The following is said proposed resolution:

WHEREAS, The members of this Chamber were deeply saddened to learn of the death of Chicago Police Officer Bernard "Bernie" Domagala (Star Number 8996) on September 5, 2017 at the age of 66 from a gunshot wound he sustained in the line of duty over 29 years ago; and

WHEREAS, Born in Chicago on February 6, 1951, Bernie grew up in Chicago, where he met the love of his life, Denise, and where the two were married and blessed to raise three sons: Erik, Craig, and Adam; and

WHEREAS, Becoming a Chicago Police Officer was a lifelong dream of Bernie's, and he was appointed to the Chicago Police Department as a patrolman on May 18, 1981; and

WHEREAS, While serving his city as a police officer, Bernie enjoyed and embraced the challenges that came along with the job, as evidenced through his promotion and assignment to the Gang Crimes South Unit, as well as the Hostage, Barricade, and Terrorist Unit; and

WHEREAS, On the afternoon of July 14, 1988, Bernie responded to a hostage situation involving a heavily armed gunman at 7237 South Stony Island Avenue; and

WHEREAS, As a husband, father, police officer, and vital member of his community and our city, Bernie touched the lives of all who knew him with his kindness, generosity, and spirit. He will be deeply missed, but the memory of his character, intelligence, and compassion will live on in his beloved wife Denise, his sons Erik, Craig, and Adam, and in all those who knew and loved him; and

October 11, 2017.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I transmit herewith, together with Aldermen Reboyras, Austin, and Ervin, a congratulatory resolution regarding OEMC employees' Chenetra Washington and Marissa Leezer.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RAHM EMANUEL,
Mayor.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed.*

The following is said proposed resolution:

WHEREAS, The Association of Public-Safety Communications Officials (APCO) International is the world's oldest and largest organization of public safety communications professionals and supports the largest U.S. membership base of any public safety association; and

WHEREAS, Every year, the Illinois Chapter of APCO presents awards to public safety communications personnel who have demonstrated the highest levels of personal and professional conduct and performance in the line of duty throughout the State of Illinois; and

WHEREAS, APCO selected Chenetra Washington, Supervising Police Communications Operator at the City of Chicago Office of Emergency Management and Communications (OEMC), as the award recipient for 2017 Supervisor of the Year; and Marissa Leezer, Police Communications Operator II at OEMC, as the award recipient for the 2017 Telecommunicator of the Year; and

WHEREAS, Chenetra Washington began her career with OEMC on October 24, 2005, as a police dispatcher, where she worked for ten years before being promoted in 2015 to supervisor, the position she currently holds; and

WHEREAS, Shortly after her promotion, Chenetra's supervisory and crisis management skills were put to the test when one of her dispatchers received a call from an agitated man threatening to shoot himself and any officer who responded to the call. After alerting the Chicago Police Department to the threat, Chenetra remained on the line with the caller, never giving up hope that the situation could be resolved peaceably. Following two tense hours of negotiation among the caller, Chenetra, and the responding officers, Chenetra was able to convince the caller to walk outside and calmly surrender himself to the police; and

WHEREAS, Never content to rest on her laurels, Chenetra continues to set a positive example for her fellow co-workers by mentoring new supervisors and guiding them through their daily responsibilities. During her free time, Chenetra helps the less fortunate by organizing food drives for the homeless and delivering homemade sandwiches, snacks, and beverages to needy persons throughout the City; and

WHEREAS, Marissa Leezer began her career with OEMC in May 2001 as a police dispatcher. She currently works from 2:00 P.M. until 10:00 P.M., one of the busiest shifts for a dispatcher, in Zone 10, one of the most active dispatch zones in the City; and

WHEREAS, During her tenure with OEMC, Marissa coordinated the City's response to more than 620 calls for shots fired and over 60 incidents involving persons injured by gunfire; and

WHEREAS, Despite the stress, chaos, and emotional struggle of working on an active shift in an especially active zone, Marissa has taken only two sick days during her sixteen years of service; and

WHEREAS, Widely admired for her tenacity, positive demeanor, and ability to brighten spirits and boost morale, Marissa often brings snacks or lunches to her co-workers during their busy shifts; and

WHEREAS, Marissa's dedication to her job and to public safety were recognized in 2016, when she received OEMC's Team Performance Award for managing and coordinating a crime scene involving a police officer who was shot; in 2012, when she was recognized for her efforts during the NATO Summit in Chicago; and in 2010, when she received an Honorable Mention for her astute response during an incident involving an Illinois State Police chase from a Chicago expressway onto the City's crowded streets; and

WHEREAS, Chenetra Washington and Marissa Leezer's unerring professionalism, dedication to their jobs, and willingness to always treat others with dignity and respect are truly exemplary; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 11th day of October 2017, do hereby extend our congratulations to Chenetra Washington, recently named APCO's Supervisor of the Year for the State of Illinois, and to Marissa Leezer, recently named APCO's Telecommunicator of the Year for the State of Illinois; and

SECTION 3. Composition And Appointment Of Board Of Directors.

(a) The affairs of the Corporation shall be managed by a Board of Directors (the "Board"). The Board shall have the power and authority to do or perform all acts or functions not inconsistent with the Bylaws of the Corporation (the "Bylaws"), the Articles of Incorporation of the Corporation or this ordinance.

Once appointed, the Independent Director shall serve for a three-year term and shall serve until his or her successor is duly qualified and appointed. Any person or entity serving as Independent Director may be reappointed to such position for one or more terms. In the event that an Independent Director has been appointed and the position thereafter becomes vacant due to the resignation of the Independent Director or for some other cause, then, prior to the consideration by the Board of a Specified Vote, a new Independent Director shall be appointed and be subject to the provisions of this subsection (c) and subsection (b) of this section. In the event that the Budget Committee Designee is no longer a member of the Budget Committee, such individual shall no longer be a director and another member of the Budget Committee (which may include the Budget Chair) shall be designated by the Budget Chair and approved by the Mayor as the new Budget Committee Designee.

(e) Any vote of the Board to (1) cause the Corporation to file, consent to the filing of, or join in any filing of a petition for bankruptcy or commence a proceeding to liquidate, wind up or otherwise cease operations (in taking such action, the Board shall consider the interests of the creditors of the Corporation in connection with all such actions); (2) dissolve, liquidate, consolidate, combine, merge or sell substantially all of its assets; (3) amend the Bylaws or any other organizational documents of the Corporation in a manner adverse to the interests of the holders of any Corporation Obligations then outstanding; or (4) take any other action which could be adverse to the interests of any holders of then-outstanding Corporation Obligations shall be considered a "Specified Vote". Any Specified Vote shall become effective only upon the affirmative vote of all members of the Board (including, for the avoidance of doubt, the Independent Director), and such Specified Vote may not be taken or become effective during any period in which the Independent Director is not presently seated.

(f) All members of the Board are strictly prohibited from making decisions or recommendations on behalf of the Corporation for personal gain.

(g) The members of the Board shall not be entitled to compensation for their services as members of the Board, but shall be entitled to reimbursement from funds of the Corporation for all necessary expenses incurred in connection with the performance of their duties as members of the Board.

(h) The Corporation shall hold meetings of the Board at least annually or as otherwise determined pursuant to the Bylaws, and the Corporation shall comply with the provisions of the Open Meetings Act of the State, as amended, with respect to the conduct of the meetings of the Board.

The Chief Financial Officer, the Budget Director and the Comptroller are each authorized to transfer, from legally available funds of the City, an amount not to exceed an aggregate of $250,000 to the Corporation for professional services and otherwise to assist the Corporation in accomplishing its purposes. Each Authorized Officer is hereby authorized to negotiate agreements with the Corporation that set forth the terms and conditions pursuant to which staff support and/or funding authorized by this section would be provided to the Corporation.

SECTION 5. Powers And Limitations On Powers Of The Corporation.

(a) The Corporation shall have all of the general powers set forth in the provisions of the General Not-For-Profit Corporation Act of 1986 of the State, as amended, together with the power to solicit and receive grants, contributions and bequests for any corporate purpose and the power to maintain a fund or funds of real or personal property for any corporate purposes; provided, however, that the Corporation shall not have the power to

engage in any activities which are not in furtherance of its purposes as set forth in the preambles hereto. The Corporation shall have the right to exercise such other powers as now are, or may be, conferred by law upon a corporation organized for the purposes set forth in this ordinance, or that are necessary or incidental to the powers so conferred, or conducive to the furtherance thereof.

(b) The Corporation is being organized as an instrumentality of the City and shall be operated for the governmental purposes described herein. Subject to the limitations in subsection (d) to this section, the City hereby grants to the Corporation the power to issue tax-exempt Corporation Obligations "on behalf of the City", within the meaning of U.S. Treasury Regulation Section 1.103-1(b) and the power to issue non-tax-exempt Corporation Obligations on behalf of the City. No Corporation Obligation may be validly issued or entered into by the Corporation without the prior approval of the City Council as described in subsection (d) to this section, except for the Corporation Obligations specified in Section 6 of this ordinance which are expressly approved in this ordinance. The City's grant of power to the Corporation pursuant to this subsection is subject to the agreement by the Corporation to comply with the following conditions:

(i) The Corporation shall at all times do and perform all acts permitted by law and necessary to assure that interest on tax-exempt Corporation Obligations shall be and remain excludable from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "Code") and U.S. Treasury Regulations and rulings issued thereunder; and no funds of the Corporation shall at any time be used in a manner that causes tax-exempt Corporation Obligations to be "arbitrage bonds" within the meaning of Section 148 of the Code.

(ii) In furtherance of the foregoing provisions, but without limiting their generality, the Corporation shall agree: (1) through its officers, to make such further specific covenants, certifications and representations as shall be truthful and assurances as may be necessary or advisable; (2) to comply with all representations, covenants and assurances contained in certificates or agreements as may be prepared by counsel approving the tax-exempt Corporation Obligations; (3) to consult with such counsel and to comply with such advice as may be given; (4) to file such forms, statements and supporting documents as may be required and in a timely manner; and (5) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the Corporation in such compliance.

(iii) The Corporation agrees that title to any property financed or refinanced by tax-exempt Corporation Obligations, including any additions to such property, if not already so vested, shall vest in the City or its designee(s) when such tax-exempt Corporation Obligations are discharged.

(c) The Corporation shall not have any power to pledge the full faith and credit of the City nor shall any Corporation Obligation be an obligation, general or special, of the City. No revenues or taxes of the City shall be assigned, sold, transferred or otherwise conveyed by the City to the Corporation as authorized by Section 6 hereof if the assignment, sale, transfer or conveyance of such revenues or taxes would violate applicable federal or state law or City ordinance or an existing City contract.

(d) No Corporation Obligations (other than those described in Section 6 hereof) shall be issued by the Corporation except pursuant to the following procedure: Upon a determination by the Mayor of a financing need for the City utilizing the Corporation, the Mayor shall file a request with the City Council identifying the financing need, the recommended revenues or taxes to repay the proposed Corporation Obligations, and the uses for the net proceeds of such Corporation Obligations. Such request may only be approved by the adoption of an ordinance of the City Council approving such financing. Upon City Council approval of the request by the Mayor, the Mayor and each Authorized Officer are each hereby authorized to execute and deliver one or more agreements with the Corporation for the purpose of assigning, selling, transferring or otherwise conveying to the Corporation such revenues or taxes of the City as identified in the City Council approval, in consideration for the issuance by the Corporation of the proposed Corporation Obligations and the transfer to the City of the net proceeds of such Corporation Obligations, and to take any such actions as necessary to effectuate any such assignment, sale, transfer or other conveyance, including, but not limited to, any irrevocable direction by the City to any department of the State to send such revenues or taxes directly to the Corporation as is currently provided by law or as may be provided by law in the future. In connection with the issuance of any such Corporation Obligations, the City may covenant for the benefit of the holders of such Corporation Obligations that the City shall not cause the dissolution, termination or bankruptcy of the Corporation issuing such Corporation Obligations prior to the payment in full of such Corporation Obligations. The Mayor, each Authorized Officer and the City Clerk are each hereby authorized to execute and deliver such other documents and agreements and perform such other acts prior to or following the issuance by the Corporation of such Corporation Obligations as may be necessary or desirable in connection with the issuance of such Corporation Obligations and any transactions contemplated herein related to the application of the net proceeds of such Corporation Obligations or other purposes hereunder, but subject to any limitations on or restrictions of such power or authority as herein set forth, and any such actions heretofore taken by the Mayor, an Authorized Officer or the City Clerk in accordance with the provisions hereof are hereby ratified and approved.

(e) Any funds or assets of the Corporation shall be transferred to the City and become property of the City upon dissolution or termination of the Corporation.

(f) The Corporation shall require completion of disclosure statements that will be substantially similar to the economic disclosure statements required of third parties for transactions with the City. The Corporation shall make each such disclosure statements available online for public review.

(g) The Corporation shall be responsible for overseeing preparation and auditing of its financial statements, including full compliance with applicable generally accepted accounting principles.

(h) The Corporation shall provide public access to books, records, minutes and documents, in accordance with the Illinois Freedom of Information Act, 5 ILCS 140/1, et seq., as now enacted or as hereafter amended ("FOIA").

(i) The Corporation shall cooperate with the City with respect to compliance with the requirements of FOIA concerning any public documents or records that are in the possession of the Corporation but are nonetheless subject to the City's obligation to provide public access under FOIA.

(j) Subsequent to the sale of any series of Corporation Obligations, an Authorized Officer shall file in the Office of the City Clerk a notification of sale directed to the City Council setting forth (i) the series designation, the aggregate principal amount and authorized denominations of, maturity schedule and redemption provisions for the Corporation Obligations sold, (ii) the interest rates on the Corporation Obligations sold and whether such interest is tax-exempt or taxable, (iii) the specific maturities, series and amounts of any City bonds, notes, lines of credit or other obligations (the "Refunded Obligations") to be refunded with proceeds of such Corporation Obligations, (iv) the date on and price at which the Refunded Obligations shall be redeemed (if such redemption shall occur prior to stated maturity or pursuant to mandatory sinking fund redemption), (v) the disposition of the revenues pledged and/or the taxes levied or imposed, if any, for the Refunded Obligations for the years following the date of issuance of such Corporation Obligations, (vi) the identity of the insurer or insurers issuing the bond insurance policy or policies, if any, for such Corporation Obligations, (vii) the identity of the underwriters, placement agents or direct purchasers selected for such Corporation Obligations, (viii) the identity of the applicable trustee, if any, selected for such Corporation Obligations, (ix) the compensation paid to the underwriters or placement agents in connection with such sale, (x) the identity of any refunding escrow agent appointed by an Authorized Officer in connection with the refunding of the Refunded Obligations, (xi) the purpose(s) for which the Corporation Obligations were issued, and (xii) any other matter authorized by this ordinance to be determined by an Authorized Officer at the time of the sale of the Corporation Obligations of each series.

SECTION 6. Authorization For Initial Transaction.

(a) Pursuant to the authorization contained in the Act, each Authorized Officer is each hereby authorized to execute and deliver one or more agreements (the "Sales Tax Transaction Agreements") with the Corporation in such form as the Authorized Officer so executing may deem appropriate under which the City shall assign, sell, transfer or convey some or all of the Sales Tax Revenues (as hereinafter defined) to the Corporation in an amount and under such terms as are deemed necessary or advisable by the Authorized Officer so executing in connection with the issuance by the Corporation from time to time of tax-exempt or taxable Corporation Obligations (the "Sales Tax Obligations"), in one or more series, in an aggregate principal amount not to exceed $3,000,000,000, with a term not exceeding 40 years, bearing interest at a rate or rates not exceeding 10 percent per annum, and sold at a price of not less than 85 percent of the aggregate principal amount thereof. In connection therewith, each Authorized Officer is authorized to establish a special account, separate and segregated from all other funds and accounts of the City, which shall be maintained with a bank or trust company to be designated by an Authorized Officer pursuant to an escrow agreement (the "Sales Tax Master Escrow Agreement"), between the City and the applicable Escrow Agent named therein (the "Sales Tax Master Escrow Agent"), and each Authorized Officer is hereby authorized to execute and deliver the Sales Tax Master Escrow Agreement in such form as the Authorized Officer so executing may deem appropriate in accordance with the provisions of this ordinance. The Developer acknowledges and agrees that the City's obligation to pay for TIF-Funded Improvements up to a maximum of $6,350,000 is contingent upon the fulfillment of the conditions set forth in this Section 4.03(b). In the event that such conditions are not fulfilled, the amount of Equity to be contributed by the Developer or through other sources of funding pursuant to Section 4.01 hereof shall increase proportionately. In the event that the final certified Project costs are less than the Project Budget, net of the Deferred Developer Fee, the savings shall be deducted from the final installment paid to the Developer after the issuance of the Certificate.

4.04 Requisition Form. Requisition for reimbursement of TIF-Funded Improvements shall be made as provided in Section 4.03(b) herein (or as otherwise permitted by DPD), and in the amounts set forth above in Section 4.03(b). "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by the Developer pursuant to this Agreement. The Developer hereby agrees that, if the Project is not In Balance, the Developer shall, within 10 days after a written request by the City,

deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer. (i) For the TIF-Funded Improvements, the Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. If the Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. (ii) For Project work other than the TIF-Funded Improvements, if the Developer selects a General Contractor (or the General Contractor selects any subcontractor) who has not submitted the lowest responsible bid, the difference between the lowest responsible bid and the higher bid selected shall be subtracted from the actual total Project costs for purposes of the calculation of the amount of City Funds to be contributed to the Project pursuant to Section 4.03(b) hereof. The Developer shall submit copies of the Construction Contract to DPD in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof. The Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained. Notwithstanding the above, the Developer shall not be required to solicit competitive bids for rammed aggregate pier work, and polycarbonate exterior wall work to the extent Developer reasonably determines that subcontractors to perform such work do not have offices located in the City of Chicago.

(b) If, prior to entering into an agreement with a General Contractor for construction of the Project, the Developer does not solicit bids pursuant to Section 6.01(a) hereof, then the fee of the General Contractor proposed to be paid out of City Funds shall not exceed 14% of the total amount of the Construction Contract. Except as explicitly stated in this paragraph, all other provisions of Section 6.01(a) shall apply, including but not limited to the requirement that the General Contractor shall solicit competitive bids from all subcontractors.

6.02 Construction Contract. Prior to the execution thereof, the Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for DPD's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof.

SECTION 7. COMPLETION OF CONSTRUCTION

7.01 Certificate of Completion of Construction. (a) Upon each of the substantial completion and the final completion of the construction of the Project in accordance with the terms of this Agreement, and upon the Developer's written request, DPD shall issue to the Developer either the Substantial Completion Certificate or the Certificate, as applicable, in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. DPD shall respond to the Developer's written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate. The Developer may resubmit a written request for a Certificate upon completion of such measures.

vi) Developer has incurred costs for TIF-Funded Improvements in an amount equal to or higher than $5,873,750 (Five Million Eight Hundred and Seventy-three thousand Seven hundred and fifty dollars).

vii) Evidence from the Cook County Assessor's Office, Exempt Division that the City Property has been reclassified from tax exempt to taxable.

(c) The Developer acknowledges that the City will not issue a Certificate until all of the following conditions in addition to the conditions in Section 7.01(a) and (b) herein have been met:

ii) Evidence of letters of interest or leases for a minimum of 80% of the commercial space.

iii) Written confirmation from long-term monitoring of affordability that the affordable requirements have been met (i.e. that the rent rates are compliant and the tenants occupying or will occupy (via a signed lease) the affordable units have been determined to meet the applicable income eligibility requirements as stipulated in section 8.22.

v) Developer has given the City written notification that construction of the Project, including all of the TIF-Funded Improvements, has been completed and has provided the City with an amount certified by final Owner's and Contractor's Sworn Statements, or other documentation requested by the City of 1) final total Project costs and 2) final TIF eligible costs; and 3) including, but not limited to any such further documentation as described in Section 14.01.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction or rehabilitation of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to the Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.06, 8.19 and 8.22 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon the Developer or a permitted assignee of the Developer who, pursuant to Section 19.15 of this Agreement, has contracted to take an assignment of the Developer's rights under this Agreement and assume the Developer's liabilities hereunder.

7.03 Failure to Complete. If the Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, the Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. CONVENANTS / REPRESENTATIONS / WARRANTIES OF THE DEVELOPER

8.01 General. The Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(a) the Developer is an Illinois limited liability company duly organized, validly existing, qualified to do business in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) the Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(e) the Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(h) the Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of the Developer since the date of the Developer's most recent Financial Statements;

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City; and

(m) neither the Developer nor any affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and the Developer's receipt of all required building permits and governmental approvals, the Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or the Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. The Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan.

8.04 Use of City Funds. City Funds disbursed to the Developer shall be used by the Developer solely to pay for (or to reimburse the Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 Other Bonds. The Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (the "Bonds"); provided, however, that any such amendments shall not have a material adverse effect on the Developer or the Project. The Developer shall, at the Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 Job Creation and Retention; Occupancy Covenant and Covenant to Remain in the City. The Developer shall strive to retain one full-time equivalent, permanent job at the Project within six months of the completion thereof and through the Term. The Developer hereby covenants and agrees to maintain its operations within the City of Chicago at the site described above through the Term and occupancy of a minimum of 80% of the commercial space for a period of ten (10) years from the date of the issuance of the Certificate, by leasing to commercial space tenants whose operations shall not include any Prohibited Uses as set forth in Exhibit L, without the consent of DPD.

to the City monthly written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which the Developer shall correct any shortfall.

8.08 Employment Profile. The Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Prevailing Wage. Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. The Developer shall obtain and provide to DPD Financial Statements for the Developer's fiscal year ended 2016 and each year thereafter for the Term of the Agreement. In addition, the Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14 Insurance. The Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or

any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify DPD of any and all events or actions which may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws. To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

8.18 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto, the City's Deed, and the deed conveying the City Property from the Sponsor to Brin Life Center, LLC to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable, and which create or may create a lien upon the Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DPD of the Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(iii) the Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(iv) the Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, the Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

(c) Real Estate Taxes.

