ORDINANCE

WHEREAS, the City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois and as such may legislate as to matters which pertain to its local government and affairs; and

WHEREAS, the City has determined that the continuance of a shortage of affordable housing to persons of low and moderate income is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, the City has received certain funds from various sources to make loans and grants to expand the long-term supply of affordable housing through, among other things, the financing of acquisition, new construction, reconstruction and moderate and substantial rehabilitation of residential dwelling units for low and moderate income families and persons, which such funds are administered on behalf of the City by its Department of Planning and Development ("DPD"); and

WHEREAS, on December 13, 2000, the City Council of the City enacted an ordinance published in the Journal of the Proceedings of the City Council of the City for such date at pages 47431 through 47685, inclusive, pursuant to which the City (i) issued multi-family housing revenue bonds in two series (the "Bonds"), and (ii) made a loan in the principal amount of \$4,100,000 (the "Loan") to Stone Terrace Partners, L.P., an Illinois limited partnership (the "Borrower"), of which Stone Terrace Management Company, LLC, an Illinois limited liability company, is the sole general partner (whose sole member is East Lake Management and Development Corp., an Illinois corporation); and

WHEREAS, the proceeds of the Bonds and the Loan were all used in connection with the financing of a portion of the costs of the acquisition and rehabilitation of buildings located at 8409-21, 8441, and 8455 S. Vincennes Avenue; 8430, 8440, 8520, and 8540 S. Parnell Avenue; 540-550 and 541 W. 85th Street; 540 W. 86th Street, Chicago, Illinois, in Chicago, Illinois (collectively, the "Property") to provide approximately 156 units of affordable housing; and

WHEREAS, the Loan was evidenced by a note which was secured by, among other things, that certain Junior Mortgage, Security Agreement and Financing Statement dated as of April 1, 2001 made by the Borrower in favor of the City and recorded with the Office of the Recorder of Deeds of Cook County, Illinois (the "Recorder's Office") on April 25, 2001 as document number 0010340195 (the "Mortgage"); and that certain Regulatory Agreement effective as of April 1, 2001 between the City and the Borrower and recorded with the Recorder's Office on April 25, 2001 as document number 0010340192 (the "Regulatory Agreement"); and

WHEREAS, the Mortgage is subordinate to that certain mortgage dated as of April 1, 2001 and recorded with the Recorder's Office on April 25, 2001 as document number 0010340193, securing a loan in the amount of \$3,710,000 (the "Original Senior Loan"), made by the Borrower in favor of GMAC Commercial Mortgage Corporation, a California corporation, which Original Senior Loan has been assigned to Berkadia Commercial Mortgage Company; and

WHEREAS, the Borrower now desires to refinance the Original Senior Loan by entering

into a HUD/FHA-insured new senior loan with a reduced interest rate in a principal amount not to exceed \$3,710,000 (the "New Senior Loan"), the proceeds of which will be used, among other things, to retire the Original Senior Loan and thereby fully redeem and retire one series of the Bonds, and to execute a mortgage (the "New Senior Mortgage") in connection with the Property in favor of a new senior lender acceptable to the Authorized Officer (as hereinafter defined), and has requested that the City approve the proposed refinancing of the Original Senior Loan and a restructuring of the Loan; and

WHEREAS, DPD desires to approve a restructuring (the "Restructuring") of the Loan in a manner that (1) will not change the amount of the Loan, (2) will not change the interest rate of the Loan, (3) will extend the maturity date of the Loan to a term that shall not exceed the term of the New Senior Loan, and (4) will subordinate the lien of the Mortgage to the lien of the New Senior Mortgage (collectively, the "Material Terms"); now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

The Authorized Officer is hereby authorized, subject to approval by the Corporation Counsel, to enter into and execute such amendments, agreements and instruments, and perform any and all acts as shall be necessary or advisable in connection with any future restructuring of the Loan which does not substantially modify the Material Terms.

SECTION 3. Notwithstanding anything to the contrary contained in the Municipal Code of Chicago (the "Municipal Code") or any other ordinance or mayoral executive order, no parties other than the owners of the Property as of the date following the date of the closing of the Restructuring (collectively, the "Owner"), any legal entities which are direct owners in excess of 7.5% of the Owner which changed in connection with the Restructuring, and all legal entities who constitute the direct or indirect controlling parties of the Owner (as determined by the Corporation Counsel), shall be required to provide to the City the document commonly known as the "Economic Disclosure Statement and Affidavit" (or any successor to such document) in connection with the Restructuring.

If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

TITLE AND SURVEY

2.1 **Inspection Period.** During the period beginning upon the Effective Date and ending at 5:00 p.m. (local time at the Property) on the November Expiration Date (as defined herein) (subject to extension as provided below, the “**Inspection Period**”), Purchaser shall have the right to review: (a) the title report on the Property (the “**Title Commitment**”) prepared by Chicago Title Insurance Company (the “**Title Company**”), Order No. 1401 008985187, having an effective date of June 7, 2017, and provided to Purchaser on or prior to the Effective Date; (b) the Survey, a copy of which was provided to Purchaser on or prior to the Effective Date; and (c) such underlying documents referenced in the Title Commitment and other title and survey materials as Purchaser reasonably deems necessary or appropriate. Purchaser hereby acknowledges receipt of the Title Commitment and the Survey. If the City Council of City (the “**City Council**”) does not pass an ordinance authorizing the acquisition of the Property for a police and fire training academy in November 2017, Purchaser shall have the one-time right to extend the Inspection Period to the December Expiration Date (as defined herein) by delivering to Seller written notice of such extension, on or prior to the date that is one (1) day immediately following the last meeting of the City Council in November 2017 and in all events no later than November 30, 2017.

As used herein, the term “**November Expiration Date**” shall mean the date that is fifteen (15) days immediately following the November 2017 meeting of the City Council, or if there is more than one (1) meeting of the City Council in November 2017, then on the date that is fifteen (15) days immediately following the last such meeting in November 2017. As used herein the term “**December Expiration Date**” shall mean the date that is fifteen (15) days immediately following the December 2017 meeting of the City Council, or if there is more than one (1) meeting of the City Council in December 2017, the date that is fifteen (15) days immediately following the last such meeting in December 2017.

2.2 Title Examination.

2.2.1 **Objections to Title.** Purchaser shall notify Seller in writing (the “**Title Notice**”) prior to the expiration of the Inspection Period which exceptions to title set forth on the Title Commitment and survey matters set forth on the Survey or other title or survey matters discovered by Purchaser during the Inspection Period, if any, will not be accepted by Purchaser. For the purposes of this Section 2.2.1, the liens and encumbrances set forth on **Schedule A-1** attached hereto (each, an “**Unpermitted Lien**”), shall automatically be deemed objected to without the need for notice from Purchaser to Seller. Notwithstanding

anything to the contrary in this Section 2.2.1, Seller shall cause the Unpermitted Liens set forth on **Schedule A-1** to be released or insured over on or prior to the Closing Date, it being acknowledged that the procurement by Seller of an unconditional commitment for the issuance of the Title Policy (as hereinafter defined) or an endorsement thereto in form and substance reasonably acceptable to Purchaser insuring Purchaser against loss resulting from foreclosure of such Unpermitted Liens shall be deemed a cure by Seller of such Unpermitted Liens so long as such commitment or endorsement is delivered to and reasonably approved by Purchaser in writing and is subsequently issued on the Closing Date as part of the Title Policy. Notwithstanding anything to the contrary contained in this Agreement, in the event that Seller fails to cause the Unpermitted Liens set forth on **Schedule A-1** to be released or insured over on or prior to the Closing Date in the manner set forth above, Purchaser may, but shall not be required to, cause such Unpermitted Liens to be released or insured over and may offset against the Purchase Price the actual cost to Purchaser, as of the Closing Date, of releasing or insuring over such Unpermitted Liens.

If Purchaser fails to notify Seller in writing of its disapproval of any exceptions to title or survey matters disclosed in the Title Commitment or the Survey by the expiration of the Inspection Period, Purchaser shall be deemed to have approved the condition of title and survey as set forth on the Title Commitment and Survey, respectively. If Purchaser notifies Seller in writing that Purchaser objects to any exceptions to title or survey matters, Seller shall have thirty (30) days from the receipt of Purchaser's Title Notice (the "**Seller Response Period**") to notify Purchaser in writing that Seller (a) will remove such objectionable exceptions from title or survey matters on or before the Closing or (b) elects not to cause such title exceptions or survey matters to be removed. Seller's failure to deliver written notice to Purchaser in response to the Title Notice within the Seller Response Period shall be deemed to be Seller's election to not cause such title exceptions or survey matters to be removed as provided under (b) above. The procurement by Seller of an unconditional commitment for the issuance of the Title Policy or an endorsement thereto in form and substance reasonably acceptable to Purchaser insuring Purchaser against any title exception or survey matter disapproved pursuant to this Section 2.2 by Purchaser shall be deemed a cure by Seller of such objectionable exception so long as such commitment or endorsement is delivered to and reasonably approved by Purchaser in writing within five (5) business days from the receipt thereof and is subsequently issued on the Closing Date as part of the Title Policy at no cost to Purchaser. If Seller gives Purchaser notice under clause (b) above or is deemed to have elected to not cause such title exceptions or survey matters to be removed by failing to deliver written notice to Purchaser within the Seller Response Period, Purchaser shall have thirty (30) days from the earlier to occur of receipt of Seller's notice or expiration of the Seller Response Period to notify Seller (i) that Purchaser will nevertheless proceed with the purchase and take title to the Property subject to those objectionable title and survey items which Seller has not then committed to remove or (ii) that Purchaser will terminate this Agreement. If this Agreement is terminated pursuant to the foregoing provisions of this paragraph, then neither party shall have any further rights or obligations hereunder (except for those obligations of either party that expressly survive the termination of this Agreement pursuant to the other provisions of this Agreement) and each party shall bear its own costs incurred hereunder. If Purchaser shall fail to notify Seller of its election on or before the end of the 30-day period, Purchaser shall

be deemed to have waived its right to terminate this Agreement based on any title or survey objections (excluding Additional Title Matters as defined herein) and to have elected to proceed with the purchase and take title to the Property subject to those objectionable title and survey items that Seller has declined or been deemed to have declined to remove under this Section 2.2.1.

2.2.2 **Pre-Closing Title Defects.** Purchaser may, on or prior to the Closing Date, notify Seller in writing (the “**Additional Title Notice**”) of any exceptions to title first raised by the Title Company, or otherwise discovered, after the expiration of the Inspection Period (although the same may have become encumbrances to title prior to such date) (each, an “**Additional Title Matter**”; collectively, the “**Additional Title Matters**”). Seller shall be obligated to remove from title all such Additional Title Matters which are either (x) recorded liens or mortgages against the Property voluntarily, knowingly and affirmatively granted and caused by Seller; (y) unrecorded liens or mortgages against the Property voluntarily, knowingly and affirmatively granted and caused by Seller (including an unrecorded leasehold interest in the Property granted and executed by Seller) or (z) lien claims against the Property resulting from a breach by Seller of a written contract entered into and executed by Seller (any of [x], [y] or [z] are, hereinafter, referred to as “**Seller Caused Title Matters**”), to the extent that there are sufficient funds available to Seller at Closing to remove such Seller Caused Title Matters. With respect to any other Additional Title Matters, Seller shall notify Purchaser in writing within ten (10) business days after receipt of an Additional Title Notice whether Seller elects to attempt to cure such Additional Title Matters. Seller’s failure to deliver written notice to Purchaser in response to the Additional Title Notice within the ten (10)-business day period shall be deemed to be Seller’s election to not cure such Additional Title Matters. If Seller elects to attempt to cure such Additional Title Matters, Seller shall have until the Closing Date to attempt to remove, satisfy or cure the same (it being acknowledged by Purchaser that the procurement by Seller of an unconditional commitment from the Title Company for the issuance of the Title Policy or an endorsement thereto in form and substance reasonably acceptable to Purchaser insuring Purchaser against an Additional Title Matter shall constitute a cure of such Additional Title Matter so long as such commitment or endorsement is approved by Purchaser in writing and is subsequently issued on the Closing Date as part of the Title Policy at no cost to Purchaser). If Seller elects to not cure or is deemed to have elected to not cure any Additional Title Matters (that is not a Seller Caused Title Matter) specified in Purchaser’s Additional Title Notice, or if Seller is unable to cure the same prior to the Closing Date, Purchaser shall have the following options: (i) to accept a conveyance of the Property subject to such Additional Title Matters that Seller has failed, declined or been deemed to have declined to remove, in which event each such Additional Title Matter shall be deemed an additional Permitted Exception, in the manner and subject to the limitations set forth above, with respect to such Additional Title Matter; or (ii) to terminate this Agreement; provided, however, that if Purchaser fails to elect either (i) or (ii) above within five (5) business days of Seller delivering to or being deemed to have delivered to Purchaser a written notice specifying Seller’s election not to cure, or declaring that Seller is unable to cure, an Additional Title Matter, then Purchaser shall be deemed to have elected to accept a conveyance of the Property subject to such Additional Title Matter. If this Agreement is terminated pursuant to the foregoing provisions of this paragraph, then

neither party shall have any further rights or obligations hereunder (except for those obligations of either party that expressly survive the termination of this Agreement pursuant to the other provisions of this Agreement) and, each party shall bear its own costs incurred hereunder.

2.2.3 **Issuance of Title Policy.** On the Closing Date, Seller shall cause the Title Company to issue the Title Policy (or a “marked-up” Title Commitment unconditionally committing the Title Company to issue such Title Policy) to Purchaser, including an extended coverage endorsement, but excluding any additional endorsements requested by Purchaser other than pursuant to Purchaser’s rights or Seller’s election under Sections 2.2.1 or 2.2.2 hereof, the procurement of such excluded additional endorsements being the sole responsibility of Purchaser, and Seller shall provide the title clearance documents and materials required by Section 4.2 hereof. The Title Policy shall be in the amount of the Purchase Price and shall insure fee simple title to the Property in Purchaser as of the Closing Date, subject only to the Permitted Exceptions.

ARTICLE III **REVIEW OF PROPERTY**

3.1 **Right of Inspection.** During the Inspection Period, Purchaser shall have the right to make a physical inspection of the Property, including, without limitation, an inspection of the geotechnical and environmental condition thereof, pursuant to the terms and conditions of this Agreement. Seller has previously delivered to Purchaser copies of the documents listed on **Exhibit B** (collectively, the “**Seller’s Materials**”).

(a) Purchaser understands and agrees that any onsite inspections of the Property shall occur at times agreed upon by Seller and Purchaser. Seller reserves the right to have a representative present during any such inspections. If Purchaser desires to do any invasive testing at the Property, Purchaser shall do so only after notifying Seller and obtaining the prior written consent of Seller, which consent shall not be unreasonably withheld or delayed and may be subject to reasonable terms and conditions. Upon the request of Seller, Purchaser shall, as soon as practicable, restore the Property to substantially the same condition as existed prior to any such inspections or tests, at Purchaser’s sole cost and expense. Only if requested in writing by Seller, Purchaser will furnish to Seller copies of any final written reports received by Purchaser and issued by third party contractors relating to any inspections of the Property. Purchaser agrees to protect, indemnify, defend and hold Seller harmless from and against any claim for liabilities, losses, costs, expenses (including attorneys’ fees), damages or injuries arising out of or resulting from the inspection of the Property by Purchaser or its agents or consultants, except to the extent such liabilities, losses, costs, expenses, damages or injuries were caused by the gross negligence or willful misconduct of Seller or its agents, employees or contractors, and except that Purchaser shall in no event be required to indemnify, defend or hold Seller harmless for matters that relate to the discovery of a pre-existing environmental or physical condition at the Property, except to the extent exacerbated by the activities or actions of Purchaser. Purchaser shall assure that its contractors maintain liability and property damage insurance in the amount of at least One Million Dollars

(\$1,000,000) in coverage and in form and substance adequate to insure against all liabilities of Purchaser and its agents, employees or contractors arising out of any entry upon or inspection of the Property pursuant to the provisions hereof, and prior to entering onto the Property, Purchaser shall provide Seller with evidence of such insurance coverage naming Seller and Seller's lender, if required, as an additional insured party thereunder.

(b) The Property shall be conveyed to Purchaser in "AS-IS, WHERE-IS CONDITION, WITH ALL FAULTS," and without any warranties of quality, fitness or merchantability. It is expressly understood by the parties that any and all warranties, express or implied, with respect to the Property are hereby waived. Nothing contained in this Section 3.1(b) shall limit any of Seller's representations, warranties or covenants expressly set forth in this Agreement.

(c) The provisions of this Section 3.1 shall survive the Closing or any earlier termination of this Agreement.

3.2 **Right of Termination.** If, prior to the expiration of the Inspection Period, for any reason whatsoever, Purchaser determines, in Purchaser's sole and absolute discretion, that the Property or any aspect thereof is unsuitable for Purchaser's acquisition or that Purchaser, for any reason, does not desire to acquire the Property, Purchaser shall have the right to terminate this Agreement by giving written notice thereof to Seller prior to the expiration of the Inspection Period, and if Purchaser gives such notice of termination within the Inspection Period, this Agreement shall terminate. If this Agreement is terminated pursuant to the foregoing provisions of this paragraph, then neither party shall have any further rights or obligations hereunder (except for those obligations that expressly survive the termination of this Agreement) and each party shall bear its own costs incurred hereunder. If Purchaser fails to give Seller a notice of termination prior to the expiration of the Inspection Period, Purchaser shall be deemed to have waived its right to terminate under this Section 3.2 and elected to proceed with the purchase of the Property pursuant to the terms hereof.

ARTICLE IV **CLOSING**

4.1 Time and Place.

(a) Provided that the conditions to closing set forth in Section 4.6 and Section 4.7 hereof have been satisfied or waived in writing by Purchaser or Seller, as applicable, the consummation of the transaction contemplated hereby (the "**Closing**") shall occur on (i) the forty-fifth (45th) day immediately following the November Expiration Date, or (ii) in the event the Inspection Period expires on the December Expiration Date, the forty-fifth (45th) day immediately following the December Expiration Date, or such earlier date as to which the parties may, in each such party's sole and absolute discretion, agree in writing (the "**Closing Date**"). Notwithstanding the foregoing, in all events the Closing Date shall be no later than January 31, 2018. At or before the Closing, Seller and Purchaser shall perform the obligations set forth in, respectively, Section 4.2 and Section 4.3 hereof, the performance of which obligations shall be concurrent conditions.

(b) The parties shall establish a deed and money escrow with the Title Company, acting as escrowee, through which the transaction contemplated by this Agreement shall be closed. The escrow instructions for the deed and money escrow shall be in the form customarily used by the Title Company with such special provisions added thereto as may be required to conform to the provisions of this Agreement. Said escrow shall be auxiliary to this Agreement and this Agreement shall not be merged into nor in any manner superseded by said escrow. The escrow costs and fees for the escrow described in this Section 4.1(b) shall be equally divided between Purchaser and Seller.

(c) The transaction shall be closed by means of a so-called "New York Style Closing," with the concurrent delivery of the documents of title, transfer of interests, delivery of the Title Policy (or "marked-up" title commitment as described herein) and the delivery of the Purchase Price. Seller shall provide an undertaking in a form reasonably acceptable to the Title Company necessary for the New York Style Closing to occur (the "**Gap Undertaking**"). Seller and Purchaser shall each pay fifty percent (50%) of the charges of the Title Company for such New York Style Closing.

4.2 **Seller's Obligations at Closing.** At Closing, Seller shall:

(a) deliver to Purchaser a certificate, dated as of the Closing Date and executed on behalf of Seller by a duly authorized individual thereof, certifying that the representations and warranties of Seller set forth in this Agreement are then true and correct, as modified in writing to Purchaser, if applicable;

(b) deliver to Purchaser a duly executed special warranty deed (the "**Deed**") in the form attached hereto as **Exhibit D**, conveying the Property, subject only to the Permitted Exceptions;

(c) deliver to Purchaser such evidence as Purchaser may reasonably require as to the authority of Seller to consummate the transaction contemplated by this Agreement and of the person or persons executing documents on behalf of Seller;

(d) deliver to Purchaser a certificate duly executed by Seller stating that Seller is not a "foreign person" as defined in the Federal Foreign Investment in Real Property Tax Act of 1980;

(e) deliver the Gap Undertaking and such affidavits, ALTA statements (as to extended coverage over standard preprinted exceptions), and other documents as may be customarily and reasonably required by the Title Company for the issuance of the Title Policy, in a form reasonably acceptable to Seller;

(f) execute separate closing statements to reflect the amount due to each Seller that includes the share of prorations specified in Section 4.4 for such Seller (each, a "**Closing Statement**");

(g) execute all required state, county and City transfer tax declarations (the "**Tax Declarations**"); and

(h) deliver such additional documents as may be reasonably required to consummate the transaction contemplated by this Agreement.

4.3 Purchaser's Obligations at Closing. At Closing, Purchaser shall:

(a) deliver to Seller such evidence as Seller may reasonably require as to the authority of Purchaser to consummate the transaction contemplated by this Agreement and of the person or persons executing documents on behalf of Purchaser;

(b) deliver such affidavits or other documents as may be customarily and reasonably required by the Title Company for the issuance of the Title Policy, in a form reasonably acceptable to Purchaser;

(c) execute each Closing Statement;

(d) execute the Tax Declarations;

(e) deliver such additional documents as may be reasonably required to consummate the transaction contemplated by this Agreement; and

(f) in the event that Seller has notified Purchaser that it elects to proceed with a charitable contribution in an amount not to exceed the Bargain Sale Contribution, deliver to Seller a receipt for the Bargain Sale Contribution that includes: (i) City's name, the date and location of the contribution, and (ii) a statement that City did not provide any goods or services to Seller in return for the Bargain Sale Contribution, other than any obligations of City to Seller under this Agreement; provided, however, City makes no representation as to the extent or existence of Seller's right to claim a charitable contribution for a bargain sale to City hereunder. Seller will be solely responsible for compliance with the gift value substantiation requirements under the Internal Revenue Code of 1986, as amended. Purchaser shall execute and deliver to Seller at or before Closing IRS Form 8283 and the Donative Letter, each reflecting the Bargain Sale Contribution.

4.4 Credits and Prorations.

Expenses of the Property shall be apportioned as of 12:01 a.m., on the Closing Date, as if Purchaser were vested with title to the Property during the entire day upon which Closing occurs.

4.4.1 **Taxes.** Real estate taxes and assessments shall be prorated on the Closing Date on an accrual basis, with Seller providing Purchaser with a cash payment at Closing equal to the amount of the then accrued or assessed real estate taxes which are not yet payable as of the Closing Date. The parties acknowledge that certain of such taxes shall have accrued, but shall not yet be due and payable, as of the Closing Date, and that Seller shall be responsible for all such taxes which have so accrued irrespective of whether the same are then payable. Such proration shall be on the basis of the number of days in the applicable taxing period during which the Property will have been owned by Seller and Purchaser, respectively. If the current tax bill is not available at Closing, then the proration shall be made on the basis of the most recent ascertainable tax bill. Any Closing Date

prorations for taxes and assessments shall be finally adjusted post-Closing upon receipt of the actual tax bills therefor. Any such adjusted prorations shall be made by cash payment by or to Seller and Purchaser, as applicable, within sixty (60) days following receipt of the tax bills. Notwithstanding the foregoing, Seller shall retain the right to protest the payment of such taxes and shall be entitled to receive all refunds or the return of such taxes from the relevant taxing authority.

4.4.2 **Utilities.** Seller acknowledges and agrees that Seller shall be responsible for all utility charges incurred at the Property by Seller before the Closing Date.

4.4.3 **Finality.** The provisions of this Section 4.4 shall survive the Closing (including delivery of the Deed).

4.5 **Transaction Taxes and Closing Costs.**

(a) Seller and Purchaser shall cooperate in executing such returns, questionnaires and other documents as shall be required with regard to all applicable real property transfer taxes imposed by applicable federal, state or local law or ordinance.

(b) Subject to the provisions of Section 10.12 (Attorneys' Fees and Costs) below, Seller shall pay the fees of any counsel representing Seller in connection with this transaction. Seller shall also pay the following costs and expenses: (i) one-half (1/2) of the fees which may be charged by the Title Company in connection with escrow services at Closing; (ii) the fee for the title examination and the Title Commitment and the premium for the Title Policy in the amount equal to the Purchase Price, including an extended coverage endorsement and any endorsements delivered by Seller and accepted by Purchaser under Sections 2.2.1 or 2.2.2 hereof, but excluding all other title costs, which shall be paid by Purchaser as provided in (c), below; (iii) the cost of the Survey excluding any updates required by Purchaser or Purchaser's lender; (iv) the fees for the Broker (as hereinafter defined); (v) the fees for recording the Deed; and (vi) any and all municipal, state and county transfer taxes, sales taxes, documentary stamp taxes or similar taxes which become payable by reason of the transfer of the Property (irrespective of whether or not municipal law requires Seller to pay a portion of such tax), if any, but specifically excluding the Seven and 50/100 Dollars (\$7.50) per One Thousand Dollars (\$1,000) of the Purchase Price which would be payable by Purchaser in the event the sale, transfer or conveyance to Purchaser is not exempt from the "city portion" ("**City Transfer Tax**") of the Chicago Real Property Transfer Tax.

(c) Purchaser shall pay the fees of any counsel representing Purchaser in connection with this transaction. Purchaser shall also pay the following costs and expenses: (i) one-half (1/2) of the fees which may be charged by the Title Company in connection with escrow services at Closing, (ii) the premium for (A) all endorsements to the Title Policy (other than an extended coverage endorsement and any endorsements delivered by Seller and accepted by Purchaser under Sections 2.2.1 or 2.2.2 hereof) and (B) any loan policy to be issued to Purchaser's lender, if any; (iii) the cost of updating or

revising the Survey; (iv) all costs and expenses associated with Purchaser's due diligence investigation; and (v) the City Transfer Tax, if any.

(d) All costs and expenses incident to this transaction and the closing thereof, and not specifically described above, shall be paid by the party incurring same.

4.6 **Conditions Precedent to Obligation of Purchaser.** The obligation of Purchaser to consummate the transaction hereunder shall be subject to the fulfillment on or before the Closing Date of all of the following conditions, any or all of which may be waived by Purchaser in its sole discretion:

(a) The Title Company shall have delivered to Purchaser a 2006 ALTA Owner's Title Insurance Policy (or a mark-up of the Title Commitment), pursuant to and consistent with the Title Commitment (the "**Title Policy**"), in the aggregate amount as of the Closing Date of the Purchase Price, insuring fee simple title to the Property in Purchaser subject only to the Permitted Exceptions, together with an extended coverage endorsement and any other endorsements issued pursuant to Section 2.2.1 or 2.2.2 hereof, if applicable.

(b) All of Seller's representations and warranties set forth in this Agreement shall be true and correct, as modified, in all material respects as of the Closing, as if made at and as of such time.

(c) The Property shall be conveyed by Seller to Purchaser at Closing free and clear of all tenancies, use and occupancy agreements, service contracts, and subject only to the following matters which are hereinafter referred to as the "**Permitted Exceptions**":

(i) those matters disclosed on the Title Commitment and the Survey that either are not objected to in writing within the time periods provided herein, or if objected to in writing by Purchaser, are those which Seller has elected not or is deemed to have elected not to remove or cure (and is not obligated to remove or satisfy) under Section 2.2 above, and subject to which Purchaser has elected or is deemed to have elected to accept the conveyance of the Property;

(ii) any matter caused or suffered by or through Purchaser;

(iii) the lien for real property taxes and assessments not then due and payable, subject to the proration and adjustment provisions of this Agreement; and

(iv) local, state and federal laws, ordinances or governmental regulations applicable to the Property, including but not limited to, building and zoning laws, ordinances and regulations, now or hereafter in effect relating to the Property.

(d) Seller shall have performed and observed in all material respects all covenants and agreements of this Agreement to be performed and observed by Seller as and when required under this Agreement.

Without limitation to any rights of Purchaser under Sections 2.2.1 or 2.2.2 hereof, if any of the conditions to Purchaser's obligations to consummate the transactions contemplated by this Agreement as set forth in this Section 4.6 have not been satisfied within the time periods and in accordance with the terms set forth herein, then Purchaser shall have the right, as its sole recourse therefor, to terminate this Agreement by written notice to Seller delivered on or before the Closing Date, in which event all obligations of the parties hereto shall thereupon cease (except for those which survive the early termination of this Agreement as expressly provided herein) and this Agreement shall thereafter be of no further force and effect, unless such failure of condition constitutes a default on the part of Seller under any other provision of this Agreement, in which case the terms of Section 6.2 shall also apply.

4.7 **Conditions Precedent to Obligation of Seller.** The obligation of Seller to consummate the transaction hereunder shall be subject to the fulfillment on or before the Closing Date of all of the following conditions, any or all of which may be waived by Seller in its sole discretion:

(a) All of the representations and warranties of Purchaser contained in this Agreement shall be true and correct in all material respects as of the Closing, as if made at and as of such time; and

(b) Purchaser shall have performed and observed in all material respects all covenants and agreements of this Agreement to be performed and observed by Purchaser as and when required under this Agreement; and

If any of the conditions to Seller's obligations to sell the Property under this Section 4.7 have not been satisfied within the time periods and in accordance with the terms set forth herein, then Seller shall have the right, as its sole recourse, to terminate this Agreement by written notice to Purchaser, in which event all obligations of the parties hereto shall thereupon cease (except for those which survive the early termination of this Agreement as expressly set forth herein) and this Agreement shall thereafter be of no further force and effect, unless such failure of condition constitutes a default on the part of Purchaser under any other provision of this Agreement, in which case the terms of Section 6.1 shall also apply.

ARTICLE V **REPRESENTATIONS, WARRANTIES AND COVENANTS**

5.1 **Representations and Warranties of Seller.** Seller hereby makes the following representations and warranties to Purchaser as of the Effective Date, which representations and warranties shall be deemed to have been made again as of the Closing Date to the extent not modified by Seller in writing to Purchaser prior to the Closing Date:

(a) The execution, delivery and performance by Seller of this Agreement and all instruments and agreements contemplated hereby will not result in a breach or violation of, or constitute a default under, any agreement, instrument, indenture, law, regulation, ordinance, order or decree to which Seller is a party or by which Seller or the Property is bound.

(b) Seller has been duly organized and existing under the laws of the state of its formation and authorized to do business under the laws of the State of Illinois. Seller has the full right and authority to enter into this Agreement and Seller's closing documents, and such documents are valid and binding obligations of Seller, enforceable in accordance with their terms. The person signing this Agreement on behalf of Seller is authorized to do so.

(c) Seller has good and marketable record title to the Property, subject to no liens, easements, restrictions or other encumbrances other than the Permitted Exceptions.

(d) Seller has received no notice of and has no actual knowledge of any action, litigation, investigation or proceeding of any kind pending or, to the actual knowledge of Seller, threatened against Seller or any portion of the Property, and Seller knows of no facts which could give rise to any such action, litigation, investigation or proceeding.

(e) Seller has received no notice of and has no knowledge that any of the Property or its use or uses are in violation of applicable law or any applicable private restriction applicable to the Property.

(f) Seller has not entered into any contracts, agreements, options, rights of first refusal or understandings with any other entity or person with respect to the sale, transfer, lease, license, occupancy or use of the Property, except for this Agreement and the Permitted Exceptions.

(g) No labor or materials of any kind have been furnished to or for the benefit of the Property for which payment in full has not been made.

(h) The Seller's Materials previously delivered to Purchaser are true, correct and to Seller's knowledge, complete copies of those Seller's Materials in the possession and control of Seller. In no event shall the foregoing representation and warranty be construed as providing any representation or warranty as to the accuracy of the information set forth in the Seller's Materials.

(i) Seller has not granted a right of possession or occupancy with respect to the Property to any person or entity other than the Permitted Exceptions. To Seller's actual knowledge, there are no parties in possession or occupancy of the Property or any part thereof, nor are there any parties who have possessory rights in respect to the Property or any part thereof.

(j) There are no service or maintenance contracts, equipment leases or other contracts regarding any of the Property.

(k) No management, leasing or maintenance personnel or agents employed in connection with the operation of the Property have the right to continue such employment after Closing.

(l) Seller has received no notice of and has no actual knowledge of any pending or threatened condemnation or transfer in lieu thereof affecting any of the Property, nor has Seller agreed or committed to dedicate any of the Property.

(m) Except with respect to any information, reports, written communications or notices contained in any of the Seller's Materials, Seller has not received any other written notice or other written communication from any governmental authority, or any person or entity, regarding (A) the existence of any hazardous material in, on, under, or migrating to or from, the Property, or (B) the actual or potential liability or responsibility of Seller, or any past or present owner or occupant of the Property, under any Environmental Law.

(n) To Seller's knowledge, Seller is not in default concerning any of its obligations or liabilities regarding the Property, which default could result in obligations or liability for the City following the Closing.

(o) No attachments, execution proceedings, assignments for the benefit of creditors, insolvency, bankruptcy, reorganization or other proceedings are pending or threatened against Seller, nor are any of such proceedings contemplated by Seller.

In the event Purchaser does not approve of any modification to the representations and/or warranties made by Seller in this Section 5.1, which shall be delivered in writing by Seller to Purchaser, Purchaser's sole remedy shall be to terminate this Agreement within ten (10) business days from Purchaser's receipt of such written notice but in no event later than the business day immediately preceding the Closing Date. Purchaser's failure to terminate this Agreement by written notice to Seller as required in the preceding sentence shall be deemed Purchaser's approval of such modification as submitted in writing by Seller to Purchaser.

5.2 Survival of Seller's Representations and Warranties. The representations and warranties of Seller set forth in Section 5.1 hereof, as updated as of the Closing in accordance with the terms of this Agreement, shall survive the Closing and delivery of the Deed for a period of one (1) year. Seller will indemnify Purchaser against, and will hold Purchaser harmless from, any expenses or damages, including reasonable attorneys' fees, that Purchaser incurs because of the breach of any of the above representations and warranties. Wherever herein a representation is made based upon the knowledge of Seller, such knowledge is limited to the knowledge of David R. Kahnweiler, Thomas D. Grusecki and Matthew J. Grusecki. Notwithstanding anything to the contrary contained in this Agreement, Seller's aggregate liability for damages after the Closing for a breach of its representations, warranties and covenants, and other post-closing obligations contained in this Agreement shall in no event exceed Two Hundred Thousand Dollars (\$200,000) (the "**Cap**"). The Cap is the maximum liability of Seller to Purchaser under or in connection with this Agreement under any and all circumstances. In no event shall Seller or Purchaser be liable for any consequential or punitive damages. In no event shall any officer, director, stockholder, member or manager of Seller or Purchaser, or any nominee of Purchaser have any personal liability under this Agreement.

5.3 Covenants of Seller.

(a) **Representations and Warranties.** Prior to the Closing Date, Seller shall not take any affirmative act that will cause a representation or warranty of Seller under this Agreement which was true on the Effective Date to become and remain untrue as of the Closing Date.

(b) **Operation.** From the Effective Date to the Closing Date, and except as otherwise expressly permitted pursuant to the provisions of this Agreement, Seller shall operate and manage the Property to the same extent and in the same manner as Seller has operated and managed the Property heretofore, provided that during said period, without the prior written consent of Purchaser, Seller shall not do, suffer or permit, or agree to do, any of the following:

(i) enter into any transaction or agreement in respect to or affecting the Property which shall be binding upon Purchaser or the Property from and after Closing; or

(ii) sell, transfer, encumber or grant any interest in the Property or any part thereof in any form or manner whatsoever, or otherwise perform or permit any act which will diminish or otherwise adversely affect Purchaser's interest under this Agreement or in or to the Property or which will impair Seller's full performance of its obligations hereunder.

(c) **Personal Property.** In the event that Seller, at Seller's sole cost and expense, fails to remove or cause the removal of all personal property from the Property on or prior to the Closing Date, such personal property shall be deemed to have been conveyed, transferred and assigned to Purchaser along with the Property.

5.4 **Representations and Warranties of Purchaser.** Purchaser hereby makes the following representations and warranties to Seller as of the Effective Date, which representations and warranties shall be deemed to have been made again as of the Closing Date:

(a) Purchaser is a municipal corporation and a home rule unit of government.

(b) Purchaser has the full right and authority to enter into this Agreement and to consummate or cause to be consummated the transaction contemplated by this Agreement. The person signing this Agreement on behalf of Purchaser is authorized to do so.

