BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

**PART A
INTRODUCTION**

**ARTICLE I
AUTHORITY AND FINDINGS**

Section 1.01. Authority. This Ordinance is adopted pursuant to Section 6(a) of Article VII of the Constitution. This Ordinance authorizes the issuance of Series 2018 Water Revenue Project and Refunding Bonds as follows: (i) Part B of this Ordinance authorizes the issuance, from time to time, of Second Lien Water Revenue Project and Refunding Bonds, Series 2018 (the “Series 2018 Second Lien Bonds”) in one or more series, in such principal amounts and with such terms and provisions as are set forth in Part B, in the Second Lien Bonds Master Indenture previously approved by the City and in the Eleventh Supplemental Indenture approved in Part B; (ii) Part C of this Ordinance authorizes the issuance, from time to time, of Subordinate Lien Obligations (the “Series 2018 Subordinate Lien Obligations”) in one or more series, in such principal amounts and with such terms and provisions as are set forth in Part C, and (iii) Part D of this Ordinance sets forth provisions generally applicable to the Series 2018 Second Lien Bonds and the Series 2018 Subordinate Lien Obligations.

Section 1.02. Findings. It is found and declared as follows:

(a) The City is a duly constituted and existing municipality within the meaning of Section 1 of Article VII of the Constitution, and is a “home rule unit” under Section 6(a) of Article VII of the Constitution.

(b) The City has constructed and is maintaining and operating the Water System to meet the needs of the City’s inhabitants and other users of the Water System and for fire protection. The Water System is operated under the supervision and control of the Department of Water Management of the City.

(c) The City has determined to improve and expand the Water System, and to issue bonds and other obligations to pay the costs of such improvement and expansion.

(d) The estimated useful life of the Projects is no shorter than the final maturity of the Project Bonds. It is advisable and necessary and in the best interests of the City that the City undertake and complete the Projects.

(e) The City does not have available funds sufficient to pay 2018 Costs (as defined in clause (i) below).

(f) The City has issued and has outstanding its Outstanding Senior Lien Bonds, Outstanding Second Lien Bonds and Outstanding Subordinate Lien Obligations.

(g) The City has determined to ascertain whether the refunding of all or a portion of the Outstanding Senior Lien Bonds and/or Outstanding Second Lien Bonds will reduce the aggregate debt service payable by the City with respect to the Outstanding Senior Lien Bonds and Outstanding Second Lien Bonds or restructure such debt service in a manner deemed to be in the best interests of the Water System and the City.

(h) The City has determined that it is advisable and in the best interests of the City to authorize the issuance from time to time of Series 2018 Second Lien Bonds and Series 2018 Subordinate Lien Obligations, subject to the authorization limits specified in this Ordinance, in one or more series for any one or more of the purposes of (1) refunding the Refunded Bonds, (2) paying Project Costs, (3) funding capitalized interest on the Series 2018 Second Lien Bonds and the Series 2018 Subordinate Lien Obligations, (4) paying Costs of Issuance of the Series 2018 Second Lien Bonds and costs of issuance of the Series 2018 Subordinate Lien Obligations, (5) paying the costs of acquiring a Qualified Reserve Account Credit Instrument for the Series 2018 Second Lien Bonds or making a deposit to the Series 2018 Second Lien Bonds Dedicated Subaccount in the amount required by the Eleventh Supplemental Indenture or a Supplemental Indenture, and (6) providing for any discount on the Series 2018 Second Lien Bonds and the Series 2018 Subordinate Obligations.

(i) The proceeds of the Series 2018 Second Lien Bonds and the Series 2018 Subordinate Lien Obligations incurred for the costs described in clause (h)(1) – (6) above (the “2018 Costs”) will not exceed the amount required to pay such costs.

(j) In accordance with the covenants of the City in the Second Lien Bonds Master Indenture, concurrent with the issuance, sale and delivery of the Series 2018 Second Lien Bonds, all the conditions and requirements in Section 4.06 of the Second Lien Bonds Master Indenture shall have been fully satisfied and complied with and, based upon such satisfaction and compliance, if the City shall issue Series 2018 Second Lien Bonds pursuant to this Ordinance, such Series 2018 Second Lien Bonds will have a claim for payment from Second Lien Bond Revenues on an equal and ratable basis with the Series 2000 Second Lien Bonds, the Series 2001 Second Lien Bonds, the Series 2004 Second Lien Bonds, the Series 2008 Second Lien Bonds, the Series 2010 Second Lien Bonds, the Series 2012 Second Lien Bonds, the Series 2014 Second Lien Bonds, the Series 2016A Second Lien Bonds, and the Series 2017 Second Lien Bonds.

(k) The City proposes to issue and sell the Series 2018 Second Lien Bonds for one or more of the purposes described in subsection (h) above in the manner authorized in this Ordinance in an aggregate principal amount not to exceed \$400,000,000 plus an amount equal to the amount of any original issue discount used in marketing the Series 2018 Second Lien Bonds, as determined by the Chief Financial Officer in accordance with the terms of this Ordinance. The limit on the authorized amount of Series 2018 Second Lien Bonds under this Ordinance shall be exclusive of any premium received upon the issuance of the Series 2018 Second Lien Bonds.

(l) The City further proposes to issue the Series 2018 Subordinate Lien Obligations for one or more of the purposes described in subsection (h) above in the manner authorized in this Ordinance in an aggregate principal amount not to exceed \$450,000,000, as determined by the Chief Financial Officer in accordance with the terms of this Ordinance.

(m) The borrowing authorized by this Ordinance and the issuance of the Series 2018 Second Lien Bonds and the Series 2018 Subordinate Lien Obligations are for proper public purposes and are in the public interest. The City has the power to borrow for the purposes set forth in this Ordinance and to issue the Series 2018 Second Lien Bonds and the Series 2018 Subordinate Lien Obligations.

(n) The City's ability to issue Series 2018 Second Lien Bonds and the Series 2018 Subordinate Lien Obligations, from time to time without further action by the City Council at various times, in various principal amounts and with various interest rates and interest rate determination methods, maturities, redemption provisions and other terms will enhance the City's opportunities to obtain financing upon the most favorable terms available at such time of issuance.

(o) Authority is granted to the Chief Financial Officer to determine to sell from time to time the Series 2018 Second Lien Bonds and to issue the Series 2018 Subordinate Lien Obligations in one or more series, at such time as the Chief Financial Officer determines that such sale or sales is desirable and in the best financial interest of the Water System.

(p) Legislation may hereafter be enacted by the Congress of the United States to provide subsidies, tax credits or other incentives or benefits at various subsidy levels to state and local governments in connection with the issuance of debt obligations by such governments, which incentives or benefits may, but need not, be similar to those direct payments being made by the United States Treasury Department to the City of a portion of the interest payable by the City on the Series 2010B Second Lien Bonds and the Series 2010C Second Lien Bonds (any such legislation as may hereafter be enacted and in effect from time to time being referred to as "Federal Compliant Obligation Authorization").

(q) This Ordinance is adopted pursuant to the City's constitutional home rule powers.

There has been created and there exists a separate fund of the City designated the Water Fund into which the Gross Revenues of the Water System are and shall be deposited as collected. The Water Fund shall continue as a separate fund of the City. The Water Fund shall constitute a trust fund and has been and is irrevocably pledged to the owners of the Senior Lien Bonds, Second Lien Bonds (but solely with respect to amounts on deposit in the Second Lien Bonds Account), Subordinate Lien Obligations (but solely with respect to amounts on deposit in the Subordinate Lien Obligations Account), CP Notes (but solely with respect to amounts on deposit in the Commercial Paper Account) and Water System Line of Credit Notes (but solely with respect to amounts on deposit in the Line of Credit Notes Account) from time to time Outstanding for the sole purpose of carrying out the covenants, terms and conditions of the ordinances authorizing the Senior Lien Bonds, Second Lien Bonds (but solely with respect to amounts on deposit in the Second Lien Bonds Account), Subordinate Lien Obligations (but solely with respect to amounts on deposit in the Subordinate Lien Obligations Account), CP Notes (but solely with respect to amounts on deposit in the Commercial Paper Account) and Water System Line of Credit Notes (but solely with respect to amounts on deposit in the Line of Credit Notes Account).

The Water Fund shall be used only as provided in this Part B and in the ordinances authorizing Bonds for (a) paying Operation and Maintenance Costs, (b) paying the principal of, redemption premium, if any, and interest on Senior Lien Bonds (or purchasing Senior Lien Bonds), and (c) establishing and maintaining (for the purposes specified in those ordinances) the Senior Lien Bonds Construction Accounts and the Accounts in the Water Fund described in Section 3.03 of this Part B and all other reserve funds or accounts which are required to be established and maintained in the ordinances authorizing the issuance of Senior Lien Bonds, Second Lien Bonds, Subordinate Lien Obligations, CP Notes and Water System Line of Credit Notes; provided that any funds available after these requirements have been satisfied or which are not necessary to satisfy these requirements may be used for any lawful purpose of the Water System.

A lien on and security interest in the Net Revenues Available for Bonds and the various Accounts of the Water Fund established as provided in Section 3.03 of this Part B (other than the Second Lien Bonds Account, the Subordinate Lien Obligations Account, the Commercial Paper Account and the Line of Credit Notes Account) are granted to the Registered Owners of the Senior Lien Bonds Outstanding from time to time, subject to amounts in the various Accounts being deposited, credited and expended as provided in this Ordinance, and with amounts in various Subaccounts of the Senior Lien Debt Service Reserve Account securing only the series or set of series of Senior Lien Bonds to which such Subaccounts relate. Nothing in this

Ordinance shall prevent the City from commingling money in the Water Fund (except the Accounts to which reference is made in paragraphs (a) through (g) of Section 3.03 of this Part B) with other money, funds and accounts of the City. Any advance by the City to the Water Fund from other funds of the City shall have a claim for reimbursement only from amounts in the Water Fund not required for deposit in the various Accounts specified in paragraphs (a) through (g) of Section 3.03 of this Part B.

