RESOLUTION

WHEREAS, The National Biscuit Company, which later became Nabisco, opened the largest commercial bakery in the world on Chicago's Southwest side at 73rd Street and Kedzie Avenue in the Chicago Lawn/Ashburn communities, where for almost 70 years, some of the most popular brands of cookies in America have been made, such as Oreo and Chips Ahoy cookies, and Ritz and Premium crackers; and

WHEREAS, Nabisco at one time employed as many as 4,000 workers and generations of Chicago-area men and women have supported their families, purchased homes, paid for their children's educations and helped create Chicago's middle class, thanks to the good union wages earned at the bakery; and

WHEREAS, Recognizing the economic impact the bakery has had on the City of Chicago and the surrounding community, the City of Chicago and State of Illinois provided financial assistance to make improvements at the plant over the years; and

WHEREAS, Industry observers have pointed to the Chicago bakery as playing a key role in the business success of Nabisco's parent company, Mondelez, in North America, in large part because of the bakery's skilled work force and their ability to produce a broad range of Nabisco's products; and

WHEREAS, In 2015 Mondelez announced it would move key production lines of Oreo cookies and Ritz cracker, along with 600 union jobs that provide economic stability to many middle-class families out of Chicago to Salinas, Mexico; and

WHEREAS, The value of Mondelez stock grew 23% in 2015 and reported total gross revenues of almost $30 billion and gross profits of approximately $11.5 billion, Mondelez/Nabisco were helped by the citizens of Chicago in the past, now is a time for Mondelez to help the citizens of Chicago; and

WHEREAS, The Mayor and Members of the Chicago City Council work diligently with World Business Chicago, Manufacturing Renaissance, and the Chicago Federation of Labor, as well as other dedicated partners to continue to bring quality middle-class jobs to the neighborhoods of the City of Chicago. Mondelez should commit to be a partner in these efforts; and

WHEREAS, All residents of the City of Chicago join the members of the Chicago City Council in support of the men and women and the products that they make as members of the Bakery, Confectionery, Tobacco Workers and Grain Millers Local 300, International Association of Machinists and Aerospace Workers District 8 and the International Union of Operating Engineers Local 399; now, therefore,

BE IT RESOLVED, That we, the Mayor and Members of the City Council of the City of Chicago, urge Mondelez to re-consider its plan to shrink its Chicago plant, consider instead how to grow its facilities and operations in Chicago in order to take advantage of the skilled workforce and advantages of a Chicago facility, and be part of

the renaissance of manufacturing in the City. The City of Chicago and Mondelez have a long history of positive partnership and the City would like to continue that course through the maintenance and growth of jobs. The citizens of Chicago and the consumers in the United States deserve nothing less than quality middle-class jobs and safe and reliable products that are produced and sold by responsible corporate entities in the United States of America; and

BE IT FURTHER RESOLVED, That we call upon the Committee on Economic, Capital and Technology Development to hold a hearing to address this important issue, and we ask that the Committee invite appropriate officials and interested members of the public in an effort to fully address this matter.

6. For purposes of Floor Area Ratio ("FAR") calculations, the definitions in the Chicago Zoning Ordinance shall apply, with the following exceptions: (1) in Subarea A, grade is herein established at plus thirty-five (+35) feet Chicago City Datum, plus or minus six (±6) feet in respect of design conditions ("Plaza Level"); (2) in Subarea B, grade is herein established as the curb level of the building entrance on upper East North Water Street plus or minus six (±6) feet in respect of design conditions; and (3) space devoted to heating, ventilation, and air-conditioning equipment shall not be included in FAR regardless of location.

7. Any service drives or other ingress or egress lanes shall be adequately designed and paved in accordance with the regulations of the Chicago Department of Transportation and in compliance with the Municipal Code of the City of Chicago to provide ingress and egress for motor vehicles, including emergency vehicles. A general signage plan indicating the locations and dimensions of signage for these uses, including all interior signage which is visible from public streets, shall be submitted prior to Part II approval in accord with Statement 16 hereof (Site Plan Review).