5.5 **Covenants of Purchaser.** Prior to the Closing Date, Purchaser shall not take any affirmative act that will cause a representation or warranty of Purchaser under this Agreement which was true on the Effective Date to be untrue as of the Closing Date.

5.6 **Survival of Purchaser's Representations and Warranties.** The representations and warranties of Seller set forth in Section 5.4 hereof, as updated as of the Closing in accordance with the terms of this Agreement, shall survive the Closing and delivery of the Deed for a period of one (1) year. Purchaser will indemnify Seller against, and will hold Seller harmless from, any

expenses or damages, including reasonable attorneys' fees, that Seller incurs because of the breach of any of the above representations and warranties.

ARTICLE VI **DEFAULT**

6.1 **Default by Purchaser.** If Purchaser shall breach any of its representations or warranties set forth in this Agreement or shall fail to timely perform any of its covenants or other undertakings as set forth in this Agreement, the same shall be deemed a default by Purchaser hereunder. If Purchaser shall fail to cure the same within ten (10) business days after receipt of written notice from Seller, then Seller shall be entitled, as its sole remedies, to either (i) specifically enforce all of Purchaser's and City's covenants and obligations set forth in this Agreement, or (ii) if Seller does not seek specific performance, to terminate this Agreement and sue for damages in an amount not to exceed One Hundred Thousand Dollars (\$100,000). In no event shall Seller be entitled to any actual, special, speculative, consequential, punitive or any other damages as a result of a breach by Purchaser hereunder; provided, however, that in no event shall the provisions of this Section 6.1 be deemed to waive or limit Purchaser's indemnification obligations under Article III hereof. Notwithstanding the foregoing, Purchaser and Seller agree that Seller's specific performance remedy shall include the right to specifically enforce all covenants and other obligations of Purchaser set forth in this Agreement.

6.2 **Default by Seller.** If Seller shall breach any of its representations or warranties set forth in this Agreement or shall fail to timely perform any of its covenants or other undertakings as set forth in this Agreement, then same shall be deemed a default by Seller hereunder. If Seller fails to cure the same, within ten (10) business days after receipt of written notice from Purchaser, then Purchaser shall be entitled, as its sole remedies, to either (i) specifically enforce all of Seller's covenants and obligations set forth in this Agreement; or (ii) if Purchaser does not seek specific performance, to terminate this Agreement and sue for damages in an amount not to exceed One Hundred Thousand Dollars (\$100,000). In no event shall Purchaser be entitled to any actual, special, speculative, consequential, punitive or any other damages as a result of a breach by Seller hereunder. Notwithstanding the foregoing, Purchaser and Seller agree that Purchaser's specific performance remedy shall include the right to specifically enforce all covenants and other obligations of Seller set forth in this Agreement.

ARTICLE VII **RISK OF LOSS**

7.1 **Casualty.** In the event of loss or damage to the Property as a result of any casualty which materially impairs the Property for Purchaser's intended development, in Purchaser's reasonable good faith judgment, then Purchaser shall have the right, to be exercised by written notice to Seller delivered not later than thirty (30) days after the date Purchaser obtains notice of the casualty, to terminate this Agreement. For purposes of this Section 7.1, no loss or damage shall be deemed to "materially impair the Property for Purchaser's intended development" if such loss or damage is equal to or less than Five Hundred Thousand Dollars (\$500,000) in the aggregate. Upon Closing, full risk of loss with respect to the Property shall pass to Purchaser.

7.2 **Condemnation.** In the event of any condemnation or partial condemnation of the Property or any conveyance in lieu thereof, either Seller or Purchaser shall have the right, to be exercised by written notice to the other, delivered not later than thirty (30) days after a party obtains notice of the condemnation or conveyance in lieu thereof, to terminate this Agreement.

ARTICLE VIII **BROKERAGE COMMISSION**

8.1 **Brokerage Commission.** Buyer has retained Martin Stern of CBRE (“**Buyer’s Broker**”) as its exclusive agent in connection with the sale of the Property. Seller hereby agrees to indemnify, and hereby agrees to defend and hold harmless, Purchaser from and against any claims for any such compensation asserted by any person, firm or entity claiming to have been engaged by Seller in connection with the transactions contemplated by this Agreement.

ARTICLE IX **DISCLAIMERS AND WAIVERS**

9.1 As-Is Sale; Disclaimers.

(a) Except as expressly provided for in this Agreement, it is understood and agreed that Seller is not making and has not at any time made (i) any warranties or representations of any kind or character, express or implied, with respect to the condition of the Property, or (ii) any warranties or representations as to habitability, merchantability or fitness for a particular purpose.

(b) Except as expressly provided for in this Agreement, Purchaser acknowledges and agrees that, upon Closing, Seller shall sell and convey to Purchaser and Purchaser shall accept the Property in its “as-is, where-is condition, with all faults.” Purchaser has not relied and will not rely on, and Seller is not liable for or bound by, any express or implied warranties, guaranties, statements, representations or information pertaining to the Property or relating thereto made or furnished by Seller, Seller’s Broker or any real estate broker or agent representing or purporting to represent Seller, to whomever made or given, directly or indirectly, orally or in writing. The foregoing limitation shall not be construed in derogation of the representations, warranties, covenants and obligations of Seller specifically set forth in this Agreement or any document executed and delivered by Seller pursuant to its obligations under this Agreement.

(c) Purchaser acknowledges that Seller has granted Purchaser, subject to the terms of this Agreement, the right to conduct, prior to Closing, such investigations of the Property, including but not limited to, the physical and environmental conditions thereof, as Purchaser deems necessary or desirable to satisfy itself as to the physical and environmental condition of the Property and the existence or nonexistence or curative action to be taken with respect to any hazardous material on or discharged from the Property, and will rely solely upon same and not upon any information provided by or on behalf of Seller or any of its agents or employees with respect thereto, other than such representations, warranties, covenants and obligations of Seller specifically set forth in this Agreement or any document executed and delivered by Seller pursuant to its obligations under this Agreement. Upon Closing, subject to Purchaser's rights with respect to breaches by Seller of its covenants, representations and warranties, specifically set forth in this Agreement or any document executed and delivered by Seller pursuant to its obligations under this Agreement, Purchaser shall assume the risk that adverse matters, including but not limited to, adverse physical and environmental conditions, may not have been revealed by Purchaser's investigations. Upon Closing, subject to Purchaser's rights with respect to breaches by Seller of its covenants, representations and warranties, specifically set forth in this Agreement or any document executed and delivered by Seller pursuant to its obligations under this Agreement, Purchaser shall be deemed to have waived, relinquished and released Seller (and its officers, directors, shareholders, employees and agents) from and against any and all claims, demands, causes of action (including causes of action in tort), losses, damages, liabilities, costs and expenses (including reasonable attorneys' fees) of any and every kind or character, known or unknown, which Purchaser might have asserted or alleged against Seller (or its officers, directors, shareholders, employees and agents) at any time by reason of or arising out of any latent or patent physical or environmental conditions, violations of any applicable laws and any and all other acts, omissions, events, circumstances or matters regarding the Property.

(d) From and after Closing, subject to Purchaser's rights with respect to breaches by Seller of its covenants, representations and/or warranties specifically set forth in this Agreement or any document executed and delivered by Seller pursuant to its obligations under this Agreement, Purchaser shall, to the maximum extent permitted by law, release Seller, its employees, agents, officers, servants, successors and assigns, from and against any and all suits, actions, causes of action, legal or administrative proceedings, claims, demands, fines, damages, punitive damages, losses, costs, liabilities and expenses, including attorneys' fees in any way arising out of or connected with any known or unknown physical or environmental condition of the Property, violations of any applicable laws and all other acts, omissions, events, circumstances or matters first occurring on the Property after the Closing.

9.2 **Survival of Disclaimers.** The provisions of this Article IX shall survive Closing (including delivery of the Deed) or any termination of this Agreement.

10.3 **Modifications.** This Agreement cannot be changed orally, and no executory agreement shall be effective to waive, change, modify or discharge it in whole or in part unless such executory agreement is in writing and is signed by the parties against whom enforcement of any waiver, change, modification or discharge is sought. The Commissioner of DPD shall have the discretion to execute such amendments as may be necessary or appropriate, so long as such amendments do not increase the Purchase Price or obligate Purchaser to guarantee or indemnify Seller for matters not already expressly set forth herein.

10.4 **Entire Agreement.** This Agreement, including the exhibits and schedules hereto, contains the entire agreement between the parties hereto pertaining to the subject matter hereof and fully supersedes all prior written or oral agreements and understandings between the parties pertaining to such subject matter, other than any Confidentiality Agreement.

10.5 **Counterparts.** This Agreement may be executed in counterparts, all such executed counterparts shall constitute the same agreement, and the signature of any party to any counterpart shall be deemed a signature to, and may be appended to, any other counterpart.

10.6 **E-Mail Signatures.** In order to expedite the transaction contemplated herein, signatures transmitted by e-mail (in PDF format) may be used in place of original signatures on this Agreement. Seller and Purchaser intend to be bound by the signatures on the e-mailed document, are aware that the other party will rely on the e-mailed signatures, and hereby waive any defenses to the enforcement of the terms of this Agreement based on the form of signature.

10.7 **Severability.** If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement shall nonetheless remain in full force and effect; provided that the invalidity or unenforceability of such provision does not materially adversely affect the benefits accruing to any party hereunder.

10.8 **Applicable Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois. Purchaser and Seller agree that the provisions of this Section 10.8 shall survive the Closing (including delivery of the Deed) or any termination of this Agreement.

10.9 **No Third-Party Beneficiary.** The provisions of this Agreement and of the documents to be executed and delivered at Closing are and will be for the benefit of Seller and Purchaser only and are not for the benefit of any third party, and accordingly, no third party shall

have the right to enforce the provisions of this Agreement or of the documents to be executed and delivered at Closing.

10.10 **Captions.** The section headings appearing in this Agreement are for convenience of reference only and are not intended, to any extent and for any purpose, to limit or define the text of any section or any subsection hereof.

10.11 **Construction.** The parties acknowledge that the parties and their counsel have reviewed and revised this Agreement and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Agreement or any exhibits or amendments hereto.

10.12 **Attorneys' Fees and Costs.** In the event suit or action is instituted to interpret or enforce the terms of this Agreement, or in connection with any arbitration or mediation of any dispute, the prevailing party shall be entitled to recover from the other party such sum as the court, arbitrator or mediator may adjudge reasonable as such party's costs and attorney's fees, including such costs and fees as are incurred in any trial, on any appeal, in any bankruptcy proceeding (including the adjudication of issues peculiar to bankruptcy law) and in any petition for review. Each party shall also have the right to recover its reasonable costs and attorney's fees incurred in collecting any sum or debt owed to it by the other party, with or without litigation, if such sum or debt is not paid within fifteen (15) days following written demand therefor.

10.13 **Time of the Essence.** Time is of the essence with respect to all obligations of the parties under this Agreement.

10.14 **Severable.** The liability of each Seller under this Agreement is limited to such Seller's fifty percent (50%) undivided interest in the Property. Notwithstanding anything else to the contrary contained herein, neither Seller shall have any joint liability with respect to any liability of the other Seller under this Agreement and Purchaser shall only collect from each Seller fifty percent (50%) of any amount, including, but not limited to, the Cap, to which Purchaser may be entitled under this Agreement.

10.15 **Date of Performance.** If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of the State of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

10.16 **Assignment.** This Agreement may not be assigned by Purchaser without the prior express written consent of Seller.

10.17 **No Recording.** Purchaser shall not, and shall not cause or permit any other person controlled by Purchaser to, record this Agreement or any memorandum or other evidence thereof in any public records, unless a default by Seller has occurred. If Purchaser violates the terms of this Section 10.17 then this Agreement shall be deemed ipso facto terminated and Purchaser shall have no further interest in the Property pursuant to this Agreement or otherwise.

10.18 **Exhibits.** All exhibits which are referred to herein and which are attached hereto are expressly made and constitute a part of this Agreement.

10.19 **Like-Kind Exchange.** In the event either Seller elects to utilize this transaction as part of an exchange of like-kind properties under Internal Revenue Code §1031 and the regulations promulgated thereunder, each party agrees, provided there is no additional cost or expense to Purchaser or the other Seller, to provide reasonable and appropriate cooperation in assisting in facilitating such an exchange; provided, however, that nothing contained in this Section 10.19 shall affect any of the parties' responsibilities or otherwise extend any timelines relating to the date of Closing.

FIRST AMENDMENT TO
MONTCLARE SENIOR RESIDENCES OF AVALON PARK PHASE I
REDEVELOPMENT AGREEMENT

This First Amendment to Montclare Senior Residences of Avalon Park Phase I Redevelopment Agreement (the "First Amendment") is made as of this ____ day of ____, 2017, between the City of Chicago, an Illinois municipal corporation (the "City"), through its Department of Planning and Development ("DPD"), Montclare Senior Residences of Avalon Park Phase I, LLC, an Illinois limited liability company (the "Owner"), and Montclare Avalon Park Corp., an Illinois corporation ("Member"). The Owner and the Member are referred to collectively herein as the "Developer."

Heartland Human Care Services, Inc., an Illinois not-for-profit corporation (the "Sponsor") is a party to the Redevelopment Agreement solely in regard to the conveyance of the Property (as defined in the Redevelopment Agreement), which has been completed, and has no Owner, Member or Developer obligations under the Redevelopment Agreement, therefore, the Sponsor is not a party to this First Amendment.

RECITALS

A. As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted ordinances (collectively, the "TIF Ordinances") on October 7, 1998 approving a redevelopment plan for the 71st/Stony Island Redevelopment Project Area, designating the 71st/Stony Island Redevelopment Project Area as a redevelopment project area pursuant to the Act, and adopting tax increment allocation financing for the 71st/Stony Island Redevelopment Project Area (the "TIF Adoption Ordinance"). The 71st/Stony Island Redevelopment Project Area is legally described in Exhibit A to the Redevelopment Agreement (defined below).

D. Pursuant to an ordinance adopted by the City Council on July 9, 2008, the City entered into that certain Montclare Senior Residences of Avalon Park Phase I Redevelopment Agreement dated as of October 29, 2008 and recorded on October 31, 2008 as Document Number 0830541124 in the Office of the Cook County Recorder of Deeds (the "Redevelopment Agreement") with the Developer and the Sponsor.

E. Subsequent to the execution of the Redevelopment Agreement, the Developer completed a project consisting of 102 affordable rental housing units for seniors (age 62 or older) in 2010 on property generally located at 1200 East 78th Street, Chicago, Illinois 60619.

F. After completion of the Project (as defined in the Redevelopment Agreement), the Property (as defined in the Redevelopment Agreement) has experienced lower than projected Incremental Property Taxes ("IPT"), which has resulted in the amount of IPT being insufficient for principal and interest payments under the taxable City Note (as defined in the Redevelopment Agreement) that the City issued to the Developer upon completion of the Project. The Developer and the City have agreed to enter into this First Amendment to provide IPT from a neighboring parcel (legally described in Exhibit 1 to this First Amendment), on which a related project known as Montclare Senior Residences of Avalon Park Phase II has been constructed, in order to make principal and interest payments on the City Note.

G. Such aforementioned change to the IPT to be used for making principal and interest payments on the City Note requires an amendment to the Redevelopment Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION ONE: INCORPORATION; DEFINITIONS

1. The recitals set forth above are incorporated herein by reference and made a part hereof.

2. Any capitalized term used but not otherwise defined herein shall have the same meaning as set forth in the Redevelopment Agreement.

SECTION TWO: AMENDMENT TO THE REDEVELOPMENT AGREEMENT

1. Replace the definition of "Available Incremental Taxes" in Section 2 of the Redevelopment Agreement with the following:

"Available Incremental Taxes" shall mean an amount equal to 100% of the Incremental Taxes deposited in the 71st/Stony Island TIF Fund attributable to the taxes levied on the Property commencing in the year in which the Certificate issues and on the Additional Parcel commencing with the 2014 tax year (received in 2015), after the scheduled payment of principal and interest on the Modern Schools Across Chicago Bonds.

2. Add the following definition to Section 2 of the Redevelopment Agreement:

"Additional Parcel" shall mean that certain City property located within the Redevelopment Area and legally described on Exhibit B-1 hereto.

3. Add the following new exhibit to the Redevelopment Agreement:

An additional exhibit, which is attached to this First Amendment as Exhibit 1, shall be identified as "Exhibit B-1" and added as an exhibit to the Redevelopment Agreement.

SECTION THREE: MISCELLANEOUS

1. Except as amended hereby, the provisions of the Redevelopment Agreement remain in full force and effect in accordance with its terms.

2. The Developer acknowledges and agrees that the City does not guarantee that adding the Additional Parcel to the definition of Available Incremental Taxes will further increase the amount of Available Incremental Taxes.

3. In the event of any conflict between the provisions of the Redevelopment Agreement and the provisions of this First Amendment, the provisions of this First Amendment shall control.

4. All prior agreements, whether written or oral, regarding the amendment of the Redevelopment Agreement are superseded by this First Amendment.

5. This First Amendment may be executed in counterparts, each of which shall be deemed an original.

6. The Developer shall cause one original counterpart of this First Amendment to be recorded with the Office of the Cook County Recorder of Deeds. The First Amendment shall be recorded against the Property and the Additional Parcel. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this First Amendment showing the date and recording number of record.

B. FURTHER CERTIFICATIONS

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. 9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10. Industry Developments

Bank of America, National Association ("BANA") issues credit cards on MasterCard's and Visa's networks. MasterCard and Visa are subject to settlement obligations relating to certain litigations and continue to be subject to significant ongoing litigations, including class actions, and increased competition. These settlements and litigations are based on, among other things, claimed violations of United States federal antitrust laws, claims that currency conversion fees were wrongly applied on purchases of goods and services in foreign countries, and claims alleging that the interchange charged by MasterCard and Visa is impermissible. The costs associated with these settlements, litigations and other matters could cause MasterCard and Visa to invest less in their networks and marketing efforts and could adversely affect the interchange paid to their member banks, including BANA.

Litigation

In 2005, a group of merchants filed a series of putative class actions and individual actions directed at interchange fees associated with Visa and MasterCard payment card transactions. These actions, which were consolidated in the U.S. District Court for the Eastern District of New York under the caption *In Re Payment Card Interchange Fee and Merchant Discount Anti-Trust Litigation* ("Interchange"), named Visa, MasterCard and several banks and bank holding companies, including Bank of America Corporation ("BAC"), as defendants. Plaintiffs alleged that defendants conspired to fix the level of default interchange rates and that certain rules of Visa and MasterCard related to merchant acceptance of payment cards at the point of sale were unreasonable restraints of trade under the Sherman Act. Plaintiffs sought unspecified damages and injunctive relief.

On October 19, 2012, defendants, including BAC, settled the matter. The settlement provided for, among other things, (i) payments by defendants to the class and individual plaintiffs totaling approximately \$6.6 billion, allocated proportionately to each defendant based upon loss-sharing agreements; (ii) distribution to class merchants of an amount equal to 10 basis points of default interchange across all Visa and MasterCard credit card transactions for a period of eight consecutive months, which period began on July 29, 2013, which otherwise would have been paid to Visa and MasterCard issuers, including BAC, and which effectively reduces credit interchange for that period of time; and (iii) modifications to certain Visa and MasterCard rules regarding merchant point of sale practices.

The district court granted final approval of the class settlement agreement on December 13, 2013. On June 30, 2016, the U.S. Court of Appeals for the Second Circuit vacated the judgment approving the settlement and remanded the case back to the district court for further proceedings. On November 23, 2016, counsel for the class filed a petition with the U.S. Supreme Court seeking review of the Second Circuit decision. As a result of the Second Circuit's decision, the Interchange class case was remanded to the district court, and the parties are in the process of coordinating the case with the already-pending actions brought by merchants who had opted out of the class settlement, as described below.

Following district court approval of the class settlement agreement in December 2013, a number of the class members opted out of the settlement, and many filed individual actions against the defendants. BAC was named as a defendant in one such individual action, as well as one action brought by cardholders alleging claims under the Sherman Act and under California state law. In addition, a number of these individual actions were filed that do not name BAC as a defendant. As a result of various loss-sharing agreements, however, BAC remains liable for any settlement or judgment in these individual suits where it is not named as a defendant. Now that Interchange has been remanded to the district court, these individual actions will be coordinated as individual merchant lawsuits alongside the Interchange class case.

On November 26, 2014, the district court granted defendants' motion to dismiss the Sherman Act claim in the cardholder action, and on February 26, 2016, the court dismissed plaintiffs' California state law claims. The plaintiffs appealed these decisions to the U.S. Court of Appeals for the Second Circuit. On October 17, 2016 the Second Circuit affirmed the dismissal of plaintiffs' complaint and, on October 31, 2016, it denied plaintiffs' petition for rehearing *en banc*.

Regulatory Developments

On April 7, 2014, FIA Card Services, National Association ("FIA") and BANA entered into separate Consent Orders with the Office of the Comptroller of the Currency (the "OCC") and the Consumer Financial Protection Bureau (the "CFPB"). The Consent Order with the OCC resolved its investigation into billing and fulfillment practices concerning identity theft protection products, including those marketed and billed by vendors. The Consent Order with the CFPB resolved its investigation into billing and fulfillment practices concerning identity theft protection products, including those marketed and billed by vendors, and also resolved its investigation into marketing, sales and fulfillment practices concerning certain credit card debt cancellation products. Pursuant to these Consent Orders, FIA and BANA paid, in April 2014, \$45 million in civil monetary penalties and subsequently provided approximately \$731 million in refunds to affected consumers. In addition, BANA agreed to certain enhancements in its vendor, third-party provider and risk management programs for certain products. On April 25, 2016, the OCC lifted its Consent Order.

On May 29, 2015, BANA entered into a Consent Order with the OCC to resolve its investigation relating to BANA's enterprise-wide compliance risk management program, compliance with the Servicemembers Civil Relief Act, and activities in connection with sworn document and collections litigation practices. In connection with entering into this Consent Order with the OCC, BANA was assessed \$30 million in civil monetary penalties and agreed to provide remediation to affected customer accounts.

Legal Proceedings Involving The Bank of New York Mellon

In the ordinary course of business, The Bank of New York Mellon is named as a defendant in or made a party to pending and potential legal actions. In connection with its role as trustee of certain residential mortgage-backed securitization ("RMBS") transactions, The Bank of New York Mellon was named as a defendant in a lawsuit brought by a group of institutional investors. This lawsuit alleges that the trustee had expansive duties under the governing agreements, including the duty to investigate and pursue breach of representation and warranty claims against other parties to the RMBS transactions. While it is inherently difficult to predict the eventual outcomes of pending actions, The Bank of New York Mellon denies liability and intends to defend the litigation vigorously.

The Bank of New York Mellon has provided us with the information in the paragraph above in response to the requirements of Regulation AB. Other than the above paragraph and the information concerning The Bank of New York Mellon specified in this Form 10-K under the caption *Item 1122 of Regulation AB: Compliance with Applicable Servicing Criteria* and in Exhibit 33.2 to this Form 10-K, The Bank of New York Mellon has not participated in the preparation of, and is not responsible for, any other information contained in this Form 10-K.

A Servicing Participant may engage one or more vendors to perform specific and limited activities that address all or a portion of one or more servicing criteria applicable to such Servicing Participant. Each Servicing Participant indicates that it has instituted policies and procedures to monitor whether its vendors' activities comply in all material respects with such servicing criteria, and has elected to take responsibility for assessing compliance with the servicing criteria applicable to its vendors' activities in such Servicing Participant's Report on Assessment.

No Report on Assessment or related Attestation Report has identified (i) any material instance of noncompliance with the servicing criteria identified in such Report on Assessment as applicable to the related Servicing Participant or (ii) any material deficiency in such Servicing Participant's policies and procedures to monitor vendor compliance.

Platform-Level Reports:

Regulations of the SEC require that each servicing participant complete a report on assessment at a "platform" level, meaning that the transactions covered by the report on assessment should include all asset-backed securities transactions involving such servicing participant that are backed by the same asset type. Subsequent guidance from the SEC staff identifies additional parameters that a servicing participant may apply to define and further limit its platform. For example, a servicing participant may define its platform to include only transactions that were completed on or after January 1, 2006 (the effective date for Regulation AB) and that were registered with the SEC pursuant to the Securities Act of 1933. Each servicing participant is responsible for defining its own platform, and each platform will naturally differ based on various factors, including the servicing participant's business model, the transactions in which it is involved and the range of activities performed in those transactions.

(b) Other Reports: BANA has completed an assertion letter which states that, as of December 31, 2016, its controls over the functions performed as servicer of BA Master Credit Card Trust II and BA Credit Card Trust are effective in providing reasonable assurance that BA Master Credit Card Trust II and BA Credit Card Trust assets in the possession of or under the control of BANA, as servicer, are safeguarded against loss from unauthorized use or disposition, as specified in the applicable agreements. PricewaterhouseCoopers LLP has produced an accountants report attesting to the fairness of such assertion as of December 31, 2016. Such assertion letter and related accountants report is attached as Exhibit 99.1 to this Form 10-K.

Item 1123 of Regulation AB: Servicer Compliance Statement.

BANA has been identified by the registrant as a servicer with respect to the pool assets held by each of BA Master Credit Card Trust II and BA Credit Card Trust. BANA has provided a statement of compliance with the related servicing agreement (the "Compliance Statement"), signed by an authorized officer of BANA. The Compliance Statement is attached as an exhibit to this Form 10-K.

ASSESSMENT OF COMPLIANCE WITH APPLICABLE SERVICING CRITERIA

Management of The Bank of New York Mellon (formerly The Bank of New York), BNY Mellon Trust of Delaware (formerly BNYM (Delaware)) and The Bank of New York Mellon Trust Company, N.A. (formerly The Bank of New York Trust Company, N.A.), (collectively, the "Company") is responsible for assessing the servicing criteria set forth in Item 1122(d) of Regulation AB promulgated by the Securities and Exchange Commission. Management has determined that the servicing criteria are applicable in regard to the servicing platform as of and for the period as follows:

Platform: Publicly-issued (i.e., transaction-level reporting initially required under the Securities Exchange Act of 1934, as amended) asset-backed securities issued on or after January 1, 2006 and like-kind transactions issued prior to January 1, 2006 that are subject to Regulation AB (including transactions subject to Regulation AB by contractual obligation) for which the Company provides trustee, securities administration, paying agent or custodial services, as defined and to the extent applicable in the transaction agreements, other than residential mortgage-backed securities and other mortgage-related asset-backed securities (the "Platform").

Period: As of and for the twelve months ended December 31, 2016 (the "Period").

Applicable Servicing Criteria: All servicing criteria set forth in Item 1122(d), to the extent required by the related transaction agreements as to any transaction, except as set forth in the column titled "Not Applicable To Platform" in Appendix 1 attached hereto.

With respect to servicing criterion 1122(d)(2)(vi) management has engaged a vendor to perform the activities required by the servicing criterion. The Company's management has determined that this vendor is not considered a "servicer" as defined in Item 1101(j) of Regulation AB, and the Company's management has elected to take responsibility for assessing compliance with the servicing criterion applicable to this vendor as permitted by the SEC's *Compliance and Disclosure Interpretation 200.06, Vendors Engaged by Servicers* (C&DI 200.06). The Company's management has policies and procedures in place designed to provide reasonable assurance that the vendor's activities comply in all material respects with the servicing criterion applicable to the vendor. The Company's management is solely responsible for determining that it meets the SEC requirements to apply C&DI 200.06 for the vendor and related criterion.

With respect to the Platform as of and for the Period, the Company provides the following assessment of compliance in respect of the Applicable Servicing Criteria:

1. The Company's management is responsible for assessing its compliance with the Applicable Servicing Criteria.
2. The Company's management has assessed compliance with the Applicable Servicing Criteria including the servicing criterion for which compliance is determined based on C&DI 200.06 as described above. In making this assessment, management used the criteria set forth by the Securities and Exchange Commission in paragraph (d) of Item 1122 of Regulation AB.
3. With respect to Applicable Servicing Criteria 1122(d)(4)(iii), there were no activities performed during the Period with respect to the Platform, because there were no occurrences of events that would require the Company to perform such activities.
4. Based on such assessment, as of and for the Period, the Company has complied, in all material respects, with the Applicable Servicing Criteria.

KPMG LLP, an independent registered public accounting firm, has issued an attestation report with respect to Management's Assessment of Compliance with the Applicable Servicing Criteria as of and for the Period.

**Report of Independent Registered Public Accounting Firm**

To Bank of America, National Association

We have examined management's assertion, included in the accompanying *Certification Regarding Compliance with Applicable Servicing Criteria*, that Bank of America, National Association (the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB for the asset-backed securities transactions backed by credit card receivables issued by the BA Credit Card Trust on or before December 31, 2016, for which transactions the Company acted as servicer, that were registered with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended, where the related asset-backed securities were outstanding during the period from January 1, 2016 to December 31, 2016 (the "Platform"), as of December 31, 2016 and for the year then ended, excluding the criteria noted in Appendix A to management's assertion, which the Company has determined are not applicable to the servicing activities performed by it with respect to the Platform. Appendix B to management's assertion identifies the individual asset-backed transactions and securities defined by management as constituting the Platform. Management is responsible for the Company's compliance with the servicing criteria. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the applicable servicing criteria and performing such other procedures as we considered necessary in the circumstances. Our examination included testing of selected asset-backed transactions and securities that comprise the Platform, testing of selected servicing activities related to the Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the applicable servicing criteria. Our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to detect noncompliance arising from errors that may have occurred prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

In our opinion, management's assertion that Bank of America, National Association complied with the aforementioned applicable servicing criteria as of and for the year ended December 31, 2016 for the Platform is fairly stated, in all material respects.

Report of Independent Registered Public Accounting Firm

The Board of Directors
The Bank of New York Mellon
BNY Mellon Trust of Delaware
The Bank of New York Mellon Trust Company, N.A.:

We have examined management's assessment, included in the accompanying Management's Assessment of Compliance with Applicable Servicing Criteria, that The Bank of New York Mellon (formerly The Bank of New York), BNY Mellon Trust of Delaware (formerly BNYM (Delaware)) and The Bank of New York Mellon Trust Company, N.A. (formerly The Bank of New York Trust, Company, N.A.), (collectively, the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB for the publicly-issued (i.e., transaction-level reporting initially required under the Securities and Exchange Act of 1934, as amended) asset-backed securities issued on or after January 1, 2006 and like-kind transactions issued prior to January 1, 2006 that are subject to Regulation AB (including transactions subject to Regulation AB by contractual obligation) for which the Company provides trustee, securities administration, paying agent, or custodial services, as defined and to the extent applicable in the transaction agreements, other than residential mortgage-backed securities and other mortgage-related asset-backed securities (the "Platform"), except for servicing criteria 1122(d)(1)(iii), 1122(d)(1)(iv), 1122(d)(1)(v), 1122(d)(2)(iii), 1122(d)(4)(vi), 1122(d)(4)(vii), 1122(d)(4)(viii), 1122(d)(4)(x), 1122(d)(4)(xi), 1122(d)(4)(xii), 1122(d)(4)(xiii) and 1122(d)(4)(xiv), which the Company has determined are not applicable to the activities it performs with respect to the Platform, as of and for the twelve months ended December 31, 2016. With respect to applicable servicing criterion 1122(d)(4)(iii), the Company has determined that there were no activities performed during the twelve months ended December 31, 2016 with respect to the Platform, because there were no occurrences of events that would require the Company to perform such activities. Management is responsible for the Company's compliance with the servicing criteria. Our responsibility is to express an opinion on management's assessment about the Company's compliance based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the servicing criteria specified above and performing such other procedures as we considered necessary in the circumstances. Our examination included testing selected asset-backed transactions and securities that comprise the Platform, testing selected servicing activities related to the Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the servicing criteria. Furthermore, our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to determine whether errors may have occurred either prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report for the selected transactions or any other transactions. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

As described in the accompanying Management's Assessment of Compliance with Applicable Servicing Criteria, for servicing criterion 1122(d)(2)(vi), the Company has engaged a vendor to perform the activities required by this servicing criterion. The Company has determined that this vendor is not considered a "servicer" as defined in Item 1101(j) of Regulation AB, and the Company has elected to take responsibility for assessing compliance with the servicing criterion applicable to this vendor as permitted by the SEC's *Compliance and Disclosure Interpretation ("C&DI") 200.06, Vendors Engaged by Servicers* (C&DI 200.06). As permitted by C&DI 200.06, the Company has asserted that it has policies and procedures in place designed to provide reasonable assurance that the vendor's activities comply in all material respects with the servicing criterion applicable to the vendor. The Company is solely responsible for determining that it meets the SEC requirements to apply C&DI 200.06 for the vendor and related criterion as described in its assessment, and we performed no procedures with respect to the Company's eligibility to apply C&DI 200.06

In our opinion, management's assessment that the Company complied with the aforementioned servicing criteria, including servicing criterion 1122(d)(2)(vi) for which compliance is determined based on C&DI 200.06 as described above as of and for the twelve months ended December 31, 2016 is fairly stated, in all material respects.

Report of Independent Accountants

To Bank of America, National Association

We have examined management's assertion, included in the accompanying "Report of Management on BA Master Credit Card Trust II and BA Credit Card Trust Internal Control" ("management's assertion"), that Bank of America, National Association (the "Company"), a wholly owned subsidiary of Bank of America Corporation, maintained effective internal control over the functions performed as servicer of the BA Master Credit Card Trust II (the "Master Trust") and the BA Credit Card Trust (the "Note Trust", together with the Master Trust, the "Trusts"), including each series of the Master Trust and each tranche of the Note Trust as specified in management's assertion, as of December 31, 2016 to provide reasonable assurance that Trusts' assets in the possession of or under the control of the servicer are safeguarded against loss from unauthorized use or disposition as specified in the Fourth Amended and Restated Pooling and Servicing Agreement for the Master Trust dated December 17, 2015 as amended (the "PSA") between the Company, BA Credit Card Funding, LLC and The Bank of New York Mellon (the "Trustee"), the Fifth Amended and Restated Series 2001-D Supplement to Fourth Amended and Restated Pooling and Servicing Agreement for the Master Trust for each series as specified in the management's assertion (the "Series Supplement") between the Company, BA Credit Card Funding, LLC and the Trustee, the Fourth Amended and Restated Indenture for the Note Trust dated December 17, 2015 (the "Indenture") and the Third Amended and Restated BAseries Indenture Supplement dated December 17, 2015 (the "Indenture Supplement"), both between the Note Trust and the Trustee (the PSA, Series Supplements, Indenture and Indenture Supplement, together the "Agreements"). Management is responsible for its assertion. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included obtaining an understanding of and evaluating the suitability of design and operating effectiveness of the controls in achieving the trust servicing control objectives, and examining, on a test basis, evidence supporting management's assertion and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

Because of inherent limitations in any internal control, misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of internal control over the functions performed by the Company as servicer of the Trusts to future periods are subject to the risk that the internal control may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, management's assertion referred to above is fairly stated, in all material respects.

Report of Management on BA Master Credit Card Trust II and BA Credit Card Trust Internal Control

Bank of America, National Association ("BANA" or the "Company"), a wholly owned subsidiary of Bank of America Corporation, is responsible for establishing and maintaining effective internal control over the functions performed as the servicer of the BA Master Credit Card Trust II and the BA Credit Card Trust (the "Trusts" or individually, the "Trust"). These internal controls are designed to provide reasonable assurance to the Company's management and board of directors that Trusts' assets in the possession of or under the control of the servicer are safeguarded against loss from unauthorized use or disposition, as specified in the applicable Pooling and Servicing Agreement, Series Supplements, Indenture and BAseries Indenture Supplement (together the "Agreements") as specified in Appendix I, between BANA as Seller and Servicer, in the case of the Pooling and Servicing Agreement and the Series Supplements, or BA Credit Card Trust, in the case of the Indenture and the BAseries Indenture Supplement, and the applicable Trustee (specific Agreements and Trustees are listed in Appendix I).

Because of inherent limitations in any internal control, no matter how well-designed, misstatements due to error or fraud may occur and not be detected, including the possibility of the circumvention or overriding of internal control. Accordingly, even effective internal control can provide only reasonable assurance with respect to the achievement of any objectives of internal control. Further, because of changes in conditions, the effectiveness of internal control may vary over time.

