% of the Rebate Amount as of such Installment Computation Date, less any "previous rebate payments" made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations), or (2) if such Computation Date is the final Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to the Rebate Amount as of such final Computation Date, less any "previous rebate payments" made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations), and

(C) an Internal Revenue Service Form 8038-T properly signed and completed as of such Computation Date.

(ii) Correction of Underpayments. If the Borrower shall discover or be notified as of any date that any payment paid to the United States Treasury pursuant to this Section 5.35 of an amount described in Section 5.35(a)(i)(A) or (B) above shall have failed to satisfy any requirement of Section 1.148-3 of the Regulations (whether or not such failure shall be due to any default by the Borrower, the Governmental Lender or the Funding Lender), the Borrower shall (1) pay to the Servicer (for deposit to the Rebate Fund) and cause the Servicer to pay to the United States Treasury from the Rebate Fund the underpayment of the Rebate Amount, together with any penalty and/or interest due, as specified in Section 1.148-3(h) of the Regulations, within 175 days after any discovery or notice and (2) deliver to the Servicer an Internal Revenue Service Form 8038-T completed as of such date. If such underpayment of the Rebate Amount, together with any penalty and/or interest due, is not paid to the United States Treasury in the amount and manner and by the time specified in the Regulations, the Borrower shall take such steps as are necessary to prevent the Governmental Lender Note from becoming an arbitrage bond within the meaning of Section 148 of the Code.

(iii) Records. The Borrower shall retain all of its accounting records relating to the funds established under this Borrower Loan Agreement and all calculations made in preparing the statements described in this Section 5.35 for at least six years after the later of the final maturity of the Governmental Lender Note or the date the Funding Loan is retired in full.

(iv) Costs. The Borrower agrees to pay all of the fees and expenses of a nationally recognized Tax Counsel, the Rebate Analyst, a certified public accountant and any other necessary consultant employed by the Borrower or the Funding Lender in connection with computing the Rebate Amount.

(v) No Diversion of Rebatable Arbitrage. The Borrower will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the Gross Proceeds of the Funding Loan which is not purchased at Fair Market Value or includes terms that the Borrower would not have included if the Funding Loan were not subject to Section 148(f) of the Code.

(vi) Modification of Requirements. If at any time during the term of this Borrower Loan Agreement, the Governmental Lender, the Funding Lender or the Borrower desires to take any action which would otherwise be prohibited by the terms of this Section 5.35, such Person shall be permitted to take such action if it shall first obtain and provide to the other Persons named herein a Tax Counsel No Adverse Effect Opinion with respect to such action.

(b) Rebate Fund. The Servicer shall establish and hold a separate fund designated as the "Rebate Fund." The Servicer shall deposit or transfer to the credit of the Rebate Fund each amount delivered to the Servicer by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto.

(c) Within 15 days after each receipt or transfer of funds to the Rebate Fund, the Servicer shall withdraw from the Rebate Fund and pay to the United States of America the entire balance of the Rebate Fund.

(d) All payments to the United States of America pursuant to this Section 5.35 shall be made by the Servicer for the account and in the name of the Governmental Lender and shall be paid through the United States Mail (return receipt requested or overnight delivery), addressed to the appropriate Internal Revenue Service Center and accompanied by the appropriate Internal Revenue Service forms (such forms to be provided to the Servicer by the Borrower or the Rebate Analyst as set forth in this Section 5.35).

(e) The Borrower shall preserve all statements, forms and explanations received delivered pursuant this Section 5.35 and all records of transactions in the Rebate Fund until six years after the retirement of the Funding Loan.

(f) Moneys and securities held in the Rebate Fund shall not be deemed funds of the Funding Lender or of the Governmental Lender and are not pledged or otherwise subject to any security interest in favor of the Funding Lender to secure the Funding Loan or any other obligations.

(g) Notwithstanding anything to the contrary in this Borrower Loan Agreement, no payment shall be made to the United States if the Borrower shall furnish to the Governmental Lender and the Funding Lender an opinion of Tax Counsel to the effect that such payment is not required under Section 148(d) and (f) of the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Governmental Lender Note. In such event, the Borrower shall be entitled to withdraw funds from the Rebate Fund to the extent the Borrower shall provide a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Funding Lender with respect to such withdrawal.

(h) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.35 need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on a Tax Counsel No Adverse Effect Opinion, a copy of which shall be provided to the Funding Lender.

Section 5.36 Covenants under Funding Loan Agreement. The Borrower will fully and faithfully perform all the duties and obligations which the Governmental Lender has covenanted and agreed in the Funding Loan Agreement to cause the Borrower to perform and any duties and obligations which the Borrower is required in the Funding Loan Agreement to

perform. The foregoing will not apply to any duty or undertaking of the Governmental Lender which by its nature cannot be delegated or assigned.

Section 5.37 Continuing Disclosure Agreement. The Borrower and the Funding Lender shall enter into the Continuing Disclosure Agreement to provide for the continuing disclosure of information about the Governmental Lender Note, the Borrower and other matters as specifically provided for in such agreement.

ARTICLE VI

Borrower covenants and agrees that it will not, directly or indirectly:

Section 6.1 Management Agreement. Without first obtaining the Funding Lender's prior Written Consent, enter into the Management Agreement, and thereafter the Borrower shall not, without the Funding Lender's prior Written Consent (which consent shall not be unreasonably withheld) and subject to the Regulatory Agreement: (i) surrender, terminate or cancel the Management Agreement or otherwise replace the Property Manager or enter into any other management agreement; (ii) reduce or consent to the reduction of the term of the Management Agreement; (iii) increase or consent to the increase of the amount of any charges under the Management Agreement; (iv) otherwise modify, change, supplement, alter or amend in any material respect, or waive or release in any material respect any of its rights and remedies under, the Management Agreement; or (v) suffer or permit the occurrence and continuance of a default beyond any applicable cure period under the Management Agreement (or any successor management agreement) if such default permits the Property Manager to terminate the Management Agreement (or such successor management agreement).

Section 6.2 Dissolution. Dissolve or liquidate, in whole or in part, merge with or consolidate into another Person.

Section 6.3 Change in Business or Operation of Property. Enter into any line of business other than the ownership and operation of the Project, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the continuance of its present business and activities incidental or related thereto or otherwise cease to operate the Project as a multi-family property or terminate such business for any reason whatsoever (other than temporary cessation in connection with construction or rehabilitation, as appropriate, of the Project).

Section 6.4 Debt Cancellation. Cancel or otherwise forgive or release any claim or debt owed to the Borrower by a Person, except for adequate consideration or in the ordinary course of the Borrower's business in its reasonable judgment.

Section 6.5 Assets. Purchase or own any real property or personal property incidental thereto other than the Project.

Section 6.6 Transfers. Make, suffer or permit the occurrence of any Transfer other than a transfer permitted under the Security Instrument, nor transfer any material License required for the operation of the Project.

Section 6.9 Principal Place of Business. Change its principal place of business without providing 30 days' prior Written Notice of the change to the Funding Lender and the Servicer.

Section 6.10 Operating Agreement. Without the Funding Lender's prior Written Consent (which consent shall not be unreasonably withheld) surrender, terminate, cancel, modify, change, supplement, alter or amend in any material respect, or waive or release in any material respect, any of its rights or remedies under the Operating Agreement; provided, however, the consent of Funding Lender is not required for an amendment of the Operating Agreement resulting solely from the "Permitted Transfer" of partnership interests of Borrower as defined in and permitted by the Security Instrument.

Section 6.11 ERISA. Maintain, sponsor, contribute to or become obligated to contribute to, or suffer or permit any ERISA Affiliate of the Borrower to, maintain, sponsor, contribute to or become obligated to contribute to, any Plan, or permit the assets of the Borrower to become "plan assets," whether by operation of law or under regulations promulgated under ERISA.

Section 6.12 No Hedging Arrangements. Without the prior Written Consent of the Funding Lender or unless otherwise required by this Borrower Loan Agreement, the Borrower will not enter into or guarantee, provide security for or otherwise undertake any form of contractual obligation with respect to any interest rate swap, interest rate cap or other arrangement that has the effect of an interest rate swap or interest rate cap or that otherwise (directly or indirectly, derivatively or synthetically) hedges interest rate risk associated with being a debtor of variable rate debt or any agreement or other arrangement to enter into any of the above on a future date or after the occurrence of one or more events in the future.

Section 6.13 Loans and Investments; Distributions; Related Party Payments.

(a) Without the prior Written Consent of Funding Lender in each instance, Borrower shall not (i) lend money, make investments, or extend credit, other than in the

ordinary course of its business as presently conducted; or (ii) repurchase, redeem or otherwise acquire any interest in Borrower, any Borrower Affiliate or any other Person owning an interest, directly or indirectly, in Borrower, or make any distribution, in cash or in kind, in respect of interests in Borrower, any Borrower Affiliate or any other Person owning an interest, directly or indirectly, in Borrower (except to the extent permitted by the Security Instrument and subject to the limitations set forth in Section 5.27 hereof).

(b) Disbursements for fees and expenses of any Borrower Affiliate and developer fees (however characterized) will only be paid to the extent that such fee or expense bears a proportionate relationship to the percentage of completion of the construction or rehabilitation, as the case may be, of the Improvements, as determined by the Construction Consultant, and only after deducting the applicable Retainage. Except as otherwise permitted hereunder or by the Funding Lender, no Disbursements for the Developer Fee or any "deferred developer fees" shall be made prior to the Conversion Date other than in accordance with the Approved Developer Fee Schedule.

Section 6.14 Amendment of Related Documents or CC&R's. Without the prior Written Consent of Funding Lender in each instance, except as provided herein or in the Construction Funding Agreement, Borrower shall not enter into or consent to any amendment, termination, modification, or other alteration of any of the Related Documents or any of the CC&R's (including, without limitation, those contained in the Borrower Loan Agreement, any Architect's Agreement or Engineer's Contract, any Construction Contract, and any Management Agreement, but excluding the Operating Agreement, which is covered by Section 6.10), or any assignment, transfer, pledge or hypothecation of any of its rights thereunder, if any.

Section 6.15 Personal Property. Borrower shall not install materials, personal property, equipment or fixtures subject to any security agreement or other agreement or contract wherein the right is reserved to any Person other than Borrower to remove or repossess any such materials, equipment or fixtures, or whereby title to any of the same is not completely vested in Borrower at the time of installation, without Funding Lender's prior Written Consent; provided, however, that this Section 6.15 shall not apply to laundry equipment or other equipment that is owned by a third-party vendor and commercial tenants.

Section 6.16 Fiscal Year. Without Funding Lender's Written Consent, which shall not be unreasonably withheld, neither Borrower nor Manager shall change the times of commencement or termination of its fiscal year or other accounting periods, or change its methods of accounting, other than to conform to GAAP.

Section 6.17 Publicity. Neither Borrower nor Manager shall issue any publicity release or other communication to any print, broadcast or on-line media, post any sign or in any other way identify Funding Lender or any of its Affiliates as the source of the financing provided for herein, without the prior written approval of Funding Lender in each instance (provided that nothing herein shall prevent Borrower or Manager from identifying Funding Lender or its Affiliates as the source of such financing to the extent that Borrower or Manager are required to do so by disclosure requirements applicable to publicly held companies). Borrower and Manager agree that no sign shall be posted on the Project in connection with the construction or rehabilitation of the Improvements unless such sign identifies Citigroup and its affiliates as the

source of the financing provided for herein or Funding Lender consents to not being identified on any such sign.

Section 6.18 Subordinate Loan Documents. Without Funding Lender's prior written consent, Borrower will not surrender, terminate, cancel, modify, change, supplement, alter, amend, waive, release, assign, transfer, pledge or hypothecate any of its rights or remedies under the Subordinate Loan Documents.

(l) any material litigation or proceeding is commenced before any Governmental Authority against or affecting Borrower, Manager or Guarantor, or property of Borrower, Manager or Guarantor, or any part thereof, and such litigation or proceeding is not defended diligently and in good faith by Borrower, Manager or Guarantor, as applicable, provided that any such material litigation or proceeding against Guarantor shall not constitute an Event of Default: (i) if such material litigation is commenced on or after the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor), or (ii) if such material litigation or proceeding is commenced prior to the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within thirty (30) days after notice thereof from the Funding Lender;

(m) a final judgment or decree for monetary damages in excess of $50,000 or a monetary fine or penalty (not subject to appeal or as to which the time for appeal has expired) is entered against Borrower, Manager or Guarantor by any Governmental Authority, and such judgment, decree, fine or penalty is not paid and discharged or stayed (i) prior to completion of the construction or rehabilitation, as the case may be, of the Improvements, within ten (10) days after entry thereof or (ii) after completion of the construction or rehabilitation, as the case may be, of the Improvements, within thirty (30) days after entry thereof (or such longer period as may be permitted for payment by the terms of such judgment, fine or penalty) , provided that any such judgment, decree, fine or penalty against the Guarantor shall not constitute an Event of Default: (i) if such judgment, decree, fine or penalty is entered on or after the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor), or (ii) if such judgment, decree, fine or penalty is entered prior to the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within thirty (30) days after notice thereof from the Funding Lender;

(n) a final, un-appealable and uninsured money judgment or judgments, in favor of any Person other than a Governmental Authority, in the aggregate sum of $50,000 or more shall be rendered against Borrower, Manager or Guarantor, or against any of their respective assets, that is not paid, superseded or stayed (i) prior to completion of the construction or rehabilitation, as the case may be, of the Improvements, within ten (10) days after entry thereof or (ii) after completion of the construction or rehabilitation, as the case may be, of the Improvements, within thirty (30) days after entry thereof (or such longer period as may be permitted for payment by the terms of such judgment); or any levy of execution, writ or warrant of attachment, or similar process, is entered or filed against Borrower, Manager or Guarantor, or against any of their respective assets (that is likely to have a material adverse effect upon the ability of Borrower, Manager or Guarantor to perform their respective obligations under this Borrower Loan Agreement, any other Borrower Loan Document or any Related Document), and such judgment, writ, warrant or process shall remain unsatisfied, unsettled, unvacated, unbanded and unstayed (i) prior to completion of the construction or rehabilitation, as the case may be, of the Improvements, for a period of ten (10) days or (ii) after completion of the construction or rehabilitation, as the case may be, of the Improvements, for a period of thirty (30) days, or in any event later than five (5) Business Days prior to the date of any proposed sale thereunder, provided that any such judgment, levy, writ, warrant, attachment or similar process against the Guarantor shall not constitute an Event of Default: (i) if such judgment, levy, writ, warrant, attachment or similar process is entered on or after the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor), or (ii) if such judgment, levy, writ, warrant, attachment or similar process is entered prior to the date upon which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within thirty (30) days after notice thereof from the Funding Lender;

(o) the inability of Borrower to satisfy any condition for the receipt of a Disbursement hereunder (other than an Event of Default specifically addressed in this Section 8.1) and failure to resolve the situation to the satisfaction of Funding Lender for a period in excess of thirty (30) days after Written Notice from Funding Lender unless (i) such inability shall have been caused by conditions beyond the control of Borrower, including, without limitation, acts of God or the elements, fire, strikes and disruption of shipping; (ii) Borrower shall have made adequate provision, acceptable to Funding Lender, for the protection of materials stored on-site or off-site and for the protection of the Improvements to the extent then constructed against deterioration and against other loss or damage or theft; (iii) Borrower shall furnish to Funding Lender satisfactory evidence that such cessation of construction or rehabilitation will not adversely affect or interfere with the rights of Borrower under labor and materials contracts or subcontracts relating to the construction or operation of the Improvements; and (iv) Borrower shall furnish to Funding Lender satisfactory evidence that the completion of the construction or rehabilitation of the Improvements can be accomplished by the Completion Date;

(p) the construction or rehabilitation of the Improvements is abandoned or halted prior to completion for any period of thirty (30) consecutive days;

(q) Borrower shall fail to keep in force and effect any material permit, license, consent or approval required under this Borrower Loan Agreement, or any Governmental Authority with jurisdiction over the Mortgaged Property or the Project orders or requires that construction or rehabilitation of the Improvements be stopped, in whole or in part, or that any required approval, license or permit be withdrawn or suspended, and the order, requirement, withdrawal or suspension remains in effect for a period of thirty (30) days;

(r) failure by the Borrower to Substantially Complete the construction or rehabilitation, as the case may be, of the Improvements in accordance with this Borrower Loan Agreement on or prior to the Substantial Completion Date;

(s) failure by Borrower to complete the construction or rehabilitation, as the case may be, of the Improvements in accordance with this Borrower Loan Agreement on or prior to the Completion Date;

(t) failure by Borrower to satisfy the Conditions to Conversion on or before the Outside Conversion Date;

(u) [failure by any Subordinate Lender to disburse the proceeds of its Subordinate Loan in approximately such amounts and at approximately such times as set forth in the Cost Breakdown and in the Subordinate Loan Documents;]

(v) an "Event of Default" or "Default" (as defined in the applicable agreement) shall occur under any of the Subordinate Loan Documents, after the expiration of all applicable notice and cure periods;

(w) Borrower fails to obtain all grading, foundation, building and all other construction permits, licenses and authorizations from all applicable Governmental Authorities or third parties necessary for the completion of the construction or rehabilitation, as the case may be, of the Improvements, and the operation of, and access to, the Project, within [___] days after the Closing Date; or

(x) any failure by the Borrower to perform or comply with any of its obligations under this Borrower Loan Agreement (other than those specified in this Section 8.1), as and when required, which continues for a period of thirty (30) days after written notice of such failure by Funding Lender or the Servicer on its behalf to the Borrower; provided, however, if such failure is susceptible of cure but cannot reasonably be cured within such thirty (30) day period, and the Borrower shall have commenced to cure such failure within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for an additional period of time as is reasonably necessary for the Borrower in the exercise of due diligence to cure such failure, such additional period not to exceed sixty (60) days. However, no such notice or grace period shall apply to the extent such failure could, in the Funding Lender's judgment, absent immediate exercise by the Funding Lender of a right or remedy under this Borrower Loan Agreement, result in harm to the Funding

Lender, impairment of the Borrower Note or this Borrower Loan Agreement or any security given under any other Borrower Loan Document.

Section 8.2 Remedies.

Section 8.2.1 Acceleration. Upon the occurrence of an Event of Default (other than an Event of Default described in paragraph (e), (f) or (i) of Section 8.1) and at any time and from time to time thereafter, as long as such Event of Default continues to exist, in addition to any other rights or remedies available to the Governmental Lender pursuant to the Borrower Loan Documents or at law or in equity, the Funding Lender may, take such action, without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Borrower Payment Obligations to be immediately due and payable (including, without limitation, the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Borrower Note to be immediately due and payable), without notice or demand, and apply such payment of the Borrower Payment Obligations in any manner and in any order determined by Funding Lender, in Funding Lender's sole and absolute discretion; and upon any Event of Default described in paragraph (e), (f) or (i) of Section 8.1, the Borrower Payment Obligations shall become immediately due and payable, without notice or demand, and the Borrower hereby expressly waives any such notice or demand, anything contained in any Borrower Loan Document to the contrary notwithstanding. Notwithstanding anything herein to the contrary, enforcement of remedies hereunder and under the Funding Loan Agreement shall be controlled by the Funding Lender.

Section 8.2.2 Remedies Cumulative. Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to the Funding Lender against the Borrower under the Borrower Loan Documents or at law or in equity may be exercised by the Funding Lender, at any time and from time to time, whether or not all or any of the Borrower Payment Obligations shall be declared due and payable, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Borrower Loan Documents. Any such actions taken by the Funding Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as the Funding Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of the Funding Lender permitted by law, equity or contract or as set forth in the Borrower Loan Documents. Without limiting the generality of the foregoing, the Borrower agrees that if an Event of Default is continuing, all Liens and other rights, remedies or privileges provided to the Funding Lender shall remain in full force and effect until they have exhausted all of its remedies, the Security Instrument has been foreclosed, the Project has been sold and/or otherwise realized upon satisfaction of the Borrower Payment Obligations or the Borrower Payment Obligations has been paid in full. To the extent permitted by applicable law, nothing contained in any Borrower Loan Document shall be construed as requiring the Funding Lender to resort to any portion of the Project for the satisfaction of any of the Borrower Payment Obligations in preference or priority to any other portion, and the Funding Lender may seek satisfaction out of the entire Project or any part thereof, in its absolute discretion.

Notwithstanding any provision herein to the contrary, the Governmental Lender and the Funding Lender agree that any cure of any default made or tendered by the Equity Investor shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 8.2.3 Delay. No delay or omission to exercise any remedy, right, power accruing upon an Event of Default, or the granting of any indulgence or compromise by the Funding Lender shall impair any such remedy, right or power hereunder or be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Potential Default or Event of Default shall not be construed to be a waiver of any subsequent Potential Default or Event of Default or to impair any remedy, right or power consequent thereon. Notwithstanding any other provision of this Borrower Loan Agreement, the Funding Lender reserves the right to seek a deficiency judgment or preserve a deficiency claim, in connection with the foreclosure of the Security Instrument to the extent necessary to foreclose on the Project, the Rents, the funds or any other collateral.

Section 8.2.4 Set Off; Waiver of Set Off. Upon the occurrence of an Event of Default, Funding Lender may, at any time and from time to time, without notice to Borrower or any other Person (any such notice being expressly waived), set off and appropriate and apply (against and on account of any obligations and liabilities of Borrower to Funding Lender arising under or connected with this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents, irrespective of whether or not Funding Lender shall have made any demand therefor, and although such obligations and liabilities may be contingent or unmatured), and Borrower hereby grants to Funding Lender, as security for the Borrower Payment Obligations, a security interest in, any and all deposits (general or special, including but not limited to Debt evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Debt at any time held or owing by Funding Lender to or for the credit or the account of Borrower.

Section 8.2.5 Assumption of Obligations. In the event that the Funding Lender or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Borrower Loan Agreement, the Borrower Note, the Regulatory Agreement, and any other Borrower Loan Documents and Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

Section 8.2.6 Accounts Receivable. Upon the occurrence of an Event of Default, Funding Lender shall have the right, to the extent permitted by law, to impound and take possession of books, records, notes and other documents evidencing Borrower's accounts, accounts receivable and other claims for payment of money, arising in connection with the Project, and to make direct collections on such accounts, accounts receivable and claims for the benefit of Funding Lender.

Section 8.2.7 Defaults under Other Documents. Funding Lender shall have the right to cure any default under any of the Related Documents and the Subordinate Loan Documents, but shall have no obligation to do so.

Section 8.2.8 Abatement of Disbursements. Notwithstanding any provision to the contrary herein or any of the other Borrower Loan Documents or the Funding Loan Documents, Funding Lender's obligation to make further Disbursements shall abate (i) during the continuance of any Potential Default, (ii) after any disclosure to Funding Lender of any fact or circumstance that, absent such disclosure, would cause any representation or warranty of Borrower to fail to be true and correct in all material respects, unless and until Funding Lender elects to permit further Disbursements notwithstanding such event or circumstance; and (iii) upon the occurrence of any Event of Default.

Section 8.2.9 Completion of Improvements. Upon the occurrence of any Event of Default, Funding Lender shall have the right to cause an independent contractor selected by Funding Lender to enter into possession of the Project and to perform any and all work and labor necessary for the completion of the Project substantially in accordance with the Plans and Specifications, if any, and to perform Borrower's obligations under this Borrower Loan Agreement. All sums expended by Funding Lender for such purposes shall be deemed to have been disbursed to and borrowed by Borrower and shall be secured by the Security Documents.

Section 8.2.10 Right to Directly Enforce. Notwithstanding any other provision hereof to the contrary, the Funding Lender shall have the right to directly enforce all rights and remedies hereunder with or without involvement of the Governmental Lender, provided that only the Governmental Lender may enforce the Unassigned Rights and Funding Lender shall not impair Governmental Lender's enforcement of Unassigned Rights. In the event that any of the provisions set forth in this Section 8.2.10 are inconsistent with the covenants, terms and conditions of the Security Instrument, the covenants, terms and conditions of the Security Instrument shall prevail.

Section 8.2.11 Power of Attorney. Effective upon the occurrence of an Event of Default, and continuing until and unless such Event of Default is cured or waived, Borrower hereby constitutes and appoints Funding Lender, or an independent contractor selected by Funding Lender, as its true and lawful attorney-in-fact with full power of substitution, for the purposes of completion of the Project and performance of Borrower's obligations under this Borrower Loan Agreement in the name of Borrower, and hereby empowers said attorney-in-fact to do any or all of the following upon the occurrence and continuation of an Event of Default (it being understood and agreed that said power of attorney shall be deemed to be a power coupled with an interest which cannot be revoked until full payment and performance of all obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents):

(a) to use any of the funds of Borrower or Manager, including any balance of the Borrower Loan, as applicable, and any funds which may be held by Funding Lender for Borrower (including all funds in all deposit accounts in which Borrower has granted to Funding Lender a security interest), for the purpose of effecting completion of the

construction or rehabilitation, as the case may be, of the Improvements, in the manner called for by the Plans and Specifications;

(b) to make such additions, changes and corrections in the Plans and Specifications as shall be necessary or desirable to complete the Project in substantially the manner contemplated by the Plans and Specifications;

(c) to employ any contractors, subcontractors, agents, architects and inspectors required for said purposes;

(d) to employ attorneys to defend against attempts to interfere with the exercise of power granted hereby;

(e) to pay, settle or compromise all existing bills and claims which are or may be liens against the Project or the Improvements, or may be necessary or desirable for the completion of the construction or rehabilitation, as the case may be, of the Improvements, or clearance of objections to or encumbrances on title;

(f) to execute all applications and certificates in the name of Borrower, which may be required by any other construction contract;

(g) to prosecute and defend all actions or proceedings in connection with the Project and to take such action, require such performance and do any and every other act as is deemed necessary with respect to the completion of the construction or rehabilitation, as the case may be, of the Improvements, which Borrower might do on its own behalf;

(h) to let new or additional contracts to the extent not prohibited by their existing contracts;

(i) to employ watchmen and erect security fences to protect the Project from injury; and

(j) to take such action and require such performance as it deems necessary under any of the bonds or insurance policies to be furnished hereunder, to make settlements and compromises with the sureties or insurers thereunder, and in connection therewith to execute instruments of release and satisfaction.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default, rights and remedies may be pursued pursuant to the terms of the Borrower Loan Documents and the Funding Loan Documents. The parties hereto acknowledge that, among the possible outcomes to the pursuit of such remedies, is the situation where the Funding Lender assignees or designees become the owner of the Project and assume the obligations identified above, and the Borrower Note, the Borrower Loan and the other Borrower Loan Documents and Funding Loan Documents remain outstanding.

ARTICLE IX
SPECIAL PROVISIONS

Section 9.1 Sale of Note and Secondary Market Transaction.

