Re: 3500 North Narragansett Avenue, Chicago, IL

Dear Property Owner:

In accordance with the requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107, please be informed that on or about October 4, 2017 the undersigned will file an Application for a change in zoning from an RS2 Residential Single–Unit (Detached House) District to a B2-1 Neighborhood Mixed-Use District on behalf of the Applicant, Jacqueline Lara Penaranda for the property located at 3500 North Narragansett Avenue, Chicago, Illinois.

The subject property is currently improved with a one story mixed-use building (retail unit in the front and a dwelling unit in the rear). The Applicant needs a zoning change in order to obtain a business license and continue the commercial use within the existing mixed-use building; the existing dwelling unit at the rear to remain.

The Applicant is the owner of the subject property. Her business address is 3500 North Narragansett Ave., Chicago IL 60634. I am the Attorney for the Applicant and the contact person for this Application. My address is 77 West Washington Street, Chicago, Illinois, and my telephone number is (312) 541-1878.

Please note that the Applicant is not seeking to rezone or purchase your property. The Applicant is required by law to send this notice because you own property within 250 feet of the property to be rezoned.

Sincerely,

Mark J. Kupiec

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assigns or grantees.

   Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Plans.

   Ingress or egress shall be pursuant to the Plans and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

   All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. 4. This Plan of Development consists of 17 Statements: a Bulk Regulations Table; an Existing Land Use Map; an existing Zoning Map; a Planned Development Boundary and Property Line Map; a Site/Ground Floor Plan; a Landscape/Green Roof Plan; and Building Elevations prepared by Antunovich and Associates and dated October 11, 2017, submitted herein. Full-sized copies of the Site Plan, Landscape Plan and Building Elevations are on file with the Department of Planning and Development. In any instance where a provision of this Planned

Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Residential-Business Planned Development: multi-unit residential dwelling units, office, eating and drinking establishments (excluding drive through facilities), liquor store (packaged goods), liquor sales (as accessory use), religious assembly, artist work or sales space, dry cleaning drop-off or pickup (no on-premises plant), medical service, day care, children's play center, financial services (excluding pawn shops, pay day loan stores, and drive through facilities), vacation rental, food and beverage retail sales, personal service, general retail sales, and accessory uses, accessory parking.

   The applicant may lease to members of the public on an hourly, daily, weekly or monthly basis up to twenty-five percent (25%) of the minimum required parking spaces.

6. On-premise signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-Premise signs are prohibited within the boundary of the Planned Development.

7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.

8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 28,327 square feet and a base FAR of 5.0. The Applicant acknowledges that the project has received a bonus FAR of 2.5, pursuant to Sec. 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 7.5. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17.4-1003-B & C, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3.

   The bonus payment will be split between three separate funds, as follows: 80% to the Neighborhoods Opportunity Fund, 10% to the Citywide Adopt-a-Landmark Fund and 10% to

the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

It is currently anticipated that the 10% to the Local Impact Fund shall be utilized for the future development of a Chicago Park District open space located at the southwest corner of North Milwaukee Avenue and West Erie Street. Any modification of the allocation of the Local Impact Fund shall be subject to Section 17-4-1005-G but in no event shall such modification cause a delay in the issuance of Part II approval, building permit or certificate of occupancy for the Planned Development.

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.

11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.