10. The height of buildings within the planned development and any appurtenance attached thereto shall be subject to the limitations on the attached exhibit labeled "Maximum Height Zones". Where maximum height zones have been established, building height shall be defined as follows:

"Building height" is the vertical distance from the curb level, grade, or its equivalent, opposite the center of the front of a building to the highest point of the underside of the ceiling beams of the highest habitable floor, in the case of a flat roof; to the deck line of a mansard roof; and, to the mean level of the underside of the rafters between the eaves and the ridge of a gable, hip or gambrel roof. For the purpose of determining height in Subarea B Parcels 7 and 7A, grade is herein established as the curb level of the building entrance on upper East North Water Street plus or minus 6 feet in respect of design conditions. (For the purpose of determining height, building tops of other configurations may be considered to be the type described herein which most closely approximates the shape of the proposed design). However, in no case shall the "actual" height of a building exceed the "maximum height" by more than 65 feet.

11. The improvements on individual development sites shall be designed, constructed and maintained in accordance with the exhibits attached hereto and the following general design standards:

(a) Buildings along Lake Shore Drive shall be designed to minimize building mass directly facing the Drive. The base along Lake Shore Drive of any such structure shall be limited to the height of Lake Shore Drive. The tower of such structures shall be set back a minimum of 40 feet from Lake Shore Drive although encroachments into such setback area for design reasons may be allowed by the Commissioner of Planning and

Development as a minor change pursuant to Section 17-13-0611 of the Chicago Zoning Ordinance. This 40-foot setback area shall be heavily landscaped with trees and other greenery so as to be visible from the drive.

(b) Landscaping of buildings at terraces, rooftops, and balconies shall be provided wherever possible and appropriate. Buildings shall be designed with upper-level architectural features that are lit at night wherever possible. Mechanical equipment on rooftops shall be screened with quality materials, and made a feature of the building design, where appropriate. Notwithstanding any statement to the contrary, this planned development shall be subject to the provisions of Chapter 17-11 of the Chicago Zoning Ordinance governing landscaping and screening. In any instance where a provision of this planned development conflicts with landscape and screening provisions of the Chicago Zoning Ordinance, the Chicago Zoning Ordinance shall control. Nothing in this planned development is intended to waive the applicability of the landscape and screening provisions of the Chicago Zoning Ordinance.

(c) Buildings shall be setback from the property line, if necessary, to achieve a minimum of 12 feet, 6 inches (except the building column may be setback 10 feet, 0 inches in Subarea E-3 along Ogden Slip and the building located in Subarea B, Parcels 7 and 7A, may be located at the property line along North New Street, North Park Drive, Upper East North Water Street and Lower East North Water Street and the building located in Sub-Area B, Parcel 8, may be located at the property line along North New Street, North Park Drive, and East Illinois Street) in sidewalk width to accommodate street trees. No awnings, canopies, or other building projections shall be allowed that would interfere with street tree canopies except at entrances to hotels, residential entrances or movie theaters.

(d) Building designs that reflect divisions into base, middle, and top, that have setbacks, cornice lines, changes in plane or materials, articulated surfaces, or other methods of reducing the scale and mass are encouraged. Preferred building materials shall be stone, manufactured stone, brick, finished metal such as stainless steel, or articulated pre-cast concrete in combination with glass at the base. Exposed structural concrete, dryvit or other stucco-like material, or reflective glass shall not be allowed. Materials of upper stories shall be similar to those of the lower; however, the level of detailing may be simplified.

(e) Buildings shall be designed with clearly delineated signage bands. The quality and amount of signage shall be strictly controlled. The total square footage displayed on any building shall be limited to no more than six (6) times the street frontage on any given street. Preference shall be given to pin-mounted back lit signs with individual letters that are externally lit. Signs behind glass that are visible from the sidewalk shall count toward the permitted sign area. The area of a sign that consists of

individual letters shall be measured by drawing a box around the letters. Graphic images which depict tenant logos or products or which may otherwise be construed as advertising shall count as signage in their entirety. Signage on awnings shall be allowed on the valance only, with a maximum of 5-inch high letters limited to tenant identification or logos only. No electronic moving message board signs shall be allowed. Rooftop signs shall be prohibited.

(f) No new surface parking lots, except interim lots approved by the Zoning Administrator, shall be allowed. No surface parking lot shall be allowed on the Parcel P21B ("Kraft") park site in Subarea F. The maximum effort shall be made to contain parking in below-ground structures. Above-grade parking structures shall be enclosed, fronted by habitable space, or otherwise designed so as to have a similar appearance to habitable spaces in terms of finish materials, the shape and scale of openings, and the screening of ramps, car lights and ceiling fixtures. Any parking structures facing the Chicago River must be fronted by habitable space or completely enclosed and well-articulated at all levels. The first floor of all structures facing Illinois Street, Grand Avenue, McClurg Court, Park Drive, or Columbus Drive shall maximize space with active uses such as retail, daycare, restaurants, et cetera. Parking structures shall also contain provisions for planting at the base, the roof, or at mid-height ledges.