The Company has determined that the objectives of controls with respect to servicing and reporting of the Trusts' assets are to provide reasonable, but not absolute assurance that:

- Funds collected are remitted to the Trustee in accordance with the Agreements.
 - The Trusts' assets are segregated from those retained by BANA in accordance with the Agreements.
 - Expenses incurred by the Trusts are calculated and remitted in accordance with the Agreements.
 - The additions of accounts to the Trusts are authorized in accordance with the Agreements.
 - The removals of accounts from the Trusts are authorized in accordance with the Agreements.
-

Trust Internal Control(continued)

- The Trusts' assets amortizing out of the Trusts are calculated in accordance with the Agreements
- Monthly Trust reports generated in the form of "Exhibits" and provided to the Trustee are reviewed by a Vice President or above prior to distribution.
- Monthly Trust reports generated in the form of "Exhibits" contain all information required by the Agreements.

The Company assessed its internal control over the functions performed as servicer of the Trusts in relation to these criteria. Based upon this assessment, the Company believes that, as of December 31, 2016, its internal controls over the functions performed as servicer of the Trusts are effective in providing reasonable assurance that Trusts' assets in the possession of or under the control of the servicer are safeguarded against loss from unauthorized use or disposition, as specified in the Agreements.

WITNESSETH:

WHEREAS, by virtue of Section 6(a) of Article VII of the 1970 Constitution of the State of Illinois, the Issuer is a home rule unit of local government and as such may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, as a home rule unit and pursuant to the Constitution, the Issuer is authorized and empowered to issue multi-family housing revenue bonds for the purpose of financing the cost of acquiring, constructing, and renovating an affordable multi-family housing development for low- and moderate-income families located in the City; and

WHEREAS, the Issuer has determined to issue, sell and deliver the \$[Principal] Multi-Family Housing Revenue Bonds (Taylor Street Library and Apartments Project), Series 2017 (the "Bonds"), as provided herein, and to lend the proceeds thereof to [TBD], an Illinois limited partnership (the "Borrower"), for the purpose of financing a portion of the cost of acquiring, constructing, and equipping the Project (as hereinafter defined); and

WHEREAS, the Bonds are secured by and payable from Revenues (as hereinafter defined) and the other security provided herein, including the Borrower Collateral Documents (as hereinafter defined); and

WHEREAS, it has been determined that the Bonds should be issued, sold and delivered, to provide funds in order to make loans to the Borrower to pay a portion of the cost of acquiring, constructing, and renovating the Project and related expenses; and

WHEREAS, all things necessary to make the Bonds, when authenticated by the Fiscal Agent and issued as provided in this Bond Issuance Agreement, the legal, valid and binding limited obligations of the Issuer according to the terms thereof, and to constitute this Bond Issuance Agreement a valid assignment and pledge of the amounts assigned and pledged to the

NOW, THEREFORE, THIS BOND ISSUANCE AGREEMENT WITNESSETH:

That the Issuer in consideration of the promises and the mutual covenants contained herein, and of the purchase and acceptance of the Bonds by the Bondholder, and of the sum of one dollar, in lawful money of the United States of America, to it duly paid by the Bondholder at or before the execution and delivery of these presents, and for other good and valuable consideration (the receipt, sufficiency and adequacy of which are hereby acknowledged), in order to secure the payment of the principal of and interest on the Bonds according to their tenor and effect, and in order to secure the performance and observance by the Issuer of all the covenants and conditions expressed or implied herein and in the Bonds, does hereby grant, bargain, sell, convey, assign and pledge, and grant a security interest in, the following described property (collectively, the "Security for the Bonds"), to the Bondholder, forever, to the extent provided in this Bond Issuance Agreement:

GRANTING CLAUSE FIRST

All right, title, interest and benefits of the Issuer in and to the Loan Agreement (except that Issuer shall retain the Issuer Reserved Rights) and the Borrower Note (including all extensions and renewals of the term thereof, if any), including, but without limiting the generality of the foregoing, the present and continuing right to make claim for, collect, receive and receipt for any of the income, revenues, issues and profits and other sums of money payable or receivable thereunder, whether payable in respect of the indebtedness thereunder or otherwise, to issue approvals, authorizations and directions, to receive notices, to bring actions and proceedings thereunder or for the enforcement thereof, and to do any and all things that the Issuer is or may become entitled to do under the Loan Agreement and the Borrower Note, provided that the assignment made by this clause shall not impair or diminish any obligation of the Issuer under the Loan Agreement to the extent provided therein;

GRANTING CLAUSE SECOND

All moneys and securities of the Issuer from time to time held by the Fiscal Agent or by the Bondholder under the terms of this Bond Issuance Agreement, and any and all other real or personal property of every type and nature from time to time hereafter by delivery or by writing of any kind conveyed, mortgaged, pledged, assigned or transferred, as and for additional security hereunder, by the Issuer or by anyone on its behalf, or with its written consent, to the Fiscal Agent or the Bondholder, each of whom is hereby authorized to receive any and all such property at any and all times and to hold and apply the same subject to the terms hereof; and

GRANTING CLAUSE THIRD

TO HAVE AND TO HOLD all and singular the Security for the Bonds, whether now owned or hereafter acquired, unto the Bondholder and its successors and assigns forever.

THIS BOND ISSUANCE AGREEMENT FURTHER WITNESSETH, and it is expressly declared, that the Bonds issued, from time to time, pursuant to the Ordinance and secured hereunder are to be issued, authenticated and delivered, and all said property, rights and interest, including, without limitation, the amounts hereby assigned and pledged, are to be dealt with and disposed of under, upon and subject to the terms, conditions, stipulations, covenants, agreements, trusts, uses and purposes as hereinafter expressed, and the Issuer has agreed and covenanted, and does hereby agree and covenant with the Fiscal Agent and with the Bondholder as follows (subject, however, to the provisions of Section 2.08 hereof):

BONDS

Section 2.01. Authorization of Bonds. The Bonds shall be issued, from time to time, under the provisions of this Bond Issuance Agreement in accordance with this Article.

Section 2.02. Issuance of Bonds; Payments. (a) The Bonds shall be designated "City of Chicago Multi-Family Housing Revenue Bonds (Taylor Street Library and Apartments Project), Series 2017," and shall be issued in substantially the form of Exhibit B hereto. The Bonds shall mature on the Maturity Date, shall bear interest on disbursed amounts from the respective dates of disbursement, and shall be issuable only as a registered bond without coupons. The Bonds shall be lettered and numbered R-1.

Principal of the Bonds shall be advanced in the amount of [\$50,000] on the Closing Date. Principal of the Bonds thereafter shall be disbursed by the Bondholder in multiple advances over time as provided in Articles IX, X and XI of the Loan Agreement. The amount of Bonds actually issued may not exceed the limitation set forth in Section 9.2(b) of the Loan Agreement.

(b) The Bonds shall be dated the Closing Date. Any Bond issued in substitution therefor at any time thereafter shall be dated its respective date of delivery.

(c) Except to the extent that the provisions of Article III or Section 7.02 hereof with respect to redemption or acceleration prior to maturity may become applicable hereto, the Bonds shall mature as to principal as provided above.

(d) All payments on the Bonds shall be first applied to interest on the unpaid principal balance and then to the unpaid principal balance. No repayment of principal of or interest on the Bonds may be re-advanced by the Bondholder. The Bondholder shall make all notations upon the Bonds or in the Bondholder's books and records as provided in Section 2.3(c) of the Loan Agreement.

(e) The principal of and interest on the Bonds shall be payable in lawful money of the United States of America. Such principal and interest shall be payable at the principal office of the Bondholder or as otherwise directed in writing by the Bondholder.

(f) The Maturity Date shall be _____ 1, 2020 [30 months from closing], subject to extension as provided below. The Maturity Date may be extended on a one time basis

for six months until _____ 1, 2020 [36 months from closing] upon the occurrence of the following:

(i) the Borrower shall have made a written request to the Bondholder at least 30 days and not more than 90 days prior to _____ 1, 2020 to extend the Maturity Date for six months to the date specified above;

(ii) there shall not exist any Default or Event of Default at the time of the extension request or at the time of the extension;

(iii) the Project is Complete within the meaning of Section 7.11(b) of the Loan Agreement;

(iv) the Borrower and the Guarantors are in compliance with all financial covenants set forth in the Loan Agreement or the Borrower Collateral Documents, as applicable, as reflected in the most recent financial statements of the Borrower and the Guarantors provided pursuant to the Loan Agreement or Borrower Collateral Documents and there shall have been no material adverse change in the business or financial condition of the Borrower or the Guarantors;

(v) the Borrower pays to the Bondholder (x) an extension fee equal to one quarter of one percent (0.25%) of the outstanding amount under the Borrower Note and (y) all out-of-pocket expenses associated with the extension;

(vi) all applicable regulatory requirements, including appraisal requirements, shall have been satisfied with respect to the extension; and

(vii) (1) the extension shall have been documented to the satisfaction of the Bondholder; and (2) the Bondholder shall have received updated title coverage (if requested) and endorsements and UCC, judgment and lien searches satisfactory to it.

Section 2.03. Interest Rates on Bonds. (a) During the Initial Period, the unpaid portion of the principal amount of the Bonds that has been advanced shall bear interest at the Initial Period Interest Rate [*may be adjustment if Permanent Interest Rate begins earlier*]. During the Permanent Period, the unpaid portion of the principal amount of the Bonds shall bear interest at the Permanent Interest Rate [*may be adjustment for earlier start to Permanent Interest Rate*]. Interest on the outstanding principal balance of the Bonds shall be calculated by multiplying (a) the actual number of days elapsed in the period for which the calculation is being made by (b) a daily rate based on a 360-day year (that is, the Initial Period Interest Rate, the Permanent Interest Rate or the Past Due Rate, as then applicable, expressed as an annual rate divided by 360) by (c) the outstanding principal balance. The parties acknowledge this will result in a higher rate of interest than if interest were calculated based on a 365-366 day year and waives any right to object to said basis of calculation. The accrual period for calculating interest due on each Interest Payment Date shall be the calendar month immediately prior to such Interest Payment Date.

(b) [Reserved.]

(c) Past Due Rate. If any amount payable by the Borrower under the Loan Agreement or the Borrower Note is not paid when due (without regard to any applicable grace periods), such amount shall thereafter bear interest at the Past Due Rate to the fullest extent permitted by applicable law. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable on demand, at the Past Due Rate.

Section 2.04. Payment Dates.

(a) Interest Payment Dates. Interest on disbursed amounts under the Bonds and the Borrower Note shall be payable monthly commencing on the first Business Day of each calendar month following the Closing Date on any date of redemption and on the Maturity Date.

(b) Principal Payment Dates. Principal of the Bonds and the Borrower Note shall not amortize and shall not be paid on a scheduled basis; provided that the Bonds and the Borrower Note shall be subject to redemption and acceleration as provided herein. Principal under the Bonds and the Borrower Note, shall be payable on the Maturity Date (in an amount equal to the unpaid principal amount outstanding).

Section 2.05. Interest on Amounts Past Due. Notwithstanding anything in this Article II to the contrary, if the Issuer shall fail to make any of the payments required to be made by it under this Bond Issuance Agreement, including, without limitation, any mandatory redemption required by Section 3.02 of this Bond Issuance Agreement, or under the Bonds, such payment shall continue as an obligation of the Issuer until the unpaid amount overdue shall have been fully paid and interest on the principal amount of the Bonds so overdue shall continue to accrue at the applicable Past Due Rate, from the date such payment was due until the date such payment is made or the date the Bonds have been repaid in full, whichever is earlier.

Section 2.06. Transfers of Bonds. The Bonds may be transferred in whole, and not in part, but only to a single Qualified Transferee that is reasonably acceptable to the Issuer, which Qualified Transferee shall execute and deliver to the Issuer a letter in the form of the Qualified Transferee letter attached hereto as **Exhibit D**; all of the Bonds shall be so transferred if any of the Bonds are so transferred. Successive transfers of the Bonds are permitted, subject to the limitations set forth in this Section. Notwithstanding the foregoing, the Bondholder may sell participating interests in the Bonds in accordance with applicable law.

Section 2.07. Funding Losses. As provided in the Loan Agreement, the Borrower will indemnify the Bondholder upon demand against any loss or expense, including, without limitation, reasonable attorneys' fees and expenses, which the Bondholder may sustain or incur (including, without limitation, any loss or expense sustained or incurred in obtaining, liquidating or employing deposits or other funds acquired to effect, fund or maintain the Loan and/or the Bonds) as a consequence of any failure of Borrower to make any payment when due of any amount due hereunder. Determinations by the Bondholder for purposes of this Section of the amount required to indemnify the Bondholder shall be conclusive in the absence of manifest error.

Section 2.08. Execution; Limited Obligation. (a) The Bonds shall be executed on behalf of the Issuer with the manual or facsimile signature of its Mayor and shall be

acknowledged by the manual or facsimile signature of the City Clerk of the Issuer, and the seal of the Issuer shall be impressed, imprinted or reproduced thereon. In case any officer whose signature shall appear on the Bonds shall cease to be such officer before the delivery of the Bonds, such signature shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery. The Bonds may be signed on behalf of the Issuer by such persons who, at the time of the execution of the Bonds, are duly authorized or hold the appropriate offices of the Issuer, although on the date of the Bonds such persons were not so authorized or did not hold such offices.

(b) THE BONDS AND THE INTEREST THEREON CONSTITUTE SPECIAL, LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM THE PAYMENTS TO BE MADE BY THE BORROWER UNDER THE LOAN AGREEMENT OR FROM THE OTHER SOURCES SPECIFIED OR REFERRED TO IN THIS BOND ISSUANCE AGREEMENT, ALL OF WHICH ARE SPECIFICALLY ASSIGNED AND PLEDGED TO SUCH PURPOSES IN THE MANNER AND TO THE EXTENT PROVIDED HEREIN. THE BONDS AND ALL OTHER OBLIGATIONS OF THE ISSUER IN CONNECTION THEREWITH DO NOT CONSTITUTE A DEBT OF THE ISSUER, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF, AND NEITHER THE ISSUER NOR THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF, SHALL BE LIABLE THEREON, NOR IN ANY EVENT SHALL THE BONDS OR OTHER OBLIGATIONS BE PAYABLE OUT OF ANY FUNDS OR PROPERTIES OTHER THAN THOSE PLEDGED UNDER THIS BOND ISSUANCE AGREEMENT. THE BONDS SHALL NOT CONSTITUTE AN INDEBTEDNESS OF THE ISSUER, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT PROVISION.

Section 2.09. Authentication. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Issuance Agreement unless and until a certificate of authentication on such Bond, substantially in the form herein set forth, shall have been duly executed by the Fiscal Agent, and such executed certificate of the Fiscal Agent upon a Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Bond Issuance Agreement. The Fiscal Agent's certificate of authentication on a Bond shall be deemed to have been executed by it if manually signed by an authorized signatory of the Fiscal Agent.

Section 2.10. Form of the Bonds and Temporary Bonds. (a) The Bonds, and the Fiscal Agent's certificates of authentication to be endorsed thereon, shall be in substantially the form herein set forth, with such variations, omissions and insertions as are permitted or required by this Bond Issuance Agreement. The Bonds shall provide that the principal thereof and interest thereon shall be payable only out of Revenues.

(b) A Bond may be initially issued in temporary form exchangeable for a definitive Bond when ready for delivery. Each temporary Bond shall be in the same denomination as the Bond it is issued in lieu of, and such temporary Bond may contain such reference to any of the provisions of this Bond Issuance Agreement as the Issuer may deem appropriate. Every temporary Bond shall be executed by the Issuer and shall be authenticated by the Fiscal Agent upon the same conditions, and in substantially the same manner, as the definitive Bond it is

issued in lieu of. If the Issuer issues a temporary Bond in lieu of a definitive Bond, the Issuer shall execute and furnish the definitive Bond without delay, and thereupon the temporary Bond shall be surrendered for cancellation in exchange therefor at the Designated Office of the Fiscal Agent, and the Fiscal Agent shall authenticate and deliver in exchange for such temporary Bond a definitive registered Bond of the same series and maturity, and in the same denomination bearing the same interest rate. Until so exchanged, the temporary Bond shall be entitled to the same benefits under this Bond Issuance Agreement as the definitive Bond it is issued in lieu of, but only to the extent that such temporary Bond is authenticated and delivered hereunder.

Section 2.11. Delivery of the Bonds. (a) Upon (i) receipt by the Issuer of a duly executed Initial Investor Letter from the Bondholder, (ii) the execution and delivery of this Bond Issuance Agreement, the Loan Agreement, the Bonds, the Borrower Note, the Borrower Collateral Documents and the Tax Certificate and the delivery of the Security for the Bonds, (iii) the execution, delivery and recording of the Land Use Restriction Agreement, and the receipt by the Issuer of evidence of the priority of the Land Use Restriction Agreement over the Borrower Collateral Documents, (iv) delivery by the Issuer to the Fiscal Agent of a copy of the Ordinance, certified by the Issuer to be in full force and effect, and (v) receipt by the Issuer of an opinion of Bond Counsel to the effect that the Bonds have been duly authorized and issued, and that interest thereon is excluded from gross income of the owners thereof for Federal income tax purposes, the Issuer shall execute and deliver to the Fiscal Agent and the Fiscal Agent shall authenticate the Bonds and deliver the Bonds to the Bondholder as directed by the Issuer.

(b) Advances of proceeds under the Bonds shall be paid by the Bondholder over to the Fiscal Agent as received from time to time and deposited in the Construction Fund pursuant to Article IV hereof. Promptly following the approval by the Bondholder of each written request for a disbursement of Bond proceeds in accordance with the provisions of the Loan Agreement, the Bondholder shall advance to the Fiscal Agent sufficient moneys to permit the Fiscal Agent to make the approved disbursement in question (taking into account for such purpose any available moneys in the Construction Fund that were previously advanced under paragraph (c) of this Section 2.11 and not yet disbursed).

Section 2.12. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer may execute, and the Fiscal Agent shall authenticate and deliver, a new Bond of like date, maturity, series, interest rate and denomination as the Bond mutilated, lost, stolen or destroyed. In each such case, the applicant for a substitute Bond shall furnish to the Issuer and the Fiscal Agent such security or indemnity as may be required by them to save each of them harmless. In each case of loss, theft or destruction, the applicant shall furnish to the Issuer and the Fiscal Agent evidence to their satisfaction of the loss, theft or destruction of such Bond and of the ownership thereof, and in each case of the mutilation of any Bond, the applicant shall surrender the mutilated Bond to the Fiscal Agent. Upon the issuance of a substitute Bond, the Issuer and the Fiscal Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses and fees connected therewith. In the event any Bond has matured or is about to mature and is mutilated, lost, stolen, or destroyed, the Issuer may, instead of the issuing a substitute Bond as permitted by this Section, pay or authorize the payment of the same upon satisfaction of the conditions set forth above.

Section 2.13. Bond Registrar; Registration Books; Persons Treated as Bondholder; Restrictions on Transfer. (a) The Fiscal Agent, which is hereby constituted and appointed the Bond Registrar of the Issuer, shall keep books for the registration and transfer of the Bonds, as provided in this Bond Issuance Agreement. Upon surrender for transfer of the Bonds at the Designated Office of the Fiscal Agent, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Fiscal Agent and duly executed by the registered owner or his attorney duly authorized in writing, and accompanied by a Qualified Transferee Letter executed by the party to whom the Bonds are to be transferred, the Issuer shall execute, and the Fiscal Agent shall authenticate and deliver in the name of the transferee, new Bonds of the same series, interest rates and maturities for like principal amounts. No Bond may be transferred in part, and all Bonds shall be transferred as a whole, so at all times there is but one registered owner of all of the Bonds issued and outstanding hereunder; provided that the Bondholder may, subject to applicable law, transfer participations in the Bonds. Upon the making of any such transfer, the transferor may assign to the transferee its interests in, to and under the Borrower Note and the Borrower Collateral Documents, and in the event of any such assignment, the transferor shall notify the Issuer and the Borrower of such assignment.

(b) Any exchange of a temporary Bond for a definitive Bond shall be without charge, except for the payment of any tax, fee or other governmental charge. With respect to any other exchange or transfer, the Fiscal Agent may charge a sum not exceeding the actual cost (if any) of printing new Bonds to be issued upon such exchange or transfer, together with reasonable expenses of the Fiscal Agent in connection therewith. In each case the Fiscal Agent shall require the payment by the registered owner of the Bond requesting exchange, registration or transfer, of any tax, fee or other governmental charge required to be paid with respect to such exchange, registration or transfer. All Bonds surrendered upon exchange or transfer provided for in this Bond Issuance Agreement shall be promptly cancelled by the Fiscal Agent and thereafter disposed of in accordance with Section 2.14 hereof.

(c) The Person in whose name the Bonds shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal thereof or interest thereon, shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Bonds to the extent of the sum or sums so paid.

Section 2.14. Cancellation of Bonds. Whenever any Bond shall be delivered to the Fiscal Agent for cancellation pursuant to this Bond Issuance Agreement, upon payment of the principal and interest represented thereby, or for replacement, transfer or exchange pursuant to Section 2.13 hereof, such Bond shall be promptly cancelled and destroyed by the Fiscal Agent, and a certificate as to such cancellation and destruction shall be furnished by the Fiscal Agent to the Issuer and the Borrower.

Section 2.15. Conditions to Bondholder's Purchase of Bonds. The Bondholder's obligation to purchase and accept the delivery of the Bonds is expressly conditioned upon the following:

(a) No Event of Default or Default shall exist hereunder;

(b) The representations and warranties of the Issuer contained herein and in the Loan Agreement shall not prove to be incorrect or misleading in any material respect;

(c) The Bondholder shall have received an opinion of Bond Counsel in form acceptable to Bondholder to the effect that the interest payable on the Bonds is excludable from the Federal gross income of the Bondholder;

(d) the Bondholder shall have received all of the Borrower Collateral Documents in form acceptable to Bondholder;

(e) the conditions precedent to the first disbursement of the proceeds of the Loan set forth in Articles X and XI of the Loan Agreement have been satisfied; and

(f) the Bondholder shall have received payment of its transaction fees relating to the purchase of the Bonds equal to one-half of one percent (0.5%) of the authorized principal amount of the Bonds.

(g) the conditions precedent to the Bondholder's purchase of the Bonds set forth in the Summary of Terms and Conditions dated _____, 2017 between the Bondholder and the Borrower, as amended, shall have been met to the satisfaction of the Bondholder (or been waived by the Bondholder). The Bondholder's purchase of the Bonds shall establish conclusively that these conditions have been met.

ARTICLE III

Section 3.01. Optional Redemption. The Bonds are subject to optional redemption prior to maturity on any Business Day by the Issuer pursuant to the request of the Borrower in accordance with Section 3.1(a) of the Loan Agreement, in whole or in part (and, if in part, at the direction of the Borrower as to the principal amount to be redeemed), at a redemption price of 100% of the principal amount thereof being redeemed, without premium, plus accrued interest to the date fixed for redemption. To effect such redemption, the Borrower shall give written notice to the Bondholder and the Issuer not less than 2 Business Days prior to the applicable redemption date. The Borrower may withdraw any such notice, and revoke the election made therein, by giving written notice of such withdrawal and revocation to the Bondholder and the Issuer on or before the date fixed for redemption. Any partial redemption of the Bonds shall be applied pro rata amongst all principal amortization payments, except as otherwise agreed by the Borrower and the Bondholder.

Section 3.02. Mandatory Redemption. The Bonds are subject to mandatory redemption prior to maturity on any Business Day by the Issuer in whole or in part, at a redemption price of 100% of the principal amount thereof being redeemed plus accrued interest to the date fixed for redemption, and without premium, upon the occurrence of any of the events set forth below:

(a) Within 15 days following the Completion Date, to the extent of any excess amounts on deposit in the Construction Fund or the Construction Escrow on the Completion

Date which are not set aside for the payment of Costs of the Project not then due and payable (as provided in Section 9.4 of the Loan Agreement);

(b) to the extent the Owner Collateral Documents provide that the proceeds of any insurance or condemnation payment received with respect to the Project be applied to the prepayment of the Borrower Note and the redemption of Bonds;

(c) [Upon receipt, from time to time, of the following amounts(i) the equity contributions made by the Investor Member under the Operating Agreement in the amount of \$_____, (ii) CHA funds on deposit in the Cash Collateral Fund established under the Cash Collateral Agreement in the amount of \$_____, (iii) \$_____ from the proceeds of the CHA Loan, (iv) \$_____ from the CHA Donation Tax Credit Loan and, (v) \$_____ from the TIF Funds];

ARTICLE IV

REVENUES AND FUNDS

Section 4.01. Revenues; Payment Notations. (a) The Fiscal Agent is authorized and directed, subject to Section 7.06 of this Bond Issuance Agreement, to apply all available Revenues to the payment of the principal of and interest on the Bonds as and when received, including, without limitation, (i) any amount in the Construction Fund, the Construction Escrow or the escrow account referred to in Section 9.4 of the Loan Agreement, in either case to the extent provided in such Section; (ii) all payments specified in Section 2.2 (a) of the Loan Agreement, including, without limitation, payments on the Borrower Note and amounts applied to payment of the Borrower Note under the Borrower Collateral Documents; (iii) all prepayments specified in Article III of the Loan Agreement, including, without limitation, prepayments made on the Borrower Note; and (iv) all other moneys received by the Bondholder under and pursuant to any of the provisions of the Loan Agreement that are required or are accompanied by directions that such moneys are to be applied to the payment of the principal of and interest on the Bonds. Except as otherwise directed in Article III hereof, all Revenues shall be applied (i) first, to the payment of interest on the Bonds, and (ii) second to the payment of principal of the Bonds.

(b) Subject to Section 2.08 hereof, the Issuer hereby covenants and agrees that as long as the Bonds are outstanding it will pay, or cause to be paid, to the Bondholder, sufficient sums from Revenues promptly to meet and pay the principal of and interest on the Bonds as the

same become due and payable. Nothing herein shall be construed as requiring the Issuer to use any funds or revenues from any source other than Revenues.

(c) The Fiscal Agent shall note on the payment record attached as Schedule A to the Bonds, or in the Fiscal Agent's books and records relating to the Bonds, the date and amount of (i) each draw increasing the principal amount of the Bonds, and (ii) each payment of principal (whether at maturity or upon acceleration or prior redemption) and/or interest on the Bonds. The information so recorded shall be rebuttable presumptive evidence of the accuracy thereof. The failure to so record any such information or any error in so recording any such information shall not, however, limit or otherwise affect the obligations of the Issuer hereunder or under the Bonds to repay the principal amount thereof together with all interest accruing thereon.

Section 4.02. Creation of Construction Fund; Disbursements. (a) There is hereby created by the Issuer and ordered established with the Fiscal Agent a Fund in the name of the Issuer to be designated "Taylor Street LA LLC Construction Fund (the "Construction Fund"). Advances of Bond proceeds by the Bondholder shall be deposited in the Construction Fund; provided that advances of Bond proceeds used to pay interest on the Bonds shall be paid or credited directly to the Bondholder as payment of such interest.

(b) The Issuer hereby authorizes and directs the Fiscal Agent to use the moneys in the Construction Fund, pursuant to written requests therefor submitted by the Borrower (except as otherwise provided in Section 4.04 hereof), and approved in writing by the Bondholder, for payment of the Costs of the Project, and for payment of principal of and interest on the Bonds in accordance with Sections 3.02 and 4.01 hereof and Articles IX, X and XI of the Loan Agreement. The Fiscal Agent shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and shall promptly, following a written request therefor, submit to the Issuer, the Borrower or the Bondholder copies of all reports, statements of receipts and disbursements and the like relating to the Construction Fund and any other funds held by the Fiscal Agent under this Bond Issuance Agreement. Moneys remaining in the Construction Fund when the Project is Complete shall be applied to redeem Bonds pursuant to Section 3.02(a) of this Bond Issuance Agreement. Disbursements may be made monthly on the first day of each month.

(c) Upon the occurrence of an Event of Default under Section 12.1(f) of the Loan Agreement, or a declaration of acceleration following the occurrence of any Event of Default hereunder, or a redemption in whole of the Bonds, any moneys remaining in the respective accounts of the Construction Fund shall be used to pay the principal and interest then due and unpaid on the Bonds.

(d) Future advances of Bond proceeds may be made to fund interest on the Bonds on each Interest Payment Date prior to the Completion Date, but only upon receipt by the Issuer and the Fiscal Agent of a certification from the Borrower that the amount so advanced represents interest chargeable to the Borrower's capital account for federal tax law purposes. Any amounts so advanced shall be applied to pay interest on the Bonds as it next comes due. Advances of Bond proceeds to pay interest on the Bonds shall not be subject to any other disbursement requirements or conditions set forth in the Loan Agreement, except for the overall condition on the amount of total disbursements set forth in Section 9.2(b) of the Loan Agreement.

(e) Notwithstanding the foregoing, the Bondholder may elect to deposit advances directly into the Construction Escrow created under the Construction Escrow Agreement (and thereby bypass deposits into the Construction Fund entirely); provided that no such election shall obviate the need for the Borrower to comply with the disbursement conditions hereunder and under the Loan Agreement, including, without limitation, the delivery of a Disbursement Request.

Section 4.03. Fiscal Agent's Fees, Charges and Expenses. The Fiscal Agent agrees that the Issuer shall have no liability for any fees, charges and expenses of the Fiscal Agent, and the Fiscal Agent agrees to look only to the Borrower for the payment of all reasonable fees, charges and expenses of the Fiscal Agent as provided in the Loan Agreement and in this Bond Issuance Agreement.

Section 4.04. Moneys to be Held in Trust. All moneys required to be deposited with or paid to the Fiscal Agent for the account of the Construction Fund or the escrow account referred to in Section 9.4 of the Loan Agreement under any provision of this Bond Issuance Agreement or the Loan Agreement shall be held by the Fiscal Agent in trust and applied for the purposes herein or therein specified. No Person not a party hereto shall have any rights to the money in the Construction Fund or the escrow account referred to in Section 9.4 of the Loan Agreement.

Section 4.05. Repayment of Excess Moneys. Any amounts remaining in any fund, or otherwise paid to the Fiscal Agent on behalf of the Issuer under this Bond Issuance Agreement or the Loan Agreement, after payment in full of the principal of and interest on the Bonds, the fees, charges and expenses of the Issuer and the Fiscal Agent, and all other amounts required to be paid under this Bond Issuance Agreement and the Loan Agreement shall be paid (a) first, to the Issuer to the extent of any moneys owed by the Borrower to the Issuer, and (b) second, to the Borrower.

Section 4.06. Cash Collateral Agreement. Reference is hereby made to the Cash Collateral Agreement. Moneys held under the Cash Collateral Agreement shall be applied to pay the principal of and interest on the Bonds as provided therein and in Section 3.02(c) herein.

Section 4.07. Security Agreement. Reference is hereby made to the Security Agreement. Moneys held under the Security Agreement shall be available to pay the principal of and interest on the Bonds as provided in the Security Agreement.

ARTICLE V

INVESTMENT OF MONEYS

Section 5.01. Investment of Moneys. Any moneys held as part of any Account of the Construction Fund, to the extent not disbursed on the date of deposit therein, shall be invested or reinvested by the Fiscal Agent in Eligible Investments in accordance with the provisions of Section 9.6 of the Loan Agreement. The direction and written confirmation specified in Section 9.6 of the Loan Agreement shall specify to the extent applicable the issuer or obligor, the principal amount, maturity date and interest rate of each such Eligible Investment. All such Eligible Investments shall be held by or under the control of the Fiscal Agent and shall be

deemed at all times a part of such Account, and the interest accruing thereon, if any, and any profit realized from such Eligible Investments shall be credited to such Account. Any loss resulting from such investments shall be charged to such Account. The Fiscal Agent shall be entitled to rely conclusively on all written investment instructions provided by the Borrower pursuant to Section 9.6 of the Loan Agreement, and the Fiscal Agent shall have no responsibility or liability for any depreciation in the value of any investment or for any loss, direct or indirect, resulting from any investment made in accordance with such direction and written confirmation from the Borrower specified in Section 9.6 of the Loan Agreement.

Section 5.02. Investments through Fiscal Agent's Investment Department. The Fiscal Agent may make any and all investments permitted by the provisions of Sections 5.01 through its own investment department or that of an affiliate. Upon the written direction of the Borrower or the Issuer, the Fiscal Agent shall confirm in writing any investment made with the moneys in the Construction Fund. The Fiscal Agent shall answer all reasonable inquiries from the Borrower or the Issuer as to the status of moneys in each of such Fund or account. The Fiscal Agent shall file with the Issuer a copy of its statements that it delivers to the Borrower with respect to the investment of any funds held under this Bond Issuance Agreement.

ARTICLE VI

GENERAL COVENANTS OF ISSUER

Until payment in full of the Bonds, the Issuer covenants and agrees that each of the covenants, undertakings and agreements set forth in this Section shall be complied with:

Section 6.01. Payment of Principal and Interest. The Issuer covenants that it will promptly pay the principal of and interest on the Bonds at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning hereof and thereof; provided, however, that the Bonds shall be a special, limited obligation of the Issuer payable as to principal and interest solely from the Revenues as provided in Section 2.08 of this Bond Issuance Agreement.

Section 6.02. Performance of Covenants. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations of and provisions applicable to the Issuer contained in this Bond Issuance Agreement and in the Bonds; provided, however, that the Issuer shall not be obligated to take any action or execute any instrument pursuant to any provision hereof until it shall have been requested to do so by the Borrower or the Bondholder, and, at the option of the Issuer, until it shall have received from the Borrower or the Bondholder assurance satisfactory to the Issuer that the Issuer shall be reimbursed for its reasonable expenses incurred or to be incurred in connection with taking such action or executing such instrument. The Issuer represents that it is duly authorized pursuant to the Ordinance to issue the Bonds, to execute this Bond Issuance Agreement, to pledge and assign the Loan Agreement, the Borrower Note and the Security for the Bonds, and the amounts payable under the Loan Agreement, the Borrower Note and the Security for the Bonds, in the manner and to the extent set forth herein; that all action on its part required for the issuance of the Bonds and the execution and delivery of this Bond Issuance Agreement has been duly and effectively taken; and that each of the Bonds in the hands of the Bondholder is and will be a valid and enforceable

obligation of the Issuer according to the terms thereof and hereof. Anything contained in this Bond Issuance Agreement to the contrary notwithstanding, it is hereby understood that none of the covenants of the Issuer contained in this Bond Issuance Agreement are intended to create a pecuniary obligation of the Issuer with respect to payment of principal of and interest on the Bonds.

Section 6.03. Assigned Rights; Instruments of Further Assurance. The Issuer represents that the pledge and assignment of the Security for the Bonds to the Bondholder hereby made is valid and lawful. The Issuer covenants that it will defend its interest in and to the Loan Agreement, the Borrower Note, the Security for the Bonds and the Revenues, and the pledge and assignment thereof to the Bondholder, against the claims and demands of all Persons whomsoever; provided, however, that all reasonable attorneys' fees and expenses incurred by the Issuer in the performance of its obligations under this covenant shall be paid by the Borrower. The Issuer covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such agreements supplemental hereto and such further acts, instruments and transfers as the Bondholder may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Bondholder of the Loan Agreement, the Borrower Note, the Security for the Bonds and the Revenues, the rights pledged and assigned hereby, and the amounts pledged to the payment of the principal of and interest on the Bonds; provided, however, that the Issuer undertakes no responsibility for the preparation or filing of any such instrument or the maintenance of any security interest intended to be perfected thereby, all of which shall be the responsibility of the Bondholder and the Borrower. The Issuer covenants and agrees that, except as herein and in the Loan Agreement provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of its interest in and to the Loan Agreement, the Borrower Note, the Security for the Bonds or the Revenues.