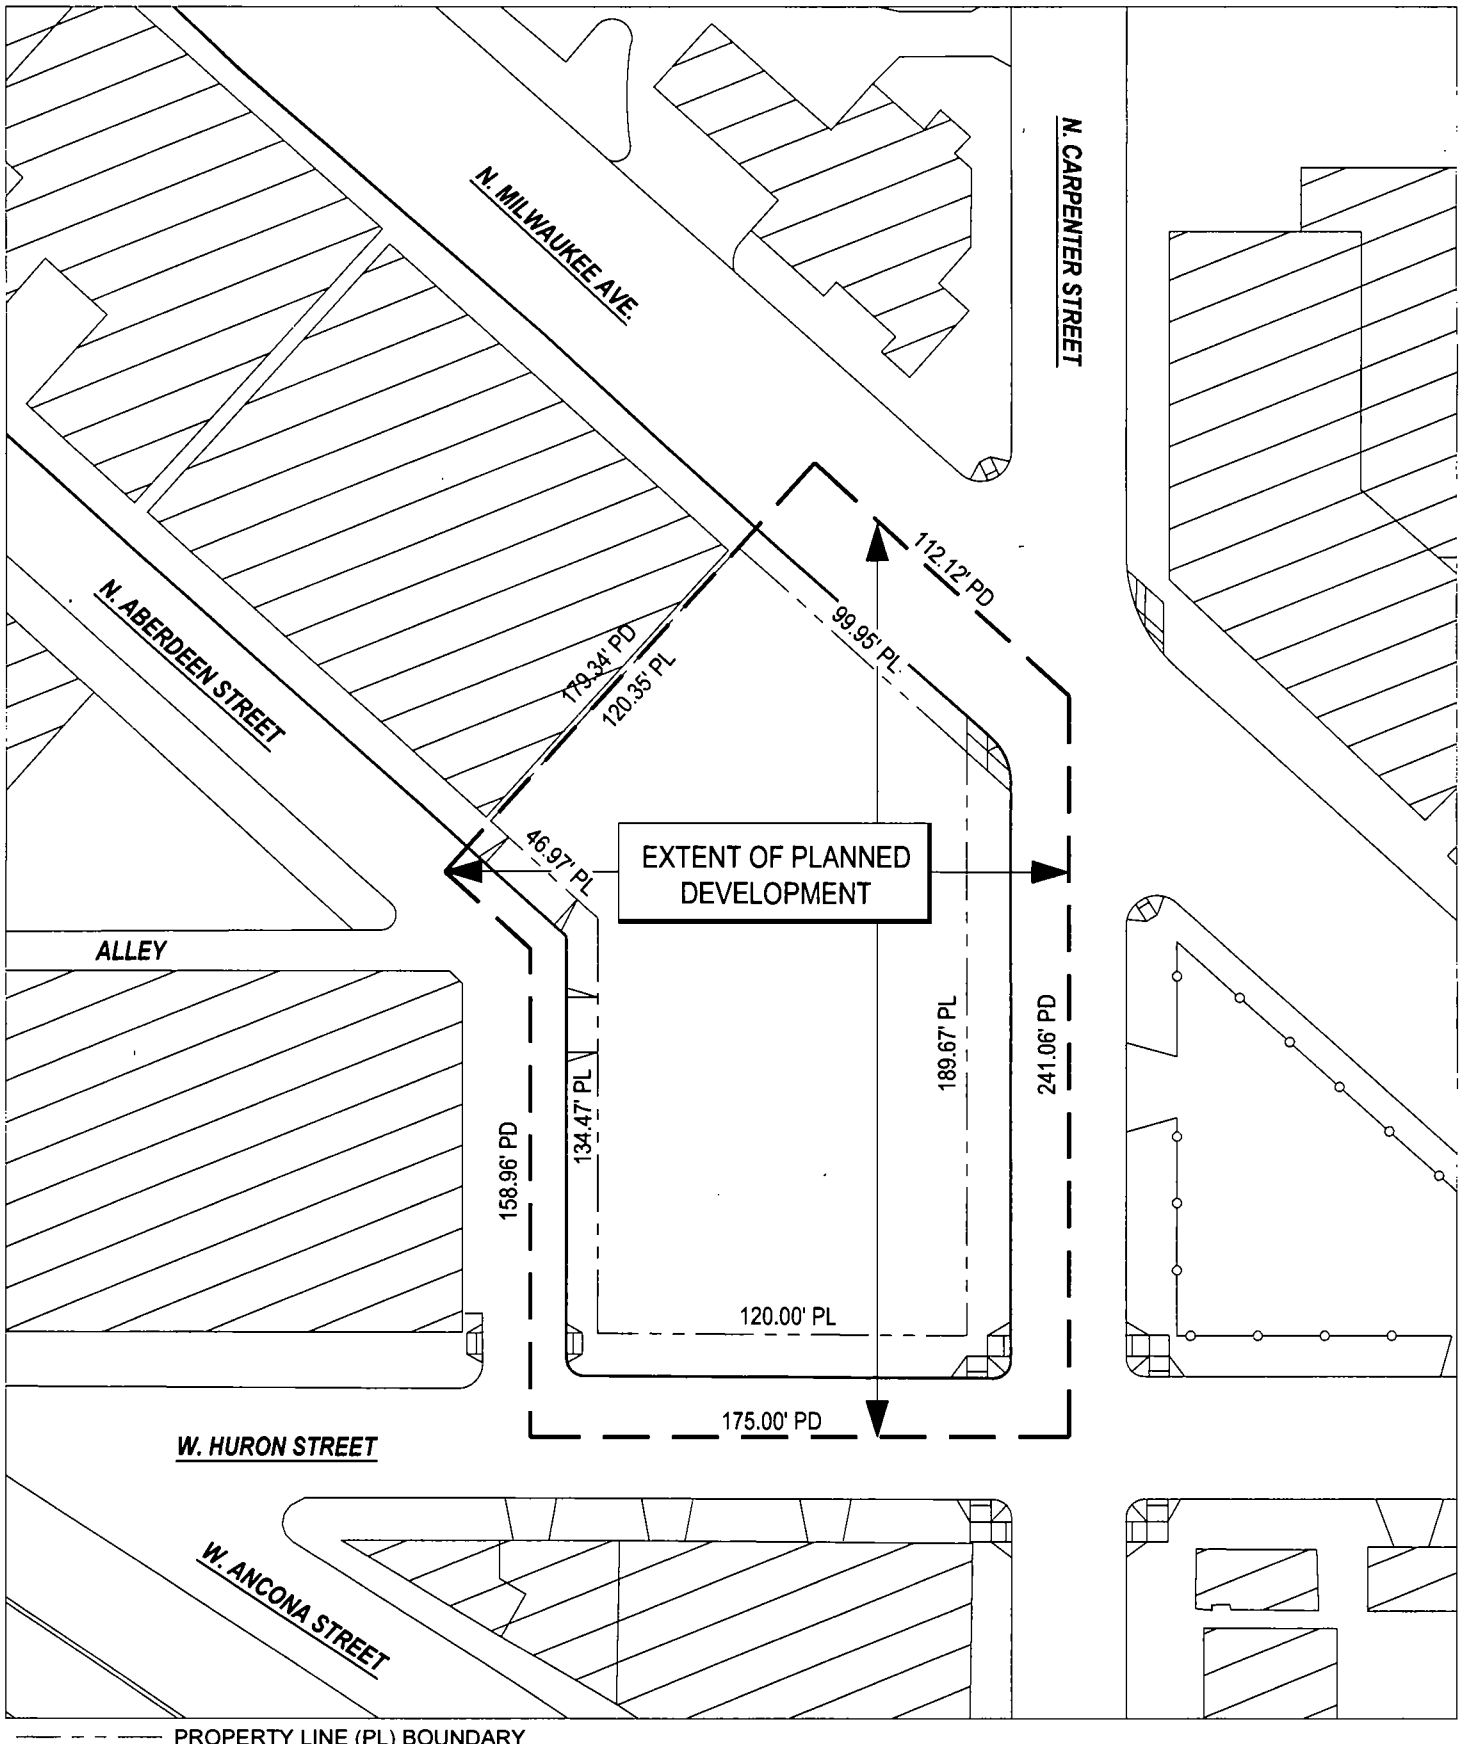
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces

operating costs and conserves energy and natural resources. The Applicant shall comply with the current City of Chicago Sustainable Development Policy (Green Matrix) set forth by the Department of Planning and Development. The Project will have a green roof consisting of a minimum of 50% of the net roof area, or 10,250 square feet.

15. The Applicant acknowledges and agrees that the rezoning of the Property from M1-3 to DX-5 for construction of this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance" or "ARO"). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a downtown district, within the meaning of the ARO, and the project has a total of TBD units. As a result, the Applicant's affordable housing obligation is 23 affordable units (10% of 226 rounded up/down), 6 of which are Required Units (25% of 23, rounded up/down). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of $175,000 per unit (Cash Payment) and/or providing 23 affordable units in the rental building to be constructed in the PD and/or 23 affordable units in an off-site building and/or enter into an agreement with CHA to provide affordable units in the PD, as set forth in the Affordable Housing Profile Form attached hereto as [Exhibit A]. The Applicant agrees that the affordable units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, or elects to build a for-sale project instead, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the requirements and number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

16. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, (i) the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part 11 permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.



17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to DX-5 Downtown Mixed Use District.

Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile

radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a higher income area, within the meaning of the ARO, and the project has a total of 98 units. As a result, the Applicant's affordable housing obligation is 10 affordable units (10% of 98), 2 of which are Required Units (25% of 10, rounded down). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of $125,000 ($100,000, if providing units on-site to CHA) per unit (Cash Payment) and/or providing 2 affordable units in the rental/for sale building to be constructed in the PD and/or 8 affordable units in an off-site building located at TBD and/or entering into an agreement with the Chicago Housing Authority (CHA) to provide affordable units in the PD, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit A. The Applicant agrees that the affordable rental/for sale units must be affordable to households earning no more than 100% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to the pre-existing B3-5 Community Shopping District.

Item 12 Small Businesses

The SEC is required by the Regulatory Flexibility Act to consider the effect of its regulations on small entities. In order to do this, we need to determine whether you meet the definition of "small business" or "small organization" under rule 0-7.

Answer this Item 12 only if you are registered or registering with the SEC **and** you indicated in response to Item 5.F.(2)(c) that you have regulatory assets under management of less than $25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration.