(g) Loading docks shall be concealed from public view through screening or landscaping. Curb cuts for loading docks shall be minimized.

(h) The new roadway structure at upper level Illinois Street shall be finished in highly articulated stone, pre-cast concrete, or other quality material, with particular attention given to views of the structure from Columbus Drive. Terraced planting, pedestrian lighting, decorative railings, banners, and other features shall be used to create a major pedestrian amenity. A major water feature shall be installed at the intersection of upper-level Illinois Street and the NBC Plaza. The underside of upper Illinois shall be appropriately lit, structural columns shall be covered, and other elements shall be added to create a safe, well-lit connection to Michigan Avenue.

(i) The completion of the riveredge esplanade shall be required of the developers of Parcels 14 and 16, and Parcel 18. Such public spaces shall be developed with the same quality and character of amenities as the existing esplanade adjacent to these areas. In addition, the developer of Parcel 18 shall be responsible for the development of pedestrian access to DuSable Park under Lake Shore Drive. Such access shall be well-lit, suitably paved, and finished so as to provide safe, attractive, and convenient access to the park from the river esplanade. All plans for pedestrian access to DuSable Park from Parcel 18 shall be subject to detailed review and approval by the Department of Planning and Development before the issuance of any superstructure Part II approval letters.

(j) The developer of Parcel 19 shall develop the following public improvements indicated on Exhibit 6 Existing and Planned Open Spaces concurrently with the development of Parcel 19: a pedestrian walkway from East North Water Street to Ogden Slip and an extension of the Ogden Slip promenade to Lake Shore Drive. The pedestrian walkway from East North Water Street to Ogden Slip shall be developed with the same quality and character of amenities as the existing walkway from the River Esplanade to East North Water Street. The extension of the Ogden Slip promenade shall be developed with the same quality and character of amenities as the existing promenade adjacent to it. In the event that DuSable Park is developed before Parcel 19 is developed, the owner(s) of Parcel 19 shall construct and maintain a temporary pedestrian connection along the slip. These improvements shall consist of a paved (asphalt or better) pedestrian walkway, a minimum of 20 feet in width. Metal railings shall be installed along either side of the pedestrian walkway near the slip edge and on the side adjacent to Parcel 19. The design of these improvements shall be subject to the approval of the Commissioner of Planning and Development.

In addition, pedestrian access along Ogden Slip under Lake Shore Drive to DuSable Park shall be constructed concurrently with the construction of DuSable Park. The owner(s) of Parcel 19 shall be solely responsible for the cost of improvements underneath Lake Shore Drive, subject to approval of the State of Illinois to make such improvements. Such access shall be well-lit, suitably paved, and finished so as to provide safe, attractive, and convenient access to the park from the Ogden Slip promenade. However, if Parcel 19 should be developed before the construction of DuSable Park, then the owner(s) of Parcel 19 shall, at the time of application for superstructure Part II, place in escrow money equivalent to the cost of constructing such a connection, as determined by the Commissioner of the Department of Planning and Development, unless an agreement between the Developer of Parcel E.3 and the Chicago Park District as referenced in Statement Number 11(m) below provides otherwise.

All plans for these improvements shall be subject to detailed review and approval by the Department of Planning and Development before the issuance of any Part II approval letters.

(k) All improvements to be constructed within this planned development for which Part II approval letters are issued after the March 29, 2006, date of City Council approval of the amended planned development shall comply with the Department of Planning and Development Chicago Sustainable Development Policy in effect at the time of application for Part II approval, and the owners shall use best and reasonable efforts to design, construct and maintain all buildings located within this Planned Development in a manner generally consistent with the Leadership in Energy and Environmental Design Green Building Rating System (LEED). A dog-run shall be located within or adjacent to Subparcel E.3. As a result of the architectural design of

the tower to be constructed within Subparcel E.3, a green roof is not feasible. The development of the improvements on Parcel P21C contemplated by this Planned Development amendment shall be LEED certified and have a green roof of approximately 2,177 square feet and a rain water collection system as described in the attached Green Roof Plan.