(i) Real Estate Tax Exemption. With respect to the Property or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect.

(ii) No Reduction in Real Estate Taxes. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of this Agreement, directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Property or the Project below the amount of the Minimum Assessed Value for the applicable year. Notwithstanding the above, the Developer or any agent, representative, lessee, tenant, assignee, transferee or successor in interest thereof may make an application for Class 9 special assessment eligibility for the Project.

(iii) No Objections. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer, shall object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Underassessment Complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term "Underassessment Complaint" as used in this Agreement shall mean any complaint seeking to increase the assessed value of the Property up to (but not above) the Minimum Assessed Value.

(iv) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.19(c) are covenants running with the land and this Agreement shall be recorded by the Developer as a memorandum thereof, at the Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the Developer, its successors or assigns, may waive and terminate the Developer's covenants and agreements set forth in this Section 8.19(c).

8.20 Survival of Covenants. All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.21 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, the Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

8.22 Affordable Housing Covenant. Developer agrees and covenants to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of that certain Regulatory Agreement executed by Developer and DPD as of the date hereof shall govern the terms of Developer's obligation to provide affordable housing. Following foreclosure, if any, and from the date of such foreclosure through the Term of the Agreement, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(a) The residential portion of the Facility shall be operated and maintained solely as residential rental housing;

(b) All but nine (9) of the units in the Facility (the "Affordable Units") shall be available for occupancy to and be occupied solely by one or more households qualifying as Low Income Families (as defined below) upon initial occupancy; and

(c) All of the Affordable Units in the Facility have monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any Affordable Unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income. It is required that at least twenty percent (20%) of all the units shall be affordable rents, and of those 20%, ten percent (10%) shall be rented to families whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, and ten percent (10%) shall be rented to families whose annual income does not exceed fifty percent (50%) of the Chicago-area median income.

(d) As used in this Section 8.22, the following terms has the following meanings:

(i) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(ii) "Low Income Families" shall mean Families whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(e) The covenants set forth in this Section 8.22 shall run with the land and be binding upon any transferee.

(f) The City and Developer may enter into a separate agreement to implement the provisions of this Section 8.22.

8.23. FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with

such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City under Section 8.21, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. The Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in

conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-1 hereto) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 26% (twenty-six percent) by MBEs.
(2) At least 6% (six percent) by WBEs.

(b) For purposes of this Section 10.03 only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection

with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five Business Days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, the Developer shall be required to meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any City Funds to the Developer or the General Contractor, or (3) seek any other remedies against the Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

11.01 "AS IS" Sale. THE CITY MAKES NO COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE CITY PROPERTY OR THE SUITABILITY OF THE CITY PROPERTY FOR ANY PURPOSE WHATSOEVER. THE SPONSOR AND THE DEVELOPER ACKNOWLEDGE THAT THEY HAVE HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE CITY PROPERTY AND ACCEPT THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE CITY PROPERTY. THE SPONSOR AND THE DEVELOPER AGREE TO ACCEPT THE CITY PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE CITY PROPERTY OR THE SUITABILITY OF THE CITY PROPERTY FOR ANY PURPOSE WHATSOEVER. THE

SPONSOR AND THE DEVELOPER ACKNOWLEDGE THAT THEY ARE RELYING SOLELY UPON THEIR OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE SPONSOR AND THE DEVELOPER AGREE THAT IT IS THEIR SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM AT THEIR EXPENSE ANY ENVIRONMENTAL REMEDIATION WORK (AS DEFINED BELOW) AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE CITY PROPERTY IN A CONDITION WHICH IS SUITABLE FOR THEIR INTENDED USE. "Environmental Remediation Work" shall mean all investigation, sampling, monitoring, testing, reporting, removal (including, excavation, transportation and disposal), response, storage, remediation, treatment and other activities necessary for the performance of the Project, all in accordance with all requirements of Illinois Environmental Protection Agency ("IEPA"), and all applicable Laws, including, without limitation, all applicable Environmental Laws.

11.02 Condition of City Property. Developer has inspected the City Property and performed surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the City Property. The Sponsor and the Developer acknowledge that they are satisfied with the condition of the City Property.

11.03 Environmental Studies. The Developer hereby represents and warrants to the City that the Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, the Bond Ordinance, if any, and the Redevelopment Plan. The Developer represents and warrants that, as of the Closing Date, it shall deliver true and complete copies of all final environmental studies, reports, field data, correspondence with any environmental agency and similar documents prepared by or for the Developer (or otherwise obtained by the Developer) regarding the environmental condition of the Property (collectively, "Environmental Documents") as of the date hereof to the City.

11.04 Environmental Remediation. Developer has obtained a Phase I Environmental Site Assessment ("Phase I ESA") and a Phase II Environmental Site Assessment ("Phase II ESA") from Pioneer Engineering & Environmental Services, LLC, dated November 4, 2015 and March 2, 2017, respectively. Prior to closing, the Developer shall submit to the City an updated Phase I ESA completed within 180 days prior to closing and compliant with ASTM E1527-13. The City shall be an authorized user and be given permission from the Developer and Phase I ESA preparer to rely on the Phase I ESA. DFFM shall have the right to review and approve the sufficiency of the updated Phase I ESA.

11.05 Indemnity. Without limiting any other provisions hereof, the Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which the Developer, or any person directly or indirectly controlling, controlled by or under common control with the Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is

The provisions of this Section 11.05 shall survive the Closing Date.

The Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 13. INDEMNIFICATION

Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) the Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of the Developer or any Affiliate of Developer; or

(iv) the Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be

unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. The Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense. The Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by the Developer with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by the Developer hereunder:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any related agreement;

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory

or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Developer or the death of any natural person who owns a material interest in the Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who owns a material interest in the Developer, which is not dismissed within thirty (30) days, or the indictment of the Developer or any natural person who owns a material interest in the Developer, for any crime (other than a misdemeanor); or

(k) prior to the payment of all City Funds hereunder, the sale or transfer of a majority of the ownership interests of the Developer without the prior written consent of the City, except as provided under Section 4.09 herein.

(l) The failure of a Developer Party, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to a Developer Party, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

For purposes of Sections 15.01(i) and 15.01(j) hereof, a person with a material interest in the Developer shall be one owning in excess of ten (10%) of the Developer's membership interests.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and the Developer are or shall be parties, suspend disbursement of City Funds, place a lien on the Project in the amount of City Funds paid, and/or seek reimbursement of any City Funds paid and/or the City may re-enter and take possession of the City Property, terminate the estate conveyed to the Sponsor or Brin Life Center, LLC, and revest title to the City Property in the City pursuant to the applicable Reconveyance Deed; provided, however, the City's foregoing lien placement right and right of reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the City Property was owned by the Sponsor or Brin Life Center, LLC, and shall cause the release of all liens or

encumbrances placed on the City Property during the period of time the City Property was owned by the Sponsor or Brin Life Center LLC. The Sponsor and Brin Life Center LLC will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the City Property to the City by executing any customary transfer documents. Once the Certificate has been issued, the Reconveyance Deeds shall be void, the City shall return the Reconveyance Deeds to the Sponsor or Brin Life Center LLC, as applicable, and this remedy of reverter shall be extinguished.

The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period. In the event the Developer shall fail to perform a monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer shall fail to perform a non-monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

15.04 Right to Cure by Lenders and Investor Member. In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in the termination of this Agreement and all related agreements or the cancellation, suspension, reimbursement or reduction of City Funds disbursed hereunder, any Lender providing Lender Financing or the Investor Member shall have the right (but not the obligation) to cure such an Event of Default under the following conditions:

(i) if the Event of Default is a monetary default, Lender or Investor Member may cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer with respect to such monetary default; or (b) receipt by the Lender or the Investor Member, as applicable, of such notice from the City; and

(ii) if the Event of Default is of a non-monetary nature, Lender or Investor Member shall have the right to cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer with respect to such non-monetary default; or (b) receipt of such notice from the City; provided, however, that if such non-monetary default is not capable of being cured by the Lenders or the Investor Member within such 30-day period, such period shall be extended for such period of time as may be necessary, in the City's sole discretion, to cure such default, provided that the party seeking such cure has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured and, if possession of the Project is necessary to effect such cure, the party seeking such cure must have instituted appropriate legal proceedings to obtain possession.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit F hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and the Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 19.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 19.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, in which case the Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Developer of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

18.01 Conveyance of Title. The City hereby agrees to sell, and Sponsor hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the City Property, for the amount of Two and no/100 Dollars ($2.00). Following the City's conveyance of the City Property to the Sponsor, the Sponsor agrees to immediately convey the City Property to Brin Life Center, LLC. The Sponsor [or Developer] shall pay all escrow fees and other title insurance fees, premiums and closing costs.

18.02 Form of Quitclaim Deed. Without limiting the generality of the quitclaim nature of the deed, the City shall convey the City Property to the Sponsor by quitclaim deed ("Deed"), subject to the terms of this Agreement and the following:

(a) the Redevelopment Plan for the Redevelopment Area;

(b) the standard exceptions in an ALTA title insurance policy;

(c) general real estate taxes and any special assessments or other taxes;

(d) all easements, encroachments, covenants and restrictions of record and not shown of record;

(e) such other title defects as may exist; and

(f) any and all exceptions caused by the acts of the Sponsor, Developer or their agents.

18.03 Taxes. The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate taxes or tax liens on the City Property prior to the closing, to the extent such taxes or tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer, a motion to vacate a tax sale or a petition for exemption. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the title company to insure over such tax liens, or if the City Property is encumbered with any other unpermitted exceptions, Sponsor shall have the option to do one of the following: (a) accept title to the City Property subject to the unpermitted exceptions, which shall then become permitted exceptions; or (b) terminate this Agreement by delivery of written notice to the City at least fourteen (14) days prior to the Closing Date.

18.04 Closing. The closing for the City Property to Sponsor and Sponsor's re-conveyance of the City Property to Brin Life Center, LLC shall take place simultaneously and sequentially on the Closing Date.

18.05 Terms of City Deed and Agreement. The terms of this Agreement shall not be merged with the City's Deed conveying the City Property to the Sponsor, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

SECTION 19. MISCELLANEOUS

19.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement the Redevelopment Plan without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 19.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer by more than ninety (90) days.

19.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

19.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

19.04 Further Assurances. The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

19.05 Waiver. Waiver by the City or the Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

19.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

19.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

19.09 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

19.10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

19.11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances and/or the Bond Ordinance, if any, such ordinance(s) shall prevail and control.

19.12 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

19.13 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

19.14 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

19.15 Assignment. The Developer may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City; provided, however, that the Developer may collaterally assign its interest in this Agreement to the lender of the Construction Loan, if such lender requires such collateral assignment.

Any successor in interest to the Developer under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to Sections 8.19 (Real Estate Provisions) and 8.20 (Survival of Covenants) hereof, for the Term of the Agreement. The Developer consents to the City's sale, transfer, assignment or other disposal of this Agreement at any time in whole or in part.

19.16 Binding Effect. This Agreement shall be binding upon the Developer, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of the Developer, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

19.17 Force Majeure. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party

19.18 Exhibits. All of the exhibits attached hereto are incorporated herein by reference.

19.19 Business Economic Support Act. Pursuant to the Business Economic Support Act (30 ILCS 760/1 et seq.), if the Developer is required to provide notice under the WARN Act, the Developer shall, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and minority Leader of the Senate of State, and the Mayor of each municipality where the Developer has locations in the State. Failure by the Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

19.20 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party may hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

19.21 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer also will pay any court costs, in addition to all other sums provided by law.

19.22 Business Relationships. Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a business relationship that creates a "Financial Interest" (as defined in Section 2-156-010 of the Municipal Code)(a "Financial Interest"), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship that creates a Financial Interest, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Developer acknowledges and agrees that the City's obligation to pay for TIF-Funded Improvements up to a maximum of $7,172,228 is contingent upon the fulfillment of the conditions set forth above in Section 4.03(a) and Section 4.03(b). As used in this Agreement, "Adjustment Amount" shall mean the amount set forth under the caption "Adjustment Amount" in the table below:

If at least 50% of the total Non-City Grant Funds in excess of the Threshold are restricted to Community Programming and Grants, then Developer covenants, as part of the Operating Covenant, to use these funds for such purpose before the fourth anniversary of the date the Certificate is issued.

(c) City TIF Funds. Subject to the conditions described in this Section 4.03, the City shall pay City TIF Funds to Developer Parties in two installments as follows:

(i) Upon the completion of 50% of the Project (based on the amount of expenditures incurred in relation to the Project Budget), an amount equal to 50% of the City TIF Funds, or such lesser amount of costs related to TIF-Funded Improvements Developer has incurred and paid as of the date of the related Requisition Form; and

(a) TIF District Administration Fee. Annually, the City may allocate an amount not to exceed five percent (5%) of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be

in addition to and shall not be deducted from or considered a part of the City TIF Funds, and the City shall have the right to receive such funds prior to any payment of City TIF Funds hereunder.

(b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed $25,000 or $100,000 in the aggregate, may be made without the prior written consent of DPD.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City TIF Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City TIF Funds and of completing the Project.

4.07 Preconditions of Disbursement; Execution of Certificate of Expenditure. Prior to each disbursement of City Funds hereunder or execution of a Certificate of Expenditure by the City, Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement or execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement or execution of a Certificate of Expenditure, including but not limited to the deposit with the City of the Letter of Credit as set forth in Section 4.03(b) of this Agreement, the requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

The City must receive copies of any draw requests and related documents submitted to the Title Company for disbursements under the Escrow Agreement. If Lender Financing is provided as contemplated by Section 4.01(a) to bridge finance any of the City TIF Funds, then Developer may direct the amounts payable pursuant to Section 4.03 to be paid by the City in accordance with this Agreement to an account established by Developer with the Lender providing the Lender Financing until the full repayment of the Lender Financing.

The Developer has provided, and the City's Department of Fleet and Facility Management ("DFFM") shall have approved, a Phase I Environmental Site Assessment for the Property dated within 180 days prior to the Closing Date, and a Phase II Environmental Site Assessment for the Property. The Developer has provided the City with a letter from the environmental engineer(s) who completed such assessments, authorizing the City to rely on such assessments.

SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors. (a) Except as set forth in Section 6.01(b) below, prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and shall submit all bids received to DPD for its inspection and written approval. (i) For the TIF-Funded Improvements, Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. If Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. (ii) For Project work other than the TIF-Funded Improvements, if Developer selects a General Contractor (or the General Contractor selects any subcontractor) who has not submitted the lowest responsible bid, the difference between the lowest responsible bid and the higher bid selected shall be subtracted from the actual total Project costs for purposes of the calculation of the amount of City Funds to be contributed to the Project pursuant to Section 4.03(b) hereof. Developer shall submit copies of the Construction Contract to DPD in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof. Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

(b) If, prior to entering into an agreement with a General Contractor for construction of the Project, Developer does not solicit bids pursuant to Section 6.01(a) hereof, then the fee of the General Contractor proposed to be paid out of City Funds shall not exceed 10% of the total amount of the Construction Contract. Except as explicitly stated in this paragraph, all other provisions of Section 6.01(a) shall apply, including but not limited to the requirement that the General Contractor shall solicit competitive bids from all subcontractors.

6.02 Construction Contract. Prior to the execution thereof, Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for DPD's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. Within ten (10) business days after execution of such contract by Developer, the General Contractor and any other parties thereto, Developer shall deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, Developer shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a bond in the form attached as Exhibit O hereto. The City shall be named as obligee or co-obligee on any such bonds.

6.04 Employment Opportunity. Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10 hereof.

6.05 Other Provisions. In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to

Section 3.04 (Change Orders), Section 8.09 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Employment Requirement). Section 10.03 (MBE/WBE Requirements, as applicable), Section 12 (Insurance) and Section 14.01 (Books and Records) hereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof.

SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction or Rehabilitation. Upon completion of construction of the Project in accordance with the terms of this Agreement, and upon the Developer's written request, which shall include a final Project budget detailing the total actual cost of the construction of the Project (the "**Final Project Cost**"), DPD shall issue to the Developer the Certificate (the "**Certificate**"), all in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. No Certificate shall be issued unless DPD is satisfied that the Developer has fulfilled all of the following obligations:

(a) Receipt of a Certificate of Occupancy or other evidence acceptable to DPD that the Developer has complied with building permit requirements for the Project;

(b) Developer has completed construction of the Project according to the Plans and Specifications;

(c) The Facility is open for operation, and the Opening Occupancy has been attained;

(d) The Final Project Cost is at least $34,~~024,069~~060,280 (as described in Section 4.03(b), the amount of City TIF Funds will be reduced if the Final Project Cost is less than $34,~~024,069~~060,280);

(e) Evidence that Developer has incurred TIF-eligible costs, in an equal amount to, or greater than, $7,172,228;

(f) The City's Monitoring and Compliance Unit has verified that, at the time the Certificate is issued, the Developer is in full compliance with City requirements set forth in **Section 10** and **Section 8.09** (M/WBE, City Residency and Prevailing Wage) with respect to construction of the Project, and that 100% of the Developer's MBE/WBE Commitment in **Section 10.03** has been fulfilled;

(g) The Developer has provided evidence acceptable to DPD that the Developer has complied with the Sustainable Development Policy for the Project; provided, however, that if the City determines prior to issuing the Certificate that the Project does not satisfy the Sustainable Development Policy, then the Letter of Credit Amount shall increase by $250,000;

(h) There exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default; and

(i) The Developer delivered the Letter of Credit as set forth in Section 4.03(b);

DPD shall respond to the Developer's written request for a Certificate within forty-five (45) days by issuing either the requested Certificate or a written statement detailing the ways in which the Project as a whole does not conform to this Agreement or has not been satisfactorily completed, and the measures that must be taken by the Developer in order to obtain the Certificate. The Developer may resubmit a written request for a Certificate upon its completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02 (*Covenant to Redevelop*), 8.06 (*Job Creation and Retention; Operating Covenant*), 8.19 (*Real Estate Provisions*), 8.21 (*Annual Compliance Report*), 8.24 (*Master Lease and Lease Representations, Warranties and Covenants*), and 8.26 (*Payment upon Sale or Refinancing*) as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

7.03 Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement ~~and~~, cease all disbursement of City Funds not yet disbursed pursuant hereto ~~and~~, draw down the entire amount of the Letter of Credit and/or exercise any other applicable rights and remedies described in Section 15.02, including without limitation the Right of Reverter, as applicable;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City TIF Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City TIF Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City TIF Funds; and

(c) the right to seek reimbursement of the City Funds from Developer.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF DEVELOPER.

8.01 General. Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder and throughout the Term of the Agreement, that:

(a) ~~Developer~~Each of Hatchery, Hatchery Titleholder, KIDC and Accion is an Illinois not-for-profit corporation duly organized, validly existing, qualified to do business in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required; and Master Tenant is an Illinois limited liability company duly organized, validly existing, qualified to do business in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by Developer of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate its Articles of Incorporation or by-laws as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which Developer is now a party or by which Developer is now or may become bound;

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, Hatchery Titleholder shall acquire and shall maintain good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon), and Hatchery Titleholder shall acquire and shall maintain good, indefeasible and merchantable leasehold title to the Property (and all improvements thereon), in each case free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that Developer is contesting in good faith pursuant to Section 8.15 hereof)

(e) Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Developer which would impair its ability to perform under this Agreement;

(g) Developer has and shall maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project;

(h) Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of Developer, and there has been no material adverse change in

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code;

(m) neither Developer nor any affiliate of Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term A"affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

(n) Developer understands that (i) the City TIF Funds are limited obligations of the City, payable solely from moneys on deposit in the Hatchery Project Account of the TIF Fund; (ii) the City Funds do not constitute indebtedness of the City within the meaning of any constitutional or statutory provision or limitation; (iii) Developer will have no right to compel the exercise of any taxing power of

the City for payment of the City Funds; and (iv) the City Funds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the City, the State of Illinois or any political subdivision thereof;

(o) Developer has sufficient knowledge and experience in financial and business matters, including municipal projects and revenues of the kind represented by the City Funds, and has been supplied with access to information to be able to evaluate the risks associated with the receipt of City Funds;

(p) Developer understands that there is no assurance as to the amount or timing of receipt of City Funds, and that the amounts of City Funds actually received by such party are likely to be substantially less than the maximum amounts set forth in Section 4.03(b);

(q) Developer understands it may not sell, assign, pledge or otherwise transfer its interest in this Agreement or City Funds in whole or in part except in accordance with the terms of Section 18.14 of this Agreement, and, to the fullest extent permitted by law, agrees to indemnify the City for any losses, claims, damages or expenses relating to or based upon any sale, assignment, pledge or transfer of City Funds in violation of this Agreement;

(r) Developer acknowledges that with respect to City Funds, the City has no obligation to provide any continuing disclosure to the Electronic Municipal Market Access System maintained by the Municipal Securities Rulemaking Board, to any holder of a note relating to City Funds or any other person under Rule 15c2-12 of the Commission promulgated under the Securities Exchange Act of 1934 or otherwise, and shall have no liability with respect thereto; and

(s) Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract (as defined below) is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later of (i) May 16, 2011, or (ii) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and Developer's receipt of all required building permits and governmental approvals, Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Bond Ordinance, the TIF Bond Ordinance, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or Developer. The covenants set forth in this Section 8.02 shall run with the land and the leasehold interest and be binding upon any transferee for the Term of the Agreement, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan, which is hereby incorporated by reference into this Agreement.

8.04 Use of City Funds. City TIF Funds disbursed to Developer shall be used by Developer solely to pay for (or to reimburse Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement. City Non-TIF Funds disbursed to Developer shall be used by Developer solely to pay for (or to reimburse Developer for its payment for) other Project Costs as provided in this Agreement.