Section 3.03. Application of Net Revenues Available for Bonds. There have been created and there exist and shall be maintained in the Water Fund, the following separate accounts: the Senior Lien Principal and Interest Account, the Senior Lien Debt Service Reserve Account and its various Subaccounts, the Water Rate Stabilization Account and the Senior Lien Rebate Accounts. There have also been created and shall be maintained in the Water Fund, (i) the Second Lien Bonds Account and its various Subaccounts for each series of Second Lien Bonds, (ii) the Subordinate Lien Obligations Account and its various Subaccounts for each series of Subordinate Lien Obligations, (iii) the Commercial Paper Account and its various Subaccounts, and (iv) the Line of Credit Notes Account and its various Subaccounts. The Net Revenues Available for Bonds shall be transferred, without any further official action or direction, to the Senior Lien Principal and Interest Account, the Senior Lien Debt Service Reserve Account, the Senior Lien Rebate Accounts, the Second Lien Bonds Account, the Subordinate Lien Obligations Account, the Commercial Paper Account, the Line of Credit Notes Account and the Water Rate Stabilization Account in the order in which those accounts are listed below, for use in accordance with the provisions of paragraphs (a), (b), (c), (d), (e), (f), (g) and (h) of this Section 3.03.

(a) Senior Lien Principal and Interest Account. Not later than 10 days prior to each principal or interest payment date for the Senior Lien Bonds, there shall be transferred to the Senior Lien Principal and Interest Account sufficient funds to pay the amount of the principal, redemption premium, if any, and interest becoming due, whether upon maturity, redemption or otherwise, on such payment date on all Outstanding Senior Lien Bonds.

Funds in the Senior Lien Principal and Interest Account shall be used only for the purpose of paying principal of, redemption premium, if any, and interest on Outstanding Senior Lien Bonds as the same become due.

(b) Senior Lien Debt Service Reserve Account.

(i) There may be established by any ordinances authorizing the issuance of any series of Senior Lien Parity Bonds one or more other Subaccounts in the Senior Lien Debt Service Reserve Account with respect to one or more series of Senior Lien Parity Bonds.

(ii) Whenever the balance in the various Subaccounts of the Senior Lien Debt Service Reserve Account is less than the Senior Lien Debt Service Reserve Requirement for the various series of Senior Lien Bonds, except as permitted pursuant to the applicable ordinances authorizing such Senior Lien Bonds, there shall be transferred to the Senior Lien Debt Service Reserve Account within the next 12 months sufficient funds to maintain balances in the various Subaccounts of the Senior Lien Debt Service Reserve

Account at least equal to the Senior Lien Debt Service Reserve Requirement for the various series of Senior Lien Bonds.

Funds in any Subaccount of the Senior Lien Debt Service Reserve Account and any Senior Lien Debt Service Reserve Account Credit Instruments in that Subaccount shall be used to pay principal of, redemption premium, if any, and interest on the Senior Lien Bonds of the series to which the Subaccount relates (or when series of Senior Lien Bonds are secured on a parity basis by Subaccounts relating to those various series, then funds in each such Subaccount shall be so used on a parity basis to pay principal of, redemption premium, if any, and interest on the Senior Lien Bonds to which those various Subaccounts relate) as the same become due at any time when there are insufficient funds available for such purpose in the Senior Lien Principal and Interest Account (after any available amounts in the Water Rate Stabilization Account have first been applied to that purpose).

(iii) All or any part of the Senior Lien Debt Service Reserve Requirement for any series of Senior Lien Bonds may be met by deposit with the City of one or more Senior Lien Debt Service Reserve Account Credit Instruments. A Senior Lien Debt Service Reserve Account Credit Instrument shall, for purposes of determining the value of the amounts on deposit in the Senior Lien Debt Service Reserve Account and the Subaccount or Subaccounts to which it relates, be valued at the Senior Lien Debt Service Reserve Account Credit Instrument Coverage for such Senior Lien Debt Service Reserve Account Credit Instrument except as provided in the next sentence. If a Senior Lien Debt Service Reserve Account Credit Instrument is to terminate (or is subject to termination) prior to the last principal payment date on any Outstanding Senior Lien Bond of the series of Senior Lien Bonds to which it relates, then the Senior Lien Debt Service Reserve Account Credit Instrument Coverage of that Senior Lien Debt Service Reserve Account Credit Instrument shall be reduced each year, beginning on the date which is four years prior to the first date on which the Senior Lien Debt Service Reserve Account Credit Instrument is to terminate (or is subject to termination), by 25 percent of the coverage in each of the years remaining prior to such date, provided that if by the terms of the Senior Lien Debt Service Reserve Account Credit Instrument and the terms of the related Senior Lien Bond ordinance, the City has the right and duty to draw upon such Senior Lien Debt Service Reserve Account Credit Instrument prior to its termination for deposit in the related Subaccount of the Senior Lien Debt Service Reserve Account (if and to the extent a substitute Senior Lien Debt Service Reserve Account Credit Instrument is not deposited in that related Subaccount) all or part of its Senior Lien Debt Service Reserve Account Credit Instrument Coverage, then the reduction shall be in an amount equal to the difference between (A) the Senior Lien Debt Service Reserve Requirement for that series of Senior Lien Bonds and (B) the sum of the amounts on deposit in the related Subaccount of the Senior Lien Debt Service Reserve Account and the amount which the City may draw under the Senior Lien Debt Service Reserve Account Credit Instrument prior to its termination for deposit in the related Subaccount of the Senior Lien Debt Service Reserve Account. Any amounts in any Subaccount of the Senior Lien Debt Service Reserve Account which are not required to be transferred to the Senior Lien Principal and Interest Account may, from time to time, be used to pay costs of acquiring a Senior Lien Debt Service Reserve Account Credit Instrument for that

Subaccount or to make payments due under a Senior Lien Bond reimbursement agreement with respect to such Senior Lien Debt Service Reserve Account Credit Instrument, but only if after such payment, the value of the amounts on deposit in such Subaccount of the Senior Lien Debt Service Reserve Account shall not be less than the Senior Lien Debt Service Reserve Requirement for that series of Senior Lien Bonds. The City pledges and grants a lien on and security interest in the amounts on deposit in the Subaccounts of the Senior Lien Debt Service Reserve Account to any Senior Lien Bond Provider with respect to the particular Subaccount corresponding to such Senior Lien Bond Provider's Senior Lien Debt Service Reserve Account Credit Instrument, provided that the pledge, lien and security interest shall be junior to any claim for the benefit of the Registered Owners of Senior Lien Bonds of that series.

After the deposit of a Senior Lien Debt Service Reserve Account Credit Instrument into any Subaccount of the Senior Lien Debt Service Reserve Account and after the City has received notice of the value of the amounts on deposit in such Subaccount of the Senior Lien Debt Service Reserve Account after such deposit, the Chief Financial Officer may then direct the transfer from such Subaccount of the Senior Lien Debt Service Reserve Account to any account of the Water Fund of any amounts in such Subaccount of the Senior Lien Debt Service Reserve Account in excess of the Senior Lien Debt Service Reserve Requirement for that series of Senior Lien Bonds for use in accordance with the applicable provisions of the authorizing ordinances for such series of Senior Lien Bonds.

(c) Senior Lien Rebate Accounts. (d) Second Lien Bonds Account. There is established in the Second Lien Bonds Account with respect to the Series 2018 Second Lien Bonds a separate and segregated 2018 Second Lien Bonds Subaccount. There may be established by any ordinances or related indentures authorizing the issuance of any series of Second Lien Parity Bonds one or more other Subaccounts in the Second Lien Bonds Account with respect to such Second Lien Parity Bonds including a Debt Service Reserve Account for such series of Second Lien Parity Bonds, and such ordinance or indenture may also authorize the establishment of a Series Reserve Account Requirement (as defined in the Second Lien Bonds Master Indenture) for such series of Second Lien Parity Bonds and the purchase of a Qualified Reserve Account Credit Instrument (as defined in the Second Lien Bonds Master Indenture) for purposes of fulfilling such requirement.

There shall be transferred to the Second Lien Bonds Account and to the Subaccounts in the Second Lien Bonds Account such amounts on such dates as are required to be so transferred by the Eleventh Supplemental Indenture and each other Supplemental Indenture without priority of one Subaccount over any other Subaccount. The moneys in the various Subaccounts of the Second Lien Bonds Account shall be transferred by the Chief Financial Officer on the date so deposited in such various Subaccounts to the appropriate paying agents or trustees for the related series of Second Lien Bonds for the purpose of paying such amounts as may be required to be paid by the ordinances and related indentures authorizing such Second Lien Bonds.

On the business day immediately preceding each May 1 and November 1, there shall be transferred to the Subordinate Lien Obligations Account, the amount required by any ordinance authorizing the issuance of Subordinate Lien Obligations to be deposited in the Subordinate Lien Obligations Account on such date without priority, one over the other, to any Subaccounts within the Subordinate Lien Obligations Account, the amount to be so deposited specified in a certificate of the Chief Financial Officer. The moneys in the various Subaccounts of the Subordinate Lien Obligations Account and Sub-subaccounts described in this paragraph (e) shall be used to pay such amounts as may be required to be paid by this Ordinance and any ordinance authorizing Subordinate Lien Parity Obligations.