(l) Pursuant to the Affordable Housing provision of the City of Chicago Zoning Ordinance, Title 17, Chapter 17-4-1004, et seq. ("Zoning Ordinance") Developer of Parcel E.3 has asked for an increase in the Floor Area Ratio of 3.00 FAR for the Property. The Developer of Parcel E.3 hereby acknowledges that according to Section 17-4-1004D of the Zoning Ordinance, the total floor area devoted to affordable housing units must equal at least 25 percent of the total increase in floor area allowed under the Affordable Housing Bonus or a cash payment must be made to the City of Chicago Affordable Housing Opportunity Fund based on the increase in allowable floor area multiplied by 80 percent of the median cost of land per buildable square foot. Based on Section 17-4-1004D, the Developer of Parcel E.3 has agreed to provide a cash payment to the City of Chicago Affordable Housing Opportunity Fund in the amount of $5,700,300.00. Prior to the issuance of permits, the Developer of Parcel E.3 will enter into an Affordable Housing Agreement with the Chicago Department of Planning and Development or provide a letter of credit or other security device in an amount equal to the cash contribution. The Developer of Parcel E.3 must comply with all of the applicable sections of the Affordable Housing Provision of the Zoning Ordinance which sections are hereby incorporated into this planned development. The Affordable Housing Agreement required by Section 17-4-1004-E9 is also incorporated into this planned development.

Pursuant to the Off-Site Park and Open Space Contributions provision of the City of Chicago Zoning Ordinance, Title 17, Chapter 17-4-1018, et seq., the Developer of Parcel E.3 has asked for an increase in the Floor Area Ratio of 2.16 FAR for the Property. The Developer of Parcel E.3 hereby acknowledges that according to Section 17-4-1018-C of the Zoning Ordinance, a cash payment must be made to the City of Chicago based on the increase in allowable floor area multiplied by 80 percent of the median cost of land per buildable square foot. Based on Section 17-4-1018-C, the Developer of Parcel E.3 has agreed to provide a cash payment to the City of Chicago in the amount of $4,104,216.00. Prior to the issuance of permits, the Developer of Parcel E.3 will provide a letter of credit or other security device in an amount equal to the cash contribution. The Developer of Parcel E.3 must comply with all of the sections of the Off-Site Park and Open Space Contributions provisions of the Zoning Ordinance which sections are hereby incorporated into this planned development. The Off-Site Park and Open Space Contribution Agreement required by Section 17-4-1018-B3 is also incorporated into this planned development.

(m) The Developer of Parcel E.3, the City of Chicago, and the Chicago Park District shall enter into an agreement relating, in part, to the responsibility for the design, funding and construction phasing of DuSable Park, the pedestrian connections to DuSable Park and the Lakefront Trail.

(n) The improvements contemplated for DuSable Park (Subparcel E.1) must be substantially completed by the Developer of Parcel E.3 prior to the issuance of Certificate of Occupancy for any dwelling unit exceeding the three hundredth (300th) dwelling unit constructed with Subparcel E.3.

(o) The amendment of this Planned Development concerning development of Parcels P21B and P21C triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the Affordable Requirements Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). Further, the amendment of this Planned Development is subject to Section 17-4-1004-D of the Zoning Code, which also requires on-site affordable housing or payment of a fee in lieu of providing affordable housing for rezonings in DC, DX and DR districts that increase the base floor area ratio. If a planned development is subject to the requirements of both sections (2-45-110 and 17-4-1004-D), the developer may elect to satisfy the ARO requirements by complying with the affordable housing floor area bonus provided for in Section 17-4-1004. The owner of Parcels P21B and P21C has elected to comply with Section 17-4-1004. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the owner of Parcels P21B and P21C has requested an increase in the floor area ratio for the Property, as set forth in the bonus worksheet required under Section 17-4-1003-D and attached hereto as an Exhibit ("Bonus Worksheet"). In accordance with the formulas set forth in Section 17-4-1004-C and the Bonus Worksheet, the owner of Parcels P21B and P21C acknowledges and agrees that it must provide either a minimum of at least 21,680 square feet of floor area (the "Affordable Units") in the building receiving the affordable housing floor area bonus ("Eligible Building"), with an affordable unit mix comparable to the overall mix and approved by the Department of Planning and Development prior to issuance of the first building permit, or make a cash payment in lieu of providing affordable housing in the amount of $2,983,168 ("Cash Payment"), or $100,000 per unit ("Pro Rata Amount"). Prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, the owner of Parcels P21B and P21C must either make the required Cash Payment or provide a performance bond or other security in the amount of the Cash Payment ensuring construction of the Affordable Units. If the owner of Parcels P21B and P21C elects to construct the Affordable Units, it must also enter into an Affordable Housing Agreement with the City pursuant to Section 17-4-1004-E9 prior to the issuance of any building permits for