Section 9.1.1 Cooperation. Subject to the restrictions of Section 2.4 of the Funding Loan Agreement, at the Funding Lender's or the Servicer's request (to the extent not already required to be provided by the Borrower under this Borrower Loan Agreement), the Borrower shall use reasonable efforts to satisfy the market standards to which the Funding Lender or the Servicer customarily adheres or which may be reasonably required in the marketplace or by the Funding Lender or the Servicer in connection with one or more sales or assignments of all or a portion of the Governmental Lender Note and the Funding Loan or participations therein or securitizations of single or multi-class securities (the "Securities") secured by or evidencing ownership interests in all or a portion of the Governmental Lender Note and the Funding Loan (each such sale, assignment and/or securitization, a "Secondary Market Transaction"); provided that neither the Borrower nor the Governmental Lender shall incur any third party or other out-of-pocket costs and expenses in connection with a Secondary Market Transaction, including the costs associated with the delivery of any Provided Information or any opinion required in connection therewith, and all such costs shall be paid by the Funding Lender or the Servicer, and shall not materially modify Borrower's rights or obligations. Without limiting the generality of the foregoing, the Borrower shall, so long as the Borrower Loan is still outstanding:

(a) (i) provide such financial and other information with respect to the Borrower Loan, and with respect to the Project, the Borrower, the Property Manager, the contractor of the Project or the Borrower Controlling Entity, (ii) provide financial statements, audited, if available, relating to the Project with customary disclaimers for any forward looking statements or lack of audit, and (iii), at the expense of the Funding Lender or the Servicer, perform or permit or cause to be performed or permitted such site inspection, appraisals, surveys, market studies, environmental reviews and reports (Phase I's and, if appropriate, Phase II's), engineering reports and other due diligence investigations of the Project, as may be reasonably requested from time to time by the Funding Lender or the Servicer or the Rating Agencies or as may be necessary or appropriate in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Funding Lender or the Servicer pursuant to this paragraph (a) being called the "Provided Information"), together, if customary, with appropriate verification of and/or consents to the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to the Funding Lender or the Servicer and the Rating Agencies;

(b) make such representations and warranties as of the closing date of any Secondary Market Transaction with respect to the Project, the Borrower, the Borrower Loan Documents and the Funding Loan Documents reasonably acceptable to the Funding Lender or the Servicer, consistent with the facts covered by such representations and warranties as they exist on the date thereof; and

(c) execute such amendments to the Borrower Loan Documents and the Funding Loan Documents to accommodate such Secondary Market Transaction so long as such amendment does not affect the material economic terms of the Borrower Loan Documents and the Funding Loan Documents and is not otherwise adverse to the Borrower in its reasonable discretion.

Section 9.1.2 Use of Information. The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a "Secondary Market Disclosure Document"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall cooperate, subject to Section 9.1.1(c) hereof, with the Funding Lender and the Servicer in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by providing all current information pertaining to the Borrower and the Project necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information.

Section 9.1.3 Borrower Obligations Regarding Secondary Market Disclosure Documents. In connection with a Secondary Market Disclosure Document, the Borrower shall provide, or in the case of a Borrower-engaged third party such as the Property Manager, cause it to provide, information reasonably requested by the Funding Lender pertaining to the Borrower, the Project or such third party (and portions of any other sections reasonably requested by the Funding Lender pertaining to the Borrower, the Project or the third party). The Borrower shall, if requested by the Funding Lender and the Servicer, certify in writing that the Borrower has carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, the Project or the Property Manager, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, the Project or the Property Manager) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such parties. Furthermore, the Borrower hereby indemnifies the Funding Lender, the Governmental Lender and the Servicer for any Liabilities to which any such parties may become subject to the extent such Liabilities arise out of or are based upon the use of the Provided Information in a Secondary Market Disclosure Document; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties.

Section 9.1.4 Borrower Indemnity Regarding Filings. In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (i) indemnify Funding Lender, the Governmental Lender and the underwriter group for any securities (the "Underwriter Group") and all officials, employees and agents of any of them for any Liabilities to which

Funding Lender, Governmental Lender, the Servicer or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information of a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made not misleading and (ii) reimburse the Funding Lender, Governmental Lender, the Servicer, the Underwriter Group and other indemnified parties listed above for any legal or other expenses reasonably incurred by the Funding Lender, Governmental Lender, the Servicer or the Underwriter Group in connection with defending or investigating such Liabilities; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties.

Section 9.1.5 Indemnification Procedure. Promptly after receipt by an indemnified party under Sections 9.1.3 and 9.1.4 hereof of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the Borrower in writing of such commencement, but the omission to so notify the Borrower will not relieve the Borrower from any liability that it may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by Written Notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party in its sole discretion. After notice from the Borrower to such indemnified party under this Section 9.1.5, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior Written Consent of the Borrower.

Section 9.1.6 Contribution. In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 9.1.4 hereof is for any reason held to be unenforceable by an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under Section 9.1.4 hereof, the Borrower shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 10(f) of the Securities Act) shall be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the indemnified parties and the Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

Section 10.2 Brokers and Financial Advisors. The Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the Borrower Loan, other than those disclosed to the Funding Lender and whose fees shall be paid by the Borrower pursuant to separate agreements. The Borrower and the Funding Lender shall indemnify and hold the other harmless from and against any and all claims, liabilities, costs and expenses of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of the indemnifying party in connection with the transactions contemplated herein. The provisions of this Section 10.2 shall survive the expiration and termination of this Borrower Loan Agreement and the repayment of the Borrower Payment Obligations.

Section 10.3 Survival. This Borrower Loan Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by the Governmental Lender of the Borrower Loan and the execution and delivery to the Governmental Lender of the Borrower Note and the assignment of the Borrower Note to the Funding Lender, and shall continue in full force and effect so long as all or any of the Borrower Payment Obligations is unpaid. All the Borrower's covenants and agreements in this Borrower Loan Agreement shall inure to the benefit of the respective legal representatives, successors and assigns of the Governmental Lender, the Funding Lender and the Servicer.

Section 10.4 Preferences. The Governmental Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by the Borrower to any portion of the Borrower Payment Obligations. To the extent the Borrower makes a payment to the Governmental Lender or the Servicer, or the Governmental Lender or the Servicer receives proceeds of any collateral, which is in whole or part subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other

party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Borrower Payment Obligations or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by the Governmental Lender or the Servicer.

Section 10.5 Waiver of Notice. The Borrower shall not be entitled to any notices of any nature whatsoever from the Funding Lender or the Servicer except with respect to matters for which this Borrower Loan Agreement or any other Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender or the Servicer, as the case may be, to the Borrower and except with respect to matters for which the Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. The Borrower hereby expressly waives the right to receive any notice from the Funding Lender or the Servicer, as the case may be, with respect to any matter for which no Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender or the Servicer to the Borrower.

Section 10.6 Offsets, Counterclaims and Defenses. The Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by the Funding Lender or the Servicer with respect to a Borrower Loan Payment. Any assignee of Funding Lender's interest in and to the Borrower Loan Documents or the Funding Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses that are unrelated to the Borrower Loan Documents or the Funding Loan Documents which the Borrower may otherwise have against any assignor of such documents, and no such unrelated offset, counterclaim or defense shall be interposed or asserted by the Borrower in any action or proceeding brought by any such assignee upon such documents, and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by the Borrower.

Section 10.7 Publicity. The Funding Lender and the Servicer (and any Affiliates of either party) shall have the right to issue press releases, advertisements and other promotional materials describing the Funding Lender's or the Servicer's participation in the making of the Borrower Loan or the Borrower Loan's inclusion in any Secondary Market Transaction effectuated by the Funding Lender or the Servicer or one of its or their Affiliates. All news releases, publicity or advertising by the Borrower or Borrower Affiliates through any media intended to reach the general public, which refers to the Borrower Loan Documents or the Funding Loan Documents, the Borrower Loan, the Funding Lender or the Servicer in a Secondary Market Transaction, shall be subject to the prior Written Consent of the Funding Lender or the Servicer, as applicable.

Section 10.8 Construction of Documents. The parties hereto acknowledge that they were represented by counsel in connection with the negotiation and drafting of the Borrower Loan Documents and the Funding Loan Documents and that the Borrower Loan Documents and the Funding Loan Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

Section 10.9 No Third Party Beneficiaries. The Borrower Loan Documents and the Funding Loan Documents are solely for the benefit of the Governmental Lender, the Funding

Lender, the Servicer and the Borrower and, with respect to Sections 9.1.3 and 9.1.4 hereof, the Underwriter Group, and nothing contained in any Borrower Loan Document shall be deemed to confer upon anyone other than the Governmental Lender, the Funding Lender, the Servicer, and the Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 10.10 Assignment. The Borrower Loan, the Security Instrument, the Borrower Loan Documents and the Funding Loan Documents and all Funding Lender's rights, title, obligations and interests therein may be assigned by the Funding Lender, at any time in its sole discretion, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise. Upon such assignment, all references to Funding Lender in this Borrower Loan Agreement and in any Borrower Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of the Funding Lender. Borrower shall accord full recognition to any such assignment, and all rights and remedies of Funding Lender in connection with the interest so assigned shall be as fully enforceable by such assignee as they were by Funding Lender before such assignment. In connection with any proposed assignment, Funding Lender may disclose to the proposed assignee any information that Borrower has delivered, or caused to be delivered, to Funding Lender with reference to Borrower, Manager, Guarantor or any Borrower Affiliate, or the Project, including information that Borrower is required to deliver to Funding Lender pursuant to this Borrower Loan Agreement, provided that such proposed assignee agrees to treat such information as confidential. The Borrower may not assign its rights, interests or obligations under this Borrower Loan Agreement or under any of the Borrower Loan Documents or Funding Loan Documents, or Borrower's interest in any moneys to be disbursed or advanced hereunder, except only as may be expressly permitted hereby.

Section 10.11 [Intentionally Omitted].

Section 10.12 Governmental Lender, Funding Lender and Servicer Not in Control; No Partnership. None of the covenants or other provisions contained in this Borrower Loan Agreement shall, or shall be deemed to, give the Governmental Lender, the Funding Lender or the Servicer the right or power to exercise control over the affairs or management of the Borrower, the power of the Governmental Lender, the Funding Lender and the Servicer being limited to the rights to exercise the remedies referred to in the Borrower Loan Documents and the Funding Loan Documents. The relationship between the Borrower and the Governmental Lender, the Funding Lender and the Servicer is, and at all times shall remain, solely that of debtor and creditor. No covenant or provision of the Borrower Loan Documents or the Funding Loan Documents is intended, nor shall it be deemed or construed, to create a partnership, joint venture, agency or common interest in profits or income between the Borrower and the Governmental Lender, the Funding Lender or the Servicer or to create an equity in the Project in the Governmental Lender, the Funding Lender or the Servicer. Neither the Governmental Lender, the Funding Lender nor the Servicer undertakes or assumes any responsibility or duty to the Borrower or to any other person with respect to the Project or the Borrower Loan, except as expressly provided in the Borrower Loan Documents or the Funding Loan Documents, and notwithstanding any other provision of the Borrower Loan Documents and the Funding Loan Documents: (1) the Governmental Lender, the Funding Lender and the Servicer are not, and shall not be construed as, a partner, joint venturer, alter ego, manager, controlling person or other

business associate or participant of any kind of the Borrower or its stockholders, members, or partners and the Governmental Lender, the Funding Lender and the Servicer do not intend to ever assume such status; (2) the Governmental Lender, the Funding Lender and the Servicer shall in no event be liable for any the Borrower Payment Obligations, expenses or losses incurred or sustained by the Borrower; and (3) the Governmental Lender, the Funding Lender and the Servicer shall not be deemed responsible for or a participant in any acts, omissions or decisions of the Borrower, the Borrower Controlling Entities or its stockholders, members, or partners. The Governmental Lender, the Funding Lender, the Servicer and the Borrower disclaim any intention to create any partnership, joint venture, agency or common interest in profits or income between the Governmental Lender, the Funding Lender, the Servicer and the Borrower, or to create an equity in the Project in the Funding Lender or the Servicer, or any sharing of liabilities, losses, costs or expenses.

Section 10.13 Release. The Borrower hereby acknowledges that it is executing this Borrower Loan Agreement and each of the Borrower Loan Documents and the Funding Loan Documents to which it is a party as its own voluntary act free from duress and undue influence.

Section 10.14 Term of Borrower Loan Agreement. This Borrower Loan Agreement shall be in full force and effect until all payment obligations of the Borrower hereunder have been paid in full and the Borrower Loan and the Funding Loan have been retired or the payment thereof has been provided for; except that on and after payment in full of the Borrower Note, this Borrower Loan Agreement shall be terminated, without further action by the parties hereto; provided, however, that the obligations of the Borrower under Sections 5.11 (Governmental Lender's Fees), 5.14 (Expenses), 5.15 (Indemnity), 9.1.3, 9.1.4, 9.1.5, 9.1.6 and 10.15 (Reimbursement of Expenses) hereof, as well as under Section 5.7 of the Construction Funding Agreement, shall survive the termination of this Borrower Loan Agreement.

Section 10.15 Reimbursement of Expenses. If, upon or after the occurrence of any Event of Default or Potential Default, the Governmental Lender, the Funding Lender or the Servicer shall employ attorneys or incur other expenses for the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein, the Borrower will on demand therefor reimburse the Governmental Lender, the Funding Lender and the Servicer for fees of such attorneys and such other expenses so incurred.

The Borrower's obligation to pay the amounts required to be paid under this Section 10.15 shall be subordinate to its obligations to make payments under the Borrower Note.

Section 10.16 Permitted Contests. Notwithstanding anything to the contrary contained in this Borrower Loan Agreement, Borrower shall have the right to contest or object in good faith to any claim, demand, levy or assessment (other than in respect of Debt or Contractual Obligations of Borrower under any Borrower Loan Document or Related Document) by appropriate legal proceedings that are not prejudicial to Funding Lender's rights, but this shall not be deemed or construed as in any way relieving, modifying or providing any extension of time with respect to Borrower's covenant to pay and comply with any such claim, demand, levy or assessment, unless Borrower shall have given prior Written Notice to the Governmental Lender and the Funding Lender of Borrower's intent to so contest or object thereto, and unless (i) Borrower has, in the Governmental Lender's and the Funding Lender's judgment, a

reasonable basis for such contest, (ii) Borrower pays when due any portion of the claim, demand, levy or assessment to which Borrower does not object, (iii) Borrower demonstrates to Funding Lender's satisfaction that such legal proceedings shall conclusively operate to prevent enforcement prior to final determination of such proceedings, (iv) Borrower furnishes such bond, surety, undertaking or other security in connection therewith as required by law, or as requested by and satisfactory to Funding Lender, to stay such proceeding, which bond, surety, undertaking or other security shall be issued by a bonding company, insurer or surety company reasonably satisfactory to Funding Lender and shall be sufficient to cause the claim, demand, levy or assessment to be insured against by the Title Company or removed as a lien against the Project, (v) Borrower at all times prosecutes the contest with due diligence, and (vi) Borrower pays, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, the amount so determined to be due and owing by Borrower. In the event that Borrower does not make, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, any payment required to be made pursuant to clause (vi) of the preceding sentence, an Event of Default shall have occurred, and Funding Lender may draw or realize upon any bond or other security delivered to Funding Lender in connection with the contest by Borrower, in order to make such payment.

Section 10.17 Funding Lender Approval of Instruments and Parties. All proceedings taken in accordance with transactions provided for herein, and all surveys, appraisals and documents required or contemplated by this Borrower Loan Agreement and the persons responsible for the execution and preparation thereof, shall be satisfactory to and subject to approval by Funding Lender. Funding Lender's approval of any matter in connection with the Project shall be for the sole purpose of protecting the security and rights of Funding Lender. No such approval shall result in a waiver of any default of Borrower. In no event shall Funding Lender's approval be a representation of any kind with regard to the matter being approved.

Section 10.18 Funding Lender Determination of Facts. Funding Lender shall at all times be free to establish independently, to its reasonable satisfaction, the existence or nonexistence of any fact or facts, the existence or nonexistence of which is a condition of this Borrower Loan Agreement.

Section 10.19 Calendar Months. With respect to any payment or obligation that is due or required to be performed within a specified number of Calendar Months after a specified date, such payment or obligation shall become due on the day is the last of such specified number of Calendar Months that corresponds numerically to the date so specified; provided, however, that with respect to any obligation as to which such specified date is the 29th, 30th or 31st day of any Calendar Month: if the Calendar Month in which such payment or obligation would otherwise become due does not have a numerically corresponding date, such obligation shall become due on the first day of the next succeeding Calendar Month.

Section 10.20 Determinations by Lender. Except to the extent expressly set forth in this Borrower Loan Agreement to the contrary, in any instance where the consent or approval of the Governmental Lender and the Funding Lender may be given or is required, or where any determination, judgment or decision is to be rendered by the Governmental Lender and the Funding Lender under this Borrower Loan Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be

made or exercised by the Governmental Lender and the Funding Lender, as applicable (or its designated representative) at its sole and exclusive option and in its sole and absolute discretion.

Section 10.21 Governing Law. This Borrower Loan Agreement shall be governed by and enforced in accordance with the laws of the State, without giving effect to the choice of law principles of the State that would require the application of the laws of a jurisdiction other than the State.

Section 10.22 Consent to Jurisdiction and Venue. Borrower agrees that any controversy arising under or in relation to this Borrower Loan Agreement shall be litigated exclusively in the State. The state and federal courts and authorities with jurisdiction in the State shall have exclusive jurisdiction over all controversies which shall arise under or in relation to this Borrower Loan Agreement. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing herein is intended to limit Beneficiary Parties' right to bring any suit, action or proceeding relating to matters arising under this Borrower Loan Agreement against Borrower or any of Borrower's assets in any court of any other jurisdiction.

Section 10.23 Successors and Assigns. This Borrower Loan Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate. The terms used to designate any of the parties herein shall be deemed to include the heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate, of such parties. References to a "person" or "persons" shall be deemed to include individuals and entities.

Section 10.24 Severability. The invalidity, illegality or unenforceability of any provision of this Borrower Loan Agreement shall not affect the validity, legality or enforceability of any other provision, and all other provisions shall remain in full force and effect.

Section 10.25 Entire Agreement; Amendment and Waiver. This Borrower Loan Agreement contains the complete and entire understanding of the parties with respect to the matters covered. This Borrower Loan Agreement may not be amended, modified or changed, nor shall any waiver of any provision hereof be effective, except by a written instrument signed by the party against whom enforcement of the waiver, amendment, change, or modification is sought, and then only to the extent set forth in that instrument. No specific waiver of any of the terms of this Borrower Loan Agreement shall be considered as a general waiver. Without limiting the generality of the foregoing, no Disbursement shall constitute a waiver of any conditions to the Governmental Lender's or the Funding Lender's obligation to make further Disbursements nor, in the event Borrower is unable to satisfy any such conditions, shall any such waiver have the effect of precluding the Governmental Lender or the Funding Lender from thereafter declaring such inability to constitute a Potential Default or Event of Default under this Borrower Loan Agreement.

Section 10.26 Counterparts. This Borrower Loan Agreement may be executed in multiple counterparts, each of which shall constitute an original document and all of which together shall constitute one agreement.

Section 10.27 Captions. The captions of the sections of this Borrower Loan Agreement are for convenience only and shall be disregarded in construing this Borrower Loan Agreement.

Section 10.28 Servicer. Borrower hereby acknowledges and agrees that, pursuant to the terms of Section 39 of the Security Instrument: (a) from time to time, the Governmental Lender or the Funding Lender may appoint a servicer to collect payments, escrows and deposits, to give and to receive notices under the Borrower Note, this Borrower Loan Agreement or the other Borrower Loan Documents, and to otherwise service the Borrower Loan and (b) unless Borrower receives Written Notice from the Governmental Lender or the Funding Lender to the contrary, any action or right which shall or may be taken or exercised by the Governmental Lender or the Funding Lender may be taken or exercised by such servicer with the same force and effect.

Section 10.29 Beneficiary Parties as Third Party Beneficiary. Each of the Beneficiary Parties shall be a third party beneficiary of this Borrower Loan Agreement for all purposes.

Section 10.30 Waiver of Trial by Jury. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, EACH OF BORROWER AND THE BENEFICIARY PARTIES (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS BORROWER LOAN AGREEMENT OR THE RELATIONSHIP BETWEEN THE PARTIES THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

Section 10.31 Time of the Essence. Time is of the essence with respect to this Borrower Loan Agreement.

Section 10.32 [Reserved]

Section 10.33 Reference Date. This Borrower Loan Agreement is dated for reference purposes only as of the first day of _____, 2017, and will not be effective and binding on the parties hereto unless and until the Closing Date (as defined herein) occurs.

ARTICLE XI
LIMITATIONS ON LIABILITY

Section 11.1 Limitation on Liability. Notwithstanding anything to the contrary herein, the liability of the Borrower hereunder and under the other Borrower Loan Documents and the Funding Loan Documents shall be limited to the extent set forth in the Borrower Note.

Section 11.2 Limitation on Liability of Governmental Lender. The Funding Loan, and interest thereon, are special, limited obligations of the Governmental Lender, payable solely from the Security pledged under the Funding Loan Agreement. The Funding Loan is not a general indebtedness of the Governmental Lender or a charge against its general credit or the general credit taxing powers of the State, the Governmental Lender, or any other political

subdivision thereof, and shall never give rise to any pecuniary liability of the Governmental Lender, and neither the Governmental Lender, the State nor any other political subdivision thereof shall be liable for the payments of principal and interest on the Funding Loan, and the Funding Loan is payable from no other source, but are special, limited obligations of the Governmental Lender, payable solely out of the security pledged hereunder and receipts of the Governmental Lender derived pursuant to this Funding Loan Agreement (and not against any money due or to become due to the Governmental Lender pursuant to Unassigned Rights). No holder of the Funding Loan or any interest therein has the right to compel any exercise of the taxing power of the State, the Governmental Lender or any other political subdivision thereof to pay the Funding Loan or the interest thereon.

No recourse shall be had for the payment of the principal of, premium, if any, or the interest on the Funding Loan or for any claim based thereon or any obligation, covenant or agreement in the Funding Loan Agreement against any official of the Governmental Lender, or any official, officer, agent, employee or independent contractor of the Governmental Lender or any person executing this Borrower Loan Agreement. No covenant, stipulation, promise, agreement or obligation contained in this Borrower Loan Agreement or any other document executed in connection herewith shall be deemed to be the covenant, stipulation, promise, agreement or obligation of any present or future official, officer, agent or employee of the Governmental Lender in his or her individual capacity and neither any official of the Governmental Lender nor any officers executing this Borrower Loan Agreement shall be liable personally or be subject to any personal liability or accountability by reason of this Borrower Loan Agreement.

Section 11.3 Waiver of Personal Liability. No member, officer, agent or employee of the Governmental Lender or any director, officer, agent or employee of the Governmental Lender shall be individually or personally liable for the payment of any principal (or prepayment price) of or interest on the Governmental Lender Note or any other sum hereunder or be subject to any personal liability or accountability by reason of the execution and delivery of this Borrower Loan Agreement; but nothing herein contained shall relieve any such member, director, officer, agent or employee from the performance of any official duty provided by law or by this Borrower Loan Agreement.

Section 11.4 Limitation on Liability of Funding Lender's Officers, Employees, Etc.

(a) Borrower assumes all risks of the acts or omissions of the Governmental Lender and the Funding Lender, provided, however, this assumption is not intended to, and shall not, preclude Borrower from pursuing such rights and remedies as it may have against the Governmental Lender and the Funding Lender at law or under any other agreement. None of Governmental Lender and the Funding Lender, nor the other Beneficiary Parties or their respective officers, directors, employees or agents shall be liable or responsible for (i) any acts or omissions of the Governmental Lender and the Funding Lender; or (ii) the validity, sufficiency or genuineness of any documents, or endorsements, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent or forged. In furtherance and not in limitation of the foregoing, the Governmental Lender and the Funding Lender may accept documents that appear on their face to be in order, without responsibility for further investigation,

regardless of any notice or information to the contrary, unless acceptance in light of such notice or information constitutes gross negligence or willful misconduct on the part of the Governmental Lender and the Funding Lender.

(b) None of the Governmental Lender, the Funding Lender, the other Beneficiary Parties or any of their respective officers, directors, employees or agents shall be liable to any contractor, subcontractor, supplier, laborer, architect, engineer or any other party for services performed or materials supplied in connection with the Project. The Governmental Lender and the Funding Lender shall not be liable for any debts or claims accruing in favor of any such parties against Borrower or others or against the Project. Borrower is not and shall not be an agent of the Governmental Lender and the Funding Lender for any purpose. Neither the Governmental Lender nor the Funding Lender is a joint venture partner with Borrower in any manner whatsoever. Prior to default by Borrower under this Borrower Loan Agreement and the exercise of remedies granted herein, the Governmental Lender and the Funding Lender shall not be deemed to be in privity of contract with any contractor or provider of services to the Project, nor shall any payment of funds directly to a contractor, subcontractor or provider of services be deemed to create any third party beneficiary status or recognition of same by the Governmental Lender and the Funding Lender. Approvals granted by the Governmental Lender and the Funding Lender for any matters covered under this Borrower Loan Agreement shall be narrowly construed to cover only the parties and facts identified in any written approval or, if not in writing, such approvals shall be solely for the benefit of Borrower.

(c) Any obligation or liability whatsoever of the Governmental Lender and the Funding Lender that may arise at any time under this Borrower Loan Agreement or any other Borrower Loan Document shall be satisfied, if at all, out of the Funding Lender's assets only. No such obligation or liability shall be personally binding upon, nor shall resort for the enforcement thereof be had to, the Project or any of the Governmental Lender's or the Funding Lender's shareholders (if any), directors, officers, employees or agents, regardless of whether such obligation or liability is in the nature of contract, tort or otherwise.

Section 11.5 Delivery of Reports, Etc. The delivery of reports, information and documents to the Governmental Lender and the Funding Lender as provided herein is for informational purposes only and the Governmental Lender's and the Funding Lender's receipt of such shall not constitute constructive knowledge of any information contained therein or determinable from information contained therein. The Governmental Lender and the Funding Lender shall have no duties or responsibilities except those that are specifically set forth herein, and no other duties or obligations shall be implied in this Borrower Loan Agreement against the Governmental Lender and the Funding Lender.

IN WITNESS WHEREOF, the undersigned has duly executed and delivered this Borrower Loan Agreement or caused this Borrower Loan Agreement to be duly executed and delivered by its authorized representative as of the date first set forth above. The undersigned intends that this instrument shall be deemed to be signed and delivered as a sealed instrument.

(To Ordinance)

Regulatory Agreement And Declaration Of Restrictive Covenants With 5525 West Diversey Manor Apartments LLC.

This Regulatory Agreement and Declaration of Restrictive Covenants (this "Agreement") is entered into as of _____ ___, 2017, by and between the City of Chicago, a municipality and home rule unit of local government duly organized and validly existing under the Constitution and laws of the State of Illinois (the "Issuer"), and 5525 W Diversey Manor Apartments LLC, an Illinois limited liability company (the "Borrower").

WITNESSETH:

WHEREAS, pursuant to a Funding Loan Agreement, dated as of _____ ___, 2017 (the "Funding Loan Agreement") between the Issuer, the Borrower and Citibank, N.A. (the "Funding Lender") and an ordinance adopted by the Issuer on May __, 2017 (the "Note Ordinance"), the Funding Lender will advance funds (the "Funding Loan") in an aggregate principal amount not to exceed Twelve Million Dollars ($12,000,000) and the Issuer will execute and deliver a promissory note identified as City of Chicago Multi-family Mortgage Revenue Note, 2017 Series A (Diversey Manor Apartments) (the "Governmental Lender Note") evidencing the obligation to repay the Funding Loan; and

WHEREAS, the Funding Loan and the Governmental Lender Note, together with interest thereon (the "Obligations"), shall be limited obligations of the City secured under the Funding Loan Agreement for the benefit of the Funding Lender, and will be payable from the loan payments received by the City pursuant to a loan agreement (the "Borrower Loan Agreement") between the City and the Borrower, pursuant to which the City will loan the proceeds of the Funding Loan to the Borrower (the "Borrower Loan") the proceeds of which will be used by the Borrower to finance the acquisition, rehabilitation and equipping of a "qualified residential rental project" within the meaning of Section 142 of the Internal Revenue Code of 1986, as amended (the "Code") located in Chicago, Illinois (the "Residential Project") on the real property described on Exhibit A attached hereto; and

WHEREAS, in order to assure the Issuer and the owners of the Obligations that interest on the Obligations will be excluded from gross income for federal income tax purposes under the Code, and to further the public purposes of the Issuer, certain restrictions on the use and occupancy of the Residential Project under the Code must be established;

NOW, THEREFORE, in consideration of the mutual promises and covenants hereinafter set forth, and of other valuable consideration, the Borrower and the Issuer agree as follows:

Section 1. Term of Restrictions.