(h) Water Rate Stabilization Account. The City has caused amounts to be credited to the Water Rate Stabilization Account. (c) Subject to the limitations set forth in this Section and Section 2.01 of this Part C, authority is delegated to the Chief Financial Officer to determine the aggregate principal amount of Loans, the maturities of such Loans, the rate or rates of interest payable on such Loans or method or methods for determining such rate or rates and the first interest payment date of such Loans.

(d) The Mayor and the Chief Financial Officer are each authorized to take the actions and execute and deliver the documents and instruments specified in this Part C and such other documents, instruments or certificates as may be required in connection with the Loans,

including, without limitation, agreements that the City will indemnify the IEPA and the State of Illinois to the extent required to obtain the Loans. The Commissioner is authorized to take such actions and execute and deliver such documents, instruments or certificates (but not including any IEPA Loan Agreements, promissory notes or other instruments evidencing indebtedness by the City or any applications in connection with any of the foregoing) as may be required in connection with the IEPA Loans.

ARTICLE III

DISPOSITION OF SERIES 2018 SUBORDINATE LIEN OBLIGATION PROCEEDS; CONSTRUCTION ACCOUNT: 2018 SUBORDINATE LIEN OBLIGATIONS; OPERATION OF WATER FUND ACCOUNTS WHEN NO SENIOR LIEN BONDS OR SECOND LIEN BONDS ARE OUTSTANDING

Section 3.01. Deposit into the 2018 Subordinate Lien Debt Service Reserve Sub-subaccount. Subject to Section 3.02 and Section 4.02 of this Part C, there shall be deposited in the 2018 Subordinate Lien Sub-subaccount of the Subordinate Debt Service Reserve Subaccount from the proceeds of the Series 2018 Subordinate Lien Obligations of a series and such other sources as necessary any amount required upon the issuance of such Series 2018 Subordinate Lien Obligations to cause the balance in the Subordinate Lien Debt Service Reserve Subaccount to equal the Subordinate Lien Debt Service Reserve Requirement or alternatively, if so permitted by the IEPA and applicable law, to pay the costs of any Subordinate Lien Debt Service Reserve Subaccount Credit Instrument.

Section 3.02. Subordinate Lien Debt Service Reserve Subaccount Credit Instrument. The City shall, to the extent that a deposit is not made from a cash deposit either from proceeds of the Series 2018 Subordinate Lien Obligations of a series or as otherwise provided in Section 3.01 of this Part C, and subject to the limitations in such Section 3.01, upon the issuance of the Series 2018 Subordinate Lien Obligations of a series, acquire a Subordinate Lien Debt Service Reserve Subaccount Credit Instrument with a Subordinate Lien Debt Service Reserve Subaccount Credit Instrument Coverage sufficient to meet the Subordinate Lien Debt Service Reserve Requirement in respect of such Series 2018 Subordinate Lien Obligations. The Chief Financial Officer is authorized to purchase such an instrument on behalf of the City and may execute a reimbursement agreement on behalf of the City with the provider of such Subordinate Lien Debt Service Reserve Subaccount Credit Instrument. The Chief Financial Officer may on behalf of the City make necessary covenants with respect to such Subordinate Lien Debt Service Reserve Subaccount Credit Instrument consistent with this Ordinance. The City shall apply amounts received upon the sale of the Series 2018 Subordinate Lien Obligations of a series, or other amounts in the Water Fund, to pay costs to the City of acquiring any credit instrument authorized by this Section.

Section 3.03. Construction Account: 2018 Subordinate Lien Obligations — Establishment, Deposit of Funds, Uses.

(a) The City shall establish a separate account in the Water Fund designated the “Construction Account: 2018 Subordinate Lien Obligations.” The City may establish one or more subaccounts within that account if more than one series of Series 2018 Subordinate Lien

Obligations is issued, in which event references in this Ordinance to such account shall be deemed, when appropriate, to be references to the appropriate subaccount of such account. No lien on or security interest in the Construction Account: 2018 Subordinate Lien Obligations is granted to the Registered Owners of Senior Lien Bonds or Second Lien Bonds.

(b) The proceeds of the borrowing evidenced by the Series 2018 Subordinate Lien Obligations of a series shall be deposited to the credit of the Construction Account: 2018 Subordinate Lien Obligations. This account shall be deposited in a separate account in a bank or banks designated by the Chief Financial Officer pursuant to a depository agreement. Funds in the Construction Account: 2018 Subordinate Lien Obligations shall be invested by the depository at the direction of the Chief Financial Officer in Permitted Investments, provided that such investments shall be scheduled to mature before needed to pay Project Costs. All interest received on or profits derived from such investments shall remain in the Construction Account: 2018 Subordinate Lien Obligations.

(c) Disbursements shall be made from the Construction Account: 2018 Subordinate Lien Obligations from time to time for the purpose of paying Project Costs. The proceeds of the borrowing evidenced by the Series 2018 Subordinate Lien Obligations and set aside in the Construction Account: 2018 Subordinate Lien Obligations shall be used to provide funds for all or any part of the Projects. The Projects for which disbursements may be made from the Construction Account: 2018 Subordinate Lien Obligations may be amended by the Chief Financial Officer or the Budget Director of the City, in consultation with IEPA, to provide for the efficient operation of the Water System.

Within 60 days after completion of the Projects and the payment of all Project Costs, any funds remaining in the Construction Account: 2018 Subordinate Lien Obligations shall be transmitted by said depository to the City for transfer to the Subordinate Lien Debt Service Reserve Subaccount, or, if such account is fully funded, to the Subordinate Lien Principal and Interest Subaccount.

Section 3.04. Operation of Water Fund When No Senior Lien Bonds or Second Lien Bonds are Outstanding. From and after such time as no Senior Lien Bonds or Second Lien Bonds are Outstanding, the following Accounts of the Water Fund shall cease to exist: the Senior Lien Principal and Interest Account, the Senior Lien Debt Service Reserve Account, the Senior Lien Bonds Construction Accounts, the Second Lien Bonds Construction Accounts and any Accounts established in respect of Senior Lien Parity Bonds and Second Lien Parity Bonds in the Water Fund; amounts in such Accounts shall remain part of the Water Fund. The Water Fund, the Water Rate Stabilization Account, the Subordinate Lien Obligations Account, the Commercial Paper Account, the Subordinate Lien Obligations Construction Accounts and any Account or Subaccounts established in the Water Fund in respect of Subordinate Lien Parity Obligations by this Ordinance and ordinances authorizing the issuance of Subordinate Lien Parity Obligations or CP Notes shall continue to exist notwithstanding the discharge of the Senior Lien Bonds and the Second Lien Bonds; and deposits shall be made to and withdrawals made from the Water Fund and the Accounts and Subaccounts described in this sentence as if the Accounts and Subaccounts in the Water Fund described in the immediately preceding sentence had never existed.

ARTICLE IV

SUBORDINATE LIEN OBLIGATION SUBACCOUNTS

Section 4.01. Subordinate Lien Principal and Interest Subaccount. Funds in the Subordinate Lien Principal and Interest Subaccount shall be used only for the purpose of paying the principal of and interest on Outstanding Subordinate Lien Obligations as the same shall become due.

Section 4.02. Subordinate Lien Debt Service Reserve Subaccount. (a) Unless otherwise provided in the related Loan Agreement, at the time of the delivery of the Series 2018 Subordinate Lien Obligations of a series, either amounts received upon the sale of such Series 2018 Subordinate Lien Obligations or cash on hand in the Water Fund or a Subordinate Lien Debt Service Reserve Subaccount Credit Instrument purchased as provided in this Part C shall be deposited to the credit of the 2018 Subordinate Lien Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount, to establish a balance in that Sub-subaccount at least equal to the Subordinate Lien Debt Service Reserve Requirement with respect to such Series 2018 Subordinate Lien Obligations. Amounts in the 2018 Subordinate Lien Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount shall be deposited in a separate account in a bank or banks designated by the Chief Financial Officer pursuant to a depository agreement. Whenever the balance in the various Sub-subaccounts of the Subordinate Lien Debt Service Reserve Subaccount is less than the Subordinate Lien Debt Service Reserve Requirement for the various series of Subordinate Lien Obligations, except as permitted pursuant to Section 6.01(c) of this Part C, there shall be transferred to the Subordinate Lien Debt Service Reserve Subaccount within the next 12 months (or such longer period permitted by the related Loan Agreement but not exceeding 60 months) sufficient funds to maintain balances in the various Sub-subaccounts of the Subordinate Lien Debt Service Reserve Subaccount at least equal to the Subordinate Lien Debt Service Reserve Requirement for the various series of Subordinate Lien Obligations.

Funds in any Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount and any Subordinate Lien Debt Service Reserve Subaccount Credit Instruments in that Sub-subaccount shall be used to pay principal of, redemption premium, if any, and interest on the Subordinate Lien Obligations of the series to which the Sub-subaccount relates as the same become due at any time when there are insufficient funds available for such purpose in the Subordinate Lien Principal and Interest Subaccount (after any available amounts in the Water Rate Stabilization Account have first been applied to that purpose). Any Subordinate Lien Debt Service Reserve Subaccount Credit Instrument for the Series 2018 Subordinate Lien Obligations shall not terminate prior to the date of the last maturity of any of the Series 2018 Subordinate Lien Obligations.