For purposes of this Item 12 only:

- Total Assets refers to the total assets of a firm, rather than the assets managed on behalf of *clients*. In determining your or another *person's* total assets, you may use the total assets shown on a current balance sheet (but use total assets reported on a consolidated balance sheet with subsidiaries included, if that amount is larger).
- *Control* means the power to direct or cause the direction of the management or policies of a *person*, whether through ownership of securities, by contract, or otherwise. Any *person* that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another *person* is presumed to *control* the other *person*.

Vihnanek for the Property located at 2312 W 35th St., Chicago, IL 60609 and Daniel Sanchez for the Property commonly known as 2316 W 35th St., Chicago IL 60609. The address for the property owner, Leonard J. Vihnanek is 120 Pamela Dr., Bensenville, IL 60106. The address for the property owner, Daniel Sanchez is 3100 W. Franklin Blvd., Chicago IL 60612.

The Property at 2312 W. 35th St., Chicago is currently a gray stone with two units in the front and one in the rear. The Property at 2316 W. 35th St., Chicago is currently a single vacant lot. The owner does not intend to change anything with the Property at 2312 W. 35th St., Chicago. The Owner of 2316 W. 35th St., Chicago intends to build a residential property within the zoning code of RT-4. This zoning change to RT-4 is required to bring the property up to code for zoning purposes to split the 2312 W 35th St. from the vacant lot at 2316 W. 35th St., Chicago IL 60609 so the property at 2316 W. 35th St., Chicago IL 60609 will be considered buildable. The property is currently bordered by RT-4 zoning to the east. This request is to specifically extend the RT-4 two additional lots to the west covering 2312-2316 W. 35th St., Chicago IL 60609.

The contact person for this application is Rob C. Roe of Rob Roe and Associates PC, located at 111 W. Jackson St., Suite 1700, Chicago IL 60604. Please call me at any time with any questions about this project at (312) 675-6172.

REVISED NOTICE

PROPERTY OWNER INFORMATION

RE: Proposed Zoning Amendment from RS-3 to RT-4, for property 2312-2314 W 35th St., Chicago, IL 60609 and 2316 W 35th St., Chicago IL 60609 remains RS-3 (hereinafter the "Property")

Dear (Owner):

I represent the Owners of the Properties commonly known as property 2312-2316 W 35th St., Chicago, IL 60609 regarding a proposed zoning change for the Property.

In accordance with the requirements for an Amendment to the Zoning Code enacted by City Council, Section 17-13-0107, please be informed that on or about October 5, 2017, the undersigned on behalf of the Applicant, will file an amended application for a zoning change from RS-3 to RT-4 for 2312-2314 W. 35th St., Chicago IL 60609, on behalf of the owner Leonard J. Vihnanek for the Property located at 2312-2314 W 35th St., Chicago, IL 60609 and Daniel Sanchez for the Property commonly known as 2316 W 35th St., Chicago IL 60609 will remain zoned RS-3. The address for the property owner, Leonard J. Vihnanek is 120 Pamela Dr., Bensenville, IL 60106. The address for the property owner, Daniel Sanchez is 3100 W. Franklin Blvd., Chicago IL 60612.

The Property at 2312-2314 W. 35th St., Chicago is currently a gray stone with two units in the front and one in the rear. The Property at 2316 W. 35th St., Chicago is currently a single vacant lot. The owner of 2312-2314 W. 35th St., Chicago IL does not intend to change anything with the Property at 2312-2314 W. 35th St., Chicago. The vacant lot at 2316 W. 35th St., Chicago IL was sold and the property at 2312-2314 W. 35th St., Chicago needs a zoning change to RT-4 in order to stand alone for zoning purposes without the vacant lot at 2316 W. 35th St., Chicago IL 60609. We have filed an application to extend the border of the RT-4 zoning district bordering 2312 W. 35th St., Chicago, IL to now extend across 2312-2314 W. 35th St., Chicago IL 60609. The property at 2316 W. 35th St., Chicago IL 60609 will remain RS-3.

Although we are only requesting a change in zoning on 2312 to 2314 W. 35th St., Chicago IL to RT-4, the Owner of 2316 W. 35th St., Chicago IL is joined in this application so that 2316 W. 35th St., Chicago IL can be divided for zoning purposes from 2312-2314 W. 35th St., Chicago IL and receive a buildable letter. The owner of 2316 W. 35th St., Chicago IL intends on building a residential property in conformance with RS-3 zoning.

The contact person for this application is Rob C. Roe of Rob Roe and Associates PC, located at 111 W. Jackson St., Suite 1700, Chicago IL 60604. Please call me at any time with any questions about this project at (312) 675-6172.

Please note the applicant is not seeking to rezone or purchase your property. The applicant is required by law to send this notice because you own property within 250 feet of the property of the above stated properties.
