The foregoing shall not be deemed to extend Licensee's or TSA's liability beyond that existing under the Tort Act at the time of such act or omission, or to preclude Licensee or TSA from using any defense available at law or in equity.

18. Compliance With All Laws. Licensee shall, and shall cause all contractors to, observe and comply with all laws applicable to the Premises and pay all taxes and obtain all licenses, certificates, and other authorizations required by all applicable federal, state, county, and municipal laws, statutes, ordinances, and executive orders. The Licensee must submit evidence of insurance on the City of Chicago Insurance Certificate Form or equivalent prior to execution of Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Licensee is not a waiver by the City of any requirements for the Licensee to obtain and maintain the specified coverages. The Licensee must advise all insurers of the Agreement provisions regarding insurance. Nonconforming insurance does not relieve Licensee of the obligation to provide insurance as specified herein. Non-fulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and suspend the Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

---

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If contractor or subcontractors desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

The following is said resolution as adopted:

WHEREAS, The City of Chicago has identified the need to create a local, sustainable, accessible, fair, and healthy food system in order to provide healthy food choices in public buildings and at government-supported meetings and events; and

WHEREAS, Creating such a food system has emerged as a strategy in Healthy Chicago 2.0, a four-year plan launched in 2016 by Mayor Rahm Emanuel and the City's Department of Public Health in collaboration with numerous experts, advocates, healthcare providers, community members, and other stakeholders across the City; and

WHEREAS, The Chicago Metropolitan Agency for Planning has recommended the creation and promotion of a sustainable local food system; and

WHEREAS, The City of Chicago works to improve the health of all its residents, and to promote safe, healthy and fair work environments for its workforce. The creation of a sustainable local food system supports these efforts and promotes a productive environment and animal welfare; and

WHEREAS, The Good Food Purchasing Program ("GFPP") was developed in 2012 to incentivize public institutions to procure Good Food produced through values-driven purchasing standards; and

WHEREAS, GFPP defines Good Food as food that is healthy, affordable, fair, and sustainable. Good Food is produced, processed, distributed, and recycled locally using the principles of environmental stewardship (in terms of water, soil, and pesticide management); meets the Dietary Guidelines for Americans, and is available to purchase for all income levels; and

WHEREAS, Good Food values prioritize nutrition, affordability, locality, and sustainable production practices, including sound environmental practices, fair prices for producers, safe and fair working conditions for employees, and humane conditions for animals; and

WHEREAS, All participants in the GFPP food supply chain receive fair compensation and fair treatment and are free from exploitation; and

WHEREAS, Good Food Purchasing refers to the sourcing and purchasing of foods and beverages, and food and beverage service contracts, procured by City Departments and Agencies; and

WHEREAS, In practicing Good Food Purchasing policies, the City of Chicago will help support a regional food system that is ecologically sound, economically viable and socially responsible, and has an impact on the availability of local, sustainable food; and

WHEREAS, It is recognized that the significant buying power of public institutions across the Country can reform the food system, create opportunities for smaller farmers and low-income entrepreneurs to thrive, provide just compensation and fair treatment for food chain workers, support sustainable farming practices, reward good environmental stewardship, and increase access to fresh and healthy foods; now, therefore,

Be It Resolved, That the City of Chicago embraces the GFPP as a strategy to help improve our region's food system through the adoption and implementation of Good Food Purchasing Standards, which emphasize values that would:

1. support small and mid-sized agricultural and food processing operations within the local area or region;

2. support producers that employ sustainable production systems that reduce or eliminate synthetic pesticides and fertilizers; avoid the use of hormones, antibiotics, and genetic engineering; conserve soil and water; protect and enhance wildlife habitat and biodiversity; and reduce on-farm energy consumption and greenhouse gas emissions;

3. provide safe and healthy working conditions and fair compensation for all food chain workers and producers from production to consumption;

4. provide healthy and humane care for farm animals; and

5. promote health and well-being by offering generous portions of vegetables, fruit, and whole grains; reducing salt, added sugars, fats, and oils; and by eliminating artificial additives; and

Be It Further Resolved, That City Departments and Agencies requiring the procurement or service contracting of foods may adopt Good Food Purchasing Standards, which include options and levels within each of these five value categories, as a framework for guiding values-driven purchasing; and

Be It Further Resolved, That all relevant City Departments and Agencies, with assistance from the Chicago Department of Public Health, Chicago Department of Planning and Development, Center for Good Food Purchasing, Chicago Food Policy Action Council, and other relevant stakeholders, may take the following steps in support of the purchasing of Good Food:

1. Within 12 months of the adoption of this resolution, communicate Good Food Purchasing Standards to appropriate and selected suppliers, including distributors and foodservice companies, and request them to share data that will help the City complete a baseline Good Food Purchasing assessment of food procurement practices;

2. Within 6 months after the baseline assessment has been completed, develop and adopt a multi-year action plan with benchmarks to measure success towards Good Food Purchasing Standards, including accountability systems with appropriate vendors of distributors to verify sourcing commitments and assess current food procurement practices;

3. To the extent permitted by law, within 6 months after the baseline assessment has been completed, incorporate Good Food Purchasing Standards into new procurement requests and contracts for City Departments and Agencies that have previously participated in the baselining process as outlined in Clause 1; and

4. Commit to full and robust analysis and implementation of the Good Food Purchasing Standards; and

Be It Further Resolved, That participating City Departments and Agencies shall provide progress reports, including compliance data, to the City Council, acting through its Committee on Health and Environmental Protection, upon the request of that Committee.

COMMITTEE ON HOUSING AND REAL ESTATE.

AMENDMENT OF CHAPTER 2-45 OF MUNICIPAL CODE BY ADDING NEW SECTION 2-45-117 ENTITLED "NEAR NORTH/NEAR WEST ARO PILOT AREA ORDINANCE" (AFFORDABLE REQUIREMENTS ORDINANCE).

[SO2017-6224]

The Committee on Housing and Real Estate submitted the following report:

CHICAGO, October 10, 2017.

To the President and Members of the City Council:

This recommendation was concurred in by a voice vote of all committee members present, with no dissenting votes.

Respectfully submitted,

(Signed) JOSEPH A. MOORE,
Chairman.

On motion of Alderman J. Moore, the said proposed substitute ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City Council of the City (the "City Council") finds that the availability of affordable housing in high opportunity areas is critical to the future of Chicago; and

WHEREAS, In the last decade more than fifty companies have moved their corporate headquarters from the suburbs to the city, bringing more high-wage jobs and a workforce attracted to walkable, transit-rich, mixed-use environments; and

WHEREAS, This trend has transformed, and continues to transform, neighborhoods close to the city center and along transportation lines leading to downtown; and

WHEREAS, With increasing demand for housing near downtown, the pace of development and the value of homes in urban core neighborhoods have escalated and existing low and moderate income residents have been priced out of their communities; and

WHEREAS, The City Council finds that this cycle of gentrification and displacement exacerbates historic patterns of racial and economic segregation, deepens the concentration of poverty and wealth, and widens disparities in access to good schools, jobs, healthcare and other amenities; and

WHEREAS, The City Council finds that the 2015 Affordable Requirements Ordinance, Section 2-45-115 of the Municipal Code, is insufficient to prevent displacement and broad demographic change in gentrifying neighborhoods, and that additional measures are necessary to increase production of affordable housing, protect vulnerable residents, and create neighborhoods where residents of all incomes can thrive; and

WHEREAS, The City Council finds that neighborhoods on the near north and near west sides are undergoing gentrification or are at risk of gentrification; and

WHEREAS, The City Council finds that it is in the public interest to establish a Near North/Near West Pilot Area covering neighborhoods on the near north and near west sides in order to test the effectiveness of modified affordable housing requirements; and

WHEREAS, The Department of Planning and Development ("DPD") classified the neighborhoods in the Near North/Near West Pilot Area based on their stage of gentrification using a gentrification index developed by Lisa K. Bates, Portland State University, in a report commissioned by the City of Portland Bureau of Planning and Sustainability, titled "Gentrification and Displacement Study: Implementing an Equitable Inclusive Development Strategy in the Context of Gentrification" (the "Gentrification Index"); and

WHEREAS, The Gentrification Index measures an area's stage of gentrification based on three factors: the vulnerability of the population, demographic change, and housing market change; and

WHEREAS, DPD's gentrification analysis for the Near North/Near West Pilot Area shows that the Near North Zone, as depicted in the map attached hereto as Exhibit A, is characterized primarily by ongoing displacement (as further defined below), while the Near West Zone, as depicted in Exhibit A, is experiencing early displacement (as further defined below) in some parts and is susceptible to displacement (as further defined below) in others; and

WHEREAS, This Near North/Near West ARO Pilot Area Ordinance is intended to promote equitable neighborhood development, increase housing choice for residents of all income levels, minimize displacement of long-term residents from gentrifying neighborhoods in the Near North/Near West Pilot Area, and address disparities in social and economic outcomes for the residents of Chicago; and

WHEREAS, DPD wishes to issue one or more requests for proposals in connection with the administration of this ordinance in order to ensure that the affordable units created hereunder are effectively marketed and provided to the target populations intended to benefit from such units and to assist vulnerable residents within the Near North/Near West Pilot Area gain access to affordable housing; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The foregoing recitals are hereby adopted as the findings of the City Council.

SECTION 2. Chapter 2-45 of the Municipal Code of Chicago is hereby amended by adding a new Section 2-45-117, as follows:

2-45-117 Near North/Near West Affordable Housing Pilot Area.

(A) Title. This section shall be known and cited as the "Near North/Near West ARO Pilot Area Ordinance".

(B) Purpose. The purpose of this section is to establish modified affordable housing requirements for designated neighborhoods near the central business district that are experiencing gentrification or are at-risk of gentrification. The goals of these modified requirements are to mitigate the displacement impacts associated with gentrification, better protect the interests of the area's economically vulnerable residents from demographic and housing market change, and preserve the economic diversity critical to a healthy economy.

(C) Relationship To 2015 ARO. The requirements in this section supplement or modify the affordable housing requirements in Section 2-45-115. In the event of a conflict between these requirements and the requirements in Section 2-45-115, the requirements in this section will control; provided, however, when a residential housing project receives financial assistance from TIF Funds, the requirements set forth in Section 2-45-115 will continue to apply and will control in the event of a conflict, except with respect to the location requirements set forth herein.

(D) Definitions. Except as provided below, defined terms shall have the meanings given in Section 2-45-115.

"Accelerating" is a term used to describe a census tract that (i) had low to moderate home values in 2015 (i.e., a median home value in the bottom three quintiles of all census tracts in the city), but (ii) experienced a high appreciation rate between 2010 and 2015 (i.e., appreciation rate in the top two quintiles of all census tracts in the city).

"Additional units" means the extra units required to be affordable under this section in excess of the units required to be affordable under Section 2-45-115.

"Affordable unit" means a housing unit required by this section to be affordable, whether located on-site or off-site and whether a rental unit or an owner-occupied unit.

"Adjacent" is a term used to describe a census tract that (i) had low to moderate home values in 2015 (i.e., a median home value in the bottom three quintiles of all census tracts in the city), (ii) experienced a low to moderate appreciation rate between 2010 and 2015 (i.e., appreciation rate in the bottom three quintiles of all census tracts in the city), but (iii) touches the boundary of at least one census tract that had high home values in 2015 (i.e., a median home value in the top two quintiles of all census tracts in the city) or a high appreciation rate between 2010 and 2015 (i.e., appreciation rate in the top two quintiles of all census tracts in the city).

"Appreciated" is a term used to describe a census tract that (i) had low to moderate home values in 2000 (i.e., a median home value in the bottom three quintiles of all census tracts in the city), and (ii) high home values in 2015 (i.e., a median home value in the top two quintiles of all census tracts in the city), and (iii) experienced a high appreciation rate between 2000 and 2015 (i.e., appreciation rate in the top two quintiles of all census tracts in the city).

"Demographic change" means a shift in the demographic conditions of an area in which at least three of the following four population changes have occurred from 2010 to 2015, relative to the citywide median: percentage of homeowners has increased; percentage of minorities (as defined in Section 2-92-670) has decreased; percentage of residents with a bachelor's degree or higher has increased; and median household income has increased.

"Early displacement" is a term used to classify census tracts that are showing early signs of gentrification. These census tracts (i) have a vulnerable population at risk of displacement from rising housing costs, (ii) have undergone demographic change indicative of gentrification, and (iii) have adjacent, accelerated or appreciated market conditions, as determined by the commissioner based upon published data regarding Chicago or area median income, the cost of housing, or other data indicative of gentrification or loss of affordable housing.

"First units" means the units required to be affordable under Section 2-45-115.

"Near North Zone" means a zone within the Near North/Near West Pilot Area that consists mainly of census tracts that are experiencing ongoing displacement.

"Near West Zone" means a zone within the Near North/Near West Pilot Area that consists mainly of census tracts that are experiencing early displacement or are susceptible to displacement.

"Ongoing displacement" is a term used to classify census tracts that are in the midst of gentrification. These census tracts (i) no longer have a vulnerable population, (ii) have undergone demographic change indicative of gentrification, and (iii) have an appreciated market condition, as determined by the commissioner based upon published data regarding Chicago or area median income, the cost of housing, or other data indicative of gentrification or loss of affordable housing.

"Susceptible to displacement" is a term used to classify census tracts that are at-risk of gentrification. These census tracts (i) have a vulnerable population at risk of displacement from rising housing costs, (ii) have not undergone demographic change indicative of gentrification, but (iii) have accelerating or adjacent market conditions, as determined by the commissioner based upon published data regarding Chicago or area median income, the cost of housing or other data indicative of gentrification or loss of affordable housing.

"Vulnerable population" means a population with at least three of the following four characteristics based on 2015 data: percentage of renters is higher than the citywide median; percentage of minorities (as defined in Section 2-92-670) is higher than the citywide median; percentage of residents without a bachelor's degree is higher than the citywide median; and median household income is lower than the citywide median.

(E) Boundaries. The Near North/Near West Pilot Area is divided into two zones: the Near North Zone and the Near West Zone. A map of the Near North/Near West Pilot Area and its two zones is published in the *Journal of the Proceedings of the City Council of the City of Chicago* 10-__-17, page _____, and on file in the office of the city clerk and made a part hereof. The boundary lines of the Near North/Near West Pilot Area follow streets, and such boundary lines are to be construed as the centerlines of said streets.