(b) All or any part of the Subordinate Lien Debt Service Reserve Requirement for any series of Subordinate Lien Obligations may, subject to the limitations in Section 3.01, be met by deposit with the City of one or more Subordinate Lien Debt Service Reserve Subaccount Credit Instruments. A Subordinate Lien Debt Service Reserve Subaccount Credit Instrument shall, for purposes of determining the value of the amounts on deposit in the Subordinate Lien Debt Service Reserve Subaccount and the Sub-subaccount to which it relates, be valued at the

Subordinate Lien Debt Service Reserve Subaccount Credit Instrument Coverage for the Subordinate Lien Debt Service Reserve Subaccount Credit Instrument except as provided in the next sentence. If a Subordinate Lien Debt Service Reserve Subaccount Credit Instrument is to terminate (or is subject to termination) prior to the last principal payment date for any Outstanding Subordinate Lien Obligation of the series of Subordinate Lien Obligations to which it relates, then the Subordinate Lien Debt Service Reserve Subaccount Credit Instrument Coverage of that Subordinate Lien Debt Service Reserve Subaccount Credit Instrument shall be reduced each year, beginning on the date which is four years prior to the first date on which the Subordinate Lien Debt Service Reserve Subaccount Credit Instrument is to terminate (or is subject to termination), by 25 percent of the coverage in each of the years remaining prior to such date, provided that if by the terms of the Subordinate Lien Debt Service Reserve Subaccount Credit Instrument and the terms of the related Subordinate Lien Obligation ordinance, the City has the right and duty to draw upon such Subordinate Lien Debt Service Reserve Subaccount Credit Instrument prior to its termination for deposit in the related Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount (if and to the extent a substitute Subordinate Lien Debt Service Reserve Subaccount Credit Instrument is not deposited in that related Sub-subaccount) all or part of its Subordinate Lien Debt Service Reserve Subaccount Credit Instrument Coverage, then the reduction shall be in an amount equal to the difference between (A) the Subordinate Lien Debt Service Reserve Requirement for that series of Subordinate Lien Obligations and (B) the sum of the amounts on deposit in the related Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount and the amount which the City may draw under the Subordinate Lien Debt Service Reserve Credit Instrument prior to its termination for deposit in the related Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount. Any amounts in any Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount which are not required to be transferred to the Subordinate Lien Principal and Interest Subaccount may, from time to time, be used to pay costs of acquiring a Subordinate Lien Debt Service Reserve Subaccount Credit Instrument for that Sub-subaccount or to make payments due under a reimbursement agreement with respect to that Sub-subaccount, but only if after such payment, the value of the Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount shall not be less than the Subordinate Lien Debt Service Reserve Requirement for that series of Subordinate Lien Obligations. The City pledges and grants a lien on and security interest in the amounts on deposit in the Sub-subaccounts of the Subordinate Lien Debt Service Reserve Subaccount to any provider of a Subordinate Lien Debt Service Reserve Subaccount Credit Instrument with respect to the particular Subaccount corresponding to such provider's Subordinate Lien Debt Service Reserve Subaccount Credit Instrument, provided that the pledge, lien and security interest shall be junior to any claim for the benefit of the Registered Owners of Subordinate Lien Obligations of that series.

After the deposit of a Subordinate Lien Debt Service Reserve Subaccount Credit Instrument into any Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount and after the City has received notice of the value of the Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount after such deposit, the Chief Financial Officer may then direct the transfer from such Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount to any account of the Water Fund of any amounts in the Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount in excess of the Subordinate Lien Debt Service Reserve Requirement for that series of Subordinate Lien Obligations.

(c) In the event of a deficiency in any Fiscal Year in the Subordinate Lien Principal and Interest Subaccount, the Subordinate Lien Debt Service Reserve Subaccount or any Sub-subaccount of either such Subaccount, the amount of such deficiency shall be included in the amount to be transferred from the Water Fund and deposited into such account during the next 12-month period or succeeding Fiscal Year, as required by this Part C.

(d) Whenever the balance in any Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount exceeds the amount required to be on deposit in that Sub-subaccount, such excess may be transferred to the Water Fund, provided that no such transfers shall be made when any debt service payments on outstanding obligations of the City that are payable by their terms from the revenues of the Water System are past due. Any funds which remain in the Water Fund at the end of any Fiscal Year shall be retained in the Water Fund and shall be available for appropriation for any proper purpose of the Water System.

ARTICLE V

GENERAL COVENANTS

Section 5.01. General Covenants. The City covenants and agree with the Registered Owners of the Series 2018 Subordinate Lien Obligation terms as follows:

(a) The City will establish, maintain and collect at all times fees, charges and rates for the use and service of the Water System sufficient at all times to (a) pay Operation and Maintenance Costs, and (b) produce Net Revenues Available for Bonds sufficient to pay the principal (at maturity or pursuant to mandatory sinking fund redemption) of and interest on all Bonds Outstanding from time to time and to establish and maintain the Senior Lien Principal and Interest Account and various Subaccounts of the Senior Lien Debt Service Reserve Account as may be covenanted in ordinances authorizing the issuance of Senior Lien Bonds, which Net Revenues Available for Bonds shall each Fiscal Year at least equal the greater of (i) 120 percent of the sum required to pay promptly when due the Senior Lien Debt Service Requirement for the Fiscal Year on all Senior Lien Bonds then Outstanding or (ii) the sum of (A) the Senior Lien Bond Debt Service Requirement for the Fiscal Year on all Senior Lien Bonds Outstanding, plus (B) the Annual Second Lien Bonds Requirement (as defined in the Second Lien Bonds Master Indenture) for the Fiscal Year on all Second Lien Bonds Outstanding, plus (C) the Subordinate Lien Debt Service Requirement for the Fiscal Year on all Subordinate Lien Obligations Outstanding, plus (D) the annual debt service requirement for the Fiscal Year on all CP Notes Outstanding, plus (E) the annual debt service requirement for the Fiscal Year on all Water System Line of Credit Notes Outstanding. These fees, charges and rates shall not be reduced, while any Subordinate Lien Obligations are Outstanding, below the level necessary to ensure compliance with the covenants of this Article V.

(b) The City will, prior to the end of each Fiscal Year, conduct a review to determine if it has been and will be in compliance with the rate covenant set forth above. Whenever the annual review indicates that projected Gross Revenues will not be sufficient to comply with such rate covenant, the City shall have prepared a rate study for the Water System identifying the rate changes necessary to comply with the rate covenant and the Office of Budget and Management

of the City and the Chief Financial Officer shall recommend appropriate action to the City Council to comply with this rate covenant.

ARTICLE VI

ISSUANCE OF ADDITIONAL SUBORDINATE LIEN OBLIGATIONS

Section 6.01. Subordinate Lien Parity Obligations. As long as there are any Outstanding Series 2018 Subordinate Lien Obligations, the City may issue Subordinate Lien Parity Obligations for any lawful purpose of the Water System, provided such purpose is also a lawful purpose of the IEPA Program, and then only upon compliance with the following conditions:

(a) the funds required to be transferred to the Senior Lien Principal and Interest Account, the various Subaccounts of the Senior Lien Debt Service Reserve Account and the various Subaccounts of the Second Lien Bonds Account, the Subordinate Lien Obligations Account, the Commercial Paper Account and the Line of Credit Notes Account shall have been transferred in full up to the date of delivery of such Subordinate Lien Parity Obligations;

(b) the ordinance authorizing the issuance of Subordinate Lien Parity Bonds shall require either (i) the transfer at the time of the delivery of such Subordinate Lien Parity Obligations of sufficient proceeds of such Subordinate Lien Parity Obligations or Net Revenues Available for Bonds, or the deposit of a Subordinate Lien Debt Service Reserve Subaccount Credit Instrument, or any combination of Subordinate Lien Obligation proceeds or Net Revenues Available for Bonds and Subordinate Lien Debt Service Reserve Subaccount Credit Instruments, to the various Sub-subaccounts of the Subordinate Lien Debt Service Reserve Subaccount so that the balance in such Sub-subaccounts is at least equal to the Subordinate Lien Debt Service Reserve Requirement for each series of Subordinate Lien Obligations, or (ii) equal monthly transfers to the Sub-subaccount of the Subordinate Lien Debt Service Reserve Subaccount for such Subordinate Lien Parity Obligations during a period not exceeding 60 months following the delivery of such Subordinate Lien Parity Obligations sufficient to cause the balance in such Sub-subaccount to be an amount at least equal to the Subordinate Lien Debt Service Reserve Requirement for that series of Subordinate Lien Parity Obligations; and

(c) Net Revenues Available for Bonds for the last completed Fiscal Year prior to the issuance of the Subordinate Lien Parity Obligations (as shown by the audit of an independent certified public accountant), or Net Revenues Available for Bonds for such last completed Fiscal Year, adjusted as described below, shall equal at least 100 percent of the maximum annual Subordinate Lien Debt Service Requirement for Subordinate Lien Obligations which will be Outstanding following the issuance of the proposed Subordinate Lien Parity Obligations, computed on a *pro forma* basis assuming the issuance of the proposed Subordinate Lien Parity Obligations, and the application of the proceeds of any Subordinate Lien Parity Obligations as provided in the ordinance authorizing their issuance, sale and delivery. Net Revenues Available for Bonds may be adjusted as follows for purposes of this paragraph (c):

(i) if there shall have been an increase in the rates of the Water System from the rates in effect for such last completed Fiscal Year, which increase is in effect at the

time of the issuance of any such Subordinate Lien Parity Obligations, Net Revenues Available for Bonds may be adjusted to reflect the Net Revenues Available for Bonds for such last completed Fiscal Year as they would have been had the existing rates been in effect during all of that last completed Fiscal Year, provided, that in the case of an enactment by the City of a rate schedule under which rates increase from time to time, the rate to be used in applying the test set forth in this clause (i) shall be the lowest rate effective for any period described in such rate schedule; and

(ii) any such adjustment shall be evidenced by a certificate of the Chief Financial Officer.