(a) Occupancy Restrictions. With respect to the Residential Project, the term of the Occupancy Restrictions set forth in Section 3 hereof shall commence on the later of the first day on which at least ten percent (10%) of the units in the Residential Project are first occupied or the issue date of the Obligations, and shall end on the latest of (i) the date which is thirty (30) years after the date on which at least fifty percent (50%) of the units in the Residential Project are first occupied; (ii) the first date on which no tax-

exempt obligation (including any refunding obligation) issued and/or executed and delivered with respect to the Residential Project is outstanding; or (iii) the date on which any project-based housing assistance provided with respect to the Residential Project under Section 8 of the United States Housing Act of 1937, as amended, terminates (which period is hereinafter referred to, with respect to the Residential Project, as the "Qualified Project Period" for the Residential Project).

(b) Rental Restrictions. The Rental Restrictions set forth in Section 4 hereof shall remain in effect during the Qualified Project Period set forth in paragraph (a) of this Section 1.

(c) Involuntary Loss or Substantial Destruction. The Occupancy Restrictions set forth in Section 3 hereof, and the Rental Restrictions set forth in Section 4 hereof, shall cease to apply to the Residential Project in the event of involuntary noncompliance caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in federal law or an action of a federal agency after the date of delivery of the Obligations, which prevents the Issuer from enforcing the Occupancy Restrictions and the Rental Restrictions, or condemnation or similar event, but only if, within a reasonable time period, (i) the portion of the Obligations allocable to the Residential Project (as determined by a firm of nationally recognized bond counsel acceptable to the Issuer) is promptly retired, or amounts received as a consequence of such event are used to provide a new project which meets all of the requirements of this Agreement, which new project is subject to new restrictions substantially equivalent to those contained in this Agreement, and which is substituted in place of the Residential Project by amendment of this Agreement; and (ii) an opinion from nationally recognized bond counsel (acceptable to the Issuer) is received to the effect that noncompliance with the Occupancy Restrictions and the Rental Restrictions as a result of such involuntary loss or substantial destruction resulting from an unforeseen event will not adversely affect the exclusion from the gross income of the owners thereof for purposes of federal income taxation of the interest on the Obligations; provided, however, that the preceding provisions of this paragraph shall cease to apply in the case of such involuntary noncompliance caused by foreclosure, transfer of title by deed in lieu of foreclosure or similar event if at any time during the Qualified Project Period subsequent to such event the Borrower or any Related Party (as defined in Section 147(a)(2) of the Code) obtains an ownership interest in the Residential Project for federal income tax purposes.

(d) Termination. This Agreement shall terminate upon the earliest of (i) termination of the Occupancy Restrictions and the Rental Restrictions, as provided in paragraphs (a) and (b) of this Section 1; or (ii) delivery to the Issuer and the Borrower of an opinion of nationally recognized bond counsel (acceptable to the Issuer) to the effect that continued compliance with the Rental Restrictions and Occupancy Restrictions on the Residential Project is not required in order for interest on the Obligations to remain excludible from gross income of the owners thereof for federal income tax purposes.

(e) Certification. Upon termination of this Agreement, in whole or in part, the Borrower and the Issuer shall execute and the parties shall cause to be recorded (at the Borrower's expense), in all offices in which this Agreement was recorded, a certificate of

termination, specifying which of the restrictions contained herein has terminated, and the portion of the Residential Project to which such termination relates.

Section 2. Project Restrictions. The Borrower represents, warrants and covenants as follows:

(a) The Borrower has reviewed the provisions of the Code, the Treasury Regulations thereunder (the "Regulations") and Internal Revenue Service rulings, procedures and pronouncements applicable to this Agreement (including, without limitation, Section 142(d) of the Code, Section 1.103-8(b) of the Regulations and IRS Revenue Procedure 2004-39, 2004-29 IRB 49) with its counsel and understands said provisions.

(b) The Residential Project is being constructed, acquired, and developed for the purpose of providing a "qualified residential rental project" (within the meaning of Section 142(d) of the Code) and will, during the term of the Rental Restrictions and Occupancy Restrictions hereunder, continue to constitute a "qualified residential rental project" under Section 142(d) of the Code and any Regulations heretofore or hereafter promulgated thereunder and applicable thereto.

(c) At least 95% of the Residential Project will consist of a "building or structure" (as defined in Section 1.103-8(b)(8)(iv) of the Regulations), or several proximate buildings or structures of similar construction, each containing one or more similarly constructed residential units (as defined in Section 1.103-8(b)(8)(i) of the Regulations) located on a single tract of land or contiguous tracts of land (as defined in Section 1.103-8(b)(4)(ii)(b) of the Regulations), which will be owned, for federal tax purposes, at all times by the same person, and financed pursuant to a common plan (within the meaning of Section 1.103-8(b)(4)(ii) of the Regulations), together with functionally related and subordinate facilities (within the meaning of Section 1.103-8(b)(4)(iii) of the Regulations). Each such building or structure (or several proximate buildings or structures comprising the Residential Project) shall contain five (5) or more similarly constructed units.

(d) None of the residential units in the Residential Project will at any time be used on a transient basis, nor will the Residential Project itself be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium, rest home or trailer park or court for use on a transient basis.

(e) In no event will continual or frequent nursing, medical or psychiatric services be made available at the Residential Project, within the meaning of Revenue Ruling 9847, 1998-2 CB 399, or any successor thereto.

(f) All of the residential units in the Residential Project will be leased, rented, or available for lease or rental on a continuous basis to members of the general public (other than (i) units for a resident manager or maintenance personnel, (ii) units which may be rented under the Section 8 assistance program, which units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section 8

requirements), and (iii) units which may be rented as "public housing" pursuant to Section 3(b) and Section 9 of the United States Housing Act of 1937, as amended, which units (subject to the Public Housing Program) shall be leased to eligible tenants in accordance with "public housing" requirements subject, however, to the requirements of Section 3(a) hereof. Each Qualifying Tenant (as hereinafter defined) occupying a residential unit in the Residential Project shall be required to execute a written Lease Agreement with a stated term of not less than six (6) months nor more than two (2) years.

(g) Any functionally related and subordinate facilities (e.g., parking areas, swimming pools, tennis courts, etc.) which are financed by the Obligations and are included as part of the Residential Project will be of a character and size commensurate with the character and size of the Residential Project, and will be made available to all tenants on an equal basis. Fees will only be charged with respect to the use thereof if the charging of fees is customary for the use of such facilities at similar residential rental properties in the surrounding area and then only in amounts commensurate with the fees being charged at similar residential rental properties within such area. In any event, any fees charged will not be discriminatory or exclusionary as to the Qualifying Tenants (as defined in Section 3 hereof). No functionally related and subordinate facilities will be made available to persons other than tenants or their guests.

(h) Each residential unit in the Residential Project will contain separate and complete facilities for living, sleeping, eating, cooking (including a refrigerator, sink, oven and range top) and sanitation for a single person or family.

(i) No portion of the Residential Project will be used to provide any health club facility, any facility primarily used for gambling, or any store, the principal business of which is the sale of alcoholic beverages for consumption off premises, in violation of Section 147(e) of the Code.

Section 3. Occupancy Restrictions. The Borrower represents, warrants and covenants as follows:

(a) Pursuant to the election of the Issuer and the Borrower in accordance with the provisions of Section 142(d)(1)(B) of the Code, at all times during the Qualified Project Period at least forty percent (40%) of the completed residential units in the Residential Project shall be continuously occupied (or treated as occupied as provided herein) or held available for occupancy by Qualifying Tenants as herein defined. For purposes of this Agreement, "Qualifying Tenants" means, subject to Section 3(d) hereof, individuals or families whose aggregate adjusted incomes do not exceed sixty percent (60% of the applicable median gross income (adjusted for family size) for the area in which the Residential Project is located, as such income and area median gross income are determined by the Secretary of the United States Treasury in a manner consistent with determinations of income and area median gross income under Section 8 of the United States Housing Act of 1937, as amended (or, if such program is terminated, under such program as in effect immediately before such termination).

(b) Prior to the commencement of occupancy of any unit to be occupied by a

Qualifying Tenant, the prospective tenant's eligibility shall be established by execution and delivery by such prospective tenant of an Income Computation and Certification in the form attached hereto as Exhibit B (the "Income Certification") evidencing that the aggregate adjusted income of such prospective tenant does not exceed the applicable income limit. In addition, such prospective tenant shall be required to provide whatever other information, documents or certifications are reasonably deemed necessary by the Borrower or the Issuer to substantiate the Income Certification.

(c) Not less frequently than annually, the Borrower shall determine whether the current aggregate adjusted income of the tenant(s) occupying any unit being treated by the Borrower as occupied by a Qualifying Tenant exceeds the applicable income limit. For such purpose the Borrower shall require each such tenant to execute and deliver to the Borrower the Income Certification attached hereto as Exhibit B.

(d) Any unit vacated by a Qualifying Tenant shall be treated as continuing to be occupied by such Qualifying Tenant until reoccupied. Upon such unit being reoccupied, the Borrower shall have thirty-one (31) days from such date to determine whether such unit is being occupied by a Qualifying Tenant.

(e) If an individual's or family's income exceeds the applicable income limit as of any date of determination, the income of such individual or family shall be treated as continuing not to exceed the applicable limit; provided that the income of such individual or family did not exceed the applicable income limit upon commencement of such tenant's occupancy or as of any prior income determination; and provided, further, that if any individual's or family's income as of the most recent income determination exceeds one hundred forty percent (140%) of the applicable income limit, such individual or family shall cease to qualify as a Qualifying Tenant if, prior to the next income determination of such individual or family, any unit in the Residential Project of comparable or smaller size to such individual's or family's unit is occupied by any tenant other than a Qualifying Tenant.

(f) For purposes of satisfying the requirement that 40% of the completed residential units be occupied by Qualifying Tenants, the following principles shall apply: (i) upon the later of the first day on which at least 10% of all of the residential units in the Residential Project are occupied or the issue date of the Obligations, 40% of such units must be occupied by Qualifying Tenants; and (ii) after 10% of the residential units in the Residential Project are occupied, Qualifying Tenants must occupy residential units in the Residential Project in the number set forth in Exhibit D hereto, and the Qualifying Tenants' occupancies must predate the non-Qualifying Tenants' occupancies.

(g) The lease agreement to be utilized by the Borrower in renting any residential units in the Residential Project to a prospective Qualifying Tenant shall provide for termination of the lease agreement and consent by such person to eviction following thirty (30) days' notice, subject to applicable provisions of Illinois law (including for such purpose all applicable home rule ordinances), for any material misrepresentation made by such person with respect to the Income Certification with the effect that such tenant is not a Qualifying Tenant.

(h) All Income Certifications will be maintained on file at the Residential Project (or at an off-site storage location) so long as any Obligations are outstanding and for five (5) years thereafter with respect to each Qualifying Tenant who occupied a residential unit in the Residential Project during the period the restrictions hereunder are applicable, and the Borrower will, promptly upon receipt, file a copy thereof with the Issuer.

(i) On the first day of the Qualified Project Period, on the fifteenth day of February, May, August and November of each year during the Qualified Project Period, and within thirty (30) days after the final day of each month in which there occurs any change in the occupancy of a residential unit in the Residential Project, the Borrower will submit to the Issuer the "Certificate of Continuing Program Compliance" in the form attached hereto as Exhibit C, executed by the Borrower.

(j) The Borrower shall submit to the Secretary of the United States Treasury (at such time and in such manner as the Secretary shall prescribe) an annual certification as to whether the Residential Project continues to meet the requirements of Section 142(d) of the Code. Failure to comply with such requirement may subject the Borrower to the penalty provided in Section 6652(j) of the Code. The Borrower shall submit a copy of each such annual certification to the Issuer.

Section 4. Rental Restrictions. The Borrower represents, warrants and covenants that once available for occupancy, each residential unit in the Residential Project will be rented or available for rental on a continuous basis to members of the general public (other than (a) units for a resident manager or maintenance personnel and (b) units for Qualifying Tenants as provided for in Section 3 hereof).

Section 5. Transfer Restrictions. The Borrower covenants and agrees that no conveyance, transfer, assignment or any other disposition of title to the Residential Project (a "Transfer"), shall be made prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder, unless the transferee pursuant to the Transfer assumes in writing, in a form reasonably acceptable to the Issuer, all of the executory duties and obligations hereunder of the Borrower, including this Section 5, and agrees to cause any subsequent transferee to assume such duties and obligations in the event of a subsequent Transfer by the transferee prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder (the "Assumption Agreement"). The Borrower shall deliver the Assumption Agreement to the Issuer at least thirty (30) days prior to a proposed Transfer.

Section 6. Enforcement.

(a) The Borrower shall, upon at least 48 hours prior written notice and during regular business hours, permit all duly authorized representatives of the Issuer to inspect any books and records of the Borrower regarding the Residential Project and the incomes of Qualifying Tenants which pertain to compliance with the provisions of this Agreement and Section 142(d) of the Code and any Regulations heretofore or hereafter promulgated thereunder and applicable thereto.

(b) In addition to the information provided for in Section 3(h) hereof, the Borrower shall submit any other information, documents or certifications reasonably requested by the Issuer which the Issuer deems reasonably necessary to substantiate continuing compliance with the provisions of this Agreement and Section 142(d) of the Code and any Regulations heretofore or hereafter promulgated thereunder and applicable thereto.

(c) The Issuer and the Borrower each covenants that it will not take or permit to be taken any action within its control that it knows would adversely affect the exclusion of interest on the Obligations from the gross income of the owners thereof for purposes of federal income taxation pursuant to Section 103 of the Code. Moreover, the Issuer and the Borrower covenant to take any lawful action within their control and as may be necessary, (in the opinion of nationally recognized bond counsel acceptable to the Issuer) to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service from time to time pertaining to obligations issued and/or executed and delivered under Section 142(d) of the Code and affecting the Residential Project.

(d) The Borrower covenants and agrees to inform the Issuer by written notice of any violation of its obligations hereunder within five (5) days of first discovering any such violation. If any such violation is not corrected to the satisfaction of the Issuer within the period of time specified by the Issuer, which shall be (A) the lesser of (i) forty-five (45) days after the effective date of any notice to or from the Borrower, or (ii) sixty (60) days from the date such violation would have been discovered by the Borrower by the exercise of reasonable diligence, or (B) such longer period as is specified in an opinion of nationally recognized bond counsel (acceptable to the Issuer) as will not result in the loss of such exclusion of interest on the Obligations, without further notice, the Issuer shall declare a default under this Agreement effective on the date of such declaration of default, and the Issuer shall apply to any court, state or federal, for specific performance of this Agreement or an injunction against any violation of this Agreement, or any other remedies at law or in equity or any such other actions as shall be necessary or desirable so as to correct noncompliance with this Agreement.

(e) The Borrower and the Issuer each acknowledges that the primary purpose for requiring compliance with the restrictions provided in this Agreement is to preserve the exclusion of interest on the Obligations from gross income for purposes of federal income taxation, and that the Issuer, on behalf of the owners of the Obligations, who are declared to be third-party beneficiaries of this Agreement, shall be entitled for any breach of the provisions hereof, to all remedies both at law and in equity in the event of any default hereunder, which in the opinion of the Issuer and nationally recognized bond counsel could adversely affect the exclusion of interest on the Obligations from gross income for purposes of federal income taxation.

(f) In the enforcement of this Agreement, the Issuer may rely on any certificate delivered by or on behalf of the Borrower or any tenant with respect to the Residential Project.

(g) Nothing in this Section shall preclude the Issuer from exercising any remedies they might otherwise have, by contract, statute or otherwise, upon the occurrence of any violation hereunder, which in the opinion of the Issuer and nationally recognized bond counsel could adversely affect the exclusion of interest on the Obligations from gross income for purposes of federal income taxation.

Section 7. **Covenants to Run with the Land.** The Borrower hereby subjects the Residential Project to the covenants, reservations and restrictions set forth in this Agreement. The Issuer and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants, reservations and restrictions running with the land to the extent permitted by law, and shall pass to and be binding upon the Borrower's successors in title to the Residential Project throughout the term of this Agreement. Each and every contract, deed, mortgage, lease or other instrument hereafter executed covering or conveying the Residential Project or any portion thereof or interest therein shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed, mortgage, lease or other instrument.

Section 8. **Recording.** The Borrower shall cause this Agreement and all amendments and supplements hereto to be recorded in the conveyance and real property records of Cook County, Illinois, and in such other places as the Issuer may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

Section 9. **Cure.** Notwithstanding anything to the contrary contained herein, the Issuer hereby agrees that the manager of the Borrower shall be permitted to cure any event of default arising under this Agreement and Issuer shall, in its reasonable discretion, accept or reject such cure on the same terms as if made by the Borrower.

Section 10. **No Conflict with Other Documents.** The Borrower warrants and covenants that it has not and will not execute any other agreement with provisions inconsistent or in conflict with the provisions hereof (except documents that are subordinate to the provisions hereof), and the Borrower agrees that the requirements of this Agreement are paramount and controlling as to the rights and obligations herein set forth, which supersede any other requirements in conflict herewith.

Section 11. **Interpretation.** Any terms not defined in this Agreement shall have the same meaning as terms defined in the Funding Loan Agreement, the Borrower Loan Agreement, or Section 142(d) of the Code and any Regulations heretofore or hereafter promulgated thereunder and applicable thereto.

Section 12. **Amendment.** This Agreement may be amended by the parties hereto, among other things, to reflect changes in Section 142(d) of the Code, the Regulations and any revenue rulings or procedures promulgated thereunder, or in the interpretation thereof, subject to an opinion of nationally recognized bond counsel that such amendment will not adversely affect the exclusion of the interest on the Obligations from the gross income of the owners thereof for purposes of federal income taxation.

Section 13. Severability. The invalidity of any clause, part or provision of this Agreement shall not affect the validity of the remaining portions thereof.

Section 14. Notices. Any notice, demand or other communication required or permitted hereunder shall be in writing and shall be deemed to have been given if and when personally delivered and receipted for, or, if sent by private courier service or sent by overnight mail service, shall be deemed to have been given if and when received (unless the addressee refuses to accept delivery, in which case it shall be deemed to have been given when first presented to the addressee for acceptance), or on the first day after being sent by telegram, or on the third day after being deposited in United States registered or certified mail, postage prepaid. Any such notice, demand or other communication shall be addressed to a party at its address set forth below or to such other address the party to receive such notice may have designated to all other parties by notice in accordance herewith:

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement or execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. Developer has provided to the City an EDS, dated as of the Closing Date, which is incorporated by reference, and Developer further will provide any other affidavits or certifications as may be required by federal, state or local law in the award of public contracts, all of which affidavits or certifications are incorporated by reference. Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer and any other parties required by this Section 5.14 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors. (a) Except as set forth in Section 6.01(b) below, prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and shall submit all bids received to DPD for its inspection and written approval. (i) For the TIF-Funded Improvements, Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. If Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. (ii) For Project work other than the TIF-Funded Improvements, if Developer selects a General Contractor (or the General Contractor selects any subcontractor) who has not submitted the lowest responsible bid, the difference between the lowest responsible bid and the higher bid selected shall be subtracted from the actual total Project costs for purposes of the calculation of the amount of City Funds to be contributed to the Project pursuant to Section 4.03(b) hereof. Developer shall submit copies of the Construction Contract to DPD in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof. Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

(b) If, prior to entering into an agreement with a General Contractor for construction of the Project, Developer does not solicit bids pursuant to Section 6.01(a) hereof, then the fee of the General Contractor proposed to be paid out of City Funds shall not exceed 10% of the total amount of the Construction Contract. Except as explicitly stated in this paragraph, all other provisions of Section 6.01(a) shall apply, including but not limited to the requirement that the General Contractor shall solicit competitive bids from all subcontractors.

6.02 Construction Contract. Prior to the execution thereof, Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for DPD's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. Within ten (10) business days after execution of such contract by Developer, the General Contractor and any other parties thereto, Developer shall deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, Developer shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a bond in the form attached as Exhibit O hereto. The City shall be named as obligee or co-obligee on any such bonds.

6.04 Employment Opportunity. Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10 hereof.

6.05 Other Provisions. In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.04 (Change Orders), Section 8.09 (Prevailing Wage), Section 10.01(e) (Employment

Opportunity), Section 10.02 (City Resident Employment Requirement), Section 10.03 (MBE/WBE Requirements, as applicable), Section 12 (Insurance) and Section 14.01 (Books and Records) hereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof.

SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction or Rehabilitation. Upon completion of construction of the Project in accordance with the terms of this Agreement, and upon the Developer's written request, which shall include a final Project budget detailing the total actual cost of the construction of the Project (the "**Final Project Cost**"), DPD shall issue to the Developer the Certificate (the "**Certificate**"), all in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. No Certificate shall be issued unless DPD is satisfied that the Developer has fulfilled all of the following obligations:

(a) Receipt of a Certificate of Occupancy or other evidence acceptable to DPD that the Developer has complied with building permit requirements for the Project;

(b) Holdings has completed construction of the Project according to the Plans and Specifications;

(c) The Non-Residential Component is occupied and open for business pursuant to the Lease, and the Residential Component is open for operation, and at least 75% of the individual units have been leased to tenants pursuant to the requirements set forth in the affordability provisions of Section 8.26 (*Affordable Housing Covenant*) and the City Loan Regulatory Agreement;

(d) The Final Project Cost is at least $20,563,690 (as described in Section 4.03(b), the amount of City Funds will be reduced if the Final Project Cost is less than $20,563,690);

(e) Evidence that LCN has incurred TIF-eligible costs, in an equal amount to, or greater than, $3,500,000;

(f) The City's Monitoring and Compliance Unit has verified that, at the time the Certificate is issued, the Developer is in full compliance with City requirements set forth in Section 10 and Section 8.09 (M/WBE, City Residency and Prevailing Wage) with respect to construction of the Project, and that 100% of the Developer's MBE/WBE Commitment in Section 10.03 has been fulfilled;

(g) The Developer has provided (1) evidence of installation of a green roof on the Project that satisfies the City's environmental requirements and (2) an affidavit from its project architect, substantially in the form of Exhibit P, certifying that the Facility would likely achieve the minimum points required for LEED Certification for New Construction and Major Renovations; and

(h) There exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

DPD shall respond to the Developer's written request for a Certificate within forty-five (45) days by issuing either the requested Certificate or a written statement detailing the ways in which the Project as a whole does not conform to this Agreement or has not been satisfactorily completed, and the measures that must be taken by the Developer in order to obtain the Certificate. The Developer may resubmit a written request for a Certificate upon its completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02 (*Covenant to Redevelop*), 8.06 (*Job Creation and Retention; Minimum Occupancy Covenant*), 8.19 (*Real Estate Provisions*), 8.21 (*Annual Compliance Report*), 8.24 (*Master Lease and Lease Representations, Warranties and Covenants*), and 8.26 (*Affordable Housing Covenant*) as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

7.03 Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from Developer.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF DEVELOPER.

(b) Each of LCN and Holding has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by Developer of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate its Articles of Incorporation or by-laws as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which Developer is now a party or by which Developer is now or may become bound;

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, Holdings shall acquire and shall maintain good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon), and LCN shall acquire and shall maintain good, indefeasible and merchantable leasehold title to the Property (and all improvements thereon), in each case free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that Developer is contesting in good faith pursuant to Section 8.15 hereof)

(e) Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Developer which would impair its ability to perform under this Agreement;

(g) Developer has and shall maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project;

(h) Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of Developer since the date of Developer's most recent Financial Statements;

(j) prior to the issuance of a Certificate, Developer shall not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached

(k) Developer has not incurred, and, prior to the issuance of a Certificate, shall not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget; and

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code;

(m) neither Developer nor any affiliate of Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

(n) Developer understands that (i) the City Funds are limited obligations of the City, payable solely from moneys on deposit in the La Casa Norte Project Account of the TIF Fund; (ii) the City Funds do not constitute indebtedness of the City within the meaning of any constitutional or statutory provision or limitation; (iii) Developer will have no right to compel the exercise of any taxing power of the City for payment of the City Funds; and (iv) the City Funds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the City, the State of Illinois or any political subdivision thereof;

(o) Developer has sufficient knowledge and experience in financial and business matters, including municipal projects and revenues of the kind represented by the City Funds, and has been supplied with access to information to be able to evaluate the risks associated with the receipt of City Funds;

(p) Developer understands that there is no assurance as to the amount or timing of receipt of City Funds, and that the amounts of City Funds actually received by such party are likely to be substantially less than the maximum amounts set forth in Section 4.03(b);

(q) Developer understands it may not sell, assign, pledge or otherwise transfer its interest in this Agreement or City Funds in whole or in part except in accordance with the terms of Section 18.14 of this Agreement, and, to the fullest extent permitted by law, agrees to indemnify the City for any losses, claims, damages or expenses relating to or based upon any sale, assignment, pledge or transfer of City Funds in violation of this Agreement;

(r) Developer acknowledges that with respect to City Funds, the City has no obligation to provide any continuing disclosure to the Electronic Municipal Market Access System maintained by the Municipal Securities Rulemaking Board, to any holder of a note relating to City Funds or any other person under Rule 15c2-12 of the Commission promulgated under the Securities Exchange Act of 1934 or otherwise, and shall have no liability with respect thereto; and

(s) Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract (as defined below) is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later of (i) May 16, 2011, or (ii) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including

without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and Developer's receipt of all required building permits and governmental approvals, Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Bond Ordinance, the TIF Bond Ordinance, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws,

ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or Developer. The covenants set forth in this Section 8.02 shall run with the land and the leasehold interest and be binding upon any transferee for the Term of the Agreement, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan, which is hereby incorporated by reference into this Agreement.

8.04 Use of City Funds. City Funds disbursed to LCN shall be used by LCN solely to pay for (or to reimburse LCN for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 Other Bonds. Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (the "Bonds"); provided, however, that any such amendments shall not have a material adverse effect on Developer or the Project. Developer shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 **Job Creation and Retention; Minimum Occupancy Covenant.**

(a) Minimum Occupancy Covenant. After the issuance of the Certificate, the Developer shall deliver, with the Developer's Annual Report, an occupancy progress report detailing compliance with the requirement to maintain a Minimum Occupancy as part of the Jobs and Occupancy Certificate for the period beginning on January 1st of the preceding year to December 31st of the current year, such request to be submitted each year, through the 10th anniversary of the issuance of the Certificate. The Developer (i) shall cause the Property to be used to offer rental apartments to homeless, near homeless and/or disabled individuals or families and supportive services space and administrative office space for LCN, as permitted pursuant to the Redevelopment Plan and this Agreement; (ii) shall not lease to tenants other than the tenants in the Residential Component, LCN under the Master Lease, and the Tenant under the Lease without the consent of the Commissioner, (iii) shall not include any restriction upon the use and operation of the Property and the Project in any contract of sale or deed (or similar instrument) of conveyance; and (iv) shall maintain Minimum Occupancy (the covenants in clauses (i) through (iv) shall be referred to collectively as the "**Operating Covenant**"). Wherever there is a conflict between the permitted uses of the Property and the Project, between this Agreement and the other controlling documents set forth above, the terms of this Agreement shall control. The Developer hereby covenants and agrees to maintain Minimum Occupancy for a minimum of 10 years after the issuance of the Certificate. A default under the Minimum Occupancy Covenant shall constitute an Event of Default without notice.