(F) Stage Of Displacement. The Near North Zone is characterized primarily by ongoing displacement. The Near West Zone is characterized primarily as either susceptible to displacement or by early displacement.

(G) Modified ARO Requirements. The requirements of Section 2-45-115 shall apply in the Near North/Near West Pilot Area, except as modified below:

(1) No In Lieu Fee Option. The option to pay a fee in lieu of the establishment of affordable units is eliminated in the Near North/Near West Pilot Area.

(2) Required Percentage Of Affordable Units. The percentage of units required to be affordable in a residential housing project, whether rental or for-sale, is increased (i) from 10 percent to 20 percent in the Near North Zone, and (ii) from 10 percent to 15 percent in the Near West Zone, except that projects receiving city financial assistance must continue to provide 20 percent of the units in the residential housing project as affordable units in accordance with Section 2-45-115.

(3) Option To Substitute Owner-Occupied Units For Rental Units. In the Near North/Near West Pilot Area, developers may substitute owner-occupied units for rental units where the developer would otherwise be required to provide rental units.

(4) Specific Standards For First Units. The following standards apply to first units only:

(i) Substitution of rental units for owner-occupied units. In the Near North Zone, and in the case of first units only, developers may substitute rental units for owner-occupied units where the developer would otherwise be required to provide owner-occupied units.

(ii) Location requirements. In the Near West Zone, first units may be located on-site or off-site (subject to the commissioner's approval under subsection (V) of the 2015 ARO), but if located off-site must be provided within two miles of the residential housing project and either (a) in a higher income area or downtown district, or (b) within the Near North/Near West Pilot Area, regardless of the income area in which the residential housing project is located. Notwithstanding the foregoing, when a residential housing project receives financial assistance from TIF Funds, all affordable units must be provided on-site.

(5) Specific Standards For Additional Units. The following standards apply to additional units only:

(i) Income eligibility for rental projects. Developers may lease additional units to households earning up to one hundred percent (100%) of the area median income at prices affordable to households at such income level, provided, however, the forgoing income eligibility and affordability limit may be decreased to eighty percent (80%) of the area median income if the commissioner, in consultation with the alderman of the ward in which the affordable units will be located, determines that there is a greater need for affordable housing at this income level in the subject location based on factors established by rule.

(iii) Location requirements. Additional units may be located on-site or off-site (subject to the commissioner's approval under subsection (V) of the 2015 ARO), but if located off-site must be provided within the Near North/Near West Pilot Area. Such off-site units may be located anywhere in the Near North/Near West Pilot Area, regardless of distance from the residential housing project or income area in which the residential housing project is located. Notwithstanding the foregoing, when a residential housing project receives financial assistance from TIF Funds, all affordable units must be provided on-site.

(H) Pending Applications. This section shall apply to all residential housing projects subject to the affordable housing requirements of Section 2-45-115, unless: (1) an ordinance authorizing a city land sale or financial assistance, as described in Section 2-45-115(C), has been introduced to city council prior to November 1, 2017; or (2) an ordinance authorizing a rezoning of property, as described in Section 2-45-115(C), has been introduced to city council and (i) in the case of projects that are subject

to planned development review, the Chicago Plan Commission has adopted a resolution recommending approval of the planned development prior to November 1, 2017, or (ii) in the case of any other rezoning of property, the Committee on Zoning, Landmarks and Buildings Standards has voted to approve the rezoning prior to November 1, 2017.

(I) Rules and Regulations. The commissioner is authorized to adopt such rules and regulations as the commissioner may deem necessary for the proper implementation, administration and enforcement of this section. The commissioner shall provide an annual report to the City Council Committee on Housing and Real Estate detailing the outcomes of the pilot program.

(J) Commissioner's Authority To Enter Into Service Agreements For Marketing, Income Qualification And Other Services. The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City Council of the City (the "City Council") finds that the availability of affordable housing in high opportunity areas is critical to the future of Chicago; and

WHEREAS, In the last decade more than 50 companies have moved their corporate headquarters from the suburbs to the City, bringing more high-wage jobs and a workforce attracted to walkable, transit-rich, mixed-use environments; and

WHEREAS, This trend has transformed, and continues to transform, neighborhoods close to the city center and along transportation lines leading to downtown; and

WHEREAS, With increasing demand for housing near downtown, the pace of development and the value of homes in urban core neighborhoods have escalated and existing low- and moderate-income residents have been priced out of their communities; and

WHEREAS, The City Council finds that this cycle of gentrification and displacement exacerbates historic patterns of racial and economic segregation, deepens the concentration of poverty and wealth, and widens disparities in access to good schools, jobs, healthcare and other amenities; and

WHEREAS, The City Council finds that the 2015 Affordable Requirements Ordinance, Section 2-45-115 of the Municipal Code, is insufficient to prevent displacement and broad demographic change in gentrifying neighborhoods, and that additional measures are necessary to increase production of affordable housing, protect vulnerable residents, and create neighborhoods where residents of all incomes can thrive; and

WHEREAS, The City Council finds that neighborhoods along the Milwaukee corridor adjacent to the CTA's Blue Line are undergoing gentrification; and

WHEREAS, The City Council finds that it is in the public interest to establish a Milwaukee Corridor Pilot Area covering neighborhoods along this major transit corridor, which also includes neighborhoods adjacent to The 606 elevated trail, in order to test the effectiveness of modified affordable housing requirements; and

WHEREAS, The Department of Planning and Development ("DPD") classified the neighborhoods in the Milwaukee Corridor Pilot Area based on their stage of gentrification using a gentrification index developed by Lisa K. Bates, Portland State University, in a report commissioned by the City of Portland Bureau of Planning and Sustainability, titled "Gentrification and Displacement Study: Implementing an Equitable Inclusive Development Strategy in the Context of Gentrification" (the "Gentrification Index"); and

WHEREAS, The Gentrification Index measures an area's stage of gentrification based on three factors: the vulnerability of the population, demographic change, and housing market change; and

WHEREAS, DPD's gentrification analysis for the Milwaukee Corridor Pilot Area, as depicted in the map attached hereto as Exhibit A, shows that the pilot area is characterized primarily by ongoing displacement (as further defined below); and

WHEREAS, This Milwaukee Corridor ARO Pilot Area Ordinance is intended to promote equitable neighborhood development, increase housing choice for residents of all income levels, minimize displacement of long-term residents from gentrifying neighborhoods in the Milwaukee Corridor Pilot Area, and address disparities in social and economic outcomes for the residents of Chicago; and

WHEREAS, DPD wishes to issue one or more requests for proposals in connection with the administration of this ordinance in order to ensure that the affordable units created hereunder are effectively marketed and provided to the target populations intended to benefit from such units and to assist vulnerable residents within the Milwaukee Corridor Pilot Area gain access to affordable housing; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The foregoing recitals are hereby adopted as the findings of the City Council.

SECTION 2. Chapter 2-45 of the Municipal Code of Chicago is hereby amended by adding a new Section 2-45-119, as follows:

2-45-119 Milwaukee Corridor Affordable Housing Pilot Area.

(A) Title. This section shall be known and cited as the "Milwaukee Corridor ARO Pilot Area Ordinance".

(B) Purpose. The purpose of this section is to establish modified affordable housing requirements for designated neighborhoods along the Milwaukee corridor adjacent to the CTA's Blue Line that are experiencing gentrification. The goals of these modified requirements are to mitigate the displacement impacts associated with gentrification, better protect the interests of the area's economically vulnerable residents from demographic and housing market change, and preserve the economic diversity critical to a healthy economy.

(C) Relationship To 2015 ARO. The requirements in this section supplement or modify the affordable housing requirements in Section 2-45-115. In the event of a conflict between these requirements and the requirements in Section 2-45-115, the requirements in this section will control; provided, however, when a residential housing project receives financial assistance from TIF Funds, the requirements set forth in

Section 2-45-115 will continue to apply and will control in the event of a conflict, except with respect to the location requirements set forth herein.

(D) Definitions. Except as provided below, defined terms shall have the meanings given in Section 2-45-115.

"Additional units" means the extra units required to be affordable under this section in excess of the units required to be affordable under Section 2-45-115.

"Affordable unit" means a housing unit required by this section to be affordable, whether located on-site or off-site and whether a rental unit or an owner-occupied unit.

"Appreciated" is a term used to describe a census tract that (i) had low to moderate home values in 2000 (i.e., a median home value in the bottom three quintiles of all census tracts in the City), and (ii) high home values in 2015 (i.e., a median home value in the top two quintiles of all census tracts in the City), and (iii) experienced a high appreciation rate between 2000 and 2015 (i.e., appreciation rate in the top two quintiles of all census tracts in the City).

"Demographic change" means a shift in the demographic conditions of an area in which at least three of the following four population changes have occurred from 2010 to 2015, relative to the citywide median: percentage of homeowners has increased; percentage of minorities (as defined in Section 2-92-670) has decreased; percentage of residents with a bachelor's degree or higher has increased; and median household income has increased.

"Ongoing displacement" is a term used to classify census tracts that are in the midst of gentrification. These census tracts (i) no longer have a vulnerable population, (ii) have undergone demographic change indicative of gentrification, and (iii) have an appreciated market condition, as determined by the commissioner based upon published data regarding Chicago or area median income, the cost of housing, or other data indicative of gentrification or loss of affordable housing.

"Vulnerable population" means a population with at least three of the following four characteristics based on 2015 data: percentage of renters is higher than the citywide median; percentage of minorities (as defined in Section 2-92-670) is higher than the citywide median; percentage of residents without a bachelor's degree is higher than the citywide median; and median household income is lower than the citywide median.

(E) Boundaries. A map of the Milwaukee Corridor Pilot Area is published in the *Journal of the Proceeding of the City Council of the City of Chicago*, October 5, 2017, page _____, and on file in the Office of the City Clerk and made a part hereof. The boundary lines of the Milwaukee Corridor Pilot Area follow streets, and such boundary lines are to be construed as the centerlines of said streets.

(F) Stage Of Displacement. The Milwaukee Corridor Pilot Area is characterized primarily by ongoing displacement.

(G) Modified ARO Requirements. The requirements of Section 2-45-115 shall apply in the Milwaukee Corridor Pilot Area, except as modified below:

(1) No In Lieu Fee Option. The option to pay a fee in lieu of the establishment of affordable units is eliminated in the Milwaukee Corridor Pilot Area.

(2) Required Percentage Of Affordable Units. The percentage of units required to be affordable in a residential housing project in the Milwaukee Corridor Pilot Area, whether rental or for-sale, is increased from 10 percent to 15 percent if all of the affordable units are provided on-site or 20 percent if any affordable units are provided off-site. Notwithstanding the foregoing, whenever the city provides financial assistance, the percentage of units required to be affordable remains 20 percent in accordance with subsection (C)(3) of Section 2-45-115.

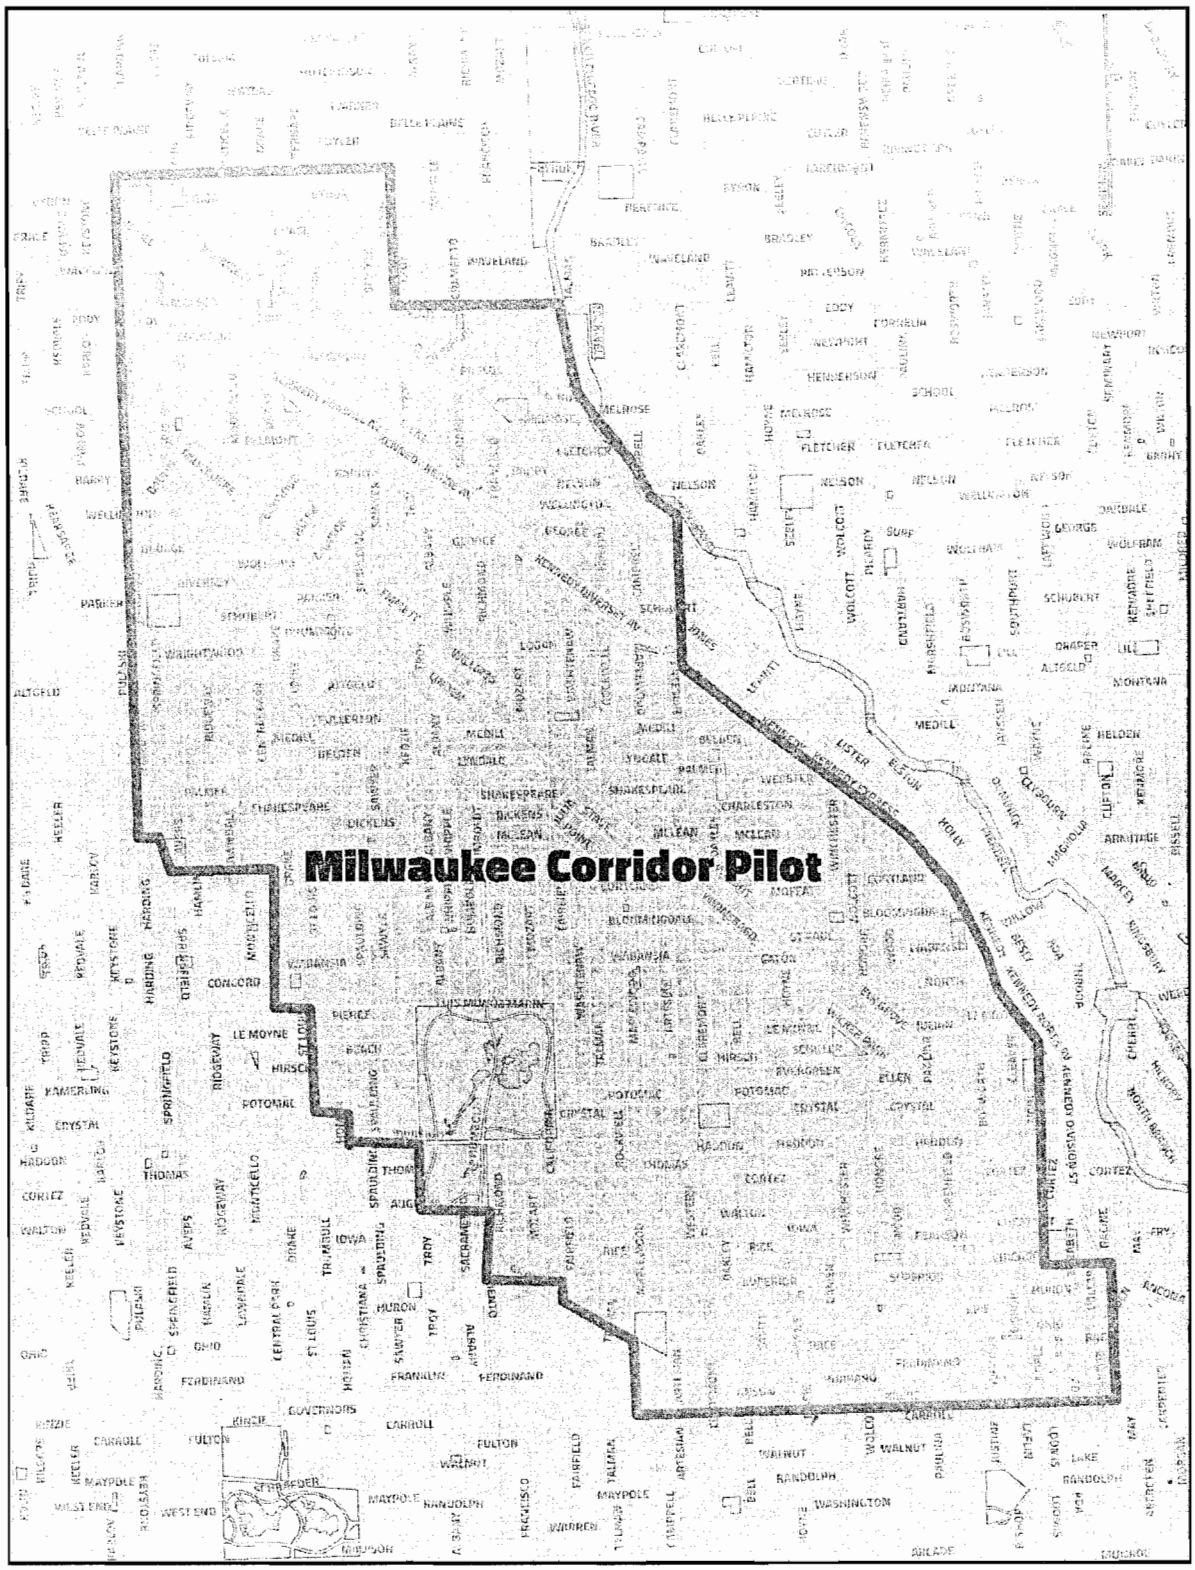
(3) Affordability Standards And Income Eligibility Criteria For Rental Units. Affordable rental units in the Milwaukee Corridor Pilot Area may be leased to households earning up to eighty percent (80%) of the area median income, but must be affordable to households earning up to sixty percent (60%) of the area median income.