8.05 Other Bonds. Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (the "Bonds"); provided, however, that any such amendments shall not have a material adverse effect on Developer or the Project. Developer shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 **Job Creation and Retention; Operating Covenant.**

(a) Operating Covenant. The Developer hereby covenants and agrees, throughout the Compliance Period, (i) to maintain the Minimum Occupancy; (ii) to satisfy the Community Benefits Agreement, (iii) if applicable under Section 4.03(b), to use at least 50% of the total Non-City Grant Funds in excess of the Threshold for Community Programming and Grants, (iv) to cause the Project to be operated consistent with the description of the Project in the Recitals and with this Agreement; (~~iv~~v) not to lease the Project except pursuant to or as contemplated in the Master Lease or the Lease, or consistent with the Minimum Occupancy requirement; and (~~v~~vi) not to include any restriction upon the use and operation of the Property and the Project in any contract of sale or deed (or similar instrument) of conveyance (the covenants in clauses (i) through (~~v~~vi) shall be referred to collectively as the "**Operating Covenant**"). Wherever there is a conflict between the permitted uses of the Property and the Project, between this Agreement and the other controlling documents set forth above, the terms of this Agreement shall control.

(b) Job Creation and Retention. The Developer anticipates that the Project will result in the creation of (i) approximately 150 FTE construction jobs at the Project during the construction thereof (the "**Construction Jobs**") and (ii) approximately 6 FTE permanent jobs at the Project at the completion thereof to be retained or created at the Facility through the Compliance Period (the "**Permanent Jobs**"); provided, that the failure of the Project to result in the creation of the anticipated number of Construction Jobs and/or Permanent Jobs described in this sentence shall not constitute an Event of Default.

(c) Jobs and Occupancy Certificates. Each Year throughout the Term of the Agreement, the Developer shall submit to DPD, with the Developer's Annual Report, annual certified Jobs and Occupancy Certificates disclosing (i) information about Construction Jobs and Permanent Jobs and (ii) compliance with the Minimum Occupancy requirement, the Community Benefits Agreement and other aspects of the Operating Covenant. These Jobs and Occupancy Certificates shall be submitted to DPD by February 1st for the prior calendar year.

The covenants set forth in this Section 8.06 shall run with the land and the leasehold interest and be binding upon any transferee for the Term of the Agreement.

A default by either Hatchery Titleholder or the Master Tenant under the Master Lease, or by Master Tenant, Accion or Hatchery under the Lease, shall not (a) relieve Developer from its obligations under this Agreement or (b) constitute any defense, excuse of performance, release, discharge or similar form of equitable or other relief that would prevent or limit the City's enforcement of its remedies under this Agreement.

8.07 Employment Opportunity; Progress Reports. Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City when the Project is 25%, 50%, 70% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8.08 Employment Profile. Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Prevailing Wage. Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly,

in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement or other Project Costs, as applicable. Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. Developer shall obtain and provide to DPD Financial Statements for Developer's fiscal year ended 2016 and each year thereafter for the Term of the Agreement. In addition, Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14 Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient

undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws.

(a) Representation. To the best of Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be, as and when required, in compliance with all applicable Laws pertaining to or affecting the Project and the Property. Upon the City's request, Developer shall provide evidence satisfactory to the City of such compliance.

(b) Covenant. Developer covenants that the Property and the Project will be operated and managed in compliance with all Laws. Upon the City's request, the Developer shall provide evidence to the City of its compliance with this covenant.

8.18 Recording and Filing. Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions. The covenants set forth in this Section 8.19 shall run with the land and the leasehold interest and be binding upon any transferee for the Term of the Agreement.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by

appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

(c) [intentionally omitted]

(d) Notification to the Cook County Assessor of Change in Use and Ownership. Prior to the Closing Date, Developer shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. On the Closing Date, Developer shall pay to the Title Company the cost of sending the notification to the Cook County Assessor via certified mail, return receipt requested. After delivery of the notification, Developer shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office.

8.20 [intentionally omitted].

8.21 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates. Failure by Developer to submit the Annual Compliance Report shall constitute an Event of Default under Section 15.01 hereof, without notice or opportunity to cure pursuant to Section 15.03 hereof. The covenants set forth in this Section 8.21 shall run with the land and the leasehold interest and be binding upon any transferee for the Term of the Agreement.

8.22 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.23 Intentionally Omitted

8.24 Master Lease and Lease Representations, Warranties and Covenants. The Developer represents, warrants and covenants as follows:

(a) as of the date hereof, each of the Master Lease and the Lease is valid and binding as to Hatchery Titleholder, Master Tenant, Accion, and Hatchery, as applicable, is in full force and effect, and is either unmodified or modified only by approved Material Amendments and/or amendments that do not constitute Material Amendments;

(b) as of the date hereof, each of the Hatchery Titleholder, Master Tenant, Accion, and Hatchery has performed all of its current obligations under each of the Master Lease and the Lease;

(c) Throughout the Term of the Agreement, each of Hatchery Titleholder, Master Tenant, Accion, and Hatchery: (i) shall deliver to DPD a copy of written notice of any change in circumstances of which Developer has knowledge that makes the representations and warranties in this Section 8.24 inaccurate; and (ii) shall comply with its obligations under each of the Master Lease and the Lease;

(d) Throughout the Term of the Agreement, none of Hatchery Titleholder, Master Tenant, Accion, nor Hatchery shall (i) execute or consent to a Material Amendment or (ii) sell, sublease, release, assign or otherwise transfer its interest in either the Master Lease or the Lease, as applicable, except as contemplated by the Lease and as consistent with the Operating Covenant without the prior written consent of DPD, which consent shall be in DPD's sole discretion;

(e) If Master Tenant at any time acquires a fee interest in the Property, then simultaneously with such acquisition, Master Tenant shall execute and deliver to the City a Junior Mortgage, which shall be a second mortgage unless the Lender Financing is secured by two separate mortgage loans, in which event the Junior Mortgage may be a third mortgage; and

(f) After the NMTC Compliance Period, and upon the repayment, retirement, or extinguishment of the NMTC Loan, the City will release the Junior Mortgage provided by the Master Tenant and Hatchery Titleholder shall execute and deliver to the City a Junior Mortgage, which shall be a second mortgage unless the Lender Financing is secured by two separate mortgage loans, in

which event the Junior Mortgage may be a third mortgage. If requested by the holder of a Permitted Mortgage, the City shall enter into a substitute subordination agreement, as described in Section 18.21.

The covenants set forth in this Section 8.24 shall run with the land and the leasehold interest and be binding upon any transferee for the Term of the Agreement.

8.25. FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City under Section 8.21, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

8.26 Payment upon Sale or Refinancing. With respect to a Sale or Refinancing during the Term of the Agreement, Developer (a) shall provide the City within thirty business days before the closing, a copy of the signed purchase and sale or refinancing agreement, including all exhibits, an estimate of the Net Proceeds from such transaction, and an estimate of the anticipated amount to be paid to the City, and (b) shall provide the City within five business days after the closing, a certified closing statement for such Sale or Refinancing and a check or wire transfer in the amount of 50% of the Net Proceeds of such Sale or Refinancing~~.~~, provided, however, that such amount shall not exceed the amount of City Funds previously paid to Developer plus compounded interest from the date the City Funds were disbursed.

If Developer, pursuant to this Section 8.26 repays the entire amount of City Funds previously disbursed by the City plus compounded interest from the date the City Funds were disbursed, then promptly following such repayment the City shall execute and deliver to Developer a release of this Agreement in recordable form, to be recorded by Developer at Developer's expense.

"Foreclosure" shall mean the succession by a lender providing Lender Financing to the interest of Developer in the Project, the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or proceeding in lieu of foreclosure or otherwise, and excluding any subsequent Sale.

"Net Proceeds" of any Sale or Refinancing shall mean an amount equal to the proceeds of any Sale or Refinancing realized by Developer or the owners of the members of the Developer (in the case of a Sale of Developer's membership interests) or Lender (in the case of a Foreclosure), minus (w) all accrued and unpaid Lender Financing on the Project or the portion thereof sold or refinanced, not forgiven, assumed or taken subject to by the buyer, (x) in the case of a Sale by a lender after Foreclosure, the amount of Lender Financing satisfied by the Foreclosure, (y) reasonable and customary closing costs and expenses of any such Sale or Refinancing, subject to approval by the City, and (z) the cost of capital improvements to the Project approved by the Commissioner of DPD.

"Refinancing" shall mean the refinancing by the Developer of the Lender Financing; provided, that this term shall exclude any refinancing, in connection with the expiration of the NMTC Compliance Period, of any or all of the Lender Financing in a principal amount not to exceed the aggregate outstanding principal balance of the Lender Financing immediately prior to such refinancing.

"Sale" shall mean (a) the sale, exchange or other disposition of all or any portion of the Project and/or the Property by Developer to a buyer for cash, property, assumption of indebtedness or other consideration, or (b) the sale, exchange or other disposition of all or any portion of the Developer's membership interests, or the issuance of additional membership interests by Developer, for cash, property, assumption of indebtedness or other consideration; provided, however, that while a Foreclosure shall not constitute a Sale, any subsequent sale, exchange or other disposition of all or any portion of the Project and/or the Property after Foreclosure shall constitute a Sale.

The covenants set forth in this Section shall run with the land and be binding upon any transferee throughout the Term of the Agreement.

8.27 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.28 Letter of Credit. As a condition to the payment described in Section 4.03(c)(i), the Developer shall deposit with the City the Letter of Credit in the applicable Letter of Credit Amount. The Developer shall maintain a valid Letter of Credit in the applicable Letter of Credit Amount until the first anniversary of the date the Certificate is issued.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the AEmployers" and individually an AEmployer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the AHuman Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the ANotice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and AStandard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the AMBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 26 percent by MBEs.
(2) At least six percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring

staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, (3) exercise all remedies available under the Junior Mortgage or (4) seek any other remedies against Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

11.01 Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, the Bond Ordinance and the Redevelopment Plan.

Without limiting any other provisions hereof, Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which Developer, or any person directly or indirectly controlling, controlled by or under common control with Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Developer or any of its Affiliates under any Environmental Laws relating to the Property.

11.02 As-Is Sale

(a) City has granted Developer one or more rights of entry in order for Developer to perform or cause to be performed any structural, physical and environmental inspections of the City Property as Developer deems necessary. Developer acknowledges that it has had adequate opportunity to inspect and evaluate the structural, physical and environmental condition and risks of the City Property and accepts the risk that any inspection may not disclose all material matters affecting the City Property. Notwithstanding anything to the contrary contained in this Agreement, it is expressly understood and agreed that the Hatchery Titleholder is buying the City Property in its "as is" and "where is" condition as of the time of the Closing, and with all faults and defects, latent or otherwise, and that City has not made and does not make any covenant, representation or warranty,

express or implied, of any kind, or give any indemnification of any kind to Developer and Hatchery Titleholder, with respect to the physical, structural or environmental condition or value of the City Property, its compliance with any statute, ordinance or regulation, or its habitability, suitability, merchantability or fitness for any purpose whatsoever. Developer acknowledges that it is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. Developer agrees that it is Developer's sole responsibility and obligation to perform any work and take such other action as is necessary to put the City Property in a condition which is suitable for its intended use.

(b) Developer acknowledges that City is not liable for, or bound in any manner by, any express or implied warranties, guarantees, promises, statements, inducements, representations or information pertaining to the City Property made or furnished by any real estate agent, broker, employee, or other person representing or purporting to represent the City, including, without limitation, with respect to the physical condition, size, zoning, income potential, expenses or operation thereof, the uses that can be made of the same or in any manner or thing with respect thereof.

11.03 Environmental Studies

(a) The Developer hereby represents and warrants to the City that the Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Plans and Specifications and all amendments thereto, and the Redevelopment Plan. The Developer represents and warrants that, as of the Closing Date, it shall deliver true and complete copies of all final environmental studies, reports, field data, correspondence with any environmental agency and similar documents prepared by or for the Developer (or otherwise obtained by the Developer) regarding the environmental condition of the Property (collectively, "Environmental Documents") as of the date hereof to the City.

(b) Developer has obtained a Phase I Environmental Site Assessment ("Phase I ESA") and a Phase II Environmental Site Assessment ("Phase II ESA") from Environmental Design International, Inc. dated January 12, 2016 and March 15, 2016, respectively. Prior to closing, the Developer shall submit to the City an updated Phase I ESA completed within 180 days of Closing and compliant with ASTM E1527-13. The City shall be an authorized user and be given permission from the Developer and Phase I ESA preparer to rely on the Phase I ESA. The City's Department of Fleet and Facility Management ("DFFM") shall have the right to review and approve the sufficiency of the updated Phase I ESA.

11.04 Environmental Remediation

(a) The Phase II ESA identified contamination above industrial/commercial remediation objectives as determined by Title 35 of the Illinois Administrative Code ("IAC") Part 742, and the Developer must enroll the Property (or any portion thereof) in the Illinois Environmental Protection Agency's ("IEPA") Site Remediation Program ("SRP"). Any underground storage tanks ("USTs") identified must be removed and closed in accordance with applicable regulations including Title 41 of IAC Part 175 and any identified leaking USTs must be properly addressed in accordance with 35 IAC Part 734.

(b) The Developer acknowledges and agrees that it may not commence construction on the Property until the IEPA issues a Remedial Action Plan Approval Letter ("RAP Approval Letter") for the Property.

(c) "Remediation Work" shall mean all investigation, sampling, monitoring, testing, removal (including, excavation, transportation and disposal), response, storage, remediation, treatment and other activities necessary for the performance of the Project, all in accordance with all requirements of the IEPA, and all applicable Laws, including, without limitation, all applicable Environmental Laws.

It is expressly agreed and understood by and among Developer, Hatchery Titleholder and the City that, should any future obligation of Developer or Hatchery Titleholder, or any of Developer or successors or assigns, arise or be alleged to arise in connection with any environmental, soil or other condition of the City Property, neither Developer, Hatchery Titleholder, nor any of their current or former officers, directors, employees, agents, predecessors, successors or assigns, will assert that those obligations must be satisfied in whole or in part by the City because this Section 11.05 contains a full, complete and final release of all such claims.

However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to The Hatchery~~,~~ Title Holding Corporation NFP, an Illinois not-for-profit corporation ("Hatchery Titleholder"), The Hatchery Master Tenant LLC, an Illinois limited liability company (the "Master Tenant"), The Hatchery Chicago Illinois, an Illinois not-for-profit corporation ("Hatchery"), Kinzie Industrial Development Corporation, an Illinois not-for-profit corporation ("KIDC") and Accion/Chicago, Inc., doing business as Accion Chicago, an Illinois not-for-profit corporation ("Accion"; together with Hatchery, Hatchery Titleholder, Master Tenant and KIDC, collectively, ~~the~~ "Developer") in connection with the construction of certain facilities located in the Kinzie Industrial Conservation Area Tax Increment Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) Hatchery Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

(b) the Junior Mortgage of even date herewith executed by Developer;

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined:

(a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) Bylaws, as amended to date, and (iv) records of all corporate proceedings relating to the Project; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign corporation under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's Articles of Incorporation or Bylaws or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent

inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. (Sub)Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on (Sub)Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

_____

(a) Mortgagor will pay when due all general taxes and assessments, special assessments, water charges and all of the charges against the Mortgaged Property and shall, upon written request, furnish to Mortgagee receipts evidencing payment thereof, provided that Mortgagor, in good faith and with reasonable diligence, may contest the validity or amount of any such taxes, assessments or charges, provided that during any such contest the enforcement of the lien of such taxes, assessments or charges is stayed or is otherwise in compliance with the applicable provisions of the Redevelopment Agreement with respect thereto.

(b) Mortgagor will not suffer (unless bonded or insured over) any mechanic's, laborer's, materialmen's, or statutory lien to remain outstanding upon any of the Mortgaged Property. (b) Pursuant to the terms of the Agreement, Mortgagor, from the execution date of the Mortgage until the expiration of the Term of the Agreement (such time period to be referred to as the "Enforceability Period"), shall complete the Project in accordance with the terms and conditions of the Agreement, and shall, until the expiration of the Term of the Agreement, abide by the Covenants.

4.2 Recapture. If during the Enforceability Period, Mortgagor fails to complete the Project in accordance with the terms and conditions of the Agreement or subsequent to the issuance of the Certificate by the City, fails to perform in accordance with the Covenants, and after the delivery of written notice and the expiration of any applicable cure period (as described in Section 15 of the Agreement) the City shall be entitled to recapture, and Mortgagor shall be obligated to pay the City, an amount equal to the funds then subject to recapture (as described in Section 4.1 above). The Mortgagee may proceed to foreclose this Mortgage and to exercise any other rights and remedies available to Mortgagee under this Mortgage and the Agreement and at law, in equity or otherwise

4.3 Release of Mortgage. Upon the expiration of the Enforceability Period, if Mortgagor has complied with the Covenants to the satisfaction of Mortgagee, then Mortgagor shall be deemed to have fully complied with the provisions contained in the Mortgage, and Mortgagor shall be under no further obligation to Mortgagee. In addition, if Mortgagor has paid to the City the entire amount of the Reimbursement Obligation which would then be due (calculated as if there had been a failure by Mortgagor to comply with the Covenants) as described in Section 4.1 then Mortgagor shall be under no further obligation to Mortgagee hereunder. In either event, within thirty (30) days of receipt of a written request from Mortgagor, Mortgagee shall execute a release of the Mortgage. Said release shall be in recordable form.

SECTION V

DEFAULT

5.1 Events of Default. The terms "Event of Default" or "Events of Default", wherever used in the Mortgage, shall mean the failure by Mortgagor to duly observe or perform any material term, covenant, condition, or agreement of the Mortgage or the Covenants after the expiration of all

cure periods, if any, as provided herein or in the Agreement.

5.2 Mortgagee's Options; Subrogation; Acceleration; Cure. (a) In case of an Event of Default, Mortgagee may make any payment or perform any act required of Mortgagor and may make full or partial payments of principal or interest on any Lender Financing or prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim thereof, or redeem the Mortgaged Property from any tax sale or forfeiture affecting the Mortgaged Property or contest any tax or assessment thereon. All monies paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorneys' fees, and any other monies advanced by Mortgagee to protect the Mortgaged Property and the lien hereof, shall be deemed additional indebtedness secured hereby. Inaction of Mortgagee shall never be considered as a waiver of any right accruing to it on account of any default on the part of Mortgagor.

(b) To the extent that Mortgagee, on or after the date hereof, pays any sum under any provision of law or any instrument or document creating any lien or other interest prior or superior to the lien of this Mortgage, or Mortgagor or any other person or entity pays any such sum with the proceeds of the indebtedness secured hereby, Mortgagee shall have and be entitled to a lien or other interest on the Mortgaged Property equal in priority to the lien or other interest discharged and Mortgagee shall be subrogated to, and receive and enjoy all rights and liens possessed, held or enjoyed by, the holder of such lien, which shall remain in existence and benefit Mortgagee in securing the indebtedness secured hereby; provided however Mortgagee shall not be entitled to a lien or other interest in the Mortgaged Property pursuant to any lien created by the Lender Financing documents.

(c) If an Event of Default shall have occurred under the Agreement (with respect to the Covenants) or the Mortgage, and shall have continued for thirty (30) days following the receipt of notice thereof from Mortgagee to Mortgagor, the amount of the Reimbursement Obligation for which Mortgagor is then liable (as determined by Section 4.1 above) and secured hereby, at Mortgagee's sole option, shall immediately become due and payable without further notice or demand; provided, however, that in the event such default cannot reasonably be cured within such thirty (30) day period and if Mortgagor has commenced efforts to cure, then. the time to cure shall be extended so long as said party diligently continues to cure such default; provided, further, that no such notice and cure provisions described above shall apply with respect to an Event of Default arising from the failure by Mortgagor to perform the Covenants, as the notice and cure periods, if any, of the Agreement shall apply to such Event of Default.

(d) Except as otherwise permitted by the terms of the Agreement or by Mortgagee's written consent, any sale, partial sale, refinancing, syndication or other disposition of all or substantially all of the Mortgaged Property (other than in the ordinary course of the Mortgagor's business) shall entitle the Mortgagee to declare the Reimbursement Obligation for which Mortgagor is then liable (as determined by Section 4.1 above) and secured hereby immediately due and payable without further notice or demand; provided, however, the replacement or substitution of any machinery, equipment or fixtures, now owned or hereafter acquired by Mortgagor, with machinery or equipment of like kind and value, whether or not such machinery or equipment is deemed a fixture under applicable provisions of the Code, will not be an Event of Default under the Mortgage, provided Mortgagor, if requested to do so by Mortgagee, executes such documents as may be necessary or deemed appropriate to assure Mortgagee of a continuing perfected secured interest in such replacement or substituted machinery, equipment or fixtures.

5.3 Remedies. Mortgagee's remedies as provided in this Mortgage and the Agreement shall

be cumulative and concurrent and may be pursued singularly, successively or together, at the sole discretion of Mortgagee and may be exercised as often as occasion therefor shall arise, and shall not be exclusive but shall be in addition to every other remedy now or hereafter existing at law, in equity or by statute.

5.4 Additional Indebtedness. In the event that the Mortgagee retains an attorney to: (a) assist in collecting amounts owed or enforcing the Mortgagee's rights under this Mortgage or the Agreement; (b) represent Mortgagee in any bankruptcy, reorganization, receivership or other proceedings affecting creditors' rights and involving a claim under this Mortgage or the Agreement; (c) protect or enforce the lien of this Mortgage; or (d) represent Mortgagee in any other proceedings whatsoever in connection with this Mortgage, the Agreement or the Mortgaged Property, then Mortgagor shall pay to Mortgagee all reasonable attorneys' fees, and all costs and expenses incurred in connection therewith.

5.5 No Waiver. Failure of Mortgagee, for any period of time or on more than one occasion, to exercise any such remedy shall not constitute a waiver of the right to exercise the same at any time thereafter or in the event of any subsequent Event of Default. No act of omission or commission of Mortgagee, including specifically any failure to exercise any right or remedy, shall be deemed to be a waiver or release of the same; any such waiver or release is to be effected only through a written document executed by Mortgagee and then only to the extent specifically recited therein. A waiver or release with reference to any one event shall not be construed as a waiver or release of any subsequent event or as a bar to any subsequent exercise of Mortgagee's rights or remedies hereunder. Except as otherwise specifically required herein, notice of the exercise of any right or remedy granted to Mortgage is not required to be given.

