To Property Owner:

In accordance with requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107, please be informed that on or about February 10, 2016, the undersigned will file an application for a change in zoning from RT4 to RM4.5 on behalf the applicant, Anne Huston for the property located at 1870 N Dayton Street.

The applicant seeks a zoning change in order to allow for the applicant to seek a special use to allow for a vacation rental in one of the two existing residential dwelling units.

The owner and applicant of the property is Anne Huston whose business address is 1870 N Dayton Street, Chicago, IL 60614. As her neighbor, you probably know Ann has been running a low key part-time bed and breakfast in her downstairs unit for 26 years. Current city licensing laws require this change, but nothing will change. Her business will be run exactly as it has in the past. You can reach Anne Huston at 312-944-7153 if you have any questions.

I am the attorney for the applicant and can be reached at 312-251-1500 if you have any questions.

Please note the applicant is not seeking to rezone or purchase your property. The applicant is required by law to send this notice because you own property within 250 feet of the property to be rezoned.

Sincerely,

Thomas S. Moore

Dear Property Owner or Resident:

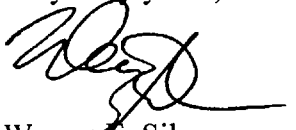

In accordance with the requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107, please be informed that on or about January 26, 2016, the undersigned filed an application for a change in zoning from RS-2 Residential Single-Unit (Detached House) District to RT-3.5 Residential Two-Flat, Townhouse and Multi-Unit District on behalf of the applicant/owners, **Elisa Anguiano and Mario Angulo,** for the property located at 5527 S. Mason Ave.

The property is presently improved with one two story masonry building consisting of three dwelling units. There are two parking spaces in a detached garage located at the rear of the property. The property presently does not conform to the requirements of the Chicago Zoning Ordinance; the applicants seek to rezone the property to a zoning classification that permits the property as presently improved. Once the property is rezoned, the existing two story masonry building with the three dwelling units and the detached garage with the two parking spaces will remain.

Elisa Anguiano and Mario Angulo reside at 5140 S. Moody Ave., Chicago, Illinois 60638. The contact person for this application is Warren Silver, Attorney at 1700 W. Irving Park, Suite 102, Chicago, Illinois 60613. He can be reached at 773.832.9550.

Please note that the applicant is not seeking to rezone or purchase your property. The applicant is required by law to send this notice because you own property within 250 feet of the property to be rezoned.

Very truly yours,

Warren E. Silver

PLANNED DEVELOPMENT - STATEMENTS

1. The area delineated herein as Planned Development Number ___, ("Planned Development") consists of approximately 32,503 net square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property"). The Applicant is JFJ 300 Huron, LLC.

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal title holder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assign or grantees.

   Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Plans.

   Ingress or egress shall be pursuant to the Plans and may be subject to the review and approval of the Departments of Planning and Development. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

   All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II approval, the submitted plans must be approved by the Department of Transportation.

4. This Plan of Development consists of 16 Statements: a Bulk Regulations Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; Site Plan; and Building Elevations (North, South, East and West) dated February 10, 2016, submitted herein. Full-sized copies of the Site Plan and Building Elevations are on file with the Department of Planning and Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a

Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. The following uses are allowed in the area delineated herein: residential and related accessory uses, office, retail, accessory and non-accessory parking.

6. On-Premise signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-Premise signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 32,503 square feet.

9. The Applicant acknowledges and agrees that the rezoning of the Property from a DX-5 to this Planned Development triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project as affordable units (the "Affordable Units"), or provide the Affordable Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Affordable Units; or (iii) any combination of (i) and (ii); provided, however, in higher income areas, residential housing projects with 20 or more units must provide a minimum of 25% of the Affordable Units on-site or off-site (the "Required Units"). If the developer elects to provide Affordable Units off-site, the off-site Affordable Units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. This Planned Development is located in a "higher income area" within the meaning of the ARO and permits the construction of 71 housing units. As a result, the number of Affordable Units is seven (7) and the number of Required Units is two (2), calculated as follows: 71 housing units × 10% = 7 Affordable Units × 25% = 1.75, which is rounded up to two (2) Required Units pursuant to Section 2-45-115(R). The Applicant agrees that the Affordable Units must be affordable to households earning no more than 60% of the median household income for the Chicago Primary Metropolitan Statistical Area ("AMI") in the case of rental units, and 100% of the AMI in the case of owner-occupied units. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an

affordable housing agreement in accordance with Section 2-45-115(K)(2). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the off-site location(s), or the applicable portions thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement [9], including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.

12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the

Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to the DX-5.

Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assigns or grantees.

   Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Plans.

   Ingress or egress shall be pursuant to the Plans and may be subject to the review and approval of the Departments of Planning and Development and Transportation.    All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II approval, the submitted plans must be approved by the Department of Transportation.