The addition of the proviso at the end of clause (i) above is solely intended to clarify the application of the adjustment described in said clause (i) and not to make any substantive revisions to the current application thereof.

For purposes of calculating the adjustment described in this paragraph (c), any rate increase enacted by the City and scheduled to take effect in a future Fiscal Year may be reflected in Net Revenues Available for Bonds for purposes of calculating debt service coverage for that Fiscal Year.

If during the first six months of a Fiscal Year, an audit of the Water System for the preceding Fiscal Year by an independent certified public accountant is not available, the conditions of paragraph (c) shall be deemed to have been satisfied if both (1) Net Revenues Available for Bonds for the second preceding Fiscal Year (as shown by the audit of an independent certified public accountant), adjusted as described in this paragraph (c), and (2) Net Revenues Available for Bonds for the preceding Fiscal Year (as estimated by the Chief Financial Officer), adjusted as described in this paragraph (c), shall equal at least 100 percent of the maximum Subordinate Lien Debt Service Requirement for any Fiscal Year for Subordinate Lien Obligations which will be Outstanding following the issuance of the proposed Subordinate Lien Parity Obligations, computed on a *pro forma* basis assuming the issuance of the proposed Subordinate Lien Parity Obligations and the application of the proceeds of any Subordinate Lien Parity Obligations as provided in the ordinance authorizing their issuance, sale and delivery.

Section 6.02. Subordinate Obligations. Other obligations, including bonds, may be issued payable from Net Revenues Available for Bonds on a basis subordinate to the Subordinate Lien Obligations.

ARTICLE VII

AMENDMENT OF PART C OF THIS ORDINANCE

The City may amend or modify this Part C from time to time and may modify the rights and obligations of the City and of the Registered Owners of the Series 2018 Subordinate Lien Obligations by adopting a supplemental ordinance to this Ordinance, provided that no such modification or amendment shall be adopted without the consent of IEPA.

Section 1.04. Severability. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 1.07. Appropriation. The provisions of this Ordinance constitute an appropriation of the amounts received upon the sale of the Series 2018 Second Lien Bonds and the Series 2018 Subordinate Lien Obligations for the purposes specified in Section 2.02 of each of Part B and Part C of this Ordinance, respectively, and an appropriation of the Net Revenues Available for Bonds for deposit in the various Accounts established as provided by Section 3.03 of Part B and Part C of this Ordinance and for payment of principal of, redemption premium, if any, and interest on the Series 2018 Second Lien Bonds and the Series 2018 Subordinate Lien

The Mayor and the Chief Financial Officer are each authorized to execute and deliver, as to each series of the Series 2018 Second Lien Bonds and the Series 2018 Subordinate Lien Obligations, an undertaking (a "Continuing Disclosure Undertaking") evidencing the City's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as from time to time in effect, in a form approved by the Corporation Counsel of the City. Upon its execution and delivery on behalf of the City, the Continuing Disclosure Undertaking shall be binding upon the City, and the officers, employees and agents of the City are authorized to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. The Chief Financial Officer is further authorized to make such amendments to the Continuing Disclosure Undertaking in accordance with its terms from time to time following its execution and delivery as said officer shall deem necessary. Notwithstanding any other provision of this Ordinance, the sole remedies for failure by the City to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Series 2018 Second Lien Bonds or Series 2018 Subordinate Lien Obligations, as appropriate, to seek mandamus or specific performance by court order to cause the City to comply with its obligations under the Continuing Disclosure Undertaking. No failure by the City to comply with the Continuing Disclosure Undertaking shall constitute a default under this Ordinance or under any Series 2018 Second Lien Bonds.

Section 1.09. Taxable Bonds. If determined by the Chief Financial Officer to be in the City's financial interest, any portion of the Series 2018 Second Lien Bonds may be issued hereunder such that the interest thereon is subject to Federal income taxation ("Taxable Bonds").

Section 1.10. Escrow Restructuring. Nothing in this Ordinance shall restrict or limit the ability of the City to restructure securities held for the payment of Senior Lien Bonds, Second Lien Bonds or Subordinate Lien Obligations.

This Ordinance shall be published by the City Clerk, by causing to be printed in special pamphlet form at least five copies hereof, which copies are to be made available in her office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this Ordinance. This Ordinance shall be in full force and effect from and after its adoption, approval and publication as provided herein.

Section 2.06. Mutilated, Lost, Stolen or Destroyed Series 2018 Second Lien Bonds.

In the event a Series 2018 Second Lien Bond is mutilated, lost, stolen or destroyed, the City may execute and the Trustee may authenticate a new Series 2018 Second Lien Bond of like date, maturity, interest rate and denomination as the Series 2018 Second Lien Bond mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Series 2018 Second Lien Bond, such mutilated Series 2018 Second Lien Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Series 2018 Second Lien Bond, there shall be first furnished to the City and the Trustee evidence of such loss, theft or destruction satisfactory to the City and the Trustee, together with indemnity satisfactory to them. In the event any such Series 2018 Second Lien Bond has matured, instead of issuing a substitute Series 2018 Second Lien Bond the City may pay the same without surrender of such Series 2018 Second Lien Bond. The City and the Trustee may charge the Registered Owner of such Series 2018 Second Lien Bond with their reasonable fees and expenses in this connection. All Series 2018 Second Lien Bonds so surrendered to the Trustee shall be canceled and destroyed, and evidence of such destruction shall be given to the City. Upon the date of final maturity or redemption of all of the Series 2018 Second Lien Bonds, the Trustee shall destroy any inventory of unissued certificates.

All duplicate Series 2018 Second Lien Bonds issued and authenticated pursuant to this Section shall constitute original, contractual obligations of the City (whether or not, in the case of the first paragraph of this Section, lost, stolen or destroyed Series 2018 Second Lien Bonds be at any time found by anyone), and shall be entitled to equal and proportionate rights and benefits under this Eleventh Supplemental Indenture as all other Outstanding Series 2018 Second Lien Bonds issued under this Eleventh Supplemental Indenture.

All Series 2018 Second Lien Bonds shall be owned upon the express condition that the foregoing provisions, to the extent permitted by law, are exclusive with respect to the replacement or payment of mutilated, destroyed, lost, stolen or purchased Series 2018 Second Lien Bonds, and shall preclude any and all other rights or remedies.

Section 2.07. Transfer and Exchange of Series 2018 Second Lien Bonds; Persons Treated as Owners. (a) Subject to the limitations contained in subsection (c) of this Section, upon surrender for registration of transfer of any Series 2018 Second Lien Bond at the principal corporate trust office of the Trustee, duly endorsed by, or accompanied by a written instrument

or instruments of transfer in form satisfactory to the Trustee and duly executed by the Bondholder or such Bondholder's attorney duly authorized in writing, the City shall execute, and the Trustee shall authenticate and deliver, in the name of the transferee or transferees a new Series 2018 Second Lien Bond or Bonds of like date and tenor in Authorized Denominations of the same Maturity Date and interest rate for the aggregate principal amount which the Registered Owner is entitled to receive bearing numbers not contemporaneously Outstanding. Subject to the limitations contained in subsection (c) of this Section, Series 2018 Second Lien Bonds may be exchanged at such times at such designated corporate trust office of the Trustee upon surrender of such Series 2018 Second Lien Bond together with an assignment duly executed by the Registered Owner of such Series 2018 Bonds or such Registered Owner's attorney in such form and with guarantee of signature as shall be satisfactory to the Trustee for an equal aggregate principal amount of Series 2018 Second Lien Bonds of like date and tenor of any Authorized Denomination as the Series 2018 Second Lien Bonds surrendered for exchange bearing numbers not contemporaneously Outstanding. The execution by the City of any Series 2018 Second Lien Bond of any Authorized Denomination shall constitute full and due authorization of such Authorized Denomination, and the Trustee shall thereby be authorized to authenticate and deliver such registered Series 2018 Second Lien Bond.

(b) No service charge shall be imposed upon the Registered Owners for any exchange or transfer of Series 2018 Second Lien Bonds. The City and the Trustee may, however, require payment by the person requesting an exchange or transfer of Series 2018 Second Lien Bonds of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation to such exchange or transfer, except in the case of the issuance of one or more Series 2018 Second Lien Bonds for the unredeemed portion of a Series 2018 Second Lien Bond surrendered for redemption in part.

(c) The Trustee shall not be required to transfer or exchange any Series 2018 Second Lien Bond during the period commencing on the Record Date next preceding any Interest Payment Date of such Series 2018 Second Lien Bond and ending on such Interest Payment Date, or to transfer or exchange such Series 2018 Second Lien Bond after the mailing of notice calling such Series 2018 Second Lien Bond for redemption has been made as provided in this Eleventh Supplemental Indenture or during the period of 15 days next preceding the giving of notice of redemption of Series 2018 Second Lien Bonds of the same Maturity Date and interest rate.

(d) Series 2018 Second Lien Bonds delivered upon any registration of transfer or exchange as provided in this Section 2.07 or as provided in Section 2.08 hereof shall be valid limited obligations of the City, evidencing the same debt as the Series 2018 Second Lien Bonds surrendered, shall be secured by the Indenture and shall be entitled to all of the security and benefits of this Eleventh Supplemental Indenture to the same extent as the Series 2018 Second Lien Bond surrendered.