(4) Location Requirements. If the developer elects to provide affordable units in an off-site location and the commissioner approves the developer's off-site proposal under subsection (V) of Section 2-45-115, the off-site units must be located within the Milwaukee Corridor Pilot Area. Such off-site units may be located anywhere in the Milwaukee Corridor Pilot Area, regardless of distance from the residential housing project or income area in which the residential housing project is located. Notwithstanding the foregoing, when a residential housing project receives financial assistance from TIF Funds, all affordable units must be provided on-site.

(H) Pending Applications. This section shall apply to all residential housing projects subject to the affordable housing requirements of Section 2-45-115, unless: (1) an ordinance authorizing a city land sale or financial assistance, as described in Section 2-45-115(C), has been introduced to City Council prior to November 1, 2017; or (2) an ordinance authorizing a rezoning of property, as described in Section 2-45-115(C), has been introduced to City Council and (i) in the case of projects that are subject to planned development review, the Chicago Plan Commission has adopted a resolution recommending approval of the planned development prior to November 1, 2017, or (ii) in the case of any other rezoning of property, the Committee on Zoning, Landmarks and Buildings Standards has voted to approve the rezoning prior to November 1, 2017.

(I) Rules And Regulations. The commissioner is authorized to adopt such rules and regulations as the commissioner may deem necessary for the proper implementation, administration and enforcement of this section. The commissioner shall provide an annual report to the City Council Committee on Housing and Real Estate detailing the outcomes of the pilot program.

(J) Commissioner's Authority To Enter Into Service Agreements For Marketing, Income Qualification And Other Services. In furtherance of administering this section, the commissioner shall have the authority to enter into service agreements with outside providers selected by the commissioner to market affordable housing created hereunder and pursuant to other city programs to residents of the Milwaukee Corridor Pilot Area, assist developers of residential housing projects in the Milwaukee Corridor Pilot Area with income qualification of tenants and purchasers of affordable units created hereunder, conduct educational programs for residents of the Milwaukee Corridor Pilot Area regarding the purchase or lease of affordable housing, provide counseling and disseminate information regarding eligibility for affordable housing to residents of the Milwaukee Corridor Pilot Area, and provide other services to ensure that the affordable units created hereunder are effectively marketed and provided to the target populations intended to benefit from such affordable units. Such service agreements may contain terms and conditions that the commissioner deems appropriate, and the commissioner shall have the authority to perform any and all acts as shall be necessary or advisable in connection with such service agreements and any renewals thereto, including the expenditure of Affordable Housing Opportunity Fund monies, or other duly appropriated funds, for such agreements.



SECTION 3. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or any portion thereof, is in conflict with any provision of this ordinance, the provisions of this ordinance shall control. The provisions of this ordinance are declared to be separate and severable. The invalidity of any provision of this ordinance, or the invalidity of the application thereof to any person or circumstance, shall not affect the validity of the remainder of this ordinance, or the validity of its application to other persons or circumstances.

SECTION 4. This ordinance shall take effect immediately upon its passage and approval, and shall remain in effect for a period of three years or until December 31, 2020, whichever is later, at the conclusion of which it shall be repealed of its own accord. During the effective period of this ordinance, the City Council may evaluate the efficacy of the modified affordable housing requirements.

WHEREAS, Pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the *Journal* for such date at pages 56195 -- 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the *Journal* for such date at pages 92771 -- 92773, and on July 28, 2010 and published in the *Journal* for such date at pages 97370 -- 97374, and on June 25, 2014 and published in the *Journal* for such date at pages 83533 -- 83535 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, Pursuant to the current ANLAP Program: (i) if the property appraises at or for less than Ten Thousand and no/100 Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand and no/100 Dollars ($1,000.00); or (ii) if the property appraises at or for less than Twenty Thousand and no/100 Dollars ($20,000.00) but more than Ten Thousand and no/100 Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand and no/100 Dollars ($2,000.00); or (iii) if the property appraises for more than Twenty Thousand and no/100 Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand and no/100 Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand and no/100 Dollars ($20,000.00); and

WHEREAS, Pursuant to the ANLAP Program, an Adjacent Neighbor means a person who owns one parcel, or two or more contiguous parcels, of real property that is immediately adjacent to a city-owned parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

WHEREAS, Pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the grantee's parcel on which his primary residence is located; and (2) require that the parcel be improved with landscaped open space within six months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate 10 years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, The Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Felicitas Gutierrez (the "Purchaser"), who has a principal residence of 2617 West Luther Street, Chicago, Illinois 60608; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any); and

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule unit of government under Section 6(a), Article VII of the Constitution of the State of Illinois of 1970 and may exercise any power related to its local governmental affairs; and

WHEREAS, The City has acquired title to numerous parcels of vacant property located throughout the City of Chicago pursuant to its responsibility to protect the health, safety and welfare; and

WHEREAS, Many of the City-owned parcels are of minimal value, yet are costly for the City to clean-up and maintain; and

WHEREAS, By ordinance passed by the City Council of the City (the "City Council") on December 10, 2014, the City established the Large Lot Program (codified in Chapter 2-157 of the Municipal Code of Chicago; the "Large Lot Program Ordinance") for the disposition of certain City-owned, vacant parcels, in order to provide local residents greater control over land in their neighborhood and the opportunity to possibly profit from selling those parcels in the future as the areas in which the parcels are located revitalize; and

WHEREAS, It is the City's intention to dispose of those certain City-owned, vacant parcels (i.e., no structures), which are zoned residential, located in various community areas, and identified in Exhibit A attached hereto (each, a "City Parcel", and collectively, the "City Parcels"); and

WHEREAS, Public notice advertising the proposed sale of the City Parcels appeared in the *Chicago Sun-Times* on January 17, 24 and 31, 2017; and

WHEREAS, The City's Department of Planning and Development (the "Department") has received applications relating to the disposition of the City Parcels; and

WHEREAS, The Department has evaluated the applications based on the criteria set forth in the Large Lot Program Ordinance; and

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are expressly adopted herein as the legislative findings of the City Council and incorporated herein and made a part of this ordinance.

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, quitclaim deeds, each such deed conveying a City Parcel to the respective Qualifying Property Owner (as that term is defined in the Large Lot Program Ordinance) selected by the Department, or to a land trust of which the Qualified Property Owner is the sole beneficiary, or to an entity of which the Qualified Property Owner is the sole owner and the controlling party, for the purchase price of One and no/100 Dollars ($1.00) per City Parcel.

SECTION 3. Any deed conveying a City Parcel to a Qualifying Property Owner may contain such covenants as the Department reasonably deems necessary, including, but not limited to, covenants that require the Qualifying Property Owner for a period of five (5) years commencing on the date on which the City conveys title to such City Parcel to the Qualifying Property Owner (a) to remain in title to the City Parcel and (b) to maintain the City Parcel. The City shall have a right of reverter if the Qualifying Property Owner fails to comply with such covenants. The Department may require the Qualifying Property Owner to execute a reconveyance deed at the time the City conveys the City Parcel, for the purpose of facilitating the City's exercise of its right of reverter, if necessary.

SECTION 4. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 5. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

SECTION 6. This ordinance shall take effect immediately upon its passage and approval.

"Construction Budget"). Any requests by Developer for exclusions of any work, materials or supplies in the Construction Budget from the scope of Developer's Employment Obligations must be made at the time of submittal of such Construction Budget to the City prior to the start of construction on such Project.

SECTION 11. CONDITIONS TO THE CITY OBLIGATION TO CLOSE. The obligations of the City under this Agreement are contingent upon the delivery or satisfaction of each of the following items (unless waived in writing by DPD, in its sole and absolute discretion) at least five (5) Business Days prior to the Closing Date, unless another time period is specified below:

11.1 Insurance. The Developer has submitted to the City, and the City has approved, evidence of liability insurance reasonably acceptable to the City in light of the Developer's indemnification obligations to the City under this Agreement. The City shall be named as an additional insured on all liability insurance policies from the Closing Date through the Term of this Agreement. With respect to such liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the policy showing the City as an additional insured.

11.2 Legal Opinion. Developer has submitted to the Corporation Counsel, and the Corporation Counsel has approved, a legal opinion in a form reasonably acceptable to the City.

11.3 Due Diligence. Developer has submitted to the Corporation Counsel the following due diligence searches in their names showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the Corporation Counsel:

(a) Bankruptcy Search, U. S. Bankruptcy Court for the N.D. Illinois;
(b) Pending Suits and Judgments, U. S. District Court for the N.D. Illinois;
(c) Federal Tax Lien Search, Illinois Secretary of State;
(d) UCC Search, Illinois Secretary of State;
(e) UCC Search, Cook County Recorder;
(f) Federal Tax Lien Search, Cook County Recorder;
(g) State Tax Lien Search, Cook County Recorder;
(h) Memoranda of Judgments Search, Cook County; and
(i) Pending Suits and Judgments, Circuit Court of Cook County.

In addition, Developer has provided to the Corporation Counsel a written description of all pending or threatened litigation or administrative proceedings, specifying, in each case, the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith and whether (and to what extent) such potential liability is covered by insurance.

11.4 Organization and Authority Documents. Developer has submitted to the Corporation Counsel copies of its and its parent company's articles or certificate of incorporation or organization, as applicable, including all amendments thereto, as furnished and certified by the State of Delaware; certificates of good standing from the Delaware Division of Corporations dated no more than thirty (30) days prior to the Closing; a secretary's certificate in such form and substance as the Corporation Counsel may reasonably require; by-laws or operating agreement, as applicable, and such other corporate authority and organizational documents as the City may reasonably request.

11.5 Economic Disclosure Statement. Developer has provided to the Corporation Counsel all required Economic Disclosure Statements, in the City's then current form, dated as of the Closing Date.

11.6 Environmental. Developer has provided DPD with copies of any Phase I and other Environmental Documents completed for on behalf of the Developer with respect to the City Property, and, only if available at no additional cost to Developer, a letter or certification from the environmental firm(s) that completed the Phase I and other Environmental Documents any follow-up reports, authorizing the City to rely on such reports.

11.7 [INTENTIONALLY OMITTED].

11.8 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in Section 25 and elsewhere in this Agreement shall be true and correct.

11.9 Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as and when required under this Agreement.

11.10 Developer Closing Deliveries. On or prior to the Closing Date, the Developer shall have deposited the Developer Closing Deliveries in escrow with the Title Company.

If any of the conditions in this Section 11 have not been satisfied to DPD's reasonable satisfaction as of the Closing Date, the City may, at its option, upon prior written notice of at least thirty (30) days to the Developer, terminate this Agreement at any time after the expiration of such 30-day notice period, in which event this Agreement shall terminate and be null and void and neither the City nor the Developer shall have any further right, duty or obligation hereunder, except for the refund of Developer's Earnest Money and Developer's indemnification obligations under Sections 5A and 22; provided, however, that if within said 30-day notice period the Developer satisfies said condition(s) to DPD's reasonable satisfaction, then the termination notice shall be deemed to have been withdrawn. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 12. CONSTRUCTION REQUIREMENTS.

12.1 Projects. The Developer shall comply with the all applicable Laws and the terms of this Agreement with respect to any Project commenced by the Developer on the City Property or any part thereof during the Term of this Agreement, including, without limitation, the requirements of Section 9, Section 10 and Section 24 of this Agreement.

12.2 Relocation of Utilities, Curb Cuts and Driveways. Developer shall be solely responsible for and shall pay all costs associated with the construction of any Project on the City Property for: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other utility services.