4. This Plan of Development consists of 17 Statements: a Bulk Regulations Table; an Existing Zoning Map; an Existing Land-Use Map/Planned Development Boundary Map; Planned Development Boundary/Property View Map; Site Plan; Site Plan for the First Floor and Landscape Plan; Second Floor Plan; Third Floor Plan; Roof Plan; Building Elevations (North, South, East and West) and Chicago Builds Green form prepared by

Full-sized copies of the Site Plan, Landscape Plan and Building Elevations are on file with the Department of Planning and Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 33,441 square feet.

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with its plan review or Part II reviews, are conditional until final Part II approval.

11. The Applicant acknowledges and agrees that the rezoning of the Property from a RT-4 Residential Two-Flat, Townhouse and Multi-Unit District to a B2-2 Neighborhood Mixed-Use District to a Residential-Business Planned Development for construction of this Project triggers the requirements of Section 2¬45-110 of the Municipal Code (the

"Affordable Housing Ordinance"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as Exhibit [ ], the Applicant has agreed to provide 38 affordable housing units in the Residential Project for households earning up to 60% of the Chicago Primary Metropolitan Statistical Area median income (the "Affordable Units"). At the time of each Part II review for the Residential Project, Applicant may update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Residential Project, DPD may adjust the requirements of this Statement 11 (i.e., number of Affordable Units) accordingly without amending the Planned Development. Prior to the issuance of any building permits for the Residential Project, including, without limitation, excavation or foundation permits, the Applicant must execute an Affordable Housing Agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Residential Project and will constitute a lien against each Affordable Unit. The Commissioner of DPD may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

12. Pursuant to the Chicago Zoning Ordinance (Sec. 17-8-0911), Planned Developments are to give priority to the preservation and adaptive reuse of Chicago Landmark buildings. The Planned Development includes an existing building located at 704-706 E. 112th Street, which is designated as a contributing building in the Pullman Historic Landmark District. The proposed development is subject to the review and approval of the Commission on Chicago Landmarks pursuant to the Chicago Landmarks Ordinance, Section 2-120-740.

13. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

14. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.

15. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

16. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, conserves energy and maximizes the preservation of natural resources. The Applicant shall achieve an Energy Star Building Certification for the Property.