5.6 Right of Possession. To the extent permitted by law, in any case in which, under the provisions of this Mortgage, Mortgagee has a right to institute foreclosure proceedings, whether before or after the institution of such proceedings or before or after sale thereunder, Mortgagor shall, at the option of Mortgagee, surrender to Mortgagee, and Mortgagee shall be entitled to take, actual possession of all or any portion of the Mortgaged Property personally or by its agents or attorneys, and Mortgagee, in its sole discretion, may enter upon, take and maintain possession of all or any portion of the Mortgaged Property.

Upon taking possession of the Mortgaged Property, Mortgagee may make all necessary or proper repairs, decoration, renewals, replacements, alterations, additions, betterments and improvements in connection with the Mortgaged Property as it may deem judicious to insure, protect and maintain the Mortgaged Property against all risks incidental to Mortgagee's possession, operation and management thereof, and may receive all rents, issues and profits therefrom.

5.7 Foreclosure Sale. The Mortgaged Property or any interest or estate therein sold pursuant to any court order or decree obtained under this Mortgage shall be sold in one parcel, as an entirety, or in such parcels and in such manner or order as Mortgagee, in its sole discretion, may elect, to the maximum extent permitted by Illinois law. At any such sale, Mortgagee may bid for and acquire, as purchaser, all or any portion of the Mortgaged Property and, in lieu of paying cash therefor, may make settlement for the purchase price by crediting upon the indebtedness due the amount of Mortgagee's bid.

5.8 Application of Proceeds from Foreclosure Sale. Proceeds of any foreclosure sale of the Mortgaged Property shall be distributed and applied in the following order of priority: (i) on account of all costs and expenses incident to the foreclosure proceedings, (ii) the amounts owed pursuant to

Section 4.1 of this Mortgage, and otherwise due and payable under this Mortgage, with interest thereon at the rate of fifteen percent (15%) per annum (the "Interest Rate"), and (iii) any surplus or remaining funds to Mortgagor, its successors or assigns, as their rights may appear.

5.9 Insurance Upon Foreclosure. Wherever provision is made in the Agreement for insurance policies to bear mortgage clauses or other loss payable clauses or endorsements in favor of Mortgagee, or to confer authority upon Mortgagee to settle or participate in the settlement of losses under policies of insurance or to hold and disburse or otherwise control use of insurance proceeds, from and after the entry of judgment of foreclosure all such rights and powers of Mortgagee shall continue in Mortgagee as judgment creditor or mortgagee until confirmation of sale. Upon confirmation of sale, Mortgagee shall be empowered to assign all policies of insurance to the purchaser at the sale. In case of an insured loss after foreclosure proceedings have been instituted, the proceeds of any insurance policy or policies, if not applied in restoring the Mortgaged Property, shall be used to pay the amount due in accordance with any foreclosure decree that may be entered in any such proceedings, and the balance, if any, shall be paid as the court may direct.

5.10 Waiver of Statutory Rights. To the extent permitted by law, Mortgagor shall not apply for or avail itself of any appraisement, valuation, redemption, reinstatement, stay, extension or exemption laws or any so-called "Moratorium Laws" now existing or hereafter enacted, in order to prevent or hinder the enforcement of foreclosure of this Mortgage and hereby waives the benefit of such laws. Mortgagor, for itself and all who may claim through or under it, waives any and all right to have the property and estates comprising the Mortgaged Property marshalled upon any foreclosure of the lien hereof and agrees that any court having jurisdiction to foreclose such lien may order the Mortgaged Property sold as an entirety. To the extent permitted by law, Mortgagor hereby expressly waives any and all rights of redemption and rein-statement, on its own behalf and on behalf of each and every person having a beneficial interest in Mortgagor, it being the intent hereof that any and all such rights of redemption or rein-statement of Mortgagor and of all other persons are and shall be deemed to be hereby waived. Mortgagor acknowledges that the Mortgaged Property do not constitute agricultural real estate, as said term is defined in Section 5/15-1201 of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-1101, et seq. (the "Act") or residential real estate as defined in Section 5/15-1219 of the Act.

5.11 Partial Payments. Acceptance by Mortgagee of any payment which is less than payment in full of all amounts due and payable at the time of such payment shall not constitute a waiver of Mortgagee's right to exercise its option to declare the whole of the sum then remaining unpaid, together with all interest thereon at the Interest Rate, immediately due and payable without notice, or any other rights of Mortgagee at that time or any subsequent time, without its express written consent, except and to the extent otherwise provided by law.

5.12 Rescission of Election. The obligation to make immediate payment of the City Funds, once such payment becomes due under the terms of this Mortgage, may at the option of Mortgagee be rescinded, and any proceedings brought to enforce any rights or remedies hereunder may, at Mortgagee's option, be discontinued or dismissed. In either of such events, Mortgagor and Mortgagee shall be restored to their former positions, and the rights, remedies and powers of Mortgagee shall continue as if such obligation to make immediate payment had not been made or such proceedings had not been commenced, as the case may be.

5.13 Protective Advances; Maximum Amount of Indebtedness. All advances, disbursements and expenditures made by Mortgagee before and during a foreclosure, and before and after judgment of foreclosure, and at any time prior to sale, and, where applicable, after sale,

and during the pendency of any related proceedings, for the following purposes, in addition to those otherwise authorized by this Mortgage or by the Act (collectively "Protective Advances"), shall have the benefit of all applicable provisions of the Act, including those provisions of the Act hereinbelow referred to:

Amendment No. 6 Summary

Tax Increment Financing ("TIF") is permitted by the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended (the "Act"). The Act provides a mechanism for municipalities, after meeting the requirements and procedures for establishing a redevelopment project area and a redevelopment plan, to mitigate blighting influences, encourage local growth and development, and attract new private development to the redevelopment area.

The Stockyards Southeast Quadrant Industrial Tax Increment Financing Redevelopment Plan and Project (the **"Original Plan"**) and Project Area (the **"Original Project Area"**) was approved on February 26, 1992, amended by Amendment No. 1 on September 14, 1994, amended by Amendment No. 2 on January 10, 1996, amended by Amendment No. 3 on March 19, 1997, amended by Amendment No. 4 on July 30, 2014 and subsequently amended by Amendment No. 5 on November 1, 2016 which extended the life of the TIF by an additional 12 years. The Original Plan included a legal description of the Original Area, assessment of TIF eligibility factors, goals and objectives, project costs, sources of funds, valuation of parcels, impacts on surrounding areas and taxing bodies, and a brief housing impact analysis.

The Original Plan, inclusive of Amendments No. 1 thru 5, is being amended to expand the boundaries, update the budget and increment projections, add portability language allowing portability between The Stockyards Southeast Quadrant Industrial TIF and all adjacent TIF districts and bring the Original Plan up to current City policy standards in accordance with the Act. This Amendment No. 6 document (the "Amendment") will provide information on the area proposed to be added and qualified (the "Added Area") to the Original Area and other changes to the Original Plan.

MODIFICATIONS TO ORIGINAL PROJECT AND PLAN

The Stockyards Southeast Quadrant Industrial Tax Increment Financing Redevelopment Project Area which was referred to as the **"Project Area"** will herein be referred to as the **"Original Project Area"**. The area proposed to be added to the Original Project Area will herein be referred to as the **"Added Area"**. The Original Project Area, as amended by the Added Area, shall be referred to herein as the **"Redevelopment Project Area"**.

Additionally, the Stockyards Southeast Quadrant Industrial Tax Increment Financing Redevelopment Plan and Project as amended, shall hereinafter be referred to as the **"Redevelopment Plan"**. The amendments to the Original Plan are outlined below with the Eligibility Study attached for the Added Area. Each of the changes detailed below follow the format of the Original Plan.

As the Original Project Area does not require a new Eligibility Study, references to "Eligibility Study" in this Amendment shall mean the eligibility study required to qualify the Added Area (**the "Added Area Eligibility Study"**). Any references in the Added Area Eligibility Study are specific to the Added Area Eligibility Study document only and not this Amendment. References to the "Project Area" in the Added Area Eligibility Study are meant to mean only the Added Area for that Study and not the Redevelopment Project Area as indicated in this Redevelopment Plan.

This Amendment No. 6 summarizes the analysis and findings of the Consultants which unless otherwise noted, are the responsibility of the Consultants. The City of Chicago is entitled to rely

on the findings and conclusions of this Amendment No. 6 in making the amendments to the Original Plan provided for herein. The Consultants have prepared this Amendment No. 6 and the related Eligibility Study (**Attachment 1**) with the understanding that the City would rely: 1) on the findings and conclusions of this Amendment No. 6 and the adoption and implementation of this Amendment No. 6; and 2) on the fact that the Consultants have obtained the necessary information for this Amendment No. 6 and related Eligibility Study to comply with the Act. The changes provided by this Amendment are outlined in the following sections that conform to the format of the Original Plan.

Executive Summary is deleted and replaced with the following:

Section I. Executive Summary

The Stockyards Southeast Quadrant Industrial TIF Redevelopment Plan (the "Original Plan") and Project Area (the "Original Project Area") was approved in February of 1992, amended by Amendment No. 1 in September of 1994, amended by Amendment No. 2 in January of 1996, amended by Amendment No. 3 in March 1997, amended Amendment No. 4 in July 2014 and subsequently amended by Amendment No. 5 in November of 2016 which extended the life of the TIF by an additional 12 years. This Amendment No. 6 (the "Amendment") was approved to extend the boundaries of the Area, update the budget and increment projections, add portability language allowing portability between The Stockyards Southeast Quadrant Industrial TIF and all adjacent TIF districts and bring the Original Plan up to current City of Chicago (the "City") ordinance and policy standards.

Area Location

The Redevelopment Project Area encompasses approximately 270.9 acres of improved and vacant land inclusive of perimeter and interior streets. It includes the Original Project Area of approximately 227 acres plus the Added Area which includes approximately 43.9 acres. The boundaries of the Original Area have been expanded to include the Added Area which is generally bounded by the Norfolk Southern railroad tracks on the north; Racine Avenue on the east; 43rd Street on the south; and Ashland Avenue and Packers Avenue on the west. (***See Plan Appendix, Exhibit A – Boundary Map***).

Existing Conditions

The Redevelopment Project Area is located in the New City Community Area within the area known as the former Union Stockyards which is primarily an industrial area. While there are portions of the Redevelopment Project Area that remain underutilized, there have been some improvements made in the Original Area including but not limited to infrastructure improvements, environmental remediation, and land assembly to facilitate private development since the establishment of the Stockyards Southeast Quadrant Industrial TIF. The Added Area remains underutilized. Many structures in the Added Area are in need of major repair due to depreciation of physical maintenance and other conditions. Declining public and private investment is also evidenced by deterioration and depreciation of maintenance of some of the public infrastructure components (principally streets and sidewalks) and deterioration of private properties as documented in **Attachment 1 – Added Area Eligibility Study**, for the Added Area.

There are a total of 16 buildings in the Added Area and sixty-nine percent (69%) or 11 of the buildings are 35 years of age or older. Zoning classifications in the Redevelopment Project Area include light industry with the majority of the Redevelopment Project Area being a Planned Manufacturing District. as shown in the **Plan Appendix, Exhibit D – Existing Zoning** map.

The Original Area was characterized by the following conditions:

- the predominance of structures that are 35 years old or older;
- dilapidation;
- obsolescence;
- deterioration;
- structures below minimum code standards;
- excessive vacancies;
- lack of ventilation, light or sanitary facilities;
- inadequate utilities;
- deleterious land use or layout;
- depreciation of physical maintenance; and
- lack of community planning.

The improved portions of the Added Area are characterized by the following conditions:

- the predominance of buildings that are 35 years of age or older (69% of buildings);
- obsolescence (50% of buildings);
- deteriorated buildings (75% of buildings);
- deteriorated site improvements (89% of parcels);
- deteriorated street and/or sidewalk pavement (100% of parcels);
- excessive vacancies (51% of building square footage); and
- demonstrates declining and subpar equalized assessed valuation growth (meets all thresholds).

The vacant portion of the Added Area, which constitutes approximately 10% of net land area, is characterized by the following conditions:

- obsolete platting (75% of vacant parcels)
- deterioration of structures or site improvements in neighboring areas (100% of vacant parcels).

In addition, the Added Area exhibits other characteristics to a lesser extent which are set forth in **Attachment 1 – Added Area Eligibility Study.** These lesser characteristics include lack of ventilation, light and sanitation facilities as well as excessive land coverage or overcrowding of structures, tax delinquencies, and deleterious land use or layout.

The Original Project Area was characterized by conditions that qualified it to be designated as a vacant and improved "blighted area" within the definitions set forth in the Act.

This Redevelopment Plan and the supporting documentation contained in the **Original Plan and Eligibility Study** and as found in **Attachment 1 – Added Area Eligibility Study**, for the Added Area, indicate that the Redevelopment Project Area on the whole has not been subject to growth and development through investment by private enterprise, and would not reasonably be anticipated to be developed without the adoption of the Redevelopment Plan.

This Amendment No.6 has been formulated to amend the Original Plan inclusive of Amendments No. 1 thru 5 in accordance with the provisions of the Act. The Redevelopment Plan is to serve as a guide to all proposed public and private action in the Redevelopment Project Area. In addition to describing the objectives of redevelopment, the Redevelopment Plan sets forth the overall program to be undertaken to accomplish these objectives. This program is the "**Redevelopment Project**".

Section II. Introduction

Add a new paragraph between paragraphs two and three that states as follows:

The Added Area includes approximately 43.9 acres and 33 tax parcels. The boundaries of the Original Area have been expanded to include the Added Area which is generally bounded by the Norfolk Southern railroad tracks on the north; Racine Avenue on the east; 43rd Street on the south; and Ashland Avenue and Packers Avenue on the west. (***See Plan Appendix, Exhibit A – Boundary Map***).

The last sentence of paragraph three is deleted and replaced with the following:

The redevelopment of this Redevelopment Project Area is expected to encourage economic growth within the community and the surrounding areas.

Delete the subsection of the Introduction entitled "Tax Increment Allocation Redevelopment Act" and replace it with the following:

Statutory Basis for Tax Increment Financing

In January 1977, TIF was made possible by the Illinois General Assembly through passage of the Act. The Act provides a means for municipalities, after the approval of a redevelopment plan and project, to redevelop blighted, conservation, or industrial park conservation areas and to finance eligible "redevelopment project costs" with incremental property tax revenues. "Incremental property tax" or "incremental property taxes" are derived from the increase in the current equalized assessed value ("EAV") of real property within the redevelopment project area, over and above the certified initial EAV of such real property. Any increase in EAV is then multiplied by the current tax rate, which results in incremental property taxes. A decline in current EAV does not result in a negative incremental property tax.

To finance redevelopment project costs, a municipality may issue obligations secured by incremental property taxes to be generated within the project area

TIF does not generate tax revenues by increasing tax rates. It generates revenues by allowing the municipality to capture, for a specified period, the new revenues produced by the enhanced valuation of properties resulting from the municipality's redevelopment program, improvements and activities, various redevelopment projects, and the reassessment of properties. This increase or "increment" can be used to finance "redevelopment project costs" such as land acquisition, site clearance, building rehabilitation, interest subsidy, construction of public infrastructure, etc., as permitted by the Act.

Under the Act, all taxing districts continue to receive property taxes levied on the initial valuation of properties within the redevelopment project area. Additionally, taxing districts can receive distributions of excess incremental property taxes when annual incremental property taxes received exceed principal and interest obligations for that year and redevelopment project costs necessary to implement the plan have been paid. Taxing districts also benefit from the increased property tax base after redevelopment project costs and obligations are paid.

The Act requires an assessment of any financial impact of the Redevelopment Project Area on, or any increased demand for services from, any taxing district affected by the Redevelopment Plan and a description of any program to address such financial impacts or increased demand. The City intends to monitor development in the Redevelopment Project Area and with the cooperation of the other affected taxing districts will attempt to ensure that any increased needs are addressed in connection with any particular development.

As used herein and in the Act, the term "Redevelopment Project" ("Project") means any public and private development project in furtherance of the objectives of a redevelopment plan. The term "Area" means an area designated by the municipality, which is not less in the aggregate than 1-1/2 acres and in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as an industrial park conservation area, a blighted area, or a conservation area, or a combination of both blighted area and conservation area. The term "Plan" means the comprehensive program of the municipality for development or redevelopment intended by the payment of redevelopment project costs to reduce or eliminate those conditions, the existence of which qualified the redevelopment project area for utilization of TIF.

The Illinois General Assembly made various findings in adopting the Act:

1. That there exists in many municipalities within the State of Illinois (the "State") blighted and conservation areas; and

2. That the eradication of blighted areas and the treatment and improvement of conservation areas by redevelopment projects are essential to the public interest and welfare.

These findings were made on the basis that the presence of blight, or conditions which lead to blight, are detrimental to the safety, health, welfare and morals of the public.

To ensure that the exercise of these powers is proper and in the public interest, the Act specifies certain requirements that must be met before a municipality can proceed with implementing a redevelopment plan. One of these requirements is that the municipality must demonstrate that a redevelopment project area qualifies for designation. With certain exceptions, an area must qualify generally either as:

- a blighted area (both "improved" and "vacant"); or
- a conservation area; or
- a combination of both blighted areas and conservation areas within the definitions for each set forth in the Act.

The Act offers detailed definitions of the blighting factors used to qualify areas. These definitions were used as the basis for preparing the Eligibility Study.

Subsection B. The Redevelopment Plan and Project for the Stockyards Southeast Quadrant Industrial Tax Increment Financing Redevelopment Project Area, fourth paragraph is deleted and replaced with the following:

This Plan specifically describes the Area and summarizes the factors identified in the Eligibility Study for the Original Area and as found in **Attachment 1 – Added Area Eligibility Study,** for the Added Area, which qualify the area as a conservation and/or blighted area as defined by the Act.

Section III. Redevelopment Project Area and Legal Description

The second, third and fourth sentences of the first paragraph are deleted and replaced with the following:

The Redevelopment Project Area contains approximately 270.9 acres. The boundaries of the Original Area have been expanded to include the Added Area which is generally bounded by the Norfolk Southern railroad tracks on the north; Racine Avenue on the east; 43rd Street on the south; and Ashland Avenue and Packers Avenue on the west. (***See Plan Appendix, Exhibit A – Boundary Map***). Halsted Street, 43rd Street, 47th Street and Ashland and Racine Avenues provide the major access to the Redevelopment Project Area.

Since the boundaries of the Area include approximately 270.9 acres of land, the statutory minimum of 1.5 acres is exceeded.

The Legal Description is deleted and replaced with the following:

Section IV. Redevelopment Project Area Goals and Objectives

General Goals

No change.

Redevelopment Objectives

Add the following additional bulleted point:

- Reduce or eliminate those conditions that qualify the Redevelopment Project Area as a conservation and/or blighted area. These conditions are described in detail in the Eligibility Report included in the Original Plan for the Original Area and in **Attachment 1 – Added Area Eligibility Study**, for the Added Area.

Development and Design Objectives

Add the following additional bulleted point:

- Encourage use of renewable energy sources and energy efficient design alternatives.

Section V. Blighted Area Conditions Existing in the Redevelopment Project Area

Delete the current heading and replace it with the following:

Basis for the Eligibility of the Redevelopment Project Area

Insert the following sub-heading:

A. Basis for Eligibility of the Original Area and Findings

Delete the first sentence of the first paragraph and replace it with the following sentence:

Based upon surveys, inspections, research and analysis of the Original Area by Louik/Schneider & Associates, Inc. the Original Project Area qualifies as a blighted area as defined by the Act.

In the second sentence, replace the word "Redevelopment" with the following:

Original

In the third sentence, add the following word before the phrase "Eligibility Report":

Original

Add the following footnote to the first bullet point:

Since the designation of the Original Plan in 1992, the Act has been amended to exclude *depreciation of physical maintenance* as a qualifying factor, thereby reducing the number of qualifying factors to 13 for a blighted area under the Act. However, as the Original Eligibility Report found a total of 11 factors present, the qualification of the Original Area is unchallenged.

In the final paragraph of the section, replace the word "Redevelopment" with the following:

Original

Replace the phrase "this Redevelopment Plan" at the end of the final sentence with the following:

The Original Plan.

Add the following new section:

B. Basis for Eligibility of the Added Area and Findings

In determining whether the Added Area meets the eligibility requirements of the Act, the same general methods of research were used, along with the field survey, as were used to qualify the Original Area. Changes in the Act since the Original Area was qualified have

occurred. The Act sets forth 13 separate factors that are to be used to determine if an improved area qualifies as a "conservation area" and 10 separate factors (in two tiers) to consider if a vacant area qualifies as a "blighted area". An area may be qualified as a combination conservation/blighted area. Additionally, for qualification under the Act as a conservation area, 50% or more of the structures in an area must have an age of 35 years or more.

For a conservation area, a combination of 3 or more of the 13 factors must be found to exist such that although the area is not yet a blighted area, it is detrimental to the public safety, health, morals or welfare and may become a blighted area. For a vacant blighted area, 2 Tier One factors or 1 Tier Two factor must be present in the vacant portion of the area. **Attachment 1 – Added Area Eligibility Study** provides detail on the Act's qualification requirements for conservation and/or blighted areas.

It was determined in the investigation and analysis of conditions in the Added Area that the Added Area qualifies as a combination conservation/blighted area under the Act.

As noted, 69% of structures in the improved portions of the Added Area are 35 years of age or older. Having met the age criteria requirement, the improved portions of the Added Area qualify as a conservation area due to the following four conditions:

- Obsolescence (50% or 8 buildings);
- Deterioration as found in deteriorated buildings (75% or 12 buildings), deteriorated site improvements (89% or 25 parcels), and deteriorated street and/or sidewalk pavement (100% of the added area);
- Excessive Vacancy (51% of building square footage); and
- Declining and subpar EAV growth.