(e) The City, the Trustee and any Paying Agent may treat the Registered Owner of any Series 2018 Second Lien Bond as the absolute owner of such Series 2018 Second Lien Bond for all purposes, whether or not such Series 2018 Second Lien Bond shall be overdue, and shall not be bound by any notice to the contrary. All payments of or on account of the principal of, premium, if any, and interest on any such Series 2018 Second Lien Bond as provided in this Eleventh Supplemental Indenture shall be made only to or upon the written order of the

Registered Owner of such Series 2018 Second Lien Bond or such Registered Owner's legal representative, but such registration may be changed as provided in this Eleventh Supplemental Indenture. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Series 2018 Second Lien Bond to the extent of the sum or sums so paid.

Section 2.08. Cancellation. Any Series 2018 Second Lien Bond surrendered for the purpose of payment or retirement, or for exchange, transfer or replacement, shall be canceled upon surrender of such Series 2018 Second Lien Bond to the Trustee or any Paying Agent. If the City shall acquire any of the Series 2018 Second Lien Bonds, the City shall deliver such Series 2018 Second Lien Bonds to the Trustee for cancellation and the Trustee shall cancel the same. Any such Series 2018 Second Lien Bonds canceled by any Paying Agent other than the Trustee shall be promptly transmitted by such Paying Agent to the Trustee. Certification of Series 2018 Second Lien Bonds canceled by the Trustee and Series 2018 Second Lien Bonds canceled by a Paying Agent other than the Trustee which are transmitted to the Trustee shall be made to the City. Canceled Series 2018 Second Lien Bonds may be destroyed by the Trustee unless instructions to the contrary are received from the City. Upon the date of final maturity or redemption of all Series 2018 Second Lien Bonds, the Trustee shall destroy any inventory of unissued certificates.

Section 2.09. Book-Entry Provisions. The provisions of this Section shall apply as long as the Series 2018 Second Lien Bonds are maintained in book-entry form with DTC or another Securities Depository, any provisions of this Eleventh Supplemental Indenture to the contrary notwithstanding.

(a) Payments of the principal of and interest on the Series 2018 Second Lien Bonds shall be made to the Securities Depository, or its nominee, as the Registered Owner of the Series 2018 Second Lien Bonds, in same day funds on each date on which the principal of, premium; if any, and interest on the Series 2018 Second Lien Bonds is due as set forth in this Eleventh Supplemental Indenture and the Series 2018 Second Lien Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the City and the Trustee in writing. Without notice to or the consent of the beneficial owners of the Series 2018 Second Lien Bonds, the City and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the City shall give the Trustee written notice thereof, and the Trustee shall make payments with respect to the Series 2018 Second Lien Bonds in the manner specified in such notice as set forth herein. Neither the City nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, premium, if any, and interest on the Series 2018 Second Lien Bonds to Participants or the beneficial owners of the Series 2018 Second Lien Bonds or their nominees.

(b) The Registered Owners of the Series 2018 Second Lien Bonds have no right to the appointment or retention of a Securities Depository for the Series 2018 Second Lien Bonds. If (i) the City determines, or (ii) the City receives notice that the Securities Depository has received notice from its Participants having interests in at least 50 percent in principal amount of the Series 2018 Second Lien Bonds that the Securities Depository or its successor is incapable of discharging its responsibilities as a securities depository, or that it is in the best interests of the beneficial owners that they obtain certificated Series 2018 Second Lien Bonds, the City may (or,

in the case of clause (ii) above, the City shall) cause the Trustee to authenticate and deliver Series 2018 Second Lien Bond certificates. The City shall have no obligation to make any investigation to determine the occurrence of any events that would permit the City to make any determination described in this paragraph.

(c) If, following a determination or event specified in paragraph (b) above, the City discontinues the maintenance of the Series 2018 Second Lien Bonds in book-entry form with the then current Securities Depository, the City will issue replacement Series 2018 Second Lien Bonds to the replacement Securities Depository, if any, or, if no replacement Securities Depository is selected for the Series 2018 Second Lien Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant, to the beneficial owners of the Series 2018 Second Lien Bonds shown on the records of such Participant. Replacement Series 2018 Second Lien Bonds shall be in fully registered form and in Authorized Denominations, be payable as to interest on the Interest Payment Dates of such Series 2018 Second Lien Bonds by check mailed to each Registered Owner at the address of such Registered Owner as it appears on the Bond Register or, at the option of any Registered Owner of not less than \$1,000,000 principal amount of Series 2018 Second Lien Bonds, by wire transfer to any address in the United States of America on such Interest Payment Date to such Registered Owner as of such Record Date, if such Registered Owner provides the Trustee with written notice of such wire transfer address not later than the Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent notice). Principal and premium, if any, on the replacement Series 2018 Second Lien Bonds are payable only upon presentation and surrender of such replacement Series 2018 Bond or Second Lien Bonds at the principal corporate trust office of the Trustee.

(d) The Securities Depository and its Participants, and the beneficial owners of the Series 2018 Second Lien Bonds, by their acceptance of the Series 2018 Second Lien Bonds, agree that the City and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Series 2018 Second Lien Bonds, nor shall the City or the Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Series 2018 Second Lien Bonds.

(e) As long as Cede & Co. is the Registered Owner of the Series 2018 Second Lien Bonds, as nominee of DTC, references herein to the Registered Owners of the Series 2018 Second Lien Bonds shall mean Cede & Co. and shall not mean the beneficial owners of the Series 2018 Second Lien Bonds.

(f) As long as Cede & Co. is the Registered Owner of the Series 2018 Second Lien Bonds:

(i) selection of Series 2018 Second Lien Bonds to be redeemed upon partial redemption or presentation of such Series 2018 Second Lien Bonds to the Trustee upon partial redemption shall be deemed made when the right to exercise ownership rights in such Series 2018 Second Lien Bonds through DTC or DTC's Participants is transferred by DTC on its books; and

(ii) DTC may present notices, approvals, waivers or other communications required or permitted to be made by Registered Owners under this Eleventh Supplemental Indenture on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the Series 2018 Second Lien Bonds through DTC or its Participants.

(b) In lieu of redeeming the Term Bonds pursuant to the mandatory sinking fund redemption provisions described above, on or before the 60th day next preceding any mandatory sinking fund redemption date for such Term Bonds, the Trustee may, at the written direction of the Chief Financial Officer, use such funds available under the Indenture to purchase Term Bonds in the open market at a price not exceeding par plus accrued interest.

On or before the 60th day next preceding any mandatory sinking fund redemption date for the Term Bonds (or such shorter period as may be acceptable to the Trustee), the City may, at its option, (i) deliver to the Trustee for cancellation, Term Bonds or portions thereof in Authorized Denominations subject to mandatory sinking fund redemption or (ii) receive a credit in respect of its mandatory sinking fund redemption obligation for Term Bonds or portions thereof in Authorized Denominations which prior to said date have been redeemed (otherwise than through the operation of such mandatory sinking fund redemption) and canceled by the Trustee and not theretofore applied as a credit against any mandatory sinking fund redemption obligation. Section 3.03. Make-Whole Optional Redemption.

[Series 2018 Second Lien Bonds of each maturity are subject to redemption at the option of the City in whole or in part at any time at the redemption price that is the greater of (A) 100% of the principal amount of the Series 2018 Second Lien Bonds to be redeemed and (B) the sum of the present value of the remaining scheduled payments of principal and interest to the maturity date of the Series 2018 Second Lien Bonds to be redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which the Series 2018 Second Lien Bonds are to be redeemed, discounted to the date on which the Series 2018 Second Lien Bonds are to be redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate (as defined below) plus [] basis points plus accrued and unpaid interest on the Series 2018 Second Lien Bonds to be redeemed on the redemption date.

“Treasury Rate” means, as of any redemption date, the yield to maturity as of such redemption date of United States Treasury Securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical H.15 (519)) that has become publicly available not more than 45 days and not less than four Business Days prior to the redemption date (excluding inflation-indexed securities) (or, if such Statistical Release is no longer published, any publicly available source of similar market data) most nearly equal to the period from the redemption date to the maturity date of the Series 2018 Second Lien Bonds to be redeemed; provided however, that if the period from the redemption date to such maturity date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

The redemption price of the Series 2018 Second Lien Bonds to be redeemed pursuant to the Make-Whole Optional Redemption provision described above will be determined by an independent accounting firm, investment banking firm or financial advisor retained by the City at the City’s expense to calculate such redemption price. The Trustee and the City may conclusively rely on such determination of redemption price by such independent accounting firm, investment banking firm or financial advisor and will not be liable for such reliance.]

Section 3.04. Redemption Terms; Notice of Redemption.

(a) Series 2018 Second Lien Bonds may be called for redemption by the Trustee pursuant to Section 3.01 hereof upon receipt by the Trustee at least 45 days prior to the redemption date (or such shorter period as shall be acceptable to the Trustee) of a written request of the City requesting such redemption. [Term Bonds shall be called for redemption by the Trustee pursuant to Section 3.02 hereof without further request or direction from the City or any other party.] [Series 2018 Second Lien Bonds may be called for redemption by the Trustee pursuant to Section 3.03 hereof upon receipt by the Trustee at least 45 days prior to the redemption date (or such shorter period as shall be acceptable to the Trustee) of a written request of the City requesting such redemption.]

(b) Unless waived by any owner of Series 2018 Second Lien Bonds to be redeemed, notice of the call for any [optional, mandatory redemption or optional make-whole redemption pursuant to Section 3.01, 3.02 or Section 3.03 hereof] shall be given by the Trustee on behalf of the City by mailing the redemption notice by first class mail at least 30 days and not more than 45 days prior to the date fixed for redemption to the Registered Owner of the Series 2018 Second Lien Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Trustee, but the failure to mail any such notice or any defect therein as to any Series 2018 Second Lien Bond to be redeemed shall not affect the validity of the proceedings for the redemption of any other Series 2018 Second Lien Bond to be redeemed. Any notice of redemption mailed as provided in this Section shall be conclusively presumed to have been given whether or not actually received by the addressee.

