The failure of the City to obtain certificates or other insurance evidence from the Tenant and the Contractors must not be deemed to be a waiver by the City of any requirements for the Tenant or the Contractors to obtain and maintain the specified coverages. (b) References and Conflicts. References appearing in Section 1(a) are intended to designate some of the other places in the Lease where additional provisions applicable to the particular fundamental Lease provisions appear. These references are for convenience only and shall not be deemed all inclusive. Each reference in this Lease to any of the fundamental Lease provisions contained in Section 1(a) shall be construed to incorporate all of the terms provided for under such provisions, and such provisions shall be read in conjunction with all other provisions of this Lease applicable thereto. If there is any conflict between any of the fundamental Lease provisions set forth in Section 1(a) and any other provisions of the Lease, the latter shall control.

(c) Exhibits. The following drawings and special provisions are attached hereto as exhibits and hereby made a part of this Lease:

Exhibit A.	Floor Plan of Leased Premises [§2(a)]
Exhibit B.	Improvements
Exhibit C.	Rules and Regulations [§9]
Exhibit D.	Intentionally Deleted
Exhibit E.	Tenant Information Sheet
Exhibit F.	Move-In and Move-Out Rules and Regulations
Exhibit G.	Certificate of Commencement [§3(a)]
Exhibit H.	Standard Disclosures and Affirmations

2. Premises.

(a) Leased Premises. Landlord hereby leases to Tenant, and Tenant hereby rents from Landlord, in its as-is condition, subject to completion of the work set forth in Exhibit B the Leased Premises as specified in Section 1(a)1 located in the building specified in Section 1(a)2 (the "Building") and more fully described on the floor plan attached hereto as Exhibit A and made a part hereof. The Leased Premises shall consist of approximately the square footage of rentable floor space as specified in Section 1(a)3, and has been measured in accordance with the provisions of ANSI/BOMA Z65.1-1996, Standard Method for Measuring Floor Area in Office Buildings.

(b) Tenant's Proportionate Shares. Tenant's proportionate shares of certain expenses hereinafter made payable to Landlord as additional rent is specified in Sections 1(a)5(i) and 1(a)5(ii). Said computation is based upon the ratios of the Rentable Area of Leased Premises to the Total Building Rentable Area and the Rentable Area of Leased Premises to the Total Office Rentable Area. The Proportionate Shares shall be modified during the Lease Term in the event that the Total Building Rentable Area or the Total Office Rentable Area in the Building is modified.

3. Term.

(a) Lease Term. The term of this Lease (sometimes herein called the "Lease Term") shall begin as of the date possession of the Leased Premises is delivered to Tenant by Landlord with the "Landlord's Work" (as

defined in Exhibit B attached hereto) having been substantially completed ("Lease Commencement Date"). Subject to sooner termination as herein provided, the Lease Term shall expire at the end of the period specified in Section 1(a)7 unless adjusted as described below ("Expiration Date"). After the Lease Commencement Date, Landlord shall deliver to Tenant a Certificate of Commencement in the form attached hereto as Exhibit G and made a part hereof, which certificate Tenant shall promptly execute and return to Landlord. Tenant's failure to execute and deliver the Certificate of Commencement shall not affect the Lease Commencement Date or the Expiration Date. The first "Lease Year" shall be the twelve (12) month period which commences on the Lease Commencement Date, provided, however, if the Lease Commencement Date is not on the first day of a calendar month, the first Lease Year shall commence on the Lease Commencement Date and shall expire on the last day of the twelve (12) month period which commences on the first day of the first full calendar month after the Lease Commencement Date. Each subsequent Lease Year shall be the twelve (12) month period commencing on the annual anniversary of the first day of the first full calendar month of the first Lease Year. The Leased Premises shall be deemed to have been substantially completed when the work and materials to be provided pursuant to Exhibit B [except for items of work and adjustment of equipment and fixtures that can be completed after the Leased Premises are occupied without causing substantial interference with Tenant's use of the Leased Premises (i.e., the "punch list" items)] have been completed, as reasonably determined by Landlord.

(b) Inability to Deliver Possession. If Landlord should be unable to deliver possession of the Leased Premises on the Anticipated Commencement Date because (i) on the Anticipated Commencement Date a prior tenant or occupant is holding over or retaining possession of the Leased Premises, or (ii) repairs, improvements, or decoration of the Leased Premises or the Building are not completed, or (iii) of any other reason, then Landlord shall not be subject to any liability for failure to give possession on the Anticipated Commencement Date. Under any of the aforesaid circumstances, the rent covenanted to be paid herein shall not commence and the Lease Commencement Date shall not occur until possession of the Leased Premises is tendered to the Tenant. No such failure to give possession of the Leased Premises to Tenant on the Anticipated Commencement Date shall in any other respect operate to affect the validity of this Lease or the obligations of the Tenant hereunder, nor shall the same be construed to modify the Lease Term, which in all events shall be the number of years and months set forth in Section 1(a)7; provided, however, that if Landlord shall not have tendered possession of the Leased Premises to Tenant [two months] after the Anticipated Commencement Date, then Tenant may terminate this Lease by written notice to Landlord. In such event, Landlord shall refund any security deposit and advance rental payment theretofore paid by Tenant, and the parties shall thereupon be relieved of any and all liability hereunder. If permission is given to the Tenant to enter into possession of the Leased Premises prior to the Lease Commencement Date, Tenant covenants and agrees that such occupancy shall be deemed to be under all the terms, covenants, and conditions of the provisions of this Lease.

(c) Acceptance of Leased Premises. Landlord shall deliver, and Tenant agrees to accept, possession of the Leased Premises in accordance with Exhibit B. Occupancy of the Leased Premises or any portion thereof by Tenant or anyone claiming through or under Tenant for the conduct of Tenant's or such other person's business therein shall be conclusive evidence that Tenant and all parties claiming through or under Tenant (i) have accepted the Leased Premises or such portion (x) as suitable for the purpose for which the Leased Premises are leased hereunder, and (y) as complying with all requirements of Tenant with respect to the condition, order and repair thereof as required by the terms of this Lease, and (ii) have accepted the common areas as being in good and satisfactory condition.

(d) Early Access. Tenant and its contractors shall be allowed access to the Leased Premises approximately fourteen (14) days prior to the Lease Commencement for the purpose of installing Tenant's communication and data equipment and associated wiring, and such installations shall not be considered the commencement of beneficial use of the Leased Premises by Tenant. Any and all installations and other related activity by Tenant or its contractors prior to the Commencement Date shall be coordinated with Landlord and its general contractor at least 48 hours in advance to insure that Tenant's work in and to the Premises does not interfere with the work being performed by Landlord and its contractors. Notwithstanding anything herein to the contrary, neither Tenant nor its agents shall have access to the Premises during such times specified by Landlord as times that Landlord or its general contractor reasonably determine are likely to cause delay or interference with the activities of or on behalf of Landlord in the Premises. All terms and conditions of this Lease, including, without limitation, the insurance, release and waiver of liability provisions hereof shall apply to and be effective during such period of occupancy by Tenant, except for Tenant's obligation to pay rent.

(e) Delay. If Landlord shall be delayed in completing the Landlord's Work as a result of (1) Tenant's failure to execute this Lease and/or select all finishes in connection with Landlord's Work by June 1 2016 or Tenant's failure to comply with any other requirements of this Lease, (2) Tenant's request for modifications to Exhibit A or the plans and specifications for Landlord's Work subsequent to the date such Exhibit A, plans and specifications are approved by Landlord, (3) Tenant's failure to pay when due any amount required pursuant to this Lease, (4) Tenant's request for long lead time materials, finishes or installations, (5) Tenant's failure to respond to requests for information from Landlord or its contractor within the reasonable time period indicated on such request [but never fewer than one (1) business day], or (6) the performance of any work, or the entry into the Leased Premises, by Tenant or any person or firm employed or retained by Tenant, then (i) such delay shall be a "Tenant Delay", and (ii) for purposes of determining the Lease Commencement Date, Landlord's Work shall be deemed to have been substantially complete on July 1, 2016. In no event shall the Lease Commencement Date be later than August 1, 2016.

(f) Landlord's Right to Terminate. In the event Landlord elects to remodel or demolish the Building, Landlord shall have the right, upon nine (9) months prior written notice to Tenant (the "Termination Notice"), to terminate this Lease effective anytime on or after December 31, 2026. Landlord shall not send the Termination Notice before March 31, 2026.

(g) Tenant's Right to Terminate. Tenant shall have the right, at Tenant's sole option, to terminate this Lease after the last day of the 29th month of the Lease Term (the "Early Termination Date"). Such termination shall be effective only so long as (a) Tenant provides Landlord with written notice of termination on this Lease (the "Termination Notice") not later than nine (9) full months prior to the Early Termination Date (the "Termination Notice Date"), and (b) on or before the Termination Notice Date, Tenant pays to Landlord, in immediately available Federal funds, the "Termination Fee" (as hereinafter defined). As used herein, "Termination Fee" shall mean the sum of: (i) the product of (x) the monthly installment of Base Annual Rent and all Additional Rent that would be payable by Tenant for the entire calendar month in which the Early Termination Date occurs, multiplied by (y) two (2); and (ii) the then unamortized costs that were incurred by Landlord in connection with this Lease (collectively, the "Transaction Costs"), including, without limitation, the cost of designing, constructing and building the Leasehold Improvements, brokerage fees and commissions, attorneys' fees, and the value of any concessions that were granted to Tenant as part of the Lease. The Transaction Costs shall be amortized in equal monthly installments over the initial five (5) year, three (3) month term of this Lease. Payment of the Termination Fee shall be due fifty (50%) percent upon Tenant's written notice to Landlord and the remaining fifty (50%) percent thirty (30) days prior to the Early Termination Date. In the event Tenant shall exercise its option to terminate this Lease as aforesaid, Tenant shall surrender the Leased Premises to Landlord pursuant to the applicable provisions of this Lease on the Early Termination Date, and the parties shall thereupon be relieved of any further liability under this Lease. Notwithstanding the foregoing, at Landlord's option, Tenant's exercise of the option to terminate shall become null and void in the event Tenant shall be in default under the Lease between the exercise of such option and the Early Termination Date.

(h) Option to Renew.

(i) Subject to the satisfaction of the conditions precedent set forth in Section (ii) below, Tenant shall have the one time right, at its option, to extend the term of this Lease for one (1) additional period of five (5) consecutive years, commencing on the first day after the expiration of the initial term. Such extension option shall be exercisable by Tenant giving written notice to Landlord of the exercise of such option at least nine (9) months, prior to the expiration of the then current term of this Lease; and, upon the exercise of such extension option, the expiration date of the term of this Lease shall automatically be extended accordingly. The initial base rent for such extension option period shall be 100% of the then current market rate. Landlord shall also provide Tenant with all concessions then being offered for renewal deals in the Washington, DC market area. Operating Expenses and Costs and Minimum Real Estate Taxes shall be updated with the then current base year. With respect to such extension option, in the event that (A) the Tenant shall fail to exercise the same strictly within the time period and in the manner set forth above, and/or (B) at the time hereinabove specified for the exercise of such option, all conditions precedent set forth in Section (ii) below shall not have been satisfied, then such extension option and any and all subsequent extension option that Tenant may otherwise have shall automatically expire and be absolutely void and of no force and effect. Should the Building be remeasured based on the then-current industry standards, prior to the extension option being exercised, Landlord reserves the right to make the necessary changes to Paragraphs 1(a)3 and 1(a)5 in this Lease.

(ii) The extension option granted to Tenant in Section (i) above shall be void and of no force and effect unless, at the time above specified for exercising such option, each and every one of the following

conditions precedent shall have been fully satisfied: (A) This lease shall be in full force and effect; (B) Tenant shall be in possession of Leased Premises and shall be regularly conducting its normal operation therein; and (C) Tenant shall not be in default (beyond any applicable grace period granted in the Lease for curing the same) in the performance or observation of any of the terms; provisions, covenants and/or conditions of the Lease.

4. Permits. Tenant shall be responsible for obtaining all permits or licenses necessary for its lawful occupancy of the Leased Premises. This requirement shall not relieve Tenant of its liability for Minimum Annual Rent from the Lease Commencement Date in the event all of said permits have not been acquired prior thereto. Tenant shall provide Landlord with a copy of its Certificate of Occupancy within sixty (60) days of Landlord's delivery of possession.

5. Rent.

(a) Minimum Annual Rent. The Minimum Annual Rent reserved hereunder shall be as specified in Section 1(a)9 which shall be payable by Tenant to the Landlord at Landlord's address specified in Section 1(a)(20) above, or such other place as Landlord may designate, during each Lease Year of the Lease Term in equal monthly installments of Basic Monthly Rent each as specified in Section 1(a)9, due in advance, without notice or demand, and without set-off, deduction, recoupment or abatement of any kind, on the first day of each and every calendar month thereafter during the term, except that the first three installments of Monthly Rent shall be abated on hundred percent (100%) in Lease Year One equal to $19,688.00. In the event that the Lease Term commences on a day other than the first day of a calendar month or ends on a day other than the last day of a calendar month, then the Basic Monthly Rent for such periods shall be computed on a per diem basis by dividing the Basic Monthly Rent by thirty (30). Rent shall be paid to Landlord (or its agent) as specified in Section 1(a)8, or to such other persons or at such other address as Landlord may designate from time to time.

(b) Adjustments to Minimum Annual Rent. On the first day of the second Lease Year, and on the first day of each Lease Year thereafter during the Lease Term, the Minimum Annual Rent (then in effect) shall be increased in accordance with the provisions of Section 1(a)9 of this Lease.

(c) Additional Rent.

Unless otherwise expressly specified herein, Additional Rent shall be paid by Tenant with the installment of Basic Monthly Rent thereafter falling due, without notice or demand, and without set-off, deduction or abatement of any kind. Additional Rent shall include, but not be limited to:

Commencing on the anniversary of the Lease Commencement Date, and continuing throughout the Lease Term, Tenant shall pay to Landlord, as Additional Rent, its Proportionate Share of Total Building Rentable Area as set forth in Section 1(a)5(i) of any increase in the Operating Expenses incurred by Landlord in the operation of the Building during any calendar year over the Minimum Operating Expenses Amount specified in Section 1(a)14(i). As used herein, the "Operating Expenses" shall mean any and all expenses incurred by Landlord in connection with owning, managing, operating, maintaining, servicing, insuring and repairing the Building and the land hereunder and other related exterior appurtenances, including but not limited to: (1) wages and salaries of all employees engaged in the management, operation or maintenance of the Building, including taxes, insurance and benefits relating hereto; (2) all supplies, materials, equipment and tools used in the operation or maintenance of the Building; (3) cost of all maintenance and service agreements for the Building and the equipment therein, including but not limited to controlled access and energy management services, window cleaning, elevator maintenance, char and cleaning supplies; (4) cost of all insurance relating to the Building, including, without limitation, the cost of casualty, liability and rent loss insurance applicable to the Building and Landlord's personal property used in connection therewith; (5) general and special repairs and maintenance; (6) management fees; (7) legal, accounting, auditing and other professional fees; (8) the cost of any additional services not provided to the Building at the Lease Commencement Date of the Lease Term, but thereafter provided by Landlord in the prudent management of the Building including without limitation, the costs incurred to operate any shared conference facilities or other common area amenities; (9) reasonable reserves for replacements, repairs and contingencies;; (11) costs for utility services such as electricity, gas and/or oil, water and sewage, including the cost of heating and cooling the Building; (12) the

Notwithstanding anything in this Lease to the contrary, the preceding list is for definitional purposes only and shall not impose any obligation upon Landlord to incur such expenses or provide such services. Notwithstanding anything to the contrary herein, the cost of electricity, gas, water and sewer and char service for all calendar months during which the average percentage occupancy of the Building falls below one hundred percent (100%) shall be "grossed up" to amounts that approximate such costs as if the Building was one hundred percent (100%) occupied for those months. Notwithstanding the above, Operating Expenses shall not include the Operating Costs listed in the next paragraph below.

(iii) Operating Costs. Commencing on the anniversary of the Lease Commencement Date, and continuing throughout the Lease Term, Tenant shall pay to Landlord, as Additional Rent, its Proportionate Share of Total Office Rentable Area as set forth in Section 1(a)5(ii) of any increase in the Operating Costs incurred by Landlord in the operation of the Building during any calendar year over the Minimum Operating Costs Amount specified in Section 1(a)14(ii). As used herein, the "Operating Costs" shall mean the cost of (1) char service, cleaning supplies and trash removal except to the extent such services are also provided to the retail tenants in the Building (and classified as Operating Expenses); (2) electricity, gas and/or oil for the Building (unless and to the extent shared by retail tenants and therefore classified as Operating Expenses); (3) elevator maintenance and operations except to the extent the elevators service the retail tenants in the Building (and therefore classified as Operating Expenses); and (4) certain of repairs and maintenance that benefit the rentable area of the office portion of the Building while providing no significant benefit to the rentable area of the retail portion of the Building. Notwithstanding anything in this Lease to the contrary, the preceding list is for definitional purposes only and shall not impose any obligation upon Landlord to incur such expenses or provide such services. Notwithstanding anything to the contrary herein, the cost of electricity, gas, water and sewer and char service for all calendar months during which the average percentage occupancy of the Building falls below one hundred percent (100%) shall be "grossed up" to amounts that approximate such costs as if the Building was one hundred percent (100%) occupied for those months.

Notwithstanding anything to the contrary contained herein, Operating Expenses and Operating Costs shall not include the following:

(1) Payments of principal or other finance charges made on any debt, or the amortization of funds borrowed by Landlord;

(2) Ground rent or other payments made under any ground lease or underlying lease (excepting amounts paid for Real Estate Taxes required thereunder);

(iv) Real Estate Taxes. Commencing on the anniversary of the Lease Commencement Date, Tenant shall pay to Landlord, as Additional Rent, its Proportionate Share as set forth in Section 1(a)5(i) of any increase in the Real Estate Taxes (as hereinafter defined) over the Minimum Real Estate Taxes specified in Section 1(a)15. The term "Real Estate Taxes" shall mean all taxes and assessments, general and special, ordinary and extraordinary, foreseen and unforeseen, now or hereafter assessed, levied or imposed upon the Building, and the land on which it is built, including, without limitation, vault fees and charges, arena taxes, front foot benefit charges and adequate public facility costs and assessments, together with (i) any tax, assessment, or other imposition in the nature of a real estate tax, (ii) any ad valorem tax on rent or any tax on income if imposed in lieu of or in addition to real estate taxes and assessments, and (iii) any taxes and assessments which may hereafter be substituted for real estate taxes, including by way of illustration only, any tax, assessment or other imposition (whether a business rental or other tax) now or hereafter levied upon Landlord for Tenant's use or occupancy of or conduct of business at the Leased Premises, or Tenant's improvements to or furniture, fixtures or equipment in the Leased Premises. In the event that Landlord elects to contest Real Estate Taxes, then reasonable expenses incurred by Landlord in obtaining or attempting to obtain a reduction of any Real Estate Taxes shall be added to and included in Real Estate Taxes. The Real Estate Taxes for any calendar year shall mean the Real Estate Taxes actually paid or due to be paid during such calendar year, whether such Real Estate Taxes relates to such calendar year or a fiscal year. Real Estate Taxes which are being contested by Landlord shall nevertheless be included for purposes of the computation of the liability of Tenant under this Section. Real Estate Taxes shall not include any federal, state or local tax or income or any inheritance, estate, succession, transfer, gift, franchise or corporation tax, nor shall real estate taxes include any interest or penalties. Landlord shall have no obligation to contest, object or litigate the levying or imposition of the Real Estate Taxes and may settle, compromise, consent to, waive, or otherwise determine in its discretion the Real Estate Taxes without consent or approval of Tenant.

(v) Landlord's Enforcement Costs. Additional Rent shall include any and all expenses incurred by Landlord, including reasonable attorneys' fees, for the collection of monies due from Tenant and the enforcement of Tenant's obligations under the provisions of this Lease. When Landlord, at Tenant's expense, performs an obligation of Tenant pursuant to the terms of this Lease, the costs and expenses (including overhead) incurred by Landlord in performance of such obligations shall be Additional Rent.

(d) Additional Rent Estimates and Adjustments.

(i) In order to provide for current monthly payments of Additional Rent, Landlord shall submit to Tenant before the beginning of each calendar year a written statement of Landlord's estimate of the amount of the increases described in Sections 5(c)(ii), 5(c)(iii) and 5(c)(iv) above, together with the amount of Tenant's Additional Rent which is estimated to result from such increases. Tenant shall pay each month one-twelfth (1/12th) of Tenant's Proportionate Shares [as described in Sections 1(a)5.(i) and (ii)] of Landlord's estimate of the increase in such year of (A) Operating Expenses over the Minimum Operating Expenses, (B) Operating Costs over the Minimum Operating Costs, and (C) Real Estate Taxes over the Minimum Real Estate Taxes. Landlord may revise its estimate of Operating Expenses, Operating Costs or Real Estate Taxes at any time during a calendar year by written notice to Tenant, setting forth such revised estimate and Tenant's Proportionate Shares of the estimated increases in Operating Expenses, Operating Costs and/or Real Estate Taxes. In such event, all monthly payments made by Tenant after such notice shall be in an amount calculated on the basis of such revised estimate. Tenant shall, in all cases, continue to make monthly payments of Operating Expenses, Operating Costs and Real Estate Taxes Based on the last estimate received from Landlord until it receives a revised or updated estimate.

(ii) If payment of Additional Rent begins on a date other than January 1st under this Lease, in order to provide for current payments of Additional Rent through December 31st of that partial calendar year, Landlord shall submit to Tenant a statement of Landlord's estimate of Tenant's Additional Rent for that partial year, stated in monthly increments, resulting from the charges described in Sections 5(c)(ii), 5(c)(iii) and 5(c)(iv) above. Tenant shall make the monthly incremental payments of estimated Additional Rent together with its installments of Basic Monthly Rent.

(iii) After the end of each calendar year, Landlord will as soon as reasonably practicable submit to Tenant a statement of the actual increases incurred in (a) Operating Expenses for the preceding calendar year over the Minimum Operating Expense Amount, (b) Operating Costs for the preceding calendar year over the Minimum Operating Costs Amount, and (c) Real Estate Taxes for the preceding calendar year over the Minimum Real Estate Taxes. Tenant shall pay Landlord the amounts indicated, if any, within thirty (30) days of Tenant's receipt of such statement. If the amounts paid by Tenant during the previous year exceeded Tenant's Proportionate Share of actual Operating Expenses, Operating Costs and/or Real Estate Taxes increases for the year, the excess shall be credited toward payment of the next installment of Basic Monthly Rent to be paid by Tenant after Tenant receives said statement from Landlord. If the amount paid by Tenant during the last calendar year of the Lease Term exceeds Tenant's Proportionate Share of actual Operating Expenses, Operating Costs and/or Real Estate Taxes increases for such year, Landlord shall pay Tenant the excess amount within thirty (30) days after Landlord's submission to Tenant of the aforesaid operating charge statement for such calendar year.

(iv) Within ten (10) days after receipt of Landlord's statement showing actual figures for the year, Tenant shall have the right to request a detailed statement of Operating Expenses and Operating Costs prepared by Landlord and copies of Real Estate Tax bills, which shall be supplied to Tenant within a reasonable time after Tenant's written request. No such request shall extend the time for payments as set forth in Section 5(c) or Section 5(d)(iii) above. Unless Tenant asserts specific error(s) and supports such errors, in writing, within fifteen (15) days after Landlord has complied with Tenant's request, Tenant shall waive the right to contest the statement of actual figures for the year submitted by Landlord. If it shall be determined that there is an error in Landlord's statement, Tenant shall be entitled to a credit for any overpayment. Any payment, refund or credit made pursuant to Section 5(c) or 5(d) shall be made without prejudice to any right of Tenant to dispute, or of Landlord to correct, any item(s) as billed pursuant to the provision hereof; provided, however, such right to correct or adjust rental payments shall terminate at the expiration of two (2) years after the date any payment shall have become due.

(e) Payment of Rent. In the event Minimum Annual Rent or Additional Rent is not paid when the same is due, a late charge equal to the greater of One Hundred Fifty Dollars ($150.00) or five percent (5%) of the delinquent amount shall be assessed as liquidated damages for the additional administrative charges incurred by Landlord as a result of such late payment. In addition, if any Minimum Annual Rent or Additional Rent is not paid within five (5) days after the same is due, Landlord may, at its option, charge interest thereon at fifteen percent (15%) per annum or the highest legal rate, whichever is lower ("Default Rate") from the due date until the date received by Landlord. No payment by Tenant or receipt by Landlord of lesser amounts of rent than those herein stipulated shall be deemed to be other than on account of the earliest unpaid stipulated rent. No endorsement or statement on any check

or any letter accompanying any check or payment as rent shall be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such rent or pursue any other remedy provided in this Lease. If Landlord receives from Tenant (i) a bounced check, Tenant shall reimburse Landlord, as Additional Rent, for all costs incurred by Landlord in connection with such bounced check, and (ii) two or more returned or "bounced" checks in any twelve (12) month period, Landlord may require all future rent by cashier's or certified check.

(f) Survival of Rent Obligation. The obligation of Tenant with respect to the payment of outstanding Minimum Annual Rent or Additional Rent shall survive the termination of this Lease or assignment thereof.

6. Security Deposit. Tenant has deposited with Landlord simultaneously with the execution of this Lease, the amount stipulated in Section 1(a)13 as a deposit (the "Security Deposit") to secure the prompt performance of Tenant's obligations hereunder. The Security Deposit may be commingled with Landlord's general funds, if permitted by law. Landlord shall have the right, but shall not be obligated, to apply all or any portion of the Security Deposit to cure any default, in which event Tenant shall be obligated to deposit with Landlord the amount necessary to restore the Security Deposit to its original amount within five (5) days after written notice from Landlord. To the extent not forfeited or otherwise used as provided herein, and provided the Leased Premises are vacated in good condition, reasonable wear and tear excepted, as described in Section 15 of this Lease, the Security Deposit shall be returned, without interest, to Tenant within forty-five (45) days after the termination of this Lease.

Landlord shall deliver the Security Deposit to the purchaser or any assignee of Landlord's interest in the Leased Premises or the Building, whereupon Landlord shall be discharged from any further liability with respect to the Security Deposit. This provision shall apply also to any and all subsequent transferors of Landlord's interest in this Lease. If Tenant fails to take possession of the Leased Premises as required by this Lease, the Security Deposit shall not be deemed liquidated damages and Landlord's use of the Security Deposit pursuant to this Section 6 shall not preclude Landlord from recovering from Tenant all additional damages incurred by Landlord.

7. Use of Leased Premises.

(a) Use. Tenant shall use and occupy the Leased Premises for the singular purpose specified in Section 1(a)(12) and for no other purpose whatsoever, and only in accordance with the uses permitted under applicable zoning and other municipal regulations. Tenant shall not use or permit the Leased Premises to be used for any other purpose or purposes without the prior written consent of Landlord, which consent may be granted or withheld in its sole and absolute discretion. Notwithstanding anything in this Lease to the contrary, in no event shall Tenant use or permit any party to use any portion of the Leased Premises for any of the following purposes: (i) training or instruction facility; (ii) classroom; (iii) data center; (iv) telemarketing or call center; (v) sales order center; or (vi) conference facility.

(b) Compliance. Tenant shall, at Tenant's sole expense, after Landlord has delivered the Leased Premises with all Improvements, as described below, having been substantially completed (i) comply with all laws, orders, ordinances, and regulations of federal, state, county and municipal authorities having jurisdiction over the Leased Premises, (ii) comply with any directive, order or citation made pursuant to law by any public officer requiring abatement of any nuisance or which imposes upon Landlord or Tenant any duty or obligation arising from Tenant's occupancy or use of the Leased Premises, or from conditions which have been created by or at the request or insistence of Tenant, or required by reason of a breach of any of Tenant's obligations hereunder or by or through other fault of Tenant ; (iii) comply with all insurance requirements applicable to the Leased Premises; and (iv) cause the Leased Premises to comply with the Americans With Disabilities Act of 1990, 42 U.S.C.12101 et seq., as amended from time to time (the "ADA") and all rules and regulations promulgated to further the purpose of the ADA. If Tenant receives notice of any such directive, order, citation or of any violation of any law, order, ordinance, regulation or any insurance requirement, Tenant shall promptly notify Landlord in writing of such alleged violation and furnish Landlord with a copy of such notice. Except as provided herein with respect to the Landlord's Work, in furtherance of the foregoing, and provided Tenant shall first have obtained Landlord's prior written consent in accordance with the provisions of Section 13 of the Lease (which Tenant agrees to promptly request), Tenant shall, at Tenant's sole cost and expense, make such changes, alterations, renovations or modifications to the Leased Premises in accordance with the provisions of Section 13 of the Lease (except for structural repairs) which are necessitated or required by any such law, ordinance, rule, regulation, directive or insurance requirement. Landlord, at its sole cost and expense

(except to the extent properly included in Operating Expenses or Operating Costs), shall be responsible for correcting any violations of Title III of the Americans with Disabilities Act with respect to the Leased Premises and the Common Areas of the Building, provided that Landlord=s obligation with respect to the Leased Premises shall be limited to violations that arise out of the Landlord Work and/or condition of the Leased Premises prior to the installation of any furniture, equipment and other personal property of Tenant. Notwithstanding the foregoing, Landlord shall have the right to contest any alleged violation in good faith, including, without limitation, the right to apply for and obtain a waiver or deferment of compliance, the right to assert any and all defenses allowed by law and the right to appeal any decisions, judgments or rulings to the fullest extent permitted by law. Landlord, after the exhaustion of any and all rights to appeal or contest, will make all repairs, additions, alterations or improvements necessary to comply with the terms of any final order or judgment. Notwithstanding the foregoing, Tenant, not Landlord, shall be responsible for the correction of any violations that arise out of or in connection with any claims brought under any provision of the Americans with Disabilities Act other than Title III, the specific nature of Tenant's business in the Leased Premises (other than general office use), the acts or omissions of Tenant, its agents, employees or contractors, Tenant's arrangement of any furniture, equipment or other property in the Leased Premises, any repairs, alterations, additions or improvements performed by or on behalf of Tenant (other than the Landlord Work) and any design or configuration of the Leased Premises specifically requested by Tenant after being informed that such design or configuration may not be in strict compliance with the ADA.

(i) Legal. Tenant shall not use or permit the Leased Premises or any part thereof to be used in violation of any present or future applicable law, regulation or ordinance, or of the certificate of occupancy issued for the Building or the Leased Premises, and shall immediately discontinue any use of the Leased Premises which is declared by any governmental authority having jurisdiction to be in violation of law or said certificate of occupancy. Tenant will not use or permit the Leased Premises to be used for any purposes that interfere with the use and enjoyment of the Building by Landlord or the other tenants, or which violate the requirements of any insurance company insuring the Building or its contents, or which, in Landlord's sole discretion, impair the reputation of the Building. Tenant shall refrain from and discontinue such use immediately upon receipt of written notice from Landlord.

(ii) Fire and Safety. Tenant shall not do, or permit anything to be done in the Leased Premises, or bring or keep anything therein, which will in any way increase the rate of fire insurance on the Building, or invalidate or conflict with fire insurance policies on the Building, fixtures or on property kept therein. Tenant agrees that any increases of fire insurance premiums on the Building or contents caused by the occupancy of Tenant and any expense or cost incurred in consequence of negligence or the willful action of Tenant, Tenant's employees, agents, servants, invitees, or licensees shall be deemed Additional Rent and paid as accrued.

(c) Environmental Protection. Tenant and Tenant's employees, contractors and agents shall not dispose of, generate, manufacture, store treat or use any oil, petroleum or chemical liquids or solids, liquid or gaseous products or any hazardous waste or hazardous substance including, without limitation, asbestos (hereinafter collectively referred to as "hazardous waste"), as those terms are used in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, or in any other federal, state or local law governing hazardous substances (hereinafter collectively referred to as the "Act"), as such laws may be amended from time to time at, upon, under or within the Leased Premises or the Building or the land on which it is built, or into the plumbing or sewer or water system servicing the Leased Premises or the Building, nor shall Tenant, its employees or agents cause or permit the discharge, spillage, uncontrolled loss, seepage or filtration of any hazardous waste at, upon, under or within the Leased Premises or the Building or the land or into the plumbing or sewer or water system servicing the same. Tenant shall comply in all respects with the requirements of the Act and related regulations, and shall notify Landlord immediately in the event of its discovery of any hazardous waste at, upon, under or within the Leased Premises or the Building or the land, or of any notice by a governmental authority or private party alleging that a disposal of hazardous waste on or near the Leased Premises may have occurred. Tenant further agrees to provide Landlord full and complete access to any documents or information in Tenant's possession or control relevant to the question of the generation, treatment, storage or disposal of hazardous waste on or near the Leased Premises.

(d) Indemnification. Tenant shall indemnify Landlord against all costs, expenses, liabilities, losses, damages, injunctions, suits, fines, penalties, claims, and demands, including, without limitation, diminution in the value of the land, the Leased Premises or the Building, damages for the loss or restriction on use of rentable or usable space or of any amenity of the land, the Leased Premises or the Building, damages arising from any adverse impact on marketing of space on the land or in the Leased Premises or the Building and reasonable attorneys' fees,

arising out of Tenant's violation of or default in the covenants of this Section 7. The provisions of Sections 7(b) and (c) and this Section 7(d) shall survive the expiration of the Lease Term. This indemnification of Landlord by Tenant also shall include, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal, or restoration work required by any federal, state or local governmental agency or political subdivision because of hazardous waste present in the soil or ground water on or under the land or the Building. Without limiting the foregoing, if the presence of any hazardous waste on the land, the Leased Premises or the Building caused or permitted by Tenant results in any contamination of the land, the Leased Premises or the Building, Tenant shall promptly take all actions at its sole expense as are necessary to return the land, the Leased Premises and/or the Building to the condition existing prior to the introduction of any such hazardous waste to the land, the Leased Premises and/or the Building; provided that Landlord's written approval of such actions shall first be obtained, which approval shall not be unreasonably withheld so long as such actions would not potentially have any material adverse long-term or short-term effect on the land, the Leased Premises or the Building.

(e) Moving and Deliveries. No freight, furniture or other bulky matter of any description shall be received into the Building or carried in the elevators, except at times and by routes authorized by Landlord. Tenant shall give Landlord at least forty-eight (48) hours telephonic notice prior to moving any freight, furniture or other bulky material into or out of the Building. All moving of furniture, material and equipment shall be under the direct control and supervision of Landlord, who shall, however, not be responsible for any damage to or charges for moving same. Tenant shall promptly remove from the public areas within or adjacent to the Building any of Tenant's property delivered or deposited there, and shall be responsible for any damage to the Building or the Leased Premises caused by its moving and deliveries. Landlord may repair any such damage at Tenant's expense, and Tenant shall pay the cost therefor to Landlord upon demand as Additional Rent.

(f) Excessive Floor Load. Landlord shall have the right to prescribe the weight and method of installation and position of safes or other heavy fixtures or equipment. Tenant will not, without Landlord's prior written approval, install in the Leased Premises any fixtures, equipment or machinery that will place a load upon the floor exceeding the designed floor load capacity. Tenant shall be liable for all damage done to the Building by installing or removing a safe or any other article of Tenant's office equipment, or due to its being in the Leased Premises. Landlord shall repair any such damage at Tenant's expense, and Tenant shall pay the cost therefor to Landlord upon demand, as Additional Rent.

8. Taxes on Tenant's Property. Tenant shall be liable for, and shall pay at least ten (10) days before delinquency, all taxes levied against any personal property or trade fixtures placed by Tenant in or about the Leased Premises. If any such taxes on Tenant's personal property or trade fixtures are levied against Landlord or Landlord's property, or if the assessed value of the Leased Premises is increased by the inclusion therein of a value placed upon such personal property or trade fixtures of Tenant, and if Landlord, after written notice to Tenant, pays the taxes Based upon such increased assessments (which Landlord shall have the right to do regardless of the validity thereof, but under protest if requested by Tenant), Tenant shall upon demand repay to Landlord a sum equal to the taxes levied against Landlord or the portion of such taxes resulting from such increase in the assessment; provided that, in any such event, Tenant shall have the right, at Tenant's sole cost and expense, to bring suit to recover the amount of any such taxes so paid under protest, and any amount so recovered shall belong to Tenant.

9. Rules and Regulations. Tenant covenants on behalf of itself, its employees, agents, licensees and invitees to comply with the rules and regulations set forth in Exhibit C, which is attached hereto and made a part hereof (the "Rules and Regulations"). Landlord shall have the right, in its sole discretion, to make reasonable additions and amendments to the Rules and Regulations from time to time and Tenant covenants that Tenant, its employees, agents, licensees and invitees will comply with additions and amendments to the Rules and Regulations upon Landlord's provision to Tenant of a written copy of the same. . Nothing contained in this Lease shall be construed to impose upon Landlord any duty or obligation to enforce the Rules and Regulations, or any amendments or additions thereto, against any other tenant. Landlord shall have no liability to Tenant or any other party for violations of the Rules and Regulations by any party whatsoever. If there is any inconsistency between this Lease and the Rules and Regulations, the Lease shall govern.

10. Utilities and Services.

(a) Building Standard Services and Utilities. Landlord shall furnish sufficient electric current for routine and normal requirements for lighting and typical office equipment and machinery, such as personal computers, small copiers and similar items, subject to the limitations of Section 10(d) and shall furnish water for lavatory and drinking purposes, lavatory supplies, and nightly cleaning and janitorial services Monday through Friday [exclusive of the Building Holidays specified in Section 1(a)17], all without additional cost to Tenant. Landlord further agrees to furnish heating and cooling during the appropriate seasons of the year, during the Standard Building Operating Hours and on the days set forth in Section 1(a)16, exclusive of the Building Holidays specified in Section 1(a)17, with holidays falling on Saturday observed both on said day and on the preceding Friday, and holidays falling on Sunday observed on the following Monday.

(b) Overtime Services. Should Tenant require heating and cooling services beyond the hours stipulated in Section 10(a), Landlord will furnish such additional service at the then-prevailing hourly rate, as established by Landlord from time to time, provided that Tenant gives Landlord no less than twenty-four (24) business hours advance written notice of the need therefor.

(c) Interruption of Service. Landlord reserves the right to interrupt service of the heat, plumbing, air conditioning, cooling, electric, and sewer and water systems, when necessary, by reason of accident, or of repairs, alterations or improvements which in the judgment of Landlord are desirable or necessary to be made, until such repairs, alterations or improvements shall have been completed. Landlord shall provide Tenant with reasonable notice of such interruptions. Landlord shall have no responsibility or liability for failure to supply heat, plumbing, air conditioning, cooling, electric, and sewer and water service, or other service or act for the benefit of Tenant, when prevented from so doing by strikes, accidents or by any other causes beyond Landlord's reasonable control, or by orders or regulations of any federal, state, county, or municipal authority, or by any failure to receive suitable fuel supply not due to Landlord's failure, or inability despite exercise of reasonable diligence to obtain the regularly-used fuel or other suitable substitute; and Tenant agrees that Tenant shall have no claim for damages nor shall there be any abatement of Minimum Annual Rent in the event that any of said systems or service shall shall fail to function for the above stated reasons. If any public utility supplying any utility to the Building, or any law, order or regulation of any federal, state county or municipal authority requires that Landlord or Tenant must reduce or maintain a certain level of consumption of electricity or any other utility or interior temperature for the Leased Premises or the Building, which affects the normal business hours or the provision of any utility the Leased Premises or the Building, Landlord and Tenant shall each adhere to and abide by such requirement without any reduction in rent or in any of Tenant's other obligations hereunder.

Landlord may make periodic inspections of the Leased Premises at reasonable times to determine that Tenant's electrically operated equipment and machinery complies with the provisions of this Section and Section 10(e).

(ii)

Landlord shall not be liable for its failure to maintain comfortable atmospheric conditions in all or any portion of the Leased Premises, due to heat generated by any equipment or machinery installed by Tenant (with or without Landlord's consent) that exceeds generally-accepted engineering design practices for normal office purposes. If Tenant desires additional cooling to offset excessive heat generated by such equipment or machinery, Tenant shall pay for auxiliary cooling equipment and its operating costs, including without limitation electricity, gas, oil and water, or for excess electrical consumption by the existing cooling system, as appropriate.

In the event that Landlord, in the exercise of its sole and absolute discretion, elects to undertake any security measures, such security measures: (i) shall be for the protection of the Building only, and (ii) shall not be relied upon by Tenant to protect Tenant, its property, its employees and/or their property.

Tenant agrees to report immediately in writing to Landlord any defective condition in or about the Leased Premises known to Tenant which Landlord is required to repair, and a failure to so report shall make Tenant liable to Landlord for any expense, damage or liability resulting from the failure to report such defects. Tenant waives the right to make repairs at Landlord's expense under any law, statute or ordinance now or hereafter in effect. Landlord reserves the right at any time and from time to time, as often as Landlord deems desirable, without the same constituting an actual or constructive eviction and without incurring any liability to Tenant or otherwise affecting Tenant's obligations under this Lease, to make changes, alterations, additions, improvements, repairs, relocations or replacements in or to the Building and the fixtures and equipment thereof. Landlord shall use reasonable efforts not to disturb Tenant's business operations when making repairs to the Leased Premises or the Building. Nothing contained herein shall be deemed to relieve Tenant of any duty, obligation or liability with respect to making any repair, replacement or improvement or complying with any law, order or requirement of any government or other authority.

(b) Tenant Responsibilities. Tenant shall pay all costs to make such changes, replacements or additions. Any approved Alterations shall be made by licensed and bonded contractors and mechanics approved by Landlord, in accordance with (i) the applicable laws and ordinances of any public authority having jurisdiction over the Building, (ii) the building code and zoning regulations of any such authority, and (iii) any rules and regulations established from time to time by the Underwriters Association of the local area. Prior to commencing construction of any approved Alteration, Tenant shall obtain any necessary building permits and shall deliver copies of such permits to Landlord. Landlord, in Landlord's sole discretion, may require as a condition precedent to the commencement of construction of any Alteration that Tenant: (I) furnish evidence to Landlord that Tenant and Tenant's contractors carry insurance as specified in Sections 27(a)(i) and 27(a)(iii) hereof and such additional insurance as Landlord may reasonably require, and (II) deliver partial and final lien waivers and releases from any general contractor and any subcontractors performing work. All Alterations shall be performed in a good and workmanlike manner using only new and first-class quality furnishings, fixtures, equipment and materials to assure that the Leased Premises is constructed and maintained in a first-class, modern and attractive condition. All Alterations shall be performed without interference with the work or business operations of Landlord or of the other tenants of the Building. Tenant and Tenant's contractors shall be responsible for the transportation, safe-keeping and storage of materials and equipment used in the performance of Alterations and for the removal of waste and debris resulting from the performance of Alterations (it being agreed that prior to removal, all such materials, equipment, waste and debris shall be stored safely by Tenant within the Leased Premises). Tenant will defend, indemnify and hold Landlord harmless from and against any and all expenses, liens, claims or damages, including attorneys' fees, for injury to person or property which may or might arise, directly or indirectly, by reason of the making of any Alterations. If any Alteration is effected without the prior written consent of Landlord, Landlord may remove or correct the same and Tenant shall be liable for any and all expenses of this work. All rights given to Landlord herein shall be in addition to any other right or remedy of Landlord contained in this Lease. Tenant hereby agrees that all Alterations made in, to, or on the Leased Premises shall, unless otherwise provided by written agreement, be the property of Landlord and shall remain upon and be surrendered with the Leased Premises on the Expiration Date or other termination of this Lease. At Landlord's request, any or all Alterations to the Leased Premises made during the Lease Term shall be removed by Tenant at its sole cost, and the Leased Premises shall be restored to their original condition by the Expiration Date, ordinary wear and tear excepted. Should Tenant fail to remove the same, Landlord may cause the same to be removed at Tenant's expense and Tenant hereby agrees to reimburse Landlord for the cost of such removal together with any and all damages which Landlord may suffer and sustain by reason of the failure of Tenant to remove the same.

(b) Low Voltage Cabling.

(i) The provisions of this Section 13(b) shall apply only to any new low-voltage control voice, data, video, audio, and other low-voltage control transport system cabling and/or cable bundles installed by Tenant after the date of this Lease in or serving the Leased Premises. The provisions of this Section 13(b) shall not apply to any such cabling and/or cable bundles in or serving the Leased Premises and installed prior to the date of this Lease.

applicable, and such other information as Landlord may request. The routing plan shall be available to Landlord and its Agents at the Building upon request.

(iii) Notwithstanding any provision of this Lease to the contrary, Landlord, at the expiration or earlier termination of the term of this Lease, may elect to require Tenant to remove all or any part of the voice, data, video, audio, and other low-voltage control transport system cabling and/or cable bundles installed by Landlord or Tenant in connection with the Tenant Work or any subsequent Alterations made by in or to the Leased Premises and to repair any damage caused by the removal of such cabling, wiring and/or conduit. Removal of any such cabling, wiring and/or conduit and repair of the Leased Premises shall be at Tenant's sole cost and expense, and Tenant agrees, at Landlord's election, (i) to remove all such cabling, wiring and/or conduit and repair any damage caused by said removal, or (ii) pay Landlord, as additional rent, for all costs incurred by Landlord to undertake such removal and repairs.

14. Common Areas.

(a) Common Areas Defined. In this Lease, "common areas" means all areas, facilities and improvements provided, from time to time, in the Building for the mutual convenience and use of tenants or other occupants of the Building, their respective agents, employees, and invitees and shall include, if provided, but shall not be limited to, the lobbies and hallways, the public restrooms, the parking areas and facilities, access roads, driveways, retaining walls, sidewalks, walkways, landscaped areas, and exterior lighting facilities.

Landlord shall, as between Landlord and Tenant, at all times during the term of the Lease have the sole and exclusive control, management and direction of the common areas, and may at any time and from time to time during the term exclude and restrain any person from use or occupancy thereof, excepting, however, Tenant and other tenants of Landlord and bona fide invitees of either who make use of said areas in accordance with the rules and regulations established by Landlord from time to time with respect thereto. The rights of Tenant in and to the common areas shall at all times be subject to the rights of others to use the same in common with Tenant, and it shall be the duty of Tenant to keep all of said areas free and clear of any obstructions created or permitted by Tenant or resulting from Tenant's operation. Landlord may at any time and from time to time close all or any portion of the common areas to make repairs or changes or to such extent as may, in the opinion of Landlord, be necessary to prevent a dedication thereof or the accrual of any rights to any person or to the public therein, to close temporarily any or all portions of the said areas to discourage noncustomer parking, and to do and perform such other acts in and to said areas as, in the exercise of good business judgment, Landlord shall determine to be advisable with a view to the improvement of the convenience and use thereof by tenants, their employees, agents, and invitees.

(c) Changes and Additions. Landlord reserves the right at any time and from time to time, as often as Landlord deems desirable, to make changes, alterations, additions, improvements, repairs, relocations or replacements in or to the Building and the fixtures and equipment thereof, as well as in or to the street entrances, halls, passages, stairways and other common facilities thereof, and to change the name by which the Building is commonly known and/or the Building's address. Landlord shall provide Tenant with reasonable prior notice of any such work to be performed. Nothing contained herein shall be deemed to relieve Tenant of any duty, obligation or liability with respect to making any repair, replacement or improvement or complying with any law, order or requirement of any government or other authority and nothing contained herein shall be deemed or construed to impose upon Landlord any obligation, responsibility or liability whatsoever, for the care, supervision or repair of the building, or any part thereof, other than expressly provided in this Lease. Notwithstanding the foregoing, in the exercise of any of Landlord's rights granted pursuant to this Section 14(c), Landlord agrees to use commercially reasonable efforts to minimize interference with Tenant's business operations.

15. Surrender and Inspection.

(a) Surrender. Upon the Expiration Date or other termination of the term of this Lease, Tenant shall quit and surrender the Leased Premises to the Landlord in as good order and condition as when received, ordinary wear and tear excepted, and Tenant shall remove all of its property from the Leased Premises by the Expiration Date or other termination of this Lease. Tenant's obligation to observe or perform this covenant shall survive the expiration or other termination of this Lease.

(b) Inspection. Tenant shall have the right to be present at time of final inspection of the Leased Premises to determine if any damages were done thereto. The notice of Tenant's desire to be present at the final inspection of the Leased Premises shall be given at least fifteen (15) days prior to the date of moving. Upon receipt of such notice, Landlord shall notify Tenant of time and date when the Leased Premises are to be inspected. The inspection shall occur within five (5) days before or five (5) days after Tenant's date of moving, said inspection date to be designated by Landlord. Tenant shall be deemed to have been advised of its rights under this Section by execution of this Lease.

(c) Fixtures and Personal Property Remaining. If Tenant does not remove Tenant's furniture, equipment, machinery, trade fixtures, floor coverings and all other items of personal property of every kind and description from the Leased Premises prior to the Expiration Date, then Tenant shall be conclusively presumed to have conveyed the same to Landlord under this Lease as a bill of sale without further payment or credit by Landlord to Tenant.

16. Tenant Holding Over. In the event that Tenant, without the consent of Landlord, shall hold over the expiration of the term hereby created, then Tenant shall become a Tenant of sufferance only, at a monthly rent which is 150% of the Basic Monthly Rent applicable to the last month of the Lease Term, and otherwise subject to the terms, covenants and conditions herein specified. Tenant expressly agrees to hold Landlord harmless from all loss and damages, direct and consequential, which Landlord may suffer in defense of claims by other parties against Landlord arising out of the holding over by Tenant, including, without limitation, any attorneys' fees, which may be incurred by Landlord in defense of such claims. Acceptance of rent by Landlord subsequent to the expiration of the Lease Term shall not constitute consent to any holding over. Landlord shall have the right to apply all payment received after the expiration date of this Lease toward payment for use and occupancy of the Leased Premises subsequent to the expiration of the Lease Term and toward any other sums owed by Tenant to Landlord. Landlord, at its option, may forthwith re-enter and take possession of the Leased Premises without process, or by any legal process in force.

17. Covenant Against Assignment and Subletting.

(a) Consent. Tenant will not sublet the Leased Premises or any part thereof or transfer possession or occupancy thereof to any person, firm or corporation, or transfer or assign this Lease, without the prior written consent of Landlord, which consent shall not be unreasonably withheld by Landlord. Tenant shall not encumber the Lease or any interest therein nor grant any franchise, concession license or permit arrangement with respect to the Leased Premises or any portion thereof. A sale, transfer, assignment or other conveyance of a general partnership or joint venture, or a transfer of more than a twenty percent (20%) stock interest, if Tenant is a corporation, or a transfer of more than a twenty percent (20%) membership interest in Tenant if Tenant is a limited liability company, shall be an assignment for purposes hereof. Tenant shall not modify, extend or amend a sublease previously consented to by Landlord without obtaining Landlord's consent thereto.

(b) Assignment. In the event Tenant desires to assign this Lease, Tenant shall give to Landlord written notice of Tenant's desire to do so, which notice shall be accompanied by the "Required Information" (as hereinafter defined). Within thirty (30) days of receipt of said notice and the Required Information, Landlord shall have the right to terminate this Lease on a date to be agreed upon by Landlord and Tenant. If Landlord exercises its right terminate this Lease, Tenant agrees that Landlord shall have access to the Leased Premises thirty (30) days prior to the effective termination date for remodeling or redecorating purposes, or to show the Leased Premises to prospective tenants.

(c) Subletting. In the event Tenant desires to sublet all or any part of the Leased Premises, Tenant shall give to Landlord written notice of Tenant's desire to do so, which notice shall be accompanied by the

Required Information. Within thirty (30) days of receipt of said notice and Required Information, Landlord shall have the right (i) to terminate this Lease on a date to be agreed upon by Landlord and Tenant; or (ii) with Tenant's consent, to terminate this Lease and to enter into a new lease with Tenant for that portion of the Leased Premises Tenant desires to retain, upon terms to be mutually agreed upon; or (iii) to sublease from Tenant at the same rental rate then being paid by Tenant and subsequently to relet that portion of the Leased Premises. If Landlord exercises its right to terminate this Lease or to sublet a portion of the Leased Premises, Tenant agrees that Landlord shall have access to all of or such portion of the Leased Premises thirty (30) days prior to the effective termination or sublease commencement date for remodeling or redecorating purposes, or to show the same to prospective tenants.

(d) Required Information. If Tenant should desire to assign this Lease or sublet the Leased Premises (or any part thereof), Tenant shall give Landlord written notice no later than thirty (30) days in advance of the proposed effective date of such proposed assignment or sublease, which notice shall specify the following information (such information shall be collectively referred to as the "Required Information"): (i) the name, current address and business of the proposed assignee or sublessee, (ii) the amount and location of the space within the Leased Premises proposed to be so subleased, (iii) the proposed effective date and duration of the assignment or subletting, and (iv) the proposed rent and other consideration to be paid to Tenant by such assignee or sublessee. Such notice shall be accompanied by a certified check payable to Landlord in the amount of Five Hundred and 00/100 Dollars ($500.00) to reimburse Landlord for its administrative costs in processing Tenant's request. Tenant also shall promptly supply Landlord with financial statements and other information as Landlord may reasonably request to evaluate the proposed assignment or sublease.

(e) Fees; Documents. Tenant shall deliver to Landlord copies of all documents executed in connection with any proposed assignment or subletting, which documents shall be in form and substance reasonably satisfactory to Landlord and which documents, (i) in the case of permitted assignment, shall require such assignee to assume performance of all terms of this Lease on Tenant's part to be performed, and (ii) in the case of permitted subletting shall require such sublessee to comply with all terms of this Lease on Tenant's part to be performed. No acceptance by Landlord of any Basic Monthly Rent or any other sum of money from any assignee, sublessee or other category of transferee shall be deemed to constitute Landlord's consent to any assignment, sublease, or transfer.