The vacant portion of the Added Area consists of 4.4 acres (10% of Added land area), located on 4 parcels. The vacant land is characterized by the following statutory qualifying factors for a "blighted area" under Section 5/11-74.4-3(b) of the Act:

- Obsolete platting (75% or 3 parcels)
- Deterioration of structures or site improvements in neighboring areas (100% or 4 vacant parcels).

It can be reasonably concluded that the Added Area (i) has not been subject to growth through investment by private enterprise, and (ii) would not reasonably be anticipated to be developed without the adoption of the Redevelopment Plan. Qualification factors for both the improved and vacant portions of the Added Area are discussed in further detail in **Attachment 1 – Added Area Eligibility Study.**

Section VI. Stockyards Southeast Quadrant Industrial Redevelopment Project

A. Redevelopment Plan

Delete the last sentence in the first paragraph and replace the remainder of the section with the following:

The Original Plan proposed redevelopment by the Back of the Yards Neighborhood Council (BYNC) that was to stimulate industrial development by the private sector in the Original Area. They proposed the removal of 11 multistoried vacant and uninhabited storage buildings which were built at the turn of the twentieth century. The buildings were in a blighted state of repair and could not be rehabilitated. The buildings were without heat and electricity and were lacking windows, doors and operating systems. Numerous private and public improvements were necessary.

The Redevelopment Agreement provided for the City to provide funding for necessary soil and site improvements and called for the City to issue bonds to be repaid from the increment from the entire Original Area. Developers were required to undertake the responsibility for the required soil and site improvements and were further required to build any necessary ancillary improvements required for the project.

Progress has been made toward achieving the goals set forth in the Plan, including but not limited to infrastructure improvements, environmental remediation, and land assembly to facilitate private development since the establishment of the Stockyards Southeast Quadrant Industrial TIF. The improvements that have been made within the Original Area, while proven transformative in the Original Area, have failed to spur private development in the Added Area. With the exception of a newer industrial facility, the buildings and site improvements within the Added Area are in need of major upgrades and the vacant areas have been subjected to fly dumping. The Added Area as a whole will require major infrastructure improvements.

B. General Land Use Plan

Replace this section with the following:

The Land-Use Plan that was approved as a part of the Original Plan, which called for Industrial Uses and some Commercial Uses, shall remain in effect for the Original Project Area with the exception of 4 parcels on Halsted Avenue between 45th Street and 47th Street as well as a parcel on the corner of South Halsted Avenue and West Exchange Avenue which will now allow for Mixed Use-Commercial/Industrial Development.

The Added Area shall have Industrial Uses for the entire site with the exception of a parcel located on the east side of South Packers Avenue between 42nd Place and 42nd Street which shall allow for Mixed Use-Commercial/Industrial Development.

The General Land-Use Plan for the Redevelopment Project Area is in Exhibit C.

C. Estimated Redevelopment Project Costs

Section V. D of the Original Plan entitled, Estimated Redevelopment Project Costs shall be entitled as follows:

Redevelopment Project Costs

The entire section shall be replaced in its entirety inclusive of ***Table 1*** *with the following:*

Tax increment financing is an economic development tool designed to facilitate the development of blighted areas and to arrest decline in areas that may become blighted without public intervention. It is expected that tax increment financing will be an important tool, but not the only one, of financing improvements and providing development incentives in the Project Area throughout the life of the TIF.

Tax increment financing can only be used when private investment would not reasonably be expected to occur without public assistance. The Act sets forth the range of public assistance that may be provided.

It is anticipated that expenditures for redevelopment project costs will be carefully staged in a reasonable and proportional basis to coincide with expenditures for redevelopment by private developers and the projected availability of tax increment revenues.

The various redevelopment expenditures that are eligible for payment or reimbursement under the Act are reviewed below. Following this review is a list of estimated redevelopment project costs that are deemed to be necessary to implement this Plan (the "Redevelopment Project Costs").

In the event the Act is amended after the date of the approval of this Plan by the City Council of the City of Chicago to (a) include new eligible redevelopment project costs, or (b) expand the scope or increase the amount of existing eligible redevelopment project costs (such as, for example, by increasing the amount of incurred interest costs that may be paid under 65 ILCS 5/11-74.4-3(q)(11)), this Plan shall be deemed to incorporate such additional, expanded or increased eligible costs as Redevelopment Project Costs under the Plan, to the extent permitted by the Act. In the event of such amendment(s) to the Act, the City may add any new eligible redevelopment project costs as a line item in **Table 1** or otherwise adjust the line items in **Table 1** without amendment to this Plan, to the extent permitted by the Act. In no instance, however, shall such additions or adjustments result in any increase in the total Redevelopment Project Costs without a further amendment to this Plan.

Eligible Redevelopment Project Costs

Redevelopment project costs include the sum total of all reasonable or necessary costs incurred, estimated to be incurred, or incidental to this Plan pursuant the Act. Such costs may include, without limitation, the following:

1. Costs of studies and surveys, development of plans and specifications, implementation and administration of the Plan including, but not limited to, staff and professional service costs for architectural, engineering, legal, financial, planning or other services (excluding lobbying expenses), provided that no charges for professional services are based on a percentage of the tax increment collected;

2. The cost of marketing sites within the Redevelopment Project Area to prospective businesses, developers and investors;

3. Property assembly costs, including, but not limited to, acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, site preparation, site improvements that serve as an engineered barrier addressing ground level or below ground environmental contamination, including, but not limited to parking lots and other concrete or asphalt barriers, and the clearing and grading of land;

4. Costs of rehabilitation, reconstruction, repair or remodeling of existing public or private buildings, fixtures and leasehold improvements; and the cost of replacing an existing public building, if pursuant to the implementation of a redevelopment project, the existing public building is to be demolished to use the site for private investment or devoted to a different use requiring private investment;

5. Costs of the construction of public works or improvements subject to the limitations in Section 11-74.4-3(q)(4) of the Act;

6. Costs of job training and retraining projects including the cost of "welfare-to-work" programs implemented by businesses located within the Redevelopment Project Area and such proposals featuring a community-based training program which ensures maximum reasonable employment opportunities for those who reside near the Redevelopment Project Area with particular attention to the needs of those who have previously experienced inadequate opportunities and development of job-related skills, including residents of public and other subsidized housing and people with disabilities.

7. Financing costs, including, but not limited to, all necessary and incidental expenses related to the issuance of obligations and which may include payment of interest on any obligations issued thereunder, including interest accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for a period not exceeding 36 months following completion and including reasonable reserves related thereto;

8. To the extent the City by written agreement accepts and approves the same, all or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of the Plan.

9. Relocation costs to the extent that the City determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or state law or by Section 74.4-3(n)(7) of the Act (see "Relocation" section);

10. Payment in lieu of taxes, as defined in the Act;

11. Costs of job training, retraining, advanced vocational education or career education, including but not limited to, courses in occupational, semi-technical or technical fields leading directly to employment, incurred by one (1) or more taxing districts, provided that such costs: (i) are related to the establishment and maintenance of additional job training, advanced vocational education or career education programs for persons employed or to be employed by employers located in the Project Area; and (ii) when incurred by a taxing district or taxing districts other than the City, are set forth in a written agreement by or among the City and the taxing district or taxing districts, which agreement describes the program to be undertaken, including but not limited to, the number of employees to be trained, a description of the training and services to be provided, the number and type of positions available or to be available, itemized costs of the program and sources of funds to pay for the same, and the term of the agreement. Such costs include, specifically, the payment by community college districts of costs pursuant to Sections 3-37, 3-38, 3-40, and 3-40.1 of the Public Community College Act, 110 ILCS 805/3-37, 805/3-38, 805/3-40 and 805/3-40.1, and by school districts of costs pursuant to Sections 10-22.20a and 10-23.3a of the School Code, 105 ILCS 5/10-22.20a and 5/10-23.3a.

12. Interest costs incurred by a redeveloper related to the construction, renovation or rehabilitation of a redevelopment project provided that:

- such costs are to be paid directly from the special tax allocation fund established pursuant to the Act;
- such payments in any one (1) year may not exceed 30% of the annual interest costs incurred by the redeveloper with regard to the redevelopment project during that year;
- if there are not sufficient funds available in the special tax allocation fund to make the payment pursuant to this provision, then the amounts so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund;
- the total of such interest payments paid pursuant to the Act may not exceed 30% of the total: (i) cost paid or incurred by the redeveloper for such redevelopment project; (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by the City pursuant to the Act; and
- up to 75% of the interest cost incurred by a redeveloper for the financing of rehabilitated or new housing for low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act.

13. Unless specifically authorized by the Act, the cost of construction of new privately-owned buildings shall not be an eligible redevelopment project cost,

14. An elementary, secondary or unit school district's increased costs attributable to assisted housing units will be reimbursed as provided in the Act;

15. Instead of the eligible costs provided for in (12) above, the City may pay up to 50% of the cost of construction, renovation and/or rehabilitation of all low-income and very low-income housing units (for ownership or rental) as defined in Section 3 of the Illinois Affordable Housing Act. If the units are part of a residential redevelopment project that includes units not affordable to low-income and very low-income households, only the low- and very low-income households shall be eligible for benefits under the Act; and

16. The costs of day care services for children of employees from low-income families working for businesses located within the Redevelopment Project Area and all or a portion of the cost of operation of day care centers established by Project Area businesses to serve employees from low-income families working in businesses located in the Redevelopment Project Area. For the purposes of this paragraph, "low-income families" means families whose annual income does not exceed 80% of the City, county or regional median income as determined from time to time by the United States Department of Housing and Urban Development.

17. Unless explicitly provided in the Act, the cost of construction of new privately-owned buildings shall not be an eligible redevelopment project cost.

18. If a special service area has been established pursuant to the Special Service Area Tax Act, 35 ILCS 235/0.01 *et seq.*, then any tax increment revenues derived from the tax imposed pursuant to the Special Service Area Tax Act may be used within the Project Area for the purposes permitted by the Special Service Area Tax Act as well as the purposes permitted by the Act.

Estimated Project Costs

A range of activities and improvements may be required to implement the Plan. The proposed eligible activities and their estimated costs over the life of the Project Area are briefly described below and shown in **Table 1 -- Estimated Redevelopment Project Costs.**

1. Professional services including planning studies, legal, surveys, real estate marketing costs, fees and other costs related to the implementation and administration of the Plan. This budget element provides for studies and survey costs for planning and implementation of the project, including planning and legal fees, architectural and engineering, development site marketing, financial and special service costs. *(Estimated cost: $1,000,000)*

2. Property assembly costs, including, but not limited to, acquisition of land and other property, real or personal, or rights or interests therein, and other appropriate and eligible

costs needed to prepare the property for redevelopment. These costs may include the reimbursement of acquisition costs incurred by the City and private developers. Land acquisition may include acquisition of both improved and vacant property in order to create development sites, accommodate public rights-of-way or to provide other public facilities needed to achieve the goals and objectives of the Plan. Property assembly costs also include: demolition of existing improvements, including clearance of blighted properties or clearance required to prepare sites for new development, site preparation, including grading, and other appropriate and eligible site activities needed to facilitate new construction, and environmental remediation costs associated with property assembly which are required to render the property suitable for redevelopment. *(Estimated cost: $29,000,000)*

3. Costs of Rehabilitation, reconstruction, repair or remodeling of existing public or private buildings and fixtures; and up to 50% of the cost of construction of low-income and very low-income housing units. *(Estimated cost: $18,000,000)*

4. Costs of Construction of public improvements, infrastructure and facilities. These improvements are intended to improve access within the Project Area, stimulate private investment and address other identified public improvement needs, and may include all or a portion of a taxing district's eligible costs, including increased costs of the Board of Education attributable to assisted housing units within the Project Area in accordance with the requirements of the Act. *(Estimated cost: $8,000,000)*

5. Relocation costs. *(Estimated cost: $1,000,000)*

6. Job Training, Re-training, and Welfare-to-Work Programs. *(Estimated cost: $3,000,000)*

7. Interest costs related to redevelopment projects, pursuant to the provisions of the Act. *(Estimated cost: $1,500,000)*

8. Provision of day care services as provided in the Act. *(Estimated cost: $500,000)*

The estimated total of all eligible project costs over the life of the Redevelopment Project Area is approximately $62,000,000. All project cost estimates are in 2017 dollars. Any bonds or other tax increment allocation revenue obligations issued to finance portions of the Redevelopment Project may include an amount of proceeds sufficient to pay customary and reasonable charges associated with issuance of such obligations, as well as to provide for capitalized interest and reasonably required reserves. The total project cost figure excludes any costs for the issuance of bonds. Adjustments to estimated line items, which are upper estimates for these costs, are expected and may be made without amendment to the Plan.

Additional funding from other sources such as federal, state, county, or local grant funds may be utilized to supplement the City's ability to finance Redevelopment Project Costs identified above.

Total Redevelopment Project Costs[2,3]		**$ 62,000,000[4]**

[1]This category may also include paying for or reimbursing (i) an elementary, secondary or unit school district's increased costs attributed to assisted housing units, and (ii) capital costs of taxing districts impacted by the redevelopment of the Project Area. As permitted by the Act, to the extent the City by written agreement accepts and approves the same, the City may pay, or reimburse all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of this Redevelopment Plan.

[2]The Total Estimated Redevelopment Project Costs represents an upper limit on expenditures that are to be funded using tax increment revenues and exclude any additional financing costs, including any interest expense, capitalized interest and costs associated with optional redemptions. These costs are subject to prevailing market conditions and are in addition to Total Redevelopment Project Costs. Within this limit, adjustments may be made in line items without amendment to this Redevelopment Plan, to the extent permitted by the Act.

[3]The amount of the Total Redevelopment Project Costs that can be incurred in the Redevelopment Project Area will be reduced by the amount of redevelopment project costs incurred in contiguous redevelopment project areas, or those separated from the Redevelopment Project Area only by a public right-of-way, that are permitted under the Act to be paid, and are paid, from incremental property taxes generated in the Redevelopment Project Area, but will not be reduced by the amount of redevelopment project costs incurred in the Redevelopment Project Area which are paid from incremental property taxes generated in contiguous redevelopment project areas or those separated from the Redevelopment Project Area only by a public right-of-way.

[4]All costs are in 2017 dollars and may be increased by five percent (5%) after adjusting for inflation reflected in the Consumer Price Index for All Urban Consumers for All Items for the Chicago-Gary-Kenosha, IL-IN-WI_ CMSA as published by the U.S. Department of Labor, or some similar index.

Additional funding from other sources such as federal, state, county, or local grant funds may be utilized to supplement the City's ability to finance Redevelopment Project Costs identified above.

D. Sources of Funds

Section V. E of the Original Plan entitled, Sources of Funds to Pay Redevelopment Project Costs shall be replaced in its entirety with the following:

Funds necessary to pay for Redevelopment Project Costs and secure municipal obligations issued for such costs are to be derived primarily from Incremental Property Taxes. Other sources of funds which may be used to pay for Redevelopment Project Costs or secure municipal obligations are land disposition proceeds, state and federal grants, investment income, private financing and other legally permissible funds the City may deem appropriate. The City may incur redevelopment project costs which are paid for from funds of the City other than incremental taxes, and the City may then be reimbursed from such costs from incremental taxes. Also, the City may permit the utilization of guarantees, deposits and other forms of security made available by private sector developers. Additionally, the City may utilize revenues, other than State sales tax increment revenues, received under the Act from one redevelopment project area for eligible costs in another redevelopment project area that is either contiguous to, or is separated only by a public right-of-way from, the redevelopment project area from which revenue is received.

The Redevelopment Project Area is contiguous to several TIFs as illustrated in **Exhibit F Adjacent TIF / Redevelopment Areas.** These adjacent TIF Districts include: The 47th/Ashland TIF, 47th/Halsted TIF and The Stockyards Annex TIF. The Stockyard Southeast Quadrant Industrial TIF may, in the future, be contiguous to or separated only by a public right of way from, other redevelopment project areas created under the Act.

The Area may become contiguous to, or be separated only by a public-right-of-way from, redevelopment project areas created under the Industrial Jobs Recovery Law (65 ILCS 5/11-74.61-1, et seq.). If the City finds that the goals, objectives, and financial success of such contiguous redevelopment project areas, or those separated only by a public right-of-way, are interdependent with those of the Area, the City may determine that it is in the best interests of the City and in furtherance of the purposes of the Plan that net revenues from the Area be made available to support any such redevelopment project areas, and vice versa. The City therefore proposes to utilize net incremental revenues received from the Redevelopment Project Area to pay eligible Redevelopment Project Costs (which are eligible under the Industrial Jobs Recovery Law referred to above) in any such areas, and vice versa. Such revenues may be transferred or loaned between the Redevelopment Project Area and such areas. The amount of revenue from the Redevelopment Project Area so made available, when added to all amounts used to pay eligible Redevelopment Project Costs within the Redevelopment Project Area or other areas as described in the preceding paragraph, shall not at any time exceed the total Redevelopment Project Costs described in **Table 1** of this Plan.

The Issuance of Obligations

The City may issue obligations secured by Incremental Property Taxes pursuant to Section 11-74.4-7 of the Act. To enhance the security of a municipal obligation, the City may pledge its full faith and credit through the issuance of general obligation bonds. Additionally, the City may provide other legally permissible credit enhancements to any obligations issued pursuant to the Act.

The redevelopment project shall be completed, and all obligations issued to finance redevelopment costs shall be retired, no later than December 31 of the year in which the payment to the City treasurer as provided in the Act is to be made with respect to ad valorem taxes levied in the thirty fifth calendar year following the year in which the ordinance approving the Redevelopment Area is adopted (by December 31, 2028). Also the final maturity date of any such obligations which are issued may not be later than 20 years from their respective dates of issue. One or more series of obligations may be sold at one or more times in order to implement this Plan. Obligations may be issued on a parity or subordinated basis.

In addition to paying Redevelopment Project Costs, Incremental Property Taxes may be used for the scheduled retirement of obligations, mandatory or optional redemptions, establishment of debt service reserves and bond sinking funds. To the extent that Incremental Property Taxes are not needed for these purposes, and are not otherwise required, pledged, earmarked or otherwise designated for the payment of Redevelopment Project Costs, any excess Incremental Property Taxes shall then become available for distribution annually to taxing districts having jurisdiction over the Redevelopment Project Area in the manner provided by the Act.

Most Recent Equalized Assessed Valuation of Properties deleted and replaced with the following:

The Initial Equalized Assessed Valuation of Properties

The purpose of identifying the most recent Equalized Assessed Valuation (EAV) of a Redevelopment Project Area is to provide an estimate of the initial EAV which the Cook County Clerk will certify for the purpose of annually calculating the incremental EAV and incremental property taxes of the Redevelopment Project Area. The Certified initial EAV for the Original Project Area is $21,527,824 based on the 1990 EAV (**Attachment 2 – Corrected Certificate of Initial Equalized Assessed Valuation**). The EAV of all taxable parcels in the Added Area is estimated to be $5,616,093 (**Attachment 2 – Parcel EAV Listing**), resulting in a combined estimated EAV for the Redevelopment Project Area of $27,143,917.

The EAV is subject to verification by the Cook County Clerk. After verification, the final figure shall be certified by the Cook County Clerk, and shall become the Certified Initial EAV

from which all incremental property taxes in the Added Area will be calculated by Cook County. If the 2016 EAV shall become available prior to the date of the adoption of the Plan by the City Council, the City may update the Plan by replacing the 2015 EAV with the 2016 EAV without further City Council action.

Anticipated Equalized Assessed Valuation

By the tax year 2028 (collection year 2029), based on current assessment trends and redevelopment activity observed and anticipated in the Redevelopment Project Area, the EAV of the Redevelopment Project Area is estimated to be approximately $56 million. These estimates are calculated using information obtained on recent trends in Cook County assessments, State of Illinois equalization factors, City of Chicago property tax rates, and an estimated annual inflation rate in EAV of 1.5%. Field observations contributed support for these EAV projections.

VII. Commitment to Fair Employment Practices and Affirmative Action Plan

The City is committed to and will affirmatively implement the following principles with respect to this Plan:

1. The assurance of equal opportunity in all personnel and employment actions with respect to the Redevelopment Project, including but not limited to hiring, training, transfer, promotion, discipline, fringe benefits, salary, employment working conditions, termination, etc., without regard to race, color, religion, sex, age, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, source of income, or housing status.

2. Redevelopers must meet City of Chicago standards for participation of the currently required percentage of Minority-owned Business Enterprises and Woman-owned Business Enterprises and the City Resident Construction Worker Employment Requirement as required in redevelopment agreements.

3. This commitment to affirmative action and nondiscrimination will ensure that all members of the protected groups are sought out to compete for all job openings and promotional opportunities.

4. Redevelopers will meet City standards for any applicable prevailing wage rate as ascertained by the Illinois Department of Labor to all project employees.

The City shall have the right in its sole discretion to exempt certain small businesses, residential property owners and developers from the above.

Provision for Amending Action

No changes.

INTRODUCTION

On February 26, 1992, the City Council of the City of Chicago (the "City") adopted ordinances approving the Stockyards Southeast Quadrant Industrial Redevelopment Area Tax Increment Finance Program Redevelopment Plan, as amended most recently by an ordinance adopted on November 1, 2016 (the "Original Plan") and designating the Stockyards Southeast Quadrant Industrial Redevelopment Project Area (the "Project Area").