the Eligible Building, including, without limitation, excavation or foundation permits. The terms of the Affordable Housing Agreement and any amendments thereto would be incorporated herein by this reference. The owner of Parcels P21B and P21C acknowledges and agrees that the Affordable Housing Agreement would be recorded against the Eligible Building and would constitute a lien against each Affordable Unit in an amount equal to the Pro Rata Amount. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. In addition to the Affordable Housing Agreement, the owner of Parcels P21B and P21C acknowledges and agrees that, pursuant to Section 17-4-1003-D3, the Bonus Worksheet will serve as an official record of bonuses and amenities. The owner of Parcels P21B and P21C must comply with the applicable affordable housing standards and requirements set forth in Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in Section 17-4-1003-E, the Commissioner of the Department of Planning and Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

12. Publicly dedicated improvements, including streets, sidewalks, transit and open space amenities shall be designed, constructed and maintained in accordance with the exhibits described in Statement 2 hereof and the "Cityfront Center Internal Design Standards: Section I", dated September 12, 1986.

13. The property owner(s) adjacent to the Chicago River shall develop a continuous pedestrian esplanade along the Chicago River's edge. Completion of the esplanade will occur as follows:

(a) The east right-of-way line of McClurg Court to the west right-of-way line of Lake Shore Drive shall be improved concurrently with development of adjacent parcels south of East North Water Street (Parcels 14,16, and 18). In the event that DuSable Park is developed before Parcel 18 is developed, the owner(s) of Parcel 18 shall construct and maintain a temporary pedestrian connection along the river. These improvements shall consist of a paved (asphalt or better) pedestrian walkway, a minimum of 10 feet in width. Metal railings shall be installed along either side of the pedestrian walkway near the river's edge and on the side adjacent to the development parcel. The design of these improvements shall be subject to the approval of the Commissioner of Planning and Development; and

(b) The west right-of-way line of Lake Shore Drive to DuSable Park shall be constructed concurrently with the construction of DuSable Park. The owner(s) of Parcel 18 shall

be solely responsible for improvements underneath Lake Shore Drive, subject to approval of the State of Illinois to make such improvements. Such access shall be well lit, suitably paved, and finished so as to provide safe, attractive, and convenient access to the park from the river edge esplanade. However, if Parcel 18 should be developed before the construction of DuSable Park, then the owner(s) of Parcel 18 shall, at the time of application for superstructure Part II, place in escrow money equivalent to the cost of constructing such a connection, as determined by the Commissioner of the Department of Planning and Development, unless an agreement between the Developer of Parcel E.3 and the Chicago Park District as referenced in Statement Number 11(m) above provides otherwise.

14. The developer of Parcels P21B and P21C (the Kraft Parcel), shall substantially renovate the existing 70,000 square foot park on Parcel P21B in accordance with the Landscape Plan, the Landscape Sections, and the Landscape Plant list. Such renovation shall be commenced no later than three (3) months following issuance of the first occupancy permit for the residential building to be constructed on Parcel P21C as permitted by this Planned Development, and shall be completed no later than one (1) year thereafter. The park, as renovated, shall continue to be privately owned, maintained and subject to occasional partial closure for private use but, subject to the foregoing, shall remain accessible to the public during hours in which public parks are accessible to the public. The public shall have use of the Dog Run indicated on the Landscape Plan subject to any regulations, if imposed, that conform to the protocols of the Chicago Park District for Dog Friendly Areas. The owner(s) of Parcels P21B and P21C (the Kraft Parcel) shall be responsible for the costs and performance of maintenance of the park in conformance with the Landscape Plan and the Open Space Plan. Nothing contained herein shall preclude residents or other individuals from using the park for other private uses, provided that they obtain permission from the owner(s) of the Kraft Parcel and all necessary governmental approvals and permits.

15. Traffic studies completed by developers and the City of Chicago project significant peak hour traffic volume increases on Illinois Street and Grand Avenue in particular as a result of new development. Some excess roadway capacity is available to handle this increased traffic, but a number of geometric, signal timing and parking control measures are recommended in addition to active transportation management in the Illinois-Grand corridor. Accordingly, no Part II submittal shall be approved without a firm agreement between the developer and the Chicago Department of Transportation regarding the timing and responsibility for any recommended traffic improvements described in Exhibit 8 hereof for streets adjoining the development site. Membership and participation in the Illinois-Grand Corridor Transportation Management Association shall also be required prior to the issuance of any Part II development approval.