(c) All notices of redemption shall specify, at a minimum: (i) the series name and designation and certificate numbers of Series 2018 Second Lien Bonds being redeemed, (ii) the CUSIP numbers of the Series 2018 Second Lien Bonds being redeemed, (iii) the principal amount of Series 2018 Second Lien Bonds being redeemed and the redeemed amount for each certificate (for partial calls), (iv) the redemption date, (v) the redemption price, (vi) the Date of Issuance of the Series 2018 Second Lien Bonds being redeemed, (vii) the interest rate and maturity date of the Series 2018 Second Lien Bonds being redeemed, (viii) the date of mailing of notices to Registered Owners and information services (if required), and (ix) the name of the employee of the Trustee which may be contacted with regard to such notice. With respect to an optional redemption of any Series 2018 Second Lien Bonds, such notice may state that said redemption is conditioned upon the receipt by the Trustee on or prior to the date fixed for redemption of moneys sufficient to pay the redemption price of the Series 2018 Second Lien Bonds being redeemed. If such moneys are not so received, such redemption notice shall be of no force and effect, the City shall not redeem such Series 2018 Bonds and the Trustee shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Series 2018 Second Lien Bonds will not be redeemed. Unless the notice of redemption shall be made conditional as provided above, on or prior to any redemption date for Series 2018 Second Lien Bonds, the City shall deposit with the Trustee an amount of money sufficient to pay the redemption price of all Series 2018 Second Lien Bonds or portions thereof which are to be redeemed on that date.

(d) Notice of redemption having been given as aforesaid, the Series 2018 Second Lien Bonds, or portions thereof, so to be redeemed shall, on the redemption date (unless the redemption has been canceled as described in Section 3.04(c) hereof), become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) such Series 2018 Second Lien Bonds, or portions thereof, shall cease to bear interest. Upon surrender of such Series 2018 Second Lien Bonds for redemption in accordance with said notice, such Series 2018 Second Lien Bonds shall be paid by the Trustee at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Series 2018 Second Lien Bond, there shall be prepared for the Registered Owner a new Series 2018 Second Lien Bond or Bonds of the same interest rate and maturity in the amount of the unpaid principal. If any Series 2018 Second Lien Bond, or portion thereof, called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by such Bond, or portion thereof, so called for redemption.

Section 3.05. Selection of Series 2018 Second Lien Bonds for Redemption. In the event of the redemption of fewer than all the Series 2018 Second Lien Bonds of the same interest rate and maturity, the aggregate principal amount thereof to be redeemed shall be in an Authorized Denomination, and the Trustee shall assign to each Series 2018 Second Lien Bond of such interest rate and maturity a distinctive number for each minimum Authorized Denomination of such Bond and shall select by lot from the numbers so assigned as many numbers as, at such minimum Authorized Denomination for each number, shall equal the principal amount of such Series 2018 Second Lien Bonds to be redeemed. The Series 2018 Second Lien Bonds to be redeemed shall be those to which were assigned numbers so selected; provided that only so much of the principal amount of each Series 2018 Second Lien Bond shall be redeemed as shall equal such minimum Authorized Denomination for each number assigned to it and so selected. For purposes of any redemption of fewer than all of the outstanding Series 2018 Second Lien Bonds of a single interest rate and maturity, the particular Series 2018 Second Lien Bonds or portions thereof to be redeemed shall be selected not more than 60 days prior to the redemption date by the Trustee.

Section 4.10. Non-presentment of Bonds. In the event any Series 2018 Second Lien Bond shall not be presented for payment when the principal of such Series 2018 Second Lien Bond becomes due, whether at maturity, at the date fixed for redemption or otherwise, if moneys sufficient to pay such Series 2018 Second Lien Bond shall have been made available to the Trustee for the benefit of the Registered Owner of such Series 2018 Second Lien Bond, subject to the provisions of the immediately following paragraph, all liability of the City to the Registered Owner of such Series 2018 Bond for the payment of such Series 2018 Second Lien Bond shall immediately cease; determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such moneys, without for interest on such monies; for the benefit of the Registered Owner of such 2018 Second Lien Bond who shall thereafter be restricted exclusively to such moneys, for any claim of whatever nature on his or her part under the Indenture or on, or with respect to, such Series 2018 Second Lien Bond.

Any moneys so deposited with and held by the Trustee not so applied to the payment of Series 2018 Second Lien Bonds within two years after the date on which the same shall have become due shall be repaid by the Trustee to the City upon the City’s written request, and thereafter the Registered Owners of such Series 2018 Second Lien Bonds shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid, and all liability of the Trustee with respect to such moneys shall thereupon cease, and the City shall not be liable for any interest on such monies and shall not be regarded as a trustee of such moneys. The obligation of the Trustee under this Section to pay any such funds to the City shall be subject, however, to any provisions of law applicable to the Trustee or to such funds providing other requirements for disposition of unclaimed property.

Section 4.11. Moneys Held in Trust. All moneys required to be deposited with or paid to the Trustee for the account of any Fund or Account referred to in any provision of this Eleventh Supplemental Indenture shall be held by the Trustee in trust as provided in Section 8.03 of the Indenture, and shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien or security interest created by this Eleventh Supplemental Indenture.

Section 5.01. Investment of Moneys. Moneys held in the funds, accounts and subaccounts established under this Eleventh Supplemental Indenture, including moneys held for payment of Series 2018 Second Lien Bonds not presented for payment as described in Section 4.10 hereof, shall be invested and reinvested in Permitted Investments in accordance with the provisions governing investments contained in the Indenture; *provided, however*, that moneys in the Principal and Interest Account representing principal of or interest on the Series 2018 Second Lien Bonds shall only be invested in Governmental Obligations scheduled to mature on the earlier of (i) (A) 30 days from the date of investment (in the case of amounts representing principal of the Series 2018 Second Lien Bonds) or (B) six months from the date of investment (in the case of amounts representing interest payable on the Series 2018 Second Lien Bonds) or (ii) the date upon which such moneys will be required to be used in accordance with this Eleventh Supplemental Indenture. All such investments shall be held by or under the control of the Trustee and shall be deemed at all times part of the fund, account or subaccount for which they were made.

ARTICLE VI

DISCHARGE OF LIEN

Section 6.01. Defeasance. If the City shall pay to the Registered Owners of the Series 2018 Second Lien Bonds, or provide for the payment of, the principal, premium, if any, and interest to become due on the Series 2018 Second Lien Bonds, then this Eleventh Supplemental Indenture shall be fully discharged and satisfied upon the satisfaction and discharge of this Eleventh Supplemental Indenture, the Trustee shall, upon the request of the City, execute and deliver to the City all such instruments as may be desirable to evidence such discharge and satisfaction, and all fiduciaries shall pay over or deliver to the City all funds, accounts and other moneys or securities held by them pursuant to this Eleventh Supplemental Indenture which are not required for the payment or redemption of the Series 2018 Second Lien Bonds.

If the City shall pay and discharge a portion of the Series 2018 Second Lien Bonds as provided above, including any Series in full, such portion shall cease to be entitled to any lien, benefit or security under the Indenture. The liability of the City with respect to such Series 2018 Second Lien Bonds shall continue, but the Registered Owners of the Series 2018 Second Lien Bonds so defeased shall thereafter be entitled to payment (to the exclusion of all other Bondholders) only out of the moneys or Governmental Obligations described in clause (a) of the definition of such term deposited with the Trustee under Article IX of the Indenture.

The provisions of this Section 6.01 are subject in all respects to the provisions of Sections 9.01 and 9.02 of the Master Indenture.

(a) The Trustee accepts the trusts imposed upon it by this Eleventh Supplemental Indenture, and agrees to perform said trusts, but only upon and subject to the express terms and conditions set forth in this Eleventh Supplemental Indenture and in the Master Indenture. Except as otherwise expressly set forth in this Eleventh Supplemental Indenture, the Trustee assumes no duties, responsibilities or liabilities by reason of its execution of this Eleventh Supplemental Indenture other than as set forth in the Master Indenture and this Eleventh Supplemental Indenture, and this Eleventh Supplemental Indenture is executed and accepted by the Trustee subject to all the terms and conditions of its acceptance of the trust under the Indenture, as fully as if said terms and conditions were set forth at length in this Eleventh Supplemental Indenture. Notwithstanding the provisions of Section 8.04 or 8.05 of the Indenture, the Trustee shall have no lien or security interest in and to amounts in the Principal and Interest Account for the purpose of paying the fees or expenses of the Trustee or any Paying Agent. Notwithstanding any provision of the Indenture to the contrary, the Trustee may not resign or be removed until a successor Trustee shall have been appointed as provided in the Master indenture.

(b) The Trustee may appoint a Trustee's Agent with power to act on its behalf and subject to its direction in the authentication, registration and delivery of Series 2018 Second Lien Bonds of any Series in connection with transfers and exchanges hereunder, as fully to all intents and purposes as though such Trustee's Agent had been expressly authorized by this Eleventh Supplemental Indenture to authenticate, register and deliver such Series 2018 Second Lien Bonds. Any Trustee's Agent appointed hereunder shall also be a Paying Agent for purposes of this Eleventh Supplemental Indenture

Section 8.02. Dealing in Series 2018 Second Lien Bonds. The Trustee, in its individual capacity, may buy, sell, own, hold and deal in the Series 2018 Second Lien Bonds, and may join in any action which the Registered Owner of any Series 2018 Second Lien Bond may be entitled to take with like effect as if it did not act in any capacity under this Eleventh Supplemental Indenture. The Trustee, in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other transaction with the City, and may act as depositary, trustee or agent for any committee or body of the Registered Owners of the Series 2018 Second Lien Bonds secured by this Eleventh Supplemental Indenture or other obligations of the City as freely as if it did not act in any capacity under this Eleventh Supplemental Indenture.

