To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I transmit herewith, together with Aldermen Reboyras and Sposato, a congratulatory resolution concerning the Chicago Fire Department.

Your favorable consideration of this resolution will be appreciated.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed.*

The following is said proposed resolution:

WHEREAS, Shortly after midnight on November 29, 2017, companies of the Chicago Fire Department responded to a fire reported at 3804 -- 3806 West Montrose Avenue; and

WHEREAS, While Engine Company 124 and Battalion 10 were on their way, the fire was spreading so rapidly that the main fire alarm office issued a Still and Box Alarm; and

WHEREAS, Arriving at the scene, firefighters saw fire billowing through the roof of the three-story structure. Even more alarming, they could see people at the windows; apparently trapped by the blaze; and

WHEREAS, Acting quickly, Firefighters of Tower Ladder Truck 23 raised a 35-foot ladder to the third floor to rescue several trapped residents; and

WHEREAS, At the same time, members of Truck 13 fought their way through intense heat and smoke to the second floor, where they encountered a resident and his dog. They carefully led the resident and the dog out of the building without injury; and

WHEREAS, Truck 38 and the Rapid Intervention Team Truck also arrived and deployed a 35-foot ladder to rescue a victim from the third floor; and

WHEREAS, Battalion 10 directed Squad 2 to conduct a primary search of the second and third floors to look for victims. By this time, the fire had spread into the landings of both floors; and

WHEREAS, Engine Company 69 personnel maneuvered their fire engine into the alley and used the deck gun to extinguish the fire on the fully engulfed porches; and

WHEREAS, As a result of the swift actions by all the fire crews on the scene, everyone in the building was rescued, including three adults and one child who required hospitalization; and

WHEREAS, The firefighters involved in this dramatic rescue deserve our admiration and respect. All of Chicago is proud of our outstanding and brave firefighters for putting their lives on the line every day in incidents such as this one; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 13th day of December 2017, do hereby commend the following units of the Chicago Fire Department: Battalion 10, headed by Chief Frank Ruscello, Engine Company 69, Engine Company 124, Truck Company 38, Tower Ladder 23, Squad 2 and Truck Company 13; and

Be It Further Resolved, That suitable copies of this resolution be presented to the Chicago Fire Department units involved in this heroic fire rescue, and placed on permanent record in the personnel files of the responding individuals, as a token of our admiration and gratitude.

On motion of Alderman Burke, seconded by Aldermen Thompson, Curtis, O'Shea, Taliaferro, Reboyras, Sposato, Laurino and Napolitano, the foregoing proposed resolution was *Adopted* by a viva voce vote.

A debt of gratitude is owed not only to the honorees and all members of the Fire Department who place their lives in danger each day for the safety and protection of others, the Mayor declared, but also to their caring and supportive families who face the uncertainty that their loved ones will return home safely after answering the call to duty. Notice of Public Hearing
City of Chicago Special Service Area Number 47

Notice is hereby given that at 10:00 o'clock a.m. on the 16th day of November, 2017 in Room 2014, City Hall, 121 North LaSalle Street, Chicago, Illinois, a public hearing will be held by the Committee on Finance of the City Council of the City of Chicago to consider certain matters with respect to an area within the City of Chicago known and designated as Special Service Area Number 47 and the authorization of the levy of a special annual services tax (the "Services Tax") within the Area. The matters shall include (i) enlarging the boundaries of the original special service area while keeping the designation as City of Chicago Special Service Area Number 47 (as enlarged, the "Area") (ii) authorizing certain special services in the Area (the "Special Services") and (iii) authorizing the extension of the time period for which the levy of the Services Tax is authorized within the Area through and including tax year 2031.

The Services Tax may be authorized to be levied annually in tax years 2017 through and including 2031 for the provision of the Special Services. The purpose of the Services Tax shall be to provide the Special Services within the Area, which may include, but are not limited to, customer attraction, public way aesthetics, sustainability and public space enhancements, economic/business development, safety programs, and other activities to promote commercial and economic development. The Special Services may include new construction or maintenance. Some or all of the proceeds of the proposed Services Tax are proposed to be used by an entity other than the City of Chicago to provide the Special Services to the Area, which such entity shall be a "service provider" pursuant to a "services contract," each as defined in the Special Service Area Tax Law, 35 ILCS 200/27-5 et seq., as amended from time to time.

The Services Tax to be levied against the taxable property included within the Area for the provision of the Special Services shall not exceed the annual rate of three percent (3%) of the equalized assessed value of taxable property within the Area. The proposed amount of the tax levy for Special Services in tax year 2017 is $326,100. The Services Tax shall be in addition to all other taxes provided by law and shall be levied pursuant to the provisions of the Property Tax Code, 35 ILCS 200/1-1 et seq., as amended from time to time.

The Area shall consist of the territory described herein and incorporated herein as Exhibit 1. The approximate street location of said territory consists of South Cottage Grove Avenue from East 40th Street on the north to East 51st Street on the south, and along East 47th Street from South Lake Park Avenue on the east to South St. Lawrence Avenue on the west.

At the public hearing any interested person, including all persons owning taxable real property located within the proposed Area, affected by (i) the enlargement of the boundaries of the original special service area to the Area while keeping the designation as City of Chicago Special Service Area Number 47, (ii) the authorization of the Special Services in the Area, distinct from the original special services provided therein, and (iii) the authorization of the extension of the time period for which the levy of the Services Tax is authorized within the Area from the initial period to the period from tax year 2017 through and including tax year 2031, may file with the City Clerk of the City of Chicago written objections to and may be heard orally with respect to any issues embodied in this notice. The Committee on Finance of the City Council of the City of Chicago shall hear and determine all protests and objections at said hearing, and said hearing may be adjourned to another date without further notice other than a motion to be entered upon the minutes fixing the time and place it will reconvene.

If a petition signed by at least fifty-one percent (51%) of the electors residing within the boundaries of the Area and by at least fifty-one percent (51%) of the landowners included within the boundaries of the Area objecting to (i) the enlargement of the boundaries of the original special service area to the Area while keeping the designation as City of Chicago Special Service Area Number 47, (ii) the authorization of the Special Services in the Area distinct from the original special services provided therein, and/or (iii) the authorization of the extension of the time period for which the levy of the Services Tax is authorized within the Area from the initial period to the period from tax year 2017 through and including tax year 2031, is filed with the City Clerk of the City of Chicago within sixty (60) days following the final adjournment of the public hearing, then such action objected to shall not be approved or authorized.

By order of the City Council of the City of Chicago, Cook County, Illinois.

Dated this 11th day of October, 2017

Cook County Illinois

Notice of Public Hearing
City of Chicago Special Service Area Number 73

Notice is hereby given that at 10:00 o'clock a.m. on the 15th day of November 2017 in Room 2014, City Hall, 121 North LaSalle Street, Chicago, Illinois, a public hearing will be held by the Commissioner of Finance of the City of Chicago to consider the creation of an area within the City of Chicago to be known and designated as Special Service Area Number 73 (the "Area") and the authorization of the levy of a special annual services tax (the "Services Tax") within the Area. The Services Tax under consideration shall be authorized to be levied in tax years 2017 through and including 2026. The purpose of creating the Area shall be to provide special services within the Area, which may include, but not limited to customer attraction, public way activities, sustainability and public space enhancements, economic/business development, safety programs, and other activities to promote commerce, retail and economic development, which will be hereinafter referred to collectively as the "Special Services." The Special Services may include new construction or maintenance. Some or all of the proceeds of the proposed Services Tax are anticipated to be used by an entity other than the City of Chicago to provide the Special Services to the Area, which such entity shall be a "service provider" pursuant to a "services contract," each as defined in the Special Service Area Tax Law, 35 ILCS 200/27-5 et seq., as amended from time to time.

At the hearing there will be considered a Services Tax to be levied against the taxable property included within the Area for the purposes of the Special Services not to exceed the annual sum of 0.800 percent of the equalized assessed value of taxable property within the Area. The proposed amount of the tax levy for special services for the initial year for which taxes will be levied within the Area in tax year 2017 is $159,055. The Services Tax shall be in addition to all other taxes provided by law and shall be levied pursuant to the provisions of the Property Tax Code, 35 ILCS 200/1-1 et seq., as amended from time to time.

The Area shall consist of the territory described herein and incorporated herein as Exhibit 1. The approximate street address of said territory consists of both sides of South Wentworth Avenue from West 24th Place to West Cullerton Street, both sides of West Cermak Road from the railroad tracks west of South Clark Street to the railroad tracks just west of South Stewart Street, the north side of South Archer Avenue from the railroad tracks just west of South Stewart Street to South Princeton Avenue, both sides of South Archer Avenue from South Princeton Avenue to South LaSalle Street.

At the public hearing any interested person including all persons owning taxable real property located within the proposed Area, affected by the creation of the Area and the levy of the Services Tax may file with the City Clerk of the City of Chicago written objections to and may be heard orally with respect to any issues embodied in this notice. The Committee on Finance of the City Council of the City of Chicago shall hear and determine all protests and objections at said hearing, and said hearing may be adjourned to another date without further notice other than a motion to be entered upon the minutes fixing the time and place it will reconvene.

If a petition signed by at least fifty-one percent (51%) of the electors residing within the boundaries of the proposed Area and by at least fifty one percent (51%) of the landowners included within the boundaries of the proposed Area objecting to the creation of the Area and the levy of the Services Tax thereon is filed with the City Clerk of the City of Chicago within sixty (60) days following the final adjournment of the public hearing, the Area shall not be created and the Services Tax shall not be levied.

By order of the City Council of the City of Chicago, Cook County, Illinois.

Dated this 11th day of October, 2017

The following is said resolution as adopted:

WHEREAS, Terrorism has been a singularly powerful thief of peace and security in our time; and

WHEREAS, The world has responded to large scale efforts such as plane hijackings and devastating bombings with corresponding comprehensive precautions; and

WHEREAS, We now see groups and individuals resorting to the use of seemingly innocuous tools to carry out their terrorist acts; and

WHEREAS, Notably, readily available motor vehicles have been weaponized to devastating effects; and

WHEREAS, The *New York Times* reported that a propaganda magazine of the terror group ISIS "called vehicles one of the 'safest and easiest weapons one could employ' to carry out a lethal attack"; and

WHEREAS, This efficacy has unfortunately been proven far too many times; and

WHEREAS, On October 31, 2017, a terrorist drove on to a bike path in New York City's Lower Manhattan neighborhood, leaving eight (8) people dead and at least twelve (12) injured; and

WHEREAS, On August 17, 2017, terrorists drove a van on to Las Ramblas, the famed pedestrian walkway in Barcelona, Spain, killing at least thirteen (13) and injuring one hundred and thirty (130) more; and

WHEREAS, At an August 12, 2017 white nationalist demonstration in Charlottesville, Virginia, a man drove a car into a crowd of counter protestors, killing a 32-year-old woman and injuring nineteen (19) people; and

WHEREAS, On August 9, 2017, a terrorist targeted a group of soldiers in a suburb of Paris, France, injuring six (6); and

WHEREAS, On June 3, 2017, terrorists drove onto a London Bridge sidewalk ultimately killing eight (8) and injuring forty eight (48); and

WHEREAS, Earlier that year in London, on March 22, another terrorist drove onto Westminster Bridge, killing four (4) pedestrians before running on foot and stabbing an unarmed police officer; and

WHEREAS, On April 7, 2017, a hijacked truck was used to drive into a group of shoppers in Stockholm, Sweden, ultimately killing five (5); and

WHEREAS, On July 14, 2016, a terrorist drove a tractor trailer into a Bastille Day celebration in Nice, France, and killed eighty-six (86) people; and

WHEREAS, On December 19, 2016, a hijacked truck was used to kill twelve (12) people in a Christmas Market in Berlin, Germany; and

WHEREAS, Responding to this specific type of threat and to protect pedestrian passage ways from cars, New York and the cities of Las Vegas and New Orleans are taking precautions that include the installation of barriers and posts; and

WHEREAS, According to a November 2017 *Wall Street Journal* report on vehicle attacks, recommendations from groups such as fusion centers (collaborations of public and private agencies in various areas of the country that evaluate and coordinate terror threat information and responses) include establishing guidelines for reporting suspicious vehicle rentals to police and asking police about stolen "heavy-duty" vehicles in the vicinity of large gatherings; and

WHEREAS, In other instances, authorities have "blockaded" large group gatherings with sizeable trucks from their own fleets; and

WHEREAS, Vehicular terrorism depends on unsuspecting targets and counts with readily accessible weaponry; and

WHEREAS, These elements complicate preventative efforts, which therefore require expertise from a broad range of sources and sectors; and

WHEREAS, This City Council is entrusted with securing the safety and enjoyment of individuals in the public way and at public events; and

WHEREAS, It further appreciates that discretion is a hallmark of effective counter-terrorism efforts; and

WHEREAS, The members of this City Council nonetheless seek to ensure that the City of Chicago has a considered and comprehensive plan specific to the threat of vehicular terrorism; and

WHEREAS, Said plan is to consider elements such as the size, location, and access and egress points of large public gatherings and heavily trafficked pedestrian areas; and

WHEREAS, The City's vehicular terrorism response plan should also contemplate the types of vehicles that are likely to be used in these instances, the manner in which they can be obtained, and the circumstances and methods through which information regarding instances fitting these characteristics should be communicated; and

WHEREAS, Recent months are rife with tragic examples of how no city, no landmark, and no event is safe from this type of threat; and

WHEREAS, It is the City Council's objective that, with respect to these acts of terror, the City of Chicago always hold true to "never here", and forsake the need for a "never again"; now, therefore,

Be It Resolved by the City Council of the City of Chicago:

SECTION 1. The City Council hereby calls upon pertinent City officials, departments, and sister agencies to assemble a Chicago Vehicular Terrorism Task Force. The Task Force shall be called to order by the Chicago Police Department and other members shall include the respective Chairmen of the City Council Committee on Pedestrian and Traffic Safety, Committee on Public Safety, Committee on Transportation and the Public Way, Committee on the Budget and Government Operations, and Committee on Finance. (a) Locations And Events Analysis. SECTION 3. The Task Force shall report its findings to the Committee on Finance within one hundred and twenty (120) days. Provided, however, that the Task Force and its individual participants shall not be obligated to report on measures when such public disclosure would jeopardize the counterterrorism or other law enforcement efforts of any local, state, or federal governmental agency.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City owns and operates an airport commonly known as Chicago O'Hare International Airport ("O'Hare"), and possesses the power and authority to lease premises and facilities and to grant other rights and privileges with respect thereto; and

WHEREAS, The City heretofore entered into the Amended and Restated Airport Use Agreement and Terminal Facilities Leases and the International Terminal Use Agreement and Facilities Leases at O'Hare with certain air carriers ("Existing Use Agreements"); and

WHEREAS, The Existing Use Agreements will expire on May 11, 2018, so it is necessary and desirable for the City to adopt an ordinance governing air carrier use of the airfield and passenger airline terminals at O'Hare and prescribing the methodology for charging air carriers for such use (the "O'Hare Rates and Operations Ordinance"); and

WHEREAS, The City, as the owner and operator of O'Hare, has the right to establish airport rates and charges by ordinance; and

WHEREAS, Because the City accepts federal grants under the Airport Improvement Program and is otherwise subject to federal law, any rate-setting methodology in such an ordinance adopted by the City must satisfy federal rate-setting rules and be reasonable and not unjustly discriminatory, and the City must engage in consultation with air carriers that will be subject to the rate-setting methodology in the ordinance before adopting same; and

WHEREAS, The City has engaged in such consultation with air carriers in its development of the rate-setting methodology set forth in Section II of the O'Hare Rates and Operations Ordinance; and

WHEREAS, For illustrative purposes only, the City has attached hereto as Exhibit A demonstrative rate calculations based on the rate-setting methodology set forth in Section II of the O'Hare Rates and Operations Ordinance ("Illustrative Rate Calculations"); and

WHEREAS, As contemplated by the O'Hare Rates and Operations Ordinance, the City desires to enter into Letters of Authorization with air carriers who seek to operate at O'Hare in substantially the forms attached hereto as Exhibit B and Exhibit C ("Letters of Authorization"); and

WHEREAS, While it is not obligated to do so by federal requirements, the City may also enter into Rate Agreements with air carriers in substantially the form attached hereto as Exhibit D ("Rate Agreements"), in which the City would offer to share certain revenues and losses with said air carriers and apply certain revenues to offset air carrier costs in exchange for certain covenants by said air carriers confirming their acceptance of the O'Hare Rates and Operations Ordinance, including without limitation a covenant to not challenge the methodology for calculating air carrier rates and charges; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

The City may, without compensation to the Passenger Carrier, install or use telecommunications equipment or antennae on the roof or exterior of the Passenger Carrier's Assigned Space and install and attach cables, wires and conduits on, over or under the Assigned Space in connection with telecommunications equipment or antennae, or license or otherwise permit others to do so, provided that such installations and operations do not unreasonably interfere with the Passenger Carrier's communication systems or operations; Passenger Carrier shall reasonably cooperate with the City to resolve any conflicts between the Passenger Carrier's and the City's communication systems. If a Passenger Carrier incurs any costs to resolve any conflicts between the Passenger Carrier and City systems, the City shall reimburse the Passenger Carrier for reasonable costs.

3.6 City Equipment.

A Passenger Carrier may use, on a non-exclusive basis and subject to City Equipment Charges and the City's control, City Equipment in the ordinary course of its business at the Airport and otherwise in accordance with this Ordinance and Airport Rules. By utilizing the Airport, each Passenger Carrier consents to accept and use City Equipment in its "as is" condition, without any representations or warranties of any kind whatsoever, express or implied, from the City as to any matters concerning City Equipment and each Passenger Carrier further consents to the assumption of all risk of loss, damage and injury arising out of

the Passenger Carrier's use of City Equipment. The City shall keep City Equipment in a safe and operable condition.

3.7 Handling Arrangements And Third-Party Service Providers.

3.7.1 For so long as an Air Carrier actively conducts an Air Transportation Business at the Airport and complies with its obligations under this Ordinance and any Letter of Authorization, the Air Carrier may use, subject to the provisions of Section 3.3.2 and to the prior written consent of the Commissioner (which consent shall not be unreasonably withheld), its Preferential Use Space for the handling of the air transportation operations of any other Air Carrier using the Airport to the same extent as they may be used for the operations of the Air Carrier under this Ordinance. The handling operations shall be subject to compliance with all applicable FAA and City standards and Airport Rules.

3.7.2 For so long as an Air Carrier actively conducts an Air Transportation Business at the Airport and complies with its obligations under this Ordinance and any Letter of Authorization, the Air Carrier may, subject to the provisions of Section 3.3.2, contract with third-party service providers for the handling of said Air Carrier's air transportation operations within its Preferential Use Space; provided, however, that a Passenger Carrier shall require that any such third-party service provider to, before beginning to provide the services to the Passenger Carrier, (a) obtain a license or other type of written contract issued by the City authorizing the third party to conduct the activities or provide the services to the Passenger Carrier, (b) provide evidence of insurance as required by the City, (c) obtain all required security authorization in accordance with the Airport Rules; and (d) comply with any other requirements imposed by the City on third-party service providers pursuant to its authority under MCC § 2-20-020. The handling operations shall be subject to compliance with all applicable FAA and City standards and Airport Rules.

3.7.3 As contemplated in Section 3.7.2 and pursuant to its authority under MCC § 2-20-020, the City may require third-party service providers to obtain a license from the City authorizing the third-party service provider to conduct certain activities or provide certain services at the Airport for an Air Carrier and/or other Airport user. For the avoidance of doubt, an Air Carrier, or its wholly-owned subsidiary, or a wholly-owned subsidiary of its parent company, shall not be considered a third-party service provider subject to this license requirement.

3.7.4 The City may contract with a consortium established by Air Carriers to enforce compliance with Airport Rules related to third-party service providers licensed by the City, and if desired, to manage and maintain City-owned ground handling equipment.

3.7.5 The City may approve the type of equipment utilized by each licensed third-party service provider, specifically to ensure compliance with City ordinances and Department of Aviation environmental and sustainability standards based on commercially reasonable best practice.

3.7.6 The City may, at any time after consulting with the AAAC, restrict the number of licensed third-party service providers at the Airport for safety and security reasons, and may, in such case, require an Air Carrier that wishes to contract with a third-party service provider to choose from a pool of third-party service providers approved and pre-qualified by the City.

3.8 Exclusions And Reservations.

3.8.1 The City may continue to provide Air Carriers with utility services, including gas, water, sewer, SET, rubbish removal and other utilities and services, including, but not limited to, new technology-related services, and to charge Air Carriers for such utilities and services on a cost-recovery basis.

3.8.2 An Air Carrier shall not, by action or failure to act, knowingly interfere or permit interference with the use, operation, or maintenance of the Airport and other Air Carrier operations, including but not limited to, the effectiveness or accessibility of the drainage, sewerage, water, communications (including Wi-Fi services), fire protection, utility, electrical or other systems installed or located from time to time at the Airport.

3.8.3 An Air Carrier shall not do or permit to be done anything, either by act or failure to act, that shall cause the cancellation or violation of the provisions, or any part thereof, of any policy of insurance for the Airport or that shall cause a hazardous condition so as to increase the risks normally attendant upon operations permitted by this Ordinance or a Letter of Authorization. If an Air Carrier shall do or permit to be done any act not permitted under this Ordinance or a Letter of Authorization, or fail to do any act required under this Ordinance or a Letter of Authorization, regardless of whether such act shall constitute a violation of this Ordinance or a Letter of Authorization, which act or failure, in and of itself, causes an increase in the City's insurance premiums, then that Air Carrier shall promptly remedy or commence such actions as necessary to remedy and, upon written notice from the City to do so, or shall be subject to paying the increase in premiums to the extent caused by such act or failure of that Air Carrier until the issue is remedied.

3.8.4 The City or its duly authorized representative may enter upon a Passenger Carrier's Assigned Space at any and all reasonable times and upon reasonable notice of not less than 48 hours (except in emergency situations) for the purpose of determining whether or not the Passenger Carrier is complying with the requirements of this Ordinance or for any other purpose incidental to the powers of the City; provided that such right of entry does not unreasonably interfere with the Passenger Carrier's operations. In the case of an emergency, the City will provide as much notice as reasonable in light of the circumstances.