Ernest R. Sawyer Enterprises **("ERS")** and PGAV Planners or collectively, the **"Consultants,"** have been engaged to determine whether approximately 43.9 acres of land located on the south side of Chicago qualifies for designation as a redevelopment project area based on findings for a **"conservation area,"** and/or a **"blighted area"** within the requirements set forth in the Tax Increment Allocation Redevelopment Act (the **"Act"**). The Act is found in Illinois Compiled Statutes, Chapter 65, Act 5, Section 11-74.4-1 *et. seq.* as amended. The boundaries of the Original Area have been expanded to include the Added Area which is generally bounded by West Transit Avenue and the Norfolk Southern railroad tracks on the north; 43rd Street on the south; loosely by Racine Avenue on the east and Ashland Avenue and Packers Avenue on the west (hereafter referred to as the **"Added Area"**). The eligibility findings for the Added Area are documented and summarized in this report entitled, the *Stockyards Southeast Quadrant Industrial Tax Increment Financing Redevelopment Project Area.* The boundaries of the Added Area are shown on **Plan Appendix, Exhibit A – Boundary Map.**

The findings and conclusions presented in this report are based on surveys, documentation, and analyses of properties and conditions related to the Added Area as conducted by the Consultants. The Eligibility Study summarizes the analyses and findings of the Consultants' work, which is the responsibility of ERS and PGAV. The City is entitled to rely on the findings and conclusions of this Eligibility Study and based on the criteria set forth in the Act, the improved portion of the Added Area was determined to qualify as a conservation area, and the vacant portion of the Added Area was determined to qualify as a blighted area. The Consultants have prepared this Eligibility Study and the related Amendment No. 6 to the Redevelopment Project and Plan with the understanding that the City would rely on (i) the findings and conclusions of this Eligibility Study and the related Amended Redevelopment Plan, and (ii) the fact that the Consultants have obtained the necessary information so that the Eligibility Study and related Amended Redevelopment Plan will comply with the Act. The determination of whether the Added Area qualifies for designation as a redevelopment project area based on findings of the area as a conservation area, pursuant to the Act is made by the City of Chicago after careful review and consideration of the conclusions contained in this Eligibility Study.

Following this introduction, Section II presents background information of the Added Area including the geographic location, description of current conditions and area data; Section III documents the building condition assessment and qualifications of the Added Area as a combination conservation area and vacant blighted area under the Act; and Section IV, Summary and Conclusions, documents the findings of the Eligibility Study.

BACKGROUND INFORMATION

A. The Location and Size of the Added Area

The Added Area is located in the New City Community Area within the area known as the former Union Stockyards which is primarily an industrial area.

The Added Area contains 16 buildings that sit on 28 parcels, 4 vacant parcels and 1 parcel which is right of way and the total land area is approximately 43.9 acres.

Industrial

The Added Area is predominantly industrial and consists of structures that need repair due to depreciation of physical maintenance and other conditions. Declining public and private investment is also evidenced by deterioration and depreciation of maintenance of some of the public infrastructure components (principally streets and sidewalks) and deterioration of private properties. The Added Area is underutilized and consists of 16 buildings, of which 11 buildings or sixty-nine percent (69%), are 35 years of age or older.

Basis for Redevelopment

The Illinois General Assembly made these key findings in adopting the Act:

1. That there exists in many municipalities within the state blighted and conservation areas;
2. That as a result of the existence of blighted areas and areas requiring conservation, there is an excessive and disproportionate expenditure of public funds, inadequate public and private investment, unmarketability of property, growth in delinquencies and crime, and housing and zoning law violations in such areas together with an abnormal exodus of families and businesses so that the decline of these areas impairs the value of private investments and threatens the sound growth and the tax base of taxing districts in such areas, and threatens the health, safety, morals, and welfare of the public; and
3. That the eradication of blighted areas and the treatment and improvement of conservation areas by redevelopment projects are essential to the public interest.

To ensure that the exercise of these powers is proper and in the public interest, the Act also specifies certain requirements that must be met before a municipality can proceed with implementing a redevelopment project. One of these requirements is that the municipality must demonstrate that a prospective redevelopment project area qualifies either as a blighted area or as a conservation area within the definitions for each set forth in the Act (Section 11-74.4-3).

QUALIFICATION OF THE ADDED AREA

A. Illinois Tax Increment Allocation Redevelopment Act

The Act authorizes Illinois municipalities to redevelop locally designated deteriorated areas through tax increment financing. In order for an area to qualify as a tax increment financing district, it must first be designated as a blighted area, a conservation area (or a combination of the two), or an industrial park conservation area as defined at 5/11-74.4-3(a) of the Act. Based on the criteria set forth in the Act, the improved portion of the Added Area was determined to qualify as a conservation area, and the vacant portion of the Added Area was determined to qualify as a blighted area.

As set forth in the Act a conservation area is:

> *"**conservation area** means any improved area within the boundaries of a redevelopment project area located within the territorial limits of the municipality in which 50% or more of the structures in the area have an age of 35 years or more. Such an area is not yet a blighted area but because of a combination of three (3) or more of the following factors is detrimental to the public safety, health, morals or welfare and such an area may become a blighted area:*
>
> *(1) Dilapidation. An advanced state of disrepair or neglect of necessary repairs to the primary structural components of buildings or improvements in such a combination that a documented building condition analysis determines that major repair is required or the defects are so serious and so extensive that the buildings must be removed.*
>
> *(2) Obsolescence. The condition or process of falling into disuse. Structures have become ill-suited for the original use.*
>
> *(3) Deterioration. With respect to buildings, defects including, but not limited to, major defects in the secondary building components such as doors, windows, porches, gutters and downspouts, and fascia. With respect to surface improvements, that the condition of roadways, alleys, curbs, gutters, sidewalks, off-street parking, and surface storage areas evidence deterioration, including, but not limited to, surface cracking, crumbling, potholes, depressions, loose paving material, and weeds protruding through paved surfaces.*
>
> *(4) Presence of structures below minimum code standards. All structures that do not meet the standards of zoning, subdivision, building, fire, and other governmental codes applicable to property, but not including housing and property maintenance codes.*
>
> *(5) Illegal use of individual structures. The use of structures in violation of applicable federal, State, or local laws, exclusive of those applicable to the presence of structures below minimum code standards.*
>
> *(6) Excessive vacancies. The presence of buildings that are unoccupied or under-utilized and that represent an adverse influence on the area because of the frequency, extent, or duration of the vacancies.*

(7) Lack of ventilation, light, or sanitary facilities. The absence of adequate ventilation for light or air circulation in spaces or rooms without windows, or that require the removal of dust, odor, gas, smoke, or other noxious airborne materials. Inadequate natural light and ventilation means the absence or inadequacy of skylights or windows for interior spaces or rooms and improper window sizes and amounts by room area to window area ratios. Inadequate sanitary facilities refers to the absence or inadequacy of garbage storage and enclosure, bathroom facilities, hot water and kitchens, and structural inadequacies preventing ingress and egress to and from all rooms and units within a building.

(8) Inadequate utilities. Underground and overhead utilities such as storm sewers and storm drainage, sanitary sewers, water lines, and gas, telephone, and electrical services that are shown to be inadequate. Inadequate utilities are those that are:

(i) of insufficient capacity to serve the uses in the redevelopment project area,

(ii) deteriorated, antiquated, obsolete, or in disrepair, or

(iii) lacking within the redevelopment project area.

(9) Excessive land coverage and overcrowding of structures and community facilities. The over-intensive use of property and the crowding of buildings and accessory facilities onto a site. Examples of problem conditions warranting the designation of an area as one exhibiting excessive land coverage are: the presence of buildings either improperly situated on parcels or located on parcels of inadequate size and shape in relation to present-day standards of development for health and safety and the presence of multiple buildings on a single parcel. For there to be a finding of excessive land coverage, these parcels must exhibit one (1) or more of the following conditions: insufficient provision for light and air within or around buildings, increased threat of spread of fire due to the close proximity of buildings, lack of adequate or proper access to a public right-of-way, lack of reasonably required off-street parking, or inadequate provision for loading and service.

(10) Deleterious land use or layout. The existence of incompatible land-use relationships, buildings occupied by inappropriate mixed-uses, or uses considered to be noxious, offensive, or unsuitable for the surrounding area.

(11) Lack of community planning. The proposed redevelopment project area was developed prior to or without the benefit or guidance of a community plan. This means that the development occurred prior to the adoption by the municipality of a comprehensive or other community plan or that the plan was not followed at the time of the area's development. This factor must be documented by evidence of adverse or incompatible land-use relationships, inadequate street layout, improper subdivision, parcels of inadequate shape and size to meet contemporary development standards, or other evidence demonstrating an absence of effective community planning.

(12) The area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

(13) The total equalized assessed value of the proposed redevelopment project area has declined for three (3) of the last five (5) calendar years for which information is available or is increasing at an annual rate that is less than the balance of the municipality for three (3) of the last five (5) calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for three (3) of the last five (5) calendar years for which information is available."

As set forth in the Act, a blighted area is:

"any improved or vacant area within the boundaries of a redevelopment project area located within the territorial limits of the municipality where:

...

(2) If ***vacant,*** *the sound growth of the redevelopment project area is impaired by a combination of two (2) or more of the following factors, each of which is (i) present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the vacant part of the redevelopment project area to which it pertains:*

(A) Obsolete platting of vacant land that results in parcels of limited or narrow size or configurations of parcels of irregular size or shape that would be difficult to develop on a planned basis and in a manner compatible with contemporary standards and requirements, or platting that failed to create rights-of-way for streets or alleys or that crated inadequate right-of-way widths for streets, alleys, or other public rights-of-way or that omitted easement for public utilities.

(B) Diversity of ownership of parcels of vacant land sufficient in number to retard or impede the ability to assemble the land for development.

(C) Tax and special assessment delinquencies exist or the property has been the subject of tax sales under the Property Tax Code within the last five (5) years.

(D) Deterioration of structures or site improvements in neighboring areas adjacent to the vacant land.

(E) The area has incurred Illinois Environmental Protection Agency or United State Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs

constitute a material impediment to the development or redevelopment of the redevelopment project area.

(F) The total equalized assessed value of the proposed redevelopment project area has declined for three (3) of the last five (5) calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate that is less than the balance of the municipality for three (3) of the last five (5) calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for three (3) of the last five (5) calendar years prior to the year in which the redevelopment project area is designated.

(3) If vacant, the sound growth of the redevelopment project area is impaired by one of the following factors that (i) is present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) is reasonably distributed throughout the vacant part of the redevelopment project area to which it pertains:

(A) The area consists of one or more unused quarries, mines, or strip mine ponds.

(B) The area consists of unused rail yards, rail tracks, or railroad rights-of-way.

(C) The area, prior to its designation, is subject to chronic flooding that adversely impacts on real property in the area as certified by a registered professional engineer or appropriate regulatory agency.

(D) The area consists of an unused or illegal disposal site containing earth, stone, building debris, or similar materials that were removed from construction, demolition, excavation, or dredge sites.

(E) Prior to the effective date of this amendatory Act of the 91st General Assembly, the area is not less than 50 nor more than 100 acres and 75% of which is vacant (notwithstanding that the area has been used for commercial agricultural purposes within five (5) years prior to the designation of the redevelopment project area), and the area meets at least one (1) of the factors itemized in paragraph (1) of this subsection, the area has been designated as a town or village center by ordinance or comprehensive plan adopted prior to January 1, 1982,, and the area has not been developed for that designated purpose.

(F) The area qualified as a blighted improved area immediately prior to becoming vacant, unless there has been substantial private investment in the immediately surrounding area."

It is also important to note that the test of eligibility is based on the conditions of the Added Area as a whole; it is not required that eligibility be established for each and every property in the Added Area.

B. ***Survey, Analysis and Distribution of Eligibility Factors***

A parcel-by-parcel analysis of the Added Area was conducted to identify the presence of TIF eligibility factors. The condition of each parcel and structure in the Added Area was documented. Field survey data was compiled and analyzed to investigate the presence and distribution of each of the TIF eligibility factors. That data is presented Summary of TIF Eligibility Factors Table.

The improved portion of the Added Area contains 16 buildings located on 28 tax parcels. The following conditions have been found to be present to a major extent and qualify the improved portion of the Added Area as a Conservation Area under the Act:

- The predominance of buildings (11 which account for 69% of buildings)[1] that are 35 years of age or older;
- Obsolescence (8 or 50% of buildings);
- Deteriorated buildings (12 or 75% of buildings);
- Parcels with site improvements that are deteriorated (25 or 89% of improved parcels);
- Excessive vacancies (51% of the total square footage of the buildings are vacant); and
- Declining EAV

The following conditions have been found to be present to a minor extent and while they have not been used to qualify the Added Area, are contributing factors that indicate the need for private investment in the area:

- Dilapidation (1 or 6% of buildings);
- Lack of ventilation, light or sanitary facilities (5 or 31% of improved parcels);
- Excessive land coverage and overcrowding of structures (4 or 14% or improved parcels)

The vacant portion of the Added Area acreage, which constitutes approximately 10% of net land area, is characterized by the following conditions:

- Obsolete platting (3 or 75% of vacant parcels)
- Deterioration of structures or site improvements in neighboring areas (4 or 100% of vacant parcels).

C. Evaluation Procedure

The Consultant conducted exterior surveys of observable conditions on all properties, buildings, and public and private improvements located in the Added Area. These inspectors have been trained in TIF survey techniques and have extensive experience in similar undertakings.

The surveys examined not only the condition and use of buildings, but also included surveys of streets, sidewalks, curbs, gutters, lighting, vacant land, underutilized land, parking facilities, landscaping, fences and walls, and general maintenance. In addition, an analysis was conducted on existing site coverage, parking and land uses, and their relationship to the surrounding Area. Investigators also researched historic photos and were assisted by information obtained from the City of Chicago. The boundary and qualification of the Added Area was determined by the field investigations, eligibility requirements described in the Act, and the needs and deficiencies of the Added Area.

[1] This is greater than the statutory requirement. Under the Tax Increment Allocation Redevelopment Act, for designation of an area as a Conservation Area, 50% or more of the buildings must be 35 years of age or older.

D. Investigation and Analysis of Factors

In determining whether or not the proposed Added Area meets the eligibility requirements of the Act, various methods of research were used in addition to the field surveys. The data includes information assembled from the sources below:

1. Contacts with local individuals knowledgeable as to Added Area conditions and history, age of buildings and site improvements, methods of construction, real estate records and related items, and other information related to the Added Area was used. In addition, aerial photographs, Sidwell block sheets, City utility atlases, electronic permitting data, etc. were also utilized.

2. Inspection and research as to the condition of local buildings, streets, utilities, etc.

3. On-site field inspection of the proposed Added Area conditions by experienced property inspectors of the Consultant and others as previously noted. Personnel of the Consultant are trained in techniques and procedures of determining conditions of properties, utilities, streets, etc. and determination of eligibility of designated areas for tax increment financing.

4. Use of accepted definitions as provided for in the Act.

5. Adherence to basic findings of need as established by the Illinois General Assembly in establishing tax increment financing which became effective on January 10, 1977. These are:

i. There exists in many Illinois municipalities areas that are conservation or blighted areas, within the meaning of the TIF statute.

ii. The eradication of blighted areas and the treatment of conservation areas by redevelopment projects are essential to the public interest.

These findings are made on the basis that the presence of blight or conditions which lead to blight, is detrimental to the safety, health, welfare and morals of the public.

E. Eligibility Factors – Improved Added Area

In making the determination of eligibility, each and every property or building in the Added Area is not required to be blighted or otherwise qualify. It is the Added Area as a whole that must be determined to be eligible.

The report stated below details conditions that cause the Added Area to qualify under the Act as a conservation area, per surveys and research undertaken by the Consultant in February 2017:

Age of Structures

Age, although not one of the 13 factors used to establish a conservation area under the Act, is used as a threshold that an area must meet in order to qualify.

Age presumes the existence of problems or limiting conditions resulting from normal and

continuous use of structures and exposure to the elements over a period of many years. As a rule, older buildings typically exhibit more problems than buildings constructed in later years because of longer periods of active usage ("wear and tear") and the impact of time, temperature and moisture. Additionally, older buildings tend not to be ideally suited for meeting modern-day space and development standards. These typical problematic conditions in older buildings can be the initial indicators that the factors used to qualify may be present.

Summary of Findings Regarding Age: YES

There are 16 buildings in the Added Area. Of these buildings, 11 (69%) are 35 years of age or older as determined by field surveys and local research. In many instances buildings are significantly older than 35 year of age. The Added Area meets the threshold requirement for a conservation and blighted area in that more than 50% of the structures in the Added Area exceed 35 years of age.

1. Dilapidation

Dilapidation as a factor is based upon the documented presence and reasonable distribution of buildings in an advanced state of disrepair. In order for a building to be classified as dilapidated, as the term is defined in the Act, major defects to the primary structural components of the building must be evident, or evident structural defects must be so extensive that the buildings must be removed. A small number of structures in Added Area have such critical defects in primary structural components, such as leaning or bowing load-bearing walls, severely sagging roofs, damaged floor structures, or foundations exhibiting major cracks or displacement.

Summary of Findings Regarding Dilapidation: NO

Although Dilapidation (structurally substandard buildings) as a factor is present in only 1 or 6% of the buildings in the Added Area, its presence should be noted as an indication of a lack of investment in the Added Area. However, this factor is not present to a meaningful degree, and therefore, is not a supporting factor for Added Area eligibility.

2. Obsolescence

An obsolete building or improvement is one which no longer serves its intended use. The Act defines obsolescence as *"the condition or process of falling into disuse. Structures have become ill-suited for the original use."* Obsolescence, as a factor, is based upon the documented presence and reasonable distribution of buildings and other site improvements evidencing such obsolescence. Examples include:

a. **Functional Obsolescence:** Structures are typically built for specific uses or purposes, and their design, location, height and space arrangement are each intended for a specific occupancy at a given time. Buildings are obsolete when they contain characteristics or deficiencies that limit the use and marketability of such buildings. The characteristics may include loss in value to a property resulting from an inherent deficiency existing from poor design or layout, improper orientation of the building on site, etc., which detracts from the overall usefulness

or desirability of a property. Obsolescence in such buildings is typically difficult and expensive to correct.

b. **Economic Obsolescence:** Economic obsolescence is normally a result of adverse conditions that cause some degree of market rejection, and hence, depreciation in market values. Typically, buildings classified as dilapidated and buildings that contain vacant space are characterized by problem conditions, which may not be economically curable, resulting in net rental losses and/or depreciation in market value.

c. **Obsolete site improvements:** Site improvements, including sewer and water lines, public utility lines (gas, electric and telephone), roadways, parking areas, parking structures, sidewalks, curbs and gutters, lighting, etc., may also evidence obsolescence in terms of their relationship to contemporary development standards for such improvements. Factors of this obsolescence may include inadequate utility capacities, outdated designs, etc.

Summary of Findings Regarding Obsolescence: YES

The area wide analysis indicates that of the 16 buildings obsolescence is present in 8 (50%) of the buildings. It was observed that the vacant fire house is a single-bay structure, and has fallen into disuse (vacant). This building would no longer function as a modern-day firehouse. Additionally, the buildings located at 1242 W. Exchange are currently only used for storage for the recycling facilities, have covered windows and would be difficult to reuse as anything other than storage. It was also noted that the office buildings located at 4141 and 4155 S. Packer have fallen into disuse, are currently vacant, and appear to have been vacant for a significant amount of time. Windows have been boarded up and the buildings exhibit significant deterioration. Due to the long-term vacancies it is reasonable to assume the mechanical and electrical systems of the buildings no longer meet current standards or code and may be inoperable. Other buildings in the study area exhibit similar issues.

3. Deterioration

Deterioration refers to physical deficiencies or disrepair in buildings or site improvements requiring treatment or repair. Conditions that are not easily correctable in the course of normal maintenance were classified as deteriorated. Such buildings may be classified as deteriorating or in an advanced stage of deterioration, depending upon the degree or extent of the defects.

Summary of Findings Regarding Deterioration: YES

Throughout the Added Area, deteriorating conditions were recorded on 12 (75%) of the 16 buildings in the Added Area. Buildings with some major or minor defects (e.g., deteriorating and unsecure fire escapes, large holes in floors of the building, deteriorated awning, cracks in masonry walls, damaging of corrugated steel buildings, etc.) were observed in the Added Area. In addition, site improvements like roadways and off-street parking areas also evidenced deterioration such as cracking on paved surfaces, collapsed alleys, potholes, depressions, loose paving materials and weeds protruding through the surface.

4. Presence of Structures Below Minimum Code Standards

Structures below minimum code standards include all structures that do not meet the standards of zoning, subdivision, State building laws and regulations. The principal purposes of such codes are to require buildings to be constructed in such a way as to sustain safety of loads expected from various types of occupancy, to be safe for occupancy against fire and similar hazards, and/or establish minimum standards essential for safe and sanitary habitation. Structures below minimum code are characterized by defects or deficiencies that presume to threaten health and safety.

Summary of Findings Regarding Presence of Structures Below Minimum Code Standards: NO

Considering the age of buildings in the Area, it is certain that many of the buildings are below the minimum code standards currently in force by the City of Chicago. However, in order to substantiate these conditions both interior and exterior inspections of the properties by qualified professionals would be required. Therefore, this factor cannot be verified as present for this Eligibility Study.

5. Illegal Use of Individual Structures

This factor applies to the use of structures in violation of applicable national, State or local laws. Examples of illegal uses may include, but not be limited to, the following:

a. illegal home occupations;
b. conduct of any illegal vice activities such as gambling or drug manufacture;
c. uses not in conformance with local zoning codes and not previously grand fathered in as legal nonconforming uses;
d. uses involving manufacture, sale, storage or use of dangerous explosives and firearms.

Summary of Findings Regarding Illegal Use of Individual Structures: NO

This factor was not documented in the Added Area.

6. Excessive Vacancies

Establishing the presence of this factor requires the documenting of the presence of unoccupied or underutilized buildings that represent an adverse influence on the Area because of the frequency, extent, or duration of such vacancies. It includes properties which evidence no apparent effort directed toward occupancy or utilization and partial vacancies.

Summary of Findings Regarding Excessive Vacancies: YES

During the field investigation of the industrial area within the Added Area, it was observed that a former fire station, a seven-story building, and a structure along Packers Avenue have excessive vacancies with approximately 51% of the industrial building square footage in the Added Area being unoccupied. Ultimately, while it was observed that only three (3) of the buildings in the Added Area are totally vacant, one of those buildings is

the largest and most prominent building in the Added Area. Additionally, several of the other buildings are largely unoccupied with minimal actual square footage being used. With total square footage in the Added Area buildings at approximately 469,187 square feet, the vacancies in these buildings make up approximately 238,920 square feet. Without intervention, vacancies are likely to persist and expand and continue to negatively impact surrounding properties.