12.3 City's Right to Inspect City Property. During the construction of any Project commenced during the Term of this Agreement through the date the City issues a Certificate of Completion for such Project, any duly authorized representative of the City shall have access to

the City Property upon one (1) Business Day prior notice to Developer for the purpose of determining whether Developer is constructing the Project in accordance with the terms of this Agreement and all applicable Laws.

12.4 Barricades. Prior to the commencement of any construction activity requiring barricades, Developer shall install barricades of a type and appearance reasonably satisfactory to the City and constructed in compliance with all applicable Laws. DPD shall have the right to reasonably approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades. Developer shall erect all barricades so as not to interfere with or affect any bus stop or train station in the immediate vicinity of the City Property.

12.5 Survival. The provisions of this Section 12 shall survive the Closing and be in effect throughout the Term of the Agreement.

SECTION 13. LIMITED APPLICABILITY.

Any approval given by DPD or 2FM pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department, nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the City Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the City Property or any part thereof.

SECTION 14. CERTIFICATE OF COMPLETION.

Developer shall request from the City a certificate of completion ("Certificate of Completion") upon the completion of the construction of any Project (including the demolition of the exiting improvements on the City Throop Property) during the Term of this Agreement, in accordance with this Agreement for the purpose of verifying Developer's compliance with the Employment Obligations under Section 24. The City will not issue the Certificate of Completion until (a) such Project has been fully completed in compliance with all applicable building or other permit requirements; (b) DPD's Monitoring and Compliance Unit has verified that the Project is in full compliance with the employment requirements set forth in Section 24 with respect to construction of the Project; and (c) no Event of Default (after any applicable cure period) exists.

Notwithstanding the foregoing, if the Developer constructs multiple Projects on the City Property during the term of this Agreement, and the Developer exceeds the Employment Obligations with respect to one completed Project, the Developer shall be entitled to include the completed Project with future Projects such that they are considered as a single Project for purposes of determining compliance with the Employment Obligations. However, the Developer shall not be permitted to be deficient in its compliance with the Employment Obligations for one Project based upon Developer's commitment to exceed the Employment Obligations with respect to future Projects.

Within forty-five (45) days after receipt of a written request by Developer for a Certificate of Completion for any Project completed during the Term of this Agreement, the City shall provide Developer with either the Certificate of Completion or a written statement indicating in adequate detail how Developer has failed to complete the Project in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, Developer shall resubmit a written request for

the Certificate of Completion upon compliance with the City's response. The Certificate of Completion issued with respect to any completed Project shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement with respect to Developer's obligations hereunder relating to the construction of such Project on the City Property. The Certificate of Completion shall not, however, constitute evidence that Developer has complied with any Laws relating to the construction and operation of any Project, and shall not serve as any "guaranty" by the City or any of its departments as to the quality of the construction of any Project. No Certificate of Completion shall release the Developer from its obligations to comply with the other terms, covenants and conditions of this Agreement.

SECTION 15. RESTRICTIONS ON USE OF CITY PROPERTY.

The Developer, for itself and its successors and assigns, agrees as follows:

15.1 The Developer shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the City Property or any Project or any part thereof.

15.2 Developer shall construct any Project on the City Property in accordance with this Agreement, and all Laws and covenants and restrictions of record.

The Developer, for itself and its successors and assigns, acknowledges and agrees that the development and use restrictions set forth in this Section 15 constitute material, bargained-for consideration for the City and are intended to further the City's public policies.

SECTION 16. CONDITIONS TO DEVELOPER OBLIGATION TO CLOSE. The obligations of the Developer under this Agreement are contingent upon the delivery or satisfaction of each of the following items (unless waived in writing by Developer, in its sole and absolute discretion) at least three (3) days prior to the Closing Date, unless another time period is specified below:

16.1 Representations and Warranties. On the Closing Date, each of the representations and warranties of the City in Section 25 shall be true and correct in all material respects.

16.2 Other Obligations. On the Closing Date, the City shall have performed all of the other covenants and obligations required to be performed by the City under this Agreement in all material respects.

16.3 Title to the City Properties. The Title Company shall be committed to issue at the Closing with respect to each of the City Throop Property and the City Wentworth Property, an original extended coverage ALTA 2006 owner's title insurance policy in the amount of the Throop Property Purchase Price and the Wentworth Property Purchase Price, respectively, subject only to the Permitted Exceptions, as applicable for each of the City Throop Property and City Wentworth Property.

16.4 No Leases or Tenancies; Vacant. As of the Closing Date, the City Property shall be vacant and free from any leases or tenancies whatsoever.

16.5 Decommissioning of Fuel Station. As of the Closing Date, the City shall have removed the Fuel Station from active service by removing the compressor and pumps, capping the fuel lines, removing all fuel from the existing fuel tanks and timely notifying the Illinois State Fire Marshal that the Fuel Station is no longer in active service. The City will not be obligated to perform any other work in connection with the removal of the Fuel Station from active service, including, without limitation, the removal of any existing fuel tanks servicing the existing fueling station.

16.6 City Closing Deliveries. On or prior to the Closing Date, the City shall have deposited the City Closing Deliveries in escrow with the Title Company.

If any of the conditions in this Section 16 have not been satisfied to Developers reasonable satisfaction as of the Closing Date, the Developer may, at its option, terminate this Agreement and Developer shall be entitled to a return of the Earnest Money and all obligations under this Agreement shall terminate except for those that survive the Closing. Notwithstanding the foregoing, if a condition precedent to Developer's obligations to close shall fail by virtue of a default by City of an express obligation under this Agreement, then Developer reserves its rights under Section 20.6 of this Agreement on account of such default.

SECTION 17. PROHIBITION AGAINST SALE OR TRANSFER OF CITY WENTWORTH PROPERTY .

Until the completion, as evidenced by the issuance of Certificates of Completion therefor, of a Project or Projects containing in the aggregate at least _____ square feet of occupiable space on the City Wentworth Property, Wentworth Developer may not, without the prior written consent of the DPD and 2FM, which consent shall be in DPD's and 2FM's sole and absolute discretion, directly or indirectly sell, transfer, convey, lease (or otherwise dispose of the City Wentworth Property or any part thereof or any interest therein (including, without limitation, a transfer by assignment of any beneficial interest under a land trust); provided, however, for the purposes of financing (through debt or equity) a Project or Projects on the City Wentworth Property, Wentworth Developer shall have the right, without obtaining the prior written consent of the DPD and 2FM, to sell, transfer, convey, lease or otherwise dispose of an indirect partial beneficial interest in the City Wentworth Property, provided Wentworth Developer retains control.

SECTION 18. MORTGAGES AND OTHER LIENS; MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

18.1 The Developer may obtain acquisition financing, construction financing and such other financing as may be necessary in connection with the Project that would create an encumbrance on the City Property.

18.2 Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete any Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 19 and, at the Closing, shall execute a subordination agreement. If any such mortgagee or its affiliate succeeds to the Developer's interest in the City Property (or any portion thereof) prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the City Property (or any portion thereof) to another party, such transferee shall be obligated to complete the Project (or such portion of the Project located on the land so transferred), and shall also be bound by the other covenants running with the land specified in Section 19.

SECTION 19. COVENANTS RUNNING WITH THE LAND.

The Developer agrees, and the Deed shall so expressly provide, that the covenants, agreements, releases and other terms and provisions contained in Section 15 (Restrictions on Use of City Property), Section 17 ((Prohibition Against Sale or Transfer of City Wentworth Property), and Section 23.2 (Release and Indemnification), touch and concern and shall be appurtenant to and shall run with the City Property. Such covenants, agreements, releases and other terms and provisions shall be binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 18 above as to any mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. Such covenants, agreements, releases and other terms and provisions shall terminate as follows: Section 15.2 upon the issuance of the Certificate of Completion; Section 17, in accordance with the terms thereof; and Sections 15.1 and 23.2 with no limitation as to time.

SECTION 20. PERFORMANCE AND BREACH.

20.1 Time of the Essence. Time is of the essence in Developer's performance of its obligations under this Agreement.

20.2 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" after the expiration of any applicable cure period under this Agreement:

(a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement in any material respect;

(b) [INTENTIONALLY OMMITTED]

(c) the making or furnishing by Developer of any warranty, representation, statement, certification, schedule or report to the City (whether in this Agreement an Economic Disclosure Statement, or another document) which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of any lien or other encumbrance upon the City Property or any part thereof which is not removed by the Developer within sixty (60) days, provided Developer is diligently pursuing a cure of the same and during such period, and any action to foreclose, levy, seize or attach the City Property is and remains suspended;

(e) the commencement of any proceedings in bankruptcy by or against any Developer for the liquidation or reorganization of Developer, or Developer's admission in writing of its inability to pay its debts as they mature, or for the readjustment or arrangement of any Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing, for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of any Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against Developer which is related to the City Property and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under any Lender Financing secured by a mortgage encumbering the City Property, which default is not cured within any applicable cure period; and

(i) the dissolution of Developer.

20.3 Cure. If Developer defaults in the performance of its obligations under this Agreement, Developer (or its partners or members) shall have thirty (30) days after written notice of default from the City to cure the default (the "Initial Cure Period"), provided that if such default is of a nature as to not be reasonably susceptible to being cured within such Initial Cure Period, and, provided that the Developer has commenced the cure of such default within the Initial Cure Period, and thereafter diligently pursues such cure to completion, the Developer shall have such longer period as shall be reasonably necessary to cure such default (the "Extended Cure Period"), and the City shall take no action during such Initial Cure Period or, as applicable, Extended Cure Period. If the Developer (or its partners or members) does not cure such default within the Initial Cure Period or, as applicable, Extended Cure Period, then the City shall have available all remedies set forth in this Agreement and at law and equity. Notwithstanding the foregoing or any other provision of this Agreement to the contrary:

(a) there shall be no notice requirement and no cure period (initial or extended) with respect to Events of Default described in Section 5 (with respect to Outside Closing Date); and

(b) there shall be no notice requirement and no cure period (initial or extended) with respect to Events of Default described in Section 17 (Limitation Upon Encumbrance of City Wentworth Property), and Section 29.5 (Prohibition on Certain Contributions Pursuant to Mayoral Executive Order No. 2011-4).

20.4 City's Remedies Prior to Closing. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 20.3 above, the City may terminate this Agreement and retain the Earnest Money as liquidated damages and enforce any obligations that are expressly deemed to survive the termination or expiration of this Agreement.

20.5 City's Remedies After Closing. If an Event of Default occurs after the Closing but prior to expiration of the Term of this Agreement, and the default is not cured in the time period provided for in Section 20.3 above, the City shall have the right to exercise all rights and remedies available to the City at law or in equity. City waives any claims against the Developer for special, consequential, punitive or exemplary damages.

20.6 Default by City/Developer's Remedies. If the City defaults under the terms of this Agreement, the Developer's exclusive remedies hereunder shall be to either (A) terminate this Agreement and receive the return of its Earnest Money; or (B) elect to enforce, by an action for specific performance, this Agreement. Developer waives any claims against the City for direct, punitive or consequential damages.

SECTION 21. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, its Affiliates, this Agreement or the City Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement, which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer, its Affiliates, or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer, its Affiliates, or any successor in interest or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 22. INDEMNIFICATION.

Developer agrees to indemnify, defend and hold the City and the other City Parties harmless from and against any Losses suffered or incurred by the City Parties arising from or in connection with: (a) the failure of Developer to perform its obligations under this or Agreement; (b) the failure of Developer or its Agents or Affiliates to pay contractors, subcontractors or material suppliers in connection with the performance of its inspections, testing and evaluation of the City Property pursuant to Section 5A; (c) any material misrepresentation or omission made by Developer or its Agents or Affiliates; or (d) any activity undertaken by Developer or its Agents or Affiliates on the City Property prior to Closing. The indemnifications provided hereby shall survive the Closing and the expiration of the Term of this Agreement or any sooner termination of this Agreement.

SECTION 23. CONDITION OF THE CITY PROPERTY.

23.1 "AS IS" SALE. THE DEVELOPER ACKNOWLEDGES THAT IT WILL HAVE ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE CITY PROPERTY AND, SUBJECT TO DEVELOPER'S RIGHT TO TERMINATE THIS AGREEMENT IN ACCORDANCE WITH SECTION 5, ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE CITY PROPERTY AND ALL IMPROVEMENTS COMPRISING ANY PART OF THE CITY PROPERTY. THE DEVELOPER AGREES, SUBJECT TO DEVELOPER'S RIGHT TO TERMINATE THIS AGREEMENT IN ACCORDANCE WITH SECTION 5, TO ACCEPT THE CITY PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE CITY PROPERTY OR THE SUITABILITY OF THE CITY PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS INSPECTION, TESTING, EVALUATION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO.

THE DEVELOPER AGREES THAT IT IS DEVELOPER'S SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM ANY DEMOLITION OF EXISTING IMPROVEMENTS SITUATED ON AND COMPRISING A PART OF THE CITY PROPERTY, PERFORM ANY REMEDIATION WORK NECESSARY TO SATISFY THE REQUIREMENTS OF ENVIRONMENTAL LAWS, SECURE ALL REQUIRED ZONING AND OTHER GOVERNMENTAL APPROVALS (EXCLUSIVE OF THE VACATION OF THE THROOP ALLEY) AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE CITY PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

23.2 Environmental Remediation. Prior to commencement of construction of a Project on any portion of the City Property (each such portion, a "Project Parcel"), the Developer agrees that it will perform environmental tests and studies sufficient to evaluate existing or potential environmental issues on the Project Parcel. The City, acting through 2FM, shall have the right to review in advance and approve the adequacy of the environmental tests and studies, which approval shall not be unreasonably withheld. If the environmental tests and studies disclose the presence of contaminants exceeding Remediation Objectives, the Developer, with the assistance and cooperation of, but at no cost or expense to, the City, shall enroll the Project Parcel in the IEPA's SRP Program and take all necessary and proper steps to obtain IEPA approval of a Remedial Action Plan ("RAP") for the Project Parcel. The Developer acknowledges and agrees that it may not commence construction on the Project Parcel until the IEPA issues, and 2FM approves, the RAP. After 2FM approves the RAP for the Project Parcel, the Developer covenants and agrees to complete the Remediation Work and diligently pursue the Final NFR Letter for the Project Parcel using all reasonable means. The City shall have the right to review in advance and approve all SRP documents and any changes thereto. The Developer shall cooperate and consult with the City at all relevant times with respect to environmental matters. The Developer shall bear sole responsibility at Developer's cost and expense for all aspects of the Remediation Work. The Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies. The Developer acknowledges and agrees that the City will not issue a Certificate of Completion for the applicable Project until the IEPA has issued, and the City has approved, a Final NFR Letter for the Project Parcel, which approval shall not be unreasonably withheld.