3.8.5 Each Passenger Carrier shall provide, or cause to be provided by a third party, to the City information for the City's Flight Information Management System by providing real time data output from the Passenger Carrier's internal flight information display system, computer reservations system, cargo load message transmission, ARINC or SITA transmissions, or other information systems (including commercial information systems) on a per flight basis. Each Passenger Carrier's flight information shall be in a format consistent with the requirements of the City's FIDS, Baggage Information Display Systems ("BIDS") and Resource Management Systems ("RMS"), which also shall be consistent with IATA standards for providing information about the Passenger Carrier's operations and activities at the Airport.

3.9 Safety Management System.

Each Air Carrier shall cooperate with the City's implementation of a safety management system and safety risk management systems at the Airport including participation in committees, risk identification and assessment processes, training, and safety promotion and communication initiatives.

Article 4.

Assignment Of Space.

4.1 Assigned Space.

4.1.1 The Commissioner shall assign and reassign Common Use Space in and about the Terminal and Apron Areas as the Commissioner determines is necessary for each Passenger Carrier's operations at the Airport, after considering the space needs of each Passenger Carrier, concessions and the traveling public and consistent with the City's Terminal Space Use Protocols and any other Airport Rules. The Commissioner is authorized to terminate a Passenger Carrier's use of any particular Common Use Space, including Gates, after providing any notice specified in the Terminal Space Use Protocols.

4.1.2 The Commissioner may assign and authorize the use of Preferential Use Space and Exclusive Use Space through a Letter of Authorization. The use of any such assigned Preferential Use Space or Exclusive Use Space shall be subject to this Ordinance, the terms and conditions of the Letter of Authorization, the Terminal Space Use Protocols and any other Airport Rules.

4.1.3 The Commissioner may promulgate, and revise from time to time, Terminal Space Use Protocols with reasonable notice to the Air Carriers operating at the Airport.

4.1.4 Upon termination of a Passenger Carrier's space assignment as authorized under this Ordinance or a Letter of Authorization, or if a Passenger Carrier shall otherwise cease to use any space assigned to it by the City, the Passenger Carrier shall leave the space in substantially the same or better condition, normal wear and tear and damage from casualty and repairs that are the responsibility of the City, all excepted, as when assigned to and accepted by the Passenger Carrier. In the event a Passenger Carrier has damaged or otherwise altered the space without the City's permission, the City may, upon notice to the Passenger Carrier and Passenger Carrier's failure to repair or otherwise restore, use the Passenger Carrier's Security Deposit, as required in Section 6.4, to repair or otherwise restore the space to its original condition.

4.1.5 Each Air Carrier consents to the use of all Assigned Space on an "as is with all faults" basis, and further acknowledges that it is not relying on any representations or warranties of any kind whatsoever, express or implied, from the City, as to any matters concerning the Assigned Space.

Article 5.

Calculation Of Rates And Charges.

5.1 Generally. The fees and rents to be charged by the City and paid by each Air Carrier for its use of the Airport shall be calculated using the rate-setting methods set forth in this Article 5. In calculating the revenue requirements used to derive each of these kinds of rates and charges, the City shall exclude any cost (net of the cost of collection) that (a) has been reimbursed or covered by any insurance recovery, condemnation proceeds or other third-party payment; (b) has been reimbursed or is required to be reimbursed to the City by an individual Air Carrier in connection with projects undertaken by the City at the request and for the benefit of an individual Air Carrier; or (c) has been paid with PFCs or with federal or state grants received by the City. Illustrative calculations displaying how rates and charges will be calculated under the methodology set forth in this Article 5 are attached as Exhibit A.

5.2 Air Carrier Consultations On Proposed Rates And Charges. No later than October 1 of each year, the Commissioner shall provide, by electronic mail, each Air Carrier then currently operating scheduled passenger or cargo service at the Airport with a complete copy of the Department of Aviation's then-proposed operating budget and capital plan for the following Fiscal Year and, no later than November 1 of each year, the then-proposed rates and charges, calculated in accordance with this Article 5, for the following Fiscal Year. The Commissioner shall consult with the AAAC concerning the then-proposed rates and charges. No later than December 1 of each year, after giving due consideration to the comments provided by the AAAC, the Commissioner shall make any revisions to the proposed rates and charges as the Commissioner determines, in his or her reasonable discretion, to be consistent with this Article 5 and warranted as a result of consultation with the AAAC or otherwise, and shall provide written notice, by electronic mail, to each Air Carrier then currently operating scheduled passenger or cargo service at the Airport of the new rates and charges to be effective as of January 1 of the following Fiscal Year. A copy of the notice shall be posted on the CDA's website.

5.3 Calculation Of The Landing Fee. Each Air Carrier shall pay Landing Fees for its use of the Airfield based on its aggregate Maximum Gross Landed Weight at the Airport during the Fiscal Year. The Landing Fee effective as of January 1 of each Fiscal Year shall be determined according to the rate-setting method set forth in this Section 5.3.

5.3.1 Calculation Of The Airfield Revenue Requirement. The City shall calculate the Airfield Revenue Requirement by computing the sum of the following budgetary items for each Fiscal Year:

(a) Capital Costs allocable to the Airfield; plus

(b) O&M Expenses allocable to the Airfield; plus

(c) Required Deposits (if any) allocable to the Airfield; minus

(d) Other Airfield Revenues; minus

(e) Interest Income allocable to the Airfield; plus or minus

(f) Landing Fee True-ups pursuant to Section 5.18.

5.3.2 Forecast Maximum Gross Landed Weight. The City shall determine, based upon estimates provided by Air Carriers and other available information, the aggregate forecast Maximum Gross Landed Weight for all aircraft greater than 12,500 pounds carrying passengers or cargo in commercial service that are expected to land at the Airport during the next Fiscal Year.

5.3.3 Calculation Of The Landing Fee. The City shall calculate the Landing Fee applicable to all aircraft greater than 12,500 pounds carrying passengers or cargo in commercial service that land at the Airport and are not otherwise exempt from paying Landing Fees by dividing the Airfield Revenue Requirement by the aggregate forecast Maximum Gross Landed Weight. The Landing Fee shall be expressed in dollars and cents (to nearest thousandth) per one thousand pounds of Maximum Gross Landed Weight.

5.3.4 Minimum Landing Fee. The Landing Fee applicable to any aircraft less than or equal to 12,500 pounds carrying passengers or cargo in commercial service that land at the Airport and are not otherwise exempt from paying Landing Fees shall be equal to 12,500 pounds times the Landing Fee rate calculated under Section 5.3.3.

5.3.5 Exceptions From Landing Fees.

(a) No landing fee shall be due in the event an aircraft departs from the Airport for another destination and is forced to return and land at the Airport because of meteorological conditions, mechanical or problems or any similar emergency or precautionary reason.

(b) No landing fee shall be due on account of landings by any aircraft owned and operated by the United States government and its agencies, non-commercial aircraft owned and operated by foreign governments on a flight authorized by the Department of State, or commercial aircraft on any flight dedicated to carrying foreign heads of state and not operating as a commercial flight. Foreign military aircraft are subject to landing fees calculated under Section 5.3.3.

(c) The Commissioner may, on an infrequent basis, waive landing fee payments, in his or her discretion, for medical, humanitarian, charity or non-profit events.

5.4 Calculation Of Terminal Rental Rates. The City shall calculate Terminal Rental Rates separately for the Main Terminal and Terminal 5. Each Passenger Carrier shall pay the Terminal Rental Rates applicable to the Exclusive Use Space (if any) and Preferential Use Space (if any) it is assigned in the Main Terminal or Terminal 5. The Terminal Rental Rates effective January 1 of each Fiscal Year for the Main Terminal and Terminal 5 shall be determined according to the rate-setting methods set forth in this Section 5.4.

5.4.1 Calculation Of Gross Terminal Revenue Requirements. The City shall calculate the Gross Terminal Revenue Requirement for each Terminal by computing the sum of the following budgetary items for the Fiscal Year:

(a) Capital Costs allocable to such Terminal; plus

(b) O&M Expenses allocable to such Terminal; plus

(c) Required Deposits allocable to such Terminal; minus

(d) Interest Income allocable to such Terminal.

5.4.2 Calculation Of Terminal Space Revenue Requirements. The City shall calculate the Terminal Space Revenue Requirement for each Terminal by computing the sum of the following budgetary items for the Fiscal Year:

(a) Gross Terminal Revenue Requirement for such Terminal; minus

(b) Capital Costs and O&M Expenses for City-owned Baggage Claim Systems and City-owned Baggage Make-up Systems not allocable to FIS Facilities (to be recovered through separate charges for the use of City-owned Baggage Claim Systems and City-owned Baggage Make-up Systems); minus

(c) City Equipment Costs not allocable to FIS Facilities (to be recovered through separate Terminal Equipment Fees and Common Use Fees); minus

(d) Capital Costs and O&M Expenses for City-owned Baggage Claim Systems and City Equipment Costs allocable to FIS Facilities (to be recovered through a separate FIS Facility Fee); minus

(e) City Janitorial Costs for such Terminal (to be recovered through a separate Janitorial Surcharge).

5.4.3 Calculation Of The Airline and Non-Airline Terminal Space Revenue Requirements.

(a) The City shall calculate the Airline Terminal Space Revenue Requirement for each Terminal by:

(i) allocating Total Rentable Space in such Terminal between Airline Rentable Space and Non-Airline Terminal Rentable Space and calculating the ratio of Airline Rentable Space to Total Rentable Space (the "Airline Rentable Space Ratio"); and

(ii) multiplying the Terminal Space Revenue Requirement for that Terminal by the applicable Airline Rentable Space Ratio.

(b) The City shall calculate the Non-Airline Terminal Space Revenue Requirement for each Terminal by multiplying the Terminal Space Revenue Requirement for that Terminal by the ratio of Non-Airline Rentable Space to Total Rentable Space in that Terminal.

5.4.4 Calculation Of Terminal Rental Rates. In recognition of the differing utility of distinct types of Airline Rentable Space, the City shall separately calculate rental rates for two types of Airline Rentable Space within each of the two Terminals: Base Space (consisting of all Airline Rentable Space in the Terminal except for Baggage Make-up Space and ramp-level unenclosed storage space) and Discount Space (consisting of Baggage Make-up Space and ramp-level unenclosed storage space).

(a) The rental rate per square foot for Discount Space shall be twenty-five percent (25%) less than the rental rate per square foot for Base Space.

(b) The rental rates per square foot for each of the two types of Airline Rentable Space will be calculated so that the aggregate amount chargeable for all types of Airline Rentable Space within each Terminal equals the Airline Terminal Space Revenue Requirement for that Terminal.

5.4.5 Janitorial Surcharge. The City shall calculate the Janitorial Surcharge for each Terminal by dividing the City Janitorial Costs allocable to the Terminal by the total amount of Holdroom Space, Check-in Space, Baggage Claim Space and FIS Space in each Terminal.

5.5 Exclusive Use Rent. Each Passenger Carrier shall pay for its use of Exclusive Use Space in the Main Terminal and Terminal 5 based on the square footage of Exclusive Use Space (if any) assigned to Passenger Carrier in each of the two Terminals as shown in the Passenger Carrier's Letter of Authorization multiplied, for Base Space (if any), by the Base Terminal Rental Rate for each Terminal, and for Discount Space (if any), by the Discount Terminal Rental Rate for each Terminal.

5.6 Preferential Use Gate Rent. Passenger Carrier shall pay for its use of Preferential Use Gates in the Main Terminal and Terminal 5 based on the square footage of the Holdrooms associated with the Preferential Use Gates (if any) it is assigned by the City in each of the two Terminals multiplied by the sum of the Base Terminal Rental Rate plus the Janitorial Surcharge for each Terminal.

5.7 Preferential Use Check-in Rent. Each Passenger Carrier shall pay for its use of Preferential Use Check-in Space in the Main Terminal and Terminal 5 based on the square footage of Check-in Space (if any) it is assigned by the City in each of the two Terminals by the sum of the applicable Base Terminal Rental Rate plus the Janitorial Surcharge for each Terminal.

5.8 Preferential Use Baggage Claim Rent. Each Passenger Carrier shall pay for its use of Preferential Use Baggage Claim Space in the Main Terminal and Terminal 5 based on the square footage of Baggage Claim Space (if any) it is assigned by the City in each of the two Terminals multiplied by the sum of the applicable Base Terminal Rental Rate plus the Janitorial Surcharge for each Terminal.

5.9 Preferential Use Baggage Make-up Rent. Each Passenger Air Carrier shall pay for its use of Preferential Use Baggage Make-up Space in the Main Terminal and Terminal 5 based on the square footage of Preferential Use Baggage Make-up Space (if any) it is assigned by the City in each of the two Terminals multiplied by the applicable Discount Terminal Rental Rate for each Terminal.

5.10 Preferential Use City-owned Baggage System Charges. Each Passenger Carrier shall pay for its Preferential Use of City-owned Baggage Make-up Systems and City-owned Baggage Claim Systems according to the rate-setting methods set forth in this Section 5.10.

5.10.1 Preferential Use City-owned Baggage Make-up Charge. In addition to the Terminal Rent applicable to any Preferential Use Baggage Make-up Space it is assigned by the City, each Passenger Carrier shall pay a Preferential Use Baggage Make-up Charge for its use of City-owned Baggage Make-up Systems (if any) that are within any Baggage Make-up Space that is assigned to the Passenger Carrier on a Preferential Use basis. The Baggage Make-up Systems Charge effective January 1 of each Fiscal Year for each Passenger Carrier's Preferential Use of City-owned Baggage Make-up Systems shall be calculated as the sum of budgeted Capital Costs and O&M Expenses allocable to the City-owned Baggage Make-up Systems assigned to the Passenger Carrier for its Preferential Use.

5.10.2 Preferential Use City-owned Baggage Claim Charge. In addition to the Terminal Rent and Janitorial Surcharge applicable to any Preferential Use Baggage Claim Space it is assigned by the City, each Passenger Carrier shall pay a Preferential Use Baggage Claim Charge for its use of City-owned Baggage Claim Systems (if any) that are within Baggage Claim Space that is assigned to the Passenger Carrier on a Preferential Use basis. The City-owned Baggage Claim Systems Charge effective January 1 of each Fiscal Year for each Passenger Carrier's Preferential Use of City-owned Baggage Claim Systems shall be calculated as the sum of budgeted Capital Costs and O&M Expenses allocable to the City-owned Baggage Claim Systems assigned to the Passenger Carrier for its Preferential Use.

5.11 Common Use Fees.

5.11.1 Domestic Common Use Gate Fees. Each Passenger Carrier shall pay Domestic Common Use Gate Fees for its use (if any) of Domestic Common Use Gates based on the number of its Total Delivered Seats at Domestic Common Use Gates. The Domestic Common Use Gate Fee effective January 1 of each Fiscal Year shall be the same for the use of Domestic Common Use Gates in the Main Terminal and in Terminal 5 and shall be determined according to the rate-setting method set forth in this Section 5.11.1.

The City shall calculate the Domestic Common Use Gate Fee by dividing the Domestic Common Use Gate Revenue Requirement by aggregate forecast Total Delivered Seats at Domestic Common Use Gates; provided, however, that no fewer than 548,000 annual Delivered Seats per Domestic Common Use Gate shall be used to calculate the Domestic Common Use Gate Fee.

(d) Monthly Cap On Domestic Common Use Gate Fees. If (a) the City elects to make Preferential Use Gates available to Passenger Carriers that meet minimum gate utilization standards set by the City; (b) a Passenger Carrier has requested from the City, but has been unable to obtain, the assignment of a Preferential Use Gate; and (c) the City reasonably determines that such a Passenger Carrier's scheduled activity on one or more Domestic Common Use Gates would meet the applicable minimum gate utilization standard, the Passenger Carrier's aggregate monthly Domestic Common Use Gate Fees for each such Domestic Common Use Gate shall not exceed what such Passenger Carrier would have been charged if it had been assigned one or more Preferential Use Gates. Domestic Common Use Gate Fees calculated for a Passenger Carrier's use of other Domestic Common Use Gates shall not be diminished by such monthly cap.

(e) Imputed Domestic Common Use Gate Fee. If there are no designated Domestic Common Use Gates in either Terminal, the City shall calculate the Domestic Common Use Gate Fee to be paid for domestic flights using an International Common Use Gate or being accommodated at the City's request on any other Passenger Carrier's Preferential Use Gates by computing the sum of the average Base Terminal Rental Rate for both Terminals plus the average Janitorial Surcharge for both Terminals times 2,650 square feet and dividing that product by 548,000 annual Total Delivered Seats.

(iii) the budgeted Capital Costs and O&M Expenses for City Equipment allocable to Domestic Common Use Check-in Space.

(b) Forecast Domestic Common Use Check-in Hours. The City shall determine, based upon estimated flight schedules provided by Passenger Carriers and other available information, the aggregate forecast of Domestic Common Use Check-in Hours.

(c) Calculation Of The Domestic Common Use Check-in Fee. The City shall calculate the Domestic Common Use Check-in Fee by dividing the Domestic Common Use Check-in Revenue Requirement by the aggregate forecast of Domestic Common Use Check-in Hours.

5.11.7 International Common Use Check-in Fees. Each Passenger Carrier shall pay International Common Use Check-in Fees for its use of International Common Use Check-in Space based on the greater of the number of (a) Check-in Hours that the Passenger Carrier and its Affiliates have been assigned or (b) Check-in Hours actually used by the Passenger Carrier and its Affiliates. The International Common Use Check-in Fee effective January 1 of each Fiscal Year shall be the same for the use of International Common Use Check-in Space in the Main Terminal and in Terminal 5 and shall be determined according to the rate-setting method set forth in this Section 5.11.7.

(iii) the budgeted Capital Costs and O&M Expenses for City Equipment allocable to International Common Use Check-in Space.

(b) Forecast International Common Use Check-in Hours. The City shall determine, based upon estimated flight schedules provided by Passenger Carriers and other available information, the aggregate forecast International Common Use Check-in Hours.

5.11.8 Aircraft Parking Fees. The City may establish, after consultation with the AAAC, fees for extended and overnight aircraft parking on Apron Areas associated with Common Use Gates and in remote areas of the Airfield. The City may also establish, after consultation with the AAAC, fees for the use of Common Use hard stands for the loading and unloading of aircraft.

5.12 FIS Facility Fee.

Each Passenger Carrier shall pay FIS Facility Fees for its use of FIS Facilities based on the number of its FIS Users (if any) during the Fiscal Year. The FIS Facility Fee effective January 1 of each Fiscal Year shall be the same for the use of FIS Facilities in the Main Terminal and Terminal 5 and shall be calculated according to the rate-setting method set forth in this Section 5.12.

5.12.1 Calculation Of The FIS Revenue Requirement. The City shall calculate the FIS Revenue Requirement by computing the sum of the following budgetary items for the Fiscal Year:

(a) the sum of the Base Terminal Rental Rate plus the Janitorial Surcharge for the Main Terminal multiplied by the total square footage of FIS Facilities in the Main Terminal; plus

(b) the sum of the Base Terminal Rental Rate plus the Janitorial Surcharge for Terminal 5 multiplied by the total square footage of FIS Facilities in Terminal 5; plus

(c) the budgeted Capital Costs and O&M Expenses for Baggage Claim Systems and other equipment allocable to FIS Facilities.

5.12.2 Forecast FIS Users. The City shall determine, based upon estimates provided by Passenger Carriers and other available information, the aggregate forecast number of FIS Users.

5.12.3 Calculation Of The FIS Facility Fee. The City shall calculate FIS Facility Fee by dividing the FIS Revenue Requirement by forecast FIS Users.

5.13 Airport-Wide Conveyance Fee.

Each Passenger Carrier shall pay Airport-wide Conveyance Fees for the Airport Roadway System and the Automated Transit System ("ATS") based on the number of each Passenger Carrier's O&D Passengers during the Fiscal Year. The Airport-wide Conveyance Fee effective January 1 of each Fiscal Year shall be calculated according to the rate-setting method set forth in this Section 5.13.

5.13.1 Calculation Of The Airport-wide Conveyance Requirement. The City shall calculate the Airport-wide Conveyance Requirement by computing the sum of the following budgetary items for each Fiscal Year:

(a) Capital Costs allocable to Passenger Carriers for the Airport Roadway System and the ATS; plus

(b) O&M Expenses allocable to Passenger Carriers for the Airport Roadway System and the ATS.

5.13.2 Forecast O&D Passengers. The City shall determine, based upon estimates provided by Passenger Carriers and other available information, aggregate forecast O&D Passengers at the Airport during the next Fiscal Year.

5.13.3 Calculation Of The Airport-Wide Conveyance Fee. The City shall calculate the Airport-wide Conveyance Fee by dividing the Airport-wide Conveyance Requirement by aggregate forecast O&D Passengers.

5.14 City Equipment Charges. Each Passenger Carrier shall pay City Equipment Charges for its use of City Equipment. City Equipment Charges effective January 1 of each Fiscal Year shall be determined on a non-discriminatory, full cost-recovery basis.

5.15 Transition Period Rates and Charges.

5.15.1 Notwithstanding anything to the contrary in this Article 5, the fees and charges to be charged by the City and paid by each Air Carrier for its use of the Airport from May 12, 2018 through June 30, 2018 shall be calculated according to the rate-setting methods set forth in Articles V, VI, XII, XIII and XIV of the Main Terminal Prior Use and Lease Agreement, as amended, and Articles V and VI of the Terminal 5 Prior Use and Lease Agreement, based upon the space leased by each Air Carrier under its Prior Use and Lease Agreements (if any); provided, however, that such fees and charges shall not, on an aggregate basis for all Air Carriers, exceed what the fees and charges for that period would have been if they had been calculated in accordance with the rate setting methods set forth in this Article 5.

5.15.2 The fees and charges to be charged by the City and paid by each Air Carrier for its use of the Airport from July 1, 2018 through December 30, 2018 shall be calculated according to the rate-setting methods in this Article 5; provided, however, that the consultation under Section 6.2 and the fees and charges calculated pursuant to Section 5.3

through Section 5.15 shall be based on the period July 1, 2018 through December 31, 2018 instead of the full Fiscal Year 2018.