(b) The Developer anticipates that the Project will result in the creation of (i) approximately 26 FTE construction jobs at the Project during the construction thereof (the "**Construction Jobs**") and (ii) approximately 8 FTE permanent jobs at the Project at the completion thereof to be retained or created at the Facility through the Term of the Agreement (the "**Permanent Jobs**"); provided, that

the failure of the Project to result in the creation of the anticipated number of Construction Jobs and/or Permanent Jobs described in this sentence shall not constitute an Event of Default.

Throughout the Term of the Agreement, the Developer shall submit to DPD annual certified Jobs and Occupancy Certificates disclosing information about Construction Jobs and Permanent Jobs and compliance with the Operating Covenant to DPD. These Jobs and Occupancy Certificates shall be submitted to DPD by February 1st for the prior calendar year. The Jobs and Occupancy Certificate shall include the names, addresses and zip codes of principal residence, and job titles of FTEs employed at the Project as of the end of the prior calendar year.

The covenants set forth in this Section 8.06 shall run with the land and the leasehold interest and be binding upon any transferee for the Term of the Agreement.

A default by either Holdings or LCN under the Master Lease shall not (a) relieve Holdings or LCN from its obligations under this Agreement or (b) constitute any defense, excuse of performance, release, discharge or similar form of equitable or other relief that would prevent or limit the City's enforcement of its remedies under this Agreement.

8.07 Employment Opportunity; Progress Reports. Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City when the Project is 25%, 50%, 70% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8.08 Employment Profile. Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Prevailing Wage. Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the wage rate as required under the Davis-Bacon Act, 40 U.S.C. Section 276a et seq., to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. Upon the City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the

Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. Developer shall obtain and provide to DPD Financial Statements for Developer's fiscal year ended 2016 and each year thereafter for the Term of the Agreement. In addition, Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14 Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect

Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws.

(a) Representation. To the best of Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be, as and when required, in compliance with all applicable Laws pertaining to or affecting the Project and the Property. Upon the City's request, Developer shall provide evidence satisfactory to the City of such compliance.

(b) Covenant. Developer covenants that the Property and the Project will be operated and managed in compliance with all Laws. Upon the City's request, the Developer shall provide evidence to the City of its compliance with this covenant.

8.18 Recording and Filing. Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions. The covenants set forth in this Section 8.19 shall run with the land and the leasehold interest and be binding upon any transferee for the Term of the Agreement.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

(c) [intentionally omitted]

(d) Notification to the Cook County Assessor of Change in Use and Ownership. Prior to the Closing Date, Developer shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. On the Closing Date, Developer shall pay to the Title Company the cost of sending the notification to the Cook County Assessor via certified mail, return receipt requested. After delivery of the notification, Developer shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office.

8.20 [intentionally omitted].

8.21 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates. Failure by Developer to submit the Annual Compliance Report shall constitute an Event of Default under Section 15.01 hereof, without notice or opportunity to cure pursuant to Section 15.03 hereof. The covenants set forth in this Section 8.21 shall run with the land and the leasehold interest and be binding upon any transferee for the Term of the Agreement.

8.22 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code.

Developer represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.23 LEED Certification. Prior to issuance of the Certificate, the Developer shall provide an affidavit from its project architect certifying that the Facility would likely achieve the minimum points required for LEED Certification for New Construction and Major Renovations. The affidavit shall be in substantially in the form attached hereto as Exhibit P.

8.24 Master Lease and Lease Representations, Warranties and Covenants. The Developer represents, warrants and covenants as follows:

(a) as of the date hereof, each of the Master Lease and the Lease is valid and binding as to LCN and Holdings, as applicable, is in full force and effect, and is either unmodified or modified only by approved Material Amendments and/or amendments that do not constitute Material Amendments;

(b) as of the date hereof, each of LCN and Holdings has performed all of its current obligations under each of the Master Lease and the Lease;

(c) Throughout the Term of the Agreement, each of LCN and Holdings: (i) shall deliver to DPD a copy of written notice of any change in circumstances of which Developer has knowledge that makes the representations and warranties in this Section 8.24 inaccurate; and (ii) shall comply with its obligations under each of the Master Lease and the Lease;

(d) Throughout the Term of the Agreement, neither LCN nor Holdings shall (i) execute or consent to a Material Amendment or (ii) sell, sublease, release, assign or otherwise transfer its interest in either the Master Lease or the Lease, as applicable, without the prior written consent of DPD, which consent shall be in DPD's sole discretion;

(e) If LCN at any time acquires a fee interest in the Property, then simultaneously with such acquisition, LCN shall execute and deliver to the City a Junior Mortgage, which shall be a second mortgage unless the Lender Financing is secured by two separate mortgage loans, in which event the Junior Mortgage may be a third mortgage; and

(f) After the NMTC Compliance Period, and upon the repayment, retirement, or extinguishment of the NMTC Loan, the City will release the Junior Mortgage provided by LCN and Holdings shall execute and deliver to the City a Junior Mortgage, which shall be a second mortgage unless the Lender Financing is secured by two separate mortgage loans, in which event the Junior Mortgage may be a third mortgage.

The covenants set forth in this Section 8.24 shall run with the land and the leasehold interest and be binding upon any transferee for the Term of the Agreement.

8.25. FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with

such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City under Section 8.21, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

8.26 Affordable Housing Covenant. Developer agrees and covenants to the City that the provisions of the City Loan Regulatory Agreement shall govern the terms of Developer's obligation to provide affordable housing at any time during which the City Loan Regulatory Agreement provisions remain enforceable according to the City Loan Regulatory Agreement. At all other times during the Term of the Agreement, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(a) The Facility shall be operated and maintained solely as residential rental housing;

(b) All of the units in the Facility shall be available for occupancy to and be occupied solely by one or more Families qualifying as Low Income Families (as defined below) upon initial occupancy; and

(c) Each of the units in the Facility has monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(d) As used in this Section 8.26, the following terms have the following meanings:

(i) "Family" shall mean one or more individuals, whether or not related by blood or marriage, and

(ii) "Low Income Families" shall mean Families whose annual income does not exceed eighty percent (80%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(e) The covenants set forth in this Section 8.26 shall run with the land and the leasehold interest and be binding upon any transferee for the Term of the Agreement.

(f) The City and Developer may enter into a separate agreement to implement the provisions of this Section 8.26.

8.27 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual

residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the AMBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 26 percent by MBEs.
(2) At least six percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, (3) exercise all remedies available under the Junior Mortgage or (4) seek any other remedies against Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, the Bond Ordinance and the Redevelopment Plan.

Without limiting any other provisions hereof, Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which Developer, or any person directly or indirectly controlling, controlled by or under common control with Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by Developer), or (ii) any liens against the Property permitted or imposed by any Environmental

Laws, or any actual or asserted liability or obligation of the City or Developer or any of its Affiliates under any Environmental Laws relating to the Property.

SECTION 12. INSURANCE

Developer must provide and maintain, at Developer's own expense, or cause to be provided and maintained during the term of this Agreement, the insurance coverage and requirements specified below, insuring all operations related to the Agreement.

(a) Prior to execution and delivery of this Agreement.

(i) Workers Compensation and Employers Liability

Workers Compensation Insurance, as prescribed by applicable law covering all employees who are to provide work under this Agreement and Employers Liability coverage with limits of not less than $100,000 each accident, illness or disease.

(ii) Commercial General Liability (Primary and Umbrella)

Commercial General Liability Insurance or equivalent with limits of not less than $1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: All premises and operations, products/completed operations independent contractors, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work.

(iii) All Risk Property

Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for Developer to obtain and maintain the specified coverages. Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Developer is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Developer must require Contractor and subcontractors to provide the insurance required herein, or Developer may provide the coverages for Contractor and subcontractors. All Contractors and subcontractors are subject to the same insurance requirements of Developer unless otherwise specified in this Agreement.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

(l) The failure of Developer, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer;

(m) the assignment or other direct or indirect transfer by Holdings or LCN, as applicable, of the Master Lease or the Lease without the prior written approval of the City (which shall be in the City's sole discretion); or

(n) an Event of Default (as defined in the Master Lease or the Lease, as applicable) by Holdings or LCN under the Master Lease or the Lease, as applicable, that is not cured within the cure period, if any, granted under the Master Lease or the Lease, as applicable, or the Developer's execution of a Material Amendment without the prior written approval of the City under Section 8.24.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, suspend disbursement of City Funds, place a lien on the Project in the amount of City Funds paid, and/or seek reimbursement of any City Funds paid; provided, however, that the Developer's

obligation to reimburse City Funds shall be deferred until thirty (30) days after the end of the NMTC Compliance Period.

The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, foreclosure of the Junior Mortgage, injunctive relief or the specific performance of the agreements contained herein or in the Junior Mortgage. 15.03 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured; provided, further, that that there shall be no cure period under this Section 15.03 with respect to Developer's failure to comply with the Operating Covenant.

Any mortgage or deed of trust that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any (x) New Mortgage securing the NMTC Loan or (y) any other New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof,

However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

Opinion Of Developer's Counsel.

[To Be Retyped On Developer's Counsel's Letterhead]

_____, ____

City of Chicago

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to La Casa Norte, an Illinois not-for-profit corporation ("LCN") and LCN Title Holding Corporation NFP, an Illinois not-for-profit corporation ("Holdings"; together with LCN, collectively, the "Developer") in connection with the construction of

certain facilities located in the Humboldt Park Commercial Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) La Casa Norte Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

(b) the Junior Mortgage of even date herewith executed by Developer;

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined:

(a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) Bylaws, as amended to date, and (iv) records of all corporate proceedings relating to the Project; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign corporation under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery

and performance will not conflict with, or result in a breach of, Developer's Articles of Incorporation or Bylaws or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. (Sub)Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on (Sub)Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

The Mortgagor acknowledges and agrees that all of the sections of the Agreement cited in the Recitals to this Mortgage, along with all defined terms used in such sections and all other defined terms from the Agreement that are used in this Mortgage, together with such other provisions of the Agreement as may be necessary to reasonably construe such sections and defined terms, are incorporated herein by reference as if fully written out and included as definitions and independent covenants in this Mortgage.

Section III.

Covenants.

The Mortgagor covenants, represents and warrants to Mortgagee that:

3.1 Agreement Covenants.

Mortgagor shall comply with the Covenants.

3.2 Maintenance Of The Mortgaged Property.

(a) Mortgagor shall preserve and maintain the Mortgaged Property in good condition and repair, shall not commit or suffer any waste thereof, and shall keep the same in a clean, orderly and attractive condition. Mortgagor shall not do or suffer to be done anything which will increase the risk of fire or other hazard to the Mortgaged Property or any part thereof.

(b) If the Mortgaged Property or any part thereof is damaged by fire or any other cause, Mortgagor will immediately give written notice of the same to Mortgagee.

(c) Mortgagee or its representatives shall have the right to inspect the Mortgaged Property upon reasonable prior notice at reasonable times to assure compliance with the terms of the Mortgage.

(d) Mortgagor shall comply with, and cause the Mortgaged Property to comply with, all present and future laws, ordinances, orders, rules, regulations and requirements of any governmental authority applicable to the Mortgaged Property, or any part thereof, and with all recorded restrictions and encumbrances affecting the Mortgaged Property, or any part thereof.

3.3 Taxes And Assessments.

(a) Mortgagor will pay when due all general taxes and assessments, special assessments, water charges and all of the charges against the Mortgaged Property and shall, upon written request, furnish to Mortgagee receipts evidencing payment thereof, provided that Mortgagor, in good faith and with reasonable diligence, may contest the validity or amount of any such taxes, assessments or charges, provided that during any such contest the enforcement of the lien of such taxes, assessments or charges is stayed or is otherwise in compliance with the applicable provisions of the Redevelopment Agreement with respect thereto.

(b) Mortgagor will not suffer (unless bonded or insured over) any mechanic's, laborer's, materialmen's, or statutory lien to remain outstanding upon any of the Mortgaged Property. Mortgagor may contest such lien, provided that Mortgagor shall first post a bond in the amount of the contested lien, or provide title insurance over such contested lien, and further provided that Mortgagor shall diligently prosecute the contested lien and cause the removal of the same.

3.4 Insurance.

Mortgagor shall keep the Mortgaged Property continuously, insured in such amounts and against such risks as are required of Mortgagor by the Agreement, paying the premiums for said insurance as they become due. Policies of insurance shall name Mortgagee as an additional insured. All policies for insurance shall provide that the same shall not be canceled, except upon sixty (60) days prior written notice to Mortgagee.

3.5 Subordination.

Mortgagee by acceptance of this Mortgage acknowledges that the Mortgage shall be subject and subordinate in all respects to the [Title of Senior Lender Mortgage] by and between the Mortgagor and PNC Bank, N.A. (the "Senior Lender"), dated as of the date hereof, recorded as of _____, 2017 as Document Number _____ from Mortgagor (the "First Mortgage") and shall also be subordinate to any Permitted Mortgage(s) (all such mortgages, a "Permanent Mortgage") that replace the First Mortgage (or any Permanent Mortgage) and which secure financing in a principal amount not to exceed (i) the original principal amount of the senior financing provided by such Senior Lender and (ii) the amount of Cash Equity contributed by the Developer under the Agreement. The agreement by the Mortgagee to be the subordinate to a Permanent Mortgage on the terms hereunder shall be reflected by a subordination agreement between the Mortgagee and the Senior Lender named as the mortgagee under such Permanent Mortgage, at the request of such Senior Lender.

Section IV.

Reimbursement Obligation.

4.1 Generally.

(a) The maximum aggregate amount of the Reimbursement Obligation shall be limited to the Junior Mortgage Amount under the Agreement, all Protective Advances (as hereinafter defined) and other amounts payable under this Mortgage whether now owing or hereafter accruing.

(b) Pursuant to the terms of the Agreement, Mortgagor, from the execution date of the Mortgage until the expiration of the Term of the Agreement (such time period to be referred to as the "Enforceability Period"), shall complete the Project in accordance with the terms and conditions of the Agreement, and shall, until the expiration of the Term of the Agreement, abide by the Covenants.

4.2 Recapture.

If during the Enforceability Period, Mortgagor fails to complete the Project in accordance with the terms and conditions of the Agreement or subsequent to the issuance of the Certificate by the City, fails to perform in accordance with the Covenants, and after the delivery of written notice and the expiration of any applicable cure period (as described in Section 15 of the Agreement) the City shall be entitled to recapture, and Mortgagor shall be obligated to pay the City, an amount equal to the funds then subject to recapture (as described in Section 4.1 above). The Mortgagee may proceed to foreclose this Mortgage and to exercise any other rights and remedies available to Mortgagee under this Mortgage and the Agreement and at law, in equity or otherwise.

4.3 Release Of Mortgage.

Upon the expiration of the Enforceability Period, if Mortgagor has complied with the Covenants to the satisfaction of Mortgagee, then Mortgagor shall be deemed to have fully complied with the provisions contained in the Mortgage, and Mortgagor shall be under no further obligation to Mortgagee. In addition, if Mortgagor has paid to the City the entire amount of the Reimbursement Obligation which would then be due (calculated as if there had been a failure by Mortgagor to comply with the Covenants) as described in Section 4.1 then Mortgagor shall be under no further obligation to Mortgagee hereunder. In either event, within thirty (30) days of receipt of a written request from Mortgagor, Mortgagee shall execute a release of the Mortgage. Said release shall be in recordable form.

Section V.

Default.

5.1 Events Of Default.

The terms "Event of Default" or "Events of Default", wherever used in the Mortgage, shall mean the failure by Mortgagor to duly observe or perform any material term, covenant, condition, or agreement of the Mortgage or the Covenants after the expiration of all cure periods, if any, as provided herein or in the Agreement.

5.2 Mortgagee's Options; Subrogation; Acceleration; Cure.

(a) In case of an Event of Default, Mortgagee may make any payment or perform any act required of Mortgagor and may make full or partial payments of principal or interest on any Lender Financing or prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim thereof, or redeem the Mortgaged Property from any tax sale or forfeiture affecting the Mortgaged Property or contest any tax or assessment thereon. All monies paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorneys' fees, and any other monies advanced by Mortgagee to protect the Mortgaged Property and the lien hereof, shall be deemed additional indebtedness secured hereby. Inaction of Mortgagee shall never be considered as a waiver of any right accruing to it on account of any default on the part of Mortgagor.

(b) To the extent that Mortgagee, on or after the date hereof, pays any sum under any provision of law or any instrument or document creating any lien or other interest prior or superior to the lien of this Mortgage, or Mortgagor or any other person or entity pays any such sum with the proceeds of the indebtedness secured hereby, Mortgagee shall have and be entitled to a lien or other interest on the Mortgaged Property equal in priority to the lien or other interest discharged and Mortgagee shall be subrogated to, and receive and enjoy all rights and liens possessed, held or enjoyed by, the holder of such lien, which shall remain in existence and benefit Mortgagee in securing the indebtedness secured hereby; provided however Mortgagee shall not be entitled to a lien or other interest in the Mortgaged Property pursuant to any lien created by the Lender Financing documents.

(c) If an Event of Default shall have occurred under the Agreement (with respect to the Covenants) or the Mortgage, and shall have continued for thirty (30) days following the receipt of notice thereof from Mortgagee to Mortgagor, the amount of the Reimbursement Obligation for which Mortgagor is then liable (as determined by Section 4.1 above) and secured hereby, at Mortgagee's sole option, shall immediately become due and payable without further notice or demand; provided, however, that in the event such default cannot reasonably be cured within such thirty (30) day period and if Mortgagor has commenced efforts to cure, then, the time to cure shall be extended so long as said party diligently continues to cure such default; provided, further, that no such notice and cure provisions described above shall apply with respect to an Event of Default arising from the failure by Mortgagor to perform the Covenants, as the notice and cure periods, if any, of the Agreement shall apply to such Event of Default.

(d) Except as otherwise permitted by the terms of the Agreement or by Mortgagee's written consent, any sale, partial sale, refinancing, syndication or other disposition of all or substantially all of the Mortgaged Property (other than in the ordinary course of the Mortgagor's business) shall entitle the Mortgagee to declare the Reimbursement Obligation for which Mortgagor is then liable (as determined by Section 4.1 above) and secured hereby immediately due and payable without further notice or demand; provided, however, the replacement or substitution of any machinery, equipment or fixtures, now owned or hereafter acquired by Mortgagor, with machinery or equipment of like kind and value, whether or not such machinery or equipment is deemed a fixture under applicable

provisions of the Code, will not be an Event of Default under the Mortgage, provided Mortgagor, if requested to do so by Mortgagee, executes such documents as may be necessary or deemed appropriate to assure Mortgagee of a continuing perfected secured interest in such replacement or substituted machinery, equipment or fixtures.

5.3 Remedies.

Mortgagee's remedies as provided in this Mortgage and the Agreement shall be cumulative and concurrent and may be pursued singularly, successively or together, at the sole discretion of Mortgagee and may be exercised as often as occasion therefor shall arise, and shall not be exclusive but shall be in addition to every other remedy now or hereafter existing at law, in equity or by statute.

5.4 Additional Indebtedness.

In the event that the Mortgagee retains an attorney to: (a) assist in collecting amounts owed or enforcing the Mortgagee's rights under this Mortgage or the Agreement; (b) represent Mortgagee in any bankruptcy, reorganization, receivership or other proceedings affecting creditors' rights and involving a claim under this Mortgage or the Agreement; (c) protect or enforce the lien of this Mortgage; or (d) represent Mortgagee in any other proceedings whatsoever in connection with this Mortgage, the Agreement or the Mortgaged Property, then Mortgagor shall pay to Mortgagee all reasonable attorneys' fees, and all costs and expenses incurred in connection therewith.

5.5 No Waiver.

Failure of Mortgagee, for any period of time or on more than one occasion, to exercise any such remedy shall not constitute a waiver of the right to exercise the same at any time thereafter or in the event of any subsequent Event of Default. No act of omission or commission of Mortgagee, including specifically any failure to exercise any right or remedy, shall be deemed to be a waiver or release of the same; any such waiver or release is to be effected only through a written document executed by Mortgagee and then only to the extent specifically recited therein. A waiver or release with reference to any one event shall not be construed as a waiver or release of any subsequent event or as a bar to any subsequent exercise of Mortgagee's rights or remedies hereunder. Except as otherwise specifically required herein, notice of the exercise of any right or remedy granted to Mortgage is not required to be given.

5.6 Right Of Possession.

To the extent permitted by law, in any case in which, under the provisions of this Mortgage, Mortgagee has a right to institute foreclosure proceedings, whether before or after the institution of such proceedings or before or after sale thereunder, Mortgagor shall,

at the option of Mortgagee, surrender to Mortgagee, and Mortgagee shall be entitled to take, actual possession of all or any portion of the Mortgaged Property personally or by its agents or attorneys, and Mortgagee, in its sole discretion, may enter upon, take and maintain possession of all or any portion of the Mortgaged Property.

Upon taking possession of the Mortgaged Property, Mortgagee may make all necessary or proper repairs, decoration, renewals, replacements, alterations, additions, betterments and improvements in connection with the Mortgaged Property as it may deem judicious to insure, protect and maintain the Mortgaged Property against all risks incidental to Mortgagee's possession, operation and management thereof, and may receive all rents, issues and profits therefrom.

5.7 Foreclosure Sale.

The Mortgaged Property or any interest or estate therein sold pursuant to any court order or decree obtained under this Mortgage shall be sold in one parcel, as an entirety, or in such parcels and in such manner or order as Mortgagee, in its sole discretion, may elect, to the maximum extent permitted by Illinois law. At any such sale, Mortgagee may bid for and acquire, as purchaser, all or any portion of the Mortgaged Property and, in lieu of paying cash therefor, may make settlement for the purchase price by crediting upon the indebtedness due the amount of Mortgagee's bid.

5.8 Application Of Proceeds From Foreclosure Sale.

Proceeds of any foreclosure sale of the Mortgaged Property shall be distributed and applied in the following order of priority: (i) on account of all costs and expenses incident to the foreclosure proceedings, (ii) the amounts owed pursuant to Section 4.1 of this Mortgage, and otherwise due and payable under this Mortgage, with interest thereon at the rate of fifteen percent (15%) per annum (the "Interest Rate"), and (iii) any surplus or remaining funds to Mortgagor, its successors or assigns, as their rights may appear.

5.9 Insurance Upon Foreclosure.

Wherever provision is made in the Agreement for insurance policies to bear mortgage clauses or other loss payable clauses or endorsements in favor of Mortgagee, or to confer authority upon Mortgagee to settle or participate in the settlement of losses under policies of insurance or to hold and disburse or otherwise control use of insurance proceeds, from and after the entry of judgment of foreclosure all such rights and powers of Mortgagee shall continue in Mortgagee as judgment creditor or mortgagee until confirmation of sale. Upon confirmation of sale, Mortgagee shall be empowered to assign all policies of insurance to the purchaser at the sale. In case of an insured loss after foreclosure proceedings have been instituted, the proceeds of any insurance policy or policies, if not applied in restoring the Mortgaged Property, shall be used to pay the amount due in accordance with any foreclosure decree that may be entered in any such proceedings, and the balance, if any, shall be paid as the court may direct.

5.10 Waiver Of Statutory Rights.

To the extent permitted by law, Mortgagor shall not apply for or avail itself of any appraisement, valuation, redemption, reinstatement, stay, extension or exemption laws or any so-called "Moratorium Laws" now existing or hereafter enacted, in order to prevent or hinder the enforcement of foreclosure of this Mortgage and hereby waives the benefit of such laws. Mortgagor, for itself and all who may claim through or under it, waives any and all right to have the property and estates comprising the Mortgaged Property marshalled upon any foreclosure of the lien hereof and agrees that any court having jurisdiction to foreclose such lien may order the Mortgaged Property sold as an entirety. To the extent permitted by law, Mortgagor hereby expressly waives any and all rights of redemption and reinstatement, on its own behalf and on behalf of each and every person having a beneficial interest in Mortgagor, it being the intent hereof that any and all such rights of redemption or reinstatement of Mortgagor and of all other persons are and shall be deemed to be hereby waived. Mortgagor acknowledges that the Mortgaged Property do not constitute agricultural real estate, as said term is defined in Section 5/15-1201 of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-1101, et seq. (the "Act") or residential real estate as defined in Section 5/15-1219 of the Act.

5.11 Partial Payments.

Acceptance by Mortgagee of any payment which is less than payment in full of all amounts due and payable at the time of such payment shall not constitute a waiver of Mortgagee's right to exercise its option to declare the whole of the sum then remaining unpaid, together with all interest thereon at the Interest Rate, immediately due and payable without notice, or any other rights of Mortgagee at that time or any subsequent time, without its express written consent, except and to the extent otherwise provided by law.

5.12 Rescission Of Election.

The obligation to make immediate payment of the City Funds, once such payment becomes due under the terms of this Mortgage, may at the option of Mortgagee be rescinded, and any proceedings brought to enforce any rights or remedies hereunder may, at Mortgagee's option, be discontinued or dismissed. In either of such events, Mortgagor and Mortgagee shall be restored to their former positions, and the rights, remedies and powers of Mortgagee shall continue as if such obligation to make immediate payment had not been made or such proceedings had not been commenced, as the case may be.

5.13 Protective Advances; Maximum Amount Of Indebtedness.

All advances, disbursements and expenditures made by Mortgagee before and during a foreclosure, and before and after judgment of foreclosure, and at any time prior to sale, and, where applicable, after sale, and during the pendency of any related proceedings, for

the following purposes, in addition to those otherwise authorized by this Mortgage or by the Act (collectively "Protective Advances"), shall have the benefit of all applicable provisions of the Act, including those provisions of the Act hereinbelow referred to:

(a) all advances by Mortgagee to: (i) preserve or maintain, repair, restore or rebuild the improvements upon the Mortgaged Property; (ii) preserve the lien of this Mortgage or the priority thereof; or (iii) enforce this Mortgage, as referred to in Subsection (b)(5) of Section 5/15-1302 of the Act;

All Protective Advances shall be so much additional indebtedness secured by this Mortgage.

This Mortgage shall be a lien for all Protective Advances as to subsequent purchasers and judgment creditors from the time this Mortgage is recorded pursuant to Subsection (b)(1) of Section 5/15-1302 of the Act.

6.6 Severability.

If any provision of this Mortgage, or any paragraph, sentence, clause, phrase or word, or the application thereof, in any circumstance, is held invalid, the remainder of this Mortgage shall be construed as if such invalid part were never included herein and this Mortgage shall be and remain valid and enforceable to the fullest extent permitted by law.

6.7 Grammar.

As used in this Mortgage, the singular shall include the plural, and masculine, feminine and neuter pronouns shall be fully interchangeable, where the context so requires.