(f) No Release. Any attempted assignment or sublease by Tenant in violation of the terms and provisions of this Section 17 shall be void and shall constitute a material breach of this Lease. In the event Landlord consents to any assignment or sublease on one occasion, such consent shall not affect Tenant's obligation to comply with the provisions of Section 17 of this Lease with respect to any future assignment or sublease.

(g) Tenant Liability. In the event of any subletting of all or any portion of the Leased Premises by Tenant, with or without Landlord's consent, Tenant shall remain primarily liable to Landlord for the payment of the rent stipulated herein and for the performance of all other covenants and conditions contained herein.

(h) Additional Consideration. Landlord shall be entitled to any and all consideration received by Tenant in the aggregate from any assignment of the Lease and/or any subletting of the Premises over and above the rent and charges due to Landlord from Tenant under the terms of this Lease.

18. Intentionally Omitted.

(a)

19. Default. Each of the following shall be deemed a default by Tenant and a breach of this Lease:

(a) A failure by Tenant to pay when due Minimum Annual Rent or Additional Rent herein reserved which continues for ten (10) days after written notice from Landlord;

(b) A failure by Tenant in the performance of any other term, covenant, agreement or condition of this Lease on the part of Tenant to be performed which continues for ten (10) days after written notice from Landlord;

(c)

(e)

(f)

(g) Tenant's causing or permitting the Leased Premises to be vacant, or an abandonment of the Leased Premises by Tenant;

(h)

(a) Right to Cure. Landlord shall have the right, immediately or at any time thereafter, without further notice to Tenant (unless otherwise provided herein), to enter the Leased Premises, without terminating this Lease or being guilty of trespass, and do any and all acts as Landlord may deem necessary, proper or convenient to cure such default, for the account and at the expense of Tenant , and Tenant agrees to pay to Landlord as Additional Rent all damage and/or expense incurred by Landlord in so doing, including interest at the Default Rate, from the due date until the date payment is received by Landlord.

(b)

(c) Termination. Landlord shall have the right to terminate this Lease and Tenant's right to possession of the Leased Premises. Landlord shall be entitled to recover damages from Tenant in an amount equal to the amount herein covenanted to be paid as Minimum Annual Rent during the remainder of the Lease Term, said Minimum Annual Rent and Additional Rent for the full term then remaining having been fully accelerated at the option of Landlord, together with (i) all expenses of any proceedings (including, but not limited to, legal expenses and reasonable attorneys' fees) which may be necessary in order for Landlord to recover possession of the Leased Premises, (ii) the expenses of the re-renting of the Leased Premises (including, but not limited to, any commissions paid to any real estate agent, advertising expense and the costs of such alterations, repairs, replacements and decoration or re-decoration as Landlord, in its sole judgment, considers advisable and necessary for the purpose of re-renting the Leased Premises), and (iii) interest computed at the Default Rate from the due date until paid; provided, however, that there shall be credited against the amount of such damages all amounts received by Landlord from such re-renting of the Leased Premises and such amounts shall be refunded to Tenant. Landlord shall use reasonable efforts to re-let the Leased Premises. No act or thing done by Landlord shall be deemed to be an acceptance of a surrender of the Leased Premises, unless Landlord shall execute a written agreement of surrender with Tenant. Tenant's liability hereunder shall not be terminated by the execution of a new lease of the Leased Premises by Landlord. In the event Landlord does not exercise its option to accelerate the payment of Minimum Annual Rent and Additional Rent as provided hereinabove, then Tenant agrees to pay to Landlord, upon demand, the amount of damages herein provided after the amount of such damages for any month shall have been ascertained; provided, however, that any expenses incurred by Landlord shall be deemed to be a part of the damages for the month in which they were incurred. Separate actions may be maintained each month or at other times by Landlord against Tenant to recover the damages then due, without waiting until the end of the term of this Lease to determine the aggregate amount of such damages. Tenant hereby expressly waives any and all rights of redemption granted by or under any present or future laws in the event of Tenant being evicted or being dispossessed for any cause, or in the event of

Landlord obtaining possession of the Leased Premises by reason of the violation by Tenant of any of the covenants and conditions of this Lease.

Upon any default by Tenant in the payment of Minimum Annual Rent or Additional Rent, Landlord shall have the right, fifteen (15) days after payment of such sum was due, to institute an action of distress therefor, and, upon distress, in Landlord's discretion, this tenancy shall terminate. In the event of such termination, the provisions of Section 20(c) shall be applicable.

(e)

(f) Landlord's Remedies Cumulative. All rights and remedies of Landlord herein enumerated shall be cumulative, and none shall exclude any other right or remedy allowed by law. For the purposes of any suit brought or Based hereon, this Lease shall be construed to be a divisible contract, to the end that successive actions may be maintained on this Lease as successive periodic sums mature hereunder.

(g) Attorneys' Fees. In the event that Landlord incurs any fees or expenses to interpret or enforce the provisions of this Lease, including, without limitation, attorneys' fees and litigation costs, then Tenant shall pay to Landlord such fees and expenses on demand as Additional Rent.

21. Lender Requirements.

(a) Subordination. Tenant agrees that this Lease is subject and subordinate to any and all ground or underlying leases and to the lien of any first mortgages or deeds of trust now on or which at any time may be made a lien upon the Building, or any part thereof, and to all advances, renewals, modifications, consolidations, replacements and extensions made or hereafter to be made upon the security thereof. This subordination provision shall be self-operative and no further instrument of subordination shall be required. Tenant agrees to execute and deliver, upon request, such further instrument or instruments confirming this subordination as shall be desired by Landlord or by any mortgagee or proposed mortgagee or by any ground lessor. Tenant further agrees that, at the option of the holder of any first mortgage or of the trustee under any first deed of trust, this Lease may be made superior to said first mortgage or first deed of trust by the insertion therein of a declaration that this Lease is superior thereto. At the option of any landlord under any ground or underlying lease to which the Lease is now or may hereafter become subject or subordinate, Tenant agrees that neither the cancellation nor termination of such ground or underlying lease shall by operation of law or otherwise, result in cancellation or termination of this Lease or the obligations of Tenant hereunder and Tenant covenants and agrees to attorn to such landlord or to any successor to Landlord's interest in such ground or underlying lease, and, in that event, this Lease shall continue as a direct lease between Tenant and such landlord or its successor; and, in any case, such landlord or successor under such ground or underlying lease shall not be bound by any prepayment on the part of Tenant of any rent for more than one (1) month in advance, so that rent shall be payable under this Lease in accordance with its terms, from the date of the termination of the ground or underlying lease, as if such prepayment had not been made; and provided, further, not be bound by this Lease or any amendment or modification of this Lease unless prior to the termination of such ground or underlying lease, a copy of this Lease or amendment or modification thereof, as the case may be, shall have been delivered to such landlord or successor by Tenant.

(b) Attornment. In the event any proceedings are brought for the foreclosure of, or in the event of exercise of the power of sale under, any deed of trust to secure debt given by Landlord and covering the Leased Premises, the party secured by any such deed of trust shall have the right to recognize this Lease and, in the event of any foreclosure sale under such deed of trust, this Lease shall continue in full force and effect at the option of the party secured by such deed of trust or the purchaser under any such foreclosure sale. If such party elects to recognize this Lease, then (x) Tenant shall attorn to the purchaser upon any such foreclosure or sale and recognize such purchaser as the owner and landlord under this Lease, and (y) such party, as Landlord: (i) shall recognize Tenant's rights to continue to occupy the Leased Premises and exercise and enjoy all of its rights to continue to occupy the Leased Premises and exercise and enjoy all of its rights hereunder, and so long as Tenant complies with the terms and provisions of this Lease; (ii) shall not be bound by payments of Minimum Annual Rent or Additional Rent more than one (1) month in advance of their due date; ; and (vi) shall have no liability for any default by any predecessor Landlord.

(c) Notice of Default. Tenant agrees to give any mortgagee(s) and/or trust deed holder(s), by certified or registered mail, postage prepaid, return receipt requested, a copy of any notice of any failure by Landlord to fulfill any of its obligations under this Lease, provided that prior to such notice Tenant has been notified in writing (by way of notice of assignment of rents and leases, or otherwise) of the addresses of such mortgagee(s) and/or trust deed holder(s). Tenant further agrees that the mortgagee(s) and/or trust deed holder(s) shall have such time as may be necessary to cure such failure as long as any mortgagee(s) and/or trust deed holder(s) has commenced and is diligently pursuing the remedies necessary to cure such failure (including, but not limited to, time to take possession and/or commence foreclosure proceedings, if necessary, to effect such cure). Notwithstanding anything herein to the contrary, so long as any mortgagee(s) and/or trust deed holder(s) has commenced and is diligently pursuing the remedies necessary to cure such failure (including, but not limited to, taking possession and/or commencing foreclosure proceedings, if necessary, to effect such cure), Tenant shall have no right to terminate this Lease as a result of any such failure by Landlord.

(d) Financing. In the event that any mortgage lender providing mortgage financing for the Building requires, as a condition of such financing, that modifications to this Lease be obtained, and provided that such modifications (i) are reasonable, (ii) do not adversely affect Tenant's use of the Leased Premises as herein permitted, and (iii) do not increase the rentals and other sums required to be paid by Tenant hereunder, then Landlord may submit to Tenant a written amendment to this Lease incorporating such required modifications, and, in the event Tenant does not execute and return to Landlord such written amendment within thirty (30) days after the same has been submitted to Tenant, then Landlord shall thereafter have the right, at its sole option, to terminate this Lease. Such option shall be exercisable by Landlord giving Tenant written notice of termination, immediately whereupon this Lease shall be terminated, and money or security therefor deposited by Tenant with Landlord shall be returned to Tenant, and both Landlord and Tenant shall thereupon be relieved from any and all further liability or obligation hereunder.

(e)

(f) Assignment of Rents. If, at any time and from time to time, Landlord assigns this Lease or the rents payable hereunder to the holder of any mortgage or deed of trust on the Leased Premises or the Building, or to any other party for the purpose of securing financing (the holder of any such mortgage and any other party such financing party are referred herein as the "Financing Party"), whether such assignment is conditional in nature or otherwise, the following provisions shall apply.

(i) Such assignment to the Financing Party shall not be deemed an assumption by the Financing Party of any obligations of Landlord hereunder unless such Financing Party shall, by written notice to Tenant, specifically otherwise elect.

(ii) Except as provided in (i) above, the Financing Party shall be treated as having assumed Landlord's obligations hereunder [subject to Sections 21(b) and 36 of this Lease,] only upon foreclosure of its mortgage or deed of trust (or voluntary conveyance by deed in lieu thereof) and the taking of possession of the Leased Premises from and after foreclosure.

(iii) Tenant hereby agrees to enter into such agreements or instruments as may, from time to time, be requested in confirmation of the foregoing.

22. Estoppel Certificates. Tenant agrees, at any time and from time to time, upon ten (10) days prior written notice by Landlord, to execute, acknowledge and deliver to Landlord a written estoppel certificate (i) certifying that this Lease is unmodified and in full force and effect (or if there have been modifications, stating the nature of same), (ii) stating the Lease Commencement Date and the Expiration Date of the Lease Term, (iii) stating the amounts of Minimum Annual Rent and Additional Rent and the dates to which the Minimum Annual Rent and Additional Rent have been paid by Tenant, (iv) stating the amount of any Security Deposit, (v) stating whether or not to the knowledge of Tenant, Landlord is in default in the performance of any covenant, agreement or condition contained in this Lease, and, if so, specifying each such default of which Tenant may have knowledge, (vi) stating that Tenant has no right to setoff and no defense against payment of the Minimum Annual Rent or Additional Rent, (vii) stating the address to which notices to Tenant should be sent, and (viii) certifying such other matters as may reasonably be requested by Landlord. Any such certificate delivered pursuant hereto may be relied upon by an owner of the Building, any

prospective purchaser of the Building, any mortgagee or prospective mortgagee of the Building or of Landlord's interest therein, or any prospective assignee of any such mortgage. Failure to deliver the aforesaid certificate within the ten (10) days shall be conclusive upon Tenant for the benefit of Landlord and any successor to Landlord that this Lease is in full force and effect and has not been modified except as may be represented by the party requesting the certificate.

23. Damage by Fire or Other Casualty. If the Leased Premises shall be damaged by fire or other casualty:

(a) Except as otherwise provided in subparagraphs (b) and (d) hereof, Landlord, at Landlord's expense, shall promptly restore the Leased Premises, and Tenant, at Tenant's sole expense, shall promptly restore all leasehold improvements installed in the Leased Premises by Tenant or at Tenant's request and its own furniture, furnishings, trade fixtures and equipment. No penalty shall accrue for reasonable delay which may arise by reason of adjustment of insurance on the part of Landlord, or on account of labor problems, or any other cause beyond Landlord's reasonable control. If the damage or destruction is such as to make the Leased Premises or any substantial part thereof untenantable (in Landlord's reasonable judgment), and provided that such damage or destruction is not due in whole or part to the act or omission of Tenant or Tenant's agents, employees or invitees, the Minimum Annual Rent shall abate proportionately (Based on proportion of the number of square feet rendered untenantable to the total number of square feet of the Leased Premises), from the date of the damage or destruction until the date the Leased Premises has been restored by Landlord.

(b) If the Leased Premises are substantially damaged or are rendered substantially untenantable by fire or other casualty, or if Landlord's architect certifies that the Leased Premises cannot be repaired within ninety (90) working days of normal working hours, said period commencing with the start of the repair work, or if Landlord shall decide not to restore or repair the same, or if more than fifty percent (50%) of the rentable area of the Building is rendered untenantable (even if the Leased Premises is undamaged) or if Landlord shall decide to demolish the Building or not to rebuild it, then Landlord may, within ninety (90) days after such fire or other casualty, terminate this Lease by giving Tenant a notice in writing of such decision, and thereupon the term of this Lease shall expire by lapse of time upon the third day after such notice is given, and Tenant shall vacate the Leased Premises and surrender the same to Landlord. Upon the termination of this Lease under the conditions hereinbefore provided, Tenant's liability for Minimum Annual Rent and Additional Rent shall cease as of the day following the casualty.

(c) The proceeds payable under all casualty insurance policies maintained by Landlord on the Leased Premises shall belong to and be the property of Landlord, and Tenant shall not have any interest in such proceeds. Tenant agrees to look to Tenant's casualty insurance policies for the restoration and replacement of the leasehold improvements installed in the Leased Premises and Tenant's fixtures, equipment and furnishings in the Leased Premises.

(d) Notwithstanding anything to the contrary in this Section 23 or in any other provision of this Lease, any obligation (under this Lease or otherwise) of Landlord to restore all or any portion of the Leased Premises shall be subject to Landlord's receipt of approval of the same by the mortgagee(s), if any, of Landlord (and any other approvals required by applicable laws), as well as receipt of such fire and other hazard insurance policy proceeds from the insurer or from any such mortgagee(s) as may have been assigned such proceeds; it being agreed that if Landlord has not received such approval(s) and proceeds within one hundred and eighty (180) days after any such casualty, then Landlord shall have the option to terminate this Lease, at any time thereafter, upon notice to Tenant.

(e) In the event the Leased Premises is damaged by fire or other casualty, such damage is not caused by Tenant or by its employees, contractors or agents and such damage is not repaired within six (6) months days after the date of the damage, then Tenant shall have the right, exercisable upon written notice to Landlord within ten (10) days after the expiration of such three hundred six (6) month period, to terminate this Lease. In the event that Tenant timely delivers such notice of termination to Landlord, then, unless Landlord, within thirty (30) days after its receipt of such termination notice, delivers the Leased Premises to Tenant in substantially the same condition (excluding Tenant's fixtures, equipment and furnishings) that existed immediately prior to such damage, then this Lease shall terminate and the parties shall be relieved of all further liability hereunder. In the event Tenant fails to timely exercise such termination right, Tenant shall be deemed to have irrevocably waived its right to terminate this Lease on account of such damage.

24. Condemnation. In the event the whole or a substantial part of the Leased Premises or the Building shall be taken for any public or quasi-public purpose by any lawful power or authority by exercise of the right of appropriation, condemnation or eminent domain, or sold to said authority to prevent such taking (collectively referred to herein as a "taking"), Landlord shall have the right to terminate this Lease effective as of the date possession is required to be surrendered to said authority, and the Minimum Annual Rent and Additional Rent shall be apportioned as of the date. For purposes of this section, a substantial part of the Leased Premises or the Building shall be considered to have been taken if, in Landlord's opinion, the taking shall render it commercially undesirable for Landlord to permit this Lease to continue or to continue operating the Leased Premises or the Building. Tenant shall not assert any claim against Landlord or the taking authority for any compensation arising out of or related to such taking and Landlord shall be entitled to receive the entire amount of any award without deduction for any estate or interest of Tenant. If Landlord does not elect to terminate this Lease or if less than a substantial part of the Leased Premises shall be taken hereunder, the Minimum Annual Rent and Additional Rents shall be adjusted (Based on the ratio that the number of square feet of rentable area taken from the Leased Premises bears to the number of rentable square feet in the Leased Premises immediately prior to such taking) as of the date possession is required to be surrendered to said authority. Nothing contained in this section shall be deemed to give Landlord any interest in any award made to Tenant for the taking of personal property and fixtures belonging to Tenant, as long as such award is made in addition to and separately stated from any award made to Landlord for the Leased Premises or the Building. Landlord shall have no obligation to contest any taking.

25. Landlord's Reserved Rights. The Landlord reserves the following rights:

(a) To decorate, remodel, repair, alter or otherwise prepare the Leased Premises for reoccupancy during the last ninety (90) days of the Lease Term, if during or prior to that time Tenant vacates the Leased Premises; and

(b) To show the Leased Premises to prospective tenants or brokers during the last one hundred eighty (180) days of the term of this Lease; to show the Leased Premises to prospective purchasers at all reasonable times provided that prior notice is given to Tenant in each case and that Tenant's use and occupancy of the Leased Premises shall not be materially inconvenienced by any such action of Landlord; and to place and maintain a "FOR RENT" sign on the doors or in the windows of the Leased Premises during the last one hundred eighty (180) days of the term of this Lease.

26. Landlord and Tenant Liability.

(a) Landlord's Liability. Landlord, or its agents, shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, steam, gas, electricity, water, rain, or snow or leaks from any part of the Leased Premises or the Building, including the roof, or from the pipes, conduits, appliances or plumbing works, or from the roof, street or subsurface or from any other place or by dampness or by any other cause of whatsoever nature, unless caused by or due to the negligence of Landlord, its agents, servants, or employees.

(b) Tenant's Liability. Tenant shall reimburse Landlord for all expense, damages or fines, incurred or suffered by Landlord by reason of any breach, violation or nonperformance by Tenant, or its agents, servants, or employees, of any covenant or provision of this Lease or the Rules and Regulations promulgated by Landlord hereunder from time to time, or by reason of damage to persons or property caused by moving property of or for Tenant in or out of the Building, or by the installation or removal of furniture or other property of or for Tenant, or by reason of or arising out of the carelessness, negligence or improper conduct of Tenant, or its agents, servants, employees, invitees or licensees in the use or occupancy of the Leased Premises.

(c) Indemnity. Tenant shall indemnify Landlord and its agents and employees and save them harmless from and against any and all claims, actions, damages, liabilities and expense in connection with loss of life, personal injury and/or damage to property arising out of and attributable to the negligence or acts, or omissions of the Tenant, its agents, contractors, employees, servants, invitees or licensees in, upon or at the Leased Premises or elsewhere in the Building. In the event that Landlord or its agents and employees shall, without fault on its or their part, be made a party to any litigation commenced by or against Tenant, then Tenant shall protect and hold the same harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid in connection with such litigation.

(d) Criminal Acts of Third Parties. Landlord shall not be liable in any manner to Tenant, its agents, employees, licensees, invitees or contractors for any injury or damage to Tenant, Tenant's agents, employees, licensees, invitees, or contractors or their property caused by the criminal or intentional misconduct of third parties. All claims against Landlord for any such damage or injury are hereby expressly waived by Tenant, and Tenant hereby agrees to hold and indemnify Landlord from all such damages and the expense of defending all claims made by Tenant's agents, employees, licensees, invitees or contractors arising out of such acts.

27. Tenant's Insurance.

(a) Coverages. Tenant shall have issued, pay the premiums therefor, and maintain in full force and effect during the Lease Term:

(i) Commercial General Liability. A commercial general liability insurance policy or policies in which the Landlord (and such additional persons and/or entities as Landlord may request) and Tenant shall be the insured, protecting the Landlord (and such additional persons and/or entities as Landlord may request) and Tenant in the amount of (x) Two Million and 00/100 Dollars ($2,000,000.00) combined, single limit coverage for bodily injury or property damage, and (y) One Hundred Thousand and 00/100 Dollars ($100,000.00) fire legal liability coverage. The specified limits of insurance in this Section 27(a)(i) may be satisfied by any combination of primary or excess/umbrella liability insurance policies.

(ii) Property. A special causes of loss form property insurance policy, including theft, vandalism and malicious mischief naming Landlord (and such additional persons and/or entities as Landlord may request) and Tenant as insured, written at replacement cost value and with replacement cost endorsement, covering all leasehold improvements installed in the Leased Premises and all of Tenant's personal property in the Leased Premises (including, without limitation, inventory, trade fixtures, floor coverings, furniture and other property removable by Tenant under the provisions of this Lease);

(iii) Workers' Compensation. If and to the extent required by law, workers' compensation and employer's liability or similar insurance in form and amounts required by law; and

(v) Self-Insurance. Notwithstanding the requirements of other sections of this Lease, Tenant shall have the right, at its sole election, to self-insure with respect to some or all of the required insurance coverage. In the event Tenant elects to self-insure, (i) all amounts which Tenant pays or is required to pay and all loss or damages resulting from risks for which Tenant has elected to self-insure shall be subject to the waiver of subrogation provisions of this Lease and shall not limit Tenant's indemnification obligations set forth in this Lease, (ii) Tenant shall maintain appropriate loss reserves which are actuarially derived in accordance with accepted standards of the insurance industry and funded, and (iii) Tenant shall provide Landlord with a certificate of self-insurance specifying the extent of self-insurer retentions hereunder and containing a release or waiver of right of recovery or subrogation provision reasonably satisfactory to Landlord.

(b)

(c) No Limitation of Liability. Neither the issuance of any insurance policy required under this Lease nor the minimum limits specified herein shall be deemed to limit or restrict in any way Tenant's liability arising under or out of this Lease.

(d) Notice of Fire and Accident. Tenant shall give Landlord immediate notice in case of fire, theft, or accidents in the Leased Premises, and in case of fire, theft or accidents in the Building if involving Tenant, its agents, employees or invitees.

28. Waiver of Subrogation. Landlord and Tenant mutually covenant and agree that each party, in connection with insurance policies required to be furnished in accordance with the terms and conditions of this Lease, or in connection with insurance policies which they obtain insuring such insurable interest as Landlord or Tenant may

have in its own properties, whether personal or real, shall expressly waive any right of subrogation on the part of the insurer against the Landlord (and any mortgagee requested by Landlord) or Tenant as the same may be applicable, which right to the extent not prohibited or violative of any such policy is hereby expressly waived, and Landlord and Tenant each mutually waive all right of recovery against each other, their agents, or employees for any loss, damage or injury of any nature whatsoever to property or person for which either party is required by this Lease to carry insurance.

29. No Liens Permitted; Discharged. Tenant will not permit to be created or to remain undischarged any lien, encumbrance or charge (arising out of any work done or materials or supplies furnished, or claimed to have been done or furnished, by any contractor, mechanic, laborer or materialman or any mortgage, conditional sale, security agreement or chattel mortgage, or otherwise by or for Tenant) which might be or become a lien or encumbrance or charge upon the Building or any part thereof or the income therefrom. Tenant will not suffer any other matter or thing whereby the estate, rights and interests of Landlord in the Building or any part thereof might be impaired. If any lien, or notice of lien on account of an alleged debt of Tenant or any notice of contract by a party engaged by Tenant or Tenant's contractor to work on the Leased Premises shall be filed against the Building or any part thereof, Tenant, within ten (10) days after notice of the filing thereof, will cause the same to be discharged of record by payment, deposit, bond, order of a court of competent jurisdiction or otherwise. If Tenant shall fail to cause such lien or notice of lien to be discharged within the period aforesaid, then, in addition to any other right or remedy, Landlord may, but shall not be obligated to, discharge the same either by paying the amounts claimed to be due or by procuring the discharge of such lien by deposit or by bonding proceedings and in any such event Landlord shall be entitled, if Landlord so elects, to compel the prosecution of an action for the foreclosure of such lien by the lienor and to pay the amount of the judgment in favor of the lienor with interest, costs and allowances. Any amount so paid by Landlord and all costs and expenses, including attorneys' fees, incurred by Landlord in connection therewith, shall constitute Additional Rent payable by Tenant under this Lease and shall be paid by Tenant to Landlord on demand. Nothing herein contained shall obligate Tenant to pay or discharge any lien created by Landlord.

30. Signs and Advertisements. Landlord shall provide for Tenant, at Landlord's expense, a notice in the Building directory and a sign for the entrance door to the Leased Premises in the type and manner Landlord from time to time provides for tenants of the Building. No other sign, advertisement or notice shall be inscribed, painted, affixed or displayed in or about the Building by Tenant, except on the directories and doors of offices, and then only in such place and in such number, size, color and style as is approved by Landlord and provided by Landlord at Tenant's cost and expense. If any such sign, advertisement or notice is nevertheless exhibited, Landlord shall have the right to remove the same and Tenant shall be liable for any and all expenses incurred by Landlord for said removal. Landlord shall have the right to prohibit any advertisement of Tenant which in its opinion tends to impair the reputation of the Building or its desirability as a high-quality building for offices or for financial, legal, insurance and other institutions of like nature. Upon notice from Landlord, Tenant shall immediately refrain from and discontinue any such advertisement.

31. Notices. All notices to be given under this Lease shall be in writing, hand-delivered, sent by Federal Express, or mailed by United States Certified or Registered Mail, return receipt requested, postage prepaid. Notices should be delivered as follows:

(a) To the Landlord at the addresses specified in Section 1(a)(20).

(b) To the Tenant at the address specified in Sections 1(a)(18) and 1(a)(19).

Any such notice shall be deemed to be served on the date it is hand-delivered or delivered by Federal Express, or on the third day after the date on which it is deposited in the U.S. mails. Landlord and Tenant shall each have the right to change the person and/or address to which notices shall be delivered upon notice thereof to the other party sent pursuant to the provisions of this paragraph.

32. Time. Landlord and Tenant acknowledge that time is of the essence in the performance of any and all obligations, terms, and provisions of this Lease.

33. Postponement of Performance. In the event that either party hereto shall be delayed or hindered in or prevented from the performance of any act required hereunder by reason of strikes, labor troubles, inability to procure

labor or materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, war, acts of God, fire or other casualty or other reason of a similar or dissimilar nature beyond the reasonable control of the party delayed in performing work or doing acts required under the terms of this Lease, then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay. The provisions of this paragraph shall not operate to excuse Tenant from the prompt payment of Minimum Annual Rent or Additional Rent and shall not operate to extend the term of this Lease. Delays or failures to perform resulting from lack of funds shall not be deemed delays beyond the reasonable control of a party.

34. Broker. Tenant represents and warrants to Landlord that it has not authorized any broker, agent or finder purporting to act on its behalf in respect to this Lease transaction except the Tenant's Broker specified in Section 1(a)(21), and Tenant hereby agrees to indemnify and hold harmless Landlord from and against any cost, expense, claims, liability or damage resulting from a breach of the representation and warranty herein contained. Landlord represents and warrants to Tenant that the Landlord's Broker as specified in Section 1(a)(21) is the only broker which it has authorized to act on its behalf in respect to this Lease transaction and Landlord hereby agrees to indemnify and hold harmless Tenant from and against any cost, expense, claims, liability or damage resulting from a breach of the representation and warranty herein contained.

35. No Waiver. No provision of this Lease shall be deemed to have been waived by Landlord, unless such waiver be in writing signed by Landlord. No waiver by Landlord of any breach by Tenant of any of the terms, covenants, agreements, or conditions of this Lease, nor compromise or settlement thereof, shall be deemed to constitute a waiver of any succeeding breach thereof, or a waiver of any breach of any of the other terms, covenants, agreements, and conditions herein contained. No custom or practice which may occur or develop between the parties in connection with the terms of this Lease shall be construed to waive or lessen Landlord's right to insist upon strict performance of the terms of this Lease, without a written notice thereof from Landlord to Tenant. No employee of Landlord or of Landlord's agents shall have any authority to accept the keys of the Leased Premises prior to termination of the Lease, and the delivery of keys to any employee of Landlord or Landlord's agents shall not operate as a termination of the Lease or a surrender of the Leased Premises. The receipt by Landlord of any payment of Minimum Annual Rent or Additional Rent with knowledge of the breach of any covenant of this Lease shall not be deemed a waiver of such breach. The failure of Landlord to enforce any of the Rules and Regulations made a part of this Lease, or hereafter adopted, against Tenant or any other tenant in the Building shall not be deemed a waiver of any such Rules and Regulations.

36. Limitation of Landlord's Liability. In consideration of the benefits accruing hereunder, Tenant and all successors and assigns of Tenant covenant and agree that in the event of any actual or alleged failure, breach or default hereunder by Landlord: (a) the sole and exclusive remedy shall be against the interest of Landlord in the Building; (b) neither Landlord nor (if Landlord is a limited liability company) any member nor (if Landlord is a partnership) any partner of Landlord nor (if Landlord is a corporation) any shareholder of Landlord shall be personally liable with respect to any claim arising out of or related to this Lease; (c) no partner, member or shareholder of Landlord shall be sued or named as a party in any suit or action (except as may be necessary to secure jurisdiction of Landlord); (d) no service of process shall be made against any partner, member or shareholder of Landlord (except as may be necessary to secure jurisdiction of Landlord); (e) any judgment granted against any partner, member or shareholder of Landlord may be vacated and set aside at any time as if such judgment had never been granted; and (f) these covenants and agreements are enforceable both by Landlord and also by any partner, member or shareholder of Landlord. No other assets of Landlord shall be subject to levy, execution or other judicial process for the satisfaction of Tenant's claim.

37. Transfer of the Building. In the event of the sale or other transfer of Landlord's right, title and interest in the Leased Premises or the Building (except in the case of a sale-leaseback financing transaction in which Landlord is the lessee), Landlord shall transfer and assign to such purchaser or transferee all amounts of pre-paid Minimum Annual Rent, and Landlord thereupon and without further act by either party hereto shall be released from all liability and obligations hereunder derived from this Lease arising out of any act, occurrence or omission relating to the Leased Premises or this Lease occurring after the consummation of such sale or transfer. Tenant shall have no right to terminate this Lease nor to abate Minimum Annual Rent nor to deduct from, nor set-off, nor counterclaim against Minimum Annual Rent because of any sale or transfer (including, without limitation, any sale-leaseback) by Landlord or its successors or assigns. Upon any sale or other transfer as above provided (other than a sale-leaseback), or upon

any assignment of Landlord's interest herein, it shall be deemed and construed conclusively, without further agreement between the parties, that the purchaser or other transferee or assignee has assumed and agreed to perform the obligations of Landlord thereafter accruing.

38. Relocation. Landlord reserves the right at any time prior to the commencement of the Lease Term, and upon thirty (30) days prior written notice to the Tenant if the Lease Term has commenced, to relocate Tenant to such other space, area, or floor within the Building as the Landlord may deem advisable or necessary, provided that such other space or area shall be of a similar nature and size to the Leased Premises described in Section 1(a) above. If Landlord relocates Tenant, then (i) Landlord shall build out the relocated premises so that it is substantially similar to the Leased Premises, (ii) Landlord shall reimburse Tenant for (1) Tenant's reasonable, out-of-pocket moving expenses, and (2) reasonable, out-of-pocket costs incurred in changing addresses on Tenant's on-hand stationery, business cards, advertising, and other such items (not to exceed $1,500). If such a relocation is made hereunder, Tenant agrees to execute upon request of Landlord, an amendment to this Lease re-describing the Leased Premises, but all other terms, covenants and conditions of this Lease shall remain in full force and effect. Should Tenant refuse to permit Landlord to move Tenant to such new space, Landlord shall have the right to cancel and terminate this Lease by giving ten (10) days' prior written notice to Tenant.

39. **Waiver of Counterclaim and Trial by Jury. Landlord and Tenant waive their right to trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other (except for personal injury or property damage) on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use of or occupancy of the Leased Premises, and any emergency statutory or any other statutory remedy. Tenant shall not interpose any counterclaim or counterclaims or claims for set-off, recoupment or deduction of Minimum Annual Rent or Additional Rent in a summary proceeding for nonpayment of Minimum Annual Rent or Additional Rent or other action or summary proceeding Based on termination, holdover or other default in which Landlord seeks repossession of the Leased Premises from Tenant.**

40. Miscellaneous Provisions.

(a) Governing Law. The laws of the jurisdiction in which the Building is located shall govern the validity, performance and enforcement of this Lease.

(b) Covenants. The parties hereto agree that all the provisions of this Lease are to be construed as covenants and agreements as though the words importing such covenants and agreements were used in each separate provision hereof.

(h) Separability. If any term or provision of this Lease or applications thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remaining terms and provisions of this Lease, or the application of such term or provision to persons or circumstances other than those as to which it is held or unenforceable, shall not be affected thereby, and each term and provision of this Lease shall be valid and enforced to the fullest extent permitted by law.

(i) Counterparts. This Lease has been executed in several counterparts, but all counterparts shall constitute one and the same legal document.

(o) Binding Effect. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto, and the heirs, personal representatives, successors and assigns of said parties.

(p) Overtime Building Staff Requests. Should Tenant require any of the Building staff (including but not limited to: the Building Engineer, Concierge, Building Security Guard or Cleaning Staff) work beyond the normal Building Hours stipulated in Section 1(a)16, Landlord will furnish such additional service at the then-prevailing time and a half hourly rate for the requested Building Staff member plus a fifteen (15%) percent management fee. For the purposes of this section, "outstanding parking violation complaint" means a parking ticket, notice of parking violation, or parking violation complaint on which no payment has been made or appearance filed in the Circuit Court of Cook County within the time specified sum of money owed to the City for which the period granted for payment has expired.

In addition, no elected official may participate in any discussion in any City Council committee hearing or in any City Council meeting or vote on any matter involving the person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months.

Violation of MCC § 2-156-030 by any elected official with respect to this contract will be grounds for termination of this contract. The term financial interest is defined as set forth in MCC Chapter 2-156.

7.6 Minimum Wage, Mayoral Executive Order 2014-1

Mayoral Executive Order 2014-1 provides for a fair and adequate Minimum Wage to be paid to employees of City contractors and subcontractors performing work on City contracts.

If this contract was advertised on or after October 1, 2014, Contractor must comply with Mayoral Executive Order 2014-1 and any applicable regulations issued by the CPO. The Minimum Wage to be paid pursuant to the Order as of July 1, 2015 is **$13.00 per hour**. The Minimum Wage must be paid to:

All employees regularly performing work on City property or at a City jobsite.

All employees whose regular work entails performing a service for the City under a City contract.

Beginning on July 1, 2015, and every July 1 thereafter, the hourly wage specified by the Executive Order shall increase in proportion to the increase, if any, in the Consumer Price Index for All Urban Consumers most recently published by the Bureau of Labor Statistics of the United States Department of Labor. Any hourly wage increase shall be rounded up to the nearest multiple of $0.05. Such increase shall remain in effect until any subsequent adjustment is made. On or before June 1, 2015, and on or before every June 1 thereafter, the City shall make available to City Concessionaires a bulletin announcing the adjusted minimum hourly wages for the upcoming year.

The Minimum Wage is not required to be paid to employees whose work is performed in general support of contractors operations, does not directly relate to the services provided to the City under the contract, and is included in the contract price as overhead, unless that employee's regularly assigned work location is on City property or at a City jobsite. It is also not required to be paid by employers that are 501(c)(3) not-for-profits.

Except as further described, the Minimum Wage is also not required to be paid to categories of employees subject to subsection 4(a)(2), subsection 4(a)(3), subsection 4(d), subsection 4(e), or Section 6 of the Illinois Minimum Wage Law, 820 ILCS 105/1 et seq., in force as of the date of this Contract or as amended. Nevertheless, the Minimum Wage is required to be paid to those workers described in subsections 4(a)(2)(A) and 4(a)(2)(B) of the Illinois Minimum Wage Law.

Additionally, the Minimum Wage is not required to be paid to employees subject to a collective bargaining agreement that provides for different wages than those required by Mayoral Executive Order 2014-1, if that collective bargaining agreement was in force prior to October 1, 2014 or if that collective bargaining agreement clearly and specifically waives the requirements of the order.

If the payment a Base Wage pursuant to Municipal Code of Chicago Sect. 2-92-610 is required for work or services done under this Contract, and the Minimum Wage is higher than the Base Wage, then the Contractor must pay the Minimum Wage. Likewise, if the payment of a prevailing wage is required and the prevailing wage is higher than the Minimum Wage, then the Contractor must pay the prevailing wage.

Contractors are reminded that they must comply with Municipal Code Chapter 1-24 establishing a minimum wage.

7.7 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("**Covered Employees**"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(i) If Home Run Inn has 25 or more full-time employees, and

(ii) If at any time during the performance of this Agreement, Home Run Inn and/or any subcontractor or any other entity that provides any portion of the Services (collectively "**Performing Parties**") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Home Run Inn must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "**Base Wage**") for all Services performed under this Agreement.

(b) Home Run Inn's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2015, the Base Wage is $12.13 per hour, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, the Home Run Inn and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then the Home Run Inn and all other Performing Parties must pay the prevailing wage rates.

(d) Home Run Inn must include provisions in all subcontracts requiring its subcontractors to pay the Base Wage to Covered Employees. Home Run Inn agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Home Run Inn or by a subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Home Run Inn and/or subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Home Run Inn is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

7.7 Prohibition on Certain Contributions – Mayoral Executive Order No. 11-4

Home Run Inn agrees that Home Run Inn, any person or entity who directly or indirectly

has an ownership or beneficial interest in Home Run Inn of more than 7.5 percent ("**Owners**"), spouses and domestic partners of such Owners, Home Run Inn's subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any subcontractor of more than 7.5 percent ("**Sub-owners**") and spouses and domestic partners of such Sub-owners (Home Run Inn and all the other preceding classes of persons and entities are together, the "**Identified Parties**"), shall not make a contribution of any amount to the Mayor of the City of Chicago ("**Mayor**") or to his political fundraising committee during (i) the bid or other solicitation process for this Agreement or Other Contract, including while this Agreement or Other Contract is executory, (ii) the term of this Agreement or any Other Contract between the Home Run Inn and the City, and/or (iii) any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Home Run Inn represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached Home Run Inn or the date Home Run Inn approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Home Run Inn agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Home Run Inn agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 11-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 11-4.

Home Run Inn agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 11-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Home Run Inn violates this provision or Mayoral Executive Order No. 11.4 prior to award of the Agreement resulting from this specification, the Chief Procurement Officer may reject Home Run Inn's bid.

For purposes of this provision:

"Other Contract" means any other agreement with the City of Chicago to which Home

Run Inn is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the city council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal code of Chicago, as amended."

7.8 Environmental Warranties and Representations

"In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Home Run Inn warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

7-28-390 Dumping on public way;
7-28-440 Dumping on real estate without permit;
11-4-1410 Disposal in waters prohibited;
11-4-1420 Ballast tank, bilge tank or other discharge;
11-4-1450 Gas manufacturing residue;
11-4-1500 Treatment and disposal of solid or liquid waste;
11-4-1530 Compliance with rules and regulations required;
11-4-1550 Operational requirements; and
11-4-1560 Screening requirements.

During the period while this Agreement is executory, Home Run Inn's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Home Run Inn's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Home Run Inn's eligibility for future contract awards.

7.9 Firms Owned or Operated by Individuals with Disabilities

The City encourages contractors to use Subcontractors that are firms owned or operated by individuals with disabilities, as defined by Section 2-92-586 of the Municipal Code of the City of Chicago, where not otherwise prohibited by federal or state law.

7.10 Ethics

(a) Home Run Inn warrants:

(i) no officer, agent or employee of the City is employed by Home Run Inn or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics established under Chapter 2-156 of the Municipal Code .

(ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Home Run Inn or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Home Run Inn must comply with Chapter 2-156 of the Municipal Code. Home Run Inn acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156, including any contract entered into with any person who has retained or employed a non-registered lobbyist in violation of Section 2-156-305 of the Municipal Code is voidable as to the City.

SECTION 8. DEFAULT, REMEDIES, TERMINATION

8.1 Events of Default Defined.

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Home Run Inn to the City.

B. The Home Run Inn's material failure to perform any of its obligations under this Agreement including the following:

1. Failure due to a reason or circumstances within the Home Run Inn's reasonable control to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;

2. Failure to perform the Services in a manner reasonably satisfactory to the Commissioner or the City or inability to perform the Services satisfactorily as a result of insolvency, filing for

bankruptcy or assignment for the benefit of creditors;

3. Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

4. Discontinuance of the Services for reasons within the Home Run Inn's reasonable control; and

5. Failure to comply with any other material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination.

6. Failure to comply with Section 3.11 in the performance of the Agreement.

7. Home Run Inn's repeated or continued violations of City ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for City laws and regulations.

C. Any change in ownership or control of Home Run Inn without the prior written approval of the City, which approval the City will not unreasonably withhold.

D. Home Run Inn's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. Home Run Inn acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other Agreements.

8.2 Remedies. The occurrence of any event of default which Home Run Inn has failed to cure, or to cause to be cured, within three (3) calendar days after receipt of notice given in accordance with the terms of this Agreement and specifying the event of default, or where, if such event of default cannot be reasonably cured within three (3) calendar days after notice, Home Run Inn has failed, in the sole opinion of the City, to commence and continue, or to cause to be commenced and continued, diligent efforts to cure, will permit the City to declare Home Run Inn in default. Whether to declare Home Run Inn in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the Commissioner to terminate the Agreement or pursue any other remedy or remedies, will be provided to Home Run Inn and such decision is final and effective upon Home Run Inn's receipt, as defined in this Agreement, of such notice. After giving of a default notice, the City may invoke any or all of the following remedies:

A. The right to take over and complete the Services required under this Agreement or any part of them as agent for and at the cost of Home Run

Inn, either directly or through others. Home Run Inn has, in that event, the right to offset from the cost the amount it would have cost the City under the terms and conditions of this Agreement, had Home Run Inn completed the Services. Upon the City's notification to Home Run Inn that it intends to invoke this remedy, any and all interest Home Run Inn may have in or under any agreements with subcontractors automatically vests in the City. In the case of any contract assigned and accepted by the City, Home Run Inn will remain liable to the subcontractor for any claim, suit or cause of action based on or the result of any error, omission, negligence, fraud, willful or intentionally tortious conduct or any other negligent or wrongful act or omission, or breach of contract by Home Run Inn, its officers, employees or agents arising prior to such assignment to the City, when such claim, suit or cause of action has not been discharged, disposed or otherwise resolved as of that date.

B. The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the City.

C. The right of specific performance, an injunction or any other appropriate equitable remedy.

D. The right to money damages.

E. The right to withhold all or any part of Home Run Inn's compensation under this Agreement.

F. The right to deem Home Run Inn non-responsible in future contracts to be awarded by the City.

G. The right to declare default on any other contract or agreement Home Run Inn may have with the City.

If the Commissioner considers it to be in the City's best interests, he may elect not to declare default or to terminate the Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits Home Run Inn to continue to provide the Services despite one or more events of default, Home Run Inn is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights.

The remedies under the terms of the Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the City deems expedient.

8.3 Early Termination. In addition to termination under Sections 8.1 and 8.2 of this Agreement, the City may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by advanced notice in writing from the City to Home Run Inn, or if sufficient funds have not been appropriated for the City to meet its obligations with respect to this Agreement or any of the Events. The City will give notice to Home Run Inn in accordance with the provisions of Section 10.8. The effective date of termination will be the date the notice is received by Home Run Inn or the date stated in the notice, whichever is later. If the City elects to terminate this Agreement in full, all Services to be provided under it must cease. In addition, Home Run Inn must deliver to the City all materials that may have been accumulated in performing this Agreement, whether completed or in the process, and any products purchased by Home Run Inn the costs of which had been previously reimbursed by the City to Home Run Inn, and such products will become the property of the City. Payment for the work performed before the effective date of such termination will be based upon an estimate of the Services actually performed by Home Run Inn to the date of the termination. Such estimate will be mutually agreed upon by the Commissioner, the City of Chicago and Home Run Inn. Such payment so made to Home Run Inn will be in full settlement for Services rendered under this Agreement.

Home Run Inn must include in its contracts with subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the City arising from termination of subcontracts after the early termination. Home Run Inn will not be entitled to make any early termination claims against the City resulting from any subcontractor's claims against Home Run Inn or the City to the extent inconsistent with this provision.

If the City's election to terminate this Agreement for default under Sections 8.1 and 8.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 8.3.

SECTION 9. ADDITIONAL CITY PROVISIONS

9.1 Inspector General. It is the duty of any bidder, proposer or contractor, all subcontractors, every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners and employees of any bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General or the Inspector General in any investigation or hearing, if applicable, undertaken pursuant to Chapters 2-55 or 2-56, respectively, of the Municipal Code. Home Run Inn understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code. All subcontracts must inform Subcontractors of the provision and require understanding and compliance with it.

9.2 Ineligibility to do Business with City.

Failure by the Contractor or any Controlling Person (defined in Section 1-23-010 of the

Municipal Code) thereof to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code shall render this Contract voidable or subject to termination, at the option of the Chief Procurement Officer. Contractor agrees that Contractor's failure to maintain eligibility (or failure by Controlling Persons to maintain eligibility) to do business with the City in violation of Section 1-23-030 of the Municipal Code shall constitute an event of default.

9.3 Duty to Report Corrupt or Unlawful Activity

Pursuant to §2-156-018 of the Municipal Code, it is the duty of Home Run Inn to report to the Inspector General, directly and without undue delay, any and all information concerning conduct which it knows to involve corrupt activity. "Corrupt Activity" means any conduct set forth in Subparagraph (a)(1), (2) or (3) of §1-23-020 of the Municipal Code. Knowing failure to make such a report will be an event of default under this Agreement. Reports may be made to the Inspector General's toll free hotline, 866-IG-TIPLINE (866-448-4754).

9.2 SHAKMAN

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Contractor is aware that City policy prohibits City employees from directing any individual to apply for a position with Contractor, either as an employee or as a subcontractor, and from directing Contractor to hire an individual as an employee or as a subcontractor. Accordingly, Contractor must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Contractor under this Agreement are employees or subcontractors of Contractor, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Contractor.

(iii) Contractor will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Contractor by a City employee or City official in violation of Section (ii) above, or advocating a violation of Section (iii) above, Contractor will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Agreement. Contractor will also cooperate with any inquiries by OIG Hiring Oversight related to the contract.

10.7 Severability. If any provision of this Agreement is held or deemed to be or is in fact invalid, illegal, inoperative or unenforceable on its face or as applied in any particular case in any jurisdiction or jurisdictions or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, municipal ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections contained in this Agreement does not affect the remaining portions of this Agreement or any part of it.

Minority and Women Owned Business Enterprise Commitment

In addition to the commitment set forth on the following pages, Home Run Inn agrees to continue to work with DCASE to identify additional MBE/WBE participation opportunities.

MBE/WBE SPECIAL CONDITIONS AND SCHEDULES

ARTICLE 1. SPECIAL CONDITIONS REGARDING MINORITY BUSINESS ENTERPRISE COMMITMENT AND WOMEN BUSINESS ENTERPRISE COMMITMENT FOR COMMODITIES OR SERVICES

1.1. Policy and Terms

It is the policy of the City of Chicago that Local Businesses certified as Minority Owned Business Enterprises (MBE) and Women Owned Business Enterprises (WBE) in accordance with Section 2-92-420 et seq. of the Municipal Code of Chicago and Regulations Governing Certification of Minority and Women-owned Businesses and all other Regulations promulgated under the aforementioned sections of the Municipal Code, as well as MBEs and WBEs certified by Cook County, Illinois, will have full and fair opportunities to participate fully in the performance of this contract. Therefore, the Contractor will not discriminate against any person or business on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status or source of income and will take affirmative action to ensure that women and minority businesses will have the maximum opportunity to compete for and perform subcontracts for supplies or services.

Pursuant to Section 2-92-430 of the Municipal Code of Chicago, the Chief Procurement Officer has established a goal of awarding not less than 25% of the annual dollar value of all non-construction contracts to certified MBEs and 5% of the annual dollar value of all non-construction contracts to certified WBEs.

Accordingly, the Contractor commits to make Good Faith Efforts to expend at least the following percentages of the total contract price (inclusive of any and all modifications and amendments), if awarded, for contract participation by MBEs and WBEs:

MBE Percentage	WBE Percentage
25%	5%

This commitment is met by the Contractor's status as a MBE or WBE, or by a joint venture with one or more MBEs or WBEs as prime contractor (to the extent of the MBE or WBE participation in such joint venture), or by subcontracting a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the performance of the contract from one or more MBEs or WBEs, or by the indirect participation of MBEs or WBEs in other aspects of the Contractor's business (but no dollar of such indirect MBE or WBE participation will be credited more than once against a Contractor's MBE or WBE commitment with respect to all government Contracts of such Contractor), or by any combination of the foregoing.

Note: MBE/WBE participation goals are separate and those businesses certified with the City of Chicago as both MBE and WBE may only be listed on a bidder's compliance plan as either a MBE or a WBE, but not both to demonstrate compliance with the Contract Specific Goals.

As noted above, the Contractor may meet all or part of this commitment by contracting with MBEs or WBEs for the provision of goods or services not directly related to the performance of this Contract. However, in determining the manner of MBE/WBE participation, the Contractor will first consider involvement of MBEs/WBEs as joint venture partners, subcontractors, and suppliers of goods and services directly related to the performance of this Contract. In appropriate cases, the Chief Procurement Officer will require the Contractor to demonstrate the specific efforts undertaken by it to involve MBEs and WBEs directly in the performance of this Contract.

The Contractor also may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in private sector contracts.

Pursuant to 2-92-535, the prime contractor may apply be awarded an additional 0.333 percent credit, up to a maximum of a total of 5 percent additional credit, for every 1 percent of the value of a contract self-performed by MBEs or WBEs, or combination thereof, that have entered into a mentor agreement with the contractor. This up to 5% may be applied to the Contract Specific Goals, or it may be in addition to the Contract Specific Goals.

1.2. **Definitions**

"Area of Specialty" means the description of an MBE or WBE firm's business which has been determined by the Chief Procurement Officer to be most reflective of the MBE or WBE firm's claimed specialty or expertise. Each MBE/WBE letter of certification contains a description of the firm's Area of Specialty. This information is also contained in the Directory (defined below). Credit toward this Contract's MBE and WBE participation goals shall be limited to the participation of firms performing within their Area of Specialty.

> **NOTICE:** *The City of Chicago does not make any representation concerning the ability of any MBE/WBE to perform work within their Area of Specialty. It is the responsibility of all contractors to determine the capability and capacity of MBEs/WBEs to satisfactorily perform the work proposed.*

"B.E.P.D." means an entity certified as a Business enterprise owned or operated by people with disabilities as defined in MCC Section 2-92-586.

"Bid" means a bid, proposal, or submittal detailing a description of the services or work to be provided by the contractor in response to a bid solicitation, request for proposal, request for qualification of task order request (issued in accordance with the Master Consulting Agreement) that is issued by the City.

"Bidder" means any person or business entity that submits a bid, proposal, qualification or submittal that seeks to enter into a contract with the City, and includes all partners, affiliates and joint ventures of such person or entity.

"Broker" means a person or entity that fills orders by purchasing or receiving supplies from a third party supplier rather than out of its own existing inventory and provides no commercially useful function other than acting as a conduit between his or her supplier and his or her customer.

"Chief Procurement Officer" or "CPO" means the chief procurement officer of the City of Chicago or his or her designee.

"Commercially Useful Function" means responsibility for the execution of a distinct element of the work of the contract, which is carried out by actually performing, managing, and supervising the work involved, evidencing the responsibilities and risks of a business owner such as negotiating the terms of (sub)contracts, taking on a financial risk commensurate with the contract or its subcontract, responsibility for acquiring the appropriate lines of credit and/or loans, or fulfilling responsibilities as a joint venture partner as described in the joint venture agreement.

"Contract Specific Goals" means the subcontracting goals for MBE and WBE participation established for a particular contract.

"Contractor" means any person or business entity that has entered into a contract with the City as described herein, and includes all partners, affiliates, and joint ventures of such person or entity.

"Direct Participation" the value of payments made to MBE or WBE firms for work that is performed in their Area of Specialty directly related to the performance of the subject matter of the Contract will count as Direct Participation toward the Contract Specific Goals.

"Directory" means the Directory of Certified "Minority Business Enterprises" and "Women Business Enterprises" maintained and published by the City of Chicago. The Directory identifies firms that have been certified as MBEs and WBEs, and includes both the date of their last certification and the area of specialty in which they have been certified. Contractors are responsible for verifying the current certification status of all proposed MBE, and WBE firms.