Section 6.04. Recordation and Other Instruments. In order to perfect the security interest of the Bondholder in the Security for the Bonds, the Issuer, to the extent permitted by law, will execute such assignments, security agreements or financing statements, naming the Bondholder as assignee and pledgee of the Security for the Bonds assigned and pledged under this Bond Issuance Agreement for the payment of the principal of and interest on the Bonds and as otherwise provided herein, as the Bondholder shall reasonably request in writing, and the Borrower will cause the same to be duly filed and recorded, as the case may be, in the appropriate state and county offices as required by the provisions of the Uniform Commercial Code or other similar law as adopted in Illinois, as from time to time amended. To continue the security interest evidenced by the financing statements, the Bondholder shall file and record, or cause to be filed and recorded, such necessary continuation statements or supplements thereto and other instruments from time to time as may be required pursuant to the provisions of the said Uniform Commercial Code or other similar law to fully preserve and protect the security interest of the Bondholder in the Security for the Bonds and to perfect the lien hereof and the rights of the Bondholder hereunder. The Issuer, to the extent permitted by law, at the expense of the Borrower, shall execute and cause to be executed any and all further instruments as shall be reasonably requested in writing by the Bondholder for such protection and perfection of the interests of the Bondholder, and the Issuer or its agent shall, upon written direction from the Bondholder, file and refile or cause to be filed and refiled such instruments as shall be necessary to preserve and perfect the lien of this Bond Issuance Agreement upon the Security for the Bonds

until the principal of and interest on the Bonds issued hereunder shall have been paid or provision for payment shall be made as herein provided.

Section 6.05. Inspection of Books. The Issuer, the Fiscal Agent and the Bondholder covenant and agree that all books and documents in their possession relating to the Project and the Revenues shall at all reasonable times be open to inspection by such accountants or other agencies as the other parties may from time to time designate.

Section 6.06. Rights Under Loan Agreement. The Loan Agreement, a duly executed copy of which has been delivered to the Bondholder, sets forth the covenants and obligations of the Issuer and the Borrower, including provisions to the effect that subsequent to the issuance of the Bonds and prior to its payment in full or provision for payment thereof in accordance with the provisions hereof, the Loan Agreement may not be effectively amended, changed, modified, altered or terminated without the written consent of the Issuer and the Bondholder, and reference is hereby made to the same for a detailed statement of said covenants and obligations of the Issuer and the Borrower thereunder. The Issuer agrees that the Bondholder, in its name or in the name of the Issuer, may enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to the Loan Agreement, and the Issuer will not enforce such rights and obligations itself except at the written direction of the Bondholder, in each case whether or not the Issuer is in Default hereunder; provided, however, that the foregoing shall not apply to Issuer Reserved Rights.

Section 6.07. Prohibited Activities. The Issuer covenants and agrees that it has not engaged, and will not engage, in any activities, and that it has not taken, and will not take, any action, that might result in any interest on the Bonds becoming includible in the gross income of the owner of the Bonds under Federal income tax laws.

Section 6.08. Arbitrage. The Issuer shall not take any action within its power or fail to take any action of which it has knowledge with respect to the investment of the proceeds of the Bonds, including, without limitation, moneys on deposit in any Fund or Account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other sources, or with respect to the payments derived from the Borrower Note which may result in constituting the Bonds an "arbitrage bond" within the meaning of such term as used in Section 148 of the Code and the Regulations. The Issuer further covenants to create a rebate fund upon direction by the Borrower to facilitate the payment of any rebatable arbitrage that may arise.

Section 6.09. Representations of the Issuer Contained in Loan Agreement. Article V of the Loan Agreement is hereby incorporated by reference into this Bond Issuance Agreement for the benefit of the Bondholder.

ARTICLE VII

DEFAULT PROVISIONS AND REMEDIES OF BONDHOLDER

Section 7.01. Events of Default. Each of the following is hereby defined and declared to be and shall constitute an "Event of Default" hereunder:

(a) default in the due and punctual payment of any amount required to be paid under the Bonds or this Bond Issuance Agreement, whether by way of principal, interest or otherwise, including, without limitation, any mandatory redemption required by Section 3.02 of this Bond Issuance Agreement; provided that such default shall not constitute an Event of Default hereunder if such default is cured within five days after written notice thereof to the Issuer and the Borrower from the Bondholder; or

(b) default in the performance or observance of any other of the covenants, agreements or conditions on the part of the Issuer in this Bond Issuance Agreement or in the Bonds (and not constituting an Event of Default under any of the other provisions of this Section 7.01); provided that such default shall not constitute an Event of Default hereunder if such default is cured within 90 days after written notice thereof to the Issuer and the Borrower from the Bondholder as long as during such period the Issuer and/or the Borrower is using its best efforts to cure such default and such default can be cured in such period; or

(c) any Event of Default shall occur under the Loan Agreement or any Borrower Collateral Document (following the expiration of applicable notice and cure periods); or

(d) any material representation or warranty made by the Issuer herein is breached or is false or misleading in any material respect, or any schedule, certificate, financial statement, report, notice or other writing furnished by the Issuer to the Bondholder is false or misleading in any material respect on the date as of which the facts therein set forth are stated or certified; or

(e) this Bond Issuance Agreement or the Bonds or any of the Borrower Collateral Documents, or any lien granted by the Borrower or the Issuer to the Bondholder, shall (except in accordance with its terms), in whole or in part, terminate, cease to be effective or cease to be the legally valid, binding and enforceable obligations of the Issuer; or the Issuer shall directly or indirectly, contest in any manner such effectiveness, validity, binding nature or enforceability.

Notwithstanding anything to the contrary contained herein, the Fiscal Agent and the Issuer hereby agree that any cure of any default made or tendered by one or more of the Borrower's members be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 7.02. Acceleration. Upon the occurrence of an Event of Default hereunder and as long as such Event of Default is continuing, the Bondholder may, by notice in writing delivered to the Issuer and the Borrower, declare the entire principal amount of the Bonds then outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable, subject, however, to the right of the Bondholder, by written notice to the Issuer and the Borrower, to annul such declaration and rescind its effect as hereinafter provided.

Section 7.03. Other Remedies; Rights of Bondholder. (a) Upon the occurrence of an Event of Default hereunder, the Bondholder may exercise and enforce such rights as exist under the Loan Agreement and the Borrower Collateral Documents or pursue any available remedy by suit at law or in equity or by statute to enforce the payment of the principal of and interest on the Bonds, or to enforce any obligations of the Issuer hereunder.

(b) No remedy by the terms of this Bond Issuance Agreement conferred upon or reserved to the Bondholder is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and in addition to any other remedy given to the Bondholder hereunder or now or hereafter existing at law or in equity or by statute.

(c) No delay or omission to exercise any right or power accruing upon any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and such right and power may be exercised from time to time as often as may be deemed expedient. No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(d) All remedies for which provision is made in this Bond Issuance Agreement shall be available only to the extent such remedies are not prohibited by the laws of the State of Illinois, decisions of courts of the State of Illinois or any other applicable law, statute, ordinance, regulation or court decision.

Section 7.04. Appointment of Receivers. Upon the occurrence of an Event of Default hereunder, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Bondholder under this Bond Issuance Agreement, the Bondholder shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Security for the Bonds and of the revenues, earnings and income thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 7.05. Waiver of Rights. Except as specified in Section 7.09 hereof, upon the occurrence of an Event of Default hereunder, to the extent that such rights may then lawfully be waived, neither the Issuer, nor anyone claiming through or under the Issuer, shall set up, claim, or seek to take advantage of any appraisal, valuation, stay, extension, exemption or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement of this Bond Issuance Agreement, and the Issuer, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws.

Section 7.06. Application of Funds. All funds received by the Bondholder pursuant to any right given or action taken under the provisions of this Article, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Bondholder or the Issuer, shall be applied to pay the principal of and interest on the Bonds on the basis set forth in Section 4.01 hereof. Notwithstanding any other provision of this Bond Issuance Agreement to the contrary, funds received by the Bondholder may be applied (a) as long as an Event of Default has not occurred and is not continuing, with respect to payments and other amounts then due under the Borrower Note, or, if all such payments and other amounts, if any, have been paid, may be applied as directed by the Borrower, and (b) if an Event of Default has occurred and is continuing, to satisfy amounts due the Bondholder as directed and in such order as determined by the Bondholder.

Section 7.07. Termination of Proceedings. In case the Bondholder shall have proceeded to enforce any right under this Bond Issuance Agreement by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or

shall have been determined adversely, then and in every such case the Issuer, the Borrower, the Fiscal Agent and the Bondholder shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Bondholder shall continue as if no such proceedings had been taken.

Section 7.08. Termination of Bond Issuance Agreement. This Bond Issuance Agreement shall terminate when the Bonds have been finally, indefeasibly and fully paid, at which time the Bondholder shall, on a timely basis, reassign and redeliver (or cause to be reassigned and redelivered) to the Issuer, or to such Person or Persons as the Issuer shall designate in writing, against receipt, such of the Security for the Bonds (if any) assigned by the Issuer to the Bondholder as shall not have been sold or otherwise applied by the Bondholder pursuant to the terms hereof, and as shall still be held by it hereunder, together with appropriate instruments of reassignment and release, including, without limitation, any Uniform Commercial Code termination statements. Any such reassignment shall be without recourse upon, or representation or warranty by, the Bondholder and shall be at the cost and expense of the Borrower. Should a claim ("Recovery Claim") be made upon the Bondholder at any time for recovery of any amount received by the Bondholder in payment of the Bonds (whether received from the Issuer, the Borrower or otherwise), and should the Bondholder repay all or part of said amount by reason of (a) any judgment, decree or order of any court or administrative body having jurisdiction over the Bondholder or any of its property, or (b) any settlement or compromise of any such Recovery Claim effected by the Bondholder with any such claimant (including, without limitation, the Borrower), this Bond Issuance Agreement and the security interests granted to the Bondholder pursuant hereto shall continue in effect with respect to the amount so repaid to the same extent as if such amount had never originally been received by the Bondholder, notwithstanding any prior termination of this Bond Issuance Agreement, the return of this Bond Issuance Agreement to the Issuer or cancellation of the Bonds.

Section 7.09. Waivers of Events of Default. Except for an Event of Default with respect to any Issuer Reserved Rights, the Bondholder may in its discretion waive in writing any Event of Default hereunder or under the Borrower Note not involving any Issuer Reserved Rights and its consequences and rescind in writing any declaration of acceleration of principal of and interest on the Bonds, and in case of any such waiver or rescission, or in case any proceeding taken by the Bondholder on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Borrower, the Fiscal Agent and the Bondholder shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 7.10. Cooperation of the Issuer. If an Event of Default hereunder shall occur, the Issuer shall cooperate with the Bondholder and use its best efforts to protect the interests of the Bondholder with respect to this Bond Issuance Agreement, the Bonds, the Security for the Bonds and the Revenues.

ARTICLE VIII

FISCAL AGENT

Section 8.01. Appointment of Fiscal Agent. (a) BMO Harris Bank N.A. shall serve as the initial Fiscal Agent hereunder. The Fiscal Agent may resign at any time upon 30 days' prior written notice to the Borrower, the Issuer and the Bondholder.

(b) Upon the resignation of any Fiscal Agent, the Bondholder, with the prior written consent of the Issuer, shall designate a successor Fiscal Agent and shall so notify the Borrower in writing. If a successor Fiscal Agent has not been appointed and has not accepted such appointment by the end of the 30-day period, the Fiscal Agent may apply to a court of competent jurisdiction for the appointment of a successor Fiscal Agent, and the costs, expenses and reasonable attorneys' fees which are incurred in connection with such a proceeding shall be paid by the Borrower. Any successor Fiscal Agent shall be a bank or savings and loan association located in the City of Chicago, and shall at all times be a member of the Federal Deposit Insurance Corporation. No resignation shall become effective until a successor has been designated and accepted such designation in writing.

(c) Removal of Fiscal Agent. The Fiscal Agent may be removed at any time, by instrument in writing delivered to the Fiscal Agent, the Issuer and the Borrower and signed by the Bondholder. No removal shall become effective until a successor has been designated and accepted such designation in writing.

Section 8.02. Successor Fiscal Agents. (a) Any corporation or association into which the Fiscal Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, shall be and become successor Fiscal Agent hereunder and vested with all of the title to the Security for the Bonds and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that such successor Fiscal Agent shall satisfy the requirements of Section 8.01(b) hereof relating to the qualifications of successor Fiscal Agents.

(b) In case the Fiscal Agent hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the Bondholder, by an instrument in writing signed by it, or by its attorneys in fact, duly authorized. In case of any such vacancy, the Issuer, by an instrument executed by its Chief Financial Officer and attested by its Secretary under its seal, may appoint a temporary Fiscal Agent to fill such vacancy until a successor Fiscal Agent shall be appointed by the Bondholder in the manner above provided; and any such temporary Fiscal Agent so appointed by the Issuer shall immediately and without further act be superseded by the Fiscal Agent so appointed by the Bondholder.

Section 8.03. Indemnification and Reimbursement of Fees of Fiscal Agent and Issuer. The Fiscal Agent and the Issuer shall be entitled to payment and reimbursement for fees for services rendered under this Bond Issuance Agreement and all advances, reasonable counsel fees and other expenses made or incurred by the Fiscal Agent or the Issuer in connection with such services. The Fiscal Agent shall be entitled to payment and reimbursement for its reasonable fees and charges as Bond Registrar for the Bonds as hereinabove provided. The Fiscal Agent and the Issuer shall look solely to the Borrower for the payment of such amounts as provided herein and in the Loan Agreement, and the Issuer shall not be liable therefor. The Fiscal Agent, the Bondholder and the Issuer are indemnified as provided in the Loan Agreement.

ARTICLE IX

MISCELLANEOUS

Section 9.01. Unclaimed Moneys. Any moneys deposited with the Fiscal Agent by the Issuer, in accordance with the terms and covenants of this Bond Issuance Agreement, in order to redeem or pay the Bonds, and remaining unclaimed by the Bondholder at any time after two years after the date fixed for redemption or of maturity, as the case may be, shall be repaid by the Fiscal Agent to the Issuer, or to such party (the "Designee") as is directed by the Issuer, upon its Written Request therefor; and thereafter the registered owner of the Bonds shall be entitled to look only to the Issuer or the Designee for payment thereof; provided, however, that the Fiscal Agent, before being required to make any such repayment, shall, at the expense of the Borrower, effect publication at least once in a newspaper of general circulation in the City of Chicago, Illinois, printed in the English language and customarily published on each Business Day, of a notice to the effect that said moneys have not been so applied and that after the date named in said notice any unclaimed balance of said moneys then remaining shall be returned to the Issuer or the Designee. If the amount remaining unclaimed has been paid by the Borrower under the Borrower Note, the unclaimed amount will be paid to the Borrower, and the Borrower shall be the Designee (unless the Issuer has fully released the Borrower under the Borrower Note).

Section 9.02. Consents of Bondholder. Any consent, request, direction, approval, objection or other instrument required by this Bond Issuance Agreement to be signed and executed by the Bondholder may be executed by the Bondholder in person or by its agent appointed in writing. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Bond Issuance Agreement, and shall be conclusive in favor of the Fiscal Agent and the Issuer with regard to any action taken by either of them under such request or other instrument, namely:

(a) the fact and date of the execution by any Person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the Person signing such writing acknowledged before him the execution thereof, or by an affidavit of any witness to such execution; and

(b) the ownership of the Bonds shall be proved by the registration books maintained by the Bond Registrar.

Section 9.03. Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Bond Issuance Agreement or the Bonds is intended or shall be construed to give to any Person other than the parties hereto and the Borrower any legal or equitable right, remedy or claim under or with respect to this Bond Issuance Agreement or any covenants, conditions and provisions herein contained, this Bond Issuance Agreement and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto and the Borrower.

Section 9.04. Severability. If any provision of this Bond Issuance Agreement shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections contained in this Bond Issuance Agreement shall not affect the remaining portions of this Bond Issuance Agreement, or any part thereof; provided, however, that no holding of invalidity shall require the Issuer to make any payments from any moneys other than Revenues.

Notwithstanding any other provision of this Bond or the Bond Issuance Agreement to the contrary, funds received by the Bondholder may be applied (a) so long as an Event of Default has not occurred and is not continuing, with respect to the payment then due under this Bond if due, or, if all such payments have been made may be applied as directed by the Borrower (defined herein), and (b) if an Event of Default has occurred and is continuing, as directed and in such order as determined by the Bondholder.

This Bond shall only be transferable in whole to a Qualified Transferee delivering to the Issuer a Qualified Transferee Letter in the form of Exhibit D to the Bond Issuance Agreement.

It is hereby certified, recited and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the execution, delivery of and the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law; and that the issuance of this Bond, together with all other obligations of the Issuer, does not exceed or violate any constitutional or statutory limitation.

This Bond is issued pursuant to an Ordinance adopted by the City Council of the Issuer. The Bonds shall not be a debt of any city, village, incorporated town, county, the State of Illinois or any political subdivision thereof and neither the city, village, incorporated town or the county, nor the State of Illinois or any political subdivision thereof shall be liable thereon, nor in any event shall the Bonds be payable out of any funds or properties other than those of the Issuer as provided under the Bond Issuance Agreement. The Bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The Bonds have been issued by the Issuer to aid in financing a housing project to provide dwelling accommodations for persons of low and moderate income.

As provided in the Bond Issuance Agreement, this Bond is subject to redemption, in whole or in part, and with or without premium, as specified and subject to the limitations set forth in the Bond Issuance Agreement.

This Bond and the rights and obligations of the parties hereunder shall be construed in accordance with and be governed by the laws of the State of Illinois, without regard to its conflict of laws principles.

The Bondholder shall note on the payment record attached as Schedule A hereto the date and amount of each payment of principal (whether at maturity or upon acceleration or prior redemption) and of interest paid, and of any principal and interest theretofore paid and not yet noted thereon. The information so recorded shall be rebuttable presumptive evidence of the accuracy thereof absent manifest error. The failure to so record any such information or any error in so recording any such information shall not, however, limit or otherwise affect the obligations of the Issuer hereunder to repay the principal amount hereunder together with all interest accruing hereon.

WITNESSETH:

DEFINITIONS, INTERPRETATION AND EXHIBITS

Section 1.1. Definitions. Capitalized terms used in this Loan Agreement without definition shall have the respective meanings given to such terms in Exhibit A attached to the Bond Issuance Agreement unless the context or use clearly indicates another or different meaning or intent.

(a) the words “hereby,” “hereof,” “herein,” “hereunder” and any similar words used in this Loan Agreement refer to this Loan Agreement as a whole and not to any particular Article, Section or other subdivision, and the word “heretofore” shall mean before, and the word “hereafter” shall mean after, the date of this Loan Agreement, and the word “including” shall mean including, without limitation;

(b) all accounting terms not otherwise defined herein shall have the meanings assigned to them in accordance with generally accepted accounting principles (“GAAP”);

(c) any headings preceding the text of the several Articles and Sections of this Loan Agreement, and any table of contents or marginal notes appended to copies hereof, shall be solely for convenience of reference and shall neither constitute a part of this Loan Agreement nor affect its meaning, construction or effect; and

(d) any certificates, letters or opinions required to be given pursuant to this Loan Agreement shall mean a signed document attesting to or acknowledging the circumstances, representations, opinions of law or other matters therein stated or set forth or setting forth matters to be determined pursuant to this Loan Agreement.

ARTICLE II

LOAN TO BORROWER; REPAYMENT PROVISIONS

Section 2.1. Loan to Borrower, Purchase of Bond. The Issuer covenants and agrees to finance a portion of the Costs of the Project through the issuance of the Bonds pursuant to the Bond Issuance Agreement and the loan of the proceeds of the Bonds to the Borrower, such Loan to be advanced from time to time by making deposits into the Construction Fund and, subject to satisfaction of the conditions set forth in Articles X and XI hereof, disbursed and applied as provided in Article IX hereof. The Bondholder agrees to provide proceeds to the Issuer to effect such loan through its purchase of the Bonds in whole pursuant to the Bond Issuance Agreement.

Section 2.2. Repayment of Loan and Payment of Other Amounts.

(a) *Borrower Note*. In order to evidence its obligation to repay the Loan made hereunder by the Issuer, the Borrower shall authorize, execute and deliver the Borrower Note, which Borrower Note shall be in substantially the form attached hereto as Exhibit A. The terms

and conditions of the Borrower Note are hereby incorporated into this Section with the same effect as if fully set forth herein. The Borrower agrees to pay all of its obligations in full under this Loan Agreement and the Borrower Note, subject to Section 14.1 hereof.

(b) *Mandatory Payments under the Bonds.* It is the intent of the Borrower and the Issuer that, notwithstanding any schedule of payments contained in the Borrower Note, the payments to be made by the Borrower on the Borrower Note shall at all times be sufficient to enable the Issuer to pay when due the principal of and interest on the Bonds; provided, however, that if for any reason the funds available to the Issuer are at any time insufficient or unavailable to make any payment of the principal of or interest on the Bonds when due (whether at maturity or upon redemption or acceleration), the Borrower shall forthwith pay directly to the Bondholder, in immediately available funds, the amount required to make up such deficiency, or shall take such other action as may be necessary to make sufficient funds available to make such payment. All such payments made to the Bondholder with respect to the Bonds shall be made by the Borrower on behalf of the Issuer, shall be deemed a credit against the Liabilities, and shall be applied against the Issuer's payment obligations under Bonds.

(c) *Payments to Fiscal Agent.* The Borrower shall pay to the Fiscal Agent until the principal of and interest on the Borrower Note shall have been fully paid, the reasonable fees, charges and expenses (if any) of the Fiscal Agent, as fiscal agent and Bond registrar, as and when the same become due. The Borrower further agrees to indemnify the Fiscal Agent for, and to defend and hold the Fiscal Agent harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with its powers or duties hereunder and under the Bond Issuance Agreement, including, but not limited to, the cost and expenses of defending itself against any claim or liability in connection with the exercise of any of such powers or performance of any such duties.

(d) *Payments to Issuer.* The Borrower shall pay to the Issuer (i) an Issuer fee equal to 1.5% of the authorized stated principal amount of the Bonds plus a fee of 0.0010% (10 basis points) of the authorized stated principal amount of the Bonds, payable on the Closing Date, and (ii) an annual administrative fee equal to 0.0015% (15 basis points) of the then outstanding principal amount of the Bonds, which shall accrue monthly and be payable semi-annually on each ____ 1 and ____ 1, commencing ____ 1, 2018, while the Bonds are outstanding.

Section 2.3. Payment. (a) *Payments under the Borrower Note.* The Borrower will promptly and punctually pay all amounts payable with respect to the Borrower Note, without any presentment of the Borrower Note, notice of nonpayment (except as otherwise expressly set forth therein), notice of dishonor or notice of protest, and without any notation of such payment being made thereon, directly to the Bondholder in immediately available funds by wire transfer originated by the Borrower not later than 12:00 noon, Chicago, Illinois time, on each payment date, such payment to be marked for attention as indicated, or by charging an account of the Borrower established with the Bondholder, which charge is hereby authorized by the Borrower. The Borrower Note is subject to assignment as set forth in Section 4.2 hereof. Payments with respect to the Borrower Note shall be made by wire transfer pursuant to the wire transfer instructions attached hereto as **Exhibit D**, or such other replacement wire transfer instructions as shall be provided in writing by Bondholder to Borrower.

(b) *Payments Due on Saturdays, Sundays and Holidays.* In any case where the date of payment of principal of or interest on the Borrower Note or the Bonds, or the date fixed for prepayment of all or a portion of the Borrower Note or the Bonds, as applicable, shall be other than a Business Day, then such payment need not be made on such date but may be made on the next succeeding Business Day, and the Borrower Note and the Bonds shall continue to bear interest until such date of actual payment.

(c) *Payment Notations.* The Bondholder shall make a notation on the Borrower Note on the payment record thereon, or in the Bondholder's books and records, of each principal and interest payment made pursuant to this Section 2.2 and the date to which interest has been paid. The information so recorded shall be rebuttable presumptive evidence of the accuracy thereof. The failure to so record any such information, or any error in so recording any such information, shall not, however, limit or otherwise affect the obligations of the Borrower hereunder or under the Borrower Note to repay the principal balance thereof together with all interest accruing thereon.

(d) *Manner of Payment.* The principal of and interest on the Borrower Note shall be payable in lawful money of the United States of America; such principal and interest shall be payable at the principal office of the Bondholder.

(e) *Return of Collateral.* Upon payment in full of the Borrower Note and termination of this Loan Agreement, the Issuer shall or shall cause the Fiscal Agent to, on a timely basis, reassign and redeliver (or cause to be reassigned and redelivered) to the Borrower, or to such Person or Persons as the Borrower shall designate, against receipt, such of the collateral (if any) assigned by the Borrower to the Issuer as shall not have been sold or otherwise applied by the Issuer pursuant to the terms hereof and as shall still be held by it or the Fiscal Agent hereunder, together with appropriate instruments of reassignment and release, including, without limitation, UCC termination statements; it shall be the obligation of the Borrower to provide all such instruments of reassignment and release. Any such reassignment shall be without recourse upon, or representation or warranty by, the Issuer, and shall be at the cost and expense of the Borrower. If a claim is made upon the Issuer (or any assignee of the Issuer, including, but not limited to, the Bondholder) at any time for recovery of any amount received by the Issuer (or such assignee) in payment of the Borrower Note, whether received from the Borrower or otherwise (a "Recovery Claim"), and should the Issuer (or such assignee) repay all or part of said amount by reason of: (i) any judgment, decree or order of any court or administrative body having jurisdiction over the Issuer or any assignee of the Issuer, or the Property of either thereof; or (ii) any settlement or compromise of any such Recovery Claim effected by the affected party with the claimant (including the Borrower), this Loan Agreement, the Borrower Collateral Documents and the Security for the Bonds shall continue in effect with respect to the amount so repaid to the same extent as if such amount had never originally been received by the Issuer or such assignee, notwithstanding any prior termination of this Loan Agreement, the return of this Loan Agreement, the Borrower Collateral Documents or any of the Security for the Bonds to the Borrower (or any designee of the Borrower), or the cancellation of the Borrower Note.

Section 2.4. *Interest Rates.* The interest rate per annum payable on the Borrower Note shall be equal to the interest rate payable from time to time on the Bonds as provided in Article II

of the Bond Issuance Agreement. Interest on the Borrower Note shall be payable at such times as interest is payable on the Bonds under the provisions of the Bond Issuance Agreement.

Section 2.5. Interest on Amounts Past Due. Notwithstanding anything in this Article II to the contrary, if the Borrower shall fail to make any of the payments required to be made by it under this Agreement or under the Borrower Note, including, without limitation, any mandatory prepayments required by Section 3.1(b) of this Agreement, such payments shall continue as an obligation of the Borrower until the unpaid amount so overdue shall have been fully paid, and interest on the Borrower Note shall continue to accrue from the date such payment was due until the date such payment is made or the date the Borrower Note has been repaid in full, whichever is earlier, at the applicable Past Due Rate described in Section 2.03(f) of the Bond Issuance Agreement with respect to interest on overdue payments under the Bonds.

Section 2.6. Application of Payments. All payments on account of indebtedness outstanding under the Borrower Note shall be first applied to interest on the unpaid principal balance, and the remainder to the unpaid principal balance, of the Borrower Note.

Section 2.7. Event of Default under the Bond Issuance Agreement. Upon a declaration of acceleration by the Bondholder under Section 7.02 of the Bond Issuance Agreement, an amount equal to the outstanding principal of the Borrower Note, together with accrued interest due thereon, shall become immediately due and payable hereunder, and thereafter, to the extent not previously issued, the Issuer shall be under no obligation to issue further Bonds or make further Loans (or disbursement of Loans) of the proceeds thereof.

Section 2.8. No Defense or Set-off; Unconditional Obligation. (a) The obligation of the Borrower to make the payments required to be made by it herein, the obligation of the Borrower to make the payments pursuant to the Borrower Note, and the obligation of the Borrower to perform and observe fully all other agreements, obligations and covenants on its part contained herein shall be absolute and unconditional, irrespective of any defense or any rights of set-off, recoupment, abatement or counterclaim it might otherwise have against the Issuer, the Fiscal Agent or the Bondholder.

(b) Subject to Section 14.1 hereof, the Borrower covenants and agrees with and for the express benefit of the Issuer and the Bondholder that all payments pursuant hereto and the Borrower Note shall be made by the Borrower on or before the dates the same become due, and the Borrower shall perform all of its other obligations, covenants and agreements hereunder, without notice or demand (except as provided herein), and without abatement, deduction, reduction, diminishment, waiver, abrogation, set-off, counterclaim, recoupment, defense or other modification, or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and regardless of any act of God, contingency, event or cause whatsoever, and irrespective (without limitation) of whether any portion of the Project shall have been started or completed, or whether the title to any portion of the Premises or the Project is defective or nonexistent, or whether the revenues of the Borrower are sufficient to make such payments, and notwithstanding any damage to, or loss, theft or destruction of, the Premises or the Project, or any part thereof, expiration of this Loan Agreement, any failure of consideration or frustration of purpose, the taking by eminent domain or otherwise of title to or of the right of temporary use of, all or any part of Premises or the

Project, legal curtailment of the use thereof, any assignment, novation, merger, consolidation, transfer of assets, leasing or other similar transaction of or affecting the Borrower, the Premises or the Project, whether with or without the approval of the Issuer, any change in the tax or other laws of the United States of America, the State of Illinois or any political subdivision of either thereof, any change in the Issuer's legal organization or status, or any default of the Issuer hereunder, and regardless of the invalidity of any portion of this Loan Agreement or the Bond Issuance Agreement, or any other document or instrument referred to herein or therein; and, to the extent legally permissible, the Borrower hereby waives the provisions of any statute or other law now or hereafter in effect impairing or conflicting with any of its obligations, covenants or agreements under this Loan Agreement or the Borrower Note, or which releases or purports to release the Borrower herefrom or therefrom. Nothing in this Loan Agreement shall be construed as a waiver by the Borrower of any rights or claims the Borrower may have against the Issuer under this Loan Agreement or otherwise, but any recovery upon such rights and claims shall be had from the Issuer separately, it being the intent of this Loan Agreement that, except as provided in Section 14.1 hereof, the Borrower shall be unconditionally and absolutely obligated, without right of set-off or abatement, to perform fully all of its obligations, agreements and covenants under this Loan Agreement and the Borrower Note for the benefit of the Issuer and the Bondholder.

ARTICLE III

PREPAYMENT OF THE BORROWER NOTE

Section 3.1. Prepayment of the Borrower Note.

(a) *Optional Prepayment.* The Borrower may prepay, in whole or in part, on any Business Day, the principal amount of any Borrower Note then outstanding, at a prepayment price of 100% of the principal amount thereof being prepaid (such optional prepayments to be applied to the redemption of the Bonds as provided in Section 3.01 of the Bond Issuance Agreement).

(b) *Mandatory Prepayment.* The Borrower Note is subject to mandatory prepayment, without premium or penalty, prior to the Maturity Date on each date that the Bonds are subject to mandatory redemption pursuant to Section 3.02 of the Bond Issuance Agreement in the principal amounts specified therein.

(c) In the event of any prepayment hereunder, the Borrower shall pay to the Bondholder all accrued and unpaid interest through the date of such prepayment on the principal balance of the Borrower Note being prepaid.

Section 3.2. Surrender of Borrower Note on Prepayment. Upon any partial prepayment of the Borrower Note, the Borrower Note may, at the option of the Issuer and the Bondholder (subject to assignment as set forth in Section 4.2 hereof), be surrendered to the Borrower in exchange for a new Borrower Note, of the same series, maturity date and interest rate, and in principal amount equal to the unpaid principal balance thereof; provided that the Borrower executes such documents, instruments, certificates and agreements that the Bondholder may deem necessary or appropriate, and reimburses the Issuer and the Bondholder for any reasonable

cost or expense, including, without limitation, reasonable attorneys' fees and expenses. If the entire unpaid principal balance of the Borrower Note is prepaid, the Borrower Note shall be cancelled by the Bondholder and surrendered to the Borrower, and shall not be so exchanged.

Section 3.3. Funding Losses. Subject to Section 14.1 hereof, the Borrower hereby agrees to indemnify the Bondholder upon demand against any loss or expense that the Bondholder may sustain or incur, including, without limitation, reasonable attorneys' fees and expenses, in obtaining, liquidating or employing deposits or other funds acquired to effect, fund or maintain the Loan and/or the Bonds as a consequence of (a) any failure of the Borrower to make any payment when due of any amount due under the Borrower Note, or (b) any payment or prepayment of the Loan and/or the Bonds on a date other than the scheduled payment dates therefor. Determinations by the Bondholder, for purposes of this subsection, of the amount required to indemnify the Bondholder shall be conclusive in the absence of manifest error.

Section 3.4. Rate Management Agreements. Nothing contained in this Article III shall be construed to alter or obviate any payment obligations of the Borrower arising pursuant to any Rate Management Agreement.

ARTICLE IV

LIMITED OBLIGATION; ASSIGNMENT BY ISSUER

Section 4.1. Limited Obligation of Issuer. The obligations of the Issuer under this Loan Agreement are special, limited obligations of the Issuer, payable solely out of the Revenues. The obligations of the Issuer hereunder shall not be deemed to constitute an indebtedness or an obligation of the Issuer, the State of Illinois or any political subdivision thereof within the meaning of any constitutional limitation or statutory provision, or a charge against the credit or general taxing powers, if any, of any of them.

Section 4.2. Assignment of Issuer's Rights. As security for the payment of the Bonds, the Issuer will, pursuant to the Bond Issuance Agreement, assign and pledge to the Bondholder all of the Issuer's right, title and interest in and to this Loan Agreement and the Borrower Note, except that it will retain the Issuer Reserved Rights, but such retention by the Issuer will not limit in any way the exercise by the Bondholder of its rights hereunder, under the Bond Issuance Agreement, the Borrower Note, the Bonds and the Security for the Bonds. Notwithstanding anything herein to the contrary, the Issuer hereby directs the Borrower to make all payments under this Loan Agreement (except with respect to the Issuer Reserved Rights) and the Borrower Note directly to the Bondholder. The Borrower hereby acknowledges and consents to such pledge and assignment, and agrees to make payments directly to the Bondholder (except with respect to the Issuer Reserved Rights), without defense or set-off, recoupment or counterclaim by reason of any dispute between the Borrower on the one hand, and the Bondholder, the Fiscal Agent or the Issuer on the other hand, or otherwise. After any such assignment and pledge referenced in this Loan Agreement, the Bond Issuance Agreement, the Bonds, the Borrower Note or the Security for the Bonds, all rights, interest and benefits accruing to the Issuer under this Loan Agreement or the Borrower Note, except for the Issuer Reserved Rights, shall be assigned to and become the rights and benefits of the Bondholder. Any obligations of the Issuer as provided in the Bond Issuance Agreement, this Loan Agreement, the Bonds or the Borrower

Note shall remain the obligations of the Issuer to the extent provided herein and therein after such assignment. The Issuer agrees that the Bondholder, in its name or in the name of the Issuer, may enforce all rights of the Issuer (other than the Issuer Reserved Rights) and all obligations of the Borrower under and pursuant to the assigned documents as aforesaid, and the Issuer will not enforce such rights and obligations itself except at the written direction of the Bondholder, in each case whether or not the Issuer is in Default hereunder.

ARTICLE V

REPRESENTATIONS AND WARRANTIES OF ISSUER

The Issuer hereby represents and warrants as follows (which representations and warranties shall survive the execution and delivery hereof, the making of the Loan and the issuance of the Borrower Note):

Section 5.1. Organization and Authority. The Issuer is a municipal corporation and home rule unit of local government duly organized and validly existing under the Constitution and laws of the State of Illinois. Under the Constitution and laws of the State of Illinois, the Issuer has the power to enter into the transaction contemplated by this Loan Agreement, the Bond Issuance Agreement, the Bonds and the Issuer Documents, and to carry out its obligations hereunder and thereunder, including the full right, power and authority to pledge and assign this Loan Agreement and the Borrower Note to the Bondholder as provided herein. By proper action of the City Council of the Issuer, the Issuer has been duly authorized to execute and deliver this Loan Agreement, the Bonds, the Bond Issuance Agreement and the Issuer Documents.

The proceeds of the sale of the Bonds will be lent to the Borrower for the purpose of paying Costs of the Project.

Section 5.3. Issuance. The Bonds are to be issued under home rule powers of the Issuer under the Constitution of the State of Illinois and secured by the Bond Issuance Agreement, pursuant to which the right, title and interest of the Issuer in, to and with respect to this Loan Agreement, the Borrower Note, the Borrower Collateral Documents and the Security for the Bonds (other than with respect to the Issuer Reserved Rights) will be assigned and pledged to the Bondholder as security for payment of the principal of and interest on the Bonds as provided in the Bond Issuance Agreement.

Section 5.4. Non-Assignment. The Issuer has not assigned or pledged, and will not assign or pledge, its interest in this Loan Agreement, the Borrower Note, the Borrower Collateral Documents (if any) and the Security for the Bonds other than to secure the Bonds.