6.8 Successors And Assigns.

Witnesseth:

Whereas, La Casa Norte, an Illinois not-for-profit corporation ("LCN") and LCN Title Holding Corporation, NFP, an Illinois not-for-profit corporation ("Holding"; together with LCN, collectively, the "Developer") own certain property located within the Humboldt Park Commercial Redevelopment Project Area at 3527 -- 3533 West North Avenue, Chicago, Illinois 60647 and legally described on the Exhibit hereto (the "Property") and intend to commence and complete construction thereon of an approximately 57,000 square foot five-story, mixed-use building including rental housing which will consist of 25 units targeted to homeless, near homeless and/or disabled individuals or families and supportive services space and administrative office space for the Developer, and approximately 9 on-site parking spaces (the "Project"); and

Whereas, [Describe financing and security documents -- Construction Loan Agreement, Loan, Note, Mortgage] (all such agreements referred to above, collectively, the "Loan Documents"); and

Whereas, Developer desires to enter into a certain La Casa Norte Redevelopment Agreement dated the date hereof with the City in order to obtain additional financing for the Project (the "Redevelopment Agreement", referred to herein along with various other agreements and documents related thereto as the "City Agreements"); and

Whereas, Pursuant to the Redevelopment Agreement, Developer will agree to be bound by certain covenants expressly running with the Property, as set forth in Sections 8.02 (Covenant to Redevelop), 8.06 (Job Creation and Retention; Minimum Occupancy Covenant), 8.19 (Real Estate Provisions), 8.21 (Annual Compliance Report), 8.24 (Master Lease and Lease Representations, Warranties and Covenants) and 8.26 (Affordable Housing Covenant) of the Redevelopment Agreement (the "City Encumbrances"); and

Whereas, The City has agreed to enter into the Redevelopment Agreement with Developer as of the date hereof, subject, among other things, to (a) the execution by Developer of the Redevelopment Agreement and the recording thereof as an

The Lender shall use reasonable efforts to give to the City, and the City shall use reasonable efforts to give to the Lender, (a) copies of any notices of default which it may give to Developer with respect to the Project pursuant to the Loan Documents or the City Agreements, respectively, and (b) copies of waivers, if any, of Developer's default in connection therewith. Under no circumstances shall Developer or any third party be entitled to rely upon the agreement provided for herein.

3. Waivers. No waiver shall be deemed to be made by the City or the Lender of any of their respective rights hereunder, unless the same shall be in writing, and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the City or the Lender in any other respect at any other time.

4. Governing Law; Binding Effect. This Agreement shall be interpreted, and the rights and liabilities of the parties hereto determined, in accordance with the internal laws and decisions of the State of Illinois, without regard to its conflict of laws principles, and shall be binding upon and inure to the benefit of the respective successors and assigns of the City and the Lender.

WHEREAS, As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, the City of Chicago (the "City") has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals; and

Redevelopment Agreement dated as of July 22, 2016, and recorded on August 5, 2016 as Document Number 1621816054 in the Office of the Cook County Recorder of Deeds (the "Agreement") with Chicago Neighborhood Initiatives, Inc., an Illinois not-for-profit corporation (the "Developer"); and

WHEREAS, The Developer and Pullman Park Development 2 LLC, an Illinois limited liability company and wholly owned subsidiary of Developer (the "Gateway Vertical Developer" together with the Developer, the "Gateway Developer Parties") seek to undertake a second component to the Project to be known as the Gateway Project; and

WHEREAS, Such aforementioned changes to the timing for the completion of the Project and the addition of the Gateway Project require amendments to certain provisions of the Agreement; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are incorporated herein and made a part hereof.

SECTION 2. The Commissioner of the Department of Planning and Development (the "Commissioner") or a designee of the Commissioner are each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver an amendment to the Agreement between the City and the Gateway Developer Parties substantially in the form attached hereto as Exhibit A and made a part hereof (the "First Amendment"), and such other supporting documents as may be necessary to carry out and comply with the provisions of the First Amendment, with such changes, deletions and insertions as shall be approved by the persons executing the First Amendment. The Commissioner or a designee of the Commissioner is each hereby authorized to give such approvals and consents on behalf of the City as are expressly provided for in the First Amendment.

SECTION 3. To the extent that any ordinance, resolution, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 4. This ordinance shall be in full force and effect immediately upon its passage and approval.

Exhibit "A" referred to in this ordinance reads as follows:

Exhibit "A".
(To Ordinance)

First Amendment To Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement.

This First Amendment to Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement (the "First Amendment") is made as of this _____ day of _____, 2017, between the City of Chicago, an Illinois municipal corporation (the "City"), through its Department of Planning and Development ("DPD"), Chicago Neighborhood Initiatives, Inc., an Illinois not-for-profit corporation (the "Developer") and Pullman Park Development 2 LLC, an Illinois limited liability company and wholly owned subsidiary of Developer (the "Gateway Vertical Developer"). Gateway Vertical Developer is being added as a party to the Redevelopment Agreement solely in regard to the Gateway Project (as defined below). Developer and Gateway Vertical Developer shall be known herein as the "Gateway Developer Parties". The City, the Developer, and the Gateway Vertical Developer shall be known herein as the "Parties".

Ryan Companies US, Inc., a Minnesota corporation ("Vertical Developer") signed a limited joinder to the Redevelopment Agreement with respect to Section 18.27 of the Agreement, but is not a party to this First Amendment because Section 18.27 is not amended by this First Amendment.

Recitals.

A. As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. To induce certain redevelopment pursuant to the Act, in accordance with the provisions of the Act, pursuant to ordinances adopted on June 30, 2009, and published at pages 65068 through 65179 of the *Journal of the Proceedings of the City Council of the City of Chicago* (the "*Journal*") for such date, the City Council of the City (the "City Council"): (1) approved and adopted a redevelopment plan for the North Pullman Redevelopment Project Area (the "North Pullman Redevelopment Area") of the City; (2) designated the North Pullman Redevelopment Area as a "redevelopment project area" pursuant to the Act; and (3) adopted tax increment allocation financing for the North Pullman Redevelopment Area. The North Pullman Redevelopment Area is legally

described in (Sub)Exhibit A to the Redevelopment Agreement (defined below). The Roseland/Michigan Redevelopment Project Area of the City is directly adjacent to the North Pullman Redevelopment Area.

D. Pursuant to an ordinance adopted by the City Council on June 22, 2016, the City entered into that certain Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement dated as of July 22, 2016 and recorded on August 5, 2016 as Document Number 1621816054 in the Office of the Cook County Recorder of Deeds (the "Redevelopment Agreement") with the Developer.

E. Subsequent to the execution of the Redevelopment Agreement, Developer has encountered a number of challenges that have caused changes to the timing for the completion of the original project. Developer and the City have agreed to enter into this First Amendment to memorialize a change to the required completion date of the project. In addition, the Gateway Developer Parties seek to undertake a second component to the overall project to be known as the Gateway Project, which also is authorized by this First Amendment.

F. Such aforementioned change to the timing for the completion of the project requires an amendment to the Redevelopment Agreement.

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Section One.

Incorporation; Definitions.

1. The recitals set forth above are incorporated herein by reference and made a part hereof.

2. Any capitalized term used but not otherwise defined herein shall have the same meaning as set forth in the Redevelopment Agreement.

Section Two.

Amendment To Redevelopment Agreement.

1. Add the following Recital to the Agreement:

D.1 The Gateway Project. The Developer owns or controls certain property located within the North Pullman Redevelopment Area located along East 111th Street between

South Doty Avenue and the Norfolk-Southern Railroad tracks, as legally described on (Sub)Exhibit B-2 (the "Gateway Property"). Within the time frames set forth in Section 3.01.1, the Developer shall: (i) commence and complete site preparation, erosion control, demolition, construction of private and public utility improvements, construction of engineered barrier, improvements to East 111th Street and other site preparation work as needed to create a development pad and (ii) convey (or cause to be conveyed) title to the Gateway Property to the Gateway Vertical Developer for construction of an approximately 9,800 square foot retail building to be leased, in part, by Potbelly Corporation, Inc., a Delaware corporation ("Potbelly"), for use as a Potbelly restaurant. All work at the Gateway Property to be completed by Gateway Developer Parties for the creation of a development pad, along with associated public and private infrastructure, and the construction and leasing of the approximately 9,800 square foot retail building to be occupied by a Potbelly Restaurant and several other smaller tenants shall be known herein as the "Gateway Project". It is anticipated that the Gateway Project will have approximately seventy (70) full-time equivalent temporary construction jobs during the construction period and will have approximately forty (40) full-time equivalent employees when fully operational. Both the Project and the Gateway Project are part of the larger, 173-acre Pullman Park Development, a multi-phased project being undertaken by the Developer. The entire Pullman Park Development was previously an industrial site and home of Ryerson Steel. The completion of the Gateway Project and the leasing of the Property to Potbelly and other tenants would not reasonably be anticipated without the financing contemplated in this Agreement.

2. Replace Recital F of the Agreement with the following:

F. City Financing And Assistance For The Project. Subject to Developer fulfilling those obligations under this Agreement applicable to the Project for the Whole Foods Warehouse and Distribution Facility that are the applicable conditions precedent to obligate the City to do so, the City will grant the Developer Incremental Taxes as defined in Schedule A in an amount of up to a maximum of $500,000 and issue the City Note in a principal amount not to exceed $7,400,000 (collectively, the "City Funds"). The Developer, and not the Vertical Developer or Whole Foods, will be the sole recipient of the City Funds.

3. Add the following Recital to the Agreement:

F.1 City Financing And Assistance For The Gateway Project. Subject to the Gateway Developer Parties fulfilling those obligations under this Agreement applicable to the Gateway Project that are the applicable conditions precedent to obligate the City to do so, the City will grant the Developer Incremental Taxes as defined in Schedule A in an amount of up to a maximum of $500,000 (the "Gateway City Funds"). The Developer, and not the Gateway Vertical Developer, will be the sole recipient of the Gateway City Funds.

4. Rename Article III as follows: The Project and Gateway Project.

5. Replace Section 3.01 of the Agreement with the following:

(iv) Conveyance of title to the Property to the Vertical Developer shall commence and be completed no later than March 3, 2017.

(b) The requirements in subsection 3.01(a) shall be subject to: (a) Section 18.17 (Force Majeure); (b) applicable Change Orders, if any, issued under Section 3.04; (c) the receipt of all applicable permits and Project approvals; and (d) issuance of a "No Further Remediation" letter, which shall not be required to be completed by December 30, 2017, but which shall be diligently pursued to completion.

6. Add the following section to the Agreement:

The Note Issuance Costs are estimated to be a total of $1,003,101. The Project Costs and the Note Issuance Costs, together, are estimated to exceed $7,900,000. The Developer hereby certifies to the City that: (a) it has Lender Financing and/or Equity, along with the City Funds, in an aggregate amount sufficient to pay for all Project costs and Note Issuance Costs; and (b) the Project Budget is true,

correct and complete in all material respects. Developer will promptly deliver to DPD copies of any Change Orders with respect to the Project Budget as provided in Section 3.04.

8. Add the following section to the Agreement:

3.03.1 Gateway Project Budget. The Gateway Developer Parties have furnished to DPD, and DPD has approved, a Gateway Project Budget which is (Sub)Exhibit D-3, showing total costs for the Gateway Project in an amount not less than $5,136,699. 10. Add the following section to the Agreement:

4.01.1 Total Gateway Project Cost And Sources Of Funds. The total cost of the Gateway Project is estimated to be approximately $5,136,699 to be applied in the manner set forth in the Gateway Project Budget.

---

* Note: Developer reserves the right to use Lender Financing to initially pay for all or any portion of the Project costs, and Developer shall not be required to deposit Lender Financing proceeds into the Construction Escrow.

Source Of City Funds	Maximum Amount
(Construction Phase Assistance, City Note, Note Issuance Costs and Reserve Account)	$7,900,000

The City hereby agrees to issue the City Note to Developer on the Closing Date. If the aggregate cost of the Gateway TIF-Funded Improvements exceeds Gateway City Funds available under Section 4.03.1, the City will not be responsible for such excess costs, and the Developer will hold the City harmless from any and all costs and expenses of completing the Gateway TIF-Funded Improvements in excess of Gateway City Funds and from any and all costs and expenses of completing the Gateway Project in excess of the Gateway Project Budget.

Upon DPD's approval of the Scope Drawings and Plans and Specifications, and the Gateway Project Budget as provided in Section 3.03.1, and the Gateway Developer Parties' receipt of all required building permits and governmental approvals, the Gateway Developer Parties will redevelop, or cause to redevelop, the Gateway Property and the Gateway Project in compliance with this Agreement (as amended) and all applicable exhibits attached hereto, the TIF Ordinances, the Scope Drawings, the Plans and Specifications, the Gateway Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Gateway Property, the Gateway Project and/or the Gateway Developer Parties. The covenants set forth in this Section 8.02.1 will run with the land comprising the Gateway Property (as defined herein) and will be binding upon any transferee, until fulfilled as evidenced by the issuance of a Gateway Vertical Construction Certificate of Completion.

8.03.1 Redevelopment Plan. The Gateway Developer Parties represent that the Gateway Project is and will be in compliance with all applicable terms of the Redevelopment Plan, as in effect on the date of the First Amendment to this Agreement.

8.04.1 Use Of Gateway City Funds. Gateway City Funds disbursed to Developer will be used by Developer solely to reimburse Developer for its payment for the Gateway TIF-Funded Improvements as provided in this Agreement.

8.05.1 Other Bonds. At the request of the City, the Gateway Developer Parties will agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole and absolute discretion) any Bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with or provided a source of funds for the payment for the Gateway TIF-Funded Improvements (the "Bonds"); provided, however, that any such amendments will not have a material adverse effect on the Gateway Developer Parties or the Gateway Project. The Gateway Developer Parties will, at their expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Gateway Project, making representations, providing information regarding its financial condition (but not including proprietary sales and operating information), and assisting the City in its preparation of an offering statement with respect thereto. The Gateway Developer Parties will not have any liability with respect to any disclosures made in connection with any such issuance that are actionable under applicable securities laws unless such disclosures are based on factual information provided by the Gateway Developer Parties that is determined to be false and misleading.

8.06.1 Employment Opportunity -- Gateway Project.

(a) In regard to the Gateway Project, the Gateway Developer Parties covenant and agree to abide by, and contractually obligate and use reasonable efforts to contractually obligate, and, as applicable, to cause the General Contractor to contractually obligate, each subcontractor to abide by the terms set forth in Section 8.08.1 (Prevailing Wage) and Article Ten (Developer's Employment Obligations). The Gateway Developer Parties

will submit a plan to DPD describing their compliance program prior to the Gateway Closing Date.

(b) In regard to the Gateway Project, the Gateway Developer Parties will deliver to the City written quarterly progress reports detailing compliance with the requirements of Sections 8.08.1, (Prevailing Wage) 10.02 (City Resident Construction Worker Employment Requirement) and 10.03 (Developer's MBE/WBE Commitment) of this Agreement. If any such reports indicate a shortfall in compliance, the Gateway Developer Parties will also deliver a plan to DPD which will outline, to DPD's satisfaction, the manner in which the Gateway Developer Parties will correct any shortfall.

8.07.1 Employment Profile -- Gateway Project. The Gateway Developer Parties will submit, and contractually obligate and cause the General Contractor to submit and contractually obligate any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.08.1 Prevailing Wage -- Gateway Project. The Gateway Developer Parties covenant and agree to pay, and to contractually obligate and cause the General Contractor to pay and to contractually cause each subcontractor to pay, the prevailing wage rate as ascertained by the State Department of Labor (the "Labor Department"), to all of their respective employees working on constructing the Gateway Project or otherwise completing the Gateway TIF-Funded Improvements. All such contracts will list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed under such contract, or alternatively the Gateway Developer Parties will provide applicable schedules evidencing wage rates paid. If the Labor Department revises such prevailing wage rates, the revised rates will apply to all such contracts. Upon the City's request, the Gateway Developer Parties will provide the City with copies of all such contracts entered into by the Gateway Developer Parties or the General Contractor to evidence compliance with this Section 8.08.1.

8.09.1 Arms-Length Transactions -- Gateway Project. Unless DPD shall have given its prior written consent with respect thereto, no affiliate of Developer may receive any portion of Gateway City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any Gateway TIF-Funded Improvement. Developer will provide information with respect to any entity to receive Gateway City Funds directly or indirectly (whether through payment to an Affiliate by Developer and reimbursement to Developer for such costs using Gateway City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.10.1 Gateway Financial Statements. The Gateway Developer Parties will obtain and provide to DPD audited Gateway Financial Statements for 2016, if available, and each year thereafter for the Term of the Agreement; provided, that the Gateway Developer Parties shall provide to DPD unaudited Gateway Financial Statements if audited Gateway Financial Statements are not yet available for such years.

8.11.1 Insurance -- Gateway Project. Solely at their own expense, the Gateway Developer Parties will comply with all applicable provisions of Article Twelve (Insurance) hereof.

8.12.1 Non-Governmental Charges -- Gateway Project.

(a) Payment Of Non-Governmental Charges. Except for the Gateway Permitted Liens, and subject to subsection (b) below, the Gateway Developer Parties agree to pay or cause to be paid when due any Non-Governmental Charges assessed or imposed upon the Gateway Property or the Gateway Project or any fixtures that are or may become attached thereto and which are owned by Developer or Gateway Vertical Developer, which creates, may create, or appears to create a lien upon all or any portion of the Gateway Property; provided however, that if such Non-Governmental Charges may be paid in installments, the Gateway Developer Parties may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Gateway Developer Parties will furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other evidence satisfactory to DPD, evidencing payment of the Non-Governmental Charges in question.

(b) Right To Contest -- Gateway Project. The Gateway Developer Parties will have the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charges by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charges, prevent the imposition of a lien or remove such lien, or prevent the transfer or forfeiture of the Gateway Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Gateway Developer Parties' covenants to pay any such Non-Governmental Charges at the time and in the manner provided in this Section 8.12.1); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD will require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such transfer or forfeiture of the Gateway Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charges and all interest and penalties upon the adverse determination of such contest.

8.14.1 Compliance With Laws -- Gateway Project.

(a) Representation. To the Gateway Developer Parties' knowledge, after diligent inquiry, the Gateway Property and the Gateway Project are in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Gateway Property and the

Gateway Project. Upon the City's request, the Gateway Developer Parties will provide evidence reasonably satisfactory to the City of such current compliance.

(b) Covenant. The Gateway Developer Parties covenant that the Gateway Property and the Gateway Project will be operated and managed in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Property or the Project, including the following Municipal Code Sections: 7-28-390, 7-28-440, 11-4-1410, 11-4-1420, 11-4-1450, 11-4-1500, 11-4-1530, 11-4-1550 or 11-4-1560, whether or not in performance of this Agreement. Upon the City's request, the Gateway Developer Parties will provide evidence to the City of its compliance with this covenant.

8.15.1 Recording And Filing. The Gateway Developer Parties will cause the Agreement and the First Amendment to this Agreement, certain exhibits (as specified by Corporation Counsel) and all amendments and supplements hereto to be recorded and filed on the effective date of the First Amendment to this Agreement in the conveyance and real property records of Cook County, Illinois against the Gateway Property. Such recordings shall be recorded prior to any mortgage made in connection with Lender Financing, if any. The Gateway Developer Parties will pay all fees and charges incurred in connection with any such recording. Upon recording, the Gateway Developer Parties will immediately transmit to the City an executed original of this Agreement and the First Amendment to this Agreement showing the date and recording number of record.

8.16.1 Real Estate Provisions -- Gateway Project.

(a) Governmental Charges.

(i) Payment Of Governmental Charges. Subject to subsection (ii) below, Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Gateway Property or the Gateway Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer or all or any portion of the Gateway Property or the Gateway Project, provided, however, that this section shall not impose on Developer any obligation to be personally liable on any tax that does not generally impose personal liability (except that the City's rights and remedies attributable to the Gateway City Funds shall not be affected). "Governmental Charge" means all Federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances relating to Developer, the Gateway Property or the Gateway Project, including but not limited to real estate taxes.

(ii) Right To Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or transfer or forfeiture of the Gateway Property or

the Gateway Project. No such contest or objection will be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option:

(x) Developer will demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge will conclusively operate to prevent or remove a lien against, or the sale or transfer or forfeiture of, all or any part of the Gateway Property or the Gateway Project to satisfy such Governmental Charge prior to final determination of such proceedings, and/or;

(y) Developer will furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD may require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or transfer or forfeiture of the Gateway Property or the Gateway Project during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay or contest any Governmental Charge or to obtain discharge of the same, Developer will advise DPD thereof in writing, at which time DPD may, but will not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement in regard to the Gateway Project, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, will be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph must not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Gateway Financial Statements at Developer's own expense.

(c) Real Estate Taxes.

[(i) Real Estate Tax Exemption. With respect to the Gateway Property or the Gateway Project, neither of the Gateway Developer Parties nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to either of the Gateway Developer Parties shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect.]

[(ii) No Reduction In Real Estate Taxes. Neither of the Gateway Developer Parties nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to either of the Gateway Developer Parties shall, during the Term of this

Agreement, directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Gateway Property or the Gateway Project.]

[(iii) No Objections. Neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer, shall object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Underassessment Complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term "Underassessment Complaint" as used in this Agreement shall mean any complaint seeking to increase the assessed value of the Property.]

(iv) Covenants Running With The Land. The parties agree that the restrictions contained in this Section 8.16.1(c) are covenants running with the land and this Agreement and the First Amendment to the Agreement shall be recorded by Developer as a memorandum thereof, at Developer's expense, with the Cook County Recorder of Deeds on the Gateway Closing Date. These restrictions shall be binding upon the Developer Parties and their agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the North Pullman Redevelopment Area is no longer in effect. Any sale, lease, conveyance, or transfer of title to all or any portion of the Gateway Property, if permitted by the City, and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.16.1(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of Developer, its successors or assigns, may waive and terminate Developer's covenants and agreements set forth in this Section 8.16.1(c).

8.17.1 Annual Reports -- Gateway Project. (a) Developer or Vertical Developer, throughout the Compliance Period, shall submit to DPD the Gateway Project Annual Compliance Report within 30 days after the end of the calendar year to which the Gateway Project Annual Compliance Report relates.

(b) Beginning with the issuance of the Gateway Vertical Construction Certificate of Completion and continuing throughout the Term of the Agreement, the Gateway Developer Parties shall cause to be submitted to DPD each calendar year an Annual Report of Incremental Taxes not later than February 1st of the subsequent calendar year. Failure by the Gateway Developer Parties to submit the Annual Report of Incremental Taxes before February 15th of a relevant year shall constitute an Event of Default under Section 15.01.1 hereof, without notice or opportunity to cure pursuant to Section 15.03.1 hereof. If the Gateway Developer Parties default in submitting the Annual Report of Incremental Taxes in any year, the City may engage its own financial consultant to prepare the report and the cost thereof shall be reimbursed to the City by the Gateway Developer Parties.

8.18.1 Conveyance Of Gateway Property And Construction And Operation Of Retail Building; Occupancy Covenant. Upon completion of certain initial work on the Gateway Project by Developer, the Developer shall convey (or cause to be conveyed) the Gateway Property to the Gateway Vertical Developer and the Gateway Vertical Developer shall commence and complete construction on the Gateway Property of an approximately 9,800-square foot retail building and lease the retail building to Potbelly and other tenants. After conveyance of the Gateway Property to the Gateway Vertical Developer by the Developer, the Gateway Vertical Developer shall be the owner of the Gateway Property and all improvements constructed thereon throughout the Compliance Period. The Gateway Vertical Developer is prohibited from selling the Gateway Property without prior written approval of the City, which shall be at the City's sole discretion. In the event that the Gateway Property is not conveyed to the Gateway Vertical Developer by the Developer and/or the retail building is not constructed thereon by September 30, 2017, subject to Force Majeure, such failure shall be considered an Event of Default by the Developer Parties. The Gateway Vertical Developer will be required to maintain an occupancy level of at least 65 percent ("Minimum Occupancy") of leasable space during the Compliance Period.

Gateway Vertical Developer (a) shall, through the Compliance Period, lease the Gateway Property to tenants whose operations shall not include any Prohibited Uses as set forth in (Sub)Exhibit Q, without prior written approval of the City, which shall be at the City's sole discretion, and (b) shall not, through the Compliance Period, except for the Declaration of Restrictions dated as of August 20, 2010, between North Pullman 111th, Inc. and U.S. Bank National Association and recorded with the Office of the Cook County Recorder of Deeds on September 1, 2010 as Document Number 1024404004 (until the restrictions described therein terminate according to such Declaration of Restrictions), include any restriction upon the use and operation of the Gateway Property in any contract of sale or deed (or similar instrument) of conveyance that is more restrictive or in conflict with the restrictions relating to Prohibited Uses. The covenants set forth in this Section 8.18.1 will run with the land comprising the Gateway Property (as defined herein) and will be binding upon any transferee, until the expiration of the Compliance Period.

8.20.1 No Conflict Of Interest -- Gateway Project. Under Section 5/11-74.4-4(n) of the Act, the Gateway Developer Parties represent, warrant and covenant that to the best of their knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Gateway Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City, (a "City Group Member") owns or controls, has owned or controlled or will own or control any interest, and no such City Group Member will represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, either of the Gateway Developer Parties, the Gateway Property, the Gateway Project, or to the Gateway Developer Parties' actual knowledge, any other property in the Redevelopment Area.

8.21.1 Disclosure Of Interest -- Gateway Project. The Gateway Developer Parties' counsel has/have no direct or indirect financial ownership interest in either of the Gateway Developer Parties, the Gateway Property or any other feature of the Gateway Project.

8.27.1 Employment Plan -- Gateway Project. The Gateway Developer Parties must meet with the Workforce Solutions Unit of DPD to discuss the Gateway Project and to formulate an Employment Plan for the Gateway Project (the "Employment Plan"), including, without limitation, the Developer's estimates of future job openings, titles, position descriptions, qualifications, recruiting, training, placement and such other information as DPD has requested relating to the Project. In addition, the Developer shall cause the Gateway Vertical Developer to require through its lease that any subsequent tenant on the Gateway Property meet with Workforce Solutions to prepare an Employment Plan.

8.29.1 Survival Of Covenants. All warranties, representations, covenants and agreements of the Gateway Developer Parties, in regard to the Gateway Project, contained in this Article Eight and elsewhere in this Agreement are true, accurate and complete at the time of the Gateway Developer Parties' execution of the First Amendment to this Agreement, and will survive the execution, delivery and acceptance by the parties and (except as provided in Article Seven upon the issuance of any certificate of completion) will be in effect throughout the Term of the Agreement.

8.30.1 Payment Upon Sale Or Refinancing. With respect to a sale or refinancing during the Compliance Period, Developer (in the case of a sale of Gateway Vertical Developer's membership interests by Developer) or Gateway Vertical Developer, as applicable (a) shall provide the City within 30 business days before the closing, a copy of the signed purchase and sale or refinancing agreement, including all exhibits, an estimate of the Net Proceeds from such transaction, and an estimate of the anticipated amount to be paid to the City, and (b) shall provide the City within five business days after the closing, a certified closing statement for such sale or refinancing and a check or wire transfer in the amount of 50 percent of the Net Proceeds of such sale or refinancing.

Notwithstanding the foregoing, the further investment of equity capital in the Gateway Vertical Developer by Developer to finance construction or operations of the Gateway Project shall not by itself be considered to be a sale or refinancing.

If Developer (in the case of a sale of Gateway Vertical Developer's membership interests by Developer) or Gateway Vertical Developer, as applicable, pursuant to this Section 8.30.1 repays the entire amount of City Funds previously disbursed by the City plus compounded interest from the date the City Funds were disbursed, then promptly following such repayment the City shall execute and deliver to Developer a release of this Agreement in recordable form, to be recorded by Developer at Developer's expense.

"Foreclosure" shall mean the succession by a lender providing Lender Financing to the interest of either of the Gateway Developer Parties in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or proceeding in lieu of foreclosure or otherwise, and excluding any subsequent sale.