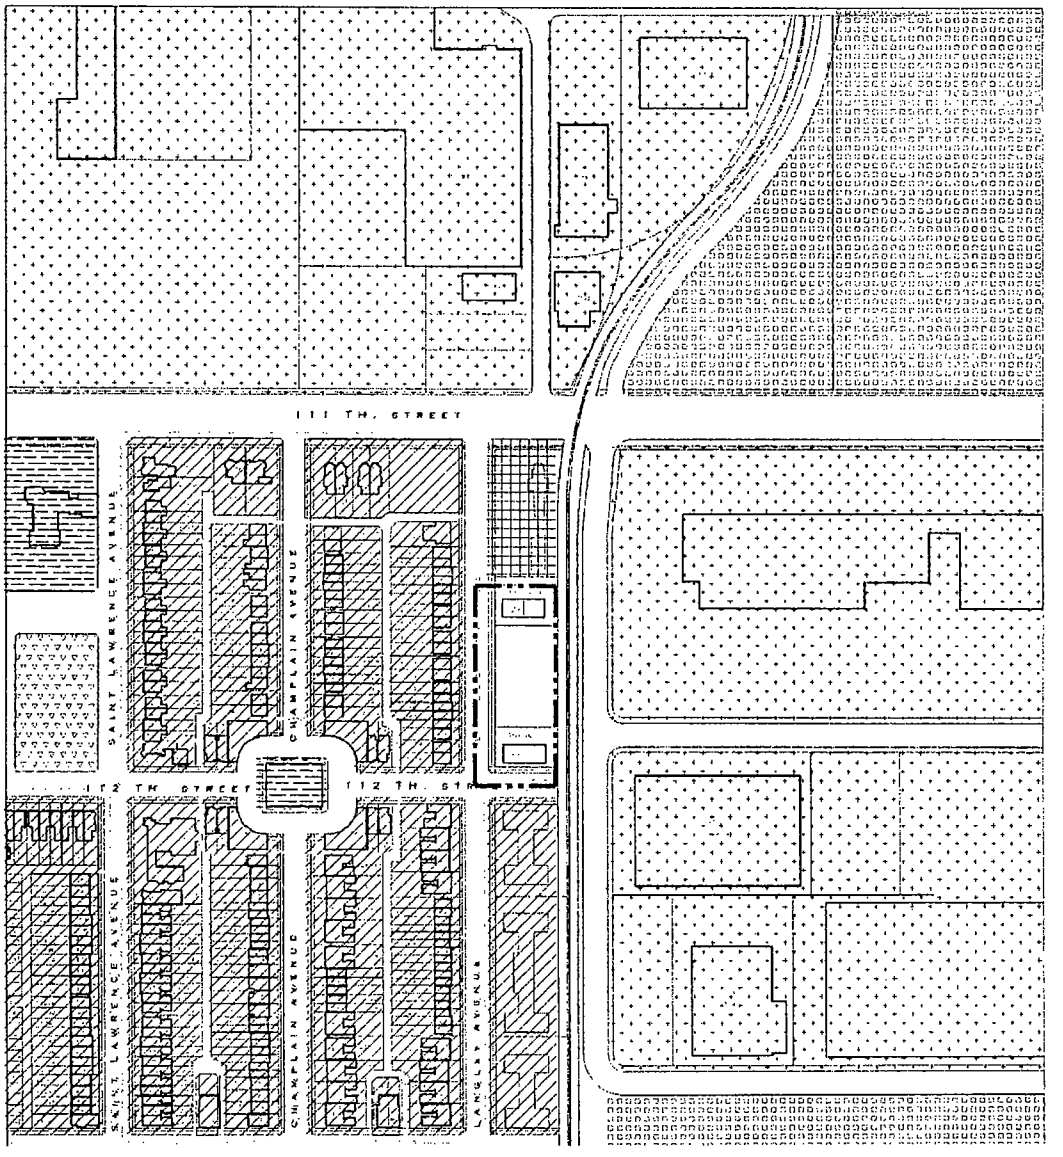

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to a RT-4 Residential Two-Flat, Townhouse and Multi-Unit District.

Re: Application for Amendment to Institutional Planned Development, No. 1
Armour Institute, LLC

Dear Chairman Solis and Chairman Cabrera:

The undersigned, Katherine C. Jahnke Dale, an attorney with the law firm of DLA Piper LLP (US), which firm represents Armour Institute, LLC, the applicant for an amendment to the Chicago Zoning Ordinance and proposed planned development amendment, certifies that she has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately February 3, 2016, and a source for additional information on the application.

The undersigned certifies that she has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

Very truly yours,

DLA Piper LLP (US)

FIRST CLASS MAIL

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about February 3, 2016, the undersigned, on behalf of Armour Institute, LLC (the "Applicant"), intends to file an application to rezone the property located at 3300 S. Federal Street, Chicago, IL from the Institutional Planned Development Number 1 to Institutional Planned Development Number 1, as amended. A map of the development site is printed on the reverse side of this letter.

The development site is currently occupied by the existing 6-story historic Main Building at Illinois Institute of Technology Academic Campus. The application requests a rezoning of the subject property from Institutional Planned Development Number 1 to Institutional Planned Development Number 1, as amended in order to allow "Dwelling Units" as a permitted use in Sub-Area A to permit the renovation and reuse of the building for residential uses containing approximately 81 dwelling units.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the proposed Planned Development.

I am an authorized representative of the Applicant and my address is 203 North LaSalle Street, Suite 1900, Chicago, IL 60601. The Applicant's address is 2425 West 11th Street, Suite 5, Cleveland, Ohio 44113. The Illinois Institute of Technology is the owner of the subject property and its address is 10 West 35th Street, Suite 1900, Chicago, IL 60616.