"Good Faith Efforts" means actions undertaken by a bidder or contractor to achieve a Contract Specific Goal that the CPO or his or her designee has determined, by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the program's requirements.

"Indirect Participation" refers to the value of payments made to MBE or WBE firms for work that is done in their Area of Specialty related to other aspects of the Contractor's business. (Note: no dollar of such indirect MBE or WBE participation shall be credited more than once against a contractor's MBE or WBE commitment with respect to all government contracts held by that contractor.)

"Joint venture" means an association of a MBE or WBE firm and one or more other firms to carry out a single, for-profit business enterprise, for which each joint venture partner contributes property, capital, efforts, skills and knowledge, and in which the MBE or WBE is responsible for a distinct, clearly defined portion of the work of the contract and whose share in the capital contribution, control, management, risks, and profits of the joint venture are commensurate with its ownership interest.

"Mentor-Protégé Agreement" means an agreement between a prime and MBE or WBE subcontractor pursuant to MCC 2-92-535 that is approved by the City of Chicago and complies with all requirements of MCC 2-92-535 and any rules and regulations promulgated by the Chief Procurement Officer.

"Minority Owned Business Enterprise" or **"MBE"** means a firm awarded certification as a minority owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a minority owned and controlled business by Cook County, Illinois.

"Municipal Code of Chicago" or **"MCC"** means the Municipal Code of the City of Chicago.

"Supplier" or **"Distributor"** refers to a company that owns, operates, or maintains a store, warehouse or other establishment in which materials, supplies, articles or equipment are bought, kept in stock and regularly sold or leased to the public in the usual course of business. A regular distributor or supplier is a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials or supplies required for performance of a contract are bought, kept in stock, and regularly sold to the public in the usual course of business. To be a regular distributor the firm must engage in, as its principal business and in its own name, the purchase and sale of the products in question. A regular distributor in such bulk items as steel, cement, gravel, stone, and petroleum products need not keep such products in stock if it owns or operates distribution equipment.

"Women Owned Business Enterprise" or **"WBE"** means a firm awarded certification as a women owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a women owned business by Cook County, Illinois.

1.3. **Joint Ventures**

The formation of joint ventures to provide MBEs and WBEs with capacity and experience at the prime contracting level, and thereby meet Contract Specific Goals (in whole or in part) is encouraged. A joint venture may consist of any combination of MBEs, WBEs, and non-certified firms as long as one member is an MBE or WBE.

a. The joint venture may be eligible for credit towards the Contract Specific Goals only if:

   i. The MBE or WBE joint venture partner's share in the capital contribution, control, management, risks and profits of the joint venture is equal to its ownership interest;

   ii. The MBE or WBE joint venture partner is responsible for a distinct, clearly defined portion of the requirements of the contract for which it is at risk;

   iii. Each joint venture partner executes the bid to the City; and

   iv. The joint venture partners have entered into a written agreement specifying the terms and conditions of the relationship between the partners and their relationship and responsibilities to the contract, and all such terms and conditions are in accordance with the conditions set forth in Items i, ii, and iii above in this Paragraph a.

b. The Chief Procurement Officer shall evaluate the proposed joint venture agreement, the Schedule B submitted on behalf of the proposed joint venture, and all related documents to determine whether these requirements have been satisfied. The Chief Procurement Officer shall also consider the record of the joint venture partners on other City of Chicago contracts. The decision of the Chief Procurement Officer regarding the eligibility of the joint venture for credit towards meeting the Contract Specific Goals, and the portion of those goals met by the joint venture, shall be final.

The joint venture may receive MBE or WBE credit for work performed by the MBE or WBE joint venture partner(s) equal to the value of work performed by the MBE or WBE with its own forces for a distinct, clearly defined portion of the work.

Additionally, if employees of the joint venture entity itself (as opposed to employees of the MBE or WBE partner) perform the work, then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in Schedule B.

The Chief Procurement Officer may also count the dollar value of work subcontracted to other MBEs and WBEs. Work performed by the forces of a non-certified joint venture partner shall not be counted toward the Contract Specific Goals.

c. **Schedule B: MBE/WBE Affidavit of Joint Venture**

Where the bidder's Compliance Plan includes the participation of any MBE or WBE as a joint venture partner, the bidder must submit with its bid a Schedule B and the proposed joint venture agreement. These documents must both clearly evidence that the MBE or WBE joint venture partner(s) will be responsible for a clearly defined portion of the work to be performed, and that the MBE's or WBE's responsibilities and risks are proportionate to its ownership percentage. The proposed joint venture agreement must include specific details related to:

i. The parties' contributions of capital, personnel, and equipment and share of the costs of insurance and bonding;

ii. Work items to be performed by the MBE's or WBE's own forces and/or work to be performed by employees of the newly formed joint venture entity;

iii. Work items to be performed under the supervision of the MBE or WBE joint venture partner; and

iv. The MBE's or WBE's commitment of management, supervisory, and operative personnel to the performance of the contract.

NOTE: Vague, general descriptions of the responsibilities of the MBE or WBE joint venture partner do not provide any basis for awarding credit. For example, descriptions such as "participate in the budgeting process," "assist with hiring," or "work with managers to improve customer service" do not identify distinct, clearly defined portions of the work. Roles assigned should require activities that are performed on a regular, recurring basis rather than as needed. The roles must also be pertinent to the nature of the business for which credit is being sought. For instance, if the scope of work required by the City entails the delivery of goods or services to various sites in the City, stating that the MBE or WBE joint venture partner will be responsible for the performance of all routine maintenance and all repairs required to the vehicles used to deliver such goods or services is pertinent to the nature of the business for which credit is being sought.

1.4. **Counting MBE/WBE Participation Toward the Contract Specific Goals**

Refer to this section when preparing the MBE/WBE compliance plan and completing Schedule D-1 for guidance on what value of the participation by MBEs and WBEs will be counted toward the stated Contract Specific Goals. The "Percent Amount of Participation" depends on whether and with whom a MBE or WBE subcontracts out any portion of its work and other factors.

Firms that are certified as both MBE and WBE may only be listed on a bidder's compliance plan as either a MBE or a WBE to demonstrate compliance with the Contract Specific Goals. For example, a firm that is certified as both a MBE and a WBE may only be listed on the bidder's compliance plan under one of the categories, but not both. Only Payments made to MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements above will be counted toward the Contract Specific Goals.

a. Only expenditures to firms that perform a Commercially Useful Function as defined above may count toward the Contract Specific Goals.

   i. The CPO will determine whether a firm is performing a commercially useful function by evaluating the amount of work subcontracted, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and the credit claimed for its performance of the work, industry practices, and other relevant factors.

   ii. A MBE or WBE does not perform a commercially useful function if its participation is only required to receive payments in order to obtain the appearance of MBE or WBE participation. The CPO may examine similar commercial transactions, particularly those in which MBEs or WBEs do not participate, to determine whether non MBE and non WBE firms perform the same function in the marketplace to make a determination.

   iii. Indications that a subcontractor is not performing a commercially useful function include, but are not limited to, labor shifting and equipment sharing or leasing arrangements with the prime contractor or a first tier subcontractor.

b. Only the value of the dollars paid to the MBE or WBE firm for work that it performs in its Area of Specialty in which it is certified counts toward the Contract Specific Goals.

c. For maintenance, installation, repairs or inspection, or professional services, if the MBE or WBE performs the work itself: 100% of the value of work actually performed by the MBE's or WBE's own forces shall be counted toward the Contract Specific Goals, including the cost of supplies and materials purchased or equipment leased by the MBE or WBE from third parties or second tier subcontractors in order to perform its (sub)contract with its own forces (except supplies and equipment the MBE or WBE subcontractor purchases or leases from the prime contractor or its affiliate). 0% of the value of work at the project site that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals.

d. If the MBE or WBE is a manufacturer: 100% of expenditures to a MBE or WBE manufacturer for items needed for the Contract shall be counted toward the Contract Specific Goals. A manufacturer is a firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the bidder or contractor.

e. If the MBE or WBE is a distributor or supplier: 60% of expenditures for materials and supplies purchased from a MBE or WBE that is certified as a regular dealer or supplier shall be counted toward the Contract Specific Goals.

f. If the MBE or WBE is a broker:

   i. Zero percent (0%) of expenditures paid to brokers will be counted toward the Contract Specific Goals.

   ii. As defined above, Brokers provide no commercially useful function.

g. If the MBE or WBE is a member of the joint venture contractor/bidder:

   i. A joint venture may count the portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the contract that the MBE or WBE performs with its own forces toward the Contract Specific Goals; or

ii. If employees of this distinct joint venture entity perform the work then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm's percentage of participation in the joint venture as described in the Schedule B.

iii. A joint venture may also count the dollar value of work subcontracted to other MBEs and WBEs.

h. If the MBE or WBE subcontracts out any of its work:

i. 100% of the value of the work subcontracted to other MBEs or WBEs performing work in its Area of Specialty may be counted toward the Contract Specific Goals.

ii. 0% of the value of work that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals (except as allowed by (c) above).

iii. The fees or commissions charged for providing a bona fide service, such as professional, technical, consulting or managerial services or for providing bonds or insurance and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

iv. The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is not also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

v. The fees or commissions charged for providing any bonds or insurance, but not the cost of the premium itself, specifically required for the performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

1.5. **Regulations Governing Reductions to or Waiver of MBE/WBE Goals**

The following Regulations set forth the standards to be used in determining whether or not a reduction or waiver of the MBE/WBE commitment goals of a particular contract is appropriate. If a bidder determines that it is unable to meet the MBE and/or WBE Contract-Specific Goals on a City of Chicago contract, a written request for the reduction or waiver of the commitment must be included in the bid or proposal.

The written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the MBE/WBE percentages submitted on the bidder's letterhead, and must demonstrate that all required efforts as set forth in this document were taken to secure eligible Minority and Women Business Enterprises to meet the commitments. The Chief Procurement Officer or designee shall determine whether the request for the reduction or waiver will be granted.

A bidder will be considered responsive to the terms and conditions of these Regulations if, at the time of bid, it submits a waiver request and all supporting documentation that adequately addresses the conditions for waiver of MBE/WBE goals, including proof of notification to assist agencies except:

- Bidders responding to Request for Proposals (RFPs) who have been identified as a short listed candidate and/or a prospective awardee will be given a designated time allowance, but no more than fourteen (14) calendar days to submit to the Department of Procurement Services complete documentation that adequately addresses the conditions for waiver described herein; and
- Bidders responding to Request for Information and or Qualifications (RFI/RFQs) deemed by the Chief Procurement Officer or authorized designee to be the most responsive and responsible shall submit

documentation that adequately addresses the conditions for waiver described herein during negotiations.

Failure to submit documentation sufficient to support the waiver request will cause the bid/proposal to be found non-responsive by the Chief Procurement Officer, and the bid/proposal will be rejected. In such cases the remedies to be taken by the Chief Procurement Officer, in his or her discretion, may include, but are not limited to, forfeiture of bid deposit; negotiating with the next lowest bidder; or re-advertising the bid/proposal. All bidders must submit all required documents at the time of bid opening to expedite the contract award.

1.5.1. Direct / Indirect Participation

Each of the following elements must be present in order to determine whether or not such a reduction or waiver is appropriate.

a. The bidder has documented the unsuccessful solicitation for either subcontractors or joint venture partners of at least 50% (or at least five when there are more than eleven certified firms in the commodity area) of the appropriate certified MBE/WBE firms to perform any direct or indirect work identified or related to the advertised bid/proposal. Documentation must include but is not necessarily limited to:

1. A detailed statement of efforts to identify and select portions of work identified in the bid solicitation for subcontracting to certified MBE/WBE firms;

2. A listing of all MBE/WBE firms contacted that includes:

   - Name, address, telephone number and email of MBE/WBE firms solicited;
   - Date and time of contact;
   - Method of contact (written, telephone, transmittal of facsimile documents, email, etc.)

3. Copies of letters or any other evidence of mailing that substantiates outreach to MBE/WBE vendors that includes:

   - Project identification and location;
   - Classification/commodity of work items for which quotations were sought;
   - Date, item and location for acceptance of subcontractor bid proposals;
   - Detailed statement which summarizes direct negotiations with appropriate MBE/WBE firms for specific portions of the work and indicates why negotiations were unsuccessful;
   - Affirmation that Good Faith Efforts have been demonstrated by:
     - choosing subcontracting opportunities likely to achieve MBE/WBE goals;
     - not imposing any limiting conditions which were not mandatory for all subcontractors;
     - providing notice of subcontracting opportunities to M/WBE firms and assist agencies at least five (5) business days in advance of the initial bid due date.

OR

b. Subcontractor participation will be deemed excessively costly when the MBE/WBE subcontractor proposal exceeds the average price quoted by more than twenty percent (20%). In order to establish that a subcontractor's quote is excessively costly, the bidder must provide the following information:

1. A detailed statement of the work identified for MBE/WBE participation for which the bidder asserts the MBE/WBE quote(s) were excessively costly (in excess of 20% higher).
    - o A listing of all potential subcontractors contacted for a quotation on that work item;
    - o Prices quoted for the subcontract in question by all such potential subcontractors for that work item.
2. Other documentation which demonstrates to the satisfaction of the Chief Procurement Officer that the MBE/WBE proposals are excessively costly, even though not in excess of 20% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:
    - o The City's estimate for the work under a specific subcontract;
    - o The bidder's own estimate for the work under the subcontract;
    - o An average of the bona fide prices quoted for the subcontract;
    - o Demonstrated increase in other contract costs as a result of subcontracting to the M/WBE or other firm.

1.5.2. Assist Agency Participation in wavier/reduction requests

Every waiver and/or reduction request must include evidence that the bidder has provided timely notice of the need for subcontractors to an appropriate association/assist agency representative of the MBE/WBE business community. This notice must be given at least five (5) business days in advance of the initial bid due date.

The notice requirement of this Section will be satisfied if a bidder contacts at least one of the associations on Attachment A to these Regulations when the prime contractor seeks a waiver or reduction in the utilization goals. Attachment B to these Regulations provides the letter format that a prime contractor may use. Proof of notification prior to bid submittal (e.g. certified mail receipt or facsimile transmittal receipt) will be required to be submitted with the bid for any bid/proposal to be deemed responsive. If deemed appropriate, the Contract Compliance Officer may contact the assist agency for verification of notification.

1.5.3. Impracticability

If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular contract subject to competitive bidding prior to the bid solicitations for such contract, bid specifications shall include a statement of such revised standard.

The requirements set forth in these Regulations (this subsection 1.5 "Regulations Governing Reductions to or Waiver of MBE/WBE Goals") shall not apply where the Chief Procurement Officer determines prior to the bid solicitations that MBE/WBE subcontractor participation is impracticable.

This may occur whenever the Chief Procurement Officer determines that for reasons of time, need, industry practices or standards not previously known by the Chief Procurement Officer, or such other extreme circumstances as may be deemed appropriate, such a Waiver is in the best interests of the City. This determination may be made in connection with a particular contract, whether before the contract is let for bid, during the bid or award process, before or during negotiation of the contract, or during the performance of the contract.

For all notifications required to be made by bidders, in situations where the Chief Procurement Officer has determined that time is of the essence, documented telephone contact may be substituted for letter contact.

1.6. **Procedure to Determine Bid Compliance**

A bid may be rejected as non-responsive if it fails to submit one or more of the following with its bid demonstrating its Good Faith Efforts to meet the Contract Specific Goals by reaching out to MBEs and WBEs to perform work on the contract:

- An MBE/WBE compliance plan demonstrating how the bidder plans to meet the Contract Specific Goals; and/or
- A request for reduction or waiver of the Contract Specific Goals in accordance with Section 2-92-450 of the MCC.

Only compliance plans utilizing MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements will be counted toward the Contract Specific Goals.

The following Schedules and described documents constitute the bidder's MBE/WBE proposal, and must be submitted in accordance with the guidelines stated:

(1) Schedule C-1: Letter of Intent from MBE/WBE to Perform as Subcontractor, Supplier and/or Consultant.

The bidder must submit the appropriate Schedule C-1 with the bid for each MBE and WBE included on the Schedule D-1. Suppliers must submit the Schedule C-1 for Suppliers, first tier subcontractors must submit a Schedule C-1 for Subcontractors to the Prime Contractor and second or lower tier subcontractors must submit a Schedule C-1 for second tier Subcontractors. The City encourages subcontractors to utilize the electronic fillable format Schedule C-1, which is available at the Department of Procurement Services website, http://cityofchicago.org/forms. Each Schedule C-1 must be executed by each MBE and WBE and accurately detail the work to be performed by the MBE or WBE and the agreed upon rates/prices. Each Schedule C must also include a separate sheet as an attachment on which the MBE or WBE fully describes its proposed scope of work, including a description of the commercially useful function being performed by the MBE or WBE in its Area of Specialty. If a facsimile copy of the Schedule C-1 has been submitted with the bid, an executed original Schedule C-1 must be submitted by the bidder for each MBE and WBE included on the Schedule D-1 within five business days after the date of the bid opening.

Failure to submit a completed Schedule C-1 in accordance with this section shall entitle the City to deem the bid/proposal non-responsive and therefore reject the bid/proposal.

(2) Letters of Certification.

A copy of each proposed MBE/WBE firm's current Letter of Certification from the City of Chicago or Cook County Illinois must be submitted with the bid/proposal. All Letters of Certification issued by the City of Chicago and Cook County include a statement of the MBE/WBE firm's Area of Specialty. The MBE/WBE firm's scope of work, as detailed by their Schedule C-1, must conform to their stated Area of Specialty.

(3) Schedule B: Affidavit of Joint Venture, and Joint Venture Agreements (if applicable).

If the bidder's MBE/WBE proposal includes the participation of a MBE/WBE as joint venture on any tier (either as the bidder or as a subcontractor), the bidder must provide a copy of the joint venture agreement and a Schedule B along with all other requirements listed in Section 1.3, "Joint Ventures," above. In order to demonstrate the MBE/WBE partner's share in the ownership, control, management responsibilities, risks and profits of the joint venture, the proposed joint venture agreement must include specific details related to: (1) contributions of capital and equipment; (2) work responsibilities or other performance to be undertaken by the MBE/WBE; and (3) the commitment of management, supervisory and operative personnel

employed by the MBE/WBE to be dedicated to the performance of the contract. The joint venture agreement must also clearly define each partner's authority to contractually obligate the joint venture and each partner's authority to expend joint venture funds (e.g., check signing authority).

(4) **Schedule D-1: Required Schedules Regarding MBE/WBE Utilization**
Bidders must submit, together with the bid, a completed Schedule D-1 committing them to the utilization of each listed MBE/WBE firm. The City encourages bidders to utilize the electronic fillable format Schedule D-1, which is available at the Department of Procurement Services website, http://cityofchicago.org/forms. Except in cases where the bidder has submitted a request for a complete waiver of or variance from the MBE/WBE commitment in accordance with Section 1.5 "Regulations Governing Reductions to or Waiver of MBE/WBE Goals" herein, the bidder must commit to the expenditure of a specific dollar amount of participation by each MBE/WBE firm included on their Schedule D-1. The total dollar commitment to proposed MBEs must at least equal the MBE goal and the total dollar commitment to proposed WBEs must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of the MBE and WBE goals as percentages of their total base bids or in the case of Term Agreements, depends upon requirements agreements and blanket agreements, as percentages of the total estimated usage. All commitments made by the bidder's Schedule D-1 must conform to those presented in the submitted Schedule C-1. If Schedule C-1 is submitted after the opening, the bidder may submit a revised Schedule D-1 (executed and notarized to conform with the Schedules C-1). Bidders shall not be permitted to add MBEs or WBEs after bid opening to meet the Contract Specific Goals, however, contractors are encouraged to add additional MBE/WBE vendors to their approved compliance plan during the performance of the contract when additional opportunities for participation are identified. Except in cases where substantial and documented justification is provided, bidders will not be allowed to reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedules C-1 and D-1.

All commitments for joint venture agreements must be delineated in the Schedule B.

(5) **Application for Approval of Mentor Protégé Agreement**
Any applications for City approval of a Mentor Protégé agreement must be included with the bid. If the application is not approved, the bidder must show that it has made good faith efforts to meet the contract specific goals.

1.7. **Reporting Requirements During the Term of the Contract**

a. The Contractor will, not later than thirty (30) calendar days from the award of a contract by the City, execute formal contracts or purchase orders with the MBEs and WBEs included in their approved MBE/WBE Utilization Plan. These written agreements will be made available to the Chief Procurement Officer upon request.

b. The Contractor will be responsible for reporting payments to all subcontractors on a monthly basis in the form of an electronic report. Upon the first payment issued by the City of Chicago to the contractor for services performed, on the first day of each month and every month thereafter, email and or fax audit notifications will be sent out to the Contractor with instructions to report payments that have been made in the prior month to each subcontractor. The reporting of payments to all subcontractors must be entered into the Certification and Compliance Monitoring System (C2), or whatever reporting system is currently in place, on or before the fifteenth (15th) day of each month.

c. Once the prime Contractor has reported payments made to each subcontractor, including zero dollar amount payments, the subcontractor will receive an email and or fax notification requesting them to log into the system and confirm payments received. All monthly confirmations must be reported on or before the 20th day of each month. Contractor and

subcontractor reporting to the C2 system must be completed by the 25th of each month or payments may be withheld.

d. All subcontract agreements between the contractor and MBE/WBE firms or any first tier non-certified firm and lower tier MBE/WBE firms must contain language requiring the MBE/WBE to respond to email and/or fax notifications from the City of Chicago requiring them to report payments received for the prime or the non-certified firm.

Access to the Certification and Compliance Monitoring System (C2), which is a web based reporting system, can be found at: https://chicago.mwdbe.com

e. The Chief Procurement Officer or any party designated by the Chief Procurement Officer, shall have access to the contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the contractor's compliance with its commitment to MBE and WBE participation and the status of any MBE or WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the contractor's records by any officer or official of the City for any purpose.

f. The Contractor shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs, retaining these records for a period of at least five years after project closeout. Full access to these records shall be granted to City, federal or state authorities or other authorized persons.

1.8. **Changes to Compliance Plan**

1.8.1. Permissible Basis for Change Required

No changes to the Compliance Plan or contractual MBE and WBE commitments or substitution of MBE or WBE subcontractors may be made without the prior written approval of the Contract Compliance Officer. Unauthorized changes or substitutions, including performing the work designated for a subcontractor with the contractor's own forces, shall be a violation of these Special Conditions and a breach of the contract with the City, and may cause termination of the executed Contract for breach, and/or subject the bidder or contractor to contract remedies or other sanctions. The facts supporting the request for changes must not have been known nor reasonably could have been known by the parties prior to entering into the subcontract. Bid shopping is prohibited. The bidder or contractor must negotiate with the subcontractor to resolve the problem. If requested by either party, the Department of Procurement Services shall facilitate such a meeting. Where there has been a mistake or disagreement about the scope of work, the MBE or WBE can be substituted only where an agreement cannot be reached for a reasonable price for the correct scope of work.

Substitutions of a MBE or WBE subcontractor shall be permitted only on the following basis:

a) Unavailability after receipt of reasonable notice to proceed;

b) Failure of performance;

c) Financial incapacity;

d) Refusal by the subcontractor to honor the bid or proposal price or scope;

e) Mistake of fact or law about the elements of the scope of work of a solicitation where a reasonable price cannot be agreed;

f) Failure of the subcontractor to meet insurance, licensing or bonding requirements;

g) The subcontractor's withdrawal of its bid or proposal; or

h) De-certification of the subcontractor as a MBE or WBE (graduation from the MBE/WBE program does not constitute de-certification).

i) Termination of a Mentor Protégé Agreement.

1.8.2. Procedure for Requesting Approval

If it becomes necessary to substitute a MBE or WBE or otherwise change the Compliance Plan, the procedure will be as follows:

a) The bidder or contractor must notify the Contract Compliance Officer and Chief Procurement Officer in writing of the request to substitute a MBE or WBE or otherwise change the Compliance Plan. The request must state specific reasons for the substitution or change. A letter from the MBE or WBE to be substituted or affected by the change stating that it cannot perform on the contract or that it agrees with the change in its scope of work must be submitted with the request.

b) The City will approve or deny a request for substitution or other change within 15 business days of receipt of the written request.

c) Where the bidder or contractor has established the basis for the substitution to the satisfaction of the Chief Procurement Officer, it must make Good Faith Efforts to meet the Contract Specific Goal by substituting a MBE or WBE subcontractor. Documentation of a replacement MBE or WBE, or of Good Faith Efforts, must meet the requirements in section 5. If the MBE or WBE Contract Specific Goal cannot be reached and Good Faith Efforts have been made, as determined by the Chief Procurement Officer, the bidder or contractor may substitute with a non-MBE or non-WBE.

d) If a bidder or contractor plans to hire a subcontractor for any scope of work that was not previously disclosed in the Compliance Plan, the bidder or contractor must obtain the approval of the Chief Procurement Officer to modify the Compliance Plan and must make Good Faith Efforts to ensure that MBEs or WBEs have a fair opportunity to bid on the new scope of work.

e) A new subcontract must be executed and submitted to the Contract Compliance Officer within five business days of the bidder's or contractor's receipt of City approval for the substitution or other change.

The City shall not be required to approve extra payment for escalated costs incurred by the contractor when a substitution of subcontractors becomes necessary to comply with MBE/WBE contract requirements.

1.9. **Non-Compliance and Damages**

Without limitation, the following shall constitute a material breach of this contract and entitle the City to declare a default, terminate the contract, and exercise those remedies provided for in the contract, at law or in equity: (1) failure to demonstrate Good Faith Efforts; and (2) disqualification as a MBE or WBE of the contractor or any joint venture partner, subcontractor or supplier if its status as an MBE or WBE was a factor in the award of the contract and such status was misrepresented by the contractor.

Payments due to the contractor may be withheld until corrective action is taken.

Pursuant to MCC 2-92-445 or 2-92-740, as applicable, remedies or sanctions may include a penalty in the amount of the discrepancy between the amount of the commitment in the Compliance Plan, as such amount may be amended through change orders or otherwise over the term of the contract, and the amount paid to MBEs or WBEs, and disqualification from contracting or subcontracting on additional City contracts for up to three years. The consequences provided herein shall be in addition to any other criminal or civil liability to which such entities may be subject.

The contractor shall have the right to protest the final determination of non-compliance and the imposition of any penalty by the Chief Procurement Officer pursuant to MCC 2-92-445 or 2-92-740, within 15 business days of the final determination.

1.10. **Arbitration**

a) In the event a contractor has not complied with the contractual MBE/WBE percentages in its Schedule D, underutilization of MBEs/WBEs shall entitle the affected MBE/WBE to recover from the

contractor damages suffered by such entity as a result of being underutilized; provided, however, that this provision shall not apply to the extent such underutilization occurs pursuant to a waiver or substitution approved by the City. The Ordinance and contracts subject thereto provide that any disputes between the contractor and such affected MBEs/WBEs regarding damages shall be resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorney's fees, being recoverable by a prevailing MBE/WBE in accordance with these regulations. This provision is intended for the benefit of any MBE/WBE affected by underutilization and grants such entity specific third party beneficiary rights. Any rights conferred by this regulation are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, suborder, or communicated orally between a contractor and a MBE/WBE.

b) An MBE/WBE desiring to arbitrate shall contact the contractor in writing to initiate the arbitrative process. Except as otherwise agreed to in writing by the affected parties subject to the limitation contained in the last sentence of the previous paragraph, within ten (10) calendar days of the contractor receiving notification of the intent to arbitrate from the MBE/WBE the above-described disputes shall be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association (AAA), a not-for-profit agency, with an office at 225 North Michigan Avenue, Suite 2527, Chicago, Illinois 60601-7601 [Phone: (312) 616-6560; Fax: (312) 819-0404]. All such arbitrations shall be initiated by the MBE/WBE filing a demand for arbitration with the AAA; shall be conducted by the AAA; and held in Chicago, Illinois.

c) All arbitration fees are to be paid pro rata by the parties, however, that the arbitrator is authorized to award reasonable expenses, including attorney and arbitrator fees, as damages to a prevailing MBE/WBE.

d) The MBE/WBE must send the City a copy of the Demand for Arbitration within ten (10) calendar days after it is filed with the AAA. The MBE/WBE also must send the City a copy of the decision of the arbitrator within ten (10) calendar days of receiving such decision. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

1.11. **Equal Employment Opportunity**

Compliance with MBE and WBE requirements will not diminish or supplant equal employment opportunity and civil rights provisions as required by law.

Dear Mr. Khan:

Congratulations on your continued eligibility for Certification as a Minority Business Enterprise (MBE) by Cook County Government. This MBE Certification is valid until December 29, 2016.

As a condition of continued Certification, you must file a "Re-Certification Affidavit" within sixty (60) days prior to the date of annual expiration. Failure to file this Affidavit shall result in the termination of your Certification. You must notify Cook County Government's Office of Contract Compliance of any change in ownership or control or any other matters or facts affecting your firm's eligibility for Certification within fifteen (15) business days of such changes.

Cook County Government may commence action to remove your firm as a MBE vendor if you fail to notify us of any changes of facts affecting your firm's certification, or if your firm otherwise fails to cooperate with the County in any inquiry or investigation. Removal of status may also be commenced if your firm is found to be involved in bidding or contractual irregularities.

Your firm's name will be listed in Cook County's Directory of Minority Business Enterprise, Women Business Enterprise and/ or Veteran Business Enterprise in the area(s) of specialty:

DEPARTMENT OF PROCUREMENT SERVICES

CITY OF CHICAGO

JUN 10 2013

Walker Harris
Harris Ice Company, Inc.
3927 West 5th Avenue
Chicago, IL 60624

Dear Mr. Wilson:

We are pleased to inform you that **Harris Ice Company, Inc.** has been recertified as a **Minority Business Enterprise ("MBE")** by the City of Chicago ("City"). This **MBE** certification is valid until **06/01/2018**; however your firms' certification must be re-validated annually. In the past the City has provided you with an annual letter confirming your certification; such letters will no longer be issued. As a consequence, we require you to be even more diligent in filing your **annual No-Change Affidavit** 60 days before your annual anniversary date.

It is now your responsibility to check the City's certification directory and verify your certification status. As a condition of continued certification during the five-year period stated above, you must file an annual No-Change Affidavit. Your firms' **annual No-Change Affidavit** is due by **06/01/2014, 06/01/2015, 06/01/2016, and 06/01/2017.** Please remember, you have an affirmative duty to file your No-Change Affidavit 60 days prior to the date of expiration. Failure to file your annual No-Change Affidavit may result in the suspension or rescission of your certification.

Your firms' five year certification will expire on **06/01/2018.** You have an affirmative duty to file for recertification 60 days prior to the date of the five year anniversary date. Therefore, you must file for recertification by **04/01/2018.**

It is important to note that you also have an ongoing affirmative duty to notify the City of any changes in ownership or control of your firm, or any other fact affecting your firms' eligibility for certification **within 10 days** of such change. These changes may include but are not limited to a change of address, change of business structure, change in ownership or ownership structure, change of business operations, gross receipts and or personal net worth that exceed the program threshold. Failure to provide the City with timely notice of such changes may result in the suspension or rescission of your certification. In addition, you may be liable for civil penalties under Chapter 1-22, "False Claims", of the Municipal Code of Chicago.

Please note – you shall be deemed to have had your certification lapse and will be ineligible to participate as a **MBE** if you fail to:

- File your annual No-Change Affidavit within the required time period;
- Provide financial or other records requested pursuant to an audit within the required time period;
- Notify the City of any changes affecting your firms' certification within 10 days of such change; or
- File your recertification within the required time period.

Please be reminded of your contractual obligation to cooperate with the City with respect to any reviews, audits or investigation of its contracts and affirmative action programs. We strongly encourage you to assist us in maintaining the integrity of our programs by reporting instances or suspicions of fraud or abuse to the City's Inspector General at chicagoinspectorgeneral.org, or 866-IG-TIPLINE (866-448-4754).

Be advised that if you or your firm is found to be involved in certification, bidding and/or contractual fraud or abuse, the City will pursue decertification and debarment. In addition to any other penalty imposed by law, any person who knowingly obtains, or knowingly assists another in obtaining, a contract with the City by falsely representing the individual or entity, or the individual or entity assisted, is a minority-owned business or a woman-owned business, is guilty of a misdemeanor, punishable by incarceration in the county jail for a period not to exceed six months or a fine of not less than $5,000 and not more than $10,000 or both.

Your firms' name will be listed in the City's Directory of Minority and Women-Owned Business Enterprises in the specialty area(s) of:

NAICS Code:	
424990	**Ice Merchant Wholesalers**
312113	**Ice Manufacturing**

Your firms' participation on City contracts will be credited only toward Minority-Owned Business Enterprise goals in your area(s) of specialty. While your participation on City contracts is not limited to your area of specialty, credit toward goals will be given only for work that is self-performed and providing a commercially useful function that is done in the approved specialty category.

Thank you for your interest in the City's Minority-Owned Business Enterprise (MBE) Program.

Sincerely,

Respondent must submit evidence of insurance prior to Agreement award. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Respondent showing compliance with the requirements of the Agreement is not a waiver by the City of any requirements for Respondent to obtain and maintain the specified coverages. Respondent must advise all insurers of the Agreement provisions regarding insurance. The City reserves the right to obtain complete, certified copies of any required insurance policies at any time.

2) Failure to Maintain Insurance. Non-conforming insurance does not relieve Respondent of the obligation to provide insurance as specified herein. 6) Waiver of Subrogation. Respondent hereby grants to the City a waiver of any right of subrogation which any insurer of said Respondent may acquire against the City by virtue of the payment of any loss under such insurance. Respondent agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer(s).

7) No Limitation as to Respondent Liabilities. The Respondent expressly understands and agrees that any overages and limits furnished by Respondent in no way limit the Respondent's liabilities and responsibilities specified within the Agreement or by law.

8) No Contribution by City. Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by the Respondent under the Agreement.

9) Insurance not limited by Indemnification. The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

10) Insurance limits maintained by Respondent. If Respondent maintains higher limits than the minimums required herein, the City requires and shall be entitled to coverage for the higher limits maintained by the Respondent. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

11) Joint Venture or Limited Liability Company Policies. If Respondent is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

12) Other Insurance Obtained by Respondent. If Respondent or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

The City Note shall be substantially in the form attached to the Redevelopment Agreement as Exhibit M, and made a part hereof, with such additions or modifications as shall be determined to be necessary by the Authorized Officer (the person duly appointed and serving as the Chief Financial Officer of the City, or if no such person has been appointed, then the City Comptroller, being each referred to herein as an "Authorized Officer") of the City, at the time of issuance to reflect the purpose of the issue. The City Note shall be dated the date of delivery thereof, and shall also bear the date of authentication, shall be in fully registered form, shall be in the denomination of the outstanding principal amount thereof and shall become due and payable as provided therein. The proceeds of the City Note are hereby appropriated for the purposes set forth in this Section 6.

The City Note shall mature as described in the Redevelopment Agreement, and shall bear interest at a fixed interest rate as described in the Redevelopment Agreement until the principal amount of the City Note is paid or until maturity, with the exact rate to be determined by the Authorized Officer, computed on the basis of a 360-day year of twelve 30-day months.

The principal of and interest on the City Note shall be paid by check, draft or wire transfer of funds by the Authorized Officer of the City, as registrar and paying agent (the "Registrar"), payable in lawful money of the United States of America to the persons in whose names the City Note is registered at the close of business on the payment date, in any event no later than at the close of business on the 15th day of the month immediately after the applicable payment date; provided, that the final installment of the principal and accrued but unpaid interest of the City Note shall be payable in lawful money of the United States of America at the principal office of the Registrar or as otherwise directed by the City on or before the maturity date.

The seal of the City shall be affixed to or a facsimile thereof printed on the City Note, and the City Note shall be signed by the manual or facsimile signature of the Mayor of the City and attested by the manual or facsimile signature of the City Clerk or any Deputy Clerk of the City, and in case any officer whose signature shall appear on the City Note shall cease to be such officer before the delivery of the City Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The City Note shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Registrar, as authenticating agent of the City for the City Note, and showing the date of authentication. The City Note shall not be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such

certificate of authentication shall have been duly executed by the Registrar by manual signature, and such certificate of authentication upon the City Note shall be conclusive evidence that the City Note has been authenticated and delivered under this Ordinance.

SECTION 7. The City shall cause books (the "Register") for the registration and for the transfer of the City Note (to the extent such transfer is permitted under the Redevelopment Agreement) as provided in this Ordinance to be kept at the principal office of the Registrar, which is hereby constituted and appointed the registrar of the City for the City Note. The City is authorized to prepare, and the Registrar shall keep custody of, multiple City Note blanks executed by the City for use in the transfer of the City Note.

Upon surrender for a transfer of a City Note authorized under the Redevelopment Agreement at the principal office of the Registrar, duly endorsed by, or accompanied by (i) a written instrument or instruments of transfer in form satisfactory to the Registrar, (ii) an investment representation in form satisfactory to the City and duly executed by, the registered owner or his attorney duly authorized in writing, (iii) the written consent of the City evidenced by the signature of the Authorized Officer (or his or her designee) and the Commissioner on the instrument of transfer, and (iv) any deliveries required under the Redevelopment Agreement, the City shall execute and the Registrar shall authenticate, date and deliver in the name of any such authorized transferee or transferees a new fully registered City Note of the same maturity, of authorized denomination, for the authorized principal amount of the City Note less previous retirements. The execution by the City of a fully registered City Note shall constitute full and due authorization of the City Note and the Registrar shall thereby be authorized to authenticate, date and deliver said City Note. The Registrar shall not be required to transfer or exchange said City Note during the period beginning at the close of business on the fifteenth day of the month immediately prior to the maturity date of said City Note nor to transfer or exchange said City Note after notice calling said City Note for prepayment has been made, nor during a period of five (5) business days next preceding mailing of a notice of prepayment of principal of the City Note. No beneficial interests in said City Note shall be assigned, except in accordance with the procedures for transferring said City Note described above.

The person in whose name a City Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of said City Note shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon said City Note to the extent of the sum or sums so paid.

No service charge shall be made for any transfer of the City Note, but the City or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer of the City Note.

SECTION 8. Subject to the limitations set forth herein, the Authorized Officer is authorized to determine the terms of the City Note and to issue the City Note on such terms as the Authorized Officer may deem to be in the best interest of the City. The principal of the City Note shall be subject to prepayment as provided in the form of City Note attached to the Redevelopment Agreement as Exhibit M. As directed by the Authorized Officer, the Registrar shall proceed with prepayment without further notice or direction from the City.

SECTION 9. The City Note hereby authorized shall be executed as in this Ordinance and the Redevelopment Agreement provided as soon after the passage hereof as may be practicable

and consistent with the terms of the Redevelopment Agreement, and thereupon, said City Note shall be deposited with the Commissioner, and delivered by the Commissioner to the Developer.

SECTION 10. Pursuant to the TIF Ordinance, the City has created or will create the Montrose-Clarendon Special Tax Allocation Fund (the "Fund"). The Authorized Officer is hereby directed to maintain the Fund as a segregated interest-bearing account, separate and apart from the General Fund or any other fund of the City, with a bank that is insured by the Federal Deposit Insurance Corporation or its successor. Pursuant to the TIF Ordinance, all Available Incremental Taxes (as defined in the Redevelopment Agreement) received by the City for the Area are to be deposited into the Fund.

There is hereby created within the Fund a special sub-account to be known as the "Montrose Clarendon Park Account" (the "Project Account"). The City shall designate and deposit into the Project Account the Available Incremental Taxes. The City hereby assigns, pledges and dedicates the Project Account, together with all amounts on deposit therein, to the payment of the principal of and interest, if any, on the City Note when due under the terms of the Redevelopment Agreement and in accordance with the debt service schedules attached to the notes. Upon deposit, the moneys on deposit in the Project Account may be invested as hereinafter provided. Interest and income on any such investment shall be deposited in the Project Account. All moneys on deposit in the Project Account shall be used to pay the principal of and interest on the City Note, at maturity or upon payment or redemption prior to maturity, in accordance with the terms of such note, which payments from the Project Account are hereby authorized and appropriated by the City. Upon payment of all amounts due under the City Note and the Redevelopment Agreement in accordance with their terms, the amounts on deposit in the Project Account, as applicable, shall be deposited in the Fund of the City and the Project Account shall be closed.

Notwithstanding any of the foregoing, payments on the City Note will be subject to the availability of Available Incremental Taxes in the Project Account.

SECTION 11. The City Note is a special limited obligation of the City. The City Note is payable solely from Available Incremental Taxes, and shall be a valid claim of the registered owners thereof only against said sources. The City Note shall not be deemed to constitute indebtedness or loans against the general taxing powers or credit of the City, within the meaning of any constitutional or statutory provision. The registered owner(s) of the City Note shall not have the right to compel any exercise of the taxing power of the City, the State of Illinois or any political subdivision thereof to pay the principal of or interest on the City Note.

SECTION 12. Moneys on deposit in the Fund or the Project Account, as the case may be, may be invested as allowed under Section 2-32-520 of the Municipal Code of the City of Chicago (the "Municipal Code"). Each such investment shall mature on a date prior to the date on which said amounts are needed to pay the principal of or interest on the City Note.

SECTION 13. The eligible redevelopment project costs of the Project constituting TIF-Funded Improvements up to the principal amount of $4,600,000, when evidenced by Certificates of Expenditure shall be deemed to be a disbursement of the proceeds of the City Note. Upon issuance, the City Note shall have in the aggregate an initial principal balance equal to the Developer's prior expenditures for TIF-Funded Improvements up to a maximum amount of $4,600,000, as evidenced by Certificates of Expenditures delivered in accordance with the Redevelopment Agreement. After issuance, the principal amounts outstanding under the City Note

shall be the initial principal balance of the City Note, minus any principal amount and interest paid on the City Note.

SECTION 14. The Mayor, the Authorized Officer, the City Clerk or any Deputy Clerk, the Commissioner (or his or her designee) and the other officers of the City are authorized to execute and deliver on behalf of the City such other documents, agreements and certificates and to do such other things consistent with the terms of this Ordinance as such officers and employees shall deem necessary or appropriate in order to effectuate the intent and purposes of this Ordinance.

SECTION 15. The Registrar shall maintain a list of the names and address of the registered owners from time to time of the City Note and upon any transfer shall add the name and address of the new registered owner and eliminate the name and address of the transferor.

SECTION 16. The provisions of this Ordinance shall constitute a contract between the City and the registered owners of the City Note. All covenants relating to the City Note are enforceable by the registered owners of the City Note.

SECTION 17. If any provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this Ordinance.

SECTION 18. All ordinances, resolutions, motions or orders in conflict with this ordinance (including the terms and conditions of Exhibit 1) are hereby repealed to the extent of such conflict.

SECTION 19. This Ordinance shall be in full force and effect immediately upon its passage.

A. Constitutional Authority: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. Statutory Authority: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority: To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on June 30, 2010: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Montrose/Clarendon Redevelopment Project Area" (the "Plan Adoption Ordinance"); (2) "An Ordinance of the City of Chicago, Illinois Designating the Montrose/Clarendon Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Montrose/Clarendon Redevelopment Project Area" (the "TIF Adoption Ordinance") (items(1)-(3) collectively referred to herein as the "TIF Ordinances"). In addition, the City may, in its discretion, issue tax increment allocation bonds ("Bonds") secured by Incremental Taxes pursuant to a TIF bond ordinance (the "Bond Ordinance") at a later date as described in Section 4.03(d) hereof, the proceeds of which (the "Bond Proceeds") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Incremental Taxes (including any such payment made pursuant to the City Note provided to Developer pursuant to this Agreement), to make payments of principal and interest on the City Note (subject to the 96-month so-called "lockout period" applicable to City Note, as set forth below), or in order to reimburse the City for the costs of TIF-Funded Improvements.

(n) Developer understands that (i) the City Funds are limited obligations of the City, payable solely from moneys on deposit in the Montrose Clarendon Park Account of the TIF Fund; (ii) the City Funds do not constitute indebtedness of the City within the meaning of any constitutional or statutory provision or limitation; (iii) Developer will have no right to compel the exercise of any taxing power of the City for payment of the City Funds; and (iv) the City Funds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the City, the State of Illinois or any political subdivision thereof;

(o) Developer has sufficient knowledge and experience in financial and business matters, including municipal projects and revenues of the kind represented by the City Funds, and has been supplied with access to information to be able to evaluate the risks associated with the receipt of City Funds;

(p) Developer understands that there is no assurance as to the amount or timing of receipt of City Funds, and that the amounts of City Funds actually received by such party may be less than the maximum amounts set forth in Section 4.03(b);

(q) Developer understands it may not sell, assign, pledge or otherwise transfer its interest in this Agreement or City Funds in whole or in part except in accordance with the terms of this Agreement (including but not limited to Sections 18.14 and 18.21 hereof), and, to the fullest extent permitted by law, agrees to indemnify the City for any losses, claims, damages or expenses relating to or based upon any sale, assignment, pledge or transfer of City Funds in violation of this Agreement; and

(r) Developer acknowledges that with respect to City Funds, the City has no obligation to provide any continuing disclosure to the Electronic Municipal Market Access System maintained by the Municipal Securities Rulemaking Board, to any holder of a note relating to City Funds or any other person under Rule 15c2-12 of the Commission promulgated under the Securities Exchange Act of 1934 or otherwise, and shall have no liability with respect thereto.

8.02 [intentionally omitted]

8.03 [intentionally omitted]

8.04 Use of City Funds. City Funds disbursed to Developer shall be used by Developer solely to pay for (or to reimburse Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 Bonds. Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any Bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements, subject to the 96-month so-called "lockout period" applicable to City Note; provided, however, that any such amendments shall not have a material adverse effect on Developer or the Project. Developer shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 [intentionally omitted]

8.07 [intentionally omitted]

8.08 [intentionally omitted]

8.09 [intentionally omitted]

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

8.13-8.15 [intentionally omitted]

8.16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws. To the best of Developer's knowledge, after diligent inquiry, the Property is and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, Developer shall provide evidence satisfactory to the City of such compliance.

8.18 [intentionally omitted]

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer or the Property, or become due and payable, and which create, may create, or appear to create a lien upon Developer or all or any portion of the Property; provided, however, that this section shall not impose on Developer any obligation to be personally liable on any tax that does not generally impose personal liability. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer or the Property including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking

as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

(c) [intentionally omitted]

(d) Notification to the Cook County Assessor of Change in Use and Ownership. Prior to the Closing Date, Developer shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. On the Closing Date, Developer shall pay to the Title Company the cost of sending the notification to the Cook County Assessor via certified mail, return receipt requested. After delivery of the notification, Developer shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office.

8.20 Annual Report(s). (a) [intentionally omitted]

(b) Beginning after the 30 Month Period and continuing throughout the Term of the Agreement, Developer shall cause to be submitted to DPD each calendar year an Annual Report of Incremental Taxes not later than February 1st of the subsequent calendar year. Failure by the Developer to submit the Annual Report of Incremental Taxes before February 15th of a relevant year shall constitute an Event of Default under Section 15.01 hereof, without notice or opportunity to cure pursuant to Section 15.03 hereof. If the Developer defaults in submitting the Annual Report of Incremental Taxes in any year, the City may engage its own financial consultant to prepare the report and the cost thereof shall be reimbursed to the City from City Funds to the extent available for payments on the City Note.

8.21 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.22 [intentionally omitted]

8.23. FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within two business days of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

8.24 [intentionally omitted]

8.25 [intentionally omitted]

8.26 [intentionally omitted]

8.27 Continuing Information Agreement. The Developer covenants and agrees as follows:

(a) For each tax collection year following the date the Certificate is issued pursuant to Section 7.01 hereof, the Developer shall engage a recognized financial consultant to prepare an annual continuing information report (the "Consultant's Report") that sets forth as of its date the following information:

(i) a description of the Redevelopment Area, including all redevelopment agreements relating to the Redevelopment Area;

(ii) a description of the Project;

(iii) a status update of the Project, including information on construction, occupancy, leasing or sales, as applicable;

(iv) a listing of the top ten taxpayers in the Redevelopment Area; and

(v) for the property within the Redevelopment Area from which incremental taxes will be used to pay the City Note(s), by tax codes or PINs, as applicable, for the last five collection years:

(A) the equalized assessed value;

(B) the initial equalized assessed value;

(C) the incremental equalized assessed value;

(D) the composite tax rates;

(E) the available incremental taxes;

(F) the debt service of the City Note(s); and

(G) the debt service coverage ratio.

(b) The Consultant's Report shall be signed by the consultant and available to the Developer no later than February 1 following each tax collection year. If the Developer fails to obtain the Consultant's report by the date required, DPD may engage its own financial consultant to prepare the report and the cost thereof shall be reimbursed to the City from monies available in the TIF Fund.

(c) Each Consultant's Report shall include in a prominent place the following disclaimer:

"The City's Office of Budget and Management ("OBM") produces five year District Projection Reports for each TIF district in the City for the purpose of evaluating resources and project balances. This information is used by the OBM to determine how much funding has been committed and how much funding is available for potential projects. The reports and the projections including therein are not audited and do not represent a final accounting of funds. The reports are not prepared for investors or as a basis for making investment decisions with respect to any notes, bonds or other debt obligations of the City that are payable from available incremental taxes. Investors in such obligations are cautioned not to rely on any of the information contained in the District Projection Reports."

(d) If any Consultant's Report contains projections, the consultant shall consider the publicly available TIF-wide projections from the OBM and provide an explanation as to the discrepancy, if any, between the consultant's projections and those of OBM. In addition, the consultant shall state in the Consultants Report all assumptions used in formulating the projections.

(e) The Developer shall cause the following documents to be disseminated through the Electronic Municipal Market Access ("EMMA") system for municipal securities disclosure maintained by the Municipal Securities Rulemaking Board (the "MSRB") or through any other electronic format or system prescribed by the MSRB for purposes of Rule 15c2-12 under the Securities Exchange Act of 1934, as amended:

(i) Within five (5) days of the end of the 30 Month Period:

(A) The Redevelopment Agreement, including the specimen of the City Note;

(B) The original feasibility study delivered to DPD; and

(C) On the date of the closing of any third party sale of the City Note or any beneficial interests therein by the Developer: the private placement or limited offering memorandum used by or on behalf of the Developer in connection with the sale.

(ii) By February 15 of each year:

(A) All redevelopment agreements with respect to the Redevelopment Area that have been made publicly available by DPD;

(B) Annual financial statements of the Redevelopment Area that have been made publicly available by DPD; and

(C) The Consultant's Report.

(f) The Developer shall deliver to DPD each of the documents set forth in subparagraph (e) above on the date such documents are disseminated through EMMA.

(g) The Developer shall be responsible to pay or make provision for all costs and expenses relating to Developer's obligations hereunder, including but not limited to the fees and expenses of the Consultant and the costs of filing with EMMA. In addition to and not in limitation of the other provisions of this Agreement, Developer agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses.

8.28 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTIONS 10-12. [intentionally omitted]

SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an

"Indemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement, including, be not limited to, Section 8.27; or

(ii) [intentionally omitted]; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any official statement, limited offering memorandum or private placement memorandum or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of Developer or any Affiliate of Developer; or

(iv) Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. [intentionally omitted]

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by Developer hereunder:

(a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement (but not the Apartments Agreement);

(b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement (but not the Apartments Agreement) with any person or entity if such failure may have a material adverse effect on Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or

any related agreement (but not the Apartments Agreement) which is untrue or misleading in any material respect;

(d) [intentionally omitted];

(e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of Developer or the death of any natural person who owns a material interest in Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed within thirty (30) days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor);

(k) during the 30 Month Period, the sale or transfer of a majority of the ownership interests of Developer without the prior written consent of the City; or

(l) the failure of Developer, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

For purposes of Sections 15.01(i) and 15.01(j) hereof, a person with a material interest in Developer shall be one owning in excess of ten (10%) of Developer's membership interests.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties (but

not the Apartments Agreement); provided, however, that the City shall not suspend or impair payments on the City Note and may not seek reimbursement of any amounts paid on the City Note. Payments on the City Note shall not be subject to any conditions other than the availability of Available Incremental Taxes. Subject to the foregoing, the City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement the Redevelopment Plan without the consent of any party hereto. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.19 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer also will pay any court costs, in addition to all other sums provided by law.

18.20 Business Relationships. Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a business relationship that creates a "Financial Interest" (as defined in Section 2-156-010 of the Municipal Code)(a "Financial Interest"), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship that creates a Financial Interest, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

18.21 Restrictions on Transfer. The City Note(s) may only be offered, sold, pledged or otherwise transferred in principal amounts of not less than $100,000 and only to (a) an institutional "accredited investor" within the meaning of rule 501(a) (1), (2), (3) or (7) under the Securities Act of

1933 (the "Securities Act') that delivers to the City an Investor Letter in the form of Exhibit P hereto, or (b) a person (other than a dealer) who the seller reasonably believes is a "qualified institutional buyer" within the meaning of Rule 144A(a)(1) of the Securities Act. Any holder of the City Note(s) is required to notify any purchaser of the City Note(s) of the resale restrictions referred to above. Notwithstanding the foregoing, if any transfer of the City Note(s) is to a dealer meeting the requirements of Section 144A(a)(1)(ii) or (iii), such dealer shall deliver to the City an Investor Letter with the modifications set forth on the Exhibit P. The Developer may, and the City hereby consents, to the Developer's assignment, on a collateral basis, of the City Note and the right to receive payments thereon, to [tbd], the lender providing Lender Financing under this Agreement and/or the Apartments Agreement.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]

OPINION OF DEVELOPER'S COUNSEL

[To be retyped on Developer's Counsel's letterhead]

___, ____

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an [Illinois] _____ (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the _____ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) _____ Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by Developer and the City;]

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's [Articles of Incorporation or By-Laws] [describe any formation documents if Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge

after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

[Note: include a reference to the laws of the state of incorporation/organization of Developer, if other than Illinois.]