5.15.3 The fees and charges calculated in accordance with Sections 5.15.1 and 5.15.2 shall be based upon the City's budget for Fiscal Year 2018, with one-half of the total revenue requirement allocated to the period January 2, 2018 through June 30, 2018 and one-half of the total revenue requirement allocated to the period July 1, 2018 through December 30, 2018.

5.16 Air Service Incentive Program.

Notwithstanding any other provision in this Ordinance and, in order to enhance and attract new air service to the Airport, the City may adopt and implement a program of air service incentives at the Airport, consistent with applicable federal requirements, which may include rates and charges incentives and marketing support ("Air Service Incentive Program"). The Air Service Incentive Program, if implemented, shall be offered to all eligible Air Carriers on a nondiscriminatory basis. Such air service incentives shall not increase the fees and charges to be calculated pursuant to Sections 5.3 through 5.15.

5.17 Mid-Year Adjustments.

In order to reduce underpayments or underpayments of Airport Fees and Charges, during each Fiscal Year, the City shall review the most recently available information with regard to the amounts actually incurred or realized during such Fiscal Year with respect to Capital Costs, O&M Expenses and levels of Air Carrier activity. If it appears to the City on the basis of information it is able to accumulate during the course of any Fiscal Year that the budgeted Capital Costs or O&M Expenses or projected levels of Air Carrier activity it has used to calculate the rates and charges set forth in this Article 5 are likely to vary significantly (higher or lower) from actual results, the City may make adjustments to such rates and charges to conform to its revised forecast (a) as of July 1 of such Fiscal Year or (b) at any other time during such Fiscal Year, if the variance between the budgeted Capital Costs or O&M Expenses or projected levels of Air Carrier activity and actual results is expected to be five percent (5%) or more. The City shall provide the AAAC with at least ten (10) days advance written notice ("Mid-Year Adjustment Notice") of any adjustments to be made under this Section 5.17. The AAAC may, within five (5) days of receipt of the Mid-Year Adjustment Notice, request a meeting with the City to review the information that the City used as the basis for an adjustment under this Section 5.17 and if the AAAC does so, the City shall meet with the AAAC within five (5) days of the AAAC's request before making any mid-year adjustments.

5.18 Annual True-Up.

5.18.1 Adjustments-To-Actual. No later than three hundred sixty five (365) days after the close of each Fiscal Year, the City shall provide to each Air Carrier subject to this Ordinance its Final Accounting, covering the Airport's operations for such preceding Fiscal Year. Such Final Accounting shall contain information sufficient to (a) allow the City to recalculate the rates and charges as set forth in Section 5.3 through Section 5.15 on the basis of actual or the City's then current best estimates of Capital Costs and O&M Expenses, Air Carrier activity and other factors affecting the prescribed calculations and (b) determine the amount of any overpayment (credit) or underpayment (debit) due to or from Landing Fee payors, for

their use of the Airfield, and due to or from Passenger Carriers, for their use of the Terminals.

5.18.2 Landing Fee True-Up. The aggregate credit or debit, if any, due to or from all Air Carriers for Landing Fees, shall be applied to the Airfield Revenue Requirement for the following Fiscal Year under Section 5.3.1(f).

5.18.3 Settlements Of Terminal Charges. For all other Airport Fees and Charges, any resulting credit will be issued to each Air Carrier, and any resulting debit will be invoiced to and payable by each Air Carrier. If Terminal Charges actually paid by an Air Carrier were greater than the corresponding amounts chargeable to that Air Carrier, the City shall remit the amount of such overpayment to that Air Carrier within thirty (30) days of the Air Carrier's receipt of the Final Accounting. If Terminal Charges paid by a Passenger Carrier were less than the corresponding amounts chargeable to that Passenger Carrier, the City shall apply the amount of such deficiency to the account of that Passenger Carrier within thirty (30) days of Passenger Air Carrier's receipt of the Final Accounting, and invoice the Passenger Carrier, which amount shall be due and payable within sixty (60) days of invoice.

5.19 Activity Reports.

5.19.1 Air Carrier Reporting. Each Air Carrier shall provide to the City, on or before the 10th day of each and every month, the Monthly Activity Report for the prior month. Each Monthly Activity Report shall be in a format prescribed by the City, and shall include at least the following information: (a) the aircraft type identifying make, model and series, MGLW, and seating capacity for each type of aircraft used at the Airport; (b) the total MGLW: of (i) all passenger aircraft and, (ii) all cargo aircraft landing at the Airport; (c) the total number of domestic and international enplaned and deplaned passengers served by the Air Carrier at the Airport, including the breakdown of FIS Facility and non-FIS Facility deplaned passengers, revenue and non-revenue passengers and enplaned passengers, Main Terminal passengers, Terminal 5 passengers, and O&D Passengers; (d) the total amount (in pounds or kilograms) of domestic and international cargo (freight and express) and mail enplaned, deplaned and through by the Air Carrier at the Airport; (e) the total number of revenue and non-revenue aircraft operations; (f) the Air Carrier's total use of Common Use Gates by date and time, including Gate and aircraft type; (g) the total number of domestic and international Delivered Arriving and Delivered Departing seats; (h) the total number of the Air Carrier's Originating Bags for flights utilizing Domestic Common Use Baggage Make-up and, separately, the total number of the Air Carrier's Originating Bags for flights utilizing International Common Use Baggage Make-up Systems; (i) the total number of arriving seats for flights utilizing Common Use Baggage Claim Systems; and (j) the total number of domestic and international Check-in Hours for Common Use Check-in Space.

5.19.2 Failure to Report. If an Air Carrier fails to provide to the City any Monthly Activity Report in a timely manner, that Air Carrier's Airport Fees and Charges due under this Ordinance shall be determined by assuming that its activity in any month for which the Air Carrier has failed to report its activity equaled its maximum activity during any of the previous twelve (12) months for which the Air Carrier submitted a Monthly Activity Report to the City. Any necessary adjustments in the Air Carrier's charges shall be calculated after it delivers to the City an accurate Monthly Activity Report for the month in question. Resulting credits or debits shall be applied to the appropriate invoices in the next billing period.

Article 6.

Payment Of Rentals, Fees And Charges And Security Deposit.

6.1 Payment Of Landing Fees And Terminal Charges.

Each Air Carrier shall pay to the City, on a monthly basis without invoice, Airport Fees and Charges calculated by the City in accordance with Article 5 as follows:

6.1.1 Not later than the first (1st) day of each month of each Fiscal Year, each Passenger Carrier shall remit to the City the amount of its Fixed Terminal Charges, based on the Terminal Rental Rates then in effect.

6.1.2 Not later than the twentieth (20th) day of each month of each Fiscal Year, each Air Carrier shall remit to the City the amount of its Landing Fees and Activity-Based Terminal Charges, together with its Monthly Activity Report described in Section 5.19 on which the Air Carrier's payment under this Section 6.1.2 is based; provided, however, that the City may use in the future an automated tracking system instead of an Air Carrier's Monthly Activity Report to determine the amount of Landing Fees due from each Air Carrier.

6.2 Place Of Payment; Late Payments.

6.2.1 All amounts due from an Air Carrier hereunder shall be paid in lawful money of the United States of America, without deduction or set off, to the City of Chicago at the Office of the City's Comptroller or at such other place as may be hereafter designated by the City. Each Air Carrier shall pay all amounts payable hereunder by either check, wire transfer or electronic funds transfer ("EFT") or Automatic Clearing House ("ACH"), subject to the City's ability to receive these payments.

6.2.2 Any amount which is not paid within five (5) business days of when due and, if appropriate, invoiced, shall bear an annualized interest charge from its due date at a rate three percent (3%) higher than the "US Prime Rate" as published in the Wall Street Journal or similar successor index of national recognition as determined by the Commissioner.

6.2.3 Amounts due to the City under this Ordinance from any Air Carrier may be included in the calculation of Airport Fees and Charges hereunder when more than ninety (90) days past due and reasonably deemed by the City to be uncollectible after the City has made commercially reasonable efforts to recover such unpaid amounts taking into account application of any available security deposits both prior to and after the expiration of such ninety (90) day period.

6.3 Payments For Affiliates.

6.3.1 In accordance with and subject to an Air Carrier's Letter of Authorization, an Air Carrier may designate one or more other Air Carriers as its Affiliate for the purpose of committing to pay to the City, on behalf of the Affiliate, all of the Affiliate's Airport Fees and Charges, and other charges (including PFCs). Both an Air Carrier and its Affiliate shall

remain jointly and severally liable to the City for the payment of all Airport Fees and Charges (including PFCs), and the submission of all Monthly Activity Reports, that are due to the City on account of an Affiliate's use of any Airport facilities or services as an Affiliate of another Air Carrier.

6.4 Security Deposits.

6.4.1 Delivery And Use Of Security Deposit.

(a) Each Air Carrier shall provide to the City a security deposit equal to the following (the "Security Deposit"):

(i) The Air Carrier's estimated Landing Fees for three (3) months (as determined on the basis of the published schedule of the Air Carrier and its Affiliates, if any) as of that date and the actual Landing Fee Rate effective as of that date), plus

(ii) The Air Carrier's estimated Terminal Charges (including Affiliate's if applicable) for three (3) months.

(b) The Security Deposit shall be in the form of a surety bond the terms of which are acceptable to the City or a letter of credit meeting the requirements set forth in Section 6.4.2 to secure the Air Carrier's performance and observance of the Air Carrier's obligations under this Ordinance.

(c) In the event that an Air Carrier fails to timely meet its payment obligations under Sections 6.1 and 6.2 or otherwise fails to meet an obligation under this Ordinance, the City may, at its option, upon thirty (30) days notice deduct from the Air Carrier's Security Deposit an amount equal to: (i) any sums payable to the City under this Ordinance; (ii) an amount equal to the City's reasonable costs of recovering possession, re-assigning Air Carrier's Assigned Space, and any and all other damages legally recoverable by the City. In any such event, the Air Carrier shall again meet the Security Deposit requirement set forth in Section 6.4.1(a) above within seven (7) days from its receipt of such written notice; provided that if the Air Carrier does not so meet the Security Deposit requirement in a timely manner, the City shall be entitled to set-off such security deposit against the next ensuing payments by the Air Carrier of Airport Fees and Charges until such security deposit is complete. Once triggered, the Security Deposit requirements of this Section 6.4 shall continue until the Air Carrier demonstrates payment performance by having 36 consecutive months of on-time payments, at which time the Air Carrier may request the Security Deposit be returned and at such time the Security Deposit requirement shall be waived and any outstanding Security Deposit returned to Air Carrier.

6.4.2 Letter Of Credit Requirements.

(a) For a Security Deposit in the form of a letter of credit, such letter of credit shall be an irrevocable commercial standby letter of credit for the amount of the Security Deposit in form and substance acceptable to the City that meets the following criteria:

(i) the letter of credit shall provide for its continuance for at least one year from issuance and for automatic extension for additional periods of at least one year from initial expiry date and each subsequent expiry date, unless the issuer of the letter of credit gives the City notice of its intention not to renew such letter of credit not less than sixty (60) days before such expiry date (a "Nonrenewal Notice");

(ii) the letter of credit shall be payable upon the City's presentation of the original of such letter of credit together with a sight draft to the issuer, accompanied by the City's signed statement that the City purports to be entitled to draw on such letter of credit without further notice to the Air Carrier and hold the proceeds thereof;

(iii) the letter of credit shall be issued by a commercial bank satisfactory to the City which maintains a branch in Chicago, Illinois provided that the Commissioner and the City Comptroller may jointly agree to waive the requirement set forth above that such financial institution maintain a branch in Chicago for presentment for payment:

(1) that is chartered under the laws of the United States or any state thereof, or the District of Columbia;

(2) that is insured by the Federal Deposit Insurance Corporation;

(3) whose long-term, unsecured and unsubordinated debt obligations are rated by at least two of Fitch Ratings Ltd. ("Fitch"), Moody's Investors Service, Inc. ("Moody's) and Standard & Poor's Ratings Services ("S&P") or their respective successors (the "Rating Agencies") with ratings of not less than A- from Fitch, A3 from Moody's and A- from Standard & Poor's (the "Long-Term LC Issuer Requirements"); and

(4) whose short-term rating from at least two Rating Agencies is not less than F2 from Fitch, P-2 from Moody's and A-2 from S&P (the "Short-Term LC Issuer Requirements" and, together with the Long Term LC Issuer Requirements, the "LC Issuer Requirements").

(iv) If at any time the LC Issuer Requirements are not met, or if the financial condition of such issuer changes in any other materially adverse way, then the Air Carrier shall within ten (10) days of written notice from the City deliver to the City a replacement letter of credit which otherwise meets the requirements of this Ordinance and that meets the LC Issuer Requirements (and the Air Carrier's failure to do so shall, notwithstanding anything in this Ordinance to the contrary, constitute an Event of Default for which there shall be no notice or grace or cure periods being applicable thereto other than the aforesaid ten-day period).

(b) The letter of credit shall remain in effect as long as the Air Carrier uses the Airport.

(c) The City shall consent to reduce or release such letter of credit when and as this Ordinance would entitle Air Carrier to any reduction or release of the Security Deposit.

6.4.3 Use Of Letter Of Credit.

If any of the following occurs, then the City may draw upon the balance of the letter of credit in an amount equal to the aggregate amount of the Security Deposit this Ordinance then requires: (A) the issuer delivers a Nonrenewal Notice that such issuer no longer intends to maintain a branch in Chicago, Illinois and the Air Carrier fails to deliver a replacement letter of credit that complies with this Ordinance within thirty (30) days after the Air Carrier receives the Nonrenewal Notice (for purposes of which, the City and the Air Carrier shall reasonably cooperate to facilitate the simultaneous exchange of the old letter of credit for the new letter of credit); (B) the happening of any instance in which the criteria set forth in Section 6.4.2(a) are not met; or (C) if the remaining term of the letter of credit is at any time less than thirty (30) days, but the Air Carrier has not delivered an extension or renewal of such letter of credit for at least one year.

6.5 Right To Contest; No Abatement Or Set-off.

6.5.1 An Air Carrier's payment to the City, and the City's acceptance from the Air Carrier, of any payment amount hereunder shall not preclude either the Air Carrier or the City from questioning, within six (6) months from the date of the Air Carrier's receipt of the Final Accounting, the accuracy of any statement on the basis of which such payment was made, or preclude the City from making, within such period, any claim against the Air Carrier for any additional amount payable by the Air Carrier under this Ordinance, or preclude the Air Carrier from making, within such period, any claim against the City for any credit for any excess amount paid by the Air Carrier under this Ordinance; provided, however, that the City shall not be limited by such six-month period if the Air Carrier shall have intentionally underreported its activity used in calculating any payment due by the Air Carrier under this Ordinance.

6.5.2 Notwithstanding the foregoing, no Air Carrier may abate, suspend, postpone, set-off or discontinue any payments of Airport Fees and Charges which it is obligated to pay under this Ordinance.

6.6 Air Carrier Books And Records.

Each Air Carrier shall maintain or make available upon reasonable notice, books (physical or electronic), records and accounts relevant to the determination of any Airport Fees and Charges, each such item of information to be maintained for a period of at least seven years from the date of creation or longer if necessary for pending litigation. If such books, records and accounts are not maintained at its office in Chicago, Illinois, or at the Airport office, the Air Carrier shall in any case maintain such books, records and accounts within the United States or Canada, and the Air Carrier shall promptly furnish the Commissioner, the City Comptroller, the Federal Aviation Administration or the U.S. Comptroller General with all information requested by them with respect to such books, records and accounts. The Commissioner, the City Comptroller, the Federal Aviation Administration or the U.S. Comptroller General, and such persons as may be designated by them, shall each have the right, at all reasonable times, subject to prior written notice to the Air Carrier, to examine and make copies of such books, records and accounts. If the requested books, records and accounts are not made available at the Airport, and the City or its auditors are required to travel elsewhere to review them, the City may require that the Air Carrier reimburse the City

for the reasonable costs of such review of the Air Carrier's books, records and accounts, provided that the City demonstrates an underpayment of five percent (5%) or more.

Article 7.

7.1 Taxes, Licenses And Permits.

7.1.1 Each Air Carrier shall pay or cause to be paid any and all taxes and shall obtain or cause to be obtained any and all licenses, permits, certificates and other authorizations required by any governmental authority in connection with the operations or activities performed by the Air Carrier at the Airport, including any and all taxes and other charges in connection with the Air Carrier's use of its Assigned Space.

7.1.2 Any taxes associated with or assessed on any personal property of an Air Carrier located within its Assigned Space shall be the obligation of that Air Carrier and, as such, shall be paid by that Air Carrier and not by the City.

7.1.3 An Air Carrier shall not permit a lien or encumbrance to attach to its Assigned Space or the Airport by reason of any failure to pay taxes.

7.2 Utilities.

Each Air Carrier shall be solely responsible for paying all utilities associated with the Air Carrier's Assigned Space, to the extent such utilities are metered or otherwise calculated to identify usage within the Assigned Space, provided that standards for separate payment and metering are applied consistently among Air Carriers throughout the Airport.

Article 2

AIRLINE'S ASSIGNED SPACE

2.1 Rights to Use Assigned Space.

2.1.1 Assigned Space Notice. On or before the Effective Date, the City will issue to Airline an Assigned Space Notice, attached to its Letter of Authorization as Exhibit C, that will designate which areas of the Airport that the City will make available for Airline's use as: (a) Exclusive Use Space and/or (b) Preferential Use Space. Airline acknowledges and agrees that the Assigned Space Notice may be revised by the City and reissued to Airline from time to time during the Term pursuant to its Letter of Authorization and the Terminal Space Use Protocols. The City and Airline agree that, upon issuance by the City, and acknowledgement in writing by Airline, each revised Assigned Space Notice shall be deemed attached to and incorporated into its Letter of Authorization as Exhibit C, and shall supersede and replace the last issued Assigned Space Notice deemed attached to and incorporated into its Letter of Authorization as Exhibit C without the need for a written amendment of this Letter of Authorization signed by the City and Airline.

2.1.2 Exclusive Use Space. The City grants to Airline, subject to the Ordinance, this Letter of Authorization and the Terminal Space Use Protocols, the exclusive right to use the Exclusive Use Space identified in the Assigned Space Notice.

2.1.3 Preferential Use Space. The City grants to Airline, subject to the Ordinance, this Letter of Authorization and the Terminal Space Use Protocols, the right to use, on a preferential use basis, the Preferential Use Space identified in the Assigned Space Notice.

2.1.4 Condition of Assigned Space. Except as otherwise expressly provided in this Letter of Authorization, including the City's maintenance responsibilities under Section 6.1, Airline specifically acknowledges and agrees that the City is permitting Airline's use of the Assigned Space on an "as is with all faults" basis and that Airline is not relying on any representations or warranties of any kind whatsoever, express or implied, from the City, as to any matters concerning its Assigned Space.

2.2 Assignment and Subletting

2.2.1 Airline covenants that it will not (i) assign, transfer, convey, sell, mortgage, pledge or encumber (any of the foregoing events being referred to as an "Assignment") or (ii) sublet its assigned Exclusive Use Space or Preferential Use Space or any part thereof, or any rights of Airline hereunder or any interest of Airline in its Letter of Authorization, nor will Airline allow the use of its assigned Exclusive Use Space or Preferential Use Space by any Air Carrier, except as otherwise provided in Section 2.2.2.

2.2.2 Airline may allow the use of its Assigned Space by any of Airline's Affiliates, Alliance Partners, Air Carriers handled by Airline, or any third-party contractors allowed access to its assigned Exclusive Use Space or Preferential Use Space without seeking the City's consent, provided that (a) Airline delivers to the City prior written notice of intent to grant such access; and (b) such Affiliate, Alliance Partner, Air Carrier or third-party contractor agrees to comply with the terms of the Ordinance and this Letter of Authorization.

2.2.3 Notwithstanding the foregoing, this Section 2.2 shall not be interpreted to preclude the Assignment of this Letter of Authorization to a parent, subsidiary, subsidiary of a parent or merged company if such parent, subsidiary, or merged company conducts Air Transportation Business at the Airport and assumes all rights and obligations under this Letter of Authorization. Written notice of such assumption shall be provided by the parent, subsidiary, subsidiary of a parent or merged company within thirty (30) days of such Assignment.

2.3 City's Right of Entry

The City, by its officers, employees, agents, representatives, contractors, consultants and furnishers of utilities and other services, shall have the right at all times upon reasonable notice to enter Airline's Assigned Space for the purpose of inspecting the same, for emergency repairs to utilities systems, and for any other purpose necessary for or incidental to or connected with the performance of the City's obligations hereunder, or in the exercise of its governmental functions or in the City's capacity as Airport owner. The City shall endeavor to make all reasonable efforts to conduct each inspection, repair or other activity in a manner that does not unreasonably interfere with Airline's operations. The City will provide forty-eight (48) hours advance notice as provided in the Notices provision in this Letter of Authorization (which may be provided by telephone accompanied with, or separately by, written notice or electronic mail to Airline's local operations manager) of any planned inspection or intrusive sampling to Airline, except in emergencies, when advance notice shall not be required. Airline may accompany City when any such inspection or sampling is performed, provided that City is not required to unreasonably delay its inspection or sampling to enable Airline to be present. The City shall repair any damage to Airline's Assigned Space caused by such inspection or intrusive sampling and the cost of any repairs shall be an O&M Expense of the Terminal Complex. Notwithstanding the above, the City, its contractors and other agents' right of entry to Airline's Assigned Space to perform environmental inspections and sampling shall be governed exclusively by Section 8.2.

2.4 Quiet Enjoyment

The City covenants, unless otherwise provided by the Ordinance or this Letter of Authorization, that, if Airline shall perform all obligations and make all payments as provided herein, Airline shall peaceably have and enjoy the Assigned Space and all the rights, privileges, appurtenances and facilities granted herein, subject to the exercise of governmental police powers by either the City or any other governmental authority having jurisdiction over the Airport.