16. Prior to the issuance by the Department of Planning and Development of a determination pursuant to Section 17-13-0610 of the Chicago Zoning Ordinance ("Part II approval") for development or redevelopment of any development parcels within the planned development,

other than alterations to existing buildings which do not increase their height or alter their footprint or construction in accordance with the Plans approved herein, a site plan for the proposed development, including parking areas, shall be submitted to the Zoning Administrator for approval. Review and approval of the site plan by the Zoning Administrator is intended to assure that specific development proposals conform with the general design standards in Statement 11 and to ensure coordination of public improvements described in Statements 12 through 15 at an early stage. No Part II approval for work for which a Site Plan must be submitted to the Zoning Administrator shall be granted until the Site Plan has been approved by the Zoning Administrator. Further, all Part II submittals shall be in compliance with the Chicago Landscape Ordinance. At least thirty (30) days prior to the filing of the Developer of Parcel E.3's request for Part II approval for the construction of the superstructure upon Subparcel E.3, the Developer of Parcel E.3 Applicant shall submit a detailed Landscape Plan and Elevations for the Subparcel E.3 property to the Department of Planning and Development for review and approval.

Following approval of a Site Plan by the Zoning Administrator, the approved plan shall be kept on permanent file with the Department of Planning and Development and shall be deemed to be an integral part of this planned development. The approved Site Plan may be changed or modified pursuant to the minor change provisions of Section 17-13-0611 of the Chicago Zoning Ordinance.

A Site Plan shall, at a minimum, provide the following information with respect to the proposed improvements:

(1) the boundaries of the Property;

(2) the footprint of the improvements;

(3) location and dimensions of all loading berths;

(4) preliminary landscaping plan prepared by a landscape architect with final landscaping plan to be approved at Part II stage;

(5) all pedestrian circulation routes;

(6) the location of any adjacent public improvements;

(7) a signage plan for any building where retail or theater uses would be present above the ground level;

(8) preliminary elevations of the improvements; and

(9) statistical information applicable to the Property limited to the following:

(a) floor area and floor area ratio;

(b) uses to be established;

(c) building heights; and

(d) all setbacks, required and provided.

A Site Plan shall include such other information as may be necessary to illustrate conformance with the applicable provisions of this planned development.

17. If any provision of this planned development amendment shall, to any extent, be invalid or unenforceable, the remainder of this planned development amendment shall not be affected thereby, and each provision of the planned development amendment shall be valid and enforceable to the fullest extent of the law.

18. The terms, conditions and exhibits of this Planned Development Ordinance or of an approved Site Plan may be modified administratively by the Zoning Administrator upon the request of the applicant and after a determination by the Zoning Administrator that such a modification is minor, appropriate and consistent with the nature of the improvements contemplated in the planned development and the purposes underlying the provisions hereof. Design Description

Containing a series of interconnected play areas for children of all ages and their families, the pocket park along E. Illinois Street will be an amenity for residents of the Streeterville neighborhood and for visitors. Conventional play equipment including swings and a slide will be coupled with opportunities for sensory play that engages children with the nature that surrounds the play area. Some areas will have topography to encourage different ways to play, while bleacher-style seating will provide a place for all to stop and rest or to gather groups together for more structured activities. Planting is integrated to provide seasonal interest and shade.

This indemnity shall not be the exclusive remedy of the City, and City shall maintain whatever other right of indemnity it may have under common law, by statute, or by ordinance. This indemnification shall survive any termination or expiration of this Agreement.

5. **Grantee's Operation, Maintenance and Security of the Easement Area during the Term of this Agreement.**

(a) Grantee shall maintain the Easement Area at its sole cost and expense.

(c) Grantee shall conduct regular, documented inspections of the Easement Area and maintain the Easement Area in a structurally sound, clean, aesthetically attractive, and usable condition. All Easement Area maintenance records shall be made available to CDOT upon CDOT's written request for such documentation to Grantee.

(d) Grantee shall cooperate with the City concerning the coordination of uses of the Public Sidewalk, including prompt responses to inquiries, attending meetings and site visits, and providing complete disclosure of information concerning the Easement Area and Public Sidewalk.

(e) Grantee shall pay for any and all utility expenses incurred with respect to the operation, maintenance, repair, and/or replacement of, or security of the Easement Area .

(f) Grantee shall provide security over the Easement Area at its sole cost and expense.

6. **City Has No Maintenance and Operational Duties.** The Grantee acknowledges that City is not responsible for the operation, maintenance, repair, and/or replacement of or security of the Easement Area and City has no obligations with respect thereto (other than the provision, through the exercise of the City's right to access the Easement Area for City business purposes and services available to all similarly situated improvements).