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

[The following "Noteholder Risks" constitutes an integral part of this Note.]

NOTEHOLDER RISKS

The purchase of or investment in the Note involves certain risks. Each prospective holder or purchaser of the Note, or any interest therein, should make an independent evaluation of the financial and business risks associated with holding or having an investment interest in the Note. Certain of these risks are set forth below. The following summary is not intended to be complete and does not purport to identify all possible risks that should be considered by prospective holders of the Note or any interests therein. Capitalized terms used herein have the meanings set forth in the Note.

All prospective holders of the Note are urged to consult with their financial adviser and legal counsel before acquiring the Note or any interest therein.

Loss of Investment

Investment in the Note involves a high degree of risk. It is suitable only for persons who are able to bear the economic risks of the investment, including total loss. No assurance can be provided that prospective holders of the Note will not lose their entire investment in the Note.

Lack of Liquidity

The Note is suitable only for persons who have no need for liquidity. The transferability of the Note is restricted. The Note may only be transferred in the manner and subject to the limitations provided in the Redevelopment Agreement. Investors in the Note must be prepared to hold the Note until the maturity of the Note.

Reliance on Projections

The City does not endorse projections of any kind from any source as to the sufficiency of available incremental taxes to pay principal and interest on the Note. Investor who rely on any such projections do so at their own risk.

The City's Office of Budget and Management ("OBM") produces five-year District Projection Reports for each TIF district in the City for the purpose of evaluating resources and project balances. This information, which is currently publicly available, is used by the OBM to determine how much funding has been committed and how much funding is available for potential projects. The reports and the projections including therein are not audited and do not represent a final accounting of funds. The reports are not prepared for investors or as a basis for making investment decisions with respect to any notes, bonds or other debt obligations of the City that are payable from available incremental taxes, including the Note. Prospective investors in Note are cautioned not to rely on any of the information contained in the District Projection Reports.

Limited Obligations

THE NOTE IS A SPECIAL LIMITED OBLIGATION OF THE CITY PAYABLE SOLELY FROM THE AVAILABLE INCREMENTAL TAXES, AND SHALL BE A VALID CLAIM ONLY AGAINST SAID SOURCES. THE NOTE DOES NOT CONSTITUTE AN INDEBTEDNESS OR A

LOAN AGAINST THE GENERAL TAXING POWERS OR CREDIT OF THE CITY, WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION. THE NOTEHOLDER HAS NO RIGHT TO COMPEL ANY EXERCISE OF THE TAXING POWER OF THE CITY, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF TO PAY THE PRINCIPAL OR INTEREST OF THE NOTE. THE HOLDER OF THE NOTE ACCEPTS THE RISK THAT THE AMOUNT OF ALLOCATED AVAILABLE INCREMENTAL TAXES MAY NOT BE SUFFICIENT TO PAY THE PRINCIPAL OF OR INTEREST ON THE NOTE.

There can be no assurance that Available Incremental Taxes will be sufficient for payment of amounts due and owing on the Note.

Limited Information

The Note was issued to the Developer under the Redevelopment Agreement as part of a commercial transaction negotiated by the Developer and the City. [The Developer] engaged a [consultant] to deliver a [feasibility report][projection report] to the City in connection with the Project, which included certain information about the Project Area, the Project, the Property (as defined in the Redevelopment Agreement) and historical and projected Available Incremental Taxes. The report contained information as of its date only, and neither the Developer nor any other party have any obligation to update the report as of any subsequent date.

The City is under no continuing obligation to provide to any holder or prospective holder of the Note, or to post to EMMA or any website, any current or updated information with respect to the Project Area, the Project, the Property, the historical and projected Available Incremental Taxes or the Note. The City does not prepare or have readily available any current or updated information about the Project Area, the Project, the Property or the Available Incremental Taxes.

Unavailability of City Funds

The City is not obligated to pay principal of or interest on the Note in any year in which there are inadequate Available Incremental Taxes. The City is obligated to pay the amount of any unpaid principal or accrued interest in any subsequent year but only to the extent of the Available Incremental Taxes for those subsequent years. Except as expressly provided in the Note, if, on the maturity date of the Note, any outstanding unpaid principal or interest on the Note exists for any reason, including without limitation the inadequacy of Available Incremental Taxes, such outstanding principal and/or interest will be forgiven in full and the City will have no further obligation to pay such outstanding amount. In such event, there would be no further payments of principal or interest in respect of the Note.

Risk of Failure to Maintain Levels of Assessed Valuation

There can be no assurance that the equalized assessed value of the Project property will remain the same throughout the term of the Note. Furthermore, the successful petition or application of any owner for the reduction of the assessed value of the Project property may cause the equalized assessed value of the Project Area to be less than the originally projected equalized assessed value of the property. If any time during the term of the Note the actual equalized assessed value is less than what was projected, the generation of Available Incremental Taxes for payment on the Note is likely to be significantly impaired.

Risk of Change in Available Incremental Taxes

Prospective holders of the Note should carefully consider, among other factors, the risks associated with the ultimate generation of Available Incremental Taxes in the Project Area. These risks include, but are not limited to, the following:

1. Property tax rates are calculated by the County Clerk for numerous funds of a number of taxing districts that tax all or part of the property in the Project Area. A reduction in the tax levies by the affected taxing districts may have an adverse effect on the Available Incremental Taxes.

2. Further changes may be made in the real property tax system by the State of Illinois or Cook County. Such changes could include various property tax rollbacks, abatements, exemptions, changes in the ratio of assessment, or relief measures, limitations on the amount or percent of increase in tax levies by taxing districts, or other measures that would limit the tax levy amount that could be extended to the property within the Project Area and, consequently, the projected Available Incremental Taxes generated. For example, if Illinois adopted practices used in other states, the property tax system could be changed so that schools would be financed from a source other than property taxes. This type of change could have a significant adverse effect upon Available Incremental Taxes.

3. Cook County's methodology and procedures used to assess the value of property may be altered resulting in a potentially reduced or altered valuation in a particular year or succession of years.

4. Failure by Cook County to remit property taxes to the City on a timely basis could result in insufficient Available Incremental Taxes being available to pay principal of or interest on the Note when due.

FUTURE LEGISLATION, REGULATIONS, GOVERNMENTAL OR JUDICIAL INTERPRETATION OF REGULATIONS OR LEGISLATION OR PRACTICES AND PROCEDURES RELATED TO PROPERTY TAX ASSESSMENT, LEVY, COLLECTIONS OR DISTRIBUTION COULD HAVE A MATERIAL EFFECT ON THE CALCULATION OR AVAILABILITY OF AVAILABLE INCREMENTAL TAXES COLLECTED OR DISTRIBUTED.

Changes in Multiplier and Tax Rate

The equalization factor annually determined by the Illinois Department of Revenue for properties located within Cook County (commonly referred to as the "multiplier") may vary substantially in future years. A decrease in the multiplier would reduce the equalized assessed value of the taxable real property in the Project Area and, therefore, the Available Incremental Taxes available to pay debt service on the Note. The future tax rates of the units of local government levying taxes in the Project Area either individually or on a composite basis, may differ from their historical levels. Any decrease in the composite tax rate of the governmental units would decrease the amount of Available Incremental Taxes available to pay debt service on the Note. Any decrease in the composite tax rate of the governmental units could occur in future years as a result of various factors, including, but not limited to, one or more of the following: (a) reduced governmental costs; (b) constitutional or statutory spending or tax rate limitations; or (c) governmental reorganization or consolidation.

Economic Risks Affecting Available Incremental Taxes

Changing economic circumstances or events in the Project Area may result in reductions in Available Incremental Taxes available to pay debt service on the Note. Relocations of major property owners to sites outside the Project Area or sales of major properties to tax-exempt entities could reduce the assessed valuation of the Project Area. Substantial damage to or destruction of improvements within the Project Area could cause a material decline in assessed valuation and impair the ability of the taxpayers in the Project Area to pay their respective portions of real estate taxes. There can be no assurance that the improvements in the Project Area are or will be insured under fire and extended coverage insurance policies, and, even if such insurance exists, the proceeds thereof will not be assigned as security for the payment of real estate taxes or to secure payment of the Note. In addition, any insurance proceeds may not be sufficient to repair or rebuild the improvements. The restoration of the improvements may be delayed by other factors, or the terms of then-applicable mortgage financing could require the application of insurance proceeds to the reduction of mortgage balances. Any of the foregoing circumstances could result in the assessed valuation of property in the Project Area remaining depressed for an unknown period of time and decrease the amount of Available Incremental Taxes available to pay debt service on The Note.

Results of operation of properties within the Project Area depend, in part, on sales, leases, rental rates and occupancy levels, which may be adversely affected by competition, suitability of the properties located in the Project Area in its local market, local unemployment, availability of transportation, neighborhood changes, crime levels in the Project Area, vandalism, rising operating costs and similar factors. Poor operating results of properties within the Project Area may cause delinquencies in the payment of real estate taxes, reduce assessed valuations and increase the risk of foreclosures. Successful petitions by taxpayers to reduce their assessed valuations could adversely affect available incremental Taxes available for payment of the Note.

Failure to Sell or Lease Property

At the time the Note was issued, the redevelopment plan called for the Developer [to sell/lease to commercial or industrial enterprises/retailers] prior to completion of certain work on the Property. The slowdown, stoppage or failure of the Developer to complete such work and to successfully sell/lease the Property could delay or reduce the amount of Available Incremental Taxes generated in the Project Area. Such delay or reduction could lead to a default in payments of the principal of, and interest on, the Note.

Reliance on Primary Taxpayers

If one or only a few property owners within the Project Area are responsible for generating a substantial amount of the Available Incremental Taxes, the generation of Available Incremental Taxes could be significantly adversely affected if such owner or owners and/or their tenants discontinue or curtail their businesses, terminate or default on their leases and substitutes or replacements cannot be found or located on a timely basis.

Force Majeure Conditions

Riots, civil disturbances, vandalism, fires, and natural disasters or other "Acts of God" affecting the conditions and viability of the Project Area may reduce or eliminate the receipt of Available Incremental Property.

Contiguous Project Areas

The Project Area is contagious with other redevelopment areas designated by the City pursuant to the TIF Act and may become contiguous with others. The TIF Act allows the City to expend incremental taxes collected from the Project Area which are in excess of the amounts required in each year to pay and secure obligations issued and project costs incurred with respect to the Project Area to pay for costs eligible for payment under the TIF Act which are incurred in such contiguous areas. In the event Incremental Taxes from the Project Area in excess of Available Incremental Taxes and the amounts required to (i) pay principal and interest coming due on the Note in any year and (ii) be deposited in other funds and accounts maintained under the Redevelopment Agreement are allocated to a contiguous project redevelopment area, such excess incremental taxes will not be available to remedy any future failure to pay principal of and interest on the Note.

Risk of Delay in Payment of Available Incremental Taxes

The failure of current or future owners of property in the Project Area to remit property taxes to the City when due or the failure of the City to timely remit Available Incremental Taxes to the Noteholder could result in insufficient Available Incremental Taxes being available to pay principal of or interest on the Note when due.

Delays in Exercising Remedies

The enforceability of the Note is subject to applicable bankruptcy laws, equitable principles affecting the enforcement of creditors' rights generally and of liens securing such rights, and the police powers of the State of Illinois and its political subdivisions. Because of delays inherent in obtaining judicial remedies, it should not be assumed that these remedies could be accomplished rapidly.

Remedies available to holder of the Note may be limited by a variety of factors and may be inadequate to assure the timely payment of principal of and interest on the Note, or to preserve the tax-exempt status of The Note. The Note is not subject to acceleration due to payment default. Lack of remedies may entail risks of delay, limitation, or modification of the rights of the holders of the Note. Judicial remedies, such as foreclosure and enforcement of covenants, are subject to exercise of judicial discretion.

Risk of Transferee Becoming a Debtor in Bankruptcy

If a transferee of the Note were to become a debtor under the United States Bankruptcy Code or applicable state laws, a creditor or trustee in bankruptcy of the transferee might argue that the sale of the Note by the transferee constituted a fraudulent conveyance or a pledge of the Note rather than a sale. If such positions were accepted by a court, then delays in principal and interest payments to holder the Note could occur or reductions in the amounts of such payments could result. Additionally, if the transfer of the Note is re-characterized as a pledge, then a tax lien, governmental lien or other lien created by operation of law on the property of the transferee could have priority over the holder's interest in the Note.

Loss of Tax Exemption

Interest on the Note could become includible in gross income for federal income tax purposes retroactive to the date of issuance of the Note as a result of a failure of the City to comply with certain provisions of the Internal Revenue Code of 1986, as amended (the "Code"). An event of taxability does not trigger a mandatory redemption of the Note, and the Note will remain outstanding to maturity or until redeemed.

THE ABOVE IS NOT INTENDED TO BE A COMPREHENSIVE DISCUSSION OF ALL POTENTIAL RISKS ASSOCIATED WITH THE NOTE.

NOTEHOLDER RISKS

The purchase of or investment in the Note involves certain risks. Each prospective holder or purchaser of the Note, or any interest therein, should make an independent evaluation of the financial and business risks associated with holding or having an investment interest in the Note. Certain of these risks are set forth below. The following summary is not intended to be complete and does not purport to identify all possible risks that should be considered by prospective holders of the Note or any interests therein. Capitalized terms used herein have the meanings set forth in the Note.

All prospective holders of the Note are urged to consult with their financial adviser and legal counsel before acquiring the Note or any interest therein.

Loss of Investment

Investment in the Note involves a high degree of risk. It is suitable only for persons who are able to bear the economic risks of the investment, including total loss. No assurance can be provided that prospective holders of the Note will not lose their entire investment in the Note.

Lack of Liquidity

The Note is suitable only for persons who have no need for liquidity. The transferability of the Note is restricted. The Note may only be transferred in the manner and subject to the limitations provided in the Redevelopment Agreement. Investors in the Note must be prepared to hold the Note until the maturity of the Note.

Reliance on Projections

The City does not endorse projections of any kind from any source as to the sufficiency of available incremental taxes to pay principal and interest on the Note. Investor who rely on any such projections do so at their own risk.

The City's Office of Budget and Management ("OBM") produces five-year District Projection Reports for each TIF district in the City for the purpose of evaluating resources and project balances. This information, which is currently publicly available, is used by the OBM to determine how much funding has been committed and how much funding is available for potential projects. The reports and the projections including therein are not audited and do not represent a final accounting of funds. The reports are not prepared for investors or as a basis for making investment decisions with respect to any notes, bonds or other debt obligations of the City that are payable from available incremental taxes, including the Note. Prospective investors in Note are cautioned not to rely on any of the information contained in the District Projection Reports.

Limited Obligations

THE NOTE IS A SPECIAL LIMITED OBLIGATION OF THE CITY PAYABLE SOLELY FROM THE AVAILABLE INCREMENTAL TAXES, AND SHALL BE A VALID CLAIM ONLY AGAINST SAID SOURCES. THE NOTE DOES NOT CONSTITUTE AN INDEBTEDNESS OR A LOAN AGAINST THE GENERAL TAXING POWERS OR CREDIT OF THE CITY, WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION. THE NOTEHOLDER HAS NO RIGHT TO COMPEL ANY EXERCISE OF THE TAXING POWER OF THE CITY, THE STATE

OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF TO PAY THE PRINCIPAL OR INTEREST OF THE NOTE.

There can be no assurance that Available Incremental Taxes will be sufficient for payment of amounts due and owing on the Note.

Limited Information

The Note was issued to the Developer under the Redevelopment Agreement as part of a commercial transaction negotiated by the Developer and the City. [The Developer] engaged a [consultant] to deliver a [feasibility report][projection report] to the City in connection with the Project, which included certain information about the Project Area, the Project, the Property and historical and projected Available Incremental Taxes. The report contained information as of its date only, and neither the Developer nor any other party have any obligation to update the report as of any subsequent date.

The City is under no continuing obligation to provide to any holder or prospective holder of the Note, or to post to EMMA or any website, any current or updated information with respect to the Project Area, the Project, the Property, the historical and projected Available Incremental Taxes or the Note. The City does not prepare or have readily available any current or updated information about the Project Area, the Project, the Property or the Available Incremental Taxes.

Unavailability of City Funds

The City is not obligated to pay principal of or interest on the Note in any year in which there are inadequate Available Incremental Taxes. The City is obligated to pay the amount of any unpaid principal or accrued interest in any subsequent year but only to the extent of the Available Incremental Taxes for those subsequent years. Except as expressly provided in the Note, if, on the maturity date of the Note, any outstanding unpaid principal or interest on the Note exists for any reason, including without limitation the inadequacy of Available Incremental Taxes, such outstanding principal and/or interest will be forgiven in full and the City will have no further obligation to pay such outstanding amount. In such event, there would be no further payments of principal or interest in respect of the Note.

Risk of Failure to Maintain Levels of Assessed Valuation

There can be no assurance that the equalized assessed value of the Project property will remain the same throughout the term of the Note. Furthermore, the successful petition or application of any owner for the reduction of the assessed value of the Project property may cause the equalized assessed value of the Project Area to be less than the originally projected equalized assessed value of the property. If any time during the term of the Note the actual equalized assessed value is less than what was projected, the generation of Available Incremental Taxes for payment on the Note is likely to be significantly impaired.

Risk of Change in Available Incremental Taxes

Prospective holders of the Note should carefully consider, among other factors, the risks associated with the ultimate generation of Available Incremental Taxes in the Project Area. These risks include, but are not limited to, the following:

1. Property tax rates are calculated by the County Clerk for numerous funds of a number of taxing districts that tax all or part of the property in the Project Area. A reduction in the tax levies by the affected taxing districts may have an adverse effect on the Available Incremental Taxes.

2. Further changes may be made in the real property tax system by the State of Illinois or Cook County. Such changes could include various property tax rollbacks, abatements, exemptions, changes in the ratio of assessment, or relief measures, limitations on the amount or percent of increase in tax levies by taxing districts, or other measures that would limit the tax levy amount that could be extended to the property within the Project Area and, consequently, the projected Available Incremental Taxes generated. For example, if Illinois adopted practices used in other states, the property tax system could be changed so that schools would be financed from a source other than property taxes. This type of change could have a significant adverse effect upon Available Incremental Taxes.

3. Cook County's methodology and procedures used to assess the value of property may be altered resulting in a potentially reduced or altered valuation in a particular year or succession of years.

4. Failure by Cook County to remit property taxes to the City on a timely basis could result in insufficient Available Incremental Taxes being available to pay principal of or interest on the Note when due.

FUTURE LEGISLATION, REGULATIONS, GOVERNMENTAL OR JUDICIAL INTERPRETATION OF REGULATIONS OR LEGISLATION OR PRACTICES AND PROCEDURES RELATED TO PROPERTY TAX ASSESSMENT, LEVY, COLLECTIONS OR DISTRIBUTION COULD HAVE A MATERIAL EFFECT ON THE CALCULATION OR AVAILABILITY OF AVAILABLE INCREMENTAL TAXES COLLECTED OR DISTRIBUTED.

Changes in Multiplier and Tax Rate

The equalization factor annually determined by the Illinois Department of Revenue for properties located within Cook County (commonly referred to as the "multiplier") may vary substantially in future years. A decrease in the multiplier would reduce the equalized assessed value of the taxable real property in the Project Area and, therefore, the Available Incremental Taxes available to pay debt service on the Note. The future tax rates of the units of local government levying taxes in the Project Area either individually or on a composite basis, may differ from their historical levels. Any decrease in the composite tax rate of the governmental units would decrease the amount of Available Incremental Taxes available to pay debt service on the Note. Any decrease in the composite tax rate of the governmental units could occur in future years as a result of various factors, including, but not limited to, one or more of the following: (a) reduced governmental costs; (b) constitutional or statutory spending or tax rate limitations; or (c) governmental reorganization or consolidation.

Economic Risks Affecting Available Incremental Taxes

Changing economic circumstances or events in the Project Area may result in reductions in Available Incremental Taxes available to pay debt service on the Note. Relocations of major property owners to sites outside the Project Area or sales of major properties to tax-exempt entities could reduce the assessed valuation of the Project Area. Substantial damage to or destruction of

improvements within the Project Area could cause a material decline in assessed valuation and impair the ability of the taxpayers in the Project Area to pay their respective portions of real estate taxes. There can be no assurance that the improvements in the Project Area are or will be insured under fire and extended coverage insurance policies, and, even if such insurance exists, the proceeds thereof will not be assigned as security for the payment of real estate taxes or to secure payment of the Note. In addition, any insurance proceeds may not be sufficient to repair or rebuild the improvements. The restoration of the improvements may be delayed by other factors, or the terms of then-applicable mortgage financing could require the application of insurance proceeds to the reduction of mortgage balances. Any of the foregoing circumstances could result in the assessed valuation of property in the Project Area remaining depressed for an unknown period of time and decrease the amount of Available Incremental Taxes available to pay debt service on The Note.

Results of operation of properties within the Project Area depend, in part, on sales, leases, rental rates and occupancy levels, which may be adversely affected by competition, suitability of the properties located in the Project Area in its local market, local unemployment, availability of transportation, neighborhood changes, crime levels in the Project Area, vandalism, rising operating costs and similar factors. Poor operating results of properties within the Project Area may cause delinquencies in the payment of real estate taxes, reduce assessed valuations and increase the risk of foreclosures. Successful petitions by taxpayers to reduce their assessed valuations could adversely affect available incremental Taxes available for payment of the Note.

Failure to Sell or Lease Property

At the time the Note was issued, the redevelopment plan called for the Developer [to sell/lease to commercial or industrial enterprises/retailers] prior to completion of certain work on the Property. The slowdown, stoppage or failure of the Developer to complete such work and to successfully sell/lease the Property could delay or reduce the amount of Available Incremental Taxes generated in the Project Area. Such delay or reduction could lead to a default in payments of the principal of, and interest on, the Note.

Reliance on Primary Taxpayers

If one or only a few property owners within the Project Area are responsible for generating a substantial amount of the Available Incremental Taxes, the generation of Available Incremental Taxes could be significantly adversely affected if such owner or owners and/or their tenants discontinue or curtail their businesses, terminate or default on their leases and substitutes or replacements cannot be found or located on a timely basis.

Force Majeure Conditions

Riots, civil disturbances, vandalism, fires, and natural disasters or other "Acts of God" affecting the conditions and viability of the Project Area may reduce or eliminate the receipt of Available Incremental Property.

Contiguous Project Areas

The Project Area is contagious with other redevelopment areas designated by the City pursuant to the TIF Act and may become contiguous with others. The TIF Act allows the City to expend incremental taxes collected from the Project Area which are in excess of the amounts

required in each year to pay and secure obligations issued and project costs incurred with respect to the Project Area to pay for costs eligible for payment under the TIF Act which are incurred in such contiguous areas. In the event Incremental Taxes from the Project Area in excess of Available Incremental Taxes and the amounts required to (i) pay principal and interest coming due on the Note in any year and (ii) be deposited in other funds and accounts maintained under the Redevelopment Agreement are allocated to a contiguous project redevelopment area, such excess incremental taxes will not be available to remedy any future failure to pay principal of and interest on the Note.

Risk of Delay in Payment of Available Incremental Taxes

The failure of current or future owners of property in the Project Area to remit property taxes to the City when due or the failure of the City to timely remit Available Incremental Taxes to the Noteholder could result in insufficient Available Incremental Taxes being available to pay principal of or interest on the Note when due.

Delays in Exercising Remedies

The enforceability of the Note is subject to applicable bankruptcy laws, equitable principles affecting the enforcement of creditors' rights generally and of liens securing such rights, and the police powers of the State of Illinois and its political subdivisions. Because of delays inherent in obtaining judicial remedies, it should not be assumed that these remedies could be accomplished rapidly.

Remedies available to holder of the Note may be limited by a variety of factors and may be inadequate to assure the timely payment of principal of and interest on the Note, or to preserve the tax-exempt status of The Note. The Note is not subject to acceleration due to payment default. Lack of remedies may entail risks of delay, limitation, or modification of the rights of the holders of the Note. Judicial remedies, such as foreclosure and enforcement of covenants, are subject to exercise of judicial discretion.

Risk of Transferee Becoming a Debtor in Bankruptcy

If a transferee of the Note were to become a debtor under the United States Bankruptcy Code or applicable state laws, a creditor or trustee in bankruptcy of the transferee might argue that the sale of the Note by the transferee constituted a fraudulent conveyance or a pledge of the Note rather than a sale. If such positions were accepted by a court, then delays in principal and interest payments to holder the Note could occur or reductions in the amounts of such payments could result. Additionally, if the transfer of the Note is re-characterized as a pledge, then a tax lien, governmental lien or other lien created by operation of law on the property of the transferee could have priority over the holder's interest in the Note.

Loss of Tax Exemption

Interest on the Note could become includible in gross income for federal income tax purposes retroactive to the date of issuance of the Note as a result of a failure of the City to comply with certain provisions of the Internal Revenue Code of 1986, as amended (the "Code"). An event of taxability does not trigger a mandatory redemption of the Note, and the Note will remain outstanding to maturity or until redeemed.

THE ABOVE IS NOT INTENDED TO BE A COMPREHENSIVE DISCUSSION OF ALL POTENTIAL RISKS ASSOCIATED WITH THE NOTE.

WHEREAS, the Developer proposes to undertake the Project in accordance with the Plan and pursuant to the terms and conditions of a proposed redevelopment agreement to be executed by the Developer and the City; and

WHEREAS, pursuant to Resolution 16-CDC-2 (the "Resolution") adopted by the Community Development Commission of the City (the "Commission") on January 12, 2016, the Commission recommended that the Developer be designated as the developer for the Project and that the City's Department of Planning and Development ("DPD") be authorized to negotiate, execute and deliver on behalf of the City a redevelopment agreement with the Developer for the Project; now therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are incorporated herein and made a part hereof.

SECTION 2. The Developer is hereby designated as the developer for the Project pursuant to Section 5/11-74.4-4 of the Act.

SECTION 3. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner are each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver: (a) a redevelopment agreement between the Developer and the City in substantially the form attached hereto as Exhibit 1 and made a part hereof (the "Redevelopment Agreement"); and (b) such other supporting documents as may be necessary to carry out and comply with the provisions of the Redevelopment Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Redevelopment Agreement.

SECTION 4. [Intentionally omitted]

SECTION 5. [Intentionally omitted]

SECTION 6. A note of the City shall be issued for the payment of a portion of the eligible redevelopment project costs (as such term is defined under the Act) included within the Project (such costs shall be known herein and in the Redevelopment Agreement as "TIF-Funded Improvements") and shall be designated as follows: "Tax Increment Allocation Revenue Note (Montrose-Clarendon Partners LLC Redevelopment Project), Taxable Series B" in the maximum aggregate principal amount of $11,280,000 ("City Note").

The City Note shall be substantially in the form attached to the Redevelopment Agreement as Exhibit M and made a part hereof, with such additions or modifications as shall be determined to be necessary by the Authorized Officer (the person duly appointed and serving as the Chief Financial Officer of the City, or if no such person has been appointed, then the City Comptroller, being each referred to herein as an "Authorized Officer") of the City, at the time of issuance to reflect the purpose of the issue. The City Note shall be dated the date of delivery thereof, and shall also bear the date of authentication, shall be in fully registered form, shall be in the denomination of the outstanding principal amount thereof and shall become due and payable as provided therein. The proceeds of the City Note are hereby appropriated for the purposes set forth in this Section 6.

The City Note shall mature as described in the Redevelopment Agreement, and shall bear interest at a fixed interest rate as described in the Redevelopment Agreement until the principal amount of the City Note is paid or until maturity, with the exact rate to be determined by the Authorized Officer, computed on the basis of a 360-day year of twelve 30-day months.

The principal of and interest on the City Note shall be paid by check, draft or wire transfer of funds by the Authorized Officer of the City, as registrar and paying agent (the "Registrar"), payable in lawful money of the United States of America to the persons in whose names the City Note is registered at the close of business on the payment date, in any event no later than at the close of business on the 15th day of the month immediately after the applicable payment date; provided, that the final installment of the principal and accrued but unpaid interest of the City Note shall be payable in lawful money of the United States of America at the principal office of the Registrar or as otherwise directed by the City on or before the maturity date.

The seal of the City shall be affixed to or a facsimile thereof printed on the City Note, and the City Note shall be signed by the manual or facsimile signature of the Mayor of the City and attested by the manual or facsimile signature of the City Clerk or any Deputy Clerk of the City, and in case any officer whose signature shall appear on the City Note shall cease to be such officer before the delivery of the City Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The City Note shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Registrar, as authenticating agent of the City for the City Note, and showing the date of authentication. The City Note shall not be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Registrar by manual signature, and such certificate of authentication upon the City Note shall be conclusive evidence that the City Note has been authenticated and delivered under this Ordinance.

SECTION 7. The City shall cause books (the "Register") for the registration and for the transfer of the City Note (to the extent such transfer is permitted under the Redevelopment Agreement) as provided in this Ordinance to be kept at the principal office of the Registrar, which is hereby constituted and appointed the registrar of the City for the City Note. The City is authorized to prepare, and the Registrar shall keep custody of, multiple City Note blanks executed by the City for use in the transfer of the City Note.

Upon surrender for a transfer of the City Note authorized under the Redevelopment Agreement at the principal office of the Registrar, duly endorsed by, or accompanied by (i) a written instrument or instruments of transfer in form satisfactory to the Registrar, (ii) an investment representation in form satisfactory to the City and duly executed by, the registered owner or his attorney duly authorized in writing, (iii) the written consent of the City evidenced by the signature of the Authorized Officer (or his or her designee) and the Commissioner on the instrument of transfer, and (iv) any deliveries required under the Redevelopment Agreement, the City shall execute and the Registrar shall authenticate, date and deliver in the name of any such authorized transferee or transferees a new fully registered City Note of the same maturity, of authorized denomination, for the authorized principal amount of the City Note less previous retirements. The execution by the City of a fully registered City Note shall constitute full and due authorization of the City Note and the Registrar shall thereby be authorized to authenticate, date and deliver said City Note. The Registrar shall not be required to transfer or exchange said City Note during the period beginning at the close of business on the fifteenth day of the month immediately prior to the maturity date of said City Note nor to transfer or exchange said City Note after notice calling said City Note for prepayment has been made, nor during a period of five (5) business days next preceding mailing of a notice of prepayment of principal of the City Note. No beneficial interests in said City Note shall be assigned, except in accordance with the procedures for transferring said City Note described above.

The person in whose name the City Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of said City Note shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon said City Note to the extent of the sum or sums so paid.

No service charge shall be made for any transfer of the City Note, but the City or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer of the City Note.

SECTION 8. Subject to the limitations set forth herein, the Authorized Officer is authorized to determine the terms of the City Note and to issue the City Note on such terms as the Authorized Officer may deem to be in the best interest of the City. The principal of the City Note shall be subject to prepayment as provided in the form of City Note attached to the Redevelopment Agreement as Exhibit M. As directed by the Authorized Officer, the Registrar shall proceed with prepayment without further notice or direction from the City.

SECTION 9. The City Note hereby authorized shall be executed as in this Ordinance and the Redevelopment Agreement provided as soon after the passage hereof as may be practicable and consistent with the terms of the Redevelopment Agreement, and thereupon, said City Note shall be deposited with the Commissioner, and delivered by the Commissioner to the Developer.

SECTION 10. Pursuant to the TIF Ordinance, the City has created or will create the Montrose-Clarendon Special Tax Allocation Fund (the "Fund"). The Authorized Officer is hereby directed to maintain the Fund as a segregated interest-bearing account, separate and apart from the General Fund or any other fund of the City, with a bank that is insured by the Federal Deposit Insurance Corporation or its successor. Pursuant to the TIF Ordinance, all Available Incremental Taxes (as defined in the Redevelopment Agreement) received by the City for the Area are to be deposited into the Fund.

There is hereby created within the Fund a special sub-account to be known as the "Montrose Clarendon Apartments Account" (the "Project Account"). The City shall designate and deposit into the Project Account the Available Incremental Taxes. The City hereby assigns, pledges and dedicates the Project Account, together with all amounts on deposit therein, to the payment of the principal of and interest, if any, on the City Note when due under the terms of the Redevelopment Agreement and in accordance with the debt service schedules attached to the notes. Upon deposit, the moneys on deposit in the Project Account may be invested as hereinafter provided. Interest and income on any such investment shall be deposited in the Project Account. All moneys on deposit in the Project Account shall be used to pay the principal of and interest on the City Note, at maturity or upon payment or redemption prior to maturity, in accordance with the terms of such note, which payments from the Project Account are hereby authorized and appropriated by the City. Upon payment of all amounts due under the City Note and the Redevelopment Agreement in accordance with their terms, the amounts on deposit in the Project Account, as applicable, shall be deposited in the Fund of the City and the Project Account shall be closed.

Notwithstanding any of the foregoing, payments on the City Note will be subject to the availability of Available Incremental Taxes in the Project Account.

SECTION 11. The City Note is a special limited obligation of the City. The City Note is payable solely from Available Incremental Taxes, and shall be a valid claim of the registered owners thereof only against said sources. The City Note shall not be deemed to constitute indebtedness or loans against the general taxing powers or credit of the City, within the meaning of any constitutional or statutory provision. RECITALS

A. Constitutional Authority: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. Statutory Authority: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority: To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on June 30, 2010: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Montrose/Clarendon Redevelopment Project Area" (the "Plan Adoption Ordinance"); (2) "An Ordinance of the City of Chicago, Illinois Designating the Montrose/Clarendon Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation

Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Montrose/Clarendon Redevelopment Project Area" (the "TIF Adoption Ordinance") (items(1)-(3) collectively referred to herein as the "TIF Ordinances"). The redevelopment project area referred to above (the "Redevelopment Area") is legally described in Exhibit A hereto.

D. The Project: Developer intends to purchase (the "Acquisition") certain property located within the Redevelopment Area at Montrose and Clarendon Avenues in Chicago, Illinois and legally described on Exhibit B hereto (the "Property"), and, within the time frames set forth in Section 3.01 hereof, shall commence and complete construction of (1) the "Residential Facility," a single mixed-use 26-story tower (approximately 259 feet) with approximately 381 residential rental units, approximately 30,511 square feet of grocery/retail space on the first and second floors, and approximately 278 parking spaces on the parcel known as "Sub-Area A" of the Property (as described on Exhibit B); and (2) the "Commercial Facility," an approximately 5,900 square feet single-story building of commercial/retail space with approximately 11 exterior parking spaces on the parcel known as "Sub-Area C" of the Property (as described on Exhibit B). The 381 residential units in the Residential Facility are expected to include 130 studio units, 198 one bedroom units, 45 two bedroom units, and 8 townhome units. As detailed in Section 8.24, the Project is expected to include 361 units rented at market rates and will include 20 affordable rental units half of which shall be set aside for families who earn less than 50% of Chicago-area median income and half of which shall be set aside for families who earn less than 60% of Chicago-area median income. The Residential Facility and the Commercial Facility (together, the "Facility") and related improvements (including but not limited to those TIF-Funded Improvements as defined below and set forth on Exhibit C) are collectively referred to herein as the "Project." The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

E. Redevelopment Plan: The Project will be carried out in accordance with this Agreement and the City of Chicago Montrose Clarendon Tax Increment Financing Redevelopment Plan and Project (the "Redevelopment Plan") included in the Plan Adoption Ordinance and published at pages 94606--94649 of the Journal of the Proceedings of the City Council for June 30, 2010.

F. City Financing: The City agrees to use, in the amounts set forth in Section 4.03 hereof, (i) [intentionally omitted], (ii) Available Incremental Taxes, and (iii) [intentionally omitted], to pay for or reimburse Developer for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement and the City Note.

In addition, the City may, in its discretion, issue tax increment allocation bonds ("Bonds") secured by Incremental Taxes pursuant to a TIF bond ordinance (the "Bond Ordinance") at a later date as described in Section 4.03(d) hereof, the proceeds of which (the "Bond Proceeds") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Incremental Taxes (including any such payment made pursuant to the City Note provided to Developer pursuant to this Agreement), to make payments of principal and interest on the City Note, or in order to reimburse the City for the costs of TIF-Funded Improvements.

Now, therefore, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

(d) [intentionally omitted]

4.04 Construction Escrow. The City must receive copies of any draw requests and related documents submitted to the Title Company for disbursements under the Escrow Agreement.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) [intentionally omitted]

(b) [intentionally omitted]

(c) [intentionally omitted]

(d) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed $50,000 or $200,000 in the aggregate, may be made without the prior written consent of DPD.

(e) [intentionally omitted]

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Execution of Certificate of Expenditure. Prior to each execution of a Certificate of Expenditure by the City, Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by Developer to DPD of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

(a) the total amount of the request for Certificate of Expenditure represents the actual cost of the Acquisition or the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current request for Certificate of Expenditure have been paid to the parties entitled to such payment;

(c) Developer has approved all work and materials for the current request for Certificate of Expenditure, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Agreement are true and correct and Developer is in compliance with all covenants contained herein;

(e) Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the Available Project Funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) [intentionally omitted]; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by Developer pursuant to this Agreement. Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of execution of a Certificate of Expenditure, including but not limited to requirements set forth in the TIF Ordinances and/or this Agreement.

4.08 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed as follows:

(a) For purposes of this Section 4.08, the term "Capital Event" shall mean and include any arms-length sale, transfer or refinancing of the Project or any part thereof. If a Capital Event occurs prior to the expiration of the Monitoring Period, Developer agrees to pay and remit to the City an amount equal to 20% of the net proceeds realized from such Capital Event to the extent, and only to the extent, that such overall net proceeds exceed the Base IRR Threshold (defined below), provided that the aggregate amount of said payment to the City (i) shall not exceed $11,280,000 as a portion of the Developer's net proceeds of a Capital Event that exceed the Base IRR Threshold but are less than the Excess IRR Threshold (defined below), and (ii) shall not be limited as a portion of the Developer's net proceeds of a Capital Event that exceed the Excess IRR Threshold. For purposes of this section, the "Base IRR Threshold" shall be an amount of proceeds sufficient for Developer to achieve a leveraged internal rate of return on equity, calculated as of the date of the Capital Event in the manner described below ("IRR"), of 22%, and the "Excess IRR Threshold" shall be an amount of proceeds sufficient for Developer to achieve an IRR of 25%.

(b) The IRR will be calculated on a leveraged basis based on all equity contributed to the Project, expenses advanced by the Project and evidenced by the City Note, the actual distributions to equity as of the date of the Capital Event, and payments actually made pursuant to the City Note, using the same methodology as used for the Developer's gap analysis provided to the City and with a sample calculation attached to this Agreement as Exhibit D. The calculation shall include and account for actual distributions to, and losses realized by, equity sources occurring prior to the date

of the Capital Event, including any funds disbursed to (or losses realized by) Developer's equity sources in connection with transfers of interests in the Developer.

(c) Upon the occurrence of a Capital Event of less than the entire Project (a "Partial Capital Event"), any resulting successor owner (or the Developer in the case of a partial refinance) shall have no further obligations or liabilities under this Section 4.08 with respect to the portion of the Project that is the subject of the Partial Capital Event; provided, however, that this Section 4.08 shall remain in force and effect for the remaining portion of the Project that has not been the subject of a Partial Capital Event, and the net proceeds of any Partial Capital Event shall be included and accounted for in the IRR calculation, with respect to the portion of the Project that was not subject to the Partial Capital Event.

(d) Any amounts remitted to the City pursuant to this Section 4.08 shall be deposited by the City into a separate account within the TIF Fund and shall be used for Redevelopment Project Costs.

(e) Any amounts due and owing to the City pursuant to this Section 4.08 due to the occurrence of a Capital Event shall be paid by the Developer on the closing date of such Capital Event.

The Developer must give the City 30 days advance written notice of any Capital Event or Partial Capital Event. Except as set forth above with respect to a Partial Capital Event, this Section 4.08 shall remain in effect until the earlier to occur of (i) the occurrence of a Capital Event with respect to all portions of the Project (whether a single Capital Event or multiple Partial Capital Events), or (ii) expiration of the Monitoring Period.

4.09 *[intentionally omitted]*

Developer has delivered to DPD a copy of the construction escrow agreement entered into by Developer regarding the Lender Financing. Any liens against the Property in existence at the Closing Date

have been subordinated to certain encumbrances of the City set forth herein pursuant to a Subordination Agreement, in a form acceptable to the City, executed on or prior to the Closing Date, which is to be recorded, at the expense of Developer, with the Office of the Recorder of Deeds of Cook County.

5.05 Acquisition and Title. On the Closing Date, Developer has furnished the City with a copy of the Title Policy for the Property, certified by the Title Company, showing Developer as the named insured. The Title Policy is dated as of the Closing Date and contains only those title exceptions listed as Permitted Liens on Exhibit G hereto and evidences the recording of this Agreement pursuant to the provisions of Section 8.18 hereof. The Title Policy also contains such endorsements as shall be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, access and survey. Developer has provided to DPD, on or prior to the Closing Date, documentation related to the purchase of the Property and certified copies of all easements and encumbrances of record with respect to the Property not addressed, to DPD's satisfaction, by the Title Policy and any endorsements thereto.

5.06 Evidence of Clean Title. Developer, at its own expense, has provided the City with searches as indicated in the chart below under Developer's name showing no liens against Developer, the Property or any fixtures now or hereafter affixed thereto, except for the Permitted Liens:

5.09 Opinion of Developer's Counsel. (a) On the Closing Date, Developer has furnished the City with an opinion of counsel, substantially in the form attached hereto as Exhibit J, with such changes as required by or acceptable to Corporation Counsel. If Developer has engaged special counsel in connection with the Project, and such special counsel is unwilling or unable to give some of the opinions set forth in Exhibit J hereto, such opinions were obtained by Developer from its general corporate counsel.

(b) [intentionally omitted]

5.10 Evidence of Prior Expenditures. Developer has provided evidence satisfactory to DPD in its sole discretion of the Prior Expenditures in accordance with the provisions of Section 4.05(a) hereof.

5.11 Financial Statements. Developer has provided Financial Statements to DPD for its most recent fiscal year, and audited or unaudited interim financial statements.

5.12 Documentation; Employment Plan. The Developer has provided documentation to DPD, satisfactory in form and substance to DPD, with respect to current employment matters, in connection with the construction or rehabilitation work on the Project, including the reports described in Section 8.07. At least thirty (30) days prior to the Closing Date, Developer has provided to DPD, and DPD has approved, the Employment Plan for the Project (the "Employment Plan"). The Employment Plan includes, without limitation, the Developer's estimates of future job openings, titles, position descriptions, qualifications, recruiting, training, placement and such other information as DPD has requested relating to the Project.

5.13 Environmental. Developer has provided DPD with copies of that certain phase I environmental audit completed with respect to the Property and any phase II environmental audit with respect to the Property required by the City. Developer has provided the City with a letter from the environmental engineer(s) who completed such audit(s), authorizing the City to rely on such audits.

5.14 Company Documents; Economic Disclosure Statement. Developer has provided a copy of its Articles or Certificate of Organization containing the original certification of the Secretary of State of its state of organization; certificates of good standing from the Secretary of State of its state of organization and all other states in which Developer is qualified to do business; a secretary's certificate in such form and substance as the Corporation Counsel may require; operating agreement of the company; and such other corporate documentation as the City has requested.

Developer has provided to the City an EDS, dated as of the Closing Date, which is incorporated by reference, and Developer further will provide any other affidavits or certifications as may be required by federal, state or local law in the award of public contracts, all of which affidavits or certifications are incorporated by reference. Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer and any other parties required by this Section 5.14 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

5.15 Litigation. Developer has provided to Corporation Counsel and DPD, a description of all pending or threatened litigation or administrative proceedings involving Developer, specifying, in each case, the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith and whether (and to what extent) such potential liability is covered by insurance.

SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors. Prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with the City of Chicago. Developer's selection of the General Contractor shall be subject to the City's prior written approval. (i) For the TIF-Funded

Improvements, Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible and responsive bid, as determined by Developer, who can complete the Project in a timely and good and workmanlike manner; provided, however, that Developer may consider a bidder's ability to meet the unique challenges of the Project in evaluating the "lowest responsible bid." If Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. (ii) For Project work other than the TIF-Funded Improvements, if Developer selects a General Contractor (or the General Contractor selects any subcontractor) who has not submitted the lowest responsible bid, the difference between the lowest responsible bid and the higher bid selected shall be subtracted from the actual total Project costs for purposes of the calculation of the amount of City Funds to be contributed to the Project pursuant to Section 4.03(b) hereof. Developer shall submit copies of the Construction Contract to DPD in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within twenty (20) business days after execution thereof. Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

6.02 Construction Contract. Prior to the execution thereof, Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for DPD's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. Within ten (10) business days after execution of such contract by Developer, the General Contractor and any other parties thereto, Developer shall deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, Developer shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a bond in the form attached as Exhibit O hereto. The City shall be named as obligee or co-obligee on any such bonds.

6.04 Employment Opportunity. Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10 hereof.

6.05 Other Provisions. In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.04 (Change Orders), Section 8.09 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Employment Requirement), Section 10.03 (MBE/WBE Requirements, as applicable), Section 12 (Insurance) and Section 14.01 (Books and Records) hereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within 20 business days of the execution thereof.

SECTION 7. COMPLETION OF CONSTRUCTION

7.01 Certificate of Completion of Construction or Rehabilitation. Upon:

(a) completion of the construction of the Project in accordance with the terms of this Agreement,

(b) the Developer's receipt of a Certificate of Occupancy for the Project from the City (or other evidence acceptable to DPD that the Developer has complied with building permit requirements for the Project),

(c) the Developer's submission of evidence that 20 affordable housing units are located at the Project and either occupied, or available for occupancy, by eligible tenants (see Section 8.24),

(d) the Developer's submission of evidence of occupancy of 75% of the retail space located within the Project (consisting of the approximately 30,511 square feet of retail space located within Sub-Area A/the Residential Facility and the approximately 5,900 square feet of retail space located within Sub-Area C/the Commercial Facility) (see Section 8.06),

(e) the Developer's submission of evidence of compliance with all requirements of the City of Chicago's Sustainable Development Policy as it pertains to the Project, including 100% green roof and LEED certification (see Section 8.22),

(f) the Developer's submission of evidence acceptable to DPD that the total Project costs are equal to $120,444,198 in which the City Funds are in an amount not to exceed $11,280,000 which is approximately 9.37% of the total Project costs,

(g) the Developer's submission of evidence that the Developer has incurred the costs of TIF-Funded Improvements in an equal amount to, or greater than, the total maximum amount of City Funds (up to $11,280,000),

(h) the City's Construction Compliance unit determination in writing that the Developer is in complete compliance with all City Requirements (M/WBE, MPLA, City Residency, and Prevailing Wage), as provided in this Agreement (see Sections 8.09, 8.26, 10.02 and 10.03), and

(i) the Developer's written request,

DPD shall issue to Developer a Certificate in recordable form certifying that Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. DPD shall respond to Developer's written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by Developer in order to obtain the Certificate. Developer may resubmit a written request for a Certificate upon completion of such measures.

With respect to items (f) and (g) above, if the total Project costs are less than $120,444,198 than the amount of City Funds and the minimum amount of TIF-Funded Improvements shall be approximately 9.37% of such lower total Project costs pursuant to Section 4.03(b) hereof and the Certificate shall be issued accordingly, subject to all the other requirements of this Section 7.01.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following

paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.06, 8.19 and 8.24 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

7.03 Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of such TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing such TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) [intentionally omitted].

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF DEVELOPER.

8.01 General. Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(a) Developer is an Illinois limited liability company, duly organized, validly existing, qualified to do business in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by Developer of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate its Articles of Organization or operating agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which Developer is now a party or by which Developer is now or may become bound;

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement (including but not limited to Section 18.22 hereof), Developer shall acquire and shall maintain good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon) free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that Developer is contesting in good faith pursuant to Section 8.15 hereof).

(e) Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(g) Developer has and shall maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project;

(h) Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of Developer since the date of Developer's most recent Financial Statements;

(j) prior to the issuance of a Certificate and except as permitted under Section 18.22 below, Developer shall not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business and except as permitted under Section 18.22 hereof; (3) enter into any transaction outside the ordinary course of Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (5) enter into any transaction that would cause a material and detrimental change to Developer's financial condition;

(k) Developer has not incurred, and, prior to the issuance of a Certificate, shall not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget;

(l) Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code;

(m) neither Developer nor any affiliate of Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

(n) Developer understands that (i) the City Funds are limited obligations of the City, payable solely from moneys on deposit in the Montrose Clarendon Partners – Montrose Clarendon Apartments Account of the TIF Fund; (ii) the City Funds do not constitute indebtedness of the City within the meaning of any constitutional or statutory provision or limitation; (iii) Developer will have no right to compel the exercise of any taxing power of the City for payment of the City Funds; and (iv) the City Funds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the City, the State of Illinois or any political subdivision thereof;

(o) Developer has sufficient knowledge and experience in financial and business matters, including municipal projects and revenues of the kind represented by the City Funds, and has been supplied with access to information to be able to evaluate the risks associated with the receipt of City Funds;

(p) Developer understands that there is no assurance as to the amount or timing of receipt of City Funds, and that the amounts of City Funds actually received by such party are likely to be substantially less than the maximum amounts set forth in Section 4.03(b);

(q) Developer understands it may not sell, assign, pledge or otherwise transfer its interest in this Agreement or City Funds in whole or in part except in accordance with the terms of Section 18.21 of this Agreement, and, to the fullest extent permitted by law, agrees to indemnify the City for any losses, claims, damages or expenses relating to or based upon any sale, assignment, pledge or transfer of City Funds in violation of this Agreement; and

(r) Developer acknowledges that with respect to City Funds, the City has no obligation to provide any continuing disclosure to the Electronic Municipal Market Access System maintained by the Municipal Securities Rulemaking Board, to any holder of a note relating to City Funds or any other person under Rule 15c2-12 of the Commission promulgated under the Securities Exchange Act of 1934 or otherwise, and shall have no liability with respect thereto.

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and Developer's receipt of all required building permits and governmental approvals, Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and

codes applicable to the Project, the Property and/or Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan, which is hereby incorporated by reference into this Agreement.

8.04 Use of City Funds. City Funds disbursed to Developer shall be used by Developer solely to pay for (or to reimburse Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 Bonds. Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any Bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements; provided, however, that any such amendments shall not have a material adverse effect on Developer or the Project. Developer shall, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 Occupancy Covenant. The Project's 36,411 square feet of retail space (consisting of approximately 30,511 square feet in the Residential Facility and approximately 5,900 square feet in the Commercial Facility) shall be 75% occupied at issuance of the Certificate and 70% occupied thereafter for the Monitoring Period.

8.07 Employment Opportunity; Progress Reports. Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City when the Project is 25%, 50%, 70% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8.08 Employment Profile. Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09 Prevailing Wage. Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, Developer shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. Developer shall obtain and provide to DPD Financial Statements for on or before February 1st for the Developer's preceding fiscal year during the Monitoring Period. In addition, Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14 Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws. To the best of Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, Developer shall provide evidence satisfactory to the City of such compliance.

8.18 Recording and Filing. Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the

imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

(c) [intentionally omitted]

(d) Notification to the Cook County Assessor of Change in Use and Ownership. Prior to the Closing Date, Developer shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. On the Closing Date, Developer shall pay to the Title Company the cost of sending the notification to the Cook County Assessor via certified mail, return receipt requested. After delivery of the notification, Developer shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office.

8.20 Annual Report(s). (a) Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

(b) Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, Developer shall cause to be submitted to DPD each calendar year an Annual Report of Incremental Taxes not later than February 1st of the subsequent calendar year. Failure by the

Developer to submit the Annual Report of Incremental Taxes before February 15th of a relevant year shall constitute an Event of Default under Section 15.01 hereof, without notice or opportunity to cure pursuant to Section 15.03 hereof. If the Developer defaults in submitting the Annual Report of Incremental Taxes in any year, the City may engage its own financial consultant to prepare the report and the cost thereof shall be reimbursed to the City from City Funds to the extent available for payments on the City Note.

8.21 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.22 LEED Certification. The Developer will comply with all requirements of the City of Chicago's Sustainable Development Policy (a copy of which the Developer acknowledges having received from the City) as it pertains to the Project, including 100% green roof and LEED certification.

8.23. FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within two business days of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City under Section 8.21 (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

8.24 Affordable Housing Covenant. Through the thirtieth anniversary of the issuance of the Certificate, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(a) The Residential Facility shall be operated and maintained solely as residential housing (other than the 30,511 square feet on the first two floors).

(b) Twenty of the units in the Residential Facility shall be available for rental to and be occupied solely by one or more families qualifying as Low Income Families (as defined below) upon initial occupancy; in addition, and not by way of limitation, (i) 10 of such 20 units shall be set aside for Low Income Families whose annual income does not exceed 50% of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and (ii) the other 10 of such 20 units shall be set aside for Low Income Families whose annual income does not exceed 60% of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development.

(c) The 20 affordable units in the Facility shall have monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(d) As used in this Section 8.24, the following terms has the following meanings:

(i) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(ii) "Low Income Families" shall mean Families whose annual income does not exceed eighty percent (80%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(e) The covenants set forth in this Section 8.24 shall run with the land and be binding upon any transferee.

(f) The City and Developer may enter into a separate agreement to implement the provisions of this Section 8.24.