2.5 Surrender and Removal of Personal Property

2.5.1 Airline covenants and agrees to surrender possession of the Assigned Space (or a portion of the Assigned Space) upon:

(a) the expiration or early termination of this Letter of Authorization; or

(b) the termination of any holdover period in substantially the same condition as of the Effective Date (or in the case of improvements or alterations made or fixtures installed subsequent thereto, then as of the date of such improvements, alternations, or fixtures were made or installed), reasonable wear and tear, damage from casualty, and repairs that are the responsibility of the City, all excepted. No act or thing done by the City during the Term of this Letter of Authorization shall be deemed acceptance of a surrender of Airline's Assigned Space, and no agreement to accept such surrender shall be valid, unless in writing and signed by the City. Airline's improvements to the Assigned Space, if any, shall be left in place or removed in accordance with terms mutually agreed by the City and the Airline.

2.5.2 In the event of such expiration or earlier termination of this Letter of Authorization, Airline shall have thirty (30) days after such expiration or termination during which to remove personal property and trade fixtures; provided, however, the City shall have the right to assert such lien or liens against said property as the City may by law be permitted. Any damage to the Airport, the structure, the Assigned Space or any fixtures located therein resulting from such removal shall be repaired or paid for by Airline.

2.5.3 If, upon expiration or earlier termination of this Letter of Authorization, Airline shall fail to remove any personal property or trade fixtures as herein required, the City may, at its option, (a) remove said personal property and trade fixtures and hold them for the owners thereof, or may place the same in a public warehouse, all at the expense and risk of Airline; or (b) deem such property abandoned and keep such property or, after written notice to Airline and at Airline's sole risk and expense, remove such property to a public warehouse, or retain the same in the City's possession and after the expiration of thirty (30) days sell the same with notice and in accordance with applicable law, the proceeds of such sale shall be applied first to the expenses of such removal and sale, second to any sum owed by Airline to the City, and any balance remaining shall be retained by the City. If the expenses of such removal, storage, disposal and sale shall exceed the proceeds of sale, Airline shall pay such excess to the City upon demand. Airline shall indemnify, defend, release and hold harmless the City from any and all damage, cost and expenses related to said removal, storage, disposal or sale under this Section 2.5.3, which obligations shall survive expiration or earlier termination of this Letter of Authorization.

2.6 Hold Over

Airline acknowledges it is bound to comply with all provisions of the Ordinance and this Letter of Authorization until Airline vacates the Assigned Space. If Airline holds over, refuses, or fails to give up the possession of its Assigned Space or the relevant portion thereof, as applicable, on the expiration or earlier termination of this Letter of Authorization without express written consent of the City, no periodic tenancy will be deemed to be created, and the City shall have all rights and remedies under Applicable Laws to recover the Assigned Space and damages, including recovery of interest, attorney's fees and costs. In addition to the continuing Airport Fees and Charges payable, the City shall assess a penalty in the amount of twenty-five (25%) percent of the Airport Fees and Charges payable for such Assigned Space at the time of expiration or termination of this Letter of Authorization for the first sixty (60) days of such hold over and fifty percent (50%) of such Airport Fees and Charges thereafter. Furthermore, if the City so elects, the

City may accept payment of Airport Fees and Charges from Airline and concurrently commence legal proceedings to regain possession of the Assigned Space. The foregoing provisions shall not serve as permission to Airline to hold over, nor serve to extend the Term. The provisions of this Section 2.6 shall not operate as a waiver of any right of the City under the Ordinance, this Letter of Authorization or Applicable Laws to re-enter and take possession of the Assigned Space.

2.7 No Warranty of Condition or Suitability

EXCEPT AS OTHERWISE PROVIDED HEREIN, THE CITY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION OF THE ASSIGNED SPACE OR THAT THE ASSIGNED SPACE SHALL BE SUITABLE FOR AIRLINE'S PURPOSES OR NEEDS. THE CITY SHALL NOT BE RESPONSIBLE FOR ANY LATENT DEFECT AND AIRLINE SHALL NOT, UNDER ANY CIRCUMSTANCES, WITHHOLD ANY RENTALS OR OTHER AMOUNTS PAYABLE TO THE CITY HEREUNDER ON ACCOUNT OF ANY DEFECT IN THE ASSIGNED SPACE. BY ITS ENTRY ONTO THE ASSIGNED SPACE, AIRLINE ACCEPTS THE ASSIGNED SPACE AS BEING FREE AND CLEAR FROM ALL DEFECTS AND IN GOOD, SAFE, CLEAN AND ORDERLY CONDITION AND REPAIR.

2.8 City's Title

The City's title to the Assigned Space and the Airport is and always shall be paramount to the interest of Airline in the Assigned Space. Nothing herein contained empowers Airline to commit or engage in any act which can, shall or may encumber the title ofthe City.

2.9 Work on Airlines' Assigned Space

2.9.1 Airline shall have the right to perform work (such as planning, design, fabrication, installation, construction, start-up, and testing) in its assigned Exclusive Use Space and Preferential Use Space. All such work shall be subject to this Letter of Authorization, any reimbursement, ground lease or other agreement between Airline and the City relating to such work, and all applicable procedures issued by the Commissioner in accordance with the terms hereof, including, without limitation, the City's most current version of CDA Design and Construction Manuals.

2.9.2 As set forth in greater detail in any reimbursement agreement, ground lease or other agreement relating to such work between Airline and City, Airline may not commence such work within its assigned Exclusive Use Space or Preferential Use Space without (a) the City's prior written approval of the plans and proposals relating thereto, which approval shall not be unreasonably withheld, conditioned, or delayed, and (b) receipt of all necessary City. County, and other governmental approvals, licenses, and permits in connection therewith.

2.9.3 To the extent the City reimburses Airline for the costs of such work. Airline and City shall comply with the terms set forth in the City's current form of reimbursable agreement, as such agreement may be reasonably revised by the City from time to time and modified to address the nature of specific projects. Laws and other requirements governing such reimbursable projects are set forth in Exhibit A.

2.9.4 Airline covenants and agrees that it shall keep the Assigned Space and any interest therein and any improvements thereon free and clear of any and all liens in any way arising out the construction, improvement or use thereof by Airline.

Article 3

ASSIGNMENT AND USE OF SPACE

3.1 Types of Gates.

3.1.1 Airline acknowledges that no Gates at the Airport shall be assigned for any Passenger Carrier's exclusive use. Each Gate shall be designated by the City as a Common Use Gate or Preferential Use Gate in accordance with and subject to the terms of this Article 3.

3.1.2 The City shall retain exclusive control of the use of all Common Use Gates in accordance with the Terminal Space Use Protocols.

3.1.3 Airline's use of all Gates shall at all times be in compliance with and subject to the Terminal Space Use Protocols.

3.2 Assignment of Preferential Use Gate Rights and Conversion of Common Use Gates to Preferential Use Gates. Airline acknowledges and agrees that the City must, among other factors, balance the need for Common Use Gates to provide opportunities for new entry, expansion of incumbent Passenger Carrier flight activity and operational flexibility, with the desires of Passenger Carriers for Preferential Use Gates. Airline acknowledges that Airline has no right to the assignment of any Preferential Use Gate other than the Preferential Use Gates assigned in the Assigned Space Notice and that the duration of Airline's rights to those Preferential Use Gates is limited to the Term of this Letter of Authorization.

3.3 Inconveniences During Construction. Programs of construction, reconstruction, expansion, temporary relocation, maintenance and repair may inconvenience Airline in its operations at Airport. City will make all reasonable efforts to provide alternative accommodations to mitigate adverse effects of such programs. Airline agrees that no liability shall attach to the City by reason of such inconvenience, and Airline waives any right to claim damages or other consideration.

3.4 City's Right to Accommodate Other Passenger Carriers on Airline's Preferential Use Gates and other Preferential Use Space. The City shall have the right to accommodate other Passenger Carriers on Airline's Preferential Use Gates and in other Preferential Use Space assigned to Airline as specified in the Terminal Space Use Protocols. As a condition to such accommodation, the accommodated Passenger Carrier shall agree to indemnify Airline to the same extent Airline is required to do so pursuant to Section 7.1.

Article 4

AFFILIATES AND ALLIANCE PARTNERS

4.1 Airline's Designation of Affiliates. Subject to the provisions of this Article 4, Airline may designate one or more Affiliates to operate at the Airport. In the event Airline designates an Affiliate, the following provisions shall apply to Airline and its Affiliates:

4.1.1 Airline's designation of an Affiliate shall not be effective until Airline has first (a) notified the Commissioner in writing, using the Affiliate Designation Form attached to these Terms and Conditions as Exhibit B, that Airline intends to designate an Air Carrier as an Affiliate, to the extent that the Air Carrier is conducting activity on behalf of Airline; (b) ensured

that the Affiliate has entered into a Letter of Authorization with the City; and (c) confirmed for the Commissioner in writing that either: (i) Airline will pay to the City all of the Affiliate's Airport Fees and Charges or (ii) Airline will cause its Affiliate to pay to the City all of the Affiliate's Airport Fees and Charges.

4.1.2 Airline shall pay or cause its Affiliate to pay to the City all Airport Fees and Charges due to the City on account of the Affiliate's use of any Airport facilities, and

4.2 Applicability of this Letter of Authorization to Affiliates. For so long as Airline and its Affiliates have complied with the payment and reporting obligations under ARTICLE 5 and ARTICLE 6 of the Ordinance, then each Affiliate shall have the same rights as Airline to use Airline's Assigned Space, subject to Section 2.2.

4.3 Designation by More than One Air Carrier. More than one Air Carrier may from time to time designate the same Passenger Carrier as its Affiliate, and each such Air Carrier shall only be responsible for and credited with such Passenger Carrier's operations when such Passenger Carrier operates as such Air Carrier's Affiliate.

4.4 Termination of Status of Affiliate. A Passenger Carrier's status as Affiliate of Airline may be terminated by Airline upon thirty (30) days prior notice to the City provided that Airline's liability to the City for the payment of all Airport Fees and Charges as indicated in the Affiliate Designation Form, and the submission of all Monthly Activity Reports, that are due to the City on account of the use of any Airport facilities or services by Airline's Affiliates shall survive any termination of Affiliate status; provided, however, that Airline shall be responsible for such payments and reports as they relate to the terminated Affiliate's operations through the effective date of the termination of Affiliate status.

4.5 Airline's Designation of Alliance Partners. From time to time, Airline may designate one or more Alliance Partners by notifying the Commissioner in writing, using the Alliance Partner Designation Form attached as Exhibit C of the Airline Alliance that Airline and the Alliance Partner are members of and providing reasonable, publicly available documentation that such Airline Alliance is active.

4.6 Application of Letter of Authorization to Alliance Partners. For so long as Airline and each of its Alliance Partners have complied with their payment and reporting obligations under Article 5 and Article 6 of the Ordinance, then:

4.6.1 Airline may exercise its rights with respect to its Alliance Partners set forth in Section 2.2.2 of this Letter of Authorization and Sections 3.2.4, 3.2.5 and 3.5 of the Ordinance.

4.6.2 . Airline's designation of an Alliance Partner shall not affect either Airline's or its Alliance Partner's payment or reporting obligations under the Ordinance or this Letter of Authorization.

4.7 Designation by More than One Passenger Carrier. No more than one Passenger Carrier may from time to time designate the same Passenger Carrier as its Alliance Partner.

4.8 Termination of Status of Alliance Partner. A Passenger Carrier's status as Alliance Partner of Airline may be terminated by Airline upon thirty (30) days written notice to the City.

(d) either directly or through a Contractor (which Contractor shall obtain a City permit), dispose of its garbage, debris and other waste materials (excluding snow and ice).

If the performance of any of the foregoing maintenance, repair, replacement or painting obligations of Airline requires work to be performed near an active taxiway or runway or where safety of Airport operations might be involved, Airline shall post guards or erect barriers or other safeguards at such locations as required and approved by the City and the FAA. Compliance with such requirements shall not relieve Airline from its liability for the safe performance of its obligations under the Ordinance and this Letter of Authorization.

6.2 Performance by the City upon Failure of Airline

If Airline or its Affiliate, Contractor or Alliance Partner (a) fails to perform, for a period of thirty (30) days after written notice from the City to Airline and Airline's AAAC representative, in accordance with the Notices section of this Letter of Authorization, any obligation required under this Article 6; or (b) if the obligation cannot be performed within thirty (30) days and has Airline failed to initiate corrective action within thirty (30) days of the City's notice or fails to diligently pursue such corrective action once initiated, then the City may perform such obligation of Airline (or its Affiliate, Contractor or Alliance Partner) without further notice and charge Airline for the costs of its performance plus an administrative fee of fifteen percent (15%); provided, however, that if Airline's (or its Affiliate's, Contractor's or Alliance Partner's) failure to perform any such obligation endangers the health or safety of persons or the safety of operations at the Airport and the City so states in its notice to Airline, the City may perform such obligation of Airline (or its Affiliate, Contractor or Alliance Partner) without waiting thirty (30) days after its notice if Airline does not take prompt action to address the issue after City has given such notice and charge Airline for its costs of its performance plus an administrative fee of twenty-five percent (25%). For any notices relating to this Section 6.2, the parties agree that written notice (in the forms provided in the Notices section of this Letter of Authorization) is required but that the City may, at its option, provide supplemental notice by electronic mail to Airline and Airline's AAAC representative.

6.3 City Ownership of Airport

Airline agrees and irrevocably elects, with respect to itself and any successors in interest under this Letter of Authorization that it will not claim depreciation or an investment credit for purposes of federal income taxes with respect to any portion of the Airport except an improvement or project that has been solely financed by Airline.

Article 7

INDEMNIFICATION AND INSURANCE

7.1 Indemnification.

7.1.1 Airline shall defend, indemnify and hold harmless (a) the City Indemnified Parties; and (b) to the extent another Air Carrier accommodates Airline pursuant to the Terminal Space Use Protocols, such Air Carrier, in each case to the maximum extent allowed by applicable statutes and case law, from and against any and all losses, liabilities, penalties, damages of whatever nature, causes of action, suits, claims, demands, judgments, injunctive relief, awards and settlements (each individually, a "Claim," and collectively, the "Claims"), including payments of claims of liability resulting from any injury or death of any person or damage to or destruction of any property, arising out of or relating to:

(a) the tortious acts or omissions of Airline or its Associated Parties;

(b) Airline's or its Associated Party's use or occupancy of the Airport and the Airline's Assigned Space;

and Airline will, at its own cost and expense, defend all such claims, demands and suits, whether frivolous or not. To the extent City Indemnified Parties reasonably expend any cost and expense, including attorney fees, in investigating or responding to such claims, demands and suits, Airline will reimburse the City Indemnified Parties for all such costs and expense, subject to Section 7.1.7.

7.1.2 Without limiting the foregoing, Airline shall also defend, indemnify and hold harmless the City Indemnified Parties:

(a) from and against any and all claims or liability for compensation under any workers" compensation statute arising out of the injury or death of any employee of the Airline. Airline shall cause its licensees and Contractors to maintain in effect al all times workers' compensation insurance as required by law; and

(b) from, and to assume all liability for. and to pay, all taxes and assessments for payment of which the City may become liable and which by law may be levied or assessed on the Assigned Space of Airline pursuant to the Ordinance or its Letter of Authorization, or which arise out of the operations of Airline or by reason of Airline's occupancy of its Assigned Space. However, Airline may, at its own risk, cost and expense, and at no cost to the City, contest, by appropriate judicial or administrative proceedings, the applicability or the legal or constitutional validity of any such tax or assessment, and the City will, to the extent permitted by law, execute such documents as are necessary to permit Airline to contest or appeal the same. Airline shall be responsible for obtaining bills for all of said taxes and assessments directly from the taxing authority and shall promptly deliver to the City copies of receipts of payment. In the event the City receives any tax billings, it will forward said billings to Airline as soon as practicable.

7.1.3 Without limiting the foregoing, Airline shall cause any Contractor to agree to protect, defend, indemnify and hold the City Indemnified Parties free and harmless from and against any and all claims, damages, demands, and causes of action of all kinds including claims of property damage, injury or death, in consequence of granting the relevant Contract or arising out of or being in any way connected with the Contractor's performance under the Ordinance or this Letter of Authorization except for matters shown by final judgment to have been caused by or attributable to the negligence of any City Indemnified Party to the extent prohibited by 740 ILCS 35/1 et seq. The indemnification provided herein shall be effective to the maximum extent permitted by applicable statutes. To the extent Contractor fails to defend any and all claims, demands or suits against the City Indemnified Parties including claims by any employee, Contractors, agents or servants of Contractor even though the claimant may allege that a City Indemnified Party is or was in charge of the work or that there was negligence on the part of a City Indemnified Party, Airline shall be responsible for such defense. To the extent City Indemnified Parties reasonably expend any cost and expense, including attorney fees, in investigating or responding to such claims, demands and suits, Airline will reimburse the City Indemnified Parties for all such costs and expense, subject to Section 7.1.7. "Injury" or "damage," as such words are used in this Section 7.1 shall be construed to include injury, death or damage consequent upon the failure of or use or misuse by Contractor, its subcontractors, agents, servants or employees, of any scaffolding, hoist, cranes, stays, ladders, supports, rigging, blocking or any and all other kinds of items of equipment, whether or not the same be owned, furnished or loaned by the City. Notwithstanding Airline's obligation to cause any Contractor to agree to the requirements set forth in this Section 7.1.3 Airline's failure to cause Contractor to do so shall not constitute a breach hereof, provided that Airline performs all such actions Contractor would have been required to perform under this Section 7.1.3, including indemnifying and defending the City, itself.

7.1.4 The City shall notify Airline as soon as practicable of each claim, action, proceeding or suit in respect of which indemnity may be sought by the City against Airline hereunder, setting forth the particulars of such claim, action, proceeding or suit, and shall furnish Airline with a copy of all judicial filings and legal process and any correspondence received by the City related thereto.

7.1.5 The City shall be invited to attend and participate in all meetings (including those related to settlement) and to appear and participate in all judicial proceedings related to any Claim against the City, provided that City shall bear the costs of its participation to the extent such participation is not in furtherance of the City's defense of any such Claim. The City shall approve the terms of any settlement which require the City to perform or refrain from performing any action, provided that such approval will not be unreasonably withheld if a settlement includes a full and unconditional release for City Indemnified Parties.

7.1.6 Without limiting the generality of any other provision hereof, Airline shall reimburse the City for the cost of any and all reasonable attorney's fees and investigation expenses and any other reasonable costs incurred by the City in the investigation defense and handling of said suits and claims and in enforcing the provisions of the Ordinance or this Letter of Authorization.

7.1.7 Notwithstanding the provisions of this Section 7.1, in the event that the City and Airline mutually agree or a court of competent jurisdiction determines by a final order that a City Indemnified Party's negligence or willful and wanton misconduct is at least fifty-one (51%) of the total fault which proximately caused the Claims, Airline's obligation to indemnify the City for amounts to be paid in connection with the Claims shall be limited to the amount attributable to Airline's and its Associated Parties' proportionate share of the total fault which proximately caused the Claims. The City and Airline agree, however, that this Section 7.1.7 is not intended to obviate or lessen in any way Airline's duty to defend the City Indemnified Parties; provided, however, that to the extent City and Airline mutually agree or a court of competent jurisdiction rules that the Claims were the result of the sole negligent act or omission or the willful and wanton misconduct of a City Indemnified Party, the City shall reimburse Airline for its proportionate share ofthe costs of defense, including, but not limited to, attorneys' fees and court costs. For the avoidance of doubt, City shall reimburse Airline for all defense costs Airline incurred with respect to defending the City Indemnified Parties against Claims to the extent that City and Airline mutually agree or a court of competent jurisdiction rules that such Claims were the result of the sole negligent act or omission of a City Indemnified Party.

7.1.8 Notwithstanding the provisions of this Section 7.1, the Airline's indemnification obligations for Environmental Claims are set forth in Article 8.

7.1.9 The foregoing express obligation of indemnification shall not be construed to negate or abridge any other obligation of indemnification running to the City or a City Indemnified Party that would exist at common law or under other provisions of the Ordinance or this Letter of Authorization, and the extent of the obligation of indemnification shall not be limited by any provision of insurance undertaken in accordance with the Ordinance or this Letter of Authorization.

7.1.10 Subject to Section 7.1.7, an Airline shall be liable for any loss or damage to any personal property or equipment ofthe Airline, its agents, servants, employees, officials, or independent contractors.

7.1.11 Airline waives the right of contribution against the City Indemnified Parties, subject to Section 8.1.7, and subrogation against the City Indemnified Parties.

As an alternative to obtaining Pollution Liability Insurance, an Airline may provide for reasonable limits of self-insurance as agreed with the City against the environmental risks that would be covered by a third-party insurer providing Pollution Liability Insurance. If the Airline

self-insures against such environment risks, the Airline shall make available its financial statement on-line. All amounts paid to the City by the Airline on account of any self-insurance program shall be deemed insurance proceeds for purposes of this Letter of Authorization.

7.2.2 Additional Requirements.

(a) Evidence of Insurance. Airline will furnish the Commissioner and any Air Carrier accommodating Airline pursuant to the Terminal Space Use Protocols, with original Certificates of Insurance or similar documentation and a copy of the additional insured endorsements, where applicable, evidencing the coverage required to be in force on the date of this Letter of Authorization, as well as renewal Certificates of Insurance and additional insured endorsements, or such similar evidence, if the coverages have an expiration or renewal date. Airline shall submit evidence prior to commencing its use of the Airport. The receipt of a certificate or other insurance evidence does not constitute an agreement by the City that the insurance coverage required in this Letter of Authorization has been fully met or the insurance policies indicated on the certificate or other evidence of insurance provided are in compliance with all the Ordinance requirements. Failure of the City to obtain certificates or any other insurance evidence from Airline showing compliance with these requirements of the Ordinance is not a waiver by the City of any requirements for Airline to obtain and maintain the specified coverages. Airline shall advise all insurers of the Ordinance provisions regarding insurance. The City in no way warrants that the insurance required herein is sufficient to protect Airline for liabilities that may arise from or relate to the Ordinance or this Letter of Authorization. The City reserves the right to inspect complete, certified policy copies (or electronic copies thereof) of any required insurance at a mutually agreed location within the State of Illinois within ten (10) days ofthe City's written request.