23.3 Release and Indemnification. The Developer, on behalf of itself, its Affiliates and its officers, directors, employees, Agents, successors, and assigns (collectively, the "Releasing Parties"), hereby release, relinquish and forever discharge the City and the other City Parties from and against any and all Losses which the Releasing Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the City Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the City Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the City Property or the migration of Hazardous Substances from or to other property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any Losses arising under CERCLA, and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the City Property or any improvements, facilities or operations located or formerly

located thereon (collectively, "Released Claims"). Furthermore, the Developer shall defend, indemnify, and hold the City Parties harmless from and against any and all Losses which may be made or asserted by any third parties arising out of or in any way connected with, directly or indirectly, any of the Released Claims.

23.4 Release Runs with the Land. The covenant of release in Section 23.3 with respect to the Released Claims shall run with the City Property, and shall be binding upon all successors and assigns of the Developer with respect to the City Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the City Property under or through the Developer or its Affiliates following the date of the Deed or Deeds. The Developer acknowledges and agrees that the foregoing covenant of release with respect to the Released Claims constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the City Property to the Developer pursuant to this Agreement. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or the Releasing Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the City Property, neither the Developer nor the Releasing Parties will assert that those obligations must be satisfied in whole or in part by the City because this Section 23 contains a full, complete and final release of all such Released Claims.

23.5 Survival. This Section 23 shall survive the Closing or the expiration of the Term of this Agreement or any sooner termination of this Agreement (regardless of the reason for such termination).

SECTION 24. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

24.1 Employment Opportunity. Developer agrees, and shall contractually obligate its various contractors, subcontractors and any Affiliate of Developer operating on the City Property during the Term of this Agreement, (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the development and construction of any Project commenced on any part of the City Property:

(a) Neither Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code, as amended from time to time (the "Human Rights Ordinance"). Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, Developer and each Employer shall (i) present opportunities for training and employment of low and moderate income residents of the City, and (ii) provide that contracts for work in connection with the design, development and construction of any Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) Developer, in order to demonstrate compliance with the terms of this Section 24.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the design, development and construction of any Project on the City Property, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the City Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 24.1 shall be a basis for the City to pursue remedies against Developer under the provisions of Section 20.

24.2 City Resident Employment Requirement.

(a) Developer agrees, and shall contractually obligate each Employer to agree, that during the development and construction of any Project on any part of the City Property commenced during the Term of this Agreement, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the

construction of the Project. Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that Developer or the Employer hired the employee should be written in after the employee's name.

(f) Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DPD, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of a Certificate of Completion for any Project constructed during the term of this Agreement.

(g) At the direction of DPD, Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 24.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 20.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Construction Budget for any Project constructed during the Term of this Agreement shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) Developer shall cause or require the provisions of this Section 24.2 to be included in all construction contracts and subcontracts related to the construction of any Project on the City Property commenced during the Term of this Agreement.

24.3 Developer's MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of any Project on the City Property commenced during the Term of this Agreement:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 24.3, during the course of construction of the Project, at least 26% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 6% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 24.3 only:

(i) Developer (and any party to whom a contract is let by Developer in connection with any Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with any Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on any Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on a Project by the MBE or WBE); by Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of a Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of a Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 24.3. In accordance with Section 2-92-

730, Municipal Code, Developer shall not replace or substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the construction of any Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of such Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of any Project for at least five (5) years after completion of such Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on prior notice of at least five (5) Business Days, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of such Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 24.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

24.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the commencement of any Project on the City Property during the Term of this Agreement, Developer and Developer's general contractor and all major subcontractors shall meet with DPD monitoring staff regarding compliance with all Section 24 requirements. During this pre-construction meeting, Developer shall present its plan to achieve its obligations under this Section 24, the sufficiency of which shall be subject to approval by the City's monitoring staff. During the construction of any Project on the City Property, Developer shall submit all documentation required by this Section 24 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of such Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 24, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to Developer to halt construction of such Project, or (y) seek any other remedies against Developer available at law or in equity.

SECTION 25. REPRESENTATIONS AND WARRANTIES.

25.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer represents, warrants and covenants to the City that the following are true, accurate and complete in all respects:

(a) Developer is a limited liability company, duly organized, validly existing and in good standing under the laws of the State of Illinois, has made all filings required by the laws of the State of Delaware in respect of its formation and continuing existence, and has all requisite authority to carry on its business as described in its organizational documents and to execute and deliver, and to consummate the transactions contemplated by, this Agreement, and the persons signing this Agreement on behalf of Developer have the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statements submitted to the City by the Developer (including as relates to any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement by which it or the City Property is bound.

(d) No action, litigation, investigation or proceeding of any kind is pending or threatened against Developer, by or before any court, governmental commission, board, bureau or any other administrative agency which could: (i) materially affect its ability to perform its obligations hereunder; or (ii) materially affect its operation or financial condition, and Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) materially affect its ability to perform its obligations hereunder; or (ii) materially affect its operation or financial condition.

(e) Developer is now and for the term of the Agreement shall remain solvent and able to pay its debts as they mature.

(f) Developer has and shall obtain and maintain all Governmental Approvals (including, without limitation, appropriate environmental approvals but excluding vacation of the Throop Alley), required to conduct its business, acquire and own the City Property and to construct, complete and operate any Project to be developed on the City Property during the term of this Agreement.

(g) Developer is not in default with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which it is a party or by which it is bound.

(h) All Projects developed, constructed and operated on the City Property during the Term of this Agreement will comply with: (i) any applicable Laws, including, without limitation, any zoning and building codes and Environmental Laws; and (ii) any building permit, restriction of record or other agreement affecting the City Property.

25.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform their obligations hereunder, the City hereby represents and warrants to the Developer that the following are true, accurate and complete in all material respects

(a) The City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

(b) To the best knowledge of the City, there is no condemnation, eminent domain or similar proceeding against the City Property.

25.3 Survival of Representations and Warranties. The City and Developer agrees that all warranties, representations, covenants and agreements contained in this Section 25 and elsewhere in this Agreement are true, accurate and complete as of the Effective Date and shall survive the Effective Date and be in effect throughout the Term of the Agreement.

SECTION 27. BUSINESS RELATIONSHIPS.

Developer acknowledges (a) receipt of a copy of Section 2-156-030(b) of the Municipal Code, (b) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Developer hereby represents and warrants that no violation of Section 2-145-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 28. PATRIOT ACT CERTIFICATION.

Developer represents and warrants that neither it nor any Affiliate thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

SECTION 29. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

29.1 Developer agrees that it, any person or entity who directly or indirectly has an ownership or beneficial interest in it of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, its contractors (i.e., any person or entity in direct contractual privity with it regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

29.2 Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached it, or the date it approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

29.3 Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

29.4 Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

29.5 Notwithstanding anything to the contrary contained herein, Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 29 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole and absolute discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

29.6 If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement and terminate this Agreement.

29.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;
(B) joint credit account;
(C) a joint checking account;
(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

SECTION 30. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code.

SECTION 31. [INTENTIONALLY OMITTED].

SECTION 32. CITY HIRING PLAN PROHIBITIONS.

32.1 The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois) (the "Shakman Accord"). Among other things, the City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

32.2 The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel engaged by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel engaged by the Developer.

32.3 The Developer will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

32.4 In the event of any communication to Developer by a City employee or City official in violation of Section 32.2 above, or advocating a violation of Section 32.3 above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by OIG Hiring Oversight.

SECTION 33. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by any Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated thereby. The Developer shall at all times comply with Section 2-154-020 of the Municipal Code.

SECTION 34 BROKER AND REAL ESTATE COMMISSIONS.

The City and Developer each warrant and represent to the other that, other than Cushman Wakefield (the "Broker"), neither has had any dealings with any other broker, agent or finder relating to the sale of the City Property or the other transactions contemplated hereby, and each agrees to indemnify, defend and hold the other harmless from and against any claim for brokerage commissions, compensation or fees by any broker, agent or finder in connection with the sale of the City Property or the other transactions contemplated hereby resulting from the acts of the indemnifying party. The City agrees to pay any and all commissions due to Broker in connection with the sale of the City Property or the other transactions contemplated hereby and to indemnify, defend and hold Developer and its Affiliates harmless from and against any claim for brokerage commissions by Broker.

SECTION 35. CONDEMNATION.

If, prior to Closing, all or any portion of the City Property is taken or made subject to condemnation, eminent domain or other governmental acquisition proceedings (each and all referred to as a "Governmental Taking"), then the following provisions shall apply:

A. If, in Developer's reasonable judgment, the Governmental Taking does not adversely affect Developer's ability to use the City Property for Developer's intended use, then Developer shall close and acquire the City Property, as diminished by the Governmental Taking, for the full amount of the Purchase Price, subject to an assignment of the City's interest in any condemnation proceeds due to such Governmental Taking. The City shall fully cooperate with Developer in causing all such condemnation proceeds to be transferred and paid over to Developer.

B. If, in Developer's reasonable judgment, the Governmental Taking does adversely affect Developer's ability to use the City Property for Developer's intended purpose, then Developer, at its sole option, may, by written notice to the City within thirty (30) days following the commencement of such Governmental Taking, elect either to: (i) terminate this Agreement by written notice to the City and receive an immediate return of the Earnest Money and neither party shall have any further liability to the other hereunder, except as otherwise expressly provided in this Agreement; or (ii) proceed to close on the purchase of the City Property for the full amount of the Purchase Price, subject to an assignment of the City's interest in any condemnation proceeds due to such Governmental Taking.

SECTION 36. MISCELLANEOUS.

The following general provisions govern this Agreement:

36.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

36.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

36.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next Business Day.

36.4 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

36.5 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

36.6 Force Majeure. Notwithstanding any provision contained herein to the contrary, neither the City nor the Developer shall be considered in breach of its (or their) obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

36.7 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

36.8 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

36.9 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

36.10 No Waiver. (a) No waiver by the City with respect to any specific default by Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

(b) No waiver by the Developer with respect to any specific default by City shall be deemed to be a waiver of the rights of the Developer with respect to any other defaults of the City, nor shall any forbearance by the Developer to seek a remedy for any breach or default be deemed

a waiver of its rights and remedies with respect to such breach or default, nor shall the Developer be deemed to have waived any of its rights and remedies unless such waiver is in writing

36.11 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

36.12 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

The recitals set forth above constitute an integral part of this Lease and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. GRANT

Landlord hereby leases to Tenant the Premises as described in the first recital above.

SECTION 3. TERM

The term of this Lease ("Term") shall commence on the Commencement Date, and shall end on December 31, 2022, unless sooner terminated as set forth in this Lease.

SECTION 4. RENT, TAXES, AND UTILITIES

4.1 Rent. Tenant shall pay base rent for the Premises in the amount of One Dollar ($1.00) for the entire Term, with the receipt and sufficiency of said sum hereby acknowledged by both parties. 4.3 Taxes and Other Levies. Tenant acknowledges that the Premises are exempt from real estate taxes. Tenant shall pay when due any real estate or leasehold taxes, interest, or penalties assessed or levied on the Premises as a result of Tenant's occupancy of the Premises. Tenant shall contact the appropriate taxing body to ascertain the tax amount assessed on the subject Premises, if any, that are to be assessed on the Premises as a result of Tenant's occupancy. Tenant shall pay such amounts and Tenant shall provide Landlord with proof of payment in full within ten (10) days of such payment. Tenant's failure to pay any such taxes, interest, or penalties shall constitute a default under this Lease. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or taxes, interest, or penalties levied against the Premises. The failure of Tenant to pay such taxes, interest, or penalties during the pendency of the contest shall not constitute a default under this Lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Lease.

4.4 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of Rent or other costs due hereunder shall be deemed to be other than on account of the amount due. No endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. 5.2 Tenant's Duty to Maintain Premises and Right of Access. Tenant shall, at Tenant's expense, keep the Premises in a condition of thorough repair and good order, and in compliance with all applicable provisions of the Municipal Code of Chicago, including but not limited to those provisions in Title 13 ("Building and Construction") and Title 15 ("Fire Prevention") and all applicable provisions of the Landscape Ordinance of the City of Chicago. If Tenant shall refuse or neglect to make needed repairs within thirty (30) days after written notice thereof sent by Landlord, unless such repair cannot be remedied within (30) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will promptly and within thirty (30) business days of demand reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this Lease by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that except in the case of emergencies, Landlord shall first give notice to Tenant of Landlord's desire to enter the Premises and Landlord will schedule its entry so as to minimize any interference with Tenant's use of Premises.

5.3 Use of the Premises. Tenant covenants that Tenant shall use the Premises strictly as a community center. Tenant shall not use the Premises in a manner that would violate any law. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises, disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof. In addition, Tenant covenants that Tenant shall not use said Premises for any other political functions or for religious activities of any sort. The activity contemplated under this Lease does not contemplate use of the Premises for parking. Tenant shall not operate the Premises for parking purposes or in a manner that would cause the Premises to be deemed a "Competing Parking Facility" under the Chicago Metered Parking System Agreement dated December 4, 2008, as amended on June 5, 2013, by and between the City of Chicago and Chicago Parking Meters, LLC.

5.4 Alterations and Additions. Tenant may not make any alterations, additions and/or improvements to the Premises without the prior written consent of Landlord's Commissioner of the Department of Fleet and Facility Management.

SECTION 6. ASSIGNMENT, SUBLEASE, AND LIENS

6.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet the Premises or any part thereof, without Landlord's prior written consent.

6.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of the Landlord in and to the Premises, nor shall the interest or estate of the Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant any claim to, or lien upon, the Premises arising from any act or omission of

Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may, but is not obligated to, pay and satisfy same, and all sums so paid by Landlord, with interest from the date of payment at the rate set at 12% per annum.

SECTION 7. INSURANCE AND INDEMNIFICATION

7.1 Insurance. The Tenant shall procure and maintain at all times, at Tenant's own expense, during the Term of this Lease, the insurance coverages and requirements specified below, insuring all operations related to this Lease. The kinds and amounts of insurance required are as follows:

a) Workers Compensation and Employers Liability Insurance. Workers Compensation as prescribed by applicable law, covering all employees who have access to the Premises under this Lease, and Employer's Liability Insurance with limits of not less than $500,000 each accident, illness or disease.

b) Commercial Liability Insurance. (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than $2,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago, its employees, elected officials, agents, and representatives shall be named as additional insureds under the policy. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Tenant's sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than $2,000,000 per occurrence, for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

The Tenant shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Tenant.