Section 5.5. Purposes. The Issuer hereby finds and determines that the Project is in the best interests of the Issuer, and that all requirements of the Constitution and laws of the State of Illinois have been complied with.

Section 5.6. No Conflict. To the knowledge of the undersigned representatives of the Issuer, neither the execution and delivery of this Loan Agreement, the Bonds or the Bond Issuance Agreement, the consummation of the transactions contemplated hereby or thereby, nor the fulfillment of or compliance with the terms and conditions hereof or thereof, conflicts with or results in a breach of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Issuer is now a party or by which it or any of its Property is bound, or constitutes a default under any of the foregoing. THE ISSUER MAKES NO REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE CREDITWORTHINESS OR THE ABILITY OF THE **BORROWER** TO MAKE THE PAYMENTS DUE UNDER THIS LOAN AGREEMENT OR THE **BORROWER** NOTE AND DOES NOT REPRESENT OR WARRANT AS TO ANY OF THE STATEMENTS, MATERIALS (FINANCIAL OR OTHERWISE), REPRESENTATIONS OR CERTIFICATIONS FURNISHED OR TO BE MADE AND FURNISHED BY THE BORROWER IN CONNECTION WITH THE ISSUANCE, SALE, EXECUTION AND DELIVERY OF THE BONDS, OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY OF SUCH STATEMENTS.

Section 5.7. No Litigation. To the knowledge of the undersigned representatives of the Issuer, there is no action, suit, proceeding or investigation pending or threatened against the Issuer that seeks to restrain or enjoin the issuance or delivery of the Bonds, or the execution and delivery of the Bond Issuance Agreement, this Loan Agreement or the Issuer Documents, or that in any way contests or affects any authority for the issuance or delivery of the Bonds, or the execution and delivery of the Bond Issuance Agreement, this Loan Agreement or the Issuer Documents, or the validity of the Bonds, the Bond Issuance Agreement, this Loan Agreement or in any way contests the corporate existence or powers of the Issuer, or in any way affects the exclusion from gross income for Federal income tax purposes of interest on the Bonds.

Section 5.8. Location of the Project. The Project is located entirely within the corporate boundaries of the City of Chicago, Illinois.

ARTICLE VI

its Properties, or the Managing Member, before any court, Governmental Body or arbitrator. The Borrower does not know of any basis for any of the foregoing: (a) that, in any case, may materially and adversely affect the financial condition or operation of the Borrower or the Managing Member; (b) that, in any case, may seek to restrain, or would otherwise have a material adverse effect on, the transactions contemplated herein; or (c) that, in any case, would affect the validity or enforceability of the Borrower Documents.

Section 6.7. Filing and Payment of Tax Reports and Returns. The Borrower has filed or caused to be filed all federal, state and local tax reports and returns which are required to be filed, and has paid or caused to be paid all taxes as shown on said returns or which are due or on any assessment received by it.

Section 6.8. Full Disclosure. To the best of the Borrower's knowledge after due diligence and reasonable investigation, neither this Loan Agreement nor any written statement furnished by the Borrower to the Issuer or the Bondholder in connection with the negotiation of the sale of the Bonds contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements contained therein or herein not misleading. To the best of the Borrower's knowledge, the Borrower has disclosed to the Bondholder in writing all facts that might materially and adversely affect the transactions contemplated by this Loan Agreement, or that might materially and adversely affect the business, credit, operations, financial condition or prospects of the Borrower, or that might materially and adversely affect any material portion of the Borrower's Properties (including, but not limited to, the Project), or the Borrower's ability to perform its obligations under the Borrower Documents.

Section 6.9. No Defaults. To the best of the Borrower's knowledge, the Borrower is not in default in the payment or performance of any of its obligations, liabilities or indebtedness, or the performance of any mortgage, indenture, lease, contract or other agreement, instrument or undertaking to which it is a party or by which it or any of its Properties may be bound, which default would have a material and adverse effect on the business, operations, Property or condition, financial or otherwise, of the Borrower. To the best of the Borrower's knowledge, no event, act or condition exists that would constitute a Default or an Event of Default hereunder. To the best of the Borrower's knowledge, the Borrower is not in default under any order, award or decree of any court, arbitrator or Governmental Body binding upon or affecting it, or by which any of its Properties may be bound or affected, which default would have a material adverse effect on the business, operations, Property or condition, financial or otherwise, of the Borrower, and no such order, award or decree adversely affects the ability of the Borrower to carry on its business as currently conducted or the ability of it to perform its obligations under this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, the Security for the Bonds and the Borrower Documents.

Section 6.10. Governmental Consent. Neither the nature of the Borrower nor of any of its activities or Properties, nor any relationship between the Borrower and any other Person, or any circumstances in connection with the execution and delivery by the Borrower of the Borrower Documents, or the performance or observance of any covenants or agreements required to be observed or performed by such Borrower under the Borrower Documents, requires the consent, approval or authorization of, or filing, registration or qualification with, any Governmental Body on the part of the Borrower as a condition to the execution and delivery of

the Borrower Documents (except for those which are not yet required to have been obtained in connection with the acquisition, construction and renovation of the Project).

Section 6.11. Compliance with Law. To the best of the Borrower's knowledge, the Borrower is currently in compliance with all Government Regulations to which it is subject, and has obtained and shall continue to maintain all licenses, permits, franchises or other governmental authorizations necessary for the ownership of its Property or the conduct of its activities, non-compliance with which or failure to obtain which might materially adversely affect the ability of the Borrower to conduct its activities as currently conducted or the financial condition of the Borrower.

Section 6.12. Restrictions on the Borrower. The Borrower is not a party to any contract or agreement, or subject to any charter or other restriction, that materially and adversely affects (within the sole discretionary judgment of the Bondholder) its ability to perform its obligations under this Agreement. The Borrower is not a party, or otherwise subject, to any provision contained in any instrument evidencing Indebtedness, any agreement relating thereto or any other contract or agreement (including its Operating Agreement) that restricts or otherwise limits the incurring of the Indebtedness to be represented by the Borrower Documents. The Borrower possesses all rights and properties necessary for the conduct of its business as currently conducted and as intended to be conducted.

Section 6.13. No Conflict of Interest. No member of the governing body of the Issuer or any elected or salaried officer or official of the Issuer has any interest (financial, employment or other) in the Borrower, the Project or the transactions contemplated by the Borrower Documents.

To the best of the Borrower's knowledge, the Project will not violate any existing Government Regulation with respect thereto, and the anticipated use of the Project complies with all existing applicable ordinances, regulations and restrictive covenants affecting the Project, and all requirements of such use that can be satisfied prior to completion of construction have been satisfied.

Section 6.15. Eminent Domain; Damage; Code Violations. Section 6.17. Financial Statements. All balance sheet, income statements, statements of cash flow and other financial data that have been or shall hereafter be furnished to the Bondholder for the purposes of or in connection with this Loan Agreement do and will present fairly in accordance with GAAP, consistently applied, the financial condition of the Borrower as of the dates thereof and the results of its operations for the periods covered thereby.

Section 6.18. Broker's Fees. Other than with respect to any term sheet proposal deposit and the origination fee being paid by the Borrower in connection with the purchase of the Bonds by the Bondholder, the Borrower has no obligation to any Person in respect of any finder's, broker's or similar fee in connection with the Borrower Documents.

Section 6.19. Anti-Terrorism Laws. (a) The Borrower and each Affiliate of the Borrower are not in violation in any material respects of any United States requirements of law relating to terrorism, sanctions or money laundering (the "Anti-Terrorism Laws"), including the United States Executive Order No. 13224 on Terrorist Financing (the "Anti-Terrorism Order") and the Patriot Act.

Section 6.20. Patriot Act. The Borrower and each Affiliate of the Borrower are in compliance with (a) the Trading with the Enemy Act, and each of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B Chapter V, as amended) and any other enabling legislation or executive order relating thereto, (b) the Patriot Act and (c) other federal or state laws relating to "know your customer" and anti-money laundering rules and regulations. No part of the proceeds of the Bonds will be used directly or indirectly for any payments to any government official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977.

Section 6.21. Project Contracts: Development Cost Budget. To Borrower's knowledge, the construction contract with the General Contractor, architect's agreement and other material agreements, consents, waivers, documents and writings of every kind or character to which

Borrower is a party relating to the Project (collectively, the "Project Contracts") or which at any time have been delivered to Bondholder pursuant to any of the provisions of this Agreement are valid and enforceable against the Borrower and are enforceable against all other parties thereto, and in all material respects are what they purport to be, and to the extent that any such writing shall impose any obligation or duty on the Borrower or constitute a waiver of any rights which the Borrower might otherwise have, said writing shall be valid and enforceable against the Borrower in accordance with its terms. True and correct copies of all of Project Contracts executed by the Borrower on or prior to the date hereof have been delivered to Bondholder by the Borrower prior to the date hereof. Section 6.22. Business Loan. The Borrower Note and the Bonds, including the interest rates thereon, (i) are each a business loan within the purview of 815 ILCS 205/4(1)(c), as amended from time to time, (ii) are each an exempted transaction under the Truth In Lending Act, 12 U.S.C. 1601 et seq., as amended from time to time, and (iii) do not, and when disbursed shall not, violate the provisions of the Illinois usury laws, any consumer credit laws or the usury laws of any state which may have jurisdiction over this transaction or the Borrower.

Section 6.24. Remaking of Representations and Warranties. At the time of making of each disbursement pursuant to Section 9.3, the Borrower shall be deemed to have remade each of the representations and warranties contained in this Article VI with the same effect as though made on the date of such disbursement.

ARTICLE VII

COVENANTS OF BORROWER

Section 7.1. Tax-Exempt Status of the Bonds. The proceeds of the Bonds will be used in a manner consistent with the representations of the Borrower contained herein and the Tax Certificate. The Borrower shall not use the Project, or permit the Project to be used, in such a way as would result in the loss of the exclusion from gross income for Federal income tax purposes of interest on the Bonds, and will not act in any manner that would adversely affect the exclusion from gross income for Federal income tax purposes of interest on the Bonds.

Section 7.2. Taxes, Charges and Assessments. The Borrower shall pay or cause to be paid on or before the date they become due, all taxes (except taxes imposed on gross or net income), duties, charges, assessments and impositions on, or on account of, the use, occupancy or operation of the Project, and on any payments under this Loan Agreement or under the Borrower Note. The Borrower shall promptly pay when due all amounts except such as the Borrower is diligently contesting in good faith and by appropriate proceedings; provided that the Borrower has provided for and is maintaining adequate reserves with respect thereto in

accordance with GAAP or a bond or other acceptable form of security to assure payment is made.

Section 7.3. Compliance with Orders, Ordinances, Etc. The Borrower shall, at its sole cost and expense, comply with all current and future applicable Government Regulations, the failure to comply with which would materially and adversely affect the Project or the use, occupancy or condition thereof. The Borrower shall have the right to contest any such Government Regulation and, in the event of any such contest, may refrain from complying therewith during the period of such contest and any appeal therefrom; provided that it has furnished additional security satisfactory to the Bondholder for any loss or damage that the Bondholder may sustain by reason of such non-compliance.

Section 7.4. Books, Records and Inspections. The Borrower shall maintain complete and accurate books and records (including records relating to the Project), and, during reasonable times and upon reasonable notice (except upon an Event of Default when no such notice shall be required), shall permit the Issuer and the Bondholder to have full and complete access to such books and records of the Borrower, and shall permit the Issuer and the Bondholder to visit, audit, examine, copy and inspect, as applicable, the Borrower's books and records, offices, Premises and operations, at the sole cost and expense of the Borrower. The Issuer and the Bondholder have no duty to visit the Premises, to supervise or observe construction or to examine any books or records. Any site visit, observation or examination by the Issuer or the Bondholder is solely for the purpose of protecting their respective rights and interests. No site visit, observation or examination by the Issuer or the Bondholder will impose any liability on the Issuer or the Bondholder or result in a waiver of any Event of Default of the Borrower or be a representation that the Borrower is or will be in compliance with the approved Plans and Specifications for the Project, that the construction of the Project is free from defective materials or workmanship, or that the construction complies with all applicable laws, ordinance and regulations. Neither the Borrower, nor any other party, is entitled to rely on any site visit, observation or examination by the Issuer or the Bondholder. The Issuer and the Bondholder owe no duty of care to protect the Borrower or any other party against, or to inform the Borrower or any other party of, any negligent or defective design or construction of the Project or any other adverse condition affecting the Premises.

Section 7.5. Change in Nature of Operations. The Borrower shall not make any material change in the nature of its operations carried on as of the date of issuance of the Bonds unless consented to in writing by the Issuer and the Bondholder.

Section 7.6. Borrower to Maintain Existence; Consolidation or Merger. Absent the prior written consent of the Bondholder, the Borrower shall, as long as the Bonds are outstanding, maintain its existence, not dissolve, liquidate, transfer any membership except as provided herein or other equity interest in the Borrower or otherwise dispose of all or substantially all of its assets, and not consolidate with or merge into another business entity or permit one or more other business entities to consolidate with or merge into it. Notwithstanding anything to the contrary contained herein, the Investor Member shall be permitted to remove the Managing Member and replace the Managing Member with an affiliate of the Investor Member in accordance with the Operating Agreement without the consent of the Bondholder, provided that (a) the membership interests of any such substitute General Partner shall be subject to the

Bondholder's security interests pursuant to the terms of the Security Agreement, and (b) any such substitute Managing Member shall execute any and all documents, including security agreements and financing statements, as the Bondholder may reasonably request in order to create, perfect, or continue such security interests. Notwithstanding the foregoing, the substitute Managing Member shall assume all the rights and obligations of the Managing Member under all of the Loan Documents.

After all equity contributions have been made pursuant to the terms and conditions of the Partnership Agreement, such Investor Member interests shall be transferable without the consent of either the Bondholder or the Issuer. Notwithstanding the foregoing, the Investor Member interests shall be transferable at any time without the consent of the Issuer or the Bondholder, so long as such interest is transferred to an affiliate of the Investor Member; provided, however, that any other Investor Member transfers prior to the payment of the equity contribution shall require Bondholder and Issuer consent.

The Borrower shall be permitted to amend the Operating Agreement to reflect such removal and substitution of the Managing Member or permitted transfer of the Investor Member's interests without the consent of the Issuer or the Bondholder to the extent such transfer is permitted without consent as provided above.

Section 7.7. Transfer of Project. Absent the prior written consent of the Bondholder and the Issuer, the Borrower shall not sell, transfer or otherwise dispose of the Project or any portion thereof (other than sales or other dispositions of obsolete equipment or fixtures in the ordinary course of business) while the Bonds are Outstanding.

Section 7.8. Environmental Requirements; Indemnity.

(a) As between the Issuer and the Borrower, the Issuer and the Borrower agree and understand that the terms and provisions of the Environmental Indemnity Agreement shall govern all indemnifications from the Borrower to the Issuer with respect to environmental matters affecting the Project. The terms and provisions of the Environmental Indemnity Agreement are incorporated herein by this reference, mutatis mutandis, as if fully set forth herein with respect to such relationship. As such, the balance of the provisions of this Section govern only the relationship between the Borrower and the Bondholder with respect to indemnifications from the Borrower to the Bondholder with regard to environmental matters affecting the Project.

(b) For purposes of this Section 7.8, the term "Hazardous Substance" means and includes any substance, material or waste, including asbestos, petroleum and petroleum products (including crude oil), that is or becomes designated, classified or regulated as "toxic," "hazardous" or a "pollutant," or that is or becomes similarly designated, classified or regulated, under any federal, state or local law, regulation or ordinance, but does not include any such substance that is a customary and ordinary household, cleaning or office product used on the Premises by Borrower or any tenant or agent of Borrower, or customary construction materials used during the course of construction of the Project by the Borrower and its general contractor, provided such use is in accordance with applicable hazardous materials laws.

(c) Before signing this Agreement, the Borrower researched and inquired into the previous uses and owners of the Premises and obtained a Phase I environmental site assessment, a Phase II environmental site assessment, a Phase II environmental site assessment supplement, and other reports with respect to the environmental conditions of the Premises, copies of which have been delivered to the Bondholder. Based on that due diligence, the Borrower represents and warrants to the Bondholder that, except as the Borrower has disclosed to the Bondholder in writing and as described in the Phase I environmental site assessment, to the best of the Borrower's knowledge, (i) no Hazardous Substance has been disposed of, or released to or from, or otherwise now exists in, on, under or around, the Premises, and (ii) no aboveground or underground storage tanks are now or have ever been located on or under the Premises.

(d) The Borrower has complied, and will comply and cause all tenants and any other persons who may come upon the Premises to comply in all material respects with all federal, state and local laws, regulations and ordinances governing or applicable to Hazardous Substances ("Environmental Laws"), including those requiring disclosures to prospective and actual buyers or tenants of all or any portion of the Premises. The Borrower will not install or allow to be installed any aboveground or underground storage tanks on the Premises. The Borrower must comply with the recommendations of any qualified environmental engineer or other expert engaged by the Borrower with respect to the Premises. The Borrower must promptly notify the Bondholder in writing (i) if it knows, suspects or believes there may be any Hazardous Substance in or around any part of the Premises, any improvements constructed on the Premises, or the soil, groundwater or soil vapor on or under the Premises, or that the Borrower or the Premises may be subject to any threatened or pending investigation by any governmental agency under any law, regulation or ordinance pertaining to any Hazardous Substance, and (ii) of any claim made or threatened by any person, other than a governmental agency, against the Borrower arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, any Improvements constructed on the Premises or the soil, groundwater or soil vapor on or under the Premises (any of the matters described in clauses (i) and (ii) above a "Hazardous Substances Claim").

(e) The Bondholder, and its respective officers, employees, directors, agents, parent, subsidiary, affiliates, assignees, and any purchasers of the Premises at any foreclosure sale with respect to the Mortgage (each individually, an "Indemnified Party," and all collectively, the "Indemnified Parties"), have the right at any reasonable time and upon notice to the Borrower to enter and visit the Premises for the purposes of observing the Premises, taking and removing soil or groundwater samples and conducting tests on any part of the Premises. The Indemnified Parties have no duty, however, to visit or observe the Premises or to conduct tests, and no site visit, observation or testing by any Indemnified Party imposes any liability on any Indemnified Party. In no event will any site visit, observation or testing by any Indemnified Party be a representation that Hazardous Substances are or are not present in, on or under the Premises, or that there has been or will be compliance with any law, regulation or ordinance pertaining to Hazardous Substances or any other applicable governmental law. Neither the Borrower nor any other party is entitled to rely on any site visit, observation or testing by any Indemnified Party. The Borrower waives to the fullest extent permitted by law any such duty of care on the part of the Indemnified Parties or any other party to protect the Borrower or inform the Borrower or any other party of any Hazardous Substances or any other adverse condition affecting the Premises.

Any Indemnified Party will give the Borrower reasonable notice before entering the Premises. The Indemnified Party will make reasonable efforts to avoid interfering with the Borrower's use of the Premises in exercising any rights provided in this Section. The Borrower must pay all reasonable costs and expenses incurred by an Indemnified Party in connection with any inspection or testing conducted in accordance with this subsection if the same are performed as a result of any violation or potential violation, as determined in Bondholder's reasonable discretion, of Environmental Laws. The results of all investigations conducted and/or reports prepared by or for any Indemnified Party must at all times remain the property of the Indemnified Party, and under no circumstances will any Indemnified Party have any obligation whatsoever to disclose or otherwise make available to the Borrower or any other party the results or any other information obtained by any of them in connection with the investigations and reports. Notwithstanding the foregoing, the Indemnified Parties hereby reserve the right, and the Borrower hereby expressly authorizes any Indemnified Party, to make available to any party (including any governmental agency or authority and any prospective bidder at any foreclosure sale of the Premises with respect to the Mortgage) any and all reports, whether prepared by any Indemnified Party or prepared by the Borrower and provided to any Indemnified Party (collectively, "Environmental Reports") that any Indemnified Party may have with respect to the Premises. The Borrower consents to the Indemnified Parties' notifying any party (either as part of a notice of sale or otherwise) of the availability of any or all of the Environmental Reports and the information contained therein. The Borrower acknowledges that the Indemnified Parties cannot control or otherwise assure the truthfulness or accuracy of the Environmental Reports and that the release of the Environmental Reports, or any information contained therein, to prospective bidders at any foreclosure sale of the Premises with respect to the Mortgage may have a material and adverse effect upon the amount that a party may bid at such sale. The Borrower agrees that the Indemnified Parties have no liability whatsoever as a result of delivering any or all of the Environmental Reports or any information contained therein to any third party, and the Borrower hereby releases and forever discharges the Indemnified Parties from any and all claims, damages, or causes of action, arising out of, connected with or incidental to the Environmental Reports or the delivery thereof.

(f) The Borrower must promptly undertake any and all remedial work ("Remedial Work") in response to Hazardous Substances Claims to the extent required by governmental agency or agencies involved or as recommended by prudent business practices, if such standard requires a higher degree of remediation, and in all events to minimize any impairment to the Bondholder's security under the Borrower Collateral Documents. All Remedial Work must be conducted (i) in a diligent and timely fashion by licensed contractors acting under the supervision of a consulting environmental engineer, (ii) pursuant to a detailed written plan for the Remedial Work approved by all public or private agencies or persons with a legal or contractual right to such approval, (iii) with insurance coverage pertaining to liabilities arising out of the Remedial Work as is then customarily maintained with respect to such activities, and (iv) only following receipt of any required permits, licenses or approvals. The selection of the Remedial Work contractors and consulting environmental engineer, the contracts entered into with such parties, any disclosures to or agreements with any public or private agencies or parties relating to Remedial Work and the written plan for the Remedial Work (and any changes thereto) at the Bondholder's option, is subject to the Bondholder's prior written approval, which may not be unreasonably withheld or delayed.

(g) The obligations and rights of the parties under this Section 7.8 are secured by the Mortgage until the first to occur of full, final and indefeasible repayment of the Liabilities or the transfer of title to all or any part of the Premises at a foreclosure sale under the Mortgage or by deed in lieu of such foreclosure (any of the foregoing transfers being referred to as a "Foreclosure Transfer"). The parties' obligations and rights under this Section 7.8 continue in full force and effect after the full and final payment of the Liabilities or a Foreclosure Transfer, as the case may be, but (i) in the case of a full and final payment of the Liabilities, the Borrower's obligations under this Section 7.8 are thereafter limited to the indemnification obligations of subsections (h) and (i) below as to Indemnified Costs (as defined below) arising out of or as a result of events prior to the full and final payment of the Liabilities, and (ii) in the case of a Foreclosure Transfer, the obligations do not include the obligation to reimburse any Indemnified Party for diminution in value of the Premises resulting from the presence of Hazardous Substances on the Premises before the date of the Foreclosure Transfer if, and to the extent that, the Indemnified Party recovers on a deficiency judgment including compensation for such diminution in value; provided, however, that nothing in this sentence impairs or limits an Indemnified Party's right to obtain a judgment in accordance with applicable law for any deficiency in recovery of all obligations that are secured by the Mortgage, subject to the provisions of Section 14.1 hereof. As used in this Section 7.8, the term "Indemnified Costs" means all actual or threatened liabilities, claims, actions, causes of action, judgments, orders, damages (including foreseeable and unforeseeable consequential damages), costs, expenses, fines, penalties and losses incurred in connection with Hazardous Substances on the Property (including sums paid in settlement of claims and all consultant, expert and reasonable legal fees and expenses of the Bondholder's counsel), including those incurred in connection with any investigation of site conditions or any clean-up, remedial, removal or restoration work (whether of the Premises or any other property), or any resulting damages, harm or injuries to the person or property of any third parties or to any natural resources.

(h) Unless due to the gross negligence or intentional misconduct of the Indemnified Parties, the Borrower shall indemnify, defend and hold the Indemnified Parties harmless for, from and against any and all Indemnified Costs directly or indirectly arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, or in the soil, groundwater or soil vapor on or under the Premises, including: (i) any claim for such Indemnified Costs asserted against any Indemnified Party by any federal, state or local governmental agency, including the United States Environmental Protection Agency and the Illinois Environmental Protection Agency, and including any claim that any Indemnified Party is liable for any such Indemnified Costs as an "owner" or "operator" of the Premises under any law relating to Hazardous Substances; (ii) any claim for such Indemnified Costs asserted against any Indemnified Party by any person other than a governmental agency, including (1) any person who may purchase or lease all or any portion of the Premises from the Borrower, from any Indemnified Party or from any other purchaser or lessee, (2) any person who may at any time have any interest in all or any portion of the Premises, (3) any person who may at any time be responsible for any clean-up costs or other Indemnified Costs relating to the Premises, and (4) any person claiming to have been injured in any way as a result of exposure to any Hazardous Substance; (iii) any Indemnified Costs incurred by any Indemnified Party in the exercise by the Indemnified Party of its rights and remedies under this Section 7.8; and (iv) any Indemnified Costs incurred by any Indemnified Party as a result of currently existing conditions in, on or around the Premises, whether known or unknown by the Borrower or the Indemnified

Parties at the time this Agreement is executed, or attributable to the acts or omissions of the Borrower, any of the Borrower's tenants, or any other person in, on or around the Premises with the consent or under the direction of the Borrower.

(i) Unless due to the gross negligence or intentional misconduct of the Indemnified Parties, upon demand by any Indemnified Party, the Borrower must defend any investigation, action or proceeding involving any Indemnified Costs that is brought or commenced against any Indemnified Party, whether alone or together with the Borrower or any other person, all at the Borrower's own cost and by counsel approved by the Indemnified Party. In the alternative, any Indemnified Party may elect to conduct its own defense at the Borrower's expense.

(j) In addition to any other rights or remedies the Bondholder may have under this Agreement, at law or in equity, upon the occurrence of an Event of Default under this Agreement, the Bondholder may do or cause to be done whatever is necessary to cause the Premises to comply with any and all laws, regulations and ordinances governing or applicable to Hazardous Substances, and any other applicable law, rule, regulation, order or agreement, and the cost thereof will become immediately due and payable upon demand by the Bondholder, and if not paid when due will accrue interest at the default rate set forth in the Bonds, until paid. The Borrower hereby acknowledges and agrees that any amounts realized by the Bondholder by reason of the following may be applied to pay the Liabilities prior to being applied to pay the Borrower's obligations to reimburse the Bondholder for costs and expenses, including those incurred by the Bondholder in enforcing its rights and remedies under the provisions of this Section 7.8: (i) any payments made pursuant to the Bonds or any of the Borrower Collateral Documents (other than payments made to the Bondholder for reimbursement of costs and expenses or for enforcement of its rights and remedies, under the provisions of this Section 7.8); (ii) any foreclosure of the Mortgage or the other documents evidencing or securing the Liabilities (including any amounts realized by reason of any credit bid in connection with any such foreclosure); (iii) any conveyance in lieu of foreclosure; (iv) any other realization upon any security for the Liabilities; (v) any recoveries against the Borrower personally (except for recoveries against the Borrower for reimbursement of costs and expenses or enforcement of the Bondholder's rights and remedies under this Section 7.8); and (vi) any recoveries against any person or entity other than the Borrower (including any guarantor) to the maximum extent permitted by applicable law.

(k) To the extent any provision of this Section 7.8 conflicts with or provides lesser protection to the Bondholder than that provided by the Environmental Indemnity Agreement, the provisions of the Environmental Indemnity Agreement shall control.

Section 7.9. Insurance. The Borrower shall at all times maintain insurance with respect to the Project as is set forth in the Mortgage.

Section 7.10. Project Budget. All Costs of the Project shall be identified by line item in the Development Cost Budget approved in writing by the Bondholder, the Bondholder's purchase of the Bond to constitute evidence that the Bondholder has approved the initial Development Cost Budget. The initial Development Cost Budget shall have a hard cost contingency line item in the minimum amount of five percent (5%) of the hard cost amount

(exclusive of profit and overhead) of the approved contract for construction of the Project between the Borrower and a general contractor approved by the Bondholder. The initial Development Cost Budget, once so approved by the Bondholder shall not be modified or amended without the prior written approval of the Bondholder; provided, that individual line item changes in an amount not individually in excess of \$50,000 and in the aggregate not in excess of \$200,000 may be made without Bondholder approval, provided that the entire budget is "in balance" as provided in Section 7.12.

Section 7.11. Completion of Construction.

(a) The Borrower shall commence construction of the Project within thirty (30) days following the Closing Date, and Complete all improvements comprising the Project [within three months of the completion date identified for completion in the contract with the General Contractor].

(b) For purposes of this Section, the Project shall be deemed "Complete" when (a) the Project has been substantially completed in accordance with the approved Plans and Specifications therefor and all applicable laws and ordinances, as evidenced by a certification of the Borrower's design architect; (b) final lien waivers from the Borrower's General Contractor and any other contractors providing materials and labor in connection with the Project have been obtained, or the Borrower shall have deposited with the Bondholder such surety bond, cash or other security satisfactory to the Bondholder in its sole discretion to secure the payment of any unpaid claims; (c) a final certificate of occupancy (or its functional equivalent) has been issued by the City of Chicago Department of Buildings with respect to the Project; and (d) all buildings in the Project have been "placed in service" pursuant to the requirements of Section 42 of the Internal Revenue Code.

Section 7.12. Balancing. The Borrower shall maintain the sources and uses of funds for the Project "in balance." The Project is "in balance" whenever the amount of the undisbursed funds (the "Undisbursed Funds") considering all financing sources that are, in the Bondholder's reasonable judgment, available for disbursement to pay Costs of the Project are sufficient, in the Bondholder's reasonable judgment, to pay all budgeted and unpaid Costs of the Project through completion of the Project, except for developer fees. The Project is "out of balance" if and when the Bondholder in its reasonable judgment determines that the Undisbursed Funds for the Project are insufficient to pay for all Costs of the Project.

Section 7.13. Change Orders. The Borrower must obtain the Bondholder's prior written approval of any change in any work or materials for the Project (whether positive or negative) exceeding \$[50,000 in amount]. Also, the Borrower must obtain the Bondholder's prior written approval for any change in any work or materials if the aggregate amount of all changes (whether positive or negative) with respect to the Project will then exceed \$200,000.

Section 7.14. Covenant Against Liens. The Borrower must pay or otherwise discharge promptly all claims and liens for labor done and materials and services furnished in connection with the construction of the Project. The Borrower has the right to contest in good faith any claim or lien, provided that it does so diligently and without prejudice to the Bondholder or delay in completing the Project by the Completion Date. Promptly upon the Bondholder's request, the

Borrower must provide a bond, cash deposit or other security satisfactory to the Bondholder in the exercise of its reasonable judgment.

Section 7.15. Financial Statements. Within 120 days after the end of its fiscal year, the Borrower must deliver annual audited balance sheets and income statements to the Bondholder for itself and, until construction of the Project is Complete, of the Guarantors, together with a statement showing all changes in the financial condition of any such parties or of the Project occurring during the preceding fiscal year. Also, the Borrower must deliver promptly to the Bondholder (a) monthly certified rent rolls for the Project commencing the first month after the date that construction of the Project is Complete through the Conversion Date, and (b) from and after the Conversion Date, quarterly balance sheets, operating statements and certified rent rolls for the Project within thirty (30) days after each fiscal quarter.

Section 7.16. Notices. The Borrower must notify the Bondholder promptly in writing of: (a) any litigation affecting the Borrower, the Managing Member, the Guarantors or the Developer, the defense of which has not been tendered to and accepted by the Borrower's insurance carrier; (b) any written or oral communication the Borrower receives from any governmental, judicial or legal authority giving notice of any claim or assertion that the Premises or the Project fails in any material respect to comply with any of any applicable law, ordinance, rule, regulation or other governmental requirements; (c) any material adverse change in the physical condition of the Project (including any damage suffered as a result of earthquakes or floods); (d) any material adverse change in financial condition or operations of the Borrower, the Managing Member or the Developer; (e) any change in the ownership or control of the Borrower or any of its members; or (f) any default by the Borrower's General Contractor or any subcontractor or material supplier for the Project.

Section 7.17. Zoning Amendments, Subdivisions, etc. The Borrower will not, without the prior written consent of the Bondholder, suffer or cause any change in zoning relating to the Premises or permit any vacation of any existing public street or alley serving the Premises or dedicate any portion of the Premises or convert any portion of the Project to condominium or cooperative ownership.

Section 7.18. Signage. Until the Project is Complete, the Borrower shall permit the Bondholder to display signage in cooperation with other Project funders in a highly visible location on the Project site.

Section 7.19. Compliance with Conditions to Capital Contributions. Borrower shall, prior to the Maturity Date, complete construction of the Project and conduct operations so as to achieve for a period of not less than 3 consecutive months an occupancy rate of not less than [90%] with a debt service coverage ratio of [1.15 to 1].

ARTICLE VIII

COVENANTS OF THE ISSUER

Until the payment in full of the Bonds and the Borrower Note, and until all Liabilities are indefeasibly satisfied in full, the Issuer covenants and agrees that each of the covenants, undertakings and agreements set forth in this Section shall be complied with.

Section 8.1. Payment of Principal and Interest. The Issuer shall promptly pay the principal of and interest on the Bonds at the place, on the dates and in the manner provided in the Bond Issuance Agreement and the Bonds according to the true intent and meaning thereof; provided, however, that the Bonds shall be a special, limited obligation of the Issuer payable as to principal and interest solely from the Revenues as provided in Section 2.08 of the Bond Issuance Agreement.

Section 8.2. Borrower Note. The Issuer shall not thwart the efforts of the Borrower or the Bondholder to defend (and, upon the written request of the Bondholder, shall assist in such defense if such assistance is necessary to adequately defend the rights of the Bondholder thereunder at no cost to the Issuer) the title to the Borrower Note against all claims and demands of all Persons whomsoever, and hereby authorizes the Borrower and the Bondholder to defend, on behalf of the Issuer, all such claims and demands.

Section 8.3. Further Assurances. The Issuer shall execute, acknowledge and deliver each and every further act, deed, conveyance, transfer and assurance reasonably necessary or proper for the better assuring of the pledge and assignment to the Bondholder of this Loan Agreement, the Borrower Note and the Security for the Bonds. The Borrower agrees to pay all expenses incurred by the Issuer in connection with the performance by the Issuer of its agreements under this Section 8.3.

Section 8.4. Arbitrage. The Issuer shall not take any action within its control, or fail to take any action of which it has knowledge, with respect to the investment of the proceeds of the Bonds, including, without limitation, moneys on deposit in any Fund or Account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other source, or with respect to the payments derived from the Borrower Note, which may result in constituting the Bonds "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations. The Issuer further covenants to create a rebate fund upon direction by the Borrower to facilitate the payment of any rebatable arbitrage that may arise.

Section 8.5. Recordation and Other Instruments. As provided in Section 6.04 of the Bond Issuance Agreement, in order to perfect the security interest of the Bondholder in the Security for the Bonds, the Issuer, to the extent permitted by law, will execute such assignments, security agreements or financing statements, naming the Bondholder as assignee and pledgee of the Security for the Bonds assigned and pledged under the Bond Issuance Agreement for the payment of the principal of and interest on the Bonds and as otherwise provided herein, as the Bondholder shall reasonably request in writing, and the Borrower will cause the same to be duly filed and recorded, as the case may be, in the appropriate state and county offices as required by the provisions of the Uniform Commercial Code or other similar law as adopted in Illinois, as from time to time amended. The Issuer, to the extent permitted by law, at the expense of the Borrower, shall execute and cause to be executed any and all further instruments as shall be reasonably requested in writing by the Bondholder for such protection and perfection of the

interests of the Bondholder, and the Issuer or its agent shall, upon written direction from the Bondholder, file and refile or cause to be filed and refiled such instruments as shall be necessary to preserve and perfect the lien of the Bond Issuance Agreement upon the Security for the Bonds until the principal of and interest on the Bonds issued hereunder shall have been paid or provision for payment shall be made as herein provided.

Section 8.6. Assignment of Issuer's Rights. As security for the payment of the Bonds, the Issuer shall assign and pledge this Loan Agreement (except for Issuer Reserved Rights), the Borrower Note and the Security for the Bonds to the Bondholder. The Bondholder and the Borrower hereby agree to such assignment, and the Borrower agrees that it shall make payments directly to the Bondholder as herein provided, without any defense or rights of set-off whatsoever.