7. **Insurance.**

(a) The Grantee shall procure and maintain, at all times, including but not limited to, all of the types and coverages of insurance and endorsements specified below, with insurance companies authorized to do business in the State of Illinois, covering all operations within the Easement Area under this Agreement, whether performed by the Grantee or any of its lessees or contractors or subcontractors ("Contractor"). Grantee shall procure and maintain, or shall cause any/all Contractors to procure and maintain, all of the types and coverages of insurance specified below, with insurance companies authorized to do business in the State of Illinois, covering all operations within the Easement Area under this Agreement, whether performed by Grantee or any of its Contractors.

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Grantee and contractor is not a waiver by the City of any requirements for the Grantee to obtain and maintain the specified coverages. The Grantee and Grantee's contractors must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Grantee and contractor of the obligation to provide insurance as specified herein. Non-fulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work within the Easement Area until proper evidence of insurance is provided.

Grantee agrees to make commercially reasonable efforts to obtain from its insurers, when and if available in the industry, a certificate providing that such coverage shall not be suspended, voided, canceled, non-renewed, or reduced in scope or limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to the City.

The Grantee hereby agrees and will cause its Contractors to agree that insurers waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Grantee and contractor in no way limit the Grantee's and contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Grantee and Contractor under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Grantee or Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Grantee must require the contractor to provide the insurance required herein. All contractors are subject to the same insurance requirements of Grantee unless otherwise specified in this Agreement.

Notwithstanding any provisions in this Agreement to the contrary, the City's Risk Management Department maintains the right to modify, delete, alter or change these requirements, to the extent commercially reasonable.

8. **Default.** The Grantee shall be in default hereunder in the event of a material breach by Grantee of any term or condition of this Agreement including, but not limited to, a representation or warranty, where Grantee has failed to cure such breach within sixty (60) days after written notice of breach is given to Grantee by City setting forth the nature of such breach. Failure of City to give written notice of breach to Grantee shall not be deemed to be a waiver of the City's right to assert such breach at a later time. If the default is not capable of being cured within the sixty (60) day period, then provided Grantee has commenced to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, and thereafter diligently prosecutes such cure through to completion, then the sixty (60) day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, termination of this Agreement.

9. **No Lien.** Grantee shall not permit any lien to stand against the Easement Area or any improvement thereon for any labor or material in connection with work of any character performed in the Easement Area at the direction or sufferance of Grantee.

11. **Partial Invalidity.** If any clause, sentence or other portion of this Agreement shall become illegal, null or void for any reason, or shall be held by any court of competent jurisdiction to be so, the remaining portion hereof shall remain in full force and effect.

12. **Notices.** Any and all notices or other communications required or permitted pursuant hereto shall be in writing and shall be deemed to have been given if and when personally delivered or on the next following business day if transmitted by reputable overnight carrier. Notices shall be addressed to Grantee and City at their respective addresses set forth below, or to such substitute address as Grantee or City may have designated by notice in accordance herewith:

No other person shall have any rights, responsibilities or obligations hereunder nor may such person enforce any of the terms or be entitled to any of the benefits hereof.

17. **Miscellaneous.**

(b) If any provision of this Agreement, or any paragraph, sentence, clause, phrase, or word or the application thereof is held invalid, illegal, null or void for any reason, or shall be held by any court of competent jurisdiction to be so, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law provided that this Agreement, in its entirety as so reconstituted, does not represent a material change to the rights or obligations of either of the Parties.

(c) In the event the time for performance hereunder falls on a Saturday, Sunday, or legal holiday, the actual time for performance shall be the next business day.

(d) This Agreement and the accompanying Plat shall be governed by, and construed in accordance with, the internal laws of the State of Illinois. In the event that an adjudication of any kind shall be required in connection with this Agreement, the Parties agree that the venue therefor shall be the state or federal courts located in Cook County, Illinois, whichever may be applicable.

(e) This Agreement constitutes the entire contract between the Parties with respect to the subject matter of this Agreement, and may not be modified except by an instrument in writing signed by all the Parties and dated a date subsequent to the date of this Agreement.

(f) Each Party agrees that it will execute and deliver such other reasonable documents and take such other reasonable actions as may be reasonably requested by the other party to effectuate the purposes and intention of this Agreement.