(g) The unit profile of the Residential Facility is expected to be as follows (provided that the distribution of unit types may change, in which case the distribution of affordable units would change proportionately, subject to DPD's prior written approval):

Unit Distribution

(h) Pursuant to Section 2-45-110 of the Municipal Code, the Developer shall pay $5,700,000 to the City for deposit into the Affordable Housing Opportunity Fund prior to the issuance of a building permit for the Project.

8.25 [intentionally omitted]

8.26 Compliance with Multi-Project Labor Agreement. Developer shall cause the General Contractor to comply with that certain Settlement Agreement dated November 3, 2011, by and among the City, the Chicago Regional Council of Carpenters, the Metropolitan Pier and Exposition Authority, the Public Building Commission of the City, and the State, because the Project budget is in excess of $25,000,000, and, therefore, is subject to the provisions of that certain City Multi-Project Labor Agreement (the "MPLA") dated February 9, 2011, by and among the City and the labor organizations comprising the Chicago & Cook County Building & Construction Trades Council.

Developer shall cause the General Contractor to comply with the MPLA to the fullest extent legally permissible without violating other requirements applicable to the construction of the Project, including, without limitation, Sections 8.09, 10.02 and 10.03 hereof. At the direction of DPD, affidavits and other supporting documentation shall be required of Developer, General Contractor and the subcontractors to verify or clarify compliance with the MPLA.

8.27 Continuing Information Agreement. The Developer covenants and agrees as follows:

(a) For each tax collection year following the date the Certificate is issued pursuant to Section 7.01 hereof, the Developer shall engage a recognized financial consultant to prepare an annual continuing information report (the "Consultant's Report") that sets forth as of its date the following information:

(i) a description of the Redevelopment Area, including all redevelopment agreements relating to the Redevelopment Area;

(ii) a description of the Project;

(iii) a status update of the Project, including information on construction, occupancy, leasing or sales, as applicable;

(iv) a listing of the top ten taxpayers in the Redevelopment Area; and

(v) for the property within the Redevelopment Area from which incremental taxes will be used to pay the City Note(s), by tax codes or PINs, as applicable, for the last five collection years:

(A) the equalized assessed value;

(B) the initial equalized assessed value;

(C) the incremental equalized assessed value;

(D) the composite tax rates;

(E) the available incremental taxes;

(F) the debt service of the City Note(s); and

(G) the debt service coverage ratio.

(b) The Consultant's Report shall be signed by the consultant and available to the Developer no later than February 1 following each tax collection year. If the Developer fails to obtain the Consultant's report by the date required, DPD may engage its own financial consultant to prepare the report and the cost thereof shall be reimbursed to the City from monies available in the TIF Fund.

(c) Each Consultant's Report shall include in a prominent place the following disclaimer:

"The City's Office of Budget and Management ("OBM") produces five year District Projection Reports for each TIF district in the City for the purpose of evaluating resources and

project balances. This information is used by the OBM to determine how much funding has been committed and how much funding is available for potential projects. The reports and the projections including therein are not audited and do not represent a final accounting of funds. The reports are not prepared for investors or as a basis for making investment decisions with respect to any notes, bonds or other debt obligations of the City that are payable from available incremental taxes. Investors in such obligations are cautioned not to rely on any of the information contained in the District Projection Reports."

(d) If any Consultant's Report contains projections, the consultant shall consider the publicly available TIF-wide projections from the OBM and provide an explanation as to the discrepancy, if any, between the consultant's projections and those of OBM. In addition, the consultant shall state in the Consultants Report all assumptions used in formulating the projections.

(e) The Developer shall cause the following documents to be disseminated through the Electronic Municipal Market Access ("EMMA") system for municipal securities disclosure maintained by the Municipal Securities Rulemaking Board (the "MSRB") or through any other electronic format or system prescribed by the MSRB for purposes of Rule 15c2-12 under the Securities Exchange Act of 1934, as amended:

(i) Within five (5) days of the issuance of the Certificate:

(A) The Redevelopment Agreement, including the specimen of the City Note;

(B) The original feasibility study delivered to DPD; and

(C) On the date of the closing of any third party sale of the City Note or any beneficial interests therein by the Developer: the private placement or limited offering memorandum used by or on behalf of the Developer in connection with the sale.

(ii) By February 15 of each year:

(A) All redevelopment agreements with respect to the Redevelopment Area that have been made publicly available by DPD;

(B) Annual financial statements of the Redevelopment Area that have been made publicly available by DPD; and

(C) The Consultant's Report.

(f) The Developer shall deliver to DPD each of the documents set forth in subparagraph (e) above on the date such documents are disseminated through EMMA.

(g) The Developer shall be responsible to pay or make provision for all costs and expenses relating to Developer's obligations hereunder, including but not limited to the fees and expenses of the Consultant and the costs of filing with EMMA. In addition to and not in limitation of the other provisions of this Agreement, Developer agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses.

8.28 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the

Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and

collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, [and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

(1) At least 24 percent by MBEs.
(2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. (c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement (but not including the Park Agreement) which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is

involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of Developer or the death of any natural person who owns a material interest in Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed within thirty (30) days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor);

(k) prior to the issuance of the Certificate, and except as permitted under Section 18.22 below, the sale or transfer of a majority of the ownership interests of Developer without the prior written consent of the City; or

(l) The failure of Developer, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

For purposes of Sections 15.01(i) and 15.01(j) hereof, a person with a material interest in Developer shall be one owning in excess of ten (10%) of Developer's membership interests.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties (not including the Park Agreement). 15.03 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to

perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Any New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Sections 18.14 and 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Sections 18.14 and 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of Developer which accrued prior to the time such party succeeded to the interest of Developer under this Agreement, in which case Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

18.21 Restrictions on Transfer of the City Note. The City Note(s) may only be offered, sold, pledged or otherwise transferred in principal amounts of not less than $100,000 and only to (a) an institutional "accredited investor" within the meaning of rule 501(a) (1), (2), (3) or (7) under the Securities Act of 1933 (the "Securities Act') that delivers to the City an Investor Letter in the form of Exhibit P hereto, or (b) a person (other than a dealer) who the seller reasonably believes is a "qualified institutional buyer" within the meaning of Rule 144A(a)(1) of the Securities Act. Any holder of the City Note(s) is required to notify any purchaser of the City Note(s) of the resale restrictions referred to above. Notwithstanding the forgoing, if any transfer of the City Note(s) is to a dealer meeting the requirements of Section 144A(a)(1)(ii) or (iii), such dealer shall deliver to the City an Investor Letter with the modifications set forth on the Exhibit P. The Developer may, and the City hereby consents, to the Developer's assignment, on a collateral basis, of the City Note and the right to receive payments thereon, to [tbd], the lender providing Lender Financing under this Agreement and/or the Park Agreement.

18.22 City Approval of Transfers of the Project. City approval is required for any transfer or ownership of all or any portion of the Project prior to issuance of the Certificate and during the Monitoring Period (which approval shall not be unreasonably withheld) conditional on receipt of evidence from the Developer of the new ownership entity's ability to demonstrate the financial capacity together with the experience needed to effectively operate and manage a large

residential/retail development and that entity agreeing to assume all surviving responsibilities and covenants applicable to the Developer. The foregoing notwithstanding:

(a) City approval of the transfer of the fee interest or other ownership interest in the Project shall not be required if (i) the Transferee meets the qualifications as a Qualified Investor under Regulation D of the Securities Act of 1933, and (ii) Developer certifies to City that Developer has in good faith followed customary and commercially reasonable procedures to determine that the Transferee is not a banned or blocked person, entity or nation pursuant to any law, order, rule or regulation that is enacted, enforced or administered by the Office of Foreign Assets Control, and (iii) the Transferee agrees to assume all surviving responsibilities and covenants applicable to the Developer under this Agreement.

(b) Project mortgagees shall have the right to mortgagee remedies including foreclosure and receipt of deeds in lieu of foreclosure.

(c) City approval shall not be required for (i) a transfer of fee ownership in the Project to an entity wholly owned or controlled by, or wholly owning or controlling, the Developer, (ii) a transfer of a direct ownership interest in the Developer between entities that are under common ownership or control, (iii) a transfer of direct ownership interests in the Developer between entities that own Developer as of the date of Closing, (iii) a transfer of a direct ownership interest in the Developer for the purpose of adding or replacing joint venture partners or other parties providing equity financing, where the transfer does not result in a new joint venture partner in the Developer or equity source holding more than 25% of a direct ownership interest in the Developer.

(d) City approval shall not be required for transfers of interest in entities that hold an indirect, but not a direct, interest in Developer.

(e) City approval shall not be required for transfers resulting from a condemnation or threat of condemnation.

OPINION OF DEVELOPER'S COUNSEL

[To be retyped on Developer's Counsel's letterhead]

___, ____

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an [Illinois] _____ (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the _____ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) _____ Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by Developer and the City;]

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's [Articles of Incorporation or By-Laws] [describe any formation documents if Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge

after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

[Note: include a reference to the laws of the state of incorporation/organization of Developer, if other than Illinois.]

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

KNOW ALL PERSONS BY THESE PRESENTS, that the City of Chicago, Cook County, Illinois (the "City"), hereby acknowledges itself to owe and for value received promises to pay to the Registered Owner identified above, or registered assigns as hereinafter provided, on or before the Maturity Date identified above, but solely from the sources hereinafter identified, the principal amount of this Note from time to time advanced by the Registered Owner to pay costs of the Project

The Registered Owner of this Note shall note on the Payment Record attached hereto the amount and the date of any payment of the principal of this Note promptly upon receipt of such payment.

This Note is issued by the City in the principal amount of up to $11,280,000 for the purpose of paying the costs of certain eligible redevelopment project costs incurred by Montrose Clarendon Partners LLC (the "Project"), which were acquired and constructed in connection with the development of an approximately 30,511 square foot building and a neighboring 5,900 square foot building and parking lot in the Montrose-Clarendon Redevelopment Project Area (the "Project Area") in the City, all in accordance with the Constitution and the laws of the State of Illinois, and particularly the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et seq.) (the "TIF Act") , the Local Government Debt Reform Act (30 ILCS 350/1 et seq.) and an Ordinance adopted by the City Council of the City on _____ (the "Ordinance"), in all respects as by law required.

The City has assigned and pledged certain rights, title and interest of the City in and to certain incremental ad valorem tax revenues from the Project Area which the City is entitled to receive pursuant to the TIF Act and the Ordinance, in order to pay the principal of and interest of this Note. Reference is hereby made to the aforesaid Ordinance and the Redevelopment

THIS NOTE SHALL NOT BE DEEMED TO CONSTITUTE AN INDEBTEDNESS OR A LOAN AGAINST THE GENERAL TAXING POWERS OR CREDIT OF THE CITY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION. THE REGISTERED OWNER OF THIS NOTE SHALL NOT HAVE THE RIGHT TO COMPEL ANY EXERCISE OF THE TAXING POWER OF THE CITY, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF TO PAY THE PRINCIPAL OF OR INTEREST ON THIS NOTE. ANY HOLDER OF THIS NOTE IS REQUIRED TO NOTIFY ANY POTENTIAL PURCHASER OF THIS NOTE OF THE RESALE RESTRICTIONS REFERRED TO

ABOVE. This Note is transferable by the Registered Owner hereof in person or by its attorney duly authorized in writing at the principal office of the Registrar in Chicago, Illinois, but only in the manner and subject to the limitations provided in the Ordinance, and upon surrender and cancellation of this Note. Upon such transfer, a new Note of authorized denomination of the same maturity and for the same aggregate principal amount will be issued to the transferee in exchange herefor. The Registrar shall not be required to transfer this Note during the period beginning at the close of business on the fifteenth day of the month immediately prior to the maturity date of this Note nor to transfer this Note after notice calling this Note or a portion hereof for redemption has been mailed, nor during a period of five (5) days next preceding mailing of a notice of redemption of this Note. Such transfer shall be in accordance with the form at the end of this Note.

This Note hereby authorized shall be executed and delivered as the Ordinance and the Redevelopment Agreement provide.

Pursuant to the Redevelopment Agreement dated as of _____, ____ between the City and the Registered Owner (the "Redevelopment Agreement"), the Registered Owner has agreed to construct the Project and to advance funds for the construction of certain facilities related to the Project on behalf of the City. The cost of such acquisition and construction in the amount of $11,280,000 shall be deemed to be a disbursement of the proceeds of this Note.

The City shall be obligated to make payments under this Note if an Event of Default (as defined in the Redevelopment Agreement), or condition or event that with notice or the passage of time or both would constitute an Event of Default, has occurred. Such rights shall survive any transfer of this Note.

The City and the Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and for all other purposes and neither the City nor the Registrar shall be affected by any notice to the contrary, unless transferred in accordance with the provisions hereof.

This Note may be transferred only in the manner and subject to the limitations provided in Section 18.21 of the Redevelopment Agreement.

It is hereby certified and recited that all conditions, acts and things required by law to exist, to happen, or to be done or performed precedent to and in the issuance of this Note did exist, have happened, have been done and have been performed in regular and due form and time as required by law; that the issuance of this Note, together with all other obligations of the City, does not exceed or violate any constitutional or statutory limitation applicable to the City.

This Note shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Registrar.

[The following "Noteholder Risks" constitutes an integral part of this Note.]

NOTEHOLDER RISKS

The purchase of or investment in the Note involves certain risks. Each prospective holder or purchaser of the Note, or any interest therein, should make an independent evaluation of the financial and business risks associated with holding or having an investment interest in the Note. Certain of these risks are set forth below. The following summary is not intended to be complete and does not purport to identify all possible risks that should be considered by prospective holders of the Note or any interests therein. Capitalized terms used herein have the meanings set forth in the Note.

All prospective holders of the Note are urged to consult with their financial adviser and legal counsel before acquiring the Note or any interest therein.

Loss of Investment

Investment in the Note involves a high degree of risk. It is suitable only for persons who are able to bear the economic risks of the investment, including total loss. No assurance can be provided that prospective holders of the Note will not lose their entire investment in the Note.

Lack of Liquidity

The Note is suitable only for persons who have no need for liquidity. The transferability of the Note is restricted. The Note may only be transferred in the manner and subject to the limitations provided in the Redevelopment Agreement. Investors in the Note must be prepared to hold the Note until the maturity of the Note.

Reliance on Projections

The City does not endorse projections of any kind from any source as to the sufficiency of Available Incremental Taxes to pay principal of and interest on the Note. Investors who rely on any such projections do so at their own risk.

The City's Office of Budget and Management ("OBM") produces five-year projection reports for each TIF district in the City for the purpose of evaluating resources and project balances ("District Projection Reports"). This information, which is currently publicly available, is used by the OBM to determine how much funding has been committed and how much funding is available for potential projects. The District Projection Reports and the projections included therein are not audited and do not represent a final accounting of funds. The District Projection Reports are not prepared for investors or as a basis for making investment decisions with respect to any notes, bonds or other debt obligations of the City that are payable from Incremental Taxes, including the Note. Prospective investors in the Note are cautioned not to rely on any of the information contained in the District Projection Reports.

Limited Obligations

THE NOTE IS A SPECIAL LIMITED OBLIGATION OF THE CITY PAYABLE SOLELY FROM THE ALLOCATED AVAILABLE INCREMENTAL TAXES AFTER PAYMENT OF ALL OBLIGATIONS HAVING A PRIORITY OVER THE NOTE, IF ANY, AND SHALL BE A VALID CLAIM ONLY AGAINST SAID SOURCES. THE NOTE DOES NOT CONSTITUTE AN INDEBTEDNESS OR A LOAN AGAINST THE GENERAL TAXING POWERS OR CREDIT OF THE CITY, WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION. THE NOTEHOLDER HAS NO RIGHT TO COMPEL ANY EXERCISE OF THE TAXING POWER OF THE CITY, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF TO PAY THE PRINCIPAL OF OR INTEREST ON THE NOTE.

There can be no assurance that Available Incremental Taxes will be sufficient for payment of amounts due and owing on the Note.

Limited Information

The Note was issued to the Developer under the Redevelopment Agreement as part of a commercial transaction negotiated by the Developer and the City. The Developer engaged a consultant to deliver a projection report to the City in connection with the Project, which included certain information about the Project Area, the Project and historical and projected Available Incremental Taxes. The report contained information as of its date only, and neither the Developer nor any other party have any obligation to update the report as of any subsequent date.

The City is under no continuing obligation to provide to any holder or prospective holder of the Note, or to post to the Electronic Municipal Market Access System of the Municipal Securities Rulemaking Board or any other website, any current or updated information with respect to the Project Area, the Project, the historical and projected Available Incremental Taxes or the Note. The City does not prepare or have readily available any current or updated information about the Project Area, the Project or the Available Incremental Taxes.

Unavailability of City Funds

The City is not obligated to pay principal of or interest on the Note in any year in which there are inadequate Available Incremental Taxes. The City is obligated to pay the amount of any unpaid principal or accrued interest in any subsequent year but only to the extent of the availability of Available Incremental Taxes for those subsequent years. Except as expressly provided in the Note, if, on the maturity date of the Note, any outstanding unpaid principal or interest on the Note exists for any reason, including without limitation the inadequacy of Available Incremental Taxes, such outstanding principal and/or interest will be forgiven in full and the City will have no further obligation to pay such outstanding amount. In such event, there would be no further payments of principal or interest in respect of the Note.

Risk of Failure to Maintain Levels of Assessed Valuation

There can be no assurance that the equalized assessed value of the Project property will remain the same throughout the term of the Note. Furthermore, the successful petition or application of any owner for the reduction of the assessed value of the Project property may cause the equalized assessed value of the Property to be less than the originally projected equalized assessed value. If any time during the term of the Note the actual equalized assessed value is less than what was projected, the generation of Available Incremental Taxes for payment on the Note is likely to be significantly impaired.

Risk of Change in Incremental Taxes

Prospective holders of the Note should carefully consider, among other factors, the risks associated with the ultimate generation of Available Incremental Taxes in the Project Area. These risks include, but are not limited to, the following:

1. Property tax rates are calculated by the Cook County Clerk for numerous funds of a number of taxing districts that tax all or part of the property in the Project Area. A reduction in the tax levies by the affected taxing districts may have an adverse effect on the Available Incremental Taxes.

2. Further changes may be made in the real property tax system by the State of Illinois or Cook County. Such changes could include various property tax rollbacks, abatements, exemptions, changes in the ratio of assessment, or relief measures, limitations on the amount or percent of increase in tax levies by taxing districts, or other measures that would limit the tax levy amount that could be extended to the property within the Project Area and, consequently, the projected Available Incremental Taxes generated. For example, if Illinois adopted practices used in other states, the property tax system could be changed so that schools would be financed from a source other than property taxes. This type of change could have a significant adverse effect upon Available Incremental Taxes.

3. Cook County's methodology and procedures used to assess the value of property may be altered resulting in a potentially reduced or altered valuation in a particular year or succession of years.

FUTURE LEGISLATION, REGULATIONS, GOVERNMENTAL OR JUDICIAL INTERPRETATION OF REGULATIONS OR LEGISLATION OR PRACTICES AND PROCEDURES RELATED TQ PROPERTY TAX ASSESSMENT, LEVY, COLLECTIONS OR DISTRIBUTION COULD HAVE A MATERIAL EFFECT ON THE CALCULATION OR AVAILABILITY OF INCREMENTAL TAXES COLLECTED OR DISTRIBUTED AND THEREFORE A MATERIAL EFFECT ON THE AMOUNT OF AVAILABLE INCREMENTAL TAXES FOR PAYMENT OF PRINCIPAL OF AND INTEREST ON THE NOTE.

Changes in Multiplier and Tax Rate

The equalization factor annually determined by the Illinois Department of Revenue for properties located within Cook County (commonly referred to as the "multiplier") may vary substantially in future years. A decrease in the multiplier would reduce the equalized assessed value of the taxable real property in the Project Area and, therefore, the Available Incremental Taxes available to pay principal of and interest on the Note. The future tax rates of the units of local government levying taxes in the Project Area either individually or on a composite basis, may differ from their historical levels. Any decrease in the composite tax rate of the governmental units would decrease the amount of Available Incremental Taxes available to pay principal of and interest on the Note. Any decrease in the composite tax rate of the governmental units could occur in future years as a result of various factors, including, but not limited to, one or more of the following: (a) reduced governmental costs; (b) constitutional or statutory spending or tax rate limitations; or (c) governmental reorganization or consolidation.

Economic Risks Affecting Incremental Taxes

Changing economic circumstances or events in the Project Area may result in reductions in Available Incremental Taxes available to pay principal of and interest on the Note. Relocations of major property owners to sites outside the Project Area or sales of major properties to tax-exempt entities could reduce the assessed valuation of the real properties in the Project Area. Substantial damage to or destruction of improvements within the Project Area could cause a material decline in assessed valuation and impair the ability of the taxpayers in the Project Area to pay their respective portions of real estate taxes. Similarly, there can be no assurance that the improvements in the Project Area will be sufficiently insured under fire and extended coverage insurance policies. Even if such insurance is sufficient, the proceeds thereof will not be assigned as security for the payment of real estate taxes or to secure payment of the Note. In addition, any insurance proceeds may not be sufficient to repair or rebuild said improvements. The restoration of such improvements may be delayed by other factors, or the terms of then-applicable mortgage financing could require the application of insurance proceeds to the reduction of mortgage balances. Any of the foregoing circumstances could result in the assessed valuation of property in the Project Area remaining depressed for an unknown period of time and decrease the amount of Available Incremental Taxes available to pay principal of and interest on the Note.

Results of operation of properties within the Project Area depend, in part, on sales, leases, rental rates and occupancy levels, which may be adversely affected by competition, suitability of the properties located in the Project Area, local unemployment, availability of transportation, neighborhood changes, crime levels in the Project Area, vandalism, rising operating costs and similar factors. Poor operating results of properties within the Project Area may cause delinquencies in the payment of real estate taxes, reduce assessed valuations and increase the risk of foreclosures. Successful petitions by taxpayers to reduce their assessed valuations could adversely affect Available Incremental Taxes available for payment of principal of and interest on the Note.

Failure to Sell or Lease Property

At the time of Note issuance, the redevelopment plan called for the Developer [to sell/lease to commercial or industrial enterprises/retailers prior to/in connection with] completion of the Project. The slowdown, stoppage or failure of the Developer to complete the Project and to successfully sell/lease the Project could delay or reduce the amount of Available Incremental Taxes generated in the Project Area. Such delay or reduction could lead to a default in payments of the principal of and interest on the Note.

Reliance on Primary Taxpayers

If one or only a few property owners within the Project Area are responsible for generating a substantial amount of the Incremental Taxes, the generation of Available Incremental Taxes could be significantly adversely affected if such owner or owners and/or their tenants discontinue or curtail their businesses or terminate or default on their leases, and substitutes or replacements cannot be made on a timely basis.

Force Majeure Conditions

Riots, civil disturbances, vandalism, fires, and natural disasters or other "Acts of God" affecting the conditions and viability of the Project Area may reduce or eliminate the receipt of

Incremental Taxes which would result in the reduction or elimination of Available Incremental Taxes to pay principal of and interest on the Note.

Contiguous Project Areas

The Project Area is, or may become, contiguous with other redevelopment areas designated by the City pursuant to the TIF Act. The TIF Act allows the City to expend Incremental Taxes collected from the Project Area which are in excess of the amounts required in each year to pay and secure obligations issued and project costs incurred with respect to the Project Area to pay for costs eligible for payment under the TIF Act which are incurred in such contiguous areas. In the event Incremental Taxes from the Project Area in excess of Available Incremental Taxes, along with the amounts required to (i) pay principal and interest coming due on the Note in any year, and (ii) be deposited in other funds and accounts maintained under the Redevelopment Agreement, are allocated to a contiguous project redevelopment area, such excess Incremental Taxes will not be available to remedy any future failure to pay principal of and interest on the Note.

Risk of Delay in Payment

The failure of current or future owners of real property in the Project Area to remit property taxes to Cook County when due or the failure of Cook County to timely remit Incremental Taxes to the City could result in insufficient Available Incremental Taxes being available to pay principal of or interest on the Note when due.

Delays in Exercising Remedies

The enforceability of the Note is subject to applicable bankruptcy laws, equitable principles affecting the enforcement of creditors' rights generally and of liens securing such rights, and the police powers of the State of Illinois and its political subdivisions. Because of delays inherent in obtaining judicial remedies, it should not be assumed that these remedies could be accomplished rapidly.

Remedies available to the Noteholder may be limited by a variety of factors and may be inadequate to assure the timely payment of principal of and interest on the Note, or to preserve the tax-exempt status of the Note. The Note is not subject to acceleration due to payment default. Lack of remedies may entail risks of delay, limitation, or modification of the rights of the Noteholder. Judicial remedies, such as foreclosure and enforcement of covenants, are subject to exercise of judicial discretion.

Risk of Transferee Becoming a Debtor in Bankruptcy

If a transferee of the Note were to become a debtor under the United States Bankruptcy Code or applicable state laws, a creditor or trustee in bankruptcy of the transferee might argue that the sale of the Note by the transferee constituted a fraudulent conveyance or a pledge of the Note rather than a sale. If such positions were accepted by a court, then delays in principal and interest payments to the Noteholder could occur or reductions in the amounts of such payments could result. Additionally, if the transfer of the Note is re-characterized as a pledge, then a tax lien, governmental lien or other lien created by operation of law on the property of the transferee could have priority over the holder's interest in the Note.

Loss of Tax Exemption

Interest on the Note could become includible in gross income for federal income tax purposes retroactive to the date of issuance of the Note as a result of a failure of the City to comply with certain provisions of the Internal Revenue Code of 1986, as amended (the "Code"). An event of taxability does not trigger a mandatory redemption of the Note, and the Note will remain outstanding to maturity or until redeemed.

THE ABOVE IS NOT INTENDED TO BE A COMPREHENSIVE DISCUSSION OF ALL POTENTIAL RISKS ASSOCIATED WITH THE NOTE.

Title:_____

NOTEHOLDER RISKS

The purchase of or investment in the Note involves certain risks. Each prospective holder or purchaser of the Note, or any interest therein, should make an independent evaluation of the financial and business risks associated with holding or having an investment interest in the Note. Certain of these risks are set forth below. The following summary is not intended to be complete and does not purport to identify all possible risks that should be considered by prospective holders of the Note or any interests therein. Capitalized terms used herein have the meanings set forth in the Note.

All prospective holders of the Note are urged to consult with their financial adviser and legal counsel before acquiring the Note or any interest therein.

Loss of Investment

Investment in the Note involves a high degree of risk. It is suitable only for persons who are able to bear the economic risks of the investment, including total loss. No assurance can be provided that prospective holders of the Note will not lose their entire investment in the Note.

Lack of Liquidity

The Note is suitable only for persons who have no need for liquidity. The transferability of the Note is restricted. The Note may only be transferred in the manner and subject to the limitations provided in the Redevelopment Agreement. Investors in the Note must be prepared to hold the Note until the maturity of the Note.

Reliance on Projections

The City does not endorse projections of any kind from any source as to the sufficiency of Available Incremental Taxes to pay principal of and interest on the Note. Investors who rely on any such projections do so at their own risk.

The City's Office of Budget and Management ("OBM") produces five-year projection reports for each TIF district in the City for the purpose of evaluating resources and project balances ("District Projection Reports"). This information, which is currently publicly available, is used by the OBM to determine how much funding has been committed and how much funding is available for potential projects. The District Projection Reports and the projections included therein are not audited and do not represent a final accounting of funds. The District Projection Reports are not prepared for investors or as a basis for making investment decisions with respect to any notes, bonds or other debt obligations of the City that are payable from Incremental Taxes, including the Note. Prospective investors in the Note are cautioned not to rely on any of the information contained in the District Projection Reports.

Limited Obligations

THE NOTE IS A SPECIAL LIMITED OBLIGATION OF THE CITY PAYABLE SOLELY FROM THE ALLOCATED AVAILABLE INCREMENTAL TAXES AFTER PAYMENT OF ALL OBLIGATIONS HAVING A PRIORITY OVER THE NOTE, IF ANY, AND SHALL BE A VALID CLAIM ONLY AGAINST SAID SOURCES. THE NOTE DOES NOT CONSTITUTE AN INDEBTEDNESS OR A LOAN AGAINST THE GENERAL TAXING POWERS OR CREDIT OF THE CITY, WITHIN

THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION. THE NOTEHOLDER HAS NO RIGHT TO COMPEL ANY EXERCISE OF THE TAXING POWER OF THE CITY, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF TO PAY THE PRINCIPAL OF OR INTEREST ON THE NOTE.

There can be no assurance that Available Incremental Taxes will be sufficient for payment of amounts due and owing on the Note.

Limited Information

The Note was issued to the Developer under the Redevelopment Agreement as part of a commercial transaction negotiated by the Developer and the City. The Developer engaged a consultant to deliver a projection report to the City in connection with the Project, which included certain information about the Project Area, the Project and historical and projected Available Incremental Taxes. The report contained information as of its date only, and neither the Developer nor any other party have any obligation to update the report as of any subsequent date.

The City is under no continuing obligation to provide to any holder or prospective holder of the Note, or to post to the Electronic Municipal Market Access System of the Municipal Securities Rulemaking Board or any other website, any current or updated information with respect to the Project Area, the Project, the historical and projected Available Incremental Taxes or the Note. The City does not prepare or have readily available any current or updated information about the Project Area, the Project or the Available Incremental Taxes.

Unavailability of City Funds

The City is not obligated to pay principal of or interest on the Note in any year in which there are inadequate Available Incremental Taxes. The City is obligated to pay the amount of any unpaid principal or accrued interest in any subsequent year but only to the extent of the availability of Available Incremental Taxes for those subsequent years. Except as expressly provided in the Note, if, on the maturity date of the Note, any outstanding unpaid principal or interest on the Note exists for any reason, including without limitation the inadequacy of Available Incremental Taxes, such outstanding principal and/or interest will be forgiven in full and the City will have no further obligation to pay such outstanding amount. In such event, there would be no further payments of principal or interest in respect of the Note.

Risk of Failure to Maintain Levels of Assessed Valuation

There can be no assurance that the equalized assessed value of the Project property will remain the same throughout the term of the Note. Furthermore, the successful petition or application of any owner for the reduction of the assessed value of the Project property may cause the equalized assessed value of the Property to be less than the originally projected equalized assessed value. If any time during the term of the Note the actual equalized assessed value is less than what was projected, the generation of Available Incremental Taxes for payment on the Note is likely to be significantly impaired.

Risk of Change in Incremental Taxes

Prospective holders of the Note should carefully consider, among other factors, the risks associated with the ultimate generation of Available Incremental Taxes in the Project Area. These risks include, but are not limited to, the following:

1. Property tax rates are calculated by the Cook County Clerk for numerous funds of a number of taxing districts that tax all or part of the property in the Project Area. A reduction in the tax levies by the affected taxing districts may have an adverse effect on the Available Incremental Taxes.

2. Further changes may be made in the real property tax system by the State of Illinois or Cook County. Such changes could include various property tax rollbacks, abatements, exemptions, changes in the ratio of assessment, or relief measures, limitations on the amount or percent of increase in tax levies by taxing districts, or other measures that would limit the tax levy amount that could be extended to the property within the Project Area and, consequently, the projected Available Incremental Taxes generated. For example, if Illinois adopted practices used in other states, the property tax system could be changed so that schools would be financed from a source other than property taxes. This type of change could have a significant adverse effect upon Available Incremental Taxes.

3. Cook County's methodology and procedures used to assess the value of property may be altered resulting in a potentially reduced or altered valuation in a particular year or succession of years.

FUTURE LEGISLATION, REGULATIONS, GOVERNMENTAL OR JUDICIAL INTERPRETATION OF REGULATIONS OR LEGISLATION OR PRACTICES AND PROCEDURES RELATED TO PROPERTY TAX ASSESSMENT, LEVY, COLLECTIONS OR DISTRIBUTION COULD HAVE A MATERIAL EFFECT ON THE CALCULATION OR AVAILABILITY OF INCREMENTAL TAXES COLLECTED OR DISTRIBUTED AND THEREFORE A MATERIAL EFFECT ON THE AMOUNT OF AVAILABLE INCREMENTAL TAXES FOR PAYMENT OF PRINCIPAL OF AND INTEREST ON THE NOTE.

Changes in Multiplier and Tax Rate

The equalization factor annually determined by the Illinois Department of Revenue for properties located within Cook County (commonly referred to as the "multiplier") may vary substantially in future years. A decrease in the multiplier would reduce the equalized assessed value of the taxable real property in the Project Area and, therefore, the Available Incremental Taxes available to pay principal of and interest on the Note. The future tax rates of the units of local government levying taxes in the Project Area either individually or on a composite basis, may differ from their historical levels. Any decrease in the composite tax rate of the governmental units would decrease the amount of Available Incremental Taxes available to pay principal of and interest on the Note. Any decrease in the composite tax rate of the governmental units could occur in future years as a result of various factors, including, but not limited to, one or more of the following: (a) reduced governmental costs; (b) constitutional or statutory spending or tax rate limitations; or (c) governmental reorganization or consolidation.

Economic Risks Affecting Incremental Taxes

Changing economic circumstances or events in the Project Area may result in reductions in Available Incremental Taxes available to pay principal of and interest on the Note. Relocations of

major property owners to sites outside the Project Area or sales of major properties to tax-exempt entities could reduce the assessed valuation of the real properties in the Project Area. Substantial damage to or destruction of improvements within the Project Area could cause a material decline in assessed valuation and impair the ability of the taxpayers in the Project Area to pay their respective portions of real estate taxes. Similarly, there can be no assurance that the improvements in the Project Area will be sufficiently insured under fire and extended coverage insurance policies. Even if such insurance is sufficient, the proceeds thereof will not be assigned as security for the payment of real estate taxes or to secure payment of the Note. In addition, any insurance proceeds may not be sufficient to repair or rebuild said improvements. The restoration of such improvements may be delayed by other factors, or the terms of then-applicable mortgage financing could require the application of insurance proceeds to the reduction of mortgage balances. Any of the foregoing circumstances could result in the assessed valuation of property in the Project Area remaining depressed for an unknown period of time and decrease the amount of Available Incremental Taxes available to pay principal of and interest on the Note.

Results of operation of properties within the Project Area depend, in part, on sales, leases, rental rates and occupancy levels, which may be adversely affected by competition, suitability of the properties located in the Project Area, local unemployment, availability of transportation, neighborhood changes, crime levels in the Project Area, vandalism, rising operating costs and similar factors. Poor operating results of properties within the Project Area may cause delinquencies in the payment of real estate taxes, reduce assessed valuations and increase the risk of foreclosures. Successful petitions by taxpayers to reduce their assessed valuations could adversely affect Available Incremental Taxes available for payment of principal of and interest on the Note.

Failure to Sell or Lease Property

At the time of Note issuance, the redevelopment plan called for the Developer [to sell/lease to commercial or industrial enterprises/retailers prior to/in connection with] completion of the Project. The slowdown, stoppage or failure of the Developer to complete the Project and to successfully sell/lease the Project could delay or reduce the amount of Available Incremental Taxes generated in the Project Area. Such delay or reduction could lead to a default in payments of the principal of and interest on the Note.

Reliance on Primary Taxpayers

If one or only a few property owners within the Project Area are responsible for generating a substantial amount of the Incremental Taxes, the generation of Available Incremental Taxes could be significantly adversely affected if such owner or owners and/or their tenants discontinue or curtail their businesses or terminate or default on their leases, and substitutes or replacements cannot be made on a timely basis.

Force Majeure Conditions

Riots, civil disturbances, vandalism, fires, and natural disasters or other "Acts of God" affecting the conditions and viability of the Project Area may reduce or eliminate the receipt of Incremental Taxes which would result in the reduction or elimination of Available Incremental Taxes to pay principal of and interest on the Note.

Contiguous Project Areas

The Project Area is, or may become, contiguous with other redevelopment areas designated by the City pursuant to the TIF Act. The TIF Act allows the City to expend Incremental Taxes collected from the Project Area which are in excess of the amounts required in each year to pay and secure obligations issued and project costs incurred with respect to the Project Area to pay for costs eligible for payment under the TIF Act which are incurred in such contiguous areas. In the event Incremental Taxes from the Project Area in excess of Available Incremental Taxes, along with the amounts required to (i) pay principal and interest coming due on the Note in any year, and (ii) be deposited in other funds and accounts maintained under the Redevelopment Agreement, are allocated to a contiguous project redevelopment area, such excess Incremental Taxes will not be available to remedy any future failure to pay principal of and interest on the Note.

Risk of Delay in Payment

The failure of current or future owners of real property in the Project Area to remit property taxes to Cook County when due or the failure of Cook County to timely remit Incremental Taxes to the City could result in insufficient Available Incremental Taxes being available to pay principal of or interest on the Note when due.

Delays in Exercising Remedies

The enforceability of the Note is subject to applicable bankruptcy laws, equitable principles affecting the enforcement of creditors' rights generally and of liens securing such rights, and the police powers of the State of Illinois and its political subdivisions. Because of delays inherent in obtaining judicial remedies, it should not be assumed that these remedies could be accomplished rapidly.

Remedies available to the Noteholder may be limited by a variety of factors and may be inadequate to assure the timely payment of principal of and interest on the Note, or to preserve the tax-exempt status of the Note. The Note is not subject to acceleration due to payment default. Lack of remedies may entail risks of delay, limitation, or modification of the rights of the Noteholder. Judicial remedies, such as foreclosure and enforcement of covenants, are subject to exercise of judicial discretion.

Risk of Transferee Becoming a Debtor in Bankruptcy

If a transferee of the Note were to become a debtor under the United States Bankruptcy Code or applicable state laws, a creditor or trustee in bankruptcy of the transferee might argue that the sale of the Note by the transferee constituted a fraudulent conveyance or a pledge of the Note rather than a sale. If such positions were accepted by a court, then delays in principal and interest payments to the Noteholder could occur or reductions in the amounts of such payments could result. Additionally, if the transfer of the Note is re-characterized as a pledge, then a tax lien, governmental lien or other lien created by operation of law on the property of the transferee could have priority over the holder's interest in the Note.

Loss of Tax Exemption

Interest on the Note could become includible in gross income for federal income tax purposes retroactive to the date of issuance of the Note as a result of a failure of the City to comply with certain provisions of the Internal Revenue Code of 1986, as amended (the "Code"). An event

of taxability does not trigger a mandatory redemption of the Note, and the Note will remain outstanding to maturity or until redeemed.

THE ABOVE IS NOT INTENDED TO BE A COMPREHENSIVE DISCUSSION OF ALL POTENTIAL RISKS ASSOCIATED WITH THE NOTE.

The provisions of the respective Bond Orders shall be subject to the parameters set forth in the Redevelopment Agreement and this Ordinance.

The principal of and interest on the City Note shall be paid by check or draft of the Comptroller of the City, as registrar and paying agent (the "**Registrar**") (or, at the City's sole election, by wire transfer of funds), payable in lawful money of the United States of America to the person in whose name the City Note is registered at the close of business on the 15th day of the month immediately prior to the applicable payment date; provided, that the final installment of the principal and accrued but unpaid interest of the City Note shall be payable in lawful money of the United States of America at the principal office of the Registrar or as otherwise directed by the City.

The seal of the City shall be affixed to or a facsimile thereof printed on the City Note, and the City Note shall be signed by the manual or facsimile signature of the Mayor of the City and attested by the manual or facsimile signature of the City Clerk of the City, and in case any officer whose signature shall appear on the City Note shall cease to be such officer before the delivery of the City Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The City Note shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Registrar, as authenticating agent of the City for such Note, and showing the date of authentication. The City Note shall not be valid or obligatory for

any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Registrar by manual signature, and such certificate of authentication upon the City Note shall be conclusive evidence that the Note has been authenticated and delivered under this Ordinance.

SECTION 6. The City shall cause books (the "**Register**") for the registration of the City Note as provided in this Ordinance to be kept at the principal office of the Registrar, which is hereby constituted and appointed the registrar of the City for the City Note. The Registrar shall maintain a list of the names and addresses of the registered owner(s) from time to time of the City Note, and upon transfer (to the extent such transfer is permitted under the Redevelopment Agreement) shall add the name and address of the new registered owner and eliminate the name and address of the transferor. The City is authorized to prepare, and the Registrar shall keep custody of, multiple City Note blanks executed by the City for use in the transfer of the City Note.

Upon surrender for transfer of the City Note authorized under this Ordinance at the principal office of the Registrar, duly endorsed by, or accompanied by: (i) a written instrument or instruments of transfer in form satisfactory to the Registrar; (ii) an investment representation in form satisfactory to the City and duly executed by the registered owner or his attorney duly authorized in writing, (iii) the written consent of the City evidenced by the signature of the Commissioner (or his or her designee) on the instrument of transfer, and (iv) any deliveries required under this Ordinance or the Redevelopment Agreement, the City shall execute and the Registrar shall authenticate, date and deliver in the name of any such authorized transferee or transferees, a new fully registered City Note of the same maturity, of authorized denomination, for a like aggregate principal amount. The execution by the City of a fully registered City Note shall constitute full and due authorization of the City Note and the Registrar shall thereby be authorized to authenticate, date and deliver the City Note, provided, however, that the principal amount of the City Note authenticated by the Registrar shall not exceed the authorized principal amount of the City Note less previous retirements. The Registrar shall not be required to transfer or exchange the City Note during the period beginning at the close of business on the fifteenth day of the month immediately prior to the maturity date of the City Note nor to transfer or exchange the City Note after notice calling the City Note for redemption has been made, nor during a period of five (5) days next preceding mailing of a notice for redemption of principal of the City Note. No beneficial interests in the City Note shall be assigned, except in accordance with the procedures for transferring the City Note described above.

The person or entity in whose name the City Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of the City Note shall be made only to the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon the City Note to the extent of the sum or sums so paid.

No service charge shall be made for any transfer of the City Note, but the City or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer of the Notes.

SECTION 7. Subject to the limitations set forth herein, the principal of the City Note shall be subject to determination, redemption and prepayment as provided in the form of the City Note attached to the Redevelopment Agreement as Exhibit M, and as provided in the Redevelopment Agreement. As directed by the Commissioner, the Registrar shall proceed with redemptions or prepayment without further notice or direction from the City.

SECTION 8. The City Note shall be prepared in substantially the form attached hereto as Exhibit B, with such additions or modifications at the time of issuance as shall be determined to be necessary by the person duly approved and serving as the Chief Financial Officer of the City, or if no such person has been appointed, the City Comptroller (the **"Authorized Officer"**).

SECTION 9. Pursuant to the Redevelopment Agreement, Developer has agreed to perform redevelopment work on the Property necessary for the Project. The eligible Redevelopment Project costs of such acquisition, construction and redevelopment up to the amount not to exceed $7,400,000, shall be financed from proceeds of the City Note. The principal amount outstanding of the City Note shall be the amount of principal indicated in the City Note on its date of issuance, or the sum of advances made pursuant to a form of certificate of expenditure (the "**Certificate of Expenditure**") executed by the Commissioner (or his or her designee) and authenticated by the Registrar, in accordance with the Redevelopment Agreement, minus any principal amount paid on the City Note and other reductions in principal as provided in the Redevelopment Agreement. A Certificate of Expenditure shall not be valid or obligatory under this Ordinance unless or until authenticated by the Registrar by manual signature. The City shall not execute Certificates of Expenditure that total in excess of $7,400,000. Upon execution of a Certificate of Expenditure, the Registrar shall promptly send the Certificate of Expenditure to the Registered Owner and retain a copy with the Register. The Certificate of Expenditure for the City Note shall be in substantially the form attached hereto as Exhibit C.

SECTION 10. The Registrar shall note on the payment schedule attached to the City Note the amount of any payment of principal or interest on the City Note, including the amount of any redemption, and the amount of any reduction in principal pursuant to the Redevelopment Agreement.

SECTION 11. The City Note hereby authorized shall be executed as provided in this Ordinance and the Redevelopment Agreement and thereupon be deposited with the Commissioner, and by said Commissioner delivered to Developer.

SECTION 12. (a) Special Tax Allocation Fund. Pursuant to the TIF Ordinance, the City has created a special fund, designated as the North Pullman Redevelopment Project Area Special Tax Allocation Fund (the "**North Pullman TIF Fund**").

The Comptroller of the City is hereby directed to maintain the North Pullman TIF Fund as a segregated interest-bearing account, separate and apart from the General Fund or any other fund of the City, with a bank which is insured by the Federal Deposit Insurance Corporation or its successor. Pursuant to the TIF Ordinance, all incremental ad valorem taxes received by the City for the Redevelopment Area are to be deposited into the North Pullman TIF Fund.

(b) Debt Service Account. There is hereby created within the North Pullman TIF Fund a special account to be known as the "**Chicago Neighborhood Initiatives (Whole Foods Warehouse and Distribution Facility) Debt Service Account**." The City shall promptly designate and deposit into the Chicago Neighborhood Initiatives (Whole Foods Warehouse and Distribution Facility) Debt Service Account the incremental taxes defined as the "**Available Incremental Taxes**" in the Redevelopment Agreement which have been deposited into the North Pullman TIF Fund after the execution and delivery of the Redevelopment Agreement.

(c) Pledge of Chicago Neighborhood Initiatives (Whole Foods Warehouse and Distribution Facility) Debt Service Account. The City hereby assigns, pledges and dedicates the Chicago Neighborhood Initiatives (Whole Foods Warehouse and Distribution Facility) Debt Service Account, together with all amounts on deposit in the Chicago Neighborhood Initiatives (Whole Foods Warehouse and Distribution Facility) Debt Service Account: (i) to the payment of the City Note, subject to the provisions and limitations of the Redevelopment Agreement. Upon deposit, the moneys on deposit in the Chicago Neighborhood Initiatives (Whole Foods Warehouse and Distribution Facility) Debt Service Account may be invested as hereinafter provided. Interest and income on any such investment shall be deposited in the North Pullman TIF Fund. All moneys on deposit in the Chicago Neighborhood Initiatives (Whole Foods Warehouse and Distribution Facility) Debt Service Account shall be used to pay the principal of and interest on the City Note, at maturity or upon payment or redemption prior to maturity, each in accordance with its respective terms, which payments from the Chicago Neighborhood Initiatives (Whole Foods Warehouse and Distribution Facility) Debt Service Account are hereby authorized and appropriated by the City. Upon payment of all amounts due under the City Note in accordance with their respective terms (or the termination of the City's obligation to make such payments), the amounts on deposit in the Chicago Neighborhood Initiatives (Whole Foods Warehouse and Distribution Facility) Debt Service Account shall be deposited in the North Pullman TIF Fund of the City and the Chicago Neighborhood Initiatives (Whole Foods Warehouse and Distribution Facility) Debt Service Account shall be closed.

SECTION 13. The City Note is a special limited obligation of the City, and is payable solely from amounts on deposit in the Chicago Neighborhood Initiatives (Whole Foods Warehouse and Distribution Facility) Debt Service Account (or such other funds in the North Pullman TIF Fund as the City, in its sole discretion, may determine), and shall be a valid claim of the registered owner thereof only against said sources. The City Note shall not be deemed to constitute an indebtedness or a loan against the general taxing powers or credit of the City, within the meaning of any constitutional or statutory provision. The registered owners of the City Note shall not have the right to compel any exercise of the taxing power of the City, the State of Illinois or any political subdivision thereof to pay the principal of or interest on the City Note.

SECTION 14. Moneys on deposit in the Chicago Neighborhood Initiatives (Whole Foods Warehouse and Distribution Facility) Debt Service Account may be invested as allowed under Section 2-32-520 of the Municipal Code of the City of Chicago (the "**Municipal Code**"). Each such investment shall mature on a date prior to the date on which said amounts are needed to pay the principal of or interest on the City Note.

SECTION 15. The City Note is not a "private activity bond" as defined in Section 141(a) of the Internal Revenue Code of 1986, as amended (the "**Code**"). In support of such conclusion, the City certifies, represents and covenants as follows:

(a) No direct or indirect payments are to be made on the City Note with respect to any private business use by any person other than a state or local governmental unit.

(b) None of the proceeds of the City Note is to be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit.

SECTION 16. The City certifies and covenants as follows with respect to the requirements of Section 148(f) of the Code, relating to the rebate of "excess arbitrage profits" (the "**Rebate Requirement**") to the United States:

(a) Unless an applicable exception to the Rebate Requirement is available to the City, the City will meet the Rebate Requirement.

(b) Relating to applicable exceptions, the Comptroller is hereby authorized to make such elections under the Code as such officer shall deem reasonable and in the best interests of the City. If such election may result in a "penalty in lieu of rebate" as provided in the Code, and such penalty is incurred (the "**Penalty**"), then the City shall pay such Penalty.

(c) The officers of the City shall cause to be established at such time and in such manner as they may deem necessary or appropriate hereunder, a rebate fund, and such officers shall further, not less frequently than annually, cause to be transferred to the rebate fund the amount determined to be the accrued liability under the Rebate Requirement or the Penalty. Said officers shall cause to be paid to the United States, from time to time as required, amounts sufficient to meet the Rebate Requirement or to pay the Penalty.

(d) Interest earnings in the Chicago Neighborhood Initiatives (Whole Foods Warehouse and Distribution Facility) Debt Service Account are hereby authorized to be transferred, without further order or direction from the Comptroller, from time to time as required, to the rebate fund for the purposes herein provided; and other funds of the City are also hereby authorized to be used to meet the Rebate Requirement or to pay the Penalty, but only if necessary after application of investment earnings as aforesaid and only if appropriated by the City Council.

SECTION 17. The City covenants that it: (i) will take those actions which are necessary to be taken (and avoid those actions which it is necessary to avoid taking) so that interest on the City Note will not be or become included in gross income for federal income tax purposes under existing law including, without limitation, the Code; (ii) will take those actions reasonably within its power to take which are necessary to be taken (and avoid taking those actions which are reasonably within its power to avoid taking and which it is necessary to avoid) so that interest on the City Note will not be or become included in gross income for federal income tax purposes under the federal income tax laws as in effect from time to time; and (iii) will take no action in the investment of any fund or account of the City which would result in making interest on the City Note subject to federal income taxes by reason of causing the City Note to be an "arbitrage bond" within the meaning of Section 148 of the Code. In furtherance of the foregoing provisions, but without limiting their generality, the City agrees: (a) through its officers, to make such further specific covenants, certifications and representations as shall be truthful, and assurances as may be necessary or advisable; (b) to comply with all representations, covenants and assurances contained in certificates or agreements as may be prepared by counsel approving the City Note; (c) to consult with such counsel and to comply with such advice as may be given; (d) to file such forms, statements and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the City in such compliance.

SECTION 18. The City recognizes that Section 149(a) of the Code requires that the City Note to be issued and to remain in fully registered form in order that interest thereon is exempt from federal income taxation under laws in force at the time the City Note is delivered. In this connection, the City agrees that it will not take any action to permit the City Note to be issued in, or converted into, bearer or coupon form.

SECTION 19. The provisions of this Ordinance shall constitute a contract between the City and the registered owner(s) of the City Note. All covenants relating to the City Note are enforceable by the registered owner(s) of the City Note.

SECTION 20. The Mayor, the Comptroller, the City Clerk, the Commissioner (or his or her designee) and the other officers of the City are authorized to execute and deliver on behalf of the City such other documents, agreements and certificates and to do such other things consistent with the terms of this Ordinance as such officers and employees shall deem necessary or appropriate in order to effectuate the intent and purposes of this Ordinance.

SECTION 21. If any provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this Ordinance.

SECTION 22. All ordinances, resolutions, motions or orders in conflict with this Ordinance are hereby repealed to the extent of such conflict. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to impair the validity of this ordinance or the instruments authorized by this ordinance or to impair the security for or payment of the instruments authorized by this ordinance; provided further, however, that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for violation of any provision of the Municipal Code.

SECTION 23. This Ordinance shall be in full force and effect immediately upon its passage.

REDEVELOPMENT AGREEMENT
(WHOLE FOODS WAREHOUSE AND DISTRIBUTION FACILITY)

This Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement (the "Agreement") is made as of this ___ day of _____, 2016, between the City of Chicago, an Illinois municipal corporation (the "City"), through its Department of Planning and Development ("DPD"), and Chicago Neighborhood Initiatives, Inc., an Illinois not-for-profit corporation (the "Developer"). The City and the Developershall be known herein as the "Parties."

RECITALS:

A. Constitutional Authority: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals, and welfare of its inhabitants and, pursuant thereto, has the power to encourage private development in order to enhance the local tax base and create employment opportunities, and to enter into contractual agreements with private parties in order to achieve these goals.

B. Statutory Authority: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time-to-time (the "Act"), to finance projects that eradicate blighted conditions through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority: To induce certain redevelopment pursuant to the Act, in accordance with the provisions of the Act, pursuant to ordinances adopted on June 30, 2009, and published at pages 65068 through 65179 of the Journal of Proceedings of the City Council (the "Journal") for such date (the "North Pullman TIF Ordinances"), the City Council of the City (the "City Council"): (1) approved and adopted a redevelopment plan (the "North Pullman Redevelopment Plan") for the North Pullman Redevelopment Project Area (the "North Pullman Redevelopment Area") of the City; (2) designated the North Pullman Redevelopment Area as a "redevelopment project area" pursuant to the Act; and (3) adopted tax increment allocation

financing for the North Pullman Redevelopment Area (the "North Pullman TIF Adoption Ordinance"). The North Pullman Area is legally described in Exhibit A. The Roseland/Michigan Redevelopment Project Area (the "Roseland/Michigan Redevelopment Area") of the City is directly adjacent to the North Pullman Redevelopment Area.