7. Lack of Ventilation, Light or Sanitary Facilities

Many older structures fail to provide adequate ventilation, light or sanitary facilities. This is also a characteristic often found in illegal or improper building conversions and in commercial buildings converted to residential usage. Lack of ventilation, light or sanitary facilities are presumed to adversely affect the health of building occupants (i.e., residents, employees or visitors).

Summary of Findings Regarding Lack of Ventilation, Light or Sanitary Facilities: NO

The exterior field survey of buildings in the Added Area resulted in documentation of 5 structures (31%) without adequate mechanical ventilation, natural light and proper window area ratios in the Added Area. It is considered a factor to a minor extent.

8. Inadequate Utilities

Inadequate utilities refer to deficiencies in the capacity or condition of utilities which service a property or area, including, but not limited to, storm water drainage, water supply, electrical power, sanitary sewers, gas and electricity.

Summary of Findings Regarding Inadequate Utilities: NO

This factor was not documented in the Added Area.

9. Excessive Land Coverage and Overcrowding of Structures and Community Facilities

This factor may be documented by showing instances where building coverage is excessive. Excessive coverage refers to the over-intensive use of property and the crowding of buildings and accessory facilities onto a site. Problem conditions include buildings either improperly situated on the parcel or located on parcels of inadequate size and/or shape in relation to present-day standards of development for health and safety; and multiple buildings on a single parcel. The resulting inadequate conditions include such factors as insufficient provision for light and air, increased threat of fire due to close proximity to nearby buildings, lack of adequate or proper access to a public right-of-way, lack of required off-street parking, and inadequate provision for loading or service. Excessive land coverage has an adverse or blighting effect on nearby development because problems associated with lack of parking or loading areas can negatively impact adjoining properties.

Summary of Findings Regarding Excessive Land Coverage and Overcrowding of Structures and Community Facilities: NO

Excessive land coverage and overcrowding of structures and community facilities is minimally present in the Added Area. Four (4) of the 28 improved parcels have inadequate room for loading and parking forcing loading and parking to be done in the public right-of-way. Additionally, due to the inadequate off-street parking, cars are forced to also park in the public right-of-way.

10. Deleterious Land Use or Layout

Deleterious land uses include all instances of incompatible land-use relationships, buildings occupied by inappropriate mixed uses, or uses which may be considered noxious, offensive or environmentally unsuitable.

Summary of Findings Regarding Deleterious Land Use or Layout: NO

This factor was not documented in the Added Area.

11. Lack of Community Planning

This may be counted as a factor if the Area was developed prior to, or without the benefit or guidance of, a community plan. This means that no community plan existed, was considered inadequate, and/or was virtually ignored during the time of the area's development. Indications of a lack of community planning include:

1. Streets, alleys, and intersections that are too narrow or awkwardly configured to accommodate traffic movements.

2. Inadequate street and utility layout.

3. Tracts of land that are too small or have awkward configurations that would not meet contemporary development standards.

4. Properties lack adequate access to public streets.

5. Industrial land use and zoning adjacent to or within heavily developed residential areas without ample buffer areas.

6. Commercial and industrial properties that are too small to adequately accommodate appropriate off-street parking and loading requirements.

7. The presence of deteriorated structures, code violations and other physical conditions that are further evidence of an absence of effective community planning.

Summary of Findings Regarding Lack of Community Planning: YES

Lack of community planning was observed in 100% of the area. As evidenced by the placement and orientation of buildings with total or near-total lot coverage, and lack of provisions for off-street parking, loading and service, the development of the area occurred prior to a community plan or guidelines for the overall community area development. 42nd Street and 42nd Place are no longer through streets, due to a vacant privately owned tract of land bisecting them. Additionally, the majority of parcels are either of inadequate size or shape to be developed in their current configuration or they are oversized with limited access. Increased disinvestment and lack of demand has resulted in the vacancy and therefore, deterioration, of structures. The lack of ample new construction can be attributed to lack of community planning in the Area.

12. Environmental Remediation Costs

If an Area has incurred Illinois or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development of the redevelopment project area then this factor may be counted.

Summary of Findings Regarding Environmental Remediation Costs: NO

This factor was not identified in the Added Area.

13. Declining or Lagging Rate of Growth of Total Equalized Assessed Valuation

If the total equalized assessed value of the proposed redevelopment project area has declined for three (3) of the last five (5) calendar years for which information is available, or is increasing at an annual rate that is less than the balance of the municipality for three (3) of the last five (5) calendar years for which information is available, or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for three (3) of the last five (5) calendar years for which information is available then this factor may be counted.

Summary of Findings Regarding Declining or Lagging Rate of Growth of Total Equalized Assessed Valuation: YES

Analysis of historic EAV for the Added Area indicated that the presence of this factor does exist. Over a five-year period from 2010 through 2015, the growth rate of the total equalized assessed valuation (EAV) of the Added Area has decreased for at least 3 of the past 5 years. These figures are shown below in ***Table 1 – Equalized Assessed Valuation Trends 2010 - 2015****.*

Table 1 - Equalized Assessed Valuation Trends 2010 - 2015

	Project Area EAV[1]	% Change from Previous Year	Did the Area's EAV decline?[2]
2010	$6,095,032		
2011	$5,969,138	-2.1%	YES
2012	$4,949,984	-17.1%	YES
2013	$5,689,350	14.9%	NO
2014	$4,073,802	-28.4%	YES
2015	$5,616,093	37.9%	NO

[1]Cook County Assessor data compiled by ERSE, March 2017.

[2]Citywide EAV less the Project Area EAV. Source is Cook County Clerk's Agency Tax Rate Reports for City of Chicago.

The EAV declined in three (3) of the last five (5) years. Declining or Lagging Equalized Assessed Valuation as a factor is present in the improved parcels of the Added Area. Therefore, this factor is a supporting factor for Added Area conservation area eligibility.

F. Conclusion of Investigation of Eligibility Factors for the Improved Portion of the Redevelopment Project Area

The Improved tax parcels within the Added Area meet the requirements of the TIF Act for designation as a conservation area within the requirements of the Act.

Conclusion of Investigation of Eligibility Factors for the Improved Portion of the Redevelopment Project Area:

The presence of deteriorated structures; deteriorated site improvements and public rights-of-way; obsolescence; excessive building vacancies; a lack of community planning and declining or lagging EAV are all indications of detrimental conditions in the Added Area which could lead to blight without an increase of private and public investment in the Added Area. Furthermore, these conditions are present to a meaningful extent and reasonably distributed throughout the improved portions of the Area. The presence of these TIF eligibility factors underscores the lack of private investment in the Area.

The tax increment program and redevelopment plan include measures designed to reduce or eliminate the deficiencies, which cause the improved portion of the Added Area to qualify as a conservation area consistent with the strategy of the City of Chicago for revitalizing other designated redevelopment areas and industrial corridors. As documented in this investigation and analysis, several of these factors affect the Added Area to a major or minor extent and more than qualify the improved portion of the Added Area as a conservation area under the Act.

G. Analysis of Undeveloped or Vacant Property

For the purpose of qualification for TIF, the term "vacant land" is defined in the TIF Act as follows:

Any parcel or combination of parcels of real property without industrial, commercial, and residential buildings which has not been used for commercial agricultural purposes within five (5)

years prior to the designation of the redevelopment project area.

Approximately 4.4 acres of the 43.9 acres (10%) of Added Area are considered vacant land under this definition. Vacant land is identified in the ***Plan Appendix, Exhibit B - Existing Land Use Map***. The blighting factors present on vacant parcels are summarized on ***Eligibility Study, Summary of TIF Eligibility Factors***.

Using GIS software, the Consultant evaluated the Added Area's vacant land in terms of the conditions listed during field surveys and subsequent analyses. The data was processed by Parcel Identification Number for each of the factors relevant to making a finding of eligibility.

Vacant Blighted Area Category 1 Factors:

Vacant land within the Added Area may qualify for designation as part of a redevelopment project area, if the sound growth of the redevelopment project area is impaired by a combination of two (2) of six (6) factors listed in section 11-74.4-3(a)(2) of the Act, each of which is (i) present, with that presence documented, to a meaningful extent so that a municipality may reasonably find that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the vacant part of the redevelopment project area to which it pertains. The Category 1 factors include:

a. Obsolete Platting

This factor is present when the platting of vacant land results in parcels of limited or narrow size or configuration of parcels in irregular size or shape that would be difficult to develop on a planned basis, in a manner compatible with contemporary standards and requirements. Obsolete platting is also evident where there is a failure to create rights-of-way for streets or alleys or where public rights-of-way are of inadequate widths, or easements for public utilities have not been provided.

Summary of Findings Regarding Obsolete Platting: YES

Obsolete Platting as a factor affects 3 or 75% of vacant land in the Added Area and is therefore meaningfully present to a major extent and reasonably distributed throughout the Added Area.

b. Diversity of Ownership

This factor is present when the number of owners of the vacant land is sufficient in number to retard or impede the assembly of land for development.

Summary of Findings Regarding Diversity of Ownership: NO

This factor is not present within the Added Area.

c. Tax and Special Assessment Delinquencies

Tax and special assessment delinquencies exist or the property has been the subject of tax sales under the Property Tax Code within the last five (5) years

Summary of Findings Regarding Tax and Special Assessment Delinquencies: NO

This factor is not present within the Added Area.

d. Deterioration of Structures or Improvements in Neighboring Areas Adjacent to Vacant Land

Summary of Findings Regarding Deterioration of Structures or Improvements in Neighboring Areas Adjacent to Vacant Land: YES

As indicated in the above analysis of blighting factors present on improved portions of the Added Area, 100% of buildings exhibited deteriorated right-of-way conditions and 89% exhibited deteriorated site improvements and 75% contained deteriorated buildings. It was found that 4 (100%) of the vacant parcels are located adjacent to deteriorated buildings or site improvements.

The deteriorated buildings and site improvements detract from the desirability and marketability of nearby vacant sites. This impediment to redevelopment can be addressed in part through the use of public-private financing mechanisms such as tax increment financing.

e. Declining or Lagging Equalized Assessed Valuation

As defined in the Act, a "declining or lagging equalized assessed valuation" means that the total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years prior to the year in which the redevelopment project is designated or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years prior to the year in which the redevelopment project area is designated.

Summary of Findings Regarding Declining or Lagging Equalized Assessed Value: NO

This factor was considered not present.

f. Environmental Remediation

The area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

Summary of Findings Regarding Environmental Remediation: Not Indicated

As is noted in the discussion of environmental remediation, this factor was not identified. It is not known whether past land uses on parcels that are now vacant created soil or groundwater contamination. No documentation of past contamination of vacant land is presently available.

Vacant Blighted Area Category 2 Factors:
With regard to the second set of vacant land factors, if the Category 1 factors are not found to exist, only one (1) Category 2 factor is required for eligibility. No Category 2 factors were found to be present in the Added Area.

H. Conclusion of Investigation of Eligibility Factors for the Vacant Portion of the Added Area

The discussion above, and the evidence summarized in ***Eligibility Study, Table 2 – Summary of TIF Eligibility Factors***, indicate that the two Vacant Category 1 factors required to qualify the vacant portion of the Added Area as a blighted area exist and that the presence of those factors were documented to a meaningful extent so that the City may reasonably find that the factors are clearly present within the intent of the Act, and that the factors were reasonably distributed throughout the vacant portion of the Added Area.

The tax increment program and redevelopment plan include measures designed to reduce or eliminate the deficiencies which cause the Added Area to qualify consistent with the strategy of the City of Chicago for revitalizing other designated redevelopment areas and industrial corridors. As documented in this investigation and analysis, the vacant portion of the Added Area is impacted by a number of eligibility factors. The presence of these factors qualifies the vacant portion of the Added Area as a blighted area.

SUMMARY AND CONCLUSIONS

The conclusions of Ernest R. Sawyer Enterprises and PGAV Planners are that the number, degree, and distribution of eligibility factors in the Added Area as documented in this Eligibility Study warrant: i) the designation of the improved portion of the Added Area as a ***conservation area,*** and ii) the designation of the vacant portion of the Added Area as a ***blighted area*** as set forth in the Act.

Although it may be concluded that the mere presence of the stated eligibility factors noted above may be sufficient to make a finding of qualification as a conservation area or a vacant blighted area, this evaluation was made on the basis that the factors must be present to an extent that would lead reasonable persons to conclude that public intervention is appropriate or necessary. From the data presented in this report it is clear that the eligibility factors are reasonably distributed throughout the Added Area.

Despite small incremental improvements scattered throughout the Area, there exist conditions in the Added Area that continue to threaten the public safety, health and welfare. The presence of deteriorated structures; the high level of commercial building vacancies; inadequate utilities; deteriorated streets and sidewalks; and the predominance of underutilized, vacant and tax exempt properties in the Added Area may result in further disinvestments that will not be overcome without action by the City. These conditions have been previously documented in this report. All properties within the Added Area will benefit from the TIF program.

The conclusions presented in this Eligibility Study are those of the Consultant. The local governing body should review this Eligibility Study and, if satisfied with the summary of findings contained herein, adopt a resolution making a finding of a conservation area for the improved portion of the Added Area and finding of a blighted area for vacant portion of the Added Area and making this Eligibility Study a part of the public record.

The analysis contained herein was based upon data assembled by Ernest R. Sawyer Enterprises and PGAV Planners. The study and survey of the Added Area indicate the requirements necessary for designation as a combination conservation and blighted area, are present. Therefore, the Added Area qualifies as a combination conservation area and a vacant blighted area to be designated as a redevelopment project area and eligible for Tax Increment Financing under the Act.

Be It Resolved by the Community Development Commission of the City of Chicago:

Section 1. The above recitals are incorporated herein and made a part hereof.

Section 2. The Commission hereby makes the following findings pursuant to Section 5/11-74.4-3(n) of the Act or such other section as is referenced herein:

a. The Area on the whole has not been subject to growth and development through investment by private enterprise and would not reasonably be expected to be developed without the adoption of the Plan;

b. The Plan:

(i) conforms to the comprehensive plan for the development of the City as a whole; or

(ii) the Plan either (A) conforms to the strategic economic development or redevelopment plan issued by the Chicago Plan Commission or (B) includes land uses that have been approved by the Chicago Plan Commission;

c. The Plan meets all of the requirements of a redevelopment plan as defined in the Act and, as set forth in the Plan, the estimated date of completion of the projects described therein and retirement of all obligations issued to finance redevelopment project costs is not later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 5/11-74.4-8 of the Act is to be made with respect to ad valorem taxes levied in the 23rd calendar year following the year of the adoption of the ordinance approving the designation of the Area as a redevelopment project area and, as required pursuant to Section 5/11-74.4-7 of the Act, no such obligation shall have a maturity date greater than 20 years;

d. To the extent required by Section 5/11-74.4-3(n)(6) of the Act, the Plan incorporates the housing impact study, if such study is required by Section 5/11-74.4-3(n)(5) of the Act;

e. The Plan will not result in displacement of residents from inhabited units.

f. The Area includes only those contiguous parcels of real property and improvements thereon that are to be substantially benefited by proposed Plan improvements, as required pursuant to Section 5/11-74.4-4(a) of the Act;

g. As required pursuant to Section 5/11-74.4-3(p) of the Act:

(i) the Area is not less, in the aggregate, than one and one-half acres in size; and

(ii) conditions exist in the Area that cause the Area to qualify for designation as a redevelopment project area and a blighted area as defined in the Act;

h. If the Area is qualified as a "blighted area", whether improved or vacant, each of the factors necessary to qualify the Area as a Redevelopment Project Area on that basis is (i) present, with that presence documented to a meaningful extent so that it may be reasonably found that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the improved part or vacant part, as applicable, of the Area as required pursuant to Section 5/11-74.4-3(a) of the Act;

i. If the Area is qualified as a "conservation area" the combination of the factors necessary to qualify the Area as a redevelopment project area on that basis is detrimental to the public health, safety, morals or welfare, and the Area may become a blighted area; [and]

Section 3. The Commission recommends that the City Council approve the Plan pursuant to Section 5/11-74.4-4 of the Act.

Section 4. The Commission recommends that the City Council designate the Area as a Redevelopment Project Area pursuant to Section 5/11-74.4-4 of the Act.

Section 5. The Commission recommends that the City Council adopt Tax Increment Allocation Financing within the Area.

Section 6. If any provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this resolution.

Section 7. All resolutions, motions or orders in conflict with this resolution are hereby repealed to the extent of such conflict.

Section 8. This resolution shall be effective as of the date of its adoption.

Section 9. A certified copy of this resolution shall be transmitted to the City Council.

RE: Amending Agreement to Administrative Services Agreement (the "Agreement")

Ladies and Gentlemen:

We have acted as counsel for SomerCor 504, Inc., an Illinois not-for-profit corporation ("SomerCor"), in connection with the execution and delivery of the Agreement by and between SomerCor and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). SomerCor has requested that this opinion be furnished to the City.

In so acting as counsel for SomerCor, we have examined:

(i) an executed original of the Agreement;

(ii) the Articles of Incorporation, including all amendments thereto, of SomerCor as furnished and certified by the Secretary of State of the State of Illinois (the "Articles");

(iii) the Bylaws of SomerCor, as certified by the Secretary of SomerCor as of the date hereof (the "Bylaws"); and

(iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of SomerCor (the "Certificate of Good Standing").

The Articles, Bylaws and Certificate of Good Standing are referred to collectively as the "Organization Documents".

In our capacity as counsel, we have also examined such other documents or instruments as we have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

We have assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than SomerCor which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by us. We have also assumed that all documents submitted to us as originals are authentic and that all documents submitted to us as photostatic or certified copies conform to the original documents.

We have further assumed (i) that factual matters set forth in SomerCor's representations and warranties in the Agreement are true and accurate in all respects; (ii) that the conduct of the parties to the Agreement complies with any requirement of good faith, fair dealing and conscionability; and (iii) that there has not been any mutual mistake of fact, fraud, duress or undue influence.

We express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state; (iii) any matters pertaining or related to the Employee Retirement Income Security Act of 1974 and any rules and regulations thereunder; (iv) any matters pertaining or relating to the taxation laws of the United States of America, the State of Illinois or any other state; and (v) any matters pertaining or relating to the criminal, quasi-criminal or civil forfeiture laws of the United States of America, the State of Illinois or any other state. Additionally, this opinion is limited to the matters set forth herein. No opinion may be inferred or implied beyond the matters expressly contained herein. We shall have no continuing obligations to inform you of changes in law or fact subsequent to the date hereof or of facts of which we become aware after the date hereof.

Based upon and subject to the assumptions and qualifications herein stated, it is our opinion that:

1. Based solely on our review of the Organization Documents, SomerCor is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, SomerCor has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.

2. Based solely on our review of the Organization Documents, the Agreement has been duly executed and delivered on behalf of SomerCor and constitutes a legal, valid and binding obligation of SomerCor, enforceable against SomerCor in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.

3. To our knowledge, there is no action, suit or proceeding at law or in equity pending, nor to our knowledge threatened, against or affecting SomerCor, before any court or before any governmental or administrative agency, which if adversely, determined could materially and adversely affect the ability of SomerCor to perform under the Agreement or any of its business or properties or financial or other conditions.

4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.

5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:

A. violation or breach of (i) the Articles of Incorporation of SomerCor, (ii) the Bylaws of SomerCor, (iii) to our knowledge, any provision of any contract or other instrument to which SomerCor is bound, or (iv) to our knowledge, any order, writ, injunction, decree, statute, rule or regulation binding on SomerCor, or

B. to our knowledge, a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of SomerCor pursuant to any agreement or other instrument to which SomerCor is a party or by which SomerCor is bound.

6. To our knowledge, no action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

In basing the opinions or other matters set forth in this letter, the words "our knowledge" signify that, in the course of representation of SomerCor, no facts have come to our attention that would give us actual (and not implied or constructive) knowledge or actual (and not implied or constructive) notice that any such opinions or other matters are not accurate. Except as other expressly stated in this opinion, we have undertaken no investigation nor verification of such opinions and matters. Further, the words "our knowledge" and similar language used in this opinion are intended to be limited to only the actual knowledge of the attorneys within our firm who have been directly involved in representing SomerCor, namely _____.

The foregoing opinions are furnished exclusively for your benefit and may be relied upon by you in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without express written consent from the undersigned, which may be granted or denied in the undersigned's sole discretion.

Very truly yours,

WHEREAS, On November 12, 2008, the City Council of the City of Chicago (the "City Council") enacted an ordinance (the "Establishment Ordinance") which established an area known and designated as City of Chicago Special Service Area Number 47 (the "Original Area") and authorized the levy of an annual tax, for the period beginning in tax year 2008 through and including tax year 2017 (the "Original Period"), not to exceed an annual rate of three percent (3%) of the equalized assessed value of the taxable property therein (the "Services Tax") to provide certain special services in and for the Original Area in addition to the services provided by and to the City of Chicago generally (the "Original Special Services"); and

WHEREAS, The Establishment Ordinance established the Original Area as that territory consisting of South Cottage Grove Avenue, from East 40th Street on the north to East 51st Street on the south and along East 47th Street, from South Lake Park Avenue on the east to South St. Lawrence Avenue on the west; and

WHEREAS, The Original Special Services authorized in the Establishment Ordinance include but are not limited to maintenance and beautification activities; new construction; coordinated marketing and promotional activities; parking and transit programs; area strategic planning; business retention/recruitment initiatives; building facade improvements; security services; social services; and other technical assistance activities to promote community and economic development; and

(b) the Area is contiguous; and

(c) the proposed Special Services are in addition to municipal services provided by and to the City generally; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The preambles of this ordinance are hereby incorporated into this text as if set out herein in full.