ARTICLE IX

CONSTRUCTION OF PROJECT; ISSUANCE OF BONDS

Section 9.1. Agreement to Complete Project; Application of Bond Proceeds. The Borrower shall apply the proceeds of the Bonds to the acquisition, construction and renovation of the Project as described in **Exhibit B** attached hereto. The Borrower acknowledges and agrees that the disbursement of proceeds of the Bonds shall be made in the order and pursuant to the terms of the Construction Escrow Agreement. The Borrower agrees that the acquisition, construction and renovation of the Project will at all times proceed with due diligence to completion.

Section 9.2. Agreement to Issue the Bonds. (a) In order to provide funds to make the Loan to the Borrower to pay a portion of the Costs of the Project and related expenses, but subject to the terms and conditions contained in the Bond Issuance Agreement, the Issuer agrees that it will issue, sell and cause to be delivered to the Bondholder the Bonds in the principal amount of up to \$[Principal], bearing interest and maturing as set forth in the Bond Issuance Agreement. The Issuer will deposit, or cause to be deposited, the proceeds of the Bonds advanced by the Bondholder pursuant to the Bond Issuance Agreement with the Fiscal Agent for deposit in the Construction Fund in accordance with Article IV of the Bond Issuance Agreement (except for that portion of each advance of Bond proceeds, if any, deposited in the Capitalized Interest Account, as provided therein).

(b) Notwithstanding any other provision herein to the contrary, the maximum principal amount of Bond proceeds which are advanced (and thus the maximum principal amount of Loan proceeds which are disbursed) shall not exceed the sum of (i) eighty-five percent (85%) of the equity contributions scheduled to be contributed by the Investor Member of the Borrower under the Operating Agreement, (ii) 80% of the appraised value of the Project as completed (as set forth in the appraisal prepared for the Bondholder prior to the Closing Date), and (iii) ninety percent (90%) of the amount on deposit from time to time in the Cash Collateral Fund.

Section 9.3. Disbursements from the Construction Fund. Upon receipt by the Fiscal Agent of the proceeds from the sale of the Bonds as advanced by the Bondholder, the Fiscal

Agent will, subject to the prior written approval of the Bondholder, disburse moneys in the Construction Fund to or on behalf of the Borrower for the following purposes, to the extent included in the related Development Cost Budget or otherwise approved by Bondholder:

(a) Payment of the initial or acceptance fee of the Fiscal Agent (if any), the fees and expenses for recording or filing any required documents or instruments by which the revenues and receipts to be derived by the Issuer pursuant to this Loan Agreement, the related Borrower Note and the Security for the Bonds are assigned and pledged as security for the related Bonds, and the fees and expenses for recording or filing any financing statements and any other documents or instruments that either the Borrower or counsel to the Issuer may deem desirable to file or record.

(b) Payment to the Borrower of such amounts as shall be necessary to reimburse the Borrower (or for the Borrower to reimburse the Developer, if applicable) in full for all advances and payments made or costs that have been or will be incurred prior to or after the delivery of the Bonds for expenditures in connection with the preparation of Plans and Specifications (including any preliminary study or planning of the Project or any aspect thereof), the acquisition, construction and renovation of the Project and the acquisition and installation necessary to provide utility services and all real or personal properties deemed necessary in connection with the Project.

(c) Payment or reimbursement to the Borrower of all financial, legal and accounting fees and expenses (including all expenses incurred in connection with the placement of the Bonds) incurred in connection with the authorization, sale and issuance of the Bonds, the preparation of the Bond Issuance Agreement, this Loan Agreement, the Security for the Bonds, the Borrower Documents, the Issuer Documents and all other documents in connection therewith.

(d) Payment or reimbursement for labor, services, materials and supplies used or furnished on site improvements and in the acquisition, construction and renovation of the Project as provided in **Exhibit B** hereto, payment for the cost of the acquisition and installation of utility services or other facilities, and the acquisition and installation of all real and personal property deemed necessary in connection with the Project and payment for the miscellaneous capitalized expenditures incidental to any of the foregoing items.

(e) Payment or reimbursement of the fees if any, for architectural, engineering, legal, investment banking and supervisory services with respect to the Project, and of any costs incurred to obtain the General Contractor's payment and performance bond, and of any fees payable to the Issuer or the Bondholder, or the Issuer's or the Bondholder's counsel, or to the Investor Member in connection with the financing of the Project.

(f) To the extent not paid pursuant to a contract for acquisition, construction, or renovation with respect to any part of the Project, payment of the premiums on all insurance required to be taken out and maintained with respect to the Project during the related Initial Period.

(g) Payment of the taxes, assessments and other charges, if any, that may become payable during the related Initial Period with respect to the Project, or reimbursement thereof if paid by the Borrower.

(h) Payment of expenses incurred in seeking to enforce any remedy against any supplier, conveyor, grantor, contractor or subcontractor in respect of any default under a contract relating to the Project.

Each of the payments referred to in this Section 9.3, other than those payments referred to in subsection (h) above, shall be made upon receipt by the Fiscal Agent of the documents and showings specified in Section 9.5 hereof.

Notwithstanding any other provision hereof or of the Bond Issuance Agreement, in the event the moneys in the Construction Fund and the Construction Escrow, together with the balance of monies that are available through the Additional Funding Sources, for payment of the Costs of the Project should not, in the Bondholder's reasonable judgment, be sufficient to pay the costs thereof in full, the Borrower agrees within ten (10) days after receipt of written notice thereof from the Bondholder to pay directly, or to deposit in the Construction Fund (or in the Construction Escrow) moneys sufficient to pay, the costs of completing the Project as may be in excess of the moneys available therefor in the Construction Fund and the Construction Escrow and from the Additional Funding Sources. NEITHER THE ISSUER NOR THE BONDHOLDER MAKES ANY WARRANTY, EITHER EXPRESS OR IMPLIED, THAT THE MONEYS THAT WILL BE PAID INTO THE CONSTRUCTION FUND, AND THAT, UNDER THE PROVISIONS OF THIS LOAN AGREEMENT, WILL BE AVAILABLE FOR PAYMENT OF THE COSTS OF THE PROJECT RELATING TO THE PROJECT, WILL BE SUFFICIENT TO PAY ALL THE COSTS THAT WILL BE INCURRED IN THAT CONNECTION. The Borrower agrees that if it should pay or should deposit moneys in the Construction Fund or Construction Escrow for payment of any portion of the Costs of the Project pursuant to the provisions of this Section 9.3, it shall not be entitled to any reimbursement therefor from the Issuer, the Fiscal Agent or the Bondholder, nor shall it be entitled to any diminution of the amounts payable under the Borrower Note or hereunder. The Borrower hereby pledges, sets over and transfers to the Issuer and hereby grants to the Issuer a security interest and right of setoff in all rights to the proceeds in the escrow account, if any, created pursuant to Section 9.4 of this Loan Agreement.

All proceeds of the Bonds remaining in the Construction Fund or in the Construction Escrow after the Project is Complete, and after payment or provision for payment of all other items provided for in subsections (a) to (h), inclusive, of this Section 9.3, shall be used in accordance with Section 9.4 hereof.

Section 9.4. Completion of the Project. (a) Any proceeds of the Bonds (including investment proceeds) remaining in the Construction Fund or in the Construction Escrow on the date the Project is Completed and not set aside for the payment of Costs of the Project not then due and payable shall on such date be transferred to, if applicable, and placed by the Fiscal Agent in a separate escrow account and used to pay the outstanding principal balance of the Borrower Note and the corresponding redemption of the Bonds at the earliest possible redemption date, provided that, until used for such purpose, moneys on deposit in such escrow

account may be invested as provided in Section 9.6 hereof, but may not be invested to produce a yield on such moneys (computed from the date the Project was completed and taking into account any investment of moneys during the period from the date the Project was Completed until such moneys were deposited in such escrow account) greater than the yield on the Bonds, all as such terms are used in and determined in accordance with Section 148(a) of the Code and the Regulations. On or after the Conversion Date, if a payment in excess of \$10,000 is made by the Fiscal Agent in accordance with this Section 9.4, the Bondholder shall recalculate the amortizing payments under the Loan based on the reduced outstanding principal, and the monthly payments of principal plus interest owed by Borrower through the term of the Loan shall be reduced accordingly.

(b) No Person not a party hereto shall have any rights to the money or other funds or assets from time to time in the Construction Fund or the escrow accounts referred to in this Section 9.4 or Section 4.02 of the Bond Issuance Agreement.

Section 9.5. Disbursements. Except for Bond proceeds used to pay interest on the Bonds (for which no disbursement request shall be required), Bond proceeds shall be disbursed by the Bondholder to the Fiscal Agent for deposit in the Construction Fund upon written request, substantially in the form of Exhibit C hereto, signed by the Borrower and the Bondholder. Except to the extent that the disbursement pertains to costs of issuance of the Bonds, amounts disbursed from the Construction Fund shall be disbursed to the escrow agent under the Construction Escrow Agreement for further disbursement as provided therein. To the extent the disbursement pertains to the CHA Collateral Portion of the Bonds, the consent of the CHA to such disbursement shall be required as provided in the CHA Loan Agreement and the Construction Escrow Agreement. The Bondholder's disbursement of funds to the Fiscal Agent for deposit in the Construction Fund, shall be subject to the satisfaction of the conditions set forth in Articles X and XI hereof.

Immediately following a disbursement, the Borrower covenants that written notice of the amount and date of the disbursement shall be provided to the Issuer. Such notice may be provided by an email sent to such address as the Issuer may have designated to be used for such purposes in a prior notice to the Borrower.

Section 9.6. Investment of Moneys. (a) Any moneys held as part of the Construction Fund, or the escrow accounts specified in Section 9.4 hereof, or as part of any other Fund or Account in the possession or control of the Fiscal Agent, while acting as such under the Bond Issuance Agreement, and any other moneys subject to the requirements of Section 148(a) of the Code, including any moneys that at any time shall constitute "gross proceeds" of the Bonds within the meaning of the Regulations, shall be invested, to the extent permitted by law, only in Eligible Investments.

(b) All such investments of moneys held by the Fiscal Agent as a part of the Construction Fund or the escrow accounts specified in Section 9.4 hereof or any other Fund or Account shall be made by the Fiscal Agent at the direction of the Borrower (which direction shall be either in writing or given orally and confirmed in writing). The approval of the Issuer shall not be required prior to the making of any such investment, but the Issuer reserves the right (which right is subject to assignment as set forth in Section 4.2 hereof) to disapprove in its

reasonable discretion any investments or proposed investments of which it has notice. If no direction is given by the Borrower, the Issuer may direct (which right is subject to assignment as set forth in Section 4.2 hereof) the Fiscal Agent to invest in any of the Eligible Investments, and, if no direction is given, the Fiscal Agent or any affiliate thereof shall invest in no-load, open-end money market mutual funds (including those of the Fiscal Agent and its affiliates) registered under the Investment Company Act of 1940, provided that the portfolios of such funds are limited to Government Obligations and each such fund has been assigned a rating by each Rating Agency of "AAA" or "Aaa," as applicable.

(c) The Fiscal Agent may make any and all such investments through its own investment department or that of an affiliate. The investments so purchased shall be held by the Fiscal Agent and shall be deemed at all times a part of the Fund, Account or Subaccount for which the investment was made, and the interest accruing thereon and any profit realized therefrom shall be credited to such Fund, Account or Subaccount, as the case may be, and any net losses resulting from such investment shall be charged to such Fund, Account or Subaccount, as the case may be. The Fiscal Agent shall be entitled to rely conclusively on all written investment instructions provided by the Borrower pursuant to this Section 9.6, and the Fiscal Agent shall have no responsibility or liability for any depreciation in the value of any investment or for any loss, direct or indirect, resulting from any investment made in accordance with such direction and written confirmation from the Borrower specified in this Section 9.6.

(d) Notwithstanding the foregoing, moneys advanced by the Bondholder and deposited in the Construction Fund shall be immediately disbursed to the title company under the Construction Escrow Agreement for deposit in the Construction Escrow thereunder, and shall not be invested by the Fiscal Agent.

Section 9.7. Arbitrage Covenant. The Borrower covenants with the Bondholder and the Issuer that, as long as any of the payment obligations hereunder remain unpaid, moneys on deposit in any Fund, Account or Subaccount in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other source, will not be used or invested at the Borrower's direction in a manner that will cause the Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code and the Regulations.

The parties hereto acknowledge that, pursuant to Section 4.02(e) of the Bond Issuance Agreement, the Bondholder may make an advance of Bond proceeds directly into the Construction Escrow under the Construction Escrow Agreement; if it does so all provisions and conditions to disbursement of, and in this Agreement relating to, the Construction Fund shall apply as if the advance were deposited into the Construction Fund.

Section 12.2. Remedies on Default. If any one or more of the foregoing Events of Default shall occur, then the Bondholder (as assignee of the Issuer pursuant to the Bond Issuance Agreement) shall have the right, but not the obligation, and without notice, to exercise any one or more of the following rights and remedies, at any time and from time to time, singularly, successively or collectively, and in such order and when and as often as may from time to time be determined:

(a) The Bondholder may exercise any right, power or remedy permitted to it by law as a holder of the Borrower Note, including the right to declare the entire principal of and all unpaid interest accrued on the Borrower Note to be, and upon written notice to the Borrower (with a copy to the Issuer) of such declaration such Borrower Note and the unpaid accrued interest thereon shall become, due and payable, without presentment, demand or protest, all of which are hereby expressly waived. The Borrower shall forthwith pay to the Bondholder the entire principal of and interest accrued on the Borrower Note. There shall be automatically waived, rescinded and annulled such declaration of acceleration of the Borrower Note and the consequences thereof when any declaration of acceleration of the Bonds pursuant to Section 7.02 of the Bond Issuance Agreement has been waived, rescinded and annulled.

(b) The Bondholder may take whatever action at law or in equity that may appear necessary or desirable to collect the payments and other amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement or the other Borrower Collateral Documents.

(c) The Bondholder may direct the Fiscal Agent to withhold further disbursements of proceeds made available to the Borrower hereunder.

If the Bondholder shall have proceeded to enforce its rights under this Loan Agreement, the Borrower Note, the Borrower Collateral Documents or the Security for the Bonds, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Bondholder, then and in every such case the Borrower, the Issuer

and the Bondholder shall be restored, respectively, to their several positions and rights hereunder and thereunder, and all rights, remedies and powers of the Borrower, the Issuer and the Bondholder shall continue as though no such proceeding had been taken.

If there shall be pending proceedings for the bankruptcy or for the reorganization of the Borrower under the federal bankruptcy laws or any other applicable law, or in case a custodian, receiver or trustee shall have been appointed for any of the Property of the Borrower, or in the case of any other similar judicial proceedings relative to the Borrower, or to the creditors or Property of the Borrower, the Issuer and the Bondholder shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount owing and unpaid pursuant to the Borrower Note and this Loan Agreement, and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Issuer and the Bondholder allowed in such judicial proceedings relative to the Borrower, its creditors or its Property, and to collect and receive any moneys or other property payable or deliverable on such claims, and to distribute the same after the deduction of its charges and expenses; and any custodian, receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized to make such payments to the Issuer and the Bondholder, and to pay to the Issuer and the Bondholder any amount due it for compensation and expenses, including attorneys' and paralegals' fees, costs, disbursements and expenses incurred by it up to the date of such distribution.

Section 12.3. Right to Perform Covenants; Advances. Notwithstanding anything to the contrary contained herein, if the Borrower shall fail to make any payment or perform any act required to be made or performed by it hereunder, then and in each such case the Issuer or the Bondholder, upon not less than 15 days' prior written notice to the Borrower, may (but shall not be obligated to) remedy such failure for the account of the Borrower, and make advances for that purpose. If such failure involves, has caused or threatens to cause a condition that must, in the opinion of the Issuer or the Bondholder, be cured immediately, the Issuer or the Bondholder may remedy such failure without prior notice to the Borrower. No such performance or advance shall operate to release the Borrower from any such default and any sums so advanced shall be repayable by the Borrower on demand, and shall bear interest at the Past Due Rate. The Issuer agrees that the Bondholder, in its name or in the name of the Issuer, may enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to this Loan Agreement, and the Issuer will not enforce such rights and obligations itself except at the written direction of the Bondholder, in each case whether or not the Issuer is in Default under the Bond Issuance Agreement; provided, however, that the Issuer hereby reserves to itself the right to enforce all Issuer Reserved Rights.

Section 12.4. Costs and Expenses.

(a) The Borrower agrees to pay on demand all of the reasonable out-of-pocket costs and expenses of the Issuer (including the reasonable fees and out-of-pocket expenses of the Issuer's counsel, Bond Counsel, the Bondholder's counsel and local counsel, if any, who may be retained by said counsel) in connection with the preparation, negotiation, execution, delivery and administration of this Loan Agreement, the Borrower Note, the Borrower Collateral Documents or the Security for the Bonds and all other agreements, certificates, instruments or documents provided for herein or delivered or to be delivered hereunder or in connection herewith

(including all amendments, supplements, modifications, restatements and waivers executed and delivered pursuant hereto or in connection herewith). The Borrower further agrees that the Issuer, in its sole discretion, may deduct all such unpaid amounts from the aggregate proceeds of the Borrower Note.

(b) The costs, fees, disbursements and expenses that the Issuer incurs with respect to the following shall be part of the Liabilities, payable by the Borrower on demand if, at any time after the date of this Loan Agreement, the Issuer: (i) employs counsel for advice or other representation (A) with respect to the amendment or enforcement of this Loan Agreement, the Borrower Note, the Borrower Collateral Documents or the Security for the Bonds, (B) to represent the Issuer in any work-out or any type of restructuring of the Borrower Note or the Bonds, or any litigation, contest, dispute, suit or proceeding or to commence, defend or intervene or to take any other action in or with respect to any litigation, contest, dispute, suit or proceeding (whether instituted by the Issuer, the Bondholder, the Borrower or any other Person) in any way or respect relating to this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, the Security for the Bonds or the Borrower's affairs, or any collateral securing the Liabilities hereunder, or (C) to enforce any of the rights of the Issuer with respect to the Borrower; and/or (ii) seeks to enforce or enforces any of the rights and remedies of the Issuer with respect to the Borrower. Without limiting the generality of the foregoing, such expenses, costs, charges, disbursements and fees include: fees, costs, disbursements and expenses of attorneys, accountants and consultants; court costs and expenses; court reporter fees, costs and expenses; long distance telephone charges; and telegram and facsimile charges.

(c) The Borrower agrees to pay on demand, and to save and hold the Issuer harmless from all liability for, any stamp or other taxes that may be payable in connection with or related to the execution or delivery of this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, the Security for the Bonds, the Bonds or of any other agreements, certificates, instruments or documents provided for herein or delivered or to be delivered hereunder or in connection herewith.

(d) All of the Borrower's obligations provided for in this Section 12.4 shall be Liabilities and shall survive repayment of the Bonds and the Borrower Note, cancellation of the Bonds and the Borrower Note, or any termination of this Loan Agreement or any related document.

Section 12.5. Exercise of Remedies. No remedy herein conferred upon or reserved to the Issuer or the Bondholder is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, if any, or the Security for the Bonds, or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Bondholder to exercise any remedy reserved to it in this Article XII, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. Such rights and remedies as are given the Issuer hereunder shall also extend

to the Bondholder to the extent applicable, and the Bondholder shall be deemed a third-party beneficiary of all covenants and agreements herein contained.

Section 12.6. Default by Issuer; Limited Liability. Notwithstanding any provision or obligation to the contrary herein set forth, no provision of this Loan Agreement shall be construed so as to give rise to a pecuniary liability of the Issuer or a charge upon the general credit of the Issuer. The liability of the Issuer hereunder shall be limited to its interest in this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, if any, and the Security for the Bonds, and the Lien of any judgment shall be restricted thereto. In the performance of the agreements of the Issuer herein contained, any obligation it may incur for the payment of money shall not be a debt of the Issuer, and the Issuer shall not be liable on any obligation so incurred. The Issuer does not assume general liability for the repayment of the Bonds or for the costs, fees, penalties, taxes, interest, commissions, charges, insurance or any other payments recited herein, and the Issuer shall be obligated to pay the same only out of Revenues. The Issuer shall not be required to do any act whatsoever, or exercise any diligence whatsoever, to mitigate the damages to the Borrower if an Event of Default shall occur hereunder.

Section 12.7. Application of Funds. All funds received by the Bondholder are subject to the rights given or action taken under the provisions of Article VII of the Bond Issuance Agreement. Notwithstanding any other provision of this Loan Agreement or the Bond Issuance Agreement to the contrary, funds received by the Bondholder may be applied (a) as long as an Event of Default has not occurred and is not continuing, to the payments and other amounts, if any, then due under the Borrower Note or, if all such payments and other amounts, if any, have been paid, the same may be applied as directed by the Borrower (subject to the restrictions of the Land Use Restriction Agreement and the Tax Certificate), and (b) if an Event of Default has occurred and is continuing, as directed and in such order as determined by the Bondholder.

ARTICLE XIII

INDEMNIFICATION

Section 13.1. Indemnification of Issuer and Fiscal Agent. (a) Except as otherwise provided below and subject to Section 14.1 hereof, the Issuer and the Fiscal Agent, and each of their officers, agents, independent contractors, employees, successors and assigns, and, in the case of the Issuer, its elected and appointed officials, past, present or future (hereinafter the "Indemnified Persons"), shall not be liable to the Borrower for any reason. Unless caused by the gross negligence or intentional misconduct of an Indemnified Party, the Borrower shall defend, indemnify and hold the Indemnified Persons harmless from any loss, claim, damage, tax, penalty or expense (including, but not limited to, reasonable counsel fees, costs, expenses and disbursements), or liability (other than with respect to payment of the principal of or interest on the Borrower Note) of any nature due to any and all suits, actions, legal or administrative proceedings, or claims arising or resulting from, or in any way connected with: (i) the financing, installation, operation, use or maintenance of the Project; (ii) any act, failure to act, or misrepresentation by the Borrower or any member of the Borrower, or any Person acting on behalf of, or at the direction of, the Borrower or any member of the Borrower, in connection with the issuance, sale or delivery of the Bonds; (iii) any false or misleading representation made by

the Borrower in the Borrower Documents; (iv) the breach by the Borrower of any covenant contained in the Borrower Documents, or the failure of the Borrower to fulfill any such covenant which is not cured within all applicable notice and cure periods; (v) enforcing any obligation or liability of the Borrower under this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, the Security for the Bonds or the Borrower Documents, or any related agreement; (vi) taking any action requested by the Borrower; (vii) taking any action reasonably required by the Borrower Documents; or (viii) taking any action considered necessary by the Issuer or the Fiscal Agent, and which is authorized by the Borrower Documents. If any suit, action or proceeding is brought against any Indemnified Person, the interests of the Indemnified Person in that suit, action or proceeding shall be defended by counsel to the Indemnified Person or the Borrower, as the Indemnified Person shall determine. If such defense is by counsel to the Indemnified Person, the Borrower shall indemnify and hold harmless the Indemnified Person for the cost of that defense, including counsel fees, disbursements, costs and expenses. If the Indemnified Persons affected by such suit determine that the Borrower shall defend the Indemnified Persons, the Borrower shall immediately assume the defense at its own cost. Neither the Indemnified Persons nor the Borrower shall be liable for any settlement of any proceeding made without each of their consent. In no event shall the Borrower be liable to an Indemnified Person for its own willful misconduct or gross negligence.

(b) Any provision of this Loan Agreement or any other instrument or document executed and delivered in connection therewith to the contrary notwithstanding, the Issuer retains the right to enforce: (i) any applicable federal or state law or regulation or resolution of the Issuer; and (ii) any rights accorded the Issuer by federal or state law or regulation or resolution of the Issuer, and nothing in this Loan Agreement shall be construed as an express or implied waiver thereof.

(c) If the Indemnified Persons are requested by the Borrower to take any action under this Loan Agreement or any other instrument executed in connection herewith for the benefit of the Borrower, they will do so if and only if: (i) the Indemnified Persons are a necessary party to any such action; (ii) the Indemnified Persons have received specific written direction from the Borrower, as required hereunder or under any other instrument executed in connection herewith, as to the action to be taken by the Indemnified Persons; and (iii) a written agreement of indemnification and payment of costs, liabilities and expenses satisfactory to the Indemnified Persons has been executed by the Borrower prior to the taking of any such action by the Indemnified Persons.

(d) The obligations of the Borrower under this Section 13.1 shall survive any assignment or termination of this Loan Agreement and, as to the Fiscal Agent, any resignation or removal of the Fiscal Agent.

(e) Indemnification of the Issuer by the Borrower with respect to environmental matters shall be governed exclusively by the terms and provisions of the Environmental Indemnity Agreement.

ARTICLE XIV

MISCELLANEOUS

Section 14.1. Non-recourse Liability; Exceptions. Subject to the terms contained in the next succeeding paragraph, following the Conversion Date, the covenants and agreements contained in this Loan Agreement and the Borrower Note shall be non-recourse to the Borrower and all members thereof, and in the event of a default hereunder or under any related document, the sole source of satisfaction of repayment of the amounts due to the Issuer and the Bondholder hereunder and under the Borrower Note shall be limited to the rights of the Issuer and Bondholder hereunder and under the Borrower Documents, as well as under any guarantees.

Notwithstanding the immediately preceding paragraph, nothing in this Loan Agreement, in the Borrower Note, in the Borrower Collateral Documents or in the Security for the Bonds shall limit the rights of the Issuer or the Bondholder, following any of the events hereinafter described, to take any action as may be necessary or desirable to pursue the Borrower, the Managing Member, (prior to the date the Project is Complete, the Guarantors) or the Developer for any and all losses incurred by the Issuer or the Bondholder arising from (i) a material misrepresentation, fraud made in writing or misappropriation of funds by the Borrower, the Managing Member, the Guarantors or the Developer; (ii) intentional or material waste to the Premises; (iii) use of proceeds of the Loan for costs other than Costs of the Project, (iv) except as may be permitted herein, any transfer of title to all or any portion of the Project without the Issuer's and the Bondholder's prior written consent; (v) the misappropriation or misapplication of insurance proceeds or condemnation awards relating to the Project by the Borrower, the Managing Member or the Developer; (vi) the recovery of rents more than one-month in advance in violation of the Borrower Collateral Documents; (vii) any indemnity by the Borrower or any other party, any guaranties, completion agreements and any similar rights to payment and performance that have been or may be executed, or that have been or may be granted, by the Borrower or any other party in connection with the Loan; or (viii) the default (after expiration of any notice and cure period) by Borrower or the Managing Member in the performance of their respective obligations under this Loan Agreement or the Borrower Note relating to preserving the condition of the Premises or the enforceability or priority of the Issuer's or the Bondholder's interest in the Security for the Bonds, including obligations to pay all taxes and charges that may affect or become a lien on the Premises, to maintain the Premises and all insurance in accordance with this Loan Agreement and to repay all sums advanced by Issuer or Bondholder for any such purposes.

Section 14.2. Severability. If any provision of this Loan Agreement shall be held or deemed to be, or shall, in fact, be, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions. or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to any extent whatsoever. The invalidity of any one or more phrases, sentences, clauses or Sections contained in this Loan Agreement shall not affect the remaining portions of this Loan Agreement, or any part thereof; provided, however, that no holding of invalidity shall require the Issuer to make any payment from any moneys other than Revenues.

Section 14.4. Assignments. Except as otherwise expressly provided herein, this Loan Agreement may not be assigned by any party without the consent of the other and the Bondholder, except that the Issuer shall assign to the Bondholder certain of its rights under this Loan Agreement as provided by Section 4.2 hereof, and the Bondholder may assign such rights to its successors and assigns as owner of the Bonds.

Section 14.5. Counterparts. This Loan Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument; provided, however, that for purposes of perfecting a security interest in this Loan Agreement under Article 9 of the Illinois Uniform Commercial Code, only the counterpart delivered, pledged and assigned to the Bondholder shall be deemed the original.

Section 14.6. Amounts Remaining in the Bond Issuance Agreement Funds. It is agreed by the parties hereto that after payment in full of: (a) the principal of and interest on the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Bond Issuance Agreement); (b) the fees, charges, disbursements, costs and expenses of the Bondholder and the Fiscal Agent in accordance with the Bond Issuance Agreement; and (c) all other amounts required to be paid under this Loan Agreement, the Borrower Note and the Bond Issuance Agreement, then any amounts remaining in any of the Funds or Accounts created under the Bond Issuance Agreement shall be paid by the Fiscal Agent as follows: (i) first, to the Issuer to the extent of any moneys owed by the Borrower to the Issuer pursuant to the Bond Documents, and (ii) second, to the Borrower.

Section 14.7. Amendments, Changes and Modifications. Subsequent to the initial issuance of the Bonds and prior to their payment in full (or provision for payment thereof having been made in accordance with the provisions of the Bond Issuance Agreement), this Loan

Agreement may not be effectively amended, changed, modified, altered or terminated without the written consent of the Bondholder and, with respect to the Issuer Reserved Rights, the Issuer.

Section 14.8. Governing Law; Jury Trial. This Loan Agreement and the Borrower Note, and the rights and obligations of the parties hereunder and thereunder, shall be construed in accordance with, and shall be governed by, the laws of the State of Illinois, without regard to its conflict of laws principles.

THE BORROWER HEREBY IRREVOCABLY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING (I) TO ENFORCE OR DEFEND ANY RIGHTS UNDER OR IN CONNECTION WITH THIS LOAN AGREEMENT OR THE BORROWER NOTE, OR ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED, OR WHICH MAY IN THE FUTURE BE DELIVERED, IN CONNECTION HERewith OR THEREWITH, OR (II) ARISING FROM ANY DISPUTE OR CONTROVERSY IN CONNECTION WITH OR RELATED TO THIS LOAN AGREEMENT OR THE BORROWER NOTE, OR ANY SUCH AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT, AND AGREES THAT ANY SUCH ACTION OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

THE BORROWER IRREVOCABLY AGREES THAT, SUBJECT TO THE ISSUER'S SOLE AND ABSOLUTE ELECTION, ANY ACTION OR PROCEEDING IN ANY WAY, MANNER OR RESPECT ARISING OUT OF THIS LOAN AGREEMENT, THE BORROWER NOTE, THE BORROWER COLLATERAL DOCUMENTS AND THE SECURITY FOR THE BONDS, OR ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION HERewith OR THEREWITH, OR ARISING FROM ANY DISPUTE OR CONTROVERSY ARISING IN CONNECTION WITH OR RELATED TO THIS LOAN AGREEMENT, THE BORROWER NOTE, THE BORROWER COLLATERAL DOCUMENTS AND THE SECURITY FOR THE BONDS, OR ANY SUCH AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT, SHALL BE LITIGATED ONLY IN THE COURTS HAVING SITUS WITHIN THE CITY OF CHICAGO, STATE OF ILLINOIS, AND THE BORROWER HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURT LOCATED WITHIN SUCH CITY AND STATE. THE BORROWER HEREBY WAIVES ANY RIGHT IT MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST IT IN ACCORDANCE WITH THIS SECTION.

Section 14.9. Term of Loan Agreement. This Loan Agreement shall be in full force and effect from the date hereof, and shall continue in effect until the indefeasible payment in full of all Liabilities. All representations, certifications and covenants by the Borrower as to the indemnification of various parties (including, without limitation, the Issuer and the Issuer Indemnified Persons) and the payment of fees and expenses of the Issuer as described herein, and all matters affecting the tax-exempt status of the Bonds shall survive the termination of this Loan Agreement and the payment in full of the Borrower Note and the Bonds.

Section 14.10. Bond Issuance Agreement Provisions. The Bond Issuance Agreement provisions concerning the Bonds and the other matters therein are an integral part of the terms and conditions of the Loan made by the Issuer to the Borrower pursuant to this Loan Agreement, and the execution of this Loan Agreement shall constitute conclusive evidence of approval of the Bond Issuance Agreement by the Borrower to the extent it relates to the Borrower and the Project. Additionally, the Borrower agrees that, whenever the Bond Issuance Agreement by its terms imposes a duty or obligation upon the Borrower, such duty or obligation shall be binding upon the Borrower to the same extent as if the Borrower were an express party to the Bond Issuance Agreement, and the Borrower hereby agrees to carry out and perform all of its obligations under the Bond Issuance Agreement as fully as if the Borrower were a party to the Bond Issuance Agreement.

Section 14.11. Binding Effect. This Loan Agreement shall inure to the benefit of and shall be binding upon the Issuer and the Borrower, and their respective successors and assigns; subject, however, to the limitations contained in Section 4.2 hereof.

Section 14.12. Immunity of Issuer's Officers. No recourse shall be had for the payment of any principal of or interest on the Bonds, or for any obligation, covenant or agreement contained in this Loan Agreement, against any past, present or future officer, member, supervisor, director, agent or employee of the Issuer, or any successor entity, as such, either directly or through the Issuer or any such successor entity, under any rule of law or equity, statute or constitution, or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officer, member, supervisor, director, agent or employee as such is hereby expressly waived and released as a condition of, and in consideration for, the execution and delivery of this Loan Agreement.

Section 14.13. Participations. (a) The Borrower acknowledges that the Bondholder shall have the right to grant participations in the Bonds and the Borrower Note, pursuant to the Bond Issuance Agreement, all without notice to or consent from the Borrower. No holder of a participation in the Bonds or the Borrower Note shall have any rights under this Loan Agreement.

(b) The Borrower hereby consents to the disclosure of any information obtained in connection herewith by the Issuer to any Person that is a participant or potential participant pursuant to clause (a) above, it being understood that the Issuer and its assigns shall advise any such Person of its obligation to keep confidential any nonpublic information disclosed to it pursuant to this Section 14.13. The Issuer shall advise the Borrower of each Person that becomes a participant pursuant to clause (a) above.

Section 14.14. Waivers. If any agreement contained in this Loan Agreement should be breached by the Borrower and thereafter waived in writing by the Issuer or the Bondholder, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. For any waiver hereunder to be effective, such shall be in writing and signed by an authorized representative of the party granting the waiver.

Section 14.15. Patriot Act Notification.

(a) As of the date of this Loan Agreement the Borrower is, and during the term of this Loan Agreement the Borrower shall remain, in full compliance with all the applicable laws and regulations of the United States of America that prohibit, regulate or restrict financial transactions, including, but not limited to, conducting any activity or failing to conduct any activity, if such action or inaction constitutes a money laundering crime, including any money laundering crime prohibited under the Money Laundering Control Act, 18 U. S. C. 1956, 1957, or the Bank Secrecy Act, 31 U. S. C. 5311 et seq. and any amendments or successors thereto and any applicable regulations promulgated thereunder.

(b) The Borrower represents and warrants that: (a) neither it, nor any of its members, or any officer, director or employee, is named as a "Specially Designated National and Blocked Person" as designated by the United States Department of the Treasury's Office of Foreign Assets Control, or as a person, group, entity or nation designated in Presidential Executive Order 13224 as a person who commits, threatens to commit, or supports terrorism; (b) it is not owned or controlled, directly or indirectly, by the government of any country that is subject to a United States Embargo; and (c) it is not acting, directly or indirectly, for or on behalf of any person, group, entity or nation named by the United States Treasury Department as a "Specially Designated National and Blocked Person," or for or on behalf of any person, group, entity or nation designated in Presidential Executive Order 13224 as a person who commits, threatens to commit, or supports terrorism; and that it is not engaged in this transaction directly or indirectly on behalf of, or facilitating this transaction directly or indirectly on behalf of, any such person, group, entity or nation.

(c) The Borrower acknowledges that it understands and has been advised by its own legal counsel as to the requirements of the applicable laws referred to above, including the Money Laundering Control Act, 18 U. S. C. 1956, 1957, the Bank Secrecy Act, 31 U. S. C. 5311 et seq., the applicable regulations promulgated thereunder, and the Foreign Assets Control Regulations, 31 C. F. R. Section 500 et seq.

Section 14.16. Entire Agreement. This Loan Agreement, together with the Borrower Note, the Borrower Collateral Documents, the Security for the Bonds, the Bonds and the Bond Issuance Agreement, constitutes the entire agreement among the parties with respect to the subject matter hereof, and supersedes all written or oral understandings with respect thereto.

__, 2017

CHICAGO, ILLINOIS

The undersigned, FOR VALUE RECEIVED, promise to pay to the order of the CITY OF CHICAGO (the "Issuer"), at the principal office of BMO HARRIS BANK N.A. in Chicago, Illinois, _____ DOLLARS (\$(Principal)) or, if less, the aggregate unpaid principal balance of the Loan (as defined in the hereinafter defined Loan Agreement) made by the Issuer to the undersigned pursuant to the Loan Agreement, due and payable on the Maturity Date (as defined in the Loan Agreement) or at such earlier time as provided in the Loan Agreement.