Section 8.03. Paying Agent.

(a) The Trustee is hereby appointed Paying Agent for the Series 2018 Second Lien Bonds. The City may at any time or from time to time appoint one or more other Paying Agents having the qualifications set forth in subsection (c) below for a successor Paying Agent.

(b) The Trustee hereby accepts the duties and obligations imposed upon it as Paying Agent by this Eleventh Supplemental Indenture. Each other Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Eleventh Supplemental Indenture by executing and delivering to the City and to the Trustee a written acceptance thereof.

(c) Any Paying Agent may at any time resign and be discharged of the duties and obligations imposed upon it by this Eleventh Supplemental Indenture by giving at least 60 days' written notice to the City and the Trustee, and such resignation shall take effect upon the day specified in such notice but only if a successor shall have been appointed as provided herein. Any Paying Agent appointed by the City may be removed at any time by an instrument signed by the Chief Financial Officer and filed with such Paying Agent and the Trustee. The Trustee may at any time terminate the agency of any Paying Agent appointed by it by giving written notice of such termination to such Paying Agent and the City. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Paying Agent shall cease to be eligible under this Section, the Trustee shall promptly appoint a successor Paying Agent shall give written notice of such appointment to the City and shall mail notice of such appointment to all Owners of Series 2018 Second Lien Bonds. Any successor Paying Agent shall be appointed by the City and shall be a bank or trust company organized under the laws of any state of the United States or a national banking association; having capital stock and surplus aggregating at least \$15,000,000, or shall be a wholly-owned subsidiary of such an entity, willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Eleventh Supplemental Indenture.

(d) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or if there be no successor, to the Trustee and shall be subject to audit of all of its books, records and accounts with respect to the Bonds.

Additionally, this Eleventh Supplemental Indenture may, without the consent of, or notice to, any of the Bondholders, be supplemented and amended, in such manner as shall not be inconsistent with the terms and provisions of this Eleventh Supplemental Indenture, the Master Indenture or the Series 2018 Bond Ordinance, for any one or more of the following purposes:

Attachment A-1

The Bank of New York Mellon Corporation (the "Corporation"), acting through its subsidiaries, The Bank of New York Mellon and The Bank of New York Mellon Trust Company, N.A., is trustee on thousands of bond transactions which are secured by mortgages on real property that are held in trust and registered in the name of the Bank of New York Mellon or The Bank of New York Mellon Trust Company, N.A., as trustee. The mortgages are serviced by third-party service providers who are required to provide the necessary administrative services related to the mortgages, such as paying property taxes and complying with the local real estate ordinances. From time to time, the third-party services providers may fail to fulfil their obligations, resulting in fines and judgments. Such fines and judgments may be assessed and entered against the Bank of New York Mellon or The Bank of New York Mellon Trust Company, N.A. because, as trustee, it is the lien-holder or owner of record. The third-party service provider is obligated to pay such fines and remedy or pay such judgments.

In addition, like all major institutions, the Corporation and/or subsidiaries are subject to various litigations and proceedings pursuant to which judgments, injunctions, or liens may be issued. There have been no judgments, injunctions or liens arising out of such litigations or proceedings in the last five years that would materially impair the Corporation's or its subsidiaries ability to perform the services relating to the Matter. For a description of certain legal proceedings, please see the "Legal Proceedings" section in the Corporation's Form 10-K and 10-Qs, which are available on our website, <http://www.bnymellon.com>. In addition, The Bank of New York Mellon Trust Company, N.A. has, in a very limited number of cases, been removed as trustee due to administrative service issues; none of such issues would impact the ability of The Bank of New York Mellon Trust Company, N.A. to perform the services related to the Matter.

Attachment A-1

The Bank of New York Mellon Corporation (the "Corporation"), acting through its subsidiaries, The Bank of New York Mellon and The Bank of New York Mellon Trust Company, N.A., is trustee on thousands of bond transactions which are secured by mortgages on real property that are held in trust and registered in the name of the Bank of New York Mellon or The Bank of New York Mellon Trust Company, N.A., as trustee. The mortgages are serviced by third-party service providers who are required to provide the necessary administrative services related to the mortgages, such as paying property taxes and complying with the local real estate ordinances. From time to time, the third-party services providers may fail to fulfil their obligations, resulting in fines and judgments. Such fines and judgments may be assessed and entered against the Bank of New York Mellon or The Bank of New York Mellon Trust Company, N.A. because, as trustee, it is the lien-holder or owner of record. The third-party service provider is obligated to pay such fines and remedy or pay such judgments.

In addition, like all major institutions, the Corporation and/or subsidiaries are subject to various litigations and proceedings pursuant to which judgments, injunctions, or liens may be issued. There have been no judgments, injunctions or liens arising out of such litigations or proceedings in the last five years that would materially impair the Corporation's or its subsidiaries ability to perform the services relating to the Matter. For a description of certain legal proceedings, please see the "Legal Proceedings" section in the Corporation's Form 10-K and 10-Qs, which are available on our website, <http://www.bnymellon.com>. In addition, The Bank of New York Mellon Trust Company, N.A. has, in a very limited number of cases, been removed as trustee due to administrative service issues; none of such issues would impact the ability of The Bank of New York Mellon Trust Company, N.A. to perform the services related to the Matter.

Economic Disclosure Statement
Files by
The Bank of New York Mellon Corporation
(as an Entity Holding an Interest in the Applicant)

The Disclosing Party was established in 2007. The Disclosing Party has identified 60 predecessor institutions established before 1866. Among these predecessor entities is the Disclosing Party's wholly-owned subsidiary, The Bank of New York Mellon (formerly known as The Bank of New York), which was established in 1784.

There are scattered references in the records of the Disclosing Party's pre-1866 predecessors to clients located in the southern states where slavery was practiced during the slavery era. The Disclosing Party's predecessors provided business services to these southern clients which included: issuing loans to individual and correspondent banking accounts; providing reciprocal banking services for other banks; and providing bond and stock administration and depository services on behalf of other banks and municipalities. Some of these predecessors may have also invested in bonds and stocks of southern institutions or bonds issues by southern states. The southern states, municipalities, banks, companies and individuals referenced in the records are: Bank of Baltimore; City Bank of Baltimore; Stephen Duncan; DuPlanty, McCall & Co.; Bank of Kentucky; Bank of Maryland; State of Maryland; Bank of Montgomery; Bank of North Carolina; Bank of South Carolina; New Orleans Canal and Banking Company; City of New Orleans; Commercial Bank of New Orleans; Planters Bank of Mississippi; Simsville Cotton Factory; Southern Life Insurance and Trust Company; Planters Bank of Tennessee; State of Tennessee. The Bank of New York also held one or more bank accounts on behalf of Charles P. Leverich and/or his New York company Charles P. Leverich & Co. ("Leverich & Co."), Leverich was a director of The Bank of New York from 1840 to 1876, and was a Vice President (1853-1863) and President (1863-1876) of the Bank. Leverich & Co. was a New York cotton broker which had extensive dealings with southern clients from the 1830s through 1879, when the firm was dissolved. Leverich & Co. also acted as a factor for southern planters. It also appears that Leverich & Co. may have helped manage a plantation – James Porter's Oak Lawn in Bayou Teche, Louisiana – for one of its southern clients.

Based on the Disclosing Party's research, there are indications in United States census records for the period 1790 to 1860 that some directors of The Bank of New York and some officers and directors of the Farmer's Bank of the State of Delaware may have owned slaves before, during, and/or after their association with such institutions.

A predecessor of the Disclosing Party, the New York Life Insurance and Trust Company ("NYLITC") (which bears no relation to the present New York Life Insurance Company), was founded in 1830 and merged with The Bank of New York in 1922. NYLITC issued life insurance policies to some of its clients, including a few individuals who resided in the southern states where slavery was practiced during the slavery era. There are no indications in the records that NYLITC issues any slaveholder insurance policies.

The records of NYLITC reflect that in 1842, NYLITC loaned a sum of money to the Southern Life Insurance and Trust Company ("Southern Life"). This loan was secured by an assignment to NYLITC of several mortgages originated and held by Southern Life, including a mortgage dated April 1, 1837, on "Hanson's Plantation," located in St. John's County, near St. Augustine Florida and owned by John Hanson and Margaret Cook. This Southern Life mortgage included a pledge of 21 named slaves. The names and ages of these slaves are recorded in the NYLITC ledger entry for the loan and are listed in Appendix A to this statement. There are no indications in the records that Southern Life ever defaulted on this loan, or that NYLITC ever foreclosed on any of the assigned mortgages.

WHEREAS, on December 10, 2014, the City Council enacted an ordinance (the "Enlargement Ordinance") which (i) enlarged the boundaries of the Original Area (as enlarged, the "Area"), (ii) authorized certain special services in the Area distinct from the Original Special Services (the "Special Services"), (iii) authorized an increase in the maximum annual rate of the levy to provide the Special Services to an amount not to exceed 0.333% of the equalized assessed value of the taxable property within the Area (the "Services Tax"), and (iv) authorized the extension of the time period for which the levy of the Services Tax is authorized within the Area from the Initial Period to a period from tax year 2014 through and including tax year 2028; and