SECTION 2. A public hearing shall be held by the Committee on Finance of the City Council of the City of Chicago at the City Council Chamber, City Hall, Chicago, Illinois (the "Hearing") to consider (i) the enlargement of the boundaries of the Original Area to the Area while keeping its designation as City of Chicago Special Service Area Number 47, (ii) the authorization of the Special Services distinct from the Original Special Services, and (iii) the authorization of the extended Levy Period for the levy of the Services Tax within the Area. The Services Tax shall not exceed the annual rate of three percent (3%) of the equalized assessed value of the taxable property within the Area. The Services Tax shall be authorized to be extended and levied in tax years 2017 through and including 2031. The proposed amount of the tax levy for the Special Services in tax year 2017 is $326,100. The Special Services may include new construction or maintenance. Some or all of the proceeds of the proposed Services Tax are anticipated to be used by an entity other than the City of Chicago to provide the Special Services to the Area, which such entity shall be a "service provider" pursuant to a "services contract", each as defined in the Special Service Area Tax Law.

The Special Services shall be in addition to services provided to and by the City of Chicago generally. The Area shall consist of territory described on Exhibit 1 hereto and hereby incorporated herein. The approximate street location of said territory consists of South Cottage Grove Avenue, from East 40th Street on the north to East 51st Street on the south; and along East 47th Street, from South Lake Park Avenue on the east to South St. Lawrence Avenue on the west.

SECTION 3. Notice of the Hearing shall be published at least once, not less than fifteen (15) days prior to the Hearing, in a newspaper of general circulation within the City of Chicago. In addition, notice by mail shall be given by depositing said notice in the United States mail addressed to the person or persons in whose name the general taxes for the last preceding year were paid on each property lying within the Area. The notice shall be mailed not less than ten (10) days prior to the time set for the Hearing. In the event taxes for the last preceding year were not paid, the notice shall be sent to the person last listed on the tax rolls prior to that year as the owner of the property.

SECTION 4. Notice of the Hearing shall be substantially in the following form:

Notice of Public Hearing

Notice is hereby given that at ___o'clock __.M., on the _____ day of _____, 2017 at the City Council Chamber, City Hall, 121 North LaSalle Street, Chicago, Illinois, a public hearing will be held by the Committee on Finance of the City Council of the City of Chicago to consider certain matters with respect to an area within the City of Chicago known and designated as Special Service Area Number 47 and the authorization of the levy of a special annual services tax (the "Services Tax") within the Area. The Services Tax under consideration shall be authorized to be levied annually in tax years 2017 through and including 2031 for the provision of the Special Services. The purpose of the Services Tax shall be to provide the Special Services within the Area, which may include, but are not limited to: customer attraction, public way aesthetics, sustainability and public place enhancements, economic/business development, safety programs, and other activities to promote commercial and economic development. The Special Services may include new construction or maintenance. Some or all of the proceeds of the proposed Services Tax are anticipated to be used by an entity other than the City of Chicago to provide the Special Services to the Area, which such entity shall be a "service provider" pursuant to a "services contract", each as defined in the Special Service Area Tax Law, 35 ILCS 200/27-5, et seq., as amended from time to time.

The Services Tax to be levied against the taxable property included within the Area for the provision of the Special Services shall not exceed the annual rate of three percent (3%) of the equalized assessed value of taxable property within the Area. The proposed amount of the tax levy for Special Services in tax year 2017 is $326,100. The Services Tax shall be in addition to all other taxes provided by law and shall be levied pursuant to the provisions of the Property Tax Code, 35 ILCS 200/1-1, et seq., as amended from time to time.

East 51st Street on the south; and along East 47th Street, from South Lake Park Avenue on the east to South St. Lawrence Avenue on the west.

At the public hearing any interested person, including all persons owning taxable real property located within the proposed Area, affected by (i) the enlargement of the boundaries of the original special service area to the Area while keeping the designation as City of Chicago Special Service Area Number 47, (ii) the authorization of the Special Services in the Area distinct from the original special services provided therein, and (iii) the authorization of the extension of the time period for which the levy of the Services Tax is authorized within the Area from the initial period to the period from tax year 2017 through and including tax year 2031, may file with the City Clerk of the City of Chicago written objections to and may be heard orally with respect to any issues embodied in this notice. The Committee on Finance of the City Council of the City of Chicago shall hear and determine all protests and objections at said hearing, and said hearing may be adjourned to another date without further notice other than a motion to be entered upon the minutes fixing the time and place it will reconvene.

If a petition signed by at least fifty-one percent (51%) of the electors residing within the boundaries of the Area and by at least fifty-one percent (51%) of the landowners included within the boundaries of the Area objecting to (i) the enlargement of the boundaries of the original special service area to the Area while keeping the designation as City of Chicago Special Service Area Number 47, (ii) the authorization of the Special Services in the Area distinct from the original special services provided therein, and/or (iii) the authorization of the extension of the time period for which the levy of the Services Tax is authorized within the Area from the initial period to the period from tax year 2017 through and including tax year 2031, is filed with the City Clerk of the City of Chicago within sixty (60) days following the final adjournment of the public hearing, then such action objected to shall not be approved or authorized.

Amendment To Year 2018 Service Provider Agreement For Special Service Area No. 34.

This Amendment ("Amendment") is made and entered into effective as of the ___ day of _____, 2017, by and between the City of Chicago ("City"), a municipal corporation and home rule unit of local government existing under the Constitution of the State of Illinois, acting through the Special Service Area Commission at Chicago, Illinois, and Uptown United, an Illinois not-for-profit corporation ("Contractor").

Background.

Whereas, On December 7, 2005, the City Council of the City of Chicago (the "City Council") enacted an ordinance (the "Establishment Ordinance") which established an area known and designated as City of Chicago Special Service Area Number 34 (the "Original Area") and authorized the levy of an annual tax, for the period beginning in 2005 through and including 2014, not to exceed an annual rate of twenty-five hundredths of one percent (0.250%) of the equalized assessed value of the taxable property therein (the "Services Tax") to provide certain special services in and for the Area in addition to the services provided by and to the City of Chicago generally (the "Original Special Services"); and

Whereas, On December 10, 2014, the City enacted an ordinance which (i) enlarged the boundaries of the Original Area (as enlarged, the "Area"), (ii) authorized certain special services in the Area distinct from the Original Special Services (the "Special Services"), and (iii) authorized the extension of the time period for which the levy of the Services Tax is authorized within the Area from the Original Period to a period from tax year 2014 through and including tax year 2028; and

Whereas, On October 5, 2016, the City Council enacted an ordinance which, among other things, appropriated the sums necessary to provide the Special Services in and for Special Service Area Number 34 for 2017, levied the Services Tax for the tax year 2016, and authorized a Service Provider Agreement (the "2017 Agreement") with Uptown United, an Illinois not-for-profit corporation (the "Contractor") as the service provider for the provision of the Special Services in 2017; and

Whereas, The Contractor and the City entered into the 2017 Agreement, in which the Contractor is to perform certain Special Services for Special Service Area Number 34; and

Whereas, The City desires to increase the budget for Special Services in the Area in 2017 by $80,708; and

Whereas, The City therefore desires to amend the 2017 Agreement; and

Whereas, The 2017 Agreement requires that modifications to it must be made in writing and signed by both parties;

Now, Therefore, In consideration of the provisions and conditions set forth in the 2017 Agreement, the parties do mutually agree to amend the 2017 Agreement as set forth below.

It is further agreed by and between the parties that the sole modifications of, changes in, and amendments to the 2017 Agreement are as follows:

1. Exhibit 1(A), Amended Budget for 2017, is attached to this Amendment as Attachment 1 and incorporated by reference.

[R2017-733]

The Committee on Finance submitted the following report:

CHICAGO, October 11, 2017.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration a resolution calling for a coordinated response by federal, state and local agencies to the opioid crisis, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Adopt* the proposed resolution transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, The City of Chicago is a home rule unit of government pursuant to the 1970 Illinois Constitution, Article VII, Section 6(a); and

WHEREAS, Pursuant to its home rule power, the City of Chicago may exercise any power and perform any function relating to its government and affairs including promoting the quality of life and the welfare of its citizens; and

WHEREAS, Drug addiction is a widespread and growing problem, with an estimated 2.6 million opioid addicts in the United States; and

WHEREAS, Since 1999, the number of both opioid prescriptions and prescription opioid overdoses have quadrupled in the United States; and

WHEREAS, In 2016, 1.4 million privately insured patients were diagnosed with opioid dependency, compared to only 241,000 such patients in 2012; and

WHEREAS, With approximately 142 Americans dying every day as a result of opioids, the nation is enduring a death toll equal to the September 11th attacks every three weeks; and

WHEREAS, In 2015, there were more than 33,000 opioid-related deaths across the United States; and

WHEREAS, Deaths linked to Fentanyl, a powerful new opioid that is 40 times more potent than heroin, tripled to more than 9,000 between 2013 and 2015 in the United States; and

WHEREAS, Federal officials estimate that opioid abuse drains nearly $80 Billion annually from the American economy as a result of expenses tied to health care, criminal justice, and lost productivity; and

WHEREAS, Public health experts project that opioids could kill roughly 250 Americans a day, or more than 650,000 Americans total, over the next decade as the crisis of addiction and overdose accelerates; and

WHEREAS, If public health experts' projections are correct, opioids could kill nearly as many Americans in a decade as HIV/AIDS has killed since the early 1980s; and

WHEREAS, On July 31, 2017, the Trump Administration's Commission on Combating Drug Addiction and the Opioid Crisis released its interim report urging the President to declare the opioid crisis a national emergency in order to make the epidemic a top priority and allow the administration to take bold steps toward combating drug abuse; and

WHEREAS, On August 10, 2017, President Donald Trump announced that he will officially declare the opioid crisis a national emergency, stating that the Administration will spend "a lot of time, a lot of effort and a lot of money on the opioid crisis"; and

WHEREAS, By issuing a public health emergency declaration, the federal government can expedite access to resources and different tools in response to the opioid crisis through the Stafford Act or the Public Health Service Act; and

WHEREAS, The Stafford Act would enable access to federal disaster relief funds and coordination with state agencies to scale up law enforcement and addiction treatment in response to the crisis; and

WHEREAS, Through the Public Health Service Act, the Administration would also be able to mobilize and deploy medical staff in underserved areas, bolster staffing or train providers for medication-assisted treatment, or waive state licensing requirements for doctors which would allow addiction specialists to go into areas that currently do not have enough access to such care; and

WHEREAS, A declaration through either law could also allow Section 1135 waivers for Medicaid, which would permit the U.S. Health and Human Services Secretary to bypass regulatory hurdles which fail to reimburse services from inpatient facilities that treat "mental diseases", including addiction, with more than 16 beds; and

WHEREAS, Since 2014, six states including Alaska, Arizona, Florida, Maryland, Massachusetts and Virginia have successfully declared the opioid crisis a public health emergency in order to take a more purposeful aim at the battles they are waging on a local level; and

WHEREAS, In 2014, Massachusetts became the first state to declare the opioid crisis a public health emergency and has since seen a 24 percent decrease in the number of people being prescribed opioids; and

WHEREAS, After declaring the opioid crisis a public health emergency in June, 2017, Arizona officials were allowed to access a public health emergency fund and have since trained more than 1,000 law enforcement officers on how to administer naloxone; and

WHEREAS, By declaring the opioid crisis a public health emergency, states can implement more stringent guidelines for prescribing opioids, receive waivers to allow Medicaid to fund residential drug treatment and expand access to care, and increase the availability of naloxone to the public; and

WHEREAS, In addition, a state of emergency declaration would allow officials to access public health emergency funds for additional resources which could be used to train law enforcement officers how to administer naloxone, improve tracking and data gathering, and provide prevention, treatment and recovery support services; and

WHEREAS, At the very least, the immediate impact of such a declaration is that it would be used as a communication tool to give families notice of how severe of a threat the opioid crisis has become; and

WHEREAS, According to the Centers for Disease Control, Illinois had the third fastest-rising death rate from synthetic opioids in the United States, rising 120 percent from 2014 to 2015; and

WHEREAS, In 2016, there were 1,826 opioid-related deaths in Illinois which is over 80 percent of the total 2,278 overdose deaths; and

WHEREAS, Of the 1,826 opioid-related deaths in Illinois in 2016, Fentanyl was responsible for nearly half of those deaths; and

WHEREAS, In 2016, there were 1,091 opioid-related deaths in Cook County compared to 649 deaths in 2015; and

WHEREAS, Of the 1,091 opioid-related deaths in Cook County in 2016, Fentanyl was responsible for 562 of those deaths; and

WHEREAS, In 2016, the Chicago/Cook County Task Force on Heroin issued a final report recommending reform in education, treatment, data, law enforcement and overdose reversal, as to which the City expanded naloxone deployment to the entire Chicago Fire Department fleet; and

WHEREAS, The State of Illinois, the City of Chicago, and the County of Cook have yet to declare the opioid crisis a public health emergency and bring the epidemic to the forefront of public discussion; and

WHEREAS, By addressing the opioid crisis as a public health emergency, it would provide the State of Illinois and the City of Chicago an opportunity to act in a collaborative effort in bringing the crisis to the forefront of public discussion, prevent new cases of substance abuse disorders, and leverage emergency resources toward an epidemic that needs immediate action; now, therefore,

Be It Resolved by the City Council of the City of Chicago: That the City Council of the City of Chicago does hereby urge President Donald Trump to officially declare the opioid crisis a national public health emergency and request that the Administration implement a coordinated response in order to protect American families from the perils of this deadly epidemic that continues to plague our nation; and

Be It Further Resolved, That the City Council of the City of Chicago does hereby urge Governor Bruce Rauner to officially declare the opioid crisis a state public health emergency and to take immediate action to implement a coordinated response with local agencies and law enforcement communities to combat the opioid crisis and increase residents' access to substance abuse prevention and treatment programs, as well as to ensure increased access to naloxone; and

To the President and Members of the City Council:

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, As practically every aspect of private and public business is conducted and stored on virtual networks and warehouses, data breaches are occurring more frequently and with more potentially disastrous repercussions; and

WHEREAS, "Hacks" and data breaches have a near constant strong hold on news headlines as cybercrime afflicts nations and industries throughout the globe; and

WHEREAS, For example, in 2013, the retail giant Target had its systems breached by a cyber-attack that affected more than 41 million customer payment card accounts, causing Target to pay out $18.5 Million in settlement fees; and

WHEREAS, In 2014, Home Depot's systems were breached and 50 million cardholders were affected, resulting in Home Depot agreeing to pay at least $19.5 Million to compensate those individuals; and

WHEREAS, Equifax is a consumer credit reporting agency that collects and aggregates information on over 800 million individual consumers and more than 88 million businesses worldwide; and

WHEREAS, Equifax then sells this information to third parties in the form of consumer credit reports, insurance reports, and other consumer demographic and analytics information; and

WHEREAS, Equifax also markets and sells its credit protection and identity theft monitoring services to the consumers whose personal information Equifax collects; and

WHEREAS, Congress enacted the Fair Credit Reporting Act (FRCA), to ensure fair and accurate credit reporting, to promote efficiency in the banking system, and to protect consumer privacy; and

WHEREAS, Equifax as a credit reporting agency must abide by FRCA consumers privacy protection requirements of preventing inappropriate disclosure of private information by maintaining reasonable procedures to ensure third-party disclosures are made exclusively for permissible purposes; and

WHEREAS, On July 29, 2017, Equifax discovered evidence of a cyber security breach in their databases that stored confidential and private consumer information of approximately 143 million U.S. consumers; and

WHEREAS, On September 7, 2017, 40 days after the breach was allegedly discovered, Equifax finally announced to the public that, due to a vulnerability it its systems, its files had been accessed by criminals for a period of time lasting at least from mid-May through July 2017; and

WHEREAS, August 2017 regulatory filings show that three Equifax executives completed stock sales totaling nearly $2 Million worth of company stock during the period in which breach information was withheld from the public; and

WHEREAS, Consumer information compromised in the Equifax breach includes names, social security numbers, birth dates, addresses, driver's license numbers, credit card numbers, and documents containing personal identity information; and

WHEREAS, It appears that Equifax willfully ignored the clear and present risk of security breaches in its systems and failed to implement and maintain reasonable security measures to prevent, detect, and mitigate the breach; and

WHEREAS, Equifax waited 40 days to alert consumers of their private information being stolen, thereby depriving consumers of an opportunity to freeze and monitor their accounts in a timely manner and increasing the timeframe and risk of exposure; and

WHEREAS, To date, Equifax has not issued confirmation to any person that his or her information was compromised; and

WHEREAS, As a remedy, Equifax originally offered "complimentary identity theft protection and credit monitoring" through a website they created called equifaxsecurity2017.com, but the service required waiver of the right to a jury trial and purported to bind users to individual arbitration; and

WHEREAS, Moreover, the credit protection assistance included an automatic renewal option on the paid service after the "free" year subscription expired; and

WHEREAS, Equifax's consumer relations were called into question even earlier when, in January 2017, the Consumer Financial Protection bureau ordered Equifax and TransUnion (another credit reporting agency), to pay $23.1 Million collectively in consumer restitution

and fines for deception about the usefulness and true cost of credit sold to consumers; and

WHEREAS, According to Attorney General Lisa Madigan, 5.4 million consumers in Illinois were affected by the security breach at Equifax; and

WHEREAS, Due to Equifax's conduct, Chicago residents are at an increased risk of identity theft and fraud, improper disclosure of private information, and confront the need to spend added time and money to monitor their financial records; and

WHEREAS, According to the *Chicago Sun-Times,* more than 70 class-action lawsuits have reportedly been filed against Equifax as a result of the breach; and

WHEREAS, The Massachusetts Attorney General filed suit against Equifax alleging the company knew about electronic vulnerabilities yet failed to protect consumer data; and

WHEREAS, Additionally, the city of San Francisco has filed suit against Equifax claiming the company violated California state law by failing to provide timely notice of the data breach that affected Californians and failing to provide complete and clear information; and

WHEREAS, Finally, Chicago has filed its lawsuit against Equifax, claiming that the breach and the manner in which it was handled violate the Municipal Code of Chicago's provisions concerning consumer fraud and deceptive business practices; and

WHEREAS, Equifax and this breach are now the subject of congressional hearings in Washington, D.C.; and

WHEREAS, With what appears to be concealment of wrongdoing and effort to profiteer from it, evidence of Equifax's conduct to date offends longstanding notions of business ethics and morals; and

WHEREAS, As these legal actions and investigations begin, the chairman and chief executive officer during the activities in question, Richard Smith, is poised to retire from Equifax with a payout worth as much as $90 Million; and

WHEREAS, This City Council is called on to ensure that intrusion upon the rights of Chicagoans is not met with multi-million dollar rewards; now, therefore,

Be It Resolved by the City Council of the City of Chicago:

The Chicago City Council calls on the Equifax Board of Directors to withhold payment of any bonus, severance package, or retirement benefit from its departing chief executive officer, Richard Smith, until there is a final disposition on the matter of *City of Chicago v. Equifax, Inc.,* filed on September 28, 2017 in the Circuit Court of Cook County and docketed as case number 2017 CH 13047.

CHICAGO WHITE SOX AND CHICAGO CUBS URGED TO LEAD LEAGUE IN PROTECTIVE NETTING PRACTICES AND SPECTATOR SAFETY PRECAUTIONS.

[R2017-829]

The Committee on Finance submitted the following report:

CHICAGO, October 11, 2017.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration a resolution calling upon the Chicago White Sox and Chicago Cubs to lead the league in terms of protective netting practices and spectator safety precautions, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Adopt* the proposed resolution transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, With gross revenues reportedly nearing $10 Billion in 2016, Major League Baseball's world-wide fan base and favored pastime status is unquestioned; and

WHEREAS, The joy of spectatorship is not without risks, as attendees are cautioned to be vigilant of high-speed balls or bats careening from the field and in their direction; and

WHEREAS, To mitigate those risks, Major League Baseball (MLB) has recommended guidelines for protective netting between the playing field and parts of the spectator areas; and

WHEREAS, Different team stadiums adhere to different netting practices; and

WHEREAS, In September 2017, a two-year-old girl was struck by a 105 mile per hour (mph) baseball at a stadium with a netting arrangement that did not comply with the MLB guidelines; and

WHEREAS, In June 2015, a spectator at a Boston Red Sox versus Oakland Athletics game was struck in the face by a broken baseball bat and sustained life threatening injuries; and

WHEREAS, Bloomberg News reports that 1,750 fans were injured in 2014 by foul or errant balls in the stands at MLB games, with injuries ranging from cuts and bruises to shattered bones, skull fractures and even nerve and brain damage; and

WHEREAS, According to statistician Edwin Comber, 73 percent of foul balls hit the stands during MLB games; and

WHEREAS, According to an analysis by Bloomberg, spectator strikes occur more often than strikes to players at the plate; and

WHEREAS, Indeed, hitting the ball beyond the field of play is a hallmark of the sport's competitiveness, and although not all home runs involve a ball reaching the stands, it is notable that the 2016 season boasted 701 more home runs than in the year before, which in turn saw 723 more home runs than in 2015; and

WHEREAS, As plays increase in power, spectator safety must be reconsidered and measures should be adjusted accordingly; and

WHEREAS, The MLB recommends that netting be installed to the near end of each team's dugout and within 70 feet of home plate; and

WHEREAS, The MLB commissioner has vowed to increase safety efforts in the wake of recent incidents, and players themselves have voiced support for the extension of netting; and

WHEREAS, Major cities including New York City have taken steps to extend netting in an effort to reduce the severity and number of fan injuries each year; and

WHEREAS, MLB clubs including the Chicago White Sox and Chicago Cubs have pledged to extend protective netting by opening day 2018; and

WHEREAS, As proud home to two world champion baseball teams, the City of Chicago stands to be at the forefront of efforts to ensure the continued safe enjoyment of this storied pastime; now, therefore,

Be It Resolved by the City Council of the City of Chicago:

That the members of this City Council urge the respective management teams of the Chicago White Sox and the Chicago Cubs to not only abide by the MLB standard for protective netting but to exceed such minimum guidelines and lead the league in spectator safety standards. Included in those protection efforts should be a reconsideration of any spectator "assumption of risk" policy that protects baseball clubs from liability for injuries resulting from spectator contact with any object ejected from the field of play in the course of a game.