7.2 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the Lease. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. The Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and Landlord retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

Tenant shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced Tenant insurance coverages shall be borne by Tenant.

Tenant hereby grants to Landlord a waiver of any right of subrogation which any insurer of Tenant may acquire against Landlord by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit Tenant's liabilities and responsibilities specified within this Lease or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by Landlord shall not contribute with insurance provided by Tenant.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of this Lease.

7.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of Tenant's contractors, respective officers, directors, agents, or employees. This Section shall survive the expiration or termination of this Lease.

SECTION 8. DAMAGE OR DESTRUCTION

If the Premises are damaged, destroyed, or sustain a casualty to such extent that Tenant cannot continue, occupy or conduct its normal business therein, or if, in Landlord's opinion or Tenant's opinion, the Premises are rendered unusable, either Landlord or Tenant shall have the option to declare this Lease terminated as of the date of such damage or destruction by giving the other party five (5) days written notice to such effect.

SECTION 9. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

9.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises; nor shall any such official, employee, or member participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

9.2 Duty to Comply with Governmental Ethics Requirements. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract, as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

SECTION 10. HOLDING OVER

Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning on January 1, 2023. During such holding over all provisions of this Lease shall remain in full force and effect.

SECTION 11. MISCELLANEOUS

11.1 Notice. All notices, demands and requests which may be or are required to be given, demanded or requested by either party to the other shall be in writing. Any notice, demand or request which shall be served upon Tenant by Landlord, or upon Landlord by Tenant, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

11.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

11.3 Governing Law. This Lease shall be construed and be enforceable in accordance with the laws of the State of Illinois.

11.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Lease. This Lease contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

11.6 Binding Effect of Lease. The covenants, agreements, and obligations contained in this Lease shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns.

11.7 Time is of the Essence. Time is of the essence of this Lease and of each and every provision hereof.

11.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Lease shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

11.9 Authorization to Execute Lease. The parties executing this Lease hereby represent and warrant that they are duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this Lease, it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

11.12 Amendments. From time to time, the parties hereto may administratively amend this Lease with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of this Lease. Provided, however, that such Amendment(s) shall not serve to extend the Lease Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such Amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such Amendment(s) shall only take effect upon execution by both parties. Upon execution, such Amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

11.16 Lease Construction. This Lease has been prepared by Landlord and reviewed and approved by Tenant. This Lease shall not be interpreted against either Landlord or Tenant because of the parties' mutual efforts to finalize this Lease.

SECTION 12. ADDITIONAL RESPONSIBILITIES OF TENANT

12.1 Snow Removal. Tenant shall provide and pay for prompt removal of snow and ice from the Premises and sidewalks that immediately abut the Premises. Tenant acknowledges that Landlord shall not have any responsibilities relative to snow or ice removal on the Premises and/or the sidewalks that immediately abut the Premises.

12.2 Debris and Weed Removal. Tenant agrees to clear debris and to remove weeds, so as not to let debris sit or accumulate on the property or to allow weeds to grow on the Premises or around the sidewalks abutting the Premises. Tenant acknowledges that Landlord shall not have any responsibilities relative to debris removal or weed removal on the Premises and/or the sidewalks that immediately abut the Premises.

12.3 No Alcohol or Illegal Drugs. Without exception, Tenant shall not permit the consumption of alcoholic beverages of any kind on the Premises. Tenant shall not permit the use of any illegal drugs of any nature on the Premises.

12.5 Illegal Activity. Tenant, or any of its agents or employees, shall not perform or permit any practice that is injurious to the Premises, is illegal, or increases the rate of insurance on the Premises.

12.6 Hazardous Materials. Tenant shall keep out and off of the Premises materials which cause a fire hazard or safety hazard and shall comply with reasonable requirements of Landlord's risk management department as may be requested from time to time. Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances thereto.

12.7 No Religious or Political Use. Tenant shall not allow the Premises to be used for any religious or political purposes as set forth in Section 5.3 and this Section 12.9.

12.8 No Fees. Tenant shall not charge a fee to any staff, or other invitee for use of, or access to, the Premises.

12.9 Required Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Landlord's Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a breach of the terms of this Lease. Tenant acknowledges that this Lease shall not act as a substitute for any permit that may be required.

12.10 Non-Discrimination. Tenant agrees that Tenant shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Premises or any part thereof.

12.11 Repairs for Tenant Negligence, Vandalism, or Misuse. Tenant shall assume all responsibility for any repairs to the Premises necessitated by the negligence, vandalism, or misuse of the Premises or equipment therein by Tenant's employees, invitees, agents, contractors or third parties. Tenant may perform such repairs with service providers suitable to Landlord and at Tenant's sole cost without further setoff or deduction from Landlord. In the event Tenant is unwilling or unable to perform said repairs, Landlord may perform such repairs subject to full reimbursement to Landlord by Tenant of all costs required for such repairs including, but not limited to, labor and material associated with such repairs.

12.12 No Other Rights. This Lease does not give Tenant any other right with respect to the Premises. Any rights not specifically granted to Tenant by and through this Lease are reserved exclusively to Landlord. Execution of this Lease does not obligate Landlord in any manner not specified in this Lease and Landlord shall not undertake any additional duties or services.

12.13 Security. Tenant is responsible for property securing the Premises during the Term.

12.14 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's staff, Tenant's agents, or Tenant's invitees, or any third parties entering the Premises.

12.15 Condition at Termination. Upon the termination of this Lease, Tenant shall surrender the Premises to the Landlord in the same or better condition to the condition of the Premises at the beginning of Tenant's occupancy of the Premises. Tenant shall remove all equipment and/or materials placed on the Premises by Tenant or anyone acting by or under Tenant. Said removal shall be without cost to Landlord.

12.16 Economic Disclosure Statement Affidavit ("EDS") Updates. Throughout the Term, Tenant shall provide Landlord with any material updates to the information previously

submitted in Tenant's Economic Disclosure Statement and Affidavit ("EDS"). Landlord may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Lease.

12.17 Tenant Default. Tenant must adhere to all provisions of this Lease. Failure of Tenant to adhere to all provisions of this Lease will result in default. Notwithstanding any provision in this Lease to the contrary, in the event of such default, Landlord will notify Tenant in writing as to the circumstances giving rise to such default. Upon written receipt of such notice, Tenant must cure such default within ten (10) business days. If Tenant does not cure such default within ten (10) business days, Landlord may cancel this Lease with five (5) days written notice.

SECTION 13. TENANT DISCLOSURES AND REPRESENTATIONS

13.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

13.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

13.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Lease by Tenant, (ii) while this Lease or any Other Contract is executory, (iii) during the Term of this Lease or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to lease the Premises to Tenant or to terminate the Lease after execution.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of

this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Planning and Development. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

13.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

13.6 Cooperation with Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code of Chicago. Tenant understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago.

13.7 2014 Hiring Plan Prohibitions.

1. The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

2. Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire any individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by the City or City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

3. Tenant will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions,

promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

4. In the event of any communication to Tenant by a City employee or City official in violation of paragraph 2 above, or advocating a violation of paragraph 3 above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by OIG Hiring Oversight.

IN WITNESS WHEREOF, the parties have executed this Lease as of the day and year first above written.

WHEREAS, On Tuesday, September 5, 2017, President Donald Trump ordered an end to the program known as Deferred Action for Childhood Arrivals, or DACA. Congress is being given six months to determine the legal status and ultimate fate of 800,000 immigrants, known as "Dreamers", who were brought into the United States as children, and who are eligible under the existing DACA program, to apply for temporary residence in the United States; and

WHEREAS, A compromise devised by the Obama Administration after Congress failed to pass the bipartisan Development, Relief and Education for Alien Minors (DREAM) Act, which would have offered eligible immigrant children the chance of permanent legal residency in the United States, the DACA program, established by Executive Order on June 15, 2012, offers temporary residence status to these children, and protection from immediate deportation, if certain conditions are met; and

WHEREAS, An undocumented immigrant is eligible to claim DACA status if, as of June 15, 2012, the individual was under the age of 31, came to the United States before turning age 16, lived continuously in the United States for five years since June 15, 2007, and either has a high school diploma or GED certification, or has been honorably discharged from the military or is currently enrolled in school. Applicants for DACA status are fingerprinted and rigorously vetted by the Department of Homeland Security for any criminal history or threat to national security. If the applicant passes the vetting, action to deport the person is deferred for a period of two years, with an opportunity to renew the deferral, and the individual becomes eligible for basics such as a driver's license, college enrollment or work permit; and

WHEREAS, To date, 787,580 individuals have qualified for DACA status. As President Obama put it when he signed the Executive Order creating the DACA program: "These are young people who study in our schools, they play in our neighborhoods, they're friends with our kids, they pledge allegiance to our flag. They are Americans in their heart, in their minds, in every single way but one on paper. They were brought to this country by their parents -- sometimes even as infants -- and often had no idea that they're undocumented until they apply for a job or a driver's license, or a college scholarship. Imagine you have done everything right your entire life -- studied hard, worked hard, maybe even graduated at the top of the class -- only to suddenly face the threat of deportation to a country you know nothing about, with a language that you may not even speak"; and

WHEREAS, In an act of faith and trust in America's promise of hope and opportunity, "Dreamers" came out of the shadows and gave their names, addresses and telephone numbers to the United States government in order to participate in the DACA program. It is heart wrenching to think that the government they trusted for help and protection would callously turn its back on their plight and use that information against them in an effort to hasten a cruel and undeserved deportation from the country that they love; and

WHEREAS, In counterpoint to these troubling developments in our nation's capital, Mayor Rahm Emanuel is calling upon Governor Bruce Rauner and the Illinois General Assembly to establish an Illinois Dreamers Bill of Rights to ensure that the State of Illinois is doing all it can to remain a welcoming place for the more than 40,000 Dreamers that

live, work and study in our great state; to amend state law to allow Dreamers to obtain the licenses and certifications they need to enter additional professions, such as health care, education, social work and real estate, and to remain in those professions after their DACA work permit expires; to establish a statewide legal protection fund, similar to the City's $1.3 million legal defense fund, to assist residents in navigating the immigration process; to further strengthen the Illinois Trust Act to prohibit cooperation or communication with Immigration and Customs Enforcement ("ICE") with respect to Dreamers; and to disallow local governments from exempting themselves from these new Dreamer protections; and

WHEREAS, During the difficult days ahead, Mayor Emanuel and the City of Chicago want all of its Dreamers to know that: "You are welcome here in Chicago and in our schools". Our STAR Scholarship will always be open to dreamers, and students with a "B" average can attend community college at no cost. "Keep dreaming big" because "Chicago will always be a welcoming City of Chicago"; now, therefore,

Be It Resolved, That we, the Mayor, the members of the Latino Caucus and the other members of the City Council of the City of Chicago, with the staunch support of City Clerk Valencia, assembled this sixth day of September 2017, do hereby urge President Donald J. Trump and the Congress of the United States, and our state and local leaders, in keeping with the highest and best traditions of our constitutional democracy, to acknowledge and accept the moral imperative of lifting from the shoulders of these innocent victims of circumstance the burden of fear of deportation, and to provide our nation's Dreamers with continued temporary relief from deportation, and, ultimately, a path to permanent citizenship; and

Be It Further Resolved, That suitable copies of this resolution be presented to President Donald J. Trump and to the Illinois Delegation to the United States Congress, and to the Governor of the State of Illinois, the President of the Illinois Senate, the Minority Leader of the Illinois Senate, the Speaker of the Illinois House of Representatives, and the Minority Leader of the Illinois House of Representatives, as a sign of our dedication to and support of this important issue.

WHEREAS, The Development, Relief, and Education for Alien Minors Act, ("DREAM Act") was first introduced in 2001 by United States Senators Richard Durbin of Illinois and Orrin Hatch of Utah in the Senate, and by Representatives Howard Berman of California and Chris Cannon of Utah in the House of Representatives; and

WHEREAS, The DREAM Act was originally introduced to provide relief to youth who reside in the country illegally through no fault of their own and are caught in a system where there is little, if any, means for legalizing their status. These smart, hard-working youth face an uncertain future because of their inability to continue their education, work, or join the military; and

WHEREAS, United States Senator Richard Durbin of Illinois, United States Senator John McCain of Arizona, and United States Senator Lindsey Graham of South Carolina most recently reintroduced the DREAM Act with bipartisanship on July 20, 2017, with some urgency because a group of 20 state attorneys general are seeking to stop the renewal or granting of temporary deportation deferrals and work permits to young immigrants through the Deferred Action for Childhood Arrivals (DACA) program; and

WHEREAS, The DREAM Act is designed to give immigrant youth an opportunity to share the American dream because they exemplify the best of the immigrant spirit and deserve an opportunity to use their skills and abilities to be successful in the country that raised them; and

WHEREAS, The DREAM Act calls for a conditional permanent residency (CPR) period to properly vet applicants for a period of eight (8) years to ensure they are of good moral character, free of convictions, and productive members of society; and

WHEREAS, DACA recipients support this bill because it provides a definite path to citizenship instead of keeping them in a state of limbo as federal administrations change; and

WHEREAS, The Migration Policy Institute publicly stated that, "the DREAM Act would create unprecedented opportunity for many young people to step onto a path... that would require them to demonstrate either significant investment in their human capital or service to the United States through membership in the armed forces"; and

WHEREAS, Reports from the American Immigration Council show a growing network of support for the DREAM Act, organizations like the National Education Association, American Association of Community Colleges, Coalition of Urban and Metropolitan Universities, National Parent Teacher Association, National Association for College Admissions Counseling, and the American Federation of Teachers have publicly supported this bill; and

WHEREAS, In September of 2009, United We Dream hosted over 100 coordinated events in 26 states to bring greater awareness of the plight of undocumented students and the need for the DREAM Act; and

WHEREAS, Chicago is home to one of the largest immigrant populations in the country, and with it, enjoy the diversity and innovation they contribute to our City; and

WHEREAS, This City Council has remained steadfast in its support of Chicago's immigrant community in general, and its youth in particular; now, therefore,

Be It Resolved, That we, the Mayor and the members of the Chicago City Council, do hereby urge the Chicago delegation of the United States House of Representatives, as well as the United States Senators from Illinois, Senator Richard J. Durbin and Senator Tammy Duckworth, to facilitate the swift passage of Senate Bill 1615; and

Be It Further Resolved, That a suitable copy of this resolution be presented to the Chicago delegation of the United States House of Representatives and the United States Senators from Illinois, Senator Richard J. Durbin and Senator Tammy Duckworth.