(b) Failure to Maintain Insurance. The insurance hereinbefore specified shall be carried as long as Airline operates at the Airport. Failure to carry or keep such insurance in force shall constitute a violation of the Ordinance. To the extent there is such a failure, the City shall provide written notice thereof and Airline shall have fifteen (15) business days to cure such failure.

(c) Notice of Cancellation, Material Change and Non-Renewal. Airline shall provide for thirty (30) days' advance notice to the City in the event coverage required in this Letter of Authorization (except coverage for war and allied peril risk, for which Airline shall provide seven (7) days' advance notice or such other period as may be agreed by the City and Airline) has substantially changed, canceled, or non-renewed. Upon the earlier of Airline's receipt of a cancellation notice for non-payment of premium or Airline's knowledge thereof. Airline shall provide immediate notice to the City of such cancellation or impending cancellation with Airline's written plan for curing such non-payment and preventing nonpayment of premiums thereafter.

(d) Insurance Required of Contractors and Affiliates. In each contract with any Contractor or Affiliate, Airline shall require such Contractor or Affiliate to obtain insurance coverages to adequately cover risks associated with any such Contractor or Affiliate that are reasonably appropriate in their limits and other terms and conditions to the nature of the contract and standard in the industry within which such Contractor or Affiliate practices. Airline shall determine if Contractor or Affiliate should provide any additional coverage or other coverage required herein. Such coverages shall insure the interests of the City, its employees, elected officials, agents and representatives including naming the City of Chicago as an additional insured on an additional insured form acceptable to the City. Airline is also responsible for ensuring that each Contractor or Affiliate has complied with the required coverage and terms and conditions

outlined in this Section 7.2.2. When requested by the City, Airline shall provide, or cause to be provided, to the City certificates of insurance and copies of additional insured endorsements or such other evidence of insurance, acceptable in form and content to the City. The City reserves the right to inspect complete, certified policy copies (or electronic copies thereof) of any required insurance at a mutually agreed to location within the State of Illinois within ten (10) days ofthe City's written request. Failure of the Contractors or Affiliate to comply with required coverage and terms and condition outlined herein will not limit Airline's liability or responsibility.

(e) No Limitation as to Airline's Liabilities. Airline expressly understands and agrees that any insurance coverages and limits furnished by Airline shall in no way limit Airline's liabilities and responsibilities specified within the Ordinance, this Letter of Authorization or by law.

(f) Waiver of Subrogation. Airline waives and shall cause its insurers to waive, and Airline shall cause each of its Contractors and Affiliates and each of Contractor's and Affiliate's insurers to waive, their respective rights of subrogation against the City Indemnified Parties for recovery of damages to the extent these damages are covered by the following insurance obtained by Airline pursuant to this Letter of Authorization; (1) Worker's Compensation and Employer's Liability Insurance; (2) Commercial General/Air Carrier Liability Insurance (primary and umbrella); (3) Automobile Liability Insurance; (4) All Risk Blanket Builder's Risk Insurance; and (5) All Risk Property Insurance. With respect to the waiver of subrogation for Worker's Compensation and Employer's Liability Insurance. Airline shall obtain an endorsement equivalent to WC 00 03 13 to effect such waiver.

In the event the insurers of Airline, or the insurers of any Contractor or Affiliate, should seek to pursue contribution or a subrogation claim against the City, Airline shall be responsible to pay all cost of defending such claims, including actual attorney's fees of counsel ofthe City's choosing, subject to Section 7.1.7.

(g) Airline insurance Primary- Airline expressly understands and agrees that any insurance maintained by the City shall apply in excess of and not contribute with insurance provided by Airline under this Letter of Authorization. All insurance policies required of Airline under this Letter of Authorization shall be endorsed to state that Airline's insurance policy is primary and not contributory with any insurance carried by the City.

(h) Insurance Limits maintained by Airline. If Airline maintains higher limits than the minimum required herein, the City requires and shall be entitled to coverage for the higher limits maintained by Airline. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City, as their interest may appear.

(i) Joint Venture or Limited Liability Company. If Airline is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

(j) Other Insurance obtained by Airline. If Airline desires additional coverages, Airline shall be responsible for the acquisition and cost.

(k) Self-Insurance of Airline. Airline may not self-insure any portion of any limit of primary coverage required hereunder unless specifically permitted under this Section 7.1. It is understood that in any instance in which Airline is permitted to and chooses to self-insure a portion of the limit of primary coverage required hereunder, Airline, as a self-insurer, has the same duties and obligations to the City (e.g. obligation to provide a defense for covered claims) and to the City's liability insurer(s) as a primary liability insurer has to excess insureds and excess insurers under a standard ISO policy form even though Airline's self-insurance is not on a standard ISO form.

(l) City's Right to Modify. The City maintains the right, based on commercially reasonable standards, to modify, delete, alter or change the requirements set forth under this Section 7.2 with thirty (30) days prior written notice to Airline.

7.2.3 City's Insurance. The City shall maintain in force during the Term commercial general liability and property insurance relating to its ownership, maintenance, use and occupancy of the Airport as determined by the City and as required by the Bond Indenture and Applicable Laws.

If requested by the City, Airline shall reasonably cooperate with the City in its preparation of such submittals as are required of the City by FAA, USEPA, or IEPA, or their successor agencies, in connection with Airline's future capital projects or in connection with the City capital projects at the Airport which benefit Airline.

Airline shall have the right to accompany the City when any such inspection or sampling is performed, provided that the City is not required to unreasonably delay its inspection or sampling to enable Airline to be present. Airline shall have the right to obtain, at Airline's expense, split samples and City shall promptly provide copies of all analytical results of such sampling, including any non-privileged reports.

8.2.2 Airline shall cooperate, and shall ensure that its Associated Parties cooperate, in allowing prompt, reasonable access to the City to conduct such inspection, assessment, audit, sampling, or tests. In the exercise of its rights under this Section, the City shall not unreasonably interfere with the authorized use and occupancy of Airline's Assigned Space by Airline or Airline's Associated Parties. Airline remains solely responsible for its environmental, health, and safety compliance, notwithstanding any City inspection, audit, or assessment.

8.3 Information to be Provided to the City

8.3.1 If Airline receives any written notice, citation, order, warning, complaint, claim or demand regarding Airline's use of, or operations at, Airline's Assigned Space or other property at the Airport used by Airline pursuant to the Ordinance or its Letter of Authorization that is not legally privileged, made confidential by applicable law, or protected as trade secrets:

Before commencing any subsurface soil, surface water, stormwater, or groundwater investigations, removals, remediation, or corrective actions that Airline or Airline's Associated Parties are required to perform at the Airport under this Letter of Authorization, including any such actions mandated in Section 8.4. and except for immediate removal actions required by Environmental Laws and otherwise undertaken pursuant to Section 8.4, Airline shall promptly provide any proposed plans for such investigations, removals, remediation, or corrective actions to the City for approval in accordance with applicable Environmental Laws, which shall not be unreasonably withheld or conditioned. The work shall be performed in a diligent manner consistent with the time(s) prescribed by Environmental Laws and relevant governmental authorities and at Airline's expense, and the City shall have the right to review and inspect all such work at any time using consultants and representatives of the City's choice, at the City's expense. Specific cleanup levels for any environmental removals, remediation or corrective actions shall comply with applicable Environmental Laws, with commercial and industrial remediation standards being applied to such actions consistent with the use of the Airport for such purposes. Airline may also utilize institutional controls and other engineered barriers as part of any removals, remediation or corrective actions to the extent authorized by Environmental Laws and approved by the City in writing, which shall not be unreasonably withheld. In the event deed recordation by the City is necessary for the utilization of commercial and industrial remediation standards or other controls as part of any removals, remediation or corrective actions or any other costs and expenses are incurred in connection with the use of such standards or controls Airline shall reimburse the City for all deed recordation fees and reasonable attorneys' fees incurred in connection with such recordation. Airline shall, at Airline's own cost and expense, have all tests performed, and reports and studies prepared, and shall provide such information to any governmental agency as may be required by applicable Environmental Laws, with a copy simultaneously provided to the City. This obligation includes but is not limited to any requirements for a site characterization, site assessment, remediation objectives report, remedial action plan, and remedial action completion report that may be necessary to comply with applicable Environmental Laws.

8.6 The City's Rights to Ensure Airline's Compliance with Environmental Response and Compliance Obligations

8.6.1 If Airline, Airline's Associated Parties or their Associated Parties:

(a) do not take appropriate Response actions required by applicable Environmental Laws in response to a Release. Discharge or Disposal for which it is responsible under Section 8.4, within the time(s) prescribed by such Environmental Law(s) and relevant governmental authorities; or

(b) do not perform or complete reporting, notifications, investigations, removals, remediation, corrective actions, or closure actions for which it is required under Section 8.4 within the time (s) prescribed by applicable Environmental Laws and ; relevant governmental

authorities, or within the time reasonably necessary to enable the City to meet its obligations under Environmental Laws (subject to the condition that, in the case of both Sections 8.6.1(a) and 8.6.1(b) above, the City must first provide reasonable advance written notice to Airline of Airline's failure to comply with such obligations and a reasonable opportunity for Airline to cure such failure to comply by Airline initiating or recommencing any such actions consistent with required schedules (including exercising its legal right to reasonably and in good faith challenge such alleged obligation to comply), but in any event not to exceed forty-five (45) days, except in emergency circumstances in which such advance notice is not possible), then the City or its authorized contractor, in addition to its rights and remedies described elsewhere in the Ordinance and this Letter of Authorization and otherwise available at law, in equity, or otherwise, may, at its election, upon reasonable notice, enter the affected area, and take whatever action the City reasonably deems necessary to meet Airline's obligations under Environmental Laws, within the time required under such Environmental Laws, consistent with the requirements of Section 8.4. In addition to notice and opportunity to cure as set forth in Section 8.6.1(b) above, the City shall provide Airline with its plan to perform such work for Airline's review and comment at least seven (7) business days before the commencement of such work, which comments shall be reasonably considered by the City, except in emergency circumstances where such advance notice is not possible. Such action taken by the City consistent with the requirements of this Letter of Authorization shall be at Airline's expense, plus administrative expenses of the greater of five hundred dollars ($500.00) or 25% of all costs incurred by the City, including but not limited to reasonable attorneys' and consultants' fees and expenses, monetary fines and penalties, litigation costs or costs incurred in anticipation of litigation, expert witness fees, and expenses of investigation, removal, remediation, or other required plan, report, or Response action performed in accordance with applicable Environmental Laws.

8.6.2 Except as set forth in Section 8.6.3, below, if the City cannot identify with commercially reasonable effort any of the parties causing, unlawfully allowing, contributing to or responsible for a Release, Discharge, or Disposal at or from the Airport requiring the completion of appropriate Response actions as provided in Section 8.4.1, then City shall provide reasonable advance written notice to Airline of its intention to take actions, to the extent of Airline's obligations for such actions as provided in Section 8.4.1, to report, repair, contain, investigate, remove, correct or remediate such Release, Discharge, or Disposal consistent with the requirements of Section 8.4. Airline shall thereafter be afforded a reasonable opportunity (not to exceed forty-five (45) days) to commence such actions or provide the City with information on the identity of the party or parties causing, contributing to, or responsible for such Release. Discharge, or Disposal, which information shall be considered in good faith by the City and, as appropriate, shall provide a basis for the City's pursuit of any responsible parties consistent with the provisions of Section 8.6.1. In addition to the above written notice, the City shall provide Airline with its plan to perform such actions for Airline's review and comment at least seven (7) business days before the commencement of any work (except in emergency circumstances in which such advance notice is not possible), which comments shall be reasonably considered by the City, after which the costs of such actions, if implemented by the City, shall be allocated to the appropriate cost centers.

8.6.3 In the event a Release or Discharge, or Disposal in violation of Environmental Law which occurred prior to May 12, 2018 or the effective date of Airline's first Letter of Authorization entered into pursuant to the Ordinance, if after May 12, 2018, is encountered on any portion of Airline's Preferential Use Space that Airline also leased as the equivalent of Exclusive or Preferential Use Space under its Prior Use and Lease Agreement, Airline shall be deemed to be responsible for all costs incurred in connection with such contamination, including investigation, removal, remediation, or other required plan, report, or

Response action, unless Airline provides clear evidence demonstrating that another party is fully responsible. This presumption shall not apply to any portion of Airline's Preferential Use Space not previously leased by Airline under its Prior Use and Lease Agreement.

8.6.4 Nothing in this Section is intended or shall be construed so as to prevent the City or Airline from exercising, in their reasonable discretion, any rights granted or available elsewhere in this Article, in this Letter of Authorization, or by law.

8.7 Environmental Indemnification and Reimbursement

8.7.1 Notwithstanding any other provision to the contrary, Airline shall indemnify, defend, and hold harmless the City, its past and present elected and appointed officials, officers, agents and employees ("Environmental Indemnitees"), from and against any and all Environmental Claims resulting from:

(a) the breach by Airline of any representation or warranty made in this Article; or

(b) the failure of Airline to meet its obligations under this Article, whether caused or unlawfully allowed by Airline or any third party under Airline's direction or control; or

(c) documented loss by any Environmental Indemnitee(s) from any Environmental Claim, to the extent caused, unlawfully allowed or contributed to by the unauthorized Release, Discharge, or Disposal of a Hazardous Substance or Other Regulated Material by Airline or by its Associated Parties or the failure of Airline or any Associated Party to comply with applicable Environmental Laws in connection with the operations of Airline or its Associated Parties at Airline's Assigned Space or at other property at the Airport used by Airline pursuant to the Ordinance or this Letter of Authorization;

8.7.2 Notwithstanding the provisions of this Section 8.7, in the event that the City and Airline mutually agree or a court of competent jurisdiction determines by a final order that an Environmental Indemnitee's negligence or willful and wanton misconduct is at least fifty-one (51%) of the total fault which proximately caused the Environmental Claims, Airline's obligation to indemnify the Environmental Indemnitee for amounts to be paid in connection with the Environmental Claims shall be limited to the amount attributable to Airline's and its Associated Parties' proportionate share of the total fault which proximately caused the Environmental Claims. Airline acknowledges, however, that this Section 8.7.2 is not intended to obviate or lessen in any way Airline's duty to defend the Environmental Indemnitees; provided, however, that to the extent the City and Airline mutually agree or a court of competent jurisdiction rules that the Environmental Claims were the result of the sole negligent act or omission or the willful and wanton misconduct of an Environmental Indemnitee, the City shall reimburse Airline for its proportionate share of the costs of defense, including, but not limited to, attorneys' fees and court costs. For the avoidance of doubt, the City shall reimburse Airline for all defense costs Airline incurred with respect to defending the City Indemnified Parties against Claims to the extent that the City and Airline mutually agree or a court of competent jurisdiction rules that such Claims were the result of the sole negligent act or omission of a City Indemnified Party.

8.7.3 The City will provide Airline with prompt notice of any Environmental Claims to allow Airline the opportunity to properly and effectively respond to or otherwise defend such Environmental Claims. Airline shall, at its own cost and expense, defend all Environmental Claims whether frivolous or not. In the event the City undertakes any action, including but not limited to investigations, removals, remediation, or corrective actions with respect to any Environmental Claims in response to the failure of Airline to defend such Environmental Claims as Airline deems appropriate in its reasonable judgment, Airline shall reimburse the City, upon written demand by the City, for all reasonable and documented costs that the City incurs in association with such action, including but not limited to consultants' fees, contractors' fees, reasonable attorneys' fees and expenses of investigation, removal, Response, remediation, or corrective action.

8.7.4 Except to the extent set forth in Section 8.7.2, above, Airline waives the right of contribution and subrogation against the Environmental Indemnitees in connection with Environmental Claims set forth in Section 8.7.1 and 8.7.3, above.

8.7.5 Any claims for environmental matters shall be subject to this Section 8.7 and shall not be subject to the General Indemnity provision of Section 7.1.

8.8 Limitations

Except pursuant to Sections 8.6.2 and 8.6.3. Airline's obligations under this Article shall not apply to: (a) any Release, Discharge or Disposal, or Hazardous Substances or Other Regulated Materials that existed at the Airport prior to Airline's or its corporate predecessor(s)'s initial occupancy or operations at such area(s) of Release, Discharge or Disposal, or Hazardous Substances or Other Regulated Materials at the Airport, provided that neither Airline or its corporate predecessor(s) nor any other party under Airline's or its corporate predecessor(s)'s direction or control, or conducting operations or activities on its or their behalf caused, unlawfully allowed or contributed to such Release, Discharge or Disposal, or Hazardous Substances or Other Regulated Materials, or caused, unlawfully allowed or contributed to a subsequent Release, Discharge or Disposal of such pre-existing Hazardous Substances or Other Regulated Materials; or (b) Releases. Discharges, or Disposal that migrate onto, into, or from Airline's Assigned Space or the Airport and that were not caused, unlawfully allowed or contributed to by Airline or its corporate predecessor(s) or third parties under Airline's or its corporate predecessor(s)'s direction or control or conducting operations or activities on its or their behalf; or (c) Releases, Discharges, or Disposal on, at, or from the Airport not caused, unlawfully allowed or contributed to by Airline or its corporate predecessor(s) or by its or their Associated Parties, or any other party under Airline's or its corporate predecessor(s)'s direction or control.

8.9 Baseline Environmental Site Inspection

Prior to Airline's initial occupancy of, use of, or operations at Airline's Assigned Space under the Ordinance or this Letter of Authorization, the City shall have the opportunity to perform, at its own expense, a physical walk-through of Airline's Assigned Space regarding the environmental condition of Airline's Assigned Space and their state of compliance with Environmental Laws and produce an Initial Walk-Through report. The City shall provide Airline with an opportunity to participate in the walk-through and review and comment upon the conclusions and findings of the Initial Walk-Through report. In the event pre-existing environmental conditions are encountered, the provisions of Section 8.4 shall apply, except that the provision in Section 8.4.1 limiting Airline's obligations to incidents during the term of this Letter of Authorization shall not apply.

8.10 Concluding Environmental Site Inspection

At least sixty (60) days prior to vacating or surrendering Airline's Assigned Space or any portion of them for any reason, Airline shall provide the City with access to perform a Concluding Walk-Through in order to determine the environmental condition of Airline's Assigned Space or that part of Airline's Assigned Space being vacated, and their state of compliance with the requirements of Section 8.1.11. The City shall provide Airline with an opportunity to participate in the walk-through. If the Concluding Walk-Through reveals that Airline has not removed all trash, containers, tanks, structures, debris, residue, and other items, materials and Waste for which Airline or anyone operating on its behalf is responsible as required by Section 8.1.11, or has otherwise failed to comply with the requirements of Section 8.1.11, the City will share its Concluding Walk-Through report and any relevant photographs with Airline. Airline will remove or correct any items to the extent not in compliance with the requirements of Section 8.1.11 within five (5) business days of receipt of said report and photographs or such longer period of time as reasonably requested by Airline to perform the corrective actions. Airline shall leave facilities and equipment being surrendered or vacated by Airline in a state of good repair. However, tanks, structures and other items and materials owned by Airline may revert to the City upon agreement of Airline with the City accepting such tanks, structures and other items and materials in an "as is, where is" condition.

8.11 Airline's Hazardous Substance-Related Equipment and Fixtures

Any fixed tanks, pumps, chemical or Hazardous Substance or Other Regulated Material containers, pipelines, lines, and equipment or other such fixtures installed by or on behalf of Airline shall at all times remain the property of Airline, and ownership of or responsibility for such equipment shall not pass to the City by virtue of such equipment being installed at Airline's Assigned Space, except pursuant to the agreement of the City and Airline. No such equipment shall be installed without the written consent of the City. The list of structural controls in Section 8.1.6 and/or air pollution control equipment in Section 8.1.7 above, if applicable, shall be amended by agreement of the parties to refect such installation.

8.12 Waiver

Any waiver of any provision of this Article, or any delay by the City in the enforcement of any right hereunder, shall neither be construed as a waiver, nor create an expectation of non-enforcement of that or any other provision or right. In order to be effective, any waiver of any right, benefit, or power hereunder must be in writing and signed by an authorized representative of the City, it being intended that no waiver shall be implied by the City's conduct or failure to act. Any specific written waiver shall be applicable only to the particular facts and circumstances thereby addressed and shall not be of any effect with respect to future events, even if any of said future events involve substantially similar circumstances. Any remedies provided for in this Article shall be cumulative and in addition to, and not in lieu of, any other remedies available to the City elsewhere in this Letter of Authorization, at law, in equity, or otherwise.

8.13 Notice for Environmental Matters

With respect to those provisions of this Article 8 which expressly require the City to provide written notice to Airline, electronic mail to the designated Airline representative will satisfy such requirement. Airline shall provide the City with the contact and address for environmental notices in the general Notices section of this Letter of Authorization.

Article 9

9.1 Airport Rules

Airline shall comply, and, to the maximum extent Airline has legal power to do so, shall cause its agents, employees, guests, invitees and Contractors to comply, with all Airport Rules.

9.2 Observance and Compliance with Laws

Airline agrees to make a part of and incorporate into this Letter of Authorization, by reference or by setting forth at length, at the option of the City, any and all statutes, rules and regulations and any assurances and covenants required pursuant thereto which may now or hereafter may be required by the Federal Aviation Administration or any successor agency thereto, or other federal, state, county or municipal agency. To the extent applicable, Airline shall comply with the provisions of Exhibits D, "Compliance With Laws," and A, "Requirements for Reimbursable Projects." Exhibits A and D may be amended by the Commissioner pursuant to his or her authority under the Ordinance.

9.2.2 Airline shall operate and maintain its Assigned Space in a reasonably prudent manner and in accordance with the laws, rules, regulations and orders of any federal, state, county or municipal agency having jurisdiction with respect thereto.

9.2.3 Notwithstanding anything herein to the contrary, references herein to a statute or law shall be deemed to be a reference to (i) such statute or law as may be amended from time to time, (ii) all regulations, rules, executive orders, policies and instructions pertaining to or promulgated pursuant to such statute or law, and (iii) all future statutes, laws, regulations, rules, executive orders, policies and instructions pertaining to the same or similar subject matter.