Payments of principal and interest are to be made in lawful money of the United States of America in same day or immediately available funds.

This Borrower Note is the "Borrower Note" described in, and is subject to the terms and provisions of, a Loan Agreement, dated as of _____ 1, 2017 (as the same may at any time be amended or modified and in effect, the "Loan Agreement"), among the undersigned, the Issuer, and BMO Harris Bank N.A., and payment of this Borrower Note is secured as described in the Loan Agreement. Upon the occurrence of any Event of Default as specified in the Loan Agreement, the unpaid principal balance hereof, and interest accrued hereon, may be declared to be forthwith due and payable.

In addition to, and not in limitation of, the foregoing and the provisions of the Loan Agreement, the undersigned further agrees, subject only to any limitation imposed by applicable law, to pay all reasonable expenses, including, but not limited to, attorneys' fees and legal expenses, incurred by the registered owner of this Borrower Note in endeavoring to collect any amounts payable hereunder which are not paid when due, whether by acceleration or otherwise.

LAND USE RESTRICTION AGREEMENT

THIS LAND USE RESTRICTION AGREEMENT (this "Agreement"), entered into as of _____ 1, 2017, between the **CITY OF CHICAGO**, a municipal corporation and home rule unit of government duly organized and validly existing under the Constitution and laws of the State of Illinois (the "**City**"), and **TAYLOR STREET LA LLC**, an Illinois limited liability (the "**Borrower**"),

WHEREAS, the Issuer has issued, sold and delivered its \$[Principal] Multi-Family Housing Revenue Bonds (Taylor Street Library and Apartments Project) Series 2017 (the "**Bonds**"); and

WHEREAS, the Bonds are issued pursuant to a Bond Issuance Agreement of even date herewith (the "**Bond Issuance Agreement**"), among the Issuer, BMO Harris Bank N.A., as Bondholder (the "**Bondholder**") and BMO Harris Bank N.A., as Fiscal Agent (the "**Fiscal Agent**"), and the proceeds derived from the issuance and sale of the Bonds have been lent by the Issuer to the Borrower pursuant to the Loan Agreement of even date herewith (the "**Loan Agreement**"), between the Issuer and the Borrower to finance costs of a mixed use, midrise building that will contain mixed-income one and two bedroom rental units, community green space, and a library, which includes 7 market-rate rental units, 37 CHA public housing (RAD) units, and 29 tax credit units[, all of which will be leased to public housing (RAD) residents]. (together with all rights and interests of the Borrower in common areas in such building and on the related site, the "**Units**"), located on the site described in Exhibit A hereto (the "**Site**" and, together with the Units, the "**Project**"); and

WHEREAS, the Chicago Housing Authority ("**CHA**") has donated to _____ ("Sponsor") a 99-year ground lease of the Site, and Sponsor has assigned its leasehold interest in the Site to the Borrower, who will construct the Units; and

WHEREAS, in order to assure the Issuer and the owners of the Bonds that interest on the Bonds will be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "**Code**"), and to further the public purposes of the Issuer, certain restrictions on the use and occupancy of the Project under the Code must be established;

NOW, THEREFORE, in consideration of the mutual promises and covenants hereinafter set forth, and of other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, the Borrower and the Issuer agree as follows:

Section 1. Term of Restrictions.

(a) **Occupancy Restrictions.** The term of the Occupancy Restrictions set forth in Section 3 hereof shall commence on the first day on which at least 10% of the Units are first occupied following completion of such Units and shall end on the latest of (i) the date which is 15 years after the date on which at least 50% of the Units in the Project are first occupied; (ii) the first date on which no tax-exempt note or bond (including any refunding note or bond) issued with respect to the Project is outstanding (treating, for such purpose, the Project as being financed in part by all Bonds); or (iii) the date on which any housing assistance provided with respect to the Project under Section 8 of the United States Housing Act of 1937, as amended, terminates (which period is hereinafter referred with respect to the Project as the "**Qualified**

Project Period”).

(b) **Rental Restrictions.** The Rental Restrictions with respect to the Project set forth in Section 4 hereof shall remain in effect during the Qualified Project Period.

(c) **Involuntary Loss or Substantial Destruction.** The Occupancy Restrictions set forth in Section 3 hereof, and the Rental Restrictions set forth in Section 4 hereof, shall cease to apply to the Project in the event of involuntary noncompliance caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in federal law or an action of a federal agency (with respect to the Project) after the date of delivery of the Bonds, which prevents the Issuer from enforcing the Occupancy Restrictions and the Rental Restrictions (with respect to the Project), or condemnation or similar event (with respect to the Project), but only if, within a reasonable time, (i) all of the Bonds are promptly retired, or amounts received as a consequence of such event are used to provide a new project which meets all of the requirements of this Agreement, which new project is subject to new restrictions substantially equivalent to those contained in this Agreement, and which is substituted in place of the Project by amendment of this Agreement; and (ii) an opinion from nationally recognized bond counsel (selected by the Issuer) is received to the effect that noncompliance with the Occupancy Restrictions and the Rental Restrictions applicable to the Project as a result of such involuntary loss or substantial destruction resulting from an unforeseen event with respect to the Project will not adversely affect the exclusion of the interest on the Bonds from the gross incomes of the owners thereof for purposes of federal income taxation; provided, however, that the preceding provisions of this paragraph shall cease to apply in the case of such involuntary noncompliance caused by foreclosure, transfer of title by deed in lieu of foreclosure or similar event if at any time during the Qualified Project Period with respect to the Project subsequent to such event the Borrower or any Affiliated Party (as hereinafter defined) obtains an ownership interest in the Project for federal income tax purposes. “**Affiliated Party**” means a person whose relationship to another person is such that (i) the relationship between such persons would result in a disallowance of losses under Section 267 or 707(b) of the Code; or (ii) such persons are members of the same controlled group of corporations (as defined in Section 1563(a) of the Code, except that “more than 50%” shall be substituted for “at least 80%” each place it appears therein).

(d) **Termination.** This Agreement shall terminate with respect to the Project upon the earliest of (i) termination of the Occupancy Restrictions and the Rental Restrictions with respect to the Project, as provided in paragraphs (a) and (b) of this Section 1; or (ii) delivery to the Issuer and the Borrower of an opinion of nationally recognized bond counsel (selected by the Issuer) to the effect that continued compliance of the Project with the Rental Restrictions and the Occupancy Restrictions applicable to the Project is not required in order for interest on the Bonds to remain excludible from gross income for federal income tax purposes.

(e) **Certification.** Upon termination of this Agreement, the Borrower and the Issuer shall execute and cause to be recorded (at the Borrower’s expense), in all offices in which this Agreement was recorded, a certificate of termination, specifying which of the restrictions contained herein has terminated.

(f) **Encumbrance of Fee.** In furtherance of enforcing compliance with the provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations applicable to this

Agreement, unless the provisions of paragraph (c) or (d) above apply to the Project resulting in a termination of the restrictions set forth herein, such restrictions shall continue to apply to the Project following the termination of the Borrower's or any other party's leasehold estate therein, whether or not the Project is thereafter re-leased by the Chicago Housing Authority until termination of the Occupancy Restrictions and the Rental Restrictions as provided in Sections 1(a) and (b).

Section 2. Project Restrictions. The Borrower represents, warrants and covenants that:

(a) The Borrower has reviewed the provisions of the Code and the Treasury Regulations thereunder (the "**Regulations**") applicable to this Agreement (including, without limitation, Section 142(d) of the Code and Section 1.103-8(b) of the Regulations) with its counsel and understands said provisions.

(b) The Project is being acquired, rehabilitated, constructed and equipped for the purpose of providing a "qualified residential rental project" (as such phrase is used in Section 142(d) of the Code) and will, during the term of the Rental Restrictions and Occupancy Restrictions hereunder applicable to the Project, continue to constitute a "qualified residential rental project" under Section 142(d) of the Code and any Regulations heretofore or hereafter promulgated thereunder and applicable thereto.

(c) Substantially all (not less than 95%) of the Project will consist of a "building or structure" (as defined in Section 1.103-8(b)(8)(iv) of the Regulations), or several proximate buildings or structures, of similar construction, each containing one or more similarly constructed residential units (as defined in Section 1.103-8(b)(8)(i) of the Regulations) located on a single tract of land or contiguous tracts of land (as defined in Section 1.103-8(b)(4)(ii)-(B) of the Regulations), which will be owned, for federal tax purposes, at all times by the same person, and financed pursuant to a common plan (within the meaning of Section 1.103-8(b)(4)(ii) of the Regulations), together with functionally related and subordinate facilities (within the meaning of Section 1.103-8(b)(4)(iii) of the Regulations). If any such building or structure contains fewer than five (5) units, no unit in such building or structure shall be Borrower-occupied.

(d) None of the Units in the Project will at any time be used on a transient basis, nor will the Project itself be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium, rest home or trailer park or court for use on a transient basis; (provided only that during the period of renovation of the Project, residents may occupy particular Units on a short-term basis to accommodate the renovations); nor shall any portion of the Project be operated as an assisted living facility which provides continual or frequent nursing, medical or psychiatric services; *provided, however* that nothing herein shall be understood to prohibit single room occupancy units occupied under month to month leases.

(e) Any functionally related and subordinate facilities (e.g., parking areas, swimming pools, tennis courts, etc.) which are included as part of the Project will be of a character and size commensurate with the character and size of the Project, and will be made available to all tenants in the Project on an equal basis; fees will only be charged with respect to the use thereof if the charging of fees is customary for the use of such facilities at similar residential rental properties in the surrounding area (i.e., within a one-mile radius), or, if none, then within comparable urban

settings in the City of Chicago, and then only in amounts commensurate with the fees being charged at similar residential rental properties within such area. In any event, any fees charged will not be discriminatory or exclusionary as to the Qualifying Tenants (as defined in Section 3 hereof). No functionally related and subordinate facilities will be made available to persons other than tenants or their guests.

(f) Each residential unit in the Project will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for a single person or family.

(g) No portion of the Project will be used to provide any health club facility, any facility primarily used for gambling, or any store, the principal business of which is the sale of alcoholic beverages for consumption off premises, in violation of Section 147(e) of the Code.

Section 3. Occupancy Restrictions. The Borrower represents, warrants and covenants with respect to the Project that:

(a) Pursuant to the election of the Issuer in accordance with the provisions of Section 142(d)(1)(A) of the Code, at all times during the Qualified Project Period with respect to the Project at least 40% of the completed Units in the Project shall be continuously occupied (or treated as occupied as provided herein) or held available for occupancy by Qualifying Tenants as herein defined. For purposes of this Agreement, "Qualifying Tenants" means individuals or families whose aggregate adjusted incomes do not exceed 60% of the applicable median gross income (adjusted for family size) for the area in which the Project is located, as such income and area median gross income are determined by the Secretary of the United States Treasury in a manner consistent with determinations of income and area median gross income under Section 8 of the United States Housing Act of 1937, as amended (or, if such program is terminated, under such program as in effect immediately before such determination).

(b) Prior to the commencement of occupancy of any unit to be occupied by a Qualifying Tenant, the prospective tenant's eligibility shall be established by execution and delivery by such prospective tenant of an Income Computation and Certification in the form attached hereto as **Exhibit B** (the "**Income Certification**") evidencing that the aggregate adjusted income of such prospective tenant does not exceed the applicable income limit. In addition, such prospective tenant shall be required to provide whatever other information, documents or certifications are reasonably deemed necessary by the Borrower or the Issuer to substantiate the Income Certification.

(c) Not less frequently than annually, the Borrower shall determine whether the current aggregate adjusted income of each tenant occupying any unit being treated by the Borrower as occupied by a Qualifying Tenant exceeds the applicable income limit. For such purpose the Borrower shall require each such tenant to execute and deliver the Income Computation and Certification attached hereto as **Exhibit B**; *provided, however*, that for any calendar year during which no unit in the Project is occupied by a new resident who is not a Qualifying Tenant, no Income Computation and Certification for existing tenants shall be required.

(d) Any unit vacated by a Qualifying Tenant shall be treated as continuing to be occupied by such tenant until reoccupied, other than for a temporary period not to exceed 31 days, at which time the character of such unit as a unit occupied by a Qualifying Tenant shall be redetermined.

(e) If an individual's or family's income exceeds the applicable income limit as of any date of determination, the income of such individual or family shall be treated as continuing not to exceed the applicable limit, provided that the income of an individual or family did not exceed the applicable income limit upon commencement of such tenant's occupancy or as of any prior income determination, and provided, further, that if any individual's or family's income as of the most recent income determination exceeds 140% of the applicable income limit, such individual or family shall cease to qualify as a Qualifying Tenant if, prior to the next income determination of such individual or family, any unit in the Project of comparable or smaller size to such individual's or family's unit is occupied by any tenant other than a Qualifying Tenant.

(f) The lease to be utilized by the Borrower in renting any Unit in the Project to a prospective Qualifying Tenant shall provide for termination of the lease and consent by such person to eviction following 30 days' written notice, subject to applicable provisions of Illinois law (including for such purpose all applicable home rule ordinances), for any material misrepresentation made by such person with respect to the Income Certification with the effect that such tenant is not a Qualified Tenant.

(g) All Income Certifications will be maintained on file at the Project as long as any Bonds are outstanding and for five years thereafter with respect to each Qualifying Tenant who occupied a Unit in the Project during the period the restrictions hereunder are applicable, and the Borrower will, promptly upon receipt, file a copy thereof with the Issuer.

(h) On the first day of the Qualified Project Period with respect to the Project, on the fifteenth days of January, April, July and October of each year during the Qualified Project Period with respect to the Project, and within 30 days after the final day of each month in which there occurs any change in the occupancy of a Unit in the Project, the Borrower will submit to the Issuer a "Certificate of Continuing Program Compliance," in the form attached hereto as **Exhibit C**, executed by the Borrower with respect to the Project.

(i) The Borrower shall submit to the Secretary of the United States Treasury (at such time and in such manner as the Secretary shall prescribe) with respect to the Project an annual certification on Form 8703 as to whether the Project continues to meet the requirements of Section 142(d) of the Code. Failure to comply with such requirement may subject the Borrower to the penalty provided in Section 6652(j) of the Code.

Section 4. Rental Restrictions. The Borrower represents, warrants and covenants with respect to the Project that once available for occupancy, each Unit in the Project will be rented or available for rental on a continuous basis to members of the general public (other than (a) Units for resident managers or maintenance personnel, (b) Units for Qualifying Tenants as provided for in Section 3 hereof, (c) Units which may be rented to Qualifying Tenants in accordance with any HUD-approved owner preference granted in accordance with 24 CFR Section 5.655, HUD Occupancy Handbook 4350.3, and which satisfies treasury regulations 1.103-8(b) and 1.42-9,

and (d) Units which may be rented under the Section 8 assistance program, which Units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section 8 requirements), subject, however, to the requirements of Section 3(a) hereof. Each Qualifying Tenant (as hereinafter defined) occupying a Unit in the Project shall be required to execute a written lease with a stated term of not less than 30 days nor more than one year.

Section 5. Transfer Restrictions. The Borrower covenants and agrees that no conveyance, transfer, assignment or any other disposition of title to any portion of the Project (a “**Transfer**”) shall be made prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project, unless the transferee pursuant to the Transfer assumes in writing (the “**Assumption Agreement**”), in a form reasonably acceptable to the Issuer, all of the executory duties and obligations hereunder of the Borrower with respect to such portion of the Project, including those contained in this Section 5, and agrees to cause any subsequent transferee to assume such duties and obligations in the event of a subsequent Transfer by the transferee prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project. The Borrower shall deliver the Assumption Agreement to the Issuer at least 30 days prior to a proposed Transfer. This Section 5 shall not apply to any involuntary transfer pursuant to Section 1(c) hereof. This Section shall not be deemed to restrict the transfer of any membership interest in the Borrower or a transfer by foreclosure or deed in lieu of foreclosure.

Section 6. Enforcement.

(a) The Borrower shall permit all duly authorized representatives of the Issuer to inspect any books and records of the Borrower regarding the Project and the incomes of Qualifying Tenants which pertain to compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(b) In addition to the information provided for in Section 3(i) hereof, the Borrower shall submit any other information, documents or certifications reasonably requested by the Issuer, which the Issuer deems reasonably necessary to substantiate continuing compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(c) The Issuer and the Borrower each covenants that it will not take or permit to be taken any action within its control that it knows would adversely affect the exclusion of interest on the Bonds from the gross income of the owners thereof for purposes of federal income taxation pursuant to Section 103 of the Code. Moreover, each covenants to take any lawful action within its control (including amendment of this Agreement as may be necessary in the opinion of nationally recognized bond counsel selected by the Issuer) to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service from time to time pertaining to obligations issued under Section 142(d) of the Code and affecting the Project.

(d) The Borrower covenants and agrees to inform the Issuer by written notice of any violation of its obligations hereunder within five days of first discovering any such violation. If

any such violation is not corrected to the satisfaction of the Issuer within the period of time specified by either the Issuer, which shall be (i) the lesser of (A) 45 days after the effective date of any notice to or from the Borrower, or (B) 60 days from the date such violation would have been discovered by the Borrower by the exercise of reasonable diligence, or (ii) such longer period as may be necessary to cure such violation, provided bond counsel (selected by the Issuer) of nationally recognized standing in matters pertaining to the exclusion of interest on municipal bonds from gross income for purposes of federal income taxation issues an opinion that such extension will not result in the loss of such exclusion of interest on the Bonds, without further notice, the Issuer shall declare a default under this Agreement effective on the date of such declaration of default, and the Issuer shall apply to any court, state or federal, for specific performance of this Agreement or an injunction against any violation of this Agreement, or any other remedies at law or in equity or any such other actions as shall be necessary or desirable so as to correct noncompliance with this Agreement.

(e) The Borrower and the Issuer each acknowledges that the primary purposes for requiring compliance with the restrictions provided in this Agreement are to preserve the exclusion of interest on the Bonds from gross income for purposes of federal income taxation, and that the Issuer, on behalf of the owners of the Bonds, who are declared to be third-party beneficiaries of this Agreement, shall be entitled for any breach of the provisions hereof, to all remedies both at law and in equity in the event of any default hereunder.

(f) In the enforcement of this Agreement, the Issuer may rely on any certificate delivered by or on behalf of the Borrower or any tenant with respect to the Project.

(g) Nothing in this Section shall preclude the Issuer from exercising any remedies it might otherwise have, by contract, statute or otherwise, upon the occurrence of any violation hereunder.

(h) Notwithstanding anything to the contrary contained herein, the Issuer hereby agrees that any cure of any default made or tendered by one or more of the Borrower's members or Borrower's lenders shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 7. Covenants To Run With the Land. The Borrower hereby subjects the Project, to the covenants, reservations and restrictions set forth in this Agreement. The Issuer and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants, reservations and restrictions running with the land to the extent permitted by law, and shall pass to and be binding upon the Borrower's successors in title to the Project throughout the term of this Agreement. Each and every contract, deed, mortgage, lease or other instrument hereafter executed covering or conveying the Project, the Units or the Site, or any portion thereof or interest therein (excluding any transferee of a limited liability company interest in the Borrower), shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed, mortgage, lease or other instrument.

Section 8. Recording. The Borrower shall cause this Agreement and all amendments and supplements hereto to be recorded in the conveyance and real property records of Cook

County, Illinois, and in such other places as the Issuer may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

Section 9. Agents of the Issuer. The Issuer shall have the right to appoint agents to carry out any of its duties and obligations hereunder, and shall, upon written request, certify in writing to the other party hereto any such agency appointment.

Section 10. No Conflict With Other Documents. The Borrower warrants and covenants that it has not and will not execute any other agreement with provisions inconsistent or in conflict with the provisions hereof (except documents that are subordinate to the provisions hereof), and the Borrower agrees that the requirements of this Agreement are paramount and controlling as to the rights and obligations herein set forth, which supersede any other requirements in conflict herewith.

Section 11. Interpretation. Any capitalized terms not defined in this Agreement shall have the same meaning as terms defined in the Bond Issuance Agreement, the Loan Agreement or Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

Section 12. Amendment. Subject to and any restrictions set forth in the Bond Issuance Agreement, this Agreement may be amended by the parties hereto to reflect changes in Section 142(d) of the Code, the regulations hereafter promulgated thereunder and revenue rulings promulgated thereunder, or in the interpretation thereof.

Section 13. Severability. The invalidity of any clause, part or provision of this Agreement shall not affect the validity of the remaining portions thereof.

Section 14. Notices. Any notice, demand or other communication required or permitted hereunder shall be in writing and shall be deemed to have been given if and when personally delivered and receipted for, or, if sent by private courier service or sent by overnight mail service, shall be deemed to have been given if and when received (unless the addressee refuses to accept delivery, in which case it shall be deemed to have been given when first presented to the addressee for acceptance), or on the first day after being sent by telegram, or on the third day after being deposited in United States registered or certified mail, postage prepaid. Any such notice, demand or other communication shall be given as provided for in the Bond Issuance Agreement.

Section 15. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of Illinois, and where applicable, the laws of the United States of America.

Section 16. Limited Liability of Borrower. Notwithstanding any other provision or obligation stated in or implied by this Agreement to the contrary, any and all undertakings and agreements of the Borrower contained herein shall not (other than as expressly provided hereinafter in this paragraph) be deemed, interpreted or construed as the personal undertaking or agreement of, or as creating any personal liability upon, any past, present or future member of the Borrower, and no recourse (other than as expressly provided hereinafter in this paragraph) shall be had against the property of the Borrower or any past, present or future member of the

Borrower, personally or individually for the performance of any undertaking, agreement or obligation, or the payment of any money, under this Agreement or any document executed or delivered by or on behalf of the Borrower pursuant hereto or in connection herewith, or for any claim based thereon. It is expressly understood and agreed that the Issuer and the registered owners of the Bonds, and their respective successors and assigns, shall have the right to sue for specific performance of this Agreement and to otherwise seek equitable relief for the enforcement of the obligations and undertakings of the Borrower hereunder, including, without limitation, obtaining an injunction against any violation of this Agreement or the appointment of a receiver to take over and operate all or any portion of the Project in accordance with the terms of this Agreement. This Section shall survive termination of this Agreement.

TAYLOR STREET LIBRARY AND APARTMENTS PROJECT REDEVELOPMENT AGREEMENT

This Taylor Street Library and Apartments Project Redevelopment Agreement (the "**Agreement**") is made as of this ____ day of _____, 2017, by and among the City of Chicago, an Illinois municipal corporation (the "**City**"), through its Department of Planning and Development ("**DPD**"), and Taylor Street LA LLC, an Illinois limited liability company ("**Developer**"), and Roosevelt Square Library LLC, a Illinois limited liability company ("**Manager**"), and [to-be-formed corporation affiliated with Developer] ("**Related Co**", and together with Developer and Manager, the "**Developer Parties**").

RECITALS:

A. Constitutional Authority: As a home rule unit of government under Section 6(a), Section VII of the 1970 Constitution of the State of Illinois (the "**State**"), the City has the power to regulate for the protection of the public health, safety, morals, and welfare of its inhabitants and, pursuant thereto, has the power to encourage private development in order to enhance the local tax base and create employment opportunities, and to enter into contractual agreements with private parties in order to achieve these goals.

B. Statutory Authority: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq. (2002 State Bar Edition), as amended from time-to-time (the "**Act**"), to finance projects that eradicate blighted conditions through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority: To induce redevelopment under the provisions of the Act, the City Council of the City (the "**City Council**") adopted the following ordinances on November 4, 1998: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Roosevelt/Racine Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the Roosevelt/Racine Redevelopment Project Area as a Redevelopment Project Area

Pursuant to Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Roosevelt/Racine Redevelopment Project Area" (the "**Roosevelt/Racine TIF Adoption Ordinance**"). Collectively the three ordinances, as amended, are defined as the "**Roosevelt/Racine TIF Ordinances**". The Roosevelt/Racine Redevelopment Area (as defined below) is legally described on Exhibit A.

To induce certain redevelopment pursuant to the Act, the City Council adopted the following ordinances on February 5, 1998: approving and adopting a tax increment financing redevelopment project and plan for the Western/Ogden Redevelopment Project Area; designating the Western/Ogden Redevelopment Project Area as a tax increment financing district; and adopting tax increment financing for the Western/Ogden Redevelopment Project Area (the aforesaid Ordinances are collectively referred to herein as the "**Western/Ogden TIF Ordinances**", the redevelopment plan approved by the Western/Ogden TIF Ordinances is referred to herein as the "**Western/Ogden Redevelopment Plan**," the redevelopment project area created by the Western/Ogden TIF Ordinances, as amended, is referred to herein as the "**Western/Ogden Redevelopment Area**," and Increment collected from the Western/Ogden Redevelopment Area shall be known as the "**Western/Ogden Increment**").

Pursuant to Section 5/11-74.4-4(q) of the Act, the City can use Increment from one redevelopment project area for eligible redevelopment project costs in another redevelopment project area that is either contiguous to, or is separated only by a public right of way from, the redevelopment project area from which the Increment is received so long as the applicable redevelopment plans permit such use (the "**Transfer Rights**").

The Roosevelt/Racine Redevelopment Area is either contiguous to, or is separated only by a public right of way from, the Western/Ogden Redevelopment Area.

The Western/Ogden Redevelopment Plan permits the exercise of Transfer Rights with respect to Western/Ogden Increment and the Roosevelt/Racine Redevelopment Plan permits the receipt of Western/Ogden Increment pursuant to Transfer Rights.

It is anticipated that the City may, in its discretion, exercise its Transfer Rights pursuant to the Act and the Roosevelt/Racine and Western/Ogden Redevelopment Plans to allocate and use a portion of Western/Ogden Increment in an estimated amount up to \$4,000,000 as part of and not in addition to the City Funds for the Project as defined below.

D. The Project: The project contemplated by this Agreement is for the construction of one mixed-use, mid-rise building containing 73 rental housing units and a library located at 1328-50 West Taylor Street (the "**Property**") in the Roosevelt/Racine Tax Increment Financing Redevelopment Project Area (the "**Roosevelt/Racine Redevelopment Area**"). The Property is approximately 89,116 square feet, and is located wholly within the Roosevelt/Racine Redevelopment Area. A legal description of the Property is stated in Exhibit B-1. In accordance with this Agreement, the 73 residential units will consist of 37 rental units for public housing residents, 29 rental units for low-income families and 7 market rate rental units, a management office, an exercise room, a laundry room, and 25 parking spaces (the "**Residential Project**"), and the library portion of the development will include approximately 15,000 square feet of space on the first floor of the building, and 9 parking spaces (the "**Library Project**"). The Residential Project and the Library Project are collectively defined as the "**Project**". A site plan for the Project (the "**Site Plan**") is Exhibit B-2. The completion of the Project

would not reasonably be anticipated to occur without the financing contemplated in this Agreement.

E. **Redevelopment Plan**: The Project will be carried out in accordance with this Agreement and the City of Chicago Roosevelt/Racine Redevelopment Project Area Tax Increment Finance Program Redevelopment Plan and Project (the "Roosevelt/Racine Redevelopment Plan"), and as amended from time-to-time.

F. **City Financing and Assistance**: The City agrees to use, in the amounts set forth in Section 5.04 hereof, Incremental Taxes to pay or reimburse the Developer Parties for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement. In addition, the City may, in its discretion, issue tax increment allocation bonds ("TIF Bonds") secured by Incremental Taxes (as defined below) pursuant to a TIF bond ordinance (the "TIF Bond Ordinance"), at a later date as described and conditioned in Section 4.10 hereof. The proceeds of the TIF Bonds (the "TIF Bond Proceeds") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Available Incremental Taxes.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

3.02 Scope Drawings and Plans and Specifications. Developer has delivered the Scope Drawings and Plans and Specifications to DPD and DPD has approved them. After such initial approval, subsequent proposed changes to the Scope Drawings or Plans and Specifications within the scope of Section 3.04 will be submitted to DPD as a Change Order under Section 3.04. The Scope Drawings and Plans and Specifications will at all times conform to the Roosevelt/Racine Redevelopment Plan as in effect on the date of this Agreement, and all applicable Federal, State and local laws, ordinances and regulations. Developer will submit all necessary documents to the City's Department of Buildings, Department of Transportation, and to such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

3.03 Project Budget. Developer has furnished to DPD, and DPD has approved, a Project Budget which is Exhibit C-1, showing total costs for the Project in an amount not less than \$36,055,318. Developer hereby certifies to the City that: (a) in addition to City Funds, the Lender Financing and/or Equity described in Exhibit K shall be sufficient to pay for all Project costs; and (b) the Project Budget is true, correct and complete in all material respects as of the date hereof. Developer will promptly deliver to DPD copies of any Change Orders with respect to the Project Budget as provided in Section 3.04.

3.04 **Change Orders.** All Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to material changes to the Scope Drawings of the Project or the construction schedule must be submitted by the Developer to DPD for DPD's prior written approval. The Developer shall not authorize or permit the performance of any work relating to any Change Order or the furnishing of materials in connection therewith prior to the receipt by the Developer of DPD's written approval. 3.05 **DPD Approval.** Any approval granted by DPD under this Agreement of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only, and any such approval does not affect or constitute any approval required by any other City department or under any City ordinance, code, regulation, or any other governmental approval, nor does any such approval by DPD under this Agreement constitute approval of the utility, quality, structural soundness, safety, habitability, or investment quality of the Project.

3.06 **Other Approvals.** Any DPD approval under this Agreement will have no effect upon, nor will it operate as a waiver of, the Developer Parties' obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals).

3.07 **Progress Reports and Survey Updates.** After the Closing Date, on or before the 15th day of January, April, July and October, Developer will provide DPD with written quarterly construction progress reports detailing the status of the Project, including a revised completion date, if necessary (with any delay in completion date being considered a Change Order, requiring DPD's written approval under Section 3.04). The inspecting agent or architect will perform periodic inspections with respect to the Project, providing written certifications with respect thereto to DPD, prior to requests for disbursements for costs related to the Project.

3.09 **Barricades.** Developer has installed (or shall install) a construction barricade of a type and appearance satisfactory to the City and which barricade was constructed in compliance with all applicable Federal, State or City laws, ordinances, rules and regulations. DPD retains the right to approve the maintenance, appearance,

color scheme, painting, nature, type, content, and design of all barricades (other than the name and logo of the Project) installed after the date of this Agreement.

3.10 **Signs and Public Relations.** Developer will erect in a conspicuous location on the Property during the Project a sign of commercially reasonable size and style, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and any other pertinent, non-confidential information regarding Developer and the Project in the City's promotional literature and communications.

3.11 **Utility Connections.** Developer may connect all on-site water, sanitary, storm and sewer lines constructed as a part of the Project to City utility lines existing on or near the perimeter of the Property, provided Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

3.13 **Accessibility for Disabled Persons.** Developer acknowledges that it is in the public interest to design, construct and maintain the Project in a manner that promotes, enables, and maximizes universal access throughout the Project. Plans for all buildings on the Property and related improvements have been reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

SECTION FOUR: FINANCING

4.01 **Total Project Cost and Sources of Funds.** The cost of the Project is estimated to be \$36,055,318 to be applied in the manner stated in the Project Budget and funded from the sources identified in Exhibit K.

4.02 **Developer Funds.** Equity and Lender Financing will be used to pay the majority of Project costs, including but not limited to costs of TIF-Funded Improvements.

4.03 **City Funds.**

(a) **Uses of City Funds.** City Funds may only be used to pay directly or reimburse the Developer Parties for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit D sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Section 4.03(b) and subject to revision by approved Change Orders), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost.

(b) **Sources of City Funds.** Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide up to \$7,000,000 of City funds (the "City Funds") from Available Incremental Taxes to pay for or reimburse the Developer Parties for the costs of the TIF-Funded Improvements; provided, however, that the \$7,000,000 to be derived

from Available Incremental Taxes and/or TIF Bond proceeds, if any, shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as the amount of the Available Incremental Taxes deposited into the Roosevelt/Racine Redevelopment Project Area Special Tax Allocation Fund shall be sufficient to pay for such costs; and provided further, that the City shall exercise its Transfer Rights and allocate up to \$4,000,000 from the Western/Ogden Redevelopment Project Area Special Tax Allocation Fund or such amounts as may be necessary to insure the sufficiency of City Funds (from either source) as may be required to fulfill the City's repayment obligations under this Agreement. The City hereby represents to the Developer Parties that except for the Prior TIF Obligations the City has not made and will not make a pledge of Incremental Taxes to any entity, party or person that is senior or superior to the pledge of Incremental Taxes to the Developer hereunder.

The Developer Parties acknowledge and agree that the City's obligation to pay for TIF-Funded Improvements of up to a maximum of \$7,000,000 is contingent upon the fulfillment of the conditions set forth above. In the event that such conditions are not fulfilled, the amount of Equity to be contributed by the Developer Parties pursuant to Section 4.01 hereof and pursuant to the terms of Developer's Amended and Restated Operating Agreement ("Developer's Operating Agreement") shall increase proportionately. In the event that the final certified Project costs are less than the Project Budget, the City and CHA shall share the savings on a pro-rata basis, subject to the terms of the Contract for Redevelopment of ABLA Homes [reference date and parties]. The City's share of the savings may be deducted from the final installment paid to the Developer Parties after the issuance of the Final Certificate.

(c) Disbursement of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03, Section 4.08 and Section 5 hereof, the City shall disburse the City Funds as follows: (i) \$1,750,000 upon the completion of 33% of the construction of the Project as evidenced by an Architect's Certificate; (ii) \$1,750,000 upon completion of 67% of the construction of the Project as evidenced by an Architect's Certificate; (iii) \$1,750,000 upon the issuance by DPD of the Substantial Completion Certificate; and (iv) \$1,750,000 upon the issuance by DPD of the Final Certificate.

4.04 Construction Escrow. The City and the Developer Parties hereby agree to enter into the Escrow Agreement. All disbursements of Project funds shall be made through the funding of draw requests with respect thereto pursuant to the Escrow Agreement and this Agreement. In case of any conflict between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control.

4.05 Sale or Transfer of the Property or Project by Developer.

(a) Prior to the Date of Issuance of the Final Certificate. Subject to Sections 4.05(c) and 16.01 below, Developer must obtain the prior approval of the City for any sale or transfer of any part of the Property or the Project (other than the Library Lease) prior to the issuance of the Final Certificate. Such approval by the City will be subject to the reasonable discretion requirement stated in Section 18.19.

(b) Prior to the End of the Affordability Covenant. Subject to Sections 4.05(c) and 16.01 below, if Developer shall enter into a sale or transfer of any part of the Residential Project prior to the termination of the affordability covenant set forth in Section 8.19 which is not otherwise permitted or approved by DPD, Developer agrees to remit City Funds to the City in an amount equal to \$_____ multiplied by X, where X equals 40 minus the number of years elapsed since the date of the Final Certificate.

(c) Sales of Assets or Equity. For purposes of this Section 4.05, the phrase: "sale or transfer of any part of the Residential Project" includes any sales or transfers which are a part of the sale or transfer of all or substantially all of Developer's assets or equity. Notwithstanding anything in this Section 4.05 to the contrary, the foregoing restrictions of this Section 4.05 and the penalty due in accordance with Section 4.05(b) do not apply to: (i) Investor Member to transfer its investor member interest to any person at any time, (ii) the removal by the Investor Member of the Manager, in accordance with Developer's Operating Agreement, provided the substitute managing member is acceptable to City in its reasonable discretion, (iii) Manager's pledge of Manager's rights, title and interest in and to Developer and under Developer's Operating Agreement as collateral for Developer's obligations under any Lender Financing; (iv) transfers to any condominium association or community association; (v) any dedications or easements required by the subdivision or applicable law; (vi) any transfer of membership interests in Developer, Manager or its Affiliates, provided Manager or an Affiliate thereof must remain in control of the day to day operations of the Project and management of the Developer; and (vii) any sale or transfer of the Residential Project that is made subject to the Affordability Covenant. Developer must, however during the Term of the Agreement, notify the City not less than 60 days after any transfer is made.