EXPRESSION OF OPPOSITION TO DECISION OF PRESIDENT DONALD J. TRUMP TO BAN MEMBERS OF TRANSGENDER COMMUNITY FROM MILITARY SERVICE.

[R2017-671]

The Committee on Human Relations submitted the following report:

CHICAGO, October 11, 2017.

To the President and Members of the City Council:

Your Committee on Human Relations to which was referred a resolution by Mayor Rahm Emanuel, together with City Clerk Andrea M. Valencia and various aldermen, opposing President Donald J. Trump's decision to ban members of the transgender community from serving in the military, having the same under advisement, begs leave to report and recommend that Your Honorable Body *Adopt* the proposed resolution transmitted herewith.

This recommendation was concurred in by a unanimous vote of the members of the committee present, with no dissenting votes.

Respectfully submitted,

(Signed) PAT DOWELL,
Chairman.

On motion of Alderman Ervin, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, The service and sacrifices of the members of our military guarantee the freedoms that each and every American enjoys today; and

WHEREAS, Those who answer the call to military service include persons of every race, color, religion, gender, and gender identity; and

WHEREAS, Under a decision by former Secretary of Defense Ashton Carter to lift a ban on transgender military service, for the past year transgender troops have been serving openly and have been widely praised for their service; and

WHEREAS, Transgender soldiers openly serve in the military forces of 18 of our allies around the world, including Israel and Great Britain. Our allies have noted that policies allowing the transgender community to serve in the military have benefited all service members by creating a more inclusive and diverse force; and

WHEREAS, A Rand Corporation study commissioned by the Department of Defense estimated that there are fewer than 10,000 members of our armed forces who are transgender, and concluded that allowing members of the transgender community to serve would not impact unit cohesion, operational effectiveness, or readiness; and

WHEREAS, Notwithstanding the willingness of these transgender troops to voluntarily defend the freedoms we all hold dear, President Donald J. Trump decided, on the 69th anniversary of President Truman's order to integrate the military, that these soldiers can no longer serve in our armed forces; and

WHEREAS, This arbitrary decision by the President will result not only in a tragic personal blow to our transgender service members, but also a substantial professional loss to our military; and

WHEREAS, There is no evidence to suggest that the contributions of transgender service members are any less valuable to the defense of our nation than those of other members of the military; and

WHEREAS, Service by members of the transgender community has no negative impact on our military's ability to achieve decisive and overwhelming victory; and

WHEREAS, President Trump's decision to ban transgender persons from the armed forces is another anachronistic, divisive, and discriminatory policy that does nothing to enhance the safety and security of the United States; and

WHEREAS, Not only does President Trump's latest announcement continue his campaign to attack vulnerable populations and contradict his 2016 campaign promise to be a strong defender of the LGBT community, it weakens us as a nation; and

WHEREAS, Any American who seeks to selflessly serve our country in uniform should have the opportunity to answer the call to service, regardless of whether they are transgender; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council assembled this 26th day of July 2017, condemn the arbitrary, divisive, and discriminatory decision by President Donald J. Trump to ban members of the transgender community from serving in the United States military; and

Be It Further Resolved, That suitable copies of this resolution be delivered to President Donald J. Trump, Secretary of Defense James Mattis, Senate Armed Services Committee Chairman John McCain, and House Armed Services Committee Chairman Mac Thornberry.

Landscaping shall be installed in accordance with the Landscape Plans for the various phases of development and maintained in accordance with the parkway tree planting and parking lot landscaping provisions of the Chicago Zoning Ordinance.

10. For purposes of floor area ratio ("FAR") calculations, the definitions in the Chicago Zoning Ordinance in effect as of the date hereof shall apply; provided, however, that in addition to the other exclusions from floor area for purposes of determining FAR permitted by the Chicago Zoning Ordinance, such calculations shall exclude (a) all floor area dedicated to mechanical equipment and storage areas in excess of five thousand (5,000) square feet in any single building, and (b) any floor area associated with parking and loading areas.

11. For purposes of this Planned Development, in addition to the encroachments permitted by the Chicago Zoning Ordinance, the following shall be considered permitted obstructions: steps exceeding four (4) feet in height above grade level in

any yard setback depicted on the Site Plans; balconies, provided, however, no balconies, other than those which may be installed as part of a rehabilitation of an existing building, shall project into the public way; multi-story bays projecting not more than three (3) feet into any yard; and open porches projecting not more than five (5) feet into the front or side yards.

12. Prior to issuance by the Department of Planning and Development of a determination pursuant to Section 11.11-3(b) of the Chicago Zoning Ordinance ("Part II Approval") for construction of the improvements in any phase of development subsequent to Phase I, a site plan, landscape plan and building elevations (collectively, the "Subsequent Phase Site Plan Approval Submittals") shall be submitted to the Department of Planning and Development for approval. Approval of the Subsequent Phase Improvements is intended to assure that the specific components thereof substantially conform with this Planned Development, including the Street Character Guidelines attached hereto. Subsequent Phase Improvements that contain modifications which would otherwise be considered minor changes to the Planned Development shall be deemed to be in substantial conformance therewith. No Site Plan Approval shall be required in connection with the development of the Phase I Improvements or the new construction building located in Subarea D contemplated by this amendment pursuant to this Planned Development. If the Subsequent Phase Site Plan Approval Submittals for any phase of development subsequent to Phase I substantially conform with the provisions of this Planned Development, the Department of Planning and Development shall approve same within thirty (30) days from submission thereof. Following approval thereof by the Department of Planning and Development, said Subsequent Phase Site Plan Approval Submittals, and each of them, shall be kept on permanent file with the Department of Planning and Development and shall be deemed to be an integral part of this Planned Development. After approval of the Subsequent Phase Site Plan Approval Submittals by the Department of Planning and Development for improvements in any phase of development subsequent to Phase I, the same may be changed or modified pursuant to the provisions of Statement Number 13 of this Planned Development. In the event of any inconsistency between Subsequent Phase Site Plan Approval Submittals and the terms of this Planned Development in effect at the time of approval of such Subsequent Phase Site Plan Approval Submittals or of the changes or modifications thereto, the terms of this Planned Development shall govern.

Subsequent Phase Site Plan Approval Submittals shall, at minimum, provide the following information:

(a) a site plan (including footprints of the proposed improvements);

(b) a landscape plan, including species and size of landscape material;

(c) location and depiction of all parking spaces and loading berths, including relevant dimensions;

(d) location and depiction of all drives, roadways and vehicular routes;

(e) statistical information applicable to the particular phase of development depicted, including:

(1) floor area and floor area ratio;

(2) uses to be established;

(3) building heights; And

(4) building setbacks;

(f) building elevations; and

(g) compliance with the Street Character Guidelines.

Subsequent Phase Site Plan Approval Submittals shall include such other information as may be necessary to illustrate substantial conformance with the applicable provisions of this Planned Development.

13. The terms, conditions and exhibits of this Planned Development may be modified administratively by the Commissioner of the Department of Planning and Development upon the request of the Applicant, the Affiliates or their successors, assignees or grantees and after a determination by the Commissioner that such a modification is minor, appropriate and consistent with the nature of the development of the Property contemplated herein and will not result in increasing the maximum floor area ratio for the total net site area or the maximum number of units for the total net site area established in this Planned Development. Any such modification shall be deemed a minor change in the Planned Development as contemplated by Section 11.11-3(c) of the Chicago Zoning Ordinance. Notwithstanding the provisions of Section 11.11-3(c) of the Chicago Zoning Ordinance, such minor changes may include, but are not limited to, a reduction in the minimum required distance between structures, a reduction in periphery setbacks and an increase in the maximum percent of land covered.

14. The Applicant, the Affiliates, and their successors, assignees or grantees acknowledge that it is in the public interest to design, construct and maintain all buildings in a manner which promotes and maximizes the conservation of energy resources. The Applicant and Affiliates shall use best and commercially reasonable efforts to design, construct and maintain all new buildings located within this Planned Development in an energy efficient manner, generally consistent with the most current energy efficiency standards published by the American Society of Heating, Refrigeration and Air Conditioning Engineers ("ASHRAE") and the Illuminating Engineering Society ("IES").

The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources.

The new construction building in Subarea D that is the subject of this amendment shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated for the new construction building in Subarea D and must provide documentation verifying compliance.

15. The Applicant, the Affiliates and their successors, assignees or grantees acknowledge that it is in the public interest to design, construct and maintain all buildings in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all new buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility. No approvals shall be granted pursuant to Section 11.11-3(b) of the Chicago Zoning Ordinance until the Director of MOPD has approved detailed construction drawings for each building or improvement.

16. Applicant and Affiliates acknowledges that it is in the public interest to design, construct and maintain all buildings and improvements on the Property in a manner that promotes energy efficiency and maximizes the conservation of natural resources. To promote these objectives, the Applicant and Affiliates agree to review with the Department of Planning and Development to determine if any features, materials or resources would be cost-effective to include as a part of the design, construction, and maintenance of the buildings and improvements on the Property. Cost-effectiveness shall be in the sole discretion of the Applicant and Affiliates. Provided funding is available as indicated below, this review process shall specifically include the use of computer modeling programs recommended by the Department of Planning and Development. The types of features, materials and resources that will be analyzed and considered during this process are enumerated on Exhibit 12. This listing is not intended to be exhaustive and other features, materials and resources may also be reviewed and evaluated. All features, materials or resources shall be evaluated in the context of the Home Energy Rating System. To the extent that design, construction and maintenance of any of these features, materials or resources requires supplemental funding from the City or other funding sources, design, construction or maintenance shall be subject to the receipt of such funding.

17. Design Guidelines. The improvements on the Property shall be designed, constructed and maintained in general conformance with the plans and exhibits set forth in these statements or attached hereto. In addition, the development shall be subject to the following development parameters:

    (a) Open Space: Open space shall be provided within the Planned Development in accordance with the following requirements:

Housing Type	Private Open Space (Per Unit)	Public Open Space (Per Unit) Within Planned Development	Private Open Space Or Landscape Setbacks (Per Unit)
Single-Family Detached	500 square feet	150 square feet	--
Single-Family Attached (townhouses)	200 square feet	150 square feet	--
Low-Rise Apartments Condominiums Flats (up to 4 stories)	Up to 50 percent of total open space required in column 3 may be in balconies or roofdecks	50 square feet	8 units or less -- 150 square feet More than 8 units -- 100 square feet
Mid-Rise Apartments Condominiums (5 to 8 stories)	Up to 50 percent of total open space required in column 3 may be in balconies or roofdeck	50 square feet	100 square feet
Loft Conversions	Up to 50 percent of total open space required in column 3 may be in balconies or individual unit roofdecks	50 square feet	100 square feet (may be provided in roof garden)

(b) Landscaping. The landscaping requirements for Phase I of the development will comply with the Phase I Landscape Plan attached hereto. The landscaping for all future phases of development shall substantially comply with the Street Character Guidelines and the Chicago Landscape Ordinance and associated guidelines and regulations. Landscaping for all rental properties will be varietal. Front yard beds of rental properties shall be varietal and be planted to maintain color throughout the seasons.

(c) Residential Building Design. Other than the Phase I Improvements and the new construction building located in Subarea D contemplated by this amendment, which comply with the design requirements contained herein, building elements for all future phases may include but not be limited to: entrance canopies, front stoops, stairs, flat or pitched roofs, punched windows, bay windows, upper story balcony/porches, roof terraces and architectural elements that reinforce the corner.

(1) Facades. Front facades, including end walls which front public streets or open spaces, be of brick, have windows and be ornamented with artificial stone or concrete. They shall be varied in material, roofline and window style. The front facade brick should turn the corner for a minimum of four (4) feet at the side walls. Where buildings have a greater exposure of the side facade due to an adjacent building setback, the facade brick shall return four (4) feet past the face of the adjacent facade. Side walls and rear walls should be masonry (brick or CMU), vinyl clad or split-face block. EIFS synthetic stucco or dryvit, shall be limited to architectural ornament and penthouse facades. Facades that face car courts but not public streets must contain pedestrian scale entry doors, windows and building lighting. All front facades or side facades facing a public street will contain items that create architectural rhythm such as bay windows, and brick moldings; and building projections such as cornice lines and pilasters; television reception dishes shall not be permitted thereon. Affordable housing units shall be constructed of equal quality materials, detailing and decoration so they are indistinguishable from market rate units.

(2) Dwelling Types. A variety of dwelling types including affordable housing is to be interspersed throughout the development and within individual blocks.

(3) Private Garages. Private garages may be constructed of vinyl siding, wood siding, stucco or masonry. Where a private garage is located within fifteen (15) feet of a public street, unless the facade facing the street is constructed of a material other than vinyl siding (i.e., masonry, stucco, et cetera); it shall be screened from view by plantings or fences. If plantings are utilized to screen a garage, such plantings shall provide screening on a year-round basis.

(4) Orientation Of Buildings. Buildings shall be oriented to the street, public open space or private courtyard with the primary facade and a front door, or the appearance of a front facade and front door. Any side wall facing a public street will contain materials and architectural elements that are consistent in character with primary building facades. Curb

cuts, garage doors, blank walls and rear service elements shall not face public streets or common open spaces.

(5) Retail Corner Sites. Retail corner site setbacks over five (5) feet are to be avoided.

(d) Fencing, Walls And Gates. Fencing separating the private yards from the street or common open space should be no less than seventy percent (70%) transparent and no more than five (5) feet in height.