9.3 Subordination to Sponsor's Federal Assurances

This Letter of Authorization shall be subordinate and subject to the terms of any "Sponsor's Grant Assurances"' or like agreement that has been or may be furnished by the City to the United States of America, its boards, commissions, or agencies, including without limitation the FAA, or that is required by Applicable Laws, as a condition precedent to receiving Federal financial assistance for development of the Airport and other Airport programs and activities.

9.4 Agreements with the United States

This Letter of Authorization is subject and subordinate to the provisions of any agreement heretofore or hereafter made between the City and the United States, the terms and execution of which have been or may be required to enable or permit the transfer of rights or property to the City for airport purposes, or the expenditure of federal grant funds for Airport improvement, maintenance or development. Airline shall reasonably abide by the requirements of agreements entered into between the City and the United States, as applicable to Airline, and shall consent to amendments and modifications of its Letter of Authorization if required by such agreements or if required as a condition of the City's entry into such agreements.

9.5 PFC Act and Assurances.

9.5.1 Notwithstanding anything to the contrary in this Letter of Authorization, no provision of this Letter of Authorization shall impair the authority of City to impose a Passenger Facility Charge or to use the Passenger Facility Charge revenue as provided in the Aviation Safety and Capacity Expansion Act of 1990, 49 U.S.C. § 40117 (the "PFC Act").

9.5.2 Airline acknowledges that City has given to the United States of America, acting by and through the FAA, certain assurances set forth in the PFC Act and implementing regulations at 14 C.F.R. Part 158 ("PFC Assurances"), and Airline agrees that its Letter of Authorization shall be subordinate and subject to the PFC Assurances.

9.5.3 In the event that the FAA or its successors require any modifications or changes in this Letter of Authorization as a condition precedent to the collection of PFCs or otherwise complying with the PFC Act. Airline shall not withhold its consent to such amendments, modifications, revisions, supplements or deletions of any of the terms, conditions or requirements of this Letter of Authorization as may reasonably be required to collect PFCs or comply with the PFC Act. City agrees to provide Airline with advance written notice of any provisions that would adversely modify material terms of this Letter of Authorization.

9.6 PFCs to be held in Trust for the City.

9.6.1 Airline shall hold the net principal amount of all PFCs that are collected by Airline or its agents on behalf of the City pursuant to 49 U.S.C. App. § 1513 and the rules and regulations thereunder (14 C.F.R. Part 158, herein, the "PFC Regulations") in trust for the City. For purposes of this Section 9.6, net principal amount shall mean the total principal amount of all PFCs that are collected by Airline or its agents on behalf of the City, reduced by all amounts that Airline is permitted to retain pursuant to Section 158.53(a) of the PFC Regulations.

9.6.2 In the event that Airline fails to make payments of PFCs to the City in accordance with the PFC Regulations, the City may require Airline to establish a PFC trust account pursuant to this Section 9.6.2. In the event the City requires an Airline to establish a PFC trust account, and notwithstanding Section 158.49 of the PFC Regulations, upon receipt of PFCs that are collected by Airline or its agents on behalf of the City, Airline shall establish, and shall deposit the net principal amount of such PFCs in, an interest-bearing trust account for the City's benefit (the "Trust Account"). The Trust Account shall be held in the name of Airline as trustee for the City; provided that the City and Airline mutually agree to terms upon which amounts may be withdrawn from such account upon the joint direction of the City and Airline. If the City and Airline do not so agree, the Trust Account shall be held by an independent third party bank trustee, in which event such trustee's fees shall be payable by the City. The City shall have the right to select such trustee subject to the approval of Airline, which approval will not be unreasonably withheld. The Trust Account shall be separate from and not commingled with all other Airline funds, including PFCs collected on behalf of other airports. In accordance with Section 158.51 of the PFC Regulations, any amounts required to be remitted to the City under such section shall be paid in any event by an Airline, as trustee, or by such third party bank trustee, to the City on or before the date specified in such section first out of the net principal amount, then, to the extent of any deficiency, by Airline, out of income earned thereon and then, by Airline, out of any available funds of Airline. Funds in the Trust Account shall be invested solely in instruments issued or

guaranteed by the United States government or any of its agencies, commercial paper rated Al or PI or better by, respectively, Standard & Poor's Rating Services or Moody's Investors Service, Inc., or federally insured bank certificates of deposit. Any income earned on funds in the Trust Account on or prior to the date of required remittance to the City shall be the property of Airline and shall be paid directly to Airline. Any income earned on funds in the Trust Account after the date of required remittance to the City shall be the property of the City and shall be paid immediately to the City and applied to the interest income in the O'Hare Passenger Facility Charge Revenue Fund.

9.6.3 Upon the determination of a United States bankruptcy court in a final non-appealable order that a trust account is not required to establish the City's absolute right immediately to receive all PFCs collected for the City and held by Airline, Section 10.5.2 shall no longer apply.

In the absence of additional regulations governing the treatment of refunds, any refunds of PFCs due to passengers as a result of changes of itinerary shall be paid proportionately out of the net principal amount attributable to such PFCs and the amount that Airline was permitted to retain under Section 158.53(a) of the PFC Regulations attributable to such PFCs. Airline hereby acknowledges that the net principal amount of all PFCs collected on behalf of the City shall remain at all times the property of the City, except to the extent of amounts refunded to passengers pursuant to the preceding sentence (which shall remain the property ofthe City until refunded and become the property of the passenger upon and after refund). Other than the amounts that Airline is entitled to retain pursuant to Section 158.53 ofthe PFC Regulations, Airline shall be entitled to no compensation.

9.7 Security and Payment of Fines for Violation of Federal Regulations

9.7.1 Airline acknowledges that security is of primary importance at the Airport and that security requirements are likely to change during the Term of this Letter of Authorization. Each Airline, its officers, employees, representatives, agents, servants, subtenants, consultants, contractors, successors, assigns and suppliers and those under its control, shall comply with security measures (a) required of Airline by the FAA or the TSA or by the City in accordance with applicable requirements of the FAA or the TSA or their authorized successor(s) or (b) contained in any Airport master security plan approved by the FAA or the TSA or their authorized successor(s). Airline shall comply, at its own expense, with the TSA's security requirements applicable to Airline at the Airport including, but not limited to employee security training, badging, criminal background checks, access control, screening and inspections. Airline shall cooperate with the TSA on all security matters.

9.7.2 Compliance with such security measures and requirements shall not relieve Airline of its responsibility for maintaining proper security for the above-noted items, nor shall it be construed as limiting in any manner Airline's obligations with respect to all applicable federal laws and regulations and its duty to undertake reasonable action to establish and maintain secure conditions at and around Airline's Assigned Space. To comply with TSA requirements, Airline shall execute a reasonable Exclusive Area Agreement with the City, if required, in form and substance which is reasonably acceptable to the City and Airline. Airline accepts security responsibility to use best efforts to prevent unauthorized access to Airline's Assigned Space. Airline shall be responsible for preventing unauthorized persons from gaining access to the restricted areas of the Airport through Airline's Assigned Space during times and to the extent that Airline has control of the Assigned Space.

9.7.3 Airline understands and agrees that security requirements may affect Airline's air transportation business operations and costs. Airline shall be strictly liable for the payment of any fines assessed by the City or the payment of (or reimbursement of the City for any payments of) any civil penalties assessed against the City or Airline relating to security and resulting from the negligence or intentional acts of omission or commission of Airline's officers, employees, representatives, agents, servants, subtenants, consultants, contractors, successors, assigns and suppliers and those under its control, and Airline shall be solely and fully responsible for any and all breaches of security and the consequences thereof resulting from the negligence or intentional acts of omission or commission of its officers, employees, representatives, agents, servants, subtenants, consultants, contractors, successors, assigns and suppliers and those under its control.

9.7.4 Airline shall pay a reasonable cost-based user fee for the privilege of using identification cards or badges to gain access to the Airport security access control system.

9.8 No Exclusive Rights

Nothing contained in this Letter of Authorization shall be deemed to grant to Airline any exclusive right or privilege within the meaning of 49 U.S.C. § 40103(e) with respect to activity at the Airport, except that, subject to the terms and provisions of this Letter of Authorization, Airline shall have the right to exclusive possession of any Exclusive Use Assigned Space made available to Airline under its Letter of Authorization.

9.9 Federal Tax and Securities Laws

9.9.1 Airline, upon the City's request, shall provide to the City such information and certifications as the City may require to maintain the tax-exempt status of the interest on Bonds.

9.9.2 Airline, upon the City's request, shall provide to the City such information as the City may request in writing in connection with the offering, sale and remarketing of Bonds to enable the City to comply with the requirements of the federal securities laws and to comply with the City's continuing disclosure requirements under SEC Rule 15c2-12, as it may be amended from time to time, provided, however, that Airline may, in lieu of providing the requested information, direct the City to Airline or SEC website where the requested information is then currently available.

9.10 Anti-Scofflaw

Airline hereby represents and warrants and shall cause each of its Contractors to represent and warrant, that Airline or such Contractors, as the case may be, is not in violation of Section 2-92-380 of the Municipal Code, and further represents and warrants that, in the event of any such violation, the City shall be entitled to set off from those amounts invoiced by Airline an amount equal to the amount of any fines or penalties owed to the City, subject to those exceptions stated in the Municipal Code.

9.11 Ethics

Airline hereby represents and warrants and shall cause each of its Contractors to represent and warrant that Airline or such Contractors, as the case may be, is not in violation of Chapter 2-156 of the Municipal Code.

9.12 Inspector General

Airline understands and will abide by the provisions of 2-56 of the Municipal Code. Airline acknowledges and agrees that it shall be the duty of Airline and its sub-licensees, Contractors and all their officers, directors, agents, partners and employees to cooperate with the Inspector General of the City in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. All contracts and other agreements must inform the parties of this provision and require understanding and compliance with it.

9.13 Business Relationships With Elected Officials, Municipal Code Section 2-156-030(b)

Airline understands and will abide by the provisions of Section 2-156-030 of the Municipal Code. Pursuant to Municipal Code Section 2-156-030(b), it is illegal for any elected official of the city, or any person acting at the direction of such official, to contact, either orally or in writing, any other city official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any city council committee hearing or in any city council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Municipal Code Section 2-156-030(b) by any elected official with respect to this Letter of Authorization at the request or direction of Airline will be grounds for termination of its Letter of Authorization. The term business relationship is defined as set forth in Municipal Code Section 2-156-080.

Municipal Code Section 2-156-080 defines a "'business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of $2,500 or more in a calendar year; provided, however, a financial interest shall not include: (a) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (b) the authorized compensation paid to an official or employee for his office or employment; (c) any economic benefit provided equally to all residents of the city; (d) a time or demand deposit in a financial institution; or (e) an endowment or insurance policy or annuity contract purchased from an insurance company. A contractual or other private business dealing will not include any employment relationship of an officials spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

9.14 City of Chicago Hiring Plan (Shakman Accord)

The City is subject to the May 31. 2007 Order entitled "Agreed Settlement Order and Accord" and the June 16, 2014 "City of Chicago Hiring Plan" (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organized ion of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Agreed Settlement Order and Accord and the 2014 City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

Airline is aware that City policy prohibits City employees from directing any individual to apply for a position with Airline, either as an employee or as a contractor, and from directing Airline to hire an individual as an employee or as a contractor. Accordingly, Airline must follow, its own hiring and contracting procedures, without being influenced by City employees.

9.15 No Waste Disposal in Public Way, Municipal Code Section ll-4-16()0(E)

Airline warrants and represents that it has not violated and is not in violation of the following sections of the Municipal Code (collectively, the "Waste Sections"):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
  11 -4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid;
- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11 -4-1560 Screening requirements.

During the period while this Letter of Authorization is executory, Airline's violation of the Waste Sections, whether or not relating to this Letter of Authorization, constitutes a breach of and an event of default under this Letter of Authorization. Such breach and default entitles the City to all remedies under this Letter of Authorization, at law or in equity.

This Section 9.15 does not limit Airline's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Letter of Authorization.

9.16 Visual Artists Rights Act Waiver

Airline will ensure that in the event any Artwork is installed in the Assigned Space or other portions of the Airport, that the author of that Artwork waives any and all rights in the Artwork that may be granted or conferred on the Artwork under Section 106A(a)(3) and Section 113(d) of the Copyright Act. The above waiver must include, but is not limited to, the right to prevent the removal, storage, relocation, reinstallation or transfer of the Artwork. Airline will ensure that the author of the Artwork acknowledges that such removal, storage, relocation, reinstallation or transfer of the Artwork may result in the destruction, distortion, mutilation or other modification of the Artwork. Further, Airline will ensure that the author of the Artwork acknowledges that the Artwork may be incorporated or made part of a building or other structure in such a way that removing, storing, relocating, reinstalling or transferring the Artwork will cause the destruction, distortion, mutilation or other modification of the Artwork and consents to such destruction, distortion, mutilation or other modification, by reason of its removal, storage, relocation, or reinstallation.

Airline represents and warrants that it will obtain a written waiver of all rights under Section 106A(a)(3) and Section 113(d) of the Copyright Act as necessary from any employees, contractors, subcontractors, subtenants or artists. 10.2 Termination by the City

10.2.1 Whenever an Event of Default has occurred and is continuing, the City may, at its option upon thirty (30) days prior notice of such Event of Default:

(a) terminate this Letter of Authorization and the lettings, licenses and other rights of Airline hereunder, without discharging any of Airline's obligations hereunder, including but not limited to Airport Fees and Charges, and, at the City's further option, exclude Airline from its Assigned Space;

(b) without terminating this Letter of Authorization, exclude Airline from its Assigned Space and use commercially reasonable efforts to lease such Assigned Space to another airline for the account of Airline, holding Airline liable for all Airport Fees and Charges and other payments due under the Ordinance up to the effective date of such leasing and for the excess, if any. of Airport Fees and Charges and other amounts payable by Airline under the Ordinance for the remainder of the term of this Letter of Authorization over the rentals and other amounts which are paid by such new airline under such new agreement; or

(c) without terminating this Letter of Authorization, request that Airline cease performing any work it may perform pursuant to Section 2.9.

10.2.2 In addition, the City may, from time to lime, take whatever action at law or in equity appears necessary or desirable to collect Airport Fees and Charges and any other amounts payable by Airline hereunder then due and thereafter to become due, and to enforce the performance and observance of any obligation, agreement or covenant of Airline under this Letter of Authorization. For the avoidance of doubt, the City may compel specific performance by Airline of any obligation pursuant to the Ordinance or this Letter of Authorization, perform said obligations itself or take other actions to mitigate losses that may result from Airline's failure to perform and, if the City takes such actions. City may charge Airline for the City's costs plus a 15% administrative fee.

10.2.3 All rights and remedies given to the City under the Ordinance and this Letter of Authorization and all rights and remedies given to the City by law, shall be cumulative and concurrent. No termination of this Letter of Authorization or the taking or recovering of the Assigned Space shall deprive the City of any of the City's remedies or actions against Airline for Airport Fees and Charges or for damages or for the breach of any covenant herein contained, nor shall the bringing of any action for Airport Fees and Charges or breach of covenant, or the resort to any other remedy herein provided for the recovery of Airport Fees and Charges be construed as a waiver of the right to obtain possession of the Assigned Space.

10.2.4 In no event shall this Letter of Authorization or. any rights or privileges hereunder be an asset of Airline under any bankruptcy, insolvency or reorganization proceedings.

10.2.5 To the extent consistent with and permitted under the United States Bankruptcy Code or similar debtor relief laws, if Airline seeks protection under the United States Bankruptcy Code or similar debtor relief laws, or is currently operating under the protection of the United States Bankruptcy Code or other similar debtor relief laws, Airline will comply with every provision of the Ordinance and this Letter of Authorization as and when required under the Ordinance or this Letter of Authorization, including without limitation performing any required remediation relating to any environmental matter pursuant to Airlines' obligations under the Ordinance or this Letter of Authorization which arose prior to or arises during the course of Airline's bankruptcy case. No Air Carrier will be allowed to assume this Letter of Authorization without performing any required remediation as part of the cure of any Event of Default under this Letter of Authorization.

10.3 Change of Letter of Authorization Term

10.3.1 Upon the occurrence of an Event of Default described in Section 10.1.1, 10.1.10, 10.1.11, 10.1.12, 10.1.13, 10.1.14, 10.1.15, or 10.1.16, the City may notify Airline that the term of this Letter of Authorization shall convert to month-to-month, if it is not already month-to-month, commencing five (5) days after such notice and terminating upon thirty (30) days written notice from the City to Airline, or from Airline to the City.

10.3.2 The conversion of the term of this Letter of Authorization pursuant to this Section 10.3 shall not discharge any of Airline's obligations hereunder nor affect any of the City's other remedies set forth herein.

10.4 Pursuit of Remedies Against Defaulting Air Carriers

A default by any Air Carrier (other than Airline) in the payment of Airport Fees and Charges pursuant to the Ordinance or indemnification payments may, if not cured, result in a greater amount of Airport Fees and Charges payable by Airline than would otherwise have been required. Accordingly, the City shall diligently pursue all remedies deemed appropriate by the City against any such defaulting Air Carrier on behalf of and for the benefit of the non-defaulting Air Carriers, including Airline, and shall give due consideration to any comments submitted to the City by Airline with respect to the pursuit of such remedies.

10.5 Agreement to Pay Attorneys' Fees and Expenses

In the event Airline defaults under this Letter of Authorization and the City employs attorneys or incurs other expenses for the collection of Airport Fees and Charges or any other amounts due hereunder, or for the enforcement or performance or observance of any obligation or agreement on the part of Airline herein contained. Airline shall, on demand, pay to the City the reasonable fees and expenses of such attorneys and any such other reasonable expenses incurred by the City as a result of such default.

10.6 Force Majeure

10.6.1 If either party shall be delayed or hindered in or prevented from the performance of any act required under this Letter of Authorization by reason of strikes, lockouts, labor disputes (all of which shall be subject to Section 11.14), inability to procure labor or materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, terrorism, war, fire or other casualty, or other reason of a similar nature beyond the reasonable control of the party delayed in performing work or doing acts required under this Letter of Authorization, performance of such act shall be excused for the period of the actual delay attributable to such causes, and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay (any such delay is herein referred to as an "Unavoidable Delay"). This Section shall not be applicable to Airline's obligations to procure insurance or to pay Airport Fees and Charges, or any other sums, moneys, costs, charges or expenses required to be paid by Airline. If any provision of this Letter of Authorization negates or limits the period of any force majeure or Unavoidable Delay extension, such provision shall override this Section 10.6.1 Airline shall give the City notice of any Unavoidable Delay within a reasonable time (not to exceed one (1) year) following the occurrence of the delaying event.

10.6.2 The City shall be under no obligation to supply any service if and to the extent and during any period that the supplying of any such service or the use of any component necessary therefor shall be prohibited or rationed by any federal, state, county or municipal law, rule, regulation, requirement, order or directive.

Said agent may be changed only upon the giving of written notice by Airline to the City of the name and address of a new Agent for Service of Process that works within the geographical boundaries of the City and is employed by Airline. Airline irrevocably waives any objection (including any objection of the laying of venue or based on the grounds of forum non conveniens) which it may now or hereafter have to the bringing of any action or proceeding with respect to the Ordinance or this Letter of Authorization in the jurisdiction set forth above. Nothing herein shall affect the right to serve process in any other manner permitted by law or shall limit the right of the City to bring proceedings against Airline in the courts of any other jurisdiction.

11.8 Severability

If any provision of this Letter of Authorization shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all cases because it conflicts with any other provision or provisions hereof or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatsoever. 11.12 No Waiver

No failure by City to insist upon the strict performance of any obligation of Airline under this Letter of Authorization or to exercise any right, power or remedy arising out of a breach thereof irrespective of the length of time for which such failure continues, prior to the expiration of the Term by the City, shall constitute a waiver of such breach or of the City's right to demand strict compliance with such term, covenant or condition or operate as a surrender of this Letter of Authorization.

No waiver of default of any of the terms, covenants and conditions of this Letter of Authorization to be performed, kept and observed by the other party shall be construed or operate as a waiver of any subsequent default of any of the terms, covenants or conditions of this Letter of Authorization to be performed, kept and observed by the other party.

(Sub)Exhibits "A", "B", "C" and "D" referred to in these Terms and Conditions read as follows:

(Sub)Exhibit "A".
(To Terms And Conditions)

Requirements For Reimbursable Airline Projects.

For any reimbursable airline project ("Airline Project"), the City will provide Airline with a reimbursement agreement which will apply to that project. This (Sub)Exhibit A, as it may be revised from time to time, shall also apply to any such project. In addition to all other requirements set forth in this Letter of Authorization or those imposed by law, Airline shall comply and shall include in all of its contracts for the reimbursable airline project ("Airline Project Contracts") requirements consistent with the City's requirements for affirmative action, equal opportunity, and such other requirements it imposes on contractors on City construction projects as the City may identify. These requirements are those set forth in this exhibit which may be unilaterally revised by the City from time to time.

In addition to complying with the requirements in this (Sub)Exhibit A, in carrying out its responsibilities with respect to any reimbursable airline project Airline shall comply with all indemnification, insurance, and environmental requirements in this Letter of Authorization, which requirements are incorporated into and made a part of this (Sub)Exhibit A.

The Airline shall cause its Contractors for the reimbursable airline project ("Airline Project Contractors") to execute a Contractor's Affidavit in the form provided by the City, and if requested by the City, to cause Airline Project Contractors to complete an "Economic Disclosure Statement and Affidavit". Additionally, if form contract language is provided by the City either in this exhibit or the applicable reimbursable agreement, Airline must use that language in Airline Project Contracts. Submission of such other information or reports regarding Airline Project Contractors as may be required by the City will be a condition of payment for any reimbursable airline project.

Provisions required by Applicable Laws and/or Airport Rules to be inserted in a reimbursement agreement shall be deemed inserted, whether or not they appear in that reimbursement agreement or, upon application by either party, the reimbursement agreement shall forthwith be amended by physically making such insertion; provided, however, in no event shall the failure to insert such provisions prevent the application or enforcement of such provisions or of the reimbursement agreement.