D. The Project: The Developer will obtain a right of entry to or acquire from North Pullman 111th, Inc., a wholly-owned subsidiary of U.S. Bank, certain property located within the North Pullman Redevelopment Area in the vicinity of 107th Street and Doty Avenue, as legally described on Exhibit B (the "Property"), together with certain adjacent property on which the Developer will extend an industrial roadway, as legally described on Exhibit B-1 (the "Roadway Extension Parcel"). Within the time frames set forth in Section 3.01, the Developer shall: (i) commence and complete demolition, site grading, utility installation and extension of the industrial roadway on the Roadway Extension Parcel, and (ii) purchase the Property and the Roadway Extension Parcel from North Pullman 111th, Inc. (the "Acquisition") and (iii) convey title to the Property to Ryan Companies US, Inc. (the "Vertical Developer") for construction of an approximately 140,000 square foot LEED Certified facility to be leased by Whole Foods Market, Inc., a Texas corporation ("Whole Foods"), for use as a warehouse and distribution facility, together with an easement in the Roadway Extension Parcel for the benefit of the Vertical Developer and its tenants of the Property (the Acquisition, site preparation and work, including construction of the roadway extension, and conveyance of the Property shall be known herein as the "Project"). However, no costs associated with the construction of the roadway that are not directly related to environmental remediation thereof shall be reimbursed by the City unless permitted by the Act. The Parties acknowledge that the Project expressly excludes construction of such warehouse and distribution facility itself, which work is to be performed by the Vertical Developer. Whole Foods will maintain at least 100 full-time equivalent employees at the Property upon issuance of the Certificate of Completion (as defined herein). The Project PINs consist of unsubdivided land, and include land that is not part of the Property. The Developer will apply for a subdivision to create the Property as a separate legal lot of record and tax parcel. The completion of the Project and the leasing of the Property to Whole Foods would not reasonably be anticipated without the financing contemplated in this Agreement.

E. Redevelopment Plan: The Project will be carried out in accordance with the North Pullman Redevelopment Plan and Planned Development No. 1167, as amended (the "PD").

F. City Financing and Assistance: Subject to Developer fulfilling those obligations under this Agreement that are the applicable conditions precedent to obligate the City to do so, the City will grant the Developer Incremental Taxes as defined in Schedule A in an amount of $1,000,000 and issue the City Note in a principal amount not to exceed $7,400,000 (collectively, the "City Funds").

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

AGREEMENT:

ARTICLE ONE: INCORPORATION OF RECITALS

The recitals stated above are an integral part of this Agreement and are hereby incorporated into this Agreement by reference and made a part of this Agreement.

ARTICLE TWO: DEFINITIONS

The definitions stated in Schedule A and those definitions stated in the recitals and preamble are hereby incorporated into this Agreement by reference and made a part of this Agreement.

ARTICLE THREE: THE PROJECT

3.01 The Project. Developer will commence and complete construction of the Project no later than December 30, 2016, subject to: (a) Section 18.17 (Force Majeure); (b) applicable Change Orders, if any, issued under Section 3.04; (c) the receipt of all applicable permits and Project approvals; and (d) issuance of a "No Further Remediation" letter, which shall not be required to be completed by December 30, 2016, but which shall be diligently pursued to completion.

3.02 Scope Drawings and Plans and Specifications. Developer has delivered the Scope Drawings and Plans and Specifications to DPD, and DPD has approved them. Subsequent proposed changes to the Scope Drawings or Plans and Specifications within the scope of Section 3.04 will be submitted to DPD as a Change Order under Section 3.04. The Scope Drawings and Plans and Specifications will at all times conform to the Redevelopment Plan as in effect on the date of this Agreement, and to all applicable Federal, State and local laws, ordinances and regulations. Developer will submit all necessary documents to the City's Department of Buildings, Department of Transportation, and to such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

3.03 Project Budget. Developer has furnished to DPD, and DPD has approved, a Project Budget which is Exhibit D-1, showing total costs for the Project in an amount not less than $8,142,176. The Note Issuance Costs are estimated to be a total of $1,003,101. The Project Costs and the Note Issuance Costs, together, are estimated to exceed $8,400,000. The Developer hereby certifies to the City that: (a) it has Lender Financing and/or Equity, along with the City Funds, in an aggregate amount sufficient to pay for all Project costs and Note Issuance Costs; and (b) the Project Budget is true, correct and complete in all material respects. Developer will promptly deliver to DPD copies of any Change Orders with respect to the Project Budget as provided in Section 3.04.

3.04 Change Orders.

(a) Except as provided in subparagraph (b) below, all Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to changes to the Project must be submitted by Developer to DPD concurrently with the progress reports described in Section 3.07; provided, however, that any Change Orders relating to any of the following must be submitted by Developer to DPD for DPD's prior written approval: (i) a reduction by more than five percent (5%) in the square footage of the Project from the square footage approved by DPD under Section 3.02, or (ii) a change in the primary use of the Project,

or (iii) a delay in the Project completion date by more than 30 days, or (iv) change orders resulting in an aggregate increase to the Project Budget of 10% or more. Developer will not authorize or permit the performance of any work relating to any Change Order requiring DPD's prior written approval or the furnishing of materials in connection therewith prior to the receipt by Developer of DPD's written approval. The Construction Contract, and each contract between the General Contractor and any subcontractor, will contain a provision to this effect or for compliance with this Agreement generally. An approved Change Order will not be deemed to imply any obligation on the part of the City to increase the amount of City Funds or to provide any other additional assistance to Developer.

(b) Notwithstanding anything to the contrary in this Section 3.04, Change Orders other than those stated in subsection (a) above do not require DPD's prior written approval as stated in this Section 3.04, but DPD must be notified in writing of all such Change Orders within 10 Business Days after the execution of such change order, and Developer, in connection with such notice, must identify to DPD the source of funding therefor in the progress reports described in Section 3.07.

3.05 DPD Approval. Any approval granted by DPD under this Agreement of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only, and any such approval does not affect or constitute any approval required by any other City department or under any City ordinance, code, regulation, or any other governmental approval, nor does any such approval by DPD under this Agreement constitute approval of the utility, quality, structural soundness, safety, habitability, merchantability or investment quality of the Project. Developer will not make any verbal or written representation to anyone to the contrary. Developer shall not undertake construction of the Project unless Developer has obtained all necessary permits and approvals (including but not limited to DPD's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as required under this Agreement.

3.06 Other Approvals. Any DPD approval under this Agreement will have no effect upon, nor will it operate as a waiver of, Developer's obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals).

3.07 Progress Reports and Survey Updates. After the Closing Date, on or before the 15th day of each reporting month, Developer will provide DPD with written quarterly construction progress reports detailing the status of the Project, including a revised completion date, if necessary (with any delay in completion date of more than 30 days being considered a Change Order, requiring DPD's written approval under Section 3.04). Developer must also deliver to the City written monthly progress reports detailing compliance with the requirements of Section 8.08 (Prevailing Wage), Section 10.02 (City Resident Construction Worker Employment Requirement) and Section 10.03 (Developer's MBE/WBE Commitment) (collectively, the "City Requirements"). If the reports reflect a shortfall in compliance with the requirements of Sections 8.08, 10.02 and 10.03, then there must also be included a written plan from Developer acceptable to DPD to address and cure such shortfall.

3.08 Inspecting Agent or Architect. An independent agent or architect, if any (other than Developer's architect), will also act as the inspecting agent or architect for DPD for the Project, and any fees and expenses connected with its work or incurred by such independent agent or architect will be solely for Developer's account and will be promptly paid by Developer. The inspecting agent or architect shall perform periodic inspections with respect to the Project,

providing certifications with respect thereto to DPD, prior to requests for disbursement for costs related to the Project.

3.09 Barricades. Prior to commencing any construction requiring barricades, Developer will install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable Federal, State or City laws, ordinances, rules and regulations. DPD retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content, and design of all barricades (other than the name and logo of Developer or the Project).

3.10 Signs and Public Relations. If requested by DPD, Developer will erect in a conspicuous location on the Property during the Project a sign of size and style approved by the City, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and any other pertinent information regarding Developer and the Project in the City's promotional literature and communications.

3.11 Reserved.

3.12 Reserved.

3.13 Accessibility for Disabled Persons. Developer acknowledges that it is in the public interest to design, construct and maintain the Project in a manner which promotes, enables, and maximizes universal access throughout the Project. Plans for all buildings on the Property and improvements on the Property will be reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

ARTICLE FOUR: FINANCING

4.01 (a) Total Project Cost and Sources of Funds. The total cost of the Project is estimated to be approximately $8,142,176 to be applied in the manner set forth in the Project Budget.

Lender Financing/City Note Net Proceeds (to be deposited into Construction Escrow)	$ 6,396,899.00*
Equity (Property sale proceeds; subject to Section 4.06)	$ 745,277.00
City Funds – Construction Phase Assistance (to be deposited into Construction Escrow)	$ 1,000,000.00
ESTIMATED TOTAL	$ 8,142,176.00

*Note: Developer reserves the right to use Lender Financing to initially pay for all or any portion of the Project costs, and Developer shall not be required to deposit Lender Financing proceeds into the Construction Escrow.

(b) Note Issuance Costs; Debt Service Reserve Fund; and Source of Funds. The total Note Issuance Costs and Debt Service Reserve Fund are estimated to be $1,003,101

Such costs shall be funded from the proceeds of the sale of the City Note in accordance with Section 4.04.

4.02 Developer Funds. Equity, Lender Financing and City Funds shall be used to pay all Project costs, including but not limited to Redevelopment Project Costs and costs of TIF-Funded Improvements.

4.03 City Funds.

(a) Uses of City Funds. City Funds may only be used to reimburse the Developer for costs of the Acquisition and of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit E sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b) and 4.03(d)), contingent upon receipt by the City of documentation in form and substance satisfactory to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost. The foregoing notwithstanding, DPD may consent to transfers of costs and expenses from one line item to another. Developer will submit a Requisition Form in the form of Exhibit N (the "Requisition Form") to request payment of City Funds from the Construction Escrow. The Developer shall submit the Requisition Form for the initial payment request no later than 45 days prior to Closing.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide City funds from the sources and in the amounts described directly below (the "City Funds") to pay for or reimburse the Developer for the costs of the TIF-Funded Improvements, in the manner described herein:

Source of City Funds	Maximum Amount
(Construction Phase Assistance, City Note, Note Issuance Costs and Reserve Account)	$8,400,000

The City hereby agrees to issue the City Note to Developer on the Closing Date. The principal amount of the City Note shall be in an amount equal to $7,400,000; provided, however, that payments under the City Note are subject to the amount of Incremental Taxes deposited into the applicable TIF Fund being sufficient for such payments; and further provided, however, that the City has received written acknowledgement from the Phase IB Noteholder of its understanding and acceptance of the City Note structure related to this Project, as set forth in Exhibit G. If the amount of Incremental Taxes is insufficient to make any anticipated payment of City Funds, then: (1) the City will not be in default under this Agreement, and (2) unpaid payments (or portions thereof) will be paid as provided in this Section 4.03 as promptly as funds become available for their payment.

(c) Construction Phase Assistance. Up to $1,000,000 in City Funds (the "Construction Phase Assistance") will be paid to Developer on the Closing Date as follows: $500,000 in existing Incremental Taxes from the North Pullman TIF Special Tax Allocation Fund and $500,000 in existing Incremental Taxes from the Roseland/Michigan TIF Special Tax Allocation Fund, subject to City certification of sufficient costs related to TIF-Funded Improvements incurred by the Developer related to the Project.

(d) The City Funds will be reduced on a dollar-for-dollar basis if the final Project cost (as evidenced by the final owner's sworn statement for the Project submitted pursuant to Section 7.01) is less than $8,142,176. Any such reduction in the City Note shall occur through the operation of the redemption provisions set forth in the City Note.

(e) The Developer acknowledges and agrees that the City's obligation to pay Construction Phase Assistance, up to a maximum of $1,000,000, is contingent upon the fulfillment of the conditions set forth above in this Section 4.03 and upon satisfaction of all applicable terms and conditions of this Agreement, including without limitation, compliance with the covenants in Section 8 (Covenants/Representations/ Warranties of the Developer). In the event that such conditions are not fulfilled, the amount of Equity to be contributed pursuant to Section 4.01 hereof shall be increased, as necessary, to complete the Project.

(f) Construction Escrow. On the Closing Date, Developer will enter into the Escrow Agreement with the City and the Title Company, substantially in the form of Exhibit H-1, creating the "Construction Escrow." The Construction Phase Assistance paid to Developer on the Closing Date and the City Note Net Proceeds will each be deposited into the Construction Escrow. Funds on deposit in the Construction Escrow will be used to pay for or reimburse Developer for the costs of TIF-Funded Improvements associated with the Project; provided, however, that the City Note Net Proceeds shall be disbursed prior to the Construction Phase Assistance. Disbursements of funds from the Construction Escrow shall be made through the funding of draw requests upon the approval of a Requisition Form submitted by Developer under the terms of the Escrow Agreement and this Agreement. In the event of any conflict between the terms of this Agreement and the terms of the Escrow Agreement concerning the Project (including the dispersal of funds for the Project through the Escrow), the terms of this Agreement shall control. All costs associated with the Construction Escrow shall be the responsibility of the Developer.

(g) Reserve Escrow. Upon the sale of the City Note, the City and Developer will deposit or cause to be deposited not to exceed 10% of the par amount of the City Note into an escrow account (the "Reserve Escrow") held by a financial institution selected by the Developer and acceptable to the City (the "Bank Trustee"). The Reserve Escrow will be available to cure payment shortfalls in the event there are insufficient Available Incremental Taxes to make any scheduled payment for the City Note. Funds shall be held in the Reserve Escrow until the City Note has been paid in full or at maturity according to its terms and shall be applied to the final payment of the City Note. The Developer shall provide the Reserve Escrow agreement to the City for review and approval. All costs associated with the Reserve Escrow shall be the responsibility of the Developer.

The City shall enter into the Reserve Escrow with a financial institution selected by Developer and acceptable to the City under which there shall be created a Debt Service Reserve Fund (as defined in such agreement). There shall be deposited into the Debt Service Reserve Fund proceeds from the sale of the City Note in an amount necessary to fund any required reserve for the City Note in an amount not in excess of 10% of the principal amount of the City Note. Amounts on deposit in the Reserve Escrow shall be available to pay debt service owed on the City Note in the event there are insufficient

Available Incremental Taxes to pay such debt service and shall be replenished upon receipt of Available Incremental Taxes after payment of debt service owed on City Note.

4.04 Issuance of the City Note. On the Closing Date, the City will issue the City Note to the Developer with the following terms and conditions:

(a) Principal. The Developer expects to sell the City Note to an investor in a transaction on the Note Sale Date for targeted City Note Net Proceeds, up to $6,453,329. The City Note Net Proceeds shall be deposited in the Construction Escrow.

(b) City Note Interest Rate. When issued, the annual interest rate for the City Note will be equal to the median value of the Baa (municipal market data) G.O. Bond rate (20 year) as published by Thompson-Reuters Municipal Market Data ("MMD") for 15 business days prior to the date of issuance of the City Note plus 250 basis points, but in no event exceeding six and one-eighth percent (6.125%).

(c) Term. The City Note will have the same maturity date as the current termination date of the North Pullman Redevelopment Area, with no future extension of the term allowed.

(d) Payments of Principal and Interest.

(i) Interest on the City Note will begin to accrue at the date of issuance. Amortization of principal will be over the term of the City Note. Upon issuance, the City will issue an amortization schedule for the City Note and make payments annually on March 1st of each year, beginning in 2017.

(ii) Except as may be otherwise provided in this Agreement, Available Incremental Taxes only will be used to pay the principal of and interest on the City Note and on unpaid interest, if any. In the ordinance authorizing the issuance of the City Note, the City established an account denominated the: "Chicago Neighborhood Initiatives, Inc. (Whole Foods Warehouse and Distribution Facility) Debt Service Account" within the North Pullman Redevelopment Project Area Special Tax Allocation Fund (the "CNI Debt Service Account"). All Available Incremental Taxes will be deposited into the CNI Debt Service Account and payments of principal and interest on the City Note will be made therefrom, first to interest due under the City Note; next to scheduled principal payments on the City Note.

(iii) After the principal and interest on the City Note have been paid in full or the term of the City Note has expired, and the City Note has been canceled according to its terms, then the CNI Debt Service Account will be closed and all subsequent Available Incremental Taxes will be deposited by the City in the North Pullman Redevelopment Project Area Special Tax Allocation Fund.

(iv) If the amount of Available Incremental Taxes pledged under this Agreement is insufficient to make any scheduled payment on the City Note, then: (A) the City will not be in default under this Agreement or the City Note, provided that, to the extent available, the City shall draw on the Reserve Escrow to make up any shortfall, and (B) due but unpaid scheduled payments (or portions thereof) on the City Note will be paid as provided in this Section 4.04 and, if necessary, the Reserve Escrow will be replenished, promptly as funds become available for their payment. Interest per annum

at the rate set when the City Note is issued will accrue on any principal or interest payments which are unpaid because of insufficient Available Incremental Taxes.

(v) Prepayment of the City Note by the City. The City may prepay the City Note in whole or in part at any time without premium or penalty, subject to the following conditions:

(A) City Note Lock-Out Period. The City will not prepay the City Note for a 5-year (60 month) period beginning with the first whole month after the date of issuance of the City Note, (the "Lock-Out Period"), unless the Lock-Out Period restriction is formally waived by the City Note registered holder(s) and except from any unexpended proceeds in the Construction Escrow as described in the City Note.

(B) City May Prepay. Upon expiration or formal waiver of the Lock-Out Period, the City may prepay the then current balance of the City Note without any restrictions or conditions, together with any accrued interest.

(vi) Sale or Transfer of the City Note. After the issuance, the City Note may be sold or assigned in accordance with the provisions of Section 18.28 and the City Note.

(vii) No Cessation of City Note Payments. Notwithstanding anything to the contrary contained in this Agreement, after a Qualified Transfer, if an Event of Default occurs, the City will, notwithstanding such Event of Default, continue to make payments with respect to the City Note.

(viii) [Intentionally omitted]

(ix) The City Note shall have a parity first lien with the Phase IB Note (subject to the City's receipt of the written acknowledgment from the Phase IB Noteholder referenced in Section 4.03(b) of this Agreement) on the Available Incremental Taxes attributable to the Property and area-wide from the North Pullman Redevelopment Area. The City Note shall have a first lien on the Available Incremental Taxes attributable to the Roseland/Michigan Redevelopment Area.

4.05 Treatment of Prior Expenditures/Administration Fee.

(a) Prior Expenditures. Only those expenditures made by Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, will be considered previously contributed Equity or Lender Financing, if any, hereunder (the "Prior Expenditure(s)"). Prior Expenditures made for items other than TIF-Funded Improvements will not be reimbursed to Developer but will reduce the amount of Equity and/or Lender Financing, if any, required to be contributed by Developer under Section 4.01.

(b) TIF District Administration Fee. The City may annually allocate an amount not to exceed five (5%) of the Incremental Taxes, exclusive of Incremental Taxes attributable to the Property, (the "City Fee") for payment of costs incurred by the City for the administration and monitoring of the North Pullman Redevelopment Area and the Roseland/Michigan Redevelopment Area, including the Project. The foregoing fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and, to the extent Incremental

Taxes are disbursed to the Developer, the City shall have the right to receive the City Fee only after payment to Developer of such Incremental Taxes.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available under Section 4.03, the City will not be responsible for such excess costs, and the Developer will hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and from any and all costs and expenses of completing the Project in excess of the Project Budget.

4.07 Conditional Grant. The $1,000,000 of Construction Phase Assistance being provided hereunder is being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement.

4.08 Preconditions of Disbursement and Certification of Expenditure. Prior to each disbursement City Funds from the Escrow Account and Certification of Expenditure hereunder, Developer shall submit a Requisition Form, along with documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Disbursements shall occur on a monthly basis. Delivery by Developer to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the representations and warranties contained in this Agreement are true and correct and Developer is in compliance with all covenants contained herein (including but not limited to Sections 8.08, 10.02 and 10.03 hereof);

(b) Developer has received no notice and has no knowledge of any lien or claim of lien either filed or threatened against the Property or the Project except for the Permitted Liens;

(c) no Event of Default or condition or event which, with the giving of notice or passage time or both, would constitute an Event of Default exists or has occurred; and

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including not limited to the requirements set forth in the TIF Ordinances and this Agreement.

4.09 Retainage. Ten (10%) of the City Funds will not be disbursed from the Escrow Account until the City issues the Certificate of Completion to the Developer, which retainage is partial security for satisfaction of the requirements in Sections 8.08 (Prevailing Wage), 10.02 (City Resident Construction Worker Employment Requirement) and 10.03 (Developer's MBE/WBE Commitment), and for satisfaction of Sections 4.03(d) and 7.01(b) (final certification of Project costs).

4.10 [Intentionally omitted]

(b) Prior to the Closing Date, Developer will deliver to DPD a copy of the construction escrow agreement, if any, entered into by Developer regarding Developer's Lender Financing, if any. 5.06 Evidence of Clear Title. Not less than 5 Business Days prior to the Closing Date, Developer, at its own expense, will have provided the City with current searches under Developer's name as follows:

(a) On the Closing Date, Developer will furnish the City with an opinion of counsel, substantially in the form of Exhibit J, with such changes as may be required by or acceptable to Corporation Counsel. If Developer has engaged special counsel in connection with the Project, and such special counsel is unwilling or unable to give some of the opinions stated in Exhibit J, such opinions shall be obtained by Developer from its general corporate counsel.

(b) On the Closing Date, the City has received from [_____], special counsel, an opinion regarding the tax-exempt status and enforceability of the City Note, in form and substance acceptable to Corporation Counsel.

Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer and any other parties required by this Section 5.14 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

5.15 Litigation. Developer has provided to Corporation Counsel and DPD in writing, a description of all pending or threatened litigation or administrative proceedings: (a) involving Developer's property located in the City, (b) that Developer is otherwise required to publicly disclose or that may affect the ability of Developer to perform its duties and obligations under this Agreement, or (c) involving the City or involving the payment of franchise, income, sales or other taxes by such party to the State of Illinois or the City. ARTICLE SIX: AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors.

(a) DPD acknowledges that Developer may act as general contractor for all or a portion of the Project. To the extent Developer elects to engage a third party to provide general contractor or construction oversight services, the Developer's selection of such third party shall be subject to the City's approval (the "General Contractor"). Developer must solicit, or must cause the General Contractor to solicit, bids from qualified contractors eligible to do business with the City.

(b) For the TIF-Funded Improvements related to hard costs and soft costs, Developer must select or cause the General Contractor to select the subcontractor submitting the lowest responsible and responsive bid who can complete the Project (or phase thereof) in a timely and good and workmanlike manner; provided, however, that Developer may consider a bidder's ability to meet the unique challenges of the Project in evaluating the "lowest responsible and responsive bid" rather than the lowest bid. If the General Contractor selects any subcontractor submitting other than the lowest responsible and responsive bid for the TIF-Funded Improvements, the difference between the lowest responsible and responsive bid and the bid selected may not be paid out of City Funds.

(c) Developer must submit copies of the Construction Contract to DPD as required under Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements related to hard costs and soft costs must be provided to DPD within 20 Business Days of the execution thereof. Developer must ensure that the General Contractor will not (and must cause the General Contractor to ensure that the subcontractors will not) begin work on the Project (or any phase thereof) until the applicable Plans and Specifications for that phase have been approved by DPD and all requisite permits have been obtained.

6.02 Construction Contract. Prior to the execution thereof, Developer must deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to work on the TIF-Funded Improvements under Section 6.01 above, for DPD's prior written approval. Within 10 Business Days after execution of such contract by Developer, the General Contractor and any other parties thereto, Developer must deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 Performance and Payment Bonds. Prior to commencement of construction of any work in the public way, if any, Developer will require that the General Contractor and any applicable subcontractor(s) be bonded (as to such work in the public way) for their respective payment and performance by sureties having an AA rating or better using the form of payment and performance bond form attached as Exhibit L. The City will be named as obligee or co-obligee on such bond.

6.04 Employment Opportunity. Developer will contractually obligate and cause the General Contractor to agree and contractually obligate each subcontractor to agree to the provisions of Article Ten. The Parties acknowledge that the contracting, hiring and testing requirements for the MBE/WBE and City Residency obligations in Article Ten are applied by the City's monitoring staff on an aggregate basis, and that it shall not be an event of default under this Agreement, nor shall the payment of the City resident hiring shortfall amount be required, if the Developer or, as applicable, the General Contractor do not impose such obligations on each

subcontractor, or if any one subcontractor does not satisfy such obligations, so long as such obligations are satisfied on an aggregate basis.

6.05 Other Provisions. In addition to the requirements of this Article Six, the Construction Contract and each contract with any subcontractor working on the Project must contain provisions required under Section 3.04 (Change Orders), Section 8.08 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Construction Worker Employment Requirement), Section 10.03 (Developer's MBE/WBE Commitment), Article Twelve (Insurance) and Section 14.01 (Books and Records).

ARTICLE SEVEN: COMPLETION OF CONSTRUCTION

7.01 Certificate of Completion of Construction. DPD will issue to Developer a certificate of completion of construction in recordable form (the "Certificate of Completion") certifying that Developer has fulfilled its obligation to complete the Project pursuant to Section 8.02 hereof upon completion of the construction of the Project in compliance with the terms and conditions of this Agreement, and upon Developer's written request, including:

(a) a final owner's sworn statement for the Project;

(b) evidence that the Total Project Cost is equal to, or in excess of, $8,142,176;

(c) evidence that the Developer has incurred TIF-eligible costs in an equal amount to, or greater than, the total maximum amount of $8,400,000;

(d) evidence that the Developer has acquired the Property and conveyed it to the Vertical Developer (or its designee);

(e) evidence that Whole Foods has entered into a lease with the Vertical Developer (or its designee) and the Vertical Developer (or its designee) has accepted the Property; and

DPD will respond to Developer's written request for a Certificate of Completion within 45 days by issuing either a Certificate of Completion or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed and the measures which must be taken by Developer in order to obtain the Certificate of Completion. Developer may resubmit a written request for a Certificate of Completion upon completion of such measures, and the City will respond within 45 days in the same way as the procedure for the initial request. Such process may repeat until the City issues a Certificate of Completion.

7.02 Effect of Issuance of Certificate of Completion; Continuing Obligations.

(a) The Certificate of Completion relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate of Completion, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate of Completion must not be construed as a waiver by the City of any of its rights and remedies under such executory terms.

(b) Those covenants specifically described at Section 8.02 as covenants that run with the land comprising the Property are the only covenants in this Agreement intended to be binding throughout the Term of the Agreement upon any transferee of the Developer holding title to the Property or any portion thereof, regardless of whether or to what extent that owner is also an assignee of Developer as described in this paragraph and regardless of whether or not a Certificate of Completion has been issued. Unless a Certificate of Completion has been issued, those covenants specifically described at Section 8.02 (Covenant to Redevelop) as covenants that run with the land comprising the Property are the only other covenants in this Agreement intended to be binding throughout the Term of the Agreement upon any transferee of the Developer holding title to the Property or any portion thereof, regardless of whether or to what extent that owner is also an assignee of Developer as described in this paragraph.

7.03 Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies, subject to the opinion of special counsel that such rights and remedies will not jeopardize the tax-exempt status of the City Note:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed under this Agreement other than principal and interest due under the City Note;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds;

(c) the right to seek reimbursement of the Construction Phase Assistance; and

(d) the right to redeem the City Note from amounts on deposit in the City Note Proceeds Subaccount of the Construction Escrow.

7.04 Notice of Expiration or Termination. Upon the expiration of the Term of the Agreement, DPD will provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

ARTICLE EIGHT: REPRESENTATIONS, WARRANTIES AND COVENANTS OF DEVELOPER.

8.01 General. Developer represents, warrants, and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(a) Developer is an Illinois not-for-profit corporation, duly organized, validly existing, qualified to do business in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by Developer of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate its

Articles of Incorporation as amended and supplemented, its bylaws, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which Developer is now a party or by which Developer or any of its assets is now or may become bound;

(d) Developer has acquired an easement to the Property (and improvements located thereon) free and clear of all liens (except for the Permitted Liens or Lender Financing, if any, as disclosed in the Project Budget, and those liens otherwise bonded or insured over in accordance with the terms of this Agreement).

(e) Developer is now, and for the Term of the Agreement, will remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending or, to Developer's actual knowledge threatened or affecting Developer which would impair its ability to perform under this Agreement;

(g) Developer has and will maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to construct and complete the Project;

(h) Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer or any of its assets is bound beyond applicable notice and cure periods;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of Developer; and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of Developer since the date of Developer's most recent Financial Statements;

(j) prior to the issuance of a Certificate of Completion, if it would adversely affect Developer's ability to perform its obligations under this Agreement, Developer will not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose (directly or indirectly) of all or substantially all of its assets or any portion of the Property or the Project (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business, and except with respect to the sale of the Property to the Vertical Developer; (3) enter into any transaction outside the ordinary course of Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity to the extent that such action would have an adverse effect on Developer's ability to perform its obligations under this Agreement; or (5) enter into any transaction that would cause a material and detrimental change to Developer's financial condition.

(k) Developer has not incurred and, prior to the issuance of a Certificate of Completion, will not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Property other than the Permitted Liens; or incur any indebtedness secured or to be secured by the Property or the Project or any fixtures now or hereafter attached thereto;

(l) Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or under City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code of the City, as amended; and

(m) neither Developer nor any Affiliate thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons Lists, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

(n) Developer understands that (i) the City Funds are limited obligations of the City, payable solely from moneys on deposit in the TIF Fund; (ii) the City Funds do not constitute indebtedness of the City within the meaning of any constitutional or statutory provision or limitation; (iii) Developer will have no right to compel the exercise of any taxing power of the City for payment of the City Funds; and (iv) the City Funds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the City, the State of Illinois or any political subdivision thereof;

(o) Developer has sufficient knowledge and experience in financial and business matters, including municipal projects and revenues of the kind represented by the City Funds, and has been supplied with access to information to be able to evaluate the risks associated with the receipt of City Funds;

(p) Developer understands that there is no assurance as to the amount or timing of receipt of City Funds, and that the amounts of City Funds actually received by such party may be less than the maximum amounts set forth in Section 4.03(b);

(q) Developer understands it may not sell, assign, pledge or otherwise transfer its interest in this Agreement or City Funds in whole or in part except in accordance with the terms of Section 18.15 and Section 18.28 of this Agreement, and, to the fullest extent permitted by law, agrees to indemnify the City for any losses, claims, damages or expenses relating to or based upon any sale, assignment, pledge or transfer of City Funds in violation of this Agreement; and

(r) Developer acknowledges that with respect to City Funds, the City has no obligation to provide any continuing disclosure to the Electronic Municipal Market Access System maintained by the Municipal Securities Rulemaking Board, to any holder of a note relating to City Funds or any other person under Rule 15c2-12 of the Commission promulgated under the Securities Exchange Act of 1934 or otherwise, and shall have no liability with respect thereto.

8.02 Covenant to Redevelop. Upon DPD's approval of the Scope Drawings and Plans and Specifications, and the Project Budget as provided in Sections 3.02 and 3.03, and Developer's receipt of all required building permits and governmental approvals, Developer will redevelop the Property and the Project in compliance with this Agreement and all exhibits attached hereto, the TIF Ordinances, the Scope Drawings, the Plans and Specifications, the Project Budget and all amendments thereto, and all Federal, State and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Property, the Project and/or Developer. The covenants set forth in this Section 8.02 will run with the land comprising the Property (as defined herein) and will be binding upon any transferee, until fulfilled as evidenced by the issuance of a Certificate of Completion.

8.03 Redevelopment Plan. Developer represents that the Project is and will be in compliance with all applicable terms of the Redevelopment Plan, as in effect on the date of this Agreement.

8.04 Use of City Funds. City Funds disbursed to Developer will be used by Developer solely to reimburse Developer for its payment for the TIF-Funded Improvements as provided in this Agreement.

8.05 Other Bonds. At the request of the City, Developer will agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole and absolute discretion) any Bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with or provided a source of funds for the payment for the TIF-Funded Improvements (the "Bonds"); provided, however, that any such amendments will not have a material adverse effect on Developer or the Project. Developer will, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition (but not including proprietary sales and operating information), and assisting the City in its preparation of an offering statement with respect thereto. Developer will not have any liability with respect to any disclosures made in connection with any such issuance that are actionable under applicable securities laws unless such disclosures are based on factual information provided by Developer that is determined to be false and misleading.

8.06 Employment Opportunity.

(a) Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to contractually obligate, and, as applicable, to cause the General Contractor to contractually obligate, each subcontractor to abide by the terms set forth in Section 8.08 (Prevailing Wage) and Article Ten (Developer's Employment Obligations). Developer will submit a plan to DPD describing its compliance program prior to the Closing Date.

(b) Developer will deliver to the City written quarterly progress reports detailing compliance with the requirements of Sections 8.08, (Prevailing Wage) 10.02 (City Resident Construction Worker Employment Requirement) and 10.03 (Developer's MBE/WBE Commitment) of this Agreement. If any such reports indicate a shortfall in compliance, Developer will also deliver a plan to DPD which will outline, to DPD's satisfaction, the manner in which Developer will correct any shortfall.

8.07 Employment Profile. Developer will submit, and contractually obligate and cause the General Contractor to submit and contractually obligate any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.08 Prevailing Wage. Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor to pay and to contractually cause each subcontractor to pay, the prevailing wage rate as ascertained by the State Department of Labor (the "Labor Department"), to all of their respective employees working on constructing the Project or otherwise completing the TIF-Funded Improvements. All such contracts will list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed under such contract, or alternatively Developer will provide applicable schedules evidencing wage rates paid. If the Labor Department revises such prevailing wage rates, the revised rates will apply to all such contracts. Upon the City's request, Developer will provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.08.

8.09 Arms-Length Transactions. Unless DPD shall have given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer will provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to an Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.10 Financial Statements. Developer will obtain and provide to DPD Financial Statements for 2014 and 2015, if available, and each year thereafter for the Term of the Agreement.

8.11 Insurance. Solely at its own expense, Developer will comply with all applicable provisions of Article Twelve (Insurance) hereof.

8.12 Non-Governmental Charges.

(a) Payment of Non-Governmental Charges. Except for the Permitted Liens, and subject to subsection (b) below, Developer agrees to pay or cause to be paid when due any Non-Governmental Charges assessed or imposed upon the Property or the Project or the or any fixtures that are or may become attached thereto and which are owned by Developer, which creates, may create, or appears to create a lien upon all or any portion of the Property; provided however, that if such Non-Governmental Charges may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer will furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other evidence satisfactory to DPD, evidencing payment of the Non-Governmental Charges in question.

(b) Right to Contest. Developer will have the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charges by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charges, prevent the imposition of a lien or remove such lien, or prevent the transfer or forfeiture of the Property (so long as no such contest or objection

shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charges at the time and in the manner provided in this Section 8.12); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD will require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such transfer or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charges and all interest and penalties upon the adverse determination of such contest.

8.13 Developer's Liabilities. Developer will not enter into any transaction that would materially and adversely affect its ability to: (i) perform its obligations under this Agreement or (ii) repay any material liabilities or perform any material obligations of Developer to any other person or entity. Developer will immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or under any other documents and agreements.

8.14 Compliance with Laws.

(a) Representation. To Developer's knowledge, after diligent inquiry, the Property and the Project are in compliance with all applicable Federal, State and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Property and the Project. Upon the City's request, Developer will provide evidence reasonably satisfactory to the City of such current compliance.

(b) Covenant. Developer covenants that the Property and the Project will be operated and managed in compliance with all applicable Federal, State and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Property or the Project, including the following Municipal Code Sections: 7-28-390, 7-28-440, 11-4-1410, 11-4-1420, 11-4-1450, 11-4-1500, 11-4-1530, 11-4-1550 or 11-4-1560, whether or not in performance of this Agreement. Upon the City's request, Developer will provide evidence to the City of its compliance with this covenant.

8.15 Recording and Filing. Developer will cause this Agreement, certain exhibits (as specified by Corporation Counsel) and all amendments and supplements hereto to be recorded and filed on the date hereof in the conveyance and real property records of Cook County, Illinois against the Property. Such recordings shall be recorded prior to any mortgage made in connection with Lender Financing, if any. Developer will pay all fees and charges incurred in connection with any such recording. Upon recording, Developer will immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.16 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Subject to subsection (ii) below, Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer or all or any portion of the Property or the Project, provided,

however, that this section shall not impose on Developer any obligation to be personally liable on any tax that does not generally impose personal liability (except that the City's rights and remedies attributable to the Construction Phase Assistance shall not be affected). "Governmental Charge" means all Federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances relating to Developer, the Property or the Project, including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or transfer or forfeiture of the Property or the Project. No such contest or objection will be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option:

(x) Developer will demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge will conclusively operate to prevent or remove a lien against, or the sale or transfer or forfeiture of, all or any part of the Property or the Project to satisfy such Governmental Charge prior to final determination of such proceedings, and/or;

(y) Developer will furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD may require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or transfer or forfeiture of the Property or the Project during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay or contest any Governmental Charge or to obtain discharge of the same, Developer will advise DPD thereof in writing, at which time DPD may, but will not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, will be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph must not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

This Agreement will be recorded by Developer against the Property as a memorandum thereof, at Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions will be binding upon any owner of the Property, from and after the date hereof, provided however, that the covenants will be released upon the earlier of when the

North Pullman Redevelopment Area is no longer in effect, or upon expiration of the Term of Agreement. Developer agrees that any sale, transfer, lease, conveyance, or transfer of title to all or any portion of the Property or the Project from and after the date hereof shall be made explicitly subject to such covenants and restrictions.

8.17 Annual Reports. (a) [Developer], through the Job Creation Period, shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

(b) Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, Developer shall cause to be submitted to DPD each calendar year an Annual Report of Incremental Taxes not later than February 1st of the subsequent calendar year. Failure by the Developer to submit the Annual Report of Incremental Taxes before February 15th of a relevant year shall constitute an Event of Default under Section 15.01 hereof, without notice or opportunity to cure pursuant to Section 15.03 hereof. If the Developer defaults in submitting the Annual Report of Incremental Taxes in any year, the City may engage its own financial consultant to prepare the report and the cost thereof shall be reimbursed to the City from City Funds to the extent available for payments on the City Note.

8.18 Reserved.

8.19 Broker's Fees. Developer has no liability or obligation to pay any fees or commissions to any broker, finder, or agent with respect to any of the transactions contemplated by this Agreement for which the City could become liable or obligated.

8.20 No Conflict of Interest. Under Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City, (a "City Group Member") owns or controls, has owned or controlled or will own or control any interest, and no such City Group Member will represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer, the Property, the Property, the Project, or to Developer's actual knowledge, any other property in the Redevelopment Area.

8.21 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other feature of the Project.

8.22 No Business Relationship with City Elected Officials. Developer acknowledges receipt of a copy of Section 2-156-030(b) of the Municipal Code and that Developer has read and understands such provision. Under Section 2-156-030(b) of the Municipal Code of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a "Business Relationship" (as defined in Section 2-156-080(b)(2) of the Municipal Code), or to participate in any discussion of any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship. Violation of Section 2-156-030(b) by any elected official, or any person acting at the direction of such official, with respect to this Agreement, or in connection with the transactions contemplated thereby, will be grounds for termination of this Agreement and the transactions contemplated thereby. Developer hereby represents and warrants that, to the best of its knowledge after due

inquiry, no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated thereby.

8.23 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.24 Prohibition on Certain Contributions – Mayoral Executive Order No. 2011-4. Neither Developer or any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5% ("Owners"), spouses and domestic partners of such Owners, Developer's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5% ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee during: (i) the bid or other solicitation process for this Agreement or Other Agreement, including while this Agreement or Other Agreement is executory, (ii) the term of this Agreement or any Other Agreement between City and Developer, and/or (iii) any period in which an extension of this Agreement or Other Agreement with the City is being sought or negotiated.

Developer represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Agreement for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any

Other Agreement, at law and in equity. This provision amends any Other Agreement and supersedes any inconsistent provision contained therein.

If applicable, if Developer violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Agreement resulting from this specification, then DPD may reject Developer's bid.

For purposes of this provision:

"Other Agreement" means any agreement entered into between the Developer and the City that is (i) formed under the authority of MCC Ch. 2-92; (ii) for the purchase, sale or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved and/or authorized by the City Council.

"Contribution" means a "political contribution" as defined in MCC Ch. 2-156, as amended.

"Political fundraising committee" means a "political fundraising committee" as defined in MCC Ch. 2-156, as amended.

8.25 Shakman Accord.

(a) The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(c) Developer will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Developer by a City employee or City official in violation of paragraph (b) above, or advocating a violation of paragraph (c) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the Commissioner of DPD. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

8.26 FOIA and Local Records Act Compliance.

(a) FOIA. Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in the FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Developer receives a request from the City to produce records within the scope of FOIA, that would be otherwise required under this Agreement then Developer covenants to comply with such request within two (2) Business Days of the date of such request. Failure by Developer to timely comply with such request will be a breach of this Agreement.

(b) Exempt Information. Documents that Developer submits to the City under Section 8.20, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

8.27 Employment Plan. The Developer must meet with the Workforce Solutions Unit of DPD to discuss the Project and to formulate an Employment Plan for the Project. In addition, the Developer shall provide in its purchase and sale agreement with the Vertical Developer, a requirement that the Vertical Developer will require through its lease that any subsequent tenant on the Property meet with Workforce Solutions to prepare an Employment Plan.

8.28 Continuing Information Agreement. The Developer covenants and agrees as follows:

(a) For each tax collection year following the date the Certificate is issued pursuant to Section 7.01 hereof, the Developer shall engage a recognized financial consultant to prepare an annual continuing information report (the "Consultant's Report") that sets forth as of its date the following information:

(i) a description of the Redevelopment Area, including all redevelopment agreements relating to the Redevelopment Area;

(ii) a description of the Project;

(iii) a status update of the Project, including information on construction, occupancy, leasing or sales, as applicable;

(iv) a listing of the top ten taxpayers in the Redevelopment Area; and

(v) for the property within the Redevelopment Area from which incremental taxes will be used to pay the City Note(s), by tax codes or PINs, as applicable, for the last five collection years:

(A) the equalized assessed value;

(B) the initial equalized assessed value;

(C) the incremental equalized assessed value;

(D) the composite tax rates;

(E) the available incremental taxes;

(F) the debt service of the City Note(s); and

(G) the debt service coverage ratio.

(b) The Consultant's Report shall be signed by the consultant and available to the Developer no later than February 1 following each tax collection year. If the Developer fails to obtain the Consultant's report by the date required, DPD may engage its own financial consultant to prepare the report and the cost thereof shall be reimbursed to the City from monies available in the TIF Fund.

(c) Each Consultant's Report shall include in a prominent place the following disclaimer:

"The City's Office of Budget and Management ("OBM") produces five year District Projection Reports for each TIF district in the City for the purpose of evaluating resources and project balances. This information is used by the OBM to determine how much funding has been committed and how much funding is available for potential projects. The reports and the projections including therein are not audited and do not represent a final accounting of funds. The reports are not prepared for investors or as a basis for making investment decisions with respect to any notes, bonds or other debt obligations of the City that are payable from Available Incremental Taxes. Investors in such obligations are cautioned not to rely on any of the information contained in the District Projection Reports."

(d) If any Consultant's Report contains projections, the consultant shall consider the publicly available TIF-wide projections from the OBM and provide an explanation as to the discrepancy, if any, between the consultant's projections and those of OBM. In addition, the

consultant shall state in the Consultant's Report all assumptions used in formulating the projections.
(e) The Developer shall cause the following documents to be disseminated through the Electronic Municipal Market Access ("EMMA") system for municipal securities disclosure maintained by the Municipal Securities Rulemaking Board (the "MSRB") or through any other electronic format or system prescribed by the MSRB for purposes of Rule 15c2-12 under the Securities Exchange Act of 1934, as amended:

(i) Within five (5) days of the issuance of the Certificate:

(A) The Redevelopment Agreement, including the specimen of the City Note;

(B) The original feasibility study delivered to DPD; and

(C) On the date of the closing of any third party sale of the City Note or any beneficial interests therein by the Developer: the private placement or limited offering memorandum used by or on behalf of the Developer in connection with the sale.

(ii) By February 15 of each year:

(A) All redevelopment agreements with respect to the Redevelopment Area that have been made publicly available by DPD;

(B) Annual financial statements of the Redevelopment Area that have been made publicly available by DPD; and

(C) The Consultant's Report.

(f) The Developer shall deliver to DPD each of the documents set forth in subparagraph (e) above on the date such documents are disseminated through EMMA.

(g) The Developer shall be responsible to pay or make provision for all costs and expenses relating to Developer's obligations hereunder, including but not limited to the fees and expenses of the Consultant and the costs of filing with EMMA. In addition to and not in limitation of the other provisions of this Agreement, Developer agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses.

8.29 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Article Eight and elsewhere in this Agreement are true, accurate and complete at the time of Developer's execution of this Agreement, and will survive the execution, delivery and acceptance by the parties and (except as provided in Article Seven upon the issuance of a Certificate of Completion) will be in effect throughout the Term of the Agreement.

ARTICLE NINE: REPRESENTATIONS, WARRANTIES AND COVENANTS OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Article Nine or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

ARTICLE TEN: DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and will contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer on the Project (collectively, with Developer, such parties are defined herein as the "Employers", and individually defined herein as an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time-to-time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer will comply with all applicable Federal, State and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the State Human Rights Act, 775 ILCS 5/1-101 et. seq.

(2006 State Bar Edition), as amended, and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, will cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of Federal, State and municipal agencies.

(e) Each Employer will include the foregoing provisions of subparagraphs (a) through (d) in every construction contract entered into in connection with the Project, after the Closing Date, and will require inclusion of these provisions in every subcontract entered into by any subcontractors, after the Closing Date, and every agreement with any Affiliate operating on the Property or at the Project, after the Closing Date, so that each such provision will be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 will be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof, subject to the cure rights under Section 15.03.

10.02 City Resident Construction Worker Employment Requirement.

(a) Developer agrees for itself and its successors and assigns, and will contractually obligate its General Contractor and will cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they will comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project will be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor will be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions. Developer, the General Contractor and each subcontractor will use their respective best efforts to exceed the minimum percentage of hours stated above, and to employ neighborhood residents in connection with the Project.

(b) Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

(c) "Actual residents of the City" means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) Developer, the General Contractor and each subcontractor will provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer will maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) will be submitted to the Commissioner of DPD in triplicate, which will identify clearly the actual residence of every employee on each submitted certified payroll. The first time that

an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

(f) Upon 2 Business Days prior written notice, Developer, the General Contractor and each subcontractor will provide full access to their employment records related to the construction of the Project to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor will maintain all relevant personnel data and records related to the construction of the Project for a period of at least 3 years after final acceptance of the work constituting the Project.

(g) At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) will not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

(i) When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Article concerning the worker hours performed by actual residents of the City or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Article. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project Budget (the product of .0005 x such aggregate hard construction costs) (as the same will be evidenced by approved contract value for the actual contracts) will be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly will result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

(j) Nothing herein provided will be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

(k) Developer will cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project, entered into after the Closing Date.

10.03 Developer's MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements stated in this section, will

contractually obligate the General Contractor to agree that during the construction of the Project:

(a) Consistent with the findings which support, as applicable: (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program", and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as stated in Exhibit D-2) must be expended for contract participation by Minority-Owned Businesses ("MBEs") and by Women-Owned Businesses ("WBEs"):

(1) At least 26 percent by MBEs.
(2) At least six percent by WBEs.

(b) For purposes of this Section 10.03 only:

(i) Developer (and any party to whom a contract is let by Developer in connection with the Project) is deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) is deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of: (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In compliance with Section 2-92-730, Municipal Code of Chicago, Developer will not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer must deliver monthly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports will include, inter alia: the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation; the name and business address of each MBE or WBE actually involved in the Project; a description of the work performed or products or services supplied; the date and amount of such work, product or service; and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer will maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least 5 years after completion of the Project, and the City's monitoring staff will have access to all such records maintained by Developer, on 5 Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer is obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors are required to attend this pre-construction meeting. During said meeting, Developer will demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which will be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, will, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

ARTICLE ELEVEN: ENVIRONMENTAL MATTERS

11.01 Environmental Matters. Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws.

Without limiting any other provisions hereof, Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer: (i) the presence of any Hazardous Materials on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Materials from: (A) all or any portion of the Property, or (B) any other real property in which Developer, or any person directly or indirectly controlling, controlled by or under common control with Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Developer or any of its Affiliates under any Environmental Laws relating to the Property.

ARTICLE TWELVE: INSURANCE

12.01 Insurance Requirements. Developer's insurance requirements are stated in Schedule B which is hereby incorporated into this Agreement by reference and made a part of this Agreement.

ARTICLE THIRTEEN: INDEMNIFICATION

13.01 General Indemnity. Developer agrees to indemnify, pay and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages (arising out of a third party action against the City), penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever, (and including, without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees by a third party in any manner relating to or arising out of:

(i) Any cost overruns as described in Section 4.06; or

(ii) Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(iii) Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iv) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by Developer or its agents, employees, contractors or persons acting under the control or at the request of Developer or any affiliate of Developer; or

(v) Developer's failure to cure any misrepresentation in this Agreement or any other document or agreement relating hereto; or

(vi) any act or omission by Developer or any Affiliate of Developer;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer will contribute the maximum portion that it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 will survive the termination of this Agreement.

ARTICLE FOURTEEN: MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. Developer will keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual costs of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, will be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer's expense. Developer will not pay for salaries or fringe benefits of auditors or examiners. Developer must incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer with respect to the Project. The City shall provide three (3) Business Days' prior written notice to Developer in accordance with Section 17. The notice shall indicate the date and time of the inspection. All inspections shall be conducted between the hours of 9:00 a.m. and 5:00 p.m., Monday through Friday.

14.02 Inspection Rights. Upon three (3) Business Days' notice, any authorized representative of the City shall have access to all portions of the Property or the Project during normal business hours for the Term of the Agreement. The City shall provide three (3) Business Days' prior written notice to Developer in accordance with Section 17. The notice shall indicate the date and time of the inspection. All inspections shall be conducted between the hours 9:00 a.m. and 5:00 p.m., Monday through Friday.

ARTICLE FIFTEEN: DEFAULT AND REMEDIES

15.01 Events of Default. Subject to the terms of Section 15.04 below, the occurrence of any one or more of the following events, subject to the provisions of Section 15.03, will constitute an "Event of Default" by Developer hereunder:

(a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement;

(b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with any person or entity if such failure may have a material adverse effect on Developer's business, property (including the Property or the Project), assets (including the Property or the Project), operations or condition, financial or otherwise;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt by Developer to create, any lien or other encumbrance upon the Property or the Project, including any fixtures now or hereafter attached thereto, other than the Permitted Liens or any Permitted Mortgage, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against Developer or Developer's ultimate parent entity, if any, or for the liquidation or reorganization of Developer or Developer's ultimate parent entity, if any, or alleging that Developer or Developer's ultimate parent entity, if any, is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's or Developer's ultimate parent entity's, if any, debts, whether under the United States Bankruptcy Code or under any other state or Federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer or Developer's ultimate parent entity, if any; provided, however, that if such commencement of proceedings is involuntary, such action will not constitute an Event of Default unless such proceedings are not dismissed within 60 days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer or Developer's ultimate parent entity, if any, for any substantial part of Developer's or Developer's ultimate parent entity's, if any, assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer or Developer's ultimate parent entity, if any; provided, however, that if such appointment or commencement of proceedings is involuntary, such action will not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within 60 days after the commencement thereof;

(g) the entry of any judgment or order against Developer, not covered by insurance for an amount in excess of $1.0 million which remains unsatisfied or undischarged and in effect for 60 days after such entry without a stay of enforcement or execution;

(h) [reserved];

(i) the dissolution of Developer or Developer's ultimate parent entity, if any;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed within 30 days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor);

(k) [reserved]; or

(l) The failure of Developer, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer.

For purposes of Section 15.01(j), hereof, a natural person with a material interest in Developer is one owning in excess of seven and a half percent (7.5%) of Developer's or Developer's ultimate parent entity, if any, issued and outstanding ownership shares or interests. For purposes of Section 15.01, "ultimate parent entity" does not mean a person or entity that is a Member of Developer.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, may suspend disbursement of City Funds, and recover the Construction Phase Assistance, provided, however, that, notwithstanding any conflicting provision herein, upon issuance of the City Note, the City's obligation to make payments on the City Note shall be vested without defense to payment (other than insufficiency of Available Incremental Taxes), including as a result of an Event of Default hereunder, and the City's obligation to make payments on the City Note shall survive any termination of this Agreement. Subject to the foregoing, the City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein. To the extent permitted by law, the City may also lien the Property.

15.03 Curative Period.

(a) In the event Developer fails to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default will not be deemed to have occurred unless Developer or a Lender has failed to perform such monetary covenant within 10 days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant.