"Net Proceeds" of any sale or refinancing shall mean an amount equal to the proceeds of any sale or refinancing realized by Developer (in the case of a sale of Gateway Vertical

Developer's membership interests by Developer) or Gateway Vertical Developer, as applicable, minus (w) all accrued and unpaid Lender Financing on the Gateway Project or the portion thereof sold or refinanced, not forgiven, assumed or taken subject to by the buyer, (x) in the case of a sale by a lender after Foreclosure, the amount of Lender Financing satisfied by the Foreclosure, and (y) reasonable and customary closing costs and expenses of any such sale or refinancing, subject to approval by the City.

"Refinancing" shall mean the refinancing by the Developer of the Lender Financing.

"Sale" shall mean (a) the sale, exchange or other disposition of all or any portion of the Gateway Project and/or the Gateway Property by the Gateway Developer Party(ies) to a buyer for cash, property, assumption of indebtedness or other consideration, or (b) the sale, exchange or other disposition of all or any portion of Gateway Vertical Developer's membership interests by Developer, or the issuance of additional membership interests by Gateway Vertical Developer, for cash, property, assumption of indebtedness or other consideration; provided, however, that while a Foreclosure shall not constitute a Sale, any subsequent sale, exchange or other disposition of all or any portion of the Gateway Project and/or the Gateway Property after Foreclosure shall constitute a Sale.

The covenants set forth in this section shall run with the land and be binding upon any transferee throughout the Compliance Period.

16. Add the following sections to Article 9 of the Agreement:

9.01.1 General Covenants -- Gateway Project. The City represents that it has the authority as a home rule unit of local government to execute and deliver the First Amendment to this Agreement and to perform its obligations hereunder.

9.02.1 Survival of Covenants -- Gateway Project. All warranties, representations, and covenants of the City, in regard to the Gateway Project, contained in this Article Nine or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of the First Amendment to this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

17. Add the following sections to Article 10 of the Agreement:

10.01.1 Employment Opportunity -- Gateway Project. The Gateway Developer Parties, on behalf of themselves and their successors and assigns, hereby agree, and will contractually obligate their various contractors, subcontractors or any Affiliate of the Gateway Developer Parties on the Gateway Project (collectively, with the Gateway Developer Parties, such parties are defined herein as the "Employers", and individually defined herein as an "Employer") to agree, that for the Term of this Agreement with respect to the Gateway Developer Parties and during the period of any other party's provision of services in connection with the construction of the Gateway Project:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010, et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time-to-time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Gateway Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer will comply with all applicable federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the State Human Rights Act, 775 ILCS 5/1-101, et seq. (2006 State Bar Edition), as amended, and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this section, will cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer will include the foregoing provisions of subparagraphs (a) through (d) in every construction contract entered into in connection with the Gateway Project, after the Gateway Closing Date, and will require inclusion of these provisions in every subcontract entered into by any subcontractors, after the Gateway Closing Date, and every agreement with any affiliate operating on the Gateway Property or at the

Gateway Project, after the Gateway Closing Date, so that each such provision will be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01.1 will be a basis for the City to pursue remedies under the provisions of Section 15.02.1 hereof, subject to the cure rights under Section 15.03.1.

10.02.1 City Resident Construction Worker Employment Requirement -- Gateway Project.

(a) The Gateway Developer Parties agree for themselves and their successors and assigns, and will contractually obligate their General Contractor and will cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Gateway Project they will comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project will be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Gateway Developer Parties, their General Contractor and each subcontractor will be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions. The Gateway Developer Parties, the General Contractor and each subcontractor will use their respective best efforts to exceed the minimum percentage of hours stated above, and to employ neighborhood residents in connection with the Gateway Project.

(b) The Gateway Developer Parties may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

(c) "Actual residents of the City" means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Gateway Developer Parties, the General Contractor and each subcontractor will provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Gateway Project. Each Employer will maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) will be submitted to the Commissioner of DPD in triplicate, which will identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

(f) Upon two Business Days prior written notice, the Gateway Developer Parties, the General Contractor and each subcontractor will provide full access to their employment records related to the construction of the Gateway Project to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Gateway Developer Parties, the General Contractor and each subcontractor will maintain all relevant personnel data and records related to the construction of the Gateway Project for a period of at least three years after final acceptance of the work constituting the Gateway Project.

(g) At the direction of DPD, affidavits and other supporting documentation will be required of the Gateway Developer Parties, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Gateway Developer Parties, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) will not suffice to replace the actual, verified achievement of the requirements of this section concerning the worker hours performed by actual Chicago residents.

(i) When work at the Gateway Project is completed, in the event that the City has determined that the Gateway Developer Parties have failed to ensure the fulfillment of the requirement of this article concerning the worker hours performed by actual residents of the City or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this article. Therefore, in such a case of noncompliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Gateway Project Budget (the product of .0005 x such aggregate hard construction costs) (as the same will be evidenced by approved contract value for the actual contracts) will be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly will result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Gateway Developer Parties, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Gateway Developer Parties pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Gateway Developer Parties must surrender damages as provided in this paragraph.

(j) Nothing herein provided will be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity,

Executive Order 11246", or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

(k) The Gateway Developer Parties will cause or require the provisions of this Section 10.02.1 to be included in all construction contracts and subcontracts related to the Gateway Project, entered into after the Gateway Closing Date.

10.03.1 Gateway Developer Parties' MBE/WBE Commitment. The Gateway Developer Parties agree for themselves and their successors and assigns, and, if necessary to meet the requirements stated in this section, will contractually obligate the General Contractor to agree that during the construction of the Gateway Project:

(a) Consistent with the findings which support, as applicable: (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program", and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03.1, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as stated in Exhibit D-4) must be expended for contract participation by Minority-Owned Businesses ("MBEs") and by Women-Owned Businesses ("WBEs"):

(1) At least 26 percent by MBEs.

(2) At least six percent by WBEs.

(b) For purposes of this Section 10.03.1 only:

(i) The Gateway Developer Parties (and any party to whom a contract is let by the Gateway Developer Parties in connection with the Gateway Project) are deemed a "contractor" and this Agreement (and any contract let by the Gateway Developer Parties in connection with the Gateway Project) is deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

The General Contractor and all major subcontractors are required to attend this pre-construction meeting. During said meeting, the Gateway Developer Parties will demonstrate to the City's monitoring staff their plan to achieve their obligations under this Section 10.03.1, the sufficiency of which will be approved by the City's monitoring staff. During the Gateway Project, the Gateway Developer Parties shall submit the documentation required by this Section 10.03.1 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Gateway Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Gateway Developer Parties are not complying with its obligations under this Section 10.03.1, will, upon the delivery of written notice to the Gateway Developer Parties, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Gateway Developer Parties to halt the Gateway Project, (2) withhold any further payment of any Gateway City Funds to Developer or the General Contractor, or (3) seek any other remedies against the Gateway Developer Parties available at law or in equity.

18. Add the following section to Article 13 of the Agreement:

The provisions of the undertakings and indemnification set out in this Section 13.01.1 will survive the termination of this Agreement.

WHEREAS, The Applicant purchased the Project Site for value; and

WHEREAS, The Project Site has been abandoned for approximately 20 years; and

WHEREAS, The City's Department of Planning and Development ("DPD") has determined that the property contains numerous depressed conditions that continue to impede the development of the property, including but not limited to functionally and economically obsolete buildings and site improvements, deteriorated structures, inadequate utilities, excessive site coverage and deleterious land use and layout (the "Special Circumstances") which DPD has determined justify a finding that the Project Site is abandoned for the purpose of the Class 7(b) designation; and

WHEREAS, Section 74-65(b) of the Cook County Tax Incentive Ordinance, Classification System for Assessment, as amended from time to time (the "County Ordinance"), provides that prior to filing an eligibility application with the Assessor, an Applicant for Class 7(b) classification must obtain an ordinance or resolution from the municipality in which the real estate is located expressly stating that (a) the municipality has determined that eligibility factors (1) through (5) under Section 74-65(a) of the County Ordinance are present, and (b) the municipality supports and consents to the Class 7(b) application to the Assessor; and

WHEREAS, DPD has reviewed the proposed Project and has determined that it meets the necessary eligibility requirements for Class 7(b) designation, and hereby recommends to City Council that the City expressly determine, among other things, by ordinance that (a) the required eligibility factors are present, and (b) the City supports and consents to the Class 7(b) application to the Assessor by the Applicant for the Project; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the Project meets eligibility factor (1) under Section 74-65(a) of the County Ordinance in that the Project Site is located in an area in need of commercial development and designated by the City as Enterprise Zone 2.

SECTION 3. The City hereby determines that the Project meets eligibility factor (2) under Section 74-65(a) of the County Ordinance in that real estate taxes in the area during the last six years have either declined, remained stagnant and/or potential real estate taxes are not being fully realized due to the depressed condition of the area, and/or the Project Site, or property values as determined by the assessed value (AV) or equalized assessed value (EAV) for the redevelopment area or the Project Site have declined over the last six years, or property values as determined by the AV or EAV are increasing at a rate that is less than the balance of the City's AV or EAV for the last six years; or property values as determined by the AV or EAV for the redevelopment area/Project Site are increasing at a rate that is less than Consumer Price Index (CPI) for All Urban Consumers as published by the U.S. Department of Labor for the last six years.

SECTION 4. The City hereby determines that the Project meets eligibility factor (3) under Section 74-65(a) of the County Ordinance in that there is a reasonable expectation that the Project is viable and likely to go forward on a reasonably timely basis if granted Class 7(b) designation and will therefore result in the economic enhancement of the area.

SECTION 5. The City hereby determines that the Project meets eligibility factor (4) under Section 74-65(a) of the County Ordinance in that certification of the Project for Class 7(b) designation will materially assist development, redevelopment or rehabilitation of the area and the Project would not go forward without the full incentive offered under Class 7(b).

SECTION 6. The City hereby determines that the Project meets eligibility factor (5) under Section 74-65(a) of the County Ordinance in that certification of the Project for Class 7(b) designation is reasonably expected to ultimately result in an increase in real property tax revenue and employment opportunities within the area.

SECTION 7. The City hereby expressly determines that eligibility factors (1) through (5) under Section 74-65(a) of the County Ordinance are present for the Project, and hereby expressly supports and consents to the Class 7(b) application of the Applicant to the Assessor for Class 7(b) designation of the Project and the Project Site.

SECTION 8. The City hereby determines that the Special Circumstances justify finding that the Project Site is deemed "abandoned" for the purpose of the Class 7(b) designation.

SECTION 9. The City has received and filed the Applicant's Economic Disclosure Statement, as defined in the County Ordinance.

SECTION 10. The Commissioner of DPD (the "Commissioner"), or a designee of the Commissioner, are each hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Applicant with the Assessor for Class 7(b) designation of the Project.

Preliminary Statement.

The Owner owns certain real estate located generally at 13535 South Torrence Avenue, Chicago, Illinois 60633 (the "Subject Property") and is building an approximately 380,994 square foot industrial facility thereon. The Owner has filed an application with the Office of the Assessor of Cook County for a real estate tax incentive ("Class 6(b) Tax Incentive") under the Cook County Real Property Assessment Classification Ordinance (the "Ordinance"), pertaining to the Subject Property. Section III. Condition Precedent To Disbursements.

[R2017-220]

The Committee on Health and Environmental Protection submitted the following report:

CHICAGO, May 24, 2017.

To the President and Members of the City Council:

Reporting for your Committee on Health and Environmental Protection, for which a meeting was held on May 23, 2017, having had under consideration a resolution introduced by Alderman Brookins (21st) regarding increasing community outreach efforts for litter free communities in the City of Chicago, begs leave to report and recommend that your Honorable Body *Adopt* the proposed resolution transmitted herewith.

This recommendation was concurred in a voice vote of all committee members, with no dissenting votes.

Respectfully submitted,

(Signed) GEORGE A. CÁRDENAS,
Chairman.

On motion of Alderman Cárdenas, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Munoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, It is my duty and request of fellow Aldermen to re-enforce the City's litter ordinance, which imposes stiffer financial repercussions to people that refuse to comply with existing laws and ordinances; and

WHEREAS, Comprehensive studies have shown a decline in criminal activity, an increase in improved neighborhoods and economic growth when government officials, community residents, and business owners bridge gaps and work together to implement programs and find resources that will benefit their respective communities overall; and

WHEREAS, It is the plight of this initiative to create open dialogue among government officials, community residents and business owners in districts that appear to lack the wherewithal to maintain healthy and safe environments for community residents, families and business owners to conduct transactions, attend neighborhood schools, and shop within their own communities; and

WHEREAS, It is important that community residents and business owners understand the severity of deprived neighborhoods in comparison to communities where economic growth is prominent and employment opportunities are flourishing because residents have made a conscience effort to hold fellow residents, government officials and business owners accountable to keeping their personal and business property clean around the clock; and

WHEREAS, The success of this resolution and the re-enforcement of the City's litter ordinance depends upon my due diligence, fellow colleagues and our constituency encouraging others to invest their time and efforts on a daily basis and holding themselves accountable to cleaning debris off their respective streets, vacant lots, bus stops and intersections that lead to major expressways; now, therefore,

Be It Resolved, That we, Alderman Howard B. Brookins, Jr. and Alderman Michael Scott, Jr. stand before the Mayor and members of the City Council of the City of Chicago, today, Wednesday, May 24, 2017 A.D., to call upon your assistance and encourage our constituents to take a stand besides us in our fight against filthy neighborhoods throughout; and

Be It Further Resolved, That a suitable copy of this resolution will be prepared and presented to Mr. Charles Williams, Commissioner of the Department of Streets and Sanitation.

WHEREAS, Pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the real estate on which the grantee's primary residence is located; (2) require that the parcel be improved with landscaped open space within six months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago; and

WHEREAS, The foregoing covenants shall run with the land and be in full force and effect for a period of 10 years from the date of the conveyance of the parcel to the grantee; and

If, after receiving notice and an opportunity to cure as described in the preceding sentence, the Developer still has not fulfilled the applicable conditions to the City's reasonable satisfaction, this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 9. SITE PLANS AND ARCHITECTURAL DRAWINGS.

9.1 Site Plans. The Developer shall construct the Project on the Property in accordance with the site plan and elevations prepared by _____, which have been approved by the Department and which are attached hereto as **Exhibit B** (collectively, the "Working Drawings and Specifications"). 9.4 Intentionally Omitted.

SECTION 10. LIMITED APPLICABILITY.

Any approval provided by the Department's Bureau of Economic Development is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings, any other Department bureau (such as, but not limited to, the Department's Bureau of Zoning), or any other City department; nor does the approval by the Department pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property. The approval given by the Department shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 11. COMMENCEMENT AND COMPLETION OF PROJECT.

Within forty-five (45) days thereof, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole reasonable opinion of the Department, for the Developer to take or perform in order to obtain the Certificate of Completion. If the Department requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of certain of the covenants in this Agreement and the Deed (but excluding those on-going covenants as referenced in Section 17) with respect to the Developer's obligations to construct the Project.

The Developer shall not use the Property for any other purpose without the prior written approval of the Commissioner.

13.5 For the Compliance Period, a minimum of fifty percent (50%) of the Developer's employees at the restaurant must be residents of the City of Chicago. In addition, the Developer shall use good faith efforts to hire City residents for a minimum of seventy percent (70%) of its employees. Commencing one year after the date of the Certificate of Completion, and continuing annually thereafter for a period of 10 years, the Developer shall submit to the Department detailed written documentation evidencing compliance with the foregoing hiring requirements.

13.6 The Developer shall comply with all land use restrictions, institutional controls and other terms and conditions contained in the Final NFR Letter.

The Developer, for itself and its successors and assigns, acknowledges and agrees that the development and use restrictions set forth in this Section 13 constitute material, bargained-for consideration for the City and are intended to further the City's public policies.

SECTION 14. PROHIBITION AGAINST TRANSFER OF PROPERTY.

14.1 Definitions. For purposes of this Section 14, the following terms shall have the following meanings:

"FMV of the Property" means One Million Three Hundred Twenty Thousand Dollars ($1,320,000), which represents the current (as of the Transfer Date) appraised fair market value of the Property.

"Insider Party" means an individual or entity that is eligible to do business with the City, and that satisfies one or more of the following criteria:

(i) existing (as of the date of Transfer) shareholder, partner, or member of the Developer;

(ii) a spouse and/or issue or an entity solely controlled by a spouse and/or issue of any existing (as of the date of Transfer) shareholders, partners, or members of the Developer;

(iii) the trustee(s) of a testamentary trust for the benefit of the spouse and/or issue of any existing (as of the date of Transfer) shareholders, partners, or members of the Developer, that succeeded to Developer's interest upon any existing (as of the date of Transfer) shareholders, partners, or members of the Developer's death, divorce, or legal separation;

(iv) a new entity solely composed of any existing (as of the date of Transfer) shareholders, partners, or members of the Developer and their spouse and/or issues; or

(v) the Culver restaurant ceases to be operated by the Developer or current operator and is thereafter operated by the Culver corporate entity.

"Net Sales Proceeds" means the gross sales price at which the Developer sells the Property to a third-party, less closing costs and commissions, and less the outstanding principal amount of any mortgage on the Property that was approved, in writing, by the Department.

"Profit" means an amount equal to Net Sale Proceeds minus the FMV of the Property.

"Transfer" means directly or indirectly selling, transferring, conveying, leasing or otherwise disposing of all or substantially all of the Developer's assets, or any ownership interest in the Developer, or all or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) or any interest therein or the Developer's controlling interests therein (including, without limitation, a transfer by assignment of any beneficial interest under a land trust).

14.2 Restriction on Transfer Prior to Issuance of Certificate of Completion. Prior to the City's issuance of the Certificate of Completion, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion: (a) engage in any Transfer; or (b) directly or indirectly assign this Agreement (an "Assignment"). The Developer acknowledges and agrees that the Department may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers, members or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. In the event of a proposed sale, transfer, conveyance, lease or other disposition of all or any portion of the Property, the Developer shall provide the City copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed purchaser, transferee or assignee, as applicable, regarding this Agreement and such other information as the City may reasonably request. The proposed purchaser, transferee or assignee must be qualified to do business with the City (including but not limited to anti-scofflaw requirement). If the City consents to a Transfer or Assignment prior to the City's issuance of the Certificate of Completion, then such consent shall be conditioned upon the Developer's paying to the City an amount equal to the "FMV of the Property" (as defined above) plus one hundred percent (100%) of the "Profit" (as defined above).

14.3 Transfer of Property During the Compliance Period. During the Compliance Period (as defined in Section 13.2 above), the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute

discretion, close on a Transfer or Assignment, except to an Insider Party. If the Developer closes on a Transfer or an Assignment during the Compliance Period, the Developer shall pay to the City a dollar amount equal to the sum of the FMV of the Property, plus fifty percent (50%) of the Profit. Upon the expiration of the Compliance Period, no restriction on Transfers and Assignments will apply.

SECTION 15. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without the Department's prior written consent, engage in any financing or other transaction which creates a financial encumbrance or lien on the Property, except for the purposes of obtaining: (a) funds necessary to acquire the Property; (b) funds related to the Proof of Financing or otherwise necessary to construct the Project in substantial accordance with the Final Project Budget; and (c) after construction, funds necessary to own, maintain and operate the Property in accordance with the requirements of this Agreement. After the issuance of the Certificate of Completion, no City consent shall be required for any type of financing or other transaction which creates a financial encumbrance or lien on the Property.

SECTION 16. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 17 and, at Closing, at the City's request, shall execute a Subordination Agreement. If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party (that is not also a mortgagee), such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 17.

SECTION 17. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants, agreements, releases and other terms and provisions contained in Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), Section 14 (Prohibition Against Transfer of Property), Section 15 (Limitation Upon Encumbrance of Property), and Section 21.5 (Release for Environmental Conditions), touch and concern and shall be appurtenant to and shall run with the Property. Such covenants, agreements, releases and other terms and provisions shall be binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 16 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. Such covenants, agreements, releases and other terms and provisions shall terminate as follows: Sections 11, 13.3, 14.2 and 15 upon the issuance of the Certificate of Completion; Section 13.2 upon the expiration of the Redevelopment Plan; Sections 13.4 and 13.5 upon the expiration of the Compliance Period, unless terminated in writing at an earlier date in the sole discretion of the Commissioner; Section 13.6 in accordance with the terms of the Final NFR Letter; and Sections 13.1 and 21.5 with no limitation as to time.

SECTION 18. PERFORMANCE AND BREACH.

18.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

18.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including but not limited to, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, material shortages, and unusually severe weather or delays of contractors or subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests it in writing of the City within thirty (30) days after the beginning of any such delay.

18.3 Breach.

a. Generally. Except as provided in Section 18.3.b., if the Developer defaults in performing its obligations under this Agreement, the City shall deliver written notice of such default, after which the Developer shall have a 60-day cure period to remedy such default. If the default is not capable of being cured within the 60-day period, then provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 60-day period, and thereafter diligently prosecutes such cure through to completion, then the 60-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

b. Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" after written notice from the City (if required):

1. The Developer fails to perform any obligation of the Developer under this Agreement, which default is not cured pursuant to Section 18.3.a.; or

2. The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct, which default is not cured pursuant to Section 18.3.a.; or

3. A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or

hereafter existing, which is not vacated, stayed or set aside within sixty (60) days after filing; or

4. Except as excused by Section 18.2 above, the Developer abandons or substantially suspends the Project for a period of time greater than 60 days (no notice or cure period shall apply); or

5. The Developer fails to timely submit an application with the Cook County Assessor for a Class C Property Tax Incentive, as required by Section 5.4; or

6. The Developer fails to comply with the operating covenant set forth in Section 13.4 or the hiring and reporting requirements set forth in Section 13.5 (30-day cure period shall apply); or

7. Unless being contested in good faith by the Developer, the Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property, which default is not cured pursuant to Section 18.3.a.; or

8. The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement (no notice or cure period shall apply); or

9. The Developer's financial condition or operations adversely change to such an extent that would materially and adversely affect the Developer's ability to complete the Project, which default is not cured pursuant to Section 18.3.a.; or

10. The Developer fails to perform, keep or observe any of the other covenants, promises, agreements, or obligations under this Agreement, including but not limited to, the covenants set forth in Sections 13 and 17 herein, or any other written agreement entered into with the City with respect to this Project, which default is not cured pursuant to Section 18.3.a.; or

11. Failure to close by the Outside Closing Date, unless the Department in its sole discretion extends the Outside Closing Date in accordance with Section 3 of this Agreement (no notice or cure period shall apply), provided that the Commissioner shall not extend the Outside Closing Date beyond one 30-day period without first obtaining City Council approval.

12. The Developer fails to adhere to the minimum employment percentage requirements further described in Section 40 of this Agreement entitled "Additional Requirements."

c. Prior to Conveyance. Prior to Conveyance, if an Event of Default occurs and is continuing, and the default is not cured in the time period provided herein, the City may terminate this Agreement, and institute any action or proceeding at law or in equity against the Developer.

d. After Conveyance. If an Event of Default occurs after the Conveyance but prior to the date of the Certificate of Completion, and the default is not cured in the time period provided for in this Section 18.3, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and direct the Title Company to record the Reconveyance Deed for the purpose of revesting title to the Property in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the Title Company, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer will cooperate with the City and Title Company to ensure that if the Title Company records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Property to the Developer and except for any mortgage authorized by this Agreement.

Notwithstanding the foregoing to the contrary, prior to its exercise of its Right of Reverter, the City shall provide written notice to the Developer of its intent to exercise its Right of Reverter, and the Developer shall have an additional ninety (90) days to cure the applicable Event of Default.

Following the revesting in the City of title to the Property as provided in this Section 18.3.d., the City shall employ its best efforts to convey the Property (subject to all existing encumbrances) to a qualified and financially responsible party (reasonably acceptable to the first mortgagee) for the fair market value of the Property. Such purchaser is subject to the covenants that run with the Property, as specified in Section 17.

If the City sells the Property as provided for in this Section 18.3.d., the proceeds from the sale shall be utilized to reimburse the City for:

1. the fair market value of the Property, which fair market value shall equal the appraised fair market value of the Property as of a date not more than one hundred eighty (180) days prior to the sales date; and

2. costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property; and

3. all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

4. any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

5. any expenditures made or obligations incurred by the City with respect to construction or maintenance of the Project; and

6. any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds.

Notwithstanding anything contained herein to the contrary, the City's Right of Reverter shall terminate on the date of the Certificate of Completion. Following the City's issuance of the Certificate of Completion, the Developer may request in writing the return of the Reconveyance Deed, and the City shall return the Reconveyance Deed to the Developer promptly following its receipt of such request, or provide an affidavit stating that the City no longer is entitled to record the Reconveyance Deed.

e. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

SECTION 19. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any

amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

SECTION 20. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) (collectively "Losses") suffered or incurred by the City arising from or in connection with: (1) an Event of Default that has occurred; (2) the failure of the Developer or any of Developer's contractors, subcontractors or agents to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (3) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (4) any actions, including but not limited to, conducting environmental tests on the Property as set forth in Section 21 herein, resulting from any activity undertaken by the Developer on the Property prior to or after the conveyance of said Property to the Developer by the City; provided, however, the Developer shall have no obligation to indemnify the City for Losses (i) to the extent such Losses are caused by the City or its agents, or (ii) to the extent such Losses were not suffered or incurred by the City in connection with any of items (1) through (4) set forth in the first sentence of this Section 21 and arose after the City has re-acquired the Property from the Developer. This indemnification shall survive any termination of this Agreement (regardless of the reason for such termination).

SECTION 21. ENVIRONMENTAL MATTERS.

21.1 Definitions. For purposes of this Agreement, the following terms shall have the following meanings:

"Draft NFR Letter" means a draft comprehensive "No Further Remediation" Letter issued by the IEPA for the Property based on TACO Tier 1 commercial/industrial remediation objectives, as amended or supplemented from time to time. The Draft NFR Letter shall state that the Property meets TACO Tier 1 commercial/industrial remediation objectives for the appropriate use of the site and the construction worker exposure route as set forth in 35 Ill. Adm. Code Part 742, as amended or supplemented from time to time, but may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA.

"Environmental Laws" means any and all Laws relating to the regulation and protection of human health, safety, the environment and natural resources now or hereafter in effect, as amended or supplemented from time to time, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 *et seq.*, the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 *et seq.*, the Hazardous Materials Transportation Act, 49 U.S.C. § 5101 *et seq.*, the Federal Water Pollution Control Act, 33 U.S.C. § 1251 *et seq.*, the Clean Air Act, 42 U.S.C. § 7401 *et seq.*, the Toxic Substances Control Act, 15 U.S.C. § 2601 *et seq.*, the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. § 136 *et seq.*, the Occupational Safety and Health Act, 29 U.S.C. § 651 *et seq.*, any and all regulations promulgated under such Laws, and all analogous state and local counterparts or equivalents of

such Laws, including, without limitation, the Illinois Environmental Protection Act, 415 ILCS 5/1 *et seq.*, and the common law, including, without limitation, trespass and nuisance.

"Environmental Remediation Work" shall mean all investigation, sampling, monitoring, testing, reporting, removal (including, excavation, transportation and disposal), response, storage, remediation, treatment and other activities necessary for the performance of the Project, all in accordance with all requirements of the IEPA, and all applicable Laws, including, without limitation, all applicable Environmental Laws.

"Final NFR Letter" means a final comprehensive "No Further Remediation" letter issued by the IEPA approving the use of the Property for the construction, development and operation of the Project in accordance with the terms and conditions of the SRP Documents, as amended or supplemented from time to time. The Final NFR Letter shall state that the Property meets TACO Tier 1 commercial/industrial remediation objectives and the construction worker exposure route as set forth in 35 Ill. Adm. Code Part 742, as amended or supplemented from time to time, but may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA.