18. The Applicant acknowledges and agrees that the rezoning of the Property in Subarea D that is the subject of this amendment (the "Subject Property") from Planned Development Number 896 to Planned Development Number 896, as amended, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units, or with the Commissioner's approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Subject Property is located in a "higher income area" within the meaning of the ARO, and the project has a total of 73 units. As a result, the Applicant's affordable housing obligation is 7 affordable units (10 percent of 73, rounded down), 2 of which are Required Units (25 percent of 7, rounded up). Applicant has agreed to satisfy its affordable housing obligation by providing seven affordable units in the rental building to be constructed in the Planned Development. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in on the Subject Property, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and

will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 18, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development. Notwithstanding the foregoing, if the Applicant receives Low-Income Housing Tax Credits, tax increment financing or other financial assistance whose affordability requirements exceed those of the Affordable Housing Ordinance from the City to develop affordable housing in any portion of the Planned Development, the regulatory, redevelopment, loan or other agreement(s) to be executed by the City and the Applicant in connection with such tax credits or other financial assistance shall govern and control the Applicant's obligation to provide affordable housing for such subsidized portion of the Planned Development.

19. The Applicant acknowledges the city's ongoing and evolving initiatives to enhance awareness of, and support and encourage participation by, Minority and Women's Business Enterprise certified contractors and local city residents. To assist the city in promoting such MBE, WBE and local city resident involvement, the Applicant may provide the Department of Planning and Development with any preliminary outreach plans designed to elicit MBE, WBE and local city resident participation, such submission may include copies of certified letters, and receipts of such, sent to MBE/WBE contractor associations and the ward office of the alderman in which this project is proposed to be located. In conjunction with the Applicant's submission for Part II permit reviews of the new construction building located in Subarea D, the Applicant will provide DPD (and upon request, the full Plan Commission) with all responses to any preliminary outreach plans and certified letters, updates on any associated communications or meetings and anticipated percentages of MBE, WBE and local city resident participation. Prior to issuance of their Certificate of Occupancy for the new construction building located in Subarea D, the Applicant will provide DPD with actual level of MBE and WBE certified contractor and local city resident participation. All such details will be provided in a form acceptable to the Zoning Administrator or Commissioner of the Department of Planning and Development.

20. Unless substantial construction of the Phase I Improvements contemplated by this Planned Development has commenced within six (6) years of the effective date hereof and unless the completion of those improvements is thereafter diligently pursued, then this Planned Development shall expire and the zoning of the Property shall automatically revert to those zoning district classifications in existence immediately prior to the adoption of the ordinance establishing this Planned Development.

a) Subsequent Periods. Unless substantial construction has commenced and been diligently pursued after the initial six (6) year period on a minimum of four hundred (400) dwelling units (cumulative) within eight (8) years of the effective date hereof, six hundred (600) dwelling units (cumulative) within ten (10) years of the effective date hereof and eight hundred (800) dwelling units (cumulative) within twelve (12) years of the effective date hereof (the "Subsequent Periods"), the Department may decide to review and recommend modification of the provisions of

this Planned Development in whole or in part. The Department's determination that the Planned Development ordinance must be reviewed shall be reflected in an application filed by the City for a Planned Development amendment, with the City being deemed the Applicant and providing such notice as may be required by law. Not less than thirty (30) days before filing any such application for amendment to the Planned Development, the Department shall provide the Applicant with a copy of the draft application for amendment.

*c) Unless substantial construction of the improvements contemplated within Subarea D has commenced within six (6) years following adoption of Residential-Business Planned Development Number 896, as amended by this amendment and unless completion is thereafter diligently pursued, then this Planned Development shall expire as it relates to Subarea D and the zoning of Subarea D of the Planned Development shall automatically revert to Residential-Business Planned Development Number 896, as amended on September 5, 2007.

   Subarea C: residential-elderly housing (independent seniors and supportive living facility); medical office; related and accessory uses supporting the same; and accessory off-street parking and loading; and

   Subarea D: multi-unit residential; related and accessory uses supporting the same; and accessory off-street parking and loading; and

   Subarea E: required accessory parking for uses within this Planned Development, and all subareas located therein; and, pursuant to Section 17-10-0503, 40 percent of the 193 required accessory parking spaces dedicated to residential uses located within this Planned Development may be leased on a daily/weekly/monthly basis to persons who are not residents, tenants, patrons, employees or guests of the principal uses within this Planned Development.

6. On-premises signs and temporary signs, such as construction and marking signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development (DPD). Off-premises signs are prohibited within the boundary of the Planned Development.

7. For purposes of height calculations and measurements, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations established by the Federal Aviation Administration (FAA).

8. The maximum permitted floor area ratio (FAR), for the Property, shall be in accordance with the attached Bulk Regulations and Data Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall

apply. The permitted FAR, identified in the Bulk Regulations and Data Table, has been determined using a net site area of 310,260 square feet and a base FAR of 2.2.

9. Upon review and determination, and pursuant to Section 17-13-0610 of the Zoning Ordinance, Part II Review shall be assessed a fee, by the Department of Planning and Development (DPD). The fee, as determined by staff at the time of submission, is final and binding on the Applicant and must be paid to the Chicago Department of Revenue, prior to the issuance of any Part II Approval.

   In order to permit development of the proposed improvements within Subarea C, the Applicant must secure the consent and agreement of the Lycee Français de Chicago, Inc. ("Lycee") -- the owner of Subarea B and of the air rights above Subarea E, to confirm the Applicant's adherence to the specifications of the Bulk Regulations and Data Table, which was approved under and with this Planned Development, as amended. The Applicant shall declare the Development Rights being utilized, prior to Part II Approval for Subarea C, by delivery -- to the Department of Planning and Development (DPD), of an executed and recorded Development Rights Agreement with Lycee ("Agreement"). Said Agreement shall contain the express agreement and understanding, of Lycee, to the proposed improvements, for which the Applicant is seeking approval via Part II Review. Said Agreement shall be applicable solely to Subarea C, in accordance with the specifications shown on the Bulk Regulations and Data Table.

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any corresponding regulations and guidelines, including Section 17-13-0880 of the Zoning Ordinance. Final landscape plan review and approval will be by the Department of Planning and Development (DPD). Any interim reviews associated with Site plan review and Part II Reviews, are conditional until final Part II Approval.

11. The tenets and conditions of development, under this Planned Development ordinance, may be modified adminstratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance, by the Zoning Administrator, upon written application for such modification, by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.

12. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Subject Property. Plans for all buildings and improvements, within the Planned Development Boundary, shall be reviewed and approved by the Mayor's Office for People with Disabilities (MOPD), to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

13. The Applicant will comply with the Rules and Regulations, for the Maintenance of Stockpiles, as promulgated by the Commissioner of Streets and Sanitation, the Commissioner of the Environment and the Commissioner of Buildings, pursuant to Section 13-32-125 of the Municipal Code of Chicago or any other relevant provision of that Code.

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, conserves energy and maximizes the preservation of natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated for each improvement that is subject to the aforementioned policy and must provide documentation verifying compliance.

15. The Applicant acknowledges that it is the policy of the city to maximize opportunities for Minority and Women-Owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of 26 percent MBE and 6 percent WBE participation (measured against the total construction budget for the project or any phase thereof), and *(ii) 50 percent city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the Applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and

evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. The Applicant acknowledges and agrees that the rezoning of the Property from Institutional Planned Development Number 60, as amended, to B2-2 Neighborhood Mixed-Use District and then to Institutional Residential-Business Planned Development Number 60, as amended, triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago ("Affordable Requirements Ordinance" or "ARO"). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a higher income area, within the meaning of the ARO, and the project has a total of 193 residential units. As a result, the Applicant's affordable housing obligation is 19 affordable units (10 percent of 193, rounded down) 5 of which are Required Units (2.5 percent of 193, rounded up). Applicant has agreed to satisfy its affordable housing obligation by providing 193 affordable units in the rental building to be constructed in the PD and/or entering into an agreement with the Chicago Housing Authority (CHA) to provide affordable units in the PD, as set forth in the Affordable Housing Profile Form attached hereto. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval. DPD may adjust the number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and

enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

17. This Planned Development shall be governed by Section 17-13-0612, et seq.

Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development (DPD) shall initiate a zoning map amendment to rezone the property to Institutional Planned Development Number 60, as amended (October 5, 2011 -- *Journal of the Proceedings of the City Council of the City of Chicago*, pages 9208 -- 9225).

SECTION 3. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to this ordinance read as follows:

Business Planned Development No. ___.

Planned Development Statements.

1. The area delineated herein as Business Planned Development Number ___ (the "Planned Development") consists of a net site area of approximately 3,168 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map (the "Property"). The Property is owned by Vequity LLC Series XIII Fulton, an Illinois limited liability company (the "Applicant").

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns. All

rights granted hereunder to the Applicant shall inure to the benefit of the Applicant, its successors and assigns. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, at the time applications for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, the Property shall be under single ownership or under single designated control. Single designated control is defined in Section 17-8-0400. Nothing herein shall prohibit or in any way restrict the alienation, sale or any other transfer of all or any portion of the Property or any rights, interests or obligations therein. Upon any alienation, sale or any other transfer of all or any portion of the Property or the rights therein (other than an assignment or transfer of rights pursuant to a mortgage or otherwise as collateral for any indebtedness) and solely with respect to the portion of the Property so transferred, the term "Applicant", "ground lessee" or "titleholder" shall be deemed amended to apply to the transferee thereof (and its beneficiaries if such transferee is a land trust) and the seller or transferor thereof (and its beneficiaries if such seller or transferor is a land trust) shall thereafter be released from any and all obligations or liability hereunder with respect to the portion of the Property so transferred.

3. All applicable official reviews, approvals or permits are required to be obtained by any owner of the Property, as applicable, or its successors, assigns or grantees, which require such reviews, approvals or permits. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the applicable Property owner, its successors, assigns or grantees, seeking such action.

   Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Planned Development.

   Ingress or egress shall be pursuant to the Plans (as defined below) and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

   All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This Plan of Development consists of 18 Statements; a Bulk Regulations and Data Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; a Site Plan; and Elevations (North, South, East and West), all prepared by Ilekis Associates and dated September 20, 2017 (collectively, the "Plans"). In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses are permitted within the area delineated as Business Planned Development: animal services; eating and drinking establishments; sports and recreation, participant -- indoor; financial services (excluding payday/title secured loan store, pawn shop and drive-thru facilities); food and beverage retail sales; medical service; office; personal service; consumer repair or laundry services (except for plant on premises); general retail sales; wireless communications facilities (excluding freestanding towers); and related or accessory uses.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 3,168.39 square feet.

9. The Applicant acknowledges that the project has received a bonus FAR of 1.3 pursuant to Section 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 4.3. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17.4-1003-B and C, prior to the issuance of the first building permit for any building in the Planned Development. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3.

   The bonus payment will be split between three separate funds, as follow: 80 percent to the Neighborhoods Opportunity Fund, 10 percent to the Citywide Adopt-a-Landmark Fund and 10 percent to the Local Impact Fund. In lieu of paying the city directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

10. In this case, the Applicant will contribute the Local Impact portion of the bonus payment for construction of the Skinner Park Field House (the "Project"). The Project is located within one mile of the Planned Development site, as required by Section 17-4-1005-C. The Applicant must make such payment, or the applicable portion thereof in the case of a phased development, prior to the issuance of the first building permit for the Planned Development or applicable phase thereof. The city must enter into an intergovernmental agreement regarding the manner in which the funds will be used.

11. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

12. The Site Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines, including Section 17-13-0800. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

13. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-085, or any other provision of the Municipal Code of Chicago.

14. Subject to the provisions of Statement Number 2 of this Planned Development, the terms and conditions of development under this Planned Development ordinance may be modified administratively pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.

15. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and ensures universal access throughout the Property. Plans for all new buildings and improvements on the Property constructed after the date hereof shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities.

16. The Applicant acknowledges the city's ongoing and evolving initiatives to enhance awareness of, and support and encourage participation by Minority and Women's Business Enterprise certified contractors and local city residents. To assist the city in promoting such MBE, WBE and local city resident involvement, the Applicant may provide the Department of Planning and Development with any preliminary outreach plans designed to elicit MBE, WBE and local city resident participation, such submission may include copies of certified letters, and receipts of such, sent to MBE/WBE contractor associations and the ward office of the alderman in which this project is proposed to be located. In conjunction with the Applicant's submission for Part II permit reviews, the Applicant will provide DPD (and upon request, the full Plan Commission) with all responses to any preliminary outreach plans and certified letters, updates on any associated communications or meetings and anticipated percentages of MBE, WBE and local city resident participation. Prior to issuance of their Certificate of Occupancy, the Applicant will provide DPD with actual level of MBE and WBE certified contractor and local city resident participation. All such details will be provided in a form acceptable to the Zoning Administrator or Commissioner of the Department of Planning and Development.

17. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor

environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated for each improvement that is subject to the aforementioned policy and must provide documentation verifying compliance.

18. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse due to the passage of time, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone this Business Planned Development to DX-3 Downtown Mixed-Use District.

15. The Applicant acknowledges that it is the policy of the city to maximize opportunities for Minority and Women-Owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the

planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of 26 percent MBE and 6 percent WBE participation (measured against the total construction budget for the project or any phase thereof), and *(ii) 50 percent city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the Applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. The Applicant acknowledges and agrees that the rezoning of the Property from the DX-3 District to the DX-5 District, and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a

* Editor's note: Numbering discrepancy in original document.

two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a higher income area, within the meaning of the ARO, and the project has a total of 358 units. As a result, the Applicant's affordable housing obligation is 36 affordable units (10 percent of 358, rounded up), 9 of which are Required Units (25 percent of 36). The Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of $175,000 per unit (Cash Payment) and providing 9 affordable units in the rental building to be constructed in the PD, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit A. The Applicant agrees that the affordable rental/for sale units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

17. The Applicant acknowledges that the project has received a bonus FAR of 1.5, pursuant to Section 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 6.5. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17.4-1003-B and C, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3.

    The bonus payment will be split between three separate funds, as follows: 80 percent to the Neighborhoods Opportunity Fund, 10 percent to the Citywide Adopt-a-Landmark Fund and 10 percent to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

    In this case, the Applicant will contribute the Local Impact portion of the bonus payment for construction of a STEM Lab located at Skinner West Elementary School

(the "Project"). The Project is located within one mile of the Planned Development site, as required by Section 17-4-1005-C. The Applicant must make such payment, or the applicable portion thereof in the case of a phased development, prior to the issuance of the first building permit for the Planned Development or applicable phase thereof. The City must enter into an intergovernmental agreement regarding the manner in which the funds will be used.

18. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to the DX-5 Downtown Mixed-Use District.