18. **Business Relationships.**

The Grantee acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement

shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Grantee hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

19. **Patriot Act Certification.**

The Grantee represents and warrants that neither the Grantee nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Grantee that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Grantee, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

20. **Prohibition on Certain Contributions Mayoral Executive Order 2011-4.**

Grantee agrees that Grantee, any person or entity who directly or indirectly has an ownership or beneficial interest in Grantee of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Grantee's contractors (i.e., any person or entity in direct contractual privity with Grantee regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Grantee and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Grantee, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Grantee and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Grantee represents and warrants that from the later to occur of (a) May 16, 2011, and (b) the date the City approached the Grantee or the date the Grantee approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Grantee agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the

Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Grantee agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Grantee agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Grantee intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Grantee is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;

c. a joint checking account;
d. a lease for a residence identifying both domestic partners as tenants.

4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

21. **Failure To Maintain Eligibility To Do Business With The City.**

Failure by Grantee or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Grantee shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

22. **Inspector General and Legislative Inspector General.**

It is the duty of every officer, employee, department, agency, contractor, subcontractor, Grantee and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Grantee understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

23. **Waste Ordinance Provisions.**

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Grantee warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Amendment is executory, Grantees, any general contractors or any subcontractors violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit Grantee's, general contractor's and its subcontractor's duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect Grantee's eligibility for future contract awards.

24. **Shakman Accord.**

(a) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago

Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Grantee is aware that City policy prohibits City employees from directing any individual to apply for a position with Grantee, either as an employee or as a subcontractor, and from directing Grantee to hire an individual as an employee or as a subcontractor. Accordingly, Grantee must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Grantee under this Agreement are employees or subcontractors of Grantee, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Grantee.

(c) Grantee will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Grantee by a City employee or City official in violation of Section 24 (b) above, or advocating a violation of Section 24 (c) above, Grantee will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Grantee will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

The following is said ordinance as passed:

WHEREAS, Pursuant to Chapter 2-120, Section 2-120-690 of the Municipal Code of Chicago, the City of Chicago, through its Commission on Chicago Landmarks ("Commission") has determined that the Second Leiter Building, located at 401 South State Street, Chicago, Illinois, is worthy of designation as a Chicago landmark; and

WHEREAS, The Commission has found that the Second Leiter Building meets certain criteria for landmark designation as set forth in Section 2-120-620 (1), (3), (4), (5), (6) and (7) of the Municipal Code of Chicago; and

WHEREAS, The Second Leiter Building is identified with Levi Z. Leiter, who in partnership with Potter Palmer and Marshall Field pioneered the city's leading mercantile establishment and, further, with his investments in real estate, particularly Loop property, substantially contributed to the commercial development of Chicago during the mid and late nineteenth century; and

WHEREAS, The Second Leiter Building is a fundamental and irreplaceable benchmark in Chicago's technical and aesthetic development

in the building arts, as structurally the building incorporates the metal framing that was a major advancement over traditional bearing-wall construction and, aesthetically, the building illustrates the transition from the heavier-looking, historically-inspired forms of conventional masonry construction to the purer profiles of the Chicago commercial style; and

WHEREAS, The Second Leiter Building is a structure whose significance was recognized early on by critics and scholars as one of the premier examples of Chicago's creative and technological advancements in architecture during the late nineteenth century; and

WHEREAS, The architect of the Second Leiter Building, William Le Baron Jenney, was one of the major figures in the development of the Chicago commercial style beginning with his 1884 Home Insurance Building, the first to incorporate skeletal construction in a fireproof commercial building and, further, Jenney's significance is further underscored by the role he played in the architectural education of such major figures as John Root, Louis Sullivan, Daniel Burnham and William Holabird; and

WHEREAS, The Second Leiter Building is listed on the National Register of Historic Places and has the additional distinction of being designated a National Historic Landmark, a program of the federal government that focuses attention on properties of exceptional value to the nation as a whole rather than to a particular state or locality and, further, the Second Leiter Building has been accorded the accolade of being put on the proposed listing for the UNESCO World Heritage List; and

WHEREAS, The Second Leiter Building, initially occupied by the Seigel, Cooper and Company Store and later serving as the flagship Chicago store of Sears, Roebuck and Company, has value as an example of the retailing history of the city and of State Street in particular; and

WHEREAS, The Second Leiter Building is illustrative of the historic identity of State Street as the undisputed retailing thoroughfare in Chicago, a reputation anchored by the location there at one time of such major retailers as Marshall Fields, Carson Pirie Scott & Company, Montgomery Ward and Goldblatt's; and