"Hazardous Substance" means any toxic substance, hazardous substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws, or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, petroleum (including crude oil or any fraction thereof), any radioactive material or by-product material, polychlorinated biphenyls and asbestos in any form or condition.

"TACO" means the Tiered Approach to Corrective Action Objectives codified at 35 Ill. Adm. Code Part 742 *et seq.*

21.2 "AS IS" Sale. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY (AND ANY IMPROVEMENTS THEREON). THE DEVELOPER AGREES TO ACCEPT THE PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS THE DEVELOPER'S SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM ANY ENVIRONMENTAL REMEDIATION WORK AND TAKE SUCH

OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

21.3 Right of Entry. Pursuant to the Developer's request, the City previously granted the Developer the right, at its sole cost and expense, to enter the Property pursuant to one or more right of entry agreements to inspect the same, perform surveys, environmental assessments, soil and any other due diligence deemed necessary or desirable to satisfy itself as to the condition of the Property. The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property.

21.4 Environmental Remediation.

(a) The Developer acknowledges and agrees that previous Phase II ESAs of the Property disclosed the presence of contaminants exceeding TACO Tier 1 commercial/industrial remediation objectives as determined by Title 35 of the Illinois Administrative Code Part 742. The Developer is required to enroll the Property in the SRP and take all necessary and proper steps to obtain a Draft NFR Letter for the Property prior to the Closing; provided, however, in the event the Developer shall reasonably determine that the total cost of remediation, including professional and consulting expenses, shall exceed the cost of Four Hundred Thousand Dollars ($400,000.00) in the aggregate, the Developer shall be entitled to, but is not required to, terminate this Agreement, with full return of the Performance Deposit within 45 days of written notice thereof to the City from the Developer. Upon such notice, the City shall have no further obligations to, or in connection with, the Developer. If the Developer elects not to terminate this Agreement pursuant to this Section 21.4, the Developer shall be deemed satisfied with the condition of the Property. The Developer acknowledges and agrees that it may not commence construction on the Property until the IEPA issues, and the Department of Fleet and Facility Management ("DFFM") approves, a Draft NFR Letter for the Property.

(b) After DFFM approves the Draft NFR Letter for the Property, the Developer covenants and agrees to complete all Environmental Remediation Work and diligently pursue the Final NFR Letter for the Property using all reasonable means. If the construction activities associated with the Project reveal evidence of underground storage tanks (USTs), the Developer shall remove all USTs from the Property in accordance with all regulations and ensure any identified leaking USTs are properly addressed in accordance with 35 Ill. Adm. Code 734. The contractors selected by the Developer, and the terms of their contracts must be approved by the City, prior to the commencement of any Environmental Remediation Work on the Property. The Developer shall be solely responsible for all site preparation costs, including, but not limited to, the removal of pre-existing building foundations, soil exceeding remediation objectives as determined by Title 35 of the Illinois Administrative Code Part 742, and demolition debris, and the removal, disposal, storage, remediation, removal or treatment of all Hazardous Substances from the Property.

(c) The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented

from time to time, including, without limitation, the Comprehensive Site Investigation and Remediation Objectives Report, the Remedial Action Plan, and the Remedial Action Completion Report (collectively, the "SRP Documents") and any changes thereto, and the Developer's estimate of the cost to perform the Environmental Remediation Work. The Developer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. The Developer shall bear sole responsibility for all aspects of the Environmental Remediation Work and any other investigative and cleanup costs associated with the Property. The Developer shall promptly transmit to the City copies of all SRP Documents, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Environmental Remediation Work. The Developer acknowledges and agrees that the City will not issue a Certificate of Completion or a Certificate of Occupancy for the Project until the IEPA has issued, and the City has approved, and the Developer has recorded with the County of Cook Recorder of Deeds, a Final NFR Letter for the Property, which approval shall not be unreasonably withheld. The Developer must abide by the terms and conditions of the Final NFR Letter.

21.5 Release and Indemnification. The Developer, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "Developer Parties"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees, from and against any and all Losses which the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Effective Date, based upon, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substance, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substance in, on, under or about the Property or the migration of Hazardous Substance from or to other property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, however, the foregoing release shall not apply to the extent such Losses are proximately caused by the gross negligence or willful misconduct of the City following the Effective Date. Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the City and its officers, agents and employees harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties)

arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately preceding sentence for the City's gross negligence or willful misconduct following the Effective Date.

21.6 Release Runs with the Property. The covenant of release in Section 21.5 above shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or Developer Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, the Developer and any of the Developer Parties shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 21.5 contains a full, complete and final release of all such claims, except as provided in such section for the City's gross negligence or willful misconduct following the Effective Date.

21.7 Survival. This Section 21 shall survive the Closing Date or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

22.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 *et seq.* of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants

shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 *et seq.* (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 22.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section shall be a basis for the City to pursue remedies under the provisions of Section 18.

22.2 City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(a) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(b) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(c) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(d) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(e) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(f) At the direction of the Department, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(g) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents.

(h) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 22.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 18.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Final Project Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago

residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(i) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(j) The Developer shall cause or require the provisions of this Section 22.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

22.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 22.3, during the course of construction of the Project, at least 26% of the aggregate hard construction costs, together with related soft costs, shall be expended for contract participation by minority-owned businesses and at least 6% of the aggregate hard construction costs, together with related soft costs, shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 22.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 22.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a

replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 22.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

22.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with the Department monitoring staff regarding compliance with all Section 22 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 22, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 22 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 22, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (w) issue a written demand to the Developer to halt construction of the Project, (x) withhold any further payment of any City funds to the Developer or the general contractor, or (y) seek any other remedies against the Developer available at law or in equity.

SECTION 23. REPRESENTATIONS AND WARRANTIES.

23.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

(a) The Developer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Illinois, with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

(d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations hereunder; or (b) materially affect the operation or financial condition of the Developer.

(e) To the best of the Developer's knowledge, the Project will not violate: (i) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (ii) any building permit, restriction of record or other agreement affecting the Property.

23.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein, and the person signing this Agreement on behalf of the City has the authority to do so.

23.3 Survival of Representations and Warranties. Each party agrees that all of its representations and warranties set forth in this Section 23 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

SECTION 24. PROVISIONS NOT MERGED WITH DEED.

The provisions of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the provisions of this Agreement.

SECTION 25. HEADINGS.

The headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending, or affecting in any way the express terms and provisions thereof.

SECTION 26. ENTIRE AGREEMENT.

This Agreement constitutes the entire agreement between the parties and supersedes and replaces completely any prior agreements between the parties with respect to the subject matter hereof. This Agreement may not be modified or amended in any manner other than by supplemental written agreement executed by the parties.

SECTION 27. SEVERABILITY.

If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof is held invalid, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

SECTION 29. SUCCESSORS AND ASSIGNS.

SECTION 30. OTHER ACTS

The parties agree to perform such other acts and to execute, acknowledge and deliver such other instruments, documents and materials as may be reasonably necessary to consummate the transactions contemplated by this Agreement.

SECTION 31. BUSINESS RELATIONSHIPS.

The Developer acknowledges (1) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as described in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 32. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls,

is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 33. PROHIBITION ON CERTAIN CONTRIBUTIONS – MAYORAL EXECUTIVE ORDER NO. 2011-4.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (1) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

1. they are each other's sole domestic partner, responsible for each other's common welfare; and

2. neither party is married; and

3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and

4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

5. two of the following four conditions exist for the partners:

    a. The partners have been residing together for at least three hundred sixty five (365) days
    b. The partners have common or joint ownership of a residence.
    c. The partners have at least two of the following arrangements:

        i. joint ownership of a motor vehicle;
        ii. a joint credit account;
        iii. a joint checking account; and
        iv. a lease for a residence identifying both domestic partners as tenants.

    d. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 34. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 35. INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago.

SECTION 36. 2014 CITY HIRING PLAN.

36.1 The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

36.2 The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

36.3 The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

36.4 In the event of any communication to the Developer by a City employee or City official in violation of Section 36.2 above, or advocating a violation of subparagraph (iii) above, the Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by the OIG.

SECTION 37. COUNTERPARTS.

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

SECTION 38. DATE OF PERFORMANCE.

If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

SECTION 39. GOVERNING LAW.

This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to its choice of laws principles.

SECTION 40. ADDITIONAL EMPLOYMENT REQUIREMENTS

A minimum of fifty percent (50%) of the Developer's employees at the restaurant must be residents of the City of Chicago. In addition, the Developer shall use good faith efforts to assure that a minimum of seventy percent (70%) of its employees will be residents of the City of Chicago. These minimum requirements are an on-going obligation of the Developer during the Compliance Period (as defined in Section 13.2 above) and shall be adhered to on an annual basis.

Every year for ten years, beginning in the first year following the date of issuance of the Certificate of Completion, the Developer shall provide detailed written documentation to the City evidencing compliance with the foregoing requirements. Failure to provide such documentation, or failure to adhere to such requirements, shall constitute a default under this Agreement and the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including, but not limited, proceedings to compel specific performance. The City and the Developer shall, prior to issuance of the Certificate of Completion, agree on a form and process necessary to carry out the requirements and the intent of this provision.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

SECTION 31. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

31.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (such Owners and all other preceding classes of persons and entities, collectively the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago or to his political fundraising committee (a) after execution of this Third Amendment by the Developer, (b) while this Third Amendment, or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement (from and after execution of this Third Amendment) or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

31.2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Third Amendment, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This

SECTION 32. CITY HIRING PLAN.

32.1 The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

32.2 The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

32.3 The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

32.4 In the event of any communication to the Developer by a City employee or City official in violation of Section 32.2 above, or advocating a violation of subparagraph Section 33.3 above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City Department utilizing services provided

SECTION 33. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH CITY.

Failure by the Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer shall at all times comply with Section 2-154-020 of the Municipal Code.

SECTION 34. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 35. BUSINESS RELATIONSHIPS.

The Developer acknowledges (1) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as described in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 36. INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's OIG in any investigation or hearing undertaken pursuant to Chapter 2-56, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago.

SECTION 37. COMPLIANCE WITH WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code, the Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, any violation of the Waste Sections by the Developer, its general contractor or any subcontractor, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner of DPD. Such breach and default entitles the City to all remedies under this Agreement, at law or in equity. This Section does not limit the duty of the Developer, the general contractor and any subcontractors to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

15. **RATIFICATION**. Except as provided in this Third Amendment, the terms of the Existing Agreement are hereby ratified and confirmed and the parties agree that the provisions contained therein are in full force and effect, as amended hereby, as of the date hereof. Any reference to the "Agreement" shall mean the Existing Agreement, as modified by this Third Amendment.

16. **CONFLICT**. In case of a conflict between the terms and conditions of the Existing Agreement and this Third Amendment, the terms and conditions of this Third Amendment shall govern and control.

17. **COUNTERPARTS**. This Third Amendment may be executed in two or more counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Third Amendment effective as of the day and year first set forth above.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted.

WHEREAS, A contract for deed sale, also known as a land sales contract, land installment contract, or rent-to-own contract, is a financing method whereby the seller retains the legal title to the property until the homebuyer finishes paying all principal payments and interest owed under the contract; and

WHEREAS, Contract for deed sales are only minimally regulated under Illinois law and prone to contain misleading and unfair terms and conditions; and

WHEREAS, Because of the lack of regulation, contract for deed agreements are sometimes oral, contracts are often not recorded, the buyers lack the protections enjoyed by purchasers in conjunction with a mortgage, contracts are unclear about responsibilities for paying property taxes, paying insurance, making repairs, and are often structured with hidden interest and balloon payments imposed on the buyer; and

WHEREAS, African-American and Latino communities are disproportionately targets of contract for deed sales; and

WHEREAS, Less sophisticated buyers can more easily be caught up in the lure of owning a home because the lack of protections leave them less informed about the challenges the property may present; and

WHEREAS, Contracts for deed sales can result in the buyers investing all of their money into the property and then losing it all simply because they missed one payment; and

WHEREAS, Contracts for deed sales allow the seller to avoid health and safety regulations, and crucial repairs to the property, while transferring the burden of repairing and maintaining the property to the homebuyer; and

WHEREAS, Contracts for deed sales are often consummated between the homebuyer and the seller without the benefit of title searches and title insurance and standardized legal documents; and

WHEREAS, Senate Bill 885, which is currently pending in the Illinois Senate, significantly improves upon the current regulation by providing many needed protections to potential buyers, including requiring a written contract and recordation; a right of rescission; disclosure of the amount payments, of any known liens, the interest rate being charged, the term of the loan, the amount of any balloon payments, the assessed value of the property, that real estate taxes and property insurance will have to be paid and their recent amounts; an explanation as to when the buyer will obtain the title; a statement defining what repairs the buyer is financially responsible for making; the right the buyer has to an inspection and an appraisal of the property; the right of the buyer to recover from a default; and many more protections; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 19th day of April 2017, do hereby support the passage of Senate Bill 885; and

Be It Further Resolved, That copies of this resolution be delivered to the Governor of the State of Illinois, the President of the Illinois Senate, the Minority Leader of the Illinois Senate, the Speaker of the Illinois House of Representatives, and the Minority Leader of the Illinois House of Representatives.

[R2017-172]

The Committee on Public Safety submitted the following report:

CHICAGO, May 24, 2017.

To the President and Members of the City Council:

Reporting for your Committee on Public Safety, for which a meeting was held on May 23, 2017, having had under consideration a resolution calling for a task force to create plans and incentives to reduce recidivism, I beg leave to report and recommend that Your Honorable Body *Adopt* said proposed resolution transmitted herewith.

This recommendation was concurred in by a voice vote of the members of the committee.

Respectfully submitted,

(Signed) ARIEL E. REBOYRAS,
Chairman.

On motion of Alderman Reboyras, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, There is a disproportionate number of people living with mental illness who are arrested in the City of Chicago; and

WHEREAS, Cook County Jail has been reported as an institution housing the highest number of people with mental illness in the United States; and

WHEREAS, The Illinois Department of Corrections also reports high rates of recidivism, with 48 percent of adult inmates and 54 percent of juveniles released from incarceration returning within three years, only to perpetuate a vicious and costly cycle of recidivism; and

WHEREAS, Studies from the Center For Evidence-Based Practices also report higher rates of jail recidivism among people with co-occurring severe mental illness and substance use disorders; and

WHEREAS, Some people with severe mental illness are released from incarceration with no official identification in hand, no source of income or funds in place, no support system in place, no immediate access to psychotropic medications, and no housing in place; and

WHEREAS, Without needed resources and a plan of care in place, people with severe mental illness who are released from incarceration are at much higher risk for getting rearrested; and

WHEREAS, There are no incentives in place for the criminal justice system to reduce recidivism of repeat offenders, some with hundreds of arrests; and

WHEREAS, This very complex issue of reducing jail recidivism involves local, county, and state governments working together to create a collaborative plan that will reduce jail recidivism among repeat offenders, especially those living with a co-occurring severe mental illness and substance use disorders; and

WHEREAS, The financial costs of repeated jail recidivism continue to grow and limits our ability to provide more preventative care; now, therefore,

Be It Resolved, That a task force made up of members from the City of Chicago's Department of Family and Support Services, the City of Chicago's Department of Public Health, Cook County Health and Hospitals System, the Cook County Sheriff's Office, Cook County State's Attorney, the Illinois Department of Corrections, the Illinois Department of Human Services, the Illinois State Commission on Criminal Justice and Sentencing Reform, and other departments and organizations as indicated to form a task force; and

Be It Resolved, That this task force include the recommendations laid out in the December 2016 Final Report of the Illinois State Commission on Criminal Justice and Sentencing Reform that emphasized a strong reliance on evidenced-based interventions that targets criminogenic need, particularly cognitive behavioral therapy and substance abuse treatment, and that these interventions also involve the City of Chicago, Cook County, and as well as the State of Illinois when indicated; and

Be It Resolved, That this task force work in a collaborative and coordinated manner on a regular basis to create both plans and incentives to reduce jail recidivism and that these plans get reviewed to measure the effectiveness of their interventions, and that adjustments get made on a timely basis when it is indicated that recidivism is not being reduced among a set percentage of repeat offenders with very high rates of re-arrest; and

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 22nd day of February 2017, hereby call on the State of Illinois and Cook County to come together with the City of Chicago on this task force to create a plan to reduce recidivism; and

Be It Further Resolved, That a suitable copy of this resolution is presented to the State of Illinois Governor Bruce Rauner and the President of Cook County Toni Preckwinkle for their consideration in this matter.

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assign or grantees.

   Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This plan of development consists of 17 Statements; a Bulk Regulations Table; an Existing Zoning Map; a General Land-Use Map; a Planned Development Boundary and Right-of-Way Adjustment Map; an Overall Site Plan; a Landscape Plan; a River Walk Plan; a General Roof Plan; a Basement Floor Plan; and Building Elevations dated May 18, 2017, submitted herein. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses are allowed in the area delineated herein: residential, accessory parking and related accessory uses.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a net site area of 135,659 square feet.

9. The Applicant acknowledges and agrees that the prior rezonings of its property from M2-2 to RT3.5 for the construction of twenty-seven (27) single-family homes (Phase I), and from M2-3 to Residential Planned Development Number 1215 ("RPD Number 1215") for the construction of seventeen (17) single-family homes and twenty-four (24) townhomes (Phase II), triggered the requirements of Section 2-45-110 of the Municipal Code (the "2007 Affordable Requirements Ordinance" or "2007 ARO").

The Applicant further acknowledges and agrees that the rezoning of the Property from RPD Number 1215 to RPD Number 1215, as amended, for the addition of twenty-eight (28) rental units less seven (7) townhomes (Phase III), triggers the requirements of Section 2-45-115 of the Municipal Code (the "2015 Affordable Requirements Ordinance" or "2015 ARO").

Phase I, Phase II and Phase III together constitute a single "residential housing project" within the meaning of the 2007 ARO and the 2015 ARO. Any developer of a "residential housing project" must: (i) set aside 10 percent of the housing units as affordable units (the "Required Units"); (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that under the 2015 ARO, residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or off-site. The project has a total of 89 units across the three phases. As a result, the Applicant's affordable housing obligation is 9 affordable units (10 percent of 89, rounded up). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund for seven (7) for-sale units ("Cash Payment") and by constructing two (2) affordable rental units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit A. Applicant agrees that the affordable rental units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income ("AMI"), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must make the applicable portion of the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such

property. The Commissioner of DPD may enforce remedies for any breach of this Statement 9, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

11. The Site and Landscape Plan shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

15. The Applicant acknowledges the importance of the Chicago River as a resource for both commerce and recreation and also acknowledges the City's goals of improving the appearance, quality and accessibility of the river, as contained in the waterway planned development guidelines contain in the Zoning Ordinance (Section 17-8-0912) and the Chicago River Corridor Design Guidelines and Standards. To further these goals, the Applicant agrees to: (a) provide a landscaped 60-foot wide river

setback and continuous riverside trail as indicated on the Site Plan and Landscape Plan; and (b) permit connection of such setback and trail to the setback and trails of adjacent properties when the river edges of the adjacent properties are similarly improved. The Applicant shall permit un-gated public access to the river setback and provide signage on the river-walk that the river-walk is open to the public during typical Chicago Park District hours. As shown on the attached River Walk Plan, the Property is divided into Phase I (single-family homes) and Phase II (townhomes and apartment building). The Phase I river-walk improvements must be installed no later than completion of the Phase I single-family homes or September 2, 2017, whichever comes first. The Phase II river walk improvements will be completed upon completion of the Phase II townhouse and apartment development or 18 months after the first Phase II permit is issued, whichever comes first. No permits shall be issued for Phase II until the Phase I river-walk improvements are completed. Applicant shall submit an infrastructure site plan request for each Phase, prior to our issuance of a permit for each Phase.

16. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. Within the Planned Development, the single-family homes and townhomes shall achieve a minimum of two (2) star rating under the Chicago Green Homes Program and the multi-unit building shall comply with the requirements of the City of Chicago Sustainability Matrix effective at the time of the filing of this Planned Development, including providing a green roof totaling approximately 4,550 square feet on the roof of (or 50 percent of the open area of the roof) and obtaining certification for such multi-unit building.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to Residential Planned Development Number 1215.

Type 1 Narrative Rezoning Analysis attached to this ordinance reads as follows:

Project Narrative -- 2000 W. 34th St., Chicago.

The applicant is proposing to reuse existing building and land in order to expand restaurant services. The applicant intends to keep the existing use of the land and add an outdoor patio. The proposed amendment is a change from the current M1-2 zoning district to a C3-3 zoning district. The applicant does not intend to have residential use.

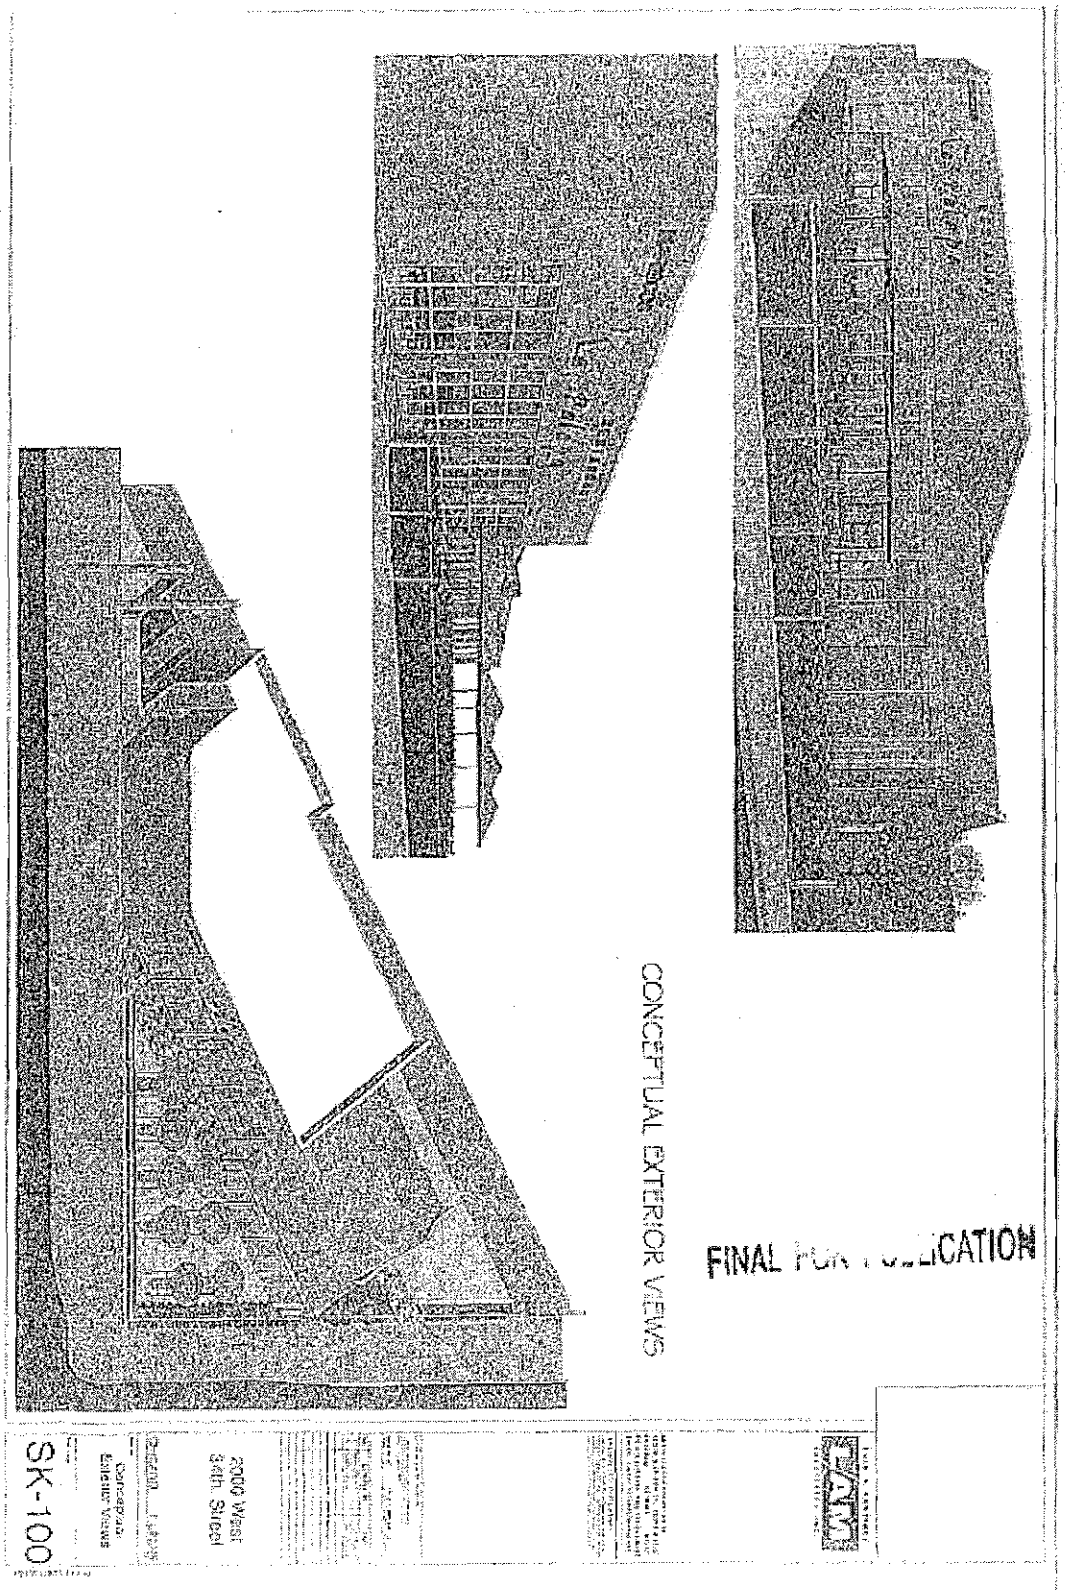

The applicant believes the zoning amendment project aims to achieve the purpose and intent identified in the Chicago Zoning Ordinance and Land-Use Ordinance (Title 17-1-0500). By expanding the service of this unique family-friendly restaurant, this amendment project will preserve the overall quality of life for residents and visitors while protecting the character of the neighborhood. Given its distinctive location and enclosed layout to the northwest, the proposed zoning amendment and expansion will remain in the interest of public convenience and will not have a significant adverse impact on the general welfare of the neighborhood or community.

SECTION 3. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements attached to this ordinance read as follows:

Residential Planned Development No. _____.

Planned Development Statements.

1. The area delineated herein as Residential Planned Development Number _____ (the "Planned Development") consists of a net site area of approximately 72,665 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map (the "Property"). The Property is owned by the Chicago Housing Authority ("CHA"). Three Corners Development, Inc. (the "Applicant") makes this application with the consent of the CHA.