4.06 Treatment of Prior Expenditures. Only those expenditures made by the Developer Parties with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, will be considered previously contributed Equity or Lender Financing, if any, hereunder (the "**Prior Expenditure(s)**"). DPD has the right, in its sole discretion, to disallow any such expenditure (not listed on Exhibit F) as a Prior Expenditure as of the date hereof. Exhibit F states the prior expenditures approved by DPD as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements will not be reimbursed to the Developer Parties, but will reduce the amount of Equity and/or Lender Financing, if any, required to be contributed by the Developer Parties under Section 4.01.

4.07 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available under Section 4.03, the Developer Parties will be solely responsible for such excess costs, and will hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and from any and all costs and expenses of completing the Project in excess of the Project Budget.

4.08 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, the Developer Parties shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by the Developer Parties to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) the Developer Parties have approved all work and materials for the current disbursement request, and such work and materials substantially conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct in all material respects and the Developer Parties are in compliance with all covenants contained herein;

(e) the Developer Parties have received no notice and have no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens and Non-Governmental Charges in accordance with Section 8.14(b);

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by the Developer pursuant to this Agreement. The Developer Parties hereby agree that, if the Project is not In Balance, the Developer Parties shall, within 10 days after a written request by the City, defer developer fee or other amounts due the Developer, or deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer Parties to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct in all material respects; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer Parties. In addition, the Developer Parties shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

4.09 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer Parties' compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed as provided in Sections 4.05, 7.03 and 15.02 hereof.

4.10 TIF Bonds. The Commissioner of DPD may, in his or her sole discretion, recommend that the City Council approve an ordinance or ordinances authorizing the issuance of TIF Bonds in an amount which, in the opinion of the City Comptroller, is marketable under the then current market conditions. The costs of issuance of the TIF Bonds would be borne solely by the City. The Developer Parties will cooperate with the City in the issuance of the TIF Bonds, as provided in Section 8.05.

7.02 Effect of Issuance of Certificate; Continuing Obligations.

(a) The Final Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer Parties' obligation to complete such activities have been satisfied. After the issuance of the Final Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Final Certificate must not be construed as a waiver by the City of any of its rights and remedies under such executory terms.

(b) Those covenants specifically described at Section 8.02 (Covenant to Redevelop), Section 8.18 (Real Estate Provisions), and Section 8.19 (Affordability Requirements) as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement, provided that upon the issuance of the Final Certificate the covenants of Section 8.02 (Covenant to Redevelop) shall be deemed fulfilled. The other executory terms of this Agreement that remain after the issuance of the Final Certificate will be binding only upon Developer or a permitted assignee of Developer who, as provided in Section 18.14 (Assignment) of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

7.03 Failure to Complete. If Developer Parties fail to timely complete the Project in compliance with the terms of this Agreement, and Developer has not cured any failure within 90 days of receipt of written notice thereof, then the City will have, but will not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed under this Agreement;

(b) the right (but not the obligation), upon not less than thirty (30) days prior written notice to the Developer to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of such TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. If the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available under Section 4.01, the Developer Parties will reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer Parties, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status, if any, of any TIF Bonds.

7.04 **Notice of Expiration of Term of Agreement.** Upon the expiration of the Term of the Agreement, DPD will provide the Developer Parties, at their written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION EIGHT: REPRESENTATIONS, WARRANTIES AND COVENANTS OF DEVELOPER.

8.01 **General.** The Developer Parties each represents, warrants, and covenants, as of the date of this Agreement as follows. (h) Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer or any of its assets is bound

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of Developer; and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of Developer since the date of Developer's most recent Financial Statements (Developer only);

(k) Developer has not incurred and, prior to the issuance of the Final Certificate, will not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Project which are not promptly discharged or which are being legally contested (other than the Permitted Liens or Non-Governmental Charges); or incur any indebtedness secured or to be secured by the Project or any fixtures now or hereafter attached thereto, except Lender Financing (Developer only);

(l) None of the Developer Parties has made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or under City ordinance, for services to any City agency ("**City Contract**") as an inducement for the City to enter into the Agreement or any City Contract with the Developer Parties in violation of Chapter 2-156-120 of the Municipal Code of the City, as amended; and

For purposes of this subsection only, "affiliate" means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with

whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

8.02 **Covenant to Redevelop.** Upon DPD's approval of the Scope Drawings and Plans and Specifications as provided in Section 3.02, and DPD's approval of the Project Budget as provided in Section 3.03, and Developer's receipt of all required building permits and governmental approvals, Developer will redevelop the Property in substantial compliance with this Agreement, the TIF Ordinances, the Scope Drawings, the Plans and Specifications, the Project Budget and all amendments thereto, and all Federal, State and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project and/or Developer.

The covenants set forth in this Section 8.02 will run with the land and will be binding upon any transferee of the Property (subject to the provisions of Section 7.02(b)), or a portion thereof, unless terminated in whole or in part by the City, acting through DPD, pursuant to a written instrument executed pursuant to Section 7.02 and recorded against the Property, or any portion thereof.

8.03 **Redevelopment Plan.** The Developer Parties represent that the Project is and will be in compliance with all applicable terms of the Roosevelt/Racine Redevelopment Plan, as in effect on the date of this Agreement.

8.04 **Use of City Funds.** City Funds disbursed to the Developer Parties will be used by the Developer Parties solely to pay for or reimburse the Developer Parties for payment for the TIF-Funded Improvements as provided in this Agreement.

8.05 **Other Bonds.** At the request of the City, the Developer Parties, at the City's cost and expense, will agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole and absolute discretion) TIF Bonds or other bonds ("**Bonds**") in connection with the Project or the Roosevelt/Racine Redevelopment Area, the proceeds of which are to be used to reimburse the City for expenditures made in connection with the TIF-Funded Improvements; provided, however, that any such amendments will not have a material adverse effect on the Developer Parties or the Project. The Developer Parties will cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition, and assisting the City in its preparation of an offering statement with respect thereto. None of the Developer Parties will have any liability with respect to any disclosures made in connection with any such issuance that are actionable under applicable securities laws unless such disclosures are based on factual information provided by the Developer Parties that is determined to be false and misleading.

8.06 **Employment Opportunity.**

(a) Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and, as applicable, to cause the General Contractor to contractually obligate each subcontractor to abide by the terms set forth in Section 8.08 and Section 10; provided, however, that the contracting, hiring and testing requirements associated with the MBE/WBE and City resident obligations in Section 10 shall be applied on an aggregate basis and the failure of the General Contractor to require each subcontractor to satisfy, or the failure of any one subcontractor to satisfy, such obligations shall not result in a default or a termination of the Agreement or require payment of the City resident hiring shortfall amount so long as such Section 10 obligations are satisfied on an aggregate basis. Developer will submit to DPD a plan describing its compliance program prior to the Closing Date.

(b) Developer will deliver to the City and BMO Harris written progress reports by draw, but not less than quarterly, detailing compliance with the requirements of Sections 8.08, 10.02 and 10.03 of this Agreement. If any such reports indicate a shortfall in compliance, Developer will also deliver a plan to DPD which will outline, to DPD's satisfaction, the manner in which Developer will correct any shortfall.

8.07 **Employment Profile.** Developer will submit, and contractually obligate and cause the General Contractor to submit and contractually obligate any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.08 **Prevailing Wage.** The Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor to pay and to contractually cause each subcontractor to pay, the prevailing wage rate as ascertained by the federal government pursuant to the Davis-Bacon Act, to all their respective employees working on constructing the Project or otherwise completing the TIF-Funded Improvements. All such contracts will list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If federal prevailing wage rates are revised, the revised rates will apply to all such contracts. Upon the City's request, Developer will provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 8.08.

8.09 **Arms-Length Transactions.** Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer will provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to an Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.10 **No Conflict of Interest.** Under Section 5/11-74.4-4(n) of the Act, each of the Developer Parties represents, warrants and covenants that to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Roosevelt/Racine Redevelopment Area or the Roosevelt/Racine Redevelopment Plan, or any consultant hired by the City or such Developer Party with respect thereto, (a "City Group Member") owns or controls, has owned or controlled or will own or control any interest, and no such City Group Member will represent any person, as agent or otherwise, who owns or controls,

has owned or controlled, or will own or control any interest, direct or indirect, in a Developer Party, the Property, the Project, or to such Developer Party's actual knowledge, any other property in the Roosevelt/Racine Redevelopment Area.

8.11 **Disclosure of Interest.** None of the Developer Parties' outside counsel has direct or indirect financial ownership interest in the Developer Parties, the Property, or the Project.

8.12 **Financial Statements.** Developer will obtain and provide to DPD Financial Statements for Developer's fiscal year ended 2016, and each yearly thereafter for the Term of the Agreement. In addition, if requested by DPD, Developer will submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.13 **Insurance.** Solely at its own expense, Developer will comply with all provisions of Section 12 hereof.

8.14 **Non-Governmental Charges.**

(a) **Payment of Non-Governmental Charges.** Except for the Permitted Liens, and subject to subsection (b) below, Developer agrees to pay or cause to be paid when due any Non-Governmental Charges assessed or imposed upon the Project, or any fixtures that are or may become attached thereto and which are owned by Developer, which create, may create, or appear to create a lien upon all or any portion of the Project; provided however, that if such Non-Governmental Charges may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer will furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other evidence satisfactory to DPD, evidencing payment of the Non-Governmental Charges in question.

(b) **Right to Contest.** Developer will have the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charges by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charges, prevent the imposition of a lien or remove such lien, or prevent the transfer or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charges at the time and in the manner provided in this Section 8.14); or

(ii) to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD will require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such transfer or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charges and all interest and penalties upon the adverse determination of such contest.

8.15 **Developer Parties' Liabilities.** The Developer Parties will not enter into any transaction that would materially and adversely affect its ability to perform its obligations under this Agreement. The Developer Parties will immediately notify DPD of

any and all events or actions which may materially affect such party's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements related to this Agreement or the Project.

8.16 **Compliance with Laws.** To the best of the Developer Parties' knowledge, after diligent inquiry, the Property and the Project are in compliance with all applicable Federal, State and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Property and the Project.

8.17 **Recording and Filing.** The Developer Parties will cause this Agreement, certain exhibits (as specified by Corporation Counsel) and all amendments and supplements hereto to be recorded and filed on the date hereof in the conveyance and real property records of Cook County, Illinois against the Property. The Developer Parties will pay all fees and charges incurred in connection with any such recording. Upon recording, The Developer Parties will provide to the City an executed copy of this Agreement showing the date and recording number of record.

8.18 **Real Estate Provisions.**

(a) **Governmental Charges.**

(i) **Payment of Governmental Charges.** Subject to subsection (ii) below, Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer or all or any portion of the Property or the Project. "**Governmental Charge**" means all Federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property, or the Project, including but not limited to real estate taxes.

(ii) **Right to Contest.** Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or transfer or forfeiture of the Property. No such contest or objection will be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option:

(x) Developer will demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge will conclusively operate to prevent or remove a lien against, or the sale or transfer or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings, and/or;

(y) Developer will furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD may require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or transfer or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay or contest any Governmental Charge or to obtain discharge of the same as required by this Section 8.18, Developer will advise DPD thereof in writing, at which time DPD may, but will not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, will be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph must not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fail to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

8.19 Affordability Requirements.

(a) Affordable Units. Of the 73 units comprising the Residential Project, 66 units (or 90% of the Residential Project's units) shall be affordable to households with AMI not greater than 60%, of which 37 units (or 50% of the Project's units) shall be CHA Units; and 7 units shall not have any affordability restrictions.

(b) CHA Units. The Developer Parties agree and covenant to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of that certain City Regulatory Agreement executed by the Developer and the City as of the date hereof shall govern the terms of the Developer's obligation to provide affordable housing. Following foreclosure, if any, and from the date of such foreclosure through the date set forth in subparagraph (c) below, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(i) All of the CHA Units shall be operated and maintained solely as residential rental housing;

(ii) All of the CHA Units shall be available for occupancy to and be occupied solely by Low Income Families (as defined below) upon initial occupancy; and

(iii) All of the CHA Units have monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(iv) As used in this Section 8.19, the following terms have the following meanings:

(A) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(B) "Low Income Families" shall mean Families whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(c) The covenants set forth in this Section 8.19 shall run with the land for a period of forty (40) years from the date of the Final Certificate and be binding upon any transferee.

(d) The City and the Developer Parties may enter into a separate agreement to implement the provisions of this Section 8.19;

8.20 Job Readiness Program. If requested by the City, Developer will use commercially reasonable efforts to encourage its tenants at the Project to participate in job readiness programs established by the City to help prepare individuals to work for businesses located within the Roosevelt/Racine Redevelopment Area.

8.21 Broker's Fees. Developer has no liability or obligation to pay any fees or commissions to any broker, finder, or agent with respect to any of the transactions contemplated by this Agreement for which the City could become liable or obligated.

8.22 No Business Relationship with City Elected Officials. The Developer Parties acknowledge receipt of a copy of Section 2-156-030(b) of the Municipal Code and that the Developer Parties have read and understand such provision. Under Section 2-156-030(b) of the Municipal Code of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a "Business Relationship" (as defined in Section 2-156-080(b)(2) of the Municipal Code), or to participate in any discussion of any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship. Violation of Section 2-156-030(b) by any elected official, or any person acting at the direction of such official, with respect to this Agreement, or in connection with the transactions contemplated thereby, will be grounds for termination of this Agreement and the transactions contemplated thereby. The Developer Parties hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated thereby.

8.23 Environmental Features. The design of the Project incorporates the following environmentally-friendly elements for which Developer shall be responsible: permeable materials driveways and parking area; water efficient plumbing fixtures; landscaped green roof areas; sealed combustion water heaters with insulated domestic hot water storage tanks and hot water recirculation piping; high performance enclosure system with Low-e glazing; high efficiency Variable Refrigerant Flow heating/air conditioning systems within the dwelling units; variable speed pumps and HVAC fans

that are tuned to respond to occupant demand; low VOC emitting material finishes (paints, flooring, sealants); construction assemblies (concrete, masonry, drywall partitions) with high levels of recycled and regionally produced content; high performance LED and CFL lighting with occupancy and daylight harvesting based controls in various areas.

8.24 **Annual Compliance Report.** Beginning with the issuance of the Final Certificate and continuing throughout the Term of the Agreement, the Developer shall submit to DPD and to BMO Harris the Annual Compliance Report within 60 days after the end of the calendar year to which the Annual Compliance Report relates.

8.25 **Survival of Covenants.** All warranties, representations, covenants and agreements of the Developer Parties contained in this Section 8 and elsewhere in this Agreement are true, accurate and complete at the time of the Developer Parties' execution of this Agreement, and will survive the execution, delivery and acceptance by the parties and (except as provided in Section 7 upon the issuance of the Final Certificate) will be in effect throughout the Term of the Agreement.

SECTION NINE: REPRESENTATIONS, WARRANTIES AND COVENANTS OF CITY

9.01 **General Covenants.** The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 **Survival of Covenants.** All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION TEN: DEVELOPER PARTIES' EMPLOYMENT OBLIGATIONS

10.01 **Employment Opportunity.** Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its various contractors, subcontractors or any Affiliate of Developer operating on the Project (collectively, with Developer, such parties are defined herein as the "**Employers,**" and individually defined herein as an "**Employer**") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time-to-time (the "**Human Rights Ordinance**"). Each Employer must take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of

compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, must state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) Each Employer is required to make good faith efforts (i) to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Roosevelt/Racine Redevelopment Area; and (ii) to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Roosevelt/Racine Redevelopment Area.

(c) Each Employer will comply with all applicable Federal, State and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the State Human Rights Act, 775 ILCS 5/1-101 et. seq. (2002 State Bar Edition, as amended), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, will cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of Federal, State and municipal agencies.

(e) Each Employer will include the foregoing provisions of subparagraphs (a) through (d) in every construction contract entered into in connection with the Project (other than for remediation and demolition entered into prior to the date of this Agreement), and will require inclusion of these provisions in every subcontract entered into by any subcontractors and every agreement with any Affiliate operating on the Property, so that each such provision will be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 will be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof, subject to the cure rights under Section 15.03.

10.02 City Resident Construction Worker Employment Requirement.

(a) Developer agrees for itself and its successors and assigns, and will contractually obligate its General Contractor and will cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they will comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project will be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor will be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions. Developer, the General Contractor and each subcontractor will use their respective best efforts to exceed the minimum percentage of hours stated above, and to employ neighborhood residents in connection with the Project.

(b) Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

(c) **"Actual residents of the City"** means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) Developer, the General Contractor and each subcontractor will provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer will maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) will be submitted to the Commissioner of DPD in triplicate, which will identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

(f) Upon 5 Business Days prior written notice, Developer, the General Contractor and each subcontractor will provide full access to their employment records related to the Construction of the Project to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor will maintain all relevant personnel data and records related to the Construction of the Project for a period of at least 3 years after final acceptance of the work constituting the Project.

(g) At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) will not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

(i) When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual residents of the City or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project Budget undertaken by Developer (and specifically excluding any tenant improvements which are not undertaken by Developer) (the product of .0005 x such aggregate hard construction costs) (as the same will be evidenced by approved contract value for the actual contracts) will be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly will result in the surrender of the

entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

(j) Nothing herein provided will be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

(k) Developer will cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project (other than contracts for remediation and demolition entered into prior to the date of this Agreement).

10.03 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "**Procurement Program**"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "**Construction Program**," and collectively with the Procurement Program, the "**MBE/WBE Program**"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the aggregate hard construction costs (as set forth in the Project Budget) shall be expended for contract participation by minority-owned businesses ("**MBEs**") and by women-owned businesses ("**WBEs**");

- (1) At least 26 percent by MBEs.
- (2) At least 6 percent by WBEs.

(b) For purposes of this Section 10.03 only:

(i) The Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code of Chicago, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall

demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

SECTION ELEVEN: ENVIRONMENTAL MATTERS

11.01 **Environmental Matters.** Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws (taking into account the anticipated issuance and applicability of any NFRLs issued with respect to the Property), this Agreement and all Exhibits, the Scope Drawings, the Plans and Specifications and all amendments thereto, the TIF Bond Ordinance, if any, and the Roosevelt/Racine Redevelopment Plan.

Without limiting any other provisions hereof, Developer agrees to indemnify, defend and hold the City (except with respect to Existing Materials and any gross negligence or wanton or willful misconduct by the City) harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer: (i) the presence of any Hazardous Materials on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Materials from all or any portion of the Property, or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Developer or any of its Affiliates under any Environmental Laws relating to the Property.

SECTION FIFTEEN: DEFAULT AND REMEDIES

15.01 **Events of Default.** The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, will constitute an "Event of Default" by the Developer Parties hereunder:

(a) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of such party under this Agreement or any related agreement;

(b) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer Parties' business, property (including the Property or the Project), assets (including the Property or the Project), operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer Parties to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect when made;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets, or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action will not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within 120 days after the commencement thereof;

(g) the entry of any judgment or order against Developer for an amount in excess of \$1.0 million which is not being contested or which remains unsatisfied or undischarged and in effect for 60 days after such entry without a stay of enforcement or execution;

For purposes of Section 15.01(j) hereof, a natural person with a material interest in the Developer Parties is one owning in excess of thirty-three percent (33%) of such party's (or such party's ultimate parent entity's) issued and outstanding ownership shares or interest.

15.02 Remedies. Upon the occurrence of an uncured Event of Default, the City may terminate this Agreement and any other agreements to which the City and the Developer Parties are or shall be parties and/or suspend disbursement of City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein. To the extent permitted by law, the City may also lien the Property. Without limiting the generality of the foregoing, with respect to Events of Defaults by the Developer Parties prior to the issuance of a Final Certificate, the City shall be entitled to seek reimbursement of City Funds from the Developer Parties.

15.03 Curative Period.

(a) In the event the Developer Parties fail to perform a monetary covenant which it is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default will not be deemed to have occurred unless the applicable party has failed to perform such monetary covenant within 10 business days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant.

(b) In the event the Developer Parties fail to perform a non-monetary covenant which it is required to perform under this Agreement, an Event of Default will not be deemed to have occurred unless the applicable party has failed to cure such default within 30 days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such 30 day period, the applicable party will not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30 day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

15.04 Right to Cure by the Investor Member and/or BMO Harris. If an uncured default occurs under this Agreement and as a result thereof, the City intends to exercise any right or remedy available to it that could result in termination of this Agreement, or the suspension, cancellation, reduction or reimbursement of City Funds disbursed hereunder, or any other remedy under this Agreement, the City shall prior to exercising such right or remedy, send notice of such intended exercise to the Investor Member and BMO Harris, and the Investor Member (including, without limitation, by exercise of management take over rights of the Owner under its operating agreement) and BMO Harris shall have the right (but not the obligation) to cure such default as follows:

(a) if a monetary default exists, the Investor Member may cause to be cured such monetary default within 90 days after the later of (and BMO Harris, except as provided in Section 15.04(h) below, and the City shall take no action during such 90 day period): (i) the expiration of the cure period, if any, granted under Section 15.03 to Developer Parties with respect to such monetary default; or (ii) receipt by the Investor Member and BMO Harris of notice of default from the City. If the Investor Member does not cause such monetary default to be cured within such 90-day time period set forth in the preceding sentence, then BMO Harris may cure such monetary default in the manner set forth in Section 15.04(c); and

(b) if a non-monetary default exists (except for a Personal Developer Default, as later defined), the Investor Member may cause to be cured such non-monetary default within 90 days after the later of (and BMO Harris, except as provided in Section 15.04(h) below, and the City shall take no action during such 90 day period): (i) the expiration of the cure period, if any, granted under Section 15.03 to Developer with respect to such non-monetary default; or (ii) receipt by the Investor Member and BMO Harris of notice of default from the City. If the Investor Member does not cause such non-monetary default to be cured within such 90-day time period set forth in the preceding sentence, then BMO Harris may cure such monetary default in the manner set forth in Section 15.04(d); and

(c) if a monetary default exists, BMO Harris may cure such monetary default within 60 days after the later of (and the non-electing party and the City shall take no action

during such 60-day period): (i) the expiration of the Investor Member's 90-day cure period; or (ii) receipt by BMO Harris of notice from the City that the Investor Member has failed to cure the default within the timeframe set forth in Section 15.04(a) above; and

(d) if a non-monetary default exists (except for a Personal Developer Default), BMO Harris may cure such non-monetary default within 90 days after the later of (and the non-electing party and the City shall take no action during such 90-day period): (i) the expiration of the Investor Member's 90-day cure period; or (ii) receipt by BMO Harris of notice from the City that the Investor Member has failed to cure the default within the timeframe set forth in Section 15.04(b) above; provided, however, if such non-monetary default is of a nature that is not subject to cure in 90 days, the cure period will be extended for the time period needed to cure such default (including any time period required by BMO Harris to take control of the Project by initiating foreclosure of its mortgage and/or appointing a receiver) and the City shall forbear from exercising its remedies hereunder so long as diligent and continuous efforts are being pursued to cure such default; and

(e)(1) If such non-monetary default would be an Event of Default set forth in Section 15.01(e), (f), (g), (i) or (j) hereof (each such default being a "Personal Developer Default"), the Investor Member or BMO Harris (as applicable and in that strict order as more fully provided in this Section 15.04(e) below and not otherwise, the "Electing Party"), may provide written notice (the "Assumption Notice") to the City and the Investor Member or BMO Harris (as applicable, the "Non-Electing Parties") within 30 days of receipt of notice from the City of such Personal Developer Default, as more fully provided in Section 15.04(e)(2) below. If notice is delivered within said 30-day period, the Electing Party shall, in accordance with Section 15.04(e)(2) below, either cure or cause to be cured such Personal Developer Default by the assignment pursuant to Section 18.14 hereof of all of the Developer Parties' rights, obligations and interests in this Agreement to the Electing Party or any other party agreed to in writing by BMO Harris and the City, which assumption shall be deemed to cure the Personal Developer Default.

(2) Upon receipt by the City and BMO Harris of an Assumption Notice from the Investor Member pursuant to subsection (e)(1) above, the cure period shall be extended for such reasonable period of time as may be necessary to complete such assignment and assumption of the Developer Parties' rights, obligations and interests in this Agreement (but in no event longer than 90 days without the written consent of the City and BMO Harris). If the Investor Member does not (i) provide such Assumption Notice within the 30-day period specified in subsection (e)(1), or (ii) identify to the City and the Non-Electing Parties any other party (which may be an affiliate of the Investor Member other than any of the Developer Parties) to assume the Developer Parties' rights, obligations and interests in this Agreement within 30 days from the date of the Assumption Notice, then BMO Harris shall have 30 days to cure such Personal Developer Default by the assignment, in accordance with the provisions of Section 18.14 hereof, of all of the Developer Parties' rights, obligations and interests in this Agreement to BMO Harris, or an affiliate thereof, or any other party agreed to in writing by BMO Harris and the City.

(f) If such Personal Developer Default is not cured by the Investor Member or BMO Harris within the timeframes set forth in Section 15.04(e), then the City shall have available all remedies set forth in this Agreement, including those in Sections 15.02.

(g) During all such times as a Personal Developer Default exists and remains uncured after the expiration of all cure periods, no payments of City Funds shall occur until such time as such Personal Developer Default is thereafter cured.

(h) The City agrees that at any time during which an Event of Default has occurred under the Lender Financing Documents, during the period that BMO Harris is diligently and continuously pursuing actions or remedies under the Lender Financing, with or without the Developer Parties, which are intended to cause substantial completion of the Project, and, as part of such actions or remedies, continues to fund or make advances to pay Project costs, the City shall likewise forbear from exercising its remedies under Section 15.02.

(i) Notwithstanding anything to the contrary contained in this Agreement, including, without limitation, the continuation of any cure periods under Section 15.03 and Section 15.04, in the event the Investor Member and BMO Harris provide a joint notice of discontinuance of actions or remedies intending to achieve substantial completion, the City may immediately commence to exercise any and all of the remedies specified in Section 15.02 above.

SECTION SIXTEEN: MORTGAGING OF THE PROJECT

16.01 **Mortgaging of the Project.** All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "**Existing Mortgages.**" Any mortgage or deed of trust that Developer may hereafter elect to record or permit to be recorded against the Property or any portion thereof without obtaining the prior written consent of the City is referred to herein as a "**New Mortgage.**" Any mortgage or deed of trust that Developer may hereafter elect to record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "**Permitted Mortgage.**" It is hereby agreed by and between the City and the Developer as follows:

(a) If a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof by the exercise of remedies under a mortgage or deed of trust (other than an Existing Mortgage or a Permitted Mortgage) whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.14 hereof, the City may, but will not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party will be entitled to no rights or benefits under this Agreement, but such party will be bound by those provisions of this Agreement that are covenants expressly running with the land specified in Section 7.02.

(b) If any mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof by the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.14 hereof, then the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the executory obligations and liabilities of a "Developer" hereunder. Notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party will have no liability

under this Agreement for any Event of Default of Developer or other claim of the City against the Developer based on events which occurred prior to the time such party succeeded to the interest of Developer under this Agreement, nor shall the City have the right to record a lien against or otherwise enforce any remedies hereunder against the Project, in which case Developer will be solely responsible. If the City placed a lien on the Project pursuant to Section 15.02 hereof in connection with an Event of Default of Developer or other claim of the City against the Developer based on events which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, the City shall release such lien upon written request to do so by such succeeding mortgagee. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party will be entitled to no rights and benefits under this Agreement, and such party will be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land specified in Section 7.02.

(c) Prior to the issuance by the City to Developer of a Final Certificate under Section 7 hereof, no New Mortgage will be executed with respect to the Property or the Project or any portion thereof without the prior written consent of the Commissioner of DPD. A feature of such consent will be that any New Mortgage will subordinate its mortgage lien to the covenants in favor of the City that run with the land. After the issuance of a Final Certificate, consent of the Commissioner of DPD is not required for any such New Mortgage.

18.01 Amendments. Except as provided in this Section 18.01, and except for changes or amendments that are otherwise expressly identified as being in the discretion of the Commissioner, this Agreement and the Schedules and Exhibits attached hereto may not be materially amended without the written consent of all parties. In addition to consents and discretion expressly identified herein, the Commissioner, in his or her sole discretion, may amend or otherwise revise: (a) any exhibits containing legal descriptions in order to correct a surveyor's, scrivener's or clerical error in such a legal description, or to reflect any new subdivision of property index numbers, provided that such correction does not have a material effect on any portion of the Project; and (b) Exhibit B-2 to adjust unit locations and types; (c) Exhibits C-1 and C-2 in connection with updated budgets and/or the approval of Change Orders resulting in changes in the Project Budget in accordance with Section 3.05; (d) Exhibit D to adjust allocations between line items or to add new line items permitted under the Plan; (e) Exhibit K to reflect the terms of the final project financing, so long as such financing is not materially inconsistent with that contemplated hereunder; and (f) Exhibit G to correct inadvertent omissions or permit other minor title encumbrances not in the nature of a lien. Amendments required in clauses (b), (c) and (e) shall also require the Developer Parties' consent. The City in its sole discretion, may amend, modify or supplement the Roosevelt/Racine Redevelopment Plan. For purposes of this Agreement, the Developer Parties is only obligated to comply with the Roosevelt/Racine Redevelopment Plan as in effect on the date of this Agreement.

18.03 Limitation of Liability. No member, elected or appointed official or employee or agent of the City shall be individually, collectively or personally liable to the Developer Parties or any successor in interest to the Developer Parties in the event of any default or breach by the City or for any amount which may become due to the Developer Parties or any successor in interest, from the City or on any obligation under the terms of this Agreement.

18.04 **Further Assurances.** The Developer Parties and City each agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement, and to accomplish the transactions contemplated in this Agreement.

18.05 **Waivers.** No party hereto will be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by such party. No delay or omission on the part of a party in exercising any right will operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement will not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, will constitute a waiver of any of such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 **Remedies Cumulative.** The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein must not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 **Parties in Interest/No Third Party Beneficiaries.** The terms and provisions of this Agreement are binding upon and inure to the benefit of, and are enforceable by, the respective successors and permitted assigns of the parties hereto. This Agreement will not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right. Nothing contained in this Agreement, nor any act of the City or the Developer Parties, will be deemed or construed by any of the parties hereto or by third persons, to create any relationship of third party beneficiary, principal, agent, limited or general partnership, joint venture, or any association or relationship involving the City or the Developer Parties.

18.08 **Titles and Headings.** The Section, section and paragraph headings contained herein are for convenience of reference only and are not intended to limit, vary, define or expand the content thereof.

18.09 **Counterparts.** This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, with the same effect as if all parties had signed the same document. All such counterparts shall be deemed an original, must be construed together and will constitute one and the same instrument.

18.10 **Severability.** If any provision of this Agreement, or the application thereof, to any person, place or circumstance, is held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement and such provisions as applied to other persons, places and circumstances will remain in full force and effect only if, after excluding the portion deemed to be unenforceable, the remaining terms will provide for the consummation of the transactions contemplated hereby in substantially the same manner as originally set forth herein. In such event, the parties will negotiate, in good faith, a substitute, valid and enforceable provision or agreement which most nearly affects the parties' intent in entering into this Agreement.

18.11 **Conflict.** In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances in effect as of the date of this Agreement, such ordinance(s) will prevail and control.

18.12 **Governing Law.** This Agreement is governed by and construed in accordance with the internal laws of the State, without regard to its conflicts of law principles.

18.13 **Form of Documents.** All documents required by this Agreement to be submitted, delivered or furnished to the City will be in form and content satisfactory to the City.

18.14 **Assignment.** Subject to Section 4.05, prior to the issuance by the City to the Developer Parties of the Final Certificate, the Developer Parties may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City; provided, however, that the Developer Parties may collaterally assign their interests in this Agreement to any of its lenders identified to the City as of the Closing Date if any such lenders require such collateral assignment. Any successor in interest to the Developer Parties under this Agreement will certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to Section 8.25 (Survival of Covenants) hereof, for the Term of the Agreement. The Developer Parties hereby consents to the City's transfer, assignment or other disposal of this Agreement at any time in whole or in part.

18.15 **Binding Effect.** This Agreement is binding upon the Developer Parties, the City and their respective successors and permitted assigns (as provided herein) and will inure to the benefit of the Developer Parties, the City and their respective successors and permitted assigns (as provided herein).

18.16 **Force Majeure.** None of the City and the Developer Parties nor any successor in interest to any of them will be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, war, terrorism, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. Such force majeure events shall also include the City's failure to complete or accept the public improvements within the Property (including the Library Project space) which, at the Closing Date, the City has agreed to undertake within a construction schedule mutually acceptable to the City and the Developer Parties. The individual or entity relying on this section with respect to any such delay will, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

18.17 **Exhibits and Schedules.** All of the exhibits and schedules attached hereto are incorporated herein by reference. Any exhibits and schedules to this Agreement will be construed to be an integral part of this Agreement to the same extent as if the same has been set forth verbatim herein.

18.18 **Business Economic Support Act.** Under the Business Economic Support Act (30 ILCS 760/1 et seq. 2002 State Bar Edition, as amended), if Developer is

required to provide notice under the WARN Act, Developer will, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and Minority Leader of the Senate of State, and the Mayor of each municipality where Developer has locations in the State. Failure by Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.19 **Approval.** Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Final Certificate or otherwise administering this Agreement for the City.

18.20 **Construction of Words.** The use of the singular form of any word herein includes the plural, and vice versa. Masculine, feminine and neuter pronouns are fully interchangeable, where the context so requires. The words "herein", "hereof" and "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular Section or other subdivision. The term "include" (in all its forms) means "include, without limitation" unless the context clearly states otherwise. The word "shall" means "has a duty to."

18.21 **Date of Performance.** If any date for performance under this Agreement falls on a Saturday, Sunday or other day which is a holiday under Federal law or under State law, the date for such performance will be the next succeeding Business Day.

18.22 **Survival of Agreements.** Except as otherwise contemplated by this Agreement, all covenants and agreements of the parties contained in this Agreement will survive the consummation of the transactions contemplated hereby.

18.23 **Equitable Relief.** In addition to any other available remedy provided for hereunder, at law or in equity, to the extent that a party fails to comply with the terms of this Agreement, any of the other parties hereto shall be entitled to injunctive relief with respect thereto, without the necessity of posting a bond or other security, the damages for such breach hereby being acknowledged as unascertainable.

18.24 **Venue and Consent to Jurisdiction.** If there is a lawsuit under this Agreement, each party hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

18.25 **Costs and Expenses.** In addition to and not in limitation of the other provisions of this Agreement, the Developer Parties agree to pay upon demand the City's out-of-pocket expenses, including attorneys' fees, incurred in connection with the enforcement of the provisions of this Agreement but only if the City is determined to be the prevailing party in an action for enforcement. This includes, subject to any limits under applicable law, reasonable attorneys' fees and legal expenses, whether or not there is a lawsuit, including reasonable attorneys' fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. The Developer Parties also will pay any court costs, in addition to all other sums provided by law.

OPINION OF COUNSEL FOR DEVELOPER PARTIES

[To be retyped on Developer Parties' Counsel's letterhead]

_____, 2017
City of Chicago
City Hall, Room 600
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to Taylor Street LA LLC, an Illinois limited liability company (the "Developer") and Roosevelt Square Library LLC, an Illinois limited liability company (the "Manager"), in connection with the construction of certain improvements on _____ located in the Roosevelt/Racine Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

- (a) Taylor Street Library and Apartments Project Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City"); and
- (b) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

- (a) the original or certified, conformed or photostatic copies of Developer's and Manager's (i) Certificate of Organization, as amended to date, (ii) Amended and Restated Agreement of Limited Liability Company, (iii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, and (iv) records of all corporate proceedings relating to the Project; and
- (b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Each of Developer and Manager is a limited liability company duly organized, validly existing and in good standing under the laws of its state of organization, has

full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign organization under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Each of Developer and Manager has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's or Manager's Certificate of Organization or Amended and Restated Agreement of Limited Liability Company or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer or Manager is a party or by which Developer or Manager or its respective properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than in favor of any lender providing lender financing.

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer and Manager.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally. Each of the Documents to which Manager is a party has been duly executed and delivered by a duly authorized officer of Manager, and each such Document constitutes the legal, valid and binding obligation of Manager, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies the members and managers of Developer and the percentage interest held by each member. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the equity of Developer. Each outstanding interest of Developer is duly authorized, validly issued, fully paid and nonassessable. Exhibit B attached hereto (a) identifies the members and managers of Manager and the percentage interest held by each member. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit B, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the equity of Manager. Each outstanding interest of Manager is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of

our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America or the laws of the State of Illinois.

This opinion is issued at Developer's and Manager's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,