(b) In the event Developer fails to perform a non-monetary covenant which Developer is required to perform under this Agreement, an Event of Default will not be deemed to have occurred unless Developer or Lender has failed to cure such default within 30 days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such 30 day period, Developer will not be deemed to have committed an Event of Default under this Agreement if the Developer or a Lender has commenced to cure the alleged default within such 30 day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

15.04 Reserved.

ARTICLE SIXTEEN: MORTGAGING OF THE PROJECT

16.01 Mortgaging of the Project. Any and all mortgages or deeds of trust in place as of the date hereof with respect to the Property or Project or any portion thereof are listed on Exhibit I hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing, if any) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that Developer may hereafter elect to execute and record or execute and permit to be recorded against the Property or Project or any portion thereof without obtaining the prior written consent of the City is referred to herein as a "New Mortgage." Any mortgage or deed of trust that Developer may hereafter elect to execute and record or execute and permit to be recorded against the Property or Project or any portion thereof with the prior

written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and Developer as follows:

(a) If a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof by the exercise of remedies under a mortgage or deed of trust (other than an Existing Mortgage or a Permitted Mortgage) whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but will not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party will be entitled to no rights or benefits under this Agreement, but such party will be bound by those provisions of this Agreement that are covenants expressly running with the land comprising the Property (as defined herein).

(b) Notwithstanding any provision of this Agreement to the contrary, the exercise of the remedies of foreclosure of a mortgage or any sale of Developer's interest in the Property in connection with a foreclosure, whether by judicial proceedings or by virtue of any power of sale contained in the mortgage, or any conveyance of Developer's interest in the Property to the mortgagee or its nominee or designee by virtue of or in lieu of foreclosure or other appropriate proceedings, or any conveyance of Developer's interest in the Property by the mortgagee or its nominee or designee, or any other exercise of remedies under the documents evidencing Lender Financing shall not require the consent or approval of the City or constitute a breach of any provision of or a default under this Agreement.

(c) If any mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof by the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 hereof, then the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the executory obligations and liabilities of "Developer" hereunder. Notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party will have no liability under this Agreement for any Event of Default of Developer which occurred prior to the time such party succeeded to the interest of Developer under this Agreement, in which case Developer will be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party will be entitled to no rights and benefits under this Agreement, and such party will be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(d) Prior to the issuance by the City to Developer of a Certificate of Completion under Article Seven hereof, no New Mortgage will be executed with respect to the Property or the Project or any portion thereof without the prior written consent of the Commissioner of DPD. A feature of such consent will be that any New Mortgage will subordinate its mortgage lien to the covenants in favor of the City that run with the land. After the issuance of a Certificate of Completion, consent of the Commissioner of DPD is not required for any such New Mortgage.

(b) expressly state the particular document and section thereof relied on by Developer to request City or DPD approval;

(d) if applicable, state the outside date for the City's or DPD's response; and

(e) be supplemented by a delivery receipt or time/date stamped notice or other documentary evidence showing the date of delivery of Developer's request.

ARTICLE EIGHTEEN: ADDITIONAL PROVISIONS

18.01 Amendments. This Agreement and the Schedules and Exhibits attached hereto may not be modified or amended except by an agreement in writing signed by the parties; provided, however, that the City in its sole discretion, may amend, modify or supplement the Redevelopment Plan. For purposes of this Agreement, Developer is only obligated to comply with the Redevelopment Plan as in effect on the date of this Agreement. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by Developer by more than 90 days.

18.02 Complete Agreement, Construction, Modification. This Agreement, including any exhibits and the other agreements, documents and instruments referred to herein or contemplated hereby, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all previous negotiations, commitments and writings with respect to such subject matter. This Agreement and the Schedules and Exhibits attached hereto may not be contradicted by evidence of prior, contemporaneous, or subsequent verbal agreements of the parties. There are no unwritten verbal agreements between the parties.

18.03 Limitation of Liability. No member, elected or appointed official or employee or agent of the City shall be individually, collectively or personally liable to Developer or any successor in interest to Developer in the event of any default or breach by the City or for any amount which may become due to Developer or any successor in interest, from the City or on any obligation under the terms of this Agreement.

18.04 Further Assurances. Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement, and to accomplish the transactions contemplated in this Agreement.

18.05 Waivers. No party hereto will be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by such party. No delay or omission on the part of a party in exercising any right will operate as a waiver of such right or any other right unless pursuant to the specific terms hereof A waiver by a party of a provision of this Agreement will not prejudice or constitute a waiver of such party's right otherwise to

demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, will constitute a waiver of any of such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein must not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

(vi) Professional Liability

When any architects, engineers, construction managers or other professional consultants perform work in connection with this Agreement, Developer must cause such parties to maintain Professional Liability Insurance covering acts, errors, or omissions which shall be maintained with limits of not less than $1,000,000. Coverage must include contractual liability. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work performed in

connection with this Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of 2 years.

(vii) Valuable Papers Insurance

When any plans, designs, drawings, specifications and documents are produced or used under this Agreement by Developer's architects, contractors, sub-contractors, project managers and other parties constructing the Project, Developer will cause such parties to maintain Valuable Papers Insurance which must be maintained in an amount to insure against any loss whatsoever, and which must have limits sufficient to pay for the re-creations and reconstruction of such records.

(viii) Contractor's Pollution Liability

When any environmental remediation work is performed which may cause a pollution exposure, Developer will cause the party performing such work to maintain contractor's Pollution Liability insurance with limits of not less than $1,000,000 insuring bodily injury, property damage and environmental remediation, cleanup costs and disposal. When policies are renewed, the policy retroactive date must coincide with or precede, start of work on the Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of 1 year. The City is to be named as an additional insured on a primary, non-contributory basis.

(ix) Blanket Crime

Developer must provide Crime Insurance or equivalent covering all persons handling funds under this Agreement, against loss by dishonesty, robbery, destruction or disappearance, computer fraud, credit card forgery, and other related crime risks. The policy limit must be written to cover losses in the amount of the maximum monies collected or received and in the possession of Developer at any given time.

(c) Other Insurance Required.

(i) Prior to the execution and delivery of this Agreement and during construction of the Project, All Risk Property Insurance in the amount of the full replacement value of the Project. The City is to be named as an additional insured.

(ii) Post-construction, throughout the Term of the Agreement, All Risk Property Insurance, including improvements and betterments in the amount of full replacement value of the Project. Coverage extensions shall include business interruption/loss of rents, flood and boiler and machinery, if applicable. The City is to be named as an additional insured.

(d) Other Requirements

(i) Developer will furnish the City of Chicago, Department of Planning and Development, City Hall, Room 1000, 121 North LaSalle Street, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term of this Agreement. Developer will submit evidence of insurance on the City Insurance Certificate Form or commercial equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer must not be deemed to be a waiver by the City. Developer will advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance will not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to terminate this Agreement until proper evidence of insurance is provided.

(ii) The insurance will provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

(iii) Any and all deductibles or self-insured retentions on referenced insurance coverages are borne by Developer.

(iv) Developer agrees that insurers must waive rights of subrogation against the City, its employees, elected officials, agents, or representatives.

(v) Developer expressly understands and agrees that any coverages and limits furnished by Developer will in no way limit Developer's liabilities and responsibilities specified within the Agreement documents or by law.

(vi) Developer expressly understands and agrees that Developer's insurance is primary and any insurance or self-insurance programs maintained by the City will not contribute with insurance provided by Developer under the Agreement.

(vii) The required insurance will not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

(viii) Developer will require its general contractor and all subcontractors to provide the insurance required herein or Developer may provide the coverages for the contractor or subcontractors. All contractors and subcontractors will be subject to the same requirements of Developer unless otherwise specified herein.

(ix) If Developer, contractor or subcontractor desires additional coverages, Developer, contractor and each subcontractor will be responsible for the acquisition and cost of such additional protection.

(x) The City Risk Management Department maintains the right to modify, delete, alter or change these requirements, so long as such action does not, without Developer's written consent, increase such requirements.

FORM OF OPINION OF DEVELOPER'S COUNSEL

[To be retyped on Developer's Counsel's letterhead]

_____, 2016

City of Chicago
City Hall, Room 600
121 North LaSalle Street
Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as special counsel to Chicago Neighborhood Initiatives, Inc., an Illinois not-for-profit company ("Developer"), in connection with a certain North Pullman Redevelopment Project Area, Chicago Neighborhood Initiatives, Inc. Redevelopment Agreement (Whole Foods Warehouse and Distribution Center) (the "Agreement") of even date herewith, by and between Developer and the City of Chicago, a municipal corporation (the "City"). The Agreement relates to the provision of tax increment financing assistance to Developer from the City for Developer's redevelopment of certain property located in the vicinity of 111th Street and Ellis Avenue (the "Property") located in the North Pullman Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the Agreement.

In rendering this opinion, we also have examined the original or certified, conformed or photostatic copies of: Judgment searches and other due diligence searches for Illinois with respect to Developer performed by Corporation Service Company and delivered to the Corporation Counsel on _____ (the "Searches"); Developer's Illinois Not-for-Profit Articles of Incorporation certified by the Illinois Secretary of State (the "Illinois Secretary") on _____; Bylaws of Developer (amended and restated effective July 1, 2010) (the "Bylaws"); Developer's Certificate of Good Standing in the State of Illinois certified by the Illinois Secretary on _____; the certificate of Developer attached hereto as Exhibit A and referred to herein (the "Certificate"); records of corporate proceedings of Developer relating to the Project and the Agreement; and such legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed (collectively the "Documents").

In all such examinations, and for the purposes of this opinion, we have assumed: (i) the genuineness of all signatures (other than those of Developer) on the Agreement and

Documents; (ii) the authenticity and completeness of documents submitted to us as originals; (iii) the authenticity, completeness and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies; (iv) that all natural persons who executed the Agreement individually or in a representative capacity were legally competent at the time of execution; (v) that all material terms and conditions of the relationship between Developer and any other parties to the Agreement are correctly and completely reflected in the Agreement; and (vi) that the execution and delivery of the Agreement and other documents reviewed by us, and the entry into and performance of the transactions contemplated by the Agreement by all parties other than Developer have been duly authorized by all necessary action and that the Agreement and other documents that we have reviewed have constituted the valid and binding obligations of all parties thereto other than Developer and are enforceable against such parties in accordance with their respective terms.

Based upon the foregoing, and subject to the assumptions, qualifications and limitations set forth herein, it is our opinion that:

Developer is a not-for-profit company duly formed, legally existing and in good standing under the laws of Illinois and has full corporate power and authority to undertake the Project and to carry on its business as presently conducted on the Property.

The Agreement (a) has been properly authorized, executed and delivered by or on behalf of Developer, (b) constitutes the legal, valid and binding obligation of Developer, and (c) is enforceable against Developer in accordance with its terms.

Developer has all requisite corporate power, right, and authority to execute and deliver the Agreement and to perform its obligations thereunder. Such execution, delivery and undertaking of performance will not conflict with, or result in a violation of, Developer's Articles of Incorporation or Bylaws. Based solely on the Certificate, such execution, delivery and undertaking of performance (provided Developer performs in accordance with the terms and conditions of the Agreement) will not result in a material breach or other violation of any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties are bound, or any law, regulation, order, writ, injunction or decree of any court or governmental or regulatory authority. Such execution and delivery, to our knowledge (based on the Certificate and without further investigation), will not: (a) result in the creation of any lien, charge or encumbrance on any property, other than the Property, or assets of Developer, (b) result in a violation of any of the terms, conditions or provisions of any order, writ, injunction or decree entered against Developer by any court, governmental or regulatory authority, (c) constitute grounds for the acceleration of the maturity of any agreements or other instruments to which Developer is a party or by which any of the property of Developer may be bound, or (d) conflict with, constitute an event of default under, or result in a violation of the provisions of any agreement or other instrument of which we have knowledge to which Developer is a party, or by which the properties or assets of Developer are bound.

No authorizations, approvals or consents of, or filings or registrations with, or the giving of notice to, any person or any governmental or regulatory authority or agency of the State of Illinois or any political subdivision thereof are necessary for the execution and delivery of the Agreement by Developer or for the validity or enforceability thereof against Developer that have not already been obtained or effected.

A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law provisions contained in the Agreement and apply the law of the State of Illinois to the transactions evidenced thereby.

To our knowledge, relying solely on the Searches and the Certificate, and except as set forth in the Searches (copies of which have been delivered to the City), and without further investigation, there are no judgments, or legal, administrative or other governmental proceedings pending or threatened before any court or governmental agency against Developer that would materially and adversely affect its ability to perform its obligations under the Agreement.

To our knowledge, relying solely on the Certificate, without further investigation, there is no default by Developer with respect to any indenture, loan agreement, mortgage, deed of trust, note or any other agreement or instrument to which Developer is a party or by which Developer is bound, a default under which would have a material adverse effect on Developer or its business except as disclosed in the Certificate.

To our knowledge, relying solely on the Certificate, without further investigation, as of the date of this opinion, there are no options, rights or commitments to acquire or transfer any ownership interests of Developer except as permitted under the Agreement or except as provided in the Developer's Bylaws.

To our knowledge, relying solely on the Certificate and the Searches, and except as set forth in the Searches, and without further investigation, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority, or in default of or under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

The opinions set forth above are subject to the following qualifications:

Wherever we indicate that our opinion with respect to the existence or absence of facts is based on our knowledge, our opinion is based solely on (A) the actual knowledge of the attorneys currently with the firm who have represented Developer in connection with the transactions contemplated by the Agreement and of any other attorneys presently in our firm whom we have determined are likely, in the course of representing said party, to have knowledge of the matters covered by this opinion, (B) the representations and warranties of Developer contained in the Agreement, and (C) the Certificate as issued by Developer, and we have not undertaken any independent investigation (and we have not made or caused to be made any review of any court file or indices except as described above with respect to the Searches) and no inference as to our knowledge should be drawn from our representation of Developer or otherwise. However, we know of no facts which lead us to believe such factual matters set forth in the Certificate are untrue or inaccurate;

Your ability to enforce the Agreement may be limited by applicable bankruptcy, reorganization, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws now or hereafter in effect relating to or affecting creditors' rights generally, and their interpretation by courts of appropriate jurisdiction;

Enforcement of your rights and remedies may be limited by general principles of equity, regardless of whether such enforcement is considered in a proceeding in equity or at law, and the availability of equitable remedies or equitable defenses would be subject to the discretion of the court requested to grant such remedies or allow such defenses; and further, in this regard, we have assumed that you will exercise your rights and remedies under the Agreement in good faith and in circumstances and a manner which are commercially reasonable;

Certain provisions of the Agreement may be rendered unenforceable or limited by applicable laws and judicial decisions;

If, and to the extent, the Agreement is construed to provide for the payment of interest on interest, such provisions may be unenforceable under Bowman v. Neeley, 137 Ill. 443 (1891) and other cases to the same effect;

We express no opinion with respect to provisions in the Agreement which purport to (A) confer, waive or consent to the jurisdiction of any court, (B) provide for service of process except in accordance with applicable law, (C) waive any right granted by statutory or common law, or (D) require indemnification or contribution for liabilities under the provisions of any Federal or state securities law or in respect to the negligent or wrongful conduct of the indemnified party or its representatives or agents; and

We call your attention to the fact that although we represent Developer as special counsel in connection with the subject transaction, we do not represent Developer generally, and our engagement has been limited to the specific matters as to which we have been consulted.

This opinion is limited to the laws of the United States (except as set forth below) and the laws of the State of Illinois and political subdivisions (as to matters set forth in Paragraphs 3 and 4 only) thereof in effect on the date hereof as they presently apply. We shall have no continuing obligations to inform you of changes in law or fact subsequent to the date hereof or of facts of which we become aware after the date hereof.

We express no opinion as to matters of title or priority or perfection of liens or security interests with regard to real and personal property. We understand that, with respect to all real and personal property security interests intended to be created by the Agreement and the priority of the liens thereof, you will rely on a title insurance policy provided to Developer and other searches as you deem adequate, and, accordingly, we express no opinion to such matters.

We have not reviewed and do not opine as to: (i) compliance by the Project with applicable health, fire, safety, building, environmental, subdivision laws, ordinances, codes, rules or regulations, (ii) ERISA laws, rules and regulations, or (iii) Federal or state taxation, banking, securities, USA Patriot Act or other anti-terrorist or "blue sky" laws, rules or regulations.

This opinion is limited to the matters set forth herein. This opinion is provided to you as a legal opinion only and not as a guaranty or warranty of the matter discussed herein or the documents referred to herein. No opinion may be inferred or implied beyond the matters expressly contained herein, and no portion of this opinion may be quoted or in any other way published without the express written consent of the undersigned. This opinion is rendered solely for your benefit and no other person or entity shall be entitled to rely on any matter set forth herein without the express written consent of the undersigned.

Very truly yours,

Interest shall be computed on the basis of a 360-day year of twelve 30-day months. Principal of and interest on this Note, payable solely from the Available Incremental Taxes (as defined in the hereinafter defined Redevelopment Agreement), is due March 1 of each year until the earlier of Maturity or until this Note is paid in full. Payments shall first be applied to interest. A principal amortization schedule is an exhibit to this Note.

The principal of and interest on this Note are payable in lawful money of the United States of America, and shall be made to the Registered Owner hereof as shown on the registration books of the City maintained by the Comptroller of the City, as registrar and paying agent (the "Registrar"), at the close of business on the fifteenth day of the month immediately prior to the applicable payment, maturity or redemption date, and shall be paid by check or draft of the Registrar, payable in lawful money of the United States of America, mailed to the address of such Registered Owner as it appears on such registration books or at such other address furnished in writing by such Registered Owner to the Registrar; provided, that the final installment of principal and accrued but unpaid interest will be payable solely upon presentation of this Note at the principal office of the Registrar in Chicago, Illinois or as otherwise directed by the City.

This Note is issued by the City in the principal amount of $_____ for the purpose of paying the costs of certain eligible redevelopment project costs incurred by Chicago Neighborhood Initiatives, Inc. (the "Project"), which were [acquired], [constructed] and [installed] in connection with the development of an approximately [_____ acre/_____ square foot] site/building in the _____ Redevelopment Project Area (the "Project Area") in the City, all in accordance with the Constitution and the laws of the State of Illinois, and particularly the Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-1 et seq.) (the "TIF Act") ,

the Local Government Debt Reform Act (30 ILCS 350/1 et seq.) and an Ordinance adopted by the City Council of the City on _____, ____ (the "Ordinance"), in all respects as by law required.

The City has assigned and pledged certain rights, title and interest of the City in and to certain incremental ad valorem tax revenues from the Project Area which the City is entitled to receive pursuant to the TIF Act and the Ordinance, in order to pay the principal of and interest of this Note. Reference is hereby made to the aforesaid Ordinance and the Redevelopment Agreement for a description, among others, with respect to the determination, custody and application of said revenues, the nature and extent of such security with respect to this Note and the terms and conditions under which this Note is issued and secured. THIS NOTE IS A SPECIAL LIMITED OBLIGATION OF THE CITY, AND PRINCIPAL OF AND INTEREST ON THIS NOTE ARE PAYABLE SOLELY FROM ALLOCATED AVAILABLE INCREMENTAL TAXES ON DEPOSIT IN THE _____ ACCOUNT OF THE TIF FUND (AS DEFINED IN THE REDEVELOPMENT AGREEMENT) AFTER PAYMENT OF ALL OBLIGATIONS HAVING A PRIORITY OVER THIS NOTE, IF ANY. THE HOLDER OF THIS NOTE ACCEPTS THE RISK THAT THE AMOUNT OF ALLOCATED AVAILABLE INCREMENTAL TAXES MAY NOT BE SUFFICIENT TO PAY THE PRINCIPAL OF OR INTEREST ON THIS NOTE. THIS NOTE SHALL NOT BE DEEMED TO CONSTITUTE AN INDEBTEDNESS OR A LOAN AGAINST THE GENERAL TAXING POWERS OR CREDIT OF THE CITY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION. THE REGISTERED OWNER OF THIS NOTE SHALL NOT HAVE THE RIGHT TO COMPEL ANY EXERCISE OF THE TAXING POWER OF THE CITY, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF TO PAY THE PRINCIPAL OF OR INTEREST ON THIS NOTE. This Note shall be subject to partial redemption from unexpended proceeds in the Construction Escrow on or after _____, as more fully described in the Redevelopment Agreement. The principal of this Note also is subject to redemption on any date after 60 months following issuance of this Note, as a whole or in part, at a redemption price of 100% of the principal amount thereof being redeemed. There shall be no prepayment penalty. Notice of any such redemption shall be sent by registered or certified mail not less than five (5) days nor more than sixty (60) days prior to the date fixed for redemption to the registered owner of this Note at the address shown on the registration books of the City maintained by the Registrar or at such other address as is furnished in writing by such Registered Owner to the Registrar.

This Note is issued in fully registered form in the denomination of its outstanding principal amount. This Note may not be exchanged for a like aggregate principal amount of notes or other denominations.

THIS NOTE MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT TO (I) AN INSTITUTIONAL "ACCREDITED INVESTOR" WITHIN THE MEANING OF RULE 501(a)(1), (2), (3) or (7) UNDER THE SECURITIES ACT OF 1933 (THE "SECURITIES ACT") THAT DELIVERS TO THE CITY AN INVESTOR LETTER IN THE FORM OF EXHIBIT P TO THE REDEVELOPMENT AGREEMENT REFERENCED BELOW, OR (II) A PERSON (OTHER THAN A DEALER) WHOM THE SELLER REASONABLY BELIEVES IS A "QUALIFIED INSTITUTIONAL BUYER" WITHIN THE MEANING OF RULE 144A(a)(1) UNDER THE SECURITIES ACT. ANY HOLDER OF THIS NOTE IS REQUIRED TO NOTIFY ANY POTENTIAL PURCHASER OF THIS NOTE OF THE RESALE RESTRICTIONS REFERRED TO ABOVE. This Note is transferable by the Registered Owner hereof in person or by its attorney duly authorized in writing at the principal office of the Registrar in Chicago, Illinois, but only in the manner and subject to the limitations provided in the Ordinance, and upon surrender and cancellation of this Note. Upon such transfer, a new Note of authorized denomination of the same maturity and for the same aggregate principal amount will be issued to the transferee in exchange herefor. The Registrar shall not be required to transfer this Note during the period beginning at the close of business on the fifteenth day of the month immediately prior to the maturity date of this Note nor to transfer this Note after notice calling this Note or a portion hereof for redemption has been mailed, nor during a period of five (5) days next preceding mailing of a notice of redemption of this Note. Such transfer shall be in accordance with the form at the end of this Note.

This Note hereby authorized shall be executed and delivered as the Ordinance and the Redevelopment Agreement provide.

Pursuant to the Redevelopment Agreement dated as of [_____, ____] between the City and the Developer (the "Redevelopment Agreement"), the Developer has agreed to [acquire] and [construct] the Project and shall be reimbursed from amounts on deposit in the Construction Escrow under the Act for certain eligible redevelopment project costs for the [construction of certain facilities] related to the Project on behalf of the City.

The City shall be obligated to make payments under this Note if an Event of Default (as defined in the Redevelopment Agreement), or condition or event that with notice or the passage of time or both would constitute an Event of Default, has occurred. Such rights shall survive any transfer of this Note.

The City and the Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and for all other purposes and neither the City nor the Registrar shall be affected by any notice to the contrary, unless transferred in accordance with the provisions hereof.

This Note may be transferred only in the manner and subject to the limitations provided in Section 18.28 of the Redevelopment Agreement.

It is hereby certified and recited that all conditions, acts and things required by law to exist, to happen, or to be done or performed precedent to and in the issuance of this Note did exist, have happened, have been done and have been performed in regular and due form and time as required by law; that the issuance of this Note, together with all other obligations of the City, does not exceed or violate any constitutional or statutory limitation applicable to the City.

This Note shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Registrar.

[The following "Noteholder Risks" constitutes an integral part of this Note.]

NOTEHOLDER RISKS

The purchase of or investment in the Note involves certain risks. Each prospective holder or purchaser of the Note, or any interest therein, should make an independent evaluation of the financial and business risks associated with holding or having an investment interest in the Note. Certain of these risks are set forth below. The following summary is not intended to be complete and does not purport to identify all possible risks that should be considered by prospective holders of the Note or any interests therein. Capitalized terms used herein have the meanings set forth in the Note.

All prospective holders of the Note are urged to consult with their financial adviser and legal counsel before acquiring the Note or any interest therein.

Loss of Investment

Investment in the Note involves a high degree of risk. It is suitable only for persons who are able to bear the economic risks of the investment, including total loss. No assurance can be provided that prospective holders of the Note will not lose their entire investment in the Note.

Lack of Liquidity

The Note is suitable only for persons who have no need for liquidity. The transferability of the Note is restricted. The Note may only be transferred in the manner and subject to the limitations provided in the Redevelopment Agreement. Investors in the Note must be prepared to hold the Note until the maturity of the Note.

Reliance on Projections

The City does not endorse projections of any kind from any source as to the sufficiency of Available Incremental Taxes to pay principal of and interest on the Note. Investors who rely on any such projections do so at their own risk.

The City's Office of Budget and Management ("OBM") produces five-year projection reports for each TIF district in the City for the purpose of evaluating resources and project balances ("District Projection Reports"). This information, which is currently publicly available, is used by the OBM to determine how much funding has been committed and how much funding is available for potential projects. The District Projection Reports and the projections included therein are not audited and do not represent a final accounting of funds. The District Projection Reports are not prepared for investors or as a basis for making investment decisions with respect to any notes, bonds or other debt obligations of the City that are payable from Incremental Taxes, including the Note. Prospective investors in the Note are cautioned not to rely on any of the information contained in the District Projection Reports.

Limited Obligations

THE NOTE IS A SPECIAL LIMITED OBLIGATION OF THE CITY PAYABLE SOLELY FROM THE ALLOCATED AVAILABLE INCREMENTAL TAXES AFTER PAYMENT OF ALL OBLIGATIONS HAVING A PRIORITY OVER THE NOTE, IF ANY, AND SHALL BE A VALID CLAIM ONLY AGAINST SAID SOURCES. THE NOTE DOES NOT CONSTITUTE AN

INDEBTEDNESS OR A LOAN AGAINST THE GENERAL TAXING POWERS OR CREDIT OF THE CITY, WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION. THE NOTEHOLDER HAS NO RIGHT TO COMPEL ANY EXERCISE OF THE TAXING POWER OF THE CITY, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF TO PAY THE PRINCIPAL OF OR INTEREST ON THE NOTE.

There can be no assurance that Available Incremental Taxes will be sufficient for payment of amounts due and owing on the Note.

Limited Information

The Note was issued to the Developer under the Redevelopment Agreement as part of a commercial transaction negotiated by the Developer and the City. [The Developer] engaged a [consultant] to deliver a [feasibility report][projection report] to the City in connection with the Project, which included certain information about the Project Area, the Project and historical and projected Available Incremental Taxes. The report contained information as of its date only, and neither the Developer nor any other party have any obligation to update the report as of any subsequent date.

The City is under no continuing obligation to provide to any holder or prospective holder of the Note, or to post to the Electronic Municipal Market Access System of the Municipal Securities Rulemaking Board or any other website, any current or updated information with respect to the Project Area, the Project, the historical and projected Available Incremental Taxes or the Note. The City does not prepare or have readily available any current or updated information about the Project Area, the Project or the Available Incremental Taxes.

Unavailability of City Funds

The City is not obligated to pay principal of or interest on the Note in any year in which there are inadequate Available Incremental Taxes. The City is obligated to pay the amount of any unpaid principal or accrued interest in any subsequent year but only to the extent of the availability of Available Incremental Taxes for those subsequent years. If, on the maturity date of the Note, any outstanding unpaid principal or interest on the Note exists for any reason, including without limitation the inadequacy of Available Incremental Taxes, such outstanding principal and/or interest will be forgiven in full and the City will have no further obligation to pay such outstanding amount. In such event, there would be no further payments of principal or interest in respect of the Note.

Risk of Failure to Maintain Levels of Assessed Valuation

There can be no assurance that the equalized assessed value of the Project property will remain the same throughout the term of the Note. Furthermore, the successful petition or application of any owner for the reduction of the assessed value of the Project property or any other properties in the Project Area may cause the equalized assessed value of the Property to be less than the originally projected equalized assessed value. If any time during the term of the Note the actual equalized assessed value is less than what was projected, the generation of Available Incremental Taxes for payment on the Note is likely to be significantly impaired.

Risk of Change in Incremental Taxes

Prospective holders of the Note should carefully consider, among other factors, the risks associated with the ultimate generation of Available Incremental Taxes in the Project Area. These risks include, but are not limited to, the following:

1. Property tax rates are calculated by the Cook County Clerk for numerous funds of a number of taxing districts that tax all or part of the property in the Project Area. A reduction in the tax levies by the affected taxing districts may have an adverse effect on the Available Incremental Taxes.

2. Further changes may be made in the real property tax system by the State of Illinois or Cook County. Such changes could include various property tax rollbacks, abatements, exemptions, changes in the ratio of assessment, or relief measures, limitations on the amount or percent of increase in tax levies by taxing districts, or other measures that would limit the tax levy amount that could be extended to the property within the Project Area and, consequently, the projected Available Incremental Taxes generated. For example, if Illinois adopted practices used in other states, the property tax system could be changed so that schools would be financed from a source other than property taxes. This type of change could have a significant adverse effect upon Available Incremental Taxes.

3. Cook County's methodology and procedures used to assess the value of property may be altered resulting in a potentially reduced or altered valuation in a particular year or succession of years.

FUTURE LEGISLATION, REGULATIONS, GOVERNMENTAL OR JUDICIAL INTERPRETATION OF REGULATIONS OR LEGISLATION OR PRACTICES AND PROCEDURES RELATED TO PROPERTY TAX ASSESSMENT, LEVY, COLLECTIONS OR DISTRIBUTION COULD HAVE A MATERIAL EFFECT ON THE CALCULATION OR AVAILABILITY OF INCREMENTAL TAXES COLLECTED OR DISTRIBUTED AND THEREFORE A MATERIAL EFFECT ON THE AMOUNT OF AVAILABLE INCREMENTAL TAXES FOR PAYMENT OF PRINCIPAL OF AND INTEREST ON THE NOTE.

Changes in Multiplier and Tax Rate

The equalization factor annually determined by the Illinois Department of Revenue for properties located within Cook County (commonly referred to as the "multiplier") may vary substantially in future years. A decrease in the multiplier would reduce the equalized assessed value of the taxable real property in the Project Area and, therefore, the Available Incremental Taxes available to pay principal of and interest on the Note. The future tax rates of the units of local government levying taxes in the Project Area either individually or on a composite basis, may differ from their historical levels. Any decrease in the composite tax rate of the governmental units would decrease the amount of Available Incremental Taxes available to pay principal of and interest on the Note. Any decrease in the composite tax rate of the governmental units could occur in future years as a result of various factors, including, but not limited to, one or more of the following: (a) reduced governmental costs; (b) constitutional or statutory spending or tax rate limitations; or (c) governmental reorganization or consolidation.

Economic Risks Affecting Incremental Taxes

Changing economic circumstances or events in the Project Area may result in reductions in Available Incremental Taxes available to pay principal of and interest on the Note. Relocations of major property owners to sites outside the Project Area or sales of major properties to tax-exempt entities could reduce the assessed valuation of the real properties in the Project Area. Substantial damage to or destruction of improvements within the Project Area could cause a material decline in assessed valuation and impair the ability of the taxpayers in the Project Area to pay their respective portions of real estate taxes. Similarly, there can be no assurance that the improvements in the Project Area will be sufficiently insured under fire and extended coverage insurance policies. Even if such insurance is sufficient, the proceeds thereof will not be assigned as security for the payment of real estate taxes or to secure payment of the Note. In addition, any insurance proceeds may not be sufficient to repair or rebuild said improvements. The restoration of such improvements may be delayed by other factors, or the terms of then-applicable mortgage financing could require the application of insurance proceeds to the reduction of mortgage balances. Any of the foregoing circumstances could result in the assessed valuation of property in the Project Area remaining depressed for an unknown period of time and decrease the amount of Available Incremental Taxes available to pay principal of and interest on the Note.

Results of operation of properties within the Project Area depend, in part, on sales, leases, rental rates and occupancy levels, which may be adversely affected by competition, suitability of the properties located in the Project Area, local unemployment, availability of transportation, neighborhood changes, crime levels in the Project Area, vandalism, rising operating costs and similar factors. Poor operating results of properties within the Project Area may cause delinquencies in the payment of real estate taxes, reduce assessed valuations and increase the risk of foreclosures. Successful petitions by taxpayers to reduce their assessed valuations could adversely affect Available Incremental Taxes available for payment of principal of and interest on the Note.

Failure to Sell or Lease Property

At the time of Note issuance, the redevelopment plan called for the Developer [to sell/lease to commercial or industrial enterprises/retailers prior to/in connection with] completion of the Project. The slowdown, stoppage or failure of the Developer to complete the Project and to successfully sell/lease the Project could delay or reduce the amount of Available Incremental Taxes generated in the Project Area. Such delay or reduction could lead to a default in payments of the principal of and interest on the Note.

Reliance on Primary Taxpayers

If one or only a few property owners within the Project Area are responsible for generating a substantial amount of the Incremental Taxes, the generation of Available Incremental Taxes could be significantly adversely affected if such owner or owners and/or their tenants discontinue or curtail their businesses or terminate or default on their leases, and substitutes or replacements cannot be made on a timely basis.

Force Majeure Conditions

Riots, civil disturbances, vandalism, fires, and natural disasters or other "Acts of God" affecting the conditions and viability of the Project Area may reduce or eliminate the receipt of

Incremental Taxes which would result in the reduction or elimination of Available Incremental Taxes to pay principal of and interest on the Note.

Contiguous Project Areas

The Project Area is, or may become, contiguous with other redevelopment areas designated by the City pursuant to the TIF Act. The TIF Act allows the City to expend Incremental Taxes collected from the Project Area which are in excess of the amounts required in each year to pay and secure obligations issued and project costs incurred with respect to the Project Area to pay for costs eligible for payment under the TIF Act which are incurred in such contiguous areas. In the event Incremental Taxes from the Project Area in excess of Available Incremental Taxes, along with the amounts required to (i) pay principal and interest coming due on the Note in any year, and (ii) be deposited in other funds and accounts maintained under the Redevelopment Agreement, are allocated to a contiguous project redevelopment area, such excess Incremental Taxes will not be available to remedy any future failure to pay principal of and interest on the Note.

Risk of Delay in Payment

The failure of current or future owners of real property in the Project Area to remit property taxes to Cook County when due or the failure of Cook County to timely remit Incremental Taxes to the City could result in insufficient Available Incremental Taxes being available to pay principal of or interest on the Note when due.

Delays in Exercising Remedies

The enforceability of the Note is subject to applicable bankruptcy laws, equitable principles affecting the enforcement of creditors' rights generally and of liens securing such rights, and the police powers of the State of Illinois and its political subdivisions. Because of delays inherent in obtaining judicial remedies, it should not be assumed that these remedies could be accomplished rapidly.

Remedies available to the Noteholder may be limited by a variety of factors and may be inadequate to assure the timely payment of principal of and interest on the Note, or to preserve the tax-exempt status of the Note. The Note is not subject to acceleration due to payment default. Lack of remedies may entail risks of delay, limitation, or modification of the rights of the Noteholder. Judicial remedies, such as foreclosure and enforcement of covenants, are subject to exercise of judicial discretion.

Risk of Transferee Becoming a Debtor in Bankruptcy

If a transferee of the Note were to become a debtor under the United States Bankruptcy Code or applicable state laws, a creditor or trustee in bankruptcy of the transferee might argue that the sale of the Note by the transferee constituted a fraudulent conveyance or a pledge of the Note rather than a sale. If such positions were accepted by a court, then delays in principal and interest payments to the Noteholder could occur or reductions in the amounts of such payments could result. Additionally, if the transfer of the Note is re-characterized as a pledge, then a tax lien, governmental lien or other lien created by operation of law on the property of the transferee could have priority over the holder's interest in the Note.

Loss of Tax Exemption

Interest on the Note could become includible in gross income for federal income tax purposes retroactive to the date of issuance of the Note as a result of a failure of the City to comply with certain provisions of the Internal Revenue Code of 1986, as amended (the "Code"). An event of taxability does not trigger a mandatory redemption of the Note, and the Note will remain outstanding to maturity or until redeemed.

THE ABOVE IS NOT INTENDED TO BE A COMPREHENSIVE DISCUSSION OF ALL POTENTIAL RISKS ASSOCIATED WITH THE NOTE.

7. The Investor has read and considered the risk factors set forth in "Noteholder Risks" attached hereto.

8. The Investor has not relied upon the City for any information in connection with its acquisition of the Note. NOTEHOLDER RISKS

The purchase of or investment in the Note involves certain risks. Each prospective holder or purchaser of the Note, or any interest therein, should make an independent evaluation of the financial and business risks associated with holding or having an investment interest in the Note. Certain of these risks are set forth below. The following summary is not intended to be complete and does not purport to identify all possible risks that should be considered by prospective holders of the Note or any interests therein. Capitalized terms used herein have the meanings set forth in the Note.

All prospective holders of the Note are urged to consult with their financial adviser and legal counsel before acquiring the Note or any interest therein.

Loss of Investment

Investment in the Note involves a high degree of risk. It is suitable only for persons who are able to bear the economic risks of the investment, including total loss. No assurance can be provided that prospective holders of the Note will not lose their entire investment in the Note.

Lack of Liquidity

The Note is suitable only for persons who have no need for liquidity. The transferability of the Note is restricted. The Note may only be transferred in the manner and subject to the limitations provided in the Redevelopment Agreement. Investors in the Note must be prepared to hold the Note until the maturity of the Note.

Reliance on Projections

The City does not endorse projections of any kind from any source as to the sufficiency of available incremental taxes to pay principal and interest on the Note. Investor who rely on any such projections do so at their own risk.

The City's Office of Budget and Management ("OBM") produces five-year District Projection Reports for each TIF district in the City for the purpose of evaluating resources and project balances. This information, which is currently publicly available, is used by the OBM to determine how much funding has been committed and how much funding is available for potential projects. The reports and the projections including therein are not audited and do not represent a final accounting of funds. The reports are not prepared for investors or as a basis for making investment decisions with respect to any notes, bonds or other debt obligations of the City that are payable from available incremental taxes, including the Note. Prospective investors in Note are cautioned not to rely on any of the information contained in the District Projection Reports.

Limited Obligations

THE NOTE IS A SPECIAL LIMITED OBLIGATION OF THE CITY PAYABLE SOLELY FROM THE AVAILABLE INCREMENTAL TAXES, AND SHALL BE A VALID CLAIM ONLY AGAINST SAID SOURCES. THE NOTE DOES NOT CONSTITUTE AN INDEBTEDNESS OR A LOAN AGAINST THE GENERAL TAXING POWERS OR CREDIT OF THE CITY, WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION. THE NOTEHOLDER HAS NO RIGHT TO COMPEL ANY EXERCISE OF THE TAXING POWER OF

THE CITY, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF TO PAY THE PRINCIPAL OR INTEREST OF THE NOTE.

There can be no assurance that Available Incremental Taxes will be sufficient for payment of amounts due and owing on the Note.

Limited Information

The Note was issued to the Developer under the Redevelopment Agreement as part of a commercial transaction negotiated by the Developer and the City. [The Developer] engaged a [consultant] to deliver a [feasibility report][projection report] to the City in connection with the Project, which included certain information about the Project Area, the Project and historical and projected Available Incremental Taxes.] The report contained information as of its date only, and neither the Developer nor any other party have any obligation to update the report as of any subsequent date.

The City is under no continuing obligation to provide to any holder or prospective holder of the Note, or to post to EMMA or any website, any current or updated information with respect to the Project Area, the Project, the historical and projected Available Incremental Taxes or the Note. The City does not prepare or have readily available any current or updated information about the Project Area, the Project or the Available Incremental Taxes.

Unavailability of City Funds

The City is not obligated to pay principal of or interest on the Note in any year in which there are inadequate Available Incremental Taxes. The City is obligated to pay the amount of any unpaid principal or accrued interest in any subsequent year but only to the extent of the Available Incremental Taxes for those subsequent years. If, on the maturity date of the Note, any outstanding unpaid principal or interest on the Note exists for any reason, including without limitation the inadequacy of Available Incremental Taxes, such outstanding principal and/or interest will be forgiven in full and the City will have no further obligation to pay such outstanding amount. In such event, there would be no further payments of principal or interest in respect of the Note.

Risk of Failure to Maintain Levels of Assessed Valuation

There can be no assurance that the equalized assessed value of the Project property will remain the same throughout the term of the Note. Furthermore, the successful petition or application of any owner for the reduction of the assessed value of the Project property may cause the equalized assessed value of the Project Area to be less than the originally projected equalized assessed value of the property. If any time during the term of the Note the actual equalized assessed value is less than what was projected, the generation of Available Incremental Taxes for payment on the Note is likely to be significantly impaired.

Risk of Change in Available Incremental Taxes

Prospective holders of the Note should carefully consider, among other factors, the risks associated with the ultimate generation of Available Incremental Taxes in the Project Area. These risks include, but are not limited to, the following:

1. Property tax rates are calculated by the County Clerk for numerous funds of a number of taxing districts that tax all or part of the property in the Project Area. A reduction in the tax levies by the affected taxing districts may have an adverse effect on the Available Incremental Taxes.

2. Further changes may be made in the real property tax system by the State of Illinois or Cook County. Such changes could include various property tax rollbacks, abatements, exemptions, changes in the ratio of assessment, or relief measures, limitations on the amount or percent of increase in tax levies by taxing districts, or other measures that would limit the tax levy amount that could be extended to the property within the Project Area and, consequently, the projected Available Incremental Taxes generated. For example, if Illinois adopted practices used in other states, the property tax system could be changed so that schools would be financed from a source other than property taxes. This type of change could have a significant adverse effect upon Available Incremental Taxes.

3. Cook County's methodology and procedures used to assess the value of property may be altered resulting in a potentially reduced or altered valuation in a particular year or succession of years.

4. Failure by Cook County to remit property taxes to the City on a timely basis could result in insufficient Available Incremental Taxes being available to pay principal of or interest on the Note when due.

FUTURE LEGISLATION, REGULATIONS, GOVERNMENTAL OR JUDICIAL INTERPRETATION OF REGULATIONS OR LEGISLATION OR PRACTICES AND PROCEDURES RELATED TO PROPERTY TAX ASSESSMENT, LEVY, COLLECTIONS OR DISTRIBUTION COULD HAVE A MATERIAL EFFECT ON THE CALCULATION OR AVAILABILITY OF AVAILABLE INCREMENTAL TAXES COLLECTED OR DISTRIBUTED.

Changes in Multiplier and Tax Rate

The equalization factor annually determined by the Illinois Department of Revenue for properties located within Cook County (commonly referred to as the "multiplier") may vary substantially in future years. A decrease in the multiplier would reduce the equalized assessed value of the taxable real property in the Project Area and, therefore, the Available Incremental Taxes available to pay debt service on the Note. The future tax rates of the units of local government levying taxes in the Project Area either individually or on a composite basis, may differ from their historical levels. Any decrease in the composite tax rate of the governmental units would decrease the amount of Available Incremental Taxes available to pay debt service on the Note. Any decrease in the composite tax rate of the governmental units could occur in future years as a result of various factors, including, but not limited to, one or more of the following: (a) reduced governmental costs; (b) constitutional or statutory spending or tax rate limitations; or (c) governmental reorganization or consolidation.

Economic Risks Affecting Available Incremental Taxes

Changing economic circumstances or events in the Project Area may result in reductions in Available Incremental Taxes available to pay debt service on the Note. Relocations of major property owners to sites outside the Project Area or sales of major properties to tax-exempt entities could reduce the assessed valuation of the Project Area. Substantial damage to or destruction of improvements within the Project Area could cause a material decline in assessed

valuation and impair the ability of the taxpayers in the Project Area to pay their respective portions of real estate taxes. There can be no assurance that the improvements in the Project Area are or will be insured under fire and extended coverage insurance policies, and, even if such insurance exists, the proceeds thereof will not be assigned as security for the payment of real estate taxes or to secure payment of the Note. In addition, any insurance proceeds may not be sufficient to repair or rebuild the improvements. The restoration of the improvements may be delayed by other factors, or the terms of then-applicable mortgage financing could require the application of insurance proceeds to the reduction of mortgage balances. Any of the foregoing circumstances could result in the assessed valuation of property in the Project Area remaining depressed for an unknown period of time and decrease the amount of Available Incremental Taxes available to pay debt service on The Note.

Results of operation of properties within the Project Area depend, in part, on sales, leases, rental rates and occupancy levels, which may be adversely affected by competition, suitability of the properties located in the Project Area in its local market, local unemployment, availability of transportation, neighborhood changes, crime levels in the Project Area, vandalism, rising operating costs and similar factors. Poor operating results of properties within the Project Area may cause delinquencies in the payment of real estate taxes, reduce assessed valuations and increase the risk of foreclosures. Successful petitions by taxpayers to reduce their assessed valuations could adversely affect available incremental Taxes available for payment of the Note.

Failure to Sell or Lease Property

At the time the Note was issued, the redevelopment plan called for the Developer [to sell/lease to commercial or industrial enterprises/retailers] prior to completion of the Project. The slowdown, stoppage or failure of the Developer to complete the Project and to successfully sell/lease the Project could delay or reduce the amount of Available Incremental Taxes generated in the Project Area. Such delay or reduction could lead to a default in payments of the principal of, and interest on, the Note.

Reliance on Primary Taxpayers

If one or only a few property owners within the Project Area are responsible for generating a substantial amount of the Available Incremental Taxes, the generation of Available Incremental Taxes could be significantly adversely affected if such owner or owners and/or their tenants discontinue or curtail their businesses, terminate or default on their leases and substitutes or replacements cannot be found or located on a timely basis.

Force Majeure Conditions

Riots, civil disturbances, vandalism, fires, and natural disasters or other "Acts of God" affecting the conditions and viability of the Project Area may reduce or eliminate the receipt of Available Incremental Property.

Contiguous Project Areas

The Project Area is contagious with other redevelopment areas designated by the City pursuant to the TIF Act and may become contiguous with others. The TIF Act allows the City to expend incremental taxes collected from the Project Area which are in excess of the amounts required in each year to pay and secure obligations issued and project costs incurred with

respect to the Project Area to pay for costs eligible for payment under the TIF Act which are incurred in such contiguous areas. In the event Incremental Taxes from the Project Area in excess of Available Incremental Taxes and the amounts required to (i) pay principal and interest coming due on the Note in any year and (ii) be deposited in other funds and accounts maintained under the Redevelopment Agreement are allocated to a contiguous project redevelopment area, such excess incremental taxes will not be available to remedy any future failure to pay principal of and interest on the Note.

Risk of Delay in Payment of Available Incremental Taxes

The failure of current or future owners of property in the Project Area to remit property taxes to the City when due or the failure of the City to timely remit Available Incremental Taxes to the Noteholder could result in insufficient Available Incremental Taxes being available to pay principal of or interest on the Note when due.

Delays in Exercising Remedies

The enforceability of the Note is subject to applicable bankruptcy laws, equitable principles affecting the enforcement of creditors' rights generally and of liens securing such rights, and the police powers of the State of Illinois and its political subdivisions. Because of delays inherent in obtaining judicial remedies, it should not be assumed that these remedies could be accomplished rapidly.

Remedies available to holder of the Note may be limited by a variety of factors and may be inadequate to assure the timely payment of principal of and interest on the Note, or to preserve the tax-exempt status of The Note. The Note is not subject to acceleration due to payment default. Lack of remedies may entail risks of delay, limitation, or modification of the rights of the holders of the Note. Judicial remedies, such as foreclosure and enforcement of covenants, are subject to exercise of judicial discretion.

Risk of Transferee Becoming a Debtor in Bankruptcy

If a transferee of the Note were to become a debtor under the United States Bankruptcy Code or applicable state laws, a creditor or trustee in bankruptcy of the transferee might argue that the sale of the Note by the transferee constituted a fraudulent conveyance or a pledge of the Note rather than a sale. If such positions were accepted by a court, then delays in principal and interest payments to holder the Note could occur or reductions in the amounts of such payments could result. Additionally, if the transfer of the Note is re-characterized as a pledge, then a tax lien, governmental lien or other lien created by operation of law on the property of the transferee could have priority over the holder's interest in the Note.

Loss of Tax Exemption

Interest on the Note could become includible in gross income for federal income tax purposes retroactive to the date of issuance of the Note as a result of a failure of the City to comply with certain provisions of the Internal Revenue Code of 1986, as amended (the "Code"). An event of taxability does not trigger a mandatory redemption of the Note, and the Note will remain outstanding to maturity or until redeemed.

THE ABOVE IS NOT INTENDED TO BE A COMPREHENSIVE DISCUSSION OF ALL POTENTIAL RISKS ASSOCIATED WITH THE NOTE. * * * * *

[The following "Noteholder Risks" constitutes an integral part of this Note.]

NOTEHOLDER RISKS

The purchase of or investment in the Note involves certain risks. Each prospective holder or purchaser of the Note, or any interest therein, should make an independent evaluation of the financial and business risks associated with holding or having an investment interest in the Note. Certain of these risks are set forth below. The following summary is not intended to be complete and does not purport to identify all possible risks that should be considered by prospective holders of the Note or any interests therein. Capitalized terms used herein have the meanings set forth in the Note.

All prospective holders of the Note are urged to consult with their financial adviser and legal counsel before acquiring the Note or any interest therein.

Loss of Investment

Investment in the Note involves a high degree of risk. It is suitable only for persons who are able to bear the economic risks of the investment, including total loss. No assurance can be provided that prospective holders of the Note will not lose their entire investment in the Note.

Lack of Liquidity

The Note is suitable only for persons who have no need for liquidity. The transferability of the Note is restricted. The Note may only be transferred in the manner and subject to the limitations provided in the Redevelopment Agreement. Investors in the Note must be prepared to hold the Note until the maturity of the Note.

Reliance on Projections

The City does not endorse projections of any kind from any source as to the sufficiency of Available Incremental Taxes to pay principal of and interest on the Note. Investors who rely on any such projections do so at their own risk.

The City's Office of Budget and Management ("OBM") produces five-year projection reports for each TIF district in the City for the purpose of evaluating resources and project balances ("District Projection Reports"). This information, which is currently publicly available, is used by the OBM to determine how much funding has been committed and how much funding is available for potential projects. The District Projection Reports and the projections included therein are not audited and do not represent a final accounting of funds. The District Projection Reports are not prepared for investors or as a basis for making investment decisions with respect to any notes, bonds or other debt obligations of the City that are payable from Incremental Taxes, including the Note. Prospective investors in the Note are cautioned not to rely on any of the information contained in the District Projection Reports.

Limited Obligations

THE NOTE IS A SPECIAL LIMITED OBLIGATION OF THE CITY PAYABLE SOLELY FROM THE ALLOCATED AVAILABLE INCREMENTAL TAXES AFTER PAYMENT OF ALL OBLIGATIONS HAVING A PRIORITY OVER THE NOTE, IF ANY, AND SHALL BE A VALID

CLAIM ONLY AGAINST SAID SOURCES. THE NOTE DOES NOT CONSTITUTE AN INDEBTEDNESS OR A LOAN AGAINST THE GENERAL TAXING POWERS OR CREDIT OF THE CITY, WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION. THE NOTEHOLDER HAS NO RIGHT TO COMPEL ANY EXERCISE OF THE TAXING POWER OF THE CITY, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF TO PAY THE PRINCIPAL OF OR INTEREST ON THE NOTE.

There can be no assurance that Available Incremental Taxes will be sufficient for payment of amounts due and owing on the Note.

Limited Information

The Note was issued to the Developer under the Redevelopment Agreement as part of a commercial transaction negotiated by the Developer and the City. [The Developer] engaged a [consultant] to deliver a [feasibility report][projection report] to the City in connection with the Project, which included certain information about the Project Area, the Project and historical and projected Available Incremental Taxes. The report contained information as of its date only, and neither the Developer nor any other party have any obligation to update the report as of any subsequent date.

The City is under no continuing obligation to provide to any holder or prospective holder of the Note, or to post to the Electronic Municipal Market Access System of the Municipal Securities Rulemaking Board or any other website, any current or updated information with respect to the Project Area, the Project, the historical and projected Available Incremental Taxes or the Note. The City does not prepare or have readily available any current or updated information about the Project Area, the Project or the Available Incremental Taxes.

Unavailability of City Funds

The City is not obligated to pay principal of or interest on the Note in any year in which there are inadequate Available Incremental Taxes. The City is obligated to pay the amount of any unpaid principal or accrued interest in any subsequent year but only to the extent of the availability of Available Incremental Taxes for those subsequent years. If, on the maturity date of the Note, any outstanding unpaid principal or interest on the Note exists for any reason, including without limitation the inadequacy of Available Incremental Taxes, such outstanding principal and/or interest will be forgiven in full and the City will have no further obligation to pay such outstanding amount. In such event, there would be no further payments of principal or interest in respect of the Note.

Risk of Failure to Maintain Levels of Assessed Valuation

There can be no assurance that the equalized assessed value of the Project property will remain the same throughout the term of the Note. Furthermore, the successful petition or application of any owner for the reduction of the assessed value of the Project property or any other properties in the Project Area may cause the equalized assessed value of the Property to be less than the originally projected equalized assessed value. If any time during the term of the Note the actual equalized assessed value is less than what was projected, the generation of Available Incremental Taxes for payment on the Note is likely to be significantly impaired.

Risk of Change in Incremental Taxes

Prospective holders of the Note should carefully consider, among other factors, the risks associated with the ultimate generation of Available Incremental Taxes in the Project Area. These risks include, but are not limited to, the following:

1. Property tax rates are calculated by the Cook County Clerk for numerous funds of a number of taxing districts that tax all or part of the property in the Project Area. A reduction in the tax levies by the affected taxing districts may have an adverse effect on the Available Incremental Taxes.