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant, its successors and assigns. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, at the time applications for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, the Property shall be under single ownership or under single designated control. Single designated control for purposes of this statement shall mean that any application to the City for any amendment to this Planned Development or any other modification or change thereto (administrative, legislative or otherwise) shall be made or authorized by all the owners of the Property and any ground lessees of the Property. An agreement among property owners (together with ground lessees and sub-ground lessees) or a covenant binding property owners (together with ground lessees and sub-ground lessees) may designate the authorized party for any future amendment, modification or change. In addition, where portions of the improvements located on the Property have been submitted to the Illinois Condominium Property Act, the term "owner" shall be

deemed to refer solely to the condominium association of the owners of such portions of the improvements and not to the individual unit owners therein. Nothing herein shall prohibit or in any way restrict the alienation, sale or any other transfer of all or any portion of the Property or any rights, interests or obligations therein. Upon any alienation, sale or any other transfer of all or any portion of the Property or the rights therein (other than an assignment or transfer of rights pursuant to a mortgage or otherwise as collateral for any indebtedness) and solely with respect to the portion of the Property so transferred, the term "Applicant", "ground lessee" or "titleholder" shall be deemed amended to apply to the transferee thereof (and its beneficiaries if such transferee is a land trust) and the seller or transferor thereof (and its beneficiaries if such seller or transferor is a land trust) shall thereafter be released from any and all obligations or liability hereunder with respect to the portion of the Property so transferred.

3. All applicable official reviews, approvals or permits are required to be obtained by any owner of the Property, as applicable, or its successors, assigns or grantees, which require such reviews, approvals or permits. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the applicable Property owner, its successors, assigns or grantees, seeking such action.

   Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Plans (as defined below).

   Ingress or egress shall be pursuant to the Plans and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

   All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This Planned Development consists of 16 Statements; a Bulk Regulations and Data Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; a Site Plan (Hedger Building); a Site Plan (Concord Building); a Landscape Plan (Hedger and Concord Buildings); a Below Grade Parking Plan; a Roof Plan (Concord Building); a Signage Elevation Plan; Elevations (North, South, East and West -- Hedger Building); and Elevations (North, South, East and West -- Concord Building) all prepared by GREC Architects and May 18, 2017 (collectively, the "Plans"). In addition, attached hereto as Exhibit A is an Affordable Requirements Ordinance Profile Form. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Chicago Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and

satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses are permitted within the Planned Development: Dwelling units above the ground floor; accessory parking; residential support services; eating and drinking establishments; banks (excluding drive-through facilities, pay day loan stores and pawn shops), credit union and ATM facilities; food and beverage retail sales uses; medical service; office; personal service uses; consumer repair or laundry services (excluding on-premise plants); general retail sales; co-located wireless communications facilities i.e., no free standing towers); and incidental and related uses. Residential support services are limited to a maximum of 30,000 square feet within the Planned Development, any single residential support service use may not exceed 24,000 square feet.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. The signage set forth on the Signage Elevation Plan is hereby approved subject to Statement Number 3. Off-premises signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 72,665 square feet.

9. The Applicant acknowledges and agrees that the rezoning of the Property to this Planned Development for the construction of the project triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units for thirty (30) years; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site. The Property is located in a "low-moderate income area" within the meaning of the ARO, and the project has a total of 111 units. As a result, the Applicant's affordable housing obligation is 11 affordable units (10 percent of 111, rounded down), three of which are Required Units (25 percent of 11, rounded up). Applicant has agreed to satisfy its affordable housing obligation by providing all Required Units in the rental building to be

constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto. If the Applicant subsequently receives "financial assistance" from the City, as that term is defined in the ARO, then Applicant must set aside 20 percent of the housing units in the residential housing project as affordable units, and must update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development for review and approval. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income ("AMI"), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development for review and approval, and the Department may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of the Department of Planning and Development may enforce remedies for any breach of this Statement Number 9, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

Notwithstanding the foregoing, if the Applicant receives Low-Income Housing Tax Credits or other financial assistance from the City, and the affordability requirements for such financing (the "Financing Requirements") exceed the ARO requirements, then the Financing Requirements shall govern the Applicant's obligation to provide affordable housing for such subsidized portion of the Planned Development.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

11. The Site and Landscape Plan shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

13. Subject to the provisions of Statement Number 2 of this Planned Development, the terms and conditions of development under this Planned Development ordinance may be modified administratively pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes and enables universal access throughout the Property as required by law. Plans for all new buildings and improvements on the Property constructed after the date hereof shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities.

15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated for each improvement that is subject to the aforementioned policy and must provide documentation verifying compliance.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse due to the passage of time, the Commissioner of the Department shall initiate a zoning map amendment to rezone this Planned Development to RM6.5 Residential Multi-Unit District.

Type 1 Rezoning Narrative In Support Of A Map Amendment From RS3 To B1-1 For The Property Commonly Known As 6141 N. Pulaski Rd.

The subject property is 51,820 square feet in area and is currently improved with a 51,340(1) square foot skilled-nursing facility and 32 accessory parking spaces. Applicant proposes to construct an approximately 1,240-square foot second-floor building addition to the existing facility, which addition is intended to be used as a physical therapy center to support the skilled-nursing care operations conducted at the subject property. In conjunction with that addition, applicant proposes to remove the existing porte-cochere and replace it with a new porte-cochere of similar dimensions.

Upon construction of the proposed building addition, the floor area ratio will be 0.86.

Existing minimum building setbacks are as follows:

-- North -- 10.00 feet from West Granville Avenue

-- East -- 35.07 feet from the public alley

-- South -- 15.30 feet

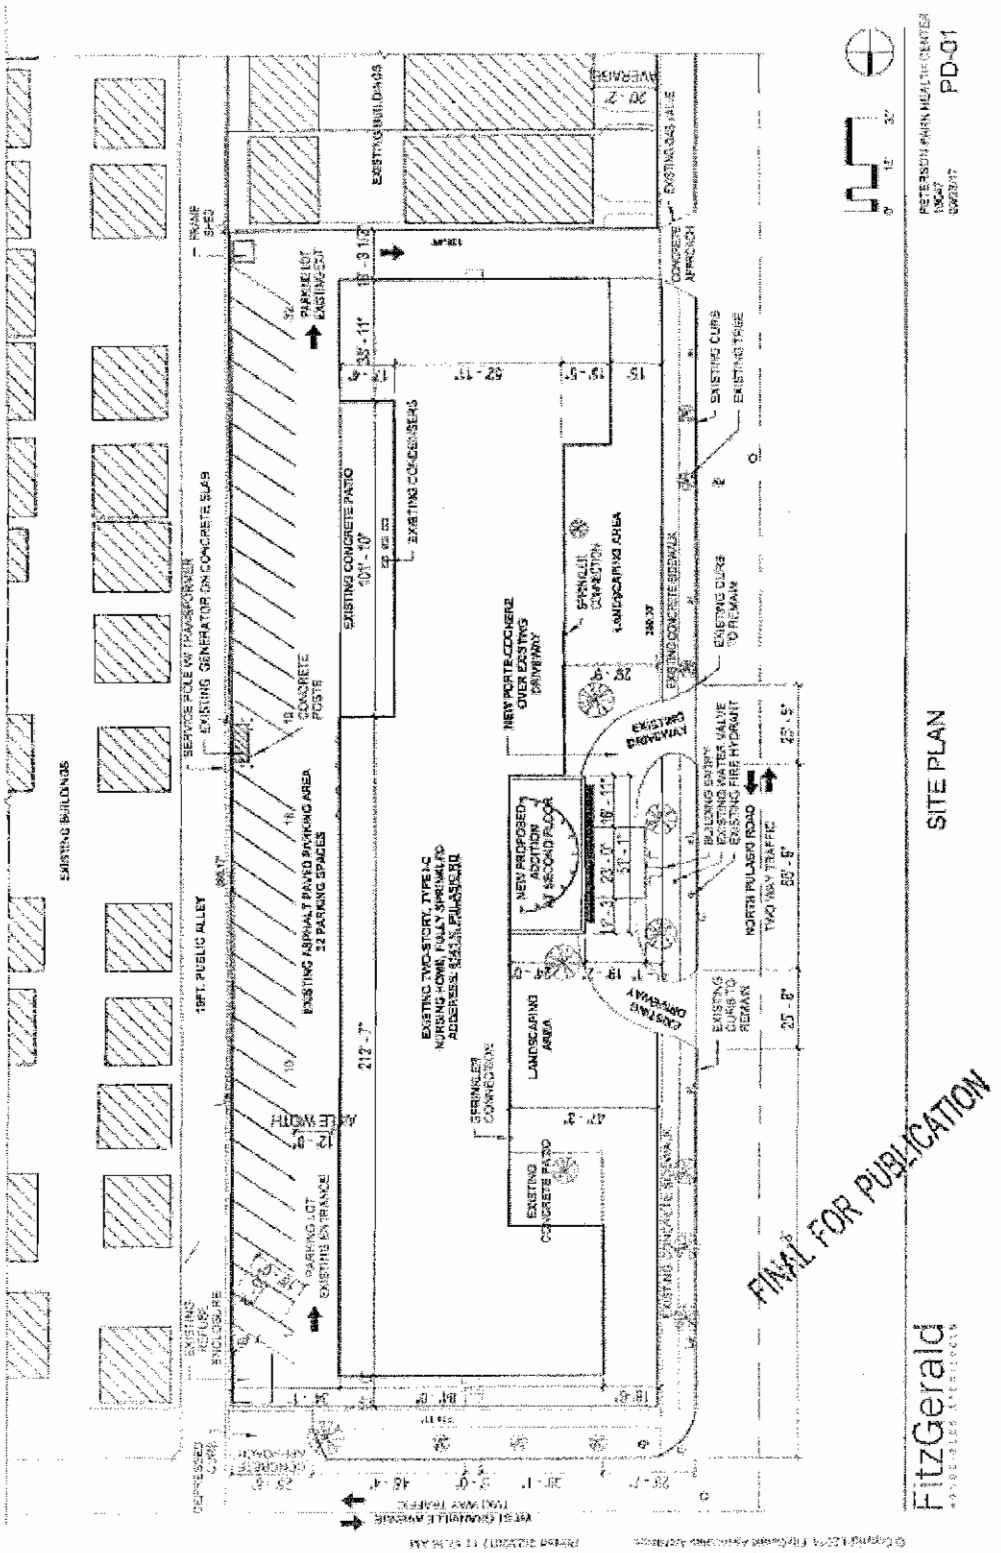

-- West -- 15.31 feet from North Pulaski Road

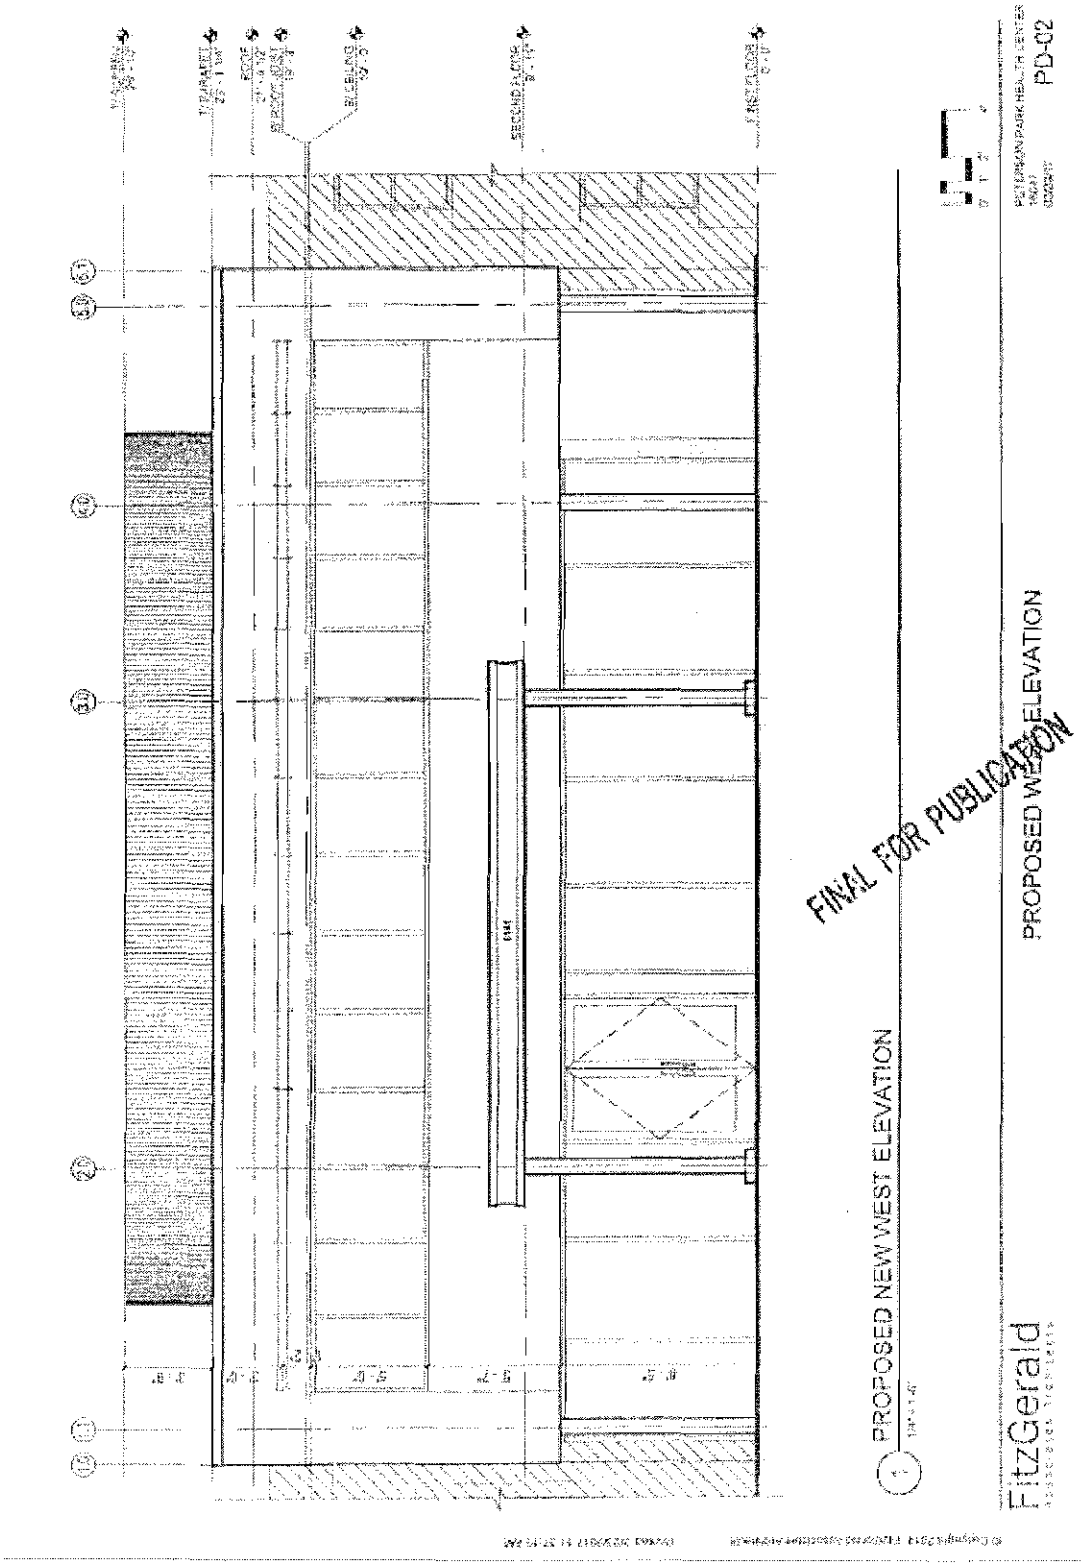

The existing minimum building setbacks identified above will remain unchanged by the proposed second-floor building addition.

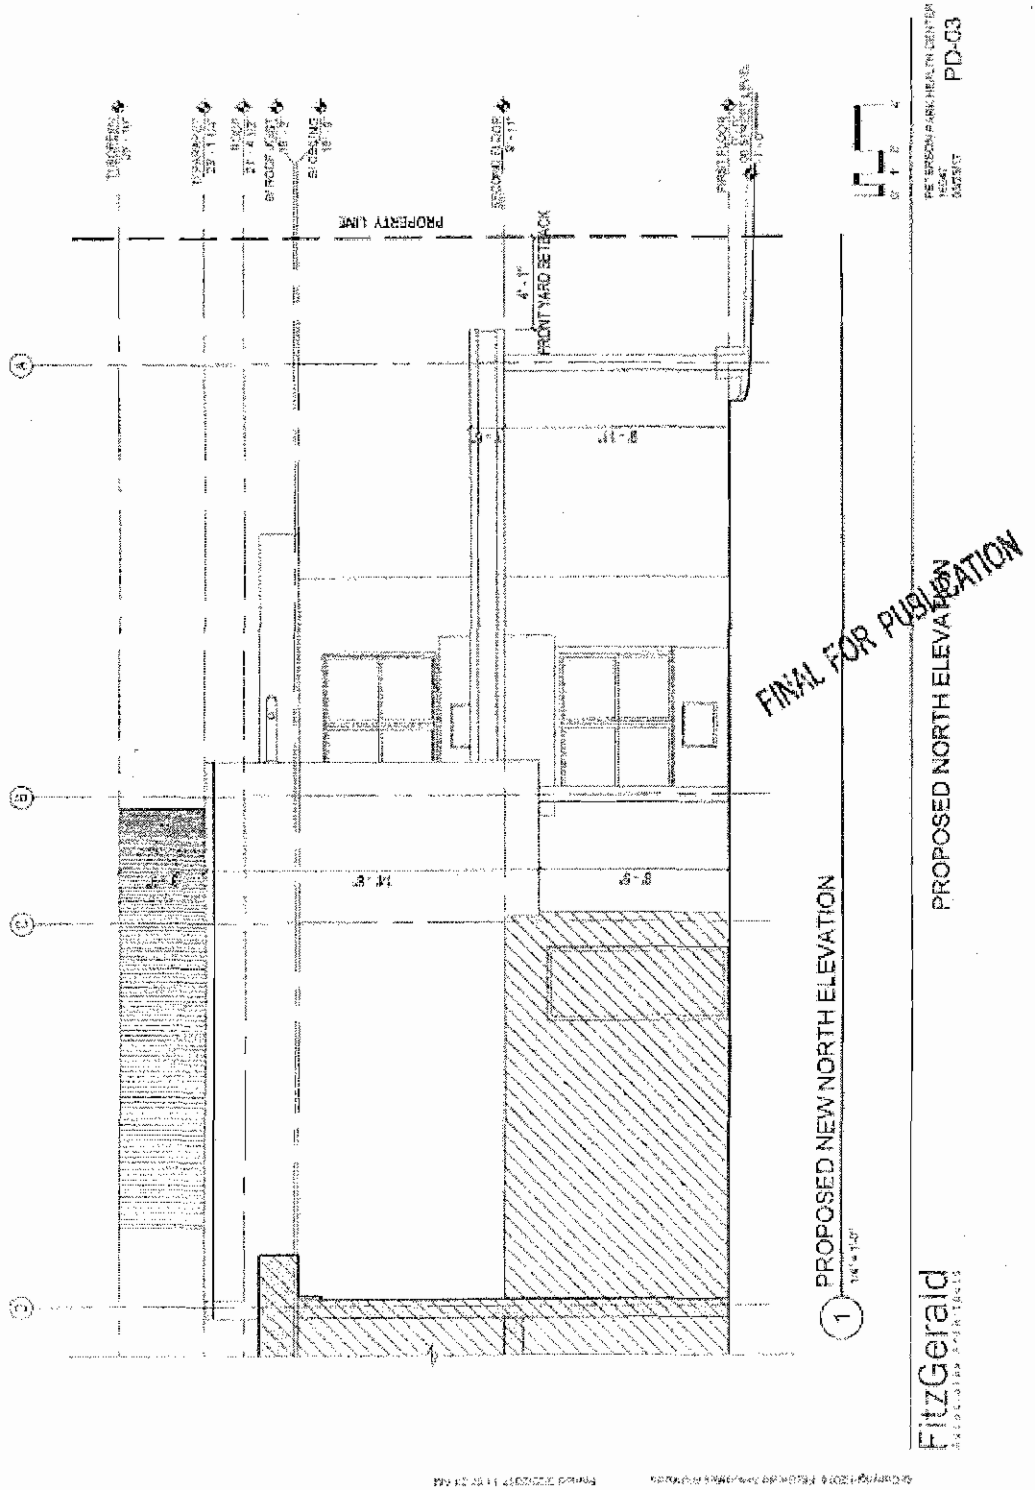

The existing building height, as measured from the bottom of the roof joist, is 19 feet, 2 inches. The existing building height will remain unchanged by the proposed second-floor building addition.

---

(1) Includes 8,020-square foot basement area. However, that area is excluded from the floor area ratio because the basement is more than 50 percent below grade.

Reclassification Of Area Shown On Map No. 17-G.
(Application No. 19175T1)
(Common Address: 4701 -- 4707 N. Albany Ave./
3048 -- 3058 W. Leland Ave.)

[O2017-2222]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all of the RS3 Residential Single-Unit District symbols and indications as shown on Map Number 17-G in the area bounded by:

a line 89.61 feet north of and parallel to West Leland Avenue; the public alley west of and parallel to North Whipple Street; West Leland Avenue; and North Albany Avenue,

to those of an RM6 Residential Multi-Unit District.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

[Scope of Work; and Existing and New Basement Plans attached to this ordinance printed on pages 50145 through 50147 of this *Journal*.]

Type 1 Narrative Rezoning Analysis attached to this ordinance reads as follows:

Zoning Amendment Application.

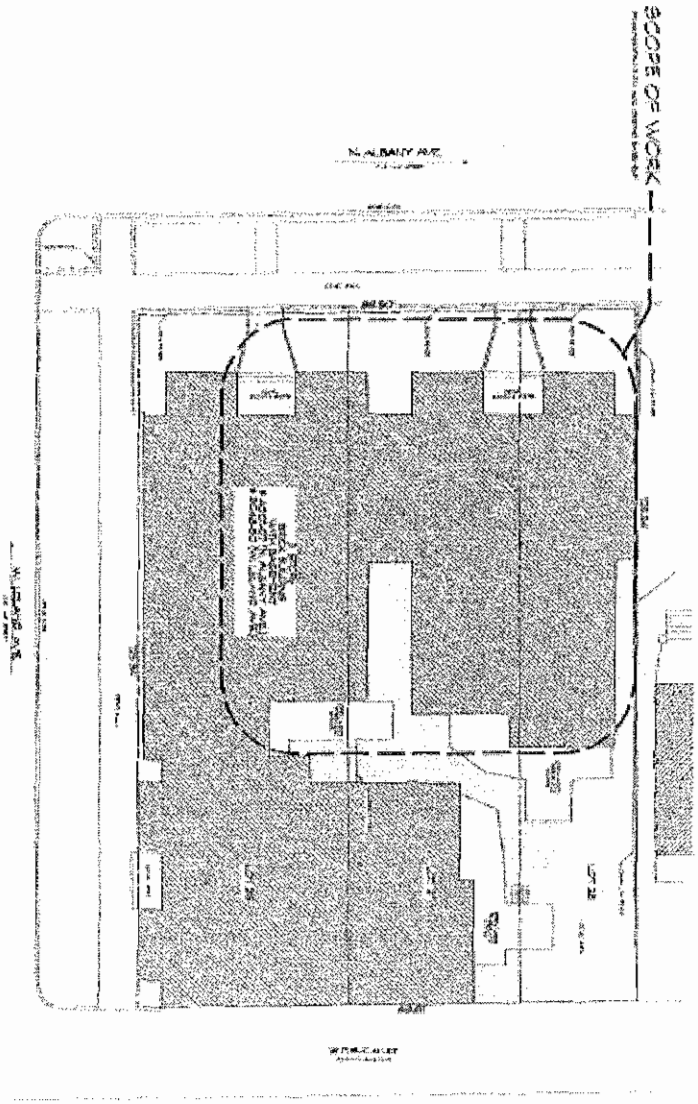

Project Narrative.

4701 North Albany LLC, an Illinois limited liability company ("4701") is the owner of the multi-family residential property situated at 4701 -- 4707 North Albany Avenue/3048 -- 3058 West Leland Avenue, in Chicago, Illinois 60625 (the "Property"), 4701 is also the applicant seeking the zoning amendment.

The Property is an existing three-story building with a height of 35 feet, older than 50 years, currently zoned RS3, legally non-confirming, and contains 19 units; 4701, in partnership with Housing Plus, a not-for-profit corporation who has a public interest in working with landlords to convert vacant space into affordable housing, intends to add three (3) units within the building's existing structure. Pursuant to a covenant to be recorded against the land, all three (3) units shall only be leased to tenants whose household income is no more than 60 percent of the Area Median Income, as recognized by the City of Chicago.

Under the Property's current zoning, 4701 cannot add these three (3) units, and is thus seeking to rezone the Property to RM6 to accommodate a floor area ratio of 2.68 and a minimum lot area per unit of 509. Such accommodation can only be achieved under the RM6 zoning classification. The project will not modify the building's land use, setbacks, or building height. The project does not include the addition of any parking as 4701 will be seeking a variation with the Zoning Board of Appeals, which is permitted to reduce parking requirements by three (3) spaces when a property's zoning classification is RM6 and the building has been in existence for more than 50 years. Chicago Zoning Ordinance 17-13-1101-C.

The following is said resolution as adopted:

WHEREAS, Twilight Lounge; Owner 4644, Inc.; President, Secretary and Treasurer Halina Sedelmaier; filed on September 22, 2016, an application for an Administrative Adjustment pursuant to Article 17-13-1003-Z(1) of the Chicago Zoning Ordinance for the

approval of the change of licensee and operation of a tavern in a two-story building, in an RS3 Residential Single-Unit (Detached House) District, on premises at 4644 North Central Avenue; and

WHEREAS, The decision of the Office of the Zoning Administrator rendered September 13, 2016 reads:

"Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Title 17 of the Municipal Code of Chicago, specifically, Article 17-2-0102."

; and

WHEREAS, The district maps show that the premises is located in an RS3 Residential Single-Unit (Detached House) District; and

WHEREAS, The Zoning Administrator, having fully reviewed all information and being fully advised of the premises, hereby makes the following findings of fact; the said use is located in an RS3 Residential Single-Unit (Detached House) District; that the subject site is improved with a two-story building containing an existing tavern; that on July 12, 1990, the City Council passed an ordinance requiring an exception for the approval of the change of license to a tavern located in a residence district; that the existing tavern is to be operated under a new license; that the majority of the patrons come from the local neighborhood and that the continued operation of a tavern at this location is necessary for the public convenience; that the applicant, as the new licensee, proposes to operate the tavern in such a manner to insure that the public health, safety and welfare will be adequately protected; and that the operation of the tavern will not cause substantial injury to the value of other property in the neighborhood; now, therefore,

Be It Resolved, That the application for an Administrative Adjustment is approved for the change of licensee and operation of a tavern in a two-story building, on premises at 4644 North Central Avenue, and that all applicable ordinances of the City of Chicago shall be complied with before a license is issued; and

Be It Further Resolved, That the granting of this Administrative Adjustment shall run only with the applicant, Twilight Lounge; Owner 4644, Inc.; President, Secretary and Treasurer Halina Sedelmaier, as licensee, and that a change of licensed shall terminate the Administrative Adjustment granted herein; and

Be It Further Resolved, That the tavern in the subject building is, and shall continue to be, subject to all applicable provisions of Article 6 of the Zoning Ordinance.

AGREED CALENDAR.

Alderman Burke moved to *Suspend the Rules Temporarily* for the purpose of including in the Agreed Calendar a series of resolutions presented by the Honorable Rahm Emanuel, Mayor, and Aldermen Dowell, Sawyer, Harris, Thompson, Burke, Lopez, Brookins, Austin, Mitts, Reilly, Smith, Arena and J. Instantaneously, he answered his Redeemer's call, "Come for I have prepared a place specifically for thee, a mansion the size of a small city. Notate every wall along the east wing and west corridor displays a photograph of someone's heart that you have touched".