1. Certification Of Compliance With Laws.

   The Airline shall insure that the provision set forth below is inserted in all Airline Project Contracts, and shall immediately inform the City of any disclosures pursuant to it:

"By entering into this contract, contractor certifies to the best of its knowledge and belief that it, its principals and any subcontractors used in the performance of this contract, meet City of Chicago requirements and have not violated any City or sister agency policy, codes, state, federal, or local laws, rules or regulations and have not been subject to any debarment, suspension or other disciplinary action by any government agency. Additionally, if at any time the contractor becomes aware of such information, it must immediately disclose it to the Airline".

2. Minority And Women Business Enterprise.

Airline shall provide for the participation of Minority and Women Business Enterprises in any Airline Project it performs under this Letter of Authorization. To this end, Airline shall establish a policy for the utilization of Minority and Women Business Enterprises, a liaison with the Department of Aviation and Department of Procurement Services for Minority and Women Business Enterprises, a goal for the award of Airline Project Contracts, and a reporting procedure agreeable to the Airline and the City.

(a) Policy.

The following statement represents Airline's policy regarding Equal Opportunity and a Minority and Women Business Enterprises program:

Airline is committed to providing fair and representative opportunities for minorities and women and Minority and Women Business Enterprises in its work. Neither Airline nor its Contractors shall discriminate on the basis of race, color, religion, sex or national origin in the award and performance of Contracts to be utilized for any of the work hereunder. Furthermore, affirmative action will be taken, consistent with sound procurement policies and applicable law, to ensure that Minority and Women Business Enterprises are afforded a fair and representative opportunity to participate in Contracts awarded by Airline.

This policy shall be stated in all Airline Project Contracts, circulated to all employees of Airline in affected departments, and made known to minority and women entrepreneurs.

(b) Liaison.

To ensure compliance and the successful management of Airline's Minority and Women Business Enterprise program, Airline shall establish a Minority and Women Business Enterprise liaison with City's Department of Aviation and with the City's Department of Procurement Services. Further, all personnel of Airline and all others with responsibilities in the supervision of Airline Project Contracts for the Airline are to see that actions are performed consistent with the affirmative action goals of this Letter of Authorization.

(c) Goals.

The goals to be met by Airline in the Airline Project hereunder shall be with utilization of Minority Business Enterprises ("MBE") and Women Business Enterprises ("WBE") certified by the City of Chicago, subject to the availability of MBE and WBE capable of performing the work. These goals shall be administered in a manner to assure City and Airline that: (1) the work shall be completed at a reasonable and acceptable cost to Airline, (2) the work shall be completed on a reasonable and acceptable timetable to Airline and City and, (3) the quality of the work shall be reasonable and acceptable to Airline and City.

The goals of the Airline for participation by MBEs and WBEs in the Airline Project shall be to achieve a minimum of MBE participation of 26 percent and WBE participation of 6 percent, based on the total contracted expenditures for the Airline Project, unless otherwise directed by the City.

Should Airline determine that no MBE and WBE is capable or available to perform the Airline Project, it shall notify the Commissioner specifying the type of work required and the reasons an MBE and/or WBE is not available to perform such work. Airline shall also notify the Department of Procurement Services, which shall determine if any MBE and WBE are available to perform the Work needed. If the Department of Procurement Services determines that MBEs or WBEs are available to perform such work, it shall notify the Airline of such availability and Airline will be required to utilize such MBE and WBE to the extent the goals set forth above can be met.

(d) Eligibility.

Only those persons, firms, partnerships, corporations or other legal entities certified by the City of Chicago or Cook County as a certified MBE and/or WBE shall be eligible for purposes of meeting the goals established by this Letter of Authorization.

(e) Reporting.

The Minority and Women Business Enterprise progress report required by this section shall be made on forms or on a format established by City and agreeable to Airline. Such reports shall include the following items:

(i) the total amount of prime and subcontract awards during the quarter and, for any Airline Project awards to Minority and Women Business Enterprises r`esulting therefrom, the name of the Minority and Women Business Enterprise and the amount of the Contract with the Minority and Women Business Enterprise;

(ii) the cumulative value of all prime and subcontract awards to date, and the total accumulation of all awards to Minority and Women Business Enterprise;

(iii) a projection of the total amount of prime and subcontracts to be awarded and of Minority and Women Business Enterprise Contracts to be awarded during the next quarter;

(iv) all Minority and Women Business Enterprise subcontracts that have been completed and for which final payment has been made during the quarter; and

(v) an evaluation of the overall progress to date towards the Minority and Women Business Enterprise goals for the work.

3. Illinois Equal Employment Opportunity Clause.

Pursuant to 44 III. Admin. Code Part 750, Airline must comply with the Equal Employment Opportunity clause found in 44 III. Admin. Code Part 750 Appendix A, with respect to work to be reimbursed by the City and must require it to be included verbatim in all Airline Project Contracts. Failure to comply with clause may cause Airline to be declared ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and the reimbursement agreement may be cancelled or voided in whole or in part, and other sanctions or penalties may be imposed or remedies invoked as provided by statute or regulation.

4. Equal Employment Opportunity And Affirmative Action Plan.

Airline must commit to establish, maintain and implement a written Equal Employment Opportunity and Affirmative Action Plan (the "EEO/AA Plan") for that work involving Airline Project construction, which plan is acceptable to City and Airline.

Airline shall establish participation goals in conformity with the Municipal Code Section 2-92-390, as amended from time to time and any applicable state or federal EEO law.

5. Employment Of City Residents.

Airline agrees to ensure that in the aggregated hours of Airline Project involving construction work to be performed, at least 50 percent of the on-site worker hours in the category of construction laborers and at least 50 percent of the on-site worker hours in the category of skilled construction trade workers shall be residents of the City. The City may identify a required percentage of City residents who must reside in the project area (as defined by the City) and/or socio-economically disadvantaged areas of the City.

6. Prevailing Wage.

Airline must ensure that all Airline Project Contractors comply with all applicable federal, state, and City wage laws. Unless identified otherwise by the City, Airline Project Contracts call for the construction of a "public work" within the meaning of Illinois Prevailing Wage Act, 820 ILCS 130/.01, et seq. ("the Act"). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current "prevailing rate of wages" (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Illinois Department of Labor ("IDOL") publishes the prevailing wage rates on its website at http://www.state.il.us/agency/idol/rates/rates.HTM. IDOL revises the prevailing wage rates and the contractor/subcontractor has an obligation to check the IDOL website for revisions to prevailing wage rates. Airline must require all Airline Project Contractors and subcontractors to comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties.

As a condition of making payment under a reimbursable agreement, the City may require Airline to submit Project Contractor(s) to submit affidavit(s) to the effect that not less than the prevailing hourly wage rate is being paid to laborers, mechanics, and other workmen employed on the Project Contract in accordance with Illinois law.

7. Performance Bonds, Retainage, And Prompt Payment Of Subcontractors.

Airline Project Contract requirements for performance bonds and retainage must be consistent with City requirements for its own construction work as set by ordinance. Prompt payment of subcontractors requirements must be consistent with City policy, currently requiring payment of subcontractors within seven days of payment to the prime contractor.

8. Bid Incentives.

The City has several bid preferences and incentives, as well as mentor-protegee programs and other programs for economic and/or workforce development or other purposes (e.g. preferences for veteran-owned businesses, clean diesel, apprentice utilization, etc.) which it may require Airline to implement in the context of bidding a Construction Project.

9. Reporting And Compliance.

In the event that there are Airline Project Contracts subject to this Letter of Authorization, at quarterly intervals, beginning ninety (90) days following the execution of this Letter of Authorization, Airline shall submit to City progress reports on forms or on a format established by City's Department of Procurement Services

and agreeable to Airline, that provide required information concerning Airline compliance with Airline's MBE/WBE requirements, EEO and Affirmative Action Plan, and other City programs. This may include utilization of one or more City computer reporting systems.

10. Americans With Disabilities Act.

The Airline shall insure that the appropriate provision set forth below is inserted in all contracts entered into with any design professional or with any Contractors and any labor organizations which furnish skilled, unskilled and craft union skilled labor, or which may provide any materials, labor or services in connection with this Letter of Authorization:

A. Designs.

"The Consultant warrants that all design documents produced for the City under this Agreement shall comply with all federal, state and local laws and regulations regarding accessibility standards for disabled or environmentally limited persons including, but not limited to, the following: Americans with Disabilities Act, 42 USC Section 12102, et seq.; 41 CFR Part 60, et seq.; the Uniform Federal Accessibility Standards ("UFAS") or the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities ("ADAAG"); the Air Carrier Access Act, 49 USC Section 41705, et seq. ("ACAA"); the Illinois Environmental Barriers Act, 410 ILCS 25/1, et seq., and the regulations promulgated thereto at 71 III. Adm. Code Chapter 1, Section 400.110; and all other applicable statutes, rules, regulations and executive orders. The Contractor shall, prior to construction, review the plans and specifications and notify the Airline and the City in the event that the plans and specifications are not in compliance with the above referenced standards".

13. Non-Responsible Bidder.

    Prior to awarding any Airline Project Contracts, Airline must provide City with the names of vendors who may be awarded such contracts. Airline agrees that no contracts shall be awarded to persons or corporations identified on City's list of non-responsible bidders, nor shall such persons or corporations be used as subcontractors, so long as such list does not discriminate against any bidders because of race, religion, age, handicap, color, sex, national origin, citizenship or political affiliation. Airline further agrees that no contracts or subcontracts shall be awarded to persons or corporations that would be ineligible for contracting with the City based on federal or state law.

    Airline will comply with, and require any Airline Project Contractor to comply with, Section 2-92-320 of the Municipal Code of Chicago, as follows:

    No person or business entity shall be awarded a contract or subcontract if that person or business entity:

    (a) has been convicted of bribery or attempting to bribe a public officer or employee of the City of Chicago, the State of Illinois, or any agency of the federal government or of any state or local government in the United States, in that officers or employee's official capacity; or

    (b) has been convicted of agreement or collusion among bidders or prospective bidders in restraint of freedom of competition by agreement to bid a fixed price, or otherwise; or

(d) has violated Municipal Code of Chicago Section 2-92-610; or

(e) has violated any regulation promulgated by the Chief Procurement Officer of the City of Chicago that includes ineligibility as a consequence of its violation; or

(f) has committed, within a 24-month period, three or more violations of Chapter 1-24 of the Municipal Code of Chicago; or

(g) has been debarred by any local, state or federal government agency from doing business with such government agency, for any reason or offense set forth in subsections (a), (b), or (c) of this section, or substantially equivalent reason or offense, for the duration of the debarment by such government agency.

For purposes of this section, where an official, agent or employee of a business entity has committed any offense under this section on behalf of such an entity and pursuant to the direction or authorization of a responsible official thereof, the business entity will be chargeable with the conduct.

One business entity will be chargeable with the conduct of an affiliated agency. Ineligibility under this section will continue for three (3) years following such conviction or admission. The period of ineligibility may be reduced, suspended, or waived by the CPO under certain specific circumstances. Reference is made to Section 2-92-320 of the Municipal Code of Chicago for a definition of affiliated agency, and a detailed description of the conditions which would permit the Chief Procurement Officer to reduce, suspend, or waive the period of ineligibility.

14. Federal No-Business List.

Airline shall include the following language in all Airline Project Contracts:

Contractor warrants and represents that neither Contractor nor an Affiliate, as defined below, appears on the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List, or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment.

the rules and regulations of the City concerning security procedures, including the Airport's approved security program.

(B) All employees providing services at the Airport must be badged by the City, as provided below in Section 7, "Airport Security Badges." Airline, Contractors, and the respective employees of each are subject to such employment investigations, including criminal history record checks, as the Administrator of the Federal Aviation Administration ("FAA"), the Under Secretary of the Transportation Security Administration ("TSA"), and the City may deem necessary. Airline, its Contractors, their respective employees, invitees and all other persons under the control of Airline must comply strictly and faithfully with any and all rules, regulations and directions which the Commissioner, the FAA, or the TSA may issue from time to time during the life of this Letter of Authorization with regard to security, safety, maintenance and operation of the Airport and must promptly report any information regarding suspected violations in accordance with those rules and regulations.

(C) Gates and doors that permit entry into restricted areas at the Airport must be kept locked by Airline at all times when not in use or under Airline's constant security surveillance. (A) As part of airport operations and security, Airline must obtain from the airport badging office Airport Security Badges for each of his employees, subcontractors, material men, invitees or any person(s) over whom Airline has control, which must be visibly displayed at all times while at the airport. No person will be allowed beyond security checkpoints without a valid Airport Security Badge. Each such person must submit signed and properly completed application forms to receive an Airport Security Badge. Additional forms and tests may be required to obtain Airport Driver's Certification and Vehicle Permits. The application forms will solicit such information as the Commissioner may require in his discretion, including but not limited to name, address, date of birth (and for vehicles, driver's license and appropriate stickers). Airline is responsible for requesting and completing the form for each employee and subcontractor employee who will be working at the Airport and all vehicles to be used on the job site. Upon signed approval of the application by the Commissioner or his designee, the employee will be required to attend a presentation regarding airport security and have his or her photo taken for the badge. The Commissioner may grant or deny the application in his sole discretion. Airline must make available to the Commissioner, within one day of request, the personnel file of any employee who will be working under this Letter of Authorization.

(B) As provided in Section 6 above, in order for a person to have an Airport Security Badge that allows access to the airfield or aircraft, a criminal history record check ("CHRC") conducted by the Department of Aviation will also be required. The CHRC will typically include a fingerprint analysis by the Federal Bureau of Investigation and such other procedures as may be required by the TSA.

(C) Airport Security Badges, Vehicle Permits and Driver's Licenses will only be issued based upon properly completed application forms. Employees or vehicles without proper credentials may be removed from the secured area and may be subject to fine or arrest. Airline will be jointly and severally liable for any fines imposed on its employees or its Contractors' employees.

(D) In addition to other rules and regulations, the following rules related to Airport Security Badges, Vehicle Permits and Driver's Licenses must be adhered to:

i. Each person must wear and display his or her Airport Security Badge on their outer apparel at all times while at the airport.

ii. All individuals operating a vehicle on the Aircraft Operations Area ("AOA") must be familiar and comply with motor driving regulations and procedures of the

State of Illinois, City of Chicago and the Department of Aviation. The operator must be in possession of a valid, State-issued Motor Vehicle Operator's Driver's License. All individuals operating a vehicle on the AOA without an escort must also be in possession of a valid Aviation-issued Airport Driver's Permit.

Section 8. Confidentiality of Airport Security Data

Airline has an ongoing duty to protect confidential information, including but not limited to any information exempt from disclosure under the Illinois Freedom of Information Act, such as information affecting security of the airport ("Airport Security Data"). Airport Security Data includes any Sensitive Security Information as defined by 49 CFR Part 1520. Airline acknowledges that information provided to, generated by, or encountered by Airline may include Airport Security Data. If Airline fails to safeguard the confidentiality of Airport Security Data, Airline is liable for the reasonable costs of actions taken by the City, the airlines, the Federal Aviation Administration ("FAA"), or the Transportation Security Administration ("TSA") that the applicable entity, in its sole discretion, determines to be necessary as a result, including without limitation the design and construction of improvements, procurement and installation of security devices, and posting of guards. All agreements entered into in connection with or pursuant to the performance of any acts or obligations under the Ordinance or this Letter of Authorization by Airline must contain the language of this section. If Airline fails to incorporate the required language in all such agreements, the provisions of this section are deemed incorporated in all such agreements.

Section 9. Americans with Disabilities Act and Air Carrier Access Act

(A) Airline shall be solely and fully responsible for ensuring that Airline's operations, wherever they may occur at the Airport, and any improvements made by Airline pursuant to this Letter of Authorization, shall comply with Title II (to the extent applicable) and III of the Americans with Disabilities Act, 42 U.S.C. §§ 12101 et seq., as amended from time to time ("ADA"), and the Air Carrier Access Act, 49 U.S.C. § 41705, as amended from time to time ("ACAA"), including without limitation any obligation to provide boarding and deplaning assistance at the Airport. In the event of a violation of or non-compliance with Title II (to the extent applicable) or III of the ADA or the ACAA, Airline shall develop a work plan to correct such violation or non-compliance. The City's approval of or acceptance of any aspect of

Airline's activities under this Letter of Authorization shall not be deemed or construed in any way as a representation that such item, activity or practice complies with the ADA or the ACAA. Airline agrees to indemnify, defend, and hold the City harmless from any and all costs incurred by the City with respect to Airline's failure to comply with the ADA or the ACAA for Airline's operations or any improvements made by Airline at the Airport. The City shall comply with the ADA and the ACAA as applicable to any facilities constructed by the City and any improvements made by the City at the Airport.

(B) Airline shall insure that the appropriate provision set forth below is inserted in all contracts entered into with any design professional or with any Contractors and any labor organizations which furnish skilled, unskilled and craft union skilled labor, or which may provide any materials, labor or services in connection with this Letter of Authorization:

Designs

"The Consultant warrants that all design documents produced for the City under this Agreement shall comply with all federal, state and local laws and regulations regarding accessibility standards for disabled or environmentally limited persons including, but not limited to, the following: Americans with Disabilities Act, 42 U.S.C. sec. 12102 et seq.; 41 C.F.R. part 60 et seq.; the Uniform Federal Accessibility Standards ("UFAS") or the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities ("ADAAG"); the Air Carrier Access Act, 49 U.S.C. § 41705, et seq. Code ch. 1, Sec. 400.110 et seq.; and all other applicable statutes, rules, regulations and executive orders. In the event that the above cited standards are inconsistent, the Consultant shall comply with the standards providing greater accessibility."

Construction Contracts

"All construction or alteration undertaken by Contractor under this contract shall be performed in compliance with all federal, state and local laws and regulations regarding accessibility standards for disabled or environmentally limited persons including, but not limited to, the following: Americans with Disabilities Act, P42 U.S.C. sec. 12102 et seq.; 41 C.F.R. part 60 et seq.; the Uniform Federal Accessibility Standards ("UFAS") or the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities ("ADAG"); the Air Carrier Access Act, 49 U.S.C. § 41705, et seq. The Contractor shall, prior to construction, review the plans and specifications and notify Airline and

the City in the event that the plans and specifications are not in compliance with the above referenced standards."

Section 10. Boarding and Deplaning Assistance

(A) Airline Responsibilities

i. As required by 14 C.F.R. § 382.95(b), Airline "must . . . provide boarding and deplaning assistance through the use of lifts or ramps at [O'Hare] where boarding and deplaning by level-entry loading bridges or accessible passenger lounges is not available." Consistent with the requirements of 14 C.F.R. § 382, Airline shall be responsible for acquiring or making arrangement – whether directly or through its ground handlers, other airlines operating at O'Hare, CDA (as set forth below in Section (B) or otherwise – for boarding and deplaning assistance devices for use with its aircraft at O'Hare.

ii. Consistent with the requirements of 14 C.F.R. § 382.141, Airline shall ensure that those personnel involved in providing boarding and deplaning assistance through the use of lifts, ramps or other accessibility devices are properly trained in the use and operation of the devices and appropriate boarding and deplaning assistance procedures that safeguard the safety and dignity of passengers.

iii. As explained in 66 Federal Register 22107, the use of a boarding chair to carry a passenger up or down stairs is only permitted in "abnormal circumstances (e.g., if a lift breaks down)," and "is conditioned on the passenger's consent (except in the case of emergency evacuations)." Furthermore, pursuant to 14 C.F.R. § 382.101, Airline personnel "must never use hand-carrying (i.e., directly picking up the passenger's body in the arms of one or more carrier personnel to effect a level change the passenger needs to enter or leave the aircraft), even if the passenger consents, unless this is the only way of evacuating the individual in the event of an emergency."

(B) CDA Mechanical Lift

i. The City owns a mechanical lift ("CDA Lift") that can be used to board and deplane mobility-impaired passengers on aircraft covered by 49 CFR § 27.72.

ii. Airline may request the right to use the CDA Lift at O'Hare to satisfy its obligations under the Air Carrier Access Act (49 U.S.C. § 41705) and the regulations promulgated thereunder (14 CFR § 382.95) and will be allowed to use the CDA Lift, on the terms and conditions set forth herein.

iii. The City will make the CDA Lift available to Airline on a first-come, first-serve basis with other airlines. The City shall have no liability to Airline if the CDA Lift is not available at the time required by Airline.

(C) Agreements and Acknowledgements

i. Airline hereby acknowledges and agrees that the CDA Lift is made available to Airline "as is." The City makes no warranty or representation, either express or implied, as to the design or condition of, or as to the quality of the CDA Lift, and the City makes no warranty of merchantability of fitness for a particular purpose or any component thereof as to any other matter, it being agreed that all such risks, as between the City and Airline, are to be borne by Airline, and the benefits of any and all implied warranties of the City are hereby waived by Airline.

ii. 4. No Change To Rate Methodology.

4.1 The City agrees that during the Term, the City shall use the Rate Methodology as modified by this Agreement to calculate Airline's rates and charges for the use of the Airport

(d) Subsection (a) of Section 6.4.1 of the Ordinance, "Delivery and Use of Security Deposit", shall no longer apply and instead shall be replaced in its entirety with the following:

4.3 In the event the City exercises its right under Section 4.2 and makes modifications to the Rate Methodology that collectively materially increase the Airport Fees and Charges to be paid by Airline, Airline shall have the right to terminate this Agreement upon thirty (30) days written notice to the City.

5. Net Terminal Concessions Rent Adjustments. The City shall calculate Net Terminal Concessions Rent Adjustments separately for the Main Terminal and Terminal 5 according to the method set forth in this Section 5.

5.1 The City shall calculate the total amount of the Net Terminal Concessions Rent Adjustments to be made for Rate Agreement Carriers by computing the sum of the following items for each Fiscal Year:

(a) the revenue collected by the City from all Terminal Concessions except for Duty Free Revenue; minus

(b) the Terminal Concessions Space Revenue Requirement; minus

(c) Unrecoverable Airline Terminal Rent or any other shortfall in fully recovering the Gross Terminal Revenue Requirement.