2. Further changes may be made in the real property tax system by the State of Illinois or Cook County. Such changes could include various property tax rollbacks, abatements, exemptions, changes in the ratio of assessment, or relief measures, limitations on the amount or percent of increase in tax levies by taxing districts, or other measures that would limit the tax levy amount that could be extended to the property within the Project Area and, consequently, the projected Available Incremental Taxes generated. For example, if Illinois adopted practices used in other states, the property tax system could be changed so that schools would be financed from a source other than property taxes. This type of change could have a significant adverse effect upon Available Incremental Taxes.

3. Cook County's methodology and procedures used to assess the value of property may be altered resulting in a potentially reduced or altered valuation in a particular year or succession of years.

FUTURE LEGISLATION, REGULATIONS, GOVERNMENTAL OR JUDICIAL INTERPRETATION OF REGULATIONS OR LEGISLATION OR PRACTICES AND PROCEDURES RELATED TO PROPERTY TAX ASSESSMENT, LEVY, COLLECTIONS OR DISTRIBUTION COULD HAVE A MATERIAL EFFECT ON THE CALCULATION OR AVAILABILITY OF INCREMENTAL TAXES COLLECTED OR DISTRIBUTED AND THEREFORE A MATERIAL EFFECT ON THE AMOUNT OF AVAILABLE INCREMENTAL TAXES FOR PAYMENT OF PRINCIPAL OF AND INTEREST ON THE NOTE.

Changes in Multiplier and Tax Rate

The equalization factor annually determined by the Illinois Department of Revenue for properties located within Cook County (commonly referred to as the "multiplier") may vary substantially in future years. A decrease in the multiplier would reduce the equalized assessed value of the taxable real property in the Project Area and, therefore, the Available Incremental Taxes available to pay principal of and interest on the Note. The future tax rates of the units of local government levying taxes in the Project Area either individually or on a composite basis, may differ from their historical levels. Any decrease in the composite tax rate of the governmental units would decrease the amount of Available Incremental Taxes available to pay principal of and interest on the Note. Any decrease in the composite tax rate of the governmental units could occur in future years as a result of various factors, including, but not limited to, one or more of the following: (a) reduced governmental costs; (b) constitutional or statutory spending or tax rate limitations; or (c) governmental reorganization or consolidation.

Economic Risks Affecting Incremental Taxes

Changing economic circumstances or events in the Project Area may result in reductions in Available Incremental Taxes available to pay principal of and interest on the Note. Relocations of major property owners to sites outside the Project Area or sales of major properties to tax-exempt entities could reduce the assessed valuation of the real properties in the Project Area. Substantial damage to or destruction of improvements within the Project Area could cause a material decline in assessed valuation and impair the ability of the taxpayers in the Project Area to pay their respective portions of real estate taxes. Similarly, there can be no assurance that the improvements in the Project Area will be sufficiently insured under fire and extended coverage insurance policies. Even if such insurance is sufficient, the proceeds thereof will not be assigned as security for the payment of real estate taxes or to secure payment of the Note. In addition, any insurance proceeds may not be sufficient to repair or rebuild said improvements. The restoration of such improvements may be delayed by other factors, or the terms of then-applicable mortgage financing could require the application of insurance proceeds to the reduction of mortgage balances. Any of the foregoing circumstances could result in the assessed valuation of property in the Project Area remaining depressed for an unknown period of time and decrease the amount of Available Incremental Taxes available to pay principal of and interest on the Note.

Results of operation of properties within the Project Area depend, in part, on sales, leases, rental rates and occupancy levels, which may be adversely affected by competition, suitability of the properties located in the Project Area, local unemployment, availability of transportation, neighborhood changes, crime levels in the Project Area, vandalism, rising operating costs and similar factors. Poor operating results of properties within the Project Area may cause delinquencies in the payment of real estate taxes, reduce assessed valuations and increase the risk of foreclosures. Successful petitions by taxpayers to reduce their assessed valuations could adversely affect Available Incremental Taxes available for payment of principal of and interest on the Note.

Failure to Sell or Lease Property

At the time of Note issuance, the redevelopment plan called for the Developer [to sell/lease to commercial or industrial enterprises/retailers prior to/in connection with] completion of the Project. The slowdown, stoppage or failure of the Developer to complete the Project and to successfully sell/lease the Project could delay or reduce the amount of Available Incremental Taxes generated in the Project Area. Such delay or reduction could lead to a default in payments of the principal of and interest on the Note.

Reliance on Primary Taxpayers

If one or only a few property owners within the Project Area are responsible for generating a substantial amount of the Incremental Taxes, the generation of Available Incremental Taxes could be significantly adversely affected if such owner or owners and/or their tenants discontinue or curtail their businesses or terminate or default on their leases, and substitutes or replacements cannot be made on a timely basis.

Force Majeure Conditions

Riots, civil disturbances, vandalism, fires, and natural disasters or other "Acts of God" affecting the conditions and viability of the Project Area may reduce or eliminate the receipt of

Incremental Taxes which would result in the reduction or elimination of Available Incremental Taxes to pay principal of and interest on the Note.

Contiguous Project Areas

The Project Area is, or may become, contiguous with other redevelopment areas designated by the City pursuant to the TIF Act. The TIF Act allows the City to expend Incremental Taxes collected from the Project Area which are in excess of the amounts required in each year to pay and secure obligations issued and project costs incurred with respect to the Project Area to pay for costs eligible for payment under the TIF Act which are incurred in such contiguous areas. In the event Incremental Taxes from the Project Area in excess of Available Incremental Taxes, along with the amounts required to (i) pay principal and interest coming due on the Note in any year, and (ii) be deposited in other funds and accounts maintained under the Redevelopment Agreement, are allocated to a contiguous project redevelopment area, such excess Incremental Taxes will not be available to remedy any future failure to pay principal of and interest on the Note.

Risk of Delay in Payment

The failure of current or future owners of real property in the Project Area to remit property taxes to Cook County when due or the failure of Cook County to timely remit Incremental Taxes to the City could result in insufficient Available Incremental Taxes being available to pay principal of or interest on the Note when due.

Delays in Exercising Remedies

The enforceability of the Note is subject to applicable bankruptcy laws, equitable principles affecting the enforcement of creditors' rights generally and of liens securing such rights, and the police powers of the State of Illinois and its political subdivisions. Because of delays inherent in obtaining judicial remedies, it should not be assumed that these remedies could be accomplished rapidly.

Remedies available to the Noteholder may be limited by a variety of factors and may be inadequate to assure the timely payment of principal of and interest on the Note, or to preserve the tax-exempt status of the Note. The Note is not subject to acceleration due to payment default. Lack of remedies may entail risks of delay, limitation, or modification of the rights of the Noteholder. Judicial remedies, such as foreclosure and enforcement of covenants, are subject to exercise of judicial discretion.

Risk of Transferee Becoming a Debtor in Bankruptcy

If a transferee of the Note were to become a debtor under the United States Bankruptcy Code or applicable state laws, a creditor or trustee in bankruptcy of the transferee might argue that the sale of the Note by the transferee constituted a fraudulent conveyance or a pledge of the Note rather than a sale. If such positions were accepted by a court, then delays in principal and interest payments to the Noteholder could occur or reductions in the amounts of such payments could result. Additionally, if the transfer of the Note is re-characterized as a pledge, then a tax lien, governmental lien or other lien created by operation of law on the property of the transferee could have priority over the holder's interest in the Note.

Loss of Tax Exemption

Interest on the Note could become includible in gross income for federal income tax purposes retroactive to the date of issuance of the Note as a result of a failure of the City to comply with certain provisions of the Internal Revenue Code of 1986, as amended (the "Code"). An event of taxability does not trigger a mandatory redemption of the Note, and the Note will remain outstanding to maturity or until redeemed.

THE ABOVE IS NOT INTENDED TO BE A COMPREHENSIVE DISCUSSION OF ALL POTENTIAL RISKS ASSOCIATED WITH THE NOTE.

TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith an ordinance authorizing a Class L tax status for property located at 125 South Clark Street.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

Rahm Emanuel

Mayor

ORDINANCE

WHEREAS, the City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the Cook County Board of Commissioners has enacted the Real Property Assessment Classification Ordinance, as amended (the "Classification Ordinance"), which establishes the Class L property tax classification to encourage the preservation and rehabilitation of certain historically and architecturally significant buildings, which will enhance the general character of real estate in the county and contribute to the economic well-being of the county by increasing the level of economic activity, increasing employment opportunities and contributing to the long-term growth of the real property tax base; and

WHEREAS, 125 S. Clark (Chicago) SPE, LLC, a Delaware limited liability company (the "Owner"), is the owner of the historic building known as Commercial National Bank Building (the "Building") located at 125 S. Clark Street in Chicago, Illinois, as more precisely described in Exhibit 1 attached hereto and hereby made a part hereof (the land and improvements thereon being herein referred to as the "Project Real Estate"); and

WHEREAS, it is expected that the City Council of the City (the "City Council") will adopt an ordinance designating the Building as a Chicago Landmark pursuant to the criteria established in Section 2-120-580 et seq. of the Municipal Code of Chicago, and such designation as a Chicago landmark meets the definition of landmark pursuant to Section 1 of the Classification Ordinance; and

WHEREAS, the Owner proposes to rehabilitate the Building thereby preserving the historic building, increasing employment opportunities in the area and contributing to the long-term growth of the real property tax base (the "Project"); and

WHEREAS, it is anticipated that the Project may require a transfer of a beneficial interest in the Owner to one or more entities who will receive an allocation of federal historic rehabilitation tax credits ("Tax Credit Investors"); and

WHEREAS, the Owner anticipates using the Building for commercial purposes after the Project is completed (the "Use"); and

WHEREAS, the Owner has applied to the Office of the Assessor of Cook County, Illinois (the "Assessor"), for designation of the Project Real Estate as a Class L classification eligible for certain real estate tax incentives pursuant to the Classification Ordinance; and

WHEREAS, pursuant to the Classification Ordinance, the Class L classification is available to real estate which is to be used for commercial or industrial purposes and which (1) is a Landmark (as defined in the Classification Ordinance); and (2) has undergone Substantial Rehabilitation (as defined in the Classification Ordinance), which constitutes an investment by the owner of at least 50 percent of the building's full market value as determined by the Assessor in the assessment year prior to the commencement of the Substantial Rehabilitation; and the Class

L incentive shall apply to the building only, except that if the entire building has been vacant and unused for at least 24 continuous months prior to the filing of the eligibility application with the Assessor, the land upon which the building is situated shall be eligible for the incentive; and

WHEREAS, the Classification Ordinance requires that, in connection with the filing of a Class L eligibility application with the Assessor, an applicant must obtain from the unit of local government in which the real estate is located, an ordinance or resolution which expressly states that the local government: 1) has determined that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the property; 2) supports and consents to the granting of the incentive; and 3) has reviewed and accepted its Preservation Commission's (as defined in the Classification Ordinance) written recommendation of the project for the Class L incentive, specifying the project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; and

WHEREAS, the City is a Certified Local Government as defined in the Classification Ordinance and has established the City of Chicago Commission on Chicago Landmarks (the "Landmarks Commission"), and such Landmarks Commission is a Preservation Commission (as defined in the Classification Ordinance); and

WHEREAS, on October 1, 2015, the Landmarks Commission issued a written recommendation of the Project to the City Council; conditioned upon a final determination by the City Council to designate the building as a Chicago landmark, recommending that the Project be approved by the Assessor for the Class L incentive, a copy of which is attached hereto as Exhibit 2 and hereby made a part hereof; and

WHEREAS, the Project Real Estate shall have been occupied and used for the 24-month period prior to the filing of the Class L eligibility application with the Assessor, making the Class L incentive applicable to the Building only; and

WHEREAS, the City requires, and the Owner has agreed to perform or cause to be performed, certain work as part of the Project as more fully described in Exhibit 3 attached hereto and incorporated herein, in furtherance of the City's efforts to promote a sustainable development policy; and

WHEREAS, the Department of Planning and Development of the City (the "DPD") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class L designation, and hereby recommends to City Council that the City expressly determine by ordinance that: 1) the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate; 2) the City supports and consents to the granting of the incentive; and 3) the City has reviewed and accepted the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, and specifying that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; **now, therefore,**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate.

SECTION 3. The City hereby expressly supports and consents to the granting of the Class L incentive. The City's support and consent to the grant of certification for the Class L incentive for the Project Real Estate is expressly conditioned upon the substantial completion of the Project as proposed by the Owner and approved by the City, both upon completion of the Substantial Rehabilitation of the Project Real Estate and during the term of the Class L incentive.

SECTION 4. The Project is anticipated to be completed by December 31, 2018. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner (together with the Commissioner, an "Authorized Officer") shall have discretion to extend the construction completion date by issuing a written extension letter in response to a written request from the Owner. To the extent that the Project Real Estate is not rehabilitated, used or maintained during the term of the Class L incentive in a manner which is substantially consistent with the approved Project or Use, as determined by the Authorized Officer, the Authorized Officer is hereby authorized to take such steps as may be necessary and appropriate to withdraw the City's support and consent to the Class L incentive, which may cause the Class L certification to be terminated or revoked.

SECTION 5. The City has reviewed and hereby accepts the Landmarks Commission's written recommendation of the Project for the Class L incentive, which specifies the Project budget and proposed scope of the work, and which specifies that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties, a copy of which is attached hereto as Exhibit 2 and made a part hereof.

SECTION 6. The Authorized Officer is hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Owner with the Assessor for Class L designation of the Project Real Estate.

SECTION 7. The Authorized Officer is hereby authorized to enter into and execute such instruments and agreements, and perform any and all acts as shall be necessary or advisable in connection with the Project which reflect the terms described in Exhibit 3 hereto, or such other terms and conditions as may be imposed or approved in connection with the Project by the Authorized Officer.

SECTION 8. The Authorized Officer is hereby authorized to approve minor changes in the scope of work and budget delineated on (Sub) Exhibits A and B to Exhibit 2 hereof, provided that changes in the Building conditions warrant such changes and will not change the suitability of the Project Real Estate for the Use (all as determined in the sole discretion of the Authorized

Officer). Changes to the Project budget delineated on (Sub) Exhibit A to Exhibit 2 shall not require prior City approval provided that the Project is substantially completed in accordance with the scope of work defined in (Sub) Exhibit B to Exhibit 2 and achieves the minimum investment required for Class L eligibility.

SECTION 9. Upon request by the Owner for a final determination of the eligibility of the Project Real Estate for the Class L incentive by the Landmarks Commission pursuant to the Classification Ordinance upon completion of the Substantial Rehabilitation of the Project Real Estate, the Authorized Officer shall verify that the work performed substantially conforms to the Project approved by the City and that the Project Real Estate is eligible for the Class L incentive (the "Final Determination").

SECTION 10. Any conveyance of all or a portion of the Project Real Estate by the Owner before the Final Determination shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void. Any renewed support and consent of the City for the Class L incentive contemplated in connection with the Project undertaken by a successor in interest to the Owner of the Project Real Estate prior to the Final Determination shall require additional authorization by the City Council. Any change prior to the Final Determination in the direct owners in excess of 7.5% of the Owner or who constitute the direct or indirect controlling parties of the Owner, as determined by the Corporation Counsel (an "Ownership Change"), shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void, unless such Ownership Change is approved by the Authorized Officer in his or her discretion. This Section 10 shall not apply to the transfer of a beneficial interest in the Owner to Tax Credit Investors with respect to the Project, or to the transfer of a leasehold interest in the Project Real Estate to a master tenant entity owned in whole or in part by one or more Tax Credit Investors, provided that such transfers do not involve a change to the direct or indirect controlling parties of the Owner.

SECTION 11. No permit fee waiver(s) pursuant to Section 2-120-815 of the Municipal Code of Chicago from the City related to the Project Real Estate shall be granted to the Owner during the rehabilitation of the Project and prior to the expiration of the Class L incentive related to the Project Real Estate.

SECTION 12. To the extent that any ordinance, resolution, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any section, paragraph, clause or provision shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

SECTION 13. This Ordinance shall be effective from and after its passage and approval.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the Cook County Board of Commissioners has enacted the Real Property Assessment Classification Ordinance, as amended (the "Classification Ordinance"), which establishes the Class L property tax classification to encourage the preservation and rehabilitation of certain historically and architecturally significant buildings, which will enhance the general character of real estate in the county and contribute to the economic well-being of the county by increasing the level of economic activity, increasing employment opportunities and contributing to the long-term growth of the real property tax base; and

WHEREAS, 1000 W. Randolph, LLC, a Delaware limited liability company (the "Owner"), is the owner of the historic building known as 1000 W. Randolph (the "Building") located at 1000 West Randolph in Chicago, Illinois, as more precisely described in Exhibit 1 attached hereto and hereby made a part hereof (the land and improvements thereon being herein referred to as the "Project Real Estate"); and

WHEREAS, the City Council of the City (the "City Council") adopted an ordinance on July 29, 2015, designating the area encompassing the Building, otherwise known as the Fulton-Randolph Market District, as a Chicago Landmark pursuant to the criteria established in Section 2-120-580 et seq. of the Municipal Code of Chicago, and such designation as a Chicago landmark meets the definition of landmark pursuant to Section 1 of the Classification Ordinance; and

WHEREAS, the Owner proposes to rehabilitate the Building thereby preserving the historic building, increasing employment opportunities in the area and contributing to the long-term growth of the real property tax base (the "Project"); and

WHEREAS, it is anticipated that the Project may require a transfer of a beneficial interest in the Owner to one or more entities who will receive an allocation of federal historic rehabilitation tax credits ("Tax Credit Investors"); and

WHEREAS, the Owner anticipates using the Building for commercial purposes after the Project is completed (the "Use"); and

WHEREAS, the Owner has applied to the Office of the Assessor of Cook County, Illinois (the "Assessor"), for designation of the Project Real Estate as a Class L classification eligible for certain real estate tax incentives pursuant to the Classification Ordinance; and

WHEREAS, pursuant to the Classification Ordinance, the Class L classification is available to real estate which is to be used for commercial or industrial purposes and which (1) is a Landmark (as defined in Section 1 of the Classification Ordinance); and (2) has undergone Substantial Rehabilitation (as defined in Section 1 of the Classification Ordinance), which constitutes an investment by the owner of at least 50 percent of the building's full market value as determined by the Assessor in the assessment year prior to the commencement of the

Substantial Rehabilitation; and the Class L incentive shall apply to the building only, except that if the entire building has been vacant and unused for at least 24 continuous months prior to the filing of the eligibility application with the Assessor, the land upon which the building is situated shall be eligible for the incentive; and

WHEREAS, Section 2 of the Classification Ordinance requires that, in connection with the filing of a Class L eligibility application with the Assessor, an applicant must obtain from the unit of local government in which the real estate is located, an ordinance or resolution which expressly states that the local government: 1) has determined that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the property; 2) supports and consents to the granting of the incentive; and 3) has reviewed and accepted its Preservation Commission's (as defined in Section 1 of the Classification Ordinance) written recommendation of the project for the Class L incentive, specifying the project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; and

WHEREAS, the City is a Certified Local Government as defined in Section 1 of the Classification Ordinance and has established the City of Chicago Commission on Chicago Landmarks (the "Landmarks Commission"), and such Landmarks Commission is a Preservation Commission (as defined in Section 1 of the Classification Ordinance); and

WHEREAS, on March 3, 2016, the Landmarks Commission issued a written recommendation of the Project to the City Council, conditioned upon a final determination by the City Council to designate the Building as a Chicago landmark, recommending that the Project be approved by the Assessor for the Class L incentive, a copy of which is attached hereto as Exhibit 2 and hereby made a part hereof; and

WHEREAS, the Department of Planning and Development of the City (the "DPD") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class L designation, and hereby recommends to City Council that the City expressly determine by ordinance that: 1) the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate; 2) the City supports and consents to the granting of the incentive; and 3) the City has reviewed and accepted the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, and specifying that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; **now, therefore,**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate.

SECTION 3. The City hereby expressly supports and consents to the granting of the Class L incentive. The City's support and consent to the grant of certification for the Class L incentive for the Project Real Estate is expressly conditioned upon the substantial completion of

the Project as proposed by the Owner and approved by the City, both upon completion of the Substantial Rehabilitation of the Project Real Estate and during the term of the Class L incentive.

SECTION 4. The Project is anticipated to be completed by May 31, 2017. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner (together with the Commissioner, an "Authorized Officer") shall have discretion to extend the construction completion date by issuing a written extension letter in response to a written request from the Owner. To the extent that the Project Real Estate is not rehabilitated, used or maintained during the term of the Class L incentive in a manner which is substantially consistent with the approved Project or Use, as determined by the Authorized Officer, the Authorized Officer is hereby authorized to take such steps as may be necessary and appropriate to withdraw the City's support and consent to the Class L incentive, which may cause the Class L certification to be terminated or revoked.

SECTION 5. The City has reviewed and hereby accepts the Landmarks Commission's written recommendation of the Project for the Class L incentive, which specifies the Project budget and proposed scope of the work, and which specifies that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties, a copy of which is attached hereto as Exhibit 2 and made a part hereof.

SECTION 6. The Authorized Officer is hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Owner with the Assessor for Class L designation of the Project Real Estate.

SECTION 7. The Authorized Officer is hereby authorized to enter into and execute such instruments and agreements, and perform any and all acts as shall be necessary or advisable in connection with the Project.

SECTION 8. The Authorized Officer is hereby authorized to approve minor changes in the scope of work delineated on (Sub) Exhibit B to Exhibit 2 hereof, provided that changes in the Building conditions warrant such changes and will not change the suitability of the Project Real Estate for the Use (all as determined in the sole discretion of the Authorized Officer).

SECTION 9. Upon request by the Owner for a final determination of the eligibility of the Project Real Estate for the Class L incentive by the Landmarks Commission pursuant to the Classification Ordinance upon completion of the Substantial Rehabilitation of the Project Real Estate, the Authorized Officer shall verify that the work performed substantially conforms to the Project approved by the City and that the Project Real Estate is eligible for the Class L incentive (the "Final Determination").

SECTION 10. Any conveyance of all or a portion of the Project Real Estate by the Owner before the Final Determination shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void. Any renewed support and consent of the City for the Class L incentive contemplated in connection with the Project undertaken by a successor in interest to the Owner of the Project Real Estate prior to the Final Determination shall require additional authorization by the City Council. Any change

prior to the Final Determination in the direct owners in excess of 7.5% of the Owner or who constitute the direct or indirect controlling parties of the Owner, as determined by the Corporation Counsel (an "Ownership Change"), shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void, unless such Ownership Change is approved by the Authorized Officer in his or her discretion. This Section 10 shall not apply to the transfer of a beneficial interest in the Owner to Tax Credit Investors with respect to the Project, or to the transfer of a leasehold interest in the Project Real Estate to a master tenant entity owned in whole or in part by one or more Tax Credit Investors, provided that such transfers do not involve a change to the direct or indirect controlling parties of the Owner.

SECTION 11. No permit fee waiver(s) pursuant to Section 2-120-815 of the Municipal Code of Chicago from the City related to the Project Real Estate shall be granted to the Owner during the rehabilitation of the Project and prior to the expiration of the Class L incentive related to the Project Real Estate.

SECTION 12. To the extent that any ordinance, resolution, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any section, paragraph, clause or provision shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

SECTION 13. This Ordinance shall be effective from and after its passage and approval.

Responses contained in the corresponding EDS and this Attachment A are true, accurate and complete based on the undersigned's ("Authorized Representative") knowledge, information and belief, upon due inquiry by relying on information provided by other employees of the Disclosing Party's Trustee and its affiliates or subsidiaries. Some sections of the EDS are in the process of being updated. The Disclosing Party will provide the City of Chicago with an update to this Disclosure Statement if there are any material changes to the matters disclosed herein.

SECTION V: CERTIFICATIONS

B. FURTHER CERTIFICATIONS

B.2 (a-e) With respect to Section V, paragraph B.2 (a-e), the Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, that such statements are accurate with respect to the trustee of the Disclosing Party. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, JPMorgan Chase & Co. and/or its subsidiaries (collectively, the "Firm") are defendants or putative defendants in numerous legal proceedings, including private civil litigations and regulatory/government investigations. The litigations range from individual actions involving a single plaintiff to class action lawsuits with potentially millions of class members. Investigations involve both formal and informal proceedings, by both governmental agencies and self-regulatory organizations. These legal proceedings are at varying stages of adjudication, arbitration or investigation, and involve each of the Firm's lines of business and geographies and a wide variety of claims (including common law tort and contract claims and statutory antitrust, securities and consumer protection claims), some of which present novel legal theories. Based on current knowledge, the Firm believes it has asserted meritorious defenses to the claims asserted against it in its currently outstanding legal proceedings, intends to defend itself vigorously in all such matters and does not believe that any pending legal proceeding would have a material effect on the Firm's performance of the services contemplated by the RFP. For further discussion, please refer to JPMorgan Chase & Co.'s publicly-filed disclosures, including its most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission (available at: http://investor.shareholder.com/jpmorganchase/sec.cfm). Reference is also made to a press release issued on May 20, 2015 concerning settlements related to foreign exchange activities (available at http://investor.shareholder.com/jpmorganchase/releasedetail.cfm?ReleaseID=914105).

On May 20, 2015, JPMorgan Chase & Co. entered a plea of guilty to a single violation of federal antitrust law and is currently awaiting sentencing by the court. Additional information regarding the plea and resolutions of other investigations related to the Firm's foreign exchange activities is available via May 20, 2015 press release (available at http://investor.shareholder.com/jpmorganchase/releasedetail.cfm?ReleaseID=914105).

B.3 (a&d) The Authorized Representative certifies on behalf of the Disclosing Party the accuracy of the statements contained in Section V, paragraph B.3 (a & d) only as to the Disclosing Party and its trustee. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, JPMorgan Chase & Co. and/or its subsidiaries (collectively, the "Firm") are defendants or putative defendants in numerous legal proceedings, including private civil litigations and regulatory/government investigations. The litigations range from individual actions involving a single plaintiff to class action lawsuits with potentially millions of class members. Investigations involve both formal and informal proceedings, by both governmental agencies and self-regulatory organizations. These legal proceedings are at varying stages of adjudication, arbitration or investigation, and involve each of the Firm's lines of business and geographies and a wide variety of claims (including common law tort and contract claims and statutory antitrust, securities and consumer protection claims), some of which present novel legal theories. Based on current knowledge, the Firm believes it has asserted meritorious defenses to the claims asserted against it in its currently outstanding legal proceedings, intends to defend itself vigorously in all such matters and does not believe that any pending legal proceeding would have a material effect on the Firm's performance of the services contemplated by the RFP. For further discussion, please refer to JPMorgan Chase & Co.'s publicly-filed disclosures, including its most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission (available at: http://investor.shareholder.com/jpmorganchase/sec.cfm). Reference is also made to a press release issued on May 20, 2015 concerning settlements related to foreign exchange activities (available at http://investor.shareholder.com/jpmorganchase/releasedetail.cfm?ReleaseID=914105). Furthermore, with respect to the Living Wage ordinance, the Disclosing Party has not, during the five years before the execution date of this EDS, been determined to have violated the provisions of Municipal Code Section 2-92-610 (Living Wage Ordinance) as it relates to base wages.

B.3 (b&c) & B.4 The Disclosing Party has not agreed or colluded with other bidders or prospective bidders as to this transaction, or been a party to any such agreement. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, the Disclosing Party has not been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry,

the Disclosing Party has not made an admission of such conduct described in B.3 a. or b. above that is a matter of record, and has not been prosecuted for such conduct, except to the extent set forth in the summaries of material legal proceedings involving JPMorgan Chase & Co. or its subsidiaries within the last five years are referenced in JPMorgan Chase & Co.'s Form 10-K, Form 10-Q, and any Form 8-K filing, all as filed with the Securities and Exchange Commission ("SEC") and all available through J.P. Morgan's internet site http://investor.shareholder.com/jpmorganchase/sec.cfm or through the SEC's internet site (www.sec.gov) (the "SEC filings") and the public record of each matter identified in the SEC filings. The Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, none of the foregoing matters would have a material adverse effect on this transaction.

SECTION V: CERTIFICATIONS

B. FURTHER CERTIFICATIONS

B.2 (a-e) With respect to Section V, paragraph B.2 (a-e), the Authorized Representative certifies based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, that such statements are accurate with respect to the trustee of the Disclosing Party. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, JPMorgan Chase & Co. and/or its subsidiaries (collectively, the "Firm") are defendants or putative defendants in numerous legal proceedings, including private civil litigations and regulatory/government investigations. The litigations range from individual actions involving a single plaintiff to class action lawsuits with potentially millions of class members. Investigations involve both formal and informal proceedings, by both governmental agencies and self-regulatory organizations. These legal proceedings are at varying stages of adjudication, arbitration or investigation, and involve each of the Firm's lines of business and geographies and a wide variety of claims (including common law tort and contract claims and statutory antitrust, securities and consumer protection claims), some of which present novel legal theories. Based on current knowledge, the Firm believes it has asserted meritorious defenses to the claims asserted against it in its currently outstanding legal proceedings, intends to defend itself vigorously in all such matters and does not believe that any pending legal proceeding would have a material effect on the Firm's performance of the services contemplated by the RFP. For further discussion, please refer to JPMorgan Chase & Co.'s publicly-filed disclosures, including its most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission (available at:

http://investor.shareholder.com/jpmorganchase/sec.cfm). Reference is also made to a press release issued on May 20, 2015 concerning settlements related to foreign exchange activities (available at http://investor.shareholder.com/jpmorganchase/releasedetail.cfm?ReleaseID=914105).

On May 20, 2015, JPMorgan Chase & Co. entered a plea of guilty to a single violation of federal antitrust law and is currently awaiting sentencing by the court. Additional information regarding the plea and resolutions of other investigations related to the Firm's foreign exchange activities is available via May 20. 2015 press release (available at http://investor.shareholder.com/jpmorganchase/releasedetail.cfm?ReleaseID=914105).

B.3 (a&d) The Authorized Representative certifies on behalf of the Disclosing Party the accuracy of the statements contained in Section V, paragraph B.3 (a & d) only as to the Disclosing Party and its trustee. Based on the Authorized Representative's knowledge, information. and belief, upon due inquiry, JPMorgan Chase & Co. and/or its subsidiaries (collectively. the "Firm") are defendants or putative defendants in numerous legal proceedings, including private civil litigations and regulatory/government investigations. The litigations range from individual actions involving a single plaintiff to class action lawsuits with potentially millions of class members. Investigations involve both formal and informal proceedings, by both governmental agencies and self-regulatory organizations. These legal proceedings are at varying stages of adjudication. arbitration or investigation. and involve each of the Firm's lines of business and geographies and a wide variety of claims (including common law tort and contract claims and statutory antitrust, securities and consumer protection claims), some of which present novel legal theories. Based on current knowledge, the Firm believes it has asserted meritorious defenses to the claims asserted against it in its currently outstanding legal proceedings, intends to defend itself vigorously in all such matters and does not believe that any pending legal proceeding would have a material effect on the Firm's performance of the services contemplated by the RFP. Reference is also made to a press release issued on May 20, 2015 concerning settlements related to foreign exchange activities (available at http://investor.shareholder.com/jpmorganchase/releasedetail.cfm?ReleaseID=914105). Furthermore, with respect to the Living Wage ordinance, the Disclosing Party has not, during the five years before the execution date of this EDS, been determined to have violated the provisions of Municipal Code Section 2-92-610 (Living Wage Ordinance) as it relates to base wages.

B.3 (b&c) & B.4 The Disclosing Party has not agreed or colluded with other bidders or prospective bidders as to this transaction, or been a party to any such agreement. Based on the

Authorized Representative's knowledge, information, and belief, upon due inquiry, the Disclosing Party has not been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise. Based on the Authorized Representative's knowledge, information, and belief, upon due inquiry, the Disclosing Party has not made an admission of such conduct described in B.3 a. or b. above that is a matter of record, and has not been prosecuted for such conduct, except to the extent set forth in the summaries of material legal proceedings involving JPMorgan Chase & Co. or its subsidiaries within the last five years are referenced in JPMorgan Chase & Co.'s Form 10-K, Form 10-Q, and any Form 8-K filing, all as filed with the Securities and Exchange Commission ("SEC") and all available through J.P. BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The City Council hereby approves the sale of the Property to the Developer for the amount of One Hundred Sixty-Five Thousand Dollars ($165,000).

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or the Deputy City Clerk is authorized to attest, one or more quitclaim deeds conveying the Property to the Developer. Without limiting the quitclaim nature of such deed, such conveyance shall be subject to (i) standard exceptions in an ALTA insurance policy; (ii) general real estate taxes and any special assessments or other taxes; (iii) easements, encroachments, covenants, restrictions and liens of record and not shown of record; (iv) such other title defects as may exist; and (v) any and all exceptions caused by acts of the Grantee or its agents.

Such conveyance also shall be subject to the following conditions and covenants, in substantially the form set forth below, which are part of the consideration for the Property and which are to be taken and construed as running with the land and binding on the Developer and its successors and assigns:

FIRST: Grantee must construct a concrete pad ("Pad") on the Property. The construction of the Pad must commence not later than September 30, 2016, and must be completed not later than March 31, 2017, unless the Commissioner of the City's Department of Planning and Development or any successor department thereto (the "Commissioner") extends, in writing, such commencement and/or completion dates.

SECOND: The Pad must be for use by a fast food restaurant operating on the Property. The Commissioner may in his/her sole discretion release the covenant set forth in this covenant SECOND.

THIRD: The City of Chicago (the "City") makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and Grantee agrees to accept the Property in its "as is," "where is" and "with all faults" condition.

FOURTH: Grantee shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof.

FIFTH: Grantee hereby waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of

1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Property prior to the date of this deed, including, without limitation, liabilities arising under CERCLA. Grantee hereby acknowledges that, in purchasing the Property, Grantee is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. If, after the date of this deed, the structural, physical and environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be Grantee's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use.

SIXTH: Grantee agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Pad:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this covenant SIXTH, during the course of construction of the Pad, at least 26% of the aggregate hard construction costs shall be expended for contract participation by minority owned businesses and at least 6% of the aggregate hard construction costs shall be expended for contract participation by women owned businesses.

(b) For purposes of this covenant SIXTH only:

(i) Grantee (and any party to whom a contract is let by Grantee in connection with the Pad) shall be deemed a "contractor" and this Deed (and any contract let by Grantee in connection with the Pad) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services

as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, Grantee's MBE/WBE commitment may be achieved in part by Grantee's status as an MBE or WBE (but only to the extent of any actual work performed on the Pad by Grantee) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Pad by the MBE or WBE); by Grantee utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Pad by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Pad to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Pad from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Grantee's MBE/WBE commitment as described in this covenant SIXTH. In accordance with Section 2-92-730, Municipal Code of Chicago, Grantee shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) Grantee shall deliver quarterly reports to the City's monitoring staff describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Grantee or the general contractor to work on the Pad, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Pad, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Grantee's compliance with this MBE/WBE commitment. Grantee shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Pad for at least five (5) years after completion of the Pad, and the City's monitoring staff shall have access to all such records maintained by Grantee, on prior notice of at least five (5) business days, to allow the City to review Grantee's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Pad.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, Grantee shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of Grantee's MBE/WBE commitment as described in this covenant SIXTH shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) During the construction of the Pad, Grantee shall submit all documentation required by this covenant SIXTH to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Pad via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Grantee is not complying with its obligations under this covenant SIXTH, shall, upon the delivery of written notice to Grantee, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Deed, the City may: (w) issue a written demand to Grantee to halt construction of the Pad or (x) seek any other remedies against Grantee available at law or in equity.

SEVENTH: Grantee agrees, and shall contractually obligate each Employer to agree, that during the construction of the Pad, Grantee and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of Grantee or an Employer and that in addition to complying with this percentage, Grantee and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(a) Grantee and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(b) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(c) Grantee and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of Pad. Grantee and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(d) Grantee and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that Grantee or Employer hired the employee should be written in after the employee's name.

(e) Grantee and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized

representative thereof. Grantee and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the date of the City's "Certificate of Completion", which Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenant numbered FIRST.

(f) At the direction of the Department, Grantee and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(g) Good faith efforts on the part of Grantee and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this covenant SEVENTH concerning the worker hours performed by actual Chicago residents.

(h) If the City determines that Grantee or an Employer failed to ensure the fulfillment of the requirements of this covenant SEVENTH concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this covenant SEVENTH. The parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs as set forth in an Owner's Sworn Statement acceptable to the Department in its sole discretion shall be surrendered by Grantee and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Grantee and/or the other Employers or employees to prosecution.

(i) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Deed.

(j) Grantee shall cause or require the provisions of this covenant SEVENTH to be included in all construction contracts and subcontracts related to the construction of the Pad.

EIGHTH: Following the commencement of retail food sales at a restaurant developed on the Pad, the Grantee shall submit a request for a return of the Performance Deposit (in the amount of Eight Thousand Two Hundred Fifty Dollars ($8,250)), and the City shall return the Performance Deposit within ninety (90) days of receiving such request.

NINTH: The Grantee must supply a clarification to the existing Phase I Environmental Site Assessment Report specifying that the "Subject Property" of the

report includes the PIN Number and legal description of the Property (conveyed pursuant to this deed). The Developer must conduct a Phase II Environmental Site Assessment on the Property to assess soil and soil gas for the constituent lists specified in 35 Illinois Administrative Code Section 740, Appendix A, including vapor migration and indoor inhalation issues. The City's Department of Fleet and Facility Management ("DFFM") shall have the right to review and approve the Scope of Work for the assessment before it is performed, and shall reserve the right to require additional assessments depending on the results of the initial assessment. If contaminants are identified in exceedance of the standards of 35 Illinois Administrative Code Section 742.3025, the contaminants must be properly removed or remediated before redevelopment and occupancy. The City must be named in a reliance letter for all assessment reports produced concerning the Property. If Underground Storage Tanks (USTs) are discovered on the Property during development, the Grantee must remove the USTs and close any leaking underground storage tank incidents in accordance with Illinois Office of the State Fire Marshal and Illinois Environmental Protection Agency requirements before occupancy. Upon the completion of the requirements in this covenant, the Grantee shall request a review and inspection by DFFM. DFFM shall provide the Grantee with either a certificate of release of this covenant, or a written statement indicating how the Grantee have failed to complete the covenant requirements, and what measures or acts are necessary, in the sole reasonable opinion of DFFM, for the Grantee to take or perform in order to obtain the certificate of release of this covenant numbered NINTH.

The covenant numbered FIRST shall terminate on the date of the City's Certificate of Completion. The covenant numbered SECOND shall terminate on June 30, 2026. The covenants numbered SIXTH and SEVENTH shall terminate on the date the City issues a letter stating that the Grantee has satisfied the requirements of such covenants (either by complying with such covenants or paying any amounts owed to the City as a result of non-compliance). The covenant numbered EIGHTH shall terminate on the date the City returns the Performance Deposit to the Grantee. The covenant numbered NINTH shall terminate on the date DFFM issues its certificate of release.

The covenants numbered THIRD, FOURTH and FIFTH shall have no limitation as to time.

If Grantee fails to comply with any of the foregoing covenants and conditions, the City may exercise any and all remedies available to it at law or in equity, including the right to re-enter and take possession of the Property, terminate the estate conveyed to Grantee, record the Grantee's reconveyance deed, and revest title to the Property in the City, and such right, title and interest of Grantee in and to the Property shall revert to the City; provided, however, the City's right of reverter shall be limited by, and shall not defeat, render invalid, or limit in any way: (i) the lien of any mortgage authorized by the Department; or (ii) any lease to a fast food restaurant in effect at the time of such reversion, provided that the lessee has been approved by the Department. If title to the Property revests in the City pursuant to the right of reverter, the Grantee shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Grantee, and shall cause the release of all liens or encumbrances placed on the Property (except those permitted by the Department) during the period of time the Property was owned by the Grantee. The Grantee will cooperate with the City to ensure that if the City records the reconveyance deed, such recording is effective for purposes of transferring title to the Property to the City, subject

only to those title exceptions that were on title as of the date and time that the City conveyed the Property to the Grantee and utility easements. Notwithstanding the foregoing, with respect to the Grantee's violation, breach or failure to comply with the covenant numbered SIXTH or SEVENTH, the City may elect not to exercise its Right of Reverter and instead require the Grantee to pay the City money damages, within ninety (90) days of the default, in an amount determined by the City in accordance with covenant SIXTH and/or SEVENTH, as applicable.

SECTION 3. The Commissioner and the Managing Deputy Commissioner of the Department are each authorized to execute any ancillary closing documents on behalf of the City.

SECTION 4. The transfer of title of the Property from the City to the Developer must close on or before the date that is sixty (60) days following the date on which this ordinance is published in the Journal (the "Outside Closing Date"), unless the Commissioner in his sole discretion extends the Outside Closing Date. This ordinance shall be null and void with respect to any portion of the Property that has not yet been transferred to the Developer by the Outside Closing Date, as may be extended.

SECTION 5. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 6. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

SECTION 7. This ordinance shall take effect upon its passage and approval.

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 – 97374, and on June 25, 2014 and published in the Journal for such date at pages 83533 - 83535 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000.00); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the ANLAP Program, an Adjacent Neighbor means a person who owns one parcel, or two or more contiguous parcels, of real property that is immediately adjacent to a city-owned parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the real estate on which grantee's primary residence is located, including the adjacent side yard if any; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Gregory Mejia and Kathryn Gauthier (the "Purchasers"), who have a principal residence of 5152 S. Loomis Blvd. Street, Chicago, Illinois 60609; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any); and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, pursuant to Resolution Number 16-025-21 adopted on April 21, 2016, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity of such provision shall not affect any of the other provisions of this ordinance.

Ladies and Gentlemen:

At the request of the Commissioner of Planning and Development, I transmit herewith ordinances authorizing the sale of city-owned property.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 - 5585 of the Journal of Proceedings of the City Council ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, the Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the Journal for such date at pages 11830 - 11833, and on January 7, 1983 and published in the Journal for such date at pages 14803 - 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the Journal for such date at pages 56195 - 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the Journal for such date at pages 92771 - 92773, and on July 28, 2010 and published in the Journal for such date at pages 97370 - 97374 , and on June 25, 2014 and published in the Journal for such date at pages 83533 - 83535 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010 et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand Dollars ($50,000.00); and

WHEREAS, pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least One Thousand Dollars ($1,000.00); if the property appraises at or for less than Twenty Thousand Dollars ($20,000.00) but more than Ten Thousand Dollars ($10,000.00) the minimum acceptable bid must be at least Two Thousand Dollars ($2,000.00); and if the property appraises for more than Twenty Thousand Dollars ($20,000.00) the minimum acceptable bid must be Two Thousand Dollars ($2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand Dollars ($20,000.00); and

WHEREAS, pursuant to the ANLAP Program, an Adjacent Neighbor means a person who owns one parcel, or two or more contiguous parcels, or real property that is immediately adjacent to a city-owned parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

WHEREAS, pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the real estate on which grantee's primary residence is located; and (2) require that the parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten (10) years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, the Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Amelia Soudan (the "Purchaser"), who has a principal residence of 5926 West Huron Street, Chicago, Illinois 60644; and

WHEREAS, pursuant to Resolution Number 16-012-21 adopted on March 17, 2016, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any) and has also caused public notice advertising the City's intent to enter into the sale of the ANLAP Parcel to the Purchaser to be published in the *Chicago Sun-Times* on March 30, 2016; and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity of such provision shall not affect any of the other provisions of this ordinance.

ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, pursuant to ordinance adopted by the City Council of the City (the "City Council") on January 10, 2001, and published in the Journal of Proceedings of the City Council (the "Journal") for such date at pages 50400-50406, the City Council has previously approved the participation of and the conveyance of certain City-owned parcels to Claretian Associates, Inc., an Illinois not-for-profit corporation (the "Developer"), for the construction of homes under the City's New Homes for Chicago Program (the "New Homes Program"); and

WHEREAS, pursuant to such ordinance and the New Homes Program, the City and the Developer have entered into that certain "Redevelopment Agreement, New Homes For Chicago Program, Claretian Associates, Inc." ("Redevelopment Agreement"), dated as of July 9, 2002, and recorded in the Recorder's Office of Cook County, Illinois (the "Recorder's Office") on July 24, 2002, as document no. 0020808096, as amended by that certain "First Amendment to Redevelopment Agreement" ("First Amendment"), dated December 4, 2003, and recorded in the Recorder's Office on December 5, 2003, as document no. 0333931058 (the Redevelopment Agreement, as amended by the First Amendment, the "First Amended Redevelopment Agreement"); and

WHEREAS, pursuant to ordinance adopted on April 26, 2006, and published in the Journal for such date at pages 75201 – 75212, the City and the Developer have entered into that certain "Second Amendment to Redevelopment Agreement" ("Second Amendment"), dated as of January 23, 2007, and recorded in the Recorder's Office on January 29, 2007, as document no. 0702933169 (the First Amended Redevelopment Agreement, as amended by the Second Amendment, the "Current RDA"); and

WHEREAS, pursuant to a release dated May 2, 2016, and recorded in the Recorder's Office on May 3, 2016, as document no. 1612416017, the City has previously released various City-owned parcels from the Current RDA because the deadline by which such parcels could be conveyed to the Developer had expired; and

WHEREAS, the City and the Developer desire to amend the Current RDA, for the purposes of: (i) releasing from the Current RDA Parcel 1 identified in Exhibit A to this ordinance (the "9130 S. Burley Parcel"); (ii) allowing the Developer to convert the unfinished single-family home on the two (2) lots that comprise Parcel 2 identified in Exhibit A (collectively, the "9230 S. Brandon Parcel") to an affordable rental two-flat residential building; and (iii) allowing the Developer to convert the unfinished single-family home on the Private Parcel (9128 S. Burley Avenue) identified in Exhibit B to this ordinance to an affordable, rental two-flat residential building. It is anticipated that the Developer will combine the 9130 S. Burley Parcel with the Private Parcel for the purpose of developing a two-flat residential building on the Private Parcel, which development is subject to applicable zoning; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals, and the statements of fact and findings made therein, are incorporated herein and made a part of this ordinance.

WHEREAS, pursuant to ordinance adopted on _____, 2016 and published in the Journal for such date at pages _____ - _____, the City and the Developer have entered into this Third Amendment, for the purposes of: (i) releasing from the Current RDA Parcel 1 identified in Exhibit 1 to this Third Amendment (the "9130 S. It is anticipated that the Developer will combine the 9130 S. Burley Parcel with the Private Parcel for the purpose of developing the two-flat residential building;

NOW, THEREFORE, in consideration of the above recitals and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The recitals set forth above constitute an integral part of this Third Amendment and are incorporated herein by this reference as if fully set forth herein.

SECTION 2. CONFLICT.

In the event of a conflict between the terms of the Current RDA and the terms of this Third Amendment, the terms of this Third Amendment shall govern and control.

SECTION 3. CONSTRUCTION OF THE PROJECT.

The Developer shall convert the unfinished single-family home on the 9230 S. Brandon Parcel to an affordable rental two-flat residential building. The Developer shall also convert the unfinished single-family home on the Private Parcel to an affordable, rental two-flat residential building.

Each two-flat residential building shall be developed in accordance with plans and specifications to be reviewed and approved by DPD. The approval of any working drawings and specifications by the Department's Bureau of Housing is for the purpose of this Third Amendment only and does not constitute the approval required by the City's Department of Buildings, any other Department Bureau (such as, but not limited to, the Department's Bureau of Zoning), or any other City department; nor does the approval by the Department pursuant to this Third Amendment constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the 9130 S. Burley Parcel, 9230 S. Brandon Parcel or the Private Parcel, as

applicable. The approval given by the Department shall be only for the benefit of the Developer and any lienholder authorized by this Third Amendment.

The Developer shall complete the construction of each two-flat residential building, as evidenced by the City's issuance of a Certificate of Occupancy ("COO") and DPD's issuance of Construction Close Out Letter ("CCO Letter") and a "Compliance Letter", within one (1) year from the date of the publication of the ordinance that authorized the City's execution of this Third Amendment (i.e., one year from _____, 2016), unless the Commissioner of DPD, in his sole discretion, extends such outside completion date.

SECTION 4. AFFORDABILITY.

(a) Each unit in the two-flat buildings to be developed on the 9230 Brandon Parcel and on the Private Parcel, for a period of seven (7) years following the later of the date of the COO, CCO Letter, and Compliance Letter, for the respective building, shall not be rented except to (a) to a household whose household income, adjusted for family size, does not exceed one hundred percent (100%) of the Chicago Primary Metropolitan Statistical Area median income ("AMI"), as published by the United States Department of Housing and Urban Development ("HUD") and (b) at a rent that does not exceed the maximum affordable rent, adjusted for household size and utilities, at one hundred percent (100%) AMI, for the applicable year as published by HUD.

(b) For a period of seven (7) years from the first date any unit is leased, the Developer must submit an Annual Owner Certification (AOC) documentation to the Department of Planning and Development's Compliance Division by October 31 of each year, including:

(i) The rent roll (which includes tenants name, current lease period and household composition data);
(ii) Annual Owner's Certification (using the Department's then current form, and including information on number of bedrooms and square footage);
(iii) Completed Tenant Income Certification (TIC) form with required documentation for every unit (do not need to have new forms unless there is a new tenant, or someone has been added to the lease of the current tenant);
(iv) Copy of lease agreement for every unit;
(v) Contact information for the management company; and
(vi) Copy of the original signed Affordable Housing Profile (using the form attached to this Third Amendment as Exhibit 3).

(c) If the Developer fails to comply with the affordability requirements set forth in this Section 4, then:

(i) If such non-compliance relates to the two-flat to be developed on the 9230 S. Brandon Parcel, then the Developer shall pay the City as damages, and not as a penalty, a dollar amount equal to the appraised fair market value of the 9230 Brandon Parcel at the time the City conveyed such parcel to the Developer, which dollar

amount the parties agree is Ten Thousand Dollars ($10,000). If such non-compliance relates to the two-flat to be developed on the 9130 S. Burley Parcel and the Private Parcel, then the Developer shall pay the City as damages, and not as a penalty, a dollar amount equal to the appraised fair market value of the 9130 S. Burley Parcel at the time the City conveyed such parcel to the Developer, which dollar amount the parties agree is Five Thousand Dollars ($5,000);

(ii) In addition to any other available remedy, the City may seek an injunction or other equitable relief in court to stop any violation of this section and to recover any funds improperly obtained from any rental of a required affordable unit in violation of this section, plus costs and interest at the rate prescribed by law from the date a violation occurred;

(iii) The City may seek such other remedies and use other enforcement powers, as allowed by law. The remedies and enforcement powers established in this section are cumulative, and the City may exercise them in any order.

(iv) Any fines or penalties imposed by the city for a violation of this section, and any fees collected under this section, shall be deposited into the Affordable Housing Opportunity Fund, unless required to be deposited into another fund pursuant to federal or state law, and shall be used and disbursed in accordance with Section 2-25-115(G) of the City's Affordable Housing Ordinance.

SECTION 5. RELEASE.

(a) The Current RDA, as amended by this Third Amendment, other than Section 4 of this Third Amendment, shall be automatically released from the 9230 S. Brandon Parcel and from the Private Parcel, on the later of the date of the COO, the CCO Letter and the Compliance Letter, for the 9230 S. Brandon Parcel and the Private Parcel, respectively, without further action of the parties.

(b) The City and the Developer hereby release the 9130 S. Burley Parcel from the Current RDA and this Third Amendment. It is anticipated that the Developer will combine the 9130 S. Burley Parcel with the Private Parcel for the purpose of developing a two-flat residential building on the Private Parcel, which development is subject to applicable zoning

SECTION 6. SUBSIDIES.

Notwithstanding anything in the Current RDA to the contrary, the Developer and the City agree that the City shall not provide any subsidies to the Developer with respect to the two-flat buildings to be developed on the 9130 S. Burley Parcel, 9230 S. Brandon Parcel and the Private Parcel.

SECTION 7. PROHIBITION ON CERTAIN CONTRIBUTIONS – MAYORAL EXECUTIVE ORDER NO. 2011-4.

Section 13 of the Second Amendment is deleted in its entirety and the following is substituted for it:

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Third Amendment) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Third Amendment by Developer, (2) while this Third Amendment or any Other Contract is executory, (3) during the term of this Third Amendment or any Other Contract between Developer and the City, or (4) during any period while an extension of this Third Amendment or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Third Amendment, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Third Amendment, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole and absolute discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Third Amendment, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Third Amendment, the City may elect to decline to close the transaction contemplated by this Third Amendment.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (1) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

1. they are each other's sole domestic partner, responsible for each other's common welfare; and

2. neither party is married; and

3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and

4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

5. two of the following four conditions exist for the partners:
   a. The partners have been residing together for at least 12 months.
   b. The partners have common or joint ownership of a residence.
   c. The partners have at least two of the following arrangements:
      i. joint ownership of a motor vehicle;
      ii. a joint credit account;
      iii. a joint checking account;
      iv. a lease for a residence identifying both domestic partners as tenants.
   d. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 8. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by the Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Third Amendment and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 9. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

SECTION 10. 2014 CITY HIRING PLAN.

The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Third Amendment are employees or subcontractors of Developer, not employees of the City of Chicago. This Third Amendment is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Third Amendment, or offer employment to any individual to provide services under this Third Amendment, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Third Amendment, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates

for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

In the event of any communication to Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City Department utilizing services provided under this Third Amendment. Developer will also cooperate with any inquiries by the OIG.

SECTION 11. COUNTERPARTS.

This Third Amendment may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

IN WITNESS WHEREOF, the parties hereto have executed or caused this Third Amendment to be executed as of the date first written above.