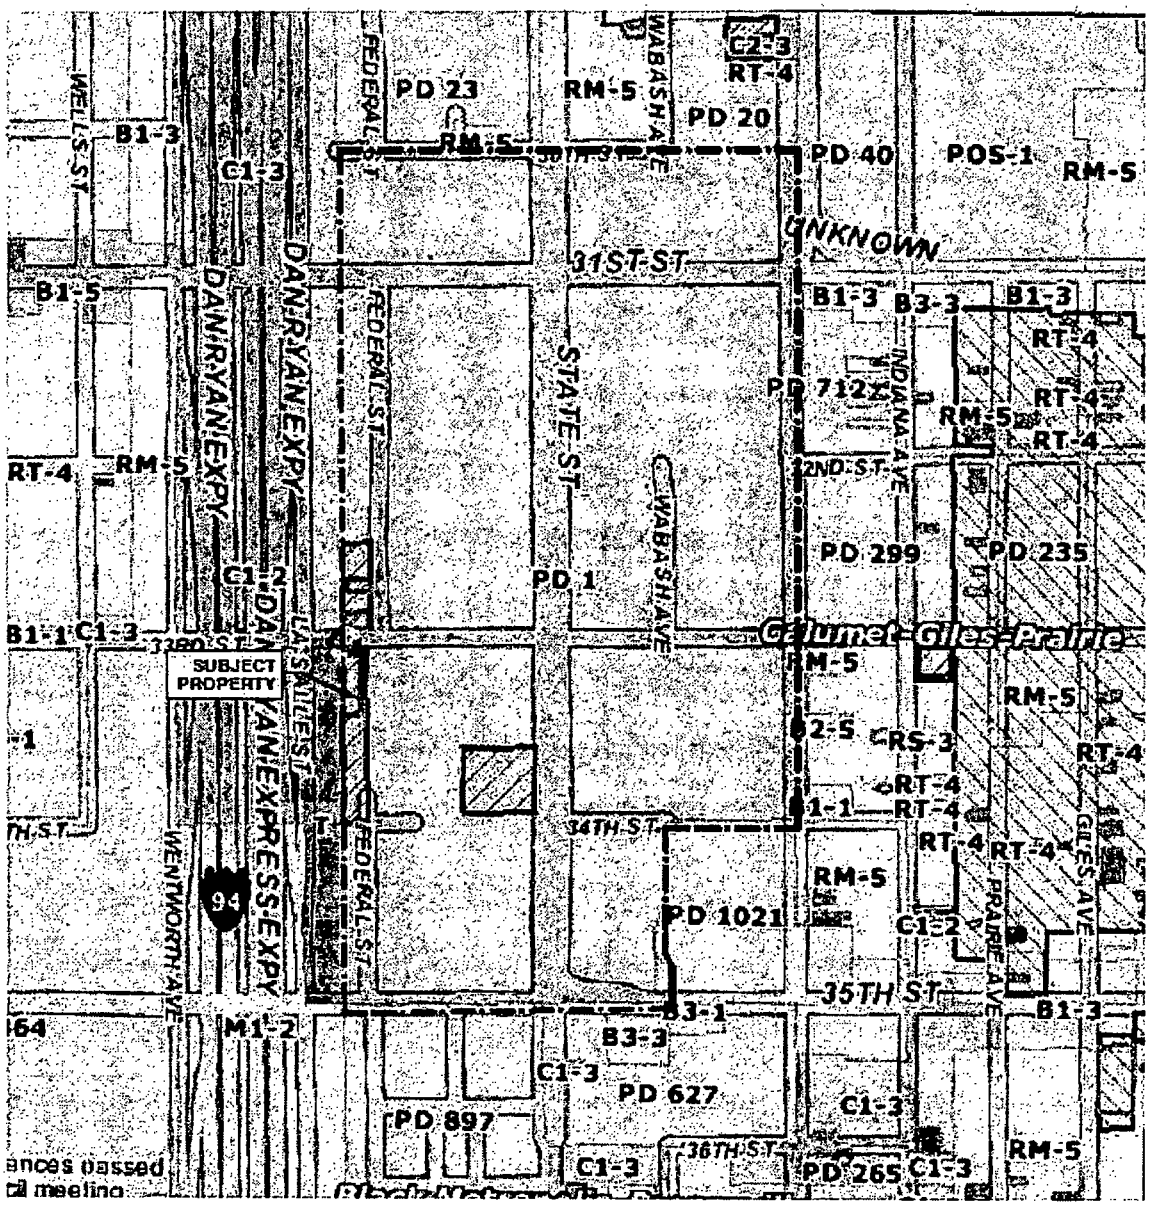

Please contact me at 312-368-7243 with questions or to obtain additional information.

Very truly yours,

DLA Piper LLP (US)

FIRST CLASS MAIL

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about February 3, 2016, the undersigned, on behalf of 1032 W. Fulton Market Condominium, LLC (the "Applicant"), intends to file an application to rezone the property located at 1032-1042 West Fulton Market, Chicago, IL from the C1-1 Neighborhood Commercial District to the C1-5 Neighborhood Commercial District. A map of the development site is printed on the reverse side of this letter.

The development site is currently occupied by an existing 3-story office building and surface parking lot. The application requests a rezoning of the subject property from the C1-1 Neighborhood Commercial District to the C1-5 Neighborhood Commercial District in order to allow for a one-story addition to the existing 3-story office building and the construction of a new 4- and 5-story office building with the 5th floor setback.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the proposed Planned Development.

I am an authorized representative of the Applicant and my address is 203 North LaSalle Street, Suite 1900, Chicago, IL 60601. The Applicant is the owner of a portion of the property and its address is 1032 West Fulton Market, Suite 300, Chicago, Illinois 60607. 1032 W. Fulton Market Parking, LLC is the owner of a portion of the property and its address is 1032 West Fulton Market, Suite 300, Chicago, Illinois 60607. dVP One, LLC is the owner of a portion of the property and its address is 1032 West Fulton Market, Suite 200, Chicago, Illinois 60607.