5.2 The City shall derive each Rate Agreement Carrier's Net Terminal Concessions Rent Adjustment for each Terminal effective July 1 for Fiscal Year 2018 and effective January 1 for Fiscal Year 2019 by multiplying the Rate Agreement Carrier's percentage share (if any) of total Enplaned Passengers for all Rate Agreement Carriers for each Terminal by the total amount of the Net Terminal Concessions Rent Adjustments for that Terminal.

5.3 At the time the City completes its final adjustments-to-actual under Section 5.18 of the Ordinance, the City shall issue payment to each Rate Agreement Carrier for its Net Terminal Concessions Rent Adjustment or, if there is a loss, shall invoice each Rate Agreement Carrier for its share of the loss.

6. Net Duty Free Rent Adjustments. The City shall calculate Net Duty Free Rent Adjustments separately for the Main Terminal and the Terminal 5 according to the method set forth in this Section 6.

6.1 The City shall calculate the total amount of Net Duty Free Rent Adjustments to be made for Rate Agreement Carriers by subtracting the Duty Free Space Revenue Requirement for the Fiscal Year from the Duty Free Revenue for such Fiscal Year.

6.2 The City shall derive each Rate Agreement Carrier's Net Duty Free Rent Adjustment for each Terminal effective July 1 for Fiscal Year 2018 and effective January 1 for Fiscal Year 2019 by multiplying the Rate Agreement Carrier's percentage share (if any) of total Departing International Passengers for all Rate Agreement Carriers from the Terminal by the total amount of the Net Duty Free Rent Adjustments for that Terminal.

6.3 At the time the City completes its final adjustments-to-actual under Section 5.18 of the Ordinance, the City shall issue payment to each Rate Agreement Carrier for its Net Duty

Free Rent Adjustment or, if there is a loss, shall invoice each Rate Agreement Carrier for its share of the loss.

7. Net Parking and Ground Transportation Rent Adjustments. The City shall calculate Net Parking and Ground Transportation Rent Adjustments according to the method set forth in this Section 7.

7.1 The City shall calculate the total amount of Net Parking and Ground Transportation Rent Adjustments to be made for Rate Agreement Carriers by computing the sum of the following items for each Fiscal Year:

(a) Parking and Ground Transportation Revenue; plus

(b) Interest Income allocable to Parking and Ground Transportation; minus

(c) Capital Costs allocable to Parking and Ground Transportation; minus

(d) O&M Expenses allocable to Parking and Ground Transportation; minus

(e) Required Deposits allocable to Parking and Ground Transportation; minus

(f) the difference between the Airport-wide Conveyance Requirement calculated in accordance with Section 5.13.1 of the Ordinance and Airport-Wide Conveyance Fees collected by the City.

7.2 The City shall derive each Rate Agreement Carrier's Net Parking and Ground Transportation Rent Adjustment effective July 1 for Fiscal Year 2018 and effective January I for Fiscal Year 2019 by multiplying the Rate Agreement Carrier's percentage share (if any) of total O&D Passengers for all Rate Agreement Carriers by the total amount of Net Parking and Ground Transportation Rent Adjustments.

7.3 At the time the City completes its final adjustments-to-actual under Section 5.18 of the Ordinance, the City shall issue payment to each Rate Agreement Carrier for its Net Parking and Ground Transportation Rent Adjustment or, if there is a loss, shall invoice each Rate Agreement Carrier for its share of the loss.

8. Year-End Debt Service Coverage Credit.

If, at Final Accounting, after taking account of the final adjustments-to-actual under Section 5.18 of the Ordinance, the amounts of Debt Service Coverage collected by the City together with all other applicable fund balances exceed both (a) the Debt Service Coverage Requirement for the Fiscal Year and (b) the amount needed to demonstrate that the City has at least three hundred (300) Days of Cash on Hand at the Airport, then in the Fiscal Year following the Final Accounting, the City shall use any excess amounts to reduce Capital Costs allocable to each Cost Center in proportion to the Debt Service allocable to each Cost Center in the Fiscal Year subject to Final Accounting.

9. Priorities Of Use For Net Aeronautical Real Estate Revenues

9.1 At Final Accounting, the City shall calculate the amount of Net Aeronautical Real Estate Revenues (or losses) remaining at the end of each Fiscal Year by computing the sum of the following items for each Fiscal Year:

(a) Aeronautical Real Estate Revenue; plus

(b) Interest Income allocable to Aeronautical Real Estate; minus

(c) Capital Costs allocable to Aeronautical Real Estate; minus

(d) O&M Expenses allocable to Aeronautical Real Estate; minus

(e) Required Deposits allocable to Aeronautical Real Estate.

9.2 The City shall use Net Aeronautical Real Estate Revenues, if any, remaining at the end of each Fiscal Year in the next Fiscal Year according to the following priorities:

(a) up to Fifteen Million Dollars ($15,000,000) to fund Capital Improvement Projects allocable entirely to the Airfield; and

(b) the remainder, if any, to fund Capital Improvement Projects allocable entirely to the Main Terminal.

10. Priorities Of Use For Net Commercial Real Estate Revenues

10.1 At Final Accounting, the City shall calculate the amount of Net Commercial Real Estate Revenues (or losses) remaining at the end of each Fiscal Year by computing the sum of the following items for each Fiscal Year:

(a) Commercial Real Estate Revenue; plus

(b) Interest Income allocable to Commercial Real Estate; minus

(c) Capital Costs allocable to Commercial Real Estate; minus

(d) O&M Expenses allocable to Commercial Real Estate; minus

(e) Required Deposits allocable to Commercial Real Estate.

10.2 The City shall use Net Commercial Real Estate Revenues, if any, remaining at the end of each Fiscal Year in the next Fiscal Year according to the following priorities:

(a) to fund Air Service Incentive Programs undertaken pursuant to Section 5.16 of the Ordinance;

(b) to retain up to Five Million Dollars ($5,000,000) to be used by the City for any lawful purpose; and

(c) the remainder, if any, to be used to fund Capital Improvement Projects allocable entirely to the Main Terminal.

11. City's Termination Rights. The City shall terminate this Agreement with ten (10) days written notice to Airline if any of the following occur:

11.1 Rate Agreement Carriers which collectively account for at least fifty percent (50%) of both (a) the aggregate Maximum Gross Landed Weight for all aircraft carrying passengers or cargo in commercial service that are not otherwise exempt from paying Landing Fees .that landed at the Airport during the prior Fiscal Year and (b) Enplaned Passengers during the prior Fiscal Year, have executed and delivered to the City airline use and lease agreements that govern their use of the Airfield and Terminals in lieu of the Ordinance.

11.2 The City is unable to meet the requirements of the Bond Indenture without terminating all Rate Agreements;

11.3 Airline fails to execute a Letter of Authorization prior to May 12, 2018 or, if Airline is a new entrant commencing service after May 12, 2018, Airline does not execute a Letter of Authorization contemporaneously with this Agreement.

11.4 Airline's Letter of Authorization is terminated during the Term of this Agreement; or

11.5 The City must terminate the Agreement to comply with any applicable law, regulation or court order.

11.6 In the event that the City terminates the Rate Agreement of all Rate Agreement Carriers under Section 4.3 or Sections 11.1, 11.2 or 11.5, the City's obligations under Sections 4 through 10 shall be void, retroactive to the beginning of the current Fiscal Year. In the event that the City terminates the Rate Agreement of an individual Rate Agreement Carrier under Sections 11.3 or 11.4, that Rate Agreement Carrier shall not be eligible for rent adjustments under Sections 5 through 7.

12. Notice And Designation Of Agent For Service Of Process. All notices, requests, consents, and approvals served or given under this Agreement shall be served or given in writing with proof of delivery.

If Growing Home fails to comply with the requirements in this Second Covenant, the City may re-enter and take possession of the Property, terminate the estate conveyed to Growing Home, and revest title the Property in the City.

Third: Growing Home shall allow the Property to be used only for a use consistent with the City's 63rd/Ashland Redevelopment Plan until such plan expires. Growing Home acknowledges that if Growing Home (or its successors or assigns) develops the Property with a "residential housing project", as that term is defined in Section 2-45-115 of the Municipal Code of Chicago (the "Affordable Requirements Ordinance"), Growing Home (or its successors or assigns) shall be obligated to comply with the Affordable Requirements Ordinance.

Fourth: Growing Home acknowledges and agrees that the Property is being conveyed, and Growing Home accepts the Property, in its "as is", "where is" and "with all faults" condition without any covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever. Growing Home, on behalf of herself/himself/themselves/itself (as applicable) and hers/his/their/its (as applicable) successors and assigns, shall release, relinquish and forever discharge the City and its officers, employees, agencies, departments and officials, from and against any and all claims, causes of action, demands, legal or administrative proceedings, losses, damages, liabilities, judgments, amounts paid in settlement, interest, fines, penalties, costs and expenses (including, without limitation, reasonable attorney's fees and expenses and court costs) based upon, arising out of or in any way connected with, directly or indirectly, the structural, physical or environmental condition of the Property. The foregoing covenant of release is part of the consideration for the Property and shall run with the land and bind Growing Home and Growing Home's successors and assigns.

Alderman Harris moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Pursuant to Title 9, Chapter 64 of the Municipal Code of Chicago, the Commissioner of Transportation is hereby authorized and directed to erect and/or amend traffic warning signs and signals, for the following locations as hereby designated:

Installation Of Traffic Warning Signs And/Or Signals:

Ward	Location And Type Of Sign
1	West Erie Street: West Erie Street (north side) from North Racine Avenue to North Elizabeth Street -- "No Parking Except For Official School Personnel Permit Parking Only -- 7:30 A.M. To 4:30 P.M. (School Days)" sign (17-07152355);

Ward	Location And Type Of Sign
15	3200 West 41st Street: West 41st Street, from South Kedzie Avenue to South Sacramento Avenue -- "No Trucks" sign -- at all times -- all days;
15	3200 West 41st Place: West 41st Place, from South Kedzie Avenue to South Sacramento Avenue -- "No Trucks" sign -- at all times -- all days;
15	3200 West 40th Street: West 40th Street, from South Kedzie Avenue to South Sacramento Avenue -- "No Trucks" sign -- at all times -- all days;
15	South Honore Street and West 64th Street -- "All-Way Stop" sign, stopping all approaches;
15	South Paulina Street and West 63rd Street -- "All-Way Stop" sign, stopping all approaches;
15	South Fairfield Avenue and West 43rd Street -- "All-Way Stop" sign, stopping all approaches. Not recommended, West 43rd Street is a collector roadway with higher volumes than South Fairfield Avenue, a residential street. "Stop" signs on streets with higher volumes such as West 43rd Street tend to increase rear-end crashes, increase congestion, and create a false sense of security for pedestrians that every vehicle will stop. Due to the intersection's proximity to the traffic signal at South California Avenue, a "Stop" sign will be unexpected for motorists. CDOT does not recommend installing an "All-Way Stop" sign at this intersection (17-06343933);
15	South Whipple Street and West 47th Street: "All-Way Stop" sign, stopping all approaches. West 47th Street is a major collector roadway with significantly higher volumes than South Whipple Street, a local street. "Stop" signs on streets with higher volumes such as West 47th Street tend to increase rear-end crashes, increase congestion, and create a false sense of security for pedestrians that every vehicle will stop. Additionally, due to the intersection's proximity to the traffic signal at South Kedzie Avenue to the west, a "Stop" sign would be unexpected for motorists. CDOT does not recommend installing "All-Way Stop" sign at this location (17-07156736);
19	West 101st Place and South Longwood Drive -- "All-Way Stop" sign, stopping all approaches;
19	West 108th Street and South Sacramento Avenue -- "Stop" sign, stopping northbound traffic and South Sacramento Avenue and eastbound traffic on West 108th Street;

Ward	Location And Type Of Sign
19	South Homan Avenue: South Homan Avenue (southbound) from West 116th Street to West 117th Street -- "No Truck" signs;
23	West 52nd Street and South Rutherford Avenue -- "Two-Way Stop" sign, stopping east- and westbound traffic on West 52nd Street at South Rutherford Avenue;
27	West Chestnut Street and North Orleans Street -- "All-Way Stop" sign, stopping all approaches;
27	West Kinzie Street and North Morgan Street -- "All-Way Stop" sign, stopping all approaches;
27	West Kinzie Street and North Carpenter Street -- "All-Way Stop" sign, stopping all approaches;
30	North Central Park Avenue and West George Street -- "All-Way Stop" sign, stopping all approaches. Not recommended. North Central Park Avenue is a major collector roadway with significantly higher volumes than West George Street, a local residential road. "Stop" signs on streets with high volumes such as North Central Park Avenue tend to increase rear-end crashes, increase congestion, and create a false sense of security for pedestrians that every vehicle will stop. Due to the intersection's proximity to the traffic signal at North Milwaukee Avenue, a "Stop" sign will be unexpected for motorists. Additionally, stop compliance is particularly low at T-intersections. CDOT does not recommend installing an "All-Way Stop" sign at this intersection (17-05288406):
30	West Waveland Avenue and North Avers Avenue -- "Stop" sign, stopping West Waveland Avenue for North Avers Avenue (17-07173608);
39	North Central Park Avenue and West Thorndale Avenue -- "All-Way Stop" sign, stopping all approaches (17-07156371);
44	North Broadway and West Aldine Avenue -- "All-Way Stop" sign, stopping all approaches (17-06514018);

Amendment Of Traffic Warning Sign And/Or Signal:

15	South Damen Avenue: repeal ordinance which reads: "South Damen Avenue for northbound traffic turning onto West 64th Street -- left turn lane" by striking the above.

SECTION 2. This ordinance shall take effect and be in force hereinafter its passage and publication.

Traffic Warning Signs And/Or Signals:

Ward	Location

South Central Park Avenue is a major collector roadway with significantly higher volumes than West 23rd Street, a one-way westbound residential street. "Stop" signs on streets with higher volumes such as South Central Park Avenue tend to increase rear-end crashes, increase congestion, and create a false sense of security for pedestrians that every vehicle will stop. Additionally, due to the intersection's proximity to the viaduct to the north, a "Stop" sign would be unexpected for motorists. CDOT does not recommend installing a "Two-Way Stop" sign at this location;

17-13-0303-C (1)	Narrative Zoning Analysis
1852 South Albany Avenue	(Former Pope Elementary School)
Existing & Proposed Zoning:	B3-3 Community Shopping District Type 1 Zoning Application - Amending Ordinance to increase number of dwelling units to 19
Lot Area:	59,355 sq. ft.
Proposed Land Use:	This is an amendment to Type 1 Zoning Application No. 18959T1 approved 11/16/2016, in City Council Journal Pages 38381 to 38333 because CHA is seeking to increase the number of permitted dwelling units from 14 to 19 on the third floor of the building. CHA will have its administrative offices on the first and second floors. There will be no physical expansion of the existing three-story school building except for the possible addition of a small ADA elevator lobby on the north side of the building. The revised plan also calls for 35 on-site parking spaces. Fourteen (14) of the spaces are for the 19 dwelling units to be located on the third floor; the remaining 21 spaces are for the offices. The property is less than 1320 feet from South Kedzie entrance to the CTA Pink Line (1944 S. Kedzie) and qualifies as a transit served location. In September, 2017 CHA received an administrative adjustment to reduce the number of required parking spaces for its administrative offices due to the Property's proximity to a CTA Transit stop. The CHA will be applying for a revised Administrative Adjustment due to the increase in the number of dwelling units from 14 to 19 units and the increase in the number of on-site parking spaces from 32 to 35 spaces.
Floor Area Ratio:	1.38 FAR Based on 81,695 SF of Building Area
Density (Minimum Lot Area Per Dwelling Unit):	19 Dwelling Units (59,355/19 = 3,123.9 SF per unit)
Off-street parking:	35 spaces including 4 accessible (Subject to an Administrative Adjustment)
***Setbacks:**	Front Setback: 0.1 Foot (existing – no change) Rear Setback: 0 feet (existing – no change) Side Setbacks: ▪ North: 98 feet (after addition of an elevator/lobby) ▪ South: 0 feet (existing – no change)
Rear Yard Open Space:	Existing - no change
Building Height:	60 Feet - Existing

CALL UPON SECRETARY OF DEPARTMENT OF HOMELAND SECURITY TO EXTEND TEMPORARY PROTECTED STATUS FOR HAITIAN NATIONALS LIVING IN UNITED STATES.

[R2017-1175]

WHEREAS, On January 12, 2010, a massive earthquake ravaged Haiti, claiming up to 316,000 lives and displacing more than 1.5 million people; and

WHEREAS, The earthquake injured about 300,000 people and left 3.3 million facing food shortages. With more than 80 percent of rural housing severely affected, hundreds of thousands of newly homeless people were forced to live in scattered tent cities; and

WHEREAS, There are still about 55,000 people living in camps and makeshift camps throughout Haiti, in unsanitary conditions due to displacement caused by the earthquake; and

WHEREAS, Haiti's location makes it especially vulnerable to natural crises, including hurricanes and earthquakes, and a lack of adequate infrastructure amplifies the effects of these disasters; and

WHEREAS, According to the United Nations 2017 Global Humanitarian Overview, 2016's Hurricane Matthew was a tragic demonstration of Haiti's vulnerability to sudden-onset disaster, making humanitarian assistance a necessity for more than 1.4 million Haitians; and

WHEREAS, The Haitian recovery mission has been a particularly difficult one, made harder by a string of devastating natural disasters that have fueled ongoing famine and poverty crises, given rise to a deadly cholera epidemic, and quashed Haiti's continued efforts to rebuild; and

WHEREAS, Temporary Protected Status (TPS) is a temporary immigration status granted by the United States to eligible nationals of TPS designated countries; and

WHEREAS, During the temporary designation period, eligible nationals may remain in the United States and may not be detained by the Department of Homeland Security (DHS) based solely on immigration status, and may obtain employment and travel authorization; and

WHEREAS, The Secretary of DHS has the authority to provide TPS to immigrants present in the United States who are unable to safely return to their home country due to an ongoing armed conflict, an environmental disaster, or other extraordinary and

temporary conditions that prevent safe return. An individual is only eligible for TPS benefits if he or she: (i) establishes continuous physical presence in the United States since the date specified by DHS; (ii) is not subject to one of the criminal, security-related or other bars to TPS; and (iii) applies for TPS benefits in a timely manner; and

WHEREAS, A country's TPS designation takes effect on the date the designation is published and may last between six and 18 months, with the possibility of an extension. Once the Secretary of DHS terminates a TPS designation, TPS beneficiaries revert to the same immigration status they had prior to TPS or to any other status they may have acquired while registered for TPS; and

WHEREAS, The U.S. government added Haiti to the list of TPS designation countries after the 2010 earthquake; and

WHEREAS, According to the Migration Policy Institute, there were 676,000 Haitian immigrants in the United States in 2015; Haitians account for less than two percent of the U.S. foreign-born population; and

WHEREAS, More than 58,000 Haitian immigrants already in the United States prior to the 2010 earthquake have been granted TPS, which provides work authorization and relief from deportation; and

WHEREAS, The future for tens of thousands of Haitian immigrants remains unclear as the TPS designation allowing them to remain in the United States is set to expire on January 22, 2018; and

WHEREAS, On November 20, 2017, Acting Secretary of DHS, Elaine Duke, announced her decision to terminate the TPS designation for Haiti with a delayed effective date of 18 months before the designation terminates on July 22, 2019, affecting nearly 60,000 Haitians with legal residency in the United States; and

WHEREAS, This decision will force many families to return to Haiti, the poorest country in the Western Hemisphere, which still faces a cholera epidemic and widespread humanitarian crises; and

WHEREAS, Extending TPS to Haitians living in the United States would demonstrate compassion to U.S. residents whose home country has been devastated by environmental disaster and demonstrate the United States' support for Haiti; now, therefore,

Be It Resolved, That we, the members of the City Council of the City of Chicago, call upon the Secretary of the Department of Homeland Security extend Haiti's Temporary Protected Status to provide temporary immigration relief to Haitian nationals in the wake of a devastating earthquake and many natural disasters; and

EXPRESSION OF OPPOSITION TO AND CALL ON ILLINOIS REPRESENTATIVES TO UNITED STATES CONGRESS TO VOTE AGAINST CONCEALED CARRY RECIPROCITY ACT OF 2017.

[R2017-1176]

WHEREAS, On January 3, 2017, U.S. Representative Richard Hudson (R-NC) introduced HR 38 and on February 27, 2107, U.S. Senator John Cornyn (R-TX) introduced S446, both known as the Concealed Carry Reciprocity Act of 2017; and

WHEREAS, While every state allows concealed carry of firearms under some circumstances, each state has different requirements on who is permitted to carry, what requirements are appropriate, and what type of training should be required of permit holders; and

WHEREAS, The Concealed Carry Reciprocity Act of 2017 would allow people with concealed carry permits in one state to take their weapon to any other state, even if the other state has stricter limits on concealed carry weapons than the home state in which they obtained their permit; and

WHEREAS, Illinois has the 8th strictest gun control regulations in the country, and Illinois has the 12th lowest firearm mortality in the country, this legislation would weaken the regulations we value by allowing gun owners from states with significantly less-stringent regulations to carry weapons in our state; and

WHEREAS, These Concealed Carry Reciprocity bills would override existing state laws and local practice and severely limit Chicago's ability to prevent criminal firearm trafficking, criminal possession of weapons, and the general proliferation of firearms in public places; and

WHEREAS, Studies show that carrying weapons for self-defense increases the risk of death or injury to the carrier, that the adoption of right-to-carry laws is correlated with an increase in violent crime and the evidence suggests there is no public health benefit to further proliferation of armed citizens in public; now, therefore,

Be It Resolved, That the Chicago City Council go on record opposing HR 38 and S446, the Concealed Carry Reciprocity Act of 2017, and calls on its representatives in the U.S. House of Representatives and Senate to vote against these bills, and to work with their colleagues to oppose these bills; and

Be It Further Resolved, That the City Clerk be and hereby is requested to forward a suitably engrossed copy of this resolution to all Chicago representatives in Congress.
